### School Board Vetoes Beechwood School Closing by Unanimous Vote

By GERRY MUELLER  
Statesman Staff Writer

On a unanimous 7-0 vote Monday evening, the Kewaskum School Board voted against closing the Beechwood Elementary School.

The Beechwood closing, though not actually recommended, was being considered as a possible way to cut a substantial sum (approximately \$40,000) from the district's 1981-82 budget.

Several parents voiced their feelings regarding next year's budget. Of the over 90 people present, 90% appeared to be against the areas being considered for cuts. One parent commented he felt the district was doing a decent job of providing the children with a good education, but rather than making cuts, he felt there were more things the district could and should be doing to provide an even better education. The

parent stated one thing the board should consider was a program for gifted and talented students. Another parent stated, "I want a good education for my child as well as those of other parents, they are our future."

School Board member Charles Ogi again presented his eight recommendations, noting he would like to see definite action on three during the meeting. In reply to Ogi's recommendation to eliminate the Elementary Guidance Counselor, a parent stated, "I think he helps our children become a whole person, not just a brain." Ogi commented the classroom teacher should handle any guidance as they know the students the best. Several teachers spoke out noting they do general counseling, but when a specific and difficult problem arises, it was not possible to give individual attention and this is where the Guidance Counselor comes in. He is able to give personal

attention to students as well as parents if the need presents itself.

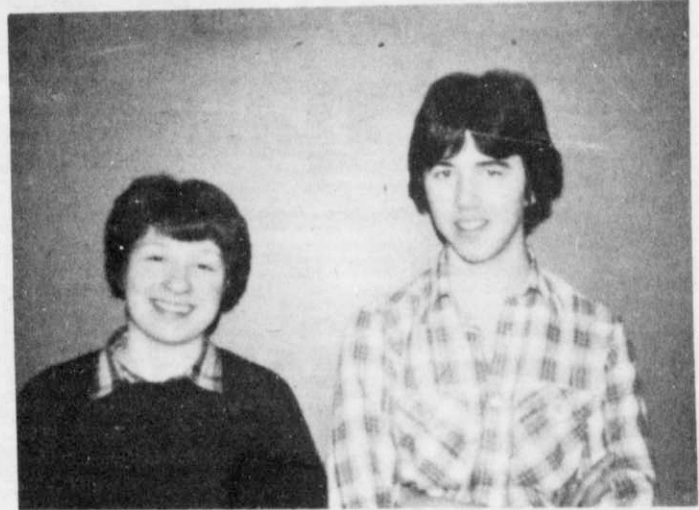

Mr. Dickinson, the Elementary Guidance Counselor, commented even he felt limited, "I don't have as much time as I would like."

A motion to drop the guidance position was defeated by a 4-3 vote. Ogi suggested elimination of one teacher aide. A concerned parent stated, "if parents are volunteering their own time as additional teacher aides, how can we eliminate a position that appears to be needed." One Farmington School aide stated "none of the board members except Mrs. Goeden has ever been to the schools to see what aides do." Ogi's motion died for lack of a second.

Dr. Ogi motioned to eliminate a secretary. Superintendent Brenholt noted these people all have specific duties and it would be almost impossible to shift them around and still

## Receive A Ratings in State Forensics Meet

Shelly Sekas and Tim Indermuehle, juniors at Kewaskum High School, received A ratings at the state forensics meet in Madison, April 24.

All the remaining students advancing from Kewaskum received B's. These included Beth Strigenz, Doreen Jacobs, Lori Lloyd, Jenny Mueller and Julie Dettmann. Coached by Miss Mary Pat McCormick and Mrs. Barbara York, these seven students have been working since the beginning of the season in

February on voice technique, delivery and memorization.

Shelly's category was poetry. "I had a choice between that or storytelling," she explained, "but I didn't think I could memorize a whole story." In poetry she was allowed to read her selection instead of memorizing, but had to change the selection after each contest. Her first selection (for sub-district) was a collection of poems about children. Her district contest

Doreen, the daughter of Mr. and Mrs. Floyd Klug of Kewaskum, has maintained a 4.0 grade point average throughout her entire high school career

Ken Scott

and is now ranked number one in her class. She is president of the National Honor Society (NHS) and treasurer of both the Student Council and the Future Business Leaders of America (FBLA). A member of the Kiwanis Key Club, Doreen has also been active in track, tennis, basketball and cross-country. In addition, she was named a commended student for her high score on the Preliminary Scholastic Aptitude Test (PSAT) administered during her junior year. Doreen plans to attend the University of Wisconsin-Whitewater and major in business.

Ken, the son of Mr. and Mrs. Dennis Scott of Kewaskum, has

a 3.932 grade point average and is ranked number three in his class. Editor of the school newspaper, he is also active in the American Field Service (AFS), German Club, Key Club and forensics. In addition, Ken has been a member of several school bands, including the jazz band and the pit band for school musicals. He plans to attend the University of Wisconsin-Madison and major in foreign languages and journalism.

The Regal scholarships have been awarded since 1963 and the recipients are selected on the basis of their scholastic achievements and extracurricular activities.

## The "REAL" Thing

### Wins \$1,000 in Coke Contest

Al Rohlinger of 363 Main Street, Kewaskum, had a pleasant surprise when he checked his Coca Cola cap on Sunday, April 12. He had the third word "REAL" of the four word slogan, for a \$1,000 prize in the Coca Cola cap contest. Al had the other words "Coke, The Thing" from other Coca Cola caps. Chances of receiving the missing word "Real" were one in 500,000.

Rohlinger turned in the caps to Jim Boegel, proprietor of J & N Liquor at 355 Main Street, Kewaskum, where he pur-

chased the soda. Boegel notified the proper authorities of the win.

Pictured are, left to right, George Keim, Coca Cola vice president of Wisconsin and manager of the South Division plant at 2727 W. Silver Spring, Milwaukee; lucky Al, holding the \$1,000 check, and his wife, Janet. The presentation was made on Friday, April 24, at the South Division plant.

The contest has been terminated in Wisconsin since April 17.

[Continued from Page 1] selection was "Contentment," and at state, "Personality." The two poems comprising the last selection, "Please Listen to What I Am Not Saying" and "We Are Not Hens' Eggs," were prepared in two weeks. Tim was entered in the prose category, where selections also have to be changed after each contest. He read "Johnny Got His Gun" at sub-district, a cutting from Ray Bradbury's "Fahrenheit 451" at district, and "The Snake Women" at state.

"It's a little strange," Tim said, trying — with difficulty — to explain the latest selection. "It's an old Korean folk tale, for one thing." The story's plot involves women in a region of Korea who, it was believed, were really snakes. One man tries to escape them, but fails in the end. Both Tim and Shelly are forensics veterans. Shelly has been involved for four years, and is looking forward to participating next year. Despite the fact that it's always the first category to fill up, she would

like to try prose next year. Since seventh grade Tim has been in forensics, reaching state last year as well as this year. He feels he'll probably remain in prose again next year. from Tom Leitzke, R.P.H.  
Shaking a small baby can lead to whiplash, brain damage, and even death, because an infant's head is relatively heavy and the neck muscles are weak. Many 'battered babies' are actually 'shaken babies,' reports Dr. John Caffey of Pittsburgh Univ. School of Medicine. Many parents who would never strike an infant, may shake it in what they mistakenly think is 'harmless' punishment. Dr. Caffey says "Shaking may cause repeated bleeding within the head and eyes, leading to permanent disorders such as cerebral palsy, mental retardation, and vision impairment."

## KHS Open-Air Concert at Old Village Park Sunday

An open-air concert in the old Village Park will be presented by the Kewaskum High School music department this Sunday, May 3, from 1-3 p.m. All six of the high school's musical groups will be performing.

After weeks of preparation for the large group and solo and ensemble contests, choir director Dave Bertelsen, sees this as a time for the musicians to show their "lighter side."

"The outdoor concert is being held to entertain the interested people in the district and let the students display their talents," added Larry Ammel, band director.

Opening the concert will be the girls' chorus, singing "We Want to Sing," "Altos' Lament," "Longer Than," and "The Water is Wide" (with guitar accompaniment by Mr. Bertelsen). The girls' barbershop quartet will sing "Bye, Bye, Blues," and the triple trio will sing the song that got them to state, "The Fashions Change."

The symphonic band will play

the "Florentiner March," "Malaguena," and "Tailgate Concerto," a dixieland piece featuring five jazz musicians.

The swing choir will follow with selections from "The 50's Medley," "Listen to the Music," "In the Mood," and "The Rose."

"Catching the Sun," "WK RP in Cincinnati," "Macho Love," and "Boss Talk," will make up the jazz band's portion of the concert.

Following the jazz band will be the mixed chorus, singing "He Ain't Heavy, He's My Brother" (conducted by choir seminar student Patti Slegler), "Sergeant Pepper's Lonely Hearts' Club Band - a Beatles Medley," "Every Time I Feel the Spirit," and "When the Saints Go Marching In" (with dixieland accompaniment). The men's barbershop quartet will sing "Goodbye, My Coney Island Baby."

The final group to appear will

be the concert band, which will play "The Proud and the Noble," "Bohemian Rhapsody," and "Star-Spangled Spectacular."

As a grand finale, both bands will combine into one 125-piece band, playing John Philip Sousa's "The Fairest of the Fair."

Refreshments will be provided by the Kewaskum High School Booster Club. The musicians will be performing on the east bank of the Milwaukee River with the audience seated on the facing hill. In case of rain the concert will be held at 1 p.m. in the old gym.

## Local Residents Badly Injured in Crash Fatal to 2

A woman from Newburg and a man from West Bend were killed Thursday and four others seriously injured in an accident at the intersection of State Hwy. 145 and County Trunk G.

Killed were Yvonne M. Amundson, 33, of 1630 E. Decorah Road, Newburg, who suffered head injuries and a broken neck, and Allen A. Barwick, 35, of 1356 Wayne Road, West Bend, who sustained head injuries.

According to police, the two were in a van driven by Barwick that was southbound on County G when it collided with a pickup truck. The truck, driven by Michael E. Bingen, 27, of 8289 Sunset Circle, Kewaskum, was apparently northbound on State 145.

Bingen was taken to Community Memorial Hospital in Menomonee Falls where he was listed in serious condition after the accident with a fractured spine. His son, Adam, 3, was listed in critical condition with multiple fractures. Both had been pinned in the truck.

Two other passengers in the Barwick van, Charlene E. Barwick, 34, and David A. Barwick, 11, were also taken to the same hospital. Mrs. Barwick sustained fractures and David a possible concussion.

Police at first said details of the accident were unclear as there were no witnesses and police had not been able to talk to any of the victims.

The two deaths raised the Washington County fatality count to 12 thus far in 1981.

## School Board

(Continued from Page 1)

accomplish all the necessary recordkeeping and office work required in the various schools. Brenholt stated "it would be like trying to run eight busses with seven drivers." Elimination of the secretary position also died for lack of a second to Ogi's motion.

School Board President John Tessar asked the board to delay any decisions regarding the Business Manager and Assistant Principal positions as the board had received a teacher resignation and a request from a principal asking he be relieved of his duties. Tessar felt these staff changes should be studied before any additional recommendations were made. The board voted 5-2 to delay action on these two positions along with the Industrial Arts teacher contract.

In reference to Ogi's recommendation of combining Special Education classes, and elimination of two Special Ed positions, Brenholt stated people from the Department of Public Instruction were in the school recently and they would not recommend the approval of combining classes due to the large number of students. Instead, they recommended addition of one more special education aide.

Board member Richard Theusch explained how elimination of seven busses might be accomplished. Theusch noted that parents have commented they do not wish to have their children ride the busses for more than 45 minutes. This results in busses carrying approximately 51 students. If the busses left filled to a capacity of 66, this would eliminate the added busses. Theusch noted, however, the board still had not

heard from the bus company if the plan was even feasible.

Board member Tom Brigham made a motion to initiate the concept of a \$10.00 per student/per year user fee for extra curricular activities with the administrative staff recommending fees and activities. The motion passed 7-0.

Brigham also recommended that parochial busing, the athletic program for boys and girls, full-day kindergarten and busing be put on the agenda for the May 11 meeting. A program for gifted students will be on the Budget Committee's meeting agenda scheduled for May 15.

Business Manager Robert Berch asked the board for permission to increase lunch prices effective May 1. Single lunches would increase from 95c to \$1.00, elementary from \$3.75 to \$4.25, and grades 7-12 from \$4.00 to \$4.50. The request was denied. Borch noted that without these increases the lunch program might end up with a \$1,000-\$2,000 deficit at the end of the year. Borch also

informed the board, meals would probably be \$1.35 next year if President Reagan's proposal to drop reimbursement entirely goes through and school commodities are reduced. It was noted the number of lunches being served had dropped from over 156,000 as of March 1 last year, to 140,148 as of March this year. Borch commented, "I think you're going to lose a lot of people next year."

The board denied a request of Mr. and Mrs. Michael Bodden to transfer their property from Kewaskum to the Lomira School District.

The board approved a request to have a Japanese student attend school next year through the "Youth for Understanding" program.

The board accepted end of the semester resignations from Ernie Mitchell, high school, and Mrs. Ann Glish, Farmington School.

The board re-elected John Tessar, President; Jean Goeden, Vice-President;

Richard Theusch, Clerk, and Byron Gessner, Treasurer.

nesday, May 6, at 7:30 p.m. in their new offices in the Washington House at 228 N. 6th on the second floor.

The meeting is for anyone interested in learning more about our program or anyone who is interested in joining our program. For more information please call us at 334-7896.

## Plan Commission Hears Preliminary Report on TIF District at Meeting

By GERRY MUELLER  
Statesman Staff Writer

At Tuesday evening's meeting, Dan Thompson, of Acting Associates, presented the Plan Commission with preliminary facts and figures for a proposed Tax Incremental Financing District in the Village of Kewaskum.

Using Kewaskum's 1980 equalized tax values, Thompson stated his early calculations show the areas (135 different tax parcels) being considered for inclusion in the district would generate a construction loan value of approximately 1.25 to 1.50 million dollars. (TIF loan payments are spread over a twenty year period).

Thompson reminded the commission these figures are an estimate, since actual equalized value figures for 1981 probably would not be available until possibly June.

Thompson felt the 1.5 million dollar figure was fairly accurate at this time since there will be about another 2.0 million dollars added to the 1982 tax rolls from new construction including the shopping center, condominiums and the elderly housing projects.

Plan Commission member Bob Kirst commented whether it was even worth going into a TIF district worth 1.5 million dollars, when one project alone, extension of Reigle Drive, is anticipated to cost 1.0 million

dollars itself. Thompson felt it was.

Village Administrator Dan Schmidt noted that the four top priority projects in the TIF plan list were well within the \$1.5 million figure. These included the water line loop to Milan Drive, Well No.3, and the interceptor sewer or public parking lot. These are projects which the village will have to develop in the near future, if not through TIF then through general obligation bonds and tax levies.

Thompson noted this is one reason he would suggest a Project Plan List ranging between 2 to 2.5 million dollars. He stated the board and commission members must make one point very clear to the public regarding this 2 million dollar figure, this being the fact that although you have a 2 million dollar price tag on your list, it does not mean that this is what the village will be spending. It simply provides many different projects at various cost levels from which the village can make its selections for actual construction within the 1.5 million dollars.

Having a project list containing several options allows for any changes. In the event one project is dropped for one reason or another, the village would be able to replace it with another project from the list. Thompson again emphasized

the fact it is easy to drop any project if it has been included in the TIF Project List when the district is submitted for approval, but almost impossible to add a project once the district has been approved and goes into effect.

Thompson stated "the project list does not obligate the village to carry out all the projects."

Thompson noted it is hoped as a district develops, it will provide added increment funds allowing for development of more projects.

In closing his presentation, Thompson informed the commission there is a bill presently pending in Madison which could have a serious effect on Kewaskum's proposed district. Senate Bill No.198 would restrict vacant land area to 25% of the district. Kewaskum's would exceed that as 37 of the 135 parcels in the proposed district are vacant at the present time. Should this bill be passed, it would reduce Kewaskum's district considerably.

## Junior Jargon

The Kewaskum Juniors had an active April schedule. Plans were discussed at the April 9 meeting after an interesting slide presentation on River Edge Nature Center - a unique area that is right in our area, just waiting to be discovered.

The Easter Bunny Brunch was again held for area children. A special thanks goes to Judy Wenzel of the West Bend Library who volunteered to come as Mother Goose, Victor the Valley Bank Dog, and Mary Straub and Carol Tehmann who wore club costumes for the occasion.

"Little Jill," the poison prevention puppet show will again be presented to area youngsters. A bicycle safety clinic will also be held on Saturday, May 30. Watch for the details - this could prevent a bicycling accident involving your child.

The Education Committee urges people to continue with Project Post Card - letting television programs know your views on TV programming. Scholarships will again be given to two Kewaskum High School graduates. An AFS Tea was

held so club members could meet the Kewaskum High School domestic and foreign AFS students on a personal basis. A \$50.00 donation was given to the Kewaskum Girl Scouts.

Rajeane Kanter will attend the May 14 meeting as guest speaker. She is an instructor and lecturer on sexuality. It promises to be an interesting evening.

**Scout-O-Rama at County Fairgrounds**

Scout-O-Rama is the roar of the crowd, the smell of enthusiastic performers and enthralled spectators - the color, the smell, the music and excitement! Cub, Scout, and Exploring programs come to life. More than any other activity, the Scout-O-Rama is the only show of its kind! It parades before the community the greatest potential of future leaders in an orderly and well-trained manner.

The Scout-O-Rama makes parents enthusiastic about the organization their son or daughter belongs to, it fills Scouters with pride in seeing the accomplishments in working with the youth of their community. It gives the Scouts a sense of belonging and raises the prestige of Scouting to new and greater heights and ensures continued community support.

A few of the events planned are scouts building a monkey bridge, model railroading, tests of physical fitness, sand jar painting, an obstacle course, leather crafts, pioneering skills, first aid work demonstrated, Indian dances and many many more activities of interest to people of all ages.

Refreshments will be available.

Come and plan to spend the day at the Scout-O-Rama on Saturday, May 2, from 11 a.m. - 4:30 p.m. at the Washington County Fairgrounds in Slinger.

**Moraine Chorus and Chamber Orchestra To Present Concert**

The Moraine Chorus and the Moraine Chamber Orchestra will give a free, public concert this Sunday, May 3, at 2 p.m. in the Union theatre of the University of Wisconsin-Washington County campus.

Mark Hagner, a sophomore music major at UWWC, will conduct the program's opening selection, "Cantate Domino" by Pitoni. This is Hagner's conducting debut with the Moraine Chorus.

The rest of the program is: "Laetatus Sum" by Claudio Monteverdi; "Cantata No.140 Wachet Auf" by J. S. Bach; "You and I" by Meredith Wilson; and "Sail Away" by the Oak Ridge Boys.

Soloists in Sunday's concert are Jo Rower, Marie Marin, Gary Gerhartz, Rick Gilbertson, and Mark Hagner. The accompanist is Elizabeth Fisher. Peter Ayer, UWWC associate professor of music, directs the Moraine Chorus.

Ayer commented that the Moraine Chorus' spring concert

usually performs to a standing room only audience. "This year's chorus," said Ayer, "is one of the best blends of voices I've ever had. This concert should be exceptionally fine."

## IN MEMORIAM

In memory of my mom, Alice Strobel, who passed away seven years ago — April 25.

For you.... Mom

There is this special love,  
And it's in my heart.  
And I'm dedicating it to you.  
For you're this special someone  
in my life,  
And I want you to know,  
That I'll always love you.

You've helped me through  
many hardships,  
And day by day you showed me  
that you cared.  
Sometimes things didn't go so  
well.

But we got along and we made  
it through.

I guess I never showed my love  
for you,

But now that you're gone and  
remain in good memory,  
I wish I would have taken the  
chance

To tell you how much you meant  
to me.

I've got the chance to tell you  
now.

Even though you may not hear  
me, but

I want you to know, mom  
I love you and miss you dearly.

With all my love,  
Shelly
