Ball Diamonds to Be Dedicated Developer Asks Village to Reconsider Parks Fee to Elderly Housing Project

By GERRY MUELLER
Statesman Staff Writer

Peter Knaup, developer of Meadow Creek Apartments, appeared before the Kewaskum Village Board Monday evening requesting elimination of the \$200.00 per unit parks fee assessed against his 25-unit elderly housing complex. Knaup said the Wisconsin Housing Finance Authority would not accept this as a cost in the construction of these units. Knaup told the board if these fees were not dropped, he would have to pay this \$5,000 out of his own pocket. Knaup hoped the board would help him convince WHFA to cover this cost.

Knaup told the board he had submitted his building plans to WHFA for two identical complexes, one at Green Lake and the other at Kewaskum. Knaup

noted due to different construction costs and labor scales, the Kewaskum complex would cost \$125,000 more than Green Lake. However, WHFA financing aid would be the same for both projects. Two major cost factors were, Kewaskum wages would have to be paid according to Milwaukee Metropolitan scale which would mean a salary of \$16.06 per hour for a carpenter whereas the Green Lake project would be paying \$7.50 per hour. Also, trusses on the Green Lake units would be \$5,000 while Kewaskum's would run \$12,000.

Knaup commented WHFA feels the structures should cost the same anywhere across the state and will not take into consideration higher construction and labor costs. Faced with this problem, Knaup told the board, it may be necessary to

make some changes in the building plans to bring the costs within budget limits. Knaup hoped he would be able to get WHFA to reconsider their stand. If not, Knaup felt changes would have to include removal of central air conditioning and going with room air in the community room. He would also have to shorten community room and lobby space. Changing units within the building would also have to be considered. WHFA is allowing 750-775 square feet per unit, but the Kewaskum units have been designed for 1,100 square feet per unit. Knaup told the board he wanted them to "know all the facts right up front" and the problems he was facing. Knaup stated "I don't want somebody to say you showed us one thing and gave us another."

The proposed Meadow Creek apartments will contain 24 units for elderly plus one manager's unit. Two other buildings will contain 12 units for single parent and low-income families.

The board unanimously voted to keep the \$200 per unit Parks and Recreation fee, but deferred payment of it for two years.

In other action, the board approved a motion requesting the Department of Transportation place the Main Street bridge on its priority list for replacement and repair. It was noted although the bridge is safe and not in need of immediate replacement, erosion and settling is occurring. There is a backlog of bridge work and it probably would be several years before the DOT got to the bridge, making it a good idea for Kewaskum to get on the priority list now.

Jeff Rohrer, Chairman of the Parks and Recreation Committee informed the board a program dedicating Kewaskum's new baseball diamonds to Regal Ware has been scheduled for 9:00 a.m. May 23 at Kiwanis Park. The program will also include a flag ceremony.

Protection and Public Safety Chairman Raynor Herriges said his committee was looking into the possibility of a parking limit at the intersection of Main Street and Fond du Lac Avenue. The board recommended a parking restriction from 7:00 a.m. to 4:00 p.m., Monday through Friday on Fond du Lac Avenue, which would allow right turns. Police Chief Hlavaty felt this would help the congestion problem. Herriges said he would discuss the matter with the business owner concerned with this area.

The board approved the hiring

Village Retains Special Attorney For Shopping Center Litigation

By GERRY MUELLER
Statesman Staff Writer

On the recommendation of Kewaskum's legal advisors, McKenna and Kiefer, the village at a special meeting Wednesday afternoon approved the hiring of Charles O'Meara, West Bend, as their special attorney in possible legal action by the KEWA Shopping Center.

The law firm of McKenna and Kiefer requested the village work with another attorney since their firm is representing several other parties in actions against the shopping center and they felt there may be a conflict of interests.

Due to several legal problems which have arisen, the village has denied an Occupancy Permit for the building until all problems and claims are settled, either privately or through legal action.

The Board voted unanimously 5-0, to retain O'Meara. Trustees Paul Blumer and Dave Nigh were absent.

Kewaskum Frozen Foods Again 'Brings Home the Bacon'

They did it again! The Kewaskum Frozen Foods has again won the Grand Champion and President's Trophy for their prize winning summer sausage at the state convention.

The Wisconsin Association of Meat Processors Convention was held last weekend at the Olympia, Oconomowoc. Attending were Mr. and Mrs. Robert Beisbier and several employees and their wives from Kewaskum Frozen Foods. Dave Nigh and Robert Beisbier are the owners.

The Grand Champion award was also won last year. For the second consecutive year the President's Trophy was won for

best product in the show, in which there were 509 entries. The firm also won the Reserve Grand Champion award for their homemade wieners. In 1979 they won the Grand National Champion award and in 1980 the Reserve National Champion for their summer sausage.

Lieutenant Governor Olson was a guest at the convention and the trophies were presented by Gary Rohde, Secretary of Agriculture.

A total of 105 meat processing plants were registered at the convention.

Cystic Fibrosis Bike-A-Thon For Kewaskum Area May 16

The Cystic Fibrosis Bike-A-Thon for the Kewaskum area will be held Saturday, May 16, from 8:30 to 4:00. An eleven mile route has been set up by the Kewaskum Jaycees, starting at the Kewaskum River Hill Park.

This year's goal is to raise \$1,000 to fund research for the fight against this dreaded disease. Cystic Fibrosis affects approximately one in every 1800 new borns, making it the most common fatal genetic disease in the United States.

Bikers will raise dollars by having sponsors pledge money on a per mile basis. Sponsors

sheets are available at schools in the Kewaskum School District or by contacting Roy Petersch at 626-4965 or Dennis Hellsell at 338-1841. All bikers who raise \$25.00 or more will receive a free Cystic Fibrosis T-Shirt.

Refreshments for the Bike-A-Thon have been donated by Sentry, Piggly Wiggly, Red Owl and Rosenheimers.

Local prizes have been furnished by Minz Supply, Steiner Electric, Dave's Music Center, West Bend Theater and Barton Variety.

Please join us in the fight against Cystic Fibrosis.

KHS Key Club Inductions Held

New Key Club officers, from left to right: Craig Rosenthal, Treasurer; Carol Lehmann, Secretary; Mary Sleger, Vice President; Scott Buchel, President.

Induction ceremonies were conducted Thursday evening, April 30, for new officers of the Kewaskum Key Club.

Selected on the basis of service, character and leadership, the present officers stepped down after turning over their duties and pins to the incoming officers. Kiwanis president, Robert Getter, congratulated current officers Patricia Sleger, Laurie Lemke, Laurie Kougl and Ken Fellenz for their outstanding work throughout the year. Kiwanis secretary Robert Borch conducted the induction of the new officers elected Feb. 19 - President, Scott Buchel; Vice-President, Mary Sleger; Secretary, Carol Lehmann, and Treasurer, Craig Rosenthal.

Key Clubber of the Year was awarded to two outstanding Key Clubbers this year - Jane Russell and Allen Zwieg. This is the first time the club has given the award.

After enjoying a pot luck supper and musical entertainment provided by the Kewaskum Jazz Band, under the direction of Larry Ammel, parents, faculty and members listened to guest speaker

Thomas Brigham. He stressed some of the qualities important in being a successful citizen.

This is the first banquet held by the 2 1/2 year old organization. It turned out to be a very successful event. Key Club is an affiliate of the Kiwanis Club and serves as a service group for the school and the community.

Art Show at High School

This year's 8th annual Arts Show will be held at the Kewaskum High School on Thursday, May 14, at 6:00 p.m. in the old gym.

Over 400 works of art will be on display from all members of the art department. The categories of art work on display will include drawing, painting, ceramics, pastel, jewelry, watercolor, batik, reed weaving, copper tooling and rug hooking.

John Baitinger, Art Department chairman, and the entire art department cordially invite everyone to attend. Admission is free.

KHS Musicians Place High in State Solo, Ensemble Contest

Special Trio: Patti Sleger [holding recorder], Julie Dettmann and Paul Anderson [seated].

By Ken Scott

Kewaskum High School musicians received two firsts, 12 seconds, and two thirds at the State Solo and Ensemble Contest last Saturday, May 2, at Whitewater.

Shelly Hamernik, singing the soprano solo, "Sheep May Safely Graze," and Patti Sleger, singing the soprano solo, "La

Pastorella sur Prima Albore," both received firsts.

An overwhelming number of seconds were received. Band seconds included trumpet solos by Andy Eisenmann and Jan Hazlewood, Isa Koch's clarinet solo, Sue Schmitt's recorder solo, Paul Anderson's piano solo, and the flute choir (Laurie Lemke, Shelly Hamernik, Jill

Etta, Tracy Coulter, Shelly Sekas, Pam Beesten, Mary Brenholt, Kelly Butzke, Debbie Prunty, and Mindy Krueger).

Seconds for the choir included alto solos by Jama Jacak and Debbie Schmidt, a soprano-alto duet (Julie Dettmann, Tracy Coulter), the mixed quartet (Patti Sleger, Darcie Schmidt, Ken Fellenz, and Scott Nigh), and the triple trio (Debie Schmidt, Laurie Steiner, Mary Straub, Annette Jandre, Denise Anderson, Sue Schuette, Denise Jacobs, Mary Sleger, and Collen Shaw).

The cornet-trombone duet (Debbie Schlice, Ken Scott) and Patti Sleger's oboe solo both received thirds.

Many of the above groups had piano accompaniments played by Mrs. Judith Jacak, Mrs. Margaret McFadden, or Dave Bertelsen.

The special trio of Patti Sleger, Paul Anderson, and Julie Dettmann received a second. They played "Once, a Stream Called," a piece written by Patti's older sister Constance, who is a music major at St. Scholastic College, Duluth, Minnesota.

"She's been wanting me to do something of hers for a long time now," said Patti, explaining why she chose to do the

piece.

"The whole song, I would say," she continued, "is about how insignificant we are to nature...and how easily we fade away." She emphasized that this was her own and not necessarily Constance's interpretation.

"Once, a Stream Called" is the second of four songs which make up what Constance calls the "Bordeaux Cycle." It was named after the poet G. Jake Bordeaux, to whose lyrics she composed the music.

Battle after battle had to be fought before the trio could advance to state. To begin with, the odd combination of soprano (voice), piano, and recorder (an ancient flute-like instrument) did not fall into any traditional category, and the original music was not on the list of recommended solo and ensemble music. Special written permission had to be obtained from Madison. (Thus, the term "special trio").

The first judge they played for, however, had his own feelings about the piece.

"He said it was too impressionistic; he couldn't judge it," said Patti.

Patti talked to Kewaskum band director Larry Ammel about the judge's refusal. "He called the director at Kiel, and (the director) told him that they talked to the judge, and he still wouldn't give us a rating."

After more phone calls to Madison, the trio received permission to try again at the choir's solo and ensemble contest two days later.

Problems continued to develop as conflicts arose for Laurie Lemke, who had been playing the recorder part. Laurie was unable to attend the contest on the new day, so with two days remaining, Patti switched from the vocal to the recorder part, and Julie Dettmann stepped in to learn the vocal part.

They received a I* rating at the second contest, allowing them to advance to state.

Patti was then faced with an extremely difficult situation: choosing between the original trio and the rearranged version. In the end it was decided that Julie would be the third person.

Both Laurie and Julie were involved in a state event other

than the trio.

And, after all the trouble, the trio was anxious to hear what the state judge would have to say.

"He didn't say anything," said Patti. "He was in a hurry to eat."

MPTI Offers Family Course

Communication in the Changing Family is a two week course to be offered in May by the Home Economics division, Moraine Park Technical Institute, West Bend.

Tuesday and Thursday evening classes will be conducted by a psychotherapist experienced in individual and group therapy as well as marriage and family counseling. Dennis Wolf, M.S.W., Highland Bluff Educational Center, Mequon, will teach the following sessions:

May 12 Understanding the Family Structure.

May 14 Communication within Family Systems.

May 19 Becoming Aware.

May 21 Problem Solving within the Family.

"Successful family life is based on knowledge and ongoing practice of effective communication by all members of the family unit," says Wolf. "As individuals who enter this complicated system on interpersonal relationships, we are expected to instinctively engineer and manage its smooth functioning."

This class is designed to provide tools for enhancing more effective communications skills, along with developing some insight into the basic dynamics of the family unit. Concerns of participants will be addressed, in relation to materials presented, Wolf added.

Men and women, anyone sixteen and over can attend these classes which will meet at West Bend High School, Room E 107 from 7 to 9 p.m. Registration fee for the four sessions is \$4.45. Persons 62 and over may take the class for \$2.00.

Please register at the North trailer behind Moraine Park Technical Institute, 2151 N. Main, West Bend.

The regular monthly meeting of the Kewaskum Board of Education will be held on Monday, May 11, 1981. A closed session for discussion of a personnel question will be held at 7:45, and it is expected the open meeting will begin at 8:00 p.m. The meeting will be held in the Middle School Library.

Budget items will again dominate the list of concerns for board action. Included will be consideration of going to full-day kindergarten sessions, eliminating bussing for students attending parochial schools in West Bend and Newburg, combining bus routes, consideration of athletic offerings, consideration of a users fee for extra-curricular activities, and elimination of the business manager and assistant high school principal positions. A contract for an industrial arts teacher will also be considered at the meeting.

Payroll and vouchers payable and approval for hiring the auditing firm of Van der Jagt, Buss and Assoc. will be other items to be considered as will miscellaneous concerns which may arise. Following the open meeting, the board will meet in closed session to discuss teacher negotiations.

ing of 26 part-time summer employees for various departments in the village. Trustee Dave Nigh told the board this is five less than were hired last year. Of the 26 hired, all but three reside in the village. A summer employees meeting has been set for May 16 at 8:30 a.m. to review rules and regulations.

The board also voted to adopt Ordinance 81-5, covering sewer user charges and use. The board voted to increase the sewer connection charge from \$20.00 to \$200.00. In comparing Kewaskum's increase to other areas, Administrator Dan Schmidt said Allenton is now charging \$600, Slinger \$1,200, Cedarburg \$500, and Saukville \$1,400.

Schmidt told the board he would like to correct a rumor which was going around regarding Little League baseball. Schmidt stated "never has the Little League been denied access to the park or has the village ever considered charging Little League." On the contrary, the league will be able to play some games on the ladies' diamond as well as on the new Little League diamond, which is in the final stages of construction and will be ready by the time the season begins. Schmidt noted construction of the concession stand has started and the building is near completion.

The board granted building permits to Herman Berndt for a residence at 1162 Kewaskum Street and for the state approved plans of Exodus House.

Trustee Don Mlodzik informed the board that Mrs. Ruth Behnke has resigned as chairman of the Library Board. She will be replaced by Mrs. Kitty Hlavaty who will fill Mrs. Behnke's unexpired term.

The board then adjourned to closed session.

Several laxatives available without prescription still contain mercurous chloride, commonly known as calomel, once a favorite drug thought to be safe, but now known to be dangerous.

Long continued use of such laxatives may lead to mercury poisoning with resultant decline of intellect, loss of memory, tremors, colitis, or kidney failure. Physicians at John Hopkins School of Medicine, Baltimore, report on women who took calomel laxatives regularly for years and had severe mercury poisoning.

Consult your doctor or pharmacist about a safe laxative.

West Bend Red Cross to Conduct Classes

The West Bend Red Cross will be conducting a Standard First Aid and Personal Safety Course and a Cardiopulmonary Resuscitation class.

The Standard First Aid class takes a minimum of 21 hours and is designed for the general public, to prepare people - by providing them with the knowledge and skills - to meet the needs of most situations when emergency first aid is required and medical assistance is not excessively delayed. It incorporates personal safety and accident prevention information to acquaint individuals with causes of many accidents so that action can be taken to eliminate or minimize such causes.

CPR - Cardiopulmonary Resuscitations - could make the difference between life and death, and save the lives of people who experience sudden heart attacks, or cardiac arrest. The CPR technique, used to provide heartbeat and breathing, consists of rhythmic compression on the victim's chest above the heart, alternated with mouth - to - mouth resuscitation.

The Standard First Aid Course is scheduled for 7 Tuesdays, starting May 12, and completing on June 23 from

6:30 to 9:30 p.m. at the Court House, lower level. Cost of the supplies \$3.50.

The CPR is scheduled for three Monday evenings from 6:30 to 9:30 p.m. at the West Bend Marine Bank. The CPR course is a lecture discussion course and the cost of supplies \$1.60. To enroll in either class, call 692-2806 or 334-5687.

Junior Jargon

The Kewaskum Junior Women invite all area women, ages 18-35, to the May 14 meeting. It will be held at 8:00 p.m., at the Valley Bank in Kewaskum. Rajean Kanter will be guest speaker. She is an instructor and lecturer on sexuality. It promises to be an interesting all informative meeting.

Guests are encouraged to attend this meeting. It is the last meeting of the club year so it will give you the feel of being a junior and then you can give thought to joining during the summer months. The purpose of the Junior Woman's Club is to bring together young women in an organization where they can use their energies to benefit themselves and their community.

Anyone needing a ride or having questions should call Kathy at 626-2424.

Minutes of Village Board Meeting

Mid-Monthly Meeting
April 20, 1981
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in mid-monthly session in the Council Room of the Municipal Building.

In the absence of President Stollenwerk, President Pro-Tem Raynor Herriges presided. All other Trustee Members were present.

The minutes of the meeting of April 6, 1981, were approved as printed upon motion by Trustee D. Nigh, seconded by Trustee Rohrer. Voice vote was unanimous.

A public hearing was held on the application of the Exodus Transitional Care Facility, Inc., for a conditional use permit to expand their present facility at 1421 Fond du Lac Avenue from 16 to 20 persons. Zoning Administrator Richard Zarling commented that the Plan Commission at a previous meeting had recommended the approval of such a permit. Their were no objections to the granting of the permit. Upon motion by Trustee Mlodzik, seconded by Trustee Blumer and unanimously carried, the public hearing was declared closed.

A public hearing was held on the application of Erwin and James Rinas for a Combination Class "B" Fermented Malt Beverage and Intoxicating Liquor License for the premises located at 204 First Street. Trustee Mlodzik questioned the applicants with reference to reported complaints to the operation of their previous business establishment located in West Bend. Their were no objections from the floor to the issuance of the requested license. Upon motion by Trustee Blumer, seconded by Trustee D. Nigh and unanimously carried, the public hearing was declared closed.

Motion was made by Trustee Mlodzik, seconded by Trustee D. Nigh that the Board suspend the rules and move to item 8 (a) and (b) of the agenda. Voice vote was unanimous.

Motion was made by Trustee Blumer that the Exodus Transitional Care Facility, Inc., Kewaskum, 1421 Fond du Lac Avenue, be granted a conditional use permit to expand the present facility from 16 to 20 persons. Voice vote was unanimous.

During the discussion regarding the possible issuance of the tavern license to Erwin and James Rinas, Trustee D. Nigh commented that he had received several telephone calls objecting to the issuance of the license. Trustee Nigh further commented that he had advised the callers to appear at the hearing and said that he was surprised that none had appeared. Motion was made by Trustee Blumer that the application of Erwin and James Rinas for a Combination Class "B" Fermented Malt Beverage and Intoxicating Liquor License for the premises located at 204 Main Street be approved and that the Commissioner be authorized to issue the proper license upon payment of the required fee provided that the applicants be made aware of the fact that the Village Board had received objections to the issuance of the license prior to the public hearing. Trustee D.

Nigh seconded the motion. Voice vote was unanimous.

Because of the League of Wisconsin Municipalities Regional Dinner Meeting at Fond du Lac, Wisconsin, the regular monthly June meeting of the Village Board scheduled for June 1 was changed to June 2, 1981, at the usual time of 8:00 p.m. Motion by Trustee Rohrer, seconded by Trustee Blumer. Voice vote was unanimous.

The following applications for bartender's licenses were approved and the Commissioner was authorized to issue the proper license upon payment of the required fee. Motion by Trustee Blumer, seconded by Trustee Rohrer. Voice vote was unanimous.

1. Mary Odermann, Box 279A, Route 3, Campbellsport, Wis.
2. James M. Rinas, 2112 Auburn-Ashford Road, Campbellsport, Wis.
3. Roger Koehler, 966 Highway 45 South, Kewaskum, Wis.
4. Joseph Klahn, Route 2, Kewaskum, Wis.

Administrator Schmidt reported that the repair of the railroad crossings within the village is scheduled to begin on June 22nd, 1981.

Motion was made by Trustee Rohrer and seconded by Trustee Blumer that the proposed ordinance on annual unit rate for the sewage department be tabled. Voice vote was unanimous.

Low Interest SBA Loans Available To Tornado, Storm Victims in County

Washington County and adjacent counties within the State of Wisconsin were declared disaster areas by Michael Cardenas, Administrator of the U.S. Small Business Administration (SBA) on April 27, 1981, as a result of physical damage caused by high winds and tornadoes which occurred on April 4, 1981.

The declaration makes low-interest loans available to eligible home owners, renters, and business owners who suffered uninsured losses during the early April storm. Counties included in the declaration are: Washington, Fond du Lac, Sheboygan, Dodge, Ozaukee, Milwaukee, and Waukesha.

A temporary SBA Disaster Office opened Thursday, April 30, between 8:00 a.m. to 5:00 p.m. in Room 203 of the Washington County Court House, West Bend, to provide information to those persons seeking disaster assistance. SBA representatives may be reached in West Bend by phoning 338-4399 beginning April 30, 1981. Further information

concerning the disaster program may be obtained by calling (608) 264-5461.

SBA District Director Curt Charter said, "The disaster loans may be used to restore

real or personal property to its pre-disaster condition." Charter stressed, "the applicant must be able to demonstrate an ability to repay the loan."

The deadline for filing physical loss applications is June 26, 1981, while Economic Injury loan applications must be submitted by January 27, 1982.

County 4-H Leaders To Meet on Monday

"Making 4-H interesting and worthwhile" will be the main theme of the Washington County 4-H Leaders Association meeting. It will be Monday, May 11, 7:30 p.m. at West Bend Marine Bank. The Leaders Association includes all adult and youth leaders in Washington County.

Youth find their organizations and activities interesting and worthwhile if they have a chance to become involved. Good planning and good ideas for activities are necessary for a successful club. The leaders meeting will include an opportunity to exchange ideas for club activities. It will also be geared towards finding out how to have all members and their family become involved in 4-H activities.

There will be other topics for discussion. There will be information on the county fair. There will also be a discussion on the possibility in organizing an older youth group. Many of the high school age 4-H members want to have activities with members of the other clubs. A youth group can provide this opportunity.

All adults and youth leaders are invited to participate. Their ideas and suggestions are needed.

Planned Parenthood Meeting May 13

The Washington County Chapter of Planned Parenthood will conduct its Annual Meeting, May 13, at 7:30 p.m. at the Planned Parenthood Clinic, on the 2nd floor of the old section of St. Joseph's Community Hospital, West Bend.

Business will consist of reports of 1980 program and services and a projection of future plans and goals of the clinic. Elections of the Chapter Board Officers will be held. The public is invited.

Letters to the Editor

May 6, 1981

Kewaskum Statesman
Kewaskum, Wisconsin
To the Editor:

After attending the meeting of the Kewaskum School Board on April 27, it seems obvious that the Kewaskum School Board has not received the message that the voters sent April 7. The majority of the Board still seems to feel that there is no need for any cuts, that the frills, which admittedly are nice, should stay in the budget. Evidently those who attended the Kewaskum School Board meeting equate quality education with spending a fortune on education. Do you? The spenders packed the meeting and out-clapped and out-talked those who were in favor of cuts. Do the rest of the voters agree with the spenders? Have you voters actually attended a school board meeting? The next Kewaskum School Board meeting is Monday, May 11, 1981. We hope to see you there.

Sincerely,
Mr. and Mrs.
Robert Serwe

o o o o

4-28-1981

To the Editor:

At the last School Board meeting, Tom Brigham proposed to add a boys tennis team to our sports program in Kewaskum. This will add an additional \$1500 to \$2000 to the present budget.

The key to his plan to add tennis is to charge a \$10.00 fee to anyone participating in sports. If this \$10.00 fee were going to be used to finance our present sports program, I could see why this proposal is being considered. However, I see no reason why students participating in the present sports program should be forced to finance a boys tennis team.

At the present time, Kewaskum has an equal number of boys and girls sports. If we add boys tennis, eventually the board will have to consider adding another girls sport.

I feel most people are happy

with the present sports program. When the building debt is retired in a year or two, people might be more receptive to adding another sport. This is not the proper time, due to too many economic pressures on all of us.

Now that the late bus has been dropped, many parents drive many miles so that our children can participate in school activities. We donate our time and gas, we pay taxes, we pay school fees in the fall and buy the special shoes, clothes or equipment needed. If the board determines that we must pay the \$10.00 fee for our children to participate in sports, we will pay. We believe in worthwhile activities for our children.

I hope Mr. Brigham will consider the students who will be unable to participate in sports. Not every family will want to disclose their finances in order to waive the \$10.00 fee.

If there are other parents who agree that we can live without a tennis team for another year, I hope you will take time to contact Mr. Brigham before the next school board meeting.

Editor, Kewaskum Statesman:

This letter is in response to Mrs. Ruth Schmitt's letter to the editor which appeared in the West Bend News May 4th, entitled, "Now Is Not The Best Time For Kewaskum Sports Fee." Although I am not certain the same letter will appear in The Statesman, due to the factual errors contained therein and their potential impact on the tax-paying public of our school district, I feel obligated to respond.

First of all, the idea that approval of a boys' tennis team would be the reason for a user's fee is an error. The proposal regarding a tennis team is part of a plan which encompasses all athletic offerings and involves two changes from the status quo.

These include offering boys' tennis as a spring sport (which on a recent student survey

showed a potential participation number of 48) and combining boys' and girls' golf teams into a co-educational team with one coach. We do this now in cross-country. We had approximately 6 girls on the golf team last fall and on the student survey a potential number of 7 girls this fall.

In this proposed realignment, we are not increasing the number of coaching positions since the coaching position eliminated in golf will be assumed by a boys' tennis coach. We will get more participation per dollar spent, and no one will be eliminated from participating.

Secondly, Mrs. Schmitt stated that formation of a boys' tennis team will increase the budget \$1500 - \$2000. This is simply not true. With the above-mentioned plan, the cost will be approximately the same.

A third error involves Mrs. Schmitt stating that a fee will be charged to anyone participating in sports. The motion which was unanimously passed by the Board was acceptance of the concept of initiating a user's fee for extra-curricular activities. This includes sports, but also includes other co-curricular activities. A specific plan for implementing this user fee is to be developed by the administration for presentation to the Board.

The rationale for the user's fee is to help alleviate the burden on the taxpayer by having students who participate and benefit from extra-curricular programs pay a nominal annual fee.

Mrs. Schmitt's fourth error is assigning a monetary value of \$10.00 as being the determined amount of the user's fee. The amount has not been established and will be part of the forthcoming recommendation from the administration.

Her letter further states, "Not every family will want to

disclose their finances in order to waive a \$10.00 fee." I am recommending the same criteria be applied to a user's fee that is applied to students who presently receive school lunches at a reduced rate. This fee should in no way have the effect of limiting participation.

In summary, I feel these proposed changes are programatically and budgetarily sound. As a school board member, it is my responsibility to recommend policy and fiscal outlay, and to provide the best educational and extra-curricular opportunities for students at a realistic cost. Included in this mission is an attempt to ensure the greatest utilization of our tax dollars for the greatest number of students.

Sincerely,
Tom Brigham

Letter to the Editor:

The music department of Kewaskum High School is to be complimented on the excellent program they presented at the Kewaskum Park on Sunday, May 3. An outdoor concert of this nature is a delightful way to spend a Sunday afternoon. Mr. Ammel and Mr. Bertelson are truly dedicated directors to take the extra time necessary to put on a concert of this nature. People of Kewaskum, be proud of all the talented young musicians in Kewaskum, they deserve continued support.

J & J AUTO TOPICS

TIRE AIR.

A lot of drivers will inflate their car tires a couple pounds over the manufacturers recommended pressure. You get more mileage from the tire and you dq better with gasoline, too. However, you sacrifice a somewhat softer and more comfortable ride.

But here is a safety note from the J & J AUTO SERVICE about this practice. Do not ever exceed the two pound pressure increase, and be sure that your tires are in good condition. Old and worn tires, especially in the summer time, may not be able to stand the added pressure build up due to the added expansion as the tire gets hotter. Over-inflated tires are more dangerous on slippery roads, too.

Drive in at 450 E. Main and let us check your tires. You'll like our auto services.

Thursday, May 14 — Apple juice, beef rouladen/gravy, parsley potatoes, zucchini slices, rye bread, vanilla pudding & gelatin cubes, milk and coffee.

Every third Tuesday, is Craft Day and ceramics.

Construction is now underway on a 110 by 190 foot addition to the Regal Ware, Inc. plant in Kewaskum. The aluminum cookware manufacturing plant has purchased approximately 18 acres of land adjacent to its present factory to build the new unit. The land for the new building was acquired from August Bilgo and is located at the southeast corner of the present plant. The new addition, which is expected to be completed some time next fall, is the tenth major such undertaking since J. O. Reigle purchased the Regal Ware firm.

In conformity with the prices of neighboring barger shops, local barber prices will be increased starting on May 15 as follows: Haircuts \$1.25 and shaves 65c. Children's haircuts will remain at 75c except on Fridays and Saturdays when they will be \$1.00.

Mrs. Elwyn Romaine, 64, nee Edna Guth, died on May 9. She was preceded in death by one son, Robert G. Romaine, who lost his life during World War II while serving his country in the U.S. Navy. Surviving along with her husband are two daughters and two sons, Lucille (Mrs. Herbert Hopkins) of Rangely, Colo., Charlotte (Mrs. James Faulkner) of Chicago, Curtis of Davenport, Iowa, and Richard L., a student at the University of Wisconsin, Madison.

A snow storm equaling the winter storms prevailed here last Tuesday morning, about four inches of snow fell.

The Wisconsin Telephone Company had a gang of men here this week stringing a lot of new wire along the line. They are also stringing an extra metallic circuit from Kewaskum to Milwaukee which will give us direct connections with the Cream City instead of talking via Fond du Lac as heretofore.

Boys were born to Mr. and Mrs. Frank Quandt last week and to Mr. and Mrs. John Dettgen last Saturday.

Many people believe that the \$50,000 a year which the President gets as salary is the sum total of his official income. It is a mistake. This is how he is paid: \$36,064 is given him in addition to his salary of \$50,000 to pay the salaries of his subordinates and clerks. His private secretary is paid \$3,250, his assistant private secretary \$2,250, his stenographer \$1,200, five

messengers (each) \$1,200, a steward \$1,800, two door-keepers (each) \$1,205, four other clerks at good salaries ranging from \$1,500 to \$2,500, one telegraph operator, two ushers, \$1,200 and \$1,400, a night usher, \$1,200, a watchman, \$700, and a man who takes care of the fires who receives \$864 a year. In addition to this there is given him \$8,000 for incidental expenses such as stationery,

carpets and the care of the presidential stables. And under another heading there is given him nearly \$40,000 more. Of this \$12,600 is for repairs and refurbishing the White House, \$2,500 is for fuel, \$4,000 is for the green house, \$15,000 is for gas, matches and the stable. The White House all told costs the country in connection with the President considerably over \$125,000 a year.

CARD OF THANKS

Our most sincere thanks to all our relatives and friends for their kindness shown us during the time of illness and after the death of my dear husband, our father, father-in-law and grandfather, GILES WIEMAN. Special thanks to Fr. Bonesho, organist, choir, pallbearers, donors of cars, donors of floral, Mass and memorial tributes, food, ladies who served the food, doctors and nurses, Miller's, traffic officers, sexton, and to all who showed their respect.

Mrs. Giles Wieman
and Family

THANK YOU

We wish to take this opportunity to extend a big Thank You to all our relatives, friends and neighbors for their special kindness to us in our recent loss. Our thanks to the West Bend Fire and Police Departments; the Kewaskum and West Bend Rescue Squad Units and the Doctors and Nurses at the St. Joseph's Community Hospital. Also the Red Cross, our Alderman, The West Bend Implement Company, all business people, churches, schools, clubs and organizations, all Girl Scout troops at Greentree School and all West Bend Girl Scout Leaders.

A special Thank You to the Kewaskum Legion Post 384 and the 40/8 Voiture Post 898 of Washington County. Also anyone else who helped us in any way, too numerous to mention. The kindness and generosity of everyone has given us a great feeling of warmth toward our community. Last, but certainly not least, our heartfelt gratitude to the family of Mr. and Mrs. James Browning for opening up their hearts and home to us.

Gerald, Cheryl,
Valerie, Vicki, Wanda
and Chad Wagner

IN MEMORIAM

In fond memory of our husband, father and grandfather, Lawrence Theusch, who passed away one year ago, May 6, 1980.

His smile is gone forever,
His hands we cannot touch,
He left us quietly,
But left us a memory,
His thoughts unknown,
We are proud to own.
So treasure him Lord,
In your garden of rest.
For when on earth, he
Was one of the best.
God grant him eternal rest.

Deeply missed by wife, Bernadine, children and grandchildren.

Saukville Nips Lakes Team in Opening Game

Saukville came up with two runs in the bottom of the ninth inning to edge Kewaskum 7-6 Sunday in the Land o' Lakes Northern Division baseball opener for both teams. Kewaskum made a good showing against a strong Saukville team in their first game after returning to the league following a year's leave of absence.

Kewaskum led 6-5 going into the bottom of the ninth inning. After the first batter was retired, Saukville's Bill McGaw lined a double to center field and advanced to third on a wild pitch. Dave Dickmann then walked. McGaw scored on an infield out to tie the game and Dickman advanced to second on the play. Tom Schumacher then singled in the winning run.

Saukville opened the scoring with 3 runs in the second inning. Wayne Wilbrandt drove in one of the runs with a single and Stan Lubner drove in the other two with a single. Kewaskum came back with four runs in the third inning with 2 runs scoring on Tom Bartelt's single and 2 runs on Ron Theusch's single. Saukville got 1 run in the fourth inning on a RBI single by McGaw. Kewaskum came back with 2 runs in the fifth as Bartelt and Bill Backhaus singled and Ron Theusch tripled scoring both runners. Saukville scored 1 in the sixth as Tom Taylor doubled and scored on a single by McGaw.

This was a well-played game with Saukville committing the only error in the game. Saukville had 10 hits and Kewaskum 8.

Bill McGaw led Saukville with 4 hits including a double and had two RBI's. Wayne Wilbrandt had 2 hits. Tom Bartelt, Ron Theusch and Mike Donath had 2 hits each for Kewaskum. Theusch had 4 RBI's. Randy Mueller went the distance for Saukville to get the win. He walked 5 and struck out 6. Tom Bartelt pitched 8 1/2 innings for Kewaskum and took the loss, walking 5 and striking out 2.

Mark Tessar came on in relief in the 9th inning.

Kewaskum has their 1st home game this Sunday hosting Port Washington at 1:30 p.m.

Boys Summer Basketball Program Offered

There will be a free summer basketball program open to all boys in the Kewaskum School District currently in grades 5 through 8. The program will be held at Kewaskum High School beginning Tuesday, June 16, at 8:30 a.m. and continuing every Tuesday until July 28.

The program offers training in the fundamentals of basketball as well as playing experience in scrimmage style games. Boys interested in the program may pick up registration information at the high school. The deadline for registration is May 15. The clinic will be conducted by the KHS varsity coaching staff. There is no charge for the program.

For further information call Kewaskum High School at 626-2166 or Jim Westphal at 626-4471.

Goeden One of Top Finishers in State Fair Park Race

A Kewaskum racer, Willie Goeden of St. Michaels, was among the top finishers in Sunday's Badgerland 150-mile stock car race at State Fair Park, Milwaukee.

Goeden finished 14th in the field of 40 racers, the best he's ever finished in four tries in the event. He had completed 146 laps when the winner, Bob Senneker, took the checkered flag. This was the first time he had completed the race.

Goeden qualified for the race by taking fifth out of 20 racers on Saturday afternoon. He started Sunday in 34th position in the 17th row on the outside lane.

Driving a 1980 No. 72 Camaro, Goeden earned \$775 for Sunday's finish and Saturday's qualifying heat.

After finishing the Milwaukee 150-mile race, Goeden and his crew changed engines and

the chassis in time for him to race at Slinger Sunday night where he took fourth in time, second in the dash and fifth in the feature.
