Ball Diamonds Dedicated at New Park

Left to right: Jeff Rohrer, Park Committee Chairman; Jim and Ron Reigle unveiling the dedication stone and plaque, and Gerald Stollenwerk, village president.

[More photos on inside pages]

The ball diamonds in the Kewaskum Kiwanis Community park were officially dedicated Saturday morning, May 23, at 9:00 o'clock.

Jeff Rohrer, Park Committee Chairman and Village Trustee, opened the dedication at the entrance to the park, which began with the flag raising by the Kewaskum Legion Post. This special flag, which was flown over Washington, D.C. during the hostage crisis in Iran, was acquired by U.S. Rep.

F. James Sensenbrenner, (R.-Wis.) for the Edwin Fickler family in Kewaskum. The Ficklers donated the flag pole and flags in memory of their sons, Gary, who died in an auto accident, and James, who lost his life in the Vietnam conflict.

The gathering then walked up to the diamonds. When all were assembled, Village President, Gerald Stollenwerk, made a few brief remarks followed by Jim Reigle, president of Regal Ware, who also spoke. A permanent engraved plaque mounted on a beautiful stone

surrounded by flowers, near the ball diamonds, was unveiled, honoring the late J. O. Reigle, founder of Regal Ware. In 1979, Regal donated \$25,000 to be used for the construction of the ball diamonds.

The dedication stone with engraved plaque reads as follows, "Dedicated to the memory of J. O. Reigle for future generations to discover the thrill of athletic competition, the practice of good sportsmanship and importance of sound physical development. Presented by Regal Ware, Inc."

Reduced by Additional \$103,164.00

Revised School Budget Presented

By GERRY MUELLER
Statesman Staff Writer

At Monday evening's Budget Committee meeting, School Superintendent Floyd Brenholt and Business Manager Robert Borch presented their budget for 1981-82.

Borch stated they were done paying bills for the fiscal year and now had accurate figures to show where they would be able to make further cuts. This enabled him to reduce the budget by an additional \$103,164.00. This brings the 1981-82 budget down to a 7.9% increase (excluding fuels) over the 1980-81 budget. The largest reduction was \$42,808 for gasoline. Using this year's figures and including anticipated price hikes Borch felt they would be fairly close with their budget resulting in a total budget increase of 9.1%, including

fuels. The new figure that will be presented to the full school board will be \$4,821,841.00.

(Continued on Page 5)

167 Seniors to Receive Diplomas Friday at KHS

Kewaskum Community High School commencement for the Senior Class of 1981 will be held Friday evening, June 5. The exercises will start at 8:00 p.m. in the gymnasium with the traditional processional, "Pomp and Circumstance."

Featured in the program, along with the Seniors, will be the Swing Choir, Mixed Chorus, Symphonic Band, Class Speaker - Ken Scott, AFS students - Isa Koch and Lek Mahasakhun-yong, and Jill Petermann - class president. Clark Pearson, principal, will announce the honor

students as well as the scholarship recipients. Invocation and Benediction will be given by Vicar Robert Lindau. Graduates names will be called by School Board members Byron Gessner and Richard Theusch. Diplomas will be presented by Mr. Pearson.

The graduates have chosen the following: Class flower - rose; Class colors - white, green, yellow; Class song - "Famous Final Scene."

The tentative list of 167 graduates follows:

(Continued on Page 5)

Dr. Nolting Honored for Fifty Years in Dentistry

Dr. F. E. Nolting, Kewaskum, was awarded a 50-year club certificate from the Wisconsin Dental Association in recognition of fifty years of dedication and service to the profession of dentistry and to the public.

A dinner was held recently at the Marquette University, Milwaukee, honoring fifty year members Shown in the photo is Dr. Nolting, left holding his certificate from Marquette University, which was presented to him by Father Raynor.

Dr. Nolting has been practicing dentistry since July, 1928. His first office was above Lay Lumber Store on Main Street. From there he moved above Marx I.G.A. Store, now occupied by a shoe store. Later on he bought the building where he is still practicing at 229 Main Street.

Dr. Nolting, who was married to the late Evelyn Nolting, has two daughters, Pamela (Gerald) Voss of Brookfield and Jennifer of Greendale; also two grandsons, Derek, 11, and Brian, 9.

New Pharmacy Granted 10 Day Stay on Fines

By GERRY MUELLER
Statesman Staff Writer

Thomas Leitzke, co-owner of Kennelly Pharmacy, stated Washington County Court Judge Thomas Merriam had granted a 10-day stay regarding fines being imposed on his store by the Village of Kewaskum. Kennelly Pharmacy had been summoned to appear before Judge Merriam Tuesday morning at 9:00 a.m.

During this period Leitzke will not have to pay the \$200 a day fine which has been levied against the store since its opening May 19, without an occupancy permit.

Merriam directed the Renaissance Group and Village to resolve their differences during this 10-day period. Leitzke noted, should attempts to settle the situation fail, he will then have to close his new store and return to his former place of business.

Kewaskum Students Gain Working Skills, Village Park a New Pier

By GERRY MUELLER
Statesman Staff Writer

Young men of Howard Zemlicka's Metals III and David Stradtman's Building Trades classes gained skills and experience while the Kewaskum Kiwanis Park became the proud owner of a new pier for its pool.

The high school students and village became partners in the pier building when Zemlicka began looking for a project in which his students could put their training to use.

Jeff Rohrer, Chairman of the Parks and Recreation Committee, was concerned with the

safety of the park's old pier, however, funds were not available for the purchase of a new one.

In a mutual agreement, the village supplied money for materials and the students the muscle and skills to design and construct the steel and wood into a 5 ft. wide by 40 ft. long portable pier on wheels which can be removed in winter.

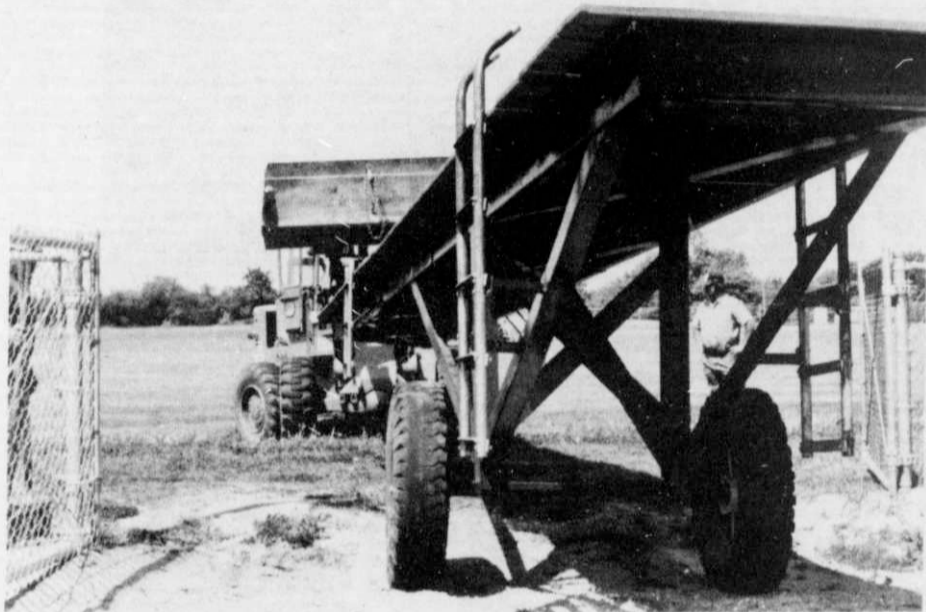

The village furnished approximately \$600 in materials along with ag teacher Gordon Darmond's donation of wheels and an axle. The boys spent approximately two months designing and constructing the

pier which was installed in the pool last Thursday morning.

Village Administrator Dan Schmidt noted purchase of the custom built pier would have cost the village approximately \$5,000 from an outside contractor.

Zemlicka and Stradtman felt the project was an excellent learning experience as well as a contribution of time and effort by the young men to the village and people who will be using the park.

Rohrer was on hand to personally thank each student for their help as the group watched their project installed.

Backing the pier through the gates of the enclosed pond.

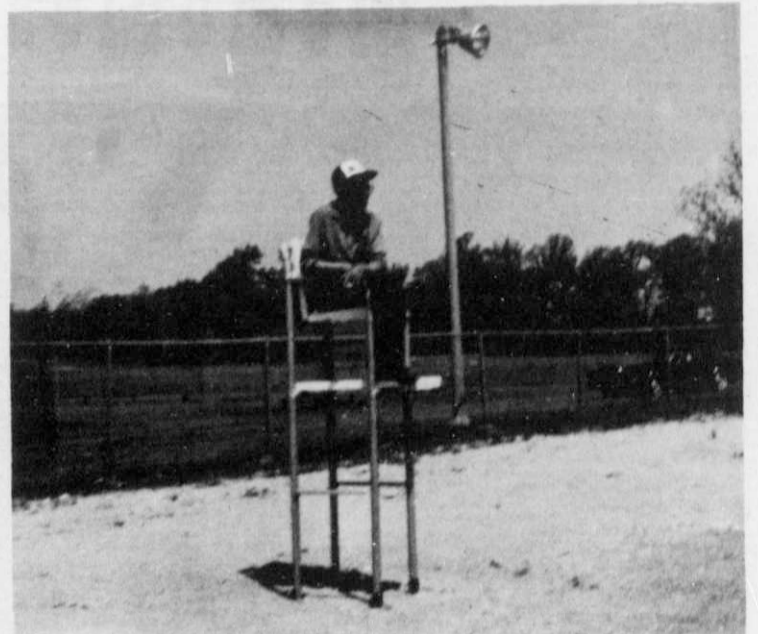

"Crickets" backing the pier into the pond. Augie [left], "Schmitt" and "Mooch" working on anchoring the mobile pier.

Another view of the pier

(Statesman photos)

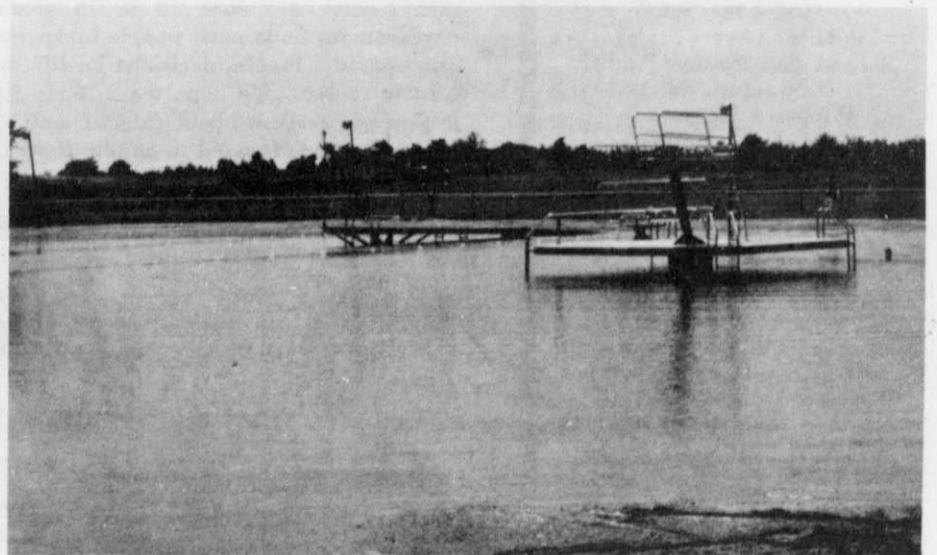

New lifeguard? Kewaskum's Building Inspector, Hank Becker, surveying the installation of the pier.

Jeff Rohrer, [foreground] Parks and Recreation Committee Chairman, expressing his thanks to the high school students, Tom Kuphal, Mike Kreif, John Burkhalter, Robert Dei, Dale Rimmel, Peter Wiedemeyer and Todd Lemke, and teacher, Howard Zemlicka, [left] for designing and constructing the pier.

"How am I going to get all this sand into the water?"

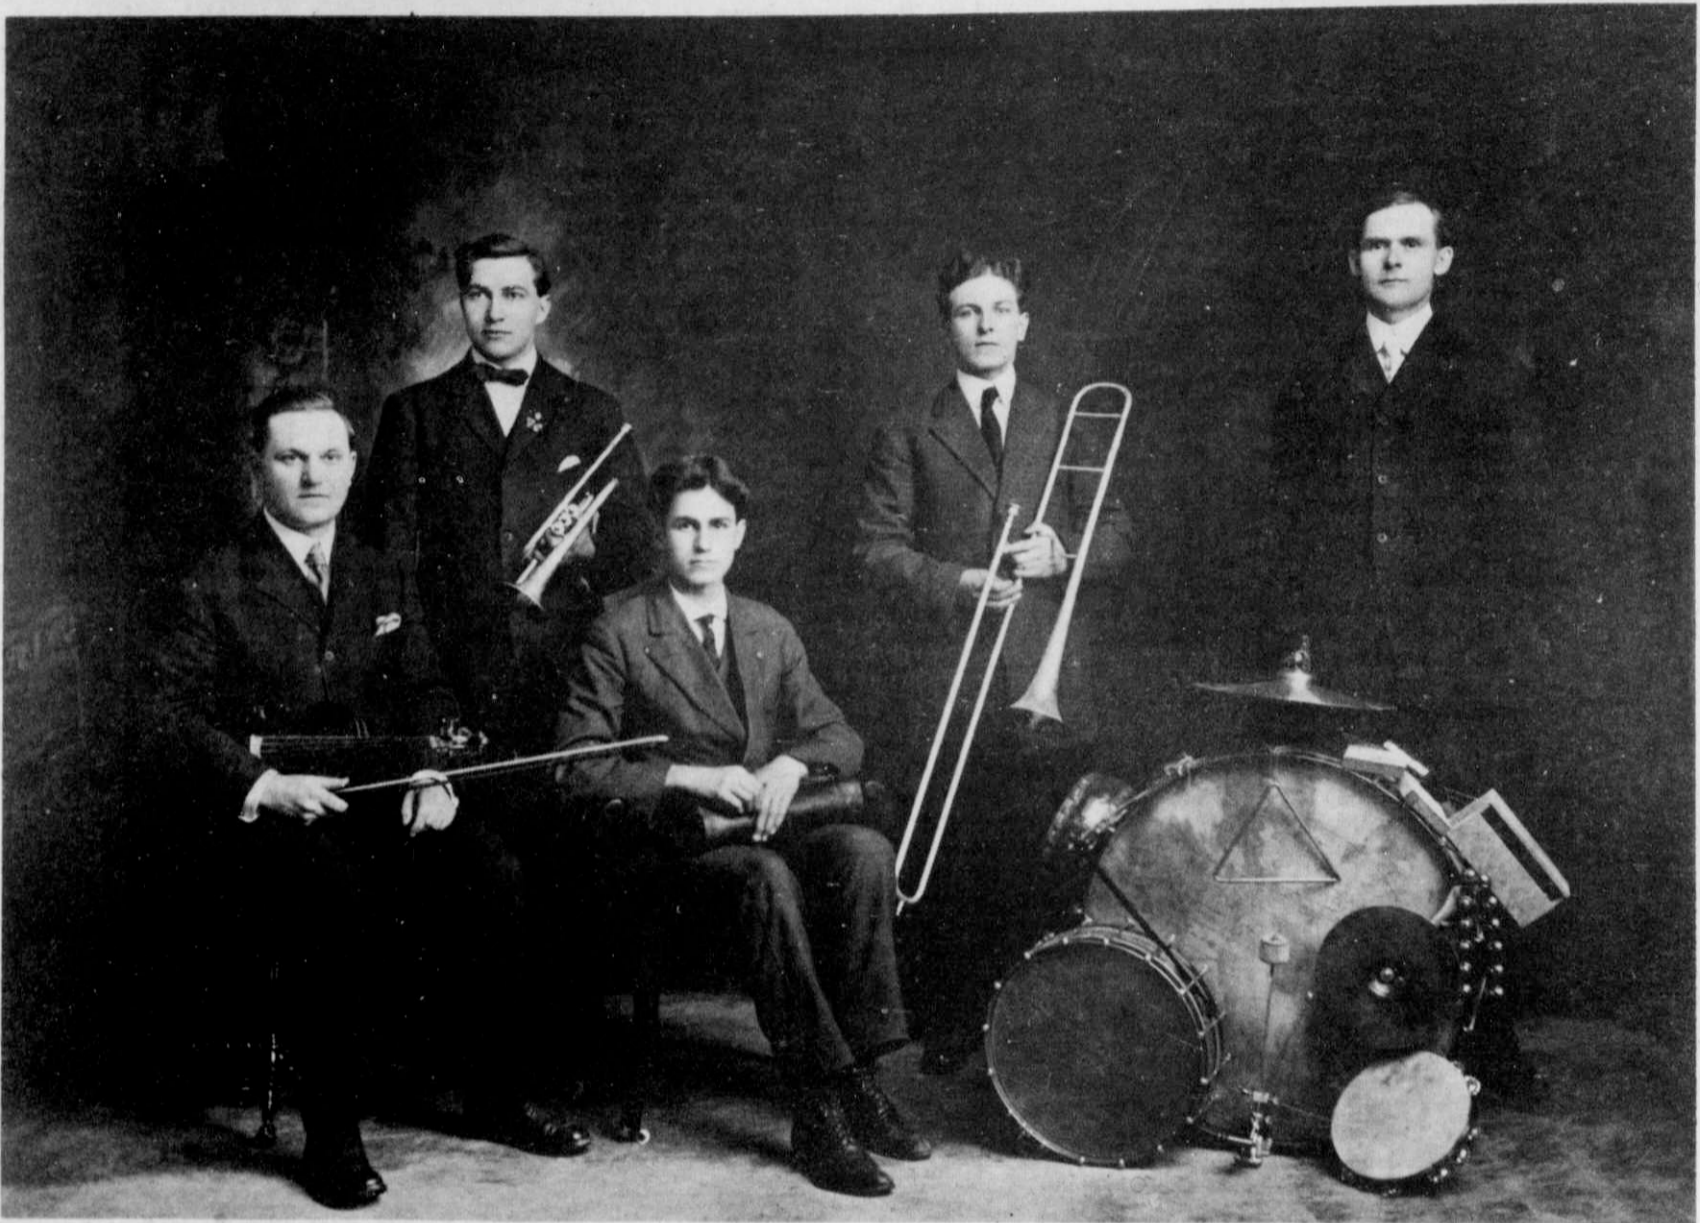

The pier and the raft — all set for summer fun.

Memories...

The Statesman welcomes readers to submit photos for the "Memories" feature. Photos should show life in the olden days in this area. Deliver or mail to The Statesman, 250 Main St., Kewaskum, WI 53040. Photos can be picked up again after publication.

Area Students Receive Degrees

About 750 degrees were presented May 24 at commencement ceremonies marking the close of the University of Wisconsin-Stevens Point's 87th academic year.

The speaker was George Frederickson, president of Eastern Washington University in Cheney.

Students receiving degrees

included: Scott P. Albers, 340 Clinton St., Kewaskum, major in Soil Science, minor in Biology; Michael E. Rinzel, Route 1, Kewaskum, major in Resource Mgt. and Soil Science; Dawn N. Uelmen, Box 643, Campbellsport, major in Dietetics, minor in Home Ec-Food Serv., highest honors; Ann L. Weddig, Route 3, Box 275, Campbellsport, major in Early Child Ed.

Graduates With Honors

Betty Butz, daughter of Mr. and Mrs. Vernon Butz, Kewaskum, graduated with honors last Friday, May 29, from Columbia College in Chicago. She received a Bachelor of Arts degree with her major being radio and TV broadcasting.

Dear Friends

The average person is faced with funeral arrangements only once each 12 to 15 years. Hence, bereavement finds most people inexperienced and unprepared - funeral decisions hastily made often lead to regrets. We hope these 'open letters' will inform our readers about funeral matters so they may be better prepared to handle funeral arrangements wisely.

Respectfully,

Joe Miller

Honor Graduate Of Ripon College

Ripon College's 115th commencement was held on Sunday, May 17, with A.B. degrees being awarded to approximately 170 students.

"Law and Society" was the theme of the College's 1981 commencement.

John Hope Franklin, past president of the American Historical Association and John Matthews Manly Distinguished Service Professor at the University of Chicago, was this year's speaker. Presently on leave from Chicago, he is serving as the Senior Mellon Fellow at the National Humanities Center in North Carolina.

Among the graduates was Lori S. Koepke, daughter of Mr. and Mrs. Edward W. Koepke, Route 1, 1662 Springview Drive, Kewaskum. She was graduated magna cum laude with honors in criminal justice. She was also elected to membership in Phi Beta Kappa.

Marriage Licenses

James Edward Spaeth, West Bend, and Denise Renee Zanow, Kewaskum; wedding May 23.

Robert Lester Kohn, Kewaskum, and Cheryl Rhea Boudreau, Kewaskum; wedding May 30.

Morris Walter Belger, Kewaskum, and Mary Gereen Backhaus, Kewaskum; wedding May 29.

Monty Vincent Belger, Kewaskum, and Kathleen Viola Rank, Kewaskum; wedding June 5.

Bryant Keinner Borland, West Bend, and Cynthia Sue Haack, Kewaskum; wedding June 6.

Charles David Ebert, Route 2, Campbellsport, and Kay Linda Henke, Route 1, Van Dyne.

School Board

(Continued from Page 1)

Brenholt felt this should result in a tax levy of approximately 7-9%.

Another item on the agenda was the possibility of not filling the elementary guidance position should it be vacated. With the retirement of high school guidance counselor Ernie Mitchell, the elementary counselor has requested a transfer to this opening, leaving his position open. School Board member Jean Goeden stated she would like to see the board consider a woman for the high school position. Member Richard Theusch felt if the elementary position became available, the board should consider leaving the position vacant for the present until the district had all its state and federal aid figures, then decide if the position should be filled. The guidance position question will be put on the June 8 agenda for discussion.

Referring to elimination of the elementary guidance position, Brenholt noted he was very upset. Saying the school board has asked him to come up with an 8% increase budget, which he has done, and yet they are asking for still further staffing and related cuts. Brenholt again stated the district is \$600,000 below spending and 15% below the average staff/pupil ratio compared to districts of the same size. Brenholt asked if the board wanted the district to be the "poorest, least spending district in the state." Then they should set a specific figure and that's all he would spend regardless if all the needs of the schools were not being met.

Richard Theusch noted it would be like spending money for school and bussing only to have the kids come to school and not have any staff there to teach them. That doesn't make any sense either. It was noted that Dr. Ogi was one of the board members who had made budget reduction suggestions, including several staffing cuts, and now he is asking the board to consider the gifted and talented program which would add another teaching position and add \$10,000 to the budget.

The program for gifted and talented students was also discussed. Ogi said a parent called saying the committee was not going to present the program. Member John Tessar noted this was incorrect. The committee has not made a decision one way or the other. His comment at the last meeting was that the committee was supposed to look at budget cuts and George Allmann presented a new program that would add an Additional \$10,000 to the budget.

Tessar noted the committee would present the program to the board, however, he would not recommend it for this year.

After a lengthy discussion, Ogi asked that the gifted and talented program be placed on next week's school board agenda. Referring to the G & T program, one parent stated that people don't get all the information in the papers as to what was discussed at these meetings. Tessar replied its impossible, "you'd end up with ten pages."

The committee then voted to recommend the present budget to the full board. The meeting adjourned.

Jaycees Elect Officers

Page 6, Kewaskum Statesman, Friday, June 5, 1981

New officers of the Kewaskum Jaycees were elected at their April meeting held at the West Bend Savings & Loan, Kewaskum Branch. They were installed at their annual banquet on Saturday, May 2, at Hon-E-Kor Country Club, Kewaskum.

Back row, left to right: Gary Panzer, Mike Pettit, Lloyd Bunkelman and Duane Kongslien, directors. Front row: Roy Peterson, secretary; Dennis Helsell, internal vice-president; Brad Kidd, president, and Ruben Oppermann, treasurer.

Not pictured are Chuck Kleinke, director; Ron Schmitz, state director, and Dick Thiemer, external vice-president.

School Board to Have Busy Agenda

The regular monthly meeting of the Kewaskum Board of Education will be held on Monday, June 8, 1981. Beginning at 7:30 p.m., the meeting will be held in the Middle School library. A closed session will be held at 7:30 to discuss a question dealing with personnel. The open meeting will reconvene at 8:00 p.m.

Agenda items will include further action on the budget. Specific budget items will include the question of user fees for co-curricular activities, addition of a program for the gifted and talented, postponement of filling the elementary guidance position and assigning Mr. Dickinsen to the high school position. The board will also look at the total budget for recommendation to the annual

meeting.

Besides budget items, the board will act on a proposed bus contract, a request by the YMCA to rent space for their Kewaskum Tot-Time program and approval of payroll and vouchers payable. Action on a committee recommendation for support staff wages, approval of a diploma for Neal Yoho, approval of an agenda for the annual meeting and action to establish a NOW account will also be on the agenda. A discussion of requests to use

buildings for summer wrestling and gymnastic clinics will also be held. Miscellaneous items which arise will also be considered.

The board will meet in closed session following the regular meeting to discuss teacher negotiations.

The first transatlantic telephone cable was laid in 1956, stretching 2,250 miles, from Clarenville, Newfoundland, to Oban, Scotland.

Local Students Receive Degree, Awarded Scholarship at UWWC

Fifty-three students received Associate Degrees at the annual spring honors convocation held Friday night May 22, at the University of Wisconsin-Washington County campus in West Bend.

The convocation speaker was Dr. Joseph Kauffman, executive vice president of the University of Wisconsin System, who spoke to the audience of over 200 about the unique value of the center system in a time of increasing economic strictures.

Twenty-five UWWC students received Associate of Arts degrees and twenty-eight received Associate of Science degrees. A two-year associate degree is awarded to students who have successfully completed a variety of required courses and have finished the first two years of almost any major in the four year colleges. Ten scholarships for varying amounts were also awarded at Friday night's ceremony.

One of two Mr. and Mrs. James R. Brown scholarships in the arts was awarded to Sherry Foerster (Kewaskum) in the area of music.

The UWWC students re-

ceiving Associate of Science degrees included Robbin C. Neitzel, Kewaskum.

Attends West Point Graduation

Anthony Kerhin

Mrs. Isabelle Muckerheide, Kewaskum, returned from a trip to West Point, N.Y., where she attended the graduation of

her nephew, Anthony Allen Kerhin of West Allis, from West Point Military Academy.

A full dress parade was held on May 26, with 4,500 cadets participating. On Wednesday, May 27, the graduation ceremony was held in Michie Stadium for a class of nearly 1,000. Fifty-eight girls also graduated.

President and Mrs. Reagan were in attendance as he gave the graduation address. Needless to say there was tight security all around.

A crowd of 26,000 cheered when their favorite received his or her diploma. It will be a moment to remember.

Discuss Ball Diamond Problems

Village Approves \$2,000,000 Bond Issue for Regal Expansion Project

By GERRY MUELLER
Statesman Staff Writer

The Kewaskum Village Board gave its approval Tuesday evening to the issuance of a \$2,000,000 Industrial Development Bond for the Regal Ware, Inc. expansion and remodeling project. There will be one single purchaser.

Resolution 81-3 in no way obligates the village to repay the bond and its interest, but allows Regal Ware to obtain project financing at a lower, more favorable rate. Upon bond issuance, Regal Ware will present the village with a note accepting all responsibility for its payment and interest.

Parks and Recreation Chairman Jeff Rohrer informed the board of several problems regarding the ball diamonds at Kiwanis Park. Roughness of the temporary diamond for Little League seemed the prime concern. It was felt the field was in acceptable condition, but as an added measure, the Public Works Department will roll the area to remove bumps. Stripping the grass was considered, however, Village President Jerry Stollenwerk discussed the problem with a person involved in National Little League. The NLL recommendation is a grass infield and an outfield distance of no more than 200-220 ft. The board felt completion of the third diamond for use by next season would help solve many

problems the park is facing this year.

Trustee Don Mlodzik had one comment regarding the diamonds. He noted many people had been at the last meeting with problems and complaints, but these groups made a very poor showing at the dedication ceremony. He felt Mr. Reigle would have been happy to see a few teams in uniform showing their appreciation for the fine baseball facility which had been given to the village.

Rohrer also stated the board would like to publicly thank the high school students in Howard Zemlicka's Metals III and David Stradtman's Building Trades classes for the excellent job they did constructing the mobile pier for the park.

Several trustees asked Villaged Administrator Dan Schmidt what the status of Cable TV is in Kewaskum. He said he had been in contact with the cable people and their statement was CATV will be in the village by the end of the year. CATV is working with the utilities to get their poles pre-

pared for the cable.

Stollenwerk commented he would like the board to recognize the Kewaskum 4-H Club and Dennis Seideman for their efforts in decorating the bridge flower boxes for Memorial Day.

Rohrer gave the board copies of the completed TIF Optional Use Report and asked that they review it for discussion at the joint meeting scheduled for June 8, at 7:00 p.m.

Police Chief Hlavaty informed the board there will be a meeting of the Police Commission Thursday, June 9, at 7:00 p.m.

The board adjourned to closed session to discuss litigation with the KEWA Shopping Center.

Richard Edwards Receives Degree

Hamline University in St. Paul, MN, held joint commencement exercises for the college of liberal arts and the school of law Sunday, May 24.

Among those receiving J.D. degrees was Richard A. Edwards, 142 Emerald, Kewaskum. He holds a B.A. degree from Ripon College.

Denise R. Zanow and James E. Spaeth were united in marriage on May 23, 1981 during a 2:00 p.m. service at St. John Lutheran Church, New Fane.

Parents of the couple are Ms. Donna Zanow of Kewaskum and Mr. Daniel Zanow of El Paso, Texas and Mr. and Mrs. Joseph W. Spaeth of West Bend.

The bride chose her sister-in-law, Bonnie Zanow, as her matron of honor. The bridesmaids were Diane Jacobs, Jane Spaeth and Joyce Spaeth, sisters of the groom and Christi Crowe, cousin of the bride.

The groom chose his brother,

Joe Spaeth, as his best man. The groomsmen were Darryl Zanow, brother of the bride, Jeff Spaeth and Steve Spaeth, brothers of the groom and Allen Pannier, cousin of the bride.

Ushering duties were shared by Paul Pannier, cousin of the bride, and Jim Schellinger, cousin of the groom.

A reception, dinner and dance was held at the Amerahn in Kewaskum.

The bride is a 1978 graduate

of Kewaskum High School and is presently employed by Regal Ware, Inc.

The bridegroom is a 1973 graduate of Slinger High School and a 1975 graduate of MPTI in Fond du Lac. He is presently employed by Serigraph Sales & Mfg. Co., Inc. in West Bend.

Following a wedding trip to South Dakota and Wyoming, the couple will reside in West Bend.

\$3,500 Grant for K-M Lutheran High

Kettle Moraine Lutheran High School, Jackson, has received a \$3,500 grant for the 1981-82 school year from Aid Association for Lutherans (AAL), a fraternal benefit society based in Appleton.

The money will be used to subsidize tuition and related expenses for 12 teachers seeking advanced degrees. Part of the grant has been set aside for later use.

The grant is part of AAL's Lutheran High School Enrichment Program, one of the ways the Association demonstrates its commitment to education. AAL will distribute more than \$4 million for educational grants and scholarships during the 1981-82 academic year. More than \$400,000 has been allocated for the 85 Lutheran high schools in the enrichment program.

School administrators determine how to use the enrichment grants, but the money is frequently earmarked for faculty

development, program enrichment and constituent relations.

"The Lutheran High School Enrichment Program helps fund those worthwhile projects and activities least likely to generate support from local sources," said Art Kentopp, administrator of AAL's high school grants. "AAL members and other Lutherans should understand these gifts are additional funding which most Lutheran high schools find difficult to obtain on the local level."

Students and faculty members at Kettle Moraine Lutheran High School, Jackson, also benefitted from a \$2,700 AAL grant during the 1980-81 school year.

In addition, AAL Local Branch 53 of Jackson coordinated a project through AAL's Co-op Benevolence Program that raised \$3,832. The money was used to send students on summer band trip.

Your HEALTH TIP

from Tom Leitzke, R.P.H.

The World Health Organization states that 3 out of 4 cancers are caused by environmental agents. This refers to air and water pollution, atomic radiation, tobacco smoke, and improper diet. Researchers find that if a population of low cancer incidence moves into an area of high cancer incidence, inevitably its cancer rate goes up. Therefore, environment, not heredity, is the crucial factor in contracting cancer.

BALL DIAMONDS DEDICATED

Members of the Robert G. Romaine Post 384, American Legion, raising the flag donated by the Edwin Ficklers in memory of their sons.

Left to right: Back row — Ron Reigle, Jim Reigle and son, Jeff, and L. N. Peterson. Front row — Mrs. Ron Reigle, Mrs. J. O. Reigle, Mrs. Jim Reigle and Mrs. L. N. Peterson.

Mrs. J. O. Reigle [center] and her sons, Ron [left] and Jim.

The beautiful dedication stone with engraved plaque near the ball diamonds reads as follows, "Dedicated to the memory of J. O. Reigle for future generations to discover the thrill of athletic competition, the practice of good sportsmanship and importance of sound physical development. Presented by Regal Ware, Inc."

Audrey Mayer Elected President Of State Secretaries

Audrey S. Mayer of West Bend was elected President of the Wisconsin Division of Professional Secretaries International (PSI) at the 28th Annual Meeting held May 15-17. Over 135 secretaries from throughout the 18 chapters in Wisconsin attended the meeting hosted by the Wausau Chapter of PSI at Howard Johnson's Motor Lodge. Mrs. Mayer's husband, Carl, is a native of Kewaskum.

Darlene Becker, CPS, Wisconsin Division President from Janesville, officiated at the meeting assisted by Audrey Mayer.

Rebecca Hayter, CPS, a member of the Madison Chapter and secretary to the executive director of the Methodist Retirement Center in Madison, was named the 1981 Wisconsin Division Secretary of the Year (SOTY).

Betty L. Conway of Harper Woods, Michigan, Great Lakes District Director, gave a PSI update at the Saturday morning session.

At the banquet on Saturday evening, recognition was given to Certified Professional Secretaries by Darlene Becker, CPS. The brunch on Sunday morning closed the meeting. Cheryl Ceretto of Milwaukee received the Future Secretaries Association (FSA) scholarship. T. A. Duckworth, former President of Wausau Insurance Companies, spoke on "Professional Pathways."

Mrs. Mayer is employed at The West Bend Company as secretary to M. J. Kastenschmidt, Manager, Employee Benefits and Services. She is a member and past president of the Kettle Moraine Chapter PSI.

Others attending the annual meeting from the Kettle Moraine Chapter included President Berde Kraak, Ethel Groth, Marguerite Marx, Rose Ketter and Adela Baumhardt. Mrs. Ketter will serve as Division Parliamentary Advisor and Mrs. Groth as Division Bulletin Chairman.

President Mayer, Ethel Groth and Berde Kraak are looking forward to attending the PSI International Convention in New Orleans, Louisiana, on July 26-30, 1981.

Support in Infant, Child Death Meeting

Support in Infant and Child Death, a parent support group, meets on the 2nd Thursday of each month. The next meeting will be on Thursday June 11, at 7 p.m. at the Planned Parenthood office on the 2nd floor of the old section of St. Joseph's Community Hospital, West Bend.

This month's meeting will be an informal gathering of parents who have lost children at any time from miscarriage through the teen years. "Why did this happen to me?" will be the focus of the discussion. Parents are invited to share as much or as little of their experience and feelings as they wish. SIICD meetings simply provide a compassionate atmosphere; parents offer support to others who feel the pain, fear and sadness that the death of a child brings. It helps to know that others have had the same feelings.

Anyone who has felt the loss of a child at any age, including miscarriage and stillbirth, is cordially invited. For more information, please call 338-1303.

Jaycee Bowling Tourney for MD

The Port Washington/Saukville Jaycees are sponsoring a bowling tournament "Beat The Pro For Muscular Dystrophy" from May 11 through July 26 at Harbor Hills Recreation Center in Port Washington. (Check with bowling center for days and times available. Telephone 284-3434 or Metro 377-2104). Cash and merchandise prizes will be awarded. The cost will be \$4.50 per entry and handicaps will be figured on a 75% of 200 scratch basis.

As a special attraction, on Sunday, August 2, at 2:00 p.m. George Pappas (1981 P.B.A. President) will be at Harbor Hills to bowl a scratch 3 game series. At that time it will be determined who has beaten the pro or comes the closest. Admission for this match will be \$1.50 in advance and \$2.00 at the door. Tickets can be purchased from Harbor Hills or by writing Jaycees, P.O. Box 7, Port Washington, WI 53074.

If you have any questions, contact the Port Washington/Saukville Jaycees' member Ron Bartlett at 284-4684.

"Ride a Bike — Stay in Shape"

In honor of thinking and thanking day, the Girl Scouts from Farmington held a pot luck supper. The theme was "camping" and a film called "Here Comes the Sun" was shown, to give the girls and their parents an idea about Girl Scout camps and how much fun they really are. Each troop also presented a song, dance, or skit about camping.

Next, the leaders each received a beautiful Girl Scout

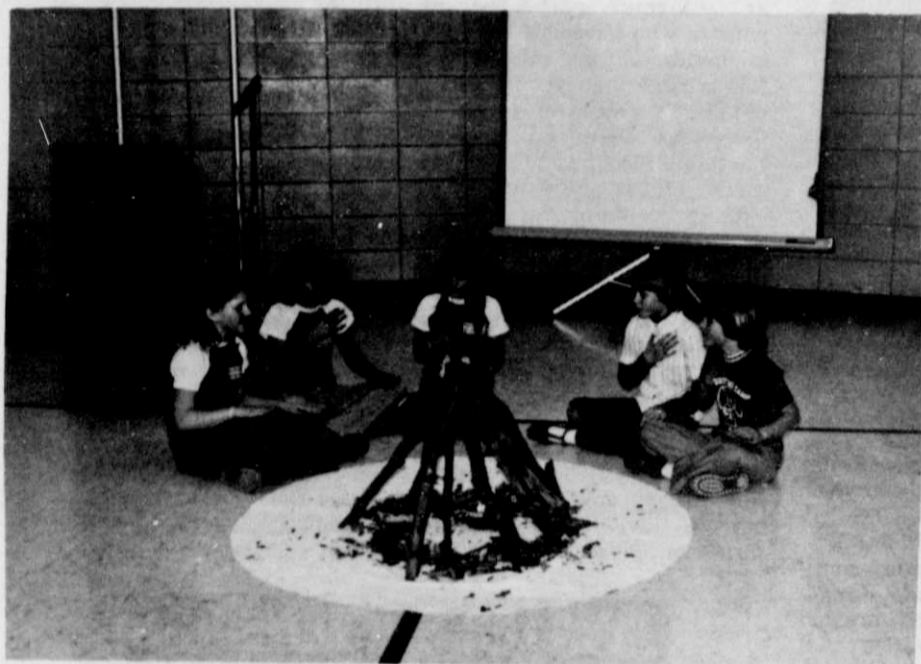

stickpin from their girls. It was a very beautiful Thank You for many hours willingly given to scouting.

Some of the special guests who shared in the event were: Penny Barnes, the field representative from the Girl Scout office; Mr. Larsen, the school principal and his wife, Miss Koss, Mrs. Larson, and Denise Wies.

Thanks to all who helped make this a very special day!

Petri Accepting Applications for Service Academies

WASHINGTON — Applications are now being accepted by Congressman Tom Petri for 1982 nominations to the U.S. Military, Naval, Air Force and Merchant Marine academies.

Petri said that the competition is open to all young men and women from 17-21 years of age who are high school graduates and residents of the 6th Congressional District.

The application deadline is October 15, 1981 for classes

entering in the summer of 1982. For information and applications, write Petri at his office in Washington: 1024 Longworth Building, Washington, D.C. 20515.

The nominations of young people to the service academies are made by Petri on the recommendation of an advisory commission of 6th District residents.

Three Generations

On May 18, a heifer calf was born from the engagement of "White Lightning" and "Dewdrop" (the bull). The birth of this calf on the Wilmer Ramthun farm, Kewaskum, was a joyous occasion because it made

not one, not two, but three generations of cattle. The calf was oversized, so it had to be pulled. Joel Kudek of 529 Keller Street and Scott Amerling of 622 Main Street, who both work on the farm, helped deliver the calf.

The possible future owner and person who now operates the farm is Steven Ebert of rural Kewaskum. He is glad the calf is a heifer because both of her predecessors have a reputation of good milking. Also, because the calf is a heifer, if the grandmother stays around, there might be a fourth generation.

By the way, the grandma is a real heavy-weight at over 2,000 lbs., with her daughter quickly catching up.

The cow on the left of the picture is the mother, in the foreground the calf, and to the right, Grandma Bessie.

Scott Amerling

County Fair Space Available

The Washington County Junior Fair wishes to announce that commercial space is available in the large commercial tents and outside space.

The 1981 fair will be held in Slinger from July 22-26. Interested commercial exhibitors can obtain information on reserving space at this year's fair by calling 338-4485, 644-5204 or 342-2929 or stopping at the Fair Office which is located at 515 E. Washington Street, Court House Annex II in West Bend between 8:00 a.m. and 12:00 noon and 1:00 and 5:00 p.m.

Historically, commercial space has been a part of every county fair. It provides an opportunity for businesses to show their products to the consumers as well as for fair-goers to see what's new.

Plan to be a part of the Washington County Junior Fair.

Over \$879 Raised In Junior League MD Bowl-a-Thon

Over \$879.00 was raised by junior league bowlers at Kettle Moraine Bowl in Slinger during a recent Bowl-a-thon. Bowlers used their talents to raise the money for the Southeastern Wisconsin Muscular Dystrophy Association.

Top awards were issued to the top money raisers at an awards day in April. Top money raisers include: Clayton Ben-

nett, 4623 Hillcrest Parkway, Slinger, with \$117.00; Jeff Wolske, 4611 Lakeview Circle, Slinger, with \$126.81; and the top overall money raiser, Jennifer Ulbricht, 4610 South Shore Avenue, Slinger, who brought in \$159.00.

The money collected from the Kettle Moraine Bowl-a-thon is put to use in Southeastern Wisconsin by supporting extensive research into the cause and cure of neuromuscular diseases, as well as providing patient services to the people suffering from these diseases.

NOTICE TO USERS OF LONG DISTANCE TELEPHONE SERVICES WITHIN WISCONSIN

Wisconsin Telephone Company has filed an application for a general rate increase asking the Public Service Commission of Wisconsin (PSC) to authorize rate increases in mid-1981, including long distance rates. Because the proposed increases in long distance rates would apply to all calls made between locations in Wisconsin, the Company is providing a notice of hearings and of significant proposed increases in rates for principal long distance services to all users of those services in the state. During the course of these proceedings, the Company's request may be updated or amended.*

- For direct-dialed long distance calls, proposed increases in present rates range from 1 to 3 cents for the initial minute and are 1 or 2 cents for each additional minute, depending on the distance involved.

- The proposed increases for the initial three minutes for operator assisted and person-to-person long distance calls range from 5 to 15 cents and 10 to 20 cents respectively, and 1 or 2 cents for each additional minute, depending on the distance involved.

- The initial period rates for the two Tel-A-Visit services, the three Call-Pak services and the two WATS services, as well as rates for private line services, would be increased about 6.25 percent, rounded to the nearest nickel. Overtime charges, where applicable, would also be increased about 6.25 percent, rounded to the nearest penny.

- In addition to rate increases requested for mid-1981, authority is requested for further rate increases effective January 1, 1982, to cover substantial additional costs resulting from an accounting change recently ordered by the Federal Communications Commission (FCC). Other FCC actions could increase those requirements. Proposed rates for the January 1, 1982, revenue requirement will be submitted during the course of this proceeding.

Hearing on the Company's application will commence on July 8, 1981, at the Milwaukee State Office Building, Room 45, 819 N. 6th Street, Milwaukee, with sessions beginning at 1:00 p.m. and 7:00 p.m. (For the evening session use door located at the loading dock on the north side of the building.) On July 9, 1981, hearing will be held at the County Court House in Kenosha commencing at 7:00 p.m. On July 10, 1981, the hearing will convene at the PSC offices, Hill Farms State Office Building, Room 426, 4802 Sheboygan Avenue, Madison, beginning at 11:00 a.m. and continuing on July 13, 1981, with sessions beginning at 1:00 p.m. and 7:00 p.m. If necessary to complete the record in this proceeding, the hearing will continue at such times and places as specified by the presiding examiner. The testimony of customers who wish to testify will be taken at the outset of each of the sessions of hearing to be held on July 8, 9, 10 and 13, 1981. Oral argument will be held before the Commission at its offices in Room 426, Hill Farms State Office Building, 4802 Sheboygan Avenue, Madison, on July 24, 1981 at 10:00 a.m.

*For example, if Federal Communications Commission accounting, depreciation or other changes impose additional costs on the Company, larger increases in some or all of the Company's long distance rates may be required.

Wisconsin Telephone

TOUR FARM — Holy Trinity's first graders, along with their teacher, Mrs. Schacht, enjoyed a recent trip to the Roger Neumann farm on Hwy. H, Route 2, Kewaskum, which is the home of one of their classmates, Nancy Neumann.

After a tour of the farm, they enjoyed a treat of cookies and milk.

Red Cross to Conduct Schools

The American Red Cross will conduct aquatic, first aid, and small craft schools to help meet the need for qualified swimming, lifesaving, first aid, CPR and boating instructors.

These Red Cross Schools offer a unique opportunity to train first aid instructors to conduct in-plant courses for their employers to help businesses comply with the requirements of the Occupational Health and Safety Act of 1970.

Men and women 17 years of age or over, who are better than average swimmers and physically fit, are eligible for the aquatic and small craft schools. First Aid instructor candidates are not required to have swimming ability, but must meet fitness requirements.

A comprehensive curriculum of lectures, seminars, course instruction and practice sessions teach the following techniques: basic swimming water safety; adapted aquatics (swimming for the disabled); basic, standard and advanced first aid, cardiopulmonary resuscitation (CPR); canoeing; sailing and boating.

Faculties are comprised of highly-trained Red Cross Volunteer instructors, who are experts in the field in which they instruct.

The classes will be held at George Williams College on Lake Geneva June 7 thru the 14.

For more information or applications, contact the West Bend Red Cross at 107 N. Main St. or call 334-5687 or 692-2806.

Surprised on 75th Birthday

Surprised on her 75th birthday was Lorraine Fellenz when Gerald and Carol, Paul and Shirley, Judy and Leroy, and Danny and Rita held a very nice party for her at the Walnut Room at Holy Angels, West Bend.

A five o'clock Mass was

celebrated in her honor by Father James Strupp which was followed by a delicious supper by her family.

People who attended were her family, brother and sisters, brothers-in-law, sisters-in-law, nieces, nephews and friends.

She received many lovely gifts. An enjoyable time was had by all. The celebration was on April 25 and her birthday was the 26th of April.

Benzschawel-Murphy

Mr. and Mrs. Lester Benzschawel of Beechwood, Route 1, Adell, announce the engagement of their daughter, Wendy Ann, to Steven Murphy, son of Mr. and Mrs. Francis Murphy, 511 Butler Street, Random Lake. He is a 1974 graduate of Random Lake High School and

she is a 1980 graduate of Kewaskum High School.

Steven is employed at Mayline Company in Sheboygan and Wendy is attending the School of Cosmetology at MPTI in Fond du Lac.

An August, 1982, wedding is being planned.

OBITUARIES

CHARLES ROMAYKO

Funeral services for Charles J. Romayko, 73, of 149 E. Main St., Campbellsport, retired Campbellsport fire chief, were held Wednesday at Twohig Funeral Home in the village. He died Tuesday, May 26, at St. Agnes Hospital, Fond du Lac.

The Rev. Victor Kemmer officiated, and burial was in St. Matthew's Catholic Church Cemetery, Campbellsport.

A memorial Mass will be offered at a later date. Donations to the Wisconsin Kidney Foundation would be appreciated by the family.

He was born Aug. 15, 1907, in Milwaukee. On July 25, 1931, he married Marie Meiers at Milwaukee, and the couple moved to Campbellsport in 1945.

Mr. Romayko was a plumber and operated the Romayko Hardware Store in Campbellsport. He was a member of the St. Matthew's Catholic Church, Campbellsport.

Surviving are his wife; three daughters, Mrs. James (Charlotte) Wondra of Fond du Lac, Mrs. Thomas (Diane) Renne of LaCrescent, Minn., and Mrs. James (Sharon) Krueger of Beloit; six grandchildren; and three great-grandchildren.

HERBERT HACKBARTH

Herbert W. Hackbarth, 79, of Hartford, died Friday, May 29, at the Gateway Nursing Home, Hartford, following a long illness.

He was born in the Town of Herman on May 12, 1902, and married Clara Thom on May 2, 1925, at Woodland.

Survivors include his wife; three daughters, Margaret (Harland) Fredrick of Hartford, Virginia Fredrick of Wisconsin Rapids and Betty (Carl) Will of Iron Ridge; four sons, Harold (Helen) and Floyd (Loretta) of Hartford, Virgil (Mary) of Kewaskum and Ronald (Janice) of West Bend; 35 grandchildren; 12 great-grandchildren; daughter-in-law, Delores Hackbrath of Hartford; two brothers, Louis of Milwaukee and Carl of Chicago; two sisters, Lydia Quandt of Hartford and Irene Hackbarth of Milwaukee, and other relatives and friends.

He was preceded in death by three sons, Melvin, Wilmer and Lloyd.

He was forklift operator for Libby, McNeil and Libby for 20 years.

Funeral services were Monday at 8 p.m. at the Berndt Funeral Home, Hartford. Rev. Steven Schafer officiated and burial was in Pleasant Hill Cemetery, Hartford.

Visitation at the funeral home was Monday after 4 p.m.

Rescue Squad Calls

Friday, May 29 — Arnold Schmidt, 73, 4358 Hwy. 28, Kewaskum, taken to St. Joseph's Community Hospital, West Bend, with illness.

Friday, May 29 — Helyn Askelson, 68, 475 Meadow Brook Dr., West Bend, taken to St. Joseph's Community Hospital from 339 Braatz Dr., Kewaskum, with illness.

Sunday, May 31 — Michael Gruber, 19, 8856 Hwy. 45 South, Kewaskum, taken to St. Joseph's Community Hospital from Trailer Court No. 5 with illness.

25 Years Ago

June 8, 1956

William Becker, farmer residing on Route 2, Kewaskum, south of the village, suffered a broken pelvis when he was run over by a tractor on his farm on Saturday. It is reported that Becker had stopped his tractor on a small grade and left it to close a gate when the vehicle started moving down the grade. He ran for the tractor and got in front of it to pull the brake. Apparently he grabbed the clutch by mistake and the machine lunged ahead, throwing Becker to the ground and one wheel ran over him.

Married on May 26, in Kewaskum were Miss Bernice Prost, Route 2, Kewaskum, and Ronald Stange, son of Walter Stange, Route 1, Kewaskum.

Fourteen Kewaskum Boy Scouts under the leadership of Scoutmaster E. Gnacinski, Jr., Assistant Scoutmaster Robert Sparks and five adults, spent the weekend of June 1 at Kelley Lake near Lena, Wisconsin. The scouts included Robert Berg, William Sengpiel, Otto Ramthun, David Merkt, Greg Merkt, Ted Miller, Mark Kral, Jim Sparks, Gary Bohn, Curtis Sinclear, Jim Fickler, Robert Ewert, Robert Kroncke and John Hron.

Miss Kathy Schultz, daughter of Mr. and Mrs. LeRoy Schultz, Kewaskum, became the bride of Ralph Ewert, Kewaskum, son of Otto Ewert, LaCrosse, on May 26.

50 Years Ago

Another high school year is being brought to a close with the graduation of eleven seniors at the commencement exercises in the high school auditorium on Friday evening. The members of the graduating class are: Earl Etta, Joseph Uelmen, Henry Lay, Fred Weddig, George Koerble, August Koch, Lloyd Reysen, Ruth Campbell, Delores Andre, Rebecca Schaub, and Elizabeth Martin.

At the regular meeting of the village council Monday evening, Wm. S. Olwin, by a unanimous vote was appointed Justice of the Peace.

The following children received First Holy Communion at St. Kilian's Catholic Church Sunday: Elmer Ruplinger, Leo Zehren, Lynus Reibier, Misses Magdalen Simon and Burnett Kohler.

Troop, 14, Boy Scouts from here have made application at the Scout executive's office for renewal of its charter. The troop committee includes L. P. Rosenheimer, chairman, Otto E. Lay and Elwyn Romaine. Prin. E. E. Skaliskey is Scoutmaster and Henry Lay is assistant Scoutmaster.

A baby boy was born to Mr. and Mrs. Jack Tessar, Kewaskum, last week Wednesday.

The Bank of Kewaskum received a number of safe deposit boxes for the safe keeping of valuable papers, etc., which they are offering to customers of the bank free of cost.

A family reunion was held at the home of Mr. and Mrs. Math. Theisen in St. Michaels Sunday. The following children were present: Mrs. John Barbican of Milwaukee, Mrs. John Kass of Marshfield, John Theisen and son of Marshfield, Nic Theisen and family of Port Washington, Joe Theisen and wife of the Town of Barton, Lizzie of Pewaukee Lake, Mike of Hartford, Math. and Frank from St. Michaels.

Tobias Ferber, a highly respected resident of Campbellsport died June 6, at the age of 74. He was married to former Mary Martin who survives him with six children.

John Bresemann of the Town of Wayne died June 5 at the age of 72.

A baby girl was born to Mr. and Mrs. William Hess of Wayne.

Minutes of Village Board Meetings

Special Meeting
May 14, 1981
5:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in special session in the Council Room of the Municipal Building, 204 First Street.

President Gerald Stollenwerk presided. Present were Trustees Richard Schmidt, Raynor Herriges, Donald Mlodzik and Jeffrey Rohrer. Trustee David Nigh had asked to be excused and was absent. Trustee Paul Blumer was absent.

Approval of the minutes of the previous meetings of May 4 and May 6 was dispensed with.

Motion was made by Trustee Herriges, seconded by Trustee

R. Schmidt that Attorney Charles O'Meara be appointed special attorneys to represent village employees Administrator Daniel S. Schmidt and Building Inspector Henry M. Becker in the litigation commenced by John P. Livesey and Dwight E. Ziegler d/b/a KEWA, a joint venture. Voice vote was unanimous.

Upon motion by Trustee Mlodzik, seconded by Trustee R. Schmidt and unanimously carried, the Board adjourned to closed session under Chapter 19.85 (1) (g) of the Statutes to discuss evidence to be offered at HEARING FOR TEMPORARY RELIEF in Federal Court, Eastern District of Wisconsin, Friday May 15, 1981.

William S. Martin,
Commissioner

Mid-Monthly Meeting
May 18, 1981
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in mid-monthly session in the Council Room of the Municipal Building, 204 First Street.

President Gerald Stollenwerk presided. All Village Trustee Members were present.

The minutes of the meeting of May 4, 1981, and the minutes of the meeting of May 6, 1981, were approved as presented upon motion by Trustee Herriges, seconded by Trustee Mlodzik. Voice vote was unanimous.

Fire Chief August Bilgo was authorized to advertise for bids for a new fire pumper truck to replace the 1950 Ford fire pumper. Motion by Trustee D. Nigh, seconded by Trustee Blumer. Voice vote was un-

animous.

Supt. Peter Albers reported that the Wisconsin DNR is in the process of formulating new guidelines for the discharge of treated wastewater to the Milwaukee River.

Trustee Herriges, Chairman of the Protection and Public Safety Committee, reported that William Kulas, owner of the Glacier Inn, had no objection to restricting parking on the east side of Fond du Lac Avenue fronting his property between the hours of 8:00 a.m. and 4:30 p.m., Monday through Friday, in order to facilitate right hand turns onto Main Street. This proposed no parking restriction was approved upon motion by Trustee Rohrer, seconded by Trustee R. Schmidt. Voice vote was unanimous.

Trustee Rohrer, Chairman of the Parks and Recreation Committee, reminded everyone present that the dedication of the ball diamonds in the Kewaskum Kiwanis Community Park is scheduled for 9:00 a.m. Saturday morning, May 23, 1981.

Trustee Rohrer also explained to a group of interested citizens what the village's policy is with reference to the use of the ball diamonds in the Kewaskum Kiwanis Community Park. All persons present were given a chance to be heard.

Upon motion by Trustee Herriges, seconded by Trustee Blumer, and unanimously carried, the Board adjourned to closed session under Chapter 19.85 (1) (g) of the Statutes to confer with legal counsel in regard to litigation commenced by John P. Livesey and Dwight E. Ziegler, d/b/a KEWA, a joint venture.

William S. Martin,
Commissioner

Recognize Symptoms Of Pests That Can Harm Strawberries

By DAN A. WILSON
Horticulture/Resource Agent

With strawberry plants in full bloom, it's time to be aware of the many insects pests and diseases which affect them.

Cutworms cut plants off at or below ground level. The worms are stout, smooth and greasy-looking. They usually curl up when disturbed and cause most problems in grassy or weedy beds.

Most aphids are small, greenish, soft-bodied insects which may or may not have wings. Aphids begin soon after birth to suck plant juices, reducing plant vigor and yield. More importantly, they spread viral diseases and should be under control year round.

White (June Beetles) grubs kill or weaken strawberry plants by feeding on the roots. They are generally a problem in weedy beds or in areas previously planted in sod. They can cause damage for up to three years because most species require three seasons to complete their growth cycle.

Strawberry weevils or "Clippers" are sometimes not seen but they can do devastating damage. The dark, reddish-brown adult weevils, burrow into berry blossoms in the spring and deposit a single egg. The buds fall off or hang limp, and no berries are formed.

The most practical method to control insect pests and diseases in strawberries is to take preventive measures. These include using best cultural practices such as crop rotation, selecting adapted and resistant varieties, planting disease-free stock and using the proper pesticide chemicals as foliage sprays when needed.

Botrytis gray mold berry rot is possibly the most common and destructive disease attacking strawberries. It is first noticed as a soft, light brown spot on the berry. It spreads, resulting in a gray or dusty mold that covers the fruit. The rot is started by a fungus during damp and muggy weather. Also, berries touching the ground or dead leaves can be infected.

Black root-rot can cause very serious damage to Wisconsin

strawberries. Root-rot infected plants may have root systems that are much smaller than normal, main roots that have dark areas, and no feeder roots or feeder roots that are dry, dark and brittle. Part or all of the main roots may be killed. Cutting through the crown may reveal discoloration and tissue breakdown.

Other fungal diseases are leaf blight, leaf spot and scorch. These appear as black spots or holes on the plant leaves. Red stele and verticillium wilt are less common soil-borne fungus diseases.

For more information on prevention and control of strawberry insect pests and diseases, contact the Washington County UW-Extension office for publication A1597, "Strawberries for the Home Garden," (30c) and "Strawberry Pest Control for Home Gardeners."

youth a personal learning experience. They will have a chance to experience campus life and to converse with University of Wisconsin specialists. There are many seminars to attend in the cultural arts, natural sciences, communication arts, political and social sciences, home and family area and health seminars.

Another benefit of the congress is the opportunity to meet and talk with youth from across the state. They have a chance to express and exchange ideas with others. They should be gaining ideas for use in their local 4-H programs and in their local community.

Members are selected on the basis of an application form which they submit in the fall. Any high school age member may apply.

place for her poster. Those receiving seconds for their posters were Randy Marquardt, Colleen Alsberg and Andy Degnitz.

Tim Belger reported on the visit to our adopted grandmother at the Samaritan Home. Mrs. Belger said that our club had been asked to make wreaths and participate in the Memorial Day services at Fillmore on May 25. Before the meeting was called to order, members that came early worked at braiding twine for the wreaths to be put on the veterans' graves.

We discussed making a window display for June dairy month. It was decided to have a stand on Saturday and Sunday at the Boltonville Rain Days to sell ice cream.

The meeting was adjourned at 9 p.m.

J & J AUTO TOPICS

THEY AUTO KNOW

I wonder if there's any truth to the rumor that a certain car maker recalled some of their cars. Not that something was wrong, but they wanted to figure-out what they'd done right.

Many of our customers on returning for tune-ups remark, "Do the same kind of job you did last time. The old bus never run so good."

You'll notice that we treat your car at J & J AUTO SERVICE just like it was our own. If we don't do the best job possible, we want to know about it. This is the reason our business is growing. So, come on over to 450 E. Main like your neighbor does.

Letters to the Editor

To the Editor:

The Kewaskum recycling center has been operating since May of 1974. In June we are starting our eighth year. Here are a few facts about the recycling center. The first year was in Nancy Malvick's garage, crushing glass with a pipe. Then the old village garage became the center for three years. Regal Ware hauled our glass. The high school and middle school began recycling tin. We've been in our present building for three years now. Since May of 1974, to the present, we've recycled 99.2 tons of glass, 21.5 tons of tin, 1,223 lbs. of aluminum, 9.23 tons of mixed tin and aluminum, and 39,072 Miller bottles. These amounts wouldn't be possible without the help and support of many including the members of Juniors who work at the center, especially Nancy Malvick and Karen Keller. The village men are there whenever we need them. Regal Ware has contributed free trucking. We'd like to thank everyone in the community who recycles and encourage others to start. Not only is it ecological but the money we receive goes back into the community. There are many other people who have helped in the years that have not been mentioned.

The center is open every third Saturday of the month from 9:00 to 12:00 noon. We accept tin, aluminum, clear, green and brown glass. Tin and aluminum should be flattened, glass can have labels on. Newspapers for the Lions Club can be left at the center. Waste oil can be drop-

ped off at Herriges Oil or Roger and Dan's Auto Service during working hours. The center address is 1603 Fond du Lac Ave., half a block north and opposite Campbell's Village Inn.

Lori Schoofs
Recycling Chairman
Kewaskum Junior
Woman's Club

To our fellow citizens
of Washington County:

We in the fire and rescue service are asking your help in the solution of a problem which, to some extent, be it large or small, exists throughout the county.

The problem concerns the proper display of address numbers, which some of you may refer to as fire numbers, now being used in mailing addresses. These numbers are not being displayed, and if they are, they are not located in the proper place. They are not visible from the road in daylight, much less on a foggy, rainy night in summer or in blizzard conditions at ten degrees below zero.

If you think we are wrong, take a ride or a walk with a companion and check how many of these numbers are readily visible. Then bear in mind the problem of the people who have been requested to help in an emergency situation, be it fire, rescue, or a combination thereof. These people must be able to find these numbers easily, but the numbers cannot be seen from the road.

This is especially true in rural areas and sometimes in new subdivisions, but residents of cities and villages should also take note. As you drive by your house at twenty miles an hour and recognize your house number, is it blocked by a shrub, bush, tree, awning, or other decorative device? Even though none of the preceding conditions may exist at your home,

remember that it is also extremely helpful to have the porch light on when in need of the fire and/or rescue service at night. Since most numbers are located near the door, the light illuminates the number and makes it more readily visible.

The best display of these address numbers is on a separate post located approximately ten to fifteen feet from the driveway entrance.

We feel it is our duty to let you, our fellow taxpayers, know about such problems, whether we are volunteers or members of a full-time department. We know that contracting for fire service or furnishing your own is expensive. However, in time of need, what is the value of a pumper that has the net worth of \$80,000.00 (a very conservative estimate when one takes into account the costs of hose, nozzles, adaptors, radio equipment, breathing apparatus, lighting equipment, and the work of at least a dozen men), or a rescue vehicle worth \$40,000.00 (which, in many cases, is manned by people who not only give of their time, knowledge, and effort at the times of emergencies, but spend a minimum of 100 hours in training for the good of their fellow men), when something as simple as an inadequately displayed address number wastes precious time and energy? The cost of a properly displayed address number is approximately \$10.00, all materials included.

Although we realize that the issuance of these address number signs is under the jurisdiction of the Town Board, Village Council, or City Government, we feel that in relating the information to you, we can get things moving in the areas of the county where a problem definitely exists.

Remember, the lives and property that may be saved may belong to you or your loved ones.

Yours in service,
Washington County Fire
Chiefs Association
We are here to help you;
you can bet on that.

POSTPONED BOARD OF REVIEW Town of Auburn

Notice is hereby given that the Postponed Board of Review of the Town of Auburn, Fond du Lac County, Wisconsin, will convene at the Town Hall, Jct. Hwys. 45 & 67, between the hours of 10 A.M. and 12 Noon and 1 P.M. and 4 P.M. on Monday, June 8, 1981, for the purpose of hearing any taxpayer objecting to his assessment.

Camilla Butzke, Clerk

Town of Wayne NOTICE OF MEETING OF BOARD OF REVIEW

The Board of Review for the Town of Wayne will meet in the Town Hall, 6108 Wayne Center Drive, on Thursday, June 11, 1981, during the hours of 10:00 A.M. to Noon, 1:00 P.M. to 4:00 P.M. and 7:00 P.M. to 10:00 P.M. for the purpose of reviewing and examining the assessment roll and correcting all errors in said roll. The assessment roll will be open for public inspection from 9:00 A.M. to 5:00 P.M., Monday, June 8, 1981, at the Town Hall.

ORVILLE KERN, TOWN CLERK

HELP !!

Dear Good Readers,

Do you have time on your hands? Do you want to feel good inside because you helped someone? You can you know. You can help teach someone to read. You don't have to be a teacher to do it either. People from all walks of life, who want to volunteer, can be trained in just a nine hour session to teach someone to read by The Laubach Reading Method. Even people who were once students themselves and graduated from the program, have become volunteers to teach others. Senior Citizens we love you. We find with your experience over the years and with time on your hands, you are very patient and make excellent teachers.

The Laubach Literacy Program is being organized right now in West Bend and we want to spread it throughout Washington County. But we need volunteers to make it become a success.

The program is a very structured program to help adult students of all ages who have reading problems, learn to read or get their reading level at least to an eight grade reading level if they come to the center for help. The cost to them is only the cost of their books, which is less than \$10.00.

The program is set up so volunteers who have been trained to teach, may volunteer as much time as they like each week, whether it be one hour a week for one day or twelve hours spread over the whole week or whatever is workable for the volunteer. You teach

only one student for an hourly session and it need not be the same student each time. The only cost to you is the cost of the supplies to teach, (less than \$10.00).

You are needed! Do you know of someone else who may be interested in volunteering? Give them a call.

A nine hour training session for volunteers will be held in the Fireside Room of The Fifth Ave. United Methodist Church June 5th from 6 to 9 p.m. and all day June 6th from 9 a.m. to 5 p.m.

Most people who cannot read well, will not be able to read about this opportunity for them. You can help by telling them about it and giving them these phone numbers to call for more information.

Marge Salberg, 629-9341, evenings & weekends.

Merceline Skoll, 338-8120. You also may want to call if you have questions or would like to sign up for the volunteer training sessions.

Marge Salberg,
Coordinator for
Laubach Literacy Program

P.S. We also are looking for a permanent home for our Literacy program, preferably a centrally located building in downtown West Bend with several rooms for teaching.

The incidences of passing around colds and flu germs among family members are believed to be fewer with families using dishwashers. Higher water temperatures and strong detergents get the credit.

Carrie Kempf Helps UW-La Crosse Team Make Strong Showing in National Meet

The UW-La Crosse women's track team made a strong showing in the National NAIA meet held May 21-23 at the University of California in Hayward.

Competing against 396 athletes from 104 schools from across the United States, UW-La Crosse finished in third place with 38 points. Host California-Hayward was first with 93 points while Sacramento was second with 70.

Two area athletes were members of the team of 14 girls representing La Crosse. Carrie Kempf, who was a standout for Kewaskum High School, and Kate Wurster, former West Bend East star, were both members of the 400 meter relay unit which placed fifth with a 48.52, a new La Crosse record. Kempf anchors the event for the Ronnie girls.

The girls qualified for the meet because of times and efforts they had recorded during the regular season. Another requirement was that their team win the Wisconsin Conference title, which they did with ease.

Kempf also made 18-5 in the

long jump which allowed her to compete in that event in California. Wurster also ran in the 100-meter hurdles. Her time of 15.3 qualified her for the nationals.

Kempf is the daughter of Mr. and Mrs. Lee Kempf of Beechwood. She is majoring in Physical Education-Health. Both girls are four-year letter winners at LaCrosse, where Carrie will attend school for another year.

Kempf still holds the state Class B 100 record, an event she won twice for Kewaskum High. She also won the 220 and was on a state championship 880 relay.

Mike Sanders, who coaches the field events for both men and women at La Crosse, reported the Ronnies' performance in the 440 meter relay in the nationals was outstanding. The field in this relay was loaded with talented sprinters.

"Our handoffs were flawless," he said. He said Kempf and Wurster contributed tremendously throughout the year and it was nice to see them cap off their careers being All-Americans and setting a new record (first through fifth places were named to the All-American team.)

Heisdorf Racing Team Sets Fast Time at 2 Races

On Saturday, the John Heisdorf Racing Team traveled to Davenport, Iowa, where Dave Ray, driving his #33 car posted fast time. He also placed second in the Trophy Dash, first in his heat and seventh in the feature.

On Sunday night they raced at Sun Prairie where Dave again posted fast time with the John Heisdorf #2 car in a field of 45 cars. Dave then finished second in the feature after a terrific duel for the lead.

Ken Biertzer was driving the car at the East Moline Speedway Saturday night when the engine blew. The crew worked all day Sunday to put it back together and arrived at Sun Prairie late after driving 220 miles from Davenport, Iowa. The car was the last to qualify and set fast time for the evening.

This Friday evening, June 5, they will be at Hales Corners for a U.S.A.C. show. Dave Ray won the feature there last year.

See you there!

Lakes Team Nips Lithias, Buried by Twins

Kewaskum struck for three runs in the bottom of the eighth inning to edge West Bend 4-3 here Saturday for their first Lakes win of the year.

In Kewaskum's big eighth inning Tom Bartelt walked and Bill Backhaus singled. With two out Mike Pettit, hitting for the first time this year, tripled over the left fielder's head, scoring both runners and tying the score 3-3. Then Randy Tassar, batting for his first time in the game, singled to left, driving in Pettit with the winning run.

West Bend threatened in the ninth with singles by Dave Fellenz and Doug Gonring but winning pitcher Tom Bartelt got John Jazak to fly out to deep center to end the game.

Kewaskum opened the scoring with a run in the first inning on a single by Randy White, a sacrifice, an error, and a single by Ron Theusch.

West Bend came back with one in the second as Kevin Lyons doubled and Mike Rick drove him in with a single.

West Bend scored two runs in the third as Steve Sachse, Tom Kuehn and Doug Gonring strung three singles together to load the bases. Sachse scored on a wide pitch and Kuehn scored on a sacrifice fly by Kevin Lyons.

West Bend outit Kewaskum 13-9. Backhaus had 2 hits for Kewaskum while Gonring had 3 hits for the Lithias and Sachse, Kuehn and Mike Rick had 2 hits each.

Tom Bartelt went all the way for Kewaskum to pick up the win and Sachse also went the route for West Bend, taking the loss. It was a well-played game with both teams making some fine defensive plays.

On Sunday, Kewaskum played at Thiensville-Mequon where they were humiliated by the Twins in a 24-5 slugfest. This dropped the team's record to 1-5.

The Twins banged out a total of 21 hits in the contest, to go along with 8 errors by Kewaskum. Thiensville-Mequon led 8-4 going into the last of the sixth inning but the winners added 3 in the sixth, 3 in the seventh and 10 in the eighth to run up the score.

Tim Braaten lashed out 2 home runs for the Twins and Chris Schroeder 1. Schroeder also had 8 runs in and led his team with 4 hits in 5 trips. Bill Backhaus and Al Jaeger each had 2 hits for Kewaskum.

Kewaskum plays Barton at Regner Park Sunday at 1:30 p.m.
