Open House Honors Mitchell

Statesman Staff Writer

Ernie Mitchell spent the last afternoon of school in the Kewaskum High cafeteria, not as a teacher, but as a person being honored for his 39 years of service to the Kewaskum school district.

Mitchell, who has run the gamut from teaching math and science among other subjects to coaching a variety of sports along with his other duties, will retire this week from his present position as high school guidance counselor.

Among the well-wishers on hand were co-workers, past students and friends. Orville Behnke, representing the Kewaskum Kiwanis, presented Mitchell with a Distinguished Service Award for his 31 years of service to the Kiwanis, including the offices of President, Vice-President, Board Member and Chapter Member of the Kewaskum chapter. Behnke noted Mitchell's dedicated work over the years helped many of the organization's civic projects develop.

Walt Bade, representing the Kewaskum Education Association, presented Mitchell with fishing gear. Bade stated prior to the presentation program, "now that he (Mitchell)

won't have a check coming in, he can catch his lunch."

Mitchell also received gifts from the school administrative staff.

Among other activities, Mitchell was the guest at a friendly "roast" and banquet held at the Homestead Supper Club by the high school staff as their way to recognizing Mitchell's years in the education field.

Ernie and his wife are now looking forward to some traveling in their retirement future.

Saturday is Last Day to Purchase Season Swim Pass

The final day for purchasing a season swim pass for the Kewaskum Beach will be Saturday, June 13, from 9:00 a.m. to 3:00 p.m., at the beach.

Pictures are taken for the passes, so those who wish to purchase a pass must be present. In the case of a family pass purchase, all family members who desire a pass must be present.

Beginning on Monday, June 15, the beach will be open from 10:00 a.m. until 8:00 p.m. every day.

Adopted User Fee for Co-curricular Activities

School Board Adds Gifted and Talented Funds to 1981-82 Budget

By GERRY MUELLER
Statesman Staff Writer

After weeks of cutting and trimming, the Kewaskum School Board Monday evening made a surprise move by reversing its trend and adding \$10,000 to the 1981-82 budget.

Two board members, Tom Brigham and Charles Ogi, who have been the most vocal about seeing the budget lowered were the backers of a program for gifted and talented students which will increase the budget by \$10,000 to cover the cost of an additional teaching position and materials to operate the program.

School Board President John Tessar stated he was amazed at the attitude of the board saying, "in one breath you're talking cut, cut, cut, and now you want to add \$10,000."

One parent was upset that the G & T program was not going to be discussed. Tessar commented the program was presented, however, as a member of the Budget Committee, he would not recommend the program this year. School Board member Jerry Secor noted he was for the program, "if you stand pat and don't reduce this budget." Brigham said he wanted to see this program in the budget either by a \$10,000 reduction allowing the program to be included or adding the extra funds to the present budget. Brigham's motion, seconded by Ogi, to add the necessary funds passed unanimously.

After the vote, Tessar stated, "my personal reaction is if our annual budget is turned down in July, I will vote to take G & T out as the first cut."

In other action, the board voted to adopt a User Fee for co-curricular activities. Member Byron Gessner motioned to charge \$5.00 for middle school and \$15.00 for high school activities. It was generally felt that charging middle school students \$10.00, might tend to discourage them from participating in programs when, instead, they should be encouraged to become involved in the various activities available to them.

Man Dies of Injuries in T. Auburn Cycle Crash

A 21-year-old West Bend man died of injuries received in a motorcycle accident that occurred Saturday along County Trunk DD in the Town of Auburn.

The victim was Robert M. Weiss of 1146 Walnut St., West Bend. He died at 11:40 a.m. Sunday at Theda Clark Regional Medical Center, Neenah, where he had been transferred following initial treatment at St. Agnes Hospital, Fond du Lac.

Weiss sustained neck and head injuries in the accident which occurred at 6:15 p.m. Saturday south of Lake Drive. He was rushed to St. Agnes Hospital by Campbellsport ambulance.

Fond du Lac County Sheriff's Department authorities reported that Weiss was traveling south on County Trunk DD between Lake Road and Lorrie Lane and was in the process of negotiating several curves.

Authorities said Weiss' motorcycle crossed the left lane of traffic, went onto the shoulder of the roadway and entered the ditch at which point it apparently began flipping end over end. The motorcycle came to rest on top of Weiss authorities stated.

Weiss was born Feb. 21, 1960, in West Bend, where he lived his entire life.

He graduated from West Bend West High School in 1979 and was the recipient of the Andrew J. Pick Family Scholarship. He was enrolled at MATC night school in photography at the time of his death.

He was employed at the West Bend News as a carrier supervisor.

Survivors include his parents, Fred and Marian (nee Kohl)

Weiss of West Bend; his fiancée, Elizabeth Zimdahl of Kewaskum; two brothers, Michael (Beatrice) of New Fane and David of Milwaukee; two sisters, Mary Jo (Larry) Carlton of West Bend and Kathleen (John) Brisky of Kewaskum; five nephews; three nieces, aunts, uncles and other relatives and friends.

Funeral services were Tuesday at 7:30 p.m. at the Schmidt Funeral Home, West Bend, with Mass of Christian Burial at 8 p.m. at Holy Angels Church. The Rev. Thomas Weber officiated and burial was in Holy Angels Cemetery Wednesday morning.

Visitation at the funeral home was Tuesday from 5 p.m. until the time of services.

Milwaukee Bomb Squad Disposes Of Dynamite

By GERRY MUELLER
Statesman Staff Writer

For the second time in recent months, the Milwaukee Bomb Squad was called to West Bend to pick up and dispose of dangerous materials.

The Washington County Sheriff's Department stated Wednesday, a West Bend area resident was cleaning some old hay out of his recently purchased barn where he found a quantity of old dynamite. As a safety measure, the Bomb Squad removed the dynamite to the Hwy. 28 gravel pit east of Kewaskum where it was detonated.

Awards, Badges Presented to Boy Scouts

Judging from the awards presented at their Court of Honor on June 1, Boy Scout Troop 744 of Kewaskum is growing and shows a lot of enthusiasm for the scouting program.

Advancement awards were made to six scouts. Heading the list was Shawn McKenna, who was promoted to Life Scout. Shawn is now one step away from achieving the highest advancement in Scouting. Other advancements were Kenneth Weiss - First Class, Michael Kirst - Second Class, Anthony VenHaus - Tenderfoot, John Paul - Tenderfoot, and Robert Kode - Tenderfoot.

The Scouts also earned a fair number of merit badges. John Rimmel, Mike Kirst, Pat Miller, Shawn McKenna, and Rob Kode, all were awarded the Cycling merit badge. Mike

Kirst and Ken Weiss were awarded First Aid, and Shawn McKenna earned the Music Merit Badge.

Skill awards were presented to the eager newer Scouts, these being Tony VenHaus - Citizenship, Conservation, First Aid and Hiking; Rob Kode - Citizenship, Environment, First Aid and Hiking; John Paul - Citizenship, First Aid and Hiking; Mike Kirst - First Aid, Hiking and Camping; Ken Weiss - Citizenship and First Aid.

Committee member Jim Paul led the Scouts and parents in congratulating Committee Chairman Bob Sparks on his Silver Beaver award. The Silver Beaver is the highest award in Scouting for an adult leader and is a much deserved recognition of Bob's efforts for the Scouting program in Kewaskum.

The program was highlighted by a show of color slides of past Boy Scout events, including some candid shots of adult

leaders displaying their Scout spirit among other things.

Reading Scores Big in Area MS READ-a-Thon

Students at St. Mary Immaculate Conception and Kewaskum Elementary stacked up the books in this year's edition of the MS READ-a-thon. One hundred and six youngsters completed a record 1,637 books to lead the fight against multiple sclerosis in West Bend and Kewaskum.

A few weeks ago, local MS volunteers presented an exciting challenge to St. Mary and Kewaskum students: "Join the MS READ-a-thon and read for the need of others." With the support of their teachers and parents, the children responded by reading books and recruiting sponsors who contributed a quarter, half-dollar or more for each book read to the Wisconsin Chapter of the National Multiple Sclerosis Society.

Larry Hisle of the Milwaukee Brewers, who is the local Chairperson, said, "The students put so much effort into the MS READ-a-thon because they want to help people who live with multiple sclerosis." Larry also noted that the student volunteers have become eligible for special recognition awards for their great effort.

The funds collected in the MS READ-a-thon are used to support the research and patient service programs of the MS Society. Multiple sclerosis is a neurological disease which together with closely related disorders afflicts an estimated 500,000 persons in this country and millions around the world. Its cause is unpredictable. Many MS persons are able to lead normal lives, but others must use canes, crutches or wheelchairs. The cause of multiple sclerosis is unknown.

Larry Hisle commented, "The people of West Bend and Kewaskum should be proud of the superb effort put forth by the students of St. Mary Immaculate Conception and Kewaskum Elementary to help combat MS."

We couldn't learn the year this photo was taken but we believe it is an old, old picture of Kewaskum's dirt Main Street, facing west. One observer said she was quite sure the taller building at the right with the men on the porch was the A. G. Koch building, located where the Merlin Dreher home now stands. The trees to the left would then be in front of the present Holy Trinity Parish rectory and church, before the church was built in 1905.

TIF Report Reviewed Again at Joint Meeting

By GERRY MUELLER
Statesman Staff Writer

Dan Thompson, a TIF Action Associates, appeared before a special joint meeting of the Kewaskum Plan Commission and Village Board Monday evening.

The village is feeling the pressure of deciding whether or not to become involved in the Tax Incremental Financing program and how soon they will have to make a final decision. Village Board President Jerry Stollenwerk stated one factor affecting the village is a bill in the state legislature which could have a major effect on Kewaskum's plans.

Thompson's report presented three programs, Option #1 resulted in an area larger than the 5% total value allowed in a district exceeding the limit by more than \$1.0 million, making it legally unfeasible. Option #2 would be the most favorable covering four projects, the watermain loop on Milan Drive to Roseland, well #3, a downtown parking lot and the interceptor sewer at Knights Avenue. The total estimated price tag for this plan would be \$1,540,000, which is very close to the TIF 5% limit, making Municipal Building remodeling improbable. Option #3 would

remove property around the Village Hall, reducing the proposed district slightly, but allowing the village to be approximately \$400,000 below the 5% ceiling. This would provide a cushion area should any projects exceed their projected costs.

Other questions presented to Thompson concerned reimbursement of school aids for the TIF district. This is another part of pending legislation which could have a dramatic effect on the TIF program as a whole, seriously reducing the possibility of municipalities who have not as yet started working on a TIF district to come into the program. This legislation supposedly would not have an effect on Kewaskum since their program studies were initiated before the retroactive clause in this legislation.

Plan Commission member Bob Kirst, after looking at the Option 2 project list, noted the costs seemed small now that he had seen the limits of the district and he wondered if the village couldn't handle these projects on its own without becoming involved in TIF. Kirst's own top priority project was the extension of Reigle Drive. This dropped to the bottom of the list when it was

discovered this one project alone would have used all the \$1.5 million in funds generated in the district and an early return on this investment seems highly unlikely.

Thompson felt the village should still consider TIF, since the village would see only a 25-30c on \$1.00 return on tax money, but in TIF it would receive \$1.00 on \$1.00.

Thompson was asked which projects the village should seriously consider. His comment was to develop a "must-have" district and reconsider the "nice to have but not essential" projects.

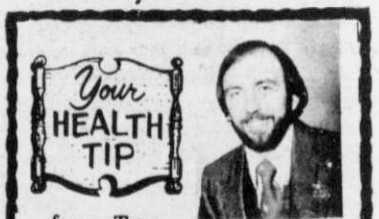

Of the four projects, the watermain loop seemed to be the only real "must-have" since the village has had serious breakage problems in this area for some time due to defective mains.

Thompson noted if the village decides to go with Option #2, they can hold off creating a district until August. However, if the village should decide to create a district and go with Option #3, Thompson felt the village should move as soon as possible.

The Plan Commission went to record as recommending the Village Board pursue the issue.

The TIF program will be on the Village Board agenda for June 15.

A drug dependent is a person who takes a drug or medicine regularly, often out of habit. In time, his system becomes dependent on it, with adverse bodily or physiological effects.

Drug dependents include the user of over-the-counter remedies who admits openly that he or she "just lives on aspirin," who takes a tablet or swig of antacid as a matter of course several times a day, or who uses a laxative daily "because I have to have it." Such habitual use of drugs should be discussed with a doctor or pharmacist to devise other methods of treatment.

Girl Scouts Honor Regal Ware and Employees With Service Awards

Regal Ware and some of its employees have been honored by the Kewaskum area Girl Scouts.

Members of Junior Troop 53 and Cadette Troop 17 presented Regal Ware officials with Valuable Service awards for the contributions they have made to scouting over the years, including two new signs with Girl Scout logos which will be exhibited at the entrances to the community.

In a short ceremony held in the Regal office building, Mrs. Pat Morgan, chairwoman of the Kewaskum scouting program, said the signs are "like a dream come true" for the leaders and

the girls. She said it will show all people who come to the community "that Girl Scouting is alive and well in Kewaskum."

Mrs. Morgan told the men that there are 243 registered scouts in the Kewaskum School District and "we're very proud of that."

Michelle Morgan, Sue Bodden, and Kris Klahn presented the awards to James Reigle, president of the company, Vincent Groh, plant superintendent, and Bruce Wolf, printing department supervisor.

Michelle said the girls would always be proud of their new

signs. Sue thanked Regal for the canteens and cook kits they give to the scouts each year. "They make camping a lot more fun," she said.

In accepting the award, Reigle commented, "We've all known for many, many years how important the scouting movement is." Groh said Regal enjoys being a part of the scouting program.

"Bernie" Trapp, the head of Regal's art department, was also honored for her help in designing program covers for various scout activities. Mrs. Vivian Stommel, leader from Troop 53, presented Trapp with a vase containing silk flowers.

School Board

[Continued from Page 1]

Member Jean Goeden stated she would like to see the late bus reinstated, at least on the middle school schedule. After checking bus costs, it was decided it was impossible to include the bussing as part of the fee. One parent suggested charging each student who rides the late bus a flat fee for the year. Business Manager Bob Borch noted this could run as high as \$100 and not many parents would be willing to pay that much. It was noted that Johnson Bus enters into private contracts with parent groups. Superintendent Brenholt and Borch said they would check this out and get the information back to Goeden in the event the parents would want to contract for bus service on their own.

The question of filling the elementary guidance position was dropped. A motion to transfer Mr. Dickinson to the high school guidance position died for lack of a second, making discussion unnecessary at this time.

The board voted unanimously to present the amended budget of \$4,831,841 including G & T, to the annual meeting July 27, at the high school.

In other decisions, the board approved a 1981-82 contract for service from Johnson Bus Company, a teacher contract for a speech therapist, an 8.5% across the board wage increase for support staff and the establishment of NOW checking accounts.

The board also approved use of school buildings during the summer for a Jaycee wrestling program and Kewaskum Booster Club gymnastics program.

The board voted against appealing the CESA decision which allowed the Michael Bodden family to transfer their property from Kewaskum to the Lomira School District. Tessar

noted "this decision has opened a whole can of worms," which could present future problems with families wanting to transfer in or out of the district. Kewaskum's policy has been not to allow any families to transfer out or accept any who want to join the Kewaskum school system.

Tessar read a letter from Mr. and Mrs. Gerald Buchel commending teachers Mr. Heckle, Mr. Getter, Mrs. West and Mrs. Leong for their work and dedication, noting Kewaskum was fortunate to have such teachers.

Byron Gessner stated the board should recognize Ernie Mitchell and Ken Erickson for their service to the district.

The board adjourned to closed session to discuss teacher negotiations.

Crowell ministering and the second service at 5:00 will be with Rev. Keck, pastor of the West Bend Church of God, ministering. A Fellowship luncheon will be served between the two services.

The public is invited to come and share in the blessings of the Lord.

Dedicate Holy Trinity Yearbook To Tammy Liepert

This year the Holy Trinity School yearbook, "Wildcat Spirit '81," was dedicated in memory of one of its former students, Tammy Sue Liepert. Tammy attended Holy Trinity School 1st through 5th grades. She was a sixth grader at Kewaskum Elementary School at the time of her death.

Pat Morgan, chairperson for the yearbook project, presented and read the dedication to Tammy's parents, Mr. and Mrs. Elton Liepert.

Mrs. Morgan would like to thank Freddy Gildersleeve for the excellent photography again, and also Janet Gildersleeve for doing the typing; Mrs. Beverly Nigh for contacting all the advertising sponsors; Pat McFadden for enlarging our prints; Jeff Rohrer for designing our cover and interior art work, and Girl Scout Troop No. 17 for assembling and binding the book. A big thank you to Regal Ware for their generous offer to print it again.

This poem was also dedicated in the book in memory of Tammy Sue:

I'd like the memory of me to be a happy one,

I'd like to leave an afterglow of smiles when life is done.

I'd like to leave an echo whispering softly down the ways,

Of happy times and laughing times and bright and sunny days.

I'd like the tears of those who grieve to dry before the sun, Of happy memories that I leave when life is done.

It has recently been reported that two Washington County agencies will have less operational funds in 1982 compared to this year. As part of their 1982 planning process, the Comprehensive Community Services Agency and the Department of Social Services will hold public hearings to obtain comments regarding the type, quantity, and quality of human services to be funded by the agencies in the future. Comments are being sought regarding prioritization of services and target groups, the effect of reduction or elimination of certain services, and suggestions regarding improvements in the current service delivery system. Hearings will be held as follows:

Monday - June 15, 1981, 1:30 p.m. and 7:30 p.m., Washington County Courthouse, 432 E. Washington Street, West Bend, Wisconsin.

Tuesday - June 16, 1981, 7:30 p.m., Senior Activity Center Germantown, Wisconsin.

Monday - June 22, 1981, 7:30 p.m., Hartford City Hall, Hartford, Wisconsin.

The first 45 minutes of each hearing will give preference to Department of Social Service issues, the next 45 minutes will give preference to Comprehensive Community Services issues, and the balance of the

time will be open for any relevant comments. Board members and staff will be available to answer questions and receive public comment. All comments will be recorded and summarized for submittal to the State Department of Health and Social Services in addition to being used for local planning purposes. Written comments will be accepted through June 26, 1981.

Information regarding the current work and funding of the two agencies may be obtained by contacting the agency directors: Douglas Johnson (CCSA) 338-4583, or Donald Ryd (DSS) 338-4610.

For the Department of Social Services, it should be noted that the hearings will focus on social service programs, not income maintenance (welfare) programs.

County Trains Corrections Officers

Thanks to cooperation between the Washington County Sheriff's Department and Moraine Park Technical Institute's Safety Division, Washington County has some of the most highly trained Corrections Officers in the state.

"As a result of their training in the Advanced Jail Officers Training program," said Jon Flood, instructor-coordinator, "they now meet the standards required by the American Corrections Association, the National Institute of Corrections, the American Bar Association, the American Medical Association and the National Sheriffs Association."

Because of this 92 hour program Washington County's Correction Officers know a great deal more about the constitutional rights of individuals who have been arrested but not convicted. They understand more about those who are emotionally disturbed and they have a greater understanding of interpersonal communications. MPTI instructors Tom Donovan and Jim Dillon also assisted in instructing the class in the areas of the legal implications of how jails feed, clothe and counsel prisoners. Community relations and resources were also a part of the program.

"In addition to upgrading the officers," Flood explained, "MPTI and the Sheriff's Department aimed the program at increasing the pride these people have in their work and at letting them know there is a future in their profession." The following individuals graduated from the program on May 27: Allen Becker, Joan Butzke, Timothy Ewing, Judith Gasner, Robert Kratz, Charles Landvatter, Carolyn Reilly, Larry Spoerl, Marilyn Kempf, Steve Borroughs, Peter Ritger, Daniel Marx, Paul Marsala, Beth Marie Staehler, Terry Lechner, Pat Cardarelle, Christine Heiting, Thomas Martin, Debra Ohrmund, Wayne Oneska, David Sharf, David Weske, Mable Zuehlke.

Washington County can be proud of its trend-setting program from MPTI providing better training for a dedicated group of officers.

In Australia, a man was sentenced to 7 days in jail for swearing in a beagle's presence.

WHFA Provides Mortgage Financing For Kewaskum Housing Development

MADISON: The Wisconsin Housing Finance Authority (WHFA) Friday, authorized a firm commitment to provide \$2,205,428 in mortgage financing for Dartford Bay, Dartford Landing and Meadow Creek Apartments, housing developments consisting of 50 one bedroom apartments for senior citizens' occupancy and 20 two and three bedroom apartments and townhouses for family occupancy. The housing developments will be located in Green Lake, Green Lake County, and Kewaskum, Washington County.

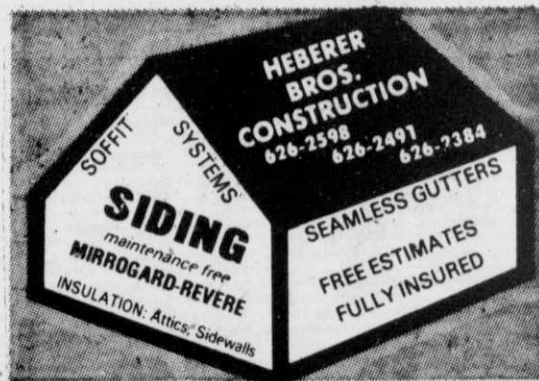

A quasi-public corporation, WHFA provides low-cost mortgage financing for low and moderate income housing

through the sale of tax-exempt revenue bonds.

Besides the mortgage financing, WHFA would provide rental subsidy funds received from the Department of Housing and Urban Development (HUD). These funds mean income eligible tenants will pay no more than 25 percent of their annual income for rent and utilities.

The architect for the development is Hackner, Schroeder, Roslansky and Associates, Madison, Wisconsin.

Mrs. Frank Helmes of St. Michaels, one of the "Gold Star Mothers" of Washington County, left Wednesday for Chicago, from where she left the same day for New York, and from there will embark on the steamship President Harding on June 13, and sail for England where she will visit the grave of her oldest son, Gregory, who is buried in the Brookwood American Military Cemetery, in which 453 other American soldiers, who sacrificed their lives in the World War are resting. Gregory was one of the first to leave in Washington County in the draft on September 18, 1917, for Camp Grant, Rockford Illinois. In October 1918, while aboard ship on his way to the battle fields of Europe, he took sick with the "Spanish Flu" and died two days after arriving in England.

A white woodchuck, rare in any country at any time, was captured with four young on the Joseph Wagner farm near Ackerville by six men who spent hours digging for her on Tuesday. Although the mother is pure white, her offspring are the usual brown variety.

4-H Junior Fair Favorite Foods Revue June 16

The Washington County Junior Fair Favorite Foods Revue will be held on Tuesday, June 16, in the Westfair Mall in West Bend. The exhibits will be displayed and judged between 1:00 and 3:00 p.m. At 3:00 p.m., Janis Bleam from the Dairy Council of Greater Milwaukee will give a demonstration on snack foods entitled, "The Snacking Generation."

Each 4-H contestant prepares and creatively displays a food from one of these nine entry categories: Outdoor Meal, Creative Cooks, Slumber Party, Children's Birthday Party, Party for Mom, Meal for a Holiday, Nationality Foods, Lunch for Friends and Mini Booth Exhibit.

Contest judges will sample the foods and evaluate each entry on the basis of nutritional balance, flavor, texture and overall appearance of the food and table setting. Ribbons will be awarded after judges have made general comments and participants have had an opportunity to evaluate each others entry.

Plan to visit the Westfair Mall on Tuesday afternoon to see the creative displays of these talented 4-H Junior Fair exhibitors.

J & J AUTO TOPICS

ON OIL CHANGING

When you add four quarts of new oil and keep the same old oil filter with 'trapped oil' you have five quarts of dirty oil in your engine. Filters cannot hold all the sludge and acid. For the extra cost of a quart of oil and filter, it isn't worth the extra wear on pistons, bearings and valves.

In our various engine maintenance services at J & J AUTO SERVICE we notice that this is the cause for worn out parts that could have survived many more miles if the condition of the all-important oil was kept-up.

But if you do or don't, remember the drive to 450 E. Main gets you professional mechanical services. You'll like the way we treat your car. And you, too.

1981 County Fair Book Dedication

The 1981 Washington County Junior Fair Book is dedicated to Loraine Schoeni of Slinger.

Loraine has been a faithful fair worker the past several years where she has served as supervisor of the 4-H refreshment stand, helping to raise funds for many 4-H activities. She has devoted much of her time and efforts to this project.

For the past sixteen years, Loraine has served the youth of the Slinger Hi-Lite Happy Workers 4-H Club as a project leader and general organizational leader.

On the county level, she has served on many planning committees of the Washington County 4-H Leaders Association. As a member of the Leaders Association, she was elected to the Board of Directors and served as secretary and vice president.

Her interest in youth is further seen by her commitment to the 4-H camping program. For several years she has been on the planning committee and has served as advisor and counselor at 4-H camp.

The people of Washington County appreciate the efforts and love Loraine Schoeni has devoted to them. Congratulations are extended from the U.W. Extension Office and the Washington County Fair Office.

So far, our longest-lived president was John Adams, who lived to be nearly 91 years old.

**Wayne Crusaders
4-H Club**

The June meeting of the Wayne Crusader's 4-H Club was called to order by President Barb Schulz at 8:10 after James Schulz and Brian Oelhafen did a report for June Dairy Month. They brought a one day old calf and told how to take care of it.

Roll call was taken—you were to have an idea for a banner and a poster for June Dairy Month. Secretary's and treasurer's reports were read and approved.

For old business, we went roller skating on May 26 at Shortys.

For new business, the club will be selling ice cream on June 12, in Allenton at Brost Foods from 3:00-7:00 p.m., and in Kewaskum on June 13, at Rosenheimers from 9:00-1:00 p.m. The cost is 25c a cone and 5c extra for another dip. There will also be a drawing for your favorite dairy products, \$3 for second and \$5 for first. There will only be chocolate and vanilla ice cream sold.

Refreshments for next month are the Dan Schulz, Stollenwerk, Troeller, and Wiesner families. The meeting was adjourned and refreshments were served.

**Little Whistler
Homemakers Meet**

On Tuesday evening, May 19, The Little Whistler Homemakers held their final meeting before summer break, at the home of Carolyn Schultz.

We had two new members present, Debbie Backhaus and Tina Thull, to whom we extended a warm welcome.

Final plans for our family picnic and hayride for this summer were made, and June 11 was the date decided upon for our outing to New Glarus, "America's Little Switzerland." Our project on "Women and Rape" was presented, and followed by an interesting and informative discussion.

We'd like to extend our thanks to the Kewaskum Kitchenettes for the opportunity to hear Carol Miller speak at their May meeting. Her presentation made us very aware of the need for self-protection.

Vice-President

SPORTS

June 7-13 Proclaimed As Safe Boating Week

Wisconsin Governor Lee Sherman Dreyfus has proclaimed the week of June 7 through 13 as Safe Boating Week in the state.

He joined with Department of Natural Resources boating safety officials, representatives of the U.S. Coast Guard, the Coast Guard Auxiliary, the U.S. Power Squadron, the American Red Cross, and other state, county and city water enforcement officers to express a unified effort in the interest of safe boating in Wisconsin.

In signing the Safe Boating Week proclamation, the Governor called attention to the recreational opportunities provided to millions of people by the state's lakes, rivers and streams.

Noting that more than 700,000 boats belonging to Wisconsin citizens and nearly 350,000 boats from other states will be used throughout Wisconsin this summer, the Governor urged every boating family to work together to make boating a more enjoyable, safer, and fuel efficient sport by improving boating skills, taking proper care of boating equipment and by attending a boating safety course.

The Governor urged all boaters to conduct their recreational activities on the water in a manner consistent with the enjoyment and safety of other water users including skin and scuba divers, swimmers and anglers.

Dale Morey, coordinator of boating safety in the DNR, reminded all boaters that it is essential to practice safe boating procedures, not only during Safe Boating Week, but whenever afloat.

He noted that becoming familiar with water conditions where you plan to boat will contribute to a safer, more pleasant experience.

Morey said, "This is particularly true for boating trips on streams, rivers and flowages where it is important to know the location of any dams and portage trails for getting around them."

"Making some inquiries locally and doing a bit of a

scouting on your own before beginning your boating excursion will help insure that you have a safe trip," Morey continued, "and you will enjoy the experience more if you know in advance the difficulty of any portages you may be required to make."

And, Morey cautioned that water levels on rivers and streams around the state can fluctuate during the boating season and low water levels increase hazards to navigation in the form of stumps, sand bars and other barriers which are near or just above the water surface.

AUTO RACING RESULTS

Saturday evening at the Plymouth Fairgrounds, a crowd of over 3,000 watched the modifieds of Eastern Wisconsin "show their stuff." Fast qualifier was Wayne Goetch of Sheboygan, followed by Etchie Bierter of West Bend.

The ten-lap heat winners from this area were: Fuzzy Fassbender of Rubicon, Billy Johnson of Slinger, and Willie Goeden of Kewaskum.

The two semi winners, each 15 laps were Fuzzy Fassbender and Butch Wondra of Theresa.

With the dry conditions of the track, there was only one groove for the feature. Jack Kiel, the winner, was able to get through the pack within the first five laps. Frankie Heimerl of West Bend and Willie Goeden finished 5th and 6th consecutively.

At the Slinger Super Speedway on Sunday, Joel Laufer of Hartford took top honors in qualifying with a 12.159.

Tony Strupp of Slinger, who is supported by area businesses, namely Hitching Post of Kohlsville and Nordic Farms (Jim and John Oelhafen) of Wayne, won the 20-lap semi. It was Tony's first time out this year, and he is driving the same car he drove last year, but is sporting new colors, yellow and

black, on his # 12. Watch for Tony, five time track champion of Slinger Super Speedway.

The feature event was a fast and furious race. Engine problems and a few spin-outs caused a yellow on the 18th lap. On the restart, with some of the "hard" drivers out of the competition, it was a good five car race with the winning position going to Pat Showers of Watertown, followed by Allen Kulwicki of Milwaukee and Willie Goeden.

Jeff Decker Places 2nd in Long Jump in State Meet

By Cathy Schlice

Six people from both the girls and guys track teams of Kewaskum qualified to participate in this year's State Track Meet held last weekend in Madison.

The top finisher for Kewaskum was senior Jeff Decker, who placed second in the long jump in Class B competition held Friday. Jeff had a leap of 20' 9 1/4", which was good for second behind Mark Gelhar of Markesan (21-3/4). This was Jeff's first year of competition, in the long jump. Earlier this season he broke Mike Pettit's (who placed 4th at State last year in the same event) indoor long jump record, but didn't touch Mike's outdoor mark.

A sixth place finish was earned by the girls' 1600M relay team. Members of this year's quartet were: Soph Linda Larsen, seniors Barb Wilson and Julann Zemlicka and freshman Wendy Wilson. The team recorded their best time of the season, a 4:07.66, but was

three full seconds behind the winners, Richland Center. For Barb and Julann, this was their fourth appearance at the State Meet in this event. They were state champs their freshmen and junior years and took sixth place both their sophomore and senior years. This was Linda's first time appearing in the meet and she almost qualified in the 400M. This is also Wendy's first appearance. She also came close to qualifying in the 800M.

Jim Geldreich also participated in the meet but did not place in the top six. Jim only jumped 6'0" while at Sectional he jumped 6'3" to qualify. Jim holds the outdoor record of 6'3" and is co-holder of the indoor record. Geldreich, who is a senior, was conference champ last year in the old Scenic Moraine Conference and conference champ this year in Kewaskum's new conference.

Congratulations to all six of the participants.

with a strikeout. Geidel struck out 10 while walking 3, and Lofy fanned 6 and passed 3. Kewaskum is now 2-3 in the Scenic and 1-0 in the Eastern Wisconsin.

KHS Wrestler Scott Klein to Attend UW-SP

Scott Klein

University of Wisconsin-Stevens Point wrestling coach John Munson has released the names of four top high school wrestlers who have decided to attend UW-SP this fall and join the wrestling team.

The wrestlers who will be attending UW-Stevens Point include:

Scott Klein, a standout wrestler for Kewaskum High School the past four years.

Klein missed most of the 1980-81 season because of illness, but when healthy he did earn a 13-3-1 record.

Klein's top season was as a junior when he compiled a 27-3 record and finished third in the WIAA State Class B Wrestling Meet at 98 pounds. He also finished first in conference, regional, and sectional competition that season.

The 5-4, 122 pound Klein concluded his prep wrestling career with a glossy record of 61-16-2.

"I feel Scott has a great deal of potential and that he will be able to help us at either 118 or 126 pounds. He is a top young man who comes from a good wrestling school," Munson stated.

Klein resides at 3813 Bonnie Lane, Kewaskum.

Barton Blanks Lakes Team, 10-0

Jim Meyer stopped Kewaskum on five hits Sunday as Barton blanked Kewaskum, 10-0. With this win Barton hikes its record to 4-2, while Kewaskum drops to 1-6.

Meyer and Tom Bartlett matched three scoreless innings. In Barton's fourth, Tom Albrecht singled, went to second on a wild pitch, and scored on a single by Jerry Liebetrau. In the fifth, Steve Albrecht hit a home run just inside the left field foul pole, making it 2-0, Barton.

Then in the sixth Barton erupted for six runs, putting the game away. Singles by Jim Meyer and Tom Albrecht, and a walk filled the bases. Bob Meyer walked, forcing in Jim Meyer. Tim Perkins singled and when the ball got by the centerfielder, all three runs scored and Perkins was on third. Al Jaeger then replaced Bartlett on the mound. Perkins scored on a wild pitch. Joel Frank singled, went to second on a walk, and scored on an error. Barton got two more runs in the eighth on two errors, a walk, and singles by Perkins and John Rauen.

Kewaskum had a few chances to score early in the game but base running lapses hurt them. In the third Randy White singled with one out, stole second, but was picked off second by Meyer. In the fifth Tim Perkins (both teams had players named Tim Perkins) doubled as the ball bounced over the left fielder's head. However, he got hung up between second and third trying to stretch it to a triple.

Tom Albrecht and Tim Perkins led Barton with two hits apiece, with Perkins getting two RBI's. Randy White got three of Kewaskum's five hits, including a double. Barton outhit Kewaskum, 10 to 5. Five errors also hurt Kewaskum.

Kewaskum hosts Cedarburg this Saturday at 12:30 p.m. and on Sunday they travel to Grafton for a 1:30 p.m. game.

Indians Beat Chilton, Slinger, Lose To West Bend West in One-Hitter

The busy Kewaskum Indians, playing in two conferences, won two out of three games the past week and had a fourth contest postponed by rain.

Hosting West Bend West in a Scenic Moraine game last Tuesday, the Spartans' Jeff Sarauer gave up a leadoff single to Dave Donath and that was the only hit as West blanked the Indians, 5-0. After that Kewaskum had just three base runners and hit only one other ball out of the infield.

After Donath's hit in the first inning, Randy Heberer hit a shot to center field that was caught for the second out. Then Scott Muench and Steve Yahr walked to load the bases but Sarauer got Brian Dreher on strikes. After that threat, Sarauer retired the Indians in order in the 2nd, 3rd and 4th, gave up a walk in the 5th, and put Kewaskum down in order again in the 6th and 7th.

West Bend scored 2 in the first frame, 1 in the fourth and 2 insurance runs in the seventh. Both Todd Tennes and Tom Beck had two hits for the Spartans. In his one-hit victory, Sarauer struck out 9 and walked 3. Loser Steve Muench had 8 walks and 8 strikeouts.

Playing at Chilton in an Eastern Wisconsin tilt Thursday, the Indians nudged the Tigers, 7-6, with the winning run in the top of the 7th and a big play at home plate.

Steve Muench came up with a double to score brother Scott with the deciding run. Steve's hit came with two out and was

his third of the contest.

Chilton came back with 2 runs in their half of the 7th but on a hit by Jeff Wettstein, Jeff Geidel threw Dave Nening out at the plate to end the game.

Kewaskum committed 7 errors in the game. Winning pitcher Tim Heberer allowed 13 hits, while the Indians got 7, but Heberer continually got himself out of trouble.

Monday's scheduled game at New Holstein was postponed and was reset for Thursday, June 23.

However, Tuesday Kewaskum was at home to Slinger of the Scenic Moraine and despite a few sprinkles, the Indians came up with a shutout win over the Owls, 3-0.

For a change the Indians played a fine defensive game and both pitchers, Jeff Geidel of the winners and Jerry Lofy of the Owls were sharp. Each gave up just 3 hits but Slinger errors in the 3rd and 5th innings led to 3 unearned Kewaskum runs.

The Indians scored 2 runs in the 3rd on an error and single by Ric Leitheiser, the latter's stolen base, and a big hit by Scott Muench to score both runners.

In the 5th, Yahr led off with a single, was sacrificed to 2nd, and scored on a bobble and wild throw on Larson's ground ball.

Donath made another nice play in the 6th when he backhanded a ground ball back of second and turned it into a double play to end a threat. The Owls had 2 men on base in the 7th but Geidel ended the game
