8.1% Increase in Levy

Budget of Near \$4.5 Million Accepted At Annual School District Meeting

By DAN MEILAHN
Statesman Staff Writer

The electorate once again accepted a nearly 4.5 million dollar operating budget at the Kewaskum School District's annual meeting.

At the budget hearing which preceded the annual meeting Monday night, presentation of the board's proposed budget was approved by a vote of 100 to 26. This was after some critical questions and comments by several citizens and responses by the board and administration.

The budget calls for a local tax levy of \$2,405,543 along with a debt service levy of \$340,088 for a total tax levy of \$2,745,632. Last year's levy was \$2,539,504, so there will be an 8.1% increase. The estimated equalized valuation is expected to increase from \$265,425,489 to \$284,000,000 or 7%.

After the election of John Tessar as temporary chairman, Business Manager Bob Borch explained the budget. He said it was in a different form due to a

new state mandated accounting system. In the past, expenses were categorized in different areas as instruction, transportation etc., whereas this year, the report is by "object" or types of items that money is directly spent on as salaries, textbooks, gasoline, etc.

Borch commented that vouchers for some \$25,000 worth of items budgeted for next year had already been approved, since it was deemed advantageous in view of the proposed state budget and that it was affordable to do so now. He also noted that the total salary amount of \$2,563,980 which accounted for 70.25% of the total expenditures was not broken down because negotiations for some professional staff were still in progress.

Borch added that one major repair item was the resurfacing of the new gymnasium floor for \$7,700. Two new water heaters at Farmington and Kewaskum Elementary Schools were budgeted for. A new public address system for the high school will cost \$4,400. The Dept. of In-

dustry, Labor and Human Relations dictated that a flammable liquid storage room be constructed for around \$4,500 with \$4,000 also budgeted for energy conservation methods.

Utilities were again an area where only guesses could be made, such as gas for heat at \$85,000 as compared to last year's actual \$67,918. Borch noted that sewer (as well as water) rates had increased in the village requiring \$4,800 to be budgeted as compared to last year's expenditure of \$3,643.

In the area of pupil transportation, the contract with Johnson Bus has increased by 9% to \$337,050. Gasoline expenditures are budgeted at \$140,000 with \$114,881 being expended last year.

One area of direct savings was for paper, whereby cheaper rates are obtained by cooperation between school districts in Washington County, so only \$14,609 was budgeted as compared to \$21,378 last year.

The total proposed expenditures in Fund 10, or the

St. Lucas to Honor Rev. Paul H. Hoenecke

On August 9, 1981, the congregation of St. Lucas Lutheran Church will honor the Reverend Paul Hoenecke by celebrating his twenty-fifth anniversary in the ministry of the Evangelical Lutheran Church, Wisconsin Synod.

Commemorating this occasion, special worship services will be held at St. Lucas Lutheran Church on Saturday, August 8, at 7:00 p.m. and Sunday, August 9, at 8:00 and 9:30 a.m. A pot-luck dinner will be held following the church services at the Amerhan Hall on Highway 45 north. This affair will start at 12:00 noon and continue to 1:30 p.m., after which a short program will be presented followed by open house visiting until 4:00 p.m.

Pastor Hoenecke started his ministry in 1956 and his first assignment was to teach at Martin Luther Preparatory School at New Ulm, Minnesota. In 1958, Reverend Hoenecke began serving the congregation of Trinity Lutheran at Bangor, Michigan. It was on October 9, 1966, the Reverend Hoenecke was installed as pastor of St. Lucas Church in Kewaskum. In the fifteen years that he has served the congregation of St. Lucas there has been a growth in the membership. Under his guidance and tutelage a Christian Day School was established in 1976, which consists of kindergarten through the eighth grade and this also has grown with increased enrollment each year.

Pastor Hoenecke has served

his ministry and congregations well in the past twenty-five years, not only as a spiritual leader and adviser but also as a friend when the need arose.

Visitors are welcome.

Krazy Daze A Day Late

Due to an early morning rain, the annual Krazy Daze sidewalk sale in Kewaskum scheduled for Tuesday was postponed a day until Wednesday. The sponsors may have "jumped the gun" a little in calling off the event as the weather cleared later and the day turned out quite nice, although cool. Many people who took a day off or came from a distance were disappointed the event was not held Tuesday. However, Wednesday turned out sunny and warm and Krazy Daze a day later was another fine success.

To Close Railroad

Crossings for Repairs

The Chicago North Western Transportation Company has given the Village of Kewaskum a tentative start date for the reconstruction and repair of the First Street railroad crossing of August 4, 1981. Also a start date for the Second Street crossing of August 10, 1981. The Village asks that everyone be cooperative during the closing of these two streets and will also appreciate everyone's patience. Thank you!

Motorcyclist Killed When Hit By Semi-Trailer

A Milwaukee man was killed early Saturday when the motorcycle he was operating was struck by a semi-trailer on U.S. Hwy. 41 south of County Trunk H in the Town of Wayne.

Robert A. Keating, 28, was pronounced dead on arrival at St. Joseph's Community Hospital, West Bend, of massive head injuries following the 4:40 a.m. accident, according to the accident report and Washington County Coroner Robert Boltz.

Keating apparently pulled onto U.S. 41 from the shoulder in front of a truck driven by Rodney G. Spees, 24, of Stevens Point. Keating's cycle was struck and thrown into the ditch. Both vehicles were in the northbound lanes, the report said.

The accident was discovered by a sheriff's deputy on routine patrol. The victim was removed to the hospital by the Kewaskum rescue squad.

Keating was apparently not wearing a helmet. No citations were issued.

42nd Annual Reunion of Seefeldt Family Held in Kewaskum Park

The 42nd annual Seefeldt family reunion was held Sunday, July 26, at the Kewaskum Village Park, with 172 in attendance. A 12:30 p.m. potluck dinner was served.

Honored members received into The Ninety Club by Alfred Seefeldt, genealogist, of Kewaskum were Miss Bertha Buss, age 90, Kewaskum, and Emil Korth, age 92, of Fort Atkinson. Previously initiated into the club were Ida Weber and Louis Seefeldt.

Mr. Seefeldt reported on updated information concerning research done on locating early Seefeldt records from the old

Prussian province of Pomerania. At the end of World War II the area was divided between Poland and East Germany. To assist the genealogist in research and in publishing a family history booklet will be Mrs. Ray Thornton, historian, Fond du Lac; Fredric Seefeldt, West Bend; and Mrs. Milton Seefeldt, Oshkosh.

The historian reported three births, nine marriages, and three deaths. There was a period of silent prayer for deceased members.

Oldest lady attendance was Mrs. John (Ida Fink) Weber, 98, of Fond du Lac; oldest man,

Louis Seefeldt, 91, of Kewaskum; youngest member, 7½ months, Jessica Knoeck, daughter of Mr. and Mrs. Douglas Knoeck, Kewaskum; longest married couple, Mr. and Mrs. Milton Seefeldt, Oshkosh, 48 years; most recently married couple, Mr. and Mrs. Larry Laux, Milwaukee; and traveling farthest to attend, Mr. and Mrs. Erwin Westphal, Boynton Beach, Florida.

Each of the five clans and their representatives stood for recognition.

Officers re-elected to plan for next year's reunion on July 25 were: Phil Majerus, Fond du Lac, president; Mrs. Merlin Crass, West Bend, vice president; Miss Rosella Peisker, Fond du Lac, secretary; Mrs.

Reuben Schultz, Kewaskum, treasurer; Mrs. Ray Thornton, Fond du Lac, historian; and Alfred Seefeldt, genealogist.

Committee members: Kitchen, Mrs. Oscar Knoeck, Jr., Kewaskum; tables, Linus Herriges, Campbellsport; refreshments, Douglas Knoeck, Kewaskum, and Charles Knoeck, Oshkosh; tickets, Mrs. Alvin Seefeldt, Campbellsport; and games, Mrs. Aldwin Seefeldt, West Bend.

There were games for children and adults. History and scrapbooks were viewed. Music was furnished by Jim and His Polka Band, three reunion

members — Jim, Jerry and Sharleen Schmidt of West Bend.

Petri Reunion Sunday, Aug. 9

The families of Wendel Sr. and Maria Magdalena Petri will meet at Riverside Park, Kilbourn Ave., West Bend, on Sunday, August 9.

Pot-luck at noon, games, entertainment, picture-taking, visiting and cook-out for supper. We'll be looking for you.

School Board

[Continued from Page 1]

General Fund, is \$4,485,104. Last year \$4,115,525 was actually spent.

Fund 22, 24, and 29 have to do with special projects, handicapped projects, and other items which are mostly funded federally and not reflected in the local tax levy. Borch concluded that the assessed equalized valuation would probably increase 7% this year as compared to 13% last year.

After the budget explanation, Supt. of Schools, Floyd Brenholt, stood up to a barrage of questions and comments by taxpayers. Ralph Horner perhaps best summed up these concerns by reading a statement. He claimed the budget was a reflection of a tendency of the board to listen to special interest groups. He added, "I am representing another special interest group-one that is comprised of the taxpayers of this district. We, too, would like budgetary consideration." He asked for readjustment of the budget and for keeping the levy set at the same rate as 1980-81. He further advocated that areas of the budget to be considered

were: 1) elimination of the elementary guidance position; 2) elimination of the gifted and talented program (for which \$10,000 has been budgeted); 3) no expansion of the computer course; 4) elimination of the "supposedly temporary reading specialist;" 5) cutting secretarial help at the high school;

and 6) establishing all-day kindergarten programs. Horner continued that taxpayers were tired of hearing comparisons to other districts and added that the quality of education wasn't affected by increased budgets. "You can budget \$10,000 per student, have all the fancy amenities you want; you can even stick a golden spoon in each pupil's mouth, but you will not increase the quality of education one iota." He called for a return to basics as reading, writing, spelling, and math and that last year's budget should be sufficient. This was all greeted with applause.

Brenholt replied that when all persons had to pay more for all manner of services and items, the cost of a child's education was justified. "You don't expect to build a Cadillac at a Ford's price." He claimed a school was no different. He defended his comparisons with other districts that show Kewaskum spends \$600,000 less annually than the average district. "I don't see how you can just brush off facts and figures. You have nothing to back up what you say you want to do except your desire to do that. I think you've got to be willing to pay the money to educate the children of this school district."

Later in the meeting Jerry Buchel asked how Kewaskum qualitatively compared with other districts. Brenholt cited results of the Iowa Tests of Basic Skills which are administered annually for grades 3 to 8. In language skills in 1972, Kewaskum did better than 60% of midwestern schools. In 1981 Kewaskum did better than 87% of the schools. In math skills in '72, Kewaskum was in the 54th percentile but in '81 had advanced to the 83rd percentile. The composite scores show an improvement from the 64th percentile to the 79th percentile.

Ray Ross was concerned about the proposed cost of gasoline at \$140,000 and the additional cost of the bus contract at \$337,050 and facetiously referred to it as a "good deal." He advocated checking into means of saving electricity and questioned why the gyms and schools were being used by people to practice basketball after hours. He intimated that it was a rare occasion when school personnel spent extra hours on the job. Brenholt responded that it was always the "policy of the Kewaskum School District to encourage the people of our community who have paid for the buildings to use the build-

ings if they want to."

After the meeting, Kewaskum Education Association President Bob Getter wished to clarify that he obviously disagreed that teachers do not put in extra time. He stated that many teachers put in more than the hours required of them.

Ross also questioned the fringe benefit of dental insurance for staff members. He said this was a "new day" where "give-away plans" would have to be abandoned and said, "I think that the school board acted unjustly in authorizing that arrangement," and claimed that it was "without regard to cost." Brenholt said he disagreed absolutely 100% and saw no reason why working teachers should not have the same benefits as other working people.

Warren Schmidt questioned several items in the budget as why a "food" category increased 74% while food service expense increased 41.4%. Borch replied that the first category was for purchase orders of food for home ec. classes, while the second increase was in anticipation of possibly not receiving government surplus commodities and compensating for this.

Schmidt also questioned how taxes which had not been received could be considered as part of the reserves. It was pointed out several times that many people did not pay their taxes in January and more is now due in August. Brenholt, however, insisted those monies could be considered as reserves if they were rightfully due to district. The reserves are listed as \$458,747.

Schmidt did speak in favor of the gifted and talented program and referred to his son who had no such program but was a Merit Scholar. He continued, "We've done things for football; we've done things for every other thing in this school. If you want to establish a program for that, and it costs \$10,000, I'm in favor of it."

A Mrs. Gnacinski was con-

cerned about cutting in the areas of guidance counselors and aides. She declared, "This is the bite-the-bullet era where everybody has to work a little harder." Brenholt replied that comparatively Kewaskum is working 15% harder than the average school district. He referred to statistics that show Kewaskum's tax levy per pupil was \$1,250 as compared to \$1,477 per pupil on the average, and that Kewaskum's total expenditure per pupil was \$2,376 as compared to \$2,599 on the average.

Mrs. Rosenberger talked in favor of the budget. "I think the Kewaskum School District is doing a good job. I do not think they're overboard on their taxes." She advocated writing to legislators about expenditure problems and not blaming the school board.

Eventually the budget went to the annual meeting where the tax levy was approved with a unanimous voice vote, although some negative rumblings were also heard. Other motions as providing for prosecution or defense of board actions, or renting buildings in the event of emergency were also approved. An additional motion for the trade of 2 parcels of land near the river between the school district and the Evangelical St. Lucas Congregation was approved such that boundaries would be squared off between the 2 entities.

Clara Trapp finally wished to have a closed ballot on issues at the annual meeting and Tessar informed her that motion could be considered next year. Finally after hearing testimonials from several citizens about the quality of Kewaskum's education, and that if this tax levy was less than other districts, she commented, "the other guys are really bumming it."

Tessar also complimented the audience on its behavior. (No altercations other than verbal ones occurred, but what if the weather had been hot that night?)

Dear Friends

We are always impressed by the beauty and inspiration of the various religious rituals in the funeral service.

Naturally we have come to know the procedure and details of the rites for each faith. We are fully equipped to serve each faith, and we welcome all faiths to our funeral home.

Wilkens-Schultz

Years ago the Chicago & Northwestern Railway ran excursions from Milwaukee and other cities for picnics in Kewaskum's North Side Park. The top photo, taken about 1912, shows one of these excursions as the people are arriving on the train and heading for the park on foot, by car, or by wagon [shown in the background]. The park was located on the present Regal Ware property. Note the old depot and Rimmel Mfg. Co. buildings [right], since torn down. The lower photo, taken about 1910, shows another such excursion with the band arriving in the foreground.

Cheryl A. Wilkens and Rev. Jonathan E. Schultz were united in marriage on June 14, at St. John's Lutheran Church, Newburg. The service was performed by the Rev. David Schultz, brother of the groom.

Parents of the couple are Mr. and Mrs. Elmer Wilkens of rural West Bend, and Mr. and Mrs. F. W. Schultz of Juneau.

Ellyn Wilkens, sister of the bride, served as maid of honor. Other bridesmaids were Rebecca Bauer and Rachel Schultz, sisters of the groom, and Patty Evchuk, friend of the bride. Jenny Berger, cousin of the groom was the junior bridesmaid.

Paul Schultz, brother of the groom, served as best man. Other groomsmen were Fred Weddig, Route 3, Box 275,

brothers of the bride, and Rev. Thomas Lindloff, friend of the groom. Brian Wilkens, nephew and godchild of the bride, served as the junior groomsman.

Martin Wilkens, brother of the bride, and Rev. Mark Neitzel, friend of the groom, were the ushers for the ceremony.

Cheryl is a 1975 graduate of Kewaskum High School and a 1981 graduate of Marquette University.

Jonathan is a 1979 graduate of the Wisconsin Lutheran Seminary of Mequon.

Pastor and Mrs. Schultz will be residing after July 15, at 2575 Glenwood Drive, Boulder, Colorado 80302, (Peace Lutheran Church).

Windshield Repair Business Started by Jim Thorn

Jim repairing a hole in a windshield

Most consumers don't know that stone-damaged windshields can be repaired. If their car develops a break in the windshield, they have, up until now, had two options. One was to report it to their insurance company and pay a \$50 or \$100 deductible. Some worried that these windshields claims would increase their insurance premiums. The other option was to try to ignore the break until the windshield had cracked further and had to be replaced.

But more and more insurance companies, as they become acquainted with windshield repair, are willing to waive the deductible if the policy holder opts for repair over replacement. Windshield repair saves both the consumer and the insurance company money. Everybody wins!

The method of windshield repair that has been approved by many insurance companies was developed by NOVUS, Inc., an international, Minneapolis-based company. NOVUS has trained over 1,000 people across the nation and in 23 foreign countries to provide this vitally

needed service. And now people in this area can have their windshields repaired by Windshield Doctor.

Up to 85% of stone-damaged windshields can be repaired if the break is caught before it has a chance to spread. And repair is only about 20% to 25% of the cost of replacement.

A windshield need not be removed from the car to be repaired. This avoids possible leakage problems that can occur when a windshield is replaced.

Driving with a stone-damaged windshield is often an-

noying to many drivers. And left unattended, the windshield will crack further and require replacement.

Windshield Doctor injects an optically-matched liquid resin into the break. The air is forced out by the resin. In addition, the resin provides a strong bond that prevents further cracks and improves the cosmetic appearance of the windshield. When the process is complete, the break is virtually invisible. The repair is then permanent, non-weathering, and optically-clear.

The patented NOVUS METHOD of windshield repair is in use by numerous federal and state agencies, and many automobile and truck manufacturers. Fleet owners, used car dealers, and car rental agencies have been saving thousands of windshields annually by using this process.

The NOVUS METHOD can be used to repair breaks as large as "about the size of a quarter," Thorn said. "About 85% of the stone damage is under the size of a quarter. Repairs to the windshields can be made at customer's home, place of business, etc."

Thorn has the franchise for Washington County.

For further information on the NOVUS METHOD of windshield repair, contact Jim Thorn, of WINDSHEILD

Mrs. David M. (Lena) Rosenheimer, 80, of Kewaskum, a civic leader in the community, who was very active in club and church work, and an artist and musician of note, passed away on August 4. A charter member of the Random Lake, Cedarburg and Kewaskum Woman's Club, she also served as the first president of the Kewaskum club. She was instrumental in organizing the Cedarburg and Kewaskum libraries and was a member of the library board for a number of years here. Mrs. Rosenheimer was the widow of David Rosenheimer who operated the store in Kewaskum which bears the family name. The Rosenheimers were the parents of six children, one of whom, Mark David, passed away. Surviving are Elmo L. of Cedar Lake, Ralph M. of Shorewood, Henry B. of Kewaskum, Retha Jane (Mrs. Robert Mason) of Chicago, Ill. and Cumberland, Wis., and Doris Mae (Mrs. Harold Blake) of Kirkland, Ill.

Last week, July 29 to August 4, Donna Ewert, Nancy Fickler, Kay Koerble and Carol Miller attended the Senior Hi Conference at Pilgrim Camp, Green

Letters to the Editor

The following letter was sent to Village President, Gerald Stollenwerk, from Dr. R. G. Edwards, village health officer:

July 14, 1981

Mr. Gerald Stollenwerk
Village President

My dear friend Gerry:

On July 13th and 14th, I rode with the men on garbage pickup because I had received some complaints, as Health Officer, about messy garbage.

One of the first pickups was at The Barrel Haus tap and on account of the rain I noted this to be a very dangerous job for the men because there were 10-12 paper cartons filled with bottles, many broken, which had sagged together so that the men could have received deep glass cuts to their hands. This place should have a container like many of the other business places.

Most of the residences place their bags, cans or barrels neatly at the curb and none of the plastic bags were torn open on this trip. The men told me this usually occurs only when the bag is placed on the curb 2-3-4 days ahead of time and dogs or vandals will then tear it open.

Al Rohlinger, Sylvester Schmidt, and Alan Kuehl were the drivers and they perform smoothly and no lost motion develops as the driver zigzags down the 40' wide street and one man walks on either side but both will move together for a large pickup.

Also a garbage can or barrel is occasionally too heavy for one man so both heave it on so easily.

I noted the time required to move down a block long street is about 12 minutes for the truck moves slowly all the time except when the power takeoff is needed to compact the refuse. If only two men were on the truck then the time to move a block would increase to 30-35 minutes but if your men (3) had to pick up at the rear of homes like some cities do, then you could add on 2 to 2½ hours for equal pickup.

Your crew of three waste no time and change drivers every 30 minutes. There is no loitering, no time spent in taverns like the Milwaukee crews are

said to do. Our village should be proud of the entire village work crew including the boss, Augie Bilgo, who helped at the park to load up about 25 barrels of refuse. Even Pete Albers and his men were on the job at 7:00 a.m. when I arrived to board the truck.

A few rules and regulations that should be published:

1. Garbage must be placed at the curb 12 hours or less before pickup time.

2. Garbage cans or barrels should be removed from the curb within four hours after pickup.

3. Business places with large loads or those with broken glass to handle MUST have a container (to protect from injury).

4. Weight of any garbage can or barrel should not exceed 75 pounds.

5. Branches or trees must be cut to three foot lengths and tied in bundles — otherwise no pickup.

6. Garbage collectors should have some tags to apply to the can of an offender of the rules and regulations. First time — a warning to avoid repetition. Second time — no pickup and the offender must appear before the village board to request his reinstatement for pickup service.

R.G. Edwards, M.D.
Health Officer

July 21, 1981

Dear Editor:

I can remember when tree lined roads were a common sight on a drive through our area. During the past few years, with our road "improvement" policy, it's difficult to find a scenic road unless the State owns the property.

We live on one of the last roads with trees on both sides just a few miles east of Kewaskum. People driving by have enjoyed the beauty of the road and many times have stopped just to tell us how unusually splendid it is.

Possibly, its very unique quality has caused a few people to want to destroy it. Whatever their reasons, the road is doomed unless support comes very soon.

The bureaucracy has prescribed that 33 feet will be

flattened regardless of the property owners wishes. As soon as the funding is achieved, Mullen Drive will lose over a thousand trees.

A member of the town board suggested that I move out of the area because no one here cares about trees. If you do care, please write to me. I will use your letter at the next town meeting as proof that the voting taxpayers definitely are interested in preserving natural beauty.

Sincerely,

Robert J. Fehring

P. S. Our home here was robbed of most belongings, but they were replaced in several months. These beautiful trees cannot be replaced in a lifetime.

Death of Mrs. Muckerheide

Mrs. Theckla L. Muckerheide, 89, of Route 2, Kewaskum, passed away early Friday morning July 24 at St. Joseph's Community Hospital in West Bend where she had been a patient for six days.

Mrs. Muckerheide was born January 12, 1892, in West Bend to the late Mathew and Anna Hilabrand Ollinger. She married Miles Muckerheide in Holy Angels Catholic Church in West Bend. He passed away on April 12, 1968.

She was a member of Holy Trinity Catholic Church in Kewaskum and a former employee of Regal Ware, Inc. in Kewaskum.

Survivors include one son, Leroy (Ruth) of West Bend; one daughter, Miss Marion Muckerheide, at home; two brothers, Daniel and Ray Ollinger of West

Bend; other relatives and friends. One brother preceded her in death.

Services for Mrs. Muckerheide were held Monday at 10 a.m. at the funeral home and at 10:30 a.m. at Holy Trinity Catholic Church in Kewaskum with Rev. John T. Budde officiating. Burial was in the church cemetery.

Visitation at Miller's Funeral Home in Kewaskum was Sunday from 4 to 9 p.m. with a prayer vigil at 8:30 p.m.

MRS. LOLA WILLIAMSON

Mrs. Lola Williamson, 68, formerly of Havana, Illinois, a resident of Boltonville for the past 13 years, passed away suddenly at her home Tuesday, July 28.

Mrs. Williamson was born July 8, 1913, in Mason County, Illinois, to the late Fred and Kathryn Osing Harfst. Her husband Arthur passed away on July 25, 1970.

She was a former employee of the Amity Leather Products Co. in West Bend, a member of the Immanuel Lutheran Church in Town Scott, a member of their Ladies Aid and also a member of the Beechwood Senior Citizens.

Survivors include one daughter, Bonnie (Curtis) Yahr of Boltonville; one son, Larry (Ruth) Williamson of Morton Grove, Illinois; five grandchildren; one brother, Loren Harfst of Topeka, Illinois; nieces, nephews, sisters-in-law, other relatives and friends. One son David who passed away in 1962 and one sister preceded her in death.

Visitation at Miller's Funeral Home in Kewaskum will be Thursday from 4 to 8 p.m. at which time services will be conducted by Rev. Robert Wilcken at the funeral home. Burial will be in Lural Hill Cemetery in Havana, Illinois.

Memorials to Immanuel Lutheran Church appreciated.

AFS Student to Finland Writes

The following letter was received from Shelly Sekas, Kewaskum AFS student to Finland:

Terveisia Suomesta,
I wish to thank all the people who have helped me achieve this opportunity to be in Finland and the Kewaskum AFS adult chapter and student chapter for the support they have given me. I would also like to thank my Mom and Dad for the love and guidance they have shown me in the past seventeen years.

Finland is a beautiful country with many evergreen trees and crystal clear lakes; it is very similar to Northern Wisconsin. I shall always remember my AFS experience here and the people I have met in my travels.

Attend National Shoe Convention

Dennis and Beth Janisse of Kewaskum, owners of Dennis' Shoes & Repair, West Bend, and two of their employees, Karen Storey and Rachel Ellefson, attended the 34th National Shoe Service Institute of America Convention and Exposition in Chicago, July 19. In addition to the exposition, the Janisses and employees attended two orthopedic seminars geared to further education of orthopedic shoes technicians.

The Janisses recently (June 6) attended a one day seminar in Denver, Colorado, sponsored by the Prescription Footwear Assoc. for continuing education of pedorthists. The topics studied were anatomy of the foot and leg, fitting techniques, correctional modifications, orthopedic appliances and prescription interpretation, and shoe construction.

FIREMEN ANSWER CALL TO DR. SISON HOME

The Kewaskum Fire Department answered a call around 12:30 p.m. Friday to the Dr. Cesar Sison home on Forest Ave., Kewaskum, when a kettle with grease overheated and caught fire. The fire was extinguished with minor damage.

J & J AUTO TOPICS

BUMPER TIPS

We see some 'catchy' bumper stickers on cars and trucks stopping at J & J AUTO SERVICE.

"Help beautify our highways; throw away something lovely today."

"Two great highway menaces; drivers under 25 going 65, and drivers over 65 going 25."

"Old mufflers never die, they just get exhausted."

"A loose nut can cause an accident but so can a tight nut."

"Any car will last a life time if you're not careful."

And when you drive in at 450 E. Main for auto services, you'll see the sign 'No matter how long it takes we got fast service, and it's good.' We guarantee it. If you phone for an appointment, it's even faster.

E.W.S.C.A. flag man, Bill Krueger, hands Willie Goeden the broom for his "clean sweep" at the 141 Speedway.

No. 52 Joel Laufer waiting for the checkered flag after he won the Mid-Season Feature at Slinger

Rain - Rain - go away,
Only rain on Monday.

The drivers want to go racing,
But all they're doing is pacing

Please - rain go away,
Only rain on Monday!

With the rain-outs racing has
been on a low - key.

In Plymouth, at the Sheboygan County Fair Grounds, the races that are held every Saturday night, have been canceled because of rain 3 weeks in a row. Hopefully, next Saturday the E.W.S.C.A. will get to run their mid-season 40 lap feature.

Willie Goeden put more "Frosting on the cake" — more points on his point lead — by chalking up another clean sweep. During qualifying Goeden took top position by recording the fastest time of the year, 12.04 at the 141 Speedway.

The crowd all stood up on the white flag lap of the 10 lap heat because Goeden won that over Freddie Clatt of Sheboygan by only a "bumper" as they crossed the finish line!

The feature was also a "breath-taker!" By the 7th lap Goeden had worked his way to second, only to over take Rich Wondra of Campbellsport for the lead, which he did on the

11th circuit.

After the races friends and fans came up to congratulate Willie Goeden on a job well done! Goeden said that "it

couldn't have been done," unless you have "top-notch equipment" and an "excellent, good-working pit crew."

Top 3 in standings: Willie Goeden, Kewaskum; Ron Luedtke, Lomira; and Etchie Biertzer, West Bend.

At the Slinger Speedway Sunday evening, Goeden had an engine problem, but all went well for Joel Laufer of Hartford, who is also the point leader at this one track that he runs. Laufer who qualified second, won the mid-season 75 lapper — an endurance race!

Hon-E-Korner

On Wednesday, July 22, the Bill Bartelt Memorial Tournament was held at the Hon-E-Kor Country Club. This annual 18-hole event was won by Mary Ann Kass of West Bend. Mary Ann shot a net 70 to best the field by four strokes. Kass is the current club champion at Hon-E-Kor.

Regular Women's Association play was also held with class events of low net. A winner was Kass with 35; B, Shirley Lemler and Marge Rosenthal, 37; C, Dianne Hoffman, 38; and D, Dolores Werner with 43. Day event of low putts was won by Joan Eggers with 15. This week will be the final week for 27 hole medal play on the front nine. August's schedule will be a coffee on the 12th, evening golf on the 19th, and the club championship tournaments.

JAYCEE YOUTH SOFTBALL

The final weeks of play are showing as the West Bend Savings & Loan Indians held a tight lease on the Herriges Oil Hot Shots by losing, 5 to 0.

Bier's Jewelry Gems are still shining as they took a win from Hefter's Short Stuff, 14 to 7. Coach Mr. Schaeffer said he was just missing too many key players for the Short Stuff.

The Valley Bank A's held up the Mean Machine with a quick running attack to win, 19 to 9.

Bunkelman Builders Construction Crew went back on the ladder even after last week's mishap with an 8 to 7 win over the A & W Bears.

JAYCEE TRAVELING LEAGUE

Tom Bartelt's Insurance team was rained out but they will be playing this Thursday night at the Kiwanis Park. We also have 4 of our players on the all-star team which will be playing at 1:00 Saturday, Aug. 1, at Random Lake. They are John Mertzig, Tim Dettmann, Brian Kober and Mike Kirchner. On Aug. 7, 8 and 9 they will be playing in a 16 team tournament in Sheboygan. For more details call Gordon Wilhelmi.

Goofer Golf Tourney Won by Jerry Koch

Hon-E-Kor Country Club was the site of the 3rd Annual Goofer Golf Classic.

Jerry Koch took top honors with a 40, followed by Jim Foerster and Dale Reigle placing 2nd and 3rd respectively. John Kudek and Mike Strobel won special awards for their expertise driving, while Tom Piwoni and Koch won with their super putts. There were trophy and cash awards for the top 3 golfers.

A chicken and ribs dinner followed the tourney. A good time was had by all the golfers and their wives.

Indians Beat Campbellsport Again in WIAA Regional, 6-1

Kewaskum defeated Campbellsport for the third time this year last Wednesday evening in the WIAA Regional Tournament here, 6-1.

The win advanced the Indians into the Sectionals at Port Washington Wednesday and Thursday. They were scheduled to play West Bend West, Scenic Moraine champions with an overall 17-8 record (winners over Slinger in the Regionals) at 5:30 p.m. Wednesday in the first game at Port. The winner of this contest will face the winner of the Port Washington-Cedar Grove game at 8:00 p.m. Wednesday in the Sectional final Thursday at 8:00.

Kewaskum got off to a quick start against Campbellsport in the Regional game. They scored three runs on four hits and sent eight batters to the plate in the first inning, to give pitcher Steve Muench a 3-0 lead. Leadoff man Ric Leitheiser walked, brothers Steve and Scott Muench both singled to load the bags. All-conference shortstop Randy Heberer then lashed out a two-run single and Dave Donath was credited with the third run on the inning when he got a hit.

Cougar hurler Brian Serwe then settled down and held the Indians hitless until the fourth,

when Steve Yahr singled and after two walks scored another run on a sacrifice fly.

Two more hits by Donath and Jeff Geidel, an error and a sacrifice brought in Kewaskum's two final runs in the fifth to make it 6-0.

For Campbellsport, they just couldn't come up with a hit when they needed one. Their lone run came in the sixth on singles by Tim Grahl and Tim Schill, and an error. The Cougars missed a scoring opportunity in the fourth when, with the bases loaded and one out, Serwe struck out and Scott Muench caught Schill too far off base on the third strike and picked him off.

The Cougars also loaded the bases in the seventh on a hit and two errors by Randy Westerman but a strikeout and double play ended the game.

Winner — Steve Muench, Loser — Scott Muench.
Winner — Dan Mueller, Loser — Jeff Geidel.

and single by Steve Yahr.

Two big plays when players "fell asleep" hurt the Indians. In the second Dave Donath was picked off second, after which three batters walked, and this cost a run. In the fifth Randy Westerman was picked off second when the Indians had two men on base.

Geidel put the Huskies down in order in the first, third and fifth and faced just four batters in the fifth and sixth as he was humming along. But in the seventh, when he may have tired in the hot sun, Bob Conklin got the first solid hit and Dickman's double put runners on second and third. Rick Cisowe's suicide squeeze scored Conklin and Dickman scored on a foul out.

Kewaskum's Mike Heisdorf made a sensational catch in center. Running at full speed he caught the ball over his head with his back facing the infield. Yahr went two for two for the Indians, who also got four hits.

KHS Football Equipment to Be Distributed

All KHS football players are reminded that practice equipment will be distributed according to this time schedule:

Wednesday, August 5, 10:00-12:00 — Seniors pick up practice equipment.

Wednesday, August 5, 1:00-3:00 — Juniors pick up practice equipment.

Thursday, August 6, 1:00-3:00 — Sophomores pick up practice equipment.

Friday, August 21, 9:00-12:00 — Freshmen pick up practice equipment.

Before receiving your equipment, you must return these items:

- 1) Physical examination card or alternate year permit card.
- 2) Signed copy of the KHS training rules (for freshmen or other first-time athletes.
- 3) \$15 user fee (new this year).
- 4) Fines for any missing equipment from the 1980 season.

The first practice for sophomores, juniors and seniors is Monday, August 10, at 8:00 a.m. Freshmen will begin on Monday, August 24, at 3:00 p.m.

Attention Middle School Parents And Students

All 7th-8th grade boys or girls who plan to participate in any sport during the 1981-82 school year are reminded to get their physicals completed as soon as possible.

Girls' track practice will be held the first day of school, Monday, August 31. In order to participate, you must have your physical card turned in and your \$5.00 activity fee paid. Eighth graders out for sports last year only need a permission slip from their parents, not a complete physical.

The first girls track meet will be held on Monday, September 14.

Indians Lose Game They Had Already Won and It Costs Them Second Place

Believe it or not, the Kewaskum Indians lost a baseball game here Saturday which they had already officially won on July 2.

Here's how it happened. The New Holstein team, through a scheduling mixup, arrived one hour late for their regularly-scheduled contest with Kewaskum here July 2. The umpires waived and when the Huskies failed to show up, had Steve Muench deliver one pitch, and then declared the Indians the winner on a forfeit, 7-0.

The commissioner of the Eastern Wisconsin Conference also said the game was forfeited, but after urging on the part of New Holstein officials, Kewaskum officials out of sportsmanship relented and played the game. As a result the Indians lost a tough 2-1 decision and it cost them second place.

What made the loss all the more heartbreaking was the fact that Jeff Geidel held the Huskies scoreless on one bloop hit (lost in the sun), until the seventh and last inning when they won the game on a foul ball. The Indians had led, 1-0, until that time.

It was a typical tough loss for Geidel, who has lost several pitchers' duels this year, including a two-hitter and two three-hitters. He lost four games, never giving up more than four hits in any one.

With a one-hitter going, Geidel was nicked for three hits in the last inning and then New Holstein scored the winning run on a long foul ball.

Kewaskum started strong against Huskie starter, K. J. Dickman, who had early control problems, but they couldn't come up with a key hit. The Indians left two men stranded on base in the first, had the bases loaded in the second and

two men on again in the fourth and fifth frames. Their lone run was scored in the fourth on a walk, stolen base, overthrow
