Board Hires Police Clerk

Village Pool to Remain Open

By GERRY MUELLER
Statesman Staff Writer

The Village Board Monday evening approved a recommendation to keep the swimming pool open on week-ends during September. The pool will be open from 12 to 6, Saturday and Sunday. Trustee Jeff Rohrer stated the cost to operate the pool would run approximately \$300.00 for the month.

Rohrer also received approval on a Park Committee request to remove several tree stumps at River Hill Park. Cost of the removal and grading was estimated at \$100.00 plus labor.

In other action, the board approved the hiring of Jennifer Doherty as part-time police clerk. She will be working five days a week from 5 to 9 p.m.

Don Mlodzik, Public Works Chairman, informed the board that one of the Village lawn mowers broke down last Thursday. Repair costs would run approximately \$740.00. Considering the age of the machine, Mlodzik recommended the village trade the machine in. The board voted unanimously to purchase a 1981 John Deere 317 tractor and mower for \$2,695.00 plus trade from Laubenstein Lawn and Garden. The mower

is a demonstrator with approximately eight hours use. Village Administrator Dan Schmidt stated that while no monies had been budgetted for such a purchase, \$3,700.00 was available in the Equipment Fund. The money was available as a result of the village's purchase of a used pick-up truck instead of a new one as had been figured into this year's budget.

Mlodzik gave a short report regarding the County Library System. He asked that this subject be put on the agenda for the next meeting. At that time he would like the board to decide whether or not the village is in favor of becoming involved in the program. Mlodzik noted that while it probably would not cost the village money, at least not the first two years, the townships would have to look for added tax dollars to support their share of the costs.

Due to conflicts, the Plan Commission meeting has been changed from August 25 to August 27.

Because of Labor Day, the Village Board meeting has been moved to September 8.

Skrentny Joins Lakeland Staff

Ray Skrentny

Ray Skrentny of Kewaskum has joined the Lakeland College Center for Business and Economics as Director effective July 1. He will be serving full-time under Bill Younger, who is chairman of CBE.

Ray brings substantial academic and business experience with him. He received his B.S. and M.S. degrees from Marquette University and earned a Ph.D. from the University of London. In 1971, he became vice-president of a family corporation in West Bend. More recently, he served as project coordinator for the West Bend Chamber of Commerce and joins the Lakeland staff from the West Bend Marine Bank where he was employed as a credit analyst.

Ray's enthusiasm for the Center for Business and Economics is obvious.

New Board Members Elected By Chamber of Commerce

The annual meeting of the Kewaskum Area Chamber of Commerce was held Wednesday, July 17, at the Valley Bank community room.

Election of new board members was held with the following elected to fill the board of eight: Jack Jadro, Nancy Kulas, Tom Leitzke, Rich Bechler and William Koehne. The returning board members are Charleen Barutha, Tom Bartelt and Liz Nigh.

Following the election and business meeting, a very interesting film, "This is a Hold-Up," was shown, and refreshments served.

Nine members and three guests were present.

On Monday, August 17, the regular monthly board meeting was held at the West Bend Savings Office, Kewaskum

Concerned Parent Airs Views to School Board

By GERRY MUELLER
Statesman Staff Writer

At Monday evening's School Board meeting, Mrs. Mary Lou McKee read a letter covering her views and feelings on the actions of the School Board.

Mrs. McKee prefaced her letter with the statement, "my husband is a skilled craftsman at the West Bend Company and he doesn't make anywhere near that money." Mrs. McKee was referring to the proposed salary increases for the administrative staff. Mrs. McKee was told the figures published were not actual wages, but salaries which included wages and fringe benefits such as hospital and dental insurance. McKee stated that "while she was not associated with any special interest group, she was deeply concerned over the costs us taxpayers have to pay for."

McKee noted that while she was not able to attend all the meetings, "the school board meetings I did attend were not that impressive to me. Most of those meetings ended with feelings of disappointment and disgust over the disregard of concerned (not special interest groups), but concerned taxpaying citizens, voicing their God-given right to express their concern."

In her letter, Mrs. McKee went through the various items which were reviewed as possible places to reduce the budget, noting that when special interest groups spoke up against these cuts, "no cuts were made."

In referring to cuts in the athletic program, McKee stated, "what does the sport bring back into the area anyway? Good sportsmanship?" McKee noted how "some children always sit on the bench game after game, while the winning players play all the time. 'Is this good sportsmanship?' McKee noted that when one of her daughters was on the basketball team, "they couldn't get along without her at practice, but at the games she sat on the bench because she wasn't as good as the well-known 5."

Comparing schools, McKee commented, Random Lake dropped Industrial Arts at the Middle School level. "Kewaskum could do one better and drop Home Ec at that level also."

Referring to the elementary guidance counselor, McKee stated, "parents are responsible for their offspring, not the school district. Another thing, (years ago) good students were made an example of, not the 'Jocks'. Good students were commended and praised and encouraged to stay good."

On the subject of school closings, McKee said, "one can

Grand Opening Sat. of Pluto's Frosty Serve

Grand opening will be held Saturday, August 22, at "Pluto's Frosty Serve," 100 Clinton Street (formerly Homestead Hall).

This is Kewaskum's newest recreation center, and features a game room with pool tables and numerous pin ball machines, for both young and old. The grill area has booth service or takeouts and serves char-broiled burgers, Pluto burgers, steak, pizza, chicken plates and buckets, fish sandwiches, onion rings, French fries, hot dogs, shrimp, malts, sundaes and cones.

For the grand opening a teen dance will be held with music featuring 50's and 60's and today's rock, from 7:00 to 10:30.

A free sundae with any sandwich order and free balloons for the kids are a part of the festivities.

"Pluto's" is being managed by a likeable young man, Mory Read, who enjoys people and hopes you'll pay him a visit on his grand opening.

The fast food restaurant is open from 11 to 11. To call in your orders just dial 626-4447.

Special Meeting of Board of Education

A special meeting of the Kewaskum Board of Education will be held on Monday, August 24, 1981. The meeting will begin at 7:45 p.m. and will be held in the district administrative offices.

The board will meet in closed session from 7:45 to 9:15 to discuss administrative salaries. At that time the open meeting will be reconvened to take action.

Boy Scouts Honor Regal

Maurice Griffin, buyer for the Boy Scouts of America [center] presents the organization's 1981 Award of Excellence to L. N. Peterson, Chairman of the Board for Regal Ware, Inc. and Regal President James D. Reigle. Regal, which manufactures official Boy Scout canteens and cook kits, was recognized for its outstanding service to Boy Scout's Supply Division.

The Boy Scouts of America have presented their 1980 "Award of Excellence" to Regal Ware, Inc. in recognition of the company's outstanding service to the Boy Scouts' Supply Division. This is the first year that the award has been presented to suppliers of official Scout merchandise. Regal was one of only five of the Boy Scouts' 700 suppliers to be so honored.

Regal, which currently produces the Boy Scout aluminum cook kit and 1-1/2 and 2-quart canteens, has supplied merchandise to the organization since the late 1940's.

Regal was selected for the

only wonder what decision would have been made had it been one of the other outlying elementary schools in that position. It's not the District's responsibility to move children around just to satisfy a few."

Referring to the Teachers Union, McKee said, "at one time the union was needed - now they not only protect the dedicated, productive worker as they should, they also protect the deadwood - dragging the good workers down." At this comment, Superintendent Brenholt said he considered that statement a put-down. McKee admitted the district had gotten rid of some of this "deadwood," adding to Mr. Brenholt "if I had thought you were deadwood I would have told you."

McKee closed her letter by saying, "school board members are elected because the majority of the voting public feel these people will do the job the voter feels must be done - so let's not have special interest groups sway you from the job that must be done and do it."

President John Tessar asked McKee "why didn't you bring

these things up at the meetings?" McKee replied, "I think I would have been put down. I have been to many meetings where people were ridiculed and put down." Brenholt stated, "if you have a right to express an opinion, we have a right to express ours." Tessar thanked McKee for her opinions, stating "I wish more people would take an interest in the school district."

In other action the board approved contracts for the following teachers: Mrs. Mary Reill-Kliss, part-time reading teacher Middle School; Ann Drury, English 8 Middle School; Lynn Miller, ED teacher. Mrs. Karen Petric has been hired as teaching principal at Wayne Elementary. Her duties will include principal, teacher, gifted and talented program and administration.

New Hours at Beach

Due to a limited number of guards and cooler weather, the Kewaskum Kiwanis Community Beach will open at 12:00 instead of 10:00 a.m.

These new hours will be effective as of Saturday, August 22. The beach will stay open until 8:00 p.m., weather permitting.

Summer Graduates At UW-Stevens Point

The University of Wisconsin-Stevens Point has conferred either bachelor's or master's degrees to about 195 summer graduates.

In out-of-doors ceremonies on the UW-SP Memorial Forum on Friday night, class members were addressed by Edward Penson, chancellor of UW-SP's sister institution, UW-Oshkosh.

In the graduating class were: Lois Heldt, 127 Helena St., Campbellsport, MS degree in Home Economics Education, and Jane Schanen, 131 Mill St., Campbellsport, BS major in Fashion Merchandising and minor in Business Administration.

MILLER, SMITH DELEGATES

Strachota Elected Task Force Leader for Governor's Conference on Small Business

Regional delegates to the Governor's Conference on Small Business, met recently in Port Washington to elect a regional chairperson, individual task force leaders and set strategy for the November meeting in Madison.

Three delegates were elected to chair the group, one representative from each county. Dave Heying of the West Bend Marine Bank, was elected for Washington County. The other leaders are Bill Schuknecht, Ozaukee county, and Bob Christian, Sheboygan county.

The Port Washington meeting, which was coordinated by Lee Bohlmann of the West Bend Area Chamber of Commerce and Diane Bliss of the Sheboygan Area Chamber of Commerce, discussed the task force interest areas with the delegates signing up for two areas in which they were interested. Elected leaders of the task force areas were:

- Steve Strachota, Kewaskum - Capital Formation
- Joe Waters, West Bend - Tourism
- Grant Ringlien, Mequon - Procurement
- Lee Flanders, West Bend - Education
- Jay Meili, Port Washington - Regulation
- Eilene Ribbens, Elkhart Lake - Sole Proprietorship
- Joanne O'Dwyer - West Bend - Business Development and Technology

According to Bohlmann, Executive Vice President of the West Bend Area Chamber of Commerce, "The first conference in May in West Bend, established some of the basic problems facing the small business person in these key areas. All areas listed Capital Gains Laws, Workman's Compensation and Government Regulations as problems. Our delegates will now meet, determine what the other priori-

ties are and help draft legislation in Madison. It's important for them also to be aware of what legislation is pending, or what legislation has failed in the last few years, so that our proposals are in line with what is possible. This Governor's Conference is based on the White House Conference on Small Business which was extremely successful in developing legislation favorable to small businesses. It is refreshing for a chance to have our elected officials actually give the people who elected them the chance to originate and suggest legislation."

There are 45 elected delegates from the area as well as appointed delegates. Area persons elected in May are: Fred Miller and Herb Smith of Kewaskum and Kenneth Merz of Campbellsport.

Savers finally got a break when Congress recently passed the All Savers Act. It allows us to offer you tax-free interest on your savings.

With a West Bend Savings One-Year Tax-Free Savings Account you can exempt a full year of savings' interest from federal income tax — up to \$2,000 tax-free interest on a joint return, \$1,000 on an individual return.

This new plan pays an interest rate equal to 70% of the average investment yield on one year U.S. Treasury Bills as of the most recent auction date, and it's insured safe to \$100,000 by the Federal Savings and Loan Insurance Corporation.

Tax-Free Savings Accounts will be available October 1st, but you don't have to wait until then to reserve yours. You can do it now. And West Bend Savings will pay you 17%* interest on your money, between now and October 1.

Don't miss this incredible opportunity. With a minimum deposit of \$500 or more you can get the tax break you deserve. Visit any of our seven offices for complete details.

It could be the highest yield you've ever earned.

IF YOUR FAMILY INCOME IS:	YOUR TAX BRACKET PROBABLY IS:	THE INTEREST RATE YOU'D HAVE TO RECEIVE TO NET 11.62% AFTER FEDERAL INCOME TAX IS:

Petri Family Reunion Held

The Petri family reunion was well attended on Sunday, August 9, at Riverside Park, West Bend. Families came from Darlington, Marinette, Racine, Milwaukee and the surrounding area.

The largest group present was the Henry Schaub family, descendants of Johann Petri. The oldest member present was Phillip Erber.

The pot luck table at noon groaned with variety and bounty. The afternoon was spent visiting, sharing family-tree

history, enjoying old photographs and snapshots — but just went too quickly.

Entertainment during the afternoon was by Brian Kluever, son of Tom and Doris Kluever, and Cheryl Geoffreys, daughter of Arnold and Henrietta Petri.

Officers for next year are Bob Petri, president; Betty Koepke, secretary; Lucille Marquardt, treasurer, and Verna Schaub, historian.

Supper was brats and kraut, beer and soda.

Next year's reunion will be held the same time — the second Sunday in August, and same place, Riverside Park.

Ludwig Family Reunion Held

The 17th annual Ludwig family reunion was held Sunday, August 2, at the Kewaskum Park.

Adam George Ludwig and his wife, Sophia Prosh, came from Germany in 1855. To them was born Fred Ludwig, whose children, grandchildren, great-grandchildren and great-great grandchildren attended. A total of 115 were present with four of them over 80 years of age, namely, John Ludwig of Milwaukee; Celia Bartelt of Fond du Lac; and Vilas Ludwig and Florence Ludwig, both of Kewaskum.

Dolores Ludwig Arndt exhibited a copy of the family tree. Cards and bingo were played.

On the planning and arrangements committee were the Elton Ludwig, Lloyd Gatzke and David Arndt families.

Families attended from Milwaukee, Brookfield, Oshkosh, Fond du Lac, Eden, Mayville, Sun Prairie, De Forest, West Bend, Campbellsport and Kewaskum.

Surprise Birthday Party for John Wink

The family of John Wink, former resident, is having a surprise 80th birthday party for him at the home of the Allen Stoffels on Sunday, August 23, at 1:30 p.m.

Perhaps some of his old friends would like to stop in and say hello.

The Stoffel residence is located at 4801 Hwy. 28 West.

Another drowning at Regner Park in West Bend was averted by quick action on the part of a 12 year old Barton youth when Roman Breit Jr. of Barton pulled his six-year-old cousin, Roseann Breit of St. Michaels from the stream at the park Tuesday morning when she tumbled over backwards into the water at the dam. Roseann was watching her cousins, Romy Breit and his brother, Gerald, 9, who had been fishing at the fish pond and were wrapping up their fishing gear preparatory to leaving the park. Suddenly she toppled backwards into the stream. Romy rushed to the girl's assistance. The water was over her head and she swallowed quite a bit of it but otherwise she was apparently uninjured. Roseann is the daughter of Mr. and Mrs. John Breit of St. Michaels. John and Romy Breit are brothers.

In a 2:00 p.m. ceremony performed in West Bend on August 18, Miss Shirley Staehler, daughter of Mr. and Mrs. Andrew Staehler, West Bend, became the bride of Leander Kempf, son of the Erwin Kempfs, Route 1, Kewaskum.

The Kewaskum fire department answered a call to the John Metz farm in the Town of Kewaskum Monday. A lean-to built against the house caught fire resulting in damage to the roof and one wall of the structure. The firemen were also summoned Monday to the Jerome Mayer farm in the Town of Wayne when a pickup truck caught fire in a shed.

Daughters were born to Mr. and Mrs. Jerome Guldan, Kewaskum, on August 21; to Mr. and Mrs. Ralph Strassburg, Route 3, Campbellsport, also on August 21 and to Mr. and Mrs. Roger Reindl, Kewaskum, on August 16. A son was born to Mr. and Mrs. Leo Brown, Kewaskum, on August 17.

Charles Geidel, 65, a well known and industrious farmer, residing on the north end within the city limits of Kewaskum, on Highway 55, was instantly killed August 19, when the hayrake on which he was riding, was struck by one of Bauer's large milk trucks of Campbellsport.

The Kewaskum Public School will open on Monday, September 7. All pupils are urged to be present on the opening day.

St. Matthew's Catholic Church at Campbellsport was the scene of a pretty wedding when Miss Rose Schlaefer, daughter of Mr. and Mrs. Jacob Schlaefer of Campbellsport and Marvin Staehler of the Town of Scott, son of Mr. and Mrs. Jacob Staehler, were married on August 11.

Albert J. Ramthun, a prominent and well known resident of the Town of Kewaskum, answered the final roll call at his home on August 16. He was married to the former Ida Marie Wilke who with the following children survive: Olga (Mrs. Elmer Staeger) of Adell, Leona (Mrs. Gerhard Kumrow) of the Town of Scott and Adeline, at home.

Letters to the Editor

August 18, 1981

Dear Editor,

So the administrators of our school want a 12.3 to a 16.8% increase in pay? What has happened to our school board? Have they taken leave of their senses? These are difficult financial times. How can these raises be justified? We are in a recession but evidently the board does not realize this.

After checking the board's vote on this issue at the next meeting on Monday, Aug. 24, the voters will certainly throw out the rascals who vote for this ridiculous increase at the next two elections.

Disgusted taxpayer
o o o

An open letter to the taxpayers of the Kewaskum School District:

On August 10, 1981, the Kewaskum School Board met to discuss administrative salary raises. The proposals range from a low of 11.4% to a high of 16.6% for the annual raise. These raises come at a time when there are uncertainties as to how much and for how long the federal and state governments will continue to fund some of the school costs. The prospect of substantial property tax increases to offset this shortfall is a very real possibility. Further, these proposed raises affect not only this year's budget, but each ensuing budget hereafter.

Let's take the proposed raise of 16.6% for an example. The total cost of this raise to you the taxpayer is \$4268.00 for the year. If by chance, the Board would feel a little sorry for you, the taxpayer, next year and would propose a modest 10% raise, the next year's portion of this raise would be \$426.80.

Now let's assume that the board would set this individual's raise at 10% for this year. Total cost to you, the taxpayer, is \$2578.00 for the year. If the proposed raise next year again would be 10%, next year's portion of this raise would be \$257.80.

from Tom Leitzke, R.P.H.

Nine out of ten headaches result from conditions outside your head. Poor ventilation - lack of fresh air rich in oxygen, is one.

Too long at one task, whether reading, working, watching TV, driving a car - neck muscles become strained and restrict the blood supply to the head, causing headache. Relax, vary your activity and massage the neck muscles.

Proper diet also may avoid headaches. For recurring headaches, see your doctor. Headaches are never normal - your head is trying to tell you something.

In this case, over just a two year period, we are talking about a savings of \$1859.00 for just one position.

I for one, do not question the need for some raises for these administrative personnel. I do, however, feel that they be toned down to reflect the uncertainties and sacrifices that face us, the taxpayers. How many of you have received an increase in your salary of the magnitude of these raises?

Let your Board members know how you feel. If at all possible, attend the Board meeting on August 24 when the vote will be taken on these raises. Come and see which Board members have the taxpayer's interest at heart.

Ralph Horner

August 18, 1981

To The Editor:

It is necessary to clarify a couple of items in the article regarding administrative salaries which was published in the August 14 issue.

First, the amounts listed in the article did not represent salary figures. Those amounts included salaries and the value of fringe benefits. A true picture of proposed salaries would be as follows:

Clark Pearson - reported \$35,436; actual proposal \$30,283.

Roy Esser - reported \$34,381; actual proposal \$29,343.

Richard Zarling - reported \$32,042; actual proposal \$27,255.

David Wellskopf - reported \$22,567; actual proposal \$18,800.

George Allmann - reported \$27,450; actual proposal \$23,157.

Robert Borch - reported \$30,049; actual proposal \$25,476.

Mr. Reha's was reported correctly.

Secondly, the salary for Mr. Erickson had been presented months ago to the board so they could see what it would have been. The salary for Mr. Erickson in his present position at Beechwood is based primarily on the teacher schedule. The figure in the article does not apply at all but was strictly

for comparative purposes.

Sincerely,
Floyd A. Brenholt
Superintendent

The STATESMAN
Kewaskum

In cutting \$75 million in property tax relief for local communities from the state budget bill and then shifting it to another side of the ledger to underwrite the cost of his new business tax breaks, Governor Dreyfus has again shown his lack of sensitivity for the homeowners and property taxpayers of Wisconsin.

His latest action follows on the heels of his previous property tax relief diversions that will sharply increase local property taxes in the cities, villages, and many towns of Wisconsin in 1982, under the guise of running an efficient state government.

The truth of the matter is that the Governor's complete lack of faith in local governments to manage their finances and provide the necessary daily services to the folks that live in their communities represents a coverup for his own administration's fiscal mismanagement.

The record shows that within a two-year period, the Dreyfus Administration spent a \$1 billion surplus, fathered a projected \$600 million state deficit, chastized local governments for being big spenders, and since January 1st of this year, was the moving party for making law changes that will cut much needed property tax relief entitlements to cities, villages and towns by an estimated \$365 million through 1982 and 1983.

Governor Dreyfus, in effect, is shifting the state's \$365 million obligation onto the local property taxpayers, along with

sowing the seeds for the ultimate deterioration of municipal services at the local level. It is irresponsible for the Dreyfus Administration to dump its financial mess onto the local communities of this state.

For the sake of the future of their communities—and their own financial health—citizens should see through the Dreyfus facade, and also write or talk to their state legislators (whether Republican or Democrat), and urge them to vote to override the Governor's property tax relief veto when they meet again in October. They should also talk it over with their local officials and see what they have to say.

Unless citizens and property owners react to what is happening in Madison, they will be smooth-talked into much higher property taxes, less local services, and a fiscally-riddled hometown.

45th Anniversary

The family of Calvin and Verna Schaub of 210 First Street, Kewaskum, honored their for their 45th Wedding Anniversary.

An open house reception in the Fellowship Hall of Peace United Church of Christ, Kewaskum, was held on the afternoon of Sunday, August 16.

The former Verna Spoerl and Calvin G. Schaub were married on September 5, 1936 at Salem United Church of Christ, Town of Wayne, by the Rev. A. A. Graf. Their attendants, some of whom were present at the reception, were Rebecca Schaub Erber, maid of honor; Ludwig Schaub, best man; Marion Lay (deceased), Fred Spoerl, Janice Spoerl Saunders, John Spoerl, Linda Spatt De Shong, and Robert Graf.

The couple farmed on the family homestead in the Town of Wayne for over 40 years.

Mr. and Mrs. Schaub have three sons, Cal of Ripon, Paul of Belleville, Illinois, and Harvey of Waupun. They also have four grandsons and four granddaughters.

Stephanie Ann Vetter

VETTER — A daughter, Stephanie Ann, weighing 6 lbs., 9 oz., to Dale and Patsy Vetter, 1318 Riverview Drive, Kewaskum, Friday, August 14. Paternal grandparents are Mr. and Mrs. Leland Vetter, R. 1, Kewaskum, and maternal grandparents are Mr. and Mrs. Louis Ebert, Kewaskum. Stephanie has two brothers,

Blood Pressure Measurement Course Being Offered

The Washington County High Blood Pressure Control Program needs volunteers to assist with blood pressure measurement at sites throughout the county.

A six hour course in precision blood pressure measurement for volunteers is being offered in two sessions. Part I will be held on September 14 from 1-4 p.m. Part II will follow on September 21 from 1-4 p.m. The classes will meet at the Community Health Nursing Service office at 515 East Washington, West Bend.

Certification as a blood pressure screener technician is awarded by the American Heart Association to volunteers who satisfactorily complete a written and performance test.

Emergency medical technicians completing the program are also eligible for continuing education credits from the Emergency Medical Services.

The American Heart Association of Wisconsin estimates that 600,000 Wisconsin residents - 15% of persons age 18 and over - have high blood pressure. Yet one third, or 200,000, don't know it. Detection is the key to controlling this silent risk factor, one that often leads to heart attack or stroke.

If you are interested in being part of an important community service, you are invited to enroll in the training program by calling 338-4462.

MRS. LYDIA ELSINGER

Mrs. Lydia Elsinger, 68, of 134 N. Barton Road, Campbellsport, died Wednesday, Aug. 12, of an apparent heart attack.

She was born Oct. 29, 1912, at Oshkosh, a daughter of the late David and Susana Heinz. She was married to Arthur Elsinger at St. Joseph's Catholic Church, Fond du Lac, and he died March 6, 1967.

Mrs. Elsinger was a member of St. Matthew's Catholic Church at Campbellsport, Christian Mothers, Altar Society and Campbellsport Senior Citizens.

Survivors include four sons, Victor of Madison, Wayne of Dundee, David of Eden and Dale of Campbellsport; eight grandchildren; a brother, K. Heinz of California; and a sister, Mrs. Mary Everson of Fond du Lac. A son and two brothers preceded her in death.

Funeral services were held at 7:30 p.m. Friday at St. Matthew's Church, Campbellsport. The Rev. Victor Kemmer officiated and burial took place at 11 a.m. Saturday at the parish cemetery.

Friends of Mrs. Elsinger called from 4 to 7 p.m. Friday at Twhig Funeral Home, Campbellsport.

EDWARD KREIS, SR.

Edward Kreis Sr. of 4466 State 45, Jackson, was pronounced dead on arrival at St. Joseph's Community Hospital West Bend, on Friday, Aug. 14, at the age of 64.

He was born July 2, 1917 in Milwaukee where he lived until his marriage to Deloris Lovelace on Oct. 11, 1940. After the marriage they settled in Milwaukee living there until 1942 when they moved to the Town of Jackson where he owned and operated Kreis Auto Body up until the time of his death.

UW Center-Fond du Lac to Begin Classes Sept. 8

The University of Wisconsin Center-Fond du Lac begins its 14th year of service to the community with classes beginning Tuesday, September 8. Registration for the fall semester runs Monday, August 31, through Wednesday, September 2.

One hundred credit classes in 27 subject areas are offered at the freshman-sophomore campus, with courses offered during the day, late afternoon, and evening to provide flexibility. Courses are open to all students, both full-time and part-time.

To gain admission to the center, students are required to file a UW System admission application form. No placement tests are required to gain admission. However, an English placement test is given prior to entering English composition classes.

The opening day of classes at the center will be preceded by several important orientation and registration sessions. Continuing pre-programmed students will register on Monday, August 31, from 9 a.m. to noon and 1 p.m. to 4 p.m. All new transfer and re-entering students who have pre-programmed students will meet with advisors, program and register on Wednesday, September 2, at 1:30 p.m. in the Student Center Lounge. Evening only students will meet with advisors and register Wednesday evening, September 2, starting at 5:30 p.m. also in the Student Center.

The purpose of the local center is to provide area residents with the opportunity to

obtain UW courses without having to travel great distances. Advantages are that students can live at home for the first two years, saving expensive room and board costs, averaging close to \$2,000, at resident colleges. They can also keep their jobs and continue activities in their home communities. The savings incurred by living at home could pay for much of their third year at the college to which they transfer.

Part-time students, those enrolling in less than 12 credits, are increasing in number at the state's two-year commuter schools. Able to hold jobs while attending classes, students can complete two years of college study and receive an associate degree. Some continue to four year college and receive bachelors, masters and doctorate degrees.

Last year UWC-Fond du Lac had a part-time enrollment of 36 percent. Most of these students attend classes to obtain better jobs or to move up in their careers.

The center also has a "special student" category for people who just want to take a course or two for personal interest or professional development. Anyone may enroll as a "special student" for up to six credits of course work without submitting previous educational records.

High school seniors may also enroll in credit classes prior to graduation on a part-time basis.

To quality, they must file an application for admission form and have the recommendation of their high school principal. Credits and grades earned by the high school students will be fully-accredited, transferable UW credits for the student.

Individuals may also audit courses at the center to gain whatever knowledge and understanding is available by sitting in on a class. Auditors pay only half of the course cost and are not expected to take examinations nor expect to have any coursework evaluated by an instructor. Audits are on a space available basis with the consent of the instructor.

Persons 62 and over may audit a course free of charge.

The center offers students the opportunity to participate in activities which include: student government, chess club, student newspaper, Space and Astronomy Club, and Allied Health and Science Students. Fine arts activities are: Readers' Theater, Community Band, Swing Choir, Jazz Band, University Choir, and the Madrigal Dinner.

Athletic activities include soccer, golf, women's volleyball, men's and women's basketball, tennis, women's softball, and intramurals.

The center also provides en-

tertaining activities during the year which include: lectures, theater productions, music performances, movies, and dances which are all open to the public.

For information on credit classes at the UW Center-Fond du Lac, contact the Office of Student Services at 922-8440. Office hours are from 8:00 a.m. to 4:30 p.m., Monday through Friday.

Give Tips for Safe Boating

Like bees to honey, hot, humid weather draws people to water. Tubers, swimmers, divers, sailors, water skiers and fishers are all using the same lakes and rivers. Boaters, in particular, should be especially watchful on the water for other people, other boats and water hazards like stumps, rocks, and wing dams that loom near the surface.

Eighteen people have died following boating accidents this year, reports Dale Morey, DNR boating law administrator. Stop and take the time to think through your trip before you take to the water. Take a few

simple precautions to make your boating experience safe and enjoyable. Check over your equipment and keep your boat under control, Morey advises. Take a good look at lake and river maps before you take to the water. Note stumps, dams and other manmade structures when you chart your course. Be courteous. Develop safe boating habits and practice them on the water. And don't drink alcohol excessively when you're boating. Sound judgement and quick reflexes can help you keep an eye out for hazards on the water, Morey concluded.

"Nature never breaks her own laws."

J & J AUTO TOPICS

TAIL PIPE TALK

Your automobile's tail pipe tells you much. A grayish white deposit means good combustion. An oil black deposit may be a sign of coming engine repair. A black sooty deposit indicates a too rich mixture from a faulty carburetor or choke. Or a dirty, clogged air cleaner.

The sooty exhaust also is a clue to incomplete combustion caused by worn plugs. This wastes gas and power, too.

Our electronic scopes verify this when we tune auto engines at J & J AUTO SERVICE. Look at your auto's tailpipe today and make the drive to 450 E. Main for complete engine services.

Gehl Company Salutes 1981 Outstanding Young Farmer

Pictured from left to right: Washington County Ag Agent and Jaycee board member Jack Trzebiatowski; 1981 Outstanding Young Farmer Curt Scheunemann and wife Betty; Gehl Company Executive Vice President of Corporate Development John Gehl.

The West Bend Jaycees named Curt Scheunemann, West Bend, the 1981 Outstanding Young Farmer at the Washington County Fair dairy breakfast on July 25.

John Gehl, Executive Vice President of Corporate Development for Gehl Company, West Bend, presented Scheun-

emann with the John P. Horlamus Award sponsored by the local farm equipment manufacturer. Gehl Company originated the award several years in tribute to the late John P. Horlamus, a local dairyman, for his dedication and service to agriculture. It is awarded annually to a young farmer by

Gehl Company and the West Bend Jaycees in recognition of the importance of farming.

The award includes a plaque plus a \$100 donation by Gehl to the Jaycees towards Scheunemann's trip representing the West Bend chapter in the 1981 State Outstanding Young Farmer program to be held next January in Wausau.

Scheunemann and his wife, Betty, have been actively engaged in farming since 1975. They currently operate a 385-acre dairy farm near West Bend.

Gehl Company manufactures and sells a complete line of hay-making, forage harvesting, feedmaking and materials handling equipment with facilities in Madison, South Dakota and corporate headquarters in West Bend.

West Bend Savings Announces New Tax Free Savings Account to Become Effective Oct. 1

West Bend Savings announced Monday their new tax free savings account which was recently authorized by Congressional action and can become effective October 1.

Richard Larson, West Bend Savings president, indicated that because the effective rate on the new tax free account could produce a yield as high as 23% or more for persons in higher income brackets and produce yields of between 15% and 17% even for savers in more normal tax brackets, he felt it would be a very popular account. The tax free account provides for up to \$2,000 of tax free interest income for those filing a joint return and \$1,000 of tax free interest income on a single return. In addition, funds deposited in a tax free account are fully insured by the Federal Savings and Loan Insurance Corporation and are a risk free investment which will yield because of the tax exempt status more than most other tax free uninsured investments and in many cases, more than current mutual money market share rates.

Larson indicated that in order to allow people to plan ahead for October 1st investment, West Bend Savings was offering depositors a chance to reserve their money from now until October 1st in a short term Repurchase Agreement and investors with \$500 or more can earn 17% on a short term Repurchase Agreement and automatically switch to a tax free account October 1st. This will allow persons who have investments coming due or

available cash at this time to earn a high rate of return until October 1st and then be eligible for the tax free account. West Bend Savings is enthusiastic about the new tax free account because the basic rate which for the saver develops a 15% to 23% new yield. However, because the basic cost of funds to the savings and loan is less, it will allow the association to cycle money deposited in tax exempt accounts into the local housing market at rates lower than have recently been quoted. Larson indicated that between 75% and 80% of the net dollars received in the tax exempt program will be used to help revitalize the Washington County housing market.

Audubon to Feature Prairie Field Trip

The Kettle Moraine Audubon Society of Washington, Dodge and Waukesha counties will hold a field trip to the Faville and Miller-Snapper prairies west of Watertown on Saturday, August 22, at 1:45 p.m. The group will meet at a small white church in Hubbelton on Highway G, just south of Highway 19.

Donna Shaw to Head St. Jude Bike-a-Thon Campaign Locally

St. Jude Children's Research Hospital is proud to announce that Mrs. Donna Shaw has been named to head the Annual St. Jude Bike-A-Thon Campaign in Kewaskum. William J. Kirwen, St. Jude's Director of Development, made the announcement and said more information will be forthcoming concerning the date, place, time, etc.

St. Jude Hospital is devoted to painstaking medical research and treatment of children stricken with catastrophic diseases, including Leukemia, Hodgkins Disease and other forms of cancer. The Memphis facility was founded by Danny Thomas 18 years ago.

The hospital is non-sectarian, interracial and completely free of charge to patients whose disease is under study and who are referred by a physician. The hospital provides transportation and lodging for a child and one parent.

St. Jude Children's Research Hospital is the largest childhood cancer research center in the world. Doctors and scientists have been brought together from all over the world to conquer death-dealing illnesses striking children. The results of this research are shared with physicians and scientists worldwide so that children everywhere are helped by the hospital. Everyone can share in the optimism of a growing "cure rate" for cancer because of the work going on at St. Jude's.

The hospital receives assistance from federal grants and is supported by voluntary contributions raised through such events as "Wheels for Life" Bike-A-Thon. This year, healthy children participating in the event will wear a hospital identification bracelet bearing the name of a patient at St. Jude's. Thus, they will be tangibly riding for another child. They will also be helping children across the country and throughout the world, since the money raised will benefit research that will ultimately result in knowledge about catastrophic diseases.

Registration in Full Swing at UWWC

Over 435 students have already registered for classes at University of Wisconsin-Washington County in West Bend and the request for information, applications for admission and class schedules are steadily increasing. "The phone has been ringing off the hook," said Roland Baldwin, Director of Student Services. "More and more students are finding that they can complete their first two years of university course requirements here, keep their jobs, live at home, thus not having to pay room and board, and appreciate the personalized attention they will receive from faculty and staff alike." Now that our new facility is almost completed, our students will enjoy the additional services and activities that can now take place. We are really excited for the new academic year to begin."

Baldwin and Vivian O'Hara, the Associate Director of Student Services, along with their paraprofessional counseling staff, have been running academic advising sessions throughout the summer for new, incoming students. According to O'Hara, "We are able to provide students with a general orientation to the campus, but more importantly, we are able to sit down with our students on a one-to-one basis, help them decide for which classes to sign up, and then let them register. They are all set course-wise, can enjoy the rest of their summer, and will then be invited to a "Welcome to Campus" comprehensive orientation program the week before classes begin."

Continuing and re-entry students may come in and register at their convenience on a on-going basis. New freshmen and transfer students should contact the Student Services Office for advising information. Students will be allowed to register through September 11, 1981.

For further information, please contact the Office of Student Services at 338-5201.

Fewer Pheasants to Be Stocked Because Of Disease Outbreak

A disease outbreak at the state game farm at Poynette will result in fewer pheasants being stocked on public hunting grounds this fall.

During the past two months about 10,000 pheasants have died from disease complications diagnosed in early June as coccidiosis, a common poultry disease, and ulcerative enteritis.

The loss will result in a reduction from the 40,000 pheasants DNR had expected to release on public hunting grounds this year.

In an effort to equalize pheasant hunting opportunities as much as possible, most of the birds will be released on public hunting grounds which receive the heaviest use. Marginally used hunting areas probably will receive fewer birds than in previous years.

Coccidiosis, a one-celled protozoan, irritates the pheasant's intestine and ulcerative enteritis creates and ulcer-like condition. The bird loses its ability to absorb food, water, and medication. Consequently, it slowly starves to death.

Pheasant mortality was monitored daily and samples checked weekly as a part of normal game farm operations. Coccidiosis was first diagnosed in early June. Medical treatment to counteract the disease was begun immediately. However, losses continued from disease and starvation.

Loss rates peaked at about 1,000 birds a day during mid-July. Losses now are down to about 200 a day, including the normal expected mortality. DNR officials are hopeful that

this decline will continue to the normal rate of about 50 a day.

Normal mortality at the game farm during the production season runs about 20 percent. This year the loss is running slightly more than 35 percent. Last year's losses totaled 23.5 percent.

Art Show at Campbellsport

Once again the Community Savings and Loan of Campbellsport will be hosting an Oil Painting exhibit from Saturday, Aug. 22, thru Saturday, Aug. 29, featuring the works of Jean Kuhnke and some of her students.

The exhibit this year will be introducing two of Jean's younger students, Angie Kober, 11, and Mark Kuhnke, age 10. Jean feels that young people have a unique ability to express freely and openly on canvas what they see, and should be given the opportunity to develop this skill before they become inhibited and afraid to try.

The lovely thing about painting is that the creativity, the pleasure, the accomplishment can be enjoyed at any age. Painting develops an awareness of the beauty of nature that is normally overlooked because we look but don't truly see.

This exhibit will have samples of painting on canvas as well as leather and wood.

Jean will be starting fall classes in September and will be giving a free seminar for anyone who is interested in painting. Call for more information after Aug. 22 at 533-8117.

IN MEMORY

In loving memory of our dear wife, mother, mother-in-law, grandmother, and great-grandmother, Helen Meisenheimer, who passed away one year ago, August 23, 1980:

Though her smile is gone
And hands we cannot touch,
Still we have so many memories
Of one we loved so much;

Her memory is our keepsake
With which we'll never part,
God has her in His keeping
We have her in our hearts.

Sadly missed by her family.

IN MEMORY

In loving memory of Alvin Volm who was born to Eternal Life, August 23, 1971:

They say time heals all sorrow,
And helps us to forget,
But time so far has only proved,
How much I miss you yet.

God gave me strength to take it,
And courage to take the blow,
But what it meant to lose you,
No one will ever know.

Sadly missed by wife,
Frances.

CARD OF THANKS

A sincere thank you to all our relatives, neighbors and friends for the memorials, flowers, food, cards and words of comfort, during the recent loss of our husband and father, Jerome Loomis. A special thank you to Rev. Stuebs, pallbearers and Twohig's Funeral Home.

Marilyn and Lisa Loomis

THANK YOU

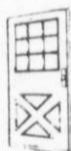

We wish to thank our family, relatives, friends and neighbors for the cards, gifts and prayers we received at our 45th wedding anniversary celebration.

We shall always treasure this special day.

300 Runners in Lions Kettle 20 + 2 Races Here

Approximately 300 runners participated in the eighth annual Kettle 20 + 2 races sponsored by the Kewaskum Lions Club Sunday morning in conjunction with their annual chicken bar-b-que. Runners came from throughout the state and some neighboring states for the 2.5, 7.5 and 12-mile races. Cool, ideal weather for running greeted the racers. The Kettle Moraine Klassic Kar Klub also displayed their cars and there were games and refreshments.

The only flaw was in the 7.5 mile race where some controversy in directions resulted for some new runners. The other races went off perfectly but no new records were set.

The two big winners were Glen Schumacher of Greenfield and Carol Spaeth of Kewaskum in the men's and women's 20 kilometer race. Schumacher, 27, came in with a time of 68 minutes and 59.6 seconds. Spaeth, running her third Kettle 20 had a time of 96:08.1, not quite as good as last year. Spaeth graduated from Kewaskum High School in 1976, where she had a three-year career in track which took her to the sectionals each of those years.

Schumacher's roommate, Mark Slivinski, was second in the 20 kilometer men's race while Marianne Oberbiling of Milwaukee took second among the women.

The first runner to finish was Mike Hirsch of Milwaukee in the 3.5 mile run. He was 30 seconds ahead of Joel Jurss of West Bend. Hirsch's time was 18:24.6, about 30 seconds slower than the record set by Todd Hausmann of West Bend last year.

The first two girls to come in the 3.5 miles were Mary Towers and Bridgette Miller, Waupun High teammates. Towers edged out Miller by .7 of a second, 22:58.2 to 22:58.9.

Bridgette's mother, Sandy Miller, was first in the 30 and over women's division with a 26:03.8, and her brother, a senior at Waupun High, was second overall in the 3.5 with an 18.52.2.

Mary Klas of Random Lake High was the fastest girl in the 7.5 race with a 49:01.8.

'Meat Maids' New Champion in Ladies Slow Pitch League

Behind solid hitting and several sparkling defensive plays, Behring's Market and Village Sport Shop, defeated Schmitt's Never Inn in the playoff for first place by a lopsided 19-6 score.

Behring's and the Village Sport Shop, undefeated in the second half of the season, scored runs in every inning and enjoyed the lead throughout the entire game.

The winners' bats were smoking and almost nothing seemed to stop them. Schmitt's Never Inn, forced to settle for second place, had some costly errors and the "Meat Maids" took advantage of them.

Congratulations to the Behring's Market and Village Sport Shop for a fine season.

Regular players included: Connie Hughes - outfield; Sue Binder - outfield; Pam Allison - outfield; Chris Broker - outfield; Denise Voss - outfield; Chris Nigh - outfield; Chris Zimdars - 3rd; Sherri Dricken - shortstop; Jeanne Rieden - 2nd; Pam Kohlman - 1st; Cheryl Beal - catcher; Caroline Fischer - catcher; Joan Waechter - catcher; Bev Hansen - pitcher; Coach: Steve Gudex.

Area Racing Results

With 49 cars qualifying in the modified division, at the Sheboygan County Fairgrounds in Plymouth, Etchic Bierterz of West Bend, clocked a 13.86, only a few hundreds of a second off the record of 13.76 on the quarter mile clay oval track.

"The Ol Man," Billy Johnson of Slinger, won the 15 lap semi and his son, Schwartz Johnson, finished third in that event.

"Pole Sitter" (front row outside position) Ron Luedtke of Lomira, took off and led the 30 lap feature event from start to finish.

Working his way from the second last row position of an 18 car field, was Willie Goeden, who drove his mount on the outside groove, giving the fans of racing a good exhibition. On the 21st lap of the main event, Goeden passed Butchie Hafemann of Campbellsport, to take second place, and when the checkered flag dropped, Goeden had closed within 4 car lengths of Luedtke, who had over a half-a-lap lead.

Goeden still remains in the #1 E.W.S.C.A. point position, with 1696, with Luedtke in second place having 1268; Bierterz in third with 1168, followed by Wayne Goetch of Sheboygan, Dickie Berth of Cedar Grove, Rich Wondra of Campbellsport, Chuck Tuschl of Cato, Jack Kiel of West Bend, and Woody Klug of Cascade to round out the top ten.

Baseball's "walk" record is held by "Babe" Ruth: 2,056 walks.
