Mrs. Peterson Hosts AFS Students

Back Row, left to right - Helena Cordeiro, Marcela Barrios, Shelly Sekas. Front Row - Kikuko Yamada, Anne Dorthe Sorensen, Linete Guevara.

The Kewaskum American Field Service (AFS) year started with the arrival of our foreign students for the 1981-82 school year. They are Helena Cordeiro of Portugal and Linette Guevara Martinez of Panama

An international dinner was given by Mrs. L. N. Peterson on August 23, at her home to welcome these girls, several other foreign students in the area, our Americans Abroad returnee, and a special guest from Denmark. These guests were Marcela Barrios of Colombia, Edgardo Carranza of El Salvador, Shelly Sekas of Kewaskum, our Americans Abroad returnee from Finland, Anne Dorthe Sorensen of Denmark and Kikuko Yamada of Japan.

Helena Cordeiro is 17 and comes from Comadera, Portugal. She is staying with the Carl Plaum family.

Linette Guevara is 18 and comes from Panama. She is living with the Roman Loof family.

DISCUSS COUNTY-WIDE LIBRARY SYSTEM Village Equalized Value Drops

By GERRY MUELLER Statesman Staff Writer

The Village Board was informed Tuesday evening that Kewaskum's equalized value for 1981 has dropped \$998,-560.00, a decrease of .00088 down from 1980 figures.

Village Administrator Dan Schmidt stated EV figures showed the village had real estate at \$49,040,900.00 and personal property of \$6,383,-260.00 for a total of \$55,-424,160.00 in 1980. Figures for 1981 show equalized valuation of real estate at \$52,060,500.00, up \$3,019,600.00 over 1980. Schmidt said, however, there was no real growth noting 71% of the increase is attributed to inflation and only 30.4% to new growth. 1981 personal property figures show a drop of \$4,018,-160.00 to \$2,365,100.00. The main reason for the large decrease being this is the last year for the "M & E" exemption program (Merchant and Manufacturing Stocks Inventories). The program began in 1975. Schmidt noted that last year's loss was \$2,000,000 compared to \$4,000,000 in this final year.

Schmidt told the board that of 21 communities in Washington County, seven had decreases in equalized values and Kewaskum's appeared to be the largest drop. Overall county growth was 5.16% down from 15-16% in 1980 and 13-14% in 1979. Washington County has approximately \$7,376,000.00 in equalized value which is not being taxed by the county since it is being used to develop Tax Incremental Districts throughout the county.

Schmidt informed the board that changes included in the Governor's budget have discontinued Equalization Committee hearings. From now on figures will be given directly to the communities by the Department of Revenue and will have to be approved.

library system. After a lengthy discussion, board members felt there were several unanswered questions as to whether or not the village would see any real added benefits from joining the program. The largest question regarding the system hinges on funding. While most cities and villages would be receiving funds from the program (for the first two years in a contemplated three-year program) approximately \$87,000 for West Bend and \$4,000 for Kewaskum, townships would be required to collect additional taxes to cover their participation in the proposed program. Trustee Richard Schmidt listed cost figures for some of the surrounding communities. Slinger would have to come up with approximately \$5,000, Newburg \$1,700, Richfield \$34,000, Town of Kewaskum \$4,800 and Town of Farmington \$10,000. Trustee Dave Nigh asked what will happen after (Continued on Page 4)

School District's Career Education **Project Is Approved for Funding**

State Superintendent of Public Instruction Herbert J. Grover has notified the School District of Kewaskum that its proposed career education project, "CAP - A Career Awareness Program for the 80's," has been approved for funding in the amount of \$2,700.

The approved program is one of 32 receiving a share of the \$156,000 made available under the Career Education Incentive Act. This program is administered by the Wisconsin Department of Public Instruction.

Dr. Grover commended the School District of Kewaskum for its commitment to career education and the efforts it is making to establish dynamic programs to help students develop skills in preparing for work and relating work values to other life roles and choices.

The State Superintendent said he was pleased to be able to approve this award. He commented, "I believe strongly in career education and the efforts being made throughout the state to help our young people meaningful career make choices

The Kewaskum project, according to superintendent Floyd Brenholt, will be used to create a bank of career information materials. These kits will be available to all teachers for use in classrooms. A list of community resource people will also be compiled so that teachers will know who they may contact to present career information to students.

Brenholt said that Roy Esser and George Allmann of the Kewaskum staff have been working on the project. "Mr. Allmann is the official coordinator of the project and both he and Mr. Esser are to be commended for their efforts," was his response to notification of the award.

Aerobic Dance Classes Scheduled To Begin Here

Dance Slimnastics, Ltd. will offer area residents the opportunity to become members and "celebrate" in a new series of aerobic dance classes scheduled to begin in Kewaskum on Monday, September 14.

The new six-week session, entitled "Celebration," provides class members access to a complete aerobic fitness program set to music.

The classes meet two times per week for full 60-minute sessions. In addition, members may avail themselves of a unique open class policy, in which they may attend as many additional classes per week as they wish at no extra cost.

In class, members experience a full range of aerobic activity, beginning with warm-up exercises designed to help control heart beat acceleration and prevent unnecessary body strain. Next, the students engage in the more vigorous aerobic dancing. The class concludes with cool-down dancing which gradually slows the heart rate.

The program is open to everyone wishing to improve

muscle tone, joint flexibility, oxygen utilization capability and an overall sense of wellbeing. Persons of all shapes, sizes and ages are welcome. Each participant develops his own pace in a non-competitive setting. No previous dance experience is necessary.

The dance routines are easily learned, and when performed on a steady basis, also facilitate participation in other, more vigorous activities. ''Celebration,'' like each

"Celebration," like each Dance Slimnastics, Ltd. session, features new choreography and music so that the material is fresh for new and returning students alike. Special classes are available for children and persons with handicapping conditions.

Dance Slimnastics, Ltd. is a nonprofit corporation based in Port Washington, Wisconsin, with classes available in 13 states. All instructors are certified in Cardio-Pulmonary Resuscitation (CPR) techniques.

For further information on class times and locations in this area, please call Vickie at 338-2396.

Scouts to Meet, Plan Help at Turkey Shoot

The Kewaskum Boy Scouts will meet Monday, September 14, at 6:30 p.m. at the Legion Hall to make plans for helping at the Turkey Shoot September 20 and clean up September 21.

This will also be an organizational meeting for new scouts, boys age $10\frac{1}{2}$ -14 interested in joining should attend this meeting with one or both parents. The September 21 meeting will be held at the Bar-N Ranch. Scouts will help clean up grounds between 5:00 and 6:30 p.m. Those needing a ride should meet at the Legion Hall between 4:30 and 4:45 p.m. The Scouts will get supper at the Ranch after cleaning up and brought home by 8:00 p.m.

A short committee meeting involving all scouts and parents will held at 7:00 p.m. September 28 and October 5 at the Legion Hall to make plans for Fall Camp Out October 16-18 and other scout activities this Fall.

Forester, Wittman

Guests at Air Show

G. W. Forester of West Bend and. Hubert Wittman, retired barber of Kewaskum, were guests of the latter's brother, S. J. Wittman, during the recent EAA Air Show at Wittman Air Field at Oshkosh.

G. W. was picked up by the captain who flew the huge 768 plan from Austrialia in twenty hours to Milwaukee, at the air terminal there. The large plane carried several hundred Australians and some planes. S. J. Wittman picked up his brother, Hubert, in an official car. They went to his private hanger and on to a dandy home on the edge of the north woods, 700 feet off the runway.

There were two old planes at the show, one from Australia dating back to 1897 and the U.S.A. Wright Brothers from 1902.

Forester and Wittman had a fine time with all the Australians, plenty of Blatz to go around, plenty of food, and a special treat was the home baked beans. "One of the best times of my life," Forester quoted.

Can running be useful therapy for emotional illness? Dr. Thaddeus Kostrubala of San Diego started a group of his psychiatric patients running one hour three times a week. Changes in the patients were remarkable: fewer symptoms of depression; a schizophrenic patient could be taken off medication, etc. Smoking and drinking were reduced or stopped - unhealthy relationships improved.

the two years are up? There has been no guarantee of future funding and Nigh felt Kewaskum could end up paying for this program too, commenting ''nothing is for free.''

Trustee Don Mlodzik noted although he believed in the user fee, he was concerned that if this program goes through and Kewaskum didn't join, villagers could not go to the West Bend library. One board member commented it was a shame that some non-resident library users went to West Bend and have never even bothered to try Kewaskum's library. West Bend non-resident cards cost \$28.00, Kewaskum nonresident cards cost \$5.00.

Dick Schmidt noted changes in the Kewaskum Library would have to be made to conform to the proposed county system. Police Chief Hlavaty said, ''talking as a private citizen and homeowner, I'm so afraid that if the control goes out of your hands you'll never get it back again.'' Trustee Raynor Herriges stated, ''we've got a pretty nice library here all these years and now we want to change it.'' Pete Albers commented, ''I've never seen anything that the government has put out that there isn't strings attached to it and every govern-

They keep adding strings and they always got their claws into you.'' Mlodzik stated, ''that's what we were afraid of at the first meeting, that we would lose control.''

Dan Schmidt stated, "the board has basically three options, either to hold and not give Charlie Miller a recommendation, because this hasn't been approved by the county of vote either for, against it or no opinion, and let the chips fall where they may." Herriges made a motion to make no formal recommendation to the Board of Supervisors. The motion was unanimously approved by the Village Board.

The Kewaskum PTO presented their suggestion to hold a Trick or Treat party in a school gym rather than the usual house to house rounds as in past years. Mrs. Ellen Coulter told Dan Schmidt the program would be open to all children in the district, however, the pro-gram would be run only if the Village dropped its annual Trick or Treat hours since the object was to keep kids off the streets. Since no immediate decision was necessary, Trustee Jeff Rohrer was appointed to contact Mrs. Coulter and get additional details and information to be presented at the next board meeting.

Wastewater Superintendent Pete Albers informed the board it may be necessary to purchase covers for the treatment plant clarifiers to prevent freezing during winter operation. The covers may be necessary due to changes in regulations regarding waste treatment. Estimated costs are \$41,000 each for two 46 ft. Fiberglass domes, or \$73,000 for two aluminum domes. No action was required, but Albers felt the board should be aware of the situation. A bartender's license for Allen Muench was approved. Applications by Michael Swenkoske and Gordon Wilhelmi were tabled since they were not

accompanied by the necessary doctor's forms.

Building permits were approved for Lloyd Westerman shed, Wayland Tessar - house addition, and Randall Kemp -

Wayne Scouts Hold Picnic

Brownies eating marshmallows the "hard way."

The brownie and junior Girl Scouts from Wayne held their first annual family picnic in August at the park in Allenton. The weather was a "little damp" but the spirits of the scouts, parents, and brothers and sisters sure wasn't. There were games and prizes for everyone, including a super exciting baseball game. Like all good picnics, there was plenty of delicious food.

Some awards were also presented at this time. Dick

School Board Meeting Monday

The regular meeting of the Kewaskum Board of Education will be held on Monday, September 14, 1981. Beginning at 7:45 p.m., the meeting will be held in the district administrative offices.

A short agenda will face the board at this meeting. A closed session will be held at 7:45 and the board will reconvene in open session at approximately 8:15 p.m.

Agenda items will include changes in teaching assignments and contracts, payroll and vouchers payable, action on policies, approval to sell vehicles and typewriters on bids,

Meeting of Literary **Discussion Group** At Public Library

The Literary Discussion group will again meet at the Kewaskum Public Library on the third Tuesday of the month, September 15. The book to be discussed will be "Kane and Abel'' by Jeffrey Archer. Our leader for the day is Laverne Hron. We welcome new participants.

The schedule for the 1981-82 season is as follows: For October 20, we will read two short stories, "The Wall" by Jean Paul Sautre and "The Open Boat'' by Stephan Crane. Both stories are in the book, "The Search for Meaning." Several copies of this book are available. "Covenant" by James Michner will be on the agenda for November 17.

We will discuss books by the Wisconsin author, August Derleth, on January 19. The readers may choose from any of his many books. Then, on February 16, we take up the book "Noble House" by James Clavell. The group will talk about a classic, "So Big'' by Edna Ferber on March 16. "Answer As a Man" by Taylor Caldwell will be looked at on April 20 and the last session on May 18 will again be two short stories, "The Figure in the Carpet" and 'Signs and Symbols'' by Vladimir Nabokov.

The discussion group is looking forward to another interesting year and many lively discussions. Please join us. If you would like additional information please call Phyllis Bade, 626-2637.

Obituary

EDWARD BAUMHARDT

Edward C. Baumhardt, 85, of 154 Martin St., Campbellsport, died Wednesday, Sept. 2, 1981, at Fond du Lac Lutheran Home, Inc

He was born Nov. 20, 1895, in the Town of Eden, the son of the late Charles and Amelia Thrune Baumhardt. He married Adella Bartelt at Waucousta on Aug. 8, 1917

Mr. Baumhardt was a retired conductor for the Chicago & North Western Railway. He was a member of Immanuel Lutheran Church at Campbellsport and Brotherhood of Railroad Train Men.

Survivors include his wife; two daughters, Mrs. Martin (Laviola) Pricco and Mrs. Dante (Geraldine) Pricco, both of Bessmer; three sons, Vernon of Fortuna, Calif., Dean of Niles Ill., and Ivan of Campbellsport, 17 grandchildren; and 13 greatgrandchildren.

Also surviving are two sisters, Mrs. Paul (Bernice) Hoffmann of Campbellsport and Mrs. Viola Hoffmann of Fond du Lac; and a brother, Francis of Eden. A son, grandchild, brother and sister preceded him in death.

Funeral services were held at 7:30 p.m. Friday at Immanuel Lutheran Church, Campbellsport. Pastor Allen Capek officiated and burial took place at 10 a.m. Saturday in Union Cemtery, Campbellsport.

Visitation for Mr. Baumhardt was from 5 to 7 p.m. Friday at Twohig Funeral Home, Campbellsport. Memorials would be appreciated.

Letters to The Editor....

September 8, 1981

To the Editor Kewaskum Statesman

I find it rather ironic and amusing(?) that the most significant rebuttal to my recent letter and the strongest defense of the recent Kewaskum School Board's action with regards to the large ADMINISTRATIVE salary increases was in the form of a letter by a member of the school ADMINISTRATION.

Please note the question mark after the word amusing. It is there because this situation would be amusing except for the fact that these raises, along with other budget items that could have been cut by the Board, place further tax burdens on each and every property taxpayer of this community.

Perhaps the fact that this rather lengthy rebuttal by an ADMINISTRATIVE member is indicative of what is wrong with the makeup of the present Kewaskum School Board.

A rather old expression comes to mind:

New Faces on KCHS Staff

Four new teachers and two guidance counselors have joined the staff of Kewaskum Community High School this year, bringing the total number of staff members to 47. One of the new teachers is Ms. Denise Leong who will be teaching sophomore English and preparatory college composition and literature. After graduating from UW-Milwaukee with a B.S. in English and history, she taught eighth grade English at the middle school in Kewaskum for seven years before joining the high school faculty this year. Denise feels teaching in the high school will be, a challenge, but hopes it will be an enjoyable one.

Miss Betty Bayuk joins the home economics department, teaching beginning foods, advanced foods, child development and single living. She will also be assistant advisor to the F.H.A. organization. A graduate of Stout University, she graduated with a B.S. in home economics education. Betty was a student teacher at Kewaskum High School last year and is looking forward to meeting with both former students and new ones. Ms. Bayuk will be with the KHS staff for just the first semester while Ms. Martin, the regular home economics teacher, is on maternity leave.

Home furnishings and consumer management will be taught by Miss Linda Herrera, a masters degree in guidance first year teacher who graduated from UW-Stout with a B.S. in Home Economics. Linda degree in guidance from the practice taught at the Port University of Wisconsin-Stout.

Washington Middle School. In addition to her teaching duties she will be this year's advisor to the Future Homemakers of America organization, at the high school. Ms. Herrera is looking forward to her first teaching assignment at KHS.

Joining the industrial arts department at KHS this year is first year teacher Bill Stangl. Stangl is a recent graduate from Stout University with a degree in Industrial Education. He will be teaching industrial synthetics and auto mechanics at the high school and industrial arts at the middle school. Bill is also assistant football coach at the high school. He is impressed with the friendly faculty and excellent curriculum and facilities and is looking forward to a good year at KHS.

The guidance department has two new counselors this year. Mrs. Sharon Blank and Milt Dickinsen will be in charge of the freshmen and sophomore classes this year. Both counselors are not new to the district with Mrs. Blank having taught third grade for the last 10 years at the Kewaskum Elementary School and Dickinsen having served as the elementary school counselor the last three years. Both counselors will be sharing duties between the district elementary schools and the high school. Mrs. Blank received her from UW-Oshkosh last year. Dickinsen received his masters

Stewardship Appeal Tops \$4.5 Million Goal

The annual archdiocesan fund appeal topped the largest goal in its 48-year history by \$41,694, Msgr. Joseph P. Springob, general chairman, announced this week. The latest dollar figure achieved in the Catholic Stewarship Appeal is \$4,541,694.

In surpassing the goal of \$4,500,000 the contributors also reversed a 10-year trend of a diminishing donor base. There are 1,700 more donors in 1981 than in 1980.

According to county chairman Leo F. Schlaefer of West Bend contributors from Washington county parishes have given \$172,759, surpassing last year's total of \$164,687.

When informed of the newest totals Archbishop Rembert Weakland said, "The generosity of the people of this archdiocese overwhelms me. It has been one of the greatest signs of hope during my years here.

Msgr. Springob, commenting on the latest reports, said, " am elated. Many people will be helped, directly and indirectly by the agencies funded, at least in part, through the campaign."

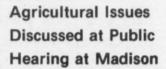

He also pointed out that the goal would not have been reached without the collaboration of many volunteers, the dedication of the small staff engaged in the appeal, the support of the parish priests, and the contributions of generous persons and organizations.

He said, "We believe that the highest purpose of giving is thanksgiving, so we really give thanks to all who participated in any way - and thereby we also give thanks to God.

Msgr. Springob indicated that the drive does not officially close until the end of the calendar year, December 31, 1981

He said, "Contributions will therefore continue to be received and are surely encouraged. Many donors prefer to make their contributions later. in the calendar year for tax considerations.

"With the modest goal increase this year (7%) not even keeping pace with cost of living advances, exceeding the goal significantly becomes almost a necessity.

Last week was a week for agricultural issues at the State Capitol, according to State Rep. Gervase Hephner (D-Chilton).

Lawmakers sitting on the Assembly Agriculture and Nutrition Committee heard testimony from concerned citizens and bureaucrats on a wide variety of agriculture-related topics at the day-long public hearing last week, Hephner explained.

One proposal that received a lot of attention calls for stricter controls on the spread of brucellosis. The highly contagious disease causes cows to abort or give less milk. Although Wisconsin is presently considered a brucellosis-free state, the spread of the disease is threatening the state's rating and livestock industry.

Noting that most of the problems stem from infected animals imported across state boundaries, the majority of people testifying agreed that all imported cattle should be vaccinated, Hephner said. However, the provision requiring all cattle moved inside that state to have a negative brucellosis test or a vaccination was more controversial.

"We certainly must clamp down on the spread of brucellosis," Hephner pointed out, 'but we cannot tie the hands of our livestock industry with unreasonable regulations.'

Another proposal considered by the committee would extend our law regulating individual aliens owning state land to alten businesses and corporations, as well, Hephner reported. Like individual aliens, alien corporations would be limited to only 640 acres of land in the state. In addition, they would be required to report the name, citizenship and residence of the owner or owners.

The committee heard lengthy discussion on a proposal that would allow canning companies to own land and livestock as a means to dispose of their veget-

Page 10, Kewaskum Statesman, Friday, Sept. 11, 1981

able wastes. Although supporters of the legislation argued that canners should have this option to dispose of the troublesome material, opponents claimed that it would open-up the corporate land ownership laws.

"Our corporate farm laws were designed specifically to protect and preserve the family farm in Wisconsin," Hephner pointed out. "Although we must develop a solution for the vegetable waste disposal problem, we must also proceed very carefully on proposals that would change the corporate farm law," he added.

The committee recommended for passage a proposal exempting implied warranty from the sale of livestock. Since animals are not mechanical objects, it isdifficult to sell them with a guarantee. For example, Hephner explained, latent, undetectable diseases mayappear after selling an animal. However, the legislation, does not release the seller from the consequences of fraud or misrepresentation.

This proposal will now be placed on the schedule to be heard by the Assembly during the next floorperiod. The other proposals heard by the committee which also include bills that call for changes in the veterinary examining board, placing trailer-mounted liquid fertilizer containers in the definition of implement husbandry, changing the farmland preservation program, extending the fertilizer research council and establishing right-tofarm legislation, may be considered by the committee another time.

Conservation Speaking Contest Planned in County

The Washington County Soil and Water Conservation District Junior Board Supervisors are once again planning for the annual conservation speaking contest to be held this fall in Washington County.

The contest is open to all public and parochial Washington County students in grades 5-12 who wish to research and prepare a short speech on any subject involving conservation of soil, water, wildlife, energy, air, mineral or forestry.

Speeches should be geared toward the local conditions related to Washington County or Wisconsin.

Teachers are encouraged to initiate a classroom contest for their students, and sent the top 2-3 speakers to the county contest. The contest offers students in a wide age span an opportunity to learn more about conservation through individual study and speech preparation.

Students will be divided into three divisions, grades 5-6, 7-8, and 9-12. Trophies will be awarded to first and second place speakers in each division. Students wishing to enter should talk to their English, ecology, science or agriculture teacher, or contact Marc Bethke, 2395 West Washington St., West Bend, Wis. (phone 334-3706 for more information and/or applications).

The contest will be held on October 14, 1981 beginning at 4:00 p.m. in the West Bend High School. Applications must be sent to Marc Bethke no later than October 9.

Retirement Program Sessions Planned in Washington County

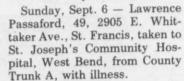

The Business-Industry Education Advisory Council of Washington County has announced their 4th Pre-Retirement Planning Program sessions. A news release said that the five weekly sessions will begin on Tuesday, October 13, 1981.

The sessions will be taking place at the Cedar Lake Home Campus - Learning Center on Highway "Z" in West Bend. The cost for all five sessions is \$10.00 per registrant, which includes your spouse.

The sessions will deal with many phases of pre-retirement planning. For instance, one session will talk about housing and its choices and locations along with short and long term health care facilities and what to do with your leisure time. Another session will deal with estate planning and your financial needs. The aging process and your attitude towards retirement will also be topics for discussion.

This program is for anyone who is interested in expanding their ideas about retirement. A past participant has urged "not to wait until five or ten years before you retire to begin planning. The seminar can make your retirement dollar go farther and assist you in utilizing your time wisely."

To register, make your check payable to PREPP and send along with your name(s) and address(s) to PREPP, P.O. Box 118, West Bend, Wisconsin 53095. Participation is limited. Please mail before September 15, 1981.

Goeden Sews Up E.W.S.C. **Modified Championship**

WEDNESDAY FRANCIS CREEK

At the 141 Speedway, the last night of racing was a continuation of the excitement that was shown all year. Willie Goeden and Dickie Berth of Cedar Grove worked their way through the pack of the 40 lap feature event. Berth took the lead on the 10th lap from Etchie Biertzer of West Bend, and Goeden passed Biertzer on the 13th lap for second position, and the duel began! But Berth, with his "dirt tracking" style, (on asphalt) and lapped cars in his favor, came home the winner as the checkered flag dropped with Goeden on the outside, just a bumper behind! Placing third, was Woody Klug of Cascade, who is running 10th overall in the point standings. Etchie Biertzer finished fourth in the main event and is currently in fourth place in the standings.

SATURDAY PLYMOUTH

It was "fair time" at the Sheboygan County fairgrounds. The stands were packed to see the races. But this reporter, as she sees it, says it was a waste of money! The track was so hard and dry the drivers couldn't put on a good show of racing. Billy Johnson of Slinger started on the pole of the main event and went on to win it. (He has started on the pole three times this season at Plymouth, and has won three times). Dickie Berth finished 5th, Goeden placed 7th, with Ron Luedtke and Frankie Heimerl placing 8th and 9th consecutively. It was a "follow-the-leader" kind of track.

SUNDAŸ CHILTON FAIRGROUNDS

Every year the E.W.S.C. puts on a race event at the Chilton Circle Track of Clay. Etchie Biertzer was the modified's fastest qualifier and Frankie Heimerl took second, while Butchie Hafeman of Campbellsport timed in the third spot. Jack Kiel of Cato won the feature event on the rough and rugged track. Rich Wondra of Campbellsport finished in the fourth position. Due to the track conditions, other drivers from this area finished farther back in the event. (Goeden, E.W. S.C. point leader, was at Slinger, racing his late model).

Girls Nudged by Horicon, Defeat Mayville in Tennis

The Kewaskum girls tennis team lost a match at Horicon last Tuesday that Coach Jan Rosenthal thought they would win. Losing two of the three doubles events, they allowed the Marshmen to nudge them, 4-3.

The No. 1 doubles competition probably decided the match. The Indians' Marjean Backhaus and Jenny Zemlicka were ahead by a couple of games then got cold and wound up on the short end of a 7-9 duel.

Another disappointment was that Deb Allmann, No. 1 singles player, lost decisively.

In their match at Mayville Wednesday the tennis teams did something differently. All players on the varsity and JV played both singles and doubles. The varsity won, 9-6, and the JVs wound up in a 6-6 deadlock. It was a variety that gave the girls an opportunity in two pro set matches.

Julie Dettmann played very well in No. 1 singles and so did Lisa Matenaer. Playing well for the JVs were Amber Charland, Donna Hlavaty, Sherry Simon and Darla Prost.

1978, was a bit off form for the match in his chipping and putting.

Hilgendorf said it was the first time he played 36 holes since he first started playing golf and he apparently was tired. A year ago he lost to Clark Eichstedt in the semi-finals, 4-3. This year he ousted Eichstedt, defending champ, in 19 holes.

The women's title, which switched to medal play as an experiment this year, was won by Mary Ann Koss, a teacher in the Kewaskum School District. It was the third straight title for Koss but she received a late challenge from Bev O'Connor. O'Connor shot a 46 on the back nine Saturday to close from eight strokes down to two. Koss ended up with a 164. Other winners:

Women's First Flight Tudy Warner.

Women's Second Flight -Kathy Wierman.

Men's First Flight - Lee Benish over Jack Holfeltz.

Men's Second Flight - Roy Warner over Dan Laatsch.

Men's Third Flight - Chuck Boegel over Bernie Wagner.

Men's Senior Special - Art Jaraczewski over Frank Schmidt.

Juniors - Brian Josten over Bob Lyons.

Don't Shine Wildlife

Shining is defined as casting rays of light on a field, forest, or other areas for the purpose of illuminating, locating, or attempting to illuminate or locate wild animals. Anyone casting rays of light on such areas which are frequented by wild animals is presumed to be shining.

During any time of year it is illegal to shine animals from a vehicle or while on foot if in possession of a firearm, bow and arrow, or crossbow.

However, hunters may use a flashlight at the point of kill while hunting on foot for raccoon, fox, or unprotected Friday, Sept. 11, 1981, Page 15 for the animals hunted.

After contacting their conservation warden or sheriff's office, hunters, as long as they do not possess a weapon, may use a light after legal hunting hours in an attempt to locate game that was shot during legal hunting hours but could not be retrieved. Hunters also may use a flashlight to find their way into and out of a hunting area but must not shine the surrounding area as they pass through.

The shining law does not prohibit farmers from shining their lands to locate livestock

SUNDAY SLINGER SUPER SPEEDWAY

Going into the evenings events, Johnny Ziegler of Madison had the point lead in the late model division by only 5 points over Joel Laufer of Hartford, who had the lead all season. As the events continued, the points see-sawed back and forth between the two, but with the 81 lap feature well under way it was Johnny Ziegler all the way, winning the feature. Laufer took second, Tony Strupp finished third and Goeden placed sixth to maintain his third place in the point man ninth standings.

Wayne Erickson, the promoter of Slinger Speedway, has a \$15,000.00 point fund set up for

and Mark Westemeir of Campbellsport was second with an 18:19. Bob Jandre took a fifth. For the girls it was Mary Klas of Random Lake first with 12:46 for two miles. She was a minute faster than Deb Cibulka of the Cougars.

Jeff Nigh looked good for the Indian boys for the first two miles and then slowed down because of a previous illness. For the girls, freshman Sandy Klein surprised with a third, Carol Schmidt was fourth, and the other three counters were Vicki Reif in sixth, Gail Backhous seventh and Erika Foll-

Indians Lose Close Game At Slinger in Opener

The Kewaskum Indians opened the 1981 football season with a non-conference game at Slinger (rivals of the former Scenic Moraine Conference) late Friday afternoon and were defeated in a close contest, 12-7. It was a well played game for an opener.

First Do The Owl players and coaches Yords Rush were delighted with the victory Total and whooped it up after the Possing game. The win avenged an Penalties Indian victory last year in which Fumbles Lost both schools had unimpressive $\frac{SLINGER}{KEWASKUM}$ for 0 - 12records. Slinger went 0-9 and Scoring - S John Breuer, 32 yd. run, kick fail-Kewaskum 1-7, their only win ed: K Dave Donath, 10 yd. run, Larsen kick; S coming over the Owls. coming over the Owls.

In Friday's game, the Owls, who had trouble scoring last year, used offensive ball control, especially in the 'second and fourth quarters, to check the Indians. A great job on pass defense in the closing minutes saved the game. Except for one interception and one fumble, Slinger played nearly errorless ball.

The Owls scored quickly as they took the opening kickoff and marched 57 yards in nine plays. They picked up two first downs and then slotback John Brewer electrified the Parents Day crowd with a 32 yard counter play for a touchdown. The try for extra point failed and the score stood at 6-0.

The Indians bounced right back with a 65-yard drive of their own with Jim Krahn and Scott Stoltzmann doing the carrying. Then on fourth down and inches for a first down, Dave Donath cut outside and crossed the goal line for Kewaskum's only score. Brian Larsen's kick put the Indians on top, 7-6.

Late in the second quarter, quarterback Mike Parrish of the Owls threw a nifty 31-yard scoring pass to Ken Cornell, who got behind his defender in the end zone, capping a 56-yard drive. The score came with only about a minute remaining in the half. Again the try for extra point failed.

The Indians came out roaring in the second half and moved the ball from their own 28 to Slinger's 26 yard line. Then, with a fourth down and one situation, Dave Beine nailed wingback Jeff Geidel for a two yard loss on a probable touchdown saving tackle.

The Owls started saving on the clock and with Al Hefter and Mike Nettesheim gaining good yards, picked up five first downs. Finally Kewaskum got the ball back on its own 20. Geidel's 40-yard gain after taking a short pass and making a good run, put a scare into the Owls. But the drive bogged

Flyway Conference in another non-conference contest. The Cougars, with many lettermen back, defeated Ozaukee last week, 20-7.

Slinger Blanks

Kewaskum JVs

After battling to a 0-0 deadlock in the first two quarters, two second half touchdowns gave the Slinger JVs a 12-0 victory over the Indian JVs here Thursday evening in the opener for both teams.

Quarterback Brian Miller and end Bruce Jonas were mainly responsible in both Owl touchdowns. Miller connected with Jonas on a short pass which resulted in a 65-yard score. The second score, also on a pass, covered 45 yards.

Steve Wacker, Mike Hamm, Jonas and Bob Benedeum played well on defense for the Owls, while Jeff Tornow was cited for some hard running.

Kewaskum got as far as the Slinger 25-yard line once in the first half but penalties ended the threat. In the last period, the Indians put on a serious threat when they drove to the Owl 11 before fumbling.

Kewaskum Girls Improve As Oconomowoc Again Wins Little Ten Golf Meet Here

Oconomowoc won their second Little Ten golf match of the season by 13 strokes last Wednesday. Kewaskum is competing in the Little 10 Conference in golf this season.

Cooney was led by Beth St. Thomas' 45 and two 48s from Lisa Nicolatta and Wendy Tarmin and ended up with a 194 total. West Bend East was second with a 207. Watertown was again third and again Jean Hackbarth took medalist honors by firing a six over par 43 on the front nine at Hon-E-Kor course in Kewaskum.

Laura DuPont carded a 48 to lead Hartford to their 218. West Bend West finished fifth.

Kewaskum had several players showing improvement while others who had been

doing well had problems. Pam Perkins got under 60 for the first time with a 58 and soph Doreen Jacobs, new at the game, came down to 72.

GIRLS BEAT MAYVILLE

The Kewaskum girls defeated Mayville handily, 243-273, in one of their few home matches Friday.

The Cardinals' Terry Tighe took medalist honors with a 49 but the Indians' Melissa Koch and Cheryl Jaeger came back with a 56 and 57 respectively. Pam Perkins was next with a 62.

Kewaskum moved back into Little Ten action Wednesday with a match against Hartford at Hartford Country Club.

Front row (left to right) - Randy Heberer, Randy White, Scott Muench, Tim Perkins. Middle row - Steve Muench, Jeff Petermann, scorekeeper Ted Miller, Manager Bill Backhaus.

Back row - Randy Tessar, Tom Bartelt, Gary Witkowski, Ron Theusch. Missing - Al Jaeger, Mike Donath, Mark Tessar, Jim Koepke.

The Kewaskum Land o' Lakes baseball team finished its first year back in the league in eighth place in the Lakes Northern Division with a 4-17 record. Manager Bill Backhaus released final statistics for the team this week.

Kewaskum scored 88 runs in

in doubles with five, led the regulars in least strikeouts with eight, and was second in walks with 14. Randy White led in walks with 17, stolen bases with seven, triples with one and was second in runs scored with 12. Perkins was second in stolen

14 and tied Perkins for the lead score for the team this year. In summing up the season, Backhaus said, "The main thing is we've got a group of players who proved they want to play ball. We did our best and

stayed with it despite the losing record. We've got a foundation now to build for the future.'

The team wishes to thank all of its sponsors for their fine support this year.

down and a fourth down pass fell incomplete.

The Indians got the ball again with only 2:34 remaining but Steve Konrath intercepted a Ric Leitheiser pass on the first play and returned it to the Indian 28. On the next play the Owls' Hefter fumbled, giving Kewaskum one more opportunity. Leitheiser completed an 11-yard pass to Larsen but John Vogt then intercepted another and the Owls ran out the clock.

St.

In other games involving some Eastern Wisconsin teams, Chilton defeated Kewaunee, 9-0: Howards Grove bested Kiel, 7-0, and Two Rivers ran over Appleton Xavier, 21-8.

This Friday night Kewaskum hosts rival Campbellsport of the 21 games for an average of 4.2 runs per game. Opponents scored 187 runs for an average of 8.9 runs per game.

Kewaskum had a .214 team batting average and the pitching staff had a 6.71 earned run average. By comparison opposing teams hit at a .317 clip against Kewaskum and opposing pitchers had a 3.14 earned run average.

Ron Theusch led the team in numerous offensive categories, including a .280 batting average on 21 hits, two home runs, 17 RBIs and one triple. Al Jaeger was second in batting average with .265, while Tim Perkins hit .246 and Gary Witkowski .245. Jaeger was also second in hits with 18 and RBIs with 11. Tom Bartelt led in runs scored with

bases with three. Bill Backhaus was second in least strikeouts among the regulars with 11.

Bartelt did most of the pitching for the team, pitching 104 1/3 innings. He finished with a 3-12 record and a 6.30 ERA. Steve Muench, joining the team late in the year after completing the high school season, pitched 19 innings, finishing with a 1-1 record, and a team-leading 2.37 ERA.

Defensively, Theusch, catching and playing some right field, played the entire season without committing an error. Backhaus, playing first base and doing some pitching, had one error.

Special thanks goes out to scorekeeper Ted Miller, who did an excellent job of marking
