Kewaskum Area United Way **Fund Drive** Now in Progress

A dollar per paycheck from each area household is what Kewaskum Area United Way needs to exceed the 1981 goal. The local campaign kickoff was September 28.

'If every eligible contributor gives just \$1 per paycheck, we'll exceed our \$18,000 goal for this year," explained Allen Koepke, Kewaskum Area United Way president. He estimated 1,900 eligible households are in the Kewaskum area.

Koepke said the local United Way provides funds for services to people in the Kewaskum Community School District. Kewaskum Area Blood Bank, Kewaskum Historical Society, American Foreign Students (AFS), Bay Lakes Boy Scout Council and Waubun Girl Scout Council are a few of the health or social service agencies Kewaskum Area United Way helps support.

All members of Kewaskum Area United Way are volunteers. Less than two percent of the local budget goes to administrative costs.

This year's local fund drive co-chairmen are Bert Preis and Roy Esser. Wayland Tessar serves as budget director.

Kewaskum Area United Way volunteers will contact area residents at their jobs, in their homes or by mail. Contributions can be sent to Kewaskum Area United Way, Kewaskum, WI 53040. The fund drive runs through October 30.

Career Planning Program Scheduled At High School

On October 14 all juniors at Kewaskum High School will have an opportunity to participate in a career guidance and educational planning experience - the ACT Career Planning Program. The CPP is designed to help young adults make better decisions about their education and career plans. Dave Wietor, guidance counselor at Kewaskum High School, points out that national studies reflect that 11th grade students rank "help with career planning" as their most important need. Yet, in many schools selling this need, currently, is not being addressed. It is in response to this need that Kewaskum High School is providing the opportunity for students to participate in the Career Planning Program.

Participating students complete the Career Planning Program instrument which measures the student's career related interest, experiences, abilities, and plans. The data collected is developed into a report for each student to help them relate this information about themselves to career options and the world of work. The reports will be reviewed with students in group and individual counseling sessions. Wietor stated that the Career Planning Program is more than an assessment experience, but rather a first step, or foundation for the start of each student's career journey. About 51% of last year's seniors at Kewaskum said they were planning further education after high school. Nineteen percent were planning toward a technical/vocational program and 31% were aiming for four years or more of college attendance. "The aim of the school's guidance program is to assist all these students, regardless of their objectives, with the process of learning about and exploring career opportunities," said Principal Clark Pearson at KHS. "We feel that Career Planning Programs will help us accomplish that aim.'

Volunteers Needed for First PTO Halloween Party Here

For all of the children who are already dreaming of pumpkins, ghosts and goblins, Kewaskum Elementary PTO members are busily planning for the first community Halloween party to be held Friday, October 30, from 5:30-7:30 p.m.

This is a result of a unanimous vote favoring the party at the PTO meeting on September 24. Prior to this, the Kewaskum Village Board had unanimously given their approval for this community alternative to Trick or Treat Night.

The party is open to all children from kindergarten through sixth grade who attend the following schools in the village: Kewaskum Elementary, Holy Trinity, and St. Lucas. Pre-schoolers in the Kewaskum Elementary School district are invited if accompanied by their parents.

The party will begin with a costume parade at 5:30 p.m. on the football field behind Kewaskum Elementary followed by entertainment and refreshments at Kewaskum High School.

Due to the great number of people needed to ensure the success of such an undertaking, citizens are being asked to volunteer their services either in the preparation or on the night of the party. One does not need to have a child attending one of the schools to volunteer and it is hoped that some senior citizens may also be willing to assist. Anyone who is willing to help should telephone one of the committee chairmen listed below .:

Decorations - Mary Lou Chambers - 626-8075

Entertainment - Carole Conners - 626-4328

Parade - Cheryl Ammel -626-4731

Publicity - Janet Hubbell -626-4607

Supervision - Cheryl Ramthun - 626-4395

In addition, the PTO is welcoming donations to help defray the cost of the party, and several have already been received. Drop-off boxes are located in both the Valley Bank and the West Bend Savings and Loan, Kewaskum office. Also, donations may be mailed to Mrs. Sheryl Rinzel, 3800 Ridge Road, Kewaskum, 53040. All checks should be made payable to the PTO Halloween Fund.

Reservation forms have been given to each child in the three schools; however, there is a form printed in this week's Statesman for your convenience This should be returned to Mrs. Ellen Coulter, General Chairman, 1233 Roseland Drive, Kewaskum, by Friday, October

The principal, Clark Pearson, of Kewaskum High School, today released the names of 3 seniors who are being commended in the twenty-seventh annual (1982) National Merit Scholarship Program. Letters of Commendation will be presented to Colleen Kumrow, Shelly Sekas and Jennifer Zemlicka, who placed among the top 51,000 participants in the current competition.

A spokesman for National Merit Scholarship Corporation (NMSC), which conducts the Merit Program, stated, "To be designated a Commended student is an outstanding attainment, deserving a public recognition. The nation will benefit from the continued educational and personal development of students such as these, for they have shown exceptional promise. We sincerely hope that the able young men and women being honored will re-

Cedar Lake Home Festival Oct. 4

"Fun for the entire family from kids to great-grandparents" is how the Cedar Lake Home Campus notes its annual Fall Festival to be held Sunday, October 4, from 11:00 a.m. -5:00 p.m.

The greater community is invited to join the campus in a day of family priced activities.

A ham luncheon for \$3 will be served from 11:00 a.m. - 2:00 p.m. at Fellowship House.

A craft and bake sale, horse drawn carriage rides, hay rides through the forest, a game arcade, a magic show, antique car display, museum tours, resident entertainment, and plenty of brats, hamburgers, and chili, are all just part of the day's activities.

The First Brigade Civil War Band will perform at 2:00 p.m. at "Fort Cedar."

The Tripoli Shrine Concert Band will present a concert at 2:00 p.m. at Friendship House.

Artie Minz and the Countrymen will spark the dance lovers beginning at 3:00 p.m. at "Fort Cedar."

Full Circle and Gary Cross will also provide listening and dance music at Friendship House.

The festival is sponsored by the Cedar Lake Home Campus Foundation to provide community members with the opportunity to bring the old and the young together to enjoy the beautiful 215 acre campus and its beautiful fall coloring.

Cedar Lake Home Campus is located at 5595 Hwy. Z, West Bend, two miles south of State 33.

Offer Cub Scout Training Sessions For Leaders, Others

Cub Scout Basic Training for Cubmasters, Den Leaders, Webelos Leaders and Committee People in Washington and Ozaukee Counties is being offered by District 11 of the Bay-Lakes Council of the Boy Scouts of America.

There will be two plans. The first one is Saturday, October 3, from 9:00 a.m. - 4:00 p.m., at St. Mary's School, corner of Jefferson and Monroe Streets, West Bend. Participants are asked to bring a sack lunch (coffee will be provided) or they may go out to lunch. The other plan is on Wednesdays, October 7, 14, 21, 28, from 7:00 - 8:30

Cub Scout Pack Meeting Held; Awards Given

Pack 3744 held it's first monthly pack meeting for the 1981-82 year on September 28 at the Kewaskum Middle School.

Flag ceremony by Den 1 opened the meeting. Cubmaster Marilyn Haug turned over the meeting to committee chairman, Kathie Ramthun, who introduced her committee as follows: Kathie Ramthun, committee chairman; Marilyn Haug, Cubmaster; Gordon Wilhelmi, assistant Cubmaster; Pat Marx, secretary; Pat Geidel, publicity; Mary Kudek, Janet Gildersleeve, Sherri Kocher, Steve Liegl and Marilyn Haug, Den Leaders; Jerry Geidel, Webelos leader; Robert Kirst, assistant Webelos leader; Pat Marx, outings; Darlene Walls, Blue and Gold, and Cheryl Ammel, Genius Night Kits.

The committee is responsible for pack policies, equipment, financing, selection of pack leadership, and the general well-being of the pack.

The meeting was then turned back to the Cubmaster who presented awards. Nine scouts received the summertime award. A special pin denoting the boys attendance at all three of the packs summer activities were given to Jason Walls, Kevin Ramthun, James Kudek, Steve Liegl Jr., Allan Dirmeier, Charles Walls, Bret Rauch, Curtis Ammel and Joel Miller. Two leaders who attended all summertime activities were Mary Kudek and Pat Geidel.

New Webelos scouts Noel Stradtman, James Kudek, Jeff Everates, Donnie Nelson, Doug Geidel and Charles Walls were presented with their scarves. Webelos are third year scouts; their activities and achievements differ slightly from the younger boys. They work throughout the year on 15 activity badges designed to stimulate a boys interest in a hobby, skill or vocation. Five of these boys, Noel, Donnie, Jeff, Doug and Charles, received patches for attending the Pathways campout over the past weekend. Despite bad weather the boys and their dads had a good time.

Allan Dirmeier was awarded his Wolf badge and gold arrow for work he accomplished this summer.

Den yells, songs and an entertaining skit by Den 4 followed. Future outings include a roller skating party, cake decorating contest and auction and a tour of the West Bend Army Reserve Armory. Page 6, Kewaskum Statesman, Friday, Oct. 2, 1981

This gift is made possible through the participation and cooperation of West Bend and Kewaskum business people who sponsor the Blessed Event Program. Mrs. Wessing gave birth to a nine pound four ounce girl on August 9, 1981.

Thanks to the business people in Kewaskum and West Bend who sponsor the Blessed Event Program which is continuing at the St. Joseph's Community Hospital, baby's medical records, can be complete and safe because every mother of a baby born at this hospital has been receiving the valuable medically and clinically approved baby record book -Our Baby's First Seven Years.

This gift is extremely valuable because baby's medical records and important data about baby's physical and emotional growth could very well be scattered about throughout the country. Family changes in business, school, or vacation trips may mean several different doctors would examine and treat the baby. Records could be lost, facts forgotten very quickly.

famous baby record book contains up-to-date pages which provide room for easy recording of medical facts and data about baby's growth right from birth through those first precious seven years.

Mothers feel a deep sense of security in knowning her recording of baby's statistics now will provide a complete medical history for her child which will be helpful in his growth and development. Such complete records are valuable to doctors in their diagnoses and prognoses regarding the child.

'The hospital joins all parents of babies born here in again thanking the business people who have made possible the presentation of this fine baby record book and the Blessed Event Program, states Fred Bury, Administrator of St. Joseph's Community Hospital ... "It is a gift that is vital to every child and will be used for a lifetime.

Mid-Monthly Meeting September 21, 1981 8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in mid-monthly session in the Council Room of the Municipal Building, 204 First Street.

President Gerald F. Stollenwerk presided. All Village Trustee Members were present.

The minutes of the September 8, 1981 meeting were approved as printed upon a motion by Trustee R. Herriges, seconded by Trustee J. Rohrer. Voice vote was unanimous.

The Kewaskum PTO was represented by 3 ladies to discuss with the Board the possibility of not having a community support "Trick or Treat" (beggars night), but instead to support a community Halloween Party. This was brought up under appearances by citizens.

Motion by Trustee J. Rohrer, seconded by Trustee D. Mlodzik to suspend the rules to discuss and consider the PTO's suggestion, which was placed on the agenda under unfinished business 7. (a). Voice vote was unanimous.

The Board discussed the matter with the PTO's representatives Rosalynn Kiefer, Ellen Coulter and Cheryl Ammel. Upon review and discussion a motion was made by Trustee R. Schmidt, seconded by Trustee D. Mlodzik to support the PTO's community Halloween party scheduled for October 30, 1981, from 5:30 to 7:30 p.m. on a trial basis. (This would mean that no community hours would be set for "Trick or Treat" this year). Voice vote was unanimous.

The request of Supt. of Wastewater Treatment to attend the annual conference for Wastewater Treatment Plants in Wausau was approved. Motion by Trustee J. Rohrer, seconded by Trustee P. Blumer. Voice vote was unanimous.

The application of Jeanne A. Marchant, for a bartender's license was approved and the Commissioner was authorized to issue the proper license upon payment of required fee. Motion by Trustee D. Nigh, seconded by Trustee D. Mlodzik. Voice vote was unanimous.

West Bend Outlet Mall, the first Midwest shopping center to be built exclusively for direct factory outlet stores, will open on Highway 45 in downtown West Bend, Friday, November

Announcement of the opening was made by West Bend Outlet Mall officials, Kenneth B. Karl and Gary P. Maher. West Bend Outlet Mall, Inc., will operate the 50,000 square foot facility, with an initial capacity of 14 stores. Parking for more than 200 cars is available at the site with additional space in West Bend city lots and on nearby streets.

Grand Opening ceremonies will be held at the mall on Friday, November 6, at 9:30 a.m. Mall hours are: weekdays and Saturdays - 9:30 a.m. to 5:00 p.m., Sunday - noon to 5:00 p.m., Friday evening open to 9:00 p.m.

Kenneth Karl said that leases have been signed with ten stores and it is anticipated the mall will have a full complement of 14 tenants by opening date.

'We are confident we have the right tenant mix to attract shoppers from a wide geo-graphical area," he said. "We plan to serve shoppers from all of Washington County as well as Milwaukee, Madison, Green Bay, the Fox River Valley, southern Wisconsin and northern Illinois."

Karl said all products at West Bend Outlet Mall will come directly from the manufacturer. "We are excited about our tenants and the opportunity to bring their merchandise directly from the factory to our shopper. This is not a discount house operation, but a direct outlet mall offering greater value to the consumer. Manufacturers have selected names for their stores which describe their own name brand products.

Manufacturers will operate their own stores, selling top quality merchandise at 25 to 70 percent below retail prices. Merchandise will also include seconds, irregulars and factory closeouts

Karl said tenants will include the following stores:

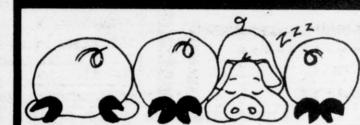

* Brand Name Fashion Outlet - men's and women's shirts; men's underwear and accessories; women's skirts, blouses, jackets, dresses and pants; designer clothing and sheets. All merchandise will be current, first quality, sold at 25%-60% off the suggested retail price.

* The Knit Pikker - sweaters, knit caps and hats, scarves, buying opportunities they are seeking.

West Bend Outlet Mall is built on land leased from the City of West Bend, according to John J. Meyer, city administrator. "We entered into a working relationship with the operators of the outlet mall for our mutual benefit,'' Meyer said. ''West Bend Outlet Mall has leased the land for 20 years with options to renew. The City will participate in a sales override which will be to its long term benefit, in addition to the taxes which West Bend Outlet Mall will repay on the property.

Meyer also congratulated City Centro, Inc., on its sustained efforts to bring about the revitalization of the downtown shopping area. "City Centro, Inc., is not an arm of city government, but is composed of private citizens who have been of tremendous help to this city," he commented. "We have welcomed City Centro's efforts and the prominent role this group has played in bringing new life and new stores to downtown West Bend.'

ceptance and reflects a highly efficient, more direct mode of retailing, according to Kenneth Karl.

"We view the growth of the outlet mall concept not as a novelty but as a basic trend in retailing, one that will impact consumer goods distribution significantly in the decade ahead. Interestingly, this mode of retailing, unlike the discount

cept has gained rapid ac- store concept, features better goods. It is a new form of retailing, based on fundamental economic forces which are emerging in the 1980's."

Letters to The Editor....

September 25, 1981

I was a guest speaker at the recent monthly meeting of the Washington County Tavern League. As director of The Threshold, I naturally informed the membership through a slide presentation, about the services and programs that Threshold has for the 193 adults and 24 children under the age of 3 that are handicapped residents of our county and presently attend on a daily basis.

As a result of this opportunity to observe and sit in, I feel that I must relate some of my personal thoughts and positive feelings about this group of tavern owners.

Prior to my presentation, I had the opportunity to sit in on the league's business meeting. To say the least, I was much impressed with the businesslike manner in which the meeting was held. It was expeditious, well run and to the point. The many areas of concern to the members were handled very well. Many committee reports were given.

All too often, I believe, the "general public" has misconceptions about taverns and their owners. They, like any organized group, have a purpose and bring about many good results for the general public. This group is a self-policing organization. Members follow rules and regulations enacted upon them by governing bodies such as local, state and federal entities. They do have major concerns for the well-being of not only their customers but the public at large. They have done much for the betterment of their communities, our county, state

and the nation. The various tavern owners,

both individually and collectively as the Washington County Tavern League, have over the

many years of their existence, had many fundraising events. All their money has been given to many, many charitable or-ganizations. For this, I commend them for their efforts and concerns for others less fortunante than themselves. I wholeheartedly encourage the general public to support all of their efforts.

They are a group, who all too often, do not "toot their own horn'' enough to let the public know of their good deeds and charitable efforts. For this they have gained my respect and I encourage others to support their causes and fundraising endeavors. I know I shall do so for I learned a lot from them and am grateful for the opportunity to have been with them.

I was informed that at a recent state-wide conference of the Wisconsin Tavern League held at Stevens Point, it was announced that the League had raised in the past year \$115,000 for the American Cancer Society. Of this total, the Washington County Tavern League raised \$19,000. This was the highest of any county league in the state as reported by Mel Gullickson.

Mel and Carol Gullickson, owners of the Carmel Lanes in Allenton, raised \$4,300.

Other county tavern league members raised the following amounts of money for the Cancer Society:

Roadside Inn (Lake Five) \$2,726.00 Schwai's (Cedar Creek)

\$2.705.00 (West Bend) Kliner's

\$1,305.00 John & Dee's (Kewaskum)

\$1,125.00 Lighthouse Lanes (West

Bend) \$728.00 Cedar Lake Motel & Pub (Slinger) \$474.00

Also, a county-wide \$100 per plate dinner and dance sponsored by the Washington County Tavern League netted \$4,995.00.

Other fund drives in the past by the League netted \$800 for the Kidney Foundation. A Fisheree netted \$400 for Big Brothers/Big Sisters. The 1979 Barton Days for muscular dystrophy brought in \$3,500. Barton Days of 1980 resulted in \$4,000 for The Threshold while Pare 14, Kewaskum Statesman, Friday, Oct. 2, 1981

1981 Barton Days for senior citizens netted \$3,500.

The Washington County Tavern League was formed in the late 1930's. At the present time, there are 173 member establishments. The officers consist of:

Mike Byrd, President; Joe Schwai, Vice-President; Bill Bisswell, Treasurer; Kliner Boegel, Secretary; Mel Gullickson, Sargeant-at-Arms.

I feel I learned a lot and was so impressed that it motivated me to write this article.

Sincerely,

Horst D. Wagner **Executive Director** The Threshold, Inc.

Influenza, Pneumonia Vaccine to Be Administered at County Clinics

Influenza vaccine will be available without charge to Washington County residents, 65 years of age and older or those with chronic disease, at clinics offered by the Washington County Community Health Nursing Service.

WHAT IS INFLUENZA ("FLU")? It is an illness caused by influenza viruses. It generally affects people of all ages. Typically, people with influenza have fever, chills, headache, cough, and muscle aches and may be sick for several days to a week or so. Most people recover fully. A small proportion of cases are particularly severe, and patients may develop pneumonia or other complications. The risk of complications and death from influenza is highest for people with chronic health problems and those over 65 years of age

WHO SHOULD GET IN-FLUENZA VACCINE? 1) Individuals over 13 years of age with chronic health problems such as diabetes, diseases of the heart, lungs, or kidneys, or severe anemia. 2) Elderly persons 65 years and over. Because influenza is usually mild and most people recover fully, immunization of healthy children and adults is not recommended and will not be offered at the clinics. Individuals age 13 years through 27 years of age will require two immunizations, one month apart, to insure adequate protection. Individuals 28 years of age and over, including the elderly, will require only one immunization for adequate protection.

Influenza vaccine will not be given to:

- Healthy children and adults (under 65).

- Those who have a fever or feel ill with something more serious than a cold on the day of clinic

- Those who have received another type of vaccine in the past 14 days.

- Those with allergies to eggs. Those with multiple sclerosis or other recurring or persistent neurologicial illnesses

- Those who are pregnant. - Children under 13 years of age.

Pneumonia vaccine will also be available at a charge of \$5.00 per immunization for persons 65 years of age and older, or those with chronic disease.

WHAT IS PNEUMONIA? It is a illness caused by the pneumococcal bateria affecting 400,000 to 500,000 persons per year. Pneumococcal bacteria cause respiratory symptoms, meningitis, and otitis media. The risk of complications is greatest for persons over 65 years of age and those with chronic health problems.

WHO SHOULD GET PNEU-MONIA VACCINE? 1) Elderly persons 65 years and over. 2) Persons, 2 years and older, with immune deficiencies. 3) Persons with chronic health problems such as diabetes, chronic respiratory disease, cardio-respiratory disease.

WHO SHOULD NOT GET VACCINE? 1) Those who have a fever, illness, or active infection on the day of clinic. 2) Those who have had pneumonia or pneumococcal infections in previous three years. 3) Those who have had a pneumonia vaccine in the past five years. 4) Those

Planned Parenthood To Sponsor Program

Is your 11-year-old daughter complaining that she looks more like Donny Osmond than Brooke Shields? Is your 11-year-old son complaining that none of the girls look like Brooke Shields, and that he'll never look like Donny Osmond?

"The Perils of Puberty," an evening program for parents and their children, will be presented on Wednesday, October 7, at the Planned Parenthood of Washington County offices, St. Joseph's Hospital, West Bend. Dr. Gary Herdrich, a family practioner, and Richard Potter, a psy-chiatric social worker, will discuss the physical and emotional impact of body changes on both the adolescent and his or her family. Am I Normal?, a film dealing with the concerns of male puberty, will be shown at 6:30 p.m. Dear Diary, a film on female puberty, will be viewed at 7:00 p.m. Discussion will follow.

A pre-program Open House will be held at 5:30. Families and all interested persons are invited to attend, meet the staff, see the clinic, and familiarize themselves with various Planned Parenthood programs, such as, Support in Infant and Child Death Group, parent and teacher workshops.

Planned Parenthood of Washington County is sponsoring this event in observation of National Family Sex Education Week, October 4-10. National Family Sex Education Week is a national yearly event, sponsored by organizations involved with families, to recognize that sexuality education is a family concern. As an organization whose primary concern is the development of healthy, stable families, Planned Parenthood is a resource for parents and children in promoting a healthy, responsible understanding of human sexuality.

Thanks Extended by

Bob and Darlene Gross

We'd like to express our deep appreciation to all who patronized the Dew Drop Inn during the last four years. The friendships established made our stay a most enjoyable one, and we sincerely hope you will offer the new owners, Abbie and Dorie Krahn, the same warmth and loyalty you showed us

Also, we'd like to extend a belated thank you to the Beechwood Fire Department, Beechwood Women's Auxiliary, and the Beechwood Athletic Club for their initiation of the Sweetheart Benefit Dance for our daughter, Janet. The wholehearted support of this event displayed by the Community of Beechwood and those in surrounding areas was indeed heart-warming. Your thoughtfulness and concern will not be forgotten.

Again, our deepest thanks to each and every one of you.

Bob and Darlene Gross

P.S. Best wishes to Abbie and Dorie in their new endeavor.

Students who began drinking orange juice a week before exposure to the virus developed virtually no cold symptoms. A few of those who began orange juice the day of exposure developed symptoms. Three-fourths of those on dummy pills developed normal symptoms of the common cold.

Why America Burns

Fire Prevention Week is just around the corner...October 4-10, 1981.

More people die in fires in the United States than in any other industrialized country. A person is 10 times more likely to suffer a fiery death in America than in Switzerland.

The core of fire death problems is still the one and two family dwelling. In 1980, 4,175 people were killed by fire in their homes. This means that over the last four years, home fires have accounted for an average of 78.7% of all civilian fire deaths.

With this in mind the Kewaskum Fire Department would urge area residents to help reduce these startling statistics by observing Fire Prevention Week October 4 through October 10, 1981. This can be done by checking our homes, and eliminating fire hazards that

exist. A few examples: overloaded electrical circuits, cleanup debris in basements and garages, checking and cleaning chimneys and furnaces or stovepipes and many more.

On Sunday, October 4, at 8:00 p.m. Channel 10 WMVS television will show a movie on Fire Prevention. It will show strategies for improving fire safety. The MGM fire will be included. It should be a very interesting film and will attempt to show how we can prevent enormous pain and misery and help avoid billions in property losses. The Kewaskum Fire Department hopes that everyone will view this film and put to good use these fire safety practices.

Also on October 10, from 1:00 p.m. to 4:00 p.m., the Kewaskum Fire Station will be open to the public. Fire Prevention materials and demonstrations will be given by the Kewaskum Fire Department. We would urge residents to help us make Kewaskum and surrounding area a safer place to live practicing fire safety rules.

RACING PROFILES Lee Schmidt and Alan Hafeman

#75 — Lee Schmidt

One of the rookies out at the dirt short tracks this season was Kewaskum's own "home-town boy," Lee Schmidt.

Lee got involved last year when he became acquainted with Bob Wondra of Lomira and Glen Haddy of Mayville, both well-known names in the sport of modified racing. A seven year old modified Vega that Lee bought from Bob Wondra last fall was his car this year, and with the help of Dave Kuester of West Bend, as head mechanic and crew chief, and other crew members, Lyle Beistle of Lomira and Ken Kudek of Kewaskum, who helped during the season, has made Lee an up-coming driver with a car in top condition.

This 35-year-old rookie is co-owner of Midwestern Shooter's Supply Inc. located in Lomira. Racing has become a family affair, and his most loyal backers are his wife, Barb, and their children, Jill 13, and Chad 10, who share in the duties of washing the car.

When asked how he felt about his first year, Lee stated: "You wish you could do better," but "I have a lot of learning to do," and by the end of the season, "you become satisfied with it," once you "get the hand of it, and you know you are performing better." (One of the last evenings at Plymouth, Lee took his first checkered flag, by winning the B Semi.)

Lee competed at the Plymouth track and Beaver Dam Raceway, where, on Aug. 11, he and his car were initiated into the sport of racing, when he flipped in the front-straightaway during qualifing. The car "wasn't too bad, just the front axle, the only things badly 'damaged' was the wing and

Over three-fourths of the modified drivers that compete for top honors at the E.W.S.C. and Beaver Dam tracks are from Washington County. So next racing season, go to the races and cheer for your favorite driver. Get involved and meet the drivers after the races in the pits. It's an interesting sport, and like Lee Schmidt, it can become a family affair!

#88 — Alan Hafeman

Alan "Butchie" Hafeman of Campbellsport is only 5 foot 4, but he's all talent and willpower when he gets behind the wheel of the modified stock car he drives at the Plymouth, Francis Creek and Beaver Dam race tracks.

When asked why he enjoys the sport of racing, he said, 'It's seeing all the ladies walk around, no seriously, I enjoy the competition on the track. I started four years ago and I knew that's what I wanted to do.

This season Butchie drove a 79 Vega bodied modified, powered by a 350 Chevy engine, which was owned by Greg Bauer of Knowles. His talent shows up by the good finish in point standings this year, 11th in (out of 55 drivers) E.W.-S.C. and in the top 10 at Beaver

and KB Lettering of Kewaskum.

This 24-year-old driver is employed as a buffer at Regal Ware in Kewaskum and he and wife, Barb have one child, Billy Joe, 1¹/₂ years old.

chauffeuring the modified #88 with it's mascot, "the little sticker," the skunk, again next year competing for top honors. This dynamic gentleman is a good investment and is always interested in new sponsorships.

Lynn Roethke 3rd In International Judo Tournament

Lynn Roethke of the West Bend Judo Club has returned from a two week stay in Massachusetts where she participated in a special work out with Jim Hrbek, the 1981 United States Woman's Judo Coach.

At the end of this special practice, Lynn competed in the Sixth United States Women's International Open Judo Tournament. It was held at Massasoit Community College, Brockton, Mass. Participants included Judoka from the U.S.A., Canada, South America, Europe and Asia.

Lynn, the 1981 U.S.J.A. national champion, participated in the 56 kilograms class. She won third place. Her only loss came in the semi-final match when she had a shimi-waza (chock technique) applied to her in the final moments of the 5 minute match. (She had been winning by points to that point).

Competing in international judo competition is now a must for Lynn if she is to realize her goal of representing the U.S.A. in the 1984 Olympics which will be held in Los Angeles, Calif.

Due to the costs involved the West Bend Judo Club is in need of sponsors to help Lynn become the first Olympic representative from West Bend, Wisconsin. If you can help in this cause please contact Lynn's coach, Jon W. Sanfilippo at 338-3072 or write West Bend Judo Club, P.O. Box 385, West Bend, WI 53095

my pride. As a new-comer to the sport it felt good to be accepted as one of the group. The majority of the people (drivers and pit crew) are very helpful and were a joy to meet.'

Next year Lee will be driving 2-year-old Barnstormer Chassis that he bought from Andy Hall of Campbellsport, who Lee feels has "helped him the most" by showing him how to "set up" and drive the car for qualifying. Lee will be sporting the #75

on his new mount and like this year, he will be sponsored by Dr. Leon (Bud) Cummings, D.D.S. of Sheboygan, Bob's Metal Polishing of West Bend, Lou's Enterprises of Milwaukee and Midwestern Shooter's Supply of Lomira.

Indians Tip Chilton for Second Win; Tie for First had special praise for Wester-man, whose second interception

Playing at home on a rainy, soggy night Friday before a small crowd, the surprising Kewaskum Indians defeated Chilton handily, 27-6, for their second straight victory in the Eastern Wisconsin Conference.

The Indians are now 2-0 and their start this year is just the opposite of last season, when they went 0-6. The win gave Kewaskum a first place tie with Plymouth, which also won their first two games by very narrow margins of one point and seven points.

An opportunistic defense again and an improved passing game played a big part in the victory. Randy Westerman led the ball-hawking defense for the second straight week. The defense forced the Tigers into errors the first four times they had the ball, three of them on fumbles and once on a pass interception. Kewaskum capitalized on its first two opportunities for scores.

The first touchdown early in the game happened after Bill Heberer recovered a fumble at the Chilton five yard line when Rick Groeschel was touched by a punt he decided not to field. The Indians lost nine yards on two runs and were penalized another five. But on third and goal quarterback Ric Leitheiser hit on a neat pass to end Heberer near the goal line and Kewaskum had the first score.

Just three plays later the Indians had the ball again when Westerman fell on the second Tiger fumble at Chilton's 38

yard line. Kewaskum picked up a first down and then sophomore Brad Dieringer, up from the JVs, found a hole, ran outside and dashed 25 yards for another touchdown. The Indians led, 13-0, at the quarter.

Things continued bad for the Tigers in the second quarter. They fumbled again and Kewaskum once more recovered, this one by Scott Stoltzmann. Westerman also intercepted two Bob Rieder passes. Stoltzmann's recovery gave the Indians the ball on Chilton's 26 yard line. On third and 14, Leitheiser and Dave Donath got together for a 30 yard scoring play. This made it 21-0 at halftime, following a two point conversion on a Leitheiser pass to Jim Krahn.

Chilton made no yards rushing in the first half but came out for its first and only score in the third quarter. On their first drive, the Tigers went 58 yards with Brian Woelfel going the final yard for the TD. Donath fumbled on the ensuing kickoff and Chilton got another chance to score but this time the defense stiffened.

The Indians added an insurance score in the final quarter on a pass to Brian Larsen that netted 21 yards to cap a 59-yard drive.

The Indians more than doubled the Tigers in total yards, 261 to 120.

Despite the weather, the Indians played well as a team. Six different players contributed to scoring more points than in any game in two years. The

In the final Little Ten meet of the season last Tuesday, neither team played well but the Kewaskum girls were six strokes better than West Bend West, defeating the Spartans, 274-280, in golf.

Only one Kewaskum player, Cheryl Jaeger, hit in the 50s. A junior, Cheryl shot 55 on the par 37 front nine West Bend Country Club course. Low for West Bend was Jane Gibson with 67

The cold weather may have been a factor in the high scores.

JVs, Frosh Win for Sweep Over Chilton

Not only did the Kewaskum varsity win handily but the JVs came up with a 21-0 shutout and the freshmen recorded their first victory, 14-6, for a sweep in their games against Chilton.

Playing at home Thursday evening, the JVs drove 75 yards on their first possession of the ball but were stoped by a Tiger interception on the five. With seconds left in the half Dennis Butz hit Jim Braun for a 39-yard touchdown. On another scoring drive fullback Chris Harlow went the final three yards for a score. Braun ended the scoring with a two-yard run.

Harlow was the leading rusher with 95 yards for the winners in 15 carries. He also kicked all three extra points. Butz and linebacker Steve Seitz each had interceptions.

Playing at Chilton, the frosh scored on a five-yard run by John Mertzig and Rich Miller ran the extra points. Chilton then scored on a long pass just before the half. The Indians came back with the winning score in the third quarter as Miller scored from the five-yard line

Tackle Gary Butzlaff played well defensively and Tim Geidel had an interception.

The JVs are now 2-0 in the Eastern Wisconsin and the freshmen are 1-1.

Girls Tennis Team Edged by Horicon

The Kewaskum girls' tennis team was edged by Horicon in a home match held last Tuesday. 4-3. One more win could have turned the match around. The girls lost to the Marshmen by the same score several weeks ago.

In the best match of the day, Lisa Matenaer, down 3-8, came back to win, 9-8. Kewaskum's No. 1 player, Debbie Allmann, played well against undefeated Trudy Miller before losing 7-9, Allmann lost decisively to

Miller in their first meeting. The Indians thus ended their season with a 4-5 record. Tuesday it was the sub-sectional at West Bend.

The JV girls beat Horicon, 4-1.

Tom Kachelmayer, 99-100 199; Men's 2-Man Best Ball - Tom Bast-Hilary Martin, 67-73 140.

Eichstedt, who won the Washington County title in 1978, took the men's championship with a 149 total for the two days. "Ike" posted a four over par 74 Saturday and followed it with a five over par 75 in gale winds Sunday. He defeated second place Tom Bast (151) by two strokes. Hilary Martin also shot a 151 to tie Bast but had to settle for third in a playoff. The scores were remarkable considering conditions. Eichstedt (74) was five behind Bast (69) after Saturday's round but Bast came in with an 82 in Sunday's winds to Eichstedt's 75. "Ike" parred the last four holes on Sunday. Hon-E-Kor champ Larry Hilgendorf took fourth with 153.

Women's champion Mary Ann Koss, was Hon-E-Kor champ for the past three years. The first day she had a 47-47 93 and on Sunday combined with a 100 to end up with a 193.

Bev O'Connor, who took second in the Women's Championship Flight, shot a hole-in-one on No. 14 Sunday, the first one ever recorded by a woman on the Hon-E-Kor course. Had she hit the ace on No. 7 she would have won the new car offered by Honeck Chevrolet. Bev's husband, Mike, Sr., and her son, Mike, Jr. each have hit two aces in their years of golfing at Hon-E-Kor.
