Number 45

School District to Receive \$25,600 in State Funding for Exceptional Educational Needs

State Superintendent of Public Instruction, Herbert J. Grover, has notified the School District of Kewaskum that its PL 94-142 Flow-Through Application has been approved for funding in the amount of \$25,600.

This program, which is designed to provide a free, appropriate public education for children with exceptional educational needs ages 3-21, will affect 118 in the Kewaskum Schools.

The approved application is one of about 120 applications

receiving a share of the \$14,300,000 available under the Education for All Handicapped Children Act (PL 94-142). This program is administered by the Department of Public Instruction.

Approximately 75 percent of the funds (\$10.7 million) flow directly to the local educational agencies through this application process.

Through this program a broad range of locally needed programs and services can be provided to children with exceptional educational needs. Funds

may be used for salaries for instructional and support staff; purchasing special materials and equipment; bus purchases; extended evaluations; vocational education activities; and comprehensive training activities.

Project Director Richard E. Zarlino said the majority of the money from this year's grant will be used for equipment and materials of instruction to aid in the high school vocational education program for pupils with exceptional education needs.

Village Zoning Map Updated

By GERRY MUELLER
Statesman Staff Writer

Members of the Plan Commission were told Tuesday evening that the Southeastern Wisconsin Regional Plan Commission had requested the village supply them with a current updated map for Kewaskum.

Village Administrator Dan Schmidt informed the commission that several annexations along with zoning revisions in some areas of the village had taken place since the last map was issued in 1977.

Some of the major annexations include KEWA Shopping Center, Meadow Creek Apartments, Moraine Condominiums

and Dr. Sison's Clinic just to name a few.

Schmidt said the revised map should be sent to SEWRPC as soon as possible. He stated the village's floodplain and zoning ordinances should also be updated since they could affect the village's insurance coverage.

Zoning Administrator Richard Zarlino asked Schmidt to check with SEWRPC and request they show the HUD floodplain boundary extensions as far as possible on the village's map. Zarlino said this would be extremely helpful if the commission were faced with future building permits that were near the floodplain area. We could check the map and see if the proposed site was suitable for development.

Plan Commission member Orv Behnke asked Zarlino how the village's sign ordinance was working. Zarlino noted that even though he had sent a copy of the ordinance to all the local businesses some time ago, many signs were put up without a permit or approval. Zarlino said it is almost impossible to enforce the ordinance unless you've got full-time personnel to keep on the situation.

Many businesses are offered free signs by their suppliers. Some meet ordinance requirements, some don't. Zarlino noted you can't blame these people for accepting these signs if it will mean saving money.

'Kermit the Frog' Asks Farmington Residents To Support UNICEF

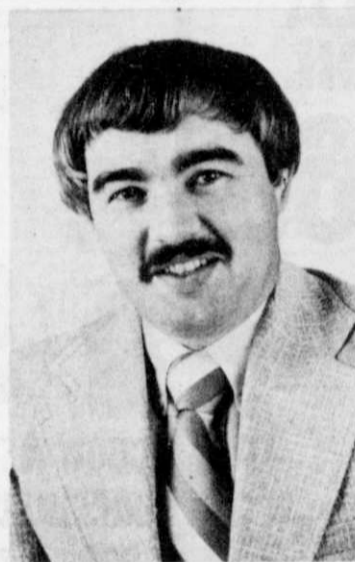

Kermit the Frog, star of Jim Henson's Muppet characters and Chairman of the 1981 National UNICEF Day campaign, has issued a challenge to Farmington area residents and to all Americans to make this year's National UNICEF Day the "most successful ever" by contributing generously to the United Nations Children's Fund.

The local response to this challenge will be led by Girl Scout Troop 145, sponsor of a UNICEF "Trick or Treat." "Trick or Treat" will be held on Friday, October 30, from 4 to 5 p.m. throughout the Farmington Area. Canisters will also be placed at local businesses.

Adrienne Berres, spokesperson for the group, has said that proceeds from "Trick or Treat" will be sent to the U.S. Committee for UNICEF and will benefit the neediest children of Africa, Asia, and Latin America. UNICEF, the United Nations Children's Fund, provides equipment, training, and supplies for primary health care, improved nutrition, and safe, clean water supplies for children and their families throughout the developing world.

For more information about UNICEF and the upcoming "Trick or Treat," please call Adrienne Berres at 692-2972.

Area United Way at 83% of \$18,000 Goal

ALLEN KOEPKE
1981 Kewaskum Area
United Way President

"There's still time to contribute to Kewaskum Area United Way." This is Allen Koepke's message as the local fund drive winds down, officially ending Friday.

The fund drive total is now \$15,016, just \$2,984 short of the 1981 goal.

"I think we'll make it," Koepke said optimistically. "I talked with the campaign co-chairmen, Bert Preis and Roy Esser. They said that the divisional captains have reached about 75 percent of their contacts. Based on those figures, I feel confident we'll make our \$18,000 goal."

Koepke thanked all the area contributors and urged those who have not returned their pledge cards to do so before Friday. "Every year we get some cards after the campaign is over. That's O.K., but it would be nice to get them before Friday."

Pledge cards can be mailed to Kewaskum Area United Way, Kewaskum, WI 53040.

As part of the last fund-raising week, Koepke said pledge cards can also be brought to him, Preis, Esser or any of the division captains, personally.

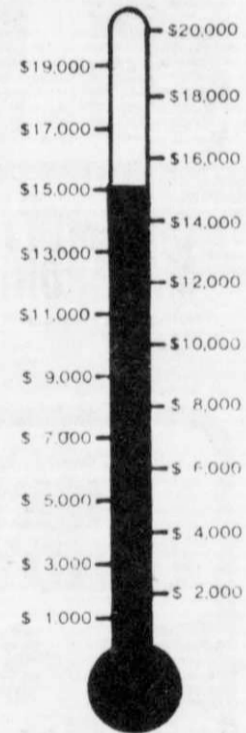

Division captains are: Gerald Zimmel, financial; Margaret McFadden, house-to-house drive; Paul Christensen and Koepke, industrial; Esser,

outlying communities; Dr. R.G. Edwards, professional; Floyd Brenholt, public sectors; Jack Jadro, retail; Pearl Thompson, rural and village mailings; Earl Kleinke, taverns and restaurants, and Jack Zalewski, transportation.

"I urge everyone in the Kewaskum area to give to United Way," Koepke said. "More people giving will lessen the burden."

"I expect United Way to continue in the area for many years."

Truck Driver Killed in Hwy. 41 Accident

The driver of a tractor-trailer was killed early Tuesday morning in a one-vehicle accident on U.S. Hwy. 41, a mile north of County Trunk H in the Town of Wayne.

The victim was Warren D. Briggs, 30, of 218 Depot St., Silver Lake, Wis., who rolled his truck into the ditch at about 5:30 Tuesday morning after he fell asleep at the wheel, according to a Sheriff's Department report.

Briggs' southbound vehicle crossed over the median strip, passed across the northbound lane and then rolled over the east shoulder of the highway, the report said.

Briggs, who was pronounced dead at the scene by Washington County Coroner Robert Boltz, was removed to St. Joseph's Community Hospital, West Bend, by members of the Kewaskum rescue squad.

Briggs was Washington County's 20th traffic fatality of 1981.

Children's Halloween Party Reminder

Citizens are reminded of the Kewaskum Community Halloween party on Friday, October 30, from 5:30 p.m. to 7:30 p.m. In case of rain, children are to report directly to the high school rather than to the football field behind Kewaskum Elementary.

Parent-Teacher Conferences Nov. 11

Parent-teacher conference will be held in all schools of the Kewaskum district on Wednesday, Nov. 11. The conferences will be held from 1:00 p.m. to 5:00 p.m. and from 6:00 p.m. to 9:00 p.m. Because of the Wednesday conferences, school will

not be in session on that day. Appointments are not necessary at the Middle School and High School. Parents can pick up report cards during the conference times. Parents are urged to participate in these conferences.

Gina Luedtke

Gina Luedtke, daughter of Mr. and Mrs. Louis Luedtke of rural Adell, and Jill Yearling, daughter of Mr. and Mrs. Gerald Yearling of rural Kewaskum, have been chosen as Kiwanis students for the month of October.

Gina was inducted into the National Honor Society during

her junior year. She has been a student government representative for three years and this year serves as president of the student government organization. She participated in gymnastics for two years and was also a member of the volleyball and tennis teams. During her freshman year, Gina was a

Jill Yearling

member of the Spanish club. Last year she also belonged to YCSP - Youth Concerned for Special People.

Jill also was inducted into the National Honor Society during her junior year. This year, she is NHS president. She was a student council representative for two years and this year is also the treasurer. Jill was her junior class president and sophomore class vice president. She was a member of Spanish club for three years and this year is also president. She was a member of the AFS club for two years and the Key club for two years. Jill has been a sports participant for four years, varsity basketball 1-4, all-conference 2, 3, and MVP 2, 3 - varsity track 1-4, state high jump 5th place - volleyball manager 1, 3 and football statistician 4. She was Kewaskum's Badger Girls State representative last year.

Vocational Department Evaluation At Middle School and High School

On November 3, 4, and 5, the Kewaskum Middle School and High School vocational departments will have an on-site evaluation. Conducting the evaluation in cooperation with the University of Wisconsin - Stout is the Department of Public Instruction and Local Vocational Educational Coordinator (LVEC). The team will contact employees, advisory committee personnel, graduates of the capstone program, students, faculty and the administration.

The on-site visitation follows a self evaluation that has been going on for the past year.

The goals of the evaluation are two fold. One is to determine the effectiveness of the management of the comprehensive vocational program and two, to determine the effectiveness of the capstone courses in the various vocational, education disciplines including agriculture, business education, home economics and industrial education.

More specific goals of the evaluation include:

1. Determine if the course offerings are preparing students for the world of work and for post-secondary educational training.
2. Determine if program offerings are comprehensive and/or can be realistically expanded to better serve the student.
3. Determine the effectiveness of current courses, how recently program offerings have been modified, deleted or upgraded and how effectively this was done.
4. Determine the presence/absence of sex role stereotyping and efforts made to reduce role stereotyping.
5. Determine the in-school articulation (general vocational studies and appropriate academic areas) and articulation between the local vocational program and the local community resources and other educational agencies within reach.

Winnebago FS Coop Annual Meeting Held

Shareholders of Winnebago FS Cooperative heard reports on their cooperative's annual business year at its annual meeting held on October 27, at Oshkosh, according to an announcement by Floyd Grundy, president of the company's board of directors.

Manager Arnie Erickson reviewed progress made by the company during the past fiscal year which ended June 30. He reported on a most successful year. "We encourage all our patron owners to attend the annual meeting. It offers an opportunity to learn more about the plans, operations and policies of our company," Erickson said.

In addition to business reports, 2 directors were elected to serve a term of 3 years on the board of directors. The board has 9 members. Each represents a separate sector of the trade territory served by the company.

Featured speaker for the occasion was Kenneth Baer, Group Vice President, Supply Operations, for Growmark, Inc. A dinner was held for company patrons in conjunction with the annual meeting.

Winnebago FS Cooperative is owned and controlled by farmers, and is affiliated with the Farm Bureau in Winnebago, Fond du Lac and Washington Counties. Representing the Farm Bureaus on the board are Pete Knigge, Winnebago County, Bernard Halbur, Fond du Lac County and Norbert Bingen, Washington County.

The local cooperative is one of 257 member companies of GROWMARK, Inc., the largest Farm Bureau affiliated farm supply and grain marketing cooperative in the nation. Winnebago FS is affiliated with the FS supplies division of GROWMARK, Inc.

The supplies division of GROWMARK, Inc. provides the local cooperative with the wide variety of farm production supplies and business services, and the grain division provides grain marketing and related services.

Cub Scouts to Hold Cake Decorating Contest and Auction

Kewaskum Cub Scout Pack 3744, will be holding a Cake Decorating Contest and Auction on Saturday, October 31 at 1:00 p.m. at the Kewaskum Middle School. The public is invited to attend and watch the young decorators at work.

The boys will start decorating their pre-baked and frosted cakes at 1:00 p.m. The judging and awards presentation will be followed by a decorating demonstration by Arnie Stommel. This will be followed by the auction. The highest bidder will take home a confectioner's delight, equal to none. Money raised will be used in the scouting program.

Judges for the event will be Theresa Stoffel, Betty Fleury and Arnie Stommel. Mike Paul will be auctioneer.

Mark your calenders for this fun event now!

Your
HEALTH
TIP

from Tom
Leitzke, R.P.H.

Why eat an apple instead of candy? Comparing one large apple with 1 oz. of chocolate cream [each approx. 110 calories] we find 4 grams of fat in candy, less than 1 in the apple. But look - the apple has 12 mg. of calcium, 20 mg. phosphorus and .6 mg of iron, while the candy has none of these essential nutrients.

The apple has vitamin A and C, thiamine, niacin, and riboflavin - the candy has none.

St. Marys Observe 50th Anniversary

Mr. and Mrs. Raymond St. Mary of 1248 Roseland Drive, Kewaskum, celebrated their 50th wedding anniversary with a mass at 11:00 a.m. at Holy Trinity Church on Sunday, October 25. In the afternoon a reception was held at the Hilltop in Batavia from 3:00 to 9:00 o'clock in the evening. The former Frieda Beisbier

and St. Mary were married on October 28, 1931 at St. Martin's Church, Ashford. They are the parents of one daughter Joan (Wally) Daggett of Random Lake and two sons, James (Joyce) of Oshkosh and Edward (Patricia) of Minnesota. They have nineteen grandchildren and three great-grandchildren.

Blecher-Barber

Mr. and Mrs. Willy Blecher, Jr. of Route 1, Kewaskum, are proud to announce the engagement of their daughter, Susan to Paul Barber, son of Mr. and Mrs. William Barber of West Bend.

Paul is a 1977 graduate of West Bend West High School. He is presently employed at West Bend Implement Co. of West Bend.

Susan is a 1977 graduate of Kewaskum High School. She is presently employed at West Bend Mutual Insurance Co. of West Bend.

A September 25, 1982 wedding is being planned.

KJWC Bake Sale at West Bend Saturday

October 31 is the date set for a bake sale sponsored by the Kewaskum Junior Woman's Club. The sale will be held in the Westfair Mall in West Bend at 9:00 a.m. and until all items are sold. KJWC Kewaskum Kettles cookbooks will also be available at \$5.50, along with tickets to win a handmade quilt.

Rural Life Day Announced at Allenton Parish

"Toward Community in the Heartland" will be the theme of a Rural Life Day to be held on November 20. The day will begin with a special Eucharistic Liturgy at 10:30 a.m. at Sacred Heart Parish, Allenton. Archbishop Rembert Weakland O.S.B., will be the main Celebrant and Homilist. Following the Liturgy, a dinner prepared by the ladies of the parish, will be served.

The film, "Strangers and Guests" (narrated by Ed Asner) will be shown after dinner and the Rev. Leonard Kayser, former Executive Director of the National Catholic Rural Life Conference, will speak on "Land, the Justice Issue for the Church in the 80's."

The Planning Committee is composed of the following people: Lillian and Anthony Ritger, Allenton; Mr. and Mrs. Wilmer Emmer, rural Campbellsport; Mary McKee, Route 3, Kewaskum; Beata Schueller, Belgium; Adrian Schmitz, Route 4, Fond du Lac; Rich and Joann Miley, Pauline and Bill Jens, Route 2, Sheboygan Falls. Ms. Rita Canestra is coordinating the program through the Archdiocese of Milwaukee Office for Human Concerns. Rev. Roger A. Zens is Pastor of Sacred Heart Parish in Allenton.

This very interesting program on "Land, a Gift of God" is open to ALL and reservations may be made by calling Lillian Ritger, (414) 629-9084 or Bill Jens, Archdiocesan Rural Life Director at (414) 564-3352.

Area Scouters To Hold Pow Wow

Glacier Edge District of the Bay-Lakes Council of the Boy Scouts of America will hold their annual Pow Wow for all Cub Scout Leaders and Committee People on Saturday, November 7, from 8:30 a.m. - 4:30 p.m., at Central Middle School, corner of Mill and Park Streets, Hartford.

New and existing Cub Scouters from the following cities are invited: Allenton, Belgium, Cedarburg, Farmington, Fredonia, Grafton, Hartford, Jackson, Kewaskum, Mequon, Newburg, Port Washington, Random Lake, Saukville, Slinger, Thiensville and West Bend.

The Pow Wow is a doing, while learning, fun experience for everyone. The morning

agenda will include: Games, Pack, Activities, Webelos Transition, Crafts, Awards and Recognition, Webelos Badges, Skits and Pack Ceremonies.

A Blue and Gold Banquet will be at noon. The afternoon sessions are: Charter Renewal, Den Administration, Webelos Den Administration, Den Meeting, Webelos Meeting and Pack Committee Meeting. A Pack Meeting which includes everyone will be held at 3:30 p.m.

Cost will be \$3.50. Anyone wishing to attend just the morning or just the afternoon sessions will be charged \$2.00. Participants are asked to bring a salad or a dessert. Please make reservations with Mrs. Charlotte Bigelow, 1772 Highway 143, Cedarburg, WI 53012 (377-8365), or with Mrs. Pat Schoenhaar, 1522 N. Tenth Avenue, West Bend, WI 53095 (334-5984).

Chek-Sav Checking

**NEW LOWER MINIMUMS
CONVENIENT AND AFFORDABLE**

**Plus, \$1,000 Free
Accidental Death Insurance**

Some financial institutions seem to forget the purpose of a checking account is convenience and affordability. At West Bend Savings we don't intend to take our customers for granted.

We've made service-charge free checking affordable by lowering the minimum balance requirements on our already convenient Chek-Sav checking plans.

CHEK-SAV I — regular non-interest earning checking. If you are a current mortgage customer or savings customer with \$500 or more deposited in any West Bend Savings account . . . Chek-Sav I is **Free**. So are your first 50 checks. No monthly minimum required.

CHEK-SAV II — checking that earns 5¼% daily compounded interest. **Free** to anyone who maintains a \$300 minimum monthly checking account balance. First 50 checks are **Free**.

Direct Deposit Advantage

If you receive a Social Security, pension or retirement check — sign up for direct deposit and take advantage of either Chek-Sav checking plan . . . service charge **Free**. Or, have your payroll check directly deposited and get Chek-Sav I . . . service charge **Free**. No monthly minimums or related savings required. A deposit of \$100 opens your account.

Free \$1,000 Accidental Death Insurance

How often have you received something free, especially when it's worth \$1,000? Well, that's exactly what you get with a West Bend Savings' Chek-Sav I or Chek-Sav II checking account — \$1,000 of Accidental Death Insurance — **Absolutely Free**. Plus, for a small monthly fee, you have a choice of three additional insurance plans.

To take advantage of this valuable service, present and new customers simply need to complete an enrollment card — They're available at all of West Bend Savings seven convenient offices. Do it today!

*Accidental Death Insurance is underwritten by SAFECO Life Insurance Co., Seattle WA.

**Compare West Bend Savings' new lower checking minimums
plus free insurance coverage with your present account.
Maybe it's time you switch to Chek-Sav checking.**

UWWC to Present 'The Taming of the Shrew'

Kerry Burke plays the irrepresible "Katharina" in UWWC Theatre on the Hill's presentation of "The Taming of the Shrew." Performance dates are October 30, 31 and November 1 at 8:15 p.m.

Can a play written in the 16th century have any relevance to life in the 20th century? Furthermore, can a play attributed to William Shakespeare transcend language and interpretation barriers in order to become an entertaining, moving theatrical piece of art? The answers to these questions, of course, are "yes." And the play being referred to is "The Taming of the Shrew." Robert B. Heilman, in a critical discussion of "The Taming of the Shrew," gives perspective to this play by saying, "What Shakespeare has done is to take an old, popular farcical situation and turn it into a well-organized somewhat complex, fast-moving farce of his own."

"Taming" is a story within a story that portrays friction and competing motives in the courtship between Katarina and Petruchio. Shakespearean scholars have argued for years whether Katarina, the shrew, is

ever indeed tamed or whether she evolves into a mature, self-confident woman in love.

Playgoers in West Bend will have the opportunity to decide for themselves which view to believe when the Theatre on the Hill presents "The Taming of the Shrew," October 30, 31, and November 1 in the University Theatre. Kerry Burke and Tony Sobszak, two UWWC students and residents of West Bend, play the lively and charming Katarina and Petru-

chio. The supporting cast includes 11 other Washington County residents and is directed by Carl Barnhart, Assistant Professor of Communication Arts. A unique feature of Barnhart's rendition of "The Taming of the Shrew" will include a recorder sextet accompanied by Anna Asch on the harpsichord.

The play will begin at 8:15 p.m. Tickets are available by reservation 338-5208, or at the door before each performance.

Presented by
The Kewaskum Historical
Society Inc.

**Letters to
The Editor....**

Oct. 28

To the Editor:

The high school had another fine homecoming parade Friday but there is one drawback. It is held too late in the day (starting after 6 p.m.) when it is almost dark outside. Viewers cannot read the lettering on the floats, nor see who members of the court of honor, band, etc. are., especially on a cloudy evening.

We suggest in the future the parade be held no later than 5:45 p.m. promptly or earlier so that all the work and effort put into the parade can be fully appreciated.

October 24, 1981

Dear Readers:

Since my first letter to you in June about the Laubach Reading Program, we have trained seven volunteer teachers who are now working with one or more students. Only one of these volunteer teachers had ever taught before. But after

being trained at a nine hour training seminar, they are teaching other adults to read. They find this very rewarding. The lessons are free.

We are now going to have another seminar to train more volunteers. We can use your help too, either by volunteering or letting us know about adults who cannot read or have a difficult time reading. You may want to let these adults know about our informational meeting for non-readers which will precede the seminar this time.

They can come anytime between 4:00 and 6:00 p.m., Friday, October 30, and get information. The training seminar for volunteer teachers will be from 6:00 to 9:00 p.m., Friday, October 30, and 9:00 a.m. to 4:00 p.m., Saturday, October 31, at 5th Avenue United Methodist Church, West Bend.

For more information call 629-9341 evenings or 334-0597 or 338-1188 after 3:00 p.m. weekdays.

Valley Bank Tax-Exempt All Savers Certificate

High Earnings with Insured Safety

This comparison chart shows taxable interest yield required to match the All Savers Tax-Free Rates:

JOINT TAXABLE INCOME	YOUR TAXABLE INTEREST REQUIRED TO MATCH THE ABOVE RATE
\$20,000	16.18%
\$25,000	17.72%
\$35,000	20.23%
\$50,000	24.28%

Rate through October 30, 1981 — **12.14%***

You can exempt up to \$2,000 interest on a joint tax return and \$1,000 on a single tax return. These are one year certificates with a \$500 minimum deposit.

NOTE: You may switch your 6 Month Money Market Certificate to the All Savers Certificates with no penalty!

Federal law requires a substantial penalty and loss of tax exemption for early withdrawal prior to maturity
*If a depositor elects to withdraw interest on a periodic basis prior to maturity, the effective yield to the depositor of the All Saver Certificate will be lowered.

KEWASKUM/ALLENTON

MUSICAL — Scott Nigh and Julie Dettmann pose during a dress rehearsal of the KHS musical "Oklahoma" to be presented in the Kewaskum auditorium on November 6 and 7.

Clarence W. Kocher, Others Called in Death

Clarence W. Kocher, 85, of 4404 Badger Rd., Kewaskum, formerly of Milwaukee, passed away at St. Joseph's Community Hospital in West Bend on Friday, October 23.

Mr. Kocher was born in the Town of Kewaskum to the late Charles and Minnie Falk Kocher on November 3, 1895.

On September 30, 1916, he married Lillian Proeber in St. John's Lutheran Church in West Bend. She passed away on December 31, 1965.

He had been employed as a machinist for a heavy equipment company for 18 years. He served in the U.S. Navy during World War I, was a member of the Peace United Church of Christ in Kewaskum, American Legion Uptown Post No. 400 of Milwaukee, Veterans of World War I Barracks No. 2617, and Iron Workers Union, Local 471 of Milwaukee.

Survivors include one sister, Mrs. Lloyd Reinke of West Bend; nieces, nephews, other relatives and friends. Five sisters, and two brothers preceded him in death.

Visitation at Miller's Funeral in Kewaskum was Sunday, October 25, after 2:00 p.m., with services at the funeral home at 7:30 p.m. with the Rev. Darrell Joiner officiating. Burial was in Valhalla Cemetery in Milwaukee.

MRS. ELSA HEINECKE

Elsa Heinecke, nee Zimmel, 86, of 622 Elm St., Allenton, died Thursday, Oct. 22, at the Samaritan Home, West Bend.

She was born Sept. 2, 1895, in Theresa, and married Emil Heinecke at St. Theresa's Church, on March 30, 1915. He passed away May 17, 1980.

She lived in the Town of Theresa and later in the Town of Wayne. She moved to Allenton in 1955.

(Walter) Kohler of West Bend; 40 grandchildren; 33 great-grandchildren; two sisters, Matilda (Philip) Heinecke of Plymouth and Hilda (George) Koepke of Appleton; two brothers, Leo (Della) of Mayville and Rudolph (Alice) of Clintonville; and other relatives and friends.

She was preceded in death by a son, Merlin, who died in Korea, and Roland and Elroy, both of whom died in infancy; one daughter-in-law, and two grandchildren.

She was a member of the Gold Star Mothers and of the American Legion Auxiliary in Allenton.

Funeral services were Monday at 2 p.m. at Zion Lutheran Church, Town of Wayne, Washington County. Rev. Erwin Schewe officiated and burial was in Union Cemetery, Theresa.

Visitation at the Techtman-Myrhum Funeral Home, West Bend, Sunday after 4 p.m. and Monday at the church from noon until time of services.

HERBERT LEIFER

Herbert W. Leifer, 91, a longtime Batavia funeral director, died Oct. 16 at his home in Batavia.

Mr. Leifer was born Dec. 31, 1889 at Batavia, a son of Gustava and Augusta Vollmer Leifer. He attended local schools and graduated from the Johnson School of Embalming in 1912. He joined his father over 70 years ago in operating a general store and funeral home in Batavia. On Nov. 21, 1914 he married Vera Hintz at Batavia. She died July 3, 1976.

Mr. Leifer was a member of St. Stephens' Lutheran Church Batavia, and was a charter member of the Batavia Fire

Department. He served as the department's treasurer for many years. He was one of the founders of the Batavia Skat Club. Mr. Leifer also was a member of the Wisconsin Funeral Directors and National Funeral Directors associations and was honored as a 50-year member of the Wisconsin association in 1962.

Survivors are one daughter, Elaine (Mrs. Gerald) Yoho of Batavia; eight grandchildren, 15 great-grandchildren; one brother, Walter of Batavia, and one sister, Mrs. Teckla Johnson of Kewaskum. He was preceded in death by two daughters, four brothers and five sisters.

Funeral services were Oct. 19 at St. Stephen Lutheran Church in Batavia with the Rev. William Robinson, pastor, officiating. Burial was in the church cemetery. The Wittkopp Funeral Home, Plymouth, was in charge of arrangements.

FIREMEN TO MEET

The regular monthly meeting of the Kewaskum Fire Department will be held at the fire station at 7:30 p.m. Thursday, Nov. 5.

Rescue Squad Calls

Tuesday, Oct. 20 — A 9-year-old Kewaskum girl was injured at 1:50 p.m. when she fell from playground equipment at Holy Trinity School. The rescue squad took the girl to the hospital.

Tuesday, Oct. 20 — Michael J. Ott, 63, Route 2, Box 127B, Campbellsport, taken to St. Joseph's Community Hospital, West Bend, from the Sison Clinic, Kewaskum, suffering from a bee sting reaction.

Friday, Oct. 23 — Chris A. Konz, 17, 818 Buchanon, Kiel, taken to St. Joseph's Community Hospital from the Kewaskum football field with injury suffered in the Kiel-Kewaskum football game.

Sunday, Oct. 25 — Tom Nass, 20, Route 1, Box 1610, Campbellsport, taken to St. Joseph's Community Hospital from Hwy. 28 and Townline Road, with an injury.

Tuesday, Oct. 27 — Warren D. Briggs, 30, 218 Depot Street, Silver Lake, Wis., removed to St. Joseph's Community Hospital from Hwy. 41, one mile north of Hwy. H, Town of Wayne, following a truck rollover. He was dead on arrival.

Red Cross Chapter to Conduct CPR Classes

The West Bend Red Cross will be conducting three Cardiopulmonary Resuscitation (CPR) classes.

CPR - Cardiopulmonary Resuscitation is a combination of artificial respiration and artificial circulation given to a person whose heart has stopped beating and his lungs have stopped working.

CPR can make the difference between life and death. The first four minutes after a heart attack is the most crucial. Brain damage can occur within four to six minutes after the brain has been denied oxygenated blood. You could make the difference by knowing how to perform CPR.

The CPR class schedules are as follows: Monday evenings from 6:30 to 9:30 p.m., starting November 9, 16, and completing on the 23rd. This is a lecture discussion course. Cost of the supplies \$2.15. Tuesday morning classes will be held from 9:00 to 11:30 a.m. starting on November 10, 17 and completing on the 24th. This is a Modular CPR class in which you work at your own pace. Wednesday afternoon classes will

start at 12:30 to 3:00 p.m. starting November 11, 18 and completing on the 25th. This is a Modular CPR class.

All classes will be held at the West Bend Marine Bank. To enroll, call the Red Cross office at 334-5687.

Sensenbrenner to

Hold Town Hall

Meeting at West Bend

BROOKFIELD, WIS. - Ninth District U. S. Rep. F. James Sensenbrenner, Jr. will hold a "town hall" meeting for Washington County residents on Saturday, October 31, from

10:00 a.m. to 12:00 noon in the Washington County Court House, 432 E. Washington Street, West Bend.

For the first hour, Sensenbrenner and area state legislators will respond to audience questions and comments on

national and state issues.

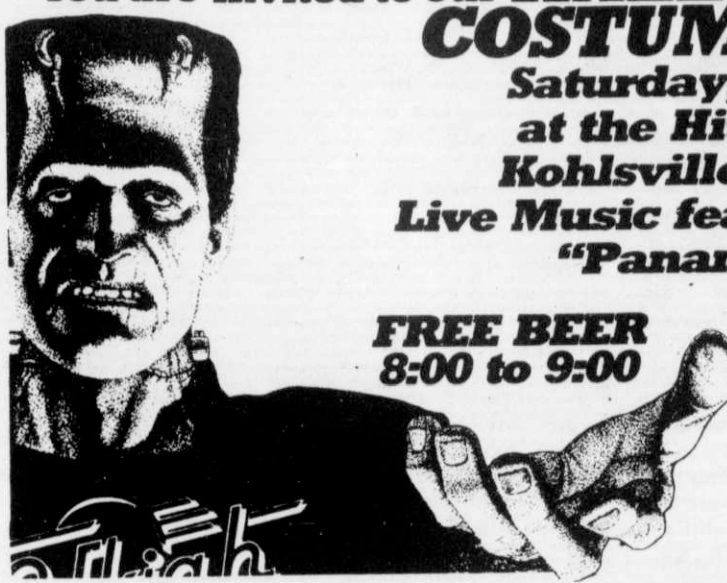

Beginning at approximately 11:00 a.m., Sensenbrenner will meet with persons seeking help for problems they are having with federal agencies, or seeking information or copies of government publications.

The public is welcome.

WASHINGTON COUNTY'S SOLID WASTE DILEMMA

[2nd in a series]
By Dan A. Wilson, Horticulture/Resource Agent

WHAT IS A SANITARY LANDFILL?

Many people think that a sanitary landfill is just a fancy title for a "dump." People in the county know what dumps are but few know what a real sanitary landfill looks like. Dumps have uncovered waste, smoldering fires, odors, and rats; they are unsightly; and always open. A properly operated sanitary landfill has none of these problems. They are not parks, but neither are they as offensive as a dump.

A modern sanitary landfill is usually not visible to surrounding neighbors because of plants and berms which are designed to screen the operation. Burning of any waste is prohibited because of the health and environmental problems associated with burning refuse. To reduce odors created by decaying waste, the refuse is covered daily with at least 6 inches of compacted earth. This daily cover also helps to eliminate rodents and deters paper and plastics from blowing around.

A sanitary landfill also includes measures to prevent pollution and groundwater below the facility. Leachate

collection systems, clay liners and monitoring wells help make a sanitary landfill as environmentally safe as possible.

Potential sanitary landfill sites for Washington County are being identified by looking for the best soil and land use conditions. A natural attenuation site (one that has "ideal" conditions) should have 50 feet of clay and 10 feet to groundwater. Other concerns such as distances to lakes, streams, airports, drinking water wells and crucial wildlife habitats are also considered. Finally, surrounding land uses are evaluated. Often, a natural attenuation site won't be found so the selected site may have to be engineered to create suitable conditions to meet minimum standards for sanitary landfills.

Washington County with the assistance of a consultant, is now in the stage of identifying two or three potential landfill sites and writing Initial Site Reports on those sites.

Next: What is an Initial Site Report and what are the following steps in selecting a landfill location?

In the Service

Teresa Sawyer

Navy Seaman Recruit Teresa M. Sawyer, daughter of Robert and Dorothy Sawyer of 1223 Highland View Drive, West Bend, has completed recruit training at the Naval Training Center, Orlando, Fla.

During the eight-week train-

ing cycle, trainees studied general military subjects designed to prepare them for further academic and on-the-job training in one of the Navy's 85 basic occupational fields.

Included in their studies were seamanship, close order drill, Naval history and first aid. Personnel who complete this course of instruction are eligible for three hours of college credit in Physical Education and Hygiene.

A 1981 graduate of West Bend West High School, she joined the Navy in July 1980.

MODERN WOODMEN HOLD FALL DINNER AT HON-E-KOR

Members and families of Modern Woodmen of America Camp 2233 of Kewaskum, enjoyed a "Fall Affair" dinner at Hon-E-Kor Country Club on Saturday evening, October 24.

Drawings were held for both adult and junior door prizes, followed by playing of cards.

25 Years Ago

November 2, 1956

Burglars broke into the home of Mr. and Mrs. Rudolph Hirsig, Route 2, Campbellsport, located on Highway 45, about three miles north of Kewaskum, Sunday night and carted off a 200-pound safe containing \$2,100 worth of government bonds and \$21 in cash. They gained entry through a rear door when the Hirsigs were gone. Authorities believe that the gang may have been the same one which carried away a safe from a home near Mayville recently.

The Future Farmers of America and the Junior Dairy Herd Improvement Association of Kewaskum Community High School have elected the following officers to represent them. F.F.A. officers are: President, Roger Garbisch; vice president, Roger Dobke; secretary, Ron Bales; treasurer, Russel Kempf; reporter, Dave Nigh, and sentinel, Bob Becker, D.H.I.A. officers elected were: President, Fred Lettow; vice president, Jim Thorn; secretary-treasurer, James Enderle.

St. Matthias Church, Town of Auburn, was the 9:30 a.m. setting on October 27, when Alfred J. Schmitt, son of Mrs. Catherine Schmitt, Route 3, Kewaskum, claimed as his bride, Miss Rita Mae Hammes, daughter of Mr. and Mrs. John Hammes, Route 2, Campbellsport.

A daughter was born to Mr. and Mrs. Lester Schaub, Route 2, Campbellsport, on October 31. A son was born to Mr. and Mrs. Claver Simon, Kewaskum, on October 30. A son, Steven Traugott, was also born to Mr. and Mrs. Robert Okrasa, Norfolk, Virginia on October 24. Mrs. Okrasa is the former Shirley Keller, daughter of Mr. and Mrs. Leroy Keller, Kewaskum.

50 Years Ago

October 30, 1931

The home of Mr. and Mrs. Fred Backhaus, residing about a mile northeast of Kewaskum, was the scene of a most happy event on October 25th, when their children, grandchildren and great-grandchildren met there to celebrate the venerable

couple's 60th wedding anniversary. They are the parents of the following nine children: Mathilda (Mrs. Carl Backhaus) of Kewaskum; William Backhaus of the Town of Auburn; Edward Backhaus of West Bend; Ricka (Mrs. Julius Dreher of Kewaskum; Emma (Mrs. Henry W. Ramthun) of Kewaskum; Adolph Backhaus of Marshfield; Elsie (Mrs. Herman Backhaus) of Kewaskum; Otto Backhaus of Kewaskum and Alma (Mrs. Otto Ramthun) of Kewaskum.

At a meeting held Monday evening by a number of fans, a basketball club was organized, the purpose of which will be to sponsor a city basketball team. Officers elected are as follows: President - Dr. F.E. Nolting; vice-president - John Muckerheide; secretary - Jacob Schlosser Jr., and treasurer - Marvin Martin.

The Evangelical St. Lucas Lutheran Church was the scene of a pretty fall wedding October 24, when Miss Ocelia Guth, daughter of Mr. and Mrs. William Guth of Kewaskum, became the bride of Elmer Yoost of West Bend.

A baby girl was born to Mr. and Mrs. Mike Schneider of St. Michaels last Wednesday. Mr. and Mrs. Emil Doman of Boltonville are the happy parents of a baby girl born to them on Tuesday. Mr. and Mrs. Peter Block are rejoicing over the arrival of a little son born to them on Monday.

75 Years Ago

October 27, 1906

John W. Schaefer commenced last Monday to erect a new barn in place of the one destroyed by fire last week.

Page 12, Friday, Oct. 30, 1981

The marriage of Charles Garbisch and Miss Hulda Laverenz took place at the St. John's Reformed Church at Beechwood on Thursday.

Frank Runte, son-in-law of Dr. Driessel, has rented the ice privilege on the mill pond of Backhaus and Marx for a term of years. He will erect a 50 x 60 storage on the east side of the pond and supply ice in the village hereafter.

Mr. Claus of Boltonville raised his barn Tuesday on the site of the one destroyed by fire a few months ago.

Divorced Men, Women Meet Every Friday

The Washington County Separated and Divorced Men and Women meet every Friday at Sacred Heart Church, Allenton from 7:30 to 9:30 p.m.

The group meets to share ideas, concerns, support, fellowship, and love from a Christian perspective. Guest speakers, panel discussions, small group sharing and activities are some of the highlights of the meetings.

The November 6 meeting will be The New Male with speaker Curt Reichert.

For more information call 334-4532, 677-2452 or 673-7857.

Girl Scouts Bake, Craft Sale at Holy Trinity

Local Century Farm and Home Award Winners

Mr. and Mrs. Byron J. Gessner of the Town of Scott, 1911 Maple Tree Road, Route 1, Kewaskum, Sheboygan County, received recognition during the 1981 Wisconsin State Fair as a recipient of the prestigious Century Farm and Home Award.

This year's awards program, sponsored by Hillshire Farms,

honored 85 families for holding title to a farm or home continuously for one hundred years or more. The program was started in 1948 and has honored over 4,300 families since its beginning.

Plaques and certificates were presented to the honored families at the traditional Century

Farm breakfast held during the State Fair. Guest speaker at this year's breakfast was former Wisconsin Secretary of Agriculture, Don McDowell.

Pictured above are Mr. and Mrs. Gessner and their 2 1/2 year old son, Tracy.

Families interested in participating in the 1982 program may

contact their county agent or the register of deeds in all Wisconsin counties. Additional information may also be obtained by writing to: Century Farm and Home Awards, Wisconsin State Fair Park, Milwaukee, WI 53214.

The 1982 Wisconsin State Fair will be held August 5-15.

4-H Club News

By Bob Stodola
4-H and Youth Agent

4-H RABBIT SHOW NOV. 1

All 4-H rabbit project members from Washington and neighboring counties are invited to participate in the 4-H rabbit show. It will be Sunday, November 1, beginning at 12:00 noon at the West Bend Motor Inn on Hwy 45 south of West Bend.

Advanced entries are not necessary. Entries can be made starting at 11:00 a.m. The judging is to start at 12:00 noon.

All rabbit breeds are eligible. Entry fee is 50c per rabbit and there is no limit on number of entries.

The rabbit show illustrates one of the changes taking place in the 4-H program. Years ago when people thought of 4-H, they pictured a boy leading a calf or feeding a steer out on a farm. They did not see how anyone in the city could be a 4-H member. But now in Washington county more than two thirds of the 4-H members do not live on the farm. They live in the cities of West Bend

and Hartford as well as the villages and the subdivisions. all over the county.

In addition to working with animals there are such projects as photography, woodworking, mechanical projects and home economics and even the livestock projects are now open to non-farm youth. Years ago 4-H livestock projects were a way of learning to make a better living raising livestock. This is still important today. However, many youth are also interested from the standpoint of learning the enjoyment of handling animals.

We still have the beef, dairy, pork, sheep and poultry projects. In these projects the members learn about selection, feeding, management, breeding and marketing of the animals and their products.

More and more members, however, are enrolling in such projects as horse and pony, rabbits, cats or dog projects or other smaller animals and caged birds. Here the emphasis usually is on the recreational aspect of the project. Members want to learn how to ride and enjoy their horse or they may want to have a dog or a cat for a

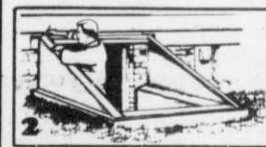

pet. They are not concerned that they make money on the project. Instead, they are concerned that they can train the animal and keep him healthy so that he becomes a well trained and an enjoyable animal to have. They also need to know a lot to raise a good healthy animal. This can be learned with a pet as well as in a project with a large animal raised for a livelihood. There are also other things about animals such as genetics that can be learned. Sometimes these kind of lessons can be learned more quickly with small animals because of the shorter life cycle and greater number of offsprings that small animals have.

So whether a boy or girl lives on a farm or in town, he can find a lot to learn in a 4-H livestock project. This is the time of year that 4-H members are reenrolling and new families are joining the 4-H club. If you are interested in animals, maybe the 4-H club is for you. Contact a local 4-H club in your neighborhood or the 4-H office at the Washington County Court House.

Congressman
JIM
SENSENBRENNER
Reports

A SNEAKY PAY HIKE FOR CONGRESS

Congress recently proved again how adept it can be at lining its own pockets at public expense while the public isn't paying attention. As part of the legislation continuing funding for federal agencies into the new fiscal year beginning October 1st, Congress passed a tax break and guaranteed future pay raises for itself.

What is worse is that Congress deliberately did this on a voice vote, over the objections of myself and several other members, so no one was put on record or could be held accountable for this selfish, arrogant action.

The new benefits for Congressmen and Senators came in three forms. One is repeal of the current \$3,000 annual limit on tax deductible business expenses they can claim while actually in Washington. Estimates vary, but this will be the equivalent of a \$10,500 a year pay raise or more for most members in terms of take-home pay.

The biggest new benefit, however, will be an automatic annual cost-of-living adjustment (COLA) to Congressional salaries, beginning in 1983, equal to that provided most federal white collar workers. In recent years, this has averaged 4½-5½ percent a year.

The third benefit is the complete repeal of the \$25,000 annual limit on outside income allowed to U.S. Senators — honoraria, speaking fees, etc. Members of the House will continue to be subjected to the

current outside income limit of 15 percent of their salary.

The present Congressional salary of \$60,662 is high enough. Since most Americans have had to tighten their belts to cope with the inflation Congress has helped create through its past reckless spending policies, Members of Congress should, too!

These back door pay raises are grossly unfair and set a bad example. It's no wonder most Americans hold Congress in such low esteem when it plays shell games with the taxpayers' money like this.

This action was one of pure self interest. What we need now is sacrifice on the part of everyone, including Congressmen. The only way Congress can redeem itself now, in my opinion, is to pass a measure like the one I introduced last session to freeze Congressional pay. I would support that, and strongly so.

Selection Meeting
For Beef Project
Members Wednesday

Beef project members will soon be selecting their project animals. Steers for the 1982 County Fair and Livestock Sale will be weighed in during late December.

A program to help exhibitors and parents with this selection process will be held on Wednesday, November 4, at 8:00 p.m. The program will be held in the basement Auditorium of the Washington County Courthouse, 432 E. Washington Street, West Bend.

The Livestock Sales Committee has added some educational requirements to the Livestock Sale at the County Fair. Each exhibitor planning to sell an animal will be expected to participate in two out of three available programs. There will be a selection meeting for beef project members November 4, swine and sheep members in February or March. A self study unit will be developed on feeding and records for beef, sheep and swine exhibitors. A fitting and showing workshop will also be held next spring.

Beef exhibitors and parents are encouraged to attend the November 4 meeting to help you in your selection process and help qualify for the Livestock Sale.

Halloween Dangerous
Day for Drivers,
County Sheriff Warns

Halloween is a dangerous day for drivers, warns Washington County Sheriff Clarence Schwartz.

For children, Halloween means the excitement of wearing fantastic costumes and going trick or treating around their neighborhoods.

But for drivers, hundreds of trick or treaters means hundreds of possibilities for accidents, Sheriff Schwartz says.

Dangers identified by the Wisconsin Sheriffs and Deputy Sheriffs Association include:

- Many children's masks limit their vision, making it hard for them to see approaching cars.
- Dark costumes on dark

streets make it difficult for drivers to spot trick or treaters.

-Bulky costumes slow children movements, meaning they can't cross a street as fast as they usually do.

-Excited people are often careless.

Drivers should remember how excited they were on Halloween and take extra care watching for trick or treaters, suggests the Wisconsin Sheriffs and Deputy Sheriffs Association.

Don't turn Halloween Trick into Halloween Tragedy, Sheriff Schwartz says.

Church Women Plan
World Community Day

The Washington County Church Women United will observe World Community Day on Friday, Nov. 6, at Immanuel United Church of Christ located at Fifth and Walnut Streets in West Bend. The event will begin at 12:30 p.m. with the traditional "sack lunch." The dessert of birthday cake and coffee will be provided by the ladies of Immanuel Church in recognition of the 40th anniversary of CWU nationally, and 25th anniversary in Washington County.

World Community Day is also annual meeting of the group which will elect a President-elect, Vice-president, and Secretary. The theme of the meeting following will be "The Last Commandment — Put Away Your Sword." Heidi Thomas and Toni Kammer will speak on their experiences with a medical mission to Haiti. They will illustrate their talk with slides. The offering at World Community Day will be used for Disaster Relief and global concerns of the Church Women United.

The public is always welcomed to CWU events to share in an on-going fellowship of responsibility and concern.

LAWYER REFERRAL

You can be directly referred to a lawyer who is interested in your kind of legal matter.

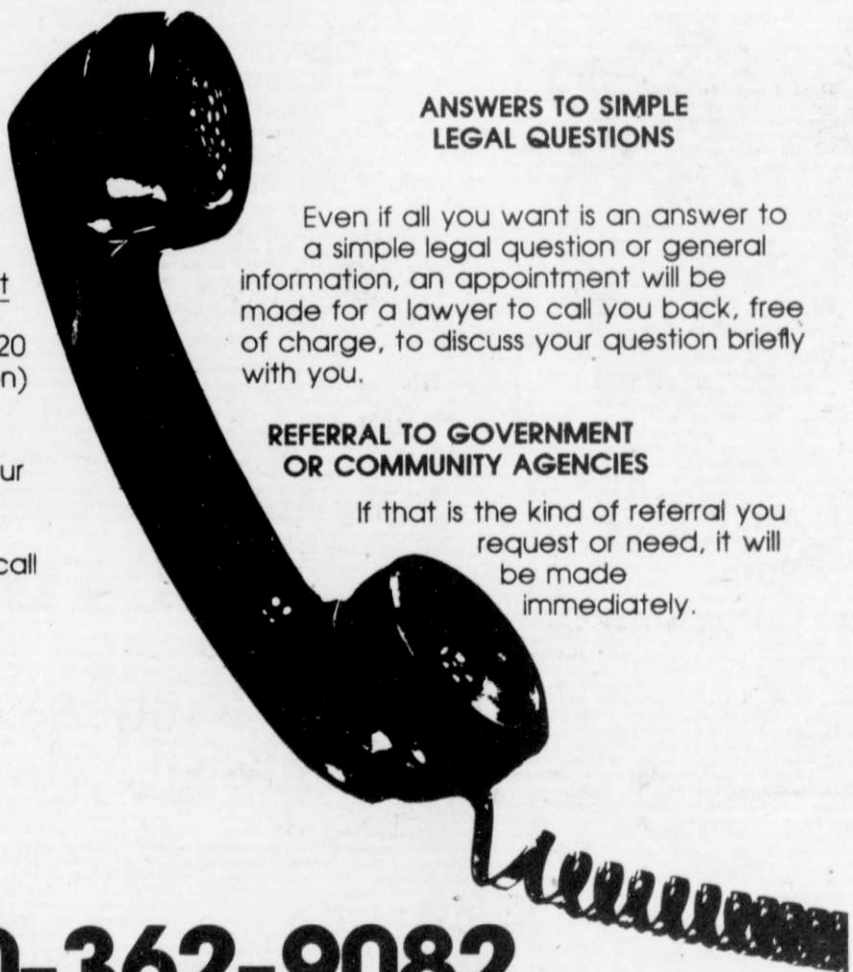

- For Lawyers in all counties except Dane & Milwaukee call toll-free 1-800-362-9082 (No more than \$20 for initial ½ hour office consultation)
- For a Dane County lawyer call 608-257-2866 (\$10 for initial ½ hour office consultation)
- For a Milwaukee County lawyer call 414-271-3080 (free initial ½ hour office consultation)

ANSWERS TO SIMPLE LEGAL QUESTIONS

Even if all you want is an answer to a simple legal question or general information, an appointment will be made for a lawyer to call you back, free of charge, to discuss your question briefly with you.

REFERRAL TO GOVERNMENT OR COMMUNITY AGENCIES

If that is the kind of referral you request or need, it will be made immediately.

Village Board Reminds Residents of New Ordinance on Garbage Disposal

The Village Board would like to remind the residents of the village that the new ordinance in reference to "Garbage and Refuse Disposal" (Chapter 14) was adopted January 19, 1981 and has been posted for the public to review. This ordinance will be enforced and all residents and commercial establishments will be asked to comply with these rules and regulations.

There are three (3) points that should be emphasized:

I. Section 2

Garbage and Waste Container, Number, Condition and Location. Each commercial establishment located in the Village shall have a maximum number of two (2) garbage cans or maximum of one (1) mobile container to accommodate all garbage and waste to be removed by the Village and each residential unit in the Village shall have a minimum of one (1) garbage can or a maximum of two (2) garbage cans of such purpose. Collection service may be discontinued where containers have been condemned as unfit for garbage receptacles until proper containers are provided and the owners or users thereof may be subject to the provisions of section 19 hereof. Garbage cans and/or mobile containers shall be kept tightly covered at all times and shall be capable of being closed so that water, flies and other insects cannot enter and shall be easily accessible to the refuse collectors on the property from which the refuse originated.

Section 3

(a) Deposit of Garbage and Refuse for Collection. Separation of refuse. Garbage, ashes

(which have been wet down sufficiently to avoid fire in pickup truck) and refuse shall be placed in standard garbage cans or bags.

(b) Preparation of refuse. All garbage and refuse shall be drained of liquid before being deposited in cans for collection. All garbage shall be wrapped in paper before being placed in garbage cans or bags.

Section 4

(a) Location of Garbage Cans: Off-Set Required in Fence: Size: Where an alley exists and is normally used for the collection of garbage, garbage cans or mobile containers shall be placed on the owner's property as near to such alley as is practicable. In the event that no alley exists, or is not practicable by reason of the existence of physical obstacles to placing the garbage can or mobile container on the edge of the alley, such garbage can or mobile container shall be placed at a point to be designated by the Director of Public Works.

(b) If a property owner erects a fence, wall or hedge bordering on any alley, the property owner shall provide an off-set in the fence, wall or hedge of not less than four feet by ten feet (4' x 10') for the placement of garbage or mobile containers.

Section 5

Placing of Garbage Cans for

Collection.

No garbage can or trash container shall be kept upon or adjacent to any street, sidewalk, parkway, front yard, side yard or other place within view of persons using the village's streets and sidewalks, except that:

(a) Placing for collection. Not earlier than 12:00 o'clock noon on the day preceding that upon which garbage and refuse collections are customarily made from such premises, such garbage cans and trash containers shall be placed within six (6) feet of the street or just inside the curb for the purpose of permitting the collection of garbage and refuse therefrom, and such garbage cans and trash containers shall be removed from such place on the same day collection is made.

(b) Erection of bins for accumulation. The owner or occupant of any premises may erect or construct and maintain upon any portion of his own premises, but never on a parkway or public walk, a permanent bin, pit or other structure in which garbage cans or trash containers may be kept; provided, however, that such bin, pit or other structure shall be maintained in a clean, sanitary and slightly condition. Commercial trash bins for large boxes or similar trash and other accumulation of nature other than garbage, shall have four (4) sides, screened roof and access door and be constructed on the owner's property, accessible for direct loading into private hauler vehicles.

II. Section 1: Definitions.

(g) Garden Trash: The words garden trash mean all accumulation of leaves, grass or shrubbery, cutting and other refuse attending the care of lawns, shrubbery, vines or trees. (Garden trash must be placed in a proper container or bundled and cut to the proper lengths.

Section 8

Storage and Accumulation of Refuse; deposit of Refuse in Streams, Sewers, Etc., Prohibited.

(a) Public places. No person shall store any refuse in any street, alleyway or other public place at any time except as provided herein, or upon any private property other than that owned and occupied by such person. Nor shall any person throw or deposit any refuse in any storm sewer, stream or other body of water.

III. Non-Village Refuse - The ordinance on "Garbage and Refuse Disposal" refers only to that garbage and refuse from village residents and commercial establishments. This means unauthorized accumulation of non-village material will not be permitted or picked up. If a village resident permits non-village material to be placed for pick up with his or her material, theirs will not be picked up and they may be found in violation of this ordinance and penalized.

School Menus

KEWASKUM COMMUNITY SCHOOLS

Monday, Nov. 2 — NO SCHOOL - In Service day.

Tuesday, Nov. 3 — Hamburger, fried onions, slice cheese, sweet and dill pickles, French fries and fruit cocktail.

Wednesday, Nov. 4 — Salisbury steak, mashed potatoes, buttered corn, home made raisin bread and coffee cake.

J & J AUTO TOPICS

AUTOMOBILE HEART

The battery is the heart of the modern automobile, and like a heart, any added strain to normal conditions could make it break down. During winter months, lights are used many hours more than other seasons; cold motor starting causes terrific drains on the battery; and cold temperatures can crack and break a not properly checked battery. Also, never add water to a battery just prior to parking for the night. It must be circulated to keep from freezing.

Many customers know that J & J AUTO SERVICE gives the kind of battery service that is satisfying. Drive in at 450 E. Main for the complete battery check.

Agricultural Issues in Forefront of Assembly Action

(MADISON) — Agricultural issues were in the forefront of Assembly action last week, according to State Rep. Gervase Hephner (D-Chilton).

A wide range of farm bills were considered, dealing with administrative programs and animal health regulations, for example, he added.

A bill Hephner co-authored was adopted by the Assembly last week. The proposal extends the life of the Fertilizer Research Council. The Council determines funding for fertilizer research projects conducted at state campuses which analyze optimum nitrogen use for crop productivity and nitrate loss, which could be a problem at a later date. About 10c on the sale of each ton of fertilizer goes into a special fund, providing about \$150,000 for research.

"The Council," Hephner pointed out, "is a source of accountability for these funds and provides assurances that only worthwhile projects are being conducted."

Although a proposal to control the spread of brucellosis was scheduled for legislative action last week, it was returned to the Agriculture and Nutrition Committee for further fine-tuning and public input.

We are now polling farm organizations who have supported this legislation in the past and are awaiting the results of a questionnaire sent to breed associations asking their opinion of testing all unvaccinated cattle before in-

trastate sales. (Intrastate is sales of cattle within Wisconsin).

Presently, this contagious disease, which will require over \$700,000 in state and federal indemnity payments for 1981-82 in Wisconsin alone, is being regulated by a department emergency rule which requires imported cattle to be vaccinated. "Since this rule is in effect until December," Hephner, senior member of the Agriculture Committee, explained, "we will have time to work out the rough spots in the proposal."

Scout Leaders to Hold Roundtables

The Committee People and Leaders of Cub Scout Packs and Boy Scout Troops of Glacier Edge District 11 in Ozaukee and Washington Counties will hold their monthly Roundtables, Thursday, November 5, from 7:30 - 9:30 p.m., at John Long Middle School, corner of Fifth and Hickory Streets, Grafton.

The Cub Scout sessions will be centered on the "Do Your Best" theme, and will also feature Christmas ideas and ornaments. The Craftsman Badge will be discussed by the

Webelos Leaders; and Uniform Insignia for Cubs and Adults will be handled in the Cubmaster and Committee Session.

Winter Camping information and ideas will be covered in the Boy Scout Sessions.

Boy Scouts of the Awase Lodge of the Order of the Arrow will also conduct their monthly meeting in conjunction with the Roundtables.

Births

KOTH — Twin sons, Christopher Lee and Curtis Lee, to Perry and Joann Koth, 203 Main Street, Kewaskum, Saturday, Oct. 17, at Elmbrook Memorial Hospital, Brookfield. Paternal grandparents are Mr. and Mrs. Ralph Koth, Kewaskum, and maternal grandparents are Mr. and Mrs. Roland Rate, West Bend. Mrs. Koth is the former Joann Czaja. Koth is baseball coach and an assistant football coach at Kewaskum High School.

NITSCHKE — A son to Michael and Lora Nitschke, 225 Braatz Drive, Kewaskum, Friday, Oct. 23.

MAAS — A son to Dale and Gayla Maas, 2523 Hwy. 28 E, Route 3, Kewaskum, Wednesday, Oct. 21.

Campus Notes

The Ripon College Readers Theatre opened the 1981-82 season with their performance of "Things that go BUMP in the night..." on October 28. "Ghoulies, ghosties and long leggity beasties" were described in prose and poetry at the pre-Halloween show in Benstead Theatre. Guest performers included members of the storytelling class who

regaled the audience with "tales of horror and mystery."

Kurt Zaring of Kewaskum, is a member of the storytelling class. He is the son of Mr. and Mrs. Richard Zaring, Sr. of Kewaskum.

The program was directed by Dr. Bonnie Buzza of the Ripon College faculty.

CARD OF THANKS
Thanks to all our relatives and friends for their many kindnesses during the recent bereavement, the sudden death of my beloved husband, and our dear father, **FREDERIC JESKE**. Special thanks to Fr. Bonesho, organist, choir, pallbearers, servers, donors of floral, spiritual and memorial tributes, food donors, ladies who served, American Legion members, bugler, Kewaskum Rescue Squad, Miller's, traffic officer, custodian, sexton and to all who paid their respect and helped us in any way.
Mrs. Frederic Jeske and family

A NOTE OF THANKS
We wish to thank friends, neighbors and relatives for attending our 50th wedding anniversary. Special thanks to Rev. Darrell Joiner for his prayers at the worship service, reception and dinner.
Your presence, well wishes and cards will ever be remembered.
Elmer and Ocelia Yoost

CHEMISTRY IN OUR LIVES
How You Will Benefit

AN ONION A DAY?
Although it's probably premature to put an onion on your medicine shelf, scientists have found a substance in the humble vegetable that is known to lower blood pressure.

Onions have been found to contain a substance that lowers blood pressure.

The new findings, reported at a meeting of the American Chemical Society/Chemical Society of Japan, marked the first time that one of the compounds called prostaglandins has been found in plants. Prostaglandin A₁ lowers blood pressure when injected intravenously. Whether the onion could actually lower blood pressure would depend on its untested ability to survive the digestive process.

Folklore has long held that eating onions could hold blood pressure down. Now scientists feel there may be some reasons to investigate.

KEWASKUM RESIDENTS — Craig Jacak, 7553 Neno Road, and Ed Carranza, 9388 Bolton Drive, are among the players on UWVC's conference-leading soccer team this year. Craig's position is right or left wing and Ed, who is a foreign exchange student from San Salvador, plays forward. Both men were on last year's championship team and are instrumental in UWVC's 9-0 record this year.

Morality in Media National President to Conduct Meeting on Porn and Cableporn

Rev. Morton A. Hill, S.J., founder and national president of Morality in Media, Inc., will be in West Bend on October 29 to conduct a "town" meeting on the traffic in Pornography and Cableporn in Silverbrook School, 120 N. Silverbrook Drive at 7:30 p.m. as part of a nationwide tour that will take him to more than 30 cities and towns.

Hill will speak on the pornography traffic and the emergence of CABLEPORN and then listen, as he invites the audience to speak their minds. He will record questions and suggest solutions. But, Hill says he will be here "largely to listen," for he attributes the traffic in pornography to the fact that the public voice is not being heard.

He will also present a charter to the newly organized MORALITY IN MEDIA OF WISCONSIN, INC., a state-wide affiliate of the national organization.

Fr. Hill was appointed by President Johnson to the Presidential Commission on Obscenity and Pornography. He issued the Hill-Link Minority Report of that Commission when the majority called for repeal of obscenity laws. In the landmark U.S. Supreme Court obscenity decisions, the court ignored the Majority report and cited the Hill-Link Report several times. He has appeared on radio and TV programs including Good Morning, America, the Today show, and the Phil Donahue Show, and has testified before Congressional

Committees and in court cases. Fr. Hill established the National Obscenity Law Center, and helped to produce a 60-minute TV Special, "Pornography: You Are Its Victim," which has aired in 47 cities. He has received keys to several cities and numerous awards for his tireless efforts to safeguard the moral welfare of American Society.

Bear Harvest Up 40 Percent

The harvest during the gun bear season this year was up about 40 percent over a year ago, according to Bureau of Wildlife officials in the Department of Natural Resources.

Frank Haberland, Big Game Specialist in the bureau, said the preliminary count is 1,191 this year compared with last year's total of 855 bear taken during the 16-day gun season.

Haberland said, "I believe that several factors contributed to the significantly larger harvest this year including the excellent hunting conditions during the season, more experienced hunters in the field and the fact that the bear population is in excellent condition." He noted that a poor acorn crop this year also could have a bearing on the increased

harvest as bear, denied a good supply of that natural crop, would be more likely to be attracted to bait stations set out by hunters.

Planned Parenthood Workshops on 'Talking To Child About Sex'

What kids don't know can hurt them, and what they don't know about sex can hurt the most.

Planned Parenthood of Washington County, a United Way Agency, feels strongly that parents are the primary sex educators of their own children and that this education begins at the child's birth. In order to help parents prepare for their role in providing sexuality education for their children,

Planned Parenthood is sponsoring two workshops for parents, entitled "How Do I Talk To My Child About Sex?" Participants are given the option to either attend the Wednesday morning "Coffee" sessions from 9:30 to 11:30, November 4 and 11, or the evening sessions from 7:00 to 9:00 on the same dates.

Most kids do want to talk to their parents about sex. This is not always an easy and simple task for parents. Sexuality education is important for children of all ages and can be a matter of sharing, of learning and gathering information together. Parents who are able to talk candidly, in an informed way, with their children are paving the way for a solid, lasting relationship founded on love and trust.

For more information, or to register for the workshop please call Planned Parenthood, 338-1303.

Indians Upset Kiel, Conference Leader, in Homecoming Game, 7-0

Honor Backhaus, Miller; Marx Speaker

It was a very cold, windy night but the Kewaskum Indians heated up as they upset Eastern Wisconsin Conference leader Kiel, in their homecoming game Friday night, 7-0, before a large following of fans from both schools.

Kiel (4-1) came here with high hopes for the conference championship or at least a tie for it and a possible WIAA playoff berth but the Indians put a big crimp in their plans. Had Kiel won, they would have clinched at least a tie for the title after thrashing previously undefeated Two Rivers the week before. It was the final game for the Raiders, who had a bye in the schedule for the final week this week.

But Two Rivers beat Plymouth in double overtime Saturday to move back into first place with a 4-1 record to take the inside track for the playoffs. If Two Rivers beats winless, last place Chilton this week, as expected, they will be undisputed champions. Kiel, which has concluded its season, is assured of at least a tie for second place. Kewaskum, Plymouth and Sheboygan Falls, all 3-2, still have shots at second place depending upon the outcome of their games this week, or for a tie for first place should Chilton upset Two Rivers.

There are four reasons why Kewaskum's victory over Kiel Friday was a big one. First, it was homecoming weekend; second, it avenges an overtime loss to the Raiders last year, third Coach Mike Fifrick is an alumnus of Kiel High School, and fourth, it kept the Indians in the race.

In the game with Kiel the only score came on a 62-yard pass play from the Indians' Ric Leitheiser to Dave Donath, with just two minutes left before the half. After a Kiel drive stalled on the Indians' 20-yard line, Kewaskum took over there, up to which time the defenses were dominating the contest.

Two running plays gained eight yards and then Tim Heberer gathered in a 10-yard

pass from Leitheiser for a first down. Heberer took the ball away from two Kiel defenders to make a difficult catch. On the next play, Donath came out of the backfield, was all alone near the sideline for a 25-yard pass and ran the ball all the way into the end zone. Brian Larsen's kick made it 7-0. Leitheiser completed five passes for 131 yards, with Donath catching three for 107 yards.

The Indians had one other scoring opportunity in the second quarter when a punt return and face mask penalty took them to the Raiders' 36. Kewaskum moved all the way to the 6-yard line but then a pass was intercepted by Kiel's Tom Kohlmann in the end zone.

Kiel also made several scoring threats. In the second period they moved 60 yards to Kewaskum's 20, all on running plays. For some reason they then went to the air, with which they had little success, and after a number of incomplete passes the Indians took over on downs.

In the third quarter, after Chris Konz intercepted a Leitheiser pass, the Raiders drove to Kewaskum's five yard line but on a fourth down situation, Jim Krahn and Scott Stoltzmann hit Konz for no gain on a run around his left end. Kiel also got to the Indian 16 once,

but fumbled and tackle Jon Davis recovered.

Running back Kohlmann was injured in the third quarter and Konz was taken to the hospital with a neck injury after a hit by Matt Feyrer with just minutes remaining in the game. Feyrer put a good rush on the Kiel quarterback all night. Randy Westerman knocked down a couple of long Kiel passes.

The Indians concluded their season with an important home game against Plymouth Wednesday night which had a bearing on second place and possibly first place.

	Kiel	Kewaskum
First downs	9	5
Total yards	193	218

Land o' Lakes Northern Division Baseball Awards Dinner at Port Nov. 7

The annual "Award Dinner" of the 1981 Land o' Lakes Northern Division baseball league will be held at the D & G Club in Port Washington on Saturday, Nov. 7, at 7:30 p.m.

The banquet is open to the public and tickets may be purchased before Oct. 31 from the managers of the teams or your league commissioner, Jake Oelhafen. The guest speakers will be Bob Monroe of West Bend and Harold (Mixie) Marx of Kewaskum, who are Land o' Lakes Hall of Fame members and well known Land o' Lakes players.

Oelhafen will present the trophies and awards, with Grafton receiving the first place trophy; West Bend second, and Saukville third. Tom Schumacher of Saukville will receive the batting championship trophy with an average of .407. Pat McFarlin of Grafton is the league most valuable player and will review the pitcher of the year award.

Fred Bertling of Grafton will receive the manager of the year award. The most valuable player of the 1981 all-star game will be Mark Messa of Cedarburg, who will receive the award. Doug Gonring of West

Bend will receive the rookie of the year award and also the home run title award. Bill Froehlich of West Bend and Tom Albrecht of Barton will receive the rookie pitcher of the year award. League meritorious award will be given to Jim Scherf of Cedarburg. The commissioner's award will be given to Tom Klug of the Thiensville/Mequon team.

Sportsmanship award will be given to Bill Backhaus of the Kewaskum team. Scorekeeper's award will be presented to Ted Miller of Kewaskum. The bat boy award will be given to Bobby Rozek of West Bend.

Awards will be given also to the following all-league team members: Pitcher, John Jazak of West Bend; catcher, Doug Gonring of West Bend; 1st base, Rick Schuknecht of Port Washington; 2nd base, Bill Tschang of Grafton; 3rd base, Rolie Kitt of Port Washington, and Russ Ehlert of Grafton; shortstop, Dennis Goecke of Grafton; outfielders, Steve Albrecht of Barton, Rick Peck of Grafton; Kurt Meinberg of West Bend and Tom Schumacher of Saukville. The utility player award goes to Steve Fransworth of Port Washington and the designated hitter award to Mike Riebe of Grafton.

Volleyball Girls Ousted in Regional; Split Two Others

The volleyball season came to an end for the Kewaskum girls Saturday when they lost their first match in two games to eliminate them for further competition in the Class B regional tournament held at Campbellsport.

North Fond du Lac won the meet and advanced to the sectional this week when they defeated Laconia in the three-game championship match. They also beat Lomira on their way to the championship.

The teams were pretty evenly matched and the Indians lost two close ones, 15-13 and 15-12 to Laconia. Kewaskum showed good comebacks in both games. Barb Matenaer played well again and Donna Menzel and Heidi Edgar were the most consistent spikers.

Saturday's regional marked the final appearance for seven Kewaskum seniors. Better things than a sixth place conference finish (3-9) were expected of the team.

Last Tuesday night at Sheboygan Falls, the Indian girls were defeated by the Falcons' conference leaders, who had moved into a first place tie by beating Two Rivers.

Falls looked strong while the Kewaskum girls, although a little more aggressive at the net, dropped all three games.

Playing at Kiel Thursday, the KHS girls won their conference finale. They took all three games, 17-15, 15-1 and 15-3, to wind up the season with a 3-9 mark.

The JVs lost, dropping the first two games, 15-6 and 15-9, before winning the final one, 15-5. The freshmen lost 15-12 and 15-8 before taking the last contest, 15-6.

Hunters Choice Permit Mailing For Deer Season

Hunters Choice Permits for the deer gun season were being mailed to successful applicants beginning October 28 with the mailing scheduled to be completed by the end of the month, according to Department of Natural Resources' license sales officials.

A total of 358,124 applications were received for the 108,433 permits available this year. That compares with 348,340 applications received in 1980 for 93,930 permits.

Of the total applications received, 170,433 had preference in obtaining a permit. That is, they applied for permit in 1980 and did not receive one. After preference applications had been processed, 3,341 permits were left over in 13 management units to be filled by applicants who did not have preference this year.

As the mailing schedule is now set up, all hunters who will receive a Hunters Choice permit should have it by the end of the first week in November. Remember, unsuccessful applicants will not be notified.

Girls 3rd, Boys 8th

Indians Eliminated in Cross Country Sectional

The Mayville cross country teams scored another double victory Saturday as both the boys' and girls' teams qualified in the Fond du Lac Sectional for the State Meet in Class B.

The Cardinal boys won easily in the field of 12 schools as they came in with just 36 points, well ahead of second place New Holstein with 84.

The Kewaskum girls and boys were eliminated. The Indian girls, with 97 points, fared the best with third place behind Mayville 52 and Sheboygan Falls 79. The Indians' top places were an eighth by freshmen Sandy Klein and a 17th from Erika Follmann.

The boys ended up far back in eighth place. It was hoped that Wayne Boudreau might place high but illness hampered his performance. He came in 28th as the Indians' top man.

The meet was held on a windy, cold day.

CLASS B GIRLS

Fond du Lac Sectional

Mayville 52, Sheboygan Falls 79, Kewaskum 97, Lomira 130, Campbellsport 155, Horicon 177, Laconia 194, Random Lake 196, North Fond du Lac 236.

Kewaskum Top Five - Sandy Klein 8th 13:41+, Erika Follmann 17th 14:00, Vicki Reif 21st 14:20+, Carol Schmidt 22nd 14:24, Gail Backhaus 29th 14:39.
