Municipal Building Remodeling Presentation Heard by Board

By GERRY MUELLER
Statesman Staff Writer

The Public Works Committee, headed by Trustee Don Mlodzik, spent Tuesday evening listening to presentations for proposed remodeling of the Kewaskum Municipal Building.

The committee, late last year, began to tackle the question of whether to do a minimal amount of repair work or go into a larger scale remodeling program which would serve a two-fold purpose. This would correct the problems which are causing the needed repairs and would also include expansion of both the police department and library areas.

After the committee's first meeting it was decided repair work would only be a temporary stop-gap measure and would not really provide any permanent solutions. Anticipated repair costs were projected to be

around \$30,000.00. With this in mind, the committee directed Administrator Dan Schmidt to contact firms for further development of the rough ideas submitted by the committee. Schmidt informed Mlodzik that several companies had offered to make this first presentation at no cost to the village.

The firms of Graef, Anhalt and Schloemer, R. A. Smith and Associates and Ruekert and Mielke appeared before the committee presenting a company background along with preliminary rough sketches. All the companies presented plans that could be done in phases or all at once depending on how the village felt it could handle such a project financially.

Rough cost figures were estimated between \$300,000 and \$395,000, depending on the plan and the company. Schmidt noted these are only rough ballpark figures since no in-

depth detail study of the building and the needed repairs has been done yet.

Tom Heike, a consultant to R. A. Smith, stated they had figured the project cost using the highest price tag on each phase. He said because of this, after preliminary blueprints and studies were made and bids requested from sub-contractors, he felt their figure could drop as high as 30%.

After hearing all the presentations, the committee asked each company to submit a bid on the preliminary blueprint and engineering costs. When the information is received, Mlodzik and his group will then meet to consider proposals and selection of a company for recommendation to the full board. A final decision of whether or not to go ahead with the entire remodeling and with which company will be made by the full village board.

School Board Primary Election Set for Tuesday

Kewaskum School District residents will cast their ballots at one of seven polling places in the February 16 school board primary election.

The five candidates for the two school board seats are incumbents Gerald Secor and Byron Gessner and challengers Ralph Horner, John Spoerl and Joan Rosenberger. The lowest vote-getter will be eliminated from the race, while the other four will vie for the two board positions in the April 6 general election for a term of three

years.

Polls will be located in the Village of Kewaskum, Town of Kewaskum, Town of Barton, Town of Farmington, Town of Wayne, Town of Auburn and Town of Scott. The electors in the Towns of Ashford and Mitchell can vote at any of the above election sites.

The hours of voting at the seven election sites are from 9:00 a.m. to 8:00 p.m.

The highly contested primary should draw a large vote.

Indians to Host Wrestling Regional

Make-Up Games, Tournaments

Keep Kewaskum Athletes Busy

Take three cold and snowy weekends in January out of an already busy KHS athletic schedule and add to it season tournament games and the result is a very busy February-March schedule.

On Saturday, February 13, Kewaskum will be hosting a Class "B" State Regional Wrestling Tournament. The first round begins at 10:00 a.m., the semi-finals begin at 12:00 noon and the finals begin at 3:00 p.m. Kewaskum will be competing against Pewaukee, Random Lake, Shorewood, Slinger and West Milwaukee.

Admission: Student Single Session - \$1.75

Student Season Ticket - \$3.00

Adult Single Session - \$2.25

Adult Season Ticket - \$4.00

The tournament will be in the new gym at Kewaskum High School and lunches and refreshments, sponsored by the Kewaskum Booster Club, will be available in the high school cafeteria. If you have any questions, call Fran Charland or Dave Wietor at the high school, 626-2166.

Basketball games will also be on the agenda for the next few weeks. Three games were scheduled this week. Wednesday, Feb. 10, was scheduled for a make-up game between Kewaskum and Two Rivers at Kewaskum. On Saturday, Feb. 13, the Indians at Sheboygan Falls for a second make-up after also hosting Kiel Friday. They also hosted Plymouth in a make-up game Feb. 2.

The girls' basketball team demolished Campbellspoint in a make-up contest Friday, 69-40, and will make up another at Mayville Saturday afternoon in non-conference action. The girls are 12-2 overall and in second place in the tournament.

Basketball conference games start Thursday, Feb. 25, with the WIAA girls regional play. On Thursday, March 4, the girls sectional games will start. Finally, the boys' sectional meet is scheduled for Friday, March 12.

HUBCAPS STOLEN

A Kewaskum resident reported to Kewaskum police that four hubcaps were stolen from a Plymouth station wagon while parked in the 500 block of Knights Avenue. According to police, the hubcaps were missing last Wednesday and reported to the authorities Sunday. They are valued at \$100.

Split Guidance Assignments — Is it Meeting Student Needs?

By GERRY MUELLER
Statesman Staff Writer

The Kewaskum School Board heard a report Monday evening from high school guidance counselor David Wietor on the new system of split assignments for the district's guidance counselors. The Board requested a review on the success of the program after the first semester.

Wietor's feeling on the new system were summed up by his statement that "you can make anything work." He felt, however, it did not work as effectively as the district's old system. Previously, there were two full time high school counselors, Wietor and Ernest Mitchell, and Milton Dickinson serving the elementary schools.

Last summer's budget talks and the retirement of Mitchell brought up several suggestions for changes in the guidance program, one being the complete elimination of the elementary guidance position and transferring Dickinson to the vacant high school position. This recommendation was eventually turned down. Several school board members and parents, however, felt they wanted a woman counselor at the high school which would give students a choice in seeking advice from either a male or female counselor. Sharon Blank was recommended, however, she had no previous experience

in high school guidance. The school board recommended Milton Dickinson since he had some experience on the elementary level leaving the elementary position temporarily vacant. As a compromise, with Blank and Dickinson spending half their time in the high school working with Wietor and the balance in their assigned elementary schools, the new system was adopted.

Wietor said the problems encountered are not due to the people involved. They are working together as well as can be expected under the circumstances. "We just don't have enough time in our schedule to coordinate the system. When you split a position, it's very hard to coordinate a day-to-day program. Because of Blank and Dickinson being at the high school on an 'every other day' basis, it presents problems not only for the staff but the students as well." As an example, a student assigned to Blank may not be able to talk to her because she is not at the school that particular day. Depending upon the urgency of the matter, this could result in either the student having to wait until their counselor's next in-school day, or going to Wietor or Dickinson. Wietor said many times the student's problem cannot be put off resulting in his or the other available counselor juggling

their assigned students to make time for the student who needs help right away.

Board president John Tessar wondered whether the district was sacrificing effectiveness just to provide a woman counselor available to all the students. Tessar said, "a com-

[Continued on Page 4]

Sunburst Ski Hill Site of Ski Series Tour This Weekend

NEW YORK, Feb. 8 — The Newport "Alive With Pleasure" Ski Series comes to Sunburst Ski Hill, Kewaskum, Friday and Saturday, Feb. 12-13, as part of a tour of more than 40 ski resorts in the Northeast and the Midwest.

Ski events and other activities will take place both days and will include uphill, ski-boot and slalom races, obstacle courses and snow-sculpture contests. Events are open to skiers at all skill levels who are at least 21 years of age. Prizes totaling \$500 will be presented to the winners.

During the two days of fun and excitement all participants will also be given Newport ski hats and bibs at the Lorillard-sponsored "Alive With Pleasure" events.

In addition, Newport will host dance contests at base lodge

bars and neighboring pubs on Thursday and Friday evenings. Check at the base lodge for further information.

This is the second year Newport is sponsoring the ski series. Roland Hammer, Lorillard brand manager for Newport, said, "The support we received from ski resorts and participants helped make last year's events so successful that this year, we've expanded to other parts of the country."

In addition to Newport, Lorillard, a division of Loews Theatres, Inc., manufactures Kent, Kent III, Triumph, Golden Lights, True, Old Gold and Max cigarettes. The company is headquartered in New York City, with principal manufacturing and processing facilities in Greensboro, N.C., Louisville, Ky., and Danville, Va. 20882.

School Board Candidates' Statements

Kewaskum Statesman, Friday, Feb. 12, 1982, Page 3

Candidate's Name: GERALD SECOR
Date of Birth: Aug. 11, 1924
Town of Residence: Farmington
Address: 1856 Scenic Dr.,
 Kewaskum, Wis. 53040
Phone No: 692-2330

Background:

I was born and reared on an Iowa farm and presently operate a small farm in the Town of Farmington where we've lived since 1962. I served 2 years in the Army during WWII, graduated from Iowa State University in Electrical Engineering in 1948 and have worked for Eaton Corp., Cutler-Hammer Products since that time. Presently I'm an Engineering Supervisor in the Specific Industry Control Division. Our family consists of 4 girls and 2 boys, all of whom have graduated from Kewaskum High School except Sandra, at present in 9th grade. I'm a member of Peace UCC, Kewaskum, Boltonville Volunteer Firemen, Boltonville Sportsman's Club and Washington County Farm Bureau.

Candidate's Statement:

I believe a good education is the best single thing I can provide for my children. Most of my present accomplishments are directly related to my parents' willingness to provide that for me. I've had 5 children graduate from Kewaskum High School. I believe they were well prepared because we've had a good school system even though our per pupil average cost has been well below school districts of our size. I want to help maintain this quality of education for the children of this community. I believe it requires a balance between extracurricular activities and course offerings. I believe, based on the present financial conditions, we, as a school district, can afford the luxury of area schools, parochial busing and the existing extracurricular program.

o o o o

Candidate's Name: Byron W. Gessner
Date of Birth: Aug. 8, 1927
Town of Residence: Scott
Address: Rt. 1, Kewaskum
Phone No: 626-2857

Background:

I graduated from High School, and have farmed since then. My wife Rosella and I have 3 sons. All attended and graduated from the Kewaskum Community Schools. I have served 9 years on the Kewaskum Board. Other community services include Church Council, 4-H leader, Fireman, Town Assessor, and various agricultural committees.

Candidate's Statement:

I would like to remain a board member, as I have always been interested in the community, especially the school system. I believe in providing the necessities for a good education for our students, that they have the opportunity to become a valuable asset to the community. I also believe in accountability, of our staff, as well as our students, that we receive a dollars worth of education for every dollar spent.

o o o o

Candidate's Name: RALPH HORNER
Date of Birth: Sept. 22, 1937
Town of Residence: Farmington
Address: 2307 Scenic Drive,
 Kewaskum, WI 53040
Phone No: 626-4396

Background:

I graduated from St. Catherine's High School in Racine, Wisconsin, and attended one year of college at Maryknoll Seminary at Clark's Summit, Penn. and at Glen Ellyn, Ill. I moved to the Kewaskum area in 1956 and farmed with my father. I am presently employed at the Gehl Company in West Bend as a productivity specialist and east plant superintendent. My wife, Maryann, and I have 3 children - Colleen who attends middle school, Ann-Marie who attends Farmington School and David who is 4 years old. I am a volunteer CCD teacher at St. Michael's, St. Michaels.

Candidate's Statement:

I have two major reasons for my becoming a candidate. The first is that I am concerned about the quality of education that our children are receiving. I am fully aware of how increasingly competitive our world has become and the necessity for our children to be adequately prepared. However, I do not think you can measure this quality by how many

dollars are spent per pupil, just as you can not determine the quality of anything else by dollars. There are many instances in life where you can purchase an article or service for less money and still receive a higher quality product than a similar one with the higher price tag. When we do this, we feel that we have gotten a "true value." I think that this simile holds true for education.

My second reason ties in very closely with the first. As many of the taxpayers already know, I am very concerned about the ever increasing property taxes. Federal budget cuts are greatly reducing the Federal grants to state and local governments. These grants which represent 14.2% of the total federal budget were the target of a full one-third of the budget cuts. Funds for these grants have been slashed by 14% for fiscal 1982 - 25% after inflation. By 1983 revenue dependency on Washington by the state and local governments will have dropped a whopping 28% from the peak year of 1978. Localities will be forced to pick up this slack and a good portion of this will be in the form of increased property taxes. These cuts come at a time when we taxpayers face rapidly deteriorating economic conditions. We face a double threat: that of our reduced ability to pay the property taxes because of these economic conditions and also the very real threat of these property taxes sky-rocketing.

If I am elected to the Board, I would be ever watchful so that we would get a "true value" for the dollar spent. We then can have both - a quality education for our children and some relief for us, the taxpayers.

o o o o

Candidate's Name: JOHN H. SPOERL
Date of Birth: Sept. 11, 1949
Town of Residence: Wayne
Address: Rt. 1, 9015 Lake Bernice Dr.,
 Allenton, Wis.
Phone No: 626-4793

Background:

Attended Holy Trinity Grade School. Graduated from Kewaskum High School. Attended and graduated University of Wisconsin, Madison Farm Short Course under a scholarship from Kewaskum Frozen Foods. I am a farmer and a part-time milk truck driver.

I feel I have a great deal of practical knowledge to contribute to the board.

Candidate's Statement:

I'm a candidate for Kewaskum School Board because I'm concerned about the quality of education in our schools, and the cost of this education. There are too many frills that are costly and that do not significantly contribute to the basic education. The function of education is to prepare students for their future by teaching them reading, writing, and arithmetic, and not to amuse and entertain the students.

I am in favor of the cuts and cost savings principles that have been set forth by Dr. Charles Ogi and Mr. Thomas Brigham, two current members of the board.

These are extremely difficult economic times and sacrifices must be made on all levels.

o o o o

Candidate's Name: JOAN E. ROSENBERGER
Date of Birth: July 11, 1933
Town of Residence: Farmington
Address: 210 River Drive,
 Fredonia, WI 53021
Phone No: 692-2491

Background:

Farm resident, Town of Farmington for 24 years. Mother of 4 children: son and daughter, graduates of KHS; son, senior in KHS, and daughter to enter KHS next year. Born and reared in Cameron, Wis. Graduated, Marquette University with BS in journalism. Worked as a reporter for Two Rivers Reporter and The Milwaukee Journal. Member Holy Trinity Church, Newburg, and member of Holy Trinity school board. Co-ordinator Holy Trinity phy. ed. program for 9 years; past president Holy Trinity Christian Mothers; secretary Dist. 13, Milwaukee Archdiocesan Council of Catholic Mothers; secretary Dist. 13, Milwaukee Archdiocesan Council of Catholic Women; past president and director, Washington County Environmental Council; vice-president Tri-County Civic Association. Former positions: 4-H leader, 10 years; advisor, dean's council UWWC; environmen-

tal committee, West Bend School District.

Candidate's Statement:

I feel the concerns of parents, whose children are attending Kewaskum Community Schools, need more representation on the school board. While I don't feel there is an equation between spending vast sums of money and quality education. I do think there is a point where skimping and cutting programs will lower the quality of education that has been a tradition in the Kewaskum schools. I would hope to bring a common-sense, moderate approach to school problems.

An old legend says that if you stand a broom behind a door an unwanted guest will leave!

Memories...

The Statesman welcomes readers to submit photos for the "Memories" feature. Photos should show life in the olden days in this area. Deliver or mail to The Statesman, 250 Main St., Kewaskum, WI 53040. Photos can be picked up again after publication.

Art or Ervin? How good are you at identifying old pictures of the Koch brothers? This is a photo, as a boy, of either Arthur or Ervin "Kirby" Koch of Kewaskum, sitting with his puppy on the front steps of Miller's Studio on Main Street. Ervin's daughter Audrey doesn't know. We don't know either. Do you? The year the picture was taken is also unknown but it goes a long way back as both of the Koch brothers have been deceased for a number of years. (Photo submitted by Audrey (Koch) Jaraczewski)

School Board

(Continued from Page 1)

ment was made that girls would rather talk to a woman." Tessar asked Blank if this were true and how many had asked specifically for her. "I've had some requests," said Blank, but she could not give any exact numbers. Wietor felt there was no appreciable change in students requesting to see a woman counselor now that one was available. "More often than not, a student will seek out a person of the opposite sex," Wietor said.

Tessar asked high school principal Clark Pearson his views. Pearson said, "it (the counseling) gets done but not as quickly or efficiently as it would if we had two full time counselors."

Tessar questioned cutting back to elementary guidance time. Blank and Wietor were both very much against this idea. They stated problems on the elementary level ranged

from peer-problems to child abuse. Blank said, "I feel it's very necessary and worthwhile, in fact there isn't enough time for me to see all the students who are recommended or come to me on their own."

Wietor's conclusion was "all we're saying is, it will work, but the most efficient it's not." He would like to see two counselors available to the students at the high school at all times. As to the elementary counselor, he said he was not as familiar with that part of the program as were Mrs. Blank and Mr. Dickinson.

Superintendent Floyd Brenholt noted the board will have to decide whether it is more effective to have full efficiency or a female counselor. Tessar said, "we will have to investigate this further if it looks like its not going to work out." No changes would be made at this time, giving the program a chance during the second semester to see if things improve. "By the end of the year we should have a better handle on it," said Pearson.

School board candidate Joan Rosenberger noted from her own experience with her children, she felt there was a need for more counseling time not less, especially on the high

school level.

In other action, the board approved the request of Robert Getter to conduct the annual music testing program for 5th grade students.

The board then adjourned to closed session.

Petri to Visit ADA Meeting at Amerahn

FOND DU LAC — Congressman Tom Petri will conclude his stay in the Sixth District during the President's Day Congressional Recess with visits to area schools, service clubs, plants, and radio talk shows. Also included in his schedule are a legislative meeting with the Sheboygan County Farm Bureau and a luncheon visit to a senior citizen meal site in Sheboygan.

Rep. Petri will also participate in the dedication of the new Post Office in Wisconsin Dells on Sunday, February 14.

His schedule includes the district meeting of the American Dairy Association at Amerahn Hall, Kewaskum, from 11:45-1:00 p.m. Friday, Feb. 12.

Blood Donors Are Needed

The Blood Center of South-eastern Wisconsin will have a mobile unit at the Kewaskum High School (old gym) on Tuesday, Feb. 16, from 1:30 to 6:00 p.m.

If you've never donated blood before, chances are you're a little scared by the idea. Most people are. But once they've donated that first time, they know there's nothing to it. Only a slight needle prick is felt and during the donation you should not feel any discomfort.

The actual donation of a pint of blood takes only about 7 minutes. Plan on a few minutes before the donation to give a simple medical history or update and to have your temperature and blood pressure taken. Allow 10-15 minutes after for some refreshments and you'll be on your way. The whole process takes about 40 minutes.

After you donate, it's best to drink extra amounts of non-alcoholic liquids and avoid unusually strenuous physical exercise. You can plan on a perfectly normal day in every other way. Your body is amazingly efficient; the volume will be replaced within hours. You'll be just as healthy tomorrow as you are today. Giving a unit of blood in no way lowers your immunity or weakens your system.

Most people feel so good about themselves after donating that they are eager to become regular donors. You can donate every 10 weeks or 5 times in any 12 month period.

You may donate at age 17 if your parent or guardian signs a consent form which will be available that day. You may donate to age 66 if you have been a regular donor.

Be a blood donor and feel great by helping someone else feel better.

Call 626-2210 if you have any questions.

Nora Heppe Passes Away

Nora Heppe, nee Backus, 91, of 222 Main St., Kewaskum, died Tuesday, Feb. 9 at St. Joseph's Community Hospital, West Bend.

She was born Feb. 22, 1890, in Kewaskum, and married Frank Heppe in Waukegan, Ill. April 13, 1914. He passed away April 25, 1978.

Survivors include a daughter, Ruth (Norman) Held of Kewaskum; two granddaughters, Nancy Harwood of Ft. Myers, Fla. and Colleen Messana of Bloomfield Hills, Mich.; four great-grandchildren, Douglas and Andrew Harwood and Linda and Christopher Messana; and other relatives and friends.

She was preceded in death by two sisters and four brothers.

Mrs. Heppe was a lifelong resident of Kewaskum and her husband was the former postmaster of Kewaskum.

Visitation at the Techtman-Myrhum Funeral Home, West Bend, will be Thursday from 7-9 p.m. Burial will be in Peace Church Cemetery, Kewaskum.

Closed Monday, President's Day

The West Bend Savings, Kewaskum office, and Valley Bank will be closed Monday, Feb. 15, in observance of President's Day. The Kewaskum post office will also observe the legal holiday. The lobby will remain open until 5:30 p.m. but the window will be closed. Mail will be dispatched. There will be no rural delivery.

Letters to the Editor

EDITOR'S NOTE

This week the Statesman received a letter to the editor undermining our superintendent of schools. The letter was signed but the writer requested that we withhold her name. In checking with the party whose name was signed, we were informed that in no way did she write such a letter. Whoever wrote the letter obviously signed someone else's name. Warning: This is a serious offense and the writer could be held liable had we not checked first and would have printed the letter.

One other letter to the editor was left out this week because the writer could not be contacted for confirmation.

To the Editor of the Kewaskum Statesman:

Perhaps the taxpayers of the Kewaskum School District should feel a little like the Trojans in Homer's Iliad when they looked outside of their city walls and saw the wonderful wooden horse the Greeks were going to give them. Perhaps we should remember the advice that was given to the Trojans "beware of Greeks bearing gifts." The Trojans did not heed this advice and suffered the consequences. Maybe we taxpayers should heed this advice and examine our positions before we, too, accept a less than desirable "gift."

The superintendent and business manager recently offered the "gift" of \$96,732 to \$114,391 savings over a seven year period to us taxpayers. This would be accomplished by purchasing an in-house computer system for payroll, accounting, student scheduling and student grading instead of contracting these services with the Cooperative Educational Service Agency 16.

What is hiding in this "wooden horse gift" is the manpower to run this system. If this proposal is accepted the position of business manager seems virtually assured.

As many of the concerned taxpayers already know, two of the present board members have voted to eliminate this position as a budget cut and subsequent savings to us taxpayers.

The present salary of the business manager is \$29,605 (including fringe benefits). Assuming a 14% increase each year for the next seven years (this position was accorded a raise in excess of 14% for the 1981-1982 year) the total cost to us taxpayers to keep this position filled is as follows:

1981-1982	\$29,605
1982-1983	\$33,749
1983-1984	\$38,473
1984-1985	\$43,859
1985-1986	\$49,999
1986-1987	\$56,999
1987-1988	\$64,979
Total spent over 7 years	\$317,663

So the wonderful glorious outside of the "wooden horse" that is offered to us taxpayers is the \$96,732 or \$114,391 savings for the in-house computer but hidden inside are the "deadly Greeks" with a cost of \$317,663 to keep the business manager position filled.

Should we taxpayers accept the gift of this wooden horse? By no means. Why should we spend \$317,663 to save at the most \$114,391?

At the February 1, 1982 meeting, in spite of the reluctance of two of the board members to make a quick decision on this matter, the Board, under the urging of the two administrators, voted to tentatively approve the in-house computer to help us poor taxpayers.

Perhaps it should have acted even more quickly to achieve the greater savings when the proposal to eliminate the business manager position came before them.

The final vote on this in-house computer is scheduled for the February 22, 1982 meeting.

Ralph Horner

February 8, 1982

Editor
Kewaskum Statesman
Kewaskum, Wisconsin

To the Editor:

I am a candidate for the Kewaskum School Board because I am concerned about education, and I have some ideas that I would like to implement that would improve the quality of education and, at the same time, lower the cost of that education.

Briefly stated, I recommend we eliminate the elementary guidance counselor position and the business manager position. We should review the entire co-curricular program and establish a uniform criterion for program participation and pay. Along with this, we should eliminate the athletic director position and let the two high school administrators handle it. I am in favor of the eight period day for the high school. Finally, I feel career placement should be stressed, with every student taking career interest tests throughout high school.

As a lifelong resident of the Kewaskum School District and a graduate of this system, I feel I

have special insight into the problems of the district. Education is important to each one of us, and we all should be involved in our local school system. Finally, I believe it is time for a change, as the two incumbents have consistently voted for more spending, and have consistently voted against budget cuts that the taxpayers know are needed, and needed now!

John H. Spoerl

Dear Editor:

Because the Kewaskum school district is so large, it is difficult for a candidate to the school board to become known throughout the district. It has been brought to my attention that some people are wondering, "Is Mrs. Rosenberger a spendthrift?" The answer is "no!" I believe in getting a good dollar's value for every dollar spent.

I do feel that we owe it to the children of our district to give them the best education we can afford to prepare them for a far less than perfect world. With the economic situation as it is, it will take effort and perhaps some new ideas to provide this education at a reasonable price. I would like to be a sounding block for all segments of the Kewaskum school District students and their parents, retired and young adults, teachers and administrators. If you give me your vote in the primary, next Tuesday and on April 6, I will work with the present board members and administration to make the Kewaskum school system even better!

Sincerely,

Joan Rosenberger

Historical Society To Meet Tuesday

The Kewaskum Historical Society, Inc., will hold their monthly meeting on Tuesday evening, February 16, at 8:00 o'clock, at the Kewaskum Valley Bank meeting room.

Schleif-Schaub

Roger and Joyce Schleif of 497 Hwy. V, Campbellsport, are pleased to announce the Christmas engagement of their daughter, Tracey Jo, to Jim Schaub, son of Homer and Mary Schaub, 1512 River View Drive, Kewaskum.

Tracey is a graduate of Kewaskum High School and Moraine Park Technical Institute, Fond du Lac, and is presently employed at Kash n' Karry Warehouse Foods of

West Bend.

Jim is also a graduate of Kewaskum High School and is presently employed at Jack Walters and Sons of Allenton.

A September 3, 1983 wedding is being planned.

TONSILS

For many years it was fashionable to assume that diseased tonsils in children were at the root of the cold problem. However, tonsils have the function of channeling disease away from the system, not infecting it. Studies have noted that more people who had kept their tonsils were able to avoid colds than those who had them removed. Obviously, a good set of tonsils can be considered a strong asset to health.

1982 State Holstein Convention Update

If you haven't made your reservation for the 1982 State Holstein Convention yet, there is still time to sign up. Don't miss these event filled days that will include awards, resolutions, workshops and fine dining. The 91st Annual Wisconsin Holstein Convention is being held February 21, 22 and 23rd at Olympia Resort and Spa in Oconomowoc.

Located in Waukesha County, across the road from the historic Pabst Farms, Olympia Resort and Spa will serve as the meeting place for this year's convention activities. Created by a famous team of architects and designers, Olympia is designed to be a "complete luxury resort."

Kicking off Convention '82 will be a Fun-A-Rama on Sunday evening, February 21. The Fun-A-Rama, sponsored by A.O. Smith Harvestore and Harvestore dealers of Wisconsin, will provide a festive atmosphere for the first official gathering of State Association members at this year's convention.

The activities begin at 8:30 p.m. with a dance band playing a variety of music from polkas to waltzes until 12:30 p.m. During this time, Holstein Association members and their guests will be able to enjoy ham and beef sandwiches, relishes, crackers and chips, all served with Wisconsin cheese. Ice cream sundaes will top off this evening of feast and friendship.

The Fun-A-Rama is free to those attending the convention and who are pre-registered for convention events. All others will pay an admission fee at the door. This event is being held in A and B sections of the Olympia Village Convention Center.

Monday morning, February 22, will begin with the annual meeting. It will focus on association awards and reports, with U.S. Congressman Steve Gunderson speaking to those in attendance at 11:00 a.m. After a noon dairy luncheon, there will be three workshop sessions. County activities, the current dairy situation, and father-son partnerships will be the topics. All of these sessions begin concurrently at 1:30 p.m. Following at 2:30 p.m. milk break, the three workshops will be repeated, allowing members and guests to attend at least two workshops.

There are still a limited number of tickets available for the Ladies' Luncheon, also being held at 12 noon Monday, and the two performances of "Ties That Bind" by Friends of Mime Theatre. In "Ties That Bind," the history of Wisconsin Women from 1848-1920's will be recreated thru song, dance, mime and choral readings. A discussion will follow, with the performers and audience exchanging ideas and stories. Tickets for the Mime Theatre performances are \$2.00 each, and the Ladies' Luncheon tickets include the Mime show for \$12.00 each.

Highlighting Monday's events will be the annual banquet. Starting at 7:00 p.m. in Olympia's main exhibition hall, diners at this year's banquet will enjoy a 16 ounce prime rib meal served by candlelight. Piano music will accompany the meal and certainly help create an atmosphere to relieve everyone's

winter blahs. Holstein Association members and guests will also be entertained by a musical group called 'Bits of Broadway.'

Orion Samuelson, Farm Service Director for WGN Radio and WGN Television, will serve as the banquet's master of ceremonies and featured speaker. Samuelson heads a department that has been nationally recognized for the scope and quality of its service to agriculture.

Following the annual banquet activities, everyone will be able to wind up the evening dancing to the well known Andy Justman Band.

Tuesday morning, February 23, the convention will reconvene to hear committee reports, a message from Association President Don Schmidt, elect members to the Board of Directors, vote on resolutions and deal with any other pertinent business. The 1982 Annual Wisconsin Holstein Convention will be adjourned at 12:00 noon.

Dodge, Washington and Waukesha Counties are co-sponsors of the 1982 Convention. Elmo Wendorf, Jr. of Ixonia, is general chairman of the event. Co-chairpersons include Mark and Betty Pamperin, along with George and Kathy Muth from Washington County, as well as John and Mary Cull, along with Arden

and Doris Morris from Waukesha County.

Advance banquet tickets (at \$16.00 each), Ladies' Luncheon and Mime Theatre tickets are still available by sending a reservation and check to: George Muth, 5656 Hwy. G, West Bend, WI 53095. Make checks payable to: WISCONSIN HOLSTEIN CONVENTION '82.

Sno-Chiefs Poker Run Prize Winners

Winners in the Kewaskum Sno-Chiefs poker run, which ended Sunday with the drawing for prizes at Hon-E-Kor Country Club, were announced as follows:

1. Karen Kleinke, Kewaskum, \$75.00;

Norwegian Basketball Team to Visit UWWC

Left to right — Ulrika Dalen, Birger Christensen and Mette Landgraff of Norway's Eikeli basketball team will be featured in this Saturday's competition which will begin at 3:00 p.m. in UWWC's gym.

Debbie Cerniglia photo

On Saturday, February 13, UWWC's women's basketball team will meet a women's team from Oslo, Norway. The game is scheduled for 3:00 p.m. in the UWWC gym and will follow the men's 1:00 p.m. game.

UWWC's team features three Kewaskum women: Roberta Schmidt, Susan Russell and Chris Kudek-Bergseth.

The Oslo team is comprised of women from the Eikeli

Basketball Club. Norway's school system doesn't sponsor athletic activities, so men and women interested in sports join various clubs in order to learn and participate in athletic activities.

The Eikeli team is visiting Wisconsin for the next two weeks. Lakeland College is hosting their club and arrangements have been made for the women to meet various Wisconsin

college teams in athletic competition.

Eikeli's coach and two players attended UWWC's game against Lakeland Monday night in order to get a "feel" for the competition they'd be undertaking Saturday. Before Monday evening's game, the Norwegian coach, Birger Christensen, and forwards Mette Landgraff and Ulrika Dalen talked about their native Norway and the Eikeli club.

The nine players on their team are participating in an exchange program engendered by Lakeland's athletic director. Each woman has financed her trip independently by working as newspaper carriers or clerks in Oslo stores. To help keep these costs down, the women are residing in dormitories at Lakeland.

In looking forward to Saturday's game, Christensen stated that he felt his team exhibited better basketball technique and were quicker than the teams they've played so far, but that Wisconsin teams are physically stronger and quicker under the boards. UWWC's assistant coach, David Huehner, remarked that Saturday's game should be extremely interesting in that this will be the first time his team will be playing under international rules. There rules are the same as the ones used in

Kewaskum Statesman, Friday, Feb. 12, 1982, Page 9

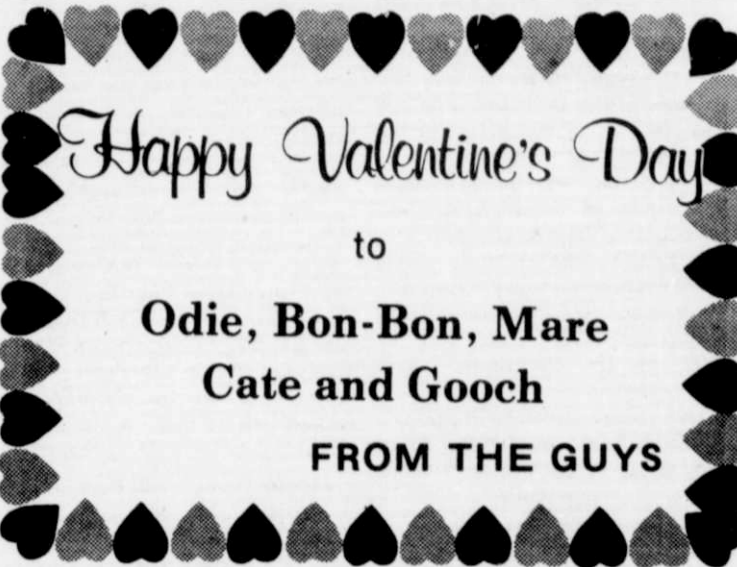

olympic competition, and to his knowledge, have never been used in the West Bend area before.

Landgraff, Dalen, and Christensen speak excellent English and had no trouble expressing their reactions to Wisconsin's winter. They all agreed that it is very cold and

windy.

After traveling to Sheboygan and Marquette, Michigan, the team will visit Chicago and then fly home to Norway.

General admission to Saturday's game is \$1.00. Questions about this event can be directed to UWWC's Athletic Director, Tom Brigham, 338-5200.

Apology to Herman's Hermits Fans

Herman's Hermits of England were scheduled to appear at the Amerahn Hall in Kewaskum, on Friday, February 12. The Kewaskum Jaycee's, sponsors of this dance, have just been informed that Herman's Hermits are unable to perform on February 12, because they have been unable to obtain proper visas to enter the United States. The Jaycees apologize to fans planning to see the Hermits, but two excellent bands are scheduled to take their place.

Two bands, "Samurai" and "Friends," will appear at the Amerahn at 8:30 p.m. Friday evening. As an added feature, people attending this dance will be able to drink FREE BEER from 8:30 to 10:30 p.m. Proceeds from this dance will be donated by the Jaycees to the Kewaskum Kiwanis Community Park in order to purchase lights for the softball diamonds.

Softball players and dancers should both appreciate this great night of entertainment. See you Friday!

Update Report On Local Wind Generator

The Jacobs wind generator located on the Roger Neumann farm, 4265 Hwy. H West, was damaged Sunday morning in gusty 25-30 mile-per-hour winds. Mr. Neumann had been closely regulating the operation of the generator for the last two weeks due to reported machine failures in Minnesota during storms in that area.

Operation was being limited to winds of 30 mph or less during this time on the advice of the dealer. The extreme winds of our recent January storm had exposed stress flaws on several machines. Gusts reached 72 mph on the Neumann's anemometer.

A letter received by Neumann Tuesday went into detail as to the extent of the failure. It read:

URGENT Temporary Shutdown

We regret to inform you that we must recommend that you temporarily shut down your wind system until we exchange your present governor with a new improved model. The following will explain why we feel this precaution is necessary but first we would like to assure you that we at Jacobs Wind Electric Company feel very concerned about the situation and that we intend to go beyond our normal warranty obligation in an effort to offset your inconvenience. First, of course, we place the highest priority on getting your wind system back in operating condition. Parts are now in the manufacturing process and we anticipate shipments to begin soon and be completed by mid to late March. Second, we will extend the warranty period for one extra year on the governor. Third, we are now developing larger output models and several parts options that when fitted to your existing plant, can give you improved operation and increased output. The details for these options are not yet finalized, but we do plan on offering these improvements to present plant owners at reduced rates. Dealers and customers will be notified when more details are available.

By far, the majority of our wind plants are now operating fine but we have experienced some governor failures. By analyzing the failures and in-

Evenings 7 to 9, Sat. 10 to 2

vestigating our records we have found that our vendors shipped us governors that apparently contained weaker steel. During severe wind conditions (50-70 mph) some governors have failed, snapping the shaft where it enters the hub.

While many of these governors have survived several wind storms, we feel that all governors delivered in these time periods must be considered potentially susceptible to fatigue. We, therefore, issue instruction to stop the unit. To prevent this situation from occurring again, we are using a much stronger steel in the shafts and are subjecting all components and parts to a more vigorous inspection and testing. Again, we regret the situation and apologize for the inconvenience. We maintain that the Jacobs TM Wind System is the finest available anywhere at any price and we are prepared to stand behind that commitment. Thank you for your patience.

Jacobs Wind Electric Company

To date the generator which the Neumann's have has produced 7,375 KWH since April 6, 1981, when it was installed and began operation. The unit has a 2 year warranty and the company has been most helpful in replacing any defect which has arisen. The estimated output of the 10 KW generator is 1000 KW per month in our area which is on target in the Neumann's experience. Monthly output has ranged from hours of 480 KW during the months of July and August to 2000 KW in January. The actual dollar savings on a utility bill therefore would range from \$30 to \$120 depending on the winds.

"Most people judge men only by success or by fortune."

J & J AUTO TOPICS

OLDEN TIMES

Remember the old, old days when you added kerosene to your flivver's oil during cold weather? And even then, the diluted oil could be mighty stiff. So, it wasn't too uncommon to tie 3 or 4 corn cobs together or some oily rags and set them on fire under the crankcase. A few minutes later the engine would turn over and start.

Today, an electronic tune-up, accurate carburetor adjustment with a good battery from J & J AUTO SERVICE will start any car in the most frigid weather. Make the short drive to 450 E. Main and let us prove it. Or, phone for an appointment for free pick-up and delivery. You'll like the way we treat your car.

PHONE 626-2311

Middle School to Conduct Fund Raiser

Kewaskum Middle School students will conduct a fund raising campaign sponsored by the student council beginning on Thursday, February 11. They will be taking orders for useful household canisters filled with popcorn.

The money received from this campaign will be used for the purchase of a new copier for the middle school. Mr. Borusky, student council advisor, stated that, "This type of involvement is an indication of attitudes that these young members of this community have. Not only the student council, but the entire student body as well as the community will benefit from this worthwhile project."

In order for them to reach their goal, they need the help of everyone in the community. They will be calling on homes and offering them an opportunity to order one or more of these canisters which are fairly priced and have guaranteed quality. These are products which every home needs and uses so let's all support this fund raising campaign.

30 Years Ago

February 8, 1952

The home owned by Mr. and Mrs. William Paff on Fond du Lac Avenue suffered a heavy fire loss in a stubborn blaze Thursday that threatened for a time to destroy the building. Most of the damage was to the interior of the building. The fire is believed to have originated around the chimney which may have been defective. Loss will run into thousands of dollars. The building was occupied by Mrs. Jennie Schlosser and Mr. and Mrs. Barney Florrigan.

The Campbellsport Bakery wishes to announce the opening of a branch bakery in Kewaskum in the Smoley building annex, on Main Street, across from the old village hall. The bakery will be under the management of Mrs. Ella Backhaus and will be known as Ella's Bakery.

Freshman and sophomore honor roll students at Kewaskum High School for the first semester are: Freshmen — Gladys Becker, Virginia Bingen, Joanne Ferber, Walter Koepke, James Landmann, Lyn Peterson, Norbert Rosbeck, Mark Rosenheimer, Rosemary Struebing and Richard Wesenberg; Sophomores — Joseph Harter, Adeline Herriges, Judith Kaneiss, Richard Keno, Theodore Meilahn, Thelma Rosenheimer, Ray Skrentny and Jeanette Staehler.

Daughters were born to Mr. and Mrs. Donald Matthies, New

Prospect, February 5, and to Mr. and Mrs. Otto Bartelt, Route 2, Campbellsport, February 3. Sons were born to Mr. and Mrs. Thomas Fay, Kewaskum, February 3; to Mr. and Mrs. Earl Hodorff, Route 2, Campbellsport, January 31; to Mr. and Mrs. Elroy Kujawski, Jr., New Prospect, February 5, and to Mr. and Mrs. Alphonse Weyer, Lomira, January 30. Mrs. Weyer is the former Loraine Ruplinger of St. Kilian.

50 Years Ago

February 12, 1932

Andrew Otten, who resides on the former Lambert Knoeck farm about four miles south of Kewaskum on highway 55, last Thursday afternoon suffered a compound fracture of the left leg above the knee. Mr. Otten, together with Gerhard Knoeck and Paul Kurth were at work cutting down a tree on a side

road leading to the main highway, and as it struck the ground it rebounded, striking Mr. Otten on the leg.

Burglars have been busy at Long Lake, breaking into the Math. Schuh resort and helping themselves to property valued at about \$250.

A careful survey of Washington opinion reveals a tendency in responsible quarters to believe that the current period probably marks the low point of the depression, provided that the new government loan policy is not made the excuse for reckless expansion during the next month or two.

75 Years Ago

February 9, 1907

Otto Groeschel, son of Mr. and Mrs. Groeschel of this place, and Miss Catherine Corbett of Stambough, Mich., were married at the latter place

last Wednesday morning.

The weather was very cold the forepart of the week, the thermometer registering all the way from ten to sixteen below zero.

We are glad to report that Florence Schemmel of Boltonville who has been ill with diphtheria, is recovering rapidly, and there are no further cases.

A. Strachota of St. Kilian sold his blacksmith shop to Anton Miller for \$860 last Wednesday.

A baby girl was born to Mr. and Mrs. Joseph Campbell of Wayne on Monday. A bouncing baby boy made his appearance in the home of John Aupperle and his wife of New Fane last Thursday. A baby boy was also born to Mr. and Mrs. Frank Backhaus of New Fane on Sunday.

Mexico is estimated to have enough oil to supply all U.S. needs for the next 40 years.

College Counselor

To Visit High School

Admissions Counselor Jim Sampson of Wartburg College, Waverly, Iowa, will be available to visit with prospective students at Kewaskum High School on Tuesday, February 16.

Sampson will be at the high school at 10:45 a.m. To schedule a visit, students are asked to contact the high school guidance office.

Wartburg is a private, four-year, coeducational liberal arts college affiliated with the American Lutheran Church and located in Waverly, Iowa.

It has a student body of about 1,100 and a full-time faculty of 71, two-thirds of whom hold earned doctorates.

Waverly, 8,500 population, is in Northeast Iowa, just 20 miles from the Waterloo-Cedar Falls metropolitan area.

SOMEONE STILL MAKES HOUSE CALLS.

We'd like to refer you to a specialist. Our energy specialist.

In one visit a Wisconsin Electric energy specialist can show you where your house is losing energy and costing you money. And the energy check-up is free.

Even if you've already done things to conserve, or if you live in a new home, you might be surprised to find some room for improvement.

We know you're concerned about the rising cost of energy.

We are too. And we'd like to help. We urge you to call for your free home energy checkup today.

It's one checkup everyone should have.

YOUR HOUSE CALL STARTS WITH A PHONE CALL.

Outstanding Young Farmer Program

Page 12, Kewaskum Statesman, Friday, Feb. 12, 1982

OUTSTANDING YOUNG FARMER PROGRAM — Joseph Zadra, Chairman of the Board, Gehl Company, presents Curt and Betty Scheunemann the John P. Horlamus Award plaque and \$100. The Scheunemanns will be representing the West Bend Jaycees in the Wisconsin Jaycees Outstanding Young Farmer Program.

Curtis and Betty Scheunemann of West Bend will be representing West Bend and Washington County at the Wisconsin Jaycees State Outstanding Young Farmer Program to be held in Wausau, Wisconsin on February 12 and 13.

The Scheunemanns were selected as area winners by the West Bend Jaycees and were recognized at the Washington County Fair last July.

Gehl Company of West Bend has supported the Outstanding Young Farmer Program on both the local and state level. On the local level, Gehl Company has provided the John P. Horlamus Award and has contributed \$100 to the local winner to help cover expenses of attending the state awards program.

On the state level, Gehl Company will be providing one year's free use of either an FB99 Forage Blower or an RB1450 Round Baler to the state winner.

Curt and his wife, Betty,

operate a 385-acre dairy farm with a milking herd of 68 cows currently producing 16,579 pounds of milk and 636 pounds of butterfat.

The Scheunemanns started farming in 1975 by buying the personal property from his parents and renting the real estate. They will soon be purchasing the real estate.

Some of the improvements Curt has made to the farm include: a soil testing and fertility program, use of irrigation during dry weather, calf hutches, and the addition of a Harvestore silo for forages.

Betty keeps the farm records and makes use of a computerized record system available through the Wisconsin Dairy Improvement Cooperative. These records make it easier to make management

decisions and do income taxes. Curt is active in his church and school, and is also involved in the Newburg Fire Department, the Newburg Fire Department, (Milwaukee Milk Producers), DHIA Board of Directors, and 4-H programs.

Minutes of Village Board Meetings

Regular Meeting
February 1, 1982
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in regular monthly session in the Council Room of the Municipal Building, 204 First Street.

President Gerald Stollenwerk presided. All Trustee Members were present.

The minutes of the meeting of January 18, 1982, were approved as printed upon a motion by Trustee Jeffrey Rohrer, seconded by Trustee Donald Mlodzik. Voice vote was unanimous.

Superintendent Albers requested permission to proceed with the rebuilding of the two (2) comminutors on a time and material basis. Motion to proceed made by Trustee Donald Mlodzik, seconded by Trustee Paul Blumer. Voice vote was unanimous.

Administrator Schmidt informed the Board of the water and sewer bill delay and indicated the problem should be rectified later in the week.

The totals of all claims, as recommended for payment by the Finance Committee Chairman Trustee David Nigh, were as follows:

Village Gen. Fund	\$195,509.91
Water Dept. Fund	1,569.93
Sewage Dept. Fund	7,336.60

Payment of these claims as recorded in the official record, was authorized upon a motion by Trustee Richard Schmidt, seconded by Trustee Paul Blumer. Voice vote was unanimous.

The Finance Committee recommended the transfer of \$1,735 from the Village Improvement Fund to update some Police Department radar equipment. Motion was made by Trustee Jeffrey Rohrer, seconded by Trustee Paul Blumer. Roll call vote was 7 "Aye" 0 "Nay." The motion was carried unanimously.

The Chairman of the Public Works committee Donald Mlodzik reported that a committee meeting may be scheduled for February 9, 1982, at 7:00 p.m.

The Chairman of the Public

Service Committee Paul Blumer announced an ETN meeting was scheduled for Wednesday, February 4, 1982, at 10:00 a.m. on cablevision at the Court House.

Trustee Richard Schmidt, the Library Board Representative, reported that the Library Board would recommend an increase in non-resident library family card fee and an increase in the over due book charge. A brief discussion was held on the suggestions and it was decided to place the matter on the agenda for the meeting of February 15, 1982.

A note of appreciation was received from the Kewaskum Sno -Chiefs and the New Fane Kettle Riders, thanking the Kewaskum Police Department for their assistance for the weekend of January 30, 1982.

Motion was made by Trustee Richard Schmidt, seconded by Trustee Raynor Herriges to adjourn the meeting. Roll call vote was 7 "Aye" 0 "Nay." The motion was carried unanimously.

Daniel S. Schmidt
Administrator

Special Meeting
February 2, 1982
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in special session in the Council Room of the Municipal Building, 204 First St.

President Gerald Stollenwerk presided. Trustees Jeffrey Rohrer, Paul Blumer, Richard Schmidt and Donald Mlodzik were present. Trustee David Nigh asked to be excused and Trustee Raynor Herriges was also absent.

A public hearing was held on the application of Ralph and Henriette Scott for a Combination Class "B" Fermented Malt Beverage and Intoxicating Liquor License for the premises at 1310 River View Drive. In attendance there were 10 area residents, Mr. Ralph Scott and Attorney Arthur Guenther representing the applicant. Attorney Guenther stated his client should have a chance to improve the business and would work with the village. The area residents expressed dissatisfaction with the establishment

in general while Mr. Scott was the license holder in 1979 and also while his son was the license holder in 1979 and 1980. They asked several questions, with their main concern being the establishment reverting back to the old Apollo's Lyre type establishment. Attorney Kiefer stated the Board must look primarily at Mr. Ralph Scott's track record, the citizen input and the communities health, safety and welfare. The Police Chief was asked for his department's recommendation. Chief Hlavaty stated his department was opposed to the granting of a license to the applicants, due to the violations of the Wisconsin Liquor Law as well as the overall bad behavior of the premise in the past. The number of those violations and the communities cost to take care of those violations was discussed. After further discussion both pro and con, the public hearing was adjourned at 8:45 p.m. Motion by Trustee Donald Mlodzik, seconded by Trustee Jeffrey Rohrer. Voice vote was unanimous.

The Board proceeded with new business, which was the action on the application of Ralph and Henriette Scott. After no further comments or questions a motion to deny the application of Ralph and Henriette Scott for a Combination Class "B" Fermented Malt Beverage and Intoxicating

Kewaskum Statesman, Friday, Feb. 12, 1982, Page 13

Liquor license for the premises at 1310 River View Drive, based on the facts before the board, was made by Trustee Donald Mlodzik, seconded by Richard Schmidt. Roll call vote was 5 "Aye" 0 "Nay." The motion to deny the application was unanimous.

Motion was made by Trustee Paul Blumer, seconded by Trustee Donald Mlodzik to adjourn the meeting. Roll call vote was 5 "Aye" 0 "Nay." The motion was carried unanimously.

Kewaskum 'Falls' To Badgers in Lakes Shootout

The Menomonee Falls Badgers and Kewaskum locked up in the highest scoring game in the Lakes this year, at Falls East High School, Menomonee Falls, Sunday night, with the Badgers winning, 173-135. Bob Wolf, the former Marquette University star, continued his prolific scoring in the Lakes, as he amassed 54 points, to lead the Badgers to victory. The Badgers now lead the Lakes "A" Division with a 7-1 record, while Kewaskum is 2-6 in fifth place in the "B" Division.

The Badgers had five men with 20 or more points, as their sharp shooting, slick ball handling, and strong rebounding was too much for Kewaskum. The Badgers piled up a 47-25 lead after the first quarter, as jumbo-sized Mike DeLany, 6 foot-5, had 17 points in the quarter and Wolf 14. They increased their lead to 90-57 at halftime, as Wolf had 14 more in the second quarter. Kewaskum played the Badgers fairly even in the second half, with the Badgers outscoring them by only five. The Badgers had a 41-36 edge in the third quarter, with Wolf and Jim Hanrahan each scoring 10. Leon Laatsch and Don Gruber countered with 16 and 14 points for Kewaskum. The teams each ran up 42 points in the fourth quarter, with Wolf getting 16 points for the Badgers and Laatsch 12 for Kewaskum.

Besides Wolf's 54 points for the Badgers, DeLany had 35, huge Dale Magedanz, 6 foot-8, had 22, Jim Riehle 21, and Hanrahan 20. For Kewaskum, Laatsch and Gruber each totaled 38 points, and Bill Gonwa added 21.

The Badgers shot 65.0 percent from the line on 13 of 20, while Kewaskum was 70.8 percent on 17 of 24.

Kewaskum has no game this coming weekend. Their home game with the Menomonee Falls Stingers which was scheduled for February 14, has been moved to February 27 because the Stingers have a conflict with a fund raiser.

The next game for Manager Bill Backhaus' squad will be against Sussex at home on Saturday, February 20, at 7:30 p.m. They'll take on Oconomowoc in a makeup game at St. John's Military Academy in Delafield the following night, Sunday, February 21, at 7:30 p.m.

Sunburst Ski Patrol Carnival

Sunburst Ski Patrol Carnival will be held Sunday, Feb. 14, from 10 a.m. to 5 p.m. at Sunburst Ski Hill, Kewaskum.

Events will include slalom races, three-legged races, obstacle course, ski corral and torchlight parade. Trophies and awards given.

For more information call George Heinecke, 353-8031.

First Loss for KHS Chess Team

The Kewaskum chess team was upset by Germantown Tuesday night by a score of 42-13. The loss dropped Kewaskum into a tie for first place with Germantown, each with 3-1 records. Kewaskum managed only 3 victories in the team board match.

Kewaskum's biggest foe though was not Germantown but time. Kewaskum lost boards 1 and 2, a total of 19 points, but not getting the required 35 moves completed in one hour. Ken Bauer lost his first game of the season. Bauer fell behind of the piece. Bauer fell behind by a piece vs. two pawns during the middle game. Bauer played a strong game though and in the end had set up a force mate in two but ran out of time before he could use it. Rob Slegler meanwhile at board 1 had gained two pawns and had a very good position. Slegler misread the clock though and thought he had an extra couple of minutes. Kescenovitz, his opponent, was also in severe time trouble having only 4 seconds left when Slegler's flag fell. If Kewaskum could have won these two boards they would have won the match by a score 32-23.

In bright spots for Kewaskum sophomore Gregg Classey easily won at board 4. Brian Pamperin raised his record to 4-0 in conference and 6-0 altogether. Pamperin has moved from 9th board up to 6th board this season. Freshman Tom Crandell, playing in his first match, won at tenth board. Crandell's match took two hours, which is a long game for tenth board.

Kewaskum also learned Tuesday night that Homestead High School has dropped out of the league which takes away one of Kewaskum's victories.

The team now starts the second half of the season with a critical match against Hartford, Kewaskum earlier defeated Hartford by a narrow 29-26 margin.

Board 1 — Rob Slegler lost to Kescenovitz on time.

Board 2 — Ken Bauer lost to Smith on time.

Board 3 — Andy Rosenberger lost to Kaup.

Board 4 — Gregg Classey defeated T. Moser.

Board 5 — Romie Holl lost to Cary.

Board 6 — Brian Pamperin defeated Kazmierczak.

Board 7 — Dan Butzke lost to K. Moser.

Board 8 — Glenn Classey lost to Macholl.

Board 9 — Kevin Chesak lost to Retzer.

Board 10 — Tom Crandell defeated Mander.

Sturgeon Spearing Season Opens Feb. 13 On Lake Winnebago

The sturgeon spearing season on Lake Winnebago opens on Saturday, February 13, this year and continues through March 1 with a bag limit of one and a minimum length of 45 inches.

A special spearing license and tag which sell for \$5.50 are required and it is necessary to purchase the license before the season begins, as no licenses will be sold once the season

opens on the 13th of February.

There is no special two-day sturgeon spearing season on Lakes Butte des Morts, Poygan, Winneconne and connecting waters as there was in 1981. That special season is held about once every four years.

Area Man Running for State Vice-Presidency Of Snowmobile Clubs

George Lendved, a rural Kewaskum resident, has announced he will seek the office of vice president of the Association of Wisconsin Snowmobile Clubs in its election February 20 at Wausau.

Lendved has been actively engaged in snowmobiling since the early 1970's. He is a founding member of the New Fane Kettle Riders Snowmobile Club, serving one term as its treasurer and three terms as president. He also helped to form the Northern Kettle Moraine Snowmobile Association and has served as its president for the past six years. On the state level, Lendved has served Sheboygan County as its AWSC director for the past nine years. Lendved has been involved, through his club and association with the building of trails in the Kettle Moraine Forest as well as over 104 miles of funded trails in Sheboygan County.

George has spent many hours

working to improve the sport of snowmobiling and its image. He hopes through the AWSC vice-presidency, to share the knowledge and experience he has gained with people throughout the state.

George is employed by the West Bend Company as a maintenance foreman and his wife, Judy, is employed by Sentry Foods of Kewaskum.

The Association of Wisconsin Snowmobile Clubs is one of the most prestigious snowmobile organizations both in the United States and Canada. The AWSC has gained national recognition for its success in working with state legislators to develop legislation and programs governing its sport.

STATE OF WISCONSIN DEPARTMENT OF NATURAL RESOURCES PUBLIC NOTICE OF INTENT TO REISSUE A WISCONSIN POLLUTANT DISCHARGE ELIMINATION SYSTEM (WPDES) PERMIT

Public Notice Number: 81M-2404
 Public Notice Issued On: February 11, 1982

Permit Number: WI-0021733-3
 Current Permit Issued: November 30, 1977

Proposed Expiration Date: December 31, 1986
 Current Permit Expires: June 30, 1981

Name and Address of Permittee:
 Village of Kewaskum
 204 First Street
 Kewaskum, WI 53040

Name and Address of Facility
 Where Discharge Occurs:
 Kewaskum Wastewater Treatment Facility
 Highway 45 South
 Kewaskum, Wisconsin

Activities or Operations Resulting in an Existing Discharge:

The permittee owns and operates an activated sludge wastewater treatment facility designed for an average flow rate of 1.0 MGD. The facility has been operating at an actual flow rate of approximately 0.4 MGD.

Receiving Water: the Milwaukee River in Washington County

The Department has tentatively decided the WPDES permit described above should be reissued. Appropriate effluent limitations and special conditions will be included in the permit.

Persons wishing to comment on or object to the proposed permit, or to request a public hearing, are invited to do so in writing to the Department of Natural Resources, WPDES Permit Section, 101 S. Webster Street, Box 7921, Madison, Wisconsin 53707. Comments as received will be made a part of that file. A public hearing may be held if response to this notice indicates significant public interest.

All comments or suggestions received from members of the public and interested government agencies no later than 30 days from the date of issue of this public notice will be used along with other information on file in making a final decision regarding the permit. The U. S. Environmental Protection Agency shall be allowed up to 90 days to submit comments or objections regarding this permit.

Information on file for this permit may be inspected and copied at the address above, Monday through Friday (except holidays), between 9:00 a.m. and 3:30 p.m. Information on this permit may also be obtained by calling 608-266-3221 or by writing to the Department. Reasonable costs will be charged for copies of information other than the public notice and fact sheet.

Indians Back on Track, Demolish Chilton, 91-59

After losing a key make-up game to Plymouth here last Tuesday, the Kewaskum Indians got back on the right track Friday night at Chilton, where they demolished the last place Tigers, 91-59. The victory brought the Indians' conference record to 4-2.

Kewaskum outscored Chilton in every quarter in their easy victory. After a reasonably close first quarter, 16-9, the Indians broke the game wide open in the second period, outpointing the Tigers, 30-10, to take a 46-19 halftime advantage. Forward Brian Larsen led the way in the second stanza with eight points.

Kewaskum outpointed Chilton again in the third quarter, 19-15, but with reserves in the game in the final period, even including some JV players, the Tigers came back well as they were out-

scored by just one point, 26-25.

Six-three senior Larsen played a great game for the Indians, being high scorer with 28 points and had 20 rebounds. Dave Donath added 12 points, Jim Krahn 11 and Dale Wodsedalek 10 for the Indians. Dave Nennig led the Tigers with 21 points.

It was a well played game by the Indians with Larsen and Donath the keys. Donath showed a lot of hustle and was a sparkplug for the winners. Wodsedalek and Donath both fouled out for the Indians, but still they won handily. Starter Ric Leitheiser was out with an injury.

The Indians have three games scheduled this week, two of them snowed out make-up contests. In a rare Wednesday night game Kewaskum had a make-up affair at home against Two Rivers. The Raiders, defending Eastern Wisconsin

champions are 4-3 this year and this was a do-or-die game for them as well as the Indians. Friday leading Kiel comes to town for a regularly scheduled contest and Saturday the Indians have another make-up tilt at Sheboygan Falls.

It has been reported that Kewaskum has lost two of its varsity squad members, one through scholastic ineligibility and the other has been dropped from the team for not showing up at last Friday's game. Both are forwards and one is a part-time starter.

Wrestlers Defeat Mayville, Sixth in Conference Meet

In the final dual meet of the season, at Mayville Wednesday, the Kewaskum wrestlers defeated the Cardinals in non-conference action, 38-17. It was an enthusiastic effort by the Indians.

Three seniors, Wayne Boudreau, Dave Goeden and Don Goeden, all fared well against Mayville. Dave Goeden scored the only Indian pin at 145 in 5:08. He is now 15-2 on the season. At 126, Boudreau scored a 10-7 decision to bring his record to 16-2 and is the only Indian wrestler unbeaten in Eastern Wisconsin action. Don Goeden drew with Max Kempf at 132.

The other Kewaskum winner was Russ Katzenberger, while Paul Riley, Stuart Stautz, Steve Seitz and Chris Harlow all won by forfeit.

- KEWASKUM 38, MAYVILLE 17**
 98 — Paul Riley won by forfeit
 105 — Dave Kudeck lost to Dave Surita 6-12
 112 — Russ Katzenberger won over Steve Lang 4-3
 119 — Kirk Vogt was pinned by Joe Grotelueschen 5:1
 126 — Wayne Boudreau won over Craig Krutke 10-7
 132 — Don Goeden drew with Max Kempf 4-4
 138 — Mark Durian lost to Jeff Kohli 4-8
 145 — Dave Goeden pinned Mike Emmer 5:08
 155 — Stuart Stautz won by forfeit
 167 — Steve Seitz won by forfeit
 185 — Chris Harlow won by forfeit
 Unl. — Scott Durian lost to Mark Rantala 3-6.

The Eastern Wisconsin Conference meet was held at Sheboygan Falls Saturday and Kewaskum placed sixth out of the seven teams but earned some respect in the conference.

The Indians had four wrestlers gain berths in the finals—including one champion, Wayne Boudreau at 126 and three runners-up. Just 42 points separated the first and last place teams.

Defending champion Two Rivers again won the meet with 142 points. They picked up four first places as three of last year's champions, Dan Duval (132), John Wirnsberger (155) and Dan Laurent (167) all successfully defended their titles. Duval, now 21-0 for the year was picked as the meet's most valuable wrestler.

Kewaskum's three seniors, again made it to the finals. Champion Boudreau, now 19-2, had his hardest match in the semi-finals, where he had to

come from behind in the final period to defeat Shane Resser of Plymouth, 7-6. In the finals he faced Andy Thone of Chilton, who was 19-1 (his only loss coming earlier against Boudreau). Thone led 2-1 with two minutes to go when Boudreau escaped, then took him down in the last 30 seconds. Boudreau was the first Kewaskum wrestler to win a title in the new EW conference.

Don and Dave Goeden were finalists at 132 and 145. Don, coming in with a 2-4 conference mark, pinned two seeded wrestlers from Plymouth and New Holstein to earn the right to face champion Duval. Goeden was losing 6-2 when he was pinned in the second period. Dave Goeden lost a tough one in the finals to Chilton's Wayne Hoerth who finished fourth in the state meet last year. Behind 2-1 with a half minute left, Goeden turned Hoerth to his back for a near fall but Hoerth escaped to set up a 3-3 overtime and went on to win 4-0. Goeden, now 17-3, pinned his first opponent and shut out Jim Pingle of New Holstein in the semi.

The Indians' other finalist, Katzenberger, lost a 4-1 decision to Todd Hughes, whom he had beaten in an earlier dual meet.

Gymnasts Lose to Valders, 4th in Chilton Invite

The Kewaskum gymnastics team ran up their highest score of the year here Thursday night but it wasn't enough as they lost to a strong Valders team, 85-98 to 79.67.

The girls did better than usual on the uneven parallel bars, where sisters Amy and Sandy Nigh finished with identical 5.95 marks, good for thirds.

Floor exercise was again the Indians' strong points. The girls took from second to fifth with Annette Jandre scoring 7.45 for a second. She was followed by Wendy Wilson (7.15), Sandy Nigh (7.05) and Amy Nigh (7.00).

Amy also took third in the balance beam.

Saturday the team took part in the postponed Chilton Invitational and placed fourth out of seven schools participating.

Fall River placed first with 97.54, Chilton second with 89.23, Valders third with 84.03, Kewaskum fourth with 81.68, Markesan fifth with 78.40, Southern Door sixth with 77.36, and Columbus seventh with 70.14.

Girls Lose Key Game to Two Rivers; Rout Cougars, Chilton

By Cathy Schlice

The Kewaskum Indian girls suffered only their second loss of the season Thursday and once again at the hands of Two Rivers. The final score was 44-33.

The Indians did not help themselves at all by committing 34 turnovers. Also hurting the team was their free throw shooting where they only made 5 of 13 for 38%, while the Raiders made 14 of 25 for 56%. This was a difference of 9 points and the Indians lost only by 11. Kewaskum was also hurt by their cold floor shooting with 3 of their top players, Linda Larsen, Jill Yearling and "Mike" Rodenkirch having a cold night shooting.

Linda was held pointless in the first half and tallied only 11 in the second half. Jill only hit 4-16 and 1-4 free throws where she has been the most consistent on the team all season. "Mike" was held scoreless for the first time all season. Two Rivers was led by Jill Jonas with 10 points, 6 of them coming from the free throw line.

Coach Soerens was disappointed with the loss but pleased with the girls' performance and commented that the girls played like a winner. He then reminded them that Two Rivers is a Class A school while Kewaskum is Class B.

The JVs also suffered a loss at the hands of Two Rivers.

The frosh got the only Kewaskum win over Two Rivers.

TWO RIVERS	8	13	11	12	44
KEWASKUM	7	10	7	9	33

KEWASKUM — Bade 1-0-5; Fuller 3-0-4; Matenaer 2-1-4; Yearling 4-1-1; Rodenkirch 0-0-5; Larsen 4-3-2. Team Totals — 14-5-21.
 TWO RIVERS — Jonas 2-6-3; Short 3-3-3; Specht 4-1-5; Sleger 3-1-3; Milner 2-2-2; Fredell 1-1-1. Team Totals — 15-14-17.
 FT Missed — Kewaskum 8, Two Rivers 11.

KEWASKUM 69, CAMPBELLSPORT 40

The girls traveled to Campbellsport for a make-up non-conference game with the Cougars Friday and had little problem in deciding the outcome of the game, winning 69-40.

In the first quarter the Indians jumped out to a commanding 15-0 lead and were ahead 19-4 after one quarter of play. In the second quarter, they ran off 23 points with Linda Larsen scoring 13 of them. At the half the score was 42-14.

Overall as a team Kewaskum made 13 of 21 for 62% while the Cougars made almost half of their points at the free throw line, making 16 of 21 for 76%. Linda Larsen and Jill Yearling broke out of their shooting slumps with Linda taking scoring honors with 21 points and Jill added 17. Everyone on the team saw plenty of action and everyone scored. Campbellsport was led by Janice Sippel with 17.

The JVs also got back on the winning track by downing Campbellsport Friday, 37-32. The Indians were led by Julie Koepke with 12 points and Lisa Matenaer with 11.

The frosh suffered a loss to the taller Campbellsport team and got into a bit of foul trouble, the final score being 42-30.

KEWASKUM	19	23	12	15	69
CAMPBELLSPORT	4	10	8	18	40

KEWASKUM — Fuller 2-0-1, Matenaer 3-2-2, Yearling 8-1-1, Bade 2-1-1, Rodenkirch 1-0-3, Larsen 9-3-2, Burkhalter 2-2-2, Jaeger 0-1-2, Schlice 1-3-0. Totals — 28-13-14. FT Missed 8.

KEWASKUM 65, CHILTON 45

The Kewaskum girls varsity basketball team rolled to their 8th conference win Tuesday by downing Chilton, 65-45. In their first game the Indians had to go into overtime to beat the Cougars, but did not have much of a problem this time. The Indians jumped out to a 17-9 first quarter lead and increased it to 33-19 at the half.

The Indians used an effective 1-2-1 zone press and caused Chilton to commit many turnovers. The team again had a little trouble in shooting from the charity line, hitting on only 11-23 for 48% while Chilton made 9 of 15 for 60%.

Linda Larsen again led all scorers with 18 points. Linda also pulled down 11 rebounds. Jill Yearling was one point back of Larsen with 17. She also hauled in 16 rebounds. Point guard Sue Bade seems to be getting back into the swing of things as she hit a few outside shots and totaled 10 points. Chilton was led by Tammy Starfeld and Lori Piepenburg, each contributing 12 points.

The girls were happy with the victory and pleased that all the girls saw some action before the parent's night crowd.

The JVs avenged an earlier loss at Chilton by beating the Tigers at home before the parent's night crowd 31-14. The team had even scoring and was also able to play all of the reserves who saw plenty of action.

The varsity improved their record to 12-2 overall and 9-2 in conference and currently is in second place. The team has another make-up non-conference game at Mayville on Saturday. The JVs and frosh start at 11:00 and the varsity follows around 12:30-1:00. Kewaskum then finishes conference action next week when they travel to Kiel on Tuesday and finish with Plymouth on Thursday.
