## Jaycees First to Contribute For Kiwanis Ball Park Lighting

By GERRY MUELLER  
Statesman Staff Writer

At Monday night's village board meeting, Brad Kidd, Richard Thiemer and Reuben Oppermann of the Kewaskum Jaycees, presented Village President Gerald Stollenwerk with a savings passbook containing \$500.00.

Kidd told the board his organization had run several dances in an effort to raise funds to help defray the cost of installing baseball diamond lights in the new Kiwanis Park. Stollenwerk thanked the Jaycees for the donation and their hard work.

Village Administrator told the meeting, costs to install general electrical service, security lighting and diamond lighting is expected to run around \$33,600.

Kidd informed the group the savings account, established at Kewaskum Valley Bank, has been named Kiwanis Commu-

nity Park Baseball Light Fund. Any organization, business or individual is invited to make a contribution to the fund. Donations can be made directly to the fund, and any amount will be

appreciated.

It is the Jaycees' hope that their contribution will encourage other groups to become involved and lend their assistance to the project.

## Kiwanis Park Fees Increased

### Ball Park Lighting Tabled for Further Study

By GERRY MUELLER

Trustee Jeff Rohrer, Chairman of the Parks and Recreation Committee presented swim fee increases for 1982 at Monday night's Village Board meeting.

Rohrer noted that while the increases are quite modest, the committee felt they were necessary because park expenditures were exceeding revenues by about \$7,000. Annual income has been around \$7,000 while expenses have exceeded \$14,000. With rising costs this increase will help to bring these two figures closer together, said Rohrer.

Resident season swim passes will be increased by \$1.00, youth \$6.00, adults \$8.00; non-resident season passes will be increased by \$2.00, youth \$12.00, adults \$16.00. Senior Citizen fees will remain the same at \$5.00 for residents and \$10.00 for non-residents. Family season passes will be \$20.00 for residents, \$40.00 for non-residents. Daily passes Monday through Friday have been increased by 25c. Replacement cards will now cost \$1.50.

In other park business, the board discussed possible action

on general electrical service at Kiwanis Park for the concession stand, security lighting, and ball diamond lighting.

Village Administrator Dan Schmidt told the board preliminary costs have been figured at \$33,593. This would include \$2,400 for engineering, drafting and bid review, \$4,728 for general electrical service and \$26,465 for lighting one diamond. Schmidt noted that some money was available in the Park Development Fund, however, he recommended that the board not touch it. We could lose \$2,500 to \$5,000 in interest if we spend that money now said Schmidt and we will need that interest money since the debt retirement payment on the park will increase by \$50,000 from \$20,000 in 1982, to \$70,000 for 1983, '84 and '85.

Trustee Raynor Herriges asked, "do we need the lights this year?" Rohrer felt if the lighting was dropped, the third diamond should be developed. Schmidt stated that would cost around \$5,000. Trustee Paul Blumer stated, "it's a beautiful thing the Jaycees did with their \$500 donation. I just cannot see where we can spend \$33,000 on

## Chief Bilgo - Fireman of the Year

First Captain Dave Zehren (left), presenting the information book on Chief Augie Bilgo's history with the fire department to Bilgo [center], and Assistant Chief Don Ehnert presenting the plaque.

On Saturday evening, February 27, members of the Kewaskum Fire Department held their annual banquet at the fire station.

Wives and lady friends of the Kewaskum firemen, along with the retired honorary members and their wives were guests of honor.

Following a delicious meal, a film on fires was shown and a

short program was held. Live music for listening and dancing was enjoyed by all.

Each year the department names one of its members as "Kewaskum Fireman of the Year." This year Chief Bilgo was chosen for that honor. Bilgo has been a fireman since 1951. Upon the death of Chief Armin Oppermann in 1975, Bilgo was appointed acting Chief and in

1976 was appointed Chief by the village board.

Throughout his 30 plus years as an active fireman and leader, he has been very active in all of the many operations of the Kewaskum Fire Department.

An addition to the Department is their first woman member, Maxine Belger, who is taking the EMT course along with other members.

## 25 Fire Depts. Represented At Training Seminar Here

A Hazardous Material Spill Control seminar was held at the Kewaskum Fire Station on Tuesday, Feb. 23, at 7:30 p.m.

The program is one of several being planned by the Badger Firemen's Ass'n. The instructor for this presentation was Eldred Swanson, Vice President/Project Engineer of A.A.A. Environmental Industries, Milwaukee, Wis.

Information was given on cleanup hazards and requirements which must be met should a spill occur due to accidents, roll overs of tankers, or railroad mishaps.

He also displayed special cleanup equipment which his company has to assist localities and fire departments in the clean up effort. Also discussed were local ordinances covering liability for clean up costs.

The seminar was attended by 140 firefighters, men and women, from 25 fire Departments from the surrounding areas. Many departments commended the Kewaskum community and fire dept. for its fine facilities for hosting a large training session such as this.

Mod I Training Session  
Begins

On Thursday evening, Feb. 25, 40 firefighters from Kewaskum, Newburg, and Kohlville started a 7-week course on fire fighting operations and procedures. The instructors are Bruce Johnstone and Dan Wenborne of MPTI, Fond du Lac. There are 28 Kewaskum firemen out of the total of 40 taking this course.

### EMT Course

Mark Herriges, Jeff Boden, Maxine Belger, Jim Gaffke and Dan Braun are attending a beginner Emergency Medical Technician course at Fond du Lac MPTI.

This is an 8-week course, after which they will receive a temporary license for 18 months and be able to be a member of the Kewaskum Fire Dept. Rescue Squad.

### Officer Training Course

Mark Schaefer and Tom McElhatton have completed a 5-week, 15-hour Officers Training Course held at Kohlville Fire Station. The course is designed to help Fire Dept. Officers to better understand their duties and responsibilities in directing operations of training and firefighting.

March has been declared "Youth Art Month" in an official proclamation signed Monday evening by Village President Gerald Stollenwerk.

The proclamation was presented to the village board for adoption by Robert Anglim, Kewaskum Middle and Elementary Schools art instructor. Anglim was recently appointed State Chairperson for Youth Art Month after he presented a slide program of his middle school art students doing a mural on the Kettle Moraine.

"Young people are very talented and have to be recognized for what they do during the school year," said Anglim. Art displays will be located throughout Wisconsin during the month of March. Locally, students will be showing their art at Kewaskum Valley Bank and the schools, as well as McDonald's Restaurant and the

YMCA in West Bend.

Anglim noted three out of four pieces of art sent to Madison have been picked for exhibit in that city. Two art projects have also been sent to Milwaukee and will be on display at City Hall.

Ralph Trapp, a Kewaskum Middle School student, has received special recognition with his drawing of wildlife in the Kettle Moraine. The drawing has been framed and will be presented to the Governor in Madison.

Only 34 of 50 states participate in Youth Art Month and teachers must make the public aware of the talents in our youngsters, said Anglim. He invited the public to see all the displays and enjoy the excellent works created by the students.

## Art Speaks to Everyone March - Youth Art Month

Kewaskum Art Department is proud to announce the first District-wide art exhibit. During the month of March in celebration of Youth Art Month students from all the schools will be displaying their art work at the Valley Bank of Kewaskum, Kewaskum Elementary and Middle Schools and the McDonald's Restaurant, West Bend.

The Student Art Show will be on display:

Elementary and Middle School, 1st - 26th

McDonald's Restaurant, 6th - 22nd

Valley Bank of Kewaskum, 12th - 22nd

The public is invited to attend the exhibits in honor of our students and their art.

The 1982 State Chairperson for the State of Wisconsin Youth

Art Month and Chairperson for the School District of Kewaskum is Robert J. Anglim. Assisting him with this celebration are John W. Baitinger, High School Art Instructor, and Peggy Henke, Elementary Art Instructor.

Youth Art Month is an annual observance held each March since 1961 to emphasize the value of art education and encourage public support of quality art programs in the curriculum.

### Pre-Festival Concert At High School Mar. 9

On March 9, beginning at 7:30 p.m., the Kewaskum High School auditorium will be the scene of a pre-festival concert. Both the mixed chorus and girls' chorus will present their songs which they are preparing for the large group festival to be held at New Holstein on Friday, March 12. The choirs will each be judged by three qualified adjudicators in categories such as tone, intonation, balance, etc. The three ratings will then be totaled up and each choir will be given a rating.

The concert and symphonic bands will also perform at the concert. They will present the numbers that are being worked on for a local clinic which will be on Saturday, April 3. At this clinic, Clyde Brehm, a former Kewaskum music teacher, will evaluate the bands and then work with each one. In the local clinic set up, a rating is not given, but the musicians and director have a chance to find out more on what they are doing well and also which areas need more work.

The concert at KHS sincerely hope this concert is well attended on March 9. Admission is free.

this lighting right now."

President Stollenwerk asked how many years were left to pay off the park. Schmidt said, "six years including this one, 1987 is the last and as it stands now we owe \$320,000."

Citizen Dick Thiemer said, "I think the temporary diamond is okay, I wouldn't go through the expenses of making the third diamond." Thiemer noted that he hadn't realized just what kind of costs and problems were involved until he heard this report.

Herriges said, "it's a lot of money at this time. I sure would like to see the lighting, but not with the way things are at this time." Stollenwerk asked Thiemer if he had any idea on the feelings of teams using the park. He noted, all the teams

are waiting to see if there's going to be lights at the park. Three teams have already indicated they will move elsewhere if the park does not get lights.

Thiemer informed the board that Campbellsport had put up lights for \$10,000 and suggested Kewaskum check into the possibility of obtaining used equipment.

Trustee Dave Nigh stated, "I feel we should proceed with getting things in order so we know what things will cost. If we have some dollar figure to shoot for, this might give some clubs and organizations more incentive."

Stollenwerk felt that if Camp-

bellsport put up lights for \$10,000, the village should check further to see what other communities are doing.

Trustee Dick Schmidt suggested the matter be tabled so further investigation could be done.

Rohrer said the Parks Committee will hold a meeting March 29 at 7:00 p.m. to set up leagues and discuss other related business.

The board commended Augie Bilgo for being named 1981 Fireman of the Year from Kewaskum.

On a flip of the coin positions on the April ballot were decided. Richard Schmidt will be first

and Don Mlodzik second in the election for trustees.

The board then adjourned to closed session to interview assistant librarian applicants.

## Dr. Dennis Connor Presents Dental Health Seminars

Friday, March 5, 1982

On Thursday, February 18, the cafeteria of the Kewaskum Elementary School was temporarily turned into a dentist's office. It was here the students in the special education department and kindergarten to third grades were treated to a visit to the dentist.

Dr. Dennis Connor told each class about good dental hygiene and explained the various procedures they use in his office. At the end of the seminar, each student was presented with a dental kit for them to use as they visited dentist at home.

The Kewaskum Elementary P.T.O. would like to thank Dr. Connor for donating his time and all the dental kits. We are sure he enriched the lives of all 265 students he visited with that day.

### Wayne Crusaders 4-H Club

The February meeting of the Wayne Crusaders 4-H Club was called to order on February 2, at 7:46 p.m. by vice president Mona Anderson. The pledges were led by pledge leader Brenda Oelhafen.

Secretary's and treasurer's reports were read and approved as read.

Roll call was to bring a health tip. Here are some everyone should follow:

Tar, nicotine, and tobacco are all in a cigarette, and don't smoke them or you'll get hooked like a fish in a net.

Never take medicine unless you have an adult to help you.

If you want clean lungs, clean air, a good heart, don't smoke!

To keep your teeth from decaying away, brush your teeth every day.

Special project pins were handed out. Bob Stodola was a special guest at our meeting. He talked to us about the poster and speech contest in April.

Roll call for next month is to make a St. Patrick's Day card for the Threshold. Our next meeting will be March 2.

The meeting was adjourned at 8:26 p.m.

## Today's Medicine

The following is the first in a series of informative articles, provided as a community service by the health professionals of Kewaskum.

This weekly feature will include topics from the fields of medicine, chiropractic, pharmacy, veterinary medicine and dentistry.

### DENTAL FLOSS — THE TOOTH SAVER by Stephen R. Van Ess, D.D.S.

In the past, people have accepted the loss of their teeth as an unavoidable part of aging. Today, this is not the case. Dental research has now determined the major cause of tooth loss: periodontal disease. The word periodontal comes from the Greek "peri" (around) and "odon" (tooth). This disease, a condition of the gums and bone supporting the teeth, can now be prevented.

Periodontal disease begins with an accumulation of debris along the gum line, between the teeth, and in the small pockets between the teeth and gums. Left in these areas, the debris causes an inflammation of the gum tissue, which leads either to a deepening of the pockets or recession of the gum tissue. Due to the loss of supporting bone in both situations, it is periodontal disease, not decay, which is the major cause of tooth loss in adults.

To prevent periodontal disease, debris must be thoroughly removed from all surfaces of the teeth at least once a day. A soft tooth brush is excellent for cleaning the broad, exposed surfaces of the teeth, but cannot reach between the teeth. Brushing your teeth and not flossing, is like washing your hands with your fingers together.

When used properly, dental floss can effectively clean the surfaces between the teeth, completing daily oral hygiene. Dental floss is available in many forms; waxed or unwaxed, plain or flavored. There is even a fuzzy floss for cleaning under bridgework. Whatever the form, dental floss is an indispensable factor in the prevention of tooth loss due to periodontal disease.

## J & J AUTO TOPICS

NO SQUEAKS

One good thing about the old horse and wagon was when the wheels needed grease they warned you with a lot of squeaking. But, our automobiles today don't give any warning until they are worn out and a king-sized repair bill is necessary. You could even land in the ditch with an altogether collapsed wheel.

This is why J & J AUTO SERVICE at 450 E. Main always urges in these columns that you 'play it safe' with regular auto maintenance services. Regular upkeep amounts to only a few dollars from time to time, and it gets you many extra miles of safe driving. Neglect will cost more in the long run. See us today....sure, we grease wagon wheels, too.

# LETTERS TO THE EDITOR...

To the Editor:

On February 22 I saw the five member majority of the Kewaskum School Board ignore both the advice of the majority of the responsible, experienced businessmen in attendance and the hurting pocketbooks of the taxpayers by voting to purchase the in-house computer. What was the rush? Why could we not have more thoroughly investigated the alternative? There wasn't even an IBM representative present. In addition to objecting to the manner in which the computer purchase was rammed through, I have two other objections. First of all, in talking to people in other districts I find that one of the primary purposes of other systems is to take attendance efficiently and accurately. This system does not. Secondly, this expensive system is primarily for administration, not for instruction. With the state of or economy, any money we spend should directly further our children's education, not give our administrators another justification for current personnel.

Some may feel that the purchase of the computer insures the retention of the business manager position. This is not the basic skill necessary to use the computer. We could hire three secretaries and still have money left over for what we are paying for that one position.

According to Mr. Brenholt, the business manager will be devoting approximately twenty percent of his time to the computer the first year. What has he been doing in the past if he has all that time available now?

Once again the majority of the school board has hit our pocketbooks.

Sincerely,  
John H. Spoerl

To the Editor  
Kewaskum Statesman

I, as a concerned citizen of the Kewaskum School District and also as a parent of three children (two attending Kewaskum District Schools and one starting this fall), am fully aware of the need for a quality education for our children. However, I am tired of those school board members who hide

behind this "quality of education" slogan because they are too unimaginative, misinformed, or disinterested to really study the budget to find areas where cuts can be made and this "quality" not sacrificed.

I say we can prepare our children for their role in our competitive society. I say we can do it with less money than we are now spending. I see no conflict in saying we can provide our children with a "quality education" and at the same time provide some relief for the taxpayers.

It is not easy, but most of the time anything really worth doing is not easy. It requires a lot of work to ferret out the waste and unnecessary spending. It takes imagination. It takes innovative approaches such as some of the other school districts are taking. It takes just plain hard work. Let's roll up our sleeves and get it done.

I ask the voters' support on April 6th.

#### VOTING BY ABSENTEE BALLOT

Any qualified voter, unable to get to the polling place on election day, may ask to vote by absentee ballot. A qualified voter is one who is a U.S. citizen, will be 18 years of age or older on election day, and who has resided in the ward or aldermanic district where voting is desired to be accomplished for at least 10 days prior to the election. If the voter resides in a municipality which requires voter registration, then registration is also a requisite for the voter who is qualified in other respects.

To obtain an absentee ballot, contact the clerk in the city, village or town in which you reside by mail or telephone, or in person, and request an application form. After properly completing and returning the application to the municipal clerk, an absentee ballot will be sent to you along with a postage pre-paid return envelope, or given to you if the application is submitted to the clerk in person. The deadline for receipt of the application by the municipal clerk is 5:00 p.m. on the Friday before election day in the case of applications mailed to the municipal clerk and 5:00 p.m. on the day before the election in the case of applications made in the clerk's office.

With one exception, the voter who wants to cast an absentee ballot must make a separate application before each election. Voters indefinitely confined to their home or care facility because of illness, age or disability need not file an application before each election; a special statement on the application form can be completed asking that an absentee ballot be automatically mailed to them before each election; if they fail to make and return the ballots sent to them in an election, they must complete another application later on.

Absentee ballots can be voted at home anytime after they arrived in the mail. They can also be voted right in the clerk's office if submitting the application in person. If returning the ballots by mail, the affidavit-certificate must be properly completed and witnessed by two persons. If returning the ballots in person, the affidavit-certificate must be properly completed and subscribed and sworn to by the clerk or the deputy clerk who are authorized to administer oaths. In either case, the marked, sealed ballot must be in the hands of the issuing municipal clerk on or before election day. Any absentee ballot received at the polling place after the polls close or received in incomplete or improper form cannot be counted.

George F. Nehrbass, County Clerk  
 Washington County

Falls 'Stings,' Port Pummels Lakes Team

The Kewaskum Lakes basketball team lost two more games over the weekend, dropping a 114-113 heartbreaker to the Menomonee Falls Stingers in their final home game Saturday, and then losing at Port Washington, 114-101, on Sunday. The Stingers are now 8-2 in the Lakes 'A' Division. Port leads the 'A' Division with 6-6, and Kewaskum drops to 2-9 in the 'B.'

Kewaskum fought back from an 18-point deficit in the third quarter against the Stingers, to go ahead by a point, 113-112, with about two minutes left. However, the Stingers got a big tip-in to go back up by one. Kewaskum fouled, sending the Stingers' Joe Fox to the line for a bonus free throw with 20 seconds left. He missed the first free throw, Kewaskum got the rebound, and called time-out with 10 seconds left and a chance to win the game. However, the Stingers intercepted the inbounds pass, and Kewaskum's chance for a big upset went awry.

The teams played pretty even in the first half, with Kewaskum leading 31-30 at the quarter, and the Stingers led 65-62 at the half. The Stingers had a big third quarter, outscoring Kewaskum by 12, to go ahead 100-85. Kewaskum made their big comeback in the fourth quarter, outscoring the Stingers by 14, but came up one point short.

Dave Church led the Stingers' scoring with 29 points, followed by Mark Sievers with 21 and Ron Sievers with 20. Kewaskum's Leon Laatsch took game scoring honors with 41 points, with 31 of those coming in the first half. John Slesar added 25 points and Bill Gonwa 17.

The Stingers made 14 of 17

free throws for 82.4 percent, while Kewaskum was 7 of 11 for 63.6 percent.

Kewaskum led by four, 59-55, against Port Washington at halftime, but a lack of depth hurt them in the second half, and Port eventually prevailed. Kewaskum trailed close, trailing only by 77-75 after three quarters. In the fourth quarter, however, Port's big front line started to dominate, as they controlled the boards. They outscored Kewaskum 37-26 in the final quarter to build a comfortable 13-point margin.

Kevin Lemon, Port's 6-foot-7 giant, led his team to victory with 35 points and plenty of rebounds. Burly Chuck Lanser was next with 23 points as nine men got into the scoring act for Port. Leon Laatsch led Kewaskum with 36 points, followed by Bill Backhaus with 26 points and Bill Gonwa with 22.

Port made 16 of 23 free throws for 69.6 percent, while Kewaskum was seven of nine for 77.8 percent.

This Sunday Kewaskum travels to Mayville to take on the 'B' Division tail enders in a battle to stay out of the cellar. Game time is 7:30 p.m.

# Girls Beat Mayville's State Rated Champs Again, Also Laconia for Regional Title

By Cathy Schlice

In regional action here last Thursday, the Kewaskum girls dethroned Mayville, 55-48, to advance to the regional final Saturday night against Laconia. Mayville's Flyway conference champions came here with a 17-2 record and were rated fifth in the state among Class B schools. The Indians also beat the Cardinals in overtime during the regular season for 2 of their 3 losses this season.

Kewaskum jumped out to a 15-6 first quarter lead but was then outscored 20-14 in the second quarter to cut the Indians' lead to 29-26. The Cardinals then outscored the Indians again in the third quarter, 13-7, and were up 39-36, at the end of the period.

Kewaskum took charge in the fourth quarter and battled back to tie the game at 43-43 with 3:55 remaining. The Indians then made some clutch free throws hitting 7 of 16. They outpointed Mayville 19-9 with Linda Larsen contributing 9 of her game high 21 points in the final quarter.

Also in the final quarter senior Sue Bade hit 3 of 4 free throws and Julie Koepke made 3 of 6. At the line Kewaskum outscored Mayville 17-8 for a 9 point difference and the Indians won by 7.

The Indians made 17-32 for 53% while the Cards made 8-16 for 50%. Senior Brenda Fuller was credited with some super defensive play and also pulled down 18 rebounds. Larsen pulled down 5 rebounds.

With the victory the girls advanced to regional finals at Laconia Saturday. They played the winner of the Campbell-sport-Laconia game, which Laconia won. The winner in the regional finals, Kewaskum, received a plaque and advanced to the sectional at Kewaskum this Thursday. The sectional winner here will play in the sectional finals at Whitewater. The winner there will advance to the state meet at Madison on March 12-13.

Mayville's top scorers were Bachhuber and Stortz with 19 points apiece.

The Kewaskum girls didn't have much of a problem in deciding who would win the regional title at Laconia Saturday and earn the chance to advance to the sectional at home this Thursday as they thumped Laconia, 60-37.

The Indians let down somewhat defensively after the important game but just had too much offensively. Coach Ken Soerens said, "I think they were a little awed by us when we came out," noting Laconia players seemed to be watching the Indians during their jumpups.

The Indians jumped to a 12-6 first quarter lead and increased

it to 31-16 at the half. The only time the girls trailed was when Laconia made the first basket and was up 2-0. Kewaskum then took charge.

Seniors Sue Bade and Jill Yearling hit the outside shots, scoring 6 and 13 points respectively, while Linda Larsen pulled down 15 rebounds and tallied 20 points. "Mike" Rodenkirch had 7 rebounds and 12 points to lead the Indians' inside game. Kewaskum outrebounded Laconia 37-28.

The Indians made 5 of 16 attempts for 40%, while Laconia hit 3 of 9 attempts for 33% from the charity stripe.

Larsen's 20 points were high for the winners, followed by Yearling with 13, and Rodenkirch 12. Laconia was led by their big center, Michelle Dahlke with 12 points. Every-one on both teams saw plenty of action.

Maybe a big part of the game was the support given by the Kewaskum crowd. It was just super, all the people traveled to Laconia to support the girls - all the parents, teachers, former players and their parents. But the team would especially like to thank the Kewaskum High School students, mainly the senior boys. They have been to all the girls' home games and traveled to a few away games, like Mike Heisdorf, Bill Heberer, Steve Straub, Ric Leitheiser, Randy Westerman, Mike Paul, and Pat Miller, who painted their faces green and gold and led the Kewaskum

fans in cheers. Thanks guys and keep it up!

The girls now play at home Thursday against St. Francis in the sectional. The winner of this game will play at Whitewater Saturday afternoon in the sectional final and the winner of this game advances to the state tournament at Madison, March 12-13. Listen to the radio on Friday to see how the girls did or call the high school to find out. If they win, come to Whitewater on Saturday and cheer for the girls. If you have any questions call the high school.

Come and support the girls, who have an excellent 16-3 record going into the sectional.

## Possible School Record

# Larsen Hits 41 Points As Indians Win Finale

Kewaskum's Brian Larsen was the whole story here Friday night when the Indians avenged an earlier defeat by thumping Sheboygan Falls, 84-70, in their final conference game of the season.

The Indians actually finished the season with a 7-5 record but had to settle for 5-7 because of having to forfeit two victories due to playing an ineligible player.

Coach Jim Westphal said Larsen was "just tremendous" in the victory. The 6-3 senior forward pumped in 14 of 22 attempts from the field and 13 of 15 charity tosses for his 41 points, 22 of them in the first half. Westphal thought Larsen's total could be a school record, at least "it's the most in the 13 years since I've been here."

Larsen also ripped down 25 rebounds as the Indians dominated the boards, 53-33. Mike Heisdorf added 13 points and Dennis Butz 10 for the winners. Tim Huibregtse scored 17 points, Mark Hasler 11 and Jeff Lorenz 10 for Sheboygan Falls.

Kewaskum turned the trick without the services for most of the game without center Dale Wodsedalek, who suffered a sprained ankle in the first quarter and was forced to leave the game. Larsen took up the slack, although the win was a

team effort.

The Falcons made 14 free throws, while missing nine, and the Indians sank 16, missing eight.

The closest the game ever got was in the second half, when 10 points separated the two teams. Kewaskum outscored the Falcons in every period except the third when the teams tied with 15 each.

With the victory the Indians have beaten every team in the conference at least once, except for Plymouth's champions. The defeat left Sheboygan Falls with a 3-9 mark in second last place ahead of Chilton.

The Indians now move on to regional tournament play in which they will face Mayville's undefeated Flyway champions in their first game Friday night at Horicon. The Cardinals defeated Horicon Tuesday in a WIAA subregional, 58-40. Kewaskum had a bye.

## Kewaskum Hosts 3 WIAA Tournaments

Kewaskum High School, with its beautiful new facility, spacious gymnasium and large seating capacity, has the distinction of hosting three WIAA basketball tournaments this year.

Last Thursday night, Kewaskum hosted a WIAA girls' regional between WIAA and Kewaskum. The Indians defeated the Cardinals, Flyway Conference champions, who were ranked fifth in the state in Class B, for the second time this season, 55-48. Mayville ended up with a 17-3 record for the year and Kewaskum's girls are now 16-3.

This Thursday night Kewaskum will host a WIAA girls' sectional, in which the Kewaskum girls are still going strong, and will face St. Francis. The winner will advance to the 20th Whitewater sectional final Saturday. The winner there goes to state.

Then on Friday, March 12, Kewaskum will host a WIAA boys' sectional with the teams still to be determined. The winner here will advance to the Brookfield sectional final.

## Indians Face Mayville Again In Regional

After drawing a bye in WIAA subregional play Tuesday night, the Kewaskum Indians will open regional action at Horicon Friday, March 5, when they must face the powerful Mayville Cardinals at Horicon. Mayville defeated Horicon in the subregional Tuesday, 58-40.

The Cardinals are undefeated conference of the Flyway Conference, ending up with a perfect 14-0 record. In an earlier game here during the regular season, Mayville beat the Indians, 60-48. At that time the Cards were ranked seventh in the state.

It is a shame the Indians have

to face Mayville right off the bat in the regional as no doubt Kewaskum could beat any of the other teams involved.

## Kewaskum Freshmen Conference Champs With 10-2; JVs 8-4

A victory over Sheboygan Falls gave the Kewaskum freshmen sole possession of first place in the final standings of the Eastern Wisconsin Conference, with a 10-2 record. The frosh were 9-0 until losing two of their last three games.

In their easy 54-31 win over the Falcons, all 18 players saw action. Mike Steinhardt and Mike Wiedmeyer paced the Indians with 19 and 12 points respectively. Brian Ruplinger added nine.

Kewaskum held Falls to just 11 points in the entire second half.

Steinhardt wound up as the team's high scorer with 203 points, a 17.0 average. Wiedmeyer was next, averaging 16.0. This pair also finished tops in rebounding.

Others in the top nine after Steinhardt, Wiedmeyer and Ruplinger included: Tom Herringes, Todd Wiedmeyer, Mike Geldreich, John Mertzig, Joe Riebe and Gary Butzclaff.

The JVs also closed as a winner with a victory over the Falcons, 61-53 for an 8-4 conference record and 11-7 overall. Dennis Butz led the 13 points in a balanced scoring attack.

The JV unit included: Butz, Jim Hanrahan, Jeff Squier, Tim Leitheiser, Brian Arndt, Scott Stern, Tim Westerman, Brad Bartlet, Ken Heisdorf, Dan Bantzel and Dan Gerhartz.
