Cablevision Activated in Kewaskum

R. E. "Ted" Turner

The energizing of the Cable TV line to Kewaskum took place Thursday, April 15, at 2:00 p.m. at the Cablevision Communications Center, 1021 South Main St., West Bend.

Mark Landvatter, manager of the River Bend Cablevision, announced that millionaire Ted Turner of Turner Broadcasting System, which operates Cable News Network and Super Station WTBS, Atlanta, Ga., would be on hand to throw the switch, which officially marked the beginning of cable service in Kewaskum and also began the 30-day countdown to Jackson service activation.

Turner, a cable television pioneer, besides owning Super Station WTBS, Cable News Network, and Cable News Net-

work II (CNN2), also owns the National League Atlanta Braves baseball team and has a partnership interest in the National Basketball Association Atlanta Hawks. He is also noted for his national and world sailing titles, including the 1977 America's Cup and the 1979 Fastnet Award. Turner is also chairman of the board of Turner Outdoor Advertising.

Local dignitaries and the press were invited to the launching service Thursday. Refreshments were served. The program was broadcast live on the West Bend cable system. Anyone interested in seeing the ceremony could do so at the Kewaskum Municipal building where a cable TV hook-up was set up in the council room.

Immediately after the energizing service, River Bend representatives began soliciting on a house-to-house basis explaining and selling the service and arranging installations.

River Bend Cablevision, Inc. located at 1020 South Main Street, West Bend, has as its president, Donald G. Jones; manager, Mark L. Landvatter; chief engineer, Paul Krejci, and office manager, Carol Kenyon.

The system size in Kewaskum is 7.3 miles aerial cable, 1.2 miles underground cable, and 7.0 miles community interconnect. Homes passed number 775. Activated April 15, the system will be fully operational August 15, 1982. Channels carried include 32 total - 23 cable exclusive.

Late Bus Support Defeated

Parent/Teacher Committee to Scrutinize Kindergarten Program

By GERRY MUELLER
Statesman Staff Writer

All-Day/Alternate Day kindergarten, will it really save money, if so, how much and how will the program affect the children? These are just a few of the questions to be studied by parents who volunteered Monday night to work with teachers on an investigative committee in hopes of finding answers.

With approximately 75

parents present, the board heard a presentation by the kindergarten teachers of the district. Mrs. Iona Schmidt, teacher, felt that previous comparisons of Kewaskum to other districts were not fair because of class sizes. After calling and visiting many other districts, one fact stood out, Kewaskum was working with up to 29 children per class, while a majority of the other schools were working with 20 or less

students, some as low as ten or eleven. Schmidt also felt that many of the schools in northern Wisconsin had gone to all-day because of the length of the bus ride in rural communities covering large areas and having less than eleven pupils in a class.

After interviewing teachers in other schools, the staff felt a full-day program would be satisfactory for the mature

Sewer Up 45% - Water a Proposed 33%

Higher Sewer, Water Bills

Face Village Residents

By GERRY MUELLER
Statesman Staff Writer

Increased operating costs along with an annual deficit will see Kewaskum sewer rates go up again.

The Village Board Wednesday evening unanimously approved a 45% increase in sewer charges retroactive to January 1, 1982. Village residents will see the price tag rise from \$1.00 per 1,000 gallons to \$1.45 per 1,000 gallons for sewer service.

Along with an anticipated hike of 33% in water rates later this month, this will mean a total increase of approximately \$74.00 annually for an average family, working out to a rise of \$6.18 per month or 21c per day for sewer and water service in 1982. A retired couple can anticipate a \$33.00 increase, up \$2.70 per month or 9c a day.

Dr. Raymond Kipp of Marquette University, the village's sewer and water consultant, listed increased operating costs

as a major factor in the increase. Chemical costs and plant operation are higher than some communities due to Department of Natural Resources requirements. Kipp noted that because Kewaskum sewage water enters the Milwaukee River, the DNR demands the treated water be cleaner than the river water itself. There's no way of getting around that if you want to get a permit to operate.

Kipp also stated, "the village has been subsidizing the treatment plant for years and you shouldn't have to." Sewage expenditures far exceed revenues resulting in the village picking up the difference. "You should have a Depreciating Fund so you don't have to go back to the village coffers," stated Kipp. (Last year's sewage department expenditures exceeded the income of \$165,000, resulting in \$51,000 being taken out of 1981 village

SCOTT BARTENDER LICENSE APPLICATION TABLED

Controversial Tavern Gets License Approved

By GERRY MUELLER
Statesman Staff Writer

At its meeting Wednesday evening, the Kewaskum Village Board unanimously approved issuance of a Class 'B' Liquor License to Robert J. Holub, Jr., Hartford, for operation of the tavern formerly known as John and Dee's, at 1310 Riverview Drive.

The only point of consideration in issuing Holub the license was the possibility of Holub suing the village if the board had to revoke his license. The problem stems from the fact that the village is presently involved in a lawsuit with Ralph Scott, owner of the property. Carmelo Puglisi, the village's attorney, said if Scott wins the suit, a license would have to be issued to Scott and Holub's would have to be revoked. Holub said he understood the circumstances, stating, "I'm fully aware of what's happening and I'm going to waive all rights, I will not take any action." The board said it would feel better about issuing the license if there were something in writing. Both Scott and Holub agreed to present a written waiver when the license fee payment was made. Scott also

noted that if he should win the litigation, he would not apply for his license until July, after Holub's license expired on June 30, 1982.

Holub said that he planned to open the tavern the day after he received his license.

Puglisi stated Holub's contract appeared to be a standard lease agreement with a flyer which gives him an option to purchase the property.

In other related action, the board held a hearing on the application of Ralph Scott for a bartender's license.

Scott told the board he was seeking the license so he could temporarily help Holub (who is a second shift worker) run the tavern.

A letter from Police Chief Donald Hlavaty said the department was opposed to issuance of the license. "Although the applicant may not have been directly involved in these problems, (disturbances during the time Scott held the liquor license), his lack of control of the premises was an indirect cause of the same," stated Hlavaty's letter.

After a short discussion, the board unanimously moved to table action on Scott's application until its next meeting.

Paradise Investments, Ltd. have announced plans to open a \$1 million bowling alley at 2910 W. Washington St., Hwy. 33

Sensenbrenner Staff To Hold Office Hours In Village, County

BROOKFIELD, WIS. - Ninth District Congressman Jim Sensenbrenner's district office staff will hold open office hours for Washington County residents on Thursday, April 22.

At four different locations a staff member will be available in behalf of Sensenbrenner to discuss problems with federal agencies, to hear the views of residents on issues of concern, and to receive requests for information or copies of government publications.

The schedule of office hours is as follows:

- Kewaskum Village Hall, 9:30 to 10:30 a.m.
- Washington County Court House (West Bend), 11:00 a.m. to 12:00 noon.
- Jackson Village Hall, 1:00 to 2:00 p.m.
- Hartford City Hall, 2:30 to 3:30 p.m.

No appointments are necessary, and everyone will be seen on a first come, first served basis.

W., West Bend.

According to David Skrentny, Kewaskum, president of Paradise Investments, the Frontier Bowl and Lounge is scheduled to open by August 15. The bowling area will have 12 lanes with an additional 12 lanes to be added in the future.

The AMF equipment will be the latest most modern of its kind in the industry and will be a showplace for southeast Wisconsin. New features include "Magic Scoring" with a master control for printed readout on all 12 lanes, which is handy for leagues and individual scorers

for open play bowlers. There will also be a device called "spare maker" which will show, in lights, bowlers how to properly make their spares. This will be especially helpful for beginner bowlers.

The extra large lounge, with a capacity for 200, will be separate from the bowling, however, a service bar will be located in the concourse area and the lounge will feature a sandwich area. Live music will be provided on weekends, and there will be a separate room for electronic games and pool tables.

The building size will be 175 feet long and 90 feet wide and will be constructed of metal and decorative block on a 6-acre site. There will be excellent parking facilities with room for future expansion. Excellent access from Hwy. 33 with ample lighting to the parking area will be provided.

The general contractor for the building which will be located next to the Golden Knight Restaurant, is Landmark Builders, Inc. of West Bend.

Reservations for leagues can be made by calling Ed Leonard at 338-1094.

METAL WATER PIPES

Water that has stood for hours in copper, lead, or steel pipes may be high in dissolved metal and can be harmful to health. Lead poisoning is a special danger. In the morning, run off a quantity of water standing in metal pipes before drawing water for drinking and cooking. Draw cold water, as hot water dissolves more contaminating metals from pipes and tanks.

The A. A. Perschbacher Garage was started as a partnership by Arey A. Perschbacher and Louis Siegel in 1893. It included a blacksmith shop and manufactured wagons, carriages and sleighs for the farm trade, in addition to repair work. The partnership did not last long, however, and in 1897 Mr. Perschbacher became the sole owner.

When the Model "T" became popular, the name of the business was changed to the "Rex Garage" and he began selling and servicing automobiles, which occurred in January 1920. The blacksmith shop was changed to car services and sales, discontinuing horse drawn vehicles. He sold Ford, Buick, Chevrolet, Dodge and Plymouth cars in the years to follow. In 1935 an Allis-Chalmers farm machinery dealership was added. A full line of tractors, combines and other implements were sold and serviced. A few years later the New Idea and Gehl Bros. dealerships were added.

Arey A. Perschbacher died in 1942 and his son Myron purchased the business from the Perschbacher family. Under his ownership he continued the farm implement business, but discontinued the car dealership, due to lack of space. At this time he also started a complete line of Simplicity and Jacobsen lawn and garden equipment. In 1962 he discontinued the farm implement sales and devoted full time to the service and sales of lawn and garden equipment.

In January, 1974, an agreement was made with Edward E. Miller of Miller's Furniture, Inc. to purchase the Myron A. Perschbacher Shop, located at 1317-1325 Fond du Lac Avenue, effective May 1, 1974. At this time Myron discontinued his business and retired. The site it formerly occupied is now the location of Miller's latest addition to their furniture store.

Kindergarten

child, but would hurt the immature or slow child.

The teachers' conclusion was that while they felt half-day was better, they were less apprehensive about Kewaskum trying the all-day approach. Their recommendation for making a successful transition, should the district decide to change, would include half-day school at the beginning of the year, smaller classes and more teacher help in the form of aides and specialists.

The board questioned Superintendent Brenholt regarding the statement that Campbellsport found it necessary to add extra aides when it switched to all-day kindergarten. Brenholt commented, "if we put about four hours of aide time in, we'd talking about \$10,000." "Then there would be a \$29,000 to \$30,000 saving" said Board President John Tessar. (Previously savings of \$38,000 to \$39,000 were mentioned).

After discussion of smaller classes, and added aides, board member Tom Brigham stated, "by the time we come down to the bottom line, we're not going to have all that much of a savings."

Board member Charles Ogi stated he would like the administration to check into how well Kewaskum children do compared to pupils in smaller classes. Member Richard Theusch stated, "it's slowly coming out to the public that we're operating with a hell of a lot less staff than other schools." "If we were to get our student/teacher ratio down to comparable schools, we'd have to add 14 or 15 more staff, but yet the general public is telling us we're spending too much money."

After almost two hours of discussion, the board agreed to leave the kindergarten question tabled until its next meeting when the committee consisting of Mrs. Connor, Mrs. Engelkey, Mrs. Thuesch, Mrs. Karen Matthies, Mrs. Mary Gross and

the staff could present its findings.

As requested at its last meeting the board heard a report on late busing by Business Manager Robert Borch. The Late Bus Committee had asked the board to support the late bus run and, if necessary, subsidize it with approximately \$2,000 to cover costs not met by the sale of passes. Borch noted, "we're playing a numbers game, if we have high participation, \$2,000 would be sufficient." However, Borch noted that if ridership dropped, the cost could run close to \$2,900.

Mrs. Joan Rosenberger stated, "it's costing an awful lot of people an awful lot of money for their kids to be in extra curricular activities." She stated it cost her almost \$250 to have her child participate in just one play. Rosenberger noted that 70% of the children live in the country and without transportation, only the 30% consisting of village youngsters would be able to participate. "I was told it cost \$2,227.80 to clean football uniforms and

\$1,000 for uniforms repairs. Why can't the parents do this washing, there you would have \$3,000 that would subsidize the bus," said Rosenberger.

Tessar said the board had decided to drop the late bus because of low participation. Rosenberger said it is due to the scheduling. "First, to get this to work, let's schedule with the late bus in mind" said Rosenberger. High School Principal Clark Pearson noted fall is no problem for facilities and scheduling, "but in winter we don't have enough gym space for everyone to practice at the same time."

A motion by Member Gerald Secor and Jean Goeden to approve \$2,000 for the late bus was defeated 4-3.

After a lengthy discussion a motion to approve an 8% salary and wage increase for support staff was defeated 5-2. The Salary Support Committee had recommended adoption of a 7.7% across-the-board increase. Personnel at the top of the salary scale would have received a 7.7% increase and staff members eligible for a step

increase would have been placed on an indefinite freeze but would have received an 8.2% increase next year. Including salary and fringe benefits, this would result in an overall increase of 8.0% costing \$38,439.00. The proposal was sent back to committee for further recommendations.

The board unanimously approved a motion to increase Driver Education fees to \$50.00 and increase the fee as costs rise. The board also agreed not to accept any students from outside the school district for either portion of the Driver Ed course.

The board also vetoed a motion to purchase 14 new baseball uniforms at a cost of approximately \$50.00 each.

A lump of butter or a tablespoon of cooking oil added to the water cooking rice, noodles or spaghetti will help prevent sticking and boilovers.

Plan Recognition Picnic for Boy Scouts

Glacier Edge District 11 of the Bay-Lakes Council of the Boy Scouts of America will hold their annual Recognition Picnic on Thursday, May 6, at 6:30 p.m., at St. Mary's School, corner of Van Buren and Johnson Streets, Port Washington. Mr. Paul G. Bucklin, Council Executive, will be the guest speaker.

All Pack and Troop Leaders, Committee People and their spouses, are invited. Cost is \$3.00 per person plus a dish to pass. Wear uniforms and casual clothes.

Reservations should be made prior to April 26, with Mrs. Charlotte Bigelow, 1772 Highway 143, Cedarburg, WI 53012.

Mrs. Marilyn Haug of Kewaskum, and Reed Van Ness from Sheboygan are co-chairmen of the event.

Etta Advances to State In FFA Creed Contest

Jon Etta, freshman Creed speaker for the Kewaskum FFA, won the Section 10 finals held in Delavan, WI and will now represent the Section in State competition. Jon's Victory marks the first time a Kewaskum Greenhand member has advanced to the State competition.

Jon won the Sectional crown after defeating two other representatives from three other districts in Section 10. The state is divided into ten sections based on geographic location. There are 29 FFA Chapters in Section 10.

State competition will be held

June 8, at the Green Lake Baptist Assembly, in conjunction with the State FFA convention. Jon will be one of ten final contestants in the FFA Creed contest, speaking for the state title.

Higher Sewer, Water Rates

(Continued from Page 1)

general funds to cover expenses).

"The rate increase of 45% is as much as I can recommend you go in one year." "You will probably have to increase rates again next year," said Kipp. The village would have had to increase rates 65% in 1981 to get the sewage department running in the black. The board instead approved only a 27% increase.

"The proposed 33% Public Service Commission hike should put the Water Department in the black in 1982." Hopefully in the next few years the Sewage Department will also be running in the black.

Village Administrator Dan Schmidt stated a survey of area rates for 1981 showed Fort Atkinson paid \$1.30 per 1,000 gallons, Saukville \$1.45/1,000 gallons plus \$12.50 per quarter debt retirement, Jackson \$1.50/1,000 gallons plus an \$18.00 meter charge and Slinger paid \$1.60/1,000 gallons plus a basic charge of \$21.13, compared to Kewaskum's charge of \$1.00 per 1,000 gallons in 1981.

Schmidt noted that prior to the recent rate increase, the last increase was in 1974. This is what is resulting in Kewaskum's trying to catch up to current rate charges. Many communities have been increasing their rates on an annual basis.

Schmidt said if the rates were not increased, the burden would be shifted to general taxes. If figured in general taxes, the cost would run approximately \$1.18 per \$1,000 for water and \$2.09 per thousand for sewer. This could result in approximately \$222.69 on a tax bill for the average family and \$165.45 on the tax bill of a retired couple.

Noting a drop in sewer usage, Trustee Dave Nigh asked how this would affect rates. "Theoretically," said Kipp, "a decrease in usage should mean a reduction in operational costs, unless a large industry such as Regal Ware or the dairy substantially decreased its usage. This could have an effect on revenue."

Seek Nominations For Outstanding Young Man Award

The Kewaskum Jaycees are accepting nominations for their outstanding young man award. The nominee should be between the ages of 18 and 36 and have distinguished himself in improving the Kewaskum area through his work, church or community involvement.

EASTER EGG HUNT

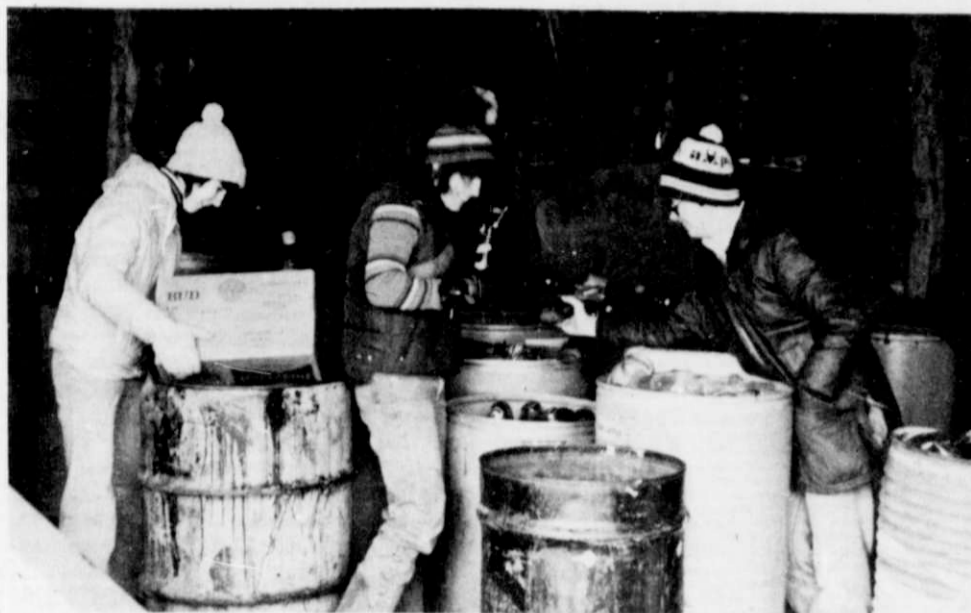

Though there was snow on the ground and 40 degree weather a large crowd of area youngsters participated in the Annual Easter Egg Hunt sponsored by the Kewaskum American Legion, Robert G. Romaine Post 384, in River Hill Park on Saturday afternoon.

The hunt was held on both sides of the river with the younger children on the west side and the older children on the east side.

Approximately 120 dozen of colored Easter eggs were hidden and 25 dozen candy eggs handed out to the youngsters.

Due to the snow and wet grounds the Easter Bunny was unable to participate this year.

RECYCLED MATERIALS — A Way to Save Energy —

By Recycling Committee
Kewaskum Jr. Woman's Club

The Kewaskum Lions Club has been operating their monthly paper drives in conjunction with the Kewaskum Recycling Center for many years. This past year the Lions Club collected 51 ton of paper. The most desirable type of paper for recycling is old newspaper. Other types of waste paper are also recyclable.

The newspapers that the Lions Club takes in are sold to a distributor who returns it to a paper mill for the recycling process. If waste paper is to become a quality new product, the most important step in the recycling process is the removal of ink and impurities.

So the first step after the paper is shredded is "deinking" or "pulsing." During this process water and chemicals are added to the shredded paper to become a slurry called pulp. The pulp goes into whirling cylinders called the centrifuge and the centriclean where trash (staples, paper clips, and other solid objects) are removed.

The next step is the primary water removal process. A machine squeezes the pulp, separating it from the dirty water, chemicals and ink. The pulp is sifted over a series of vibrating screens to remove any remaining impurities and given a final washing. It may also be bleached white. The original waste paper is now pure pulp and ready to become a new paper product.

The clean pulp is now mixed with clean water in a machine until it forms a liquid slurry, 99% water and 1% pulp. A

carrier belt made of plastic mesh which has a shaking motion to drain away excess water, causes the tiny fibers in the slurry to interlock and form a continuous web of paper. This "web" of paper may be up to 172 inches wide by 300 feet long.

The moving belt of newly-formed paper then passes through a series of roller presses until it is approximately 45% dry. It then enters the drying section where the remaining water is removed by passing the paper over steam cylinders heated to 260 ° F. After drying, the paper is about 95% dry. It then moves through a set of steel rollers, giving it a smooth surface for printing and writing.

The finished paper is wound onto rollers and then cut to various sizes. These rolls are shipped to printers, publishers and manufacturers for use in new products. For some products not used in rolls, the paper is cut in large sheets, packaged and sent to its users.

Many common items are now made from recycled paper. Cereal boxes, paper bags, many types of wrapping material, even stationery are only a few of the many things being made from recycled paper.

So there you have it. We've traced your old newspapers from the Kewaskum Lions Club paper drive to store shelves stocked with new paper products. It's a good feeling knowing that those old newspapers can become new ones. Think about it next time you're going to throw that old paper away.

Junior Women's Recycling Saturday

The Kewaskum Junior Women's Club will hold their monthly recycling day on Saturday, Apr. 17, from 9 a.m. to 12 noon. We accept tin, aluminum, colored glass (green and brown) and all glass with the labels on. Please remove the covers from all glass containers (these can be put in with the tin). Newspapers for the Lions Club can also be left at the recycling center. Used oil can be recycled by dropping it off at Herriges Oil in Kewaskum during working hours.

"Curtain Going Up!" to Be Presented by Kewaskum High School Troupe

Cast members Carol Lehmann and Brad Dieringer

Cast members Julie Strancke and Dan Menzel

Cast members Colleen Shaw and Scott Buchel

The cast has been selected and practice is in progress for a spring play at the Kewaskum High School entitled "Curtain Going Up!" The comedy will be presented in the high school auditorium on Friday, April 30, at 7:30 p.m. "Curtain Going Up" by Gregory Johnston, is a story, in the comic sense, of the production of a high school play. The action takes place on the stage and in the auditorium, during rehearsal and after the presentation.

The comic lines, lively action and amusing characters, all combine to make the play exceedingly humorous. This is Miss Burgess' first play she has ever directed and she is faced with the following: a grouchy janitor with a sharp tongue, the disappearance of the playbooks the first day of rehearsal, a set of comically crossed-up high school romances, a charming young heroine who becomes stage struck, her bewildered boy friend, a campus "actor" with a swollen head, an athlete, feeling out of place as an actor, a flamboyant, professional actress with advice, a banker's daughter driven to theft and dirty tricks by her father's ambitions - and the most unexpected of all, a romance for young Miss Burgess herself!

Almost anything that can happen, does happen.

In short, "Curtain Going Up!" is a funny and unusual play that will satisfy any audience.

Cast members in the production include seniors Julie Dettmann as Miss Irene Burgess, Scott Buchel as Milt Sanders, Scott Nigh as Buck O'Hara, Craig Rosenthal as Norman Carter, and Carol Lehmann as Lorry Fuller. Junior cast members are Mary Straub as Elsie Hunter, Jeff Schmidt as Mr. Tony Peterson, Colleen Shaw as Nancy Leveridge, Daniel Butzke as Richard Leveridge, and Jackie Kirmse as Janet Young.

Sophomore cast members include Jill Kirmse as Carolyn Moran, Brad Dieringer as Andy Fullbright, Dan Menzel as Jocko Guthrie, Barb Jandre as Joan White, Doreen Jacobs as Sylvia Moore and Beth Strigenz as Kyle Roberts. Julie Strancke, a freshman, plays the part of Miss Henrietta Rivers.

Tickets for "Curtain Going Up!" will soon be available from cast members at \$1.50 for adults and \$1.00 for students. The entire production is under the direction of Robert Getter and Don Potter.

SECRETARIES WEEK

April 18-24, 1982

WHEREAS, in recognition of the secretary, the week of April 18-24 has been designated as Secretaries Week; and

WHEREAS, in keeping with the best tradition of their profession, secretaries are accepting vital responsibilities and are performing important roles in commerce, industry, and government, and

WHEREAS, the efforts of those professionals and their many contributions to the nation's progress are significant; and

WHEREAS, to recognize the secretaries now doing their jobs diligently and to encourage others to enter this worthy career, it is essential that rightful acknowledgement be given their talents;

NOW, THEREFORE, I, GERALD F. STOLLENWERK, President of the Village of Kewaskum, do hereby proclaim the week of April 18-24, 1982, Secretaries Week and ask that all business and industry join in giving due recognition to this group, paying special attention to SECRETARIES DAY on April 21, 1982.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the seal of the Village of Kewaskum to be affixed this 7th day of April 1982.

Approve Advertising For Bids on Electric Service to New Park

By GERRY MUELLER
Statesman Staff Writer

In action at Monday night's meeting, the Village Board approved advertising for bids on general electrical service to the Kiwanis Park for security lighting and concession stand service. Engineering fees are expected to run between \$850 and \$2,000. Village Administrator Dan Schmidt noted no organization has offered to run the concession stand due to lack of electricity in the building.

Action on lighting for the north ball diamond was tabled.

The board also approved purchase of an automatic water softener for the treatment plant at a cost of \$460.00. Wastewater Treatment Superintendent Pete Albers stated the village's water condition was causing a

severe lime build-up problem which required his workers to spend four to five hours a week cleaning lines. The softener would eliminate this work.

Trustee Don Mlodzik told the board that a Public Works Committee meeting will be held April 19 at 7:30 p.m.

EASTER BUNNY BRUNCH

Mr. and Mrs. Easter Bunny, Bert and Ernie and Woodsy Owl were the main attractions at the 9th Annual Easter Bunny Brunch, sponsored by the Kewaskum Junior Woman's Club, on Saturday, April 3.

The brunch, held in the Holy Trinity Church basement, was very well received at the 9:30 seating, but a severe snowstorm with blizzard like conditions and high winds, hampered many from coming for the 11:30 seating, although many youngsters and their parents braved the inclement weather.

The menu consisted of pancakes, sausage, a fruit cup, a beverage and a special treat from the Easter Bunny.

Historical Society Membership Drive On; Meeting Tuesday

The Kewaskum Historical Society again is in the process of promoting their membership drive month. April of each year is set aside to inform the public about the Society. This April 20, at 8:00 p.m., the regular monthly meeting will be held in the meeting room of the Kewaskum Valley Bank. The agenda for this meeting will be short and will be followed with colored slides from the 1981 Early Farm Days Show and the museum, plus the reconstruction of the log cabin.

The Societies Board of Directors will meet just prior to the meeting at 7:00 p.m. to discuss the log cabin grand opening which is tentatively scheduled for the 29 of May, 1982.

The Society is planning a busy and enjoyable year and invites all past members to join in for another good year. The Society always welcomes guests, with the hope that they may join.

The Society has several categories of Membership.

I. Historian 18 to 62 dues \$2.00.

II. SR. Historian 62 and up \$1.00.

III. JR. Historian 17 and under \$1.00.

IV. Family of Historians 2 adults and all children 17 and under \$5.00.

V. Business supporting Historian donation of a minimum of \$10.00 (the only dues that can be considered as tax deductible).

We would like to remind you of our 1982 Early Farm Days Show, scheduled for August 7 and 8. The show this year will also include some early fire fighting equipment. The Society has already begun to invite collectors of such equipment and area Fire Departments.

Thank you and we hope to see you on April 20, for the meeting, the slides or light refreshments.

Gust-Ross

Mr. and Mrs. Richard Gust of Long Lake, rural Campbell-sport, and Mrs. Barbara Ross of Franklin are proud to announce the engagement of their children, Robin Julie and Floyd Michael. Floyd is the son of the late Alexander Ross.

Robin is a 1979 graduate of Kewaskum High School. Floyd

graduated in 1979 from St. Croix Lutheran High School in St. Paul, Minnesota. Both young people will be May 1983 graduates of Dr. Martin Luther College in New Ulm, Minnesota.

A July 2, 1983 wedding is being planned by the couple.

Benefit Sale for Historical Log House Restoration

The Modern Woodmen of America Camp 2233, Kewaskum is sponsoring a craft, rummage and bake sale on Saturday, April 24, beginning at 9:00 a.m., at the Labor Center Hall, Kewaskum.

Members are asked to bring craft or rummage items (clothing, small furniture, pottery, etc. or any useable articles) on Friday, April 23, between 1:00 p.m. and 4:00 p.m. to the Labor Center Hall. Bakery goods can be brought in Saturday morning, April 24, between 8:00 and 8:45 a.m., also to the Labor Center Hall. If more information is needed, please call 626-2438 or 533-8500.

All proceeds will be matched by the Home Office of Modern Woodmen up to \$1,000 and will be used to aid in the restoration and furnishing of the Historical Society Log House Museum in Kewaskum.

Coffee and doughnuts will be served during the day.

Bring your friends and neighbors and plan to be there!

Anyone wishing to contribute bakery, rummage or craft, to this most worthy cause is welcome to do so.

Present Awards To Cub Scouts

The monthly pack meeting of Kewaskum Cub Scout Pack 3744 was held on March 22 at 6:30 p.m. at the Kewaskum Middle School.

Den 1 had opening flag ceremony duties. Cubmaster Marilyn Haug presented awards to the following boys: Kim Marx, Wolf Badge; Craig Kulas, Wolf Badge, Gold, and four Silver arrows; Glen Kirst, Steve Liegl Jr., Mike Kocher, Brian Heller, Jim Gildersleeve, one Silver Arrow under their Wolf; Jeff Jerron under their Wolf; Jeff Kissinger, Scott Heller and Jeff Sabish, two Silver arrows under their Wolf; and Curt Ammel his Gold Arrow under his Wolf. The Scientist Activity Badge was earned by Webelos James Kudek, Joel Miller, Noel Stradtman, and Doug Geidel.

Sign up sheets for the May 22 Brewers game were passed around. Scout O-Rama tickets were passed out and everyone was encouraged to do a good job selling. Besides entrance to Scout-O-Rama, tickets are good for a free hamburger at McDonalds.

The big event of the evening was the Rocket Derby. Boy Scouts Ken Weiss, Scott Kulas, Mike Kirst, Mark Kirst, and one of their leaders, Ted Miller, helped with setting up and judging. The track was loaned to us by Fredonia's pack and Mr. Schmidt from that pack helped run the races. The Derby

winners were 1st place, Brian Heller; 2nd place, Phillip Lettow; 3rd place, Kim Marx. The ten best looking rockets, voted on by the Cub Scouts, were awarded a Rocket Derby pennant. These were James Gildersleeve, Eric Giese, Scott Heller, Craig Kulas, Donnie Nelson, Kim Marx, Scott Muckerheide, Brian Heller, Tim Thompson and Steve Liegl Jr. Because she knows all the boys and their ships are special, Cubmaster Marilyn Haug made

each boy a Rocket Derby Plaque to remind them of their first attempt at flying. After presentation of trophies, Den 1 retired the flag.

The next pack meeting will be held April 26, at 7:00 p.m. at Kewaskum Middle School.

Search for Missing Owners of More Than \$1 Billion in Unclaimed Money

State Treasurer Charlie Smith announced that Wisconsin and 23 other states throughout the country in connection with ABC's 20/20 program have launched a search for the missing owners of more than \$1 billion in unclaimed money. This money belongs to almost 10 million persons.

"A recent survey revealed that states are now holding \$1.2 billion in unclaimed funds belonging to almost 10 million persons. Wisconsin is now holding more than \$3.2 million belonging to Wisconsin residents and taxpayers," Smith said.

The reported property includes not only savings and checking accounts, but the contents of safe deposit boxes, unclaimed deposits held by utility companies, undelivered dividend or salary checks, unclaimed benefits held by insurance companies, and uncashed money orders and travelers checks.

On April 15, 1982, at 9:00, ABC's news magazine 20/20 will review state unclaimed property programs and their efforts to locate missing owners. Included will be interviews with owners of missing savings accounts that banks have been unable to locate including TV star Kate Jackson. 20/20 will also air an investigation of bank service charge practices which have wiped out tens of millions of dollars of unclaimed savings accounts.

State Treasurer Smith stated that "the normal advertisement of unclaimed accounts in this year's reporting period is scheduled to take place in August of 1982. What follows is a list of missing owners in Washington County who in the past have failed to claim their funds from the state." The 25 unclaimed accounts in Washington County, totaling \$4,479,44, include two from Kewaskum, namely Louis Foerster and Mrs. Dorothea Muckerheide, Route 3.

In the event there is a name advertised in which you feel you have a legal right to claim title, information concerning the amount and description of the property may be obtained by writing to Charles P. Smith, State Treasurer, Unclaimed Property Division, P. O. Box 2114, Madison, WI 53701. Please include the name, last known address and index number as published in this notice.

Smith emphasized that it is the intention of the State Treas-

urer's Office to return all monies that have been unclaimed to their rightful owners. However, if the rightful owners cannot be found, the money is deposited in the Common School Fund for the benefit of all of the people of Wisconsin. The State of Wisconsin holds this money in perpetuity, and it can be claimed at any time in the future by the owners or their heirs.

LETTERS TO THE EDITOR...

Dear Editor:

Though this letter is somewhat after the fact, I am concerned enough about the recent results of the School Board election that I decided to make my comments public. I am quite disappointed about some of the views of the recently elected School Board members, and in particular, feel that the loss of Gerald Secor on the Board will be sorely felt.

Having been a student in the Kewaskum School District for a number of years, I was always impressed with the caliber of both the teaching staff and administration I encountered. While I do not think that the quality of education can be equated with dollars spent, I feel that certain programs are essential to the successful future of our young people. I hope that this quality of education can continue from the leadership efforts of those individuals that will be representing the Board.

If Kewaskum School District is going to continue its fine reputation for preparing its students for entering both the work force and higher education, a concerted effort will have to be taken to examine present and future programs (and the expenses associated with those programs). While I realize that the economy is of concern to all taxpayers in this community, I think we can all agree that our young people are our greatest resource. While this Board hopefully has our children in its best interest, I do hope that this school district continues to maintain its high standards of excellence and that the Board will do everything in its power to help achieve this goal.

Sincerely,

Deborah A. Strigenz

Today's Medicine

THE COMMON COLD
By R. G. Edwards, M.D.

As we go through life we are often exposed to someone with a "Cold." How can we protect ourselves from most of these exposures?

First, I will explain a few well-known facts so you will know how to keep yourselves much healthier this year than you did last year.

The common cold is caused by many different kinds of germs - hence to dodge or avoid exposures is the first step in preventing "catching a cold." Moreover, the "cold carrier" spews out droplets of water into your face and hands all filled with live germs. These germs are passed on when he or she grasps your hand to say hello and how are you. As soon as you can, give an excuse so you can hurry to a lavatory to wash your hands and face with soap and water. Soap will kill many germs.

Wearing of a mask by the cold carrier should be required but our society would yelp to high heaven if this rule were enforced. Actually all people who feel they are catching a cold should stay home, rest in bed, drink three to four quarts of nourishing fluids daily. Aspirin is taken only to relieve body aches and reduce fever. All colds are most contagious during the first 48 hours of onset, just the time the carrier states he feels he is catching a cold.

Another source for "catching a cold" can be the restaurant where you dine. Cooked foods do not present this hazard because the heat kills most germs. But the cold foods such as lettuce, bread, butter, and condiments may carry the germs of the food handlers who cough or sneeze on your food. The placement of the "sneeze barriers" required now in most restaurants over their salad bars has been very helpful to reduce the spread of someone's cold to all food customers.

Let us hope that every one "catching a cold" will stay at home in bed three days at least during the balance of 1982. This avoidance of exposure will yield better health to all this year.

Good health to all is my wish.

Farmington 4-H Club Receives Wisconsin Bankers Award

The Happy-Go-Lucky 4-H Club of the Town of Farmington was one of several Wisconsin clubs to receive the Wisconsin Bankers Community Development Award. The award is given for activities that help to improve a community. Special emphasis is given to planning and working with other groups or organizations in the community.

The adult leaders in charge of the Happy-Go-Lucky 4-H Club community activities include Karen Belger and Mary Secor of Kewaskum and Barbara Schneider of Fredonia. Youth leaders working with the project include Kim Belger and Sandy Secor of Kewaskum and Debbie Kertscher of Random Lake.

Some of the activities included adopting grandparents and visiting them regularly, Christmas caroling at the Samaritan Home and conducting a card party for senior citizens. The group continued planting shrubs in the community park. They participated in community activities by having a float in the Boltonville and Newburg parades. They made wreaths for the local cemetery and participated in the community Memorial Day program.

The Wisconsin Bankers Association provides these cash awards to encourage 4-H members to become active in their community.

Borch Awarded Title of Registered School Business Administrator

The title of Registered School Business Administrator has been awarded to Robert C. F. Borch, Business Manager, School District of Kewaskum, 1450 School Street, Kewaskum, Wisconsin 53040.

This award is the highest professional status that can be attained by a practicing school business official. It is granted by the Association of School Business Officials of the United States and Canada, of which the recipient is a member.

Recipients of the R.S.B.A. title must meet or exceed the following six requirements:

1. Be a member of ASBO for at least three continuous years.
2. Have general responsibility for the business administration of a school or college, and report to the local board of education through the superintendent.
3. Have at least a master's degree in either school business management or educational administration.
4. Have at least three years of experience in school business management.
5. Have spent at least three years in one job assignment.
6. Submit a letter from his superior attesting to his ex-

perience and qualifications.

In addition, he or she is encouraged to be a member of a state or province ASBO and other appropriate professional organizations.

The purpose of the R.S.B.A. program is to improve the quality of school business management and encourage excellence among its practitioners.

The association is a non-profit independent professional educational association devoted to research, publication, and discussion in the field of school business management, from the kindergarten through college levels.

Your birthday is really a special day and you share it with at least nine million others.

Knights of Columbus Drive for Mentally Retarded April 23-25

The Ninth Annual Wisconsin State Council Knights of Columbus Mentally Retarded (MR) Drive will be held in Wisconsin the weekend of April 23-25. State Deputy Austin Baxter, Cuba City, said the goal of this year's campaign is \$400,000.

The MR drive is held each year in local communities, with money raised used to assist the mentally retarded in the state. Local Knights of Columbus councils conduct the drive in their area, and retain 70 per cent of the proceeds for use in their own local community.

The remaining 30 per cent is disbursed on a state-wide level to mentally-retarded related programs, and individuals working with the mentally retarded. State Mentally Retarded Chairman George Burns, Shullsburg, urged Knights in the state to exert "an extra effort" this year to reach the state's goal.

Baxter said "the mentally retarded drive gets bigger every year, but it will take the cooperation of everyone this year. He added that inflation has caused budget problems, leaving a shortage of funds for mentally retarded programs in the state.

Funds raised from the MR drive are disbursed to mentally-retarded related programs and individuals working with the mentally retarded without regard to race or religious affiliation.

Listening Sessions On Role of Women to Be Held in Parishes

"Listening Sessions" are being conducted throughout the Archdiocese of Southeastern Wisconsin by a nine-member Task Force on the Role of Women, appointed by Archbishop Rembert Weakland.

The Task Force hopes that participants in the Listening Sessions will report their experience and expectations in the following areas:

1. Describe the present situation of women in the Church;
2. Describe a Church characterized by equality between women and men and ways that might be achieved.

All Catholic women, both active and inactive members of the Church, are encouraged to attend the session nearest

them.

At the end of the archdiocesan-wide listening process, the Task Force will present a report and a series of recommendations on the role of women in this archdiocese. These will be submitted to Archbishop Weakland for consideration and implementation.

Place and time of next sessions:

St. Mary Parish, Sheboygan Falls, April 21, 7-9 p.m.

St. Francis Cabrini Parish, West Bend, May 5, 7-9 p.m.

Plays and Musicals to Highlight County 4-H Music and Drama Festival

Seven plays and 12 musicals will be presented by 4-H clubs at the 4-H Music and Drama Festival. It will be Sunday, April 18, at 1:30 p.m. at the University of Wisconsin Washington County Theater. The public is invited.

Clubs that will be presenting plays or skits include: St. Lawrence Eager Beavers, Jr. Hi-Lite Happy Workers, Badger Boosters, Bender Badgers, Thompson Irish Settlers, B-Mer-E and Kewaskum 4-H'ers. The 4-H clubs that will be presenting musicals include: Addison Achievers, Badger Boosters, Good Luck, Kirch-hayn Trotters, Jr. Hi-Lite Happy Workers, St. Lawrence Eager Beavers, Be-Mer-E and Bender Badgers. 4-H clubs from all over Washington County participate in this annual event. The festival is a presentation or a gift to the community.

The festival also provides an opportunity for youth to learn to work together. For some of them this may be the first time they have participated in a music or drama presentation. For some of the others it may be a continuation of experiences they had in school or in previous years in the 4-H program. It's an opportunity for them to use their creative talents. Some of the presentations are original, having been written by the group. Others are adaptations

of written plays or musical scores. We hope you will enjoy them.

A dress rehearsal was held in preparation for the public show. At the rehearsal an evaluator watched the groups perform and then had a mini workshop with each group to point out to them how they could improve their work. Professor Peter Ayer of UWWC evaluated the musical group and Nancy Mason of West Bend evaluated the plays. Mrs. Dolores Bruni of West Bend is the coordinator for the county 4-H Music and Drama Festival.

Name Schlaefer County Leader In Fund Appeal

Leo F. Schlaefer of West Bend has been appointed Washington county district leader for the 1982 Catholic Stewardship Appeal of the Archdiocese of Milwaukee. He will be responsible for organizing and directing the April 18 - May 18 fund appeal in the 21 parishes and missions of the county.

Schlaefer of 1350 Bobolink Lane will be leading the appeal for the 12th straight year. He is a member of Holy Angels parish.

Msgr. Joseph P. Springob of Milwaukee, general chairman of the campaign has announced a record \$4,750,000 goal for the 1982 effort. This is only five and a half percent higher than last year's goal of \$4,500,000.

The 1981 campaign went

\$81,000 over the top with contributions from 116,364 donors, almost 2,000 more contributors than in 1980.

According to Gerald M. Schaefer, Director of the Archdiocesan Office of Development, funds raised in the appeal cover three principal areas of ministry in service to the people of the archdiocese.

CHRISTIAN FORMATION - including all aspects of education, especially the seminaries and Catholic schools; but also covering such things as programs for confirmation in parishes, adult education, family ministry and campus ministry.

HUMAN CONCERNS - including support programs for the poor and neglected, the lonely, the disabled, minorities, and ministry to the separated and divorced, persons with special family problems and other hurting people.

WORSHIP - aiding various liturgical efforts, including the televised Mass for shut-ins; and helping individual parishes in planning for liturgies either by direct assistance or by providing special training seminars and workshops for parish ministers.

There are 33 offices, agencies, and programs serving the ten-county archdiocese which are funded largely by the Appeal.

Births

FOCHS - A son to Randall and Debbie Fochs, R. 1, Hwy. 67, Campbellsport, Monday, April 5.

DEL PONTE - A daughter, Trisha Esther, to Mr. and Mrs. George Del Ponte, Route 3, Campbellsport, Wednesday, April 7.

TUNE-UP NO. 2

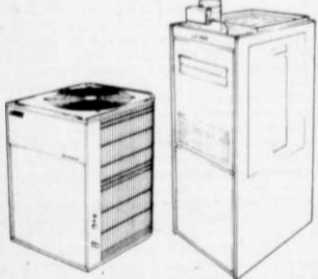

A tune-up to most drivers means servicing the spark plugs, points and maybe the carburetor. But tuneup means much more than just the ignition system. There's the auto's cooling system that should be checked and tuned from time to time. The radiator, hoses, thermostat, belts, water pump and even that lowly piece of equipment, the radiator cap. This cap can create havoc if it isn't right. Any of these can cause damage to the whole engine if not functioning properly.

J & J AUTO SERVICE is a complete auto servicing center, repairing and maintenance is our business. Try us at 450 E. Main and you will be pleased with our methods.

Sixty degrees Fahrenheit is a good temperature for restful sleep.

IN MEMORY

In loving memory of our dear husband, father and grandfather, Armin Oppermann, who passed away seven years ago, April 19, 1975:

Like fallen leaves the years slip by
But loving memories never die;

A silent thought, a secret tear
Keeps your memory ever dear.

Sadly missed by the family.

THANKS EXPRESSED

Sincere thanks to all who remembered me with cards, gifts, flowers, visits and phone calls while I was a patient at St. Joseph's Community Hospital, West Bend, and convalescing at home. Special thanks to Dr. R. Estrella and the second floor nurses.

Your thoughtfulness was appreciated.

Bev Gagner

THANK YOU

I wish to thank my grandchildren, relatives, neighbors and friends for the cards, gifts, visits and phone calls while I was a patient at the hospital. Special thanks to Dr. Listwan, the nurses and Rev. Lindau.

These acts of kindness will always be remembered.

Fred Meyer

A NOTE OF THANKS

I would like to thank everyone for their visits, phone calls, gifts, flowers and cards while I was a patient at St. Joseph's Hospital, West Bend, and recuperating at home.

It was greatly appreciated.

AN ORDINANCE ANNEXING CERTAIN LANDS TO THE FIRST WARD OF THE VILLAGE OF KEWASKUM WASHINGTON COUNTY WISCONSIN

WHEREAS, a Petition for Annexation has been filed, which petition has been signed by all of the owners of the real property residing in said premises and there are no electors or population residing in said territory, and

WHEREAS, proof of mailing to the Town Clerk of the Town of Kewaskum, Washington County, Wisconsin, the Village Clerk of the Village of Kewaskum, Washington County, Wisconsin, and the State Director of Planning, Department of Local Affairs, Madison, Wisconsin, has been filed, and

WHEREAS, it is determined that said Petition was signed by all of the owners of all of the real property in the territory proposed to be annexed and there is no current population living within the boundaries of said proposed territory.

NOW, THEREFORE, THE VILLAGE BOARD OF THE VILLAGE OF KEWASKUM, WASHINGTON COUNTY, WISCONSIN, does ordain as follows:

SECTION I. That the following described property be and is hereby annexed to the Village of Kewaskum, Washington County, Wisconsin, and detached from the Town of Kewaskum, Washington County, Wisconsin, to-wit:

That part of the Southwest Quarter of the Southwest Quarter (SW 1/4 SW 1/4) of Section Three (3), Town Twelve (12) North, Range Nineteen (19) East, Washington County, Wisconsin, bounded by a line described as follows:

Commencing at the Southwest corner of said Section 3, being also the Northwest corner of Section 10, and being located at Wisconsin State Plane Coordinates 561,976.97 North, 2,471,863.81 East; thence North 87 degrees 15 minutes 53 seconds East (Wisconsin State Plane Coordinate System Grid Bearing) along the South line of the Southwest 1/4 of Section 3, a distance of 198.00 feet to the centerline of County Highway "S", being the point of beginning of the land herein described; thence North 16 degrees 32 minutes 40 seconds west, along the centerline of County Highway "S", a distance of 0.56 foot; thence North 86 degrees 57 minutes

35 seconds East, 876.03 feet; thence North 88 degrees 28 minutes 42 seconds East, 246.27 feet to a railroad spike in a maple tree marking the Northeast corner of Lot 12 of Block 44 of the ASSESSOR'S PLAT OF THE VILLAGE OF KEWASKUM, being also on the South line of the Southwest 1/4 of said Section 3; thence South 87 degrees 15 minutes 53 seconds West, along the South line of said Quarter Section, 1122.10 feet to the point of beginning.

SECTION II. That said territory described in Section I hereof shall be attached to the First Ward of the Village of Kewaskum.

SECTION III. This Ordinance shall be in full force and effect from and after its passage and publication.

AN ORDINANCE TO REPEAL AND RECREATE CHAPTER 16, SECTION 2.01 AND 2.02 OF THE MUNICIPAL CODE OF KEWASKUM, WISCONSIN. (Relating to the USER CHARGE on sewer service.)

THE VILLAGE BOARD OF THE VILLAGE OF KEWASKUM, WASHINGTON COUNTY, WISCONSIN, DO ORDAIN AS FOLLOWS:

User charges for fiscal year 1982 in the Village of Kewaskum, WI

Section 2.01 of the Municipal

Code of Kewaskum, Wisconsin, is repealed and recreated to read as follows:

2.01 The unit costs for sewer service charges are as follows. For operation, maintenance, replacement and debt service.

(INDUSTRIAL)

Volume charge = \$740.00 per million gallons. BOD charge = \$ 0.18 per pound. Susp. Solids charge = \$ 0.25 per pound.

Section 2.02 of the Municipal Code of Kewaskum, Wisconsin, is repealed and recreated to read as follows:

2.02 Residential and Commercial users of the sanitary sewers who discharge wastewater are assessed a single rate per 1,000 gallons determined from the unit costs in 2.01. The BOD and SS concentrations used to calculate the BOD and SS charges are the average concentrations contributed by this class during the previous year. For 1982 rates, a BOD concentration of 216 milligrams per liter and a SS concentration of 188 milligrams per liter was used.

The total user charge for this class in 1982 is determined as follows:

Volume of flow,	
per 1,000 gallons	= \$0.74
BOD = 0.001 x 8.33	
x 216 x \$0.18	= \$0.32
SS = 0.001 x 8.33	
x 188 x \$0.25	= \$0.39
	\$1.45
	per 1,000

County 4-H Saddle Club Will Attend Midwest Horse Show

The 1982 National Youth-Leader Horse Symposium being held in conjunction with the Annual Midwest Horse Fair is anticipated to be the largest ever. The Symposium is sponsored by the National Horse and Pony Youth Activities Council and will focus on the involvement and importance of youth to the horse industry. This combined activity will be held April 17-18, 1982 at the Dane County Expo Center in Madison. The Washington County 4-H Saddle Club is scheduling a bus to the Fair on Saturday. For information call Cindi Hoffmann, 677-2003.

The Symposium presentation will be offered continuously as the Horse Fair program is taking place. Confirmed speakers for the Symposium includes equine leaders in education, industry, recreation and extension sources from Midwest States, in addition to New York, Kentucky, Texas and Idaho. Youth Directors from several national breed associations will be participating to explain their respective Youth Activities Program and to promote interest in their breed of horse or pony.

Lectures and demonstrations of particular interest to youth will be given.

The Fair will feature various riding styles, working horse activities, drill teams, driving and a host of other horse demonstrations. The exhibits by

retailers, wholesalers, manufacturers, service organizations and educational establishments has expanded beyond expectations. A Fashion Show is scheduled for both days in the Forum and the Parade of Breeds in the Arena. A Horse-shoeing Contest is to begin at noon on Saturday.

Wisconsin Governor Dreyfus has proclaimed the week of April 12-18, "Wisconsin State Horsemen's Week." The week has been designated to acknowledge the special contribution of the horse industry to the state of Wisconsin.

BOB NIGH MEMBER OF UNIVERSITY GOLF TEAM

Bob Nigh, a graduate of Kewaskum Community High School, and a sophomore at the University of Wisconsin-White-water, is a member of the men's intercollegiate golf team roster at the university for the spring 1982 season.

Camping in State Parks Hits New High

Camping in Wisconsin state parks and southern forests reached a new all-time high in 1981 with more than 1.5 million camper days recorded. That's an increase of more than six percent over the previous record of 1.4 million camper days in 1976.

Devil's Lake State Park recorded 216,000 camper days last year followed by Peninsula State Park with slightly over 200,000. The largest percentage increase in camping use over 1980 (21%) occurred at Peninsula.

The Southern Unit of the Kettle Moraine State Forest had the most recreational visitations in 1981 exceeding the 1.4 million mark. It was followed by Peninsula with over 1.2 million visitations and Devil's Lake with just under 1.2 million.

Dave Weizenicker, Director of State Parks, said "We are happy to note that more and more citizens are using and enjoying their state parks and forests."

Overall, state park use in 1981 was up about two percent over 1980 with more than 10.7 million visitations recorded. This was the second highest year of general park use, exceeded only by the 1976 figure of more than 10.9 million visitations. Weizenicker said he expects the trend of increased park use to continue because of the fine outdoor recreational opportunities available in those state facilities.

Lakes Awards Banquet April 21

LAATSCH ALL-LEAGUE

The annual awards banquet for the Land o' Lakes Basketball League will be held on April 21 at the D & G Club in Port Washington at 7:30 p.m.

The Rev. Paul B. Doedens, pastor of Crossroads Presbyterian Church in Mequon will give the invocation and benediction at the banquet. Rev. Doedens will also present the sportsmanship award to Jeff Kroneberg of Sussex.

Master of ceremonies will be Jake Oelhafen, commissioner of the league. Tickets are available from the managers or the commissioner.

The guest speaker will be David J. Fink, head basketball coach at Carroll College of Waukesha. Fink is well known in the Land o' Lakes Basketball League as an outstanding player with the Hartford City Team for many years.

First place and grand champion award will be presented to Menomonee Falls Badgers of the "A" Division and the second place award to Menomonee Falls Stingers of the "A" Division.

First place and the championship of the "B" Division will go to Hartford and second place award in the division to Slinger.

The scoring champion award will be presented to Leon Laatsch of Kewaskum, manager of the year award to Pete Hauser of Hartford, most valuable player award to Jim Riehle of Menomonee Falls Badgers, league meritorious award to Don Hebbing of Menomonee Falls Stingers, commissioner's award to Bill Backhaus of Kewaskum, and the scorekeepers award to Paul Eilbers of Cedarburg.

The all-league team awards will be presented to Dale Magedany, Jim Riehle and Bob Wolf of Menomonee Falls Badgers, Dan Hackbarth of Menomonee Falls Stingers, Robb Sutherland and Steve Van Dyck of Cedarburg, Kevin Lemon of Port Washington, John Sibley of Oconomowoc, Randy Miller of Hartford, Leon Laatsch of Kewaskum, Dan Heim of Mayville and Dan Doedens of Thiensville-Mequon.

Workshops Planned To Discuss Kettle Moraine State Forest

You are invited to one of three Citizen Participation Workshops being conducted to discuss the Kettle Moraine State Forest. The dates and locations for the workshops are as follows:

State Fair Park, Milwaukee - April 20, 7:30 p.m.

Palmyra High School, Palmyra - April 21, 7:30 p.m.

Campbellsport High School, Campbellsport - April 22, 7:30 p.m.

These workshops are being structured as positive work sessions where all participants will have an opportunity to present issues they feel should be addressed in planning for the future of Kettle Moraine. Please come prepared to contribute input you feel could assist planners, but do not come with the idea of using the workshop as a soapbox to vocalize your frustrations. It is our concern that all participants are allowed to present their issues.

The goal of the workshops is to develop a comprehensive list of issues and concerns relative to the future of Kettle Moraine State Forest. Information from the workshops will be combined with data gathered from other sources and compiled into a report. This final report, along with recommendations from University researchers, will be forwarded to the Wisconsin Department of Natural Resources. Planners will then use the information in the development of a master plan for both units of Kettle Moraine.

In addition to the workshop sessions, there will be a brief report on the progress of the study. We will present the preliminary results of analysis performed on the questionnaires which have been returned. If you completed a questionnaire and returned it to us, thank you! If you have not returned the questionnaire, please do so. Your input is very important.

See you at the workshop!

It takes you thirty minutes to reach a level of deep sleep.

JUNIOR LEAGUE BOWLERS RAISE \$1800 FOR MS

Over \$1800 was raised by junior league bowlers at Fracaro's Lanes in Waukesha during a recent bowl-a-thon. Bowlers used their talents to raise for the Southeastern Wisconsin Chapter of the Muscular Dystrophy Association.

Awards and prizes were issued to all participants. Top money raisers include: Steve Kalaman, 830 School Drive, Waukesha with \$198.70; Mike DeLany, 1819 Jefferson Avenue, Waukesha with \$213.81; and the overall top money raiser, Brian Heimark, W237 N629 Oakridge Drive, Waukesha who brought in \$250.08.

The money collected from the Fracaro's Lanes Bowl-a-thon is put to use in southeastern Wisconsin by supporting extensive research into the cause and cure of neuromuscular diseases, as well as, providing patient services to the people suffering from these diseases.
