New Water Rates Start July 1

By GERRY MUELLER
Statesman Staff Writer

As of July 1, Kewaskum Village residents will see a 33% increase in water rates as approved by the Public Service Commission hearing on April 27.

Village Administrator Dan Schmidt noted the PSC has granted the increase so the village could realize a reasonable rate of return (8%) for operation and maintenance of the utility plant. Schmidt said, however, that since the new rate will not go into effect until the third quarter, the increase will probably result in a break-

even situation. Previous rates have seen the Water Department still running in the "red."

New minimum quarterly charges will be \$8.60 for most residential meters, up \$1.60 from the present \$7.00 per quarter. The commercial meter rates will run between \$17.00 and \$710.00 per quarter, depending on meter size.

Volume charges will be, minimum charge for the first 5,000 gallons used each quarter, the next 45,000 gallons per quarter will be 51c per 1,000 gallons, the next 450,000 gallons a quarter - 45c per 1,000 gallons, the next 3,500,000

gallons each quarter at 37c per 1,000 gallons and over 4,000,000 gallons per quarter, 23c per 1,000 gallons.

"The PSC recommends we come in next April for another increase," said Schmidt, "however, any increase at that time probably would not go into effect until 1984. This rate (July 1st) should be in effect for a year and a half," said Schmidt.

Water bills received by residents for the second quarter ending June 30th, will be figured at the old rate. The new increases could have been put into effect immediately, but

School Tax Levy Increase of 4-5% Part Of Budget Proposal to Go Before Board

A total tax levy increase of between 4 percent and 5 percent will be part of the budget proposal to go to the Kewaskum Board of Education on Monday, May 24. Since there has been at least a small amount of new building, the average property taxpayer should see an increase slightly less than that percent, although the actual amounts will vary because of assessment changes.

In the past few years, homeowners and others have seen increases larger than the general increase because certain business property was gradually being removed from the tax rolls. This caused a greater percentage of the school tax to be levied against the

homeowner. That process was completed last year, so homeowners should no longer be feeling the effects of that change.

Proposed spending in those categories (general fund and debt service) which effect tax levies will increase under the proposed budget by 7.2 percent. The general fund goes up 7.8 percent while debt service retirement goes down 1.2 percent. A few months ago, board members had suggested increases ranging from 7 to 8½ percent.

There is one large segment in the budget which remains unknown, and that is teacher salaries and fringe benefits. While certain increases were

calculated for budget purposes, those could change through negotiations. Since the contract is not yet settled for 1981-82, 1982-83 figures are based on a number of unknowns.

Final tax levies are affected a great deal by what the state legislature does with school aids. In addition to the state aids which go directly to schools, there are additional school aids which go to the municipality for school property tax relief. These latter aids began last year and are not included in the calculations which are given above.

As in previous years, the budget being proposed has already been pared considerably. This year, over \$150,000 was cut from original requests which were submitted to the central office. In the budgeting process, all staff requests are computerized. Once totals are available, principals are asked to reduce dollar amounts as required by figures developed by the superintendent and business manager. Other cuts are made by the superintendent and/or business manager directly. The results of this process are presented to the board for consideration.

Kewaskum budget increases begin from a lower base since per-pupil spending is well below that state average. The 1981-82 state average spending per pupil was \$550 or 21 percent above the Kewaskum figure. Using a comparison cost, which excludes facilities acquisition and remodeling, pupil transportation, food services, debt service and community services, the state average figure is \$615 or 30 percent above ours. These figures come from the Public Expenditure Research Foundation.

Athletic Director's Ball Now In Administration's Court

By GERRY MUELLER
Statesman Staff Writer

After almost an hour's lively discussion, a foregone conclusion on the part of many people was confirmed. The Athletic Director's position, as such, was virtually eliminated.

At Tuesday night's special school board meeting, member Tom Brigham again moved to place the athletic director's duties on the administration's shoulders. However, this time Brigham did not specifically single out high school principal Clark Pearson or assistant principal Roy Esser for the job. "I move that the superintendent, in consultation with his staff, decide which administrator be the athletic director and that the athletic director or his designee be required at 'home' events," stated Brigham. The motion was seconded by member Ralph Horner.

Noting that Dave Wietor indicated responsibilities of the position could run two to three hours a day, Brigham said, "assigning the position to an academic person might crimp or hinder the responsibilities this person has in the academic program." Brigham felt the administrators had a more flexible schedule with more free time which would allow for the

necessary time needed to handle these duties.

Board member John Tessar replied, "I'm kind of surprised at your recommendation Tom, because every time in the past that Mr. Brenholt made recommendations this board turned them down. Now you come along and say, let's put the burden on Floyd. You're really not putting any burden on except you're getting us off the hook because we couldn't decide. Three times last week we had a tie vote so you're really not coming with any new recommendation whatsoever. You're saying it's either going to be the principal or vice principal." Brigham stated not really that there was Mr. Reha and Mr. Larsen. "That's ridiculous," said Tessar, "going to the middle and grade school to run the high school."

Board member Jean Goeden then stated, "the idea is if you're going to give the job to Mr. Brenholt already you can see with the election, that probably Mr. Borch isn't going to have a job, now you're going to saddle him (Brenholt) with another job in another year? Because next year, if Mr. Borch isn't here, Mr. Brenholt will have to do that job plus athletic director."

Set Dates for Sale of Beach Passes, Swim Instruction

The Beach at the Kewaskum Kiwanis Community Park is scheduled to open May 29. Swim passes and sign up for swim instruction will take place Tuesday, May 25; Wednesday, May 26, and Thursday, May 27, from 4:00 p.m. to 7:00 p.m. Additional sign up dates and times will be noted in the paper next week.

The swimming fees for season passes are as follows:

Resident youth (17 and under) — \$6.00.

Non-resident youth (17 and under) — \$12.00.

Resident adult (18 and over) — \$8.00.

Non-resident adult (18 and over) — \$16.00.

Resident Sr. Citizen (62 and older) — \$5.00.

Non-resident Sr. Citizen (62 and older) — \$10.00.

Resident Family (2 adults and children 17 and under) —

\$20.00.

Non-resident Family (2 adults and children 17 and under) — \$40.00.

SWIMMING NOTES

Swim lessons are free with resident season passes.

Swim lessons for non-residents are free only to family season pass holders and are \$3.00 with a youth, Sr. citizen and adult season pass.

All people desiring to take swim lessons must have a season pass of sorts.

All season passes can only be purchased at the K.K.C. Park.

All individuals purchasing a season individual pass, will receive an I.D. card, which requires the individuals picture, so all family members are required to be present for registration.

If at any time an individual needs a replacement I.D. card, a fee of \$1.50 will be charged.

at the LOG CABIN which is located adjacent to the Museum at 1202 Parkview Drive. The open house festivities will continue until 4:00 p.m. The ladies of the society will be serving free refreshments all afternoon.

The Log Cabin completion marks 2 years and 9 months of work by the Kewaskum Historical Society, Inc. The Log Cabin was totally disassembled from Brazilton Drive in the Town of Scott, where Mrs. Lily Otto was born in 1892. Mrs. Otto still resides on the farm with her daughter and son-in-law, Mr. and Mrs. Roy Reysen. The primary donors of the log cabin are Mr. and Mrs. Marshal Reysen and Mr. and Mrs. Orville Reysen.

The log cabin will be furnished with original antique furnishings of the period. The maker cabin manufacturer will furnish assorted signs, shoemakers shop and miscellaneous items. The existing museum will reflect some changes, an enlarged library-music room and an enlarged doctor's office.

The Society is hopeful you will join us for this afternoon of history making and fun.

Jaycees Outstanding Young Farmer

Gary Schladweiler has been chosen as this year's recipient of the Kewaskum Jaycees Outstanding Young Farmer Award. Gary was presented with a plaque at the FFA banquet held on May 6, at the Amerahn Hall. Gary, along with his wife Doris, farm 125 acres and rent another 195 acres for a total of

320 acres. They have their farm in a conservation plan that supports a 65 cow milking herd. A large addition has been added to the dairy barn to house this herd. They are members of St. Michael's Church and Gary is a past member of the Boltonville Fire Department.

The Jaycees would like to acknowledge all farmers and recognize the large impact they have on the Kewaskum area. Shown in the photo (l to r) are Doris and Gary Schladweiler and Gary Panzer representing the Kewaskum Jaycees, presenting the plaque to Schladweiler.

Scott's Third Application for License Denied

By GERRY MUELLER
Statesman Staff Writer

Ralph Scott, owner of the tavern at 1310 Riverview Drive, made his third attempt at obtaining a bartender's license from the village board.

Scott, along with his attorney Richard Zaffiro, again presented his argument for being granted a license. This time armed with a petition containing 90 signatures of people who were in favor of the village granting the permit.

Trustee Dave Nigh stated, "I notice that on that list of names only one signature was from the immediate area, some are not even from town." Scott stated he had a second petition circulating in the Riverview area, but had not gotten it back for presentation at the meeting. Trustee Paul Blumer said, "I personally would like to have seen some of his neighbors on the list, since this is where it all started. The names I'm looking for are the 25-30 who were here for the meetings. I don't see any of those people here."

The board felt Scott had not provided any additional or new evidence to change their decision. The board voted 6 to 0 to again deny the license. Blumer abstained from the voting.

By the time Mozart died at age 35, he had written 600 operas, operettas, concertos sonatas, serenades, motets, masses and other types of classical music.

pool. Dan Schmidt stated that the village had 92 applicants for the 20 summer employment positions open in the various village departments. Stollenwerk said the municipal office had received some complaints from parents whose children were not hired for a summer job. "I would like to make it clear that the Village Administrator is not the individual who hires people, it is done by the board," said Stollenwerk.

Augie Bilgo told the board that the Kewaskum Fire Department will host a Flammable Liquids School at the village's landfill site on Saturday.

Approximately six community fire departments will be attending. Bilgo stated residents should not become concerned if they see periodic clouds of black smoke in the sky to the west. The departments will be practicing new techniques under the instruction of Bruce Johnstone from MPTI-Fond du Lac. Bilgo noted this is not open to the general public and asked that residents stay away from the area.

The board then adjourned to closed session on the Scott Tavern license litigation.

Schmidt felt the added revenue would not justify the additional work and cost of daily pro-rating on each bill.

The board reviewed a flyer which will be sent to all residents regarding refuse collection. Village Trustee Dick Schmidt informed the board that he had been approached by several individuals regarding the once-a-week garbage collection. He wondered whether a dumpster could be placed at the plant so village residents could deposit refuse between collections. The board felt this could result in problems

such as garbage being stacked up by the gates. Someone commented, "ending up looking like a Salvation Army Collection box after the weekend."

Public Works Superintendent Augie Bilgo stated, "I don't know why it should be a problem when all the communities are doing it. You can go anywhere within a 40-mile radius, there isn't a community that is not on a once-a-week collection schedule," said Bilgo. Bilgo felt if the garbage is properly wrapped and put into a covered container, there should be no odor problems.

In other action, Village President Gerald Stollenwerk proclaimed May 29th, as Kewas-

kum Historical Society Day, in recognition of the society's many projects and services done through the volunteer efforts of its members. The highlight of the day will be the grand opening at 1:30 of the authentic log cabin which the society has been working on for almost three years.

Dan Schmidt gave a brief report on the financial status of the village for the year ending December 1981. Actual revenues in 1981 were \$854,616.49, with expenditures of \$822,820.14, resulting in a surplus of approximately \$31,800. Schmidt also informed the board that a review of the village's assessment statement shows that the village's

School Board

(Continued from Page 1)

Theusch questioned whether Brigham's motion was because of economics. "No, because Mr. Wietor said there was not enough time," said Brigham. "How can he have enough time when we cut 10 days from his contract," stated Tessar. Theusch said, "if he was over-worked with the days he had, why did we cut him more?" Wietor noted he had no release time as recommended for Miss Vesper. "Many times I worked over my lunch hour and evenings at home. I didn't feel the financial rewards and time away from my family were worth it."

One citizen felt the board should hire an athletic director, noting some schools have a full-time athletic director costing thousands of dollars. "At \$600.00, we're getting away cheap," he said. "That's what our administrative staff has been trying to tell this board and the public all along, we're working with 15% less staff than other schools our size," said Theusch.

"I understand Mr. Spoerl called this meeting," said Theusch, "yet Tom made the motion. I would think that you called the meeting (Spoerl) and you would have come in with your own motion." Spoerl said he had no recommendations or anything to say. He called the meeting to see if another board member could come up with a solution to settle the problem.

Tessar questioned Brenholt on what would happen if this motion went through. Brenholt noted the chances were very good a grievance would be filed by the teachers association.

"I personally go along with giving the job to Miss Vesper, it will cost the taxpayers less than 15c a year," said Tessar.

Goeden asked how much it would cost the district if a grievance claim was made. Brenholt felt anywhere from \$300 to \$400. "Then I would rather spend that money to hire Miss Vesper as athletic director," said Goeden. "We'll have to spend the money either way and I'd rather pay it to her."

Gerald Buchel, a private citizen, asked Brigham to rescind his motion, "because assigning the job to administration doesn't allow for continuity or stability in the athletic program."

Brenholt commented that there was too much emphasis put on night activities. "There's a lot of daytime activity and I don't think you can take day time away from Clark or Roy," said Brenholt. A student in the audience agreed with Brenholt's statement. "I don't see how you can take time away from Mr. Pearson or Mr. Esser, when some days it takes 45 minutes to an hour waiting outside their offices just to get a signature or talk to them now," said the student.

Theusch confronted Brigham, "Tom, I wonder if someone at U-W would tell you your responsibilities doubled, your hours were doubled, but your pay was not, how would you feel?"

The board voted four to three to assign the athletic director duties to the administration without any added wage com-

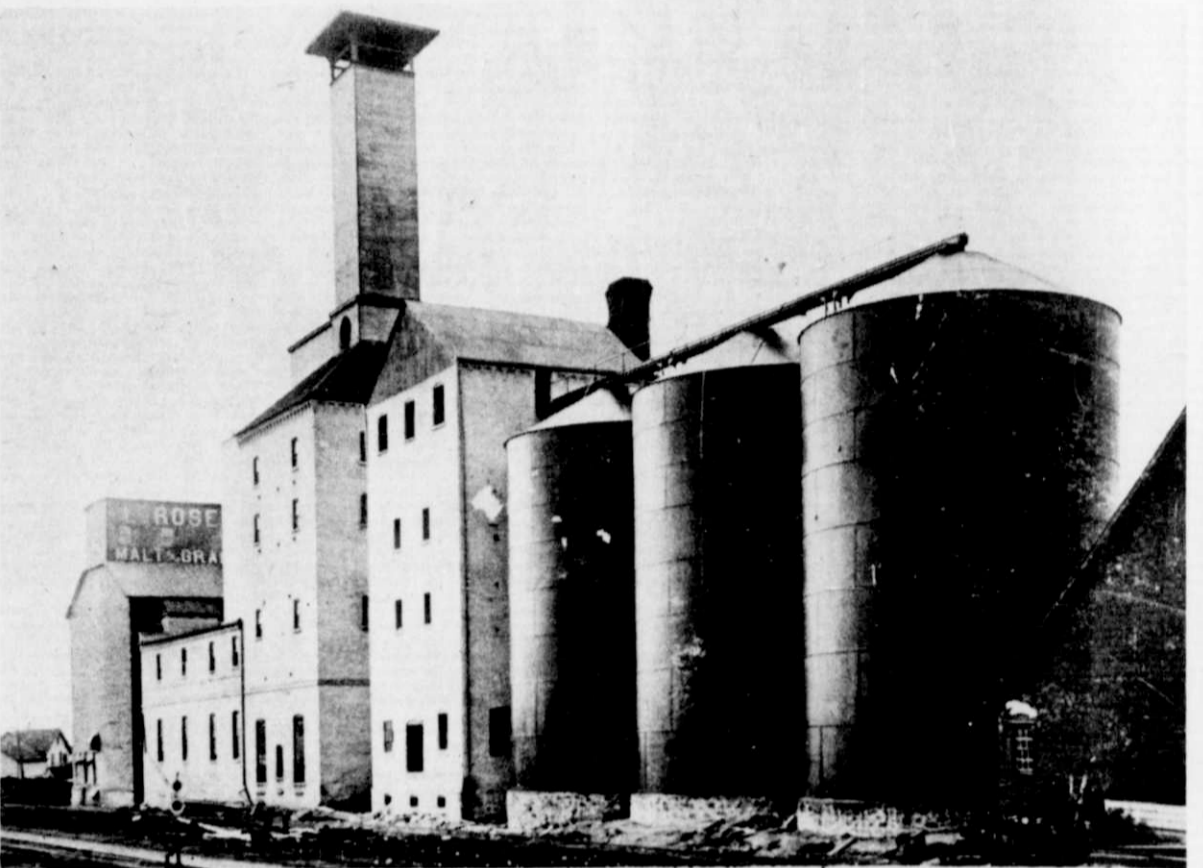

pensation. Brigham, Spoerl, Ogi and Horner voted for, and Goeden, Tessar and Thuesch voted against the motion.

Brenholt then recommended that Vesper be assigned to help whoever was assigned the position so the administrative staff would not be required to give up some of the time during the day. She could handle some of the duties assigned and help things along.

Goeden motioned to hire Jane Vesper as assistant director to assist the administration "at the salary we are paying at the present time or what is called for in the new contract." President Ogi told Goeden her motion was out of order because it was not on the agenda. She then asked that her motion be placed on the next school board agenda. "We don't even have to discuss it at the next meeting, we know how the vote is going to go," said Theusch.

Tom Brigham also recommended to Ogi that a committee of board members and administrative staff be formed to study policies for discussions and conducting business at school board meetings. They could then make a recommendation to be considered as board meetings. They could then make a recommendation to be considered as board policy. Karen Mathes, from the audience, suggested Ogi include some private citizens on the committee, noting that taxpayers have a stake in this decision also. The audience told Brigham the board could not vote on his recommendation either because it was not on the agenda.

Theusch then stated, "I am again officially resigning from the transportation committee." Diane Buchel to Theusch, "You can't, it's not on the agenda." The audience laughed in agreement. "Then put it on the

DNR Payments in Lieu of Taxes Sent To Townships and Municipalities

Recently 764 Wisconsin towns and municipalities with property managed by the Department of Natural Resources within their boundaries received checks from the DNR totalling \$1,005,269 on 1,078,533 acres in 71 counties.

The payments, in lieu of taxes on state-owned lands, were made in accordance with state statutes on lands classified as State Forest lands, Game Management lands, Fish Management lands, Park Lands and Central Wisconsin Conservation area leased lands.

The payment scheduled which determines how much the DNR pays each town and municipality is lengthy and complicated, but essentially results in a payment of at least 50c per acre.

The payments were made

LIBRARY CLOSED MONDAY, MEMORIAL DAY; SUMMER SCHEDULE ANNOUNCED

The Kewaskum Public Library will be closed Monday, May 31, in observance of Memorial Day.

Summer hours are Monday, 2:00 to 8:00 p.m.; Wednesday, 12 noon to 8:00 p.m., and Friday, 2:00 to 8:00 p.m.

The library will not be open Saturday mornings from June 5 to September 11.

from funds provided by the Outdoor Recreation Action program (ORAP).

The payments are made to reduce the impact on local property taxes when the state acquires land which is removed from the tax roll.

Special Meeting of Board of Education

A special meeting of the Kewaskum Board of Education will be held on Monday, May 24, 1982. Beginning at 8 p.m., the meeting will be held in the Kewaskum Middle School.

Consideration of the proposed 1982-83 budget will be the major item of business. Based on a number of decisions made earlier by the board, the budget anticipates a property tax levy increase of 4% to 5%.

Other business will include a report on the gifted and talented program, appointment of a delegate to the CESA convention, a teacher aide/assistant to work with a special education student during the summer, replacement of lights in the old gym, a policy on support staff absences and payroll and vouchers payable. Miscellaneous items which arise will also be discussed.

Cub Scout News

The April pack meeting of Kewaskum Cub Scout Troop 3744 was held Monday, April 26.

The following boys received awards: Kevin Ramthun - Wolf Badge, Gold and one Silver Arrow; Kim Marx - Gold and one Silver Arrow under his Wolf Badge; Mike Kocher, Curt Ammel, Jeff Sabish and Brian Heller - one Silver Arrow under their Wolf Badge.

Webelos James Kudek, Doug Geidel and Noel Stradtman received their Engineer and Showman Badge; Joel Miller and Jeff Everetts received their Showman Badge, and Charles Walls received his Engineer Badge.

Boys were given poster board to do a poster on pollution. These are to be returned for judging at the May pack meeting.

The May pack meeting will be May 24, at 7:00 p.m., at the Kewaskum Middle School. This meeting will be our Spring Round-Up. Any boys between the ages of 8 and 11 interested in joining scouts are invited to attend with their parents.

As always, there is also a need for adult volunteers. Cub Scouts is a family oriented group, parents should play an important part in the advancing of the boys.

Sensenbrenner Sets Town Hall Meeting For County Residents

Ninth District Congressman Jim Sensenbrenner will hold a "town hall" meeting for Washington County residents on Saturday, May 22, from 10:00 a.m. to 12:00 noon in the Washington County Court House, which is located at 432 E. Washington Street in West Bend.

For the first hour, Sensenbrenner and area state legislators will respond to audience questions and comments on national and state issues.

Beginning at approximately 11:00 a.m., Sensenbrenner will meet with persons seeking help for problems they are having with federal agencies, or seeking information or copies of government publications.

The public is welcome.

Homemakers Meet

Our March meeting was held at the home of Peggy Volm. We had the opportunity of having Center Chairman Pat Haferman attend and speak at our meeting. Everyone brought two bakery items to be auctioned off

at this meeting. The money made will go to Pennies for Friendship. The door prize was won by Carol Butzlaff.

The April meeting was held at Janet Meyer's home. Some of our summer outings were planned. We also planned to have all members attend the American Dairy Association's demonstration in May at the high school.

Members should plan to bring a rummage sale item to the next meeting. The door prize again went to Carol Butzlaff.

CAMPUS NOTES

A student from Kewaskum has been awarded class honors for the 1981-82 academic year at Carroll College, Waukesha.

Class honors are awarded to students with a minimum grade point average of 3.5 and on 4.0 scale cumulatively and in work at Carroll.

He is David E. Dean, a sophomore accounting major, son of Mr. and Mrs. Paul Dean of 1306 Roseland Drive, Kewaskum.

Indian Booster Club News

On Wednesday, May 26, the Kewaskum Indian Booster Club will meet to finish business for school year 1981-82. There will be a Board meeting at 7:00 p.m., followed by the regular meeting at 7:30. We would like to thank all those people who worked hard all year to make all our activities a success. We would especially like to commend those who worked on the Activity Banquet and made it such a grand evening.

Following reports from all committees, we will have election of officers for next year. If you have kids in high school or middle school now or will next year, come to join us and find out what we have in store for next year. Without parents who are willing to be Boosters, this club could not exist. We need YOU!

Community Rummage Sale at Kewaskum Mall

The Kewaskum Mall, 927 Fond du Lac Ave., is holding their first annual community rummage sale on Saturday, May 22, beginning at 7:00 a.m. There are 32 reserved areas spoken for to sell rummage, antiques or crafts.

Kennelly Pharmacy is having a sidewalk sale with many bargains outside and inside the store. There will be hundreds of items at 1/2 price.

As an added attraction Shop Rite Food Store is offering a hot dog and soda for 25c along with their regular grocery specials.

ASPIRIN

If you take aspirin, chew or crush the tablets before swallowing, advises Dr. M.I. Blake of the U. of Ill. College of Pharmacy. Aspirin is most apt to cause bleeding if large particles contact the stomach lining. Dr. Blake suggests the crushed aspirin be taken suspended in orange juice, to replace vitamin C which aspirin tends to extract from the human system.

Kewaskum Special Olympians Head for State Meet

SPECIAL OLYMPICS TEAM — Front row [l to r]: Julie Morgan, Joan Bath, Jean Wiesner, Jim Paulsen, Joanne Stautz. Back row: Mike Busse, Rick Holl, Stacy Mueller.

Again Kewaskum's Special Olympics team "did their coaches proud" at the Spring Meet, held Saturday, May 8, in Kohler, Wisconsin.

Of the eight Kewaskum representatives coached by Mrs. Kathy Charland, Mrs. Jeaneen Kudek and Mrs. Diana Glick, six placed "first" or "second" in their event making them eligible for the State Meet to be held at Stevens Point in June.

Several of the youngsters will represent the district in two events. Joanne Stautz took "second" in the standing long

jump. Jean Wiesner received a first in a long jump and second in the 50 meter dash. Stacy Mueller received a first in both the 50 meter dash and softball throw. Mike Busse was first in softball throw, third in the dash. James Paulsen got a first in softball throw, third in the dash. Julie Morgan received third in standing long jump, and Joan Bath third in the 50 meter dash.

The youngsters were among several hundred contestants, both children and adults, participating in the meet sponsored by the Joseph P. Kennedy, Jr. Foundation.

KHS Student Painting to Be Purchased by Milwaukee Journal

Julie Lauters

To climax an already brilliant art career at Kewaskum High School, senior Julie Lauters has received notification from the Milwaukee Journal that they intend to purchase her painting. She had submitted the painting in the Journal's 38th Annual Art Calendar Competition held earlier this year. Two paintings each year are selected from the 80 entries and are purchased by the Journal Co. for \$250.00

each. The only criteria involved in the selection purchase is the judges' preference.

The 80 award winning paintings will be exhibited throughout a number of locations in southeastern Wisconsin this summer. After their display the two purchased paintings will become a part of a permanent collection kept at the Journal Building.

Kitchen carpeting can be restored to original brightness in 15 minutes with Nylac. No machine needed. Miller's Fine Furniture recommends Nylac for nylon carpets.

AMPI Hosts American Dairy Association Demonstration

Left to right — Charlene Leach, Promotions Coordinator and Susan Hughes, Consumers Services

By GERRY MUELLER
Statesman Staff Writer

The Women's affiliate of the Associated Milk Producers Incorporated, District 7D, hosted a foods demonstration Thursday evening, May 13, at the Kewaskum High School Cafeteria.

The program, "Yogurt, A Taste of Culture," is one of several food preparation demonstrations using real dairy products, done throughout the state by Charlene Leach, Promotions Coordinator and Susan Hughes, Consumer Services, who represent the American Dairy Association of Wisconsin.

Both Leach and Hughes, who are home economists, prepared several recipes using the latest favorite in dairy products, Yogurt. The increase in Yogurt's popularity, up 200% in a recent survey, has resulted in many new ways to use this product. No longer just a dieter's lunch, it is being used

in beverages, salads, main dishes, breads and desserts as well as dips and snacks.

Approximately fifty women were on hand to sample the new and innovative ways Yogurt has become part of America's dairy diet.

KHS Mass Media Students Tour TV Studios

The Mass Media II students at the high school recently toured the WTMJ and WISN television studios in Milwaukee as part of their unit on television production.

While at the studios, the students were shown the sets where the newscasts are produced. They also saw the equipment needed in order to make a newscast. As a conclusion to the unit, the students will organize and videotape their own news casts.

Earlier this semester the Mass Media II students heard guest speakers from WTKM radio in Hartford, WZUU radio in Milwaukee and from River-Bend Cablevision in West Bend.

Kevin Chambers teaches the Mass Media II classes as part of the English curriculum. The course investigates radio, television and movies and how these media affect their daily lives.

DNR Investigates Deaths of Cattle In Town of Wayne

The Department of Natural Resources is investigating the deaths of cattle due to lead poisoning on a former disposal site in the Town of Wayne, Washington County.

On May 10, the Department was notified of the deaths of four cattle within the last six months. On April 27, the Wisconsin Animal Health Laboratory in Madison had confirmed

the death of one cow due to high concentrations of lead.

Upon investigation of the site, the Department found several barrels and other containers, some labeled with the name of Freeman Chemical. The barrels and containers are reported to have been deposited about 20 years ago.

The Department is continuing its investigation.

J & J AUTO TOPICS

CAR SERVICES ON TV.

I see where a big auto repair shop in another city has rigged-up a closed circuit television camera in their garage. The TV camera is focused on the job, and the picture is relayed to a monitor screen in the waiting room. Here the customer can sit with refreshments and watch the progress of the repair work.

We're not quite rich enough at J & J AUTO SERVICE to afford this kind of electronic equipment. Maybe some day we'll have it. But, we do the next best thing. In fact, many customers have complimented us on it.

Just give us a phone call...we'll pick-up your car, service it and return it promptly. You can watch TV at home or wherever you're at.

Letters to the Editor

To the Editor:

I am writing this letter to clarify an apparent mistaken identity which has caused a great deal of confusion.

Although my name is Ruth Schmidt, I am not the Ruth Schmitt who has spoken and written negatively concerning Mr. John Spoerl as a school board candidate. Her husband's name is John Schmitt, and my husband's name is Harold Schmidt.

In the future, I would hope that she would use her husband's name to avoid further problems.

Thank you!

Mrs. Harold (Ruth) Schmidt

To the Editor:

With Memorial Day approaching, the Washington County Unit of the American Cancer Society is planning special emphasis on its "living" Memorial Program.

By giving a Memorial gift in memory of a relative, friend, neighbor, co-worker, or associate, important things are accomplished. Someone special is honored, the Society's Cancer education, service and research programs are supported.

When a Memorial Gift is made, the donor provides the name of the honored, the name and address of the person who should be notified of the gift, and the donor's own name and address.

Each Memorial Gift is promptly acknowledged, and to the family of the honored an "In Memoriam" card is sent showing that a gift has been received and from whom. "A donation given in honor of someone will keep someone living."

Contributions can be sent year-round to American Cancer

Society-Washington County Unit, P.O. Box 491, West Bend, WI 53095.

May 10, 1982

Dear Editor:

President Reagan has declared May as Older Americans Month. The tradition of recognizing older adults with special tributes began as early as 1950 in some states. President Kennedy designated May as Older Americans Month for National observance in 1963.

As a result of better nutrition and health care the average American life expectancy has increased. Children born today can expect to live to age 73, about 26 years longer than children born in 1900. According to 1980 Census Data, Washington County has over 10,000 persons age 60 and over out of its 84,000 plus population.

This increased number of elderly are adding new experiences to the lives of most people and to the enrichment of society. Families with four living generations are not uncommon. Children can experience first hand the wit and wisdom of their grandparents and great-grandparents. In addition to family enrichment, we are beginning to see the impact older people have in their communities and in social, and political situations.

It is with the awareness of the increasing number of older adults and their contributions to their communities throughout their lives, that I ask everyone to join with the Washington County Aging Unit in saluting the Older Adults of Washington County and their many contributions they have made to us all. Thank

you.

Sincerely,

Linda Olson, Director
Washington County
Office on Aging

Today's Medicine

DRUG ABUSE

by R. G. Edwards, M.D.

The definition of drug abuse is the use of any substance in a manner that deviates from the accepted medical, social or legal patterns within a given society. Several specific drugs are used primarily to induce alterations in mood, perception and behavior. Basically, these drugs can be divided into six classes:

1) Opiates come from the poppy plant, and the chief alkaloid is morphine. This drug is easily altered to form the drug heroin. The unscrupulous dealer will receive one pound of relatively pure heroin. Then he will adulterate this white powder with other white powders so that the addict may pay \$10.00 for very little real heroin. It is common for these drug crazed addicts to steal and kill to obtain the hundreds of dollars needed daily to pay for their addiction. Most heroin users start by sniffing the powder, but soon learn that a large amount injected into a vein will produce a warm flush of the skin plus a pleasurable sensation similar to a sexual orgasm.

2) Central nervous system (brain) depressants are the barbiturates and the tranquilizers used by millions of people who crave the peace of mind these drugs supply just prior to sleep. However, continued use will lead to a need for greater doses and then addiction.

3) Central nervous system stimulants include the amphetamine group and cocaine. The ephedrine plant, grown on the Andes Mountains in South America and cocaine is made from the Coca plant leaves. Users feel a sense of greatly increased mental capacity and physical strength, with little need for food, drink or sleep. This is just the opposite of the depressants.

4) Cannabis includes marijuana, that offers a mild euphoria when smoked in cigarettes, and hashish, which is a much stronger acting drug than marijuana. Both come from the hemp plant.

5) Psychedelics are the drug that produce distinctive alterations in perception, thought, feeling and behavior. These are known as hallucinogens, LSD, acid and angel dust. Bad effects these drugs produce include the fact that incidence of congenital anomalies are markedly increased in the offspring of such users. Plus, the really susceptible user may have a bad trip or freak out experience that can lead to suicide.

6) Inhalants include Nitrous Oxide, the dentist's "laughing gas." Organic solvents, especially Toluene in glue and various aerosol sprays, contain fluorocarbons which may lead to cardiac arrhythmias and death.

County Sheriff Explains Moped Laws and Safety

The warmer weather has brought out many energy-saving mopeds. With their use, many questions about moped safety and their legal use arise. Motorists and moped riders should be aware of the proper legal uses of the mopeds as covered by Wisconsin law.

A moped is defined by Section 340.01(29m) as a "bicycle type motor vehicle with fully operable pedals for propulsion by human power, which has an engine certified by the manufacturer, at not more than 50cc and has an automatic transmission." The law further states that the maximum designed speed of the moped shall not exceed 30 mph on level ground.

Mopeds are licensed motor vehicles and are therefore entitled to a full parking place, a full lane of traffic, and are entitled to the same rules of right-of-way as any other motor vehicle.

When operating on a roadway, a moped operator should travel single file in the extreme right-hand lane, on any roadway where

the speed is more than 25 miles per hour. Mopeds may be operated two abreast on roads, by consenting operators, where the speed limit is 25 mph or less.

By law, mopeds are not required to have their headlights on during daylight hours; however, Sheriff Schwartz urges the use of the headlight at all times to provide motorists with a better ability to see the smaller moped. We also support the federal regulations for encouraging the use of brightly colored clothing, helmets, lights and the use of reflectorized materials.

A valid drivers license is required, and no passengers are permitted, even though some mopeds may have a seat style that might accommodate more than one person. Sheriff Schwartz urges all present moped operators and those persons contemplating the purchase of one, to be aware of the laws governing their legal use. Persons desiring additional information are urged to stop in or call the Sheriff's Department to obtain additional information pamphlets.

FHA Has Unlimited Funds for Housing

L. R. Stephenson, Washington, Ozaukee, Waukesha, Milwaukee County Farmers Home Administration Supervisor will conduct an informational meeting on Friday, May 21. The meeting will be held at 10:30 a.m. in the Auditorium of the Washington County Court House, 432 East Washington Street, West Bend.

The purpose of this meeting is to inform Realtors, Builders and any interested party, of the available housing funds and

how to secure a loan. At the present time there are unlimited funds for Section 502 single family rural housing loans.

Farmers Home Administration is a rural credit agency of the U.S. Government serving the needs of borrowers unable to secure acceptable credit elsewhere.

Owners of the Bar-N Ranch in the Town of Auburn, who are Dr. F. E. Nolting, Louis Bath Sr. and Atty. Lyle W. Bartelt of Kewaskum, are having a track built for rodeo and stock car race purposes. Dr. Nolting reported last week that the track would not be completed for some time to come.

Pat Stenmann, daughter of Mr. and Mrs. Walter Stenmann of Kewaskum, was selected Friday night as queen for the armed forces day parade which will be held in West Bend on Saturday afternoon, May 17. She is a Kewaskum High School senior.

On Saturday, May 10, six Kewaskum High School students participated in the state music festival and contest in Madison. The students were: Richard Romaine, (senior) trombone solo; Thelma Rosenheimer (sophomore) and Elaine Kluever (junior), piano duet; Marion Kral (junior), Audrey Schaefer (sophomore), and Mark Rosenheimer (freshman), clarinet trio.

Four years of hard work has gained the title of valedictorian at St. Francis Minor Seminary, Milwaukee, for Leon Weddig, son of Mr. and Mrs. Edward Weddig of Kewaskum. Leon has made his appearance on every honor roll during his four years at St. Francis and has maintained a 94.59 average.

Daughters were born to Mr. and Mrs. Jerome Stautz, Kewaskum, on May 8; to Mr. and Mrs. Edward Redig, Kewaskum, on May 10; and to Mr. and Mrs. John Heisdorf, Route 2, Kewaskum, on May 12. Sons were born to Mr. and Mrs. Leroy Schultz, Route 2, Kewaskum, on May 11; to Mr. and Mrs. Arthur Meyer, Route 3, Campbellsport, on May 4; and to Mr. and Mrs. Byron Geidel, Route 3, Campbellsport, on May 13.

Lehman Rosenheimer Jr., son of Mr. and Mrs. L. P. Rosenheimer of Kewaskum, and a student of the Wayland Academy at Beaver Dam, in a track meet at Mooseheart, Illinois, last Saturday was a member of the team in the 880 yard relay race, running the distance in one minute, 34.7 seconds, establishing a national private school record.

On Sunday, May 22, 14 children will receive their First Holy Communion at Holy Trinity Catholic Church. In this year's class are: Clarence Bath, Michael P. Dahm, Leroy D. Muckerheide, James Strupp, Lois Geib, Beulah Hirsig, Alice H. Koepsel, Virginia A. Metz, LaVerne Naumann and Jeanne C. Strupp of Holy Trinity Congregation and Harold Nicholas Schmidt, Harold Carl Westerman, Cyril Norbert Wietor and Shirley Magdalene Werner of the St. Bridget's Congregation.

Rev. Gerhard Kaniess last Sunday at the Evangelical St. Lucas Church, confirmed the class of 1932, consisting of six children. Those that took the oath of allegiance were: Kilian Honeck, Carl Backhaus, Erwin Ohrmund, Howard Backhaus, Belinda Zumach and Beatrice Walhewski. Confirmation services were held at 9:30 in the English language.

The Junior Prom given in honor of the Seniors by the Junior Class of the Kewaskum High School in the school gymnasium last Friday evening was a decided success and proved to be the social event of the season. Sylvester Muckerheide was prom chairman and Ella Wendorf, a classmate, was prom queen.

WISCONSIN'S NEW DRINKING/DRIVING LAW

WHO GETS CONVICTED OF OWI IN WASHINGTON COUNTY?
[Second in a series]

Who is most likely to be convicted of drunken driving in Washington County?

The state department of transportation's computer provided the following information on convictions of operating while under the influence of alcohol or other drugs (OWI).

A total of 447 convictions in Washington county has been entered for 1981 violations through the end of March, 1982. A few more may still be awaiting court appearances.

Of these convictions, 6 were under the age of 18, which is the legal drinking age in Wisconsin. Convictions in other age brackets include: 18-24; 19-26; 20-24-120; 25-34-124; 35-44-72; 45-54-46; 55-64-26; 65 over-3.

Statewide, about 46 per cent of approximately 30,000 annual convictions are of persons under the age of 25, an age group that constitutes only 25 per cent of the driving population. About a fourth of all convictions are made as a result of the driver being involved in a traffic

accident.

Statistics statewide show that about 86 per cent of the drivers convicted each year have not been convicted of OWI in the previous five year period.

Under a new drinking/driving law which went into effect May 1, penalties for all OWI and related offenses have been increased. The new law provides for a minimum 90 day driver license suspension for a first offense, plus monetary penalties totaling about \$440. In addition, all drivers convicted of OWI must go to an approved assessment center to have an assessment of the extent of their drinking problem, and to have a driver safety plan developed. Failure to go for assessment or to comply with the driver safety plan will result in suspension of the driver's license.

Drivers are required to pay for the cost of assessment, and treatment/education programs ordered through the driver safety plan.

Minutes of Village Board Meeting

Regular Meeting
May 3, 1982
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in regular monthly session in the Council Room of the Municipal Building, 204 First Street.

President Gerald Stollenwerk presided. All Trustee Members were present.

The minutes of the meeting of April 19, 1982, were approved as printed upon motion by Trustee David Nigh, seconded by Trustee Paul Blumer. Voice vote was unanimous.

Discussion was held on the proposed alteration to the wastewater treatment plant to meet the requirement of the new WPDES permit. The village engineers, Foth and Van Dyke presented 3 alternatives in reference to the housing of the new equipment, to Superintendent Albers and Administrator Schmidt. These 3 alternatives were then reviewed by Trustee Donald Mlodzik, Chairman of the Public Works Committee and the recommendation to proceed with alternate 3 was made. Alternate 3 is a new square building located adjacent to the chlorine contact tanks, with the estimate for construction being \$19,600. It was noted that the estimate hopefully could be reduced by using some existing village equipment and materials. A motion was made by Trustee Donald Mlodzik, seconded by Trustee Jeffrey Rohrer, to have the engineers proceed with designing the modification plans using alternative 3. Voice vote was unanimous.

The application of Ralph Scott for an Operator's (Bartender's) License was discussed. Attorney Richard L. Zaffiro was present on Mr. Ralph Scott's behalf and brought a few other

individuals to also speak to the Board on Mr. Scott's behalf. Attorney Zaffiro maintains the Board should look at Mr. Scott's character, ability and not on any of the past problems of Ralph's kids, Apollo's Lyre, rock bands and so-forth, in reference to his application to tend bar. Attorney Zaffiro maintains Mr. Scott's financial condition is dire to say the least, the short term of this license period would automatically take care of a long term problem if one arises. Attorney Zaffiro brought three (3) individuals to attest to Mr. Scott's character. The first being Mr. William Schaefer, who indicated he has known Mr. Scott for many years, has lived across the street from the bar for 40 years, has had no trouble and also stated Mr. Scott's character is A number one and should not be denied a bartender's license. The second being Mr. Harry Koch, who indicated he has known Mr. Scott for three (3) years and has frequented the establishment and has had no trouble where he lives, that being 2 to 3 blocks north of the bar. Also he feels Mr. Scott could run the bar without any trouble. The third being Mr. George Gavin, who indicated he has known Mr. Scott for the last 3 to 4 years, socially and in the business and he has had no trouble when he has been in the tavern. Attorney Zaffiro then asked the Board to pass around the copy of an affidavit from Mr. and Mrs. Scott, which was unsigned for their reading. Mr. Ralph Scott then told the Board he is without work and in need of a job. Further discussion was held by the Board on the license being a privilege, Mr. Scott's awareness of the problems which transpired while he held the Class B Tavern License, the difference if any between the Class B Tavern License and Operator's License, the contradictions made by Attorney

Zaffiro in his statements.

The letter of opposition by the Police Department based on the violations of the Wisconsin Liquor Laws as well as the overall behavior of the premise in the past, while Mr. Ralph Scott held the Class B Tavern License at 1310 River View Drive, Kewaskum, WI., was read by Administrator Schmidt. Administrator Schmidt asked if Attorney Zaffiro or Mr. Scott wished to have the letter from the Police Department and list of complaints, which were read at the Tavern application public hearing on February 2, 1982 re-read. They indicated there was no need to re-read them.

After approximately one hour of discussion the Board briefly discussed the possibility of tabling the matter. A motion to that affect was made by Trustee Richard Schmidt, but was withdrawn for further discussion. A motion was made by Trustee David Nigh, seconded by Trustee Donald Mlodzik to deny the issuance of the Operator's (Bartender's) License to Mr. Ralph Scott, based upon the Police Department's recommendation and Mr. Scott's past record while holding a license. Roll call vote was 7 "Aye" 0 "Nay." The motion to deny the application was unanimous.

The Board authorized the Commission to issue a Dance Hall License to Mr. Robert Holub Jr. for the premise located at 1310 Riverview Drive upon the proper payment of fee. Motion by Trustee Paul Blumer, seconded by Trustee Donald Mlodzik. Voice vote was unanimous.

The totals of all claims, as recommended for payment by the Finance Committee Chairman, Trustee David Nigh, were as follows:

Village Gen. Fund	\$36,799.86
Water Dept. Fund	5,977.04
Sewage Dept. Fund	6,576.58

Payment of these claims as recorded in the official record, was authorized upon a motion by Trustee Jeffrey Rohrer, seconded by Trustee Richard Schmidt. Voice vote was unanimous.

The Public Services Chairman Paul Blumer brought a

One daughter, Joan, one brother and two sisters predeceased.

She was a member of Zonta International, a professional woman's organization; Children's Service Society of Milwaukee, and St. James Episcopal Church.

Funeral services were Tuesday at 10 a.m. at the Schmidt Funeral Home, West Bend. Fr. R. Michael Darrow officiated and burial was in Forest Home Cemetery, Milwaukee.

Visitation at the funeral home was Monday from 7 to 9 p.m. and Tuesday until time of services.

committee recommendation to the Board on staying with a once a week garbage pick up for the entire year. The pros and cons of once a week garbage pick up were discussed and a motion was made by Trustee Jeffrey Rohrer, seconded by Trustee Richard Schmidt to stay on the once a week pick up for garbage on an annual basis, for convenience and economic reasons. Voice vote was unanimous.

The Chairman of the Parks and Recreation Committee, Trustee Jeffrey Rohrer presented the Board with a report on the status of the summer softball program. A copy of the report will be filed with these minutes.

President Stollenwerk presented the Board with a list of his Committee, Boards and Commission appointments. Motion was made by Trustee Jeffrey Rohrer, seconded by Trustee Paul Blumer to accept President Stollenwerk's appointments for 1982 and 1983. Voice vote was unanimous. A copy of the list of appointments will be filed with these minutes.

Resolution 82-2 expressing appreciation to the Kewaskum Jaycees was read, then introduced by Trustee David Nigh. Motion for adoption was made by Trustee Jeffrey Rohrer, seconded by Trustee Richard Schmidt. Roll call vote was 7 "Aye" 0 "Nay." The Resolution was adopted unanimously. A copy of Resolution No. 82-2 will be filed with these minutes.

Motion was made by Trustee David Nigh, seconded by trustee Howard Laubenstein to adjourn to closed session under Chapter 19.85 (1) (c) of the statutes to consider employment of summer part-time general and park and recreation employees. Roll call vote was 7 "Aye" 0 "Nay." The motion was carried unanimously.

List Winners in Big Fish Contest

Village Sport Shop's third annual Big Fish Contest began opening day, May 1. The first week saw some very nice fish brought in.

Bonny Brown of West Bend caught the winning crappie, weighing 13 ounces and measuring 11½ inches. She was fishing on the Milwaukee River with a minnow.

Tom Stollenwerk of Allenton used a night crawler to catch his winning bass. It weighed 2.2 pounds and measured 15½ inches. He was fishing on a farm pond on May 2 when he landed it.

Chris Neuman, Kewaskum, caused a little bit of excitement when he brought in his prize winning northern. Many heads were turned when he put his 12 pound, 40 inch fish on the scale. A real beauty pulled from the Milwaukee River.

The second week of the contest, May 9 through the 15th, the following people won: Wayne Newmann, Kewaskum, won the bass category with a 2.2 pound, 16½ inch largemouth caught on Auburn Lake with a night crawler.

Bob Hanko, Racine, brought in a very nice crappie that weighed 1 pound, 8 ounces and measured 13¼ inches. Hanko was fishing on Long Lake using a Mister Twister.

Matt Pfeiffer, Kewaskum, won with his 7 pound, 31½ inch northern taken from the Milwaukee River.

Congratulations to all! The contest is run weekly until July 3. There is no entry fee, no pre-registration and rules can be obtained at Village Sport Shop. Heaviest fish from each category will qualify for the grand prize drawing to be held July 17.

RACING RESULTS

Slinger Super Speedway Slinger

For the first time in 3 years, Willie Goeden had the honor of carrying the American Flag around the track, signifying that he had quick time for the evening in the late model division.

With a complete field of cars in every division, the races in the quarter mile asphalt were the best and fastest in the state of Wisconsin.

Tony Strupp of Slinger won the feature from the third row position. Finishing right behind him was Jerry Eckhardt of Watertown, and coming from the back of the pack to finish third, was Willie Goeden.

Another new face and car to the asphalt track was Mike Melius of Random Lake, who finished a good ninth for his first showing at the Slinger Speedway. Besides Melius, there are other new and upcoming drivers from this area. Bruce Bares #6, and his cousin Dean Bares #24, both of rural route Belgium, will be competing at the Slinger and Kaukauna tracks.

Announce Fishing Regulation Change For Forest Lake

Horicon - A special 14 inch length limit regulation on large mouth bass took effect on Forest Lake, Fond du Lac County, when the fishing season opened on May 1, 1982. Anglers catching largemouth bass will be required to release all bass less than 14 inches in length unharmed to the lake.

Forest Lake is one of eight lakes in southern Wisconsin which experimental length limits on bass are being tried. The purpose of the regulation is to increase the number of larger bass in the lake. The hoped for benefits include: 1) more bass caught even though some have to be released; 2) more large bass caught; 3) larger panfish for the angler. Length limits are used by many southern states to regulate bass harvest with good results. The trail use of this regulation will enable Wisconsin fish managers to determine the value of this regulation on Wisconsin waters.

To determine if a bass caught is legal size immediately measure the fish when landed. The fish must be at least 14 inches from the tip of the snout to the tip of the tail. A ruler attached to the boat seat, tackle box, or a board, on which the fish can be laid to measure, is the best way to accurately determine the length. Handle the fish gently to avoid injury. If the fish is deeply hooked very carefully remove the lure, or if using only a single hook, cut the line leaving the hook in the fish. Survival of bass which have been caught, carefully handled, and released is quite high, giving the fish a good chance to live, grow, and be caught again.

Girls Second in Triangular, Fifth in Conference Relays

Plymouth, Chilton and Kewaskum went down to the final event, the 1600 meter relay, to determine the winner in a close triangular track meet in Kewaskum Tuesday.

Plymouth, with a strong anchor lap from Mary Kastelic, won the event for five points and a winning total of 53. Kewaskum took second with 52 but a Chilton coach and one member of her team pointed out an error had been made in the scoring of the discus. This gave Chilton second but the results were reversed again later officially giving the Indians second and Chilton third with 51.

Both Holly Kempf of Kewaskum and Meier of Chilton wound up with identical tosses of 105' 6 1/2". Kempf also had a first and second and Wendy Wilson took a second in the 800 meter run behind Kastelic.

The Indians placed fifth in Thursday's E-W Relays at

Plymouth, won easily by New Holstein, a team that is having a very good year. The Huskies had 115 points.

The Indians ended up in a tie for first place in one event and a second in another, the high jump and the 3200 meter medley relay, for their biggest point getters on the way to a total of 39 points.

New Holstein, defending Class B state champions, won seven events, tied for first in one other and accounted for three new records. Two Rivers was a distant second with 81.

Veteran seniors Jill Yearling, Barb Matenaer and Amy Nigh combined for the high jump tie. Yearling and Matenaer each jumped 4-10 and Nigh 4-8 for the Indians' total of 14-4.

In the 1600 relay medley, Wendy Wilson, Erika Follmann, Lori Batzler and Linda Larsen each ran an 800 for a total time of 10:23, some five seconds behind Two Rivers, for a second place.

New Holstein finished first with 104 points, Sheboygan Falls second 75, Kiel third 74, Two Rivers fourth 61, Chilton fifth 39, Plymouth sixth 37, and Kewaskum seventh 12.

The Indians' best finish was a fourth in the 330 meter high hurdle shuttle involving Toby Mueller, Mark Follman and Doug Miller. Follman, only a freshman, ran a good time.

Winning New Holstein had seven first places, good for 70 of their 104 points.

Indian Golfers Win Quadrangular, Split Dual Meets

The Kewaskum golfers lost decisively to Two Rivers in an Eastern Wisconsin match at Mishicot last Tuesday, 154-173.

The Raiders, with three rounds in the 30's, came in with an almost unbeatable 154. Two Rivers' No. 5 man, Tom Wirnsberger, was medalist with a one under par 35, including a chip-in from more than 10 yards off the green.

Mike Heisdorf paced the Indians with a 37 and Tim Leitheiser moved up to the varsity at the last minute and scored a 44.

Kewaskum 173—Heisdorf 37, Leitheiser 44, Nigh 46, Zarling 46.

Two Rivers 154 — T. Wirnsberger 35, Hills 36, J. Wirnsberger 38, Frank 45.

The Indians picked up three conference victories in one sweep Friday afternoon when they beat New Holstein, Chilton and Sheboygan Falls in a quadrangular in Kewaskum.

Playing the back nine at Hon-E-Kor, three players tied for medalist honors with three over par 38s. Included in the trio was the Indians' Heisdorf. All the other Kewaskum golfers came in at 45 or under.

The Indians wound up with a 170 total, six strokes ahead of the second place team.

The Indians ended their conference dual meet season Monday with a four stroke victory over Sheboygan Falls, a team that had beaten them earlier, at Hon-E-Kor.

Kewaskum had a 169 with Karl Zarling leading the way with a five over par 40. Leitheiser was next with a 41, which included a birdie on the last hole. Al Florentino was low for the Falcons with a 42.

The win gave the Indians an 8-3-1 record in the Eastern Wisconsin which put them in a tie for second place, going into Thursday's conference meet.

Kewaskum Blasted By West Bend, Also Edged at Cedarburg

The Kewaskum baseball team lost two more games the past week. Thursday night in a Tri-County Nite League contest at West Bend they were bombed by the Lithias, 12-1, and Sunday at Cedarburg in Land o' Lakes action they were edged, 5-4.

A big 7-run second inning iced the victory for the Lithias. West Bend was led by Jeff Pfeifer, who had 3 hits, including 2 home runs. John Jazak and Bill Gonwa also homered for the winners. The Lithias hammered out 16 hits to Kewaskum's 3.

Jazak was the winning pitcher, working the first 5 innings. Fred Knox finished up. Steve Muench was the loser for Kewaskum. He was knocked out in the second inning and Tom Bartelt went the rest of the way.

Kewaskum scored its lone run in the seventh and last inning. The game was called at that point because of the 10-run lead rule. The run scored on an error, Bob Donath's single and Bartelt's double.

In their 5-4 loss at Cedarburg the game was tied until the ninth inning at 4-4, when Cedarburg scored the winning run in the last of the frame. The winners had 10 hits and Kewaskum 6.

Muench again was the losing pitcher, working 8 and two-thirds innings. Dean Vey went the route and was the winner.

FRESHMAN FOOTBALL TEAM ORGANIZATIONAL MEETING

Any eighth grader interested in participating on the 1982 KHS freshman football team should attend an organizational meeting on Wednesday, June 2, at 3 p.m. in the high school cafeteria.

Ron Theusch got 2 hits for Kewaskum, including a double. Muench also had 2 safeties and 3 RBI's. Al Anderson had 3 hits for the winners, including a triple.

Friday, May 21, Kewaskum hosts Hustisford at 8:00 in a Tri-County game, Sunday, May 23, Grafton comes here for a 1:30 Lakes tilt, and Wednesday, May 26, Kewaskum goes to Port Washington for a Lakes game at 8:00.

Rule from baseball's early days: Fans will NOT be permitted to jump on an outfielder's back while he is making a catch!

SAFETY FIRST On Your NEW BIKE

1. Obey all traffic regulations, lights, stop signs, one-way streets.
2. Keep right. Ride single file. Don't weave in and out, swerve, race or stunt in traffic. Never hitch a ride on a truck or other vehicle.
3. For night riding be sure to have reflectorized pedals, a white light and white reflector in front and a red light or state-approved reflector in the rear. Have a clear sounding horn or bell to warn others of your approach.
4. Slow down at all intersections, look both ways, then proceed with caution.
5. Always give pedestrians the right of way.
6. Watch out for cars pulling into traffic or for doors opening.
7. Don't carry passengers or packages that interfere with your vision or control.
8. Always use proper hand signals for stopping and turning.
