Number 24

Log Cabin Grand Opening Held

First ribbon cutting ceremony. Village President Gerald Stollenwerk, Dan Schmidt, Ron Markus, member, who put in the most hours of labor in the society.

Second ribbon cutting on the veranda leading into the front doorway. Orville Reysen, his son Marshal, Lilly Otto, who was born in the log cabin, cutting the ribbon and her daughter Mrs. Roy Reysen. Mrs. Otto and the Roy Reysen families were the last to live in the log cabin. The Orville and Marshal Reysen families donated the cabin to the society.

Saturday, May 29, marked the official grand opening of the Kewaskum Historical Society's Log Cabin, adjacent to the museum at 1202 Parkview Drive, Kewaskum.

The program, which began at 1:30 p.m. consisted of an invocation by Rev. Robert H. Lindau, St. John's Lutheran Church, New Fane; the Pledge of Allegiance by the spectators, led by the Robert G. Romaine Legion Post #384; welcome by Historical Society President, Daniel Schmidt; statement of appreciation by Village President, Gerald F. Stollenwerk; letter of congratulations from the State Historical Society; presentation of award by Past-President, Dolores Kleinke; official ribbon cutting ceremony, and Benediction by Father Budde, Holy Trinity Catholic Church, Kewaskum.

After the program, the public had the opportunity to view the log home and the museum. The ladies of the society served free

refreshments (cookies, bars, coffee and punch).

It was estimated that the 500 hours of labor from the time the log cabin was torn down on the Roy Reysen building in 1979 until the completion of its rebuilding this spring. The society is to be commended for the marvelous job they have done.

Beach to Open Friday

The Kewaskum beach will open for the summer starting Friday, June 4, at noon, weather permitting. The beach will be open throughout the summer from 10:00 a.m. to 8:00 p.m. everyday, weather permitting.

Swimming lessons will begin Monday, June 7.

Anyone interested in signing up for Senior Lifesaving, please stop in or call the beach at 626-8011 or 626-8111, soon.

Look for more pictures on another page.

Rained Out Rummage Sale at Mall June 5

The Kewaskum Mall, 927 Fond du Lac Ave., will be having their "rained out" rummage sale of Saturday, May 22, this Saturday, June 5. It will begin at 7:00 a.m. to 5:00 p.m. There are over 30 reserved areas spoken for to sell rummage, antiques or crafts.

Kennelly Pharmacy is having a sidewalk sale with many bargains outside and inside the store. There will also be items at 1/2 price.

As an added attraction, Shop Rite Food Store will be offering a hot dog and soda for 25c, along with their regular grocery specials.

Everyone is welcome to come and take advantage of the many bargains.

193 Seniors to Receive Diplomas Friday at KHS

Kewaskum Community High School commencement for the Senior Class of 1982 will be held Friday evening, June 4. The exercises will start at 8:00 p.m. in the gymnasium with the traditional, "Pomp and Circumstance" processional by the Kewaskum Symphonic Band.

The invocation will be given by Reverend John Budde. A medley, selections from "Fame Somewhere," will be rendered by the mixed choir. This will be followed with an address by Andrew Rosenberger, the class speaker.

The band will play another number, "Prelude and Fugue" in B b. Major.

Farewell addresses will be

given by AFS students, Linette Martinez and Helena Cordeiro and Youth for Understanding Student, Kikuko Yamada.

Brian Larsen, class president, will make the presentation of the class gift.

Presentation of the honor graduates, scholarships, recognition of attendance and the class of 1982 will be made by Principal Clark A. Pearson.

Board of Education members Jean Goeden and Thomas Brigham will present the diplomas to the class.

Benediction will be given by Reverend John Budde followed by the recessional "Sine Nomine," by the band.

David Kopping Drowns In Marinette County

David Kopping, 23, of 222 Pleasant St., Plymouth, formerly of Kewaskum and West Bend drowned while swimming, early Monday morning, May 31, in Lake Hilbert, in Goodman City Park in Marinette County.

He was born Feb. 12, 1959, in Milwaukee, and attended Kewaskum schools, graduating from Kewaskum High School in 1977. He had been employed at Gehl's in West Bend and at the Kohler Co. in Kohler.

On Sept. 27, 1980, he married Sherrell Tykac in Plymouth. The couple lived in West Bend prior to moving to Plymouth in January of 1982.

Survivors include his wife; a son, Shane David, at home; his parents, Mr. and Mrs. Eugene Kopping of Kewaskum; three

brothers, Ernest of West Bend, Eugene Jr. and Richard, both of Kewaskum; two sisters, Roberta (Paul) Clark and Michelle (John) Theisen, both of West Bend; and other relatives and friends.

He was preceded in death by two sisters.

Funeral services were Thursday at 1:30 p.m. at the Wittkopp Funeral Home, Plymouth. Rev. Paul Dawson, pastor of Redeemer Lutheran Church in Plymouth, officiated and burial was in Greenlawn Memorial Park, Sheboygan.

Visitation at the funeral home was Wednesday from 3 p.m. until time of services on Thursday.

A memorial fund has been established in his name.

CF Bike-A-Thon Here Raises \$1400; \$940 by Brad Kidd

The Cystic Fibrosis bike-a-thon held Saturday, May 15, for the Kewaskum area ended with a huge success. The total amount raised by riders was about \$1400. The riders that participated in the bike-a-thon were:

Paul Schiefelbein (71 miles with \$136.01), Becky Falk (56 miles \$84.00), Tracy Schuster (56 miles \$33.01), Kris Klahn (52 miles \$11.20), Lynn Peters (52 miles \$29.61), Ellen Beisler (50 miles \$80.00), Chris Charland (44 miles \$47.52), Mark Peters (44 miles \$28.16), Charlie Walls (30 miles), Allen Pheusch (30 miles), Louis

Lauters (20 miles), Jeff Bates (20 miles), Pat Murre (10 miles), Angie Nowak (10 miles), Lynn Nowak (10 miles), Kevin Wilhelmi (34 miles), Joel Klahn (10 miles), Jill Remmel (10 miles), Bobby Castro (10 miles), and the biggest money maker and rider was: Brad Kidd (84 miles with \$910.00).

Generous donations were made by: J & N Liquor, Red Owl, Barton Sport Shop, Piggly Wiggly, Kennelly Pharmacy, Shop Rite (Kewaskum), Minz Supply (Kewaskum), Rosenheimer's, Sentry (Kewaskum), Mathis Music Inc., Enger

Jaycees Name Diana Glick 'Outstanding Young Educator'

Diana Glick

Diana Glick, a teacher at Kewaskum Elementary School, has been named "Outstanding Young Educator" by the Kewaskum Jaycees.

Mrs. Glick has been teaching in the Educable Mentally Retarded (EMR) program for the past five years. Previously she taught in the Greenfield School District and was named "Greenfield Teacher of the Year" in 1976 in Special Education.

According to Richard Zarling, director of Special Education, "Mrs. Glick puts in a lot of

extra time, she is very cooperative with administration, and she keeps close contact with parents."

Mrs. Glick received a plaque from the Kewaskum Jaycees at the May 24 meeting of the Kewaskum School Board.

CITIZEN PARTICIPATION AT SCHOOL BOARD MEETINGS WILL BE TOPIC AT MEETING

The Kewaskum Board of Education committee, appointed to develop a policy dealing with citizen participation at board meetings, will meet on Wednesday, June 9. The meeting will be held in the district administrative offices and will begin at 8 p.m. Discussion of this policy will be the only item of business.

Recipient of Bales Memorial Scholarship

Kevin Ader

Kevin Ader, son of Mr. and Mrs. Frank Ader, 580 Hwy. 84, Rt. 1, Fredonia, has been selected as the recipient of this year's Sgt. Clifford M. Bales Memorial Scholarship. The \$100 award is presented annually to an outstanding graduate of Kewaskum High School.

Kevin has excelled academically as well as been actively involved in co-curricular and volunteer activities while in attendance at Kewaskum High School. He will be graduating in the top quarter of his class with honors. He has been a member of the Smoke Signals Staff, Chess Club, served as wrestling manager and was responsible for many of the photographs used by the school throughout the year.

Kevin has enrolled in Winona State University in Minnesota where he plans to pursue a Paralegal Career.

3rd Mini-Olympics to Be Held At High School Grounds June 12

The Junior Woman's Club, Kiwanis Club and Key Club of Kewaskum will be sponsoring the Mini-Olympics Day, Saturday June 12, from 10:00 a.m. - 2:00 p.m. It will be open to school district children, ages 7-12.

Bring a sack lunch - drinks will be provided. Awards will be given and winners listed in the Statesman at a future date.

Events to participate in:

- Fast walk
- 3 legged run
- 50 yard dash
- Softball throw
- Jumping rope
- Standing long jump

- Long jump
- Hurdles
- Distance run (200 meters)
- Frisbee throw
- Mother/Daughter relay (100 yards)
- Father/Son relay (100 yards)

Parents and spectators bring along a lawn chair! There are many events to sit and watch or come and cheerlead for your favorite participant.

In the event of bad weather, listen to WBKV for cancellation.

If you have not already filled out an entry form please bring the following signed form with you on June 12th.

Peanuts create quick energy which burns up calories and builds muscle. Appreciable amounts of calcium, phosphorus, potassium, iron and magnesium are also found in peanuts.

Peace Church Grants Scholarships

Peace United Church of Christ of Kewaskum is happy to announce that the Scholarship Committee has awarded a \$250.00 scholarship to Sue Bade, daughter of Walter and Phyllis Bade of Kewaskum. The scholarship was presented by the committee chairman, Dr. Howard Rumsey, in the worship service, May 30. The Pastor, Rev. Joiner, also announced that a Pastor's Scholarship given by Lakeland College through Peace Church will be awarded to Melissa Koch, daughter of Harry and Janet Koch of Kewaskum.

Your HEALTH TIP

from Tom Leitzke, R.P.H.

IMPROVE MEMORY

A woman remarked, "Since taking B vitamins, I know what I went into the next room to get, or turned around to do, or what I'm going after when I get into the car and start driving." [Sound familiar]? "It's really a thrill to know I'm not losing my mind and that all I needed was vitamins and minerals - mainly B vitamins."

Your doctor or pharmacist can assist you in selecting proper vitamin supplements.

Memories...

The Statesman welcomes readers to submit photos for the "Memories" feature. Photos should show life in the olden days in this area. Deliver or mail to The Statesman, 250 Main St., Kewaskum, WI 53040. Photos can be picked up again after publication.

This is an old photo of the interior of the A. G. Koch Store on Main Street, now occupied by J & N Liquor. The man sitting to the left behind the candy counter has been identified as Erwin Koch. The man on the right was not identified. In those days, unlike the super markets of today, all the merchandise was on shelves or counters. The clerk would bring the selected merchandise to the counter where it was given to the customer and paid for.

(Photo submitted by Audrey (Koch) Jaraczewski)

MPTI Award to Sharon Allmann

Sixty-one students were recognized at the Tenth Annual Awards Banquet held recently at Moraine Park Technical Institute. Thirty-eight of the students will appear in the 1982 edition of Who's Who Among Students in American Junior Colleges. These students were selected to appear in this annual directory based upon their academic achievement, service to the community, leadership in extracurricular activities, and future potential. They join an elite group of students selected from more than 1300 institutions of higher learning in all 50 states, the District of Columbia, and several foreign nations.

Twenty-three students received Meritorious Service Awards for their outstanding leadership and participation in cocurricular activities. Among students receiving this award was Sharon Allmann, Kewaskum.

Mary L. Butler received the Moraine Park Outstanding Student Award. Mary is a resident of Plymouth, and is majoring in Food Manufacturing Technology-Dairy, and has maintained a 4.0 grade point average. She was active in the Food Technology Club and Wisconsin Lab Association. She has been involved in numerous community service organizations, including the Heart Fund, Cancer Fund, Farm Bureau, 4-H, UW-Extension Homemakers, and others.

County Youth to Attend State 4-H Congress; Kewaskum Couple Advisors

Twelve Washington County Youth will be among the 800 delegates attending the STATE 4-H CONGRESS in Madison. The event will be at the University of Wisconsin Campus, June 7-10.

The Washington County delegates include Kim Brodzeller from Kewaskum, Beth Ebert, Tracy Guelig, Shannon Lewandowski of Hartford, Joy Johnson of Cedarburg, Mike Doll of Allenton, Glenn Hupfer, Jim Hupfer, Isaac Kist, James Rodell and Todd Wessing from West Bend and Troy Kuphal from Campbellsport.

Mr. and Mrs. Harvey Brodzeller of Kewaskum will be adult advisors for the Washington County group.

The purpose of the congress is to provide an opportunity for

high school age kids to express and exchange ideas with others throughout the state. They will have an opportunity to experience campus life and to converse with campus specialists. They can gain information in selected subject matter areas and get information for decision making. They should gain many ideas for youth with local 4-H programs.

Participants can take part in several seminars, these include the animal sciences, health sciences, mechanical sciences or plant and soil sciences. Discussion, tours and other learning experiences at the University will be part of the program. All of the delegates will have the chance to visit the State Capitol, to meet the judicial, executive and legislative branches regarding issues related to their seminar

area.

Some of the programs will be presented by the delegates themselves. Isaac Kist and Todd Wessing will be part of the State Drama Company which will be presenting a program in the Memorial Union Theatre.

State 4-H Congress is open to all high school age 4-H members. Applications for the trip must be made by October 30. The Washington County Bankers Association, the West Bend Kiwanis Club and the Marie Hug Memorial provides scholarships for the delegates to attend.

VANDALISM REPORTED

A train signal on County Trunk D in the Town of Wayne received \$400 in damages by gun fire, the Washington County Sheriff's Department was told last Wednesday.

Dear Friends

One thing a family should not expect the funeral director to do is to suggest the cost of the funeral to be selected. His advice may be invited, but the decision rests with the family. The financial aspects must of necessity be candidly discussed, to avoid hardship and to have complete understanding by all concerned.

Respectfully,

Ed Miller

Rick Standish Enters Air Force

Milwaukee, Wisc. — Rick Standish, son of Mr. and Mrs. Francis Standish, 2925 Hwy. H, Kewaskum, enlisted in the Air Force's Delayed Enlistment Program in Milwaukee, May 12, 1982.

Rick, a January 1983 graduate of Kewaskum High School, is scheduled for enlistment in the Regular Air Force on February 4, 1983. Upon graduation from the Air Force's six-week basic training course, he is scheduled to receive technical training as an Inventory Management Specialist.

He will be earning credits toward an associate degree in applied sciences through the Community College of the Air Force while attending basic and other Air Force technical training schools.

Technical Sergeant Tim Giersch of the Air Force Recruiting Office, 7101 West Capitol Drive, Milwaukee, Wisc., (414) 461-0800, arranged all pre-enlistment testing and processing for Rick.

John Oelhafen, Former Town Wayne, County Official Dies

John A. "Hans" Oelhafen, 69, of 5918 Butternut Dr., rural Kewaskum, passed away at St. Agnes Hospital in Fond du Lac on Monday evening, May 31, where he had been a patient for the past two weeks.

Mr. Oelhafen was born in the Town of Addison on July 29, 1912, to the late John and Bertha Rate, Oelhafen. On July 1, 1939, he married Therese Vogt in Holy Angels Catholic Church in West Bend. He was a retired dairy farmer having farmed all his life. Mr. Oelhafen was a member of St. Peter's Lutheran Church in Town Addison, a Washington County Supervisor (1961-1978), Town of Wayne, Town Supervisor (1949-1961) and Town Chairman (1961-1977), and a retired member of the Kohlsville Fire Dept.

Survivors include his wife; two sons, John N. (Beverly) and James D. (Carol) and one daughter, Mrs. Cindy (John) Shaske, all of the Town of Wayne. He is further survived by six grandchildren; six brothers, Harry of the Town of Wayne, Melvin and Harvey of the Town of Addison, Rev. Walter of Beaver Dam, Jacob of Cedarburg and William G. of West Bend; two sisters, Mrs. Ellen Wentorf of Canada and Mrs. Claire Knickel of Waukesha; other relatives and friends. Two brothers preceded him in death.

Visitation for Mr. Oelhafen was after 3 p.m. Wednesday at Miller's Funeral Home in Kewaskum and on Thursday at St. Peter's Lutheran Church in Town Addison from 12 noon to the time of services at 2 p.m. Pastor Erwin Schewe officiated and burial was in the St. Anthony Catholic Cemetery in St. Anthony.

RAYMOND T. BANNENBERG

Raymond T. Bannenberg, 62, of Milwaukee passed away Thursday, May 27, at County General Hospital in Milwaukee. He was born in Milwaukee on March 11, 1920 to the late Raymond and Maria Lemon

Bannenberg. Mr. Bannenberg served with the Army during WWII, and was self-employed as a carpenter.

Survivors include his former wife, Virginia; nine children, Mrs. Donna (John) Nowicki of Lexington, Ky., Theodore of Milwaukee, Richard (Judith) of Kewaskum, Mrs. Virginia (George) Seelig of Campbell-sport, Raymond of Kewaskum, Mrs. Susan (Dennis) Kleinke of West Bend, Steven (Debra) of West Bend, Jeffrey and Lori of Kewaskum. He is further survived by 18 grandchildren; one great-grandchild; one brother, James, of Milwaukee; other relatives and friends. One brother preceded him in death.

Visitation at Miller's Funeral Home in Kewaskum was Sunday from 2 to 5 p.m. when services were held at the funeral home.

Burial was in the Veterans Cemetery at Woods, Wisconsin.

MATILDA TREIBER

Matilda "Tillie" Treiber, nee Braun, 85, of Campbellsport, died Wednesday, May 26, at St. Agnes Hospital, Fond du Lac.

She was born March 6, 1897, in the Town of Empire, and married Oscar Treiber March 30, 1921, at St. Matthew's Church, Campbellsport. He passed away July 10, 1974.

She was a member of St. Matthew's Church, the Christian Mother and Altar Society, and Campbellsport Senior Citizens.

Survivors include two children, Melvin of Campbellsport

and Marian (Edward) Runge of Campbellsport; seven grandchildren; nine great-grandchildren; two sisters, Rose (Joseph) Markert and Mary Butschlick, both of Campbellsport; and other relatives and friends.

She was preceded in death by a grandson and a brother.

Visitation at the Twohig Funeral Home, Campbellsport, was Friday after 4 p.m.

Funeral services were Saturday at 10:30 a.m. at the funeral home and at 11 a.m. at St. Matthew's Catholic church. Rev. Victor Kemmer officiated and burial was in the church cemetery.

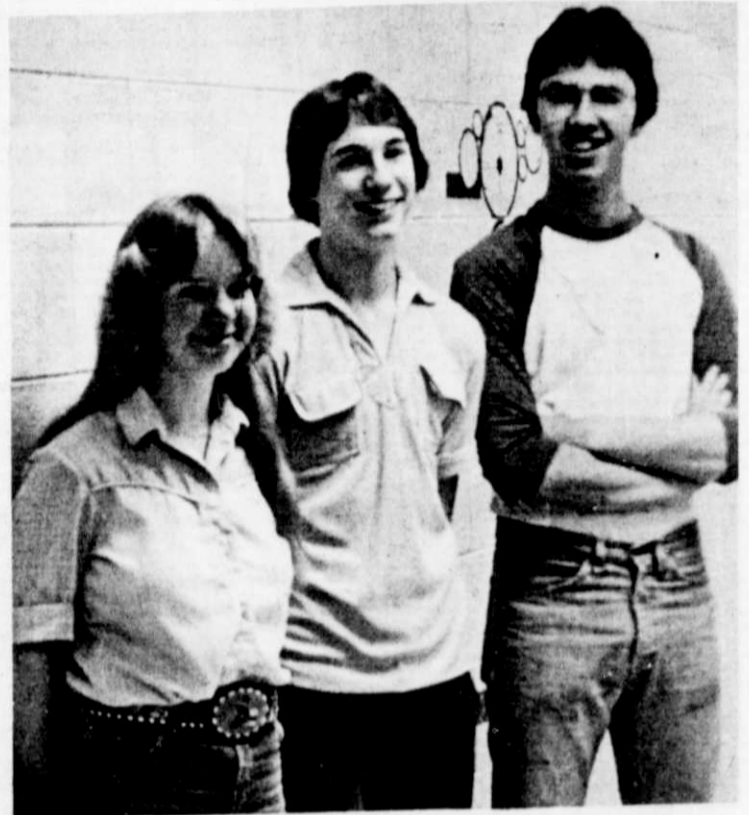

Campbellsport Church to Show Film

Sunday evening, June 6, at 7:30, the First Baptist Church of Campbellsport will show the Christian film "Hi, I'm Ann." It is an evangelistic film featuring Ann Kiemel. She has written several books including I Love The Word Impossible. She is also a popular speaker at Christian conferences across the nation.

Ann has a special way of sharing her faith in Christ. Her enthusiasm for day by day living with the Lord communicates itself to all ages of all faiths.

The church invites everyone to attend this special film. A nursery will be provided and a free will offering will be taken. Plan to have your family attend.

KHS Graphic Art Students Recognized for Papoose Work

During the second week in May, the Kewaskum elementary students received their copies of the Papoose, a yearbook published courtesy of the high school graphic arts department. Under the supervision of instructor Dan Wan-

gerin, this year's Papoose was assembled by graphic arts students left, Julie Lauters, Matt Hanrahan and Tim Indermuehle.

Their talents plus long hours, accounted for this year's successful book.

91-Day Money Market Certificate

**The Ideal Investment Opportunity
From Your Complete Financial Resource Center**

Now you don't have to sacrifice the security of saving with West Bend Savings to get high Money Market rates. With a new 91-Day Money Market Certificate your savings can earn the highest rate allowed by law and still be insured by the Federal Savings and Loan Insurance Corporation and backed by the full faith and credit of the United States.

It's a combination every smart saver should be looking for — a risk-free way to earn high interest on short terms. Compare these benefits with any other investment:

- 91-Day Money Market Certificates are available with a minimum deposit of \$7,500 or more.

- Your deposit will earn a high rate of interest, 1/4% more than commercial banks can pay, based on the 3-Month Treasury Bill.

11.52%

Current Rate available thru June 7, 1982

Penalty for early withdrawal is loss of interest only on the amount withdrawn. Government regulations prohibit the compounding of interest.

- Unlike some money market funds which are subject to daily rate fluctuations, the rate on your certificate is guaranteed for the full 91. days.

- Short term maturity allows you ample flexibility in your financial planning.

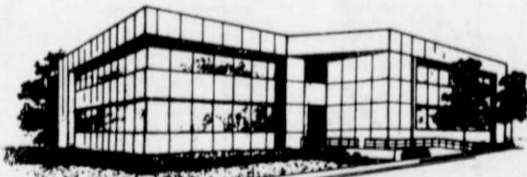

- You can borrow against your certificate at any time or arrange for automatic reinvestment.

- Unlike money market funds, there are no fees or service charges.

- You have the convenience of dealing with any of West Bend Savings seven county-wide offices.

- Your money is fully insured up to \$100,000 and backed by the full faith and credit of the United States.

- Take advantage of short terms, high rates and insured safety with a West Bend Savings' 91-Day Money Market Certificate . . . the ideal investment opportunity.

Your insured deposits are backed by the full
faith and credit of the United States

County Sheriff's Dept. to Participate in Concentrated Accident Reduction Effort

Sheriff Clarence A. Schwartz reports that the Washington County Sheriff's Department will again participate in the 1982 Department of Transportation Office For Highway Safety Funded Concentrated Accident Reduction Effort (C.A.R.E.) Program.

The program is designed to concentrate enforcement of traffic laws on selected high accident ratio highways. The enforcement deputies are assigned on an overtime basis and are in addition to the normal Sheriff's patrol. Wages and mileage are totally funded by the Wisconsin Office For Highway Safety.

The (C.A.R.E.) Program will be utilized from May 28 through September 30, 1982 on highway selected by a computer analysis of the highest accident ratio per mile on the most dangerous highways in Washington County.

This computer analysis was designed to show where the most serious accidents occur, what times they are most prevalent, and the types of traffic violations most commonly considered as possible contributing circumstances in these accidents.

Based on the computer analysis, the Washington County Sheriff's Department will be concentrating on traffic law enforcement on the following highways:

- US 45 (From STH 145 to Paradise Drive)
- STH 60 (From CTH K to CTH C)
- STH 175 (From Amy Belle Road to STH 60)
- STH 33 (From US 41 to CTH B)
- STH 144 (From US 41 to STH 33)

The major enforcement efforts will be on weekends and holidays from 2:00 p.m. through 2:00 a.m. with special emphasis on speeding and operating vehicles while under the influence of intoxicants.

The Wisconsin Office For Highway Safety reports that its 1981 (C.A.R.E.) Program reduced accidents in the selected areas by 31.7%. This program was also estimated to reduce financial loss from accidents by \$18 for every \$1 expended by the (C.A.R.E.) Program.

The goal of the 1982 (C.A.R.E.) Program in Washington County is to reduce accidents by a further 10% by aggressive traffic law enforcement and the high visibility of marked squad cars.

To eliminate the possibility of

Donna Prost and Michael Wenzlaff exchanged marriage vows on Saturday, May 8, at Immanuel United Church of Christ, West Bend.

Officiating at the ceremony were Rev. Richard Wichlei and Rev. Thomas A. Weber.

Providing music for the nuptials was organist, Cheri Hron and vocalist, Peter Ayer.

Parents of the couple are Mr. and Mrs. Merlin Prost of Kewaskum and Mr. and Mrs. Ralph Wenzlaff of West Bend.

Patty Felten, a friend of the couple, acted as maid of honor. The bridesmaids were Karen Storey and Mary Anger, friends of the couple, Darla Prost, sister of the bride, and Mary Wenzlaff, sister of the groom. Julie Prost, niece of the bride, was the miniature bride.

Assuming the duties of best man was Keith Herman, a

friend of the couple. Groomsmen were Dale Prost, brother of the bride, Michael Thull, friend of the couple, Gary Jansen, cousin of the groom and Mark Wenzlaff, brother of the groom. The miniaturist, nephew of the bride, Richie Prost, nephew of the bride.

Acting as ushers were Richard Prost, brother of the bride, and Scott Jansen, cousin of the groom.

A reception was held in the church library after the ceremony, followed by a buffet dinner and dance at the Amerahn, Kewaskum.

Following a honeymoon in Florida, the couple is now residing at 5601 D. Farm Pond Lane, Charlotte, North Carolina 28212, where Mr. Wenzlaff is employed as an instrument repair technician at John Meyer Music Shop.

Wendel - Gerlach

Mr. and Mrs. Allan Wendel, 9615 Cranberry Rd., Random Lake, are pleased to announce the engagement of their daughter, Susan, to Wayne Gerlach, son of Mr. and Mrs. Edwin Gerlach, R. 1, Cascade.

Susan, a graduate of Kewaskum High School, is employed

at West Bend Mutual Insurance Co. Wayne, a graduate of Plymouth High School and UW Platteville, is presently in a farming partnership with his father near Cascade.

There are no immediate wedding plans.

Senior ID Cards Will Be Issued

The Washington County Senior Identification Cards will be issued on June 7 from 3:00 - 5:00 p.m. and also on June 17 from 6:30 - 8:30 p.m. at the Washington County Senior Center, 401 E. Washington Street, West Bend. Washington must be 60 years of age or older to participate in this program. There is a \$1.00 per card cost. If further questions arise contact the Office on Aging at 338-4497.

Just a reminder; this is not a discount card you must be 62 years of age for this card.

Wisconsin Mathematics League Winners [elementary division]

Top row [left]: Eric Pearson, Terrie Little, Erin Wheeler, Steve Gergetz; bottom row: David Engelman, Kim Pridemore, Chad Schmidt, Sheila Paulson, [missing: Keith Bartelt].

This spring, all of the Kewaskum District sixth graders as well as some of our 5th graders competed in the Wisconsin Mathematics contest. The contest consists of computing 40 problems in 40 minutes.

The top point winner from each elementary school in the fifth grade and the sixth grade received a certificate of merit

from the League. The winners were: David Engelman (6th) and Kim Pindemore (5th) from Beechwood; Eric Pearson (6th) and Chad Schmidt (5th) from KES; Erin Wheeler (6th) and Sheila Paulson (5th) from Farmington; and Keith Bartelt (6th) and Terrie Little (5th) from Wayne. The students are shown in the accompanying picture.

In addition, Keith Bartelt from Wayne placed 17th out of all the students in the entire state which is an excellent achievement for one of our students.

Congratulations to all the winners.

(Karen Petric: Gifted Director)

Jeff Mehring Receives Eagle Scout Award

Jeff Mehring, 15, of West Bend, received scouting's highest progress award, the coveted rank of Eagle Scout along with the Catholic Church's highest award, the Pope Pius XII. The ceremony and Court of Honor was held at the Fifth Avenue Methodist Church which sponsors Troop 780, on Sunday, May 23.

Jeff is a freshman at St. Lawrence Seminary and is the son of Nancy and Jeff Mehring. He is a grandson of Harold and Margaret (Miller) Mehring. She is a native of Kewaskum.

A special medal, badge and certificate were presented to Jeff, who began his scouting career at the age of 8 by joining

Holy Angels Cub Pack No. 781. During his years in scouting, he received the Cub Scout of the Year Award, Arrow of Light Award, Mile Swim, Ad Altare Dei Award, along with other scouting achievements. As a Webelo scout, he received the "Outstanding Scout" trophy.

Since scouting's founding by Baden Powell in 1910, over 50,000,000 young men have participated in boy scouting. Out of all these millions, only a handful have overcome the mental and physical challenges to reach the pinnacle of scouting — becoming an Eagle Scout. Bay Lakes Council statistics indicate that only one out of 100 boys will ever attain the rank of Eagle. It means giving endless hours of self in the service to others.

Presentation of the Eagle Award was made by John Roehl, Scoutmaster of Troop

780, while Fr. James Hoefler presented the Pope Pius XII Award. The Eagle Challenge was given by Brad Powers, Tom Kreif, Bob Ramsthal, and Tim Raab, all former Eagle Scouts.

Guest speaker, Tim Scott from St. Lawrence Seminary, reminded Jeff to be of service and extend his helping hand to those who still toil up scouting's trail. "But," he cautioned, "wear the award with humility, ever mindful that the Eagle Scout is looked up to as an example."

County 4-H Camp In June

Pack up your gear and join the rest of the 4-H members who are coming to County 4-H Camp. The joint Washington-Ozaukee County 4-H Camp will be held at Camp Upham Woods near Wisconsin Dells. Upham Woods has many hills and trees. It's located on the Wisconsin river which provides lots of good swimming. Campers live in cabins with a counselor.

The camp dates are June 20-23 junior camp for 9-12 year old members and June 23-26 senior camp for 13-14 year olds.

Camping means making new friends, having fun, getting along with people, understanding and appreciating nature and learning to take responsibility. Campers gain tolerance, learn new skills and grow up spiritually. These are the values of a 4-H camp. Swimming is supervised by qualified Red Cross lifeguards. Camp is directed by the County 4-H Extension Staff, Adult 4-H Leaders and Youth 4-H Leaders from Washington and Ozaukee counties.

Any 4-H member between 9 and 14 years of age is welcome to attend. You can get registration blanks from the 4-H office. Since there is limited capacity at the camp, registrations will be accepted in the order they are received at the 4-H Office.

Why Fire Trucks Are Red

With all of the recent hullabaloo about yellow fire trucks versus red fire trucks some of you readers who favor red might like the following.

Why Are Fire Trucks Red?

Fire trucks have 4 wheels and 8 men. Everyone knows that 8 and 4 makes 12. There are 12 inches in a foot. A foot is a ruler. Queen Elizabeth, a ruler, is also the name of the largest ship on the seas. Seas have fish and fish have fins. The Finns fought the Russians. Russians are red. Fire trucks are always rushin'. Therefore, fire trucks are red.

May 30, 1952

Commencement exercises will be held Tuesday, June 3, at the Kewaskum Theatre, at which time 36 members of the 1952 senior class of Kewaskum High School will receive their diplomas. The graduates are: Edwin Backus, Jean Becker, Elmer Belger, Leroy Bier, Ronald Coulter, William Coulter, Marion Cudnohoske, Ruth Domann, Phyllis Falk, Donna Ferber, Howard Haack, Donald Hammes, Dorothy Hoffman, Nancy Jones, Ann Kadinger, Earl Kluever, Kenneth Klug, Ronald Koepke, Roger Krautkramer, Janette Krueger, Janice Liepert, Joanne Loomis, Earl Petri, Bernice Prost, Eldon Ramthun, Richard Romaine, Robert Rose, Joan St. Mary, William Sippel, Lois Stange, Ronald Stange, Floyd Stautz, Patricia Stenman, Audrey Uelmen, Ronald Vorpahl and Gordon Wierman.

The Town Cafe located in the Heisler building on Main Street in Kewaskum is again open for business under new management. The new proprietors are Cecil and Ruth Crowner and their daughter of Oshkosh and they reopened the lunch room last Sunday.

Trustee Eberle reported at the last Village Board meeting on his program of lining up a children's summer recreational program. He reported that Mr. Bade of the Kewaskum High School staff would be willing to put on an eight-week program for a price of \$600.00.

Miss Gladys Zipperer, daughter of Mr. and Mrs. Joseph Zipperer, Elkhart Lake, and Helmuth Lubitz, Jr., son of Mrs. Helmuth Lubitz, Sr., Route 1, Kewaskum, were married on May 24, in St. Lucas Ev. Lutheran Church in Kewaskum.

Miss Lorraine Kuehl, daughter of Mr. and Mrs. Roman Kuehl, Route 3, Campbellsport, and Vincent Ryan, son of Mr. and Mrs. Leo Ryan, Route 1, Campbellsport, were married in St. Kilian, May 24.

Kewaskum, WI 53040

June 3, 1932

On Wednesday afternoon papers were drawn whereby the partnership of the Kewaskum Hardware and Electric Company was dissolved, Leo Skupniewitz purchasing the interest of his partner, Ernst Claus, becoming the sole owner of the business.

If the Speaker Garner relief bill passes United States Congress, Kewaskum will be one of the many places where new post office buildings will be built. It is expected that by Friday everything will be in readiness for the final draft of the bill.

Lester Borchert and John Spoerl Jr., of Wayne, who have been ill with scarlet fever for the past four weeks will be dismissed from their quarantine within a few days.

On Memorial Day, May 30, a nine pound baby boy, arrived at the home of Dr. and Mrs. R. G. Edwards of Kewaskum. The new arrival received the name of William August.

75 Years Ago

June 1, 1907

The annual commencement exercises of the Kewaskum High School will be held in the South Side Park Hall on Thursday evening, June 6. The following named scholars will receive diplomas: Albert C. Schaefer, Anthony B. Zwaschka, Lauretta L. Schmit, Ben H. Mertes, Franklin G. Backhaus, Ellen N. Wunderle, Ervin D. Koch, and Alvin D. Backhaus.

The Town Board of Kewaskum let the contract for building a 14 x 16 foot concrete bridge

one and one-half mile north of St. Michaels on the range line last Monday.

Edw. C. Miller received a large 12 x 24 foot tent last Monday which he has set up on the lot adjoining the drug store. He will open tomorrow and take stamp photos and postal cards.

A. Schnurr will have his sawmill in operation about the middle of next week in the village of Kewaskum. All those having logs there kindly mark them so as to avoid mistakes.

The roofs in the Wayne vicinity were covered with snow last Monday morning.

A baby girl was born to Mr. and Mrs. Jos. Straub of St. Kilian last Saturday. A boy was born to Mr. and Mrs. Andrew Strachota, also of St. Kilian.

James Rohlinger Enters Air Force

Milwaukee, Wisc. — James Rohlinger, son of Mr. and Mrs. Norbert Rohlinger, 1209 Roseland Drive, Kewaskum, enlisted in the Air Force's Delayed Enlistment Program in Milwaukee, May 24, 1982.

James, a 1981 graduate of Kewaskum High School, is scheduled for enlistment in the Regular Air Force on January 7, 1983. Upon graduation from the Air Force's six-week basic training course, he is scheduled to receive technical training as a Personnel Specialist.

He will be earning credits toward an associate degree in applied sciences through the Community College of the Air Force while attending basic and other Air Force technical training schools.

Technical Sergeant Tim Giersch of the Air Force Recruiting Office, 7101 West Capitol Drive, Milwaukee, Wisc., (414) 461-0800, arranged all pre-enlistment testing and processing for James.

Today's Medicine

By Tom Lietzke, R.P.H.

SOME ANSWERS TO IMPORTANT QUESTIONS ABOUT THE MEDICATION YOU ARE TAKING

What if your friend had what seems to be the same illness and she offers you some leftover medication that worked well for her?

Never exchange medication with a relative or friend, no matter how similar your illness may seem.

What if you usually have a cocktail or two before lunch or dinner and are taking prescribed medication?

Try to avoid alcoholic beverages when taking any medication.

What if you go to another physician and he prescribes another medication for you?

Keep an up to date list of all the medications you are taking. Show the list to any physician who intends to prescribe another drug for you.

What if your medication doesn't seem to be making you better?

Don't expect your medicine to make you feel better immediately. Give it time to work.

What if you start to feel better after the first day or two on your medication?

Don't be lulled into a false sense of security if you start feeling better after a day or two. Stopping your medication too soon may cause a relapse or flare-up of the original problem.

What if you know you are supposed to take your medication three times, each day but, aren't certain as what times it should be taken?

Make sure you understand when each of your medications should be taken because timing can have a strong effect on the success or failure of certain medicines.

What if your medicine seems to make you feel (drowsy or less alert)?

Because a number of medications may cause temporary drowsiness, be particularly careful when driving a car or operating any dangerous machinery.

What if you can't remember whether you've taken the last dose of your medication?

If you have skipped a dose of your medication, don't try to catch up by doubling the next dose on your own.

Letters to the Editor

5/28/82

5/28/82

To the Editor:

In my opinion the last school board meeting was appalling. Personal, verbal attacks on board members by the public and other board members should not occur.

The school board members (whoever they may be) were elected to conduct school business. They were not elected to suffer verbal abuse. Verbal abuse is time consuming and counter-productive. We have enough business to occupy the board's time. Honest discussion of different view points and alternative solutions to problems should be welcomed. Sarcasm, name calling, and other things of a similar nature are not needed.

A concerned taxpayer

.....

Letter to the Editor:

"How low can you go?" This statement certainly applies to the person or persons who took the geranium plant off my mother's grave at St. Lucas Memorial Park recently. It was put on her grave for Mother's Day - to honor a mom who tried to instill in her children what's right and wrong. Also, a thanks for the love she gave so freely to all of us. Are these values and love so sorely missing in some of our children's lives today that they have to resort to deeds such as stealing off cemeteries to get attention!

Think about it!

Mrs. Lester Strobel

.....

May 31, 1982

Dear Mr. & Mrs. Harbeck:

The Kewaskum Historical Society Inc. would like to thank you for the excellent coverage of the Kewaskum Statesman of the Society's Log Cabin grand opening on Saturday, May 29, 1982. The Society was very pleased with the turn-out and was proud to share with the public their accomplishments. The list of those that should receive a special thank you and special praise is just too long for us to mention everyone individually. It takes good community involvement and support to put together a project such as the museum and log cabin.

The museum and log cabin will remain open for the public to view, the first, second and fourth Sundays of each month during the summer, from 1:00 p.m. to 4:00 p.m. The Society invites everyone to tour the museum and log cabin and to also join us at one or all of our regular meetings. These meetings are held the 3rd Tuesday of each month at 8:00 p.m. at the Kewaskum Valley Bank meeting room. There is one planned deviation and that is for the month of June when the meeting will be held on the 22nd of June, with the location to be announced in the June 18, 1982, Kewaskum Statesman.

Thank you and the community again for your support.

Sincerely yours,

THE KEWASKUM
HISTORICAL SOCIETY
Daniel S. Schmidt
President

.....

To the Editor -

To zone means to impose restrictions. The Town of Auburn intends to rezone all property. Very few property owners have attended the Planning Commission meetings where the decisions are being made.

Shortly a public hearing will be held. The property owners will be able to comment on the proposed rezoning. It is recommended that all property owners become familiar with the three zoning categories.

The zone your property and adjacent property is placed in could affect the use and/or resale of your property. Owners comments at the public hearing will not necessarily change the zoning already determined. Determine your restrictions and those of adjacent property. Express your feelings if you are not satisfied.

A concerned property owner

.....

Editor, The Statesman:

In the next few weeks, an appointed committee of School Board members Tom Brigham, Ralph Horner and Dr. Ogi will meet to formulate new rules concerning citizens' rights to communicate with the School Board at a meeting. The meetings held by these board members are subject to the Open Meeting laws. Whether a citizen is pro or con on any particular subject, it is vital that all citizens speak up now to the committee members or forever hold their peace. Once rules are formulated and passed, it will be too late to change what will become board policy.

The proposed new policy on citizens' rights to speak at a meeting could be changed considerably. It is being proposed that if a citizen wishes to speak on any subject, the citizen must sign up before a School Board meeting and state the subject on which he wishes to speak. A time limit may also be enforced. Once the board begins its deliberations, no citizen will be allowed to speak. If any board member mistakenly presents misinformation, no citizen may speak up and give correct information.

It is true that at some School Board meetings, some citizens have become loud. The School Board deals with two of our most precious assets - our children and our pocketbooks. I don't feel anyone comes to a meeting with the intent of disrupting an orderly meeting. However, when a subject is being voted upon which directly affects our children or our pocketbooks, a citizen feels it's now or never to speak up. If a new board policy is adopted, citizens' remarks will be out of order unless they are made in a prepared statement before the board begins its own deliberation.

Should the Kewaskum School Board have to make a decision such as West Bend did on the subject of creationism, then certainly rules have to be made when 50 to 100 people wish to be heard on one subject. Fortunately, our School Board has not had to deal with a subject that draws such a large number of citizens. If it even should, then a temporary set of

rules could be used with few objections.

Please take the time to contact one or all of the committee members who will propose to the board just what our citizens' rights will be. Let's keep democracy alive and well in Kewaskum.

Ruth Schmitt
(Not Mrs. Harold)

.....

To the Statesman:

I would like to thank you for being selected to be the recipient of this year's Kewaskum Statesman Journalism Award at the Indian Banquet. Words can never describe my appreciation for having been chosen. I hope that I will be able to continue to serve the community in more ways in the future.

Sincerely yours,
Kevin K. Ader

.....

Dear Editor:

Recently an ad appeared in the Kewaskum Statesman which shocked and dismayed me. As the president of the Board of Directors of Washington County Planned Parenthood, I find it most alarming that this agency which has contributed significantly to the health and well being of so many Washington County families and which enjoys the support of so many people could be portrayed by distortion and innuendo.

Planned Parenthood believes that rarely does a human being make a more profound moral decision than when he or she contemplates parenthood. Choosing to become a parent is to accept a long-lasting and often enriching obligation which should be approached with the most careful deliberation.

Everyday of our working lives our programs act on this belief through the provision of the highest quality voluntary reproductive health care. During 1981 family planning services were provided to 1022 women and men, 90% of them came from low income families. Our educational services reached 3564 people in every part of Washington County.

Some of the services which Planned Parenthood of Washington County provides are: full gynecological exams which include cervical and breast cancer screening (Planned Parenthood is the largest reproductive cancer screening agency in Wis.), venereal disease screening and treatment, pregnancy testing and determination, and counseling for infertility and sterilization.

Educational programs include the "Askable Parent Programs," and programs by request for schools, churches, and other community organizations.

Besides the above services, Planned Parenthood sponsors many other programs some of which you might be unaware of. We sponsor a group, "Support in Infant and Child Death," for parents who have lost a child. We sponsor Prenatal Classes for single parents and their support person, to encourage good nutrition, good health care, good decision making, and to teach techniques to make labor and delivery easier. We also sponsor the WIC (Women, Infants, and Children) Program which provides nutritional food

supplements and education to 500 low income Washington County women, infants, and children who besides being low income have other health factors, such as, anemia, low birth weight, teen pregnancy, or slow developmental growth. These programs provide only the highest quality services to help maintain the integrity of the family.

Planned Parenthood of Wisconsin - Washington County does not perform abortions. Nor as stated by the audit performed by the Inspector General, does PP encourage or promote abortion with any taxpayers money. Our primary goal is to prevent the need for abortion. And, in fact, the contraceptive medical services we provided to over one thousand people in Washington County, and to 51,000 people in Wisconsin, did far more to promote choice "before conception" than any other service or group in Wisconsin.

The following points are in response to the ad which was recently run in your paper.

1. The abortion decision can only be made by the individual involved. Planned Parenthood would never impose on so profoundly a personal decision. A recent audit, the result of which were published by this newspaper, clearly refutes the outrageous allegation the "you lost your right to stop them (PP) from aborting your baby." Planned Parenthood does support the right of the individual to make so personal a decision.

2. Tax support for Planned Parenthood supports only contraceptive medical and educational services - as documented by every audit that has ever been done on any Planned Parenthood in the US. Audits have been done by the FBI, the Inspector General of the Department of Health and Social Services, and the General Accounting Office of the US Congress.

3. Planned Parenthood is

committed to ensuring that every child is born into a welcoming and strong family environment.

4. Tax dollars do not pay for abortions, except in the most extreme cases (cases they themselves state in the ad "are so rare that statistics are virtually impossible to obtain)."

5. Virtually there are no abortions performed in the 9th month of pregnancy. While only 5% of all abortions are done in the second trimester, one of Planned Parenthood's goals is to reduce this number even further.

6. No doctors or nurses can be forced to do abortion procedures. Planned Parenthood believes fully in the inviolability of individual conscience, and would vigorously oppose such a measure. No hospital can lose its funding. No religious organization is threatened. Such statements simply are not true.

7. Planned Parenthood believes that parents should be the primary sex educators of their children. Planned Parenthood has special programs to help them better fill that role throughout the entire life of their family. Planned Parenthood always encourages parents to guide and counsel, and over 50% of our teen patients involve their parents voluntarily.

Planned Parenthood, thus, provides services to those who want and need them. No one is coerced; no one is turned away. All of us in Washington County benefit. The services we provide speak for themselves.

Sincerely,
Judy Groth, President
Planned Parenthood
Board of Directors

DNR Detects Amounts of Radioactive Element Radium in Eastern Wisconsin Drinking Water Supplies

The Department of Natural Resources has detected amounts of the naturally-occurring radioactive element radium in levels higher than the state and federal standard in seven eastern Wisconsin community drinking water supplies.

DNR environmental specialists believe the problem reaches beyond the seven groundwater fed systems. They believe that additional information will reveal elevated radium levels in other deep sandstone wells in an area extending inland 40 miles along Lake Michigan from Illinois to Door County.

Daniel Wilson, DNR's safe drinking water coordinator, said the Department would look closely at about 150 community water supplies within that region to determine the magnitude of the problem. The agency also will propose additional investigations to pinpoint the geological formations contributing the radium and to determine ways of providing water within acceptable standards.

State health officials emphasize that even though the radium levels exceed the standard; and the affected community water systems are required to notify customers of the test results, no immediate public health threat exists.

The systems which exceed the standard of 5 picocuries per liter (pCi/l) of water are: Germantown, 9.3; Waterford, 7.4; Security Acres-Addition-Franklin, 6.2; Caddy Vista Sanitary District-Racine, 7.1; Pleasant Prairie Sanitary District-Industrial Park-Kenosha, 21.8, and North Fond du Lac, 7.2

A drinking water standard exists for radium because consumption of water containing radium above the standard over a lifetime is thought to increase the risk of certain forms of cancer.

"The public health risks associated with radium concentrations at these levels in drinking water are admittedly low," said Dr. Henry Anderson, Chief of the State's Environmental and Chronic Disease Epidemiology Section. "But we feel it would be prudent to explore possible means of reducing the concentration to remain below the standard. Although no direct relationship has been established between consumption of this quantity of radium over a lifetime and an increased incidence of human cancers, estimates can be made based upon occupational levels of exposure and animal studies. The estimated risk levels utilized in establishing the 5 pCi/l standard translate into approximately 1 excess malignancy death per year per one million people drinking at least one-half gallon of water each day." The risk is comparable to death from being struck by lightning or death resulting from being bitten by an animal or insect.

Dr. Anderson stated that short-term risks were negligible and cautioned against seeking substitute water of unknown bacterial or chemical content.

The occurrence of elevated levels of radium appears to be restricted to systems in eastern Wisconsin with wells drawing from deep (500-2,500 ft.) sand-

stone formations which are overlain by a shale layer. "While it is known that shale is comparatively higher in natural radioactivity than many other rock types, we can only speculate at this time whether the shale itself is the primary source of the observed radium," Wilson said. "We have not seen the problem in systems using shallower wells." Wilson noted that the concern is primarily with community wells, since most private wells draw water from shallower soil and rock formations. By investigating the source of the radium, the state will be able to provide additional information to all deep well owners in the affected areas.

Routine monitoring for radioactivity became Wisconsin law in 1978, when the State accepted primary authority for enforcing provisions of the Federal Safe Drinking Water

Act. Initial radioactivity screening for a "gross alpha particle count" is done at the State Laboratory of Hygiene. The followup radium analyses are performed at a nationally approved laboratory in Pennsylvania. The official radium levels now being reported are from samples which must be composited over a one year period. Following the establishment of such exceedances, each system is required to collect a sample each calendar quarter until the problem is resolved, said Wilson.

"It should be pointed out that people are exposed every day to natural radioactivity from several sources," said Larry McDonnell, Chief of the Radiation Protection Section of the Department of Health and Social Services. "Cosmic rays from outer space and radiation from the earth's crust are two major sources, and there is

some radioactivity in food." Daily consumption of one-half gallon of water at the standard of 5 pCi/l approximately equals the daily background levels in Wisconsin, added Wilson.

Because the current situation is not considered to be an imminent health problem, the affected communities will have some time to consider various methods of reducing the radium levels. Blending water from several sources is one option. A number of water systems have both shallow and deep wells and some may be able to immediately reduce the radium levels by using the shallow wells as the primary sources. Because radium is chemically similar to calcium, conventional water softening techniques are effective in removing it.

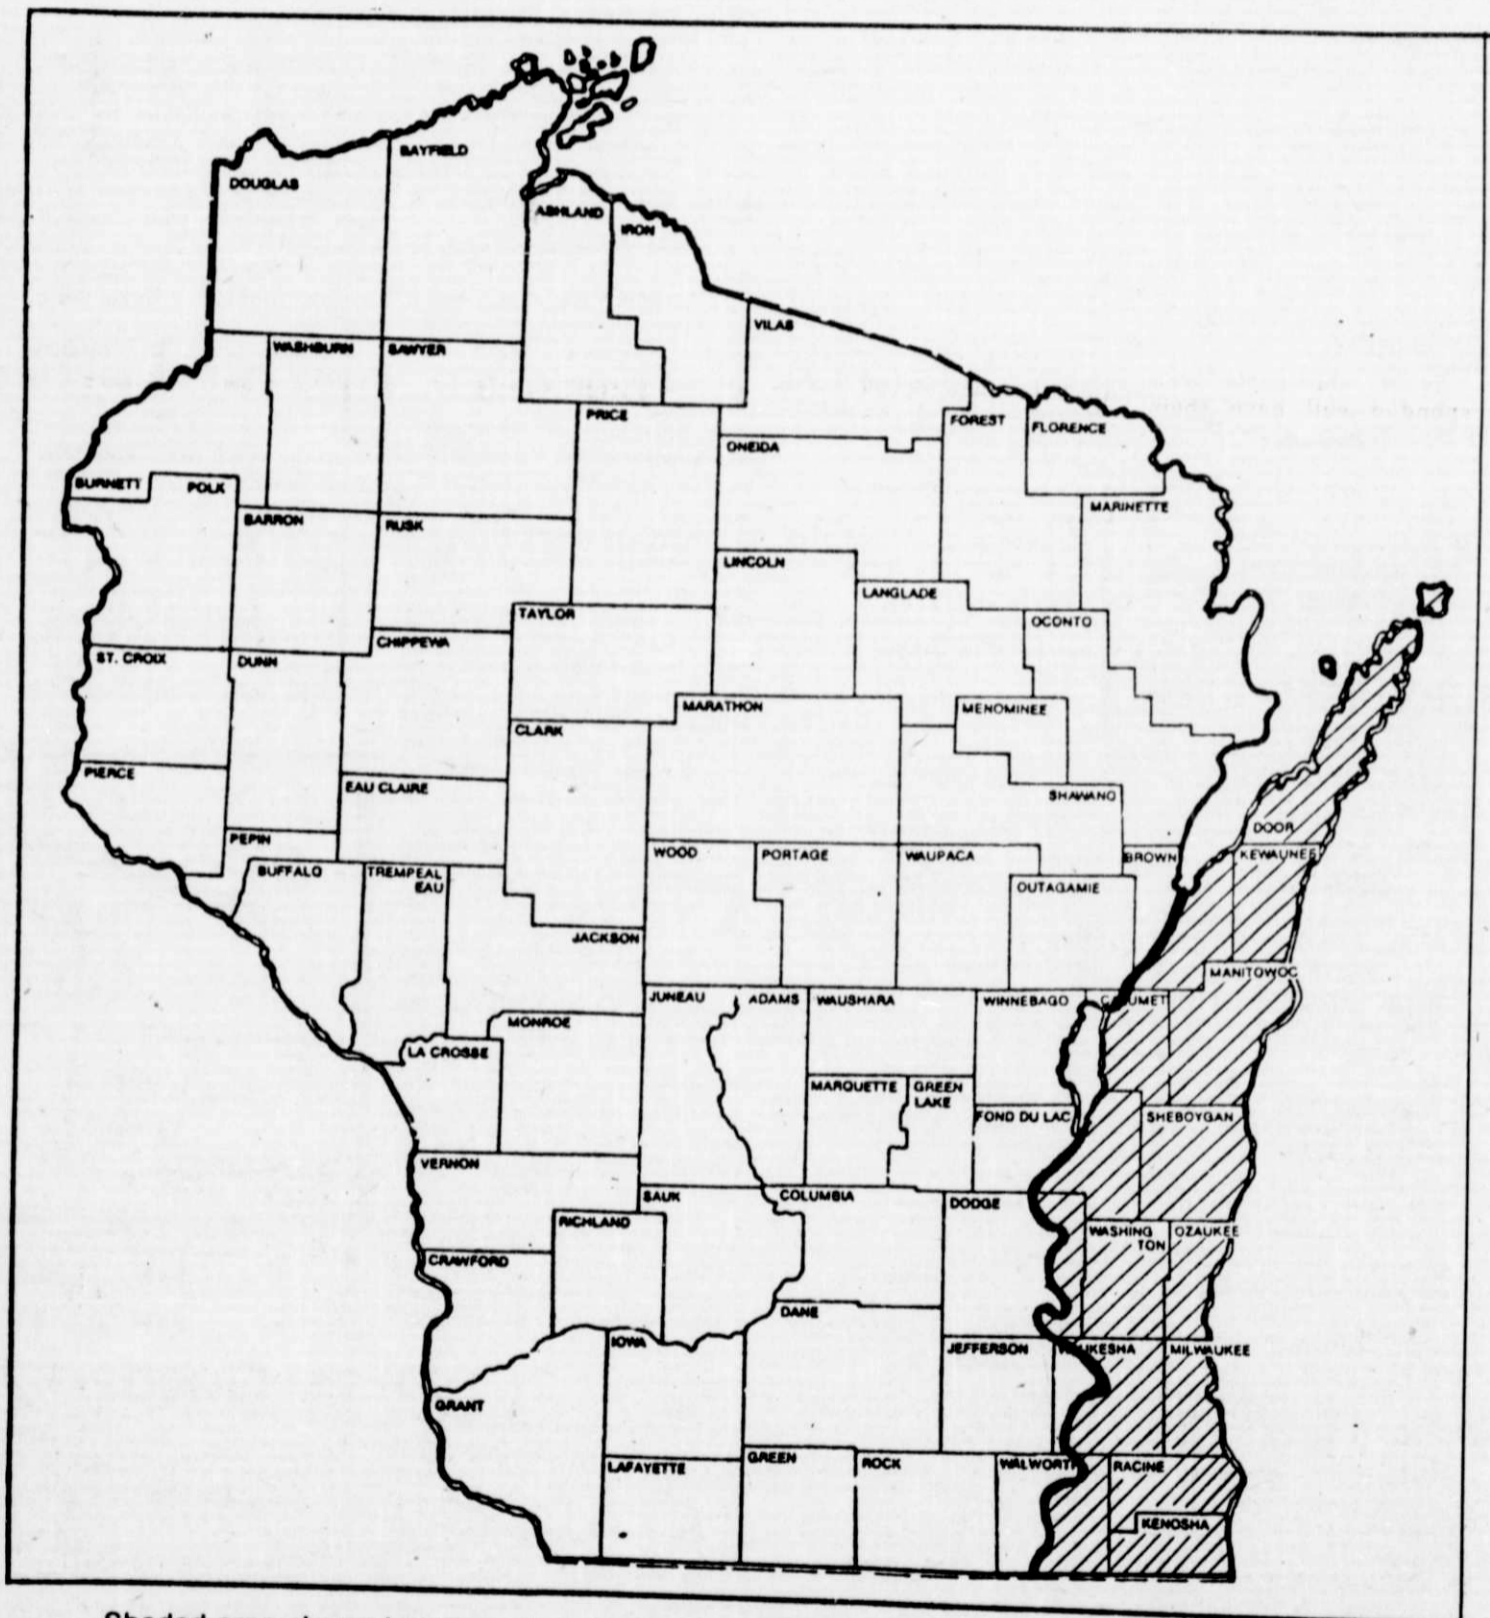

Wilson stressed again that the radium occurrence is strictly a natural phenomenon in the geologic formations and is not

associated in any way with human activity.

"Wisconsin is not alone in beginning to identify a problem with natural radioactivity," Wilson said. "The U.S. Environmental Protection Agency reports that at least 31 of 45 states which have begun testing have at least one water system exceeding the radium standard. It is certainly a national concern which will have to be addressed

Wilson said a special effort will be needed to identify the specific sources of the radiation within Wisconsin's deep sandstone aquifer. Efforts to better determine the exact area of the state - including areas outside eastern Wisconsin - covered by the problem also are needed, he said.

For further information:
 Dan Wilson: (608) 266-7093
 Dr. Henry Anderson: (608) 266-1253
 Ted Bosch: (414) 257-6939.

Shaded area shows location of shale layer in Wisconsin which will be studied further to determine extent of natural radium occurrence in groundwater.

WISCONSIN'S NEW DRINKING/DRIVING LAW

NEW DRUNK DRIVING LAW CARRIES DOZEN LICENSE LOSING CLAUSES

[Fourth in a series]

The state department of transportation said there are about a dozen ways in which a driver can be revoked or suspended under the new drinking/driving law which went into effect May 1.

Loss of license for various periods result from convictions for operating under the influence of alcohol or other drugs, for refusing the chemical test for intoxication, failure to go to an assessment center, failure to pay for the assessment, failure to comply with the driver safety plan developed at the assessment center, driving after suspension or revocation, violation of an occupational license, failure to stop for an accident, conviction of causing injury, great bodily harm or homicide while OWI. In addition, drivers may have their license suspended or cancelled when the department receives reports of two or more OWI arrests, even if the driver hasn't gone to court.

The department said occupational licenses may be granted after various waiting times for most of the convictions, however drivers are required to file proof that they have insurance. This usually places them in the "high risk" insurance category, which means substantially higher premiums.

Drivers who have been suspended will have their driving privilege restored at the end of the suspension period upon payment of the \$20 reinstatement fee. Revoked drivers must repeat the entire driver licensing testing program, including producing a

copy of their birth certificate.

Leaflets about the new drunken driving law are available free of charge at Driver License Exam Stations, State Patrol Districts, and most local law enforcement agencies. They may be requested by writing the Department of Transportation's Office of Information/Safety, PO Box 7910, Madison, WI 53707.

CAMPUS NOTES

Two Kewaskum High School juniors were among visitors who attended a May 14 On-Campus Day at the University of Wisconsin-Whitewater.

On-Campus Days give prospective students and their parents an opportunity to learn more about UW-Whitewater. They can visit with students, administrators, and faculty, receive academic counseling and general orientation, and take tours of the campus, including residence halls and classroom buildings. Each academic department has faculty and students available to discuss courses of study.

Visitors included Rachel Ellefson, Route 2, Townline Rd., and Lori Luebke, 2083 Stony Creek Dr., both of whom would like to study accounting.

Americans now spend nearly \$200 billion yearly on leisure and recreation.

Legion Post Extends Thanks

In behalf of the Robert G. Romaine Post 384, the American Legion wishes to thank all who participated in this year's Memorial Day exercises. Special thanks to Richard Kellow for the memorial address, to Rev. Fr. John Budde, the Village Board members present, the Kewaskum High School band under the direction of Larry Ammel, the students, Shelly Sekas, Craig Rosenthal and the students in the quartette, also the Fire Dept. and Scouts who marched in the parade.

We also wish to thank one of our local businessmen for picking up three senior citizens from this area so they could be present at the Legion Memorial Day services and enable these veterans to the Old Guard Alliance to pay their respects to old comrades who have heard the last bugle call.

Gilbert Seil, Commander
Robert G. Romaine Post 384
The American Legion
Kewaskum, WI.

RACING RESULTS

by Jae Omen

Friday - Capital Speedway Oregon

Two area drivers in the late Model Division put on a good show of racing in the main event on the 1/2 mile asphalt.

Joel Laufer of Hartford and Willie Goeden of Kewaskum, see-sawed for the lead 16 laps of the 25 lap feature.

Laufer spun coming out of turn four to bring out the yellow. Although Goeden led out the restart, he was passed by fast qualifier Steve Burgess of Eau Claire and Dave Watson of Milton.

Laufer finished 12th and Goeden had to settle for third.

(Goeden's string of wins for a 10 lap heat event has been extended to 4, after winning the last heat at Capital).

Slinger Super Speedway Slinger

Before the second largest crowd in the history of the track, Allan Kulwicki of Milwaukee, posted fast time and took home the checkered flag for the Memorial Fifty.

Ron Bennett of Neenah took

off from the front row position and had a good lead, as Goeden, followed by Ziegler, Watson and Strupp worked their way through the pack.

On the 23rd lap, Bennett's engine "let go" and the caution came out. Goeden inherited the lead on the inside, with Johnny Z. in the outside groove. They continued to duel for the lead, with Kulwicki, Strupp and Watson, close at hand! A caution on the 34th lap, (with Rick Lisko coming off turn four, hitting Conrad Morgan of Dousman), saw little change in the lead when the race resumed. On the 42nd lap, Ziegler dropped back, giving Kulwicki a chance to make a bid for the lead and taking it from Goeden on the 44th lap. Goeden slipped to third as Watson passed him on the 47th lap. Ziegler and Strupp finished fourth and fifth respectively.

The drivers in three divisions plus the demo derby, shared in a purse of \$8,000.00.

Eleven year old Jim Tellier, son of Mr. and Mrs. Tom Tellier of R. R. Campbellsport, won the 10 speed bike given away on Sunday, at the Slinger Super Speedway. He, along with his parents, brother and sister, run a dairy farm, west of Elmore.

Kewaskum Loses To Port in Lakes

On Wednesday night, May 26, Kewaskum lost to Port Washington, 9-4, in a Land o' Lakes game.

Port scored 2 unearned runs on one hit in the first inning and 3 more in the third on 1 hit and 4 walks.

In the fourth Kewaskum scored 3 runs on 2 hits. Mike Fifrick was safe on an error, Ron Theusch walked, Scott Muench singled Fifrick home and Mike Donath singled Theusch and Muench home.

In the bottom of the fourth Port scored a run on a single and a long triple by Schuknecht and in the seventh inning they scored 3 runs on 3 hits.

Kewaskum scored their final run when Randy White led off the ninth with a double, went to third on an infield out and scored on a wild pitch.

Fifrick led Kewaskum with 2 hits, while Don Prueffer and Bob Greisch each had 2 hits for Port.

For Kewaskum Steve Muench pitched the first 6 innings and was the loser. He gave up 6 runs on 5 hits, striking out 2 and walking 7. Tom Bartelt pitched the last 2 innings, giving up 3 runs and 4 hits, striking out 2 and walking 1.

For Port, Bruce Bloemer pitched all 9 innings and was the winner. He gave up 4 runs on 5 hits, striking out 10 and walking 7.

Friday, June 4, Kewaskum hosts Waupun in an 8:00 Tri-County game and on Sunday, June 6, Saukville comes to Kewaskum in a 1:30 Land o' Lakes contest.

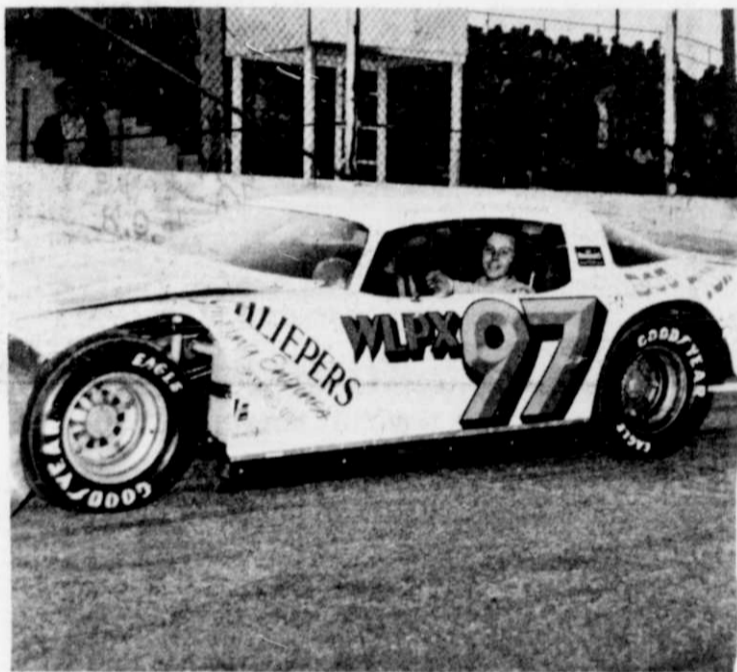

HON-E-KOR C.C. TUESDAY NIGHT MEN'S LEAGUE

Linda Larsen Qualifiers for State

Girls 5th, Boys 12th in Sectional Track Meet

Mayville and Milwaukee King tied for first place in the close boys' competition and Slinger handily won the girls' title in Thursday's Class B sectional track meet at Slinger.

The Kewaskum girls finished fifth out of 14 schools in the girls' end of the meet and the Indian boys wound up twelfth out of 14 teams in the boys' end of the sectional.

Milwaukee Rufus King and Mayville finished in a tie for first with 70 points each among the boys. Kewaskum was twelfth with 11 points. Slinger's girls ended up first with their 85 points, Kewaskum ending up fifth with 39 points.

Conditions were not good for a track meet on a damp day, but enthusiasm ran high among the 28 teams that participated.

The Indians have one lone qualifier, Linda Larsen, in the 800, for the state meet. This is Linda's second trip to Madison. She also went with the girls' basketball team which placed second in the state tournament. Larsen, taking first in the 800, got off to a fast start and was never headed in the two lap race. She had a time of 2:23.3.

Teammate Wendy Wilson was third and could possibly also have a shot at advancing to state. Nigh took a third in the long jump, Kempf a fifth in the discus, the team took a third in the 400 meter relay, Nigh fourth in the 300 meter hurdles, the 1600 meter relay team took a fourth, Kempf a third in the shot put, and Klein a sixth in the 3200 meters.

Only Kewaskum placers among the boys were Johnson, a fourth in the 100 meter hurdles, Steinhardt, a sixth in the high jump, and Mueller, a fourth in the 300 meter hurdles.

Indian Golfers Win Regional Again

For the third successive year, the Kewaskum Indians won their own golf regional last Tuesday and advanced to the sectional tournament this week at Port Washington.

The Indian golfers came in with a 329, finishing far ahead of the other three teams. They finished 30 strokes better than second place Campbellsport. Ozaukee was third with 378 and Random Lake last with 400.

Kewaskum's Mike Heisdorf was back in form with a 38-41-79, which gave him medalist honors along with Rick Serwe of Campbellsport. Due to the fact that three individuals also advance to the sectional along with the winning team, no playoff was necessary. Serwe's rounds were 39-40.

Indian soph Chris Harlow was third with 81. He had a 42 on the front side and a 39 on the back nine.

The other two counters for Kewaskum were Scott Nigh, who had an 85, and soph Tim Leitheiser, who hit 84 and had the fourth best round of the day. Leitheiser has made much improvement during the season.

The other Kewaskum regular, Karl Zaring ran into putting trouble.

Medalists: 1. Mike Heisdorf, Kewaskum, 38-41-79 tie; Rick

WIAA CLASS B TRACK SECTIONAL - AT SLINGER BOYS

Sessions: 1st session June 7-28, 2nd session June 30 - July 21.

Any questions? Contact Darcie Schmidt ph. No. 626-4278.

Indians Top Two Rivers

By Cathy Schlice

The Kewaskum Indians played their second game of a 24-game schedule in two conferences at home Tuesday, June 1, when they defeated Two Rivers in the Eastern Wisconsin Conference. They had already initiated their Scenic Moraine Conference season with a victory over Campbellsport last week.

Second year head coach Perry Koth has seven lettermen back, including two of his three starting pitchers and the outlook for the season is bright.

Senior pitcher Jeff Geidel got his season off to a fine start Tuesday when he helped his teammates to a 5-2 win over Two Rivers. Jeff allowed only 3 walks and struck out 14 of 23 batters. He also went 2 for 3 at the plate and tagged a long fly to left.

Rick Peterson led Two Rivers with 2 hits and scored the Raiders' only 2 runs. Rick scored in the first and again in the second.

The Indians first score came in the second inning when junior Rod Donnelly scored from third on a single by Steve Straub. In the fifth Stuart Stautz and Brad Dieringer each scored on an error. In the sixth Darryl Tews and Dieringer both scored on a double, hit into the gap in right centerfield by soph Dave Pesch.

Kewaskum is now 2-0 overall, with 1 win in both the Scenic and Eastern Wisconsin Conferences.

The Indians were without 3 regulars because of training rule violations.

Kewaskum — Stautz 4-1-1, Geidel 3-0-2, Heberer 4-0-0, Larsen 3-0-0, Donnelly 4-1-2, Straub 3-0-1, Tews 2-1-0, Dieringer 1-2-0, Pesch 3-0-1.

Two Rivers — Reinhardt 3-0-0, R. Peterson 3-2-2, J. Peterson 2-0-1, Nebil 2-0-0, Yakoukk 3-0-0, Messman 3-0-0, Peeschek 2-0-0, Duval 3-0-0, Parma 2-0-0.

Winning pitcher: Jeff Geidel. Losing pitcher: Messman.

Kewaskum Coach On Staff for Boys Wrestling Camp

Enrollments are now being accepted for the Boys Wrestling Camp to be held June 21-25 at the University of Wisconsin Center-Fond du Lac.

The camp will consist of a 5-day training period for two hours per day. The session for boys in grades 6-12 will be held from 8 to 10 a.m. Boys in grades K-5 are to enroll in the 10 a.m. to noon session. The fee per student is \$25, which includes instruction, clinic notes, and insurance.

Basic skills and fundamentals of wrestling will be emphasized in Greco Roman and Freestyle techniques. There will also be

instruction in setting goals, weight lifting, and running.

Larry Marchionda, two times New York State High School champion, Olympic regional champion, 1976 State A.A.U. and USWF State Greco Roman Champion and 1979 State A.A.U. Freestyle Champion, will be the camp director. Marchionda also coaches the Goodrich High School Wrestling team and coached the Wisconsin team in Europe.

John Nell, wrestling coach at Kewaskum High School and State A.A.U. Freestyle Runner-up, will be on the staff along with other national caliber wrestlers.

Contact the Office of Community Outreach at the UW Center-Fond du Lac for information or to register at 929-3622.

Winners in Big Fish Contest

The week of May 23rd thru 29th was a good week for fishing. Some nice fish were weighed in at Village Sport Shop for their Big Fish Contest.

Rob Baitinger, Kewaskum, brought in the winning northern caught on Lake Winneconne. It weighed 11.2 lbs. and measured 37 inches. There were two other nice sized northerns brought in this week. Both were caught in the Milwaukee River. John Elsinger, Kewaskum, had one over 5 lbs. and Keith Callahan, Kewaskum, pulled one out that weighed 10.2 lbs. and measured 36 inches.

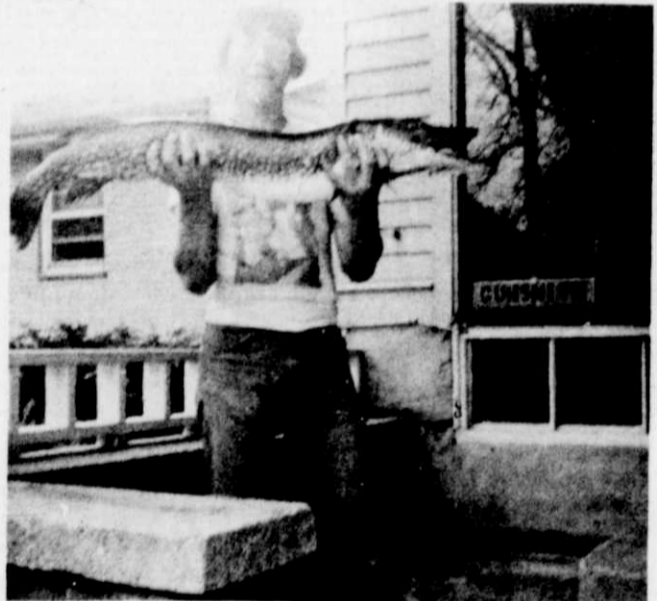

Mitch Gebheim, Kewaskum, proved his angling skill by landing a 6.1 lb., 26½ inch walleye. He was fishing on Long

Lake, using a Mupps lure.

Dricken's Lake was where Michael Frank of Kewaskum caught his winning largemouth bass. It weighed 4.7 lbs. and measured 21 inches.

Eric Ebert, Kewaskum, brought in the winner for the panfish category. It was a 7 oz., 8½ inch bluegill caught on Long Lake.

Congratulations to all. Village Sport Shop would like to encourage everyone to bring in their fish for the contest. The contest will run until July 3. Weekly prizes are given away and there will be a grand prize drawing at the end of the contest for the heaviest fish in each category.

Chris Neuman, Kewaskum, with his 12 lb., 40 inch northern caught in the Milwaukee River in May.

Dave Weidner, Kewaskum, caught a 3.8 lb., 20 inch largemouth bass at Mauthe Lake on May 16.
