Committee Begins Task of Finding New School Superintendent

By GERRY MUELLER
Statesman Staff Writer

Two of the three school board members assigned to do the preliminary work and set hiring procedures for selection of a new school superintendent held its first meeting Saturday afternoon.

Dik Buntrock of Buntrock and Associates of West Bend and Arizona, consultants to management, filled most of the hour meeting with a resume on his company and the services it had to offer. This could include helping the Kewaskum School District locate, along with interview, test and narrow down the candidates to a group of finalists who would eventually be screened by the full board.

Chairman of the committee Charles Ogi stated Buntrock had contacted him after finding out the Superintendent Floyd Brenholt had resigned to accept a position at Hartford.

Buntrock informed board member Ralph Horner and Ogi that his company had just finished working with the Port Washington School District in filling its superintendent vacancy.

Buntrock said the district's first move should be to advertise the position in professional journals and publications. After applications are received, his company would then assist the district in making a selection. The system Buntrock uses is what he referred to as an upside down pyramid. Starting with approximately 300 candidates, through interview and investigation, this is reduced to approximately 150. With still further work, this number is again reduced until the prospective employer is looking at a final field of about six people and one or two alternates.

Buntrock said his company

does a thorough report and study on each candidate which includes several interviews, credential checks, personality tests and a discreet check of how the person blends in with their community. Buntrock noted these were all factors in determining whether the applicant the district selects will fit the district's needs and objectives as well as be happy and content in their move to Kewaskum.

The final candidates are then brought to Kewaskum with their spouses for an interview and to acquaint them with the community along with answering any questions either the husband or wife might have.

Buntrock told the committee it should get the input of the community. See what they feel are important qualities and requirements for anyone being considered for the job.

Ogi noted this whole process was something new to him since he had not been involved in the hiring of a superintendent before. I didn't know a service such as Mr. Buntrock's was available until he contacted me, noted Ogi. Ogi asked what kind of cost the district would be looking at if it decided to hire Buntrock's firm. Buntrock felt that if the needs and objectives were similar to those of Port Washington, his fee would be approximately \$5,000, which would cover interviewing, testing and travel expenses. However, if the district did not find a suitable applicant through its own advertisements and asked Buntrock to located candidates, this would be an additional cost.

Buntrock noted to the committee that when the West Bend District hired a new superintendent a few years back, their search and selection process cost them approximately \$20,000.

Buntrock said his firm would

have results and a final candidate in 60 to 120 days.

Ogi questioned Business Manager Bob Borch as to whether or not Brenholt had a list of any possible candidates. Borch indicated there was not since the board had not given him any specific instructions to begin compiling such a listing.

Since board member John Tassar was unable to attend Saturday's meeting, the committee did not go into closed session for discussion. Ogi told Borch to go ahead with advertisements on the position, however, he felt the decision on hiring a consultant should be made by the full board. Borch was instructed to set up a special school board meeting for this purpose.

Meilahn Installed As Vice President Of County ARC

The Association for Retarded Citizens-Washington County's newly elected officers were recently installed at their monthly meeting held at The Threshold in West Bend.

The officers elected were Dan Meilahn, Kewaskum, vice president; Ted Thomas, president; Kathleen Walter, state director; Alice Laubenstein, area representative; Erna Schleif, treasurer; Doris Fisher, board of directors; and Irene Merkowitz, board of directors.

The A.R.C. of West Bend has over 60 members who support, encourage and act as advocates for services and programs for both retarded children and adults. They also have three representatives on The Threshold Board of Directors. The Threshold is a non-profit sheltered workshop and training center which serves physically, mentally and developmentally disabled adults of Washington County. It also serves handicapped children under the age of three.

Gerhartz Elected At Boys State

Dan Gerhartz of Kewaskum, student at Kewaskum High School, was elected the 1982 Badger Boys State district attorney of Dodge County at the group's annual convention in Ripon last week. Gerhartz is the son of Mr. and Mrs. Gary Gerhartz.

Another Kewaskum representative at Boys State was Mark Rodenkirch, son of Mr. and Mrs. Mark Rodenkirch, Sr. James Kent of West Bend East High School was elected governor of Boys State.

Contract for Kiwanis Park Electrical Work Awarded

By GERRY MUELLER
Statesman Staff Writer

On the recommendation of its consulting engineers, the Village Board Monday awarded a contract to Kirchner Electric, West Bend, in the amount of \$10,400.00, for electrical work at Kewaskum Kiwanis Park.

Kirchner came in with the low bid for installation of electrical service distribution, walkway lighting and existing concession stand power and lighting. Engineer Mike Flaig felt Kirchner's was a very good bid, having anticipated low bids running from \$11,500 to \$12,500.

The village also awarded bids for asphalt and slurry seal work on several streets in Kewaskum.

Three companies bid on the asphalt work, Scott Construction at \$17,953.83, Ram Construction at approximately \$15,500 and Payne and Dolan at \$16,483.

The Public Works Committee recommended accepting the low bid of Ram Construction, however, some board members questioned the Ram representative about the quality of workmanship and materials. The questions arose because of some unsatisfactory work done by Ram for the village on a previous job. Trustee Don Mlodzik noted that if Ram were willing to guarantee a first-rate job this time he would be willing to go with Ram. "Everybody deserves a second chance,"

stated Mlodzik. The Ram representative noted his company had done other work for the village which had been satisfactory. The board voted 7-0 to give the contract to Ram.

Slurry seal bids were received from two companies, Struck and Irwin at \$3,566.88, and Wolf Construction at \$3,715.00. The contract was unanimously awarded to Struck and Irwin with the lowest bid.

The board also approved adoption of Resolution 82-3, which will allow the village to advertise for an appraisal firm and assessor for the 1983 assessment of the village. Present assessor Virgil Samsal has asked to be replaced after serving the village since 1977.

The board reviewed a notice regarding regulations for garbage and refuse collection. Village Administrator Dan Schmidt said the notice will be included in a mailing along with a letter informing residents of the new water rate increases.

Mlodzik asked Schmidt to check into a new ordinance passed by Grafton concerning crossing private properties without the owner's consent. Mlodzik was referring to people taking short cuts through and across yards.

Because of the holiday, the village board voted to cancel its meeting scheduled for July 5th. The next regular meeting will be held July 19th.

The board accepted the audit report for the year ending December 1981.

AMPI Leader Dan Rodenkirch Promotes Dairy Legislation in Washington, D.C.

Dan Rodenkirch, Kewaskum, a Corporate Director of Associated Milk Producers, Inc. was in Washington, D. C. June 15-17 to promote passage of the "Dairy Stabilization Act" (H.R. 6313/S. 2587) and the "National Dairy Products Promotion Act" (H.R. 6314).

"We feel encouraged by the growing recognition these programs are receiving as reasoned and responsible steps to balance dairy production with consumption and reduce the cost of operating the dairy program to an acceptable limit," declared Rodenkirch. "Passage of these two related self-help proposals will benefit dairy farmers, consumers and taxpayers alike."

The "Dairy Stabilization Act" addresses the production side of current milk surpluses. Key features include:

* A two-tier price system giving dairy farmers the sup-

ported price on milk for which there is commercial demand and a much lower price on surplus milk.

* A positive incentive for dairy farmers to reduce production with a refund of the assessment on surplus milk for reductions in milk marketings below year earlier levels.

* Establishment of a Dairy Board with responsibility to project domestic needs, determine required producer funding and dispose of surplus stocks.

Rodenkirch stressed that the "Dairy Stabilization Act" would reduce government dairy expenditures by \$1.3 billion in FY 1983 over the cost of operating the current program. "This represents a savings of about \$3 million for each of the 435 Congressional districts in the U.S.," explained Rodenkirch.

The Administration's dairy
[Continued on Page 10]

Test Results on Former Town Wayne Disposal Site Analyzed

MILWAUKEE — June 17, — Test results on samples taken from barrels and containers deposited 20 years ago on farmland in the Town of Wayne, Washington County, have been analyzed, according to Arthur Glor, Chief of the Solid and Hazardous Waste Section.

The former disposal site had been under investigation by the Department of Natural Resources in relation to the death of a cow due to lead poisoning.

State test results confirmed that no lead was found in either surface or drinking water in the

area. Test results also confirmed that none of the materials on the site are hazardous wastes.

Only one substance on site, a gray, powdery material found in only two locations and totaling less than ten cups in volume, contained levels of lead significantly higher than normal. These results were confirmed by tests run independently by both Freeman Chemical and DNR.

Final disposition of the barrels and containers has not been decided, according to Glor.

From the School Board President's Desk

Does the Kewaskum School Board need a public participation policy? Why should we have one? How would it affect us citizens attending a Board meeting? Does it mean we can't say a word? Don't you care what we think? These are some of the questions I've been hearing ever since I proposed a public participation policy. Well, as you can guess since I proposed it, I do feel we need one.

Henry M. Robert stated in his Robert's Rules of Order "It is usual for permanent assemblies to adopt rules limiting the number of times any one can speak to the same question, and the time allowed for each speech." The reason Robert recommended it is the same reason I proposed it: order. More people than ever have been attending the School Board meetings, and it is rewarding to see people so involved in their children's education. The problem that arises, however, is how do we get citizen input in an orderly fashion? We have had cases where people in the audience ended up arguing with each other. No one could hear all of the discussion. That didn't enlighten the Board, and it didn't help the order of the meeting. A public participation policy, rather than limiting citizen involvement, actually sets aside time for citizen input. People can address the Board on the subject being discussed, everyone can hear the person's position, and all aspects of an issue can be understood. After the public participation the Board then can finish deliberating and vote on the issue.

Every member of the School Board is interested in what the public thinks and welcomes public input. This extends to the meetings, and I feel that by having a public participation policy, people are assured of time to express their sentiments on an issue, of time to be heard by the Board. The public participation policy is simply a tool to be used by the public in expressing views of school board issues in an orderly fashion.

Do you have a question you would like to ask concerning Kewaskum School Board issues? If so, write to me, Dr. Charles Ogi, P.O. Box 201, Kewaskum, Wi. 53040.

Dr. Charles J. Ogi

Woman's Club Tours Ice Age Center, Elects Officers

On Thursday, May 20, the Kewaskum Woman's Club had their spring outing with a tour of the Ice Age Interpretive Center located near Dundee, Wis.

After the tour the ladies and their guests enjoyed a luncheon at the Ambers Hotel. It being the last gathering until fall, a short meeting was conducted. The meetings will now be held on the 2nd Thursday of the month instead of the 3rd as in previous years.

Donations for the year were given to the following: AFS, Kewaskum Library, Exodus House, Historical Society, Girl Scouts, Cancer Society, Edwards Scholarship.

New officers for the year are Rita Etta, President; Bernice Groh, Secretary; Marge Rosenthal, 2nd Vice President; Ruth Gruhle, Treasurer.

Be sure to attend the September meeting.

Early Pregnancy Class at St. Joseph's Hospital Scheduled

An early pregnancy class is again being offered by St. Joseph's Community Hospital.

The class, for the woman in her first months of pregnancy, covers the information needed for a comfortable, healthy pregnancy. The following subjects will be discussed: fetal development, nutrition, drugs, smoking, the common discomforts of pregnancy and what to do about them are also included. Exercises for greater comfort are demonstrated and practiced.

The two-hour class will be held in the hospital assembly room on July 7, from 7:30 to 9:30 p.m. To register for the class, call 334-8226 between 7:00 a.m. and 3:00 p.m.

The class is taught by a registered nurse from the maternity department and is free of charge.

HOMER'S BARBER SHOP
Will Be **CLOSED**

Julie Lauters Contestant in Wisconsin High School Rodeo

The 23rd annual Wisconsin High School Rodeo will be held on the Sauk County Fairgrounds in Baraboo, Wisconsin. The dates of this year's rodeo are June 25, 26 and 27. There will be competition at 1:30 and 7:30 p.m. on both Friday and Saturday, with the finals at 1:30 p.m. on Sunday.

Fervor and excitement abound as cowboys and cowgirls, representing nearly 100 different Wisconsin communities, prepare for the competition of the 23rd WHSRA Finals. Broncs and Bulls will challenge the expertise of their riders. Cloverleaf Barrel Racing and Goat Tying are popular girls' events. Saturday will feature a colorful rodeo parade and a Chicken Bar-B-Que. View the parade, and follow us back to the fairgrounds where you can enjoy the Bar-B-Que and attend the rodeo. Sunday highlights will include the selection of a rodeo queen, the all-around

cowgirl and cowboy, and the National Finals Rodeo Team.

This year for the first time, there will be advance children's tickets. They are for children, 12 and under, and may be used for any performance including Sunday. The price is \$1.00. Advance adult tickets are \$4.00 and may be used for any performance. Advance ticket sales close at noon on Friday, June 25.

A Kewaskum area contestant includes: JULIE JO LAUTERS, of rural Campbellport, who is a returning rodeo contestant. She is an 18-year-old 1982 graduate of Kewaskum High School. Events in which she will compete this year are Barrels, Poles and Goat Tying. Painting, sewing and riding horses are things which she enjoys. Her plans are to attend MATC and become a photographic retoucher. She is a member of the Wasaukee Horsemen, Inc.

Forty and Eight Day at Camp American Legion

Annual Forty and Eight Day was held at Camp American Legion at Lake Tomahawk, Wisconsin on June 12 and 13. Representing the Grande Voiture De Wisconsin was Grand Chef de Gare, Mike Fago, of New Berlin and Grande Presidente Marge Gunderson of Kenosha represented Grande Cabane De Wisconsin.

The project for this year was the presentation of outdoor lawn furniture. Voyageurs participating from Washington County Voiture 898 were Merv Thompson and Fred Kleinke Jr., of the Robert G. Romaine Post 384, Kewaskum.

If you are a veteran who could use friendly, expert care, good food, fresh air, and peaceful rest, investigate a stay here. American Legion members provide the money to operate Camp American Legion. All you need to be is a veteran and a resident of Wisconsin whose physician certifies that you require rest and recuperation to aid in your recovery from an operation, illness, breakdown, or other affliction. And then, your lodging, food, and therapy are all absolutely free. The American Legion, State of Wisconsin, has maintained and operated the camp since 1925. A portion of the yearly dues of each legionnaire in Wisconsin is used to cover the costs. The Forty and Eight is the fun and honor society of the American Legion. Membership in the Forty and Eight is a prize or reward for service to the American Legion and its programs.

All Veterans are admitted for 10 days. The Camp Physician may extend the time if he believes a further stay is neces-

Area Students Graduate From Lakeland College

Two area students have recently graduated from Lakeland College Sheboygan.

Bruce Steinhardt, son of David and Marlene Steinhardt, Kewaskum, has earned his degree in Accounting-Business Administration. He was a member of Psi Alpha Kappa, and participated in the intramurals. Bruce was a member of the 1978 graduating class of Kewaskum High School.

Joanne Kay Strobel, daughter of Mr. and Mrs. Lester P. Strobel, Kewaskum, graduated Magna Cum Laude earning a degree in Accounting and Business Administration. She came to Lakeland in the Spring of 1980 as a transfer student and immediately became an active participant in the Women's Tennis team. Joanne has just recently made the 1982 Spring Semester Dean's List. Joanne is a 1978 graduate of Kewaskum High School.

LOCAL PENTECOSTAL CHURCH OF GOD TO CANVAS VILLAGE

The Kewaskum Pentecostal Church of God will be canvassing the village of Kewaskum on Saturday, June 26 starting at 10:00 a.m.

There will be a Gospel sing in the park in the afternoon with the Waywalkers.

Everyone is welcome.

Rev. E. E. Bowman

FREE BLOOD PRESSURE SCREENING AT WEST BEND

A free blood pressure screening will be conducted on Saturday, June 26, at the West Bend Fire Department, 325 N. 8th St., West Bend, from 1:00 to 4:00 p.m.

This service is sponsored by the Washington County High Blood Pressure Program.

Valley Bank Donates Collection Of Reference Books to Libraries

1982 marks the 20th consecutive year of Valley Bank's exclusive library plan, a program by which it donates a distinctive continuing collection of reference books to the high school and village libraries. All books feature exceptional photography. The public is invited to make full use of this outstanding collection. Books available to date are:

1963 - History of the Civil War (A collector's volume on the American Civil War)

1964 - Founders of Freedom

1965 - Founders of Freedom, Vol. II (Biographical picture of our nation's founding fathers)

1966 - The 50 Great Pioneers of American Industry

1967 - History of Rocketry and Space

1968 - The Trials and Triumphs of Two Dynamic Decades (Graphic portrait of major events of the space age generation: 1950's-1960's)

1969 - Living Tomorrow-Today

1970 - Environment of America

1971 - American Presidents (Biographical studies of our presidents)

1972 - The Oceans (Comprehensive analysis of our seas)

1973 - Pictorial History of the American Revolution

1974 - The Colonial Spirit of 1776

1975 - The American Legacy (A pageant of great deeds and famous words)

1976 - America's Great Outdoors (Hunting and fishing-colonial times to now)

1977 - Halls of Fame (The story of our many "Halls of Fame" and those enshrined in them)

1978 - The Automobile (The history of the automobile from its earliest beginning)

1979 - The Magnificent Continent

1980 - The Great American Sports Book

1981 - Scientists and Inventors

1982 - keystones of American Freedom.

Memories...

The Statesman welcomes readers to submit photos for the "Memories" feature. Photos should show life in the olden days in this area. Deliver or mail to The Statesman, 250 Main St., Kewaskum, WI 53040. Photos can be picked up again after publication.

Page 4, Kewaskum Statesman, Friday, June 25, 1982

The "Deutsche Apotheke" was built and was operated for 37 years by Charles Miller, who died in 1913. It was the first drug store in Kewaskum and Mr. Miller also established the first photographic studio.

He took this picture in the early 1890's with the "young lads," Edward C. Miller [his son], Oscar Koerble, August Backhaus and Carl Meinhardt posing on the store steps. Main street has been lowered by almost three feet since that time.

Edward C. Miller then operated the photographic, patent medicine and sporting goods store for 24 years. His son, Charles F. Miller, then conducted Miller Electric & Miller Studio for many years at this historic location. Charles Miller is a grandson of the founder.

Note the shed at the left of the photo where the Merlin Dreher home now stands, the dirt street in the foreground, the wooden sidewalk and

steps in front of the store, also the old lamp and water pump in the yard. (Photo taken from Statesman files)

Gruber-Wenzel

Deborah Jean Gruber and Christopher Farrow Wenzel exchanged marriage vows on May 28 at the Advent Lutheran Church in Cedarburg. Pastor Myron Olson officiated.

Parents of the couple are Mr. and Mrs. Ernest Gruber of Kewaskum, Mrs. Judy Wenzel of Kewaskum and David Wenzel of Milwaukee.

Denise Gruber, sister of the bride, was the maid of honor. Bridesmaids were Gretchen Wenzel, sister of the groom, and Dorothy and Devona Gruber, sisters of the bride. Jessica Gruber, niece of the bride, was the miniature bride.

Dan Sackett, a friend of the groom, served as the best man. Groomsmen were Scott Mata-

kis, Neal Yoho and Randy Poenitsch, all friends of the groom. Christopher Sabish, nephew of the bride, was the miniature bridegroom.

Ushering duties were shared by Jeff Rindt, nephew of the bride, and Mike Farrow, uncle of the groom.

The reception, dinner and dance followed the ceremony at the Stoneridge Inn, West Bend.

Following their honeymoon, the couple is now residing at 3939 Schusters Drive, West Bend.

Births

DISLER — A daughter to Donald and Jane Disler, 314 First St., Kewaskum, Thursday, June 17.

VETTER — A son to Terrence and Patricia Vetter, Route 1, 17-27 Hwy. A, Adell, Friday, June 18.

STEGER — A son, Evan Lawrence, to Mr. and Mrs. Jeffrey Steger, Route 3, Campbellsport, Thursday, June 17.

County 4-H'ers Model Fashions

Four-H members from all areas of Washington County came to the Washington Mall on June 17 to model garments they made for the 4-H Clothing, Crocheting and Knitting Revue. The Revue was held from 6:30 - 9:00 p.m.

Participants were asked to write a description of their garment, and then model it while the description was read to the audience. Garments were evaluated on various aspects such as fabric and pattern selection, garment fit and construction, and personal poise and grooming.

A model representing Rosemary Bischoff's modeling agency shared make-up, grooming and modeling tips throughout the evening. Many 4-H'ers took part in the workshop.

The results of the 4-H Clothing Revue were as follows. Blue ribbon for sewing projects were awarded to: Jeanne Awve, Karen Doll (2 garments), Diane Hammen, Ellen Hetebrueg (2 garments), Sue Lemke, Jennifer Nehm, Lori Prochnow, Renee Schneider, Janet Seideman, Amy Sekas, Jeni Strobel, Debbie Yarmark and Kira Zaporski.

The blue ribbon crocheted projects were done by: Diana Buckman and Holly Prochnow.

Red ribbons were received by: Jennifer Nehm and Holly Prochnow in crocheting and Diane Barth, Janet Barth, Terri Barth, Jeanne Kuhaupt, Lori Prochnow, Diane Schmidt, Debbie Seideman, Amy Sekas, Cindy Skadahl, Sheri Strobel and Kira Zaporski.

White ribbons were awarded to Angie Fechter, Carol Koehler and Karen Pikoske. Pink ribbons were received by Chris Holtz and Kim Brodzeller.

At the end of the Clothing Revue, all blue ribbon winners, age 14 and older were again judged to determine which girls would attend the State Fair. The two winners and two alternates will be announced at the County Fair Dress Revue held Saturday, July 24, at 7:30 p.m. The public is invited to attend.

50th Wedding Anniversary

Mr. and Mrs. Milton Eisen- traud, Fredonia, celebrated their 50th wedding anniversary with a dinner and dance at Fillmore Hall for about 250 relatives and friends. They were

married in St. Lucas Church, Kewaskum, on June 4, 1932. Caroline is the daughter of the late Otto and Anna Backhaus of Kewaskum.

Marriage Licenses

Charles Ethan Roethke, West Bend, and Marian Marcella Uelmen, Kewaskum; wedding June 19.

Glenn Joseph Grosz, West Bend, and Debra Ann Strack, Kewaskum; wedding June 19.

Paul Harold Gilbertson, Randolph, and Gay Noree Olson, Kewaskum; wedding June 26.

Patrick Stephen O'Meara, Kewaskum, and Karen Ann Dorn, West Bend; wedding June 19.

A somebody was once a nobody who wanted to and did.

LOOKING FOR ADVENTURE? GO TO CAMP TIWAUSHARA

Women's Week (August 1-4) still has openings available for your summer get-away at Camp Tiwaushara. Girl Scout and non-scouts are invited to Camp Tiwaushara's 180 acres of beautiful wooden terrain with its natural bogs, spring fed lake, swimming pool, canoes and more.

The fee is \$50 for Girl Scouts, \$60 for non-scouts. Plus, if you bring your daughter (age 12 or older), you get a special rate of \$85 for both of you or \$95 for non-scouts. Come relax and enjoy.

Contact Wau-Bun Girl Scout Council for more information.

Carol Proeber Is 4-H Agent Intern

Carol Proeber, West Bend, a Kewaskum High School graduate, has been appointed 4-H and Youth Agent Intern in Washington County for this summer.

Carol is currently a senior at UW-Madison and will be graduating in December of 1982. Her major at the UW-Madison are Dairy Science and Agricultural Education. She is no stranger to Washington County since she has been a county resident all her life. She comes from a dairy in rural West Bend.

Her duties this summer involve helping with a variety of 4-H programs such as dairy cattle judging, county camp workshops, and the demonstration program. She will also gain some insight into communications by writing news articles and radio programs. She will also be helping with the county fair. All these activities are designed to give her some insight into the job of a 4-H and Youth Agent.

She hopes to have an opportunity to meet many of you this summer, either through 4-H activities or else at the fair.

In fall she will continue her studies at Madison.

Announce Wayne School Science Fair Winners

A sister duo won the top honors at the Annual Wayne School Science Fair. Shawn Buending received grand prize for her project, "Animals in Disguises, Who are They?" Not far behind her in points was her sister, Shannon Buending, with her project, "What is Yeast?" Other first place honors went to Skipper Betts and Paul Sworske for "How Can We Convert Available Resources into Useable Energy?"; Ellen Kuphal for "How Do Reflexes Serve the Body?"; Allen Ham for "What Are Simple Machines?"; Terrie Little and John Jalas for "What is the Atmosphere?", and David Kuphal and Kevin Bartelt for "What Things are Poisonous?"

Second place honors went to Brenda Oelhafen, Lisa Ruplinger, Beth Metz, Kerry Sauer, Linda Schulz, Sheila Susen, Danielle Brazee, April Wulff and Pam Osterbrink.

Grand prize winner Shawn Buending with her project "Animals in Disguises, Who Are They?"

First prize winners from left, front row: John Jalas, David Kuphal, Kevin Bartelt, Shannon Buending. Back row: Paul Sworske, Ellen Kuphal, Allen Ham, Terrie Little. Not pictured: Skipper Betts.

Second prize winners from left, front row: Sheila Susen, Lisa Ruplinger, Kerry Sauer, April Wulff. Back row: Danielle Brazee, Linda Schulz, Brenda Oelhafen, Pam Osterbrink and Beth Metz.

County Members

Attend District

4-H Dairy Days

The weather was extremely cooperative and better conditions couldn't have been asked for on June 14 as five Washington County 4-H members participated in District 4-H Dairy Days at Waukesha.

The event was held at the Waukesha County Fairgrounds and four dairy project members, Andy Degnitz, Jenny Degnitz, Ken Falk, and Doug Mayer comprised a junior dairy cattle judging team. Throughout the morning they were kept busy working on eight classes of cows and heifers. Ellen Hetebrueg participated in the senior showmanship contest.

Following lunch, the junior team participated in Ag Olympics. They had five events in which to compete — bale stacking, bale throwing, wheelbarrow race, corn cob toss, and water bucket race. While the younger members enjoyed these events, Ellen was inter-

viewed for National Dairy Competition, and is one of five district 4-H members under consideration to attend the National Dairy Conference in Madison.

viewed for National Dairy Conference and a dairy leadership award.

The day concluded with the presentation of awards. Ellen was second runner-up in the

IT'S OFFICIAL: JUNE IS DAIRY MONTH. Wisconsin Governor Lee Sherman Dreyfus [center] signs the June Dairy Month proclamation. With him are representatives of sponsoring organizations [left to right]: Professor Myron Dean, UW-Extension; 1982 June Dairy Month Chairman Thomas Lyon; John F. Oncken, general manager for the American Dairy Association [ADAS] of Wisconsin; and La Verne Ausman, secretary of the Wisconsin Department of Agriculture, Trade and Consumer Protection.

Nutritious Eating - With Dairy Foods

ZUCCHINI SPREAD

1 cup grated sharp cheddar cheese
1 cup grated zucchini
¼ cup plain yogurt or mayonnaise
¼ cup chopped walnuts
1 teaspoon fresh lemon juice
Assorted crackers

Combine cheese, zucchini, yogurt, walnuts and lemon juice in medium bowl. Refrigerate one hour or overnight. Transfer to serving dish.

FITNESS FIZZ [2 servings]

1 cup pineapple juice
½ cup citrus juice (orange, grapefruit)
½ cup vanilla or plain yogurt
1 T. honey (optional)
6 ice cubes

Combine ingredients in blender. Cover and run on high until well blended.

FIREMEN TO MEET

The regular monthly meeting of the Kewaskum Fire Department will be held at the fire station at 7:30 p.m. Thursday, July 1.

Inflation is that situation where you're worth twice the money you don't have because you've spent it on half the things you need.

Fairest of the Fair Contest Time in County

The eighth annual Fairest of the Fair Contest will be held at the 1982 Washington County Junior Fair. The contest will be held on Wednesday, July 21, at 7:30 p.m. at the fairgrounds. The person selected will be the official hostess of the Washington County Junior Fair. The county fair winner will be eligible to participate in the state pageant in January. The winner of the state competition will be the Fairest of the Fair at the Wisconsin State Fair in 1983.

Each participant will receive a small keepsake chest from Two Jacks Furniture in Hartford, a 6-pack of diet 7-Up from 7-Up Bottling Company in West Bend, a charm from Alan Hron Jewelers in West Bend, and a 6-pack of soda from The Beverage Station in Hartford.

In addition to the honor of being selected for this position, the 1982 Washington County Fairest of the Fair winner will receive over \$800 in gifts from area businesses.

The contest is open to all girls who have been a resident of the state of Wisconsin for at least one year. She must reside in Washington County to participate, unless the majority of her

activities are in Washington County, even though she resides in an adjoining county.

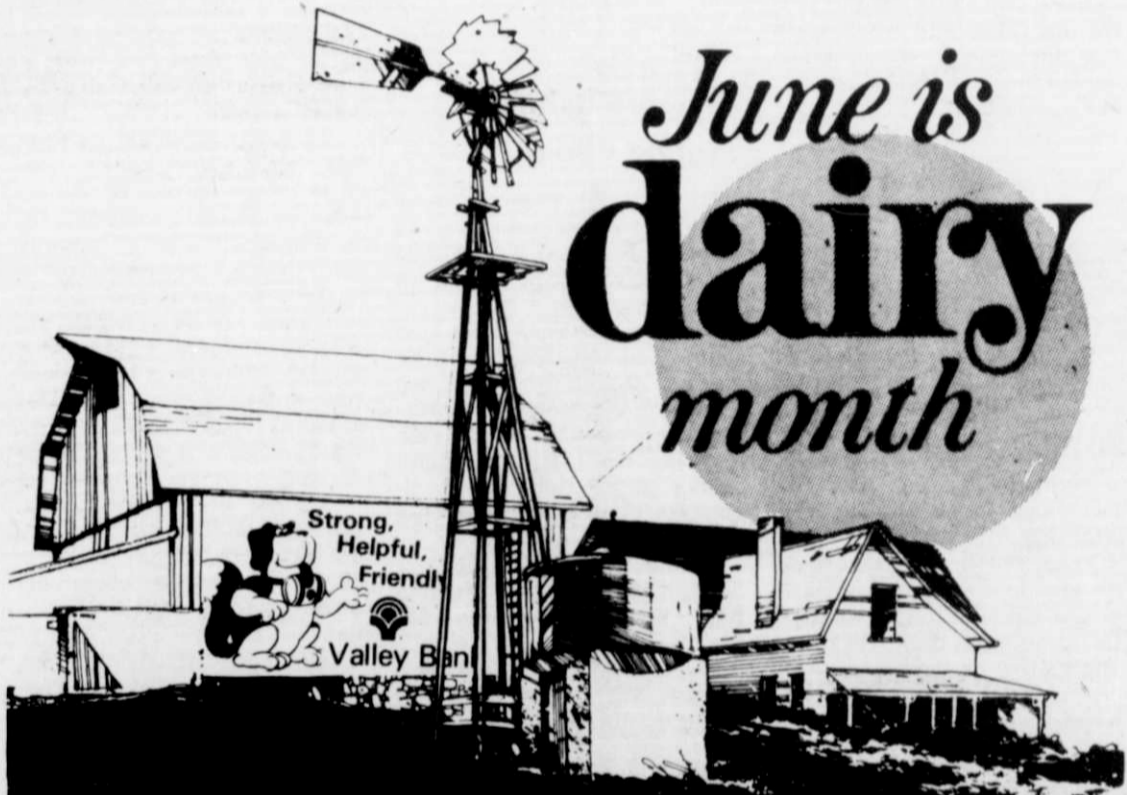

Each contestant must reach her 18th birthday by January 1, 1983, but must not have reached her 22nd birthday by the same date.

The girls must be present at the fairgrounds at 2:00 p.m. on July 21. The contestants must come dressed in street clothes. They will be judged on personality, poise, appearance, community activities, and speaking ability.

The girl elected queen will be the official hostess at the Fair and will, therefore, require her to be present Thursday through Sunday.

Some of her duties will be handing out ribbons, announcing all stage shows and a formal appearance at the Saturday morning pancake-sausage breakfast.

Entry forms are available at the University of Wisconsin Extension office and WTKM Radio in Hartford. All entries must be returned to the Washington County Fair Office, 515 E. Washington, P. O. Box 537, West Bend, WI 53095 by July 7, 1982.

During the Month of June folks all over Wisconsin take time to recognize Dairy Farmers and Agri-businesses.

Valley Bank will set aside the days of June 24 and 25 to honor local Agriculture.

We will serve milk and cheese in our lobby in observance of June Dairy Month.

Record Summer School Enrollment for UWWC

Over two hundred students have enrolled in UW Center-Washington County Summer Session. This figure sets an enrollment record for any summer session offered at UWWC.

Dean Robert Thompson attributes this high enrollment to several factors. "When students can't get summer jobs, they go to school. Then, too, the general state of the economy encourages many persons to get more education and become more employable."

Although some courses are closed, there are openings remaining in some lecture and practical courses. For more information regarding UWWC's Summer School Session, contact Student Services at 338-5201.

J & J AUTO TOPICS

ILLUSIONS

Driving illusions can fool you. For example, the narrower the road the greater the swerve when you pass another car. And the opposite, you swerve closer on wide, super highways. 25 miles per hour seems slow coming down from 55 MPH; it's faster speeding up from a standstill. This explains many accidents that should never have happened.

But, you will have no illusions when you drive in at J & J AUTO SERVICE for auto services. With modern electronic scopes, specialty tools and most important 'experience,' we service all makes of cars. We guarantee your satisfaction. Drive over to 450 E. Main today or phone for an appointment.

Letters to the Editor

AMPI

[Continued from Page 1]

June 21, 1982

To the Editor:

The Statesman is to be commended for its public spirit as shown in running the new column, "From the School Board President's Desk." The column really helped me understand why the change in the guidance method was made.

As a taxpayer and a parent, I appreciate the additional information, and I also appreciate being part of a community that is served by such a caring newspaper.

Sincerely,
Earl J. Etta

.....

6/20/82

Editor, Kewaskum Statesman:

Hats off to you for caring enough about our school system to have Doc Ogi write the new column. This way we parents can understand the reasons behind the school board actions. We appreciate it.

Thanks,
Mark Strobel

.....

June 21, 1982

To the Editor:

Dr. Ogi's column "From the School Board President's Desk..." is a wonderful idea. After all the confusion lately, it's nice to be able to read about something positive that the Board has done to help the students.

Those of us who can't attend the meetings are still interested in our children's education. If this column continues to be as informative as the first one, it can only make us better informed parents. This way we know not only what happened, but why.

Good work, Doc!

Sincerely,
Norbert & Gloria Serwe

.....

June 14, 1982

Letter to the Editor:

Some people seem to think that the more money we spend the higher the quality of education. No so. To have quality education, we have to get back to the basics. Without them, you don't have quality education. We could get rid of some of the unnecessary things, such as unnecessary busing, calcu-

lators, etc. President Reagan said, "we all are going to have to bite the bullet." Here is one place to start.

These taxes are beginning to become unbearable, and the economy the way it is, we better bite the bullet. With the Gehl Co. at about 25% production, Mallard Coach closed completely, and farmers operating at about a 3% return, this can't go on. This is a large farming community. You also have a lot of retired people on a fixed income that can't bear this burden. Farm income is at a very low ebb and they are a large source of our tax revenue.

Another thing, you can't have quality education without good discipline. It hasn't been too good. Also, there is a considerable amount of truancy which doesn't add to the quality.

Miles Campbell

Pressure Canner Testing Clinic

In a few weeks, home gardens will be producing an abundance of vegetables and fruits that can be preserved for future enjoyment.

To help ensure a safer and more successful canning season, the U.W. Extension Office is conducting three pressure canner testing clinics. Plan to bring the canner lid (with rubber gasket and lid attachments) to one of the following locations:

Germantown — Washington Square, W158 N11300 Mequon Rd., Wednesday, June 30, 11:00 a.m. - 1:00 p.m.

Hartford — Recreation Center, 525 N. Main Street, Monday, June 28, 1:00 - 4:00 p.m.

West Bend — U.W. Extension Office, 515 E. Washington St., Wednesday, June 30, 2:00 - 5:00 p.m.

Do not wait until your kitchen looks like a canning factory assembly line to discover that your pressure gauge is not working or steam is leaking from your pressure canner. Visit a testing clinic before canning season is in full swing.

If the above locations and times are not suitable, pressure canners can be tested at the U.W. Extension Office. Bring your canner in one day and pick it up the following afternoon.

proposal would provide the Secretary of Agriculture unlimited authority in setting the government support level for milk. Agriculture Secretary Block has indicated that with such total discretion he would cut the current support level from \$13.10 per hundredweight to at least \$12 after January 1, 1983 if milk surpluses remain large.

"The Administration's dairy disposal does nothing to provide the kind of stability both producers and consumers must have," Rodenkirch continued. "Furthermore, the 'Dairy Stabilization Act' would cost the government \$408 million less in FY 1983 than the Administration's dairy proposal."

The "National Dairy Products Promotion Act" is designed to increase consumption of dairy products. It would be financed through a nationwide checkoff of five cents per hundredweight on all milk marketed, with a fund-raising potential of \$65 million a year.

The program would emphasize manufactured dairy products to concentrate efforts on those products purchased by the Commodity Credit Corporation under the milk price support program and which have the greatest potential for increased sales. After the program is in effect two years, fluid milk products can be added to promotion efforts.

A Promotion Board made up of dairy farmers, would be responsible for administering the program. The Act becomes effective only if approved by a majority of dairy farmers voting in an industry-wide referendum.

Rodenkirch noted that the "National Dairy Products Promotion Act" should increase the U.S. consumption by an estimated 2.9 billion pounds of milk equivalent. "This consumption increase would have several benefits: improving the nutritional quality of the American diet, assuring U.S. dairy farmers of depending markets needed to maintain high levels of productivity, and

reducing expenditures for dairy surplus removal by a projected \$460 million in FY 1983 alone."

"The milk price support program has an excellent record of public service. It has assured consumers of dependable supplies of fresh milk and dairy products every day and in every city. Plus it has enabled dairy-men to keep increases in milk prices consistently below increase in the consumer price index for all items and all food items," Rodenkirch concluded. "By passing the 'Dairy Stabilization Act' and 'National Dairy Products Promotion Act' we can continue this fine record."

Associated Milk Producers, Inc. is the nation's largest farmer cooperative with 33,000 members from 20 states throughout the midwest, south

and southwest who produce about 12 percent of the nation's milk supply. The two self-help programs were developed through the National Milk Producers Federation and have received the backing of major dairy farmer cooperatives all across the country.

POLKA MASS AND DANCE AT ST. KILIAN

St. Kilian's Church, St. Kilian, is again having their Polka Mass and dance. It will take place on Sat., June 26, at 8 p.m.

Weather permitting, Mass will be held outdoors. In case of rain Mass will be in church.

Music by Bill Thull and his choir.

Campus Notes

An area student is among those named by Dean John G. Bollinger of the University of Wisconsin-Madison College of Engineering to the Dean's List of top scholars for the past semester.

The honor goes to fulltime students who earn at least a 3.25 grade point average on a 4.0 scale. Approximately 2,800 undergraduate students are enrolled in the nine fields of engineering studies offered by the college.

The student is: Robert Bruce Secor, 1856 Scenic Dr., Kewaskum, Chemical Engineering.

A total of 908 students achieved placement on the spring quarter Dean's List at Michigan Technological University, Houghton, MI. by earning a grade point average of 3.5 or higher. Dean of Students Harold Meese reported that 231 students earned straight-A averages of 4.00.

The honor students from the out-of-state area included:

James M. Staehler, Kewaskum, a junior in mechanical engineering.

An area student is among students enrolled in the University of Wisconsin-Madison College of Letters and Science who have been named to the Dean's List of top scholars for the past semester.

The honor is earned by approximately 10 per cent of Letters and Science students. Letters and Science is the largest college on the Madison campus with 44 teaching departments and some 900 faculty members.

The student is: Kathleen Kay Grandin, 2110 Hwy. H, Kewaskum.

Patricia Bottiger has been named to the Dean's List for the 1982 spring quarter at the University of Wisconsin-River Falls. Those students carrying 12 or more credits and having a grade point average of at least 3.5 are so honored.

Patricia is the daughter of Mr. and Mrs. Dean Roe, Kewaskum.

Annual Outdoor Worship Service At Faith Haven

Rev. Mary Ann Neevel will be the guest speaker at the 19th annual outdoor worship service at Faith Haven on Sunday, June 27, at 10:30 a.m.

Rev. Neevel was born and raised in Fargo, North Dakota, where she attended high school and university. Her further education included Yale Divinity School and graduate study at the University of Pennsylvania.

Her numerous experiences since 1965 have included Minister of Christian Education, College Resident Counselor, Proctor at the Center for the Study of World Religions, experiences in Education in Madras, India, and locally associated with Plymouth Church of Milwaukee - first as Minister of Christian Education and currently co-pastor.

The theme of the service will be peace-making, with the title sermon being "Walk the Wide World," a line from the poem "Concord" by Rabindranath Tagore. Rev. Neevel's varied experiences will help enhance the theme.

Brass and vocal choirs will provide special music. Coordinator of the musical program is Jeri Bowermann, music coordinator at Immanuel UCC, West Bend.

Faith Haven is an outdoor

sanctuary and people are asked to bring blankets, cushions, or chairs for comfortable seating. In case of rain the service will be held at Immanuel Church in West Bend. Faith Haven is located 2 1/2 miles north of Hwy. 33 on Townline Road, west of West Bend.

Hephner Delivers Letter to Governor On Abortion Issue

A letter from Representative Gervase Hephner (D-Chilton), calling attention to the action taken on the abortion issue by the Assembly on May 28, was hand delivered from his office to the Governor this week.

Hephner, chief author of the Resolution which passed the Assembly, told the Governor, "This passage is a strong indication that at least one body of the Legislature feels that the situation of public hospitals performing late term abortions should be addressed now."

Lawmakers have been petitioning the Governor by letter since early in May, when two babies lived for a short time after abortion procedures at University Hospital, to include this issue in the Special Session he had planned for May. After receiving no positive response to his previous request, Hephner introduced a resolution asking the Governor to either expand his call for the May Session or to call another Special Session to take up the issue of abortions in public hospitals.

"I am very gratified that 53 other legislators chose to co-sponsor this resolution with me," said Hephner, "and impressed that this support was evenly divided between Democrats and Republicans."

"I expect that the Governor will take note of this bi-partisan support," observed Hephner. "It is remarkable that a

majority of legislators are willing to take up this issue at this particular time when elections are so near."

Hephner stressed that members of the Assembly have made a clear statement that they want to be able to address this issue and that they are frustrated by the Governor trying to duck his responsibilities. "As the resolution states," said Hephner, "we consider the issue of restricting abortions in public hospitals to be more important than the consideration of prison siting and appropriations for the higher educational aids board that the Governor included on his agenda."

Sheriff Lists Motorcycle Facts

Spring brings out many energy-saving motorcycles. Many people are considering joining the over 200,000 registered cycles by purchasing this popular method of economical transportation. All cyclists are reminded by Sheriff Schwartz of the legal requirements and safe operation procedures which include:

REGISTRATION — All motor vehicles operated on public highways in Wisconsin must be registered with the Division of Motor Vehicles. This includes motorcycles. Resident motorcycle operators must first hold a Wisconsin Driver's License. Cycle Instruction Permits are issued upon successful completion of a written, vision and road sign test. A Cycle Endorsement is issued upon successful completion of a skill test. Operators with an Instruction Permit may not operate a cycle after daylight hours (after dark).

PROTECTIVE HEAD GEAR — Required for all Operators and Passengers under the age of (18) years old, and for all operators with instruction permits.

WINDSHIELD/EYE PROTECTION is required in the form of a face shield attached to a helmet, goggles or glasses, or a windshield with a 15 inch minimum rise above the handlebars.

A HEADLIGHT must be lighted at all times, day or night, when the cycle is being operated.

PASSENGERS are permitted only if the Operator has regular cycle validation (not an Instruction Permit). Cycle must be equipped with a SEAT and FOOT PEGS for TWO people. Passenger foot pegs must be the same level as the Operator's foot pegs. Passenger must ride behind the Operator, astraddle the seat with feet resting on foot pegs.

RIDING TWO ABREAST is permitted in a single traffic lane with the consent of both riders.

Operation of TRAIL BIKES and OTHER CYCLES manufactured FOR OFF-ROAD USE,

and not eligible for registration, is prohibited on all roads and streets in Wisconsin, including the shoulders and ditches.

Sheriff Schwartz further reminds cyclists that there are many equipment requirements, covered by law, that must be observed, for legal operation.

Motorists are reminded that motorcycles are licensed motor vehicles and are entitled to the same rights, privileges and applicable laws as a motor vehicle. Car and truck operators should respect and provide this right for the safety of the cyclists. Sheriff Schwartz reminds all motorists that motorcycles are entitled to the full use of a traffic lane per Statute 346.595(1).

Persons desiring additional information are urged to stop in or call the Sheriff's Department to obtain related informational pamphlets, available free of charge.

Your Parks — For Your Enjoyment

The Wisconsin Department of Natural Resources extends a special invitation to everyone to familiarize themselves with their Wisconsin state parks and forest recreation areas, and to use and enjoy them and come back again and again.

Dave Weizenicker, Director of the Bureau of Parks and Recreation, said that the majority of Wisconsin residents live within one hour's drive of a state park or forest. Weizenicker stated that many people, in view of increased travel costs, are becoming acquainted with the scenic wonders of our state, often just a few miles from home.

When large parks and forest recreation areas are busy on summer weekends and holidays, people may want to plan trips to other parks they have not visited before to discover that these areas also offer outstanding outdoor recreation opportunities.

For further information, please contact the Bureau of Parks and Recreation, Department of Natural Resources, Madison, Wisconsin 53707.

Free Workshop to Be Held at UWWC

A free workshop for adults entitled, "Careers, Personal Growth, and College: A Self-Assessment" will be held in the main building of the University of Wisconsin Center-Washington County on Wednesday, June 30, from 7-10 p.m.

The workshop will survey the current job market, present and future, for people with college degrees or some college courses. The process involved in searching for a career will be explored.

Participants will have the opportunity to fill out Wisconsin Career Information Service forms that computer-match their career interests with the characteristics of over 800 careers.

Specific information on individual college courses that can enhance careers as well as information on programs that lead to a college degree will be outlined. A discussion of financial aids, time management, and the anxiety that may accompany returning to or entering college will complete the program.

The idea for this unique workshop stems from surveys concerning the relationship between a college background and employment. UWWC Students Services Personnel have tailored this workshop to meet the needs of adults in the process of re-evaluating their personal and employment situations in relation to higher education.

For information concerning the workshop and to reserve space and materials, call UWWC Student Services office, 338-5201.

Nylac removes tough soil from carpeting quickly and easily. No machine needed. Miller's Fine Furniture carries Nylac.

THE FEDERAL HAMBURGER

By Senator Bob Kasten

Did you know that Big Mac you ate last week was the subject of 41,000 federal and state regulations?

While some of these regulations are necessary, many are not. Some are even ridiculous. For example, someone sitting behind a desk in Washington has decreed that the hamburger bun, if it is termed "enriched," must contain 1.8 milligrams of thiamine, 1.1 milligrams of riboflavin, and at least 8 but not more than 12.5 milligrams of iron.

The hamburger pickle slice must be between 1/8 and 3/8 inches thick. If cheese is placed on the burger it must contain at least 50 percent milk fat and, if made with milk that is non-pasteurized, must be cured for 60 days at a temperature of at least 35 degrees Fahrenheit. If ketchup is used on the burger, and if it is considered "grade A fancy," it must flow no more than 9 centimeters in 30 seconds at 69 degrees Fahrenheit. Hard to believe isn't it?

And that's only a hamburger. Unnecessary and cumbersome federal rules and regulations apply to just about everything you can imagine. For proof, the 1980 Federal Register, the weekly publication of new government regulations, was 87,000 pages — four times bigger than the 1970 Federal Register!

It costs business firms more than \$120 billion to comply with federal regulations.

You can see why regulatory reform is a hot item on Capitol Hill. Rule-making by federal agencies has gotten out of hand in recent years, and reform is paramount.

This spring the Senate un-

animously passed a wideranging regulatory reform bill that gives Congress, the President, and the courts more control over the way federal rules are made.

The bill would require that agencies weigh the costs of their proposed rules against the benefits; a majority in both Houses of Congress could block implementation of a proposed regulation; the President is given more flexibility in pointing out troublesome rules; and the courts are instructed to place a greater burden on the agency to support its position.

This much-needed legislation gained the support of the entire Senate, and I hope the House will act soon with equal enthusiasm. Then, perhaps, Congress can move on to more vital issues than the size of pickles and buns.

Vacation Bible School at Adell

A vacation bible school will be held June 28 through July 2 at Lakeshore Bible Church in Adell.

Rev. Daniel Olson, pastor, invites area children of all faiths, ages 3-12 to attend the sessions, which will be held from 9 a.m. to 12 noon daily.

A \$1.00 registration fee per student will be charged.

The Faith Roots curriculum by Rev. Willie George will be utilized and will be supplemented by games, stories, puppets and crafts.

Lakeshore Bible Church is located at 300 Neugent Street in Adell. For further information, please call 944-2021 or 564-2864.

Bus transportation will be available from West Bend.

Dale G. Liepert

30 Years Ago

June 20, 1952

In a transaction completed June 13, Erich F. Jeske of Kewaskum purchased Comfort Heating, a general heating business from Louis Bath. The new owner is a former employee of Comfort Heating and is familiar with the oil heating business. Louis Bath Sr. will continue in the Rimmel Manufacturing Company business which he ran jointly with Comfort Heating for many years. Louis N. Bath will operate the firm with his father.

A rodeo will be held in the new arena at the Bar-N-Ranch was recently purchased by Lyle and Dorothy Smith of Oshkosh. Special attraction of the day will be the appearance of "Silver" the marvel horse. Other events will include wild steer riding, bronco busting, calf roping, fancy roping, western games on horseback, stagecoach rides and horse racing. A pre-rodeo square dance will be held Saturday night.

Eighteen Explorer Scouts of Kewaskum, their advisor Larry Beadle and six drivers returned home Saturday from a camping and fishing trip into Canada. They left on June 5 and spent about five days in camp and five days on the road. Scouts who made the trip were Norman Walz, Clark and James Landmann, Floyd Stautz, Bob Rose, Dick Dreher, Dick Rodenbeck, Richard Buntjer, Floyd Dreher, James St. Mary, Jay Van Blarcom, Preston Pierce, Wayne Rimmel, Mark Rosenheimer, Harold Klein, Barney Skrentny, Lyn Peterson and Dick Romaine. Drivers on the trip were Henry Rosenheimer, John Van Blarcom, Ernie Mitchell, Clifford Rose, Clifford Stautz and Paul Landmann.

Glenway C. Backhaus, son of Mr. and Mrs. William C. Backhaus of the Town of Kewaskum, graduated from Northwestern College, Watertown, on June 12, with a bachelor of arts degree.

Daughters were born to Mr. and Mrs. Albert Sauter, Kewaskum, on June 13; to Mr. and Mrs. Orville Ramel, Town of Scott, on June 15; to Mr. and Mrs. Lawrence Theusch, Route 2, Kewaskum, on June 18, and to Mr. and Mrs. Russell Priebe, Route 2, Kewaskum, on June 17.

50 Years Ago

June 24, 1932

William Guth of this village has leased the store south of Kluever's Barber Shop at the intersection of Main Street and Fond du Lac Avenue and will on July 2, open an up-to-date meat market.

Mrs. A. A. Perschbacher last Monday morning while doing the weekly family washing had the misfortune of having one of her arms caught in the automatic wash wringer severely injuring same.

On June 21, at St. Michael's Catholic Church, St. Michaels, Rev. J. F. Beyer performed the wedding ceremony of Miss Helen Staehler and Fred Lang.

Mr. and Mrs. Louis Stern of Beechwood are the happy parents of a baby girl born last week. Mr. and Mrs. Wilmer Faber are the parents of a baby

boy. A baby boy was also born to Mr. and Mrs. Anton Wondra, Friday, June 17.

75 Years Ago

June 22, 1907

The Kewaskum Homecoming Club was organized at Milwaukee last Saturday with the following officers: President, A. C. Backus; vice-president, W. Strachota; secretary, Dr. A. A. Wendel; treasurer, J. J. Altenhofen; directors, Nic Bonesho, Ben. Marx, Fred Schaefer. The club has a membership of 500 former residents of Kewaskum and vicinity. August 25 will be homecomers' day at Kewaskum and the club has arranged to run and excursion here from Milwaukee on that day.

The summer kitchen belonging to Fred Ramthun, east of Kewaskum, was destroyed by fire shortly after dinner last Tuesday.

Philip Kaiser of New Prospect met with a bad runaway here last Wednesday evening. He was on his way home and when he got near the Main Street bridge his team became unmanageable and threw him off the rig. The team continued at a breakneck speed across the bridge and up the river road. Gilbert McDougal followed the runaway with his team as far as Fred Backhaus' farm where one of his horses fell dead. Kaiser was picked up unconscious and taken into Dr. Driessel's office where it was found that the main blood artery of his leg had burst and he was badly bruised.

Our fishermen have been making some big catches lately. H. Suckow caught a pickerel weighing 15 pounds at Walters Lake Sunday and John Andrae caught one at Lake Fifteen Thursday which weighed 18 pounds. A. W. Butzke of Beechwood shot a carp in Beechwood Lake Monday morning which weighed 16 pounds.

KEWASKUM.

(Written for the Kewaskum Statesman by Laura A. Schaefer and published April 6, 1907)

You may rove all over the country
Aye, from the rise to the set of the sun,
You may travel through towns or cities,
You will find no place like Kewaskum.

Kewaskum our dear little city
With its streets and houses so neat,
With its kind and soul-wholed people
Kewaskum you can never be beat.

Kewaskum, great center place of business,
Hustling, bustling spot,
We have tradesmen of every description,
Aye, I'd like to know what we have not.

We have churches and pastors to guide us
Who teach us the wrong and the right,
We have schools that we justly feel proud of
With scholars industrious, intelligent and bright.

We have a nice little paper, the STATESMAN,
Full of news from far and from near
Subscribers too numerous to mention
Who are increasing year after year

We have stores, where the buyer can purchase
The cheapest and best in the land,
No matter whatever you ask for
You will surely find it at hand.

We have a mill, where the finest of flour,
Is turned out by day and by night,
Our smiling housewives can tell you
Why their bread is so wholesome and light.

We have warehouses where the farmers' good
product
Is brought in day after day,
No stinting in prices at Kewaskum,
Our buyers are willing to pay.

If your nights are sleepless with toothache
Our dentist extracts without pain,
He will fill your teeth to perfection
Make them look like new ones again.

We have hardware stores, and a machine
shop,
Ye gods, look in and admire
Each article so shining and bright
Which surely must please the kind buyer.

We have banks where all can deposit
Their savings, aye, every red cent,
Highest interest, fair honest dealings,
Bring your money lenders it is spent.

We have doctors both conscientious and
clever,
Who their duty quickly perform
In healing the sick and wounded.

And making them healthy and strong.
We have masons, carpenters and carvers,
Men of art, without any dispute.
We have dressmakers, milliners and tailors
Who have gained the highest repute.

We have a snug little jail where the culprit,
Can gnash out his heartaches and pain,
Where peace breakers can sit and grow
tender,
Till they submit to order again.

We have a marshal, justice of the peace
and sheriff,
Whose heads are on the right spot.
We have meat markets, cattle buyers and
tanners,
Pray tell us what we have not!

Should your sweetheart come on a Sunday,
And you are anxious to have something
quite rare,
We have squabs, young, juicy and tender,
The best you can get anywhere.

If you feel downhearted, melancholy or sad,
Wander out to our parks, we have two,
Where our BAND will furnish sweet music,
And quickly dispell the dread blues.

Did I tell you in the very beginning
That Kewaskum could never be beat,
What town has such handsome arc lights
To brighten their houses and street?

Our lumber yard yields the best material
You can find in the East or the West,
No o.d., half rotten plunder,
But the newest, the soundest, the best.

Step into our neat little bakery,
What good things there, meet your eye,
Rolls as light as a snowflake
And nothing is ever awry.

We have a postoffice, drug store and photo-
grapher,
Basket and base ball teams, and yet more,
We have laborers, God bless and protect them
Hunger never enters their door.

We have a soda water factory and we have
weiss beer,
Where the thirsty can drink for a song,
You'll find an ice house, furniture stores and
depot,
As you slowly wander along.

We have a jewelry store, telephones and
gatekeeper,
And you rarely ever can find
Men like our saddlers, shoemakers or black-
smiths,
So very obliging and kind.

If time hangs heavy on your hands,
And you think to live is a crime
Get a book, our bookstore is near by
You soon will forget to repine.

Kewaskum Statesman, Friday, June 25, 1982, Page 13

KEWASKUM MEAL SITE FOR THE ELDERLY MENU

Kewaskum Legion Hall

Kewaskum Site Manager
Dolores Kleinke 626-2420

Monday, June 28 — Swedish meat balls w/gravy, mashed potatoes, buttered beets, fruit juice, chocolate pudding, roll & butter, milk & coffee.

Tuesday, June 29 — Seven layer salad, oven browned potatoes, apricots, French bread, cookie, milk & coffee.

Thursday, July 1 — Tuna salad w/onion, celery & mayonnaise, macaroni & cheese, wax beans, roll & butter, orange, cookie, milk & coffee.

On the sunniest spot of our city
Stands our malthouse majestic and great,
'Tis the pride of our own dear Kewaskum,
The finest you'll find in the state.

We have hotels for the weary traveler,
Our barbers are classed with the best,
We have buttermakers, wagonmakers and
weavers,
I shall speedily tell you the rest.

We have cigarmakers, a brickyard and farm-
ers,
Now our bowling alley comes quickly in
line,
We have sculptors, paperhangers and paint-
ers,
Last our livery will finish the rhyme.

Oh you, who have strayed from Kewaskum,
When footsore and burdened with pain,
Come back to its arms, you are welcome
Old friends will greet you again.

—Laura A. Schaefer.

WEST BEND CHURCH TO HAVE MOVIE, VOCALIST

Sunday, July 4, 7 p.m.
Calvary Assembly of God, 1110 E. Decorah Rd., West Bend, will present "The Minnesota Connection" a made-for-television movie that exposes the real truth of a teenage prostitution pipeline that fed young Scandinavian girls to the streets of New York City. Everyone is invited.

Sunday, July 11, 10:30 a.m.
Calvary Assembly of God will hold a Gospel concert with internationally known vocalist Phil Enloe. All are welcome.

In The Service

Wesley A. Haug Jr.

Marine Pvt. Wesley A. Haug Jr., son of Marilyn J. and Wesley A. Haug Sr. of 3326 Highway 28 E., Kewaskum, has completed the infantry combat training course at the Infantry Training School, Camp Pendleton, Calif.

During the six-week course, he received classroom instruction and participated in field exercises involving infantry tactics, the construction and camouflage of fighting positions, and the use of mines, demolitions and intra-company communications equipment. His specialized training centered on the operation, employment and maintenance of recoilless rifles, anti-tank rockets and flamethrowers.

Troy G. Ellis

Airman Troy G. Ellis, son of Richard F. and Gail G. Ellis of 712 Memorial Drive, Kewaskum, has graduated from the

U.S. Air Force security police specialist course at Lackland Air Force Base, Texas.

Graduates of the course studied security and law enforcement and earned credits toward an associate degree in applied science through the Community College of the Air Force.

Ellis will now serve at RAF Bentwaters, England.

He is a 1980 graduate of Kewaskum High School.

Stephen Bemis

Airman Stephen H. Bemis, son of Ann H. Bemis of 5404 Richenbacher Ave., Alexandria, Va., and Eugene G. Bemis of Route 1, Adell, Wis., has been assigned to Sheppard Air Force Base, Texas, after completing Air Force basic training.

During the six weeks at Lackland Air Force Base, Texas, the airman studied the Air Force mission, organization and customs and received special training in human relations.

In addition, airmen who complete basic training earn credits toward an associate degree in applied science through the Community College of the Air Force.

The airman will now receive specialized instruction in the civil engineering field.

He is a 1977 graduate of Kewaskum High School.

Army Reserve Pvt. Bryan L. Holz, grandson of Nora and Marvin Doering of 7886 Salisbury Road, West Bend, has completed basic training at Fort Knox, Ky.

During the training, students received instruction in drill and ceremonies, weapons, map reading, tactics, military courtesy, military justice, first aid, and Army history and traditions.

Airman Gordon R. Medley,

son of Robert B. and Rita G. Medley of 1359 Lakeview Road, West Bend, has been assigned to Sheppard Air Force Base, Texas, after completing Air Force basic training.

During the six weeks at Lackland Air Force Base, Texas, the airman studied the Air Force mission, organization and customs and received special training in human relations.

In addition, airmen who complete basic training earn credits toward an associate degree in applied science through the Community College of the Air Force.

The airman will now receive specialized instruction in the civil engineering field.

The airman is a 1981 graduate of Kewaskum High School.

Mark Sherwin

Airman Mark Sherwin, son of Ronald F. Sherwin of Route 3, Campbellsport, and Helen F. Vogel of 1212 E. Morgan Ave., Milwaukee, has been assigned to Keesler Air Force Base, Miss., after completing Air Force basic training.

During the six weeks at Lackland Air Force Base, Texas, the airman studied the Air Force mission, organization and customs and received special training in human relations.

In addition, airmen who complete basic training earn credits toward an associate degree in applied science through the Community College of the Air Force.

The airman will now receive specialized instruction in the air operations field.

He is a 1981 graduate of Bay View High School, Milwaukee.

Marine 2nd Lt. David W. Elwing, son of Stuart F. and Margaret H. Elwing of 105 New Cassel St., Campbellsport, recently returned from a de-

ployment to the Mediterranean Sea and the Indian Ocean.

He is an officer assigned to E Company, Battalion Landing Team 2/6, 32nd Marine Amphibious Unit (MAU), Camp Lejeune, N.C.

The MAU is tasked with providing MAU reaction assault forces, and the air support required for those forces.

The 1,800 Marines and sailors forming the nucleus of the 32nd MAU were embarked aboard ships specially designed to transport combat personnel.

While deployed, he participated in numerous amphibious operations in various training exercises. Port visits were made to Italy, Spain, France and Greece.

Brian J. Bodoh

Pvt. Brian J. Bodoh, son of Ruth A. and stepson of Earl L. Conley of 3889 Schuster Drive, West Bend, has completed basic training at Fort Knox, Ky.

During the training, students received instruction in drill and ceremonies, weapons, map reading, tactics, military courtesy, military justice, first aid, and Army history and traditions.

Little Whistler Homemakers Meet

The Little Whistler Homemakers of Kewaskum held their two final meetings before summer break on April 20, at the home of Kathy Schreffler and on May 18, at the home of Carolyn Schultz.

Both meetings consisted of discussions of the club's two summer events, the annual club outing and family picnic. It was

decided that the club outing would consist of dinner at T.C.I. Fridays, followed by the viewing of the play, "The Fiddler On The Roof," at the Melody Top in Milwaukee. Plans were made for the family picnic which will be held at the Kewaskum Park. Members and their families plan to enjoy a day of food and fun in the sun.

Members who attended spring council reported on topics presented there, including the County Homemakers Craft Fair which will include many various crafts displayed and demonstrated by the homemakers of Washington County. This event is to be held in September.

Bonnie Zahn and Lois Thull attended a tour of homes sponsored by the Extension Office. All the homes included in the tour were "Energy Efficient Homes of the Future." It was a very interesting and informative day for all who took part.

The May meeting included a surprise baby shower for members, Lois Yogerst and Tina Thull who are expecting new arrivals this summer.

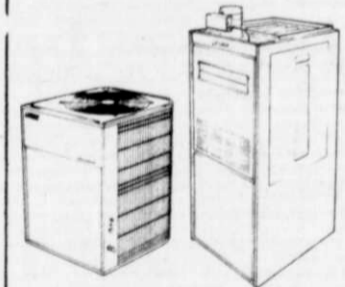

The club will resume their monthly meetings beginning the 21st of September.

Lois Thull
Vice-president

\$100 REBATE*

Between April 15 and June 15, 1982 when you buy and install both Lennox central cooling and high efficiency heating, you'll receive a \$100 rebate check direct from Lennox.

WISCONSIN'S NEW DRINKING/DRIVING LAW

DRUNK DRIVING CONVICTIONS ARE COSTLY

[Seventh in a series]

How much does a drunken driving conviction actually cost? The state department of transportation said there are so many variables that an exact answer cannot be given, but that some estimates range upwards of \$5,000, depending upon the "Givens."

For example, a first conviction of operating while intoxicated will cost an immediate cash outlay of \$440, which includes the basic forfeiture, the 12 per cent penalty assessment for law enforcement training, court costs and the new \$150 surcharge added by the new drunken driving law.

In addition, all convicted drivers are required to go to an approved assessment center to have the extent of their drinking problem assessed, and a remedial driver safety plan developed. The cost of the assessment, which must be paid by the driver, will be between \$50 and \$100. The driver will also have to comply with the driver safety plan, which may require inpatient or outpatient treatment at an alcohol treatment center, Group Dynamics Traffic Safety School, or general traffic safety school, "or a combination thereof." Depending upon the program, this could add costs ranging from \$50 upwards into several hundred.

A first conviction also requires a mandatory 3-6 month driver license suspension, which requires payment of a \$20 reinstatement fee. A driver who applies for an occupational license will have to post proof of insurance, which usually means going into the "high risk" insurance category with substantially higher premiums.

Insurance proof must be maintained for three years after a revocation for a subsequent OWI conviction or for refusing the chemical test for intoxication.

A driver who opts to contest the charge will probably have to add the cost of an attorney.

At best, a drunken driving conviction is costly...at worst it can be very costly.

If past arrest rates are maintained, more than 30,000 Wisconsin drivers will find out the exact costs the hard way.

Something

To Crow About

Wing Ding, Lucky Lady, Bonzie Betty and Lindbird! They're all fowl participants from past Chicken Flying Contests. Chickens will squawk, flap and flutter to be winner of the annual contest, to be held on July 23 as part of the Washington County Junior Fair.

There will be three pilot divisions: Under 18; over 18; celebrity division. The fair takes no responsibility on how you or your chicken comes out of the contest. The pilot enters at their own risk. Entrants must catch their own chicken after its flight. Only straight flights will be measured.

Entry deadline is 5:00 p.m. on Friday, July 23. Entry forms can be gotten from the County Fair Office, Court House Annex II, 515 East Washington Street, West Bend 53095 or by calling 338-4485; 644-5204 or 342-2929. Entry forms can be picked up prior to July 16 in West Bend. After that date, they will be available from the Fair Office in Slinger.

Obituaries

MRS. ELSIE KETTER

Visitation for Mrs. Elsie Ketter, 80, of Route 2, Campbellsport, was from 2 to 7:30 p.m. Monday, at Twohig Funeral Home in Campbellsport.

Mrs. Ketter died Friday, June 18, at Americana Health Care Center.

She was born March 14, 1902, in Waucousta, a daughter of Herman and Augusta Siegfried Bartelt. On April 7, 1920, she married Henry Ketter in Dundee. The couple celebrated their Golden Wedding Anniversary in 1970.

She was a member of Immanuel Lutheran Church in Campbellsport, and the Ladies' Aid Society.

Surviving are six sons, Erwin, Elton, Loren, and Walter, all of Campbellsport, Duane of Mayville, and Elwyn of Eden; and one daughter, Mrs. Gene (Joan) Petersen of Campbellsport.

She is also survived by two sisters, Mrs. Adella Baumhardt of Campbellsport, and Mrs. Viola Warbington of Phoenix, Ariz.; 20 grandchildren; and 12 great-grandchildren. She was preceded in death by her husband in 1978, one son, one sister and four brothers.

Funeral services were held at 8 p.m. Monday at Immanuel Lutheran Church in Campbellsport, with the Rev. Allen Capek officiating. Burial was Tuesday in Union Cemetery, Campbellsport.

HELEN MARX

Helen Marx, 99, passed away Sunday, June 20, at River Hills South.

Survivors include one sister, Dela (Nic) Stoffel of Kewaskum; one sister-in-law, Flora Marx; one brother-in-law, Ralph Kastenholz; other relatives and friends. She was also a sister of the late John Marx of Kewaskum.

She made her home with her niece, Dolores DuPont (nee Stoffel of Kewaskum) and her husband Bob from 1970 to 1977.

The body was in state at Holy Assumption Church, 11321 St. Martins Rd. on Tuesday, June 22, from 6:00-7:30 p.m. followed by a Mass of Christian Burial at 7:30 p.m. Interment was in Kewaskum. Hales Corners Borgwardt Funeral Home served the family.

MRS. HAROLD DENZIN

Dolores Mae Denzin, nee Backhaus, 60, of Fairbanks, Alaska, formerly of the Lomira area, died Tuesday, June 15, in Fairbanks.

She was born Sept. 26, 1921, in Kewaskum, and married Harold F. Denzin July 4, 1942, in Kewaskum.

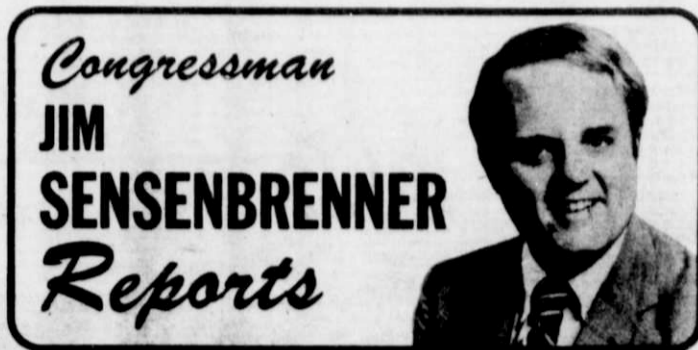

Survivors include her husband; six children, Kay Brehmer of Slinger, Reta Schmidt of Anchorage, Alaska, Bonnie Krenke of Appleton, Cathy Scola of Two Rivers, Christy Zedler of Fond du Lac and Brian of Fond du Lac; 10 grandchildren; two brothers, Harvey of Fond du Lac and Irvin of West Bend; and other relatives and friends.

She was preceded in death by a sister and a brother.

Funeral services were at Kietzer Funeral Home, 565 Sunrise Ave., Lomira, Saturday

at 3:30 p.m. Pastor Arthur W. Vieth officiated and cremation followed.

Visitation at the funeral home was Saturday from 1 p.m. until time of services.

STUDENT AID PROGRAMS NEED REFORM

The federal government has made a successful and commendable effort to help American youths gain a college education in recent years, but its programs of student aid are now plagued with problems that threaten to destroy them. Unless significant reforms are enacted, the ability of many to attend college on this aid may be seriously impaired.

The Guaranteed Student Loan (GSL) program is experiencing an alarmingly high default rate of 12.5% on all outstanding loans, which amount to \$1.6 billion. Many students apparently have no intention of repaying these debts, which puts a tremendous drain on the system and dries up money which could otherwise be lent to other deserving students.

Audits also show over 10% of all borrowers were from families earning over \$30,000 a year, raising doubts as to their actual need for help.

There are two bills in Congress designed to address the default problem. One would allow the IRS to withhold any income tax refund due to a borrower in default on a student loan. The other would prevent students from avoiding repayment through declared bankruptcy by requiring prorated payments on such loans, despite the bankruptcy.

More often than not, those in default are fully able to repay the loans. We need measures to get them to repay, and these bills are a good start.

Another problem-ridden aid

program is the Basic Educational Opportunity Grant (BEOG) program, which provides financial aid to needy students without repayment. The problem here is overpayments amounting to hundreds of millions of dollars.

A recent audit by the Department of Education disclosed that 49% of all grant recipients were overpaid by \$440 million in one year, while another 22% were underpaid by \$128 million.

This waste and administrative bungling is unexcusable, as is the fact many undeserving students are getting unneeded help at the expense of the truly needy. Both programs are under fire in Congress because of these problems, and unless major reforms are enacted, the only option may be to severely cut them back to save dollars — all at the expense of a college education for many students.

ALCOHOL — THE GREAT DEPRESSANT Richard Edwards, M.D.

If water is considered to be our universal solvent, then "Alcohol" is fast becoming the great depressant of our minds. Most people have the opinion that "alcohol" produces frivolity, excitement and agitation: hence those who use "alcohol" are euphorically stimulated. WRONG!! The use and abuse of "Alcohol" causes very great harm and hardship to our lives. It takes away our energy and healthgiving habits, only to replace them with laziness and a filth filled mental attitude.

In the June 16th issue of the West Bend News a note worthy article was reported by John Nelander, on the depressing effects of "Alcohol" as observed by Ass't. Professor Bruce Hetzler of Lawrence College and John Wiesman, a biology major student, who have collaborated in researching the effects of the use of "alcohol" on the human brain. Please try to obtain this paper and read this very enlightening report. You will be surprised to learn that logical thinking is the first loss to our brain rather than the loss of vision and mental alertness as most of us believe.

Furthermore there is a relatively more recent knowledge of the serious and damaging effects caused by the use of "alcohol." The National Institute on Alcohol Abuse and Alcoholism first recognized in the U.S. in 1972 when it was learned that the babies born to known "Alcoholic Mothers" were much smaller than those born to non-drinking mothers. Also, it has been determined that these babies born to "drinking mothers" will be aborted much more frequently, will have one or more congenital defects and will have at least a 40% lower IQ, (intelligence quotient). This study has led the medical profession to designate this disease as "The Fetal Alcohol Syndrome."

The amount of "alcohol" ingested by the pregnant mother causes increased damages to her fetus in proportion to the daily amount used; hence it is very wise for all pregnant women and those anticipating an early pregnancy to stop all ingestion of alcohol during pregnancy. The damage to the fetus occurs chiefly during the first few months of gestation, while the chronic use of "alcohol" at the end of pregnancy produces increased weight of the baby, chiefly.

Remember that, as a Rule, all drugs ingested by the mother find their way into the blood stream of the fetus. Therefore, I believe it to be wise to prohibit the taking of all drugs and alcoholic drinks, unless your physician recommends them to you.

Lack of knowledge of alcoholism called 'appalling'

I am appalled by the lack of knowledge of alcoholism that exists in my profession. I received a two-hour lecture on the subject in an excellent medical school in 1958. I am absolutely convinced the solution to this problem has been answered by Stanley Gitlow, MD. He points out that, like Willie Sutton said when asked why he robbed banks, "because that's where the money is."

If you want to learn about alcoholism, go where the alcoholics are. Attend some Alcoholics Anonymous meetings. Believe me, you will become knowledgeable regarding the disease of alcoholism. Anyone, physician or layman, who makes statements or judgments concerning alcoholics, but has not spent time with recovering alcoholics, is simply giving irresponsible, undocumented, and worthless opinions.

Minutes of Village Board Meeting

Regular Meeting
June 7, 1982
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in regular monthly session in the Council Room of the Municipal Building, 204 First Street.

President Gerald Stollenwerk presided. All Trustee Members were present except Trustee Mlodzik, who had asked to be excused.

The minutes of the meeting of May 17, 1982, were approved as printed upon motion by Trustee David Nigh, seconded by Trustee Paul Blumer. Voice vote was unanimous.

The opening of bids as advertised for the Kewaskum Kiwanis Community Park electrical work were as follows: (All bids were read aloud).

1. Kirchner Electric Co. Inc. / West Bend \$10,400.00.
2. Page Electric, Inc. / Berlin \$12,700.00
3. Sure Fire Electric, Inc. / Mayville \$11,974.00.
4. Steiner Electric, Inc. / West Bend \$13,369.00
5. Kettle Moraine Electric, Inc. / Kewaskum \$15,880.00.

Motion was made by Trustee Richard Schmidt, seconded by Trustee Jeffrey Rohrer to suspend the rules to take action on agenda item VIII. C. Review and possible action on the bids received for the electrical work at the K.K.C.P. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent." The motion was carried by the majority.

On a motion by Trustee Paul Blumer, seconded by Trustee Howard Laubenstein and carried unanimously, the Board tabled action on the electrical bids for the K.K.C.P. until June 21, 1982, and turned all bids over to the Engineer Mike Flaig for his review and a recommendation.

Mr. Roland Pritchard and his associate Mr. Howard Schuknecht asked the Board to waive any special assessment for lot 19 of Ideal Subdivision in the future. Village Attorney Gerald Kiefer advised the Board against any such waiver. Administrator Schmidt advised the Board of several other lots that would be affected by any decision on this lot. The matter was taken under advisement and no decision was made.

Mr. Frank Kutz asked the Board if there were any restrictions in reference to an earth home. The Board advised him to call the village's certified building inspector Marvis Lemke.

A public hearing was conducted on the applications for nine (9) Class B tavern license

renewals and on two (2) Class A Liquor store license renewals. There were no objections from the floor to any of the applications as publicly read by President Gerald Stollenwerk. The Police Department had no reason to protest at this time on any one of the applications. Attorney Kiefer advised the Board to have Robert Holub Jr. sign a new letter of acknowledgement in reference to the law suit regarding his premise. On a motion by Trustee Paul Blumer, seconded by Trustee Jeffrey Rohrer and unanimously carried the public hearing was declared closed.

Motion was made by Trustee Jeffrey Rohrer, seconded by Trustee David Nigh to suspend the rules to take action on agenda items VIII. A. & B. Discussion and possible action on the applications renewals for the Class B tavern licenses and the Class A liquor store licenses. Roll call was 6 "Aye," 0 "Nay," 1 "Absent." The motion was carried by the majority.

On a motion by Trustee David Nigh, seconded by Trustee Richard Schmidt to approve the following applications for a Combination Class "B" Fermented Malt Beverage and Intoxicating Liquor License for the period commencing July 1, 1982, and ending June 30, 1983, upon proper payment of the required fee and to have Robert Holub Jr. sign a new letter of acknowledgement in reference to the law suit regarding his licensed premise, the Commissioner was authorized to issue the proper licenses. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent." The motion was carried by the majority.

Kenneth Bonlender and Thomas Piwoni, Partnership, 137 Main Street.

William Edwards, 1139 Fond du Lac Avenue.

Robert Joseph Holub Jr., 1310 Riverview Drive.

Lloyd R. Keller, 1257 Fond du Lac Avenue.

Rose E. Kuehl, 215 Main Street.

William J. Kulas, 109 Main Street.

Erwin P. Rinas and James M. Rinas, a corporation, 204 Main Street.

Roger J. Schmitt, 1269 - 1271 Fond du Lac Avenue.

Robert G. Romaine Legion Post No. 384, Ervin P. Bonlender, Agent, 1538 Fond du Lac Avenue.

On a motion by Trustee Richard Schmidt, seconded by Trustee Howard Laubenstein to approve the following applications for a Combination Class "A" Fermented Malt Beverage and Intoxicating Liquor License (liquor store) for the period commencing July 1, 1982, and ending June 30, 1983, upon proper payment of the required

fee, the Commissioner was authorized to issue the proper licenses. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent." The motion was carried by the majority.

James P. Boegel, 355 Main Street.

Sylvester W. Keller, 1208 Fond du Lac Avenue.

On a motion by Trustee Jeffrey Rohrer, seconded by Trustee David Nigh and carried unanimously, as recommended by the Supt. of the W.W.T. Peter Albers, Gerald Wagner was hired as the summer part-time intern employee.

On a motion by Trustee David Nigh, seconded by Trustee Paul Blumer and unanimously carried, as requested by the Supt. of P.W. Augie Bilgo, permission to proceed with the advertising for asphalt paving of street bids was approved, with bids to be opened at the June 21, 1982, meeting.

On a motion by Trustee Paul Blumer, seconded by Trustee Richard Schmidt and unanimously carried, the Fire Chief and Assistant Fire Chief were granted permission to attend the Fire Chief's Conference.

On a motion by Trustee David Nigh, seconded by Trustee Jeffrey Rohrer and unanimously carried, the application of Marvin Wahnschaffe for an Operator's (bartender's) License was approved and the Commissioner was authorized to issue the proper license upon proper payment of required fee. The Police Department had no objections to the issuance of the license and the health report was negative.

On a motion by Trustee Richard Schmidt, seconded by Trustee Howard Laubenstein, and unanimously carried, the application for a building permit for Regal Ware, Inc. to construct a generator building was approved and the office was authorized to issue the proper permit upon proper payment of the required fee. The application was reviewed and approved by the Building Inspector, Zoning Administrator, and the Fire Chief. The location of the building to be in the rear yard of 1675 Reigle Drive.

Motion was made by Trustee David Nigh, seconded by Trustee Howard Laubenstein, and unanimously carried, to grant the Commissioner permission to attend the League of Wisconsin Municipalities Seminar.

Administrator Schmidt informed the Board of the employment of Paul Sloat, a CETA summer employee. Mr. Sloat began on June 7, 1982, and is expected to work for the village for approximately 10 weeks.

Administrator Schmidt informed the Board that Lynn's Wastepaper will provide a truck for the Lions June paper drive; however, there may be a small

cost to the village if the right amount of tonage is not collected. The Lions are looking at different alternatives to solve any problems they currently have with the disposal of the paper.

Administrator Schmidt reviewed a letter received from Mr. Brian Thompson in which he is requesting a refund on his property tax, due to an error on his assessment. The refund would involve a three year span and amount to a total refund of \$21.18.

Motion was made by Trustee Paul Blumer, seconded by Trustee Jeffrey Rohrer and unanimously carried, to refund \$21.18 to Mr. Brian Thompson.

A letter from the Board of Review was reviewed by the Board, with the primary discussion being a possible reassessment of the entire community. The Board of Review went on record as to supporting such action due to several inequities in the current assessments. It was noted that this would not cause taxes to go up, but would distribute them more evenly and in a more equitable manner. If the Board desired to accomplish this task, this year work should begin on proceeding in the near future. Administrator Schmidt informed the Board the estimated cost for such a reassessment is between \$8.00 & \$30.00 per parcel.

On a motion by Trustee Jeffrey Rohrer, seconded by Trustee David Nigh, and unanimously carried, the Board authorized Administrator Schmidt to proceed with obtaining the necessary information from the Department of Revenue, so work on the possible reassessment could proceed in a timely manner.

On a motion by Trustee Paul Blumer, seconded by Trustee Howard Laubenstein, and unanimously carried, the Board approved the bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

Village Gen. Fund	\$55,374.33
Water Dept. Fund	1,678.39
Sewage Dept. Fund	8,814.57

Motion was made by Trustee Richard Schmidt, seconded by Trustee David Nigh, to adjourn the meeting. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent." The motion was carried by the majority.

Daniel S. Schmidt
Administrator

Acreege Reports Requested by ASCS

Every farmer in Washington County is requested and encouraged to report their 1982 crop acreages to the ASCS office, according to Donald E. Sampson, office director at the West Bend office.

Regardless if a person intends to participate in the Acreege Reduction Program (set aside) or not, an acreege report is important according to Sampson. The reported acres have a direct effect on the bases used in 1983 for corn, wheat, barley and oats. Producers participating in the set aside will definitely retain their base in full regardless how much they reduced their 1982 plantings. Also persons with a base will retain this base if they do not plant the program crop and file a zero report.

Washington County has 1287 farm units on file with at least one crop base. Of these, 615 enrolled for the Acreege Reduction Program last spring. Being a voluntary program, producers are now deciding if they should meet the set aside requirement or drop out. According to Sampson, many have mixed feelings about the value of complying.

We feel the target prices of \$2.70 for corn, \$4.05 for wheat and \$2.60 for barley have significant value. Producers should be aware that price support loans and the grain reserve are limited to participating farm production.

Special Meeting of Board of Education

A special meeting of the Board of Education of the School District of Kewaskum will be held on Monday, June 28, 1982. The meeting will be held at the Kewaskum Middle School and will begin at 8:00 p.m.

Agenda items will include action on the KEA grievance on the athletic director position, a review and action on any recommendations of the transportation committee on elementary school attendance boundaries, action on the 1982-83 school budget, approval of the annual meeting agenda, short-term borrowing, payroll and vouchers payable, a report on the donated computer, appointment of an interim superintendent and miscellaneous items as provided by law.

SPECIAL MEETING OF SCHOOL BOARD

A special meeting of the School Board of the School District of Kewaskum will be held at 8:00 p.m. on Thursday, June 24, 1982 in the Middle School. The purpose of this meeting will be to discuss procedures to be used in hiring a new superintendent.

IN MEMORIAM

in loving memory of Joseph Batzler, who passed away one year ago, June 30, 1981:

Though his smile is gone forever
And his hand we cannot touch,
We have so many memories of the one we loved so much.
His memory is our keepsake
With which we'll never part,
God has him in His keeping,
We have him in our hearts.

Lovingly remembered and sadly missed by his wife, children and grandchildren.

PUBLIC NOTICE

Public notice is hereby given that the next meeting of the Village of Kewaskum, Wisconsin Plan Commission is scheduled for Tuesday, evening, June 29, 1982, at 8:00 p.m. in the Council Room of the Municipal Building, First Street, Kewaskum.

William Martin
Recording Sec'y.

Annual Kohlsville Horse Shows Hit Spot

Faith Haven Lay School members once again sponsored two equestrian riding-driving exhibitions for West Bend community members at Havenwood Stables, Kohlsville.

On June 2 a ten-horse performance was given for developmental disabled students from the West Bend School District and residents of the Cedar Lake Home Campus' House of Friendship. Students and residents alike responded enthusiastically to the intricacy of formation riding and their introduction to the stable's youngest foal, St. John.

On June 6 a standing room only crowd of Cedar Lake Home Campus residents and their families applauded their approval to this exciting and varied program:

Introduction of horse progeny from foal thru 3 year old including basic training explanation.

Three-gaited gelding with rider's balanced seat explanation.

Four antique 2-wheel carts driven in hand by four ladies including cart formation using two overland carts, a breaking cart and a doctor's cart.

Palomino green-broke filly exhibiting rider using oral commands only, no reins.

Children up and over including exercises and gymnastics on horseback.

Five-gaited stallion with explanation of gaits and training.

Children's formation including leap frog and spins.

Six matched chestnuts and palominos in concert.

Twelve horse precision formation and extended animation in concert.

The riders were students of the Faith Haven School of Horsemanship.

THIEMER'S SUNDAY LEAGUE

	W	L
Thiemer's	4	1
Amerahn	3	2
Rite-Way	3	2
Hitching Post	3	2
Kewaskum Saloon	1	4
Sentry	1	4

Kewaskum — Saloon gave Thiemer's Sip & Snip a run for their money. But homers from Paul Lehnerz and Ken Weber gave Thiemer's the win, 3 to 1.

Amerahn edged the Hitching Post in a well played game on both sides, 8 to 7, with Nick Vogt hitting one for the Post.

With the help of Tom Schultz and Brian Ernisse's home runs

Rite-Way went on to down Sentry, 7 to 2.

Thiemer's will be hosting a tournament this weekend, June 26 and 27, 10:30 to 6:30 are games to be played. So feel free to come to cheer for your favorite.

Thomas Edison had a collection of 5,000 birds.

NOTICE OF SEPTEMBER PRIMARY AND NOVEMBER ELECTION 1982

NOTICE IS HEREBY GIVEN, that in the several towns, villages, wards and election districts of the State of Wisconsin, at a primary to be held on the second Tuesday of September, A.D., 1982, being the Fourteenth day of said month, and at an election to be held on the first Tuesday next succeeding the first Monday of November, A.D., 1982, being the Second day of said month, the following officers are to be nominated and elected:

LEGISLATIVE OFFICERS

ONE SENATOR, from the odd-numbered State Senatorial Districts of the State, for the term of four years, to succeed the present incumbent listed, whose term of office will expire on the third day of January, 1983:

5th Senatorial District - David G. Berger

FIVE REPRESENTATIVES TO THE ASSEMBLY, each for the term of two years, to succeed the present incumbents listed, whose terms of office will expire on the third day of January, 1983:

6th Assembly District - Gervase A. Hephner

12th Assembly District - John L. Merkt

13th Assembly District - Michael G. Kirby

53rd Assembly District - Mary E. Panzer

54th Assembly District - Esther Doughty Luckhardt

The new Assembly District numbers will be 66, 69, 70, 72 and 88.

CIRCULATION OF NOMINATION PAPERS

NOTICE IS FURTHER GIVEN, that the first day for circulating nomination papers for the September primary is June 1, 1982, and the final date for filing nomination papers for the said primary will not be later than 5:00 p.m. on the third Tuesday of July, A.D., 1982, being the Twentieth day of said month.

NOTICE IS HEREBY FURTHER GIVEN, that the filing deadline of July 20, 1982, applies only to candidates for State Senate and Assembly Districts. Candidates for county, statewide, U.S. senate and congressional offices will file nomination papers not later than 5:00 p.m. on the second Tuesday of July, A.D., 1982, being the Thirteenth day of said month.

GIVEN under my hand in the City of West Bend, this 15th day of June, A.D., 1982.

West Bend West Spartans Blow Out Indians, 14 to 3

By Cathy Schlice

After a week's layoff in which 3 games were cancelled because of rain, the Kewaskum varsity baseball team came out on the short end of a lopsided 14-3 score against West Bend West Tuesday night.

The Indians were again the first to score after Jeff Geidel reached on an error. Senior Dave Donath hit a blooper to right field to score Geidel but he tried to stretch it to second and was thrown out.

West also picked up a run in their half of the first. Herbst reached on an error and stole second. Herbst then scored on Mayer's hit.

In the top of the third Kewaskum's Mike Heisdorf reached on an error and advanced to second on a hit by Ric Leitheiser to center field. Tim Heberer walked to fill the bases. Donath again came up with a needed hit to score Heisdorf and Leitheiser. This was the last time the Indians ever led.

In West's half of the third they got things going after 2 outs. Hall reached on a fielder's choice. He stole second and third and scored on a passed ball. Borgel received a free pass. Fleischman was safe on an error and Josten filled the bases on another error. Sabin's hit scored Borgel. Harder's hit scored Fleischman. Herbst then hit a double to score Josten, Sabin and Harder and then scored himself on a wild pitch.

In the fifth Hader was walked, stole 2nd, reached 3rd on a passed ball and scored on another. Mayer reached on an error and advanced to 2nd, reached 3rd on an error and later scored. Harter then received a walk, stole second and scored on an error. Pinch hitter Raymond then received a walk and scored on Fleischman's hit.

The Spartans added 2 more in the sixth. Josten received a walk, advanced to second on a wild pitch and stole third. Pinch hitter Norton then hit in Josten, stole second and third and scored on a passed ball. This made the final score 14-3.

Heberer took the loss for Kewaskum, giving up 8 runs,

Lakes Team Edged By West Bend, 3-1

The Kewaskum Lakes team lost another close game at West Bend Sunday. This time it was West Bend which scored 2 runs in the bottom of the eighth inning to break a 1-1 deadlock.

The highlights of the game were a fine pitching performance by Steve Muench, strong defensive play by the team, and a home run by Ron (the smasher) Theusch. Ron ripped a hanging curve over the left field fence, 340 feet away.

Friday night's game with Juneau in the Tri-County Nite League was rained out.

This Friday and Sunday, the Lakes team plays at home.

KEWASKUM - R. White, cf, 3-0-1; A. Jaeger, 2b, 4-0-0; T. Bartelt, dh, 4-0-0; R. Theusch lb, 4-1-2; T. Perkins, lf, 4-0-0; M. Donath, 3b, 4-0-0; B. Heberer, ss, 4-0-1; St. Muench, p, 3-0-1; S. Muench, c, 2-0-0; B. Pearson, rf.

striking out 3 but walked 5 in 2 2/3 innings. Brian Larsen came in and pitched 3 1/3 innings, striking out 8 and walking 5, while allowing 6 runs to score. The winning pitcher for West was Burns, who struck out 8 and walked 4, giving up 3 hits.

KEWASKUM - Leitheiser 3-1-1, Geidel 3-1-0, Tews 1-0-0, Heberer 1-0-0, Mueller 0-0-0, Donath 2-0-2, Straub 3-0-0, Dieringer 2-0-0, Stautz 1-0-0, Donnelly 2-0-0, Braun 1-0-0, Larsen 3-0-0, Heisdorf 3-1-0; totals 25-3-3.

WEST BEND - Hader 2-2-1, Menz 1-0-0, Herbst 5-2-1, Mayer 4-1-1, Harter 3-1-0, Hall 1-1-0, Raymond 0-1-0, Borgel 2-1-1, Fleischman 4-1-1, Josten 3-2-0, Sabin 3-2-0, Norton 1-0-0; totals 29-14-7.

Winners in Big Fish Contest

Winners in Village Sport Shop's Big Fish Contest for the past two weeks are as follows:

For the week of June 6 to 12. Craig Garbisch, Kewaskum, brought in the winning northern weighing 4.4 lbs. and measuring 26 3/4 inches and the winning panfish. It was a 22 oz., 14 1/2 inch crappie. Both fish were caught on Lac Vieux Desert.

Michael Buss, Campbellsport, brought in two beautiful walleyes from Big Green Lake. The 7.5 lb., 28 1/2 inch fish was biggest for the week and the 6 lb. one was the next biggest. He caught them using a Lindy Rig.

Gerald Vanderwall won the bass category with a 4 lb., 19 1/2 inch largemouth caught on Auburn Lake using a night crawler.

The week of June 13 through the 19th the following people won:

Mike Gindt, Kewaskum, caught his winning northern in the federal dike on the Rock River using smelt as bait. It weighed 5.9 lbs. and measured 27 5/8 inches.

Ralph Miller, Campbellsport, brought in the winning bass. His smallmouth caught on Buckatabon Creek weighed 2.4 lbs. and measured 17 inches.

Jerry Ziegelbauer, West Bend, brought in the winning walleye. It was 10 oz. and measured 14 inches and was caught on Lake Winnebago.

Tami Edgar, Kewaskum, had the winning panfish for the week. A 9 oz., 11 1/2 inch perch caught on Lac Vieux Desert took the prize.

The fish contest runs until July 3rd. On July 17 the persons with the biggest fish from each category will be eligible for the grand prize drawing. So far the biggest fish are a 12 lb., 40 inch northern, 7.5 lb., 28 1/4 inch walleye, 6.1 lb., 22 5/8 inch bass and a 24 oz., 13 1/4 inch crappie.

WOMEN!! WOMEN!! VOLLEYBALL ANYONE??

There will be a meeting for anyone interested in entering a team in the Kewaskum Women's Volleyball League on Wednesday, June 30, at the American Legion Hall in Kewaskum at 7:00 p.m.

Bowling Tournament Winners Announced

RACING RESULTS

by Jae Omen

Tuesday Summer Nationals Slinger Speedway, Slinger [Late Model Div.]

A crowd of over 8000 spectators watched the first in the series of the Summer National. The 1981 Champ, Allan Kulwicki of Milwaukee, showed his skill again this year as he posted quick time.

Qualifying was close, as 10 of the top 14 drivers were within .100 of a second. It was very competitive.

The Trophy Dash, 5 fastest qualifiers for 5 laps, was won by Kewaskum's own Willie Goeden.

The two 75 lap features were accident prone, with only 10 of the 22 starters finishing the first feature, which was won by Kulwicki. The second feature was won by Dick Trickle of Wisconsin Rapids with 9 cars finishing on the same lap.

Accidents in the main events sent good competitors such as Conrad Morgan, Mark Martin, Jimmy Sauter and Joe Shear, home to repair. They plan to be back for the 2nd Summer National on July 20.

Overall points for races:

- 1 - Allan Kulwicki - 1750
- 2 - Dick Trickle - 1260
- 3 - Johnny Zeigler - 905
- 4 - Willie Goeden - 875
- 5 - Al Shill - 800
- 6 - Joe Shear - 775
- 7 - Rich Bickle Jr. - 715
- 8 - Tony Strupp - 700

Wednesday 141 Speedway, Francis Creek, [Modified Div.]

Although this was the official opener at the 1/4 mile fast track, it seems like a continuation of last year, as Rick Wondra of Campbellsport, qualified for the pole position of the feature and won the event.

Frankie Heimerl of West Bend qualified 8th and finished 2nd in the feature. Willie Goeden of Kewaskum and Ron Luedtke of Lomira qualified 5th and 3rd and finished 3 and 4 consecutively. Fast Qualifier Randy Bulter was forced out of the race with a flat tire.

Heat winners were: Dave Waldron of Campbellsport, Terry Pike of White Law, Ron Luedtke of Lomira and Rick Wondra of Campbellsport.

Saturday Sheboygan Co. Fair Grounds Plymouth [Modified Div.]

A solemn feeling was felt as not only the fast qualifier, Ron Luedtke of Lomira, took the stars and stripes, but Wayne Goetch of Sheboygan carried the black flag, in memory of Barry Goetch, his nephew and a member of The Eastern Wisconsin Stock Car Ass'n. (Barry was a pit man for his dad, Jerry Goetch, #88, in the sportsman division).

Area heat winners were: Rick Wondra of Campbellsport who also won the Consulation Race; Fred Kult of Sheboygan and Gene Erdman of Sussex, whose car is owned by Glen Haddy of Lomira.

Good track conditions gave the fans some good racing, although Gene Erdman won the main event from a second row position. Others such as Frankie Heimerl, Randy Bulter, Billy Johnson, Ron Luedtke and Willie Goeden, worked their

way through the field to finish in that order.

Sunday Slinger Super Speedway Slinger [Late Model Div.]

With 44 cars competing in the late model division, Willie Goeden of Kewaskum took top honors in qualifications.

Competition is close, so some drivers who have been good feature runners now find themselves in the Semi. Such as Jerry Wood of Sun Prairie, who finished 2nd to Russ Peterson of Milwaukee who was sporting a new Firebird body on a 4 year-old Frings chassis.

The 30 lap feature was hampered by 5 caution flags. But it made the competition closer - as Jerry Eckert of Watertown starting in the second row, took off and had a half lap lead - as other good drivers had to work through the pack. It went down to the checkered - as Conrad Morgan won over Eckert by a foot!! Ted Musgrane and Willie Goeden were right on their back doors, to finish 3rd and 4th consecutively. Laufer and Strupp finished 5th and 6th consecutively, making it a good race to watch.

KEWASKUM WOMEN'S HORSESHOE LEAGUE First Half Finals

R. Boegel		
B. Gengler	18	3
S. Pesch
