Board Selects District Consultants

Borch Named Interim School Superintendent

By GERRY MUELLER
Statesman Staff Writer

At Monday night's meeting, the Kewaskum School Board unanimously approved the appointment of Business Manager Robert Borch as interim school superintendent, at a cost of \$700.00 per month over the above Borch's present salary.

Borch will serve the district as both superintendent and business manager until a replacement can be found to fill the vacancy left by the resignation of Floyd Brenholt which becomes effective June 30.

The board also went along with the Hiring Committee's recommendation to retain Buntrock and Associates at a fee of approximately \$4,000 to \$5,000. The committee recommendation, however, was not unanimous since committee member John Tessar felt the board itself could do some of the preliminary work and call in a consultant for any specific problems and the final steps in selecting a candidate. Tessar said he could not see how he could justify spending \$4,000 for consultants. This is light of the fact that several board members have expressed their

concerns on keeping a low ceiling on the 1982-83 budget.

The board vote to appoint Buntrock and Associates also was not unanimous. With Jean Goeden passing, Tessar abstaining and member Richard Theusch voting no, the vote was 4 to 3, in favor of Buntrock.

The board members stated they had received good reports on both firms, however, R. G. Hein had a somewhat more impressive track record. Hein has placed 25 superintendents in his approximately five years of consulting service, his average fee has run between \$800.00 and \$1,500.00. His placements have been from within Wisconsin. Buntrock has been in the school phase of consulting approximately two years. He has just recently placed his first applicant this year at Port Washington. Buntrock said his fee to Port ran somewhere around \$3,500 to \$4,500.

A citizen questioned Board Member Ralph Horner on his willingness to spend such a large sum for consultants when at a previous meeting he was looking at still more ways to reduce the budget even to the point of dropping elementary

field trips. Horner stated, "I guess you have to spend a little to save a little."

A resident stated that the board was looking at a 286% increase going with Buntrock with one placement as compared to Hein who has placed 25. Citizen Jerry Buchel noted that both proposals were the same except for the fee.

Board member Tom Brigham said he has known Buntrock for twelve years and feels he would do a good job for the district. Both Brigham and Ogi felt the Hiring Committee could establish a spending limit for the hiring process. Goeden and Tessar both commented that the committee must present its recommendation on fees to the full board for its approval.

All the board members agreed a certain amount of consultant assistance would be needed due to all the legal and technical rules involved in the hiring process.

Brigham said the next step was for the board to sit down and get its philosophy down on paper including what it expects in a superintendent and the requirements to be met by the candidates.

FIREWORKS Here July 3

The customary colorful Fourth of July holiday fireworks display will again be held in Kewaskum River Hill Park this Saturday night, July 3. This annual event is sponsored by the Village of Kewaskum under the supervision of the fire department.

The dazzling fireworks will be set off at dusk from the west side of the Milwaukee River. Spectators on the park hill across the river will have the best view of the electrifying fireworks, which will include ground displays of color and light and thunderous aerial bursts and sprays illuminating the sky for miles.

The park will open at 6:00 p.m. and food and refreshment stands will be in operation at that time. Hamburgers, hot

dogs, popcorn, beer and soda will be available. Live music will be provided from 8:00 p.m. to 12 midnight by Kim and the Sundowners.

All residents of Kewaskum and surrounding area are invited to add a little "spark" to their holiday celebration by attending the breathtaking fireworks spectacular. Come early and enjoy the entire evening.

In the event of rain, the fireworks will be held on Sunday, July 4.

Farewell Reception for Father Budde Tuesday

Holy Trinity Parish will bid farewell to its retiring pastor, Fr. John Budde, in a reception next Tuesday, July 6, beginning at 7:30 p.m.

The festivities will begin with benediction in the church at 7:30 p.m. An open house in the church basement will follow, with a brief presentation, refreshments, and an opportunity to offer personal thanks to Fr. Budde for all the wonderful things he has done for the church, school, and parishioners during his 24 years in Kewaskum.

Father Budde came to Holy Trinity in June of 1958 and will be leaving on July 13. He will be

moving back to his family homestead in Beaver Dam and will be helping out at St. Patrick's Catholic Church there.

Father Budde is celebrating his 40th year as a priest this year. Holy Trinity was his only pastorate, and he was also responsible for the St. Bridget's Mission Church in the Town of Wavne.

All members of Holy Trinity and St. Bridget's parishes, including children, are invited to attend the reception. Also members of the community who would like to wish Father Budde well are cordially invited to attend.

Sidewalk Project Would Save School District \$16,000 Per Year

Kewaskum TIF Plans Move Ahead

By GERRY MUELLER
Statesman Staff Writer

The Plan Commission reviewed Kewaskum's funding prospects along with its projected plans for Kewaskum's five-year Tax Incremental Funding program during Tuesday night's meeting.

Village Administrator Dan Schmidt told the commission that money was available to proceed with the hiring of engineering consultants to work out plans and provide more specific costs for six projects which could be started in 1983 if the village commits itself definitely to a TIF district plan and borrowing of funds.

The number one project, which is considered to be the most important, is the construction of Well No. 3, including well, pumphouse and tower, at the south end of the village. Both Schmidt and Zoning Administrator Richard Zarling felt this is a "must" project if there is to be any further development on the south and west sides of the village. Zarling noted water service in those areas is a problem now and without the new well, new construction or expansion is

impossible. This is construction which will have to be faced by the village in the near future with or without TIF funding.

The second highest priority item is the water loop to Roseland Drive. This area has been plagued with line breakage and other problems for some time. Zarling said this was a situation which should have been corrected before this.

Moved up on the 1983 priority list is the construction of walkways along the east and west sides of south Fond du Lac Avenue and County Highway 'H'. Projected costs for the sidewalks is anticipated to be around \$30,000. Zarling said this group of three items should not be considered solely for the convenience of Bel-Ric Acres. This construction would result in tax savings to the entire school district since installation of sidewalks in these areas would be a safe route for students to walk to school thus eliminating the need for busing. Using last year's busing figures of \$16,000, it would only take two years to recoup the \$30,000 cost, plus reduce busing costs to the entire district in the future. The second reason for sidewalks in that area is, more people are

walking along the road to the Sison Clinic, Minz and other businesses along Highway 45. Schmidt noted some of these are elderly people and the heavy traffic presents a potentially dangerous situation. In conjunction with these three projects engineering for sidewalks along Fond du Lac Avenue south of 'H' was recommended. With the opening of the new shopping mall pedestrian traffic has also increased in this area.

Schmidt felt that engineering for these six projects should be done together as a cost-saving factor as well as the fact they could all be built at generally the same time since construction along 45 and 'H' affects each of these projects in some manner. This could reduce the necessity for disrupting the area more than once for construction or tearing up parts of new construction which had been completed.

The commission unanimously voted to recommend the Village Board approve acquisition of land for the construction of the new well and the hiring of a firm to begin engineering work on the six top priority TIF projects.

Athletic Director Grievance Goes Into Arbitration

By GERRY MUELLER
Statesman Staff Writer

Grievance Committee Chairman John Tessar informed the full school board Monday night, that his committee has voted two to one, to deny the Kewaskum Education Association's grievance dealing with the athletic director position.

The board accepted the recommendation and voted four to three to approve the denial. This action automatically puts the grievance into arbitration. A resident questioned what the cost of arbitration would be to the school district. Tessar said fees could run between \$400 and \$1,500, depending on the

lawyers needed to fight the case.

Business Manager Robert Borch asked the board for approval to disburse approximately \$50,000 which is left in the 1981-82 budget as a result of underspending in some areas of the budget. His recommendations were to either spread the funds over all the outstanding invoices or pay the district's insurance premium of \$43,000 for 1982-83 which had just been received. Borch felt applying the surplus to the insurance payment would be the most efficient method of dispensing the funds. The board questioned whether the money could be

(Continued on Page 3)

Consider Options in Superintendent Search

By GERRY MUELLER
Statesman Staff Writer

At a special school board meeting, Thursday, June 24, six of the seven board members heard presentations from two consulting firms interested in working for the district in its search for a new school superintendent.

R. Dik Buntrock, of Buntrock and Associates, West Bend, who had talked to the Superintendent Hiring Committee at a previous meeting, addressed the full board with the same presentation. He reviewed the method in which his firm operates again noting he had just worked with the Port Washington school district in hiring their new superintendent who will begin July 1.

Board member John Tessar questioned Buntrock on his fee. Buntrock felt if Kewaskum's requirements ran along the same lines as Port Washington's the district would be looking at a ceiling cost of approximately \$5,000. However he thought it would probably be lower. Board member Tom Brigham asked what Buntrock's hourly fee was. Buntrock charges \$40.00 per hour plus expenses, travel, lodging, phone, etc.

R. G. "Reinie" Hein of Waukesha was the second consultant to appear before the board. Hein is a former Waukesha School Superintendent (for 21 years), who retired and went into consultant work. Hein told the board he has worked with between 24 and 26 school districts throughout the state including Campbellsport two years ago.

Hein stated he did not expect a contract or fixed fee. He said he was willing to work within a set figure, noting Hartland Arrowhead had a \$1,200 limit when he worked with that district. Hein said he charges \$20.00 per hour and \$10.00 per hour for travel. Hein stated, "I like to work if I can give you a service. I only guide the process, it's not right that I make any decisions for you." Hein said he was not a "quiet fellow. If I feel the board is making a mistake, I'll let the board know," said Hein.

Both men said they would work with the district to find the person who would best fill their needs. Hein noted he did not believe in traveling out of state for candidates, saying the area people could tell you what a great guy he is because they want to get rid of him. Buntrock noted he had traveled out of state in Port Washington's search. The candidate that Port eventually hired came from Neosho, Wisconsin.

Mrs. Carol Connor questioned why the board felt it needed the services of a consultant

when number 1, we have the people in this district who are qualified to accept the position and two, we have a member on the board who has worked in personnel and could help the board. (Mrs. Connor was referring to John Tessar). Tessar answered Mrs. Connor's question stating, "with the new laws, you have to be careful how you question candidates and I think the board should know this."

Tessar felt there were several places the district could go where "it wouldn't cost us a penny. I'm very hesitant in spending \$4,000 to \$5,000, I don't know how we'd explain that to the taxpayers in the area," said Tessar.

After hearing both presentations, Tessar felt he leaned in the direction of Hein whose cost was between \$800 and \$1,400, rather than Buntrock's price of \$4,000 to \$5,000. Board member Richard Theusch also favored considering a consultant for \$1,200, but not \$4,000. Both consultants stated they would be willing to work with the board on an hourly basis if the board felt it wanted to do all the preliminary work on its own.

President Charles Ogi suggested discussing the presentations in closed session noting he felt discussing personalities in public was not proper. Tessar noted he was not discussing personalities, but services being offered and the cost of those services.

The board recommended the hiring committee meet in closed session to consider two items. First, should a consultant be hired, and second, if so, which one. The board asked the committee to make its recom-

mendations at the June 28th meeting. In the meantime, Business Manager Robert Borch was directed to advertise the superintendent's vacancy.

In 1836 a machine was invented that mowed, threshed, tied straw into sheaves and poured grain into sacks - but it wasn't until the 1930s that such a combine was actually marketed.

Just Call 626-8011 For Kiwanis Pool Answering Service

By GERRY MUELLER
Statesman Staff Writer

At its last meeting, Parks and Recreation Committee Chairman Jeff Rohrer informed the village board that the Kiwanis Park Pool now has an answering service at the bathhouse.

Rohrer said previous plans had been to rent the service from the telephone company. However, on going back to the company, he was told the service was no longer available. As a result, a unit was purchased for approximately the same cost as the rental fee for one year.

Village Administrator Dan Schmidt noted that swim passes sales were running about the same as last year.

Dairyland Seed Plant Breeder Is Invited to China

Dr. Steven Yen, alfalfa plant breeder for Dairyland Seed Co., Inc., near Kewaskum, recently left for an extended visit to the People's Republic of China. Dr. Yen was one of ten U.S. scientists invited by the People's Republic of China so the Chinese could gain an insight into what is being done in the United States in agricultural research. The purpose of the trip was to speed up the modernization of the agricultural program in China. Dr. Yen is the only plant breeder among the ten scientists chosen for this trip.

One of the important aspects of this trip will be Dr. Yen's ability to get insight into the soybean and alfalfa plant species that are currently being grown in China. Both alfalfa and soybeans originated from China, and many wild species of both these crops still exist in China. It is the existence of these wild species that generates enthusiasm from the Dairyland Seed research staff. It is believed that the wild species in China may contain resistance genes to the prominent diseases and insects that currently face today's farmer. Cross-breeding and hybridizing the wild species of these crops with the domestic species will help to broaden the U.S. germ plasm base and offer potential for expanding the world food supply through increased yields.

Dr. Yen's trip will include stops at various government research facilities, as well as university facilities in China. Dr. Yen left for China on June 17 and will return July 22nd. The trip is being joint-funded and sponsored by the People's Republic of China and the United States Department of Agriculture.

Dairyland Seed has one of the industries largest plant breeding programs and is considered an industry leader in research technology. Dairyland merchandises a complete line of products including hybrid corn, alfalfa and soybeans to over 3,000 accounts in Illinois, Indiana, Iowa, Michigan, Minnesota, Ohio and Wisconsin. Dairyland's research staff consists of six plant breeders, and its research facilities are centered around a 160-acre farm at Clinton, Wisconsin, and an 80-acre farm near Sacramento, California.

held over to the 1982-83 budget. Borch noted there cannot be any carryover from one budget year to the next, and the money must be spent before the district closes its books. Trying to carry this money over could seriously affect the amount of state aids the district would receive the following year. The board approved a motion to allow Borch to use the funds the way he felt most feasible.

As requested by board member Ralph Horner, the board heard a report on a computer which had been donated to the district. Borch told the board the district had received the donated computer on May 18, 1982, from American Appraisal Associates. He noted there were a few problems involved with the gift. First, the units currently do not operate and American did not state that they did, and if it were operable, it is not compatible with any proposed hook-up to CESA-12 whose equipment is newer. The donated units were manufactured in 1975, which presents another problem. Because of the age and design, the unit cannot be expanded and some items such as software are no longer available. Borch noted the only apparent resaleable part of the unit would be the printer.

Superintendent Floyd Brenholt noted the original intent of the donation was for use by the students. He suggested the board not make any hasty decisions now until it could find

out whether or not the unit could be made to operate. Middle School Principal Dennis Reha informed the board that Robert Getter had started going through the manual to see if he could get it working. The board accepted the report.

The board approved the 1982-83 budget report of \$4,842,680.00 for presentation at the Annual Meeting scheduled for July 26 at 8:00 p.m. in the High School Multi-purpose Room.

The board approved a motion for kindergarten sessions in the 1982-83 term. There will be one session each at Beechwood, Farmington and Wayne, with three at Kewaskum Elementary. The administration will transport students as needed in an effort to maintain a balanced attendance throughout the classes. A group of 25-29 children per class is their goal.

The board tabled a request for approval of air conditioner repairs at the high school. Borch told the board the entire compressor will have to be replaced and bids had run from \$13,440 to \$15,046 for a rebuilt unit. Tessar questioned what kind of warranty this unit would have and the cost of a new unit and its warranty. Borch said a new unit would run around \$19,000.00 and the used unit would only have a one-year warranty on service. The board agreed that further investigation into purchase of a new unit be done before any decision to repair the old unit was made.

The board approved the second reading of Policy No. 8344, pertaining to public participation at meetings.

On behalf of past and present board members Jean Goeden presented Floyd Brenholt with a plaque in recognition of his years of service to the Kewaskum School District.

From the School Board President's Desk....

All of us are in favor of education, right? All of the Board members favor quality education, but I'm wondering if we are in agreement as to what that really is. What is education? We are going to have to agree on an answer to that as a community as we search for a new superintendent who will direct the education of our children.

Education has many facets. As parents we are the first educators. We parents, with the help of our moral and religious beliefs, give our children a sense of right and wrong, of moral responsibility. This is quality education, but it isn't the type the Board is concerned with—we're concerned with the education that builds on the firm foundations that the parents have designed.

Then does that mean that just presenting facts to be memorized makes a quality education? I think not. Haven't we all met people who have a great deal of factual information and no idea of how to use it? These people are knowledgeable, but they haven't received a quality education. Albert Einstein said in "On Education" that education is what remains after we have forgotten everything we learned in school. To me, a quality education is one that teaches a student not what to think, but how to think.

What does the term "quality education" mean to you? How can we insure that our children and grandchildren receive one? I'd like to hear your views. Send them to Dr. Charles Ogi, P.O. Box 201, Kewaskum, WI. 53040.

Lunar Eclipse Viewing at UWWC

Michael Cahill, Astronomy and Physics Professor at UWWC, announces a lunar eclipse viewing session on July 6. The session will be held in UWWC's observatory on the hill north of the main building. Viewing is scheduled from 1:00 a.m. to 3:30 a.m.

The Earth's shadow covering the moon and the lunar reddening during the eclipses' period of totality will be viewed with the unaided eye. Cahill plans to use the telescope to show other astronomical objects.

Participants are urged to bring their cameras for unique shots of the eclipse.

Cahill also advises that the sky must be sufficiently clear for the moon to be visible. If this condition does not prevail, the session will be cancelled. People wishing to attend the session will have to judge sky conditions themselves as the university switchboard is closed after 5:00 p.m.

This sky show is free to all interested community members.

Wellness Program Slated at Cedar Lake Home Campus

A Wellness Workshop for people of all ages will be held July 8 at the Learning Center of the Cedar Lake Home Campus, 5595 Hwy. Z.

Participants will learn to relate their own lifestyle to health and disease, understand how habits are developed, and gain insight into how well habits can be changed to help establish a wellness lifestyle.

The registration deadline is July 2. Send the registration donation of \$7 per adult (includes supper and materials) or \$2.50 for family members under 18 (includes supper) to Mrs. Rose Classey, Registrar, Cedar Lake Home Campus, 5553 Village Drive, West Bend. Make checks payable to Cedar Lake Home Campus.

The program begins with registration at 5:15 p.m. and ends at 9 p.m. with the program by Dr. Ronald Gritt, Parkview Medical Associates, Hartford.

For more information call 334-9487 or metro 276-4370.

Kewaskum Native

Rev. Wm. Key to Teach Course in Sign Language at Muskego Church

MUSKEGO — The new associate pastor of St. Leonard Catholic Church, Muskego, the Rev. William Key, will teach a seven week course in sign language at the church beginning July 1.

Rev. Key, previously associate at St. Aloysius Parish, West Allis, began his duties at St. Leonard on June 22 and was introduced to parishioners at all masses the weekend of June 26 and 27.

He replaces Rev. Russel Stommel, a Racine native, associate since June of 1980, who has chosen to attend Marquette University full time beginning with the new school term to finish a Master's degree in theology. Rev. Stommel will reside at St. Bernard Parish, Wauwatosa.

Rev. Key's seven week course is free and open to the public, with those interested asked to pre-register by calling the church rectory at 679-1773. The class will be held in Room N-1 in the link between the school and church. Rev. Key has taught a number of such courses previously and will "encourage" students to purchase a particular textbook.

A native of Kewaskum, Wis., where his parents, William Jr. and Bernadette, still reside, Rev. Key's "special interest and feeling for working with the deaf" dates back to his experience as a summer camp volunteer when he met and worked with deaf children daily. As part of his pastoral training, he had to choose a type of field work and what he chose was volunteer work at St. John's School for the Deaf, Milwaukee; the same school now the center of some controversy because of the decision by the Milwaukee Archdiocese to close it down

because of a lack of sufficient operating funds.

As part of his schooling, Rev. Key studied for six months at Gallaudet College, Washington, D.C., the only liberal arts college for the deaf in the United States.

(Coincidentally, after Rev. Key began his work with the deaf, he found out that one of his mother's cousins is deaf).

While at St. Aloysius, once a month he celebrated a mass signed for the deaf. He hopes to continue that practice at St. Leonard beginning in September.

He has also worked with a deaf Lions chapter.

Rev. Key, 34, is a graduate of Holy Trinity Grade School, Kewaskum, and of De Sales High School, St. Francis De Sales College, and St. Francis School of Pastoral Ministry.

He served a year of his diaconate at St. Aloysius prior to his May 1975 ordination to the priesthood, and returned there to serve as associate for seven years.

Rev. Key has one brother, Joseph, a long haul trucker who gives his address as "Any Road, USA" (Rev. Key has "not yet" traveled with him, but "maybe someday"); and three sisters, Mary (Mrs. Paul) Beduhn, West Bend, mother of two; Toni (Mrs. Ralph) Buddenhagen, West Bend; and Vicki (Mrs. Bruce) Towell, just married May 1 with her brother officiating of course, of Jackson, Wis.

Rev. Key is especially looking forward to working with the high school age youth of St. Leonard.

His hobbies include fishing, camping, racquetball, and swimming.

**Red Cross Offers
CPR, Multimedia
First Aid Classes**

The West Bend Red Cross offers instruction in Cardiopulmonary Resuscitation and Multimedia First Aid.

CPR - Cardiopulmonary Resuscitation is a combination of artificial respiration and artificial circulation given to a person whose heart has stopped beating and whose lungs have stopped working.

CPR can make the difference between life and death. The first four minutes after a heart attack is most crucial. Brain damage can occur within four to six minutes after the brain has been denied oxygenated blood. You - could make the difference by knowing how to perform CPR.

The CPR class is scheduled for three Monday evenings from 6:30 to 9:30 p.m., at the West Bend Marine Bank starting July 12, 19 and completing on the 26th.

The Multimedia First Aid class is scheduled for two Tuesday evenings, July 27 and August 3 from 6:00 to 10:00 p.m. at the West Bend Marine Bank.

Multimedia First Aid is designed for the general public. It is a combination of filmed sequences, practical work and studying with a programmed workbook. The course includes mouth-to-mouth resuscitation, how to handle a choking victim, poisoning control, splinting and transportation of injured victims.

To enroll in either class, call the West Bend Red Cross office at 334-5687.

GOOD 'OL OATMEAL

Testimony before the U.S. Senate Commerce Committee states, "the sugar, artificial coloring, and antioxidants with which many fortified cereals are coated make the cereals unwholesome." The U.S. Food and Drug Admin. found that the coloring might cause birth defects. Other additives are suspect as cancer causatives. Good old-fashioned cooked corn meal, oatmeal, whole wheat and buckwheat cereals are most nutritious, safe, and least expensive per serving.

Letters to the Editor

Kewaskum, Wis.
June 28, 1982

To the Editor:

It will be a sad day for Kewaskum when our beloved pastor, Father John Budde, leaves Holy Trinity on July 13th. With that in mind, these few thoughts I humble, submit: For twenty-four years you have labored, And ministered to our needs, For twenty-four years you have made us aware Of our Lord, and His wondrous deeds. Now a thunderbolt has struck They say that you must go, Knowing it might come some-day. We hoped it would never be so. Always a kindly welcome Awaited us at your door, With fatherly guidance and counsel, Our souls were yearning for. Many a loved one was laid to rest. Many a child was re-born, Many a couple has knelt before you To be blessed on their wedding morn. With heavy hearts we say "good-bye," And pray the Lord will bless. The days He has in store for you With health and happiness.

Isabelle Muckerheide

June 26, 1982

To the Editor:

How often do we take the time to thank people for doing something nice for an entire community? Many times we talk to our friends about how

nice something is, but we never get around to telling the people who actually are responsible how much we appreciate what they have done.

I'm sure we have all appreciated the flowers that the Kewaskum Four-H Club planted around town, but have we ever told them? Well, I've enjoyed the flowers, and the members are to be congratulated.

Congratulations are also due the Statesman and Dr. Ogi for putting forth the effort to bring greater understanding of school board issues to the community. Knowing why something is enacted adds so much. It can only help bring our community together.

Let us all try to show appreciation for the kind actions of others which help our community.

Sincerely,
Cindy Shaske

Letter Policy

This week the Statesman received another unsigned letter to the editor. All letters to the editor must be signed, and the name and address of the writer must be given.

The Statesman prefers to use signed letters, however, the name of the writer will be withheld upon request.

The Statesman welcomes letters to the editor on issues of concern to our community. We ask that the letters be legibly written or typed.

Ice Age Trail Council Meets Near Dundee

The seven member Ice Age National Scenic Trail Advisory Council met on June 29 in the Northern Unit of the Kettle Moraine State Forest to review a rough draft of the Master Plan for the trail.

The meeting began at 9:00 a.m. in the Henry S. Ruess Ice Age Visitor Center located near the junction of Highway 67 and County Trunk Highway "G", South of Dundee.

The 1,000 mile trail, which wends its way through the glaciated area of Wisconsin, was incorporated into the national trails system by Congress in October of 1980 and was designated as the Ice Age National Scenic Trail. A bike trail, 950 miles in length and confined mostly to existing roads, coincides from time to time with the hiking trail.

The idea for a trail began in the late 1950s and is the outgrowth of many years of effort by individuals and volunteer organizations. It forms a link for six of the nine units of the Ice Age National Scientific Reserve located in the state. The trail begins in Potawatomi State Park on the Green Bay shoreline in Door County and continues through Kewaunee, Manitowoc, Sheboygan, Fond du Lac, Washington, Waukesha, Walworth, Rock, Green, Dane, Sauk, Columbia, Marquette, Wau-shara, Portage, Marathon, Langlade, Lincoln, Taylor, Chippewa, Rusk, Barron, and Polk counties ending at the Minnesota border.

The trail advisory council has seven members appointed by the U.S. Secretary of the Interior, James Watt. Its members include: Bill W. Dean of the National Park Service, Omaha, Chairman; David Weizenicker, Director of the Bureau of Parks, Wisconsin Department of Natural Resources, Madison; John C. Wolter, Forest Supervisor, Chequamegon National Forest, Park Falls; Grace Schmidley, a citizen member from Green Bay; John Zillmer from the Ice Age Park and Trail Foundation, Milwaukee; Robert W. Cromer, Ice Age Trail Council, Antigo, and Honorable Warren Knowles, former Governor of Wisconsin, Milwaukee.

The council held its initial meeting in Madison early last March to begin the development of a comprehensive plan for management and use of the trail.

Here's Some Good News About Home Financing

YOUR COMPLETE FINANCIAL RESOURCE CENTER
STILL MAKES HOME LOANS TO QUALIFIED BUYERS

West Bend Savings is one of the few remaining **active** mortgage lenders in Wisconsin -- and not by accident. Strong savings growth and renewed participation in the secondary mortgage market have made West Bend Savings a leader in home financing.

As a leader, we're committed to revitalizing the real estate market. As a local financial institution, we have a responsibility to you and to the community we serve. And, we firmly believe that Washington County will be as vibrant and growing tomorrow -- as it was yesterday.

Because of our commitment to you, we offer the widest variety of loan opportunities. If there is any way for us to get you into the home of your dreams, we will.

West Bend Savings offers long term, variable interest rate loans - at rates lower than those

normally being quoted throughout Wisconsin. With a variable rate loan you are guaranteed a long term with no need to renew or renegotiate every few years. And, the interest rate is guaranteed from six months to three years before any increases or decreases would become effective.

Now is the right time for buying a home. Prices have leveled off and most sellers are willing to negotiate. See your realtor today.....because when the economy improves - home prices will again increase.

For over fifty-six years West Bend Savings has been Washington County's home loan leader and we intend to stay #1.

Why not come in and talk with one of our loan officers? They'll explain all the details and show you why thousands of families, buying or building a home, have come to West Bend Savings for their home financing.

West Bend Savings
and Loan Association

Recipients of County Mental Health Association Scholarships

The Washington County Mental Health Association is pleased to announce the recipients of this year's three hundred dollar scholarships. They are Sheila Boyung of West Bend and Maureen Benka of Hartford. Sheila is a senior at the University of Wisconsin - Milwaukee where she is majoring in exceptional education. Maureen is a junior at Marquette University School of Nursing where she is preparing

herself for a career in psychiatric nursing. This year's alternate is Lynn Ondercin of West Bend. Pictured are Dale Thomas, Rehabilitation Supervisor at The Threshold, Inc. and chairman of this year's scholarship committee; the women (from left to right) are Mary Benka and Sheila Boyung, this year's scholarship recipients, and Mary Schneider, President of the Washington County Mental Health Association.

Oregon Woman Named 'Alice in Dairyland'

Dorothy Kay Farrel, 21 of Oregon, Wis. and a 1982 agricultural journalism graduate of UW-Madison, has been named as Wisconsin's 35th Alice in Dairyland.

Her selection was announced by La Verne Ausman, secretary of the Wisconsin Dept. of Agriculture, Trade & Consumer Protection, at the conclusion of the coronation program at UW-Parkside in Kenosha County Saturday evening, June 19. She had been chosen for the "Alice" position by an interview panel from a field of 12 finalists. Debra Casucci, of Beloit, the 1981-82 Alice, passed the crown and banner to her successor.

During the coronation program it was announced that Dorothy will receive a scholarship for training at the Patricia Stevens Career College and Finishing School in Milwaukee. She will also receive a mink garment designed and created especially for her from the Blackglama Mink Producers Association and the Finlandia Fur Co., of Mequon, member of the Masters Furriers Guild of Wisconsin.

Dorothy received a BS degree in agricultural journalism, with specialization in print media and advertising, from the UW-Madison in May of this year. She grew up on a dairy farm near Belleville and graduated from Belleville High School in 1978. She was a 4-H club member for 10 years and an FFA member for seven years and has received the 4-H National Congress Award and the State FFA Farmers Degree. While in college she was on the Dean's Honor List, a member of the Homecoming Court, president of the Association of Women in Agriculture-Farm House Fraternity, was Little International Queen, was a publicity intern for Farm Progress Days and served as a member of the Wisconsin

Panzer Will Seek Re-election In 72nd District

MADISON — State Representative Mary E. Panzer (R-Brownsville) has announced her candidacy for re-election to the state Assembly in the new 72nd district, created by the recent court-ordered reapportionment plan.

The new legislative boundaries make substantial changes from existing district lines and will mean a move for Panzer, who explained that by relocating in West Bend, she will be able to keep many constituents from the old 53rd assembly district. "I've enjoyed the privilege of serving the residents of my old district, and by moving I'll be able to continue representing many of them." Panzer added that she was "anxious to get started with a door-to-door, grassroots campaign so I can begin meeting the people in the new part of the district and using my legislative experience to work for their interests."

Panzer said her main concern in seeking re-election is the protection of tax reforms enacted during the past legislative session, citing reduction of the capital gains tax, accelerated depreciation to spur economic development and complete exemption of interspousal transfers from the inheritance tax as important accomplishments that are already under attack by revenue-hungry lawmakers. "We've come halfway toward creating a healthy tax climate in this state, a climate that will mean investment and jobs and economic recovery, and it's really important that we elect the kind of legislature that won't undo the progress that's been made," she said. "It's also important that we go on to expand property tax relief and extend the inheritance tax

exemption to lineal descendants, so that small businesses and family farms won't have to be sold to pay taxes when their owner dies."

Panzer was first elected to the Assembly in a 1980 special election in which she captured 82 per cent of the vote. She is a member of the Assembly Committees on Consumer and Commercial Credit, Tourism and Recreation, Job Creation and International Market Development, the Special Committee on Correctional Services and the Legislative Council's Study Committee on the Correctional System. Prior to being elected to the legislature, she was employed as a credit analyst in the banking industry.

She listed continuation of a "strong, intact" UW center system, rehabilitation of Highway 45 and a constitutional amendment requiring a balanced federal budget as high priorities for the next legislative session. "Two of those prior-

ities are local issues, and I believe it's the primary responsibility of an active legislator to attend local meetings and hold frequent office hours to keep in touch with those local needs," Panzer said. "With the help and support of the citizens of West Bend and the Washington County area, I intend to continue representing their interests and being attentive to their concerns," she added.

The new 72nd district includes the City of West Bend, the Villages of Fredonia, Jackson, Newburg and Slinger, Ozaukee County's Town of Fredonia and the Washington County Towns of Farmington, Jackson, Polk, Trenton, West Bend and wards 2, 8 and 10 in the Town of Richfield.

Wisconsin's dairy industry is first in the nation — in milk cow numbers, milk produced, milk marketed and total butterfat yield.

**Old County Courthouse and Jail Listed
In National Register of Historic Places**

The Washington County Clerk's Office has been notified by the State Historical Society of Wisconsin that the old Washington County Courthouse and Jail buildings have been listed in the National Register of Historic Places. The State Historical Society acts in association with the U.S. Department of Interior in listing historical sites in the National Register.

Washington County's red-spined former Courthouse, located at 320 S. Fifth Ave., West Bend, now houses the Department of Social Services. Built in 1889 at a cost of \$46,369 on Courthouse Square, it is still the scene of West Bend's

annual Memorial Day exercises.

The old Jail building next door, at 340 S. Fifth Avenue, was built in 1886. The Washington County Historical Society occupies the old Jail, and among its exhibits is a cell which has been kept intact just as it was in days gone by.

Both buildings were used as courthouse and jail until 1962 when the present building was constructed at 432 E. Washington Street in West Bend.

Income from the sale of milk contributes over half of Wisconsin's total cash receipts from farm marketings.

**Attend Church
Conference**

More than 600 members of the Wisconsin United Churches of Christ met in Appleton on the campus of Lawrence University on June 15, 16 and 17. Church President, Mrs. Allyn Rodenkirch, Reverend and Mrs. Darrell R. Joiner were the delegates from Peace Church in Kewaskum to this annual church meeting. Many nationally known church officials were in attendance, including the President of this denomination, Dr. Avery Post of New York city.

**Immunization
Clinics Set**

Immunization clinics offered by the Washington County Community Health Nursing Service continue to be held twice monthly in West Bend.

July clinics are: July 6 - 2:00 to 5:00 p.m.; July 27 - 9:00 to 11:00 a.m.

The clinics will be held in the Community Health Nursing Service office at 515 East Washington Street, West Bend.

All recommended immunizations are available to children and adults and are provided free of charge. There is a \$1.00 charge for the T.B. skin test for those age 16 and over.

For further information call: Community Health Nursing Service, 338-4462 or 644-5204, Mrs. Dolores P. Harder, R.N., Director.

**Sensenbrenner Will
Visit Kewaskum**

Congressman Jim Sensenbrenner will be at the Kewaskum Village Hall on Wednesday, July 7, from 9:30 to 10:30 a.m., to hear your views and try to help you with your problems with the federal government.

Sensenbrenner invites you to stop in and pay him a visit.

Hugo Bratz, 101. Philip Volm, Warren Sekas, Others Pass On

Hugo F. Bratz, 101, formerly of Milwaukee and Kewaskum, passed away Monday, June 28, at the Woodland Health Center in Brookfield, Wisconsin, where he had been a resident for the past six years.

Mr. Bratz was born on January 3, 1881, in the Town of Farmington to the late Anton and Augusta Klessig Bratz. On October 26, 1909, he married Martha Beger in the United Church of Christ Church in Fillmore. She passed away in 1940.

He had been engaged in farming and also was employed at Schuster's in Milwaukee in their rug department for 20 years.

After his retirement he lived with his son-in-law and daughter, Mr. and Mrs. Albert Hron in Kewaskum for 23 years.

Survivors include three daughters, Mrs. La Verne (Albert) Hron, Kewaskum, Mrs. Laura (Glen) Mathews, West Bend, and Mrs. De Lilah (Robert) Leifer, Wauwatosa. He is further survived by two grandchildren; two great-grandchildren; one brother, Louis of Milwaukee; other relatives and friends. Three brothers and three sisters preceded him in death.

He was a member of the Christian Science Society of West Bend and a member of the Mother Church in Boston, Mass.

Visitation for Mr. Bratz was at Miller's Funeral Home in Kewaskum on Wednesday from 4 to 8 p.m. when a Christian Science Service was held. Burial was on Thursday, at 10 a.m. in the Washington County Memorial Park in West Bend. Memorials appreciated.

PHILIP J. VOLM

Philip J. Volm, 80, of Route 3, Campbellsport, (St. Kilian area) passed away at his residence on Monday, June 28.

Mr. Volm was born in the Town of Wayne on February 26, 1902, to the late Philip and Anna Vogel Volm. On June 16,

1925, he married Theresa Kohler in St. Kilian Catholic Church in St. Kilian. He was self-employed as a mechanic for 40 years.

Mr. Volm was a member of St. Kilian Catholic Church in St. Kilian and also their Holy Name Society.

Survivors include his wife; two daughters, Mrs. Betty (Elroy) Schrauth and Mrs. Grace (Raymond) Boegel, both of Route 3, Campbellsport. He is further survived by 12 grandchildren; 23 great-grandchildren; two sisters-in-law, Mrs. Alvin Volm and Mrs. Aloysius Volm, both of Kewaskum; nieces, nephews, other relatives and friends. Three brothers and one sister preceded him in death.

Visitation for Mr. Volm was Wednesday after 4:30 p.m. at Miller's Funeral Home in Kewaskum with a rosary vigil at 8:45 p.m. Services were Thursday at 10:30 a.m. at the funeral home followed by a Mass of Christian Burial in St. Kilian Catholic Church at 11 a.m. with Father Raymond Adamsky officiating. Burial was in the church cemetery.

WARREN SEKAS

Warren Sekas, 48, of Route 2, Campbellsport, formerly of Cedarburg, passed away at the Samaritan Home in West Bend, Wednesday, June 23, after a lengthy illness.

He was born in Milwaukee on February 12, 1934 to Frank and Martha Wolfe Sekas. On September 3, 1960 he married Valeria "Val" Quaas in Trinity Lutheran Church in Cedarburg. Mr. Sekas served in the Marines during the Korean Conflict. He had been employed as a maintenance man for the Washington County Park System for about one year. He was a member of Trinity Lutheran Church in West Bend.

Survivors include his wife; two daughters, Shelly and Amy, and one son, Jody, all at home. He is further survived by his parents, Mr. and Mrs. Frank

Sekas of Route 2, Campbellsport; two sisters, Mrs. Shirley (Marvin) Roloff of Minneapolis, Minn., and Mrs. Sandra Scherb of Fairbault, Minn.; parents-in-law, Mr. and Mrs. Elmer Quaas of Cedarburg; other relatives and friends.

Visitation for Mr. Sekas was at Trinity Lutheran Church in West Bend on Friday from 4 p.m. to the time of services at 8 p.m. The Rev. Victor Hackbarth officiated and burial was at 9:30 a.m. Saturday at the Immanuel Lutheran Cemetery in Cedarburg. Miller's Funeral Home of Kewaskum was in charge of arrangements.

ATTY. GERHARD OTTEN

Gerhard E. "Jerry" Otten, 69, a West Bend attorney and former Washington County district attorney, died Wednesday, June 23, at Madison General Hospital, Madison.

Otten, formerly of 548 S. Eighth Ave., lived most recently in Tarp0n Springs, Fla.

He was born Aug. 14, 1912, in Barton, and married Lucille B. Krueger at St. Mary's Immaculate Conception Catholic Church, Barton, Oct. 26, 1940.

He was a resident of Barton and West Bend most of his life.

Survivors include his wife; four daughters, Sandra (Carl A.) Bohn of West Bend, Kathleen (Lester C.) Cichanski of Milwaukee, Maureen Otten of San Diego, Calif., and Geraldine (Michael L.) Heppe and Geraldine (Michael L.) Heppe of Madison; two grandchildren; two sisters, Catherine (Lavern) Jones of West Bend and Helen Bunke of West Bend; one brother, Andrew of West Bend; sisters-in-laws; and other relatives and friends.

He was preceded in death by three brothers, Anthony, Lawrence and Arthur.

He was a member of the Knights of Columbus, West Bend Council 1964 (third and fourth degree), of the American and Wisconsin Bar Association, and of the Washington County Bar Association, the Loyal Order of Moose, West Bend Lodge 1398, and the St. Joseph Society of St. Mary's Immaculate Conception Catholic Church.

Funeral services were Saturday at 10 a.m. from the Myrhum Funeral Home, West Bend, with Mass of Christian Burial at 10:30 a.m. at St. Mary's Immaculate Conception Catholic Church. The Rev. Richard Robinson officiated and

burial was in St. Mary's Cemetery, West Bend.

Visitation at the funeral home was Friday after 4 p.m., with a parish vigil at 8 p.m.

ALPHONSE RODENKIRCH

Alphonse N. "Al" Rodenkirch, 71, a resident of the Milwaukee County Infirmary in Wauwatosa, died Thursday, June 24, at Milwaukee County General Hospital.

He was born May 15, 1911, in Marshfield, and at the age of six his family moved to St. Michaels where he attended St. Michaels School. In 1924 the family moved to Milwaukee where he attended Messmer High School.

He was employed at Nunn-Bush Shoe Co. in Milwaukee until 1933 when the company moved out of Milwaukee. He became ill a short time later and has been a resident of the Milwaukee County Infirmary for the past 11 years.

Survivors include four sisters, Cecelia Rodenkirch, Anne Graff and Barbara (Phillip) Eder, all of West Bend, and Dorothy (Art) Schmit of Milwaukee; one brother, Anthony (Virginia) of Sturdevant; one brother-in-law, Val Jaworski of Milwaukee, and other relatives and friends.

He was preceded in death by two brothers, Thomas and Frank and one sister, Marie Jaworski.

Funeral services were Saturday at 9:50 a.m. at the Schmidt Funeral Home, West Bend, with Mass of Christian Burial at 10:30 a.m. at St. Michael's Church. Fr. William Bonesho was the celebrant and burial was in St. Michael's Cemetery.

Visitation at the funeral home was Saturday from 8:30 a.m. until time of services.

DOROTHY MEYER

Dorothy Meyer, nee Fuller, of 1560 N. Main St., West Bend, died Thursday, June 24, at St. Joseph's Community Hospital, West Bend, at the age of 69.

She was born Nov. 26, 1912,

in Alabama, and moved to West Bend at an early age.

She married George Reuter in 1930. He passed away in 1947. She later married Roy Meyer Dec. 20, 1952.

She was a member of the Fifth Avenue United Methodist Church, West Bend.

Survivors include her husband; four children, Mary (Virgil) Hackbarth of St. Michaels, George (Delores) Reuter of Mattoon, Wis., Robert (Shirley) Reuter of West Bend and Audrey (Roger) Heberer of Campbellsport; 22 grandchildren; 21 great-grandchildren; one brother, Osborne (Jennifer) Fuller of West Bend; and other relatives and friends.

Funeral services were Saturday at 1:30 p.m. at the Myrhum Funeral Home, West Bend. Rev. Charles Schulz officiated and burial was in Washington County Memorial Park.

Visitation at the funeral home was Saturday from 11:30 a.m. until time of services.

 **Planned Parenthood**
of Washington County . . .

believes that rarely does a human being make a more profoundly moral decision than when he or she contemplates parenthood. Choosing to become a parent is to accept a long-lasting and often enriching moral obligation which should be approached with the most careful deliberation. We strongly support our local Planned Parenthood's beliefs, programs and services.

**Luckhardt Announces Bid for Re-Election
In New 88th Assembly District**

MADISON.....State Representative Esther Doughty Luckhardt (R-Horicon) has announced her candidacy for re-election in the newly reappointed 88th Assembly District.

The new district includes a good share of Rep. Luckhardt's former 54th district in Dodge and Washington Counties.

"I have consistently resisted the growth of state government and its interference into every facet of our daily lives," Rep. Luckhardt said. "I feel that my voting record against higher taxes, bureaucratic expansion and over-regulation reflects the philosophy of the voters and taxpayers in my area."

"My experience as a businesswoman in the field of real estate and insurance, while raising a family of three, has provided me with first hand knowledge of the budgetary process," Rep. Luckhardt said. "That's why I have fought so hard to get a handle on runaway state spending."

Rep. Luckhardt emphasized that helping her constituents solve problems with state agencies "has been one of the most satisfying aspects of my job."

"My years of service have resulted in a good rapport with state departments and, even though we may not be successful 100% of the time, in most cases we have been able to cut through the red tape and resolve agency-related problems," Representative Luckhardt said.

Because of her seniority in the Legislature, Rep. Luckhardt was re-appointed to the State Building Commission and serves as Chairman of its Administrative Affairs subcommittee.

"The commission made some key decisions of interest to our area, including the Veterinary School, the Swine Research & Teaching Facility and other agricultural projects of importance to my farmers, long-awaited major improvements at the King Veterans Home, and—particularly important to the Hartford area—I was successful in convincing other commission members to save Pike Lake in its present state as local residents wanted."

Luckhardt said she looks forward to "a smooth transition" from the old 54th to the new

88th Assembly District.

"It has been a pleasure serving the 54th and I greatly appreciate the past help and support of my good friends in Watertown, Juneau and the rural townships in southern Dodge which I will no longer represent," Rep. Luckhardt noted. "But I am also looking forward to renewing old acquaintances in the northern part of Dodge County which has been added to my district—an area which I formerly did represent in the Legislature."

**Start Fund Drive for
Milking Center at
County Fairgrounds**

A fund drive has been started to raise money to build a milking center at the Washington County Fairgrounds. A group of local dairy farmers and youth leaders have organized a Milking Center Committee, with the objective of raising money to construct a milking center for the County Fair.

The milking center will provide exhibitors with a place to milk cows brought to the fair. Another important use will be to allow nonfarm people to see how cows are milked, and provided an opportunity to include other educational functions and dairy promotion.

The project will include a milking area with space for milking four cows. The area behind the cows will be open so that exhibitors can watch the cows during milking. A milkhouse will also be included with a bulk tank and other equipment to store the milk.

The Milking Center Committee has organized individuals in most townships of Washington County to make contacts with agricultural related businesses on a township by township basis. Contacts will also be

made with other businesses that serve over a wider geographic area. These businesses will be contacted in the near future for their support in this project.

All contributors to the project will be recognized in a number of ways. A large sign will be constructed and located in the milking center for all to see. There will be three levels of recognition — a \$1,000.00 Club for those making donations of \$1,000.00 or more; a \$500.00 Club for donations of \$500.00 or more; and a \$100.00 Club for donations of \$100.00 or more. All contributors, including those making donations of less than \$100.00, will be listed in a dedication booklet, and a list of contributors will also be published to provide recognition.

Plans are for the milking center to be completed for the 1983 Washington County Fair.

Individuals and businesses that are not contacted in the near future may make a contribution to the Milking Center Fund and mail it to George Muth, 5656 Highway G, West Bend, Wis. 53095.

Today's Medicine

SUMMERTIME HEALTH HINTS
By H.L. Rumsey, D.C.

Now that summer is here, we thought it best to list some very important do's and don't's to follow while doing those important chores around the home and garden. Follow these helpful suggestions and you are sure to avoid the discomforts and pain associated with improper activities while doing your springtime housecleaning and garden chores:

1. Do not overdress or underdress your children. Dress according to the calendar date.
2. While doing gardening—take your time doing things. While bending, do not bend from the waist; do bend from the knees. Let your knees do most of the work.
3. While doing that housecleaning—remember that too much twist can put you out of action. Do not lift and at the same time twist your body. Let your legs lift the weight and then turn your feet with your body in one motion.
4. While painting—be sure your ladder is well-braced. Above all, if you feel tired, stop, relax, and contemplate the great job you have done so far!

30 Years Ago 50 Years Ago

June 27, 1952

A new barn will be erected to replace the large one destroyed by fire on the Edgar Fellenz farm, two and one-half miles south of Beechwood on June 2. The fire also destroyed a granary and attached shed. Three horses, four heifers and some machinery were removed from the burning barn, but a cow, a bull and two calves were burned, as was a supply of hay, several large pieces of machinery and some grain.

The following Kewaskum Girl Scouts are attending Camp Evelyn Heronymus this week: Diane Czaja, Donna Ewert, Rosalie Ewert, Judith Falk, Dolores Ketter, Kay Koerble, Cheryl Leonardelli, Cynthia Landman, Judith Marx, Carol Miller, Isabelle Miller, Pamela Nolting, Carol Rohlinger, Joyce Rohlinger, Alice Schwind, Marian Walz and Susan Weddig.

Newlyweds of Saturday, June 21, are Mr. and Mrs. Carl A. Centgraf. The bridegroom, Carl A. Centgraf of Milwaukee, took as his bride Miss Loretta M. Teschendorf, daughter of Mr. and Mrs. Richard Teschendorf, Route 1, Kewaskum in a ceremony performed in Immanuel Lutheran Church, Toman of Scott.

A son was born to Mr. and Mrs. Allen Tassar, Kewaskum, on June 21. A son was also born to Mr. and Mrs. Howard Butzlaff, Route 2, Kewaskum, June 19.

July 8, 1932

After about four weeks of continuous work, all graveling of streets in the village, and of county roads in this locality was completed on Tuesday.

Last week Friday evening Reverend and Mrs. Richard Gaver were tendered a "get acquainted" reception by the members of the Evangelical Peace Church at the church parlor.

Carl M. Schnurr of Campbellsport, a former resident of the Town of Kewaskum, on Saturday was married to Miss Florence Ralston of Albuquerque, New Mexico, at the home of his mother, Mrs. Ida Schnurr at Campbellsport.

The new 1933 automobile license plates will consist of white letters on a purple background.

75 Years Ago

June 29, 1907

Joseph Eberle has all the arrangements completed for the celebration on the 4th and 5th of July at his North Side Park. There will be a grand street parade at 1:00 p.m., participated by the Kewaskum brass band, fire department, horseback riders and a number of floats representing various industries, moving to the North Side Park where a picnic will be held, followed by a grand ball

and a brilliant display of fireworks in the evening. Mr. Eberle will also hold a grand ball on the evening of July 5.

One of the most beautiful weddings took place on June 22 in the Ev. Lutheran St. Peter's Church, Town of Addison, when Miss Katherine E. Roecker and Edward A. Backhaus were united in marriage.

A very elaborate wedding took place at the St. Kilian Church last Tuesday when Miss Freida Strobel, daughter of Mr. and Mrs. Andrew Strobel, was united in the holy bonds of wedlock to John Weber son of John Weber Sr. of Ashford.

The following members of the senior class who graduated from our high school on June 6th received teachers' certificates from County Superintendent Frank Bucklin last Saturday:

Miss Laurretta Schmit, Anthony Zwaschka and Ben Mertes.

A baby boy was born to Charles Knoebel and wife of Kewaskum on Tuesday. A baby was born to Nic Groh and his wife of St. Michaels on June 15. A baby boy was also born to Mr. and Mrs. Fred Camp of New Fane last Thursday. A baby daughter recently made her appearance at the home of Mr. and Mrs. Emil Dettmann of Boltonville.

4-H Club News

KEWASKUM 4-ERS

The June 10 meeting of the Kewaskum 4-H'ers was called to order. The pledges were given and the treasurer's and secretary's reports were read.

For old business Mrs. Seideman said all money for ordering Kewaskum 4-H'ers Tee Shirt's must be in by that night (June 10) so the order for the club could be sent in. Delivery should be in about two weeks after the order was sent in. The flower boxes on the bridges should be watered and we should remember to do this. A report on the roller skating party was given as well as the Memorial Day parade. A report on the window display was given. Roll call was taken.

A meeting was set up for the float committee for June 21 at 10:00 a.m. at Seideman's. There was a meeting on the Sunday, June 13, House Show at Mrs. Kapp's. A clothing review was held on June 17 at Washington Mall. Remember fair sheets were due in by June 25 at West Bend Extension Office. There are still openings for 4-H Camp if you call the 4-H office. A Bike Outing was held June 19. Members met at the Old Park at 10:00 a.m.

There will be NO July Meeting as we should all be busy on Fair Projects. The Meeting was adjourned.

Pat Indermuehle,
Reporter

Pabst Brewing Company Announces Summer Tour Schedule

The Pabst Brewing Company has expanded its brewery tour schedule to better accommodate the influx of visitors to the Milwaukee area during the summer season. Weekday tours of the brewing facilities will be available on the tour from 9:00 a.m. to 3:00 p.m. with an additional tour at 3:30 p.m. Saturday tours will be conducted at 9:00 a.m., 10:00 a.m. and 11:00 a.m. This schedule will remain in effect through the end of August.

The 45-minute tours end at the Pabst Guest Center, where refreshments are served. Special group tours are also available. Requests should be directed to the Pabst Guest Center, 901 W. Juneau Ave., Milwaukee 53201.

To see what Milwaukee does best, visit the historic Pabst Brewing Company - first of the great Milwaukee brewers.

Youth Camps Employ 840 Summer Workers

The Wisconsin Youth Conservation Camp (YCC) program will provide employment for 840 young men and women of high school age this summer.

They were selected from 5,125 who applied for employment at the four resident camps and one nonresident camp to work on developing, restoring and maintaining our natural resources.

Eight hundred will be employed at the resident camps located at Manitowish Waters, Minong, Montello and Campbellsport, and the other 40 are registered for the nonresident camp. All the camps are operated by the Department of Natural Resources.

The young people will work a 32-hour week and will receive \$3.35 per hour. Work activity offered at the summer camps include projects related to forestry, fish management, wildlife, recreational use areas and ranger stations.

The summer work camps enable the DNR to accomplish a wide variety of forestry, fish and game habitat projects and facility maintenance that otherwise could not be done locally if we relied solely on DNR manpower. The camps provide an educational opportunity for participants because of the experiences and associations each youth will find in group work assignments, educational tours and presentations.

ASCS Increases Corn Loan Rate

The price support loan rate for Washington County's 1982 corn crop grading No. 2 or better is \$2.56 per bushel - a 13 cent increase over the 1981 rate, according to Ira A. Oelhafen, Chairman of the Agricultural Stabilization and Conservation committee.

These rates are based on national average loan rates of \$2.55 per bushel. Price support loan rates vary from county to county to reflect differences in the value of the crop and production trends.

Local farmers have about 754,000 bushels of corn under the price support loan program. "Because market prices for these crops are low, we have authorized a six-month extension on all outstanding and unsettled 1981-crop corn," Oelhafen said. "The extension will give farmers additional marketing time."

Interest rates on loans will continue at the monthly rate announced each month. These rates are calculated to reflect the cost of borrowing money from the U.S. Treasury. The June rate is 13.625%, down from the May rate of 14.125%.

"All farmers with outstanding loans on 1981 corn are eligible for the six-month extension. Those who are interested should notify our office," the ASCS official said.

Still Seeking Fairest Applicants

If you are an 18 - 22 year old female and a Washington County resident, you should be considering entering the "Fairest of the Fair" contest. The pageant will be held July 21 at the fairgrounds at 7:30 p.m. with the personal interviews being held earlier in the day.

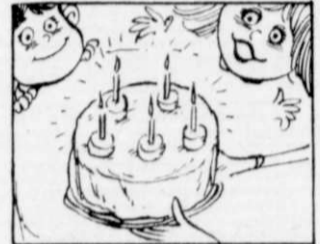

The girl selected to be the 1982 "Fairest" will be the official hostess of the fair. Besides having the honor of the position, the winner will receive over \$800 in prizes donated by area businesses. All contestants will receive token gifts donated as well.

If interested in applying, pick up a form from the Extension Office on 515 E. Washington Street in West Bend. Entries are due July 7 in the Fair Office.

Class of 1983

This year the seniors will be responsible for making their own appointments and having a black and white glossy sent to the Chieftain staff by the photographer of their choice. We are requesting a choice of setting for the yearbook glossy and that it be into the staff by October 25, 1982. Please make your appointment during the summer so you will be assured of having your picture in the 1983 Chieftain.

The Chieftain Staff-1983

Use small marshmallows as candle holders for a birthday cake. They'll prevent wax from dripping onto the frosting.

Mini-Olympic Day Winners

Friday, July 2, 1982, Page 17

Kewaskum's third Mini-Olympic Day, sponsored by the Kewaskum Junior Woman's Club and the Key Club, was held June 12 at the high school track. The annual event for 7 to 12-year-old children in the Kewaskum school district attracted over 170 children and parents who participated. First, second and third place winners in each event were awarded ribbons, and trophies were given to a boy and girl in each age group who exhibited the best sportsmanship. A list of winners follows:

3-legged run, 7-8-year-old boys and girls — 1. Jenny Kissinger and Kelly Korth, 2. Stacy Kode and Tammy Baldwin, 3. Kim Marx and John Gildersleeve.

Fast walk, 7-8-year-old boys and girls — 1. Scott Dobrzanski, 2. Kim Marx, 3. Tammy Baldwin.

Jumping rope, boys and girls, 7-8-year-olds — 1. Kristen Bruckert, 2. Kim Callahan, 3. Jessica Rohrer. 9-10-year-olds — 1. Kathy Brock, 2. Sara Pearson, 3. Melissa Jacak. 11-12-year-olds — 1. Eric Pearson, 2.

Kim Olmsted, 3. Jennifer Schuster.

Frisbee toss - girls, 7-8-year-olds — 1. Kim Callahan, 2. Debbie Bingen, 3. Jenny Mitchell. 9-10-year-olds — 1. Jessie Koch, 2. Janel Flynn, 3. Kelly Sarauer. 11-12-year-olds — 1. Jennifer Schuster, 2. Hollie Etta, 3. Wendy Russell.

Frisbee toss - boys, 7-8-year-olds — 1. Chris Boylen, 2. Mike Kocher, 3. Robbie Wilson. 9-10-year-olds — 1. Scott Borgmann, 2. Peter Harju, 3. Steve Gerhartz. 11-12-year-olds — 1. Miles Shaw, 2. Dave Harju, 3. Steve Wolf.

Free throw - girls, 7-8-year-olds — 1. Danielle Klein, 2. Kelly Korth, 3. Wendy Fedler. 9-10-year-olds — 1. Debbie Rimmel, 2. Stacey Wilson, 3. Stacy Swenkoske. 11-12-year-olds — 1. Jennifer Schuster, 2. Elaine Berndes, 3. Regina Olmsted.

Free throw - boys, 7-8-year-olds — 1. Ryan Ramthun, 2. Keith Butschlick, 3. Joel Fleisman and Jason Steier. 9-10-year-olds — 1. Tim Butschlick, 2. Dean Slaughenhoup, 3. Scott Borgmann. 11-12-year-olds — 1. Robert Kode, 2. Mike Fierke, 3. Steve Ramthun.

Hurdles - girls, 7-8-year-olds — 1. Kim Callahan, 2. Kelly

Korth, 3. Tammy Baldwin. 9-10-year-olds — 1. Robin Rehbein, 2. Debbie Rimmel, 3. Jenny Lauer. 11-12-year-olds — 1. Elaine Berndes, 2. Jill Rimmel, 3. Wendy Russell.

Hurdles - boys, 7-8-year-olds — 1. Randy Schlice, 2. David Berndes, 3. Ryan Ramthun. 9-10-year-olds — 1. Dan Heisdorf, 2. Kevin Ramthun, 3. Steve Gerhartz. 11-12-year-olds — 1. Dave Harju, 2. Todd Donnack, 3. Eric Pearson.

Softball throw - girls, 7-8-year-olds — 1. Debbie Bingen, 2. Vicki Rehbein, 3. Heidi Gruhle. 9-10-year-olds — 1. Lora Delcore, 2. Jennifer Lauer, 3. Sara Pearson. 11-12-year-olds — 1. Jill Rimmel, 2. Elaine Berndes, 3. Jennifer Schuster.

Softball throw - boys, 7-8-year-olds — 1. Aaron Laatsch, 2. Scott Paulson, 3. Eric Kral. 9-10-year-olds — 1. Steve Gerhartz, 2. Kevin Ramthun, 3. Peter Harju. 11-12-year-olds — 1. Dave Harju, 2. Robert Kode, 3. Eric Pearson.

Standing long jump - girls, 7-8-year-olds — 1. Danielle Klein, 2. Kelly Korth, 3. Stacy Kode. 9-10-year-olds — 1. Jenny Lettow, 2. Stacey Swenkoske, 3. Tammy Staehler. 11-12-year-olds — 1. Elaine Berndes, 2. Jenny Ramthun, 3. Kim

Olmsted.

Standing long jump - boys, 7-8-year-olds — 1. Glen Kirst, 2. Keith Butschlick, 3. Scott Paulson. 9-10-year-olds — 1. Steve Gerhartz, 2. Kevin Ramthun, 3. Scott Borgmann. 11-12-year-olds — 1. Eric Pearson, 2. Dave Harju, 3. Todd Donnack.

Obstacle course - girls, 7-8-year-olds — 1. Vicki Rehbein, 2. Stacy Kode, 3. Kelly Korth. 9-10-year-olds — 1. Robin Rehbein, 2. Tammy Staehler, 3. Jennifer Lettow. 11-12-year-olds — 1. Brenda Campbell, 2. Jill Rimmel, 3. Sheri Burger.

Obstacle course - boys, 7-8-year-olds — 1. Kim Marx, 2. Mike Kocher, 3. Keith Butschlick. 9-10-year-olds — 1. Steve Gerhartz, 2. Kevin Ramthun, 3. Dean Slaughenhoup. 11-12-year-olds — 1. Todd Donnack, 2. Miles Shaw, 3. Dave Harju.

50 yard dash - girls, 7-8-year-olds — 1. Kim Callahan, 2. Debbie Bingen, 3. Kelly Korth. 9-10-year-olds — 1. Debbie Rimmel, 2. Deanna Nigh, 3. Robin Rehbein. 11-12-year-olds — 1. Brenda Campbell, 2. Jenny Schuster, 3. Kim Olmsted.

50 yard dash - boys, 7-8-year-olds — 1. Glen Kirst, 2. Kim Marx, 3. Brian Dobke. 9-10-year-olds — 1. Steve Gerhartz,

2. Kevin Ramthun, 3. Peter Harju. 11-12-year-olds — 1. Todd Donnack, 2. Eric Pearson, 3. Dave Harju.

Distance run - girls, 7-8-year-olds — 1. Debbie Bingen, 2. Danielle Klein, 3. Tammy Baldwin. 9-10-year-olds — 1. Deanna Nigh, 2. Kathy Brock, 3. Robin Rehbein. 11-12-year-olds — 1. Jenny Ramthun, 2. Jill Rimmel, 3. Lori Rehbein.

Distance run - boys, 7-8-year-olds — 1. Eric Kral, 2. Kim Marx, 3. Brian Dobke. 9-10-year-olds — 1. Steve Gerhartz, 2. Dean Slaughenhoup, 3. Kevin Ramthun. 11-12-year-olds — 1. Todd Donnack, 2. Miles Shaw, 3. Dave Harju.

Parent-child run, 7-8-year-olds — 1. Eric Kral and father, 2. Rachel Gosa and father, 3. Jessica Rohrer and father. 9-10-year-olds — 1. Deanna Nigh and mother, 2. Steve Gerhartz and father, 3. Support in Infant And Child Death Group Meets July 8

Support in Infant and Child Death, a parent support group, meets on the 2nd Thursday of each month. The next meeting will be on Thursday, July 8, at 7 p.m. at the Planned Parenthood office on the 2nd floor of the old section of St. Joseph's Community Hospital, West Bend.

This month's meeting will be an informal gathering of parents who have lost children at any time from miscarriage through the teen years. Focus of the discussion will be decided according to the needs of parents present at the meeting. Parents are invited to share as much or as little of their experience and feelings as they wish. SIICD meetings simply provide a compassionate atmosphere; parents offer support to others who feel the pain, fear, and sadness that the death of a child brings. It helps to know that others have had the same feelings.

Anyone who has felt the loss of a child at any age, including miscarriage and stillbirth, is cordially invited. For more information, please call 338-1303.

If you have a job without any aggravations, you don't have a job.

A NOTE OF THANKS

Thank you to Officer Buddenhagen of the Kewaskum Police Department for retrieving my bike which was taken from the outside of our apartment early June 24. Officer Buddenhagen picked it up the same morning.

This fast recovery and quick action on the part of our police department was sincerely appreciated.

Alison McCabe

IN MEMORY

In loving memory of our dear father, father-in-law and grandfather, Leo Rohlinger, who passed away four years ago, June 30, 1978.

A beautiful memory of one so dear.

We cherish with love sincere.

A day that comes with sad regrets,

To one that we will never forget.

Sadly missed by his family.

A NOTE OF THANKS

I wish to express my sincere appreciation to all who remembered me with cards, visits, phone calls and flowers while I was a patient at the hospital. Special thanks to the doctors and nurses. These kindnesses will always be remembered.

Marilyn Schultz

WISCONSIN'S NEW DRINKING/DRIVING LAW

WISCONSIN'S 'OPEN CONTAINER' LAW REVISED

[Last in a series]

Wisconsin's new drinking/driving law, which went into effect May 1, has made substantial changes in the "open container" law.

While it has always been illegal to drink from a container of alcoholic beverages in a moving motor vehicle, the new law also makes it illegal to have an opened container on your person while driving or riding in

a motor vehicle.

Sec. 346.935 states that opened containers, or containers with the seal broken, must be transported in the trunk, not in the glove or utility compartment. In vans, trucks, motor homes or other vehicles without trunks, opened containers must be stored in an area not usually occupied by passengers.

Convictions result in forfeiture of \$64 for the passenger, or \$120 for the driver.

Area heat winners included Joel Laufer and Tony Strupp. Strupp also won the dash for cash.

Conrad Morgan of Dousman won his second feature in a row, starting on the outside pole position.

Good blocking by Dale Wayers of Menomonee Falls caused faster cars to be "pinned in" for the first half of the race. Strupp was spun in turn two on the 23rd lap, cutting Morgan's big lead. As the race resumed it was Morgan all the way for the checkered, followed by Laufer, Wynn, Melius and Goeden.

Tony Strupp received the black flag, which means — get off the track, you are either endangering your life or other drivers, or something is wrong with your car — into the pits!

He parked on the "apron" inside the track while an employee of the track, hired by promoter Wayne Erickson, took off some sheet metal that was coming loose.

Strupp finished 11th in that event.

Come and see the fast, action-packed races at this track. It's quick and it takes your breath away!

Sunday
Slinger Super Speedway
Slinger, WI

action were Watson, Ziegler, and Musgrave. Musgrave received the only injury, suffering a broken arm.

When the race finally got underway, it proceeded without a caution and Steve Burgess took home the checkered. Mike Melius placed 6th in the event.

Sunday
Slinger Super Speedway
Slinger, WI
Late Model

Willie Goeden came back after the crash at K.K. on Thursday to again take fast time, for the third straight week in a row, clocking a 12.185 seconds on the quarter mile asphalt track.

Saturday - E.W.S.C.
Plymouth, WI
Modified Division

Ron Luedtke qualified 2nd

RACING RESULTS

By Jae Omen

Wednesday - 141 Speedway
Francis Creek, WI
Modified Division

It was a repeat of last week's races as the #5 car, driven by Rich Wondra of Campbellsport, again won the feature event, starting in the second row position.

Working their way through the pack was fast qualifier Ron Luedtke and Frankie Heimerl.

It was interesting when Ron Luedtke, who was doing a good job of driving, couldn't even get around Wondra as they battled for the lead.

Other local drivers placing in the feature were Bill "Schwartz" Johnson and Billy Johnson II, finishing 4th and 5th consecutively.

Heat winners from this area were Butchie Hafemann of Campbellsport and Dave Waldron of Brillion.

Last year's E.W.S.C. champ, Willie Goeden and top driver, Dickie Berth, have been plagued with engine problems.

Thursday - W.I.R.
Kaukauna, WI
Late Model

The evening was a weight of luck for local drivers Tony Strupp, Willie Goeden and Mike Melius.

Strupp was the winner of his heat and starting on the outside pole position of the feature event, he finished 4th.

The start of the main event began the bad luck as a chain reaction took place when the flagman didn't give the green flag, but the green light was on.

Cars went in every direction! Two cars landed on the wall of the second turn with three others under them. A total of seven cars were eliminated, after an hour of cleaning up the track. Goeden, at the back of the pack, tried to get through, but Rick Sommers came down off the wall and Goeden hit him. Extensive damage was done to both cars.

Other drivers knocked out of

and worked to hold on the 5th, as midway through the race, Luedtke and Heimerl tangled, with Heimerl going up on two wheels. Heimerl finished 8th in the main.

Lee Schmidt of Kewaskum qualified well and managed to finish after being pushed off the track by Terry Pike of White-law.

SAVE!!! Select your furniture at Miller's in Kewaskum. Largest selection, high quality at most reasonable prices. Open daily until 5:30, Monday and Friday to 9:00 p.m. Free dependable delivery.

Births

KLEIN — A daughter, Tonia Lynn, to Kerry and Sue Klein West Bend, Monday, June 28. Paternal grandparents are Mr. and Mrs. Donald Klein, Kewaskum and maternal grandparents are Mr. and Mrs. Hilary Meidl, West Bend. Paternal great-grandparents are Mr. and Mrs. Ray Weis, Campbellsport.

VRANA — A daughter to Timothy and Mary Vrana, 2869 Ridge Road, Kewaskum, Friday, June 18.

PLONER — A daughter to Paul and Nancy Ploner, 7964 Town Hall Road, Kewaskum, Sunday, June 27.

VOTING BY ABSENTEE BALLOT

Any qualified voter, unable to get to the polling place on election day, may ask to vote by absentee ballot. A qualified voter is one who is a U.S. citizen, will be 18 years of age or older on election day, and who has resided in the ward or aldermanic district where voting is desired to be accomplished for at least 10 days prior to the election. If the voter resides in a municipality which requires voter registration, then registration is also a requisite for the voter who is qualified in other respects.

To obtain an absentee ballot, contact the clerk in the city, village or town in which you reside by mail or telephone, or in person, and request an application form. After properly completing and returning the application to the municipal clerk, an absentee ballot will be sent to you along with a postage pre-paid return envelope, or given to you if the application is submitted to the clerk in person. The deadline for receipt of the application by the municipal clerk is 5:00 p.m. on the Friday before election day in the case of applications mailed to the municipal clerk, and 5:00 p.m. on the day before the election in the case of applications made in the clerk's office.

With one exception, the voter who wants to cast an absentee ballot must make a separate application before each election. Voters indefinitely confined to their home or care facility because of illness, age or disability need not file an application before each election; a special statement on the application form can be completed asking that an absentee ballot be automatically mailed to them before each election; if they fail to make and return the ballots sent to them in an election, they must complete another application later on.

Absentee ballots can be voted at home anytime after they arrived in the mail. They can also be voted right in the clerk's office if submitting the application in person. If returning the ballots by mail, the affidavit-certificate must be properly completed and witnessed by two persons. If returning the ballots in person, the affidavit-certificate must be properly completed and subscribed and sworn to by the clerk or the deputy clerk who are authorized to administer oaths. In either case, the marked, sealed ballot must be in the hands of the issuing municipal clerk on or before election day. Any absentee ballot received at the polling place after the polls close or received in incomplete or improper form cannot be counted.

George F. Nehrbass, County Clerk
Washington County

NOTICE OF LETTING

TIRES AND TUBES
MOTOR OILS AND GREASES
STORAGE BATTERIES
Washington County, Wisconsin

Bids Close at 10:00 A.M., Thursday, July 22, 1982.

Sealed proposals will be received by the Washington County Highway Commission at the office of the Highway Commissioner at 620 East Washington Street, West Bend, Wisconsin up to 10 o'clock A.M., Thursday, July 22, 1982 for furnishing and delivery of grade "A" of first line Tires and Tubes, Diesel Motor Oils CB/CC and CD/SE to be used in both Diesel and Gasoline motors and must be a detergent type oil. Grease all types as specified in the bidding proposal and Storage Batteries.

All bids must be on proposal forms prepared by the Highway Commission and must be submitted by 10:00 A.M. Thursday, July 22, 1982 at which time they will be publicly opened and read. Bids received which are not on the proposal forms prepared by the Department will be rejected by the Commission.

Bidding Procedure, Specifications, Special Provisions and Proposal Forms for the above materials may be obtained at the Highway Commissioner's office, 620 East Washington Street, West Bend, Wisconsin upon request.

The Washington County Highway Committee reserves the right to accept or reject any or all bids, or to accept any bid which in their opinion is the most advantageous to Washington County.

By Order of the Washington County Highway Committee.

Frank Scharrer, Highway Commissioner
WASHINGTON COUNTY HIGHWAY COMMISSION

Indians Beat Chilton, Kiel, Lose Two to Campbellsport

Campbellsport 6, Kewaskum 3
In a makeup game last Wednesday, the Kewaskum varsity baseball team again came out on the short end of a 6-3 score with Campbellsport taking the win in the Scenic Moraine.

Kewaskum again scored first, in the second inning. Soph Jim Braun got things going with a single and advanced to second on a sacrifice by Darryl Tews. Toby Mueller advanced him to third with a single. Stuart Stautz came up with an RBI single to score Braun.

In the top of the third Brian Larsen made the score 2-0 with a solo home run to centerfield. The Cougars came to bat in their half of the third. Whitty started things off with a single and advanced to 2nd and 3rd on passed balls, and later scored. Grahl received a free pass and Welsh reached on an error. Narges' single brought in another run. Twohig walked and stole second and scored. Duley also walked and later scored. This ended Campbellsport's third inning with the score 6-2.

The Indians tried to rally in the top of the seventh when Brad Dieringer started things with a single. He was forced at second by Ric Leitheiser. Ric advanced to second and third on passed balls and scored on Stautz's second RBI single of the game.

Rod Donnelly took the loss for Kewaskum after pitching 2 1/3 innings and being relieved by Larsen, who struck out 5 batters and never had much of a problem the rest of the game. Duley took the win for Campbellsport, allowing 3 runs on 7 hits.

This loss dropped the Indians' record to 3-3 in the conference.

Kewaskum 1, Chilton 0
The Indians got back on the winning track last Thursday by avenging an earlier loss to the Chilton Tigers by the score of 1-0.

Senior pitching ace Jeff Geidel had a no-hitter going until the last inning when he gave up two hits. Jeff struck out 9 of the first 13 batters. He gave up 3 walks, 2 hits and no runs. He struck out at least 2 batters in every inning except the 5th and 6th.

The Indians threatened in the second when Braun hit a double to left. Donnelly then hit a shot between the shortstop and third baseman to left. Braun rounded third and tried to score but was thrown out at the plate.

In the bottom of the fourth, Leitheiser was safe on a blooper to right. Larsen hit the ball to the third baseman, who bobbled it, then threw Leitheiser out at second and the relay got Larsen out at first on a close call for a double play. Donath then hit a triple to right center but was left stranded.

In the 6th Mike Heisdorf had

a hit to right and advanced to 3rd on a bunt by S. Stautz. Larsen then hit in the same winning run with an RBI single to left. Donath hit a double off the left field fence but Larsen was held at third.

Chilton threatened in the 5th when T. Criter received a free pass but was out at second on a fielder's choice hit by Leitner, who then stole second. Follman received a walk but Geidel then got the next batter to go down swinging.

Chilton's last threat came in their half of the 7th when Criter got a hit and Trettin got the second hit. Chilton attempted a double steal but the batter struck out and Kewaskum catcher Dieringer picked off Criter at third and almost made a triple play but Donath missed the tag at second on the throw from Donnelly at third. Geidel then got the last batter to go down swinging for a total of 12 strikeouts. This brings Geidel's total to 50 for the season. This brings Jeff's record to 3-1 with his only loss earlier to Chilton.

The Indians are 3-2 in Eastern Wisconsin conference competition.

Kewaskum 2, Kiel 0
The Indians had another close one Monday night in the Eastern Conference here, defeating Kiel, 2-0, even though they had fewer hits than the losers.

Geidel pitched another strong game, striking out 12 Raiders while walking only one. The strikeouts boost his season's total in the Eastern to 62 in four games.

Kiel got six hits off Geidel, including three by Mike Bunge, who suffered the loss for the Raiders. Kiel got three singles in the first inning but could not score. Tom Bruckner singled but was out trying to steal. Then Chris Konz and Bunge singled. Tim Bruckner grounded to second and when the throw to first was off its mark, Konz tried for home but first baseman Tim Heiberer's throw to the plate just got Konz. After the first the Raiders never got a runner past second.

Bunge allowed just four hits. Donath tripled to open the sixth but died there when Bunge got two Indians on strikes and the third grounded out.

The Indians' runs came in the fourth with Donath leading off with an infield single. He stole second and third and then Straub walked and stole second. Donath never made it home though as he was caught in a rundown when Heisdorf's shot was backhanded on the bounce by Bunge. Both runners advanced on the rundown, then Heiberer got an infield hit with both Straub and Heisdorf scoring.

Campbellsport 4, Kewaskum 1
Playing at Campbellsport Tuesday evening, the Cougars defeated the Indians for the second time in less than a week in the Scenic, although Campbellsport did not have to face Indian ace, Jeff Geidel, in either game. The score was 4-1, with just one earned run in the contest.

Campbellsport came up with three hits by Tom Duley, Pat Twohig and Rick Serwe in the fifth. Serwe's single drove in Duley and Twohig scored when the Kewaskum right fielder, Darryl Tews, let the ball get past him for an error. Twohig was three for three for the Cougars.

The other Campbellsport runs were scored in the second when an error and walk put runners on first and third. Losing pitcher Heiberer was charged with a balk, allowing Vander Grinten to score. The Cougars scored once more in that inning.

The Indians had scoring opportunities but couldn't hit in the clutch. They left 10 runners on base. The Cougars played well, especially Duley at shortstop.

Geidel scored the Indians' only run in the second on a passed ball after he had singled, took second on an attempted pickoff play and moved to third on Heisdorf's bunt.

Both teams are now 3-4 in the Scenic.

Hon-E-Bees
On Wednesday, June 23, the Hon-E-Kor ladies played host to the gals from Rolling Meadows of Fond du Lac. With full co-operation from the weather and a nice turnout from both clubs. Everyone enjoyed the golf and luncheon.

Winners from Hon-E-Kor in class "A" were Mary Ann Koss - low net of 35, Irene Schlefke - low gross of 47 and Joan Eggers - low putts with 16. Class "B" winners were Helen Goetz - low net of 31, Lu Freeze - low gross of 56 and Corliss Fassbinder - low putts with 16. Class "C" winners were Gertie Backhaus - low net of 33, Tudy Warner - low gross of 55 and Kathye Wierman - low putts with 14. Class "D" winners were Lucille Howson - low net of 38, Laura Mathews - low gross of 68 and Marion Mitchell and Gayle Van Ess tied for low putts with 19.

To subscribe to the Kewaskum Statesman, just call 626-2626.

Winners in Big Fish Contest

The winners in Village Sport Shop's Big Fish Contest for the week of June 20 through 26 are as follows:

Robin Beisbier, Kewaskum, brought in the winning northern pike weighing 3.9 lbs. and measured 26 1/2 inches. She caught it on Boltonville pond.

Bill Merkel, Random Lake, caught his winning bass in Marinette County. The 1 lb. 3 oz., 11 1/2 inch fish bit on a night crawler.

Judy Berger, Kewaskum, weighed in the winning panfish. Her 13 oz., 9 3/4 inch bluegill, caught on Long Lake, just beat out her husband Mike's 11 oz. fish weighed in the night before. Judy caught hers on a leaf worm while Mike was using a white popper.

The end of the contest July 3 is quickly nearing. We hope everyone has enjoyed the contest as much as we have. There were many nice fish brought in. The grand prize drawing will be July 17 at Village Sport Shop. Winners and pictures will be submitted in the paper as soon as possible.

JAYCEE YOUTH SOFTBALL LEAGUE

The June 23rd games left five teams tied for first place with 2-1 marks.

The Indians handed Shortstuff their first loss of the season, winning 9-5. The A's used good pitching by Joel Miller and a key triple by Elaine Berndes to defeat the Superstars, 4-0. The Gems outscored the Tigers 15-11 in a game that was called after 4 innings due to the one hour time limit. The Construction Crew used excellent hitting and fielding to win over the Mean Machine, 17-2. The Crew was led by first baseman Tom Zimdahl who had two triples.

J & J AUTO TOPICS

CAR SERMON.

One of these mornings when you drive down the road you'll hear a whine or maybe a whir, a clank or a click, some ominous sounds from beneath the hood or under the chassis that gives you an awful feeling and you'll wish you'd stayed in bed.

Not always but often this is the sound that is telling you that you've been neglecting the maintenance services. All autos must have periodic tune-ups, brake service and oil and grease lubrication. Neglect these essentials and the day of reckoning sneaks up on you.

Better get over to J & J AUTO SERVICE at 450 E. Main. And don't ever say we didn't warn you.

PHONE 626-2311
