### 1983-84 Business Manager Position Still Up in Air

By GERRY MUELLER  
Statesman Staff Writer

One of the items which drew major discussion at Monday night's school board meeting was the possible elimination of the business manager position for 1983-84.

School board member Richard Theusch had requested that the business manager issue be placed on the agenda because its fate would have a far-reaching effect on the school administration. Since the district is in the process of hiring a new superintendent, Theusch felt it only right the final candidates be informed of the

controversy. The fact that this position could and may be abolished would result in the possibility of the new superintendent having to assume the duties of both jobs.

Member Tom Brigham motioned that a decision be tabled until a new superintendent was hired thus allowing that person a chance to evaluate the total concept of staffing and review the situation along with the school board. Theusch felt some candidates might have second thoughts about accepting the job if there was a possibility of being left without the services of a business

(Continued on Page 6)

## New Pastor at Holy Trinity to Be Installed by Bishop Brust

Installation of the new pastor of Holy Trinity Catholic Church, Kewaskum, the Rev. Robert Berghammer, will take place Saturday evening, August 14, at the 6:30 p.m. Mass. Father Berghammer succeeds Rev. John T. Budde, who served as pastor of the parish for the past 24 years.

Bishop Brust will officiate for the installation and remain to concelebrate the Mass. The installation ceremony involves four matters:

a) A promise on the part of the pastor to serve the people of Holy Trinity and St. Bridget parishes;

b) A promise on the part of the people to accept and support the pastor;

c) A profession of Faith by all present;

d) A few words and then a final prayer by the bishop. The ceremony takes place during Mass.

There will be no confessions in the evening as the bishop will remain for supper prepared by the pastor.

## Man Seriously Injured in Farm Accident

A 58-year-old rural Campbellsport man was listed in serious condition in the intensive care unit of Froedtert Memorial Hospital in Milwaukee last Wednesday with head injuries he received Tuesday in a farm accident.

Eldon Ebert of Route 2, Campbellsport, was loading hay onto a wagon at his Town of Auburn farm along Fond du Lac County Trunk SS, about one mile west of New Prospect at 4:30 p.m. Tuesday when the incident occurred.

Brian Ebert told Fond du Lac County Sheriff's authorities his father was handing bales of hay up to him atop the wagon. The tractor pulling the hay wagon was driven by his brother, Edward.

As the hay wagon was going down a steep hill, the weight apparently shifted or the rack came loose, causing the wagon to tip over, Brian said. His father was covered by the falling bales, but he was able to ride the bales to the ground.

Ebert was taken to St. Agnes Hospital in Fond du Lac by Campbellsport ambulance and later transferred to Froedtert.

A landmark in Kewaskum has disappeared. Serwe's Tap on the corner of Fond du Lac Avenue and First Street and the adjoining residence have been torn down by workers the past few weeks. The premises was purchased by Marigold Foods, Inc. for expansion. Marigold, manufacturers of Kemps dairy products, now own most of the entire block.

Originally, the Serwe's Tap building started out many years ago as a harness shop owned by Val. Peters. After his retirement a tavern was opened in the building by the late Lester "Pessy" Dreher. Later the tavern was operated by Mr. and Mrs. Bob McKee, known as McKee's Tap, and for the last 17 years the business had been operated by Norbert and Gloria Serwe.

## From the School Board President's Desk . . . .

What does the president of the board do? What are the other board offices?

"The officers of the board will be a president, vice-president, clerk and treasurer elected from the membership of the board." Board Policy 9361.11

The president of the board has the most work to do (okay, I'm biased). The president presides over all regular and special board meetings and maintains order. He puts all motions to vote and gives the results. He appoints committees with Board input, and he is an ex officio member of all committees. He prepares, in conjunction with the superintendent, the agenda for the meetings.

The vice-president prays for the continued presence and good health of the president because if the president is absent, he must be prepared to take over the functions of the president.

The clerk signs the notices of the annual and budget meetings and other special meetings. He functions somewhat as a secretary and is thankful that tape recorders were invented so that detailed note taking is no longer necessary. He signs the official communications of the school board.

The treasurer keeps an eye on the budget and signs the necessary state and federal paperwork dealing with the budget. Writer's cramp is a common affliction of all the board officers.

Superintendent Search Update: I've received several questions about the way the search and screen procedure operates. Some people have assumed that we would be bringing in all of the applicants for interviews. This is not the case. We started out with over sixty applicants by the Citizen Advisory Committee, using the criteria set up by the Board Superintendent Search and Screen Committee and approved by the entire Board, met for over five hours and narrowed the list of candidates to ten. I appreciate the work of the committee, co-chairman Ned Sengpiel and Stan Woolman, and members Mrs. John Hubbell, Mrs. Darrell Joiner, James Oelhafen, Dan Rodenkirch, Mrs. Robert Serwe, and Jack Theusch. As Mr. Buntrock (our consultant) pointed out, this committee saved the district at least twenty-four hours of consulting fees (at forty dollars an hour). We thank the committee from the bottoms of our pocketbooks. Next, we will narrow the list of candidates to four or six and then start interviewing them.

Dr. Charles J. Ogi

## Registration Dates For High School Set

Kewaskum Community High School will hold registration for the 1982-83 school year on

Tuesday, August 17 - 8:00 a.m. to 3:30 p.m. (Reserved for freshmen and their older brothers and sisters).

Wednesday, August 18 - 12:00 p.m. - 7:00 p.m.

Thursday, August 19 - 8:00 a.m. to 3:30 p.m.

ALL HIGH SCHOOL STUDENTS MUST REGISTER AT ONE OF THE ABOVE TIMES.

Tuesday, August 17, will be reserved for freshmen (and their older brothers and sisters to eliminate extra trips). We plan to have a special program for freshmen, tour of the building, help with lockers and schedules and a special program by the guidance department. Please allow an hour for freshmen orientation.

When the student registers, he/she will pay their fees and fines, turn in their completed registration cards, receive their class schedule for the school year, receive their locker number and receive their library cards.

Students who will be driving cars to school must also register their car at this time. We will need to know the license number, make and color of car. You will than be able to pick up your parking permit for 50c.

Guidance people will be available on these days and by appointment only on August 25,

26, 27, to help students with any schedule problems or changes. Once school starts, schedule changes will be made only in exceptional cases.

### Red Cross Plans First Aid and Safety Course

The West Bend Red Cross is conducting a Standard First Aid and Personnel Safety Course.

The Standard First Aid and Personnel Safety Course is to provide the general public with the knowledge and skills called for in most situations in which medical assistance is not excessively delayed and incorporates information on personal safety and accident prevention.

The course is 21 hours long and includes indepth training on wounds, specific injuries, poisoning and bone and joint injuries.

The course will be conducted for seven Monday, starting September 13 and completing on October 25 from 6:30 to 9:30 p.m. in the lower level of the Court House.

To enroll, call the West Bend Red Cross Office at 334-5687.

A cat was once accidentally shipped from the United States to Australia in a Cadillac chassis. He survived the seven-week trip with no food other than the car's engine grease and instruction manual.

Ron Krauss, Gordon Waligorski and Adeline Halfmann discuss microwave cookware during a special edition of WBKV's "Neighbor to Neighbor" radio program, broadcast live from the Washington County Fair.

Area consumers had their microwave cooking questions answered on July 23 during a special edition of WBKV's popular "Neighbor To Neighbor" radio program, broadcast live from the Washington County Fair in Slinger. Host

Ronald Krauss was joined by co-hosts Adeline Halfmann, Manager - Marketing Communications for Regal Ware, Inc. and Gordon Waligorski, Regal's Director - Special Projects. WBKV AM/FM is located in West Bend and serves the Washington County area.

After giving a brief history of Regal and the company's recent introduction of microwave cookware, Halfmann and Waligorski answered questions from listeners on basic microwave cooking techniques, the need for microwave cookware, the advantages and disadvantages

of available microwave cookware, microwave recipes, and microwave safety.

Regal Ware, Inc. is a multi-plant manufacturer of cookware, portable electrics and microwave accessories headquartered in Kewaskum.

### Village News Notes

Several properties located in the Village of Kewaskum are not being maintained in a safe, clean and/or presentable condition. Under Chapter 14, Section 18 of the Village of Kewaskum's Municipal Code it requires all property owners of lots, parcels and tracts of land within the Village to keep said property in a safe, clean and presentable condition and to remove therefrom all surplus grass, saplings, weeds and other growth and all trash and rubbish and to fill in all excavations and depressions thereon.

The Village Board is asking all property owners to comply with the above. If a property does not comply, the Village will send an official notice shortly, after which the Village will undertake to correct the conditions whatever means may be necessary and will charge the expense thereof against such owner.

Your cooperation in reference to this matter is greatly appreciated. Thank you!

The Village of Kewaskum

### SCHOOL BOARD TO MEET IN CLOSED SESSION

The School Board of the School District of Kewaskum will meet in closed session at 8:00 p.m. on Monday, August 16, 1982, at the Middle School, for the purpose of continuing the process of hiring a new superintendent.

### Announce Clerk and Carrier Positions

The United States Postal service announces an examination for clerk and carrier positions in the post office at Fredonia, Kewaskum, Random Lake and West Bend.

Applications are being accepted at the Kewaskum Post Office between August 23 and August 27, 1982.

Further information may be obtained at the Kewaskum Post Office. All qualified applicants will receive consideration for employment without regard to race, color, national origin, sex, political affiliations, or any other non-merit factor.

### Glacier Edge Kick-off Meeting

Glacier Edge District 11 of the Bay-Lakes Council of the Boy Scouts of America will hold their 1982-83 Kick-off Meeting, Thursday, August 19, at 7:30 p.m., at Camp Silverbrook, corner of Decorah and University Drive, West Bend.

Adult Scouters from all Cub Packs, Boy Scout Troops, and Explorer Posts should be present to represent their unit, and to receive information and the packets for the coming year. The new Tiger Cub Program will be introduced.

A Cracker Barrel will be held following the meeting.

Guided tours of the Cub Day Camp facilities at Camp Silverbrook will be conducted by the Camp Staff beginning at 6:30 p.m.

### A Freak Accident

On August 4, at 4:00 p.m., I sat in my rocker at the umbrella table on the patio to rest a few minutes after doing some repair work on my garage door. The air was still - no breeze stirred to bring relief from the muggy heat. Two minutes later there occurred a very loud crashing noise to my left out amongst the apple trees and, simultaneously, another loud noise reverberated in my ears on my right side just as the telephone wire flopped on my lap.

My neighbors, Dick and Susie Laubach, and Walter Giese, came running to see what had occurred for they had heard the loud noises, too. Looking about we could see that a large, high apple tree branch, loaded with several bushels of apples had crashed to the ground bringing with it the telephone line which did not break, but pulled off a 2-foot square section of my house wall. On this section was the steel frame of the exhaust fan exit, weighing approximately ten pounds, plus the wood frame around it. All this debris had been hurled inches past my head for a distance of 40 feet.

Had my head been struck, I am certain that my death would have been instant. Again I am thankful to be under the protective care of my Lord and Saviour.

R. G. Edvards, M.D.

### Amerahn Group To Brewers Game

Two chartered busloads of Kewaskum area baseball fans attended the Milwaukee Brewers game at Milwaukee County Stadium Monday night. A total of 87 people boarded the buses to take in the game. Earl and Marie Kleinke, owners of Amerahn, promoted the event. Refreshments were provided on the buses and lunch was served at Amerahn after the game. Everyone came home happy as the Brewers clobbered the Texas Rangers, 9-1.

## School Board

(Continued from Page 1)

manager. Brigham said, however, he did feel very strongly as did Theusch that the board inform all the candidates that this is an issue. Board president Charles Ogi said he had no objection to the candidates being so informed.

The question of this position was not dropped as board member Jean Goede again brought up the item under miscellaneous business. She motioned the board approve retaining the job for the 1983-84 school year. Board member Ralph Horner motioned to table action on Goeden's motion. Several people, both board members and people in the audience questioned why the board seemed so reluctant to make a decision once and for all on this issue. A resident commented that both Brigham and Horner had run for school board with elimination of the business manager as one of the campaign issues. Now both men seemed unwilling to vote for the stand they had taken.

Several minutes of discussion followed on whose motion took precedence, Goeden's or Horner's. It was decided Horner's tabling motion had priority but only for this meeting, no time or date limit could be placed on it. Action on Goeden's motion was tabled, however, she came back with a request that her motion be placed on the agenda for the board's next meeting scheduled for September 6.

Theusch directed a comment to the board which was related to both the superintendent and business manager positions. Theusch said seeing as board feeling leaned strongly to elimination of the business manager in 1983-84, members should give serious consideration to the idea of not hiring a superintendent for 1982-83. The 1982-83 budget and school schedule have been set up and Mr. Borch is handling all the necessary paperwork. "I feel if we're looking at working with one in administration (in 1983-84), I think we could look at going without an administrator (superintendent) for 1982-83 and save \$40,000," said Theusch.

The board read a report from Robert Getter regarding the Data Point computer donated to the district. Although most of the board's questions were answered by the report, members still had concerns on maintenance costs. Since Getter was not present at the meeting, further discussion was tabled until the next meeting.

Several parents from the

Farmington School District voiced their dissatisfaction with having their children bussed to Beechwood. Some parents felt their children were being bussed only to maintain a kindergarten class at Beechwood which has only eleven students. The parents were asked why these children are never bussed away from their neighborhood school as are Farmington and Kewaskum children. Some parents were upset that they live only a mile from Farmington and yet their children will be transported 12 miles to Beechwood. The parents were also concerned with what they feel is a dangerous turn-around point for the bus. Ogi told the parents the situation would be investigated by the board and county police if necessary.

High School Principal Clark Pearson and Assistant Principal Roy Esser presented revisions for the high school handbook and policies regarding conduct and discipline. Esser noted there will be stonger restrictions regarding students congregating in the parking areas before school and during lunch. A stonger detention system relating to tardiness will also be instituted.

The board accepted the following bids: Industrial Fuel Oil Inc., for gasoline at \$.99906 plus tax per gallon; Strobel Oil, fuel oil, \$.94675; John Engelhardt, milk \$.121 for 2% half-pint, \$.126 homogenized.

Milt Dickensen was assigned assistant football coach and Mrs. Sharon Blank will be cheerleading advisor.

The board will hold a closed meeting Monday, August 16, to review final candidates for the position of superintendent.

## Man Injured In Vehicle and Tractor Mishap

A 21-year-old Campbellsport area man was in good condition on Wednesday of this week following a vehicle-farm tractor mishap at Narges Implement Co. in Waucousta last Wednesday.

Transported by Campbellsport ambulance to St. Agnes Hospital, Fond du Lac, for treatment of arm, leg and trunk injuries was Daniel A. Schultz, Route 2, Campbellsport. Schultz was placed in the intensive care unit at the hospital.

According to Fond du Lac County Sheriff's Department authorities, Schultz was injured as the result of a traffic accident on a private driveway at Narges Implement Co. The accident occurred at 9:15 a.m.

Charles F. Narges, Route 3, Campbellsport, told authorities he apparently stepped on the accelerator of his car too hard, causing the car to crash through overhead garage doors and into a farm tractor inside the garage. Schultz was injured when he attempted to get out of the way of the oncoming vehicle.

Schultz was expected to be released from the hospital on Thursday of this week.

# Today's Medicine

### CONSTIPATION

By Thomas Lietzke, R.P.H.

Many people, but especially the elderly, complain about constipation. Constipation is a disorder causing decreased frequency of bowel movements, resulting in waste matter remaining in the colon and becoming dry and difficult to expel. Constipation may stem from a variety of causes. Insufficient muscle tone in the intestinal or abdominal wall due to a lack of exercise; repeated failure to heed the signal to eliminate; or excessive fatigue, nervousness, anxiety, or excitement may result in constipation.

A poor diet, or a diet lacking in fluids or roughage can bring about constipation. The continued use of laxatives as a substitute for proper exercise, rest and diet may result in dependency and merely perpetrate the problem.

Laxatives, stool softeners, or lubricants such as mineral oil may be prescribed medically for the treatment of constipation. Mineral oil should not be taken along with meals because it interferes with the absorption of fat-soluble vitamins.

The diet should provide adequate fluids and roughage in the form of fruits and vegetables high in water content. Bran is another excellent form of roughage. Foods containing fats may be useful in the treatment of constipation because of their lubricating effect on the mucous walls of the colon.

Remember — a proper well-balanced diet is the easiest way to avoid the problem.

## Speedreading Class Offered at MPTI

Both your reading speed and your comprehension can be substantially increased through developing better reading skills and practicing them. You, too, can acquire the techniques of speed-reading and, through patience and practice, increase your reading skills and pleasure. Why not enroll now in Moraine Park's course Speed-reading and acquire those skills?

Speedreading begins Tuesday, September 7, and meets from 7:00-9:40 p.m. at Trinity Church. Tuition is \$8.45, payable the first night of class.

Whether you're a very slow reader or a fairly fast one; whether you understand a lot of what you read or now miss most of it, this six week course can eliminate poor reading habits and cultivate good ones. You can enroll in the class by calling 334-0909. All registrations are accepted on a first-come, first-served basis.

Saturday, August 28, West Bend Fire Department, 1:00 p.m. - 4:00 p.m.

## Historical Society To Meet Tuesday

The Kewaskum Historical Society will meet at the Valley Bank meeting room on Tuesday evening, Aug. 17, at 8:00 o'clock.

Average production for Wisconsin dairy cows in 1981 was 12,441 pounds of milk containing 462 pounds of milkfat.

Home is probably the only place where you don't have to make advance reservations.

## Matula-Backhaus

Mrs. Jan Matula of West Bend is happy to announce the engagement of her daughter, Renee, to Randy Backhaus, son of Mr. and Mrs. Glen Backhaus of Kewaskum.

Renee is a 1978 graduate of Slinger High School and is employed at O'Connor Oil in

Allenton. Randy is a 1974 graduate of Kewaskum High School and a 1978 graduate of UW-River Falls. He is employed at Backhaus Farms in Kewaskum.

A July 9, 1983 wedding is being planned by the couple.

### Early Farm Days Draws Many Visitors

More than 500 people attended the 9th Annual Early Farm Days event on Saturday and Sunday, August 7 and 9, at River Hill Park, Kewaskum, sponsored by the Kewaskum Historical Society. Inclement weather late Saturday afternoon sent the visitors scurrying to their cars as heavy rains pelted the area.

A note of interest of Early Farm Days was the list of visitors registered in the guest book in the museum. Besides nearby villages and cities such as Random Lake, Belgium, Campbellsport, Parnell, West Bend, Hartford, Racine, Kenosha, Mequon, Madison, Milwaukee and many others, there were also registered guests from as far away as Germany, Alaska, Texas, South Carolina, Boston, Mass., etc. Many local names were also listed.

All proceeds of the event will be used to further the reconstruction of the log home on the society's museum site.

"Diplomacy is the art of letting someone have your way."

### Woman's Club to Hold Membership Tea

The Kewaskum Woman's Club will hold a membership tea on Thursday afternoon, August 19, from 1:30 to 3:30 at the Lloyd Etta home, 9685 Hwy. S. All members and prospective members are invited.

Members are to phone "regrets only" to 626-2364.

### Class of 1983

This year the seniors will be responsible for making their own appointments and having a black and white glossy sent to the Chieftain staff by the photographer of their choice. We are requesting a formal setting for the yearbook glossy and that it be into the staff by October 25, 1982. Please make your appointment during the summer so you will be assured of having your picture in the 1983 Chieftain.

HEPPNER — A son to Richard and Roxanne Heppner, Route 3, 6050 Hwy. H, Campbellsport, Monday, Aug. 2.

## Child Care

### Class at MPTI

The state licensing bureau of Social Services has established new guidelines for people working in child care centers. Whether it's day care or preschool, an employee must complete "Second Annual Child Care Worker, a 42 hour class replacing the course formerly called "Young Child I."

Instruction is designed to help students meet the basic educational qualifications for all personnel assuming secondary responsibility for children and is a required course for all untrained staff. Tuition for the fourteen week class is \$17.00, payable at the first class meeting. Instruction begins Thursday, September 9, at 7:00 p.m. Students may pre-register by calling 334-0909. All registrations are accepted on a first-come, first-served basis.

For further information on licensing requirements, prospective students may call Dr. Jean Fleming at 334-3413, extension 345.

**Your HEALTH TIP**

from Tom Leitzke, R.P.H.

**ANEMIA**

Iron deficiency [anemia] is a major nutritional problem, especially among girls and women of child-bearing age. Tests show that whole wheat and bran are rich sources of iron for the blood. Iron fed naturally in wheat was found to be 92% better absorbed by the body than inorganic iron salts from the wheat when reduced to ashes.

## Resch-Kiel

Diane Resch of Allenton and Jon Kiel of West Bend were united in marriage during a 2:00 p.m. ceremony on May 15 at the Zion's Evangelical Lutheran Church in Kohlsville. The Rev. Erwin Schewe officiated.

Parents of the couple are Mr. and Mrs. Leo Resch of Allenton and Mr. and Mrs. Lloyd Kiel of West Bend.

Lisa Maul of Allenton was chosen as maid of honor. The bridesmaids were Betty Maul of Madison, and Jane Resch and Cheryl Konrath of Allenton. The junior bridesmaid was Christine Brinkman of Fond du Lac, and Kerry Braun of West Bend was the flower girl.

Jeff Kiel of Torrence, California, served as best man. The groomsmen were Tom Gleisner of Auburn, New York, David Resch of Allenton, and Gary DeSmidt of West Bend. Travis Wollner of Newburg was the junior groomsman and Shawn Krivitz of Schamburg, Illinois, was the ring bearer.

Ushering duties were shared by Dennis Heinecke, Phil Beisbier, and Kevin and Kerry Resch.

The reception was held immediately after the ceremony at the Amerahn Hall in Kewaskum.

The couple is presently residing in the Allenton area.

KEWASKUM STATESMAN

# Lions Kettle + 2 Run, Chicken Bar-B-Q Sunday

On Sunday, August 15, the Kewaskum Lions Club will hold its ninth annual chicken bar-b-que and Kettle 20+2 run in the village park (River Hill Park). There will be 20 kilometer - 12.5 mile, 6.5 mile and 3.5 mile races.

Race time is 9:15 a.m. and runners may register from 8:00 a.m. until race time. Pre-registration is \$4.50; \$5.50 the day of the race. Make check payable to Kewaskum Lions Club and send to Dale Squier, 1305 Roseland Dr., Kewaskum, WI 53040.

The race this year has been somewhat changed. The 6.5 mile race was the 7.5 mile race last year. The 3.5 and the K20 remain the same. The K20 has been labeled as one of the toughest runs in the State of Wisconsin.

Last year a total of 250 runners competed in all the races. The first 300 runners to register may have their choice of a K20 T-shirt or a K-20 patch.

There are runners as far away as Texas.

Runners may purchase a chicken dinner ticket at a reduced price of \$2.00 if purchased before race time.

There are 22 divisions for men and women in these races and there will be awards for all divisions. First, second and third will receive medallions and fourth and fifth will receive ribbons.

Last year's big winners were Glen Schumacher of Greenfield and Carol Spaeth of Kewaskum in the men's and women's 20 kilometer race. Spaeth is a 1976 graduate of Kewaskum High School where she excelled in track.

The Lions Club will be serving its famous bar-b-que chicken with all the trimmings, starting at 11:00 a.m. until 5:30 p.m. Carry out chicken will be available. There will be games, beer and soda.

The proceeds for this annual event go to local charities.

## Skate-a-thon for Muscular Dystrophy At West Bend Aug. 23

One of the most exciting events of the summer will be happening on Monday, August 23, from 11:00 a.m. to 9:00 p.m. at Skate Country. It's West Bend's First City Wide Skate-a-thon to benefit the Muscular Dystrophy Association! You can win prizes such as, t-shirts, backpacks, video games, free skating passes, Atari systems, BMX bikes, speed skates and a grand prize of a Suzuki Shuttle Moped to the overall top money raiser. Most importantly, you'll be helping those people afflicted with muscular dystrophy when you sign up to skate in the MDA Skate Country Skate-a-thon. All prizes are based on money collected and turned in at a special thank you party on Thursday, September 2, where there will be free skating for all participants, their families and friends.

Some of your favorite celebrities will be on hand also. From 2:00 to 3:00 p.m., visit with Miss Wisconsin; at 3:00 to 6:00 p.m. watch TV 6's Albert the Alley Cat perform and from 6:00 till 9:00 p.m. be sure to come and see Ronald McDonald and WZUU's own Larry the Legend.

Be sure to pick up your skate-a-thon kit at Skate Country at 1950 North Main Street in West Bend. Be sure to include the Skate-a-thon in your plans!

Keep unpopped corn in the freezer. It stays fresh and makes the best popcorn ever.

## Elaine Schreiber to Visit West Bend

Elaine Schreiber, the wife of Democratic gubernatorial candidate Martin J. Schreiber, will be in West Bend on Wednesday, August 11.

Mrs. Schreiber will tour The Threshold Inc. (600 N. Rolfs Road), a sheltered work group, at 1:30 p.m. While at the facility, she will meet with workers and the staff and management of the center.

At 2:00 p.m. Mrs. Schreiber will visit the West Bend News.

A 2:30 p.m. coffee fundraiser will be held at the home of Dale and Barbara Thomas (803 Sandy Acre Drive) in honor of Mrs. Schreiber's visit.

Besides being the mother of four children, Elaine Schreiber runs an antique shop near the family farm in the central Wisconsin town of Rudolph.

## Campus Notes

Among the new freshmen who completed through mid-July their registration and programming for the 1982 fall semester at the University of Wisconsin-Oshkosh, are 28 from Washington County.

Classes begin on Wednesday, Sept. 8. Orientation for the new freshmen will begin on Labor Day, Sept. 6.

According to their high school of graduation, these new freshmen include four from Kewaskum High School:

Gail L. Backhaus, 4062 Hwy. 28, Kewaskum; Jeanne F. Melzer, 9618 Rolling Dr., Allenton; Christine E. Voigt, 8701 Oak Dr., Kewaskum; Jennifer L. Wenzel, 703 Pleasantwood, Kewaskum.

While tearing down the Serwe building, workers came across this old sign which at one time hung in front of the Val. Peters Harness Shop. It is being displayed by Norbert Serwe [left] and Dick Thiemer. You will note that the "H" is missing from the word harness.

[Statesman photo]

## Paul Schmitt, E. Ruplinger, Others Pass On

Paul J. Schmitt, 65, a resident of the St. Kilian area, passed away at St. Agnes Hospital, Fond du Lac, Sunday evening, August 8, after a short illness.

He was born on June 29, 1917, in the Town of Wayne to the late Joseph and Cathrine German Schmitt. On June 6, 1944, he married Burnette Prost. She passed away on February 18, 1978.

Mr. Schmitt had been a retired dairy farmer. He was a lifelong member of the St. Kilian Catholic Church in St. Kilian and their Holy Name Society. He was a former building inspector for the Town of Wayne, a former member of the Mullen School Board, a DeKalb seed dealer for 35 years, a sales representative for many advertising specialties and a dealer for Dairyland Seed.

Survivors include two daughters, Carol (James) Oehlafen, Town Wayne, and Debbie (Jeff) Watzlawich of West Bend; three grandchildren, Brian, Brenda and Brad Paul Oehlafen; four brothers, Herbert (Ruth) and Joseph, both of St. Kilian, Peter (Alma) and Alfred (Rita), both of West Bend; two sisters, Mrs. Rose (Wesley) Kuehl of Kewaskum and Mrs. Anna (Jerome) Hausman of West Bend; his mother-in-law, Mrs. Viola Prost of Kewaskum; two sisters-in-law, one brother-in-law, many other relatives and friends. One son, two brothers and his father-in-law preceded him in death.

Visitation at Miller's Funeral

Home in Kewaskum was on Tuesday from 3 to 9 p.m. with a rosary vigil at 8 p.m. Services were Wednesday at 10:30 a.m. at the funeral home with a Mass of Christian Burial at 11 a.m. at St. Kilian Catholic Church in St. Kilian with Fathers Raymond Adamsky and Ambrose Simon officiating. Burial was in the church cemetery.

### ELMER J. RUPLINGER

Elmer J. Ruplinger, 61, of the St. Kilian area, passed away at St. Joseph's Community Hospital, West Bend, early Friday morning, August 6.

Mr. Ruplinger was born on August 24, 1920, in the Town of Wayne, Washington County, to the late Joseph and Alma Weiland Ruplinger. On August 24, 1946, he married Charlotte Sukawaty in St. Kilian Catholic Church in St. Kilian.

Mr. Ruplinger farmed all of his life. He was a member of St. Kilian Parish and their Holy Name Society.

Survivors include his wife, and one son, Mark, at home; four brothers, Joseph (Helen), Raymond (RoseMary) both of rural Allenton, Orville (Florence) of Oakfield and Harold of Butler; one sister, Mrs. Loraine (Alphons) Weyer of Lomira; other relatives and friends.

Visitation at Miller's Funeral Home, Kewaskum was on Sunday from 4 to 9 p.m. with a rosary vigil at 8 p.m. Services were Monday, at 10 a.m. at the funeral home and a Mass of Christian Burial was celebrated

at 10:30 a.m. at St. Kilian Catholic Church in St. Kilian. Rev. Raymond Adamsky officiated and entombment was in the Shrine of Rest.

### GRACE E. NAUMANN

Grace E. Naumann, nee Gerlach, 54, of Route 1, Adell, died Wednesday, Aug. 4, at St. Joseph's Community Hospital, West Bend.

She was born April 1, 1928, in Lannon, and on July 11, 1950, she married Arthur Naumann in Greenville, Ohio.

They lived on Hwy. M, West Bend, until 1964, when they moved to their present address.

She was a member of the Pioneer Ladies of Dundee and Trinity Ev. Lutheran Church, Dundee.

Survivors include her husband; two children, Guy (Deborah) of Campbellsport and Robin at home; two grandchildren, Shasta and Beau; one sister, Elma (William) Faber of West Bend; five brothers, John W. (Sally) of Milwaukee, Glenn C. (Doris) of West Bend, Edwin V. (Joyce) of Cascade, Raymond M. (Jeanice) of Adell and Eugene J. (Sharon) of Mayville; mother-in-law, Kathryn Naumann of West Bend, and other relatives and friends.

She was preceded in death by a brother, Melvin.

Funeral services were Saturday at 1:30 p.m. at Trinity Ev. Lutheran Church, Dundee. The Rev. William Stuebs officiated and burial was in St. Mathias Cemetery, New Fane.

Visitation at the Myrhum Funeral Home, West Bend, was Friday after 6 p.m., and Saturday at the church from 11 a.m. until time of services.

### CRESENCE KRUEGER

Mrs. Cresence Krueger, 79, of Route 2, Campbellsport, died Thursday, August 5, at St. Joseph's Community Hospital, West Bend.

She was born September 18, 1902, in the Town of Auburn, a daughter of the late Joseph and Susan Altenhofen Harter. She was married to Elmer Krueger on April 12, 1923, at Holy Trinity Catholic Church, Kewaskum.

Mrs. Krueger was a member of St. Matthew's Catholic Church at Campbellsport, Christian Mothers and Altar Society. She was in charge of the Cancer Fund drives in the Town of Auburn for many years.

Survivors include her husband; a son, Alan (Dorothy) of Madison; a daughter, Mrs. Joseph (Joan) Klotz of Campbellsport; seven grandchildren; and five great-grandchildren. A brother and sister preceded her in death.

Funeral services were held at 8 p.m. Monday at St. Matthew's Church, Campbellsport. The Rev. Victor Kemmer and the Rev. Walter Morgan officiated. Burial took place Tuesday morning in the parish cemetery.

Visitation for Mrs. Krueger was after 5 p.m. Monday at Twohig Funeral Home, Campbellsport.

### DOROTHY BRAWAND

Mrs. Dorothy Brawand, 83,

formerly of Dundee and Fond du Lac, died Monday, Aug. 9, 1982, at New Berlin Memorial Hospital, New Berlin.

She was born Oct. 10, 1898, at Dundee, a daughter of the late Michael and Bridget Romaine Calvey. On Feb. 9, 1917, she was married to William Ellison at Marinette, and he died in 1959. In 1965, she was married to Peter Brawand in Fond du Lac, and he died in 1972.

Mrs. Brawand is survived by a son, William Ellison of Fond du Lac; five grandchildren; three great-grandchildren; a brother, Vincent Calvey of Dundee; and two sisters, Mrs. Beulah Theken of Milwaukee and Mrs. Mary Krueger of New Fane. A daughter and two sisters preceded her in death.

Funeral services were held at 9:30 a.m. Thursday at Twohig Funeral Home, Campbellsport. The Rev. Victor Kemmer officiated and burial was in Mitchell Cemetery in the Town of Osceola.

Visitation for Mrs. Brawand was after 8:30 a.m. Thursday at the funeral home.

### KARL BINDER

Karl Binder, 78, of Garland, Texas, a former resident of the Crooked Lake area many years, passed away Sunday, August 8, at a home in Garland, after a long illness.

He was the father of Mary (Wayne) Jerden, Gerald, Karl, Daniel and Ralph; 21 grandchildren and 9 great-grandchildren. His wife, Mary, preceded him in death three years ago.

John Schmitt, right, holds his reserve champion beef steer while buyers Bob Beisbier, left, and Dave Nigh, center, of Kewaskum Frozen Foods look on with their buyer's ribbons.

Quinn Mueller holds his rate of gain champion beef steer. Quinn's animal averaged 3.27 pounds of gain per day.

Mike Schulz leads his blue ribbon heifer calf during judging competition.

Harvey Barber poses with his prize winning rabbits. A little easier to lead than a cow or steer!

Kewaskum FFA members Brian Ruplinger, left, and Bob Dei, right, show their hogs during the competition.

Barb Schulz leads an animal back into the barn as Terry Schaub gives a helping hand. Terry is one of the Kewaskum Dairy Club leaders.

As the Washington County Fair drew to an end, so did many projects owned by Kewaskum FFA members. Livestock projects including steers and hogs, many of which began back in December of 1981, were sold either at the fair meat animal auction or by private treaty.

Judging of the meat animals began on Thursday morning, July 22. Kewaskum members that exhibited hog projects were John Nowak, Brian Jung, Dan

Jung, Tony Matenaer, Daryll Pufahl, Brian Ruplinger, Brenda Kempf, Laura Kirchner, Kevin Rodenkirch, Jon Etta and Brian Pamperin. FFA members that showed beef steers were Kevin Thull, Gary Butzlaff, John Schmitt, Quinn Mueller and Jeff Schneider. Jon Etta also showed his registered Hereford calf during the beef show.

The Kewaskum FFA livestock exhibitors were again successful in bringing back many first

and second place ribbons. John Schmitt received reserve champion honors with his Angus cross steer and Quinn Mueller won the grand champion rate of gain for steer with a 3.27 pounds of gain per day average. The beef exhibitors also received second place for herdmanship and neat, attractive decorations. Brenda Kempf received reserve champion rate of gain in hogs with a 2.4 pounds per day average.

Though livestock represents the bulk of Kewaskum FFA members projects for the fair, Barb Schulz and Mike Schulz represented the FFA in dairy competition. The Kewaskum Dairy Club also took second place in the herdmanship competition.

Harvey Barber rounded out the diversity within the FFA showing his rabbit project. With the tough competition in all phases of the fair, Kewaskum FFA members came away with

a valuable learning experience.

**PIANO WORKSHOP** — Students Steve Gergetz, Farmington, and Peter Billman, West Bend, concentrated as instructor Karen Pautz led them through a piano piece at a piano workshop held at UWWC last week.

The University of Wisconsin Center in West Bend and the Moraine Area Private Music Teacher's Association completed their first piano workshop for middle school students on Friday, August 6. Twenty students from Washington and Ozaukee County participated in the 8:30-11:40 a.m. classes.

Students and teachers worked in small groups and studied music theory, eurythmics, harpsicord and ornamentation, and performed in ensembles and singing groups.

Instructors for the week-long clinic included Judy Mitchell, Anna Asch, Judy Lewis, Karen Pautz, Eileen Schmiege, Donna

Johnson, and Barbara Froelich. Friday's session ended with a recital program for students and guests.

Due to the success of this year's workshop, another is being planned for August, 1983. Anyone interested in learning more about this program should contact Anna Asch, 338-5226.

## 75 Years Ago

August 10, 1907

The committee on arrangements for the Kewaskum Homecoming celebration are pleased to announce that Honorable Sherburn M. Becker, mayor of the city of Milwaukee, has consented to come and deliver an address here on homecoming day August 25. The homecoming club of Milwaukee, of which assistant district attorney A. C. Backus is president, will also attend. The program for the day has been arranged as follows: 10 to 12 a.m., reception of visitors; 1 p.m., parade to North Side Park; 2 p.m. welcome address by President L. D. Guth followed by addresses by Mayor Becker and other prominent citizens of Milwaukee; 3 p.m., athletic games for prizes, such as foot races, wheelbarrow race, egg race, bag race, three-legged race, pole climbing and tug of war between Milwaukee and Kewaskum. Concerts by the Kewaskum and Campbellsport brass bands will also be held with-in the park hall in the afternoon and evening. There will also be a brilliant display of fireworks in the evening.

Oppenorth and Sons are now finishing up the brick work on the new Rosenheimer warehouse here.

H. W. Schnurr is building a new up-to-date dray wagon for L. Rosenheimer.

Monday, August 16 — Pork steak, mashed potatoes and gravy, corn, applesauce, roll and butter, tapioca pudding, milk and coffee.

Tuesday, August 17 — Beef stew with potatoes, mixed vegetables, tossed salad with dressing, roll and butter, cupcake, milk and coffee.

Thursday, August 19 — Baked hamburger, au gratin potatoes, stewed tomatoes, cole slaw, roll and butter, watermelon, milk and coffee.

Ceramics every third Tuesday.

**FOND DU LAC COUNTY NUTRITION PROGRAM FOR THE ELDERLY**  
Campbellsport Community Center

Monday, August 16 — Shepherd's pie, boiled potatoes w/onions, stewed cabbage, lettuce, watermelon.

Tuesday, August 17 — Rib roast, mashed potatoes, green beans, jello salad, apple pie.

Wednesday, August 18 — Turkey chop suey, rice, carrot "pennies"; 3 bean salad, cornmeal buns, rhubarb crisp.

Thursday, August 19 — Wieners, potato salad, baked beans, lettuce, buns, cantaloupe.

Friday, August 20 — Fried cod, French fries, corn, cucumber salad & tomato, ice cream/cookies.

Coffee, milk, bread, butter are served with meals.

## 30 Years Ago 50 Years Ago

August 8, 1952

The first poliomyelitis case of the year in this area was reported on Tuesday when an eight-year-old village boy was stricken with the disease. The youth is confined to St. Joseph's Hospital in West Bend.

Edward P. "Tippy" Bassil, 57, of this village was killed when he was struck by a car on August 7 in front of the H. J. Lay Lumber Company office building on Main Street, Kewaskum.

Miss Dorothy Butzlaff, daughter of Mr. and Mrs. Walter Butzlaff, Route 2, Kewaskum, became the bride of Ralph Duffrin, Route 1, Theresa, on August 2.

The Rev. R. W. Groth officiated at the nuptial ceremony in the Peace Evangelical Church, Kewaskum, on August 2, which united Miss Edna L. Schaefer, daughter of Mr. and Mrs. Edward Schaefer, Kewaskum, and Arthur A. Seperisky, Route 3, West Bend.

Pfc. Arlyn Schmitt, son of Mr. and Mrs. John Schmitt, Kewaskum, who is serving in Japan, has been promoted to the rank of corporal.

Daughters were born to Mr. and Mrs. Thomas Green, Kewaskum, on August 3, and to Mr. and Mrs. Joseph Gruber, Kewaskum, on July 30. Sons were born to Mr. and Mrs. Bruce Petri, Kewaskum, on August 5, and to Mr. and Mrs. Eldon Ebert, Campbellsport, on July 31.

August 19, 1932

Fire early Tuesday morning completely destroyed the farm residence together with all household furniture on the Wendt Bros. farm, better known as the Julius Geier or John Engler farm, 3 1/2 miles northeast of Kewaskum. The occupants of the residence were Eirna Inkman and family. Cause of the fire will remain unknown. The Inkman family had a very close call of being caught in the flames and were forced to escape with only what clothes they could grab.

The chapel of the St. Francis of Assisi Convent, St. Francis, Wisconsin, was the scene of a very impressive ceremony August 12, when 25 novices pronounced their first vows and 18 sisters pronounced their perpetual vows. Sr. Mary Aquin, remembered here as Isabella Miller, was one of the novices who pronounced her first vows, poverty, chastity and

obedience for one year.

Rev. Joseph F. Beyer of St. Michaels and Rev. Phillip J. Vogt of Kewaskum were at Mt. Calvary on Wednesday where they attended the diamond jubilee celebration of St. Lawrence College. Rev. Beyer, who is president of the Alumni Association, was sub-deacon at the Pontifical High Mass.

Tuesday night, shortly before midnight, two bandits entered the soft drink parlors of Tom Franey at Elmore, and commanded all within to "stick 'em up, this is a hold-up." The two bandits, who entered with drawn revolvers took approximately \$40 from the cash register and secured about \$150 from Franey and \$28 from Edward Tolzman of Lomira, a customer.

The infant daughter of Rev. and Mrs. Gerhard Kaniess was baptized last Sunday morning and received the name of Jeanette Vanessa Anna. The sponsors were Mrs. Lester Hansen, Mrs. Gustav Kaniess and Walter Krahn.

## Kettle Moraine Lutheran High School Receives \$4,000 Grant

Kettle Moraine Lutheran High School, Jackson, has received a \$4,000 grant for the 1982-83 school year from Aid Association for Lutherans (AAL), a fraternal benefit society based in Appleton, Wisconsin.

The money will be used to subsidize tuition and related expenses for 15 teachers seeking advanced degrees and career development and to obtain a computer for students enrolled in math and science courses.

The grant is part of AAL's Lutheran High School Enrichment Program which provides more than \$400,000 annually for 88 Lutheran high schools. AAL administers many other educational support programs which annually provide more than \$4 million to students and the schools they attend.

"In addition to individual grants to Lutheran high schools, AAL support is being developed for projects that benefit all Lutheran secondary schools," said Art Kentopp, administrator of AAL's high school grants. "For instance, we're supporting one project to enhance the already capable skills of Lutheran high school administrators and another to develop the use of microcomputers by students and administrators alike."

Developing computer courses for students was the most popular use for AAL Lutheran high school enrichment grants last year. The funds also were used to help teachers seeking advanced degrees and other professional development, to fund development costs for new or expanded educational programs and constituent relations. How the funds are used is determined entirely by local school administrators.

Students and faculty members at Kettle Moraine Lutheran High School received a \$3,500 AAL Lutheran High School Enrichment grant during the 1981-82 school year.

In addition, AAL Local Branch 53, Hartford, coordinated a Co-op project that raised \$2,545 for band materials and branch 3993, Menomonee Falls, coordinated a Co-op project that raised \$2,121 for weight room equipment.

There are approximately 235,000 AAL members living in Wisconsin.

The number of milk cows on Wisconsin farms in 1981 averaged 1,825,000, 10,000 above the 1980 number.

## Farmers Warned About Soil Erosion

Soil erosion has become such a serious problem nationwide, that the new Washington Chief of the Soil Conservation Service, Peter C. Myers, is touring the country to convince farmers everywhere that they must take quick action: They must get soil conservation practices on the land - and right now.

Chief Myers visited the State SCS Office in Madison on June 16. He charged the SCS employees in Wisconsin with the responsibility of contacting those farmers who are having serious erosion problems, and assisting them to solve those problems. At a press conference he also asked the media to assist in getting the word out to the public about the serious soil erosion problem.

Without voluntary participation by farmers, the state legislature, acting in the public interest has a responsibility to see that erosion problems which jeopardize the agricultural base in Wisconsin be addressed. Myers hopes legislative action won't be necessary.

In Wisconsin alone, more than 63 million tons of soil are moved each year by water and by wind. Row crops, with bare land between rows and between plants, are one major reason for this soil movement. That's why Chief Myers is pushing hard to get some cover on that bare soil. He's advocating landowners and operators use a conservation tillage method. In fact, he said almost all farmers could use some form of conservation tillage, with no-till being the ultimate. "If they'd all do that, we'd have a big share of soil erosion controlled in a hurry," said Myers during his press conference. He feels very strongly that conservation tillage "is the number one way, the quickest way, and most cost efficient way to combat soil erosion and help improve water quality."

After the press conference, Myers and key leaders visited several farms viewing terraces, fields and conservation tillage (including one field of soybeans planted directly into sod), waterways, and stripcropping systems.

Following the tour, the group was joined by several local farmers for lunch after which a lively discussion ensued about the State and U.S. Government's roles in solving erosion and water quality problems - some wanting less government involvement, others wanting more.

Myers stressed the need for agency cooperation in helping to solve these erosion and water quality problems. All agencies presently working to slow down soil erosion and water pollution

must work together - not separately.

And, according to Myers, it is crucial that all farmers take a good hard look at what's happening on their farms. "When our soil resource is gone, so is our economy. More than one civilization has gone under because they depleted their soil," said Myers.

"If the present rate of soil loss continues, there won't be any food to export, let alone food to feed our own people in the next 100 to 200 years," concluded the Chief.

## Class in Energy Efficient Homes Offered by MPTI

Moraine Park Technical Institute will offer a four week class in "Energy Efficient Dwellings" beginning Tuesday, September 7. Energy efficient homes designer Elmer Schmitz will meet with students from 7-8:50 p.m. at West Bend High School. Instruction will include definitions of the numerous energy and energy efficiency terms: discussion of the types of active and passive solar homes; and explanation of "R" and "U" values, insulation, the contribution of walls, ceilings, and windows to heat loss, window thermal shades and shutters and air infiltration. Students will tour solar homes and discuss making their existing homes more efficient.

Students may pre-register for this course by calling 334-0909. The course fee of \$4.85 is payable at the first class meeting.

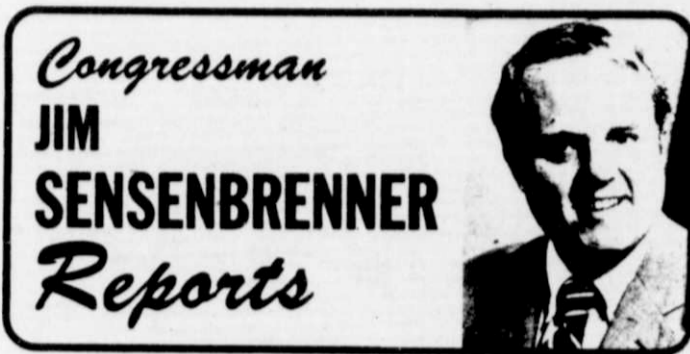

All registrations are accepted on a first-come first-serve basis.

## Checker-Cashier Course at MPTI

Would you like to prepare for a job as a checker-cashier? By enrolling in Moraine Park Technical Institute's Checker-Cashier course, you can learn how to operate a cash register accurately, handle money appropriately, carry on a multitude of store procedures, and treat customers courteously.

MPTI is offering two classes covering these essential skills this fall. The Monday evening class begins August 23 at 7:00 p.m. and meets for seven weeks. The second class meets on Tuesday and Thursday afternoons from 4:00-5:40 beginning August 24 and running for six weeks. The course fee for either is \$16.30, payable at the first class meeting.

Students may pre-register by calling 334-0909. All registrations are accepted on a first-come, first-served basis.

## Ninth District Supports Balanced Budget

I am pleased to report that over 20,000 families around the Ninth District responded to my fourth annual public opinion survey on national issues. The results are interesting, and show the people of the district hold strong views on many issues. Here are some of the returns.

**Balanced Budget Amendment.** The idea of a constitutional amendment to require a balanced federal budget, except in times of war or emergency, was supported overwhelmingly on a 76%-24% margin. As for how to achieve a balanced budget, those answering the survey favored doing so through further reductions in federal spending, by a 82%-8% margin. Only 20% supported tax increases to balance the budget.

**Federal Spending Programs.** For the second time, I asked the people to indicate how they would treat several federal programs, with more, less, or the same amount of tax dollars. Only one program - synthetic fuels - was supported for more funding. On the other hand, the programs singled out for funding cuts included foreign aid (81%), food stamps (71%), postal service subsidies (66%), arts support (64%), pre-school education and daycare (54%), dairy price supports (50%), student loans (49%), aid to education (46%), and amtrack subsidies (44%).

The respondents were very near equally divided on funding for public works jobs, defense programs, public broadcasting, low-income housing, home loan subsidies, business loan subsidies, and the space program.

The most significant change from last year's survey results was the drop in support for defense spending. Support for more funds for defense fell from 54% to 24% over the last year, a definite shift in opinion.

**Social Issues.** Strong conservative values in the Ninth District were shown on several social policy issue questions. Federal funds for abortion on demand were opposed by 82%, forced school busing was

opposed by 94%, mandatory minimum sentences for handgun crimes were favored by 91%, and curbs on immigrants and refugees to the U.S. were favored by 83%.

President Reagan's "New Federalism" program was supported by 80%, but his proposed withholding tax on savings interest and dividends was opposed by 85%. All in all, the results were interesting and helpful. My thanks to all who took the time to respond to the survey.

## Small Engine Repair Offered at MPTI

Small Engine Repair will begin Tuesday, September 7, at 7:00 and will run for 14 weeks at Moraine Park Technical Institute, West Bend. Students will learn repair procedures for both four and two cycle engines. Diagnosis, inspection and repair of engines, including machine work, value grinding, boring, honing, replacement of parts, repair of parts, trouble shooting, cost estimate and service procedures are presented.

Students may pre-register by calling 334-0909. All registrations are accepted on a first-come first-serve basis. The \$38.60 course fee is payable at the first class meeting.

One out of every two households in the United States has a pet.

**Electric Co. Launches Program to Educate Customers About Dangerous Hot Tap Water**

Even in the safest homes you can find a dangerous - possibly deadly - substance.

What is it?

Hot tap water.

Every year, more than 2,600 people across the nation are severely scalded by ordinary tap water. Some die. Most are young children, but the elderly and disabled are also victims.

In an effort to avoid such needless burn injuries, Wisconsin Electric Power Co. has launched a program to educate its customers about dangerously hot tap water, and is offering free thermometers for checking water temperatures. The liquid crystal thermometers were developed by Wisconsin Electric especially for this purpose.

The thermometers would help customers avoid getting "burned" both physically and economically, because water hot enough to burn is probably causing higher than necessary energy bills.

"At 140 degrees Fahrenheit, tap water can cause third degree burns in five seconds; at 150 degree, in less than two seconds," said Dr. Erwin Huston, medical director at Wisconsin Electric. "Yet this is where many water heaters are pre-set by the factory. We're recommending that customers set their water heaters at 120 degrees is much safer. It would take a full 10 minutes to cause a serious burn, plus lower temperatures help conserve energy and help keep energy bills down."

Water heater thermostats are not always accurate, Huston noted. Also, many water heaters simply have settings of "high," "medium" and "low," which give no clue to the actual temperature of the water.

Reducing water heater settings from 140 degrees to 120 degrees could save customers 15 percent of their water heating costs, according to the utility.

A coupon for the free thermometers will be included with bills being sent to the company's 800,000 customers in August, or the thermometers can be obtained by calling (414) 277-3311. The company also is making the coupons available through doctors and community

agencies.

In addition to the thermometer, customers will receive a brochure offering hot water safety tips, energy saving advice and information on how to lower the temperature and extend the life of a water heater.

Directions on use of the thermometer will also be available in Spanish.

**Count on the Classifieds to Do the Job**

**In The Service**

Navy Electrician's Mate Firemen Christopher E. Lange, son of Pamela Lange of Route 1, Box 109D, Campbellsport, Wis., recently returned from a development to the Western Pacific and the Indian Ocean.

He is a crewmember aboard the frigate USS Robert E. Peary, homeported in Pearl Harbor, Hawaii.

During the five-month development, his ship participated in various training exercises with other 7th Fleet ships and those of allied nations. The Peary operated as part of the USS John F. Kennedy Battle Group while deployed in the Indian Ocean.

Port visits were made to several cities in Australia, and to American Samoa, Fiji, Kenya and the Philippines.

The Peary is 438 feet long and

normally carries a crew of 245. It is armed with guns, missiles and anti-submarine torpedoes.

....

Airman 1st Class John W. Bauman, son of Allen J. and Lorriane R. Bauman of 350 Ladwig St., Campbellsport, has participated in an Air Force Strategic Air Command (SAC) exercise called Global Shield 82.

Bauman, a security specialist with the 379th Security Police Squadron at Wurtsmith Air Force Base, Mich., joined others from all SAC units in the United States and selected Air Force Reserve and Air National Guard units to take part in command post and field training exercises. Global Shield 82

was the fourth such exercise held by the command in as many years. It was designed to enhance readiness and the ability of the command to carry out orders which support U.S. national policy, should deterrence fail.

Components of the U.S. Navy and Marine Corps, as well as elements of the Canadian forces, also participated in the exercise.

Polish tarnished silver in a twinkling. Line a large pot with aluminum foil. Add three tablespoons baking soda for each quart of water. Bring to near boil. Drop in silver and let stand until bright. Silver must touch foil.

**ARE YOU POURING MONEY DOWN THE DRAIN?**

Your hot, running water could be running into money.

That's because most water heaters are set at 140°F or more. At that temperature, you could be using up to 15% more energy than necessary.

Lowering the temperature to 120° could lower your energy bills, and still leave you enough water for most household uses.

Water heater thermostats aren't always accurate, so Wisconsin Electric has developed a special thermometer to check your water temperature. It's free by calling

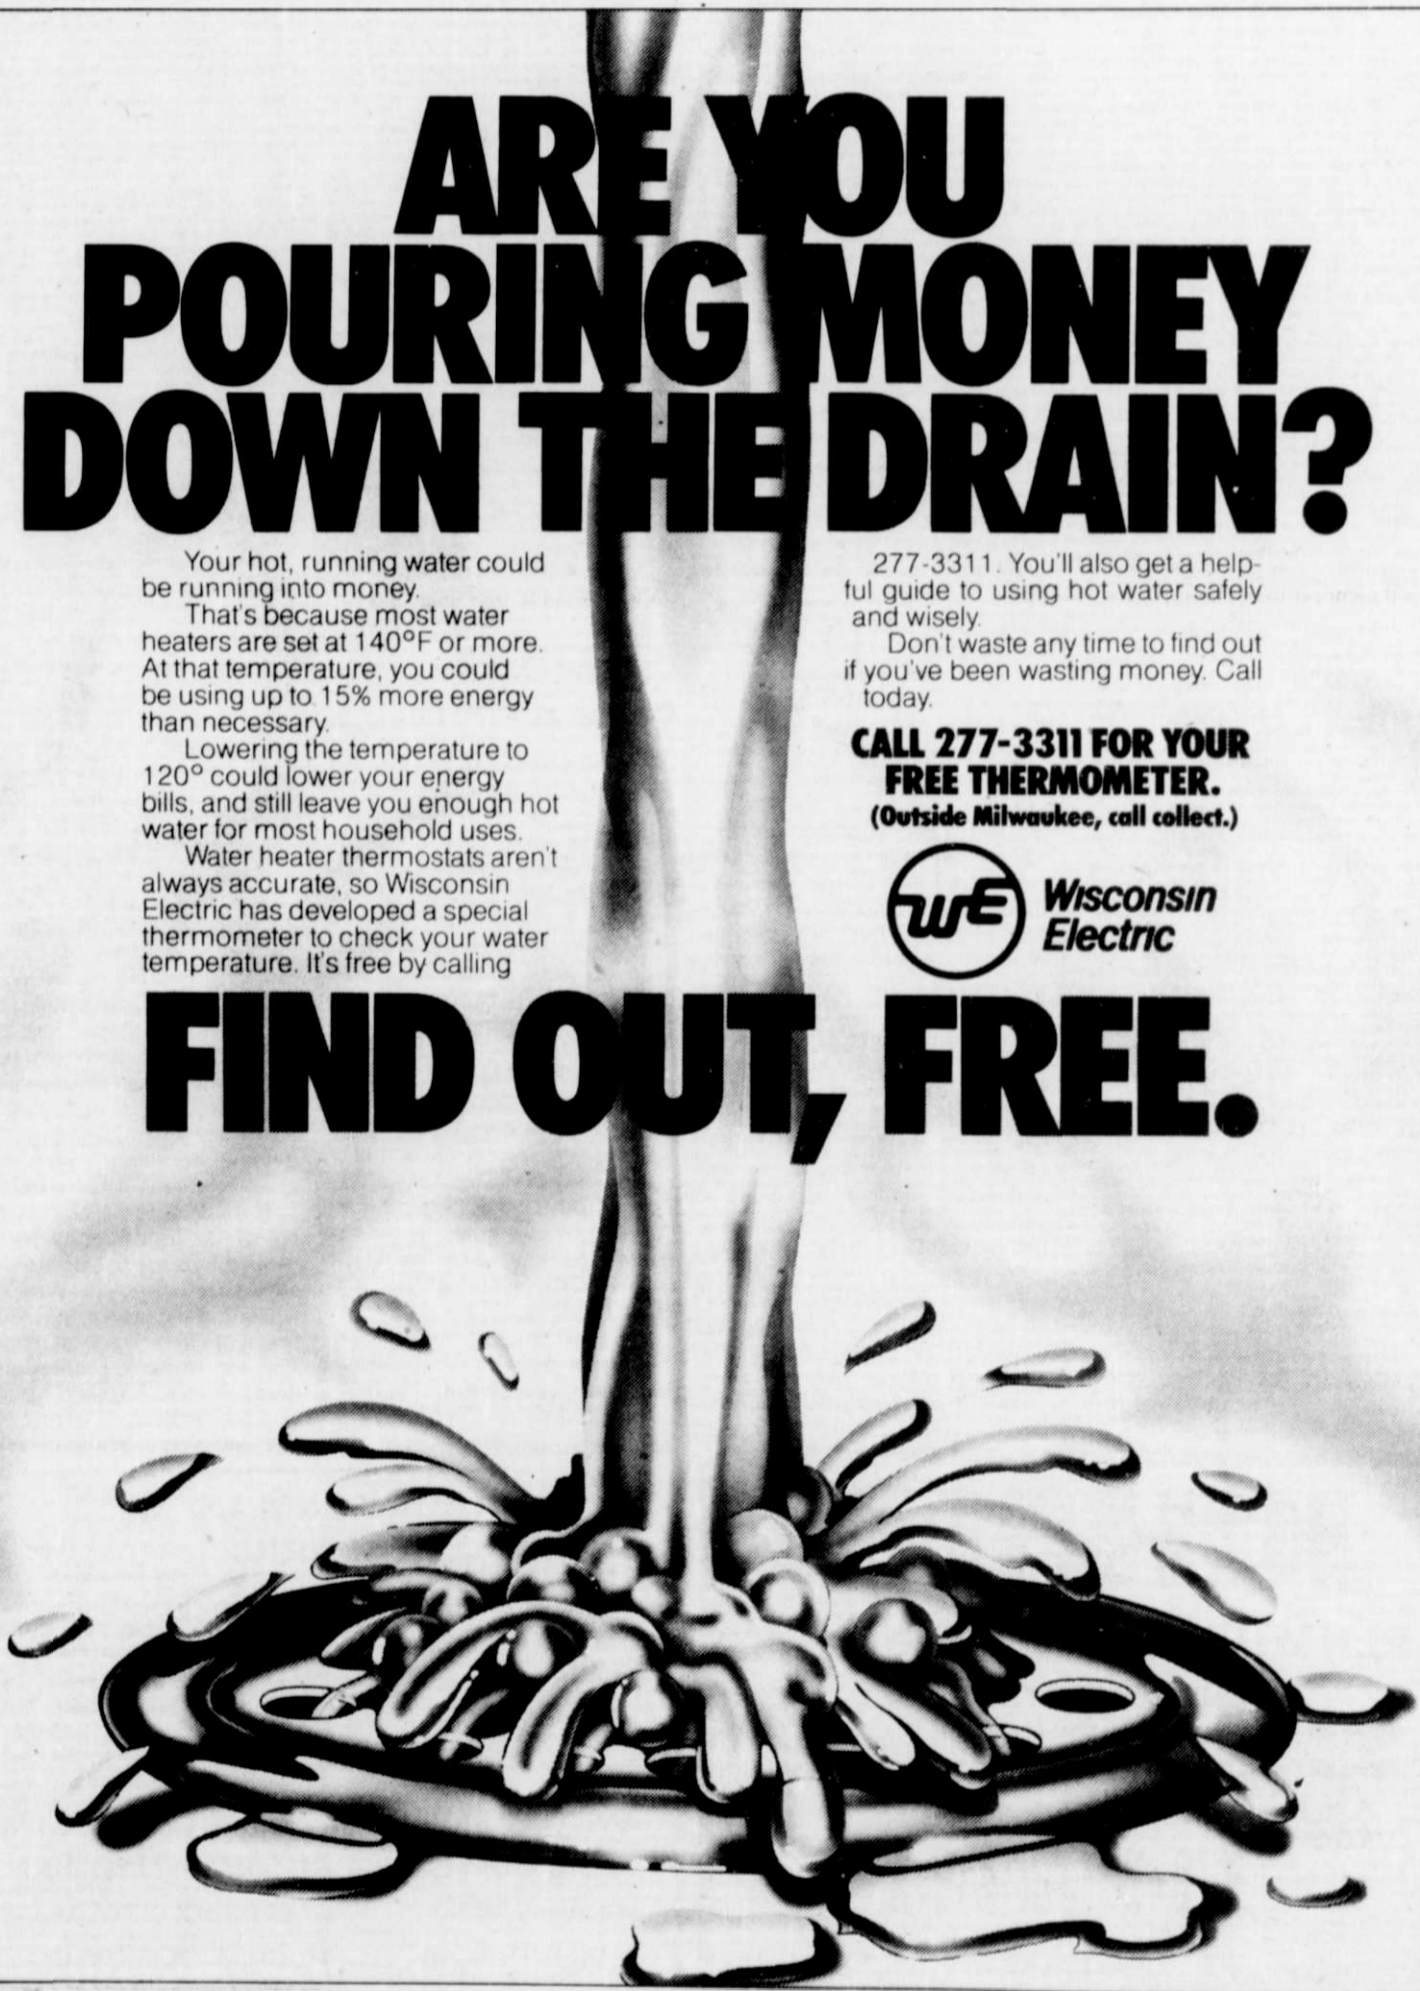

277-3311. You'll also get a helpful guide to using hot water safely and wisely.

Don't waste any time to find out if you've been wasting money. Call today.

## County Hosts Southeast Wisconsin Conservation Tour

Kewaskum Statesman, Friday, August 13, 1982, Page 15

CONSERVATION TOUR — Looking over Robert Nehm manure storage pit.

Soil conservation officials from the seven county southeast Wisconsin area gathered in West Bend on July 28, to tour a variety of conservation practices installed around Big Cedar

Lake. Practices highlighted were installed during the past 3 years under the Cedar Lake watershed clean-up project. Urban as well as agricultural pollution problems were point-

ed out.

Erosion control practices were viewed at the Joe Kedinger farm, Eugene Simon farm and Peter Hembel farm. These practices included contour farming, contour stripcropping, grass waterways, terraces, and rock lined waterways.

Water pollution control practices were toured on the Robert Nehm farm and Norman Spiel farm. Manure storage structures to hold animal waste over the winter months were built on both farms. Manure will be spread in spring and fall when it can be incorporated into the soil immediately without causing a pollution hazard.

Other areas toured were wildlife, tree and shrub planting on Big Cedar Lake property, and also a well planned and constructed subdivision road in Tohoma Hills subdivision. Over-fertilization of subdivision home lawns and failing septic systems have also added to the lakes pollution problems.

The last stop of the day was a very informative and interesting tour of the Cedar Lake Home Campus. Rev. Louis Riesch led the tour of wildlife, environmental and landscape practices, including tree and shrub plantings, pond construction and the Home's prairie area and outdoor sanctuary.

The tour was hosted by Washington County's Land Conservation Committee (formerly the Soil and Water Conservation District Supervisors).

### Kieckhafer Appointed To UW Board

The University of Wisconsin Board of Regents has confirmed the appointment of Allan C. Kieckhafer, West Bend, to the University of Wisconsin Center System Board of Visitors. Kieckhafer will represent UWC-Washington County on the board.

As one member of the 13-member advisory group, Kieckhafer will act as counsel to Center System administrators in communication with students, faculty, prospective students and parents and the community in general. Board members, who serve three-year terms, also act as a sounding board for the system chancellor. According to the group's by-laws, the board may also carry on investigations of its own initiative on matters of interest to the Center System and make recommendation on its findings to the chancellor, UW Board of Regents and other university administrators.

Allan Kieckhafer, 818 Crestview Drive, West Bend, is current Manager of Community Relations of the West Bend Company. He is President of the UWC-Washington County University Council, and serves on the Board of Directors of the United Way of Greater West Bend, the Executive Board of the Bay Lakes Council of the Boy Scouts of America, and the Executive Board of the Ninth District Republican Party and the Washington County Republican Party. Kieckhafer is also an Ambassador for the

West Bend Chamber of Commerce, a member of the St. Joseph's Community Hospital Capital Development Fund Committee, and a member of the West Bend Rotary Club. He is a graduate of the U.S. Naval Reserve Midshipman School at Columbia University, holds a B.A. from Beloit College and Bachelor of Business Administration from UW-Madison.

Kieckhafer replaces Glenn Miller, who is retiring from the board.

Other new members of the Board and the Centers they represent include: James Boehm (Marshfield), Russell Brown (Rice Lake), and Lloyd Hornbostel (Janesville).

### County Residents Presented Century Farm and Home Awards at State Fair

The highlight of the 1982 State Fair for 165 Wisconsin families was on Wednesday, August 11, when they received "Century Farm and Home" awards. Each was presented with a metal plaque commemorating 100 years of continued ownership of the farm by that same family. The program and breakfast buffet was sponsored by Hillshire Farm Company of New London, Wisconsin, the nation's largest producer of natural casing smoked sausage.

Alice in Dairyland, Dorothy Farrell, and Fairest of the Fair, Kay Mathys, were present to greet the new "Century Farm" recipients. Hillshire Farm's founder and Chairman Fritz Bernegger, and President Gary Bernegger gave each guest a special welcome.

The 1982 award recipients are

a cross section of Wisconsin farm families representing 50 different counties. To qualify for the 1982 awards, the 100th anniversary of ownership has to come prior to December 31. This means the family owned the property during the year 1882.

This year's program marked the 7th year Hillshire Farm Company has sponsored the Century Farm and Home Awards at the Wisconsin State Fair. Through this Century Farm awards program Hillshire Farm recognizes and supports family farm ownership and operation.

Century Farm and Home Award recipients from Washington County included: Howard O. Buth, 2180 Hwy. K, Hartford, Carroll M. and Marcella F. Hembel, 4755 N. Mayfield Rd., West Bend, and David and Anne Wenninger, 5191 Hwy. 175, Hartford.

## LETTERS TO THE EDITOR...

A MESSAGE FROM  
CLARENCE A. SCHWARTZ  
Washington County Sheriff

When summer rolls around so does a very common law enforcement problem. Warm weather and the children out of school shows a dramatic increase in the operation of mini-bikes, go-carts, dirt bikes and a variety of other all-terrain vehicles, often on the highway or on private property. When these vehicles are operated on the highway or on private property, not only is there a law enforcement problem but also danger to the young riders. Here they not only jeopardize themselves but disrupt the peace and safety of all the County residents and visitors.

Too often this problem goes unchecked unless a tragedy puts an end to the young rider's adventurous trip. Sheriff's Deputies have always had difficulty enforcing the laws in this area because of the rider's easy ability to flee cross country. Well-informed parents who care have long been the only true deterrent to this problem.

Wisconsin law for offenders under 16 years of age provides considerably less of a penalty than it does for their older counterparts. In most cases, they are just "warned" and turned over to their parents, who are expected to take the necessary steps to see that the problem does not reoccur. Most of the violations that Sheriff's Deputies encounter in regard to off-road vehicles are not to be taken lightly. A single incident usually involves numerous violations, and in most all cases the fine for each violation is up to \$200.00.

Repeated encounters with people involved in illegal operation of off-road vehicles has shown that they have been poorly informed in regards to the law. However, in respect to these particular laws, ignorance or even having no intent to commit the violation is no defense in court.

So it is important to note the following vehicles of this type, as with all vehicles, must be properly registered and operated by a licensed driver when upon any portion of the highway. Some of these vehicles cannot be registered and hence cannot be operated on the highway at all. Naturally, persons under 16 years of age cannot obtain a license to operate any motor vehicle on the highway. Also, for the purposes of the law, the highway includes the shoulders, the ditches, and any other portions of the right-of-way.

State law also prohibits the operation of vehicles designed for off-road use to be operated on the private property of another without permission, and further prohibits their operation on the enclosed or cultivated property of another without permission. Looking at these aspects of the law, the only areas for these bikes to be ridden are on your own property, or on the property of someone else with permission from the owner of that property.

In addition, all the laws that apply to the operation of conventional vehicles also apply to off-road vehicles operated on the highways. This includes, but is not limited to, the equipment required - such as mufflers, mirrors, lights,

helmets and eye protection - as well as laws designating lane of travel, speed and operating under the influence. Vehicle must have registration plates.

There is also a wide selection of traffic laws which apply to the owners of vehicles as well as the drivers. Owners can be issued traffic citations for allowing unlicensed drivers of their unregistered vehicles to be operated on the highway. Owners can also be charged with any violation related to equipment on the vehicle they own. Because of these provisions and the lesser penalties for young offenders, parents who don't properly supervise their children's operation of a motor vehicle could find the law placing a bigger penalty on them than on their children.

Clarence A. Schwartz,  
Washington County

### Schedule Fall Home Economics Courses at MPTI

Homemakers will find sewing classes of particular interest, with the importance of cutting corners today. For the beginner sewer, Clothing I meets on Monday nights beginning September 13 for ten weeks. Students will learn how to operate a sewing machine and all the basics necessary for completing a simple garment.

Whether you're beginning or experienced, the Clothing Workshops offered either Tuesday evenings or Thursday mornings can provide you with personalized instruction geared to your needs. The course provides instruction in beginning sewing, pattern fitting and alterations, decorative techniques, sport jackets and trousers or any project you have in mind. A separate class will offer instruction in Women's Suits/Blazers beginning September 13 and running for eight weeks.

Drapery and Bedspreads covers the different styles and construction of bedspreads, the choice of fabric, determining the size and yardage needed, the actual construction and finishing edges and pillows. The course begins September 30 at 7:00 p.m. and runs for seven weeks.

Why not see how vocational education fits into your home-making picture? Call 334-0909 for information on any of the above or other courses being offered this fall at MPTI.

### County 4-H Members To Participate At Wisconsin State Fair

By: Bob Stodola  
4-H & Youth Agent  
West Bend, WI

Several Washington County 4-H members were selected to participate at the Wisconsin State Fair. They are either participating in person in some of the activities or have some of their articles selected for exhibit.

Lori Prochnow of the Badger Boosters 4-H club of West Bend was selected to present her demonstration. Ellen Hetebrueg of the Myraneeers 4-H club of West Bend and Renee Schneider of the Happy-Go-Lucky 4-H club of Fredonia will be participating in the clothing revue.

Some members had articles selected at the county fair to be exhibited at the state fair. They are as follows:

**CLOTHING EXHIBITS:** Jane Awve, Mary Jo Hupfer, Chris Shield and Dawn Marie Schmidt of West Bend; Heidi Belger and Jeri Friedman of Kewaskum; Corene Schroeder of Hartford; Amy Sekas and Shelly Sekas of Campbellsport.

**KNITTING:** Christa Pamperin of Allenton and Lori Prochnow of West Bend.

**CROCHETING:** Mary Jo Hupfer, Julie Rodell, Chris Shield of West Bend; Marilyn Moldenhauer of Slinger and Amy Sekas of Campbellsport.

**HOME FURNISHINGS:** Diane Buckmann and Lori Prochnow of West Bend; Marilyn Moldenhauer of Slinger and Corene Schroeder of Hartford.

**CHILD CARE:** Sarah Strupp of Hartford.

**AEROSPACE:** Tom Spors of West Bend.

**HANDYMAN:** Jon Etta, Monica Nehm and David Prochnow of West Bend.

**WOODWORKING:** Tony Alsberg, Joe Esselman, Heather Habersetzer, Sarah Beth Kist and Mark Wundrock of West Bend; Robby Beisenstein of Hartford, and Jim Doll of Allenton.

**ARTS AND CRAFTS:** Cheryl Burkhalter of Allenton; Kathy Fick of Slinger; Sue Lemke, Ross Nehm and Robert Strehlow of West Bend; Evelyn Mayer of Richfield and Stephanie Montag of Hartford.

4-H is an opportunity to learn the skills needed to make things for yourself. It is also an

opportunity to have your article exhibited in public such as County and State Fairs. 4-H is open to youth between the ages of 8 and 18. Contact a local 4-H club or the county 4-H office for more information.

### Nuisance Insects Abound in Area

By: Dan Wilson  
Horticulture/Resource Agent  
UW-Extension, West Bend

Three insects that don't cause much destruction but are certainly a nuisance, have invaded the Kewaskum area. The three culprits include picnic beetles, strawberry root weevils and earwigs.

Picnic beetles are small, black, hard shelled beetles which have tiny yellow to pink spots on their backs. They are usually found in raspberries, tomatoes and sweet corn in the garden. However, with their high numbers this year, they often interfere with both outdoor and indoor living areas by landing on food or in drinks while picnicing or squeezing their way through screens to get indoors.

Since picnic beetles are usually after the same foods you are, it is almost impossible to spray to control them. Instead, use a attractant recipe to trap them. Mix three quarts water, two parts dark corn syrup and one ounce of yeast together making a sweet, sticky brew. Then pour about two to three inches of the liquid into wide mouthed cans or other containers and place the containers at twenty foot intervals around areas to be protected. You'll soon have a can full of picnic

beetles.

Strawberry root weevils are usually found in high numbers on south or west facing outside walls which act as heat sinks and thus attract these insects. The root weevil is sometimes a garden or woody ornamental pest but rarely causes much plant damage. It is about one eighth to one quarter inch long, brownish-grey in color with a short "snout" on a small head and a rather large body.

It is difficult to control strawberry root weevils with insecticides. Therefore, the major control is to exclude them from getting into the house. Make sure your house is well caulked around windows, doors, overhangs and where your siding meets the basement wall. Windows and doors should also be weather stripped. There is an additional benefit in making your house "insect tight," you will also make it more energy efficient!

Finally, for the first time in many years, several outbreaks of earwigs have moved into Washington County. These beetle-like insects are about three eighths to one half inch long, brown in color and have prominent forceps or hooks at the rear end of the body. Found in the same areas as the strawberry root weevils, they are mainly troublesome by getting into the house although they may eat other insects and plants. Contrary to popular belief, they do not attack people's ears.

Exclusion from the house is your first line of attack. Other controls include using a soap spray such as Safer's Insecticidal Soap or the insecticide Sevin.

"Ride a Bike — Stay in Shape"

Pictured is Bernice Popelka, West Bend, Kettle Moraine Audubon Society president, with a loosestrife clump which was found east of Columbus on Route 60. It weighed about 15 pounds.

The Kettle Moraine Audubon Society of Washington, Dodge and Waukesha Counties is conducting a statewide campaign to alert Wisconsin citizens and businesses about the invasion of purple loosestrife (*Lythrum salicaria*), which is now blooming as clumps occasionally found along roadsides and in marshes.

The first company to agree to stop promoting this northern European invader sometimes used in gardens is L.L. Olds Seed Co. of Madison. K.M.A.S. president, Bernice Popelka, presented L.L. Olds Seed Co. president, R. Lang, Jr., with an honorary certificate for the

company's conscientious move. The plant grows in tall clumps 4 to 6 feet tall and produces bright pink-purple spires of blossoms in July and August. Each prolific plant produces hundreds of thousands of seeds, and the rhizomes spread and produce innumerable new plants each year.

"It is just beginning to appear in Wisconsin and can takeover marshy wetlands, prairies and pastures valuable to wildlife and cattle," said Popelka.

Regular Meeting  
August 2, 1982  
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in regular session in the Council Room of the Municipal Building, 204 First Street.

President Gerald Stollenwerk presided. All Trustee Members were present.

The minutes of the meeting of July 19, 1982, were approved as printed upon a motion by Trustee Richard Schmidt, seconded by Trustee Howard Laubenstein. Voice vote was unanimous.

Superintendent of the Wastewater Treatment plant asked the Board for permission to install a large water line to the building. The reason for the request is the lack of water pressure required to operate the equipment economically. The department will install the new 2" water line and the estimated footage is 40 feet. The related cost would be for material and the excavation.

On a motion by Trustee David Nigh, seconded by Trustee Paul Blumer and unanimously carried, the Board moved to install the 2" water line to the wastewater treatment facility.

On a motion by Trustee Paul Blumer, seconded by Trustee David Nigh and unanimously carried, the applications of Susan Ann Dillinger, Harry E. Roecker and Donald K. Ruplinger for Operator's (bar-tender's) Licenses were approved and the Commissioner was authorized to issue the proper licenses upon proper payment of required fee. The Police Department had no objections to the issuance of the licenses and the health reports were negative.

On a motion by Trustee Richard Schmidt, seconded by Trustee Donald Mlodzik and unanimously carried, the Board approved the building permit application for Strobel Oil Company, 134 Clinton Street. The

office was authorized to issue the proper permit for the construction of the storage shed, upon proper payment of fee. The building plans and application were approved by the State, Zoning Administrator and the Building Inspector.

Administrator Schmidt informed the Board of an election device meeting, scheduled for August 11, 1982, in the evening, at the Washington County Court House.

On a motion by Trustee Jeffrey Rohrer, seconded by Trustee Paul Blumer and unanimously carried, the Board approved the bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

Village Gen. Fund \$143,815.85  
Water Dept. Fund 1,797.75  
Sewage Dept. Fund 15,817.89

Trustee Donald Mlodzik, Chairman of the Public Works Committee, informed the Board that his committee was planning a meeting for sometime prior to the next Village Board meeting to look at the recycling matter and discuss the TIF engineering work. The time and date of the meeting to be announced.

Administrator Schmidt reviewed with the Board his findings in reference to the review of the appraisal firms that submitted proposals for the villages revaluation work. Several questions and points were addressed and revised proposals were discussed. It was noted that after the estimated extras would be added to the base bids that Bowmar Appraisal Inc., from Appleton, Wisconsin, would be the lowest bidder at approximately \$15,540.00. (Using all the same figures Appraisal Service Company, from Eau Claire, Wisconsin, would have an approximate bid of \$15,644.50). It was noted the next 2 bids were both at \$17,500.00. It was also noted that Bowmar's references were very good, the number of years

experience was the most substantial and that the firm is well liked by many communities in the county and area.

On a motion by Trustee David Nigh, seconded by Trustee Jeffrey Rohrer and unanimously carried, the Board approved the hiring of Bowmar Appraisal Inc. of Appleton, Wisconsin. It was noted they did a good job for the village on the last revaluation and that they were the low bidder, with good credentials.

Motion was made by Trustee Richard Schmidt, seconded by Trustee Howard Laubenstein to adjourn to closed session under 19.85 (1) (g) of the Statutes to discuss the litigation by Ralph and Henriette Scott vs. the Village of Kewaskum, Washington County Circuit Court - Case No. 32568. Roll call vote was 7 "Aye," 0 "Nay." The motion was passed unanimously.

Signed  
Daniel S. Schmidt  
Administrator

FINAL REGISTRATION AT K-M LUTHERAN HIGH

Kettle Moraine Lutheran High School, 3399 Division Road, Jackson, will hold final registration for the 1982-83 school year the following dates:

Tuesday, August 17, from 1:00 - 4:00 and 6:30 - 8:30 p.m.

Wednesday, August 18, from 9:00 - 12:00 noon and 1:00 - 4:00 p.m.

Any questions regarding registration should be directed to the school at 677-3877 or 677-4051. School begins August 25.

**Annual Benefit  
Baseball Game for  
Retarded of County**

The 27th annual Benefit Baseball Game for the Washington County Association for Retarded Citizens will be held August 18 at 7:30 p.m. at Regner Park, West Bend. This year, the West Bend Lithias will be pitted against Barton in a contest that promises to be a real "hit."

Between innings, there will be a drawing for prizes donated by Steiner Electric, Amity Leather, The West Bend Co., Regal Ware, and other area businesses. Of course, refreshments as hot dogs, beer, pop and snacks will be available to complete your family "outing" of innings.

Tickets are \$1.25, and you may "catch" them at The Threshold 600 Rolfs Rd., West Bend, or at the Developmental Disabilities or Citizen Advocacy offices, 551 Silverbrook Dr., West Bend, or from ARC members in the Washington County area. Tickets will also be available at the game.

All proceeds will go to the Association for Retarded Citizens and help to promote and continue meaningful programs for the mentally retarded and developmentally disabled of the county. So, "pitch" in as a community to prevent the handicapped from "striking out."

**Schutte Appointed  
Superintendent of  
Pike Lake State Park**

Wayne E. Schutte, 33, has been appointed Superintendent of Pike Lake State Park, Washington County, according to Robert F. Winnie, Southeast District Director of the Department of Natural Resources.

Schutte's duties will include the supervision of the operation and maintenance activities at the 678 acre park as well as at the Cedarburg Bog State Scientific Area in Ozaukee County. He will also administer the Washington County Cooperative Fire Control Program.

Schutte received an Associate Degree in Conservation Technology from Fox Valley Technical Institute at Oshkosh. He started with the Department in 1969 as a Park Ranger at Devil's Lake State Park. He also worked as a Park Ranger at Peninsula State Park from 1970 to 1977 and at Buckhorn State Park from 1977 to 1979. Prior to his appointment, he was Park Superintendent at Council Grounds State Park for three years.

Schutte, his wife Linda, and two daughters will live on the property. He can be contacted by calling the Park Headquarters at (414) 644-5248.

**RACING RESULTS**

**Francis Creek, 141 Speedway  
Modified Div.**

For the first time this year, it was a "Clean Sweep" for Willie Goeden of Kewaskum. Goeden posted quick time, with an 11.925, won his 10 lap heat race, and won the 30 lap feature event on the asphalt track. The veteran of short track racing took the lead from pole-sitter, Randy Butler of Iron Ridge, on a restart, which was caused when debris was found on the track. (It was a safety precaution.) Two good local drivers, Dickie Berth of Cedar Grove, and Frankie Heimerl of West Bend, went out of the main event with engine problems.

E.W.S.C. point leader Ron Luedtke of Lomira, had worked his way to 5th on the restart and when the race resumed, picked off Billy "Schwartz" Johnson, Randy Tracy, and Randy Butler, to finish second.

The clean sweep for Goeden gave him enough points to move from fifth in the point standings to second over-all.

**Wis. International Raceway  
Kaukauna  
Late Model Div.**

Mike Melius of Random Lake and Willie Goeden, both qualified for the feature event on the half mile asphalt track. The feature was won by pole-sitter, Johnny "The Asphalt Cowboy" Ziegler of Madison, who duelled for the lead with Ted Musgrave of Grand Marsh.

Melius and Goeden finished the main event in 8th and 10th position, respectively, but due to the fact that Musgrave and third place finisher, Augie Derenne of Appleton were both underweight, according to the rules, they were disqualified. This moved Melius and Goeden up two spots in pay and four points. (Goeden had to start in the back of the 18 car field, because he won the feature last week.)

Tony Strupp of Slinger took his Nordic Farms Camaro for the victory lap, after he won the 15 lap Semi in the late model division.

**Capital Speedway  
Oregon  
Late Model**

Willie Goeden, of Kewaskum, qualified 9th out of a field of 52 cars, in his N.V.R. racing components 1982 Firebird. Goeden won the fast heat and was able to finish second in the main event, behind fast qualifier, Joe Shear of Beloit.

**Sheboygan Co. Fairgrounds  
Plymouth  
Modified Div.**

Out of a field of 36 modifieds, Randy Butler of Iron Ridge posted fast time. Lee Schmidt of Kewaskum picked up his first checkered flag of the season,

when he won his 10 lap modified heat on the quarter mile dirt track.

Gene Erdman of Sussen put his mod., which is owned by Glen Haddy of Mayville, into the winner's circle, when he won the 20 lap Semi Feature. Second in that event was a talented young rookie, 18-year-old, Mike Yurmanovich of Sheboygan. The main event was won by Ron Luedtke of Lomira, followed by Jack Kiel of Cato and "Schwartz" Johnson of Slinger.

Point Standings of E.W.S.C.: Ron Luedtke - 1317; Willie Goeden - 1165; Dickie Berth - 1128; Chuck Tuschl - 1110.

**Slinger Super Speedway  
Slinger**

Track point leader, Willie Goeden, was the fastest qualifier with an 11.957. Joel Laufer, of Hartford, won the 30 lap main event, with Goeden right on his back bumper for second position, followed by Rich Bickle of Edgerton; Al Shill of Franklin, and Johnny Ziegler of Madison.

Point Standings, up to date: Goeden - 1024, Laufer - 931; Morgan - 832; Strupp - 783; Eckert - 719.

**What Hunter's Choice  
Preference Means**

Applications for a hunter's choice permit for the 1982 gun deer season in Wisconsin must be postmarked no later than Friday, October first, this year.

As in the past, hunters who applied for a permit for the 1981 season and did not receive one will receive preference over hunters who applied for and received a permit last year and hunters who did not apply for a 1981 permit.

There was some misunderstanding last year about what preference means. Some thought that with preference the hunter was guaranteed a permit. That is not the case. It depends on how many hunters with preference apply for a permit in a deer management unit and how many permits there are available for that unit. And, the odds vary widely depending on the unit.

In 13 of the total 86 deer management units, all of the hunters with preference who applied for a permit received one. In contrast to that, in 27 units less than 50 percent of the hunters who applied with preference received a permit because of the high number of preference applications received for a limited number of permits in those units. In three of those units, (33, 57B, 64), less than one hunter out of four who applied with preference

received a permit. Because of their popularity and the relatively low number of permits available in them, the odds for getting a permit in those units is not favorable. Some hunters who have preference this year might want to apply for a permit in a less popular unit.

Receiving a hunter's choice permit does not give a hunter the opportunity of taking an "extra" deer. The permit gives the hunter the choice of taking a buck in any area where there is a gun deer season, or taking antlerless deer in the management unit for which the permit was issued. No hunter can legally take more than one deer during the gun season.

Also, a reminder that applications for a permit for the wild turkey hunt, which will be held in the spring of 1983, must be postmarked on or before this October 1st. And, applications for Canada goose hunting permits for the Horicon and Central zones must be received by the Department prior to September 10th.

Sports licenses (formerly called sportsman's license) and hunting licenses are now available at license sale outlets around the state. If you have a current sports license, keep in mind that it expires on August 31st. The sports license is \$22.50.

**Where to Camp?**

Looking for a place to camp in August? Although reservable sites at 14 of the parks and forests providing reservations are full weekends through August, 12 others have weekend reservation sites available this month.

Blue Mound, Copper Falls, Council Grounds, High Cliff, Interstate, Merrick, Perrot, Potawatomi, Wildcat Mountain, Wyalusing, and Yellowstone State Parks and the Northern Highland/American Legion State Forest have reservation sites available throughout August. Many of the other parks offering campsite reservations continue to have available sites on weekdays in August.

Reservation applications must be made on campsite reservation forms available in

park and forest offices and DNR Area and District Offices. The complete form should be sent directly to the park or forest where accommodations are desired. A \$2.50 application fee is required plus an advance deposit.

The reservation period in all parks except Peninsula State Park will end on September 30. Reserved sites will be available at Peninsula through October 31.

Patrons at Wisconsin state parks and forests are encouraged to practice the Golden Rule, according to the Wisconsin Department of Natural Resources.

Dave Weizenicker, Director of the Bureau of Parks and Recreation, stressed the importance of park users being courteous to one another. August is a heavy month of use and unless park visitors constantly observe "good park citizenship," mutual enjoyable experiences may be diminished.

Park officials especially emphasize the concern over excessive noise. Weizenicker stressed that "we want visitors to have a good time, but the most common complaint received from park users is loud noises from other users."

Littering in parks is another major concern, and despite the constant efforts of park personnel to keep the grounds clean, large park crowds can create a litter problem.

Park officials urge that disturbances within a park or other flagrant abuse of park regulations should be reported to park personnel immediately.

"We will take immediate corrective action," Weizenicker concluded, "to insure that the actions of a few who violate park rules, do not ruin the enjoyment of the majority."

Use a salt shaker to sprinkle small seeds in your garden. Makes for more even distribution and even plants reaching maturity.

# Indians Baseball Wrapup

By Cathy Schlice

The Kewaskum Indians varsity baseball season has finally come to a close with their elimination in the sectional tournament by West Bend East. They finished the season with an overall 15-10 record.

The team played in two conferences again this year. In their own Eastern Wisconsin Conference they finished in second place behind eventual state champion Plymouth (10-2) with a 9-3 record. Two of the Indians' three defeats in the conference came at the hands of champion Plymouth, both by very close scores of 5-3 and 1-0. Plymouth went on to win the state title by winning three games in the state tournament at Regner Park at West Bend. The Panthers beat Brown Deer in the state final, 9-1. The Indians can feel proud in giving Plymouth's champions two very close games.

In Scenic Moraine Conference action Kewaskum finished in third place behind champion West Bend East and second place West Bend West with a 6-7 record. The champions in the two conferences eventually met in the state meet with Plymouth defeating West Bend East.

The Indians had seven seniors closing out their high school careers. The boys won the regional before they were knocked out by West Bend East in the sectional.

Kewaskum's main threats were in pitcher Jeff Geidel with a record of 10-3 and an outstanding ERA average of 0.83, and second basemen Dave Donath, who batted .440 in Eastern Wisconsin play.

The Indians were coached by Perry Koth, who finished his second season.

Senior season statistics:  
**DAVE "CHEEZ" DONATH:** Dave batted .333 overall this season. He batted .440 in EW and won the batting title. He led the team in stolen bases with 12 and walks with 19. He also batted in the most runs with 16. Dave was a four-year letterman and was all-conference in both the Scenic and EW.

**TIM "HEBS" HEBERER:** Tim did most of the pitching in Scenic action. He ended with an ERA of 1.13. Tim was a three-year letterman and was second only to Geidel in putouts with 126. He also received honorable mention in the SM Conference.

**RIC "LEITY" LEITHEISER:** Ric batted .270 this season overall. He has a career average of over .300. He has played left field for the past three years and committed only one error this season. Ric was voted to the first team in the EW Conference. He will be attending the UW-Platteville where he plans to participate in football and baseball.

**STEVE STRAUB:** Steve was used as a utility player. He played second and did some designated hitting.

**JEFF GEIDEL:** Jeff was the Indians' No. 1 pitcher and limited his pitching to the EW Conference. He recorded a fine 10-3 record this year and led the team to a second place finish in EW play, only to eventually lose to state champion Plymouth. Jeff had an ERA of 0.83 and pitched three no hitters in his three years on varsity. He was

voted to the first team in the EW and was also all-conference as a sophomore in the Scenic.

**BRIAN "POWDER" LARSEN:** Brian batted cleanup for most of the season and batted nearly .300. In Scenic action he hit .396. He led his team in hits with 22 and scored the most, crossing the plate 13 times. Brian also recorded two home runs, three triples and one double and was second in RBIs. He also saw some pitching action but mostly played centerfield for three years. He was given honorable mention in SM.

**MIKE "HEISY" HEISDORF:** Mike was a two-year letter winner. He was also known for his fine defensive skills in right field and committed only two errors this season. He was also second in stolen bases with nine.

Pitching records: Jeff Geidel was the workhorse in the Eastern Wisconsin Conference only, winning 10 and losing 3 in 92 innings with an earned run average of 0.836. Tim Heberer was 2-5 in 33 1/3 innings with an ERA of 1.130. Brian Larsen was 1-2 in 27 2/3 innings with an ERA of 1.010. Rod Donnelly was 1-2 in 14 1/3 innings with an ERA of 6.83, and Jim Braun was 0-0 in 1/3 on an inning with an ERA of 0.000.

## KHS Girls' Tennis To Start August 16

The first scheduled practice for KHS girls' tennis is Monday Aug. 16. Returning varsity members from last years' squad will practice daily from 10:00 a.m. until noon. At 1:00 p.m. junior varsity members and other girls interested in playing tennis should report. All practices will take place at the KHS courts. The girls will host their first match of the season against Slinger on Monday, Aug. 23, at 1:00 p.m.

As in the past, a \$15.00 user fee must be paid before students are allowed to participate in a practice or meet. Students are to pay this fee in the high school office which is open between 7:00 a.m. and 3:45 p.m. daily. Also, before being allowed to practice, the athlete must have turned in a properly signed WIAA Physical Examination or Alternate Year Card and have a signed copy of the athletic code on file in the high school office.

## Places Third in Tennis Tournament

Craig Hubbell, 12, Kewaskum, was a member of the West Bend youth tennis team which took first place in the South-eastern Park and Recreation Conference (SEPRC).

He also took third place (6-4, 6-4 over Dave Groh) in the West Bend Youth Tennis Tournament for boys 14 and under. There was a total of 51 participants.

Craig is the son of Mr. and Mrs. John Hubbell, Hillside Drive, Kewaskum.

## Girl's Volleyball Practice Aug. 17

Any high school girl interested in trying out for volleyball should report to the high school gymnasium Tuesday, August 17, at 9:30 a.m. Girls should be ready to begin practice following a brief meeting.

All athletes are reminded of the following items before they will be eligible to begin practice:

1. WIAA physical examination card or alternate year card on file in office.
2. \$15.00 user's fee.
3. Athletic code permission form.

All of these items can be taken care of in the high school office during regular business hours.

If any girl is unable to start practice Tuesday, August 17, but would like to be considered for the team contact Coach Rizzardi at 626-2166.

## Kewaskum Wins Two, Loses One As Geidel Joins Team

On Thursday, August 5, Kewaskum beat Hustisford, 10-9, in a Tri-County League game. Kewaskum scored 6 runs in the bottom of the ninth to overcome a 9-4 Hustisford lead. Rick Leitheiser drove in the winning run with a bases loaded single. Jeff Geidel, ace of the Kewaskum High School team, was the winning pitcher, hurling the last 5 1/3 innings and striking out 11 batters.

**KEWASKUM** — R. White, cf, 3-0-1; R. Heberer, ss, 5-1-1; A. Jaeger, 2b, 4-2-1; R. Theusch, c, 4-2-1; L. Westerman, pr, 0-0-1; T. Perkins, rf, 5-1-1; M. Donath, 3b, 2-0-1; D. Marx, lb, 2-0-0; B. Pearson, rf, 0-0-0; R. Leitheiser, lf, 5-1-1; T. Heberer, p, 1-0-0; J. Geidel, p, 2-1-2.

On Friday, August 6, Kewaskum beat Horicon, 4-3, in a Tri-County game. Kewaskum scored a run in the ninth on a hit batsman and two errors to win the game. Al Jaeger pitched all nine innings in picking up his second win of the year.

**KEWASKUM** — R. White, cf, 5-2-2; R. Heberer, ss, 3-0-1; A. Jaeger, p, 3-1-0; R. Theusch, lb, 4-0-0; M. Donath, 3b, 4-1-0; R. Leitheiser, lf, 4-0-0; S. Muench, c, 3-1-1; L. Westerman, rf, 2-0-0; S. Yahr, ph, 1-0-0; T. Heberer, rf, 1-0-0.

On Sunday, August 8, Kewaskum lost to Thiensville-Mequon, 8-1, in a Land o' Lakes League game.

**KEWASKUM** — R. White, cf, 3-1-0; D. Marx, ph, 1-0-0; R. Heberer, ss, 4-0-0; A. Jaeger, 3b, 3-1-0; D. Donath, 3b, 0-0-0; R. Theusch, lb, 4-1-0; T. Heberer, lb, 0-0-1; M. Donath, c, 4-1-0; R. Leitheiser, lf, 4-1-0; S. Leitheiser, 2b, 4-1-0; B. Pearson, rf, 0-0-0; Sc. Muench, rf, 2-0-0; T. Perkins, rf, 2-1-0; J. Geidel, p, 2-0-0; St. Muench, p, 1-0-0.

On Wednesday, August 11, Kewaskum played at West Bend in a 7:30 Land o' Lakes game. On Friday, Kewaskum plays Juneau at home in an 8:00 Tri-County contest and on Saturday Kewaskum plays at Slinger in a 2:00 Tri-County League game.

## Wrestler Wayne Boudreau to Attend UW-Stevens Point

University of Wisconsin-Stevens Point wrestling coach John Munson has released the names of four more Wisconsin high school wrestlers who have decided to attend UW-SP this fall and join the wrestling team. The four are Wayne Boudreau, Kewaskum; Robbie Lee, Tomahawk; John Ostrowski, Waukesha; and Tim Brucker, West Allis.

The four are a part of a recruiting class which is regarded as the finest to ever enter UW-SP at the same time. Included in the group are four state champions.

Kewaskum's Boudreau, a 5-10, 134 pounder, was a WIAA Regional champion in 1982 and was later picked as the team's most valuable wrestler. He also earned a first place finish in the Fond du Lac Invitational in 1982.

He was named the winner of the Allen Tessar Memorial Award at Kewaskum High and was awarded the West Bend News' Sportsmanship Award.

"For each of the past seven years we have had a Kewaskum wrestler on our team and three of our last seven captains have been from Kewaskum," Munson said of Boudreau. "Wayne is one of those hard working dedicated athletes that we enjoy having as part of our program."

"We know that he comes from a program that instills pride in effort and a willingness to learn and improve. This background makes him a valuable addition to our program."

He is the son of Mr. and Mrs. Bernard Boudreau, 1776 Stoney Creek Drive, Kewaskum.

## Hon-E-Bees

Laura Mathews won the day event with the shortest drive on No. 1. She redeemed herself with a chip-in on No. 6. Class event of survival was won by Joan Eggers and Mary Ann Koss, Class "A"; Gertie Zell, Class "B"; Ada Kannenberg, Class "C"; and Joan Dean, Class "D." Lu Freeze and LaVerne Hron were 18 holes winners.

## KEWASKUM WOMEN'S HORSESHOE LEAGUE

[Final]		
	W	L
R. Boegel		
B. Gengler	34	8
B. Stoltzmann		
S. Ehnert	26 1/2	15 1/2
S. Pesch		
C. Struebing	26	16
J. Struebing		
D. Rindt	24 1/2	17 1/2
J. Rohlinger		
N. Boegel	24	18
M. Schaub		
J. Schroeder	13	29
C. Buss		
K. Schmitt	11	30
C. McElhatton		
S. Sarauer	9	33

## THIEMER'S SUNDAY LEAGUE

	W	L
Thiemer's Sip & Snip	6	3
Amerahn	6	3
Rite-Way	6	3
Hitching Post	6	3
Kewaskum Saloon	2	7
Sentry	1	8

### Results:

Hitching Post took the lead right off the bat and kept it to down the Saloon, 12 to 7, also to stay in a tie position for 1st. Will they hang on? We'll see Sunday, August 15, when they meet the Amerahn. Should prove exciting.

Thiemer's held Sentry to a shut-out in the 5th inning with the pitching of DON HLAVATY, who then sat out to let another teammate try his hand at pitching. Sentry tried but couldn't catch up with a 7-run 6th inning, losing 21 to 7.

In a real thriller the Amerahn's throwing errors and Rite-Way's speed on the bases was the winning combination for Rite-Way's edging win of 6 runs to 5. Greg Hudack hit one for the Amerahn.

Game times 1:00, 2:00 and 3:00.

## WEDNESDAY NITE TRAPSHOOTING LEAGUE

	W	L
Sentry	11	4
Dick's Welcome Inn	11	4
Glacier Inn	11	4
Kettle Moraine Elec.	9	6
Da Bar	8	7
Hitching Post	7 1/2	7 1/2
R.T. Speed Shop	7 1/2	7 1/2
Boar's Nest	7	7
Kewaskum Saloon	6 1/2	8 1/2
Village Sport Shop	6	9
C&R Catering	6	9
Si & Vi's	5	10
Bowhunter's Sports	3 1/2	11 1/2

50 straight was shot by Stan Priepke and Don Schmitt of Dick's Welcome Inn.

25 straight was shot by Bob Melzer of Kettle Moraine Electric, Bill Geidel of Sentry, Dave Warnecke of Hitching Post and John Uelman of Village Sport Shop.

## HON-E-KOR COUNTRY CLUB TUESDAY NIGHT MEN'S LEAGUE August 3, 1982

Winning teams this week were: P.C.A. Juneau, Kliner's Sodbusters, Handicappers, Regal Ware I, Driving Range, Par-Nons, Hart Insurance, Clay's Clobberers, tie-Gruber's Toolers and Doc's Wild Ones.

Low gross — David Wiator 36, Clark Pearson 36, Roy Warner 38, Clark Eichstedt 38.  
 Low net — Marv Schmidt 27, Tom Slaughenhoup 29, Bob Fassbinder 29, Alan Stutzman 29, David Wiator 29.  
 Low team net — Clay's Clobberers.  
 Low gross prize — David Wiator.  
 Low net prize — Marv Schmidt.

Lake Baykal in Siberia—is at almost a mile down—the deepest lake in the world.
