Women on Police, Fire Departments First Step in Seeking Careers

Maxine Belger

By GERRY MUELLER
Statesman Staff Writer

The Village of Kewaskum is in step with the times as the era of liberated women continues.

In many cities and towns, females are fighting for their place in male dominated fields such as fire and police work. This has not been the case in Kewaskum. This community of approximately 2,300 can boast of a woman in both the Fire and Auxiliary Police Departments, each with an eye on a career in their field.

Maxine Belger came to the Kewaskum Fire Department in 1981. (Belger's brother Morris is also in the department). She has completed a flammable liquids school and seven weeks in Mod I beginning firefighters training, along with an eight-week course in the Emergency Medical Technician program.

Belger will be completing her one year of probation in November and at that time she will become a permanent member of the department. Fire Chief Augie Bilgo stated that Belger went through the same training program faced by male appli-

cants for the department. Although Belger has not fought any major fires, Bilgo noted she has not taken a backseat in her duties. Bilgo was referring to a situation at the flammable liquids school. The instructor put Maxine right up front on the nozzle when the blaze was ignited. She hung in there and didn't back off said Bilgo.

In September Belger is planning to enter a 30-week training program for EMT's at Moraine Park Technical Institute, Fond du Lac. Upon completion of the course Belger will become a member of Kewaskum's EMT team.

Although Belger is the first Kewaskum female firefighter, the field is open. Bilgo said volunteers, both women and men are always welcome since Kewaskum tries to maintain a minimum force of 45 firefighters on call.

Tracy Coulter, a 1982 graduate of Kewaskum High School, is considering a profession in police work. Upon graduation, Coulter approached Police Chief Don Hlavaty, explained her career plans and became a part of the Kewaskum

Auxiliary Police.

Although Coulter is not sworn in or paid for her services, she, along with other auxiliary members assist in law enforcement where additional manpower is required. This includes picnics, parades, dances and other large public gatherings. Coulter also spends time riding in the squad on an observer basis, having worked all the shifts. Hlavaty commented this is a good opportunity for a person to get their feet wet and see if this is really what they want to do. "It's not an easy job," said Hlavaty.

Although department openings have occurred, Kewaskum has not had a female applicant for the job yet noted Hlavaty.

When school begins, Coulter will be enrolled in a two-year course at the University of Wisconsin, West Bend, which will help her prepare for a law enforcement career. When asked what her long-range plans were, Coulter was unsure as to what they would be. "You have to be 21 to join a police department," said Coulter, "so I might continue on in school."

Schools to Re-open On Monday, Aug. 30

All schools in the Kewaskum School District will begin for students on Monday, August 30. The times for the various buildings are the same as last year, with grades 7-12 beginning at 7:45 a.m. and kindergarten-grade 6 at 9:05 a.m. Afternoon kindergarten classes begin at 1:05.

Those students riding buses should have received a notice giving the location to be picked up and the approximate time of the pick up. If you have not received this notice, please contact the bus garage at 626-4414.

Lunch prices for the beginning of school remain the same as last year. Daily lunch tickets will be \$1. A five-meal ticket for grades 1-6 will be \$4.25, for grades 7-12 it will be \$4.50. Reduced price tickets will be \$2 for five days if students are eligible. Parents should contact the school their child attends for information on free or reduced price lunch eligibility. Extra milk or milk-break milk remains at 15c per carton.

Holy Trinity Catholic and St. Lucas Lutheran Schools will also reopen on Monday, August 30.

Jaycees to Have Fishbowl Here Labor Day for Muscular Dystrophy

HELP JERRY'S KIDS Labor Day Weekend! The Kewaskum Jaycees will have a fishbowl set up in the parking lot of the Sison Medical Clinic on Monday, September 6. Donations placed in the fishbowl will go to the Muscular Dystrophy Association to help find a cure for MD.

The Jaycees will have balloons for children under 12, who come with their moms and dads to contribute to the MDA fishbowl. Please stop in at the Medical Clinic on South Fond du Lac Ave. We will be there from 9:00 a.m. to 5:00 p.m. on

Labor Day to accept your tax-deductible donations. Should you want to give money to our fishbowl and will be out of town September 6, or if you have any other questions, please contact Kewaskum Jaycee Internal Development Vice President, Ken Weyers, at 626-2798.

PLEASE GIVE GENEROUSLY TO JERRY'S KIDS!

Area United Way Announces Plans For Fund Drive

The Kewaskum Area United Way has announced fund drive plans to begin September 26, and will run through November 27, 1982.

The Board of Directors met on July 13 and set the 1982 fund drive goal at \$18,000. This is the third consecutive year the goal has been this same amount.

This year's campaign co-chairmen are Arnie Stommel and Robert Borch.

Ruth Behnke is the recently elected president of the Board of Directors, replacing Floyd Brenholt, who has resigned. The other officers are Ann Enright, secretary; Ralph Rimmel, treasurer; and Allen Koepke, budget director.

Despite the difficult economic times, the Board of Directors is appealing for generous donations as they are in need now more than ever because many of the recipient agencies have had federal aid cuts.

Stricter Supervision or Complete Smoking Ban Possible Consider Closed High School Campus

By GERRY MUELLER
Statesman Staff Writer

A completely closed high school campus and possible ban on smoking were the topics of almost two hours of discussion at Monday night's special school board meeting.

As part of a revision of the high school student handbook, Principal Clark Pearson and Assistant Roy Esser came to the board asking for their input and recommendations. Among the items considered were change

to a closed campus and a smoking ban. Esser told the board, before any changes were made, a great deal of thought must be given to the side effects and possibilities of still other problems arising from such changes. "I don't want too many rules, I want reasonable rules I can enforce," said Esser.

Board member John Tessar asked Esser what his thinking on smoking was. Esser said he was personally against it, however, he noted that if parents permitted their children

to smoke, all the school could do was to try and control the situation.

Consideration is being given to moving the smoking area from the front of the high school to the rear. Several comments have been received regarding the poor impression this area has made on passerby and visitors. Middle School Principal Dennis Reha was not in favor of the move noting the open area between the two schools acted as a buffer zone

(Continued on Page 3)

Turkey Shoot Set for Sept. 19

Kiwanis Club of Kewaskum has announced that its 30th Annual Turkey Shoot will be held on Sunday, September 19. This popular event will be held at the Bar-N Dude Ranch, 6 miles northeast of Kewaskum on County Trunk GGG, the beautiful Kettle Moraine Drive.

There will be many special events, including trout fishing, trap shooting, archery, and games for children, along with hot and cold beverages and food.

Those who purchase advance sale tickets will receive four shots for \$2.00. Tickets purchased on the grounds will be four shots for \$2.50. Advance sale tickets may be purchased by mailing your check payable to Kiwanis Club of Kewaskum, P. O. Box 68, Kewaskum, Wisconsin 53040.

From the School Board President's Desk

Why are all these critical issues like the smoking and the closed campus idea arising so close to the beginning of school? What about some long range planning? What about the future?

These questions have a lot of merit. The Board has been so involved in the search for a new superintendent that we really haven't paid as much attention to future planning as we should. There are several issues that the Board should be considering, issues that we not only want, but need public input on, but we are strapped for time.

It occurred to me that we have such public-spirited, knowledgeable people in our community that it would be criminal to not request their aid. I was so impressed by the last committee we had — the Superintendent Search Citizen Advisory Committee — that I would like to set up another committee called the Long Range Advisory Committee.

This committee could examine the merits of various ideas that have come before the Board—ideas such as the eight-period day, testing, extracurricular program revision, and any other concepts that the Board wishes to have examined. The committee meetings would be open to the public; indeed, the public would be urged to attend whenever they were interested in the topic being discussed.

Would the Long Range Advisory Committee have any power? No, only the Board can formulate policy, but the committee could investigate options and the community response to those options and present that information to the Board so that we could make informed, knowledgeable decisions. The more the Board knows about a subject, the better we can make the best decision for our children and grandchildren.

What role would the new superintendent play in this committee? I'm certain the new superintendent will have set priorities for our district, and the Long Range Advisory Committee could be involved in researching both the idea and means of implementing it.

As I envision the Long Range Advisory Committee, I see a nucleus of parents and board members which would expand by involving teachers, administrators, and other community members whenever their expertise would aid in the investigation of a specific subject. Again, the community is always encouraged to present ideas to the Board and the committee. I value your aid.

Superintendent Search Update: The Board narrowed the list of ten candidates to five, and we are now awaiting the dossiers that Mr. Buntrock is preparing on the top five candidates.

Dr. Charles J. Ogi

All Veterans Welcome Party Set for Sept. 11

An All Veterans Welcome Party will be held Saturday, September 11 (with a raindate of September 12) at Germantown American Legion Post 321, N120 W15932 Freistadt Road, Germantown. The party will begin at 10 a.m. and run until 10 p.m.

This will be an open party to all veterans and their families. They need not be a member of the American Legion or any other veterans organization to attend. The American Legion of Washington County wants to show its support of the veteran by providing this day as a get-together for all vets. Their slogan is "Vets Always Care." Everything will be free. There will be a pig roast, lamb, corn, wieners, beer and soda available. Softball, horseshoes and other games will be available for families to play. Several bands will be playing during the afternoon for entertainment. Veterans from Wood Hospital in Milwaukee are also being bused out for the afternoon to join the party. Vets are asked to bring some type of identification along to show they are a veteran.

Several things are being done to help cover the expenses. Businesses throughout Washington County are being asked to help by making donations. All cash donations will be used

toward expenses. Any merchandise or gift certificates that are donated will be used for the raffle tickets that are being sold or for door prizes. All donations will be properly marked as to who donated it. For more information on the party or to offer donations please contact Committee Chairman Gary Moody (626-2495, Kewaskum), Merv Thompson (626-4079), Ron Shattuck (255-1292, Germantown), or Dean Schatz (334-4095, West Bend).

The party is being sponsored by the following American Legion organizations: Allenton Post 483, Germantown Post 321, Hartford Post 19, Hubertus Post 522, Jackson Post 486, Kewaskum Post 384, West Bend Post 36, the Washington County Council and the Washington County 40 et 8.

Only the people who live next door ever listen to both sides of a family argument.

School Board

(Continued from Page 1)

keeping the older students away from the younger ones.

The smoking area was originally established to stop complaints from school neighbors who found students in their yards and on their lawns smoking before school and during lunch hours, as well as eliminate smoking in the school lavatories. Board member Jean Goeden noted the girls' bathroom was a district embarrassment for years because of its condition and lack of doors on the stalls which had been removed to deter smoking.

Member Tom Brigham asked if "no-smoking" was being considered. Esser felt this was a possibility, but then the board should also consider the question of a closed campus in conjunction with the smoking ban. Esser's feelings were that if you impose the ban without restricting the students, you were opening yourself up to the same old problems of neighbor complaints, etc.

Police Chief Don Hlavaty stated he was definitely in favor of a closed campus possibly with a smoking area. He noted the business people uptown have suffered theft, vandalism and littering as a result of students coming into their stores during noon hours. Hlavaty noted with the new schedule, the village is looking at 50 to 100 youngsters in the shopping area during each of the three lunch hours. "If you give them an area and keep them in that area, you won't have a problem," said Hlavaty. "I think it should be closed and absolutely closed," stated Hlavaty. Pearson noted a completely closed campus with no "home for lunch," etc., would be a battle. Board president Charles Ogi stated, "I've had parents tell me their kids are uptown and they don't know it. No matter what we do we're going to upset some people," said Ogi.

Esser told the board the parking lot will be off limits during lunch hour this year. Students with cars will be required to purchase a 50c parking permit and will not be allowed to go to their cars during lunch hour. One resident commented it probably would not cut down on the smoking, but it would reduce the drinking he had seen take place when he had been through the area.

Hlavaty was asked what he meant by a closed campus. "Closed campus means grounds," said Hlavaty. Tessar said he would not want to see 750 students restricted to the buildings. We'd end up like one of those scenes from the movie "Animal House" said Tessar.

Counselor Dave Wietor stated, "it's not only the bad kids who smoke or go downtown, whether you have a closed or open campus the bad kids are still going to do what they want. This is not a cut and dried subject," said Wietor.

Tessar told Ogi, "we're not going to make a decision tonight, we're just spinning our wheels, I recommend you appoint a committee." Brigham, Tessar and Esser were appointed to look into the situation and make a report at the next meeting. The feeling of the meeting and board seemed to favor the general idea of a closed campus.

Esser noted after the meeting

he was glad to hear the discussion which had taken place. It helped the board realize this is not a problem with a quick or easy solution.

As an interim measure, the board approved a motion by Brigham requiring students to have a pass to get into the smoking area. The pass will be issued after the student's parents personally come to school and sign a permit allowing their children to obtain a pass. The board felt this step would eliminate forging of parent signatures to obtain the passes.

In other action, the board defeated a motion by member Ralph Horner to raise the minimum grade average required by interscholastic participants. Horner felt the present .5 (D-) grade requirement should be raised to 1.5 (d+), in order for a student to be eligible to participate in sports. One parent agreed with Horner stating "if our primary goal is education, isn't extra curricular a bonus privilege."

Wietor stated, "if a kid goes through four years of high school and never flunks but only has a 'D' average he can never play." Wietor felt there are some students who do their best and will never achieve better, yet they would be denied the right to play while a student who is failing two or three subjects but maintains a "D plus" would be allowed to participate. Some parents felt a compromise to a 1.0 (D) would have been acceptable.

One parent felt that it really didn't make a lot of difference as far as grades went, noting the teacher says he can play but the coach says he can't and he sits on the bench all season. The parent noted sports was geared to winning, not letting all the students get a chance to play.

The board also approved a motion to raise the spending limit to Buntrock and Associates to \$5,000. Buntrock was also given the go ahead to interview five candidates for the superintendent's position. Goeden voted against the motion noting Ogi's recommendation to go with Buntrock was based on the fact that he would sign a contract with the district. After two months of working with the man, we still don't have a contract yet we're approving more funds noted Goeden.

The board accepted the resignation of Vicki Marone. George Allmann resigned as full-time reading specialist to go to position of part-time eight grade reading teacher and part-

time reading specialist.

The board adjourned to closed session for negotiations.

Open House at Day Care Center

There will be an open house to the public at My Little Friends Day Care Center located at 1623 Fond du Lac Ave., in Kewaskum. Open house will be Saturday, Aug. 28, 12:00 noon to 5:00 p.m. and Sunday, Aug. 29, 10:00 a.m. to 5:00 p.m.

Shawn McElhatton, center director, and Carolyn Gremminger, assistant director, welcome everyone to stop in and take a look around and also feel free to ask questions. There will be punch and bars served, so stop in and say hello.

Committee Meeting To Discuss Closed Campus at High School

A meeting of the committee to discuss having a closed campus at the high school has been scheduled for 7:30 p.m. at the District Administration Office on Monday, August 30, 1982. Members of the committee include John Tessar, chairman; Tom Brigham; and Roy Esser. The purpose of the meeting will be to discuss the present situation and the consequences of establishing a closed campus.

Dear Friends

Someone wrote of funeral directors as "men who have elected to serve humanity in an area of life which is filled with heartbreak, wonderment, sorrow and grief. Their own efforts to live with nearly constant death... must in large measure have arisen out of a desire to help the stricken families and bring a little comfort in a material way. We are glad they are at hand."

Respectfully,

Pat Miller

Regal Honors Longtime Employees

Three new members of Regal Ware, Inc's 25 Year Club were introduced at the club's annual banquet, held recently at the Best Western Dillon Inn in West Bend. Honored for their quarter century of service to Regal were: Robert Kappler, West Bend, Wisconsin; Bland Simmons, Portland, Oregon; and Joan Staehler, Kewaskum, Wisconsin.

Also recognized at the banquet were eighteen new members of Regal's 30-Year Club: Julia Broecker, Kewaskum; Jean Dippel, Campbellsport; Carl Ebert, Kewaskum; Vilas Ebert, Campbellsport; Gertrude Fellenz, Kewaskum; LaVern Geidel, Kewaskum; Florence Heinecke, Kewaskum; Marion Krieser, Kewaskum; David Krueger, Fond du Lac; Roger Lefeber, Campbellsport; Anna Manthei, Kewaskum; Daniel McCarty, Campbellsport; Vincent Nigh, Kewaskum; Vera Ramthun, Campbell-

sport; Ronald Reigle, Kewaskum; Leonard Schultz, Kewaskum; Thelma Stoffel, Lomira; and Pearl Tuttle, Campbellsport.

In addition, thirteen new members were inducted into Regal's 35-Year Club: Raymond Gremminger, Kewaskum; Vincent Groh, Kewaskum; Ernest Haegler, Campbellsport; Leo Hall, Campbellsport; Harvey Jandre, Kewaskum; Ralph Koth, Kewaskum;

Sylvester McNamara, Kewaskum; Bruce Petri, Kewaskum; Bernice Trapp, Kewaskum; Francis Tuttle, Campbellsport; Walter Voigt, Campbellsport; Cyril Wiator, Kewaskum; and Aloysius Zehren, Kewaskum.

Founded in 1945, Regal Ware, Inc. is a multi-plant manufacturer of cookware, portable electric and microwave accessories headquartered in Kewaskum, Wisconsin.

DNR May Dredge Tributary to Rock River in Town of Wayne

The Department of Natural Resources has received an application pursuant to Section 30.20, Wisconsin Statutes to dredge approximately 4,500 linear feet of an unnamed tributary to the Rock River, Town of Wayne, Washington County. This proposal involves the excavation, via dragline, of approximately 2500 cubic yards of material. This dredged material will be sidestepped and leveled on adjacent fields. Approximately 45 acres of wetlands which have been grazed and cropped in the past will be affected by this project. The purpose of this project is to improve drainage on 188 acres of the applicant's land.

The Department has made a preliminary determination that an Environmental Impact Statement will not be required for this action. Copies of the Department's Environmental Impact Assessment that led to this preliminary determination can be reviewed at the DNR Southeast District office. Contact Greg Pilarski, Department

of Natural Resources, P.O. Box 13248, Milwaukee, Wisconsin 53213, (414) 257-6950.

Public comments on the proposed project and the Environmental Impact Assessment are welcomed and should be received by Mr. Pilarski no later than 4:30 p.m., August 31, 1982.

These comments may be offered orally or by written communication.

Immunization Clinics Offered

Immunization clinics offered by the Washington County Community Health Nursing Service continue to be held twice monthly in West Bend.

September clinics are: September 7 - 2:00 to 5:00 p.m. and September 28 - 9:00 to 11:00 a.m.

The clinics will be held in the Community Health Nursing Service office at 515 East Washington Street, West Bend.

All recommended immunizations are available to children and adults and are provided free of charge. There is a \$1.00 charge for the T.B. skin test for those age 16 and over.

For further information call: Community Health Nursing Service, 338-4462 or 644-5204.

Jacklin - Zettler

Mr. and Mrs. Ralph Jacklin of Milwaukee, announce the August 22 engagement of their daughter Cindy Lou to Rodney Lee, son of Mr. and Mrs. Roger Zettler Sr. of Hwy. 144, Kewaskum.

Cindy is a 1976 graduate of James Madison High, Milwaukee.

Rodney is a 1976 graduate of Kewaskum.

Both are employed at Serigraph Sales in West Bend.

No immediate wedding date has been set.

Regal Promotes Roger Groeschel

Roger Groeschel has been promoted to the position of Group Leader, Model Shop at Regal Ware, Inc., effective August 1. Groeschel is now responsible for supervising and coordinating all activities in the Model Shop, including work assignment and schedule maintenance. He also coordinates and implements the job training program. A Regal employee since 1979, Groeschel previously worked as Model Maker A. He lives in Kewaskum with his wife, Judy.

Regal Ware, Inc. is a multi-plant manufacturer of cookware, portable electric and microwave accessories headquartered in Kewaskum, Wisconsin.

Robert Gross, Others Pass On

Robert J. Gross, 55, of Route 2, Campbellsport, a former resident of Kewaskum, passed away at St. Joseph's Community Hospital, West Bend, on Wednesday, August 18, after a lengthy illness.

He was born June 24, 1927, in Milwaukee to Albert and Victoria Turzynski Gross. On November 11, 1950, he married Darlene Keding in St. Mary's Church in Lomira.

Mr. Gross served with the United States Navy during World War II, was employed by Regal Ware Inc., Kewaskum, for 30 years and operated a tavern in Beechwood for five years before semi-retiring. He was a member of St. Mathias Catholic Church, Town of Auburn, and a member of the Beechwood Fire Department.

Survivors include his wife; two daughters, Shirley and Judy Gross, both of Kewaskum; one son, Captain Charles R. (Tara) of Kailua, Hawaii; one grandson; his mother, Mrs. Victoria Gross, three sisters, Mrs. Dorothy (Howard) Klug of Long Lake, Mrs. Lorrie Hintz of Dundee, and Mrs. Esther Neitzel of Milwaukee; many other relatives and friends. His father, a daughter Janet, one brother and two sisters preceded him in death.

Visitation for Mr. Gross was at Miller's Funeral Home in Kewaskum on Sunday from 4 to 9 p.m. Services were Monday at 10 a.m. at the funeral home with a Mass of Christian burial at 10:30 a.m. at St. Mathias Catholic Church in Town of Auburn with Rev. Walter Morgan officiating. Burial was in the church cemetery.

RAYMOND WETTSTEIN

Raymond J. Wettstein, 71, of Route 2, Campbellsport, died Tuesday, Aug. 17, at the home of his son, William, at Route 1, Eden.

He was born July 4, 1911, in the Town of Empire, a son of the late Matthew and Elizabeth Fox Wettstein. He married Hazel Schaefer on Jan. 15, 1936, at St. Cloud Catholic

Church, St. Cloud.

The couple farmed in the Town of Osceola, retiring in 1976. He was a member of Our Lady of Angels Catholic Church at Armstrong and Holy Name Society.

Survivors include his wife; three sons, William of Route 1, Eden, James of Buckeye Ariz., and George of Route 2, Campbellsport; two daughters, Mrs. Hilary (Joann) Schrauth and Mrs. Eugene (Marian) Venturini, both of Campbellsport; 25 grandchildren; and a great-grandchild.

Also surviving are four sisters, Sister Elise of St. Francis Convent in Milwaukee, Mrs. Lawrence (Marie) Hochrein of Plymouth, Mrs. Leona Goebel of Route 1, Eden, and Mrs. Oliver (Ruth) App of Hyattsville, Md.

Funeral services were held at 10:30 a.m. Friday at Twohig Funeral Home, Campbellsport, and a 11 a.m. at Our Lady of Angels Church, Armstrong. The Rev. Wayne Barta officiated, and burial was in the parish cemetery.

Visitation for Mr. Wettstein was after 4 p.m. Thursday at the funeral home.

WILBUR SETZKE

Wilbur Setzke, 60, of Route 1, Campbellsport, died Thursday, Aug. 19, at St. Agnes Hospital, Fond du Lac.

He was born Nov. 28, 1921, in Milwaukee, a son of the late Charles and Lydia Nuetzel Setzke. He married Joyce Kaechel in 1960 and she died Jan. 6, 1971.

Mr. Setzke was employed by Butzke Sand & Gravel at rural Campbellsport.

Surviving are a brother, Raymond W. of Fort Walton Beach, Fla., and a sister, Mrs. Shirley Neuman of Milwaukee.

Funeral services were held at 8 p.m. Monday at Twohig Funeral Home, Campbellsport. The Rev. Carl Jensen officiated and burial took place Tuesday at Union Cemetery, Campbellsport.

Visitation for Mr. Setzke was after 4 p.m. Monday at the funeral home.

There are 132 rooms in the White House.

Zayre Corp. Receives Accolade from Regal Ware

Zayre cookware buyers Jane Connors and Bob Brown [center] accept their company's 1981 Regal Ware [merchandising award] from Regal Sales Associate Herb Hollender [far left] and District Sales Manager Gary Woolman [far right], former Kewaskum resident.

One of the country's leading mass merchandisers, the Boston-based Zayre Corporation, has been recognized by Regal Ware, Inc., for its outstanding sales and promotion efforts. Zayre, which opened four stores in the Milwaukee area last spring, has been given Regal's prestigious merchandising award for 1981. The

award is presented annually to those retailers that demonstrate exceptional merchandising of Regal products.

Regal Ware, Inc. is a multi-plant manufacturer of cookware, portable electrics and microwave accessories headquartered in Kewaskum, Wisconsin.

Births

SCHACHT — A daughter to Henry and Diane Schacht, 2334 Hwy. H, Kewaskum, Tuesday, Aug. 17.

SEIBEL — A son, Andrew David, to David and Dawn Seibel, Route 1, Campbellsport, Friday, Aug. 13.

EBBEN — A daughter, Kelsey Leigh, to Tim and Vicki Ebben, Route 3, Campbellsport, Monday, Aug. 16.

Alice Mayer Named County Coordinator For Kohler Campaign

Alice Mayer of West Bend has been named Washington County coordinator for Kohler for Governor campaign.

As a county coordinator, Mayer will be responsible for promoting Kohler's candidacy in the county with literature drops and the distribution of bumper stickers, lawn signs, buttons and related materials. A home phone bank effort in the county has also been scheduled.

"We're delighted to have Alice on our Kohler Krew," explained Kohler. "Our campaign is very 'grass roots' oriented, and the support of people such as Mayer is critical to our success."

Kohler, 48, is chairman of the Sheboygan-based Vollrath Company. He is the son and grandson of former Wisconsin governors.

"Wisdom is to the soul what health is to the body."

Nickelodeon Day At the Milwaukee County Zoo Aug. 28

Nickelodeon, The First Channel For Kids, brings more fun and entertainment to Milwaukee, when it presents the "Pinwheel" Road Show, during "Nickelodeon Day at the Milwaukee County Zoo," Saturday, August 28.

Nickelodeon, the only channel exclusively for young people, is produced, packaged and distributed by Warner Amex Satellite Entertainment Company. Nickelodeon's 13-hour day consists of numerous half-hour and hour length series, feature films and special features.

Monkey Island provides a backdrop for the Road Show's four performances at 10:00 a.m., 12:00, 2:00 and 3:30 p.m. Between each show there is a scavenger hunt, designed by

the Zoo's education department, with prizes for each lucky winner, courtesy of Nickelodeon.

Eight Nickelodeon affiliates from the Milwaukee area will be present with information about their cable systems, and how to get Nickelodeon.

The participating affiliates are: Cox Cable of Lake County, New Berlin Cablevision, Riverbend Cablevision, RVS Cablevision, U.S. Cable of Lake County and Viacom Cablevision (North Shore and South Shore). Warner Amex Cable Communications Inc. will also be represented.

Jake the musician is played by George James, who is also Music Director of "Pinwheel." The puppets are designed and performed by Brad Williams, with the exception of Minus, who is performed by Jim

Jenkins. Mr. Jenkins is also Graphic Director of "Pinwheel."

Nickelodeon currently serves 1,725 affiliates and 7.7 million subscribers nationwide.

Aerobic Dance Classes Offered

Dance Slimnastics, Ltd., a nationally recognized aerobic fitness club, will offer area residents the opportunity to shape up for fall in an 8 week series of aerobic dance classes scheduled to begin here the week of September 5.

The new fall session, titled "We Got the Beat" will give fitness-minded individuals the chance to work out aerobically as many times per week as desired. In classes, students see the results of this invigorating exercise program. They lose inches, tone muscles and improve the cardiovascular, or heart-and-lungs, system.

Under the club's unique Open Class Policy, members can attend class as many times per week as desired. The class fee covers the cost of two one-hour sessions per week. Participants may also attend an unlimited number of additional class sessions at no extra cost.

The classes are fun! Students enjoy the freshly-choreographed routines which are an important facet of each session. A noncompetitive spirit prevails, and class members are encouraged to dance at a level that is comfortable. The easily-learned routines are set to a variety of musical tempos. During the "We Got the Beat" series, for example, students will stretch to a classical theme, bounce to a disco beat, gyrate to rock, and swing to 1950's Golden Oldies.

Students need no previous

dance or athletic experience to enjoy the session. There is a special program for everyone wishing to develop aerobic conditioning. Dance Slimnastics, Ltd. offers programs for women, men, children, and handicapped persons.

In many areas, an AquaFit program is offered for those preferring an aerobic workout in the swimming pool.

Dance Slimnastics, Ltd. is a nonprofit fitness corporation headquartered in Port Washington, WI. Classes and instructor training sessions are offered in 24 states.

Classes will be held at the Kewaskum Elementary School on Mondays and Thursdays at 5:30 p.m. and again at 6:45 p.m. Call Vicki at 338-3496 for further information and registration.

FOND DU LAC COUNTY NUTRITION PROGRAM FOR THE ELDERLY

Campbellsport Community Center

Coffee, milk, bread, butter are served with meals.

Dedication, Open House at St. Agnes Hospital New Radiation Department

Dedication ceremonies for St. Agnes Hospital's new Radiation Oncology Department will be held Saturday, August 28 at 1 p.m.

The Most Reverend Archbishop Rembert J. Weakland, Archdiocese of Milwaukee, will preside over the ceremonies and officially bless the new department.

The Radiation Oncology Department and its facilities will be open to the public at a hospital-wide Open House scheduled for Sunday, August 29 from 1 - 4 p.m. Sixteen other departments in the hospital will also be open. Guided tours have been arranged for those wishing to visit several areas.

This expanded department will now make it possible for virtually all cancer patients to have all their treatment done here at St. Agnes. The only other Radiation Therapy facility

within a 50-mile radius of Fond du Lac is in Appleton.

Instrumental to this new department is the acquisition of a Varian 12-million electron volt linear accelerator, one of the most sophisticated pieces of cancer therapy equipment today.

With this new unit, treatment time for the patient is shortened up to one half, fewer treatment fields need to be set up for patients and five different treatment modes are available.

Other areas to be shown on the August 29 Open House will be the new Computed Tomography (CT) scanner, Adult and Adolescent Addiction Rehabilitation Units, Surgery, Rehabilitation Services, Intensive Care, Cardiac Rehabilitation, Radiology, Clinical Lab and several other departments will be open for public viewing.

88th Assembly District Candidates, Sheriff Contenders to be at Hartford Voters Forum

Candidates for the 88th Assembly District and contenders for the office of county sheriff will speak at a voters forum Thursday, September 2, at the Hartford Union High School, 805 Cedar Street in Hartford.

The forum, sponsored by the League of Women Voters of Washington County, will start at 7:30 p.m., with opening remarks from Pat Gruber Jerominski, Carol Neumann and incumbent Esther Doughty Luckhardt, candidates for the 88th Assembly District. Following their brief remarks, a panel consisting of news media representatives and a League member, will direct questions to

the candidates. The audience will also have an opportunity to submit questions.

Recent redistricting has placed the Towns of Addison, Barton, Hartford, Kewaskum and Wayne in district 88. Also in the district is the Village of Kewaskum and the City of Hartford.

At 8:15 p.m., Raiford Ritterbusch and incumbent Clarence Schwartz, contenders for the office of county sheriff, will make their opening remarks and respond to questions from the panelists and audience. A social hour will follow the main discussion allowing constituents to meet informally with all candidates.

Eisenbraut Family Reunion Held

101 descendants of the 49 families of Gottlieb and Augusta Friedel Eisenbraut attended a noon potluck dinner at River Park Shelter House in Sheboygan Falls on Sunday, August 22. This was the eleventh bi-annual reunion and was hosted by Mr. and Mrs. Elwood Eisenbraut, Mr. and Mrs. Roger Eisenbraut, Mr. and Mrs. Bruce Burns and Mr. and Mrs. Ralph Schneider.

Those in attendance came from throughout Wisconsin. Also in attendance were Scott and Rose Anderson of Turner, Oregon. Scott gave the invocation at the meal.

Following the meal, supplements to the Eisenbraut family tree booklet were given out by Claude and Irene Held. They were thanked for again preparing the supplements. Prizes were awarded in seven categories and Scott Anderson got two—for coming the greatest distance and for having the most grandchildren.

Stuart, Robert and Ralph Schneider sang several songs. Community singing was led by Myrna Eisenbraut. The balance of the afternoon was given to reminiscing and visiting.

Another reunion will be held in two years. Serving on the committee to plan for 1984 are the Oswald Steuerwald, Jerome Steuerwald, Donald Steuerwald and Alan Garside families.

An old Roman superstition held that May was an unlucky month for weddings.

Dr. Sami Saad and his mushroom identification class are shown here preparing mushrooms in a cooking demonstration in the UWWC biology course "Collecting, Identifying and Growing Mushrooms."

"Many mushroom gatherers may be playing mushroom roulette this fall," says Dr. Sami Saad, Associate Professor of Biological Science and a plant pathologist at the University of Wisconsin Center-Washington County. This fall Saad will be teaching an eight week course called "Collecting, Identifying and Growing Mushrooms." The course will be offered from 11:00 to 11:50 on Friday mornings.

There are over 2,000 species of mushrooms in the Great Lakes area. The majority of the

species can be found in Washington County.

According to Saad there are several characteristics that make mushrooms popular.

"In addition to their distinctive aroma and texture, they are a good source of vitamins and minerals," Saad says. "They have long been regarded all over the world as a most delicious and succulent food."

Another reason mushrooms have become so popular is that they contain only 66 calories per pound.

"Identifying mushrooms and other large fruiting bodies of fungi can be both interesting and rewarding - a fascinating pastime for the entire family,"

Saad says.

Saad recommends that mushroom hunters restrict their search to the "big four:" morels, puffballs, inky caps, and sulfur-shelf mushrooms.

The characteristics and growing places of these mushroom types will be discussed in the course. Poisonous mushrooms and their toxins will also be discussed. Methods of growing and cooking mushrooms will conclude the course.

Students should plan to reserve two Saturdays for actual mushroom hunting expeditions.

Registration for all fall classes is now in progress at the University. Call 338-5201 for more information.

Your HEALTH TIP

from Tom Leitzko, R.P.H.

HEART HEALTH

The human heart needs to do some hard work each day - at least during youth and the prime of life - to keep it strong and healthy. We must huff and puff occasionally for good health. However, don't risk heavy exercise if not used to it, without a doctor's examination. Avoid labor saving devices - walk instead of ride - climb stairs - get regular exercise. Your heart and health will be better for it.

Wisconsin Drivers Heeding Speed Limit Better Than Drivers in 44 Other States

Drivers in Wisconsin are complying with the 55 MPH speed limit better than drivers in 44 other states, and significantly better than any bordering state, the state Transportation Department reported.

That was the conclusion reached in a Federal Highway Administration (FHWA) study of data compiled during the first quarter of this year, according to William A. Harvey, administrator of the Wisconsin State Patrol.

"The percentage of vehicles exceeding the speed limit by 10 miles an hour is only 3.8 per cent, best in our region and eighth of all states," Harvey noted.

"There are only four other states reporting a lower per cent of vehicles exceeding the 55 MPH speed limit by any amount, and they are on the east coast.

"However, the study shows slightly over 41 per cent of the drivers here are exceeding 55. The biggest percentage is on the Interstate system, with the rural Interstate study showing more than 62 per cent of the traffic exceeding the 55 limit. On the urban sections of the Interstate an even 47 per cent speed. On the other principal rural highways in the state, the percent speeding is nearly half that of the rural Interstate. Obviously, we will have to continue our educational campaigns and our enforcement of the 55 speed limit," Harvey said.

The other states in this region are Minnesota, high with 59.7

per cent of the drivers speeding; Indiana with 58.8 per cent; Ohio with 55 per cent and Illinois with 52.2 per cent. Michigan figures were not available, the report noted.

Among all states, Nevada's 64.1 per cent of speeders was highest, followed by Colorado with 63.8 per cent.

The report found the average speed of drivers in Wisconsin was 53.2 MPH.

Automatic speed recording stations are set up in selected areas of the state to gather the data required by FHWA from all states. States which are unable, or unwilling, to reduce the number of motorists who exceed the 55 limit face loss of federal highway funds.

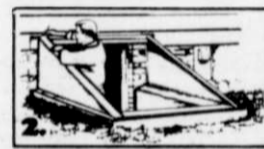

CITIZENS FOR COUNTY WIDE LIBRARY TO MEET

Citizens for County-Wide Library Service will sponsor an informational open discussion on Wednesday, Sept. 1, at 7:30 p.m. in Slinger Village Hall, 220 Slinger Rd. Vote 'Yes' on the Freeze

Wisconsin voters will have an unusual opportunity, when they cast their primary election ballots on September 14, to express their opinion about what is surely the most important issue of our time — the nuclear arms race.

In the first statewide referendum on the issue, Wisconsin voters will be asked whether they favor or oppose a nuclear freeze — a halt, by both the U.S. and Soviet Union, to the production of more nuclear weapons.

The specific question on the ballot has been carefully worded to give a balanced view and win bipartisan support. The fact that it has been endorsed by Gov. Lee Dreyfus and all five major party candidates to succeed him, Republican and Democrat alike, is evidence of its reasonable, nonpartisan position.

The ballot question asks:

"Shall the Secretary of State of Wisconsin inform the President and the Congress of the United States that it is the desire of the people of Wisconsin to have the government of the United States work vigorously to negotiate a mutual nuclear weapons moratorium and reduction, with appropriate verification, with the Soviet Union and other nations?"

The question is general, and intentionally so. It is not an attempt to negotiate a treaty or to tie the United States to an extremely narrow arms control or disarmament proposal.

It merely is intended to send a message from Wisconsin to Washington, D.C. — and beyond, to Moscow and other capitals of the world — that the time has come to stop the deadly arms race, which threatens the survival of the planet.

The freeze by itself won't solve the problem. A "yes" vote on the referendum won't end the arms race.

But, as supporters of the freeze referendum say, we must start somewhere to say that enough is enough, and that the existing US-USSR stockpile of 50,000 nuclear warheads is too much. The freeze is a logical first step toward the eventual easing of tensions and reduction of nuclear arms.

We recommend a "yes" vote on the freeze referendum on September 14.

County 4-H Members Well Represented At State Fair; Place High in Projects

Washington County was well represented at the Wisconsin State Fair in a variety of project areas.

From August 10-15, members exhibited beef, swine, sheep, goats, rabbits and poultry. All members did well as individuals and worked together very cooperatively as county units to place high in group herdsman-ship competition.

In beef, a single Polled Hereford entry was made by Mary Ellen Shaw and she received a first. The remaining animals shown were all Angus and the exhibitors received the following places:

Robby Doerfler, Sussex, 7th; Jeff Guyant, West Bend, 8th; Mary Ellen Shaw, West Bend, 1st and 2nd; Stan Shaw, West Bend, 3rd; Andy Wundrock, West Bend, 5th; Mark Wundrock, West Bend, 9th.

The beef members also exhibited the first place Angus group and received a blue in herdsman-ship.

Two members exhibited swine and they received the following awards: Jill Etta, West Bend, a red and a white on her crossbred gilts, 12th place in senior showmanship, and a red in the junior quality pork contest. Jon Etta, West Bend, two reds on his crossbred gilts, 10th place in intermediate showmanship, and a white in the jr. quality pork contest. They also received a blue in herdsman-ship.

Sheep exhibitors competed in their regular breed classes as well as some carcass and showmanship classes. The results are as follows:

Ellen Roembke, Cedarburg - one blue and five reds on Hampshires, 9th in intermediate showmanship and junior lead class; in market classes - a red for her lamb on the hoof and pink on her lamb

carcass.

Mark Roembke, Cedarburg - three blues, 2 reds, and one white on Hampshire, 4th in senior showmanship; in market classes - white for his lamb on the hoof and 21st lamb carcass. He also placed second in the junior sheep shearing contest.

Karl Seilenbinder, Richfield - two blues on his Suffolks and 6th place in intermediate showmanship.

Goats from Washington County were present at the State Fair for the first time. Both exhibitors showed Alpines and received these ribbons: Shawn Hacker, Colgate, two blues; Todd Oakley, Germantown, one blue. They received a first red in herdsman-ship.

Rabbits were also on display and their owners were awarded the following placings: Mark Strege, Germantown, one 1st, three 2nds, two 3rds, one 4th, and one 8th. Tina Thompson, Richfield, three 1sts, and two 2nds.

Tina Thompson also exhibited poultry and received two 2nds, three 3rds, and three 4ths.

All these members are to be congratulated on their fine showing at the State Fair. They represented Washington County very well.

What to Do When You Are the First at The Scene of a Motor Vehicle Accident

It doesn't happen often, but sooner or later you will be driving down the highway and find yourself face-to-face with a traffic accident. Not one involving you, but one that happened only minutes or even seconds in front of you. HOW YOU REACT and WHAT YOU DO in the next few minutes could save lives and substantially reduce suffering and property losses.

When you are first, you are part of the accident, and you have certain responsibilities. First and foremost is to prevent a second accident by turning off the road completely and turning on your emergency flashers. Park your vehicle beyond the scene of the accident and far enough away that it will not hamper the approach of emergency vehicles or block space they need to stop in near the accident. In parking your vehicle in this manner, it is also protected from the hazards of the first accident.

If there are injured, do not move them unless it is absolutely necessary. First attend to anyone not breathing and next to those who are severely bleeding. It is very important that you remain calm and reassure the injured. Try and make them as comfortable as possible and extend yourself to their needs. Wisconsin's "Good Samaritan Law" affords protection from liability to any untrained persons who give care in a medical emergency at the scene of such emergencies when they do so in "good faith." Health care professionals are also immune from civil liability under this law when they render emergency care without compensation and out of the scope of their normal employment or practice.

It is best to have at least one person stay with each injured person to reassure them until the police, Sheriff's Department or other trained emergency care personnel arrive and can take over. If you can, search the area for other victims who may have been thrown from the vehicle. Ask someone to call the police or Sheriff's Department or call yourself if you are able to leave the injured. Give the exact location of the accident, the fact that there are injured people and that you will need an ambulance. Speed in making this call is of the utmost importance. Trained emergency care personnel are only minutes away when the call for them is made promptly.

Never attempt to transport victims to the hospital yourself. Without a proper evaluation of their injuries and correct handling procedures, you could seriously worsen their condition. Ambulance providers have intensively trained per-

sonnel who take great precautions to see that their patients arrive at the hospital in a condition no worse than they were found at the accident.

Always try and reduce all possible hazards at the accident scene as soon as you are able. Be alert for leaking gasoline or fuel. Turn off vehicle's ignition and keep smokers away. A couple of flares carried in your car and set up down the road can prevent another accident. Ask someone to warn approaching traffic about the accident.

If you did observe the accident actually happen, remain there until the investigating officer can get your name, address, telephone number and a statement from you. The Officer may be too busy in the first few minutes to get this information but let him know that you are a witness and that you will wait in your car until he can get back to you. While waiting, it might be a good time to review what you saw and make some notes. Avoid talking to other people about the accident. Different people see different things and your statement to the police should be a true and accurate representation of what you actually saw and not influenced by other people's views or opinions of the accident as they saw or heard about it. If you can't avoid leaving the accident before your statement is taken, leave your name - address and phone number. If that's not possible, call the police or Sheriff's Department as soon as you can with this information so

the investigating officer can arrange to take your statement at a later time.

Remember, when you are first on the scene of an accident you really do have responsibilities - great moral responsibilities. Horror stories of motorists driving on the shoulder to get around accident victims in the road, never stopping to help, are true and do happen, even in Washington County! Put yourself in the victim's place and decide how you would feel alone and helpless.

Clarence A. Schwartz,
Sheriff
Washington County

Panzer Dairy Day Aug. 30

Change Inheritance Tax: Panzer

Mary Panzer (R-West Bend) wants to see a change in the lineal descendent intergenerational tax structure to allow family farms and business to stay in the family. Such a change would help preserve the family farm, says Panzer, whose district includes most of the farmland in Washington County and a portion of Ozaukee County. According to Panzer, the bill to eliminate inheritance tax on interspousal transfers was the first step in changing the whole structure of the inheritance tax. That will save taxpayers an estimated \$5 million between 1982 and 1984.

Such a change and future changes are necessary to keep the family farm just that—a family business. Echo Valley Farm in the town of Trenton is just such a business. Echo Valley is farmed by Andrew and Dris Fechter, their son Charles and their daughter and son-in-

law, Sherri and Wayne Kannass. Sherri is also a real estate agent. The 575 acre farm has been in the family since 1941. The 200 dairy herd is the farm's primary product. In addition, the Fechtters raise all their replacement heifer cows and the feed: hay, corn cobs and oats, necessary to keep the herd productive.

Echo Valley Farm is the site for Panzer Dairy Day, Monday, August 30, from 4 to 9 p.m. Panzer Dairy Day will give all residents of the new 72nd assembly district a chance to meet Mary Panzer, as well as Laverne Ausman, Secretary of Agriculture and gubernatorial candidates, in addition to watching a dairy farm in operation. A full slate of activities is scheduled for the entire family. Tickets are available from Friends of Mary Panzer or by calling 677-2303.

acts. He kept the onlookers spellbound and speechless.

Robert Krautkramer, son of Mrs. Anna Krautkramer, and Miss Lois Melius, daughter of Mr. and Mrs. John Melius, of Route 1, Adell, were married August 18 in Milwaukee. The young couple will reside at Beechwood.

John Weyker of Boltonville, while watching a ball game played at Boltonville last Sunday afternoon, had the misfortune of being struck by a ball which was hit by a batter, hitting him alongside the right eye with such force that the eyeball was so injured that the use of same in the future will be impossible.

A baby boy was born to Mr. and Mrs. Louis Opgenorth early Monday morning. The newcomer received the name Kenneth Louis.

August 22, 1952

Mr. and Mrs. Mervin Stayton have sold their Kewaskum Bakery business and equipment in the George Kippenhan building on Main Street to Mrs. David Heacock, who resides in Roseland Heights in the village. Mr. Heacock is station agent for the North Western Railway here. The Kewaskum Bakery was opened over four and a half years ago by Edwin "Murphy" Miller, who conducted it for about three and a half years. On September 10, 1951, Mr. and Mrs. Stayton took possession. Mrs. Heacock will open her bakery on September 2, carrying the same fine Barton Bakery products.

Pfc. Harold E. Stern, son of Mr. and Mrs. Fred Stern, Route 2, Kewaskum, is now serving on the western front with the 2nd Infantry Division. His unit recently captured "Old Baldy" mountain, northwest of Chorwon, to climax one of the bitterest see-saw battles of the Korean War. Stern was assigned to the division as a rifleman upon his arrival in Korea.

A daughter, Lois, was born to Mr. and Mrs. Tom Heldt, Campbellsport on August 15, and a son was born to Mr. and Mrs. Vernon Feuerhammer, Campbellsport, on August 16.

September 2, 1932

Businessmen of the village met Tuesday evening in the room above the former Farmers and Merchants Bank building and completed the preliminary steps to the perfection of a businessmen's organization, and have adopted the name of Chamber of Commerce of Kewaskum. The meeting was called to order by Arthur W. Koch, who was chosen temporary president. Theo. R. Schmidt was chosen temporary secretary. When the meeting was adjourned the roll call of paid up members included 58 businessmen. As one of the members said, "plug for a better, bigger and prosperous Kewaskum."

A. E. Olsen Co., known as the famous Wisconsin Steeple Jacks and Dare Devils, of Janesville, Wisconsin, this week completed the painting of the village water tower, the L. Rosenheimer Malt and Grain malt tanks and the flag pole on the Kewaskum bank building. Mr. Olsen is famous for his daredevil acts which he performs before vast crowds in every city he visits. In this village one day last week he entertained a large number of citizens in an exhibition of scaling the front of the Bank of Kewaskum building and then climbing the flag pole upon which he did several balancing

Today's Medicine

DISCOLORATION OF TEETH
J. Dennis Connor, D.D.S.

The discoloration of front teeth is often a heartbreaking outcome of several different causes. The affect of drugs, most notably tetracycline, on tooth enamel formation has long been known to cause discoloration of the teeth. The ability of tetracycline to cause tooth discoloration is due to its reaction with calcium. Thus all calcified tissues forming at the time of tetracycline ingestion will be affected. In newly erupted teeth, this will show as yellow pigmentation, and with increasing exposure to sunlight the teeth take on a yellowish-brown hue.

Tetracycline has the ability to cross the placental barrier, so that pregnant females who take this drug may have children with tetracycline discoloration. Tetracycline therapy has been used to treat a large number of childhood illnesses which today are more amenable to other drug therapy.

A wide variety of both systemic illnesses (German measles) and metabolic disturbances (hypothyroidism) can affect enamel formation. Severe viral and bacterial infections during either pregnancy or early childhood have been associated with enamel malformations or discolorations.

Although discoloration and malformations can occur, there are now several alternatives to correcting the problem. Capping the affected teeth, or a new process called veneering can be undertaken. Since capping isn't usually indicated until the patient is about 17 years old, the process of bonding a thin plastic veneer can now be done with very pleasing results at any age.

Letters to the Editor

EDITOR'S NOTE—The Statesman received another unsigned Letter to the Editor this week. The letter came from Tucson, Ariz. For the umpteenth time, readers are reminded that all Letters to the Editor MUST BE SIGNED and the name, address and phone number of the writer given. The Statesman prefers to use signed letters, however, the name of the writer will be withheld upon request.

August 23, 1982

Mr. Wm. Harbeck
Kewaskum Statesman
250 Main Street
Kewaskum, WI 53040

Dear Mr. Harbeck:

On behalf of Kewaskum Community High School, I would like to publicly thank the Kewaskum Kiwanis Club for resurfacing the high school tennis courts.

I know this project cost in excess of \$5,000 and it again shows the kind of service and financial support our local Kiwanis Club gives to our community. This is something our whole community can use and benefit from.

Thanks again!

Sincerely,

Clark A. Pearson,
Principal

To The Editor

Dear Sir:

I think it would be appropriate to print the enclosed letters, giving the individual officers their due credit and recognition. Thank you.

Sincerely,

Clarence A. Schwartz,
Sheriff
Washington County

August 10, 1982

Clarence A. Schwartz
Washington County Sheriff
500 North Schmidt Road
P.O. Box 518
West Bend, Wisconsin 53095

Dear Mr. Schwartz:

I am writing this letter to express my appreciation for help we received from one of your officers. Last evening when we returned from work to our home at 1401 Scenic Drive in Richfield, we found some vandalism had been done. After calling the Sheriff's Department, an officer, whose name I think was Dan Lecher, came in a very short period of time to investigate. We had an idea of who might have been responsible, but without proof, of course, nothing could be done. The officer promised to cruise the area more frequently, and left.

A short time later, the two we thought might be responsible came over to tell us they had seen someone in our yard. We again called and had the officer stop back over. He went and talked to both of the girls and their parents and even though they would not admit involve-

ment, the officer must have done some good. Within an hour of this leaving, one of the girls and her mother came to our house to tell us they were responsible. Case closed.

We feel the officer went out of his way to take care of a very minor matter. There has been several occasions since we moved to Richfield about 2 years ago that we have had to call your department. We have always had prompt and courteous response and we appreciate it. It is a comfort to us, and I'm sure all of Washington County, to know that the Sheriff's Department is run effectively and efficiently.

Sincerely,

Germantown Iron & Steel
Corporation

Gerald G. Albert

West Bend

August 11th, 1982

Clarence Schwartz, Sheriff
Washington County Courthouse
West Bend, WI 53095

Dear Sir:

In the newspapers & TV we have lately been bombarded with all kinds of bad publicity concerning the police, and especially so about what has happened in Milwaukee. I feel that, for a change, any Sheriff or Police Chief in the area will welcome some good news about a police officer.

This letter is to highly commend one of your officers - namely, Officer Gonwa, Badge #458, for his courtesy, thoughtfulness & considerate manner. (I would have written before, except that I forgot his name. Today he kindly returned, to my mail box, some item of mine that I had left behind in his squad car. In this way that I was able to get his name again).

About two weeks ago, late at night, Officer Gonwa stopped me while I was driving home from a night out. He noticed that I had been drinking, which I had, and readily admitted to him. He very politely asked if I would consent to a sobriety test on the spot, to which I agreed. Although I did pass the simple test, it was obvious to Officer Gonwa, and to me, that it was borderline at best. At that point he suggested that I not drive the car the rest of the way home. I agreed because I recognized that what he was saying was for my own good & not for any other consideration. Since it was very late at night, and I did not want to wake up my wife to come for me, Officer Gonwa volunteered to take me home. He took me right to my driveway, safe & sound. He may not know it, but my wife & four small children are very grateful

for his actions. AND SO AM I!

Normally I have the utmost respect for the police in general, and I never miss an opportunity to pass this feeling on to my little children so they may grow up to look upon the police with friendly eyes rather than fear. I told them about what Officer Gonwa did for me as a fine example of the good that is to be found in most police officers.

As for Officer Gonwa, and his gentle manner, I have reason to believe that nobody ever need to doubt his sincerity & dedication to public trust. Thank you for this opportunity to express myself regarding a fine young man & a darn good police officer.

Sincerely,

Gerry Albert

In The Service

Tech. Sgt. Kenneth K. Kreif, son of Jerome L. and Fern M. Kreif of 1150 Western Ave., Kewaskum, has participated in an Air Force Strategic Air Command (SAC) exercise called Global Shield 82.

Kreif, a jet engine technician with the 305th Air Refueling Wing at Grissom Air Force Base, Ind., joined others from all SAC units in the United States and selected Air Force Reserve and Air National Guard units to take part in command post and field training exercises. Global Shield 82 was the fourth such exercise held by the command in as many years. It was designed to enhance readiness and the ability of the command to carry out orders which support U.S. national policy, should deterrence fail.

Components of the U.S. Navy and Marine Corps, as well as elements of the Canadian forces, also participated in the exercise.

His wife, Mary, is the daughter of Robert and Coletta Abhold of Route 1, Mount Calvary, Wis.

Kay F. Lackas, daughter of Donald W. and Rose M. Lackas of 272 Forest St., Campbellsport, received practical work in military leadership at the Army

ROTC Advanced Camp, Fort Lewis, Wash. *

The six-week training includes instruction in first aid, communications, marksmanship, orienteering weapons, weapons systems, defensive and offensive tactics, reconnaissance techniques and other areas.

Most cadets fulfill their advanced camp requirement during the summer between their junior and senior years in college. The successful completion of the advanced camp and graduation from their respective college or university will result in the student's being commissioned a second lieutenant in the active Army or the U.S. Army Reserve or National Guard.

Lackas is a student of the University of Wisconsin in Whitewater.

Navy Seaman Recruit Jeffrey A. Minzlaff, son of Jerne C. and Judy M. Minzlaff of 8698 Boltonville Road, Kewaskum, has completed recruit training at the Naval Training Center, Great Lakes, Ill.

During the eight-week training cycle, trainees studied general military subjects designed to prepare them for further academic and on-the-job training in one of the Navy's 85 basic occupational fields.

Included in their studies were seamanship, close order drill, Naval history and first aid. Personnel who complete this course of instruction are eligible for three hours of college credit in Physical Education and Hygiene.

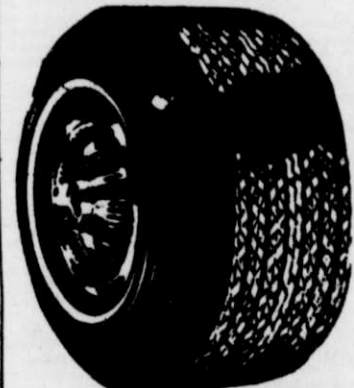

Airman Steve H. Bemis, son of Ann H. Bemis of 5405 Richenbacher Ave., Alexandria, Va., and Eugene G. Bemis of Rural Route 1, Adell, Wis., has participated in an Air Force Strategic Air Command (SAC) exercise called Global Shield 82.

J & J AUTO TOPICS

ON CARS AND GALS

Do you notice all those automobile ads? The ones with the scenic open road with pine forests and wide blue skies. The happy, smiling people, the beautiful draped girls adoring the handsome macho-man behind the wheel; the wind blowing through their tussled hair.

How come you never see these cars being dragged behind a tow truck? Or parked along the road with a boiling, steaming radiator?

Because these discriminate drivers make that all-service stop with regularity at J & J AUTO SERVICE. They know that nothing lasts forever. You must have periodic maintenances to get your moneys worth from your automobile. And the short drive to 450 E. Main will get you these pleasurable driving miles. No, Mister, we don't have any beautiful draped girls for you.

Minutes of Village Board Meeting

Mid-monthly Meeting
August 16, 1982
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in mid-monthly session in the Council Room of the Municipal Building, 204 First Street.

Administrator Schmidt called the meeting to order. President Stollenwerk asked to be excused and was absent. All other Trustee Members were present.

On a motion by Trustee Paul Blumer, seconded by Trustee Mlodzik and unanimously carried, the Board appointed Trustee David Nigh to serve as President Pro-Tem.

The minutes of the meeting of August 2, 1982, were approved as printed upon a motion by Trustee Richard Schmidt, seconded by Trustee Donald Mlodzik. Voice vote was unanimous.

Police Chief Hlavaty asked that the Board discuss the enforcement of the sign ordinance in reference to rummage sale signs. The board agreed the sign ordinance must be enforced in reference to all signs and instructed the Administrator to place an article in the paper informing the people, along with consulting with SEWRPC regarding the zoning ordinance update.

The bird problem in front of the Municipal Building was also discussed and it was suggested the office check with a pest control firm to eliminate the problem.

The Superintendent of Public Works reported that CTH "S" or Riverview Drive was completed as of late afternoon (8/16/82), by the county highway department.

Administrator Schmidt reported that River Bend Cablevision was almost complete with all hook ups in the village with the exception of three outer areas. It was also noted as of June 20, 1982, 438 homes said yes to cablevision and 172 said no. The national average for CATV is 42-44%, Fond du Lac's is 50-52%, West Bend's is 64% and the Village of Kewaskum is

running at 72%.

Administrator Schmidt reported on the County meeting on Computerized Elections. After hearing the report, the Board was unanimous in their feelings that the County should follow-up on this matter.

Administrator Schmidt informed the Board that the 1982 census report provided by the Wisconsin Department of Administration Demographic Service reflects a loss of 38 people. It was felt the report was in error and the Administrator should check into the matter.

On a motion by Trustee Donald Mlodzik, seconded by Trustee Richard Schmidt and unanimously carried, the Board approved the payment of a bill to Barnett Brothers of Columbus, Wisconsin. The bill is for the balance remaining on the new fire truck minus a 15% retainer. The amount of the payment is \$21,201.00 and is recommended by the Administrative Committee.

Park and Recreation Chairman, Jeffrey Rohrer, reported that the beach would be open until August 29, and reopen for the Labor Day weekend September 4, 5, and 6. The beach would then be closed until the 1983 summer season.

Public Works Chairman, Donald Mlodzik, brought the results of the Public Works Committee meeting to the Board. The first item was the recycling agreement worked out with Re Com, Inc. Re Com, Inc. agreed to finish out the year under the present method of collection and payment plan. Beginning in January of 1983, Re Com, Inc. would receive the first 24 tons of glass free, after which time they would pay the organization sponsoring the collection \$15.00 a ton. They would also provide metal containers for the collectable materials. They recommended to the Board that the village encourage the Jr. Women's Club to continue with the project and to pay the organization sponsoring the project \$5.00 per ton up to a maximum of 24 tons.

On a motion by Trustee Paul Blumer, seconded by Trustee Jeffrey Rohrer and unanimously carried, the Board approved the payment of \$5.00 per ton of glass to the organization sponsoring the recycling project, up to a maximum of 24 tons. The Board also unanimously agreed to encourage the recycling projects.

The Public Works Committee

recommended the advertising for a contractor to mow and/or cut the weeds and grass on lots or parcels in the village that are in violation of the Municipal Code. It was noted that the cost of this service would be billed to the property owner and if not paid placed on the property owner's tax bill.

On a motion by Trustee Donald Mlodzik, seconded by Trustee Howard Laubenstein and unanimously carried, the Board authorized the Administrator to advertise for a contractor to mow and/or cut weeds and grass on those parcels in violation of the Municipal Code. (Note the contractor must provide his own equipment).

The Public Works Committee mentioned they had received proposals from three engineering firms in reference to the proposed TIF projects and that they would be discussed at a Public Works Committee meeting scheduled for September 7, 1982 and the Village Board meeting scheduled for September.

The committee also mentioned the possibility of only undertaking some roof repairs on the Municipal Building this year under the remodeling program.

Administrator Schmidt read a portion of the Police Commission meeting minutes of March 16, 1982, to the Board so a basic recommendation would be officially placed on file. The recommendation is as follows: "Motion was made by Backhaus and seconded by Koch that a recommendation be made to the Village Board to create a Sergeant position within the department."

On a motion by Trustee Paul Blumer, seconded by Trustee Richard Schmidt and unanimously carried, the Board approved the changing of the next meeting date from September 6, 1982, to September 7, 1982. This change was desired because of Labor Day falling on September 6, 1982.

The Kewaskum PTO submitted a request to hold a community Halloween Party for the area children on October 30, 1982, with a public parade scheduled for approximately 5:00 P.M. The Board reviewed the matter, but did not make a decision not to hold a community trick or treat.

On a motion by Trustee Paul Blumer, seconded by Trustee

Donald Mlodzik and unanimously carried, the Board denied the request to apply for a parade permit for Main Street and Fond du Lac Avenue on a recommendation from the Police Department.

Administrator informed the Board of the scheduled Mid-Moraine Municipal Association meeting for August 25, 1982.

Motion was made by Trustee Donald Mlodzik, seconded by Trustee Howard Laubenstein to adjourn to closed session under 19.85 (1)(g) of the Statutes to discuss the litigation by Ralph and Henriette Scott vs. the Village of Kewaskum, Washington County Circuit Court - Case No. 32568. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent." The motion was carried by the majority.

Daniel S. Schmidt
Administrator

simple explanation of electrical terms, how electricity works and how to plan a safe and efficient distribution system in the home, whether it is owned or rented. After three sessions of actual circuit wiring, students will have the opportunity to repair small appliances they bring in. Home Wiring begins Wednesday, September 8, at 7:00 p.m. Tuition is \$9.15. For further information and to pre-register call 334-0909.

Educational Prairie Study at Cedar Lake Home Campus Slated

The 6-acre Cedar Lake Home Campus prairie, located off the shores of Big Cedar Lake, will be the site of an educational prairie study for the community, Saturday, September 11, from 1:00 - 4:00 p.m.

The "Prairie Happening" is sponsored by the Cedar Lake Home Campus Forest, Trails and Prairie Committee, a group of community environmentalists who volunteer their expertise to help the Campus plan, develop, and maintain the hardwood forest with nature trails, the wetlands, and the natural Wisconsin prairie.

The "happening" will enhance participants knowledge of the many varieties of flowers and grasses found in an original southeastern Wisconsin prairie. The afternoon is designed for people of all ages.

There is no cost for the "Prairie Happening," but registration is required by September 3. Send names and addresses of registrants to: The Forest, Trails and Prairie Committee, Cedar Lake Home Campus, 5595 Hwy. Z, West Bend, WI 53095. The group will convene at the Campus Learning Center.

In the 9th century, the King of Persia was known as the Illustrious Jam.

Adult Classes in Technical Areas Offered by MPTI

If you have taken a good look at what it costs today to have the garage change your oil, grease your car, rotate your tires, or put in a new oil filter and you would like to save a little money by doing it yourself, sign up now for Moraine Park Technical Institute's "Beginning Auto Mechanics-Powder Puff." You will also learn about preventive maintenance and trouble shooting, car inspection, the use of a car jack and headlight replacement. Instruction begins Monday, September 13, at 6:00 p.m. and runs for seven weeks. Tuition is \$10.15.

MPTI will also offer "Diesel Servicing" on Tuesday, September 7, from 7-9:40 p.m. Classes will deal with tune-up and maintenance costs. Persons who operate diesel engines and tractors should be particularly interested in this course. Tuition is \$10.15.

Basic Home Wiring is designed to help anyone repair and make additions to normal home wiring. The course starts with a

TAX BILL NOT THE ANSWER

Last week, Congress had to grapple with a very tough issue: passing a \$98 billion tax package. It finally passed, but I could not, and did not, support it for several reasons.

One, I could not go along with what I saw as at least a partial retreat from the Administration's economic policy of substantial budget and tax cuts to curb interest rates and boost the business sector. I strongly supported this program because I felt it was needed.

We need a balanced federal budget very badly, but we should achieve it by cutting spending, not increasing taxes. In my annual survey this year, the people of the Ninth District agreed on this score by an overwhelming 80% - 20% margin. Congress fell far short this year in cutting spending, especially in the area of defense.

Two, I strongly opposed, as I have ever since I came to Congress, the tax bill's provisions for imposing a 10% withholding tax on interest and dividends.

This tax will act as a disincentive for savings and investment, which we need to help the economic recovery. It also will create a costly and bureaucratic recordkeeping nightmare for the financial institutions and businesses which will have to withhold the tax and forward it to Uncle Sam.

Lastly, I was very disturbed at the harsh tactics used by some officials of the Republican Party in pressuring Members of Congress to support the tax bill. A Wall Street Journal article revealed cases of threats of withholding campaign support, for example, from those opposing the measure.

For me, the substance of the tax bill was a far more critical factor in my opposing it, but the way some pushed it in behalf of the President was reprehensible.

To be sure, there were some

provisions in the tax bill which are needed and which I could have supported if enacted separately. The tax code is far from perfect and could use some reforms.

However, the demerits of the bill as a whole far outweigh the merits of the reforms it contains, in my opinion, so I had to oppose the bill.

It is time for Congress to go back to the drawing board and cutting spending more, instead of sticking it to the taxpayer.

Soil Conservation Service Accepting Volunteer Workers

In these belt-tightening times when almost every day brings new cuts in programs and services, the Soil Conservation Service is responding to public need through a volunteer program.

"Thanks to the Agriculture and Food Act of 1981, the Soil Conservation Service now can

accept the volunteer services of any person of any age or skill in helping with soil and water conservation programs," says Peter C. Myers, Chief of the USDA's Soil Conservation Service.

SCS volunteers are unpaid and will definitely not displace any USDA employee. According to Clifton Maguire, state conservationist in Madison, Wisconsin, volunteers can help with field surveys and layout of conservation practices, help train students for soil and land judging contests and help with conservation education programs. They can help construct outdoor learning areas, help with public information campaigns, or with routine paperwork. "Freeing SCS employees to concentrate on priority work helps us give the public more for each tax dollar," Maguire said.

"Since we announced the program in mid-May," Myers said, "the response has been excellent. More people are signing up every day." One of those volunteers is a long-time friend of resource conservation, actor Eddie Albert, who recorded radio spots to help promote the volunteer program.

Many skills are needed and volunteers are permitted to perform a wide range of services on a part-time basis. "With the help of volunteers, we can be more responsive to farmers, ranchers, and other land users, and do a better job for less time," Myers says.

For further information, please contact Don Kurer, District Conservationist, 2395 W. Washington St., West Bend, or phone 334-3706.

IT'S NOT EASY

- to apologize
- to begin over
- to admit error
- to take advice
- to be unselfish
- to keep on trying
- to be considerate
- to think and then act
- to forgive and forget
- to profit by mistakes
- to accept a deserved criticism

BUT -- IT PAYS!!

77 County Residents Awarded \$177,809 for Replacement of Private Sewage [Septic] Systems

Seventy-seven residents of Washington County were awarded \$177,809 from the State's "Wisconsin Fund" for the replacement or rehabilitation of private sewage (septic) systems. This announcement was received today by Paul Mueller, Washington County Land Use and Park Dept. Administrator. In a letter from Paul N. Guthrie Jr., Director of the office of Intergovernmental Programs for the Wis. Dept. of Natural Resources, Washington County was applauded for its commitment to clean water and good public health.

Since beginning participation in the Wisconsin fund a few years ago, \$558,035 has been awarded to residents of Washington County from the Wisconsin Fund for the replace-

ment or rehabilitation of 216 systems. Funding for repair or replacement of several more systems is in the pipeline.

County residents including residents of the cities and villages who desire information about the Wisconsin Fund should contact the Washington County Land Use and Park Department at the County Courthouse. The Department is the sanitation code authority for all of Washington County. Phone 338-4445 in West Bend; 644-5204 ext. 4445 in Hartford/-Slinger, or 342-2929 ext. 4445 in Milwaukee Metro phone area.

FRANKIE HEIMERL of West Bend showing off his class #6 modified.

RACING RESULTS

by Jae Omen

Slinger Super Speedway Late Model Div.

With Conrad Morgan of Dousman winning the 30 lap feature Sunday night, he has come within 60 points of second place holder, Johnny Ziegler, in the point standings.

Current point leader, Willie Goeden, clocked fast time for 15 pts. (11.977, an average speed of 75.06 m.p.h.) while Ziegler, who had wrecked his #93 car at the Dells on Saturday night, qualified Jerry Woods #73, for 5th in time. On the 2nd lap of the Dash for Cash, sparks were visible from under the Ziegler car, sending him to the pits. Goeden finished 3rd for the money and the points. (2 pts.)

With the line-up of the 30 lap feature, it was announced that Ziegler would be driving Dave Klein's car #41. (At this track, points go with the drivers, and at E.W.S.C. the points go with the car).

In the early part of the feature it was a duel between Fred Wynn and Bruce Bares, while other drivers Laufer, Goeden and Zeigler, were working their way through the pack.

On the 21st lap, Ziegler, running in 6th position, began to "get squirrely" causing Laufer and Goeden to spin and bring out the caution flag. With his main two contenders having to restart in the back, Ziegler challenged Jerry Eckert for position when the race resumed. In the second turn of the restart, Ziegler again, mis-handled the car, causing contact with Eckert, and both slammed into the wall, with Eckert flipping over on top of the car driven by Ziegler. No one was injured, but extensive damage was done to both cars.

With only 6 laps left in the main event, Morgan passed Wynn in the restart, Rich Bickle challenged Wynn for second position, while Bruce Bares and Russ Peterson battled for

fourth.

Coming for the checkered, it was Morgan out in front, when Wynn and Bickle tangled on the back stretch, causing Wynn to spin out and back up on to the track. Peterson was able to avoid the spin for second, Bickle survived to come in third and Bares placed fourth.

Laufer and Goeden had worked their way up through the pack again, but with Wynn in the lanes of traffic, Laufer spun and tapped the wall, and Goeden made contact with Wynn, but was able to limp across the finish line in 5th position.

The point standings are as follows: Goeden — 1184; Ziegler — 1068; Morgan — 1006; Strupp — 901. (Tony Strupp had engine problems in the feature event, but finished 2nd in the fast heat).

Francis Creek and Plymouth Modified Division

The challengers were the same, but the players (drivers) changed courts, (tracks), as Ron Luedtke collected his first career clean sweep at the 141 speedway. Luedtke clocked fast time and won his 10 lap heat. It was a three way battle, with Randy Tracy of Plymouth, leading, Willie Goeden, who had worked his way through the pack, on the outside groove, and Luedtke, who followed Goeden through, behind Tracy, waiting for a chance to pass both of them. In the second turn

of the 21st lap, Tracy took Goeden out of the groove and Luedtke slipped in the inside of Tracy to take the lead for good. Goeden was able to get around Tracy 2 laps later to finish second in the 30 lap feature on the asphalt track.

It was a different story at Plymouth, the "dirt leg" of the circuit. Frankie Heimerl of West Bend posted quick time, 14.04 seconds, taking it from Luedtke in the last seconds of qualifying. Goeden qualified ninth and took the high outside groove on the dirt, to take the lead from Gene Erdman on the 5th lap, survived a caution to take the checkered. Erdmann finished second and Ron Luedtke placed 5th in that event. Point Standings: Luedtke — 1715; Goeden — 1560; Berth — 1421; Tuschl — 1263; Heimerl — 1257.

RECORD INLAND BROWN TROUT CAUGHT

A 15-year-old Spring Valley youth has established a record for brown trout caught on inland waters of Wisconsin.

Tod Jorgenson caught the 15-pound, one-ounce lunker in the Rush River in Pierce County last Friday. The fish, which broke the previous Wisconsin record for a brown caught in inland waters by nine-ounces, measured 29-1/4 inches long and had a girth of 17-3/4 inches.

OPEN HOUSE

Sunday, Aug. 29 — 1 to 3 p.m.

352 Ladwig St., Campbellsport

Immaculate and neat-as-a-pin ALL BRICK 3 or 4 bedroom, 1 1/2 bath Ranch on a meticulously groomed lot, terraced with Lannon Stone and located in an exceptional neighborhood. Reconsideration Of Goose Quota Sought by DNR

A letter strongly protesting the reduced goose harvest quota assigned to Wisconsin by the U.S. Fish and Wildlife Service (FWS) Regulations Committee for the 1982 hunting season was issued late last week by C. D. Besadny, secretary, Wisconsin Department of Natural Resources. DNR was notified of this development on August 4.

The proposed quota this year is 18,000 geese, a 10 percent reduction from the 20,000 allotted to Wisconsin in 1981. Illinois, the only other major goose harvest state with a federal quota in the 14-state Mississippi Flyway, was given a similar quota reduction with an allotment of 27,000 compared to 30,000 in 1981.

In his letter, addressed to Robert Jantzen, FWS director, Besadny said he is "absolutely enraged" to learn of the reduced quota allotment.

"Frankly," Besadny said, "the FWS proposal smacks of a raw political decision untarnished by any biological ramifications or concerns for the continued support of a state such as Wisconsin which has a long history of positive management and cooperation in Flyway programs." He requested Jantzen to reconsider the Wisconsin proposal.

Wisconsin's harvest of Mississippi Valley population (MVP) Canada geese was 33,850 in 1981 compared to the assigned quota of 20,000. Wisconsin had requested FWS to assign a harvest quota of 25,000 geese for the 1982 hunting season. The request included a recommendation that the goose hunting season be shortened from 50 days to 30-40 in order to reduce the harvest by about 9,000 birds (26 percent) to our proposed quota level of 25,000 this year. Wisconsin has been working with other states in the 14-state Mississippi Flyway Council to implement a previously adopted management plan that will allow the total

MVP to increase in order to allow more states a recreational opportunity from this flock.

Wisconsin's quota request was based on a number of factors including improved breeding ground protection this year, a 19 percent increase in peak goose counts in Wisconsin last fall, and a goose harvest last year that was 30.5 percent less than in 1980.

Wisconsin's management projections for the goose flock show that the MVP is expected to reach a winter count of 496,000 by 1985 and 566,000 in 1986, an increase from the current total population of about 350,000.

Besadny said the reduced quota assigned to Wisconsin this year would allow the Wisconsin "cohort" (the segment of the total MVP population that migrates into Wisconsin each year) to increase faster than our migration habitat can accommodate.

KEWASKUM MEN'S HORSESHOE LEAGUE

Bob Struebing and Jim Boegel took first place this year by 2 1/2 games with Herb Theisen and Butch Gengler taking second place.

The high individual average was pitched by Bob Struebing with 44. High 3-game series was shot by Merlin Luedtke with 174 points. The most improved average was also Merlin Luedtke, from 28 to a 42 average. Jim Boegel pitched the high game of the year with a 66.

Washington County PUBLIC HEARING ANNOUNCEMENT

Comprehensive Community Services Agency

Department of Social Services

Office on Aging

In order to secure comment from the general public and interested groups on proposed services and budgets for 1983, these County departments will hold joint public hearings as follows:

MONDAY, AUGUST 30 — 3:30 P.M.

Washington County Courthouse Auditorium
West Bend

WEDNESDAY, SEPTEMBER 1 — 7:30 P.M.

Lincoln School Cafeteria
Hartford

Proposed budgets will be available at the hearings or in advance at the respective departments.

Only 3 Lettermen Back; Lack Numbers Indians Host Slinger in Football Opener Sept. 3

The Kewaskum High School football team will lack numbers this coming season.

Coach Mike Fiffick, who is returning his fourth year for Kewaskum in the Eastern Wisconsin Conference, will have only three lettermen back from last year.

It's the smallest number he's ever had. Graduation took away 16 seniors from last year's team which rallied from an 0-2 start to finish 3-5 overall, including 3-3 in conference play.

Among the 16 gone from last year are Bill Heberer MVP and first team all-conference line-backer; Randy Westerman, first team all-conference defensive back; Pat Miller, co-captain and second team all-conference guard; Scott Nigh, second team all-conference lineman; Ric Leitheiser, honorable mention all-conference quarterback; Dave Donath, honorable mention all-conference offensive back; Jim Krahn, honorable mention all-conference line-backer; Jay Petermann, co-captain, and Steve Straub, most improved.

The Indians were in the race for the conference championship and a playoff spot until the final weekend. Kewaskum dropped its final game to Plymouth, 12-7, and saw their championship hopes vanish.

The Indians dropped identical 12-7 decisions to Slinger and Campbell sports in non-conference action and then won their first two conference games from New Holstein (14-7) and

Chilton (28-7). They remained competitive the remainder of the season and knocked Kiel out of the championship and playoffs, beating the Raiders, 7-0, late in the season.

Fiffick's three returning lettermen, seniors Darryl Tews (5-10, 170) and Stuart Stautz (5-7, 165) and junior Brad Dieringer (5-8, 140), saw most of their action on offense last season. Fiffick played his best players on defense and rested them on offense, usually alternating them with somebody.

Tews, a wingback and line-backer, caught three passes for 21 yards. He was Kewaskum's 11th ranked defensive player with 38 tackles. Fiffick assessed Tews as a fine all-around player. Stautz started at fullback, gained 117 yards in 26 attempts and played mostly offense. Dieringer, who carried the 33 times for 140 yards, is the quickest back. He reeled off a 25-yard touch down run against Chilton and had the team's longest run from scrimmage, a 50-yarder against Kiel.

This year's team will be blessed with better speed than some previous Kewaskum teams. Several juniors can add some quickness. Underclassmen are expected to carry most of the load this season. The squad had 22 sophomores out last year.

Non-lettering seniors who may help are guard-center-defensive end and Brian Johnson, offensive tackle Johnson, offensive guard Curt Prescott and guard-defensive end Mark Rodenkirch.

Two juniors are expected to battle it out for the starting quarterback job. They are Dennis Butz and Jim Leitheiser. Another fine junior prospect is running back-linebacker Jim Braun. He was the MVP on last year's junior varsity team.

Fullback-defensive end Chris Harlow, guard-center Doug Miller, end Dave Pesch, offensive tackle-linebacker Steve Seitz, offensive end-defensive back Jeff Squier, guard John Swanson, offensive and defensive back Rick Heberer, guard Brad Bartelt, guard Tim Landvatter and wingback Kirk Vogt are other top junior candidates. Fiffick feels that defending conference champion Two Rivers, which beat the Indians, 29-8, last season, again is the team to beat.

The Indians host Slinger Sept. 3 in a non-conference opener, then are at Campbellsport Sept. 10 in another non-conference game before starting conference play. The Cougars are favored to win their Flyway Conference championship. They have a strong, veteran team with an awesome backfield of Rick Serwe, Richie Narges, Gary Beck and Andy Cochran.

Team strengths for the Indians are that three returning lettermen and with a group of junior varsity backs, they should be better than average and depth at that position. Team weaknesses are that they only have three returning letterman and only nine seniors out for football, so will be inexperienced. Many positions are "up for grabs." It will be a rebuilding year for Kewaskum.

All games start at 7:30 p.m.

1982 VARSITY FOOTBALL SCHEDULE

Indian Girls Lose Opener in Tennis

School hasn't opened as yet but the Kewaskum girls' tennis team has already gotten their season underway.

Winning all but No. 1 singles, the Slinger High team opened the campaign with a decisive 6-1 win over the Indians here Monday.

The boys swept through most of the matches in straight sets. Only the No. 1 and two singles matches went to third sets, with Kewaskum's Lisa Matsena, a junior, winning over Joy Brost in the top spot, 6-3, 1-6 and 6-4.

At No. 2, Mary Schneider came back to win the second and third sets. Jan Rosenthal, beginning his fifth year as coach, felt the battle between Cheryl Jaeger, out for tennis for the first time, and Jane Weider, was a good one.

Amber Charland was the only JV winner for the Indians. The Indians hosted West Bend West Wednesday.

HON-E-KOR COUNTRY CLUB TUESDAY NIGHT MEN'S LEAGUE August 17, 1982

Winning teams this week were: Doc's Wild Ones, Everglades, Driving Range, P.C.A. Juneau, Clay's Clobberers, Gruber's Toolers, Handicappers, Frank's Baloneys, tie Par-Nons and Berndt's Bums.

Low gross — Cy Wietor 35, Clark Pearson 35, Dave Denis 37, Kent Knox 37, Jim Korth 37.

Low net — Cy Wietor 27, Dan Dolde 27, Alan Stutzman 28, Augie Zell 28.

Low team net — P.C.A. Juneau 127, Frank's Baloneys 127.

MEN'S VOLLEYBALL MEETING

There will be a meeting Friday, Aug. 27, at the American Legion clubhouse for anyone interested in entering a team in Men's Volleyball. The meeting will start at 7:00.

Pony League Round Up

Kewaskum's Pony League team finished their season with a record of 2 wins and 6 losses. Scott Newhauser and Tim Rohlinger did most of the pitching.

Kewaskum won 2 games from Cascade, 7 to 2 and 8 to 6. Scott Newhauser got both wins.

Farmington won 2 games from Kewaskum, 9 to 4 and 4 to 2.

Beechwood won 2 games from Kewaskum, 7 to 0 and 7 to 5.

Eden won 2 games from Kewaskum, 16 to 11 and 5 to 1.

John Mertzig .469, Tim Dettmann .375 and Jeff Newhauser .321, had the highest batting averages.

Team members included: Tom Herriges, John Mertzig, Henry Stoffel, Scott Newhauser, Jeff Newhauser, Brian Nowack, Tom Dettmann, Ross Bartelt, Ken Miller, Brian Spartz, Tim Rohlinger, Otto Ramthun, Mark Brodzeller, Tony Meyer, and John Klahn.

John Mertzig, Tim Dettmann, Tim Rohlinger and Scott Newhauser were voted to the All Star team by their team mates.

The game was played in Fillmore with the All Stars defeating the League champion Beechwood team, 18 to 7.

Ray Mertzig, coach

Kewaskum Loses Two Lakes Games

On Saturday, Aug. 21, Kewaskum lost a Land o' Lakes League game to Port Washington, 8-7.

KEWASKUM — R. Leitheiser, lf, 5-1-2; R. Heberer, ss, 4-1-0; Al Jaeger, 2b, 3-1-0; M. Donath, cf, 3-2-0; T. Perkins, rf, 5-0-2; Steve Muench, 3b, 5-1-1; B. Pearson, cf, 5-1-2; T. Heberer, p, 2-0-0; S. Yahr, lb, 3-0-1; B. Donath, dh, 3-1-2.

On Sunday, Aug. 22, Kewaskum also lost a Lakes game to leading Saukville, 16-3.

KEWASKUM — R. White, c, 3-1-0; R. Heberer, ss, 4-0-1; R. Theusch, lb, 3-1-0; M. Donath, 3b, 3-0-1; Steve Muench, p, 3-0-0; S. Leitheiser, 2b, 2-0-0; A. Jaeger, 2b, 2-0-0; B. Pearson, cf, 3-0-0; T. Heberer, rf, 4-0-0; B. Donath, dh, 3-1-2; L. Westerman, lf, 0-0-0.

On Sunday, Aug. 29, Kewaskum plays Grafton in a 1:30 game. This is the final game of the season.
