## Remodeling Permit for New Dental Office Approved

By GERRY MUELLER  
Statesman Staff Writer

The village board unanimously approved a remodeling permit applied for by Dr. J. Dennis Connor.

Connor submitted plans to remodel the property at 1204 Fond du Lac Avenue. The garage formerly housed Ked-Web Sales and later a welding business.

Remodeling plans will convert the building into an approximately 1,800 square foot dental complex containing five chairs, a waiting room, lab and office area.

Village Administrator Dan Schmidt informed the board that Bowmar Appraisal, the firm hired to re-assess the village, will begin work possibly as early as this week, definitely by next week. Schmidt said he had no idea of where Bowmar would begin their inspections.

At an Equalized Value meeting he had attended, Schmidt learned the village equalized value for real estate had gone up to \$58,369,000 for 1982, while personal property had risen to \$3,428,600, for a 1982 total equalized value of \$61,797,600. Schmidt noted, of that figure, a little over \$2.2 million is in Kewaskum's proposed TIF District.

Schmidt told the board that contrary to popular belief, property values had stabilized.

Schmidt also noted that State Aids had dropped from 35% last year to 29% this year.

In other action, the board unanimously approved the recommendation of the Public Works Committee to hire the engineering firm of Ruckert and Mielke to do the preliminary

engineering and groundwork for the village's Tax Incremental Funding (TIF) District.

Trustee Don Mlodzik questioned Schmidt on the progress of Cable TV in the village. Schmidt noted most of the work was done except for two areas on the north and south ends of Fond du Lac Avenue.

At its October 4th meeting, the board will open bids for repair work on the Municipal Building roofs.

## Blood Bank Here Oct. 12

REFLECTIONS OF A DONOR

It's only a pint,  
Such a small amount  
To give;  
But it's mine  
Rich-red, vibrant  
And healthy.  
So blest be this blood  
As it leaves my vein  
And speeds its way  
To the stranger,  
In need of it,  
And whom I do not know.  
May he, through me,  
Be healed and his life renewed-  
This stranger, though sight  
unseen,  
Now one with me  
In the blood brotherhood of  
man.

Arthur C. Hansen, M.D.

Happiness is: sharing a pint!

Won't you please come and give a pint? The Kewaskum Blood Bank will be at the Kewaskum High School gym on Tuesday, October 12, from 1:30 to 6:30.

## 360 Birds Taken At Turkey Shoot

With all the cool weather we've been having, the Kewaskum Kiwanis Club picked an ideal day for its 30th Annual Turkey Shoot at the Bar-N Dude Ranch Sunday. It was sunny most of the day and comfortably warm.

In spite of the good weather the attendance was down slightly and fewer birds were taken than last year due to the economy and other events scheduled in the area on that day. A total of 360 turkeys were given out and about 200 trout were caught in the fish pond (not counting the suckers caught). Last year 470 turkeys were taken on the rifle line, pistol, bow and arrow and trap shoots, about 110 more than this year. The trout cooperated well and about 100 more were caught over last year's 100. There was also a sausage shoot.

Fewer people appeared at the shooting lines during the morning hours but the crowd picked up in the afternoon. The turnout was about what Kiwanis Club members expected. The rain held off until about 5 p.m. when the shoot was officially over.

Brats, hamburgers, hot dogs and refreshments went at a brisk pace. There were games for the children, pony rides and other attractions.

Profits from the Turkey Shoot go to the club's Youth and Community Fund, which have helped to pay for a number of recreational facilities in the community, including the land for the new park.

## Kewaskum JC MDA Fishbowl Collects \$275.23

Jerry's Kids thank all of you Kewaskum area residents who contributed to the fishbowl held by the Jaycees on Labor Day. Due to your generosity, we collected \$275.23 for Muscular Dystrophy, the best collection ever for Kewaskum's fishbowl.

The Kewaskum Jaycees thank Dr. Sison for the use of his parking lot, Art Labotzke for donating the helium regulator, and Freeman Chemical for the donation of the helium for the balloons. Our thanks also go out to the following people who manned the Jaycee fishbowl: Dennis Hessel, Mike Pettit, Lloyd Bunkelman, Mike Reindl, Don Simon, Duane Kongslien, Jim Nowak and Ken Weyers.

## Revaluation Program in Village Gets Underway

A property revaluation program, aimed at equalizing real estate and personal property valuations throughout the Village of Kewaskum for tax purposes, will get underway this month. The purpose is to update assessment records and equalize property valuations.

The Village Board has retained Bowmar Appraisal Inc., Appleton, Wisconsin, to conduct the revaluation.

A representative of the Bowmar firm will be interviewing property owners regarding the home interior construction and will be measuring for

exterior building dimensions.

Village officials urge local residents to cooperate with the representatives of the Bowmar firm, to insure the accuracy of all appraisals. The appraisers will carry a letter of identification authorized by the Village President which they will present when they call.

The information collected by the field staff is needed to establish new and accurate property records, which when completed, will be used by the appraisers to determine property values.

## TIF Preliminary Engineering Contract Goes to Ruckert & Mielke

By GERRY MUELLER  
Statesman Staff Writer

After hearing Bill Mielke, Senior Vice President of Ruckert and Mielke Engineering Consultants, Waukesha, make a presentation on his firm and the services it can provide for Kewaskum's proposed TIF District, members of the Public Works Committee unanimously agreed to recommend the village hire his firm.

Trustee Richard Schmidt, who made the motion, said he was very impressed with the company's bid presentation along with the excellent recommendations the firm had gotten from past and present employees of the firm.

"We're a local firm and have been that way since we started," said Mielke. "We have one office in Waukesha and our interest is in serving small area communities such as Kewaskum." Mielke noted, "We are not interested in working for large cities such as Milwaukee." Mielke's firm is city engineer for approximately 20 communities, the closest to Kewaskum being Slinger and Saukville.

Mielke told the committee his firm had worked on several of the village's proposed TIF projects "many times over."

"Your Village Administrator Dan Schmidt did a very good job of estimating costs for the projects," Mielke told the committee. The even better news was that Ruckert and Mielke had come up with even lower cost estimates than Schmidt's. Mielke told the committee that cost estimates for the six projects listed in his bid were maximum costs and he felt that, in most instances, the final cost would be less. "The likelihood of all of them going to

the maximum is nil," stated Mielke. "We're not a firm that comes back for extras," Mielke continued.

Even before the committee made its decision known, Mielke was giving them pointers and recommendations on where the village could reduce project costs even more, along with the areas they should consider for improvements which would increase the efficiency of some projects.

The first TIF project which would be constructed is Well No. 3, on the southern end of the village. Mielke told the committee, if the village contemplated construction of the well immediately, it could take 90 days for Department of Natural Resources approval and a permit to begin the well. After

[Continued on Page 2]

## Cave-In Injures Two Village Employees

Public Works Superintendent Augie Bilgo and his helper, Sylvester Schmidt, were injured early Tuesday morning when curbing at a storm sewer installation collapsed pinning the two men in a two to three foot cave-in.

The accident occurred at approximately 9:00 a.m. on the north end of Stark Street where the two men had been installing storm sewers.

Both men were transported by ambulance to St. Joseph's Community Hospital, West Bend, where they were treated and released.

Village Administrator Dan Schmidt said neither man had suffered any serious injuries other than bruises and soreness.

## Enrollment Figures Announced By Kewaskum School District

Enrollment figures for the Kewaskum School District, according to the third Friday of September student count, are as follows:

Beechwood Elementary School	96
Farmington Elementary School	218
Kewaskum Elementary School	396
Wayne Elementary School	167
Kewaskum Middle School	333
Kewaskum High School	774
Total	1984

The third Friday enrollment count is considered by the Wisconsin Department of Public Instruction to be the official student count, when combined with another student count to be taken on the second Friday in January. Total enrollment in September, 1981, was 2,053 students.

[Continued from Page 1]

that, it will take another four to six months for the well construction itself. Bids should be out this winter if steel is to be on the site by summer, Mielke noted. Upon completion of the well, the village will again have to go back to the DNR with well test results and apply for a permit to construct the pump station, looking at another 90 days for approval and a permit.

If everything went on schedule, Mielke felt the tower could be up by next winter and the pump station just into 1984. One recommendation made by Mielke was a water analysis. He felt this study, costing approximately \$3,000, would benefit the village before it began construction of the Rose-land water loop or laying of any other mains. It would help determine exactly the proper size and type of water mains necessary to provide the most efficient and adequate service. Mielke noted some communities had standards requiring mains which were too large for their needs resulting in useless addition costs.

Mielke told the committee, a previous study made by his company showed the village's water system to have some problem areas. "There are a couple restrictions in your system which don't allow you to get maximum flow to certain areas," stated Mielke. Mielke told the committee he was not suggesting any immediate or additional repairs now, just saying that the water study would allow the village to chart and map out trouble spots so when any repair work in that area was done the village would then be able to make the necessary corrections to solve the problems at that time.

Mielke concluded his presentation by telling the committee, his firm can offer personalized services and the village would be working directly with one or two key people. Mielke, himself, would have overall charge of the project. Being city engineers of Slinger and Saukville, Mielke told the committee his firm would always be near and available for any help the village might need.

Trustee Howard Laubenstein said, "I like what this man has told us and the work they have done for us so far."

## Announce KHS Student Government Representatives, Class Officers

Student elections for student government representatives and class officers were recently held at Kewaskum Community High School. The results of these elections are as follows: student government officers include president Dave Kudek, vice president Erika Follmann, treasurer Sandy Nigh and secretary Lisa Matenaer. Senior government representatives are Jackie Bartelt, Erika Follmann, Debbie Hintze, Lori Hoch, Mary Jo Hupfer, Cheryl Jaeger, Dave Kudek and Shelly Strobel. Senior class officers include president Karl Zarling, vice president Jan Schmidt, secretary Brenda Laubenstein and treasurer Mary Paul.

Representatives of the student government from the junior class are Amy Grahl, Denise Gruber, Rick Heberer, Lisa Matenaer, Sandy Nigh, Paul Reilly, Beth Strigenz and Wendy Wilson. Junior class officers include president Doug Miller, vice president Jim Hanrahan, secretary Kirk Vogt and treasurer Dan Menzel.

For the sophomore class, student government representatives include Tracy Buchel, Mike Geldreich, Ed Ham, Janet Mueller, Betsy

Osterbrink, Mike Steinhardt, John Schmitt and Rich Wesenberg. Sophomore class officers for this year are president Michelle Beesten, vice president Debbie Jepsen, secretary Julie Strancke and treasurer Diane Schultz.

Representing this year's freshmen student government members include Tom Czoschke, Lisa Fusek, Amy Kougl, Barb Panzer, Paula Khoull, Debbie Seideman, Angie Swenson and Ada Thull. Freshmen class officers are president Beth Bartelt, vice president Darlene Luedtke, secretary Michelle Gebheim and treasurer Candi Goeden.

This year's student body will be represented at school board meetings by Jackie Bartelt and Beth Strigenz.

The rocking chair was invented by Benjamin Franklin.

## Future Bleak for Gehl Employees

By GERRY MUELLER  
Statesman Staff Writer

Although Monday was the first day back to work after a month-long shutdown, the future is still bleak for Gehl Company employees. The workers were off from August 23 to September 20, with three weeks counted as shutdown and one week vacation.

For the approximately 177 employees back on the job and 273 still out on indefinite lay-off, the outlook will not get any better in the foreseeable future.

The Gehl Company of West Bend, has still more bad news for its labor force. The continuing depressed economic state of the country continues to plague the Gehl with a sluggish sales picture.

Art Lastofka, Vice President of Industrial Relations, said Tuesday that a two-week shutdown planned for the end of the year has been expanded to a six-week closing beginning November 22 and running to the end of the year.

High interest rates along with problems in the dairy support program is making farmers take a closer look at any plans for purchasing equipment which they may have had.

## Cause of Barn Fire Still Undetermined

By GERRY MUELLER  
Statesman Staff Writer

This past week some readers questioned the accuracy of some points regarding an area barn fire.

To clarify the situation, another inquiry into the Rozga fire was made.

In a telephone conversation with Ralph Trapp, he stated he had put one or two loads of hay in the barn. The hay had been sold to an individual who was leasing the Rozga barn and storing hay in it.

In talking with Beechwood Fire Chief Roger Vetter Saturday, he said the cause of the fire had not been determined as yet. However, the possibility of combustion had not been ruled out.

Trapp's address was incorrectly listed as Campbell; it is Route 1, Adell, (Beechwood). Vetter also said the Adell Fire Department had not responded to the fire.

# Memories...

The Statesman welcomes readers to submit photos for the "Memories" feature. Photos should show life in the olden days in this area. Deliver or mail to The Statesman, 250 Main St., Kewaskum, WI 53040. Photos can be picked up again after publication.

This picture of the Math Rimmel family was taken in late 1899 or early 1900 by Miller's Studio in Kewaskum. The Rimmel family grew up in Kewaskum. Math Rimmel was in business with his brother Nicholas and together they operated the business more recently known as Rimmel Manufacturing Company. Math Rimmel also operated a saw mill in Kewaskum on the property across from the present Peace United Church of Christ, then Wilhelmina Street, which is now First Street. Early in the 1900's the Rimmel family started moving away from Kewaskum, the elder Math and Augusta Rimmel operating a meat market in Milwaukee until their retirement. The children Adeline, Nick, Martin, Edward

and Math, Jr. all went to Milwaukee. Edward, the last and youngest of the children, died in Milwaukee in 1978.

Upper row left to right: John Rimmel of Wausau, father of Ralph Rimmel of Kewaskum; Joe, who operated a meat market in Barton until about 1930; Adeline [Mrs. Jack Rodenkirch], Nick and Martin of Milwaukee.

Lower row: Mrs. Math Rimmel, who was Augusta Lavernz of the Town of Scott, holding youngest son Edward; Math, Jr., second youngest child of the family; Math Rimmel, Sr. and son Ben, who later operated a meat market in Waupun.

(Photo submitted by Ralph Rimmel)

## Rescue Squad Calls

Tuesday, Sept. 14 — Scott M. Berger, 8, 417 Main St., Kewaskum, taken to St. Joseph's Community Hospital, West Bend, from School St., Kewaskum, with injuries he suffered when the bicycle he was driving struck a car.

Thursday, Sept. 16 — Dennis R. Diefenthaler, 17, 2420 Illinois Ave., New Holstein, taken to St. Joseph's Community Hospital from the Kewaskum High School football field with a football injury.

Thursday, Sept. 16 — Ken R. Musack, 17, 1197 Auburn-Ashford Rd., Campbellsport, taken to St. Joseph's Community Hospital with a gunshot wound.

Friday, Sept. 17 — Cody A. Gagner, 7, 1174 Kewaskum St., Kewaskum, transported to St. Joseph's Community Hospital from the Kewaskum Middle School when he fell and injured his left elbow.

Sunday, Sept. 19 — The rescue squad answered a call to 3345 East Moraine Dr., where William F. Hintz, 91, 333 Washington St., Campbellsport, was transported. He was pronounced dead by the coroner and no transport was made.

Sunday, Sept. 19 — Erving Rinas, 59, 121 Morhawk Rd., Theresa, transported to St. Joseph's Community Hospital from the Barrel Haus, 204 Main St., Kewaskum, with illness.

Sunday, Sept. 19 — Karen A. Gavin, 1244 Roseland Dr., Kewaskum, taken to St. Joseph's Community Hospital by the Newburg Rescue Squad for treatment of a cut eyelid following an accident on Highland Dr., in the Town of Farmington. She was a passenger in a car driven by Claudia J. Flasch, R. 3, Campbellsport.

Tuesday, Sept. 21 — August Bilgo, Jr., 52, 1314 Parkview Dr., Kewaskum, and Sylvester Schmidt, 62, 309 1st St., Kewaskum, taken to St. Joseph's Community Hospital from north end of Stark St., Kewaskum with injuries suffered in a trench cave-in.

### MPTI CLASSES HERE ON WINDOW ENERGY CONSERVATION

Interested in beautifying your home, while insulating against the winter cold? Sew your own energy efficient insulated Roman Shades, which are recommended by utility companies for conserving energy and heat loss through windows. Classes will begin Monday, Sept. 27, for a five-week period. Only basic sewing skills required. Cost for this MPTI class is \$7.70. To enroll, call 626-2166, Kewaskum High School, Roy Esser.

# From the School Board President's Desk....

Are you trying to discourage kids from going out for sports? Do you think the 1.5 minimum grade average is fair? Why did the Board approve this policy?

At the September 13, 1982, Kewaskum School Board meeting the Board voted to require a minimum 1.5 (D+) grade average for students wishing to participate in interscholastic sports. We made this move for several reasons—none of which will hurt the students. As I have stated numerous times, every single Kewaskum High School student who is placed in a course commensurate with his/her ability is capable of making at least the 1.5 (D+) grade average if he/she tries.

What happens if a student is in classes, working as hard as is possible, and still cannot make the 1.5? If a student is incapable of doing work at the 1.5 level, then perhaps the student should be tested for special education. It was because of these special education students that the Board had voted the other way at a previous meeting. The Board then had been misinformed about the status of special education students. We now know that the grade point rules do not apply to special education students.

Assuming that students are properly placed in classes, why, then, do they fail? The teachers I have spoken with have given two primary reasons for failure: lack of attendance and lack of motivation. This grade point requirement may provide the impetus to attend classes and may even provide the encouragement to work at full capacity—or at least hard enough to achieve the 1.5 grade average. Why, a student may even learn more.

Another question raised was "Will this policy discourage a student from taking a harder course?" I doubt it very much since a student whose grade point hovers around the 1.5 (D+) mark is more concerned with making it through the required courses to graduation than taking a harder course of study. The upper ten per cent of a class traditionally takes the more challenging courses, and they need not be concerned with the 1.5 cut off.

This minimum grade point requirement is not a punitive policy. The people I have discussed this issue with have been appalled at the .5 requirement. They had thought it was still the 2.0 (C) requirement it was when they were in school. The restrictions are minimal, especially if you look at the Milwaukee code. I wonder if we haven't been losing sight of the main function of our schools, that being to educate students in the academic subjects. The sports activities are definitely worthwhile, but the emphasis must remain on our first responsibility: academics. The students going out for sports are representing our school, a place of education, and I feel a 1.5 (D+) grade average is not too much to expect.

Superintendent Search Update: The Board is scheduling interviews with the top candidates.

Dr. Charles J. Ogi

## Zimmel Attends Banking Session

Gerald H. Zimmel, Valley Bank, Kewaskum, attended the 38th annual session Aug. 8-21 of the Herbert V. Prochnow Graduate School of Banking at the University of Wisconsin-Madison.

The School, sponsored by 16 state bankers associations composing the Central States Conference of Bankers Associations, was established in 1945 to provide bankers with an opportunity for advanced study and research in banking, economics and monetary problems. This year 1,500 students from 43 states and Puerto Rico attended.

Instruction in the Graduate School of Banking takes place in three two-week summer sessions, along with extension, or home study work, including comprehensive banking problems to be completed in the period between summer resident sessions. A distinguished faculty of over 160 people includes leading bankers, economists, educators, consultants and government officials from 25 states.

Speakers at this year's summer session included: U.S. Senator Jake Garn, Utah, chairman of the Senate Banking Committee; L. Dean Brown, president of the Middle East Institute; William E. Colby,

former director of the General Intelligence Agency; the president of three federal reserve banks, in a panel discussion including E. Gerald Corrigan, Minneapolis, Minn.; Silas Keehn, Chicago, Ill., and Frank E. Morris, Boston, Mass.; James J. O'Connor, chairman and president of Commonwealth Edison, Chicago, Ill.; Lawrence Mosher, staff correspondent with the National Journal, Washington, D.C.; and Frederick C. Klein,

correspondent with the Wall Street Journal, Evanston, Ill.

The president of the American Bankers Association, Llewellyn Jenkins, was the speaker at commencement exercises Friday, Aug. 20. Jenkins is vice chairman of the board with Manufacturers Hanover Trust Co.

To a lot of people, it seems that old age is always 15 years older than they are.

## Burghardt-Staehler

Debra Lynne Burghardt and Kerry Robert Staehler exchanged marriage vows at the First Congregational Church in Bloomer, Wisconsin on Friday, July 17. Carla and Warren Bailey Turner performed the 1:00 p.m. ceremony.

Parents of the couple are Elmer and Joan Burghardt of Cameron, Wisconsin, and Robert and Jeanne Staehler of Kewaskum. Grandmother of the bride is Dorothy Johnson of Bloomer. The groom's grandmothers are Agnes Gill of Plymouth, and Margaret Staehler of Kewaskum.

Vicky Berg, Bloomer, was the organist, accompanied by the soloist, Paul Syverson, Whitehall, Wisconsin, in the musical selections, "Climb Every Mountain," "More," and "Evergreen." Deb Henderson, Whitehall, read the "Spectrum of Love" for the bride and

groom during the ceremony.

Cindy Greenwood, Middlebury, Connecticut, served as her sister's matron of honor. The bridesmaids were Pamela Prissel, Billings, Montana, Cathy Johnson, Scotsdale, Arizona, and Debra Moberg, Des Plaines, Illinois, all friends of the bride. Katie Greenwood, niece of the bride, was the

flower girl. Renee McDougall, Whitewater, was the bride's personal attendant.

The groom chose his brother, Patrick Staehler, Campbellsport, as his best man. The groomsmen were Jack Staehler, Madison, brother of the groom, James Janisse, Green Bay, cousin of the groom, and Bruce McElhatton, West Bend, a friend of the groom. Scottie Morey, Wittenberg, Wisconsin, also a friend of groom, served as ring bearer.

Loren Chrystal, New York, and Wayne Chrystal, Brownsburg, Indiana, both cousins of the bride, shared ushering duties.

Following the ceremony a reception for 300 guests was held at The Pines in Bloomer, with a dance held later in the evening.

The bride and groom are both graduates of UW-Stout. The bride was the former WIC nutritionist of Buffalo and Trempeleau counties. The groom is presently employed as an industrial teacher at Homme Home for Boys in Wittenberg.

The couple spent their honeymoon in Canada, and are now residing in Wittenberg.

## Thoni-Nowlin

Carole Thoni and Michael Nowlin were married Saturday, August 7, at 2:00 p.m. in Salem Lutheran Church, Stillwater, Oklahoma. Pastor Moessner officiated.

Parents of the bride are Mr. and Mrs. William Thoni of Stillwater, formerly of Route 1,

Allenton. Thomas Nowlin, Stillwater, is the father of the groom.

Honor attendants were Cathy Thoni, sister of the bride, and Bill Nowlin.

The bride and groom will be residing in Stillwater.

### Jr. Women to Again Sponsor Story Hour

The Kewaskum Junior Woman's Club is again sponsoring Fall Story Hour. There will be additional times this session for a total of four.

Beginning Wednesday, Sept. 29, there will be story hours at 9:15 to 10:00 a.m. and 10:30 to 11:15 a.m., and runs until November 3. Thursday, Sept. 30, times are also 9:15 to 10:00 a.m. and 10:30 to 11:15 a.m. and ends November 4.

This year each session will be limited to 25 children due to overcrowding in previous years.

Each child must be pre-registered to come. To pre-register, call 626-2837 or 626-4733.

Any mother who is interested in helping at these story hours, please call 626-2837. No experience necessary! Join the fun!

Story hour is for children three to five years. There is no charge.

**Time may be running out  
on the greatest tax-break  
for savers ever authorized  
by Congress!**

---

# All Savers Certificate

---

## **Act Now . . .**

### **Offer Ends**

**December 31, 1982.**

In October, 1981 Congress authorized a one-year, high interest earning, tax-free savings account that allowed individuals to earn up to \$1,000 of tax-free interest and couples up to \$2,000 of tax-free interest.

That account was called the 'All Savers Certificate'.

Congress also, at that time, established December 31, 1982 as the expiration date for the All Savers Program.

Despite the many attempts that have been and are still being made to persuade Congress to grant an extension to the All Savers Program, the distinct possibility exists that these attempts will prove unsuccessful and the program will end on December 31st as planned.

How does this affect you?

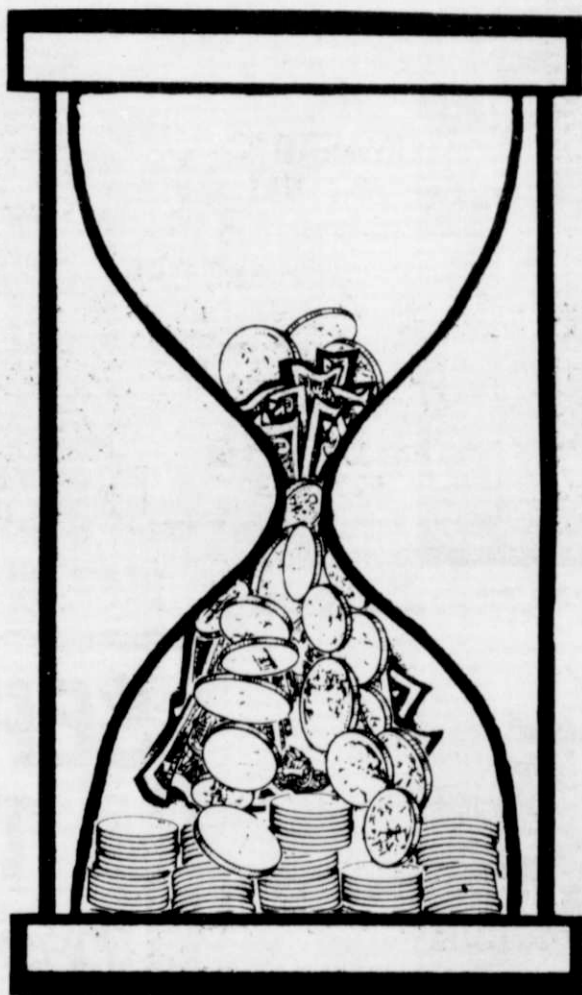

## **If you have not yet opened an All Savers Certificate . . .**

There is still time for you to take advantage of this high interest, insured, tax-free savings account. Just open your West Bend Savings' All Savers Certificate before December 31, 1982.

With as little as \$500 or more you can be on your way to earning up to \$1,000 (individual) or \$2,000 (joint) of tax-exempt interest income.

West Bend Savings' All Savers Certificates earn high market rates, guaranteed for twelve months. And, your deposit is insured up to \$100,000 and backed by the full faith and credit of the U.S. Government.

Why not join the thousands of West Bend Savings' customers already taking advantage of the All Savers Certificate's tax-free earnings? This may be the last tax incentive ever authorized by Congress.

**Please remember that the  
current All Savers  
Program will end  
December 31, 1982.**

**So, act now!**

Federal law requires a substantial penalty and loss of tax exemption for early withdrawal of these certificates.

## **If you already have an All Savers Certificate . . . you may be entitled to earn more interest.**

Many people have opened All Savers Certificates that have not yet earned the maximum tax-free interest allowed by Congress. In these cases, we feel your best options are to reinvest your current All Savers Certificate for another twelve months when it matures — provided the maturity date is before December 31, 1982 — or, open another All Savers Certificate before December 31st and deposit the amount you need to earn the maximum tax-free interest allowed. Our savings counselors can help you determine the amount that can be reinvested in the program.

## **If your current maturing All Savers Certificate has earned the maximum amount of tax-free interest permitted . . .**

We suggest that you check with us a few days before your certificate matures just in case Congress decides to grant an extension, in which case you may be entitled to earn more tax-free interest.

Should an extension not be granted our savings counselors will be happy to suggest other insured investment alternatives ranging from tax savings and retirement plans to short term cash management accounts to long term investments. We're confident one or more of our plans will meet your needs.

# TURKEY SHOOT — 1982

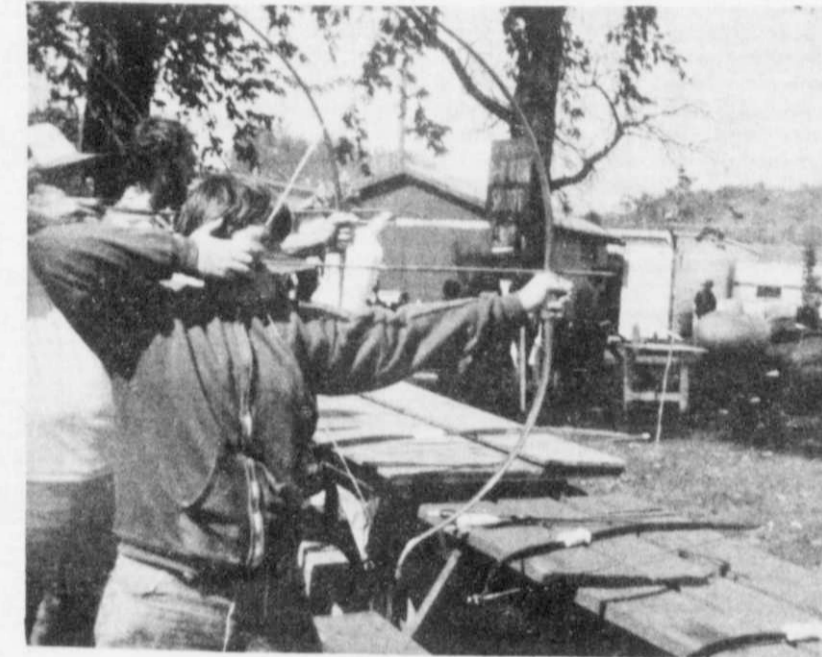

Harry Koch [left] and Dr. R. G. Edwards selling tickets for the rifle line. This was the Kiwanis' 30th annual shoot and "Doc" has worked at all of them. Harry has missed just one shoot, helping at 29 of them.

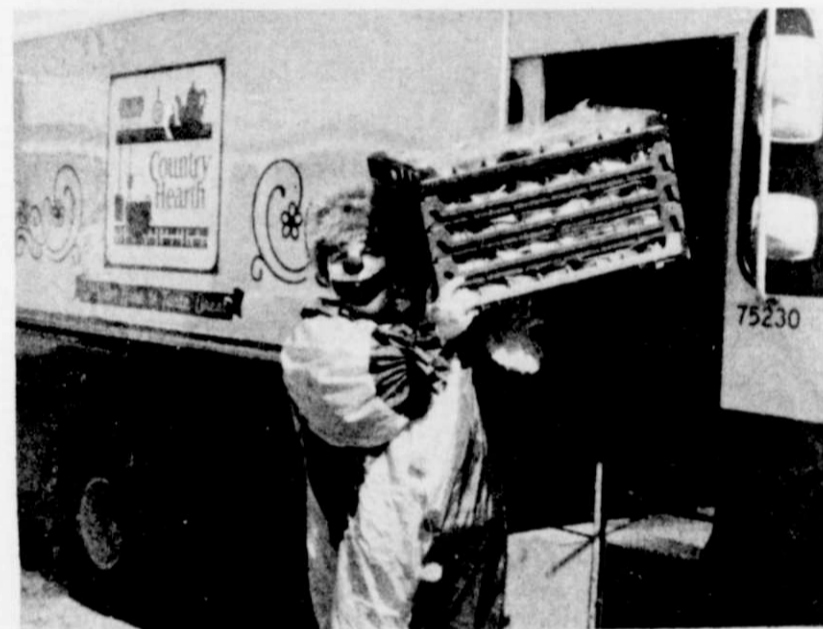

David Berndes [coached by his father] trying his luck on the firing line.

Fishermen trying their luck in the trout pond, where 200 fish were caught.

The archery range was another popular event at the shoot.

Clown Arnie Stommel, a Kiwanian, unloading buns for the food stand.

Three young men holding their sausages won at the sausage shoot.

Richard Thieme, Sr. [center] takes careful aim. Dick bagged a turkey, only to find out he shot in the wrong lane.

The food and drink stand was one of the most popular places on the grounds.

Part of the crowd participating in and watching the trap shoot.

The sausage shoot was one of the events at the shoot.

## 4H 4h news.....

### KEWASKUM 4-H CLUB

The Kewaskum 4-H club held their last meeting on September 9. Kim Brodzeller reported on her trip to South Dakota and Renee Kapp reported on the Washington County Junior Fair. 4-H club week is October 3 through October 9, and our next meeting to be held on October 14 at the Legion Hall, will be family night.

New members are encouraged to join at this meeting, which will be informative as to what 4-H is all about. A program is planned, including a skit, a style show put on by the girls in the clothing project, and every member is asked to bring one item that he or she took to the fair. This will give new members an idea of what you can take for projects, which we will be signing up for, and various items that can be taken to the fair after learning about them at your project meetings.

A hayride/Halloween party is tentatively scheduled for October 23 and will be discussed further at the October meeting.

Elections were also held for the coming year and the results are as follows: President - Debbie Seidemann, Vice President - Kim Brodzeller, Secretary - Amy Sekas, Treasurer - Renee Kapp, Photographer - Sue Lemke, Reporter - Jody Sekas, and Recreation Leader - Lynn Nowak.

The meeting was then adjourned and refreshments were served.

Club secretary,  
Amy Sekas

### XYZ CLUB SKAT WINNERS

League Begins in October

# 30 Years Ago

September 19, 1952

The Kewaskum Mutual Insurance Company, now in its 51st year of business, marked another milestone in the progress of the company, when it broke ground last week for a new office building on the north side of Main Street, west of the Bank of Kewaskum. This completely fire-resistant building, made of brick will have a stone and glass entrance. The structure will be 63 feet deep with 73 feet frontage. It will be one story with a full basement. The first floor will have three private offices, a large general office, punch card room, vault, ladies' rest room and lavatory. The basement will have a kitchen, lounge room, a meeting room, two storage rooms, men's lavatory and the heating room. The new building is expected to be completed by May 1, 1953.

The Republican hotel and tavern in Kewaskum changed hands this week. It has been leased by Mr. and Mrs. Ray Liniewski of Milwaukee, who took possession of the business on September 15. The Liniewskis leased the hotel and tavern from the Mrs. Rose Bruhn estate.

Alois Bremser and his bride, the former Althea M. Vollmer, were married at St. Michael's parish on Saturday morning.

The unexpected turned up for a baby shower planned by Miss Mary Gay Searles in honor of Mrs. Ollie Staehler Jr. The shower was set for Wednesday evening but was preceded by the blessed event on Monday evening. Miss Searles decided to go ahead with the shower as planned. So Wednesday evening she and the invited guests drove to St. Joseph's Hospital, West Bend, to call on Mrs. Staehler and infant son and present them with many pretty gifts. After the visiting hour the guests returned to the Searles home and went on with the shower.

Sons were born to Mr. and Mrs. Aloysius Staehler Jr., Kewaskum, on September 15, and to Mr. and Mrs. Gerald Marquardt, Kewaskum, on September 14.

# 50 Years Ago

September 30, 1932

Sunday evening, October 9, is the date set for the big dance of the season at the Opera House, which will be held under the auspices of the Kewaskum Athletic Club. The committee has engaged Slim's Virginians, an eleven piece orchestra, to furnish the music. The price of dance tickets will be 40 cents, ladies 10 cents.

The Horicon Marsh fire which has been raging on the past two

weeks has already destroyed over 4,000 acres of peat. It is believed that the fire was started by people in that vicinity. Several farmers in the fire area have lost all their hay crop. Fire apparatus from neighboring towns have been assisting in fighting the flames.

Miss Cecelia Junk, daughter of Mr. and Mrs. Andrew Junk, and Albert Knoeck, son of Mr. and Mrs. Henry Knoeck, both of the Town of Barton, were united in marriage on Wednesday morning.

A baby boy was born to Mr. and Mrs. Al Staehler of Kewaskum on September 21.

# 75 Years Ago

September 21, 1907

John Muehleis and Co. sold their furniture business here last Saturday to Herman Meilahn, son of Mr. and Mrs. Fred Meilahn.

Edward J. Dricken of St.

Michaels and Miss Helena Berger of West Bend were married at West Bend Tuesday morning.

It is announced that a portion of the Lower Brule Indian Reservation, containing 56,560 acres of farming and grazing lands, will be thrown open to homestead settlement by the United States Government. The registration will take place at the U.S. Land Office at Pierre October 7 to 12.

Joseph Strachota put down a cement floor in A. G. Koch's potato warehouse this week.

Edward Koehn and Miss Emma Bartelt were married at New Fane on Wednesday.

Frank Backhaus of New Fane sold his house and one acre of land to Henry Oppermann for \$1,000.

Baby girls were born to Mr. and Mrs. Louis Doms of Kewaskum last week Friday and to Mr. and Mrs. Henry Rumel, Kewaskum, last Wednesday.

# KEWASKUM NEWS NOTES

## Procedure of Revaluation In the Village of Kewaskum

All taxable residential and mercantile property will be evaluated at 100% of the market value by the Bowmar Appraisal Inc., Co. of Appleton, Wisconsin. The goal is to bring the assessed value into conformity with the actual value of the property. The last revaluation of the Village of Kewaskum was in 1977 and since that time inequities have developed.

Although related property assessment is not a tax, the mechanics of the property, together with the total assessed value of all the taxable property in the Village, determines the percent of the total tax burden each property owner will carry. Increased effort by the Assessor will not bring in more taxes, but it will help to ensure that the tax burden is distributed fairly.

Nor does revaluation necessarily mean that taxes will be increased. With a constant tax rate, only those who are not presently paying their fair share will be charged more taxes; those paying more than their fair share will pay less.

To a large extent, the functions of the Village Assessor are governed by State Statutes rather than local ordinance. Chapter 70 of the Statutes, along with detailed regulations from the State Department of Revenue, provide the basis for this operation.

It is the duty of the Assessor's Office to discover, list and value all taxable property in the Village with the exception of industrial property which is assessed by the State Department of Revenue.

### FAIR MARKET VALUE

Residential property includes all land where the use is residential or the potential use (consistent with zoning) is residential. The basis used in cal-

culating the assessed value of a particular property is the "fair market value" of the land and the improvements on it, including any buildings. The fair market value of a property is the amount which would ordinarily be obtained at a private sale.

The fair market value is not always the actual sale price, for there are many factors which determine the price paid for a home, including the eagerness of the owner to sell and the buyer to buy.

Homes are classified by design and quality of construction, which, along with square footage, provide a base value. Certain necessary features are included in that figure, such as a single bath. Adjustments are made to add or subtract value for features that are in addition to or lacking in the base value.

Adjustments are not figured on a cost basis, but on the resultant added worth of the home. All factors affecting that added value are considered. An improvement may cost less than the added value to the house, such as do-it-yourself projects. Conversely an expensive improvement may add only slightly to the overall value. Replacement of an existing feature, such as a roof or water heater, is not considered unless it involves a change that also enhances the value of the house, such as replacing a coal furnace with a gas furnace. Household furnishings used by an owner are not assessed.

Depreciation is subtracted to

allow obsolescence or "wearing out." The amount of depreciation is based on the age and actual condition of the home.

Land is not subject to depreciation because it does not "wear out" with urban use and is valued on the basis of lot sales. Factors affecting land value include location, size, street improvements, topography, neighborhood, utilities available and zoning. Corner lots are valued on the basis of frontage on the shortest side regardless of the direction the home faces.

A description of each taxable residential property in the Village along with assessment and sales data, is maintained on an appraisal card in the Assessor's office.

Larger apartment buildings, hotels, motels, stores, etc. are classified as mercantile. The value of mercantile property is arrived at by considering both the income and market approach.

Manufacturing property is assessed by the State to assure statewide uniformity with the results added to the assessment roll.

### CHANGES IN VALUE

The general revaluation will soon be in progress utilizing uniform standards throughout the project. Preparation for the revaluation will take the next several months, with field work starting the end of September.

All property values are being based on current material and labor cost. These standards are adopted statewide with yearly

local "modifiers" to reflect differing values from year-to-year and community-to-community.

As part of the project, representatives of Bowmar Appraisal Inc. will be seeking admission to homes throughout the Village. The Assessor is charged with assessing property by actual viewing or the best information that can practically be obtained. If he is refused admission, the Assessor makes a "doomage" assessment without viewing the inside of the structure. In such cases the estimated value may be higher than the property is actually worth. All personnel of Bowmar Inc. are certified by the State Department of Revenue. The lister at the time of inspection will not be able to tell what the assessment will be. Their job is to collect information only. They can answer some questions or put you in contact with someone who can answer your question. If someone is not home, the lister will return at the end of the day and after several such tries if no one is home a door hanger will be left giving a telephone number to call for inspection. Parcel inspections to place final dollar amounts on properties are done by the Bowmar firm and a local representative.

When the revaluation is com-

pleted, all taxpayers will be notified of their new valuations. The Village Clerk will publish a notice as to when "Open Book" sessions will be held. At these sessions, taxpayers can discuss the valuations placed on their properties. After the Open Book sessions are completed, the Board of Review will meet to resolve written appeals submitted by the taxpayers.

If a written objection is received, or if the Board seeks to raise or lower an assessment, a hearing is scheduled and the property owner notified. No person may appear before the Board if a reasonable written request from the Assessor to view the property has been refused. The Board may accept testimony only in regard to the assessment - not the tax.

Your HEALTH TIP

from Tom Leitzke, R.P.H.

### FOREIGN RISKS

Many a vacation in foreign lands has been dampened by an unfortunate intestinal illness. Much depends on where you go and what you eat. To avoid diarrhea, realize that all the infectious bacterial organisms are destroyed by thorough cooking. Therefore, stick to well cooked foods, avoiding salads, raw vegetables, and unskinned fruits. If the quality of the drinking water is questionable, it shouldn't even be used for brushing teeth or for making ice cubes.

## ANNA E. OEDER

Mrs. Anna E. Oeder, 87, residing with her son, Merlin, at 157 Edgewood Lane, West Bend, passed away Wednesday morning, Sept. 22, at St. Joseph's Community Hospital in West Bend where she had been a patient for the past two weeks.

She was born on March 22, 1895, in West Bend to the late Julius and Bertha Brotmiller Gerhardt. On November 25, 1915, she married Adolph Oeder, who passed away on October 20, 1945. Before living with her son in West Bend she resided in Town Scott, Sheboygan County.

Mrs. Oeder was a member of the Immanuel United Church of Christ in West Bend and a member of the Royal Neighbors.

Survivors include her son, two sisters, Mrs. Irma Gerlach of Fond du Lac and Mrs. Ida Duernberger of West Bend; one brother, Edwin (Viola) Gerhardt of West Bend; two sisters-in-law, Mrs. Frieda Brotmiller and Mrs. Charlotte Gerhardt; one brother-in-law, Warren Frank; nieces, nephews, other relatives and friends. Two sisters and two brothers preceded her in death.

Visitation at Miller's Funeral Home, Kewaskum, will be Friday from 4 to 8 p.m. Services will be conducted by the Rev. Douglas Wicker of the Immanuel United Church of Christ in West Bend, Friday, evening at 8 p.m. Burial will be at 10 a.m. Saturday at the Beechwood Union Cemetery in Beechwood.

## WILLIAM HINTZ

William F. Hintz, 91, of 333 Washington St., Campbellsport, died Sunday, Sept. 19, at the home of his daughter.

He was born April 6, 1891, in the Town of Scott, a son of the late Fredrick and Otila Schultz Hintz. He married Alma Trapp on Oct. 12, 1916, at Beechwood Evangelical Lutheran Church.

The couple farmed in the Town of Auburn until moving to Campbellsport in 1951, where Mr. Hintz was employed for a number of years. He was a member of Campbellsport United Church of Christ.

Surviving are his wife; a son, Kenneth of Elkhart Lake; a daughter, Mrs. Fred (Floreda) Klein of Kewaskum; three grandchildren; five great-grandchildren; a brother, Arthur of Campbellsport; and

three sisters, Mrs. Martha Staeger and Mrs. Irene Schaub, both of Kewaskum, and Mrs. Adella McElroy of Adell.

A brother and two sisters preceded him in death.

Funeral services were held at 8 p.m. Wednesday at Campbellsport United Church of Christ. The Rev. Carl Jensen officiated and burial took place at 10 a.m. Thursday at Beechwood Cemetery.

Visitation for Mr. Hintz was from 4 to 8 p.m. Wednesday at the church. Twohig Funeral Home, Campbellsport, was in charge of arrangements.

## EVELYN K. SCHNEIDER

Evelyn K. Schneider, nee Krejci, of 2011 County A, West Bend, died Thursday, Sept. 16, at St. Joseph's Community Hospital, at the age of 58.

She was born Sept. 1, 1924, in the Town of Saukville, and at an early age moved to Newburg.

After her marriage to Roman J. Schneider at Holy Trinity Church, Newburg, on Jan. 19, 1946, they settled on a farm in the Town of Trenton. Since 1948 she has lived at their present home.

Survivors include her husband; 10 children, Eugene, Kathleen, Vincent, Ralph, all at home, Lucille (Ira) Hartmann of Fredonia, Beverly (Roger) Spaeth of West Bend, Gerald (Diane), Donald (Karen), Susan (Gary) Kirt and Carolyn (Bruce) Weninger, all of Kewaskum; 10 grandchildren; one sister-in-law, Delores Krejci of Newburg; and other relatives and friends.

One brother, Ralph predeceased.

She was a member of the Christian Women's Confraternity and the Apostolate of Suffering.

Funeral services were held

Monday at 10 a.m. at the Schmidt Funeral Home, West Bend, with a Mass of Christian Burial at 10:30 a.m. at Immaculate Conception Church. The Rev. Richard Robinson was the celebrant and burial was in St. Mary's Cemetery.

## ORRIN BOETTCHER

Orrin Boettcher, 82, of 217 Edgewood Lane, West Bend, died Wednesday, Sept. 15, at St. Joseph's Community Hospital, West Bend.

He was born Aug. 10, 1900, in Rubicon in Dodge County, and married Ethel Reinhardt at the Reform Church in the Town of Ashford, Fond du Lac, on June 26, 1926.

He farmed in the Town of Barton and moved to West Bend in 1969.

Survivors include his wife; two children, Kenneth (Wilma) of Cecil and Janice (Ronnie) Hackbarth of West Bend; eight grandchildren; two step-grandchildren; 10 great-grandchildren; one sister, Verna (Erwin) Rosenthal of West Bend; one brother, Rolen (Marie) of West Bend, and other relatives and friends.

He was a member of St. Lucas Lutheran Church, Kewaskum.

Funeral services were Saturday at 11 a.m. at St. Lucas Lutheran Church, Kewaskum. The Rev. Paul Hoenecke officiated, and burial was in Lutheran Memorial Park, Kewaskum.

The Myrhum Funeral Home, West Bend, was in charge of arrangements.

# Today's Medicine

## CANINE DISTEMPER

By Gregory G. Ogi, D.V.M.

Distemper is the most prevalent and serious contagious disease of dogs. Although neither transmissible to man or 100% fatal like rabies, mortality in puppies is extremely high - only about half of the infected dogs survive. Once distemper strikes an unprotected animal, there is no specific and effective treatment. Prevention is the only answer.

Symptoms usually appear seven to nine days after exposure. Dullness, poor appetite, and depression are noticed for the first two days. About two days later fever rises, coughing occurs and discharge appears from the nose and eyes.

Complicating bacterial infections may occur. They are capable in themselves of causing permanent physical damage, or even causing death.

Several different types of vaccines are available for preventing canine distemper. Vaccination may be against distemper alone, or against one or two other viral diseases simultaneously. Which one your veterinarian uses will be determined by his experience with disease control in your particular area.

## DNR to Auction Firewood Permits For Kettle Moraine State Forest

MILWAUKEE, WI — September 16, 1982 — The Department of Natural Resources will auction firewood permits for the Northern and Southern Units of the Kettle Moraine State Forests on Saturday, October 2, at each of the Forest Headquarters.

The auctions will start at 9:00 a.m. at the Southern Unit Headquarters, located three miles west of Eagle on State Trunk Highway "59", and at 10:00 a.m. at the Northern Unit Headquarters, six miles north of Kewaskum on County Trunk Highway "G."

There will be approximately 50 firewood permits available for the Northern Unit and 52 permits available for the Southern Unit. Each permit will consist of between one to three standard cords of wood. A standard cord is four feet high by four feet wide by eight feet long.

Most of the permits will be for either standing dead or live trees which should be removed to improve forest productivity. Only one permit per household will be issued.

Certain restrictions will be in affect for the firewood permits.

## Kewaskum, Batavia Goodwill Deposit Stations Removed

The Goodwill deposit station located on Railroad Street, Kewaskum, and the collection station located at the American Legion Hall on Hwy. 28 in Batavia were removed, effective September 21, it was announced this week by Carol Della Pia, Director of Operations for the rehabilitation facility.

The high cost of maintaining the boxes was the reason cited by Goodwill Industries for the removal.

Goodwill hopes to organize special collections within Kewaskum and Batavia throughout the course of the year and would appreciate hearing from any organization that might be interested in sponsoring a drive.

Materials collected by Goodwill assist with the rehabilitation and training of more than 550 handicapped people that the agency serves.

For further information on how to organize a special collection for Goodwill, please contact the Public Relations Department of Goodwill Industries, Milwaukee Area, Inc., at 414-353-6400.

You're getting along in years when action cracks louder than words.

## 3rd and 4th Grade Youth Invited to Be 4-H Explorers

By Bob Stodola  
4-H and Youth Agent

September and October are the months when most 4-H clubs reorganize for the coming year and invite new members and families to join them. 4-H is for families with children from third grade to 18 years of age.

As new members and families think about 4-H, I would suggest they consider the 4-H Exploring project. It is intended especially for 9 and 10 year old beginners.

The exploring project is just that. The member explores. He explores living things and non-living things around him. He explores his home, family, friends and community. He explores his own physical, social, and creative self and finally he explores 4-H. He learns about the many projects and activities and opportunities for 4-H members.

Some of the things that a group of exploring members might do, would be, to bake a giant pizza, have a party, go on a tour of the community, make a shoescraper or do something with animals. There is a booklet of ideas and suggestions and leaders have many more ideas of things to do.

So now is the time to find out more about 4-H. The local 4-H clubs are having New Family Information Nights during September and October. They are putting up displays in store windows. If you want to know about how to take part, call the nearest 4-H leader. If you don't know who the club leader is, call the County 4-H Office. It is listed in the phone book under Washington County. Our phone

They include:

— The cutting period will be from October 2 through November 18.

— Cutting will be allowed seven days per week.

— Motor vehicles will not be allowed to travel off the state, county or town roads except on designated trails.

— Only marked standing or dead and down trees may be cut or removed.

— Cutting hours will be from 8:00 a.m. to 5:00 p.m.

Persons interested in participating in the firewood auctions should contact the Northern Unit Headquarters at (414) 626-2116 or the Southern Unit Headquarters at (414) 594-2135. Maps and additional information on each permit will be available for review at each Forest Headquarters.

### FOND DU LAC COUNTY NUTRITION PROGRAM FOR THE ELDERLY Campbellsport Community Center

Monday, Sept. 27 — Beef short ribs, mashed potatoes, red cabbage, lettuce, sweet rolls.

Friday, Oct. 1 — Macaroni & cheese casserole, creamed spinach, sliced tomatoes, tuna salad, bran muffins, ice cream.

Coffee, milk, bread, butter are served with meals.

numbers are 338-4478, 644-5204, or 432-2929.

## Home Economist Group Plans Fond Du Lac Gathering

The Wisconsin Home Economics Association will hold its district meeting on Thursday, October 14, at the UW Center, Fond du Lac Student Center. The theme for the meeting is "Wellness for the WHOLE Person."

Home economists from eight counties will be attending the meeting.

Dietitian and diet consultant, Caroline Forster of Ripon will be addressing the importance of "Setting up Your Own Diet, Exercise and Wellness" program. She will discuss creating a general awareness of your diet, exercise and health program and to evaluate what is available and where to look.

Keynoting the evening program will be Dwight Weiser, Associate Professor in Social Work, Marion College, Fond du Lac, on "More Effective Communication for Wellbeing." Weiser will be discussing communicating whole body response and what you say beyond your words.

Registration will begin at 4:00 p.m. and the meeting at 4:30 p.m. Dinner will be served to those making advance reservations. Registration includes dinner and program and is

\$8.00 for WHEA members and \$9.00 for non-members and \$7.00 for WHEA student members. Registration must be postmarked by no later than October 4 and sent to Beverly Haag, 7930 County Hwy. T, Oshkosh, WI 54901.

The conference committee includes Judi Peppler, Chairman; Mary Heisler, Mary Merkley, JoAnn Goodlaxson and Beverly Haag.

## Ernest Verhunce Enters Air Force

Ernest John Verhunce, Jr., 18, son of Mr. and Mrs. Ernest Verhunce, Sr., Route 1, Box 219, Hwy. D, Theresa, Wis., enlisted in the Air Force's Delayed Enlistment Program in Milwaukee September 15.

Ernest, a 1982 graduate of Kewaskum High School, is scheduled for enlistment in the Regular Air Force on May 5, 1983. Upon graduation from the Air Force's six-week basic training course, he is scheduled to receive technical training as a Munitions Disposal Specialist.

Staff Sergeant Rocky Jarvis of the Air Force Recruiting Office at 37 North Main Street, Fond du Lac, Wis., 414-922-3920, arranged all pre-enlistment testing and processing for Ernest.

## PUT YOUR FURNACE ON PART-TIME

RELIEVE YOUR CENTRAL HEATING SYSTEM WITH A KERO-SUN® PORTABLE HEATER—AND SAVE MONEY.

Stay warm. Save money. Put a Kero-Sun® portable heater to work for you and give your costly central heating system a break. With its advanced design, a Kero-Sun® portable heater is 99.9% fuel-efficient—far better than coal, wood, central gas and oil heating. The money you spend on fuel returns to you as heat. And it costs just pennies per hour to run.

In winter, heat a family room or rec room with a Kero-Sun® portable heater and turn down your central heat. In the spring and fall, use one to heat a kitchen or workshop

without firing up your central heating. There are Kero-Sun® portable kerosene heaters for nearly every kind of home and business. All are easy to operate. Smokeless and odorless in operation. Safety-tested and listed by Underwriters Laboratories. Give your furnace a holiday. Stay warm and save money with a Kero-Sun® portable heater. See our full line today.

KERO-SUN® HEATERS SAVE YOU MONEY WHILE THEY KEEP YOU WARM.

KEWASKUM — 626-2553

## 'WONDERFUL WISCONSIN WEEK' IS SEPTEMBER 19-25

MADISON — From Superior, Ashland and Hurley in the North to Cassville, Beloit and Kenosha in the South, and at hundreds of places in between, people in Wisconsin during the week of September 19-25 will be celebrating the great variety of good things that make their state such a good place to live.

Governor Lee Sherman Dreyfus has issued an official proclamation making the week of September 19-25 "Wonderful Wisconsin Week."

The week traditionally occurs each autumn as a celebration of the great variety and high quality of life in Wisconsin—agricultural, educational, environmental, governmental and societal—and as a salute to the manufacturing, tourism and agri-business industries which contribute so strongly to the state economy.

In recognition of the week, many communities plan special events and promotions which are publicized in local media, while individual citizens are free to observe the Week in any manner they wish. Travel around the state during this colorful change of seasons is one popular way to discover the state's great natural beauty.

"The change of foliage from summer green to autumn reds and golds is a little early this year," according to Don Woodruff, Executive Director of Wisconsin's Division of Tourism, "so people can begin their tourism colorama drives earlier than usual and, if the colors hold on, get in an extra week-end of sightseeing in Wisconsin."

Even in southern Wisconsin numerous trees already are turning color.

Woodruff suggested that visits to the official Tourist Information Centers (TICs) in the state would be beneficial to travelers, even those who are Wisconsin residents. At the TICs they can pick up books and brochures describing Wisconsin in general and detailed information about things to do and see in the specific area in which the information center is located.

Wisconsin's highway TICs are located at major entrances

to the state at:

Kenosha — Interstate 94 northbound rest area.

Genoa City — Highway 12 rest area.

Beloit — Interstate 90 northbound rest area.

Prairie du Chien — U.S. Highway 18 at the Mississippi River.

La Crosse — Interstate 90 eastbound rest area near the Mississippi River.

Hudson — Interstate 94 eastbound rest area near the Mississippi River.

Superior — Highway 53 rest area.

The Madison TIC is at 123 West Washington Avenue, one block west of the Capitol and in downtown Chicago the Wisconsin TIC is at 75 East Wacker Drive.

People are also welcome to request a 96-page, four-color "Great Escape" book describing Wisconsin's attractions which can be obtained by writing the Wisconsin Division of Tourism, P. O. Box 7606, Madison, WI 53707.

"It's great to be in Wisconsin any time of the year," Woodruff said, "but somehow Autumn always is dazzling! Wonderful Wisconsin Week could be the best time of all."

## J & J AUTO TOPICS

### CARBURETOR SCARE.

Sometimes the simplest auto failure can cause a panic, especially with inexperienced drivers. That little spring on the carburetor throttle did just that for a traveler the other day. When it breaks, the gas peddle drops to the floor and the engine runs wild.

During our tuneups and carburetor service at J & J AUTO Service we check the condition of this spring. Often, we find them worn thin or the spirals stretched, and the cost of a new one is only a few cents.

Make the short drive to 450 E. Main for regular services and head-off those breakdown possibilities. You'll like our way of servicing your car.

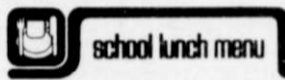

PHONE 626-2311

## Catholic Women Plan Fall Events

Washington County's District 13 of the Milwaukee Archdiocesan Council of Catholic Women is planning two events for this fall. The first will be the regular meeting Sept. 27 at St. Boniface, Germantown. The second will be a Leadership Workshop at St. Frances Cabrini, West Bend, Oct. 23.

Mrs. Dorothy Truttschel, MACCW president, will tell about the work and meaning of being a member of MACCW at the district meeting. A Rosary at 7:15 p.m. and Mass at 7:30 will precede the business meeting. All Catholic women in the county are invited to attend the meeting.

The leadership workshop is open to the general public, Catholic and Non-Catholic. The day will begin with registration at 8:30 a.m. and close at 2 p.m. Speakers will be Mrs. Mercedes Chalmers, Father Glen Graczyk, Associate Pastor of St. Frances Cabrini, and Mrs. Irene Blau. A registration fee of \$2 will be charged. Registrations should be in by Oct. 15 to Mrs. Sandy Bradt, 3129 Norman Dr., West Bend, 53095.

### HOLY TRINITY

Monday, Sept. 27 — Pork & noodles, peas, peach, dinner roll, rice krispie bar.

Tuesday, Sept. 28 — Pizza bun, cheese slice, corn, cupcake.

Wednesday, Sept. 29 — Chicken, mashed potatoes, green beans.

Thursday, Sept. 30 — Spaghetti w/meat sauce, cole slaw, vegetable stix, dinner roll, cookie.

Friday, Oct. 1 — Grilled cheese, lettuce salad, pear. Milk served with each meal.

## Sept. 19-25 Is National Farm Safety Week; Take Precaution Against Agricultural Fires

September 19-25, 1982 is National Farm Safety Week. Each year over \$133,000,000 is lost throughout the country due to agricultural fires. Several precautions can be taken to prevent serious damage, injury, or death.

The National Safety Council estimates that between 50 and 100 electrocutions occur each year on farms due to improperly installed electrical wiring and equipment. Faulty wiring and equipment can also be a serious fire hazard. A few simple guidelines for electrical wiring could greatly reduce this

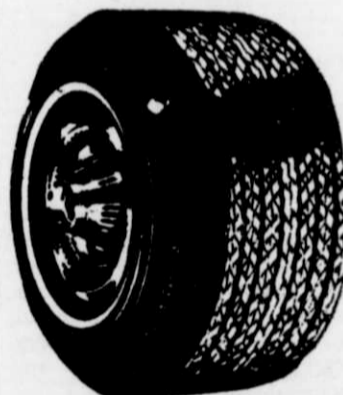

number.

Use permanently installed wiring whenever possible. Do not overload your wiring. It is safer to install new circuits where needed to adequately supply new electrical installations than to overload. In addition to the safety factor, equipment operates more efficiently on circuits that are not overloaded.

Fuses are for your protection. Use only those of proper amperage. Do not "bridge" across a burned-out fuse—replace it with one of correct amperage.

**AVAILABILITY OF  
DOCUMENTS**

Drawings, specifications, and other bidding documents may be obtained from RUEKERT & MIELKE, Inc., 419 Frederick Street, Waukesha, WI 53186 on and after 12:00 NOON, Monday, September 20, 1982 upon depositing \$10.00 per set of drawings. Deposit will be returned in full upon return of plans, specifications and other bidding documents, in good condition, within 10 days after closing of bids. A separate, non-refundable check for \$5.00 will be required to cover mailing and handling charges.

Drawings, specifications and other bidding documents will be on file and may be seen at FISCHER-FISCHER-THEIS, Inc., Waukesha, WI; RUEKERT & MIELKE, INC., Waukesha, WI; BUILDER'S EXCHANGE, Fond du Lac and Milwaukee, WI; F.W. Dodge Corporation, Milwaukee, WI., and Kewaskum Village Hall, Kewaskum, WI.

**PREQUALIFICATION**

Prequalification forms are available at RUEKERT & MIELKE, INC. and must be filed for the current year by each Prime Contractor whose Contract amount of \$10,000 or more. Forms must be submitted to the VILLAGE OF KEWASKUM, Municipal Building, 204 First Street, P. O. Box 38, Kewaskum, WI 53040 no later than October 4, 1982.

**SUBMISSION AND  
OPENING OF BIDS**

Sealed Bids shall be addressed and delivered to the VILLAGE OF KEWASKUM, Municipal Building, 204 First Street, P. O. Box 38, Kewaskum, WI 53040 on or before Monday, October 4, 1982 at 5:00 P.M. A Public Bid Opening will be held on Monday, October 4, 1982 at 8:00 P.M. at the Municipal Building (address as above) at which time bids will be publicly opened and read aloud.

Each proposal shall be for a fixed lump sum including unit

prices, and alternate bids as set forth in the proposal form, and must be accompanied by either of the following as a guarantee that the successful Bidder will execute and file the proposed contract and performance bond within ten (10) days after the award of contract: 1. A certified check or bank draft payable to the VILLAGE OF KEWASKUM in an amount of not less than five percent (5%) of the full amount of the bid, or 2. A corporate surety bid bond in lieu of a certified check in the same amount. NOTE: Any proposal containing an "Escalator Clause" cannot be considered.

**AWARDS OF CONTRACTS**

After bids are opened, no bid can be withdrawn for a period of thirty (30) days after the scheduled time of closing bids, without consent of the VILLAGE OF KEWASKUM. The Village Board reserves the right to reject any or all bids and to waive informalities, and to make the awards in such manner as said Board may deem right and proper for the best interests of the VILLAGE OF KEWASKUM.

**LETTING OF WORK**

The letting of the work described herein is made subject to the provisions of Section 66.29 Wisconsin Statutes.

Published by authority of the Village Board this twenty-third (23) day of September, 1982.

**ORDER LIMITING TIME  
FOR FILING CLAIMS  
[ON WAIVER]  
AND DETERMINATION  
OF HEIRSHIP**

IN THE MATTER OF THE  
ESTATE OF ELMER  
RUPLINGER, Deceased.

A petition for administration of the estate and determination of heirship of Elmer Ruplinger, Washington County, Wisconsin, post office address Route 3, Campbellsport, WI 53010, having been filed;

IT IS ORDERED THAT:

1. Creditor's claims must be filed on or before December 9, 1982, or be barred;

2. Heirship will be determined and claims will be examined and adjusted on December 21, 1982, at the Washington County Courthouse, in West Bend, Wisconsin, at the opening of Court or thereafter.

Notice thereof be given by publication of this order for three consecutive weeks, once in each week, in The Kewaskum Statesman, the first insertion to be within fifteen days from the date hereof.

Dated September 9, 1982

By the Court,  
Richard T. Becker,  
Circuit Judge.

**Special Thanks**

The 1982 football cheerleaders would like to express their gratitude to all those who helped make our car wash a success - especially Miller's, for the location, Kewaskum Statesman for the advertisement, and those who took the time to get their car washed.

Thanks Again!

Sincerely, The 1982 Football Cheerleaders.

**Negotiations Meeting**

Kewaskum Middle School  
1676 Reigle Drive  
Kewaskum, WI 53040  
8:00 p.m.

Tuesday, September 28, 1982

The School Board of the School District of Kewaskum has scheduled the first negotiating session with the Kewaskum Education Association. The first portion of the meeting is open to the public at which time initial proposals will be exchanged. Both sides will then meet in closed session to begin negotiations.

**THANKS EXPRESSED**

Thanks to my pastor, Rev. Lindau, my family and friends, for remembering me with calls, cards and visits while I was a patient at St. Joseph's Hospital.

John Heberer Sr.

**BOARD SCHEDULES CLOSED  
SESSIONS TO INTERVIEW  
SUPT. CANDIDATES**

The School Board of the School District of Kewaskum met in closed session at 8:00 p.m. on Monday, September 20, 1982, and 7:00 p.m. on Wednesday, September 22.

They will also meet in closed session at 7:00 p.m. on Friday, September 24; Tuesday, September 28, and Wednesday, September 29.

The purpose of the meetings is to interview the final candidates for the position of superintendent. The meetings are held in the Administration Office and are closed to the public.

**PHOTOS SELECTED  
FOR STATE EXHIBIT**

Two Washington County 4-H members had their photos selected for the state traveling 4-H exhibit. Jon Etta of West Bend had a series of pictures on church steeples. Robby Beisenstein of Hartford had an enlarged photo of his dog which he called "Puppy Love." These photos were selected from those exhibited at state fair this year. Our congratulations to Jon and Robby for the fine photography work they have done.

Ron Luedtke takes his lap in qualifying.

**RACING RESULTS**

by Jae Omen

Ron Luedtke of Lomira put the topping on his good gear by taking the 30 lap feature last Saturday for Fan Appreciation Nite at the Plymouth dirt track. The Pogo built modified is owned by Bob Wondra, also of Lomira, and will be sporting the

#1 in 1983 for the Eastern Wisconsin Stock Car Assn.

The 45 year old farmer is a veteran of the short track racing, with 25 years under his belt.

Ron, along with about 70 other E.W.S.C. drivers, will be honored at the Annual Awards Banquet on Oct. 23, at Milhome, near Keil.

**Waterfowl Season**

**Opens at Noon Oct. 1**

Wisconsin's 1982 duck and goose hunting seasons will open at noon on Friday, October 1, it was announced by the Department of Natural Resources.

The 50-day duck season will be split with the first part closing on October 10. The season will re-open one-half hour before sunrise on October 16 and continue through November 24. A special 16-day season on scaup will follow in designated areas, running through December 10.

Legal hunting hours for both ducks and geese on all days after opening day will be one-half hour before sunrise until sunset.

Bag limits on ducks will be under the point system with the daily limit being reached when the last duck bagged brings the hunter's total to 100 points or more.

Wisconsin's request for an increased goose harvest quota this year was denied by the United States Fish and Wildlife Service. DNR officials had requested a quota of 25,000 this year compared to 20,000 in 1981. However, the USFWS has allotted a quota of only 18,000 to Wisconsin.

DNR Secretary C. D. Besadny registered a vigorous protest by letter and by phone to federal officials in Washington about the quota reduction. But the USFWS office confirmed on Thursday (September 2) that the 18,000 figure will be the

possession.

In the Mississippi River Zone, the goose season also will be split, running October 1-10 and October 16-December 10, a total of 66 days. Daily limit on the river is one Canada goose until November 25 and two thereafter.

Federal regulations allow a 70-day goose season on the Mississippi River but DNR officials selected the shorter season so the closing date would coincide with closing dates of the Mississippi River special scaup season and the Minnesota goose season.

In the 16 counties surrounding the Central and Horicon Zones, a free permit is required to hunt geese. These permits are available at any time during the season at DNR offices and hunting license sales outlets.

Regulations requiring use of non-toxic (steel) shot in designated zones within the state will be the same as those of last year. Hunters are advised to check their 1981-82 waterfowl regulations pamphlet. A supplement containing 1982 season dates and bag limits will be available by September 15 from DNR offices and license sales outlets.

**Hon-E-Bees**

The finale to the Hon-E-Bees golf season ended with a closing dinner on Wednesday evening, Sept. 15. Out-going president, Judy Harlow, handed the gavel over to in-coming president, Kathye Wierman. Remaining offices for next season were announced as follows: Vice president, Corey Wuebben; secretary, Dianne Hoffman, and treasurer, Laura Mathews. Golf committee chairman will be Tudy Korth.

Winners for the events held throughout the golf season were announced and presented with trophies: June Medal - Class "A," Kathy Lastofka; Class "B," Tudy Warner; Class "C," Tudy Korth and Class "D," Mary Stutzmann. July Memorial winners included: Class "A," Joan Eggers; Class "B," Eleanor Marx; Class "C" and "D," Frances Rohlinger. Ringer winners were: Class "A," Mary Ann Koss; Class "B," Corliss Fassbinder; Class "C," Tudy Korth and Class "D," Laura Mathews. Frances Rohlinger was the pyramid winner. After the meeting door prizes were awarded to Mary Ann Koss, Kathye Wierman, Judy Harlow and Tudy Warner.

Classified ads in the Statesman bring results, phone 626-2626.

**Hunter's Choice Cheaters Pay**

Hunter's choice permit applicants last year who applied for a permit with preference by falsifying information on the application have already paid to the tune of \$19,889.00 in forfeitures and costs.

Of 303 cases which have so far been tried, 257 resulted in convictions while 46 were dismissed by district attorneys or courts. There are 198 cases still active in the courts. The average forfeiture and cost was \$77.39. Revocation of the convicted person's deer hunting license is mandatory.

When applying with preference, an applicant states on the permit application that a permit was applied for the previous year and was not received. A total of 108,430 hunters choice permits were issued in 1981, and a computer cross-check of permit holders for the 1980 and 1981 seasons revealed 1,409 situations were it

was possible the same individual had received a permit for both the '80 and '81 seasons. Field investigations by DNR wardens determined that in 908 of these instances, no violation had been committed. These were cases where individuals had similar or identical names or initials and addresses (father-son, uncle-nephew) as persons who had received permits the previous year, 1980. The remaining 501 cases were referred for prosecution.

The procedure for checking preference applications for hunters choice permits is continually being refined to weed out the cheaters and prosecute them in the courts.

Remember, in seeking preference for a hunter's choice permit this year you must answer the questions on the application honestly. To get preference for a 1982 permit, you have to have applied for a permit for the 1981 season and been unsuccessful in receiving one. Applications for a 1982 permit must be postmarked no later than October 1

## Indians Lose Conference Opener to New Holstein

After winning their first two tuneup, non-conference games over Slinger and Campbell-sport, both by one point, the Kewaskum Indians tasted defeat for the first time at home Friday night when they were defeated by a strong New Holstein team, 16-6.

Last year Kewaskum took advantage of a fumble recovery for a score in defeating New Holstein. This time out the many returning veterans on the Huskies' team were fired up and returned the favor and used an intercepted pass which went for a touchdown and a safety to help them beat the Indians.

After a 0-0 first quarter, New Holstein scored first midway through the second period when Bob Lautenschlaeger scored after a 59-yard drive. Lautenschlaeger, a senior running back, who also is the punter and placekicker, also kicked the extra point, to make it 7-0.

Later in the same quarter Huskie linebacker Randy Klotz intercepted a Mark Follmann pass and ran 29 yards for New Holstein's second score. The Indians partially blocked Lautenschlaeger's kick but it still cleared the cross bar, giving the Huskies a 14-0 lead at halftime.

The Indians failed to get good field position in the half time. In their first series of the game, when they did move the ball over 25 yards, Stuart Stautz fumbled and New Holstein recovered to halt that drive.

Matters didn't improve much in the third quarter when the Indians were forced to start two series on their own five and two yard lines. The second ended when the Huskies picked up a safety when Stautz was tackled in his own end zone.

Late in the third period the Indians finally scored when Jim Braun picked up a first down on a 15 yard carry and fullback Chris Harlow broke loose for a 64 yard run down the right sideline to their opponents' four. On the very next play, Drad Dieringer was tackled for a loss but the Indians scored on second down when Braun hit Dennis Butz on an eight yard option pass. Kewaskum tried a pass for a two point conversion but the ball was batted away from the intended receiver Darryl Tewa. That completed the scoring for the night as the last quarter was scoreless.

The scoring pass completed by the Indians was one of only two completions for the night. Follmann had two interceptions before being forced to leave the game with an injured finger. Tim Leitheiser replaced him and went 1 for 12.

After their score, the Indians came close to a successful onside kick but the Huskies' Ed Hau came up with the ball. A few plays later, Braun and Harlow hit Huskie quarterback Geoff Floura, forcing him to fumble. Butz recovered on Kewaskum's 37 and the Indians picked up a couple first downs before the drive stalled on New Holstein's 34.

The Indians outgained the Huskies, 208 to 193, and their second half offensive performance was encouraging. The first half was a struggle for the Indians but they played a good second half. It came a late though. New Holstein had a senior dominated team and staying close to them may provide a lift for the young Indians during the rest of the season.

This Friday Kewaskum travels to Chilton, which was a 7-0 winner over Plymouth last week, so it won't be easy.

	KEWASKUM	NEW HOLSTEIN
First Downs	10	12
Yds. Rushing	196	167
Yds. Passing	12	26
Total	208	193
Passing	2-17-3	3-9-0
Fumbles-Lost	2-1	2-1
Punts	5-41.5 yds.	7-35.1
Penalties	1-15 yds.	7-50 yds.

	NEW HOLSTEIN	KEWASKUM
Scoring	0-14-2-0 16	0-0-6-0 6

Scoring: NH Bob Lautenschlaeger 1 yd. run. Lautenschlaeger kick. NH Randy Klotz 29 yd. run with intercepted pass. Lautenschlaeger kick. NH Stuart Stautz tackled in the end zone. K Dennis Butz 8 yd. pass from Jim Braun. Pass failed.

### FRESHMEN WIN, JVs LOSE TO NEW HOLSTEIN

The Kewaskum freshmen opened their season with a 16-0 shutout victory over New Holstein, but the JVs lost Thursday, 8-6.

The frosh passed twice for scores with Rick Staehler hitting Paul Kaufmann for strikes of 25 yards. Defensively linebacker Tim Dettman played well and also ended up with close to 100 yards rushing. The freshmen's extra points came on a pass from Tom Rohlinger to Staehler and a run by Greg Dreher.

The JVs' only score was set up by quarterback Mike Steinhardt with a long run near the end of the third quarter. It aided the 60 yard drive capped when Steinhardt ran into the end zone.

The team played well defensively in the second half, especially Tim Landvatter and Dean Kohn.

### Girls' Tennis Team Splits Two Outings

The Kewaskum High School girls' tennis team broke even in two outings last week against Eastern Wisconsin Conference opponents, losing to Plymouth 6-1 last Wednesday and coming back the next afternoon, Thursday, with a 5-2 victory over Chilton.

Junior Sherry Simon was the only Indian player to win two matches. Against Plymouth, Simon recorded a 10-5 win over Kris Rowan in a pro set battle. Playing abbreviated matches at Chilton, because that school has just three courts, Simon defeated Julie Wagner 8-5. Sherry has been making considerable improvement.

Coach Jan Rosenthal's squad is now 4-4 on the season.

### Volleyball Girls Lose to Huskies

The Kewaskum girls' volleyball team hosted New Holstein Thursday and after losing the first two games, 15-4 and 15-10, it was all over, even though the Indians took the final game, 3-15.

It was Parents' Night and the girls seemed to be up tight in trying to do well in front of their parents and families. But it was the same story as it was in the Indians' first two conference encounters.

Kewaskum was ahead 10-5 in the second game but again couldn't put the Huskies away.

The JVs and freshmen also lost to the Huskies.

The powerful Sheboygan Falls team will be coming to Kewaskum Thursday.

	Varsity	JV	Freshmen
New Holstein	15 15 3	15 15 15	15 15 10
Kewaskum	4 10 15	6 7 6	7 8 15

### Cross Country Teams Run in County Meet, Lomira Invitational

The annual Washington County cross country meet was held at Hartford last Tuesday on a cool, damp day, with the host Orioles finishing first in both ends of the boys and girls divisions. Runners-up were West Bend East in both the boys and girls ends of the meet.

In the girls part of the meet, the top five finishers were all from different schools, with Slinger's Angie Cortes reaching the chute first.

Kewaskum's Sandy Klein was the Indians' top finisher, as she placed 10th.

The Hartford girls, winning their first county crown, finished with 52 points, followed closely by East and Slinger with 52 points each. East was awarded second, however, because their 6th runner finished ahead of Slinger's 6th runner. Germantown was fourth with 112 points, Kewaskum fifth with 125 and West Bend West last with 153.

In the boys' end of the meet Hartford edged West Bend East by two points. Bob Hackley led the way, covering the 5,000 meters in 16:40, and four of his Hartford teammates were likewise in the top 10.

Team standings were Hartford 27, East 29, West 95, Kewaskum 105, Germantown 131 and Slinger (disqualified for pacing runners on course).

Kewaskum's best runner was Monty Shaw in 13th with teammate Steve Hubbel placing 15th.

East's JVs dominated winning with 17 points. Next came Slinger 83, Hartford 85, Kewaskum 115, West 121 and Germantown 162.

Kewaskum's best runner was Mike Wiedmeyer 13th.

### LOMIRA, KIEL WIN

Lomira and Kiel won the respective boys' and girls' championships at host Lomira's cross country invitational Thursday.

All five of Lomira's runners placed in the top 27 as the Lions boys ended with 62 points, 29 ahead of second place St. Lawrence. Neil Foch of Dodge-land took first among the boys

### State Horseshoe Tourney Winners

The Wisconsin State Horseshoe Tournament was held at the D&B Midway Bar in Green Bay recently.

The Kewaskum Horseshoe League was well represented by Jim Boegel, Bob Struebing, Herb Theisen, Butch Gengler, Don Jacak, Al Rohlinger, Ralph Struebing, Tim Jacak, Hans Boegel, Mike Truebung, Barb Gengler, Carrie Struebing, Rita Boegel, Janet Rohlinger and Nancy Boegel.

A Nancy was given for the

following places: Herb Theisen, (not shown in photo) first place in Class R, men; Butch Gengler, (not shown) second place in Class U, men; Barb Gengler, (left) first place in Class B, women; Janet Rohlinger, (right) second place in Class D, women, and Tim Jacak, (center) second place in Class B, boys.

The rest of the pitchers had several third places and one fourth place in their classes. Nice going gang!

### Sponsor Basketball Instruction Program

The West Bend Park, Recreation and Forestry Department is sponsoring a basketball instruction program that will run eight Saturdays from October 2 thru November 20. This is a new program, open to boys and girls from age 8 to 13. The intent of the program is to help individuals improve their fundamental skills of the game, enjoy some competitive competition and have fun. Below is a listing of the times:

8-10 yr. olds — 9:10-10 a.m.  
11-13 yr. olds — 10:30-12 a.m.

There is a fee of \$2 for West Bend residents and \$4 for non-residents. If you are interested in being a part of this new and exciting program, sign up at the West Bend Park Department office at 724 Elm St. West Bend.
