## Shop Rite Going Out of Business Here

# Sentry Foods Moving to Kewaskum Mall

By GERRY MUELLER  
Statesman Staff Writer

As Judy Geidel of Kewaskum's Sentry Foods store sat in the back office of her business, she was surprised herself, to realize she and her husband Bill could trace her family's life in the business community back over eighty years. "I don't think we want that far back" said Mrs. Geidel.

It all started in the early 1900's when Mrs. Geidel's grandfather, John Marx, opened an IGA store in the location which now houses the Kewaskum Saloon. "I thought the first store was in the present First Step Shoes building." Mrs. Geidel noted her mother told her that store didn't come along until 1926. Later Harold (Mixie) Marx and his wife Eleanor took over the business from his father. On January 24, 1962, "Mixie" and Eleanor moved into their new Sentry Store. On July 5, 1977, the third generation took over operation of the family business when Judy (Marx) and Bill Geidel bought the business from her parents.

Now there will be another change, not in owners this time, but locations. For the first time this family tradition will not be moving into new quarters on Main Street, but into a much larger store in the Kewaskum

Bill and Judy Geidel

Mall.

Mrs. Geidel said they had been considering moving to larger quarters and when Roundy's approached them about taking over their Kewaskum Mall store, they decided to make the change.

After less than a year of operation, Roundy's Shop Rite is closing their Kewaskum Store on Saturday, October 16, due to low sales volume in a competitive market. Generally business was good but the community is not large enough to support three stores, according to Tim Remer, Shop Rite manager of the Kewaskum store.

Remer will be relocated in Milwaukee with the Pick 'N Save operation. Several of their 35 full and part-time employees will be transferred to jobs with other Roundy United Foods businesses.

Tim said he was sorry to leave the area as he had made a lot of friends here.

Judy stated final details of the transaction were worked out at a meeting Monday afternoon. With the Godfrey Company assisting them, the Geidels completed negotiations to lease the store from The Renaissance Group of Madison, mall owners, and buy Shop Rite's fixtures

## Wigwam Supper Club In Kewaskum Sold

The Wigwam Supper Club on Fond du Lac Ave., Kewaskum, has been sold to a group of investors as of Thursday, October 6, according to William Edwards, former proprietor. According to reports, the business will be taken over by a Port Washington operator.

The new operators anticipate a December 1 opening. They plan on doing some remodeling before that time.

William and Violet Edwards

had operated the Wigwam from 1952 to 1979. It was sold to Robert and Judy Klein in 1979 when it was called The Homestead. Due to conflicting interests, the Kleins rented the business to Tom and Ann Gundrum. They operated the supper club until the fall of 1981. The establishment has been closed since that time.

More information was not available at this time. It will be released at a later date.

## Fifth Farm Fire in Area

# Weekend Fire Strikes New Fane Farm

Smoldering bales and wall remains.

(Statesman photo by Gerry Mueller)

By GERRY MUELLER  
Statesman Staff Writer

For the second time in six years fire was an unwelcome visitor to the Elizabeth Felten farm located on Mill Road at New Fane.

At approximately 2:15 a.m. Saturday morning, Mrs. Felten was awakened by a neighbor who had seen flames coming from a building on her property. Kewaskum Fire Chief Augie Bilgo said his department received the call at 2:15 a.m. and when they arrived on the scene the 108 by 60 foot metal pole building was completely involved in flames.

The structure, which had just been erected in June, housed

machinery in one half and large round hay bales in the remainder. Also destroyed by the blaze was a new tractor with only 80 hours on it, a brand new double axle manure spreader which had not been used yet, a combine and hay wagon all stored inside the building. A corn planter parked next to the building was also lost. The machinery lost in the fire belonged to Mrs. Felten's sons, Wilmer and Robert, and Wilmer's sons, Dan and Ron. The four Felten's operate the farm.

The Kewaskum Fire Department was aided by tankers from Beechwood, Boltonville and

## Final 1982-83 School Budget OK'd

By GERRY MUELLER  
Statesman Staff Writer

At Monday night's school board meeting, Interim Superintendent Robert Borch presented the revised 1982-83 budget for the Kewaskum School District.

Final figures show a drop of \$45,335, from the original budget of \$4,842,680.00 as presented at the annual meeting in July, to \$4,797,345.00 in October. Borch cited early payment of some items listed in the original budget, along with recalculated revenues as the reason for the drop.

The 1982-83 tax levy is \$2,779,462.00 compared to the 1981-82 levy of \$2,728,928.00. The 1982-83 levy rate will be \$9.9499 per \$1,000 of equalized value, up one cent from the 1981-82 rate of \$9.9405.

A breakdown shows three townships with a decrease in the tax levy due to a decrease in equalized valuation. The largest change is in the Town of Auburn with a decrease of 5.5%. Farmington dropped

3.3% and Scott 1.1%. The Village of Kewaskum showed a 2.1% levy increase, with Ashford up .1%, Mitchell up 8.9%, Barton 5.3%, Wayne 5.7% and the Town of Kewaskum rising 1.3%.

The vote to accept the budget was 5-1-1, with Ralph Horner voting no, and John Tessar absent.

High School Counselor David Wietor presented a report on the results of Kewaskum students who took the ACT college entrance tests last year.

The ACT assessment consists of four test areas, English, math, social studies and natural science. In all four areas, plus a composite score, Kewaskum students ranked higher than both the state and national averages. In English Kewaskum scores 21.3% compared to 19.0% state and 17.9% national averages. Math was 22.5% local, 19.7% state, 17.2% national. Social studies was 21.5%, state 19.2% and national 17.3%. Natural Science 26.3%, state 23.0%, national

20.8%. The composite score

## Our Series Tickets No Longer for Sale

We were ready to sell our World Series tickets when the Brewers lost the first three games against the Baltimore Orioles. But then they came through to win the final game and take the division championship.

We were ready to sell our series tickets when the Brewers lost the first two games to the California Angels in the playoff series. But again they came through to win the last three straight to cop the American League pennant.

And after they won the first game of the World Series Tuesday night over the St. Louis Cardinals easily, we finally became believers and decided to hang onto our series tickets in Milwaukee.

Go Brewers, go!

## Sentry

(Continued from Page 1)

such as shelving and coolers, and any stock that may be remaining after an inventory next Monday.

Mrs. Geidel said she did not know where all the rumors got started about their buying the Shop Rite store or building. We own a Sentry franchise and that's the same operation that will be going into the new location said Geidel.

The new store will increase their selling space by about 4,000 square feet, allowing for an expanded Crestwood Bakery section and addition of a delicatessen department which wasn't possible in the present quarters.

The store presently employs 25 full and part-time people including the Geidels. With the added bakery and deli departments, Geidel thought a few more employees might be added. "Possibly five or six more, I really can't say for sure at this time." Store hours will remain the same with the possibility of extending Sunday hours.

November 17th has now been targeted as the date for opening the new store. A grand opening will not be held until after the first of the year due to the holidays.

"Waiting in the Wings" to become part of this family heritage, is the Geidel's son Michael. Mike is presently enrolled in an accredited two-year course of supermarket management at Waukesha County Technical Institute. Upon graduation in 1983, Mike could be the fourth generation to take his place in the family business.

The fate of the old store has not been decided yet. "We may lease it or sell it, no definite decision has been made on that yet," said Geidel.

## School Budget

(Continued from Page 1)

showed students at 23.0%, which is 4.6% above the national composite average score of 18.4% and 2.6% higher than state scores. The report was done with the statistics of 59 Kewaskum students who took the test in 1981-82.

In other action, the board heard a request from Mrs. Terry Candelario, high school German teacher, to have the school sponsor a trip to

Germany. There were some questions regarding the district's legal responsibility in reference to insurance. The board felt the matter should be examined further and moved to table a decision on the trip until its November meeting.

The board approved the hiring of David Goeden as Middle School assistant wrestling coach and Mrs. Marion Fritz as Middle School cheerleading coach. Borch noted the positions had been posted for the professional staff with no responses. This allowed the jobs to be offered to other interested parties.

## Farm Fire

(Continued from Page 1)

Campbellsport. Firefighters were still on the scene at 9:30 a.m.

No damage estimates were available as of Monday morning.

Bilgo noted this was the fifth farm fire in the immediate area during the past ten years. The fire, of undetermined origin, is under investigation by the Fond du Lac County Sheriff's Department.

Exactly six years ago on September 10, 1976, Felten's dairy barn was destroyed by fire. On January 19, 1982, the barn of Fred Meyer, Felten's next door neighbor, was burned. Both the Felten's and Meyers have rebuilt.

## Rescue Squad Calls

Wednesday, Oct. 6 — Alfred Mueller, 65, 7942 Forestview, R. 2, Kewaskum, taken to St. Joseph's Community Hospital, West Bend, from his residence with illness.

Friday, Oct. 8 — Donald H. Ott, 59, 9688 Maple Tree Rd., Kewaskum, taken to St. Agnes Hospital, Fond du Lac, from his home when he experienced difficulty breathing.

Saturday, Oct. 9 — Dennis R. Blish, 37, 1616 Fond du Lac Ave., Kewaskum, transported to St. Joseph's Community Hospital when he experienced difficulty breathing.

Sunday, Oct. 10 — Scott R. Stoltzmann, 19, 350 Braatz Dr., Kewaskum, taken to St. Joseph's Community Hospital from in front of 130 Forest Ave., Kewaskum, following a motorcycle accident.

## Named to Architects Executive Committee

Ronald C. Reigle has been named an associate member of the executive committee of the St. Paul Chapter of the Minnesota Society of the American Institute of Architects with the Winsar-Faircey Architectural Firm of St. Paul, Minn.

Ron, his wife Lynne and son, Samuel reside in Minneapolis.

There are about 200,000 millionaires in America today.

## Reroofing Contract To Dehling-Voight

Acting on the recommendation of Ruekert-Mielke Incorporated, consulting engineers, the Kewaskum Village Board voted to award the Municipal Building reroofing contract to low bidder, Dehling-Voight Inc., of Newburg.

After reviewing the four bids submitted, William Mielke's letter informed the board that reference checks, along with the low bid of \$21,465.00, led him to recommend the firm.

Work is to be started by November 10, 1982, with completion on or before December 1, 1982.

In other action during the special meeting Thursday evening, the board approved a tentative settlement of a disputed invoice submitted by Foth and Van Dyke Associates of Green Bay, in the amount of \$17,488.50.

There was some question as to work time charged to the village actually being done along with excessive designing in the project plans.

Representatives of the firm including President Joseph Linssen, Donald Woller, Vice President, and Dean Freeberg, engineer, were on hand to explain the invoice and time spent on the project which covered engineering services in connection with the design of a

Ph Control system and related equipment at the Wastewater Treatment plant.

Company representatives told the board that DNR changes in requirements during plan development accounted for some additional costs. Construction of a building to insure safe handling of dangerous chemicals also necessitated extensive studies the board was told.

In the original engineering, plans included the Ph Control System, Clarifier Covers and a building to house a mixing area for chemicals such as sulphuric acid. Under the tentative agreement Foth and Van Dyke will draw up new plans at no charge for a less elaborate installation. However, the firm will submit bills for work done on Wisconsin Fund grant applications, reviewing, awarding of bids, inspection and audits.

President Gerald Stollenwerk said the board would tentatively accept the disputed invoice if the company drew up a contract that would stipulate "a cost not to exceed" figure for the related work.

The board will make its final decision on the matter when Foth and Van Dyke present their contract at the October 18th meeting.

## Ruth Home Burglarized

The William Ruth home at 719 County Trunk G in the Town of Auburn was the scene of a daytime burglary on Tuesday, Oct. 5. The Ruths were gone at the time. Among items taken were two shotguns, four antique clocks, a very valuable diamond ring and a pearl ring. The Ruth home is located about 2½ miles north of Kewaskum.

The Ruths had left their home at 8:00 o'clock in the morning and returned about 2:30 p.m. to find their home broken into and ransacked. Ruth immediately notified the Fond du Lac County Sheriff's Department.

Authorities stated it was evident the intruders initially tried to gain entry through a window on the north side of the residence. A storm window was removed and an effort made to pry open the inside window. Not being successful in that attempt, they moved to the front or east side of the home where they gained entry by removing a small grill from the door, breaking the glass of the door and reached in to unlock the locks. Bedrooms and closets were ransacked.

Taken from the Ruth home were two 12-gauge shotguns, three books of penny collections, an assortment of other coins, several \$2 bills, misprinted \$5 and \$20 bills, four antique clocks, two men's watches, a necklace with gold chain, child's piggy bank, silver neck-

lace, diamond ring and pearl ring.

Officers believed that the intruders drove their vehicle and parked in a wooden area to the northwest of the home so as not to be seen by neighbors.

The burglary is under investigation.

Vinegar and salt can work mischief on the vitamin contents of fresh salads, so add them as close to serving time as possible.

Twins are born less frequently in the eastern part of the world than in the western.

### Dear Friends

As our living standard improves, it becomes more difficult to sense the hunger...frustration...even despair of the unfortunates in each community who often suffer afflictions and privations through no fault of their own. The UNITED FUND offers that one time each year to share our blessings with the unfortunate - let us be truly generous.

Sincerely,

Pat Miller

These tax deductible donations may also be mailed to Sheryl Rinzel, 3800 Ridge Road, Kewaskum 53040. All checks should be made payable to the PTO Halloween Fund.

## Horseshoe League Finds New Home in Kiwanis Park

By GERRY MUELLER  
Statesman Staff Writer

A new site for the horseshoe courts has been found, was the report given to the Kewaskum Village Board at its special meeting Thursday night.

Through the cooperative efforts of Village Board and League representatives, the Kewaskum Horseshoe League has found a new home which will allow for present, as well as future growth for their sport.

At a meeting Tuesday morning, Parks Committee Chairman Jeff Rohrer met with Herb Theisen and several other league members to inspect and discuss the pros and cons of various sites both at the old and new parks.

Rohrer presented two alternate locations at Kiwanis Park which he felt were better suited to the league's needs than their proposed relocation area along the west side of the river. An area located north of the tennis courts, along with an area to the west of the tennis courts were suggested for league consideration. A third alternate on the east side of the river in the old park was eliminated.

After reviewing all the options, the league members agreed on the land to the west of the tennis courts. Theisen told the board his group was satisfied with the new location.

The old courts will remain in use until the new pits have been constructed. Some leveling and grading will be done this fall in preparation for work on the courts next spring. Not all ten pits will be done at once Theisen noted. Development will take place over a period of time. As much work as possible will be done by league members said Theisen.

Rohrer stated, "the village has always had an excellent working relationship with the league." He noted the people have been "a joy" to work with in the past and he was glad a solution agreeable to everyone was found.

Theisen thanked the board for their understanding and "opening our eyes to the possibilities of the new park."

Bamboo, actually a giant of the grass family, grows 100 or more feet tall in the tropics.

## Final Plans Being Made for Community Halloween Party

With Halloween only about two-weeks away, final plans are being made for the second annual Kewaskum Community Halloween Party on Saturday, October 30.

The costume parade will begin at 5:00 p.m. behind the Kewaskum Elementary School. After the costume judging, the party will continue at the Kewaskum Middle School. Very special entertainment to include a life-size puppet show, an Abbott and Costello movie, and a sing-a-long is planned. Watch for additional details next week.

Drawings for door prizes will be held following the entertainment. Children must be pre-registered to be eligible for door prizes. If you child has not yet

registered and wishes to attend, please contact Mary Pearson, 626-4594. This exciting evening is open to children from the following schools in Kewaskum: Kewaskum Elementary, Holy Trinity, and St. Lucas. Pre-school children may attend if accompanied by a parent.

The evening will conclude with treats for all the children.

The PTO would like to thank the community for the many contributions received to date,

## From the School Board President's Desk....

What is a closed session? What does the Board do when it goes into a closed session? Why have you been having all these closed sessions lately? Don't you have to make public the results of the closed sessions?

These have been some of the questions sent to me lately. Closed sessions seem to make people feel as if the Board is hiding something. We're not — it is just that certain subjects and items must be discussed and handled in a closed session. A closed session is simply a meeting at which only the Board and specific people directly involved in the problem are present. No media representatives are allowed, and the minutes of the closed session are not published in the newspaper or the school newsletter. As a matter of fact, that which transpires at a closed session is not supposed to be made public at all.

In a closed session the Board follows parliamentary procedure, just as in open session. The differences between the two, then, lie in the audience (as discussed above) and the subject matter. State law is quite specific on what may be discussed in closed session. School personnel matters such as complaints and salary are to be discussed in closed session. Any time the Board is dealing with a student, privacy is mandated. Deciding general Board policy must be done in open session. Individual problems with Board policy and school rules are dealt with in closed session.

Lately we have been having many closed sessions. These have been for the purpose of interviewing superintendent candidates, and we will be having more because of contract negotiations. The value of closed sessions is that the Board can get frank, truthful responses from the people involved and try to solve the problems informally. Individual rights and privacy are preserved. The closed session is just another tool that the School Board uses in solving problems facing the district.

Superintendent Search Update: A vote will be taken and a superintendent announced Thursday.

Dr. Charles J. Ogi

### Offer Class on Small Appliances

Microwave/convection ovens, food dehydrators, and other new small appliances present challenges to us daily. The list of new appliances goes on and on. What information should we have in selection, use and care?

With a little know-how, we can make these small appliances work for us! The UWEX is offering a class on small appliances, both Tuesday and Wednesday, October 19 and 20 at Waukesha, West Bend and Racine. The program will be held on Tuesday, October 19, at North High School, 2222 Michigan Avenue in Waukesha from 3:30 to 5:00 p.m. It will be repeated Tuesday evening from 7:30 to 9:00 p.m. at the UW Center, Washington County, West Bend Campus. It will also be offered on Wednesday, October 20, at the Racine County Highway and

Office Building, 14200 Washington Avenue (Hwys. 20 & I-94) from 3:30 to 5:00 p.m.

Judy Oppert, Household Equipment Specialist, School of Home Economics at UW-Stout, will show the advantages and disadvantages of various small appliances and demonstrate use techniques for each. She will also discuss what to consider in energy use comparisons.

The class costs \$7.00 per person. For more information on the "Accent On Small Appliances," call Joyce Albrecht, Washington County Extension Home Economist at 338-4479, 644-5204 or 342-2929.

This program is sponsored by UWEX, Family Living Education and Waukesha, Kenosha, Racine, Washington and Ozaukee County Extension Home Economists.

### Attention Motorists

## New Child Safety Restraint Law Goes Into Effect Nov. 1

In 1981, twenty-three children under the age of four were killed in motor vehicle accidents on Wisconsin's streets and highways. Sixteen of these were passengers in vehicles when they received their fatal injuries. By comparison with the total number of traffic deaths, sixteen seems to be a very small number. But when small numbers involve small people in traffic accidents, it becomes a very large tragedy. Children in this age group have very little chance of survival in a vehicle collision without proper protection. Concerned parents are the only ones who can provide this needed protection.

In an attempt to see that they do, the Wisconsin State Legislature passed a new law which takes effect November 1st. Parents will be required to transport their children under the age of two years in a Department of Motor Vehicle's approved Child Safety Restraint System; and children between two and four years of age in a Child Safety Restraint System

or safety belt. Violation of this new law carries a maximum penalty of \$200.00. However, if the vehicle was not equipped with a Child Safety Restraint System at the time the citation was issued and the person provides proof to the court within (30) days that an approved Child Safety Restraint System was purchased or leased and properly installed in the vehicle, there will be no fine assessed.

The law carries other provisions which deal with exemption for mentally and physically disabled children who can't be restrained, and for vehicles where such restraint systems are impractical such as two seater sports cars containing more than one child, motor buses, school buses, taxicabs, motorcycles and other vehicles not required to have seat belts.

Laws are designed for only one purpose, and that is compliance. In this case, compliance results in a long happy life for young children who have caring parents. Don't let your child be one of this year's

statistics - like (16) boys and girls whose parents thought it couldn't happen to their family. Laws are only effective when there is no need for them. Let's all do our part to have this year's traffic accidents show there is no need for this one.

### School District to Hold Open House

All schools in the Kewaskum District will hold open house on Monday and Tuesday, October 25 and 26. Parents are invited to visit the schools on either of those two days.

Parent-teacher conferences will be held on November 10 from 1-5 p.m. and 6-9 p.m. There will be no school on November 10.

Parents of elementary school children will be able to sign up for conferences with teachers if they attend either day of the open house. Parents of students in middle school or high school do not need to arrange conference times. Teachers there will be available for conferences in their rooms during the hours listed above.

Parents may participate in the school lunch program on October 25 and 26 if they wish. The cost is \$1.25 for a meal, and parents should indicate by 10:00 a.m. if they will be eating lunch at the school that day.

## Jaycees Attend 'Zip Trip'

Pictured [left to right] — Region 4 Secretary Gary Paulus, Regional Director Glenn Welnak, National Vice President Al Fettig, Kewaskum, Individual Development Vice President Ken Weyers, District Director Brad Kidd, and State Juvenile Diabetes Program Manager Dick Paul.

Young men in Jaycees are active at many levels—local, state, national, and international. Two local Kewaskum Jaycees represented our local club at a Zip Trip held in Butler, on August 28. Zip Trip was a three hour meeting with local, state, and national officers to discuss the role of local vice presidents in organizing internal development and external community programs.

Kewaskum Jaycees representatives Ken Weyers and Brad Kidd, were on hand to meet National Vice President Al Fettig, Wisconsin State President Ron Binning, and other state and local officers. Al is responsible for five states, so his trip to Butler was well worth

attending. Al and other state Jaycees encourage young men between ages 18 and 35 to get involved in their community by joining the Jaycees.

The local Kewaskum chapter is looking for new members to become involved in our Haunted House and other upcoming projects, so please contact a local Jaycee and get involved!

Esther and Lester Ehnert of 644 Mill Road, Kewaskum, celebrated their 45th wedding anniversary on August 29, 1982, with family and friends, at their home.

The former Esther Rosenthal was born August 3, 1917, in Town of Scott and Lester Ehnert was born August 6, 1915, in

New Fane, where they still reside. They were married August 28, 1937, at Town Scott Evangelical Lutheran Church with Reverend Gustav Kaniess officiating.

Lester is a retired Fond du Lac County employee of 25 years and a life long farmer and Esther was and still is a

domestic engineer.

They have four children, Richard (Joan) of Route 2, Campbellsport, Mrs. Barbara (Homer) Justman of West Bend, Mrs. Cheryl (Harry) Beal of Kewaskum and Mrs. Pam (Dennis) Jacak of Kewaskum.

They have eight grandchildren.

Gremminger-Matenaer

Mr. and Mrs. Raymond Gremminger of Kewaskum are pleased to announce the engagement of their daughter, Carolyn JoAnna, to Joseph Paul Matenaer, son of Mr. and Mrs. Ralph Matenaer of Kewaskum.

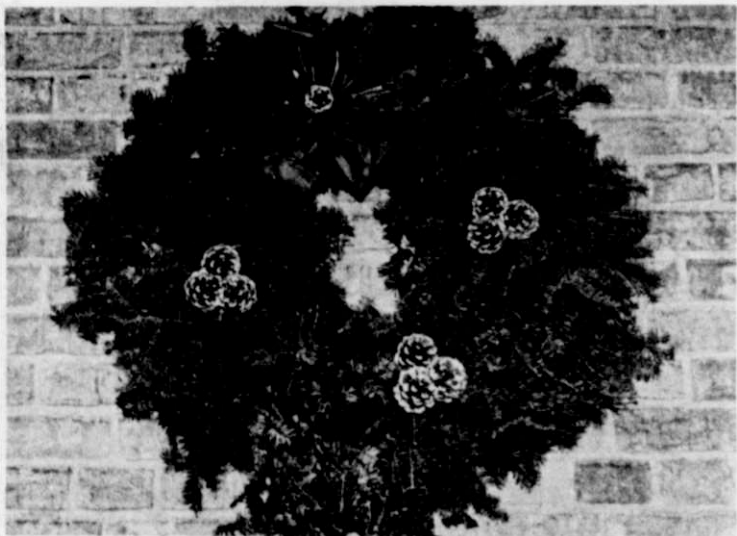

Carolyn is a 1981 graduate of Kewaskum High School and also a graduate of Moraine Park Technical Institute where she completed the child care service program. She is an assistant

director of My Little Friends Day Care Center in Kewaskum.

Joseph is a 1978 graduate of Kewaskum High School and graduate of Moraine Park Technical Institute where he attended the agricultural Mechanics program. He is employed by NAPA of West Bend as an auto parts salesman.

An August 27, 1983, wedding is being planned.

Booster Club to Sell Wreaths

JINGLE BELLS, JINGLE BELLS, JINGLE ALL THE WAY! You think it's too early for that? Not if you want to adorn your store or door with one of the beautiful wreaths from the Kewaskum Indian Booster Club.

We are again selling these lovely 30" wreaths at the bargain-busting price of \$6 apiece. We are now, and we mean NOW, taking orders for these green halos, evergreen. Absolutely genuine, evergreen. Order one, or more, today

from any Booster Club member or call Kathy Paul at 626-4318. Don't be the only one in town without a wreath; order yours today!

Auto Tune-up Course at MPTI

Moraine Park Technical Institute is offering a seven week auto tune-up course beginning November 2. Tuition is \$10.15, payable in advance at MPTI, 2151 N. Main Street, West Bend.

Students will learn preventive maintenance, some body work and how to do a general tune-up. The class includes the theory and operation of modern automobiles, such as fuel, starting, generation, and ignition. Now is the chance to work on the inspection and diagnosis of your automobile at the West Bend High School lab under the expert guidance of instructor John Gawlik.

Get your car in shape with MPTI's Tuesday night auto-up class! All registrations are accepted on a first-come, first-served basis. Call 334-0909 for more information.

FREE BLOOD PRESSURE SCREENING CLINIC HERE

A blood pressure screening clinic will be held in Kewaskum, Monday, October 18, from 11:00 to 12:00 noon at the Kewaskum Senior Club at Amondan Legion Hall, 1538 Fond du Lac Avenue. This clinic is a service offered by the Washington County Community Health Nursing Service and is provided without charge.

# All Savers Certificate

Offer Ends December 31, 1982

## Act Now . . . Offer Ends December 31, 1982.

In October, 1981 Congress authorized a one-year, high interest earning, tax-free savings account that allowed individuals to earn up to \$1,000 of tax-free interest and couples up to \$2,000 of tax-free interest.

That account was called the 'All Savers Certificate'.

Congress also, at that time, established December 31, 1982 as the expiration date for the All Savers Program.

Despite the many attempts that have been and are still being made to persuade Congress to grant an extension to the All Savers Program, the distinct possibility exists that these attempts will prove unsuccessful and the program will end on December 31st as planned.

**How does this affect you?**

## If you have not yet opened an All Savers Certificate . . .

There is still time for you to take advantage of this high interest, insured, tax-free savings account. Just open your West Bend Savings' All Savers Certificate before December 31, 1982.

With as little as \$500 or more you can be on your way to earning up to \$1,000 (individual) or \$2,000 (joint) of tax-exempt interest income.

West Bend Savings' All Savers Certificates earn high market rates, guaranteed for twelve months. And, your deposit is insured up to \$100,000 and backed by the full faith and credit of the U.S. Government.

Why not join the thousands of West Bend Savings' customers already taking advantage of the All Savers Certificate's tax-free earnings? This may be the last tax incentive ever authorized by Congress.

## If you already have an All Savers Certificate . . . you may be entitled to earn more interest.

Many people have opened All Savers Certificates that have not yet earned the maximum tax-free interest allowed by Congress. In these cases, we feel your best options are to reinvest your current All Savers Certificate for another twelve months when it matures — provided the maturity date is before December 31, 1982 — or, open another All Savers Certificate before December 31st and deposit the amount you need to earn the maximum tax-free interest allowed. Our savings counselors can help you determine the amount that can be reinvested in the program.

## If your current maturing All Savers Certificate has earned the maximum amount of tax-free interest permitted . . .

We suggest that you check with us a few days before your certificate matures just in case Congress decides to grant an extension, in which case you may be entitled to earn more tax-free interest.

Should an extension not be granted our savings counselors will be happy to suggest other insured investment alternatives ranging from tax savings and retirement plans to short term cash management accounts to long term investments. We're confident one or more of our plans will meet your needs.

**Please remember that the current  
All Savers Program will end  
December 31, 1982.**

*Federal law requires a substantial penalty and loss of tax exemption for early withdrawal of these certificates.*

## Beautiful Quilt to Be Ruffled At KJWC Luncheon-Fashion Show

On Thursday, Oct. 21, some lucky person will win the beautiful quilt pictured above. On that night at Amerahn, beginning at 6:30 p.m., the Kewaskum Junior Woman's Club is sponsoring a Fall Fashion Feast - Fest.

The quilt is on display in Kewaskum at "Just a Bit Crafty." Pale blue is the dominant color of the quilt. The flower is a darker shade of blue, the birds are a cheery yellow and in the center is a bright red heart.

Besides seeing a lovely array

of fashions from Hensen's Apparel of Campbellsport, guests will eat a dinner from "Luncheon is Served," Milwaukee. Included in the price of admission, \$3.75, is the fashion show, dinner and a chance to win one of many door prizes.

So set aside Thursday evening, Oct. 21, to attend this relaxing and fun event. Tickets can be purchased from any Junior, or by calling Chris, 626-4739, or Merilou, at 626-8075.

Hope to see you there!

The gal who weds and works at home finds much that can destroy her. But though the tasks are wearisome, she is her own employer.

### HISTORICAL SOCIETY TO MEET BRIEFLY TUESDAY, TO TOUR ANOTHER MUSEUM

The Kewaskum Historical Society will hold their regular meeting Tuesday evening, October 19, at 6:30 p.m. at the Kewaskum Valley Bank. The order of business for the evening will be as follows:

I. A brief discussion on the up-coming dinner meeting scheduled for November 16.

II. The closing of the museum for the winter months, along with a group tour of some college students scheduled for later this year.

III. Adjournment.

At 7:00 p.m. all members and any guest that may wish to join the society in a tour of the Germantown Historical Society will be departing from the Bank parking lot. The Germantown

Historical Society, Inc. has invited the Kewaskum group to tour their museum, which is located at the corner of Hy. 167 and Hy 145. They will be expecting the group at approximately 7:30 p.m.

Abigail Fillmore, wife of President Millard Fillmore, arranged for the purchase of the first cooking stove in the White House. She also set up the first White House library.

### Early Childhood Workshop at MPTI

A one day class for parents and child care workers is scheduled by Moraine Park Technical Institute, West Bend, for Saturday, November 6. It is the Early Childhood Workshop to be held at the Decorah Annex from 9 to 4.

Morning session will focus on Toddlers: Their Physical Development, Discipline, and Activities. Nancy Gore, MPTI instructor for Secondary Child Care Worker, will present this information. She is a graduate of Northern Illinois University in Child Development and Family Relations.

Language Arts through Holiday Activities is the subject for the afternoon. Kathleen Burns, MPTI instructor, will discuss teaching through puppetry, drama, songs, finger-plays and flannelboards. She is a graduate of the University of Wisconsin-Stevens Point.

Workshop participants are invited to display samples of their holiday activities with toddlers and exchange ideas on successful techniques in discipline, motor development and learning through play.

Advance registration and payment of the \$4.25 fee are required. Deadline is October 30. For additional information, call MPTI at 334-0909.

## Area Agency on Aging Is Awarded \$2,200 to Develop Program for Elder Peer Counseling

The Area Agency on Aging, District 2B announced that \$2,200.00 in Title 3B Older Americans Act Funds has been awarded to two local agencies to develop a program for Elder Peer Counseling. The project is a volunteer program jointly sponsored by the Washington County Office on Aging and the Washington County Mental Health Center.

The goal of this new program will be to train persons over 60 living throughout Washington County to provide supportive phone contact and home visits to elderly persons who are isolated and lonely or who have not had access to mental health services. The Elder Peer Counselors will also link these individuals to more formal community agencies if necessary.

Training will be provided through Moraine Park Technical Institute and will be offered for 6 Mondays from 2:00 to 4:30 p.m., beginning November 1, 1982. The course will be held at the Washington County Senior Center, 401 E.

Washington Street, West Bend. Course curriculum will include training in physical and psychological aspects of aging, communication skills, grief and dealing with loss, community resources, and interviewing skills. The agencies will provide follow up training and supervision.

The cost of the course will be free to all those over 60. Mileage and transportation costs will be reimbursed. Following training, those selected as Elder Peer Counselors will be expected to be available 3 to 5 hours per week to make phone contact and home visits. Qualifications for the volunteer positions include the ability to listen supportively, to communicate effectively, and to be dependable and non-judgmental. All Elder Peer Counselors will be required to maintain confidentiality.

To obtain an application and to arrange a screening interview, contact Kay Sweeney-Radke at 338-4545 or Linda Olson at 338-4494.

## State Rep. Luckhardt Honored by Dodge County Farm Bureau

The Dodge County Farm Bureau held its annual meeting at Juneau on October 5 and marked the occasion by recognizing the contributions of State Representative Esther Doughty Luckhardt (R-Horicon) who has served the area in the Assembly since 1963.

"I'm grateful for their appreciation," Luckhardt said. "I've tried to be an effective voice for the agricultural and small business backbone of Wisconsin's economy, and this is welcome reassurance that the struggles in the legislature have done some good."

The Bureau presented Luckhardt with a bronze plaque inscribed, "To Esther Luckhardt in appreciation of her years of service to Dodge County agriculture, presented by the Dodge County Farm Bureau, 1982."

Luckhardt is a member of the Farm Bureau; the Wisconsin Pork Producers and Wisconsin Women for Agriculture and Wisconsin Her legislative assignments for the 1981-83 session include the Committee on Consumer and the Committee on Debt Management and the State Building Commission, where she chairs the administrative affairs subcommittee.

"We won some victories for agriculture in the past session with the complete inheritance tax exemption for estate transfers between spouses and the Building Commission's approval of a new swine research facility, but there's a lot to be done," Luckhardt said. "In the next session I hope to see the inheritance tax exemption for transfers to sons and daughters and depreciation restored to the Homestead Tax Credit formula so farmers will have a better chance for some property tax relief."

To keep warm - put on a hat. Eighty percent of your body heat escapes through your head.

## In The Service

Marine Sgt. David H. Hensen Jr., son of Phyllis E. Hensen of 333 Sheboygan St., Campbellsport, recently returned from a deployment of Okinawa.

He is a member of 3rd Battalion, 5th Marines, Camp Pendleton, Calif.

His unit spent six months overseas as part of the Marine Corps' Unit deployment program. The concept is designed to rotate whole battalions or squadrons at one time instead of individuals at separate intervals. In this way unit integrity and efficiency is maintained and the actual time they spend overseas is shortened.

During the deployment, his battalion conducted training exercises with other Marine forces, the U.S. 7th Fleet and those of allied nations.

Marine Pfc. Michael J. Sekeres, son of Vivian and Joseph Sekeres Sr. of 8290 Trading Post Trail, West Bend, has been meritoriously promoted to his present rank upon graduation from recruit training at the Marine Corps Recruit Depot, San Diego.

He received the early promotion for his superior performance during all phases of the 11-week training cycle, which emphasized physical conditioning, self-discipline and teamwork.

## Junior Women Recycling Saturday

The Kewaskum Junior Women's Club will hold their monthly recycling day on Saturday, Oct. 16, from 9 a.m. to 12 noon. We accept tin, aluminum, colored glass (green and brown) and all glass with the labels on. Please remove the covers from all glass containers (these can be put in with the tin). Newspapers for the Lions Club can also be used at the recycling center. Used oil can be recycled by dropping it off at Herriges Oil in Kewaskum during working hours.

"The afternoon knows what the morning never suspected."

## Fiscal Integrity Award to Petri

WASHINGTON, D.C. — Congressman Tom Petri of Fond du Lac received a Golden Bulldog award Thursday in recognition of his efforts to hold down government spending.

The Golden Bulldog Award program is conducted by Watchdogs of the Treasury, Inc. to recognize Members of Congress who have shown a dedication to preserving fiscal integrity. The program's organizers report that 1982 marks the tenth time that the Golden Bulldog award has been presented to Congress and Senators who have voted for economy in government.

According to Watchdogs of the Treasury, Inc., Petri has voted in favor of the taxpayers 90.9 percent of the time so far during the 97th Congress. Petri also received a Bulldog award in 1980 for his record during his first term in Congress, when he was found to have voted for lower spending 83.3 percent of the time.

"In old age one learns much of what one didn't want to understand in youth."

## Holiday Fabrics Classes at MPTI

Moraine Park Technical Institute is offering several classes related to the coming holiday season.

Simple Sewing for Children and Babies offers any beginner the opportunity to start sewing basics for baby or the younger child. Projects include bibs, buntings, bath towels, infant and car seat covers, creative ideas for face pillows, t-shirts, baskets, knapsacks, puppets, quilts and shams. Student chooses the project. Instruction begins Monday, November 8, at 7:00 p.m. at West Bend High School and continues for four weeks. Tuition is \$9.80.

Quilting: Log Cabin Patchwork Tree Skirt will be offered Monday, November 15, from 9:00 a.m. to 3:00 p.m. at the Decorah Annex. Participants will receive an explanation of the log cabin block construction and color choice will be given by the instructor. Individual help will be given as students need it during the class. Instruction also includes a demonstration

on techniques and finishing. Tuition for the day long seminar is \$5.90.

Holiday Gifts - Machine Applique is Monday, November 8, from 9:00 a.m. to 3:00 p.m. Students will learn to applique wall hangings, hot pads, wearing apparel, or table runners, all with a holiday emphasis. Participants should have some idea of what they want to applique before they come to class and should bring all materials including thread and scissors. Tuition is \$5.90.

For students with some background in leaded and stained glass or rosemaking, MPTI is offering two advanced classes beginning November 2. Either craft comes in handy for holiday giving or decorating.

Tuition for holiday classes is payable in advance at Moraine Park. Students may call 334-0909 for more information.

### CRIB DEATHS

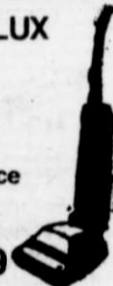

After sudden, unexplained infant deaths, it has been often found that the babies were deficient in selenium. In such 'crib deaths,' the victim has invariably been raised on cow's milk from birth, whereas breast-fed babies almost never die suddenly in this way. Human milk contains five times as much selenium as cow's milk and twice as much selenium to activate it.

### Milk Marketing Meeting to Be Held In County Oct. 26

A Milk Marketing Meeting will be held on Tuesday, October 26, at 8:00 p.m. in the Basement Auditorium of the Washington County Courthouse in West Bend.

Robert Cropp, Agriculture Marketing Specialist at the University of Wisconsin-Platteville, will discuss the new dairy price support program that will affect October 1, 1982 and will continue through September 30, 1985. Dairy farmers in Washington County and Wisconsin have been very concerned over the affects of this program, as it will reduce the amount that farmers are paid for their milk and will further tighten the cost-price squeeze that dairy farmers are presently faced with. Cropp will discuss the program in detail and explain the affects it will have on dairy farmers in the near future. He will also discuss other legislation pertaining to the dairy industry.

Mike Dean, Food Science Specialist with the University of Wisconsin-Madison, will discuss promotion programs for dairy products. Wisconsin is currently in the process of preparing for a milk marketing order. Farmers in the state will

be voting on this referendum in the near future.

Dairy farmers, agricultural lenders, and other interested persons are invited to attend. It is hopeful that if individuals have a better understanding of the dairy price support program, they will be able to make better decisions on future management strategies for their farm.

Persons planning on attending the session should contact either the Washington County UW-Extension Office at 338-4477, 644-5204 or 342-2929 or the Ozaukee County UW-Extension Office at 377-6400 or 284-9411 by noon on Monday, October 25. We need to have some idea how many people are attending. The program will be cancelled if there is not sufficient interest. Persons contacting the UW-Extension Office in advance will be notified if the program is cancelled.

This program is jointly sponsored by the Washington and Ozaukee County UW-Extension.

### Surplus Cheese To Be Distributed

La Verne Ausman, secretary of the Wisconsin Dept. of Agriculture, Trade & Consumer Protection, announces that plans are now being made for a third distribution of surplus cheese in Wisconsin. The cheese will be distributed to needy persons throughout the state in early December.

Will Dahl and Mary Gundersen, of the DATCP marketing division, who are coordinating the program, report that over one million pounds of surplus cheese will be ordered from the U.S. Dept. of Agriculture some time in October.

Organizations which locally coordinated the second distribution are being asked to assist with the program again. The last distribution was handled by 54 local coordinators, including community action agencies, social services departments, county offices on aging, emergency government agencies and other non-profit organizations.

County coordinators are being encouraged to assess their needs and order as much cheese as they can handle.

Offers of assistance for help with transportation and other volunteer efforts have come from numerous farm organizations.

### UW Center System Enrollment Tops 10,000 Students

The University of Wisconsin Center System topped 10,000 students this fall in what is projected to be the largest enrollment growth in the history of the 13 campus two-year system.

At the end of the first week of classes, 10,314 students were enrolled. This figure is approximately 900 students more than were projected, a seven percent increase over last year.

Center System Associate Chancellor for Academic Affairs Daniel VanEyck said the number of full time students is expected to increase 9% over projection. Last year only UW-Madison enrolled more new

freshmen than the Center System.

Increases in enrollments occurred at 10 of the Centers. UWC-Richland recorded a 22 percent increase (300 students) and UWC-Manitowoc's enrollment increased 19 percent (452 students). UWC-Marathon, Wausau, had a 16 percent increase in students with 1226 students on campus.

Enrollments at other centers is: Baraboo, 535; Barron, 342; Fond du Lac, 522; Fox Valley, 1193; Marinette, 516; Marshfield, 625; Rock, 908; Sheboygan, 686; Washington, West Bend, 730; Waukesha, 2279.

Before the days of gas stations, gasoline for automobiles was sold door to door.

# 30 Years Ago 50 Years Ago

October 10, 1952

The Kewaskum fire department received calls to two fires in the Town of Kewaskum the past week. Around 2 p.m. Saturday a blaze believed to have been caused by a grass fire burned down an outbuilding and scorched a pile of lumber on the former Roden school grounds several miles southeast of Kewaskum. At 4:15 Wednesday the firemen were called to the Jacob Muckerheide farm located about two miles northwest of the village to put out a grass fire which for a time threatened the farm buildings.

Seventy acres of eroded farm land recently acquired by the state have been allocated to Wisconsin State College, Milwaukee, to be used as an outdoor laboratory for biology and conservation classes. It was announced this week. Located two miles east of Kewaskum near Highway 28, the land is a part of the Kettle Moraine reforestation area. Cooperating with the state conservation department, students next spring will set out the first of several annual plantings of pine trees. Eventually 10,000 plantings will be made.

GOP presidential candidate Eisenhower's special campaign train passed through Kewaskum last Friday afternoon while on a tour of Wisconsin cities. The train, however, did not stop here.

Trinity Lutheran Church, Dundee, was the scene of the nuptial ceremony on October 4, in which Miss Lorena Eichstedt, daughter of Mr. and Mrs. Art Eichstedt, daughter of Mr. and Mrs. Art Eichstedt, Kewaskum, became the bride of Albert Wagner, son of Mr. and Mrs. William Wagner, Campbellport.

Miss Fern Joan Bonlender and Karl Joseph Ryan were united during a nuptial ceremony in St. Kilian on Saturday. Parents of the couple are Mr. and Mrs. Ervin Bonlender, Route 1, Campbellsport, and Mr. and Mrs. Maurice Ryan, Route 1, Campbellsport.

A daughter was born to Mr. and Mrs. Andy Bonlender, St. Kilian, on September 30. A son was born to Mr. and Mrs. Werner Wenzlaff, Route 1, Kewaskum, on October 3.

October 21, 1932

The officials of the Chicago and Northwestern Railroad Company have asked the Village Board for permission to close the railroad crossing at the Kewaskum Creamery.

The Primary pupils of the Kewaskum school have had a Good Conduct race during the past six weeks. Each child entered a card, and the following pupils had the winning cards: Homer Schaub, Wilmer Bunkelman, Beatrice Hafemann, Lois Koch, Lavern Ramthun, William Schmidt, Allen Tassar, Lorena Vorpahl, Lillian Werner, Allen Bruessel, Beatrice Vorpahl, Oscar Nordquist, Robert Brauchle, Lloyd Etta, Pearl Vorpahl.

The County Health Department announces that toxin-antitoxin (diphtheria vaccinations) will be given by local physicians at some county schools to any child from six months of age through 12 years.

The teachers of the local high school at a recent faculty meeting agreed to accept a voluntary cut in wages effective which dates back to the beginning of the school year. This action was taken upon their own initiative after due consideration was given to the present conditions.

Wm. Foerster Sr. of Wayne, who was erecting a windmill at the Hy. Foerster place last week Tuesday, had the misfortune of falling a height of 50 ft. just as he reached the tower. Mr. Foerster is confined to his bed with a fracture of his left foot.

A baby girl was born to Mr. and Mrs. Walter Theusch, Kewaskum, on October 15.

# 75 Years Ago

October 12, 1907

C. W. Miller has sold his store property and dwelling at Beechwood to J. A. Dvorak of Dodge, Wisconsin, and has purchased a 280 acre farm in central Minnesota, onto which he will move in the near future.

The following young ladies from the village began teaching school last Monday: Miss Dela Gottleben in District No. 3,

Miss Ella Wunderle in District No. 1, Miss Iva Wright in District No. 6, Aurilla Backhaus of Auburn in Eden, and Etta Schoofs in District No. 4, Town of Kewaskum.

The marriage of Rev. A. H. Otto, pastor of the German M. E. Church in Kewaskum, and Miss Rose Roth, of Lowell, Michigan, took place on October 2.

The Work and Ladder boys held a meeting last Tuesday evening to take the preliminary steps to organize an athletic club. A committee was appointed to draw up a constitution to be presented at the next meeting at which time officers will also be elected.

The work of building the brick walls on the new post office building was finished this week. Postmaster Koch expects to have the building ready for occupancy in a few weeks.

Ed Ferber of Auburn raised his new 40 x 100 foot barn last Thursday.

A Thursday girl was born on last Tuesday to Mr. and Mrs. William Kippenhan of Wayne.

## RAILROAD CLUB TO HOLD OPEN HOUSE, SWAP MEET

The Kettle Moraine Scorchers Model Railroad Club will be holding an open house and all scales model railroad fall swap meet on Saturday, Oct. 16, at the West Bend Recreation Center, 724 West Elm Street, West Bend, from 10:00 a.m. to 3:00 p.m.

Admission is \$1.25 for adults and 75c for children under 12.

## OCCUPATIONAL BENEFITS Spinal Health Helps You to Do Your Job More Efficiently

Most everyone wants to do a good job. But no one can work efficiently if his or her performance is impaired by a health disability. Major health problems demand time off, which is detrimental to both the worker and the employer. But there are also more subtle health deficiencies, some painful and some almost unrecognizable to the individual himself, that hamper performance.

If a person is to gain maximum efficiency, satisfaction from his or her job and recognition, the body must be in a healthy state.

Doctors of chiropractic nationwide suggest that one of the best safeguards against illness and disease is to practice a program of health care which includes periodic spinal examinations. In addition, the doctor of chiropractic urges precaution when lifting on or off the job. You can help prevent many serious problems by observing proper rules for lifting and by visiting your doctor of chiropractic for periodic spinal examinations.

### Chiropractic rules for lifting

- Size up the object to be lifted; decide how best to get a good grip on it.
- Plant your feet solidly, about 10-12 inches apart and close to object to be lifted. Squat down, keep the spine straight.
- Lift up with the big muscles of your legs, thighs, arms and shoulders—NOT with the back. Keep the load close to your body.
- Be sure you can see where you're going.
- Use mechanical lifting devices for moving heavy objects. Get help for large, bulky, awkward, or extra-heavy loads.
- Use rhythm, both alone and in team effort. Let the load help lift itself.
- Keep floors clear of hazards which could cause you to trip or fall.
- Setting the load down is just the reverse of lifting. Keep the back straight, let the legs bend slowly, and set the load down easy.
- If a back injury should occur, see your doctor of chiropractic immediately.
- Don't neglect spinal injuries. Disorders which appear in many parts of the body may be caused by or contributed to by spinal problems.

## Obituaries

### ESTHER BECKER

Esther I. Becker, nee Rothmann, of 132 S. Sixth Ave., West Bend, died Monday, Oct. 11, at St. Joseph's Community Hospital, West Bend, at the age of 83.

She was born May 7, 1899, in Elmore, where she lived until her marriage to Alex C. Becker in Kewaskum May 30, 1930. After their marriage they settled in Campbellsport until 1939 when they moved to West Bend.

She was employed at the Jackson Canning Co. until her retirement.

Her husband passed away Oct. 27, 1979.

Survivors include two sons, Earl and Donald, both of West Bend; and other relatives and friends.

One daughter, Patricia, predeceased Nov. 9, 1971. One brother and one sister also preceded her in death.

Funeral services were Thursday at 9:30 a.m. at the Schmidt Funeral Home, West Bend, with a Mass of Christian Burial at 10 a.m. at Holy Angels Church, West Bend. Fr. Michael Moran was the celebrant, and burial was in Holy Angels Cemetery.

Visitation at the funeral home was Wednesday after 4 p.m. with a prayer vigil at 8 p.m.

### BRIDGET HALL

Bridget Mary Hall, 9-year-old daughter of Gerald and Elaine Engels Halls of 125 Martin St., Campbellsport, died Wednesday, Oct. 6, at Children's Hospital, Milwaukee.

She was born Nov. 4, 1972. She attended Campbellsport Grade School and was a member of St. Matthew's Catholic Church, Campbellsport.

In addition to her parents, she is survived by five brothers, Brian of Campbellsport, Bruce of Lomira, Brad of Random Lake, Blair and Boyd, both at home; two sisters, Mrs. Ken (Beth) Gellings of Eden and Brenda at home; maternal grandmother, Mrs. Rowena Engels of Campbellsport; and paternal grandmother, Mrs. Tillie Hall of rural Campbellsport. Her two grandfathers preceded her in death.

Funeral services were held at 8 p.m. Friday at St. Matthew's Church, Campbellsport. The Rev. Victor Kemmer officiated and burial took place at 10 a.m. Saturday in the parish cemetery.

Visitation for Bridget was from 5 to 8 p.m. Friday at Twohig Funeral Home, Campbellsport.

## Unemployment Compensation Claimants to Learn Filing Changes Through Orientation Sessions

About 14,000 unemployment compensation claimants in the Waukesha District, made up of Waukesha, Washington and Ozaukee counties, will attend orientation sessions in Waukesha, Menomonee Falls, Grafton and West Bend during the period of time starting October 18 and ending October 29, to learn about upcoming changes in the way to file claims.

Mr. Richard, Director of the Waukesha Job Service office, said the sessions were being held so claimants understand the new system and avoid delays in the receipt of their checks.

Under the new system, which begins November 1, most claimants will mail their claim card to Madison, rather than to the local job service office. A new computer-assisted system is replacing much of the manual work now done locally. Mr. Richard said the new system should result in faster processing and also allow claimants to receive more timely information on their claims. The new system also will allow some of the staff, who formerly processed claims, to spend more time helping people with questions about their claims. No permanent

staff positions are being eliminated immediately, although about 13 limited term employees will be laid off after the full implementation of this system. He emphasized that attendance at the session is mandatory. "All claimants will receive a notice in the mail telling them where and when to attend. Those who don't attend will face a review of their continued eligibility for benefits."

At the sessions, which run less than half an hour, claimants will review the new claim form and get instructions on how to use the system correctly. "Some of the procedures have changed, and we want to avoid errors which will mean delays in the checks," Mr. Richard said.

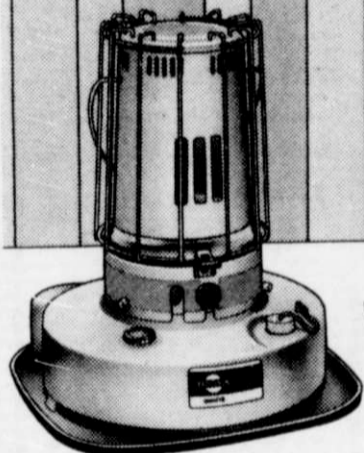

Approximately 115,000 claimants will be attending similar sessions throughout the state this month.

No state general purpose revenues (GPR) are involved; changes are financed through employer payroll taxes collected under the Federal Unemployment Tax Act (FUTA).

Job Service anticipates, in the field, it will need about 50 fewer positions a year because of the new system.

## PUT YOUR FURNACE ON PART-TIME

RELIEVE YOUR CENTRAL HEATING SYSTEM WITH A KERO-SUN® PORTABLE HEATER—AND SAVE MONEY.

Stay warm. Save money. Put a Kero-Sun® portable heater to work for you and give your costly central heating system a break. With its advanced design, a Kero-Sun® portable heater is 99.9% fuel-efficient—far better than coal, wood, central gas and oil heating. The money you spend on fuel returns to you as heat. And it costs just pennies per hour to run.

In winter, heat a family room or rec room with a Kero-Sun® portable heater and turn down your central heat. In the spring and fall, use one to heat a kitchen or workshop

without firing up your central heating. There are Kero-Sun® portable kerosene heaters for nearly every kind of home and business. All are easy to operate. Smokeless and odorless in operation. Safety-tested and listed by Underwriters Laboratories.

Give your furnace a holiday. Stay warm and save money with a Kero-Sun® portable heater. See our full line today.

KERO-SUN® HEATERS SAVE YOU MONEY WHILE THEY KEEP YOU WARM.

# MAKING ENDS MEET

By Joyce Albrecht, Extension Home Economist

## COUPON REDEMPTION

Ten cents off breakfast cereal or 40 cents off a can of coffee may not sound like much, but the total value of cents-off coupons and their production and distribution costs approached \$900 million in one year alone.

Cents-off coupons represent the most dramatic change in food promotion and advertising in recent times. A recent U.S. Department of Agriculture study found that the number of coupons distributed rose from 10 billion in 1965 to 90 billion in 1980.

USDA surveys show that four out of five households use coupons. Still only one out of every 20 coupons distributed is redeemed.

The USDA surveyed a large grocery store chain in the Washington D.C. and Baltimore, Md., areas one week in 1980 to see what coupons shoppers were redeeming.

About three out of five coupons redeemed were for food. The USDA report says that coupons were used most for coffee, prepared foods, breakfast cereals and cake mixes.

These foods accounted for about 60% of the value of coupons, but they make up only 10% of the average consumer's food budget.

Few of the foods in these categories are regularly sold under less expensive store brands, so shoppers save

money by using coupons.

Few coupons are offered on perishable and unbranded items such as fresh meat and produce because the purpose of coupons is to advertise branded products. The exception is the "in-ad" coupons that retailers publish in their advertisement to attract customers to the store.

Household supplies, pet food, tobacco, health and beauty aids, and school supplies account for about 39% of coupons redeemed. The USDA estimates that non-food items represent about 15% of store sales, making the use of coupons on non-food items disproportionately high.

## August Traffic Deaths Lowest In 22 Years

Crashes on Wisconsin streets and highways during August produced 73 deaths, the lowest toll for that month since 1960, in contradiction to August's reputation as the most deadly highway month of the year.

At the end of August, Wisconsin's death toll was 158 fewer than at the same time last

year, the equivalent of more than even the worst month's traffic deaths.

Traffic deaths in the month of August alone have averaged 100 per month during the past 44 years. Death tolls range from record lows of 41 in 1942 and '43 to the all-time high for any month, August of 1969, when 154 people died on our highways.

According to records provided by the Department of Transportation's accident data section, the last time an August death toll dropped below the 1982 figure was in 1960 when 64 deaths occurred.

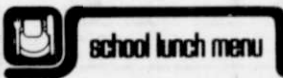

What's the reason for the decrease?

Safety officials point to the fact that average speeds in Wisconsin have dropped, with more than half the drivers clocked by automatic measuring equipment around the state traveling at about 54 mph.

A survey of Wisconsin drivers conducted recently found more than three-fourths to be in favor of the 55-mph limit.

"While speed is obviously only one of the factors involved in this fatality decrease, common sense tells us that lower speed gives the driver more time to avoid a crash situation," commented James O. Peterson, state highway safety coordinator, "and if a crash does occur, the lessened impact gives those involved a far better chance of survival."

"This is especially important with small cars, which provide much less protection than full-sized models."

## KEWASKUM COMMUNITY SCHOOLS

Monday, Oct. 18 - Polish patty on a bun, sauerkraut, pork-n-beans, cookie and pears.

Tuesday, Oct. 19 - Baked lasagna, green beans, cup cake

and mixed fruit.

## TROUBLE TIP-OFF.

'A stitch in time saves nine...or ninety dollars.'

A grease job at J & J AUTO SERVICE is more than just that; it could be that stitch in time.

It gives us the opportunity to inspect the underside of your car. This is where warning signs show up. Oily residue on brake drum covers or on normally dry portions of the frame and underbody may be the tip-off for near future breakdown. Catching them in time could save you plenty of dollars and grief. We tell our customers about these signs.

And you can be assured that our lube services embrace all parts of your car which either runs or operates in oil or grease. You'll find that the stop at 450 E. Main is the stop that keeps you going when you go. See us today.

**Farmers Union to Hold Public Rallies  
In Opposition to Milk Check Assessment**

A Farmers Union petition drive in opposition to the implementation of a deduction of 50 cents per hundredweight from dairy farmers' milk checks, scheduled to take effect Dec. 1, will be launched in Wisconsin at two public rallies Oct. 18 and 19.

The Wisconsin Farmers Union, Farmers Union Milk Marketing Cooperative and National Farmers Union are cooperating in the petition campaign, and inviting all dairy farmers to attend the kickoff rallies beginning at 2 p.m. at the Holiday Inn in Eau Claire, Oct. 18, and the Swan Club DePere, Oct. 19.

National Farmers Union, which took the lead last month in asking the Reagan administration to delay implementation of the milk check assessment

until Congress has a chance to re-examine the issue next January, is spearheading a similar petition drive in several other states, including Minnesota.

Keynote speaker at the Eau Claire rally, George W. Stone, president of the National Farmers Union, has called the milk check assessment a "tax on food."

"It is my hope that farmers will seize this opportunity to protest an unfair tax on food production," Stone said. "Food production taxes are against what this country stands for, yet in the name of government a tax is being imposed on every hundredweight of milk produced. We don't intend to sit idly by."

Wisconsin Farmers Union President Leland Mulder and

FUMMC President Stewart Huber, who also have voiced strong opposition to the dairy plan, will conduct the DePere rally.

Late this summer, Congress passed and the President signed a three-part dairy package calling for a freeze in dairy price supports coupled with authorization for two 50-cent per hundredweight producer assessments to be made at the discretion of the Secretary of Agriculture if annual milk production is projected to exceed specified amounts. The second deduction can be instituted at Secretary John R. Block's discretion after April 1, 1983.

Rather than discouraging production, the 50 cents deduction would have the opposite effect, Stone maintained.

"Farmers will be forced to increase production just to keep their income on an even keel," Stone said.

In organizing the petition campaign, Farmers Union is basing its opposition to the administration's dairy plan on

four key points:

- Rural communities and family farmers will bear the brunt of the dairy assessments.

- The program amounts to a milk tax on food production while benefactors of the dairy industry (consumers) will not pay a cent.

- The Reagan administration and U.S. Department of Agriculture have contributed directly to the surplus dairy situation

by refusing, in direct violation of the law, to sell stocks to foreign purchasers at world market prices.

- Petition signers will pledge to support and participate in a supply management program, including "per farm production adjustments." In consideration for this reduction the U.S. government must establish dairy price supports at a "realistic" level for farmers.

**POSTPONED  
BOARD OF REVIEW  
Town of Auburn**

Notice is hereby given that the Postponed Board of Review of the Town of Auburn, Fond du Lac County, Wisconsin, will convene at the Town Hall, Jct. Hwys. 45 & 67, between the hours of 10 A.M. and 12 Noon and 1 P.M. and 4 P.M. on Monday, October 18, 1982, for the purpose of hearing any taxpayer objecting to his assessment.

Camilla Butzke, Clerk

**Village of Kewaskum  
NOTICE OF PUBLIC HEARING**

Notice is hereby given that a public hearing will be held by the Zoning Board of Appeals of the Village of Kewaskum, Washington County, Wisconsin, on Tuesday, October 26, 1982, at 6:30 P.M. in the Council on Rooms Building, 204 First Street, Kewaskum, Wisconsin, at which time the Board will consider the following application.

The application of Robert Teofilo/Embassy Construction Corp. for a variance, for the property situated at 819 Pleasantwood Drive, (lot 1, block 3) Bel-Ric Acres Addition #1, Kewaskum, Wisconsin. The reason for this variance request is because of the rear yard requirements set forth in Chapter 3.4 of the Village of Kewaskum Zoning Ordinance entitled "R-2 Single-Family Residence District." If the variance would be approved it would allow the west side yard to be used as the rear yard.

After the public hearing the Board of Appeals will meet in closed session to consider the application for variance. The public hearing and meeting have been called by Eugene LaMarche, Chairman of the Board of Appeals.

All interested persons will be given an opportunity to be heard.

Eugene LaMarche, Chairman  
Zoning Board of Appeals

**LEGAL NOTICE**

**Notice to All Transportation Providers**

**INVITATION TO BID**

**WASHINGTON COUNTY 1982  
ELDERLY AND HANDICAPPED  
TRANSPORTATION PROGRAM**

Sealed Proposals will be accepted at the Washington County Office on Aging, 401 E. Washington Street, West Bend, WI 53095 until Noon, October 19, 1982, for transportation services for elderly and handicapped residents of Washington County. Direct bid intents to the attention of Linda Olson, Director, Washington County Office on Aging. Bid specifications may be picked up at the Washington County Office on Aging.

Bids shall include all costs borne by you to provide said service. All bids must be submitted on bid forms according to specifications prepared by the county, as enclosed. Said service includes transportation for Elderly and Handicapped; priority for medical, nutritional and work purposes. Service runs 5 days Monday - Friday between 8 a.m. and 5 p.m., with some evening and weekend transportation as needed.

Only bids which provide service to Washington County in its entirety will be considered. Contracts may be awarded for 3 year term based on availability of funds. Washington County reserves the right to reject any or all proposals or to accept any proposal or any item of any proposal deemed most advantageous to the county.

If you have any questions, contact the Office on Aging at 338-4497.

Linda Olson  
Office on Aging  
Director

**Owners of  
Real Estate  
In Washington County**

**Take Notice!**

On October 19, 1982, and the next succeeding days, Fredric A. Seefeldt, Treasurer of Washington County, will at the courthouse at West Bend, Wisconsin, sell to Washington County so much as may be necessary of each tract of land upon which the taxes have been returned as delinquent and are on said date still unpaid, for the payment of the taxes and interest due thereon. This sale will include all real estate listed in the county treasurer's official records of delinquent taxes for the tax levy year 1981, except public lands held on contract and land mortgaged to the state. If you are in doubt as to whether the taxes on your land are paid, consult the county treasurer.

**Pay Your Taxes Now**

By so doing you will prevent sale of your property for taxes and you will stop the further addition of interest charges.

**THIS SALE IS NOT OPEN TO THE PUBLIC  
THE COUNTY WILL PURCHASE THESE  
DELINQUENT TAXES.**

## KHS Girls 3rd, Boys 6th in Cougar Cross Country Invitational

The Slinger boys and girls cross country teams both captured team titles in the Cougar Invitational meet at Campbellsport Thursday.

The Slinger girls nipped Sheboygan Falls by just 61-63, with Kewaskum coming in third with 74 points.

The Owl boys had an easier time of it in winning their championship with 149 points. Wayland Academy was second with 92.3. Kewaskum placed sixth with 132.7 points.

The Kewaskum girls were led by soph Sandy Klein, fourth in 12:24. Sandy is running good, just in time for the Eastern Wisconsin Conference meet scheduled Thursday at Kewaskum.

Monty Shaw was the top male performer for the Indians with his seventh in a time of 16:35.

Kewaskum won over two other schools to take the JV title with 40 points. Soph Mike Wiedmeyer was second in the race with an 18:17.

### COUGAR INVITATIONAL

**BOYS**—1. Slinger 49, 2. Wayland Academy 92.3, 3. Winnebago 111.4, 4. Berlin 126.5, 5. Campbellsport 129.6, 6. Kewaskum 132.7, 7. Sheboygan Falls 142, 8. Winnebago Lutheran 151.9, 9. Plymouth 226.10, 10. Omro 248.

**Top Five Finishers**—1. Jeff Sanborn, Wayland, 16:03; 2. Brian Weber, Slinger, 16:14; 3. Jeff Brooks, Winnebago, 16:21; 5. Todd Saxerns, Berlin, 16:25.

**Kewaskum Top Five**—7. Monty Shaw, 16:35; 21. Jeff Nigh, 17:15; 22. Steve Hubbell, 17:55; 38. Jeff Schmidt, 18:02; 34. Paul McFadden 17:59.

**GIRLS**—1. Slinger 61.2; 2. Sheboygan Falls 63.3; 3. Kewaskum 74.5; 4. Campbellsport 107.6; 5. Berlin 117.7; 6. Winnebago Lutheran 132.8; 7. Winnebago 140.

## Kiwanis-Threshold Annual Sports Day Winners Announced

Chairman Steve Schacht and 25 members of the Kiwanis Club of West Bend hosted the 1982 Threshold/Kiwanis Sports Day on Oct. 2.

Of the 73 registered participants, 48 Threshold clients partook in bowling held at the Frontier Bowling Lanes. After bowling, clients were bused back to Threshold for lunch. The cookout consisted of brats, hot dogs, potato salad, baked beans all provided by Greg Benidt's Red Owl Store. Lemonade and orange drink was furnished by Dairy Queen and McDonald's.

After lunch, 8 clients participated in horseshoes, 14 in frisbee, and 9 in the basketball free throw contest. Trophies were awarded for each event and supplied by the Kiwanis Club.

**1982 winners:**  
**Bowling—Male:** Fred Richter, 1st; Ray Peters, 2nd. **Female:** Arlene Stevlingson, 1st; Wendy Wagner, 2nd.

**Horseshoes—Male:** John Berndt, 1st; Dennis Zastrow, 2nd. **Female:** Dallas Zahn, 1st; Jean Merkowitz, 2nd.

**Basketball—Male:** Jim Hering, 1st; Bob Molle, 2nd. **Female:** Sharen Robel, 1st; Maureen Pollich, 2nd.

**Frisbee—Male:** Ron Preisgen, 1st; Fred Richter, 2nd. **Female:** Kathy Berres, 1st; Jean Merkowitz, 2nd.

## Color - Camping, Good Combination

Indian Summer and fall colorama can provide one of the more enjoyable camping outings of the entire year.

According to the Department of Natural Resources the bright colors of the day plus cool crispness of the nights in a Wisconsin park or forest is an experience that will long be remembered.

DNR's Bureau of Parks and Recreation puts out that with the arrival of fall, camping pressure in all state parks eases

making it possible for practically all campers to obtain premium campsites. And, many anglers may wish to combine the excellent fall fishing season with the colorama camping experience.

Cyclists and hikers also have an excellent opportunity to enjoy the fall colors from one of Wisconsin's state park trails including the Sugar River, Elroy Sparta and Ahnapee. Although a few of the seasonal camping areas including Rocky Arbor, Roche-A-Cri, Rib Mountain, Mill Bluff, Amnicon Falls have been closed, most other parks will be open and have sites available through October.

**Robert Moses, the man who planned many of New York's parkways, bridges and tunnels, never learned to drive a car. In 1900, one-third of all the automobiles in Chicago, New York and Boston were battery-operated.**

# Indians Beat Sheboygan Falls in Homecoming Game

After losing their first three conference games, the Kewaskum Indians rose to the occasion for their homecoming Friday night by defeating Sheboygan Falls, 28-14. The Indians are now 1-3 in the Eastern Wisconsin and 3-3 overall.

With a 14-point lead in the closing seconds of the game, the Kewaskum players began whooping it up, especially the seniors, and the reserves and fans joined in the celebration. The Indians had won their homecoming, mainly as the result of three third quarter touchdowns. In doing so they had upset the Falcons, offensive leaders in the conference.

Kewaskum's sophomore quarterback, Mark Follman, returned to action after suffering a chipped bone in the thumb of his throwing hand, and completed seven of 11 passes for 105 yards and three touchdowns. The Indians were led by Brad Dieringer with 72 yards in 24 carries and Chris Harlow with 60 yards in 18 attempts.

At halftime and until a few minutes into the third quarter, the Indians were trailing, 6-0, following a Falcon score early in the contest. By the time the third quarter was over, Kewaskum had a 21-6 lead and was driving for another score.

It all started after the Indians punted to the Falcon 15 yard line. Falls' star runner, Bill Lorenz, took the handoff on the first play and was hit hard as he hit the line of scrimmage and fumbled. Linebacker Stuart Stautz again was right there to fall on the ball and recovered the loose ball on the Falcon 18 yard line.

Going for a quick score, the Indians' quarterback, Follmann, hit on a pass to end Jeff Squier for a touchdown. Follmann also made good on the kick to put Kewaskum ahead, 7-6.

Chris Harlow then got off a squib kickoff that got past Lorenz. When he finally picked up the ball he was snowed under by waiting tacklers who hit him hard. He fumbled again and the Indians recovered once more. Harlow picked up 11 yards off tackle for a first down at the four. Follmann found Dennis Butz in the end zone for his second TD pass. After a fake kick for extra point holder Tim Leitheiser threw to Butz for a two point conversion. This made it 15- 6, Kewaskum.

On the next play after the touchdown, Kewaskum got a break when the speedy Lorenz picked up another squib kick inside his own 20-yard line and outraced the defenders for an apparent 80-yard kickoff return. However, a clip call on the Falcons nullified the TD and the ball was moved back to the 12. Two plays later, Kewaskum linebacker Jim Braun intercepted a pass on the Falcons' 23 yard line. Follmann found Tews alone in the end zone for a third score, making it 21-6.

A Dieringer interception set up the Indians' final score, a one-yard run by Harlow, to bring the Indians' lead to 28-6. Sheboygan Falls finally scored again in the last period to bring the final count to 28-14.

The Falcons were geared to stop Kewaskum's running game but found out the hard way that the Indians can be

Kewaskum in the process of their victory over the Sheboygan Falls Falcons, 28-14.

Photos by Jim Norquist

successful through the air.

Follmann did a nice job for a sophomore in finding the open receivers. Defensively, Braun was credited with 10 tackles, two fumble recoveries and also stripped the ball from Lorenz late in the game when he seemed to be heading for the goal line after catching a pass. Linebacker Steve Seitz was in on eight tackles and knocked down three passes. The entire defense played well, putting a good rush on the quarterback and holding Steve Born, the leading rusher in the EW, to 44 yards.

In other Eastern Wisconsin games, Two Rivers defeated New Holstein, 29-7, Chilton nipped Kiel, 16-7, and Plymouth humbled Sturgeon Bay in non-conference game, 33-8.

This Friday Kewaskum has a bye in the schedule, due to the fact that there is an odd number of teams (7) in the conference. The next game will be at Kiel Friday, Oct. 22.

### Indian Spikers Score 1st Sweep Over Plymouth

For the first time, the Kewaskum Indians volleyball girls scored a clean sweep at Plymouth last Tuesday.

The JV and freshmen teams were also victorious to bring all their records to the .500 mark.

Four varsity players stood out in first and third victories of 15-9 and 15-8. Julie Koepke and setters, Cathy Schlice and Hiroka Yamada were praised. These three girls combined to make the Indians' offense. Schlice and Holly Kempf, another junior, served most of their team's points. Schlice and Yamada also came up with some good blocks.

The win gave the varsity a 4-4 conference mark with an important match coming up at

New Holstein Tuesday.

The JVs also took the first and third games, 15-6 and 15-4, in winning their match, while the freshmen took two quick victories, 15-6 and 15-8.

### Kewaskum Team Wins Sportsmanship Award

The Tri-County Baseball League banquet was held at The Pyramid near Beaver Dam Saturday. The Kewaskum team won the northern division sportsmanship award. Slinger's Tom Theusch, a former Kewaskum ball player, won the outstanding pitcher award in the northern, based on his 5-2 record.
