Number 44

Kewaskum School Superintendent Named

By GERRY MUELLER
Statesman Staff Writer

At a special School Board meeting Thursday night, members voted to hire John Long as superintendent of the Kewaskum School District.

Long, 55, resigned his position as superintendent of the Iola-Scandinavia School District, where he had been employed for the past four years, to accept the Kewaskum post. Prior to heading the Iola district, Long was superintendent at Wausaukee.

Board member John Tessar made the motion to hire Long with the condition he earn his "Specialist Certificate" before the end of his contract. The board approved a three-year contract, pro-rated for 1982-83, of \$39,000.00 per year plus fringe benefits. Long was also allowed up to \$1,000.00 for moving expenses with the stipulation he must move into the district within one year.

The motion to hire Long was passed 5 to 2, with Ralph Horner and John Spoerl voting 'no'. Horner said that he had been encouraged to make the vote unanimous. "I am going to vote no on this issue because to vote otherwise would be to go against my principles. There is no way that I will betray the trust of those that elected me. I can not nor will not approve this action. I feel that it bypasses equally competent candidates that are willing to accept this position for considerably less salary and resultant savings to

John Long

the taxpayers. However, I do not want my action to be misinterpreted by some. My 'no' vote does not indicate that I feel that this candidate is not qualified, competent or suitable for this position. I feel he certainly is. He should prove to be a definite asset both to our school district and community. I look forward to working with him and encourage the district to welcome and accept him," Horner stated.

Long and his wife Carol are the parents of eight children. The youngest will be graduating from high school this December. Long stated he will be residing in West Bend for the present. When their present home is sold, he and his wife will be relocating in the Kewaskum area.

"I would like to thank Bob

(Borch) for doing one heck of a job," said Tessar. President Charles Ogi also complimented Borch on his job as interim superintendent. "He's been great to work with and had everything up to snuff at all times," said Ogi.

Jaycee Haunted House to Open Friday Night

Spook time is here again! The Kewaskum Jaycees are again holding their annual haunted house tours. The bewitching

scenes can be seen at 1411 Railroad Street in the Village of Kewaskum (the old feed mill).

The fascinating, spooky performances will be held from 6:30 p.m. to 10:30 p.m. on Fridays and Saturdays and 4:00 to 8:00 p.m. on Sundays. The dates are Fridays, Oct. 22 and 29; Saturdays, Oct. 23 and 30 and Sundays, Oct. 24 and 31. Admission is once again only \$1.00. Proceeds will go to the Kewaskum Jaycees Community programs.

Two new scenes have been added to the already shocking scenario of the Haunted House and are something that kids of all ages (and grown-ups, too) will want to see.

For more information and group tour reservations, call the Kewaskum Jaycees at 626-4777 or 626-4965.

Come for a hair-raising good time!

'Brig-o-Doon' to Open In Former Wigwam

Dick Roehrborn, along with his wife Maria, are the new owners of the Wigwam Supper Club (later Homestead) on Fond du Lac Avenue, Kewaskum. The transaction was completed on Thursday, October 6, and was announced in last week's issue.

Roehrborn has been employed at the Port Washington Hotel as bar manager. The Roehrborns are from the Grafton area.

Chef duties will be performed by David Crass, who was employed at Bobo's Clock Tower Restaurant of Stonecroft in Grafton, and is presently bar

manager of Squire's Country Club in Port Washington.

Brig-o-Doon will be the name of the supper club and after some remodeling will be open about December 1. Plans are to be open seven days a week. Noon lunches will be served five days a week and a Sunday brunch is planned. A complete menu will be served and small parties will be welcomed.

Dick and his wife Maria have a son Phillip, 13, and a daughter Andrea, 10 months. They are planning on living in Kewaskum as soon as they can find suitable living quarters.

CONTRIBUTIONS STILL NEEDED

Community Halloween Party Entertainment Announced

With only a few days left until Halloween, final preparations are underway for the second annual Kewaskum Community Halloween party.

While children are busily planning what fantasy character they want to be, volunteers are filling bags with candy and treats and putting the finishing touches on decorations for the party. By 5:00 p.m., Saturday, October 30, the children will be dressed and ready to compete in the costume parade and judging on the football field behind the Kewaskum Elementary School. Seating for parents and community members will be available in the bleachers.

Following the parade and costume judging, the party will continue at the Kewaskum Middle School. "Lisa Lou and the Swamp Monster," a life-size puppet show will be presented for pre-schoolers through second graders by Ms. Sheryl Rinzel (president of the PTO) and Ms. Judy Busack (children librarian at the West Bend Community Memorial Library).

Abbott and Costello will entertain the third through six graders with their movie, "Abbott and Costello Meet Frankenstein," followed by a Halloween sing-a-long, led by Professor Peter Ayer, vocal director at the University of Wisconsin-Washington County.

There will be drawings for prizes, refreshments, treats, and surprises.

If your child has not yet registered for the party and would like to attend, contact

Ms. Mary Pearson, 626-4594. Tax deductible contributions to the party are still needed. Drop-off boxes are located at businesses throughout the community and checks (made payable to the PTO Halloween Fund) may be mailed to Ms. Sheryl Rinzel, 3800 Ridge Road, Kewaskum 53040.

New Flags Wave Over Serwe's Tavern

Serwe's Tavern at 1310 River-view Drive, Kewaskum, is sporting something new on the roof of their building.

According to Legionnaire Marilyn Haug, a group of Kewaskum businessmen and Legionnaires raised a replica of a Canadian flag as well as the U.S. flag there.

Why a Canadian flag? For years and years, anyone living on the east side of the bridge over the Milwaukee River was termed as living in Canada. No one seems to know why or how this terminology originated.

So, if you want a drink at Serwe's Tavern, you will have to travel to "Canada."

TO FLUSH HYDRANTS

The Village employees will flush hydrants on Tuesday and Wednesday, Oct. 26 and 27. If water appears rusty, do not be alarmed as it is harmless and will clear in a few hours.

Horseshoe Pits Poured

Settlement Is Reached on Treatment Plant Engineering

By GERRY MUELLER
Statesman Staff Writer

At its meeting Monday night, the Kewaskum Village Board and representative of Foth & Van Dyke Engineers reached a settlement regarding plans done for proposed modifications at the wastewater treatment plant.

The board agreed to pay the original invoice of \$17,488.50, after Foth & Van Dyke's president Joseph Linszen presented a contract covering bidding, general administration, resident inspection and assistance in applying for Step Three Wisconsin Fund grant money. The second proposal includes resubmission of plans for clarifier covers and chlorination equipment, as requested at the board's last meeting, on a no charge basis with a cost not to exceed \$8,622.00 for the

other related work. The total project cost is not to exceed \$26,110.50.

President Jerry Stollenwerk informed Linszen the board had approved a payment of \$13,488.00 on November 1. The balance of the invoice will be held until the board receives Department of Natural Resources approval of the submitted plans.

Trustee Dick Schmidt asked what per cent funding the village might expect from the Wisconsin Fund. Dean Freeberg, engineer, stated that past experience has shown treatment plants are generally receiving in the neighborhood of 54% to 56% for their projects.

Jeff Rohrer, Parks Committee Chairman, informed the board that the village will again have fall open gym and basketball

(Continued on Page 2)

Village Board

[Continued from Page 1]

league. The board unanimously approved a fee scale of 50c a day per person, or annual passes at \$5.00 for single and \$10.00 for families. Projected costs for the program are expected to be about \$112.00.

Rohrer also told the board that after a check of the proposed horseshoe site by Public Works Superintendent Augie Bilgo, considerably less work on the area was needed than had been anticipated. In fact, Rohrer said eight pits had already been poured and two more would be done Tuesday. This will give the league ten courts compared to the four presently in use at the old site. It had previously been thought work on the courts would not start until next spring.

Village Administrator Dan Schmidt presented the board with preliminary figures for the village's 1983 budget. Schmidt noted the only department budget finalized so far is that of the Fire Department at \$68,916.00. Other departments are coming with increases ranging from 2% to 14% over 1982 budget figures.

According to a preliminary review, Schmidt thought the board would be seeing an average six to seven per cent increase over the total 1983 budget.

Kennelly Pharmacy Sponsoring Halloween Coloring Contest

To celebrate Halloween this year, Kennelly Pharmacy, in the Kewaskum Mall, is sponsoring a "Color-and-Name-the-Witch" Contest.

The contest is open to all children through age 12. To enter, simply get an entry blank at Kennelly Pharmacy, color and name the witch, and submit the entry by Oct. 31.

Prizes will be awarded by age groups. Those 6 and under will be eligible to win a stuffed toy of \$10.00 value. The children in the 7-9 age group and 10-12 age group, will be eligible to win a \$10.00 gift certificate to spend as they choose.

All entries are on display in the Kennelly Pharmacy lobby.

Class of 1947 Holds Reunion

The graduating class of 1947 from Kewaskum High School held its class reunion on Saturday evening, October 9.

It was held at Hon-E-Kor County Club in Kewaskum with 10 classmates out of a graduating class of 21 students attending.

A delicious meal was served and the remainder of the evening was spent socializing and reminiscing the "good old days" spent at KHS.

Those present with their spouses were Bernice (Bunkelman) Scannell, Althea (Vollmer) Falter, June (Degner) Krempcke, Peggy (Wink) Stoffel, Ruth (Manthei) Tacke, Norbert Klumb, Gerald Stern, Lester Schaub, Ray Keller and Augie Bilgo.

Those not in attendance, but sending best wishes, were Mercedes (Lehnerz) Hetebrue, Bette (Searles) Schloser, Ellen (Kougl) Cushinery, Vernell (Schacht) Krueger, Joyce (Bartel) Schlieff, Bernice Trapp, Laverne (Laubenstein) Kirchner, Victoria (Ruplinger) Martin and Harold Reindl.

Two class members, Evelyn (Spaeth) Vogel and Donald Wierman, are deceased.

Modern Woodmen to Celebrate Society's Centennial Year

The Modern Woodmen Camp 2233, Kewaskum, is celebrating the Society's Centennial Year with a special 100th Anniversary Dinner at Hon-E-Kor Country Club on Thursday evening, October 21, at 6:15 for members and their families.

The program for the evening will feature a special slide presentation depicting the history of The Modern Woodmen.

Recognition will also be given to the 25 and 50 year members and following the slides there will be card games and fellowship.

Wisconsin ranks first in the U. S. in butter production, producing 24 percent of the nation's total in 1981.

Local Cosmetic Consultant Speaks at Convention

Mary Larsen

Mary Larsen, 3105 Norman Drive, West Bend, conducted workshops at the National Association of Retail Druggists (NARD) in Boston, Mass., on Oct. 12-13. This was in conjunction with the NARD Convention being held from Oct. 9-13.

Her topic, "Cosmetics In or Out," spoke directly about the cosmetic industry, its customers, growth, and future in the marketplace. It included the "how-to's of developing and merchandising a profitable cosmetic department. She spoke to 300 people attending the workshops and 3,000 NARD

members attended the convention.

Mary is a part-time associate for D.P. Hamacher and Associates, Wauwatosa, a drug store consulting firm. She is presently involved in writing and compiling a cosmetic Management and Merchandising Manual to be sold to retail druggists nationally.

Mary is also employed by Kennelly Pharmacy in the Kewaskum Mall. She is the cosmetic consultant for all customers in the area, and the cosmetic buyer for the three Kennelly Pharmacies.

Births

LENDVED — A son, Jonathan George, to Larry and Nadine Lendved, 106 East Washington, West Bend, Thursday, Oct. 14. Paternal grandparents are Mr. and Mrs. George Lendved, Route 1, Kewaskum, and maternal grandparents are Mr. and Mrs. Joe Marchant of Route 2, Campbellsport. Jonathan has two sisters, Julie 5, and Jessica 22 months.

BROECKER — A daughter, Jacki Rose, to John and Jodi Broecker, Kohlsville, rural route West Bend, Sunday, Oct. 10. Paternal grandparents are Mr. and Mrs. Ray Broecker, Fredonia, and maternal grandparents are Mr. and Mrs. Donald Ritger, Kewaskum. Little Jacki has a sister, Jill, age 3.

PETERSON — A son, Jacob Scott, to Timothy and Kelley Peterson, 1406 Creek Drive, No. 101, West Bend, Tuesday, Oct. 19. Both Mr. and Mrs. Peterson are former residents of Kewaskum.

HOLZ — A daughter to Daryl and Jean Holz, 1535 Fond du Lac Ave., Kewaskum, Wednesday, Oct. 13.

HANSEN — A daughter to Gregory and Mary Hansen, 8856 Hwy. 45, Kewaskum, Friday, Oct. 15.

PATRICK — A son to Robert and Aloma Patrick, Route 2, Box 23A, Campbellsport, Friday, Oct. 15.

LENNARTZ — A daughter to Joseph and Mary Ann Lennartz, 5657 Mile Road, Allenton, Wednesday, Oct. 13.

GOEBEL — A son, Kevin Anthony, to Tony and Sue Goebel, Route 2, Campbellsport, Friday, Oct. 8.

Memories...

The Statesman welcomes readers to submit photos for the "Memories" feature. Photos should show life in the olden days in this area. Deliver or mail to The Statesman, 250 Main St., Kewaskum, WI 53040. Photos can be picked up again after publication.

The above photo of the American Legion clubhouse, Kewaskum Robert G. Romaine Post No. 384, was taken at the time work was started on the remodeling and removal of the upper two stories of the building. The second story then contained living and bedroom quarters and there was a small hall on the third floor.

The American Legion was formed after World War I in 1919. The local post was formed in July, 1923. At first the members met at Joe Eberle's tavern and in the G.T. Hall, presumably what is now the Union Hall. About 1958 and 1959 when Tiny Terlinden and later Al Muckerheide were commanders, the remodeling was done to the building's present appearance.

About 1846 a James Christie owned the property. Later a Moody and the names of Myers and Guth, Braun and Bunkelman were owners before the Lay family. In 1945 it was acquired by the American Legion Post from Katherine Lay, [widow of Henry Lay who died in 1907] at a cost of 5 or 6 thousand dollars. There was a \$7,000 mortgage on it later, no doubt during remodeling.

Thanks to the research of Marilyn Haug, the above information was attained.

School District to Hold Open House

All schools in the Kewaskum District will hold open house on Monday and Tuesday, October 25 and 26. Parents are invited to visit the schools on either of those two days.

Parent-teacher conferences will be held on November 10 from 1-5 p.m. and 6-9 p.m. There will be no school on November 10.

Parents of elementary school children will be able to sign up for conferences with teachers if they attend either day of the open house. Parents of students

in middle school or high school do not need to arrange conference times. Teachers there will be available for conferences in their rooms during the hours listed above.

Parents may participate in

the school lunch program on October 25 and 26 if they wish. The cost is \$1.25 for a meal, and parents should indicate by 10:00 a.m. if they will be eating lunch at the school that day.

Nigh-Sprung

Christine Nigh and Clifford Sprung exchanged marriage vows during a 2:00 p.m. ceremony at Holy Trinity Catholic Church, Kewaskum, on Saturday, July 31. Father James Strupp officiated.

Music for the ceremony was provided by the organist, Karen Schneider of Kewaskum, and the soloists, Dave and Terry Bertelsen of West Bend.

The bride was presented in marriage by her parents, Mr. and Mrs. Jerome Nigh, 1304 Auburn-Ashford Dr., Campbellsport. Mr. and Mrs. Carl Sprung, 28418 Huntington St., Merton, Wisconsin, are parents of the groom.

The bride chose her friend, Christine Broker, West Bend, as her matron of honor. Her bridesmaids were Terry Sprung, Brown Deer, sister of the groom, and Kathy Grandin, Carol Ehner, Carrie Swanson and Laurie Blum, all friends of the bride from Kewaskum.

Robert Sprung, Merton, served as his brother's best man. The groomsmen were Robert Nigh, Campbellsport, brother of the bride, James McGuire, Killeen, Texas, Mark Lurvey, Oconomowoc, and Terry Jorgenson, Rochester, Minnesota, all friends of the groom.

Ushering duties were shared by Scott Nigh, Kewaskum, cousin of the bride, and Robert Pellowski, Wauwatosa, cousin of the groom.

Following the ceremony a

reception and dinner was held for 350 guests at the Circle B Recreation Center, Cedarburg.

The bride, a graduate of Moraine Park Technical Institute, West Bend, is employed as a junior accountant with Dan Corbin, CPA, Killeen, Texas. Her husband, a graduate of the Marquette School of Dentistry, Milwaukee, is serving as a dentist with the U.S. Army in Fort Hood, Texas.

The newlyweds spent their honeymoon at Yellowstone National Park and are now residing at 1206 Covey Lane, Apartment C, Killeen, Texas 76541.

Rescue Squad Calls

Friday, Oct. 15 — Kevin Van Pietersen, 22, N 136 West 20687 Richfield, taken to St. Joseph's Community Hospital, West Bend, from 3142 Valley View, Town of Scott, Sheboygan County, with a fractured leg.

Saturday, Oct. 16 — Jason John Horn, 6, R. 1, Adell, taken to St. Joseph's Community Hospital from Beechwood with injuries suffered in an auto accident.

Marriage License

William Joseph Krajna and Renee Mary Gremminger, both of the Town of Ashford.

Ms. Potter Appointed Campus Coordinator At Cedar Lake Home

Cedar Lake Home Campus announces the appointment of Ms. Kathy Potter to the new position of Campus Coordinator of Public Relations and Education. Ms. Potter comes to Cedar Lake Home with fifteen years experience in human services, administration, public relations, and program development. Most recently she has been the director of Kettle Moraine Planned Parenthood serving Washington, Sheboygan, and Ozaukee Counties.

Ms. Potter's responsibilities will include supervision of the Department of Public Relations, Volunteers, and Education; grants and grantsmanship; and planning, developing and executing the Campus general educational and research program.

A not-for-profit organization, Cedar Lake Home Campus has a long standing commitment to provide high quality educational programs for health care professionals and paraprofessionals, and to the community. Programs are designed for both personal and professional growth.

With the recent acquisition of the Oak Knoll property, and with plans to remodel and restore both Oak Knoll and the old one room school, the Board and Cedar Lake Home Campus Total Team have renewed their commitment to educational excellence.

By working together with the Directors of Public Relations and Education, Ms. Potter hopes to enhance both departments and to strengthen Cedar Lake's total program of service to the elderly, handicapped and the community.

In her recent letter of acceptance, Ms. Potter stated that, "I am leaving Planned Parenthood with many good feelings and continued support for the organization. Planned Parenthood provides a much needed service to the community by a staff of highly skilled and deeply caring individuals."

Her letter also included that, "The position at Cedar Lake Home Campus offers me the opportunity to share my skills in a highly creative caring environment. It is also a unique opportunity to grow both personally and professionally."

From the School Board President's Desk

Why did that article on the Kewaskum test scores contradict others I've read? Why was the ACT the only test results mentioned in detail? When do we get a superintendent?

These are three of the questions I've received this week. The testing discussions were interesting. The STATESMAN article was accurate, but the WEST BEND NEWS article left something to be desired. The Kewaskum School District is always pleased to hear that Kewaskum students are doing well, and the ACT (American College Test) scores were nice, but as I stressed in a previous column, Kewaskum High School juniors have been below in state mean on the PSAT verbal scores the past two years, and the class of 1983 scored a 47.4 as opposed to the state 48.8 in math. According to the NEWS article, it was stated that it was impossible to obtain state averages for the PSAT. Surely, anyone who cares to check, knows that the state averages are found in the Wisconsin PSAT Report which is routinely sent out by the College Board, but the NEWS, as is its wont, again confused the issue. In response to the second question, it would be uncharitable of me to suggest that the ACT was stressed because the figures were favorable—so I won't.

When do we get a superintendent? We now have one. Our new superintendent is John Long. By the time you read this, Mr. Long will have been on the job four days (he started Monday). I'm certain I speak for the entire Board when I commend Bob Borch for doing an excellent job as interim superintendent and when I welcome John Long to the Kewaskum School District and our community.

Dr. Charles J. Ogi

News Notes From the Village

The Village of Kewaskum, Municipal Code addresses a particular hazard or public nuisance the Village Board wishes to review with all property owners. This hazard or public nuisance is in reference to TREE LIMBS. As stated in Chapter 10.05 (5). All limbs of trees which project over and are less than 10 feet above any public sidewalk, street or other public place are considered a public nuisance.

Any property owner in violation of this section is asked to correct the situation to elevate any further action required by the village. Your cooperation is appreciated in the maintenance of safety for all residents.

Fairbanks, Alaska, is the closest city in North America to the Arctic Circle.

"BY THE PEOPLE"

FOR THE PEOPLE

Where Does Your United Way Donation Go?

When you give to the United Way, your gift helps support services that cover practically the entire range of human needs. It probably helps someone you know personally.

The Kewaskum Area United Way funds are earmarked to agencies dealing in health and rehabilitation. The Association for Retarded Citizens assists in educating and providing needed services for the retarded. Citizens Advocacy of Washington County offers developmentally disabled citizens assistance, guidance and companionship. The Developmental Disabilities Services, Inc. provides referrals, counseling, assistance in finding appropriate housing for disabled people and information to the public on the retarded, cerebral palsy and epileptic. The Kewaskum Area Blood Bank organizes collection of blood for use by area residents. The Threshold, Inc. offers vocational and educational rehabilitational services to mentally and physically handicapped through sheltered workshop, recreational activities, home training and job placement.

The United Way supports youth service agencies. American Field Service (AFS) promotes international understanding by hosting foreign students and supporting a local area students' study in another state or foreign country. Big Brothers and Sisters is one on one adult guidance and companionship for one parent families. Kettle Moraine YMCA Tot Time program is an organized nursery school program for pre-school age children with limited parental participation. Scouting programs prepares boys and girls to be better citizens of tomorrow. It includes activities of Boy Scouts and Cub Scouts and Wau Bun council for Girl Scouts.

Family and child care services are provided with United Way contributions. Children's Service Society of Wisconsin provides family counseling to prevent delinquency, child abuse and neglect, as well as adoption and foster care programs. The Christian Record Braille Foundation loans Braille records and cassettes to the Kewaskum library for use by area blind and visually impaired people. Friends for Battered Women of Washington County offers services to women and

families where physical abuse occurs.

Disaster services are also supported by donations. The American Red Cross provides disaster relief services, assistance to U.S. military, emergency transportation to social agencies, coordinates volunteer school health programs, and conducts educational and safety classes. The Salvation Army offers emergency shelter, food, clothing and spiritual activities for local residents and transients.

A new community service program has been added. The Kewaskum Chapter of Special Olympics supports athletic competition for local handicapped people.

Your contribution, regardless of its size, is a means by which you can help solve human problems of people relying on these various agencies. The money stays locally. United Way is neighbor helping neighbor.

If you have not already made your contribution, please drop a check in the mail addressed to The Kewaskum Area United Way, Kewaskum, WI 53040.

A little from everyone together, goes a long way.

Holiday Classes At MPTI-West Bend

Why not begin to prepare for the coming holiday season? Moraine Park Technical Institute can help with various adult education food classes beginning in October and November.

Bread Workshop begins Tuesday, November 23, and runs for three weeks from 6:30-10:00 p.m. at the Decorah Annex. Tuition is \$6.30. Help your family and friends to enjoy the season with oven-fresh bread.

Three separate Microwave Cooking for the Holiday classes will begin October 26. The courses are designed to help participants learn how to use the microwave for holiday entertaining. The class has a Christmas emphasis and includes instruction on hors d'oeuvres, candies, cookies and the buffet table. Choose from a morning, an afternoon or an evening class, each meeting for four weeks. Tuition for the course is \$9.00.

Enjoy the holiday season! Sign up for one or more of these MPTI classes!

County Unit of Cancer Society Joins in Conducting Health Survey

Jeanie Allen of the Washington County Unit of the American Cancer Society will be directing 32 volunteers in recruiting and surveying 420 subjects in all communities of Washington County, as part of a nation-wide study.

"A large-scale study of this kind is needed to help us find out, as well as to help get the answers to long-term exposure to low level radiation; the health effects associated with nutrition, drugs, and various occupational exposures; the possible interplay of multiple cancer-causing substances which might not independently cause cancer, and the possibility of increased vulnerability to cancer in certain racial, religious, geographic or genetic groups," explained Dr. Robert V.P. Hutter, the Society's national president.

Enrollees in the six-year study will be asked to complete the 500-item health and lifestyle questionnaires. Volunteer researchers—over 1,500 in the Wisconsin Division and 500 in the Milwaukee Division—will instruct enrollees in how to fill out the questionnaires, but they will never see the answers.

Volunteer researchers will check back with the enrollees in 1984, 1986 and 1988. When any of the enrollees are reported to have died, their official death records will be obtained. As mortality records accumulate over the six-year period, various suspected relationships will be tested by comparing the relative frequency of deaths, by category, to answers in the questionnaires.

Volunteer researchers have been urged to enroll about 10 families whose whereabouts are likely to be known to them over a long period of time. The volunteers will keep track of the

study families at least until 1988. Special efforts are being made to enroll people who are already in their 50's, 60's and 70's.

This study will be equal in size but wider in scope than a similar one conducted by the American Cancer Society from 1959 to 1965, then extended to 1972. The first study may be best remembered as the report which supplied important evidence needed to conclusively link cigarette smoking to cancers of the lung and other sites, to heart disease, and other circulatory diseases and emphysema.

"This kind of scientific detective work is very important because it can uncover cancer-related factors which otherwise might escape notice," explained Dr. Stan Inhorn, of Madison, the Wisconsin Division Coordinator for the study.

CUT TREES SAFELY

Always notch the trunk at the cut, or it will "kick back" as it falls and possibly seriously injure you or anyone standing in the vicinity.

Feverfew is a low, hardy plant with white daisy-like flowers. People once believed that it could drive away fever. Its name means to put fever to flight. It doesn't work.

Receives Degree At UW-Madison

An area student is among Bachelor's Degrees after completing their work at the University of Wisconsin-Madison. The names of students granted their degrees by UW-Madison are being announced by the University.

The student is: Mark Wade Strigenz, 9409 Moraine Dr., Kewaskum, economics.

Your HEALTH TIP

from Tom Letzke, R.P.H.

ASPIRIN & VITAMIN C

Aspirin depletes the body of vitamin C, therefore while taking aspirin, be sure to supplement it with extra vitamin C. Ascorbic acid [Vitamin C] levels in the white blood cells drop precipitously during aspirin therapy. Evidence shows that the white cells [leukocytes] ability to fight pathogenic germs depends on its store of ascorbic acid.

Ayer Ensemble to Perform at UWWC

The following singers will be featured in The Ayer Ensemble which will perform on Friday, October 22, at 8:15 p.m. in the UWWC theater: [left to right] Sue Gaines, Sheila Boyung, Carol Ayer, Rick Gilbertson [kneeling], Peter Ayer, Kathy Stonecipher, Pat Keeley, Mary Dakin, Debbie Slotke, William Stonecipher [kneeling], and Gary Gerhartz.

Tickets for this event can be purchased at the door or in advance by calling 338-5208.

The Ayer Ensemble, a unique musical group, will perform at the University of Wisconsin Center-Washington County on Friday, October 22, at 8:15 p.m. in the University theater.

The Ayer Ensemble, formed two years ago, has appeared at Milwaukee's MECCA and the Marc Plaza. This versatile group performs the widest possible range of literature from the 16th century polyphony of

Josquin Des Pres, to the Broadway tunes of Meredith Wilson, and a country-western tune or two, if the occasion calls for it. The musical philosophy of the director is somewhat analogous to that of a good chef: almost anything tastes good if properly prepared - and too much of any one thing, no matter how finely served, leaves the palette searching for something different. So it is with the

ensemble: every piece of music deserves the most careful and painstaking preparation to ultimately do justice to the composer, satisfy the performer, and please the listener. The final judge, of course, must be the audience.

The Ayer Ensemble's repertoire includes something for every musical taste. We are sure you will agree.

Area Students Attend Madison Ag Careers Conference

A group of students from Campbellsport High School was among the 1,200 high schoolers from throughout Wisconsin who attended the 17th annual Agricultural Careers Conference on Oct. 7 at the University of Wisconsin-Madison.

Rick Daluge, College of Agricultural and Life Sciences assistant dean and placement director, urged the prospective college students, who represented 128 high schools, to

consider their options for higher education carefully. He added that the job picture remains bright for graduates with degrees in various phases of agriculture, natural resources and the life sciences.

JoDee Ehrke, Ag Student Council president, shared her viewpoint of the Madison campus urging students to take the initiative and get involved with campus clubs and organizations. Despite the number of students at Madison, she added, professors are willing to spend time with individuals if they are asked.

The students spent most of the day at UW-Madison looking

at exhibits, attending departmental workshops, discussing careers of a study, exploring career opportunities and touring campus facilities.

THAT STOVE NEEDS A PERMIT

In most cases a permit is needed to legally install a stove. Local building code officials, the fire department and your insurance agent can provide vital information on permits and safe stove installation and operation. Also, they will inspect your system to assure your family's safety.

All Savers Certificate

Offer Ends December 31, 1982

Act Now . . . Offer Ends December 31, 1982.

In October, 1981 Congress authorized a one-year, high interest earning, tax-free savings account that allowed individuals to earn up to \$1,000 of tax-free interest and couples up to \$2,000 of tax-free interest.

That account was called the 'All Savers Certificate'.

Congress also, at that time, established December 31, 1982 as the expiration date for the All Savers Program.

Despite the many attempts that have been and are still being made to persuade Congress to grant an extension to the All Savers Program, the distinct possibility exists that these attempts will prove unsuccessful and the program will end on December 31st as planned.

How does this affect you?

If you already have an All Savers Certificate . . . you may be entitled to earn more interest.

Many people have opened All Savers Certificates that have not yet earned the maximum tax-free interest allowed by Congress. In these cases, we feel your best options are to reinvest your current All Savers Certificate for another twelve months when it matures — provided the maturity date is before December 31, 1982 — or, open another All Savers Certificate before December 31st and deposit the amount you need to earn the maximum tax-free interest allowed. Our savings counselors can help you determine the amount that can be reinvested in the program.

If you have not yet opened an All Savers Certificate . . .

There is still time for you to take advantage of this high interest, insured, tax-free savings account. Just open your West Bend Savings' All Savers Certificate before December 31, 1982.

With as little as \$500 or more you can be on your way to earning up to \$1,000 (individual) or \$2,000 (joint) of tax-exempt interest income.

West Bend Savings' All Savers Certificates earn high market rates, guaranteed for twelve months. And, your deposit is insured up to \$100,000 and backed by the full faith and credit of the U.S. Government.

Why not join the thousands of West Bend Savings' customers already taking advantage of the All Savers Certificate's tax-free earnings? This may be the last tax incentive ever authorized by Congress.

If your current maturing All Savers Certificate has earned the maximum amount of tax-free interest permitted . . .

We suggest that you check with us a few days before your certificate matures just in case Congress decides to grant an extension, in which case you may be entitled to earn more tax-free interest.

Should an extension not be granted our savings counselors will be happy to suggest other insured investment alternatives ranging from tax savings and retirement plans to short term cash management accounts to long term investments. We're confident one or more of our plans will meet your needs.

**Please remember that the current
All Savers Program will end
December 31, 1982.**

Federal law requires a substantial penalty and loss of tax exemption for early withdrawal of these certificates.

West Bend Co. Receives Presidential 'E' Award for Exporting Activities

The West Bend Company, a major producer of electric kitchen appliances, cookware and humidifiers, received the Presidential "E" Award for Exporting on October 20. The award was presented to A.J. English, President, by Russell H. Leitch, District Director of the US Department of Commerce International Trade Administration during a ceremony at the company's headquarters in West Bend at 11:00 a.m. The firm is a division of Dart Industries, Inc.

Among the reasons cited for the award is West Bend's aggressive approach in developing new markets, including the European market which is highly competitive and mature. Distributors were selected and, to service these accounts, local sales staffs were established.

As new products were introduced, the company secured the necessary code approvals. Consideration was also given to local requirements, tastes, need and design.

To support these new introductions, West Bend launched a coop advertising and promotional programs, each tailored to the cultural peculiarities of the various markets. In ad-

Area Women Invited To MACCW Leadership Workshop at West Bend

District 13 of the Milwaukee Archdiocesan Council of Catholic Women invites all West Bend area residents, non-Catholic and Catholic, to a leadership workshop on Saturday, Oct. 23. The workshop, titled Women Communicating Among Many, will be held from 8:30 a.m. to 2 p.m. at St. Frances Cabrini church hall, 1025 S. 7th Ave., West Bend.

Cost for the workshop will be \$2 and reservations should be made with Sandra Bradt, 334-7620. Participants should bring a brown bag lunch.

Coffee and rolls will be served during the get acquainted time from 8:30 to 9 a.m.

Mrs. Mercedes Chalmers will be the first speaker at 9 a.m. Her topic will be Organization Made Easy, followed by a question and answer period. At 10:30 Father Glen Graczyk, Associate Pastor, St. Frances Cabrini, will describe the "Spiritual Benefits of Belonging to Christian Women Groups."

Following a lunch break, Mrs. Irene Blau will speak on Communication.

dition, the company strengthened its brand awareness by participating in international trade shows and press parties.

In concurrent moves, West Bend expanded its presence into Asia, the Middle East and Latin America. The increased demand required the establishment of a West Coast office to service the growing number of Asian accounts.

These efforts, coupled with multi-lingual literature, packaging and metric measurement requirements, enabled the firm to more than double its foreign sales in a measured three-year period. This substantial increase in exports occurred during a time when the devaluation of the U.S. dollar hampered the export of U.S. products.

In The Service

Marine Pvt. Arvid I. Peters, son of Sieglind Peters of Memorial Drive, Kewaskum, has completed recruit training at the Marine Corps Recruit Dept, San Diego.

During the 11-week training cycle, he learned the basics of battlefield survival. He was introduced to the typical daily routine that he will experience during his enlistment and professional standards traditionally exhibited by Marines.

He participated in an active physical conditioning program and gained proficiency in a variety of military skills, including first aid, rifle marksmanship and close order drill. Teamwork and self-discipline were emphasized throughout the training cycle.

Homestead Hollow

Washington County's Newest Park Will Open to the Public Oct. 29

Beginning Friday, October 29, the 105 acre Homestead Hollow County Park and its hiking and cross country skiing trails will open to the public. The trails offer an attractive mix of interesting features for the hiker and cross country skier. Passing through hills, dales and woods, the trails cover a comfortable 1 1/2 miles in length.

Homestead Hollow County Park is located in Germantown on Freistadt Road just east of Goldendale Road. The site has been under development by the Washington County Park System since its acquisition in 1978. Additional facilities are scheduled to open immediately after formal dedication of the park this coming spring. At this time, a reservable picnic shelter, scattered picnic sites and new toilet facilities will become available.

Future plans call for an expanded, self-guided nature

trail, a wildlife pond, additional picnic facilities, playground and ballfield.

The public is invited to stop in and look around Washington County's newest park. Your comments and suggestions are welcome. More information about the park is available from the County Land Use and Park Dept. office in West Bend. Phone toll free 644-5204 if you have a 673 or 628 telephone number, or 342-2929 if you have a Milwaukee Metro Number, or 338-4445 in the West Bend area, and ask for Parks. In-

formation is also available from the resident Park Ranger, David Kuckuk, at the park. Washington County Parks are normally open from 7 a.m. to 9 p.m.

Kitchen carpeting can be restored to original brightness in 15 minutes with Nylac. No machine needed. Miller's Fine Furniture recommends Nylac for nylon carpets.

German peasants once believed that they could cure an animal's broken leg if they bandaged a chair leg.

Campus Notes

Gregory A. Woolman, a freshman majoring in marketing, of 1185 Hillside Dr., Kewaskum, and Jennifer K. Zemlicka, a freshman majoring in pre-physical therapy, of 1527 Stark St., Kewaskum, have enrolled as freshmen at the University of Wisconsin-La Crosse. They join 2,335 other new students who are experiencing a special orientation, their first introduction to college-level classes, and welcomes from the many student organizations at the university.

High school students interested in attending UW-La Crosse are invited to come with their parents to a campus close-up this fall. The day-long sessions will be held October 29, December 10, March 25, and April 29, and will include information on the 50 majors offered, financial aid, housing and extracurricular activities.

Menomonie, WI — Three Kewaskum area students are enrolled as undergraduates this fall at UW-Stout. They are Matthew Hanrahan, majoring in industrial technology; Joan Hanrahan, majoring in home economics education; and Shelly Sekas, majoring in home economics in business.

With an enrollment of approximately 7,500, Stout is a

"special mission" university in the UW-System. Founded in 1893, it retains its original primary mission of preparing men and women for careers. Because of this, the university continues to have a job placement record of better than 90 percent for its graduates.

Two Kewaskum High School graduates are enrolled for the fall quarter at the Milwaukee School of Engineering:

Ken J. Bauer, son of Mr. and Mrs. Roger Bauer, 8989 Highland Drive, Kewaskum, in Architectural Engineering; and Duane D. Krahn, son of Mr. and Mrs. Sylvester Krahn, Route 1, 807 Hwy. A. Adell, in Electrical Construction Engineering Technology.

The final enrollment figure for the fall semester at the University of Wisconsin-Eau Claire is 10,883 students, announced Dr. Lawrence Bundy, UW-EC registrar and coordinator of student academic services.

This is the second year of the university's program to hold new freshmen to no more than 2,500, thus causing a slight decrease from last year's fall enrollment of 10,963. The total count for new freshmen this fall is 2,494.

Students from this area who are attending UW-Eau Claire

this fall are: John Dettmann, 9388 Bolton Drive, Kewaskum, senior; Julie Dettmann, 9388 Bolton Drive, Kewaskum, freshman; Sandra Kirchner, 8298 Kettleview Drive, Kewaskum, freshman.

Two University of Wisconsin-Oshkosh bands presented a free concert at 8 p.m. on Tuesday, Oct. 19, in the Music Hall of the Arts and Communication Center. These are Titan Concert Bands I and II which are composed of 101 student musicians who are graduates of 72 Wisconsin high schools and four other states.

Among these student musicians are: Sherry Foerster, Kewaskum.

LEARN THE FACTS

Burning wood is one of the most hazardous ways to heat your home, farm or business. An informed wood fuel user is a safe wood fuel user.

Ironically, the modest violet was fabled by the ancient Greeks to have sprung from the blood of Ajax, a boaster.

First Volunteer Recognition Banquet Held by The Threshold

On the evening of October 6, 1982, the volunteers of The Threshold, Inc. were honored at the agency's First Volunteer Recognition Banquet. The event was held at Kettle Moraine Bowl in Slinger with over 90 people attending. The Peter Ayer Ensemble provided entertainment for the guests. Each of the volunteers received a long stem red rose and an appreciation plaque from Horst Wagner, Executive Director.

The Threshold utilizes volunteers in many of their programs and recognizes the value of the volunteer in continuing to provide quality services to disabled individuals. Each volunteer brings their own special talents and skills and these then become an integral part of the program. The following is a listing of Threshold volunteers for 1982 and the areas in which they volunteer:

Jean Ackerman - Food Service, Recreation

Bob Axness - Woodburning, Advisor to Client Organization

Margaret Benson - Remedial Education, Laubach Reading Program, Basic Education, Basic Living Skills, Recreation

Gene Braaksma - Psychological Testing

Lee Delwiche - Laubach Reading Program

Rae Getter - Laubach Reading Program

Tina Heder - Laubach Reading Program

Edward Hicks - Laubach Reading Program

Jerry Kohl - Woodshop

Jane Lautenbach - Laubach Reading Program

Dawn Lobotzke - Gift Shoppe

Mike Neu - Charcoal Sketching Instructor

Rosemary Marsh - Laubach Reading Program Remedial Education, Basic Living Skills, Arts and Crafts, Basic Education

Joy Myer - Client Discussion Groups

Adela Pamperin - Gift Shoppe

Maureen Pryal - Recreation

DeeDee Schacht - Recreation

Tom Schuetz - Recreation

Linda Schuetz - Recreation

Heide Schumacher - Work Activities Center, Recreation

Tim Schumacher - Craft Fairs

Norbert Sinnen - Food Service

Merciline Skoll - Art Instructor

Sue Skoll - Recreation

Lu Tamez - Craft Instructor

Jess Thelen - Basic Education, Recreation, Camping Trip

Stephanie Zacher - Crafts

The Threshold Board of Directors also serves in a volunteer capacity and they, too, were recognized at the Banquet. Members of The Threshold Board include: James Hopp, President; Kathleen Walter, Vice-President

Elaine Shanebrook, Secretary; William Bailey, Treasurer; John Beisbier; Norman Colby; Theodore Dickmann; Doris Fisher; E. H. Maahs, Hartford; John Rozek; Robert Steiner; Donald Stevens, Hubertus; Derry Wagner; Robert Zarling, Kewaskum; Alfred Zimmerman, Slinger; Robert Malsch, Consultant

The Threshold Auxiliary was formed in 1978 and currently has a membership of thirty-two. These members volunteer their time in The Threshold Gift Shoppe and make many of the items that are for sale in the Shoppe. The membership includes:

Doris Fisher; Irene Merkwowitz; Lou Reichert; Marie Bales; Bernice Berres; Ruby Bever; Lorraine Braun; Tillie Bruessel; Darlene Fiori; Josie Groth; Mildren Hernikl; Rosie Hoeft; Rose Jansen; Alice Laubenstein; Natalie Lichon; Florence Matenaer; Florence Metzger; Anita Oswald; Vera Schacht; Erna Schleif; Esther Schnepf; Vannie Steinmetz; Kathleen Stoltz; Adie Strodthoff; Irene Thomas; Gladys Troedel; Ruth Wagner; Kathleen Walter; Evie Wolf; Helen Wolf; Margaret Mary Wolf; Margaret Zimmerman

If anyone desires information on The Threshold's Volunteer Program, contact Nancy Roskopf, Volunteer Co-ordinator at 338-1188.

Congressman
JIM SENSENBRENNER
Reports

GOVERNMENT SHOULD NOT FUND POLITICAL GROUPS

Recently, it was revealed that millions of tax dollars are turned over every year by the federal government to certain political groups. These contributions, many of which are for specific activities or programs run by these groups, represent taxpayer subsidies, which I believe are bad public policy and should be ended.

In 1980, for example, Planned Parenthood, which lobbies for federal funding of abortions among other things, received over \$70 million in federal funds. Even more, \$110 million, was granted to the National Urban League, a prominent black group involved in some controversial civil rights activities.

Federal funds also were given to the Youth Project, which sponsors anti-defense and anti-nuclear demonstrations, and the National Welfare Rights Organization, which fights for increased welfare benefits and against most proposed reforms in the welfare system.

The list of politically active groups receiving federal handouts goes on: the American Civil Liberties Union, the Gray Panthers, the National Education Association, Americans for Democratic Action, Cesar Chavez's United Farmworkers Organization, the National Council of Churches, and the National Organization for Women (NOW). These groups are almost entirely liberal in their political views, or represent small segments of the nation.

While I disagree with many positions taken by these groups and applaud some of the worthwhile public service programs they conduct, these are not the point here. What concerns me, and should concern all Americans, is that we are using tax dollars to support groups with political views not shared

by all those providing the tax dollars.

In effect, funding these groups requires the taxpayers to finance the promotion of very narrow or controversial political views. This is not fair.

There is another fairness issue, as well, in that these subsidies give these groups an unfair advantage in funds and "legitimacy" over their competitors, who do not receive such help. Since our political system depends on voluntary contributions of time, talent and money, this federal intervention suggests the kind of government political activity we see in many nondemocratic nations.

These subsidies are costly, unfair, and put the federal government in an unwise position of helping only certain political groups, so they should stop.

LETTERS TO THE EDITOR...

10-18-82

Dear Editor,

As I have had the opportunity to travel throughout the 88th Assembly District I have repeatedly noticed the presence of numerous campaign signs placed in strategic places in order to draw attention. However, upon looking at the placement of these signs, I have taken note that very many of them have been placed illegally. In this case, I would like to point out that especially the fluorescent pink signs have been placed in vacant lots, on Church property, on Village or Township property, on boulevards, in cornfields and even on private property without the owner's permission.

It is amazing to me that this Assembly person, with a so-called twenty years of experience under her belt, has allowed her name to be flung about so carelessly!

Owner Is Liable for Vehicle Illegally Passing a School Bus

We all know that the driver of a vehicle which passes by a school bus with the flashing red light activated and the stop arm out is a good candidate for a traffic citation, but under a new state law which went into effect April 16, 1982 the owner(s) of the vehicle involved in such an offense are now subject to the same fine as the driver who committed the violation.

School bus drivers are often, as a condition of employment, required to report all school bus violations to the law enforcement agency having jurisdiction. Generally, they are very observant and have the greatest success in court of any of the citizen initiated complaints. However, identification of the driver is always a problem and convictions usually occur only when the violator admits to driving the vehicle at the approximate time of the offense.

The intent of this new law is still to get a conviction on the driving record of the person who committed the actual violation, and levy a sufficient fine so as to remind him (or her) never to place the lives of children in danger by driving around an unloading or loading school bus again. But as with some other laws, it makes the owner responsible to see that when the owner allows another person to use his (or her) vehicle, the owner will face up to the hazardous violation if the driver will not.

Of course there are some times when the owner cannot be expected to be responsible for the use of their vehicle, and provisions are made under the law for these particular cases.

Defenses to a violation include the owner reporting the vehicle stolen prior to or within a reasonable time after the violation occurred; if the owner provides the name and address of the person operating the vehicle and that person admits to driving the vehicle at the time of the violation; if the vehicle is owned by a lessor and at the time of the violation the vehicle is in the possession of the lessee, OR is owned by a dealer and was being operated by any person on a trial run and the lessor or dealer provides the name, address and driver's license number of the driver or lessee, the driver or lessee and not the dealer or lessor will be charged.

Hopefully, you may never find yourself in this situation. And if you do, but are not entitled, you may be tempted to use one of the defenses previously mentioned. DON'T! The penalty for owner's vehicle illegally passing a bus is a maximum of \$200.00. On the other hand, "obstructing a Police Officer" is more than a traffic citation and a fine. It is a CRIME, and in addition to a fine it could mean time in jail and a criminal record.

Clarence A. Schwartz,
Sheriff
Washington County

Benjamin Franklin, in addition to being a great statesman and inventor, was an accomplished performer on the guitar and harp.

Switch to Smaller Vehicles May Be Affecting Accident Statistics

Are subcompact automobiles a safety hazard, or a blessing in disguise? Possibly both, according to some safety experts.

While studies show that in a collision between a subcompact and a full sized car, occupants of the smaller vehicle are eight times more likely to be killed, it appears that drivers of small vehicles may have adopted new driving habits which tend to keep them out of collisions.

"For example, subcompact drivers appear to be less likely to attempt to pass another vehicle on a two lane highway, may be more inclined to yield the right of way, and to drive at slower speeds," according to Clarence Schwartz, Washington County Sheriff.

In addition, preliminary studies are finding that drivers of smaller vehicles tend to use their safety belts more faithfully, thereby offsetting some of the safety disadvantages in crashes, Sheriff Schwartz said.

"We're reminding people who have recently switched to smaller cars, to adjust their driving habits, and to make very certain that everybody in the vehicle wears safety belts," Sheriff Schwartz said. "In the case of infants or toddlers, make sure they are in properly installed, approved child safety seats," Sheriff Schwartz added.

Drivers of smaller vehicles should also make extra effort to see, and be seen by other drivers, which includes use of headlights during periods of inclement weather as required by state law.

To freeze a frosted cake without marring the icing, freeze first without wrapping until firm. Then wrap carefully and return to freezer. To thaw, unwrap and let stand to room temperature.

30 Years Ago

October 17, 1952

October 26, 1952, is a red-letter day in the history of St. Lucas Evangelical Lutheran Church in Kewaskum. On that day the congregation is going to celebrate its seventy-fifth anniversary, its diamond jubilee. Seventy-five years ago, in the year 1877, St. Lucas congregation was organized with but a handful of people. Since then it has grown, so that to date it numbers 563 communicants and 769 souls. The oldest available church records date back to 1857. The first church was erected in the year 1870, and the present structure was built in 1913, and dedicated in 1914.

Homecoming festivities were held on Thursday and Friday of this week at Kewaskum High School. Festivities started off with a parade and pep rally on Thursday evening. On Friday afternoon Kewaskum met Brandon on the football field. The climax to the weekend affair was a dance in the high school gymnasium on Friday night. King Leroy Keller and his queen, Arlene Backhaus, reigned over the festivities. The other members of the royal court and their escorts were as follows: Joanne Fay and George Hanrahan, Florence Ruth and Floyd Dreher, Carolyn Ruth and Jay Van Blarcom, Adeline Herrich, Mary and Daniel Russell Rodenkirch, and Carole Harbeck and Thomas Dombrowski.

The village installed 32 new street name signs the past week in our growing, advancing little city. They were put up by village employees on poles on the various street corners. These street name signs were purchased by the village board last February for the sum of \$256.

The first snow of the season fell on this area Thursday evening and when residents awoke Friday, the ground was covered with more than three inches of the beautiful (?) white stuff.

The Evangelical Reformed Church at Marshalltown, Iowa, was the setting for the ceremony on September 27, in marriage Miss Darlene Ann Johnson, daughter of Mr. and Mrs. Harold C. Johnson of Campbellsport, and Leonard Shaudvits of Dundee.

daughter of Mr. and Mrs. John Klessig of Kewaskum, and Arthur Wilhelm of Milwaukee, were united in marriage at Palatine, Illinois, on October 22.

The ladies of the St. Lucas Evangelical Lutheran Church, Kewaskum, will stage a chicken supper in the basement of the church on November 3. The proceeds of this supper will go to the congregation's organ fund.

A baby girl was born to Mr. and Mrs. Alvin Herriges of near St. Michaels on October 20.

75 Years Ago

October 19, 1907

Gottlieb Blum of Kewaskum, a carpenter employed on the new Oppenorth building, fell 18 feet from a scaffold last Saturday and landed in the basement. He was bruised about the body but no bones were fractured.

The West Bend Woolen Mills in the old Kohlsdorf mill, one mile east of West Bend, are now in operation.

Nick Pesch sold his farm of 80 acres near Beechwood to Jake Held of Batavia and will hold an auction in the near future.

Mrs. Philip Eckel died at her home in Wayne on October 15 at the age of 42 following a lingering illness. The former Gertrude Hosp was born in St. Anthony. She married Philip Eckel on January 10, 1885, and he survives along with two children, Viola and Erwin.

A baby girl was born to Mr. and Mrs. Steve Klein of New Fane last Tuesday.

scout news...

BOY SCOUT TROOP 791

Troop 791, West Bend, will be selling Christmas Wreaths once again this year. These wreaths are hand made out of natural live Balsam Pine boughs, decorated with real pine cones and a red plastic ribbon. You have six selections to chose from at various prices. We have a 24 inch single face for \$4.99, a 36" single face at \$8.99, a 36" double face at \$11.99, a 48" single face at \$11.99, a 48" double face at \$14.99, and 60" single face at \$13.99. We will also be selling cemetery easels for \$1.00. The easels are used to place a beautiful long lasting wreath on a loved ones grave.

If you are familiar with our wreaths, tell your friends, relatives and neighbors about the beauty, and long lasting quality of these wreaths.

The Scouts in our troop will be canvassing the area by going from door to door or possibly by telephone.

Our wreaths sale will begin on Oct. 28 and run through Nov. 30. We will not be selling or take orders for wreaths while The United Way Campaign is being conducted. The scheduled ending date for United Way is Oct. 27. All Scout units are instructed to not have any

fund raising during this very important United Way Campaign.

Maybe some of our Scouts live in your neighborhood. If they should happen to miss you at home maybe you could call them. Following is a list of our Scouts and their telephone numbers. Bjorn and Thor Anderson-338-8887; Richard Anderson-334-0680; Jeff Benz-334-3111; Bob Didier-334-3664; Keith Ebert-626-2014; Bill Engel-629-5034; Kelly Gaultier-338-8608; Sean Hackney-334-9208; Rick Hartwig-334-7143; Rick Lewandoske-338-8709; Matt Mertens-334-5860; Bob and Tom Rogge-677-3935; Jim Seidensticker-338-1582; Howie Hull-629-9600; John Woodhull-644-6117; and Tom Zillmer-629-5230.

Being an extremely active troop, with a minimum of one week-end outing per month each year on the schedule under our trained, experienced, and expert leadership of Scoutmaster Manly Zillmer, your support of a local troop is greatly needed.

Proceeds of this sale are disbursed with a percentage going into the Boy Scouts individual accounts to help pay his way to summer camp. The balance is placed in our Troop treasury and used for purchasing much needed gear,

individual awards and rental fees for properties to conduct outings, etc.

Let's all decorate this Christmas, support one another, love one another, and a sincere thank you and have a really great Holiday Season from all of us in Troop 791.

Obituaries

ERNA R. ZIEGELBAUER

Erna R. Ziegelbauer, nee Zimmermann, of 1413 Beverly Lane, West Bend, died Saturday, Oct. 16, at Milwaukee County Medical Complex, at the age of 64.

She was born Feb. 7, 1918, in the Town of Wayne, a daughter of the late Mr. and Mrs. Fred Zimmermann.

She was employed as a first aid nurse at Regal Ware in Kewaskum until her marriage to Raymond W. Ziegelbauer at St. Mary's of the Hill Church, Holy Hill, on Jan. 23, 1951.

After her marriage, she settled in Kewaskum, until moving to West Bend in 1954.

Survivors include her husband; four children, Mary of West Bend, Sandra (Dale) Liepert of Kewaskum, Gary (Glennis) and Mark, both of Slinger; two grandchildren, Amy and Guy Liepert; one sister, Alice Giese of Kewaskum; one brother-in-law, Harry Varnes of Reedsburg, and other relatives and friends.

One brother and one sister predeceased.

She was a member of the Christian Women's Confraternity.

Funeral services were held Tuesday at 11 a.m. at the Schmidt Funeral Home, West Bend, with a Mass of Christian Burial at 11:30 a.m. at Holy Angels Church, West Bend. The Rev. Thomas Weber was the celebrant, and burial was in Holy Angels Cemetery.

ERNESTINE M. GEIB

Funeral services for Mrs. Ernestine M. Geib, 75, of 1917 Barton Ave., West Bend, were held at 10:30 a.m. Monday at Immaculate Conception Catholic Church, West Bend.

She died Thursday, Oct. 14, at her home. Burial was in the parish cemetery.

She was born Sept. 11, 1907, at Barton, a daughter of William and Louisa May Immel. On Oct. 23, 1929, she married Sarto J. Geib at Immaculate Conception Church, Barton.

Mrs. Geib was a member of the Apostolate of Suffering, Christian Women's Confraternity, Veterans of Foreign Wars Auxiliary Adrian-Neubauer Post and Glory and Praise Choir of the church.

Survivors include her husband; eight children, Mrs. Ervin (Betty) Waala, Peter, Paul, Mrs. Steve (Mary) Jansen and Mrs. Dan (Lois) Guse, all of West Bend, Mrs. Richard (Barbara) Hensen of Campbellsport,

Mrs. Roger (Ann) Walker of Tomahawk, and John of Newburg.

Other survivors are 30 grandchildren; and 15 great-grandchildren. Four sisters and two brothers preceded her in death. Schmidt Funeral Home, West Bend, served the family.

HUGO E. REETZ

Hugo R. Reetz, a resident of the Samaritan Home, West Bend, died Friday, Oct. 8, at St. Joseph's Community Hospital, West Bend, at the age of 74.

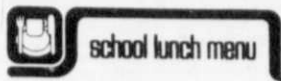

He was born Jan. 17, 1908, in West Bend, and married Luella Shigley in 1959 in West Bend.

He was a West Bend area resident all his life.

Survivors include his wife; 11 children, Franklin (Shirley) Lotter of Brown Deer, Jim (Jan) Lotter of Oakfield, Judith Lotter, Hugo (Eileen) Reetz Jr., Carol (Kenneth) Karsten all of Milwaukee, Donna (David) Zwieg of West Bend, Kathy (Randy) Fettig of Slinger, Otto (Mary) Reetz of Allenton, Shirley Reetz of Minnesota, and Rose (James) Faber and James (Donna) Reetz, both of West Bend; 32 grandchildren; two great-grandchildren; one sister, Bertha Chastey of Wauwatosa; one brother, Arthur Reetz of West Bend, and other relatives

and friends.

Funeral services were held Monday, Oct. 11, at 2 p.m. at the Myrhum Funeral Home, West Bend. The Rev. George Mumm officiated and burial was in Washington County Memorial Park.

PICK A PUMPKIN

Choose the pie pumpkin for eating and the field pumpkin for carving. The pie pumpkins are 8-10 inches in diameter and weigh 6-8 pounds. Those for carving are larger than 12 inches and weigh 20 pounds or more—too coarse, stringy and dry for eating.

A 1/2 cup serving of pumpkin supplies more than your RDA for vitamin A, also small amounts of iron and vitamin C. It is low in fat, sodium and calories—about 40 per 1/2 cup serving.

To prepare pumpkin, either boil or bake it. Cut, peel and remove seeds from pumpkin, then cook covered in 1/2 to 1 inch of boiling water for 30 minutes or until tender. As pumpkins are watery, don't use large amounts of water. To bake a pumpkin, cut in half and rub cut edges with shortening. Place them down on a baking sheet and bake at 350 degrees until tender when pierced with a fork. Then remove seeds and fiber and press flesh through a sieve or ricer. Use cooked pulp within 36 hours as it spoils rapidly. Can or freeze for longer storage. Canned pumpkin requires pressure processing—10 pounds for 65 minutes for pints; 80 minutes for quarts.

The Halloween practice of carving Jack-O-Lanterns is actually an old English custom.

It was said that the eerie light cast off by these hollowed, lighted pumpkins warded off evil spirits. The Jack-O-Lantern's name was derived from "Jack with a Lantern," the nickname for an imaginary light that hovered over swamps misleading unwary travelers.

Pumpkin pie spice is a blend of cinnamon, ginger, allspice and nutmeg. The spices are milled together rather than mixed after grinding. Good in squash and sweet potato pie, also spice cake, coffee cake and date nut muffins.

YESTERYEAR PUMPKIN PUDDING

8 slices bread
3 eggs, slightly beaten
2 1/2 cups milk
16 oz. solid pack pumpkin
3/4 cup sugar
1 tsp. ground cinnamon
1/2 tsp. ground nutmeg
1/2 tsp. vanilla extract
3/4 cup raisins
* Stirred cream (optional)

Preheat oven to 375 degrees. In a 2 quart casserole, crumble bread. Combine eggs, milk, pumpkin, sugar, cinnamon, nutmeg and vanilla; add raisins. Stir into bread. Set casserole in larger casserole or baking dish; fill larger dish with hot water. Bake 70 minutes or until knife inserted near center comes out clean. Serve warm or chilled with stirred cream. Yields about 8 servings.

*Stirred Cream: soften 2 cups vanilla ice cream; stir until smooth.

Children's Dentists Say "Enjoy Halloween"...But

Halloween is sweets heaven for children, but don't sweets cause cavities, followed by dental bills? Not necessarily, says the American Academy of Pedodontics, the professional organization of pediatric dentists.

Halloween is the perfect opportunity to teach children that their teeth must be cleaned after eating, and to teach them that there is sugar in an apple and raisins, as well as in candies, sodas, and cookies.

Keeping ourselves clean is a learned ritual from childhood. For the child's dental health, habits begun early in life will ensure only routine visits to the dentist through a lifetime.

Pediatric dentists say that you don't have to put a damper on the child's joy of Halloween, because the revolution in children's dentistry is, quite simply, that a clean tooth will not decay. Let the kids return home with their bag of goodies and enjoy them to the hilt. Remember, however, that the frequency of eating is critical. You might want to let the kids binge a bit on Halloween night, followed by a thorough bedtime brushing, and to apportion the treasuretrove, to be eaten following supper over several nights—always followed by a good brushing.

Today's message from pediatric dentists is that most foods contain sugar in

some form or other. Baked goods contain sugar and stick to the teeth as long as candy. The important consideration is to clean the teeth thoroughly at least twice a day. Our teeth must last a lifetime, so guiding, supervising, and helping your child to clean teeth properly is a primary responsibility.

In the U.S., tooth decay is rapidly decreasing. In fact, there can be a totally cavity-free generation. Pediatric dentists hope that a child will visit them before the age of three, so that they can guide the parent and the child toward dental health. A pediatric dentist is an expert, by special training and interest, in preventing not only cavities, but the shape the child's teeth and jaw will take. This is called "interceptive orthodontics," and if the child is taken to the dentist early, expensive and sometimes uncomfortable dental treatment can often be eliminated.

BIG BROTHERS/SISTERS SCHEDULE MEETING

An informational and orientation meeting will be held at the Big Brothers/Big Sisters of Washington County office at 129-A South 7th Street, West Bend, on October 28 at 7:30 p.m.

All interested people are welcome to attend.

J & J AUTO TOPICS

AIR FILTER IMPORTANCE

At 45 miles per hour, an average auto engine inhales about 500 gallons of air each minute. Without effective air cleaners, abrasive dust from this large air volume can cut down on the life of your motor. For example:

Excess wear on parts like the piston rings causes fouled spark plugs and excessive fuel consumption. Air cleaners are very important units on an efficient engine, but the average driver never realizes it, and therefore, air filters go unattended causing motor damage and shortened motor life.

Drive in at 450 E. Main and let the J & J AUTO SERVICE check on this important part of your automobile in connection with your other maintenance services. You will be money ahead in the long run, and your car will run better.

Minutes of Village Board Meetings

Regular Meeting
October 4, 1982
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in regular session in the Council Room of the Municipal Building, 204 First Street.

President Gerald Stollenwerk presided. Trustee Richard Schmidt was excused due to a fire call, but did arrive at 9:35 p.m. for the remaining portion of the meeting. All other Trustees were present.

The minutes of the meeting of September 20, 1982, were approved as printed upon a motion by Trustee David Nigh, seconded by Trustee Donald Mlodzik. Voice vote was unanimous.

The opening of the sealed bids as advertised for the following work was as follows: For the reroofing of 3 levels on the Municipal Building.

C.W. Haug & Sonss, Inc., West Bend, WI. - base bid \$23,947

Laubenstein Sales & Service, Inc., Saukville, WI. - base bid \$27,826

Mid-West Roofing, Inc., Waukesha, WI - base bid \$23,700

Dehling & Voigt, Inc., Newburg, WI - base bid \$21,465

On a motion by Trustee Donald Mlodzik, seconded by Trustee Howard Laubenstein and unanimously carried, the Board turned the bids over to the engineers to review.

Motion was made by Trustee Jeffrey Rohrer, seconded by Trustee David Nigh to suspend the rules to take action on agenda item IX. A. Discussion on the possible expansion and/or relocation of the horse shoe courts. Mr. Herb Theisen representing the horse shoe league presented the league's suggestions in reference to the matter. The Board pointed out some other possibilities and some general concerns. Mary Schaub and Robert Struebing were also present and representing the league. It was the consensus of the Board to have the Park and Recreation Chairman, Jeffrey Rohrer, meet with the horse shoe league representatives to look at alternate locations and to report back to the Board at the special Village Board meeting scheduled for October 7, 1982.

On a motion by Trustee David Nigh, seconded by Trustee Donald Mlodzik and unanimously carried, the Board authorized the Chief of Police to advertise for bids on a new replacement squad.

Wastewater Superintendent Albers reviewed with the Board two proposals regarding the purchasing of an Orion 901 Microprocessor. This item is for the testing of a variety of mandatory test required in our discharge permit. On a motion

by Trustee Donald Mlodzik, seconded by Trustee Paul Blumer and unanimously carried, the Board authorized Mr. Albers to purchase the Orion 901 at a price not to exceed \$2,030. It was noted the item was budgeted for 1982 and also would save a few hours per week.

On a motion by Trustee Donald Mlodzik, seconded by Trustee Howard Laubenstein and unanimously carried, the applications of Michael Braun and Nancy Zwieg for an Operator's (bartender's) License were approved and the Commissioner was authorized to issue the proper license upon proper payment of required fee. The Police Department had no objections to the issuance of the licenses and the health reports were negative.

Administrator Schmidt informed the Board as to the outcome of the meeting held with the property owners located at the end of Braatz Drive. It was the consensus of the Board to place in letter form what was stated at the meeting and send a copy of the letter to the owners as well as the tenants so everyone is aware of the facts.

Administrator Schmidt also informed the Board of a letter received from the City of Hartford requesting a county wide uniform Halloween - Trick or Treat schedule for daylight hours. This was taken under advisement for 1983.

On a motion by Trustee Paul Blumer, seconded by Trustee Jeffrey Rohrer and unanimously carried, the Board approved the bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

Village Gen. Fund	\$52,776.86
Water Dept. Fund	1,903.03
Sewage Dept. Fund	6,326.12

Public Services Committee Chairman, Paul Blumer, reported back to the Board for the need of a street light at the north end of Western Avenue, also the need to check into a dark area on North Avenue. On a motion by Trustee Donald Mlodzik, seconded by Trustee Howard Laubenstein and unanimously carried, the Board approved the installation of a street light at the end of Western Avenue and the review of those lights on North Avenue as recommended by the Public Services Committee.

Park and Recreation Committee Chairman, Jeffrey Rohrer, announced that a committee meeting is scheduled for Monday evening, October 18, 1982, at 7:00 p.m.

The Plan Commission Board Representative, Jeffrey Rohrer,

Commission recommended that the square footage requirement on single family homes be reviewed along with the possibility of zoning for "Game Parlors." The matter of establishing a minimum for elevations may be a good idea and the Administrator was asked to review the matter with SEWRPC.

It was noted that Trustee Richard Schmidt arrived at the meeting at 9:35 p.m. and recorded as such.

Administrator Schmidt reviewed with the Board the 1983 Fire Department budget, which reflects a 5% increase. It was also noted the Village's share of the budget will go up approximately 13%, while the Town of Kewaskum's will decrease by approximately 1% and the Town of Auburn's by a decrease of 12%.

On a motion by Trustee David Nigh, seconded by Trustee Jeffrey Rohrer and unanimously carried, the Board authorized the Administrator to send the approved Fire Department budget and contracts to the townships.

Motion was made by Trustee Paul Blumer, seconded by Trustee David Nigh to adjourn to closed session under 19.85 (1) (g) of the Statutes to discuss the litigation by Ralph and Henriette Scott vs. the Village of Kewaskum, Washington County Circuit Court - Case No. 32568, and under 19.85 (1) (c) of the Statutes to discuss employee negotiations, compensation and performance data of village employees over which the governmental body has jurisdiction. Roll call vote was 7 "Aye," 0 "Nay." The motion was carried unanimously.

Daniel S. Schmidt
Administrator

•••••

Special Meeting
October 7, 1982
7:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in special session in the Council Room of the Municipal Building, 204 First Street.

President Gerald Stollenwerk presided. Trustee Richard Schmidt asked to be excused and was absent; all other Trustees were present.

Park and Recreation Committee chairman, Jeffrey Rohrer, reviewed with the Board some alternate locations for the relocation of the horse shoe courts. Herb Theisen of the horse shoe league then commented on the feeling of the league and informed the Board that they desired to build 10 new courts at the Kewaskum

Kiwanis Community Park at the proposed location just west of the tennis courts. Mr. Theisen also stated the league was in full agreement and would provide as much labor as possible in the relocation process. It was also noted that eventually such things as lighting, fencing, restrooms etc. would be appreciated.

On a motion by Trustee Paul Blumer, seconded by Trustee Howard Laubenstein and unanimously carried, the Board approved the relocation and expansion of the horse shoe courts at the Kewaskum Kiwanis Community Park.

Motion was made by Trustee David Nigh, seconded by Trustee Donald Mlodzik to accept the recommendation of the engineers (Ruekert and Mielke, Inc.), in reference to the awarding of the contract to the low bidder for the reroofing work on the Municipal Building, Dehling Voigt, Inc., in the amount of \$21,465. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent." The motion was carried by the majority.

Discussion was held with three representatives from the engineering firm of Foth and Van Dyke, Inc. regarding a disputed invoice for engineering services in connection with the design of a pH Control System with Appurtenances and Final Clarifier Covers. The representatives were Joe Linsen, Dean Freeberg and Donald Woller. The engineers stated they were concerned about the high bill and tried to justify it. They indicated they would basically take care of the new design work needed to meet the DNR's requirements at no additional cost; however, the village would be billed for the grant application work and the step 3 letter. Also the follow up work which would include the bidding of the work, review of the contractors, awarding of the bid, inspections and the auditing of the grant for the DNR, plus miscellaneous would be billed extra. The Board asked what some of the additional cost may be, but received vague figures. (The bottom line was the estimated \$3,000 to \$4,000 credit given toward future work). (The total of the disputed bill equals \$17,488.53).

Motion was made by Trustee Jeffrey Rohrer, seconded by

Trustee Howard Laubenstein to adjourn to closed session under Chapter 19.85 (1) (e) of the Statutes to discuss the possible settlement of the disputed invoice for engineering services of Foth and Van Dyke, Inc., with Legal Counsel (Attorney Kiefer) for bargaining reasons. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent." The motion was carried by the majority.

Motion was made by Trustee Paul Blumer, seconded by Trustee Donald Mlodzik to adjourn the closed session and reconvene to open session under Chapter 19.85 of the Statutes and as previously noticed, to conclude the discussion of the disputed invoice for engineering services. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent." The motion was carried by the majority.

President Stollenwerk informed the engineers that it was the consensus of the Board to allow them to complete the necessary work with the new design work being done free of charge and the remaining work to be done on a not to exceed basis contract. The not to exceed figure to be reviewed before final approval by the Board is given. This review to be on October 18, 1982, at the regular mid-monthly meeting of the Board.

Motion was made by Trustee David Nigh, seconded by Trustee Donald Mlodzik to adjourn the special meeting. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent." The motion was carried by the majority.

Sincere Thanks

We wish to express our sincere thanks to all our relatives and friends, MC club members, and MC friends, for your many acts of kindnesses shown to us during our recent bereavement, the sudden death of our dear son, brother and uncle, Lance (Lanny) Luedtke.

Special thanks to Pastors Lindau and Kesting, the soloist, organist, Wittkopp Funeral Service, pallbearers, drivers, the motorcycle escort, St. John's Ladies Guild, donors of floral and memorial tributes, flood donors, Newburg Rescue Squad, St. Alphonsus Hospital and all who sent cards and helped us in so many ways.

God bless each and everyone of you. Your thoughtfulness will always be remembered.

Mr. and Mrs. Gaylord Krahn and family

Mr. and Mrs. James Muench and family

Mr. and Mrs. Barry Rammer and family

THANK FIREMEN, OTHERS

We wish to thank the Kewaskum Fire Department and all the other departments who assisted in fighting the pole building fire at our residence on Saturday, Oct. 9. Also special thanks to all our neighbors and friends who assisted, donated food or helped in any way. We shall never forget your kindnesses.

Mrs. John Felten
and family

THANK YOU

I want to thank all the third floor and emergency room nurses, and all those who visited me and sent cards while I was in the hospital with a broken arm. Special thanks to my teacher Ms. Ruth Huebner and Mr. and Mrs. Carl Munson.

Cody Gagner

IN MEMORY

In memory of Ollie Staehler who passed away five years ago, October 21, 1977:

Your gentle face and patient smile
With fondness we recall,
You had a kind word for everyone
And died loved by us all.
We miss you now and evermore,
As time goes by we remember more
Your loving smile and gentle face,
That in our hearts have a special place.

Fondly remembered by his wife and children.

A NOTE OF THANKS

I wish to extend my sincere thanks to all my relatives, neighbors and friends for their kindness shown during my recent bereavement, the loss of my husband, HUGO REETZ. Special thanks to Rev. Muzam, Doctors Gardner and Greswald and the nurses in I.C.U. at St. Joseph's Hospital. Also a special thank you to my good neighbor, Millie Kirchner. Your kindnesses will always be remembered.

Luella Reetz

Conservation Tillage Field Day in County

A Conservation Tillage Field Day has been scheduled for October 26 (rain date October 28) from 10:00 a.m. to 3:00 p.m. The event will be held at the Ralph and Leo Dornacker Farm, 5055 Cedarview Road, West Bend.

Implement dealers from Washington County will be displaying and demonstrating the latest conservation tillage equipment. There have been some new innovations in conservation tillage equipment that have developed over the past years to help farmers do a better job of producing their crop and reducing losses from soil erosion. Farmers will have an opportunity to compare this equipment in actual field use.

There will be an educational display manned by experts to help answer questions on conservation tillage management. Free coffee and doughnuts, along with door prizes, will be available, all provided by the cooperating dealers.

Directions to the Dornacker Farm are as follows: From Highway 33, go south on Highway 144 for two miles, then west on Cedarview for 1-1/2 miles.

This program is being sponsored by the Soil Conservation Service, Land Conservation Committee, Agriculture Stabilization and Conservation Service, Washington County UW-Extension, and the Washington County implement dealers.

AUBURN LAKE

Many Projects Offered Through County 4-H

Livestock has taken over as the project most in demand by 4-H members in Washington County. In past years more youth enrolled in home and family projects than any other. However, in the past two years there were more members enrolled in one of the livestock projects. Almost 600 youth are enrolled in one of the livestock projects.

The emphasis is changing, however. Years ago most of the members were enrolled in farm animal projects. Today the highest enrollment is in the horse and pony project with 128 members enrolled. Small animals as pets are becoming more popular. There are 37 enrolled in the dog project and 39 in the cat project. There are also 91 enrolled in the rabbit project. Rabbits can be considered either as pets or raised for commercial purposes.

Dairy is the largest farm animal project with 58 members enrolled. There are 46 members in beef, 37 in pork production, 40 in poultry and 28 in sheep projects. The increasing number of members enrolled in the animal projects to be used as pets or for recreation is an example of the increasing participation of urban and non-farm people in the 4-H program.

In the home and family projects, foods and nutrition continues to be the most sought-after project with 207 youth enrolled. There are 122 enrolled in clothing, 40 in child development, 40 in crocheting, 14 in food preservation, 42 in home environment and 20 in knitting.

Over 350 enrolled in the arts and crafts projects, consisting of leather-craft, stencil painting, block printing, metal enameling, drawing and painting, macrame and other creative crafts. 91 members enrolled in photography.

Plant and soil science projects include both indoor and outdoor plants. 88 members enrolled in gardening, 46 are growing houseplants and 19 are growing flowers outdoors. 30 members are growing field crops, and 2 are in a fruits project.

Woodworking leads the list in numbers of members enrolled in the mechanical projects with 171 members. There are 49 enrolled in the aerospace project, 35 in electricity, 12 in bicycle safety, 20 in small engines and a few each in

automotive, handyman, snowmobile and tractor projects.

Interest in the out-of-doors is indicated by 18 members enrolled in the wild life management project, 17 in sportsmanship and gun safety, 14 in insect study, 6 in cross country ski and 28 in forestry.

There were also 85 first year members enrolled in the 4-H exploring project. The exploring project is intended as a beginner's project which explores many areas of interest which the member finds in his club and community.

The 4-H project is one of the many ways in which youth can get involved and learn through the 4-H program. They get guidance from their parents and local leaders and through literature and workshops conducted by the University of Wisconsin Extension. By actually raising an animal or making an article they have a real practical opportunity for learning.

Corn Variety Plot Field Day in County

Farmers will have an opportunity to evaluate corn varieties at a Corn Variety Plot Field Day scheduled for Monday, November 1.

The program will be held on the Bob Fryda Farm starting at 10:00 a.m. The corn variety plot is located 1-1/2 miles south of the Washington County line on Highway Q to Hillside Road, and then 1/2 mile east on Hillside.

Representatives of the seed corn companies will be on hand to discuss the corn varieties with farmers. Yield information will be provided along with other production information. Lunch will be provided followed by a short program.

The corn variety plot project is a cooperative effort of the Bob Fryda Family, the seed corn companies, and the University of Wisconsin-Extension Offices in Waukesha, Washington and Ozaukee Counties.

USE TOOLS SAFELY

Operate chain cutting tools such as chainsaws and log splitters only when you are alert and aware of the dangers present. Keep work area free of children, other adults and unnecessary equipment.

Pile of Burning Leaves Emits More Than Fall Fragrance, DNR Warns

A pile of burning leaves emits more than fall fragrance, the Department of Natural Resources warns. Burning leaves also puts carbon monoxide and particulate pollution into the air.

If a few plastic items are tucked under that leaf pile, the air can be contaminated with toxic airborne pollutants. Garbage burned outdoors, or indoors in a wood burning stove or fireplace, adds still other pollutants depending on its contents. From garbage or rubbish can come hydrocarbons that help create ozone, nitrogen oxides that help produce acid rain and ozone, carbon monoxide which affects health, and particulates which can affect health and visibility.

"The Department would like to see no open burning because even the smallest amount contributes to air pollution," said Wolf Klassen, director of the Southeast District DNR air program. "However, we recognize the convenience factor and the disposal problem."

To meet such problems, state regulations provide that "small amounts" of dry leaves, dry plant clippings, and dry combustible rubbish can be burned except where prohibited by local ordinances. Many local governments have such ordinances, Klassen said. The Village of Greendale recently dropped its prohibition against leaf burning in favor of an ordinance permitting it, under certain restrictions.

"We urge communities not to relax their open burning standards," Klassen said, "There is always danger of

abuse. You start with a three-foot pike of leaves and pretty soon there are rubber tires underneath the leaves."

Complaints about open burning should be directed to local governments when they involve small amounts of combustible material, Klassen said. When large quantities of material are involved, complaints should be directed to the district Bureau of Air Management (257-4401).

With the heating season beginning, Klassen noted, the district also is beginning to get complaints about odor and smoke from wood burning stoves. DNR has no rules that ban wood burning units in private dwellings, but it regularly advises offenders to use proper fuel and maintain their wood burners properly.

"Never burn green wood or garbage," Klassen emphasized.

He advises those who use wood fuel to:

- Burn only dry seasoned wood; not only does wet green wood cause excessive smoke and provide less heat but it increases creosote buildup in chimneys and the risk of chimney fires.

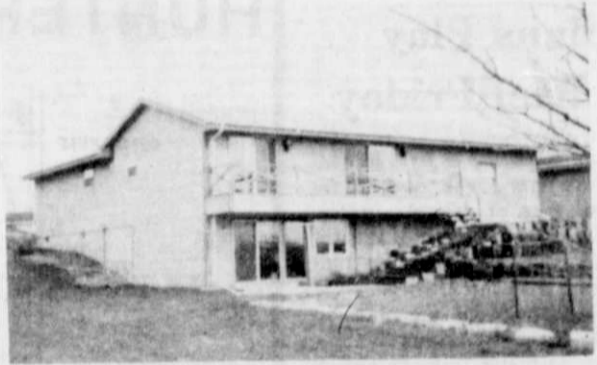

- Never burn general refuse, garbage, plastics or petroleum-based products.

- Clean the ashpit, flue and chimney at regular intervals to insure good combustion; a reduced airflow through a wood burner will cause excessive smoke and will result in only partial burning of hydrocarbons and carbon monoxide, allowing the remainder of these gases to escape into the air.

Shaw, Klein Quality for All-Conference
**Indian Boys Third, Girls Last in EW
Conference Cross Country Meet Here**

Two Kewaskum sophomores qualified for the 1982 Eastern Wisconsin all-conference cross country team Thursday by placing among the top seven runners in the conference run held at Hon-E-Kor Country Club here.

Soph Monty Shaw, who is only in his first year of competition in cross country, placed fifth in a very strong lineup of talented runners. Sandy Klein, also a sophomore, who had one year of varsity experience behind her, also moved into the top ten with a sixth. Shaw's time was 17:19 and Klein ran the course in 12:55.

In the boys' competition, the team title was won by Two Rivers. The Raiders made a runaway of it, taking first, third and fourth places. New Holstein, which got a second with Gerry Thome, was second with 43 points, while Kewaskum was a distant third with 93. The individual battle between Two Rivers' Rich Richmond and New Holstein's Thome was a close duel.

Five teams competed in the girls' event, in which the standings were much closer. New Holstein, which school has a strong track program, was the winner with 48 points. Sheboygan Falls was second with 61 points.

Kiel's Beth Scharonbroch, ran to a 12:26 first place victory. The Kewaskum girls were last with 84 points, a disappointment to the runners, but they were not bad in their individual times.

KHS freshman Mary Murre took 16th among the girls and soph Paul McFadden came up with his best finish of the year in the boys' event. Coach Dave Drexler was pleased with the boys' third after they had been in last place the two previous years.

The Indian boys and girls are young and should show marked improvement during the next

couple of years.

Kewaskum will move into their first Class A competition in a sectional meet at Sheboygan Saturday.

**Indian Spikers
Beat New Holstein
But Lose to Chilton**

The Kewaskum girls' volleyball team made another strong showing in the second half of their Eastern Wisconsin schedule with an important victory over New Holstein there last Tuesday.

Big factors in the win were the serving of Cathy Schlice and the spiking of juniors Holly Kempf and Julie Koepke. Schlice, who rarely misses a serve, served a total of 17 points in the three game match which went 15-2, 13-15 and 15-3. Holly and Julie also combined for a strong hitting attack.

After a 2-4 start in the first round of play, the victory gave the Indians a 3-0 record the second time around.

The JV and freshman teams did not do well, each losing all three games.

After getting three straight matches over top conference teams, the Indian girls were upset Thursday, losing to Chilton here in a split decision.

Kewaskum played poorly as a team. They fell behind right off the bat, losing the first game 15-8 and after winning the second, 15-11, they dropped a close 15-17 battle. The Indians served well but the spikes weren't coming down hard.

Cheryl Burkhalter was the leading scorer with 15.

The defeat brought the season record back down to 5-5 with the next match held at Sheboygan Falls Tuesday night. The Indians handed the Falcons their first loss of the year several weeks ago.

The JVs won all three from Chilton, 15-6, 15-5 and 15-11.

**Indians Play
At Kiel Friday**

After drawing a bye in the schedule last week due to an odd number of schools in the conference, the Kewaskum Indians will resume football action at Kiel this Friday.

Kiel holds down last place in the Eastern Wisconsin Conference and the Indians entertain high hopes of coming home with their second conference victory of the season. Kewaskum is 1-3 in the conference and 3-3 overall.

In two other conference games reported last week, Sheboygan Falls handed Chilton its first loss of the season, burying the Tigers by a surprising 33-3 score, and Plymouth slipped past New Holstein, 14-7.

The Indians will close their season at Plymouth in a Wednesday night game next week, on Oct. 27.
