Long Range Committee Causes Some Confusion Beechwood School to Get 1982-83 Library Funding

By GERRY MUELLER
Statesman Staff Writer

The Beechwood School apparently will not have to wait until the 1983-84 budget to receive funding for its library.

School Board member Ralph Horner told the Board of Education at Monday night's meeting that, with the assistance of Business Manager Bob Borch, he has located the necessary money to implement the library program now.

Horner, who has been pressing the board to find funds in the 1982-83 budget, said he found \$4,600.00 in the Capital Expenditures account which could cover the request.

The money had been budgeted for purchase of a generator for the Farmington School. Horner said that sum had been set aside on the basis of a telephone bid. However, later written quotations listed a cost of approximately \$10,000 for the unit rather than the \$4,600 originally stated. Horner felt that if the board still wanted to purchase the generator, the 1983-84 funds approved for Beechwood could be returned to the Capital Expenditures account for that purpose next year.

Board member John Tessar said he could not go along with Horner's plan. With the mild winter we've had so far there will probably be surplus funds in the Heating account too, contended Tessar.

Tessar's primary concern has been the possibility of the District coming up short when negotiations of the teachers salary contract is settled. Tessar said any surpluses found in the 1982-83 budget should be considered as a means to offset shortages should the district

lose the arbitration. "If we lose the arbitration, where are we going to get that money," said Tessar. "Then how are you going to tell the taxpayers we have to come up with another \$50,000," he asked Horner.

Horner's motion to transfer the funds was approved by a 4-3 vote.

The subject of expanding the computer program was a topic which was discussed from different aspects during the meeting. The High School Evaluation and Policy Committee recommended that agriculture students have the computer program included as part of their ag course. The committee felt that use of computers in farming is rapidly expanding and ag students should have an opportunity to become acquainted with their use.

Diane Buchel, a parent, questioned whether students in Business Education and Math courses would be afforded the same opportunity. District Administrator John Long noted he definitely wanted all students to become involved. The hold-up is availability of equipment. "We have four now, I would like to have ten by the end of the year, twenty by next year," said Long. "Time is of the essence, we can't wait, we can't wait, we can't wait," emphasized Long.

Norma Serwe, Chairperson of the newly appointed Long Range Committee, said one of the first items to be considered by the group would be the computer program and acquisition of more equipment. The committee will look into the various companies and units, as well as seek input from individuals who have job or teaching related experience in

16 Fire, 157 Rescue Squad Calls in 1982

During the year of 1982, the Kewaskum Fire Department had seven (7) fire calls in the Village of Kewaskum, five (5) in the Town of Kewaskum, four (4) in the Town of Auburn and four (4) mutual aid calls to neighboring departments.

Building fire inspection were: Village of Kewaskum, 181 inspections with 152 violations; Town of Kewaskum, 34 inspections with 12 violations; Town of Auburn, 38 inspections with 15 violations.

The Rescue Squad had a total of 157 calls with 3,822 miles put on both ambulances.

Many hours of time are spent on these fire calls and rescue calls but many more hours are given up in cleaning and maintenance of the vehicles, plus the additional time that is required in the training and schooling of personnel.

Kewaskum Realty Changes Name to Kirst Builders

Robert Kirst

Robert Kirst has announced the change of his company name from Kewaskum Realty to Kirst Builders. He has become a Sales Associate for Wauwatosa Realty Company in West Bend.

As Kirst Builders, he will handle Wausau Homes, Double Envelope Passive Solar Homes, Passive Solar Homes with celestial windows, Sun Rooms, Passive Solar Additions and Sunspaces.

As sales associate of Wauwatosa Realty Company, he will sell any type of real estate on the market, giving the seller statewide coverage of their property.

Peace Church Donates \$600 to Friends for Battered Women

Friends for Battered Women of Washington County, Inc., received a \$600.00 donation from the Peace United Church of Christ in Kewaskum. Reverend Darrell Joiner of Peace United Church of Christ stated that the money comes from a Benevolence Fund set up by the church. Each year the money is distributed to a few local agencies. This year along with their donation to Friends for Battered Women, they gave money to the Threshold and an Indian Mission.

Reverend Joiner said the reason for donating money to

Friends for Battered Women is that domestic violence programs do not get a lot of support. He said many people still do not believe wife abuse exists.

Friends for Battered Women plans on using the money toward funding a social worker to provide crisis and on-going counseling to battered women and their families. Friends for Battered Women also receives funding from the Kewaskum, West Bend, Hartford and Greater Milwaukee United Ways.

Dairyland Seed Company Announces Alfalfa Clinics

Dairyland Seed Co., Inc., P.O. Box 958, West Bend, located at 3570 Hwy. H, about one mile south of Kewaskum, recently announced that it is again sponsoring alfalfa management clinics. These alfalfa clinics are to be held throughout the upper Midwest and will feature Dairyland's Director of Research, Dr. Paul Sun. Dr. Sun is a nationally renowned plant breeder and is the man who bred Dairyland's Magnum Alfalfa.

Last year Dairyland Seed sponsored alfalfa clinics and drew over 1000 farmers to the meetings. Reaction to the meetings was excellent, as according to Tom Strachota, Vice-President, "Dairyland was flooded with requests for more meetings."

According to Strachota, "The farmers appreciated the opportunity to talk to our top research people. They seldom get the chance to express their concerns on a one-on-one basis to the plant breeders who are working to develop varieties for the future."

Topics at this year's meetings will include Hybrid Alfalfa, Genetic Engineering in your future, Multi-leaved Alfalfas, What you can do about Verticillium Wilt, and How farmers

can take advantage of today's new alfalfa to break their yield barriers.

These alfalfa clinics are open to all farmers. If you are interested in attending, there will be meetings in Fond du Lac, (call John Scharf 414-269-4098) and in Watertown, (call Wil Brunk 414-261-4530).

Dairyland Seed is an independently owned and operated seed company with over 3500 farmers dealers in the upper Midwest. Dairyland Seed is considered an industry leader in research technology.

Town Farmington Supervisors to Have Opposition

Two incumbents in the race for supervisors in the Town of Farmington will have opposition from Clarence Steinert.

Steinert, a retired employee of the West Bend Company, will run in an attempt to unseat either Carl Hauch or Eugene Laatsch in the April 5 voting for the two open supervisor positions. Both incumbents have been on the Town Board for at least two terms, according to Clerk Joanne Oneska, who is also seeking re-election.

Oneska, who is a housewife, has been the clerk in the township for the past two years.

Vaughn Brown is unopposed for town chairman. Brown, who is retired, is completing 1 1/2 years of the unexpired term of Jack Theusch. He served in the same capacity from 1973 to 1977.

Two other incumbents, Treasurer Kenneth Ramthun and Constable John Hammes, are running unopposed in their bids for re-election.

Murder Charges Dismissed After Fritz Body Is Found

Charges were dismissed Monday against a Town of Germantown man charged with the murder of his estranged wife and a Germantown Town Supervisor in November.

Washington County District Attorney David C. Resheske announced that he dismissed the charges Monday morning before the Honorable Richard T. Becker, Circuit Court Branch III, after receiving confirmation that the body found in the State of Michigan was that of John E. Fritz.

Fritz, 42, disappeared but his car was found at the Lake Michigan lakefront in Milwaukee several days later. Fritz' body washed up on the Michigan shoreline near Muskegon State Park last Tuesday.

An autopsy showed that Fritz died from drowning.

The identification was made on the basis of dental records and fingerprints. Resheske stated that there are no other suspects in the case and that his office considers the case closed.

School Board

(Continued from Page 1)

the computer field.

Several board members expressed concern over the process used in creation of the Long Range Committee. One member said he had nothing against the committee members themselves, however, he was picking on the method used to select them.

There was also confusion among the board members themselves. Some said they were under the impression the committee was to be set up solely to work on the computer program and then were surprised to learn it was created to encompass other goals as well.

Wayne Vogt, a committee member, said he was confused about the purpose of the committee also. He had volunteered only because it would involve computers. However, after talking to two board members, he was given two different reasons for setting up of the committee.

Tessar told the board that both he and member Jean Goeden recommended two individuals with extensive computer backgrounds thinking that was what the committee was about, and neither had been selected. He felt that at least one of these people should have been appointed. "My understanding was, we were making selection for a Computer Committee," said Board member Tom Brigham. Brigham told Board President Charles Ogi, it was his responsibility to let his colleagues know what is going on. Vogt told the board, "I think we must look to the qualified people of the district, not to the people we would like to see on the committee."

Serwe told the meeting her committee would be holding public hearings. "This is a place where people can make their points so we can get them to the board," said Serwe. "I don't like this image of us hiding behind closed doors making decisions, we can't," Serwe stated.

The committee was approved by a 6-1 vote, with board member Richard Theusch voting no.

The board approved the hiring of a legal firm to represent them in the event there is further action regarding the change in dental insurance coverage. Kewaskum Education Association president Dave Wietor said no definite decision has been made one way or the other by the union at this point. There is the possibility that even if the KEA does not seek further action the state association could seek to continue litigation on its own.

Board member Jean Goeden

brought up a point regarding an employee recognition program. She felt some type of formal recognition should be given to individuals who have served the school board for any length of time. The board recommended she develop some type of policy for consideration.

The board approved a motion by Horner to participate in the pilot program for competency based testing. A state-wide program is to be put into operation by 1984-85.

Administrator Long presented a three-page report covering a recent inspection of the high school by the school board members. The report included a three-year plan to cover repairs and improvements throughout the building. The inspection disclosed needed repairs from just a necessary coat of paint in some areas to major problems such as leaks in the old gym roof.

Long stressed that if not taken care of, some of the still minor problems will turn into major ones.

Local Jaycees Offer Better Financial Management Series

The Kewaskum Jaycees hold several individual development programs throughout the year to help members become more knowledgeable and well-rounded people. This month a four-week series emphasizing better financial management will begin. Sessions will be held in the West Bend Savings and Loan - Kewaskum Branch basement from 6:30 to 8:00 p.m., on January 18 and 25, and February 1 and 8 (all Tuesday nights), and will use workbooks prepared by the United States Jaycees.

Any young man between the age of 18 and 35 is invited to attend this four-week series to help you stretch your dollars.

Please contact Ron Schmitz at 626-4808 or Ken Weyers at 626-2798 to reserve a place at these meetings.

Why is it that when you dial a wrong number you never get a busy signal.

Richard Rohrer, 792 Newark Dr. East, West Bend, WI

Cathy Schlice

Laurie Steiner

Cathy Schlice, daughter of Mr. and Mrs. Richard Schlice of Kewaskum and Laurie Steiner, daughter of Mr. and Mrs. Carl Steiner of rural Kewaskum, have been chosen as the Kiwanis students for the month of January.

Cathy has been active in sports at Kewaskum High School, having participated in volleyball and basketball for four years, track for two years, scorekeeper for varsity baseball for two years, and intramural scorekeeper this year. She is also the sports editor for Smoke Signals, the school newspaper. Cathy was a member of the Chieftain staff for two years. Last year, she was Kewaskum's Badger Girls State alternate. Cathy has performed with the concert band, symphonic band, jazz band, honors band and the pit band for Oklahoma. Cathy was the MC for this year's Homecoming dance. She is also a member of the Spanish Club,

and Youth Concerned for Special People. She was in the tutoring program for two years. Cathy will be attending UW-Madison next fall majoring in journalism.

Laurie has been a cheerleader for four years for the football, basketball and wrestling teams. She was in girls chorus for two years, mixed chorus for two years, swing choir for two years, solo and ensemble, and represented Kewaskum at the state level with the triple trio in her sophomore year. Laurie was the junior class president and the Homecoming Court Cheerleading representative in her senior year. She has been a member of FBLA for three years, secretary sophomore year and vice president, junior and senior years. She was involved in the musical production OKLAHOMA. This year she is a member of the Honors Choir. As a freshman, she was on the gymnastics

team. For the past two years, Laurie has been a participant in the Youth Concerned for Special People club.

Two Area Men Graduate from Iowa Auctioneering College

John Stommel, Campbell-sport and Edward Ruplinger, Allenton, have returned from Mason City, Iowa, where they completed a course at the Reisch World Wide College of Auctioneering, where Col. Gordon E. Taylor is president. They received training in all phases of Auctioneering.

Col. John Stommel and Col. Ed Ruplinger also received on-the-spot training by selling at real public auction sales during the term, where they demonstrated their ability as Auctioneers. There were 150

students graduated from 21 states and Canada. There were 11 women students in the class.

The Reisch World Wide College of Auctioneering is the largest college of its kind in the world, and has been operating for over 47 years with over 20,000 graduates.

Col. John Stommel and Col. Ed Ruplinger are fully qualified to conduct any, and all types of Auction sales using the most successful and advanced methods in the Auction profession.

Nominations Now Being Accepted For Conservation Teacher Awards

Nominations are now being accepted for the Washington County Environmental Conservation Education Award according to Marc Bethke, Washington County Soil Conservationist.

Two awards may be made - one for K-6 teacher and one for a 7-12 grade teacher. Winners at the county level will receive a certificate of recognition and will be eligible to compete in the state level contest.

The awards program is designed to recognize and encourage those teachers who are doing excellent environmental education work. State sponsors

include professional organizations of Wisconsin school administrators, school boards, environmental educators, vo-ag teachers, conservation districts, foresters, wildlife managers, biologists, county agents and soil conservationists.

If you would like to nominate someone for this award, please contact Marc Bethke at the Soil Conservation Service office, 2395 W. Washington St., West Bend; or call him at 334-3706.

Anyone who successfully swallows a pill at a drinking fountain deserves to get well.

Memories...

The Statesman welcomes readers to submit photos for the "Memories" feature. Photos should show life in the olden days in this area. Deliver or mail to The Statesman, 250 Main St., Kewaskum, WI 53040. Photos can be picked up again after publication.

These are 1937 photos of the Riverside School and its six pupils.

Back row, l to r — Lloyd Roden, Angeline [Schneider] Zacho, Artie Schmidt.

Front row — Unknown, Howard Proeber, Martha [Cash] Nordquist.

The school was named Riverside at the annual meeting in 1919. Before that it was known as School District No. 1. It served the northern part of the Town of Barton and part of southeastern part of the Town of Kewaskum. It was located on the corner of Kettle Moraine Drive and County Hwy. H.

There was no plumbing in those days. Water was carried from a neighboring home - and then there was the outdoor toilet.

The wood for the stove was made by school board members, which consisted of 3 people. Coal was bought from Rosenheimer's at a cost of \$13.00.

The teacher's pay was \$75.00 a month. The clerk received \$10.00 a year.

My father-in-law served as clerk of this school from 1919 to 1949. The school closed in 1946. In September of 1949 the school and property was sold at a public auction and converted into a home.

The cost of operating the school in those days was a little

more than \$1,000 a year.

From the school came college professors, big time farmers, etc. Names like Schaefer, Habeck, Rose, Proeber, Cash, Butzlaff, Schmidt, Roden, Bier, Bandle, Dricken attended this little one-room school.

The first clerk was Peter Dricken, who lived on a farm 1/2 mile north of the school.

(Photos and information submitted by Mrs. Lloyd Roden, Route 3, Kewaskum)

Earn High School Equivalency Diploma Via Television

Now you can earn your High School Equivalency Diploma by watching TV at home! Thirty-four 30-minute TV lessons help adults 18 years and older prepare for the GED test. By watching this series regularly and following along, students will learn the skills needed to pass the GED test and earn a High School Equivalency Diploma. The series will begin broadcasting on Wisconsin public television the week of January 17, 1983. Viewers should check local listing for dates and times in their channel areas.

For information about participating in the series, contact the GOAL Department at MPTI: Fond du Lac, 929-2108; Beaver Dam, 887-1101; and West Bend, 334-3413.

Farm Census Forms Now Being Mailed

Simplified report forms for the 1982 Census of Agriculture are currently being mailed to all U. S. and Wisconsin farmers, ranchers and agricultural producers by the Bureau of the Census. The forms are to be completed and returned by February 15, 1983.

Wisconsin Secretary of Agriculture La Verne Ausman urges all state producers of agricultural commodities to take the time to provide the necessary economic and production data needed to assure the success of the census. Ausman points out that the census is the only source of uniform comprehensive data on agricultural production, inventories, sales, expenditures and other information provided on a consistent county-by-

county basis in the U. S. About 80% of the agricultural producers will receive a four page report form requesting information about basic agricultural items and the remaining 20% will receive a five page form containing the basic items and additional inquiries collected on a sample basis. The forms have been designed for 12 regions, according to crops and livestock patterns, to reduce reporting time.

New data to be collected in the 1982 census includes the amount of interest expense. "This is important," Ausman says, "since data from this question, when used in conjunction with other census of agriculture information, will enable planners to more fully analyze farm credit needs."

Farm operators are required by federal law to complete and mail the census forms. All

information on individual farm operations is confidential by law and is published only in statistical totals.

Any operation which yielded \$1,000 or more in sales of agricultural products in calendar 1982 is considered as a farm for the purpose of the census.

Houseplant and Gardening Courses Scheduled in County

"Houseplant Care and Propagation" and "Home Vegetable Gardening" courses are being offered in January and February by Washington County UW-Extension. Both courses are designed to help answer common questions and concerns people have when

growing plants.

Houseplant Care and Propagation will be held on Mondays, January 24 and 31, with one session at 2:00 p.m. and a repeat session at 7:00 p.m., Dan Wilson, Horticulture/Resource Agent will discuss general cultural requirements, insect and disease problems, selecting houseplants, hanging baskets and how to propagate your own plants.

The course on Home Vegetable Gardening will include information about planning a garden, amending garden soils, selecting cultivars, integrated pest management and harvesting vegetables taught by Dan Wilson. Joyce Albrecht, Home Economist, will also teach one session on preservation of your garden

vegetables. This course is scheduled for Tuesdays, February 8, 15 and 22 at 2:00 p.m. and a repeat at 7:00 p.m.

Registration for the Houseplant Care and Propagation is \$2.00 per individual or couple (\$1.00 for senior citizens) and is required by January 17, 1983. The course fee for Home Vegetable Gardening is \$3.50 per individual or couple with registration required by February 1, 1983 (\$2.50 for senior citizens). There is a \$2.00 late fee for registrations post-marked after these deadline dates.

For pre-registration brochures or questions please contact the Washington County UW-Extension office, 515 E. Washington Street, West Bend, WI 53095, phone 338-4480, 644-5204 or 342-2929.

THE *INSURED* **MONEY MARKET** **ACCOUNT**

**APPROVED BY CONGRESS AND BACKED BY THE FULL
FAITH AND CREDIT OF THE U.S. GOVERNMENT**

The Market Rate Account you asked for...

Up until now, in order to earn high rates, it was necessary to tie up your money in a savings certificate, or invest in a money market fund that was uninsured. Now there's another solution.

A West Bend Savings' fully insured Money Market Account.

It's the type of account every investor, including Commercial Customers, should consider. The insured Money Market Account gives you insured savings with complete liquidity and a competitive money market rate

Check these Advantages:

HIGH MONEY MARKET RATES

The interest rate you receive will be variable and based on current market conditions. You'll earn daily compounded interest and, all deposits, withdrawals, transfers and interest earned will be shown on your statement.

LOW MINIMUM

A low \$2,500 minimum deposit is required to open an Insured Money Market Account. Additional deposits or withdrawals in any amounts can be made at anytime - giving you complete flexibility. There is no penalty as long as the \$2,500 minimum balance is maintained.

COMPLETE LIQUIDITY

Your money is not 'locked in' to any dates or terms. It is a liquid account accessible to you at anytime.

CONVENIENCE

Now you can handle all your investment needs at one location. In addition, your funds will be put to work helping create new loans for housing, automobiles and other types of consumer credit. You'll also have the satisfaction of dealing with a local institution that supports the local economy, your money will never leave the state.

FREE CHECKING

When you open a West Bend Savings Money Market Account you automatically qualify for a FREE non-interest earning Checking Account, with no minimum balance requirements or service charges.

INSURED SAFETY

Your West Bend Savings' Money Market Account is insured safe to \$100,000 by the Federal Savings and Loan Insurance Corporation and Backed by the Full Faith and Credit of the United States Government, a benefit that no one should be without.

Stop in at any of West Bend Savings' seven countywide offices today and find out more about the Insured Money Market Account. It's the account you've been waiting for.

Braun-Darmody

Carolyn Braun and Kevin Darmody were united in marriage October 9 at St. Michael's Catholic Church, St. Michaels. The Rev. William Bonesho officiated at the 1:30 p.m. ceremony.

Parents of the couple are Mr. and Mrs. Virgil Hackbarth of Kewaskum and the late Alois A. Braun, and Mr. and Mrs. Jerry Darmody of Allenton.

The matron of honor was Lisa Darmody, sister of the bridegroom. The bridesmaids were Kathy Peters, Marion Geidel, Patricia Nelson, sisters of the bride, Amy Hackbarth, cousin of the bridegroom and Jill Darmody, Judy Steinert and Donna Laufer, sisters of the bridegroom.

Paul Lehnertz, friend of groom, was the best man. Scott Rohlinger, friend of the groom, Pat Braun and Bill Braun,

brothers of the bride, Ken Peters, brother-in-law of the bride, Gordy Darmody, Dale Darmody, brothers of the bridegroom and Calvin Steinert, brother-in-law of the bridegroom, were groomsmen.

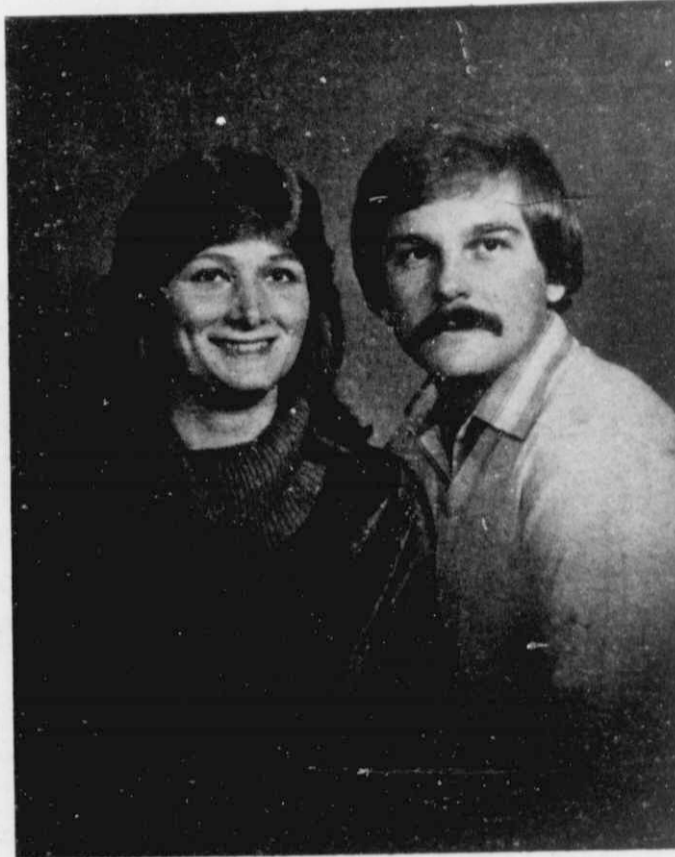

Brian Timmler, cousin of the bridegroom and Jim Braun, cousin of the bride, were servers. Mike Braun, brother of the bride and Jim Laufer, brother-in-law of the bridegroom, shared ushering duties.

A dinner and reception was held at the Amerahn in Kewaskum.

The bride is employed as a nursing assistant at Cedar Lake Home, and her husband is employed at Jack Walters and Sons of Allenton.

The newlyweds are residing at Box 242A Route 3, Campbell-

Schacht-Scott

Mr. and Mrs. Vernon Schacht of West Bend are happy to announce the engagement of their daughter, Yvonne Lynn, to Jay N. Scott of Marshfield. Jay is the son of Mrs. Lois Crittenden of Random Lake and Mr. J. J. Scott of Portage.

Yvonne is a 1979 graduate of Kewaskum High School and is

employed at Serigraph Sales in West Bend.

Jay is a 1976 graduate of Random Lake High School and a 1981 graduate of UW-Stevens Point. He is currently employed with Northwestern Mutual Life.

A September 24, 1983, wedding is being planned.

Campus Notes

Two Kewaskum residents were among some 1590 University of Wisconsin-Whitewater students who were named to the honor roll for academic achievement for first semester of the 1982-83 school year.

Students on the honor roll must have a semester grade point average of at least 3.4 on a scale on which 4.0 is equal to "A." They also must have carried at least 12 credits with no grade below "c."

Honor students included Joanne Brenholt, 1016 Hillside Dr., and Doreen Klug, Route 1, Highway D.

**MEETING OF SCHOOL BOARD
LONG RANGE COMMITTEE**

There will be a meeting of the Kewaskum School Board Long Range Committee on Monday, January, 17, at 8:00 p.m. in the Business Office. Those items previously listed as long range concerns, will be discussed.

The public is encouraged to attend.

**CITIZENS CONCERNED
FOR LIFE TO MEET**

To help us put in perspective the meaning of the January, 1973, Supreme Court decision legalizing abortion, the Kettle Moraine Chapter of WISCONSIN CITIZENS CONCERNED FOR LIFE will have a meeting on Tuesday, January 18, 1983 at

7:30 in the Walnut Room of Holy Angels 230 N. 8 Ave., West Bend. The film strip "Life" will be seen. It is produced by the Robert Pearson Foundation. Everyone is invited. Especially interesting to teens and parents.

BURGLARY REPORTED

Washington County Sheriff's deputies were told of a Jan. 3 burglary of a home in the 800 block of Salisbury Road in the Town of Kewaskum, in which cash and jewelry with a total value of \$794 were taken, a report said.

The peanut is really a bean, not a nut.

Valley Prime

**Two good ways to put your cash to work

GIRL SCOUT TROOP OF THE MONTH

Kewaskum Junior Troop #53

Page 10, Kewaskum Statesman,
Friday, Jan. 14, 1983

Members of Kewaskum Junior Troop #53 are: Back row, left to right, Michelle Truog, Jenny Ramthun, Angie Geidel, Elaine Berndes; middle row, Cheryl Miller, Lisa Harlow, Michelle Etta; front row, Rosanne Klahn, Keri Ramthun and Melissa Heisdorf.

Kewaskum can be very proud of this special group of young ladies. The majority of this troop have been together since first and second grade. They truly know the meaning of girl scouting. This year, because all of them are in sixth grade, they are in a special unit called Bridging Juniors. Next year they will enter Cadette Scouts.

Already this year they have earned the Sign of the Rainbow, and have asked to get started on another Sign before their Junior days are over. This troop has a real special talent as a group—that is their interest in dramatics. As little Brownies, they would come to meetings with a skit or play that they wrote themselves, their Brownie Leaders recall. This year for the community Girl Scout Christmas Party, they put on two skits. Look out high school when these girls come!

For the past five years troop 53 has been under the excellent leadership of Mrs. Vivian Stommel. Mrs. Judy Geidel has served as co-leader for seven years and was also a Brownie and Girl Scout herself.

Since September their acti-

vities have included a trip to an old cemetery to take tombstone rubbings. They also invited grandparents to a meeting to compare life of then to now. This meeting could have gone on for hours and hours.

In October they toured the log house. They planned their Rededication ceremony and Halloween party, and couldn't resist doing a skit with it.

November included bowling, roller skating, babysitting and a visit to the village hall. They

KETTLE RIDERS REMEMBER SENIORS DURING CHRISTMAS

The annual tradition of the New Fane Kettle Riders Snowmobile Club was again carried out when club members delivered Christmas gift boxes throughout the area.

At its December meeting and Christmas party, club members bring items or money which are used to prepare the gift boxes. Residents of the Beechwood Rest Home were also remembered with a gift basket containing fruit and wine.

also toured the Valley Bank to help them with a badge they were working on. A whole day was spent at the Folkfair in Milwaukee. Thanksgiving meant expressing their true feelings about our traditional holiday. To help pay for troop expenses they participated in a Bake Sale.

Sno Chiefs Queen Contest to be Held

The deadline for the Kewaskum Sno Chiefs Queen competition is February 10.

The contest is open to any girl who is 16 to 21 years of age as of January 1, 1983, and is a Sno Chiefs member.

The winner will be chosen at the Sno Chiefs Sno Ball dance, Saturday, February 19, and crowned by the reigning queen, Carol Lehmann.

There will be prizes for the queen and every contestant.

If you have any questions or wish an application, please contact Donna Lehmann at 626-2434.

The Troop put on two skits at the Girl Scout Christmas Party.

More Than 9 Million Men Registered With Selective Service

Registration of 18 year old men with Selective Service continues to increase. As of December 19th, approximately 9.2 million men have registered for an overall compliance rate of 94%.

Since registration began in July of 1980, men born in 1960 and later years have been required to register. Compliance by year of birth is:

1960 - 96%, 1961 - 99%, 1962 - 95%, 1963 - 95%.

To date, men born in 1964 have an "on-time" registration rate of 85% - a high rate when you consider that, historically, men tend to procrastinate in registering. For example: in 1973 and 1974, the last years when men were registering without a draft, "on-time" registrations ranged from 70 to 80%; within a year, that rate climbed to 90 to 93%. The same pattern seems to be holding in the present registration program.

More men are registering as a result of recent initiatives. Selective Service has sent out over 600,000 letters to men who have not registered - the agency is now able to identify these men as a result of cross-referencing their computer files with those of Social Security and state drivers' license lists. Also, Selective Service is using transit cards on subways and buses, billboards, posters in high schools and recreation centers, and public service radio spots to get the message across to young men that they must register.

Additionally, recently enacted legislation will require men to present proof of registration in order to receive Federal student aid and/or to qualify for benefits under the 1983 Job Training Partnership Act.

Registration is a simple process. Within 30 days of his eighteenth birthday, a man must go to the Post Office and fill out a form which asks only for his name, address, telephone number, social security number and date of birth. Registration does not, in any way, prejudice a man's right to claim exemption from military

from Tom Leitko, R.P.H.

FEMALES - SPORTS

A N.J. physician feels that [nonpregnant] females of child bearing age run no special risk of injury to their reproductive organs thru participation in rough contact sports. The doctor says the pelvic bones offer excellent protection to female reproductive organs, except in pregnancy. Her advice to pregnant women is to abstain from contact sports after the first trimester.

Talk on Wood Burning Stoves

How the use of wood burning stoves effects the atmosphere will be the subject of a talk Jan. 16 at the West Bend Marine Bank. Sponsored by the Washington County Environmental Council, the presentation is open to the public. It will begin at 2 p.m. and last approximately an hour followed by a question and answer period.

Jim Qualler, an industrial engineer with the West Bend Company, who is active in several environmental organizations and has studied the effects of wood smoke, will be the speaker. In addition to presenting a case study of smoke problems in Missoula, Mont., and slides on wood smoke in West Bend, Qualler will explain the new wood burning ordinance which was approved by the West Bend City Council Dec. 6. Solutions and alternatives to burning wood will also be given.

MPTI Class on Insulating Windows

A four week evening class, Constructing Insulated Window Coverings, will be offered by Moraine Park Technical Institute, West Bend. Day and date will be announced.

MPTI instructor LaVerne Doll said, "We've had several classes to acquaint people with different types of insulated window treatments. Now students will actually make these coverings."

Call MPTI at 334-0909 to sign-up for this class. Later, students will be notified of starting date and deadline for payment of the \$6.30 registration fee.

Petri Named to Public Works And Transportation Committee

WASHINGTON, D.C. — Congressman Tom Petri reports that he has been appointed to the Public Works and Transportation Committee for the 98th Congress. "With growing concern about our highways and bridges, this will be an im-

USDA Ceases Efforts To Collect 50-cent Dairy Assessment

The U.S. Department of Agriculture announced it has halted efforts to collect the Congressional authorized 50-cent per hundredweight assessment on milk marketing. The action is in response to a temporary restraining order issued Dec. 21 in Columbia, S.C.

U.S. District Judge Matthew J. Perry ordered USDA to stop the collection after hearing arguments in a suit filed Dec. 17. The assessment was implemented on Dec. 1.

In a letter sent Dec. 23 to milk handlers, the USDA said any assessments received while the order is in effect would be held in escrow, pending further developments in the litigation.

The letter urged those responsible for the collection to maintain accurate records of all milk marketing while the order is in effect. They were also asked to consider establishing voluntary escrow accounts in which funds could be held for later payments to the Commodity Credit Corporation, should those payments become necessary.

A hearing on the case was scheduled for Jan. 3 in Columbia.

portant assignment," Petri said.

"Wisconsin has long been neglected in this area as we have had no representation on the Public Works and Transportation Committee in recent years. By serving on this committee I will be in a position to help maintain our public works projects and help keep Wisconsin from becoming a declining area of the country," Petri said. "I will also be in a much better position to help prevent boondoggles and the waste of taxpayers' money," he added.

Petri was also reappointed to the Education and Labor Committee. "I'm looking forward to continuing my initiatives to improve vocational education and student loan policy over the next two years," Petri said.

Pickup Trucks No Longer Required to Stop at Truck Scales

Pickup trucks weighing 8,000 pounds or less gross weight are no longer required to stop routinely at truck scales under a new administrative rule adopted by the state Department of Transportation.

The new rule affects some 391,208 registered Wisconsin trucks, as well as out-of-state pickups in the same weight class, according to Col. Howard N. Goetsch, deputy administrator of the Division of State Patrol.

The provision exempts pickup trucks with a gross weight of 8,000 pounds or less from stopping at open scales unless ordered to stop by a Trooper, Inspector or other traffic officer (gross weight includes the vehicle, passengers and load).

Goetsch said the rule recognizes that many pickup owners use their vehicles primarily for personal transportation and secondarily for property transportation. "In addition, energy conservation and better utilization of personnel and resources are also reasons to concentrate on

higher priority large truck weight enforcement," he added.

Signs at truck scales will be changed to reflect the new stopping requirements, which currently are in effect on an emergency basis, awaiting adoption of a permanent rule.

New Farm Show for Sheboygan Area

A new farm show will be held at Memorial Mall in Sheboygan for three days, January 27, 28 and 29. The show will feature some thirty displays of the latest in farm machinery and dairy equipment. In addition, educational exhibits relating to agri-business will be on display.

The Sheboygan Farm Show is being produced by Boss Farm Shows of Wisconsin. It is the first of ten such shows being promoted by the firm in four states.

The Sheboygan show, according to Steve Henry of Boss Farm Shows, will be regional in nature. It will feature farm manufacturing companies, distributors and dealers from Wisconsin and Minnesota. Representatives of the various companies will be on hand throughout the three days to explain and demonstrate their products.

Some of the items scheduled for display include silos, silage carts, crop sprayers, barn cleaners, manure vats, ventilation equipment, calf hutches, feed mixers, bulk milk tanks and animal groomers.

The Sheboygan Farm Show will be open to the public without charge. Further information may be obtained by contacting: Boss Farm Shows, Box 518, Chippewa Falls, Wisconsin 54729 or calling (715) 723-5061.

Temperatures of the waters in the Red Sea often rise to about 100 degrees F.

Herman Laatsch, Others Pass On

Herman C. Laatsch, 89, a resident of the Boltonville and Kewaskum area for most of his life, passed away at St. Joseph's Community Hospital in West Bend early Monday morning, January 10.

He was born on November 16, 1893, in West Bend to the late Gustave and Julia Rosenthal Laatsch. He had been a retired dairy farmer and served with the U.S. Army during World War I for a short time.

Mr. Laatsch never married. He is survived by two brothers, Walter of Lake Mills and Lawrence (Marie) of Boltonville; nieces, nephews, other relatives and friends.

Visitation for Mr. Laatsch was at Miller's Funeral Home, Kewaskum, on Wednesday from 4 to 8:30 p.m. when services were conducted at the funeral home by Rev. Wm. Kesting. Burial was in the Boltonville Union Cemetery in Boltonville.

ROBERT BRUESHABER

Robert Brueshaber, 89, a former resident of Route 2, Kewaskum, passed away at the Samaritan Home in West Bend on Friday, January 7, where he had been a resident for some time.

He was born in Milwaukee on July 10, 1892. He was a retired electrician.

Visitation at Miller's Funeral Home in Kewaskum was Tuesday from 1 to 2:30 p.m. with burial in Lutheran Memorial Park, Kewaskum. Pastor Paul Hoenecke officiated.

JERRY BENTLEY

Jerry Bentley, formerly of Milwaukee, died in Arizona at the age of 75 years.

He is survived by one daughter, Patricia (Richard) Zarlino of Kewaskum; one son, John of Milwaukee; four grandchildren, Richard Julie, Kurt and Karl Zarlino; two sisters, Marie Iseli and Helen (Victor) Verhein; great-grandchildren; other relatives and friends.

Services were held at Holy Trinity Church, Kewaskum, at 7 p.m. Tuesday, Jan. 11.

KATHERINE TONN

Funeral services for Mrs. Katherine Tonn, 88, formerly of 236 E. Johnson St., Fond du Lac, were held at 10 a.m. Wednesday at Uecker-Witt Funeral Home and at 10:30 a.m. at St. Joseph's Catholic Church, Fond du Lac. She died Monday, January 10, 1983, at Fond du Lac Lutheran Home Inc.

The Rev. Alois Van Beek officiated and burial was held in Calvary Cemetery. Friends called from 3 to 9 p.m. Tuesday at the funeral home.

She was born May 24, 1894, in the Town of Scott, Sheboygan County, a daughter of the late Nicholas and Mary Miller Schwind. She was married to Martin Tonn on November 9, 1916, at Our Lady of Angel's Catholic Church, Armstrong, and he died February 7, 1970.

Mrs. Tonn was a member of St. Joseph's Church and St. Joseph's Catholic Women. Survivors are four daughters.

Mrs. John (Bernadine) Linge-felter and Mrs. Lige (Katherine) Willis, both of Fond du Lac, Mrs. Stephen (Mary) Scannell of Armstrong and Mrs. Emit (Helen) Searcy of Austin, Texas; and two sons, Lawrence of Fond du Lac, and Floyd of Route 4, Fond du Lac.

Other survivors include 35 grandchildren; 58 great-grandchildren; a great-great-grandson; four brothers, John Schwind of Glenbeulah, Henry Schwind of Cascade, Joseph Schwind of Kewaskum and George Schwind of Random Lake.

Also surviving are four sisters, Mrs. Alfred (Mary) Baus of Route 1, St. Cloud; Mrs. Martha Scharf of Conover, Mrs. Margaret Johnston of Milwaukee and Mrs. Rose Fitzgerald of Los Angeles, California.

A daughter, great-granddaughter, four sisters and a brother preceded her in death.

MRS. ERNA SCHEID

Mrs. Erna E. Basler Scheid, 87, a resident of Cedar Lake Home Campus, West Bend, died Wednesday, Jan. 5, at St. Joseph's Community Hospital, West Bend.

She was born June 9, 1895, in the Town of Wayne, Washington County. On May 17, 1919, she was married to Charles Scheid, and he died Jan. 24, 1964.

Mrs. Scheid was a Town of Wayne and West Bend resident all her life. She was a member of Salem United Church of Christ in the Town of Wayne.

A sister, Mrs. Herbert (Flora) Jung of West Bend survives.

Funeral services were held at 7 p.m. Friday at Salem United Church of Christ, Town of Wayne. The Rev. Donna Lee officiated and burial was in Washington County Memorial Park, West Bend.

Friends of Mrs. Scheid called from 3 to 7 p.m. Friday at the church. Myrhum Funeral Home, West Bend was in charge of arrangements.

HOWARD G. WALTER

Howard G. Walter, 64, of 253 Ludwig Ave., Campbellsport, died Sunday, Jan. 9, at St. Joseph's Community Hospital, West Bend.

He was born Oct. 7, 1918, at Port Washington, a son of the late Joseph H. and Margaret Ellen McKee Walter.

Following World War II, he moved to Campbellsport. He was employed by A.O. Smith in Milwaukee for 22 years and later was a milk hauler for the Stella Cheese Co. He was a resident at his present address

since retiring.

Survivors include two brothers, Donald of Wauwatosa and George of Greenfield; and two sisters, Mrs. Earl (Myrtle) Phillips of West Bend and Mrs. Roman (Carol) Schommer of Fredonia.

Funeral services were held at 8 p.m. Tuesday at Schmidt Funeral Home, 629 Cedar St., West Bend. The Rev. James Strupp officiated and burial took place in St. John of God Cemetery, Town of Farmington.

Visitation for Mr. Walter was after 4 p.m. Tuesday at the funeral home.

4-H NEWS

By Bob Stodola
County 4-H & Youth Agent

LUNCHEON FOR FIRST YEAR 4-H LEADERS

Adults are enrolling in a new 4-H Leaders Workshop being sponsored by the Washington County 4-H Leaders and University of Wisconsin Extension on February 3. They are invited to attend either a noon luncheon or a 6:30 supper.

After the meal, there will be discussions on the role of the adult leader in the 4-H program. First year 4-H Leaders or those who have not attended a similar session in past years are especially invited. Make reservation by calling the County 4-H office.

The purpose of 4-H is to educate. It is to help youth gain the knowledge and skills needed for growing up and living in today's world. The 4-H leader provides the experiences which make learning occur. 4-H is child centered. It builds upon the needs and interests of the youth. It is a chance for the youth to try many things and to learn by doing. The leader guides the youth as they try and explore some of the many projects available to them. The new leaders workshop will include ideas and information on how to keep youth interested with meaningful learning activities. It is also a chance for new leaders to share their ideas with others.

HAPPY-GO-LUCKY 4-H CLUB

The Happy-Go-Lucky 4-H Club held their monthly meeting on January 4. The meeting was called to order by former president, Heidi Belger, at 7:30 p.m. Roll call was taken, Vicki Bindrich led the Pledge of Allegiance and Shelly Petsch led the 4-H pledge. The new treasurer, Andy Degnitz, gave the treasurer's report which was accepted.

Birthdays for the month of January were Jennifer Degnitz and Colleen Alsberg. Andy Degnitz, Jennifer Degnitz and Shelly Petsch will visit our adopted grandmother this month.

Our new officers were installed: Sandy Petsch, president; Randy Marquardt, vice-president; Shelly Petsch, secretary; Colleen Alsberg, assistant secretary; Andy Degnitz, treasurer; Vicki Bindrich, assistant treasurer; Sandy Secor, reporter and Renee Schneider, cub reporter. Alissa Dobney is in charge of the birthday club and Victor Dobney is sergeant-at-arms.

New business was concerned with committee membership. There were four committees formed. The conservation committee included Jennifer Degnitz and Sandy Secor. The community builders committee is headed by Shelly Petsch. Sandy Petsch, Heidi Belger, Andy Degnitz, Craig Miller, Victor Dobney, Randy Marquardt and Brian Johnson are on the recreation committee. The fund-raising committee consists of Vicki Bindrich, Tracy Bindrich, Susan Marquardt, Jana Dobney, Tim Belger,

Alissa Dobney and Dave Kertscher. Each committee shall plan three club activities for the year.

Craig Miller and Victor Dobney gave reports on their aerospace projects.

The advisory group of leaders and parents will meet January 12 at 7:30 p.m. at the Farmington Town Hall.

The meeting was adjourned at 8:15 p.m.

Respectfully submitted,
Sandy Secor, Reporter

Junior Women

Recycling Saturday

The Kewaskum Junior Women's Club will hold their monthly recycling day on Saturday, Jan. 15, from 9 a.m. to 12 noon. We accept tin, aluminum colored glass (green and brown) and all glass with the labels on. Please remove the covers from all glass containers (these can be put in with the tin). Newspapers for the Lions Club can also be left at the recycling center. Used oil can be recycled by dropping it off at Herriges Oil in Kewaskum during working hours.

XYZ CLUB SKAT WINNERS

Skat results at the XYZ Club on Wednesday, Jan. 5 were Frank Krueger, 25-3-22 net; Fritz Kral, 21-1-20 net; Frank Sell, 23-6-17 net; Frank Kadinger, 19-4-15 net; Ted Rohlinger, Heart solo vs. 4.

Today's Medicine

HIDDEN SUGARS
By J. D. Connor, D.D.S.

Did you enjoy that last banana split you had? Did you know it contained 25 teaspoons full of sugar? How about the milk shake (20 tsp.) or the chocolate bar (8 tsp.) or the soft drink (almost 1 tsp. per ounce). Everyone knows that sugar is bad for teeth because it contains the elements that produce the acid that eats away tooth enamel. What everyone doesn't know is that it is the frequency and consistency of the sweets eaten, rather than the total amount of sugar consumed, that made the difference.

Studies have shown that sweets consumed as part of meals contribute little to tooth decay. But sweet snacks, and especially sticky foods such as caramels, dried fruits, cookies, potato chips and pastries, wreak havoc with teeth. Honey, although nutritionally superior, adheres to teeth and is worse for them than refined sugar.

Perhaps because they don't stay long in the mouth, sweet drinks, according to recent studies, don't appear to be a problem unless, like colas, they contain acids and are consumed several times a day. Diet soda is much better for the teeth, and not bad tasting once you acquire a taste for it. In fact, individuals who drink diet soda find regular soda much too sugary.

Studies of sugar-coated breakfast cereals, (though they are hardly the best from a nutritional standpoint), show that they cause no more decay than unsweetened cereals if they are eaten with milk as part of a meal.

Teenagers are often careless about their eating habits and oral hygiene habits. The teenage appetite increases tremendously, and there may be a desire to snack all day. If the snacks contain refined sugar there is usually a marked increase in dental caries activity. A great snack is cheddar cheese, which has been shown to have some decay-inhibiting properties.

Regardless of what food is eaten, it is best to brush - or at least rinse the mouth with plain water - after every meal and snack.

St. Agnes Hospital Addiction Treatment Program Facility Officially Opens Doors

The Saint Agnes Hospital Non-Residential Addiction Treatment program officially opened its doors Monday, January 3, 1983, announced James J. Sexton, SAH president.

This new facility, located at the corner of First and Marr streets in downtown Fond du Lac, will provide a different approach in the kind of addiction rehabilitation treatment programs presently available.

"With this new program, we'll be reaching an entirely different group of people who come in for non-residential treatment," said Steve Evert, program director for the Adult, Adolescent and Non-Residential Addiction Rehabilitation programs at Saint Agnes. "These people are generally younger and in many cases their drinking has not yet caused them to lose their job or family - although both may be in jeopardy."

This new program calls for a five week session running four nights a week (Monday - Thurs-

day) from 6 - 9 p.m. for a total of sixty hours.

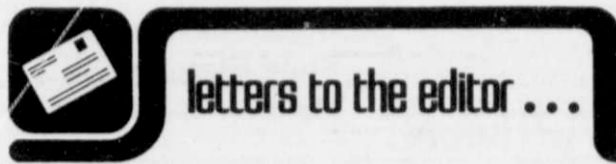

"In this way, the patient doesn't miss work, gets to come home at night and be with his/her family and is not required to pay the additional expense of inpatient treatment," said Steve.

The cost of the program will be lower because the treatment does not require inpatient care and services.

According to Bruce Lindsey, the new non-residential program coordinator, the program will include individual and group counseling, lectures, family involvement and films as well as an aftercare component in conjunction with the local Unified Services agency.

The program will be based on the 12-step process toward recovery through Alcoholics Anonymous.

Businesses or individuals interested in receiving more information about the program can call Saint Agnes Hospital's Addiction Rehabilitation Unit at 929-1381 or the Non-Residential Center at 929-1392.

Salamanca, 11 Dec. '82

Dear Kewaskum Friends:

How have you all been? I hope you are all fine and enjoyed this holiday season. Some of you may still remember me, but I was an AFS student from Japan to Kewaskum during the year from '77 to '78. It was a very special and fruitful year for me, and I'd like to join the present AFS students in the U.S. to say "thank you" for all your efforts you've been making for us.

Talking about myself, I have a surprising news for you. Do you know where I'm sending you these greetings from? Believe or not, from Spain!! Last June, I won the scholarship for one year study in Spain, given by the Spanish Government, and here I am now in Salamanca, Spain, studying the Spanish philology in the University of Salamanca. The University started in October, but before that, I was on the study tour to Spain organized by one of our professors of our Univ. in Tokyo for the 3rd year students of the Department of Hispanic Studies. So, this summer I travelled all around Spain with my classmates and the professor, and then we went to Italy and to Switzerland. I said good-bye to my friends there in Zurich, and came back to Spain alone. Of course, it was my first time to be in Europe, and it was such a special summer for me!

The course I'm taking here will last until June of '83, so I'm going to stay here at least until then. Since our Univ. in Tokyo (Sofia Univ.) will count this year for me in credits, I'll have only 6 months left before graduation when I go back to Japan.

I've made many friends and I'm enjoying my life here very much. I think it is thanks to all the experiences I had in the U.S. The year I spent in U.S.A. has been influencing me greatly, and with the help of these experiences I had I have now formed a certain capacity for accepting a different culture, different customs without a lot of efforts. I think the same can be said for all the AFS students in the world. Thank you very much for keeping giving us great opportunities to learn not only about the world but also about ourselves!!

This year will be another special one for me. Please say hello to the AFS students you

have this year. I'm sure they are enjoying their life there, too! I wish you all the best in 1983.

With all my Love,
Kumiko Onuma

....

Jan. 10, 1983

Dear Sir:

As the Jan. 22, 1973, Supreme Court decision to legalize abortion approaches, I have a thought I would like to share with your readers.

We hear it said so often that the baby was aborted because it was not wanted. I would like you to know that I feel there is not an unborn child that is not wanted. The parents who choose abortion are forgetting about adoption. They are forgetting the many childless couples who live in this world. They would want and love that child very, very much. They would give it the chance to know and give love. By aborting their unborn child they are taking this chance away from it.

Believe me an adopted child can and does bring much, much love and happiness into a home.

Mother of two
adopted children,
Joyce Spaeth

Sincerely,
Ron Schmitz, CLU
Kewaskum Jaycee

SHERIFFS

DEPARTMENT

Clarence A. Schwartz, Sheriff

A Yellow Traffic Light Does Mean 'Stop'

Time and time again, an old joke comes up about a man being stopped by a police officer, and the officer asks the man if he knows what a yellow traffic light means. His answer is "Yes, officer. It means drive like heck to get through the intersection before the light turns red."

This issue was addressed recently in a release by Washington County Sheriff Clarence Schwartz, who explained that the law in regard to a yellow traffic light is very clear. All traffic shall stop before entering an intersection at which a

yellow light is displayed, unless so close to it that the stop cannot be made safely.

In order to properly comply with this portion of the law, drivers operating their vehicles in areas where intersections are controlled by stoplights should be constantly on the alert for changing lights and approach the intersection at such a speed so they can safely stop if the light would change. If you drive as though the light is just about to change, you can react accordingly to any change, Sheriff Schwartz also added.

Sheriff Warns of Deer Movements

Although the deer/gun season and the rut that precedes it are now in the past, until next fall drivers are cautioned to be ever alert for deer crossing the highway, noted Washington County Sheriff Clarence Schwartz today.

The Wisconsin white-tail deer population for various reasons have become an increasing menace to drivers in southeastern Wisconsin. Accident statistics have shown that over the past few years, the car-killed deer accidents are not only limited to the rut as had been the case in years gone by the Sheriff said.

Driving at reduced speeds at night and especially in wooded or marsh areas allows you to better react when an unexpected white-tail crosses your path, the Sheriff commented.

Sheriff Schwartz also addressed what actions should be taken if you should strike a deer. He suggests that any accident be reported which results in damage to your

vehicle or the property of another, even though the damage may not be extensive enough to require a report under the law. Even if there is no damage but the deer is injured or killed, the accident should be reported so the animal doesn't venture out in front of another vehicle or it can be properly disposed of.

Sheriff Schwartz also said, if you should want to keep a car-killed deer you struck, it's yours or it can be turned over to anyone else at the scene of the accident if you should want it. He wished to stress the importance of not removing the deer from the scene before it is properly tagged and a permit issued by a law enforcement officer for you to possess it.

The Sheriff concluded by saying, "Possession of an untagged deer could carry a fine of up to \$2,000 and remember to drive with caution. Seeing one deer cross could mean others are close behind."

McCallum Suggests State Elections Be Held on Weekends

State Senator Scott McCallum (R-Fond du Lac) today said that state elections should be held on weekends instead of Tuesdays. McCallum said the change "would give more Wisconsin voters a chance to exercise their right to vote."

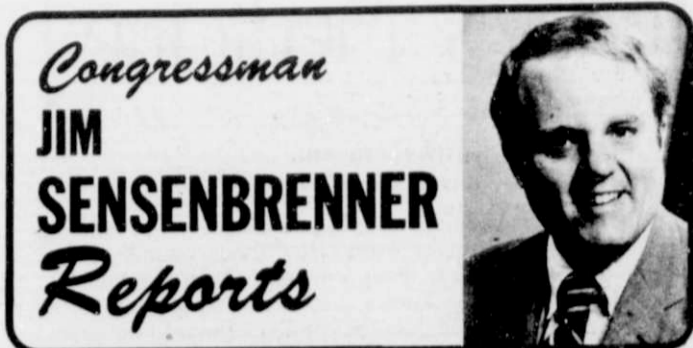

"Voting is the heart of our democracy," McCallum said. "Unfortunately, fewer and fewer Americans are voting. Switching elections to weekends will make voting more convenient and encourage greater turnouts."

Last November only 39% of the country's eligible voters went to the polls. While Wisconsin generally ranks above the national average, voter turnout is not what it should be.

According to McCallum, Hawaii recently held a state-wide primary on a Saturday and over 70% of the state's eligible voters turned out. "A 70% turnout in a primary election is unheard of in recent history," McCallum said. "The Hawaii experience clearly shows that the time for weekend elections has arrived."

"Wisconsin has a history of making voting easy," McCallum said. "Allowing registration at the polls on election day and our open primary encourage people to get out and vote. Moving state elections to Saturdays would be in keeping with the Wisconsin tradition."

The Fond du Lac lawmaker said he would introduce legislation which would move all state elections to Saturdays. "In the last few years, voter turnout has steadily declined. We must reverse this trend and the simplest way to do that would be to make it more convenient to vote. Saturday elections accomplish that goal," McCallum concluded.

WHY SOCIAL SECURITY IS IN TROUBLE - PART I

There have been many reports in the media about the Social Security program's financial problems. Unfortunately, the issue of solving them has been confused by politics, promises, a host of different theories on what the cause of them is, and an equally large variety of proposed solutions.

Let's take an objective look at why Social Security is in trouble, to clear up the misunderstandings I know some people in the Ninth District have about the problem.

Simply put, the Old Age and Survivors Insurance (OASI) part of Social Security is broke. A few weeks ago, the Social Security Administration had to do something it had never done before: borrow money so the checks sent to millions of retired Americans wouldn't bounce.

Most people find it hard to believe the program is broke, for they have viewed it as a funded retirement program, just like a private pension. They believe it simply pays back to retirees the money they paid in over the years, plus interest. Sadly, this is not true.

As soon as Social Security taxes are collected from employers and workers, the money is paid out to retirees and other current beneficiaries. It is basically a "pay-as-you-go"

plan, unlike private retirement savings and pension plans where contributions earn interest and grow in value over the years.

To illustrate how this works, let's look at the example of a 65-year-old worker retiring at the end of 1981. If he has a nonworking spouse the same age, the couple can expect an annual Social Security benefit of \$14,206.

However, the maximum amount this worker, or any other, could have contributed to Social Security is \$14,767, even if he had been contributing from the start of the program in 1937 and through the end of 1981.

In other words, this couple will get back nearly all the money they ever contributed to Social Security over a 44-year period during the very first year of their retirement!

Multiply this situation by several million and you can see how serious the problem is. Today, Social Security pays out \$17,000 more than it takes in every minute - 24 hours a day.

This problem will not correct itself, either. The crunch has caught up with us and painful decisions must be made - both for the short term and the long term. (NEXT WEEK - THE SHORT-TERM SOLUTION TO SOCIAL SECURITY).

**Acquisition of Mid-West Credit Services Inc.
By Citizens Financial Service Corp. Announced**

Robert R. Lewis, President of Mid-West Credit Services Inc., and Richard A. Larson, President of Citizens Financial Service Corporation, recently announced the acquisition by Citizens Financial of a majority of the stock of Mid-West Credit. This acquisition makes the second financial service business acquired by Citizens Financial Service Corporation in 1982. In May Citizens acquired a substantial interest in Realty World-West Grove Realty Inc., one of the area's largest real estate firms.

Citizens Financial service corporation, a wholly owned subsidiary of West Bend Savings & Loan Association, is developing a full financial service company, according to Larson, and additional services and companies will be added in the very near future. Under new State and Federal rules governing savings and loan associations a much broader base of powers and services can now be developed to provide a complete range of financial services to their customers. Citizens Financial is now actively engaged in real estate and land development, real estate investment, property appraisal services, insurance, real estate brokerage, commercial lending, real estate maintenance services, and credit reporting and collection services. Larson stated that the association also was actively engaged in consumer lending and was expanding Citizens Credit Corporation, its wholly owned consumer lending subsidiary.

Mid-West Credit Services Inc. will continue to operate as an autonomous, independent company under the executive leadership of Robert Lewis who continues as President and Chief Executive Officer. New directors of the corporation are Lewis, Joseph J. Zadra, Chairman of the Gehl Company, and Raymond F. Lipman, West Bend Savings & Loan Association Senior Vice President.

Mid-West Credit Services Inc. was formed by Lewis and Paul Ronyak in June, 1981 to fill a need for an efficient full service collection agency and effective credit reporting agency. The company now serves Washington and Ozaukee Counties and expects to expand to other areas of southeast Wisconsin. According to Lewis, the company has made a substantial market

penetration and is now one of the leading credit reporting agencies in the area. When forming Mid-West the founders recognized that modern credit reporting and related services required using computerized reporting methods and Mid-West developed an efficient computer service for all of their local data. In addition they provided for additional service ability by tying into the national computer service network. Up to date comprehensive reports can be obtained by Mid-West from anywhere in the country in a matter of minutes and Mid-West can provide prompt, fast service with a variety of report forms that business needs today.

Larson indicated that Citizens Financial and West Bend Savings & Loan, along with a majority of other financial institutions in the area had recognized the unique extra service that could be provided by Mid-West. Because of the high level and excellent quality of service, Citizens was pleased to have Mid-West join their growing group of finance resource companies. Lewis indicated that he felt that this would be a vital step for the corporation to take because it would allow Mid-West to work with Citizens in enhancing their computer programs, adding

additional capital equipment, and further expand their customer base beyond the Washington and Ozaukee County areas.

Lewis attended the University of Wisconsin, Oshkosh, and prior to helping to form Mid-West was Credit and Collection Manager for National Educators, Inc. based in Denver, Colorado, for several years. Lewis, his wife Becky, and daughter Lindsey live at 1218 Sunset Ridge Drive, West Bend. Lewis has been a resident of West Bend for over 24 years. He is finance chairman for the local Boy Scouts Explorer program and a member of St. James Episcopal Church.

was given to Bob Halfmann.

Year pins were passed out to the following Scouts: 6 yr. pin, Chris Gresser, Ken Gresser, Bob Halfmann, and Tim Steckbauer; 5 yr. pin, Steve Skorbier; 4 yr. pin, Lee Bowser, Ricky Goetsch, David Halfmann, and Lionel Remillard. Dale Bowser and Brian Goetsch got a Boy Scout backing for their 3 year pins they received as Cub Scouts.

Adult leaders receiving year pins were: 15 yr. pin, Hans Halfmann; 5 yr. pin, Carol Gresser; 4 yr. pin, Pam Bowser; and 1 yr. pin, Richard Goetsch.

Appreciation awards will be given to Valley Bank and American Legion Post #483 for sponsoring our Troop.

Committee chairman, Hans Halfmann, conducted a discussion considering future goals of the Troop for 1983.

Scoutmaster Richard Goetsch showed all the new 14' Dutch Oven the Troop recently purchased.

Tom Brost, of Brost's Foods, provided treats for the young people present.

SCOUTING NEWS

TROOP #758

Troop #758 held a Court of Honor and Christmas/Potluck Party on Dec. 16, at the Legion Hall in Allenton.

Senior patrol leader, Chris Gresser, led all families and the Boy Scouts in the Pledge of Allegiance.

Skits were performed by the Scouts. The Eagle patrol's skit was called "The Doughnut Shop." "The Ugliest Man in the World" was presented by the Bison patrol.

The swimming skill award

J & J AUTO TOPICS

WATCH THE BIRDIE

Pretty soon we'll have our pictures on the driving license. Some people think even more information could be included. Recent arrests, liability coverage, even driver's training data, like they do on airplane pilots licenses.

So it goes. Maybe something will come out of it all. But, we know that with this license driving ability and safety is based on the condition of your car. Faulty brakes, worn shocks, dangerous tires, all play a part in driving success. That's why drivers getting regular auto services at J & J AUTO SERVICES are the better drivers on the road today. Maybe you should write to the vehicle department and tell them. Chances are they haven't thought about it.

CARD OF THANKS

We wish to thank all our relatives, neighbors and friends for their many acts of sympathy and kindness during the recent death of our dear brother and uncle, HERMAN C. LAATSCH. A special thank you to Rev. William Kesting, donors of floral and memorial tributes, sexton, Miller's, and to anyone who showed their respect and helped in any way.

The Surviving Family of
Herman C. Laatsch

THANK YOU

I wish to express my appreciation to relatives, neighbors and friends for cards, visits, prayers and concern while I was a patient in the hospital and at home.

A special thank you to the Kewaskum Rescue Squad, the staff of the intensive care unit of St. Joseph's Hospital, Rev. Joiner, Rev. Schowalter and to all who gave moral support to me and our family.

Sylvia Fickler

THANKS EXPRESSED

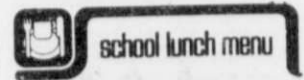

A sincere thank you to all my friends who sent cards, called and prayed for me, while I was a patient at Mayo Clinic, Rochester and at home. Special thanks to Father Bonesho and the St. Michaels Prayer Hotline for the weeks and months of prayers. May God bless you all.

Diane Slegger

THANK YOU

Thanks to Ed Miller, Pat Miller and Jay Petermann for donating and installing the carpet in the high school weight room.

KHS Students, Faculty
and Administration

SKI TOURING

- Thirty state parks and forests in Wisconsin offer a total of 339 miles of trails for cross country skiing.
- The trails are well marked and groomed for the convenience and enjoyment of skiers.
- Trails range from easy to difficult, inquire at the park office first, then select a trail to fit your capabilities.
- Though trails are not provided, cross country skiing is permitted on state owned wildlife areas unless other wise posted.

Lakes Team Loses To Cedarburg But Retains 2nd Place

The Cedarburg Turners handed the Kewaskum Lakes basketball team their second loss of the season here Saturday night, 135-115, as Scott Murray, scorched the nets for 32 points. Kewaskum retains its second-place status in the Lakes 'B' Division with a 4-2 record, one game behind Port Washington, as all 'B' Division teams were beaten by 'A' Division foes over the weekend. Port suffered their first loss of the year, losing to Oconomowoc 123-95.

Kewaskum came out flat and was never able to recover in their game against Cedarburg. Cedarburg, on the other hand, used their size, a blistering fast break, and excellent shooting to boost their record to 4-1 in the 'A' Division, one game behind the Falls Badgers.

Cedarburg jumped to a 10-1 lead as Kewaskum couldn't buy a basket. They led 40-26 after the first quarter as Rob Sutherland had 14. They increased their lead to 68-44 at halftime as Murray had 11 in the second quarter. Kewaskum got as close as 14 in the third quarter before Cedarburg expanded the lead again. It was 98-76 after three quarters as Brian Larsen had nine in the quarter for Kewaskum. They could narrow the margin only slightly in the fourth quarter, behind Leon Laatschs' 11 points, and lost by 20.

Besides Murray, Sutherland had 20 points by Cedarburg, Jack Friess had 18, and Tom Gundrum 16. Laatsch led Kewaskum with 23 points, followed by Clark Eichstedt with 19 points, Bill Gonwa with 16, and Larsen 15.

Cedarburg made 15 of 20 free throws for 75.0 percent, while Kewaskum was only 15 of 33 for 45.5 percent.

Kewaskum hosts Oconomowoc, which is 2-3 and in a three-way tie for third place in the 'A' Division, this Sunday at 7:30 p.m.

Hunter Safety Course To Be Held at Jackson

Any youth who is 12 years of age or older is invited to enroll in the Hunter Safety Course starting January 22, 1983, at Jackson.

Youth between ages of 12 and 14 are permitted to go hunting without the presence of an adult if they successfully complete the official Department of Natural Resources Hunter Safety Course. These courses are offered periodically in most communities.

There will be a course of 10 sessions at the Jackson Town Hall, Hwy. 60 and G, on Saturdays from 10:00 a.m. to noon, starting January 22. It will be conducted by Larry Schramm, phone 675-6304. He is the Gun Safety Leader for the Kirchhayn Trotters 4-H club and a certified DNR Instructor.

The 4-H program offers a gun safety project. Members that are enrolled in the 4-H gun safety project are encouraged to take the official DNR course. To get more information on the January 22 course, contact Larry Schramm directly or call the 4-H office 338-4478, 644-5204, 342-2929.

Kiel Thumps Indians To the Tune of 81-49

What Coach Jim Westphal hoped would be a close contest ended up in a rout Friday night as the visiting Kiel Raiders won a decisive 81-49 victory over Kewaskum, leaving the Indians with a 1-2 record in conference and 1-6 overall.

Kiel used balanced scoring and strong rebounding in gaining their victory. Westphal had looked forward to more aggressive rebounding with the return to action of the injured 6-4 junior Dennis Butz but the Indians were no match for Kiel on the boards.

After being out for some time, Butz hit on his first shot of the game to give Kewaskum an early lead but from then on it was pretty much all Raiders. Forward Mark Duerwaechter led the attack for Kiel with 13 first quarter points, including a three point play with less than three minutes left that brought the score to 17-8 in Kiel's favor.

A basket by Brian Arndt and a three pointer by Butz cut the Raider lead to 19-13 but the Raiders scored the final four points in the first period to go out in front by 10.

The Raiders continued their good play throughout the second quarter, utilizing a fast break and capitalizing on a technical foul on the Indians which ended up as a five point play.

Kiel scored the first seven points of the quarter with sophomore Scott Schroeder hitting two baskets. Teammate Doug Gaedtke put in a rebound after another of Schroeder's shots and made it a three

pointer when he was fouled. This made the score 30-13.

Kewaskum's Dan Dean was whistled for a technical after protesting a foul call. Duerwaechter hit all three free throws and Barry Polster's tip-in of a missed shot put Kiel in front 37-17. By this time the outcome was all but decided.

Duerwaechter paced all scorers with 21 points in three quarters of play. Four other Raiders hit in double figures—Polster with 14, Schroeder and Gaedtke with a dozen each and Jim Diem with 11.

The Indians got 12 points from Butz, 10 in the first quarter. After going scoreless in the first half, Rod Donnelly chipped in with 11. Kewaskum played without starting guard Jim Hanrahan, who was out with a sprained ankle.

The Raiders dominated the boards by a 30-3 margin in the first three quarters.

Coach Westphal cited terrible defense as the key for the lopsided score, along with Kiel's aggressive rebounding. He said the Indians didn't do anything aggressively.

Both the JVs and freshmen won their games over Kiel. The JVs used a 17 point third quarter to win by one, 48-47. Tom Herriges and Brian Ruplinger scored 15 and 11 points respectively. Even with Bob Yahr home ill, the frosh had little trouble winning, 46-29. Tim Rohlinger and Ron Theusch scored 16 and 12 for the freshmen, now 2-1.

During the next week the Indians have two games on the

road. Friday they play at Plymouth (1-3) and Tuesday at Two Rivers (3-0), the conference leader.

KHS Chess Team Opens '83 Season With 55-0 Shutout

The Kewaskum High School Chess Team opened its '83 conference season with a 55-0 shutout of Kettle Moraine. The victory was a short match as four of the Indians won in 20 moves or less - Frank Voge 13, Ed Ham 15, Romie Holl 17, and Tom Crandell 18.

Kewaskum was never behind on any of the boards and had the victory insured within the first half hour of the match. According to advisor Roy Peterson, the victory was difficult to evaluate as Kettle Moraine made numerous mistakes that the team took advantage of.

The Indians faced a difficult challenge this Tuesday as they travelled to pre-season favorite Germantown.

Gregg Classey, 10, over Schoper, 0.

Wrestlers 4th in Fond du Lac Invitational, Lose to Falls

The Kewaskum wrestlers finished fourth with 101.5 points in the Fond du Lac Invitational Saturday, won by the host Cardinals for the 13th year in a row.

Fond du Lac had nine of its 12 starters in the finals and came away with five champions, including the MVP of the meet, Joey Toney at 119 pounds. The Cardinals scored 204.5 points to 147.5 for runnerup Hamilton Sussex and 113 points for third place West Bend West. Other teams were Westfield 96 1/2, Cedar Grove 77, Oshkosh West 67 1/2 and Nicolet 42.

Stuart Stautz was Kewaskum's lone finalist at 155 and he led Fond du Lac's Brian Peterson 4-3 in the second period when he fell victim of a pin. Stautz, however, did bring home a trophy for the most pins in the least amount of time. He ended his first match in 22 seconds, then defeated John Prom of Cedar Grove in the semi-finals in 1:05 for a combined time of 1:27 for the two falls. Stautz now has an 8-3 record.

Three Indians, Dave Kudek, Steve Seitz and Chris Harlow won third places at 112, 167 and 185 pounds respectively. Seitz and Harlow both drew the eventual champions in the second round. Kudek pinned Jim Coyne of Nicolet to win consolation honors while Seitz, who is now 10-3, decisioned Jay Bean of Westfield 4-3 and Harlow beat Bob Cook of Westfield 7-1.

Indian coach Fran Charland was hoping for third place but didn't feel his team wrestled real well in the first round.

FOND DU LAC INVITATIONAL (Team scores)

Fond du Lac 205, Sussex Hamilton 147 1/2, West Bend West 113, Kewaskum 101, Westfield 96 1/2, Cedar Grove 77, Oshkosh West 67 1/2, Nicolet 42.

(Championship matches)

98 — John Mueller, SH, beat Lee Kitts, F, 12-2; 105 — Brian John, SH, beat Rex Moss, F, 12-2; 112 — Ken Miller, SH, beat Wayne Graff, CG, 6-0; 119 — Joe Toney, F, pinned Steve Lind, OW, 4-33; 126 — Jeff Prom, CG, beat Dave Schmidt, F, 2-1; 132 — Tom Baccus, F, beat Joe Mueller, SH, 4-2; 138 — Pat Schommer, F, beat Wayne Smith, W, 4-2; 145 — Matt Wells, F, pinned Greg Prentice, WBW, 3-46; 155 — Brian Peterson, F, pinned Stuart Stautz, K, 4-28; 167 — Todd Landsider, SH, beat Ty Toriello, F, 10-8; 185 — Randy Stack, WBW, beat Jeff Bley, CG, 10-6; heavyweight — Bob Trapp, SH, pinned Todd Vrich, W, 1-24.

SHEBOYGAN FALLS 33, KEWASKUM 11

In a wrestling match at Sheboygan Falls Thursday night, the Indians went down, 33-11.

Coach Charland had hoped for five victories but the Indians came up short of that goal. He pointed to the 98 and 185 round bouts that could have gone either way. At 98, Paul Reilly dropped a 9-7 decision after leading for more than five minutes. Chris Harlow lost 4-3 at 185 after appearing to have scored a reversal in the last 30 seconds before the official signaled the wrestlers were out

KHS Athletes In Powerlifting Championships

On Saturday, Jan. 8, five Kewaskum High School athletes competed in the Laconia High School powerlifting championships.

The best performances by each athlete included John Swanson, 350 pounds in the deadlift; Brian Kober, 240 pounds in the parallel squat; Rick Heberer, 260 pounds in the deadlift; Rich Gaspardo, 200 pounds in the bench press, and Jim Braun, 220 pounds in the bench press.

The five KHS athletes represented the sixth largest contingent of athletes from any school. Only Wisconsin Rapids, Kimberly, Omro, Racine Case and the host school, Laconia HS, had more lifters competing.

DATE FOR RANDOM LAKE WRESTLING MEET CHANGED

The wrestling meet scheduled for Tuesday, January 25, at Random Lake has been changed to Monday, January 24, at Random Lake.

Ailing Girls Suffer 2nd, Worst Loss of Season

By Cathy Schlice

After six straight victories, the Kewaskum girls varsity basketball team suffered their second and worst defeat of the season Tuesday night at the hands of the Sheboygan Falls Falcons by a lopsided 74-36 score at the Falls.

The Falcons jumped out to an 18-7 first quarter lead and increased it to 38-22 at the half. It was the third quarter when they did most damage to the Indians, scoring 16 points and holding Kewaskum to one lone bucket by Linda Larsen to take a commanding 54-24 lead into the final quarter.

Coach Soerens was forced to play with only 8 people as Cheryl Burkhalter is still out for a week with pneumonia and a starter, Holly Kempf, was home sick with the flu. So the Indians had only 3 subs. In the final quarter they only had 5 people as Larsen hurt her ankle and was out and 2 other players were out on fouls.

At the charity stripe it was pretty even as the Indians hit 10 of 21 for 48% and the Falcons also made 10 out of 19 for 53%. The Falcons' height and ability to rebound Kewaskum made a major difference in the outcome.

Kewaskum was led by Lisa Matenaer and Linda Larsen with 9 points each. Larsen also had 9 rebounds. Julie Koepke added 8 points on 1 basket and 6

free throws. Cathy Schlice also added 5 points and was credited with good hustle. Linda Hetzel led the Falcons with 20 points. Eleven out of 12 Falcons players got into the scoring act.

The JVs also suffered a loss to the Falcons, 33-28.

The frosh were the only victorious Kewaskum team as they walked away with their game by a 53-21 decision. They were led by Jodi Yearling, Devona Gruber and Lisa Fusek with 15, 10 and 8 points respectively. The frosh are now 4-0 in conference play.

The Indians play Mayville at home Saturday night in a non-conference game. Why not come out and watch the girls get back on the winning track. Hope to see ya there! Kewaskum also has a non-conference contest scheduled at Oostburg Thursday, Jan. 13 and a conference tilt with Two Rivers here Tuesday, Jan. 18.

KEWASKUM — Larsen 4-1-2-9, Koepke 1-6-2-8, Matenaer 4-1-2-9, Jaeger 1-1-5-3, Schlice 2-1-0-5, Beisbier 0-0-3-0, Schoofs 1-0-5-2, Bowman 0-0-0-0; totals 12-10-19-36.
