## Rosenheimer's Store Under New Ownership

Richard and Jane Bechler

(Statesman photo by Gerry Mueller)

By GERRY MUELLER  
Statesman Staff Writer

Effective Sunday, January 30, Rosenheimer's Grocery and Department Store is now under the formal operation of its new owners, Richard and Jane Bechler.

Bechler has been manager of the food department since he began working for Rosenheimer's in July, 1969. For the past few months, he has been operating the store unofficially as owner while final arrangements were being completed for the sale.

The Bechlers have purchased the operating assets and will continue to lease the building from the Rosenheimer corporation. Bechler stated his new business name will be "Rich's Super Savings."

Rich and Jane will be carrying the same brands, but are planning some remodeling and improvements in all departments. The present staff will remain in the Bechlers' employ, with the addition of Jane, who will be working on a part-time basis until the youngest of their four children begins school.

Prior to coming to Rosenheimer's, Bechler worked for Convenient Foods and Kohl's Food Stores.

The Bechlers are planning a Grand Opening in the near future and the announcement will appear in the paper.

"Hours will remain the same except for Sunday, when the store will open 1/2 hour earlier at 8:00 a.m., closing at 5:00 p.m.," said Bechler.

Rich and his family reside at Route 2, 8022 Sandy Ridge Road, Kewaskum.

The sale will end an era of a business-community relationship which has spanned 108 years and three generations for the Rosenheimer family.

Begun in 1874, by Moritz Rosenheimer, the general store was expanded when Rosenheimer took his brother Adolph into partnership. Later, the Rosenheimers divided the various operations of the business with Moritz remaining with the general store and Adolph running the malt house and bank.

In 1911, the second generation of David and Lehman took over operations, heading the company until 1952 when the third generation of Lehman and Henry took over the business.

Lehman "Lem" Rosenheimer, present head of L. Rosenheimer Incorporated, said the decision to sell the business was made because of waning family interest. Rosenheimer's two sons have their own careers, one is a dentist and the other has other business plans.

Rosenheimer said he and the corporation will remain active, running other ventures, but after 48 years in business, he wanted to pursue his other interest, that of aviation. Rosenheimer is a retired colonel in the Air Force Reserve.

## Former Area Resident Fatally Injured When Struck by Van

Helen S. Scott, 64, nee Rosenthal, of 4272 Raymir Pl., Wauwatosa, a former resident of Kewaskum High School, was killed Saturday morning, Jan. 22, when she was struck by a van as she walked in the slippery roadway of N. Menomonee River Pkwy., according to police.

She was pronounced dead at County General Hospital it was reported by Wauwatosa police.

Mrs. Scott and her husband,

William, 65, were walking in the road in the 4100 block of the parkway about 7:45 a.m. when a northbound van came from behind and sounded its horn. At that moment, the van's brakes locked, and before Helen Scott could reach safety, the van had slid into her, according to police.

The driver was Joseph Trapp, 21, of 2123 S. 99th St., West Allis. He was not cited or charged.

Obituary on another page.

## New Dental Clinic Opens

Before Remodeling

After Remodeling

By GERRY MUELLER  
Statesman Staff Writer

The relocated offices of Dr. J. Dennis Connor opened for patients Monday, January 31.

The offices, located at 1204 Fond du Lac Avenue, formerly housed a garage, lawn and garden store and also a welding shop.

After purchasing the property last year, Dr. Connor began an extensive renovation of the building both inside and out. The exterior was transformed

from a block, two-bay, garage to a swiss motif office building.

For the past five years Dr. Connor has maintained offices in the Sison Professional Building, prior to that he was associated with Dr. Nolting's office.

Dr. Connor said the new five-chair clinic has much more room allowing him to better serve the needs of his clients.

The staff and hours for the new office will remain the same as in the past.

## Rural Campbellsport Woman Drowns in Pond

A 26-year-old rural Campbellsport woman drowned Thursday afternoon in a Milwaukee River pond area near the Fond du Lac-Dodge county line, despite rescue and revival efforts by a man who lived nearby.

The victim was Georgene M. Johnson, daughter of Mr. and Mrs. George Johnson of Route 1, Campbellsport. She was a niece of Mrs. Norman Jaeger of Kewaskum and Bob Johnson of New Prospect.

Miss Johnson was walking along a pond area of the river along County Trunk K, about 2 1/2 miles east of Kindt Lumber Co. in the Town of Ashford when she apparently slipped on a culvert and fell into the swift current of the open water, according to Fond du Lac County Sheriff's deputies.

The current evidently carried the woman under the ice, according to a sheriff's department chief deputy, who

added that the water was ice cold.

Arthur J. Pipp, also of Route 1, Campbellsport, told authorities he was walking his dog near the pond shortly after noon Thursday when he saw footprints in the snow that ended abruptly. He said he heard a moaning sound and walked around the pond.

Pipp said he saw a blue jacket beneath the ice and jumped through the ice, breaking through it. The water was about four feet deep, but he could not reach the jacket, which was about 10 feet from shore, he stated.

Pipp told detectives he picked up a tree branch, snagged the jacket and pulled the woman to shore. He said he administered mouth-to-mouth resuscitation but could not revive the woman. He ran to his home nearby and called authorities.

## Goals and Needs Topics of Long Range Committee Meeting

By GERRY MUELLER  
Statesman Staff Writer

The Citizens Long Range Committee meeting, held last Thursday evening, was a period of listening more than discussion.

With input from school staff members and a resource adviser, the group found out they have just touched the "tip of the iceberg," as far as the computer field is concerned. The district will be faced with more than just deciding to have a computer program and purchasing equipment.

Gerald Stollenwerk, a Regal Ware employee, told the committee, "the field is just in its infancy." Three years from now there could be a whole revolution from what it is now. You have to decide what your objectives are going to be, your long-term goals, advised Stollenwerk. "You shouldn't even begin to think about software and hardware 'til you decide what you want to do," said Stollenwerk. "Just because Apple is the first one out, that doesn't necessarily mean it's the best," stated Stollenwerk. "The field is very dynamic, things are constantly coming out," he said. One of the newest items out is an "emulator" Stollenwerk told the committee. It can be plugged into a Commodore to allow use of Apple software. What it does is fools the computer into thinking it's something else. This is just one of the latest innovations advised Stollenwerk, and developments such as this are coming out every day.

"You have to have some one looking into computers continually because of the constantly changing field. Someone has to stay abreast of things," said Stollenwerk. District Administrator John Long agreed, noting Business Manager Robert Borch had spent a good part of Thursday making phone inquiries to Chicago.

Stollenwerk told the committee one very important point which should be emphasized is, this program will be an introduction to the computer field. It will not be training programmers. "I think the term we want is 'computer literate' not 'computer programmer,'" said committee member Sally Joiner.

The committee agreed one of the major objectives should be to give students the opportunity to see if this would be a field in which they would want to further their education and later on seek employment. Chairwoman Norma Serwe said computer course instructor Joe Harlow had told her the terms Computer Literacy and Computer Programmer must be kept separate.

Lois Weiland of the high school business education department, told the committee

the Business Ed potential for computer courses was great. Computers could be used in almost every skill from word processing to accounting.

One committee member questioned whether the secretarial skills being taught in the schools were becoming obsolete. It was noted many companies no longer use typewriters but have replaced them with word processors. Committee member Betsy Strigenz questioned whether Kewaskum students were going out into the job market at a disadvantage because they lacked computer or data skills already being taught in many other schools. Weiland said it had not been a problem so far. Stollenwerk told the committee Regal has 18 terminals and 85% of the gals have requirements which necessitate their using the terminals as part of their work.

Weiland told the meeting she would like to have several programs and at least six computers for business education use.

Agriculture teacher David Rizzardi told the committee a computer system of some type, either a telephone hook-up to the University of Wisconsin computer in Madison, or a unit in his department would help his students become involved with the rapidly expanding use of computers in Agriculture. The Hartford and Waupun Ag classes have had computers for three to four years, Rizzardi noted.

Rizzardi said farmers are using computers to set up feeding programs, farrowing, feeder operations and record keeping. Computers are being used in other Ag related fields besides farming. "Three to four years down the road I can see a need of two to four computers for the Ag Department," said Rizzardi.

After hearing comments of the various speakers, the committee acknowledged they had a job cut out for them. Their recommendations will have to include not only long-term goals, but whether there should be a general computer area set up with students coming into it for class or departments having their own set-up in class. They must consider whether prerequisites must be met before a student can enroll in the course. If such requirements are necessary, should they be math, typing, key board or still other subjects.

The committee agreed the Math, Business Ed and Agriculture departments should be the primary areas to begin the

program, eventually expanding to include the middle and all the elementary schools.

Stollenwerk told the committee he was personally glad the district was getting involved in the computer field.

Serwe asked that each of the committee members make up their own personal list of objectives and recommendations, sending them to her by February 10th for tabulation into one report.

### XYZ CLUB SCHEDULE POTLUCK DINNER FEB. 9

The XYZ Club of Kewaskum will hold a potluck dinner on Wednesday, Feb. 9, in observance of Valentine's Day, at the Legion Clubhouse. Please bring a dish to pass and your own place setting.

The dinner had originally been scheduled for February 16. Please make a note of this change.

## Campus Notes

Chilli Dreher Taylor of Kewaskum is choreographer for a University of Wisconsin-Whitewater production of the musical FIDDLER ON THE ROOF.

Directed by Professor Charles Grover of the Theatre/Dance Department, with musical direction by Professor Dennis Rohrs of the Music Department, the show will be presented Feb. 25-27 and Mar. 1-5 in Barnett Theatre of the campus Center of The Arts. Curtain is at 8 p.m. with exception of Sunday, Feb. 27, when the performance will be a 2 p.m. matinee. Tickets can be reserved by phoning (414) 472-3171.

A theatre major and dance minor, Chelli is the daughter of Charleen and Al Barutha, 1510 Brooklane Dr., Kewaskum.

Ken J. Bauer, son of Mr. and Mrs. Roger Bauer, 8989 Highland Drive, Kewaskum, qualified for the Dean's Honor Roll in Architectural Engineering during the fall quarter at the Milwaukee School of Engineering.

Two students from Kewaskum have been named to the dean's list for the first semester at the University of Wisconsin-Platteville.

They are Lee J. Roehrdanz, son of Virginia Sonnenberg, 529 Knights Ave.; and Joseph A. Swanson, son of Mr. and Mrs. Leroy Swanson, 8010 Kettle View Dr.

To be named to the dean's list a student must attain a grade point average of 3.50 or better, based on a 4.0 system.

Two area students have made the Dean's List at Lakeland College (Sheboygan, Wis.).

Melissa Meta Clement Koch is the daughter of Mr. and Mrs. Harry E. Koch of Kewaskum. She is a Lakeland freshman majoring in Accounting and Business Administration. She is a 1982 graduate of Kewaskum Community High School.

Henry Schilter is the son of Mr. and Mrs. Richard Schilter of Allenton. Henry is a Lakeland junior majoring in Business Administration with a minor in Coaching. He is a 1980 graduate of Kewaskum High School.

Seniors from Kewaskum High School were among visitors who attended a Jan. 21 On-Campus Day at the University of Wisconsin-Whitewater.

On-Campus Days give prospective students and their parents an opportunity to learn

more about UW-Whitewater. They can visit with students, administrators, and faculty, receive academic counseling and general orientation, and take tours of the campus, including residence halls and classroom buildings. Each academic department has faculty and students available to discuss courses of study.

Visitors included Pam Heberer, 691 Mill Rd., who has been accepted for admission to UW-Whitewater to study accounting; Rachel Ellefson, Route 2, Townline Rd., who has applied for admission to study business, and Lynda Fry, 2929 Highway H.

### Junior Women to Hold Potluck; Have Speaker

On Tuesday, Feb. 8, the Kewaskum Junior Woman's Club will hold their monthly meeting. This meeting is the club's annual pot-luck supper with their husbands.

The speaker for the evening will be Michael Breen, an instructor at MPTI, who will speak on "Building Your Child's Self Esteem." Mr. Breen teaches this course at MPTI and will give some brief highlights of the course and answer any questions.

The meeting will be held at the Legion Hall beginning at 7 p.m. with dinner served at 7:30. Hostesses for the dinner are: Debby Herman, Karen Keller, Sue Wessing, Marilyn Brath, Jo Ann Butzlaff, Sharon Swenkoske and Marilyn Koehne.

### CHIMNEY FIRE AT RODEN HOME

Kewaskum firemen were called out Sunday morning at 8:30 a.m. to a severe chimney fire at the Lloyd Roden home on Kettle Moraine Drive just south of County Trunk H. There was no damage to the home.

### BOOSTER CLUB TO MEET

On February 9, at 7:30 p.m., the Kewaskum Indian Booster Club will meet in the High School Cafeteria. The Board will meet at 7:00. Plan to be there as we will start making plans for our Awards Banquet in May. Plus, we have a few surprises planned. See you Wednesday!

### Rescue Squad Calls

Tuesday, Jan. 25 — John Vincent Gildersleeve, 9, son of Mr. and Mrs. Fred Gildersleeve, 451 Lazy Lane, Kewaskum, taken to St. Joseph's Community Hospital, West Bend, with injuries he suffered in a fall off a ski lift.

Tuesday, Jan. 25 — George Schroeder, 65, 119 Roseland Dr., Kewaskum, taken to St. Joseph's Community Hospital from his home with illness.

Thursday, Jan. 27 — Ernest (Bob) Gruber, 61, 8975 Highland Dr., Kewaskum, taken to St. Joseph's Community Hospital from his residence with illness.

Friday, Jan. 28 — Denise Kautzer, 20, 1535 N. 25th St., Sheboygan, taken to the hospital with injuries suffered in a ski mishap.

Saturday, Jan. 29 — Selma C. Backhaus, 90, 1718 Fond du Lac Ave., Kewaskum, taken to St. Joseph's Community Hospital from her home with a possible stroke.

## DROWNING

[Continued from Page 1]

Miss Johnson was conveyed to St. Agnes Hospital, Fond du Lac, by Theresa ambulance. Attempts to raise her body temperature at the hospital were unsuccessful and she was pronounced dead at 3:38 p.m.

Detectives went house-to-house to determine the identity of the woman. Miss Johnson's mother said her daughter went for a walk about 10 a.m. Her daughter often went for walks in the area of the pond, sometimes with the family's dog, she said. Pipp lives just north of the pond.

Fond du Lac County Chief Deputy James Gilmore said the death has been ruled as accidental drowning.

An obituary appears on another page.

### Woman's Club to Meet At Vince Groh Home

Members of Kewaskum Woman's Club will meet at the home of Vincent and Bernice Groh on Thursday, Feb. 10, at 4:00 p.m.

After the meeting, Arnold Stommel will give a demonstration on decorative foods.

Members are reminded to bring a sandwich. Guests are always welcome.

### XYZ CLUB SKAT WINNERS

Skat results at the XYZ Club at the Legion Hall on Wednesday, Jan. 26, were Fritz Kral, 20-1-19 net; Francis Gilboy, 14-1-13 net; Harold Eggert, 13-1-12 net; Ted Rohlinger, Spade Solo vs. 4.

## West Bend Home & Garden Show

This crowd at last year's Home Show enjoyed consumer sessions and over 70 booths of home and garden equipment and services. This year, Miller's of Kewaskum will be an exhibitor at the seventh annual Show which begins Friday, February 18, at Silverbrook Middle School in West Bend. Tickets are available at Miller's for 50c each. Tickets at the door will be \$1.00.

### Henry S. Reuss Ice Age Center Near Dundee Gets Beautification Award

The Henry S. Reuss Ice Age Visitor Center recently received a beautification award from the Natural Beauty Council of Fond du Lac County.

Richard Van Osch, Ice Age Naturalist at the Center was on hand to accept the award, which recognizes organizations and individuals who have improved beautification. According to Van Osch, the visitor center was landscaped with forty-eight species of native prairie grasses and wildflowers along with fourteen species of native trees, shrubs and vines.

The Ice Age Center, located in the Kettle Moraine State Forest-Northern Unit near Dundee, has been well received by the 43,000 visitors since it was opened in January, 1981. A review of the Center's register has revealed that visitors from 46 states and 25 foreign countries have been attracted to the Ice Age Unit.

The center is also popular with local residents, according to Walt Adams, Forest Superintendent. Eighty percent of the visitors to the Center came from the counties of Fond du Lac, Sheboygan, Washington, Ozaukee, Milwaukee and Waukesha.

A main feature of the Center is a film on Wisconsin's Glacial Period called "Night of the Sun" produced by the National Park Service. The Center also has many exhibits explaining the glacial features formed during the Wisconsin Ice Age. Eleven outdoor interpretive signs to be located at various sites of the glacial features are planned for the near future.

The Kettle Moraine Forest is one of nine units of the Ice Age Scientific Reserve, a cooperative program between the National Park Service and the Wisconsin Department of Natural Resources. Other units of the Reserve include the Campbellsport Drumlin Area, Horicon Marsh, Two Creeks, Cross Plains, Devils Lake State Park, Mill Bluff State Park, Interstate State Park and the Chippewa Moraine Area.

### Special School Board Meeting Tuesday

There will be a Special Board Meeting on Tuesday, February 8, 1983, at 7:30 p.m. in the Administrative Building at 1450 School St., Kewaskum, WI. This expulsion hearing will adjourn to a closed session under State Statute 19.85(1)(f) "Considering financial, medical, social, or personal histories or disciplinary data of specific persons."

There will be a Special Board Meeting on Tuesday, February 8, 1983, at 8:00 p.m. in the Administrative Building. The Special Meeting is to discuss the 1983-84 school budget.

# Today's Medicine

## THE REAL TYLENOL TRAGEDY By David G. Ley B.S., R.ph.

In the wake of the Tylenol tragedies, it should be pointed out that there is an even greater tragedy that has to be prevented. If public hysteria causes patients to lose confidence in the safety of their medication, discontinuance of their course of therapy could result in life-threatening situations.

Since no packaging requirements or federal regulations will absolutely guarantee a tamper-proof container, there are precautionary measures you should take to prevent such isolated incidents from occurring in the future.

- \* Inspect the package carefully. Check for loose, torn or missing wrapping. Make sure that the outer seal (if one is present) is intact. Watch out for punctures that may have been caused by a needle or other sharp instruments.

- \* Always examine the container in an area that is well-illuminated. Make sure that the correct amount of liquid or tablets and capsules are present. Look for any changes in color, size, shape, markings or unusual odors.

- \* Use your senses of taste, feel and smell to determine if the product has been altered.

- \* And finally, if tampering is suspected, return the product for inspection to your pharmacist.

The Federal Drug Administration is making immediate efforts to produce tamper-resistant medication and packaging that will aid the consumer in detecting whether a product has been altered. Public awareness and improved packaging techniques will keep these isolated incidents of madness limited to very scarce events.

## Revenues Generated by County Treasurer's Office Top \$1 Million Mark for Fourth Year

Revenues generated by the Washington County Treasurer's office have topped the \$1 million mark for the fourth year in a row, County Treasurer, Fredric A. Seefeldt, reported this week.

"Total revenues for 1982 were in excess of \$1.2 million," said Seefeldt. "\$1,027,000 or 83% of the revenues were generated by the investment of unexpended appropriations and reserves throughout the year. 17% or \$210,000 came from interest charged on delinquent taxes. Another \$595.75 was received in tax search fees for a grand total of \$1,238,255.86," Seefeldt explained.

"In spite of a declining market, interest income on investments again exceeded the \$1 million mark for the second year in a row," Seefeldt pointed out.

"This was accomplished despite the fact that we began 1982 with \$600,000 less dollars available for investment than at the outset of 1981. In addition, a jump in delinquent real estate taxes took another \$600,000 out of circulation," Seefeldt added.

"Interest rates earned on county funds ranged from a high of 15.5% in February to a low of 8% in December. Rates were on the decline throughout the year, with rates under 10% for the last quarter of the year,"

Seefeldt reported.

"Overall, revenues are just \$80,000 short of the all time record established in 1981, a year of record interest rates. The decrease in investment income was offset by an increase in interest collected on delinquent taxes," Seefeldt explained.

Seefeldt, who has been county treasurer since September 1979, commented that, "good cash management practices, which free up maximum dollars for short term investment, have made a significant contribution to these four consecutive million dollar years."

"Most importantly, each dollar of investment income generated by the county treasurer is in effect a dollar of tax relief for Washington County taxpayers. It means that one less dollar has to be raised from the property tax," Seefeldt concluded.

A good strainer for lumpy paint is an old nylon stocking.

County 4-H & Youth Agent

### FARM TRACTOR SAFETY COURSE

Accidents cause more deaths to persons between the ages of 15 and 24 than all other causes combined. On the farm, the major cause of accidents is working with tractors and farm machinery. Most of the accidents happen when the operator does not know how to operate the tractor or machine correctly or is unaware of the dangers involved.

To help reduce accidents, a farm tractor safety course has been started. A federal law says that no youth between 14 and 16 years of age may be hired to operate a tractor on a farm unless he has taken the safety course.

A tractor safety course will be conducted by the High School Vocational Agricultural Departments, MATC, and University of Wisconsin Extension in Washington County. It will be on Saturdays at the Hartford High School beginning March 26 from 9:00 a.m. to 3:00 p.m. It is open especially to youth who will be 14 and not over 16 years of age by June. However, if there is room, other youth will be accepted. The federal law requiring the safety course does not apply to youth who will be working on their own farm. However, the safety course would be a good thing to enroll in even if a youth does not plan to work for others.

The course includes instructions on understanding how to operate a tractor, with the emphasis on safety. To complete the course a member must attend four sessions and then pass a written and a driving exam.

You may get details and information on registration from your High School Vocational Agriculture Instructor, MATC North Campus, or from the University of Wisconsin Extension Office in West Bend, Phone 338-4478 or 644-5204.

### MEETING HERE FEB. 9

## Farmers Home Administration Encourages Farmers to Participate in PIK Program

STEVENS POINT — Farmers Home Administration (FmHA) State Director, Keith Kreul, is directing FmHA District Directors and County Supervisors throughout the state to encourage Wisconsin farmers to seriously consider participating in the new Payment-In-Kind (PIK) or "Crop Swap" program.

Kreul, who just returned from a Department of Agriculture briefing in Washington, DC, said he is "thoroughly convinced that the PIK program can go a long way toward solving surplus grain problems and easing the cost-price squeeze, while at the same time, holding down federal spending."

The meeting in Washington, Kreul said, was called by Secretary of Agriculture John R. Block. It included comments by the Secretary and detailed briefing by Agriculture Stabilization and Conservation Service (ASCS) Administrator Everett Rank and FmHA Administrator Charles W. Shuman, among others. Wisconsin ASCS personnel, including State Executive Director, Kieran Powers, and State committee members, Lyle Fechtelkottter and Charles Russell, were also in attendance at the meeting.

"There is no doubt in my mind," Kreul said, "that this innovative PIK program can be of great benefit to Wisconsin's farmers. It can help reduce the need for operating capital, reduce interest costs, and hold production to a more realistic level this year and, if necessary, next year. It can help relieve cash flow problems for many farmers and in the long run improve the general agricultural economy."

"I sincerely hope that every farmer will study the details of the new program with an open mind and determine its benefits

before the end of the sign-up period, March 11th," Kreul said.

Kaltenberg Seed Farms, Waunakee, Wis., is sponsoring several informative sessions on the Government's proposed PIK (Payment in Kind) program in specific counties in Wisconsin, Minnesota and Iowa. These sessions are open to everyone and free of charge. The local ASCS (Agricultural Stabilization and Conservation Service) representative will speak at each meeting along with a Kaltenberg representative.

The PIK program has been devised by the Government to cut back on the surplus of corn grown in this country with compensation being given to farmers by the Government for their cooperation.

The meeting scheduled for Washington County, will be held at the Labor Center, 1230 Fond du Lac Ave., Kewaskum, on Wednesday, Feb. 9, at 7:45 p.m. ASCS officer Don Sampson, Washington County, will speak.

# From the School Board President's Desk . . . .

How is next year's school budget coming along? The Board has just started considering next year's budget, and it is not an easy task—just as preparing your own budget is not easy. Income and out-go do not seem to want to agree. We all want what is best for our children, and, at the same time, we know that we cannot afford everything that is present on the wish lists. The Board must be able to justify every expenditure and every cut—not just on a monetary basis but also on an academic one. As I was told last week, there is a fine line between being fiscally responsible and being miserly. The Board has the responsibility to find that line.

Have you any budget ideas for the Board to consider? Are you aware of any areas in which we could save money? Write to Dr. Charles Ogi, P.O. Box 201, Kewaskum, Wi. 53040.

Dr. Charles J. Ogi

## Joseph Gruber Calls U.N. Resolution Opportunity for Disabled Persons

Joseph Gruber of rural Campbellsport, chairman of the Fond du Lac County National Year of the Disabled Committee, said the recent United Nations resolution is an opportunity for disabled persons. It is a "world-wide vote of confidence" in their potential.

The U.N. General Assembly, on Dec. 3, 1982, passed a resolution adopting a world program of action for disabled persons and declared 1983-1992 as the "Decade of Disabled Persons."

"This important resolution can benefit disabled persons in the Fond du Lac community. It will help us sustain the work that was started here in the International Year of Disabled Persons 1981, and continued in the National Year of Disabled Persons 1982," he said.

The world program of action calls upon governments, international and national organizations and people everywhere to increase participation of disabled persons in national and community life.

This will help the Fond du Lac community continue its efforts to strengthen local initiatives in education, employment, rehabilitation, opportunities for disabled persons, greater access, and efforts to prevent disability.

In the United States, more than 35 million persons are disabled, and throughout the world more than half a billion. Furthermore, disability can strike anyone, anywhere at any time. "No one is completely immune from the possibility of becoming disabled," said Gruber.

The U.N. Resolution will help

stimulate action and support for the continuation of the momentum generated by the International Year of Disabled Persons, and spearheaded by the National Organization on Disability, headquartered in Washington, D.C. it is a non-profit organization which coordinates the efforts of the community, corporate, and national partner committees across the country furthering the longterm goals of and for Americans with disabilities.

## 30 Years Ago

February 3, 1933

Reuben Schultz, 19, son of Mr. and Mrs. Henry J. Schultz of the Town of Auburn, an employee of Henry Fick, also in said town, sustained a fractured left leg last Friday afternoon. Mr. Schultz that afternoon was engaged in trimming out limbs of felled trees, when suddenly the tree he was trimming started to roll and one of the limbs struck Mr. Schultz and threw him forcibly over the felled tree. Mr. Schultz was alone at the time and after regaining sufficient strength he crawled about 60 rods towards the Fick home. When about 40 rods from the house he became exhausted and could not crawl any further. His cries for help were heard by the daughter of Mr. and Mrs. Arthur Naumann, who was playing near the Fick home. She ran to tell Mrs. Fick who rushed to the aid of the un-

fortunate man and helped him to the house.

Village Clerk S. N. Casper on January 11, 1933, took several samples of water at the public pumping station and the Kewaskum Creamery, sending same to Madison for analysis. Last week he received the return which show that the city water is absolutely safe.

Last week Friday, Frank Hopkins, manager of the Moon Lake Refuge Grounds, received three crates of pheasants from the Gaybird Pheasant farm at Ct. Messenden, Bucks, England. The shipment consisted of 30 birds and were valued at \$4 each.

Station Agent A. P. Schaeffer last week received an order that effective at once northbound Passenger Train No. 101 due at Kewaskum at 9:30 p.m. will make a flag stop at this station to leave off and take on passengers.

Mr. and Mrs. Albert Lierman of Beechwood are the proud parents of a baby girl born to them last week. Mr. and Mrs. Walter Liepert of Boltonville are the proud parents of a baby boy born to them on January 21.

## 50 Years Ago

January 30, 1953

Funeral services for Pvt. Richard L. Schott, who was killed in Korea, will be conducted at the Miller Funeral Home, Kewaskum, on February 3. Pvt. Schott is survived by his mother, Mrs. Gertrude Schott, Milwaukee. She was the former Gertrude Staehler, a daughter of the late Mr. and Mrs. Math. Staehler of St. Michaels.

George Kippenhan, Kewaskum's first automobile dealer, died January 26, at St. Joseph's Hospital, West Bend, at the age of 74.

On Thursday, January 29, Miss Vernetta Backhaus, daughter of Mrs. Ella Backhaus, Kewaskum, completed her three year nurse's training at the Evangelical Deaconess Hospital, Milwaukee.

Holy Trinity Catholic School in Kewaskum was closed from Monday through Wednesday of this week because of the current flu epidemic which has closed many schools in Wisconsin.

Mr. and Mrs. Lawrence Wallenfelsz of Kewaskum announce the engagement of their daughter, Mildred, to John C. Odekirk, son of Mr. and Mrs. Harry Odekirk of Campbellsport.

Mr. and Mrs. Gregor Beis-

bier, Route 1, Campbellsport, announce the engagement of their daughter, Louise Theresa, to Joseph Ralph Bonlender, son of Mr. and Mrs. Ervin Bonlender of near St. Kilian.

Daughters were born to Mr. and Mrs. Wilmer Bunkelman, Route 3, Kewaskum, on January 27; to Mr. and Mrs. Myron Schuppel, Route 1, Kewaskum, on January 24; to Mr. and Mrs. Lawrence Galabinske, Kewaskum, on January 27, and to Mr. and Mrs. Raymond Pranskunas, Route 3, Campbellsport, on January 22. A son was born to Mr. and Mrs. Oliver Eichstedt, Route 2, Kewaskum, on January 24.

and untiring efforts of the neighbors the house was saved and in another hour's time the fire was under control. The origin of the fire is supposed to have started from hot ashes.

John Rosbeck died Sunday morning at the home of his daughter at Ashford, of bronchitis, at the age of 88. He was born in Bohemia, Germany, and emigrated to America in 1855. He leaves to mourn his demise one son, George and three daughters, Elizabeth (Mrs. Joseph Wondra), Margaret (Mrs. John Peter) of St. Kilian, and Mary (Mrs. Wenzel Janous) of Ashford.

On January 19, occurred the death of Isaac Brazelton at his home in Scott. He had passed the age of 87 and though remarkably hale for one of his years, he did not survive the paralytic stroke which overcame him. He was born in New Market, Tennessee, on July 3, 1820, and in 1843, his marriage to Miss Jane Lemley took place. In 1847 they went to Sheboygan where Mr. Brazelton conducted a meat market and dealt in livestock until 1861 when he moved to Scott. Here he farmed extensively and kept a store. In 1863 he was appointed postmaster and held the office continually until it was discontinued. He is survived by a daughter, Mrs. J. M. Saeman of Sheboygan, and two sons, William of Fort Collins, Colorado, and Edward of Batavia.

A baby girl was born to Mr. and Mrs. William Bartelt of New Prospect last Tuesday, and a baby boy was born to Mr. and Mrs. Joseph Schoofs of Kewaskum last Saturday.

## 75 Years Ago

February 1, 1908

H. Mohrhussen, representing the Milwaukee Northern R'y. Co., was in the village Tuesday and met the town board for the purpose of having a permit granted to cross public highways in the town for the proposed electric line to be built through here.

The Town of Ashford has received a large consignment of stone to be used for building a bridge over the Milwaukee River in the southeast corner of the township.

The second blizzard of the season passed over this section last Sunday. The snowfall which came with the wind drifted the roads badly by Monday morning. On Wednesday morning we experienced the first zero weather when the thermometer showed 14 below.

The people of Kohlsville were aroused early Tuesday morning when fire was discovered in Ferdinand Sell's barn. In an hour's time the building was consumed and the rear end of the house which stands but 15 feet away was all ablaze. However, with the prompt action

## Eastern Wisconsin Honors Band and Choir

Third annual Honors Band performance held at Chilton High School last month.

Third annual Honors Choir concert held at Chilton High School last month.

January 22, 1983, was a big day for musicians in the Eastern Wisconsin Conference. Around 175 students from the seven schools participated in a full day of rehearsal which ended with an excellent concert that night.

The top musicians from each band and choir in the conference was selected by their directors and notified of their acceptance by letter from the host school, Chilton. This was the third annual Honors program since the conference was started in 1980-81. Kewaskum

was host in 1981, and Chilton hosted it in 1982 and 1983. The Honors program in 1982 was snowed out with no make-up date available.

Guests conductors for the day were: Mr. Allen R. Lemery from Goodrich High School in Fond du Lac, and Dr. Alvin Curtis, from the University of Wisconsin-Oshkosh.

Students from Kewaskum selected were: Choir-Denise Anderson, Annette Jandre, Jacky Loof and Colleen Shaw,

Sopranos; Jackie Kirmse, Patti Seefeldt, Mary Straub, Debie Schmidt and Laurie Steiner, altos; Rick Steiner, Tom Strigenz, Darren Schacht and Gunner Schlieter, tenors; Jeff Schmidt, Jim Braun and Dan Menzel, basses. Band members selected were: Val Plaum-Piccolo, Liz McCurdy-Flute, Sue Lemke-Oboe, Paul Anderson-Bassoon, Sue Schmitt, Jama Jacak and Pam Krahn-Clarinet, Andy Eisenmann and Jan Hazlewood-Trumpets, Heidi Edgar and Heidi Schlieter-French Horns, Peter Nohlmans-Baritone, and Cathy Schlice-Trombone.

### MPTI Farm Course, Other Classes Here

MPTI will offer a course in farm commodities/features at Kewaskum High School starting Monday, Feb. 14, at 8:00 p.m. This course should be of interest to area farmers.

An electricity course will be offered on Thursday evenings at 7 p.m.

Registrations are now being accepted for the last upholstery class of the year.

Call 626-2166 to register for any of these classes.

### Washington County Environmental Council to Meet

Which areas of Washington County have been designated wetlands? This question will be answered for members of the Washington County environmental Council and any other county residents interested in knowing, at a public meeting Feb. 13. Paul Mueller, County Land Use and Park administrator, will show the new county wetland maps and give a slide talk on wetlands at 2 p.m. in the public meeting room of the Marine Bank, West Bend.

The mapping of Washington County's wetlands was done by the Southeastern Wisconsin Regional Planning Commission under a contract from the Department of Natural Resources to comply with a mapping program mandated by the legislature in 1978. All wetland areas 2 acres or larger were field checked by SEWRPC before being placed on the maps. Any residents who question the accuracy of the maps may send comments to the Park and Planning Commission by Feb. 24, 1983 and these will be forwarded to the state.

After the maps have been approved for the county, the county must draw a new wetland ordinance in compliance with state law. One provision under the new law is that wetlands now in agricultural use may remain agricultural. Wisconsin originally had between 7.5 and 10 million acres of wetlands. Now only about one third of that area is wetland. The new ordinances are to protect these areas, which are important for flood retention, water re-charge, pollution reduction, hunting, fishing and nature study.

Waiter--How did you find your steak, sir?"

Diner--It was just luck. I happened to move that piece of potato and there it was.

**Your  
HEALTH  
TIP**

from Tom  
Leitzke, R.P.H.

### FIBER BENEFITS

It is proven that a high fiber diet [bran, lots of green vegetables, whole wheat and rye breads, natural cereals] stimulates the intestines, reduces constipation - also reduces the incidence of diverticulitis and cancer of the colon and rectum. No less true, high fiber diets help in diabetes mellitus. Annals of Internal Medicine states that diabetic patients' insulin needs fall when they take high fiber diets. The physician should be notified when a diabetic patient changes to a high fiber diet.

## Open House Sunday at Preschool Activity Center At North Point Shopping Center

A smiling sun peeks down from behind a cloud and winks a welcome. Under the branches of a big tree friendly butterflies and bumble bees hover over a wide variety of books. Resting against a polka dot wall, paints and play dough and markers and crayons wait for young artists. A housekeeping area and dress-up clothes and blocks and riding toys and games and ...a child's paradise? Perhaps, but the three West Bend women who put their ideas and talents together to make it a reality think of it as a learning area designed to meet the educational needs for preschool age children.

The newly opened Preschool Activity Center is the creation of Marilyn Kellow, Paulette Weber and Sherry Zaporski. As parents and teachers the trio feels strongly about the importance of good preschool education. They are backed by recent research which shows that the first school experiences a child has may well be his most important educational experiences.

The school's program is designed to have the structure necessary to give a child guidance and security while offering enough flexibility to encourage decision-making skills, creativity, and independence. The program stresses a wide variety of experiences, a creative approach to learning, and the constant

awareness that each of us is an individual and should be respected as such regardless of age.

The teachers endeavor to help children develop a positive self-image, encourage socialization skills, and develop readiness skills. The goal of the school is a child who feels good about himself; gets along well with and enjoys his peers; and has the skills and self-confidence to succeed in those tasks which are appropriate to his age.

The three friends are well equipped for working with young children. Marilyn Kellow holds a Master's degree in early childhood education and has taught kindergarten and pre-

school. Paulette Weber holds a B.S. degree in physical education, has continuing education credits in early childhood education, and has taught physical education and preschool. Sherry Zaporski holds a B.S. degree in art education and is currently working towards her Master's degree in early childhood/special education. She has taught art and preschool as well as doing children's programs in storytelling and puppetry.

The Preschool Activity Center will be having an open house on Sunday, February 6, from 1:00 to 4:00 p.m. It is located in the North Point Shopping Center, Hwy. 45, four miles south of Kewaskum. Parents and young-

sters are cordially invited.

The teaching staff will be available to answer questions concerning the new school as well as preschool education in general. The school currently offers an educational program for children 3 to 6 years of age, 2 or 3 sessions a week, from 9:00 a.m. to 11:00 a.m. Next fall parents will also have the option

of afternoon classes. Registration is currently being accepted for the spring and fall semester on a first come basis. Special summer activities for preschoolers will be announced at a later date. For further information please call 338-3833.

The photos are scenes from the Preschool Activity Center.

## LETTERS TO THE EDITOR...

To the Taxpayers of Kewaskum School District:

This is in regard to Mr. Charles Ogi's article in the paper regarding drivers education. Mr. Ogi why don't you put in the paper some facts and figures what it costs. To my knowledge about two hundred students take drivers education now for some figures. If I am wrong I stand to be corrected. This program costs about \$23,500.00 which \$40.00 per student is reimbursed by the state which amounts to \$8,000.00. Then \$50.00 per student is paid by the student or parent which amounts to \$10,000.00 plus the above eight thousand equals \$18,000.00 which leaves the school or taxpayers with a balance of \$5,500.00 to pay so the cost to the taxpayers is about \$27.50 per student. Is this too big a price to pay for student education compared to a lot of other things?

For one, what did it cost the district to hire a consultant when we needed a new Superintendent? Were there not enough qualified people on the school board to handle this without spending extra dollars? If you want to cut costs start on fringe's we don't need, I could name a few. But subjects a student needs to earn a living and go on to school, let's not take away from them. Mr. Ogi, Drivers Education is one subject I think should stay. Don't start by scraping the bottom of the barrel.

Thank you for the Space  
Clara Trapp

COMPLETE DINNER — Salad, potato, Lazy Susan with hot hor d'oeuvres and a hot loaf of bread.  
**ONLY \$10.95**

**Excellent Trails for Cross-Country Skiers  
In Kettle Moraine State Forest Northern Unit**

This winter season, cross-country skiers will have a choice of two excellent trails on which to enjoy their activities in the Kettle Moraine State Forest-Northern Unit according to Walter Adams, Unit Supervisor.

The Zillmer Trail which had been under development and modification the past two years is now complete. The trail includes three loops, the green and red loops measuring 1.8 and 3.0 miles respectively, are rated as intermediate trails. The yellow loop, measuring 5.4 miles is an advanced ski trail.

"Advanced skiers will find the yellow loop a challenging as well as an enjoyable experience," noted Adams.

The new, 120-car asphalt parking lot located off County Trunk Highway SS has also been completed, along with restrooms and a modest parking area.

"Improvements on the Zillmer Trail were needed to take the pressure off of the heavily used Greenbush Loop Trails," said Adams. The 12 mile, 4 loop Greenbush Loop Trails has been a favorite ski trail for many years.

Some modification of the Greenbush trail has occurred to improve cross-country skiing conditions. In addition, a 120-car parking lot has been completed at the Greenbush Group Camp in order to increase parking capacity and reduce

traffic congestion. Access trails from the lot to the loop trails have also been added.

Beginning skiers may want to try skiing the 2 mile Tamarack Nature Trail or the Long Lake Campground roads prior to venturing out on the Zillmer or Greenbush Trails.

Both the Zillmer and Greenbush Trails will be groomed and track set on a regular basis. Both trails have a one-way traffic pattern.

The Wisconsin State Parks and Forest Vehicle Admission Sticker is required for both trails. Vehicle rates are Resident Annual - \$10.00, Resident Daily - \$2.00, Non-Resident Annual - \$15.00, and Non-Resident Daily - \$3.00.

**Wisconsin Potatoes  
Are Still Plentiful**

The Wisconsin Agriculture Reporting Service reports that Wisconsin potatoes are plentiful this year, with 9.4 million CWT (940 million pounds) still in storage as of January 1.

Brad Kufalk, statistician with the Wisconsin Dept. of Agriculture, Trade & Consumer Protection, says that the potatoes still in storage represent 42% of the 1982 crop. He points out that current storage stocks are 21% greater than at this same time last year, due mainly to the high 1982 crop production.

Prior to January 1, potatoes sold or removed from storage totaled 13.2 million CWT (1.32 billion pounds), a 27% increase compared to the same time a

year earlier.

As of January 1, storage stocks of fall potatoes in the 15 major potato producing states in the U. S. totaled 173.5 million CWT which represents 59% of the 1982 crop production in those states. Current storage stocks in the 15 states are six percent higher than they were on January 1, 1982. According to Kufalk, 120.6 million CWT had been sold or removed from storage prior to January 1.

## Selma Backhaus, Raymond Schwartz, Others Pass On

Mrs. Selma C. Backhaus, 90, of 1718 Fond du Lac Ave., Kewaskum, passed away Saturday, January 29, at St. Joseph's Community Hospital in West Bend, where she had been a patient for one day.

She was born on October 10, 1892, in the Town of Kewaskum to the late August and Ulricka Backhaus Miller. On October 5, 1912, she married Herbert H. Backhaus, who passed away in July 1942.

Mrs. Backhaus was a member of the Peace United Church of Christ in Kewaskum.

Survivors include five children, Herbert A. of Campbellsport, David (Virginia) of Kewaskum, Richard (Marilyn) of West Bend, Mrs. Henrietta (William) Korchunoff of Wauwatosa, and Mrs. Belinda (John) Reith of Sayner, Wis. She is further survived by 16 grandchildren; 19 great-grandchildren; other relatives and friends. Two sons, two daughters, one daughter-in-law, two brothers and two sisters preceded her in death.

Services for Mrs. Backhaus were held on Tuesday at 2 p.m. at the Peace Church in Kewaskum with Rev. Darrell Joiner officiating, and burial was in their church cemetery. Visitation was on Monday after 4 p.m. at Miller's Funeral Home in Kewaskum and at the church on Tuesday from 12 noon to the time of services.

### RAYMOND A. SCHWARTZ

Raymond A. Schwartz, 72, of Kewaskum, formerly of Fond du Lac, passed away on Thursday, January 27, at St. Joseph's Community Hospital in West Bend where he had been a patient for two weeks.

He was born on March 26, 1910, in Lomira to the late Fred J. and Elizabeth Cordy Schwartz. He had been an employee for Regal Ware Inc., in Kewaskum, served with the US Army during World War II and was a member of Trinity Lutheran Church in Dundee.

On January 2, 1948, he married Clara M. Haegler in Yuma, Arizona.

Survivors include his wife; four brothers, Victor of Fond du Lac, Fred and Lee of Milwaukee and Leslie of Lomira; two sisters, Mrs. Blane (Pearl) Hienzelman of Elkhart, Indiana, and Mrs. Elroy (Ione) Evans of Madison. He is further survived by four sisters-in-law, Mrs. Ray (Marge) Weiss of Campbellsport, Mrs. Joseph (Sylvia) Adams of California, Mrs. Carl (Elvira) Schmidt of Armstrong and Mrs. Clarence (Marie) Reigle of Kewaskum; one brother-in-law, Ernest of Waucousta; other relatives and friends.

Services for Mr. Schwartz were held at 2 p.m. in Trinity Lutheran Church in Dundee on Saturday, January 29, with Pastor William Stuebes officiating, and burial in the church cemetery. Visitation at Miller's Funeral Home in Kewaskum was on Friday after 4 p.m. and at the church from 12 noon to the time of services.

### MRS. HILDEGARD KOEPKE

Mrs. Hildegard W. Koepke, 76, of Meadowbrook Manor, 475 Meadowbrook Lane, West Bend, formerly of Auburn Lake, passed away at her residence

on Saturday, January 29.

She was born on August 30, 1906, in Osceola Township to the late Frederick and Amelia Habek Kutz. On January 29, 1927, she married Rudolph Koepke in Town Scott, Sheboygan County. He passed away in 1972. She was a member of the Immanuel Luth. Church in Town Scott.

Survivors include two children, Mrs. Mavis (Gerhard) Schulz of Oregon, Wis. and Norman (Janice) of Route 2, Campbellsport. She is further survived by one granddaughter, LuAnn Koepke; one sister, Mrs. Marie (Jacob) Raether of Meadowbrook Manor, West Bend; relatives and friends.

Visitation was on Tuesday, February 1, at the Immanuel Lutheran Church in Town Scott from 4 to 7 p.m. when services were held with Rev. Wm. Robinson officiating. Burial was in the church cemetery.

Miller's Funeral Home of Kewaskum was in charge of arrangements.

### HELEN S. SCOTT

Helen S. Scott, 64, of 4272 Raymir Pl., Wauwatosa, died Saturday, January 22, as a result of a van - pedestrian accident.

The former Helen Rosenthal was the daughter of the late Paul and Hilda Rosenthal of Beecroft. She graduated from Kewaskum High School in 1937.

She is survived by her husband, William G.; three children, Sandra (Roger) Gilbertson, William E. (Ruth) and Bret; three sisters, Hildegard Couturier, Laura Pieffer and Esther Ehner of New Fane; six grandchildren; relatives and friends. A brother, Harold, and her parents predeceased her.

Funeral services were held on Wednesday, Jan. 26, at 11:00 a.m. at Redemption Lutheran Church, 4057 N. Mayfair Rd., Wauwatosa, with interment in Wisconsin Memorial Park. Friends called at the funeral home Tuesday from 4:00 to 9:00 p.m. and at the church Wednesday from 10:30 a.m. until time of service.

Helen was a volunteer at Luther Memorial.

### GEORGENE JOHNSON

Visitation was from 4 to 9 Sunday and 10:30 a.m. until the time of services Monday for Georgene Johnson, 26, who died Thursday, January 27.

The funeral was held at 11 a.m. Monday at St. Matthew's Church at Campbellsport, with the Rev. Victor Kemmer officiating. Entombment was at Shrine of Rest Mausoleum in Fond du Lac.

Miss Johnson was born January 2, 1957, a daughter of George and Bertha Olbrys Johnson of Route 1, Campbellsport.

A member of St. Matthew's Catholic Church at Campbellsport, she graduated in 1975 from Campbellsport High School and in 1982 from Moraine Park Technical Institute.

She is survived by her parents; two brothers, James of rural Campbellsport, and Dan, at home; and three sisters, Jane of West Bend, Mrs. Jeff (Carol) Karoses of Plymouth, and Mary

Ellen of Menomonie, Wisconsin.

Her maternal and paternal grandparents preceded her in death.

### GEORGE P. MITCHELL

Funeral services for George P. Mitchell, 66, of 210 Spring Street, Campbellsport, were held at 8 p.m. Wednesday at St. Matthew's Catholic Church, Campbellsport. He died Monday, January 31, 1983, at his home.

The Rev. Victor Kemmer officiated and burial took place at 10 a.m. Thursday in the parish cemetery.

Friends called after 2 p.m. Wednesday at Twohig Funeral Home, Campbellsport.

He was born March 15, 1916, in the Town of Osceola, a son of the late Charles and Elizabeth Fitzgerald Mitchell. He married Angelina Soeller on February 18, 1939, at St. Martin's Catholic Church, Ashford.

Mr. Mitchell was a retired employee of Giddings & Lewis Machine Tool Company, Fond du Lac. He was a member of St. Matthew's Church at Campbellsport where he was custodian.

Surviving are his wife; a daughter, Mrs. David (Mary Ann) Walters of Campbellsport; two grandchildren; and a sister, Mrs. Eleanor Neuburg of Neno.

### ALBERT SCHULTZ

Albert "Pete" Schultz, 83, formerly of Route 3, Campbellsport, died Friday, January 28, at Sheboygan County Comprehensive Health Care Center.

Visitation was from 4 until 8 p.m. Monday at Twohig Funeral Home at Campbellsport. The funeral service began at 8 p.m. Monday at the funeral home, with the Rev. William Stuebs officiating. Burial was at Union Cemetery at Campbellsport.

Mr. Schultz was born November 4, 1899, the son of William and Otilie Marquardt Schultz in the Town of Osceola. He was active in church activities at Trinity Lutheran Church in Dundee.

Mr. Schultz was preceded in death by four brothers and four sisters.

### JERRY HAMMERMEISTER

Jerry W. Hammermeister, 40, of Route 2, Campbellsport, died Wednesday, January 26, at St. Agnes Hospital, Fond du Lac, after a one-year illness.

He was born in Milwaukee on April 8, 1942, a son of Donald and Ruth Schultz Hammermeister. He was a member of F&AM Fountain Lodge 26 of Fond du Lac.

Surviving are his father of West Bend; his mother, Mrs. Ruth Tobin of Route 2, Campbellsport; and a sister, Mrs. Bernard (Donna) Osgood of Route 2, Campbellsport.

Masonic services were held at 1:30 p.m. Saturday at Twohig Funeral Home, Campbellsport. Entombment took place in Shrine of Rest Chapel Mausoleum, Ledgeview Memorial Park Cemetery in Fond du Lac.

Visitation for Mr. Hammermeister was from 4 to 9 p.m. Friday at the funeral home.

### CLARENCE PETERSON

Clarence Carl Peterson, 78, of 662 Hwy. 84, Route 1, Fredonia, died Tuesday, January 25, at St.

Alphonsus Hospital, Port Washington.

He was born April 13, 1904, in the Town of Farmington, and married Cecil Austin of Rockford, Illinois, on June 21, 1927.

Survivors include his wife; one daughter, Hazel (Joseph) Kirst of Fredonia; seven grandchildren; three great-grandchildren; one brother, Armin (Marcella) of Saukville; one sister-in-law, Dorothy Peterson of Illinois; and other relatives and friends.

He was predeceased by one daughter, Lois Klas in 1976.

He was a Town of Farmington resident most of his life and engaged in farming and carpentry.

He was custodian for St. Martin's UCC for 24 years.

Funeral services were held Friday, January 28, at 2 p.m. at St. Martin's UCC, Fillmore. The Rev. David Jerger officiated and burial was in St. Martin's Union Cemetery.

Visitation at the Myrhum Funeral Home, West Bend, was Thursday after 4 p.m., and on Friday from noon until the time of services. There was a prayer service at 7:30 p.m. Thursday.

### ANNETTA BODEN

Annetta Boden, nee Boldt, 79, of Hillsdale, Wisconsin, formerly of West Bend, died Friday, January 28, at Lakeview Medical Center, Rice Lake.

She was born May 10, 1903, in Newburg, and moved to West Bend at an early age. On March 30, 1921, she married Arthur "Patsy" Boden in Waukegan,

Illinois. He passed away January 17, 1966.

Survivors include three children, Blanch (Robert) Stehling of Chetek, Ruth (Donald) Bartels of Freeland, Washington, and Barbara (Louis) Lusher of Hillsdale; six grandchildren; 12 great-grandchildren; one sister, Leona (Larry) Kuehl of West Bend; one brother Carl (Mabel) of West Bend; a sister-in-law, Victoria (Charles) Paulin of Port Washington; and other relatives and friends.

She was preceded in death by three sisters and one brother.

She was a resident of West Bend until moving in with her daughter in Hillsdale last April.

Funeral services were Tuesday at 11 a.m. at the Myrhum Funeral Home, West Bend. The Rev. George Mumm officiated, and burial was in Union Cemetery, West Bend.

Dr. Merlin Tuttle of the Milwaukee Public Museum will be the featured speaker at the "Explore, Discover, Experience" seminar being held at the University of Wisconsin-Washington County Center in West Bend Saturday, February 19. Known as the famous world expert, photographer and trainer of bats, Dr. Tuttle has just returned from Africa and will share some of his 6,000 newest pictures and discoveries of bats with the public.

The 1983 Explore, Discover, Experience Seminar is scheduled for Saturday, February 19, at the University of Wisconsin-Washington County Center in West Bend. A vast array of courses are offered on nature study, conservation, sports and hobbies. This one day seminar is co-sponsored by Kettle

Moraine Audubon Society, UW-Extension and UW-Washington County.

Special features this year include the famous world expert on bats, Dr. Merlin Tuttle, and youth seminars for children between the ages of 18 and 12 years. Youth seminars will offer children the opportunity to enjoy observing trained dogs, listening to an Indian storyteller, studying the tracks of animals in winter and learning about space colonization.

The variety of classes for adults include going on a winter walk and studying animal tracks, learning the secrets of bats, snowshoeing, seeing a beautiful prairie and learning

how to grow one, learning about birds or mushrooms or how the landscape was formed by the glaciers, finding out how wetlands teem with life or how space can be lived in, learning the secrets of home energy conservation, how to care for your 10-speed bike, how to keep physically fit or how to spin raw wool into yarn. Expert instructors will generously share information on all these subjects. Pre-registration is required by February 11. For more information please contact Dan Wilson, UW-Extension, P.O. Box 537, West Bend, WI 53095; phone 338-4480, 644-5204 or 342-2929.

**Change in Evenings For MPTI Course in Effective Parenting**

The six week Effective Parenting course offered at Moraine Park Technical Institute, West Bend, has been changed to Monday evenings.

Starting Monday, Feb. 21, West Bend marriage and family counselor Robert Schermacher will conduct the sessions which emphasize responsible behavior in children.

Class discussions will include

communication, understanding, mutual respect, and democratic principles; special focus will be on the feelings of both parent and child, their goals, and consequences of behavior.

Individual parents as well as couples are invited to enroll. Classes will be held at the West Bend High School, Monday evenings, 7:30 to 9:30 from February 21 to March 28.

Advance registration and payment of the \$6.70 fee are required. Stop at MPTI, 2151 N. Main to sign up by February 11. The Handbook for Parents is an additional \$4.85, plus tax.

# Wood Stoves Are Source of Warmth and Danger

Winter's cold chill draws closer by the day, many Americans are reminded — unpleasantly at that — of their large winter heating bills. As a result, more and more people have turned to alternate forms of heating, but the price paid for savings on fuel bills has been a dramatic increase in the number of residential fires, injuries and deaths.

One of the most popular home heating alternatives is the woodburning stove. Invented by Benjamin Franklin back in the mid-1700s, wood stoves were cited last year as a direct cause in more than 22,000 fires and 800 deaths. These figures are even more dramatic considering that fires and injuries caused by oil and gas heating units are steadily decreasing. In Oregon, for example, the state fire marshal's office reported that in 1981, 87 percent of all heating equipment fires were caused by woodburning stoves.

Despite the risks, scores of Americans are buying and installing woodburning stoves, primarily because they are effective in reducing heating bills. Per unit of heat, wood is less expensive than oil or gas. And unlike a standard fireplace, which tends to heat the air above the outside chimney, wood stoves are much more efficient in heating rooms where they're located.

### Proper Installation a Must

"Sixty percent of all woodburning stove fires are caused by faulty installation," commented Donald Mann, Senior Fire Protection Specialist in Aetna Life & Casualty's Engineering Division. "Most people who buy wood stoves are looking to save money on their heating bills, and they don't see the need to pay an expert to come out and install what looks like a simple operation. The cold, hard truth is that people don't realize what they're getting themselves into."

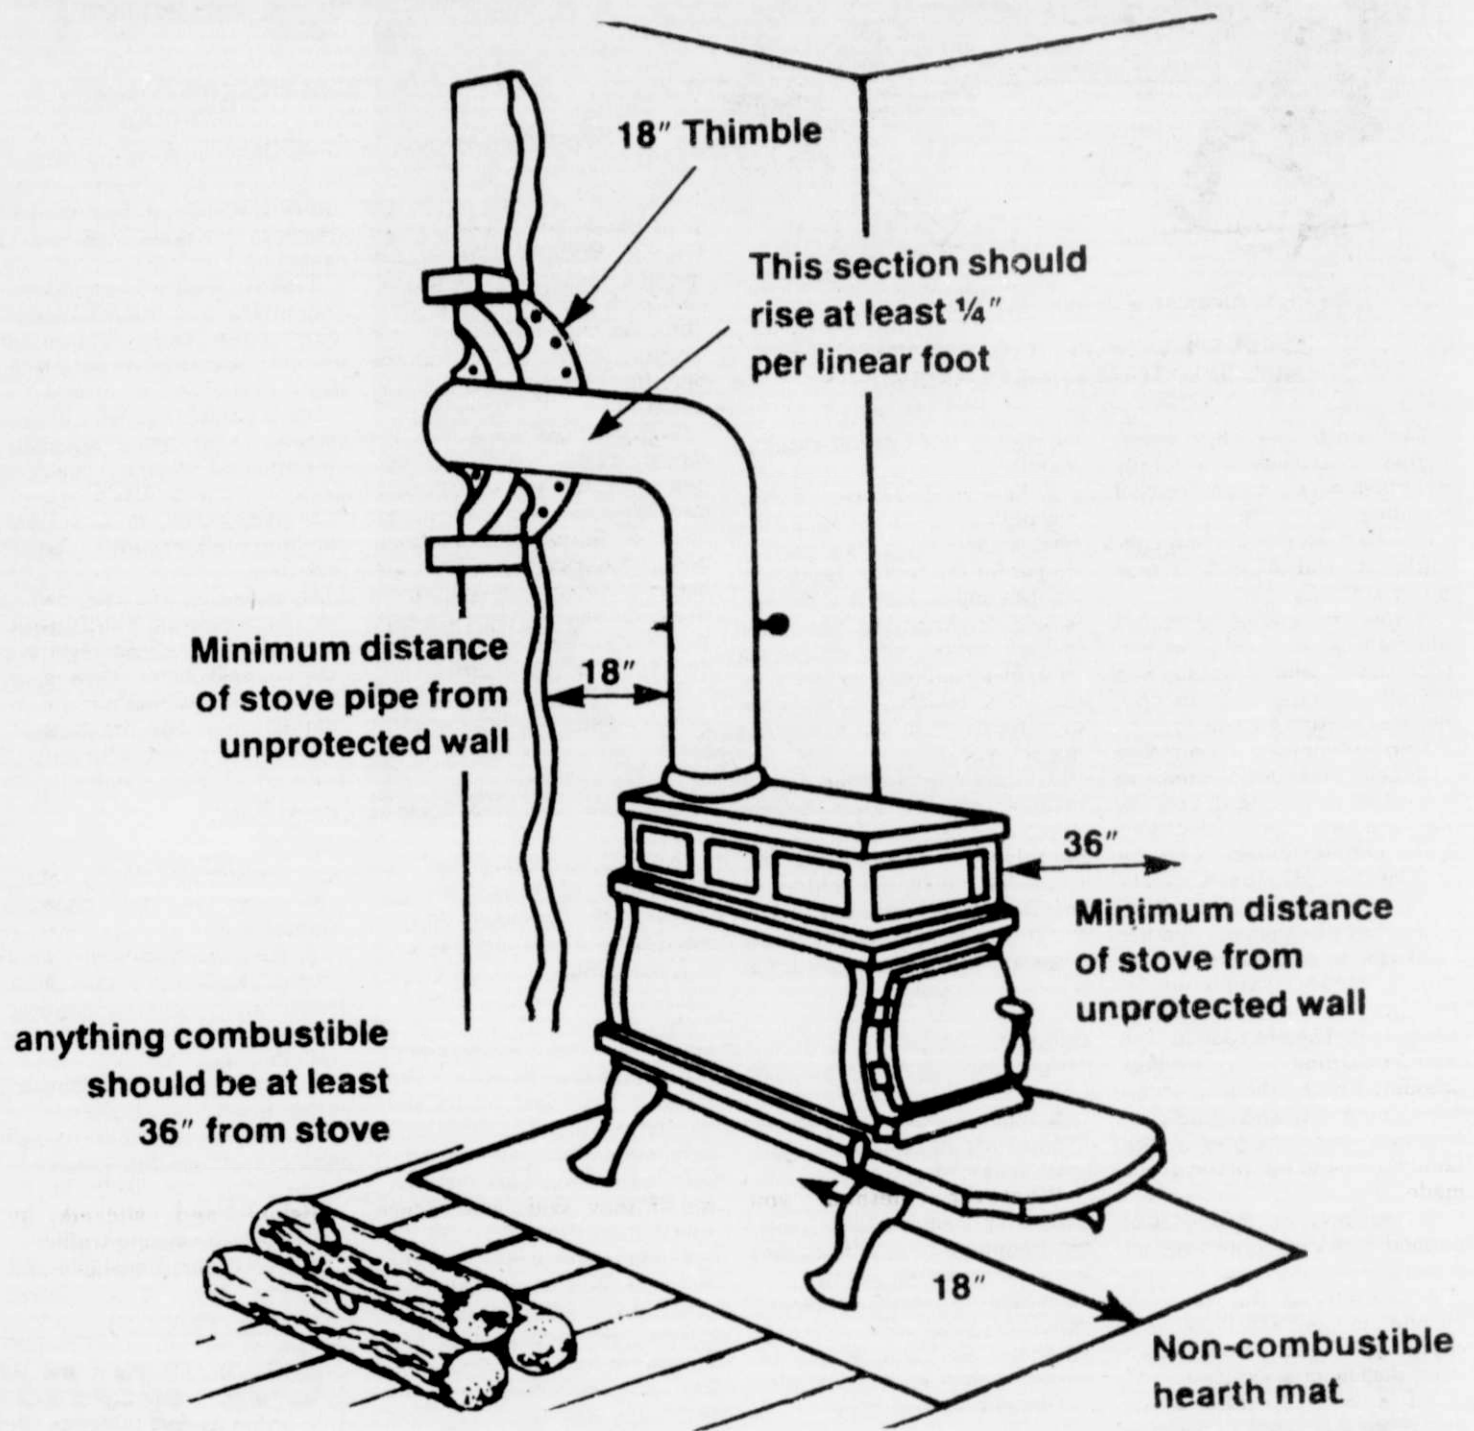

According to Mann, one essential precaution is to have your chimney examined by an expert for cracks, loose masonry and other defects, before installing a wood stove. If you are connecting a stove bought chimney, be sure it has recognized testing laboratory label. If you're connecting the stove to an existing fireplace, you must seal off the chimney below the stove's pipe entry. This will prevent toxic gasses from backing up into the room. Mann said that it is dangerous to connect more than one heating device to a single flue.

Stove owners should follow detailed instructions to be sure that the stove pipe's dimensions and materials are adequate for installation. Ordinarily, Mann explained, the pipe should not pass through a wall or ceiling.

As for hooking a stove pipe to masonry chimney, you'll need to extend the connector through the masonry wall of the chimney to the inner face of the flue liner — but not beyond, and cement it to the masonry with high temperature cement.

Here are some additional tips for stove connections and placement:

- Connect the stove pipe as close and straight as possible to the chimney, with connections

properly secured.

- If the pipe must have curves, limit them to one or two elbows.

- If you are going to make the connection through a combustible wall, the pipe must pass through a thimble or collar that will maintain at least an 18-inch clearance.

- Make sure there is enough clearance between the stove and the floor, ceiling and walls.

- Place the stove on a fireproof base, preferably made of brick, masonry or concrete, at least two inches thick.

- Too large a unit is dangerous, so make sure you purchase one that fits your room's heating needs.

- Don't place any bookshelves or other combustible objects near the stove.

Mann said that a good idea prior to using your stove is to have it checked by a fire marshal or building inspector to make sure it meets any city or town ordinances for solid fuel heating units.

### Using Your Stove

If you have a woodburning stove, Mann emphasized that you should pay close attention to correct use. Never start a fire with flammable fluids like gasoline, kerosene or lighter fluid. Instead, put crumpled newspapers under kindling wood. Once that fire has started, larger logs can be placed in the stove.

"Even if people install them properly, wood stoves are still a fire hazard," Mann said. "Unsafe chimneys, inadequate clearances from combustible items, toxic gas backups, improper ventilation — all can cause fires and injuries."

Troubles involving wood stoves usually start in the chimney. "Chimney fires are very common because most people don't keep their chimneys clean," he added. "The best thing to do when a chimney fire strikes is to call the fire department first, then close the stove's doors and the damper in the stove pipe. Never

throw water on the stove, because that could cause the stove to crack and start a second fire," Mann explained.

Chimney fires start from a build up of creosote, a thick, black, sticky residue, which ignites by the heat of the fire. Creosote forms from partially burned combustible material, such as newspapers, trash or wood that hasn't been properly seasoned. To avoid a dangerous buildup of creosote in your chimney, have it cleaned at least once a year. Mann also suggested it is wise to "Burn your stove hot once a day, for a few minutes." But, don't make this the first fire of the day because a hot fire started in a cold stove could cause cracking.

Using the correct wood is another sensible practice that is

often overlooked by the wood stove novice. Well seasoned hardwoods like ironwood, apple, red oak, sugar maple are the most heat efficient and least likely to produce creosote.

### Safe and Sensible

Mann said that it's a good idea for parents to take extra safety precautions, such as placing a barrier around the stove, when children are in the house. "Wood stoves don't 'look' hot to children," he said, "so they need continuous reminders not to go near the stove."

Installed and used correctly, woodburning stoves are an effective way to reduce your fuel bills as well as supplying comfort and warmth for many a winter to come.

# MAKING ENDS MEET

By Joyce Albrecht, Extension Home Economist

## ADOPT SPENDING CONTROL SYSTEM SUITED TO YOUR FAMILY'S NEEDS

The most carefully drawn budget is useless if a family can't follow its plan and control spending.

The best way to keep spending in line will depend on your family's needs.

If you are willing to record diligently your checks as you write them, joint checking and savings accounts may provide the best control for you.

Married couples, roommates or other joint decisionmakers deposit all income in the checking account. Each decisionmaker may write checks on the account for planned expenditures, recording the expenditures before taking another blank check. At the end of each month, money earmarked for savings and bills due in later months is transferred to the interest-earning savings account. Check stubs are compared with the spending plan and necessary changes in the family's spending pattern are made.

A variation of this control method is the separate account system.

A portion of the monthly income is deposited in one checking account, from which one decisionmaker pays all fixed expenses. The other decisionmaker pays variable expenses from the second checking account. As with the joint account method, savings are transferred to the interest-earning account at the end of each month.

A third approach is the allowance method. Each decisionmaker gets a monthly allowance from the family's pooled income. The allowance pays for specified monthly expenses. The remaining money goes in the savings account.

For families whose monthly income is small and who feel comfortable, keeping cash on hand, the envelope method may be best.

The decision makers set up envelopes for each expense category in their spending plan. They place the money to meet those expenses in the envelopes monthly. Any cash remaining in the envelope at the month's end is deposited along with planned

savings in the interest-earning account.

A final control system is the accounting method. One decisionmaker serves as record-keeper for the family. He or she records daily expenditures in a ledger. At the month's end, the ledger tallies are compared with the spending plan. As with the other systems, savings are deposited in the interest-earning account.

With this system, one family member must assume the responsibility for keeping track of spending. Other family members must remember to report daily expenditures to the recordkeeper. To encourage regular expenses reporting, place a spindle in a conspicuous place to collect receipts.

Some of these systems are appropriate for larger incomes or families with many expenses. Others are designed to minimize bookwork.

Whatever method you choose try to stick with it. Resist the temptation to shift money from category to category if expenses exceed the planned amounts. Instead, use the systems to uncover overspending and adjust your plan to one you can live with.

## Sheriff Awards 'Top Shooter Trophy'

Sheriff Clarence Schwartz presented the "Washington County Sheriff's Department Top Shooter Trophy" to Deputy Sheriff Kurt Vogelsberg at a department meeting held Monday, January 31st, in the Sheriff's Department Training Room.

Deputy Vogelsberg received the award as a result of firing a perfect score on the department's tactical revolver course at the Sheriff's Department annual firearms in-service training in September (1982). This is the third time in the past five (5) years the Deputy Vogelsberg has received this award.

Deputy Vogelsberg was also one of the four (4) Deputies who

qualified as a "Revolver Master," an honor bestowed by the Sheriff to Deputies who fire "Expert" scores three years in succession. Deputies Robert Miotke, Charles Landvatter and Steven Braun were the other three to receive this award.

In addition, the Sheriff presented (45) other shooting awards to Deputies, including (11) for "Expert" shooters; (20) for "Sharpshooters;" and (14) in the "Marksman" classification.

The meeting was attended by all Department Employees, members of their families and guests, was held to swear in Deputies at the beginning of the Sheriff's new term in office.

## Winter Driving Tips

Refresh yourself on the fundamentals of safe winter driving now to save yourself trouble later on, motorists were advised by Washington County Sheriff Clarence Schwartz.

National Safety Council winter hazards committee researchers recommend:

1. Get the "feel" of the road by accelerating carefully when away from other traffic to see if the wheels spin; brake gently to see if they skid; and reduce speed accordingly.
2. Increase your following distance. It takes three to nine times as far to stop on snow and ice as on dry pavement. Ice near melting is twice as slippery as ice when the temperature is near or below zero.
3. "Pump" your brakes to slow or stop. Don't jam them on. An intermittent pumping

action keeps the wheels rolling and helps maintain steering control.

4. Have good tires with good treads. Better yet, use snow tires which provide half again as much pulling ability in snow as regular tires.

5. Anticipate stops, slowing down gradually well ahead of intersections and highway rail grade crossings. Approaches to these sites are likely to be polished and slicked by stopping and starting traffic.

6. Keep your windshield and windows clear at all times. Replace streaking wiper blades. Be sure your windshield washer solution contains anti-freeze. Brush away accumulated snow on headlamps and taillights. Be sure you can see and be seen by fellow motorists.

## Cedar Lake Home Campus Social Feb. 6

Home made chili and resident crafts will be featured at the "Olde Tyme Social" sponsored by the Cooks Club of the Cedar Lake Home Campus, Sunday, February 6, from 12 noon to 3:30 p.m. at Fellowship House.

The public is invited for a complete luncheon of chili, ham sandwich, freshly baked apple kuchen and coffee or punch for \$2.25. An ala carte menu will also be available.

Last year, through proceeds from the Cooks Club socials and candy sales, the club donated to the Campus a hot cart, 24 toasters, a meat slicer, 2 refrigerators for residents households, and contributed to the Cedar Lake Home Campus Partners in Caring annual campaign.

The Cedar Lake Home Campus is located on Hwy. Z, 2 miles south of State 33, west of West Bend.

Where Quality and Our Customers Count

**THE PRESIDENT'S AGENDA FOR CONGRESS**

Last week, President Reagan presented an ambitious, yet realistic agenda to Congress in his "State of the Union" address. Perhaps of great significance in his speech was his clear signal that he is ready to compromise on some key issues facing Congress.

For example, the President called for an \$8 billion cut in defense spending next year and \$55 billion over the next five years. This is a significant departure from his public statements adamantly opposing defense cuts until now.

In my opinion, the \$8 billion figure is not enough of a cut. There have been many examples of tremendous waste in the Pentagon which should be the first target. In addition, our economic conditions dictate that no federal program should escape fiscal restraints of some kind - including the Pentagon.

Another signal came in the President's proposal for a standby oil tax and income surtax beginning in 1986 should the economy not improve to a certain point. This represents a shift away from the President's past opposition to any tax hike to reduce budget deficits. While it is impossible to say how much farther the President might go toward a tax increase sooner than 1986, this still is a major shift for him.

Another signal in the President's message came in his support for removing discriminations in the law based on sex and for improved civil rights law enforcement. These requests reflect an attitude entirely different than that attributed to him by some of his severest critics on civil rights issues.

As for the rest of the speech, I believe it clearly shows the President wants bipartisan efforts in Congress. It is a combination olive branch seeking more Congressional cooperation and a gauntlet challenging Congress to finally "put up or shut up" on their perpetual criticism of his proposals.

The new agenda is a tough one - a spending freeze, defense cuts, a jobs program, new trade initiatives, equity for women, health cost controls, crimefighting measures, civil rights enforcement, stronger foreign policies in key world trouble

spots, and the rest. Congress already is saying it cannot do some of what the President is asking but it had better get the message the American people are tired of rhetoric and want action this time.

**Flags Flown Over Capitol Available**

Congressman Jim Sensenbrenner has announced that U. S. flags flown over the U. S. Capitol in Washington, D. C. are available for purchase at cost through his Washington office.

Flags are available in the following sizes and prices: 3' x 5' nylon \$7.44; 3' x 5' cotton \$7.48; 4' x 6' nylon \$9.88; 5' x 8' nylon \$15.48; 5' x 8' cotton \$15.98; and 3' x 5' nylon with gold fringe \$17.95. These prices supersede those advertised last year, Sensenbrenner noted.

Each flag is accompanied by a certificate verifying that it has been flown over the U. S. Capitol, Sensenbrenner explained.

Persons wishing to purchase a flag should make checks payable to "Sensenbrenner Flag Account" for the appropriate amount. Orders should be sent to: Sensenbrenner Flag Account, 315 Cannon Building, Washington, DC 20515.

The cost of the flags are actual cost and reflect no profit to Sensenbrenner or the House of Representatives. Due to popular demand, processing and delivery of orders may take six to eight weeks or more.

**J & J AUTO TOPICS**

**JUMPING SPARKS**

Your spark plug wires carry high-voltage, sometimes 30,000 volts. And although this high voltage is needed to make a good igniting spark, it can create problems when spark plug wires get old and dried-out.

Electricity follows the path of least resistance so cracked wires allows it to jump out before it reaches the spark plug. This causes weaker combustion, wastes gasoline and lowers engine efficiency.

Checking spark plug wires at J & J AUTO SERVICE is a part of our tune-up service. We methodically follow up on every working aspect of an engine so your automobile can give you all the performance the manufacturer built it for. Make the drive to 450 E. Main for auto services that makes driving pleasurable.

**PHONE 626-2311**

**In the Service**

Marine 1st Lt. David W. Elwing, son of Stuart F. and Margaret Elwing of 105 New Cassel St., Campbellsport, recently participated in "Combined Arms Exercise 2-83" in the southern California desert.

He is an officer assigned to 2nd Marine Division, Camp Lejeune, N.C.

Conducted at the Marine Corps Air Ground Combat Center, Twenty-nine Palms, Calif., the exercise was designed to provide realistic combat training and coordination between Marine Corps air and ground units.

Navy Seaman Recruit Christopher A. Budny, son of Robert A. Budny of 612-B Marshall Court, West Bend, has completed recruit training at the Naval Training Center, Great Lakes, Ill.

During the eight-week training cycle, trainees studied general military subjects designed to prepare them for further academic and on-the-job training in one of the Navy's 85 basic occupational fields.

Included in their studies were seamanship, close order drill, Naval history and first aid. Personnel who complete this course of instruction are eligible for three hours of college credit in Physical Education and Hygiene.

Michael B. Klos, son of Alexander M. and Barbara A. Klos of 6849 N. River Road, West Bend, has been promoted in the U.S. Air Force to the rank of senior airman.

Klos is an administration specialist at Kirtland Air Force Base, N.M., with the 1606th Air Base Wing.

He is a 1979 graduate of West Bend West High School.

**READING COUNCIL WINTER MEETING**

In keeping with the theme, "Trends in Reading," the Washington-Ozaukee Reading Council has planned two interesting sectionals for its Annual Winter Meeting. "Hands on Experiences with Computers" will be presented by Gary Grimm and Kathy Jefferson. Stuart Kendall will discuss and share ideas on "Newspapers in Education."

The meeting will be held on Tuesday, Feb. 8th, at East High School, Room E118, at 7:00 p.m. in West Bend. Members are admitted free and non-members pay \$1.00. Coffee and refreshments will be served by the Executive Board.

## Deer Herd Is Wintering Well

The Wisconsin deer herd is wintering well based on reports from around the state.

The late arrival of snow this year, and the lack of heavy snow cover except in the northern counties, has enabled the deer to move about freely in their search for food. Even in those counties with heavy snow cover, the snow is soft and fluffy and not a significant impediment to deer movement at this time.

Final harvest figures for the 1982 big game seasons in Wisconsin are now available. Deer taken during the 1982 gun season, November 20th through November 28th, totaled 182,715. That compares with a harvest of 166,673 during the 1981 season. During 1982, 1,433 bear were harvested compared with 1,243 during 1981.

## Facsimile Ballot Notice Of FEBRUARY PRIMARY TOWN OF AUBURN Tuesday, February 15th, 1983

Notice is hereby given of a primary election to be held in the Town of Auburn in the County of Fond du Lac, on the 15th day of February 1983, at which the officers named below shall be chosen. The names of the candidates for each office to be voted for, whose nominations have been certified to or filed in this office, are given under the title of office and under the appropriate party or other designation, each in its proper column, together with the question submitted to a vote, in the sample ballot below.

### INFORMATION TO ELECTORS

Upon entering the polling place, an elector shall give his or her name and address before being permitted to vote. Where ballots are distributed to electors, the initials of two ballot clerks must appear on the ballot. Upon being permitted to vote, the elector shall retire alone to a voting booth or machine and cast his or her ballot. An election official may inform the elector of the proper manner for casting a vote, but the official may not in any manner advise or indicate for whom to vote.

At a nonpartisan election, the elector shall place a cross or other mark in the square at the right of the candidate's name for each office for whom he or she intends to vote, or insert or write in the name of his choice for a candidate.

On referenda questions, the elector shall make a cross or other mark in the square at the right of the answer which he intends to give.

The vote should not be cast in any other manner. If the elector spoils a ballot, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one elector. If the ballot has not been initialed by two ballot clerks or is defective in any other way, the elector shall return it to the election official, who shall issue a proper ballot in its place. Not more than five minutes' time shall be allowed inside a voting booth or machine. Unofficial ballots or a memorandum to assist the elector in making his or her ballot may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

After the official paper ballot is marked, it shall be folded so the inside marks do not show but so the printed indorsements and ballot clerks' initials on the outside do show. After casting his or her ballot, the elector shall leave the machine or booth, and where paper ballots are used, give his or her name to the inspector in charge of the ballot box, hand the inspector his or her folded ballot to be placed in the ballot box, deposit any unused ballots in the blank ballot box, and shall leave the polling place promptly.

An elector may be assisted by two election officials of different political parties in casting his or her vote if the elector declares to the presiding official that he or she is unable to read, has difficulty reading, writing or understanding English or that due physical disability is unable to cast his or her ballot. Alternatively, an elector making such declaration may have another elector of the county assist in marking the ballot or operating a voting machine. The presiding official may administer an oath to a person making such declaration.

The following is a facsimile of the official ballot.

Camilla Butzke, Clerk

## SAMPLE BALLOT

To vote for a person whose name is printed on the ballot, make a cross (X) in the square after the name of the person for whom you desire to vote. To vote for a person whose name is not printed on the ballot, write his or her name in the blank space provided for that purpose.

NOTICE TO ELECTORS: This ballot may be invalid unless initialed by 2 election officials serving as ballot clerks. If cast as an absentee ballot, the ballot must bear the initials of the municipal clerk.

## Town of Ashford

### Notice of Location of Polls and Hours of Voting

## FEBRUARY PRIMARY Tues., Feb. 15th, 1983

Polls for the Town of Ashford, Wards 1 and 2, located at the Town Hall, Hwy. 67 and BB, shall be open from 9 a.m. to 8 p.m.

Harriet J. Murphy  
Clerk

### VOTING BY ABSENTEE BALLOT

Any qualified voter, unable to get to the polling place on election day, may ask to vote by absentee ballot. A qualified voter is one who is a U.S. citizen, will be 18 years of age or older on election day, and who has resided in the ward or aldermanic district where voting is desired to be accomplished for at least 10 days prior to the election. If the voter resides in a municipality which requires voter registration, then registration is also a requisite for the voter who is qualified in other respects.

To obtain an absentee ballot, contact the clerk in the city, village or town in which you reside by mail or telephone, or in person, and request an application form. After properly completing and returning the application to the municipal clerk, an absentee ballot will be sent to you along with a postage pre-paid return envelope, or given to you if the application is submitted to the clerk in person. The deadline for receipt of the application by the municipal clerk is 5:00 p.m. on the Friday before election day in the case of applications mailed to the municipal clerk, and 5:00 p.m. on the day before the election in the case of applications made in the clerk's office.

With one exception, the voter who wants to cast an absentee ballot must make a separate application before each election. Voters indefinitely confined to their home or care facility because of illness, age or disability need not file an application before each election; a special statement on the application form can be completed asking that an absentee ballot be automatically mailed to them before each election: if they fail to make and return the ballots sent to them in an election, they must complete another application later on.

Absentee ballots can be voted at home anytime after they arrived in the mail. They can also be voted right in the clerk's office if submitting the application in person. If returning the ballots by mail, the affidavit-certificate must be properly completed and witnessed by two persons. If returning the ballots in person, the affidavit-certificate must be properly completed and subscribed and sworn to by the clerk or the deputy clerk who are authorized to administer oaths. In either case, the marked, sealed ballot must be in the hands of the issuing municipal clerk on or before election day. Any absentee ballot received at the polling place after the polls close or received in incomplete or improper form cannot be counted.

George F. Nehrbass, County Clerk  
Washington County

**CARD OF THANKS**

I wish to thank all my relatives, friends and neighbors for their many acts of kindness during the illness and recent death of my dear husband, **RAYMOND SCHWARTZ**. A special thank you to Rev. Stuebs, Kewaskum Rescue Squad, Drs. Castro and Sison, Regal Ware, organist, soloist, pallbearers, donors of floral and memorial tributes, food donors, those who served the food, Miller's and to anyone who showed their respect and helped me in any way.

Mrs. Clara Schwartz

**THANK FIREMEN, OTHERS**

Special thanks to the Kewaskum Fire Department for their hurried response in answering our call to our severe chimney fire on Sunday. Also thanks to our neighbors for their assistance. It was really appreciated.

Lloyd and Kathryn Roden

**IN MEMORY**

In loving memory of our dear daughter, sister and granddaughter, Janet Gross, who passed away two years ago, February 5, 1981:

Though her smile is gone  
And her hands we cannot touch,  
Still we have so many memories  
Of one we loved so much;  
Her memory is our keepsake  
With which we'll never part.  
God has her in His keeping  
We have her in our hearts.

Sadly missed by the Robert Gross family.

**IN MEMORIAM**

In memory of my beloved husband, Sylvester Fellenz, who passed away nine years ago, February 6, 1974:

When evening shadows are falling,  
And I'm sitting all alone,  
To me there comes a longing,  
If he only could come home.  
Often my thoughts do wonder,  
To a grave not far away,  
Where I laid my dearest husband,  
Just nine years ago, today.  
God took him home, it was his will,  
But in my heart he liveth still.

Deeply missed by his wife, Gertrude.

**IN MEMORY**

In loving memory of my husband, Wilmer Kudek, who passed away three years ago, February 1, 1980:

Just a line of sweet remembrance,  
Just a memory fond and true,  
Just a token of love's devotion,  
That our hearts still long for you.

Sadly missed by wife, children and grandchildren.

**A NOTE OF THANKS**

We would like to thank the Kewaskum Rescue Squad, our nephew Andy, our neighbors and all who offered help and good wishes these past weeks, during the illness of our husband and father. Also thanks to the fire department members for setting up the hospital bed. It is all appreciated.

John Hammes Family

### Chess Team Wins Over Hartford

The Kewaskum High School chess team returned to its winning ways Tuesday night with a 32-23 win over Hartford. The team is now 2-1 in conference while Hartford is 1-1.

Kewaskum came away with wins at six boards while Hartford had four wins. Hartford scored first with 4 points and a win at board 7, when Brian Pamperin fell victim to a knight fork which lost his queen. Romie Holl put Kewaskum ahead 8-4, with a win at board 3. Holl used a strong king side attack to cramp his opponent's game and forced the win. Todd Jaromin played another strong game at board 9 and came out with an easy win.

Frank Voge, Ed Ham, Jeff Igel and John Martin also posted wins. Advisor Roy Peterson, said that Igel's and Martin's matches were the keys.

Igel won a king and 4 pawns vs. king and 4 pawns endgame. He centralized his king first and used this to win his opponent's pawns. Martin playing the two knights defense, lost two pawns in the opening but gained the initiative and ended up winning easily.

Glenn Classey also played a strong game.

Next Tuesday Kewaskum has its first home match as they host the Cadets from St. John's Military Academy.

Board 1 — Gregg Classey 0, Hesprich 10

Board 2 — Ed Ham 9, Kelter 0

Board 3 — Romie Holl 8, Barta 0

Board 4 — Jeff Igel 7, Jay Morgan 0

Board 5 — Tom Crandell 0, Weigl 6

Board 6 — John Martin 5, Jeff Morgan 0

Board 7 — Brian Pamperin 0, Regala 4

Board 8 — Glenn Classey 0, Rahlf 3

Board 9 — Todd Jaromin 2, May 0

Board 10 — Frank Voge 1, Pfeiffer 0

Totals: Kewaskum 32, Hartford 23.

Kewaskum players listed first.

### Eichstedt Scores 46 in Lakes Team's Victory Over Twins

The Kewaskum Lakes basketball team won a big game here Saturday night, upsetting the Thiensville-Mequon Twins of the 'A' Division, 125-117, as Clark Eichstedt poured in 46 points, a team high for the season. The win improves Kewaskum's record to 5-4 and moves them one-half game behind Port Washington in the battle for first place in the Lakes 'B' Division.

Port, which was idle last weekend, has a 5-3 record. "This was the win over an 'A' Division team we needed, but couldn't quite get the last two weeks," Manager Bill Backhaus said. The Twins drop into last place in the 'A' Division with a 4-4 record.

A big 40-17 fourth quarter won the game for Kewaskum. The Twins had led by as much as 21 points in the third quarter when Kewaskum started their comeback. They still had a 15-point lead, 100-85, after three quarters. But Kewaskum got hot in the fourth quarter, shooting a very high percentage, while the Twins appeared to tire. "These comebacks are getting to be a habit with us," Backhaus quipped.

The Twins took a 32-24 lead after the first quarter as Jim Endsley had 10. They increased their lead to 64-52 at the half as Endsley had 10 in the second quarter. They pushed the lead to 100-85 in the third quarter behind Endsley's 16. Eichstedt countered with 17 for Kewaskum. Then came Kewaskum's big fourth quarter as Eichstedt fired in another 16.

Backhaus called it "vintage

Eichstedt" as he hit on a variety of inside and outside jump shots, drive-ins, and hook shots. Leon Laatsch followed with 31 points and Bill Gonwa had 17. Endsley led the Twins with 39 points, while Dave Eshrich had 26, Dan Doedens 20, and Andy Doedens 16.

Kewaskum made 21 of 33 free throws for 63.6 percent, while the Twins were 11 of 16 for 68.8 percent.

Kewaskum travels to Sussex this Sunday for a 7:30 p.m. game. The Lions are in fourth place in the 'B' Division with a 2-7 record but are still a very tough team. Kewaskum had to go into overtime to beat them the first time the two teams played this season. The game will be at Sussex Hamilton High School.

## ADVERTISEMENT FOR BIDS

VILLAGE OF KEWASKUM  
204 First Street  
P.O. Box 38  
Kewaskum, WI 53040

Separate sealed BIDS for the construction of modifications to the wastewater treatment facilities, including installation of final clarifier covers and chlorination equipment, will be received by the Village of Kewaskum at the Kewaskum Municipal Building until 8:00 p.m. (standard time), March 7, 1983, and then at said office publicly opened and read aloud.

The contract documents may be examined at the following locations:

<b>Foth &amp; Van Dyke and Associates, Inc.</b> 2737 South Ridge Road P.O. Box 3000 Green Bay, WI 54303-1200	<b>Village of Kewaskum</b> Village Administrator's Office 204 First Street, P.O. Box 38 Kewaskum, WI 53040
---	---

The Contract shall be subject to Section 66.293 of the Wisconsin Statutes pertaining to minimum wage scales.

The Contract shall be subject to the requirements for affirmative action to insure equal employment opportunity (Executive Order 11246) as follows:

1. The Offeror's or Bidder's attention is called to the "Equal Opportunity Clause" and the "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth herein.
2. The goals and timetables for minority and female participation expressed in percentage terms for the Contractor's aggregate workforce in each trade on all construction work in the covered area are as follows:

Timetables	Goals for minority participation for each trade	Goals for female participation for each trade
From 4-1-78 until 3-31-79	None	3.1%
From 4-1-79 until 3-31-80	None	5.0%
From 4-1-80 until 3-31-81	None	6.9%

These goals are applicable to all the Contractor's construction work (whether or not it is Federal or federally assisted) performed in the covered area.

The Contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required by the specifications set forth in 41 CFR 60-4.3(a), and its efforts to meet the goals established for the geographical area where the contract resulting from this solicitation is to be performed. The hours of minority and female employment and training must be substantially uniform throughout the length of the contract, and in each trade, and the contractor shall make a good faith effort to employ minorities and women evenly on each of its projects. The transfer of minority or female employees or trainees from Contractor to Contractor or from project to project for the sole purpose of meeting the Contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total work hours performed.

In connection with the performance of work under any of these contracts, the contractor agrees not to discriminate against any employee or applicant for employment because of age, race, religion, color, handicap, sex, physical condition, developmental disability as defined in s.51.01(5) Wis. Stats., or national origin. This provision shall include, but not be limited to, the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation, and selection for training, including apprenticeship. The contractor further agrees to take affirmative action to ensure equal employment opportunities for persons with disabilities. The contractor agrees to post in conspicuous places, available for employees and applicants for employment, notices setting forth the provisions of the nondiscrimination clause.

The Contractor shall provide written notification to the Director of the Office of Federal Contract Compliance Programs within 10 working days of award of any construction subcontract in excess of \$10,000 at any tier for construction work under the contract resulting from this solicitation. The notification shall list the name, address and telephone number of the subcontractor; employer identification number; estimated dollar amount of the subcontract; estimated starting and completion dates of the subcontract; and the geographical area in which the contract is to be performed.

As used in this Notice, and in the contract resulting from this solicitation, the "covered area" is the Village of Kewaskum, WI, Washington County, Wisconsin.

Copies of the CONTRACT DOCUMENTS may be obtained at the office of FOTH & VAN DYKE and Associates, Inc. located at 2737 S. Ridge Rd., Green Bay, WI upon payment of \$30.00 for each set.

Any BIDDER, upon returning the CONTRACT DOCUMENTS promptly and in good condition, will be refunded his payment, and any non-bidder upon so returning the CONTRACT DOCUMENTS will be refunded \$30.00.

Any CONTRACT or CONTRACTS awarded under this invitation for bids are expected to be funded in part by a grant from the Wisconsin Fund. The procurement will be subject to regulations contained in NR 128.14, 128.15, and 128.16, Wisconsin Administrative Code and appropriate State Statutes.

February 4, 1983

# Indian Girls Edge Out New Holstein; 10th Win

By Cathy Schlice

Some clutch free throws in the final minute enabled the Kewaskum girls to pick up win Number 10 as they shaded New Holstein at home Tuesday night, 44-42.

After somewhat of an even start, the Indians held a 19-16 lead at the end of the first half, then went cold in the third quarter and were outscored 15-8 to give the Huskies a 31-29 lead at the end of the quarter.

Junior Lisa Matenaer then got a hot hand and ran off 8 points, including 3 long ones from the baseline and a pair of free throws. Lisa's hot shooting enabled the Indians to outscore the Huskies 17-11 in the final period of action.

By all means though, the game was decided at the free throw line where both teams attempted 16 free throws but the Indians hit 12 of them for 75%, while New Holstein only made 6 for 37%. Julie Koepke

and Cathy Schlice combined for 8 of the free throws, each making 4.

Matenaer, Koepke and Linda Larsen all led Kewaskum with 12 points apiece. Julie and Linda hauled down 10 and 9 rebounds respectively.

The Huskies were led by Paula Morgan with 16 points. Center JoAnn Wollfel added 15.

The win gave the Indians a conference record of 4-3 and an overall record of 10-3.

Coach Dickenson's JVs came out on the short end of 26-22 score. Sandy Secor led the Indians' attack with 5 points. Amber Charland and Dawn Fellenz chipped in 4 points apiece.

The frosh picked up win number 5 with a 31-21 win over the Huskies. They were led by Brenda Kober with 10 points. The freshmen are now 5-3 overall.

**KEWASKUM** — Larsen 6-0-3-12, Koepke 4-4-3-12,

Kempf 0-0-0-0, Matenaer 5-2-2-12, Jaeger 1-0-4-2, Schlice 0-4-0-4, Beisbier 0-0-0-0, Schoofs 0-2-0-2, Bowman 0-0-0-0, Burkhalter 0-0-1-0. Totals 16-12-13-44.

**NEW HOLSTEIN** — Mueller 0-0-5-0, Sippel 2-1-1-5, Morgan 7-2-3-16, Lisowe 2-0-1-4, Diedrich 1-0-1-2, Woelfel 6-3-2-15. Totals 18-6-13-42.

## Indians Have Bye

The Kewaskum Indians boys basketball team had a bye in the odd-numbered, seven-team Eastern Wisconsin Conference last Friday. They were scheduled to play at New Holstein Tuesday and will host Chilton Friday. Details next week.

In two games Friday Kiel defeated Chilton, 61-59, and New Holstein drubbed Plymouth, 67-54.

The conference standings, not including Tuesday's games, are as follows:

### EASTERN WISCONSIN BOYS BASKETBALL STANDINGS

Team	W	L
Kiel	5	2
New Holstein	5	2
Two Rivers	5	2
Plymouth	3	4
Sheboygan Falls	3	4
Kewaskum	2	4
Chilton	1	6

The next time you try for a hole-in-one, remember this: Experts claim that the odds against your making it are about 300,000 to 1!

## Indian Gymnasts Defeat Markesan

The Kewaskum girls did well in defeating Markesan, 80.85 to 75.55, in a gymnastics meet at Markesan last Wednesday. One Kewaskum school record was set in vaulting.

The record was actually set by two Kewaskum girls, Wendy Wilson and Sandy Nigh with identical 7.6s to take second place in the event, which was won by Markesan's Robin Norton with an 8.0.

The old record was held by Annette Jandre, a senior, in vaulting who set the mark in 1981.

Jandre had the Indians' only first place in the meet in the balance beam with a fine 7.7. Kewaskum won the meet with seconds and thirds as Norton was the only Markesan competitor to place in the competition. She stole the show, taking three firsts and a second. She outscored everyone in all around competition with a great 7.36.

Nigh won two seconds and a third and placed third in all around. Jandre was second in all around.

The Kewaskum girls have shown much improvement and are now 3-2 for the season. The Indian gymnasts have been working on higher levels skills in their first year of Class A competition.

**Kewaskum 80.85, Markesan 75.55**

Floor Exercise — 1. Robin Norton Mark. 7.35; 2. Sandy Nigh Kew. 6.8; 3. Annette Jandre Kew. 6.45.

Balance Beam — 1. Annette Jandre, Kew. 7.7; 2. Robin Norton Mark. 7.0; 3. Wendy Wilson Kew. 6.9.

Uneven Parallel Bars — 1. Robin Norton Mark. 7.1; 2. Wendy Wilson Kew. 6.4; 3. Sandy Nigh Kew. 5.8.

Vault — 1. Robin Norton Mark. 8.0; 2. Sandy Nigh and Wendy Wilson Kew. (tie) 7.6.

## Wrestlers Edge Out Random Lake, Lose to New Holstein

In a non-conference wrestling meet at Random Lake last Monday, Kewaskum eked out a 29-27 victory over the Rams.

The Rams had one more pin than the Indians but Kewaskum came back to win with several major decisions and a late fall and decision. After the first five matches, Random Lake held a commanding 18-5 lead. It was unlike other recent matches when the Indians have taken leads only to lose in the final stages.

In their comeback, the Indians' Mark Fuller and Brad Dieringer won back-to-back major decisions to come within five points and Kewaskum took the lead on a forfeit at 145 won by Doug Miller.

The Rams took the lead back when Stuart Stautz (10-3) was upset by Wally Portschy in a close 10-7 battle. The Indians' Steve Seitz (167) and Chris Harlow then came through with a second period pin and a decision to give Kewaskum the match. Seitz is now 14-3 for the season.

The win gave the Indians a 4-7 record in dual meets.

**Kewaskum 29, Random Lake 27**  
 98 — Paul Reilly was pinned by Art Demerath 3:43.  
 105 — Wade Jepson decisioned Steve Depies 13:4.  
 112 — Dave Kudek drew with Joe Lopez 4-4.  
 119 — Mike Wiedmeyer lost to Howie Theis 1-9.  
 126 — Kirk Vogt was pinned by Chris Hiller 1:18.  
 132 — Mark Fuller decisioned Jim Arndt 9-1.  
 138 — Brad Dieringer decisioned Jim Huiros 11:3.  
 145 — Doug Miller won by forfeit.  
 155 — Stuart Stautz lost to Wally Portschy 7-10.  
 167 — Steve Seitz pinned Brian Stout 2:56.  
 185 — Chris Harlow decisioned Dan Mueller 6-4.

**New Holstein 27, Kewaskum 14**  
 98 — Paul Reilly lost to Dan Palof 10-14.  
 105 — Wade Jepson lost to Kurt Wollersheim 2-7.  
 112 — Dave Kudek lost to Matt Ebertz 1-5.  
 119 — Mike Wiedmeyer drew with Bill Morgan 4-4.  
 126 — Kirk Vogt was pinned by Keith Wollersheim 2:50.  
 132 — Mark Fuller lost to Bob Reese 4-13.  
 138 — Brad Dieringer pinned Gary Stangel 3:18.  
 145 — Doug Miller lost to Jim Fingel 0-10.  
 155 — Stuart Stautz decisioned Tim Mueller 6-3.  
 167 — Steve Seitz decisioned Paul Riehl 6-3.  
 185 — Chris Harlow was pinned by Scott Rabe 3:18.  
 Unl — John Swanson was pinned by Alex Woelfel 3:33.  
 All Kewaskum wrestlers listed first.  
**JV Matches**  
 98 — Tom Strigenz decisioned Randy Waaner 12:7.  
 105 — Romy Muckerheide pinned Paul Dougherty 1:28.  
 112 — Ken Miller lost to Tom Stangel 5-8.  
 119 — Bob Callison pinned Morgan 3:4.  
 126 — Chris Dieringer lost to Kevin Zylko 1-4.  
 132 — John Nowak lost to Al Ramming 2-7.  
 138 — Tim Landvatter decisioned Doug Reese 9-0.

Kewaskum wasn't expected to win against Eastern Wisconsin leader New Holstein here

Thursday night but it was hoped the result would be closer than the final score of 37-14. This was the Indians' final conference match.

With a couple of turnarounds, the score would have been closer. At 98 pounds Paul Reilly led until the final 10 seconds before losing 14-10. Mike Wiedmeyer at 119 also could have won his match instead of drawing. A penalty in the last period gave Wiedmeyer's opponent the tying point.

The Indians had one pin and too decisions in the meet. Brad Dieringer won his fourth straight conference dual meet with a pin. Dieringer is now 4-0 against conference opponents and 8-2 overall.

Steve Seitz, probably the team's best wrestler this year, won again at 167, recording a 6-3 decision to go 5-1 in the conference and 14-3 overall. Stuart Stautz also won his match at 155 to wind up 4-1 in conference.

New Holstein notched three pins. At 126 Keith Wollersheim defeated Kirk Vogt, defending conference champ Scott Rabe took care of Chris Harlow and Alex Woelfel had too much experience for John Swanson, who is replacing Scott Durian, who graduated early.

The Indians concluded the EW Conference season with a 1-5 record.
