"Gateway to the Kettle Moraine State Forest"

Week's Wit

One woman claims her husband is a do-it-yourself kind of person. Every time she asks him to do something he says, "do it yourself."

Volume 87

Kewaskum, Wisconsin 53040 Friday, Feb. 25, 1983

Number 10

Dr. Edwards Honored

Modern Woodmen of America Camp 2233, recently honored Dr. R. G. Edwards at a dinner and Community Service Recognition Party held at the Labor Center, Kewaskum. Edwards, (left), was presented with a plaque by Joe Schwind, counselor of the camp.

In presenting the plaque, Schwind read the following:

"Dr. R. G. Edwards was born in Sargeant, Nebraska, on September 1, 1905. The son of Mariah Belle and William J. Isaacs, a congregational minister. This meant uprooting the family every three or four years, with the end result being Dr. Edwards attended seven different schools before attending the University of Minnesota from

1925 to 1930 — for six years, and then one year as an intern at the M.P.S.S. General Hospital.

Dr. Edwards and his wife, Alma, set up practice next door to their present home, which is now the home of Mr. and Mrs. Edward Prost. Dr. and Mrs. Edwards are the parents of five children, two boys and 3 girls, 31 grandchildren and nine great-grandchildren.

Dr. Edwards was on the staff of St. Joseph's Hospital, West Bend, serving as secretary and treasurer during the 1940's and was president from 1949 to 1951. He was President of the 5th Councilor District in 1949. He retired from active service in

Snow Disappears, Robin Reported, Spring Already?

Is it spring already? We haven't had winter yet.

With a sunny high of 55 degrees on Sunday and temperatures in the 40's most of the past two weeks, most of the little snow we had so far this winter has melted as the mild and springlike weather continues. The weatherman promises more of the same.

Our first and only real snow didn't arrive until about three weeks ago, on Feb. 3. Snowmobilers and skiers had a very short season of about two weeks. The temperature dropped slightly below the zero mark on only one day this winter. It has to be one of the mildest winters on record with temperature above normal almost continuously.

Val Strobel of 3825 Bonne Lane, Kewaskum, was the first to report sighting a robin this spring (??) in their back yard on Monday, Feb. 21. Many other birds, including geese, have returned and some of them never left the area this winter. The activities of animals are also pointing to an early spring.

But there's still March and almost a month left before spring officially arrives.

Fruehlingfest At High School

On Sunday, Feb. 27, from 1-4 p.m. the Kewaskum High School German Club will present Fruehlingfest, an afternoon of German entertainment in the high school gymnasium.

Fruehlingfest means spring festival and German-speaking people have traditionally celebrated spring in many different ways. Straw figures and wheels representing the ghost of winter were burned in some villages. Saints' name days were used to foretell spring's arrival.

In addition to some homemade German desserts and beverages being served, the German Club's Fruehlingfest will have concertina dance music provided by Eddie Schneider and an original skit written and presented by German Club members.

The public is cordially invited. Admission is free but donations are accepted.

Second Kewaskum Well One Step Closer to Construction

By GERRY MUELLER
Statesman Staff Writer

The Public Works Committee informed the Kewaskum Village Board, Monday night, that Department of Natural Resources approval has been received for the drilling of a second Kewaskum well on the south end of the village.

Well #2 is included as one of the high priority projects in the village's new Tax Incremental Finance District. The next move will be to confer with the village's TIF financial consultants regarding financing of the project. Drilling of the well itself is expected to run between \$30,000 to \$35,000.

The request for board approval to go ahead with the drilling will be placed on one of the village's March meeting agendas. Village Administrator Dan Schmidt said after the board's official okay is given, the village will advertise for bids on the work. Drilling for the new well could begin as early as May or June depending on how soon bids are let and one is approved.

The trustees also approved a

Public Works Committee recommendation to get state approval on plans for the final three stages of the municipal building remodeling.

Schmidt told the board there is presently \$26,000 in the budget for municipal building outlay plus an approximate balance of \$19,000 left from previous years which should cover Step One of the program. This first phase includes remodeling the vestibule, upstairs windows and library windows.

The other two steps, remodeling the municipal garage and the new addition will be done as funds become available. Total cost of the entire program is expected to run \$300,000 to \$320,000. The vestibule and window work is expected to cost around \$20,000.

The village received two bids on the 1981 Chevrolet Squad which was up for sale. Beltline Motor Center of Wausau bid \$2,057.00 and Vernon Butz of Kewaskum bid \$1,652.00. The board accepted the high bid

Swing Choir and Swing Band to Perform at KHS

Want a good way to help beat the winter blues? Attend the KHS swing choir and swing band concert on Tuesday, March 1st, at the Kewaskum High School from 7:30 to 8:30 p.m.

The swing choir under director Dave Bertelson will perform such selections as Beach Boys Medley, Come Go With Me, Truly, and Baby

Face.

Larry Ammel, directing the swing band will have this group play the following selections: Brian's Song, Yesterday, Night Train, Royal Garden Blues, Cocktails for Two and When I'm 64.

The KHS music department sincerely hopes this concert is well attended. Admission is free.

Krewald Sentenced In Jewelry Burglary

Robert L. Krewald, 18, was placed on probation Monday for a burglary he committed at Bier's Jewelry Store in Kewaskum the weekend of December 4.

Krewald, of 111 Prospect Street, Kewaskum, was charged with taking 150 rings and other jewelry worth between \$10,000 to \$15,000 from Bier's.

He was later arrested after he allegedly sold some of the rings to the Coin Exchange in Fond du Lac. A total of 298 rings were recovered by police.

Circuit Judge Richard T. Becker sentenced Krewald to five years in prison but stayed the sentence and placed him on five years probation, Assistant District Attorney Tom Wolfgram said.

Becker also ordered Krewald to spend the first six months of his probation in the County Jail and to make restitution of \$1,692.60, Wolfgram said.

Kewaskum Chief of Police Donald Hlavaty had stated this was the largest burglary in Kewaskum during his 15 years on the force.

School Board Approves Facilities Study

By GERRY MUELLER
Statesman Staff Writer

On a 6 to 1 vote, the Kewaskum School Board approved a motion to go ahead with a Facilities Study to be done by Mr. Jahn Tinglum of the Department of Public Instruction.

The study, which will be done at no cost to the district, is designed to show how the district can make better and more efficient use of its facilities and staff.

The board also discussed the list of budget priorities presented by the administration. The board asked the administrators to get costs on the specific items along with costs for items which could provide energy savings. The administration has one month to gather the information.

The board heard a request from Mrs. Clara Trapp asking

that the Beechwood school area be detached from the Manitowoc vocational school district and attached to the West Bend-Fond du Lac Moraine Park Technical School area. The board instructed School Administrator John Long to check with the school district's attorney on the legality and procedure.

In a phone conversation, Mrs. Trapp said she had been told by her County Supervisor that at one time the Beechwood area had belonged to the WB-FDL vocational district.

Trapp said not only would it save Beechwood residents tuition fees at West Bend and Fond du Lac, it would also reduce considerably the mileage traveled by students. It's 44 miles round trip to Fond du Lac, and 26 miles round trip to West Bend compared to 96 miles to Manitowoc, said Trapp.

Kewaskum Lions Announce New Scholarship Award

The Kewaskum Lions were pleased to announce last week a new \$500 scholarship which will be awarded to a graduating senior who plans to enter college or a technical school. The Lions stated that the purpose for the new scholarship was to encourage seniors to seriously consider post high school education in either college or a technical school. The Lions announced that the scholarship eligibility is applicable to any senior graduating in the upper 3/4ths of the class. The new \$500 scholarship amount will be awarded to the recipient in two installments. The first \$250 of the scholarship will be paid to the recipient after successful completion of the first semester and the second \$250 will be paid to the recipient after enrollment for the third semester.

The Lions stated that the new scholarship award program will be administrated by the high school guidance staff and that applications may be received and returned to Mr. D. Wietor's office no later than March 11. The selection committee will be composed of the Lions club scholarship committee appointed by the President of the club and a high school counselor.

The Kewaskum Lions also announced that they plan to continue as a major supporter of the Kewaskum Special Olympics. Last year the Lions donated \$500 and were so pleased with the many activities as coordinated by Mrs. Kathy

Charland and the coaching staff. The coaching staff consist of special education teachers and aids who work on a volunteer basis along with help from high school members of youth concerned for special people.

Participants in the Special Olympics are mentally handicapped individuals ages 8 through adults. The Kewaskum group participates in bowling at the Winter meets and track and field at the summer games. Bowling is from September to December with an area meet in West Bend and the State Meet in Madison. Track and field training is from January to June with an area meet in Kohler and the State Track meet in Stevens Point. At both state meets the Kewaskum group stays overnight and participates in all of the extra activities such as opening and closing ceremonies, a victory dance and carnival.

The Kewaskum Lions would like to take this opportunity to thank the people of the village and surrounding communities for their continued support of the annual chicken bar-b-cue since this is the only major fund raising event for the Lions club. The proceeds from the chicken bar-b-cue makes it possible for the Lions to participate in these two school programs and all other individual and community programs. The Kewaskum Lions also actively and financially support the state and International organization with the various on going programs designed to help the blind and deaf handicapped individuals.

The Blood Bank Needs YOU on Wednesday

The Milwaukee Blood Center mobile unit will be at the Kewaskum High school (old) gym on Wednesday, March 2, from 1:00-6:00 p.m. Donors are encouraged to walk in at anytime — no appointments are being made.

There are no restrictions on who can receive blood when they are in need. As long as enough people donate, patients will receive all the blood they need.

Give a little of your time, one pint of blood and really put some life into your community.

Do a favor for a friend or fellow worker by bringing them along and encourage them to give so others may live.

If you have any questions, please call 626-2424 or 626-4395.

Sign-Up Day For Free 'Vial of Life' Program

The FREE "Vial of Life" Program, sponsored by the American Red Cross will have a sign-up day on Friday, March 4, from 9:00 a.m. to 5:00 p.m. at the Valley Bank, Kewaskum.

This program provides an easily located source of emergency medical information for rescue squads, ambulances, police officers, Fire Departments, medical personnel and relatives. It would be especially important for individuals who live alone, might be alone for certain periods or might not be able to communicate when the need arises.

For further information call Val Strobel at 626-4927 or come to the Valley Bank on Friday, March 4, 1983.

Kewaskum Chapter Observes FFA Week

"Vocational Agriculture - Educating Through Experience," is the theme for the 1983 National FFA Week, February 19 - 26.

In celebration of FFA Week, the Kewaskum Chapter has a four page promotion in this week's issue. John Herriges,

President; Brenda Kempf, Vice-President; Quin Mueller, Sentinel, and Roger Batzler, Reporter, were instrumental in soliciting the ads, news articles and lay-out.

FFA Week traditionally is marked from the Saturday before George Washington's

birthday (Feb. 22) to the following Saturday. Washington is honored for his significant contributions to American agriculture as well as his military and patriotic contributions.

The FFA is training for future agriculture leadership some 485,000 students.

Wendi Wilson Selected Sno-Chiefs Queen

Wendi Wilson

Last Saturday at the annual Kewaskum Sno-Chiefs Sno-Ball, Wendi Wilson, daughter of Mr. and Mrs. David Wilson of 7055 Hwy. 144 N., West Bend, was crowned Sno-Chiefs Sno-Queen for 1983.

Wendi will represent the club at the Annual Fall Workshop of Association of Wisconsin Snowmobile Clubs in October at Green Bay and will be a contestant for the A.W.S.C. Queen for 1983.

Applications for 'Alice' Competition Available Thru Chamber of Commerce

Applications are now available for the Alice in Dairyland position with the Wisconsin Department of Agriculture, Trade and Consumer Protection, at the Valley Bank, Kewaskum.

Women are eligible for the "Alice" position if they are between 18 and 30 years old, as of June 1, 1983 and a Wisconsin resident. Deadline for applications is Monday, March 7, 1983.

Twelve finalists will be selected at interview sessions to be held in Eau Claire and Milwaukee, April 5 and 6, and in Green Bay and Madison April 7 and 8. Applicants may choose the location and the date most convenient for them and they will be notified when to appear.

The 1983 Alice finals will be held in Door County June 8 thru June 11. The person chosen for the position in the finals will serve as the state's 36th Alice in

Dairyland for one year.

Alice in Dairyland serves as a media spokesperson promoting Wisconsin and its agricultural products on the state, national and international level. During her year Alice will speak to rural-urban, retail/distributor, civic, commodity, farm, homemaker and youth organizations. She receives compensation of over \$13,000 annually, plus travel expenses.

The modern girl usually gets along with her mother-in-law because she can't afford to pay a baby-sitter.

Tornado Seminar

The Kewaskum Fire Dept. will be hosting a Tornado Sighting Seminar at the Fire Station on Thursday evening, February 24, at 7:00 p.m.

This informational meeting will be conducted by a representative of the National Weather Service and will relate to spotting, alerting and what to do when a tornado is sighted in your area.

Anyone interested in this type of information, as the tornado season approaches, with spring and summer just around the corner, is urged to attend.

BOOSTER CLUB TO MEET

On Thursday, March 3, the Kewaskum Indian Booster Club will meet at 7:30 p.m. in the High School Cafeteria. All committees have progress reports ready on the Booster Ball Classic! See you there!

WEATHER WARNING SIREN SOUNDED EACH MONTH

Although the need for people to take shelter could take place any time of the year, Kewaskum has been testing our warning system monthly.

We will soon enter the season when weather could be severe. In this event the siren would be used. You and your family should be aware of these Safety Rules.

Dear Friends

The bereaved family needs the help of friends in overcoming grief — someone with whom to relive the joys and sorrows, the doubts and certainties. Their need continues not just for hours, but for days, weeks, even many months. Good friends, thru their understanding and strength, can turn grief into a healing, restoring experience.

Respectfully,

Fred Miller

Brownies and Jr. Girl Scouts to Receive Church Awards Sunday

Nine Brownies and eleven Junior Girl Scouts will receive Church awards at Holy Trinity Catholic Church at the 9:30 Mass on Sunday, Feb. 27. Father Berghammer, pastor, will make the presentations.

The "Family of God" Brownie medals will be conferred on Tricia Schultz, Andrea Waala, Nancy Neumann, Kelly Korth, Carrie Kuehl, Jessica Rohrer, Tammy Schmidt, Alanna Neckuty and Rachel Gosa.

The "I Live My Faith" Junior Girl Scout medals will be re-

ceived by Stacey Swenkoske, Angelynn Schoofs, Becky Hammes, Terri Grahl, Kelly Rohlinger, Tanya Neckuty, Jennifer Liegl, Jennifer Mitchell, Tammy Staehler, Joan Fellenz and Lora Delcore.

The longest hot spell on record occurred in Marble Bar, West Australia, when the average temperature was 100 degrees Fahrenheit or above for 162 consecutive days.

Memories...

The Statesman welcomes readers to submit photos for the "Memories" feature. Photos should show life in the olden days in this area. Deliver or mail to The Statesman, 250 Main St., Kewaskum, WI 53040. Photos can be picked up again after publication.

This is an old photo of the interior of Heppe's Store on Main Street in Kewaskum. The late Frank Heppe, owner, is shown behind the counter on the left of the photo. The year the picture was taken is not known and the man and little girl in the center background are unidentified.

(Photo submitted by Eileen Hein)

Oshkosh was accepted. The new tank will improve the department's rating from 5B to 5A.

Lots were also chosen for ballot positions in the April election for village board trustees. Mary Krueger picked the #1 slot, Paul Blumer #2, and David Nigh #3.

EDWARDS

(Continued from Page 1)

1977 and was given Honorary Staff privileges at St. Joseph's.

The Kewaskum Kiwanis Club, along with other organizations, held a Recognition Day for Dr. Edwards on September 7, 1975, after nearly 44 years of active service. As a result, a scholarship foundation in his name, was established granting two students each a \$400 scholarship.

In 1980, Dr. Edwards was honored as a Golden Gopher at the University of Minnesota, on the 50th Anniversary of his graduation. This was climaxed by his attending the graduation of his granddaughter, Mary Edwards Steinberg, who received a Doctor of Medicine degree from the same stage where he graduated in 1930.

Dr. Edwards has been the Village of Kewaskum Health Officer since 1938. He is a member of St. Lucas Lutheran Church, Kewaskum Kiwanis Club, and is truly a great asset and respected citizen of this community.

For his outstanding community involvement, it is my pleasure, on behalf of the Modern Woodmen of America, Camp 2233, Kewaskum, to present this Community Service Recognition Award to Dr. R. G. Edwards. Our congratulations and thanks to you.

We thank you all for attending this gathering to honor this fine individual."

To subscribe to the Kewaskum Statesman, just call 626-2626.

Village Board

(Continued from Page 1)

which Schmidt said approximately \$800 more than the village had received for the last unit which was sold through an auction.

Steve Peterson, Vice President-General Manager of Riverbend Cablevision appeared before the board to give an update on CATV in Kewaskum. Work is 100% complete as of last week said Peterson, with 516 out of a possible 725 subscribers receiving CATV. "That works out to 71% penetration," said Peterson, "well above the national average."

Peterson said representatives will be in the area to make sure

everyone who may be interested in CATV hook-up has been contacted. There are always a few problems during the first winter of an installation noted Peterson, but they should all be cleared up shortly. He was referring to what is called "suck-outs." This occurs in cold weather when the cable contracts sucking out the connections resulting in outages. By the end of the first winter we usually have these problem areas corrected said Peterson.

Some time in March Kewaskum will receive its first check of approximately \$2,100.00 for franchise revenues due the village for 1982. Fees for 1983 are estimated to be around \$3,400.

Dan Schmidt read a statement of position regarding backing of a County-Wide landfill site. Basically, the statement said that while the village was in favor of the county search, testing and acquisition of a site, the village would not consider a request for a financial commitment until all the steps had been completed and an approximate cost per governmental unit had been esti-

mated. Schmidt said this was the position, on behalf of the village, he had presented at a meeting held in West Bend last week.

Schmidt told the board he had talked with the village's present landfill operator. While he would not commit himself to any contract, the operator felt Kewaskum would be able to haul to his site for another five years. Schmidt said the bad news was, during the conversation he was informed the village's dump charges were being raised from \$2.00 per yard to \$2.50. Using the new rate, Schmidt said going to the present site would cost \$50.00 per load compared to \$75.90 per load if the village were to haul to a county site.

In other action, the board approved the sending of a letter to the school district asking that it pick up the cost of crossing guards. The village had considered dropping the \$5,000 cost from its budget last year, but it was too late at that time since the school district's budget had been set and could no longer be included in their budget.

Schmidt told the board the City of Milwaukee is again promoting a vehicle (wheel) tax. If such a tax were approved, Washington County residents would have to pay \$37.50 for a car license rather than the present \$25.00. Schmidt said area residents should be prepared to write letters of opposition to this move.

The board approved the purchase of tank for the village tanker fire truck. A low bid of \$12,861.00 from General Fire Equipment Company of

From the School Board President's Desk

Why weren't some of the people who wanted to speak at the last school board meeting recognized? Can't members of the audience speak at school board meetings?

After hearing these questions last week I thought I should review the Kewaskum School Board's Policy #8344, which covers the procedures for meetings and public participation. This policy sets two possible times for audience comments: the first is at the beginning of the meeting, the second is after a motion has been made and seconded. There are a few restrictions present.

According to the policy, the President may invite questions and/or comments from the visitors on non-agenda items at the beginning of the regular business meeting. Note that this is limited to non-agenda items. Here one can mention problems and/or present solutions to the Board.

What can one do, however, if one wishes to comment on an agenda item? The policy provides that public input may occur after a motion has been made and seconded. At this time, individuals may ask questions or comment on the motion, subject, of course, to time constraints.

Are these the only two times that district members can communicate with the Board? The answer is half yes, half no. Yes, these are the only two times citizens can address the Board during a meeting, and no, Board members are always willing to listen to district residents who have a concern and who are willing to identify themselves.

The Board must be able to do its job in the most effective, efficient manner possible. Sometimes it seems that too many meetings follow Swipple's Rule of Order: "He who shouts loudest has the floor." Through Policy #8344, the Kewaskum School Board has attempted to create order and insure that every person has a chance to express himself on district concerns...regardless of his shouting ability.

Dr. Charles J. Ogi

Campus Notes

Robert Thompson, Dean of the University of Wisconsin Center-Washington County, has announced the Dean's List for the fall 1982 semester. Students from the Kewaskum area include:

High Honors (3.75-3.99): Julie Bunkelman.

Honors (3.5-3.74): John Brenholdt, Scott Nigh, and Dan Schmidt.

There have been 1,439 students named to the Honors List for the fall semester at the University of Wisconsin-Eau Claire, according to Dr. Larry Schnack, UW-EC acting vice chancellor.

To be eligible for the honor, a student must receive at least a 3.5 gradepoint average (where 4.0 equals A) for 12 credits or more of college credit courses.

There were 553 seniors, 287 juniors, 310 sophomores and 289 freshmen who qualified for the honor.

Names to the UW-EC Honors List from this area was John H. Dettmann, senior, of 9388 Bolton Drive.

Certificates of commendation are being mailed to about 1,000 students at the University of Wisconsin-Stevens Point who earned high academic grade-points during the fall semester that ended in December.

Chancellor Philip R. Marshall said students with grade-points from 3.90 to 4.0 (straight A) are designated as scholars of highest honor. High honor citations are going to students with grade-points from 3.75 to 3.89, and honor citations will go to students with grade-point averages from 3.5 to 3.74.

One-hundred seventeen students in the highest category have received straight A averages.

Approximately 11 percent of the more than 9,000 students at

Dean's List, the student must maintain a 3.3 grade point average out of 4.0 for the semester.

Pillsbury is a Biblical Arts College located in Owatonna, Minnesota, 65 miles south of Minneapolis and St. Paul.

Two area students are among students enrolled in the University of Wisconsin-Madison College of Letters and Science who have been named to the Dean's List of top scholars for the past semester.

The honor is earned by approximately 10 per cent of Letters and Science students. Letters and Science is the largest college on the Madison Campus with 44 teaching departments and some 900 faculty members.

The students are: Kenneth J. Scott, R. 1, 3409 County Line Dr., Kewaskum, Journalism, and Jacqueline Marie Yearling, 9413 Bolton Dr. N. Kewaskum.

Jean M. Carpenter, a junior majoring in Recreation Therapy, of 148 Mill St., Campbellsport; Terri A. Diekvoss, a senior majoring in Physical Educ-Women, of 354 E. Main St., Campbellsport; Perry S. Kempf, a sophomore majoring in Computer Science, of 1761 Hwy. A, R. 1, Kewaskum; Jennifer K. Zemlicka, a freshman majoring in Pre-physical Therapy, of 1527 Stark St., Kewaskum, and Julann D. Zemlicka, a sophomore majoring in English, of 1527 Stark St., Kewaskum, have been named to the Dean's List of the University of Wisconsin-La Crosse for the first semester of the 1982-83 academic year.

Qualification for the Dean's List is based on outstanding academic achievement.

Terri A. Diekvoss, a senior majoring in Physical Educ-Women, of 354 E. Main St., Campbellsport, and Mary

Loehr, a senior majoring in Elem. Education, of 523 E. Main St., Campbellsport, were among the 490 candidates to receive degrees at the 18th annual midyear commencement ceremonies Saturday, Dec. 18, at the University of Wisconsin-La Crosse. The 3 p.m. program was held in Mitchell Hall on the university campus.

A total of 430 undergraduate and 60 graduates degrees were conferred by Chancellor Noel Richards.

A reception for graduates and their guests were held in Ishnala, Cartwright Center on the campus, housing and extra-curricular activities.

REVIVAL

The Pentecostal Church of God, 120 Main Street, Kewaskum, will be holding Revival Services on Thursday, Friday and Saturday, Feb. 24, 25 and 26 at 7:00 p.m. Rev. Herman Spencer from Kenosha will be the evangelist.

Everyone is welcome.

Ramrod Ranch

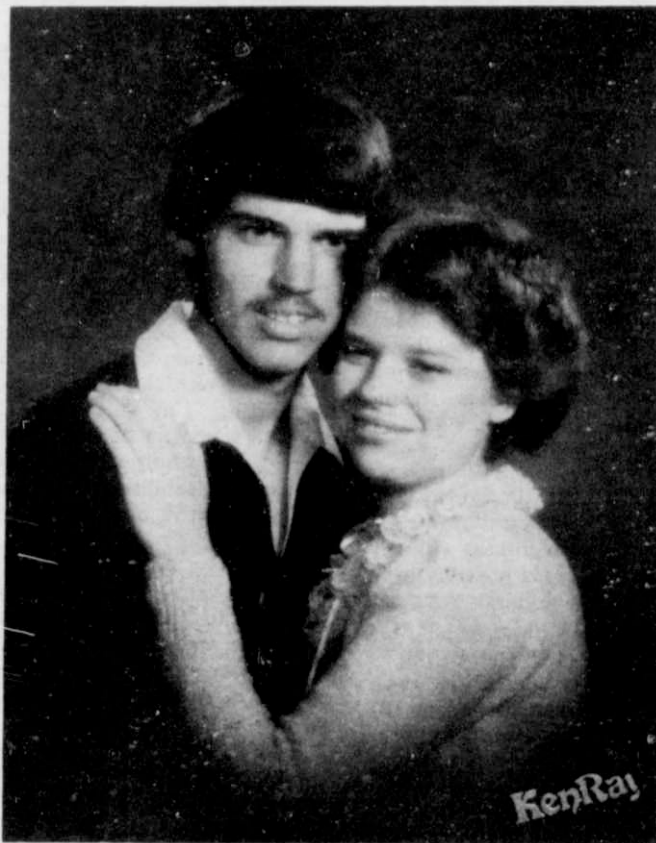

Mr. and Mrs. Arthur Brandt of Rochester, Minnesota, announce the engagement of their daughter, Vickie Lyn, to Richard Robert Weiss, son of Mr. and Mrs. Edgar Weiss of 2959 County Hwy. H, Kewaskum.

Vickie is employed at the Kahler Hotel, Rochester, and

Rick is manager of Insty-Print in Rochester.

Rick is a graduate of West Bend East High School and M.P.T.I. He spent four years in the Navy aboard the Eisenhower working in the print shop.

A July 9 wedding is being planned.

Anthony and Joyce Goebel, R. 1, Eden, are proud to announce the engagement of their daughter, Mary, to Ed Ruplinger, son of Raymond and Rose Mary Ruplinger, R. 1, Allenton.

Mary, a 1980 graduate of Campbellsport High School, will graduate from the UW-Whitewater in August, 1983,

with a degree in Accounting.

Ed, a 1980 graduate of Kewaskum High School, graduated from the Reisch Auctioneering in Mason City, Iowa, in Dec., 1982. He is an auctioneer of The Country Colonels Auction Service, R. 1, Allenton.

A May 28, 1983, wedding is planned.

Hubbell Attends Missouri Meeting Of College Board

Janet L. Hubbell of 1010 Hillside Dr., Kewaskum, Guidance Counselor at West Bend West High School, was one of more than 400 educators, counselors, admissions officers, financial aid administrators and agency representatives who attended the Midwestern Regional Meeting of the College Board in St. Louis, Missouri from February 13-15, 1983 to discuss educational issues important to students, parents and educators.

Keynote speaker, Dean F. Berkley, Director of Administration and Administrative Studies at Indiana University, in his address Sunday evening, February 13, on "Cutting for Sign," discussed the necessary utilization of the human resources mutually developed by schools and colleges to form a healthy and profitable relationship between those constituencies.

According to Mr. Berkley, the greatest commodity we can give to the world is not manpower, but brain power. It is, therefore, important for both schools and colleges to become familiar with the territory of the other and to recognize the dividends of declaring and sharing professional concerns.

Other highlights of this year's meeting included "The Washington Scene," conducted by Janet S. Hansen, Associate Director for Policy Research Analysis at the College Board's Washington Office, focusing on legislative issues of special importance to educators, and the "Plenary Session" discussing "The Economics of Education" addressed by David W. Breneman, Senior Fellow at the Brookings Institution. Breneman directed his remarks to trends in the national economy including federal economic and social policies relating to possible implications for secondary school and higher education.

The College Board is a non-profit membership association of more than 2,500 schools and school systems, colleges and universities, associations and scholarship agencies. The Board offers guidance and evaluation services in counseling, admissions, placement and credit, and financial aid to help students, schools and colleges in making important educational and career decisions.

Lemke—Survis

Mr. and Mrs. Kenneth H. Lemke, 3201 Lighthouse Lane, West Bend, are pleased to announce the Valentine's Day engagement of their daughter, Judy, to Bruce Survis, son of Mr. and Mrs. Forest F. Survis, 8085 Kettle Moraine Drive, West Bend.

Judy is a graduate of West Bend West High School and is employed at K-Mart, West Bend.

Bruce is a graduate of Kewaskum High School, and is employed at Arm Tool and Metal Products, Inc., West Bend.

Butzlaff—Voss

Mr. and Mrs. Ervin Butzlaff, Jr., of Route 1, Horicon, are proud to announce the engagement of their daughter, Bambi Lyn, to James H. Voss, son of Mr. and Mrs. Howard Voss of Route 1, Horicon.

Bambi is a 1980 graduate of Mayville High School. She is employed part-time by the Horicon State Bank and WBEV/WXRO. Jim is a 1978 graduate of Horicon High School and is employed as

equipment manager at the stadium at the University of Wisconsin - Madison. Both attend the University of Wisconsin. Bambi is a Junior majoring in Journalism and Jim is a Senior in Industrial Engineering, and will graduate this spring.

A wedding date has not been set. Bambi is the granddaughter of Mr. and Mrs. Ervin Butzlaff, Sr., of Kewaskum.

Letters to the Editor

Feb. 17, 1983

To the Statesman:

I am writing regarding the eight hour day to which I am opposed.

I don't think a 45 minute class is long enough for students to get any benefit from it. It will result in less time a teacher has to spend with his/her pupils which would result in the slower student not being able to grasp the material. This would also give the teacher approximately 30 more pupils per-day - thus the teacher would have more work also.

The student would then be given more homework for the lost classroom time plus homework from the extra class. There are some students who have much needed jobs after school which would possibly be in jeopardy with extra homework. Also, in getting more homework this would cut down time for extra-curricular activities which I understand is taken into consideration the National Honor Society.

When students filled out their class registration for the following year they were asked what subject would be taken IF the school went to an eight hr. day. The school board then took the response as an indication that the students wanted an eight hr. day - which the majority doesn't. In fact, a poll taken in school showed that there were no teachers in favor of it and only 78 students who did. Many of the students who voted for an eight hr. day were seniors who wouldn't be effected by the change.

When the board raised the grade point average to 1.5 they eliminated some students from participation in sports, the play, chorus and other extra-curricular activities. This latest proposition would also result in some elimination of students because of the extra homework.

I hope the school board will seriously decide if there really is a need for the eight hr. day. The way I see it now only the very good, uninvolved student would possibly benefit.

A concerned parent,
Laneille Dieringer

.....

Feb. 15, 1983

Editor

Sir:

On Monday night, Feb. 14, 1983, I attended my first meeting of the Kewaskum School Board. It has to be the biggest "farce" I have ever seen. If all the meetings are conducted in the same manner as this one was, then the taxpayers and parents in the Kewaskum School District are in a lot of trouble. If you think I'm making all this up, please attend the next meeting and judge for yourself. I asked someone if this was the way all of the meetings were run, and was told that this one was mild.

I was under the impression that all concerned citizens could have some input in what takes place in their community. However, it seems that the only way someone can speak at these meetings, is if they agree with certain members of the school board.

Roberts Rules of Order should be changed to Ogi's

Rules of Order. People wanted to ask questions or make statements and weren't given the opportunity to do so. Some questions that did get asked went unanswered. It was to the point of being totally and rudely ignored! I am aware of and have read "Procedures For Meetings and Public Participation" that was issued by the school board. Now, if only the school board members would read it and follow their own rules, it sure will help.

I as a concerned parent, would like to know why the school board won't sit down out of court and negotiate with the teachers. It could possibly save thousands of dollars! Your tax dollars.

Another problem that was brought up was the eight (8) period day. Very little input was allowed by those in the audience on this subject. Why? Is it cut and dry? Are four (4) people going to have the say as to the quality of education our children receive?

What about the children who have learning disabilities? Are we really going to due them justice by cutting their present class time down from 52 minutes to 45 minutes?

Those parents with children who are in "special education programs" (LD) should ask

themselves, can my son or daughter really afford to lose 7 valuable minutes of reading, math or other courses?

What about lab time, foods, or industrial arts, woods, metals etc.

Setup time and take down time will mean shorter classes than the actual 45 minutes that will go with the eight period classes.

There are a total of 1,984 students enrolled in the school district. I for one can not see allowing four people to dictate to all of us, the kind of education our children should be getting. I'm sure that all parents want the best possible education for their children with learning disabilities, to the average, to the above average students.

Please don't take someone's word that they're doing a great job. Go to the school board meetings and see for yourself where your money is going and be informed as to what is going on in your school district.

If you don't know when the meetings are, call the school administration office, at 626-2160, they will be more than glad to tell you. To sum it up, do yourself and your children a big favor!

Nashville Network Begins Service March 7 on River Bend Cablevision

River Bend Cablevision will begin delivering The Nashville Network March 7 at 8 p.m. on channel 34 to more than 5,000 subscriber homes in the West Bend area.

The Nashville Network is a cable television network delivering country-flavored entertainment and the first nightly

live entertainment show in cable TV history. Subscribers can tune in for 18 hours a day of comedy, interviews, dance, games, sports and music, music, music - all brought by satellite from the heart of country entertainment - Nashville, Tennessee.

Cablevision subscribers will be entertained by a lineup of shows that include such country programming firsts as: "Nashville Now," a 90-minute live talk and variety show hosted by Ralph Emery; "Fandango," a country game show with Grand Ole Opry star Bill Anderson as host, and "Yesteryear in Nashville," an interview program hosted by Opry star Archie Campbell. And there's much more.

Cablevision currently serves more than 5,000 subscriber homes in the West Bend area including the Villages of Jackson and Kewaskum with 35 channels of entertainment, sports, movies, news and more.

To accelerate the baking of a potato, first boil it for about ten minutes.

Dance-A-Thon for Heart Fund Monday

February is heart month. So, Vickie Mueller, West Bend, who is an instructor for Dance Slimnastics, along with her students, will be raising money for the American Heart Association, with pledges.

A two hour Dance-a-Thon will be held on Monday, Feb. 28, beginning at 5:00 p.m., at the Kewaskum School.

The public is welcome to come and watch - no charge.

PANZER TO SHARE WBKV OPEN LINE

MADISON... State Representative Mary Panzer (R-West Bend) of the 72nd Assembly District will be sharing the Open Line with Larry Tainter on WBKV Radio from 9 to 9:30 a.m. on Monday, February 28. After the radio time, Representative Panzer plans on holding office hours at the Washington County Courthouse, Room 131, from 10 a.m. to noon on Monday. She encourages people who have questions about or problems with the state government to call her at 338-4455 or drop by the courthouse.

Baby tigers remain with their mother until their third year.

State Patrol 'Winter Emphasis' Program Nets 75 Drunks, 410 Speeders

The Wisconsin State Patrol has arrested 75 motorists for drunk driving and 410 for speeding in the first seven weeks of a "winter emphasis" campaign to reduce speed and alcohol-related crashes on 80 of the state's most dangerous highway miles.

In a report dated Jan. 27, Col. Howard N. Goetsch, deputy administrator of the Department of Transportation's Division of State Patrol, reported that troopers made 2,570 "motorist contacts," which includes all hazardous moving violations, motorists assists and warnings.

The special emphasis program, which has 15 weeks yet to go, involves some 7,800 additional overtime hours for 112 Troopers and 14 Sergeants patrolling 16 target sectors in 11 counties. The program is underwritten by a \$199,000 federal highway safety grant provided by the Department's Office for Highway Safety.

Colonel Goetsch explained, "The purpose of our program is to remove drunk drivers from the road and to slow down speeders. By doing this we intend to reduce accidents on these dangerous stretches of roads."

The target sectors, selected by a computerized record search that identified highways with high involvement of speed and alcohol in traffic accidents include portions of I-90, USH 12 and USH 51 in Dane County; USH 51 in Rock County; USH 18 in Jefferson County; STHs 31 and 32 in Kenosha County; STH 32 in Racine County; I-94 in Waukesha County; USH 151 in Fond du Lac County; STH 125 in Outagamie County; STH 110 and USH 41 in Winnebago County; USH 41 in Washington County and STHs 23 and 42 in Sheboygan County.

Nearly 40 per cent of the accidents on the target sectors involve drinking, speeding or both, Goetsch said.

FS Program Aiding FFA To Be Repeated

Corn growers and local FFA chapters in Illinois, Iowa and Wisconsin are reminded that the FS Seed Division of GROW-MARK, Inc., and local FS service companies are again sponsoring a seed corn tag redemption program that last year netted more than \$24,000 for local FFA organizations.

The 1983 version of the program will be the same as last year, when each analysis tag removed from a bag of FS seed corn and returned to a local FS service company was worth 50 cents to a local FFA chapter.

According to the program's organizer, Frank Unger, marketing services manager for the FS Seed Division, some local FFA chapters took in quite a bit of money in 1982. He expects even more chapters to become actively involved in 1983.

"Last year was the first time we offered this program. A lot of chapters took in tags worth more than \$200 and some got as high as \$450. After seeing this kind of success, I imagine many other chapters will get into the act this year."

An informal polling of participating chapters reveals that some used the money they received to finance trips to judging contests, while others used the funds to finance day-to-day activities like field plots.

Unger adds that tags redeemed this year should be from seed corn sold for 1983 planting. "That includes tags from new varieties like FS 454, FS 275, FS 675 and FS 852."

To redeem these tags, FFA youth should collect them from growers and then turn them over to their local FS service company. Local companies will do final tallies and present checks later this summer.

For a "Go-Go" shake, combine a small banana, 1/4 cup smooth peanut butter, 1/2 pint vanilla ice cream and a cup of milk. Whirl in a blender until smooth. Serves two.

from Tom Leitze, R.P.H.

TRACE MINERALS (Continued)

Copper, another important trace element, is a component of many proteins and enzymes in the body and is involved in bone and muscle development and central nervous system functioning. It works with iron to form red blood cells which carry oxygen. Low copper intake can cause anemia and perhaps heart disease. Copper is found in nuts, liver, shellfish, raisins, dried beans, peas, and other legumes.

4-H NEWS

By Bob Stodola
County 4-H & Youth Agent

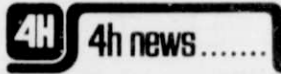

4-H DOG TRAINING TO START MARCH 7

Dog obedience has become a popular 4-H project. Some 4-H clubs have leaders for the 4-H dog project and have training sessions for their members. However, if clubs do not have a dog project leader on the leader and members want more help, it is available.

Muriel Bast, County 4-H Dog project leader, and other leaders will conduct weekly training meetings beginning Monday, March 7, at 7:00 p.m. at the Humane Society, 3650 Hwy. 60, Slinger.

Any 4-H member or leader who wishes to register should call one of the leaders, Muriel Bast 673-3199, Sue Thiel 628-0143 or Janet Fick 644-8930 or they may write to Muriel Bast, 4857 Hwy. U, Hartford, WI 53027.

The main purpose of the 4-H Dog project is to help youth learn to train and care for their dog. A dog can be a great companion to a person when that dog is able to understand commands and will do the bidding of his master. A real close relationship can develop. It is the hope of the 4-H project that young people will have the knowledge and the skills to train their dog and develop this kind of relationship.

KEWASKUM 4-H CLUB

The February 10th meeting of the Kewaskum 4-H club was called to order at 7:40 p.m.

Steve Markus and Steve Kapp reported on the swimming party.

The club purchased 3 cases of corn and 3 cases of peas and delivered them to a pantry in West Bend as a community project to help those in need.

The theme for the speech and poster contest, to be held on April 25th, is: "Taking Care - A Way of Life." Speeches are to be given at the April meeting and posters, which can be no larger than 14"x22", also are to be brought to the April meeting to be shown.

For our February activity, the members may go skiing. Details will follow.

The Oconto County exchange trip for 12-14 year olds, will be held from June 19-26. The horse show is now scheduled for May 29th.

The refreshment committee for next month is Mike Carron and Pat Holtz.

Jody Sekas,
Club reporter

Cauliflower can cook to a bright white if you add a little milk during cooking.

Eager Beaver Homemakers Meet

Our January meeting was held at the home of George Holtz. Projects and field trips for the coming year were discussed. Sue Lieven was a guest at our meeting. Door prize was won by Carol Butzlaff.

We had a Valentine Meal at the Brig O' Doon with our husbands on February 12. After the delicious meal we went to Dianne Carron's house. A brief report on the monthly project "Computers in Your Life" was given by Karen Ellefson and Ann Neumann. Door prizes were won by George Holz.

Count on the Classifieds to Do the Job

IRA* QUESTION # 3

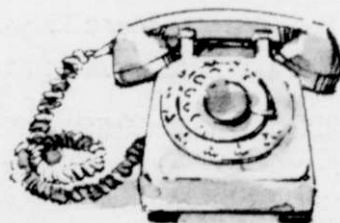

*Individual Retirement Account

Should I invest all my savings in an IRA?

Because there are limits set for the amounts you can contribute to a tax deductible IRA each year...you should consider an IRA as only one important part of a well-balanced, diversified, savings investment program.

Currently you can contribute up to \$4,000 in a joint IRA...up to \$2,250 if only one member of your household has a taxable income...and up to \$2,000 for single individuals.

You don't have to be a financial wizard to understand the advantages of an Individual Retirement Account. But it does help to talk to a VALLEY BANK IRA professional. An informal chat can help you decide if an IRA is a sound choice for your personal income plans.

"Hello, Valley Bank!"

The answer is simple.

Valley Bank

KEWASKUM/ALLENTON

MEMBER FDIC AND VALLEY BANCORPORATION

It's National FFA WEEK!

1983 FFA WEEK FEBRUARY 19-26

Pictured are some of the things the FFA did in 1982. Throughout the year, FFA members take part in many activities from fair competition to judging contests. Most of these activities involve hard work and dedication, but pay off in many different ways. Can you find an FFA member you know in the picture?

THE FFA CREED

I believe in the future of farming with a faith born not of words but of deeds — achievements won by the present and past generations of agriculturists; in the promise of better days through better ways, even as the better things we now enjoy have come to us from the struggles of former years.

I believe that to live and work on a good farm, or to be engaged in other agricultural pursuit, is pleasant as well as challenging; for I know the joys and discomforts of agricultural life and hold an inborn fondness for those associations which, even in hours of discouragement, I cannot deny.

I believe in leadership from ourselves and respect from others. I believe in my own ability to work efficiently and think clearly, with such knowledge and skill as I can secure, and in the ability of progressive agriculturists to serve our own and the public interest in producing and marketing the product of our toil.

I believe in less dependence on begging and more power in bargaining; in the life abundant and enough honest wealth to help make it so—for others as well as myself; in less need for charity and more of it when needed; in being happy myself and playing square with those whose happiness depends upon me.

I believe that rural America can and will hold true to the best traditions of our national life and that I can exert an influence in my home and community which will stand solid for my part in that inspiring task.

The creed was written by E. M. Tiffany, and adopted at the 3rd National Convention of the FFA. Revised at the 38th Convention.

the **FFA**
Organization

FFA MOTTO

**Learning to do,
Doing to learn,
Earning to live,
Living to serve.**

Building Our American Communities

The FFA stresses the need to provide sound training in leadership, cooperation, the development of responsible citizenship, and experiences in community service. BOAC is designed for total involvement of chapter members in community improvement through constructive action programs to help FFA members to prepare for the future. Through BOAC, FFA members are provided a "vehicle" in which to analyze their community in terms of employment opportunities, environmental control, population trends, recreational needs, and availability of community services and resources.

BOAC is a "self-help" program that will "beckon to rural citizens" and help make all American communities viable and strong. It also provides ways members can get "a piece of the action" and receive awards provided for recognition of outstanding achievement. Awards are presented on community, local, state, and national levels.

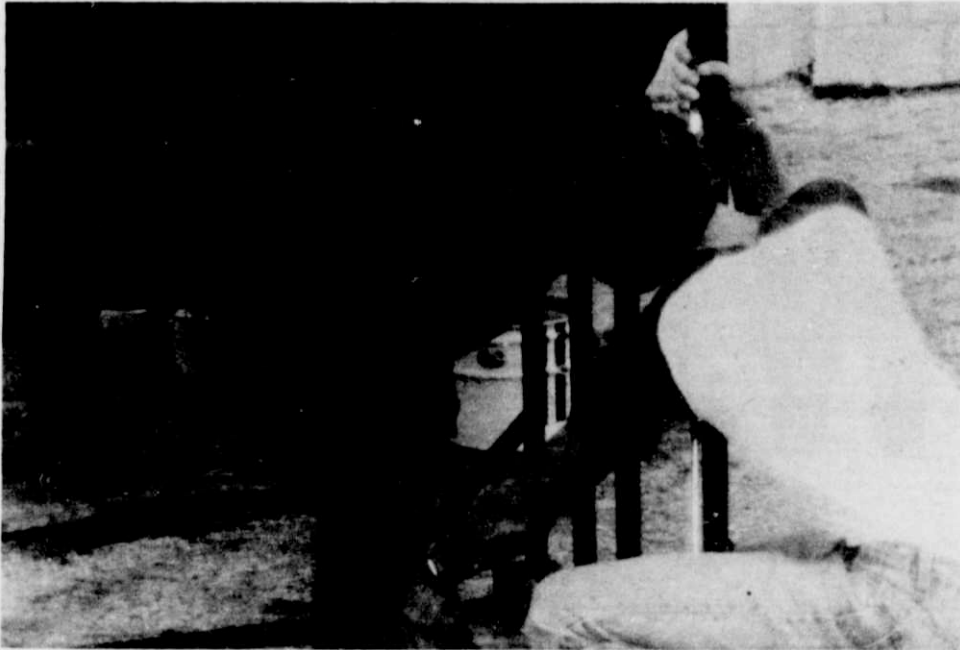

The FFA's BOAC program has been given extreme recognition for its outstanding involvement. One outstanding recognition took place in 1970, when the FFA Building Our American Communities Program, was endorsed by President Richard Nixon and leaders in Congress.

Most of us can look with pride to certain things in our community which makes it unique and a rewarding place in which to live and work. Likewise, we can probably find a few things we would like to see improved.

The FFA initiated the BOAC program because every community has room for improvement and because working to improve communities can be a viable experience in leadership and cooperation.

THE FUTURE OF FARMERS OF AMERICA

FAIR 1982

Many F.F.A. members exhibit animals at the Washington County Fair. Here John Schmitt is shown getting his Reserve Champion Angus steer ready for the show.

This year the 1982 Washington County Fair ran from July 21 to 25, with Kewaskum FFA exhibitors showing in many different classes. Classes in which FFA members had shown projects were beef, swine, dairy and rabbits. Livestock projects including steers and hogs, many of which began back in December of 1981, were sold either at the fair meat animal auction or by private treaty.

Judging of the meat animals began on Thursday morning, July 22. Kewaskum members that exhibited hog projects were: John Nowak, Brian Jung, Dan Jung, Tony Matenaer, Daryll Pufahl, Brian Ruplinger, Brenda Kempf, Laura Kirchner, Kevin Rodenkirch, Jon Etta and Brian Pamperin. FFA members that showed beef steers were: Kevin Thull, Gary Butzlaff, John Schmitt, Quin Mueller, and Jeff Schneider. Jon Etta also showed his registered Hereford calf during the beef show.

The Kewaskum FFA livestock exhibitors were again successful in bringing back many first and second place ribbons. John Schmitt received reserve champion honors with his Angus cross steer and Quin Mueller won the grand champion rate of gain for steer with a 3.27 pounds of gain per day average. The beef exhibitors also received second place for herdsmanship and neat attractive decorations. Brenda Kempf received reserve champion rate of gain in hogs with a 2.4 pounds per day average.

Though livestock represents the bulk of Kewaskum FFA members' projects for the fair, Barb Schulz and Mike Schulz represented the FFA in dairy competition. The Kewaskum Dairy Club also took second place in the herdsmanship competition.

Harvey Barber rounded out the diversity within the FFA showing his rabbit project. With the tough competition in all phases of the fair, the Kewaskum FFA members came away with a valuable learning experience.

Rabies Clinic

On April 6, 1982, the Kewaskum Chapter of Future Farmers of America held the annual rabies clinic. It was conducted in the ag shop area with Dr. Charles Ogi administering the shots. The Kewaskum FFA thanks all those who attended the clinic and helped to make it a huge success. Look forward to this year's clinic in early April. Pictured is Doc Ogi vaccinating one of many dogs, while FFA member John Schmitt lends a helping hand.

Fruit Sale

The Kewaskum FFA's annual fruit sale, which was held in December, was a huge success. 1,100 cases of fruit were sold, bringing in a huge profit. This year's top salesmen were Kevin Thull, first place with 82 cases; Brian Ruplinger, second place with 81 cases and Roger Batzler, third place with 44 cases. Each is to receive a prize at the annual banquet held in May. Shown above sorting fruit are, left to right, Mike Schulz, Joe Schmitt and Joel Junk.

Catholic School Week

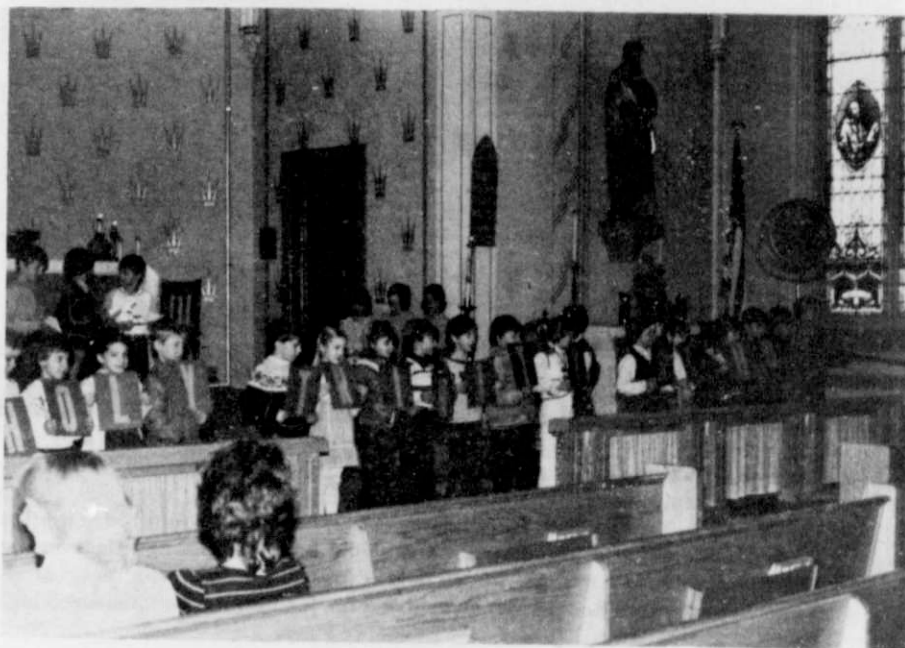

Catholic School Week was observed at Holy Trinity School, Kewaskum, the week of February 7, with an open house. It gave families insight on school functions and student participation.

Father Berghammer, pastor of Holy Trinity, gave a homily recalling the prayers, songs and lessons of students attending a Catholic school.

Parents and younger family members experienced lunchroom activity with students.

The day ended with a Mass celebrating the learning opportunities afforded by Christian education.

Count Radetzky de Radetz is on record as the oldest old soldier. He served in the Austrian army for 72 years.

Area Dairyman Presents Petitions To Sensenbrenner in Washington

Danny Rodenkirch, a Kewaskum dairy farmer, recently presented Ninth District U.S. Rep. F. James Sensenbrenner, Jr. [right] with petitions signed by over 600 area dairy farmers in opposition to the Reagan Administration's 50 cent per hundredweight milk assessment. Rodenkirch told Sensenbrenner the fee would have a crippling effect on the pocketbooks of many dairymen at a time when they can least afford any new production expense. Sensenbrenner told Rodenkirch he opposed the fee and has co-sponsored legislation to repeal it.

District Attorney Resheske Elected To State Office

Washington County District Attorney, David C. Resheske, was elected Secretary-Treasurer of the Wisconsin District Attorney's Association at the mid-winter meeting held this month in Brookfield.

Resheske has been a member of the Association for the past eight years and has previously served as Assistant District Attorney Representative to the Executive Committee and as Third Vice President.

The Wisconsin District Attorney's Association is a state-wide organization which provides continuing legal education for prosecutors and provides input into the legislative process on bills relating to the criminal justice system.

The Pioneer Events Committee of the Hartford Centennial is seeking the names and addresses of pioneers', descendants and longtime former resident of Hartford.

The Committee would like to issue a personal invitation to any such person so they may attend the Centennial scheduled for May 27-June 5.

Anyone having information may send it to: Eleanor Casely, 144 Teddy Ave., Hartford, WI 53027.

The world's population grows by about 90 million a year.

Congressman
**JIM
SENSENBRENNER**
Reports

MILK FEE HURTS FARMERS, SHOULD BE REPEALED

Last year, Congress ordered an ill-conceived 50 cents per hundredweight assessment on milk in an attempt to curb production and reduce the dairy product surpluses are costing us millions of dollars a year. Unfortunately, the fee idea has backfired, and is merely compounding the overproduction problem while hurting many dairy farmers.

In enacting the fee, Congress was trying to discourage excess milk production, but what is happening is farmers are increasing production anyway just to keep the cashflow coming to pay their bills.

For example, a farmer producing an average of 77,000 pounds of milk every month will pay about \$4600 under the first 50 cent assessment. To compensate for this substantial loss, many will increase their produc-

tion despite the fee.

I have co-sponsored legislation to repeal the 50 cent assessment, but the Administration's position and the lack of understanding among Congressmen from non-dairy states make it very unlikely the legislation will pass. Thus, I am supporting a new approach by Wisconsin Rep. Steve Gunderson (R-Osseo) to substitute a Voluntary Incentive Program (VIP) for the fee to more effectively encourage cutbacks in milk production.

Under this program, the dairy price support would remain at \$13.10 per hundredweight, the assessment would be repealed, and a new payment, similar to the grain set-aside, paid diversion program already under way, would be created.

Under this plan, farmers would receive \$10 per hundred-

weight of milk they do not take to market. However, this would only be paid to farmers volunteering under a contract to reduce production by 5 to 30% compared to 1982. One-half of the payment would be received within 30 days of signing, and the rest upon proof of completion of the contract's terms.

There is broad support for VIP in Wisconsin, but national support will be harder to get, and a tough fight in Congress is expected. Rep. Tom Harkin (D-Iowa), Chairman of the Dairy Subcommittee, is looking at this and other milk plans and will hold hearings on them in the next few weeks.

The 50 cent fee is hurting farmers and costing the taxpayers, who foot the bill for the surpluses Uncle Sam must pay. The VIP approach will turn that around, helping both the farmer and the consumer.

Dawn Hlavaty

Airman Dawn J. Hlavaty, daughter of Donald J. and Gerda Hlavaty of 122 Elm St., Kewaskum, has been assigned to Sheppard Air Force Base, Texas, after completing Air Force basis training.

During the six weeks at Lackland Air Force Base, Texas, the airman studied the Air Force mission, organization and customs and received special training in human relations.

In addition, airmen who complete basic training earn credits toward an associate degree in applied science through the Community College of the Air Force.

The airman will now receive specialized instruction in the medical services field.

She is a 1982 graduate of Kewaskum High School.

.....

Eugene Miller

Airman Eugene F. Miller, son of Raymond C. and Lucille H. Miller of 530 Weis St., Allenton, has been assigned to Keesler Air Force Base, Miss., after completing Air Force basic training.

During the six weeks at Lackland Air Force Base, Texas, the airman studied the Air Force mission, organization and customs and received special training in human relations.

In addition, airmen who complete basic training earn credits

toward an associate degree in applied science through the Community College of the Air Force.

The airman will now receive specialized instruction in the communications - electronics systems field.

He is a 1979 graduate of Slinger High School.

.....

Steve H. Bemis, son of Eugene G. Bemis of Rural Route 1, Adell, Wis., and Ann H. Bemis of 5405 Richenbacher Ave., Alexandria, Va., has been promoted in the U.S. Air Force to the rank of airman first class.

Bemis is an engineer resources management specialist with the 7th Civil Engineering Squadron at Carswell Air Force Base, Texas.

He is a 1977 graduate of Kewaskum High School.

.....

Vincent Beder

Airman Vincent A. Beder, son of Vincent A. and Kathleen A. Beder of 7170 Pleasant Drive, West Bend, has been assigned to Lowry Air Force Base, Colo. after completing Air Force basic training.

During the six weeks at Lackland Air Force Base, Texas, the airman studied the Air Force mission, organization and customs and received special training in human relations.

In addition, airmen who complete basic training earn credits toward an associate degree in applied science through the Community College of the Air Force.

The airmen will now receive specialized instruction in the munitions and weapons maintenance field.

He is a 1982 graduate of West Bend East High School.

**BROTHERHOOD WEEK
FEBRUARY 20-26**

Social Security Disability Benefits Can Be Continued Until Appeal is Settled

Starting February 1983, people who are appealing the decision to stop their Social Security disability benefits can elect to have their benefits and Medicare protection continued until the appeal has been decided by an administrative law judge David Becker, Social Security district manager in West Bend, said recently.

This is the result of a change in the law enacted on January 12. No benefits under this provision can be paid for months before February and no benefits can be paid for months beyond June 1984, even if the appeal has not been decided by that time, Becker said.

Under the old law, disability benefits generally were continued only for 2 months after a month a decision was made that the person was no longer disabled, and benefits could not be resumed unless the person won an appeal.

The new law applies to cases in which a decision is made after January 12, 1983 and before October 1983 to end disability benefits. It also applies to cases in which a reconsideration decision or a hearing before an administrative law judge is still pending.

People should be aware, Becker said, that if they elect to have benefit payments continued and they lose their appeal, they may have to repay the disability benefits they received while their appeal was pending.

Of course, if the final decision is that the person is still disabled, benefits will continue unchanged.

The new provision does not apply to people whose initial claim for disability benefits is denied. These people cannot receive any benefits unless they

received a favorable decision on their claim.

More information about this new provision of the law can be obtained at any local Social Security office in West Bend. The telephone number is 1-800-242-9946.

Immunization Clinics Slated

Immunization clinics offered by the Washington County Community Health Nursing Service continue to be held twice monthly in West Bend.

March clinics are:
March 1 - 2:00 - 5:00 p.m.
March 22 - 9:00 - 11:00 a.m.

The clinics will be held in the Community Health Nursing Service office at 515 East Washington Street, West Bend.

All recommended immunizations are available to children and adults and are provided free of charge. There is a \$1.00 charge for the T.B. skin test for those age 16 and over.

For further information call: Community Health Nursing Service, 338-4462 or 644-5204, Mrs. Delores P. Harder, R.N., Director.

MAKING ENDS MEET

By Joyce Albrecht, Extension Home Economist
AMERICANS COPE WITH HARD TIMES BY USING DOLLAR-SAVING TACTICS

Pinched by high inflation, high unemployment and repeated recessions, many Americans have changed their lifestyles in the past decade to make ends meet.

To cope with hard times, families may use any one of a number of strategies.

First, families may try to raise their income. The most popular means of raising family income has been to add a second earner. In nearly 25 million households, both the husband and the wife work. That's twice the number of 20 years ago. The median income of two-earner families is 40% higher than the median among families living on one paycheck.

A second coping strategy is to cut expenses. Caught between tight budgets and high unemployment, nearly one million households were dissolved between July 1980 and July 1981. Older people cut costs by moving in with grown children while young couples economized by returning to their parents' homes.

A survey of nearly 2,000 people in four American cities conducted in the late 1970's by David Caplovitz showed that almost half of the families cut back on food by buying less expensive products and eating out less often. Other respondents reported cutting back on clothing, recreation and even medical care.

A third coping strategy is to use money more efficiently. Americans are buying more generic products, using coupons and shopping sales. In fact, some 70% of Caplovitz's respondents claimed to buy most things on sale.

Families also improve their financial efficiency by becoming more self-reliant. More than 50% of the people surveyed said they now repair things they used to throw out. In addition, families are making do with what they have, remodeling their homes rather than buying new ones, for example, or

postponing car purchases.

Home vegetable gardening is another dollar-stretching strategy. More than half of all households in the Midwest have gardens. Nationwide, the number of home gardens increased 4 million in 1981 and about 6 million in 1982, compared with an annual growth rate of only 1 million in recent years.

Sharing is another coping method on the rise. Nearly 20% of Caplovitz's respondents reported sharing transportation with friends and neighbors. Swapping children's clothes and sharing food bought in large quantities also saves.

These five coping strategies are preferable to a sixth strategy families might try: going into debt. It's tempting to finance with borrowed money a lifestyle that's climbed out of reach. In the late 1970's, researchers found that 8% of respondents increased their debt load to cope with hard times. As late as 1980, consumers continued to take on record debt loads. Many assumed that dollars would buy much less in the future.

That strategy backfired for those who bought houses at high interest rates. Housing has since depreciated and those families are left paying more than their houses are worth.

 Educating Through Experience

Obituaries

SHARON SKUDLARCZYK

Mrs. Sharon Skudlarczyk, 31, of Route 3, Campbellsport, died Thursday, Feb. 17, at St. Joseph's Community Hospital, West Bend.

She was born May 2, 1951, in Fond du Lac, the daughter of Angelo and Bernice Gudex Campagna. On March 6, 1970, she was married to Dale Skudlarczyk at Gary, Ind.

Mrs. Skudlarczyk was a member of Pentecostal Church of God at Kewaskum.

Surviving are her husband; three sons, Daryl, Dale Jr. and Danyl, all at home; her mother, Mrs. Bernice Tuttle of rural Kewaskum; and a stepsister, Kathy Tuttle of rural Kewaskum. Her father preceded her in death.

Funeral services were held at 2 p.m. Sunday at Twohig Funeral Home, Campbellsport. The Rev. C. E. Bowman officiated and entombment was taken place in Shrine of Rest Chapel Mausoleum, Ledgeview Memorial Park, Fond du Lac.

Visitation for Mrs. Skudlarczyk was from 2 to 9 p.m. Saturday at the funeral home.

WILLIAM WILKE

William C. Wilke, 80, of 134 N. Barton Road, Campbellsport, died Tuesday, Feb. 15, at St. Agnes Hospital, Fond du Lac.

He was born Sept. 10, 1902, at Magburg, Germany, a son of the late Karl and Marie Schenke Wilke. He married Verlma Perkins.

Mr. Wilke was employed by American Motors in Milwaukee and had been retired for 18 years.

Survivors include his wife; a son, Robert R. of Campbellsport; and two grandchildren.

Funeral services were held at 2 p.m. Thursday at Our Savior United Church of Christ, Germantown. The Rev. Stanley S. Huesemann officiated and burial was in the parish cemetery.

Visitation for Mr. Wilke was from 11 a.m. to 2 p.m. Thursday at the church. A.A. Schmidt Funeral Home, Menomonee Falls was in charge of arrangements.

Today's Medicine

TENDONITIS PROBLEMS By H. L. Rumsey, D.C.

If you have a muscular pain in any part of your body, it may be caused by a condition known as tendonitis (inflammation of a tendon).

The joints in your body, in addition to bone and muscle, include tendons. These are fibrous cords that attach the muscle to the bone. When a tendon becomes inflamed, it can cause pain as sharp as that associated with bursitis. The cause may be excessive stress caused by muscles out of balance.

Every joint has muscles that must work in unison for normal joint movement. As some of the muscles contract or tighten, others relax, and this should happen at the right time and with the right amount of pressure. If the muscles are out of balance, this can result in excessive stress on the tendons, causing irritation and inflammation.

Treatment to restore muscle balance and to check for any misalignments in the spine and nervous system may eliminate the source of the problem and the pain.

Clarence A. Schwartz, Sheriff

Parking May Be Hazardous

Where and how you park your vehicle can be a safety hazard, according to Clarence Schwartz, Washington County Sheriff.

Parking too far from the curb or too close to an intersection or driveway are obvious safety hazards. Not so obvious, but perhaps more dangerous, is to park on the shoulder or a road with only parking lights, instead of using flashing hazard warning lights.

"When we drive at night, we automatically follow any tail-lights ahead," the Sheriff pointed out. "Countless parked vehicles are hit each year by

motorists who didn't realize that the taillights were not moving, and followed them off the road to crash into the parked car."

Sheriff Schwartz also warned that the period of sudden and unexpected fog is near. "Particularly near the Great Lakes and Mississippi River, motorists should be alert to the possibility of fog banks. In those cases, headlights or amber adverse weather lamps should be turned on immediately to help others see you, as well as to increase your own visibility," Schwartz said.

Participation in PIK Brings Farmers Increase in FCIC Guarantees at No Extra Cost

Beaver Dam — Farmers who participate in the Payment-in-Kind (PIK) program are eligible for increased insurance guarantees on wheat, corn, and grain sorghum at no extra cost, says Julian A. Buss, Director for the Southeastern District of the Federal Crop Insurance Corporation (FCIC).

To encourage the widest participation possible in the PIK program, FCIC will accept downward revisions of previously reported winter wheat acres and increase the per acre guarantee on the remaining acreage. Downward revisions of acreage reports may be made until March 11, 1983.

For the 1983 crop year only, insurance guarantees on the eligible crops will be increased by the following proportions: a 6 percent increase for acreage reductions of 10 to 19 percent; an 8 percent increase for reduction of 20-29 percent; and a 10 percent increase in acreage reduced by 30 percent. Percentage reductions are calculated for acreage reductions above the regular farm program set aside.

Farmers may participate in

the PIK acreage reduction on one farm and not another. "Any increase in coverage," says Buss "will be in effect for the farm selected for PIK participation, without affecting the guarantee or premium on the insured farm(s)."

Upon acceptance of the winter wheat revised acreage report, the premium will be recomputed on the reduced acreage and the per acre guarantee will be increased for the remaining acreage.

Under a bid arrangement, farmers may reduce the entire acreage to zero. In that case, a zero acreage report may be made to the agent by March 11. Farmers should verify acceptance of the bid with their agent by March 18. If the bid is not accepted, the farmer remains insured for the acreage intended for harvest.

"Insured farmers should contact the local agent authorized to service their FCIC policy before March 11 to report any downward revisions on insured acreage and to gain the advantage of the increased protection," Buss says.

Aerobic Dance Classes Offered

Think Spring, and give your body what it needs — a regular aerobic workout, the fun way with Dance Slimnastics, Ltd. Join members in a new session titled "American Heartbeat" scheduled to begin the weeks of March 7 and 14 in your area.

The new session will give fitness-minded individuals the chance to work out aerobically as many times per week as desired. In classes, students see the results of this invigorating exercise program. They lose inches, tone muscles and improve the cardiovascular, or heart-and-lungs, system. Students who participate regularly can feel good about a shapelier appearance for the upcoming summer season, when it's important to look and feel good.

Under the Club's unique Open Class Policy, members can attend class as many times per week as desired. The class fee covers the cost of two one-hour sessions per week. Participants may also attend an unlimited number of additional class sessions at any location at no extra cost. The first class is always free for those who would like to try it.

Dance Slimnastics, Ltd. is a nonprofit fitness corporation headquartered in Port Washington. Classes and Instructor Training Sessions are offered in 24 states.

Classes will be held at the Kewaskum Elementary School starting March 14 on Mondays and Thursdays at 5:30 p.m., and again at 6:45 p.m. Call Vickie at 338-2396 or Karen at 334-9785 for detailed information on other classes in West Bend, Slinger, and Germantown.

County Land Conservation Department Plans Annual Cooperators' Banquet

The Washington County Land Conservation Department is planning its annual Cooperator's Banquet for the evening of March 14, 1983 with the activities beginning at 7:45 p.m. at the West Bend Knights of Columbus Hall. The event is again being planned with the assistance of the Department's Youth Board.

This year's agenda will lead off with a dinner furnished for \$4.75 per person. Following the meal, a time has been set aside

for the recognition of various conservation award winners from 1982. A slide-tape show which highlights things to see and do in Washington County will also be presented. In addition, several door prizes will be given out throughout the evening.

Several invitations have already been sent out through the mail to many county farmers and landowners through the ASCS Office. Others not receiving an invitation who would like to attend should contact either Ivan Kumrow, Don Kurer, or Marc Bethke at the Washington County SWCD Office, 2395 West Washington Street, West Bend, WI or phone 334-3706 to make advance reservations. All registrations are due at the above address by March 7, 1983, to assure seating.

Foundation Giving Free Dogwood Trees

The National Arbor Day Foundation is giving three free White Flowering Dogwood trees to new Foundation members joining during February, 1983.

The free trees, which are part of the Foundation's effort to promote tree planting throughout America, will be shipped at the appropriate time for planting this spring.

Dogwood trees were chosen for this campaign because of their year-round beauty, according to the Foundation. The Dogwoods have a long-lasting flowering in the spring, scarlet foliage in the fall, and red berries which attract birds all winter. The Dogwoods are hardy, low-maintenance trees.

The National Arbor Day Foundation, a nonprofit organization, is working to improve the quality of life throughout the country by encouraging tree planting. The Foundation will give three Flowering Dogwood trees to new members contributing \$10 or more during February.

The trees will be 3-4 ft. tall and will be sent postage paid with enclosed planting instructions. They are guaranteed to grow or they will be replaced free by the Foundation.

To become a member of the Foundation and to receive the free trees a \$10 membership contribution should be sent to FREE DOGWOODS, National Arbor Day Foundation, Arbor Lodge 100, Nebraska City, NE 68410 by February 28, 1983.

Voter Turnout of Less Than 15% Is Reason to Experiment With Weekend Elections: McCallum

Less than 15% of Wisconsin's registered voters turned out for last Tuesday's primary election. That, said State Senator Scott McCallum (R-Fond du Lac) is a good reason why Wisconsin should experiment with weekend elections.

"It is unfortunate that only 14.2% of Wisconsin's registered voters participated in a hotly contested Supreme Court primary," the 32 year old lawmaker said. "The low primary turnout illustrates the need to experiment with Saturday elections."

Senator McCallum is having legislation drafted to move state elections to Saturday. The Senator feels the legislation is needed because of declining

voter interest and the difficulty many working voters have in getting to the polls on a weekday.

Weekend elections have been a fact of life in France for many years. In addition, Hawaii tried a Saturday primary last September and over 70% of the voters turned out, McCallum noted. "The purpose of these weekend elections is to promote greater citizen participation," said McCallum. "After all, that's what Democracy is all about."

"When only 15% of our eligible voters participate, something is very wrong," concluded McCallum. "We should at least give the remaining 85% a better opportunity to exercise their voting rights."

J & J AUTO TOPICS

ON OIL FILTERS

Auto engineers figure-out that about 30,000 gallons of oil strains through the oil filter for an automobile every four months of average driving. You can imagine the amount of gunk, acid and carbon caught in the matting. And this matting can hold just so much, gets clogged and returns those impurities to the moving parts of the engine. Wear and tear on bearings, valves, etc., increases sharply. The eventual cost for repairs are much more than the regular cost of oil and filter changes.

Drive over to J & J AUTO SERVICE at 450 E. Main for this service. And while your car is up on the rack, we'll safety check the steering apparatus, brake lines and shocks free of charge. We want you to be safe on the roads.

25 Years Ago

February 21, 1958

Junior and senior honor roll students at Kewaskum High School for the second semester are: Juniors — Nancy Fickler, Cynthia Landmann, Pamela Nolting, Alice Schwind, Jonathan Weber, and David Zuehlke. Seniors — Geraldine Guttman, John Heisdorf, Judy Marx, Carol Miller and Richard Pierce.

Mr. and Mrs. Leo Fellenz, their 12 children and Mrs. Fellenz's mother, Mrs. Mary Schneider, were left homeless Friday when fire destroyed their two-story farm home on Hwy. HH at Orchard Grove, 1½ miles east of St. Michaels in the Town of Farmington. The fire broke out about 10 a.m. in the kitchen at the north end of the home. Mrs. Schneider, Mr. and Mrs. Fellenz and five of the children who were at home at the time were driven out into the cold. The entire home was gutted by the blaze with an estimated loss of approximately \$18,000. The flames spread so rapidly that members of the family were unable to enter the kitchen where the telephone was located, to call firemen. They had to call from the home of a neighbor, Frank Thull. It was believed the fire may have started from wiring in the wall.

After several months of careful planning, the Robert G. Romaine American Legion Post 384, Kewaskum, has decided to undertake extensive remodeling of their clubhouse on North Fond du Lac Avenue. The building structure shall be lowered and the second floor will serve as the deck for a modernly designed clubhouse. The structure, purchased by the Legion in 1945 from the H. J. Lay estate, was built in 1903.

At a meeting held last week the forming of a new athletic conference and the revamping of the Valley Tri-County conference was further developed. North Fond du Lac, Campbellsport and Kewaskum withdrew from the circuit last Wednesday night. All three schools reported steadily increasing enrollment and indicated a preference for playing 11 man rather than 8 man football. From all indications, six teams are committed to the proposed new conference. They are Kewaskum, Campbellsport, North Fondy, Slinger, Germantown and Grafton.

On Valentine's Day, Mr. and Mrs. Roman Kral, Kewaskum, announced the engagement of their daughter Audrey to Raymond E. Krueger, son of Mr. and Mrs. Raymond H. Krueger of Theresa.

Kewaskum, announced the engagement of their daughter Kathleen Ann to Robert Kougl, son of Mr. and Mrs. Francis Kougl, Route 1, Kewaskum, on Valentine's Day.

Pvt. George Hanrahan, son of Mr. and Mrs. David Hanrahan, Route 2, Kewaskum, returned home Saturday after completing six months of active training at Fort Leonard Wood, Mo. under the Reserve Forces Act.

A daughter was born to Mr. and Mrs. Levens P. DeBack, Milwaukee. Mrs. DeBack is a daughter of Chief of Police and Mrs. Roland Pledl, Kewaskum.

50 Years Ago

February 24, 1933

Burglars entered the general store of Simon Strachota at St. Kilian on Tuesday night and escaped with a large amount of loot. In checking up the loss, Mr. Strachota found that among the missing articles were revolvers, cartridges, cigarettes, overalls, work and dress shirts for men, a shotgun, women's gloves and hose, sweaters for men and boys, a slot machine, dresses, shoes, flashlights and numerous other articles. The burglars entered the store some time after midnight thru a basement window.

At the regular meeting of the Kewaskum Chamber of Commerce held in the rooms above the former Farmers & Merchants State Bank, the following officers were elected for the ensuing year: President — John Marx, Vice-President — John Stellflug, Secretary — Dr. L. Brauchle and Treasurer — L. P. Rosenheimer.

The United States House of Representatives on Monday approved the repeal of the eighteenth amendment to the constitution by a vote of 289 to 121. This action sends the prohibition issue back to the states. Thirty-six states must ratify to take the amendment out of the national charter and substitute for it a twenty-first.

Last Monday evening, a freak blizzard from the southwest that lasted about a half hour, whipped down on the locality. During the time of the blizzard, it was impossible to drive an auto and pedestrians had difficulty walking.

Erich Meilahn, 30, living near Cascade was killed late last week Friday when he was struck by the branch of the tree he had felled.

75 Years Ago

February 22, 1908

Jacob T. Van Vechten, one of the first white settlers of the Town of Kewaskum, died at his home in Wauwatosa, where he has lived for 20 years, on February 15. He was born in New York in 1823 where he grew to manhood. In 1846 he caught the "Western Fever" and made his way from place to place until he came to Milwaukee. On August 17, he located a "Government Claim" on the southwest quarter of section seventeen in the present Town of Kewaskum. Later in the same fall, he, with a man named Samuel Brown, leaving the beaten path a little west of the present site of Young America, blazed and cut their way to the east shore of Cedar Lake, then northward to their claims, and came in with an ox team, the first to hew their way into the heart of the unbroken forest and build their cabins. The Indian village, two miles north of the claim, with its Chief, Kewaskum, whose name at Mr. Van Vechten's suggestion the town now bears, was still in existence, and the red men for some years to come were frequent visitors at his door. In the summer and fall of 1850 he erected an 18 by 28 foot story and a half loghouse, a large dwelling for the woods in those days and it is still standing. On February 2, 1851 he there took his bride, Miss Elizabeth Bancroft of Menomonee Falls. Here they reared their family of eight children. In 1888 they retired to make their home in Wauwatosa.

Matthias Theisen, an old and respected resident of the Town of Farmington, died February 18. The deceased was born in Germany on February 19, 1935. He emigrated to America when he was 20 years of age and came directly to Wisconsin where he married Miss Katherine Stehler in 1863. The living children are: Jacob of Belgium, Wisconsin; Theresa (Mrs. John Barbian) of Milwaukee; John of Iona Lake, Minnesota; Christina (Mrs. John Kaas) of Marshfield, Nic of Port Washington, Joseph of Granville, Lizzie (Mrs. Joseph Roskopf) of Menomonee Falls, Mike and Frank, at home.

Lakes Team Wins Despite 7 Pre-Game Technical Fouls

The Kewaskum Lakes basketball team defeated the Hartford Morainers, 138-121, at Hartford Sunday night as Clark Eichstedt fired in 33 points. The win keeps Kewaskum on the heels of first-place Port Washington in the Lakes 'B' Division with a 7-5 record. Hartford drops to 2-9. Port narrowly edged last-place Mayville, 107-101, in double overtime. Their record is 7-4.

Kewaskum had to fight an uphill battle in their game with the Morainers. The game started in a bizzare fashion. Officials Harvey Johns and Dan Shaw assessed seven technical fouls on Kewaskum for dunking the ball during pre-game warmups and one technical foul on Hartford for a player wearing an illegal number. Mike McGuire made all seven free throws for Hartford and Clark Eichstedt made Kewaskum's free throw to make it 7-1 Hartford before the ball was even put in play.

Hartford stretched the lead to 11-1 before Kewaskum could get going. But Kewaskum came back strong and pulled to within a point by the end of the quarter at 34-33. Bill Backhaus led the comeback with 14 points while McGuire had 11 for Hartford. The teams played on even terms in the second quarter with Hartford clinging to a 66-65 lead at halftime. Kewaskum took control of the game in the third quarter and led 100-90 at the end of the quarter behind Eichstedt's 10. They poured it on in the fourth quarter behind Leon Laatsch's 12 to win by 17. Besides Eichstedt, Bill Backhaus had 29 points for Kewaskum, Leon Laatsch had 28, and Bill Gonwa added 12. Mike McGuire led Hartford with 31 points, while Randy Miller had 20, Don Jentges 19, and Dale Scherr 16.

Both teams shot well from the free throw line with Kewaskum making 12 of 15 for 80.0 percent and Hartford making 15 of 18 for 83.3 percent.

Kewaskum hosts Slinger this Sunday at 7:30 p.m. at the Kewaskum High School gym. The game was moved from Saturday because the gym was not available. Slinger is in third place in the Lakes 'B' Division with a 4-7 record.

Gymnasts Win Over Valdars

The Kewaskum gymnasts won at Valdars last Monday, 95.84 to 85.80, and broke several more school records in the process.

Their 95 point total set a new high and Wendy Wilson scored records in the uneven parallel bars and all around competi-

tion. She and Annette Jandre had particularly good nights. Dolly Swenson also did her best ever on floor and Sandy Nigh won key places for the Indians.

Wilson had a score of 7.25 for a second in bars and in all around she took first with 7.49. She also placed first in vaulting with 7.4.

Jandre took first in floor exercise with a fine 8.05, second on the beam with 7.3, and third

on bars with a 7.1.

Nigh took a second and third while Swenson also placed in two events.

The Indians scored new team totals on the bars with Wilson,

Jandre and Nigh combining for a 21.35 and the same girls totaled 21.03 on the beam.

Valders had too firsts on the parallel bars and the balance beam.

Campbellsport Sportsmen Club Fisheree Winners

— GRAND PRIZES —

- \$500 Cash -- Turtle Flitter, Campbellsport.
- 19" Color TV -- Ed Gleiter, Racine.
- Microwave Oven -- Tom Hug, Kohlsville.
- 7600 Remington Rifle -- Rob Stevens, Milwaukee.
- 870 Remington Pump -- Fred Aschmann, Palmyra.
- 9 Pc. Cookware Set -- Kirk Lohse, Campbellsport.

— FISH PRIZES —

- Longest Walleye -- 22 3/4, Robert Gasper
- 2nd Longest Walleye -- 22 3/8, Richard Clements
- 3rd Longest Walleye -- 16 7/8, Kevin Stepaniuk
- 4th Longest Walleye -- 12 3/4, Paul Veldman
- Longest Northern -- 34, Dave Oppermann
- 2nd Longest Northern -- 28 3/8, Dianne Bruendl
- 3rd Longest Northern -- 26 1/4, Clayton Schmidt
- 4th Longest Northern -- 25 1/2, Steve Siebenaler
- Longest Bluegill -- 19 3/4, Dwayne Bronkhorst
- 2nd Longest Bluegill -- 9, Dan Bronkhorst
- 3rd Longest Bluegill -- 8 5/8, Pat Zorn
- 4th Longest Bluegill -- 7 7/8, Kevin Schwartz
- Longest Perch -- 12 3/8, Tim Fitzpatrick
- 2nd Longest Perch -- 12 1/8, John Butzlaff
- 3rd Longest Perch -- 11 7/8, Bob Tykac
- 4th Longest Perch -- 11 3/8, Mike Batzler
- Longest Crappie -- 9 3/8, Kevin Diels

Indians Give Plymouth, T. Rivers Scare But Lose

Kewaskum gave Plymouth and Two Rivers a battle in two game played at home the past week but came out on the short end of the score in both contests.

The Indians made a fine comeback against Plymouth last Tuesday, only to lose out in the final minute by a score of 67-61. Trailing by as many as 13 points, Kewaskum bounced back to within three, only to miss four of their last five shots and pave the way for the Panthers to win from the foul line.

Junior Jim Hanrahan scored eight of his 17 points in the final quarter. He had been averaging 12 points before suffering an injury and infection which forced him to miss several games and play sparingly in others. He scored the only basket for his team in the last 1:33 minutes.

At this point, Plymouth led 63-59. Under Panther pressure the Indians had to work the ball around until the 1:11 mark before they got a shot off by Dennis Butz. Soon Hanrahan hit to cut the lead to 63-61. But Kewaskum fouled again and Brian Jensen sank two free throws and so did Bob Siech to ice the victory.

The Panthers were paced by guard Sagal, who scored 16

points. Hanrahan with 17, Brian Arndt with 13 and Rod Donnelly with 10 paced the Indians.

Arndt played a fine game until he ran into foul trouble and Tim Leitheiser did well on defensive play.

The Kewaskum JVs lost by a score of 53-43 and the freshmen 59-53. The JVs missed Dan Menzel, who was ill. Brian Ruplinger led the Indian scorers with 19 points. Tim Rohlinger had 26 points for the freshmen. He has scored 57 points in his last two games.

Two Rivers 71, Kewaskum 55

On Friday night here Two Rivers clinched at least a tie for the Eastern Wisconsin championship but not without a scare from the Indians, who again stayed close for the first three quarters, only to lose, 71-55.

Kewaskum played well and kept on coming back although they trailed nearly all of the game. Twice the Indians fell behind by 10 points in the first quarter but with Arndt and

Hanrahan leading the way, Kewaskum cut the lead to just two points shortly before half-time. A three point play by the Raiders' Jeff Peterson just with seconds remaining gave Two Rivers a five point advantage at the intermission.

Midway through the third period baskets by Hanrahan and Butz brought the Indians within one. Then with 4:58 left in the period, Arndt hit to give Kewaskum its first and only lead of the contest.

Two Rivers came right back. After the teams traded buckets Peterson came back with a long shot to put the Raiders in front to stay.

At the end of the third quarter the Raiders took a four point lead, 45-41, and went on to score the first eight points of the fourth quarter to stretch their advantage to 12. Kewaskum was forced into a fouling situation and the Raiders converted 14 of 18 in the last quarter.

Jeff Peterson paced Two Rivers with 32 points, missing just 1 of 11 free throws, while Rick Peterson and Bruce Sinkula added 17 and 15. Hanrahan, who scored 14, had a fine game and Butz did a good job on the boards. Arndt scored 12 points and Butz 10.

The JVs lost their game, 64-50, with Menzel scoring 16. A total of 11 Raiders and eight Indians scored in the game.

The frosh also lost in a barn burner, 46-45, to the undefeated Raiders after playing an excellent game. Bob Yahr and Rohlinger scored 16 and 15 respectively for the losers. Yahr tried a long shot that would have won for the Indians but missed at the buzzer.

On Tuesday the Kewaskum

Larsen Repeats As Scoring Champ

Girls Lose Last Game to Falls, End Up 6-6 (12-6)

By Cathy Schlice

The Indian girls gave it their best shot but came up on the short end of a 56-46 in their final game against Sheboygan Falls here Thursday night.

Kewaskum did not forget their last meeting with Sheboygan Falls when the Falcons blew them out by a lopsided 74-36 score. The Indians came out firing in the first quarter with Cheryl Jaeger hitting 2 quick buckets and Linda Larsen added 7 to take a 16-12 lead after 8 minutes of action.

In the second quarter it was guard Lisa Matenaer with the hot hand, popping 3 quick ones from the baseline to help give the Indians a 28-26 lead at the half.

But the lead did not last long and the Falcons went ahead at 36-35 and increased it from there as they outscored the Indians 16-11 in the third quarter to take a 42-39 advantage with 1 quarter of action left. But all the Indians could score in the final period was Donna Schoofs making 1 basket and Larsen 1 and 3 free throws while Falls ran off 14 points.

The Indians connected on 10 of 17 free throws for 59%, while the Falcons attempted 26, canning 16 of them for 62%.

Larsen, who captured the conference scoring crown for the second year in a row, took game high honors with 19 points, 9 of them on free throws. Matenaer and Jaeger each chipped in 8 points and reserve Schoofs scored 6. Linda Hetzel led Falls with 18 points, including 13 in the second half.

Genke also added 13 for the winners.

The win gave the Falcons a share of the conference championship as they tied for first place with Plymouth, both with 10-2 records.

Kewaskum finished with a conference record of 6-6 and 12-6 overall. The Indians begin WIAA Class A regional action this Thursday as they host neighboring West Bend West at 6:30 p.m., followed by West Bend East taking on Waupun at 8:00 p.m. The two winners will clash Saturday night for the championship.

Come out and support the girls like you did last season as they bid for another trip to state!

The Kewaskum JVs finished their season on a winning note and ending with a 10-8 overall record.

The frosh were also victorious over the Falcons by a final of 44-24. Brenda Kober finished with 12 points and Stephanie Amerling added 8. The freshmen finished with an 8-2 conference record, losing twice to Two Rivers, and had an overall record of 8-4 under Coach Keith Amundson.

KEWASKUM - Larsen 5-9-0-19, Koepke 2-0-4-4, Matenaer 4-0-5-8, Jaeger 4-0-3-8, Schlice 0-0-5-0, Beisbier 0-0-1-0, Schoofs 3-0-3-6, Burkhalter 0-1-2-1, Bowman 0-0-0-0. Totals 18-10-23-46.

Indian Wrestlers Ousted in Sectional

All of Kewaskum's qualifiers from the regional were eliminated from further competition in the WIAA Class A sectional held at Fond du Lac Saturday and the Indians will have no representatives in this year's State Wrestling Tournament will be held in Madison this coming Friday and Saturday.

Kewaskum had qualified four wrestlers for the sectional but Steve Seitz at 167 pounds came down with the flu Thursday and was unable to compete. The other three all fell in the quarter-finals.

At 155 pounds, Stuart Stautz lost a one point decision to Jeff Paque of Kimberly. The other two, Wade Jepsen and Chris Harlow, drew eventual champions in the first round at 105 and 185 pounds respectively.

Jepsen, only a freshman, battled Manitowoc's Mike Meisner right down to the wire, losing 6-5. Harlow ran up against unbeaten 28-0 Chip Luedtke of Manitowoc and was pinned in 1:53.

Manitowoc and Waupun ended in a dead heat for the sectional title with 93½ points each. Oshkosh west and Kewaskum tied for last with 0 points.

(Team Scores) Manitowoc and Waupun 93½, Fond du Lac 89½, Neenah 73½, Two Rivers 65½, West Bend East 56, Plymouth 48½, Kimberly 45, Kaukauna 22, Sheboygan North 23, Sheboygan South 16, Menasha 8, Oshkosh North and West Bend West 6, Oshkosh West and Kewaskum 0.
(State meet qualifiers) Waupun 5, Fond du Lac and Manitowoc 4, Neenah, Kimberly, Two Rivers and Plymouth 2, West Bend East, Kaukauna and Sheboygan South 1.
