Regal Announces Promotions Kewaskum Area United Way Approves Name Gatzke to Newly Distribution of \$23,500 in Drive Funds Contract Production

Allocations totalling \$23,500 were approved at the February 22nd board meeting of the Kewaskum Area United Way. Several requests were postponed until more information can be obtained. The allocations were made as follows: Kewaskum A.F.S. - \$700; Association of Retarded Citizens - \$300; Bay Lakes Council, Boy Scouts of America - \$1,200; Big Brothers & Big Sisters of Washington County - \$3,500; Children's Service Society of Wisconsin -\$1,000; Christian Record Braille \$250; Citizens Advocacy -\$1,000; Friends for Battered Women - \$1,000; Kewaskum Blood Bank - \$250; Kewaskum Special Olympics - \$300; NOVA Services - \$1,900; Red Cross of

Council, Girl Scouts - \$2,000. Further requests for funds can be acted upon if presented during the year. The board would like to encourage mem-

Washington County - \$5,500; Salvation Army - \$600; The

Threshold - \$4,000; WauBun

bers of the community to direct their favorite charities to apply for funds from the Kewaskum Area United Way. All applications will be carefully considered. The total amount pledged and/or collected in the 1982 fund drive was \$20,112.74, by a total of 592 people.

New members of the United Way Board were introduced at the meeting. They are Ruth Kern, Frank Beesten, Agnes Dillinger, and Lou Dettmann. Isabelle Straub is also a new member, but was unable to

Board members retiring after serving three-year terms or more were thanked for their help. They are Ann Enright, Allen Koepke, Leo Resch, Gloria Rodenkirch, and Arnie Stommel. Nearly all of these members served in an official capacity some time during their terms.

New officers of the board assumed their duties at this annual meeting. John Coulter will be the president for 1983; Ruth Behnke, vice-president; Ralph Remmel, treasurer; and Karen Staehler, secretary.

The co-chairmen for the 1982 fund drive, Arnie Stommel and Bob Borch, were thanked by the board for their successful leadership. The co-chairmen for 1983 will be Bob Borch and Fred Cullen. The new budget chairman will be Gerald Zimmel, working with John Coulter, Dr. J. Dennis Connor, and Agnes Dillinger. Roy Esser was appointed auditor, and Ruth Behnke will handle the pub-

Jerry Koch Named Manager-Corporate Accounting at Regal

Jerry Koch

Jerry Koch has been promoted to Manager - Corporate Accounting. In this newly created position, he is responsible for supervising the Cost Department, Inventory and Labor Reporting and Tax Reporting at all Regal locations.

He reports to the Vice President - Controller.

Koch has been with Regal since 1976, when he joined the staff as a trainee in the Finance Department, and has held various positions in the department prior to the promotion.

He holds a bachelor's degree in Business Administration from Northern Michigan Uni-

Koch, his wife Janice and their three children live in Kewaskum

Regal Ware, Inc. is a multiplant manufacturer of cookware, portable electrics and microwave accessories headquartered in Kewaskum.

Created Post-Manager

Lewis Gatzke

Lewis Gatzke has been promoted to the newly created position of Manager-Contract Production at Regal. He is responsible for coordinating the tooling, purchasing and production for all contract work. He reports to the Vice President and General Manager at the Kewaskum plant.

Gatzke began working at Regal in 1954, and has been a foreman in the Kewaskum plant, and most recently was Assistant Manager of Production Control - Cookware.

Gatzke and his wife live in Kewaskum.

Purchasing Agent

Jim Tessar

Jim Tessar has been promoted to the position of Purchasing Agent. He is now responsible for buying a variety

of component parts used in manufacturing, and reports to the Director of Purchasing.

Tessar, who has been with Regal since 1976, has held a variety of positions, most recently that of collections supervisor. A graduate of the University of Wisconsin-Whitewater, he holds a bachelor's degree in business administration.

Tessar, his wife Traci, and two sons live in West Bend.

Chesak Promoted To Collections Supervisor

George Chesak

George Chesak has been promoted to the position of Collections Supervisor. He is responsible for directing and coordinating collections as well as account analysis. He reports to and assists the Credit Manager.

Prior to his promotion, Chesak had been a Senior Scheduler in Production Control and has been a Regal employee since 1961.

He lives in Kewaskum with his wife, Elizabeth, and two

Special Meeting of **Board of Education**

There will be a Special Meeting on Thursday, March 3, 1983, at 8:00 p.m. in the Administrative Offices, at 1450 School St., Kewaskum, WI. The Special Meeting will adjourn into closed session under State Statutes 120.13 (1)(c) to consider the possible expulsion of a Kewaskum High School student.

The meeting will remain in closed session under State Statutes 19.85(1)(g) and State Statutes 19.82(1) "Meeting For the Purpose of Collective Bargaining.

Valley Bank Announces Promotions/Retirement

The following promotions were announced recently by Valley Bank of Kewaskum/-Allenton:

William Koehne from Loan Officer to Assistant Vice President, Loans, Kewaskum office; Kevin O'Meara from Branch Manager to Assistant Vice President and Branch Manager,

Allenton office; Timothy Miller from Loan Interviewer to Loan Officer, Kewaskum office.

President Wayland Tessar also announced the retirement of Ray R. Umbs from the Board of Directors. Ray's career as a banker and director spanned a period of 59 years, all in the Allenton area.

School Administration Office Moves to High School Building

The Administration Office of the School District of Kewaskum will be located in the Kewaskum High School, 1510 Bilgo Lane as of March 7. These offices were formerly located at 1450 School Street in two portable classrooms south of the Kewaskum Elementary School.

The new office is in the area that used to be the Guidance Office of the Kewaskum High School, which is room 153. The Guidance Office is now located across the hall in room 150.

The mailing address, P.O. Box 37, and the phone number, 626-2160, will remain the same

for the Administration Office. Hours are 8:00 - 4:30.

KEWASKUM MAN'S CAR IS TAKEN

Police have asked the county district attorney to charge a 24-year-old West Bend man with operating a motor vehicle without the owner's consent, a

The man allegedly took a Kewaskum man's car from a parking lot in the 1700 block of South Main Street in West Bend at 7:20 p.m. Feb. 25 and was stopped with the car in Cedarburg later. The suspect was released on \$500 bond.

Tessar Moves Up to Post of

Scholarship Awarded to **Local Resident**

Dr. John J. Shanahan, left, and Kay Teschendorf

Kay Teschendorf of Kewaskum was a recent recipient of a scholarship to Moraine Park Technical Institute awarded from the Fond du Lac Chapter of the Flying Geese Quilt Guild through the MPTI Foundation. Kay is in the Restaurant/Hotel Cookery Program at Moraine Park Technical Institute.

Campus Notes

Julie Jeske, daughter of Mrs. Pat Volm Jeske, 8856 Hickory Drive, Kewaskum, is doing her final semester in Nogales, through a special program at Indiana University. It is called "Latino" Project.

She is in Nogales to practice Spanish while doing her practice teaching to third graders; also to experience bi-cultural living.

Julie was a domestic AFS student to New York state four years ago. She has also maintained a 4.0 grade since her second semester in college.

Menomonie, Wis. - Shelly Sekas, daughter of Mrs. Warren Sekas, Route 2, Campbellsport, has been given the Chancellor's Award for academic excellence during the first semester at UW-Stout.

The award is presented to students who have a semester grade point average of 3.5 or above

The department of music at the University of Wisconsin-Eau Claire presented a junior student recital at 5 p.m. Wednesday, March 2, in Gantner Concert Hall of the Fine Arts

Pianist Laura Asch, a junior music major, performed "Toccata in E minor, BMV 914" by J.S. Bach, Frederic Chopin's "Etude in C sharp minor, Op. 25, No. 7" and "Etude in F minor, Op. 25, No. 2," "Sonata in F minor, Op. 1" by Sergei Prokofieff and "Suite No. 2 for Two Pianos, Op. 17" by Sergei Rachmaninoff. She was assisted by her sister, Carol Asch, on the latter number.

Laura Asch is a student of Dr. Donald Patterson of the UW-EC music faculty and a 1980 graduate of Kewaskum High School. Her parents are Albert and Anna Asch of 7483 Brookhaven Drive, West Bend.

The recital was free and open to the public.

West Bend Red Cross To Conduct CPR Class

The West Bend Red Cross will be conducting a Cardio-pulmonary Resuscitation (CPR) course on Thursdays, starting March 10th, continuing on March 17th and completing on March 24th from 6:30 to 9:00 p.m. at the West Bend Marine Bank.

CPR is a combination of artificial respiration and artificial circulation which should be started immediately as an emergency procedure, when cardiac arrests occur, by those properly trained to do so.

This is a Modular CPR course and cost of supplies is \$4.25. To enroll, call the West Bend Red Cross office at 334-5687.

her junior year. She served as president of the German club for two years. She was on the basketball team during her freshman year and the volleyball team during her freshman and junior years. Heidi has played in the concert band, symphonic band, jazz band and the pit band for the musicial Pajama Game. She was a freshman member of the math team, and an AFS club member for two years. She has worked on the Smoke Signals staff for two years. This year she is the intramural scorekeeper and a drum majorette. Heidi plans to attend UWWC for two years and then transfer to Madison, majoring in computer science.

Brenda has been active in the FFA organization for years, serving as both secretary and vice president. She was on the basketball team for three years and also the volleyball team for three years. During her sophomore year, she helped with the tutoring program. This year she was in Future Homemakers Club and a member of the Homecoming court. She is employed at Kindy Optical now and will continue working there after graduation.

Hoenecke Has Part in KM Lutheran Musical

Kettle Moraine Lutheran High School of Jackson is proud. to announce the presentation of the first Broadway musical ever produced in its facilities. This is somewhat of a break with tradition for the school, as only straight threatre has been done in the past. This year, though, its enrollment has reached a point that has made it feasible to venture into the world of the "Great White Way." In addition, past problems with acoustics have been solved with the installation of a new sound system.

The musical chosen for this year's presentation is Irving Berlin's ANNIE GET YOUR GUN, one of the most popular shows ever to hit Broadway. Songs include "The Girl That I Marry," "Doin' What Comes Natur'lly," "Anything You Can

The Need For **School Computers**

The Long Range Committee has asked that I write on the need for computers in the School District of Kewaskum. It is with pleasure that I write about the needs of our education system.

Down through the years many "fads" have come and have gone their way in education. One might ask the same question about computers. Do you remember modern math, open concept education, and modular scheduling? All but What memories! about computers?

It would seem that our society is on the ground floor of a technological revolution that will equal Henry Ford's idea in magnitude. Soon computers will become an everyday experience, whether they used on the farm, the home, or in business.

We would like our students to become computer literate before they graduate from high school. We would like our students to have those computer experiences that will cause them to be ready for the job market. We would like computer experiences for those students who will continue their education and become even more exposed to the computer

In approximately one month, we are going to attempt to set up a computer demonstration at the high school. We will inform you later of the evenings selected and hope that you can

Let your Long Range Committee members know of how you feel about computers in your schools. The members are Betsy Strigenz, Jim Oelhafen, Jan Hubbell, Sally Joiner, Ralph Horner, and Norma S Serwe, Chairperson. If you have any questions, call me at 626-

John A. Long, Administrator

February 1983

Editor. Kewaskum Statesman Kewaskum, Wis. 53040

Our revered President, Ronald Reagan, has been threatened with the possibility of a lawsuit for allegedly violating the First Amendment by proclaiming 1983 as THE YEAR OF THE BIBLE.

Because of such distor the First Amendment regarding freedom of religion, free speech and free press, we should read that noble document occasionally and defend ourselves against the theft of our constitutional rights. The First Amendment

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press, or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.

I fail to see how the President violated the First Amendment.

The Establishment Clause in the amendment provides for 'separation of church and state," but a presidential pro-

2/28/83 clamation that 1983 is the year of the Bible is hardly the establishment of a religion by Congress.

> The First Amendment gives a publisher the right to print the news of the day, but does not give him the right, according to the U.S. Supreme Court, to print pornography and obscenities that are destructive to our public morals and religious convictions. The right to pass statutes against licentiousness and pornography was reserved for the individual states by our Founding Fathers like Jefferson and Madison. (Wisconsin is one of only 7 states without an obscenity statute).

Our constitutionally guaranteed rights are obviously in jeopardy if distorions and abuses of the First Amendment are allowed to continue - and perhaps succeed. Every federal and Wisconsin official should be flooded with letters and phone calls to defend our First Amendment rights as originally intended by our Founding Fathers - not as currently distorted and abused.

We will continue to lose our freedoms by default if we don't speak out to defend them. Freedom is not forever, unless we continue to fight for it.

West Bend Citizens for Decency through Law, Inc. Public Information Commit-

R. Chas. Weier

Dear Editor:

There are some things we ordinary people can't do much about. A nuclear strike, for example, or an attack from outer space. But there are other threats to our planet we can address. I think one of them is the cutting down of the world's forests, with its accompanying loss of cropland to soil erosion and runoff of precious water.

At the current rate of deforestation, 40% of the world's remaining trees will be gone by the year 2000. Wind erosion is

blowing the exposed topsoil away at the rate of 120 tons per acre a year. Scarce water sources are drying up. Desert sands are taking over once green agricultural lands. Fertile slopes, stripped of trees, are reduced to stony crags by natural forces and are of no further use to desperately malnourished families.

I know this because CARE works in the third world where life hangs precariously to the availability of drinkable water and to firewood vanishing so rapidly many are reduced to burning dried manure for heating and cooking.

We may consider this a "foreign aid" problem. It is not, it is a Charity Begins At Home problem because we are all crowded together on this planet and our fate right here at home is intermingled with what happens to the rest of the world.

CARE For The Earth is a program helping mankind fight back. We are assisting people to

plant trees, build windbreaks. save cropland soil, preserve rainwater supplies, as well as to help grow more food and are making the lives of millions better than just a struggle to stay alive.

What is more, the U.S. Agency For International Development (AID) will match anyone's contribution to CARE, dollar for dollar, for this vital CARE For The Earth program. That's half our problem solved already. The rest is up to us local folks. It is not too late.

Sincerely,

Harold Gauer Midwest CARE Director

Reuben Backhaus, Others Die

Reuben Backhaus, 88, of Route 2, Campbellsport, died Thursday, Feb. 24, at St. Agnes Hospital, Fond du Lac.

He was born Jan. 13, 1895, in the Town of Kewaskum, a son of the late Louis and Wilhelmina Bleck Backhaus. On Jan. 31, 1917, he married Mathilda Jandre at New Fane.

The couple farmed in the Town of Auburn. Mr. Backhaus was a member of Immanuel Lutheran Church in Campbell-

He served on the Town of Auburn District No. 1 School Board for 18 years, 15 years on the Town of ACP Committee, 25 years as Town of Auburn clerk, four years as town assessor, 40 years as clerk of the election board and nine years on St. Lucas Cemetery Board.

Survivors include his wife: two daughters, Mrs. Carl (Beatrice) Dins and Mrs. William (Vernice) Lenz, both of Route 2, Campbellsport; 17 grandchildren; 23 great-grandchildren; and a brother, Louis of Kewaskum.

He was preceded in death by a son, two daughters, two foster sons, a sister and brother.

Funeral services were held at 2 p.m. Sunday at Immanuel Lutheran Church, Campbellsport. Pastor Allen Capek officiated and burial was in St. Lucas Cemetery, Kewaskum.

Vistation for Mr. Backhaus was from 4 to 8 p.m. Saturday at Twohig Funeral Home, Campbellsport, and at the church from noon Sunday until the time of services

Memorials may be directed to Immanuel Lutheran Church at Waucousta Campbellsport, Lutheran School or Winnebago Lutheran Academy

HENRY WALDSCHMIDT

Funeral services for Henry Waldschmidt, 72, of Route 1, Campbellsport, were held at 11 a.m. Saturday at Immanuel -Trinity Lutheran Church in Fond du Lac. He died Wednesday, Feb. 23, at his home

Pastor Paul Piotter officiated and entombment took place in Shrine of Rest Chapel Mausoleum, Ledgeview Memorial

Friends called after 4 p.m. Friday at Twohig Funeral Home, Campbellsport, and at the church from 9:30 a.m. Saturday until the time of services.

He was born June 27, 1910, in the Town of Taycheedah, the son of the late Landra and Elizabeth Pickart Waldschmidt. He married Ruth Immel on March 19, 1931, and she died Aug. 29, 1980.

Mr. Waldschmidt was a farmer in the Town of Ashford. He was a member of Immanuel-Trinity Lutheran Church at Fond du Lac, Usher's Club and Farm Bureau.

include two Survivors Elwyn daughters, Mrs. (Cecelia) Ketter of Route 1, Eden, and Caroline at home; six grandchildren; and two greatgrandchildren.

Also surviving are six brothers, Elmer, Clarence and William, all of Fond du Lac, Edgar and Clemens, both of Rosendale and George of Campbellsport; and two sisters, Mrs. Marie Martin of Plymouth

and Mrs. Ambrose (Esther) Krebsbach of Fond du Lac.

ROSE BAUER

Rose Bauer, nee Lecher, 63, of 5668 S. 19th Ave., West Bend, died Thursday, Feb. 24, at the American International Hospital, Zion, Ill.

She was born June 19, 1919, in Kewaskum, where she grew

After her marriage to Carl P. Bauer at Holy Trinity Church, Kewaskum, on April 25, 1942, they settled at their present address where she lived up to the time of her death.

She was employed at Mehring's Fishery for the past 13 years

Survivors include her husband; four children, Richard (Carol) of West Bend, Rosemary (Larry) Stendahl of West Allis, Ruth Bauer of Arcadia and Ralph (Jane) of West Bend; five grandchildren, Jason and Jane Stendahl and Christopher, Nicholas and Jaime Bauer; one brother, John (Lucinda) of Kewaskum; one sister, Anna Mayer of Milwaukee, and other relatives and friends.

She was a member of the Christian Women's Confraternity at St. Frances Cabrini Parish, West Bend.

Funeral services were held Monday, Feb. 28, at 10 a.m. at the Schmidt Funeral Home, West Bend, with Mass of Christian Burial at 10:30 a.m. at St. Frances Cabrini Church. The Rev. Leo Lambert was the celebrant, and burial was in Washington County Memorial

JOHN O'DONNELL

John O'Donnell, 80, of West Bend, died Sunday, Feb. 27, at West Bend.

He was born Oct. 9, 1902, in Nebraska, and came to West Bend in 1967.

He married Frances Matenaer (nee Otten) in 1967.

Survivors include his wife; a stepson, Paul (Marlene) Matenaer of Kewaskum; a stepdaughter, Judith (Melroy) Juech of West Bend; 15 stepgrandchildren; three stepgreat-grandchildren, and other relatives and friends.

Funeral services were Tuesday at 8 p.m. from the Schmidt Funeral Home, West Bend, to Holy Angels Church for Mass of Christian Burial at 8:30 p.m. The Rev. John Sheets S.C. was the celebrant, and burial was Wednesday morning in Holy **Angels Cemetery**

Visitation at the funeral home was Tuesday from 4 p.m. until time of services.

Lyndon B. Johnson was the first President to be sworn into office on an airplane.

IRA* QUESTION #4

Is it too late to get an IRA tax break on my 1982 income tax?

No! If you haven't filed your 1982 income tax, and you open an IRA before April 15, 1983...you may still deduct your IRA contribution from your 1982 income.

You don't have to be a financial wizard to understand the advantages of an Individual Retirement Account. But it does help to talk to a VALLEY BANK IRA professional. An informal chat can help you decide if an IRA is a sound choice for your personal income plans.

"Hello, Valley Bank!"

The answer is simple.

County Outstanding Farmer Attends State Competition

Thomas and Patricia Krebs have returned to their Hartford farm representing West Bend and Washington County at the Wisconsin Jaycees Outstanding Young Farmer Program held in Wausau on January 28 and 29.

The Krebs were selected as area winners by the West Bend Jaycees and were officially recognized locally during the Washington County Fair last

Underwriting a portion of the costs for the couple to attend the program in Wausau was the Gehl Company with a donation of \$100 to be used to defer their expenses. Gehl Company has also sponsored the John P. Horlamus Award to the Outstanding Young Farmer selected within the county annually.

In addition to local support, Gehl Company is a major supporter of the state program. This year's Wisconsin Outstanding Young Farmer will receive a season's free use of a 1450 round hay baler manufactured by Gehl Company.

Tom and his wife, Patricia, operate a 250-acre dairy farm with a milking herd of 57 cows with a production average of 16,300 pounds of milk. The Krebs started farming in 1976 when Tom was working with his father. In 1977 they formed a partnership with his parents and in 1979 took over the operation. At the present time he is renting the real estate which he plans to purchase in

Some of the improvements that have been made to the farm include a soil testing and fertility program, use of a genetic mating service through a breeding co-op, and the selection of high PD bulls. They have also made improvements to the farm with the addition of a new pipeline, silo, and feed bunk

The Krebs also make use of current farm management technology. Their records are kept by computers using the Agrifax system provided from Production Credit Association. Their dairy herd is also on DHIA testing.

Tom is also concerned about soil conservation and is using a chisel plow to help reduce soil erosion on some of the rolling upland areas of the farm.

Tom is a member of the Milwaukee Milk Producers, Washington County Farm Bureau, and a past member of the St. Lawrence Fire Department. He and his wife have both been involved in arranging tours for school children to the farm to observe farming practices and their dairy herd.

In the eighteenth century, it was considered bad manners to leave a nightcap where it could

Battle of Little Big Horn, where Custer made his last Comanche, whose embalmed body now stands on display at the University of Kansas.

Local Exhibitor Accepted for Fair

Craft Fair USA Director, Dennis Hill, announced that record registrations for craftsmen displaying their work in the fair has been received. Craft Fair USA is an event showcasing the work of over 400 exhibitors on Saturday and Sunday, March 12 and 13, at Wisconsin State Fair Park, Milwaukee.

Experience the thrills of seeing craftsmen create imaginative keepsakes for sale. Crafts on display range from jewelry, ceramics, weaving, candles, leather, wood and metal craft, leaded and stained glass, dough art, soft sculpture, fabrics, and textiles, needlework, plaques, dried arrangements, glassware, silk screen and batiks, portrait artists, rosemaling and tole, macrame to assemblages.

Learn from skilled craftsmen as they demonstrate their unique talents in glass blowing, tooled leather, rosemaling techniques and weaving. Dixieland music entertainment will also be an added feature.

For additional exhibitor and general show information, call Dennis R. Hill, Director, (414) 321-4566.

Enrich your lives, your homes, and gifts for friends with handcrafted ideas from Craft Fair USA, March 12-13, at Wisconsin State Fair Park's exhibit hall. Plenty of free parking, adults \$1.75 and children under 12 free. Hours both days, 10 a.m. to 6 p.m.

Exhibitors will include Mary Laatsch, Kewaskum, Macrame.

The Bay-Lakes Council produces the shows through the Cub Scout Packs, Boy Scouts Troops and Exploring Posts who set up displays of programs, showing advancement, new skills, teamwork, crafts and leadership development. Tickets can be purchased from any Scout in your neighborhood and each \$2.00 ticket admits one adult and one child or two tickets admit the whole family. The Scouting units also use this as a money-earning project through ticket sales and to show many of the activities that youth members have in Scouting.

Don't miss "The Road to Scouting," sponsored by McDonald's Restaurants of Northeastern Wisconsin and Upper Michigan. It promises to be an exciting event and an excellent opportunity to see Scouting in action.

Basic Training for Cub Scout Leaders

February 28, 1958

The Rev. Clarence F. Hammen, pastor of Peace Evangelical and Reformed Church of Kewaskum, has been named as the new president of the Wisconsin Council of Churches.

Kewaskum and Campbellsport won opening games in the WIAA sub-district tournament play in Kewaskum's new high school gymnasium Tuesday night and will meet for the sub-district championship Friday night.

Effective on Monday, March 3, the Kewaskum Chiropractic office of Dr. H. L. Rumsey will be located on the first floor of the Bowe Building, one door north of the drug store, formerly occupied by Dr. Koehler, Dentist. Dr. Rumsey's office had been located in the Maaske Building on North Fond du Lac Avenue.

Harry E. Koch, acting postmaster, announced this week that Donald Gitter of West Bend transferred from the West Bend post office to the local post office. Gitter has a wife, the former Catherine Martin of St. Bridgets, and two children.

Leonard W. Meyer, son of Leonard W. Meyer Sr. of Route 2, Kewaskum, enlisted in the regular army air defense command (Nike guided missles), continental United States, it was announced this week by the local army recruit-

Daughters were born to Mr. and Mrs. Francis Schoofs, Kewaskum, February 17; to Mr. and Mrs. Leander Kempf, Random Lake, February 20, and to Mr. and Mrs. Donald Ehnert, Kewaskum, on February 11. A son, James Gerard, was born to Mr. and Mrs. Allen Schoofs, Kewaskum, on February 18. Sons were also born to Mr. and Mrs. August Bilgo, Jr., Kewaskum, February 22, and to Mr. and Mrs. Gerald Cain, Kewaskum, on February 24. A third son was born to Mr. and Mrs. Joe Klotz, Campbellsport, on February 18. Mrs. Klotz is the former Joan Krueger, daughter of the Elmer Kruegers of the Town of Auburn.

At the administrator's sale of the Wells estate last Saturday morning, the Kewaskum Creamery was sold to the creditors. Only one bid was made, which was accepted by the administrator subject to the approval of the probate court. There is no question that the new organization will be an asset, not only to the village, but to the farmers of this locality as well.

On March 6, the former Otto Stark blacksmith shop on East Main St., Kewaskum, will again be re-opened for first-class work at a reasonable price. Ernest Haegler, an experienced horse shoer, blacksmith and wagonmaker, will be in charge.

The two stolen slot machines

taken from the Simon Strachota general store at St. Kilian last week were found in a damaged condition near the former Albert Buss farm in the southeastern part of the Town of Kewaskum on the Fillmore road east of the Louis Schaefer bridge the following day. Some of the other articles taken in the robbery were found on the highway north of St. Kilian.

Ludwig Gross and Miss Laura Weasler were quietly married at the St. Michael's Church on February 25.

Mr. and Mrs. Math. Herriges of St. Michaels had their infant daughter christened. She received the name Kathleen Ann.

A baby girl was born to Mr. and Mrs. William Bunkelmann, Jr., Kewaskum, on February 27. A baby girl was born to Mr. and Mrs. Jake Schladweiler, St. Michaels, on Monday. A baby boy was born to Mr. and Mrs. Alex Peters of Keowns Corner.

Wagenknecht, was born in Barton on May 17, 1857. She was married to William Miller in 1880 and during their married life had always lived in the village of Kewaskum.

Miss Flora Fleischmann, daughter of Mrs. C. Fleischmann of Kewaskum, and Julius Kloke of Auburn were married last Thursday at the bride's

Andrew Heilmann wishes to announce to his customers that he will commence to do his own baking again next Monday, but will not deliver around town at present. Parties wanting rolls in the morning can get them at the bakery

The Philip Smith residence on Malt House Street was sold at auction last Wednesday to

maiden name was Elizabeth Robert Backhaus, the stock dealer, for \$2,075.

A son was born to Mr. and Mrs. John Schmitt of St. Michaels one day last week. A baby boy was born to Mr. and Mrs. Anton Wiesner of St. Kilian last Sunday.

BIG BROTHERS/SISTERS ORIENTATION MEETING

Big Brothers/Big Sisters of Washington County are holding an orientation and informational meeting on Wed., Mar. 9, at 7:30 p.m. at their offices at 129 A. South 7th St., West Bend. Anyone interested is welcome to attend.

February 29, 1908

Backhaus & Beisbier sold their saloon property located on the corner of Fond du Lac Avenue and Malt House Street last Saturday to Wenzel Zwaschka of Wayne for \$3,500. The new proprietor will take possession about March 1. John Andrae has been conducting the place up to the present time.

Mrs. William Miller of Kewaskum, died February 25, at the age of 51. Deceased, whose

Church Women United Plan World Day of Prayer Throughout County

The World Day of Prayer will be celebrated on Friday, March 4. The Church Women United will join women of faith in 170 countries in the 96th annual observance. In Washington County the CWU will hold observances in areas countywide. This year's service was written by women from the Caribbean island countries.

In the West Bend-Kewaskum area a Bible study will begin at 9:30 a.m. at Peace United Church of Christ. Pastor of the church, the Rev. Darrell Joiner, will participate in the program. Rev. and Mrs. Ralph Maschmeier will discuss their travels in the Caribbean area and illustrate their talk with slides. Mrs. Maschmeier is a past

president of the CWU. She and her husband are from West Bend. A "sack lunch" is planned with dessert and coffee provided by the ladies of Peace church. The churches of Our Savior's Lutheran and St. John's UCC of Boltonville will take part in the Kewaskum observance.

In West Bend the World Day of Prayer will be celebrated at three services. The Samaritan Home event will be in charge of women from Fifth Ave. United Methodist Church, Immanuel UCC and the Christian Science. At the Cedar Lake Home the service will be led by women from Trinity Lutheran, St. Frances Cabrini Catholic, and St. Martin's UCC of Fillmore.

At Meadowbrook Manor services are planned by St. Mary's Catholic, and Salem UCC, Kohlsville women. All of the West area services will be held at 2 p.m.

In Hartford the World Day of Prayer will be held at St. Aidans Episcopal Church. At 9 a.m. a Bible study is planned. At 10 a.m. there will be a worship service at which Father Timothy Sexton, Deacon in charge of St. Aidan's will speak. A children's service is planned for 3:30 p.m. at the same site. Churches participating are First Congregational, St. John's UCC, First United Methodist, Redeemer Lutheran and St. Aidan's Episcopal.

In the Germantown-Colgate area services will be held at St. John's United Church of Christ on Donges Bay Road in Ger-

mantown. Rev. John Klein will present the theme of the World Day of Prayer which is "New Persons in Christ." The service will be at 1:30 p.m. A nursery for small children will be provided. Participating churches with St. John's will be first Presbyterian, Richfield, St. Jacobi's Congregational, Our Saviour's UCC, St. Paul's UCC, and Zion Methodist Church. Women from St. Columbo's Catholic congregation at Lake Five have been invited to attend.

Christ Lutheran Church at Jackson will host the Jackson-Slinger World Day of Prayer observance. The service will begin at 1:30 p.m. and will be

led by pastor Matthew Pushkar. Participating churches will be from Jackson St. Peter's UCC. Peace UCC, and Friedens UCC. St. John's UCC of Slinger will also be represented. Coffee and refreshments will be provided by the ladies of Christ Lutheran.

The Church Women United is a national movement of Protestant, Roman Catholic, and Orthodox women. The public is invited to join the prayers which are offered for peace, understanding and compassion in a troubled world.

"Common sense is what the world calls wisdom."

To Issue Senior Identification Cards at West Bend

Washington County Senior Identification Cards will be issued to residents of Washington County in West Bend, Thursday March 24, 1983 at the Senior Center, 401 E. Washington Street, West Bend, from 3:30-5:30 p.m.

Persons must be 60 years of age or older to participate in this program which is also a discount card. Your picture will be taken at this time and the cost is \$1.00.

If further questions arise please contact the Office on Aging at 338-4497.

Leitzke, R.P.H.

CRIB DEATH

Selenium, another trace mineral, is part of an important enzyme contained in blood and all body organs - it protects cell membranes from oxygen damage. There is some evidence that a deficiency of selenium in babies may play a role in crib deaths. Selenium is found in seafood, meats, and whole grains grown in seleniumrich soils.

927 Fond du Lac Ave 626-8001 Kewaskum

From the School Board President's Desk.

Why are you considering getting more computers when only the supersmart kids can use them? Computers are so complicated that our kids will never be able to use them, so why get them?

These questions concern me because I sense an epidemic of Computer Trepidation - which is similar to Math Anxiety. A lot of us tend to agree with the 1978 FARMERS' ALMANAC which stated: "To err is human, but to really foul things up requires a computer." How many times have we been told that the computer messed something up, that all will be well once the computer starts behaving. That alone should make us love computers; who could not love something on which we could blame everything that goes wrong and which can't talk back? Seriously though, we are all just a bit nervous about that which we don't understand, and right now, most of us don't understand computers. The only way to alleviate this is by getting more information. District residents will have a chance to do so since the Long Range Planning Committee is investigating the possibility of having a computer evening, utilizing the district's computers, teachers, and students.

One nice thing about computers is that, unlike children, they do what they are told to do. A principal stated by IBM is: "Machines should work. People should think." Computers work on all levels, and children on all levels can use them. A computer can be an eternally patient, non-judging tutor for a student who needs some drill work, and yet its ability to challenge students on higher levels means that children are not going to outgrow the computer.

I suspect people who fear that the computers are too complex for children do not understand the different aspects of computer study. Computer literacy and computer programming are two very different areas. The district's concern is that all graduates be computer literate. This means that students should understand what a computer is, how it works, what it can do, and what its applications are. This alone should remove any fear of computers. If you think students aren't capable of this, challenge some of them to a computer game—and don't be surprised if you're beaten by a preschooler.

Computer programming is a more complex subject. While large numbers of people need to be computer literate in their work (85% by 1990 is one estimate I've read), very few people need to know computer programming. Computer programming is, however, a growing, lucrative field, and since the logic necessary to do programming is related to math, the district should offer some beginning programming courses. As I have said before, computers are increasingly influencing our lives, and since we have to deal with them, we might as well try to understand their potential and use them to our advantage. Computer Trepidation need not be fatal.

Incidentally, as most of you know, I write these columns giving my own views on district issues. I would never presume to speak for anyone other than myself-that is why I sign my name. As I have mentioned before, your comments are welcome, and I will keep them in confidence. Write to Dr. Charles Ogi, P.O. Box 201, Kewaskum, Wi. 53040.

Minutes of Village Board Meeting

Mid-Monthly Meeting February 21, 1983 8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin met in mid-monthly session in the Council Room of the Municipal Building, 204 First Street.

President Gerald Stollenwerk presided. All Trustee Members were present.

The minutes of the meeting of February 7, 1983 were approved as printed upon a motion by Trustee Jeffrey Rohrer, seconded by Trustee Paul Blumer. Voice vote was passed unanimously.

Mr. Steven J. Peterson, Vice President & General Manager of Cablevision appeared before the Board to report on the latest status of cablevision in the Village of Kewaskum. Mr. Peterson indicated that 71% of all possible subscribers, subscribe to Cablevision and that the last area of construction in the Village was completed last week. It was also noted that the 1982 estimated franchise fee payment will be sent out March 15, 1983 and the amount to be approximately \$2,100.00. Mr. Peterson also mentioned the estimated fee for 1983 is \$3,400.00 and will be issued in March of 1984.

The opening of the sealed bids on the disposal of the 1981 Chevrolet Squad were as follows:

Vernon Butz, Kewaskum, WI. \$1,652.00 Beltline Motor Center, Wausau, WI. \$2,057.00

On a motion by Trustee David Nigh, seconded by Trustee Richard Schmidt and unanimously carried, the Board authorized the Village Attorney to send letters to those with delinquent personal property taxes from 1978 to 1981. Voice vote was passed unanimously.

Administrator Schmidt reviewed the balance sheet of 12/31/82 with the Board indicating the Village financial situation is good. The Board was also informed that the balance due on the Kewaskum Kiwanis Community Park funding would be approximately \$4,000.00 higher than anticipated.

On a motion by Trustee David Nigh, seconded by Trustee Jeffrey Rohrer and unanimously carried, the Board instructed the Administrator to send a letter to the Kewaskum School District requesting them to pick up the approximate \$5,000.00 cost of providing crossing guards in their next budget. Voice vote was passed unanimously.

The Administrator was directed to send letters to approximately 40 property owners that have low hanging branches that need to be trimmed.

Trustee Donald Mlodzik, Chairman of the Public Works Committee briefly reviewed the material discussed at the earlier

Elton Kirchner, 626-4848 18 Years Experience recommittee meeting. Two (2) recommendations were brought to the Board from the committee. I. To obtain the appropriate ROW in front of two (2) parcels along CTH "H". This ROW is required, because of the proposed TIF projects. II. To proceed with aquiring State approved plans for the Municipal Building remodeling.

On a motion by Trustee Howard Laubenstein, seconded by Trustee David Nigh and unanimously carried, the Board authorized the aquiring of road ROW along CTH "H" from two parcels, because of the proposed TIF projects. Voice vote was passed unanimously.

On a motion by Trustee Jeffrey Rohrer, seconded by Trustee Howard Laubenstein and unanimously carried, the Board instructed the engineers to proceed with acquiring State approved plans for the Municipal Building and plan to proceed using the three (3) phase approach. Voice vote was unanimous.

On a motion by Trustee Paul Blumer, seconded by Trustee Donald Mlodzik and unanimously carried, the Board granted the Fire Tanker Apparatus Body contract to the low bidder, General Fire Equipment Co., Inc., of Oshkosh, Wisconsin for \$12,861.00. The contract was awarded on the recommendation of the Fire Department Equipment Committee. Voice vote was passed unanimously.

On a motion by Trustee Richard Schmidt, seconded by Trustee Howard Laubenstein, the Board approved this "Statement of Position" regarding the County-wide Landfill effort. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent."

STATEMENT OF POSITION

The Village of Kewaskum's position is one of general support of County-wide Solid Waste Disposal Facilities.

The Village is quite aware of the need of finding and developing a county-wide site for landfill, incineration, or a combination of both. We are well aware of the cost factors to find, develop and operate such a facility. It is felt that the cost for finding a site, determining what type of facility can be placed on that site and the preparation of cost usage estimates should be picked up by the County. All units of government are already being taxed equally for such a joint endeavor.

With these facts in mind, the Village encourages the County to continue to search out and find such a suitable location, test-out such a location, determine what type of facility could and would be developed at that location, acquire the site, and then prepare cost estimates

as to the cost of site development and cost per ton or yard for those desiring to use the facility.

The Village feels the County is the proper authority to conduct this activity. We would be willing to appoint an individual to serve on an advisory board for the County Committee to communicate vital information between the Village and County Committee.

The Village of Kewaskum urges the County to continue its efforts in I. locating a site II. testing out such a site III. determining the type of disposal facility to be placed at the site IV. estimating the appropriate cost for each unit of government desiring the use of such a facility V. then and only then can the Village consider a request for a financial commitment to the development and use of such a site.

As publicly noticed on the agenda for this meeting dated February 16, 1983 and as noticed in the Kewaskum Statesman dated February 11, 1983 discussion on the effects of the proposed well, pump station, reservior and tower regarding future rates, charged to utility's water rates. The discussion regarding these proposed TIF projects were discussed and the two (2) paragraphs were read aloud as submitted by the Public Service Commission regarding the water rates.

Public Service Commission's comments.

Assuming the cost of the proposed well, pumphouse, 100,000 gallon ground reservior, 300,000 gallon elevated tank and related facilities is allocated to general service and public fire protection service using the same percentage as the 1982 test year revenue from the recent rate case, \$19,570 would be allocated to public fire protection, or 91% of the present charge. The cost allocated to an average residential customer using 16,000 gallons of water per quarter is estimated to be \$12.90 per quarter or 91% of the charge at present rates. According to PSC Bulletin No. 25 an increase of this amount would result in rates slightly higher than the rates of utilities serving similar populations. The construction of the proposed project would have significant impact on rates for this utility.

The actual need for a rate increase of the level indicated above would be determined at the time the utility submits a rate increase application and would depend on several other factors including, but not limited to, customer growth, increased consumption levels per customer, inflation, and the requested rate of return.

Accordingly, it is difficult to predict the timing of the need for a rate increase, and the amount of such an increase specifically resulting from the proposed construction project.

(The question was asked, what is the average quarterly charge and what would the new charge be? The Average charge is \$24.00 today and the proposed new rate would be \$27.00. The fact that the project is being paid for out of TIF funds also has a lot to say about the rate.)

There were no comments either for or against the proposed work to be done regarding the water utility or any other TIF project.

On a motion by Trustee Donald Mlodzik, seconded by Trustee David Nigh and unanimously carried, the Board approved the requesting of proposals, in seeking professional assistance in developing an equitable classification and compensation plan for village employees. Voice vote was passed unanimously.

Discussion was held regarding the request for special exemption of the garbage and refuse collection fee, as adopted in ordinance no. 83-3. The Village Board did commend the Legion for providing a facility for the nutrition program and the Senior Citizens. It was noted that the Legion does rent out the club house for other types of functions and does maintain a bar which is open once a week. This would indicate some garbage and refuse is being created by not only the Senior Citizens and the nutrition program. With this taken into consideration the Board took the following action. On a motion by Trustee Paul Blumer, seconded by Trustee David Nigh and unanimously carried, the Board granted the Robert G. Romaine Legion Post No. 384 the special exemption in part as requested. The Legion was granted a waiver on the mobil container weekly fee to the garbage can or bag monthly fee for the remainder of 1983. After which time the Legion may be able to negotiate with the nutrition program to pick up the cost, if not they will have the opportunity to submit another request, again asking for the exemption. It was noted that the exemption granted was primarily due to the nutrition program and the senior citizens. Voice vote was passed unanimously.

On a motion by Trustee Richard Schmidt, seconded by Trustee Donald Mlodzik and unanimously carried, the Board approved the sale of the 1981 Chevrolet Squad to the high bidder, Beltline Motor Center, Wausau, Wisconsin for \$2,057.00. It was noted that this procedure made the village an estimated \$800.00. Voice vote was passed unanimously.

On a motion by Trustee Richard Schmidt, seconded by Trustee Jeffrey Rohrer to adjourn. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent." The motion was passed unanimously.

Dr. Connor Holds Dental Seminars at Elementary School

On Thursday, February 17, the students in the special education department, kindergarten and first through third grades at Kewaskum Elementary, were treated to a visit by the dentist. Dr. Dennis Connor told each class about good dental hygiene and explained to them exactly what happens when they visit the dentist's

office. At the end of the seminar each student was presented with a dental kit for them to use as they played dentist at home.

The Kewaskum Elementary P.T.O. would like to thank Dr. Connor for donating his time and all the dental kits. We are sure you enriched the lives of all the 261 students you visited with that day.

Mrs. Charland's and Mrs. Glick's classes. Brian Callahan is in the chair.

Mrs. Moe's second grade class. J. P. Gayan is in the chair.

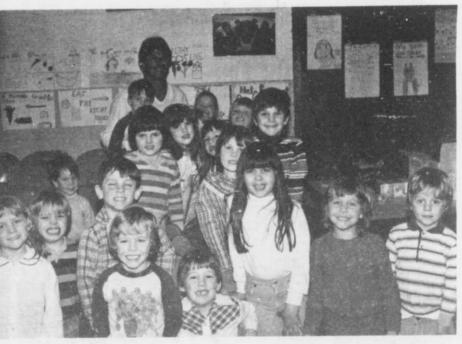

Mrs. Naatz's P.M. kindergarten class.

Mrs. Rosenthal's first grade class.

Mr. Schneider's second grade class. Mr. Schneider is in the chair.

Mrs. Schmidt's P.M. kindergarten class.

HUNTER SAFETY COURSE STARTS ON MARCH 17

An official Department of Natural Resources Hunter Safety Course will be conducted by David Mossman on Thursday evenings in West Bend starting March 17. The course is open to anyone who became 12 years of age or older by March 1. The registration fee is \$4.25. To enroll call the County 4-H Office, 338-4478 to get a registration form.

The 4-H Hunter Project consists of two parts. Unit I is Gun Safety and Unit II Sportsmanship. In the gun safety project a member is encouraged to take the official DNR certification safety course. This includes care, handling and cleaning of guns, gun parts and their function, target practice, safety, laws and regulations.

In the sportsmanship project the member learns about wildlife, goes on hunting expeditions, has game management tours, develops and improves wildlife habitat and does other optional activities.

The gun safety project emphasizes the safe handling of guns. The sportsmanship project emphasizes learning about wildlife. While these projects do work well together, it is not necessary that a member enroll in both. A member could do things in the sportsmanship project without doing any gun handling.

The hunter safety course

Deadline Near For Youth Camp Job Applications

Wisconsin young people between 15 and 19 years of age have until March 7th to apply for a salaried summer job at one of the state's four Youth Conservation Camps.

The camps, located near Manitowish Waters, Minong, Montello and Campbellsport, are operated by the Department of Natural Resources to offer a summer work-learn experience in conservation.

There will be two five-week sessions through June, July and August. Enrollees will be paid \$3.35 per hour (work is scheduled for 32 hours per week - $3.35 \times 32 \text{ hours} = 107.20$. A room and board charge of \$27.50 per week will be deducted from the salary

Work activity offered at the summer camps includes projects related to forestry, fish management, wildlife and recreational use areas

Youths interested in participating in one of the YCC summer camps must apply by March 7th through their high school guidance directors, or by writing to the DNR Youth Conservation Camp Section, Box 7921, Madison, WI. 53707. Application forms are available in all Wisconsin high schools. The DNR will notify applicants in April or May whether they have been selected to attend one of the camps

A bore is a person who talks when you wish him to listen.

IN MEMORY

In loving memory of my wife, our mother and grandmother, Shirley Backhaus, who passed away five years ago, March 5,

Her smiling way and pleasant

face,

Are a pleasure to recall. She had a kindly word for each, And died beloved by all.

Some day we hope to meet her, Some day we know not when, To clasp her hands, in the better

Never to part again.

Sadly missed by the family.

IN MEMORY

In memory of our mother March 9, 1982:

Though her smile is gone Of one we loved so much. Her memory is our keepsake With which we'll never part God has her in His keeping

Sadly missed by her family.

Many thanks to my family relatives and friends for all the flowers, gifts, phone calls, cards and visits, while I was at the hospital and recuperating at home. Special thanks to Pastor Hoenecke for his visits and prayers. Also thanks to the staff and nurses on the third floor at St. Joseph's Hospital, Dr. Vondrak and Dr. Froehlich. It is deeply appreciated and will be remembered

"A DEALER YOU CAN TRUST"

By Joyce Albrecht, Extension Home Economist

AFTER YOU'VE TURNED DOWN THERMOSTAT, WHAT NEXT?

Calling for a home energy audit is like calling for a doctor. You need a diagnosis. But after your home's energy cosumption has been measured, you may wonder what the doctor ordered.

Energy conscious consumers are often confused after an audit. Everyone knows fuel bills can be reduced by turning the thermostat down and closing off unused rooms, but what's the next step?

It's a question experts have trouble answering

Because of differing lifestyles, houses, climates. landscaping, heating equipment, energy costs and energy saving products, there are no cut and dried answers.

But there is a good rule of thumb.

Unless your home is new, start with tightening up and insulating. It may not be glamorous and it may take hard work, but it often reduces energy costs by one-third to one-half.

Conservation or reduction in energy use should be attempted before replacing your existing fuel with a cheaper one. These major switches can involve hidden costs and long-term paybacks. Changing from oil heating to wood, for example, can cost you time and labor, even though it does give you a

While new wood-burning furnances have many con-

cause noises, too.

that auto radios give out.

At J & J AUTO SERVICE

veniences, they are expensive. Wood costs money, even if it

comes from your own woodlot. It's also tempting to think about harnessing the sun or wind for heating. Solar power has proved most cost-effective when used to heat hot water. It is difficult to get other types of installations to pay off and the popular passive solar greenhouses don't work well for most

Even if you have enough wind to consider wind power, it may be expensive to install, although current tax credits and utility company buy-back policies increase its attractiveness. However, these are the last options that should be

So it's a question of getting back to basics

Begin with tightening up your house. Caulk and weather strip gaps and cracks, not only around doors and windows, but wherever you find them.

In attics, for instance, plumbing vents and electrical wires poke holes in flooring, reducing your insulation's effectiveness by up to twothirds. Cracks are also likely to lurk wherever two building corners and wall and ceiling.

coils, reduce light wattages.

The next step is to stop the heat from passing through building materials. The worst problem is the foundation. Insulating boards, attached to the

exterior foundation, can solve that problem. Wall insulation may not be cost-effective or even possible. Providing storms for all windows, though, can pay big dividends.

Insulate your hot water pipes and your water heater, and put flow restrictors on shower heads and hot water faucets.

Do a double check on your furnance. If you have older heating equipment you may want to investigate some of the new add-ons that make furnaces operate more effectively. These include fuel dampers to hold the heat in when the furnance is not operating, an electronic ignition to reduce the pilot light and products enabling you to use off-peak electric options.

Check with local utility companies for products they have found to be effective.

You might also down-size your furnace to more economically heat your tightened up house.

The most dramatic savings will be realized in improving leaky, older homes. New homeowners will have a harder time making a dent in fuel costs.

Winter Travel Tips

Clarence A. Schwartz, Sheriff

Washington County Sheriff's Deputies are well into another year of successful in-service training, noted Sheriff Clarence

Schwartz today. This year's training includes a number of very worthwhile programs, including the most recent, a presentation on severe weather by the National Weather Ser-

National Weather Service program included information on winter storms, which the Sheriff felt could be of benefit to all motorists during this winter season. The Sheriff advised travlers to:

1. Seek available refuge immediately if the storm exceeds or even tests your limitations.

2. Plan the latest weather information on the radio.

3. Check the latest weather information on the radio.

In the Service

Marine Cp. Leo L. Ray, son of Franklin and Irene Lear of Route 1, Box 194-10, Campbellsport, has departed on a sixmonth deployment to the Western Pacific.

He is a member of Battalion Landing Team 1/3, 31st Marine Amphibious Unit, Kaneohe Bay, Hawaii, embarked aboard several U.S. Navy ships during the deployment.

The 1,800 man landing team will participate in training exercises in the Philippines, utilizing infantry units artillery, amphibious assault vehicles, tanks and reconnaissance specialists.

Port visits are scheduled for several Far Eastern ports.

Troy Sable

Airman Troy M. Sable, son of Frank J. and Judy A. Sable of 1908 Canary St., West Bend, has completed Air Force basic training at Lackland Air Force Base, Texas.

The airman, who is remaining at Lackland for specialized training in the security police field, studied the Air Force mission, organization and customs and received special instruction in human relations.

Completion of this training earned the individual credits toward an associate degree in applied science through the Community College of the Air

The airman is a 1982 graduate of West Bend West High School.

"We rarely find that people have good sense unless they agree with us.

Luckhardt Raps Gov. 'Taxing Tony' Earl on Proposed Tax Increase

MADISON - Declaring that the budget-tax increase proposed by the governor "will make the name 'Taxing Tony' Earl as well known in Wisconsin as that of 'Fighting Bob' La-Follette, but for different reasons," State Representative Esther Luckhart today said, 'few people realize that the \$1.5 billion tax increase proposed by Governor Earl for the 1983-85 biennium is almost exactly equal to the total General Fund Budget for all state operations in 1969-71 barely a dozen years ago."

The GOP lawmaker added, "and despite the governor's claims about spending 'reductions,' the \$1.2 billion increase in state spending for the next two years is only slightly less than the 1969-71 budget.'

Luckhardt warned, "when the governor talks about the 'spendng cuts' he claims to have made, he's actually talking about reductions in the \$1.9 billion of increased spending requested by the state agencies which routinely, in every biennium, request more additional funds than they expect or hope to get."

'I am deeply concerned about the impact of the

governor's tax-increase package for financing this increased spending on efforts to re-energize Wisconsin's economic growth," she continued. "In one breath he talks about \$13.9 million in business tax credit 'incentives' for job creation - and in the next he proposed to increase the corporate tax burden by \$117 million.'

"Furthermore, the state's economy as a whole is extremely sluggish, with record high unemployment and those with jobs living on reduced or stagnant incomes," Luckhardt pointed out. In my opinion, Governor Earl's proposal to reduce spendable income in the private sector by another \$1.5 billion in taxes is very unwise and counter-productive.

"Other states are facing temporary fiscal problems similar to ours, but their governors and legislatures are looking for ways to make real reductions in spending - while Wisconsin's Governor 'Taxing Tony' Earl calls a \$1.2 billion increasee in spending a 'reduction,' and proposes a \$1.5 billion increase to finance it," concluded Luckhardt.

The more a man possesses over and above what he uses, the more care-worn he becomes.

VOTING BY ABSENTEE BALLOT

Any qualified voter, unable to get to the polling place on election day, may ask to vote by absentee ballot. A qualified voter is one who is a U.S. citizen, will be 18 years of age or older on election day, and who has resided in the ward or aldermanic district where voting is desired to be accomplished for at least 10 days prior to the election. If the voter resides in a municipality which requires voter registration, then registration is also a requisite for the voter who is qualified in other respects.

To obtain an absentee ballot, contact the clerk in the city, ro obtain an absentee ballot, contact the clerk in the city, village or town in which you reside by mail or telephone, or in person, and request an application form. After properly completing and returning the application to the municipal clerk, an absentee ballot will be sent to you along with a postage pre-paid return envelope, or given to you if the application is submitted to the clerk in person. The deadline for receipt of the application by the municipal clerk is 5.00 ppincation is submitted to the municipal clerk is 5:00 p.m. on the Friday before election day in the case of applications mailed to the municipal clerk, and 5:00 p.m on the day before the election in the case of applications made in the clerk's office.

With one exception, the voter who wants to cast an absentee ballot must make a separate application before each election. Voters indefinitely confined to their home or care facility because of illness, age or disability need not file an application before each election; a special statement on the application form can be completed asking that an absentee ballot be automatically mailed to them before each election: if they fail to make and return the ballots sent to them in an election, they must complete another application later on.

Absentee ballots can be voted at home anytime after they arrived in the mail. They can also be voted right in the clerk's office if submitting the application in person. If returning the ballots by mail, the affidavit-certificate must be properly completed and witnessed by two persons. If returning the ballots in person, the affidavit-certificate must be properly completed and subscribed and sworn to by the clerk or the deputy clerk who are authorized to administer oaths. In either case, the marked, sealed ballot must be in the hands of the issuing municipal clerk on or before election day. Any absentee ballot received at the polling place after the polls close or received in incomplete or improper form cannot be counted.

George F. Nehrbass, County Clerk Washington County

Congressman JIM SENSENBRENNER Reports

LOCAL GOVERNMENTS NEED FEDERAL REVENUE SHARING

Once more, the federal government's program of sharing revenues with state and local governments is under attack in Congress. If the program dies, the consequences for Wisconsin will be disastrous, and its death would not accomplish what the opponents of the program claim, either.

Since the inception of revenue sharing in 1972, Wisconsin has used its state's share over \$50 million a year strictly for local school aids. As a result, local school taxes in Wisconsin are less than they would be had revenue sharing not been enacted.

Unfortunately, Wisconsin now faces a severe fiscal crisis and faces the prospect of a tax increase of substantial proportions. If federal revenue sharing (FRS) is allowed to die, Governor Earl and the Legislature will have to decide how to make up for loss of income. The alternatives are unpleasant: cutting state aid to schools or other local programs or raising taxes even further.

Local governments would suffer, too, and be faced with basically the same tough choices - service cuts or property tax hikes.

The revenue sharing program comes up for renewal this year, and I have cosponsored legislation to extend it for three more years, though freezing the dollars distributed to state and local governments at the present \$4.6 billion a year level. Opponents of the program are already gearing up by claiming killing the program will save us these dollars and reduce the federal deficit accordingly. What is more likely to happen, however, is that these funds will be simply transferred over to other "Washington knows best" programs costing everyone and benefitting few.

The revenue sharing approach to returning dollars to state and local governments has many advantages: it is much simpler, it takes far less bureaucracy to administer and it leaves the decisions as to how the funds are ultimately spent in the best hands - the local ones more responsive to local taxpayer needs and wishes.

A better way to make the federal government less costly and complicated is to end more of the complicated grant, loan, and other programs which are overloaded with bureaucrats and red tape.

Revenue sharing provides funds to state and local governments on a 'no strings attached basis.' This is a much efficient and responsive use of tax dollars, so this vital program should be continued.

KM Lutheran Honor Roll

Kettle Moraine Lutheran High School, Jackson announced the honor roll for the second quarter and first semester of the school year. The following students comprise the honor roll for the second quarter, first semester:

HIGH HONORS, 2nd QUARTER

Grade 12 — Steven Biedenbender, Timothy Dietrich, Daniel Fenske, Laurie Gauer, Holly Gray, Linda Kannenberg, Rachel Kuske, Karla Kutz, Doreen Ott, Mark Roembke.

18th Senate District Will Receive \$9.696 Million in Property Tax Relief: McCallum

State Senator Scott McCallum (R-Fond du Lac) today announced that residents of the 18th Senate District will receive \$9.696 million in property tax relief next year, according to figures recently released by the State Department of Revenue (DOR).

"This is wonderful news for the people in my District," McCallum said. "It means an additional \$1.523 million will go directly to the taxpayers in the form of property tax credits this year."

McCallum explained that the credits will be applied directly to the amount of property tax owed and will appear on the tax bill itself.

McCallum, the only Senate Republican on the state's powerful Joint Finance Committee, noted that the property tax credits, made possible by last year's bipartisan budget adjustment bill, have resulted in a 16% increase in property tax relief for his district in 1983.

"The problem now is convincing Governor-Elect Earl that this program is worthwhile," said McCallum, noting that Earl recently wanted to cut this year's \$75 million worth of credits while continuing the 5-cent sales tax.

"Although it was not legally possible to cut this year's

credits," McCallum said, "the Governor-Elect is going to call a special session of the Legislature to seek cancellation of the \$500 million in credits which are to be paid in 1984 and 1985."

"This is cause for concern because these credits have the potential to keep the lid on property tax increases," said McCallum. "Furthermore, they shift the money away from the tax-spending governments to the taxpayers who deserve it."

"Throughout the campaign, Democrats and Governor-Elect Earl stressed their commitment to property tax relief," Mc-Callum said. "Now, in his first major policy initiative since the election, Tony Earl wants to wipe out \$500 million in property tax credits."

"We must balance the budget," McCallum stated. "But is is unfair to balance it on the backs of the property taxpayers."

Lakes Team Edges Slinger. **Moves Into First Place**

HARTFORD UPSETS PORT

The Kewaskum Lakes basketball team edged Slinger, 116-114, here Sunday night, in a come-from-behind win, as Leon Laatsch poured in 39 points. The win, coupled with Hartford's 91-89 upset of Port Washington, moves Kewaskum into first place in the Lakes 'B' Division, with an 8-5 record, one-half game ahead of Port, which is now 7-5. Slinger drops to 4-8 and is now in a third-place tie with Sussex. In another upset, Cedarburg edged the Menomonee Falls Badgers, 124-121, in the 'A' Division, and now trails them by only a half game.

Kewaskum manager Bill Backhaus commented, "I'm really proud of these guys. It's been a long road, but we've finally made it to the top. We dug a hole for ourselves when we lost at Sussex with a weak lineup four weeks ago, but we've come back with three wins in a row, two of them tough ones, and now Port finally lost. Now it's up to Port and us next week."

Slinger maintained a modest lead throughout most of the game, as it was only in the fourth quarter that Kewaskum pulled the game out. Slinger led 31-28 at the quarter behind Jack Held's seven. Laatsch poured in 12 for Kewaskum. Kewaskum narrowed the gap to 57-56 at halftime as Laatsch and Clark Eichstedt each had eight in the second quarter. Slinger increased the lead to 89-85 in the third quarter behind balanced scoring. Kewaskum trailed by seven early in the fourth quarter when they put on their winning spurt. They went ahead by eight only to have Slinger come back and nearly tie it up at the end. Eichstedt was fouled with three seconds left and Kewaskum leading 115-114. He made the first free throw in the bonus to put Kewaskum ahead 116-114. He missed the second free throw and Al Schieve threw up a last-second shot from midcourt which missed. Missed free throws gave Slinger their final chance to come back. Laatsch and Eichstedt each had 10 in the quarter for Kewaskum.

Besides Laatsch, Clark Eichstedt had 28 points for Kewaskum, Mike Maney had 21, and Brian Larsen 15. Jack Held led Slinger's balanced attack with 27, while Al Schieve had 18, John Theis 14, and Bob Mertz 13. Slinger put seven players in double figures.

team shot well from the free throw line, with Kewaskum making 22 of 40 for 55.0 percent and Slinger only four of 12 for 33.3 percent.

It's showdown time next Sunday, as Kewaskum travels to Port Washington for their first-place battle. The game will be at Port Washington High School at 7:30 p.m.

KHS Chess Team Tie for 1st Place

The Kewaskum High School chess team moved into a share of first place in the SCCA by beating previously unbeaten Germantown 281/2 to 261/2. Both teams are now 5-1 with two games remaining. The victory avenged an earlier 32-23 loss to the Warhawks.

Glenn Classey improved his record to 5-1 in conference and 7-1 overall with an easy win over Kim Moser at board 7.

Tom Crandell studied an earlier game he had played against his opponent Bucky Kazmierczak. When Kazmierczak played the same opening, Crandell had a surprise for him and ended up with a piece to the good and an easy game. Frank Voge suffered his first loss of

the season at board 8. Kewaskum increased their lead to 26-9 with wins from Gregg Classey, Randy Igel and a draw from Todd Jaromin. Classey's win was personally satisfying as he has faced Chet Smith four times the past two years, improving each time, with this being his first win against Smith. Igel dominated his opponent at board 10, while Jaromin agreed to a draw when the same position occurred

twice. boards 3, 4 and 6 still playing. 233. When Ed Ham lost his first

match of the year at board 3 and Jeff Igel lost at board 4, it moved the score to Kewaskum 26, Germantown 24, with 5 points up for grabs at board 6.

Kewaskum was behind by a pawn in a rook-knight-pawns endgame. John Martin found the correct defense though, exchanging rooks, gaining a pawn in a knight fork and ended up with a drawn position giving Kewaskum 21/2 points and the match.

The results are unofficial though, as Germantown has filed a protest accusing one of the Kewaskum players of kibitzing. The league decision should be made sometime during the week.

Kewaskum hosts Hartford Tuesday and travels to St. John's in the season finale March 8.

Kewaskum Winners In West Bend Junior **Judo Tournament**

The West Bend Judo Club and West Bend Park, Recreation and Forestry Department sponsored the Washington County Junior Judo Tournament on Tuesday, February 22, in recognition of President George Washington's Birthday. It was held at Silverbrook Middle School. Tournament directors for the event were Head Black Belt Judo Instructors Jon and Joe Sanfilip-

There were seven divisions with Group 1 being the smallest Judoka to Group 7 being the largest Judoka.

To win first place in each division the Judoka had to beat all other division members. Special recognition goes to Bobby Hubbard of West Bend, 2nd place, Group 3 winner. Bobby made the only full point Ippon throw of the tourney which he did with a left side back throw (o-soto-gari).

Following are the results of the tournament:

KHS Powerlifting News

Bench Press Clubs: 200 oounds - Rich Gaspardo, Doug Miller. 225 pounds - Gary Butzlaff, Chris Harlow. 250 pounds - Jim Braun, Steve Seitz, John Swanson.

Parallel Squat Clubs: 250 pounds - Gary Butzlaff, Brad Dieringer, Brian Kober, Dean Kohn, Dave Pesch, Stuart Stautz. 300 pounds - Jim Braun.

Deadlift Clubs: 350 pounds -Gary Butzlaff, John Swanson. 400 pounds - Jim Braun.

KHS lifters will compete against a team of lifters from Slinger High School on Tuesday, March 8, at 6:30 p.m., in the high school weight room and old gym. To be eligible for the meet, our athletes must participate in the lift-a-thon. They will obtain pledges per pound that they lift. The money earned from these pledges will be used to improve the facilities in the high school weight room. Your contributions will be greatly appreciated.

The powerlifting competition will be divided into two groups. The freshmen will compete in the parallel squat and the bench press, while the sophomores, juniors, and seniors will compete in the parallel squat, bench press, and deadlift. An overall champion in each weight class will also be determined. The public is invited to attend.

Judo Demonstration And Clinic Presented

The West Bend Judo Club presented a Judo demonstration and clinic to the Academy of Self Defense of West Bend Thursday, February 25, at the Academy of Self Defense School, 131 North 6th Ave., West Bend. Jon Sanfilippo,

over Kim Moser at board 7.
Classey used an early knight fork to win a rook and dominated the game from that point.
This was the only game finished after the first hour.

Kewaskum built their lead to 15-8 with a draw at board 1, a win at board 5 and a loss at board 8. Romie Holl had to settle for a draw even though up by a knight. Holl had two knights and a pawn versus a knight and a pawn and when he lost the pawn the game was drawn.

Tom Crandell studied an Tokash and the point over Kim Moser at board 7.

Classey used an early knight the tournament:

School, 131 North 6th Ave., West Bend. Jon Sanfilippo, Kerri Sonfilippo, West Bend. Jon Sanfilippo, Andreo Gleason WB; 2nd, Petro directed the event.

The clinic included a pre-boeld WB. Group 3 — 1st, Charile Brown WB; 2nd, Bobby sentation of basic judo throws, a free form judo, and self-defense by 3rd degree black belts Joe Broup 4 — 1st, Robert Kurtz WB; 2nd, Chod Horris WB; 3rd, Adom Gessert WB; 4th, Joan and Jon Sanfilippo, (West Rodriguez WB; 5th, Erk Mourer WB; 6th, Nicky Bend). Nancy Fehlhaber, Group 5 — 1st, Dicky Jungers WB; 2nd, Erik (Kewaskum), 1st degree black Manson, Kew.; 2nd, Shelly Puestow WB; 2nd, Erik (Kewaskum), 1st degree black Mork Clements, Rondom Loke; 5th, Brondom belt, demonstrated basic mat Barker WB; 6th, Eric Boldi, WB. Group 6 — 1st, Seon Torinus, Slinger; 2nd, holding and the shoulder wheel John Nyberg WB; 3rd, Kris Larsen, Jockson; throw. Arm locks and chokes forward wB; 3rd, Tim Kilizman WB; 4th, Bob Faragher, (West Bend), 1st Group 7 — 1st, Mike Bolton WB; 2nd, Robb Faragher, (West Bend), 1st Group 7 — 1st, Mike Bolton WB; 2nd, Robb Faragher, (West Bend), 3rd McElligott, (Hartford), 3rd degree brown belt. They also presented sets of combination throwing techniques. Advanced throwing techniques including counter throwing demonstrated by purple belts (highest jr. rank) Robb Gessert (West Bend), and Mike Bolton, (West Bend).

A special preformance of the formal sequence of throws, called the age Nage-No-Kata was given by Matt Elliott, 2nd degree black belt and Jerry Strouf, 3rd degree brown belt of the Sheboygan Judo-No-Kata II School.

The Academy of Self Defense is a school of Korean Karate called Tae Kwon Do run by Jim Jaeger. The Judo Clinic was presented to show the similarities and differences of these two martial arts.

A presentation of Japanese calligraphy which had the two Judo principals "mutual welfare and benefit" and maximum efficiency" was given as a symbol of unity and friendship to the Academy of Self Defense head instructor Jim Jaeger, 3rd degree black belt of Tae Kwon Do.

KHS Girls Lose Heartbreaker to West **Bend West in Class A Regional Here**

In the first round of WIAA Class A regional action in the Kewaskum fieldhouse last Thursday evening, the Kewaskum girls lost a heartbreaker to the West Bend West Spartans by a final margin of 37-36. The one-point loss put a sudden halt to the Indians' hopes for a return trip to the state tournament, where they were runnersup in Class B last year.

In the second game of the night Thursday, Little Ten Conference champion West Bend East easily rolled over last place Waupun, 68-34. It was all Suns as East shot 55 percent to advance to the regional finals in Kewaskum Saturday against West Bend West. East star, 6-2 Linda Reichl scored 19 points for the Suns in the victory.

In the regional finals Saturday evening, also played in Kewaskum, West Bend East surged for 14 points in the final quarter to West Bend West's 2 eliminating West's pesky neighbors. The victory ad-vanced the East Suns to the sectional at Fond du Lac this weekend, where East (18-2) will face Sheboygan North (14-5) Thursday night. Other teams reaching that sectional are Kimberly (16-4) and Oshkosh West (13-7). Reichl again led the Suns in the regional final here with 24 points.

The Kewaskum-West Bend West game had very low scoring in the first half, as the Indians trailed after the first period, 10-6. Kewaskum battled back in the second quarter to take a 15-14 lead at the intermission. Senior Linda Larsen kept her team in the game in the third quarter, hitting 8 of the Indians' 13 points. The score was deadlocked after three quarters at 27-27.

In the fourth period, the two teams battled back and forth

to defeat the Spartans 49-35, with the lead. In the final minute the Indians held a slim 36-35 lead but Gretchen Dedrick's bucket with 30 seconds left gave the Spartans the advantage. The Indians then had a chance for a final score but junior guard Lisa Matenaer was whistled for a double dribble, giving West the ball back with 20 some seconds

Coach Soerens then told his girls to foul when the clock got down to 20 seconds but it ran down to eight seconds before Cathy Schlice finally fouled Rhonda Butt. Butt missed the front end of bonus and the Indians had one last shot, but Matenaer's attempt fell way short and so did the Indians.

Captain Linda Larsen took game scoring honors for Kewaskum with 19 points. Linda also pulled down a number of rebounds off the defensive boards. Julie Koepke added

seven points and Cathy Schlice four. West was led by Rhonda Butt with 16 points. Michelle Bleck added 10 for the winners.

Each team shot 12 free throws with the Indians making four for 25%, while the Spartans made seven for 58%.

Kewaskum finished the season with a 12-7 overall mark and 6-6 in conference for a fourth place finish. Four Kewaskum seniors played their final game as Kewaskum Indians:

Linda Larsen, a four-year letterwinner, was the all time leading scorer in Kewaskum history. During her career she amassed 1,368 points.

Cheryi Jaeger was the sparkplug on both ends of the court. Jaegers' aggressive style created many turnovers for the opposition. She is a two-year letterwinner.

Cathy Schlice. "Hustle" and 'desire' were Coach Soerens' quotes for this two-year letterwinner. She was a hard worker every game.

Cheryl Burkhalter helped the team with her ball handling skills and game concentration. She also was a two-year letter-

KEWASKUM - Larsen 8-3-2, Koepke 3-1-1, Matenaer 1-0-2, Jaeger 1-0-2, Schlice 2-0-3, Schoofs 0-0-2, Secor 1-0-0. Totals 16-4-12.

WEST BEND WEST - Bleck 5-0-3, Butt 6-4-2, Dedrick 2-2-1, Oelhafen 0-0-4, Spaeth 1-0-1, Riess 0-0-1, Fuller 0-1-3, Jensen 1-0-0. Totals 15-7-15.

Unbeaten Mayville Rips Indians, Also Edged by Falls; Tie for Last

The Mayville Cardinals, undefeated champions of the Flyway Conference, and rated third among Class B basketball teams in the state, stretched their winning streak to 17 straight games last Tuesday night by rolling over Kewaskum, 88-69

Guard Mike Blair an forward Tony Kurutz led th Cardinals' romp with 22 and points, and 10 of their team mates contributed in th scoring, Blair had 15 of h points in the first half Mayville eased to a 40-22 lead However, the Indians were the game until halfway through the second quarter, when the missed an opportunity for a six

Kewaskum center Brian Arndt scored a basket, making the score 21-16. He was fouled on the play and the Cards had a technical called because one of its players grabbed the rim. This gave the Indians two free throw chances and the ball out of bounds. But they missed on all opportunities and failed to score on their next possession.

After that Mayville controlled the game, outscoring the Indians 19-6 the rest of the first half, including 12 or 13 unanswered points. Missed free throws were again costly for Kewaskum, especially in the first half, when they failed on 10 of 18 chances. Turnovers also continued to plague the Indians, committing a total of 26.

Although Mayville has a good team, especially in Blair, an exceptional ball player. Coach Westphal was disappointed with his team's effort, which had shown improvement in its two previous games. The Cards shot 50 percent in the game while Kewaskum hit only 43. The fourth quarter, when the Indians scored 33 points with Mayville subs in the game,

helped bring the mark up. Jim Hanrahan led the Indians in scoring with 18 points, most of them in the final quarter. Rod Donnelly and Dan Dean had 14 and 13 respectively, while Arndt chipped in 11.

In one of their worst showings of the season, the JVs were defeated, 63-48. The Indians had loads of turnovers. Dan Menzel's 16 points paced the

Sheb. Falls 75, Kewaskum 72

In their final game of the regular season in the Eastern Wisconsin at Sheboygan Falls Friday night the Indians suffered another close loss to the Falcons, 75-72.

Thus the Indians finished the year with a 2-10 record in the conference and 2-16 overall. They tied with Chilton for last

Kewaskum scored five more SHEBOYGAN FALLS baskets than the Falcons, 30 to Kewaskum Kewaskum 25, but were outscored 25-12 at the free throw line, which made the difference in the outcome.

The contest was close and Butsee-sawed right down to the last Squier

see-sawed right down to the last 59 couple of minutes, with neither Totals team able to go ahead by more than a couple of points Falls went up by five points late in the final quarter but the Indians bounced back to within one before finally losing.

Kewaskum got good performances from guard Jim Hanrahan and center Brian Arndt, who scored 23 and 21 points respectively. Hanrahan hit 10 of 15 shots from the field and had a fine night. He has scored 72 points in his last four

Arndt had nine rebounds to go along with his 21 points and also played well. The pair accounted for 13 of the Indians' 19 points in the last quarter. Dennis Butz helped Kewas-

kum's cause with 10 points and 10 rebounds.

Falls got double figure scoring from four players, 6-2 John Matzek with 25, Dan Kracht 13, Bill Lorenz 12 and Chuck Otte 11. Matzek was the key player to the Falcons' fine outside game and contributed evenly in all four quarters.

The small Lorenz hit six key free throws in the closing minutes to pull out the victory. The Falcons were sharp at the free throw line near the end, converting 10 of 14.

The Indians tired near the end of the game and committed costly turnovers. Sheboygan Falls, which had beaten every team in the conference except New Holstein at least once, is a vastly improved team.

This Friday night Kewaskum hosts another Class A regional tournament in which the Indians will host West Bend West in a 7:30 p.m. game. The same night West Bend East entertaining Waupun in the same
