## Two Write-in Candidates for School Board Election in April

Laneille Dieringer

By GERRY MUELLER  
Statesman Staff Writer

At Monday night's meeting, two individuals announced they will be running as write-in candidates for the Kewaskum School Board election on April 5th.

Laneille (Lynn) Dieringer, 39, of Fredonia, a mother of six and a Farmington School District resident for 18 years, has decided to seek a seat on the board.

Dieringer has been involved in the Farmington PTO, serving one year as vice president, the Cub and Girl Scouts, a member of St. Mary's Christian Mothers

and adult chapter of the AFS. Lynn and her husband Jim have been foster parents and AFS host family for a student from Holland. Dieringer is a nurses aide and will be going to MPTI for an associate degree in nursing.

Dieringer's reasons for running include helping to achieve quality education for all the children in the district, since she feels they are our most important natural resource.

Neal Weare, 40, of Route 1, Kewaskum, has two children in the high school. He has lived in the district for the past 2½ years and in West Bend 6½

Neal Weare

years. He is a Viet Nam veteran.

Weare has experience in contract negotiations and grievance procedures and eight years in law enforcement. He has been a private investigator and process server, working with people from all walks of life. He is a lifetime member of the North American Hunting Club and a member of the New Fane Kettle Riders Snowmobile Club.

Weare states he is asking voter support so he can help insure that our children get the quality education they need and deserve.

## Parents Voice Stand on Long Range Committee and Eight Period Day

By GERRY MUELLER  
Statesman Staff Writer

At Monday night's meeting, the Kewaskum School Board received the "in-put" they say they are looking for.

In what turned out to be one of the more lively and vocal meetings in several months, district parents stood up and stated their feelings on not only the eight-period day, but the Long Range Planning Committee.

Former School Board Candidate Joan Rosenberger told the board she was "upset" with the Long Range Planning Committee. "Rosenberger felt that some of the things the committee was looking at were things the school board should look into. 'I think this is just another ploy to shut off citizen participation,'" stated Rosen-

berger. They (the committee) make a recommendation and the school board doesn't know how much pro and con took place, said Rosenberger.

Mrs. Carol Connor told the board she had worked on a school board committee, noting it was not the committee's job to make conclusions. We were not to take any positions. We were to present every bit of information we dug up, said Connor.

Administrator John Long said he had attended all the meetings and knew of no one who had been denied a chance to participate. "I think it shuts off public participation also, because it means that it is one more meeting along with the budget and school board, we have to go to. We have to attend all these meetings to know what is going on," said Rosenberger.

Board member John Tassar stated, "I guess I have to agree with that lady. Originally this board voted to go with the Computer Committee. At a later date it was made out to be a Long Range Committee. I don't ever remember that they were going to be studying eight-period days and what have you. I guess there is quite a bit of concern out in the district on the power this committee has. And I say this, I can't imagine anybody on this board voting against their recommendations."

Tassar questioned, "after they're done with this computer planning, what is their next project? I have never been told, and I don't think any of this board has been told. I was under the complete understanding it was computers and

[Continued on Page 4]

## Kewaskum to Host State Dartball Tournament

The Wisconsin State Dartball Tournament will be held in Kewaskum this weekend, on Saturday and Sunday, March 19 and 20, at the Kewaskum High School.

There will be 48 men's teams and 7 women's teams competing. Trophies will be awarded. It is expected there will be approximately 900 individuals competing and attending the tournament. Spectators are invited with no admission being charged.

Jaycee members and their wives will be selling sandwiches and refreshments for the teams, visitors and spectators.

Jaycee member, Harry

Roeker, 711 Memorial Drive, Kewaskum, was instrumental in organizing the state tournament to come to Kewaskum. The Jaycees and wives will be assisting Harry in preparing and serving the food and refreshments. The members will also assist in the individual classic shoot-off. Proceeds of the tourney will be used by the Jaycees for Little League promotion and other community projects.

Teams will be traveling from Kenosha, Reedsville, Ripon, Sheboygan, Eau Claire, Wausau and Milwaukee, to name a few, and other cities throughout the state.

## Receive 14 A's at Beaver Dam

### KHS Students Fare Well in Sub-District Forensics

Left to right:

Back row — Sue Schmitt, Denise Meyer, Beth Keagle, Jama Jacak, Mary Schmidt, Amy Sekas.

Third row: Sue Fischer, Doreen Jacobs, Ada Thull, Kim Brodzeller, Sue Lemke.

Second row: Leah Kuphal, Maria Carlfolk, Barbara Panzer, Mitzi Nigh.

Front row: Mary Slegler. Beth Strigenz not pictured.

Kewaskum High School's Forensics team traveled to Beaver Dam High School on March 7th to compete in the sub-district forensics contest.

Those receiving "A" ratings from KHS were: Leah Kuphal,

Maria Carlfolk, Amy Sekas and Maria Jacak in Poetry; Beth Keagle, Sue Lemke, Mary Slegler and Mitzi Nigh in Prose; Ada Thull, Beth Strigenz and Barbara Panzer in Declama-

[Continued on Page 4]

## KHS Receives High Ratings In Bands and Chorus Contest

Friday, March 11, the Kewaskum High School bands and choruses traveled to Plymouth High School for the band and choral contest. Each group was rated by three judges in the following seven categories: tone, intonation, balance, technique, interpretation, musical effect and other factors which include discipline and appearance. The rating order is superior, very good, average, fair and poor.

The Girl's Chorus singing in Class B led off at 9:10 a.m. and received very good ratings from all three judges. At 10:00 a.m. the concert band, also in Class B, received two very goods, and one average for an overall

rating of very good. The Symphonic Band which is in Class A, received one superior and two very goods at their 11:00 a.m. performance. The mixed chorus ended the day for Kewaskum at 1:40 p.m. singing in Class A, they received all very goods.

The other schools participating were Chilton, Kiel, New Holstein, Plymouth, Sheboygan Falls and Port Washington.

### Cash for Recycling Day at Sentry Store

Sentry Store at 927 Fond du Lac Ave., Kewaskum, is having a "Cash for Recycling" day on Friday, Mar. 18, from 9:00 a.m. to 5:00 p.m.

Separate your recyclable materials by type of material and then take them to the store for payment.

Following is a list of recyclables which are accepted.

Aluminum — Beer and soda cans, only, 25c lb.

Misc. Aluminum — Foil, TV trays, etc., 14c lb.

Steel/Tin Cans — Soup cans, vegetable cans, soda cans, etc. Please flatten, 1/2c lb.

Glass Bottles & Jars — Whole glass jars and bottles, separated by color, 1/2c lb.

Some experts say we remember things better if we learn them just before going to bed than if we learn them in the morning. Fewer events interfere with the memory, they say.

### Story Hour Fascinates Youngsters

By popular request, the Kewaskum Junior Woman's Club is again sponsoring a story hour in Kewaskum. Offered to children aged three to five, it will be held in the Kewaskum Public Library. A choice of four sessions will include 9:15 and 10:30 on Wednesday and Thursday, with a limited number of children accepted in each group.

The 45-minute sessions, which include reading stories, learning poems, finger plays, songs and games, will run for 6 weeks beginning April 13th and 14th.

The Juniors will gladly accept mothers who wish to volunteer as aides. To register your child for story hour call 626-2837.

### Sensenbrenner Staff to Hold Office Hours in County

Ninth District U.S. Rep. F. James Sensenbrenner, Jr.'s district office staff will hold open office hours for Washington County residents on Thursday, March 24th.

At four different locations a staff member will be available

in behalf of Sensenbrenner to discuss problems with federal agencies, to hear the views of residents on issues of concern, and to receive requests for information or copies of government publications.

The schedule of office hours is as follows: Jackson Village Hall, 9:30 to 10:30 a.m.;

Washington County Courthouse (West Bend), 11:00 a.m. to 12:00 noon; Addison Town Hall, 1:00 to 2:00 p.m. Hartford City Hall, 2:30 to 3:30 p.m.

No appointments are necessary, and everyone will be seen on a first come, first served basis.

## Mangold-Snyder

Marion M. Mangold of Paw Paw, Michigan, and Bill Snyder of Chicago were married in a formal ceremony Sunday, December 19, at 5 p.m. at the Mart Plaza Hotel, Chicago, where Synder is entertainment director, U.S. Judges Abraham Lincoln Marovitz and Frank McGarr presided.

Parents of the bride are Mrs. Ed Cudnohoske, Route 1, Kewaskum, and the late Ed Cudnohoske.

Diane Peterson of Paw Paw, was matron of honor and Marcia Saliga of Forest Park, Ill., the groom's niece, was bridesmaid.

Bill Horine, general manager of Mart Plaza, was best man and James W. Galante of Chicago was groomsman.

The bride's two sons, Kenneth and Steven, escorted her half-way down the aisle, where she was met by the groom. Her sons also served as ushers.

A string quartet from the Chicago Symphony Orchestra, led by violinist Fred Spector, provided the entertainment, Dr. Richard Baer and Louis Sudler sang.

A buffet dinner of Hungarian

goulash and Paprikash from the groom's family recipes were served at the Mart Plaza following the ceremony. A piano motif was carried through with ice sculpture and the wedding cake.

Those attending the wedding from this area were Mrs. Ed Cudnohoske, Route 1, Kewaskum; Mr. and Mrs. Harold Laux, Adell; Mr. and Mrs. Russell Breit, Mr. and Mrs. Jim Tassar, West Bend; Kenneth Cudnohoske, Dundee, and Calvin Cudnohoske, Appleton.

The new Mrs. Snyder was formerly a property appraiser for Van Buren County and her husband is a Chicago pianist and nationally-known recording and concert artist. The couple met when Mrs. Snyder visited Chicago for a Fantasy Weekend with a companion, Diane Peterson, and listened to Snyder's nightly piano performance at the Pinnacle Restaurant in the Holiday Inn.

Mrs. Snyder will assist her husband full-time in his career. Following a January honeymoon, the couple is living in Chicago.

## Eckert-Laatsch

Mr. and Mrs. Allan Eckert of Milwaukee and Mr. and Mrs. Eugene Laatsch, Sr. of Kewaskum are happy to announce the engagement of their children, Deborah Eckert and Eugene Laatsch, Jr.

Deborah is a 1981 graduate of Pulaski High School and is employed at Schultz Sav-O in Milwaukee. Eugene is a 1980 graduate of Kewaskum High School and is currently attending the University of Wisconsin-Milwaukee in Financing and Marketing. He also works part-time at Schultz Sav-O.

They will be married at St. Michael's Church in St. Michaels on August 27, 1983.

## Firemen Answer Two Chimney Fire Calls

The Kewaskum Fire Department responded to a chimney fire call on Friday at the Zachary Stoffel residence, 4810 Hwy. 28 West, in the Town of Kewaskum. Fifteen firemen answered the call and spent one-half hour at the scene. There was no damage.

The Kewaskum firefighters received another chimney fire call on Tuesday at 9:21 a.m. at the Elizabeth Gildersleeve residence, 326 3rd Street, Kewaskum. The men were at the scene a half hour.

## Kewaskum Jaycees Individual Development Programs Completed

In addition to the many community activities that the Kewaskum Jaycees organize throughout the year, they also run individual development programs to better the members who participate in these programs.

Internal growth was achieved by those members who took part in Time Dynamics, Communications Development, and Personal Dynamics in 1982. The Kewaskum Jaycees recently completed Personal Financial Planning and the Family Life Program. All these programs are chaired by local members and are guided by booklets containing course materials and discussion questions. These booklets are prepared by the United States Jaycees and are full of pertinent information.

Recent Personal Financial Planning courses completers include: Craig Larsen, Richard Thiemer, Dave Smucker, Dave Schoofs, Dennis Hessel, Ken Weyers, Mike Korneli, Ron Schmitz, Mike Pankonin, Bryan

Kempf, Gary Gavin, and John Fischer. Class participants felt the tips on getting organized, budgeting, investments, arranging personal and financial papers, and planning for the future were well worth the time spent.

Family Life completers include the families of: Beth and Brad Kidd, Debbie and Mike Korneli, Sandy and Mike Pankonin, Linda and Gary Gavin, Trudey and Roy Peterson, Mary and Dick Thiemer, Wendy and Ken Weyers, and Jim Simon. These families spent a Sunday playing and eating, plus discussing interpersonal relationships within family units (between parents, parents and children and children), between families, and between the spouses only.

The Kewaskum Jaycees plan to hold a Spiritual Development program this spring and a Personal Financial Planning course this fall. Contact a local Jaycee and take part!

## School Board

(Continued from Page 1)

computers only." Tessar asked Ogi who makes the decision on what the committee is going to study. Board member Richard Thuesch said a list had appeared in a "From the President's Desk" article. Rosenberger told Board President Charles Ogi, she understood the full board never even got a chance to vote on what items the committee would take up.

Parent Jerry Buchel asked, "what are the long range goals? This was supposed to be a computer study committee only, that is why one member resigned because he found it entailed more detail than computers. Computers we knew, where did all these other items come from for this committee," said Buchel. "I have attended a lot of board meetings and I have not once heard any guidelines for this committee to follow. And also, this Long Range Committee is made up of members of your supporters and mostly your supporters only," said Buchel. Ogi told Buchel he was out of line. Buchel said he still had the floor and Ogi told Buchel "he would never have the floor if he made

accusations like that."

Thuesch told the board, "I have never been in favor of this committee and I make a motion to disband it." When Thuesch was told his motion was not in order, he requested that it be put on the agenda for April.

Citizen Charles Voge stated, "it has always been my understanding that by virtue of their office, the principals and superintendent would be responsible for the long range planning for what the school is going to be doing. And Long Range Committees seem to usurp the authority from the people we're paying to do this now. We're paying really good salaries to some highly qualified people, but we're having other people come in and do their job and I don't really feel that's right. We pay them to do that."

The second volatile issued before the board was, consideration of switching from a seven to an eight-period day.

Some of the board members felt such a change should be considered as a way to offer students more periods to take elective courses such as languages and additional math.

A survey, last month, by High School Principal Clark Pearson showed both students and teachers were highly opposed to the plan. Pearson's figures showed out of 606 students surveyed (9th through 12th grade), 528 were against the eight-period day while 78 were for it. Of the 48 teachers polled, 42 were in favor of keeping the seven-period day, 0 for the eight-period day and six

declined to state a preference.

The teachers felt the change last year, from six-period rotation to the straight 7-period day had already cost the students valuable minutes of class time. The Social Sciences Department submitted a letter stating a loss of 8 to 10 minutes each period, five days a week, resulted in a one hour a week reduction of instruction, 36 hours a year.

Of the approximately 125 people attending the meeting, both students and parents all seemed to be in agreement that the board drop any consideration of switching to the eight-period day.

Board member Jean Goeden asked Ogi to produce the letters which he said he had received speaking in favor of the 8-period day. Ogi said he did not have them at the meeting even though Goeden had made two written requests that they be brought to the meeting.

Ogi noted that eight period days were not out of the ordinary and according to DPI figures, approximately 40% of the schools work on such a schedule.

Board member Tom Brigham noted he had received over twenty calls and only two favored the eight-period day. "There are some advantages to the eight-period day," said Brigham, "but the disadvantages outweigh them."

Student Beth Strigenz told the meeting she had been one of the few who had been in favor of the change but after talking to Mr. Long, Strigenz said it was just a matter of getting her

priorities in order as to what subjects she really wanted to take and felt the 7-period day was the way to go. Several students said that even if there were an extra period, neither they or many of their friends would take any of the "hard" courses. They probably would take art, or some other "easy" class.

Parents, students and teachers were all in agreement that the most seriously affected would be those students who need the additional shop, lab and work time to complete projects. By the time supplies and materials are taken out and put away, actual work time is drastically reduced.

Board member Ralph Horner noted Slinger works on a nine-period day, running some double period classes which meet every other day. Slinger also has a requirement of 23 1/4 credits for graduation. Horner said he would like to check out the Slinger system before voting. He motioned to tab action until the board and he could do some further checking.

Pearson told the board a decision would have to be made by early April so next year's schedule could be set up.

Horner's motion passed with Horner, Ogi, Spoerl and Brigham voting yes, and Goeden, Thuesch and Tessar voting no. Many people attending the meeting felt the board was ignoring the recommendations and wishes of the community's taxpayers and students.

Assistant Principal Roy Esser informed the board that Mr. Jim Walters of Jack Walters Builders has offered to give the high school a building to be used as a storage building for

the various shop classes and track equipment. The structure would be used to store the used cars and ag machinery used in the various classes. Walters would supply the building materials and Mr. Stradtman's Building Trade classes would erect the structure. Esser said, through the years funds had been put into the budget for the building but they have always been cut. The school would have a building and the students would get the construction experience. Horner recommended the board send a letter of appreciation for the gift.

The board also gave Esser permission to check into developing a second school trip which would use busses and campouts as a way to reduce costs.

## Forensics

(Continued from Page 1)

tions; and Denise Meyer, Sue Schmitt and Kim Brodzeller in Play Acting.

"B" ratings went to Mary Schmidt in Oratory, Sue Fischer in Story Telling and Doreen Jacobs in Declamations.

Only those students receiving "A" ratings in the sub-district competition will move on to District Competition on March 26 at Brookfield Central High School. "A" ratings at the district level will advance students to the state competition.

This year's Forensics squad is coached by Ms. Barb York and Ms. Judy Jacak. Both coaches are very pleased with this year's turnout for the squad and the fine efforts all are displaying.

## Farm Tractor Safety Course

Accidents cause more deaths to persons between the ages of 15 and 24 than all other causes combined. On the farm, the major cause of accidents is working with tractors and farm machinery. Most of the accidents happen when the operator does not know how to operate the tractor or machine correctly or is unaware of the dangers involved.

To help reduce accidents, a farm tractor safety course has been started. A federal law says that no youth between 14 and 16 years of age may be hired to operate a tractor on a farm unless he has taken the safety course.

A tractor safety course will be conducted by the High School Vocational Agricultural Department, MATC, and University of Wisconsin Extension in Washington County. It will be on Saturdays at the Hartford High School beginning March 26 from 9:00 a.m. to 3:00 p.m. It is open especially to youth who will be 14 and not over 16 years of age by June. However, if there is room, other youth will

be accepted. The federal law requiring the safety course does not apply to youth who will be working on their own farm. However, the safety course would be a good thing to enroll in even if a youth does not plan to work for others.

The course includes instructions on understanding how to operate a tractor, with the emphasis on safety. To complete the course a member must attend four sessions and then pass a written and a driving exam.

You may get details and information on registration from your High School Vocational Agricultural Instructor, MATC North Campus, or from the University of Wisconsin Extension Office in West Bend, Phone 338-4478 or 644-5204.

## For Singles Only: New Tax Form Debuts

If you're single and planning on doing your own tax return this year, the Internal Revenue Service says you may find the job easier than ever, thanks to the new Form 1040EZ.

Form 1040EZ is a special new form the IRS estimates more than 20 million taxpayers will be able to use this year. The 1040EZ has only 11 lines to complete and is designed for single taxpayers with no dependents who do not itemize deductions, have a taxable income of less than \$50,000 consisting of wages, salaries, tips, and \$400 or less of interest income. The new partial deduction for charitable contributions can also be claimed on this new form, the IRS adds.

So take it easy this year, the IRS says, try Form 1040EZ.

## Luckhardt Announces Committee Appointments

MADISON...State Representative Esther Doughty Luckhardt (R-Horicon) will be kept busy this session with four committee assignments plus the State Building Commission, of which she has been a member since 1975.

The four committees to which she has been assigned are: Consumer and Commercial Credit; Excise and Fees; Labor; and the Joint Survey Committee on Debt Management. The Excise and Fees and Labor Committees are new for her this term although she served on the Labor Committee in 1979.

Luckhardt's experience in her own insurance agency as well as

her years in the legislature provide her with a background which makes her a valuable representative on the Consumer and Commercial Credit Committee.

The veteran lawmaker has been a conservative voice on both the Debt Management Committee and the building commission where she tries to persuade the other members to

hold a tight rein on the State's purse strings. "I always make it a point to remember where the money is coming from...the taxpayers," she says.

The 88th District representative said she is glad to be back on the Labor Committee even though she has not had union support in her campaigns. "I would like them to understand that I vote consistently to encourage business and industry to move into my district which protests the unions and the jobs," she stated.

## Fred Kleinke, Orlin Reysen Called in Death

Fredrich W. "Fritz" Kleinke, 67, of 151 University Drive, West Bend, died Monday, March 7, at St. Joseph's Community Hospital, West Bend.

He was born Dec. 15, 1915, in New Fane, Fond du Lac County, and married LaVern A. Harter at St. Lucas Ev. Lutheran Church, Kewaskum, June 3, 1939.

He was a retired employee of A.O. Smith Corp. of Milwaukee.

Survivors include his wife; four sons, Fredrich S. (Dorothy) Ival W. (Sharon), Dennis D. (Susan), all of West Bend, and Russell V. (Cecilia) of Kewaskum; seven grandchildren; one sister, Gladys (Heinz) Frieberg of Florida; three brothers, Alpheus (Virginia) of Campbellsport, Wilbur (Marie) of New Fane and Marvin (Delores) of Kewaskum, and other relatives and friends.

He was predeceased by a son, Eugene M.

He was a member of the Washington County Senior Citizens and Pilgrim Lutheran Church, West Bend.

He lived in Beechwood until 1959 when he moved to West Bend. He lived there until 1967 when he moved to the Kewaskum area. In 1974 he returned to West Bend and lived at his present address.

Funeral services were Friday, March 11, at 2 p.m. at Pilgrim Lutheran Church, West Bend. The Rev. John Stephen officiated and burial was in Washington County Memorial Park.

Visitation at the Myrhum Funeral Home, West Bend, was Thursday after 4 p.m., and Friday at the church from 11 a.m. until time of services.

### ORLIN E. REYSEN

Orlin E. Reysen, 64, Town of Scott, Route 1, Kewaskum, was pronounced dead on arrival at St. Joseph's Hospital, West

Bend, after suffering a heart attack at his home on Sunday evening, March 13.

He was born January 3, 1919, in the Town of Scott, the son of the late Henry and Marie Braun Reysen.

He attended Beechwood Elementary School and was a Kewaskum High School graduate.

A veteran of World War II, he served in the U.S. Army from August 1944 to July 1946 in the European Theater. He was awarded the Victory Medal, the European African Middle Eastern Theater Ribbon, the Bronze Star Medal, two Bronze Battle Stars and the Purple Heart.

On Dec. 29, 1945, he was married to Laura H. Luedtke at St. Paul's Lutheran Church in Cascade. The couple lived and farmed in the Town of Scott and he was employed at the Gehl Co., West Bend. He was a member of the Hexelbank Club at the Gehl Co., (quarter century club).

He was a member of the Immanuel Lutheran Church in

the Town of Scott and served as a Trustee in the church.

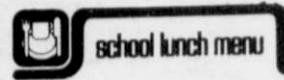

Survivors include his wife; two sons, Richard L. of Town of Scott and John D. of Route 1, Belgium; one daughter Candice Reysen of Town of Lima; four grandchildren; four brothers, his twin brother, Orville of Town of Scott, twin brothers, Ray of Adell and Roy of Town of Scott and Lloyd Reysen of Beechwood; one sister, Mrs. Harold (Edna) Schuldt of Milwaukee.

Funeral services were held on Thursday at 1:30 p.m. at the Immanuel Lutheran Church in the Town of Scott. The Rev. William Robinson officiated and burial was in the church cemetery.

Visitation was at the Wittkopp Funeral Home in Plymouth from 3:00 p.m. Wednesday until 11:00 a.m. Thursday and at the church from noon until the time of service. Graveside military rites were conducted by the Triangle B American Legion Post 193.

A memorial has been established in the name of Mr.

Reysen for the Immanuel Lutheran Church.

**Your HEALTH TIP**

from Tom Leitzke, R.P.H.

### CHOLESTEROL

Atherosclerosis is the clogging of blood vessels by cholesterol [plaque], which cause strokes and heart disease. A world-wide group of physicians meeting at the American Health Foundation unanimously agreed that cholesterol levels of 220 and above were reason to intervene with corrective diet or drug therapy. They agreed that for adults, a blood cholesterol range of 160 to 180 was optimal for avoiding atherosclerosis - 120 to 140 for youngsters.

## Booster Week Declared by Village Board!

Kewaskum Statesman, Friday, March 18, 1983, Page 9

Dick Schlice, left, president of the Indian Booster Club, selling tickets for the Booster Basketball Classic, to be held Saturday, March 26, to Gerald Stollenwerk, center, village president, and Dan Schmidt, village administrator.

The week of March 20 - 26 has been declared Booster Week by Village President Gerald Stollenwerk and Administrator Dan Schmidt. During that week all residents of the Kewaskum School District will have their chance to help boost their kids by donating to the Booster Fund to promote extra-curricular activities in our schools. Members of the Kewaskum Indian Booster Club will be asking for your donations by selling tickets to a very exciting event on Saturday, March 26.

Starting at 6:00 p.m., the five area fire departments—Beechwood, Boltonville, Fillmore, Kewaskum, and Kohlsville—plus the Jaycees, will be playing each other for trophies in the Booster Basketball Classic. Although they will be shooting with a ball instead of a hose, this promises to be a fine

exhibition of athletic prowess. Come and cheer for your favorite team!

Plus a super bonus—between games we will be entertained by the Indian Princess Twirlers and the Rope Skippers Supreme. You are all familiar with the Indian Princesses and the fine precision of their batons. But if you haven't seen our grade schoolers jump rope 40 times in the space of ten seconds, you are in for a real treat.

Add to all the above treats, the added incentive of door prizes of all shapes and sizes, courtesy of many of our local merchants and manufacturers, and you have an evening to mark on your calendar with, "DO NOT MISS!" Get your tickets now from any Booster Club member or firemen at \$1 per donation and be one of the many lucky winners. See you

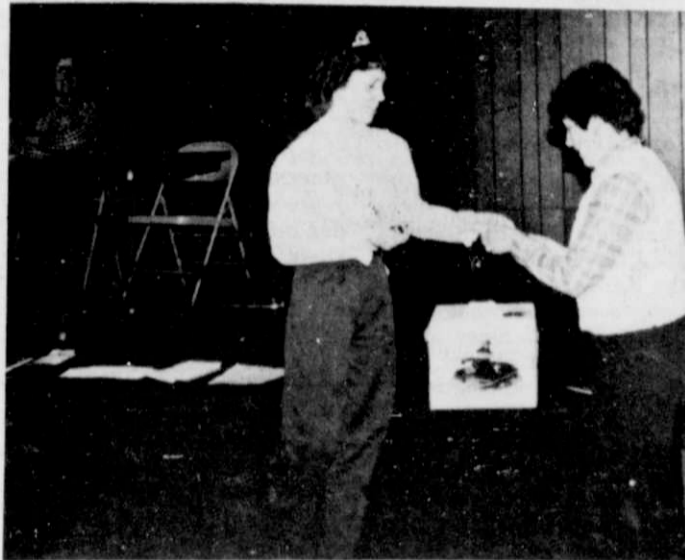

Saturday, March 26, at the Kewaskum High School Gym! Don't be late!

### BASKETBALL COMMITTEE MEETING

A special meeting of the Booster Club basketball committee will be held on Tuesday evening, March 22, at 7:00 o'clock at the High School.

## AND THE WINNER IS....

Kewaskum Sno-Chiefs Queen Wendi Wilson drawing the winning ticket at the recent Sno Chiefs Sno-Ball Dance and handing the ticket to Clare Lehmann, dance chairperson.

## Kewaskum Sno Chiefs SNO-BALL PRIZE WINNERS

SECOND PRIZE - \$100 — Kerry's Korner, Boltonville

3. \$10 Gift Certificate, Kewaskum Frozen Foods — Ruth Bengler
4. Polaris T-shirt, Sports Sales & Service — Joe Fuller
5. Bottle of Booze, Wes & Rosie's — Tony Dragan
6. Jar of Pickles, Sentry Foods — Kevin Fay
7. \$5 Gift Certificate, H. Laubenstein & Son — Pam Mehringer
8. \$5 Gift Certificate, Kewaskum Frozen Foods — Nancy Funk
9. Bottle of Guckenheimer, Barney's Bar — Steve Yais
10. 12" Homemade Pizza, Behring's Market — Melody Wilson
11. \$5 Merchandise Certificate, Goeden's Auto Body — Alvin Wiesner
12. Polaris T-shirt, Sports Sales & Service — David Herman
13. \$5 Gift Certificate, Kennelly Pharmacy — Chet Schmidt
14. \$5 Gift Certificate, H. Laubenstein & Son — Joan Watry
15. Jar of Pickles, Sentry Foods — Judy Gaffke
16. Jar of Pickles, Sentry Foods — Pearl Grah!
17. Pair of Snowmobile Mitts, Tom's Small Engines — Paul Heteburg.

The Kewaskum Sno Chiefs wish to thank all the people who made the Sno-Ball Dance a success.

## Proclamation

WHEREAS, The Kewaskum Indian Booster Club is an organization devoted to the promotion of extra curricular activities within the school system; and

WHEREAS, The Booster Club is relatively new, it has accomplished much for the extra curricular activities of sports, music and forensics; and

WHEREAS, The list of accomplishments include "the band instrument van," "the weight lifting room ventilating system," "the help with the High School trophy case," and "the \$300.00 yearly scholarship; and

WHEREAS, The funds for these projects raised thru the sale of Christmas wreaths and other public functions; and

WHEREAS, The importance of extra curricular activities in education is recognized as being necessary for full development of all children and youth; and

NOW THEREFORE, It is proclaimed that the week of March 20th, 1983 and the day of March 26th, 1983, be observed as Kewaskum Indian Booster Club Week and Day respectively; and

BE IT FURTHER PROCLAIMED, All citizens are urged to become interested in and give full support to this organization and its' efforts for the children and youth of our School District.

By order of the Kewaskum Village Board,  
Kewaskum, Wisconsin, this 7th day of  
March, 1983.

signed,  
Gerald F. Stollenwerk, Village President

Attest:  
Daniel S. Schmidt, Village Administrator

Introduced by Trustee Paul Blumer

Motion for adoption by Trustee Jeffrey Rohrer

Motion for adoption seconded by Trustee David Nigh

Roll call vote 7 "Aye" 0 "Nay" 0 "Absent."

The Aztec and Mayan Indians played a game somewhat like basketball. The players tried to bounce a hard rubber ball through a ring with their head, arms or legs. Scoring was so difficult that the game ended when either team scored.

Now is the time to erect  
a memorial for your family...

## letters to the editor ...

Dr. Charles Ogi  
Route 2  
Kewaskum, WI 53040

Dear Dr. Ogi:

There is a probability that the controversy involving a statement made by the High School Student Government in a letter in the Kewaskum Statesman is subject to error in what really was said. The reference to Dr. Ogi should not have been included, and I apologize for this.

This statement will be printed in this week's Kewaskum Statesman.

Sincerely,

John A. Long  
District Administrator

.....

To the Editor:

It has come to my attention that some people are against my becoming a school board member. Why? I don't know. They have not come to me and asked my opinion on anything. So how can they make this judgment?

My strongest concern is for our children and that they receive the best education possible. I certainly don't believe an eight period day would give this to them. If it's not possible to run labs back to back, the students lose out on much needed class time only to gain more out of class work, and how many of these students that need extra help are going to go back in after class to receive that extra help?

My second concern is and has been this petty bickering constantly between school board members. What is this teaching our children? How does this look for our community? We are to work as a team for the betterment of our children's education and our district, not ourselves. Granted we will not always agree. At least I hope not, but we all have minds to think with and to come to decisions with.

I've seen, heard and understood some of the mistrust in the school board, I think it's time for a change. It's our children we're educating and our responsibility to them to do the best job possible.

I've lived in the community for 15 yrs. I graduated from KHS. I've volunteered my time at Beechwood to set up a much needed library. I want the best education possible for my children and for yours.

Please call me if you have any questions, don't assume anything.

Colleen Narbatovics  
.....

March 14, 1983

To the Voters of the  
Kewaskum School District,

I would like to announce my candidacy as a write-in candidate for one of the positions open on the Kewaskum School Board.

My family and I have been residents of Farmington for 18 1/2 years. I am the mother of six children, Monica, who has already graduated; Brad, a junior; Chris, a sophomore; Dawn, 8th grade; Tyler, kindergarten; and Joshua, 3. They are a few of the reasons for my

decision to run as a board member.

I am a member of the Farmington P.T.O., 1 year as vice-president; a member of St. Mary's Christian Mothers, 2 years as president. I had been a den mother in club scouts for 4 years, helped with girl scouts and was a helper with the CCD junior Confirmation class in Fredonia. My husband and I have been foster parents and were host parents for the A.F.S. student from the Netherlands in 1979-80. I am a certified Nurses Aide and plan to go on to school to get my Associate Degree in Nursing.

I am interested in providing an education for all students on all ability levels. A child in special education is just as entitled to a chance to learn as a child who plans on continuing his/her education after high school. Our schools should not just be geared toward the college bound student.

Quoting an article in the February 1982 Newsletter by ex-Superintendent Brenholt, "Opportunities Unlimited" from the Wisconsin Association of School Boards - "School Boards establish policy. The Administrators executes policy. One of the Administrator's jobs in this area is to recommend policies for adoption by the board." I think it is time we let our administrator do his job! Having met Mr. Long a few times, I have gotten the impression that he is an intelligent man who is interested in the education of our children. Getting computers for the school is one case alone. Seeing this is the age of computerization, it is only right to give all interested students a chance to become familiar with them. I don't think computers are a passing fad, they are here to stay! So after spending over \$5,000 to find a new Administrator, let's give him a chance to see what he can do.

Another item of interest to me is the sad state of disrepair our schools are in. Right now there are 2 schools that need new roofs and many other major repairs. There are places in the walls of the principal and assistant principal offices that are taped up to keep out the cold. Some classes are in need of equipment that isn't out-dated or needs constant fixing, such as shop classes.

I have been made aware of the fact that some students have to share textbooks. Sometimes it is just not possible to get homework done when someone

else has the book. As long as we have millions of dollars invested in buildings, it is our responsibility to see that they are kept up. I'm sure if our own homes needed the important repairs that our schools do now, we would get it done.

Perhaps if the board would quit wasting money on lawsuits, we could provide the necessary repairs and equipment that is so badly needed.

If elected to the school board, I would do my best to be a voice for the people and the students in our district. I need your support April 5th.

Remember to vote on April 5th. Only you, the voters, can make the changes that are needed.

Sincerely,

Laneille Dieringer

.....

Letter to the Editor and to the parents of the students in the Kewaskum Schools:

There are many things that one must look into before casting a vote on Tues., Apr. 5th, and my first priority is to my children and their education. That is why I am endorsing Laneille (Lynn) Dieringer, as a write-in candidate for our school board. Mrs. Dieringer is a mother of 6, concerned with the education of not only her children but yours. She will take an independent look at some of the issues and take an interest on the part of the students, who are your children and grandchildren.

Please vote by writing her name...Laneille Dieringer, and marking the box with an X.

Thank you,  
mother of 5.

Jeanne Goeden

.....

Letter to the Editor and Parents of the students of the Kewaskum Schools,

I'm sure you have heard of the old sayings...time for a change...or...now you have a choice. Well, now is the time...and you have a choice! It's Neil Weare of "Heberersville!"

How did this man become involved? Because, he listened to his son, when the young man came home from school and was very upset about the thought of an eight period day. Mr. Weare is a father who cares and is taking the time and interest to be a candidate for the Kewaskum School Board, and I will be writing his name in ...Neil Weare, and marking an X in the box.

Vote for this father, Neil Weare.

Thank you

A mother, Jeanne Goeden

## From the School Board President's Desk ....

I've been reading in newspapers and hearing on television about all the changes that are taking place in educational requirements. What exactly are these proposed changes? Are these changes recommended only for the college-bound student?

I, too, have been hearing and reading about recommended changes in curriculum and requirements. School board association journals have had several articles in them recently. The recommendations call for an upgrading and tightening of requirements to be met in order for one to be considered an adequately educated high school graduate.

These recommendations are definitely not limited to those students who intend to go on to college. Colleges, technical schools, and employers are all insisting that the high school graduate has some serious deficiencies and needs to be better prepared to enter our technological society. Universities are becoming more serious, having lost their enthusiasm for every warm body. Technical schools have long waiting lists for certain fields and give priority to those who are better prepared. Employers not only have the right to be selective, but they are exercising this right more now than ever. Job preparation skills need improvement is the common cry from all three groups involved with the high school graduate.

Several areas have been targeted by these groups. First of all, language arts skills need improvement. This is more than just reading, although certainly reading is part of it. It includes writing using acceptable grammar and spelling. The ability to follow oral instructions—or listening—is necessary. Graduates need to have developed the ability to draw logical conclusions from written and oral statements. Effective, efficient communication is needed, and this would require four years of English.

A second area that needs attention from school systems is the need for computer literacy. There is no career that is untouched by the computer. All of us, like it or not, are involved with computers. Related to this is the need for personal typing skills. This, again, is not limited to the college-bound student. Employers want graduates who know how to type because of computer usage. It is much easier to teach a new employee how to use the company computer and programs if the employee already is able to type.

Next week I will discuss the proposed requirements in other areas (math, natural science, social science)—barring the presence of something more pressing. I especially want everyone to understand that these proposed changes are national in scope, and are the result not just of some colleges wanting better prepared students, but the real concern expressed by business, by employers, by unions of the need for better educated workers. The employers are pointing out some serious deficiencies in our educational process, and as a nation we must address them. No, I'm not running for national office, but when local and national employers complain about the result of our educational system, I feel we have an obligation to examine and rectify those problems that are brought to our attention.

Dr. Charles J. Ogi

## Lions Club Paper Drive

**SATURDAY, MARCH 19**

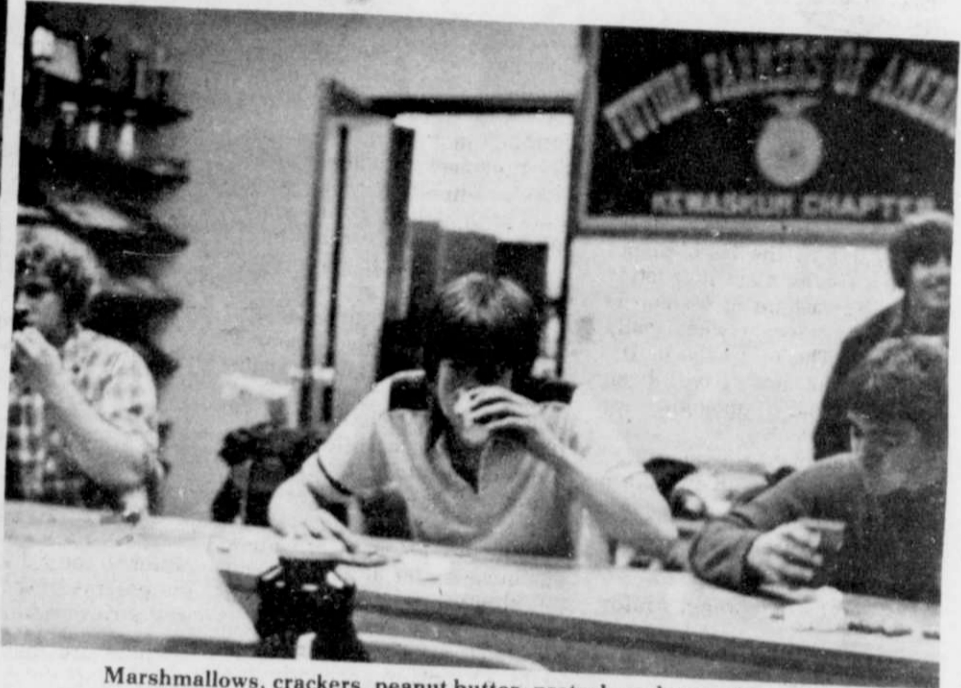

All paper or cardboard must be on the curb by 9:00 a.m. tied in bundles, packed in boxes or bags. No waxed paper or boxes, please. This drive is conducted every third Saturday of the month.

Money used for local projects.

# FFA WEEK A SUCCESS

First Place Ag. Olympics  
[left to right] - Mike Zuehlke, Dean Kohn, Mike Gindt

Marshmallows, crackers, peanut butter, pretzels and prune juice provided a nutritious eating contest and an upset stomach.

Tug of War - FFA teams struggle while others look on.

Bale throw - Mike Zuehlke makes it look easy as Mr. Rizzardi officiates.

The 1983 National FFA Week, Feb. 18-25, went well for the Kewaskum Chapter. The week consisted of many contests and other activities.

The events were as follows: Monday - FFA Jacket Day, start of Ugly Teacher Contest which ran through Friday. Winners were Mrs. B. Klitzike, first place, and Mr. Rhode, second place.

Tuesday-Teachers Tea and Agriculture Photo Contest. After school, all high school teachers, secretaries, custodians, and cooks were invited. Assorted cold cuts and other refreshments were served after the teachers judged the students' photographs and took a crops identification test. Winners for the photo contest were: John Nowack and Mike Arndt. For the crops I.D. test: Mr. E. Sleger, Mrs. Bade, Mr. VanAshe, Mrs. Weiland, and Mrs. Kornaus, all had perfect scores.

Wednesday-Ag. Olympics. Mike Gindt, Dean Kohn and Mike Zuehlke placed first out of six teams in such activities as a bale throw, equipment pull, tug-of-war and eating contest.

Thursday-Seed Guess con-

test. Mike Gindt guessed nearest to the correct number of oat seeds in a jar.

Friday-Chocolate milk was given out during lunch hours and doughnuts during agriculture classes.

Saturday-participants went to the Hartford/Slinger dairy judging contest. Mike Gindt and Tim Westerman tied for eighth place individually. The teams of Mike Gindt, Tony Matenaer, Dan Jung and Mike Felten placed eighth and Tim Westerman, John Nowack, John Schmitt and Joe Schmitt placed ninth.

## Overweight Truck Permits Suspended During Spring Thaw

The state Department of Transportation has issued an order temporarily suspending the overweight provisions of annual trucking permits as of sunrise March 6.

The declaration is made annually to keep heavy loads off highways during the period when the frost is leaving the ground, and surfaces are most

susceptible to damage.

During the weeks when road beds are unstable, the department will issue single-trip permits for loads which exceed statutory weight limits if the highways the load will travel are capable of supporting the load. Annual permit holders have been notified of the restriction.

The restriction will be lifted as soon as it is determined that the normal bearing power has been restored.

MADISON — Governor Anthony S. Earl is shown signing a proclamation declaring Monday, March 21, 1983 as Wisconsin Agriculture Day. During the ceremony Governor Earl commended Wisconsin farmers and noted that Wisconsin's agriculture and agri-business community directly employs or supports over twenty-five percent of Wisconsin's work force. Shown with Governor Earl from left to right: Mary Crowley (president, Badger Chapter of National Agri-Marketing Association); LaVerne Ausman (Secretary of the Department of Agriculture Trade and Consumer Protection); Governor Earl; Leo Walsh (Dean, College of Agricultural and Life Sciences UW/Madison); and Eunice Guell (President, Wisconsin Women in Agriculture).

Of American  
Agriculture**

Why is Ag Day such an important day? It's a nationwide occasion saluting an enterprise that's vital to our country's survival. Our farmers and stockmen are the world's greatest providers of food and fiber...creating jobs and giving our economy a real boost! We're proud to acknowledge America's 'number one' industry!

**AGRICULTURE  
America's Heartbeat**

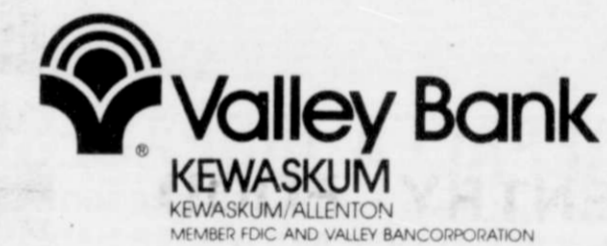

© 1982, ACA Education Foundation, Inc.

It takes more than wheat to make bread, more than a hog to make bacon and more than a cotton boll to make denim jeans. In fact, the system that brings us our food, fiber, flowers and other agricultural products embraces more than one in every five jobs in America—from producers' suppliers to retail clerks. That's one reason why we say, "The food chain is a human chain."

(1) 0-100 (best) - Avg height 3 to 6 inches depending on PRR damage. Setkirk silt loam, sloping down from Rep 3 to 1. Replication 1 had poorest drainage, Rep 3 had good to excellent drainage. Rep 4 was virtually unaffected. No visible damage on August 15, 1981, before August rains started.  
(2) Granada and California Common are unadapted, non-dormant varieties.

### THERE IS ONLY ONE TOP YIELDING ALFALFA, MAGNUM!

Here is why it is winning midwest alfalfa tests:

Besides yield, MAGNUM has excellent disease resistance and superior winter hardiness! Tests show MAGNUM has resistance to phytophthora, anthracnose, and bacterial wilt in addition to having winter hardiness. This is why MAGNUM has been soundly beating the competition in state trials.

VERTI-CHECK™ treated to reduce the spread of verticillium wilt.

If you haven't already ordered MAGNUM, break a costly habit - order the best, MAGNUM alfalfa.

## Future Farmers to Sponsor Rabies Clinic

Kewaskum Statesman, Friday, March 18, 1983, Page 15

Doctor Ogi, right, administers a vaccination while a local community member holds down the "patient" during last year's rabies clinic.

On Thursday, April 7, the Kewaskum Chapter of the Future Farmers of America will be holding the annual rabies clinic. The clinic will run from

7-9 p.m. in the Kewaskum High School agriculture shop.

Doctor Charles Ogi will again be administering the vaccinations at a reduced cost of \$5.00

for each cat or dog brought in. All proceeds from the clinic go to the scholarship fund.

## 25 Years Ago

March 14, 1958

The following students of Kewaskum High School received "A" ratings in the league forensic contest held at Rosendale on March 11 and will participate in the district forensic contest to be held at Wisconsin State College at Oshkosh on March 29: Aldwin Seefeldt, Shirley Strehmel, Sandra Gruhle and Robert Kroncke.

On March 11, the Girl Scouts and Brownies had their annual award's night dinner in the Peace Church parlor. Brownie wings were presented to Kathleen Simon, Mary Kroncke, Deane Schmidt, Karen Groh, Patty Mitchell, Dorothy Buczek, Donna Merkt, Jeanne Reindl, and Linda Gnacinski. Patty Mitchell, Dorothy Buczek, Donna Merkt and Pauline Battaglia were presented their Girl Scout pins.

Mr. and Mrs. Jerome L. Kibbel, Route 1, Campbell-sport, announce the engagement of Kathleen Tulowitzki to Charles L. Wilke, son of Mr. and Mrs. Henry Wilke, Kewaskum.

Degrees were granted to 1,204 students of the University of Michigan, Ann Arbor, who successfully completed requirements at the semester. Raymond C. Kluever, Kewaskum, master of science, was included among the graduates.

Pfc. Donald C. Laatsch, 23, son of Mr. and Mrs. Lawrence Laatsch, Route 1, Kewaskum, recently participated in a

Seventh Army maneuver which involved more than 100,000 troops in Germany. Laatsch is a heavy equipment operator in the 29th Engineer Battalion's Headquarters and Service Company.

Army Pvt. Ronald E. Klumb, 22, son of Mr. and Mrs. John A. Klumb, Route 1, Kewaskum, recently participated in a field training exercise with the 6th Infantry Regiment in Berlin, Germany. Klumb is an automatic rifleman in the regiment's Company C.

Pfc. Richard L. Romaine, son of Mr. Elwyn M. Romaine, Kewaskum, is scheduled to depart from Fort Benning, Georgia, this month for Europe. Romaine is a radio and teletype operator in Company A.

Schladweiler home. They immediately notified Sheriff Jos. Kirsch at West Bend. Mrs. Schladweiler, frantic over the missing child, early Sunday morning cleared up the mystery when she appeared at the sheriff's home and claimed the child.

The following boys will be awarded official basketball "K's" at Kewaskum High School for their achievements on the basketball court: Harold Marx, Otto Stenschke, Harold Claus, Joseph Miller, Harold Smith, Fred Klein, Egiduis Schoofs and Albert Hron. Other boys on the squad include: Otto Weddig, Kilian Honeck, Herbert Hopkins, Delbert Backus, Earl Bartelt, Sylvester Muckerheide, Robert Rosenheimer, Marlin Kocher and Sylvester Volm.

Frank Heppel of Kewaskum was elected President of the WA-Fond-Do baseball league at a meeting recently held at Lomira.

Mr. and Mrs. Ervin Krahn of Beechwood are the proud parents of a baby boy born to them on Tuesday. A bright baby boy was born to Mr. and Mrs. Frederick Schroeder of the Town of Trenton on Tuesday, March 14. Mrs. Schroeder is remembered here as Miss Magdaline Weddig, daughter of Mr. and Mrs. John Weddig.

## 50 Years Ago

March 17, 1933

Vernon, the two-year-old son of Mr. and Mrs. Alex Peters, Town of Trenton, who was staying with his grandmother, Mrs. Mary Schladweiler, Town of Farmington, sometime between 10 p.m. and midnight last Saturday night, slipped out of the house, thinly clad, and wandered on the highway. Fortunately the baby was noticed by Arthur Peters and Miss Cora Degnitz, near the Orchard Grove Cheese Factory, about one mile west of the

## 75 Years Ago 4-H NEWS

March 14, 1908

By Bob Stodola  
County 4-H & Youth Agent

While cutting wood on Maritz Eisentraut's premises in the Town of Farmington Tuesday morning, the circular saw burst and fragments of it flew in all directions. One part struck Charles Eisentraut, and severed two fingers of the left hand and badly cut the third. Another fragment of the saw struck one of the horses and injured the animal so badly that it had to be killed.

The residents on Main Street in the neighborhood of Joseph Eberle's place experienced quite a flood last week Friday and Saturday. The lot belonging to Henry McLaughlin was covered with water about 18 inches deep, while Joseph Eberle had about a foot of water in his barrom on Friday.

A band of gypsies struck town last Monday, making a house to house canvass telling fortunes and begging.

Some of the ladies of the village were entertained one day last week at a feather slicing.

Robins made their appearance here on Thursday, a sure sign of spring.

The marriage of Miss Lydia Meyer to Louis Muehlius was solemnized at the home of the bride's parents in Kohlsville. Parents of the bride are Mr. and Mrs. Jacob Meyer. Parents of the groom are Mr. and Mrs. Fred Muehlius of Wayne.

Mathias Thull, a pioneer resident of the Town of Farmington, died at the home of John Rodenkirch at St. Michaels at the age of 83 years.

A pair of twins, a boy and a girl, were born to Mr. and Mrs. Dave Coulter of Wayne last week Thursday.

Henry Vetter of Beechwood died last Friday, March 6, at the age of 79 years. The deceased leaves three daughters and two sons, namely: Mrs. Emil Spradow of Dundee, Mrs. William Seifred, Mrs. William Deckenleiber, Henry and Frank Vetter of Beechwood.

A baby boy was born to Mr. and Mrs. William Biezer Jr. of Wayne last week Friday.

### NATURE SPACE- AN EXCITING OUTDOOR 4-H PROJECT

Nature Space is coming. It's an exciting outdoor project for 4-H members and families. There are many outdoor activities to choose from. These include going fishing, learning about insects, going on bird hikes, doing things in the woods, enjoying the wild flowers and much more.

The term Nature Space comes from the idea that some space is needed in which to enjoy the outdoors. This could be a small spot in the back yard, a large woods or a lake. The main thing is that the youth and the adult would have some place to go to do these outdoor activities.

It is not necessary for an adult to be an expert in the area of nature or environment to help youth. 4-H provides the information on what to do and how to do it. There are leader and member materials and other resources.

A Nature Space Workshop for adult leaders and youth leaders is being planned for Saturday, April 30, at Wehr Nature Center in Milwaukee. It will be an opportunity to do some of the activities and look at the resource materials. Any adults or older youth who would like to attend the workshop should call the 4-H office at West Bend, phone 338-4478.

In the Nature Space project, youth and adults would select those activities which are of greatest interest to them. For example, some might select the fishing activity. This would include many things, such as getting the fish pole ready, using the rod and reel, going on a fishing trip, learning about storing fish for the trip home, safety around the water and many such things. The forestry activities could include hikes in the woods to study how trees grow, the different kinds of leaves, making maple syrup, making a tree diary and many other activities.

The Nature Space project is an opportunity for adults and youth to do things together. It can be an enjoyable activity for a dad and his son. It can be a real learning experience.

## Conservation Award Winners Honored

Mr. and Mrs. Richard Klein with award. Mr. and Mrs. Harold Krueger were not present for the picture.

The West Bend Kiwanis Club recently honored two local conservation award winners during a noon luncheon at the Washington House, West Bend. Mr. and Mrs. Richard Klein from West Bend and Mr. and Mrs. Harold Krueger from Kewaskum were selected as award winners from their efforts in conserving and developing their soil, woodland and wildlife resources. Slides of each winners accomplishments were shown after the meal.

Mr. and Mrs. Klein own approximately 100 acres of land in West Bend Township near Big Cedar Lake. Since a conservation plan was developed for the land in 1971, the Kleins have performed numerous conservation activities.

Several thousand pines and spruce were planted in hedgerows totalling 3,000 feet in length. Multiple hundreds of older trees have been planted in clumps for wildlife and on hilly cropland areas. Woodland timberstand improvement cutting has been conducted on

23 acres of forest land since 1975. A shallow wildlife pond was developed as a water source for wildlife. A wildlife food patch was planted next to the pond to provide food during the winter. Numerous trails have been laid out for Klein's to use and the local wildlife to benefit by. Soil conservation practices such as contour farming and conservation tillage are performed on cropland to prevent soil erosion.

Mr. and Mrs. Krueger own and operate over 130 acres of land between Washington and Fond du Lac counties. Their farm is located just north of Kewaskum, and has been under a conservation plan since the late 1950's.

The Kruegers' conservation efforts have also been many, including the digging of 4 ponds for wildlife. Trees have been planted and preserved around pond sites to benefit local wildlife and birds. Wildlife habitat along fencelines was enhanced by the planting of multiflora rose for cover. Food

has been provided to wildlife through the planting of apple trees, and by setting out sweet corn each Fall and Winter. Soil conservation practices hold a high priority with the Kruegers too. Mr. Krueger has laid out over 27 acres of cropland into a contour stripcropping system, and follows a conservation cropping system on all cropland.

The Kleins and Kruegers have been working closely with the Washington County Land Conservation Committee and Soil Conservation Service over the years and are to be congratulated for their fine efforts in conserving the natural resources on their land.

## Unique Woman Of God Retreat In West Bend

Mrs. Mary Steinke

The Unique Woman of God ninth annual retreat will be held Saturday, April 16, 1983, at Silverbrook Middle School, 15th Avenue, just north of Hwy. 33, in West Bend, from 8:00 a.m. - 3:15 p.m.

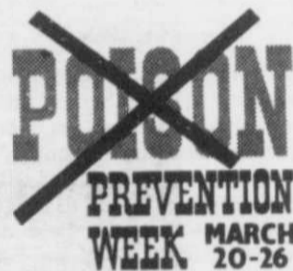

Highlight speaker will be Mrs. Mary Steinke of Wales, WI. Steinke's theme for the day will be "Insurance Committee." She will speak in the morning and afternoon sessions. Seminars will also be offered twice during the day, with special sessions for teens.

Steinke's credits include

being a wife, mother of 5 children, ages 17 to 22, a grandmother and an AFS mother and a Foster mother. She leads Bible studies, a Leader of Youth Fellowship, Executive committee for Billy Graham Crusade 1979, Speaker, Humorist, Retreats, Seminars, Dinners, Luncheons and was honored as "Woman of Our Lives," and Vice President Sales Director Wauwatosa Realty.

Optional lunch registrations deadline is April 11th. Lunch supplied by Jerry's Restaurant, will feature a chicken casserole, relishes, zucchini bread, jello with fruit, glazed carrots a cream puff and drink for \$2.75. Registration fee is \$5.50. Teens are \$4.50 NOT including lunch. To register in advance, send your name, address, phone number, registration fee and lunch fee if desired, to Nancy Luetschwager, 725 Silverbrook Dr., West Bend, WI 53095.

The retreat at Silverbrook will open at 8 a.m. with registration, coffee and donuts. The program will begin at 8:45 a.m. A book browse offering Christian literature and supplies will open at 8 a.m. and remain open throughout the day. For further information call Paula Gauthier 338-0400 or Carol Hanson after 4 p.m. 338-6249.

Paprika is one of the most concentrated sources of Vitamin C.

## Campus Notes

Chelli Dreher-Taylor of Kewaskum is a member of the University of Wisconsin-White-water Orchestras '83 dance company which will present 8 p.m. concerts March 20, 21, and 22 in Barnett Theatre of the campus Center of The Arts.

The contemporary dances, choreographed and danced by the students under the artistic direction of Professor Mercedes Fernandez, are from five to 10 minutes in length, with styles from lyrical to percussive, moods from melancholy to aggressive, and subject matter from Western haystacks to abstractions.

Chelli is appearing in the

Orchestras concert for the third year. She recently choreographed the musical, "Fiddler on the Roof." A senior in theatre education with dance education and performance minor, she is the daughter of Al and Charleen Barutha, 1510 Brooklane Dr.

♦♦♦♦

Anthony K. Strigenz of Kewaskum was honored during a ceremony held at the University of Wisconsin-Milwaukee Union, Sunday, March 6, at 3 p.m. The ceremony honors a select group of UWM sophomores who have demonstrated their academic achievement by earning an overall grade point average of 3.50 or higher (on a 4.00 scale) and fulfilling certain other requirements.

"We believe that recognition of this accomplishment is consistent with our goal of fostering the highest level of academic achievement," said UWM Chancellor Frank E. Horton. "This program is designed to provide a small measure of recognition on the part of the University."

A reception follows the award ceremony for recipients and their guests. The ceremony marks the first time sophomores have been so honored. The UWM Administration felt that to encourage continued academic excellence, outstanding students should be rewarded earlier in their college careers. Generally, all honors come at the end of a college career which may seem a long

way off to a freshman or sophomore. It is hoped that mid-college career recognition will boost a student's spirits and give them extra incentive to tackle the two remaining years.

Kewaskum, Thursday, March 10.

**SHULKA** — A daughter to James and Janet Shulka, 305 Main St., Allenton, Monday, March 7.

**WEGNER** — A daughter to Paul and Diane Wegner, 301 Meadowbrook, Fredonia, Thursday, March 10.

**McCLUNG** — A daughter to Steven and Joan McClung, Route 1, Allenton, Wednesday, March 2, at Waukesha Memorial Hospital.

"Admonish your friends in private; praise them in public."

### Births

## INDIVIDUAL RETIREMENT ACCOUNT

THERE'S STILL TIME TO BEAT  
THE APRIL 15TH DEADLINE.

**THERE'S STILL TIME.** If you open or add to a West Bend Savings' Individual Retirement Account (IRA) before you file your 1982 tax return, the IRS will allow you to subtract your IRA contributions from last years earnings. But hurry, because after April 15th all contributions go towards your 1983 tax returns.

All wage earners qualify. Whether or not you are currently covered by a pension or profit sharing plan, you qualify for a West Bend Savings' Individual Retirement Account. And we offer some of the best plans available.

Here's Why:

#### FIXED/VARIABLE RATE PLANS

The choice is yours — lock in a fixed rate for 18 months or earn close to the best market rate available with our popular variable rate plan.

#### NO SERVICE FEES

A West Bend Savings' IRA is available to you with no fee or service charge of any type.

#### FLEXIBLE AND CONVENIENT

You determine how much you want to add to your retirement account, up to the legal maximum (see chart). Start with as little as \$20.

#### INSURED SAFETY

Individual Retirement Accounts are insured safe to \$100,000 by the Federal Savings and Loan Insurance Corporation and backed by the full faith and credit of the United States Government.

#### ANNUAL CONTRIBUTIONS

Any individual wage earner or self employed person, up to . . . . .	\$2,000
Part-time worker — 100% of annual earned income up to a maximum of . . . . .	\$2,000
Individual wage earner or self-employed person with a non-working spouse up to . . . . .	\$2,250
Working Couples (\$2,000 each) . . . . .	\$4,000

Get complete details at the West Bend Savings office nearest you.

SENATOR McCALLUM and area Fire Chiefs and fire fighters. The firemen were in Madison on Wednesday, March 9, to express their opposition to Governor Earl's proposal to eliminate fire dues. Senator McCallum met with area Fire Chiefs and fire fighters to discuss the issue.

### Improvements Announced in Corn Insurance

An opportunity to obtain higher yield guarantees, payment for replanting expenses, larger indemnities for total losses and increase protection against quality damage are among the improvements recently announced for the Federal Crop Insurance policy on corn.

According to Julian A. Buss, District Director of the Federal Crop Insurance Corporation, the changes were made following extensive discussions with farmers and producer organizations and become effective for policies covering 1983 crops.

One major change enables policyholders to obtain production guarantees based on 10 years of above average yields even though they may have yield records for as few as three years. Growers who produce corn to feed to their own livestock may be able to qualify with complete records for only one year. Information concerning the program, known as Individual Yield Coverage, is available from your local ASCS office.

Starting in 1983, farmers whose insured crops are damaged or destroyed while there is still time to replant will be paid an indemnity to cover up to the full cost of replanting. In the past, replanting has been the policyholder's own expense.

Another change in the policy for corn has the effect of significantly increasing the amount of the indemnity payment to farmers who suffer the total loss of an insured crop. Previously, indemnities are reduced to reflect the fact that policyholders who experienced

a total loss had no harvesting expense. Still another improvement is the addition of a provision that permits kernel damage to be taken into account in determining the amount of loss covered by insurance.

Federal Crop Insurance policies provide protection against all unavoidable causes of loss and are sold and serviced by private insurance agents who have met the requirements for FCIC Certification. According to Buss, the Federal Government pays up to 30 percent of the premium cost, with the exact amount of the subsidy dependent on the level of coverage the policyholders select. The ASCS office has a list of Certified agents.

### Safe Boating Requires Planning

An early season word of caution for canoeists and other boaters who take to the state's lakes and rivers as the ice breaks up from Dale Morey, Boating Law Administrator in the Department of Natural Resources.

"Water temperatures at this time of the year are cold and anyone planning on doing any boating should dress warmly

including the wearing of boots and mittens," Morey noted.

He also reminded boaters about the requirements to have personal flotation devices on all boats used on Wisconsin waters, and urged that those who are determined to use boats at this time of the year exercise this extra measure of safety. "when afloat, wear your personal flotation device. If your boat should overturn or be swamped, it will increase your chances of surviving."

Boats shorter than 16 feet in length and canoes must be equipped with one personal flotation device (PFD) (of any type) for each passenger. Boats 16 feet and longer must carry one wearable Type I, II, or III PFD in good condition for each passenger plus a throwable Type IV PFD on board. Examples of these PFD's are

illustrated in the Boating Regulations pamphlet available at DNR offices. Wearable PFD's should be the proper size to fit the boat's occupants.

Some other things to keep in mind:

1. Distribute the weight evenly in the boat, and don't overload it.
2. Remember, it is not safe to stand in a small boat.
3. If it is necessary to move about, have only one person move at a time.
4. Stick close to the boat if it should capsize, and resist the temptation to swim to shore.
5. Become familiar with the water you will be on since it may be different in April than it is in August.
6. If your boat requires a registration, be sure the registration is up to date.

Planning and taking necessary precautions are the keys to having a happy and safe boating season in 1983.

## MAKING ENDS MEET

By Joyce Albrecht, Extension Home Economist

### FOOD MARKET NEWS FOR MARCH 1983

Meat supplies...Beef continues in good supply, with wholesale prices down from a year ago. The generally sluggish consumer demand is keeping retail prices in check. Overall beef production in 1983 is expected to be down a small amount, which may tend to push prices up as the year goes on. Pork supplies continue to be lower than a year ago, with prices higher. However, there are some featured items to keep products moving and to perk up demand. Toward the end of the month, look for the traditional Easter ham specials. Lamb is now available in most areas. Spring lamb peak supply season is rather short, and although lamb is available year round, many smaller stores carry it only during the peak season. Broiler-fryers supplies continue high, with prices moving a little higher in mid-February. However, total number of broilers being raised continues to increase, so longer-term prospects point to continued reasonable prices. Eggs continue to be a very good buy, particularly mediums.

Fish and Seafood...The market for most species of frozen fin-fish continues firm, but Lenten promotions are likely. The actual costs for edible portion of fish is significantly lower on unbreaded fish, because breading or batter on fish portions often accounts for the major proportion of the weight of the product as purchased.

Canned Salmon...Lenten promotional allowances are being offered by West coast packers so we should see featured specials in retail stores. Keta, or chum salmon is the least expensive form, currently on special in many stores, and though less attractive than pink or red salmon, it is very acceptable in casseroles, salmon loaf and other similar recipes. Inventories of Light meat and Albacore Tuna remain high despite a cutback in production at continental and off-shore plants. Some packers are trading at prices considerably lower than list.

Canned Vegetables...Fruits and Tomatoes. Inventories of tomatoes are considerably higher than last year, with many California packers offering discounts. There have also been promotional allowances offered to buyers on other tomato products during the past month. Look for these items to be likely retail features. Corn prices have been somewhat lower. Green beans, carrots have little change in prices. Peas are steady to higher, due to the short pack in 1983. Cling peaches are in fairly tight supply, but there may be some features on the 28 oz. sized

cans. Pears are higher priced, although there may be some allowances in the near future. Fruit cocktail prices moved up in mid February, but packers may be offering some promotional allowances soon. Grapefruit sections are lower in price and being promoted by Florida packers. Pineapple prices are generally steady, except for some private label promotions.

Frozen Vegetables...Supplies of most major vegetables are good, with some featured specials. Potatoes, corn and green beans are being promoted. Frozen Fruits...tight supplies on almost all frozen fruits. Frozen orange juice...likely to be specialised.

Fresh Fruits and Vegetables...Rains in growing areas have continued to cause some disruptions in harvesting, as well as more variable quality in some items. Plentiful vegetables include potatoes, sweet potatoes, cabbage, onions, carrots, rutabagas. During March, supplies of radishes, asparagus and spinach will increase. Oranges, apples, bananas, lemons and grapefruit are the best fruit buys right now. Supplies will increase for pineapple, rhubarb and strawberries. Several fruits imported from Chile are in Wisconsin markets now...table grapes, nectarines, peaches, pears and plums. Don't expect bargain prices on these fruits, but quality appears good.

## Off Road Vehicle Use on State Lands Is Not Permitted

The operation of off-road, motorized vehicles is not permitted anywhere on lands managed by the Department of Natural Resources except on trails where their use is authorized by posted notice. This includes all motor driven vehicles which are not registered and licensed to operate on streets and highways. Handicapped individuals may obtain a special permit from the property manager to operate a motorized wheel chair or other means of conveyance on state lands.

DNR managed lands include all state parks and forests, recreation areas, state trails, fish and wildlife lands and other properties.

A trail developed for use by two-wheel and three-wheel motorized vehicles will open at the Bong Recreation Area in Kenosha County on April 1st. Both licensed and unlicensed two and three-wheelers will be authorized to use the trail. However, the trail will be open for this purpose during restricted hours and days, so before travelling to Bong, it is advisable to call ahead and obtain information on when the trail is open for use. The number at the Bong headquarters is (414) 878-4416.

Also, the operation of all motor vehicles in navigable waters of Wisconsin is prohibited by statute, with certain exceptions for agricultural purposes, amphibious vehicles, launching of boats, operation on frozen waters and activities for which a permit has been issued.

SHERIFFS

DEPARTMENT

Clarence A. Schwartz, Sheriff

## New Law Creates Strict Penalty For Not Immunizing Pets

Dog and cat owners received a stern warning from Sheriff Clarence Schwartz in a release today. Under a newly enacted state law, animal owners can face fines up to \$1,000.00 and 60 days in jail for failure to comply with quarantine orders after their dog or cat has bitten someone, is infected with rabies and/or has had contact with another rabid animal.

Sheriff Schwartz went on to say that anytime a dog or cat bites someone, the animal must be kept under strict isolation by the animal's owner or the custodian of an approved isolation facility for at least ten days after the incident occurred. In addition, he went on to say that the dog must be examined by a veterinarian on the first and last day of isolation, and on one intervening day.

The Sheriff also noted that in those cases where the animal is ordered quarantined because of contact with another rabid animal only, and the dog or cat owner cannot show proof of current immunization against rabies, the dog or cat must be confined by the owner or at an approved isolation facility for

180 days. Where proof of immunization is provided, confinement need only be for 160 days.

Sheriff Schwartz went on to further state that current rabies immunization and your pet wearing all three of its required tags can reduce the financial bite a dog bite incident can put on you. Under Wisconsin law, dogs are required to have the current dog license tag, the current immunization tag, and a tag with the owners name and address on the collar at all times.

If all this makes you think of just disposing of your animal, consider this: If your dog or cat dies or is killed after a bite, the animals head must be preserved, transported and tested at the State Lab of Hygiene in Madison with all costs to be bore by the animal's owner.

The Sheriff concluded by saying that now is the time to immunize your pet before a small bite causes a big problem.

## HERPES-COLD SORES-FEVER BLISTERS

By J.D. Connor D.D.S

Recurrent Herpes Simplex infections, better known as cold sores or fever blisters, have their origin in a disease known as Primary Herpetic Gingivostomatitis. It is called primary because it represents the first contact with the virus. Complaints include headache, tiredness, pain, and sore mouth accompanied by irritability, drooling, and loss of appetite. Sores in the mouth are often preceded by swelling under the chin and ears, and an increased temperature. The sores in the mouth start out as blisters that rupture into ulcers. The ulcers then attain a redness around them and are very sore, but healing begins within a week.

Treatment for primary Herpetic Gingivostomatitis is symptomatic:

- 1) Drink plenty of fluids
- 2) Good nutrition (liquid supplements)
- 3) Elixir of Benadryl (from your DDS or MD)
- 4) Antibiotics to prevent secondary infections (from DDS or MD)

The virus then lies dormant until there is a lowering of resistance. It then appears again as the fever blister or cold sore on or near the lip. The sores may appear following fevers, stress, infections, etc. They start as an area of burning and itching, and then the next day or so a blister appears. These blisters then rupture and form scabs. They heal in about 10 days without leaving scars.

There are recent discoveries that may someday soon produce a good treatment for these afflictions, but so far they haven't proven as effective as hoped. Therefore, the key to herpes is prevention. Most people can feel when they are about to get a cold sore; the area feels itchy and there is a slight burning sensation. This is called the prodromal period. This is the time to prevent the sore from ever forming; follow this regimen:

- 1) Peridin-C (from pharmacy). Take 2 tablets at once, then one tablet 3 times a day for 3 days.
- 2) Ice-on the site for 1 1/2 to 2 hours.
- 3) Vira-A ophthalmic ointment 3% (from pharmacy) four times a day.
- 4) A sunscreen with a number 15 SPF (skin protection factor) 1 hour before exposure to sun if you go outside (Chapstick 15 or PreSun 15 for example).

If these last instructions are followed there is an excellent chance you will not get the cold sore, but quick action is essential. Have the medications with you to use the minute you feel the familiar prodromal sensation.

### BIG BUSINESS

A little girl pedaled her bicycle into J & J AUTO SERVICE at 450 E. Main and asked us to fix one of the tires. It was only a couple minute job, and we told her it was 'all fixed.'

"How much is it?" she asked.

Smiling, we said. "Just one kiss."

"All right," said the little girl as she wheeled away. "Grandma said to tell you she would pay you when she comes in later this afternoon."

## Minutes of Village Board Meeting

Regular Meeting  
March 7, 1983  
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in regular session in the Council Room of the Municipal Building, 204 First Street.

President Gerald Stollenwerk presided. All Trustee Members were present.

The minutes of the February 21, 1983 meeting were approved as printed upon a motion by Trustee David Nigh, seconded by trustee Howard Laubenstein. Voice vote was passed unanimously.

The opening of the sealed bids for the Wastewater Treatment Plant Project were as follows:

Cepek Construction, Madison, WI.	\$69,700.00
R.P. Honold, Sheboygan, WI.	\$68,694.00
Krug & McClellan Co., Butler, WI.	\$74,708.00
Joseph Lorenz Construction, Hartland, WI.	\$71,200.00

All of the bids and related documents were turned over to the engineer, Mr. Dean Freeberg with Foth & Van Dyke, for review and a recommendation.

On a motion by Trustee Donald Mlodzik, seconded by Trustee Paul Blumer to suspend the rules to take action on agenda items IX. A. (Discussion on proposed W.W.T. project financing) and IX. C. (Proclamation regarding the Kewaskum Indian Booster Club). Roll call vote was passed unanimously. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent."

Discussion was held regarding the proposed financing of the proposed W.W.T. project. Administrator Schmidt informed the Board that the Village did have funds available in both the Aid for Sewage Plant account and in the Dept. of Sanitation Improvement account. It was also mentioned that 60% of the project does qualify for the Wisconsin Funding.

The Board took action on a Proclamation regarding the Kewaskum Indian Booster Club, of which a copy is attached.

On a motion by Trustee Paul Blumer, seconded by Trustee Richard Schmidt and unanimously carried, the Board authorized the advertising for a summer intern part-time employee for the Department of Wastewater Treatment. Voice vote was passed unanimously.

On a motion by Trustee David

Nigh, seconded by Trustee Donald Mlodzik and unanimously carried, the Board authorized the advertising for a summer part-time employee for the Department of Public Works. Voice vote was passed unanimously.

Administrator Schmidt informed the Board that Bowmar Appraisal Inc. was 78% completed with the revaluation of the Village. The Board was also told of the Police Commission meeting scheduled for Tuesday, March 15, 1983, at 7:30 P.M.

Discussion was held regarding the acceptance of solid waste material at the village's landfill. It was noted that certain costs do occur when material is deposited and seeing the Village is paying \$2.50 per yard so should those using our facility. Superintendent Bilgo and Administrator Schmidt were instructed to be selective as far as accepting certain materials and to establish certain guidelines as far as when to charge and when not to.

On a motion by Trustee Richard Schmidt, seconded by Trustee Howard Laubenstein and unanimously carried, the Board approved the charging of the going yardage disposal fee to those depositing acceptable refuse in the village landfill, when being hauled to the site with a privately owned vehicle. Voice vote was passed unanimously.

On a motion by Trustee Jeffrey Rohrer, seconded by Trustee Paul Blumer and unanimously carried, the Board approved the bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

Village Gen. Fund	\$254,785.55
Water Dept. Fund	1,664.87
Sewage Dept. Fund	6,694.75

On a motion by Trustee David Nigh, seconded by Trustee Paul Blumer and unanimously carried, the Board approved the advertising for summer part-time swim program employees (16 employees), as recommended by the Park and Recreation Committee. Voice vote was passed unanimously.

Review and discussion was held on the County-wide Landfill situation and proposed resolution as adopted by some other municipalities. The Board was of the opinion that they could support such a resolution and instructed the Administrator and Village Attorney to prepare such a resolution to be brought before the Board on March 21, 1983.

Administrator Schmidt presented the Board with the

Financial consultants report regarding the TIF projects. The Board was instructed to review the report and to be prepared to take action on a recommendation to the financial consultant at the meeting of March 21, 1983.

Discussion was held regarding the completion of the storm sewer on Edgewood Drive. The project would involve the installation of approximately 352 feet of culvert and 2 manholes/catch basins, all work to be done by the Public Works Crew. Two quotes regarding the culvert were reviewed and were as follows:

Bark River, Milwaukee, WI.	\$3,707.14
Armco Construction, Milwaukee, WI.	\$3,114.10

On a motion by Trustee David Nigh, seconded by Trustee Donald Mlodzik and unanimously carried, the Board approved the installation of the storm sewer on Edgewood Drive at a cost of approximately \$3,600.00, plus labor. Voice vote was unanimous.

On a motion by Trustee Donald Mlodzik, seconded by Trustee Richard Schmidt and unanimously carried, the Board lifted the winter parking restrictions, to begin immediately. Voice vote was passed unanimously.

Administrator Schmidt read a statement pertaining to the closed session. The previous case filed in Circuit Court, has

been dismissed and a judgement entered against the Scotts for the cost incurred in that lawsuit. The Village's Attorneys will be proceeding with the collection of that judgement.

On a motion by Trustee Richard Schmidt, seconded by Trustee Donald Mlodzik to adjourn to closed session under Chapter 19.85 (1) (g) of the Statutes to discuss litigation by Ralph and Henriette Scott vs. the Village of Kewaskum and

Friday, March 18, 1983, Page 21

Village Board of Kewaskum, Wisconsin. United States District Court for the Eastern District of Wisconsin - Civil Action File No. 83-C-0308. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent." The motion was carried unanimously.

Administrator

## NOTICE

### Town of Kewaskum Residents DOG ORDINANCE ENFORCEMENT

Numerous complaints have been received recently by the Town Chairman regarding dogs running at large. Please be aware of the Washington County Dog and Animal Care Ordinance.

It is unlawful to own, keep or harbor a dog which runs at large. A dog is considered running at large when it is not on the premises of its owner. The owner shall forfeit not less than \$25 nor more than \$100 for the first offense, and not less than \$50 nor more than \$200 for subsequent offenses, plus costs for prosecution when applicable. The ordinance shall be STRICTLY ENFORCED.

Barbara Hinz, Town Clerk  
Town of Kewaskum

## NOTICE

NOTICE is hereby given that applications for the position of JAILER-DISPATCHER for the Washington County Sheriff's Department will be accepted by the Washington County Civil Service Commission.

Application blanks shall be obtained from the Washington County Personnel Office at 432 East Washington Street, West Bend, Wisconsin.

SPECIAL NOTE: WOMEN AND MINORITIES ARE ENCOURAGED TO APPLY.

The position of JAILER-DISPATCHER has a minimum base pay of \$1319.07 per month, and a current maximum base pay of \$1756.73 per month.

Applicants shall be notified by the Commission of the time and place of the examination

APPLICATIONS MUST BE TIME-STAMPED IN THE WASHINGTON COUNTY PERSONNEL OFFICE BY 4:30 p.m. on Friday, March 25, 1983.

The general qualifications for the position of JAILER-DISPATCHER shall be as follows:

- 1) All applicants shall be citizens of the United States and, a Wisconsin resident for one year prior to the date of the examination;
- 2) All applicants shall not be less than 21 years of age;
- 3) All applicants shall have a high school diploma or the equivalent thereof;

## KHS Boys, Girls Open Indoor Track Season

The Kewaskum High School boys' and girls' track teams opened the indoor season with a home meet against Hartford Tuesday at 4 p.m.

Boys' coach Dave Drexler is looking for improvement in this year's team. Few seniors contributed last year and underclassmen were forced to carry the load. As a result the Indians placed last in the Eastern Wisconsin Conference but placed fourth in the Class B Regional.

The squad has only four lettermen returning but 33 candidates reported for practice and there are many promising newcomers. Back are seniors Brian Johnson and Mark Rodenkirch and sophomores Monty Shaw and Mike Steinhart.

Johnson, who runs both the high and low hurdles and possibly the 800 meter relay, has been looking good in practice. Rodenkirch will run the 400 and a leg of the 1600 meter relay. Shaw, who showed steady improvement last year as a freshman, should develop into a fine distance runner. Steinhart is the only high jumper and will double in sprints.

Promising non-lettermen include seniors Jeff Schmidt, Stuart Stautz and the AFS student Peter Nohlmans, juniors John Swanson and Dan Menzel and sophs John Nowak and Paul McFadden.

The team's strongest areas should be the sprints and hurdles while the weakest will be distances. Also disappointing is that just three freshmen came out for the team.

Drexler figures New Holstein and Sheboygan Falls should fight it out for the Eastern Wisconsin championship.

The girls' squad has 10 lettermen back among 47 candidates who reported for the team, giving head coach Jane Vesper a degree of optimism.

Back from last year's team, which also finished last in the conference are seniors Erika Follmann, Linda Larsen, Mary Paul, Carol Schmidt and Karen Volm; juniors Holly Kempf, Sandy Nigh and Wendy Wilson, and sophomores Sandy Klein and Sandy Secor.

Kempf was leading point-getter with 107.25 points, competing in the shot put and discus. She often was a double winner. Larsen, who wound up third in point standings, was the Indians' only qualifier for the state meet, finishing fifth in the 800 meter run and holds the school record in the 400 with a 60.9. She will again run the 400 and a leg of the 1600 meter relay.

The team should be strong in the distance events with Follmann able to run any race from the 800 to the 1600,

Schmidt in the 1600 and 3200, Wilson in the 800 and 1600, and Klein in the 1600 or 3200, which event she set a school record in as a freshman.

Volm and Nigh are expected to be among the top sprinters and long jumpers and one of them may run in the hurdles.

Promising newcomers are junior Julie Koepke in the shot

and discus, senior Annette Jandre and junior Dolly Swenson in sprints and the long jump, and four freshmen—Amy Kougl, Brenda Kober, Darlene Luedtke and Angie Swenson. Luedtke looks promising in sprints.

Coach Vesper looks to Two Rivers and New Holstein to be strong in the conference.

Kewaskum has four indoor meets before opening the outdoor season.

To subscribe to the Kewaskum Statesman, just call 626-2626.

# Linda Larsen Unanimous Will Compete in State Meet All-Conference Choice

**KOEPKE ON SECOND TEAM**

Linda Larsen

senior recorded some very impressive statistics during her four-year career as a letter winner.

During the 12-game conference schedule, Linda scored 202 points for a 20.3 average, best in the conference. She also finished first in rebounding with 162 for a 13.0 average. Larsen was the all-time leading scorer in Kewaskum history. During her career she amassed a total of 1,368 points.

The conference's second and third highest scorers, Linda Hetzel, a junior from Sheboygan Falls, and JoAnn Woelfel, a senior from New Holstein, were also picked for first team honors. Hetzel ended up with 166 points, far behind Larsen, while Woelfel scored 164. Other girls selected on the first team were Sue Kuester of Kiel, Sharon Koehne and Mary Miske, both of Plymouth.

Kewaskum junior Julie Koepke was selected on the second team, finishing seventh in scoring with 138 points for an 11.5 average. She also was credited with 114 rebounds for fourth place in the league.

Coach Ken Soerens was happy with the selection of two of his girls to the first and second teams. He stated that the coaches who picked the teams agreed that Larsen had the most natural talent in the conference.

Soerens was also proud of Koepke, who moved up to the varsity late last season and helped the Indians to a second place finish in the Class B State Tournament.

Voting for the girls' all-conference team in the Eastern Wisconsin took place last Tuesday night.

For the second year in succession, Kewaskum ace Linda Larsen was a unanimous choice for first team honors on the all-conference team. The 6-0

Gina Krueger, Plymouth	5-8	G	4		

# Brian Arndt Selected on All-Conference 2nd Team

The Eastern Wisconsin all-conference boys' team was also selected by the various coaches last Tuesday night.

Kewaskum's junior center, 6-4 Brian Arndt, was named to the all-conference second team. Brian was eighth in scoring with 170 points for a 14.1 average and was third in rebounding with 93. He is one of a number of juniors on the team who will be back next year, including several starters.

Arndt is not a spectacular player but is steady and gets the job done. He worked very hard and had a fine season.

The Indians tied for last place in the conference with Chilton, both with 2-10 records. Kewaskum was 2-17 overall, including the regional tournament loss to West Bend West.

Two Rivers, Eastern Wisconsin champions, had one player, Jeff Peterson, selected on the first team and two on the second. Peterson was also

named the Player of the Year. He received the same honor in football. The 6-2 guard led the conference in scoring with 225 points for an 18.7 average.

Mark Duerwachter of Kiel and Dave Nennig of Chilton also moved up to the first team after being mentioned on the second team last year. Two underclassmen, junior Dan Wilbersheid of New Holstein and freshman Todd Eisner of Chilton round out the first unit.

Wilbersheid, at 6-7, is an intimidating force on defense and a strong rebounder with a total of 123 boards, tops in the league. Eisner, son of the Chilton coach, finished second in scoring with 215 points for a 17.9 average and was third in rebounding with 93.

Despite their last place tie, Chilton had two players selected on the first all-conference team. This is a rare occurrence, as is the fact that one of them is only a freshman.

# KHS Chess Team Beats St. John's Military Academy, Ties for 1st Place

The Kewaskum High School chess team defeated St. John's Military Academy Tuesday night by a score of 43-12. The win boosted Kewaskum into a tie for first place in the SCCA with a 6-1-1 record.

Kewaskum dominated the entire match with 9 wins, 1 loss, and a draw. Advisor Roy Petersen singled out Tom Crandell and Ed Ham as having strong games against good opponents. Scoring was board 1, Romie Holl lost; board 2, Gregg Classey won; board 3, Ed Ham won; board 4, Tom Crandell won; board 5, Jeff Igel won; board 6, John Martin won; board 7, Glenn Classey won; board 8, Frank Voge won; board 9, Todd Jaromin won; board 10, Randy Igel won.

Kewaskum learned on Tuesday that the league ruled that Kewaskum had committed a kibitz in its Germantown match and would have to forfeit board 9. This made the score Kewaskum 27½, Germantown 27½.

**Final SCCA**

Team	W	L	D
Kewaskum	6	1	1
Germantown	6	1	1
Hartford	4	4	
St. John's	2	5	1
Kettle Moraine	0	7	1

On Thursday, the SCCA had their conference tournament. Kewaskum's varsity team of Romie Holl, Gregg Classey, Ed Ham, Tom Crandell and Jeff Igel finished in a second place tie.

Each player played three games in a Swiss pairing with one point for a win and ½ point for a draw. Advisor Roy Petersen was very pleased, noting that three of the varsity players

are juniors while the other two are sophomores.

## VARSITY TOURNAMENT

Germantown	11 pts.
Kewaskum	8½ pts.
St. John's	8½ pts.
Hartford	8 pts.
Kettle Moraine	2 pts.

In the junior varsity section, the Kewaskum team of John Martin, Glenn Classey, Frank Voge, Brian Pamperin and Todd Jaromin finished in a tie for first place based on records and won the first place trophy on tie breaker points of total points scored. The teams played a round robin tournament.

Round 1 — Kewaskum 40, St. John's 0; Hartford 25, Germantown 15.

Round 2 — Kewaskum 22, Hartford 18; Germantown 26, St. John's 14.

Round 3 — Kewaskum 18, Germantown 22; Hartford 30, St. John's 10.

## JV TOURNAMENT

Team	W	L	Pts
Kewaskum	2	1	80
Hartford	2	1	73
Germantown	2	1	63
St. John's	0	3	34

In the novice section competing for individual titles, the players were paired in a four round Swiss. It was Kewaskum's Randy Igel and Steve Hubbell playing in the championship match with Igel winning.

Novice players from Kewaskum's champion: Randy Igel 4-0, Steve Hubbell 3-1, Randy Wilhelmi 2-2, Gary Classey 2-2, Rich Wesenberg 1-3.

Kewaskum will now compete at the state meet at UW-Milwaukee on March 19 and 20.

# Kewaskum Is Lakes 'B' Division Champion!

**KEWASKUM AND PORT BOTH EDGED BY MEMONONEE FALLS TEAMS**

The Kewaskum Lakes basketball team is champion of the Lakes 'B' Division for the 1982-83 season! Kewaskum clinched the title as Port Washington was eliminated Saturday night, being narrowly edged by the Menomonee Falls Stingers by a mere one point, 112-111. Kewaskum was edged by the Menomonee Falls Badgers, Lakes 'A' Division leaders, 106-100, at Falls East High School Sunday night, but the game had no bearing on the title. Bob Wolf and Jim Riehle each led the Badgers with 24 points.

Kewaskum finishes the Lakes season with a 9-6 record. They lead second-place Port by a game and a half and have a bye in the final week of the Lakes season. Port, now 7-7, plays the

Falls Badgers in their final game at Port Washington next Sunday, and will finish 8-7 or 7-8, depending on the outcome of that game. The Badgers, now 11-2 in the 'A' Division, lead Cedarburg and Oconomowoc by one game. They must beat Port next Sunday to assure themselves of the 'A' title.

This is Kewaskum's fourth 'B' title in eight years, but their first since 1979. They also won it in 1976 and 1977, according to Manager Bill Backhaus. It marks the climax to a complete turnaround from a 2-12 season last year and 4-10 the year before.

Kewaskum gave the Badgers a real scare before the Badgers pulled the game out in the last few minutes. Both teams were missing a few of their key players. "This is by far the closest we've come to beating the Badgers since I've been with the team," Backhaus said. The game was tied at 85 with about eight minutes left when Bob Wolf fouled out for the Badgers. Kewaskum even had a few brief two-point leads before this point. The Badgers seemed

to rally when Wolf went out, though, and they quickly grabbed the lead, opened it up to as much as 10 points, and hung on for the win.

The Badgers led 28-20 at the quarter behind Wolf's 12. They expanded the lead to 59-47 at halftime as Wolf and Mike Paulsen each had eight in the second quarter. Clark Eichstedt poured in 14 for Kewaskum. Kewaskum had a big 28-18 third quarter to narrow it to 77-75 as Leon Laatsch had 12. The Badgers had a 29-25 edge in the fourth quarter, as Riehle had eight, to win by six.

Besides Wolf and Riehle, Dan Dallmann had 19 points for the Badgers, Dale Magedanz had 13, a Mike DeLany 11. Leon Laatsch and Clark Eichstedt each had 30 points to lead Kewaskum, while Mike Maney had 16, and Bill Backhaus 14.

Better free throw shooting was a factor in the win for the Badgers, as they hit on 10 of 12 for 83.3 percent to Kewaskum's eight of 14 for 57.1 percent.

Kewaskum will take on the Mack Bulldogs of Milwaukee in the Holy Cross Open Tournament in Kaukauna this Saturday at 7:00 p.m. The tournament will run March 18, 19, 20 and March 25, 26, 27. It is a single elimination tournament with 16 teams entered. The Bulldogs, last year's tournament champs feature former Marquette University stars Bob Wolf, Jerry Homan, Bill Neary, and Dave Delsman.

Kewaskum — Laatsch 14-2-5, Lehnerz 1-0-2, Eichstedt 14-2-1, Backhaus 6-2-2, Maney 8-0-2, Pruett 2-2-1, Stautz 0-0-1, Miller 1-0-0. Totals 46-8-14.

Menomonee Falls — Wolf 11-2-6, Riehle 10-4-2, Dallman 9-1-3, Magedanz 6-1-5, DeLany 5-1-1, Kaeske 2-0-0, Marcou 1-1-1, Paulsen 4-0-2. Totals 48-10-20.

Free throws missed — Kewaskum 6, Menomonee Falls Badgers 2.
