Well and Treatment Plant Projects Moving Ahead

29% Hike for Sewer Service Approved

By GERRY MUELLER
Statesman Staff Writer

Village of Kewaskum residents will see another rate increase for sewer service in 1983.

At Monday night's meeting, the village board approved a 29% rate hike over 1982's charges. Retroactive to January 1, 1983, resident and commercial rates will go up 42c per 1,000 gallons, from \$1.45 to \$1.87 per 1,000 gallons of usage. This will be an increase of about \$4.90 per quarter, based on a usage of 18,750 gallons.

The increase was adopted on the recommendation of the village's sewer and water consultant, Dr. Raymond Kipp. Kipp told the board, his study showed that even with the 29% rate increase and only a 6½% increase in the 1983 budget

itself, the department will still run in the red for 1983. Trustee Howard Laubenstein asked, "as we look ahead, what might we be staring at next year?" "Next year you should be within \$20,000 of a payoff basis," Kipp stated.

Village President Jerry Stollenwerk stated, "I don't feel comfortable with a 29% increase after a 45% increase last year." Kipp said he could understand his feeling, however, every community has been in the same situation of trying to get water and sewer department revenues to equal expenditures. For the past few years, the village has been making up the shortages. "This is the fourth year we've tried to bring the revenue up to equal the expenses," said Kipp.

Kipp was asked how many communities, for which he was

consultant, have reached the break-even point. "All the other communities are at the point where user charges cover the expenses," stated Kipp.

Kewaskum's problem of "catch-up" has resulted from the fact that there was a period from the late 1960's to 1977 and again from 1977 to 1980, when there were no rate increases at all. Had there been even small annual increases during those years, residents would not have been burdened with the large increases of the past few years. At a previous meeting, Village Administrator Dan Schmidt noted, residents had enjoyed the benefits of extremely low rates for many years, now they are suffering the consequences.

The board was told that even with the recent hikes, Kewaskum's rates were still lower than many of the surrounding communities, which have not only user charges but meter charges and a fixed service rate as well.

Trustee Dave Nigh questioned the large amount of clear water going through the treatment plant, approximately 25% of the water treated. Kipp said this was unavoidable, and the amount was not really that high or caused any appreciable increase in operating costs. Much of this water comes from leaky manholes, leaks in the old clay pipe, and people who have illegally hooked up their sump pumps and downspouts to the sewer. Wastewater Treatment Superintendent Pete Albers said they could probably reduce

(Continued on Page 4)

600 Take Part in State Dartball Tourney Here

Kewaskum played host to the 43rd annual State Dartball Tournament for men and women on Saturday and Sunday. A total of 600 people participated in the event, despite the snowy weather.

In the finals Sunday afternoon, the team from F. J. Cruz Trucking of Kenosha emerged as the men's champions, while the women's team from Rosendale State Bank defended its title.

The Cruz team was one of 48 which started in the competition. They had to beat five other teams to win the championship and ended with a 10-3 record for the two-day meet. In the finals, Cruz Trucking defeated Pinky's Bar of Oshkosh, 35-28, 24-28 and 29-17. Cruz had also won the tournament two years ago in 1981.

A total of seven women's teams competed. Rosendale came from behind to win their competition. After losing the first game to Orv's All Stars of Reedsville, 6-5, they won the second, 9-4, and scored a 2-0 shutout in the finals.

Top winners in the tournament were as follows:

Men's

1st, F. J. Cruz Trucking, Racine; 2nd, Pinky's Bar, Oshkosh; 3rd, Cornerstone No. 3, Lannon; 4th, Kewaskum Saloon.

Consolation

1st, Veteran's Park, Milwaukee; 2nd, Lyceum Hall, Plymouth; 3rd, Topper's Construction, Elva; 4th, Red Post I, Helenville.

Ladies'

1st, Rosendale State Bank,

Rosendale; 2nd, Orv's All Stars, Reedsville; 3rd, Misfits, Theresa; 4th, Amerahnettes, Kewaskum.

Classic One-Man Shootoff

1st, Bob Leskovar, Racine; 2nd, John Brunner, Milwaukee; 3rd, Bob Boeder, Huilsburg; 4th, Ron Buccanero, Racine.

Numerous team and individual trophies were awarded.

Kewaskum area teams in the tournament besides Kewaskum Saloon and Amerahnettes were: Misfits of Theresa, Charlie's Fender & Paint, Campbellsport; Barrel Haus of Kewaskum and Yahr Oil of Boltonville and Kewaskum.

Harry Roecker of Kewaskum, a member of the Jaycees, was in charge of the event, after putting in a bid last summer. After being accepted, he made the necessary pairings and arrangements for the event. The Jaycees and their wives assisted Harry in preparing and serving sandwiches and refreshments in the high school cafeteria.

This is the first time Kewaskum ever hosted the event, but Roecker says there is a good possibility it will become one of five other Wisconsin communities that take turns holding it.

The Jaycees wish to thank all who helped make this tournament a huge success, which brought a lot of business to Kewaskum, especially the restaurants, bars and motels. All those who took part in the tournament were very pleased the way the event was handled. Proceeds will be used for Little League and other community projects.

Public Invited to Preview of New Electronic Voting System

By GERRY MUELLER
Statesman Staff Writer

Village Administrator Dan Schmidt has announced that the Village of Kewaskum will have an "Information and Preview Day" for the new electronic punch-card voting system which will be put into operation for the April 5th election.

An informative preview of the punch-card voting system has

been arranged for anyone interested in seeing how the new system works on Thursday, March 31st, at the Municipal Building, 204 First Street. The display will be open from 11:00 a.m. through the lunch hour, until 6:00 p.m.

Schmidt said, as far as he knew, Kewaskum was the only community that will be holding such an informational session for the public.

Easter Bunny to Visit Kewaskum

A Bugs Bunny film festival, free popcorn and drink, along with appearances by Mr. and Mrs. Easter Bunny, Woodsy Owl, and Bert and Ernie will highlight the "1983 Visit With The Easter Bunny," sponsored by the Kewaskum Junior

Woman's Club.

The program will be held Saturday, March 26th, at the Kewaskum Labor Center. A 10:00 a.m. and 1:30 p.m. visit are planned. No advanced ticket sales. Cost will be \$1.00 at the door. Fun for all ages.

Easter Egg Hunt Saturday, Apr. 2

The Kewaskum American Legion, Robert G. Romaine Post 384, will hold its annual Easter Egg Hunt in River Hill Park at 1:00 p.m. on Saturday, April 2. All children from the Kewaskum area are invited to participate in the hunt. The "Easter Bunny" will be on the west side of the river for the younger children.

Kids in the age group from six to nine years will hunt eggs in that area of the park located on the east side of the river. The age group of five and under will meet in the park on the west side of the river.

Guns Taken in Burglary

A collection of rifles, shotguns and handguns were among items stolen in a burglary at the James Hammes residence at 656 County Trunk S near New Fane, Route 1, Kewaskum, late last week.

His wife, Dolores Hammes, reported to the Fond du Lac County Sheriff's Department at 9:16 p.m. Thursday that she had just arrived home and discovered the burglary. Her husband, who is in the trucking business, was away from home at the time.

Guns were missing from Hammes' gun case and his office was broken into. Entry to the house was gained from a rear basement window, Hammes reported.

According to Hammes, six

rifles, five shotguns and four handguns were among those stolen. Jim's wedding ring, class ring and a birthstone ring, and undetermined amount of cash and possibly a hunting knife and ammunition were also missing.

Hammes valued the stolen guns at approximately \$5,500.

CHIMNEY FIRE AT OTTO BARTELT HOME

Kewaskum firemen answered a call at 8:05 p.m. Tuesday to extinguish a chimney fire at the Otto Bartelt Sr. residence on Hwy. S, New Fane, in the Town of Auburn. Twenty men responded to the call and spent 45 minutes at the scene. No damage resulted.

Indian Booster Club Basketball Classic Saturday Night

Starting at 6:00 p.m., the five area fire departments—Beechwood, Boltonville, Fillmore, Kewaskum, and Kohlsville—plus the Jaycees, will be playing each other for trophies in the Booster Basketball Classic. Although they will be shooting with a ball instead of a hose, this promises to be a fine exhibition of athletic prowess. Come and cheer for your favorite team!

Plus a super bonus—between games we will be entertained by the Indian Princess Twirlers and the Rope Skippers Supreme. You are all familiar with the Indian Princesses and the fine precision of their batons. But if you haven't seen our grade schoolers jump rope 40 times in the space of ten seconds, you are in for a real treat.

Add to all the above treats, the added incentive of door prizes of all shapes and sizes, courtesy of many of our local merchants and manufacturers, and you have an evening to mark on your calendar with, "DO NOT MISS!" Get your tickets now from any Booster Club member or firemen at \$1 per donation and be one of the many lucky winners.

Babysitting Course Scheduled Here

The West Bend Red Cross will be conducting a Red Cross Babysitting Course in Kewaskum.

Babysitting is a big responsibility—know the right way.

The Babysitting course covers the following topics: responsibilities of a babysitter, basic growth and child development, the selection of appropriate toys and games, the supervision of children, home safety and accident prevention, basic first aid measures, the personal safety of the babysitter, the feeding of children, and the handling and diapering of infants.

The Red Cross Babysitting Course is scheduled for 4 Saturdays, starting April 9th, continuing on the 16th, 23rd and completing on April 30th, from 10:15 a.m. to 12:15 p.m. at Holy Trinity Church Basement in Kewaskum.

Certificates will be awarded students who correctly demonstrate all skills and complete all course worksheets.

To enroll, call the West Bend Red Cross office at 334-5687.

Free Surplus Cheese, Butter Distribution Set for March 26 Here

Free surplus cheese and butter will be distributed in six communities to needy households in Washington County from 9 a.m. to 1 p.m. Saturday, March 26.

The U.S. Department of Agriculture recently allocated 24,000 pounds of surplus cheese and 14,600 pounds of butter to the county.

The County Department of Social Services is coordinating the distribution, which will be handled by volunteer groups.

In Kewaskum the distribution will be at the Kewaskum High School (north entrance), 1510 Bilgo Lane.

See the food distribution program on another page of this issue for information regarding eligibility for the free cheese and butter.

Campus Notes

A total of 820 students achieved placement on the winter quarter Dean's List at Michigan Technological University, Houghton, Mich., by earning a grade point average of 3.5 or higher. Dean of Students Harold Meese reported that 210 students earned straight A averages of 4.00.

The honor students from this area are: James M. Staehler, a junior in mechanical engineering, Kewaskum, and Andrew H. Rosenberger, a freshman in mechanical engineering, Fredonia.

"The first forty years of life give us the text; next thirty supply the commentary on it."

Kiwanis Students for the Month of March

Kewaskum Statesman, Friday, March 25, 1983, Page 3

Annette Jandre

Mary Straub

Annette Jandre, daughter of Mr. and Mrs. Dennis Jandre, and Mary Straub, daughter of Mr. and Mrs. Hugo Straub, both of Kewaskum, have been chosen as the Kiwanis students for the month of March.

Annette has been a member of the various high school choruses during the past four years: girl's choir in her freshman and sophomore years, mixed choir in her junior and senior years, swing choir in her junior and senior years and honors choir this year. She was a member of the triple trio that participated in the state competition as a sophomore. Annette has been a varsity gymnastics team member for four years and this year is on the track team.

Mary has been a Key Club member for four years. She was a student government representative last year and this year is senior class vice president. She is a three-year member of

the German Club, AFS Club and this year, the FHA Club. Mary was on the track team her freshman and sophomore years, and on the Powder Puff Football team as a sophomore. Mary has been involved in various productions including Fiddler on the Roof, Do You Remember, Li'l Abner, Oklahoma, The Pajama Game, and Curtain Going Up. She was also a member of the triple trio that participated in the state competition during her sophomore year. She was a two-year member of the girl's choir, a two-year member of the mixed choir, and this year, the swing

choir and honors choir. Mary attended the U.W.C. Barron County-Rice Lake Summer Music Camp in 1981 where they performed the musical Brigadoon. She plans to major in either music therapy or physical therapy at UW-Oshkosh or Marian College.

Births

KOUGL — A daughter to Timothy and Gail Kougl, 1496 Lovers Road, Campbellsport, Sunday, March 20.

MUELLER — A daughter, Leah Brianne, to Mark and Kim Mueller, Route 3, Campbellsport, Thursday, March 10.

DOWE — A daughter to John and Mavis Dowe, 223 Summit Drive, Fredonia, Thursday, March 17.

KRUEGER — A son to Daniel and Juliann Krueger, 202A Milwaukee, St., Theresa, Tuesday, March 15.

BAKE SALE AT PEACE CHURCH HERE

A bake sale will be held Saturday, March 26, at the Fellowship Hall, Peace Church, Kewaskum, at 1:00 p.m., sponsored by the Senior High Youth Group. See you there!

Story Hour Fascinates Youngsters

By popular request, the Kewaskum Junior Woman's Club is again sponsoring a story hour in Kewaskum. Offered to children aged three to five, it will be held in the Kewaskum Public Library. A choice of four sessions will include 9:15 and 10:30 on Wednesday and Thursday, with a limited number of children accepted in each group.

The 45-minute sessions, which include reading stories, learning poems, finger plays, songs and games, will run for 6 weeks beginning April 13th and 14th.

The Juniors will gladly accept mothers who wish to volunteer as aides. To register your child for story hour call 626-2837.

only financing for what you need, no more, no less."

Osness told the board, "there has been fine improvement in the municipal bond market, especially in the short term end." There is plenty of room

for improvement in long term at this time." This was the reason Osness said his company recommended going with a short term, seven-year general obligation bond rather than a twenty-year issue.

Kipke — Muench

Mr. and Mrs. Roy H. Kipke of Green Bay, announce the engagement of their daughter, Kathryn, to Allen, son of Mr. and Mrs. Eugene Muench of Kewaskum.

Kathy is a 1979 graduate of Ashwaubenon High School and currently a senior nursing

student at Marian College, Fond du Lac. Al is a 1978 graduate of Kewaskum High School. He is employed as a painter and a substitute mail carrier for the West Bend Post Office.

A September 7, 1984, wedding is planned.

Village Board

[Continued from Page 1]

this by house-to-house inspections of the sump connections. The village had one such inspection in 1980. Public Works Superintendent Augie Bilgo said about 25% of the village's manholes had been reworked by his crews to reduce leakage problems.

Industrial sewer charges will go up approximately 16% and the rates adjusted according to the volume schedule for such users.

The board approved the 1983 budget of \$257,694.00 for the Water Pollution Control Department, up 6 1/2% over 1982's budget of \$242,006.00. Albers told the board that while the actual amount of water treated had dropped from over 700,000/gallons per day when the plant opened ten years ago, to the present average of about 400,000 gallons due to user conservation, increased costs in

chemicals, equipment, electricity and salaries are the major factors for increased budgets. "Ten years ago we were paying \$2,000 a month for electricity, now we're paying \$5,000 to \$6,000 a month," said Albers.

The board also approved a 1983 budget of \$115,249.00 for the Water Department. This is up 7.6% over 1982's budget of \$107,112. Schmidt said there would not be any increase in water rates for 1983, however, later this year the village will begin application to the Public Service Commission for an increase in 1984. Schmidt said this was being done on the recommendation of the PSC.

The village could also end up with a shortage of up to \$15,000 in 1983 revenues for the water department, said Schmidt.

The board accepted the low bid (\$68,694.00) of R. P. Honold Company of Sheboygan, to handle construction for the Wastewater Treatment project. The next step is DNR approval of the contract. Schmidt said the DNR has 90 days to make a decision and, as soon as approval is received, work can begin.

The board gave Augie Bilgo's

department permission to begin preliminary grading on the new well site. Ruekert and Mielke was also given the okay to advertise for bids on drilling the new well. Bids will be opened at the April 18th meeting.

The board approved the recommendation of the village's TIF financial consultants, Clayton Brown and Associates, to set up a program to finance the new well construction which is part of the village's Tax Incremental Finance District project.

The approved plan involves issuance of a short term general obligation bond in the amount of \$1,025,000.00. Ray Osness, Vice President of Clayton Brown, said, based on interest rates from February 21st to 25th, the note would have an average interest rate of 7.21%. Osness said, of the three options presented, his company recommended Alternative #3, "which would maintain this borrowing as self-sufficient, without the use of a general property tax levy." "This option will be giving you enough money up front to accomplish the things you want to do," stated Osness, "you're

Middle School Forensics Team To Compete in State Tourney

POWER ROUND STUDENTS — Pictured, left to right, are the students who were in the power round. Poetry Category — Janet Mueller and Tony Ven Haus. Prose Category — Jon Kuhaupt. Storytelling Category — Kim Poling. Not pictured, Declamation Category — Bridget McKenna. In the Storytelling Category, Kim Poling received the second place silver medallion.

On Wednesday, March 16, the Kewaskum Middle School Forensics team attended their second meet at Silverbrook Middle School in West Bend. The team this year consisted of twenty-four students. The following is the list of students who participated, their categories and ratings:

Prose—Lisa Rehbein B, Jeanine McElhatton B, Wendy Russell A, Amy Piazza A, Jon Kuhaupt A.

Poetry—Ellen Kuphal B, Ted Anderson C, Traci Dorschner B, Janet Mueller A, Tony Ven-Haus A.

Demonstration Speech—Chris Gross B, Steve Struebing B, Greg Weddig B.

Extemporaneous Speech—Scott Kulas B, Leighton Peterson B.

Interpreter's Theater—Shelly Lloyd, Renee Kapp, Lynn Nowak and Sue Burkhalter B.

Humorous Declamation—Bridget McKenna A, Connie McChain B, Paul Heinemann B, Pat Indermuehle A.

Storytelling—Kim Poling A. In very difficult competition, five members of the team placed in the power round which consisted of the best of the A's and a ranking of 1.

Approximately twelve schools

took part in this meet.

On March 26th, the Forensics team will compete in the State Junior High WFLA Tournament at Badger Middle School in West Bend.

The Kewaskum Middle School Forensics Coach is Miss Margaret Smith.

Cedar Lake Home to Present All New Musicals

THE CEDAR LAKE HOME CAMPUS has begun rehearsals for their "Life of the Man of the Devil" musical. Music Therapist, Dave Stone, directs the combined resident-staff choir while Leslie Mulder, a registered Music Therapist practices with Shirley Knuth [middle] a resident in the Cedar Lake Home Campus retirement village and Don Stettler [right], Director of Education at the Cedar Lake Home Campus. Music Therapist Kermit Kapp is playing the piano and next to him is Tammy Moran, a Music Therapy student studying at the Cedar Lake Home Campus.

Rehearsals for "Life of the Man of the Devil," the third educational trilogy presentation by Cedar Lake Home Campus,

have begun with great enthusiasm by all 200 cast members.

The all original presentation will premier at the West Bend High School Auditorium, Thursday, April 21 at 7:30 p.m., and Saturday, April 23 at 1:30 p.m. and 7:30 p.m.

The "Life" series began in 1981 with "The Life of the Man of God," which told Christ's story to the music of Handel's Messiah and Jesus Christ Super Star.

Last year the "Life of the Man of Man" was given telling

of the aging process as it portrayed the life of an individual from birth to old age and even death.

The "Life of the Man of the Devil," completely written and performed by the Cedar Lake Home Campus Total Team, is one devil of a presentation.

Kewaskum School District Speed Rope Jumping Contest Winners Named

Front row, left to right: Suzie Stern, Kim Staehler, Ingrid Ankerson, Mike Marx, Becky Reysen.

Back row: April Wulff, Julie Mertz, Christa Schmidt, Heather Schlieter, Joey Steier, Janelle Horn, Kim Pridemore.

Joey Steier and Heather Schlieter are Co-champions of the 1983 Kewaskum District Speed Rope Jumping Contest. Three divisional finalists from each elementary school jumped at each of the schools on March 8. Steier and Schlieter accumulated the highest total of points—171. Kim Pridemore of Beechwood was close behind with a 169 total.

Christa Schmidt won Division I with a 161 total. Steier, Schlieter and Schmidt represented Farmington School, where the contest originated three years ago. Steier had been the school champion in 1981. He and Schlieter had been the boy and girl champ, respectively, in 1982.

Tom Larsen, principal at

Farmington and Beechwood, and Mike Miller, elementary phy. ed. teacher, expanded the contest to the district level this year. With the cooperation and coordinated efforts of teachers, staff members, parents and students, it proved to be a worthwhile experience.

Competition was started within individual classrooms. Each classroom representative competed in respective divisions at the school level. School winners proceeded to district competition.

Following are the final standings:

1983 Speed Rope Jumping District Totals

Division I — 1. Christa

Schmidt (FES) 161, 2. Janelle Horn (BES) 144, 3. Julie Mertz (WES) 137, 4. Mike Marx (KES) 132.

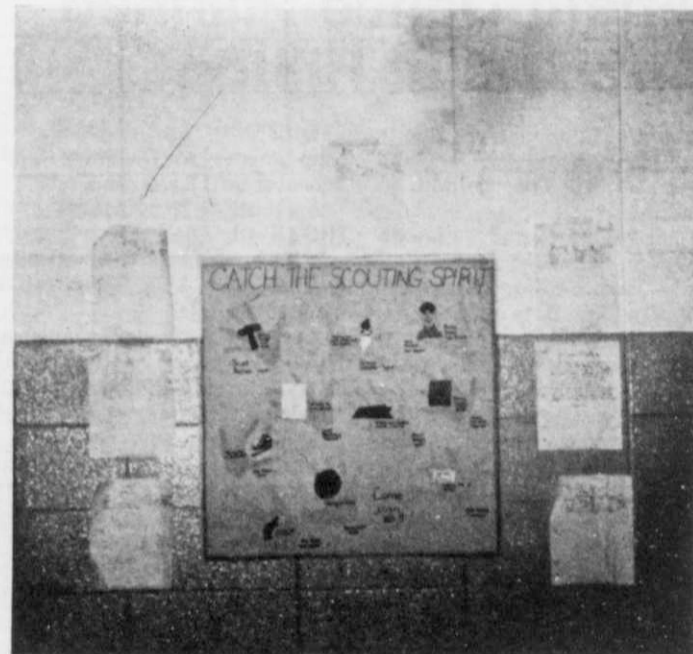

Division II — *1. Joey Steier (FES) 171, 2. Ingrid Ankerson (WES) 164, 3. Kim Staehler (KES) 160, 4. Becky Reysen (BES) 143.

Division III — *1. Heather Schlieter (FES) 171, 2. Kim Pridemore (BES) 169, 3. April Wulff (WES) 145, 4. Suzie Stern (KES) 119.

*Co-Champions 1983.

The highest number of jumps recorded in a single 10 second period was 44. Steier and Schlieter both reached that.

"Knowledge comes, but wisdom lingers."

CUB SCOUTS AT FARMINGTON SCHOOL DISPLAY THE SCOUTING SPIRIT — Pack 3779, Farmington-Fillmore, displayed a poster in the halls of their school on what Scouting means to them. "Catch The Scouting Spirit," was shown by each Cub tracing their hand and, "catching" an event they most enjoy in Scouts. The activities ranged from Den games and projects, to the big events the District offers, such as Winterfest held at Glacier Hills Park. February is Boy Scouts Anniversary Month, and no one had to show these Cubs at Farmington how to, "Catch The Scouting Spirit." They have it!

Pack 3779 would like to take this opportunity to thank our sponsor, the Fillmore Fire Department, for their moral and financial support.

John had a big time with the boys one night and before he realized it, the next day had dawned. He hesitated to call home, until a bright thought hit

him. He phoned his wife, and when she answered, he shouted, "Don't pay the ransom, honey, I escaped."

Benefit Dance Planned March 26 at Hilltop

A benefit dance for the Randy Cline Heart Fund will be held March 26 at The Hilltop in Batavia.

Music will be from 8:30 p.m. to 12:30 a.m. by two groups: Ralph Buechel and the "Joey Klass Orchestra" will perform as one band, and the "Normie Dogs Trio" will be the second band. Tickets are \$2 in advance and \$2.50 at the door, and available at various area businesses.

Other upcoming fundraisers:

March 26 — Bake sale and rummage sale at Good Shepherd Lutheran Church, 1614 S. 23rd St., Sheboygan, from 8:30 a.m. to 4 p.m.

April 9 — Chili and chicken soup supper at Oostburg High School from 11 a.m. to 6 p.m.

April 16 — Benefit auction at Hill's Hall, Adell. Contributions can be brought to the hall anytime on April 15 or 16 up to the time of the sale.

April 16 — Benefit dance at Hill's Hall, Adell, with music by "Arty Minz & The Country Men" featuring Elle May Shepherd, 8 p.m. to midnight.

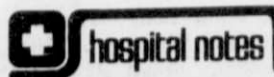

April 17 — Benefit dance at the Belgium Community Center with music by "Ida Red" from 2-6 p.m.

April 17 — Brat fry at Meyer's Lakeview Pub, 550 Wilson Ave., Sheboygan, from 11 a.m. to 7 p.m.

Easter Vacation Begins Monday

The Easter vacation for the School District of Kewaskum will occur during the week before Easter Sunday. Although there will be no school from March 28 through April 1, the District Office will be open for business. The Business Office is now located in the high school.

The Business Office will be closed after 12:00 noon on Good Friday afternoon (April 1, 1983).

WINNERS OF KETTLE RIDERS FUND RAISER PRIZES ANNOUNCED

Col. John Stommel of St. Kilian is a patient at Froedtert Memorial Hospital, 9200 West Wisconsin Ave., P.O. Box 26099, Milwaukee, WI. 53226, Room 4353 in southeast section, 4th floor.

Raymond Ruplinger, Route 1, Allenton, is a patient at St. Agnes Hospital, Fond du Lac.

The first prize in the club's beef raffle of a half of beef was won by Mary Cleveland, 4034 North 72nd Street, Milwaukee. Second prize, a hind quarter of beef, went to Kathy Boeselager, Route 1, Plymouth, and third prize, a front quarter of beef, was won by Barb Heberer of Campbellsport.

Dieters note: commercial salad dressing may contain as much as 40 percent fat. Home-made dressing usually contains even more.

Johnsburg Supper Club Receives Golden Butter Knife Award

Blanck's Supper Club, owned and managed by Kevin R. Blanck, received the Golden Butter Knife Award from the American Dairy Association (ADA) of Wisconsin on March 21. The award was presented to Mr. Blanck following a "Dutch" treat dinner attended by ADA of Wisconsin dairy farmers and industry representatives. Blanck's Supper Club is located on Route 1 in Johnsburg.

The Golden Butter Knife Award is presented to Wisconsin restaurants for serving only 100% REAL dairy products. During 1982, 175 restaurants were recognized for their outstanding promotional support of the dairy industry.

"There just is no substitute for the quality and good taste REAL Wisconsin dairy foods provide," says Max Maxwell, ADA of Wisconsin's restaurant coordinator. "When people dine out, they desire quality, and nothing says quality like REAL dairy foods."

ADA of Wisconsin is made up of dairy farmer members who devote a portion of their milk income for the promotion and advertising of Wisconsin's dairy products.

139 Pints Donated at Blood Drive

The community blood drive was held the morning of March 2, with 139 pints being donated. The co-chairmen, Cheri Ramthun and Kathie Ramthun, wish to thank each and every one of these special people for truly giving a gift of life.

Thank you also to Holy Trinity Ladies Society for the lunch served, the high school personnel for their cooperation, the Kewaskum Statesman for publicity and a group of caring teenagers for circulating flyers throughout the community.

The morning of March 2, the high school student government sponsored their blood drive with 75 pints being donated. These young people are to be commended for their unselfish community spirit.

Congratulations to the following people for making the pin list. Tops with 16 pints were: Cheri Ramthun, Linda Theisen, and Jerome Mayer.

Eight pint donors go to Nancy Kulas, Cynthia Boling, Mary Pearson, and Cynthia Shaske.

List of donors:
Mary Schultz, Allen Schoofs, Phyllis Bade, Kara Weinreich, Mark Herriges, Tom Bartelt, Lois Dorn, Lori Roecker, Lisa Delvaux, Mary Pearson, Shawn McElhatton, Joan Fleischman, Roger Jacobs, Richard Dreher, Earl Herdt, Dave Amerling, Eleanor J alas, Janice Oelhafen, Nancy Kulas, Douglas Strack, David Drexler, Terry Ziegelbauer, Mark Ruplinger, Gerda

Hlavaty, Christine Lindau, Kathleen Schreffler, Barbara Laatsch, John Long, Timothy Endlich, Kaye Weinreich, Merlin Luedtke, Robin Gutjahr, Richard Bechler, Jerome Mayer, Joan Squier, Cindy Poling, Glen Gutjahr.

LO-CAL MICROWAVE COOKING AT MPTI

For persons interested in Microwave cooking, Moraine Park Technical Institute is offering a new and interesting class. "Lo-Cal Microwave Cooking" is designed to aid students in learning lo-cal techniques, planning lo-cal meals and microwaving them. The 4 week course is offered twice, on Wednesday mornings from 10:00-12:40 p.m. and again on Wednesday evening from 7:00-9:40 p.m., May 4th.

The class will involve both discussion and food preparation. Both classes are held at the Decorah Annex in the Decorah Shopping Center. Tuition for the class is \$9.00, payable in advance at Moraine Park Technical Institute, 2151 North Main Street, West Bend. For additional information, call MPTI at 334-0909.

Historical Societies of County Prepare for Heritage '83 Banquet

The historical societies of Washington County are busy preparing for Heritage '83, the second annual re-creation of seven decades of county Old Settlers' Banquets.

The banquet and show will be held starting at 6:30 p.m., Wednesday, April 27, at Wednesday Washington House Restaurant, 228 North 6th Ave., West Bend. The first banquet was held there on Feb. 22, 1864.

Groups cooperating on this gala event include the historical societies of Washington County, Jackson, Kewaskum, Grant and the Lorraine Hartman Literary and Historical Society of Newburg.

"Early Transportation in Washington County" will be the 1983 theme. Changing forms of locomotion over the years will be depicted, ranging from footpower to various forms of footpower. Besides working together to create numerous intriguing displays, members of societies will present a series of entertaining skits relating to transportation.

A brainchild of Jack and Bonnie Anderson, residents of the Washington House, Heritage '83 is designed to stimulate interest in and appreciation for the county's past. In assuming joint sponsorship of this year's event, the historical societies of the county are joining forces for the

first time on a common project.

Heritage '83 will be used to stimulate membership in the societies and all proceeds will be shared by the five groups. Last year's program was for the benefit of Big Brothers and Sisters of Washington County.

Heritage '83 is conceived as a valuable opportunity for learning how the county came to be, surrounded by sights, sounds and smells of yesterday. About 175 tickets at \$12 each will go on sale March 24 for a sit-down, meet-your-neighbor, family-style dinner, displays and show.

Nehm Wins Gehl Ag Day Essay Contest

GEHL PRESENTS ESSAY AWARDS — Carl Nehm holds the trophy presented by Gehl Company president John Kamps for having the overall best Ag Day essay among Washington County FFA members. Chapter winners were [front row, from left], Jon Etta, 1st, Kewaskum; Duane Wolf, 2nd, Slinger; [back row, from left] Brad Callies, 1st, Hartford; Jim Weber, 2nd, Hartford; Gary Butzlaff, 2nd, Kewaskum. Gehl Company sponsors the annual contest in recognition of Ag Day, observed this year on March 21.

(West Bend, WI) — Carl Nehm, a sophomore at Slinger High School, has won the Gehl-sponsored Ag Day Essay Contest.

The theme of this year's contest was "Agriculture — America's Heartbeat: How Can We Keep it Strong." Competition was open to Washington County FFA members.

Nehm's essay was judged best overall and he also received first place honors from the Slinger FFA chapter. First place winner from Kewaskum was Jon Etta, and first place winner from Hartford was Brad Callies. Second place winners were Duane Wolf, Slinger; Gary Butzlaff, Kewaskum; and Jim Weber, Hartford.

March 21 was designated Ag Day both by presidential and gubernatorial proclamation. It is designed to draw attention to the role of agriculture in the American society and economy.

First place winners in the essay contest received \$100 savings bonds while second place winners each received \$50 bonds. As overall county winner Nehm also received a trophy presented by John Kamps, Gehl Company president.

Judging for the contest was

done by professional writers at Colle & McVoy Advertising, Inc., a Minneapolis-based advertising agency specializing in agri-business.

Nehm's winning essay follows:

**Agriculture — The Heartbeat of America
How Can We Keep It Strong?**

America's population is the most well-fed in the entire world. American farmers have always produced enough to feed the people of this country and continue to do so. Less than 5 percent of the American people are actually engaged in farming. With their tremendous efficiency they produce enough quality food products to feed over 95 percent of this nation's people and many people in other countries around the globe.

American farmers need equipment, machinery and supplies; almost all of which are made right here in this country. When an American farmer invests his money in American equipment, he is investing in America's economy.

The economy can work for farmers by paying good prices and providing a market for his

goods. On the other hand, the economy can work against the American farmer. With his advanced agricultural techniques, superb management and efficiency, the American farmer now can produce more food than ever before. According to the law of supply and demand, when there are more agricultural products than needed the demand drops. Along with this drop in demand there is also a drop in price. When the farmer's income is reduced, he tries to become more efficient and produce even more. This over-production results in a greater surplus, which in turn, lowers prices even more.

The goal of any company, corporation, or business is to reach a maximum production level and extremely high efficiency. The American farmer has already achieved this, and should not be penalized for it by having his income reduced.

There are millions of people around the world who want

nothing more than to have a decent meal. Why should people have to starve while America has a food surplus? This surplus is hurting America's economy. To raise the American farmer's income back to an acceptable level, and to feed the hungry people around the world, we need to export these surplus agricultural products to areas where they are needed. By making the American farmers strong again we will make America strong and will keep it that way forever.

ATHEROSCLEROSIS

The clogging of blood vessels [atherosclerosis] by cholesterol [plaque] causes strokes, heart disease, leg cramps, etc. Research at the Oak Ridge National Lab. in Tenn. found 60% less plaque deposited in the blood vessels of test animals when they got vitamin C along with a fatty diet. Further, the plaque found in the untreated animals contained 2.5 times more cholesterol than the plaque in the vitamin C group. In earlier tests, Dr. A. Verlangieri, PhD, a biochemist at Rutgers U. found that vitamin C tended to dislodge existing plaque from the arterial walls of the older and atherosclerotic patients.

letters to the editor . . .

To The Voters of The Kewaskum School District:

After talking with many people in the Kewaskum School District, I have decided to formally announce that I will be a "write in" candidate for the Kewaskum School Board on Tuesday, April 5th.

My name is Neal Weare, father of two teenagers who are presently students of Kewaskum High School. A lot of people have told me of the many things that they are dissatisfied with. To list them all and cover each one would take up the entire paper. What I have done is taken just a few items of interest to parents, taxpayers and the students of the school district.

1) Public Participation: Everyone I've talked with has told me there is none. School have given up going to school board meetings, because they feel like second rate citizens, with no voice as to how their tax dollars are to be spent or a say in the quality of education their children are to receive. I feel that when a school board member indicates to our students that "no student or taxpayer" is going to tell him what to do, shows a lack of respect and responsibility to the people of the school district.

2) Equal Representation: There really isn't any. You can check and see where most of the present school board members come from. Most feel that school board members should come from throughout the district, thereby giving them access to their representative from their area and feel as they once again have a voice in how their children's education is affected. Many are tired of calling some school board members who are presently from outside their area and being hung up on. School board members should be available to all within the district.

3) Long Range Planning Committee: The majority of people I talked with expressed a deep concern that they are afraid that this hand-picked committee is just an extension of the school board and serves to cater to the whims of a few! People feel that if the school board doesn't want to handle an issue, they pass it to the LRPC in hopes that the general public will forget about it. Are our children's futures going to be left up to this committee? A committee that was hand-picked by only two school board members? Is this what you as parents and taxpayers really want?

As a school board member, I would like to maintain the highest quality of education that all our children deserve. To insure that your hard earned tax dollars are spent as effectively as possible. To once again give you a voice in how you want your school board to represent you, the citizens of the Kewaskum School District. To bring back the respectability that our school board has lost with the citizens of this school district.

Please, take the time to vote on Tuesday, April 5th.

Sincerely,
Neal Weare

An open letter from Ralph Horner to the 1288 electors who voted for me last year and their new friends:

It has been almost one year since you made your voice known resoundly at the polls. Yes, last year's election results indicated that you wanted a quality education for our children, but those same results indicated that you thought that we could provide this education on a cost-effective basis and that the taxpayers could have some relief.

My philosophy has not changed since last year and I know that you have not changed your philosophy either.

When you listen to some of the liberals, and we all know who they are, a person would think that there is no limit on the financial resources that are available to fund our school system. They would have you believe that the school board should turn its eyes on loftier pursuits.

But you and I know better. When times are tough and we know that they certainly are now, it is readily apparent to the rest of us that there is nothing left or more necessary than providing our children with a quality education at the lowest possible cost and that ultimately it is the people that are elected to the school board that are charged with that result.

That is why, you and I, are in favor of "tough management." Those people with the liberal leanings would have the electors believe that using the word, "toughness," when it comes to education is not particularly fashionable and that it even is somewhat of a dirty word.

But you and I know better. We know that when we talk about "tough management" that it means a style of management that is ultimately the fairest and the most compassionate as well as the most effective.

We know that we are talking about a management style that takes a long view of the educational system, that sets high standards and ends up with the best long term results for all concerned; the students, the faculty, the administration and the taxpayers.

We know that the people that are elected to the board are charged with focusing the resources available, that is our tax dollars, on results. To quote manager consultant Peter Drucker, "There is nothing less pleasant and less popular than to concentrate resources on results. It means saying 'no'."

We know sometimes the

board should say "no." By saying "no" to demands that the board direct our hard earned tax dollars on well intentioned but ill conceived programs, it can say "yes" to the real reason for this school system.

This comes down to the main reason for this letter to you. I am asking you to support and vote for Norma S. Serwe on April 5th.

I feel she is the school board candidate who will say "yes" to tough management and "no" to frivolous spending. Her addition to the board will be a great assist. She will help the board attain what we know should be its fundamental goal, that is using our tax dollars on sound policies aimed at the highest quality education for our children at the lowest possible cost to us the taxpayers.

History tends to repeat itself. This year's election appears to be a repeat performance of last year's election where some say two liberals opposed two conservatives.

I am asking you to reaffirm the conservative philosophy that was so evident last year. Let your voice be heard this year again. Vote for Norma S. Serwe, a definite conservative.

Ralph Horner

....

March 20, 1983

To the Editor:

I have been asked why I am a candidate for the Kewaskum School Board. The two reasons I am running are that as a parent I am very concerned about our children's education, and as a taxpayer I am concerned about the current economic situation. With declining employment, declining enrollments, and declining state aids, the Kewaskum School District must develop some creative management strategies to make better use of the money we do have.

A strategy that is used by many industries and school districts is management by objectives. Under this system, the school board would set specific objectives, and, working with the administration, prioritize these objectives. Then the administration and the teachers would work to develop specific methods of achieving these objectives. This would provide a sense of direction, and all would be aware of the district's common goals. It would eliminate the piecemeal approach. Management by objectives would be one means of ensuring that the full value of every dollar used.

Yes, I am a fiscal conservative, but I do not agree with those who feel that this automatically makes me anti-education. Spending a lot of money does not automatically mean a quality education. Since educa-

tion has always been my number one priority, I am very concerned about the quality of the education my five year old will receive, and just as I would do nothing to harm my son, so would I do nothing to lessen the quality of education for ALL of the children of the district. There are, however, some changes that would be made to improve the quality of education without increasing the cost. Shouldn't this be done?

While our district has some problems, they are not insurmountable. Surely we can solve them without putting another burden on the already overburdened taxpayer. Creative management can give our children a quality, cost-efficient education.

Sincerely,
Norma S. Serwe

....

To the Editor:

Why are the rabble rousers - about 8-12 in number, who are constantly harassing the school board at each and every meeting spending so much money to force two unknown write-in candidates on the taxpayers?

They have created an uproar with vulgar language - insulting comments to board members, and at the end of each meeting plan and discuss their method of attack for the next board meeting.

They have created a noise far beyond their numbers and have even attempted to get children involved in their dubious doings.

We the taxpayers have spoken very well and clearly at the past two elections as to what we want as board members.

I understand that a "political activist" has been a part at a great expense by these rabble rousers to promote at great expense, two write-in candidates whom the taxpayers know absolutely nothing about.

Frankly, I hope the besieged taxpayers will not be fooled by this high pressure "political activist" approach and will vote for the two regular candidates who announced early enough that one could check their credentials and stand on the issues.

I hope that the public will not be fooled by a costly high pressured campaign to vote for two complete unknown write-ins.

I will vote for Mrs. Norma Serwe and Mrs. Colleen

Narbotovics for school board members.

A Concerned Grandparent

....

Dear Editor:

I would like this opportunity to again thank all the residents of the Kewaskum School District who voted for me last year in my try for the school board. I would like to urge these voters to write in the names of Neal Weare and Laneille Dieringer on this year's ballot April 5.

I know both Mr. Weare and Mrs. Dieringer are committed to the idea of hearing and representing all residents of the district if they are elected.

Sincerely,
Joan Rosenberger

Courses Offered at MPTI

CLOTHING COURSES AT MPTI

Moraine Park Technical Institute is offering two clothing courses this spring for area adults. Clothing: Perfect Fit Pants begins Wednesday, April 13th, and runs for eight weeks from 7:00-9:15 p.m. at West Bend High School. The class will include discussion of current pants fashions with emphasis on individual fitting techniques. Students will construct a pair of pants according to their own body measurements, altering the pattern as needed. Tuition is \$9.15.

Clothing Workshop begins Thursday, April 28th, at the Decorah Annex and continues for five weeks from 9:00-11:40 a.m. Instruction is geared toward any level of sewing. Each student works individually at the project of their choice. The course fee is \$7.70.

The instructor for both courses is Barbara Shaw. Students should register and pay fees in advance at MPTI, 2151 North Main Street, West Bend. Participants may call 334-0909 for more information.

CLASS FOCUSES ON ADOLESCENCE

Helping families cope with adolescence is the aim of a class offered this spring at Moraine Park Technical Institute.

The Changing Family: Adolescent Years will focus on issues of development during adolescent years and the behavioral reactions by the parenting adult.

Dennis Wolf, MPTI instructor who is an individual and family therapist, says the areas to be explored include developmental issues and behavioral manifestations of adolescence, parental roles and changes, and methods to promote family equilibrium.

This four week class will meet on Thursday evenings from 7 to 8:50, beginning April 14th. The registration fee is \$4.85. Men and women, parents and teenagers are invited to attend.

Register in person at MPTI, 2151 North Main Street, West Bend. For more information, call 334-0909.

AUTO TUNE UP AT MPTI

Moraine Park Technical Institute is offering a seven week auto tune-up course beginning April 12th. Tuition is \$10.15, payable in advance at MPTI, 2151 North Main Street, West Bend.

Students will learn preventive maintenance, some light body work and how to do a general tune-up. The class includes the theory and operation of modern automobiles, such as fuel, starting, generation, and ignition. Now is the chance to work on the inspection and diagnosis of your automobile at the West Bend High School lab under the expert guidance of instructor John Gawlik.

Get your car in shape with

MPTI's Tuesday auto-up classes! All registrations are accepted on a first-come, first-served basis. Call 334-0909 for more information.

NUTRITION AND NATURAL FOODS

Nutrition and Natural Foods will be offered by Moraine Park Technical Institute, West Bend, starting Monday April 11. This six week class will explore a wide variety of natural foods and include information on low-calorie, low-cost menu planning. Classes will meet at the Decorah Annex from 9 a.m. to 12:30. Advance registration and

payment of the \$13.40 fee are required. Deadline to enroll is Monday, April 4.

CHECKER-CASHIER COURSE

Would you like to prepare for a job as a checker-cashier? By enrolling in Moraine Park Technical Institute's Checker-Cashier course, you can learn how to operate a cash register accurately, handle money appropriately, carry on a multi-treatment of store procedures, and treat customers courteously.

MPTI is offering two classes covering these essential skills this spring. The Monday evening class begins April 11th at 7:00 p.m. and meets for seven weeks. The second class meets on Wednesday evenings

Kewaskum Statesman, Friday, March 25, 1983, Page 13

from 7:00-10:00 p.m. beginning April 13th and running for seven weeks. The course fee for either is \$16.30, payable at the first class meeting.

Students may pre-register by calling 334-0909. All registrations are accepted on a first-come, first-served basis.

HOME DECORATING CLASSES

Two Home Decorating classes are scheduled for spring at Moraine Park Technical Institute, West Bend.

A one day workshop will be held Saturday, April 16. And a four week evening class starts Wednesday, May 4.

The workshop will include information on wallcoverings, window treatments, furniture, and plan coordination. It will be held from 9 to 3 at MPTI, room 159. The fee is \$4.15 and registration deadline is April 8.

Additional subjects to be included in the four week Interior Decorating class are color, floorcoverings, and accessories. These Wednesday evening classes will meet at MPTI, room 113 from 7 to 9:40 May 4 to 25. Deadline for registration and fee payment (\$6.30) is April 27.

SMALL APPLIANCE WORKSHOP ON FOOD PROCESSORS

A two week Small Appliance Workshop and Food Processors will start Wednesday evening, April 13, at the Decorah Annex. Register in advance at Moraine Park Technical Institute, 2151 N. Main. Fee is \$4.15.

FACSIMILE BALLOT NOTICE OF APRIL ELECTION April 5, 1983

OFFICE OF WASHINGTON COUNTY CLERK TO THE ELECTORS OF WASHINGTON COUNTY.

Notice is hereby given of a spring election to be held in the several wards in the County of Washington, on the 5th day of April, 1983, at which the officials named below shall be chosen. The names of the candidates for each office to be voted for, whose nominations have been certified to or filed in this office, are given under the title of office, each in its proper column, together with the questions submitted to a vote, in the sample ballot below.

INFORMATION TO ELECTORS

Upon entering the polling place, an elector shall give his or her name and address, before being permitted to vote. Where ballots are distributed to electors, the initials of two ballot clerks must appear on the ballot. Upon being permitted to vote, the elector shall retire alone to a voting booth or machine and cast his or her ballot. An election official may inform the elector of the proper manner for casting a vote, but the official may not in any manner advise or indicate for whom to vote.

At a nonpartisan or special partisan election, the elector shall make a punch in the hole at the right of the candidate's name for each office for whom the elector intends to vote, or elector shall place a cross in the square at the right of or depress the button or lever next to the candidate's name for each office for whom he or she intends to vote, or write in the office and name of the elector's choice on the ballot envelope or space provided.

On referendum question, the elector shall make a punch in the hole to the right of the answer he or she intends to give, or make a cross in the square at the right of or depress the button or lever next to the answer which he or she intends to give.

The vote should not be cast in any other manner. If the elector spoils a ballot, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one elector. If the ballot has not been initiated by two ballot clerks or is defective in any other way, the elector shall return it to the election official, who shall issue a proper ballot in its place. Not more than five minutes' time shall be allowed inside a voting booth or machine. Unofficial ballots or a memorandum to assist the elector in marking his or her ballot may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

After the official ballot is punched, it shall be inserted in the envelope provided so the punches do not show. After the official paper ballot is marked, it shall be folded so the inside marks do not show, but so that the printed endorsements and ballot clerks' initials on the outside do show. After casting his or her ballot, the elector shall leave the booth, give his or her name to the inspector in charge of the ballot box, and the inspector his or her ballot enclosed in the envelope provided to be placed in the ballot box, or the elector shall leave the machine or booth, and where paper ballots are used, give his or her name to the inspector in charge of the ballot box, and the inspector his or her folded ballot to be placed in the ballot box, deposit any unused ballots in the blank ballot box, and shall leave the polling place promptly.

An elector may be assisted by two election officials of different political parties in casting his or her vote if the elector declares to the presiding official that he or she is unable to read, has difficulty reading, writing or understanding English, or that due to physical disability is unable to cast his or her ballot. Alternatively, an elector making such declaration may have another elector of the county assist in punching the ballot, or may have another elector of the county assist in marking the ballot or operating a voting machine. The presiding official may administer an oath to a person making such declaration.

The following is a facsimile of the official ballot:

25 Years Ago

March 21, 1958

Seven candidates will seek election to the three trustee offices on the Kewaskum Village Board. Incumbent trustees whose terms will expire are Arvin Merwin, Carl F. Schaefer and Marvin Schaefer. All three will seek re-election and will be opposed by candidates Henry Becker, Marie Dei, Luke Mueller and Joseph Schwind. The election will be held in the Municipal Building on Tuesday, April 1.

Mrs. Marvin Martin was chosen president of the Kewaskum Woman's Club for the 1958-59 season when the club held its election of officers on March 15. Mrs. Martin succeeds Mrs. Walter Bade, who has held the office for the past two years. Other new officers include Mrs. R. G. Edwards, who was elected 1st vice-president; Mrs. J. D. Reigle, who will serve as second vice-president; Mrs. Allen Tassar, secretary, and Mrs. Donald Koerble, treasurer.

Army Privates William C. Kober, 22, and Floyd J. Dreher, 22, of Kewaskum, recently completed eight weeks of basic combat training at Fort Leonard Wood, Missouri, under the Reserve Forces Act program. Kober, whose wife, Beverly, lives in Kewaskum, is the son of Mr. and Mrs. Christ Kober of Route 1, Kewaskum. Dreher is the son of Mr. and Mrs. Edward C. Dreher of Kewaskum.

A son was born to Mr. and Mrs. Raymond Gremminger, Kewaskum, on March 13. A son was also born to Mr. and Mrs. Aloys Brown, Kewaskum, on March 17.

Monday, March 20, but "Old Man Winter" did not want to leave unless he could shed his blanket of snow, which he did, to the tune of eight inches. The temperature was seven degrees below zero.

Icy roads were responsible for an auto accident on Highway 55 in the marsh south of the village last Saturday afternoon, in which Mrs. Anthony Fellenz of Kewaskum suffered injuries about the head and legs. Her husband, the driver of the car escaped injury. They were enroute to West Bend when they collided with a car traveling northbound.

More than the usual amount of enthusiasm is being shown this year in forensic work. The entrants in the contests are as follows: Oratory — Harold Casper, Edmund Rinzel, Carl Kohlschmidt, Delbert Backhaus, Lester Bartelt, Wilmer Klahn and Earl Koepke. Declamatory — Doris Mae Rosenheimer, Rose Kohlschmidt, Ione Schmidt, Florence Staeger, Elaine Schleif, Frances Bunkelman and William Martin. Perhaps the strongest competition will be in the Extemporaneous Reading contests which has six entrants. They are: Linda Rosenheimer, Marcella Schleidreher, Elizabeth Backus, Malinda Heberer and Marcella Klockenbush. All of the above contestants will compete in an elimination contest on March 30.

The L. Rosenheimer Malt and Grain Co. plant is about the busiest place in the community. Since the passing of the "Beer Bill" the firm has been flooded with orders and inquiries for malt.

Fire Chief Harry Schaefer on Friday evening received an emergency fire call to the home of George Reindl in the Town of Kewaskum, where a stubborn chimney fire was burning. Chief Schaefer and Foreman Arnold Martin responded to the call with the chemical engine. Outside of a badly cracked chimney, there was no other damage.

75 Years Ago

March 21, 1908

Mrs. John Strobel was instantly killed last Wednesday evening by the northbound passenger train, due in Kewaskum at 8:28, at the south village limits about 150 feet south of the railroad bridge. Mrs. Strobel was born in the Town of Kewaskum on October 23, 1950, and was married to John Strobel in 1867. She is survived by her husband; her aged mother; six daughters and one son namely: Elizabeth (Mrs. George (Brandt), Kewaskum; Joseph, Katie (Mrs. J. J. Altmeyer), Theresa (Mrs. Rudolph

Wagner), Milwaukee; Jennie (Mrs. Zwaschka), Emma and Clara of Kewaskum.

The windmill on the Ferber Brothers farm in Auburn was blown down by the heavy wind storm last week Friday. Mr. Ferber is in town the other day and purchased a gasoline engine to do his pumping with.

Joseph Schaefer sold his residence property on Prairie Street in Kewaskum last Monday to Fred Backhaus Jr; consideration \$2,400. Mr. Schaefer intends to move to Wabeno shortly.

A baby boy was born to Mr. and Mrs. Henry Ramthun of Kewaskum.

Facsimile Ballot Notice of Village Election Village of Kewaskum, Wisconsin

April 5, 1983

Notice is hereby given of a village election to be held in and for the Village of Kewaskum, Washington County, Wisconsin, on the fifth day of April, 1983 at which the officers named below shall be chosen.

INFORMATION TO ELECTORS

The following instructions are given for the information and guidance of electors:

- Upon entering the polling place, an elector shall give his or her name and address before receiving the ballot card and ballot card envelope from the ballot clerk. The initials of 2 ballot clerks must appear on the ballot card envelope. Upon receiving the ballot card and ballot card envelope, the elector shall retire alone to a voting booth and punch/mark his or her ballot card and ballot card envelope. A ballot clerk may inform the elector of the proper manner for punching/mark a ballot card and ballot card envelope, but he or she shall not in any manner advise or indicate for whom to vote.
- To vote for a person whose name is printed on the ballot, insert your ballot card with both hands, be sure the pins are through the two holes, hold the punching device straight up and down, press down firmly opposite the candidate and/or proposition selections of your choice.
- Write-in voting. To vote for a candidate whose name does not appear on the printed ballot, use the ballot card envelope to "write-in" the office and candidate's name.
- The ballot card and ballot card envelope should not be punched/marked in any other manner. If you incorrectly punch/mark, tear, or deface the ballot card or ballot card envelope, return it to the election judge for another one, but not more than 3 ballot cards or ballot card envelopes shall be issued to any one elector. Not more than 5 minutes' time shall be allowed to punch/mark the ballot card or ballot card envelope. Unofficial ballots or a memorandum to assist the elector in punching or marking his or her ballot card or ballot card envelope may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot card or ballot card envelope is punched/marked.
- After the official ballot card or ballot card envelope is punched or marked, remove your ballot card, place it in the ballot card envelope and take it to the inspector at the ballot box, hand him or her the ballot card envelope with the ballot card placed inside, to be placed in the ballot box, and leave the polling place promptly.
- An elector may be assisted by 2 election officials of different political parties in punching or marking the ballot if he or she declares to the presiding official that he or she is unable to read or that due to physical disability he or she is unable to punch or mark his or her ballot. If an elector declares that he or she is visually handicapped, he or she may have anyone assist him or her in punching or marking his or her ballot card or ballot card envelope. The presiding official may administer an oath to a person's disability.
- Any qualified elector who is absent, or expects to be absent from the village in which he or she is a qualified elector, or who, because of sickness or physical disability cannot appear at the polling place on election day, may vote at such election by means of an absent voter's ballot card or ballot card envelope to be secured upon application to the Village Clerk, not more than sixty days and no less than three days, or by personal application, not later than the close of office hours on the day prior to such election.
- The following is a sample of the official ballot:

NOTICE TO ELECTORS: This ballot is invalid unless initialed by 2 election officials serving as ballot clerk. If cast as an absentee ballot, the ballot envelope must bear the initials of the municipal clerk.

From the School Board President's Desk

As you may recall, last week I started discussing the curriculum changes that a broad spectrum of society is proposing, changes that are needed to better prepare our students to take their rightful places in a productive society. These changes are recommended not only by colleges, but also by employers and unions. The need for English, typing, and computer literacy were covered last week.

Social science is another area in which improvement is needed. Employers and unions especially stressed that economics should be required for everyone. The person who is working in a factory should understand what factors affect his/her wages. United States history, government, and world history are necessary since an informed electorate is the only way to preserve our freedom. Psychology and sociology aid in understanding both self and society. A minimum of three years of these courses is recommended.

Math and science are two more areas that employers find weak. We have a technological society, and without math and science skills, graduates have little to offer an employer. There is always going to have to be some on-the-job training, but the basics must be there. Students have to know how to function if the calculator batteries fail. Proficiency in math would include a mastery of consumer math and technical math; those going on to college would need a minimum of three years of math which would include algebra, geometry, and advanced algebra. In science, understanding how objects influence each other and cause-effect relationships are necessary for a graduate. Both the college-bound and non-college-bound students need three years of science, although not the same courses.

Another very broad area that students need to investigate is career exploration. This is not one specific field, but it would include, for example, drafting, agricultural courses, accounting, and electrical courses. These expose the student to careers that he/she may not have considered, and since we offer the courses, it would be a shame if the student were unable to take them.

These are a lot of requirements for developing the mind, and I haven't even touched on those subjects that involve the body like health and physical education or those that nourish the soul like art and music. Students also need study halls. How are the students going to manage all of this? Any suggestions?

Dr. Charles J. Ogi

An unused swing set can turn a backyard into an eyesore . . . unless you hang flower baskets from the frame, attach a bird feeder to the overhead bar and plant climbing vines to trail up the legs. A thing of beauty!

Taxpayers Tips

Married couples who both work may deduct up to \$1,500 from gross income on their 1982 tax returns, the Internal Revenue Service said, reducing the so-called "Marriage Tax Penalty."

Working couples may deduct five percent of the lower paid spouse's earnings, up to a maximum deduction of \$1,500. In 1983, the deduction will rise to 10 percent with a ceiling of \$3,000.

To claim the exclusion, the couple must file a joint return. Complete instructions are in the 1982 Form 1040 and Form 1040A tax package.

XXXXX

Kewaskum Statesman, Friday, March 25, 1983, Page 15

Taxpayers eligible for the Child and Dependent Care Credit may claim higher credits on their 1982 tax returns for amounts they spend for child care in 1982, the Internal Revenue Service said. The amount of work related expenses that taxpayers can use to figure the credit is increased to a maximum of \$2,400 for one dependent, instead of \$2,000 under the old law, and \$4,800 for two or more dependents, instead of the previous \$4,000.

The rate of the credit is 30 percent of qualifying child care expenses if the person claiming the credit had an adjusted gross income of \$10,000 a year or less. This rate then drops by one percentage point for each

\$2,000 of income above \$10,000, until it reaches a rate of 20 percent for taxpayers with incomes above \$28,000.

Taxpayers may claim the credit for care of a dependent child under 15 years old, or a disabled spouse, or disabled dependent. The IRS said that these expenses must be for the well-being and protection of a qualifying person and must allow the person claiming the credit to work.

Taxpayers requiring additional information on the Child Care Credit benefits may obtain a free copy of IRS Publication 503, "Child and Disabled Dependent Care," by using the order blank in the tax package.

Facsimile Ballot Notice of Town of Kewaskum April Election

April 5, 1983

Notice is hereby given of a spring election to be held in the Town of Kewaskum, Washington County, on the fifth day of April, 1983, at which the officers named below shall be chosen. The names of the candidates for each office to be voted for, whose nominations have been certified to or filed in this office, are given under the title of the office in the sample ballot below.

INFORMATION TO ELECTORS

Upon entering the polling place, an elector shall give his or her name and address, before being permitted to vote. Where ballots are distributed to electors, the initials of two ballot clerks must appear on the ballot. Upon being permitted to vote, the elector shall retire alone to a voting booth or machine and cast his or her ballot. An election official may inform the elector of the proper manner for casting a vote, but the official may not in any manner advise or indicate for whom to vote.

At a nonpartisan or special partisan election, the elector shall make a punch in the hole at the right of the candidate's name for each office for whom the elector intends to vote, or elector shall place a cross in the square at the right of or depress the button or lever next to the candidate's name for each office for whom he or she intends to vote, or, write in the office and name of the elector's choice on the ballot envelope or space provided.

On referenda question, the elector shall make a punch in the hole to the right of the answer he or she intends to give, or make a cross in the square at the right of or depress the button or lever next to the answer which he or she intends to give.

The vote should not be cast in any other manner. If the elector spoils a ballot, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one elector. If the ballot has not been initialed by two ballot clerks or is defective in any other way, the elector shall return it to the election official, who shall issue a proper ballot in its place. Not more than five minutes' time shall be allowed inside a voting booth or machine. Unofficial ballots or a memorandum to assist the elector in marking his or her ballot may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

After the official ballot is punched, it shall be inserted in the envelope provided so the punches do not show. After the official paper ballot is marked, it shall be folded so the inside marks do not show, but so that the printed indorsements and ballot clerks' initials on the outside do show. After casting his or her ballot, the elector shall leave the booth, give his or her name to the inspector in charge of the ballot box, hand the inspector his or her ballot enclosed in the envelope provided to be placed in the ballot box, or the elector shall leave the machine or booth, and where paper ballots are used, give his or her name to the inspector in charge of the ballot box, hand the inspector his or her folded ballot to be placed in the ballot box, deposit any unused ballots in the blank ballot box, and shall leave the polling place promptly.

An elector may be assisted by two election officials of different political parties in casting his or her vote if the elector declares to the presiding official that he or she is unable to read, has difficulty reading, writing or understanding English, or that due to a physical disability is unable to cast his or her ballot. Alternatively, an elector making such declaration may have another elector of the county assist in punching the ballot, or may have another elector of the county assist in marking the ballot or operating a voting machine. The presiding official may administer an oath to a person making such declaration.

The following is a facsimile of the official ballot:

BARBARA HINZ, TOWN CLERK

Today's Medicine

HERPES ZOSTER OR SHINGLES R. G. Edwards, M.D.

Shingles and Herpes Zoster are different terms used for the same skin disease caused by an infection with a virus called Varicella. This virus is not the same as Herpes Simplex which causes cold sores, nor is it the same virus now found in patients with venereal disease.

Varicella is the same virus that causes Chicken Pox in children and it is thought that the virus continues to live dormant for many years in the nerve ganglia after an attack of Chicken Pox, and, for some unknown reason, reaction will occur producing the typical skin lesions and severe pain along the nerves in the disease called Shingles. Contagion is possible but rarely occurs and one may rarely have a second attack of Shingles.

The affected patient will note an abnormal sensation in the skin a day or two before they see an eruption on the skin. This eruption begins as a few scattered red spots which rapidly change to blisters of varying sizes. These blisters itch and are soon broken by the scratching of the patient and infection will develop because the body's defense mechanisms are lowered by the virus. Antibiotics are of no value either. Protection of the blistered area is essential. Wearing of clean, loose fitting clothing, allowing the blisters to be exposed to sunlight and air is also helpful. Calomine lotion will relieve the itching somewhat. The pain can be quite severe, especially in the older patient with lesions about the eye, ear or side of head. Often narcotics will be used but as a rule, aspirin like products used frequently will give satisfying relief of pain.

The incidence of shingles is about two or three per 1000 people and occurs usually after age 50 years up to age 85 years. The disease is much worse in people with diabetes, cancer and those who are taking prednisone type of medication — all because those diseases reduce the natural healing power of the blood. Be happy to know that no one ever dies from this affliction.

Obituaries

DANTE DELPONTE

Dante DelPonte, 65, of 252 N. Railroad St., Campbellsport, died Monday, March 21, at St. Nicholas Hospital, Sheboygan.

He was born Oct. 21, 1917, in Dodge County, to the late Batiste and Appolonia Dalle-Nagare DelPonte. He married Dorothy Steinacker.

Mr. DelPonte was employed by Stella Cheese Factory for 43 years. He was a member of Campbellsport United Church of Christ.

Surviving are his wife; three sons, Dante Charles, Dan and George, all of Campbellsport; three grandchildren; three brothers, Battiste of LeRoy, Victor and Melvin, both of Campbellsport; and three sisters, Mrs. Ann Guse of Fond du Lac, Mrs. Caroline Johnson and Mrs. William (Erna) Kregel, both of Sheboygan.

A daughter, two brothers and a sister preceded him in death.

Funeral services will be held at 8 p.m. Thursday at Campbellsport United Church of Christ. The Rev. Carl Jensen will officiate, and burial will take place at 10 a.m. Friday at Union Cemetery, Campbellsport.

Friends of Mr. DelPonte may

call from 7 to 8 p.m. Thursday at the church. Twohig Funeral Home, Campbellsport, is in charge of arrangements.

MILTON MEINKE

Private funeral services for Milton O. Meinke, 66, of Route 3, Campbellsport, were held at 2 p.m. Wednesday at Twohig Funeral Home, Campbellsport. He died Sunday, March 20, at his home.

The Rev. William Steubs officiated and burial was in Lyon's Forest Home, Cemetery, Town of Forest. Friends called from 5 to 9 p.m. Tuesday at Twohig Funeral Home, Campbellsport.

He was born March 11, 1917, in the Town of Forest, to the late John and Helen Halle Meinke.

Mr. Meinke was employed by Leiber Construction Co., was a milk hauler for Baker Cheese Factory, was employed by Ringling Bros. Circus, Zucchini Carnival and Jerold Immel Farm.

Survivors include two sisters, Mrs. Mabel Immel of Route 3, Campbellsport, and Erna Meinke of Kent, Wash. A sister preceded him in death.

Facsimile Ballot Notice of Town of Wayne April Election

April 5, 1983

Notice is hereby given of a spring election to be held in the Town of Wayne, Washington County, on the fifth day of April, 1983, at which the officers named below shall be chosen. The names of the candidates for each office to be voted for, whose nominations have been certified or filed in this office, are given under the title of the office in the sample ballot below.

INFORMATION TO ELECTORS

Upon entering the polling place, an elector shall give his or her name and address, before being permitted to vote. Where ballots are distributed to electors, the initials of two ballot clerks must appear on the ballot. Upon being permitted to vote, the elector shall retire alone to a voting booth or machine and cast his or her ballot. An election official may inform the elector of the proper manner for casting a vote, but the official may not in any manner advise or indicate for whom to vote.

At a nonpartisan or special partisan election, the elector shall make a punch in the hole at the right of the candidate's name for each office for whom the elector intends to vote, or elector shall place a cross in the square at the right of or depress the button or lever next to the candidate's name for each office for whom he or she intends to vote, or, write in the office and name of the elector's choice on the ballot envelope or space provided.

On referenda question, the elector shall make a punch in the hole to the right of the answer he or she intends to give, or make a cross in the square at the right of or depress the button or lever next to the answer which he or she intends to give.

The vote should not be cast in any other manner. If the elector spoils a ballot, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one elector. If the ballot has not been initiated by two ballot clerks or is defective in any other way, the elector shall return it to the election official, who shall issue a proper ballot in its place. Not more than five minutes' time shall be allowed inside a voting booth or machine. Unofficial ballots or a memorandum to assist the elector in marking his or her ballot may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

After the official ballot is punched, it shall be inserted in the envelope provided so the punches do not show. After the official paper ballot is marked, it shall be folded so the inside marks do not show, but so that the printed indorsements and ballot clerks' initials on the outside do show. After casting his or her ballot, the elector shall leave the booth, give his or her name to the inspector in charge of the ballot box, hand the inspector his or her ballot enclosed in the envelope provided to be placed in the ballot box, or the elector shall leave the machine or booth, and where paper ballots are used, give his or her name to the inspector in charge of the ballot box, hand the inspector his or her folded ballot to be placed in the ballot box, deposit any unused ballots in the blank ballot box, and shall leave the polling place promptly.

An elector may be assisted by two election officials of different political parties in casting his or her vote if the elector declares to the presiding official that he or she is unable to read, has difficulty reading, writing or understanding English, or that due to physical disability is unable to cast his or her ballot. Alternatively, an elector making such declaration may have another elector of the county assist in punching the ballot, or may have another elector of the county assist in marking the ballot or operating a voting machine. The presiding official may administer an oath to a person making such declaration.

Course Offered on Home Fruit Growing

UW-Extension is sponsoring a three session course on "Home Fruit Production and Use" starting the end of March. Classes are scheduled for 2:00 to 4:00 p.m. on Thursday, March 31, April 7 and April 14.

Growing small fruit such as strawberries, raspberries and grapes will be discussed during the first session. Instructor Dan Wilson will cover plant selection, growing techniques, diseases and insects.

The second class will offer a detailed introduction to raising apples, pears, plums and other tree fruit. Cultivar selection, pruning methods, diseases and insects will be the major topics.

During the third class, Joyce

Albrecht will talk about nutritional value of fruit, storing fruit, making preserves and using fruits in your meals.

Those wishing to register for the course can contact the UW-Extension Office by calling 338-4480, 644-5204 or 342-2929. The course fee is \$5.00 per set of handout materials (\$4.00 for senior citizens) and pre-registration is required by March 25.

That popular and delicious melon, the cantaloupe, gets its name from the village of Cantalupo, Italy, where it was first grown in Europe.

**Facsimile Ballot Notice of
APRIL ELECTION
TOWN OF AUBURN
Tuesday, April 5, 1983**

Notice is hereby given of a spring election to be held in the Town of Auburn in the County of Fond du Lac, on the 5th day of April 1983, at which the officers named below shall be chosen. The names of the candidates for each office to be voted for, whose nominations have been certified to or filed in this office, are given under the title of office and under the appropriate party or other designation, each in its proper column, together with the question submitted to a vote, in the sample ballot below.

INFORMATION TO ELECTORS

Upon entering the polling place, an elector shall give his or her name and address before being permitted to vote. Where ballots are distributed to electors, the initials of two ballot clerks must appear on the ballot. Upon being permitted to vote, the elector shall retire alone to a voting booth or machine and cast his or her ballot. An election official may not in any manner advise or indicate for whom to vote.

At a nonpartisan election, the elector shall place a cross or other mark in the square at the right of the candidate's name for each office for whom he or she intends to vote, or insert or write in the name of his choice for a candidate.

On referenda questions, the elector shall make a cross or other mark in the square at the right of the answer which he intends to give.

The vote should not be cast in any other manner. If the elector spoils a ballot, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one elector. If the ballot has not been initialed by two ballot clerks or is defective in any other way, the elector shall return it to the election official, who shall issue a proper ballot in its place. Not more than five minutes' time shall be allowed inside a voting booth or machine. Unofficial ballots or a memorandum to assist the elector in making his or her ballot may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

After the official paper ballot is marked, it shall be folded so the inside marks do not show but so the printed endorsements and ballot clerk's initials on the outside do show. After casting his or her ballot, the elector shall leave the machine or booth, and where paper ballots are used, give his or her name to the inspector in charge of the ballot box, hand the inspector his or her folded ballot to be placed in the ballot box, deposit any unused ballots in the blank ballot box, and shall leave the polling place promptly.

An elector may be assisted by two election officials of different political parties in casting his or her vote if the elector declares to the presiding official that he or she is unable to read, has difficulty reading, writing or understanding English or that due physical disability is unable to cast his or her ballot. Alternatively, an elector making such declaration may have another elector of the county assist in marking the ballot or operating a voting machine. The presiding official may administer an oath to a person making such declaration.

The following is a facsimile of the official ballot.

TO OBTAIN AN APPLICATION FOR THIS PURPOSE, CALL THE DEPARTMENT OF SOCIAL SERVICES 338-4610 OR 644-5282 AND ONE WILL BE MAILED TO YOU.

HOUSEHOLDS THAT PREVIOUSLY RECEIVED CHEESE AND BUTTER MAY ALSO APPLY NOW.

Kewaskum FFA Rabies Clinic

FFA members helping Dr. Ogi vaccinate one of the many dogs and cats.

The annual Kewaskum FFA rabies clinic will be held Thursday, April 7, from 7-9 p.m. in the agriculture shop.

Local residents can have dogs and cats immunized for a reduced fee of \$5.00 per animal. Dr. Charles Ogi will be on hand to administer all injections.

Wisconsin ranks high in rabies related cases, a statistic the state could do without. If everyone pulls together and

spreads the word about rabies, the state can overcome this problem.

The Kewaskum FFA is working with the communities to help combat the disease, it can only be done with the support of all community members. Make plans to attend Thursday's clinic and help clean up the rabies problem in your community.

Sheriff Receives Award for AMA (American Medical Association) Certification of the County Jail

Kewaskum Statesman, Friday, March 25, 1983, Page 19

Washington County Sheriff Clarence Schwartz (right) accepted for the second time a two-year award for AMA (American Medical Association) Certification of the County Jail, on behalf of his jail staff, in a brief ceremony March 9, 1983.

The award presented by Dr. Warren Williamson of Racine carries with it a unique distinction which only three other jails in the state have had bestowed upon them. In making the presentation, Dr. Williamson not only commended Sheriff Schwartz and his staff but also expressed hope that Washington County would lead the way for other county jails in the state to reach this important level of care for institutionalized inmates.

Prior to the presentation Dr. Williamson toured the Sheriff's Department and jail facility and conferred with Sheriff Schwartz and his staff on changes in the certification process, more realistic to the needs of the county jail today.

Drunk Drivers Kill 323 People in 1982, Crash Records Show

A total of 323 people died in 1982 because of driving errors committed by drivers who were drunk, according to a study by the state Department of Transportation.

Russell Fleming, chief of accident data in the Division of Motor Vehicles, said his study found that of the 775 traffic deaths last year, 42 per cent died in crashes in which 281 at-fault drivers were either charged with drunken driving or whose blood tested at .10 per cent blood-alcohol concentration or above.

The comparable study found that of the 927 traffic deaths in 1981, 411, or about 44 per cent, were killed in accidents in which the at-fault driver was drunk.

"The total death toll due to drunken driving is actually even higher," Fleming said. "The report covers only those accidents in which the investigating officers indicated on the accident reports which drivers were at fault. It does not include those accidents in which the investigating officer was unable to determine the actual cause, or those accidents where the at-fault driver survived several hours beyond the time limit for taking blood samples," he added.

The study does not include drivers who were legally intoxicated but not determined to have caused the accident.

Fleming said the 323 victims of drunken drivers include the drunken drivers, themselves, plus their passengers, drivers or passengers in other vehicles, as well as motorists, bicyclists and pedestrians.

"In view of these facts, it is hard to understand how anyone can claim that Wisconsin's new drinking/driving law is too harsh," Fleming said. "These statistics show clearly that drunken driving is a crime that should not be tolerated. The fact that the drunk driver is his/her own most frequent victim does not in any way alleviate the seriousness of the offense," he concluded.

washington county, wis. SHERIFFS DEPARTMENT

Clarence A. Schwartz, Sheriff

Use of Parking Lights Instead of Headlights Can Be Costly

Drivers who use parking lights instead of headlights are breaking the law and are subject to forfeiture and penalty points, notes Washington County Sheriff Clarence Schwartz.

If the car is moving and you need lights to see or be seen, use headlights. If the car is parked, use parking lights, is Sheriff Schwartz's advice.

Headlight use is required during hours of darkness, which include hours from a half hour after sunset to a half hour before sunrise, as well as all other times when vision is limited by rain, snow, dust or fog.

Wisconsin law also forbids substituting amber adverse weather lights for headlights, unless absolutely necessary in case of snow, rain, dust or fog.

Sheriff Schwartz said the uniform traffic deposit schedule calls for a deposit of \$30.40 for a first offense of operating without required lamps lighted or for improper use of parking lights. In addition, drivers receive three (3) demerit points against their driving record for headlight violations, or two (2) demerit points for parking light violations.

Driving Tips

Driving "into the sun" can be exasperating, points out Washington County Sheriff Clarence Schwartz. Using your sun visors and keeping your windshield clean are two real helps in fighting this road menace, Schwartz said. Adding that, using colored glasses also may help.

Driving eastward facing the rising sun, or driving westward facing the glaring rays of the setting sun, you may feel able to cope with this problem satisfactorily, but be on the alert for nearby fellow motorists who

may not be as safety minded as you, the Sheriff advised.

For safer night driving, make sure your headlamps, taillights and turn signals are kept clean - allowing you to see and be seen clearly, he continued.

The spray thrown on your vehicle by passing vehicles at this time of year may include dirt and grime from the pavement, sand and salt mixed with melting snow, and soot from the chimneys of homes and factories, Sheriff Schwartz concluded.

Band Director to Address Washington County UW Alumni

Michael Leckrone, director of the famous University of Wisconsin-Madison Marching Band, will be the guest speaker April 14 when the UW Alumni Club of Washington County celebrates Founders Day.

A 6 to 7 p.m. social hour will precede the dinner and programs at the Barth's Linden Inn, Hwy. 144 on Big Cedar Lake, West Bend. Reservations, at \$10 each, should be made immediately with Dave Zoerb, 870 South Silverbrook Dr., West Bend 53095, telephone 338-6255.

Leckrone joined the UW-Madison faculty in 1969 and has directed the 230-member volunteer band at UW-Madison for about 10 years. When he took the position, only 96 people tried out for the band, matched by about 380 this year.

The UW Marching Band plays for about one million people a year. Leckrone arranges the music as well as designing the band's marching formations.

The observance marks the university's 134th year.

Randi Johnson of Eau Claire and Matthew Glowacki of Janesville, this year's Easter Seal children, met with Governor Anthony Earl to deliver Wisconsin's first sheet of Easter Seals. This presentation officially kicks off the 1983 Easter Seal campaign.

This year's first Easter Seals were personally presented to Governor Anthony Earl by Wisconsin's 1983 Easter Seal children.

The presentation officially opened the Easter Seal Society of Wisconsin's annual campaign.

Randi L. Johnson of Eau Claire and Matthew Glowacki of Janesville, the 1983 Easter Seal Children, represent nearly 6,000 Wisconsin residents with disabilities who are served by programs and are served by the Easter Seal Society of Wisconsin.

The traditional campaign, which runs until Easter Sunday, is one of the Easter Seal fund raising events designed to support the year-round programs of the Society.

Easter Seal Camp Wawbeek and Pioneer Camp in the Wisconsin Dells provide camping, recreation and therapy in a natural setting for physically disabled children and adults during the summer.

Another major Easter Seal program in Wisconsin is the Easter Seal Homecraft Program. This program, offered in cooperation with the State Division of Vocational Rehabilitation, markets items handmade by homebound disabled people in a statewide

network of shops. For more information regarding your Easter Seal Society, write 2702 Monroe St., Madison, WI 53711, or phone (608) 231-3411.

J & J AUTO TOPICS

STICKY VALVES

Valve grinding is a necessary engine service after long periods and/or high mileage. Some of the symptoms of pending valve trouble are power loss, missing at low speed and rough idle. Fast and big mileage drivers need this service less than the slow, small mileage city driver because carbon doesn't form as quickly, a cause for burned valves.

We have the intricate equipment at J & J AUTO SERVICE for testing valves, and can test your car's valve condition quickly. And if this service is necessary, we do it according to your model's specifications. And if replacements are necessary, the quality is as high if not higher than the original parts.

Make the drive to 450 E. Main for the assured auto maintenance service that adds many efficient miles to your car at less cost per mile. See us today.

Contemporary Tailoring Course Is Rescheduled

The Contemporary Tailoring Course sponsored by U.W. Extension has been rescheduled for Wednesday, March 30, at 6:30 p.m. in Court House Annex II.

The course will include choosing the best patterns, interfacing and notions to accompany your fabric for sensational looking blazers. Nancy Ziemann, sewing specialist will show techniques on how to tailor with fusible interfacing, including tips on double-fusing. Other tailoring techniques that will be taught include magical tailor pockets, pocket flaps and

welts with innovative sewing skills and creating a perfect lapel.

Registration fee is \$6.00. To register, send in your name, address and phone number, along with \$6.00 to Joyce Albrecht, UWEX, P.O. Box 537, West Bend 53095 or call 338-4479; 644-5204 or 342-2929.

Deadline for registration is March 28.

Portions of the Atlantic sea-board are sinking at a rate of about a foot per century.

Douglas Smith, Microcomputer Instructor for the University of Wisconsin Extension, will be teaching 5 sections of Microcomputer courses at the University of Wisconsin Center-Washington County, West Bend, April 11 through 28. Call 338-5218 to register for this course.

The University of Wisconsin Center-Washington County, in conjunction with UW-Extension, will offer five sections of Microcomputer Workshops beginning April 11 at the West Bend campus for anyone who is curious about microcomputers in their personal or professional lives.

"Increasingly, we are finding that the home or personal computer is becoming part of everyday living. Whether you want to program your own computer or to learn enough to define your needs, this beginning course will help you live with microcomputers," says Chuck Wise, workshop coordinator.

The workshops are designed to teach the fundamentals of the BASIC programming language to those with little or no computer experience. Class members will learn the BASIC vocabulary and its uses, as well as some aspects of programming the language. Extensive hands-on experience (there will be one computer for every two students) in the classroom will allow students to write elementary programs, learn more about uses for home, school or office and practice solving general problems.

The objectives of the course are to gain confidence in working with microcomputers; to learn some of the fundamentals of the BASIC programming language; to begin to utilize this knowledge in structured programs; and to begin to creatively solve problems of individual

interest on the microcomputer.

Students completing the course should be able to decide whether microcomputers have application for them; construct beginning programs for the microcomputer; run and better understand purchased programs; and continue to learn more about microcomputers either on their own or in more advanced classes.

Course instructor, Douglas Smith, has been involved with microcomputers both professionally and personally for the past four years.

"I look forward to helping people become comfortable with the microcomputer," says Smith. Extensive knowledge of mathematics is not essential in programming a microcomputer. Common sense and a lively curiosity will enable students to creatively solve problems. No previous knowledge of computers is assumed...this is a beginning course. High school students are also welcome to register for these adult classes."

Smith has his B.S. degree in Business and Marketing from the University of Illinois, and has been in various phases of business for over twenty years.

To derive maximum benefit from the course, students should plan to allocate some personal time between class sessions (especially after classes 3, 4, and 5) to define and solve problems. Although no extra computer time can be scheduled during class sessions, there will be some opportunity during the last

classes to experiment with newly learned skills.

If schedules permit, registration in a daytime section will be appreciated since the evening sections fill rapidly and the class size is limited.

The Microcomputer Workshops schedule is as follows:

SECTION 1 - Mondays and Wednesday, 1:00-3:30 p.m. April 11, 13, 18, 20, 25, 27.

SECTION 2 - Mondays and Wednesdays, 7:00-9:30 p.m. April 11, 13, 18, 20, 25, 27.

SECTION 3 - Tuesdays and Thursdays, 9:00-11:30 a.m. April 12, 14, 19, 21, 26, 28.

SECTION 4 - Tuesdays and Thursdays, 1:00-3:30 p.m. April 12, 14, 19, 21, 26, 28.

SECTION 5 - Tuesdays and Thursdays, 7:00-9:30 p.m. April 12, 14, 19, 21, 26, 28.

The fee for the six session course is \$55.00, including all materials. Although it is recommended that students share a computer (two students per computer), an individual may have his/her own computer for an additional \$20, payable at the first class session, if extra equipment is available. 1.5 CEUs are available from University of Wisconsin Extension, Education.

To register or obtain more information about the Microcomputer Workshops, contact Mary Kay Roloff or Mary Andera at UWWC, 400 University Drive, West Bend, WI 53095, or call 338-5218.

Gehl Company Receives Soil Conservation Award

Left to right: Arthur Kurtz, President Wisconsin Chapter SCSA; John Kamps, President Gehl Manufacturing Company.

The Gehl Company of West Bend received a Soil Conservation Society of America (SCSA), Wisconsin Chapter, award for consistent and faithful contribution to conservation education in the elementary schools of Washington County. The award was presented to John Kamps,

President of the Gehl Company, at the Society's annual meeting in January held at the Upham Woods near Wisconsin Dells.

The Gehl Manufacturing Company has sponsored SCSA educational booklets to all fifth graders in Washington County each year for the past 17 years.

NOTICE

Town of Kewaskum Residents DOG ORDINANCE ENFORCEMENT

Numerous complaints have been received recently by the Town Chairman regarding dogs running at large. Please be aware of the Washington County Dog and Animal Care Ordinance.

It is unlawful to own, keep or harbor a dog which runs at large. A dog is considered running at large when it is not on the premises of its owner. The owner shall forfeit not less than \$25 nor more than \$100 for the first offense, and not less than \$50 nor more than \$200 for subsequent offenses, plus costs for prosecution when applicable. The ordinance shall be STRICTLY ENFORCED.

BIRTHDAY MEMORIAL

In remembrance of Burnette Schmitt in observance of her sixtieth birthday, March 29, 1983:

We watched through all your suffering, and often had to cry. For we knew that very soon, we'd have to say Good Bye. When days are sad and lonely and everything goes wrong, we seen to hear your whisper, "Cheer up and carry on." Each time we see your picture, you seem to smile and say; "Don't cry, my loved ones, I'm only sleeping, we'll meet again someday."

Your loving family

**District Leadership Elected at ADA
Of Wisconsin Meeting Held in Kewaskum**

ADA of Wisconsin's District 5 delegates are: [front row, left to right], O. Kohlwey, E. Paulus, L. Budde, M. Troeller, M. Wilkinson, G. Seiler, E. Qualmann; back row, R. Wondra, J. Widmer, J. Schmid, G. Berg, D. Rose, F. Mayer, T. Kelroy. Not pictured are C. Rhein and V. Krueger.

The American Dairy Association of Wisconsin held its District Five Annual Meeting at Kewaskum recently. District Five includes Fond du Lac, Dodge, Ozaukee, Sheboygan and Washington Counties. Election of Committee Members and Representatives was held. Fred Mayer, Slinger, was elected to serve a three-year term as a producer Committee Member. Returning producer Committee Members are Gordon E. Berg, Brownsville; Ed Qualmann, Iron Ridge; David Rose, Eden; and Verlyn Krueger, West Bend. Representing

industry, Gary Seiler, Elkhart Lake, with Lake to Lake was elected to serve a two-year term. James Widmer, Theresa, of Widmer's Cheese Cellars is a returning industry Committee Member. Ed Qualmann was elected chairperson of District Five. Gordon E. Berg was elected vice-chairperson and Gary Seiler was elected secretary. Ed Qualmann and James Widmer were nominated as candidates for the State Board of Directors. State Board of Directors were elected at ADA of Wisconsin's State Annual Meeting in Stevens Point March 1 and 2.

Producer Representatives elected to serve one-year terms include Ray Wondra, Mayville; Edward J. Paulus, Belgium; Charles Rhein, Brownsville; Otto Kohlwey, Grafton; and Thomas Kelroy, Fond du Lac. Mel Wilkinson, Waupun, of Alto Cooperative Creamery and Leo Budde, Beaver Dam, of AMPI were elected to serve as industry representatives. In other meeting proceedings, Membership Director John Frizzell reported a record income of over \$3.8 million for 1982. This is an increase of

more than \$700,000 over set-aside from 1981. Frizzell also noted ADA of Wisconsin enjoyed a record growth year with 4,276 new members joining the organization in 1982. ADA of Wisconsin General Manager John Oncken described ADA of Wisconsin's involvement in advertising and delivered a presentation explaining the process of television commercial production. He urged continuing support for marketing and promotion of dairy foods to help insure the future of the dairy industry in Wisconsin. ADA of Wisconsin is made up of dairy farmer members who voluntarily contribute a portion of their milk income to the promotion of Wisconsin's dairy products.

Village of Kewaskum ORDINANCE NO. 83-4

AN ORDINANCE TO REPEAL AND RECREATE CHAPTER 13.46 [1] & [2] OF THE MUNICIPAL CODE OF KEWASKUM, WISCONSIN (Relating to the USER CHARGE on sewer service)

THE VILLAGE BOARD OF THE VILLAGE OF KEWASKUM, WASHINGTON COUNTY, WISCONSIN, DO ORDAIN AS FOLLOWS:

User charges for the fiscal year 1983 in the Village of Kewaskum, Wisconsin. Chapter 13.46 of the Municipal Code of Kewaskum, Wisconsin, is repealed and recreated to read as follows:

13.46 USER CHARGES. (1) INDUSTRIAL. Unit costs for the sewer service charge, which include operation, maintenance, replacement and debt service, shall be as follows:

Volume charge	\$845 per million gallons
BOD charge	\$0.21 per lb. of BOD
Susp. Solids charge	\$0.29 per lb. of SS
	\$1.87 per 1,000 gallons

(2) RESIDENTIAL AND COMMERCIAL. Residential and commercial users of the sanitary sewers who discharge wastewater are assessed a single rate per 1,000 gallons determined from the unit costs in (1) above. The BOD and SS concentrations used to calculate the BOD and SS charges are the average concentrations contributed by this class during the previous year. For 1983 rates, a BOD concentration of 271 mg/liter and a SS concentration of 246 mg/liter were used. The total user charge rate for this class is determined as follows:

Volume of flow, per 1,000 gallons	\$0.845
BOD = 0.001 x 8.33 x 271 x \$0.21	\$0.455
SS = 0.001 x 8.33 x 246 x \$0.29	\$0.570
	\$1.87 per 1,000 gallons

Adopted this 21st day of March, 1983

Attest: Daniel S. Schmidt, Administrator

Nell Is Named New Head Wrestling Coach at KHS

At a school board meeting last week, John Nell was named as the new head wrestling coach at Kewaskum High School. He succeeds Fran Charland, whose resignation was accepted by the board, after serving as 13 years as director of the sport.

Nell, a health and physical education teacher at the high school for the past three years, is a native of Fond du Lac. He participated in wrestling for Goodrich High School in Fond du Lac and also wrestled at Winona State College for four years before coming to Kewaskum, where he has been an assistant for three years.

Nells plans to start a Saturday morning wrestling program for elementary students in April, so that the participants can begin wrestling in weekend youth tournaments.

Charland, who took over the coaching position in 1970 for the varsity, said he was resigning to devote more time to his family

and postgraduate studies he is taking. He also wants to give someone else the opportunity to direct the program with the hope that it will meet with more success in the future.

Charland had three wrestlers for state wrestling meets. Al Schmidt took third place in the limited division in the mid-1970's. Scott Klein placed third at 98 pounds in 1980. Kim Rodenkirch was also a qualifier but did not place.

The board also acted on two other coaching positions. It approved the resignation of girls' tennis coach Jan Rosenthal, pending a search for a suitable replacement, and an assistant football coaching position for Joe Harlow. Rosenthal has coached tennis for the past three years and this year, the first one that the Eastern Wisconsin officially sponsored the sport, his girls placed second.

Hartford Girls, Boys Defeat KHS in Indoor Track Opener

Kewaskum High School opened its indoor track season by hosting Hartford last Tuesday and the Orioles took both the girls' and boys' ends of the meet.

In the girls' end of the meet, Hartford edged the Indians, 54½-45½, while a mixed team of Hartford varsity and JV boys won handily over Kewaskum, 80-38.

The Indian girls took two more first places than the Orioles, but Hartford came out ahead with their seconds, as they registered nine to only one for the Indians.

Top point getter for the Orioles was freshman Pam Hanrahan. She took a pair of first places in the 45 meter dash (6.6) and the long jump (15¼). She also took seconds in the open 400 and the 200.

Penny Schmidt, a junior, was a double winner for the Oriole coach Connie Kreuser. She took the high jump at 4-10 and won the 45 meter hurdles in 6.6.

Senior Vicki Schultz, who has not been out for track for two years, also did well in the 1600, taking a second in 6:14 for Hartford.

Indian coach Jane Vesper was pleased with Holly Kempf for her first place in the shot with a 35' 6" throw.

Kewaskum sophomore Sandy Secor took a first in the 200, second in the low hurdles, and third in the long jump. She should be a strong contributor to the team.

KHS' Linda Larsen won the 800 in 2:33.6, a better time than she recorded a year ago and Sandy Klein had a good effort in the 400.

For the boys, Tom Leow paced the Orioles with a triple win—in the long jump and both hurdle events. In the long jump he had a leap of 21-7½.

Tom Smithyman had a 12-6 effort in the pole vault for the Orioles, good for first place by 2½ feet. Also impressive for the first meet was a 6-0 high jump by Tom Polich, the Orioles'

defending Little Ten champ.

Kewaskum's best performances were Jeff Schmidt's win in the 400 (60.9) in his first track meet, Mike Steinhardt's 200 win, and Monty Shaw's effort in the 800.

Coach Dave Drexler also praised Kyle Vogt's second in the 3,200. Vogt, only a freshman, ran it in 11:58.7.

Several Indians missed the meet because of injuries and training rule violations.

GIRLS TRACK

Hartford 54½, Kewaskum 45½

Shot Put — 1. Kempf K 35-4; 2. Rufener H 33-1½; 3. Kuphal K 31-9.

High Jump — 1. Pollich H 6-0; 2. Friday H 5-6; 3. Steinhardt K 5-6.

45 meter high — 1. Leow 6.7; 2. Landman 7.0; 3. Kazabucki H 7.5.

45 meter low — 1. Leow 6.3; 2. Landman 6.5; 3. Kazabucki 6.9.

Pole Vault — 1. Smithyman H 12-6; 2. Hattori H 10-0; 3. Hetzel H 9-0.

45 meter dash — 1. Kazina H 5.9; 2. Smithyman 6.0; 3. Mertzig K 6.1.

1600 — 1. Nelson H 5:15.2; 2. Nigh K 5:25.5; 3. Koupl K 5:28.4.

400 — 1. Schmidt K 60.9; 2. Rodenkirch K 61.3; 3. Griep H 62.0.

800 — 1. Shaw K 2:20.8; 2. Kl. Voot K 2:34.4; 3. Luisleis H 2:44.4.

200 — 1. Steinhardt K 27.1; 2. Kramer H 27.5; 3. Dreher K 29.8.

3200 — 1. Duernberger H 11:51.8; 2. Kv. Voot K 11:58.7; Koupl K 12:06.

1600 meter relay — 1. Kewaskum 4:14 (Hartford was disqualified).

FOUR KEWASKUM CHAMPS IN WRESTLING TOURNAMENT

Kewaskum had four champions in the Ozaukee Kids Tournament, including Chris Charland, age 11; Mark Callison, 14; Greg Callison, 12, and Jon McClarathon, 11.

Milwaukee Bulldogs 'Bully' Kewaskum at Kaukauna Tourney

The Kewaskum Lakes basketball team was soundly beaten by the Mack Bulldogs of Milwaukee, 105-75, in their opening round game of the Holy Cross Open Basketball Tournament at Kaukauna Saturday night, as Leon Walls fired in 33 points to lead the Bulldogs. Kewaskum is thus eliminated from the tournament while the Bulldogs move into the quarter-final round against Winchester Bar of Milwaukee this Friday at 8:15 p.m. The tournament will conclude this weekend with the championship game slated for Sunday at 8:15 p.m.

The Bulldogs, composed of former college stars, proved to be too much for Kewaskum to handle. "They've got to be the best amateur team in the state. Their size is awesome and their guards are such excellent shooters," remarked Kewaskum manager Bill Backhaus. "It's too bad we had to draw them in our first game because I think we could have done well against most of the other teams in this tournament." The Bulldogs have four players between 6-5 and 7-feet tall. On the other hand, Kewaskum's tallest player was 6-5. The bulldogs have won the Kaukauna tournament four of the last six years and have already won three other tournaments this year and finished second in another.

Despite all of this, Kewaskum did jump to an 8-0 lead against the Bulldogs. But it was all downhill after that. The Bulldogs outscored them 24-5 the rest of the quarter to lead 24-13, behind Dave Delsman's 10. It was 51-26 at the half and 82-42 after three quarters. Craig Butrym had 12 in the third quarter for the Bulldogs. Kewaskum did outscore the Bulldogs by 10 in the final quarter as Mike Maney had 14 to bring the final margin to 30.

Walls, a 6-2 guard who played at St. Mary's College in Texas, was unstoppable. Butrym and Delsman, two former Marquette University players added 22 and 16 points, respectively. The seven-foot Butrym had about six stiff shots. Steve Peterson added 14. For Kewaskum, Maney led with 20 points, while Leon Laatsch added 16, Dale Wodsedalek 12, and Jeff Lehnerz 10. The 6-5 Wodsedalek has just finished his freshman year at Lakeland College, where he lettered.

Kewaskum will try its luck in the 28th Annual Howards Grove Athletic Association Tournament this weekend, as they will play Saturday and Sunday.

They open up against Kugles Keg of Reedsville on Saturday at 3:30 p.m. If they win this game, they will play the winner of Howards Grove Athletic Club and Todz Mahal of Milwaukee on Sunday at 6:45 p.m. If they lose the first game, they will play the loser of the Howards Grove-Todz Mahal game on Sunday at 8:00 p.m. The tournament will run from March 23 through April 2. It is a 24-team tournament with a consolation bracket for first-round losers.

In the final round of Land o' Lakes action over the weekend, the Menomonee Falls Badgers defeated Port Washington, 130-115, Sunday night, to claim the 'A' Division championship and the Lakes grand championship again. The Badgers finished with a 12-2 record, one game ahead of Cedarburg and Oconomowoc, both 11-3. The Badgers have won the Lakes grand championship for at least the last twelve years. Port finishes in second place with 7-8 in the 'B' Division, two games behind Kewaskum's champs, who were 9-6.

All-Star and Awards Night for Catholic Basketball League Friday at High School

HOLY TRINITY BOYS 'B' TEAM FINISHES FIRST

Friday, March 25, will mark the end of the regular season for the Holy Trinity teams in the Kettle Moraine Catholic Basketball League with the annual All-Star and Awards Night at the Kewaskum High School gym.

In the first year of organized competition, the girls team placed 2nd overall in league play. Led by Kathy Hefter and Sue Boddin, the girls also finished 4th overall in the St.

Mary's Springs, Fond du Lac and St. Kilian's Hartford, tournaments.

The 'B' team boys also did very well this year, finishing the season with a playoff with St. Matthew's, Campbellsport, for 1st place and winning it in overtime. Total team play was quite evident the whole season long, with Mike Struebing and Bob Castro leading the way.

The 'A' team boys, showing desire but lack of numbers, never got into the thick of the race and finished last in con-

ference play.

The girls all-stars will play at 6:00 p.m. with 1st place Lomira hosting the all-star girls, coached by Jackie Herges and Sharon Westerman, coaches for 2nd place Holy Trinity, Kewaskum.

The 'B' team boys all-star game will follow immediately, hosting 1st place Holy Trinity, Kewaskum, against the all-stars coached by Gary Schickert, coach of 2nd place St. Matthew's.

Awards, plaques and medals will be handed out between the 'B' team all-star game and 'A' team game. The 'A' team boys game will be hosted by St. Matthew's Campbellsport, against the all-stars, coached by Bill Mallo, of 2nd place Holy Trinity, Newburg.

Holy Trinity Girls Have a Successful Year

The 1982-83 Holy Trinity girls basketball team will officially end their season Friday. The girls were involved in their first year of league action, competing against area teams consisting of Lomira, Newburg, Eden and Barton.

Having a relatively "new" team this year, with only 3 girls returning, they worked hard and with combined efforts earned second place with a record of 6 wins and 2 losses.

This is the first trophy received in the 4-year history of the program.

During the last 3 weekends, the girls were involved in 2 tournaments, one at St. Mary's Springs and the other at St. Kilian's of Hartford. They took 4th place in each. They also received the sportsmanship/spirit award in Hartford. This was an award given to one team out of the entire tournament which consisted of a total of 32 teams, boys and girls, and 3 different grade levels. This shows that the girls are winners on and off the court.

The all-star game which will feature the 1st place Lomira team, against representatives from the other teams, will be held March 25 at 6 o'clock at the Kewaskum High School. Representatives from Kewaskum will be: A team - Sue Boddin and Kathy Hefter, and B team - Melissa Heisdorf and Debbie Rimmel. Boys' games will follow. Awards will be given out between boys' A and B games.

Girls playing this year: 8th graders - Kathy Hefter, Jill Rimmel, Sue Boddin, Julainé Beisbier, Michele Becker, Carla Anderson; 7th grader - Cammie Amerling; 6th graders - Elaine Berndes, Melissa Heisdorf, Angie Geidel, Lisa Harlow, Jenny Ramthun, Tammy Sabish, Michelle Etta; 5th graders - Tracy Knoeck and Debbie Rimmel. Statistician - Laura Jung; coaches - Jackie Herges and Sharon Westerman.

The team wishes to thank all the parents, timekeepers, and referees who gave up much of their time to help make a memorable year for all.

Laughter is sunshine in a house.
