Kewaskum School Board Proposes \$5,240,000 Budget for 1983-84

By GERRY MUELLER
Statesman Staff Writer

On a four to three vote at Monday night's Special School Board Meeting, the members approved a proposed 1983-84 budget of \$5,240,000, which will be presented to Kewaskum School District residents at the Annual Meeting on July 25th.

The board accepted the recommendation of District Administrator John Long that an additional \$50,000 be added to the earlier General Fund Budget of \$5,190,000. In a written report to the board, Long noted that the added \$50,000 "would not change the taxes from the original 5% increase talked about for the past six months. The \$50,000 comes from the cash flow increase of \$75,000," Long's report stated.

In his report, Long proposed the additional money be used to fund the proposed Maintenance Manager position at \$27,500 and, that the balance of \$22,500, be used for additional library books for all six schools.

Board member Neal Weare made the motion to approve the proposed recommendation and budget. The motion was

seconded by board member Lynn Dieringer and passed with Weare, Tom Brigham, Dieringer and Jean Goeden voting for, and John Spoerl, Ralph Horner and Charles Ogi voting no.

Administrator Long became upset when Spoerl asked to "hold off" a vote on the budget saying he had not had enough time to review the budget print-out. Long noted the board had been continually delaying a decision on the budget and it had to act. Board President Goeden noted Spoerl had the information as long as she and the other board members did and asked Spoerl if he would like another meeting Tuesday night to vote on the budget. He said no, that he probably still would not have had a chance to act on the budget. Long stated the decision could not be put off any longer since he had to finalize figures and get the budget printed and into the hands of the voters at least two weeks before the annual meeting.

Long also asked board permission to pay bills for 1983-84, with any surplus funds which may be left after the 1982-83

Accounts Payable are cleared. Several questions rose regarding what should be done with the extra money depending if, and how much money is left.

Long recommended payment of insurance premiums. Ogi noted he was under the impression this had already been paid. Long said Ogi may be correct, since he was not familiar with all the transactions handled by former Business Manager Robert Borch before he left.

Former board member John Tessar, who was present at the meeting, said he was upset with the idea of using Trust Fund money to purchase computers for the district, noting he thought this money had been borrowed to do repair and maintenance work in the district. He suggested any surplus funds from the 1982-83 budget be used for the computer purchase rather than the loan money. "If we have \$50,000 to \$60,000 left in the budget, why don't we purchase the computers with that," said Tessar. Long said he was willing to go along with such a recommendation if that were the direction he received from the board.

Long also asked for and

Fr. Key Assigned as Minister to the Deaf

Father William Key is the newly appointed Milwaukee Archdiocesan coordinator of Catholic ministry to the deaf and hearing-impaired. He begins his new position Friday at St. John Center, the former St. John's School for the Deaf, 3680 S. Kinnickinnic Ave., St. Francis.

Father Key, a native of Kewaskum, is the son of Mr. and Mrs. William Key, Kewaskum.

Key, former associate pastor of St. Leonard Catholic Church in Muskego, has been attuned to the needs of the deaf throughout his priesthood. At St. Leonard and at St. Aloysius Catholic Church in West Allis, he regularly celebrated masses in sign language.

The priest will offer masses in sign language every Sunday. Once a month, he will sign a mass at St. John Center. On other Sundays, he will be at churches in various parts of the archdiocese.

The signed masses also "touch the hearing" by making parishioners more aware of the

special needs of the deaf and hearing-impaired, he said.

The 10-county archdiocese has about 2,000 deaf and hearing-impaired people, Key said. Those numbers justify removing a priest from a parish position to work full time with the deaf community, he said, even though there is a critical need for parish priests.

Key will be involved particularly in sacramental programs, such as marriage instruction and preparation for baptism and communion. He also will do some counseling, hear confessions and conduct Bible study sessions.

The priest became interested in working with the deaf as a student at St. Francis Seminary. He asked that he do his outreach service as part of his seminary training at St. John's School for the Deaf.

One of his greatest rewards, the priest said, is helping deaf Catholics be part of their church. And, in return, the church will benefit from their participation, Father Key noted.

Kelly Kreif Wins \$500 First Prize At Church Picnic

Picnic raffle winners at the Holy Trinity Church picnic which was held at River Hill Park, Kewaskum, on Sunday, are as follows:

1. Kelly Kreif, Kewaskum, \$500.
2. Mike Moran, West Bend, \$300.
3. Mike Ruppert, Kewaskum, \$125.
4. Fred Miller, Kewaskum, \$50.
5. Joe Ruplinger, Allenton, \$25.

Throughout the day, hourly donated prizes were also raffled.

Bingo and various other games were played, entertainment provided, sandwiches and refreshments served.

The committee wishes to express thanks to all who donated prizes, helped and all who attended the first annual picnic.

Hot, humid, 96 degree weather kept the attendance down somewhat but the day was a success.

Here Sunday, July 3

The customary colorful Fourth of July holiday fireworks display will again be held in Kewaskum River Hill Park this Sunday night, July 3. This annual event is sponsored by the Village of Kewaskum under the supervision of the fire department.

The dazzling fireworks will be set off at dusk from the west side of the Milwaukee River. Spectators on the park hill across the river will have the best view of the electrifying fireworks, which will include ground displays of color and light and thunderous aerial bursts and sprays illuminating the sky.

The park will open at 6:00 p.m. and food and refreshment stands will be in operation at that time. Hamburgers, hot dogs, popcorn, beer, and soda will be available. Live music will be provided from 7 to 9 p.m. and 10 to 12 p.m. by Danny and the Sunliners.

All residents of Kewaskum and surrounding area are invited to add some "spark" to their holiday celebration by attending the breathtaking fireworks spectacular. Come early and enjoy the entire evening.

In the event of rain, the fireworks will be held on Monday, July 4.

Lions Install New Officers, Discuss Community Activities

Last Saturday night the Kewaskum Lions and their wives celebrated their annual installation of officers at a dinner meeting held at the Hon-E-Kor, Kewaskum.

Lion President Les Strobel opened the meeting with a welcome and the introduction of guests, Mr. and Mrs. Norman Dogs, Mr. and Mrs. William Harbeck and the guest speaker Lion Past District Governor Ralph Mehlos and his wife Dorothy from Delafield, Wisconsin.

Following the dinner the guest speaker, gave a very inspiring message regarding the various programs sponsored by the Lions organization and the various programs that the Kewaskum Lions have supported during these past years. He stated that just thirteen years ago, on May 20, 1970, a small number of men gathered together and the Kewaskum Lions club was chartered. During the past thirteen years the club has increased to almost forty members. He also complimented the members on their dedication and individual contribution to the Lions organization and to the various community programs sponsored by the Kewaskum club. He emphasized how the club has actively and financially supported the various state and international programs designed to help the blind and deaf individuals, including those individuals within

the Kewaskum Community that have received financial help each year.

Recognition was also made to the local community programs such as being the major sponsor of the Special Olympics, the new Diabetes Detection Program, the new Scholarship Award Program and the new Senior Citizens Easter Program.

Past District Governor, Lion Ralph Mehlos, concluded his message by telling the Kewaskum Lions that they can be very proud of their sponsored programs and are successfully representing Kewaskum along with the other 1.4 million Lion members throughout the 157 countries that are also promoting Lion sponsored type programs.

The newly elected officers were then installed as follows:

- President - Earl Etta.
 - First Vice President - Paul Blumer.
 - Second Vice President - Paul Behring.
 - Third Vice President - Harold Pritzkow.
 - Tail Twister - Dale Squier.
 - Lion Tamer - Al Panzer.
 - Treasurer - Frank Beesten.
 - Financial Treasurer - Cliff Herte.
 - Secretary - Earl Buswell.
 - Director - Vic Backhaus.
 - Director - Cliff Herte.
 - Director - Homer Schaub.

The Kewaskum Schools - Why The Trust Fund Is Needed

Part Three, Kewaskum Middle School, Wayne and Beechwood Elementary Schools

By GERRY MUELLER
Statesman Staff Writer

While the Middle School is the newest of the District's structures, repairs and updating are also becoming necessary for this building. In referring back to District Administrator John Long's "Priority List," there are eight projects listed for the Middle School which have an estimated total cost of \$24,000.

These items include installation of a standby circulating pump \$3,300, lowering the ceiling in the shop area \$4,130*, installation of air locks in the south and north doors \$5,800*, installation of new drapes (replacements) \$2,000, pave the area on the north side \$2,000, repitch the sod around the building \$300 (if done with paving), update heating controls \$3,400*, and install motorized gas valves \$2,715.

Of the eight projects, five, lowering the ceiling, air locks, paving, heating controls and the gas valves total slightly more than \$18,000. This amount would, if still available, be taken from the \$60,000 in loan money which had originally been projected for re-paving the high school parking lot. This item was dropped from the high school's priority list.

Some of these projects fall lower on the Middle School's priority list and may not be considered for completion because of a shortage of money, as the high priority items are completed and funds run out.

Wayne has four items on Mr. Long's list. Two, air locks for the south entrance \$2,000 and updating the heating controls \$8,500*, may be done, again, with some of the money which had been earmarked for the high school paving which was

dropped. The third item, a small art kiln \$650, has been put into the General Budget. Project number four is replacement of the glass gym doors on the west side, approximately \$250*. The total cost for all four items is \$11,400.

Beechwood Elementary has seven priority items for a total estimated cost of \$43,650. Top priority is a new roof over the office hall, restrooms and janitorial rooms estimated at \$4,250, replacement of some windows with insulating panels \$18,300 to \$24,800*, and purchase of library books, \$5,000. Three lower priorities, installing a new heating control with a night setback \$8,800*, re-tiling the hallway \$1,450 and replacing weatherstripping on all the outside doors would hopefully come from the \$60,000 figure mentioned earlier.

These projects will be looked at by the board as to critical need and priority along with the all-important factor of how far the \$400,000 in loan money can be stretched.

As in the previous article regarding the high school, there are several items with an asterisk indicating there is a payback period. They may also contribute to heating and energy cost conservation.

Outstanding Young Farmer

Mike Korneli [right], State Director for the Kewaskum Jaycees, presents the Outstanding Young Farmer award to Robert Etta.

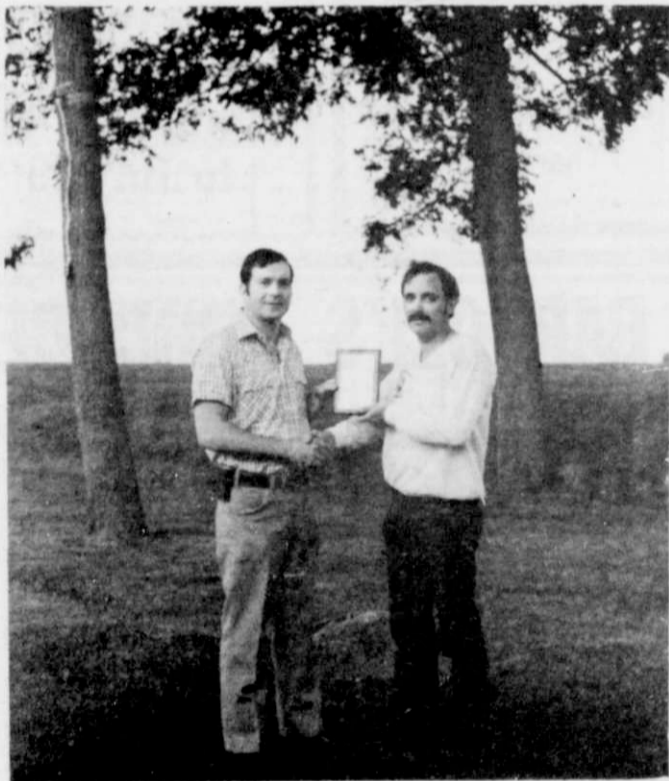

The Kewaskum Jaycees presented their Outstanding Young Farmer award Saturday evening during the Dairy Daze celebration. Each year the Jaycees select a young farmer to receive this award. The Outstanding Young Farmer award program is also held on a state and national level. Last year's national Outstanding Young Farmer was from the state of Wisconsin.

This year's choice for the Outstanding Young Farmer is Robert Etta. Robert is 32 and farms with his father Lloyd and brother Terry. Their farm is just north of Kewaskum on County Hwy. S. The Etta family owns

165 acres and rents an additional 310 acres. They milk 85 cows which produce about 5,000 pounds of milk per day. This figures out to about 60 pounds of milk per cow.

Robert is a past graduate of Kewaskum High School. He went on to attend UW-River Falls where he received a degree in Animal Science. After graduation he worked for almost one year for the Federal Land Bank before returning to work the farm. Robert remains active in local farm organizations. He is presently president of the local Future Farmers Alumni group.

Outstanding Young Man

Mike Korneli [right], State Director for the Kewaskum Jaycees, presents Outstanding Young Man award to Richard W. Schmidt.

Each year the Kewaskum Jaycees present an Outstanding Young Man award. This award is given to a young man who has shown all around active participation in community affairs. The recipient for the Kewaskum Jaycees Outstanding Young Man for 1983 is Richard W. Schmidt. Richard received his award Saturday evening during the Dairy Daze celebration.

Richard has been an active

member of the Kewaskum Fire Dept. since 1968. He also served 5 years as a member of the rescue squad. He presently serves as Secretary Lieutenant. During 1976 and 1977 he was a Big Brother of Washington County. In 1977 he coached in the Kewaskum Jaycees Traveling Little League. Richard served in the army from 1969-1971 doing a tour of duty in Vietnam. He is a member of the Robert G. Romaine

American Legion Post 384 of Kewaskum. At present Richard serves as a Village Trustee.

Communities like Kewaskum depend on young men like Richard W. Schmidt. They devote a lot of time and effort to help the community grow and prosper in the right direction. The personal rewards for all the time and efforts are small. This is why the Kewaskum Jaycees Outstanding Young Man award is important.

The Kewaskum Jaycees would like to remind the community that they can nominate someone for this award. The only qualifications for this award is the young man must be between the ages of 18-35. He must also be very active in community affairs. Start thinking now about a candidate for next year's Outstanding Young Man Award.

SPECIAL THANKS

received board approval to seek short-term borrowing of \$1,500,000 in 1983-84. Long said the need for this borrowing was an annual process, needed to maintain the district's cash flow.

Long noted the need arises because the district does not receive all its school taxes and state aids money at one time. More and more people are deferring the second half of their property taxes which results in the district being short of funds until after July when taxpayers make their final payment and the county can forward the money to the school districts.

The board was told by Long that the district presently has \$900,000 in taxes outstanding and \$600,000 in State Aids, which it has not received. Long said the district was supposed to receive its aids money on the 10th, however, the state did not have the money and had delayed issuing funds until July or August.

In other action, the board

approved paying Mrs. Penny Pohle an additional \$990 for extra services during May, June and July. Upon Borch's resignation as business manager, Pohle assumed many of the responsibilities and duties of the manager's position. Long noted the added pay was less than 1/6 of what a business manager would have received for doing the same work.

The board also approved transferring of funds to pay the retroactive salary increase awarded to KEA teachers in their 1982-83 contract settlement.

Reporter's Note - In checking with the District business office, we were informed that Board Member Charles Ogi comment regarding the prepayment of 1983-84 insurance premiums was incorrect. The surplus money used last August was a surplus from the 1981-82 budget used to pay 1982-83 premiums, not 1983-84 insurance as stated by Ogi.

Lion President Etta concluded the meeting with the following announcements. The Kewaskum Lions annual chicken Bar-B-Q will be held at the River Hill Park on Sunday, August 21. He also stated that the fund raising event for Robert Haney is gaining in sponsorship by the entire community. The Robert Haney fund committee is actively represented by individuals in business and the different service organizations in Kewaskum. The special fund raising event is being planned for a Sunday afternoon and evening in late August, so the Kewaskum community will have the opportunity to personally express their financial support to Robert Haney and family. Etta - Beth

On Saturday, May 14th, Jill Anne Etta and Thomas Robert Beth were united in marriage at Zion Evangelical Lutheran Church, Kohlsville. The Reverend Erwin E. Schewe officiated at the 2:00 p.m. ceremony.

Parents of the couple are Mr. and Mrs. Ethan E. Etta, 5599 Beechnut Drive, West Bend, and Mr. and Mrs. Mickey Beth of 7435 Glacier Drive, West Bend.

The maid of honor was Rosemary Kincaid, friend of the bride. Bridesmaids were Vicki Beth, sister of the groom, Julann Zemlicka, Kelly Butzke, friends of the bride, and Holli Etta, cousin of the bride. The flower girl was Tiffany Breaker, relative of the bride.

The best man was Tim Beth, brother of the groom. Groomsmen were Jon Etta, brother of the bride, Dan Kaehler, Bruce Rodenkirch, Kraehns of the groom, and Randy Beth,

brother of the groom. The ringbearer was Jason Knickel, Godchild of the bride.

Ushering duties were shared by Robert Gessert, cousin of the groom, and Perry Etta, uncle of the bride. Usherettes were Lee Kurth and Annette Kurth, friends of the couple.

Organist was Elaine Schulz and soloist was Mark Pamperin.

The reception, dinner, dance, and late-night buffet was at the K.C. Hall, West Bend.

The bride is employed at M & I First National Bank, West Bend, and the groom is employed at Serigraph Sales, West Bend.

Following the wedding trip to Florida, the couple reside at 5523 Beechnut Drive, Kewaskum.

There are miniature kangaroos that are no bigger than rabbits.

Marie Schmidt, Norbert Dogs Called in Death

Mrs. Marie S. Schmidt, 84, of Kewaskum, passed away Monday, June 27, at the Menomonee Falls Hospital in Menomonee Falls, where she had been a patient for some time.

She was born on July 13, 1898 in West Bend to the late August and Thecla Eckhart Kress. She was a graduate of the West Bend High School and a graduate in music from Milwaukee Normal. She taught music in Whitewater for one year.

In September, 1921 she married Theodore R. Schmidt in St. Kilian Catholic Church in Hartford. He passed away on January 19, 1959.

Survivors include two children, Robert (Rita) of Kewaskum and Mrs. Rita Ferris of Greenfield. She is further survived by nine grandchildren; one great-grandchild; one sister, Mrs. Hugo Bohn of Milwaukee; a son-in-law, M. Bruce Koth of Greendale, Wis.; other relatives and friends. Two daughters, Harriet and Marjorie (Mrs. M. Bruce) Koth, four sisters and five brothers preceded her in death.

Visitation was at Miller's Funeral Home, Kewaskum on Wednesday from 4 to 7 p.m. with a Mass of Christian burial

at 7:30 p.m. in Holy Trinity Catholic Church in Kewaskum with Father Robert Berghammer officiating. Burial was in the old Holy Trinity Cemetery in Kewaskum.

NORBERT DOGS

Funeral services for Norbert Dogs Sr., 75, of Route 1, Theresa, were held at 2 p.m. Friday at Immanuel Lutheran Church (River Church), Town of Theresa. He died Tuesday, June 21, at St. Agnes Hospital, Fond du Lac.

Pastor Dennis R. Schueler officiated and burial was in the church cemetery. Friends called from 5 to 9 p.m. Thursday at Koepsell Funeral Home, Mayville, and at the church from noon Friday until the time of services.

He was born July 4, 1907, at Mauston, Town of Summit, to the late William and Frances Wechselberger Dogs. On June 5, 1932, he married Hertha Benter at Immanuel Lutheran Church (River Church).

Mr. Dogs was an agent for Sinclair Refining Co. at Kewaskum, was employed by Miller's Furniture and Funeral Home in Kewaskum and was a director of the Midland Cooperative for 25 years.

He was a member of Kewaskum Volunteer Fire Department. He farmed in the Town of Theresa for 28 years before retiring.

Mr. Dogs was a member of Immanuel Lutheran Church

(River Church) and served on the school board of education.

Surviving are his wife; three sons, Clifford of Route 1, Theresa, Norbert Jr. of Manitowoc and Gary of Aztec, N.M.; two daughters, Mrs. Melvin (Florence) Teske of Yakima, Wash., and Mrs. Earl (Eugenie) Hildebrandt of Horicon; 11 grandchildren; and a great-grandchild.

Also surviving are a brother, Peter of Route 1, Mayville; and three sisters, Mrs. Arnold (Hedwig) Derge of Route 1, Mayville, Mrs. William (Wilhelmine) Bruhn of Route 1, Kewaskum, and Mrs. Eugene (Esther) Fenske of Route 1, Horicon. A brother preceded him in death.

BERNARD FLITTER

Bernard A. Flitter, 72, of 533 E. Main St., Campbellsport, died Wednesday, June 22, at St. Joseph's Hospital, West

Bend.

He was born Feb. 2, 1911, at Campbellsport, to the late Adolph and Belle Serwe Flitter.

Mr. Flitter was a tavern-keeper in Campbellsport, known as Flitter's Tavern and later as Bernie's, retiring two years ago.

He was a member of St. Matthew's Catholic Church at Campbellsport and Holy Name Society.

Survivors include two sisters, Frances Brown and Esther Volm, both of Route 2, Campbellsport; and three brothers, Edward and Arnold both of West Bend, and Alex of Lomira.

Funeral services were held at 10:30 a.m. Saturday at Twohig Funeral Home, Campbellsport, and at 11 a.m. at St. Matthew's Church, Campbellsport. The Rev. Victor Kemmer officiated

and burial followed in the parish cemetery.

Visitation for Mr. Flitter was after 4 p.m. Friday at the funeral home.

\$1,422.90 Raised for CF In Jaycees Bike-A-Thon

A total of \$1,422.90 was raised by 19 bikers who participated on May 14 in the Kewaskum Bike-A-Thon.

Terry Buswell would like to offer his sincere thanks to area citizens for their generosity. "This money will help aid two CF Centers in Wisconsin. It will also aid earlier diagnosis of CF and contribute to medical therapy," Terry said.

Buswell, chairperson of the event, would like to thank all the sponsors and participants who gave so much to help the Cystic Fibrosis Foundation in its battle against the number one genetic killer of America's youth.

Brad Kidd of West Bend raised the most money for the Bike-A-Thon by collecting pledges totaling \$602.85. Paul Schiefelbein of Kewaskum captured first place in the Junior Division by collecting \$120.00. Paul will receive two Brewer baseball tickets plus an autographed baseball signed by Mike Caldwell of the Brewers.

Second place went to Kevin Wilhelmi of Kewaskum for collecting \$95.76. Third place went to Chris Charland who collected \$45.26. Fourth place went to Dale Mouritz who collected \$45.25. Fifth place went to Leighton Peterson, \$44.00. Top prize for the most miles went to Kevin Wilhelmi, who rode 76 miles. Bruce Krezman also rode 76 miles and took 2nd place. Mark Sworske rode 72 miles and took 3rd place.

The Kewaskum Jaycees and Terry Buswell would like to thank the following businesses for their support: Rich's Super Savings, Kewaskum Sentry,

Minz Supply, Kennelly Pharmacy, Village Sport Shop of Kewaskum and Skate Country, Fleet Feet, Barton Variety, Piggly Wiggly and Sail and Trail of West Bend.

POST OFFICE CLOSED MONDAY, JULY 4

The Kewaskum Post Office will be closed Monday, July 4. There will be no dispatch of mail or rural delivery.

Loof Receives DVM Degree

The University of Minnesota School of Veterinary Medicine held commencement ceremonies for 80 students on Saturday, June 11th, at Northrup Auditorium on the Minneapolis campus. Included in the graduating class was Richard Loof, son of Mr. and Mrs. Roman Loof of 3244 Valley View Drive, Kewaskum. In attendance were the graduates parents, brothers and sisters, and friends.

A reception was held on

Sunday, June 19th at the Loof home in honor of Richard's graduation and also for his sister Jacky's graduation from high school. Over 100 friends and relatives were in attendance.

Richard is a 1974 graduate of Kewaskum High School and a 1978 graduate of the University of Wisconsin-River Falls.

Dr. Loof will be practicing veterinary medicine with Tri-county veterinary services in Sullivan, Wisconsin, starting July 5th.

OF LOCAL INTEREST

Jim Dreher of Tarpon Springs, Fla. spent Sunday with Mr. and Mrs. Earl Dreher Sr., Kewaskum. It was his first visit to his native Kewaskum in fifteen years.

Mrs. Justwed--I can't help feeling jealous of my husband's first love.

Mrs. Longwed--My husband's first love doesn't bother me any, it's his next love that I worry about.

Fr. Jakubek Speaker at Red Cross Dinner Meeting

The West Bend Chapter of the American Red Cross held its 48th Annual Dinner Meeting at the Stoneridge Inn, West Bend, on Wednesday, June 22nd. Focus was on this year's Red Cross theme, "We'll Help, Will You?" Volunteers, spouses, and guests present numbered 118.

The guest speaker was Fr. Gene Jakubek, author, communicator, counselor, and founder of H.E.L.P. which is a non-profit service to bring help to the elderly, lonely, and poor. He also is well known for his TV program "The Answer is Love" which airs on WITI-TV6 Sunday and Friday mornings.

Fr. Gene entertained the group telling numerous stories all bringing forth messages of love and doing for others. Amid the laughter there were periods of somber reflection within the audience as Fr. Gene pointed out important guidelines to live by. He cautioned against allowing neighbors to set one's standards - everyone must do their own thing. He also explained why it is needless to worry about that which has not been accomplished - rather do the best you can today. Then he emphasized the importance of keeping mentally healthy by "giving yourself away" - not worrying about the little things in life, but instead be less selfish and help others in need. Fr. Gene pointed out that man is happiest when he is helping others. The mission of the Red Cross is meeting the needs of fellow men.

During the business meeting the various committee chairmen reported activities and achievements of the past year. Some individuals were recognized for their contribution of time and service.

Mrs. Jackie Wicklund, Executive Director of the West Bend Chapter, reported on the National Convention held in May at Atlanta, Georgia. Disasters across the nation brought about a great need for Red Cross aid to thousands of people costing over \$33 million. All locals have been commissioned to raise money to replenish emergency disaster funds. Many individuals within the West Bend Chapter have already contributed towards the local quota. Mrs. Wicklund reflected on Fr. Gene's points, and said she is proud of being a Red Cross volunteer, and suggested to all the hard-working volunteers present to be proud

of their efforts. She explained that volunteers reap benefits for themselves while they help others.

Mrs. Dorothy Gonnering, Chairman of the Nominating Committee, introduced the following for three-year terms on the Board of Directors: Carol Ayer for Town of Barton; Eugene Bohn, Village of Kewaskum; Michael DesRosier, Dawn Follett, and Anne Uebele representing the City of West Bend; Linda Howe for the Town of Farmington, and Sharon Marth for Town of West Bend. Recognition was given to outgoing board members: Estelle Hilgendorf, Dorothy Gonnering, Marvin Martin, Betty Homuth, Eugene Fay, Shirley Ehrlich, and Joni Stowers. The following are completing unfinished terms expiring in 1984 - Mary Panzer and Sylvester Kandel, and 1985 - Jerome Stautz and Rev. Larry Kocha.

Some of the many services your local Red Cross Chapter provides to the community include: First Aid and CPR Classes, school health program, service to military families, first aid stations at swim meets, BMX races, county fair etc., vial of life program, emergency disaster aid, sewing articles for the veterans at Woods, transportation to doctors and hospitals, and other services.

If you can offer time to help in any of these functions, call 334-5687.

In the Service

Pvt. Timothy J. Schoeder, son of Edward G. and Ursula M. Schoeder of 1360 Super Drive, Campbellsport, has completed one station unit training (OSUT) at the U.S. Army Infantry School, Fort Benning, Ga.

OSUT is a 12-week period which combines basic combat training and advanced individual training.

The training included weapons qualifications, squad tactics, patrolling, landmine warfare, field communications and combat operations. Completion of this course qualifies the soldier as a light-weapons infantryman and as an indirect-fire crewman.

Soldiers were taught to perform any of the duties in a rifle or mortar squad. He is a 1982 graduate of Campbellsport High School.

Recreation and Awards Luncheon Held by Threshold

The Knights of Columbus Hall, West Bend, was the site of the 13th Annual Recreation and Awards Luncheon. A program was held to honor the achievements in different sports. Along with honoring these people, area businesses were honored for rendering their agency and/or services for The Threshold Recreation Programs. Those businesses are: Kettle Moraine Y.M.C.A., Weiland's Recreation Center, Shorty's Artistic Roller Rink, West Bend Park, Recreation and Forestry Department, Skate Country, West Bend Driving Range, and The Pik Place.

Following the business recognition, awards were given out to the people in the different program areas who made the most progress. People receiving awards were: Dave Sukawaty, (Slinger), rollerskating; Maria Gavin, (West Bend), swimming; Evonne Hill, (Hartford), scooterboarding; Jim Noegel, (West Bend) frisbee. Bowling awards were presented to: Janet Fiori, (Richfield); Dennis Zastrow, (Hartford); Arlene Stevlingson, (West Bend); Dave Sukawaty, (Slinger); Gerald Earling, (West Bend); Lori Speck, (Germantown); Mary Ann Middleton, Marvin Zettler, (West Bend); Judy Chapman, (West Bend); Alton Olson, (Richfield); John Berndt, (Kewaskum); Judy Hoeft, (West Bend); Jackie Ebert, (Kewaskum); Larry Puestow, (West

Bend); Ervin Roemer, (Allenton); Rose Klumb, (Germantown); Mark Schall, (Germantown); Kim Schramm, (West Bend); David Biertzer, (West Bend); Dan Gazdecki, (West Bend); Bob Knop, (West Bend); Jim Mago, (West Bend); Karl Muehlenbach, (Hartford); Harold Schultz, (Hartford); Jeff Sersted, (West Bend); Allen Wolfgram, (West Bend); Don Zalewski, (Hartford); Lois Eickman, (West Bend); Linda Groth, (West Bend); Ruth Halla, (Hartford); Barb McKelvey, (West Bend); Jean Merkowitz, (West Bend); Sharen Robel, (Hartford); Ann Wolf, (West Bend).

The Director's Achievement Award was given to Marc Gahlman of West Bend. This award is given for a person's willingness to participate in all forms of sports and displays good sportsmanship and helpfulness.

**Consent Forms for
Emergency Treatment
For Minors Available**

St. Joseph's Community Hospital, West Bend, has available a consent form designed for parents planning a trip and wishing to authorize the hospital staff and physicians to provide emergency medical care for their minor children during the time they are away.

The form, "Medical Approval and Release for Minors," includes a description of the child's medical history, including allergies, tetanus immunization records, and relationship of person caring for the child during parents' absence, and telephone numbers where parents can be reached. The completed form should be given to the person caring for the child in the parents' absence. The form should be brought to the hospital emergency room with the child if injured or ill.

If a child is brought to the hospital for emergency care, an attempt will be made to reach the parents or guardian at the telephone numbers listed on the form; however, the signed consent will authorize hospital personnel to proceed with emergency treatment.

In providing this service, we hope to avoid delay in treatment because of inability to locate parents. Forms may be obtained at St. Joseph's Community Hospital Emergency Room.

**Concert
Scheduled**

Servant '83, a Christian music group from Judson College in Elgin, Ill., will give a concert on July 5, at 7:30 p.m. at the First Baptist Church of Campbellsport.

The six-member group performs selections ranging from traditional hymns to contemporary gospel songs.

Team members consist of Scott Nelsen of Elgin, Ill.; Brenda Olsen of Buffalo Grove, Ill.; Mary Ellen Olson of Fond du Lac; Kelly Schmutz of Cincinnati, Ohio; and Jon Woodhams of Charlotte, Mich.

This is the 20th consecutive year that Judson College has sent out a musical group as part of its summer reach-out program.

Judson is a private, four-year, Christian, liberal arts college.

We are fortunate to have such a fine group in our area. Mark your calendar now so you won't miss this real opportunity for good Christian family fun.

There is no charge for this concert, however, a fee will be offered will be taken. A nursery will be provided and refreshments will be served following the concert.

"What is easy is seldom excellent."

BREAST VS. BOTTLE

Although both human and cow's milk have the same iron content, breast milk increases iron absorption while cow's milk decreases it. The Journal of Pediatrics reports, iron taken alone is 18% absorbed. The same dose of iron is 49% absorbed by the infant when taken with breast milk but only 10% absorbed when taken with cow's milk. Here is another good reason for breast feeding. If you must bottle feed a baby, check with your doctor about iron supplements.

Headaches

While headache may be one of the most distressing of human discomforts, it is not a disease, but a sign that something is wrong. Nearly every adult will at some time or another suffer simple headaches from body abuse, such as lack of sleep, sudden anxiety, or too many cocktails, but more than 20 million Americans experience the painful chronic, recurring headache — a serious health problem. In only a small percentage of cases, about 3 in 1000, is the cause some serious organic disease. Ninety per cent of headache cases are medically grouped into two categories: (1) vascular headaches, including migraine and (2) muscle contraction or tension headache.

It is in this 90 per cent group that the public has been generally misled into believing that both vascular and tension headaches are primarily caused by psychological — personality or emotional conflicts. As a result, Americans spend large amounts of money a year on headache remedies, including tranquilizers, and millions more on medical physician fees and hospital visits.

Research has shown that about 90 per cent of chronic headaches are caused by mechanical irritation of the nerve root in the neck, usually dating back to some previous trauma. This nerve root irritation may be caused by minor injuries not even recognized as trauma by the patient. Injury to the neck produces a mechanical derangement of the bony structures which causes the irritation of the nerve roots. The many nerves and blood vessels in the neck exert their function on the painful areas of the scalp, face, and brain, and when the body is placed under stress, the headache develops.

No therapeutic method even remotely approaches the value of chiropractic science in the correction of neck abnormalities that are the cause of a great percentage of headaches. If you suffer headaches, consult your doctor of chiropractic without further delay.

William A. Edwards, son of Dr. and Mrs. R. G. Edwards of Kewaskum, is now a member of the Wisconsin State Highway Patrol and is working near the state line in Kenosha county. Billy recently graduated with 20 other patrolmen as a member of the Wisconsin State Patrol Academy. Mrs. Edwards, the former Violet Ramthun, is still residing in Kewaskum until the couple can establish a permanent residence. Edwards formerly operated Billy's Car Hop here, now run by his brother Richard.

From June 14 to 21, Aldwin Seefeldt, son of Alfred Seefeldt, represented Kewaskum High School at Badger Boys State held on the Ripon college campus. He was elected to the office of county judge and then ran for and succeeded in becoming one of the two circuit judges. The circuit judge office enabled him to take part in the state convention and the inaugural ceremonies. At the final assembly on June 21, Aldwin was taken by complete surprise, and awarded the position of alternate to represent Wisconsin at Boys Nation which will be held July 18-25 at Washington, D.C. This was quite an honor, for he was one of four boys chosen from the 750 citizens of Boys State.

Alice M. Schwind, daughter of Mr. and Mrs. Joe Schwind, Kewaskum, was among the 347 Wisconsin high school girls attending the 15th annual Badger Girls' State held on the University of Wisconsin campus during the week of June 18 to June 25. Miss Schwind was elected city alderwoman on June 20.

Miss Arlene A. Pesch, daughter of Mr. and Mrs. Elroy Pesch, Route 2, Campbellsport, and William L. Rahlf, son of Mr. and Mrs. Emil Rahlf, Route 3, Hartford, were joined in marriage in St. Matthias Catholic Church, Town of Auburn, on June 21.

Pvt. Richard H. Kuehl, son of Mr. and Mrs. Jacob Kuehl, Kewaskum, is spending two weeks at summer camp training. He is with Battery A, 132nd AAA Battalion of West Bend. The first week is being spent at Camp McCoy while the second will be at Camp Haven, near Sheboygan.

Baby boys were born to Mr. and Mrs. Albert Koehler of Kewaskum on June 26, and to Mr. and Mrs. Henry Schaub of St. Kilian last Wednesday.

"Well, well, so you're lost" said the kindly policeman to the frightened little boy. "Why didn't you hang on to your mommy's skirt?" "I tried" sobbed the little fellow, "but I couldn't reach it."

... about your Social Security

By David Becker, Social Security Branch Manager in West Bend

DELAYED RETIREMENT RAISES BENEFITS

People in the West Bend area who are nearing 65 and do not plan to retire will find that their Social Security check will be bigger when they do claim benefits, David Becker, Social Security branch manager in West Bend, said recently.

This is because of the delayed retirement credit, Mr. Becker said. This credit increases a person's retirement benefit for each month between 65 and 70 that he or she does not receive a benefit.

The credit adds 1/4 of 1 percent for each month—3 percent for a full year—that a person does not get a check because of work. The credit also applies to widows and widowers benefits. Starting in 1990, the credits will increase gradually until they reach 8 percent by 2008.

In addition to these credits, a person's earnings after 65 may result in a bigger check than would have been payable at 65.

Of course, Mr. Becker said, a person who starts getting checks at 65 can work and have significant earnings and still receive benefits. A person 65 or over in 1983 can earn up to \$6,600 before checks are affected.

If earnings exceed \$6,600, then \$1 in benefits is withheld for each \$2 of earnings above \$6,600. This annual exempt amount will increase automatically in future years to keep pace with increases in average wages. The exempt amount for people under 65 is \$4,920 in

1983. (Starting in 1990, the \$1 for \$2 withholding will become \$1 for \$3 for people 65 and over).

More information about Social Security retirement benefits can be obtained at any local Social Security office; the telephone number is 1-800-242-9946.

Tornado Alert

We don't want to alarm you, but no community is immune from tornadoes or other possible disaster.

Kewaskum does test its warning system the first Thursday of the month at 10:30 a.m. by blowing the siren from 3 to 5 minutes.

So what should you do if a disaster takes place? Take shelter and listen to your local radio station.

The siren will be sounded on Thursday, July 7, at 10:30 a.m. to acquaint residents with the tornado or other disaster threat. It will be sounded at a steady pitch for three minutes.

In the event of a tornado or other impending disaster take precautionary measures.

The alerts will be held throughout the year on the first Thursday of each month.

Clarence A. Schwartz, Sheriff

Can You Be a 'Designated' Holiday Outing Driver?

If your summer holiday celebration calls for an outing with family or friends, make plans to "DESIGNATE DRIVERS" who agree to drink lightly or not at all. This is good advice from Sheriff Clarence Schwartz, Washington County Sheriff's Department.

"That is the best way to make sure everybody gets home safely, and nobody ends up in jail for drunk driving," the Sheriff added.

Schwartz went on to say that the "Designated Driver" system is being used more and more frequently. The truth is, Wisconsin's drunken driving law is tough enough to cause real problems for anyone who gets arrested, Schwartz explained. For example, everybody arrested for operating while intoxicated will be handcuffed, fingerprinted, booked, and held in jail up to (12) hours or until a responsible party can arrange for his/her release.

This law applies to teenagers as well as adults, and females as well as males. The forfeiture, including court costs, penalty

assessment and surcharge will total about \$440.00 for the first offense, and there will be a mandatory 90 day drivers license suspension.

In addition, all drivers convicted of operating a motor vehicle while intoxicated are required to go through alcohol use assessment, and comply with a driver safety plan developed in the assessment process, which could include education, treatment, or both.

Convicted drunk drivers may also pay attorney fees, lose time from work, and suffer the embarrassment of having their names and ages appear in the court records published by the local newspapers.

Sheriff Schwartz notes, "The cost of drunk driving convictions, including license reinstatement fees, high risk insurance and associated costs, is an awfully high price to pay for over-indulgence at a summer picnic. It is much less expensive and less troublesome to 'DESIGNATE' someone to do the driving on these holiday outings."

Legal Fireworks? Confusing?

What constitutes legal fireworks in Wisconsin? "Not very much" is the answer according to Washington County Sheriff Clarence Schwartz. On top of that, some communities are trying to pass local ordinances which would outlaw about everything that has been legal in Wisconsin over the past few years!

If it contains one quarter grain (16.2 mg.) of explosive mixture it probably is illegal under Chapter 167.10 of Wisconsin Statutes, the Sheriff states. The biggest problem in this definition is - how much explosive mixture is one quarter grain?

To help you understand how little it is, Sheriff Schwartz draws this comparison for you. One quarter grain of explosive mixture is about equal to the weight of the amount of striker material or powder contained on one and one half paper match-

es! That's not very much, the Sheriff added. Most champagne party-poppers, pop'n snaps, and pull'n snaps are not generally in violation, if they are sold as party favors. Most items emitting only colored smoke (without a secondary explosion) are probably ok, the Sheriff added.

There are many temptations to purchase fireworks that may prove to be illegal. Some are brought in from distant states where they are legal, and sold at roadside stands, out of car trunks and the like, in Wisconsin, without the benefit of legal permits and lacking inspection

for legal devices under Wisconsin law.

If you are found in possession of these illegal devices, you are the one arrested, you are the one who may have sustained (or caused) serious injury, and you are the one who pays the fine, Schwartz reminds us. Meanwhile, the person you bought the illegal fireworks from has made their profit (at your expense) and is long gone, never to be found. The law deals with "possession," as well as "sell," and the fines can be heavy.

If you decide to purchase fireworks watch out for key words like "FIREWORKS" or "PYROTECHNIC DEVICES." If these words appear anywhere on the article, they are probably illegal under the definition of Wisconsin Statute 167.10.

Parents should also be aware that colored flares or "fuseses," as we know them, are illegal (except for railway, aircraft or highway signal purposes). Even more important, these "fuseses" (or colored flares) are very dangerous to clothing, skin and eyes. The ash given off by these types of flares are "super hot" and give very, very serious burns. If you try to wipe the hot ash off with your hand it will probably stick to your hand flesh and cause more serious burns, Sheriff Schwartz warns.

How can I be certain of a safer 4th of July? Sheriff Schwartz suggests:

1. Do not risk injury by spending money on fireworks or pyrotechnic devices.
2. Avoid a possible ticket or heavy fine for buying or having in your possession fireworks or

pyrotechnic devices.

3. Load up the children or friends and enjoy one of the fine legally licensed municipal fireworks displays being offered to the public near your home.

A NOTE OF THANKS

I wish to thank all my friends and relatives for the visits, cards and phone calls while I was a patient at the hospital and at home. Special thanks to my family for taking me to the hospital and to the doctor at Milwaukee. These kindnesses and help will always be remembered.

IN MEMORIAM

God took her home as so He willed - her sickness ended, her pains He stilled.

Five years ago, she went away - and we smile as we think of her today.

We recall the joys and the fun we had - the things we shared that made us glad.

The tears are gone, and the sadness, too - as we remember today the friend we knew.

In memory of Adeline Tessar, who passed away July 3, 1978.

IN MEMORY

In loving memory of our father, father-in-law and grandfather, Leo Rohlinger, who passed away five years ago, June 30, 1978.

Your presence is ever near us, Your love remains with us yet, You were the kind of a father Your loved ones would never forget.

Sadly missed by the family.

RACING NEWS

by Tom Gross

PLYMOUTH, WI—One week before the mid-season championship races at the Sheboygan County Fairgrounds, Gene Erdmann of Sussex, Jim Horneck of Sheboygan and Steve Schad of Kiel, captured big feature wins in modified, sportsman and hobby stock divisions before a 2000-plus crowd Saturday night.

Erdmann had little difficulty in the 30-lap modified feature. Starting in the second row, Erdmann was in the number one spot after the first lap having passed Terry Peik of Reedsville and Bill Johnson III of Slinger. "All my breaks were early," he said. "Johnson pushed himself too much and went out on the pole position and I got the lead."

Corners one and two were dry, while three and four were wet on the quarter mile dirt oval for the feature races. "I tried to hold tight on the corners and go for the outside on the stretches," Erdmann said.

Fourteenth in the time trials, Erdmann had a spark plug wire come off during the trials and did not think he would even be ready for the feature. He said, "Last week we didn't even race due to transmission problems and a blown out rear end. But this week the car was working real good." Erdmann started the race in seventh place in the Budweiser Point Series in Eastern Wisconsin stock car racing.

Bill Johnson III of Slinger raced after Erdmann after a restart with four laps to go, but was never able to outmaneuver the Sussex leader. Peik came in third in the feature.

In the 20 lap sportsman feature Jim Horneck started out in the pole position and never lost his lead. Pat Harshbarger of Mt. Calvary challenged Horneck the first lap but fell behind No. 62 Gary Laack of Glenbeulah.

Horneck set the pace throughout the race however, and after a red flag on lap number three, some adjustment kept him ahead of the pack. "We put four turns on the sway bar during that stop. That had a definite effect on the race as far as I'm concerned," Horneck said.

It was all Horneck, Laack and Scott Vollbrecht of Sheboygan Falls for the next four laps when Vollbrecht went to the infield with tire trouble.

In the final three laps Horneck held the inside on corners one and two and "put the power on in the straight ways" to hold off Laack and last week's feature winner, Rick Van Der Vaart of Sheboygan. Horneck said, "I knew I had plenty of power."

Van Der Vaart nudged Laack coming out of turn two with three laps to go and Laack was unable to recover quick enough to maintain his number two position. Van Der Vaart did, and swept to the second place finish.

with Gary Sadro of Sheboygan for fourth place in the sportsman division standings in the point series.

Twenty-year-old Kiel native, Steve Schad grabbed the lead after the re-start on the third lap when he passed Randy Meyer of Plymouth in the hobby stock 10 lap feature. "I just held the inside tight after that," Schad pointed out.

Dave Haag of Plymouth took the second spot when he passed Meyer on the fifth lap. From there on in, it was Schad and Haag fighting it out for the win. Both drivers were head to head going into the final lap but Schad's holding tight on the corners kept him ahead for the car length win. "He gave me a good run for my money," Schad commented, "but the track was hard and I run good on them."

Schad began the race in third place for hobby stock points, just one single digit behind the number two Meyer.

Kermit Schulz of Plymouth, driving Chuck Tuschl's number 99 modified, took the win in the 15-lap modified semi-feature. Schulz led the entire race. Mark Melger of Sheboygan Falls took the lead from Chris Hauck, Plymouth, on the sixth lap of the 15 lap, sportsman A semi-feature and went on to win that race. Bernie Jesson of Fredonia won the eight-lap sportsman B semi-feature.

SUPERSTARS DEFEATED BY A'S, 5-4

The action was hot when the A's and Superstars hit the field Wednesday night, with good pitching by A's Joel Miller and Superstars Richie Radtke. In the 3rd inning the A's Scott Bunkelman hit a two run homer to give the A's a 3 to 1 lead, but in the 4th inning Superstars Brian Pesch and Richie Radtke scored when Jeff Bates hit a triple to tie the game. The game went into extra innings when Elaine Berndes hit in A's Craig Amerling for the winning run.

The Gems defeated Little Macks, 9-2, with good hitting by Dan Heisdorf and key hitting by Dave Garvey, Ryan Ramthun and Mike Pascovis. Construction crew beat Mean Machine, 5-0. Short Stuff beat the Tigers, 7-0.

HIGHER PRICES to MILK PRODUCERS

Plymouth, WI — Top prices for bulk milk are now being offered by S & R Cheese Corporation of Plymouth. According to the Company's Vice President of Operations, Dante Camilli, some of the state's highest prices are being paid by S & R for manufacturing Grade B milk.

S & R Cheese also offers prompt, daily pick up, representing an added convenience to milk producers throughout the area. S & R's consistently higher prices have prompted many producers to switch their sales to S & R for better milk profits.

Milk producers looking for higher prices and prompt pick up service should call Cathy at 414/893-6061 for specific information on S & R's better price and better service policy.

Indians Lose 3 Games, 2 by 1 Run, Another Ends in Tie

At New Holstein last Monday, Kewaskum reliever Brian Arndt gave up only one hit in two innings but the hit was a triple that broke a 4-4 tie in the last of the 7th which gave the Huskies a 5-4 victory. Arndt had come into the game after starter John Swanson complained of a sore shoulder.

The Indians had six hits, two by Brad Dieringer, but left eight runners stranded. Kewaskum scored singles runs in the first and third innings, the second on Dieringer's fifth triple of the year. However, the next two batters went down on strikes by winning pitcher Schneiderhan, who struck out 10.

Behind 4-2 in the 7th, the Indians rallied to tie it up at 4-4 on Dieringer's long home run, driving in Tim Landvatter ahead of himself. Then Jim Braun tripled but was tagged out at the plate on an attempted suicide squeeze bunt.

Kewaskum lost a great opportunity to score in the sixth when Pesch singled but was picked off by the catcher. Tim Dettman reached on an error and Tim Rohlinger singled but was doubled off first on Jim Hanrahan's short fly ball. The Indians should have had the bases loaded with no outs but failed to score.

New Holstein scored two runs on just one hit in the second and two more in the fifth. They tallied the winning run in the 7th on an error and Bob Lautenschlaeger's triple.

Tuesday here Campbellsport lashed out 13 hits and got a good pitching effort from Dan Salter to whip the Indians, 19-2. The Cougars jumped all over starter Arndt, one run in the first and five in the second to take a 6-0 lead.

Kewaskum couldn't get going offensively until the last of the third when they scored a run on three singles by Dieringer, Braun and Swanson. The latter two were then left stranded when the next man struck out.

Campbellsport continued to roll, picking up runs in every inning until the sixth, when they scored 7 times on four hits and six Indian errors, three of them by substitute Bartelt as nothing went right for the Indians in the inning. Besides the errors one fly ball was lost in the air by the reserve left fielder who also misjudged a line drive which brought in two runs.

Salter struck out 13 Kewaskum batters and gave up just one walk. In the sixth he struck out the side. He also went four for five at the plate, while Rich Narges had 3 hits. No one had more than one hit for the losers.

The Indians scored their second run in the 5th on a walk, stolen base, passed ball and single.

At Chilton Thursday the game was called after 10 innings of play with the score standing at 9-9. The Indians battled back after falling far behind in the contest. Starter Hanrahan got the first two hitters in the last of the third but then four straight errors helped put Chilton out front 7-1.

Kewaskum came back with a big rally of their own, scoring 5 times in their last chance at bat to take a 9-8 lead. Tim Dettmann tripled home Braun and Dennis Butz, both of whom had singled, and Hanrahan's double scored another run. With two

outs Bartelt singled, scoring the tying run and a bad throw allowed the go-ahead run to score.

But Chilton scored a run in their half of the 7th to prevent the Indians from going home a winner after regulation play. Kewaskum wasted a leadoff double in the 8th and Chilton missed chances to win the game in the 8th and 10th.

Both sides hit well. Dieringer had a home run, his second and Braun banged out four hits for the Indians.

At Sheboygan Falls Friday evening improved defensive play helped the Indians hold the Falcons to another one-run margin of victory, 4-3.

The Falcons scored one run in the second on two doubles. Maurer added a two run homer for two more runs in the third and Brian Michael's blast over the left field fence provided the winning run for Falls.

Dieringer, Braun and Butz had a hand in much of Kewaskum's scoring. After counting one run in the opening inning, the Indians scored their second run in the 3rd when Dieringer singled, was sacrificed to second, and scored on Braun's single.

In the 5th Braun singled again, advanced to second on a pickoff attempt and scored on a single by Butz, bringing the final score to 4-3.

Freshman Tim Rohlinger was the loser for Kewaskum but came up with a good performance. He allowed just 2 walks and gave up 6 hits in four and a third innings. Arndt then came in to relieve him.

The Indians are now 1-8 in Eastern Wisconsin play and 1-9 overall.

Eleven KHS Athletes Attend Football Camp

Winners in Big Fish Contest

The winners of Village Sport Shops' weekly Big Fish Contest are as follows:

Jeff Weiss, West Bend, brought in a very nice Walleye from Lake Winnebago. The 5 lb. 25½" fish was the biggest for the week.

Todd VanLangen, Kewaskum, had the largest Bass. His 1 lb. 13 oz. 16" fish was caught on the Milwaukee River using a nite crawler.

Mark Hartman, Kewaskum, pulled in a good size Northern from Mauthe Lake. A minnow was used to catch the 6.8 lb. 30½ inch fish.

Erik Kral, Kewaskum, was a double winner this week bringing in both the biggest Crappie and the biggest Bluegill. Both fish were caught on Long Lake but on different days. His 9 oz. 8½" Bluegill was taken on June 24th and the 9 oz. 10½" Crappie on June 20th.

Congratulations to all the winners. The contest runs until July 9th so bring in your catch. Weekly prizes are given for the largest Northern, Crappie, Bluegill, Walleye and Bass.
