The somewhat embarrassed gentleman shuffled into the ladies' specialty shop and confided in a whisper to the salesgirl: "I want a corset for my wife." "Surely," the girl replied. "What bust?" "Nothing," the gent mumbled, "it just wore out."

Average Increase 7.6% for Total Package Including Benefits

Board Approves 6.9% Salary Hike for Administrators; Hires Maintenance Mgr.

By GERRY MUELLER
Statesman Staff Writer

On a four to three vote, at its meeting Monday night, the Kewaskum School Board approved a 6.9% salary increase in administrators' salaries for 1983-84.

Board member Ralph Horner addressed the motion stating, "with the economy the way it is, and the way it looks like its heading again, I just cannot vote for the raise." He said, dividing up the hours worked by the raises being proposed, the superintendent will receive a \$1.40 an hour raise, high school principal \$1.20, assistant principal \$1.13, middle school principal \$1.07, Kewaskum Elementary principal \$1.15, and outlying schools principal \$1.12 an hour, plus approximately 40 cents an hour in fringe benefits.

Board member Charles Ogi, who also voted against the raise, stated, "over the last three years, two years ago the average increase in administration salaries was roughly \$3,500, give or take a few dollars, last year the increase was essentially the same. This year, it comes very close to \$3,000. Over the period of three years, we have almost a \$10,000 increase. In this area the job increase is not improving a bit, we have a lot of give-backs, they're not very popular, but they'll do it to have a job. I don't see how we can do any different with a clear conscience in the field of education also."

Kewaskum district resident Frank Voge told the board, "concerning layoffs, I'm one of the people who have been laid off about four times in the last

year, and I still have no problem seeing these people get this kind of an increase. I think they've done a heck of a fine job, they're well worth this money if not more."

The District administrator's salary will go from \$39,000 to \$41,691, high school principal \$32,706 to \$34,962, assistant H.S. principal \$31,690 to \$33,877, middle school principal \$25,548 to \$27,418, elementary principal \$29,435 to \$31,466, and outlying schools principal \$26,703 to \$28,546. Adding the cost of fringe benefits, the individual increases range from \$2,500 to \$3,584.

The board approved the hiring of Fred Boehlke to fill the newly created position of Maintenance Manager for the Kewaskum School District.

Neighborhood Delivery Boxes in Operation Soon

Tim and Roger Heberer installing mail boxes.

By GERRY MUELLER
Statesman Staff Writer

Kewaskum Postmaster Frank Beesten announced that installation of several of the Postal Service's new "Neighborhood Delivery and Collection Units" is complete and they should be in service within the next week.

Beginning Monday, postal patrons who petitioned for the units may come into the Post Office to have a box key assigned to them. Beesten said the keys will be furnished free of charge rather than for a \$1.00 deposit as announced previously.

The seventeen units will be installed at nine locations throughout the village. Beesten stressed these units have been assigned to those areas whose

residents petitioned the Postal Department requesting a unit.

The units are available to anyone except residents who live within 1/4 mile of the Post Office. If there are any other neighborhoods who would like to have one of these units installed, a petition may be obtained from the Post Office. The only requirement for obtaining a unit is that signatures from 50% or more of the residents on one street or areas are necessary for the application, along with an agreement from one resident stating they are willing to have the unit installed in front of their home. Each unit can contain 8, 12 or 16 boxes allowing service in all four directions. The unit is placed on a concrete slab,

"Mother Nature" couldn't have cooperated more in her effort to provide a bright, sunny day for Sunday's "Art in the Park" festival by the Kewaskum Junior Woman's Club.

The event was held to mark the official opening of the Kewaskum Kiwanis Park Nature Trail, a JWC project that has been going on since the idea was approved by the Kewaskum Village Board in 1978.

An official ribbon cutting ceremony by Village Trustee Richard Schmidt, Chairman of the Parks and Recreation Committee, Cal Stott, retired forester who helped lay out the trail and Juniors Trail Committee Chairman Nancy Malvick marked the opening of the one-half mile long trail.

Over twenty-five artists and craftspeople from Wisconsin and neighboring states were on hand to sell their creations which covered a wide and varied field of items from dough-art ornaments to stained glass artworks, wood carvings,

rosemailing and paintings in various types of media.

The Juniors manned a "homemade" pantry offering baked goods and fresh vegetables, along with a plant booth and food stand. Proceeds from the JWC sales will be used to maintain the trail and print additional booklets about the trail. A raffle was held on a quilt made by the club members. The winner will be drawn at the club's meeting October 11.

The festival also included several other areas of interest, the largest being a home-made

Kiwanis Turkey Shoot Sunday

The Kiwanis Club of Kewaskum has announced that its 31st Annual Turkey Shoot will be held on September 18th at the Bar-N Dude Ranch, 6 miles northeast of Kewaskum on County Trunk GGG, the beautiful Kettle Moraine Drive. Thousands of people joined us last year with hundreds of shooters winning fine frozen turkeys.

For a fee of \$2.50 for four shots (four shots for \$2.00 on advance sale tickets, which may be ordered from Kiwanis Club of Kewaskum, Box 68, Kewaskum, Wisconsin 53040), the shooter attempts to win a frozen turkey. There are special lines for ladies and children. Rifles and ammunition are furnished.

Something new has been added this year. In addition to

advance sale tickets being accepted at all events, there will be many prizes awarded through special drawings. Ticket holders will not have to be present to win.

There will be trout fishing with the angler keeping the fish he catches. In addition, there will be a grand prize for the person catching the largest fish.

Trap shooting contests are conducted throughout the day. Sportsmen desiring to enter these events may bring their own shot guns and ammunition. There will be archery and pistol ranges, as well as other marksmanship contests. In addition, there will be games for every member of the family. Brats, hamburgers, hot and cold beverages will be available.

Employees Honored For Service to Regal

Two new members were inducted into Regal Ware, Inc.'s 25-Year Club during the club's annual banquet, held recently at the Best Western Dillion Inn in West Bend.

The employees honored for their quarter century of service were LeRoy Keller, Jr. and Raymond Schrauth.

Sixteen employees were honored for 30 years of service to the company. They were: Eugene Backhaus, Cornelius Beisbier, John Coulter, Ray Elggren, Walter Giese, June Lichtensteiger, John Milewski, Donald Mlodzik, Carl Plaum, Amanda Rathjen, Herbert Schober, Merlin Seefeldt, Leo

Stoffel, John Tassar, Leo Tousey and Alice Wilson.

Fifteen employees were recognized for their 35 years of service. They were: Dolores Fleischman, Gilbert Gloede, Amatta Keller, Aaron Kluever, Lucille Kohli, Merrill Krueger, Elton Ludwig, Stella Ludwig, Lucille Nischke, Beatrice Rajek, Norman Rauch, Caroline Reimer, Lester Schaub, Roger Stoffel and Anna Wagner.

Regal Ware, Inc., which was formed on August 6, 1945, is a multi-plant manufacturer of cookware, portable electrics and microwave accessories headquartered in Kewaskum.

Dr. Van Ess Named to Office Of County Dental Society

At the April 14th seminar and meeting of the Washington-Ozaukee Dental Society, officers for the 1983-84 year were elected. Dr. Robert Faucett, of West Bend, is the incoming president. Serving as vice president is Dr. Richard Johannes of Mequon, and Dr. Stephen VanEss of Kewaskum will serve as secretary-treasurer.

The Society, consisting of over one hundred area dentists, is a constituent of the Wisconsin Dental Association. As well as keeping dentists informed on current issues and techniques,

the Society also offers continuing education seminars for its members.

Washington county dentists are presently in their third year of providing emergency dental care through St. Joseph's Community Hospital of West Bend. Plans are also underway for educational programs for school children during National Children's Dental Health Month in February.

The new officers will assume their duties beginning with the September 21st meeting in Grafton.

Fall Story Hour Planned by KJWC

The G.F.W.C. Kewaskum Junior Woman's Club is again sponsoring a fall story hour for children aged 3-5 who are not yet entered in Kindergarten. The program will run for six weeks at the library in the Kewaskum Municipal building. There is no charge for the story hour, but children must be registered in advance, as a limited group will be accepted in each section.

Story hour classes will meet on Wednesdays at 9:15 and 10:30, beginning Sept. 28, and also on Thursdays at 9:15 and 10:30, beginning Sept. 29. Children will be taught finger plays, learn songs and stories and play games.

To register your child for story hour please call Mary at 626-2837. Mothers who wish to volunteer as aides and helpers would be greatly appreciated.

IRON FOR BABIES

Adding extra iron to infant formula encourages growth of contaminant bacteria in the milk, reports Pediatrics Magazine. Fortunately, the iron in human milk, unlike iron in cow's milk is bound to a special protein and is unavailable to bacteria. If mothers nurse their babies and take sufficient iron in their food, their babies get all the iron they need in the safest possible way.

Miller's to Divide Into Separate Corporations

Miller's Fine Home Furnishings and Funeral Home of Kewaskum since 1910 is proud to announce that at a recent meeting of the board of directors, the decision was made to divide the present corporation of Miller's Inc. into two separate corporations, Miller's Inc. (Fine Furnishings) and Miller's Funeral Home Inc.

The feeling is that in this manner a more individual service can be offered to each of the businesses to better serve our valued customers.

Under the new management, Edward J. Miller will remain president of Miller's Inc. and Theodore R. Miller will assume responsibility of vice president. Fredrick J. Miller will become president of the newly formed Miller's Funeral Home Inc., Edward E. (Pat) Miller will serve as chairman of the board for both corporations.

Junior Women Recycling Saturday

The Kewaskum Junior Woman's Club will hold their monthly recycling day on Saturday, Sept. 17, from 9 a.m. to 12 noon. We accept tin, aluminum, colored glass (green and brown) and all glass with the label on. Please remove the covers from all glass containers (these can be put in with the tin). Newspapers for the Lions Club can also be left at the recycling center. Used oil can be recycled by dropping it off at Herriges Oil in Kewaskum during working hours.

Salary Hike

(Continued from Page 1)

Boehlke is presently employed as Superintendent of Buildings and Grounds for the Hustisford School District. Prior to that position, he was Maintenance Foreman for the City of Cedarburg.

Boehlke's starting salary will be \$22,500 plus fringe benefits and four week's vacation after one year of service.

In other action, the board approved the hiring of Michael Spector and his law firm of Quarles and Brady as labor negotiator and general council for the Kewaskum School District.

Board Clerk John Spoerl read a correction into Monday's minutes regarding the board's meeting of July 27th. At that meeting, board member Tom Brigham made the motion to hire a negotiator and a law firm to handle the district's labor negotiations and legal business, replacing former negotiator Ken Cole and the law firm of McKenna & Kiefer. Spoerl's correction stated that the names of Spector and his firm be placed in the motion minutes on the grounds the original tape was garbled and unclear on the motion. Brigham admitted, however, that when the motion was made he had not used specific names. President Jean Goeden was questioned by this reporter on the grounds for such a change, when the administrator's office had been contacted the day following that meeting to confirm the wording in our tape and notes with that of the district's tape. At that time it was noted that both tapes and notes were in agreement. Goeden said Mr. Spector had recommended the change, noting the discussion of the meeting showed the board's intent to hire his firm.

The board also voted to hold in-service meetings with its new lawyer regarding the open meeting law and with the Wisconsin Association of School Boards on board members' responsibilities.

The board approved member Lynn Dieringer's motion to hire an aide to assist with the kindergarten class of 28 students at Farmington School.

Dear Friends

As our living standard improves, it becomes more difficult to sense the hunger...frustration...even despair of the unfortunates in each community who often suffer afflictions and privations through no fault of their own. The UNITED FUND offers that one time each year to share our blessings with the unfortunate - let us be truly generous.

quilt display. Over 40 quilts from throughout the area were brought in for the event. Quilt Committee Chairman Trudey Peterson noted one quilt was made by Louisa Koehl and carried her signature dated 1889. The Koehl family donated the land which is now the site of the Cedar Lake Home.

Guided tours were provided by JWC members Beth Stoffel and Chris Sohns and Bob Lord.

In conjunction with the conservation theme of the festival, a bird-house contest was held. Eleven entries from the Kewaskum 4-Hers were submitted. Michelle Etta took first place with her entry, winning a free trip for two adults and four children to the Milwaukee County Zoo.

Juniors member Lori Schoofs spoke to visitors about her display of infant and children's safety car seats. Schoofs stated, as a community project, the club will be renting a Century Infant Love Seat which can be used for infants that weigh 20 pounds or less.

The trail opening and festival mark the culmination of five years of work by the Junior Woman's Club to preserve a part of the wooded area in the northwest corner of Kiwanis Park. According to Malvick, the project was selected to establish a nature trail for passive recreation and create a "Preserve the Woods" concept.

The trail was laid out by Stott and Carl Rathmann, a survey engineer. Together, the two men mapped the trail and identified and marked the 27 specimen stations along the route.

Malvick noted that although her group planned the project

and got it going it was through the continuous support of organizations, businesses and private individuals who donated labor, materials and money that the trail came into existence. The objective of the project was to give Kewaskum's schools the opportunity to teach ecology and hopefully create a positive attitude in new generations towards their environment.

Mail Boxes

(Continued from Page 1)

usually at a corner, in the area between the sidewalk and curb.

This is basically a rural type service said Beesten, noting patrons will be able to conduct almost all their mail transactions through it, including buying stamps and envelopes.

Beesten said the new delivery box users will have to come into the Post Office to close their present boxes and give up their post office box numbers. The compartment numbers on the units or old post office box numbers are not to be used as addresses on future mail stressed Beesten. When the new neighborhood boxes go into use, the residents should use their home street address. Their mail will be placed in the box with their assigned key number.

Beesten confirmed the fact that several neighboring communities are also beginning to use the Neighborhood Delivery and Collection units.

As Beesten noted in an earlier article, due to budget reductions, this will be the closest patrons will get to individual house to house delivery in many communities, especially smaller ones such as Kewaskum.

Letters to the Editor...

To the Editor:

I have heard so many nice comments about our "Art in the Park," Sunday, Sept. 11. Seeing most of the Kewaskum residents there made the day especially beautiful and successful.

Being the chairwoman of the Quilt display I heard many nice comments. The most interesting compliment I heard was from a professional quilter and judge for the Wisconsin State quilt society. She made the comment that for the first quilt show we have ever done, the turnout of loaned quilts was fabulous. I explained how I appealed to Kewaskum area residents for help in the paper. I told her the response to the article was overwhelming. She was amazed that we could get such a response with an article in the paper. My response to her was "Well, that's Kewaskum for you! We (Jr. woman's Club) always get good community support." Without the people of Kewaskum trusting their heirlooms, treasures, and crafts to the Jr. Woman's Club we could not have had such a beautiful day and display.

Sharing over 40 quilts with us for the day were: Rose Slaughenhoup, Colleen Shaw, Donna Shaw, St. Michaels Ladies Aid, John and Rita Boegel, Elsie Laubach, Mrs. Bernice Fleischman, Lisa Lickel, Barb Hinz, Vinelda Backus, Shelly Ellefson, Sue Laubach, Wendi Goeden, Betty Bonlender, Eleanor Holzmann, Dr. Steve, Gayle and Gretchen VanEss,

Mary, Nicole and Valarie Neckuty, Mrs. Faye McClain, Marge McClain, Esther Soyk, Mrs. Judy Gundrum, Beth Stoffel, Kathy Paul, and Tom and Angela Schickert. Quilts were for birthdays, weddings, all occasions, made by people themselves or by grandmothers, aunts, and other relatives. Quilts were from 1889 to 1983.

Thank you for sharing your treasure with us for the day. Also thanks to the people who attended, and showed their continuing support to the Kewaskum Jr. Woman's Club.

Trudey Peterson

Letter to the Editor:

The Kewaskum Junior Woman's Club received its charter from the General Federation of Woman's Clubs in January 1967. For seventeen years the Kewaskum Juniors have kept the proud tradition of service to the community of Kewaskum.

On Sunday the Kewaskum Juniors dedicated the Nature Trail in the new Kiwanis Park

and presented Art in the Park. The dedication of the Nature Trail has been the dream of all the Juniors but without the continued dedication of Nancy Malvick, who initiated the project and has been the person in charge of seeing it through for the past few years, would the project have been completed. The Nature Trail is an example of the continued interest of all Kewaskum Juniors in the Village of Kewaskum.

The "Art in the Park" display also showed true Junior spirit. The large display of quilts so generously donated for the day by various people in and around Kewaskum showed true community spirit plus a genuine pride in beautiful handiwork—it was wonderful. The Kewaskum Juniors also arranged to have several artists at the park displaying a vast variety of talents from oil painting, to fancy needle work, to rose malling and many more.

Combine all the above with good music provided by Gary Cross and good food. Thanks, Kewaskum Juniors, for the opportunity to have a great Sunday afternoon. Keep up the good work!

Girl Scouts Have Busy Week, Troop Leaders to Meet

This sure is a busy week for all girl scouts. Each troop held their first meeting. There is about the same amount of excitement at each meeting. The girls are busy comparing summer camping experiences and renewing friendships.

The girls then started to make plans for the new year. Some of the activities will be hiking, bowling, horseback riding, caroling and several community projects.

The troop that seemed to show the most enthusiasm was Troop 144. This troop now has two super ladies who will be their leaders for this year. They are Delores Hammes and Cheryl Ramthum.

As a reminder for all Scout troop leaders, the monthly meeting will be held on September 22, at the Legion Hall at 7:30 p.m.

The agenda for the meeting will be registration forms and money for dues. The calendars will also arrive for sales at this meeting.

Area People Suffer Injuries in Crash

Two people were treated and released from St. Joseph's Community Hospital, West Bend, after a two-car accident on U.S. Hwy. 45 at Lighthouse Lane south of Kewaskum Sunday night.

Injured were: Dorothy S. Bingen, 65, Route 2, Campbellsport, treated for chest pains; and Leo P. Bingen, 73, her husband, a passenger in the car, treated for a head injury.

Washington county sheriff's reports indicated that a car driven by Alphonsus M. Rauch, 83, 151 University Dr., West Bend, pulled out in front of the Bingen vehicle, which was traveling north on 45.

Rauch was cited for failure to yield at a stop sign.

Death of Mrs. Mary Krueger

Mrs. Mary V. Krueger, 88, a resident of the New Fane area most of her life, passed away Sunday, September 11, at St. Joseph's Community Hospital in West Bend.

Mrs. Krueger was born on January 27, 1895, in the Town of Osceola to the late Michael and Charity Romaine Calvey. On November 8, 1919, she married William Fr. Krueger, who passed away on October 22, 1980.

She was the eldest member of the St. John Lutheran Church in New Fane and also a member of their Ladies Aid.

Survivors include three daughters, Mildred (John) Heberer of Campbellsport, Mrs. Bernice and Mrs. Betty (Ray) Boose of West Bend, and one son, William (Helen), also of West Bend. She is further survived by 19 grandchildren; 37 great-grandchildren; five great-great-grandchildren; one sister, Mrs. Beulah Thekan of Milwaukee; one brother, Vincent Calvey of Dundee; other relatives and friends. One son, one great-great-grandson and three sisters preceded her in death.

Visitation for Mrs. Krueger was at Miller's Funeral Home, Kewaskum on Tuesday from 4 to 9 p.m. and on Wednesday at St. John Lutheran Church in New Fane from 12 noon to the time of services at 2 p.m. Pastor Robert Lindau officiated and burial was in the church cemetery.

INFANT TIFFANIE MAUL

Tiffanie M. Maul, five-day-old daughter of Mr. and Mrs. Roland J. Maul Jr. of 9332 Skyline Dr., Allenton, passed away at the Children's Hospital in Milwaukee on Sunday, September 11.

She was born on September 6, 1983, at St. Joseph's Community Hospital in West Bend, to Roland Jr. and Lisa Van Assche Maul.

Besides her parents she is survived by a sister, Sabrina, at home; her paternal grandparents, Mr. and Mrs. Roland Maul Sr., of Route 1, Brownsville; her maternal grandmother, Mrs. Patricia Van Assche of 5624 Sunset Dr., Kewaskum, and other relatives. Visitation will be on Friday

from 10 to 11 a.m. at Miller's Funeral Home in Kewaskum, when services will be held at the funeral home. Rev. Louis C. Riesch will officiate. Burial will be in Ledgeview cemetery in Fond du Lac.

Memorials to Children's Hospital in Milwaukee would be appreciated.

'Art in the Park' Festival a Success

Hundreds of people enjoyed an afternoon in the crisp fall weather as they browsed and bought art and craft objects from the nearly thirty exhibitors at the KJWC "Art in the Park" Festival.

Concurrent with the exhibits was the grand opening and guided tours of the club's quarter mile nature trail, located in the Kewaskum Kiwanis Park. Dedication of the nature trail culminated a 4-year project of the club's conservation department.

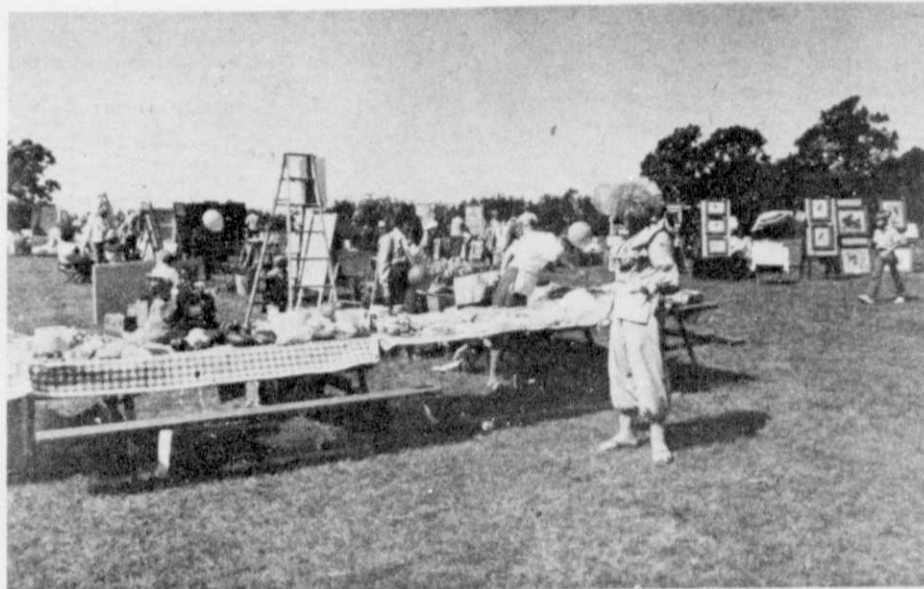

Chairwoman for the Festival, Mrs. Nancy Malvick, noted, "The entire day was a huge success, thanks to many area residents and the commitment of all junior members."

The Kewaskum Junior Woman's Club wishes to extend its thanks to all who attended the festival and a special thanks to the following persons:

- Weddig Family - Clowns.
- Dennis Seideman and Kewaskum 4-H'ers - Face Painting.

Moraine Orchestra Seeks New Members

Kewaskum Statesman, Friday, Sept. 16, 1983, Page 9

Moraine Symphony Orchestra director Albert Asch is shown conferring with musicians Ronney Johnson, Ed Muelling, and Joyce Christie. The orchestra begins its 15th season this fall with a recruiting program for new members.

Amateur musicians have been enjoying the thrill of performing in the Moraine Symphony Orchestra since the fall of 1968 when Professor Albert Asch of the University of Wisconsin, Washington County Campus, started the group as part of the outreach of the music department. Membership in the orchestra presently includes musicians from Mequon, Grafton, Cedarburg, Port Washington, Slinger, Hartford, Kewaskum, and West Bend.

This fall the Moraine Symphony begins its 15th year with renewed vigor sparked by the goal of recruiting enough new musicians to double its membership. The plans to dramatically increase the size of

the orchestra come from the desire of current members to expand the musical repertoire which can only happen with a greatly enlarged string section. Although there are a few openings in each of the brass, woodwind, and percussion sections, the greatest need for musicians is in the string section. Violin, viola, cello, and string bass players are urged to join the orchestra this fall. Here is an opportunity for accomplished musicians to join an established group, and for those who haven't played for years to begin again.

The Moraine Orchestra has performed symphonic works ranging from the Baroque Period through contemporary

compositions.

New members are asked to come to the first rehearsal of the season in the rehearsal hall of the UWVC on Thursday, September 22nd at 7:30 P.M. Rehearsals for the season are scheduled every Thursday night from 7:30 until 9:30 P.M. under the direction of Albert Asch. The first performance of the season will be the Joint Christmas Concert with the Moraine Chorus on December 11th.

Anyone with a question about the orchestra is asked to call either 626-4638 or 377-0653.

The first macaroni factory in the U.S. was established in 1848.

Jazzercise

Jazzercise is a unique approach to body conditioning using joyful jazz dance movements and swinging music. It's your chance for a wild and woolly work-out that will condition you totally and lift your spirits. By bouncing to a "boogie beat" in a planned way, you'll dance inches away and your body will be more flexible than you ever dreamed possible.

Underneath the fun and music, the point of a Jazzercise class is cardiovascular, muscular, metabolic, and emotional improvement. Balance, coordination, flexibility, muscle tone, stamina, and posture are the areas on which Jazzercise concentrates. There's 50 minutes of bending, stretching, jumping and dancing, built around warm-up, peak-work, and cool-down periods.

RACING NEWS

By Tom Gross

Eastern Wisconsin champions for the 1983 season are Frankie Heimerl of West Bend in modified, Gary Laack of Glenbeulah in sportsman and Dave Haag of Plymouth in hobby. Only Heimerl's crown was decided in the season finale at the Sheboygan County Speedway. Laack had the sportsman division clinched last week and Haag's crown was in question, depending on the outcome of Saturday night's results.

Rich Wondra of Campbell-featured was the 40-lap modified feature winner, while Randy Markwardt of Sheboygan took the 30-lap sportsman feature and Haag won the 15-lap hobby stock race.

Heimerl was following the defending champion Ron Luedtke of Lomira going into the season finale by 46 points. A second place in time trials and a sixth place finish in the feature gave the West Bend native all he needed to record his first modified championship since he began racing for Eastern in 1969. "I was down 16 points going into the feature, so I needed to do better than him (Luedtke) in the feature," he said.

Heimerl's second place and Luedtke's sixth place in the time trials put them side-by-side at the start of the championship week feature. Both men were battling each other for the first laps.

By lap nine, Luedtke was behind Heimerl. On the 11th circuit, Luedtke took Heimerl coming down the back stretch and went ahead of him. In the meantime, leading the field was Tim Crimmings of Neosho.

Luedtke began his attempt at moving up the pack, but Heimerl was on his bumper like a fly on fly-paper.

Luedtke dropped a drive shaft and immediately pulled off to the infield. Dave Deicher spun out on turn three and the red flag came out. Luedtke jumped out of his number 1 car and his helmet came off. He was done for the season.

Heimerl, in the meantime, was having tire problems, but needed to finish the race to win the crown. He said, "I had a tire going down. Luedtke told me later that he knew I was having problems when he saw that I

couldn't take the corners tight. I didn't want to go into the pits and risk not getting back in time for the start or lose my position on the start."

Wondra took the lead on the restart and never was threatened. Randy Sippel of Elkhart Lake looked like a potential threat by lap 26, but Wondra eased into a comfortable lead by lap 34.

Wondra noted that the car "worked beautifully." Thanks to Russ Waldron of Theresa, Bob Wondra of Lomira (the Luedtke's car owner) and Lee Schmidt of Kewaskum, Wondra pulled off his big feature victory. He said, "Russ Waldron gave us an engine, Bob gave us the head and water pump and Lee Schmidt gave us the mag, so we put a motor together so we could race tonight." Wondra had blown his engine two weeks ago and did not think he would be able to finish the season.

Heimerl and Dick Wondra of Cedar Grove, also a possible point leader at the evening's start, battled it out for the remainder of the race. Sippel, Randy Tracy of Plymouth, and Wayne Goetsch of Sheboygan, drove hard, but Wondra had his car hooked up just right for the win. "The car had good bite on the insides. We kept the qualifying gears in and we thought everything was just right. It's a good way to end the season," Wondra noted.

The new modified champion said that he had "things go his way tonight." The previous week he had been towed to the pits when his front end had been torn apart in a heat race. "I took everything apart this week because I wanted things to be just right," he said.

Markwardt grabbed his lead in the 30-lap sportsman cham-

ampionship feature on lap nine and led the way for an easy win. He had as much as a half-lap lead on the number two car, Mark Froh of Elkhart Lake, and then, Rick Van Der Vaart of Sheboygan, late in the race. Markwardt said, "I had to go low and to the inside to take Jim Pitzen (of Plymouth) on the ninth lap, so I did and the motor just worked great." He had a borrowed engine, as did Wondra.

"Dave Duggink (of Sheboygan) borrowed me his motor. I've had a good handling car all year, but never had a good motor with power for the car all year also. Tonight I did," he noted.

Dave Haag started out at the rear for the 15-lap hobby stock feature but was up to the number two spot by lap eight. Haag took the lead away from Randy Meyer of Plymouth when he powered himself on the inside of turn two on lap 11. Haag had no problem holding his lead for the remaining seven laps.

Steve Schad of Kiel, the only real threat to Haag for the crown, spun out on lap four and never returned for the feature. Down the tubes went his challenge to Haag for the hobby stock point lead.

Historical Society To Hold Fall Stew Cook-Out Sept. 20

The Kewaskum Historical Society extends an invitation to you and yours, and to its members for a "Fall Stew Cook." The informal social evening promises to be fun.

The event is planned for Tuesday evening, September 20, at 6:00 o'clock, at 1202 Parkview Drive (the Museum area). The Country Kettle Stew includes home baked bread and refreshments at a cost of \$2.00 for all you can eat.

If you plan on attending, please call (414) 626-2653 for reservations by Sept. 17.

This is the regularly scheduled meeting of the society, but the only business to transpire will be friendliness and getting to know one another.

**Gov. Tony Earl Proclaims Sept. 18-24
As Wisconsin Cystic Fibrosis Week**

Madison, WI — The designation of September 18 - 24, 1983, as Cystic Fibrosis Week in the state of Wisconsin by Governor Tony Earl has a special meaning to the hundreds of people in this state who suffer from this fatal disease, their families and their friends.

To these people, the observance of this special week is a challenging opportunity to make others aware of America's number one inherited killer of children and young adults. Cystic fibrosis (CF) causes more childhood deaths than polio, diabetes and rheumatic fever combined.

With the signing of the proclamation by Governor Earl, Wisconsin Cystic Fibrosis Foundation President Robert L. Gilpatrick said, "Every day an average of five children are born with cystic fibrosis and three die from it. Early diagnosis and treatment can extend the length and quality of life for children with this tragic disease. We all need to learn more about it, especially since cystic fibrosis is often mistaken for other common childhood respiratory and digestive diseases."

The potential of this devastating disease is greater than most people realize. Ten million Americans — approximately one out of every 20 — are unknowing and symptomless carriers of the gene that causes cystic fibrosis. Each child born to two carriers has a 25 percent chance of having CF, a 50 percent chance of being a carrier and a 25 percent chance of having neither the disease nor the CF gene.

More importantly, few people know the daily struggle that the 30,000 victims of this disease go through. CF causes the body to produce an abnormally thick mucus that affects the respiratory and digestive systems. In effect, the illness tends to both suffocate and starve its victims.

The digestive and nutritional problems are generally managed with diet supplements, vitamin supplements and digestive enzyme supplements to aid in breaking down foods. Most people with CF take 40 to 60 pills a day.

Chest physical therapy reduces or prevents blocking of the airways. Most children with CF undergo several therapy sessions each day during which they are clapped or gently pounded on the back and chest to loosen mucus that is blocking lungs and bronchial tubes. Many also inhale medicated vapors several times a day.

But these children and young

adults never give up hope and make a determined effort to live as normal a life as possible. They know that research can help. In the last 15 years, life expectancy for people with CF has increased from approximately 11 years of age to approximately 21 years of age. There is every indication that research will continue to improve the life expectancy and quality of life for victims of CF and will eventually lead to a cure or control for the disease.

The Cystic Fibrosis Foundation supports basic biomedical research and CF patient care

centers throughout the country. The Wisconsin Chapter, CFF, supports two CF centers located at Milwaukee Children's Hospital and the University of Wisconsin Hospital and Clinics. The CF Foundation receives no government funds and depends solely on contributions from the public to its life-saving activities. For more information, contact the Wisconsin Chapter, CFF, 6330 W. North Avenue, Milwaukee, Wisconsin 53213 (414) 257-0525.

About 48 billion metal cans, 26 billion bottles, 65 billion metal bottle caps, and seven million automobiles are junked each year in the U.S.

SOVIET AMBUSH IN THE SKY

Within a span of seven weeks the Soviet pilot stated: "I have executed the launch; the target is destroyed; I am breaking off the attack." This ruthless ambush in the sky has caused grief, shock, and anger for all civilized people everywhere. As President Reagan said, "There was absolutely no justification, either legal or moral for what the Soviets did."

But should we be surprised? The downing of the South Korean airliner was only the latest and most extreme episode in a series of attacks by Soviet gunners on military and commercial planes over the past three decades. For instance, in April 1952, the Soviets attacked a commercial French airliner injuring two of the passengers. Also, in April of 1978 a South Korean airliner flying from Paris to Seoul was fired at as it crossed Soviet territory. As a result, two passengers were killed and thirteen hurt.

Yet, if this latest massacre is intended to intimidate, the Russians have failed in their purpose. Instead the world wants justice and action to see that this never happens again.

Besides the more immediate calls for justice by the President and others, I think we must also address our future with the Soviets.

This Congress has a responsibility to ponder long and hard the Soviet's aggression as we consider the security and safety of Americans. This airline massacre should tell all in Congress that the U.S. must maintain a strong deterrent. Remember, when John F. Kennedy was President, defense spending as a share of the federal budget was 70% greater than it is today. Since then, the Soviet Union has carried on a massive military buildup.

The hard reality is that until the Soviet Union is willing to join the rest of the world community, we must maintain the strength to deter their aggression. Now, more than ever, we must continue our policy of peace through strength, but never give up on our efforts to bring peace closer through mutual verifiable reduction in the weapons of war.

Emphasis on Protecting Rural Youth During Farm Safety Week Sept. 18-24

The emphasis is on protecting rural youth during farm safety week, Sept. 18-24, says Don Jensen, University of Wisconsin Cooperative Extension Service farm safety specialist.

According to National Safety Council statistics, many of the 1,800 people in the U.S. who died and the 180,000 who suffered disabling injuries last year in farming accidents were children.

"It's very important that farmers teach their children safe working practices," says Jensen. "Safety is best learned and most easily carried out when it's instilled at a young age."

Jensen suggests these tips from the National Safety Council:

- Keep children away from farm equipment and chemicals.
- When you give a child a chore that he can physically handle, supervise him until you're sure he can do the job safely.
- Keep play areas free of

hazards. Enclose preschoolers' play areas to keep them from wandering.

- Never allow youngsters to ride with you on farm equipment. All too often children fall and are severely injured.

- Encourage children to participate in the safety activities in your local youth organizations or schools.

For more information on your safety week, contact your county UW-Extension agent.

 The teller that never gets to go home

NOW AVAILABLE FOR YOUR USE

Introducing our Tyme machine...
 At Valley Bank, we're proud to have a staff of friendly and efficient tellers. They work hard during the day. At night, they go home to their homes and families. All except one of them. This teller never gets to go home. No nights off, no weekends, no vacations. Just work, work, work. This teller can give you cash any time of the day or night. It takes deposits, and makes transfers between checking and savings accounts. This is the 24-hour teller, called a Tyme machine. And with your own personal Tyme card you can bank 24 hours a day at Valley Bank-Kewaskum.

Cub Scout Round-Up

On Monday, September 26, the Annual Cub Scout Round-Up for Pack 3744, held each Fall, will take place at the Kewaskum Middle School at 7:00 p.m. All interested boys, ages 8, 9 and 10 and their parents are invited to join us. This Round-Up is to give the boys and their parents the opportunity to investigate the rewards of Cub Scouting and to meet the leaders.

An event is scheduled each month during the summer for the boys and their families. The Summer of '83 held some great times for all. There was the Brewers Baseball Game, Tour of the West Bend Museum, the Kewaskum Parade and Picnic of which the boys worked in the Fish Pond, plus the great time the boys had at Day Camp.

The Webelos, third year Cub Scouts, boys 10 years of age, take on more challenging events and opportunities. The boys will be occupied throughout the year working on 15 hobby and vocational events called activity areas:

Aquanaut, Artist, Athlete, Citizen, Craftsman, Engineer, Forester, Geologist, Naturalist, Outdoorsman, Scholar, Scientist, Showman, Sportsman, Traveler.

Dennis Giese, leader of the Webelos, and Jerry Geidel, assistant leader, look forward to a successful scouting year.

Come join in the fun of Scouting. We look forward to meeting the boys and their parents at Round-Up.

... about your Social Security

By David Becker, Social Security Branch Manager in West Bend
HOUSEHOLD EMPLOYEES

People who employ household workers should be aware of their responsibility to deduct Social Security taxes and to report the wages paid, David Becker Social Security branch manager in West Bend said recently.

"An individual who pays a household worker—whether a maid, cook, gardener, or even a baby sitter—at least \$50 a month in cash during a calendar quarter must deduct Social Security taxes. Failure to do so may mean having to pay a penalty in addition to the overdue taxes."

A calendar quarter is a 3-month period that ends on March 31, June 30, September 30, or December 31. "Therefore," Becker said, "the payment of wages that average as little as \$4 a week would amount to more than \$50 for a calendar quarter and would have to be reported."

Additional information about Social Security and household employees may be obtained from any Social Security office or from the Internal Revenue Service Center for the State. The telephone number is 1-800-242-9946.

Kewaskum FFA Members Turn in Good Fair Results

The Washington County Fair closed its gates on Sunday evening, July 30, while many Kewaskum FFA members brought home ribbons and trophies for their hard work. Highlights for the FFA were: John Schmitt, first place beef showmanship; Jon Etta, Grand Champion market hog and first place swine showmanship; Mike Arndt, first blue lamb. All members spent many hours during the school year, summer months and during the fair week preparing for the tough competition. All of the fair exhibitors thank the people who helped make their project work as well as all of the people who bid on animals during the livestock auction.

The following people showed animals during the fair:

BEEF — Gary Butzlaff, Dan Jung, Kevin Thull, John Schmitt, Dan Mueller, Jon Etta.

SWINE — Tony Matenaer, Daryll Pufahl, Brian Ruplinger, Jon Etta, Brian Jung, Dan Jung, John Nowak, Mike Arndt, Laura Kirchner, Brian Pamperin.

SHEEP — Mike Arndt.

DAIRY — Mike Schulz.

RABBITS — Steve Markus.

John Schmitt shows his market class beef entry as well as his first place showmanship plaque.

Mike Schulz looks over his dairy entry. Mike represented the Kewaskum FFA dairy entries as part of the Kewaskum Dairy Club.

Jon Etta [right] shows his Grand Champion ribbon and trophy with a representative from the Allenton Mill. The Mill purchased the Grand Champion market hog.

Terry Schaub gives one of the Dairy Club animals a close shave prior to the competition. Terry acts as the advisor to the Kewaskum Dairy Club.

Jon Etta also took part in showing competition at the Wisconsin State Fair. Here Jon and other FFA members share some discussion after some tough competition. Jon received many ribbons for his hog projects, one of which was his first place in swine showmanship in the state.

25 Years Ago

September 12, 1958

Sunday, September 14, will mark the 60th anniversary of Peace E and R Church, Kewaskum, and the occasion will be noted with two services, an open house and anniversary fellowship banquet.

THE STORY OF PEACE CHURCH

On June 2, 1898 nine men met for the purpose of considering the possibility of organizing an Evangelical Protestant congregation in Kewaskum. After the unanimous decision to do so, Rev. R. Gruenewald of Fillmore was asked to conduct services every other week until a resident pastor could be secured. The next day, June 3, the location of the future church was decided by accepting the gift of a lot. At another meeting on June 6, a constitution was adopted and it was voted to proceed at once with the building of a church. This was a group with spirit and action, for in five months on November 4th, the church, erected and furnished at a cost of about \$3,900, was dedicated to the service and glory of God. The following family names have been identified with the church from the beginning: Backhaus, Becker, Bruessel, Buddenhagen, Buss, Doms, Ebenreiter, Geidel, Guth, Kirchner, Koch, Koerble, Krahn, Meinhardt, Mertes, Prost, Rummel, Schaefer, Schleif, Schmidt, Schmitt, Schnurr, Schultz and Wesenberg. In 1901 the parsonage was purchased for the sum of \$2,00. In 1903 the lot next to the church was purchased for \$150; the church was decorated and all indebtedness on the building paid. The Ladies' Aid was organized in 1915 and central heating was installed in the parsonage. English was first used in the Sunday School in 1918. In 1921 electric lights and telephone were installed in the parsonage and the garage was built. In 1923 at the 25th anniversary the church basement was remodeled, electric lights installed and the art windows were among the anniversary gifts. English services were introduced in 1922. The weekly offering envelopes were first used in 1929. During the period of 1929-32 an extensive remodeling and addition to the church was accomplished at a cost of \$15,000. This made possible the chancel upstairs and the kitchen, heating room and rest rooms in the basement.

Through the emphasis on Stewardship and Benevolent giving the congregation met its benevolent quota 100% in 1936 and has continued the record up to the present time. The Orgatrom was a gift of the Women's Guild in 1938. Lightening struck the church in August, 1940, causing damage to the extent of \$2,500. The cemetery was incorporated and a perpetual care fund established in 1946. Although served by the demoniation from the beginning the congregation became a member of the Evangelical and Reformed church in 1946. Through the merger with the Congregational Churches in 1957 it is now "The United Church of Christ." At the time of the 50th anniversary in 1948, plans were directed toward the expansion of the physical facilities for an increased and varied ministry in a growing community. The building fund has a balance of \$10,000. A lot in the rear of the church, facing Main Street was purchased in 1958 for \$2,450. The purchase of other desirable lots are under consideration. The new organ fund has a balance of \$918. The church and parsonage have undergone extensive remodeling and maintenance work during these years. The pastors who have served Peace Church throughout the years are: Rev. Robert Gruenewald, 1898-1899; Rev. A. Jehnke, 1899; Rev. Herman Erber, 1899-1909; Rev. Fred Mohme, 1909-1920; Rev. Henry L. Barth, 1920-1925; Rev. Ernst Irion, 1925-1929; Rev. John C. Frohne, 1929-1932; Rev. Richard M. Gadow, 1932-1941; Rev. R. G. Beck, 1941-1946; Rev. Wm. G. Schwemmer, 1946-1951; Rev. F. L. Rodenbeck, 1951-1957; Rev. Clarence Hammen, 1957-.

Mr. and Mrs. John Nonn and family of Milwaukee have purchased Fahn's Kettle Moraine Lake Resort, formerly known as Round Lake Resort, from Mr. and Mrs. Joe Fahn, who operated the tavern, dance hall and resort for the past few years. Miss Kathleen Staehler of Chicago, Illinois, daughter of Mr. and Mrs. A. M. Staehler of Kewaskum, and Norman Boegel of Chicago, son of Mr. and Mrs. Oscar Boegel of Route 1, Allenton, were married during a nuptial high mass in Holy Trinity Church, Kewaskum, on September 6.

A daughter was born to Mr.

and Mrs. Ronald Vorpahl, West Bend, on September 7. Mr. Vorpahl is the son of the John Vorpahls of Kewaskum. Daughters were also born to Mr. and Mrs. Ralph Poelling, Kewaskum, on September 8, and to Mr. and Mrs. Donald Solheim, West Bend, on September 9. Mr. Solheim is a former Kewaskum resident.

A son was born to Mr. and Mrs. Howard Holz, Kewaskum, on September 8. A son, Joseph Allen, to Sfc. and Mrs. Truman Johnson of Lawton, Oklahoma, on August 30. Mrs. Johnson is the former Irene Kougl, daughter of the Francis Kougl of Route 1, Kewaskum. A son was also born to Mr. and Mrs. Jerome Guldan, West Bend, on September 9. Mr. Guldan is the son of Mr. and Mrs. Irwin Guldan, Kewaskum.

September 12, 1908

The fire department was called out early yesterday morning to put out a small blaze in the railroad company's oil shed near the depot in Kewaskum. The fire started from a pile of coal screenings which were piled up against the shed and became overheated. The blaze was extinguished before much damage was done.

John Weddig, who has been employed by A. G. Koch as elevator man for the past two years, moved to Beechwood Wednesday where he took charge of the J. N. Janssen farm. Charles Brueser of Milwaukee moved here into the Stark Building last Saturday. He will take over as elevator man for A. G. Koch.

Frank B. Bruesewitz of the Town of Kewaskum and Miss Martha A. Wichman of the Town of Barton will be married in St. John's Church at West Bend today.

A baby boy was born to Mr. and Mrs. J. H. Janssen of Beechwood last Friday.

SHERIFFS

DEPARTMENT

Clarence A. Schwartz, Sheriff

Heat and Car Care

The unusually hot summer and fall being experienced by Wisconsin motorists can present major problems with vehicles that are not properly maintained. According to

Sheriff Clarence Schwartz, a little time spent on your car now can give you safer, more relaxed traveling this season.

Schwartz offers the following car care advice. Tune-ups are very important. A disabled vehicle is a hazard to other motorists, even if it is parked on the shoulder of a road and a dangerous place for occupants, especially at night. Stalled cars are often rammed by a tired motorist who thought they were following the tail lights of a moving vehicle. Proper upkeep of your vehicle will help keep you from finding yourself in this predicament.

A tune-up may also mean you will get more miles from that expensive gallon of gasoline and might also prevent a serious engine problem from happening.

In addition, take time to check your lights and windshield washer and wipers.

— PUBLIC NOTICE — Village Board Meeting Monday

Public notice is hereby given that the next meeting of the Village of Kewaskum, Wisconsin, Village Board is scheduled for Monday evening, Sept. 19, 1983, at 8:00 p.m. in the Council Room of the Municipal Building, 204 First Street.

A Public Works Committee meeting will be held at 6:30 p.m. and at 7:15 p.m., a Protection and Public Safety Committee meeting is scheduled. These meetings will precede the regular monthly meeting.

The agendas for meeting are prepared as of Wednesday noon preceding the meeting and are available at the office of the clerk at the Municipal Building on Thursday preceding the meeting.

Copies of the agenda are also posted in the lobby of the Kewaskum Post Office and lobby of the Valley Bank.

William Martin, Clerk

— PUBLIC NOTICE — School Board, KEA To Meet Tuesday

The next meeting of teacher negotiations between the School Board Negotiations Team and the KEA will be held on Tuesday, September 20, at 4:30 p.m. in the Kewaskum High School library. This meeting is closed to the public.

Replace those burned out lights and worn blades that aren't doing their job properly. You can't avoid danger if you can't see it coming! It also helps to keep both the inside and outside of your windows clean. The grime really is hazardous, especially at night when the glare increases the glare of oncoming lights, Sheriff Schwartz points out. Taking a few precautions like these can insure you a comfortable, safe trip.

In the Service

Navy Seaman Recruit Beth A. Butts, daughter of William R. Butts and Carolyn A. Butts of 1307 Lakeview Road, West Bend, has completed recruit training at the Naval Training Center, Orlando, Fla.

During the eight-week training cycle, trainees studied

general military subjects designed to prepare them for further academic and on-the-job training in one of the Navy's 85 basic occupational fields.

Included in their studies were seamanship, close order drill, Naval history and first aid.

Minutes of Village Board Meeting

Regular Meeting
September 6, 1983
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in regular session in the Council Room of the Municipal Building, 204 First Street.

President Gerald F. Stollenwerk presided. Trustee David Nigh asked to be excused for the beginning portion of the meeting and was absent, all other Trustee Members were present. Trustee David Nigh was marked as being present at 8:28 p.m.

On a motion by Trustee Richard Schmidt, seconded by Trustee Donald Mlodzik and unanimously carried by voice vote, the Board approved the minutes of August 15, 1983.

Superintendent of Water Pollution Control, Peter Albers reported that the clarifier covers have been installed, the installation of the doors, some electric and the chlorination equipment work must still be completed.

Superintendent of Public Works, Augie Bilgo informed the Board that Payne & Dolan had just completed the street asphalt work for 1983.

On a motion by Trustee Richard Schmidt, seconded by Trustee Howard Laubenstein and unanimously carried by voice vote, the Board approved the application of Thomas A. Austin for an Operator's (bar-tender's) License and the Commission was authorized to issue the proper license upon payment of the required fees. The Police Department had no objections to the issuance of the license and the health report was negative. No action was taken on the application for Nancy L. Bartelt because it was not complete. (The health certificate was not turned in).

On a motion by Trustee Paul Blumer, seconded by Trustee Mary Krueger and carried unanimously by voice vote, the Board approved the building permit applications for Marigold Foods, Inc., for the placement of the portable office structure at 1418 Fond du Lac Avenue and the construction of a fuel storage shed at 1518 Fond du Lac Avenue. The office was authorized to issue the proper permits upon proper payment of fees. The permit application was approved by the Building Inspector and the Zoning Administrator.

Administrator Daniel Schmidt informed the Board that a brief special meeting of the Board is scheduled for September 15, 1983 at 4:30 p.m. to open the sealed bids on the energy savings a remodeling proposed for the Municipal Building. The Board was also

told that the meter testing of the larger water meters would take place the week of September 26, 1983 in accordance with the Public Service Commissions orders.

On a motion by Trustee Paul Blumer, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the Board approved the payment of bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

Village Gen. Fund	\$343,771.43
Water Dept. Fund	35,787.38
Sewage Dept. Fund	60,285.76
TID Fund	2,001.62

Protection & Public Safety Committee Chairman, Howard Laubenstein, announced that this committee would be meeting on September 19, 1983, at 7:15 p.m. The committee was asked to look at two intersections for stop signs.

Public Works Committee Chairman, Donald Mlodzik, announced that this committee would be meeting on September 19, 1983, at 6:30 p.m.

Public Services Committee Chairman, Paul Blumer, asked that all members of the Board

view the lighting problem at the end of Elm Street prior to discussion at the next meeting.

On a motion by Trustee Mary Krueger, seconded by Trustee Howard Laubenstein and unanimously carried by voice vote, the Board approved the purchase of a line striper at the cost of \$200.00 as recommended by the Park & Recreation Committee.

Park & Recreation Committee Chairman, Richard Schmidt, informed the Board that quotes are to be received by the middle of September for the proposed ice skating and horse shoe court lighting for the K.K.C.P. Also all Board Members were asked for their input regarding the Outdoor Recreation Five Year Plan, which will be discussed in the near future.

Trustee Howard Laubenstein, the Board Representative on the Plan Commission reported briefly on the Commission's meeting of August 30, 1983. The main discussion at the Plan Commission meeting was the proposed Timblin Condominium Development.

The memo from the Mayor of the City of Hartford was read regarding Halloween Trick-or-Treat Hours. This matter was turned over to the Public Services Committee to investigate.

President Stollenwerk reviewed with the Board a letter from the Village of Germantown asking for the Village's support for Assembly Bill 417, which establishes a new Class "C" Wine License. It was determined that if anyone wished to support this bill they should do so individually.

President Stollenwerk also

read a letter from the County Council of Tourism regarding a get together scheduled for September 21, 1983.

Motion was made by Trustee Donald Mlodzik, seconded by Trustee Howard Laubenstein to adjourn to closed session under 19.85 (1) (c) of the Statutes to discuss the implementation of the Classification and Compensation Study as presented by Arthur Young and Company, and as reviewed by the Administrative Committee, to consider employment, compensation and performance of public employees over which the governmental body has jurisdiction. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent." The motion was passed unanimously.

Eichstedt, Koss Retain Golf Titles

Clark Eichstedt and Mary Ann Koss both have defended their titles as club champions of Hon-E-Kor Country Club.

Eichstedt won his sixth men's championship with a 7 and 6 win over Mike O'Connor Jr., who was seeking his third title. Koss played some of her best golf of the season in beating Audrey Jaraczewski, 6 and 5, for the women's title. This was the fifth straight championship for Koss.

Eichstedt started out with a one-under-par 34 to take a 3-up lead over O'Connor in the finals. He increased his lead to six up by birdieing Nos. 10 and 11 but narrowly missed a third on the short par 4 at No. 12.

O'Connor cut the lead to 4-up with a birdie on No. 17 and "Ike's" troubles on No. 18. O'Connor parred the hole while Eichstedt went out of bounds twice and wound up with a 71 for the first round. O'Connor had five over par 75.

Eichstedt raised his lead to seven when O'Connor bogeyed five of the first six holes on their third nine. He got one back when he chipped in for a 2 on No. 7. Eichstedt's birdie on No. 9 put the difference at seven again. The two halved Nos. 10, 11 and 12, giving "Ike" the 7 and 6 victory.

Eichstedt had won previous titles in 1972, 1974, 1975, 1976 and 1982.

Koss and Jaraczewski were even after the first six holes of their match with the latter paring all of the par fives. Then Koss won Nos. 7, 8 and 9 to go ahead 3 up. Jaraczewski parred No. 9 but lost the hole when Koss made a birdie 3. Koss also birdied No. 12 and the match concluded on the 13th hole. The two women finished the final holes with Koss ending up with a 44-42-86 total.

Jaraczewski is a former champion at Hon-E-Kor, having won a half dozen or more championships.

Jim Westphal, Kewaskum High basketball coach, won the First Flight title over Cy Wieter. Westphal carded an impressive three-over-par 73, his best of the year and won the match on the 14th hole.

The junior title was won by Eric Pearson, who came back from 2-down after 27 holes to win on the 36th over Ted Wuebben.

Netters Beat Chilton, Edged By Plymouth

All but one Kewaskum doubles team was victorious last Tuesday as the Indian girls tennis team scored its first win of the season in a conference match at Chilton, 6-1.

Three of the four starting singles players won easily with Lisa Matenaer scoring a decisive 9-1 victory over Julie Wagner at No. 1 singles. Sherry Simon and Sue Tolonen were winners by 9-2 and 9-3 margins in nine game pro set matches.

At No. 2 singles, Jenny Lightner won a close victory over Nicky Fritzpatrick by a 9-7 score.

Amber Charland and Donna Hlavaty won their second straight match in the Eastern Wisconsin by scores of 9-6 over Wagner and Fritzpatrick.

Devonna Gruber and Beth Keagle also won at No. 3 doubles.

In another conference match at Plymouth Thursday afternoon, the Indians lost, 5-2, but five of the matches were decided by tiebreakers.

At No. 1 singles, Matenaer lost a close match to Claudia Roenitz, 4-6, 6-3 and 6-8. In the No. 2 spot the Panthers' Gina Krueger easily defeated Lightner in straight sets.

At No. 3 and 4 singles tiebreakers decided the matches with the Indians' Simon losing while Tolonen won with a good comeback in the second and third sets. She was the only Kewaskum singles player to be victorious.

The Indians' No. 1 doubles

team, Charland and Hlavaty, won their third straight match, defeating Gorski and Rowan in the fourth tiebreaker of the day, 6-4, 1-6 and 7-5. There was another tiebreaker which the Indians' Gruber and Tina Survis lost at No. 3 doubles. Amy Backhaus and Jama Jacak also lost at No. 2. In an exhibition varsity match, freshman Julie Reha lost in three sets, the last by a 5-7 margin, but played a good match.

On Saturday the varsity tennis team made a trip to Manitowoc for a four team round robin tournament, but after a couple hours of play, a downpour forced cancellation of the event.

Kewaskum Middle School Third in Cross Country Meet

On Friday, September 9, the Kewaskum Middle School placed third in the Mayville Invitational Cross Country Meet.

Competing against seven other schools, KMS runners did a fine job in completing the 1.3 mile run in 90 degree heat. First girl runner to finish was Ellen Kuphal in a time of 10:23. First boy to finish was Miles Shaw in an outstanding time of 7:52, which placed him third runner overall.

Other finishers in the top 25 were Todd Donnack (19), Dave Harju (21), and Chris Charland (25). Completing the team was Angie Nowak, Allison Frac, Mary Pesch, Brigit McKenna, Joan Peter-

mann, Matt Gruss, Robbie Hron, Bruce Krezman, and Robert Kode.

A very nice showing for the first KMS team cross country meet.

Advertisement for Bids

CONSTRUCTION OF AN ELEVATED STEEL WATERSPHERE Village of Kewaskum Washington County, Wisconsin

The Village of Kewaskum invites sealed bids for furnishing all materials, labor and equipment to construct a pedestal-mounted 300,000 gal. capacity elevated steel tank for the storage of potable water. The proposed structure is to be of welded steel and measure approximately 130 feet in height.

Lump sum proposals will be received at the office of the Clerk, Village Municipal Building, 204 First Street, P.O. Box 38, Kewaskum, WI 53040, until 4:30 P.M., CDST, Thursday, September 29, 1983, at which time they will be publicly opened and read.

Bidding Documents including Plans and Specifications are on file and may be examined at the office of the Village Clerk. Copies of these same documents may be obtained from the office of Ruckert & Mielke, Inc., Consulting Engineers, 419 Frederick Street, Waukesha, WI 53186, upon a deposit of \$40.00 for each set obtained. The deposit will be refundable only to bona fide prime bidders who return the documents in good condition within ten (10) days of the bid opening date, and only for up to two (2) sets of documents. Anyone desiring copies of the Bidding Documents by mail shall submit a separate check in the amount of \$10,000 per set to cover postage and handling. This fee will not be refundable.

Proposals must be submitted on the Bid Form bound in with the Bidding Documents and must be enclosed in a sealed envelope marked "Bid for Elevated Water Tank."

Each proposal shall be accompanied by a Bid Bond or Certified check equal to five (5) percent of the lump sum bid price, payable to the Village of Kewaskum as a guarantee that the successful bidder will execute and file the proposed Contract Agreement and a 100 percent Performance Bond within ten (10) days after the Notice of Award.

Bidder prequalification is required. A Bidder's Proof of Responsibility Form must be filed with the office of the Consulting Engineer at least five (5) days in advance of the bid opening date. The blank form is available from the Consulting Engineer.

Pursuant to Wisconsin Statutes, the minimum wages to be paid on the project shall be in accord with the rate of wage scale adopted by the Village.

No bid shall be withdrawn for a period of thirty (30) days after the bid opening date without the consent of the Village.

The Village reserves the right to accept any bid which it deems most advantageous to its interest, waive any technicality, or reject any or all bids.

Published by the authority of the Village of Kewaskum.

FOR SALE INVESTMENT BARGAIN Sheriff's Sale

1304 Fond du Lac Ave., Kewaskum

On September 21, 1983, at 9:00 a.m. this combination home and business property will be sold to the highest bidder at the Sheriff's Sale in the main lobby of the Washington County Courthouse.

The brick, two-story building has two apartments on the second floor (both rented) and excellent office space on the first floor. The successful bidder must deposit \$10,000 with the Clerk of Courts at the time of sale, and the balance in full on the date of confirmation (about 10 days later).

West Bend Savings will bid approximately \$37,500 to cover the association's mortgage and accrued costs. The property can be purchased with any successful higher bid.

To inspect the property, or to arrange financing in advance, contact Charleen Barutha, West Bend Savings' Kewaskum Office manager at 626-2186.

Kewaskum Piles Up 392 Yards Rushing

Campbellsport Is Third Victim of Indians, 24-6

Campbellsport became the third straight victim of Kewaskum when the Indians, with their own strong running attack and offensive line, knocked off the Cougars at home Friday night, 24-6, in a non-conference game.

The Cougars' ace running back, Richie Narges, was outdone by two of the Indians' ace runners, Jim Braun and Chris Harlow. Braun rushed for 177 yards and Harlow for 151 to overshadow a 145-yard effort by Narges.

Campbellsport surprised the Indians by coming out with a passing attack on their first series of downs. After completing one long pass, quarterback Dan Salter threw another 27-yard touchdown pass to Bob Sippel on their third play from

Cougars recovered. Narges and Salter took turns running the ball and the Cougars marched 70 yards deep into Kewaskum territory. Then Salter bobbled a snap, was hit by linebacker Brad Dieringer, and big Kewaskum tackle John Swanson fell on the ball at the eight.

Late in the same quarter, the Indians marched 65 yards in seven plays with Braun getting by Narges with a good move for a third touchdown on a two-yard run. Harlow's 29-yard gainer on a draw play set up the score.

Kewaskum intercepted two Salter passes, one by Squier and the other by Butz, on the next two Campbellsport possessions, and the half ended, 18-6.

The second half started with the Indians being assessed a 15-yard penalty because they were not on the field on time, giving the Cougars good field position. Tom Duley and Narges rushed for 14 and 19 yards on the first two plays but a 15-yard clipping penalty was costly, and the drive stalled on the Kewaskum 11.

Kewaskum then chewed up huge yardage on the ground with Braun getting his second big run, a fine 42 yarder, but on first down at the Cougar seven, Dieringer muffed a handoff and Tom Welsh recovered to stop yet another Indian drive. The Cougars gave up the ball minutes later when they tried a fake punt and Duley was well short of the first down marker.

Kewaskum took over at the Campbellsport 28. Squier made a beautiful catch on an option pass and then Follmann sneaked in from the one, making it 24-6.

The fourth quarter was scoreless as Kewaskum had already lost Butz with a knee injury, Swanson with a pulled muscle, and several others with cramps. All of the injuries were minor except for Butz. It is hoped he will be ready for the conference opener Friday.

Coach Mike Fibrick was pleased with the offensive showing except for the three fumbles and the strong side of the offensive line was cited for good play. He praised the play of tackle Gary Butzlaff, guards Dave Pesch and Brad Bartelt, and center Doug Miller. On the defensive side, Squier was credited with an interception, knocking down a pass and forcing a fumble.

After three non-conference victories, the Indians open the Eastern Wisconsin season at Two Rivers against the defending state champions Friday night. Two Rivers is probably the strongest team Kewaskum will face this season and the conference favorite. The Indians have their work cut out for them.

scrimmage for the score. The try for extra points failed, making it 6-0, Cougars. This was Campbellsport's first and only score for the rest of the evening as Kewaskum's defense held them scoreless for the remainder of the first quarter and throughout the remaining three quarters of the contest.

This was also the first score against the powerful Indians in three games thus far. The 3-0 Indians have now tallied 106 points to their opponents' 6, having previously beaten Horicon, 30-0, and Milwaukee Juneau, 52-0.

Kewaskum had taken the opening kickoff and moved 13 yards in the first two plays before Braun gave up the ball on the first of his two fumbles after an 11-yard carry. Campbellsport went right to the air hitting a wide open Sippel on the first play for a 34-yard gain. After a short run by Narges and five-yard penalty Salter and Sippel hooked up again for the Cougars' only score.

The Indians came right back with a 65-yard drive with Braun breaking free for a 47-yard romp. Several plays later Harlow took it in from the two. Mark Follmann was wide on his extra point attempt and the score was tied at 6-6.

Kewaskum got the ball back in a hurry when safety Jeff Squier jarred the ball loose from end Jim Stoffel, who had gathered in a 17-yard pass. The Indians' Rich Gaspardo fell on the ball at the Campbellsport 43. It took the Indians just four plays to score again. Follmann hit tight end Dennis Butz for a 17-yard pass play and after runs of eight and 11 yards by Braun and Harlow, Harlow powered over from the seven.

The Indians soon had another scoring opportunity after Harlow broke loose down the right sideline for a 36-yard run to the Cougars' 34. But on the first play after the quarter Braun fumbled again, and the
