## Trick or Treat Hours Set

# Second Phase of Municipal Building Remodeling to Start

By GERRY MUELLER  
Statesman Staff Writer

At its meeting Monday night, the Kewaskum Village Board awarded the contract for remodeling of the Municipal Building's Library and Council Room windows and front vestibule to Joseph Lorenz of Hartland.

Lorenz came in with a low bid of \$46,900.00. The only other bid came from W.B. Corporation of West Bend at \$53,527.00.

Don Mlodzik, Chairman of the Public Works Committee, told the board, "the bids were higher than we anticipated, possibly because we selected better windows than originally discussed." Village Administrator Dan Schmidt said work

would begin as soon as the windows were available and all the work should be completed by late fall.

In other action, the board adopted Resolution 83-14, which approves the village participation in the new state-wide "Wisconsin Department of Transportation Traffic Violation and Registration" program.

The program allows local municipalities to turn over, to the state, any parking tickets which have not been paid within 28 days of issuance. The state will then pull the motorist's vehicle registration, allowing local law enforcement agencies to confiscate the violator's plates. In order to reclaim their plates, the motorist will be

required to pay the fine, any penalty assessment and court costs is applicable. Police Chief Donald Hlavaty noted the City of Mayville had joined the program and was very well satisfied with the way it has been working.

The board approved the installation of stop signs at the corners of Memorial Drive and Pleasantwood Drive at Lazy Lane. Area residents were concerned with the safety of their children especially during the times youngsters were coming home from school. There are no sidewalks and the children walk on the roadway. Parents felt the signs would help to slow traffic in these areas.

Paul Blumer, Chairman of the Public Services Committee, recommended the village set October 30th, from 3 to 5 p.m., as the hours for this year's Halloween trick or treat. Blumer said he had checked with the elementary school to see what, if any, plans were being made by the Kewaskum PTO. "I've been informed the PTO no longer exists and that it was disbanded last spring due to lack of interest," said Blumer. On that basis, Blumer felt the village should go along with the City of Hartford's recommendation which would result in a uniform trick or treat

## Beware the Stopped School Bus With Its Flashing Red Lights

# Tougher Enforcement On Traffic Violators

By GERRY MUELLER  
Statesman Staff Writer

Both local and county police agencies are strictly enforcing a 1982 revision to the law regarding passing school buses that are stopped and have their flashing red lights in operation.

School Board member Neal Weare said, last week, residents of the Kewaskum School District should be made aware of the law's latest revision since several citizens have already faced the consequences of breaking this law.

The law, #346.49, which relates to a vehicle owner's liability when the vehicle illegally passes a school bus, has been revised to allow law enforcement officials to issue a citation to the vehicle, rather than to the driver as indicated in the original law. What this means to the general public is, now a bus driver merely has to make a written report out indicating a violation has occurred. If possible, the report should contain the approximate time and location at which the violation occurred, the license number and color of the vehicle, and identification, such as truck, station wagon, cycle, etc.

The citation will then be issued to the registered owner of the vehicle. If, however, the vehicle is driven by someone other than the vehicle's owner,

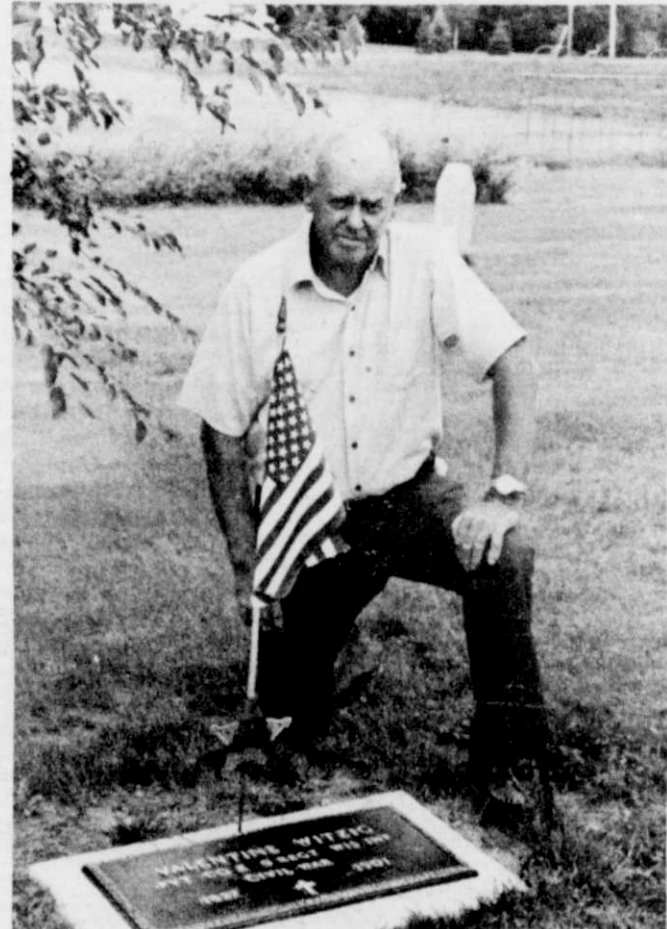

the citation will be issued to the driver. If the vehicle owner refuses to identify the operator of the vehicle at the time of the violation, the owner will then be cited for the fine and possible loss of points.

The Washington County Sheriff's Office was contacted to clarify the proper procedure when approaching a school bus. Captain Randall Flemming stated motorists can continue driving by the bus if the lights are in operation and the bus is in motion, however, once the bus, with its red lights flashing, has stopped, it is illegal for motorists to continue on from either direction.

The Kewaskum Police Department stated it has already cited three drivers for this violation upon receipt of written reports from Johnson school bus drivers. Officer Richard Knoebel said the public should also know violating the law is very costly. The fine runs from a minimum of \$20.00 to a maximum of \$200.00, bond is \$122.00, plus 12% and \$15.00 court costs. You can pretty well figure the violation costs will run you at least \$250 to \$260, said Knoebel.

Erv Gorecki of Johnson Bus stated six reports had been written since the beginning of this school year, three for the village and three for the county.

## Civil War Vets Receive Grave Markers at Last

James Andre with grave marker for Civil War veteran Valentine Witzig in St. Michael's Cemetery. Andre made the cement base to hold the plaque.

By GERRY MUELLER  
Statesman Staff Writer

Though they are long dead, and their war is part of America's early history, one Kewaskum man has not forgotten those men who served in the Civil War and now lie in unmarked graves.

James Andre, of 9375 Old Fond du Lac Road, Kewaskum, has begun a project which he

hopes other communities or groups will become interested and involved in, seeking out the graves of Civil War veterans so plaques may be obtained to mark their final resting place.

Andre, who is a member of the Robert G. Romaine American Legion Post of Kewaskum, brought his idea up at a meeting some time back. He had come across the names of

[Continued on Page 2]

## Blood Drive Slated for October 5

As we all continue to hear, Milwaukee and Wisconsin industries are having serious financial problems. This poor economic situation is seriously affecting everyone, even The Blood Center.

Because of the shaky industrial situation, The Blood Center is experiencing severe losses at industry-sponsored blood drives. Thus, we must make up our losses at other blood drives sponsored by local church and community groups.

To help us meet the needs of hospital patients in our area, Kewaskum is sponsoring a blood drive on Wednesday, October 5, from 12:00 noon to 7:00 p.m., at the Kewaskum High School (old gym). The Blood Center would be grateful to you for your lifesaving gift.

Won't you help us now, when we need you most?

## Shot Fired During Brawl At New Fane Tavern

Fond du Lac County Sheriff Tom W. Snyder said Monday morning he will refer to District Attorney Gary Kavanagh the case of a 33-year-old man who fired a shot Sunday night inside Jan's Bar in New Fane to break up a disturbance involving several patrons.

Fond du Lac County Sheriff's Department authorities were dispatched to the tavern at 10:08 p.m. after receiving several telephone calls that a man had been shot there.

When officers arrived at the scene, they learned that the 33-year-old part-owner of the bar had fired a single shot from a .45-caliber pistol into the

ceiling to help quell what another person interviewed by authorities described as a "tremendous brawl."

After the man fired the shot, all parties involved in the disturbance either fled from the premises or were told to leave. Officers recovered the pistol that was fired.

The owners then closed the bar for the night, authorities said.

Kavanagh is expected to determine if charges will be brought against the man who fired the shot. Authorities Monday were also trying to locate the two men involved in the initial fight in the tavern.

## Ten Girl Scouts to Receive Marion Award Here Sunday

On Sunday, September 25, ten young ladies who are members of Girl Scout troop 72, will receive the Marion Award. The award will be given to these girls at the 9:30 a.m. Mass by Father Berghammer at Holy Trinity Church.

These girls have worked hard for this award for one year. Their leader was Pat Morgan who spent many hours working

with the girls.

The girls who will receive the awards are Amy Hammes, Jean Klahn, Jeanine McElhatton, Carrie Grahl, Annette Stommel, Michelle Morgan, Pam Amerling, Cammie Amerling, Brenda Campbell, and Kerri Kudek.

All Girl Scouts of Kewaskum would like to say congratulations to these special scouts.

## Markers

(Continued from Page 1)

men who are buried in three local cemeteries without the benefit of grave markers. "It doesn't cost you anything," said Andre, all you have to do is make a request to the federal government, supplying the name and a plaque will be sent for placement on the grave."

Such a request was made by the Romaine Post on behalf of Valentine Witzig, William Wilke, and Charles Schuppel. When the plaques came, however, they were set aside and nothing was done about putting them in place. At a Legion meeting, Andre volunteered to take on the task. He personally made the cement bases to hold the markers and installed them at each of the graves.

Witzig is buried in St. Michael's Church Cemetery, St. Michaels. "Nobody knows exactly where his grave is," said Andre, "because it was never marked." Records only indicate he lived from 1827 to 1901, and was buried thirty feet from the west boundary. Andre said he and the parish's priest, selected a plot in the general area and placed the marker. "Before that, a flag selected a plot in the general area and placed the marker. "Before that, a flag marker was simply placed near a brick structure in the cemetery indicating a veteran was buried in the cemetery," said Andre. Now he (Witzig) has a permanent place where veterans and service groups can place his flag.

Wilke's grave is located in what Andre says the "Old Timers" call Buffalo Cemetery,

and Schuppel is buried in Van Vechtin Cemetery. Andre said people should look at the old cemeteries. "I'm sure they'll find more vets buried out there who should have a marker."

Andre noted he was upset by the deserted, unkept condition of many of the old cemeteries. "I can take you around the immediate area and pick out five or six which haven't been touched in years," stated Andre. I would like to see the townships or some organization like the Scouts take on the project to clean up these places and make them respectable again he noted. "When I was on the Town of Kewaskum Board, we cleaned up our two cemeteries and I think it should be the same in other places," commented Andre.

Since the first three graves were located, a fourth has been found and a plaque requested for it. John Jake Engler is buried in Elmore Cemetery, Fond du Lac County. "He has never had any marker," said Andre, "but he'll have one now."

## Remodeling

(Continued from Page 1)

time throughout the surrounding areas.

The Board approved resolution 83-15, which will result in the village sharing 50% of its cable franchise revenue with West Bend so that the West Bend Community Cable Network will provide broadcasting of Kewaskum's community and school events. Schmidt

noted football games would be the primary event scheduled for the present.

The board received two bids for lighting at the Kewaskum Kiwanis Park iceskating and horseshoe pit areas. The board tabled action on the bids, however, after Mlodzik said he had several questions regarding the size and type of lights and positioning of the poles. He felt a better plan could be develop-

ed and asked that the Parks Committee review the plan further.

Schmidt informed the board that bids will be opened on September 29th for construction of the new 300,000 gallon watertower for Well #3.

## WHITEWATER GUIDANCE COUNSELORS AT KHS

Guidance counselors from the University of Wisconsin-Whitewater will be at Kewaskum High School on Thursday, Sept. 28, at 10:00 a.m. to speak with students who may be interested in attending UW-Whitewater.

# Letters to the Editor . . .

## Letter to the Editor:

As a taxpayer and an employee of the Kewaskum School District, I would like to congratulate the Kewaskum School Board for making the Maintenance Staff feel like they haven't done their jobs.

Over the past few months, several articles have appeared in print regarding the Kewaskum School District's maintenance problems and the maintenance staff itself. I feel you have read and heard one side of the story, and now I would like to express my personal feelings on these matters.

Over the past few years it has become apparent that there were a number of major problems which led to the current conditions:

1. The total time required for janitorial and routine maintenance jobs exceeded the available time with the current manpower. In addition special requests from school administration and teachers put a further strain on time.
2. Continued refusal to add a full time maintenance person for the district.
3. The administration's continued refusal to respond to requests for monetary expenditure on major repairs.
4. The refusal to recognize the need to replace inadequate equipment and add necessary tools & equipment.

When I started here, each school had a service contract for the heating systems. Then it was changed so that each janitor of the school took care of the heating systems in the school where they worked. Then it was changed to Mr. Muench will take care of the boilers and furnace problems because you can do the best job. Taking care of six schools' heating problems was fine because it saved a lot of money. However, in the long run it didn't help me to get the head maintenance job done the way it should have been.

Then when the new shops were built, another member of the maintenance staff and I hooked up all the electrical air lines and gas pipes and the dust collector saving thousands of dollars. Now when something goes wrong in the plumbing area everybody comes to me and says fix it Gene. I find the problem and order parts and fix it. Only on the extremely serious jobs do we get help from a plumber. Some schools in the area wouldn't even fix these by themselves, they would have called in the trained people to do the job, but not us because I could do these jobs and I could save a lot of money, but in the long run it really didn't help me at all.

A big problem was that people in the administration didn't talk or work with me the way they should have. I would tell my workers to do a certain job and he would start working on it and all of sudden somebody else would tell him to do something else and then the job I wanted done wasn't important. I feel sorry for the new man because it is hard to work for four or five different bosses and have the administration not have the courtesy to talk to me about specific jobs and details. That's all right though, keep on smiling, do your job and act as

though you are still happy. It is hard to believe that these people felt that people working in the schools for 10-14 years didn't know how to do their jobs correctly.

A while back one of the school board members got very upset with me for not ordering window cleaner for some new windows. These windows were ordered through the business manager so I didn't even know what kind of cleaner to get since I didn't have any idea what kind of windows were purchased. The administration didn't have the common courtesy to talk to me and all they did was complain.

When John Long came here he saw some ceiling tile in the old gym that had to be changed because the roof had leaked. I told him it wouldn't help because the roof leaked and the next time it rains they will look the same way. The reason the roof leaked was because we didn't have the money to fix the roof. It all comes down to one thing, the administration never had the custodial help they needed or never would listen when I said something had to be fixed. They would always put me off and now look what the buildings look like. I know other school administrations listened to their head custodians. Why didn't ours?

Over the summer when all the schools have to be cleaned, I have always asked for more help but I never got any. So we cleaned the schools the best we could with the limited amount of help and time to do it in. This year John Long got me good extra help and we were able to clean the schools better than they ever were. Mr. Long has gotten us more tools, equipment, and manpower since he has been here then we've gotten in the last five years.

Each year, for the past few years, I have pointed out to the administration what needed repair and/or replacement. I always received the same answers - no money or wait until next year. Last year when I made out the budget I suggested money to repair the High School roof which needed the repair the most. Three weeks later when I inquired about the money for this project, I was told there would be no money.

After five years of requesting parts to make necessary repairs on the boilers, I was finally able to get authorization to get these parts this year. Fortunately, we did not have any serious major breakdowns during that period or the results could have been disastrous financially.

Another major effort was to get the necessary tools and equipment to maintain major and minor repairs. Instead of buying the tools we were told to go rent them. This cost almost as much as buying them in the first place. The next time we rented them, we actually spent more than we would have spent to buy them.

Over the last few years, I had talked about getting better vehicles to use for the schools, but every year it gets turned down. This year I put it in the grant for the schools but it wasn't even mentioned. Once again someone from the maintenance staff can drive in the 1966 van to Wayne without a heater and defroster for the

winter.

Today I was told I was being replaced as head man after 14 years of work. The new gentleman is coming in and going to tell us how to work after being here for 14 years. It seems that people don't feel I know how to do my job. I applied for the job and wasn't even offered a courtesy interview. However, when the new man asks me thousands of questions I have to answer because I know what has to be done. It seems to me if I can answer his questions I should be able to do the job. I knew what was to be expected of me in the new job. I was to have experience in boiler repair, electrical repair, carpentry, plumbing, welding and I was to be on call 24 hours a day. These were just a few things that were listed in the job description. Well who do you think was doing all these things for the last 14 years? Getting up at all hours of the morning to close doors that were left open and never punching a time clock. Many times I used my son's four-wheel drive truck to check boilers at the outlying schools during the major storm or below zero weather. Who has been doing the electrical and plumbing repairs and additions in the schools? Well it has been me and our staff. Who is supposed to train this new man...me because I know how to do everything. However, still I'm not qualified for the new job. The new man that takes over should really look good because the administration that we have now listens to me and when we need equipment and manpower we get it. But the school board says I'm not going to get a chance to prove myself because we need a scape goat so they go and hire a new person for the job. We spend 20,000 odd dollars to get a new man where we could have hired almost two new janitors for about the same amount of money and still have been able to get the work done. All these years I have never said anything bad because I felt I was doing my job the best I could with what I had to work with. But now in the end I am the one that becomes the scape goat. I told the administration that the major repairs had to be done and I needed more help and they always said no money. It is too bad I can't work with the administration we have now because they listen to me.

I have a lot of people to thank for all the help they have given me over the last 14 years. It has been appreciated. However, there is one group of people I don't have to thank and that is the school board for not giving me a fair chance. Well, thanks again school board for taking away a big chunk of my life.

Eugene Muench

## To the Editor:

I am still angry about the Kewaskum School Board's Sept. 12 meeting. It was bad enough that administrators received large raises (over \$3500 for the Superintendent alone) which we taxpayers certainly have not gotten, but that Mr. Brigham, Mrs. Goeden, Mr. Weare, and Mrs. Dieringer somehow felt were justified.

What angers me even more were Mr. Weare's comments when talking about various

career options for Kewaskum High School graduates. He sneeringly referred to the "industrial rats"—whom he obviously had no respect for. Well, Mr. Weare, most of us taxpayers have to work for a living, and just because we work in factories you have no right to insult us. I have never heard of the school district not wanting our tax money because we work in factories. First the Board (or at least the liberal four) spends money frivolously without regard for the economic conditions, and then a board member insults some of the very people who provide this money. It is not right!

An "Industrial Rat" who is proud of it

.....

Sept. 17

Dear Editor:

I had the good fortune or misfortune of chaperoning the spectator bus to Two Rivers Friday, September 16. As usual, our students behaved in a manner all of us at Kewaskum can be proud of.

Mike Fiffick and his Indians soundly defeated Two Rivers (defending state champs) 18-15. (Well, the score was 18-0 shortly into the third quarter!) When it came to leaving Two Rivers, our students quickly loaded the bus. As we preceded through Two Rivers, we were met with sticks, boos and obscene gestures. Our students greeted all this harassment with cheers such as "We're from Kewaskum couldn't be prouder" and "Our team is number one." I didn't hear too much grumbling, from the bus when I vetoed the decision to stop at McDonalds. Do you think I was going to stop with 60 enthusiastic Indians, with all those upset Raiders' fans?

I guess when it comes right down to it, I think I could come up with lots of better things to do on a Friday night—but not Friday, September 16. I was proud to be a Kewaskum Indian

and proud to have those enthusiastic Indian fans on my bus!

Something to be proud of—Keep it up, football players and fans!

## To the Editor,

On behalf of the Kewaskum Jaycees and the Muscular Dystrophy Association, I wish to thank everyone who contributed to the success of our "Fish-bowl" on Labor Day. This year slightly over \$300 was collected surpassing last year's total.

A special thanks goes out to the Valley Bank for allowing us to use their grounds for our fishbowl, to Short Stop Fuels for volunteering to have collection canister in their business on Labor Day, to Bruce and Russell Krezman for collecting door to door for MDA throughout Labor Day, and to all of the businesses in Kewaskum and the Kewaskum Statesman for helping us to promote the "Fishbowl." Again thank you.

Dave Schoofs  
Kewaskum Jaycees

# Memories...

The Statesman welcomes readers to submit photos for the "Memories" feature. Photos should show life in the olden days in this area. Deliver or mail to The Statesman, 250 Main St., Kewaskum, WI 53040. Photos can be picked up again after publication.

This old photo was taken on "Washing Day" at one of the army camps during World War I. The name of the camp or soldiers in the photo are not known but it is believed one of them is Edwin "King" Backus of Kewaskum.

(Photo submitted by his daughter, Eileen Hein)

## Offer \$200 Reward for Information On Vandalism to Tractor and Trees

The Fond du Lac County Sheriff's Department's Crime of the Week concerns a criminal damage to property reported to the sheriff's Department on Aug. 20, 1983. A tractor belonging to Mr. Loren Ketter, was damaged in the Town of Auburn in the early morning hours of Aug. 20. Damage to the tractor is approximately \$7,000. Person(s) unknown ran the tractor in the field and abandoned it while running, leaving it come to rest in a pine grove causing damage to the machine and the trees.

The crime alert program will pay \$200.00 to the person who provides information which will lead to the arrest of the person or persons involved in this act.

As always with this program, the Sheriff's Department wishes to stress all information received is totally confidential and the person remains anonymous.

If you have information on this crime call the Crime Alert number at 929-3216. It is not necessary to reveal your identity. You will be given a code number and you can periodically check back to learn the progress on this investigation. The Crime Alert Program also pays cash rewards for other information on other crimes.

## Revival Services at Pentecostal Church

The Kewaskum Pentecostal Church of God at 120 Main Street, will be holding Revival Services, September 25th thru 30th, each evening at 7:00 o'clock.

Rev. James Reynolds of Texas will be the guest speaker. There will be prayer for the sick at each service and special singing. The public is invited.

Pastor, Rev. C. E. Bowman

Twins are born less frequently in the eastern part of the world than in the western.

## Cycle Chase in New Fane Area Reaches 100 mph

A 27-year-old Eden motorcyclist was cited for speeding and fleeing an officer by the Fond du Lac County Sheriff's Department following a high-speed chase in the New Fane area early last Thursday that reached speeds in excess of 100 miles per hour.

Officer John Toney said he was operating radar from a marked patrol car in the Village of New Fane when he observed two motorcycles at 1:21 a.m. One was clocked at 35 mph, while the other was traveling at 52 mph in the 35-mile-per-hour zone. Toney pursued the cycle on County Trunk S through New Fane and into the rural area.

The chase continued on County S in the Town of Auburn at speeds over 100 miles per hour. After stopping at the intersection of County Trunk S and G, near Kewaskum, the motorcycle accelerated so fast that the front wheel left the pavement twice, Toney reported. It then continued north on County G at a high rate of speed.

The motorcycle turned off County G onto Auburn-Ashford Drive, and into a driveway, where the operator lost control on wet grass and tipped over.

Toney said the man got back on his cycle and tried to drive away, but he jumped out of the squad car, knocked the subject off the vehicle and told him to halt.

Toney said he drew his revolver and asked for the

man's driver's license. The motorcyclist offered no resistance and was placed in the back seat of the squad car, where the citations were issued. The man is expected to appear in court to face the two charges on Oct. 3.

## Zimmel Awarded Banking Diploma

Gerald H. Zimmel, Valley Bank, Kewaskum, is among those awarded a diploma Aug. 19 at commencement exercises of the Graduate School of Banking at the University of Wisconsin-Madison. Graduation required attendance at three annual two-week sessions on the Madison campus and the satisfactory completion of extension problems between the resident sessions.

The School is sponsored by the Central States Conference of Bankers Association from 16 Midwestern states. About 1225 bankers were enrolled this year from 43 states and Puerto Rico.

The faculty of over 60 instructors included bankers who are specialists in their respective fields, practicing attorneys, business executives, economists, and members of over a dozen university and college faculties.

## A master of his profession, Orval Behnke, CLU has been named Equitable's Midwestern Region Honor Agent.

Each year, The Equitable's Old Guard, an association of Agency Managers, designates an Honor Agent for each of our six sales regions. The individuals selected are those who, while achieving outstanding records in sales, have generously contributed their time and effort in service to their community, as well as providing expert help and advice to their clients.

We salute Orval Behnke and are proud that he will represent The John L. Ellison Agency and The Equitable as this year's Regional Honor Agent. The honor tops an already outstanding record of awards and achievements.

Congratulations Orval! Your future holds many more honors in store for you!

# AFS Students Arrive at KHS

Gro Ommundsen and Alan McFarland

This year Kewaskum High School is hosting two foreign students. The students are sponsored by the A.F.S. Gro Ommundsen is 18 years old and is taking a full schedule of junior classes. She originally comes from Sandnes, Norway. Sandnes is a town of about 11,000 people.

Gro has one older sister and a younger brother and sister in Norway. While in Kewaskum her AFS parent is Mrs. Warren Sekas, 890 Dietrich Dr., Campbellsport, and her two daughters, Amy and Shelly, and a son Jody. Gro likes to play volleyball but her favorite hobbies are drawing and painting.

Gro hopes through living with an American family, she will see how an American family lives and their values and their beliefs. She also hopes to better her language ability. She likes our school system better than her native Norway because you don't have to pass a test to enter high school. What she doesn't like about Wisconsin is the hot,

humid weather.

Alan McFarland is the other AFS student at KHS. He is 18 years old and comes from Kotonning, a town in Western Australia with a population of about 5,500.

Alan comes from a family of six with one brother and two sisters. He says he feels right at home staying with the David Domasky family, 8701 Boltonville Rd., Kewaskum, and his stateside brother, Mike Steinhart. Alan is taking a full schedule of senior classes while attending KHS. He enjoys

sporting activities such as field hockey, rowing and cycling. He is looking forward to seeing snow. Alan is interested in the U.S. and feels the best way to learn about a country is to live in it.

## Update on KEA Scholarship Winners

Dan Gerhartz and Heide Edgar were the selectees for the two \$300 Kewaskum Education Association College Scholarship Awards for the 1983-84 school year. Dan is attending the American Academy of Art in Chicago and Heide has begun her studies toward a computer science degree at UWWC.

The winners of the second portion of the KEA Scholarships, which is the Vocational and Technical Awards, are Mary Jo Hupfer and Shelly Bieniek. Mary Jo has enrolled in MPTI in West Bend to begin working for an Associate Degree in Nursing and Shelly applied at North Central Technical Institute at Wausau.

The KEA has given three scholarships, one academic and two vocational, each year since the 1975-76 school year. A second academic scholarship was funded for the 1982-83 school year and also for the

current 1983-84 school year. This totals \$5,100 in scholarship awards, given by the KEA, in nine years, including this year. To make the program succeed, each KEA member donates \$5.00 which is placed in a separate account and managed by the KEA treasurer.

The recipients of the scholarship money are then selected each spring by the KEA Scholarship Committee chaired by Ms. Barb York. The announced winners are made at the graduation exercises by high school principal, Clark Pearson.

## TO FLUSH HYDRANTS

The Village employees will flush hydrants on Tuesday and Wednesday, Sept. 27 and 28. If water appears rusty, do not be alarmed as it is harmless and will clear in a few hours.

**Cullen Promoted  
At Regal Ware**

Fred Cullen has been promoted to the position of Purchasing Agent at Regal Ware, Inc. He is responsible for buying a variety of component parts used in manufacturing and reports to the Director of Purchasing.

Cullen, who has been with Regal since September 1981, was Safety and Personnel Administrator before the promotion. He attended Western Michigan University.

Cullen, his wife Donna and a daughter live in Boltonville.

Regal is a multi-plant manufacturer of cookware, portable electrics and microwave accessories headquartered in Kewaskum, Wisconsin.

**Obituary**

**ALEX GEIER**

Alex Geier, of 1512 W. Decorah Road, West Bend, died Monday, Sept. 12, at St. Joseph's Community Hospital, at the age of 80.

He was born Aug. 27, 1903, in the Town of Kewaskum, where he lived and farmed the homestead. He also worked as a roofer for the Haug and Sons Roofing Co. until his retirement in 1962, when he moved to West Bend.

Survivors include a twin brother, Alois of West Bend; two sisters, Martha Garber and Violet (Maurice) Eisentraudt, both of Milwaukee; a brother-in-law, Joseph Zacher of Milwaukee, and other relatives and friends.

One sister, Lillian Zacher, predeceased.

Funeral services were Thursday at 9:30 a.m. at the Schmidt Funeral Home, West Bend, with a Mass of Christian Burial at 10 a.m. at St. Frances Cabrini Church. The Rev. Leo Lambert was the celebrant, and entombment was in Wisconsin Memorial Park, Brookfield.

The earliest known members of the modern cat family first appeared about 13 million years ago.

## Two New Teachers Join Kewaskum High School Staff

Ms. Georgia Howard

Ms. Theresa Kline

Two new teachers have joined the staff of Kewaskum Community High School this year. One of the new teachers is Ms. Georgia Howard who will be teaching Emotionally Disturbed in the area of special education. After graduating from Michigan State University with a BA in Special Education for Emotionally Impaired and Elementary Education, she attended Western Michigan Univer-

sity in Kalamazoo and received her masters degree in Special Education. She has had extensive experience in her field of special education both in the U.S. and abroad.

Ms. Howard has traveled extensively throughout the U.S. and abroad. Her interests include aerobic dancing, karate and X-country skiing. She has been a karate instructor and an aerobic dance instructor during

the past 5 years.

She moved to the Slinger area from Michigan in June of 1982 when her husband was transferred by his employer, State Farm Insurance. She has 2 children, Brendon, 6, and Hilary, 3. She is very busy setting up a grade 7-12 ED program in the district but feels the students at KHS are friendly and interested in earning a high school diploma.

Ms. Theresa Kline comes to Kewaskum High School from Fairbault, Minn. She will be teaching 6 Spanish classes as well as acting as advisor for the AFS and Spanish Clubs. Ms.

Kewaskum Statesman, Friday, Sept. 23, 1983, Page 7

Kline graduated in 1979 with a BA degree in Spanish and English from Edgewood College, Madison, Wis. In 1980 she spent a semester of graduate study in the Spanish department at UW-Madison as a teaching assistant. Her previous teaching experience includes a Spanish instructor at Chicago and John Marshall and Mayo High Schools in Rochester, Minnesota. She has also traveled extensively spending a summer during college study-

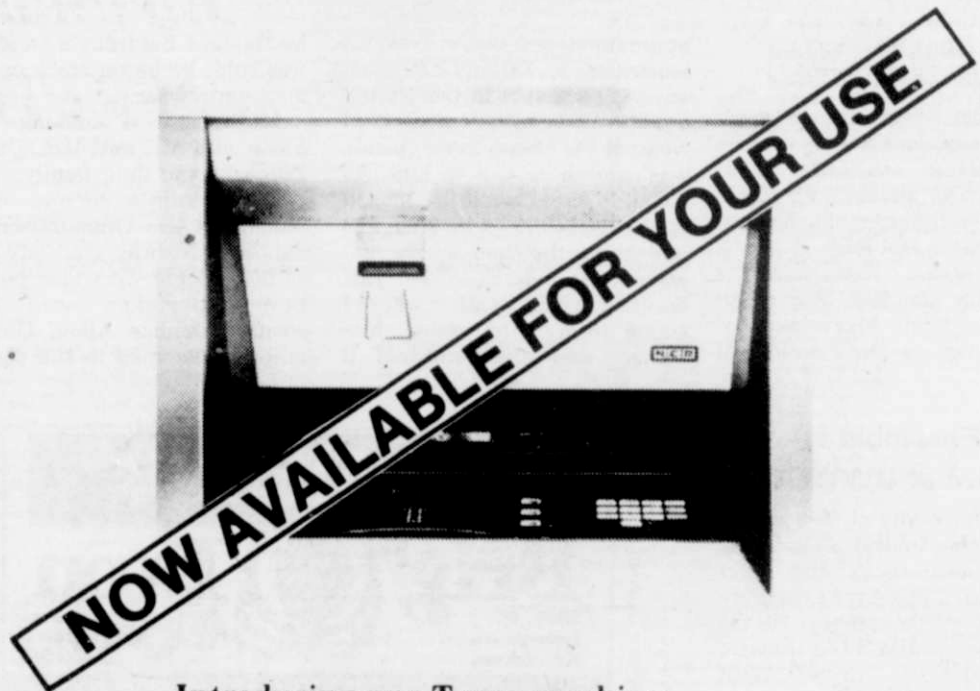

ing at the University of Madrid and traveling in Spain and Portugal. During her last semester of college she studied Art and Theater in England, France, Italy and Spain with a Minnesota University program.

Ms. Kline is currently living in West Bend. She finds adjusting to her new environment and faces quite easy and is impressed by the friendly helpful staff at KHS.

Advice is least heeded when most needed.

# Tyme

The teller that never gets to go home

Introducing our Tyme machine...

At Valley Bank, we're proud to have a staff of friendly and efficient tellers.

They work hard during the day. At night, they go home to their homes and families.

All except one of them.

This teller never gets to go home.

No nights off, no weekends, no vacations.

Just work, work, work.

This teller can give you cash any time of the day or night. It takes deposits, and makes transfers between checking and savings accounts.

This is the 24-hour teller, called a Tyme machine. And with your own personal Tyme card you can bank 24 hours a day at Valley Bank-Kewaskum.

Call or stop in for a Valley Tyme card application

# AFS Holds Annual Picnic

Left to right: David Domasky, Allen McFarland, Australian AFS student, and Mrs. Domasky.

Left to right: Amy Sekas, Jody Sekas, Mrs. Warren Sekas, Gro Ommundsen, AFS student from Norway.

BY GERRY MUELLER  
Statesman Staff Writer

For the twenty-second year, the Kewaskum Chapter of AFS is hosting students from abroad. The annual AFS picnic was held Saturday in Kewaskum's River Hill Park.

This year, Kewaskum is home for its first Australian student, Allen McFarland, of Katanning, a community of

approximately 5,000 in western Australia. McFarland has been enjoying his stay in the United States, however, the cool weather at Saturday's picnic was something new to him. As Allen shivered while he looked for his jacket he said, this was one thing he had never experienced before. "We just don't have cold weather where I come from," he said. McFarland was teased and told, if

he thought Saturday's weather was cold, he better stock up on long underwear.

McFarland is making his debut with Mr. and Mrs. David Domasky and their family.

Kewaskum's second AFS student is Gro Ommundsen of Sandes, Norway, a city of 11,000 people. Gro also had a new experience with our weather. Unlike Allen, Gro is quite accustomed to the cooler

climate, however, the hot weather our area has had this summer is something not found in her country.

Gro is the second Norwegian student to be hosted by the

Kewaskum AFS. Its very first student was a girl who came from Norway in 1961.

Gro is making her American home with Mrs. Warren Sekas and her family.

## Ayer Ensemble to Perform at UWWC

The University of Wisconsin-Washington County's Fine Arts Series announces the performance of The Ayer Ensemble on Friday, September 30, at 8:15 p.m. in UWWC's theatre, 400 University Drive, West Bend.

Formed in 1980, the group has performed in the Great American Choral Festival, placing first in the state in 1982. They have performed for many local social and civic functions and in Milwaukee. Under the direction of Peter Ayer, Associate Professor of Music at UWWC, the ensemble performs the widest possible variety of literature and will, in the course of a concert, perform something to satisfy every musical taste.

Prior to the group's September 30 performance at UWWC, they were scheduled to appear on the Channel 10/36 Talent Jubilee program on Wednesday, September 21 at 8:00 p.m. and Thursday, September 22, at 10:00 p.m.

# Marksman Claim Birds at Kiwanis Turkey Shoot

By GERRY MUELLER  
Statesman Staff Writer

The Kewaskum Kiwanis saw 329 birds taken at their 31st Annual Turkey Shoot on Sunday.

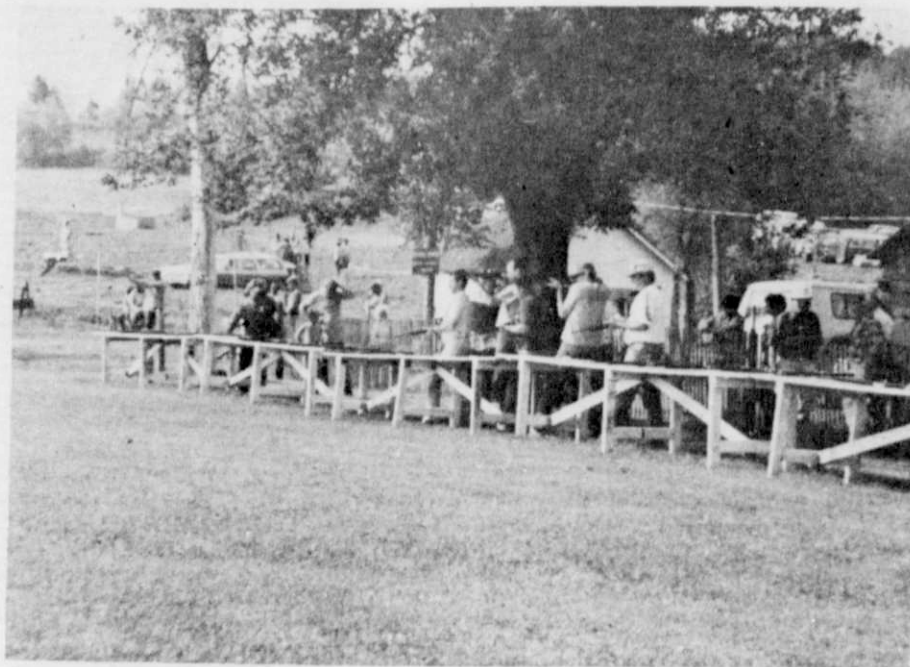

Kiwanis member Roy Esser said 174 turkeys were given out at the rifle range, 32 at the bow and arrow, 50 at the pistol range and 72 at the trap shoot.

Marksman at the sausage shoot had a super day, noted Esser. We gave out over 50 sausages and when we ran out, we issued certificates to the rest of the winners.

Ernie Mitchell said the Trout Pond had 250 successful fisher-

men walk away with a catch. Largest fish of the day was a 15" trout caught by Bill Pauer of West Allis. His winning fish earned him a complete set of Regal Ware cookware.

Esser noted the Kiwanis tried something new at the trout pond this year. "We put in two aerators and split the fish up into two batches. We put half in at 9:00 a.m. and the rest in the pond at noon. We were told, with more aeration and new fish they would be more active and bite better," said Esser. Esser noted he sure hoped it worked, we want the people to catch fish, that's why we put them in there.

Riflemen taking aim--with the strong wind Sunday, those "O!" Balloons" bobbed around like a real turkey's head.

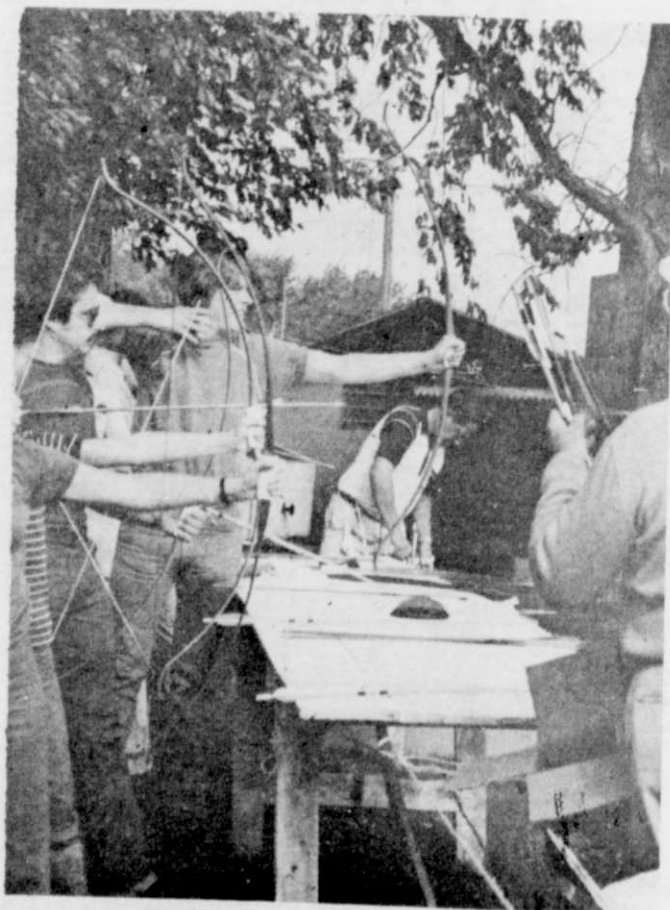

Another catch is scooped up for a lucky fisherman.

Ken Hausner of Kewaskum displayed the results of his efforts on the ranges.

Andrea Schwai of Jackson couldn't wait to ride the pony — until she got on that is.

Dave Panko got a turkey for his efforts.

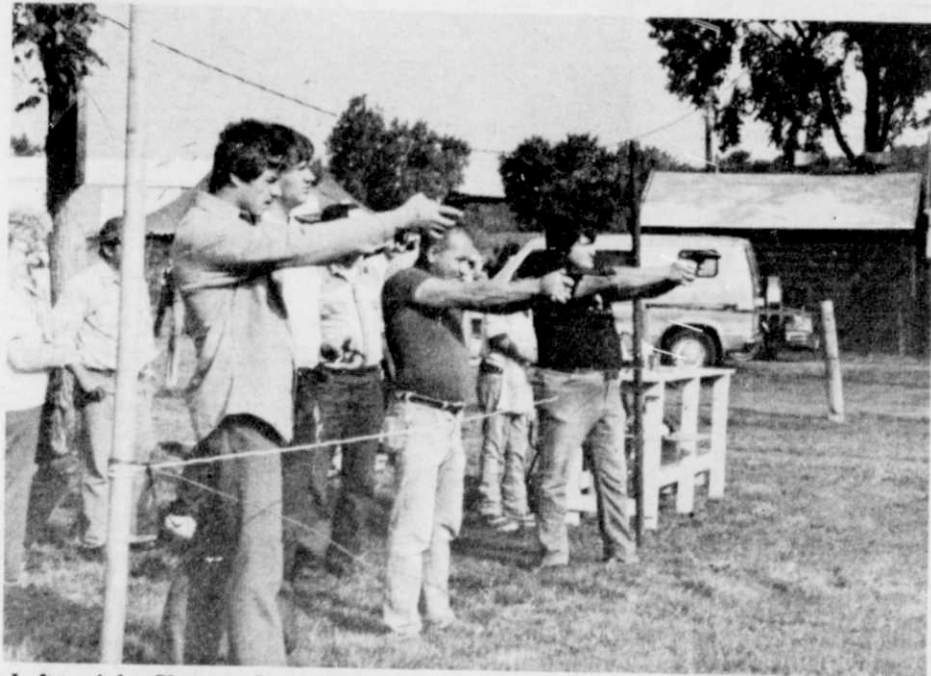

Arnie "The Clown" Stommel.

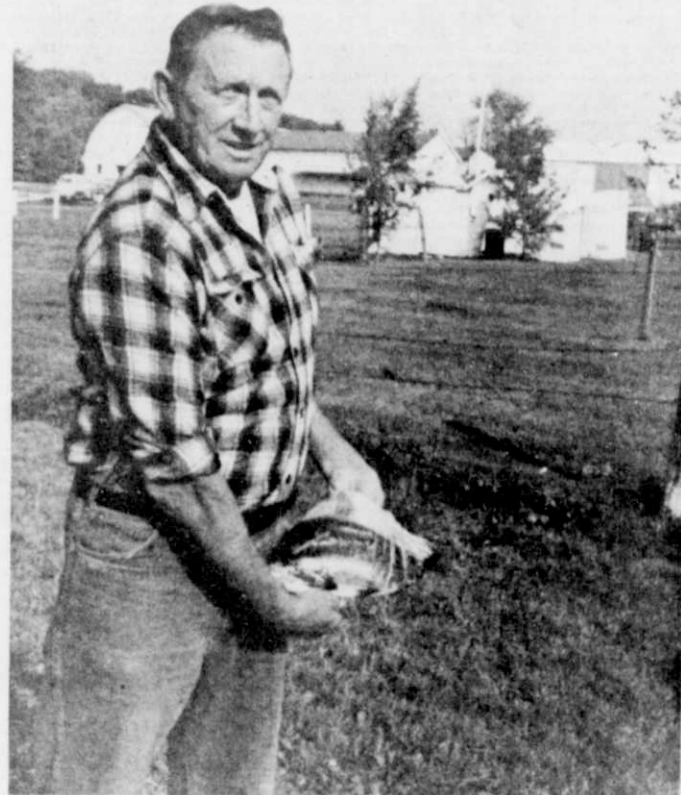

Anxious buyers awaiting the opening time for the Regal Ware sale.

Left to right: Shooters Steve Mantz of Jackson, Norman Thorpe of Milwaukee and Mike Schwai of West Bend. "Concentration is the name of the game."

Ervin Parlow of Waubeka displayed four beauties his family caught. "Trout for breakfast."

## Prost - Domasky

Willard (Barney) and Dolores Prost, of 8891 Kettle View Drive, Kewaskum, are happy to announce the engagement of their daughter, Janine, to Scott Domasky, son of David and Marlene Domasky, 8701 Boltonville Road, Kewaskum.

Janine is a 1978 graduate of Kewaskum High School and a 1980 graduate of Lakeshore Technical Institute, Cleveland,

Wisconsin. She is presently employed by Wm. G. Koppelkam, D.D.S., Ltd. as a dental assistant in Sheboygan.

Scott is a 1979 graduate of Kewaskum High School. He is presently attending the University of Arizona in Tucson, studying aerospace engineering.

The couple is planning a summer 1984 wedding.

## Kleinke - Fischer

Mr. and Mrs. Marvin Kleinke of Kewaskum are pleased to announce the engagement of their daughter Suzette, to Valgene Fischer, son of Mr. and Mrs. Valgene Fischer of Colby, Wisconsin.

Suzi is a 1980 graduate of Kewaskum High School, and

Val is a 1979 graduate of University of Wisconsin, Eau Claire. Both are presently employed at the Eau Claire Press Company, Eau Claire.

A 1984 wedding is being planned by the couple to take place in Eau Claire.

## On Homecoming Committee at UW-Whitewater

Doreen Klug of Kewaskum is Klumb Girl chair for the University of Wisconsin-Whitewater annual Homecoming. A junior accounting major, she is the daughter of Mr. and Mrs. Floyd Klug, Route 1, 3291 Highway D.

Homecoming festivities will begin Sept. 26 with preliminary voting for the King and Queen during the day, an evening talent show, and announcement of the Court. Also scheduled during the week are a treasure hunt, a dummy contest, bonfire, concert by Wally Cleaver, and announcement of the Klumb Girl, who is chosen by the cheerleaders on the basis of scholarship, participation in campus activities, and ability to mix with people.

Homecoming events will culminate on Saturday, Oct. 1, with a parade at 10 a.m. and the 1 p.m. football game against UW-Platteville.

The UW-W Alumni Association will host several events in conjunction with Homecoming. Following the parade, the band, directed by its new conductor, Larry Henry, will entertain at a concert on the mall. The concert is Alumni Association sponsored, as is a beer and brat barbecue on the patio/Warhawk Lounge area of the University Center prior to the game. After the game there will be an Alumni cash bar with live music in the University Center.

Alumni wishing tickets to the game or additional information should phone the Alumni Center, (414) 472-1105.

## In the Service

Navy Airman Recruit Linda A. Groth, daughter of Robert W. and Louis M. Groth of 1899 Highway 143, West Bend, has completed the Aviation Hydraulics Maintenance Course.

During the seven-week course at the Naval Air Technical Training Center, Millington, Tenn., students received instruction on the inspection, servicing and repair of aircraft hydraulic systems. In classroom and practical application periods, they studied the operation of landing gear and steering, braking and shock absorbing mechanisms.

## Third Graders Observe Grandparent's Day

Left to right — Julie Mertz, Mrs. Elizabeth Thill, Mrs. Elmer Thill.

In observance of Grandparent's Day on September 11, the third grade class at Wayne Elementary wrote notes to their grandparents. The children wanted to let their grandparents know how much they care and

how proud they are of them.

On Thursday the class had the honor of meeting Mrs. Elizabeth Thill. She is the great-grandmother of a student in third grade, Julie Mertz. This experience was unique in that Mrs. Thill is 100 years old. She was accompanied by a daughter-in-law.

Her visit to school included visiting with the children, answering questions about her childhood and touring the school building. Mrs. Thill's school experience was in a one room school. Wayne, a small school by today's standards, seemed quite large to her. She was impressed by the amount of books and the new computers.

The students and teachers enjoyed the experience and learned to appreciate the things our older people have to share with us.

Bury, son of Fredrick J. and Barbara Bury of 1465 N. 12th Ave., West Bend, has reported for duty with 2nd Marine Aircraft Wing, Marine Corps Air Station, Cherry Point, N.C.

Marine Pfc. David L. Rogers, son of Rosetta J. Taft of 1701 Stonebridge Road, West Bend, has been promoted to his present rank while serving with 2nd Marine Aircraft Wing, Marine Corps Air Station, Cherry Point, N.C.

St. Michael's Christian Women's Group has made the beautiful candlewick, queen size quilt pictured above. Pillow shams complement the natural muslin, hand stitched quilt which will be on display at St. Michael's Fall Festival on Sunday, Sept. 25.

Tickets are available at Minz Supply and Kewaskum Floral Shop or call 338-8283, 334-7963 or 338-8341.

An interest in candlewicking and quilting by Donna Shaw led to making this lovely quilt.

## Weber Family Reunion Held

The first reunion of the Nabob - Ashford Webers was held Sunday, September 4th, from 11 a.m. to 6 p.m. A good time never to be forgotten was had by all. More than 300 relatives attended throughout the day - 250 of these were served a catered dinner at 1 p.m. at the former Stoffel Hall - Tracy's Hall as of September 1st. Relatives came from California, Colorado, S. Dakota, Indiana, Illinois, Minnesota and many parts of Wisconsin.

The day's activities began with a Mass at St. Mathias Church, Nabob, at 11:30 a.m. Rev. Robert Braun, a relative of the Willkomm - Weber branch was the celebrant assisted by Rev. Msgr. Syl. Gass, a cousin of the Gass-Weber line. Other relatives participating in the liturgy team were: Servers - John and Robert Weber of Bellflower, Calif.; Commentator - Lee Gonring of West Bend; Readers - Sr. Joan Marie Peters, O.S.F. of Milwaukee and Ivo Weber of Bridgewater, S. Dak.; Gift Bearers - Betty Beistle of West Bend and Barbara Stoffel of Kewaskum; Assistant Communion Distributors - Judy Peters of Town Trenton and Leo Dornacker of Nabob; Ushers - Sylv. Scharrer of Nabob and Herb Hinsenkamp of Fort Wayne, Indiana; Organist - Koreen Breuer of Nabob; Soloist - Andy Gonring of West Bend sang "The Our Father." The Mass was very impressive with the theme built around our ancestors leaving their native land in search of peace and religious freedom, settling in this area, building their homes and farms, church and school, providing a cemetery for their dead and love not only for their individual families but also for their church and community family. A special prayer was said for all who in any way helped make the day possible and all who came.

Immediately after the dinner prizes were awarded to: The oldest person attending - Mrs. Eliz. Willkomm Weich, age 91 of Slinger; longest married -

Mr. and Mrs. Paul Fredrick, married 53 years, of Lake Tomahawk; newest married - Steve and Meg Gonring Hopp of West Bend, married 3 months; largest family - Barbara Stoffel of Kewaskum, 14 children; youngest member - Kirsten Muehlbauer, age 3 months, born June 4, 1983, great-grand-daughter of the late Emma Gonring Muehlbauer, granddaughter of George Muehlbauer of Big Cedar Lake; greatest distance traveled - Dick and Dot Weber and sons of Bellflower, Calif.; first reservation sent in - Wallace and Evelyn Gonring Klug of West Bend.

A short sing-along followed. At about 2:30 p.m. a local photographer took the group picture and as many as possible of the individual branch groups.

Descendents of branches present throughout the day were - the Nic and Anna Rock Weber, John and Lena Zehren Weber, Peter and Mary Weber Luis, Nic and Maria Peter

Weber, John B. and Catherine Holtrith Weber, Adam and Barbara Ech Weber, John and Mary Weber Willkomm and Matt and Katherine nee Weber Weber. Many of the relatives are members of more than one branch. We were unable to locate descendents of John and Eliz. Weber Simon branch. Consequently none were present. We would like contact with this family. If anyone knows of their whereabouts, please contact any one of us on the committee. Our Webers were hard to research as there are 5 or more different Weber families married into our Weber lines.

The remainder of the afternoon was spent in listening to accordion music provided by Mary Borash of Yucca Valley, Calif., Marian Mechenich, Syl. Fox and Roland Beine, all of Wisconsin; more singing, reminiscing, viewing the charts complete with pictures, maps, some census records and the scrap book by Erna Peters. Also on hand was a copy of our Weber Book authored by Jean Rayford in 1980. There was a complete sell-out of these soon after publication. Matt Schickert of Kewaskum was in charge of outdoor games while others played cards indoors. A tour of the old homesteads for those interested took place at 4:30 p.m.

There is much interest in another reunion. To date no plans have been made. However, we suspect if enough interest is shown and another group volunteers to be on the committee this will become a reality within a few years hence.

The committee for this first reunion consisted of Jean Rayford, Marian Mechenich and Erna Peters.

Any of the group pictures may be ordered by calling (414) 338-8944.

## Schoofs Family Reunion Held

Descendants of Joseph T., Elizabeth Mueller, and Katherine Becker Schoofs held their family reunion on Sunday, August 28th, at the homestead, the farm owned by Allen and Paula Schoofs in the Town of Kewaskum. One hundred and twenty-one were present.

Joseph T. Schoofs was the son of John and Barbara Reimer Schoofs. John, the son of Heinrich (Henry) and Marie Oppenorth Schoofs was born in 1840, at Keppeln, Rhine Province, Prussia. Henry was born in 1811, at Pfalzdorf, in the same area as Keppeln, only the area at that time belonged to the French Empire. Henry and Marie Schoofs came from the Rhine Province, Prussia, in April, 1859, with their four sons, John, Gerhard, Theodore and Peter, to Wisconsin. They settled on a 100 acre farm a mile and a half northwest of Kewaskum. That farm is today owned by another great-grandson, Theodore H. Schoofs.

Henry was the son of Johann and Megilda Bienemann(s) Schoofs. Johann was born April, 1778, at Pfalzdorf. At that time the area was known as Rhenish Prussia. Johann was the son of Jans (John) and

Gertrud Angenendt Schoofs. Jans came from Keppeln, he died in 1827 at the age of 84, so he was born in 1742 or 1743.

Most of Joseph T. Schoofs' children are still living, most of them in Wisconsin. Egidius (Dick) lives in Washington and Ralph in Minnesota. One son, Joseph, died in 1981. Two of Joseph T.'s sisters are still living. Mathilda (Tillie) Hausmann, age 96, is living in Tucson, Arizona, and Kathryn Huber, age 93, is living at the Cedar Lake Nursing Home, West Bend, Wis.

At the reunion, a pot luck noon meal was enjoyed by all. Fr. Allan Weinert led meal prayers. During the afternoon members enjoyed playing cards and games. Family ancestral charts and old pictures were on display, also the baptismal outfit worn by some members of the family which was made by Elizabeth, and a Communion petticoat which was worn by all the Schoofs girls for their First Communion. The lace for the petticoat was crocheted by both Elizabeth and Katherine.

The last Schoofshof near Keppeln, W. Germany, was destroyed in a Tank Battle in World War Two.

The Schoofs family records are recorded in Dusseldorf, W. Germany.

## Annual Cub Scout Round-Up Monday

Have you marked your calendar? Monday, September 26, is the Annual Fall Cub Scout Round-Up of Pack 3744 at Kewaskum Middle School at 7 p.m. Boys 8, 9 and 10 and their parents are invited to see what excitement Cub Scouting can be for you.

Day Camp, one of the summer events is enjoyed by

boys, leaders and parents alike. The challenge of an obstacle course, hitting the center of a target in archery, Huck Finn fishing, a refreshing swim after a hike and boating were fun for all.

The great outdoors were never to be explored from a TV screen. The Webelos, 3rd year Cub Scouts, boys 10 years of

age, of Pack 3744 explore things first hand.

Summer, Fall, Winter or Spring of the year - FUN can be had by all in the World of Cub Scouting. Plans for this year are no exception for the Webelos. They will be working with the DNR in a bird banding program and wild flower seed gathering. A major activity is the Bay Lake

10th Anniversary Encampment at Road America in Elkhart Lake on October 14, 15 and 16. Our Webelo Scouts will participate in this encampment which will draw nearly 10,000 scouts and visitors—once in a lifetime experience.

The leaders, Dennis Giese and Jerry Geidel extend a

welcome to boys 10 years of age and their fathers, to come join in the first hand experience of nature and the great world of exploring.

The leaders of Cub Scout Pack 3744 look forward to meeting the boys 8, 9 and 10 and their parents at Round-Up, September 26th.

# 25 Years Ago

September 19, 1958

This Friday, September 19, on bonus night sponsored by the Kewaskum businessmen, the cash prize to be given away free will be increased to \$50 for the lucky winner. The winning name selected last Friday was Willard Gruhle of Route 1, Kewaskum (New Fane). Gruhle was not present in any of the business places at the time, so he received a \$5 consolation prize.

In a business transaction officially completed the past week, Mr. and Mrs. Max Blumke sold their Sportsman's Inn tavern at the intersection of Fond du Lac Avenue and Main Street in Kewaskum to Mr. and Mrs. David Theisen of Slinger who will take possession on Monday, September 22.

Carl Wertz has been appointed to the Premium Department of Regal Ware, Inc. according to an announcement by J. O. Reigle, president of the firm. Wertz joined the staff at the home office in Kewaskum on September 1. He had been a field representative for Regal Ware in the Indiana-Kentucky territory since 1952. A native of Massilon, Ohio, Wertz, his wife and their children have moved to Kewaskum. Their home is located at the corner of Second Street and Fond du Lac Avenue.

The Friday, August 8th issue of the European edition of "The Stars and Stripes," unofficial publication of the U.S. Armed Forces in Europe, North Africa and the Middle East, carried a feature story and picture of the Rev. William J. Mayer, now Chaplain (Capt.) Mayer of the 36th Artillery Group stationed in Babenhausen, Germany. Chaplain Mayer is a son of the late Mr. and Mrs. Joseph Mayer of Kewaskum and a brother of Mrs. Bob Ours of this village and Chief of Police Carl Mayer of Barton.

"A" and "B" team cheerleaders for the present school year were selected at Kewaskum Community High School the past week. "A" team cheerleaders are Carole Schultz, Nancy Fickler, Joanne Kempf and Delores Ketter. "B" team members are Rosalie Ewert, Diane Becker, Joanne Schmidt and Carol Heberer.

Sfc. Arnold A. Gulley, local army recruiter, announced that Russell L. Pillar, son of Mr. and Mrs. Albert L. Pillar of Route 1, Kewaskum, enlisted under the high school grad plan for direct technical training in a course in

atomic electronics. He is a 1957 graduate of Kewaskum High School.

Mary Ellen Jaeger, Kewaskum, is included among the committee members of the 1958-59 Welcome Week council at Marquette University in Milwaukee. She is a sophomore in the school of dental hygiene.

Army Pfc. Ronald E. Klumb, son of John A. Klumb, Route 1, Kewaskum, fired with the Sixth Infantry automatic rifle team in the recent Leclere marksmanship matches held in Frafenwohr, Germany. An automatic rifleman in the infantry's Company C, Klumb entered the army in February, 1957, completed basic training at Fort Carson, Colorado, and arrived in Europe last October.

Army Pvt. Theodore W. Meilahn, 22, son of Mr. and Mrs. Walter J. Meilahn, Route 2, Kewaskum, recently completed eight weeks of basic combat training at Fort Leonard Wood, Mo.

Allen R. Roth, seaman USN, son of Mr. and Mrs. Oscar P. Roth of Route 2, Kewaskum, was scheduled to return to San Diego, California, August 25, aboard the destroyer USS Orleck, after completing a six-month tour of duty with the U.S. Seventh Fleet in the Far East. The Orleck visited Pago Pago, American Samoa; Auckland, New Zealand; Yokosuka and Kobe Japan; Hong Kong and Kaohsiung, Formosa.

A son, Dennis Robert, was born to Mr. and Mrs. Robert Wesenberg, Campbellsport, on September 5. A son was also born to Mr. and Mrs. Donald Schickert, St. Kilian, on September 15.

bonds of matrimony Miss Ann Margaret McCullough and Alphonse J. Flasch. The bride is the daughter of Mr. and Mrs. Robert McCullough of the Town of Wayne. The bridegroom is the son of Mr. and Mrs. Andrew Flasch of St. Kilian.

All county children who received toxin-antitoxin serum for diphtheria protection last year will be given the Schick Test to determine whether they have established immunity against diphtheria. Local physicians in the various communities will administer the test at no charge.

Kewaskum and West Bend last Sunday at the county seat battled for nine innings in a baseball contest which meant a good deal to the Athletics. It was a crucial game for them, but the Athletics administered the blow that gave them the pennant of the Badger State League. The final score was Kewaskum 3, West Bend 2.

# 75 Years Ago

September 19, 1908

Jacob Muckerheide met with painful injuries here in a runaway last Thursday afternoon while helping thresh at Bilgo's. He was hitching the team to the water wagon when suddenly the engine blew off steam and frightened the horses. Mr. Muckerheide fell behind the horses and was kicked on the head, inflicting a deep gash over the eye.

Oppenorth and Sons commenced building the foundation for the new 50 x 100 foot brick warehouse which L. Rosenheimer will put up to the rear of the store building.

Fred Meilahn sold his residence formerly owned by Val Dreher together with 10 acres of land, to F. C. Gottsleben for \$4,000. Mr. Gottsleben intends to take possession of the property by about October 1.

Lydia, the fourteen-year-old daughter of Mr. and Mrs. William Schaub of the Town of Kewaskum died yesterday after a few months' illness.

George German of St. Kilian is operating a cider mill now and anyone wishing to have cider made can have their apples pressed at 50 cents per barrel.

A baby boy was born to Mr. and Mrs. George Metzger of Kewaskum last week Friday.

# 50 Years Ago

September 22, 1933

A very pretty wedding took place at the St. Matthew's Catholic Church in Campbellsport on September 16, when Rev. B. July united in holy bonds of matrimony, Miss Myrtle Ludwig and Lester Kohn. The bride is the daughter of Mr. and Mrs. Alfred Ludwig of Campbellsport. The groom is the son of Mr. and Mrs. Mike Kohn, also of Campbellsport.

St. Kilian Catholic Church, St. Kilian, was the scene of a pretty autumn wedding on September 19, when Rev. Father J. Reichl united in holy

# Today's Medicine

By J. D. Connor, D.D.S.

One tooth-in contact with another tooth-and another, all held in place by healthy bone and gum tissues. That's what makes a healthy, attractive mouth.

Unfortunately, very few Americans really have good dental health. In fact, even now dental disease in the U.S. occurs in almost epidemic proportions. Just consider these facts and figures:

1. Over 1/2 billion untreated cavities.
2. 3 untreated cavities per American.
3. 50% of the population has some form of gum disease by middle age.
4. 20 million Americans have lost all of their teeth.
5. 10 million have lost half their teeth.
6. 50% of all children have tooth decay by age two.
7. 95% of all school children show some form of tooth decay.

Obviously, there is much room for improvement, and it all begins at home. Parents should be setting a good example by their own good hygiene habits. Up until about the age of 7, the parents should be watching the child brush his teeth, and then check them (brush them again). It only takes a few minutes a day to have the sort of smile that the world smiles back at.

## Sept. 30 Deadline to Apply for Crop Insurance for Winter Wheat in County

September 30 is the last day to apply for crop insurance for winter wheat in Washington County, according to Carl E. Huhndorf, Acting District Director for the Federal Crop Insurance Corporation (FCIC).

Crop Insurance covers unavoidable loss of production from damage caused by adverse weather conditions, insects, plant disease, wildlife, or fire. Insurance coverage begins when the crop is planted.

Producers may choose from three coverage levels: 50-, 65-, 75-percent of the established farm yield for insurance protection. "Three optional price elections for valuing production lost or damaged also are available," Huhndorf says.

"Producers of winter wheat who can qualify for a revised Individual Yield Coverage (IYC) plan are offered higher yield guarantees at no additional cost," Huhndorf says. For information about eligibility under the IYC plan, producers should contact an authorized

crop insurance agent well in advance of the Sept. 30 deadline.

To select an agent, producers should check the list of agents available at their county ASCS office.

## September Is 'Pedestrian Rights And Safety' Month in Wisconsin

Declaring that Wisconsin is a "pedestrian rights" state, Governor Anthony S. Earl has proclaimed September to be Pedestrian Safety and Rights Month in Wisconsin.

The proclamation notes that motorists continue to violate pedestrian rights despite new legislation adopted in 1979.

Mrs. Helen Zawacki, a member of the Madison-based Pedestrian Rights Committee which sponsored the proclamation, said senior citizen groups across the state are becoming more active in demanding respect for their right to cross streets safely.

A particular issue for the Pedestrian Rights Committee is educating motorists to the fact that on right-turns-on-red, the pedestrian's right to cross the street prevails over the motorist's privilege of turning.

The goal of the Pedestrian

Rights Committee is to get law enforcement agencies interested in enforcing pedestrian laws. "All we want is to be able to cross the street legally and with dignity," Mrs. Zawacki explained.

Green Bay and the Appleton area are being targeted by pedestrian activists this year. "We've found a great interest among older residents in the Fox Valley, and in the public and parochial school systems for getting the word out to motorists about pedestrian rights," Zawacki said.

By the end of September, the groups will have distributed several thousand posters announcing that "Wisconsin is a Pedestrian Rights State" printed by the state Department of Transportation with funds provided through the Office for Highway Safety.

## County Judging Team Tops State 4-H Horse Expo

### KEWASKUM WINNERS

The Washington County 4-H Horse judging team was the grand champion team at the State 4-H Expo at Madison, September 8-11. The team members are Mona Anderson of Kewaskum, Beth Ebert of Hartford, Michele Kemp of Rubicon and Liz Walsh of West Bend. Liz Walsh also topped the show as the high scoring individual. Jean Beisenstein of Hartford was the team coach. The team will now represent Wisconsin in the Regional Judging Contest in Illinois on September 29.

The Washington County junior team of members 13 years and under also topped the State Show. The team members are Jenny Karrison and Chris Holtz of Kewaskum, Robin Richter and Becky Walsh of West Bend. Becky Walsh was the individual reserve champion.

The judging competition enables contestants to judge the classes and compare their judgements with placings of the official horse show judges.

In the individual show classes, Randy Hoffmann of Jackson was the top in the Stock Seat Equitation Class for 16 year old members, and in the Western Pleasure Class for 16 year old members. He also placed in the top 10 for Western Showmanship for 16 year old members. He also placed in the top 10 for Western Showmanship for 16 year old members. Other Washington County members who placed in the top ten in their class include Karen Ferkan of Hartford in the Hunt Seat Equitation for 14-15 year olds,

Hunt Showmanship 14-15 year olds and Hunter Under Saddle class 14-15 year olds; Lisa Strehlow of Cedarburg in the Hunt Seat Equitation 14-15 year olds; Tammy Manderfield of West Bend in the Hunt Seat Equitation class 16-18 years and Hunt Showmanship 16-18 year olds; Robin Richter of West Bend in the Stock Seat Equitation class for 12 year olds; Theresa Phillips of Colgate in the Saddle Seat Equitation 15-16 years; Tina Schneider of West Bend in the Saddle Seat Equitation for 15-16 year olds and Saddleseat English Pleasure for 15-16 year olds; Heather Hawker of Colgate in the Pony Equitation English or Hunt Class and Pony Showmanship English Hunt Class members any age; Becky Walsh in the Pony Pleasure English-Hunt class any age; Theresa Phillips in the English Showmanship class 15-16 years and Aimee Hoffman of Jackson in the Western Showmanship members 13 years old.

Other activities at the State 4-H Horse Expo included Hypology Contest, Speaking Contest, Demonstration Contest and the Clothes Horse Project.

There was a contest for T-Shirts and caps at the show. The design of Tina Schneider of Jackson was selected for the official design this year. Nearly 100 Horse Industry sponsors in Wisconsin contributed prizes for the State 4-H Horse Expo.

When Harvard College was founded in 1636 it was surrounded by a tall stockade to keep out prowling wolves.

## 4-H NEWS

### 4-H AN OPPORTUNITY FOR PARENTS

Most people say that 4-H is for children. It's a place where they can learn to cook or sew or raise animals or use wood-working tools. They can learn photography and how to grow a garden, learn a lot of crafts, make model rockets and lot of fun things. They learn to plan their own activities and run their own meetings and events. They learn a lot of skills that they will need during life.

Yes, 4-H is all of that, but I like to think of 4-H as an opportunity for parents. It's an opportunity for parents to be involved in what their children are doing in learning. It's an opportunity for parents to provide the kinds of learning activities that they feel are important for their children.

Through 4-H, parents can find activities that will interest their children. There are interesting projects for youth to work with. Usually the parents will need to be involved in the project in some way. Maybe it's helping line up needed materials helping solve problems along the way or just showing an interest and encouragement.

Often a 4-H project lends itself to help in the family. For example a member in a foods project can make parts of meals, a garden or flower project member can supply vegetables or bouquets for the table. Projects that are more recreational such as model rocketry can provide an enjoyable afternoon of fun for the whole family.

So as you think about 4-H for your family, you can think about all of the things that the children will do. I hope that you will think how the parent can become a part of the child's work and how the whole 4-H program can draw the family closer together.

4-H is open to families with children of 3rd grade to 18 years of age. For more information on how to become part of it, call the 4-H office at the courthouse, 338-4478, 644-5204, 342-2929.

washington county, wis.

SHERIFFS

DEPARTMENT

Clarence A. Schwartz, Sheriff

### 'Trespassing' — The Misunderstood Crime

Trespassing is often a misunderstood crime, noted Washington County Sheriff Clarence Schwartz in a recent news release.

This misunderstanding varies a great deal as Deputy Sheriffs called to such complaints often find out, added the Sheriff. He explained that just because someone else is on your land does not automatically make them a candidate for trespassing. However, on the other hand, the days of open lands free for the use of anyone who comes across them are long gone. The Sheriff went on to list the four (4) categories of trespassing under Wisconsin law, which include:

1. Entering another's land intending to trap, fish, hunt or gather any products of the soil, without the owner or occupant's permission.

2. Entering or remaining on the land of another once being told to leave or not to enter by the owner or occupant.

Here the posting of two (2) signs which meet certain requirements, in a conspicuous place, on every 40 acres, serves as notice. Proof by the owner or occupant that the signs were in place within six (6) months prior to the trespass also is sufficient to show that notice is given.

3. When anyone enters any enclosed or cultivated land belonging to another, with a vehicle of any kind, without the owner or occupant's permission. Or,

4. Operating a snowmobile or other motor driven craft or vehicle which is principally manufactured for off highway use on the private property of another, without the consent of

that person. Sheriff Schwartz concluded with the point, that the bottom line here is "respect" for one another's property, and that if this respect is not present all the laws written will not prevent the problem.

### Prairie Walk at Cedar Lake Home

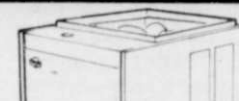

Due to the large number of community members who took advantage of the Cedar Lake Home Campus Prairie Walks this fall, a repeat will be held Saturday, September 24, from 1:30 - 3 p.m.

Knowledgeable guides will tour participants through the prairie where a great variety of prairie flowers are now in bloom in the 8 acre natural south-eastern Wisconsin prairie at the Cedar Lake Home Campus.

This is an excellent opportunity for interested persons of all ages to come to learn about and enjoy the flowers and grasses of a prairie.

There is no charge. Participants will be limited to 20, so advance registration is required. Call Cedar Lake Home Campus at 334-9487.

**Influenza and Pneumonia Vaccine Available  
To County Residents 65 Years of Age and Older**

Influenza vaccine and pneumonia vaccine will be available to Washington County resident 65 years of age and older and those with chronic disease, at clinics offered by Washington County Community Health Nursing Service. The charge for vaccine will be:

Influenza vaccine - \$3.00 per dose  
Pneumonia vaccine - \$5.00 per dose

**WHAT IS INFLUENZA ("FLU")?** It is an illness caused by influenza viruses. It generally affects people of all ages. Typically, people with influenza have fever, chills, headache, cough, and muscle aches and may be sick for several days to a week or so. Most people recover fully. A small proportion of cases are particularly severe, and patients may develop pneumonia or other complications. The risk of complications and death from influenza is highest for people with chronic health problems and those over 65 years of age.

**WHO SHOULD GET INFLUENZA VACCINE?** 1) Individuals over 13 years of age with chronic health problems such as diabetes, diseases of the heart, lungs, or kidneys, or severe anemia. 2) Elderly persons 65 years and over. Because influenza is usually mild and most people fully recover, immunization of healthy children and adults is not recommended and will not be offered at the clinics.

Influenza vaccine will not be given to:

- Healthy children and adults (under 65).
- Those who have a fever or feel ill with something more serious than a cold on the day of clinic.
- Those who have received another type of vaccine in the past 14 days.
- Those with allergies to eggs.
- Those with multiple sclerosis or other recurring or persistent neurological illnesses.
- Those who are pregnant.
- Children under 13 years of age.

**WHAT IS PNEUMONIA?** It is an acute bacterial or viral illness affecting 400,000 to

500,000 persons per year. Pneumococcal infections cause respiratory symptoms, meningitis, and otitis media. The risk of complications is greater for persons over 65 years of age and those with chronic health problems.

**WHO SHOULD GET PNEUMONIA VACCINE?** 1) Elderly persons 65 years and over; 2) Persons, two years and older, with immune deficiencies. Children, from 2 years through 17, will need a written order from their physician to receive the vaccine; 3) Persons with chronic health problems such as diabetes, chronic respiratory disease, cardio-respiratory disease.

**WHO SHOULD NOT GET VACCINE?** 1) Those who have a fever, illness, or active infection on the day of clinic; 2) Those who have had pneumonia or pneumococcal infections in previous three years; 3) Those who have had a pneumonia vaccine in the past five years; repeat immunizations of pneumonia vaccine are not recommended; 4) Those who are pregnant.

Pneumonia vaccine and influenza vaccine can be administered on the same visit to a clinic.

**CLINIC SCHEDULE**

September 19 - West Bend Senior Citizens Center, 401 East Washington St., 12:30 - 2:00.

September 26 - Kewaskum Senior Citizens Center, American Legion Hall - 1538 Fond du Lac Ave., 12:30 - 2:00.

September 28 - Allenton Senior Citizens Group, Legion Auxiliary Clubhouse - Hwy. W, 1:00 - 2:00.

October 5 - West Bend Meadowbrook Manor, 475 Meadowbrook Drive, 10:00 - 11:30.

October 6 - Slinger Meal Site, Slinger Housing Authority - 205 Slinger Rd., 12:30 - 2:00.

October 10 - Hartford Harthaven Senior Housing, 33 High Street, 10:00 - 11:00.

October 10 - Jackson Meal Site, Christ Evangelical Lutheran Church, N 168 W20152 Main Street, 12:30 - 1:30.

October 17 - West Bend Senior Citizens Center, 401 East Washington St., 12:30 - 2:00.

October 18 - Hartford Recreation Center, 525 North Main St., 12:30 - 2:00.

October 19 - Richfield Town Hall, 4128 Hubertus Rd. - Hubertus, 12:30 - 1:30.

October 19 - Germantown Becker Manor Senior Housing, N114 W16045 Sylvan Circle, 2:30 - 3:30.

Those attending clinic will be required to complete a consent form prior to immunization. Registered nurses will be available to answer questions regarding the immunization.

If you have any questions about influenza or pneumonia, please call the Community Health Nursing Service, 338-4462 or 644-5204 or 342-2929.

**UW-Extension  
Calendar of Events**

**... about your  
Social Security**

By David Becker, Social Security Branch Manager in West Bend

**FREE PUBLICATIONS ON SOCIAL SECURITY AVAILABLE**

People in the area can obtain many free publications which explain various aspects of the Social Security and supplemental security income programs and Medicare health insurance. Mr. Becker, Social Security Branch Manager in West Bend, said recently.

Among those available are:  
• Your Social Security - An overall comprehensive explanation of the Social Security retirement, survivor, and disability insurance programs. It also includes Medicare highlights and information about program financing and appeal rights.

• Thinking about retiring? - Information about retirement benefits slanted toward people who are considering retirement.

• If you become disabled - A comprehensive explanation of the Social Security disability insurance program, including information about disabled widows and widowers, and adults disabled in childhood, as well as about disabled workers.

• A brief explanation of Medicare - Describes the major features of Medicare hospital insurance and medical insurance.

• Applying for a Social Security number - Tells how to apply for a Social Security number and describes the evidence required.

• SSI for the aged, blind, and disabled - Explains briefly who can receive these Federal

payments for people who do not have much income or who do not own much personal or real property.

Also available is Form 7004 which people can use to check their Social Security record.

There are still more publications available, including those for people who receive cash tips, young people, farmers and self-employed people, women, and people who hire household employees.

To obtain any of these publications, contact any Social Security office. The telephone number is 1-800-242-9946.

It takes 32,000 flowers to make one pound of saffron.

**IN MEMORY**

In loving memory of our daughter, Laura Stange, and her fiance, Mike Ruplinger, who lost their lives one year ago, September 24, 1982.

A light from our household is gone,  
 A place is vacant in our home,  
 Which never can be filled,  
 We have to mourn the loss of one,  
 God took to himself in heaven,  
 Beloved on earth, regretted still,  
 Remembered in the grave.  
 Twas hard to part with one so dear,  
 We little thought the time was near;  
 Farewell, dear one, your life is past,  
 Our love for you to the end will last.

Loved and missed by Ron and Bernice Stange and the family.  
 Sincere thanks to our dear friends who helped us through this difficult time by just being there, to listen, or share a silent tear.

**THANK YOU**

Special thanks to Saint Jude for favor granted.

M. J. R.

**CLASSIFIED ADS PAY OFF!**

**IN MEMORIAM**

In loving memory of Lanny Luedtke, who passed away one year ago on Sept. 27, 1982:

Little we knew when we awoke  
 The sorrow the day would bring  
 The call was sudden, the shock severe  
 To part with one we loved so dear.  
 You bid no one a last farewell  
 Nor even said a goodbye.  
 You were gone before we knew  
 And only God knows why.  
 It only takes a little space,  
 To write how much we miss you  
 But it will take the rest of our lives  
 To forget the day we lost you.

Sadly missed by his family: Mr. and Mrs. Gaylord Krahn and Rodney, and the James Muench and Barry Rammer families.

## County League of Women Voters Kicks Off Action Packed Politics Membership Drive

Gov. Anthony Earl proclaimed Sept. 11-17 League of Women Voters week in Wisconsin.

In the proclamation that was recently signed, the Governor encouraged residents of the state to avail themselves of League services, to assist the League in its endeavors and to participate in the governmental process.

Citing the League's campaign to increase its membership in order to expand its services to Wisconsin citizens, the Governor noted the League dedication to fostering citizen involvement in the governmental process and promoting discussion of government policies.

State League president Mary Grady said that the 40 local leagues in Wisconsin work tirelessly to encourage citizen participation. "We know that there are many concerned citizens who want to get involved, but don't know how. We hope many will join us. The League is where the action is," Grady said.

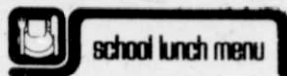

In Washington County, any citizen of voting age is encouraged to join the local league by calling Pat Strachota at 338-3790, or Jackie Hansen at 338-6922.

The local league is continuing its efforts in support of library services for all residents in Washington County, is beginning a study on land use, sponsors voter forums, and continues to study a variety of other issues such as human resources, vocational education system, natural resources and national security.

Washington County League is kicking off its Action Packed Politics membership campaign by inviting our federal and state elected officials and the County Board Administrative Committee members to informally meet the public. The officials were invited to the West Bend Public Library on Wednesday, Sept. 21, from 4-6 p.m., and to the Hartford Recreation Dept., Tuesday, Sept. 27, from 4-6

p.m. The reception is open to the public.

The local league is joining leagues across the nation in an intensive 4-week campaign to increase membership and promote public awareness and involvement in government.

### KEWASKUM COMMUNITY SCHOOLS

Monday, Sept. 26 — Hamburger cheese on a bun, sweet & dill pickles, French fries, raw onions and chocolate cake.

The next meeting of teacher negotiations between the School Board Negotiations Committee and the KEA will be held on Tuesday, September 27, 1983, at 4:00 p.m. in the Kewaskum High School Library. This meeting is closed to the public.

Friday, Sept. 23, 1983, Page 19

### PUBLIC NOTICE

Public notice is hereby given that the next meeting of the Village of Kewaskum, Wisconsin Plan Commission, Wisconsin Commission is scheduled for Tuesday evening, Sept. 27, 1983 at 8:00 p.m. in the Council Room of the Municipal Building, First Street, Kewaskum.

William Martin  
Recording Sec'y.

### TOWN OF KEWASKUM MONTHLY TOWN MEETING

The Kewaskum Town Board will meet Monday, September 26, 1983, 7:30 p.m., at the Town Hall, 9340 Hwy. 45, Kewaskum.

On the agenda is payment of bills and discussion of complaints (speed limit on Sandy Ridge Road; dog complaint).

Barbara Hinz, Town Clerk

## Advertisement for Bids

### CONSTRUCTION OF AN ELEVATED STEEL WATERSPHERE Village of Kewaskum Washington County, Wisconsin

The Village of Kewaskum invites sealed bids for furnishing all materials, labor and equipment to construct a pedestal-mounted 300,000 gal. capacity elevated steel tank for the storage of potable water. The proposed structure is to be of welded steel and measure approximately 130 feet in height.

Lump sum proposals will be received at the office of the Clerk, Village Municipal Building, 204 First Street, P.O. Box 38, Kewaskum, WI 53040, until 4:30 P.M., CDST, Thursday, September 29, 1983, at which time they will be publicly opened and read.

Bidding Documents including Plans and Specifications are on file and may be examined at the office of the Village Clerk. Copies of these examined documents may be obtained from the office of Ruekert & Mielke, Inc., Consulting Engineers, 419 Frederick Street, Waukesha, WI 53186, upon a deposit of \$40.00 for each set obtained. The deposit will be refundable only to bona fide prime bidders who return the documents in good condition within ten (10) days of the bid opening date, and only for up to two (2) sets of documents. Anyone desiring copies of the Bidding Documents by mail shall submit a separate check in the amount of \$10,000 per set to cover postage and handling. This fee will not be refundable.

Proposals must be submitted on the Bid Form bound in with the Bidding Documents and must be enclosed in a sealed envelope marked "Bid for Elevated Water Tank."

Each proposal shall be accompanied by a Bid Bond or Certified check equal to five (5) percent of the lump sum bid price, payable to the Village of Kewaskum as a guarantee that the successful bidder will execute and file the proposed Contract Agreement and a 100 percent Performance Bond within ten (10) days after the Notice of Award.

Bidder prequalification is required. A Bidder's Proof of Responsibility Form must be filed with the office of the Consulting Engineer at least five (5) days in advance of the bid opening date. The blank form is available from the Consulting Engineer.

Pursuant to Wisconsin Statutes, the minimum wages to be paid on the project shall be in accord with the rate of wage scale adopted by the Village.

No bid shall be withdrawn for a period of thirty (30) days after the bid opening date without the consent of the Village.

The Village reserves the right to accept any bid which it deems most advantageous to its interest, waive any technicality, or reject any or all bids.

Published by the authority of the Village of Kewaskum.

### LEAD POISONING

Lead poisoning is more common than we think. Fire logs of tightly rolled newspapers contain printer's inks made from lead salts. Burning newspapers in a fireplace increases the lead in house dust. Lead accumulates in the body, especially in children, and can cause mysterious illnesses, stunting of growth, headaches, colic, pains in the limbs and anemia. Flaky lead-base housepaint, eaten by children is also dangerous. Blood tests can detect lead poisoning, and medicines can eliminate it from the body.

# Indians Jar Two Rivers' Defending State Champs in 18-15 Major Victory

The Kewaskum Indians showed Friday night they are the team to watch in the Eastern Wisconsin Conference this season.

In their first conference game (after three easy pre-season victories) the Indians handed Two Rivers' Class A defending WIAA Divisional State Champions only their second defeat in their entire association with the conference, 18-15, at Two Rivers. The Raiders' only other loss in the conference was two years ago to Kiel, 22-0. Then Kewaskum beat Kiel the next week to knock them out of a share of the conference title. Two Rivers has won four straight Eastern Wisconsin championships.

After the victory the Kewaskum players hollered in jubilation and the Indian fans swarmed out onto the field to join in the celebration. The team and a couple of hundred Kewaskum fans who followed the team on the long trip to Two Rivers could hardly contain their excitement.

The Indians turned in a gutsy fourth quarter performance which enabled them to hold on for the thrilling win. The Raiders were inside Kewaskum's 10-yard line four times in the fourth quarter but each time the Indians defense came up with the big plays they needed to turn away the opponents. But this was only the first of five more hurdles the Indians must clear to be in the conference title running.

Touchdown passes of 36 and 32 yards from junior quarterback Mark Fellmann to Jeff Squier and a 2-yard plunge by running back Jim Braun gave the Indians enough points to tip the defending state champs.

The game started out in the first half as though Kewaskum would have little problems with the Raiders. On their first possession, Two Rivers was stopped on a Dennis Butz interception, giving the Indians the ball on the Raiders' 47. Led by running backs Braun and Chris Harlow, the Indians marched for two first downs to the Raiders' 25. Then Braun fumbled after a gain of seven and Two Rivers' Rick Peterson recovered on the 19.

In a few minutes the Indian offense had the ball back again but way back on their own 15 after Braun led a punt go over his head. After he finally picked it up around the 30, the Indians were charged with a clipping penalty.

Braun succeeded in getting the team out of a hole, breaking a quick opener into a 54-yard gain down the sideline to the Raiders' 43. Just two plays later, end Squier got behind a defender and Follmann hit him in stride for a 36-yard score with 11:53 left in the half. Follmann's extra point try was blocked to make the score 6-0, Kewaskum.

On Two Rivers' next series, Braun, on defense, picked off a Bob Welsh pass and brought it all the way back to the Raiders' 15. The Indians required just four plays to score again, with Braun taking it in from the two. This put Kewaskum ahead, 12-0, at halftime.

The Indians dominated play in the first half, having a 150 to 50 offensive edge. Coach Mike Fifrick said he had felt very

confident before the game but warned his players they would be in for a tough game.

The ups and downs began in the second half. It started off with a 67-yard, seven play drive by the Indians with Follmann and Squier hooking up for the final 32 on a beautiful catch for a touchdown. This brought the score to 18-0, Kewaskum. This ended the scoring for the Indians and from then on it was pretty much all Two Rivers.

First Welsh hit Peterson for a nine-yard touchdown pass with 5:19 left in the third quarter. On the Raiders' next possession Peterson ran a 28-yard counter for another score. A penalty erased the first conversion try, but Welsh threw to Peterson again in the corner of the end zone, bringing Two Rivers within three points of the Indians at 18-15.

There was still 12 big minutes left in the game for the Raiders to catch up or possibly take the lead. When Tony Amon intercepted a Follmann pass, it gave them new life from the Kewaskum 27. After an interference call put the ball at the 11 and two runs moved it to the two, Squier hit Gary Stelzer hard stopping him for a loss. On fourth down, Welsh lobbed a pass toward Peterson in the end zone. Kewaskum's Butz grabbed it first and Peterson took it away from him, but not before he stepped out of bounds so the referee signaled no catch.

The Indians then moved from their four to the 25 on Harlow's 21-yard run but three plays later he fumbled, with Two Rivers recovering at the 29. After an 18-yard gain by Scott Vanne, the Raiders were unsuccessful on two plays and on third down Welsh's pass was tipped by a lineman and intercepted by Rick Heberer at the two.

The Indians decided to pass but when the intended receiver was knocked down on the play, Vanne intercepted and carried the ball to the six with 3:15 remaining. Was it possible the Indians could hold once more? It was. On the first play Two Rivers tried their counter, but Harlow broke through and tackled Peterson for an eight-yard loss. This along with the penalty put the ball on the 30. Three plays later, Timo Pannonen tried a 25-yard field goal but it was blocked by Kewaskum tackle John Swanson.

The Indians then ran out the last minute to end the game with a sigh of relief and bring their conference record to 1-0 and 4-0 for the season.

Somehow the Indians managed to make a big play when it was needed in the second half, especially in the closing minutes. Kewaskum's ace, Braun, had another big night, with 123 yards rushing, an intercepted pass and nine tackles. Heberer also had 10 stops and an interception, and Swanson knocked down one pass, got his hand on another and blocked the attempted field goal. Coach Fifrick also praised defensive end Dave Pesch for nine tackles, including a sack, and Harlow for 80 yards rushing and six tackles. Fifrick said the win was tremendous, probably the biggest of his career.

The only sad note was the loss of Rich Gaspardo, who injured a knee on the opening

kickoff. Gaspardo underwent surgery Monday and will be lost for the year.

Game films were shown by Fifrick Tuesday night at the high school for those who attended and missed the game to view. Kewaskum's two previous victories over Milwaukee Juneau and Campbellsport were taped for TV and were shown over Channel 18, Milwaukee, later.

This Friday night, Sept. 23, the Indians have a bye in the schedule due to an odd number of teams in the conference. This will give the team a chance to rest up and get in shape for their next big game at Plymouth the following Friday, Sept. 30.

## Indian Netters Defeat Horicon, Lose to Ripon

In two matches last week, the Kewaskum girls' tennis team convincingly defeated Horicon at home Monday, 6-1, but lost 3-4 at Ripon Tuesday.

A victory in the final doubles match at Ripon would have given the girls another victory.

Coach Jan Rosenthal was pleased with Monday's win over Horicon as the Marshmen had beaten the Indians earlier.

The only loser was Jenny Lightner in No. 2 singles. She had defeated the same opponent earlier this fall.

In the Ripon match the Indians started off well with wins by Lightner and Lisa Matenaer but lost the other singles and two of three doubles matches.

What hurt the Indians was the 7-9 loss by Amy Backhaus and Jama Jacak after leading 5-1.

Matenaer won with ease, 9-4.

The JVs won 4-1 with Becky Falk, Shelly Wessing and Kari Sarauer winning in singles and Sue Schmitt and Gail Schekirke in doubles.

**Kewaskum 6, Horicon 1**  
Singles - Matenaer, K, won over Muenchow, H, 9-3; Lightner, K, lost to Karsten, H, 6-9; Sherry Simon, K, won over Krueh, H, 9-7; Sue Tolonen, K, won over Leonard, H, 9-1.

Doubles - Amber Charland-Donna Hlavaty, K, won over Firehammer-Schulze, H, 9-7; Amy Backhaus-Jama Jacak, K, won over Hereid-Gill, H, 9-3; Devonna Gruber-Julie Reha, K, won over Leowart-Gehrice, H, 9-7.

\*\*\*  
**Ripon 4, Kewaskum 3**  
Singles - Matenaer, K, won

over Hesselink, R, 9-4; Lightner, K, won over Conant, R, 9-2; Simon, K, lost to Arnetreit, R, 2-9; Tolonen, K, lost to Manneback, R, 3-9.

Doubles - Charland-Hlavaty, K, lost to Conant-Arnetreit, R, 5-9; Backhaus-Jacak, K, lost to Hesselink-Manneback, R, 7-9; Gruber-Survis, K, won over Schroeder-Mathia, R, 9-2.

## Volleyball Girls Lose to Plymouth And New Holstein

After dropping their opener at Two Rivers the week before, the Kewaskum girls' volleyball team lost two more matches last week.

Playing at Plymouth last Tuesday without Julie Koepke, out with an injury, the Indians lost another Eastern Wisconsin match, 7-15 and 13-15.

A 6-0 all-conference spiker, Koepke, one of only two regulars who returned this year, may be back soon.

The Indians fought hard before losing at Plymouth. They hit the 13-point mark first, then the Panthers went out in front after an exchange of serves, and followed with a game-winning serve.

The second game was even at 6-6 and then Plymouth forged ahead, led by good setting and solid spiking.

The JVs lost 13-15 and then were overpowered 2-15 and 3-15. The freshmen won their second match in succession, sweeping all three games.

In a home match Thursday on Parents Night, weak second and third games resulted in Kewaskum's third loss in succession to New Holstein.

Coach Dave Rizzardi thought his team should have beaten the Huskies. His girls were in command in the first game, which they won, but New Holstein did close the gap to 16-14. The Indians were also leading the game No. 2, 10-5, when the Huskies scored 10 points to Kewaskum's 2. The third game was all Huskies, 15-5.

Holly Kempf came through with a solid effort and sophomore Lisa Fusek had some good spikes. Reserve Debbie Jepsen filled in well for Sandy Secor in the second game.

The JVs again lost all three games, while the freshmen lost for the first time, 2-15, 15-2 and 5-15. Top frosh included Terri Schmidt, Laurie Blum, Jenny Hintz and Tami Vetter, who is playing with the JVs.

## Indian Boys, Girls Both Place Fourth In Lomira Invite

The Kewaskum boys and girls both placed fourth in the Lomira Cross Country Invitational on a rainy afternoon last Thursday. The strong Ozaukee High School boys and the Kiel High girls won the meet.

The Ozaukee Warriors had three of the top five individuals, namely Ron Schackert in second, Paul Schneller in fourth, and Brad Olson in fifth. All three ran the 5,000 meters in 17:05 or less, leading their team

total of 72 points, 12 less than the host Lomira.

Kewaskum ended up with 114 points. The Indians were paced by junior Monty Shaw, who placed eighth with a time of 17:21. Coach Dave Drexler said his team did well considering the weather.

Drexler was particularly surprised by junior Gunner Schleiter and senior Steve Kuphal, who placed first and third in the JV meet with times of 18:52 and 19:27. Schleiter bettered the times of two varsity runners and Kuphal one. As a result the coach reported he will no doubt be making some changes in the varsity lineup for the next meet.

Among the girls, Sandy Klein and Lori Batzler both finished among the top ten. Klein was seventh in 14:16, just two seconds out of sixth.
