Week's Wit

Alcohol is reported to be the one substance that positively will make any woman look beautiful. To accomplish this, it must be taken internally—by her escort.

Goal \$20,000

Area United Way Drive Underway

Captains of the United Way Fund are: Back row [left to right] — Tom Larsen, Captain - Outlying Communities; Jeff Rohrer, Captain - Industrial; Dr. Dennis Connor, Captain - Professional. Front row — Gerald Gosa, Captain - Public Sector; Darlene Tessar - House-to-House; and Debi Korneli - Retail. Missing are: Bill Koehne - Financial; Pearl Thompson - Rural and Village Mailings; Rose Kuehl - Taverns and Restaurants; and Raynor Hergges - Transportation.

Kewaskum Area's United Way Fund Drive for 1983 is underway and will continue until November 5.

Division captains met Sept. 20 for a Kick-Off Meeting, led by Co-Chairmen Fred Cullen and Margaret McFadden. The Captains are: Financial - Bill Koehne; House-to-House Drive - Darlene Tessar; Industrial - Jeff Rohrer; Outlying Communities - Tom Larsen; Professional - Dennis Connor, D.D.S.; Public Sector - Jerry Gosa; Retail - Debi Korneli; Rural and Village Mailings - Pearl Thompson; Taverns and Restaurants - Rose Kuehl; and Transportation - Raynor Hergges.

The United Way Goal has been set at \$20,000, higher than previous years, but certainly "reachable," in the opinion of the Board.

The theme, "United We Stand," will become familiar to members of the Kewaskum Area as the drive progresses. The thermometer has been set in place at the Valley Bank to enable everyone to follow the progress of the Fund Drive.

The organization provides services to all persons within the area of the Kewaskum School District. More details

will appear in future articles during the drive.

Fire Dept. To Observe Centennial

The Kewaskum Fire Department will be observing its centennial in 1984. Anyone who has any old accounts or pictures relating to the fire department throughout its 100 years for the centennial book please call or contact John Kudek at 626-4067.

KHS Graduation Requirements Committee to Meet

There will be a meeting of the Kewaskum High School Graduation Requirements Committee on Tuesday, October 4, 1983, at 7:30 p.m. in the high school library. Surveys on graduation requirements will be opened and compiled. The public is cordially invited.

Kiefer Elected to Valley Bank Board of Directors

Gerald A. Kiefer

Atty. Gerald A. Kiefer was recently elected to the Board of Directors of Valley Bank, Kewaskum. He is a partner in the law firm of McKenna & Kiefer.

He has been active in local, civic, and professional organizations. He has served on the board of Directors of the Kewaskum Kiwanis Club, Kewaskum Kiwanis Foundation, Kewaskum Area United Way, Kewaskum Area Chamber of Commerce, and the Washington County Red Cross.

He is a member of the Washington County Bar Association (past president), American Bar Association, State Bar of Wisconsin, and the Wisconsin Academy of Trial Lawyers.

A native of Slinger, Wisconsin, he received a B.A. degree in accounting from St. Norbert College, and received his J.D. degree from the University of Wisconsin-Madison. Gerry resides in Kewaskum with his wife, Rosalynn, and their three children.

Marquette to Honor Kewaskum Attorney Oct. 4

On October 4, 1983, Attorney John A. Kluwin of 9325 Hickory Drive, Kewaskum, will be honored at a dinner in the Crystal Ballroom of the Marc Plaza Hotel in Milwaukee. He will be recognized by the Marquette University Law Alumni Association as the 1983 Distinguished Law Alumnus.

Atty. Kluwin graduated with the Class of 1930 and is associated with the Milwaukee firm of Kluwin, Dunphy and Hankin. He also maintains a Washington County office at his residence.

He is a past president of the Milwaukee and Wisconsin Bar Association and served as a Governor of the American Bar Association and a Regent of the American College of Trial Lawyers.

Still More Headaches For Condo Project

By GERRY MUELLER
Statesman Staff Writer

"I hate to throw up my hands in disgust, but I'm open to suggestions, where do we go?" Those were the words of Ron Weis from Citizens-Weis Corporation, designer of the proposed Timblin Condominium project, during Tuesday night's Kewaskum Plan Commission meeting.

Weis displayed his disappointment after hearing the commission shoot down what he felt was an agreeable solution to the village's requirement that the Timblin family dedicate and

improve a yet unnamed street which would allow village access to service the subdivision.

After research showed the village would not be able to annex the north side of Bonnie Lane from the Town of Kewaskum, Weis and the Timblins came up with a plan they felt would satisfy the village's requirement. The Timblins would agree to dedicate the north-south street and develop it to the village's standards except for sidewalks and with only a base course blacktop for 24 months in the area from Bonnie

[Continued on Page 2]

Condo

[Continued from Page 1]

Lane north to the northern boundary of the proposed project. The road, continuing north behind the shopping mall and connecting at the north end to Timblin Drive, would be developed as far as sanitary sewer main, water main, storm sewer and base course blacktop. The balance of improvements would be completed on the northern section of the street when requests for development were received. Weis said, "I think they're (the Timblins) exceeding the bounds of reality on expenditures." Weis noted, however, that the Timblins were trying their best to meet the village's requirements.

Hoping to receive some type of affirmative recommendation from the Commission, Weis instead, was bombarded with more obstacles and surprises regarding the new street. Zoning Administrator Richard Zarling felt the plan should go back to all the village department heads for their review and comments.

Village Administrator Dan Schmidt asked Weis why he had not included the remaining 170 feet at the western end of Timblin Drive in the dedication and development plan. Weis said this area did not belong to the Timblins, therefore, he felt his clients had no responsibility as far as this 170 feet was concerned. Schmidt shocked Weis by informing him that the land indeed did belong to the Timblins and it still appears on their tax roll. Weis told the Commission he understood the 170 feet belonged to the Mall and had been dedicated. Schmidt noted as far as the village was concerned, neither point was correct. Village Attorney Gerald Kiefer commented that may be a private agreement between the Timblin family and the Mall owners, of which, the village

had not been informed. However, Kiefer said, the village should not get involved and end up as the "middle-man" in trying to resolve the situation. Hearing this latest problem, Weis stated, "what scares me the most is, 'I'm jumping on a bear trap,' wondering what will come up next."

Schmidt also said the development did not conform to village codes with regard to setbacks. One commission member also questioned whether yard sizes met code requirements. Weis said he had followed the guidelines on page 44 regarding conditional land use, the only part of the village's code book which he felt applied to a project such as this. Zarling felt this was not the section which applied to the Timblin project. After some discussion Zarling stated, "I think we should contact SERPAC (Southeast Regional Planning Commission) for their interpretation of the restriction." Schmidt said, "I think what Dick is saying is, we need some expert help." Since SERPAC developed the village's code book, it was felt they were the people to clear up

any questions.

Plan Commission Chairman Jerry Stollenwerk told the board, "it looks like we've got to do three things, present this plan to the department heads for review, contact SERPAC for a clarification on our codes and have Ron check into the Timblin Drive question and get it resolved." "The potential major stumbling block is the 170 feet," said Stollenwerk.

Weis told the Commission, with all these new problems, he had better go back to Tom Timblin and tell him to hold off on any plans to begin preliminary work on the new road or request for a land use permit. If these questions are not settled, there just might not be a project to go ahead with, noted Weis.

MARRIAGE BANNES

Banns of marriage have been announced for the first time in the Holy Trinity Church bulletin for Thomas Nass and Pamela Perkins.

To subscribe to the Kewaskum Statesman, just call 626-2626.

Rev. Lindau to Head Grand European Tour

Have you dreamed of seeing the sights of Europe? If so, then you might be interested in knowing that Rev. Robert Lindau, Pastor of St. John Lutheran Church in New Fane, will be leading an exciting 15-day tour to Europe departing June 25, 1984.

Countries visited will include Holland, Belgium, France, Switzerland, Italy, Austria, and Germany. Highlights of this tour will be the performance of the world famous Oberammergau Passion Play. Since 1984 marks the 350th anniversary of the performances of the Passion Play, this is a special opportunity to see this inspiring play about the life of our Lord Jesus.

If you are interested in going with Pastor Lindau on this unforgettable tour, you can write to Pastor Lindau at 670 Hwy. S Kewaskum, WI. 53040 for a brochure or call at 626-2309 for further information.

Admissions Counselor To Visit High School

Ellen S. Phillips, an admissions counselor from the University of Wisconsin-Platteville, will visit Kewaskum High School on Oct. 5 at 9:00 a.m. The UW-Platteville is located in the southwest corner of Wisconsin, about 20 miles north of Dubuque, Iowa.

Current enrollment at the campus has reached an all-time high of nearly 5,400. Students pursue over 50 majors offered in the Colleges of Agriculture, Engineering, Education, Arts and Sciences, and Business, Industry, and Communication. The university faculty and administration are dedicated to academic excellence, practical as well as theoretical education, and meeting the individual needs of the students.

COLD AND SURGERY

There is an increased chance of serious chest complications [such as lung collapse] during surgery when the patient has a cold. The magazine "Anesthesia and Analgesia" reports this risk lasts for 12 weeks after recovery from a cold. Surgery which is not urgent should be postponed until 3 months after recovery from a cold.

Kewaskum AFS Student Relates Summer Experiences

Ask Kewaskum senior Beth Strigenz what kind of summer she had and you have a hard time getting her to stop expounding on it. You see, Beth, daughter of Dr. and Mrs. Anthony Strigenz, spent the summer as an AFS student in Switzerland. At first she was hesitant about applying for the AFS students abroad program but through the urging of her high school German teacher, Ms. Candalerio, Beth finally applied. The screening program of applicants is quite rigorous, Beth explained. After the initial application was filed and her entire family was interviewed, Beth was next interviewed at the district level in Sheboygan.

The next decision for Beth was a preference of countries. She selected either a European country, Australia or the Orient. She finally was notified in April that she was to go to Switzerland.

On June 24th Beth flew to Long Island University in New York for a two day orientation. She and her group of 69 other AFS'ers finally flew to Frankfurt, Germany, and then took a bus to Switzerland. Here the group split in half and 30 went to Western Switzerland and Beth and her group to Eastern Switzerland. They arrived in a small Swiss city called Baden and stayed in a youth hotel for 3 days. While here they got their first taste of fantastic Swiss food and also a cram-course on the language.

Finally Beth met her foreign family. They lived in a small Swiss village about 30 miles from Zurich, the largest city in Switzerland. Beth described the

family as fantastic. The father had died 2 years ago so "Moth" ran the household. Children, Heinz, 17, and Herman, 16, are both apprentices and Christine, 19, is studying to be a kindergarten teacher. The youngest, Mathias, 8, is in school.

Beth said no one spoke English in her family except Christine. Switzerland has four official languages - German, French, Italian and Romanish, however, in conversation they don't speak the high German taught in U.S. schools. Rather, they speak a Swiss/German dialect which is hard to understand and almost impossible for a foreigner to speak.

The culture of Switzerland is very different. Dress is much more liberal than in the U.S. Beth feels the society is more male-orientated especially since women couldn't vote until 1971. She thought the school systems were good and noted all children speak at least two languages.

Beth spent the last part of the summer traveling throughout Switzerland. She spent a lot of time backpacking in the Alps and described the scenery as fabulous. Quite often she spent these camping nights in little mountain huts which cost \$4.00. On August 21st, Beth left her family and rejoined her group in Luzerne, a gorgeous Swiss city in the mountains. From there she flew back to the U.S. on August 24th.

Beth has an excellent collection of slides and materials from her trip and will be glad to share her experience with community groups upon request.

Regal Helps Sponsor Pre-Retirement Planning Seminar

Though retirement may be several years away, now is the time to plan for the future believes the Business-Industry Advisory Council of Washington County.

A three session series will be held on pre-retirement planning on Tuesday evenings, October 11, 18, and 25, from 7 p.m. - 9 p.m. at the Oak Knoll Educational Facility of the Cedar Lake Home Campus.

The sessions will delve into social security, Medicare and Medicaid, wellness, attitudes toward aging, creative senior years, the aging process, legal affairs, estate planning, and housing alternatives for the elderly.

The Business-Industry Educational Advisory Council, which sponsors this series, is comprised of area business representatives from the Gehl Company, City of West Bend, Regal Ware, B. C. Ziegler and Co., Cedar Lake Home Campus, Steiner Electric, Weasler Engineering, The West Bend Company, Washington County, and West Bend Mutual Insurance Company. Its purpose is to provide educational programs for community members.

Registration of \$10.00 which includes the spouse, is limited. Please register by October 6. Call the Cedar Lake Home Campus at 334-9487 or Milwaukee at 276-4370 to register.

The Cedar Lake Home Campus is located southwest of West Bend, 2 miles south of State 33.

FFA to Sponsor Bus To World Dairy Expo

The Kewaskum FFA will be sponsoring a bus to World Dairy Expo on Saturday, Oct. 8. Any FFA Alumni or community members who would like to attend are welcome to join the group. The bus will leave from the Ag Dept. Saturday morning at 5:45 a.m. and will return to Kewaskum by 4:00 p.m.

World Dairy Expo is one of the largest dairy shows in America held every year in Madison. The FFA will participate in the judging competition Saturday morning. Representing the Kewaskum FFA will be Tim Westerman, Jim Herriges, and John Schmitt. Over 150 teams are expected to be judging.

If you are interested in attending please call the high school (626-2166) and reserve a seat with Mr. Rizzardi.

Kewaskum FFA Alumni Needs You

The Kewaskum FFA Alumni will be purchasing a computer for the Kewaskum High School Ag Department. They work with Kewaskum Dairy Club and the Kewaskum High School Ag Department. This past year they purchased a hog at the Washington County Fair. They awarded an annual \$300.00 Scholarship to a graduate pursuing a career in agriculture. They contributed \$500.00 to the Washington County Milk House Fund for the Washington County Fair.

The Kewaskum FFA Alumni invites you to join. Dues are \$5.00 a year with a free family picnic held in September. You do not need to have attended Kewaskum High School or have taken agriculture in high school. All the alumni asks is that you have a concern for agriculture and its future. Anyone interested in finding out more about this organization may contact Robert Etta, President Kewaskum FFA Alumni, or Dave Rizzardi, Kewaskum High School Ag Instructor and FFA Advisor. Or, if you wish to join, you can mail the dues to Ethan Etta, 5599 Beechnut Drive, West Bend, WI. 53095.

PSAT/NMSQT Services Help KHS Students 'Learn From Own Mistakes'

Students taking the Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test (PSAT/NMSQT) this year on October 18th will be able to "learn from their own mistakes" by using information in their score report provided by the College Board, according to Dave Wietor, director of guidance at Kewaskum High School.

"After taking the PSAT/NMSQT, all students receive a Report of Student Answers which includes the correct answers and their own responses and scores," said the local guidance official. "They also receive their own test booklets so that they can review the actual questions, see which ones they got wrong, and try to figure out the correct answer and why they may have missed it."

This process can help students learn from their own mistakes by encouraging them to understand the reasoning involved in finding the right answer, an ability which will be useful for future school work. Looking at the kinds of mistakes made on the test can help students identify areas in which they may be weak and need more work.

Before taking the PSAT/NMSQT, students receive a Student Bulletin containing a complete practice test with an answer key and scoring instructions. After the test, they receive a booklet, About Your PSAT/NMSQT Scores, that helps them to interpret their test results and to plan for

college. Other services that enable counselors and other school personnel to better understand and interpret the test results to students and parents include school summaries of students' answers; profiles of the academic characteristics and career interests of students taking the test, and a special publication for use with students as part of a general guidance program.

The PSAT/NMSQT is co-sponsored by the College Board and the National Merit Scholarship Corporation. Since 1959, more than 26 million students have taken the test, which measures verbal and mathematical abilities.

By taking the test, students discover how they rank among juniors (or sophomores or seniors) taking the test across the country. It also provides a preview of the College Board's Scholastic Aptitude Test (SAT), taken by many college-bound students. The PSAT/NMSQT is also the qualifying test for students wishing to participate in competitions of the National Merit Scholarship Corporation.

If you son or daughter is a junior or sophomore and is thinking about attending college, encourage them to sign up with their counselor to take the test. The cost is \$4.50.

Soiled areas of your carpet can be cleaned without soaking. Ask Miller's of Kewaskum about Nylac. Use your carpet an hour after cleaning with Nylac.

Blood Drive Slated for October 5

As we all continue to hear, Milwaukee and Wisconsin industries are having serious financial problems. This poor economic situation is seriously affecting everyone, even The Blood Center.

Because of the shaky industrial situation, The Blood Center is experiencing severe losses at industry-sponsored blood drives. Thus, we must make up our losses at other blood drives sponsored by local church and community groups.

To help us meet the needs of hospital patients in our area, Kewaskum is sponsoring a blood drive on Wednesday, October 5, from 12:00 noon to 7:00 p.m., at the Kewaskum High School (old gym). The Blood Center would be grateful to you for your lifesaving gift.

Won't you help us now, when we need you most?

XYZ CLUB SKAT RESULTS

ABC CLUB SKAT RESULTS

The Beechwood Senior Citizens ABC Club Skat results on Tuesday were as follows: Harold Egerer, 20-2-18; Ruth Egerer, 18-2-16; Elmer Fabian, 13-0-13.

Campus Notes

Lori J. Schmidt, daughter of Mr. and Mrs. Marvin A. Schmidt, Rt. 2, Hwy. 28W, Kewaskum, has completed the requirements for a double degree in Natural Resources Technology and General Education specified by the Vermilion College Natural Resource Department in Ely, Minnesota. Since June 1st, Lori has been employed in Ely, with a team of Forest Biomass Researchers for the Earth Resource division of N.A.S.A. Space Center and the

University of California, Santa Barbara.

Lori's experience and knowledge of research techniques has earned her a promotion to the Field Research Crew Leader, and we expect her field work to continue until the forest becomes impassable due to snowfall (estimated date Dec. 20th). After that date, she will be doing data analysis and public relations work for the research project on site in Ely until the weather permits further outside data collection (possibly April).

Obituaries

HERMAN R. BACKHAUS

Herman R. Backhaus, of 132 Willow Lane, West Bend, died Thursday, Sept. 22 at St. Joseph's Community Hospital, at the age of 83.

He was born July 29, 1900, in the Town of Scott, Sheboygan County, and married Elsie Zettler Nov. 8, 1924, in Campbellsport.

Together they farmed in the Town of Farmington for 27 years until 1951 when they moved to West Bend. He was then employed at the Gehl Co. until his retirement in 1965.

Survivors include his wife; two children, LaVerne (Elroy) Genz of West Bend and Edward (Janice) of Mayville; 10 grandchildren; 15 great-grandchildren; two sisters, Ella (Roy) Pieper of Sheboygan and Laura Backhaus of Plymouth; two brothers, Ernst (Cecilia) of Random Lake and Fred (Estella) of Batavia; and other relatives and friends.

He was preceded in death by a son, Raymond.

He was a member of Good Shepherd Church, West Bend.

Funeral services were Sunday, Sept. 25, at 8 p.m. at the Myrhum Funeral Home, West Bend. The Rev. Gregory Gibbons officiated, and interment was in Washington County Memorial Park.

MRS. MARLENE McBRIDE

Graveside services for Mrs. Marlene Krueger McBride, 47, of Route 2, Pikeville, N.C., were held at 2 p.m. Sunday at Alamance Memorial Park, Burlington, N.C.

Mrs. McBride died Wednesday, Sept. 21, at home. She was a member of American Legion Post 11 in Pikeville.

Survivors include her mother, Mrs. Viola K. Krueger of Fond du Lac; one son, Stanford of Pikeville; six sisters, Jeanette Dill and Lola Ann Gudex of Milwaukee, Mrs. Cynthia Maedke of Kewaskum, Mrs. Gwen Guell and Mrs. Sandra Pelishek of Adell and Mrs. Charlotte Keating of Sheboygan.

She is also survived by four

brothers, Russell of Tarpon Springs, Fla.; Allan and Gerald, both of Campbellsport; and James Sr. of Fond du Lac. Her father and one son preceded her in death.

Training Course For Parents of Handicapped Children

The Parent Education Project will conduct a 4-week Advocacy Training course for parents of handicapped children who want to help other parents work with the public schools.

The class will meet on Wednesdays, October 19 and 26, November 2 and 9, from 9:30 a.m. until noon, at the West Bend Library, 230 South 6th Avenue, West Bend. There is no charge. Pre-registration is required.

The training will include information on state and federal special education laws, how parents can be involved in making decisions about their handicapped children's education, and what to do when things don't work as they should.

The Parent Education Project (PEP) is a coalition of parent groups and agencies which helps parents of handicapped children work with the schools. Handicapped children include those with learning disabilities, emotional or behavioral disturbances, mental retardation, physical handicaps, hearing or visual impairments, or speech and language handicaps. PEP has been active in Milwaukee and Waukesha Counties since 1981, and has recently expanded to include Washington and Ozaukee County school districts.

The training is co-sponsored by the Citizen Advocacy Program of Washington County, a volunteer program which develops one-to-one relationships between advocates and people with developmental disabilities.

To pre-register, or for further information, call Liz Irwin, 272-4500, or Sue Moser, 334-3384.

To subscribe to the Kewaskum Statesman, just call 626-2626.

Roundtables for Cub, Boy Scout Leaders

Glacier Edge District 11 of the Bay-Lakes Council of the Boy Scouts of America will hold their Roundtables for Cubs and Boy Scout Leaders and Committee People on Thursday, October 6, from 7:30 - 9:30 p.m., at John Long Middle School, corner of Fifth and Hickory Streets, Grafton. Use rear entrance.

Boy Scout Roundtable will focus on High Adventure Back Packing. Details on events at Council Encampment will also be discussed.

Cub Day at the Council Encampment will be highlighted at the Cub Leader Roundtables.

Webelos Leaders will work with the Outdoorsman Activity Badge and Encampment preparation.

Den Leaders will use the "Bright Ideas" theme, which includes imaginative Genius Kits. The Game Box and projects for Thanksgiving will be shown, and an Indian Advancement Ceremony will be presented. Take-home craft will be made.

Cubmasters and Committee People will spend second session examining Pack forms and procedures.

Members of the Awase Lodge of the Order of the Arrow will also gather for their monthly meeting at the school.

Basic Training for Cub Scout Leaders

Glacier Edge District 11 of the Bay-Lakes Council of the Boy Scouts of America will conduct a Basic Training Course for all Cubmasters, Den Leaders, Webelos Leaders, and their assistants, Den Leader Coaches and Committee People.

It will be held Saturday,

Walking isn't a lost art — how else can a person get out to his garage.

Letters to the Editor . . .

9-26-83

Having been to the Sept. 12 school meeting I would like to thank Dr. Ogi - John Spoerl and Mr. Horner for trying to save the district some money.

I feel just like the "Industrial Rat." He or she is right in every respect, but I was also very upset at the comments of some administrators for saying Farmers and Workers never had it as good as in the last twenty years. That's a joke with the economy as it is.

Now having read this week's paper I am even more upset. Gene Muench was definitely our man for the new job and with the help of one more janitor could and would have done a tremendous job for us. I don't know who on the board is to blame, but I think this is a mistake.

I think you did a great job Gene with what you had to do it with, and I think it would have cost half the money.

Leonard W. Peter

....

Letter to the Editor:

On Saturday, September 24, 1983 the East Region for Wisconsin Council of Local History Convention was held in Beaver Dam at the Hotel Rogers. The format included four topics of discussion groups: security, photographs, genealogy research and planning exhibits.

A buffet luncheon and business meeting was then held.

A tour of the Historical District by bus and also a walking tour to the Dodge County Historical Museum was then enjoyed by all. Also bussed to Wayland Academy. Those attending from the West Bend Area were the following: Art Degnitz, President; Anna Gensman, Mildred Wagner, Alda Warnkey, Margaret Hawig, Bill Oelhafen, Marion Haebig, Lorna Waechter, Evelyn Zarling, Judy Giessen, Mildred Endlich, Agnes Beck and Eileen Kirchner.

Also, this past week, we were the guests of the Kewaskum

Historical Society. A delicious country stew cooked in cabins of the Museum and Log Cabin were enjoyed.

Thank you Kewaskum and Beaver Dam for having us.

Immunization Clinics Slated

All recommended immunizations are available to children of Washington County at the immunization clinics offered by Washington County Community Health Nursing Service.

October clinics are: October 4 - 2:00 - 5:00 p.m.; October 25 - 9:00 - 11:00 a.m.

The clinics will be held in the Community Health Nursing Service office at 515 East Washington Street, West Bend,

and are provided free of charge. There is a \$1.00 charge for the T.B. skin test for those age 16 and over.

Local Students to Spend a Day in One Room Rural School

Return to a one room rural school house?? The School District of Kewaskum will become part of a program conducted at the Cedar Lake Campus to acquaint grades 1-8 students with a one day experience in a one room rural school. Sixteen children, two from each grade, will spend one day in a school environment as it was 50 years ago. Lessons in the basics are the studies for the day.

Some of the residents of Cedar Lake will help, although a certified teacher will head the class. The school districts of West Bend and Slings are involved on other days.

Brown bag lunches are the meals to be brought!

Girl Scout Troop 32 To Sponsor Paper, Aluminum Drive

On Saturday, October 1, Jr. Girl Scout Troop 32 from Farmington area will be holding a paper and aluminum drive. Anyone having aluminum or paper should just call 692-9119 and someone will come and pick it up for you.

Ruth Kuehn is the leader for this troop. She reports that the money raised will be used for a train trip for the troop to Chicago.

If there are any girls interested in joining a Senior Troop there is still time and room. This number to call is 338-1340. This troop will be meeting every other week from 6:30 - 8:30.

They are planning on going camping to Devil's Lake on Sept. 30, Oct. 1-2.

Quick follow-up for oven spill: sprinkle with salt immediately. When oven is cool, brush off burned food and wipe with damp sponge.

Kewaskum, Other County 4-H Clubs Recognized for Community Service

Several Washington County 4-H clubs were recognized for service to their community at the County 4-H Achievement Program. The Myraneers 4-H club worked for beautification and conservation and provided recreation in their community. They worked with the Newburg Library committee and did much of the landscape planning. The group helped with fund drives in the community. They planned roller skating, community holiday parties and visited the elderly. Adult leaders of the club are Mrs. Barbara Falk, Charles Mayhew, Mrs. Kathy Shaver, Mrs. Bernard Barth, Mr. and Mrs. Stan Shaw, Mr. and Mrs. Wayne Seideman and Mrs. Carl Awve. Youth leaders working on community activities included Jean Awve, Jeff Guyant, Stan Shaw Jr. and Robert Falk.

The Kewaskum 4-H'ers is under the direction of Mr. and Mrs. Dennis Seideman. Other adults working with community service activities included William Butzlaff Sr. and Diane Horlamus. Youth leaders were Debbie Seideman, Amy Sekas and Renee Kapp. Their group worked with the Kiwanis and Jr. Woman's club to make birdhouses for the new Nature Trail in the Kiwanis Park. They also planned much of their own recreation and recreation for the community including swimming party, roller skating party, hayride and holiday parties.

The Badger Boosters 4-H club is under the direction of Mrs. Lois Pikoske of West Bend. Youth leaders providing leadership in their club activities included Paul Braun, Karen Doll, Pam Gundrum and Karen Pikoske. The club members worked with handicapped youth. They had a paper drive. They gave talks and demonstrations regarding health and planned recreation such as field trips to the House on the Rocks and a baseball game.

The Good Luck 4-H club of West Bend is under the direction of Paul Cypher, Arlene Cypher and Mrs. Agnes Curry. Youth leaders are Colleen Curry, Kory Dogs, Shelly Wessing and Todd Wessing. The group went caroling and made greeting cards for people at the Samaritan Home. They adopted a grandmother and visited her. They had health slogans and talked about nutrition at their club meetings. They had paper drives and talked about importance of

recycling. They also provided recreation for themselves and others in the community. They invited exchange students from foreign countries to be their guests at some of their club meetings.

4-H clubs are part of the community. They work with other groups to improve their community. They also plan and carry out activities which are beneficial and enjoyable for themselves and to others.

'Kids From Wisconsin' Return Engagement

This summer the West Bend High School community auditorium sizzled to the sounds of "Kids from Wisconsin," the goodwill ambassadors of the State, as the residents of Cedar Lake Home and students from the West Bend High Schools sponsored this high stepping concert. The proceeds from the concert were used to purchase a spotlight for the high school community auditorium.

The event was so successful and enjoyed by all, that the Resident Council of the Home has booked the "Kids from Wisconsin" for a return engagement in August of 1984.

Convinced of the success of next year's concert, the Council has committed themselves to a sound mixing equipment improvement project for the school-community auditorium.

Both of these projects clearly demonstrate the energy and vitality which can be generated when generations and lots of talent mix together in purposeful activity.

FIREMEN'S MEETING

The regular monthly meeting of the Kewaskum Fire Department will be held at the fire station at 7:30 p.m. next Thursday, Oct. 6.

Planned Parenthood To Sponsor Program For Parents, Children

Is your 11-year-old daughter complaining that she looks more like Donny Osmond than Brooke Shields? Is your 11-year-old son complaining that none of the girls look like Brooke Shields, and that he'll never look like Donnie Osmond?

"SPEAKING OF PUBERTY," an evening program for parents and their children will be presented on Wednesday, October 5, at West Bend Community Library, 230 South 6th St., West Bend. "AM I NORMAL?" a film dealing with the concerns of male puberty will be shown at 7 p.m. "DEAR DIARY," a film on female puberty, will be viewed at 7:30 p.m. Following the films, Dr. Gary Herdrich will meet with boys and their parents, and Dr. Sandra Byerly will meet with girls and their parents to discuss the physical and emotional impact of body changes on both the adolescent and his/her family. Families and all interested persons are invited to attend.

Planned Parenthood of Washington County is sponsoring this event in observation of National Family Sex Education Week. In addition to "SPEAKING OF PUBERTY," Planned Parenthood is coordinating library displays of books available in local libraries to assist parents in their role as primary sex educators of their children.

Planned Parenthood of Washington County is an organization whose primary concern is the development of healthy, stable families. Planned Parenthood's "ASK-ABLE PARENT" Program is a resource of parents and children in promoting a healthy, responsible understanding of human sexuality.

Partially filled boxes of dried fruits [raisins, prunes, apricots] keep their freshness longer if stored in the freezer.

New Group Picnic Area in Kettle Moraine State Forest Southern Unit Completed

A new group picnic and day use area in the Kettle Moraine State Forest - Southern Unit has recently been completed and is ready for use by the public, according to Ronald Novak, Forest Superintendent.

The area, located two miles west of State Trunk Highway 67 on County Trunk Highway ZZ, can accommodate up to 200 people. It has an enclosed shelter, heated by a fireplace, which can handle up to 75 people.

The area has a volleyball court, horseshoe pits, a softball field and a basketball court.

Two large grills are also provided along with water and pit toilets. The area has access to the Scuppernon ski and hiking trails with access also provided to the Ottawa horse and snowmobile trail.

The group picnic and day use area can be reserved by calling the forest headquarters at (414) 592-2135. The fee is \$30.00 per day plus a vehicle admission sticker. Vehicle admission stickers are: \$10.00 - Annual Resident, \$15.00 - Annual Non-Resident, \$2.00 - Daily Resident, \$3.00 - Daily Non-Resident.

Ayer Ensemble to Perform at UWWC

The University of Wisconsin-Washington County's Fine Arts Series announces the performance of The Ayer Ensemble on Friday, September 30, at 8:15 p.m. in UWWC's theatre, 400 University Drive, West Bend.

Formed in 1980, the group has performed in the Great American Choral Festival, placing first in the state in 1982. They have performed for many local social and civic functions and in Milwaukee. Under the direction of Peter Ayer, As-

sociate Professor of Music at UWWC, the ensemble performs the widest possible variety of literature and will, in the course of a concert, perform something to satisfy every musical taste.

Prior to the group's September 30 performance at UWWC, they were scheduled to appear on the Channel 10/36 Talent Jubilee program on Wednesday, September 21 at 8:00 p.m. and Thursday, September 22, at 10:00 p.m.

Gremminger - Matenaer

Carolyn JoAnna Gremminger and Joseph Paul Matenaer exchanged marriage vows during a 1 p.m. ceremony on Saturday, August 27, held at St. Michael's Catholic Church, St. Michael's. Father Robert Berghammer officiated.

Music for the ceremony was provided by Mr. and Mrs. David Bertelsen and Janet Matenaer.

The bride was presented in marriage by her parents, Mr. and Mrs. Raymond Gremminger, 338 Third Street, Kewaskum. Parents of the groom are Mr. and Mrs. Ralph Matenaer, 2050 Hwy. 28, Kewaskum.

Barb Matenaer, Kewaskum, sister of the groom, served as maid of honor. The bridesmaids were Dawn Stommel, West Bend, cousin of the bride, Janet Matenaer, Kewaskum, sister of the groom, Robbie Gremminger, Plymouth, sister-in-law of the bride, Stephanie Weiss, Slinger, sister of the groom, and Cindy Spoerke, West Bend, a friend of the couple. The flower girl was Rachel Gremminger, Plymouth, niece of the bride.

The groom chose his brother, Tony Matenaer, Kewaskum, as his best man. The groomsmen

were Randy Gremminger, Kewaskum, brother of the bride, Bryon Nehls, Hustisford, a friend of the couple, Dale Maney, Fond du Lac, also a friend of the couple, Kip Weiss, Slinger, brother-in-law of the groom, and Kevin Volm, Hartford, cousin of the groom. The flower boy was Jason Gremminger, Elmore, nephew of the bride.

Ushering duties were shared by Jerry Gremminger, Kewaskum, brother of the bride, and Dale Matenaer, West Bend, cousin of the groom.

Following the ceremony, a reception and dinner for 425 guests was held at the Knights of Columbus Hall, West Bend.

The bride graduated from MPTI, Fond du Lac, where she specialized in Early Childhood Education. She is employed by My Little Friends Day Care Center, Kewaskum.

The groom also graduated from MPTI, Fond du Lac, where he majored in Agricultural Mechanics. He is employed by West Bend Automotive.

The newlyweds will be honeymooning on a Caribbean cruise to Jamaica, and are residing at 325 South Ninth Avenue, West Bend.

Family Affair Fall Festival

Cedar Lake Home Campus invites the community to its annual "family affair" Fall Festival on Sunday, October 2, from 11:00 a.m. to 5:00 p.m.

Bring your family and friends to share a hay ride through the campus forest decked out in its fall splendor, take a horse drawn carriage ride on Dandelion Patch parkway, visit the petting zoo, or have your children enjoy a horse ride.

Browse through the craft sale, bake sale, "an old fashioned Country Store," toss the rings in the game arcade, tap your toes to the musicale program presented by campus residents, plus much more.

The campus will be vibrating to the sounds of the Tripoli Shrine Band from 1:00 to 2:30 p.m., Gary Cross from 2:30 - 5:00 p.m. and Jiggs and Company Polka Band beginning at 1:00 p.m.

Tantalize your palate at the ham luncheon for \$3.00, \$1.50 for those under ten, which will be served from 11:00 a.m. to 1:30 p.m.

Presented by the Cedar Lake Home Campus Foundation, the festival is held to provide the greater community with the opportunity to bring young and old together to enjoy a fun filled affordable day of intergenerational fellowship.

An early 1900s steam tractor which will be on display will intrigue the young as well as the old.

The Cedar Lake Home Campus is located southwest of West Bend on Highway Z.

PUBLIC INVITED TO TOUR OF FACILITY

Brooke Industries, Inc., 212 Forest Avenue, Fond du Lac, cordially invites the public on October 6, 1983 to take a personalized tour of our facility to better acquaint you with the wide range of subcontract and rehabilitation services we provide and to help celebrate our 20th anniversary.

Stop in anytime between 1:00 p.m. thru 9:00 p.m., October 6.

Clarence A. Schwartz, Sheriff

See — Steer — and Stop

HOW GOOD ARE YOUR BRAKES? We have heard it said before that the three important questions with regard to motor vehicle maintenance for safety are:

Can you **SEE**? Can you **STEER**? Can you **STOP**?

Seeing, steering and stopping require certain aptitudes on the part of the driver, of course, but they also require a vehicle fit for the road and capable of being handled with ease, efficiency and safety.

To **SEE** while driving, you want clean windows, strong and well adjusted lights, and a good wiper when the weather is bad. Remember, your wipers probably suffered a lot of wear and tear through the winter weather. When you really need them is no time to think about replacing them. Then, it's too late! According to Sheriff Clarence Schwartz, "You have to be able to SEE danger to avoid it!"

To **STEER**, you need properly inflated tires, wheels that are in good alignment and steering apparatus on which you can depend.

And to **STOP**, you need good brakes. How are your brakes? Don't you think it might be time to have them checked by someone who really knows good brakes when he inspects them? Perhaps your favorite mechanic? Poor brakes can sort of "sneak up on you," and sometimes the efficiency declines so gradually that you don't even notice it.

You can make an occasional inspection of your own by stepping hard on your brake pedal. Can you depress it almost to the floor? If so, you should have your braking system tightened up. It's a simple operation but it can mean a lot for your safety, advised Schwartz.

After months and months of good service from your brakes, do you find yourself putting more strain on them by towing utility trailers, campers or boat

trailers? Stopping this extra weight requires brakes that are in top condition. Remember, on hot summer days, you are putting more strain and more heat on your braking system. Reduce the heat and strain factor by looking ahead. Anticipate your stops. Slow down in advance. Intelligent driving on your part saves your brakes, as well as your nerves, and the nerves of your passengers, says the Sheriff.

A child may run into the street right in front of your car...some unforeseen traffic emergency may suddenly block your path...take care of your brakes **NOW** — and your brakes will take care of you **THEN**!

... about your Social Security

By David Becker, Social Security Branch Manager in West Bend

GUARANTEEING SOCIAL SECURITY BENEFITS

The Social Security Amendments of 1983 were the result of a national dialogue that extended into the past decade. The provisions reflect an effort to reconcile Social Security to emerging changes in society and to assure that benefits will be paid when due under any circumstances.

Two provisions included in the amendments deserve special note as examples of national determination that benefits will be paid. One is considered a "stabilizing" mechanism and the other, a "failsafe" mechanism. Both are designed to assure the payment of Social Security benefits on a timely basis under adverse economic conditions.

The stabilizing mechanism provides that, beginning with the cost-of-living increase in January 1985, if the Social Security trust fund balance falls

below 15 percent of estimated benefit payments for the coming year, the benefit increase for that year will be based on the lower of the increase in the cost of living or in average wages. This level increases to 20 percent beginning in 1989.

When the trust fund balance reaches 32 percent of estimated annual outgo—benefits and administrative expenses—catchup benefits will be paid to make up for any previous benefits that were less than the cost of living to the extent that funds are available.

In recent years increases in wages have generally lagged behind increases in prices. Basing the annual benefit adjustment on the lower of the two assures a lesser impact on the trust funds. At the same time, recognizing that the cost of living for beneficiaries is

more accurately reflected by increased prices for the goods and services they purchase, the law mandates catch-up benefits to the extent that funds become available.

The failsafe mechanism includes several provisions designed to anticipate a sort of "worst-case" scenario in which poor performance by the Nation's economy would reduce income to the trust funds below that needed to pay benefits on time. The law authorizes borrowing among three of the Social Security trust funds to pay benefits as needed. The funds—Retirement Survivors insurance, Disability Insurance and Medicare hospital insurance—are maintained separately, each designed to support a specific program. This is not a new concept. In 1981, for the first time the Board of Trustees was given the authority to borrow between the trust funds without further Congressional action. The authority ended in December 1982.

AN ENERGY CHECKUP NOW CAN GIVE YOU A WARM FEELING THIS WINTER.

If your home isn't ready to face winter's chilly winds, you could be facing some chilly energy bills. To get your home ready, schedule an Energy Checkup with a Wisconsin Electric energy specialist. The visit is free. During the visit the energy specialist will show you where your home is wasting energy and what you can do to stop it.

And at the end of the visit you'll get a Home Energy Kit. It's free, too, and

full of additional tips and helpful items. So schedule your free Home Energy Checkup now. Knowing your home is energy efficient can give you a very warm feeling this Winter and save you some money too.

CALL YOUR LOCAL WISCONSIN ELECTRIC OFFICE NOW.

Today's Medicine

R. G. Edwards, M. D.

A.I.D.S.

Acquired Immune Deficiency Disease

For a better understanding of this new disease by everyone in general, I shall try to give you all the facts I have been able to learn plus my own opinion of this awesome affliction.

The definition as given by the Center for Disease Control (C.D.C.) at Atlanta, Georgia, and as reported by the Wisconsin Division of Health, states that a person who has had:

1. A reliably diagnosed disease that is strongly suggestive of an immune deficiency, but who, at the same time, has had:
2. No known underlying cause of cellular immune deficiency nor any other cause of reduced resistance reported to be associated with that disease.

The C.D.C. then lists twelve other rare diseases by name each of which may have some findings resembling the disease known as A.I.D.S.

Most everyone knows that our blood is composed of red blood cells, white blood cells, and plasma. In many diseases our white blood cells are destroyed down from a normal count of 8 to 10,000 cells per cubic centimeter to 1000 cells per c.c. When this occurs, the patient is taken away from all contact with people for fear of infection the patient might receive from them due to this deficiency of white cells — our only defense against all disease germs.

As many people know this occurs in patients who are receiving intravenous therapy for cancer, in those who have been given a bone marrow transfusion and over a dozen rare diseases. The victim of A.I.D.S. develops this low white blood corpuscle deficiency, for which, up until now, no known curative treatment has been found.

The C.D.C. reports that on May 2nd, 1983, one thousand three hundred sixty-six cases had been reported with three or four new cases being presently reported daily. The fatality rate is over 40% and that the fatality rate increases with the duration of disease. More than 70% of cases reported prior to January 1, 1982 have died.

GROUPS AT RISK

1. Homosexually active men - 75%.
2. I.V. Drug abusers - males and females who use unsterile needles to inject drugs into their veins - interchangeably with other buddies.
3. Haitian immigrants - 5%.
4. Hemophiliacs - who need repeated transfusions of blood to keep alive.
5. All blood transfusion recipients.
6. Infants of high risk mothers: mothers who have A.I.D.S., are of Haitian descent, or were I.V. users.
7. Female partners of males with A.I.D.S.

Geographically 43.8% have been reported from New York City; N.Y. State 3.7%; San Francisco 11.1%; Miami 8.2%; New Jersey 6.8%; Los Angeles 5.9%, plus a few others. Only two cases have been reported in Wisconsin.

A.I.D.S. is acquired by close contact of mucosal surfaces - e.g. mouth, vagina, rectum or penis. Not by inheritance, nor by casual contact: e.g. not in church or schools or post offices. It is caused by I.V. drug users and some blood transfusions.

Diagnosis:

1. Early symptoms vary but generalized enlarged lymph glands, fatigue, fevers, night sweats, anorexia, weight loss, severe diarrhea or oral candidiasis (yeasts).
2. No blood test of value.
3. No appropriate treatment of value.

Prevention:

All health care professionals and all those in the high risk groups must avoid intimate contact with all persons suspected of having A.I.D.S.

Actually all health care people must do as it has been done for many years to avoid contamination by all contagious diseases. This means very strictly avoiding all skin contacts plus the frequent washing of hands. One must keep alert to all possible suspect cases.

The spread of this disease by blood transfusions is due to the fact that so many male homosexuals gladly give a pint of blood for \$15 cash, and of course, deny their abnormal sex life style. Correction of this problem is now being propounded by those in charge. Hopefully the severe punishment to all infected donors will stop this method of spreading this fearful disease.

Therefore, in my opinion, everyone must avoid all contacts with the homosexual groups; wash your hands thoroughly with warm water and soap after being out in public places, and all health care people, including funeral directors, must, in addition, wear rubber gloves. The danger of contagion is, probably, no greater than your chances to "catch" tuberculosis, scarlet fever or meningitis. Always use cleanliness with good common sense to remain healthy.

R. G. Edwards M.D.
Health Officer

To keep warm — put on a hat. Eighty percent of your body heat escapes through your head.

In the Service

Army Reserve Pvt. Diann M. Prunty, daughter of Douglas P. and Dorothy M. Prunty of 9136 Skyline Drive, Allenton, has completed basic training at Fort Jackson, S.C.

During the training, students received instruction in drill and ceremonies, weapons, map reading, tactics, military courtesy, military justice, first aid, and Army history and traditions.

She is a 1982 graduate of Kewaskum High School.

Army National Guard Pvt. Thomas E. Kuphal, son of Mary and Roger Kuphal of 9080 Highway W. Campbellsport, has completed the OH-58 helicopter repair course at the U.S. Army Aviation School, Fort Rucker, Ala.

Subjects personnel studied through academics and hands-on training included the OH-58 turbine engine, transmission, electrical systems, flight controls, main and tail rotor systems, and the aircraft's hydraulic system.

He is a 1981 graduate of Kewaskum High School.

Marine Cpl. Leo L. Ray, son of Franklin and Irene Lear of Route 1, Campbellsport, has reported for duty at Marine Corps Air Station, Kaneohe Bay, Hawaii.

Pfc. Matthew Vatter, son of Rudolph and Judith Vatter of 6505 Congress Drive, West Bend, has been decorated with the Army Achievement Medal at Fort Bragg, N.C.

The medal is awarded to soldiers for achievement or

Tornado Alert

We don't want to alarm you, but no community is immune from tornadoes or other possible disaster.

Kewaskum does test its warning system the first Thursday of the month at 10:30 a.m. by blowing the siren from 3 to 5 minutes.

So what should you do if a disaster takes place? Take shelter and listen to your local radio station.

The fire siren will be sounded on Thursday, Oct. 6, at 10:30 a.m. to acquaint residents with the tornado or other disaster signal. It will be sounded at a steady pitch for three minutes.

In the event of a tornado or other impending disaster take precautionary measures.

The alerts will be held throughout the year on the first Thursday of each month.

25 Years Ago

September 26, 1958

Art Manthei of the village was the first winner of the bonus night cash prize last Friday and was presented with \$50.

A deer was bagged by a young Kewaskum hunter over the weekend as Wisconsin's early 1958 bow and arrow deer season got underway. Among the more than 6,000 estimated archers who invaded the Necedah wildlife refuge Saturday was Terry Kuch, 16, son of Mr. and Mrs. August Koch of the village. Hunting with his father and a friend, Dennis Jandre, Terry got a big eight-point buck which dressed out at 200 pounds.

Jerry Dreher, Kewaskum, who was a patient at St. Joseph's Hospital, West Bend, since September 3 with a dislocated knee cap suffered in football game with the high school squad, returned to his home last Thursday. He is able to get around on crutches.

Dan Panzer, son of Mr. and Mrs. Herman Panzer, Kewaskum, is attending Wisconsin State College at Platteville.

Miss Carol Miller is among a class of 330 new students to arrive on the Lawrence College campus, Apleton, September 10 for orientation before the start of the college's 111th school year.

The Kewaskum Indians opened the 1958 football season with an easy 26-0 win over Grafton here Friday night. The game was not a conference tilt. Grafton is a member of the new Scenic Moraine conference with Kewaskum but will not participate in football yet this year because of previous commitments. Quarterback Normman "Butch" Roderkirch, a veteran, although only a junior, opened the scoring with a sneak from two yards out. Konstantyn Sadownikow added the extra point on a kick. Kon, only a sophomore, is one of the brightest prospects on the squad. An eight-yard scoring plunge by Dan Coulter gave Kewaskum a 13-0 advantage and Sadownikow again added the point to make it 14-0. Ken Johnson's 60-yard pass interception for a touchdown made it 20-0 before the half ended. Ken, a speedster, also is only a junior and a fine prospect. In the second half Glen Rempel's TD in the final period provided the only scoring.

Wayne Rempel, son of Mr. and Mrs. Ralph Rempel, Kewaskum, left Saturday for six

months of active training with the national guard at Fort Leonard Wood, Mo.

Pvt. Raymond N. Mertzig, son of Mrs. Leona M. Mertzig, Route 1, Kewaskum, recently arrived in Germany and is now a member of the Third Armored Division.

Daughters were born to Mr. and Mrs. Robert Schmidt, Kewaskum, on September 22, and to Mr. and Mrs. Louis Foerster, Allenton, also on September 22. A daughter, Lisa Lynn, was also born to Mr. and Mrs. James Komaromy, Bethasda, MD. Mrs. Komaromy is the former Marilyn Krueger, daughter of Mr. and Mrs. Frank Krueger, Kewaskum.

50 Years Ago

September 29, 1933

Friday, September 29, and Saturday, September 30, are two big dollar bargain days in Kewaskum. On these two days, the local merchants are going to do their part in the "Buy Now, Buy NRA" movement which is in full progress all over the United States. In order that the merchants can do their part they have agreed to price their merchandise very low, and are offering bargains that may not be heard of for many years to come.

Holy Trinity Catholic Church, Kewaskum, was the scene of a pretty autumn wedding on September 23, when Rev. Philips J. Vogt pronounced the words that united in wedlock Miss Constance Dworschak and Mr. Delbert Babcock. The bride is a daughter of Mr. and Mrs. Theo. Dworschak of New Fane. The groom is a son of Mr. and Mrs. Richard Babcock of Milwaukee.

Miss Beatrice Kleinhans, daughter of Mr. and Mrs. J. J. Kleinhans of St. Kilian, and Joseph J. Lebrizzi, son of Mrs. Sarah Lebrizzi of New York City, New York, were united in marriage at the St. Kilian Catholic Church, St. Kilian, on September 23.

The Kewaskum Athletics last Sunday on the local diamond won the first game of the inter-league championship series between Kewaskum, pennant winners of the Badger State league, and Grafton,

pennant winners of the Ozaukee County league.

The infant son born to Mr. and Mrs. Frank Herriges of St. Michaels last Thursday received the name, Earl.

75 Years Ago

September 26, 1908

Edward Glander and his seven-year-old son while returning home from Kewaskum last Monday, met with a bad accident near Ernest Ramthun's place near New Fane, when his team became frightened and ran away, throwing Mr. Glander and his son down a twenty foot embankment on the side of the road. Mr. Glander died of his injuries on September 24. He leaves a wife and four children.

Nicholas Mayer died last Thursday morning after a long illness with cancer. He was 56. The deceased was born in Germany and emigrated to America with his parents in 1856. He was married to the former Margaret Koller. Their union was blessed with six children of whom five survive, namely: Mary (Mrs. H. Hauerwas), and Rose, (Mrs. A. C. Schader) of Milwaukee, Joseph, Margaret and Tillie, at home.

August Schnurr broke the record in threshing clover at Jake Bruessel's farm last Wednesday when he threshed fifty bushels of red clover in 8 1/2 hours.

Philip Schneberger, one of the pioneer settlers of New Fane, died last Saturday, due to a hemorrhage of the brain. He was born in Prussia, Germany, and emigrated to America in 1844. In 1856 he came to New Fane, engaging in the shoe making business. He is survived by one daughter, Anna, at home, and one son, Henry of Milwaukee.

Marriage Licenses

Randal Jude Karoses and Colleen Ryan, both of Campbellsport.

Paul Philip Buczek, Town of Ashford, and Donna Mae LaShay, Kewaskum.

Timothy Mark Koch, Town of Chester, and Corrine Carlson, Town of Ashford.

Parent Support Group to Meet

Support in Infant and Child Death, a parent support group, meets on the 2nd Thursday of each month. The next meeting will be on Thursday, Oct. 13, at 7 p.m. at the Planned Parenthood office on the 2nd floor of the old section of St. Joseph's Community Hospital, West Bend.

This month's meeting will be an informal gathering of parents who have lost children at any time from miscarriage through the teen years. Parents are invited to share as much of their experience and feelings as they wish. SICD meetings simply provide a compassionate atmosphere.

Anyone who has felt the loss of a child at any age, including miscarriage and stillbirth, is cordially invited. For more information, please call 338-1303.

Minutes of Village Board Meeting

Mid-Monthly Meeting
September 19, 1983
8:11 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin met in mid-monthly session in the Council Room of the Municipal Building, 204 First Street.

President Gerald F. Stollenwerk presided. All Trustee Members were present.

On a motion by Trustee Donald Mlodzik, seconded by Trustee Howard Laubenstein and unanimously carried by voice vote, the Board approved the minutes of September 6 and 15, 1983.

Superintendent of Public Works, Augie Bilgo informed the Board that his departments work has been completed on Braatz Drive and that they are now waiting for the contractor to move into the area for completion. It was noted that all the property owners appear to be happy with the proposed work and cooperative.

On a motion by Trustee David Nigh, seconded by Trustee Donald Mlodzik and unanimously carried by voice vote, the Board tabled the application of Karla Scott for an Operator's (bartender's) License accepting the recommendation of the Police Department asking Miss Scott to appear before the licensing committee in the future (10/3/93). No action was taken on the application for Nancy L. Bartelt because it was not complete. (The health certificate was not turned in).

The application of Michael Survis for a building permit was not submitted so no official action was taken. It was the consensus of the Board that the office could issue the permit without bringing the matter back to the Board for action.

Administrator Daniel Schmidt informed the Board of the proposed bid opening for the Water Tower work for 9/29/83 at 4:30 p.m. and reviewed with the Board the information received at the Counties equalization meeting held September 7, 1983. The Administrator was instructed to send a letter to the DNR regarding the public hearing in reference to increasing the license fees for landfill sites.

On a motion by Trustee Paul Blumer, seconded by Trustee Mary Krueger, and unanimously carried by voice vote, the Board approved the holiday schedule as recommended by the Administrative Committee for Christmas and New Years. (December 26 for December 25, January 2 for January 1, November 25 for December 24 and a floating holiday for December 31, this floating holiday to be taken by December 31, 1983).

On a motion by Trustee David Nigh, seconded by Trustee Howard Laubenstein and unanimously carried by voice vote, the Board authorized the placement of three stop signs at the intersections of Pleasantwood Drive and Lazy Lane and Memorial Drive and Lazy Lane.

On a motion by Trustee Paul Blumer, seconded by Trustee Richard Schmidt and unanimously carried by voice vote after considerable discussion, the Board authorized the elimination of the first two parking stalls south of Second Street and Fond du Lac Avenue.

No discussion or action was

taken on the issue of the high school closed campus. It was noted the Board may review the matter in the future.

The Board reviewed the request for an additional street light for the east end of Elm Street. It was the consensus of the Board that a letter be sent to those property owners residing in the area to trim their trees to permit the existing street lights to provide the necessary light and to suggest that private security lights are installed.

On a motion by Trustee Richard Schmidt, seconded by Trustee Donald Mlodzik and unanimously carried by voice vote, the Board accepted the recommendation of the Police Department and the Public Services Committee to designate the hours of 3:00 p.m. to 5:00 p.m. on October 30, 1983 as Trick or Treat community hours. This action is in keeping with the rest of Washington County.

On a motion by Trustee David Nigh, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the Board accepted the recommendation of the Public Works Committee and approved the quotation from Steiner Electric for labor and materials needed to connect the mobil generator to the two pump houses and lift stations.

Trustee Richard Schmidt, Chairman of the Park and Recreation Committee wished to publicly thank the Jr. Woman's Club for their dedication and hard work in the developing of the Nature Trail at the Kewaskum Kiwanis Community Park. The Nature Trail will be an asset to our community.

On a motion by Trustee David Nigh, seconded by Trustee Howard Laubenstein and carried on a voice vote of 6 "Aye," 1 "Nay" (the Nay vote cast by Trustee Mary Krueger), the Board approved exhibits 4, 5, 6, and 7 of the Classification and Compensation Study as presented by Arthur Young and Company, with no implementation/adjustments in wages proposed at the present time. (The exhibits are available for inspection and are part of the complete study).

On a motion by Trustee Paul Blumer, seconded by Trustee Richard Schmidt and unanimously carried by voice vote, the Board accepted the low bid of Joseph Lorenz, Hartland, Wisconsin for the Municipal Building energy savings remodeling (windows and vestibule) upon the recommendation of Ruekert and Mielke, Inc., Consulting Engineers and the Public Works Committee. The bid price is \$46,900.00.

Discussion was held on the village's parking violation enforcement policy. The State of Wisconsin/Department of Transportation has established a Traffic Violation and Registration Program being used by the majority of the villages and cities in the state. To participate in this program the community must by resolution or by ordinance spell out the details of the program.

Attached hereto is Resolution No. 83 - 14

A resolution requesting the State Department of Transportation for participation in the Traffic Violation and Registration Program. The details of such participation are also included in the resolution.

The resolution was introduced by Trustee David Nigh.

Motion for adoption by Trustee Howard Laubenstein.

Motion for adoption seconded by Trustee Donald Mlodzik.

Roll call vote 7 "Aye" 0 "Nay" 0 "Absent."

RESOLUTION NO. 83 - 14

WHEREAS, the Village of Kewaskum addresses parking violations in Section 7.04 (1), (2), (3), (4) and (5) of the Municipal Code, and

WHEREAS, the Village of Kewaskum has by policy/ordinance established the fine/forfeiture for any person violating the provision of the forementioned Sections in the sum of \$15.00 for each such violation, plus penalty assessment and court costs and upon failure to pay any forfeiture, penalty assessment and court costs imposed, may be imprisoned in the county jail not exceeding six months or until such forfeiture, penalty assessment and costs are paid, and

WHEREAS, the State of Wisconsin, Department of Transportation has established a Traffic Violation and Registration Program.

BE IT RESOLVED, that the Village of Kewaskum, apply to the State of Wisconsin, Department of Transportation for the privilege of participating in the Department's Program as spelled out under Chapter 128.

BE IT FURTHER RESOLVED, that the Village amend its policy on fines/forfeitures to read as follows: Any person violating the provisions of Section 7.04 (1), (2), (3), (4) and (5) shall forfeit the sum of \$5.00 for each such violation, if the citation remains unpaid for a period of 10 days a notice shall be sent to the registrant holding the violation indicating the fine/forfeiture has increased to \$10.00 and that if the fine/forfeiture is not paid by the 28th day the matter will be turned over to the State of Wisconsin, Department of Transportation and the fine/forfeiture increased to \$20.00. In conjunction with any fine/forfeiture the violator shall pay any penalty assessment and court cost if applicable.

NOW THEREFORE BE IT RESOLVED, that the Village of Kewaskum enroll in the State of Wisconsin, Department of Transportation, Traffic Violation and Registration Program and establish an account with the department and implement the aforementioned fine/forfeiture structure, which will automatically include the cost of the State Program.

Introduced by Trustee David Nigh

Motion for adoption by Trustee Howard Laubenstein

Kewaskum Statesman, Friday, Sept. 30, 1983, Page 13

Motion for adoption seconded by Trustee Donald Mlodzik

Roll call vote 7 "Aye," 0 "Nay," 0 "Absent."

Signed
Gerald F. Stollenwerk,
President

Dated
September 19, 1983

ATTEST
Daniel S. Schmidt,
Administrator

RESOLUTION NO. 83 - 15

WHEREAS, the Village of Kewaskum has a franchise, with River Bend Cablevision, Fond du Lac, Wisconsin, as does the City of West Bend, and

WHEREAS, in that franchise (ordinance) the Village of Kewaskum is provided with the use of a public access channel known as the West Bend Community Cable (WBCC) network, and

WHEREAS, the City of West Bend used their community franchise fee to support WBCC, and

WHEREAS, the West Bend School District supports the WBCC by providing quarters and related utilities, and

WHEREAS, the Moraine Park Technical Institute supports the WBCC by providing equipment.

BE IT RESOLVED, that the Village of Kewaskum, assist in the supporting of the West Bend Community Cable network by providing fifty percent (50%) of the local franchise fee to provide for public broadcasting of local community and school events.

BE IT FURTHER RESOLVED, that such payments are to be made by the 15th day of April of each year based on the cable franchise fee received in March.

BE IT FURTHER RESOLVED, that this resolution may be reviewed annually and amended as the Board sees fit.

BE IT FURTHER RESOLVED, that a copy of this resolution be forwarded to the School District of Kewaskum, for their review and consideration regarding the possibility of their joining the Village of Kewaskum, City of West Bend, West Bend School District and Moraine Park Technical Institute in supporting the WBCC network.

NOW THEREFORE BE IT RESOLVED, that upon the acceptance by the WBCC network, of this financial support the Village of Kewaskum shall be known as a cooperating party of this cablevision network.

Introduced by Trustee Paul

Blumer

Motion for adoption by Trustee Mary Krueger

Motion for adoption seconded by Trustee David Nigh

Roll call vote 7 "Aye," 0 "Nay," 0 "Absent."

Signed:
Gerald F. Stollenwerk,
President

Dated
September 19, 1983

ATTEST
Daniel S. Schmidt,
Administrator

Discussion was held on the possibility of entering into a cost sharing of funds derived from the cablevision franchise with the West Bend Community Cable network. The details of such an undertaking are spelled out in the resolution herewith attached.

Attached hereto is Resolution No. 83 - 15.

The resolution was introduced by Trustee Paul Blumer.

Motion for adoption by Trustee Mary Krueger.

Motion for adoption seconded by Trustee David Nigh.

Roll call vote 7 "Aye," 0 "Nay," 0 "Absent."

Review and discussion was held regarding the proposed lighting of the ice skating rinks and horse shoe pits at the K.K.C.P. A couple of quotes were reviewed along with funds available to complete the work. It was noted that more research should be done on the matter and brought back to the Board at a later date.

On a motion by Trustee Richard Schmidt, seconded by Trustee Howard Laubenstein and unanimously carried by voice vote, the Board approved the placement of one security light fixture on the s/w corner of the tennis courts. The cost estimate is \$391.00 from Kirchner Electric.

President Stollenwerk informed the Board of the next Mid-Moraine meeting, that being September 28, 1983.

Administrator Daniel Schmidt distributed a new budget control sheet to the Board for their review and asked them to call if they had any questions.

Motion was made by Trustee Richard Schmidt, seconded by Trustee Paul Blumer to adjourn the meeting. Roll call vote 7 "Aye," 0 "Nay," 0 "Absent." The motion was unanimously carried.

Daniel S. Schmidt
Administrator

NOVENA TO ST. JUDE

O holy St. Jude Apostle and Martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ, faithful intercessor of all who invoke your special patronage in time of need, to you I have recourse from the depth of my heart and humbly beg to whom God has given such great power to come to my assistance.

Help me in my present urgent petition. In return, I promise to make your name known and cause you to be invoked, say three Our Fathers, three Hail Marys and three Glorias. St. Jude pray for us, and all who invoke your aid. Amen.

This Novena has never been known to fail. This Novena must be said for 9 consecutive days, and publication must be promised.

The concerns on the agenda are taking action on bids for air locks, generators, heating and ventilating, boiler room work, roofs, paving, drop ceiling, and replacement of south side of high school building. This meeting is open to the public.

— PUBLIC NOTICE —

School Board, KEA

To Meet Oct. 11 and 25

The next two dates for negotiations between the Kewaskum School Board Negotiation Committee and the KEA are October 11 at 4:15 p.m., and October 25 at 4:15 p.m. All meetings are held in the high school library. These are closed meetings.

IN MEMORY

In loving memory of my dear mother, Anna Oeder, who passed away one year ago, September 22, 1982.

God took her home,
 It was His will,
 But in my heart, I love her still.
 Her memory is as dear today,
 As in the hour she passed away.

Sadly missed by her son,
 Merlin Oeder.

The world is not round.
 It is an oblate spheroid,
 flattened at the poles and
 bulging at the equator.

Experimental Antlerless Hunt

MADISON, WI — The antlerless deer permits available in six management units in southern Wisconsin this year will entitle the hunter to take ONLY an antlerless deer in the unit for which the permit is issued. An "antlerless deer" includes a doe, fawn, or buck with antlers less than 3 inches in length.

The experimental hunt, involving deer management units 67, 70, 70A, 70B, 70E and 71, will be held during the regular nine-day gun deer season. Application for an antlerless permit for one of these units is made on the regular Hunter's Choice Permit application which is part of your gun deer hunting license. While normally the Hunter's Choice Permit entitles the hunter to take a deer of either sex, the permits in these six management units will limit the hunter to the taking of one antlerless deer during the gun season in the management unit for which the permit is issued. A hunter who receives one of these antlerless permits can hunt any legal deer in other deer management units, but the season limit remains one deer. The permit does not allow the hunter to kill an "extra" deer. Bucks with an antler 3 inches or more in length can continue to be taken in the six experimental management units by hunters who do NOT receive a permit for the experimental antlerless

hunt. The purpose of this experimental hunt is to reduce the deer population in agricultural areas which are subject to high deer densities, and thereby minimize the potential for severe crop damage. The goal is to take the maximum number of antlerless deer in those units over the next three years without greatly increasing the hunting pressure.

Applications from hunters for permits for the six experimental management units received prior to Friday September 16, will be returned to the hunter by mail. Applicants will have the opportunity to leave the application as it is or to select a different management unit and then return the application to

the Department.

Preference for these antlerless permits will work the same way it does for Hunter's Choice permits. Hunter's who applied for a Hunter's Choice permit last year and did not receive one, will have preference in applying for one of the antlerless permits this year.

A note to hunters applying for either a Hunter's Choice or an antlerless permit. Though the Hunter's Choice application

asks you to include your hunting license number from 1982 on the application, that information is NOT required. The reason is that in some cases the numbers on last year's licenses are difficult, if not impossible to read.

Applications for Hunter's Choice permits, or antlerless permits in the six units, for the gun deer must be postmarked no later than October 7.

The first time baseball fans were charged admission to a game was when 1,500 spectators paid 50¢ each to see Brooklyn play New York on July 20, 1859.

Turkey Hunting Applications Due Oct. 1

Wisconsin hunters are reminded that applications for 1984 spring turkey hunt permits must be postmarked no later than October 1st, this year.

The Department of Natural Resources will issue 1,950 permits for the 1984 hunt compared with 1,200 issued in

1983. There will be 150 permits for each of three hunting periods in turkey management units 1, 2 and 10, and 100 for each period in units 4 and 9.

Unit 4 in northern Iowa and Grant counties will be open for the first time in 1984.

Wild turkey permit applica-

tions can be obtained from DNR stations, county clerk's offices and most hunting license outlets.

A total of 960 (80 percent) of turkey permit holders hunted in 1983 according to a survey of permit holders conducted by DNR officials.

Indians Face Tough Foe at Plymouth Fri.

The unbeaten (4-0) Kewaskum Indians, who jarred defending champion Two Rivers in their opening conference game a week ago Friday, face another tough opponent at Plymouth this Friday night.

The Indians had a bye in the schedule last week.

Plymouth went into the Kiel game last Friday with a 3-0 record and were unscathed upon before going down to the Raiders, 21-12. The Panthers had defeated Sheboygan Falls in their first conference contest, 33-0.

RESULTS LAST FRIDAY
Two Rivers 14, Chilton 7
Sheboygan Falls 35, New Holstein 0
Kiel 21, Plymouth 12

Kewaskum Girls 7th, Boys 8th in Plymouth Relays

Close to 200 high school runners slogged their way on a rain-soaked course at the annual Plymouth relays last Tuesday.

Teams from New Holstein and Valdres won the boys' and girls' titles respectively in the cross country meet. The Husky boys, who are having a successful season, won another championship by better than a minute over Little Chute. Among the girls Valdres scored 79 points to nip Kiel by three points.

The Kewaskum boys were eighth out of 15 schools. The Indians' top runner, Monty Shaw, who was up in front at the beginning, lost a shoe which cost him time. A junior, he was 16th with an 18:33.

Another Kewaskum runner, junior Gunner Schleiter, in his first year of cross country, has moved up to become the No. 4 man on the varsity. Schleiter continues to trim seconds off his time and had another fine effort.

The best finish by a Kewaskum girl was Sandy Klein's 16th with a 14:13 clocking. The Indian girls were seventh of 11 teams.

PLYMOUTH RELAYS

BOYS — 1. New Holstein 88:37; 2. Little Chute 89:44; 3. Ozaukee 91:41; 4. Markesan 91:48; 5. Campbellsport 92:26; 6. Valdres 93:03; 7. Oostburg 95:08; 8. Kewaskum 95:30; 9. Plymouth 97:38; 10. Sheboygan Falls 98:01; 11. Random Lake 100:55; 12. Elkhart Lake 102:05; 13. Cedar Grove 102:07; 14. Sheboygan Lutheran 104:38; 15. Kiel 106:21.

Kewaskum Top Five — Monty Shaw 18:33; Jeff Nigh 18:56; Paul McFadden 19:13; Gunner Schleiter 19:21; Steve Hubbell 19:35.

Girls — 1. Valdres 79; 2. Kiel 82; 3. New Holstein 92; 4. Sheboygan Falls 108; 5. Little Chute 159; 6. Campbellsport 169; 7. Kewaskum 175; 8. Random Lake 217; 9. Plymouth 231; 10. Oostburg 305; 11. Elkhart Lake 331; 12. Ozaukee 341; 13. Markesan 369.

Kewaskum Top Five — Sandy Klein, 16th 14:15; Lori Batzler, 19th 14:26; Mary Murre, 40th 15:26; Sherri Batzler, 43rd 15:32; Mary Harju, 57th 15:54.

Plymouth Girls Win Conference Tennis Meet, Indians Third

Coming as no surprise was the Plymouth girls winning the Eastern Wisconsin conference tennis championship in the EW meet hosted by Kewaskum Saturday. Cool weather and winds hampered the participants.

The Panthers won the meet with 22 points, Two Rivers was second with 14, Kewaskum third with 9 and Chilton last with 0.

Plymouth took two of the four singles and all three doubles titles. No. 1 singles champion was Nicole Gates of Two Rivers.

Kewaskum took two second places from the No. 2 and 3 doubles teams. At No. 2 doubles, Amy Backhaus and Jama Jacak lost 6-4, 6-4 in the finals to Plymouth. The two had beaten Two Rivers to get into the finals.

At No. 3 doubles, Devonna Gruber, a sophomore, and Julie Reha, only a freshman, were 6-2 and 6-1 losers in the finals. They had dominated their opponents from Two Rivers in the semi, 6-1, 6-0.

The Indian singles players didn't have good days. Lisa Matenaer and Plymouth's Claudia Roenitz played for three hours in their semi-final match. Matenaer won the first set, 6-4, but then lost the second in a tiebreaker, 6-7, and the third, 1-6. Matenaer came back to take third over Julie Wagner of Chilton, 6-1, 6-2. If Matenaer would have won the tiebreaker it would have turned the tide.

Jenny Lightner also won her first semi-final set, 6-2, but lost the next two, 3-6, 1-6. Lightner, No. 2 singles champion last year, also came back to win consolation honors, over Nicky Fitzpatrick of Chilton, 6-4, 6-2.

Sherry Simon and Sue Tolonen also took their consolation matches.

Indian Girls Lose Again in Volleyball To Sheboygan Falls

Unbeaten Sheboygan Falls defeated the shorthanded Kewaskum girls last Tuesday in conference volleyball. The loss to the Eastern Wisconsin leaders was the fourth straight for Kewaskum.

The Indians are hurting without their all-conference spiker, Julie Koepke, one of only two regulars back, who is still out with an injury. Koepke may soon be returning to action.

In the first game at Falls, the Indians were listless and ended up being shut out, 15-0. They perked up and were leading, 5-1 and 10-8, before losing in the second game, 16-14. Game No. 3 was all Falcons again, 15-1.

Coach Dave Rizzardi said one of his starters, Sandy Secor, came through with a fine effort. Rizzardi is looking forward for his girls to break into the win column soon.

The Kewaskum JVs lost their third and deciding match in their three game series with Falls, and the winning freshmen went 3-0.

The shoestring was invented in England in 1790. Prior to this time, all shoes were fastened with buckles.

Tenfel Wins Kettle Moraine Amateur Golf Championship at Hon-E-Kor

Frank Tenfel, a member of the West Bend Country Club, was the winner in the annual Kettle Moraine Amateur Golf Tournament held at Hon-E-Kor Country Club in Kewaskum over the weekend. Tenfel, 56, became the eighth golfer to win the 10-year history of the event.

Tenfel was one shot off the lead after the first 18 holes Saturday. Hilary Martin, also of West Bend, had shot a one over par 71 for the lead, a very good round considering the windy conditions. Another West Bend golfer, Pete Ketter, was in third place with 75.

The three staged a three man battle on Sunday with the lead changing hands several times during the final holes. It wasn't until the 13th hole that Tenfel and Ketter caught up with Martin, who had a one stroke lead until that point.

Tenfel got behind a tree on No. 18 and had to play to the right of the green. He chipped to within 12 feet but his putt for par failed to go into the cup. Both Martin and Ketter got pars for a three way tie, forcing the third playoff in the championship flight.

Tenfel took the victory with a long birdie putt on the first extra hole after Ketter flew the green on his approach and Martin could not capitalize from the fringe. Ketter was the 1979 champ and Martin won in 1977.

Finishing in fourth place was another former champ, Clark Eichstedt, who came back with a 70 after a first round 80, and was five shots back. Hartford's Doyle Daily was fifth. Daily took long drive honors with a 294 yard drive for a new record.

Tenfel and Ketter combined to win the best ball event with a 137 total, one shot better than Martin and Tom Bast.

The winner of the first flight was James Sullivan of Hartford with a 161 total, four shots better than Coley Griffin. Winning the second flight was Herman Berndt of Kewaskum, who beat Mike O'Connor Sr. with a long putt for par on the first extra hole. The two men had ended in a deadlock at 184, three shots ahead of Ron Roensch and Don Laatsch.

CHAMPIONSHIP FLIGHT

Hilary Martin, 145; Frank Tenfel, champ, 145 won playoff; Pete Ketter, 145; Clark Eichstedt 150; Doyle Daily, 151; Mike O'Connor Jr., 152; Gary Sullivan, 155; Jerry Allen, 156; Jerry
