Put It on State Land

No County Landfill in Farmington Say Townspeople

By GERRY MUELLER
Statesman Staff Writer

They filled the hundred chairs, stood two and three deep on all sides of the room, and, for those people who could not squeeze into the Town Hall, they stood outside the open windows and listened. That was the setting for Tuesday night's Town of Farmington monthly meeting as almost 300 residents came to find out whether or not their area would become home for a proposed future Washington County landfill.

What the Board, headed by

Chairman Vaughn Brown, and representatives of Washington County heard in return was, Farmington would not stand quietly by and let that happen.

What caused what may have been a record meeting turn-out was the news that Washington County had been making test borings on two farms in Section 16 and the township and soil tests were being run to see if conditions were right for construction of a county landfill.

What angered citizens most was the fact no one bothered to inform them of what was going

on. Brown said the township had not been "officially" notified of the tests. "Even the people involved in the tests didn't notify us," said Brown, "it came from their neighbors." Several residents noted Brown's comments didn't ring true. As evidence, they read county minutes and newspaper clippings in which Brown was named as the person who suggested areas which might be considered as test sites for possible landfill construction within the township.

Area residents questioned the selection of the two sites, one on the Daniel Rodenkirch farm on Highway 144 and Highland Drive and the other on the Robert Schachtschneider farm on Highway 'H' and Boltonville Road. Said Virgil Hackbarth, "there's springs all over the area, what the hell are we doing trying to put a landfill on land like that." One farm is swamp with cattails all over, said another man. Residents also pointed out the sites were less than 1/2 mile from the Farmington Elementary School and within the immediate vicinity of the Milwaukee River and streams feeding into it. Talk about potential pollution, picking sites like that, we might just as well dump our refuse right into the lake, it would amount to the same thing said a resident.

The people spoke of potential hazards as well as probable drops in property values. Rich McKee noted a person could own a \$100,000 home but with a landfill nearby, its value could drop to \$10,000 and who would reimburse its owner for the loss.

John Kohl, Chairman of the Washington County Solid Waste Disposal Committee, told the people the site searches were all part of a study which was looking into alternatives concerning solid waste disposal. All the alternatives must be studied, said Kohl. In the end, we may find out that landfills are neither feasible or cost effective and we'll have to look for some other solution. The county is not required to do anything, noted Kohl, once the study is completed the county could decide to drop the idea of a county landfill or incineration system completely. What you're left with then is a private landfill to handle your waste. "The whole assumption that there will be a landfill in this

(Continued on Page 6)

Chicago Firm Gets Water Tower Job

By GERRY MUELLER
Statesman Staff Writer

As soon as plans and specifications are approved by the Department of Natural Resources, work will begin on the elevated water tank for Kewaskum's new number three well.

Chicago Bridge and Iron was awarded the contract on their low bid of \$281,600. The only other bid came from Universal Tank and Iron of Indianapolis, at \$287,965.

Village Administrator Dan Schmidt told the board Monday night that \$300,000 had been budgeted for the construction of a 250,000 gallon tank. As it ends up, we'll be getting a larger, 300,000 gallon capacity tank for less than we expected to pay for the smaller unit, noted Schmidt.

The board tabled discussion on whether to have the village's name or just the logo "K" painted on the new tower.

The DNR has already tested and approved water samples from the new 450 foot well, said Schmidt. The next step in the well project will be letting of bids for the pumphouse construction. We plan to advertise for bids in January, award the job in February, and begin

construction of the pumphouse by March. The entire well project should be complete by June.

Well #3 is part of the village's recently created TIF District.

In other action, the board approved the bid of \$1,095 from Kirchner Electric to install two 500 watt quartz lights for the Kiwanis Park skating rink and kiddie pond. Richard Schmidt, Chairman of the Parks Committee, said his group had reviewed its earlier recommendation and also tried out some different types of lights at the rink area. Due to the efforts of Augie Bilgo in getting some work done for the three poles, said Schmidt, we were able to save some money. However, because the cost of the installation and lights is expected to run approximately \$1,800 to \$1,900, we will not have any money available in this year's budget to install lights on the remaining two poles in the horseshoe pits area. Funds will be set aside for this work in 1984.

Schmidt said a swivel and timer will also be installed for the new lights which will permit them to be turned toward the

(Continued on Page 6)

Semifinalist in National Merit Scholarship Program

Pamela Krahn

Clark Pearson, principal at Kewaskum High School, has announced that Pamela Krahn, daughter of Mr. and Mrs. Sylvester Krahn, Rt. 1, 807 Hwy. A, Adell, has been named among 15,000 young men and women across the country being honored by National Merit Scholarship Corporation (NMSC) as Semifinalists in the current Merit Program. These outstanding high school seniors will have an opportunity to advance in the competition for about 5,300 Merit Scholarships, worth more than \$18 million, to be awarded in the spring of 1984.

Over one million students from some 18,000 secondary schools entered the competition last fall by taking the PSAT/NMSQT in their junior year. Those who qualified as Semifinalists include the highest

scorers in every state and represent the top half of one percent of this year's senior class. It is hoped that public recognition of these academically talented young people will broaden their opportunities for high education. The tentative career plans of Semifinalists consistently reveal a variety of goals, but usually about half of these able students choose to concentrate their undergraduate studies in science, mathematics, and engineering.

As Semifinalists, these students have completed only the first step in the Merit Scholarship competition. To become one of approximately 13,500 Finalists who will be considered for awards, Semifinalists must meet additional rigorous standards. They must document high academic performance throughout high school, receive the recommendation and endorsement of their principals, confirm their earlier qualifying test scores on a second examination, and provide considerable information about their interests, accomplishments, and goals.

Between 1956 and 1983, over 79,000 young Americans received Merit Scholarships worth \$228 million. The 5,300 Merit Scholars of 1984 to be publicly acclaimed next April and May will join over 15,000 other academic champions as undergraduates in about 700 of the nation's higher education institutions.

Pamela has decided to pursue a degree in medical technology and is undecided upon her choice of universities at this time.

Marion Erdmann Honored At Peace Church Reception

Marion Erdmann

On Sunday, November 13, members of Peace Church of Kewaskum will gather to officially recognize both Mrs. Marion Erdmann and Mrs. Ocelia Yoost for their many years of dedicated and faithful service.

Marion Erdmann is retiring as the church's Financial Recording Secretary, a post she has held for 16 years and 3 terms on the Consistory. The church is most grateful and appreciates her many long years of work. Mr. Ken Weyers, the present Assistant Financial

Secretary, will assume these duties on January 1 of 1984.

Ocelia Yoost is retiring as the Treasurer, having served for six years and 1 term on the Consistory. The Assistant Treasurer, Mrs. Darlene (Wayland) Tessar, will assume this office also in January.

Peace Church invites members and friends of the community to attend this very special Reception and Recognition on November 13 at the 9:30 a.m. Worship Service and at the coffee hour that will follow.

United Way Fund Drive Entering Second Week

"Where's it going?" "What's it for?" Are these some of the questions you've been asking about the United Way Funds?

Kewaskum's United Way Board of Directors is the group which decides how the funds are allocated. Any organization that requests money must submit an application, showing its budget, and indicating how its funds and services are put to use in our area. Often directors or volunteers will come to the Board to make an appeal in person.

During the five years of its existence, Kewaskum's United Way has added some groups, subtracted others. An appeal must be submitted every year so that the application is up-to-date.

All United Way solicitors carry brochures which list member organizations. Five of them are associated with health and rehabilitation. One is the Association for Retarded Citizens, a group which assists in educating and provides services for the retarded. A second is the Citizens Advocacy Program of Washington County which offers developmentally disabled citizens assistance, guidance, and companionship.

A third group in this field is the Developmental Disabilities Services, Inc., which provides referral service, counseling, assistance in finding housing and information to the public on the retarded, cerebral palsied, and epileptic persons.

While the local church groups prepare and serve lunches to blood donors at the Kewaskum Area Blood Bank, the food and drink is paid for by an allocation from the United Way.

A fifth health related recipient is the Threshold, Inc. More residents are familiar with this extremely helpful service to mentally and physically handicapped persons. The Threshold offers vocational and educational rehabilitation services through sheltered workshop, recreational activities, home training, and job placement.

Other United Way fund recipients, will be defined in future articles.

The Board realizes that several "Drives" which are favorites of many persons are not included. "We can only suggest that you heartily recommend to these that they attempt to become a part of the United Way immediately. Once

Girl Scouts Thank Area United Way

With the United Way campaign underway the Girl Scouts of the Kewaskum area would like to take this time to say THANK YOU again for the funds that they received last year.

The money was used for several different purposes. Some was used to keep up the Girl Scout Camp at Camp Tiwaushara. Other money was used for day camps, training leaders, upkeep of the headquarters and the purchase of a larger supply of camping equipment. A certain amount of this money each year is used for Camping Scholarships which are given away to girls who without that help would be unable to attend summer camp.

Please help support the Kewaskum Area United Way. There is a special Girl Scout T-shirt for Kewaskum area Girl Scouts on sale now. Each will be bringing a form along home from their meeting for the parents to fill out. The deadline for this sale is October 14.

It is said that we should expect a bad winter if birds begin eating up all the berries early.

approved, they would receive a share of your charitable donation without having to conduct a special drive of their own," said John Coulter, president of the United Way Board.

Tracy A. Coulter Enters Air Force

Tracy Coulter, daughter of John and Patricia Coulter, 618 Highland Ave. Kewaskum, enlisted in the U. S. Air Force's Delayed Enlistment Program, according to S/Sgt. Anthony Wolff, Air Force Recruiter, 1605 S. Main Street, West Bend.

Tracy, a 1982 graduate of Kewaskum High School, was scheduled for enlistment in the Regular Air Force, 27 September 83. Upon graduation from the Air Force's six week basic training course she is scheduled to receive technical training in the General Area.

She will be earning credits toward an associate degree in applied sciences through the Community College of the Air Force while attending basic and other Air Force technical training schools.

Open House Here for Fire Prevention Week

Fire Prevention should be practiced 365 days a year. To remind everyone of its importance, Fire Prevention Week is celebrated throughout the U.S. on the week of Oct. 9 thru Oct. 15, 1983.

The Kewaskum Fire Dept. will be hosting many groups of children from area schools which will be touring the fire station and receiving fire prevention handouts and information.

The general public, both young and old, are invited and urged to come to an open house on Thursday evening, Oct. 13. All equipment will be on display, along with information and pamphlets on fire prevention will be available. If you have any questions on wood burning stoves, space heaters, electrical problems, etc. we will be there to answer your questions. The Fire Dept. is hoping area residents, both village and rural, will come and visit us at the fire station at 1106 Fond du Lac Ave.

10-7-2t

Receives Degree At UW-Madison

An area student is among students who recently received Bachelor's Degrees after completing their work at the University of Wisconsin-Madison. The names of students granted their degrees by UW-Madison are being announced as soon as they are completed by the university.

The student is: Hanna June Berg, 8245 Prospect Dr., Kewaskum, Economics, International Relations.

POST OFFICE HOURS ON COLUMBUS DAY, OCT. 10

The Kewaskum Post Office will be closed for window service on Columbus Day, Monday, Oct. 10, a legal holiday. The lobby will remain open for lock box patrons. There will be a dispatch of mail. There will be no rural delivery.

Memories...

The Statesman welcomes readers to submit photos for the "Memories" feature. Photos should show life in the olden days in this area. Deliver or mail to The Statesman, 250 Main St., Kewaskum, WI 53040. Photos can be picked up again after publication.

These photos were taken 26 years ago, in September of 1957, at the time of the paving of Fond du Lac Ave. in Kewaskum. The top photo was taken near Perschbacher's Garage, looking north, and the bottom photo was taken near the Sinclair Station, looking north. (Photos submitted by Eileen Hein)

Jr. Woman's Club Members Attend Fall Conference

Kewaskum was well represented at the thirty-second annual GFWC-WFWC Junior Fall Conference held at the Hyatt Regency Hotel in Milwaukee on September 30 and October 1.

As Mrs. Dianne Osius, GFWC Junior Director, called the general session to order, ten Kewaskum club members were on hand to hear of the theme, "Federation: A Rainbow of Promises." In 1982 alone, GFWC Juniors across the country donated over 5 million volunteer hours to community service projects.

Kick off speaker, Mrs. Audrey Baird, one of Milwaukee's most professional volunteers, fascinated the entire group with her experiences putting fun in fund raising.

Workshops in each of the 6 major departments as well as

special projects and seminars were attended by the Kewaskum Juniors on Friday and Saturday.

Mrs. Linda Messinger, GFWC Junior Director from Huntington, West Virginia, gave the keynote address at Saturday's luncheon, encouraging Juniors to continue their dedicated volunteerism to communities across Wisconsin.

The invitation to 1984 Junior Fall Conference was given by Mrs. Barbara LaFontaine, Director of 6th District Juniors of which Kewaskum is a member club. All juniors in attendance came away with renewed enthusiasm for their club work, looking forward to a successful year.

Two KHS Students Commended in National Merit Scholarship Program

Kewaskum Statesman, Friday, Oct. 7, 1983, Page 5

Douglas Miller

Suzanne Schmitt

Kewaskum High School has been notified that two (2) of its students have been designated Commended Students in the 1984 National Merit Scholarship Program.

Clark Pearson, principal, announced today that Douglas Miller, son of Mr. and Mrs. Ed Miller, 221 Forest Ave., Kewaskum, and Suzanne Schmitt, daughter of Mr. and Mrs. John Schmitt, 8065 Kettle Moraine Dr., West Bend, placed in the top five percent of over one million participants in the twenty-ninth annual Merit Program. Although Commended Students will not receive further consideration for Merit Scholarships, each has demonstrated unusual academic promise and will be honored with a Letter of

Commendation.

An officer of National Merit Scholarship Corporation (NMSC), which administers the program, stated that, "The outstanding test performance of each Commended Student in the highly competitive Merit Program is an attainment deserving of recognition. In a nation that places great value on the education of its young people, it is important to honor academically talented students and to acknowledge the part that schools play in the development of their abilities. We sincerely hope that their attainments thus far will encourage these young men and women to take advantage of their opportunities for higher education and to acquire the skills they will need to become productive adults and contributing citizens in a free society."

All participants in the current Merit Scholarship competition entered by taking the PSAT/NMSQT in the fall of 1982. Although the scores of the 35,000 Commended Students

designated throughout the 50 states were very high, they were slightly below the level required for Semifinalist standing. Only the 15,000 Semifinalists who were announced by NMSC will have an opportunity to continue in the competition for some 5,300 Merit Scholarships to be awarded next spring.

Births

LEWKO — A son, James Edward Lewko II, to James and Pat Lewko, 405 County Trunk S, Kewaskum, Monday, Sept. 19. He has a sister, Gayle, 12 years.

HOLLISTER — A daughter to Daniel and Sandra Hollister, 9202 N. Mill Road, Kewaskum, Saturday, Oct. 1.

HERRIGES — A son to Dennis and Joann Herriges, 8655 Salisbury Drive, Kewaskum, Saturday, Oct. 1.

AMERLING — A daughter, Lisa Marie, to Dale and Bonnie Amerling, 441 Main St., Campbellsport, Monday, Sept. 26.

Kewaskum Middle School Students Sing Along With Minstrel for the Environment

Ken Lonquist, "Minstrel for the Environment," will perform original songs about Wisconsin's environment October 12 at 1:15 and 2:02 at the Kewaskum Middle School to re-kindle concern for the environment among students.

Long ago, there was a sunny spring day when young people swarmed across a field—formerly wetlands, now apartments—picking up litter as though it were flowers. No so anymore; kids don't seem to care.

Ken Lonquist, a singer/songwriter in the tradition of Pete Seeger and Woody Guthrie, is touring Wisconsin's schools to re-kindle concern for the environment among students. His presentation is intimate and entertaining, but most of all, thought-provoking. Rather than waste precious moments preaching to his audience, he moves them to laughter, with songs like "Dioxin Blues" and "Slop Around the Clock;" inspires them with concern for "The Wisconsin River Mystery" and "Roll On Superior;" or rivets their attention with epic ballads, such as the self-penned "Away in Wisconsin," which chronicles the destruction wrought by the great Peshtigo fire in the late 1800's. Audience participation is an important ingredient in this captivating mixture of songs, legends, and cold, hard facts that attempt not to preach right or wrong on specific issues, but to inspire a general awareness and concern

for the world in which we live.

The Minstrel for the Environment is sponsored by Wisconsin's Environmental Decade Institute with grants from the Joyce Foundation in Chicago. Wisconsin's Environmental Decade has been involved in protecting our natural environment through citizen action since its inception in 1970.

Landfill

[Continued from Page 1]

township is baseless," Paul Mueller, Administrator of the County Land Use and Parks Department, said. Development and opening of a landfill could take as long as four years. It is not something that will happen over night. Residents wondered whether or not that process would be speeded up now that the Department of Natural Resources has informed the City of West Bend that its landfill will be closed on December 1st, 1983, two years earlier than had been originally planned.

Peter A. Peshek, a Madison attorney, representing PALS (People Against Landfill Sites) said, "landfilling is a double process, both political and legal. The process is very complicated and very long."

Brown said the township had not enacted a Siteing Ordinance, which would have had some control over the testing because it had not received official notice. He was asked what effect enacting such an ordinance now would have. Would it be "after the fact" as far as the two sites now being tested were concerned. He said he was not sure and asked Peshek. Peshek noted he would rather discuss that point in private with the Board.

Mueller was asked what kind of agreement had been entered into by the county and two landowners. "They are under contract for two years," said Mueller, "during that time we can make backhoe checks and five test holes."

Kohl was asked why the county hasn't looked for sites on nearby state land. "We can't," he said. People asked why not, "because the DNR says you can't?" They're telling us to close our dumps and build landfills but they don't want them on their land either. Kohl then said, "maybe we should contact our representatives about state lands."

Farmington resident Ralph Horner asked Harold Westerman and Norbert Dettmann, Farmington's two County Supervisors, where they felt a stronger obligation, to the county or township. Westerman said he thought everyone should be allowed to burn their refuse. "Let it go up in the air and let a good thunderstorm wash it away," Dettmann said, "after reading the story that West Bend will have to close its landfill by December 1st, I think the proper place for an in-

cinerator is right in the middle of West Bend." Dettmann felt the incinerator could both dispose of waste and supply heat for some of the public buildings. "I think we're being penalized to take care of somebody else's refuse when we're doing a good job of taking care of our own," stated Dettmann.

Because of our resident recycling and sorting efforts, noted Brown, we have extended the life of our own landfill by 1/2. Town Treasurer Ken Ramthun said he wanted to now why the state would not extend the life of our dump and let us burn. The Town of Scott, which is north of us but not included in the SERPAC district (South-eastern Wisconsin Regional Planning Commission) burns its dump every week.

Kohl told the meeting it would be at least a week before tests were completed to see if the two sites were even feasible for consideration as landfills. Mueller said, at present there is only one potentially suitable site and that is located in another area.

After the meeting Brown was asked if it was correct that other sections of the township had been recommended to the committee. He said he had suggested Sections 5 and 6, because the soil is probably better than here, but still not acceptable as far as he was concerned for a landfill.

Kohl had mentioned during the meeting that other sections had been suggested, however, his committee had not gone into these areas because they felt there were too many small parcels and a higher resident concentration.

Tower

[Continued from Page 1]

horseshoe pits to provide additional lighting in that area during the summer. Kirchner will also install the security light at a cost of \$391.00.

Dan Schmidt, presented a rough draft of the Kewaskum Fire Department's budget for 1984. Preliminary figures indicate 1984 fire contract costs for the Village, Town of Kewaskum and Town of Auburn will go up between 3.1% and 4.6%. No final figures have been set as yet. "The Town of Auburn will probably experience the biggest increase," said Schmidt. He was referring to the fact that equalized valuation is one point used in the formula to figure contract costs. Schmidt noted the Village and Town of Kewaskum have experienced a drop in their equalized value while the Town of Auburn's has gone up due, in part, to the completion of a re-assessment program.

Schmidt also informed the board that roadwork on Highway 45 south of the village was the result of the village's request to the county and state for construction of a bypass lane. Schmidt noted there had been no indication or notice that the work would be done. Schmidt said a similar request had been made last year but it had been turned down. The state apparently found some surplus funds to do the work, commented Schmidt, however, only a lane on the east, township side, would be done. The village will have to contact the county for any roadwork for its west side of 45.

John Peter Klein Branch Holds Reunion Here

Many relatives of the John Peter Klein branch gathered at the home of Reuben and Sylvia Schultz, New Fane, on Sunday, September 25, for a pot luck dinner and an afternoon of fun and fellowship.

The following people attended: Byron and Ruth Klein, Ella and Reuben Burbach, Howard and Betty Raasch, Ronald and Nancy Raasch, Tracy Raasch, Rodney Raasch, Ralph and Esther Klein, Nettie and Bill Witten, Michael and Debbie Witten, Michael Witten, Jr., Pamela Witten, Patsy and James Kelly, Brian, Craig and Shane Kelly, Sylvia and Reuben Schultz, Carole and Lloyd Keller, Richard and Sandi Schultz, Timmy, Tricia and Robby Schultz, Mrs. Esther Huebsch,

John Smee, Karen and Rick Basler, Jaclyn and Kristin Basler, Gayle Huebsch, Heather Huebsch, Jerome and Darlene Klein, Sharon and Richard Kuehl, Fred and Floreda Klein, Florence Stange, Lauretta and Walter Schmidt, Ray Klein, Arnold and Edith Schacht, June and Jack Lang, Joanne and Glen Helwer, Kim and Rebecca Helwer and Walter and Mary Schacht.

Other friends who came to celebrate were Esther and Harold Eggert, Jane Eggert, Ed and Arlene Schneider, Paul and Verna Reindl, Stephanie and Natalie Reindl.

After supper the guests departed each one hoping to be able to attend the 15th family reunion again next year. It will be held August 12 at the Beechwood Firemen's Hall for the entire Klein, Schuppel and Baumgartner branches.

Dear friends,

Man is a being who buries his dead with ceremony. This he does in all the nations and cultures of the world, whether civilized or uncivilized. We consider our American funeral rituals to be among the most sensible. Significantly, they stem from the same human need to memorialize and mourn the beloved dead that exists among people everywhere.

Respectfully,

Miller's

At Valley Bank, we think the investment program should fit the investor.

Up to now, serious savers and investors haven't had much to say about their investment alternatives. Most rates and terms were firmly set by the government.

But the financial world is changing. And beginning October 1st, Valley Bank will be able to offer you all the financial flexibility you deserve.

Freedom of choice.

Now you can approach your investment program in a totally new way. Instead of working within pre-established maturities, you can select your own terms...from as little as 32 days up to many years.

Financial flexibility.

You'll be able to tailor your investments to fit your personal needs — short and long term. For example, you can choose a short-term program that frees your money for special purchases... a deposit program that earns interest up to the day you pay your taxes... or perhaps a long-term, college fund.

First Rate Advice.

Our financial experts will work with you to develop a financial plan that does what you want your money to do. You can depend on our strong, helpful advice to help you make wise investment decisions.

Competitive Interest Rates.

And you can count on Valley Bank for competitive market rates that deliver a good return on your investments. Plus, you're safely insured by the F.D.I.C. for deposits up to \$100,000. Consider investments that truly fit your financial needs today and tomorrow. Exercise **your** freedom of choice — Call your Valley Bank.

KHS Prepares Fall Musical

Several weeks of preparation have gone by and the cast and crew of the fall musical "South Pacific" are moving into high gear.

Lead actors this year are: Darren Schacht - Emile De Becque, Ada Thull - Nellie Forbush, Dan Menzel - Lt. Joseph Cable, Barb Jandre - Bloody Mary, Brad Dieringer - Luther Billis, Jim Braun - Capt. George Brackett, Ron Theusch - Cmdr. William Harbison and Sandy Nigh - Liat.

According to director, David Bertelsen, the play is progressing very well and everyone is looking forward to the final performances.

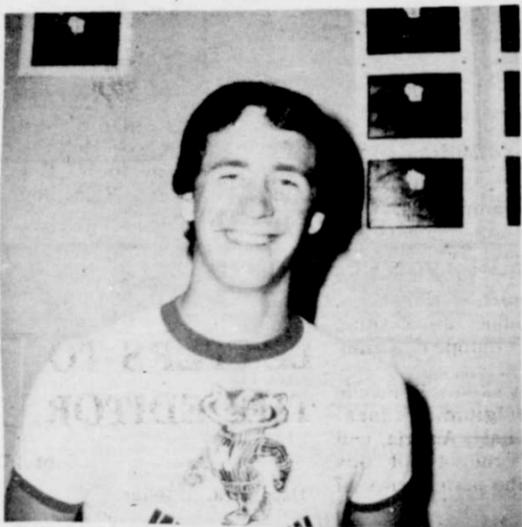

The musical will be presented on Friday, November 4, and Saturday, November 5. Tickets for these two evenings performances will be on sale soon. A free matinee for Senior Citizens will be given on Thursday, November 3, at 4 p.m.

Darren Schacht - Emile De Becque

Ada Thull - Nellie Forbush

Dan Menzel - Lt. Joseph Cable

Barb Jandre - Bloody Mary

Brad Dieringer - Luther Billis

Jim Braun - Capt. George Brackett

Ron Theusch - Cmdr. William Harbison

Sandy Nigh - Liat

Schacht - Scott

Yvonne Lynn Schacht and Jay Neil Scott exchanged marriage vows during a 1:30 p.m. wedding ceremony at St. John's Ev. Lutheran Church, West Bend, on Saturday, September 24. Rev. George Mumm and Rev. Robert Hoehner officiated.

Music for the ceremony was provided by the organist, Mrs. Mary Ann Yahr, and vocalists Darren Schacht and Ruth Horlamus.

Parents of the couple are Mr. and Mrs. Vernon A. Schacht, 1868 Hwy. A, West Bend, and J. J. Scott, Milwaukee, and Mrs. Lois Crittenden, Random Lake.

The bride chose her sister, Vivian Lee Schacht, Aberdeen, South Dakota, as her maid of honor. The bridesmaids were Sharon Wagner, Allenton; Abbe Mueller, West Bend; Karen Wagner, Allenton; Cheryl Kubenik, Milwaukee, sister of the groom, and Renee Jacoby, Golden Valley, Minnesota.

Jeffery Hemschemeyer,

Random Lake, served as best man. The groomsmen were Rick Kappel, Milwaukee; Paul Mueller, Random Lake; Leon Schneider, Random Lake; Michael Last, Plymouth, and Tim Stib, Milwaukee.

Ushering duties were shared by Darren Schacht, West Bend, brother of the bride, Mark Bricker, Frankenmuth, Michigan, and Scott Scroepfer, Minneapolis, Minnesota.

Following the ceremony, a reception was held at The Hilltop in Batavia.

The bride is a graduate of Kewaskum High School and was employed as a secretary at Serigraph Sales, West Bend.

The groom graduated from the University of Wisconsin-Stevens Point and is employed as an agent of the Northwestern Mutual Life Insurance Company.

The couple honeymooned in Pennsylvania and will reside at 1309B W. Adler Rd., Marshfield.

Kempf - Donath

Mr. and Mrs. Leander Kempf of Beechwood announce the engagement of their daughter, Lisa, to Dave Donath son of Mr. and Mrs. Robert Donath of Fillmore. An April 27, 1985, wedding is being planned by the couple.

Kempf - Copperud

Mr. and Mrs. Leander Kempf of Beechwood announce the engagement of their daughter, Carrie, to Allen Copperud, son of Mr. and Mrs. Bruce Copperud of Washburn, Wisconsin.

A May 19, 1984 wedding is being planned by the couple.

The term "honeymoon", it is said, originated with the ancient Germans who, after the wedding ceremony, drank a honey substance until the moon waned.

Smucker - Schommer

Carolyn and Richard Smucker of 712 Pleasantwood Drive, Kewaskum, wish to announce the engagement of their daughter, Patricia, to Frederick J. Schommer, son of Marilyn and Marvin Schommer of 603 North Street, West Bend.

Patricia is a 1982 graduate of Kewaskum Community High School and is currently employed at Fleet and Farm. Fred is a 1978 graduate of West Bend

High School and is employed by Pioneer Container Manufacturing in Cedarburg.

No date has been set for the wedding.

Rev. Lindau to Head Grand European Tour

Have you dreamed of seeing the sights of Europe? If so, then you might be interested in knowing that Rev. Robert Lindau, Pastor of St. John Lutheran Church in New Fane, will be leading an exciting 15-day tour to Europe departing June 25, 1984.

Countries visited will include Holland, Belgium, France, Switzerland, Italy, Austria, and Germany. Highlights of this tour will be the performance of the world famous Oberammergau Passion Play. Since 1984 marks the 350th anniversary of the performances of the Passion Play, this is a special opportunity to see this inspiring play about the life of our Lord Jesus.

If you are interested in going with Pastor Lindau on this unforgettable tour, you can write to Pastor Lindau at 670 Hwy. S Kewaskum, WI. 53040 for a brochure or call at 626-2309 for further information.

The next five-handed tournament will be Sunday, Oct. 9, at 1:30 sharp. Cash prizes.

Three-handed winners on Tuesday, Sept. 20, were: John Oelhafen, 48-0-48-19-0-19; Robert Sauer, 38-2-36-17-1-16; Ralph Stern, 38-4-34-15-2-13; Arnold Hawig, 32-2-30-13-1-12.

The next three-handed tournament will be on Tuesday, Oct. 18, at 8:30 p.m. sharp. Cash prizes.

Open House for Golden Wedding

Relatives, neighbors and friends are invited to an open house in honor of the Golden Wedding Anniversary of Mr. and Mrs. John (Jack) Clark Sr. of Route 1, Campbellsport. The celebration will be held on Sunday, Oct. 16, at the Lomira Legion Hall, Lomira, from 6:00 p.m. to midnight.

In the Service

Senior Airman Judith L. Lamb, daughter of Bernard L. and Jeanette G. Sarauer of Rural Route 2, Campbellsport, has been named outstanding airman of the month for the 375th Air Base Group at Scott Air Force Base, Ill.

The airman was selected for professional skill, duty performance and exemplary behavior.

Lamb, a fire fighter, is a 1979 graduate of Campbellsport High School.

Her husband, Air Force Airman 1st Class Hollis D. Lamb Jr., is the son of Doyle and Mary Lamb of Rural Route 1, Rockvale, Tenn.

LETTERS TO THE EDITOR...

Sept. 27

Dear Mrs. Mueller:

Just had to get your address - hope it's right. We want to thank you so very much for the wonderful write up, you wrote for the Statesman. We had lots of phone calls told us we could be so proud of Jim, we are. You really know how - its all true and you did it perfect.

Our Best Wishes to you and your family always.

Love,

Mr. and Mrs. James Andre

GARY KOENINGS, COUNCILOR

10,000 Expected

Largest Scout Encampment Ever at Elkhart Lake's Road America

The largest encampment of the Boy Scouts of America ever held in Wisconsin is scheduled October 14 - 16 at Elkhart's Lake's Road America.

The event will be sponsored by the Bay-Lakes Council, Boy Scouts of America which serves 23 counties of Eastern Wisconsin and Upper Michigan. The Council is the 17th largest in the nation and has an enrollment of 28,000 Scouts.

More than 4,000 Boy Scouts, Webelos Scouts and Explorers are expected to participate in the overnight encampment which will mark the 10th Anniversary of the Council. Daily attendance by Cub Scouts, adult leaders and parents is expected to boost that mark to 10,000 people.

Bay-Lakes was formed in 1973 with the merger of six Boy Scout Councils and now is the largest in the state. Council headquarters is in Menasha.

Serving as general chairman of the event is John M. Kohler, a vice president of Kohler Co.

He has enlisted a staff of several hundred people who have worked this past year planning three days of activities for the participants and the public.

Four sites have been selected for sub-camps on the east side of the start/finish line of the race track. All campers will be using tents at the encampment.

Nearly all of the Road America grounds will be used with a Saturday night arena show scheduled, featuring a variety of entertainment for all participants. A candlelight ceremony will close the program.

Closing activities Sunday will include religious services for all faiths. The Scouts will depart the encampment area early that afternoon.

BAY-LAKES COUNCIL

Cedar Lake Home Campus Studies Satellite Village

The Cedar Lake Home Campus Board of Directors, Resident Council, and Joint Management Committee have recently visited three proposed sites to study the possibility of establishing a satellite village.

As the population of the United States grows older, the need to provide housing and care alternatives increases. Cedar Lake Home is committed to providing creative, purposeful, caring services to this growing majority of elderly and handicapped people.

The satellite study committee is giving consideration to these three possible village sites, all of them in Washington County, but none adjacent to the Campus present location. The

committee will also delve into types of housing and program- ing which will meet the greatest need in a cost effective manner.

Wisconsin to Print Car Mileages on Title Certificates

Wisconsin will place another roadblock in the path of odometer tamperers in September when the Department of Transportation begins printing odometer readings on car titles.

Norbert K. Anderson, Administrator of the Division of Motor Vehicles, said Wisconsin will begin about October 1 entering the mileage on certificates of title as well as other special registration information, such as the name of the state (other than Wisconsin) in which the vehicle was previously titled and if such title carried a notation such as "salvage" or "junked."

Anderson said the new system will close a loophole in Wisconsin's registration process which odometer tamperers in other states had been using to "launder" titles.

"Dealers and individuals in other states have been buying high mileage cars or out-of-state salvage vehicles, then registering them in Wisconsin and other states which do not print mileage on their titles," he explained. "This makes it possible for them to reset the odometers and represent the vehicles as low-mileage vehicles to unsuspecting customers."

Anderson said it has been particularly galling to Wisconsin motor vehicle officials to see the state which pioneered consumer protection laws being used to defraud Wisconsin consumers as well as consumers in other states. "Although it still is not illegal for non-residents to title a vehicle in Wisconsin, this will help eliminate the benefit for odometer tamperers to do so," he added.

When the system is operational, people registering used vehicles in Wisconsin will be required to produce a signed odometer statement from the previous owner. This mileage and the date of the transaction will become a permanent part of the vehicle's title history.

The only President to be elected unanimously by the Electoral College was George Washington, in 1789 and 1792.

Death of Mrs. Carl Herriges

Mrs. Rose (Carl) Herriges, 69, of 2796 Salisbury Lane, Route 3, Kewaskum, since 1943, passed away Thursday, September 29, at the Milwaukee County Medical Complex where she had been a patient for one week.

She was born in West Bend on January 15, 1914, to the late William and Catherine Marx Wagner. On June 16, 1943, she married Carl Herriges in St. Mary's Catholic Church in Barton.

Mrs. Herriges was a member of St. Michael's Catholic Church in St. Michaels and their Altar Society. She was also a member of the Apostolate of Suffering and the Catholic Order of Foresters of Holy Angels in West Bend.

Survivors include her husband; one daughter, Sr. Rose Mary S.S.S.F. of Racine; a sister, Mary S.S.S.F. of Racine; two brothers, William, also of rural Kewaskum and George (Leona) of West Bend; other relatives and friends.

Visitation was Monday from 4 to 7 p.m. at Miller's Funeral Home in Kewaskum. A Mass of Christian Burial was offered at 7:30 p.m. Monday at St. Michael's Catholic Church in St. Michaels with Fr. Ralph Wagner officiating. Burial was in St. Mary's Cemetery, Town of Barton.

LEO J. ADAMCZYK

Leo J. Adamczyk, 60, of Myra, Town of Trenton, died Tuesday, Sept. 27, at St. Joseph's Community Hospital, West Bend.

He was born Dec. 17, 1922, on the family farm in the Town of Trenton where he grew up.

He attended Holy Trinity School, Newburg, and lived in the Town of Trenton all his life.

He served in the U.S. Army Infantry from February 1943 to November 1945, serving in the European Theater where he was awarded a Purple Heart.

On May 4, 1946, he married Carol L. Schluter at Holy Trinity

Church, Newburg.

After 23 years of employment at Simplicity Corp., Port Washington, he retired in July 1983.

Survivors include his wife; five children, Nancy (August) Wiltgen and Shirley (James) Roemer, both of Phoenix, Ariz., Diane (Herbert) Kissinger of West Bend, Joan (Gerald) Harter of Kewaskum and John (Connie) of Cascade; 13 grandchildren; his mother, Genevieve Adamczyk of West Bend; two brothers, George (Mary) of Glenbeulah and Ralph of West Bend; three sisters, Ruth (Joe) Primas and Esther (James) Retzer, both of Port Washington, and Evelyn (Norbert) Krautkramer of Saukville, and other relatives and friends.

He was preceded in death by his father, John, and a son-in-law, Robert C. Brooks.

He was a member of the Fred A. Schaefer Post 1393 VFW of West Bend and the D.A.V. Post of West Bend.

Funeral services were held Friday, Sept. 30, at 10:15 a.m. at the Schmidt Funeral Home, West Bend, with Mass of Christian Burial at 11 a.m. at Holy Trinity Church, Newburg. Rev. Cletus Kaiser was the celebrant, and burial was in Holy Trinity Cemetery.

Visitation after the funeral was Thursday after 4 p.m. with a prayer vigil at 7 p.m.

PAUL D. WORNARDT

Paul D. Wornardt, a resident of the Samaritan Home, West Bend, died Sunday, Oct. 2, at St. Joseph's Community Hospital, at the age of 85.

He was born Jan. 13, 1898, in the Town of Jackson, and at an early age moved to Kewaskum. Since 1920 he has lived in West Bend.

He was employed at the Amity Leather Co. for many years, retiring in 1963.

Survivors include three sisters, Olga Hatzung, Thelma Glander and Hilda Wolf, all of West Bend; nieces, nephews and other relatives and friends.

Six sisters and three brothers predeceased.

He was a member of the Amity 25-Year Club.

Funeral services were Wednesday, Oct. 5, at 11 a.m. at St. John's Ev. Lutheran Church, West Bend. The Rev. George Mumm officiated and burial was in Union Cemetery, West Bend.

Visitation at the Schmidt Funeral Home, West Bend, was Tuesday from 4 to 9 p.m., and at the church Wednesday from 9:30 a.m. until time of services.

Today's Medicine

By H. L. Rumsey, D. C.

Cold Weather Sports

Cold weather sports require special considerations in keeping warm. With jogging, walking or other active pursuits, proper clothing is of prime importance.

An obvious choice for clothing nearest the skin is wool because of its capacity to keep you warm although wet. Generally, light, loose, layered clothing is a good choice, allowing you to peel off as you exercise and become warmer or to button up and add a layer when encountering wind. Most of the body's heat escapes through the head, so adequate head gear is a "must." Another heat-loss area is the hands. A tight-knit wool stocking hat and gloves are excellent.

In the coldest weather, wind chill is a major consideration. A runner who runs with the wind can meet an icy blast when turning to head for home. Planning the run at right angles to the wind if possible is good; or, at least, go first into the wind and return with it to your back. Even with warm clothing, the body is not protected if the clothing is too tight. When the wind chill is very low, a facial covering should be worn. A mask of some kind is pre-worn as it goes to the lungs.

Because more calories are burned during winter physical activity, extra food intake of the complex carbohydrate variety is advised. Water intake also is important.

And, of course, keep your health in top condition so that you'll feel your best for all these active pastimes. See your chiropractor regularly to stay at the peak of health!

Boulder Dam is as thick at its base as a city block is long.

 Leitzke, R.P.H.

TEA AND ANEMIA

Humans need iron-rich food to make hemoglobin, the oxygen-carrying part of red blood cells. Research shows that tea-drinking can reduce iron absorption from food by as much as 95%. This can of course cause anemia. Those suffering from anemia should drink little or no tea. Fruit and vegetable juices would be preferable as beverages.

Cheerleaders Attend Camp

Seventeen members of the Kewaskum High School Varsity and JV Cheerleading squads attended the Camp Birch Knoll Cheerleading Camp on South Twin Lake, Phelps, Wi., the week of August 17 thru the 21.

The girls who attended were: Varsity Capt. Nancy Kutz, Karen Sackett, Kris Heberer, Candi Goeden, Kim Johnson, Colleen Amerling, Amy Kougl, Colleen Horner, and (alt.) Rane Loomans; JV Capt. Mitzi Nigh, Kris Buettner, Debi Seideman, Debbie Schoofs, Beth Bartelt, Rhonda Herriges and (alt.) Cheryl Kurtz. The Indian Mascot was Colleen Alsberg.

The girls earned their way to camp by having car washes, pizza sales and worked at Crazy Daze and Dairy Daze. We'd like to thank all those who helped us earn the money for camp.

During their 5 day stay at camp, squad members learned new NCA chants, cheers and sideline yells, tumbling skills, pyramid and partner stunts and also took part in learning NCA pom pom routines. Free time was filled with all kinds of fun things, such as swimming, canoeing, boating, tennis and of course, many practices.

Each day the squad took part in an evaluation workshop and were judged on their improvements and over all ability. Leadership training sessions, Crazy Day, talent night and special awards program rounded out the scheduled events.

Impromptu snake dances, song and chant sessions, "Bull Sessions," cabin parties and snack bar get together added spirit to the camp and gave the girls the opportunity to form strong friendship with the other campers and the staff of NCA Cheerleaders.

The Varsity squad received the following: 1 white ribbon, 1 red ribbon, 3 blue ribbons (which is the highest) and 1 purple ribbon for having a Super Squad. JV squad received the following: 3 red ribbons and 2 blue ribbons. They too got a purple ribbon for a Super Squad.

There were a few awards Varsity and JV combined won. They were: 2 Neat Guys (for having the neatest cabin) and they won 3 Spirit Sticks for having the most spirit.

Again, we would like to thank Stan Steiner for driving us to camp and back, and of course, our assistant advisor, Wendi Goeden, for taking the time to go along to camp with us. Also, to some of the parents who came for Parents Day.

VARSIITY: Row 1 — Rane Loomans, Nancy Kutz, Colleen Horner. Row 2 — Amy Kougl, Kim Johnson. Row 3 — Colleen Amerling, Karen Sackett, Kris Heberer. Top — Candi Goeden.

JV: Bottom Row — Debbie Schoofs, Rhonda Herriges, Mitzi Nigh, Debi Seideman, Kris Buettner. Top Row — Beth Bartelt, Colleen Alsberg, Cheryl Kurtz.

25 Years Ago

October 3, 1958

The sixth annual live turkey shoot sponsored by the Kewaskum Kiwanis Club will be held on Sunday, October 12, from 9 a.m. to sundown, at the Bar-N Dude Ranch, six miles northeast of Kewaskum on Kettle Moraine Drive. A new special attraction this year will be a live trout fishing contest.

Ned W. Sengpiel was elected to the board of directors of Regal Ware, Inc., Kewaskum, according to J. O. Reigle, president of the company. Mr. Sengpiel has been comptroller and office manager since he joined Regal in 1951.

Marvin Martin and John Marx are two members of the Kewaskum Kiwanis Club highest in perfect attendance, Mr. Martin for 11 years and Mr. Marx for 10 years. Both are charter members of the Kiwanis Club which was organized 11 years ago.

Kewaskum fans were fortunate this year in securing tickets for the World Series between the Milwaukee Braves and New York Yankees. Persons whose applications were accepted and received tickets through the mail included Harry Koch, Ralph Marx, Ted Schmidt, Bob Schmidt and Bill Harbeck. George Koerble and Fred Fehlhaber also obtained tickets. Syl Serwe and Myron Belger attended the first game and Morrie Rosenheimer is reported to have attended. Also seen at the series was Carroll Haug as well as Barney Strobel and a contingent from Wayne.

Miss Audrey Kral, daughter of Mr. and Mrs. Roman G. Kral of Kewaskum, and Raymond E. Krueger, son of Mr. and Mrs. Raymond H. Krueger of Route 1, Theresa, repeated marriage vows in St. Lucas Ev. Lutheran Church on September 27.

Wedding vows were exchanged by Miss Ruth Griepentrog, daughter of Mr. and Mrs. Oscar Griepentrog, Route 2, Kewaskum, and Roman Sauer, son of Edward Sauer, Route 3, Campbellsport, on September 20, at St. Kilian.

Floyd J. Dreher, son of Mr. and Mrs. Edward C. Dreher, Kewaskum, recently was promoted to private first class in Ludwigsburg, Germany, where he is a member of the 568th Quartermaster Company.

Daughters were born to Mr. and Mrs. Leroy Schladweiler, Kewaskum, on September 25, and to Mr. and Mrs. Roman Loof, Kewaskum, on September 29. Twin daughters were born to Mr. and Mrs. Joseph Ruplinger, St. Kilian. A son was born to Mr. and Mrs. Donald Schickert, St. Kilian, on September 15.

50 Years Ago

October 6, 1933

Last Saturday a deal was consummated whereby Clarence Kudeck leased the John Honeck Service Station located on East Main Street near the bridge. Mr. Kudeck has selected the name Barnsdahl Service Station and will at all times keep in stock Barnsdahl products, such as gasoline, lubricating oils, etc. He will also specialize in tires and tire repairing.

Mr. and Mrs. Bert Canary of Milwaukee have leased the Kewaskum Opera House from Emil Siegel for the ensuing year and took possession last Monday. Mr. and Mrs. Canary need no introduction to the citizens of this community, as they conducted the business at this stand four years ago.

Miss Erma Matthias of Dundee and Edmund Buslaff of Kewaskum were united in marriage on September 30 at St. Matthew's parsonage, Campbellsport. The bride is a daughter of Mr. and Mrs. Peter Brawand of Dundee and the groom is the son of Mr. and Mrs. Fred Buslaff of Waucousta.

Miss Madlaine Flasch, daughter of Mr. and Mrs. Andrew Flasch of St. Kilian, was married to Richard Preo of Berlin, New Hampshire, on September 30 in St. Kilian.

A baby girl was born to Mr. and Mrs. Dave Coulter Jr. of Wayne on September 25.

of Fond du Lac, destroyed two churches, several residences, an automobile garage and damaged more than a score of homes and other buildings at an early hour September 26. The conflagration, the largest that Fond du Lac has experienced since the destruction of the Moore and Galloway Lumber Company's mills and yards, started in a garage, the property of the Crescent Auto and Machine Company. Many buildings were damaged, the roofs catching fire from brands sent skyward by a gale of wind. Smaller fires extended for a distance of nearly 10 blocks. A heavy gale, coupled with an inadequate water supply, was responsible for the spread of the conflagration and the delay in checking the path of the fire. All Fond du Lac was awakened and out to assist in fighting roof fires and helping residents in that section of the city to remove their household effects and get them to a place of safety. The total loss is estimated to be over \$250,000.

The marriage of Joseph Rimmel, son of Mr. and Mrs. Mat. Rimmel, and Alma Meinecke, daughter of Mr. and Mrs. Carl Meinecke, took place last Saturday afternoon at the home of Rev. Erber.

Everybody was pleased last Sunday when the long prayed for rain came. It began to rain in the morning and continued nearly all day and night. A cold wave followed and by Monday and Tuesday it was near the freezing point.

The high school has at present an attendance of 41 pupils. The seniors held a class meeting on Wednesday evening and elected class officers for this year. The result of the election was as follows: President, Harry W. Backhaus; vice-president, Rose Ockenfels; secretary and treasurer, Edna Altenhofen.

Rev. Muenzer, rector of St. Michael's Church for over 15 years, has resigned his pastorate and will leave for Beaver Dam next week to take charge of the large congregation there.

\$18,000 Approved for New Lighting at Kettle Moraine Correctional Institution

State Senator Carl Otte (D-Sheboygan) today said the state Building Commission has unanimously approved the release of \$18,000 so planning can start for new lighting at the Kettle Moraine Correctional Institution.

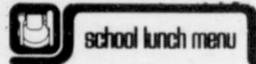

Otte, who had an amendment included in the recently passed state budget to authorize the lighting at Kettle Moraine, said the total project will cost about \$843,000.

"I'm very pleased the Building Commission has given its strong support for this project," Otte said. "It will greatly improve security at Kettle Moraine and also mean the state has kept its commitment

to the people of the City of Plymouth."

Otte said the new lighting system would be similar to lighting that has been installed recently at the Waupun, Green Bay and Dodge Correctional Institutions. The same lighting has been approved for the Fox Lake Correctional Institution.

Otte said the Division of State Facilities Management conducted a lighting survey at Kettle Moraine last year and found the interior of the institution to be virtually unlighted. "The lighting will help make the facility much safer for both guards and the people in surrounding communities," Otte said.

KEWASKUM COMMUNITY SCHOOLS

WORLD SERIES WEEK

Monday, Oct. 10 — TAILGATE PICNIC — Plumper hot dog in a bun, pickle relish, diced onions, cheese squares, French fries and a cup of pineapple fruit.

Tuesday, Oct. 11 — STADIUM SPECIAL — Bratwurst on a bun, potatoe chips, assorted relishes, sauerkraut, fresh fruit and a butter cookie.

Wednesday, Oct. 12 — DOUGOUT DANDY — Barbecued beef on whole wheat bun, applesauce, buttered green beans and mixed fruit. (Salad Bar - High School Only).

Thursday, Oct. 13 — HOME RUN — Cheese and sausage pizza, buttered peas, relishes, juice and peanut butter brownie.

Friday, Oct. 14 — VICTORY DINNER — Roast beef with gravy over mashed potatoes, buttered corn and sweet roll. Each meal served with home-

made bread, butter and milk. Menus are subject to change.

HOLY TRINITY NATIONAL SCHOOL LUNCH WEEK "LUNCH IS A POWERFUL SOURCE"

Monday, Oct. 10 — Chicken sandwich, lettuce, green beans, pumpkin square.

Tuesday, Oct. 11 — Beef & noodles, string cheese, peas, pineapple, bubble gum jello.

Wednesday, Oct. 12 — 1983 NSLW MENU — Power source burger, printout potatoes, vegetable chips, apple bytes, basic milk.

Thursday & Friday, Oct. 13 - 14 — Teacher Convention ½ pt. milk served with meal.

1,000 Farmers Attend Dairyland Seed Research in Action Tours

Dairyland Seed Company's regional sales manager, Art Dilley, talks to some of the 800 farmers that attended Research in Action tours at Dairyland's Clinton, Wisconsin Research facility earlier this month. Here Dilley is seen describing the merits of some of Dairyland's corn hybrids.

Nearly one thousand farmers attended Dairyland Seed Co., Inc.'s Research in Action Tours earlier this month at Dairyland Seed's Clinton, Wisconsin, research facility. Farmers met six of Dairyland's plant breeders and learned what Dairyland is doing in hybrid alfalfa, hybrid corn, and soybean research.

In hybrid corn research, it was pointed out that corn populations have progressed from as few as 8,000 plants per acre in 1930 to nearly 30,000 plants per acre in today's fields. Dairyland's research has responded to this evolutionary change in corn farming by placing its corn hybrids under various stress tests. In particular, hybrids are tested for heat resistance, drought resistance, lodging resistance, and disease resistance.

Corn plant breeder, Dr. Steve Wright, explained the dramatic increase in activity in Dairy-

land's corn crossing nursery. In addition, Dr. Wright showed farmers some of the unique breeding populations that he is working with today.

Another highlight of the corn research was Dr. Bill Campbell's presentation of the history of corn. Here Dr. Campbell showed farmers how corn has evolved from the weed species, Teosinte, in the year 5,000 B.C. Dr. Campbell had plants of Teosinte growing at the research station for farmers to see.

Dr. Steve Yen showed farmers what Dairyland was doing in hybrid alfalfa research. Dr. Yen pointed out that Dairyland owns two hybrid alfalfa patents. In addition, Dr. Yen showed farmers one of the world's largest alfalfa germ plasm collections.

Alfalfa plant breeder, Mike Velde, showed what Dairyland is doing in alfalfa disease and insect resistance. Velde showed farmers an example of the phytophthora root rot tolerance present in Dairyland's Magnum alfalfa. In addition, Velde explained how Dairyland is breeding for resistance to other disease such as anthracnose, bacterial wilt, verticillium wilt, and fusarium wilt. He pointed out that Dairyland's Futura alfalfa had resistance to verticillium wilt before the disease was identified in the state of Wisconsin.

The vast scope of Dairyland's alfalfa breeding program was presented by Dr. Paul Sun, Dairyland's Research Director. Dr. Sun explained that Dairyland may have the world's largest alfalfa breeding program. He also explained that thanks to Dairyland's patented technology, even greater gains should be coming out of the Dairyland breeding program in

Dairyland Seed Company's alfalfa plant breeder, Mike Velde, explained to farmers the various pests that affect alfalfa. Here, Velde shows farmers the damaging effect the potato leafhopper insect can cause on an alfalfa plant.

the future. Dr. Sun stressed that today's farmer can expect higher yields from alfalfas like Dairyland's Magnum because of its improved disease resistance and outstanding forage yield productivity. Dr. Sun also explained that Dairyland is looking at a number of seed treatment processes to enhance the possibility of obtaining an excellent stand under inclement weather conditions.

Soybean phytophthora root rot resistance and tolerance was the main focus of soybean plant breeder, Hunt Wiley's presentation. Wiley compared the resistance of soybeans to phytophthora root rot with resistance in human beings to the common cold. He stressed that Dairyland's soybeans undergo thorough phytophthora root rot testing before they are released.

In addition Wiley talked about other soybean diseases such as brown stem, sclerotinia (white mold), and cyst nematode.

Dairyland's Vice-President, Tom Strachota, declared the research tours "a tremendous

success as we were able to present to the farmers what we're doing in crop research, as well as answer the farmer's questions regarding management practices." Sunny, 80 degree weather helped Dairyland attract record crowds.

Dairyland is a privately owned company located near Kewaskum and operating out of West Bend. They distribute a complete line of farm seeds to over 4,200 dealers across the upper midwest.

Enrollment at UW Centers Continues To Show Increase

The University of Wisconsin Centers enrolled another record number of students this fall. Preliminary figures indicate 10,599 students enrolled, a two percent increase over last year in the 13 campus institution.

Centers' Registrar Gladys Meier said that the figures also indicate a seven percent increase in the number of full-time students.

University officials had projected a slight decline in the institution's enrollment for the 1983-84 year.

UWC-Rock County, Janesville, shattered institutional records this fall when 1,047 students enrolled, a 21 percent increase. The Center also experienced a 26 percent increase in the number of full-time equivalent students. Rock County is the fourth Center to enroll over 1,000 students including: UWC-Waukesha, 2,286; UWC-Marathon County, Wausau, 1,232; and UWC-Fox Valley, Menasha, 1,195.

Enrollment at the other two-year Centers includes: Baraboo, 521; Barron at Rice Lake, 350; Fond du Lac, 637; Manitowoc, 505; Marinette, 461; Marshfield, 648; Richland 281; Sheboygan, 674; and Washington at West Bend, 762.

In 1982-83, the Centers enrolled the largest number of freshmen in the UW System.

New Starting Time For MPTI Class on Pre-School Years

A new starting date has been set for the Moraine Park Technical Institute course: Pre-School Years: Learning to Learn.

This four week class for parents and early childhood personnel will start Tuesday, Nov. 15. Sessions will meet at West Bend High School, room E 107, from 7:30 to 9:20 p.m.

Areas to be covered will be motor development, social skills, early reading and math, and language development. Register by Nov. 7; call MPTI at 334-0909. Mail the \$5.05 fee within 72 hours of registering by telephone.

UW-Extension

NATIONAL 4-H WEEK

National 4-H Week Is October 2-8

4-H is HERE!

"4-H is here!" according to Bob Stodola, Washington County 4-H and Youth Agent.

"Most people are aware that 4-H exists," said Stodola, "but they think it exists 'out there' in the rural areas or in the next county.

"But 4-H is here in West Bend, Hartford, Slinger and Germantown—in nearly every community in the county," he said.

Currently Washington County has 750 4-H'ers and 250 adult volunteer leaders. Throughout Wisconsin there are nearly 100,000 4-H members and 25,000 leaders.

Stodola explained that in 4-H, boys and girls learn-by-doing through projects and activities, under the leadership of adult volunteers.

4-H'ers have over 50 projects to choose from, ranging from plants and animals to photography and music. Group activities include drama, trips, camps, fairs, shows and con-

ferences.

4-H is a great family activity, said Stodola, as parents and their kids can work, play and learn together through 4-H activities.

4-H also benefits the community. Nearly every club in the state has a community development project, according to a recent statewide survey.

"4-H is here in Washington County and has been for over 60 years. We hope you check it out."

For details on Washington County 4-H, call the 4-H office at 338-4478, 644-5204 or 342-2929.

When you're building for the future, build with experience... in 4-H. You can learn just about anything you want to! Call your local 4-H club and join the 4-H fun.

There's something special about 4-H. Just ask the 750 kids in Washington County who are 4-H'ers. Come join the fun. Call 338-4478 or 644-5204.

WAYNE CRUSADERS 4-H CLUB NOTES

The September 13th meeting of the Wayne Crusaders 4-H Club was called to order by President Jon Etta. Pledges were led by Brian Oelhafen and Beth Bartelt. Record books were handed in and election of officers took place. The clubs new officers are as follows:

Chris Schulz, President; Beth Bartelt, Vice-President; Brenda Oelhafen, Secretary; Keith Bartelt, Treasurer; and Jon Etta, Reporter, Marilyn Filber will again be our General Leader. Organizational leaders are Mrs. Jim Oelhafen and Mrs. Ethan Etta. Members of this committee are Jon Etta, Past President; Chris Schulz, President; Brenda Oelhafen, Beth Bartelt, and Brian Oelhafen.

Our next meeting will be held October 11, at 7:30 p.m. at the Kohlsville Fire Hall. All members who wish to sign up again or new members who

wish to join, must be present at this meeting with a parent. We hope to see many new members.

Jon Etta, Reporter
Wayne Crusaders 4-H Club

WAYNE CRUSADERS 4-H CLUB INVITES YOU

The October meeting of the Wayne Crusaders 4-H Club will be held on Tuesday, October 11, at 7:30 p.m. It will be at the Kohlsville Fire Hall. At this meeting members will sign up again and it is also the time for new members to join. A parent must be present if their child is to enroll.

We encourage anyone interested to come and see what 4-H is all about.

4-H NEWS

By Bob Stodola
County 4-H & Youth Agent

THIRD AND FOURTH GRADE YOUTH INVITED TO BE 4-H EXPLORERS

October is the month when most 4-H clubs reorganize for the coming year and invite new members and families to join them. 4-H is for families with children from third grade to 18 years of age.

As new members and families think about 4-H, I would suggest they consider the 4-H Exploring project. It is intended especially for 9 and 10 year old beginners.

The exploring project is just that. The member explores. He explores living things and non-living things around him. He explores his home, family, friends and community. He explores his own physical, social and creative self and finally he explores 4-H. He learns about the many projects and activities and opportunities for 4-H members.

Some of the things that a group of exploring members might do, would be to bake a giant pizza, have a party, go on a tour of the community, make a shoescraper or do something with animals. There is a booklet of ideas and suggestions. Leaders have many more ideas of things to do.

So now is the time to find out more about 4-H. The local 4-H clubs are having New Family Information Nights during October. They are putting up displays in store windows. If you want to know about how to take part, call the nearest 4-H leader. If you don't know who the club leader is, call the County 4-H Office. It is listed in the phone book under Washington County. Our phone numbers are 338-4478, 644-5204, or 342-2929.

Honor County 4-H Leaders for Service to Youth

Several Washington County 4-H leaders were honored for their service to youth. They were presented with the 4-H leadership clover award and certificate at the annual leaders banquet. Robert Cross of West Bend and John Klesper of Slinger were each recognized for 20 years of service with the diamond clover award. Mrs. Laverne Doll and Mrs. Darlene Rauh of West Bend were presented with the 15 year pearl clover award.

Four leaders were presented with the ten year gold clover award. They are Debbie Fischer, Stan Shaw and Barbara Shaw of West Bend and Norvin Lehman of Slinger.

For five years of service, the following received the silver clover award: Mrs. Joe Anderson, Agnes Curry of Kewaskum; Norma Bader, Emil Neidinger of Hartford; Judith Burkhalter of Allenton; Sherri Kapugia of Rockfield; Myrna Kreitzman, Beverly Strohwig of Hubertus; Tom Kuhaupt and Allen Schoeni of Slinger; Gloria Cameron, Ruth Gail, Natalie Schmidt, Mrs. Donald Schulz, Rosemary Seideman and Wayne Seideman of West Bend.

The 4-H program is sponsored by the University of Wisconsin Extension and the Washington County Board. It's an opportunity for parents and other adults to become involved in the development of their youth. It is the adult leaders who provide the many learning opportunities for youth. To get more information on the 4-H program you can talk to any local 4-H leader or call the University of Wisconsin Extension office at the county courthouse.

KEWASKUM 4-H NEWS

The Kewaskum 4-H Club was called to order on Sept. 8 at 7:30 p.m. The pledges were said by Renee Kapp and Jody Sekas. The secretary and treasurer reports were read and approved by Holli Etta and Billy Butzlaff.

Mike Carron reported on our trip to Marriott, Gurney, Ill. Jamie Carron reported on the Washington County Fair at Slinger.

We talked about opening of the Nature Trail and that we would be painting faces and help the children paint gourds.

For our October activity we are going to have a Halloween Party.

A window display was put up at Rich's Super Savings store Oct. 2, by Holli Etta. Records books were collected.

Election of officers was held. They were as follows: Photographer - Brian Seideman; Reporter - Holli Etta; Recreation - Mike Carron; Treasurer - Renee Kapp; Secretary - Rhoni Herriges; Vice President - Sandy/Chris Holz; President - Debi Seideman.

Oct. 12 is Open House at the Legion Hall at 7:30 p.m. Any interested boy or girl may join at this time. Parents are invited, too. All members are asked to bring a snack.

Reporter, Holli Etta

The world would be for us a happier place
And there would be less regretting
If we could remember with grace
The very fine art of forgetting.

... about your Social Security

By David Becker, Social Security Branch Manager in West Bend

BRIDES NEED NEW SOCIAL SECURITY CARD

Brides, along with anyone else who had a recent name change, should contact the West Bend Social Security office to arrange to have their names changed in Social Security records and to apply for a new Social Security card showing their new name, David Becker, Social Security branch manager in West Bend, said recently.

Unless the bride plans to continue using her maiden name after marriage, Social Security records should be changed so that any earnings she may have are properly reported to the correct record.

To apply for a new Social Security card, which will show

the bride's new name but the old Social Security number, she should submit evidence showing her old and new names, a marriage license for example.

Only original documents or copies certified by the issuing agency are acceptable. Uncertified photocopies are not acceptable.

After acceptable evidence is submitted, it will take about 2 weeks to issue the new Social Security card, Mr. Becker said.

More information about applying for a Social Security number can be obtained at any Social Security office; the telephone number is 1-800-242-9946.

Congressman
JIM SENSENBRENNER
Reports

DEFENSE PROCUREMENT WASTE

Recently, there have been several reports issued concerning waste and fraud in the Defense Department. Here are some examples of cost overruns:

- \$693 each for a B-52 landing-gear washer, (actual cost: less than \$1).

- \$437 each for a one-dollar measuring tape.

- \$1,118 each for a one-dollar plastic cap to cover the leg of a navigator's stool.

- \$80,000 paid to Sperry Rand by a Naval training center for parts that should have cost only

\$3,658.

These abuses have surfaced largely as a result of recent investigations by the Pentagon itself, which has been studying the long-term procurement practices of the Department of Defense (DOD) for the last two years. An internal audit report has pointed out that the major cause of such large cost increases has been that procurement clerks see only a 12 digit part number followed by a price listing. The clerks have no idea what is being purchased and often do not know normal costs

even if the item is identified.

In light of all this, Defense Secretary Weinberger has issued a ten-point policy for spare parts procurement "to insure that we are not plagued with pricing abuse in the future." In addition, the Pentagon is involved in certain investigations of possible crimes involving procurement and has sent some cases to the Justice Department. Furthermore, there have been several measures offered in Congress to aid in the elimination of waste and fraud in the Defense Department.

I commend this Administration and the Department of Defense for attacking this waste and abuse of the taxpayers' dollar. It is essential we provide for a strong and credible defense. However, in light of our current deficits, we can ill afford waste of any kind, in any governmental department, including defense.

washington county, wis.
SHERIFFS DEPARTMENT

Clarence A. Schwartz, Sheriff

Traffic Law 'Input'

The more "input" you have in knowledge of traffic laws and safe driving practices, the better "output" you will have in performance on the road, says Washington County Sheriff Clarence Schwartz.

"Stop some time soon at a driver license examiner station, Sheriff's Office, Police Department, or State Patrol District Headquarters and ask for a copy of Wisconsin's latest manual for motorists," he suggested. And take time to make a quick reading to find out if there may be some laws and rules of the road on which you may be just a bit hazy.

The Sheriff further suggested, "Put the handbook in your automobile glove compartment for refresher reading sometime, or to loan to a friend who might read it. The manual has many of the newer pictorial type road

signs with which you should become very familiar."

Sheriff Schwartz pointed out, "This 'input' will improve your 'output' on streets and highways, and your example may well inspire some other people on the road to be just a little more cautious and law-abiding. Remember, a little safety, like good medicine, can go a long way to remedying the troubles on the roadways."

Owners of Real Estate in Washington County

Take Notice!

On October 18, 1983, and the next succeeding days, Fredric A. Seefeldt, Treasurer of Washington County, will at the courthouse at West Bend, Wisconsin, sell to Washington County so much as may be necessary of each tract of land upon which the taxes have been returned as delinquent and are on said date still unpaid, for the payment of the taxes and interest due thereon. This sale will include all real estate listed in the county treasurer's official records of delinquent taxes for the tax levy year 1982, except public lands held on contract and land mortgaged to the state. If you are in doubt as to whether the taxes on your land are paid, consult the county treasurer.

Pay Your Taxes Now

By so doing you will prevent sale of your property for taxes and you will stop the further addition of interest charges.

THIS SALE IS NOT OPEN TO THE PUBLIC. THE COUNTY WILL PURCHASE THESE DELINQUENT TAXES.

FREDRIC A. SEEFELDT
COUNTY TREASURER,
WASHINGTON COUNTY

CALL US ABOUT OUR MANY VACANT LAND LISTINGS

Regular Meeting of School Board Monday

There will be a regular meeting of the School Board of the School District of Kewaskum on Monday, October 10, 1983, at 8 p.m. in the high school library. Concerns on the agenda are the second reading of Senior Citizen Courtesy Card, a reimbursement of a dyslexia student fees, various committee reports, various coaching changes, request for a maternity leave, WASB Law Seminar, and a Board decision on an EEN placement.

COMPETENCY BASED TESTING COMMITTEE TO MEET AT KHS

There will be a meeting of the Competency Based Testing Committee on Wednesday, October 26, 1983, at 7:30 p.m. in the high school library. Mr. Norman Webb, of the Department of Public Instruction, will be the featured speaker. The public is cordially invited to attend.

CARD OF THANKS

Our most sincere thanks to all our relatives and friends for their kindness shown us during the time of illness and after the death of our dear wife and mother, ROSE HERRIGES. Special thanks to Fr. Wagner, choir, organist, servers, pallbearers, donors of floral, spiritual and memorial tributes, members of the Altar Society, all who showed their respect, and all who helped us in any way.

Mr. Carl Herriges
Sister Rose Mary S.S.S.F.

Offer Free Blood Pressure Screening

The Washington County High Blood Pressure Control Program is offering free blood pressure screening at the following sites during the month of October.

October 8 — West Bend Fire Department, 320 N. 7th Avenue, 1 - 4 p.m.

October 15 — Richfield State Bank, 1301 Highway 175, 10 a.m. - 12 noon.

October 20 — Hartford Rescue Squad Garage, N. Johnson St. (behind City Hall), 7 - 9 p.m.

October 22 — West Bend Fire Department, 320 N. 7th Avenue, 1 - 4 p.m.

This program is sponsored by the Washington County Community Health Nursing Service and the American Heart Association. Questions about the program may be directed to Coordinator Doris Dauer at 338-4462 or 644-5204.

If you have trouble getting your family to like liver, try cutting it into strips, breading and seasoning them and then deep-frying.

Goose Hunting Permits Being Mailed

All waterfowl hunters who submitted a valid application and had preference this year for a Canada goose permit will get a permit in the zone and season for which they applied, according to DNR officials.

Douglas Poole, Chief of the License Section, said, "In addition, a number of hunters who filed a valid application and did not have preference this year, will also receive a permit in the zone they requested. In the case of the Central Zone, all preference and nonpreference applicants who submitted a valid application will receive a permit."

Successful applicants for the Horicon Zone early season were notified by last Friday, September 30th, and successful applicants for Central Zone permits will be notified by Friday, October 7th, Poole noted.

Hundreds of invalid applications were received by the Department with the most common mistake being hunters who failed to include the signed goose hunting application stub from their small game or sports license with their permit application.

A total of 40,480 valid applications were received by the deadline, September 15th, for the 33,650 Canada goose permits for the four hunting periods in the Horicon and Central zones.

The numbers of permits available and the four hunting periods are: Central Zone, 17,150 permits, October 15th through November 13th; Horicon Zone early season,

10,500 permits, October 15th through October 30th; Horicon Zone late season, 4,000 permits, October 31st through November 13; and the late Horicon-Central Zone season, 2,000 permits, December 10th through December 19th. Successful applicants for the second Horicon Zone and the late Horicon-Central Zone seasons will be notified by mail at a later date.

A reminder to hunters that the Horicon and Central zones have been expanded this season to include all of the counties of Columbia, Dodge, Fond du Lac, Green Lake, Marquette and Winnebago, as well as the Theresa Marsh in Washington County. Also, a permit will again be required to hunt Canada geese in the 14-county MVP Area outside the Horicon-Central Tag Zones. These permits are available at DNR offices and should be picked up before hunting in that area. The counties where these permits are required are Wood, Juneau, Adams, Waushara, Dane, Sauk, Walworth, Rock, Waukesha, Washington, Sheboygan, Jefferson, Manitowoc and Calumet.

The outlook for the Canada goose season which opened in the 30 western counties of the state and in the northeast counties north of Highway 10 at noon on Saturday, October 1st is good, although the numbers of geese was expected to be down somewhat from a year ago.

The duck season, which also opened at noon on Saturday, October 1st, is zoned this year with the area north of Highway 10 having a continuous 50-day season running through November 19th. The area south of Highway 10 has a split season, opening at noon on October 1st and continuing through October 9th. It reopens in accordance with regular small game hunting hours on October 15th and runs through November 24th.

The point values for ducks are the same as last year except for scaup, wigeon and teal which have 10-point values this year, and the rest of last year's 15-point ducks which are now worth 25 points.

The outlook for the duck season this year was fair to good with the best hunting expected along the Mississippi River and in the eastern counties.

Waterfowl hunters are urged to obtain a copy of the 1983 waterfowl regulations pamphlet now available at DNR stations and license outlets throughout the state.

Award Presented to West Bend Judo Club

A special awards presentation was held in conjunction with the first class of Judo for the fall session of the West Bend Park Recreation and Forestry Department on Tuesday at Silverbrook Middle School. The West Bend Judo Club was presented with the honor of being the largest U.S.J.A. Judo Club in Wisconsin for 1983. The club has been a Bronze Star 100 member club of the association for the past three years. It is recognized as one of the top five clubs in the U.S.J.A.

The award was presented to Joseph S. Sanfilippo, coach of the club. Along with the honor, Joe was awarded \$100.00 by the U.S.J.A. and West Bend Judo Club toward his life membership in the United States Judo Association. Joe helped start the West Bend program 16 years ago. He has been a triple crown state judo champion and national competitor who holds the rank of 3rd degree Black Belt.

The award was received from the United States Judo Association's National Awards Committee. It was presented on behalf of President Phillip Porter.

Soph Dettmann Returns Kickoff 81 Yards

Indians Roll Over Plymouth in Key Game, 29-6, for 5th Straight Victory

In another key game at Plymouth Friday night, the unbeaten Kewaskum Indians rolled to their fifth straight victory over the strong Panthers, 29-6. The Indians are now 2-0 in the Eastern Wisconsin Conference, tied with Kiel. A large crowd of Kewaskum fans followed their team to Plymouth to cheer them on.

Plymouth went into the game with a 3-1 record. The Panthers had not given up a point in their first three games, in which they shut out Algoma, Shorewood and Sheboygan Falls, before beating themselves against Kiel the week before the Kewaskum game, 21-12.

In their five victories to date, the Indians ran up a total of 153 points, while the defense held the opponents to a mere 27. Two of the wins were shutouts. Kewaskum again amassed over 300 total yards at Plymouth, in two of their games they gained over 400 yards.

The contest at Plymouth was expected to be closer, but the Indians dominated play throughout the game.

An 81-yard kickoff return by sophomore Tim Dettmann highlighted the Indian victory. His touchdown run brought Kewaskum fans to their feet, coming after the Panthers had driven to what turned out to be their only score. From then on the Indians had control of things.

The Kewaskum defense, which was excellent all night, got their team off to a quick lead in the first quarter by putting the first points on the board. After the Indians got two first downs, they were forced to punt with the Panthers taking over

on their own nine-yard line. On the very first play quarterback Matt Paese's pitchout fell to the ground behind Shayne Resser, who backed into the end zone to retrieve it. Two Kewaskum defenders missed him but Jeff Squier nailed him to put Resser down for a safety. (Paese was out with an injury in Plymouth's loss to Kiel the week before).

After the safety, the Panthers punted with Kewaskum taking over on its 41 in good field position. After a 13-yard run by Brad Dieringer, the offense began a seven-play scoring drive with fullback Chris Harlow scoring from the six. A big play in the drive was an 18-yard pass from quarterback Mark Follmann to Squier. Dieringer's kick made it 9-0.

Plymouth then retaliated with a drive of its own, but on a fourth and six at Kewaskum's 30-yard line, Resser was stopped after a short gain. The Indians then stopped another Panther drive at the six-yard line, checking Paese for no gain on a fourth and two.

Plymouth's next drive was successful, however. Starting from their own 28-yard line after a 49-yard punt by Harlow, the Panthers completed two long passes. Then Dave Osieczanek powered into the end zone from three yards out. The extra point try was wide bringing the score to 9-6. This put Plymouth back into the game until Dettmann crossed the goal on his long run a few minutes later.

Dettmann gathered in the ball at the 19 and found an alley down the left sideline, sprinting all the way to the end zone on a nifty run. While the Panthers and their fans looked on in disbelief, the Kewaskum sidelines went wild. Dieringer's kick

made it 16-9.

As the result of a fumble in the third quarter the Indians started a 53-yard drive, which ended with Follmann finding Rick Heberer wide open at the three for what wound up to be a 24-yard touchdown pass. It was Heberer's first TD reception of his varsity career. Another Dieringer extra point brought the score to 23-9, Kewaskum.

On the next series by the Panthers, Dennis Butz made a diving interception at Kewaskum's 49. After halfback Jim Braun broke free around left end for a fine 43-yard run, the Indians were on the move again. Plymouth held at the 16 but on a fake field goal Tom Herriges passed to Harlow for eight yards and a first down. Two plays later, Follmann found Braun all alone for a five-yard touchdown pass. This was Follmann's fourth TD pass in the conference and ninth of the year. The extra point try failed and ended the scoring at 29-6.

The Indians had another score called back due to a clip and failed to score when Braun threw the ball into a crowd on an option play and it was intercepted by Robbie Schultz.

But the Indians were in control, holding Plymouth to only 60 yards in the second half. The conference's leading scorer, Osieczanek, was held to just 44 yards in 13 carries. His longest run was seven yards. This is probably the lowest any team will hold him to.

Braun totaled 119 yards rushing in 16 carries and added another interception to his total. Coach Mike Fifrick was well pleased with his defense, especially the linemen, who recorded more tackles than the linebackers. He said 12 players ended up with from five to 10 tackles with John Swanson leading with 10, including two behind the line of scrimmage. Dave Pesch and Harlow added nine and eight.

Offensively, Swanson and Doug Miller received mention. Heberer gathered in two passes for 38 yards and Squier also caught two for 32.

The loss could knock the Panthers out of the championship race, while Kewaskum is very much in it. The Indians will play three of their four remaining games at home, starting with New Holstein here Friday night. The Huskies are in last place in the conference with an 0-3 record and Kewaskum stands a good chance of continuing its winning ways.

Plymouth at Chilton

Indian Spikers Win Three in Conference, Cougar Tournament

After getting off to a bad start with four losses this season, the Kewaskum girls' volleyball team has come to life in their last four outings, winning all of them. After beating Kiel on Sept. 22, the girls won the Campbellsport Tournament Sept. 24, last Tuesday they trounced visiting Chilton, and Thursday they won over Two Rivers in all three games for their third conference victory in succession.

The Campbellsport tourney came down to a one game playoff after Kewaskum and the host Cougars finished with identical 4-2 records. The Indians swept their first two games against Campbellsport while splitting against Oakfield and North Fond du Lac. The Cougars came back with four straight over the Oaks and Orioles. In the playoff, Kewaskum started quickly and won easily 15-6.

Holly Kempf had some good hits and soph Brenda Kober responded well after moving up to the varsity. Debbie Jepsen and Barb Osterbrink helped from the serving line.

In Tuesday's match against Chilton, the Indians won the first game, 15-9, but fell far behind in the second before rallying to win. Kewaskum also won the third game, 15-4. Sandy Secor was consistent in getting her spikes and soph Lisa Fusek also played well.

After losing to Two Rivers in the season opener, the Indian girls gained revenge Thursday by beating the Raiders in all three games. The first game was won by Kewaskum, 18-16, with reserves Kober and Jepsen really helping out. It was a see-saw battle. The KHS girls stormed to a convincing 15-6 victory in the second game and the reserves finished the third with a 15-7 win. Starters Holly Kempf and Sandy Secor were impressive at the net.

The victory gives the varsity a 3-4 record at the end of the first round of play in the Eastern Wisconsin. The JVs lost two of three to drop to a 2-5 mark, while the fresh won their fourth to bring their record to 4-2.

Kewaskum Boys, Girls Both 6th In Slinger Invite

The Slinger girls and boys cross country teams ran first and third in their own annual invitational meet, held this year at the new Homestead Hollow Park.

Kewaskum placed sixth out of eight schools in both the girls and boys competition. Junior Sandy Klein led the girls, finishing 14th with Lori Batzler close behind in 15th.

Monty Shaw's sixth with a 17:35 clocking was the best finish for the Indian boys.

Kewaskum's Gunner Schleiter had his best time of the season, an 18:45 as did the JVs Kyle Vogt in 18:56 and Bill Gruss in 19:18.

SLINGER INVITATIONAL
Boys Division I - 1. Shorewood 65; 2. East Troy 73; 3. Slinger 81; 4. Mayville 90; 5. West Milwaukee 133; 6. Kewaskum 136; 7. Sheboygan Falls 137; 8. Kiel 167.

Top Five Individuals - 1. Matt Crysedale, Shorewood, 16:46; 2. Xavier LaPlace, Shorewood, 16:57; 3. Brian Hamann, Kiel, 17:21; 4. Larry Gundrum, Slinger, 17:29; 5. Darren Winter, St. Francis, 17:32.

Kewaskum Finishers - 6th Monty Shaw, 17:35; 25th Gunner Schleiter, 18:45; 29th Paul McFadden, 19:02; 37th Steve Kuphal, 19:26; 39th Steve Hubbell, 19:33.

Girls Division I - 1. Slinger 49 (wins on better finish by 6th runner); 2. Kiel 49; 3. Mayville 69; 4. Sheboygan Falls 76; 5. West Milwaukee 141; 6. Kewaskum 150; 7. Shorewood 156; 8. East Troy 231.

Change Times of WIAA Football Playoff Finals

STEVENS POINT, Wis. - Starting times of games in the WIAA football playoff finals at Camp Randall Stadium in Madison were adjusted by the Board of Control at its September meeting in Stevens Point.

Games will be played at 11 a.m., 3 p.m. and 7 p.m. on each day - Friday and Saturday, November 11 and 12. Division 1, 3 and 5 championship contests are scheduled for Friday and Division 2, 4 and 6 games on Saturday. The exact order of each day's games will not be determined until participating teams are known.

Originally, the first game each day was scheduled to start an hour later, and there were three hours instead of four between game starting times. Times were changed primarily to allow all six teams each day to suit-up at Camp Randall. The original starting times would have required the two teams playing the middle game each day - as was the case last year - to dress at another location. Only two dressing rooms are available to the WIAA for the playoffs.

In Class A of Division 3 leading teams for the playoffs, thus far in the Eastern Wisconsin Conference are: Kewaskum 2-0, Kiel 2-0.

JVs and Freshmen Lose to Plymouth

The Kewaskum JVs were thumped, 48-14, by Plymouth here Thursday and the freshman also went down, 22-8, to the Panthers.

The Panthers JVs scored six touchdowns, two of which followed Indian fumbles inside the 20-yard line. The Indians' scoring came on a 48-yard run by Daryl Ritchie, who had 88 yards rushing, and a one-yard plunge by quarterback Rick Staehler after a nine-yard run. A Staehler to Ken Miller pass resulted in two points after the first touchdown.

Staehler passed for 148 yards and Richie performed well. Defensive halfbacks Brian Spartz and James and Mark Johnson combined for 33 tackles.

In the freshman game Plymouth scored on a break from inside the 10-yard line when the Indian punter kicked the ball into his own blocker. Behind 16-0, Kewaskum scored in the last quarter on a 65-yard pass from Jesse Mueller to Mike Coulter. Rod Wiedmeyer ran for the extra points. Plymouth got one more TD.

Daryl Landvatter and Wiedmeyer were cited for their linebacking efforts.
