## New Restaurant for Kewaskum

By GERRY MUELLER  
Statesman Staff Writer

A new, custard stand type, restaurant will be going up shortly at 1523 Fond du Lac Avenue in Kewaskum.

A building, which formerly housed the "Olde House" antiques store, is being torn down to make way for the "Homeplate" restaurant,

which will be owned and operated by Paul Behring of Behring's Market.

Behring said the restaurant will have a baseball atmosphere, with inside seating for forty people, as well as a "drive-thru" window. It will handle custard, hamburgers, and the usual drive-in type foods.

The business will have approximately ten part and full time employees and be managed by Behring's sister, Kathy Kreiser.

Construction of the new building is to begin as soon as the demolition is completed and the land cleared.

No definite date has been set for the grand opening.

## New Owners for Kewaskum's Minz Supply

Ken Weddig and Larry Williams

By GERRY MUELLER  
Statesman Staff Writer

As of Tuesday, October 4th, Ken Weddig and Larry Williams became the owner-operators of Minz Supply in Kewaskum. The new business name will be KL Home & Hardware.

Weddig stated he and his partner have purchased the business, inventory, and fixtures. They will continue to rent the building from the GTK Partnership, a Minz family holding.

There will be no major changes, noted Weddig. We

will be going back to the HWI line of hardware, carrying more merchandise and a larger inventory. We have changed our hours a little. The store will be open on Sundays from 9 to 1, Monday and Fridays 7:30 to 8:00 p.m., Tuesday, Wednesday and Thursday 7:30 to 5:30, and Saturday 7:30 to 2:30.

The new owners will maintain the same staff of three part-time and three full-time employees.

A grand opening will be planned for the spring of 1984.

The store in West Bend will continue to be owned and operated by the Minz family.

## Contracts Awarded for First of School District Repair Projects

By GERRY MUELLER  
Statesman Staff Writer

The Kewaskum School Board approved awarding of several repair work contracts during its special meeting Wednesday.

The primary and largest project to be undertaken is roof repairs on various school buildings throughout the district. The biggest job will be complete removal and replacement of approximately 42,000 square feet of original roof area at the high school. Work there will also include closing of several skylights. James Wilmas, of Bray and Associates, who drew up the bid specifications, recommended the board approve the bid of Pukall Company, Germantown, to do the work. Wilmas recommended the board go with the alternate bid which included closing the skylights since he felt they were no longer useful or energy efficient.

Other roof work will be done over the boiler room area at Kewaskum Elementary, replacement over lobby, office and boiler room at Beechwood, and canopy work at Farmington.

Pukall came in with a low bid

of \$132,000, Bend Industries of West Bend, submitted a bid of \$135,000. All repairs work will be done with funds from the \$400,000 State Trust Fund loan.

Several board members were in favor of holding off repair work until spring. Wilmas assured the board that if work began immediately, there should be no problems as far as cold weather affecting roofing materials. He noted due to the nature of the materials being used, work could continue until the temperature got down to 20 degrees. However, he felt the work would be completed in approximately four to six weeks, well before the cold weather set in.

The board received two bids on air locks, however, awarding the job was tabled until Monday's meeting because of questions regarding materials on one of the bids.

Generator work was awarded to Steiner Electric at \$23,346.00. District Administrator John Long noted Steiner was the only company to submit a bid. It seems everybody is willing to just sell us a new generator, but no one is interested in the switching around, installation and wiring

end of the work, said Long. The switching Long referred to was, installing a new 30 KW generator at the high school, sending the old one to Kewaskum Elementary and sending the middle school generator to Farmington.

Heating and ventilating work was tabled. Long noted it was almost impossible to get bids without specifications and the board had not allowed him to hire anyone to draw specs up. Long informed the board, however, that James Dei, a

[Continued on Page 5]

## State Board Members to Attend School Meeting Here

The Wisconsin Association of School Boards will send a team of board members from the W.A.S.B. Schools to a meeting with the School District of Kewaskum School Board on Monday, October 17, 1983, at 8 p.m. in the high school library. The meeting will center around the duties and responsibilities of School Board members. The public is invited.

## Youths Vandalize Cemetery

Vandalized grave markers in Gage Cemetery.

By GERRY MUELLER  
Statesman Staff Writer

The Fond du Lac County Sheriff's Department is investigating an act of vandalism which occurred Saturday, October 1st, in the Gage Cemetery, located on Highway

"G" and Old Bridge Road.

More than seven grave markers were severely damaged by two young boys who were seen in the cemetery pushing the gravestones over.

A woman who lives near the cemetery said she became

[Continued on Page 5]

# Missing Boy's Photo Is Shown on TV Show

Bobbi Joe Fritz

Bobbi Joe Fritz, the missing 6-year-old boy from Campbellsport, was among a number of photos which were shown on national television Monday evening, Sept. 10.

The photos were shown following a movie "Adam," a true story which portrayed the agony of John and Reve Walsh, whose 6-year-old boy was abducted from a Hollywood, Florida, shopping mall. His body was found two weeks

later. The movie was shown at 8 p.m. on Channels 4 and 11.

Sharon Fritz, Bobby Joe's mother and her 17-year-old daughter, watched the program at a TV studio. Mrs. Fritz was interviewed on TV following the movie on the 10:00 o'clock news.

Bobbi Joe is among 150,000 children who are listed as missing in the United States. He disappeared May 14 while playing near his home in Campbellsport and an intensive search was made for him. He would have celebrated his sixth birthday, August 5.

Through the efforts and dedication of the Walshes, the Missing Children Bill, after a tough fight in Congress, was signed by President Reagan a year ago. That law authorizes that descriptions of missing children be entered into the FBI's national crime information computer.

According to Child Find, a child-tracking agency in New Paltz, N.Y., 50,000 children a year are abducted by strangers.

# Win a Booster Wreath at Indians' Homecoming Parade

Do you remember all those beautiful wreaths hanging all over town last year? You, too, can be the proud owner of one. Here's how! Just go to the homecoming parade Friday, October 21st, and watch for the Booster Van. When it passes, members of the Booster Club will be handing out balloons. If you are one of the lucky people to get one with "Wreath" written on a piece of paper inside, you are the proud owner of a Booster Wreath.

Those who are not lucky

enough to win a wreath can, however, purchase one from a Booster Club Member. They come in two sizes - 24" at \$7.00 and 40" at \$15.00. The very same 40" wreath that you buy will have a twin hanging at the White House in Washington, D.C. The official Christmas Tree at the White House is coming from Fifeild, WI, and a wreath made by the same hands that made yours. Keep up with the Reagans, Kewaskum! Hang a wreath on your "House" too.

## NORMAN WEBB, DPI, GUEST SPEAKER AT MEETING

There will be a Competency Based Testing Committee meeting on Wednesday, October 26, 1983, at 7:30 p.m. in the Kewaskum High School library. Mr. Norman Webb, from the DPI, will be here to address the committee. The public is welcome.

# Lions Club Paper Drive

SATURDAY, OCT. 15

All paper or cardboard must be on the curb by 9:00 a.m. tied in bundles, packed in boxes or bags. No waxed paper or boxes, please. This drive is conducted every third Saturday of the month.

Money used for local projects.

# Open House Here for Fire Prevention Week

Fire Prevention should be practiced 365 days a year. To remind everyone of its importance, Fire Prevention Week is celebrated throughout the U.S. on the week of Oct. 9 thru Oct. 15, 1983.

The Kewaskum Fire Dept. will be hosting many groups of children from area schools

which will be touring the fire station and receiving fire prevention handouts and information.

The general public, both young and old, are invited and urged to come to an open house on Thursday evening, Oct. 13. All equipment will be on display, along with information and pamphlets on fire pre-

vention will be available. If you have any questions on wood burning stoves, space heaters, electrical problems, etc. we will be there to answer your questions. The Fire Dept. is hoping area residents, both village and rural, will come and visit us at the fire station at 1106 Fond du Lac Ave.

# United Way Fund Drive Well Underway

Co-Chairmen Fred Cullen and Margaret McFadden

Your United Way fund drive is well underway, led by co-chairmen Fred Cullen and Margaret McFadden. Division captains have sent letters or are soliciting in person all residents of the Kewaskum Area School District.

It is inevitable that some residents, new and old, will be missed in the solicitation. Anyone who is not contacted but would like to contribute can send a donation to Kewaskum Area United Way, Box 283, Kewaskum, and a receipt will be sent at once.

Since the goal for our drive is

\$20,000 this year, it is hoped that every donor will try to increase his contribution to help Kewaskum's participating organizations.

Youth, family and child care organizations are included. One such group is the American Field Service (AFS), which has sponsored a youth exchange program, hosting foreign students and supporting local students sent abroad for over 20 years.

The Big Brothers and Sisters of Washington County also receives our support, supplying one-to-one guidance and con-

panionship for one-parent children.

The YMCA receives a share. The "Y" has reinstated its Tot-Time Program in Kewaskum. This program has been well received in the past.

Bay Lakes and Wau Bun Councils of the Boy and Girl Scouts are helped in their promotion of activities of the young people of our area.

Another of our participating groups is the Children's Service Society of Wisconsin, which provides family counseling as well as adoption and foster care programs.

Books, records, and cassettes in Braille are loaned to the Kewaskum library by the Christian Record Braille Foundation to be used by local sight-handicapped persons.

The United Way also supports an organization called Friends for Battered Women of Washington County. Abused women and children are advised and temporarily sheltered when the home situation is unbearable.

Other participating recipients will be described in future articles.

Please give when your solicitor calls!

## Nigh, Koepke Elected to Hospital Board

Robert Rolfs, president of Amity Leather Products Company, has been re-elected president and chairman of the board of directors of St. Joseph's Community Hospital, West Bend. His re-election to another one-year term took place at the annual meeting of the Board on Sept. 26. This will be the ninth year he has served as president, although he has been on the Board since the hospital was separately incorporated in 1967.

Reuben Schmahl, chairman of the Washington County Board of Supervisors was re-elected vice president of the hospital board; Richard Larson, president of the West Bend Savings and Loan Association, was re-elected treasurer; and Fred Bury, hospital administrator, was re-elected secretary.

David Nigh, Kewaskum, was elected to replace board member, George Lang, who resigned.

Re-elected to full three-year terms as members of the Board were Schmahl, Allen Koepke, Howard Kruepke, Mrs. Thomas O'Meara, Robert Steiner, and Joseph Zadra.

# Memories...

The Statesman welcomes readers to submit photos for the "Memories" feature. Photos should show life in the olden days in this area. Deliver or mail to The Statesman, 250 Main St., Kewaskum, WI 53040. Photos can be picked up again after publication.

This is an old photo of Kewaskum's Main Street, taken from Fond du Lac Avenue. Note the unpaved streets, overhanging street lights, hitching rails, empty lot at the left where the Kewaskum branch of West Bend Savings & Loan now stands, the old village hall in the background with the tower and fire bell at the top and flag pole in front of the building, the old railroad crossing gates and gatetender's shanty. In those days, Jake Rimmel served as gatetender many years. (Photo submitted by Arthur Schmidt of Hubertus)

## School Board Drops Three Credit Science Requirement

By GERRY MUELLER  
Statesman Staff Writer

"I think we put the cart before the horse," stated Guidance Counselor David Wietor. He was referring to an earlier decision by the Kewaskum School Board that, beginning with the 1984-85 school year students would be required to have a third credit in science for graduation.

Discussion on the issue began when board member Lynn Dieringer made a motion that the board rescind its action taken at the July 11th meeting concerning the added credit in Science.

Although the board had instituted the requirement, nothing else had been done in conjunction with the move. Wietor's comment came from the fact that, while an additional credit was required, no pro-

vision had been made for classroom space, equipment or even the kind of class to be offered.

High School Principal Clark Pearson told the board he had met with the Science Department staff. He confirmed that there were several problems to be solved before a third year course could be offered. As far as staffing was concerned, there was the possibility that additional teachers would be needed and this could not be done unless you had some idea of what kind of course would be offered. Suggestions included Conservation and Resources, Advanced General Chemistry, Science Technology and more.

Classroom space is also a factor, noted Pearson. The present rooms are used all day long for the present classes. Physics classes are already switching between rooms for lab sessions. The district might even have to consider remodeling to handle the addition. Then there is the cost of additional equipment and textbooks.

The issue of a third year of Science was brought up earlier in the year when one of the school board members felt

students were not going to college with enough science background. Pearson told the board, 42% of the students are taking three or more years of science already, another 10% are taking 2-1/2 years. "Our advanced kids (who need the added credit for further schooling) are already taking three years of science," said Pearson.

Referring to several magazine articles, board member Ralph Horner commented there was a greater need for more required courses and less elective courses. He said the board had made the requirement on the recommendation of the Evaluations Committee. Margaret McFadden corrected Horner saying it was not her committee that had made the recommendation, but that of the Science Committee and only for future consideration.

On a four to three vote, the board moved to drop the third credit of science requirement and asked the Graduation Requirement Committee to study the issue further.

In other action, the board approved the payment of \$720 to the parent of Dyslexia

student for special testing and tutoring services not available from the district. Long recommended approval of the payment, however, he asked the board to set a policy that, any further situations such as this be referred to the administration for review and approval. Long was referring to the fact that neither he or Richard Zarling, who handles the Exceptional Educational Needs program, were aware of the situation concerning the student until the parent requested reimbursement. "If someone in our district goes off on a tangent and does something on his own, it will not be covered by the district," said Long.

The board awarded a contract to Slesar Glass for installation of air locks at several schools. The bid had been reviewed at the board's special meeting Wednesday, however, Slesar had not specified the type and quality of some of the materials to be used. Slesar had a low bid of \$17,449.13. Rosco Company submitted a bid of \$18,879.00.

Mrs. Joan Rosenberger, Chairman of the Graduation Requirements Committee, gave a preliminary report on surveys sent to 39 area schools regarding their requirements. She informed the board a short survey will now go to parents to gather their input.

Middle School Principal Dennis Reha was appointed Middle School Athletic Director. Reha asked the board to reconsider their decision and assign the title to a teacher which had been approved by Mr. Long. Board President Jean Goeden told Reha, the board had been advised by its negotiator, Michael Spector, that since it had won the

arbitration, the athletic directorship was placed in administration, thereby allowing the board to assign the job.

Goeden recognized four teachers for their work with the district's students. They were Mike Fifrick, Marlene Domasky, Kathy and Fran Charland.

### Secretaries to Meet, Will Have Speakers

Professional Secretaries International, Kettle Moraine Chapter, will meet on Tuesday, October 18. Dinner will be held at 6:30 p.m. at Stoneridge Inn, West Bend, with a meeting after.

We invite any interested secretaries to join us. Mrs. Audrey Mayer will give information to guests on the Professional Secretaries International and June Knowlton will speak on the CPS program.

Reservations can be made by calling Lois Jung at 334-2311.

## KL Home & Hardware Becomes Affiliate Member of HWI

KL Home and Hardware, Kewaskum has become an affiliate member of HWI, a member-owned buying organization consisting of over 2,400 independent merchants. HWI's home office is located in Fort Wayne, Indiana. HWI serves retail hardware and building material dealers and has an annual sales volume of over 500 million dollars.

Ken Weddig and Larry Williams, Manager/Owner of KL Home and Hardware, said their firm will now be an outlet for the more than 33,000 items in the HWI Distribution Center.

Weddig and Williams said their firm will now be able to offer the local market a complete selection of building ma-

terials, builders hardware, brand-name tools, kitchen cabinets and paint.

Other departments include lumber and building materials, hardware, plumbing and electrical items, which will be carried in stock or may be ordered from the HWI catalog.

Deliveries are made each Thursday from the distribution center in Dixon, Illinois. Special orders can be delivered during the week in which the order is placed, if the item is ordered before Friday noon.

Gary Zarwell has been assigned as the Area Supervisor for the local firm. His responsibilities include employee training, inventory control, management training and product knowledge training. In addition, training meetings are conducted periodically in Fort Wayne, Indiana, for specialized instruction of all phases of retailing.

The company symbol, "Mr. Friendly" will appear in all advertisements. Weddig and Williams believe the Kewaskum area should have a "friendly" place to shop where a well-rounded line of items is displayed - with prices which appeal to the customer.

The store hours are: Sunday 9 a.m. to 1 p.m., Monday and Friday 7:30 a.m. to 8 p.m., Tuesday, Wednesday and Thursday 7:30 a.m. to 5:30 p.m., and Saturday 7:30 a.m. to 2:30 p.m.

verted enough. Long said the bids had been placed in every area newspaper plus two trade papers. "I guess things aren't as bad out there as I thought," said Ogi.

Kewaskum Statesman, Friday, Oct. 14, 1983, Page 5

## Births

**WODSEDALEK** - A son, Thomas Allen, to Darrell and Kathy Wodsedalek, 216 Manchester Rd., Apt. C, Spring Lake, North Carolina 28390, Thursday, Oct. 6. Paternal grandparents are Mr. and Mrs. Wayne Wodsedalek of Kewaskum and maternal grandparents are Mr. and Mrs. Gregory C.

Pohl, Sr. of West Bend.

**ROHLINGER** - A son to Thomas and Kelly Rohlinger, 2100 Canary St., West Bend, Friday, Oct. 7. Paternal grandparents are Mr. and Mrs. Gregor Rohlinger of Kewaskum.

**JUECH** - A daughter to Kent and Debra Juech, 1144 County Trunk V, Campbell-sport, Monday, Oct. 3.

## Vandals

[Continued from Page 1]

aware of the incident when her grandson stopped to visit her. The woman said she and her grandson went over to the cemetery and began yelling at the boys to stop. When the youngsters saw the two, they jumped on their bikes and fled north on Highway "G."

Marloe Glass, the caretaker, notified the authorities of the damage when he arrived at the cemetery to cut grass.

The neighbor, who did not wish to be identified, questioned why anyone would want to do such a destructive thing. What disturbed her most was the fact that the boys appeared to be about ten or twelve years old and brazen enough to cause the damage in broad daylight. She noted the officer who came out to investigate told her, if the incident had happened at night, probably more damage would have been done. "I hope something comes of this investigation," the woman stated, "I think this is terrible."

Gage Cemetery was established in the early 1800's when the land was donated by a family who owned and farmed the land during that period. There are two Gage family plots on the grounds. The most recent burial was of an infant Narbatovics in 1959.

The neighbor said this was another example of an old cemetery going into disrepair. Until Glass was hired recently, there was no one to cut the grass or trim. Some areas are so overgrown with weeds and brush even large markers are almost invisible.

## Repairs

[Continued from Page 1]

former Kewaskum student who works for Johnson Controls, had offered to draw up specs on his own at no cost to the district. When the specs are finished, they will be sent out for bids, said Long.

Boiler room work was awarded to Albiero Company for five separate projects. Long noted many companies were not interested in the work because the job was too small and spread out throughout the district.

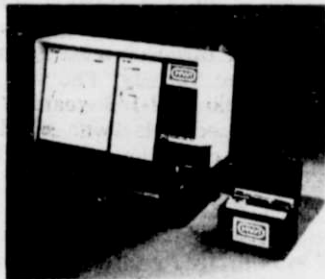

No bids were received to drop ceilings in some of the buildings, and work on the south side of the high school will be put off until Spring.

Board member Charles Ogi was surprised by the small number of bids received for the various jobs. He questioned whether they had been ad-

## Felten - Boyung

Patricia P. Felten and Daniel E. Boyung exchanged wedding vows during a 2 p.m. ceremony on Saturday, August 20, at Holy Trinity Church, Kewaskum. Father Robert Berghammer officiated.

Music for the ceremony was provided by the organist, Karen Schneider, and the soloist, Dawn Bechler.

The bride was presented in marriage by her parents, Mr. and Mrs. Wilmer Felten, Route 2, Campbellsport. Mrs. Mary Boyung, 215 Main St., Newburg, is the mother of the groom.

Michele Ziegelbauer, Kewaskum, friend of the bride, served as the maid of honor. The bridesmaids included Donna Wenzlaff, New Jersey, friend of the bride, Lori Ruplinger, Michele Blanchette and Donna Schreier, all friends from West Bend.

The groom chose his brother, David Boyung, Newburg, as his best man. The groomsmen were Jeff Chesak, Newburg, friend of the groom, Daniel Felten, Campbellsport, brother of the bride, Richard Mayer, Iowa, and Brian Groteluscheun, Newburg, both friends of the groom.

Ushering duties were shared by Ronald Felten, Campbellsport, brother of the bride, and Donald Boyung, Newburg, brother of the groom.

Following the ceremony, a reception and dinner was held at Fillmore Turner Hall.

The bride is a 1979 graduate of Kewaskum High School and is employed by West Bend Mutual Insurance Company.

The groom is a 1980 graduate of West Bend East and attended MPTI, West Bend during 1980-81, where he studied Tool and Die. He is employed by Imperial Tool and Die, Milwaukee.

The newlyweds spent their honeymoon in Hawaii and are now residing at 1577 Stonebridge Rd., Apt. 12, West Bend.

### Campus Notes

Chelli Dreher-Taylor, formerly of Kewaskum, has been cast in the University of Wisconsin-Whitewater fall dinner theatre production, "Vanities."

Directed by senior Jon

Reeves of Antigo, the play will be presented in the University Center Commons November 4 and 5, following a 6 p.m. dinner.

Chelli takes the role of Joanne, the conventional member of a trio of young women who are followed through a 10-year period spanning their 1960's days as high school cheerleaders to a bittersweet reunion in New York. It illustrates how best friends can grow up and find they have nothing in common because they have always avoided the issues.

The daughter of Mr. and Mrs. Al Barutha, Kewaskum, Chelli is married to Steve Taylor, and they make their home at Route 2, Whitewater. A senior, she is a theatre education major with minor in dance education and performance. She performed/choreographed in the Orchesis '81, '82, and '83 concerts and was choreographer for last year's "Fiddler on the Roof" and for the past summer show, "Celebration."

....

WAVERLY (IOWA) — Seventy Wartburg College students have been selected to perform with the 1983-84 Wartburg College Concert Band.

The band, under the direction of Dr. Robert E. Lee, is scheduling a Canadian tour April 15-22, which will culminate in Winnipeg and beginning plans for its fourth European tour in 1985.

Two major concerts are scheduled on campus and at the Bartels Home for senior citizens in Waverly. The first will be Martin Luther 500th Birthday Concert Nov. 5-6 and an American Gothic Concert March 24-25. The Luther concert will feature religious music, while the American Gothic concert will consist of American music. Portions of each will go into the band's 17th recording, which will be entitled "God and Country."

The band also will perform at the Homecoming Concert Oct. 23, Christmas at/with Wartburg at Cedar Falls and Waverly Dec. 3-4, the Meister-singer Honor Band Concert Jan. 14-15 and at Commencement May 20.

Members of the band include Jandelyn Hazlewood, daughter of Mr. and Mrs. John Hazlewood, Sr., 1093 Fairfield Ct., West Bend (French horn).

## Lehmann - Beck

Donna Marie Lehmann and Steven Anthony Beck exchanged marriage vows during a 2:00 p.m. double ring ceremony, Saturday, August 13, at Holy Trinity Catholic Church, Kewaskum. Father Robert Berghammer officiated.

Parents of the couple are Mr. and Mrs. William C. Lehmann, 3970 Hwy. H, Kewaskum, and Mr. and Mrs. John R. Beck, 9345 Hwy. W, Campbellsport.

Music for the ceremony was provided by Sherry Foerster, organist, Ken Feilenz and Debie Schmidt, singers.

Carol Lehmann, Kewaskum, sister of the bride, served as maid of honor. The bridesmaids were Denise Dean, Kewaskum, cousin of the bride, Sue Harlow, Kewaskum, friend of the bride, Laurie Kaehne, Kewaskum, friend of the bride, and Sharon Pretsch, Campbellsport, sister of the groom. Mary Lehmann, sister of the bride, served as flower girl.

The groom chose his cousin, Dan Wiesner, Brownsville, as best man. The groomsmen were Mike Pettit, West Bend, friend of the groom, Bill Lehmann, Kewaskum, brother of the bride, Bob Beck, Campbell-

sport, brother of the groom, and Ken Pretsch, Campbellsport, brother-in-law of the groom.

Ushering duties were shared by Mike McElhatton, Kewaskum, cousin of the bride, and Allen Wiesner, Kewaskum, cousin of the groom. Servers for the mass were Steve Lehmann and Greg Dean, both cousins of the bride.

Following the ceremony, a reception and dinner were held for friends and relatives of the couple at Amerahn Hall, Kewaskum.

The couple now resides at 6931 N. River Rd., Lot #3, West Bend.

### A NOTE OF THANKS

Many thanks to all our relatives, friends, neighbors and especially our children, for making our thirty-fifth wedding anniversary celebration a very happy and memorable occasion. Special thanks to all the bands that played and the persons who took part in the mock wedding. Thanks Again, everyone.

Eddie and Arlene Schneider

Mr. and Mrs. Theodore J. Schoofs of Kewaskum are proud to announce the engagement of their daughter, Sharon, to Jay Derks, son of John Derks, Ipswich, England, and Mrs. Betty Cartwright, Weyauwega, WI.

Sharon is an English teacher at Weyauwega-Fremont High School and Jay is currently employed at Presto Products in

Weyauwega.

A July, 1984 wedding is being planned.

Mr. and Mrs. Ronald Ellefson, 8095 Townline Road, Kewaskum, are happy to announce the engagement of their daughter, Rache'l J. Ellefson, to Cameron S. Langhoff, son of Roger Langhoff and Patsy Beaudion, also of Kewaskum.

Cameron is a 1981 graduate and Rache'l is a 1983 graduate of Kewaskum High School. He is serving in the U.S. Marines and is stationed at Pearl Harbor, Hawaii. She is a pedorthist at Dennis' Shoes and Repair, West Bend.

An August 3, 1984, wedding is being planned.

### School District Here Observes Year Of the Elementary and Secondary Schools

1983 has been declared the YEAR of the ELEMENTARY and SECONDARY SCHOOLS (YESS) in Wisconsin by Governor Anthony Earl and State Superintendent of Public Instruction Herbert Grover. During October, the Kewaskum Community School District is cooperating with the Department of Public Instruction in focusing on school libraries and media centers. "These are an integral part of the education provided all students in this district," according to James Sohns, District Media Director. "We recognize that our nation is rapidly becoming a technical and information based society, and this requires that our schools offer students the

opportunities for gaining the library/media skills necessary to search and locate information. This is a skill they will need throughout their lives. That is why students must have access to a strong library media program in their schools."

Among the library/media professionals working for this district are James Sohns (MLS), High School Librarian; Arnie Dittbrenner (MLS), Middle School Librarian; Kathy Roehrig (BLS), Librarian at Kewaskum Elementary School and also at Beechwood, Farmington, and Wayne. Drop in and visit them at the next Open House or Parent-Teacher Conference, and see what they are doing for your children.

#### MARRIAGE LICENSE

Gary Michael Zehren, Town of Wayne, and Linda Marie Rohlinger, Town of Ashford.

### Pesch - Nagel

Mr. and Mrs. Eugene Pesch of 9592 Kettle Moraine Dr., Kewaskum, wish to announce the engagement of their daughter, Sharon, to Dale Nagel, son of Mr. and Mrs. Arnold Nagel of Auburndale, Wisconsin.

An August 14, 1984, wedding is being planned by the couple.

#### MARRIAGE BANNES

Marriage bannes have been announced in the Holy Trinity Church bulletin for Gerald Straub and Chris Wierl, and James Uelmen and Kathy Ryan.

# Letters to the Editor . . .

Oct. 10, 1983

To the supporters of the Kewaskum Football team:

Although this note is long overdue, we would like to thank all the people who have cheered us on to victory in our last few games.

First, there was a two-hour ride for the Two Rivers game and the number of people who showed up both surprised and pleased us. Then it was a one-hour-plus ride for Plymouth. This time we had more fans in our stands than the home team! It felt so good to hear cheering for us when we were the visitors and it really helped.

And then last week, amid the downpour, we still had a great crowd to cheer us on to victory.

We would just like to let you know we appreciate it very much and keep it up!! See you in Sheboygan Falls!

P.O. Box 98  
Kewaskum, WI 53040

Dear Editor:

I am pleased to inform you I have introduced H.R. 4020, legislation which will amend Titles 18 and 39 of the U.S. Code to permit the mailing and broadcasting of advertisements for lotteries and other similar fund-raising activities conducted by nonprofit organizations.

I am sure you have received a number of requests from these groups asking to advertise their bingo, lottery, raffle, etc., and as you know, this is illegal under present federal law. Since most of you distribute your newspapers through the mail, H.R. 4020 will directly affect you and your readers. In a time when we are asking nonprofit organizations to help pick up the slack where federal funds have been reduced, it is

only fair we clear the federal roadblocks which prevent them from doing so.

I urge you to inform your readers and fellow editors around the country about H.R. 4020, and also urge them to contact their Representatives on this bill.

If you have any questions about H.R. 4020, please feel free to contact my Legislative Assistant, Amy Sheyer, in my Washington office.

Sincerely,

F. James Sensenbrenner, Jr  
Member of Congress

EDITOR  
Kewaskum Statesman

This letter is to express our appreciation and acknowledge the 5th anniversary of The Threshold Auxiliary.

Board Member, Doris Fisher, formed the Auxiliary so as to assist Threshold in operating their newly formed "Gift Shoppe" which was part of the new addition built in 1978.

At present, there are 34 members who either come in 2

times a month for 3 hours or do various sewing or knitting items which they donate for resale at the Shoppe.

Over the past 5 years, over \$5,000 of Auxiliary sales has been donated by them to Threshold. The money was used to purchase equipment and supplies used by staff and clients in the various rehabilitation programs available for Threshold clients and job trainees.

Of late, \$600 was donated to purchase needed supplies for the newly established Brain Trauma Unit.

Their donations do so much to offset budget deficits. They also enable the agency to do something a "little extra" for those we serve.

The Auxiliary also sponsors yearly Spring and Halloween dances which include evening meals.

Some of the members have given clerical and typing assistance as well as sew curtains for the windows of the 1978 addition.

An extra project by member Irene Merkowitz was sewing two of the new official Threshold flags to be unveiled this week to commemorate the official founding of Threshold 20 years ago.

Auxiliary members also assist

by volunteering their time by chaperoning on field trips and other special events.

All in all, the Auxiliary provides invaluable and much needed service to Threshold.

We are thankful for their sharing of their lives for those we serve.

Very truly yours,

Horst D. Wagner  
Executive Director

P.S. Anyone interested in volunteering, contact Auxiliary Chairperson Doris Fisher at 334-3640 or call Threshold at 338-1188.

### AVOID SCALDING

Nearly all scalds in children occur in bathtubs or showers. With water temp. at 150 degrees F. (66 degrees C) only two seconds immersion will produce a full-thickness burn, completely destroying the skin and requiring skin grafting. Water heater thermostat should be reset between 120 - 125 degrees F [49 degrees - 52 C]. At this safer temperature it takes about 2 minutes to produce a full-thickness burn - time enough to rescue a screaming infant or elderly bather.

### 34 Local Scouts, 10 Adults to Attend Council Encampment at Road America

Road America, the nationally-famed road racing circuit at Elkhart Lake, will host the largest encampment of Scouters ever held in Wisconsin on October 14-16.

The public is invited to join an anticipated 10,000 Cub Scouts, Webelos, Boy Scouts, Explorers, and parents and adult leaders at the racing course in celebrating the 10th anniversary of the Bay-Lakes Council, Boy Scouts of America.

Advance registration estimates submitted by Scouting unit leaders indicate about 4,000 Scouts, Webelos and Explorers and their adult leaders plan to experience the three-day event by camping on the grounds.

From Troop 744, Kewaskum, advance unit registration shows an estimated 34 Scouts and 10 leaders and parents will actively participate in this first-ever anniversary encampment.

Formed in April 1973 by the merger of six northeastern Wisconsin councils, the Bay-Lakes Council includes 23 counties in Wisconsin and Upper Michigan. Last year the council's Scouting program served approximately 42,000 boys and adults.

The public is invited to tour the grounds from 1 to 8:30 p.m. Saturday. Visitors will be able to view a myriad of displays and demonstrations, as well as experience many special events planned throughout the afternoon and evening.

Highlighting activities at the three-day encampment will be Saturday evening's gigantic campfire program from 6:30 to 8 p.m., during which the Bay-Lakes Council will be rededicated in a massive candle-light ceremony.

Special guest at the rededication ceremony will be "Green Bar Bill" (William Hillcourt), probably the best known Scouter in the nation through his articles in "Boys' Life" and "Scouting" magazines.

Featured entertainment at the arena show will be provided by the Wisconsin Singers, a

21-member troupe of University of Wisconsin-Madison students. Now in their 16th season, they will perform a 45-minute show brimming with enthusiasm and filled with precision choreography and musical numbers from today's current hits.

A variety of activities will hold the attention of Scouters and visitors alike on Saturday afternoon.

At 3:30 p.m. the "Wings of Blue" precision parachute jumping team from the U.S. Air Force Academy, Colorado Springs, Colo., will perform a routine over the encampment grounds.

Trained Guard Dogs from K.I. Sawyer Air Force Base, Mich., and their handlers will present demonstrations throughout the afternoon.

Skilled youthful riders will perform two-wheeled tactics on a BMX bike course.

Other displays open for inspection will include a military helicopter, race cars and black powder ammunition.

An impressive opening flag ceremony at 12:45 p.m., Saturday, including the lift off of a colorful hot air balloon, will signal the start of Scouting skills activities and demonstrations for the day.

Cub Scout activities will include a Cub-O-Rama, featuring some of the top-rated displays and action events from district Scout-O-Ramas; a Cubmobile race in which two Webelos from each district will compete for council honors in a soap box derby-style runoff; and the 1983 Cub Scout Physical Fitness championship pitting the top three-man teams from each district against one another for the council title.

Boy Scouts will compete for honors in a Confidence (obstacle) Course constructed by Reserve Naval Mobile Construction Battalion 25, Detachment 1125, stationed at Sheboygan. The Seabees unit constructed five obstacles, which have been placed on the raceway grounds, including: a

rope swing, log walk, rope wall, incline ladder and monkey bridge.

Additional Boy Scout challenge events will include an action archery range with moving targets and a Skill-O-Rama featuring some of the top-rated displays from district Scout-O-Ramas.

Explorer Scouts will participate in a Career-O-Rama, a display area to exhibit projects and explorer post activities, and Explor-A-Thon, fun competitive events including bicycle races, relays and contests.

Special Explorer activities on Saturday afternoon and evening include a pig roast and "Saturday Night Live," featuring special guests and activities, followed by a dance with music provided by "Excalibur."

### Dreyfus to Head Moraine Park Panel

Lee Sherman Dreyfus will head a panel of some of Wisconsin's business and education leaders in a program aimed at giving business a better idea of what the future holds. Dreyfus will be on the MPTI Campus, Fond du Lac, Friday, October 14, as part of a program, "Megatrends: Threat or Promise for Wisconsin's Business?"

Michael Annison, President of the Westrend Group and a past Vice-President with the Naisbitt Group, will be the guest speaker. Annison will focus his remarks on what he sees happening around business in the Midwest. His comments will be followed by a panel discussion of the changes participants see occurring in Wisconsin.

In addition to Dreyfus,

panelists are: Hal Kuehl, Chairman of the Board of Chief Executive Officers of First Wisconsin National Bank of Milwaukee; Dr. Robert Sorensen, State Director for the Wisconsin Vocational, Technical and Adult Education Board; Mr. Leo Walsh, Dean and Director of the College of Agricultural and Life Science at the University of Wisconsin-Madison.

leaflets for the Kewaskum Blood Drive.

The calendar sale is over and the money is to be handed in to the leaders. Each troop makes a small profit from this sale.

One date for all Kewaskum Girl Scouts to reserve is December 13. This will be the evening for the annual Christmas party for all troops.

### WOMEN'S LITTLE FIVE Joan Meilahn, Sec. 10-10-83

Some seven percent of the lawyers and judges in the country and about ten percent of America's physicians and surgeons are women.

### Girl Scouts to Have Roller Skating Party

On Monday, October 17, all the Girl Scouts from the Kewaskum area will be having a roller skating party at Skate Country in West Bend. The time for this party will be from 4:00 to 6:00 p.m.

Thursday, October 20, will be the next leaders' meeting at 7:00 p.m. This is a special meeting at which the new leaders will be invested and the returning leaders will be rededicated to the ideals of the Promise and Law.

Some of the Scout troops were busy recently handing out

## KHS Student Award Winner in State Modern Miss Teen Scholarship Pageant

Shelly Petsch was a contestant in the Wisconsin State Preliminaries of the Modern Miss Teen Scholarship Pageant which was held in Milwaukee on Sept. 2nd, 3rd and 4th at the Midway Motor Lodge.

There were nineteen contestants selected from all over the state.

The girls were judged on poise, personality, grooming and a speech or talent presentation, as well as scholastic and civic achievements. A "B" or better grade average was a requirement as well as at least ten hours of volunteer service to a charitable organization. Each contestant was requested to bring a personal scrapbook for display and for the pageant officials to judge.

For a talent presentation Shelly did a baton twirling routine to the song "Fame." Her volunteer service requirement was completed with The Threshold, Inc. of West Bend and W.B. Park Recreation & Forestry Dept., Therapeutic Recreation and it was a very rewarding experience.

There were seven Top Awards given out. They were: Miss Congeniality, Miss Photogenic, Volunteer Service, Best Speech, Best Talent, Academic and Civic Achievements. Shelly received the Academic Award for her scholastic record. She also received a \$2,000.00 scholarship for being a contestant.

Shelly is the daughter of Mr. and Mrs. Carl Petsch of West Bend. She is a freshman at Kewaskum High School, and is planning an education in the veterinary field. A special thank you goes out to all the businesses that helped to sponsor Miss Petsch.

The contestant chosen to represent the State of Wisconsin in the Modern Miss National Pageant, which will be held in Florida in January of next year, was Miss Lisa Thompson of Fond du Lac, Wisconsin.

The man leaned on the drug store counter, lighted his cigar and started to puff away. "Please stop that," said the druggist, "we don't permit smoking." "Why, I just bought this cigar here," the smoker exclaimed. "Look," said the druggist, "we also sell laxatives."

Shelly introducing herself at the pageant.

Shelly shown with her awards.

Shelly shown with her baton. Her talent was baton twirling.

## Girl Scouts Receive Marion Award

On September 25 these Girl Scouts received the Marion Award at Holy Trinity Church, Kewaskum. Father Robert Berghammer presented the medals.

The girls are, front row, left to right: Brenda Campbell, Pam Amerling, Carrie Grahl, Amy Hammes. Second row: Annette Stommel, Jeanine McElhatton, Father Berghammer, Michelle Morgan, Cammie Amerling. Not pictured are Kerrie Kudek and Jean Klahn.

### Accolades for the Apple at Riveredge Nature Center Oct. 16

A is in apple...and in soap. The public is invited to join us on Sunday, October 16, from 1:30 to 4:00 p.m. at the Riveredge Nature Center, Highway Y, Newburg, for activities, demonstrations and entertainment by the Riveredge Nature Center staff to celebrate the apple.

Old-time activities will include the making of apple butter, candle dipping, carving apple dolls, cider cranking, apple bobbing, apple crafts and apple games. Activities will be continuous throughout the afternoon with a soap making demonstration at 2:00 p.m. and musical entertainment provided by Peter Ayer.

Call Riveredge Nature Center at 931-8095 (Metro) or 675-6888 (Local) for reservations. Non-member fee: \$1 for adults, 75c for children.

### Program on Life of Monarch Butterfly At Riveredge Center

On Saturday, October 15, Riveredge Nature Center will present a program on The Life of the Monarch Butterfly. Photographer and naturalist, Curt Matzke, will illustrate with slides and narrative, the intricate and beautiful life cycle of the Monarch as well as other moths and butterflies.

The presentation from 1:00-3:00 p.m. at Riveredge Nature Center, Highway Y, Newburg, requires registration by calling the Center at 675-6888 (Local) or 931-8095 (Metro).

Non-member fee: \$1 adults, 75c children.

## Ervin Backhaus, Others Pass On

Ervin Backhaus, 81, passed away Monday, Oct. 10, at the Samaritan Home in West Bend, where he had been a resident for 30 years.

He was born in Kewaskum on August 3, 1902, to the late Fred and Fredricka Quandt Backhaus. Before moving to the Samaritan Home he farmed on the family homestead at rural Kewaskum and also was employed by the dairy in Kewaskum for five years.

Survivors include one brother, Harvey, and his wife Margaret of Fond du Lac; nieces, nephews, and other relatives and friends. One sister preceded him in death.

Visitation for Mr. Backhaus was on Thursday at Miller's Funeral Home, Kewaskum, after 11 a.m. until 2 p.m. when services were held at the funeral home with Rev. Darrell Joiner officiating. Burial was in the Peace UCC Cemetery, Kewaskum.

### LEROY W. MARQUARDT

Leroy W. Marquardt, 63, of Route 1, Florence, Wisconsin, formerly of Dundee, passed away at the Memorial Hospital in Sheboygan on Friday evening, October 7, where he had been a patient for 10 days.

He was born on September 21, 1920, in West Bend to the late William and Lillian Stern Marquardt. He had been a tavern keeper.

Survivors include two daughters, Mrs. Marion (Wayne) Elsinger of Dundee and Ms. Patricia Kucharek of West Bend; five grandchildren; a special friend and family; other relatives and friends.

Visitation was on Monday at Miller's Funeral Home in Kewaskum after 4 p.m., with services held at the funeral home on Monday evening at 7:30 p.m. with Rev. Anthony Schultz officiating. Burial was in the Peace Church Cemetery, Town of Kewaskum.

### GEORGE BINGEN

George Albert Bingen, 81, of Route 3, Campbellsport, died Sunday, Oct. 9, at St. Joseph's Hospital, West Bend.

He was born Oct. 18, 1901, at Allenton, to the late George and Genevieve Mechenich Bingen. He married Regina Beck on June 18, 1934, at St. Martin's Catholic Church, Ashford.

Mr. Bingen was a former

butcher with Boller & Keifer at Lomira. In 1941, he moved to his present home where he farmed, retiring in 1968. He was employed part-time by Kewaskum Frozen Foods for five years.

Survivors include his wife; a daughter, Mrs. Donald (Virginia) Batzler of rural Campbellsport; six grandchildren; two brothers, Joseph of Allenton and Connie of West Bend; and two sisters, Mrs. Elizabeth Felten of Kewaskum and Loretta Bingen of Allenton. Two brothers and three sisters preceded him in death.

Funeral services were held at 10 a.m. Thursday at Twohig Funeral Home, Campbellsport, and at 10:30 a.m. at St. Matthew's Catholic Church, Campbellsport, where he was a member. The Rev. Victor Kemmer and the Rev. Walter Morgan officiated. Entombment took place in Shrine of the Risen Christ Mausoleum, Calvary Cemetery.

Visitation for Mr. Bingen was after 3:30 p.m. Wednesday at the funeral home.

## Cancer Society to Sponsor Colo-Rectal Health Check Oct. 19-20

On October 19th and 20th the American Cancer Society, the Vince Lombardi Cancer Clinic and Union Prescription Centers are jointly sponsoring their second statewide Colo-Rectal Health Check. The purpose of the health check is to encourage early detection of cancer as well as other diseases of the colon (e.g. colitis, ulcers).

Governor Earl has issued a proclamation declaring October 19 and 20 Wisconsin Colo-Rectal Health Check Days.

The health check is a safe, easy, at-home procedure. Free, colo-rectal health check kits will be distributed at 25 Union Prescription Centers throughout the state, including 12 Milwaukee area locations. The American Cancer Society will provide educational materials and instructions to participants.

The Vince Lombardi Cancer Clinic will provide volunteers to read test results for all Milwaukee area Union Prescription Centers.

Last year over 5,000 Wisconsin residents participated in the first ever statewide colo-rectal health check! Union Prescription Centers, the American Cancer Society, and the Lombardi Cancer Clinic each

had a role in providing the health check.

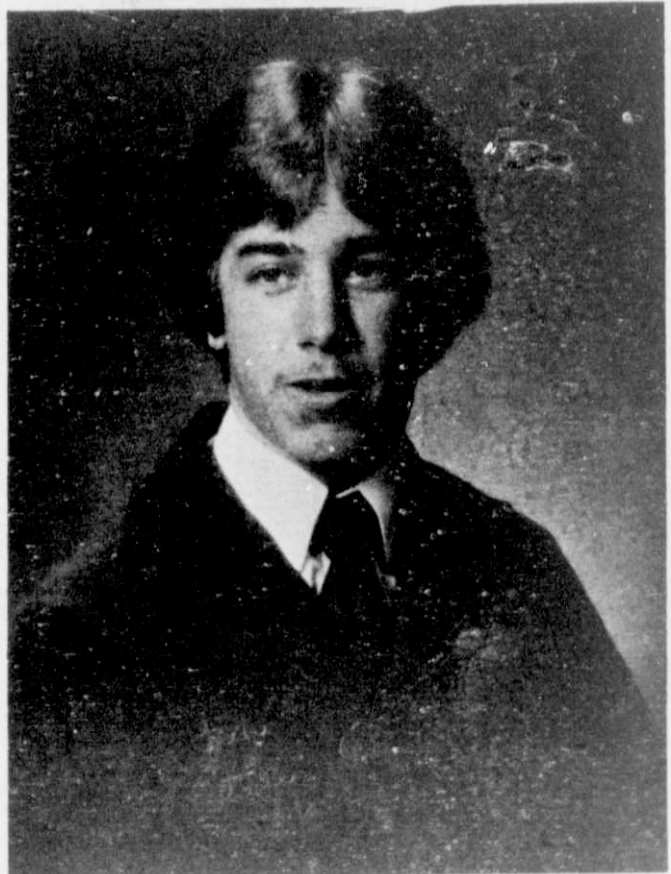

Once again Union Prescription Centers will be providing over 10,000 Colo-Rectal Health Check Kits to Wisconsin residents as a free service to the community. They hope to use this statewide event as a model for other states to follow in prompting an awareness and early detection of debilitating diseases of the colon and rectum.

The health check is recommended for those 50 years and older, the group most prone to colo-rectal irregularities.

"Oh... on your way out of town stop at the drive-in and have 'em send a gallon of ice cream with a large can of fudge topping, hmm?"

## Jon Etta Has Champion Carcass Hog at Wisconsin State Fair

Jon Etta

The Wisconsin State Fair Carcass Contest is held at Jones Dairy Farm, Ft. Atkinson, Wisconsin. Exhibitors first go through live competition at the fair. After the fair the same hogs are taken to Jones Dairy Farm where they are judged for the top carcass.

Jon Etta of 5599 Beechnut Drive, West Bend, had the Champion Carcass Hog at the Wisconsin State Fair. The 300

pound Hampshire hog was awarded champion of his class in the live competition also. The hog was 34.4 inches long. It had .8 of an inch of backfat and a loin-eye of 8.4 inches.

This is the second time that Jon has had the champion at the State Fair.

Jon is a member of the Kewaskum FFA and the Wayne Crusaders 4-H Club.

Dear friends,

A local citizen recently said, "I just can't make a personal call of sympathy when my friends are bereaved. I never know what to say." We have observed that it isn't necessary to say anything. Your presence speaks for itself. Friends mean more to a family in time of bereavement than anything else. The act of sharing their grief is deeply comforting.

Respectfully,

Fred Miller

**Myriad of Experiences Provided for Two KHS Students At Central Wisconsin Environmental Station Camp**

Mona Anderson and Troy Kuphal

Two Kewaskum High School students, Troy Kuphal and Mona Anderson, spent the week of August 14, courtesy of the local Kewaskum Kiwanis Club, exploring careers in the environment at Stevens Point, Wis. After checking in on Sunday and receiving an overview of the week ahead, Dr. Jack Heaton, from the College of Natural Resources, spoke on careers in fisheries.

Throughout the remainder of the week the students went on tours to fish hatcheries, tree plantations and paper plants, nesting areas, trout streams, water treatment plants and even to the UW-Stevens Point.

United Nations experts predict that the world population will stabilize at 1.5 billion in the year 2110.

In addition to the daily tours, notable speakers in the areas of environmental careers, lectured to the group on a daily basis. Some of these speakers included Dr. Raymond Anderson - Careers in Wildlife, Dr. Merlin Horn - Careers in Environmental Protection, Marty Wacker - careers in Parks and

Recreation, DNR warden Don Gruber - Careers in Environmental Law Enforcement and Dr. Robert Engelhard - Careers in Forestry.

In between the tours and lectures, the students went on outdoor hikes, canoe trips and other first hand experiences in the wilds of Wisconsin.

**Kewaskum Has One District**

**Tax Incremental Financing**

Property values in Wisconsin have increased by \$906.5 million (net) since 1975 as the result of development in tax incremental (TIF) districts, according to a report by the Wisconsin Taxpayers Alliance (WTA), Madison.

The WTA, a privately supported government-research and citizen-education organization, said that in 1982, 278 Wisconsin TIF districts were located in 112 cities and 72 villages. The number of TIF districts in a municipality varied from one to 7.

According to the WTA, 20 of the 25 largest communities in Wisconsin had at least one TIF district. The 42 TIF districts in these 20 communities contained 53% (\$1.081 billion of \$2.043 billion) of the total 1982 equalized value of TIF districts.

Under tax incremental financing, municipal improvements are made by a city or village to attract private development. The municipality collects its taxes and taxes for the counties and school, VTAE and special districts on the increase in TIF district property value for deposit in the TIF fund. The taxes deposited in the TIF fund are used to pay for the

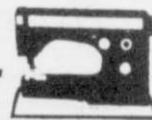

TIF district improvements, under the assumption that all governments eventually will benefit from the increased tax base once the TIF district is terminated.

The Village of Kewaskum had one TIF district as of 1982. The increased value of property in 1982 in the TIF district was \$2,059,360. The equalized property value in the TIF district was 7.06% of the total equalized property value in the village.

The WTA also said it is doubtful the number of new TIF districts created each year will increase as rapidly as in the past. One reason is a 1983 Wisconsin Act that requires a 5-member joint review board to review a proposed TIF district and approve or deny its creation. Both the school district and the VTAE district, which will lose general school aid as the result of an increase in equalized value in a TIF district, have a representative on the review board.

For a free copy of the report on tax incremental financing, write the Wisconsin Taxpayers Alliance, 335 West Wilson Street, Madison, 53703.

**SHERIFFS**

**DEPARTMENT**

Clarence A. Schwartz, Sheriff

**Failure to Stop for Ambulance and Other  
Emergency Vehicles Can Be Costly**

Failure to pull over to the right side of the road and STOP when you hear the siren of an approaching ambulance or other emergency vehicle can cost a hefty \$120.00 and four (4) points on your driving record. That's the "warning" from Clarence Schwartz, Sheriff of Washington County.

The \$120.00 is the amount recommended by the Wisconsin Judicial Association as the standard bond deposit, which includes the penalty assessment and court costs. The bond deposit is the same amount as the forfeiture in most cases, the Sheriff noted.

Wisconsin law requires that upon approach of any authorized emergency vehicle giving audible signal by siren, the driver shall yield the right-of-way and immediately drive to the right curb or right-hand edge of the shoulder, clear of any intersection, and remain stopped until the emergency vehicle has passed.

The Sheriff said that the only drivers that do not have to pull to the right and stop are those in

the opposite roadway of a highway that is divided only by a median or other physical barrier. Drivers on a physical highway that is divided only by painted signs, must stop from both directions, as do those in both lanes of a two-lane undivided highway.

"Drivers should be cautious when pulling out after the vehicle has passed, since more than one emergency vehicle may respond to the same emergency," Sheriff Schwartz concluded.

George Custer was the youngest American man ever to make rank of General in the American army—he achieved that by age 23.

**school lunch menu**

**KEWASKUM COMMUNITY SCHOOLS**

Monday, Oct. 17 — Chicken patty on a sesame seed bun, tangy sauce, buttered green beans, tater tots and pumpkin bar.

## 25 Years Ago

October 10, 1958

Mrs. Vernon Feuerhammer, 21, (nee Tackes) of the Town of Kewaskum, walked off with national honors in Tide's "Dunk for Diamonds" jingle contest. Mrs. Feuerhammer, a young mother with two children, received \$5,000 in cash from Proctor and Gamble October 9, in a formal ceremony at the Marx IGA store in Kewaskum. Mrs. Feuerhammer, who with her husband, Vernon, and family resides in the Edgar Kumrow farm home east of Kewaskum, was third place winner in the national contest. The lucky young lady had a choice between an all expense paid trip to New York City to "Dunk for Diamonds" for \$5,000 or accept the cash. She chose the cash.

On October 6, Walter Wesenberg was elected by the Kewaskum Kiwanis Club board of directors and officers to complete the unexpired term of Thomas Merriam as a director of the club. Merriam submitted his resignation on September 29. Other members of the board of directors are Gottlieb (Shorty) Walz, Charles Reigle, Lee Rose, Ernie Mitchell, Albert Hron, Lem Rosenheimer and Bruce Koth. Orv Behnke has taken over the secretarial chores, having succeeded Jack Koehn. The other club officers are: President, Ralph Marx; vice-president, Marvin Martin; and treasurer, Wayland Tassar. Five new members were received into the club. They are Fred Fehlhaber, Harry Koch, Richard Reigle, Ronald Reigle and Richard Edwards. Others rejoining the Kiwanis membership are Charles Sparks and Robert Schmidt.

Miss Kathleen Ann Merkt, daughter of Mr. and Mrs. Joseph Merkt, Route 1, Campbellsport, and Robert W. Kougl, son of Mr. and Mrs. Francis Kougl, Route 1, Kewaskum, exchanged nuptial vows in St. Matthew's Church, Campbellsport, on September 27.

A daughter was born to Mr. and Mrs. Marc Trott, Kewaskum, on September 25. Sons were born to Mr. and Mrs. Edward Keuper, Kewaskum, on

October 3, and to Mr. and Mrs. Arthur Buss, Kewaskum, on October 7. A son was also born to Mr. and Mrs. Mark Mallory, Kansas City, Kansas, on October 3. Mrs. Mallory is the former Kay Koerble, daughter of George Koerble, Kewaskum.

## 50 Years Ago

October 13, 1933

The date for the presentation of the high school operetta "El Bandido," has been set for October 30. The cast of characters includes: Alvin Krahn, Earl Kohler, Martin Gutekunst, Albert Hron, Agnes Borchert, Russell Heisler, Edward Hawig, Harold Smith, Florence Westerman and Robert Rosenheimer.

The members of the Kewaskum Fire Department will on Sunday, October 22, sponsor a Community Ball in the Opera House. This dance is given annually by the fire laddies and is always a very social affair.

Last week Friday and Saturday fish seined from Moon Lake in the Town of Auburn were planted in Forest Lake. A 350 foot net furnished by the state conservation department was used. The fish seined totaled 1,486 of which 1,425 were replanted in Forest Lake.

Miss Irene Ann Uelmen, daughter of Mr. and Mrs. John Uelmen, Fond du Lac, and Victor M. Jaeger, son of Mr. and Mrs. William Jaeger, Campbellsport, were united in marriage on Tuesday in Fond du Lac.

W. Wisnicky, director of Livestock Sanitation of the Wisconsin Department of Agriculture of Markets, reports that hog cholera was reported from two farms in the West Bend vicinity the past week.

A baby girl was born to Mr. and Mrs. Henry Stern, Kewaskum, on Monday.

## 75 Years Ago

October 10, 1908

The swamp two miles south

of Kewaskum, on the east side of the railroad tracks, has been on fire the past week. On Monday night the smoke from there was so dense in the village that people were hardly able to look across the street. The rain on Tuesday checked the fire somewhat.

The following young ladies began teaching public schools in the county last Monday: Nora Backhaus, Agnes Clark, Kathryn Schoofs, Ella Wunderle and Susan Schoofs.

L. Rosenheimer have already given away over one thousand dollars worth of dishes for coupons given with cash purchases.

A baby girl was born to Mr. and Mrs. Herman Backhaus of New Fane on September 3.

## Today's Medicine

David G. Ley B.S., R.Ph.  
PEPTIC ULCERS

More than 10% of all Americans will be treated for peptic ulcers during their lifetime. People need to be educated to help them recognize the signs and symptoms of ulcers disease to help them determine when their "stomach problem" deserves medical attention. Peptic ulcers are craters that bore through the protective lining of the gut producing the gnawing, hunger-like pain in the pit of the stomach. Ulcers without pain do occur and are serious in that untreated ulcers can become a deadly emergency.

Ulcers form when the delicate balance between the aggressive digestive forces (acid and pepsin) and the defensive forces of the stomach lining is upset. There is either too much acid secreted or some defect in the stomach lining. About half of all ulcer patients secrete less than normal amounts of acid and develop ulcers due to an insufficient lining. Ulcer disease occurs in easy-going people as frequently as in the tense, hard-driven people. Stress may tip the balance in people who are predisposed to ulcers in the first place. Other predisposing factors include 1) Heredity; 2) age, with the greatest incidence over 50 years old 3) sex, with males at a greater risk, and 4) some diseases such as chronic bronchitis, heart disease and emphysema.

There is no cure for ulcers. Treatment with antacids, drugs and surgery will heal the crater but once a person has had an ulcer it's likely to recur. The following symptoms would signal the need for a medical checkup:

- \* Stomach pain of three days duration.
- \* A pattern of relatively frequent recurrences of pain or discomfort.
- \* Vomiting of blood or of a material that looks like coffee grounds.
- \* Blood in the stool or the presence of black, tarry stools.
- \* Sudden sharp pain in the stomach.

Four goals in treatment should be 1) to relieve ulcer pain; 2) to heal the lesion(s) as quickly as possible; 3) to prevent complications, and 4) to prevent recurrences. The key to ulcer treatment is to keep acid from reaching the ulcer crater to allow natural healing. This can be done by neutralizing the acid that's being secreted with antacids. In order to be effective, antacids must be administered in doses (1 to 2 tablespoonsful) usually one hour after meals and at bedtime, and three hours after meals. Side effects to occur because magnesium-containing antacids can cause diarrhea and lower potassium levels in the blood while aluminum-containing antacids can cause constipation and phosphate depletion. Another method is to inhibit the secretion of acid with prescription medications such as cimetidine (Tagamet). Cimetidine should be taken with meals and at bedtime. You can also protect the ulcer crater by physically coating it with the prescription medication sucralfate (Carafate). Sucralfate should be taken one hour before each meal and at bedtime. Antacids, if also prescribed, should not be taken within one-half hour before or after sucralfate.

Careful monitoring your diet can also be advantageous. Avoid caffeine, cocoa, coffee, tea, alcohol and also smoking which delays ulcer healing and increases the frequency of ulcer formation. Milk, which many believe to be an effective means of treating ulcers, should not be consumed on an empty stomach as the calcium content and fat actually causes an increase in acid production. Aspirin-containing products should also be avoided if possible and use acetaminophen in reducing pain and fever, instead. Read the labels to determine if aspirin is present in your over-the-counter purchases.

Early recognition of the signs and symptoms of ulcer disease and correct, prompt medical therapy can limit ulcers to mild, uncomplicated conditions thereby avoiding surgery.

### Open House at Cousins Center

MILWAUKEE — An open house will be held at the new Archbishop Cousins Catholic Center on Saturday, October 15, from 1:15 p.m. to 4:30 p.m.

The Cousins Center, which is located at 3501 South Lake Drive in the former De Sales Preparatory Seminary complex, houses the central offices of the Archdiocese of Milwaukee and other facilities. The transformation of the new center began last fall and was completed in July.

The open house will begin at 1:15 with a dedication and prayer service in the Center's chapel. The service will be conducted by Milwaukee Archbishop Rembert G. Weakland, O.S.B., with the retired archbishop of Milwaukee, Archbishop William E. Cousins, participating. The Center is named after Archbishop Cousins, who headed the archdiocese from 1959 to 1977. Though currently living in retirement in Okauchee, Wisconsin, the 81-year-old archbishop participates regularly in various activities of the diocese.

Tours of the new center will follow the dedication. Refreshments will be served in the dining hall. All are invited to attend and meet those who staff the offices of the archdiocese.

In addition to housing the archdiocesan offices, the Archbishop Cousins Catholic Center features a retreat center, meeting rooms, and a future communications and teleconferencing area. The Center also includes the auditorium, gymnasium, dining hall, and swimming pool that were part of the former seminary.

The transformation of the De Sales Seminary into the new Cousins Center was undertaken to consolidate building space and unite archdiocesan employees under one roof. The offices were previously scattered in 12 locations, with the central offices located at 95th and Bluemound.

At the new site classrooms, dormitories, lockers, and a large study hall which were part of the old seminary have been remodeled into offices, meeting rooms, and reception areas.

The former De Sales Preparatory Seminary, which opened in 1963 as a six-year seminary (four years of high school, two years of college), expanded its curriculum in 1969 to include all four years of college. In 1979 the high school program was transformed into the Call to Ministry program, which currently operates out of the Cousins Center.

In 1982 the college ended its academic program. Seminary

college students now live at St. Francis Seminary (located next to the Cousins Center) and attend classes at Marquette University.

For more information on the open house, call 769-3453 or 769-3491.

### Genealogical Workshop Set For West Bend

A workshop to help those who want to trace their family roots will be held Tuesday, October 18, at the West Bend Library, 230 S. 6th Avenue.

The workshop, from 10 a.m. to 4 p.m., is being sponsored by the state chapter of the Daughters of the American Revolution and the local Joseph Marest DAR Chapter.

Members of the state DAR traveling lineage workshop will be at the library to offer assistance to those who may have already done some searching of their family history as well as those who would like to begin genealogical research. They will offer advice on where to go for information and official records, how to organize research, and how to apply for DAR membership if a Revolutionary ancestor is part of the family tree. Books and pamphlets on genealogical sources will also be available for use.

The workshop is open to the public and is free of charge. Visitors may come at any time during workshop hours and may bring any records, documents or books that may help DAR researchers work with them on family history.

The National Daughters of the American Revolution have a vast collection of genealogical and historical material at their library in Memorial Continental Hall in Washington, D.C. The organization also keeps thousands of rolls of microfilm which include census records, books, church and government documents useful in genealogical research.

### Valley Shareholders Increase Authorized Shares/Change Voting Requirements

At a special meeting held in Appleton, shareholders of Valley Bancorporation voted to increase the number of authorized common shares from 3,000,000 to 6,000,000 shares, and reduce the per share par value from \$5.00 to \$2.50. In another action, the shareholders approved the changing of the vote required for shareholders to adopt or approve certain actions from a minimum of two-thirds (2/3) of the total number of outstanding shares entitled to vote upon such matters to a simple majority of such number of shares.

Gus A. Zuehlke, Valley's chairman of chief executive officer, pointed out that the increase in authorized shares will give Valley greater flexibility in implementing its expansion strategies. Zuehlke pointed out that after the recent 3-for-2 stock split, common shares outstanding now total 2.7 million. In discussing the second action, Zuehlke pointed out that an increasing number of shares are registered in "street name." In anticipation that a larger portion of shares will become registered in "street name," the Valley Board deemed it desirable to lower the minimum voting requirement so that important proposals, such as amendments to the Articles of Incorporation, will not fail to be adopted because of insufficient return of proxies voting those shares. Additionally, the Board also believes that the majority minimum affirmative voting requirement, which is generally applicable to Wisconsin corporations organized after 1972, is moved closely in accord with modern corporate practice than the two-thirds requirement to which the Corporation was subject.

Chairman Zuehlke also pointed out to the shareholders that Valley's assets at September 30, 1983, had topped the billion mark at \$1,007,000,000. Valley Bancorporation serves Wisconsin through 38 banking locations with trust, data

processing, leasing and reinsurance subsidiaries.

### 4-H NEWS

By Bob Stodola  
County 4-H & Youth Agent

#### 4-H OFFERS MECHANICAL PROJECTS

Do you want to make a birdhouse, fly a model rocket or drive a big farm tractor? All of these activities and many more are possible in 4-H. Mechanical projects seem to be popular with 4-H members.

For example in the electricity project, Kevin Seideman and Bob Falk, both of the Myraneers 4-H club of West Bend selected electricity as one of their project. Bob said his goal was to learn more about alternating and direct current and find out how electricity makes something work. Both of the boys made extension cords for the home and farm.

Tim Selle of the Hi-Lite Happy Workers 4-H club of Slinger said he took wood-working because he enjoys working with wood. He made a three story birdhouse and a wall shelf. Ken Falk of the Myraneers 4-H club of West Bend wanted to learn about different kinds of wood. He made a tool cabinet of pine for their shop. He also made some candle holders and a bread tray.

Tim Selle was also interested in aerospace. He said he wanted to learn more about rockets and have fun making them.

In the bicycle project Colleen Alsberg of the Happy-Go-Lucky 4-H club in the Farmington area said she enrolled in the bicycle project to learn how to make bicycle safer for herself and others. She made a poster with 30 questions and answers on bicycle safety which she displayed at her club and at the county poster program.

Other mechanical science projects that are available to 4-H members include Auto-

motive, Handyman, Small Engines, Snowmobile and Tractor Safety. Some of the projects are mainly as a hobby or recreation such as model airplanes, while others such as tractor project are primarily for efficient and safe use of a machine used in our work.

What ever your interests may be in the mechanical sciences there is a place in the 4-H program for you. Anyone, 9 - 18 years of age is eligible. Now is the time to contact a local 4-H club or the county 4-H office at the Washington County Courthouse to find out how to enroll as a 4-H member.

**Congressman  
JIM  
SENSENBRENNER  
Reports**

**ANTI-TAMPERING BILL PASSES HOUSE**

Congressman F. James Sensenbrenner, Jr., announced that exactly one year after the first of seven victims died from taking Tylenol capsules tainted with cyanide, the House approved a bill to severely punish anyone who tampers with consumer products.

The measure was given final legislative approval and is on its way to the President. It sets penalties of up to \$100,000 and life imprisonment for meddling with products and endangering consumers' lives. This bill makes it a federal crime to adulterate foods, drugs, cosmetics, and other household products with the intent of causing personal injury or death or injury to a manufacturer, wholesaler, or retailer of the altered product.

The investigation of the terrible Tylenol deaths revealed glaring holes in the law. However, by making this a federal crime, such cases will fall under

the jurisdiction of the FBI, which should help in tracking violators down.

Sensenbrenner concluded: "I'm both pleased and relieved to see this measure pass the House, especially with Halloween festivities approaching. This new law will send a message to anyone contemplating committing such a despicable act that prosecution and punishment will be swift and harsh, so he or she had better be ready to accept the consequences of having such a callous disregard for human life."

Democracy's First Defense

**... about your  
Social Security**

By David Becker, Social Security Branch Manager in West Bend

**YOUR RIGHTS IF YOU ARE DENIED DISABILITY CHECKS**

Thinking of applying for Social Security disability checks? Or are you a disability beneficiary whose case has come up for review? If so, you should be aware of your appeal rights if a decision is made that you are not disabled.

Briefly, there are four appeal steps which must be taken in order. You have 60 days after receiving a written notice you disagree with to request an appeal at any Social Security office.

The first appeal step is called a **reconsideration**. A complete independent review of your case is made by persons who did not take part in the original decision. If you don't agree with the reconsidered decision, you can request a **hearing** before an administrative law judge (ALJ) who had no part in the original

or reconsidered decision. You will have an opportunity to state your case in person, present new evidence, and question any witnesses who may be present.

If you disagree with the ALJ's decision, you may ask for a review by the Appeal Council. And finally, you may bring a civil action in a Federal court if you aren't satisfied with the Appeals Council's decision.

A temporary provision may affect you if you are a disability beneficiary and you receive a notice dated January 12 through September 30, 1983, that you are no longer disabled. It also applies if you have a reconsideration or hearing pending over this issue. However, the provision does not apply if a decision is made to stop your benefits because of work activity.

Under this provision you can elect to have your monthly payments, and Medicare if you have it, continue through the first two appeal steps (but no later than June 30, 1984). You must request this **within 10 days** after receiving the notice for each decision. If you lost your appeal, however, you may have to repay payments received during your appeal.

For more information about your rights to appeal, contact any Social Security office, or call 1-800-242-9946.

Lyndon B. Johnson was the first President to be sworn into office on an airplane.

**Owners of Real Estate  
in Washington County**

**Take Notice!**

On October 18, 1983, and the next succeeding days, Fredric A. Seefeldt, Treasurer of Washington County, will at the courthouse at West Bend, Wisconsin, sell to Washington County so much as may be necessary of each tract of land upon which the taxes have been returned as delinquent and are on said date still unpaid, for the payment of the taxes and interest due thereon. This sale will include all real estate listed in the county treasurer's official records of delinquent taxes for the tax levy year 1982, except public lands held on contract and land mortgaged to the state. If you are in doubt as to whether the taxes on your land are paid, consult the county treasurer.

**Pay Your Taxes Now**

By so doing you will prevent sale of your property for taxes and you will stop the further addition of interest charges.

**THIS SALE IS NOT OPEN TO THE PUBLIC. THE COUNTY WILL PURCHASE THESE DELINQUENT TAXES.**

# FIRE PREVENTION WEEK OCTOBER 9-15

## Village Board Meeting Monday

Public notice is hereby given that the next meeting of the Village of Kewaskum, Wisconsin, Village Board is scheduled for Monday evening, Oct. 17, 1983, at 8:00 p.m. in the Council Room of the Municipal Building, 204 First Street.

The agendas for meeting are prepared as of Wednesday noon preceding the meeting and are available at the office of the clerk at the Municipal Building on Thursday preceding the meeting.

Copies of the agenda are also posted in the lobby of the Kewaskum Post Office and lobby of the Valley Bank.

William Martin, Clerk

## Special Meeting of Board of Education

There will be a special meeting of the Board of Education of the School District of Kewaskum at 7:30 p.m. on Monday, October 17, 1983, in the high school library. The only agenda item is to pass the tax levy.

## TOWN OF WAYNE Monthly Town Meeting

The monthly town meeting will be held at 8:30 p.m. Thursday, Oct. 20, 1983, at the Town Hall, 6108 Wayne Center Drive. The agenda is as follows:  
 • Monthly bills to be audited and paid.

Other matters to be brought before the board.

Orville Kern, Clerk

## School Board, KEA To Meet Oct. 25

The next negotiation session between the Kewaskum School Board Negotiations Committee and the KEA will be Tuesday, October 25, 1983, at 4:15 p.m. in the high school library. This meeting is closed to the public.

How do you observe Fire Prevention Week in your community? Are there speeches and parades declaring the purpose of this nationally celebrated week in October? Is the fire department's new equipment and rescue gear displayed to the public with children given free rides on the fire trucks? Are there public awareness programs and community demonstrations of firesafety? Does your community stress physical fitness and firesafety together by holding a Fire Prevention Week Road Race?

This year, in addition to these activities, let October 9-15 be the starting point for a year-round focus on firesafety. Practice this year's Fire Prevention Week theme — Learn Not To Burn All Through The Year — every day, every season.

### FALL

Fall is a perfect time to be outdoors — camping, fishing, or just strolling. It's also the season when people begin to plan for the best way to keep families warm during the coming winter months.

Here are some timely tips to keep everyone safe from fire at this time of year.

• If camping, make sure your tent is made of a fabric that's flame resistant.

Remember to pack a flashlight and enough batteries to use as a source of light in your tent. Never use candles or matches.

When building a campfire, place it downwind of your tent. Don't try to hasten the burning by using gasoline or other flammable liquid starters. A flash fire can result, causing death or serious injury.

• If your home has a fireplace, make sure the chimney is professionally inspected and cleaned before the heating season to get rid of obstructions and creosote accumulation. (Creosote is formed when wood burns in a fireplace or in a stove. Some escapes with smoke and some builds up in the chimney. A significant creosote build-up can result in a serious chimney fire.)

Have your furnace serviced by a professional to make sure it's in good working order for the coming heating season.

### WINTER

With the winter season comes the time for home heating, including using fireplaces and woodstoves. It also means the holiday season, which presents some special fire problems. Follow these

tips for a firesafe winter and for firesafe holidays.

• Never start a fire in the fireplace or in a woodstove by using gasoline or other flammable liquids!

Always keep a fireplace screen in front of the fireplace to prevent burning logs from rolling out or sparks from leaping out.

Never leave a fire unattended. Make sure it is out when you leave your home or go to bed.

If you use a portable heater, be sure it is placed away from combustibles — paper, drapes, furniture.

The surface temperature of some portable heaters may reach 500°. Keep a careful watch on children and keep them away from heaters. Hospitals are treating an increasing number of patients with burns resulting from contact with the outside surface of some portable heaters.

• Choose a Christmas tree that does not have shedding needles. Keep it standing in water while it is in the house. If you use an artificial tree, be sure that it is flame retardant.

The holidays mean parties and celebrations. Make sure that enough large ashtrays are available for guests who smoke. Before going to bed, check upholstered chairs and sofas for smoldering cigarette butts carelessly discarded.

Check a fireplace or woodstove to make sure embers are out, too. Remember: the majority of residential fires occur during the winter months and the leading causes are cigarettes and heating equipment.

### SPRING

Spring is here again. That means it's time for spring clean-up. Clean out the attic, basement, workshop, and storage areas. Bring out the power mowers and chain saws to begin outdoor clean-up.

• Clean out all storage areas and throw out any trash, especially combustibles like old newspapers and magazines, boxes, and old wrapping paper.

Make sure the workshop and garage are clean. Throw out old rags and those scraps of wood that will never be used.

• Never smoke when fueling gas-powered lawn mowers or chain saws. Gasoline vapors can travel along the ground and be ignited by a nearby flame.

Always fuel outdoors, not in the garage. Move ten feet from the fueling spot and then start the motor.

Store gasoline in a special safety can

designed for gasoline storage. Keep the stored gas away from children, sparks, or a flame source and in a ventilated area.

### SUMMER

Bring on the hot dogs and hamburgers! Get out the grills! Summertime is here! Follow these tips for outdoor firesafety.

• When cooking outdoors, do not use flammable liquids near live coals. An explosion or flash fire could be the result. The safest fire starters are chemicals in cake form or a charcoal electric igniter (labeled by a testing laboratory, such as Underwriters Laboratories, Inc.).

When finished cooking, soak the coals with water. Make sure they're "out" before you leave. Smoldering coals that appear to be "dead" can re-ignite as much as a day later.

If you're using a propane gas grill, always have a match lighted and in position before turning on the gas. Never try to fix a malfunctioning propane grill; have an experienced professional check it.

Do your cooking on portable grills — charcoal or gas — outdoors, away from the house. Never cook on a grill indoors or on a porch.

• When the Fourth of July arrives, people plan their cookouts and find a good place to view the fireworks. Personal use of fireworks is illegal in many states. There is no such thing as "safe" fireworks. Each year hundreds of children and adults are hurt by them. So, use your good sense and let the professionals display the fireworks.

### FIRE PREVENTION WEEK OCTOBER 9-15

We have given you some tips on the proper thing to do in potential fire situations. Although segmented by season, you can see that many of these behaviors are not confined to seasonal boundaries. So, Learn Not To Burn All Through The Year.

The Bahamas consist of nearly 700 islands and about 2300 rocky islets and reefs.

## Fine Homes from Continental

#281 NEW LISTING. Priced to sell with more than you would expect at \$59,900. 3 bedrooms, 1½ baths, excellent family room with fireplace and lovely deck off patio doors. 6 year old ranch is located near Kewaskum's new park at the end of a quiet street. Truly worth seeing.

# Indians Blow Out New Holstein 35-0, Take Over Undisputed Lead

Despite rain and a soggy field, the unbeaten Kewaskum Indians, with their strong running attack, blew out winless New Holstein at home Friday night, 35-0, for their sixth straight victory without a setback. The Indians are now 3-0 in conference and 6-0 overall.

With the victory, Kewaskum took over sole possession of first place in the Eastern Wisconsin Conference as Kiel was defeated by Sheboygan Falls, 10-0, for its first loss.

This was the Indians' third shutout in their six contests, having previously blanked Horicon, 30-0, and Milwaukee Juneau, 52-0. With their powerful offense and strong defense, the Indians have outscored their opponents by a one-sided 188 to 27 margin in six games. Only Two Rivers has scored more than six points against Kewaskum with 15.

Against New Holstein, the Indians slogged through the mud for 431 yards rushing, their third game in which they have rushed for over 400 yards. Kewaskum's ace halfback, Jim Braun, scored four touchdowns in trampling the Huskies. Although playing only part of the game with his team's dominating lead, Braun ran through the New Holstein defense for touchdown runs of 13, 70, 5 and 1 yards and gained 157 yards in 13 carries. Brad Dieringer gained 143 yards in seven carries, an average of more than 20 yards per carry, and Chris Harlow added 77 yards in 10 carries.

Kewaskum wasted no time in getting rolling against the Huskies. Just three plays into

## JVs Win, Frosh Defeated Again

Kewaskum JVs came from behind with a last quarter touchdown by fullback Greg Dreher to squeeze out a 13-12 victory over New Holstein Thursday, but the freshmen lost again, 22-8.

A pass interference call helped set up the Indians' winning score and a roughing the kicker call aided them in their first score in the second quarter. A Rick to Jack Aupperle pass and Randy Delcore's kick put the JVs ahead, 7-6 after a 25 yard pass play from Staehler to Ken Miller.

Staehler passed for 94 yards. Dreher and Daryl Ritchie rushed for 28 and 25 yards respectively. The visitors out-gained Kewaskum by 90 yards but the Huskies had 85 yards in penalties.

Defensively Mark Johnson, Aupperle and Staehler were in on a lot of tackles.

The JVs are now 1-2 in the EW conference and 3-2 overall.

The freshmen fumbled several times and were charged with a number of penalties. Their only score came in the final quarter when Mike Coulter ran 65 yards on a screen pass. Coulter passed to Kevin Geldreich for the two-point conversion.

The setback dropped the frosh to an 0-3 record.

the game fullback Harlow found a hole in the line and sprinted 47 yards before being tackled at New Holstein's 34. Braun picked up a first down and then slipped outside for a 13-yard touchdown. Dieringer's kick made it 7-0.

In their first series, the Huskies were unable to move and their first of six punts followed. Immediately the Indians were off and running again. In just two plays they scored again with Braun going almost untouched 70 yards around right end down the sidelines. Going well downfield, tackle John Swanson blocked the final Husky defender, springing Braun loose for the last 15 yards.

Kewaskum got another first quarter drive going but it was stopped when Braun fumbled and on their series of downs the Indians moved to the Huskies' 12-yard line before running out of downs.

About halfway through the second quarter, Kewaskum came up with another big play. This time wingback Dieringer went 67 yards on a play to the outside. The Huskies' Rich Pethan stopped Dieringer at the four-yard line but two plays later, Harlow powered it in from the one.

New Holstein finally succeeded in picking up two first downs in the second quarter but safety Jeff Squier eliminated any ideas the Huskies had of scoring when he intercepted a Brian Daun pass just before the half. After the steal the Indians tried a double lateral to keep the ball moving but Dennis Butz was finally tackled to end the half. Kewaskum scored seven points in the second period to bring the score at the intermission to 21-0.

It rained harder in the second half, but the Indian offense continued to roll, scoring twice, once in each quarter, on drives of 59 and 80 yards, with Braun going the final five and one yards in the drives. Dieringer helped bring on the first score with a 36-yard run. He and Rick Heberer were responsible for 60 of the 80 yards on the other.

At one time in the third quarter, New Holstein threatened. After runs by Pethan and Tim Mueller, the Huskies drove to the Indians' six-yard line but then Braun nailed Daun for a 10-yard loss and they decided to go for a field goal. Daun's 27-yard attempt was wide and the Indians were able to preserve their shutout.

Considering the soupy night, there were few fumbles, with each team losing just one. Linebacker John Gundrum had a recovery for Kewaskum. There were few passes because of the weather but this failed to keep the Indians from getting into the end zone.

Squier led KHS in tackles with 11 with many other individuals contributing defensively. Rick Heller, Gundrum and Doug Miller all played well and finished with more tackles than usual. Defensive Dave Pesch, because of an ankle injury, played only about a quarter and did well. He should be back at full strength this week and reserve linebacker Brian Kober got poked in the eye.

This Friday the Indians face another key game and very important one at Sheboygan Falls. The Falcons are 5-1 overall and 2-1 in conference. They are also very tough at home. A victory at Falls could possibly help Kewaskum close in on their first championship in the Eastern Wisconsin. And remember, the Falcons ranked Kiel out of the unbeaten ranks last week.

## Spikers Lose to Plymouth, Flat in Grafton Meet

The inconsistent Kewaskum girls volleyball team, after losing their first four matches and then winning in four straight, were flat in two more matches last week.

Thursday they lost to Plymouth and Saturday the girls tied for third in a four-school meet at Grafton. Against Plymouth the Indians were making some poor bumps off the serves and couldn't get the ball to a spiker.

The score was just 2-1 after all six players on both teams had served. Kewaskum did take the lead at 9-5 but were outscored 10-2 the rest of the way. The visiting Panthers took the next two games, 15-2 and 15-6.

Kettle Moraine was the winner in the Grafton meet with a 5-1 record. Host Grafton was next with a 3-3, and Kewaskum and Shorewood wound up 2-4.

The Indians just did not move, said Coach Dave Rizzardi, who was disappointed in their showing. Kewaskum faced the eventual champions first and after losing a close game, 14-16, their ambition dropped. The team's only wins came against Shorewood.

The only good news was that all-conference senior Julie Koepke was back in action after being out with a pre-season injury.

## KHS Boys 1st, Girls Last in Kiel Quadrangular, Boys 4th, Girls 5th in Cougar Invitational

The Kewaskum boys finished first and the girls last in an Eastern Wisconsin quadrangular cross country meet at Kiel last Tuesday.

Junior Monty Shaw led the Indians by winning the boys event over 23 other runners. Shaw's time of 16:17 was by far his best of the season.

Kewaskum wound up with 43 points, the same total as Plymouth, with the Indians taking first on the basis of a better finish by their sixth runner. Sheboygan Falls was third with 60 and Plymouth next with 88.

Another Kewaskum junior, Gunner Schleiter, continued to improve, taking sixth with a 17:19. Paul McFadden was right behind in 17:20.

The girls ran into tough competition against Kiel and Sheboygan Falls, who have been doing well. Kiel was first with 31, followed by Falls with 44, Plymouth 64, and Kewaskum 69.

Sandy Klein again was the first Indian runner across the line. She placed ninth with a 13:38.

## EASTERN WISCONSIN CROSS COUNTRY

Kewaskum finishes — Boys: 1. Shaw; 6. Schleiter; 7. McFadden; 14. Kyle Vogt; 15. Steve Hubbel. Girls: 9. Klein; 11. Lori Batzler; 18. Sheri Batzler; 19. Mary Harju; 20. Mary Murre.

Campbellsport won the boys division of its own invitational Thursday with two of its runners finishing in the top five and the others in the top 15. In the girls division Sheboygan Falls was the winner, finishing by seven points over Slinger.

Individual champions were Tim Schraufnagel of Campbellsport with a fine 16:52, and Omro's Rene LeBerge, who edged Cathy Vandermar of the Cougars by six seconds, 11:56 to 12:04.

The Kewaskum boys were fourth out of the 10 schools. The Indians' Monty Shaw, came through with another strong effort, taking third just 10 seconds behind Schraufnagel.

The Kewaskum girls had two medal winners with juniors Sandy Klein and Lori Batzler finishing in the top 10.

This week Kewaskum was involved in the conference meet at Sheboygan Falls on Wednesday.

## COUGAR INVITATIONAL

**Boys**  
(Team scores)  
Campbellsport 45, Plymouth 88, Slinger 94, Kewaskum 100, WLA 142, Winneconne 155, Sheboygan Falls 161, Omro 165, Berlin 215, St. Mary's Springs 258.

(Top individuals-5,000 m)  
1. Tim Schraufnagel, C, 16:52. 2. Paul Kolell, WLA, 16:58. 3. Monty Shaw, K, 17:03. 4. Jeff Meyer, C, 17:09. 5. Darren Winter, SF, 17:12. 6. Ross Gosse, P, 17:19. 7. Larry Gundrum, SL, 17:25. 8. Pat Fees, O, 17:29. 9. Barry Mayhew, P, 17:29. 10. John Lanpheer, Win, 17:29.

**Girls**  
(Team scores)  
Sheboygan Falls 57, Slinger 65, Campbellsport 94, Plymouth 105, Kewaskum 120, St. Mary's Springs 174, Berlin A, 200, Winneconne 215, WLA 231, Berlin B 363.

(Top individuals-3,200 m)  
1. Renee LeBerge, Omro, 11:56. 2. Cathy Vandermar, C, 12:04. 3. Melody Thurman, SF, 12:09. 4. Sara Gilles, SF, 12:11. 5. Brenda Kleinhaus, P, 12:19. 6. Angie Curtes, SL, 12:23. 7. Sandy Klein, K, 12:30. 8. Kelly Harner, P, 12:33. 9. Lori Batzler, K, 12:43. 10. Cheryl Becker, Spr, 12:44.

## KHS Powder Puff Football Game Here

There will be a "Powder Puff" football game held at the Kewaskum High School football field on Wednesday, Oct. 19, at 5:30 p.m. The senior and freshman girls will defy the junior and sophomore girls.

## WEDNESDAY NIGHT QUEEN HITS

Everglades 12-3; Strobel's Bar 11-4; Herman's Const. 10-5; Dundee S & G 9-6; Les & Arlenes 9-6; Robbies Bar 8-7; Charles 7 1/2-7 1/2; Baumann's Bus 7-8; Laurie's 7-8; Johann Plumbing 7-8; Bauer Spraying 6-9; Regal Ware 6-9; Firstar Bank 6-9; O'Brien Bros. 5 1/2-9 1/2; Newsettes 5-10; Fin-n-Feather 4-11.

Highlights: Darlene Sabish 210 (572); Carol Dornbrook 207; Karen Grahl 206; Kathy Rohlinger 552; Pat Serwe 532.
