## Dominate Kewaunee, 23-0

# Indians Win First Playoff Game

[Playoff photos on page 19]

By DENISE LEONG

The Kewaskum Indians totally dominated their WIAA quarterfinal game at Kewaunee Tuesday night and won easily by the score of 23-0. Offensively and defensively, the Kewaskum Indians were impressive, gaining 366 total yards while holding Kewaunee to 144 total yards.

The Indians scored quickly in the first quarter on a 25-yard touchdown pass from Mark Follmann to Rick Heberer. Brad Dieringer's extra point gave the Indians a 7-0 lead.

However, the Kewaunee Indians seriously threatened on their next possession, driving the ball 42 yards to the Kewaskum 1 yard line. The Kewaskum defense stiffened and made a spectacular goalline stand

which devastated Kewaunee's momentum.

## Reedsburg Next In Semifinals

With their victory over Kewaunee [Packerland Conference champions] in the WIAA Division 3 quarterfinal playoffs Tuesday night, Kewaskum now advances to the semifinals, playing Reedsburg [South Central Conference champions] at 1:30 p.m. Saturday, Nov. 5, in Kewaskum. Reedsburg clobbered Little Chute, 48-17, in their playoff game Tuesday night, which indicates the Indians will be in for a tough afternoon. The winner of this game advances to the state finals at Camp Randall Stadium, Madison.

In the second quarter, the Indians wasted no time and ground out 99 yards to score again. Chris Harlow's 2-yard touchdown run and Brad Dieringer's extra point made the score 14-0.

Kewaunee tried again to move the ball against a solid Kewaskum defense. Their drive was stopped by a Dennis Butz interception on the Kewaskum 18-yard line. Neither team, however, was able to score for

the rest of the second quarter.

In the 2nd half, the Indians continued their strong defensive play, led by Dave Pesch and Brad Dieringer. Another drive by Kewaunee was stopped when Butz intercepted his second pass for the night.

Offensively, Chris Harlow, who rushed for 177 yards on 16 carries, set up another scoring drive with a 60-yard run. Dieringer then kicked a 24-yard field goal, making the score

17-0. Kewaskum's final score came when Follmann, who was 7 of 11 for 111 yards, hit Butz for a 7-yard touchdown pass. The extra point was missed, making the score 23-0.

Two last attempts to score by Kewaunee failed as Tim Landvatter and Tom Herriges intercepted two Joe Kassner passes.

On an extremely foggy night, the hordes of Kewaskum fans were treated to an exciting and well-played game.

## Son of Kewaskum Area Couple Headed Capture of Grenada Coup Leader

Gy/Sgt. Michael Stelzel

By GERRY MUELLER  
Statesman Staff Writer

On a tip from friendly Grenadians, a raid led by Gunnery Sgt. Michael Stelzel, of Jacksonville, North Carolina, resulted in the capture of former Grenadian Deputy Prime Minister Bernard Coard, reported mastermind of the coup which prompted the United States invasion of Grenada.

Stelzel, the son of Mr. and Mrs. Kenneth Stelzel, 540 Highway S, Kewaskum (New Fane), told reporters, "the big thing he (Coard) kept saying was, I'm not responsible, I'm not responsible."

Coard and five others were captured by the 14-man patrol. They included Coard's wife Phyllis, Lt. Col. Lionel James, a member of the Revolutionary Council and "Mobilization Minister" Selwyn Strachan,

and two unidentified men.

Stelzel said he and his men expected resistance after he shouted twice for the occupants of the house to come out and he received no reply. Just before he gave the order to fire, the six came out.

Stelzel and his unit had been enroute from Camp Lejeune, North Carolina, to Beirut,

## Police Investigate Foreign Objects in Trick or Treat Candy

Kewaskum police are investigating two reported incidents of parents finding foreign objects in their youngsters Halloween candy.

"Trick or Treat" was held Sunday afternoon from 3:00 to 5:00. See Halloween pictures on another page.

Lebanon, as replacements for those killed in last week's bombing when they were diverted and sent to Grenada.

Stelzel, 31, has been in the Marines fourteen years. He also served in Viet Nam. He now lives in Jacksonville with his wife Rose.

Stelzel's parents said they had heard nothing more about their son since his wife had notified them he had been sent to Grenada. "All we know is he was on national TV because of the capture," said Kenneth Stelzel.

## KHS Musical Rescheduled

Due to the Kewaskum Indians' football playoff game being held here Saturday afternoon, the high school musical "South Pacific" has been rescheduled from Friday and Saturday, Nov. 4 and 5, to Tuesday and Wednesday, Nov. 8 and 9. Both of these performances will begin at 7 p.m. The special senior citizens performance will be held Monday, Nov. 7, at 12 noon.

Ticket prices are \$2.00 for students and \$3.00 for adults. Tickets may be purchased from the cast members or by calling the high school at 626-2166. Tickets are not required for the senior citizen performance.

If you have already purchased tickets for Friday, please use them for Tuesday. Saturday tickets will be good for next Wednesday's performance. If you cannot use your tickets for the correct night, please stop at the high school office to exchange them.

## Indian Highlights...

By Bill

This year's Indian football team has to be rated among the best if not the best in the history of Kewaskum High School. They finished a perfect 9-0 conference season and won their first playoff game over Kewaunee in a 23-0 shutout. They piled up 292 points, while their strong defense held the opponents to 68 to date. Four of their victories along the way were shutouts. And they competed in a very strong conference, the Eastern Wisconsin, in which Two Rivers has gone to state three times, winning last year, and Plymouth also won the state title several years ago.

Friday night's game against Chilton, as were all home games, was again shown on cablevision on station WBCC, channel 18. Tuesday night's playoff game against Kewaunee was also recorded on cablevision and scheduled to be shown on Wednesday, Thursday and Friday evenings. The Kewaunee contest was also broadcast live over radio station WBKV, West Bend, which will also broadcast Saturday's semifinal game here against Reedsburg.

The same old stuff—a devastating ground game and a good passing attack—has been very effective so far for the Indians, who were noted for their many long, breakaway runs during the season through

big holes opened by their effective line.

Three busloads of adult and student fans from Kewaskum made the long trip to Kewaunee on a foggy night Tuesday to see the Indians win the quarterfinal game.

Green T-shirts were sold at Friday night's game by the Kewaskum Indians Booster Club, bearing the inscription "Kewaskum Indians, 1983 Eastern Wisconsin Conference champions." Even the head bartender at the Brig-O-Doon was sporting one after the game and we purchased one for our one-year-old grandson, even though they came only in a large size.

Tickets were sold and the game ball was also raffled off Friday night and was won by Dave Drexler (the guy with the Halloween mask).

Village President Gerald Stollenwerk informed us that he called the Kewaunee mayor to place a small wager on the playoff game. Easy winning Gerry!

And next the fans can pick up the chant "Here we go Indians, here we go" Saturday afternoon when Kewaskum faces Reedsburg, champions of the South Central Conference, in a WIAA Division 3 semifinal playoff game on the home field. The winner goes to the state championship game at Camp Randall Stadium, Madison. A huge crowd is expected here Saturday. Good luck Indians!

### KHS Key Club To Sponsor Turkey Dinner

Once again the Kewaskum Key Club will host their annual free turkey dinner for senior citizens of the area. The dinner will be held at the Kewaskum Middle School on Sunday, November 13, from 4:00 - 6:00 p.m. People who attended last year's dinner will receive an invitation in the mail. Any senior citizen who doesn't receive an invitation and wishes to attend is welcome. All they have to do is show up on the 13.

Key Club is the largest student-service organization in the U.S. with over 475,000 members throughout the U.S. and six other countries. They are an integral part of the Kiwanis family which includes the adult Kiwanis Club, college clubs called Circle K and the high school clubs which are the Key Clubs. The Key Club of Kewaskum High School is sponsored by the Kiwanis Club of Kewaskum.

### FHA Chapter to Sponsor 'Breakfast With Santa' Dec. 17

The Kewaskum High School FHA chapter will be sponsoring a "Breakfast with Santa" on December 17, at 9:00 a.m. in the high school cafeteria. A breakfast will be served consisting of scrambled eggs, sausage, sweet rolls, fruit juice and milk/coffee. Santa will make an appearance and hand out a "goody bag" to the children. The swing choir will be performing and a short play will be put on. The cost is children, \$1.50; 12 and over, \$2.50.

Advance ticket sales only. Tickets can be ordered by calling the high school office at 626-2166 or from any FHA member. Proceeds will go to a scholarship fund. Tickets will be on a first come basis and should be picked up by Friday, Dec. 9. Tickets go on sale Monday, Nov. 7.

### Woman's Club to Meet at Hron Home

Members of the Kewaskum Woman's Club will meet at the home of Albert and LaVerne Hron on November 10, at 7:30 p.m. The speaker will be Joseph Harlow on "Computers."

Hostesses are LaVerne Hron, Mary Miller and Noreta Kluwin. Call hostesses for regrets only.

### Girl Scout Bake Sale At Holy Trinity Sunday

With the month of November here and a chill in the air, you can be sure that every mother that has a Girl Scout in her house is busy baking for the annual Girl Scout Bake Sale. It is going to be held for the Kewaskum Scouts this Sunday, November 6, at Holy Trinity Church. It is from 8:00 to 12:00 noon.

All proceeds go to the individual troop funds. This money is used to pay for craft items and activities.

There will also be a chance to sell uniforms that are no longer needed. Please bring the uniform to the church with your name and price on the uniform-return after the bake sale to claim the money or uniform.

On Monday, November 7, the Girl Scouts at Farmington will hold their Junior Fun Day. This is a day for all Junior troops to

do a variety of activities. At 3:00 all the troops meet for a delicious cookout to add a final touch to a well planned day.

### Funeral Directors District Meeting Hosted by Millers

The Lakeshore Funeral Directors District of Wisconsin held their dinner meeting on Wednesday, October 26th at the Hon-E-Kor Country Club in Kewaskum. A slide program on the much publicized AIDS syndrome was shown and information was given on special handling of such cases. Mr. and Mrs. Edw. E. (Pat) Miller were hostesses for this meeting.

### POST OFFICE HOURS ON VETERAN'S DAY, NOV. 11

The Kewaskum Post Office will be closed for window service on Veteran's Day, Friday, Nov. 11, a legal holiday. The lobby will remain open for lock box patrons. There will be a dispatch of mail. There will be no rural delivery.

## Heberer Bros. Construction

ROGER, NORMAN and BILL

### Child Drives Truck Into Car

Michael Nitschke of Kewaskum left the keys to his truck above the visor and his two-year-old son Scott "drove" the vehicle into the side of a parked car on Monday afternoon, Oct. 24.

According to police reports, Nitschke had left the young boy belted in the truck while making a stop at the Regal Ware Outlet Store in Kewaskum. Scott apparently took the keys from the visor, placed them in the ignition, and put the truck into gear. The truck proceeded across the lawn and struck an automobile parked on Fond du Lac Ave.

Police said there was minor damage to the automobile. Scott was not hurt.

During the American Revolution, many brides did not wear white wedding gowns; they wore red as a symbol of rebellion.

**SAVE!!!** Select your furniture at Miller's in Kewaskum. Largest selection, high quality at most reasonable prices. Open daily until 5:30, Monday and Friday to 9:00 p.m. Free dependable delivery.

### Fall Story Hour Concludes

"The Farmer in the Dell" took on a different character in the Halloween week of the KJWC sponsored pre-school story hour, held in the Kewaskum public library.

Throughout the six week session, children heard stories, played games, and participated in songs and finger plays. Special emphasis was placed on topics including colors, numbers, days of the week, families, seasons and animals. Each child was given a new book to take home to read each

week, and encouraged to continue to visit the library after the conclusion of story hour.

Mrs. Mary Mertz, KJWC Arts chairman, has indicated area residents can look for a spring session of the pre-school program due to the continued success and support from club and community members.

The Juniors would like to thank the municipal building and library staff for their cooperation and use of the facilities.

The marriage vows of Lizbeth Kay Ogi and Todd Howard Dock were exchanged during a 4:00 p.m. candlelight double ring ceremony at Peace United Church of Christ, Kewaskum, on Saturday, August 20. The Rev. Darrell Joiner officiated.

Parents of the couple are Dr. and Mrs. Charles J. Ogi, Kewaskum and Mr. and Mrs. Wayne H. Dock, Milwaukee.

Music was provided by Mrs. Judy Lewis with Mrs. Robin Foerster, friend of the bride and Dr. Gregory Ogi, brother of the bride, as soloists.

The bride was presented in marriage by her father.

Mrs. Chris Schoofs, Kewaskum, was matron of honor. Bridesmaids were Lauren Brown, Milwaukee, friend of the bride, Melinda Dodgen, Dayton, Ohio, cousin of the bride, Karen Kessel, Madison, friend of the bride and Wendy Warner, Oshkosh, friend of the bride. Personal attendant was Leslie Dock, Milwaukee, sister of the groom.

Peter O'Brien, Milwaukee, was best man. Groomsmen were Bruce Brueckner, Milwaukee, friend of the groom, Dr. Gregory Ogi, Kewaskum, brother of the bride, Gregory Friz, and David Poulson, both friends of the groom.

Ushering duties were performed by Mitchell Ogi, Kewaskum and Kenneth Ogi, Rice Lake, brothers of the bride.

A reception and dinner was held at the Dillon Inn, West Bend.

The bride is a nursing student at UW-Oshkosh and the groom is also a student there.

After a honeymoon in northern Wisconsin and Michigan, the newlyweds are making their home in Oshkosh.

### Campus Notes

STEVENS POINT — Kevin Chesak, 480 Knights Ave., Kewaskum, has been elected vice president-secretary-treasurer of the Chess Club at the University of Wisconsin-Stevens Point.

The purpose of the organization is to enable members to play the game, conduct chess competition, provide instruction, entertainment and social life for members and promote the popularity of the game of chess.

Chesak is a 1982 graduate of Kewaskum High School and a freshman majoring in water resources at UW-SP.

Steven K. Schaefer and Gloria A. Klosterman, both of Platteville, were united in holy matrimony on Saturday, October 29, at 1:00 p.m. at St. Augustine Church, Platteville. A reception at the VFW Hall followed the ceremony.

Those who attended from Kewaskum were the groom's mother, Mrs. Marcella Schaefer, Dick Schaefer, Mr.

and Mrs. Tory Russell and family, Mr. and Mrs. Joe Enright and family, Mr. and Mrs. Mark Schaefer and family, Mrs. Marion Erdmann, Mrs. Jack Tessar, Mr. and Mrs. Tom Tessar, Mr. and Mrs. Ronald Petermann and family, all of the Kewaskum area, and Mr. and Mrs. Tom Heinecke of West Bend.

### County Unit of Cancer Society to Sponsor 'Quit Smoking' Clinic

The Washington County Unit of the American Cancer Society is sponsoring a Fresh Start (I Quit Smoking) Clinic November 8, 9, 15 and 17 at 7 p.m. The four-session clinic will last approximately one and a half hours each evening at St. Joseph's Hospital of West Bend, enter at the lobby level off Silverbrook Drive and follow the signs.

The sessions are being conducted by Suzanne Howard and Carol Burhop from the hospital's respiratory unit. Pre-registration is required as the clinic is limited to 20 people. Call the hospital, 334-5533, and ask for Suzanne or Carol. The fee is \$5.

### CIS OFFERS MATERIALS ON HOW TO QUIT SMOKING

The Wisconsin Cancer Information Service (CIS) is offering free packets of materials on how to quit smoking. To get the materials in time for this year's Great American Smokeout on November 17th, anyone in Wisconsin can call CIS at 1-800-4-CANCER toll free from 8:30 a.m. - 4:30 p.m. Monday-Friday. During the week of November 14th-18th, the CIS phone lines will become a toll-free Smokers Hotline for people who want information or support to quit smoking.

### Marriage License

Wesley Warben Searl and Sharon Kay Voight, both of Campbellsport.

## 4-H NEWS

By Bob Stodola  
County 4-H & Youth Agent

### 4-H'ERS MAKE PLANS TO ATTEND WASHINGTON PROGRAM

4-H members from counties throughout the United States are now making plans to attend one of the Cooperative Extension Service's most exciting and successful programs offered—Citizenship Focus.

Over 5,600 15-to 18-year-olds are expected to attend this 25-year-old program next summer in Washington, D.C. Their classroom will be the nation's capital!

Members will attend one-week sessions in June, July or August. Many of these teenagers will have an opportunity to meet their senators and representatives to discuss problems and possible solutions to real-life concerns related to economics, agriculture, energy, conservation and more.

Their home base for the week will be the National 4-H Center, a beautiful 12-acre campus located on the outskirts of Washington.

Last summer participants learned about the election process by running their own political campaigns and elections. They also toured federal agencies and visited historical sites. But most of all, they met other 4-H members from all around the United States and shared ideas, concerns and friendships.

Those who attended from Washington county were: Terri Barth, Robert Falk, Karen Pikoske and Stan Shaw, Jr., all of the West Bend area.

The program inspires teenagers to become active, involved citizens in their communities when they return home.

For more information about the program, contact your 4-H leader or your county extension office and request a copy of the new Citizenship Washington Focus brochure. Applications are due November 10.

### County Elder Peer Counselor Program

The Washington County Elder Peer Counselor program, in conjunction with St. Joseph's Hospital, will be presenting "How Are You Aging?" a program on the Psychodynamics of Aging on Monday, November 7, from 4:00-6:00 p.m. in the St. Joseph's Hospital Auditorium.

The program will be presented by Joan Blaies, Clinical Director of Nursing for Adult Psychiatry, Adolescent Psychiatry, Chemical Abuse, Neurological Rehabilitation, and Pain Management at Waukesha Memorial Hospital.

For more information on the program and to pre register, please call the Office on Aging at 338-4497. The public is invited.

### XYZ CLUB SKAT RESULTS

The XYZ Club Skat results at the Legion Hall on Wednesday morning, Oct. 26th were as follows: Francis Gilboy, 23-1-22 net; Frank Kadinger, 22-1-21 net; Elroy Egerer, 16-1-15 net; Frank Krueger, 12-2-10 net; Fritz Kral, Spade Solo VS 4; Ruth Egerer, Heart Solo VS 4.

# Memories...

The Statesman welcomes readers to submit photos for the "Memories" feature. Photos should show life in the olden days in this area. Deliver or mail to The Statesman, 250 Main St., Kewaskum, WI 53040. Photos can be picked up again after publication.

Kewaskum also had an undefeated football team back in 1955. That is when the Indians were playing eight-man football in the old Tri-County Conference, a much smaller conference than the Eastern Wisconsin, of which they are now members.

The Indians finished with a 7-0 record, Campbellsport second with 6-1, Brandon third 5-2, North Fondy fourth 4-3, Lomira fifth 3-4, Random Lake sixth 2-5, Oakfield seventh 1-6, and Hustisford eighth 0-7.

Kewaskum defeated North Fondy 33-21, Brandon 38-6, Random Lake 48-13, Oakfield 54-6, Campbellsport 19-12, Hustisford 58-0, and Lomira 31-0.

Members of the team were: left to right, front row — Donald Klein, Dan Panzer, Dan Binder, Tom Peterson, Doug Wierman, Gilbert Hammer, Harold "Chesty" Pesch, Jerry Opgenorth. Second row — Delbert Haack, Dave Mertzig, Norman Hirsig, Robert Sparks, Robert "Peewee" Stenman, Ron Petermann, Norbert Rohlinger, Russell Kempf. Third row — Mark Rodenkirch, Eugene Bartelt, Curtis Prescott, Eddie Miller, Robert Struebing, Roger Garbisch, Richard Schmidt, Ron Bales. Fourth row — Walt Bade, coach, and far right, Ernie Mitchell, coach.

"B" team players in the background could not be identified.

## Youth Honored at County 4-H Achievement Program

Four Washington County youth received the Wisconsin 4-H Key Award at the County 4-H Achievement Program on October 28. The recognition is given to 4-H members who have shown consistent growth and who have developed their leadership ability. The gold 4-H key was presented to Robert Falk of the Myraneers 4-H club, Theresa Barth of the Myraneers 4-H club, Karen Doll of the Badger Boosters 4-H club and Emily Schroeder of the Thompson Irish Settlers 4-H club.

Robert is a nine year 4-H member. His projects included dairy, gardening, forestry, electricity, woodworking and leadership. He graduated from West Bend High School and is presently working on a Dairy

Farm. His parents are Mr. and Mrs. Alfred Falk of West Bend.

Theresa Barth has been a 4-H member for 10 years. Her major projects were clothing and home furnishings. She is presently attending Marian College in Fond du Lac. Her parents are Mr. and Mrs. Bernard Barth of West Bend.

Karen Doll has been a member for 8 years. Her projects have included clothing, foods and nutrition, photography, houseplants and leadership. She has been president of the Washington County Older 4-H Youth Group. Karen is presently a senior at West Bend High School. Her parents are Mr. and Mrs. Alois Doll of West Bend.

Emily Schroeder has been a 4-H member for 9 years. Her project included clothing, photography, dairy, horse and small animals. She has provided leadership as an officer in the County Older 4-H Youth Group. Emily is presently attending the

University of Wisconsin-LaCross. Her mother is Beverly Schroeder of Hartford.

The Key Awards are provided by the Wisconsin Farm Bureau and its affiliates. Presentations were made by Mike Lettow, president of the Washington-Ozaukee County Farm Bureau.

The County 4-H Achievement Award was presented to four members. The recognition is based on their total work in their projects and club activities over the year. The members are Jean Awve, Jon Etta, Karen Pikoske, and Stan Shaw Jr., all of West Bend.

The Leadership Award was presented to Mike Doll of Allenton, Debbie Seideman of Kewaskum, Paul Braun and Pam Gundrum of West Bend. The Leadership Award is based on their work and helping others individually in their projects and in their club leadership.

The County Agricultural Award for excellence in their total agricultural program was presented to Doug Mayer of Slinger and Margaret Shaw of West Bend and Brian Seideman of Kewaskum. The Home

Economics Award for all around excellence in home economics projects was presented to Debbie Seideman of Kewaskum and Diane Schmidt of West Bend.

Members were recognized for outstanding work in individual projects. The selections were based on the records of the activities in their project, which the members completed and turned in to their leader. The members receiving the awards included: AEROSPACE: Tim Selle, BEEF: Mary Ellen Shaw, Jeff Guyant, Ann Shaw and Stan Shaw, Jr. BICYCLE: Colleen Alsberg. CHILD CARE: Jeanne Awve. CITIZENSHIP: Karen Pikoske, Terri Barth, Diane Schmidt and Mike Doll. CLOTHING: Hollie Etta, Lynn Hammen, Jeanne Awve and Holly Prochnoe. CONSERVATION OF NATURAL RESOURCES: Paul Braun and Jay Johnson. RAFTS: Jeanne Awve, Sarah Cross, Chris Shield, Carrie Masiarchin, Diane Schmidt and Tim Selle. DAIRY: Doug Mayer, Karen Mayer, Ken Falk and Steve Falk. ELECTRICITY ENERGY: Kevin Seideman and Bob Falk. ENTOMOLOGY: David Klug, Tony Weiland, and Jim Kruse. EXPLORING: Amy Chesak and Sara Nysse. FASHION REVUE: Mary Ellen Shaw, Diane Barth, Ann Margaret Shaw and Janet Barth. FIELD CROPS: Diane Schmidt. FOOD-NUTRITION: Debbie Seideman, Jeanne Awve, Hollie Etta and Renee Kapp. FORESTRY: Joy Johnson and Steve Falk. Gardening and horticulture: Ken Falk and Chris Ellenbecker. HANDYMAN: Brian Seideman. HEALTH: Karen Pikoske. HOME FURNISHINGS: Lori Prochnow. HORSE: Beth Ebert, Jean Holtz, Tina Schneider and Chris Holtz. HOUSE PLANTS AND FLOWERS: David Prochnow and Hollie Etta. KNITTING AND CROCHETING: Holly Prochnow and Lori Prochnow. MUSIC AND DRAMA: Mike Doll. PHOTOGRAPHY: Lance Hartman, Steve Janz and Robert Friedeman. PORK: Jon Etta. PUBLIC SPEAKING: Karen Pikoske, Randy Marquardt, Diane Schmidt, Monika Pikoske. RABBIT: Chris Ellenbecker and Brian

Page 4, Friday, Nov. 4, 1983

Olshafen. SHEEP: Mark Roembke. SMALL ANIMALS: Jamie Carron. HISTORY AND HERITAGE: Debbie Seideman. VETERINARY SCIENCE: Doug Mayer and Sandy Secor. WOOD SCIENCE: April Peters, Ken Falk and Tim Selle.

Twenty nine members received graduation certificates. The graduation certificates are presented to members who have reached the age 18 and have completed their last eligible year of 4-H. Those graduating included Allen Stommel and Nancy Schlosser of Allenton; Linda Fechter and Andy Griswold of Cedarburg; Renee Schneider of Fredonia; Corinne Fitzsimmons, Sharon Gordon, Emily Schroeder and Tracey Guelig of Hartford; Thomas Ihde of Germantown; James Stuetgen of Hubertus; Debbie Kertscher of Random Lake; Jeanne Ueckert of Richfield; Patricia Bergman, Lynn Klesper, David Wolf, Dennis Wolf, Steve Zimmerman and Jeff Rauh of Slinger; Theresa Barth, Dan Doll, Ellen Hetebrueg, Mary Jo Hupfer, Mark Lang, Charles Schmidt, Mary Ellen Shaw, Robert Strehlow and Beth Wilkens of West Bend and Amy Sekas of Campbellsport.

Several clubs that had worked together on club activities were recognized for their work. They are as follows: CONSERVATION ACTIVITIES - Good Luck, Myraneers and Badger Boosters. COMMUNITY DEVELOPMENT - Myraneers, Good Luck, Kewaskum 4-H'ers and Badger Boosters. HEALTH ACTIVITIES - Badger Boosters, Good Luck. RECREATION ACTIVITIES - Kewaskum 4-H'ers, Good Luck, Badger Boosters and Myraneers.

Mrs. Myra Peters 4-H Alumus was M.C. for the program. The County Achievement and Recognition Committee planning the activities included Mrs. Barbara Shaw-Chairman, Mrs. Marilyn Mayer, Arlene Cypher, Laverne Doll, Mary Secor, Dennis Seideman and Mrs. Wilmer Flasch.

## 4-H Leaders Elect Officers; Two From Kewaskum

Officers of the Washington County 4-H Leaders Association. Front row - Left to right: Mary Ellen Ellenbecker, Dianne Horlamus. Back row - left to right: Tom Kuhaupt, Maggie Seideman.

Mary Ellen Ellenbecker of Hartford was elected the president of the Washington County 4-H Leaders Association. Maggie Seideman of Kewaskum is the Vice-President. Dianne Horlamus of Kewaskum is the Secretary, and Tom Kuhaupt of Slinger is the Treasurer.

The Board of Directors includes adult leaders and youth leaders from four areas of the county. In addition to the four officers, the Board of Directors includes for the Kewaskum/Wayne Area, Mike Doll and Debbie Seideman. For the Hartford/Slinger Area, Steve Zimmermann and Chris Ellen-

becker. For the West Bend Area, Hope Cross, Ann Shaw, Susan Hautamaki and John Spors. For the Germantown/Jackson Area, Sherry Kapugia, Tina Thompson, Mary Ann Birmily and Shane Kapugia. Gary Moddy of Kewaskum is the county member of the District Leaders Council.

The Board of Directors is responsible for conducting the 4-H program in Washington County. They appoint committees to plan and conduct various activities.

The 4-H program is open to any family in Washington County. It is for youth from third grade to 18 years of age.

Kitchen carpeting can be restored to original brightness in 15 minutes with Nylac. No machine needed. Miller's Fine Furniture recommends Nylac for nylon carpets.

## WIAA Board Discards Proposals For Football-Only Conference

STEVENS POINT, Wis. — Proposals to realign WIAA member schools into football-only conferences have been discarded by the Board of Control. Action was taken at the regular October meeting in Stevens Point last week, and it carried the earlier recommendation of the Advisory Council which met prior to and with the Board.

Area meeting input from member schools this fall revealed a 3½-1 sentiment against statewide football conferences which had been suggested as a possible solution by the Board for conference realignment problems inasmuch as football has been a major deterrent toward developing satisfactory conference affiliations around

the state.

The Board indicated that football-only conferences may be pursued in some areas of the state if it seemed to be a reasonable step toward solving a problem. There are two football-only alignments in the state at the present.

### High School Offers MPTI Art Course

An introduction course in art will be offered through the area vocational school. The course will be taught by John Baitinger.

This course will deal with an introduction to design composi-

Friday, Nov. 4, 1983, Page 5

tion and beginning drawing. Prerequisites for the course would be an honest interest in learning about the foundation of art with introductions in drawing and design. No previous art training is necessary nor must you have developed artistic skills.

This will be a self paced program that will run for twenty hours. The course will meet on Tuesday evenings from 6:30 to 9:00.

For more information or registration, contact the high school office at 626-2166.

## Cub Scouts and Webelos News

The young citizens of our community, Cub Scouts and Webelos of Pack 3744, have been working to achieve badges and learn about their surroundings.

Guests at the monthly Pack Meet on Monday, Oct. 24, were Mr. and Mrs. Pat Schoenhaar. Mrs. Schoenhaar is the Unit Commissioner for the Kewaskum Pack.

Den 1 - Scott Berger and Christopher Petz earned their Bear Badge during the summer months and will be helping their den leader, Pat Gross, to assist the other boys in achieving their Bear Badge.

Jason Giese, Daniel Staehler, Jason Noren, Christopher Petz, Joseph Rehbein, Russell Gross and Scott Berger earned a Conservation Award.

The Den has also toured Minz Supply, McDonald's in West Bend and Sentry in Kewaskum. Thanks to all establishments for sharing their time.

Den 2 - A new den this year consisting of 9 boys with den leader, Virginia Lettow, received their Bobcat badges. Also at this time they received Boy Scout canteens and mess kits compliments of Regal Ware, Inc. Thank you for your support.

Den 3 - These boys were busy making bird houses which they displayed and spiders for Halloween.

Future plans are to work on their Conservation Badge and have two other Cub Dens join them on a tour of the Oppermann farm.

Den 6 - Toured the firehouse. The Cubs checked over fire

engines and how to put out fires. They got an inside look of the ambulance, tried on gas masks and the layout of the firehouse. Mr. McElhatton did an excellent job showing the boys through the firehouse, many thanks.

Webelos - The Ice Age Center was the location for the Webelos to work on their Forester Badge. Mr. Reif taught the boys about the 56 different kinds of trees in our area as they walked the nature trails.

An outing to Greenbush was a tent-out and assistance to the DNR by collecting prairie flower seeds which will be planted in the future. Later the Webelos were assisted in bird banding procedures and got first hand experience catching, banding and releasing some birds. Fun was had by all as they closed with a giant bonfire.

The Encampment at Elkhart Lake was an enjoyable event for boys from our area as well as from the Wau-Bun Council. Events consisted of tenting, air show put on by the Army, sky divers, exploring a helicopter and visiting many scouts from the Council as they displayed their talents and achievements to their fellow scouts. A good time was had by all.

Coming Events: Roller skating November 15 from 6-8 p.m. at Skate Country in West Bend; family and friends are invited.

Pizza and Kringles will be sold by the Cub Scouts from November 1 to November 13 to earn money for their activities, camps, winterfest, etc. Help support your local scouts, it is greatly appreciated.

CUB SCOUTS WITH BIRDHOUSES — [left to right]: Joel Fleischman, Shane Oppermann, Aaron Laatsch, Sheldon Oppermann and Tim Lettow worked with their dads to build birdhouses and present them at the monthly Pack Meet.

HALLOWEEN PARTY — [left to right]: Shane Oppermann, Jim Marx and Kevin Ramthun were the proud winners of the pumpkin carving contest held at the Cub Scout Pack Meet.

NEW MEMBERS — The Wayne Crusaders 4-H Club welcome the following new members to their club. Front row, left to right: Chad Newell, Jenny Schnörenberg, Ingrid Ankersen and Kerry Resch. Back row: Betty Petersen, Billy Petersen.

### Seek Nominees for Mother of the Year

The Wisconsin Mothers Association is seeking nominees for the 1984 Wisconsin Mother of the Year. President Hulda Hilfiker announced today. Mrs. Hilfiker was Wisconsin's Mother in 1979.

Any Wisconsin organization can nominate a woman from their local community. The 1984 Wisconsin Mother will represent all Wisconsin mothers at the national competition in New Orleans in May, just before Mother's Day. Joan Ritchie of Hudson is the 1983 Wisconsin Mother.

Nominees will be judged on character, personality traits, public service, church work and success as mothers as evidenced by the characters and

achievements of their children. Mothers of either natural or adopted children are eligible for nomination, provided that the youngest child is at least 15 years of age and the mother herself 45 years or older.

Nomination forms and further information may be obtained immediately by sending a large self-addressed envelope to Mrs. Ernest Hilfiker, Route 3, Rice Lake, Wisconsin 54868. Entries must be postmarked by February 1, 1984. Preparation of supporting material for each nomination is extensive.

### UW-OSHKOSH ASSOCIATE DIRECTOR OF ADMISSIONS TO VISIT HIGH SCHOOL

Rhonda Uschan, the associate director of admissions at the University of Wisconsin-Oshkosh, will be at Kewaskum High School at 8:45 a.m. on Monday, Nov. 14, to meet with students interested in learning more about UW-Oshkosh programs and activities. Arrangements to meet with her may be made through the high school guidance office.

# 'Trick or Treat'

Ghosts and goblins stalked the streets of Kewaskum on Sunday afternoon. The "Trick or Treat" Halloween event was held from 3 to 5 p.m. Ideal sunny, but crisp, weather was a big factor in the large turnout of the youngsters. Pictured are some of the costumed "mini-beggars" as they made their rounds of "Trick or Treat."

## Threshold Garage Addition

Construction began on a 40' x 60' \$40,000 metal building addition to The Threshold's present garage in West Bend.

"The addition was necessary," according to Horst Wagner, Executive Director of The Threshold, "so as to store our six buses and our truck into a more protective and sheltered building. Over the past few years we've had a lot of vandalism and damage done to our vehicles which had to be stored outside due to lack of room in the present garage."

"The addition will also have a mezzanine which will allow The Threshold to store materials, supplies and equipment presently in our main building. We need room," remarked Wagner, "to better utilize our inside space for more efficient and effective storage of sub-contract work which we obtain from county industries."

"We have also had to rearrange and expand a storage room to make room for the new Brain Trauma Unit which serves 8 people on a daily basis," related Wagner.

Due to new local and state fire and safety standards, the garage will also have to be entirely equipped with a sprinkler system.

The general contractor is Kons Sadownikow, owner of West Bend American Building Systems. The subcontractors include Storrs/Wold Architects of Brookfield, designers of the garage addition; William Steel and Supply, provide and erect the mezzanine decking; Don Malzahn Construction of West Bend, concrete and cement work; Pro-type Builders of Dalton, Wisconsin, steel erection and metal fabrication attachment; and general excavating by Dan Schalles of West Bend; final site and landscaping by Boerger Landscaping of West Bend.

"The addition cost will come out of Threshold's restricted building fund. Back in 1971," said Wagner, "this fund was established by the Board of Directors so as to reserve and restrict use of donations when a contributor requested that it be applied to or for building use only and not for general operations use. We feel that we

## City of West Bend Requests Approval Of Plans for Sanitary Sewer Extension

The City of West Bend has requested approval of plans for a sanitary sewer extension in Sections 20 and 30, T11N, R19 and 20E, City of West Bend and the Towns of West Bend and Trenton, Washington County.

The project would consist of installing 6,400 feet of large diameter sewer pipe to serve 210 acres of industrial development, 195 acres of commercial development and a future residential population of about 5,000 persons.

This project is a revision of a proposal submitted to the Department of Natural Resources by the City of West Bend which the Department determined would require an Environmental Impact Statement. As a result of the Department's EIS determination, the City redesigned their proposal to avoid sensitive environmental areas and reduced the size of pipe to be installed.

The Department has reviewed the City's revised proposal and has made a preliminary determination that an

Environmental Impact Statement will not be required for this project.

Copies of the Department's Environmental Assessment that led to this preliminary determination can be obtained from: Mr. Chuck Schuler, DNR, Bureau of Wastewater Management, Box 7921, Madison, WI 53707; Phone: 608-267-7621.

Public comments on the proposed project are welcomed and should be received by Mr. Schuler no later than 4:30 p.m., Friday, November 4, 1983. These comments can take the form of either verbal or written communication.

### Electric Company To Propose Rate Decrease for 1984

Wisconsin Electric Power Co., which voluntarily canceled its 1984 rate request earlier this

year, last week announced that it would propose a rate decrease for 1984.

Richard Abdo, WE's vice president of Corporate Planning, credited a lower than expected inflation rate and improved economy with making the cut possible.

He made the comments during the first day of hearings before the Public Service Commission of Wisconsin on WE's 1984 rate case.

"This is a very pleasant announcement to make and something I'm sure everyone will welcome," Abdo said.

In July, Wisconsin Electric voluntarily dropped its plans for a \$41 million rate increase for 1984, citing projected lower inflation, several renegotiated fuel contracts and the company's cost cutting program.

"We had to make some predictions back in July about the rate of inflation in 1984. Looking at it again today, we believe inflation is going to be even lower than we thought," Abdo said.

He said the company is reviewing 1984 data to establish the exact amount of the requested decrease.

"We don't know how much, but one thing is for sure. Wisconsin Electric customers will have lower electric bills in 1984," he said.

# HOMEcoming WEEK AT KHS

Pajama Day was part of dress-up days for Homecoming Week

Senior Lisa Matenner helps promote dress-up days during Homecoming Week at Kewaskum high school.

Homecoming "Pep Week" was held October 17 to 21 at Kewaskum High School.

Each of the classes was urged to participate in the traditional "Pep Week." The events of this week included: Monday - Ugly Day; Tuesday - Formal Day; Wednesday - Fairy Tale Characters Day; Thursday - Pajama Day; Friday - Green, Gold and White Day. On Friday there was also a Pep Assembly and class skits were presented.

The week's activities culminated with the Homecoming parade on Friday at 6 p.m. and the Homecoming game where the Kewaskum Indians soundly defeated the Kiel Raiders, 34-14, assuring the Indians of at least a tie for the Eastern Wisconsin Conference Title. (The title became the sole possession of the Indians on Saturday, when Plymouth defeated Two Rivers).

Capping the festivities was the annual Homecoming dance held Saturday night from 8 to 12 p.m. in the high school gymnasium. Highlighting the dance was the grand march at 10 p.m. Jim Braun, son of Mr. and Mrs. Al Braun, and Sherry Phillips, daughter of Mr. and Mrs. Myrt Phillips, were chosen king and queen.

## Elderly Shopping Problems Studied

Having trouble reaching for those plastic produce bags while grocery shopping? Having an even harder time wrestling them open?

You are not alone. These aggravations are accentuated even more for elderly shoppers. In an attempt to determine what will make grocery shopping easier for elderly consumers, members of the School of Family Resources and Consumer Sciences (FRCS) at the University of Wisconsin-Madison will study the elderly's shopping problems this fall in six Wisconsin counties.

Nancy Miller, assistant dean of FRCS, and Waukesha County Extension Home Economist Rosalie Powell will direct the study, which is funded by a \$5,800 grant from the Southeastern Wisconsin Area Agency on Aging.

The study will take place primarily in Waukesha County. However, other counties involved will be: Kenosha, Ozaukee, Racine, Walworth, and Washington Counties, according to Miller.

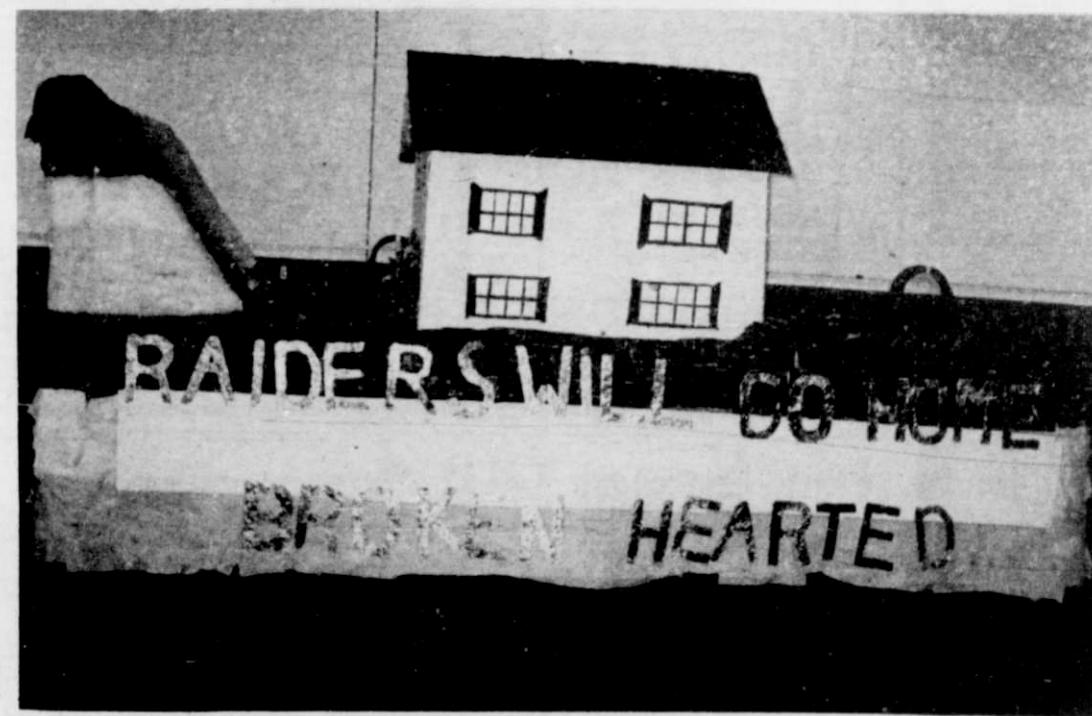

Miller says the research will consist of three steps: "making an inventory of grocery shopping needs of senior citizens, developing strategies that grocery stores could implement very easily at no cost, and producing a brochure on food and senior citizens with suggestions to ease shopping aggravations."

Project assistant Joan Schroeder, a graduate student in consumer sciences at FRCS, and extension homemakers will interview senior citizens as they shop in participating grocery stores.

Miller says problems elderly consumers have included:

- Prepackaging of meat and vegetables in serving sizes that are too large and expensive for elderly appetites and budgets.
- Produce bags that often are out of reach or hard to open.
- Scanner displays at check-outs that are not easily readable for the elderly.
- Confusing or hard-to-locate unit pricing on shelves, making comparison of prices difficult.
- Placement of packages with smaller servings either too high or too low on shelves, thus forcing the elderly to extend their reach or bend over.
- Bags packed too heavily for the elderly to carry.

The study will be completed by Dec. 31, and a report will be distributed to state extension home economists, Miller says.

First place winner senior float

## County Historical Museum Happenings For Month of October

An excellent turnout this month of adults and children coming in to tour our jail and museum. Some changes have been made; we've added an old antique wicker baby carriage, put up a doll display, moved the mannequins to different rooms and also put some in the hallways, added a purse collection to the ladies cell, moved different items for you to view easier, changed some rooms around. We also added more pictures to the glass unit. This is just a start of the things that

we will be doing.

Recently, we had a group of children from McLane School; they were very well behaved and interested in all the things that we showed them. They really enjoyed the "peep hole" and also the hand grenade in the war cell. A special "Thank you" goes out to the teachers. October has been a very busy month for us trying to get everything in order. A special "thank you" also to our devoted volunteers helping us, without you we could never get anything accomplished.

We'd like to see more of our own "West Benders" coming in to see our museum. We are open every Tuesday afternoon

from 2 - 4 p.m. and the 2nd Sunday of the month. We are always looking for more volunteers and new members. Group tours are also available by calling 338-8287 or 334-7568.

### MUSEUM NEWS FOR MONTH OF NOVEMBER

Washington County Historical Museum is open on the following:

- NOVEMBER 8 - Tuesday 2-4 p.m.
- 13 - Sunday 2 - 4 p.m.
- 15 - Tuesday 2 - 4 p.m.

Your HEALTH TIP  
from Tom Leitzke, R.P.H.  
**MARRIAGE IS HEALTHY**  
Insurance statistics show that married persons live longer than single or divorced persons. Singles die earlier from all major causes of death [perhaps due to excessive smoking, eating and drinking in compensation for loneliness]. Delayed awareness of illness and lack of physical and emotional support during stress seem likely factors. Early death is 2 to 6 times more likely in singles than in married people. So - eat, drink, and be married!

## In the Service

Marine Pfc. Scott W. Stonecipher, son of William and Kathryn Stonecipher of 511 S. Eighth Ave., West Bend, has completed recruit training at the Marine Corps Recruit Depot, San Diego.

During the 11-week training cycle, he learned the basics of battlefield survival. He was introduced to the typical daily routine that he will experience during his enlistment and studied the personal and professional standards traditionally exhibited by Marines.

He participated in an active physical conditioning program and gained proficiency in a variety of military skills, including first aid, rifle marksmanship and close order drill. Teamwork and self-discipline were emphasized throughout the training cycle.

Marine Pvt. Mark S. Plavec, son of Joan M. Plavec of 1333

W. Decorah Road, West Bend, has completed recruit training at the Marine Corps Recruit Depot, San Diego.

During the 11-week training cycle, he learned the basics of battlefield survival. He was introduced to the typical daily routine that he will experience during his enlistment and studied the personal and professional standards traditionally exhibited by Marines.

He participated in an active physical conditioning program and gained proficiency in a variety of military skills, including first aid, rifle marksmanship and close order drill. Teamwork and self-discipline were emphasized throughout the training cycle.

Navy Seaman Apprentice Timothy S. Labadie, son of Mr. and Mrs. Macht of Route 1, Campbellsport, has completed recruit training at the Naval Training Center, Recruit Training Command, Great

Lakes, Ill.

During the eight-week training cycle, trainees studied general military subjects designed to prepare them for further academic and on-the-job training in one of the Navy's 85 basic occupational fields.

Included in their studies were

seamanship, close order drill, Naval history and first aid. Personnel who complete this course of instruction are eligible for three hours of college credit in Physical Education and Hygiene.

## 25 Years Ago

October 31, 1958

Elmer Rauch, Fond du Lac, and Calvin Rauch, Route 1, Campbellsport, brothers, suffered painful injuries in an accident which occurred Saturday afternoon while the two were painting on the Calvin Rauch farm. The two were working on a scaffold held up by two ladders when a rung on one of the ladders broke, throwing them to the ground. Calvin suffered a fractured right arm and a possible back injury and Elmer sustained a possible back injury and deep lacerations to the right hand.

The golden anniversary of marriage of Mr. and Mrs. Henry J. Schultz of Kewaskum was celebrated Sunday with a 2:30 p.m. church service at St. Lucas Lutheran Church, Kewaskum. The service was followed by a reception held in the church parlors and a supper was served to 150 relatives and friends. An open house will be held next week. In addition to the 50th anniversary, the occasion also marked the 25th anniversary of their daughter, Edna, Mrs. George Glander. Included in their family are two daughters, Mrs. James (Lauretta) Trieble of Milwaukee, Mrs. George (Edna) Glander, Plymouth, and three sons, Reuben, Town of Kewaskum, Karl, Town of Auburn and Elmer of West Bend.

Chiefs and delegates of 19 fire departments from Ozaukee, Washington, Waukesha, Milwaukee and Sheboygan counties attended the annual meeting of the Badger Firemen's Association at Newburg on Sunday. There were 59 chiefs and delegates in attendance. Chief Harry J. Schaefer and delegates Arnold Martin and Joe Schwind represented the Kewaskum department. Chief Erwin Arndt of Random Lake was elected president of the association. Other officials elected included Chief Harry Schaefer of Kewaskum, vice-president.

A daughter was born to Mr. and Mrs. Sylvester Hawig, Chilton, on October 28. Mrs. Hawig is the former Beulah Prost, daughter of Mr. and Mrs. Ed Prost, Kewaskum. Mr. Hawig is a son of the Arnold Hawigs, Town of Wayne.

## 50 Years Ago

November 3, 1933

A very enthusiastic basketball meeting was held in the Opera House last Thursday evening at which time a city basketball team was organized. Marvin Martin was chosen as manager and Jacob Schlosser

Jr. as treasurer. The team will be composed of all home talent. All city games this year will be played in the Opera House. Kewaskum has always had good material for a city basketball team and we see no reason why a high standard team cannot be had again this season.

A very pretty wedding took place Saturday evening at St. John's Lutheran Church, New Fane, when Miss Edna Schultz, daughter of Mr. and Mrs. Henry J. Schultz, became the bride of George Glander, son of Mr. and Mrs. Julius Glander of Lake Seven.

Miss Amanda Gladys Pagel, daughter of Mr. and Mrs. Herman Pagel, of Fond du Lac, and William Arthur Thurke Jr., son of Mr. and Mrs. William Thurke, of Wayne, were married in a quiet ceremony held in Fond du Lac October 28.

Quite a number from Kewaskum attended the Pennant Dance held in Wieter's Hall at Wayne last week Sunday. The dance was given in honor of the Wayne baseball team winning the 1933 pennant of the Milwaukee River Baseball League.

A seven and three-quarter pound baby girl arrived at the home of Mr. and Mrs. Edw. E. Miller last week Friday.

## 75 Years Ago

October 31, 1908

The fine general merchandise store of the Saemann, Loeb and Knickel Company, Campbellsport, is in ruins as a result of a fire of unknown origin. The store building, a two-story brick veneered structure 100 x 47 feet and a warehouse 26 x 50 feet, together with all the contents, were destroyed and the loss is estimated at about \$55,000.

The marriage of Mathias Rodenkirch of Kewaskum and Miss Eleanor Reiland of the Town of Barton took place Tuesday morning at Barton.

Herman Meilahn has taken the agency for the celebrated Victor Phonographs. He also carries a large stock of disc and cylinder records.

The Theresa Union Telephone Company has made arrangements to build two farmer lines out of Kewaskum, one to run as far as Wenzel Peter's in the Town of Wayne and another out to J. B. Day's farm.

Joseph Grittner sold a remarkable cow to Nic Marx last Thursday which he recommends to give three pounds of butter per day and all the buttermilk wanted. A guarantee goes with the cow.

The deer hunting season will open November 11 and will continue open for 20 days or until December 1.

The marriage of Jake Knoebel and Miss Emma Terlinden took place on Wed-

nesday at the home of the bride in Wayne.

The death of Roman, fourteen-year-old son of Mr. and Mrs. Math Thull Jr., St. Michaels, occurred Sunday morning, after being sick for the past week with appendicitis.

On Wednesday, Henry Schultz and Miss Lena Ebert were married at St. John's Church, New Fane.

A baby girl was born to Mr. and Mrs. Jacob Batzler, St. Kilian, on Wednesday. A baby boy was born to Mr. and Mrs. Julius Dreher at Eden last Tuesday.

Leather Products Co. until her retirement in 1977.

Survivors include a daughter, Mary Kay (Gerald) Rate of West Bend; four grandchildren; one sister, Rose (Paul) Just of Milwaukee; two brothers, Reynold (Florence) of St. Kilian and Othmar of Milwaukee; a sister-in-law, Margaret Bonlender of Kewaskum, and other relatives and friends.

One sister and three brothers predeceased.

She was a member of the Confraternity of Christian Women and St. Monica Chapter of NAIM.

Funeral services were held Friday, Oct. 28, at 7:30 p.m. at the Schmidt Funeral Home, West Bend, with a Mass of Christian Burial at 8 p.m. at St. Frances Cabrini Church. Rev. Leo Lambert was the celebrant, and burial was Saturday morning in St. Kilian's Cemetery, Town of Ashford.

### LUCILLE S. AND ELMER A. QUAAS

Lucille S. Quaas, 75, nee Stautz, and Elmer A. Quaas, 80, of W62 N393 Hanover Ave., Cedarburg, died Friday, Oct. 28, as the result of injuries suffered in an auto accident.

Mrs. Quaas was born Feb. 10, 1908, in Boltonville, and her husband was born Oct. 14, 1903, in Fillmore. They were married May 19, 1928, in Fillmore, and had been residents of Cedarburg since August 1941.

Survivors include five children, Marilyn (Ed) Harmening of Ft. Wayne, Ind., Loren (Carol) of Cedarburg, Valeria Sekas of Kewaskum, Neal (Pam) of West Bend and Eileen (Robert) Loewe of Cedarburg; 16 grandchildren; one great-grandson, and other relatives and friends.

Funeral services were Monday, Oct. 31, at 8 p.m. at Trinity Lutheran Church, Cedarburg. Rev. David Redman officiated, and burial was in Zur Ruhe Cemetery, Cedarburg.

The Mueller Funeral Home, Cedarburg, was in charge of arrangements.

### ALBERT P. SCHAEFFER

Albert P. Schaeffer of 114 Bartel Blvd., Shawano, died Monday, Oct. 24, at the Shawano Convalescent Center, at the age of 74.

He was born Dec. 23, 1908, in the Town of Farmington, and at an early age moved to the former Village of Barton.

After his marriage to Mildred Hansen at St. Michael's Church, St. Michaels, on April 15, 1942, they settled in St. Michaels until he entered the U.S. Army Air Corps, serving during WWII.

After his discharge, they settled near Orchard Grove and

## Obituaries

### MRS. ANNETTE HINTZ

Mrs. Annette Hintz, 82, of Route 1, Kewaskum, Town Scott, passed away at the Samaritan Home in West Bend, where she had been a resident for some time, on Monday, October 31.

She was born on December 23, 1900, in Town Scott to the late John and Louisa Staege Klug. On November 4, 1920, she married Edwin Hintz in the Immanuel Lutheran Church, Town Scott. He passed away on Sept. 1, 1967.

She was a member of the Immanuel Lutheran Church, Town Scott, and their Ladies Aid.

Survivors include one daughter, Mrs. Gordon (Betty) Fellenz of West Bend and one son, Edward (Jo Ann) of rural Kewaskum. She is further survived by five grandchildren; three great grandchildren; two brothers, Marlin of Milwaukee and Victor of Town Scott; one sister, Mrs. Elmer (Edna) Stange of Beechwood; other relatives and friends.

Visitation at Miller's Funeral Home in Kewaskum was after 4 p.m. Wednesday and at the Immanuel Lutheran Church, Town Scott, on Thursday from 12 noon to the time of services at 2 p.m. The Rev. William Robinson officiated and burial was in the church cemetery.

### ELVIRA K. WETTSTEIN

Elvira K. Wettstein, nee Bonlender, of 922 Terrace Drive, West Bend, died Wednesday, Oct. 26, at the Sheboygan County Comprehensive Health Center, at the age of 67.

She was born Aug. 24, 1916, in St. Kilian.

After her marriage to Gregor J. Wettstein at St. Kilian's Church, Town of Ashford Oct. 3, 1939, they settled in the Town of Addison and Town of Wayne, moving to West Bend in 1956. Her husband passed away Jan. 2, 1976.

She was employed at Amity

# ... about your Social Security

By David Becker, Social Security Branch Manager in West Bend

## USING MEDICARE EFFECTIVELY

Medicare has become a major force in the life of the elderly since it began in 1966. It has helped prevent financial disaster threatened by huge hospital and medical bills for people 65 and over, those disabled 2 years or more and those who have permanent kidney failure.

However, many people do not get the most out of their Medicare protection because they do not use it effectively. They may end up buying private health insurance they don't really need to supplement Medicare coverage, fail to send in their medical insurance bills on time, or pay more for medical care than they have to.

Here are several tips to help people get the most out of their Medicare protection.

**• Read Your Medicare Handbook** — You first have to know what Medicare does and does not cover. Medicare does not cover all health care and pays for only part of the care it does cover. Your Medicare Handbook is designed to answer these questions as well as any other question you may have about Medicare.

If you read the handbook before you need it, you'll be familiar with the contents so that you can refer to it easily when problems crop up.

**• Complete Your Form 1490's properly** — Failure to properly complete the form used to get Medicare Payment — the Patient's Request for Medicare payment form — is one of the most common reasons for delays in processing Medicare claims. Mistakes may include failure to sign the form, failure to include the health insurance claim number, or failure to send to the correct address. Your Medicare Handbook contains a list of the organizations that service Medicare claims and their addresses.

**• Be sure all bills are itemized** — Each bill submitted must show the date and place the services or supplies were received, the description of each service, the charge of each service or supply, the doctor or supplier's name, and your name and health insurance claim number.

**• See if your doctor will accept assignment** — Many doctors will accept assignment, that is, he or she will accept the Medicare approved charge as his or her full charge. Medicare pays the doctor or supplier 80 percent of the approved charge after subtracting any part of the \$75 annual deductible the patient has not met. The patient is responsible for the remaining 20 percent of the approved charge and any part of the \$75 medical insurance deductible he or she hasn't met.

**• Always carry your Medicare card with you** — It helps to have your Medicare card with you at all times in case you ever need emergency hospital or medical treatment.

**• Remember time limits for submitting claims** — If you send your claim in after the deadline, it will not be paid. For services received between October 1, 1981, through September 30, 1982, a person must send in the claim no later than December 31, 1983. For services received

between October 1, 1982, and September 30, 1983, claims must be sent by December 31, 1984.

Following these simple guidelines will make a difference in how smoothly Medicare works for you. If you have any questions about any aspect of Medicare, call your nearest Social Security office, the telephone number is 1-800-242-9946.

## Minutes of Village Board Meeting

Mid-Monthly Meeting  
October 17, 1983  
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin met in mid-monthly session in the Council Room of the Municipal Building, 204 First Street.

Administrator Schmidt called the meeting to order. President Stollenwerk asked to be excused and was absent. All other Trustee Members were present.

On a motion by Trustee Howard Laubenstein, seconded by Trustee Paul Blumer and unanimously carried by voice vote, the Board appointed Trustee David Nigh to serve as President Pro-Tem.

On a motion by Trustee Richard Schmidt, seconded by Trustee Donald Mlodzik and unanimously carried by voice vote, the Board approved the minutes of October 3, 1983.

On a motion by Trustee Donald Mlodzik, seconded by Trustee Paul Blumer and carried unanimously by voice vote, the Board authorized the Police Department to advertise for bids for the 1984 police squad replacement. The bids are to be opened November 7, 1983 at 8:00 p.m. and read aloud. The delivery of this vehicle will not take place until January 1984.

Superintendent of Water Pollution Control Peter Albers reported that the fiberglass covers are now being cleaned by the manufacturer, also that the DNR called to inform us that a favorable response should be forthcoming regarding a waiver on the grant.

On a motion by Trustee Donald Mlodzik, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the Board instructed the office to mail notices to the 37 property owners that have low hanging branches over their sidewalk and the street, indicating corrective action should be taken.

On a motion by Trustee Richard Schmidt, seconded by Trustee Howard Laubenstein and unanimously carried by voice vote, the Board approved the application of Linda Kay Mueller for an Operator's (bartender's) License and the office was authorized to issue the proper license upon proper payment of the required fees. The Police Department had no objections to the issuance of the license and the health report was negative.

On a motion by Trustee Paul

Blumer, seconded by Trustee Donald Mlodzik and unanimously carried by voice vote, the Board accepted the recommendation of the Administrative Committee regarding the advertising for the newly created position of Bookkeeper/Records Coordinator. This coincides with the job study reorganization of the office, to take effect upon the retirement of the Commissioner.

Trustee Donald Mlodzik asked that the board approve and authorize the Administrator to sign a change order regarding the brick used on the vestibule. The cost of this change order is \$129.50. On a motion by Trustee Richard Schmidt, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the Board authorized the Administrator to sign the change order as recommended.

Trustee Howard Laubenstein, the Village Board's representative on the Plan Commission announced a commission meeting scheduled for October 25, 1983 at 7:00 p.m. It was noted that a special village board meeting has also been called for 7:30 p.m. this same evening. Both the Village Board and the Plan Commission are going to discuss jointly the proposed Timblin Condominium Development.

Administrator Schmidt reviewed with the Board the 1984 Fire Department budget, which reflects a 3.1% increase. It was also noted the Villages share of the budget will go down approximately 10% (\$4,541), while the Town of Kewaskum's will increase .8% (\$277) and the Town of Auburn's will increase by 51.7% (\$6,422).

On a motion by Trustee Donald Mlodzik, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the Board approved the Fire Department budget and authorized the Administrator to send the approved Fire Department budget and contracts to the townships.

The Board reviewed and discussed the preliminary budget for 1983 after submission of the departmental budget request. The expenditure side of the budget was the focal point of the discussion with the proposed end result being an approximate 5% increase. Further discussions will be held at the next several meetings.

Motion was made by Trustee Howard Laubenstein, seconded by Trustee Paul Blumer to adjourn the meeting. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent." The motion was carried by the majority.

Daniel S. Schmidt  
Administrator

### Look and Listen for Trains

Thinking about racing the train? Well, in a tie situation... trucks, cars and motorcycles don't win.

According to Washington County Sheriff Clarence Schwartz, the first thing most of the victims that survive a crash say is that they never saw the train. Out of 207 train/motor vehicle accidents last year, 134 motor vehicle occupants were killed or injured.

"People can't hear train whistles when they are driving with the windows up and stereos blaring, and 20 million pounds of train can't stop fast enough to prevent an accident at a crossing," Schwartz said. Wisconsin law requires all vehicles to stop at railroad crossings when any warning device signals "stop." The warning device may be a stop sign, flashing red lights, bells, gates, or any combination thereof. The law does permit motorists to proceed after stopping for the warning device if no train is approaching, provided the motorist doesn't have to drive through, under or around a crossing gate or barrier.

Trains are not the only hazards encountered at railroad crossings. School buses, passengers buses and vehicles carrying flammable liquids, etc. are required to stop at railroad crossings. It is illegal to pass such a vehicle, stopping as required, unless the roadway is of sufficient width for two lines of traffic to move simultaneously in the same direction. The

Sheriff cautions drivers to avoid rear end collisions when overtaking vehicles that are slowing down to stop or have stopped at railroad crossings.

**DELAYING IMMIGRATION REFORM IS DANGEROUS**

Recently, the Speaker of the House, "Tip" O'Neill, declared that he will block the Simpson-Mazzoli immigration reform bill from reaching the House Floor this year. Although I don't agree with everything in this bill, I do feel it is essential we discuss this issue soon.

Each day our borders are freely violated and our immigration laws mocked. The immigration problem is steadily getting worse. In the year ending September 30th, border guards seized two million illegal aliens, a forty percent increase over the previous year, largely due to the unrest in Central America. As these million of illegal aliens roam the country, school and welfare budgets are strained. Worse yet, jobs are taken at a time when ten million citizens are unemployed.

Yet, the Speaker doesn't want to tackle this enormous problem. Mr. O'Neill hopes to gain support with Hispanics by stopping this bill as the 1984 election year approaches. Yet, this effort to not jeopardize the traditional loyalty of Hispanics to the Democratic Party may backfire. In a recent poll taken by Hart and Tarrance fifty-seven percent of Hispanics favor tougher immigration restrictions.

Now, I realize that partisan politics is unfortunately part of this institution. However, immigration reform absolutely must be considered before more damage is done to our economy. The speaker is playing politics on an issue vital to the future health of this nation. For the well being of this great country, I hope he will change his mind.

**Sensenbrenner Slates Town Hall Meeting For County Residents**

Ninth District Congressman Jim Sensenbrenner will hold a "Town Hall Meeting" for Washington County residents in West Bend on Sunday, November 13th, from 1:00 p.m. to 3:00 p.m., at the West Bend Marine Bank, 801 W. Washington Avenue.

Sensenbrenner has invited area state legislators to join him for this meeting, and during the first hour they will respond to questions and comments from residents on federal and state issues.

The second half of the meeting will be devoted to individual problems and concerns. Sensenbrenner will meet with persons on a one-on-one basis to assist them with any problems they may be having with federal agencies, or to help them obtain copies of government publications.

The public is invited and Sensenbrenner encourages area residents to attend.

**Church Women United Of County to Hold World Community Day**

The Church Women United of Washington County will hold their annual observance of World Community Day at St. Aidan's Episcopal Church in Hartford on Friday, Nov. 4. Members and guests will gather at the church, located at 218 S. Main St. at 12:30 p.m. bringing the traditional "sack lunch." Dessert and coffee will be provided by the host church.

Australian women, who also observe World Community Day, have planned this year's service based on the theme "No Longer Strangers." The service focuses on the contribution and relationship of diverse groups in both societies: rural and urban, affluent and poor, refugee and indigenous.

Church Women United is the national ecumenical movement that brings Protestant, Roman Catholic, Orthodox and other Christian women together into one "community of caring." The public is always welcomed to all of the group's events to share in the worship and fellowship.

World Community Day will also mark the group's annual meeting, at which time a vice-president and secretary will be elected and installed. Directions to St. Aidan's Church: take Hy. 60 to the stop light on Hartford's Main St. Turn south on Main St. to the church which is located next to Berndt's Funeral Home.

California is the most populous state in the United States.

**THE MADISON REPORT**

By Representative Mary E. Panzer

**Increasing Minimum Legal Drinking Age to 19 Years Long Overdue: Panzer**

MADISON....Stressing that "increasing the minimum legal drinking age to 19 years is not a 'magic answer' to the problem of teenage alcohol abuse," State Representative Mary Panzer (R-West Bend) today said, "passage of the 19-year minimum drinking age bill (Assembly Bill 260) by the Assembly this week was long overdue and it is a vitally important step towards taking the problem out of our high schools."

The Republican lawmaker noted, "although the State Senate has passed several bills to increase the minimum drinking age in previous sessions, this was the first opportunity in seven years for members of the Assembly to debate and vote in floor action on any proposal of this nature."

"In the past, when Senate minimum drinking age bills were sent to the Assembly they were referred to committees where the chairmen 'buried' them and refused to schedule them for public hearings or executive action by their committee," Panzer explained.

Panzer said two amendments adopted during floor action Thursday evening were "significant improvements" in the original proposal. The first of these provides severe penalties for underage drivers who are found to have any evidence of alcohol in their blood.

"This amendment provides a real incentive for underage youths to refrain from drinking because their driver's licenses will be suspended," Panzer pointed out. "For almost all young persons, the right to drive a car is far more important than having a few

drinks." The second amendment would permit the use of a person's photo driver's license as proof of age. Under current law, a driver's license actually is not considered valid for this purpose.

"In any case, increasing the minimum age of 19 years is only half the battle in curbing the teenage alcohol abuse problem. The other half will require the full cooperation of both parents and school officials - in providing vigilant and conscientious supervision and discipline at home and in the schools," concluded Panzer.

**KEWASKUM COMMUNITY SCHOOLS**

Monday, Nov. 7 - No School - In-Service Day

Tuesday, Nov. 8 - Chicken patty with lettuce on a bun, tangy sauce, buttered green beans, bar and mixed fruit.

## Clean air tips for open burning

A plume of smoke drifting skyward from a pile of smoldering debris often identifies a site where someone is open burning.

Outdoor burning like this differs from burning fuel inside a factory because the smoke isn't vented through a stack, and the combustion rate for the material being burned isn't regulated.

That means the smoke, soot, ash and grass emitted during open burning are more likely to irritate people's lungs and eyes, soil surfaces, obscure visibility, create annoying odors or pose other nuisance or health threats.

To keep Wisconsin's air clean and healthy, state air pollution regulations limit the types of materials you may burn outdoors.

### OPEN BURNING RESTRICTIONS

A number of restrictions apply to anyone wishing to open burn, including individuals, municipalities and commercial operations:

1. State air pollution control rules prohibit you from burning the following materials at any time:

- wet, combustible rubbish
- garbage
- oily substances
- asphalt
- plastic or rubber products

These restrictions include such items as rubber tires, greasy rags, pesticide or paint containers, car bodies and insulated wire. Many of these

materials are not only highly flammable, but when burned, all of them emit a thick, black smoke that may contain toxic gases and particles.

You may be tempted to use some of these materials to start or prolong burning of a brush pile or other fire, but again, Wisconsin rules prohibit such usage to protect you and your neighbor from harmful, unsightly air pollution.

2. To further protect people's health, make sure your open burning site is located well downwind of any place people are likely to gather, such as at a school, hospital, church, nursing home, residence or business.

3. You will need permission from a DNR air management engineer if you plan to open burn demolition material or liquid wastes (including waste oil and solvents).

Ceiling tiles, insulation or other materials that need to be disposed of after a building is torn down may contain asbestos fibers that can be released into the air through burning and are harmful to you or to other people who inhale them. Liquid wastes may also form harmful compounds when burned.

In these cases, as a precaution the DNR may want to inspect the material to be burned and the burning site so you can be advised of safer disposal methods that comply with air pollution control and solid waste management regulations.

4. State air quality rules prohibit open burning of trees, limbs, brush, stumps and weeds removal to clear rights-of-way along roads located in the following counties: Washington, Ozaukee, Waukesha, Milwaukee, Walworth, Racine and Kenosha.

5. To prevent a fire from escaping and possibly injuring people, property and the environment, you must comply with local and state fire protection regulations that may also restrict or prohibit open burning. Local fire wardens or fire departments can provide more information on how these additional restrictions may apply to you.

### PENALTIES

If you violate any restrictions designed to protect Wisconsin's air quality, under state air pollution control regulations you may be assessed forfeitures of not less than \$10 or more than \$25,000 for each violation.

### WHEN TO BURN

Early evening, before dusk, is often the safest time to burn because the air is calmer, temperatures are lower and humidity is higher.

A rainy, foggy or very humid day can often be a bad time to open burn, however, because pollutants are forced down to the ground around the open burning site rather than being carried higher into the atmosphere for dispersal.

### INSTEAD OF BURNING

Because open burning creates air pollution and safety hazards, you should investigate other ways to safely dispose of wastes. Recycling, composting or disposing of the material in a licensed sanitary landfill is recommended.

## Local Residents Due Tax Refund Checks, IRS Says

The Internal Revenue Service is trying to locate some area residents who are due a tax refund from their 1982 Federal income tax returns.

According to L. M. Phillips, IRS Milwaukee District Director, 543 refund checks worth \$233,567 were returned by the Postal Service as undeliverable in Wisconsin. The largest of them is for \$35,437.00 and there are 46 of them over \$1,000 according to Phillips.

Phillips says the taxpayers may have moved or changed their last names during the year and failed to notify the IRS, or the handwriting may simply be illegible.

When a refund is returned by the Postal Service, the IRS attempts to find the taxpayer and deliver the checks; but there are always some who cannot be found. If you think you may be due a refund and have moved or changed your name during the year, contact the IRS.

Taxpayers listed should call the IRS at 800-424-1040 to claim their refund.

**Village Board Meeting Monday**

Public notice is hereby given that the next meeting of the Village of Kewaskum, Wisconsin, Village Board is scheduled for Monday evening, Nov. 7, 1983, at 8:00 p.m. in the Council Room of the Municipal Building, 204 First Street.

The agendas for meeting are prepared as of Wednesday noon preceding the meeting and are available at the office of the clerk at the Municipal Building on Thursday preceding the meeting.

Copies of the agenda are also posted in the lobby of the Kewaskum Post Office and lobby of the Valley Bank.

William Martin, Clerk

**Special Meeting of Board of Education**

The School Board of the School District of Kewaskum will hold a special meeting on Wednesday, November 16, 1983, at 8:00 p.m. in the high school library. The meeting will begin in open session with Mr. Mike Spector discussing the "open meeting law." The meeting will then move into closed session under State Statutes 19.82 (1), 1985 (1) (c), and 19.85 (1) (g). The items to be discussed are the direction of teacher negotiations, a personnel problem, and administrative evaluations and merit pay.

**MEETING CANCELLED**

The negotiation session between the KEA and the Kewaskum Board of Education Negotiations Committee originally scheduled for November 17, 1983, has been cancelled.

**CBT COMMITTEE TO MEET WEDNESDAY**

The CBT Committee will meet in the Kewaskum High School library on Wednesday, November 9, 1983, at 7:30 p.m. The public is invited.

**NOVENA TO ST. JUDE**

O holy St. Jude Apostle and Martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ, faithful intercessor of all who invoke your special patronage in time of need, to you I have recourse from the depth of my heart and humbly beg to whom God has given such great power to come to my assistance.

Help me in my present urgent petition. In return, I promise to make your name known and cause you to be invoked, say three Our Fathers, three Hail Marys and three Glorias. St. Jude pray for us, and all who invoke your aid. Amen.

This Novena has never been known to fail. This Novena must be said for 9 consecutive days, and publication must be promised.

**Unique Women of God To Have Guest Speaker**

Marilyn Holden will be the guest speaker at the Unique Women of God luncheon on Thursday, November 10, at 12:30 p.m. It will be held at the Cedar Lake Home Learning Center, on Hwy Z, in West Bend.

Marilyn is married, the mother of three children, and a business education instructor at Brown Deere High School. She is a color and personal care consultant also. Her topic will be "Coming Alive with Your Colors."

Reservations were to be made by sending \$4.50 to Lou Reichert, 937 Redwood West Bend, by November 1.

Babysitting is available for pre-school children one year and older. Register your children when making reservations.

**THANK YOU**

Thanks to St. Jude for favors received.

C. W.

**THANK YOU**

Thanks to St. Jude for favors received.

F. S.

**BEECHWOOD PTO TO HAVE ELECTION OF OFFICERS, AWARDING OF PRIZES**

The Beechwood PTO will hold their monthly meeting Tuesday, November 8, at 7:30 p.m. at the Beechwood School. A short meeting with election of officers will be held, followed by the awarding of prizes to the students for their efforts in the fund raiser.

Volleyball will also be played.

**SUPER RUMMAGE AND BAKE SALE**

A super rummage and bake sale is being held Thursday and Friday, Nov. 3 and 4, from 9 a.m. to 4 p.m. at the Samaritan Home, 531 E. Washington St., West Bend. Sale in basement. Come to back parking lot off Indiana Ave. Use back entrance. Signs will be posted.

"Laughter is sunshine in a house." Wm. M. Thackeray

**ADVERTISEMENT FOR BIDS**

The Village of Kewaskum Police Department is accepting sealed bids for a 1984 squad car. Please contact Police Chief Hlavaty for the detailed specifications at 204 First St., Kewaskum, WI. 53040.

The deadline for submitting bids is November 7, 1983 at 5:00 p.m.

**— REMINDER —  
 Village of Kewaskum  
 UTILITY USERS**

All water bills that have accrued and remain unpaid on November 11, 1983, shall be placed on the tax roll by the Village Clerk for collection. A late payment charge of three per cent (3%) but not less than 30c will be added to the unpaid balance. (PSC of WI. Rate File, Mg-1).

All sewer bills that have accrued and remain unpaid on November 11, 1983, shall be placed on the tax roll by the Village Clerk for collection. The owner or user of the real estate being served by the treatment works shall be liable for interest upon all unpaid balance at a rate of six per cent (6%).

(Municipal Code - Chapter 13.62 (2) (d)).

**TOWN OF WAYNE**

Payment on Loan	10,000	10,000	10,000
Miscellaneous	1,749	2,650	3,000
			<u>180,200</u>

The use of Federal Revenue Funds shall also be decided at this hearing.

By Joyce Albrecht, Extension Home Economist

**SUBPRIMAL CUTS GIVE CONSUMERS ADDED SAVINGS ON BEEF**

New cuts of beef—called subprimals—are appearing in meat markets and being carried home in grocery bags. But buying them and using them wisely calls for some new consumer knowledge and skills.

For years, meat packers have sent the butcher primal cuts... wholesale cuts such as rounds, loins and chucks...for the butcher to slice into retail cuts which consumers recognize by the shape and size of their bones and muscles.

Today, many packers are doing more of the trimming themselves. At the plant they are deboning the primals and cutting them into sections known as subprimals and sending these subprimals to the butcher packed in plastic bags. Instead of rounds, for example, butchers are buying top rounds, bottom rounds and sirloin tips from packers.

Vacuum-packed in heavy plastic film, the cuts have a longer-than-usual shelf life. Buying a whole subprimal means paying a lower price per pound than buying individual cuts from the meat case.

In spite of the attractive price of these large cuts, some shoppers may be wary of the subprimals because of their color. Consumers are used to selecting bright red meat and avoiding that which is dark. Subprimals in their heavy plastic bags are dark purplish red...even though the meat is fresh.

The color of the subprimals is not due to drying out or being old, but to the ordinary meat pigment myoglobin which is extremely dark red in the absence of oxygen in the plastic bag. The pigment changes to the characteristic bright cherry

red in the presence of oxygen.

If shoppers understand why the color of the fresh subprimals is dark and can accept it, they'll find these large cuts are a good bargain.

While the boneless subprimals need some further trimming by the consumer or the butcher, there is very little waste to these cuts. From boneless subprimals to trimmed cuts, there's an average meat yield of about 90%.

While the subprimals may be more pounds of beef...and thus more original cost...than a family might use or spend in one week, the meat and the ensuing savings can be stretched over a period of time.

For example, have the butcher cut the subprimal into one-meal servings. Use some immediately as fresh meat and wrap, freeze and store the rest.

For added savings, you can cut the beef yourself. Many of the subprimal packages come with instructions telling consumers how to cut the meat. If you need help, ask the butcher to show you what to do. When you do your own cutting and packaging, you can reduce the cost of your beef...even though it involves some extra work. However, to maintain a quality product, the consumer must properly package, freeze and store the meat in the coldest part of the refrigerator or freezer and observe recommended meat storage periods.

Today's Medicine

Nervous Tension

H. L. Rumsey, D.C.

Modern high pressure living with its stress, strains, and uncertainties is taking its toll among Americans. One out of every ten faces a nervous breakdown, according to authorities. In the United States today the public spends millions on tranquilizers, barbiturates, and antidepressants each year in a vain effort to relieve their tensions. Nervous tension and its subsequent effect upon the human body and our national economy has become a critical problem.

In nearly every disease that strikes the body there is a primary cause within the nervous system. In many cases, this is the only way the body has of letting you know that there is something the matter with the system. A feeling of nervousness is in many respects much the same as the symptoms of a headache, and it is not too uncommon to find the person who is nervous also complaining of recurrent headaches. It is a warning sign and should be heeded in the same sense that you would necessarily heed the warning of repeated headaches.

Chiropractic is the only science that teaches the method of releasing nerve pressure. It has compiled a remarkable record of safe, effective help for victims of nerve tension disorders. Through clinical experience with millions of patients, doctors of chiropractic have found that there is a direct connection between the physical function of the nerve system and nerve tension disorders. Nervous tension and associated disorders are not always of purely emotional origin.

Chiropractic research has demonstrated that subluxated, or misaligned, spinal vertebrae contribute greatly to nervousness by creating an irritating tension on the physical nerves. Nervous stomach, ulcers, headaches, sleeplessness, high blood pressure, heart disorders, skin rashes, menstrual irregularities, emotional problems and anxiety — the inability to cope with modern stress, may all be a result of spinal nerve lesions.

Coach Mike Fifrick getting a well deserved congratulations from the Kewaunee coach.

# Indians Whip Chilton, 33-14, To Finish Perfect Season

The unbeaten Kewaskum Indians finished a perfect season with a 9-0 record by crunching Chilton in their final Eastern Wisconsin game at home Friday night, 33-14. The Indians had already clinched the undisputed conference title a week earlier with the best record in the school's history of 11-man football.

This is the first time Two Rivers failed to win the conference title, and the first unbeaten season for Kewaskum, which last won a conference title in 1975, when the Indians were co-champions of the now defunct Scenic Moraine Conference.

Several big plays and long runs, which the Indians have been famous for all season, again sparked them in the victory over Chilton. The Tigers were geared to stop the Indians' vaunted running attack with almost an 11-man front. They did contain Kewaskum's running attack much of the time but could not contain quarterback Mark Follmann and his surprise passing attack.

As usual, Jim Braun had another exciting 68-yard run on Kewaskum's third play. He appeared to be stopped after a short gain when he broke away to outdistance the pack and outrun the two remaining defenders to the goal line. The drive had started on the 25-yard line after the Tigers missed a 42-yard field goal try.

Neither team posed another scoring threat until the second quarter when Chilton marched 59 yards with Dan Werbeckes scoring from the one. Karl Zacharias kicked the extra point, giving the Tigers a 7-6 lead.

Kewaskum came right back on a 47-yard Follmann to Dennis Butz pass to the Chilton 11. Brad Dieringer gained 10 yards but then the Tiger defense stiffened. On four straight tries, Braun couldn't score, giving the Tigers the ball on the three.

From their own three, two plays netted just one yard for Chilton. Quarterback Dave Sell, trapped in the end zone, attempted a desperation pass but was called for intentional grounding, giving the Indians a safety and putting them ahead, 8-7.

Chilton was then forced to punt the ball out from its own 20. Zacharias' punt traveled to the 30 where Braun took it and brought the ball back to the 47. A penalty gave the Indians the ball on Chilton's 38. Three plays later, Follmann hit Jeff Squier on his first of two touchdown passes, this one for 31 yards. The second came shortly before halftime on a 13-yard pass from Follmann to Rick Heberer and then Follmann hit on a bomb to Squier on a nifty catch, who broke away to score. This gave Kewaskum a 21-7 halftime lead.

Each team scored in the third quarter, Kewaskum on a 20-yard counter by Dieringer after Braun found an opening down the sideline for a 22-yard punt return. Chilton scored minutes later on a Sell to Werbeckes pass play that covered 50 yards.

The Indians scored again in the last period when Chris Harlow got the ball back by intercepting a pass at Chilton's 25 and carrying it to the 12

before being tackled. Two plays later Follmann threw his third TD pass to Heberer, who was injured on the play.

The Indians played without their top lineman, John Swanson, who was kept out of action with an ankle sprain. The 33 points is believed to be the most scored against the Tigers this year.

Coach Mike Fifrick praised Follmann for his 10 of 12 passing effort and Squier for his big plays throughout the season with six interceptions. Braun gained 90 yards in 15 carries, mostly in the first half. Harlow gained 45 in the second half, giving him 59 for the game. The game featured two of the best punters in the conference in Harlow and Zacharias, who each had a punt 50 yards or better.

Halfback Jim Braun, a 5-10 180-pound senior, rushed for 1,137 yards on 130 attempts in nine games an average of 8.7 yards per carry and 126.3 yards per game. Senior fullback Chris Harlow (5-11, 185) added 627 yards on 117 attempts, 5.4 yards per carry and 69.7 yards a game. Wingback Brad Dieringer, a 5-7, 150-pound senior speedster, needed just 42 carries to gain 447 yards, averaging 10.6 yards per attempt and 49.7 yards per game.

Junior quarterback Mark Follmann (6-1, 155) will not hesitate to take to pass. Follmann has completed 39 of 73 passes (53.4 percent) for 650 yards and a hefty 14 touchdowns. He has been intercepted only five times this season.

Follmann's favorite target has been 6-2, 170-pound senior split end Jeff Squier, who has 13 receptions totaling 281 yards — a 21.6 average per catch. He also has been the recipient of six touchdown passes. Senior Dennis Butz (6-4, 195) gives Follmann a big target at tight end.

The starting offensive line consists of senior John Swanson (5-9, 210) at left tackle, senior Steve Seitz (5-10, 185) at left guard senior Doug Miller (5-10, 165) at center, senior Brad Bartelt (5-8, 150) at right guard and junior Gary Butzlaff (6-0, 180) at right tackle.

Defensively, Harlow and Dave Pesch, a 6-0, 165-pound senior, are the ends with Butzlaff and Miller the tackles and sophomore Rick Heller (5-8, 190) at nose guard. Braun, senior Tim Landvatter (5-6, 150) and junior John Gundrum (5-10, 160) are the linebackers. Butz and junior Tom Herriges (6-0, 150) are the defensive backs, with Squier at safety.

## Kewaskum Hosts Volleyball Regional

# Indian Girls Beat Fond du Lac, Lose to Hartford in Finals

This year's Class A WIAA Regional Girls' Volleyball Tournament was hosted by Kewaskum on Tuesday, evening, Oct. 25, in the new gymnasium at the high school.

Kewaskum defeated Fond du Lac in the opening match of the regional but the Indians were beaten by Hartford for the regional title. Fond du Lac tied for second place in the Fox River Valley Conference with a 4-3 record.

Hartford was forced to win the last two games in both the semi-final match against Waupun and in the finals against Kewaskum for the championship. Captain DeAnn Lehman, one of the best individual players in the tournament, sparked the Orioles' attack.

The Orioles lost their first game to Waupun, 9-15, and then turned around to defeat the Warriors, 15-5, in the second game and 15-9 in the decider.

Kewaskum took on Fond du Lac in its opener in a see-saw battle. The Indians took the first game, 15-10, and then pulled

out a 16-14 squeaker for the right to advance.

The Indian girls played excellent volleyball, probably their best of the season in their opening match and their efforts continued for the first two games against Hartford.

In the finals Hartford jumped to a 6-0 lead before the Indians got going. Holly Kempf scored three points, aided by a couple Julie Koepke spikes. Then Koepke, who missed much of the season with an ankle injury, served Kewaskum into a 9-7 lead with Kempf doing honors from the front line.

Next to be seen was some power volleyball with Lehman and Koepke fighting it out at the net. Hartford edged out in front, 14-11, but the Indians charged back behind kills by Sandy Secor and Kempf to win, 16-14. Neither team led by more than two points most of the second game, with Hartford eventually winning 15-11. The Indians could not keep pace in the final game.

With its regional victory, Hartford advanced to the sectional.

## WIAA Will Study Revision In Football Playoff Plan

STEVENS POINT, Wis. — The committee structure of the WIAA will be pursuing in the coming months the sentiment of WIAA schools at Area Meeting this fall to make a change in the format of the football playoff program.

The Board of Control at its October meeting last week in Stevens Point — following recommendation by the Advisory Council — referred the issue of a revised playoff procedure to the Football Coaches Advisory Committee which meets next month. Thereafter, the Sports Advisory Committee will review the coaches' recommendation in January before the Council discusses it later that month. The Board likely will make a decision at its meeting in January.

Illinois presently follows a plan based on the enrollment of schools participating in the playoffs. If Wisconsin adopted this plan, it would mean that the eight largest schools of the 48 which qualify for the playoffs would be in Division 1, the next eight in Division 2, etc. The present WIAA system places conferences in divisions according to average size of its members. The WIAA procedure results in mismatches from time to time, some of them finding a school twice as big as its opponent.

Schools voted by about a 3-1 margin at the Area Meetings in favor of the Illinois procedure over the present WIAA plan. Discussion on this item came at the same time as football-only conference were discussed, and it is possible that the strong Area Meeting support for the Illinois system is a backlash from the strong feelings against football-only conferences. The Illinois system has been

brought up in the past but never received the interest of the WIAA membership until discussions about football-only conferences this fall.

A major disadvantage of the Illinois procedure is that schools would not know until four or five days before their first playoff game either (a) their opponents in the quarterfinals or (b) whether they will be hosting a game or traveling to a different site. The present system employed by the WIAA makes it possible for schools to know before the season that if they are conference champions, they will be playing — and either hosting or traveling to — some other predetermined conference champion.
