Indians Runner-up State Champions

By DENISE LEONG

The breaks went against the Kewaskum Indians Friday afternoon.

At Camp Randall Stadium, Madison, the Indians and the Minocqua Lakeland Thunderbirds showed their strengths on defense and battled in a tough match-up between the two undefeated teams in Class A, Division 3 competition. It was three key interceptions in the last quarter that decided the game in Lakeland's favor, 21-0, and gave them the Division 3 Championship.

Thus the Indians finally ended a long season with an 11-1 record, including three non-conference games, six conference games and three playoff games. Lakeland finished 12-0.

Before the interceptions, the game could have easily remained scoreless by the end of the regulation time. The 1st quarter

4,000 KEWASKUM FANS ATTEND GAME

Twelve busloads of Kewaskum followers, plus numerous other fans who made the trip to Madison in private cars, attended the Kewaskum-Minocqua WIAA Class A, Division 3, state final playoff game Friday. The Kewaskum crowd was estimated at 4,000 persons.

was highlighted by strong defensive plays, beginning with an interception by Lakeland's Corey Parker, which stopped the first Kewaskum drive. Lakeland, however, could not capitalize on the turnover and was forced to punt. Lakeland's defense countered on the next series when they thwarted a fake punt attempt and took possession of the ball on the Kewaskum 47 yard line. Lakeland's Parker then gained 15 yards on the next running play, which began the first real offensive movement of the day. However, the Kewaskum defense stopped them short as Dave Pesch recovered a fumble on the Kewaskum 17 yard line. The defense prevailed as the 1st quarter ended in a 0-0 tie.

In the 2nd quarter, the offense of both teams began to jell, but still could not score. Kewaskum quarterback Mark

Follmann completed a nice 30 yard pass to Rick Heberer. A 34 yard field goal attempt by Brad Dieringer, however, fell short of its mark. Late in the 2nd quarter, Chris Harlow ran 12 yards and brought the ball down to the Lakeland 33 in another scoring threat. However, this drive was stopped by Corey Parker's second interception of the day.

Likewise, Lakeland's offense began to move the ball better, but Kewaskum's defense, highlighted by an interception by Dennis Butz, held them scoreless.

The 3rd quarter showed both defenses still going strong as Kewaskum stopped a Lakeland drive on the Kewaskum 35 yard line. Lakeland, in turn, stopped a Kewaskum drive set up by a 40 yard run by Chris Harlow. This Kewaskum drive was halted by a Paul Sedivy interception.

In the 4th quarter, thoughts of an overtime were dispelled quickly as Rod Stengl of Lakeland intercepted and returned the ball to the Kewaskum 12 yard line. A clipping penalty though moved the ball back to the 19, and Lakeland's offense sputtered as Stengl fumbled a pitch from quarterback Stuart Kirscht. However, the ball bounced wrong for Kewaskum. Stengl was able to recover it and ran against the grain around right end to score a touchdown, with 7:59 left in the game. Less than two minutes later, Parker intercepted his 3rd pass of the day and returned the ball 46 yards for the next Lakeland touchdown.

Undaunted, the Kewaskum offense marched downfield on the next series on two receptions by Jeff Squier and a 13 yard run by Chris Harlow. A Kewaskum score was not to be as Sedivy picked off another pass and ran 95 yards untouched for the final touchdown.

Though the final score was not indicative of the game's intensity, Kewaskum fans will for a long time to come remember the fine play of a game that ended an inspiring, exciting, and highly successful season.

Coach Mike Fifrick said he felt good going into the last quarter. It was still 0-0 and the Indians were getting the strong

Voluntary Fingerprinting Program Okayed

Lack Of Communication Biggest Negotiation Problem Says KEA

By GERRY MUELLER
Statesman Staff Writer

Fran Charland, President of the Kewaskum Education Association, addressed Monday night's School Board meeting telling it the biggest problem between the KEA and Administration seemed to be lack of communication between the two groups.

Charland told the board, one point won by the KEA in its last negotiated contract with the School Board was a "sincere effort to sit down and negotiate." Our association feels this point has not been met on the part of the board, said Charland, speaking for over 100 teachers attending the meeting.

"We haven't had a contract at the onset of school for the last six years," stated Charland. "Except for one board member, there is not one board member who has served when we did." Money has not been an issue, right now we're concerned with class size, posting of vacancies and Bargaining Unit work. Charland noted none of these items need cause the ne-

gotiations to drag on indefinitely. "We have a three to four hour meeting and virtually nothing is accomplished. If you have questions, we welcome communications," said Charland.

Charland told the board the teacher attendance was not meant to be a show of force, only a sincere concern for educational issues and communication between the two groups.

In other action the board approved the recommendation of District Administrator John Long to adopt a voluntary fingerprinting program for children kindergarten through eighth grade. Long stressed the program will be strictly voluntary and parents would be requested to sign a permission slip allowing their children to be fingerprinted. The records would be sent home to the parents for safekeeping. Elementary Principal Tom Larsen told the board that Farmington School had already run such a program. Long jokingly noted, yes we know, they tend to be an entity unto

themselves and handle things on their own.

Buildings and Grounds Supervisor Fred Boehlke gave a report on roof repairs. He said approximately one-fourth of the high school roof work had been completed. Both board members Ralph Horner and Charles Ogi expressed concern as to how the State Trust Fund money was being spent. Horner asked that a report showing all expenditures to date, be compiled along with an accounting of how much money was left. Long informed the board that

Former Resident Visits Grades at Elementary School

Students in the third and fifth grades at Kewaskum Elementary School were treated by a visit from a former Kewaskum resident. Jim LaMarche, a graduate of Kewaskum High School, is now living in California and working as an

illustrator for magazines, book companies, and commercial products. Most interesting of all his work were the four children's books that he has illustrated.

Mr. LaMarche spoke to the children about his work, making and publishing of books, and demonstrated the art of illustrating. The sketches he made and the stories the children have written will be on display in the library at the

elementary school. His children's books are available at the Public Library.

School Board Takes 1st Step Toward Dist. Drug and Alcohol Abuse Program

By GERRY MUELLER
Statesman Staff Writer

High School Counselor David Wietor's School Board meeting requesting it give its support and approval to the efforts of local volunteers who are willing to give their time and energy to the development of a Drug and Alcohol Abuse program to help the youth of the Kewaskum School District.

Wietor has been working to create a help program patterned after those currently being operated in New Holstein and Chilton. He told the meeting, people may think there is no problem, but we teachers know there is one. It may not be as big or bad as other communities, but it still exists.

Wietor said the backing he was looking for was approval to provide pay for five substitute teachers for one week to cover the time he, and four volunteers would be attending an instruc-

tion program being put on by DePaul Rehabilitation Center in cooperation with the Wisconsin Department of Public Instruction. Wietor told the board, "the DPI sees this as such a major problem in the schools they're willing to pick up the bills." He was referring to an estimated cost of \$6,000.00 for volunteers to attend the class. Wietor said he was not sure if DePaul would run another training class or that the DPI would pick up future instruction program costs.

"Right now we don't have anyone on our staff skilled enough to tackle the problem. If we want to do something, we have to be trained," stated Wietor. "All I'm professing here is, if a kid comes to us and says hey, I've got a problem, I need help, we've got something for them," he said.

District resident Charles Voge voiced his support of Wietor's request. "Parents are the least equipped to deal with

drug and alcohol abuse. Their first reaction is one of shock, then anger and they come down hard on the kid, and that's not what they need then, its help."

Board member Ralph Horner questioned whether Wietor felt approval of his request also would give him the okay to set policy and create the program. Wietor said no, all he was looking for at this time was board approval of the teachers attending the training program and substitute pay while they were gone. We'll be back to you many times for meetings and discussions, we will not begin any program until we have the board's approval on both the policy governing the program and the program itself.

On a six to one vote, the board approved a motion by board member Neal Weare to provide substitute teacher pay covering five teachers for one week. Board member Charles Ogi voted against the motion.

KEA

when roof repair costs were estimated, the anticipated figure was \$100,000. However, actual costs will run \$132,000. He said the priorities list would have to be revised to absorb the increased cost. Ogi also requested that Boehlke have the balance of the school roofs inspected. He felt that since some of them were over 25 years old, it was of greater need to do roof repairs, even if they have not been scheduled, than purchasing of equipment, etc. "Without a roof, you haven't got a building," said Ogi. Board member John Spoerl agreed with Ogi's recommendation. Long agreed with Ogi, however, he questioned Spoerl's comments, noting, "where do you get the money to replace furniture, typewriters, and do other repairs when you do not allow money to budgeted for these items?"

Mrs. Joan Rosenberger, Chairman of the Graduation Requirements Committee gave a brief update on her group's work. She told the board, "we are going to poll parents who come to conferences on Wednesday regarding their opinions on graduation requirements."

Ralph Horner gave a report on the last Wisconsin Association of School Boards (WASB) meeting. He urged everyone to write or call their state representatives and senators opposing Assembly Bill #652.

"The intent of the bill is to get at the tax base of outlying communities and to institute integration of school districts including Milwaukee." Horner said the proposed new district would be called Mid-Southeast Metropolitan School District and would include Milwaukee and its surrounding counties. Ogi stated, "the way I read this bill is, it's an attempt to get into the pocketbook of outlying communities." The board unanimously agreed that a letter of opposition, as a board, be sent to all the district's legislators.

The board approved the request of Business Manager Baird Stouffer to purchase a word processor at an approximate cost of \$3,500 plus service contract fees, for the Administration Office. Stouffer told the board the Dictaphone Corporation was going out of the word processing manufacture and closing out its remaining equipment at a saving of about \$8,500. Stouffer noted the purchase would be made only if units were still available after a company offer had been made to previous purchasers of the equipment.

The board also approved the establishment of an Extra-Curricular Activities Committee.

Eight seniors and eleven juniors have been chosen as candidates for Kewaskum High School's chapter of the National Honor Society.

Selected on the qualities of scholarship, leadership, character, and service, the nominees were chosen by present NHS members and the KHS faculty. Each new junior member has a cumulative grade point average of at least 3.4 and has been active in extra-curricular activities.

Induction ceremonies were conducted at Kewaskum High School Thursday evening, November 10th, when the 19 inductees pledged themselves before parents, faculty and the administration. Second year members Dan Menzel, Sandy Nigh, Terri Heller, Sue Lemke, Beth Strigenz, Amy Sekas, and

Pam Krahn pointed out through speeches, the responsibilities, attitudes and performance requirements expected of the new candidates.

Mike Strigenz, a 1975 KHS graduate and NHS member, officiated as the main speaker for the ceremony. Strigenz attended Marquette University and graduated with a BS in philosophy and pre-med preparation. He then attended the Medical College of Wisconsin and graduated in May of 1983. He is presently involved in a 4-year internship program at Milwaukee County General Hospital. Strigenz stressed the importance of education and commitment and the honor of being selected to the NHS. He commended the members for their achievements and the recognition they deserve to

receive for those accomplishments. He also talked about their plans and goals and the need for each to strive to achieve. NHS president Kirk Vogt conducted the ceremony. Clark Pearson, KHS principal, and club sponsor Sharon Blank were the other speakers who offered their congratulations to the new members.

Senior candidates for induction were: Jeff Eisenmann, Glenn Classey, Peggy Kempf, Steve Kuphal, Rose Ann Peterson, Doreen Jacobs, Tim Landvatter and Ken Heisdorf. Junior candidates for induction were: Mona Anderson, Michelle Beesten, Gary Butzlaff, Amber Charland, Chris Dieringer, Jon Etta, Glen Hupfer, Janet Mueller, Sandy Secor, Rick Steiner and Mike Steinhardt.

assistance.

A customer wishing to make additional Calling Card calls does not hang up the receiver but simply presses the pound (#) button, waits for another announcement, and proceeds to dial each call. This represents further time savings over the present procedure.

Burger added that fully automated or customer-dialed Calling Card Service will be available only at telephones which have one-party Touch Calling Service. Customers can still make Calling Card calls from rotary dial phones or in areas where Calling Card Service is not available, but an operator's assistance will be required.

Kewaskum Historical Society Holds Annual Dinner Meeting

The Kewaskum Historical Society has completed another year of providing a look at the past, present and future. This is accomplished through the museum, log cabin, early farm days show, meetings and movies. The Society is grateful to all of those that have supported the Society and its functions, for without your help we would not survive and grow.

To close another year the Society again held their annual dinner meeting November 15, at the Brig-O-Doon, 1139 Fond du Lac Avenue, Kewaskum, at 6:00 p.m. with cocktails (cash bar), followed at 6:45 p.m. with a family style dinner. The cocktails and dinner preceded a short informal meeting and short program.

Credit Card Phone Calls Now Available in Kewaskum

Customers of General Telephone Company of Wisconsin in Kewaskum can now dial their own credit card calls. Calling Card Service is a new computerized communications feature that enables Calling Card (telephone credit card) users to place calls without assistance from the operator.

According to Southeastern Division Manager Robert G. Burger, Sun Prairie, the new service offers a more convenient, faster, and less costly alternative to operator-assisted calls, such as third-party and collect calls, and enhances the value of the company's present Calling Card.

Burger explained that the

new service does not require many changes for customers. Users enter "0" (zero) plus the telephone number they are calling, as they have done in the

past. But, with Calling Card Service, customers hear a tone, or a tone and an announcement, asking them to enter their Calling Card number (usually their area code, plus home or business telephone number, plus a four digit personal identification number).

The Calling Card number is

then validated, billing information is recorded automatically and the customer is connected to the called party in a matter of seconds, all without operator

MIDDLE EAR INFECTION

If you have a cold, sore throat, or flu, you may avoid getting a middle ear infection as a complication by sniffing a weak, warm, table salt solution up your nose [one side at a time] so that it comes thru to the back of your mouth. Performed 2 or 3 times daily, this should help to keep your middle ears from becoming infected and plugged with mucus.

wind at their backs. Fifrick did not feel the final score reflected the game. It was more like a one-touchdown game and their first score came on a fluke play.

As far as the interceptions were concerned Fifrick said Lakeland covered the flats very well—as well or better than anybody the Indians have faced. "So we had to widen out our patterns and that threw off the timing on some of the plays. When the other team gets the lead and time is a factor, you don't quite run the same plays.

Asked why the running game had problems, Fifrick replied, "Lakeland was stunting one inside linebacker. When we tried to run outside, we had trouble picking him up. We had ways of picking him up, but we just didn't do it. The inside stuff was fair to good."

Harlow, a 5-11, 195-pound fullback, gained 103 yards on 16 carries for the Indians, who were outrushed by the Thunderbirds, 175-133, but outgained them in total yardage, 216-188. Braun, a 5-10, 180-pound halfback, who had gained 1,302 yards entering the game, was held to 29 yards on 13 attempts. Follmann completed six of 19 pass attempts for 72 yards, but suffered six interceptions and was sacked twice for a total of nine yards in losses.

Corey Parker, a 5-10, 165-pounder, running from the right halfback spot in Lakeland's wishbone offense, gained 73 yards on 20 carries. Stuart Kirscht added 45 yards on 11 attempts and Rod Stengl 42 yards on seven carries. Lakeland fumbled six times, losing two.

Girl Scout News

On Wednesday, November 16, Cadette Troop 72 spent the afternoon at the River Edge Nature Center at Newburg. They toured the grounds and worked on the Outdoors Survival badge. An interesting and educational time was enjoyed by the troop.

Junior Troop 144 had Officer Richard Knoebel of the Kewaskum Police Department come to their meeting and explain to the Scouts all about fingerprinting. Each girl had her fingerprints taken.

Brownie Troop 225 recently held their investiture ceremony. They are busy making plans for the rest of the year.

Junior Troop 17 will be going to Milwaukee on Friday, November 18, to spend a day at the Folk Fair. This is sure to be an interesting as well as educational trip for all the girls.

Junior Troop 53 recently held a Scout meeting at which the girls invited their grandparents to the meeting. This was when the girls learned what life was like when their grandparents were their age. It was quite a surprise to learn what life was like without television, video games, and indoor plumbing. The girls also learned that families did more things together then compared to the fast life style we live today.

Gross - Giese

Shirley Ann Gross and Dale Robert Giese exchanged marriage vows during a 1:30 p.m. ceremony at Holy Trinity Catholic Church, Kewaskum, on Saturday, October 1. Father Robert Berghammer officiated.

Music for the ceremony was provided by the organist, Wendy Murphy, and the soloist, Lee Kempf, a friend of the bride and the groom. Scripture readings were done by David Benzschawal, also a friend of the couple.

Parents of the couple are Mrs. Darlene Gross and the late Robert Gross, and Mr. and Mrs. Donald Giese.

The bride was presented in marriage by her mother and her brother, Charles Gross.

The bride chose her sister, Judy Gross, Kewaskum, as her maid of honor. The bridesmaids were Arlene Giese, Oshkosh, sister-in-law of the groom, Cathy Zukauskas, Chicago, Illinois, a friend of the bride, and Joanne Giese, Campbellsport, sister of the groom. The flower girl was Jessie Giese, Oshkosh, niece of the groom.

Danny Sabish, Elmore, a friend of the groom, served as best man. The groomsmen were John Giese, Oshkosh, brother of

the groom, Frank Flasch, Kewaskum, a friend of the groom and Brian Hintz, Dundee, a cousin of the bride. The ring bearer was Michael Gross, Kewaskum, nephew of the bride.

Ushering duties were shared by Ronald Giese, brother of the groom, and Robert Neitzel, cousin of the bride.

Following the ceremony, a reception, dinner and dance was held at the Amerahn, Kewaskum.

The bride is a graduate of Kewaskum High School and is employed at the West Bend Company. Her husband graduated from Campbellsport High School and is employed at Park Cheese Factory, South Byron.

The newlyweds spent their honeymoon in northern Wisconsin and are now residing at 327 North Railroad Street, Campbellsport.

McEwen - Hupfer

St. Mary's Catholic Church, West Bend, was the setting for the 2 p.m. ceremony on Saturday, September 17, uniting Christine Susan McEwen and Michael Gerard Hupfer in marriage. Father John Furtman officiated.

Guitarists and soloists Kay, Ann and Patty Hupfer provided music for the ceremony.

The bride and groom both were escorted down the aisle by their prents, Mr. and Mrs. Murray McEwen, 705 Memorial Dr., Kewaskum, and Mr. and

Mrs. Matthew Hupfer, 2292 Newark Dr., West Bend.

Patty Hosking, Kewaskum, a friend, served as the bride's maid of honor. The bridesmaids were Debbie Donnelly, Kewaskum, a friend of the bride, Mary Jo Hupfer, West Bend, sister of the groom, Sheri Uelmen, West Bend, and Andrea McEwen, Hortonville, both cousins of the bride.

Kevin Lemke, Kewaskum, a friend was chosen as best man. The groomsmen were Bruce Speilman, West Bend, a friend

of the groom, Glen Hupfer, Jerry Hupfer and John Hupfer, all brothers of the groom from West Bend.

Ushering duties were shared by Kevin McEwen, Hortonville, cousin of the bride and Mark Hupfer, West Bend, brother of the groom.

Following the ceremony, a reception and dinner for 250 guests was held at The Chapperal in Kewaskum.

The bride studied computers at MPTI and her husband is serving with the U.S. Navy.

The couple honeymooned in Canada and will reside at 705 Memorial Dr., Kewaskum.

MPTI Schedules Breads Workshop

A two week Breads Workshop featuring specialty holiday breads is scheduled at Moraine Park Technical Institute, West Bend.

MPTI instructor Kathy Hetzel said the basics of yeast baking in breads, rolls, special braids and stollens will be included. Students will also spend some time on batter breads that require no shaping or kneading.

Classes will meet at Decorah Annex on Wednesdays, Nov. 30 and Dec. 7 from 7 to 9:40 p.m. The fee is \$4.30. Advance registration is necessary. Call MPTI at 334-0909, at least one week before the class starts.

Low Cost Home Loans for today's home buyers

FROM YOUR COMPLETE FINANCIAL RESOURCE COMPANY

Smart home buyers, builders and real estate investors know that NOW is the time to buy or build. Market conditions are prime, there is a good selection of affordably priced homes and building sites available and, best of all, West Bend Savings is offering low cost mortgage financing that meets the needs of today's buyers.

Get the facts about the Adjustable Rate Mortgage — 'Today's Financing Alternative' — and other conventional mortgage plans. Visit the West Bend Savings office nearest you.

A MORTGAGE YOU CAN LIVE WITH

In today's economy, buyers and investors need a financing alternative they can live with... one that will save money and allow them to get lower rates as they occur during this recovery. They need mortgage financing that keeps pace with the changing times. It just doesn't make sense to pay a big premium for a fixed rate mortgage in today's economy.

ADJUSTABLE RATE MORTGAGE

West Bend Savings' Adjustable Rate Mortgage provides a low cost, money savings alternative with the kind of flexibility needed today. Initial rates are lower than traditional fixed rate mortgages, they are guaranteed for pre-established periods and they fluctuate with changing market conditions. More importantly, you can qualify easier and afford a better home or investment with an Adjustable Rate Mortgage.

When you buy, sell, build, insure, furnish, remodel or finance, see West Bend Savings and the 'Financial Resource Group Members'.

Sharing ushering duties were Brian Voigt, Kewaskum, brother of the bride, and Jeff Kertscher, nephew of the groom.

Following the ceremony, a reception and dinner for 425 guests was held at Fillmore Turner Hall. A dance was held in the evening.

The bride is a graduate of Kewaskum High School, attended the University of Wisconsin, Washington County, and was employed at Kennelly Pharmacy in Kewaskum. She is presently a sophomore at UW-Oshkosh where she is majoring in nursing.

The groom is also a graduate of Kewaskum High School. He is presently a senior at UW-Oshkosh majoring in business and is employed at Northwestern Life Insurance Co.

The couple spent their honeymoon in Colorado and are now residing in Oshkosh.

The Christian Mothers of Holy Trinity Catholic Church invite everyone to join in the pre-holiday festivities, Saturday, Nov. 19th, at their annual craft and bake sale.

Entitled "Holiday Happenings," the day promises to get all in the Christmas spirit. There will be home baked goods, handmade craft items which make great Christmas gifts, tree ornaments, and many other items.

Also the ladies are serving a delicious lunch which includes hot beef sandwiches, chili, beverages, and home made desserts.

The sale will begin at 11 a.m. and run to 4 p.m. in the church hall.

Letters to the Editor...

LETTER TO THE EDITOR:

On behalf of myself and the Kewaskum Jaycees, I would like to thank everyone who patronized our haunted house. I hope that everyone enjoyed themselves and felt they got their money's worth. Thanks to the support of the community and surrounding areas, 1983 was the biggest and most successful year in the history of the Kewaskum Jaycees haunted house project. The success of the project would not have been possible without the support and donations from the following individuals and businesses!

Augie Koch, Badger Packaging, Broy, Kewaskum Statesman, Kindt, J. C. Penneys, Regal Ware, Rich's Super Savings, Sentry, Shop Rite and Skate Country. These businesses helped to

make this year's haunted house project successful. Please consider patronizing them in the future.

Thank You,
1983 Haunted House
Chairman, Mike Korneli

On behalf of the Kewaskum School Board, I would like to thank Mr. and Mrs. Bertelsen, and Mr. Ammel for their hard work and success on the play. Also a big thank you to the cast and advisers for being so understanding with rescheduling the play in all the football excitement.

The play was a night of entertainment and a great job was done by all. Your devotion to this extra curricular activity is greatly appreciated. Please con-

tinue giving us a truly enjoyable event.

President

....

Dear Editor:

On November 22, we mark the 20th anniversary of the assassination of President John F. Kennedy. More than 400,000 Americans have been killed in gunfire since his death. Ironically, on this anniversary, Congress is considering legislation which would weaken, not strengthen, America's feeble gun laws.

In 1968, when Congress passed the Gun Control Act, our legislators specifically prohibited mail-order gun sales because President Kennedy's assassin, Lee Harvey Oswald, used a cheap rifle purchased from a Chicago mail-order

house. The weapon was fitted with a telescopic gunsight, also acquired through the mail. Less than an hour after killing the President, Oswald killed police officer J.D. Tippit with a .38 caliber handgun acquired from yet another mail-order house.

Now, the National Rifle Association wants to cut the 1968 Act through passage of the McClure-Volkmer Gun Decontrol Bill (S. 914 and H.R. 2420). This bill would lift the prohibition on mail-order sales and again allow easy access to firearms by criminals and would be assassins.

This bill must be stopped. Our Congress should not enact legislation which only invites mail-order murder.

Sincerely,

Barbara Lautman

INDIANS HONORED AT PEP RALLY

By Denise Leong

The Kewaskum High School football team was honored Saturday, November 12, at 3:00 at a pep rally in the high school, ending their extremely successful and exciting season.

After the KHS cheerleaders led the packed gym in the school song, school board President Jean Goeden began the ceremonies with congratulations and thanks to the parents of the team members for their support and patience.

Student Government President Beth Strigenz also congratulated the team, saying that the team had "boosted school and community spirit" and extended the congratulations to Coach Mike Fifrick, citing that from first-hand knowledge, she is aware of the time and dedication Coach Fifrick has devoted to his sport, and on behalf of the student body, gave him thanks.

Superintendent John Long in saluting the team's accomplishments asked team members not to let "yesterday overshadow all the past Fridays and Saturdays." He then complimented the team, noting that they were "gracious in defeat and humble when you win."

Mr. Pat Miller then led the crowd in a German cheer that was popular more than 60 years ago at KHS. With fiery enthusiasm, Miller and the crowd chanted, "Was ist das, was ist das? Kewaskum Hoch Shool! Das ist was!!!"

Presenting the trophies to Coach Fifrick were Captain Doug Miller and Jeff Squier. The first trophy, presented by Doug Miller, was for the Eastern Wisconsin Conference Championship, the first time Kewaskum has reigned as #1 since joining the conference. Jeff Squier then presented the State Runner-Up trophy for Class A, Division 3.

Principal Clark Pearson in his remarks reviewed the successes of this year's team and also extended his thanks and congratulations to the entire staff and the 1983 KHS football team.

Coach Fifrick then took the stage and after receiving a standing ovation presented and thanked his coaching staff: Milt Dickinsen, Bill Stangl, Joe Harlow, and Perry Koth. In his player introductions, Coach Fifrick reminisced on each player's highlights and presented his award. The 1983 KHS Football team:

Seniors — Brian Kober, Tim Landvatter, Chris Harlow (2nd team all-conference), Jim Braun (Offensive Player of the Year, Eastern Wisconsin Conference 1st team all-conference, offense, 2nd team all-conference, defense), Steve Seitz (1st team all-conference), Rick Heberer, Dave Pesch (1st team all-conference), Brad Bartelt, Kirk Vogt, Jeff Squier (1st team all-conference), Doug Miller (2nd team all-conference), John Swanson (unanimous vote: 1st team all-conference), Brad Dieringer (2nd team all-conference).

Mrs. Goeden then ended the ceremonies by congratulating the team on behalf of the school board. She also thanked the Jaycees, the Lions, and the Kiwanis for their support this season. Special thanks, too, to the Booster Club for their avid support. The players and coaches were then treated to a fire engine escort through town. Bud Schmidt donated his horse-drawn wagon for the team's last public hurrah before they attended the football banquet at the Brig-O-Doon Restaurant.

Sophomores — Rick Staehler, Ken Miller, Tim Rohlinger, Tim Dettmann, Greg Dreher, Rick Heller.

Juniors — Mike Geldreich,

John Gundrum, Tom Herriges, Mark Follmann (2nd team all-conference), Tim Geidel, John Mertzig, Rick Miller, Gary Butzlaff, Brad Kasseckert, John Nowak.

Mrs. Goeden then ended the ceremonies by congratulating the team on behalf of the school board. She also thanked the Jaycees, the Lions, and the Kiwanis for their support this season. Special thanks, too, to the Booster Club for their avid support. The players and coaches were then treated to a fire engine escort through town. Bud Schmidt donated his horse-drawn wagon for the team's last public hurrah before they attended the football banquet at the Brig-O-Doon Restaurant.

Kewaskum Football Team No. 1

In the Hearts of Their Fans

By GERRY MUELLER
Statesman Staff Writer

The enthusiasm shown at Saturday's pep rally confirmed that the people of Kewaskum were proud of their football team. Their trophy may not have said Kewaskum Indians state champions, but the fans did.

It's been a long time since the team's fans have had something to shout about, but that all changed with the effort and determination shown by the 1983 Kewaskum Indians, Eastern Wisconsin Conference Champs. The team went to Madison knowing someone would win and someone would have to lose. Even when chances of the team bringing home the state championship

trophy began to fade, they continued to fight and that's what it's all about. Like the old, time worn phrase goes, "it's not whether you win or lose, it's how you play the game," and the young men of that team went out every time to do their best and they did.

Before the rally began, District Administrator John Long said, "we had a great season and the team did a lot to lift school spirit and pride." School Board President Jean Goeden stated, "the devotion and dedication they've given us is beyond compare." She, acknowledged the team parents for their continued support telling them, "it's been frustrating at times, but hasn't it been worth it?"

Pearson had praise for everyone. "We're proud of the coaches, the team and the community for their great support." During the rally Pearson told the team they had set an example. "This is the first team to win an Eastern Wisconsin Conference championship. We will compare future teams to you, the first team that went to Madison."

Coach Fifrick commented, "I'm proud of the team. They played well all year. We thought we played well Friday, but it just didn't happen."

The team and their parents were also honored at a dinner held Saturday at the Brig-O-Doon. The team's meals were paid for through donations from several local service organizations including the Kiwanis, Lions and Jaycees.

MEMBERS SOUGHT FOR '84 STATE DRAMA COMPANY

If leading drama activities, learning new skills, performing, and meeting people are of interest to 4-H members you know, encourage them to apply to be a member of the 1984 4-H Drama Company.

Company members will receive in-depth training in leading formal and informal drama activities. They will also work with State Theater Specialist Joan Lazarus to create an original play performed at State 4-H Congress in Madison.

To apply, interested members 15-19 years should fill out an application form and participate in an informal audition. One of the auditions will take place at the December 10 "Celebrate the Arts" workshop.

The "Celebrate the Arts" workshop will be held at the Civic Center Campus in Milwaukee. It is open to adult leaders, youth leaders and older members who are interested in some of the arts. Separate sessions will be held for drama, visual arts, music, leathercraft, dance, clown, puppets, speaking and demonstrations.

To get more details and registration information call the county 4-H office at West Bend 338-4478, 644-5204, 342-2929.

HAPPY-GO-LUCKY 4-H CLUB UPDATE

Our meeting of Oct. 18 was Parents' and Recruit Night. Most of the members came and had shown at least one of their fair projects. Lots of good work, congratulations!

The sales lady from the popcorn sales was here to up-date sales reports. Nov. 1 was designated as the end of the sale.

We nominated members to run for office. They are:

For President - Randy Marquardt and Barb McKee.

For Secretary - Shelly Petsch - Sandy Secor - Heidi Belger.

For Treasurer - Victor Dobney - Susan Marquardt - Julie Sauter.

For Reporter - Sandy Secor - Julie Sauter.

At the next meeting, there will still be nominations from the floor.

There was a majority vote to have the meetings in the future at Farmington School.

The November meeting will be November 15 at Farmington School. Re-enrollment and enrollment forms must be turned in at this meeting. Achievement pins and other awards will be given out. Parents are also welcome to attend.

Agenda will include: elections - achievement awards - old and new business. Committee formation also is possible.

The time will be 7:30 - 9:00 p.m., no later.

KEWASKUM 4-H CLUB

The Kewaskum 4-H meeting was called to order on Oct. 14. The 4-H pledge was said by Jerry Freiderman and the American pledge by Chris Holz. It was parents night, awards were presented and new members joined up. We talked about a candy sale. Our checks were handed out.

We had a Halloween party at Kapps home. We played games, had a pumpkin carving and costume contest.

An Achievement Dance was held Oct. 28. Awards and other recognition were presented. It was also called a costume dance. There was judging of costumes.

WAYNE CRUSADERS 4-H CLUB

Peter Filber

4-H has many opportunities which allow young people to learn in their local 4-H groups. Some of them eventually become capable of talking to hundreds of people at State Fairs and other events. Peter Filber of the Wayne Crusaders 4-H Club is one of these capable people.

Peter represented Washington County at the Wisconsin State Fair this summer in the

pork action center. He told "The Story of Pork" in the Youth Expo. He talked to fairgoers and answered their questions about pork.

Peter, son of Mr. and Mrs. Art Filber of 7919 Midland Drive, Allenton, has been enrolled in the pork project for five years. Peter and his family raise hogs from farrow to finish. The Wayne Crusaders 4-H is proud to have Peter as a member.

Repeat Violators May Be Subject to Revocation As Habitual Violators

Washington County motorists who have accumulated several traffic violations during the past three to four years are warned that Wisconsin's "habitual traffic offender" law might be catching up with them. A law was adopted effective August 1, 1980 aimed at getting habitual traffic offenders off the road.

Habitual offenders are those drivers who accumulate 12 or more convictions of point-system violations, or four or more convictions for major traffic violations within any five year period. Major violations include reckless driving, operating while intoxicated, operating while suspended or revoked, hit and run involving injury or death, as well as homicide or other felonies involving the use of a vehicle, and crimes punishable as felonies under motor vehicle laws.

The penalty for drivers convicted under the "habitual offender" law is revocation of all driver's licenses for five full years. What many drivers fail to consider is that under the habitual offender law, violations committed while operating under a chauffeur's license are counted, along with those on a regular license, and out-of-state convictions are also counted.

Drivers convicted as habitual offenders lose all driving privileges, including revocation of regular and chauffeur's licenses. Furthermore, there is no provision for occupational licenses for those revoked.

The time to protect your operating "privilege" is now. Obey all traffic laws and regulations, including the speed limit, and respect the rights of all other motor vehicles, bicycles and pedestrians.

On Saturday, Nov. 15, fifteen Kewaskum High School students will spend the entire day rehearsing for a 600 voice choral concert to be given at the Fond du Lac High School auditorium at 8 p.m. that evening. Outstanding choral students and their directors from 30 area high schools will participate in the mass chorus clinic. Those taking part from Kewaskum High School are as follows: Carole Schultz, Patty Edwards, Joanne Kempf, Connie Rassow, Carol Bier, Nancy Fickler, Marita Nohr, Eileen Hanselman, Sharon Harbeck, Merrill Haug, David Mueller, Jerome Klein, Wayne Coulter, Curtiss Sinclair and Earl Broecker.

Sure sign of a cold winter! We've heard of flowers stolen from graves and things as low as that but this is a new one. A pair of expensive insulated underwear was stolen off a wash line in the village this week in a daring burglary by some cold blooded (else he wouldn't need the underwear) thief. A person has to really be on guard when they start stealing your underwear. That's worse than losing your pants. We have a hunch that if all the deer hunters are stripped down the underwear may be located. If you see anyone running around in insulated underwear that doesn't belong to them - notify the police department.

Honor roll students at Kewaskum Community High School for the first nine weeks period which ended October 31, were announced this week as follows: Freshmen - Diane Becker, Edward Ferber, Karen Fickler, Ronald Gross, Leon Guntly, William Koepke, Hollis Kohl, Dona Mueller, Elaine Redig, Mary Reindl, Allan Rinzler, Carol Schladweiler. Sophomores - Martina DuCharme, Nancy Held, Robert Kroncke, Jolene Miller, Celine Simon, Nancy Hirsig. Juniors - Kenneth Johnson, Judy Rinzler, Margo Weiss. Seniors - Nancy Fickler, Cynthia Landmann, Pamela Nolting, Judy Rahn, Alice Schwind, Aldwin Seefeldt, Jonathan Weber, David Zuehlke.

Mr. and Mrs. Raymond Casper of this village early last Sunday morning experienced an accident which they will long remember. While enroute home from Fond du Lac and nearing the Ebert corner on Highway 55 about six miles north of Kewaskum, Mr. Casper, in an effort to avoid an icy spot on the road, lost control of his car, going up alongside an embankment, the car tipping over on its side. Mr. Casper received a bad cut on his head and Mrs. Casper received several bruises on the head and minor cuts.

Although his face was quite seriously burned, Lester "Butch" Casper luckily escaped perhaps fatal injuries, when he lit a match and inserted it into an oil barrel last week Thursday, which ignited the gas fumes therein and caused an explosion. That the full charge of the explosion missed Mr. Casper's face is a miracle and fortunate. The accident happened in the John Van Blarcom Jr. Hardware Store repair shop while Mr. Casper was making several alterations on the barrel, which was to be used as a storage tank.

Ludwig Schaub and his sister, Rebecca, son and daughter of Mr. and Mrs. Henry Schaub of the Town of Wayne, escaped serious injury last Monday morning when their car collided with a milk truck driven by William Eberle of Kewaskum, at the Adolph Habeck crossroad 2 1/2 miles east of the village.

The Washington County Highway Commission is in receipt of a letter from the Wisconsin Highway Commission stating that the federal government has approved the project of black-topping Highway 28 from the northern village limits west to the Dodge county line. The stretch of highway from the beginning of East Main Street to Boltonville will be resurfaced.

WHAT YOU SHOULD KNOW ABOUT RABIES
By Gregory G. Ogi D.V.M.

Although rabies seldom results in human fatalities in the United States, it remains a potentially dangerous public health problem. Each year more than 20,000 Americans undergo rabies treatments as a result of exposure to potentially rabid animals.

Rabies is a usually fatal disease that can affect all warm blooded animals, including humans. Rabies virus is transmitted from animals to humans through the saliva of a rabid animal. Wild animals make poor pets and are a potential rabies threat to their owners and others. Rabies is caused by a virus that attacks the central nervous system, and if the disease is not prevented, causes the death of its victim. Therefore, every pet owner should take the responsibility in helping to prevent rabies outbreaks.

If you or anyone in your family has been bitten, try to have the animal detained, and thoroughly wash the wound with soap and water. Give first aid as to any puncture wound. Call your physician immediately, and report the bite to your veterinarian. Don't kill the animal or allow it to be euthanized unless so advised by public health authorities or a veterinarian. Don't let the animal stray or give it away. It must be available for observation. Check with your veterinarian to see if your animal has a current rabies vaccination. If the rabies vaccination is not current, consult your veterinarian about having your animal vaccinated for rabies.

Remember the main thrust of rabies control is prevention. Be certain your animals are vaccinated and that these vaccinations are up to date.

Children's parties can be a cause for tears when prizes are given for "winning" games. Matters can be simplified by making sure each guest receives some small gift.

Minutes of Village Board Meeting

Regular Meeting
November 7, 1983
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in regular session in the Council Room of the Municipal Building, 204 First Street.

President Gerald F. Stollenwerk presided. All Trustee Members were present.

On a motion by Trustee Donald Mlodzik, seconded by Trustee Howard Laubenstein and unanimously carried by voice vote, the Board approved the minutes of October 17, 1983.

President Stollenwerk announced that Kewaskum is the Football Capitol of Wisconsin. Congratulations were extended to all those involved in the victory.

The Town of Auburn requested permission to talk to the Board regarding the 1984 Fire Service Contract. Mr. Donald Stoffel, Chairman, and Mr. Ervin Seifert, Supervisor, were both present on behalf of the Town Board. Mr. Stoffel indicated the contract was too high and that the town could not agree to pay that much. He also indicated the Village should keep the Town of Auburn's amount the same as it was in 1983 and didn't care who made up the difference. Fire Chief Augie Bilgo responded to some of Mr. Stoffel's comments and the formula used was reviewed in detail by Administrator Schmidt. It was noted the fairest way to assess any fee is on the formula method and that the Town of Auburn has never objected the years when the cost decreased.

Mr. Donald Ehner and Mr. David Zehren of the Kewaskum Fire Department spoke in support of the formula method and supported the budget as proposed for the Fire Department, along with Fire Chief Bilgo. Several of the Trustees indicated the formula method is the fairest way to charge for fire service. Trustee Mary Krueger stated that the townships are purchasing a service from the Village and the Fire Department at a set rate. That rate is established by means of the formula and that rate should not be changed. The discussion was terminated and the Board took no action on the matter.

Sealed bids for the police squad replacement for 1984 were opened and are as follows:

1. Mayfair Chrysler/Plymouth, Milwaukee, WI. \$10,024.00
2. Meyer Ford-Mercury, Inc., Campbellsport, WI. \$10,380.00

The bids were turned over to the Police Chief for his review and a recommendation.

On a motion by Trustee Richard Schmidt, seconded by Trustee Paul Blumer and unanimously carried by voice vote, the Board approved the building permit application for Alan Ratzel, 1169 Stark Street, for the construction of a single family residence. The office was authorized to issue the proper permits upon proper payment of fees. The permit application was approved by the Building Inspector and the Zoning Administrator.

On a motion by Trustee David Nigh, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the Board approved the building permit

application for Paul Behring, 1523 Fond du Lac Avenue, for the construction of a restaurant.

The office was authorized to issue the proper permits upon proper payment of fees. The permit application was approved by the Building Inspector and the Zoning Administrator.

On a motion by Trustee Howard Laubenstein, seconded by Trustee Paul Blumer and unanimously carried by voice vote, the Board approved the payment of bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

Village Gen. Fund	\$79,491.60
Water Dept. Fund	2,920.57
Sewage Dept. Fund	30,575.31
TID Fund	-0-

Park and Recreation Committee Chairman, Richard Schmidt, informed the Board that the committee will be meeting on November 21, 1983 at 7:00 p.m. to work on the Outdoor Recreation Plan.

Trustee Howard Laubenstein, the Board Representative on the Plan Commission reported briefly on the Commission meeting of October 25, 1983.

Trustee Mary Krueger, the Board Representative on the Library Board reported that the Library will be purchasing an Art Encyclopedia set using library memorials.

The Board reviewed and discussed the preliminary budget for 1984, the proposed end result being an approximate 4.69% increase, but a 4.17% increase in the property tax levy. The date for the public hearing for the general budget and the proposed use of Federal Shared Revenue is scheduled for November 28, 1983, at 7:00 p.m. Some of the figures are still not in so changes could take place, along with further discussion.

On a motion by Trustee Richard Schmidt, seconded by Trustee Howard Laubenstein and unanimously carried by voice vote, the Board approved the purchasing of the 1984 squad from Mayfair Chrysler/Plymouth, Milwaukee, Wisconsin, the low bidder, at the bid price of \$10,024.00.

On a motion by Trustee David Nigh, seconded by Trustee Donald Mlodzik and unanimously carried by voice vote, the Board authorized Steiner Electric to proceed with the installation of the electrical wiring needed for the construction of the water tower, at a cost of \$1,258.00.

President Gerald F. Stollenwerk read a letter received from Mr. William S. Martin, dated November 2, 1983.

Village President Gerald Stollenwerk
Kewaskum Village Board Members

Gentlemen and Madam:

Sometime ago I indicated that it was my intention to retire as of November 30, 1983.

Please accept this letter as my resignation as Commissioner-Clerk-Treasurer of the Village of Kewaskum as of that date.

I have enjoyed working with all of the Village Officials and all of the Village employees both present and past.

I wish to thank all of the residents of the Village of Kewaskum for giving me the opportunity to serve them for the past thirty two years.

Sincerely yours,
William S. Martin

President Stollenwerk also read a proclamation presented to the Kewaskum High School Indians Varsity Football Team, Head Coach Mike Fifrlick and the Coaching Staff and the Kewaskum Cheerleaders. The proclamation is herewith attached.

Administrator Schmidt reported that several people have expressed a concern regarding the HBO and Cinemax Guide being dropped by Cablevision. A call was made to both the West Bend Office and the Fond du Lac Office with not a lot of success. It was mentioned that all those concerned should indicate that concern and dissatisfaction on the reverse side of their cable bill.

On a motion by Trustee Mary Krueger, seconded by Trustee Paul Blumer and unanimously carried by voice vote, the Board instructed the Administrator to send a letter opposing the discontinuing of the HBO and Cinemax Guide to subscribers of Cablevision.

Motion was made by Trustee Donald Mlodzik, seconded by Trustee Howard Laubenstein to adjourn to closed session under Chapter 19.85(1) (g) of the Statutes to discuss litigation by Ralph and Henriette Scott vs. the Village of Kewaskum, under Chapter 19.85(1) (c) of the Statutes to discuss employ-

THE KEWASKUM CHEERLEADERS

The Village of Kewaskum is proud of the excellent record held by the football team. It is indeed an accomplishment to bring home the "Eastern Wisconsin Conference Championship" and one the team members, coaching staff, cheerleaders, faculty and community will long remember.

Any such undertaking, takes a joint team effort to reach that final winning goal. It is through such unity and comradery you have reached this point and it is again through a continuing unity and effort we can all be assured, you will work hard toward achieving your next goal and that is bringing the WIAA DISTRICT 3 CHAMPIONSHIP home to the Kewaskum School District.

We therefore, on behalf of the Village Board of the Village of Kewaskum, Wisconsin, issue this PROCLAMATION OF CONGRATULATIONS, in appreciation of your honorable championship record.

MAKING ENDS MEET

By Joyce Albrecht, Extension Home Economist

IT'S TURKEY TIME

The turkey is a native American game bird which is related to the pheasant. Wild turkeys were once unbelievably numerous throughout the United States and Central America, living in the forests in small flocks and coming out to the clearings only to feed.

The native wild bird became an appropriate symbol of a bounteous harvest and a rightful part of our American heritage. With Thanksgiving just around the corner, many Americans will be sitting down at the dinner table to eat turkey.

Turkeys are sold oven-ready, sometimes called "ready-to-cook." Oven-ready turkeys are drawn and cleaned, ready for roasting. This style comes fresh or frozen-fresh and is often individually packaged. The neck and cleaned giblets are wrapped and put into the cavity of the bird. It is recommended to purchase a turkey allowing about one pound per person. This will also give a moderate amount of leftovers. Frozen stuffed turkeys are also available. Contrary to most unstuffed frozen turkeys, these are roasted without thawing.

Turkey meat is also available in a variety of other forms. Frozen self-basting whole turkeys have been injected with basting ingredients such as broth, butter oil and other

flavorings. Uncooked boneless turkey roasts, turkey rolls, turkey halves, breast roasts, and smoked turkey are also available.

Turkey is a high-protein food that is considered part of the meat group. An average serving of turkey, 3½ oz. white meat, provides 176 calories and 32 grams of protein. Turkey is also a good source of iron and the B vitamins.

Turkeys should be stored in their original wrap at 0 degrees F. until ready for use. Turkeys should not be thawed uncovered at room temperature. Thaw the turkey in their original plastic bags on a tray in the refrigerator for 2-4 days, or about 24 hours for each 5 pounds. Turkeys may also be thawed by leaving the turkey in its original bag and placed in the sink. Cover with cold water, changing water frequently for one half hour per pound. Once a turkey is thawed, cook or refrigerate immediately. Once thawed, turkeys should not be refrozen.

To store leftover turkey, remove stuffing from bird and put stuffing in a separate container and refrigerator. Put cooked turkey, covered, in the refrigerator as soon as possible. Fresh, cooked turkey and stuffing should be used within 2-3 days. Cooked turkey may be frozen up to one month.

... about your Social Security

By David Becker, Social Security Branch Manager in West Bend

SOME SOCIAL SECURITY BENEFITS TAXABLE FOR 1984

"Will some of my benefits be taxed," many people getting Social Security benefits ask, "and if so how soon?" They refer to a recent change in the law that calls for part of a higher income person's benefits to be included in taxable income starting with 1984.

Actually, about 90 percent of the 36 million people getting monthly checks will NOT be affected in 1984. Only people who have substantial income in addition to benefits must include some of those benefits—but never more than half—in taxable income at the end of each year.

To decide if this provision applies to you, simply follow these steps:

1. Estimate and add together these income sources for 1984: (a) your adjusted gross income; (b) nontaxable interest income (if any); and (c) one-half of your 1984 Social Security benefits. Some benefits are taxable only if the total exceeds a "base amount;" \$25,000 if you're single; \$32,000 if you and your spouse file tax returns jointly; and zero if you and spouse file tax returns separately.

2. If the total a, b, and c above exceeds the base amount, your extra taxable income will be an amount equal to the SMALLER of: (a) one-half of the excess over the base; or (b) one-half of your 1984 benefits.

Village of Kewaskum, Kewaskum, Wisconsin NOTICE OF PUBLIC HEARING

Notice is hereby given that a public hearing will be held by the Zoning Board of Appeals of the Village of Kewaskum, Washington County, Wisconsin, on Thursday, December 1, 1983, at 7:00 P.M. in the Council Room of the Municipal Building, 204 First Street, Kewaskum, Wisconsin, at which time the Board will consider the following application.

The application of Edward E. Miller and Fred J. Miller for a variance, for the property located at 1318 Roseland Drive, (lot 2 block 8), Kewaskum, Wisconsin. The reason for this variance request is because of the rear yard requirements set forth in Chapter 3.4 of the Village Zoning Ordinance entitled "R-2 Single Family Residence District." If the variance would be approved it would reduce the rear yard requirement of 25 feet to 12 feet.

After the public hearing the Board of Appeals will meet in closed session to consider the application for the variance. The public hearing and meeting have been called by Eugene Bohn, Chairman of the Board of Appeals.

All interested persons will be given an opportunity to be heard.

Junior Women Recycling Saturday

The Kewaskum Junior Woman's Club will hold their monthly recycling day on Saturday, Nov. 19, from 9 a.m. to 12 noon. We accept tin, aluminum colored glass (green and brown) and all glass with the label on. Please remove the covers from all glass containers (these can be put in with the tin). Newspapers for the Lions Club can also be left at the recycling center. Used oil can be recycled by dropping it off at Herriges Oil in Kewaskum during working hours.

NOVENA TO ST. JUDE

O holy St. Jude, Apostle and Martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ, Faithful intercessor of all who invoke your special patronage in time of need, to you I have recourse from the depth of my heart and humbly beg to whom God has given such great power to come to my assistance. Help me in my present urgent petition. In return I promise to make your name known and cause you to be invoked, say three Our Fathers, three Hail Marys and three Glorias. Publication must be promised. St. Jude pray for us and all who invoke your aid. Amen. This Novena has never been known to fail. This Novena must be said for 9 consecutive days. I recite it every day. Thank you St. Jude.

IN MEMORY

In loving memory of our dear mother, Florence Galabinske, who passed away one year ago, November 19, 1982:

Though her smile is gone
And hands we cannot touch,
Still we have so many memories
Of one we loved so much;
Her memory is our keepsake
With which we'll never part,
God has her in His keeping
We have her in our hearts.

Sadly missed by her family.

A NOTE OF THANKS

We wish to thank all our friends and relatives for the cards, gifts and flowers given to us for our sixtieth wedding anniversary. Thank you.

Study Says Only 25% Of Trash Recycled!

This article is shared with you, thru the efforts of the Kewaskum Junior Woman's Club Conservation and Recycling Committee.

Despite decade-old pleas to recycle, three-fourths of the world's paper, aluminum and steel is still being thrown away instead of reused, a new study reported.

The Worldwatch Institute, a Washington-based research group, said that while some countries had made gains, the over-all record for recycling wastes was dismal and likely to stay that way unless governments passed new laws and abandoned attitudes supporting the throwaway society.

The Institute said only about one-fourth of the world's paper, aluminum and steel was being recovered - a figure that has improved only slightly in the years since the Arab oil embargo of 1973.

Not surprisingly, energy-consuming nations that are generally resource-poor lead the way in recycling - Japan, the Netherlands, Italy, Spain, South

Korea and West Germany.

Japan, the Netherlands and Mexico now recycle half the paper they use, compared with 26% in the US and a world wide average of 24%.

The US has led the way in recycling beverage cans, the study said. Only 15% of US aluminum cans were recycled in 1972, but more than half were recycled in 1981.

So far, nine states have passed mandatory beverage deposit laws and the rate of return in five states with the oldest laws is more than 90%, the study said. The nine states are Oregon, Vermont, Maine, Michigan, Iowa, Connecticut, Massachusetts, Delaware and New York.

The Recycling push has led to creation of reverse vending machines that take empty cans and give back coins.

Twenty of the machines paid out \$1 million over an 18-month period in Denver, the institute said.

The report estimated that 100,000 jobs could be created if the United States passed a

nationwide beverage deposit law.

The study said nations that had increased recycling were motivated by three factors - short supply of raw materials, high energy and capital costs for processing, materials, and environmental cost in production and disposal.

Indians Dominate All-Conference Team

[Photos on page 24]

The undefeated Eastern Wisconsin champion Kewaskum Indians dominated the all-conference team selected by the coaches recently. Five Indians received recognition when they were named to the first team, another three were cited on the second team, and three more players were given honorable mention.

One whole side of the line was selected for offensive honors, namely end Jeff Squier, tackle John Swanson and guard Steve Seitz. They consistently opened holes for running back Jim Braun and the other running backs. Braun was a unanimous first pick in the backfield and also the coaches' choice for offensive player of the year. Squier and Swanson were named to both units while Dave Pesch was also chosen as first team defensive end.

Braun, a 5-10, 180-pound senior, was the dominate figure in the conference. He rushed for

757 yards in 100 carries in the conference for an average of 7.5 in six games. Overall in 12 games (including non-conference and playoff games) he rushed for 1,302 yards. Braun scored 10 touchdowns and two extra points for 64 points to win the conference scoring title and had a 20.2 punt return average on 12 chances.

Braun was a consistent player who did something outstanding every game. He had 200 yards rushing against Kiel, a 70-yard punt return for a touchdown against Two Rivers, a 69-yard run against Chilton and 100 yards against Plymouth. Together with his first team honors, he was selected as second team linebacker.

Swanson, a 5-9, 205-pound player, an enthusiastic performer, did not play in the final game because of an injury but still was a unanimous pick. He was the Indians' best blocker and the best on the leading offensive team. He did an excellent job defensively as

well, including a game-saving blocked field goal against Two Rivers.

Squier caught only eight passes in the conference, but averaged 30 yards a catch for five important touchdowns, two against Two Rivers. His blocking also instrumental in the running game. Squier was the defensive captain who played safety and covered both the pass and run well.

Pesch led the team in quarterback sacks with seven and is the Indians' leading tackler and defensive point getter from his left end spot. Pesch was all over the field defensively and always around the ball.

On strength alone Seitz was a successful blocker. He alternated at guard for much of the year. Seitz, Swanson and Squier performed as an outstanding group of blockers, with nearly all of Braun's plays coming behind this trio.

Brad Dieringer was one of only two players nominated to

the wingback position, where he gained second team honors. Dieringer carried the ball just 10 times but gained 337 yards. He also caught several passes, including a 31 yarder to set up the winning score against Sheboygan Falls.

Chris Harlow received second team honors both as a defensive end and as a punter, in which he had the top average in the league, 37.0 per kick. This was the best in the conference in years.

Quarterback Mark Follmann,

a junior, and second leading passer in the conference, was voted to the second team. He hit on 24 of 46 passes for 454 yards. He threw nine touchdown passes in six conference games.

Kewaskum players given honorable mention were center Doug Miller, end/defensive halfback Dennis Butz and Harlow as a runner.

The Indians were first in team offense, fourth in defense, and had six players among the top 18 individual scorers.

Kewaskum's Holly Kempf All-Conference in Volleyball

The co-champions of the Eastern Wisconsin Conference in volleyball, Sheboygan Falls and New Holstein, won top honors on the all-conference balloting. Fifth place Kewaskum had one player, senior Holly Kempf, selected on the first team.

Kempf, who was named by the coaches to the second team last year, deserved to be on the first team, stated her coach Dave Rizzardi. Kempf, who is 5-8, also plays basketball and does well in track. She was a strong spiker and was considered to be a powerful hitter.

Kewaskum's Julie Koepke and Sandy Secor received honorable mention on the all-conference team. Koepke, who was out with an injury much of the season, played hard when she came back and did well in the Class A regional against Fond du Lac and Hartford.

ALL-CONFERENCE VOLLEYBALL First Team

- Robin Schneider, Sheboygan Falls
- Jody Miller, New Holstein
- Bev Wirth, New Holstein
- Holly Kempf, Kewaskum
- Holly Wiese, Two Rivers

Second Team

Basketball Season Opens

With the extended football season due to the championship playoff just ending last Friday, the Kewaskum Indians boys basketball team goes right into the opening of the season this Friday night with a non-conference game against Random Lake at home. Several of the football players are also members of the basketball team and it is doubtful whether they will be ready for the basketball opener Friday and the second contest at Campbellsport Tuesday.

The Indians girls basketball team opens their season at home this Thursday night, Nov. 17, when they host West Bend East in a non-conference game. East's fine team is loaded with several starters back from last year and should be a powerhouse in the Little Ten Conference. Kewaskum also has several veterans back. Tuesday the Indian girls host Lomira in their second contest.
