## Anticipated Tax Rate \$19.45

### 1984 Budget Hearing Set for Nov. 28

New logo for No. 3 well

By GERRY MUELLER  
Statesman Staff Writer

At its meeting Monday night, District Administrator Dan Schmidt presented the Village Board with his final report on the village's proposed budget for 1984.

Schmidt informed the members that state and county revenue figures would be official after December 1st and, present indications are the village's new tax rate will be approximately \$19.45 per \$1,000 of assessed valuation. Last year's tax rate was \$28.26

based on the old assessed property values. The village completed its new re-assessment this year and the \$19.45 figure will be used to calculate taxes on the new assessment.

Schmidt expects there will be no major changes in property owners' tax bills. However, with the new formula and re-assessment, taxes will be more fairly divided. At an earlier meeting, Schmidt noted that some taxpayers were paying lower taxes than they should have, while some were paying more. With the new re-assessment, these problems should be corrected and the taxes should be divided on a more equitable basis.

Only one major item could affect the anticipated tax rate, and that would be a change in the State Tax Credit. Schmidt told the trustees, Governor Anthony Earl has made a recommendation that only 75% of the State Tax Credit be approved for 1983. For the Village of Kewaskum, this would mean a loss of \$41,000 from \$163,000 in 1982, to \$122,000 for 1983. If that reduced credit were approved, it would mean we will have to

### 'Kewaskum Shopping Spree' Christmas Sale

The Kewaskum Area Chamber of Commerce is sponsoring the eleventh annual "Kewaskum Christmas Sale" promotion beginning this Friday, Nov. 25, and continuing through Saturday, Dec. 3.

In conjunction with the sale a "Kewaskum Shopping Spree" will be held in which \$400 in gift certificates will be given away to the lucky winners. All you have to do is clip the coupons from the full page ad on another page in this issue and drop them off at or mail them to the participating merchants. You must be 18 to register and only one prize per individual will be allowed.

One coupon will be drawn at each store to be eligible for final drawing. The participating business places must turn their winners in to the Valley Bank in Kewaskum by 12:00 noon on Monday, Dec. 5, and final drawings will be held there at

1:30 in the afternoon. First prize is a \$200.00 gift certificate and there will also be 8 gift certificates of \$25.00 each given.

Area merchants invite shoppers to take advantage of the many bargains and specially marked items in stock for the holiday season. This special sale gives everyone the opportunity to shop in "friendly Kewaskum" for their Christmas gifts. Be sure to check the many merchants' sale ads in this issue and "shop Kewaskum first."

Gift-giving time is not time to take a chance on unknown or off-brand merchandise. Here, in your home community, our Christmas-minded merchants have gone all out to bring you the famous names that stand for quality, at prices that make giving and getting a positive pleasure. Shop with confidence at your local merchants, who are your friends and neighbors.

### Al Beisbier Invents Stray Voltage Indicator for Farmers

By Joan Schrauth

When Alois Beisbier's sister and brother-in-law installed their new milking parlor in 1980, they had Alois do the electrical work. Then they ran into a stray voltage problem and looked to Alois for a solution.

As president of Kettle Moraine Electric, Inc. Kewaskum, Alois felt he had to find an answer to Joe and Louise Bonlender's problem.

Alois had seen similar problems at other farms. Uneven milkout and mastitis cost farmers in cows, lowered production and veterinary bills. In many herds, cows became reluctant to enter milking areas or refused to eat from grain feeders.

Alois found a merry-go-round — everyone blamed someone else. But the questions remained. Was it a veterinary problem? Was it the fault of the electrician? The utility? The farmer? Or maybe it came from a neighbor.

Like most electricians and farmers, Alois found the irregular occurrence of stray voltage to be a real problem. If

the time of occurrence could be nailed down, it would be easier to find the cause, he reasoned. What he needed was a product to monitor the occurrences, but there was no such product available.

As necessity is the mother of invention, Alois found it necessary to develop a product to indicate the presence of stray voltage.

He began developing an indicator late in 1980, using as experiments the Bonlender milking parlor and other dairy farms where he had encountered stray voltage.

Alois grew up on a Town of Ashford farm, graduated from Campbellsport High School and later, studied electrical work.

Many of his customers are friends, relatives and neighbors. He said he felt he had to "try to protect these farmers from going out of business because of stray voltage. Everyone was blaming everyone." He said he found the causes to be many; old wiring systems, damp, electrical boxes, water pumps or heaters, electric fences, capacitors on motors, wiring errors, neighboring

premises, etc.

Over a two-year period, Alois developed and trademarked the product he has named The Stray Voltage Indicator (TM). The little blue box measures approximately 6x6x3 inches and has a needle which indicates the instances of excess voltage. By determining when stray voltage occurs, the cause can then be pinpointed and the problem is easier to solve.

When users began writing him letters of gratitude, Alois prepared to market his invention through a new company — The Stray Voltage Specialty Company, a division of Kettle Moraine Electric, Inc.

Currently he is assembling the product in Kewaskum and selling it through selected distributors in Wisconsin at a retail cost of under \$200. Soon he hopes to expand his market to neighboring states.

Why work so hard to try to market a new product? Alois points to his file folder of letters, repeating a comment from one of them — "Stray voltage simply can't exist on a dairy farm."

### Berg Sworn in As Officer In U.S. Foreign Service

Paul S. Berg, son of Mr. and Mrs. Elwood L. Berg of Route 2, Kewaskum, was recently sworn in as an officer in the United States Foreign Service. He is serving in Bombay, India.

Mr. Berg, who graduated from Northwestern Prep in Watertown, earned an associate's degree from the University of Wisconsin Center in 1974. He graduated with great distinction from the University of Wisconsin at Madison with a bachelor's degree in political philosophy and history, 1976. Mr. Berg continued his education, earning a master's degree in international affairs from Columbia University in 1982 and a juris doctorate degree from the University of Wisconsin Law School, also in 1982.

Mr. Berg was named an Outstanding Young Man of the Year by the Jaycees in 1983 and Student of the Year by the International House of New York in 1981. He is a member of the American Bar Association, the State Bar Association of Wisconsin, a Phi Alpha Delta and was in the University of Wisconsin's Honor Program.

He was previously employed as acting executive director of the International House of New York City, 1982-83. He was elected to the Dane County, Wisconsin, Board of Super-

visors, District 8, and served from 1978-80.

Mr. Berg is engaged to Genevieve van Cauwenberge of Liege, Belgium.

## 2nd Annual Jackson Holiday Challenge Blood Drive Dec. 21

Once again, Wisconsin Pharmacal Company and the Jackson Area Business Association are calling on local citizens to donate their blood at the Wisconsin Pharmacal Company on December 21, 1983. This will be the second annual Jackson Holiday Challenge.

Last December, John Wundrock, President of Wisconsin Pharmacal Company, chal-

lenged the surrounding communities by asking local citizens to donate their blood through their various city blood drives. After the final figures had been tabulated, the Jacksonites won the challenge for having the greatest percentage of donors, 361 pints!

This year, Wisconsin Pharmacal Company will open its doors on December 21, 1983, between the hours of 11:30 a.m. and 8:30 p.m. Plans are now underway with the Blood Center of Southeastern Wisconsin for maximum efficiency for the donating procedure.

The Jacksonites hope their "Holiday Challenge" becomes a holiday tradition. Although they hope to have another winning season, they realize all donors from all communities are winners, by helping to save the lives of neighbors and others served by the Milwaukee Blood Center.

The Gift of Blood is a gift remembered long after the holiday season. Join the citizens of Jackson and Wisconsin Pharmacal Company in their Holiday Challenge!

Let this be a time to show our gratitude for all the many blessings we have to share. We wish you and yours the happiest...healthiest Thanksgiving.

## Students Compete In Spelling Bee

On Nov. 17th, 20 students from St. Lucas Lutheran School in Kewaskum competed in the Kettle Moraine Lutheran High School sponsored spelling bee. The students fared well out of 120 students who qualified to compete from 12 chosen Lutheran schools.

In the 5-6 grade division, Amy Giese, a 5th grader, placed first. In the 7-8 grade division Eric Munson, a 7th grader, placed third.

Congratulations to these two as well as all those who participated from St. Lucas.

## Spaeth - Bauer

The marriage vows of Carol Spaeth and Gary Bauer were blessed during a 1 p.m. ceremony on Saturday, November 5, at St. Francis Cabrini Catholic Church, West Bend. Father Glen Graczyk officiated.

Music for the ceremony was provided by Val Plaum, playing the organ and flute, and the soloist, Tim Danielson.

Parents of the couple are Mr. and Mrs. Charles Spaeth, West Bend, and Mr. and Mrs. Roger Bauer, Kewaskum.

The bride chose a friend, Robin Acker, Milwaukee, as her maid of honor. The bridesmaids were Bonnie Spaeth, West Bend, sister of the bride, Sue Binder, West Bend, and Diane Strack, Colorado, both friends of the bride, Cheryl Spaeth and Brenda Spaeth, West Bend, both sisters of the bride and Sandy McKee, Kewaskum, sister of the groom. The flower girl was Jennifer McKee, Kewaskum, niece of the groom.

Pat O'Hearn, West Bend, a friend of the groom, served as the best man. The groomsmen were Doug Wilson, West Bend, a friend of the groom, Dean Spaeth, West Bend, cousin of the bride, Jack Kern, Texas, a friend of the groom, George Spaeth, West Bend, cousin of the bride, Ken Bauer, Kewaskum, brother of the groom, Terry Patoka, Fond du Lac, cousin of the groom and Rich McKee, Kewaskum, brother-in-law of the groom.

Ushering duties were shared by Dale Spaeth, Jackson, and Chris Bauer, Brownsville.

Following the ceremony, a reception, dinner and dance was held at the K.C. Hall, West Bend.

The bride is a graduate of the Medical Assistance program at Concordia College, Milwaukee. She is employed as a medical

assistant.

The groom will graduate from the Waukesha County Technical Institute in May. He is employed as a mechanical designer.

The couple will take a honeymoon trip to Colorado in December. They are residing at W140 N9970 Fond du Lac Ave., Germantown.

Shirley Temple, as a child star, wore exactly 56 curls in her hair. The curls were set by her mother who thus made sure of their exact number.

## Village Board

[Continued from Page 1]

change 70c to 80c more per \$1,000 said Schmidt.

In other action the board reviewed the 1984 budgets for the Water and Water Pollution Control Departments. The Water Department presented a budget of \$131,198 for 1984. However, Schmidt said there were several factors which could reduce that figure down to approximately \$116,000. Most of these items are related to the village's new #3 well. Depending upon when the well is completed and put into operation will have a substantial bearing on insurance, chemicals needed, and operating expenses, Schmidt noted.

The Water Department over ran their 1983 budget by approximately \$41,000, which was due to the unexpected and extensive repairs needed on well #1 this year. Several items included in the 1983 budget

were dropped to absorb some of the repair costs, said Schmidt. Now these items, such as a recording clock expected to cost about \$5,800, are being included in the 1984 budget. The Water Department also decreased the number of water meters to be purchased in 1984 for its testing and replacement program. Superintendent Augie Bilgo told the board the village had been purchasing 80 meters annually at a cost of \$40.00 per meter. Now, however, the cost has risen to \$78 per meter, so his department will only be purchasing 25 to 30 in 1984. The routine meter testing and replacement is required by law.

The Water Pollution Control Department presented a proposed budget of \$257,529, a slight drop from 1983's budget of \$257,694.

Schmidt told the board, that while he had been told by the Electric Company there would be no rate increases in 1984, he had increased the money for power purchased in both de-

partments by 6%, just in case. A public hearing on the two budgets is scheduled for December 19th.

Three representatives of the Kewaskum Junior Woman's Club appeared before the board to present the village with a check for \$500.00 to establish a trust fund to cover the cost of any damage or vandalism which might occur on the Kiwanis Park Nature Trail. The check was presented by club president Beth Stoffel, along with Pat Stoffel and Trail Committee Chairman Nancy Malvick. The women stated they wanted the public to know, any citizen who would like to, can donate to the Trust Fund and they would appreciate any support given. Malvick thanked the board for allowing her and the club to develop the trail. "You gave me the opportunity to be a creative citizen and I thank you for that," said Malvick.

The board was informed by Superintendent Bilgo that the kiddy skating pond at Kiwanis Park has been completed, the lighting for the two skating ponds completed and everything is ready for the new season.

The board approved the hiring of Janet Knops for the newly created position of Bookkeeper/Records Coordinator for the village. Trustee Dave Nigh said nine candidates had been interviewed for the position.

The board approved the motion of Trustee Mary Krueger that the new #3 well be green and white and carry a "K" logo on three sides. The board was considering having the name "Kewaskum" on the tower which would have cost an

Kewaskum Statesman, Friday, Nov. 25, 1983, Page 5

additional \$400. Krueger said she thought the logo was more attractive anyway.

Trustee Don Mlodzik noted winter parking rules will go into effect and will run from December 1st to April 1st.

# 50th Anniversary

George and Edna Glander

A dinner party at Laack's Hall in Johnsville was held on Sunday, Oct. 30, to observe the golden wedding anniversary of George and Edna Glander, Route 1, Plymouth.

During the afternoon dancing

and an open house was held in honor of the celebrants.

They were married Oct. 28, 1933, in St. John's Lutheran Church at New Fane by the Rev. C. J. Gutekunst. Four attendants at the wedding 50

years ago were present for the anniversary party, Violet Custer, Marshfield, Lillian Vetter and Reuben Schultz, both of New Fane and Karl Schultz, Campbellsport.

Glander is semi-retired from farming and his wife retired in January from her work at Plymouth Hospital.

Their family includes 2 children, a daughter Mrs. Gerald (Gloria) Wick of Shawano and a son, Dale of Bristol, Tenn., along with five grandchildren. All were present for the celebration.

Both the Glanders were born in Town of Scott, he on Feb. 22, 1911 and his wife Dec. 13, 1911. They maintain membership at St. John's Lutheran Church at Plymouth.

The anniversary bride is a member of Valpo Guild at St. John's and her husband is a director of Sheboygan County Farmco at Waldo. He is a former elder at the church, a past director of Sheboygan County Farm Bureau and a past committee member of A.S.C.S.

Among the 250 guests who attended the dinner were Mr. and Mrs. Vernon Durst, St. Louis, Mo. Others came from Shawano, Milwaukee, Brookfield, Beloit, Appleton, Cecil, Ripon, Marshfield, Beaver Dam, West Bend, Kewaskum, Campbellsport, Waubeka and Sheboygan.

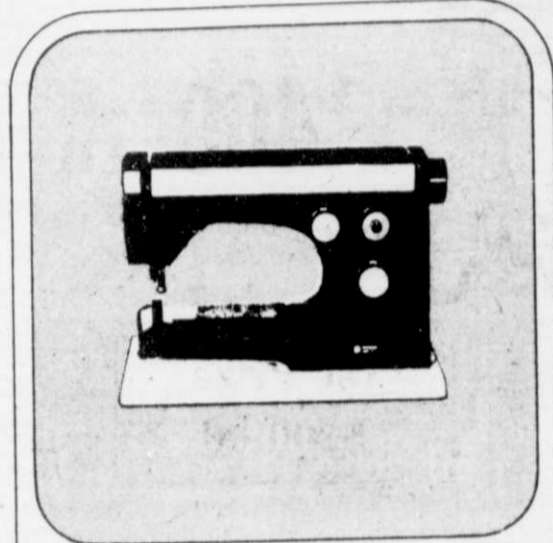

The Glanders who are in good health, enjoy playing cards, gardening, needlepoint, sewing, dancing and taking care of their home.

**NOVENA TO ST. JUDE**

O holy St. Jude Apostle and Martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ, faithful intercessor of all who invoke your special patronage in time of need, to you I have recourse from the depth of my heart and humbly beg to whom God has given such great power to come to my assistance.

Help me in my present urgent petition. In return, I promise to make your name known and cause you to be invoked, say three Our Fathers, three Hail Marys and three Glorias. St. Jude pray for us, and all who invoke your aid. Amen.

This Novena has never been known to fail. This Novena must be said for 9 consecutive days, and publication must be promised.

**LETTERS TO THE EDITOR...**

November 21, 1983

Dear Mr. Harbeck,

On behalf of Kewaskum High School, the band and the football team, we would like to thank the Jaycees, the Kiwanis Club, the Women's Club, the Kewaskum Booster Club for their financial support in sending our football team and band to Madison. With their help, the support of local industry and business, and others, we were also able to provide a banquet for our football team.

Your support certainly helps provide the youth of our community with greater opportunities and experiences.

Thanks again!

Sincerely,  
Clark A. Pearson,

**Laatsch to Exhibit At Craft, Gift Show**

The Christmas season is just around the corner, and shoppers will have an opportunity to see the largest selection of crafts and gifts throughout the three building complex at Wisconsin State Fair Park, Milwaukee. Hometown craftsman Mary Laatsch of Kewaskum will exhibit Macrame at the Holiday Craft and Gift Show on November 25, 26, and 27.

Craftsmen offer holiday shoppers versatile gifts for the person who has everything: carved pipes, hex signs, etched glass, cloisonne enamels and silver jewelry, personalized portraits, and framed butterflies.

But that's not all! Leather belts and purses, blown glass figures, wildlife sculptures, wrought iron, pottery, planters, tole painting, apple head people, decoupage, needle and woodwork, and much more.

Decorate your home and tree with handmade ornaments,

straw and pinecone wreaths, dried florals, sculpture candles, wall hangings, macrame, stained glass, music boxes, calligraphy plaques, and oak furniture.

For the special "little people" on your shopping list, wood rocking horses, toys, puzzles, dolls, teddy bears, clowns, and puppets.

Holiday Craft and Gift Show will be held at the Wisconsin State Fair Park Exhibit Center on Friday, November 25, through Sunday, November 27. Hours are 9 a.m. to 9 p.m. Friday and Saturday, and 10 a.m. to 6 p.m. on Sunday. Admission for adults, \$1.75; children 6-12, \$1.00; under 6 free. Senior Citizens' special on November 25 only, \$1.25. For additional show information call: (414) 321-4566.

Dear friends,

The first Thanksgiving would have been impossible had it not been for the generous sharing of food by the Indians. Let us share our abundance with the less fortunate people of all nations. Such a Christian act as this is needed to keep our world thankful for Christ and freedom.

Sincerely,

Pat Miller

**WEBELOS PICK PRAIRIE SEEDS** — In October Pack 3744 Webelos and Cub Scouts participated in a campout at Greenbush. The scouts are pictured gathering thicke clover seeds for Bill Voceker. Mr. Voceker is a naturalist for the DNR. Two hundred acres of prairie seeds are being planted northwest of New Prospect. The scouts were also assisted in bird banding procedures and catching the birds by Mr. Voceker, who is licensed in bird banding. It was a fun weekend, but most important an educational experience for the scouts.

### Girl Scout News

Wayne's Junior and Cadette Girl Scout troops 223 and 220 went to Camp Tiwaushara for a weekend campout at the Wright Place Lodge. There were 10 Juniors and 7 Cadettes that went. The leaders that went were Judy Goetsch, Martha Stollenwerk, and Delores Kertscher.

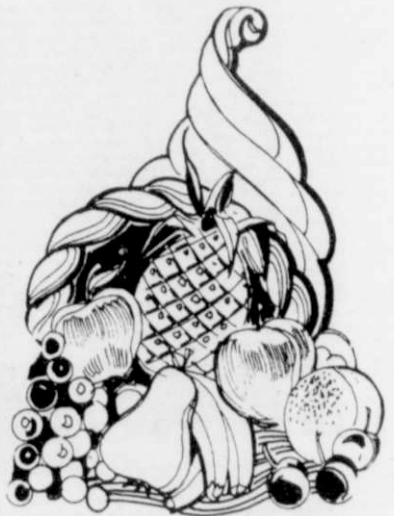

They went for a weekend of fun, friendship, and enjoying the outdoors and beautiful fall color.

They rented a bus (Martha was the driver), loaded their gear and set out for adventure and sang all the way to camp.

They cooked all their meals outdoors, including breakfast on the buddy burners and a jungle breakfast. They explored the camp including a midnight flashlight hike on the camp grounds. They made soft sculpture dolls and did some badge work. They shared all their chores and learned how to get along with 20 people all living together even with all the

snoring! It sure was fun.

The Girl Scouts of the Kewaskum area would like to wish everyone in the community a very Happy and Blessed Thanksgiving Day.

## Obituaries

### MRS. LOUISE NAUS

Mrs. Louise M. Naus, 79, a resident of the Samaritan Home in West Bend for the past seven years, passed away on Thursday, November 17, 1983, at St. Joseph's Community Hospital in West Bend.

She was born on November 9, 1904, in Sigourney, Iowa, to the late Alois and Josephine Schreiber Gehrig. On May 16, 1931, she married Albert O. Naus at Milwaukee. He passed away on August 9, 1972.

Mrs. Naus was a retiree of the Amity Leather Products in West Bend, after being employed there for 17 years.

Survivors include five children; three daughters, Beverly (Arlyn) Schmidt of West Bend, Joan (Terry) Benson of Big Creek, Calif., Mary (James) Sparks of Campbellsport; two sons, Paul (Marion) of Milwaukee and Kurt (Bonnie) of West Bend. She is further survived by seven grandchildren; two sisters, Josephine and Catherine Gehrig of Glendale, Calif.; other relatives and friends. One son, Fred, and one brother, John, preceded her in death.

Visitation was Sunday at Miskum's Funeral Home in Kewaskum from 4 to 9 p.m., with a prayer vigil at 6 p.m. There was also visitation at the Samaritan Home Chapel in West Bend on Monday from 9 to 10 a.m. when services were held at the Chapel with Rev. James Strupp officiating. Burial was in Washington Co. Memorial Park, West Bend.

### SYLVESTER BASSILL

Sylvester "Syl" Bassill, 60, of 315 E. Sheboygan St., Campbellsport, died Thursday, Nov. 17, 1983, at St. Agnes Hospital, Fond du Lac.

He was born Oct. 14, 1923, at Campbellsport, to the late Joseph and Gertrude Serwe Bassill. He served with the Army in World War II. On Sept. 26, 1953, he married Lucille Rohlinger at St. Matthew's Catholic Church, Campbellsport.

Mr. Bassill was employed as a maintenance man by the Village of Campbellsport. He was a member of St. Matthew's Church there and was a former trustee of the village.

Survivors include his wife;

two sons, Patrick and Michael of Campbellsport; two daughters, Judith and Sandra, both at home; a grandchild; a brother, Norbert of Campbellsport; and three sisters, Mrs. Gertrude Emmer of Campbellsport, Mrs. Veronica May of Sheboygan and Mrs. Joseph (Rose) Butschlick of Kewaskum.

Funeral services were held at 10:45 a.m. Monday at Twohig Funeral Home, Campbellsport, and at 11:15 a.m. at St. Matthew's Church, Campbellsport. The Rev. John Brath officiated and burial followed in the parish cemetery.

Friends of Mr. Bassill called after 4 p.m. Sunday at the funeral home.

### JOSEPH KELLER

Funeral services for Joseph (Jupp) Keller, 80, of 111 S. Fond du Lac Ave., Campbellsport, who died at his home on Friday, Nov. 18, 1983, were held at 10 a.m. Tuesday at the Twohig Funeral Home, Campbellsport, and at 10:30 a.m. Tuesday at St. Matthias

Catholic Church, Town of Auburn.

The Rev. Walter Morgan officiated and burial was in the church cemetery. Friends called at the funeral home from 4 until 9 p.m. on Monday.

Mr. Keller was born July 16, 1903, at Siegen-West Phalen, Germany, the son of the late Mathias and Magdalena Schneider Keller.

A former employee of the Pabst Brewing Co., Milwaukee, Mr. Keller also was a former member of the Sheboygan Soccer Club and the Concordia Singing Society. He was a member of the Campbellsport Senior Citizens. He served with the U.S. Army in 1942.

Mr. Keller was preceded in death by three sisters and five brothers.

### MRS. FLORELLA KLABUHN

Mrs. Florella Klabuhn, 79, formerly of rural Campbellsport and most recently of 3421 River Bluff Drive, Sheboygan, died Friday, Nov. 18, 1983, at Sheboygan Memorial Hospital.

Born June 9, 1904, in Bear Creek, she was the daughter of William and Martha Kuhn Bergmann. She married William Klabuhn on Aug. 18, 1937, at Lowell. Mrs. Klabuhn was a former member of St. John's Evangelical Lutheran Church, New Fane.

Survivors include one daughter, Mrs. Les (Martha) Cordes of Sheboygan, with whom Mrs. Klabuhn resided for the past year; one sister, Mrs. Dorothy Thompson of Oconto Falls; one brother, Nicholas Bergmann of Gillett; and two grandchildren.

Funeral services were held at 2 p.m. Monday at St. John's Evangelical Lutheran Church, New Fane, with the Rev. Robert H. Lindau officiating. Burial was in the St. John's Church Cemetery.

Visitation was from 1 to 2 p.m. Monday at the church. Koepsell Funeral Home, Mayville, was in charge of funeral arrangements.

### NOVENA TO ST. JUDE

O holy St. Jude, Apostle and Martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ, Faithful intercessor of all who invoke your special patronage in time of need, to you I have recourse from the depth of my heart and humbly beg to whom God has given such great power to come to my assistance. ## 25 Years Ago

November 21, 1958

On November 15, the Kewaskum Community High School debate team traveled to West Bend to compete with 29 other schools in the largest debate meet ever held in the state. Kewaskum's first year of debate got off to a good start as the teams won six decisions as compared to five losses. The affirmative team of Alwin Seefeldt and Robert Kroncke won both of their debates as did the affirmative team of Sue Sengpiel and Diane Hoepner. The affirmative team of Nancy Held and Martina DuCharme split even in two debates as did the negative team of Margo Weiss and Judith Rinzel. The negative team of Judith Becker and Judith Oelhafen failed to win a decision.

After continuing for several weeks without being claimed by a winner, the big \$100 bonus night cash prize went out last Friday when the person whose name was called was present in one of the participating business places. The winner was Claver Simon of Kewaskum.

Mary Ellen Jaeger, Kewaskum, a member in dental hygiene and a member of Alpha Delta Eta sorority at Marquette University, was a member of the court of honor for the 18th annual 1958 Greek Meet formal dance held in the Schroeder hotel ballroom, Milwaukee, on November 7. Miss Jaeger, whose escort was freshman Carl Mani, also served on the program committee for the affair. Her parents, Mr. and Mrs. Norman Jaeger, where honored guests at a reception and the dance.

Holy Trinity Catholic Church, Kewaskum, was the setting November 15, for the nuptial mass during which Miss Adeline A. Ketter, daughter of the late Mr. and Mrs. Lawrence Ketter of Kewaskum, became the bride of Charles J. Halfmann, son of Mr. and Mrs. Paul Halfmann Sr. of Campbellsport.

Robert Felix, son of Mr. and Mrs. John Felix, St. Kilian, recently received his discharge from military service where he spent two years.

Joanne Mary Ferber,

daughter of Mr. and Mrs. Edward Ferber, Route 2, Campbellsport, became the bride of James William Kieckhafer, West Bend, during a nuptial mass read in Holy Trinity Church on November 8.

While Slinger placed both offensive and defensive squads by filling 11 positions on the Scenic Moraine all-conference team, Kewaskum filled a total of seven positions on the team. Standouts on the offensive team were Ken Theusch and Tom Smith of Kewaskum and Herb Kingsbury and Dick Ellis of Slinger, who were named to the squad unanimously. On defense too, Smith was named on every one of his opponents' ballots. Bruising tackle Smith took the limelight by being named on both teams, with no dissenting votes. The Kewaskum all-star selections follow: Offense - Ken Theusch, end; Tom Smith, tackle; Bruce Muckerheide, center. Defense - Ken Theusch, line; Ray Wiedmeyer, line; Tom Smith, line; Norm Rodenkirch, backfield. Theusch was also one of the players selected as outstanding both defensively and offensively.

Daughters were born to Mr. and Mrs. Roger Strack, Kewaskum, on November 16, and to Mr. and Mrs. Robert Schlamer, Kewaskum, also on November 16. Sons were born to Mr. and Mrs. Gerald Enright, Kewaskum, on November 14, and to Mr. and Mrs. Richard Boden, Kewaskum, on November 18.

John Van Blarcom Jr., proprietor of Van's Hardware Store, Kewaskum, completed arrangements whereby he has taken on the Gamble agency. The change will be made about December 1.

At a meeting of the board of directors of the Kewaskum Aluminum Company, held in the company's office last week Friday evening, Earl W. Newton of Chicago was elected a director and sales manager to fill the vacancy caused by the death of the late Byron H. Rosenheimer. Mr. Newton has been connected with the sales

force of the company since its organization and his past experience in that work should be a great asset to the firm.

Erwin Andrae of Milwaukee, son of Mr. and Mrs. Fred Andrae of this village, last Sunday night escaped death in a peculiar accident when the car he was driving hit the framework of an iron bridge near Otto Ramthun's home, two miles east of the village on Highway 28. The automobile was practically damaged beyond repair and the bridge was so badly damaged that in all probability a new one will have to be erected. Mr. Andrae was driving west towards the village at the time.

Activities about the L. Rosenhimer Malt and Grain Company's elevator the past week reminded us of years ago when farmers brought their barley to the village before prohibition days. The difference, however, is that the barley is being hauled these days via auto trucks instead of with wagons and horses. Everyday the past week could be seen long lines of truck loads of barley waiting at the elevator to be unloaded. This year the price of barley being paid the farmers range from 70 to 76 cents per bushel according to test, compared to about 35 cents per bushel a year ago. Quite a bit of the barley brought to this village comes from farmers living many miles away, which proves that the Kewaskum market is the best in the community.

Last week Friday a real estate transaction was consummated where by Mr. and Mrs. Edward E. Miller purchased the Mrs. Catherine Schmidt residence located in Rosenheimer's addition. Mr. Miller will move his household furniture into the new home about December 1. Next spring Mr. Miller expects to make several alterations of the place so that it will be a practical funeral home as well as a modern residential home. Mr. Miller stated that he believes in giving the bereaved families that call him the best type of service possible and is satisfied that after his new home is altered he will be able to serve his patrons better than heretofore.

A baby arrived at the home of Mr. and Mrs. Norbert Boegel at St. Bridgets on November 18.

The Strobel family of the Town of Ashford enjoys the distinction of having five living generations. The oldest member of the family, Mrs. Geneva Strobel, is one of the oldest residents in this vicinity, having come to Ashford from Germany in 1847. Mrs. Strobel was born in Rangindinger, Hohenzollern, in 1820, and despite her advanced years is enjoying good health and expects to live many years. Mrs. Strobel's daughter, Mrs. Peter Berg, was born in Germany in 1841 and moved to Ashford with her mother. Mrs. Berg has since resided there, as has also her daughter, Mrs. Anton Bauer, who was born in Ashford in 1865. Mrs. Bauer's daughter, Mrs. Leonard Hall, was born in Ashford in 1886 and is the mother of one-year-old Florian Hill. Mrs. Strobel's husband died 13 years ago. She has one daughter, sixty-eight grandchildren, fifty-seven great-grandchildren and one great-great-grandchild.

Subscriptions are being raised in Boltonville to put a public road through east of the William Voigt brickyard extending out to the town line near Dr. Mertz's residence. Quite a large amount has been raised and it is expected that the work will soon begin on the road.

Peter Reimer of Ashford and Miss Hannah Steichen of Wayne were married at St. Kilian last Tuesday.

Mrs. Susan Brodzeller of this village met with a horrible death last Tuesday evening by being struck by a train near the malt house. She leaves three sons, ages nine, six and three, and her father, Peter Fellenz.

Mr. Kilian Strobel died last Wednesday evening at her home two miles northwest of St. Kilian after an illness of 4 1/2 months. She had reached the age of 55 years. Besides her grief-stricken husband, she leaves 10 children: Peter of Milwaukee, Frank of Hartford, Mrs. M. Berg, Mrs. John

Jaeger and Mrs. Frank Jaeger of Ashford, Raymond, Leo, Rosa, Sophia and Flora, at home.

The marriage of John Bremser, son of Mr. and Mrs. Charles Bremser, to Miss Susan Berres, daughter of Mr. and Mrs. Casper Berres, occurred Tuesday morning at St. Michaels.

## District 11 Scout Roundtables

Glacier Edge District 11 of the Bay-Lakes Council of the Boy Scouts of America will conduct their monthly Roundtables for all Boy Scout Leaders, Cub Scout Leaders and Committee People on Thursday, December 1, from 7:30 - 9:30 p.m., at John Long Middle School, Grafton.

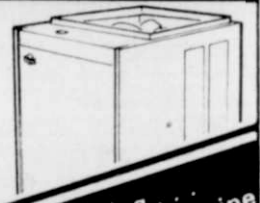

Webelos Leaders will gather with Cub Leaders and then transfer to the Boy Scout Leader Roundtable. The Patrol System will be used and participants will receive hands-on training in Scout Skill Awards.

The Cub Leader Roundtable will cover the "Survival" theme. Basic First Aid, compass reading and rescue methods will be demonstrated. "Covered Wagons" will be raced in the Pinewood Derby exhibition.

The Submaster and Committee Session will analyze the annual Charter Renewal Procedure.

Members of the Order of the Wives of the Awase Lodge will conduct their monthly meeting in conjunction with the Roundtables.

### County Motorists Reminded of 'No U-Turn' Law

Just a reminder that Wisconsin law prohibits U-turns at any signalized intersection, whether or not a "No U-Turn" sign is posted.

Law enforcement agencies are becoming increasingly concerned about the number of illegal turns, which also include violations of the "No Left Turn" and "No Right Turn" signs. Those drivers who choose to ignore the signs should be aware that points will be

assessed against their driving records, in addition to forfeitures.

A driver apprehended for making an illegal turn is required to post \$43.60, which is the amount of the forfeiture upon conviction. In addition, three (3) penalty points are assessed against the convicted driver's record. Subsequent convictions within a year result in forfeiture of \$77.20, as well as points.

### Plan Program for Displaced Homemakers and Alcoholics

The third annual Human Service Update, scheduled for Monday, Nov. 28, will focus on two areas: Displaced homemakers, and alcoholics and their families.

Sonia Rasmussen, Project Manager for M.P.T.I.'s Re-Entry Women program, will start the evening by discussing the special needs of a growing population known as displaced homemakers.

Displaced homemakers are women who have worked in their home for a number of years providing unpaid household services to family members. But now, because of the death or disability of a spouse, or divorce, the woman must get a paid job and support her family financially as well as in all other ways.

According to Rasmussen, many women in this situation feel as though they have no marketable skills, have a low self-concept; feel as though their world has caved in on them, and have lost their primary support system.

The fear and uncertainty that faces that person is one area Rasmussen will deal with on Monday night, as well as answering the question "Where do we go from here?" She will describe the services that are

presently available to displaced homemakers and will highlight additional services that need to be developed in Washington County.

Around 8 p.m., the focus will turn towards a discussion on alcoholism. Connie Pich, a counselor with the Washington County Council on Alcoholism, will discuss a variety of areas relative to the alcoholic.

Some of the discussion points will be: How to tell if a person really has a drinking problem; what services are available to alcoholics and their families; what services still need to be developed in the county, and how to best help a friend or family member who has a drinking problem. During the holiday season, it is particularly important to be in touch with the issues surrounding alcohol abuse.

An informal discussion, plus refreshments, will follow the presentation.

The event, which starts at 7:30 p.m.; is open to the public and will be held at the Marine Bank, 801 W. Washington, West Bend.

Anyone who knows an alcoholic or displaced homemaker will find this human service update particularly helpful. The program is being sponsored by the League of Women Voters of Washington County.

The Mayflower averaged under two miles per hour en route to America.

### Celebrate Families at Thanksgiving... Whatever Your Family Type

Friday, Nov. 25, 1983, Page 15

Thanksgiving—it's time to celebrate family life.

While artists often paint pictures of traditional families gathered around a turkey giving thanks, many people can't visualize themselves in the scene because they are separated by long distances or don't fit the traditional family pattern.

Yet neither distance nor family type should keep people from celebrating family life.

No matter what its structure, the family is the most important group to which anyone belongs. A family is a source of everyday support. Families have life-long impact on individuals—here children learn values, and all family members develop intimacy, are allowed to be themselves, and find others to rely on in time of need.

But, the bonds of some families are not strong due to neglect, distance, time or being taken for granted. Nevertheless, around Thanksgiving season and during National Family Week, November 17-27, people often reminisce and focus on the family no matter what family interactions are.

Celebrate family life by committing yourself to strengthening your family bonds. No matter what your family type, or the distance you live from your relatives, you can strengthen your family relationships if you are determined to develop strong family bonds.

Start strengthening family bonds by looking at a model of emotionally healthy families. Research recognizes that emotionally healthy families have many common aspects.

For example, in those families where there are children and two parents, families start with good, sound marital relationships. In a quality marriage, partners can parent well, without being totally enmeshed in their children's lives. And they don't receive from their children the type of emotional gratification usually expected from a spouse.

Moreover, in a healthy family, every person's opinion is considered, although parents retain the ultimate authority.

Kids don't take power they shouldn't have, nor do children and one parent gang up against the other parent.

Healthy families spend time together by choice, not because they "have to." Rituals and family events—such as Thanksgiving get-togethers and Sunday afternoons—are meaningful. Here traditions are passed on and family members learn a sense of "we-ness" and belonging.

One important aspect of healthy families is that they communicate openly and clearly. Avoid double messages or hidden agendas—saying one thing and meaning something else. People truly listen to what others are saying.

With open communication, family members know they won't be rejected, ignored or ridiculed. In healthy families, members accept and appreciate what other members think, feel and intend without responding judgementally. This deeper level of sharing can lead to true emotional intimacy and trust.

You can express a full range of feelings without fear or rejection in healthy families. Anger, love, disappointment, hate and pride are normal emotions that healthy families do not suppress.

In addition, healthy families work together to solve problems—often finding creative or unusual solutions.

And they adapt to change and loss, realizing that children grow up, leave home, marry and divorce. This is in contrast to unhealthy families which may function very well at one stage of the life cycle, but can't adapt and grow over time. For example, some families can't handle teenagers, the death of a child or an empty nest.

Furthermore, healthy families help their members

view the world positively with trust and optimism. These people don't have a sense of fatalism or being out of control.

And there's a balance between cohesion and individuality in healthy families. Parents teach kids to operate on their own, not be appendages of the adults. In unhealthy families, the parents constantly convey the subtle message, "you can't really make it on your own...we need you, you need us."

Individuals can't change their pasts. But they can influence the kind of family they now have. They can work to strengthen family bonds, develop emotionally healthy family interactions and truly celebrate family life.

### Christmas Parade at West Bend Nov. 29

Plans are being finalized for the West Bend Christmas Parade to be held Tuesday, November 29th at 6:30 p.m. on West Washington Street. The parade will start off from the West Bend Marine Bank at 9th and Washington and proceed to the K-Mart parking lot. This year's Christmas parade is again being sponsored and organized by Dick's Pizzeria and employees along with several local businesses and anonymous patrons.

The parade will feature a number of floats, over 50 costumed figures - some dressed as giant walking heads - TV and radio personalities; several local bands; clowns; Santa Claus and some surprises. A display of fireworks will be set off at the corner of 18th and Washington Streets to signal the start of the parade.

## ... about your Social Security

By David Becker, Social Security Branch Manager in West Bend

### PART OF BENEFIT MAY BE TAXABLE

Starting in 1984, part of the Social Security benefits received by people with substantial other income may be subject to the Federal income tax, Mr. Becker, Social Security branch manager in West Bend, said recently.

This change in the law was part of the 1983 Social Security amendments which were designed to strengthen the Social Security program for many years into the future, Mr. Becker said.

Up to half of the person's Social Security benefits for 1984, and for later years, will be subject to tax if his or her adjusted gross income for Federal Tax purposes, plus nontaxable interest income and half of the Social Security benefits exceed a base amount.

The base amount is \$25,000 for an individual, \$32,000 for a couple filing a joint return, and zero for a couple filing separate returns. The amount of benefits subject to tax will be the smaller of:

- One-half of the Social Security benefits, or

- One-half of the amount the person's combined income—adjusted gross income, nontaxable interest income, and half the Social Security benefit—exceeds the base amount.

Some adjustments in benefit payments may be possible, Mr. Becker said. Any over-payment that person repays during the year can be deducted. Also, any lump sums received can be prorated to the year for which it was paid if that is an advantage, Mr. Becker said. Any Medicare medical insurance premium deducted must be included in total benefits.

The Internal Revenue Service will provide complete instructions on how to file tax returns. Social Security has a free leaflet which briefly explains about taxing benefits.

Copies of the leaflet can be obtained at any Social Security office. The telephone number is 1-800-242-9946.

## Four County Parents Complete Training As Educational Advocates

Four Washington County parents have completed training as educational advocates.

The training was conducted by the Parent Education Project, a federally funded organization assisting parents of handicapped children. The advocates were trained in special education law and conflict resolution, and are available to help parents who have questions or problems with a handicapped child's education. "Handicapped" includes children who are mentally retarded, hearing impaired, physically handicapped, physically disabled, emotionally disturbed, visually impaired, or speech/language handicapped.

State and federal laws protect handicapped children's educational rights and give their parents an important role in their education. However, many parents are not aware of their rights or are confused by the

process established by school districts to comply with the laws, which were passed in the mid-70's. Even when the process is implemented correctly and school personnel are understanding, parents can benefit from the support of someone else who has had a similar experience. The advocacy program was established to help parents get that support.

The new Washington County advocates are all parents of handicapped children. They are Mary Christman, Slinger; Maureen Hodges, Hartford; Bonnie Nowak, Kewaskum; and Dorothy Seram, West Bend.

Parents who would like the help of an advocate should call Sue Moser at the Social Security Advocacy Program, 334-3384. For information about future training sessions or other activities of the Parent Education Project, call Liz Irwin, Project Director, 272-4500.

## Today's Medicine

JUST A PINCH?  
By J. D. Connor, D.D.S.

The use of snuff or smokeless tobacco can be very detrimental to your heart and your mouth. Continued use can cause oral cancer; it also increases heart rates and elevates blood pressure. It's obvious to most people that constant irritation by the tobacco, be it in a pouch or by itself, along with the resultant juices, could be a source of harmful effects (not to mention harmful breath). The effects are startling when you consider the increase in oral cancers since smokeless tobacco has come into vogue. Snuff use has increased 25% since 1976.

According to a Baylor College study, twenty male athlete volunteers participated in what is considered to be the first controlled research project on the impact of oral tobacco on the cardiovascular system in humans. Of the 20, ten were not oral tobacco users.

After abstaining from tobacco use for 72 hours, each volunteer, receiving 2.5 grams of snuff. Within twenty minutes, the volunteer's heart rates increased from a mean of 69 to 88 beats per minute. Normal blood pressure levels rose from 118/72 to 126/78 mm Hg. Heart and blood pressure rates returned to normal following the removal of the snuff.

"Oral tobacco use can produce significant hemodynamic effects in both animals and normal humans and may pose a health hazard in certain individuals, particularly those with a hypertensive predisposition (high blood pressure)," researchers noted.

Thus, it would seem foolish to start or continue the habit of smokeless tobacco. There is so little to gain and so very much to lose.

THE GRENADA MESSAGE

"I felt we might not make it back. I can't say the feeling I have about American citizenship. God bless America, God bless Reagan, God bless our military." Much has been said about the U.S. rescue effort in Grenada, but these words spoken by rescued American students say it all - or do they?

The President has said the "overriding purpose" of the American invasion of Grenada was to protect the lives of Americans attending medical school on the island. With this action, he may have avoided the tragic hostage situation that American experienced during the Iranian crisis Carter days.

Additionally, the President

stated the operation was also intended to prevent further chaos and to "restore order and democracy on the island of Grenada." This was done because Eugenia Charles, Chairman of the Organization of Eastern Caribbean States asked the U.S. to help. She asked for help because of a familiar pattern repeated in Grenada: A government established with communist help, asking in communist advisers followed by a leader trying to assert a measure of independence, moving slightly away from the communist line, and ending up displaced and dead. The next step in the pattern is the export of subversion and revolution in all directions. In light of the Cuban and Soviet weapons and the 18,000 military uniforms found in Grenada, it is apparent Mrs. Charles's fears were well founded. American forces had arrived just in time.

Sensenbrenner to Visit Kewaskum, Other Villages

Ninth District Congressman Jim Sensenbrenner will hold a series of open office hours in Kewaskum, Slinger, Jackson, Richfield, Germantown, Lannon and Butler on Tuesday, November 29th.

At these six locations Congressman Sensenbrenner will be available to meet with residents on an individual basis to discuss problems with federal agencies, to hear the views of residents on issues of concern, and to receive requests for information or copies of government publications.

The schedule of office hours is as follows:

- Kewaskum Municipal Building, 8:00 a.m. to 8:30 a.m.
- Slinger Municipal Building, 10:30 a.m. to 11:00 a.m.
- Jackson Village Hall, 11:15 a.m. to 11:45 a.m.
- Richfield Town Hall, 1:00 p.m. to 1:30 p.m.
- Germantown Village Hall, 1:45 p.m. to 2:15 p.m.
- Lannon Village Hall, 2:45 p.m. to 3:15 p.m.

Flags Flown Over Capitol Available

WASHINGTON, D.C. - Congressman Jim Sensenbrenner says that U.S. flags flown over the U.S. Capitol in Washington, D.C. are available for purchase at cost through his Washington office.

Please take notice that these are new flag prices, which are effective until February 15th, 1984. Flags are available in three sizes: 3' x 5' Nylon for \$6.86 and 3' x 5' cotton for \$7.62; 4' x 6' Nylon for \$9.73; 5' x 8' Nylon for \$15.93 and 5' x 8' cotton for \$16.05. Also the 3' x 5' Nylon flag with fringe is available for \$17.95.

Persons wishing to purchase a flag should make checks or money orders payable to the "Sensenbrenner Flag Account" for the exact amount, (no cash can be accepted). Orders should be sent to: Sensenbrenner Flag Account, 315 Cannon Building, Washington, D.C. 20515.

The cost of the flags are actual cost and reflect no profit to Sensenbrenner or the House of Representatives.

Planned Parenthood To Present 'Saying No'

"My boyfriend wants to have sex with me and I've been saying no, but I think he's getting mad. I don't want him to be mad, but I don't know if I'm ready. He tells me he loves me but I'm scared that I'll get pregnant, and I don't want to go on the pill. My friend was almost pregnant and I went with her to have the test. If I was to ever be pregnant or think I might be . . ."

Today's teens are facing more pressure than ever before to be sexually active.

"SAYING NO," a free program for teens and their parents will be presented on Wednesday, Nov. 30, at 7:00 p.m. at the West Bend Community Library. This event is sponsored by Planned Parenthood as part of the "Askable Parent" Program. For more information call 338-1303.

The President who served the shortest time in office was W.H. Harrison, who only served one month, in 1841.

THE MADISON REPORT

By Representative Mary E. Panzer

Homeowners Face Substantial Changes In Wisconsin Energy Refund Program

Changes made to the state budget mean that homeowners contemplating installing renewable energy systems had better act quickly, according to State Representative Mary Panzer (R-West Bend). Substantial changes will be made to the Wisconsin Renewable Energy Refund Program, which administers rebates for these systems, beginning January 1, 1984.

Panzer revealed that many homeowners currently eligible for renewable energy system rebates will no longer be eligible beginning with the first of next year. "The important point to remember," noted Panzer, "is that the date on which an energy rebate application is received determines the eligibility and the level of the refund. In order to receive a refund at the 1983 rates, you must purchase and install the system and file your application by December 31, 1983," the West Bend legislator stated.

The following new criteria will now apply to the program:

- (1) Only households with federally adjusted gross incomes below \$40,000 will be eligible to apply;
  - (2) The refund may only be claimed on the first \$7,500 in cost. This is a reduction from the current \$10,000;
  - (3) Corporations may only claim a refund for the first \$100,000 in system costs;
  - (4) The refund is limited to 10 percent of the eligible costs for all individual and corporate installations, with a maximum refund of \$750 for all home installations and \$10,000 on corporate installations;
  - (5) Certification by the state no longer will be required for claiming exemptions from local property taxes.
- "If you are even considering installing a renewable energy

system, such as solar panels or wind machines, I would strongly encourage you to act now," said Panzer. "The penalty for waiting until next year to install such a system may cause the price to be prohibitive." Panzer further suggested that people considering the installation of a renewable energy system should act immediately since the Department of Industry, Labor and Human Relations is sure to have a sharp increase in the number of applications.

**SURGERY**

Surgeons report that patients who take aspirin shortly before their operation tend to bleed excessively both during and after surgery. They recommend that patients take no aspirin for two days before surgery. The tranquilizer Valium has a similar effect on surgical bleeding. When a surgeon cannot delay operating, he can quickly restore the blood clotting mechanism to normal with a special blood transfusion. [Annals of Internal Medicine]

The Competency Based Testing Committee will meet on Wednesday, November 30, 1983, at 7:30 p.m. in the Kewaskum High School library. School Board members and the public are invited to attend.

## IN MEMORY

In loving memory of my husband, our father and grandfather, Edward Bunkelman, who passed away one year ago, November 25, 1982:

They say time heals all sorrow,  
And helps us to forget,  
But time so far has only proved,  
How much I miss you yet.

God gave me strength to take it,  
And courage to take the blow,  
But what it meant to lose you,  
No one will ever know.

Sadly missed by the family.

## NOVENA TO ST. JUDE

O holy St. Jude Apostle and Martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ, faithful intercessor of all who invoke your special patronage in time of need, to you I have recourse from the depth of my heart and humbly beg to whom God has given such great power to come to my assistance.

Help me in my present urgent petition. In return, I promise to make you name known and cause you to be invoked, say three Our Fathers, three Hail Marys and three Glorias. St. Jude pray for us, and all who invoke your aid. Amen.

This Novena has never been known to fail. This Novena must be said for 9 consecutive days, and publication must be promised.

Have 6 Lettermen Back; Height, Experience

## Indians Trip Random Lake in Opener, 66-44

The Kewaskum Indians opened the 1983-84 basketball season with a 66-44 non-conference victory over Random Lake here Friday night. With some of the players just stepping out of their football uniforms after the championship playoffs in Madison, the Indians used balanced scoring, a good defensive effort and strong rebounding in beating the Rams.

The Indians have six lettermen back and with a great deal of height and experience, hope to have a highly successful season and be contenders in the Eastern Wisconsin Conference. Returning lettermen are: 6-4 center Brian Arndt, 6-0 guard Jim Hanrahan, 6-4 forward Mike Steinhardt, 6-1 forward/guard Jeff Squier, 6-4 forward Dennis Butz and 5-7 guard Tim Leitheiser. Steinhardt is a junior and all the rest are seniors. Kewaskum also has several others on the squad six feet or better.

Steinhardt led Kewaskum scorers with 16 points, 10 of them in the final eight minutes. Butz had 12, Arndt and Hanrahan 10 each and Squier eight. Arndt, Steinhardt and Butz all gathered in six rebounds apiece, leading the Indians to a 34 to 18 advantage on the boards, which were

dominated by them.

Kewaskum also kept the Rams' Paul Paulus away from the ball. The 6-2 Paulus scored 38 points against the Indians last year on his home floor, which the Indians didn't forget. Random Lake is a small Class B school in the Central Lakeshore Conference.

Friday night it was all Indians, except for a few spurts of ragged play and inconsistency, which can be expected in the first game of the season.

Kewaskum jumped off to an 8-0 lead before Paulus, held to 15 points, hit a free throw for the Rams. About halfway through the quarter the Rams narrowed the gap to 12-9, but Butz made if 14-9 at the end of the period.

After Random Lake had climbed to within five, 23-18, Hanrahan drove in for a couple of steals and layups to give the Indians a 29-18 lead. Squier, after only four days of practice because of the football playoffs, came through with some good outside shooting in the second quarter.

Steinhardt, who had three fouls in the first quarter, sank five baskets in the Indians' 25-point outburst in the last quarter.

All told the Indians did not shoot well, however. Hanrahan

had an off night and Arndt did not have his usual touch. The Rams did play tough defense against him.

Random Lake just didn't have the size to match up with the Indians and were banged around some inside. Paulus is one of three returning starters for the Rams, along with Paul Geiken and Dale Stange.

On Tuesday night of this week the Indians played at Campbellsport in another non-conference affair and next Tuesday night they host the West Bend West Spartans.

## 40% More Fans, 22,554, at WIAA Football Championship Games

STEVENS POINT, Wis. (Nov. 17-83) — Paced by a gigantic 40% increase at the championship games in Madison last week, attendance in the WIAA's football playoff series established a new record in 1983.

Unofficially, the total for all 42 games in the quarterfinals semifinals and finals was 84,561. This is over 12,000 more than the 72,336 in attendance in the identical program of last year. And it is also better than the previous record of 81,084 people who attended games in the 1981 program.

The big increase was in the finals where this year's total reached 22,554. That figure is more than 6,000 ahead of last year's 16,208 people, a difference of just over 39%. The 1982 and 1983 programs are the only ones which culminated with all six championship games on two separate days at Camp Randall Stadium in Madison.

A breakdown of attendance at Madison revealed almost identical crowds on each of the two days — 11,231 on Friday and 11,323 on Saturday. The totals last year were 8,018 on Friday and 8,192 on Saturday. There is no accurate estimate of number of people at each particular game but it is likely there were more than 7,000 watching the Division 2 championship game on Saturday night (Middleton and Port Washington), more than 6,500 at the Friday night Division 1 title game (D.C. Everest and Waukesha North).

There also was a significant increase in attendance at semifinal games this year. The total was 25,413, over 5,000 more than the 20,147 of a year ago. Quarterfinal attendance this year was 36,594 compared with 35,981 a year ago.

These were among the best crowds in the pre-championship program: Semifinals - Green Bay West (Lambeau Field) 3,502, Brown Deer (for Port Washington) 3,091. D.C. Everest (Schofield) 2,898. Platteville (University) 2,434.

## Kewaskum's Defending Lakes 'B' Division Champions Open at Slinger Saturday

The Kewaskum Land o' Lakes basketball team will open defense of their Lakes "B" Division championship against the Slinger Merchants this Saturday, November 26, at 7:30 p.m. at the Slinger High School gym.

Kewaskum won the "B" Division championship last year with a 9-6 record, two games ahead of Port Washington, which finished 7-8. This was Kewaskum's fourth "B" title in the last eight years, also winning in 1976, '77, and '79. They turned it completely around last year, after a few lean seasons. Kewaskum was 0-3 in some tough tournament games at Kaukauna and Howards Grove, to finish 9-9 overall. Slinger finished in fourth place in the "B" Division, with a 5-10 record.

Manager Bill Backhaus, beginning his eleventh year at the helm, will have ten players

returning from last year's team. Heading the list is Leon Laatsch, 6-4 center-forward, who was chosen to the Lakes all-league team for the third year in a row and played third in league scoring last year with 476 points and a 31.7 average. In all games, including tournaments, Laatsch had 535 points and a 29.7 average.

Returning to form was Clark Eichstedt, 6-3 forward, who finished ninth in Lakes scoring with 316 points and a 26.3 average. Also returning to Kewaskum's balanced lineup are Mike Maney, 6-0 guard, with a 15.0 average; Backhaus, 6-0 guard, with a 9.2 average; Brian Larsen, 6-2 forward, with a 15.6 average; Bill Gonwa, 5-10 guard, with a 17.0 average; Jeff Lehnerz, 6-3 forward, with a 5.5 average; Mike Geidel, 6-4 center, with a 2.5 average; Kevin Stautz, 6-3 forward, with a 1.2 average, and Ted Miller, 5-11 forward, with a 3.0 average.

One newcomer to the team will be Bob Nigh, a 6-3 forward.

The Lakes league will operate with nine teams this year, split into the "A" and "B" Division. All teams will play each other twice, for a total of 16 games. The teams in the "A" Division are the defending grand champion Menomonee Falls Badgers, Cedarburg, Menomonee Falls Stingers, and Thiensville-Mequon. The teams in the "B" Division are defending champion Kewaskum, Port Washington, Sussex, Slinger, and Mayville. Oconomowoc and Hartford took a year leave of absence.

Kewaskum's schedule follows:

## Shorthanded Girls Routed by West Bend East in Opener

Playing without their veteran center, Julie Koepke, a second team all-conference choice last year, who was out with the flu, the Kewaskum girls were no match for powerful West Bend East here last Thursday night and were trimmed by the Suns, 69-29, in the season opener for both teams.

New Kewaskum girls coach Milt Dickensen had to change his lineup after learning that his 6-0 center was not able to play. Dickensen used three different sets of players in his lineup to try and stop East star, 6-2 Linda Reichl, without much success. Reichl scored 20 points, hauled down 10 rebounds and made several steals even though she played only a little more than two quarters.

The Suns have almost all of their starters back from last year's very successful team. The Indians have four veterans returning in Lisa Matenaer, Holly Kempf, Julie Koepke and Margaret Bowman but gone is ace Linda Larsen, a two-year unanimous all-conference choice and the Eastern Wisconsin's top scorer.

After a 33-18 halftime score, the Suns broke the game wide open in the third quarter. Reichl had 12 points in the period and Jody Dogs added three buckets to give East a 49-20 lead with less than three minutes remaining in the quarter. Dogs also came through with key feeds to teammates.

The Indians had stayed fairly close to the Suns in the first quarter, which ended 21-12. East was already at the free throw line before the end of the first quarter, making seven of

nine attempts. A long shot by Matenaer at the buzzer cut the deficit to nine points.

Kewaskum got only six points in the second period compared to the Sun's 12. Half of them were scored by Laurie Fellner. West Bend coach Rick Riehl admitted that Kewaskum's Koepke was worth 10 points in a half and that the Indians really missed her talent.

In the third quarter the Suns, with the use of the pick and roll, scored easy baskets as fouls, with the man-to-man pressure, were beginning to become a problem for the Indians.

Along with Reichl's 20 points, Fellner added 15. Nine of the Suns got into the scoring act, with Dogs and Denise DuKatz each scoring eight. Candy Kirchner snared eight rebounds and Dogs had six assists and five steals.

For Kewaskum, sophomore Jody Yearling was high scorer with seven, while Kempf and Sandy Secor each added six. Yearling also had eight rebounds and Kempf had seven to go with their points. But with Koepke out no one could compete with Reichl who really hurt the Indians inside.

On Tuesday night Kewaskum hosted Lomira of the Flyway Conference.

In the JV game, West Bend won, 68-30. The Indians got 11 points from Cheryl Schladweiler and nine from Jenny Hintz.
