Computer Literacy Course to Become Part of KHS 1984-85 Curriculum

By GERRY MUELLER Statesman Staff Writer

On a 5-2 vote, the Kewaskum School Board approved the addition of a "Computer Literacy' course to the High School curriculum. The course will be designed to teach students computer basics and give them "hands-on" experience.

The course, which will be offered as an elective during the 1984-85 school year and as a required subject in 1985-86, is expected to cost approximately \$38,000. Of that, half will be used for equipment and the remaining \$18,000 to cover teacher costs. Students will earn 1/2 credit for taking the one-semester course.

District Administrator John Long recommended the board approve the course as a required subject for graduation beginning with the 1985-86 school year. Board member making the course a required subject was adequate.

The Board and Administration held a lengthy discussion as to whether or not the new course should be considered a required credit toward math or science. Long said the course should be considered just a Computer course credit and not part of the math or science credits requirement. He felt that Computers was a field in itself. Long reminded the board that during earlier discussions, he had recommended 21/2 credits of required math beside the computer course. He emphasized that from his earliest recommendations he was also in favor of increasing to 231/2 the number of credits needed for graduation.

When High School Principal Clark Pearson presented the board with a list of 34 candidates seeking early graduation,

Charles Ogi felt that just the board felt a closer look should be given to Long's increased credits recommendation. Pearson told the Board, 'increased credits would have a direct bearing on early graduation." He told the board it would be almost impossible for a student to earn 231/2 crédits in a 31/2 year period. It could be done Pearson indicated, if a student were to take a full load of seven credits for each year.

> In other action, the Board approved recommendations made in an Agriculture Committee report which had been presented at the last meeting. On the recommendation of Mr. Long, the only point not approved was that Agriculture One and Two be considered as one science credit.

The Board approved the recommendation of Board member Ralph Horner that a

Local United Way Drive Totals [Continued on Page 6] \$29,436.38; Largest In History

The total amount pledged, \$29,436.38, to the fund drive this past fall, is the largest in the history of the Kewaskum Area United Way and was well over the goal of \$20,000.

John Coulter, president of the United Way board, expressed his pleasure at the success of the fund drive, and is especially pleased at the large increase in the amount pledged in the industrial division.

At the present time, the budget committee is meeting to prepare its recommendations of organizations to benefit from

the funds. The list will be presented to the board for approval in February, and allocations sent out soon after that meeting.

29 Fire, 126 Rescue Squad Calls in 1983

Chief Augie Bilgo reported that during the year 1983, the Kewaskum Fire Department answered a total of 29 fire calls.

The fire department had eleven calls in the Village of Kewaskum, thirteen in the Town of Kewaskum, and five in the Town of Auburn.

The firemen's rescue squad had 126 ambulance calls during the year, on which the ambulances covered 3,149 miles. The rescue calls were down from 1982, when 157 calls were made.

8th Candidate Enters **School Board Race**

By GERRY MUELLER Statesman Staff Writer

Just hours before the 5:00 p.m. Tuesday, January 3rd. deadline, Norma Serwe submitted nomination papers for the Kewaskum School Board election.

Serwe's candidacy brings to eight the number of hopefuls who will be campaigning for one of the three open seats on the board. Serwe was an unsucessful candidate in last year's election. After requesting a re-count, she still finished behind two write-in candidates, Neal Weare and Lynelle Dieringer, who won seats on the

Because of the large field, a primary election will be held on February 21st to reduce the number of candidates for the April election.

Positions on the primary ballot were announced at Monday night's School Board meeting. They are as follows: Peterson, Charles Kim-"Chuck" Voge, Jean Goeden, Ronald Beimborn, Norma Serwe, Tom Brigham, Charles Bindrich, and Colleen Narbatovics.

Incumbents Jean Goeden and Tom Brigham are seeking to retain their seats on the board. The third open seat is that of Incumbent Charles Ogi, who decided not to seek re-election.

Snowmobiler Injured

By GERRY MUELLER Statesman Staff Writer

James Aupperle, 22, of Route 1. Kewaskum, was listed in critical condition Tuesday, from injuries suffered in a snowmobile accident late Sunday afternoon.

The accident occurred on the State Trail north of Auburn-Ashford Road. Aupperle apparently failed to negotiate a -turn, hitting two trees. He was thrown off his machine re-

ceiving severe head and internal injuries. There were no eyewitnesses to the accident.

companion, Garbisch, found Aupperle when he went back to look for the victim after noticing he was not traveling behind him.

Aupperle was transported to Joseph's Hospital, West Bend, transferred to Columbia Hospital, Milwaukee, and later transferred to Froedtert Hospital where he remains in critical condition.

High School Gets New Foreign Language Teacher

Carrie Swanson

Ms. Carrie Swanson, a 1978 graduate of Kewaskum High School, has returned to the Kewaskum High School to take over a vacated position in the foreign language department. She will be teaching six Spanish classes as well as acting as advisor for the AFS and Spanish

Ms. Swanson attended UW-Whitewater for four years and UW-Milwaukee for a semester. She gradauted with a B.A. degree in Spanish and a minor in personnel management. Ms. Swanson also studied in Peru, South America for a year. While there, she lived with a Peruvian girl friend and traveled extensively throughout Peru and Chili

Ms. Swanson is glad to be back at Kewaskum High School noting quite a few changes in both facilities and faculty. She is looking forward to an enjoyable year and is impressed by the friendly, helpful staff at Kewaskum High School.

Receive Kiwanis Outstanding Conservation Farmer Awards

Left to right - Vince Groh, Kiwanis President; Charles Spaeth, Barb Spaeth, Mr. Darmody, Mrs. Darmody, and Roy Esser, Chairman.

Charles Spaeth, Town of Farmington, and Wes and Gary Darmody, Town of Wayne, received the Kewaskum Kiwanis 1983 Outstanding Conservation Farmer award at their annual Farm-City program at the Hon-E-Kor in Kewaskum

Wes and Gary Darmody own and operate a 268 acre dairy and hog farm about one mile southwest of Kohlsville. They milk 60 holstein cows and raise 120 hogs. They have been Washington County Land Conservation Department cooperators since 1971 on their home farm. A conservation plan was developed, which resulted in application of 125 acres of conservation cropping system including grasses and legumes in rotation. In addition 2,800 feet of surface drain was constructed in conjunction with his neighbor Denis Vogt. The Darmodys have 14 acres of woodland where several hundred trees were inter-planted. Wes and Gary have requested a farm conservation plan for an additional 120 acre farm recently purchased by them.

Chuck Spaeth and his family of girls own and operate 308 acres and rent 100 more about two miles southwest of Fillmore in the Town of Farmington. He

has a dairy herd consisting of 150 holsteins. Chuck became a cooperator in the spring of 1976 and has consistantly practiced conservation in all of his farming operation since then. He has applied 273 acres of a conservation cropping system, 700 feet of terrace and 5.6 acres of grass waterways to safely dispose of excessively concentrated runoff water to eliminate erosion. Other erosion control practices planned for the near future are 38 acres of contour strip cropping and 49 acres of contour farming. Over 23,000 feet of subsurface drainage (tile) have been installed, much of it along grass waterways to keep them dry for a good grass cover and for ease of crossing. About 24 acres have

Campbellsport Youth Is Congressional Intern for Rep. Petri

Steve Bartelt of Campbellsport began work this week as a congressional intern to Rep. Tom Petri of Fond du Lac in his Washington, D.C., office.

Petri said Bartelt will be on full-time duty through May getting work experience.

Petri said Bartelt will attend seminars, help with the mail, do legislative research and assist at the congressman's reception

"We have two interns here now for one month," Petri said from the nation's capitol. "But a full-term internship is the most important.

The son of Mr. and Mrs. Alvin Bartelt, 203 E. Main St., Campbellsport, is a 1982 graduate of Campbellsport High School where he participated in golf and baseball.

He enrolled as an accounting major at University of Wisconsin-Oshkosh in September 1982 and applied for the congressional internship through his political science class. Bartelt was notified of his Washington selection just prior to Christmas.

TWO RECYCLING REPRESENTATIVES TO SPEAK

Town of Farmington Recycling Committee to Sponsor Meeting

In the hope of establishing an area-wide recycling effort, a meeting is being sponsored Jan. 18 by the Town of Farmington Recycling Committee. Representatives from two companies that use as raw material, old tires and plastic bottles, will be present to tell about their companies' needs. The meeting will be at 7:30 p.m. at the Farmington Town Hall, 9422 Hwy. 144, Boltonville.

Larry Zernach of Owens-Illinois of Tomahawk, Wis., will tell about his company's use of tires and plastic bottles for fuel. Owens-Illinois is presently using tires from the Minneapolis area and is interested in finding a source of tires in the Milwaukee metropolitan area. The O-I mill may burn as much as 2,000 tons of tires in a month and is one of the largest consumers of waste tires in the country.

Irvin Vincent, founder of N.E.W. Plastics Corp. of Luxemburg, Wis., will show samples of his company's products, made from recycled plastic milk bottles. Vincent says his company has grown each year and is in the process of physical expansion so the need of plastic bottles will increase in the near future.

Joan Rosenberger, chairman of the Farmington Recycling Committee says that all Washington County governmental officials have been invited to the meeting as well as other recycling groups, auto salvage dealers and metropolitan Milwaukee governments. Everyone interested in the problems of solid waste disposal is invited to attend.

"If private industry and government combine efforts, much of our solid waste can be recycled," Rosenberger said. Building a ski hill of garbage sounds nice, but the possibility of polluted ground water as a result doesn't. I've yet to meet a person who wants a landfill next to their house. Recycling as much as possible, while not always an inexpensive solution, does reduce the need for landfills and possible expensive clean-up operations," she con-

The Town of Farmington Recycling Committee was formed in May by the Town Board, Vaughn Brown, town chairman. With the approval of the board a voluntary recycling effort was initiated the first of July to help extend the life of the town's landfill site. Since that time, five truckloads of newspaper, cardboard and glass has been recycled along with undetermined amounts of tin and aluminum cans, waste oil and metal.

Holy Trinity Saving Labels For Free Equipment

Students at Holy Trinity School are currently conducting a label-collection drive that promises to deliver valuable educational equipment. As part of a program called Labels for Education, Campbells Soup Company is offering FREE equipment to schools in exchange for labels from their products.

Schools may redeem the labels for FREE audio/visual equipment, athletic equipment and teaching aids. A goal of 10,000 labels has been set by Holy Trinity School before the drive ends February 20. Labels from Campbells soups (condensed and chunky), tomato juices and bean products, Franco-American products, Swanson canned and frozen products are all redeemable.

Anyone in the community who would be kind enough to collect labels please drop them off at Miller's Furniture, Holy Trinity School or Church or give them to any Holy Trinity students before Feb. 20. Anyone with questions feel free to call Sharron Miller at 626-2811 after 4:00 p.m.

Memories...

Shown here are Gottleib and Anistina [Puett] Backhaus. They were early settlers of Kewaskum. They were born near Kniehof, Prussia. Gottleib was born in 1813 and Anistina Puett on Mar. 6, 1817. They were married in 1840. Kniehof was about 30 miles northeast of Stettin and less than that from the Baltic Sea.

Gottleib was wine master and distiller for Ferdinand Von Bismark. Ferdinand's son, Otto Von Bismark, was born April 1, 1815. He was called Prince of Bismark. Later he became a very prominent and powerful political figure in German history. The Bismarks were very

The Backhaus family came to Wisconsin about 1850 and settled on 40 acres in sec. 4 of the Town of Kewaskum. Later on he bought more land and finally owned 135 acres. Gottleib died in 1894 and Anistina in 1907.

The farm is still in the family and is now owned by Ervin and Deanne [Backhaus] Ramthun. Deanne is a great-granddaughter of Gottleib and Anistina. Alta Proctor of Kansas, who provided the pictures and history, and Ella Andre are also great-granddaughters.

The Puett family also came to Kewaskum and owned about 150 acres east of the village limits on the north side of Highway 28.

Area Chapters to Observe Jaycee Week Jan. 15-21

Sixty-four years ago a young men's civic organization was formed in St. Louis that became known as the United States Junior Chamber of Commerce. In 1965, members of the organization changed the name to United States Jaycees in order to avoid being confused with the U. S. Chamber of Commerce.

Going into its 64th year, the U. S. Jaycees - a leadership training organization based in Tulsa, Oklahoma - has some 275,000 members in 7,000 American Communities. The Kewaskum Jaycees and the Kohlsville-Wayne Jaycees are part of that national organization, but their main function is

to help the local community while developing themselves as leaders.

The Kohlsville-Wayne Jaycees are a newly chartered chapter with Pat Hanrahan as President. They are already planning to get involved with snowmobile and bingo events on a community level, with many projects planned in 1984 to help better serve their local communities. The Kewaskum Jaycees, with Ken Weyers as President, have been serving the Kewaskum community for over 10 years and participate in such events as running the youth softball and little league programs, staging the haunted house at Halloween, organizing and sandbox fill every spring, fund-raising for Muscular Dystrophy and Cystic Fibrosis, and running other projects as

they maintain their highly visible role serving the Kewas-kum community. A new event organized by the Kewaskum Jaycees is the upcoming Kewaskum Community Night which will be held at the Amerahn on Jan. 20, 1984. Featured speaker, Pete Ladd, will be on hand to talk to those people in attendance and tell about the Milwaukee Brewer's potential for 1984.

Kewaskum and Kohlsville-Wayne Jaycees are proud to be serving their communities and encourage young men between the ages of 18 and 35 to join Jaycees. Next week, January 15-21, can be a better week if we all follow the Jaycee Creed: "That faith in God gives meaning and purpose to human life; that the brotherhood of man transcends the sovereignty of

nations; that economic justice can best be won by free men through free enterprise; that government should be of laws rather than of men; that earth's great treasure lies in human personality; and that service to humanity is the best work of life.''

KEWASKUM 4-H CLUB

The December meeting was called to order by Debbie Seideman. Chris Holz led the 4-H pledge and Mike Carron led the American pledge. The

treasurer's report was given and accepted by Rhonda Herriges and seconded by Mike Carron.

We talked about the 4-H older youth for high schoolers. We decided to take cookies to the Exodus House. Our activity for January will be swimming at the YMCA. We also talked about the talent show coming up.

The January refreshment committee consists of Pat Holz and Jenny Bauer. Our meeting was adjourned.

We then had our Christmas party. We exchanged gifts, played games, and had refreshments.

"With 8.75% interest on savings, we're starting the New Year by opening a Valley Prime Saver!"

Valley Prime Saver is the exciting new savings account from Valley Bank that gives you more reasons than ever before to start a savings commitment.

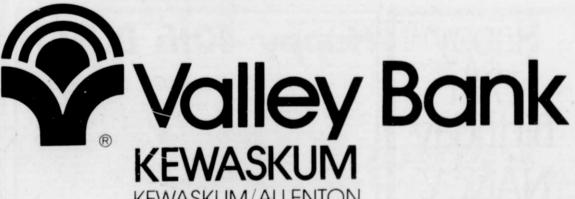

When your savings reach \$1,000 or more, Valley Prime Saver pays an unheard-of 8.75% interest on your savings until May 31, 1984. At the beginning of each new quarter, the Valley Prime Saver rate will be established at a rate competitive with high interest investment accounts.

But it only takes \$100 to open a Valley Prime Saver. And on savings up to \$1,000, you'll still earn a high 6% interest rate.

Other good reasons to open a Valley Prime Saver? You can deposit any amount, anytime, you don't have to wait to earn high interest on your increasing balance. And you can make withdrawals up to 10 days after the end of each quarter.*

Make your savings resolution. Stop by Valley Bank and find out about Valley Prime Saver, the savings account that pays you more.

West Bend Savings "INDIVIDUAL RETIREMENT ACCOUNT"

REDUCE YOUR TAX-BITE TODAY (AND TOMORROW) WHILE YOU SAVE FOR RETIREMENT

If you open or add to a West Bend Savings' Individual Retirement Account (IRA) before you file your 1983 tax return, the IRS will allow you to subtract your IRA contributions from last years earnings. But hurry, because after April 15th, all contributions go towards your 1984 tax returns.

All wage earners qualify. Whether or not you are currently covered by a pension or profit sharing plan, you qualify for a West Bend Savings' Individual Retirement Account. And we offer some of the best plans available.

FIXED/VARIABLE RATE PLANS

The choice is yours — lock in a fixed rate for 18 months or earn close to the best market rate available with our popular variable rate plan.

NO SERVICE FEES

A West Bend Savings' IRA is available to you with no fee or service charge of any type.

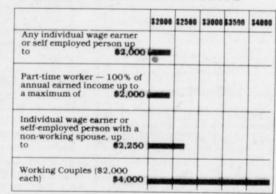

FLEXIBLE AND CONVENIENT

You determine how much you want to add to your retirement account, up to the legal maximum (see chart). Start with as little as \$20.

INSURED SAFETY

Individual Retirement Accounts are insured safe to \$100,000 by the Federal Savings and Loan Insurance Corporation and backed by the full faith and credit of the United States Government.

Letters to the Editor

January 4, 1984 action.

Kewaskum Statesman 250 Main Street Kewaskum, Wisconsin 53040 Attention: Gerry Mueller

Dear Mrs. Mueller:

In the December 30th issue of the Kewaskum Statesman, you wrote an article thanking all volunteer firemen for their dedication and service. This letter is to thank you for that heart warming article indicating some of the hazards experienced by firemen.

I would like to emphasis that fire fighting is a very dangerous occupation, and should not be taken lightly. As indicated in an article by Dear Abby in the Milwaukee Sentinel, in the U.S. in 1982, over 6,000 civilians and 117 fire fighters died in fires, and 300,000 civilians plus 100,000 fire fighters were seriously injured. The property loss was also substantial at 6.4 billion dollars.

Fire prevention starts in the home, and following is a short list of precautions that can be taken to prevent fires:

Cleaning of chimneys in the fall before using your wood burner or fireplace.

Keeping all combustible material at least three feet away from fireplaces or wood burners

Do not burn rubbish on a windy day or near dead grass.

Do not place portable heaters

near draperies or furniture. Never smoke in bed.

Never leave small children or invalids in a home alone, even for a few minutes.

Never use flammable liquids

A lot of common sense can also prevent fires.

Again, Mrs. Mueller, on behalf of the Fillmore Fire Department, we thank you for your article.

> Sincerely yours, FILLMORE FIRE DEPT. James N. Dieringer, President

First of all, we received our tax bill. The current increase and the certainty of a large increase next year is depressing. Yes, we all want a quality education for our children, but it is a fallacy to equate a quality education with ONLY the amount of money being spent. Throwing money at a problem has never been the solution. Creative, careful programing and funding are needed.

Secondly, the improvements that were needed last year are still lacking. The district needs management by objectives. We need clear job descriptions for all positions, and we need some long range planning - one emergency borrowing of four hundred thousand dollars was too much.

Thirdly, I am concerned about what is being said about closing Beechwood School. The value of neighborhood schools cannot be overstated. Bigger is not always better. Instead of saying that the student population is too small to support the school, why not try some creative thinking? Has anyone asked the people involved—the faculty, parents, communityfor some suggestions?

Our school system needs direction and planning. Community involvement is a necessity. As a person who is involved in education both professionally and as a parent, I feel I have something to offer the district. Because I am a housewife, mother, and college instructor, I will not have the opportunity to meet as many of you as I would like, yet I value your suggestions and questions. Because I am interested in your concerns and welcome your suggestions, please feel free to call me at 533-8241 or send your questions and/or suggestions

Dear Editor:

The residents and staff of the Samaritan Home would like to extend sincere thanks to all who have contributed their time and effort throughout the year in helping make the Samaritan and its program outstanding. At this time of year, it is especially appropriate to acknowledge the many contributions of individuals and organizations in the community, the Samaritan West Bend's Auxiliary, churches and schools, and the extra help of dedicated staff members and of resident volunteers. Through the work of these volunteers, the many services of the Samaritan Home are enlarged and enhanced. Without their help, the Samaritan would lack the sense of community involvement in the lives of the elderly that give the Samaritan Home its vitality. To those who have helped us in the past year we again say 'Thank-you.'' In giving of yourself, you will be truly blessed.

> Sincerely yours, Caroline Birr, Volunteer Coordinator

Eliminating Wisconsin's Death and Gift Taxes

There is bipartisan support in the legislature for eliminating Wisconsin's inheritance and gift taxes and levying only a 'pick-up' or 'gap' tax, equivalent to the allowable federal estate tax credit. The Assembly Committee on Revenue, on which we serve, voted unanimously to introduce legislation to phase out the state's inheritance tax over the next five years. Other pick-up tax proposals have also been introduced.

OR CARRYOUT

Everglades of New Prospect,

However, for proposals updating our archaic death tax structure to be successful, the concerned efforts of a broad base of individuals and organizations will be required. Many groups representing farm, small business and taxpayer interests have contacted us in support of eliminating the state's inheritance tax. Your support and that of your newspaper could help make this long-overdue state tax reform a reality.

Enclosed is a brochure summarizing why Wisconsin should get rid of its onerous death and gift taxes and encouraging individuals to contact their elected state officials in support of such a change. Please feel free to use the information in whatever form you wish.

If you would like additional information on the state's inheritance tax and what the proposed reform could mean to the state and its economy, we would be glad to make it available to you.

We strongly believe it is time to eliminate Wisconsin's outdated inheritance tax. Don't you? We hope you can give us

some support. This will only be accomplished if people like to speak out and let your views be known. Call, write or visit your state Senator and Representative, as well as Governor Earl. Not only should you ask your legislators for support, but also ask them torequest legislative leadership to schedule a vote on legislation to eliminate our archaic in-

heritance tax. CALL TOLL FREE TODAY ON THE LEGISLATIVE HOT-LINE! 1-800-362-9696 Madison area 266-9960.

GEORGE KRAUTKRAMER

George C. Krautkramer, 89, a Beechwood area resident for all of his life, passed away on Friday, January 6, 1984, at the Beechwood Rest Home where he lived for the past year.

Mr. Krautkramer was born on May 8, 1894, in Town Scott, Sheboygan County, to the late John and Anna Peterman Krautkramer. On May 15, 1917, he married Hilda Hammen in UCC Church, Beechwood. She passed away in November, 1973. He farmed and also retired from the Sheboygan County Highway Dept. 20 years ago. He was a member of St. John's UCC Church in Beechwood, served on the Consistory for some time, was an active member of the Cemetery Association, and was a member of the Beechwood and Kewaskum Senior Citizens clubs.

Survivors include two daughters, Mrs. Florence Bohannon of Sheboygan and Mrs. Mildred (Calvin) Hintz of Houston, Texas; five grandchildren; two great-grandchildren; one brother, Ervin of Town of Scott; other relatives and friends. One daughter, Gladys LaMar Chapman, a sonin-law and three brothers preceded him in death.

Services for Mr. Krautkramer were held on Modnay in St. John's UCC Church in Beechwood at 2 p.m. with Rev. William Kesting officiating. Burial was in Union Cemetery in Beechwood.

Visitation was Sunday after 3 p.m. at Miller's Funeral Home in Kewaskum and also at the church on Monday from 12 noon to time of services.

MRS. PEARL TRAPP

Mrs. Pearl Trapp, 99, of New Prospect, died Saturday, Jan. 7, 1984, at St. Agnes Hospital.

She was born Nov. 9, 1884, in the Town of Osceola, to the late Walter J. and Mary Henning Romaine. At the age of six, she came to New Prospect, then known as Jersey, with her parents where she assisted them in a general store and post

Mrs. Trapp attended Oshkosh Normal School and taught in the county for seven years. She was married to Herman Jandre of New Prospect on Feb. 19, 1912, and he died March 12, 1919. On Oct. 31, 1922, she was married to Richard C. Trapp of Beechwood, and they observed their golden anniversary in 1972. He died March 21, 1979.

She was a member of Campbellsport United Church of Christ Women's Guild, Brown-Bell American Legion Auxiliary and a past member of GAR.

Surviving are a son, Gerald Jandre of Cedar Lake Home, West Bend; a daughter, Mrs. Dan (Marilyn) Uelmen of Random Lake; two grandchildren; a great-grandchild; and a sister, Mrs. Philip (Corrall) Koch of West Bend.

She was preceded in death by a son, daughter, brother and sister.

Funeral services were held at 7:30 p.m. Tuesday at Campbellsport United Church of Christ. The Rev. Milton Straube officiated, and burial was in New Prospect Cemetery.

Friends of Mrs. Trapp called

Frank J. Felix of St. Kilian this week opened a Radio Service Shop in the Wm. F. Schultz store building on Main Street in Kewaskum, formerly occupied as a millinery store. Mr. Felix, a young man, comes to this village highly recommended in his business. He has four years of experience. He is a member of the Institute of Radio Service Men and of the Radio Manufacturers' Service.

A truck load of milk and cream from the Kewaskum Creamery was dumped at about 3 a.m. Sunday at the state line on Highway 41, known as Fossland, by pickets of the strikers from the Pure Milk Association, who had complete control of preventing milk or cream being shipped into Chicago the forepart of the week. The load of milk, which was consigned to various milk depots on the outskirts of the city of Chicago was in charge of Ph. McLaughlin Jr. and was being transported with one of the trucks from the Weems Service of Beloit. The load contained 91 cans of milk and five cans of cream. The pickets refused McLaughlin to take the empty cans back with him.

At the annual meeting of the local fire department held in the village hall last week Thursday evening, the following named officers were elected for the ensuing year: Assistant Chief A.P. Schaeffer; Secretary -John H. Martin; Treasurer -Val. Peters; Foreman — Arnold Martin; Asst. Foreman -Bernard Seil. Chief Harry Schaefer is a hold over. He was elected for a term of five years in 1933. There are now 31 members in good standing in the department. At the last

WINTER DRIVING

fundamentals of safe winter driving now to save yourself trouble. National Safety Council Winter Hazards Committee Researchers, who annually conduct skid tests at Stevens Point, Wisconsin, have these recommendations:

1. Get the "feel" of the road by accelerating carefully when away from other traffic to see if the wheels spin; brake gently to see if they skid; reduce speed accordingly.

2. Increase your following distance. It takes three to nine times as far to stop on snow and ice as on dry pavement. Ice near the melting point is twice as slippery as ice when the temperature is near - or below

3. "Pump" your brakes to slow or stop; don't jam them on. An intermittent pumping action keeps the wheels rolling and helps maintain steering control.

4. Have good tires with good treads. Better yet, use snow tires which provide half again as much pulling ability in snow as regular tires

5. Anticipate stops, slowing down gradually well ahead of intersections and highway rail grade crossings. Approaches to these sites are likely to be polished and slick by the stopping and starting of traffic.

6. Keep your windshield and

STATE4-H CLUBS **INCREASED DURING 1983**

Just under half of the nearly 112,000 Wisconsin youth participating in 4-H programs live in cities of 10,000 or more people, according to Jim Everts, state 4-H program leader and a youth development specialist for the University of Wisconsin Cooperative Extension Service.

A third of 4-H youth are from cities of 50,000 or more, or from suburbs of such cities. But the two largest categories are rural non-farm with 28.2 percent and farm youth with 24 percent of the total. Four-H is reaching a higher percentage of farm youth than at anytime in its history.

Overall club membership declined slightly during the past year, with 1,900 less youth statewide in 1983 than the 1981-82 average. This coincides with a 10-year national trend of declining membership, but the decline is beginning to level off. This is the first year in five in

creased

Wisconsin 4-H has 22,424 adult leaders, an increase of more than 1,200 from last year, says Everts. Over the past 10 years, adult participation has increased nearly 20 percent. He attributes this to a greater emphasis on involving the whole family in 4-H. Two out of three adult leaders are female. The 8,213 youth leaders currently involved represent an increase of about 550 from last year, and five out of eight are female.

The 10 most popular 4-H projects and activities in 1983, in terms of the number of youth participating are:

Growing Vegetables 23,949 Plant and Soil Science

Activities 14,359 Natural Science Activities

14.118 Food and Nutrition 13,727 Dairy 12,301

Social Recreation Skills 11,430

Leisure Education 10,516 Community 10,503 Woodworking 9,163

Nature Conservation Projects

In Washington County, the most important project areas were Animal 580, Home and Family 470, Leisure and Cultural 340, and Mechanical Sciences 305.

Statewide, the combined projects in the overall animal and poultry category have over 64,000 participants, the highest number ever. The largest overall category is leisure and cultural education, with over 71,000 youth. The dairy activities, with 12,301 youth participating, are at the highest level since 1960.

... about your Social Security

By David Becker, Social Security Branch Manager in West Bend

MEDICARE ENROLLMENT PERIOD BEGINS IN JANUARY

People who failed to sign up for the medical insurance part of Medicare or who once had this protection but dropped it will have a chance to get this protection during the 1984 general enrollment period, January through March, David Becker, Social Security Branch manager in West Bend, said recently

The medical insurance part of Medicare helps pay for doctor bills, outpatient hospital services, and many other medical items and services not covered under hospital insurance.

Protection for people who sign up during the general enrollment period will start July 1. 1984

Medical insurance is financed by premiums paid by those enrolled and the Federal general revenue. Currently the Federal Government pays about three-fourths of the cost.

People who sign up during a general enrollment period may

Steve Bath with his 217 lb., 9-point buck shot in Washington County on November 11, 1983

With the close of the late season bow hunting on December 31st, Village Sport Shop announced the winners in their Big Deer Contest.

First prize, a TSS Tree Stand, went to Steve Bath, Kewaskum, Steve's nine point buck weighed 217 pounds. He shot the deer November 11, 1983, in Washington County.

Boltonville's Jay Petermann's 167 pound, 10-point buck shot November 15th, took second place, winning a Schrade Uncle Henry hunting knife

Bob Ewert, Allenton, took third place with a 156 pound, 9-point buck. He won a Schrade Oldtimer hunting knife. Fourth place was won by Joe Karoses, West Bend, also a nine point buck. His weighed 142½ pounds. Joe won a buck skinner.

Congratulations to all the winners. There were many nice deer entered this year. Thank you to everyone who participated.

Leading Meno. Falls Badgers Rip Lakes Team

The Kewaskum Land o' Lakes team lost their fourth game in five starts when they were defeated by "A" Division leader, Menomonee Falls Badgers, 122-110, at home Sunday night. The Badgers are tied for the lead with Cedarburg, which also won. Both are 5-0.

The Badgers outscored Kewaskum by large margins in the first and third quarters and just the opposite was true in the second and fourth periods when Kewaskum outpointed their opponents by sizable margins. Kewaskum trailed at the half, 55-47.

Bob Wolf of Falls, former Marquette star, took scoring honors for the night with another super performance, scoring 42 points. Teammates Jim Gardner and Jim Reihle both had 18. Kewaskum was paced by Leon Laatsch with 26, Bob Nigh with 20, and Clark Eichstedt and Bill Backhaus, both with 14.

This weekend Kewaskum has a bye in the schedule.

Indians Edge Hartford, Lose to New Holstein

By Dennis Butz

The Kewaskum Indians narrowly defeated the Hartford Orioles of the Little Ten Conference in a non-conference contest at Hartford, 49-48, on Tuesday, Jan. 3.

The Indians got a big comefrom-behind victory when Jim Hanrahan sank his second free throw with four seconds left in the game.

The Orioles managed to jump out to an 14-6 lead in the first quarter on some quick baskets but the Indians' Brian Arndt began to hit, closing the gap at the end of the quarter, to 16-14. Things began to heat up in the second quarter as Oriole ace Dale Claussen chipped in six points, giving Hartford a 30-20 halftime lead.

The Orioles looked as if they were going to bury the Indians by hitting some quick baskets to take a 39-22 lead, but the tide turned as the Indians became aggressive on defensive. Arndt kept on pouring in the points in the quarter as the Indians

outscored the Orioles, 17-8, in the third period.

Tim Leitheiser found Dan Menzel cutting to the basket for a layup that cut the Oriole lead to one at 38-37. The Indians took their first lead of the game as Dennis Butz hit on a tip-in bucket to make it 39-38. The game then see-sawed as neither team led by more than two. The Orioles had two chances at making three points but came up empty on both free throws.

With the score at 48-48, the Indians had one last chance to score as Hanrahan drove the lane and was fouled. After Hanrahan sank his free throw the Orioles made one attempt to score but fell short.

Coach Jim Westphal was pleased with the team's defense as well as their rebounding as the Indians outrebounded the Orioles, 39-27, with Hanrahan, Arndt and Jeff Squier grabbing seven and Butz six.

High scorers for Kewaskum were Arndt with 23 and Hanrahan with 11. Claussen chipped in 17 for Hartford.

NEW HOLSTEIN 66. **KEWASKUM 51**

By John Harju

The Kewaskum Indians boys' basketball team lost to the first place New Holstein Huskies, 66-51, last Friday night in Kewaskum.

The Indians, who are now 1-3 in conference play, came out of the blocks well in the first quarter, but the second quarter proved to be the beginning-ofthe-end for Kewaskum as they were outscored 16-6 by the Huskies, who took a 25-17 halftime lead.

New Holstein's lead at half was due mainly to a fine effort by their 6'7" center, Dan Wilberscheid, who had 10 points in the first half, many of which came from offensive rebounds.

The tempo of the game switched from the patient offensive play of the first half to a physical inside game in the second half with the Indians allowing the Huskies to score many times off second shots as Kewaskum failed to box out the Huskies on the boards.

The physical playing underneath took its toll, as both teams went into the bonus situation late in the third quarter. This made the final quarter a long one as both teams received numerous opportunities at the charity stripe.

got to within Kewaskum seven points after a basket by Jeff Squier with about four minutes left in the game, but this was to no avail as New Holstein had their lead back to 11 points with some inside baskets.

From then on, the Huskies went into a stall game, and Kewaskum was forced to foul in hopes of getting the ball back.

This last effort by Kewaskum fell short, and New Holstein's lead increased.

Brian Arndt led a balanced Indian scoring attack with 14 points. Jim Hanrahan and Dennis Butz followed with 10 points each, and Squier had 9. New Holstein was paced by Wilberscheid with 23 points and Steve Schmitt with 14.

The Indian JV's had better luck as they won their game with the Huskies 68-65. Tim Rohlinger had a fine game and sparked the JV's with 29 points. Bob Yahr followed with 13 and Don Menzel finished with 11.

The freshmen were defeated in their game 59-46. Jesse Mueller and Bruce Troeller led the Indians with 11 and 9 points, respectively.

All three boys team will be back in action Friday, Dec. 13, as they take on Plymouth at Kewaskum. Tuesday the Indians travel to Kiel.

Indian Wrestlers Third In Fond du Lac Invitational

Bob Callison and Brad Dieringer of Kewaskum won titles at the annual Fond du Lac Invitational wrestling meet Saturday

Hamilton Sussex, defending Braveland Conference champions, won the meet by outpointing host Fond du Lac, 1821/2 to 1741/2, thereby ending Fondy's string of 11 straight titles. Although missing two of their regulars, Kewaskum still managed to place third with 124 points. Next came Oshkosh West, Westfield, Cedar Grove. West Bend West and Nicolet.

West Bend West's Greg Prentice was named the most valuable wrestler in the meet. He was the champion in the 155 pound class.

Kewaskum's Callison, who wrestles at 119 pounds, was a 3-0 winner over Joe Nettesheim of Hamilton Sussex in the title match. A junior, Callison now has won two invitationals, at Horicon and Fond du Lac. He is now 12-1-1 for the year with his only loss against Wayne Prahl of Kiel. In the first round Callison pinned an opponent from Westfield in 3:08. The second round had Callison facing Randy Butler of West.

Butler took Callison down but Callison came back to pin Butler.

The Indians' Dieringer scored a 15-1 decision over Al Mondloch of Cedar Grove in the 145-pound championship bout. Dieringer, now 11-1, in order to make the finals, decisioned Jay Garrison of Fond du Lac, 5-1, and then breezed to a 13-0 major decision.

Kewaskum also had three thirds, from Wade Jepson at 112, Tim Landvatter at 138, and Chris Harlow at 185, while Mark Fuller was fourth. Jepson came back to pin the same wrestler he had lost to in the consolation round a year ago. Landvatter lost a tough, 2-2, 2-0 overtime decision to Grant Weir of Westfield in the second round, then came back with a 4-2 win to take third. Harlow started out with a pin over an Oshkosh West opponent, then lost 3-2 against Wayne Lanning of Fond du Lac in the semis. He overpowered Bob Cook of Westfield, 11-1, for third.

Kewaskum also had two fifths from Rick Staehler and Doug

Kewaskum coach John Nell remarked that he was pleased with his team, which did well for a third place finish. He praised Callison and Dieringer for their efforts. He was also happy with the progress of his squad, which has been working hard.

Girls Lose to Mayville In Non-Conference Game

By Denise Leong

The Kewaskum Indians girls' basketball team was defeated again, this time by the Mayville Cardinals at Mayville on Tuesday, January 10, by a score of 65-24, in non-conference action.

In the first quarter, both teams came out strongly and battled to a 7-7 tie. Momentum was high on both sides, and the game showed promise of intense and exciting play.

However, the Cardinals exploded with 12 unanswered points in the second quarter. and led at halftime, 27-13. In the second half, the Indians were never able to stop Mayville's momentum on their high scorer, Heidi Lee, who had 22 points for the night.

In JV action, the Indians lost 49-39. Cheryl Schladweiler and Chris Frantzen led the Indian scoring with 9 points apiece, while Angie Swenson added 6.

The freshmen lost in a close contest, 37-34. Brenda Vetter led the Indians with 8 points.

The girls will be in action again on Thursday, January 12, at Plymouth and Tuesday, January 17, against Kiel in Kewaskum.
