Know why things are always in the last place you look? Because after you find them you stop looking.

Charles Miller, Co. Board Supervisor, Former Village President, Dies

Fitness Center to Open

Charles Miller

Charles F. Miller, 74, a prominent, lifelong resident of Kewaskum, passed away at St. Joseph's Community Hospital, West Bend, on Monday evening, January 23, where he had been a patient for five days, following a stroke he suffered on Friday, January 20, while having lunch at a West Bend restaurant with Washington

county officials.

Mr. Miller had formerly operated an electric appliance store, a photography studio, and sold sporting goods in Kewaskum for many years. He served as Kewaskum Village President for 19 years, from April 13, 1942, to November 8, 1955, and again from April 24, 1973, to April 16, 1979. He also

served as a village trustee from Aug. 4, 1969, to April 24, 1973. He was also the Kewaskum supervisor representing District 10 in the county, while includes all three wards of the Village of Kewaskum and Ward 1 of the Town of Kewaskum, on the Washington County Board for 15 years, serving in that capacity until the time of his death.

He also was a charter member of the AFS and its former president, a member of the Kewaskum Sportsmen's Club, a charter member of the Kewaskum Kiwanis Club, a member of Peace United Church of Christ in Kewaskum and had served on its consistory. He attended Kewaskum High School, Wayland Academy and Lawrence College, and was a member of Sigma Phi Epsilon Fraternity.

On Sunday, Sept. 30, 1979, Mr. Miller was honored by the village at a "Charlie Miller Day" ceremony in the Kewaskum High School gym for his

Father William Mayer Passes On

Retired U.S. Army Colonel (Monsignor) William Mayer, 65, of Fort Bliss, Texas, passed away Monday, Jan. 23. He was a native of Kewaskum.

A complete obituary will be published in next week's issue.

Schleif Appointed T. Auburn Chairman

The Auburn Town Board on Monday, Jan. 9th, appointed Roger Schleif to fill the unexpired term of Chairman Don Stoffel, who has resigned.

Schleif has served as chairman of the township previously.

Indians' Jim Braun Picked for State Shrine Bowl All-Star Game

Jim Braun, who starred for Kewaskum High School last fall has been picked to play in the Eighth Annual Wisconsin Shrine Bowl football game, according to John Dahlk, Madison, Player Director for the game.

Nearly 300 high school seniors were nominated. The selection of the final 80 players was made by Walt Kroll, Marshfield, head coach of the North team and Stan Grove, Sussex, head coach for the South squad.

The game will be played July 21, 1984 at UW-Oshkosh Titan Stadium. It is sponsored by Zor Shrine Temple of Madison and Tripoli Shrine Temple, Milwaukee, in cooperation with the Wisconsin High School Football Coaches Association.

The charity event benefits Shrine hospitals for crippled children and is played under NCAA rules. Last year's game netted \$40,000 for the care of burned and disabled children. The first seven games have produced over \$200,000 for this charity.

The game will be telecast live on TV.

Braun, ace running back of Kewaskum, piled up numerous honors during the recent 1983 season for the Indians' unde-

Jim Braun

feated Eastern Wisconsin Conference football champions and Class A, Division 3, WIAA State Championship playoffs runner-up. The Indians lost to Minocqua Lakeland in the state finals at Madison's Camp Randall stadium after defeating Kewaunee and Reedsburg in the quarter and semifinals.

Braun, 5-11 and 180-pound senior, received honorable mention on the Wisconsin All-State football team selected by the Associated Press and was also chosen to the offensive unit of the All-District VI team selected by the Wisconsin High School Football Coaches' Association.

Jim was the leading ground gainer on the Indians' 11-1 squad. Overall in 12 games he rushed for 1,302 yards. In conference play he rushed for 757 yards in 100 carries for an average of 7.5 in the six games. He scored 10 touchdowns and two extra points for 64 points to win the conference scoring title. He also had a 20.2 punt return average on 12 chances.

Braun was a unanimous first pick and also the coaches' choice for offensive player of the year in the conference. Together with his first team honors he was selected as second team linebacker. He was a dominant figure in the conference. The champion Indians dominated the all-conference team, placing five players on the first team, three on the second and three more were given honorable mention.

The Indians' head coach is Mike Fifrick, who worked hard and was instrumental in his team's and Braun's great success the past season.

Jeff Lorenz of Sheboygan Falls High School (Eastern Wisconsin Conference) was also named to the North Squad for the All-Star Game, while Rich Narges of Campbellsport (Flyway Conference) was selected on the South Squad.

1984-85 School District Budget Discussions Begin

By GERRY MUELLER
Statesman Staff Writer

About thirty-five people were on hand at Monday night's special School Board meeting to witness the first "go-round" between the Administration and Board over the Kewaskum School District's proposed budget for 1984-85.

The preliminary budget, with the price tag of \$5,947,720, is a joint project of Business Manager Baird Stouffer and District Administrator John Long, which includes a 5% overall increase (excluding salaries) and a \$172,100 list of added increases over and above the initial 5% increase.

In making his presentation, Stouffer said he had used the 5% as a starting point in

developing a preliminary budget. Board member Tom Brigham asked Stouffer, "are you saying the 5% is fixed or firm and we can't touch it?" Stouffer replied, "I would like you to consider it, but for now we're just looking for some direction to begin working with." Board member Ralph Horner questioned the 5% figure. "If you have less students, you need less supplies, so in effect you're increasing the budget by more than 5%," Stouffer said, "in total dollars it isn't, but per student it is."

Stouffer told the Board he would like approval of the 5% figure so he could develop a figure which the administrators could take to their teachers and

say, here's how much we can spend and let them work out their requirements accordingly. On a 4-3 vote, the board approved Stouffer's request. Board members Goeden, Dieringer, Brigham and Weare voting for the motion and Ogi, Spoerl and Horner voting "no."

Long then took the floor to explain the "add increases" portion of the proposed budget. His recommendations were made to handle various items which have been pushed off as budget cuts in past years. "Through the years you have always had a minimal budget," said Long. "Now its finally catching up to us, not maintaining our buildings on a regular basis or replacing worn equipment on a set schedule."

Long said he was making the added increase requests so that "instead of going into another trust fund loan five years down the road, these items could be taken care of with money put into the budget just for this purpose."

Long was asked if some of his recommendations weren't already taken care of by the State Trust Fund loan. He said that some items such as roof, heating and plumbing repairs along with some equipment purchases had been done with fund money. But, he asked the Board, what do you use for money next year when there is no longer any fund dollars left and there are other repairs and equipment needs. Long told the Board, "when I came here I told you it would take three years to get the district into the shape it should be in." This is what I'm trying to accomplish.

Once the add increases are placed in the budget, they would remain as a regular part of the budget to handle the routine maintenance and equipment replacements that come up every year. Under his added increases, Long recommended \$50,000 in purchased services for routine maintenance of roofs, heating, plumbing and carpeting, \$6,000 for copier maintenance agreements (which came out of the trust fund this year), \$4,000 to move the Business Office back to the original building (Long felt it has no place within the High School as it is now). Under non-capital objects he recommended \$2,400 for software and \$3,000 for new Iowa Basic Skills tests. Long told the Board, tests being used now were 12 years old and the results are not as accurate compared to those done with a newer copyright. Under capital objects, Long would like to see the following included in the 1984-85 budget: Farmington School furniture \$2,500, a 3/4 ton truck with lift \$4,000, H.S. cafeteria tables \$5,200, KES photocopier \$1,000, Apple Computers \$35,000 (part of this was approved by the Board at its last meeting), Commodore Computers for elementary schools \$7,000, new hand instruments \$5,000, new lawn mower \$8,000, H.S. furniture \$2,500, KES furniture \$2,500, equipment replacement in Industrial Art, Home Ec, Agriculture and Business Education departments \$30,000. "These are things that should be included in your budget all the time," said Long. He also recommended \$2,000 be budgeted to send board members to

national conventions.

Referring to the \$30,000 for equipment replacement in the four high school courses, Board President Jean Goeden asked what had happened to the District's system of routinely replacing old or worn equipment. High School Principal Clark Pearson stated, there had never been a replacement schedule for Industrial Arts or Ag, the replacement rotation for Home Ec had been dropped years ago as a budget cutting measure and the Business Ed equipment was reconditioned or replaced on a severely reduced scale. Teacher Howard Zemlicka said he could vouch for Pearson's statement as far as Industrial Arts was concerned. "Mr. Stradtman and myself have reconditioned many of the machine ourselves. In fact we have a bandsaw in the shop with a date on the flywheel showing it was manufactured in 1928."

Town of Scott Resident Clara Trapp asked Long why Kewaskum has never applied for federal funding. Trapp had brought this same question up last year. She told the board other districts were applying and getting money. She wanted to know why Kewaskum was still missing the boat. Long said he couldn't answer that question. He did tell the Board that because of their bare-bones budgeting over the years, they had lost a considerable amount of state aids. "All the years you were \$300 to \$400 below average on per student spending you were losing 38% in State Aid funds. If we continue to keep our budget down, we will keep on losing the 38% funding which we could get on our budget plus 38% of the added increase I've recommended in this budget tonight."

Fran Charland, KEA president, told the board, just to bring our district up to state average spending only, you would have to increase the budget by \$1,325,000.

Long also presented his preliminary staffing requirements for 1984-85. Because of declining enrollments he recommended shifting of some Middle School personnel to other schools. Other than that, staffing would remain basically the same. He also recommended that because of declining enrollments, sixth graders be moved to the Middle School in self contained classrooms.

Looking ahead to 1985-86, Long recommended the board consider closing Beechwood School. If the Board approved transferring all sixth graders to the Middle School, Beechwood K to 5th grade would then go to Farmington.

A fourth recommendation was the closing of both Beechwood and Wayne Schools in 1985-86. With projected 1985-86 enrollment figures, Farmington, Kewaskum Elementary, the Middle and High Schools would all be at capacity and the District would then be operating four buildings instead of six, reducing operational budget costs.

Mrs. Trapp told the board she had heard a lot of recommendations, but she would like to see it put into dollars and cents so the taxpayers would know just what kind of money they were talking about.

The Board approved polling places for the February 21st primary school board election. They will be Village of Kewaskum, Towns of Farmington,

Wayne, Scott, Barton, Kewaskum and Auburn. Because of the small number of voters in Mitchell and Ashford, they may vote at any of the designated polling places.

Annual 'Round-up' for Parents of Prospective Kindergarten Pupils

This year's annual "round-up" for the parents of all prospective kindergarten pupils in the Kewaskum School District will be held during the day on Monday, February 6th, and Tuesday, February 7th, 1984 from 9:00 a.m. to 12:00 noon, and 1:00 to 3:00 p.m. in the Beechwood, Farmington, Kewaskum, and Wayne school offices. Please register your child at the school in your area on one of the above days. It is not necessary to bring the child while registering.

To be eligible for enrollment in kindergarten, children must have attained their fifth birthday on or before September 1, 1984. Evidence of date of birth, either a birth certificate or a baptismal certificate, must be brought to the office at the time of enrolling.

Parents of bus pupils will need their section number and fire number as well as also fill out bussing forms.

Parents will register their children for next year's term and get the necessary health forms. If you know of any new families in this district, please pass this information on to

them.

Richard E. Zarling, Director of Elementary Education, would like to impress upon you the importance of registering your child on either of these two days so that we may plan for them and know staff requirements for next year.

Local Residents' Great-Grandson, Two Others Killed in Car Accident

An 8-year-old rural Campbellsport boy was killed in a triple-fatality auto collision and five persons were injured Monday afternoon in Marquette County.

The Campbellsport youth, Keith Allan Schmidt, was killed and his father Norbert, 30, is in critical condition at University Hospital, Madison. Robert N. Schmidt, 11, and Tammy Schmidt, 9, were taken to Divine Savior Hospital, Portage.

Two persons in the other vehicle were killed in the head-on crash, Sue E. Spath, 19, and Darlene R. LaRue, 42, both of Oxford.

The accident took place at 2:10 p.m. on Highway 82, 1 1/2 miles east of Oxford.

Marquette County Sheriff Kelly Campion said the highway was closed for 90 minutes to clear the wreckage. The highway was slippery at the time of the accident. It remains under investigation.

Two other passengers in the Schmidt vehicle, Barbara Frederick and Malinda Frederick of Camp Douglas were also taken to the Portage Hospital for treatment.

Spokesman Charles Church at the Portage hospital said Tuesday that Robert Schmidt is in fair condition with a broken leg and facial lacerations; Tammy Schmidt, fair condition with broken leg and some teeth knocked out; Barbara Frederick 36, guarded condition in intensive care with broken bones and internal injuries; and Malinda Frederick, 5, in fair condition with a broken leg and cuts.

The three fatalities are one more than occurred in Marquette County in all of 1983.

Funeral services for Keith Schmidt, 8, of 134 N. Barton Road, Campbellsport, will be held at 2 p.m. Friday at Trinity Lutheran Church, Dundee.

Pastor Anthony Schultz will officiate, and burial will be in the church cemetery. Visitation will be from 3 to 9 p.m. Thursday at Twohig Funeral Home, Campbellsport.

He was born Nov. 2, 1975, at West Bend, to Norbert and Donna Ebert Schmidt. He was a second grader at Campbellsport Public School.

Surviving are his father of Lisbon, Wis.; his mother of Campbellsport; a brother, Robert, and a sister, Tammy, both of Campbellsport.

Other survivors are maternal grandfather, Vilas Ebert of Route 3, Campbellsport; paternal grandparents, Alfred and Florence Schmidt of Campbellsport; and great-grandparents, Mike and Anita Schmidt of Campbellsport and Ferdinand and Lucy Weiland of Kewaskum.

He was preceded in death by his maternal grandmother.

more than 22 years of service not only in village government but also in county affairs as a supervisor. Plaques and praises were presented to Charlie for his fairness, his devotion and his loyalty in serving in so many good projects furthering the advancement of the Village of Kewaskum.

During his tenure as village president, many projects were completed such as the No. 2 well, new municipal building and sewage disposal plant. The 34-acre Kewaskum Kiwanis Community Park, although not completed during his reign as president, was a culmination of six years of fund-raising efforts by Kewaskum officials, residents and civic groups.

Charles F. Miller was born in Kewaskum on June 22, 1909, to the late Edward C. and Jennie Hoenig Miller. On June 26, 1937, he married Mary McCormick in Wild Rose, Wis.

Survivors include his wife and one daughter, Carol Ann (Dr. Richard Ryman) of Cobden, Illinois; two granddaughters; one brother, Dr. E. Allen (Ardis) Miller of Sanibel, Florida; other relatives and friends.

Services for Mr. Miller will be held on Friday evening at 7 p.m. at the Peace UCC Church in Kewaskum with the Rev. Darrell Joiner officiating.

Visitation will be at the church only on Friday from 2 p.m. until the time of services.

Memorials to the Charles Miller Memorial Fund would be appreciated to the Kewaskum Public Library.

Miller's Funeral Home of Kewaskum is in charge of the arrangements.

Recover Stolen Snowmobile

A 1974 Skidoo snowmobile, which had been taken from the parking lot behind Holy Trinity Catholic Church in Kewaskum the night of Jan. 16, has been recovered.

Police Chief Donald Hlavaty reported that Fond du Lac County Sheriff's officials located the snowmobile Sunday at 1:45 p.m. on Creek View Road, south of County F.

A snowmobiler found it evidently," Hlavaty said, explaining, "It looks like it was dumped off a truck." The machine, valued at approximately \$400, was all stripped down, Hlavaty said.

Hlavaty explained that the snowmobile had been taken sometime between 6:30 and 8 p.m. on the 16th after Brenda Oelhafen, an 8th grade student at Kewaskum Middle School, had parked it in the lot while attending religious education class. Her brother, Brian, also drove his snowmobile to attend the class. When they came out Brenda's snowmobile was gone. She had left the key in the snowmobile, police said.

Area Couple Buys Liquor Store, Property

Sheri and James Dricken, 7655 Town Hall Rd., Kewaskum, have purchased the Jul Kuhn property at 432 N. Main St., which includes Kuhn's Drive In & Wine Shop. The sale will be completed around Feb. 6, according to Sheri Dricken.

The Kuhn family will continue to operate their Decorah Liquor store at 825 S. Main St. Kuhn said the decision to sell was made because "we just think we can handle one store better."

Besides the store, the property includes other buildings and a house.

Dricken said they would open their own liquor store, Sheri's Wine & Spirits, and that they plan to conduct "major remodeling" of the store in the summer.

"We plan to go a little more into the wine field," she said.

New Hours for Public Library

Beginning February 3, the Kewaskum library will be open 12 noon to 6 p.m. every Friday.

Library hours will be - Mon., 2 p.m. to 8 p.m.; Wed., 12 noon to 8 p.m.; Fri., 12 noon to 6 p.m.; Sat., 9 a.m. to 12 noon.

Cooperative Efforts Aimed at Solving Village Snowmobile Problems

Kewaskum Statesman, Friday, Jan. 27, 1984, Page 5

Some of the crowd at the Snowmobilers' meeting held at Amerahn. At the speaker's table, left to right, are Bob Staehler, Chairman of the Governor's Snowmobile Recreation Council; Howard Laubenstein, Village Trustee, Chairman of Protection and Public Safety Committee, and Don Hlavaty, Kewaskum Police Chief.

By GERRY MUELLER
Statesman Staff Writer

Representatives of the Kewaskum Village Board, Police Department and local snowmobile club joined together in a joint move to inform area snowmobilers of problems regarding travel on village streets and the proposed steps aimed at eliminating those situations.

Bob Staehler, a member of the Kewaskum Sno-Chiefs, opened the public meeting held Thursday night by telling the group, to his shock, problems do exist as brought up by Police Chief Donald Hlavaty at the last Village Board meeting.

Staehler told approximately fifty people attending the meeting, for over twelve years there has been a verbal gentlemen's agreement with the village which allowed resident snowmobilers to cross streets, going from one private property to another to exit the village and get on to the trails. "This privilege was given to go out to the trails and back," stated Staehler, "not to ride all over town." This privilege was not meant to allow outsiders to come into town and visit their friends. "If you want to meet your friends," he said, "do it on the trail outside of town." We now have a lot of unnecessary problems caused by a few people who are abusing that privilege. We have some who are abusing it up to twenty-five times a day. Staehler told his listeners, there were flagrant

violations of both state laws and the village's ordinances. These are things which I have witnessed personally, noted Staehler, not just instances reported by the police.

Staehler said that those who were causing the greatest problems were not at the meeting. "For those people who are not here tonight, they will soon learn there will be some drastic measures taken," said Staehler. He told the meeting the police and village would have his club's full cooperation in working to eliminate any further problems in the village.

The speed limit is 10 miles per hour not 25, and you are to cross the street at a 90 degree angle. There is to be no riding of snowmobiles on any street or plowed surface maintained by the village, stressed Staehler. Hlavaty said the only exception would be to travel around the guywires at the Highway 45 crossing on the south side of the village. He backed Staehler's comments and re-emphasized, the speed limit is 10 mph anywhere you go in the village including riding the river and tickets will be issued to violators. Hlavaty also informed the meeting that snowmobiling within the village limits was prohibited between 11:00 p.m. and 8:00 a.m., even if you are on the access trail. He stated that fines start at \$38.00 and go up. "We're going to get tough and get the deadheads off the streets," stated Hlavaty.

Staehler said the biggest problem was coming from Middle School, High School and a little older youths. "We know who they are and they're going to be arrested," said Staehler. He said some of these young people had already been stopped and received warnings. What these youngsters are telling their parents and what actually happened is quite different, he noted. The real explaining will begin when the parents have to start paying their fines.

Staehler told his audience, if the cooperative efforts of his club, the village, and the police don't clear up the situation he would personally take harsher steps. Staehler, who is Chairman of the Governor's State Snowmobile Recreation Council, said "with the cooperation from state law enforcement I can bring in enough help to make sure this stops." If you know of people who are breaking the law, warn them or get a hold of myself or the chief. "The time is coming when they're going to get it," said Staehler.

Staehler concluded his comments by saying it was a few who are spoiling it for everyone. It has taken many years of hard work on the part of many law abiding snowmobilers to accomplish what the sport has and it could all be lost because of the careless acts of these thoughtless individuals.

Howard Laubenstein, Chairman of the Village Board's

Protection and Public Safety Committee, said he had met with representatives of the snowmobile club and he would present their joint recommendations to the board at its next meeting February 6th. I think we've worked out a satisfactory solution to all the problems including the crossing of streets to get people out on to the trails, he noted.

Laubenstein was upset by an article which had appeared in the West Bend News earlier in the week. "The article was not entirely accurate," said Laubenstein, "I did not say certain streets were designated as routes, only places where you could 'cross' to get to trails." A route designation means snowmobiles are allowed to travel on the street, and no streets have been approved for snowmobile use. The recommendation to be made will only allow snowmobilers to cross from one side of the street to the other from consenting properties to get to the trail.

At the end of the meeting one snowmobiler summed it up in one sentence, "the whole ball of wax is common sense."

Miller's staff at markets and seminars such as these enable Miller's to keep up with the newest trends and ideas. It also gives them the opportunity to take advantage of special promotions and thus pass these savings on to their customers.

Miller's is, and always has been, a full service store. All merchandise is unpacked and carefully inspected before it is delivered free to the customer's home and placed precisely as the customer wants it in his or her room. Dependable since 1910 and continuing to the future, that's Miller's Furniture in Kewaskum.

Assault Charges Against Fifth Man Dropped

First degree sexual assault charges were dismissed this week against a fifth Washington County man accused of assaulting a Hartford woman in March of 1983.

Charges were dropped against Mark W. Kramer, 23, of 4203 Hacker Dr., West Bend. The dismissal follows similar action against four other Washington County men in December after the alleged victim said she would not testify in the case.

Ozaukee County Circuit Judge Warren A. Grady, who was to hear the case, signed a written stipulation between Washington County District Attorney David C. Resheske and Public Defender Kenneth Guy. The charges were dropped without a court hearing.

The five had been accused of assaulting a 20-year-old woman in a Town of Wayne farmhouse over a four-hour period March 23, 1983.

Kramer had been scheduled to undergo a separate trial.

First degree sexual assault charges were dismissed Dec. 20 against Peter S. Gumm, 23, of 7657 Neno Road, Allenton; Kenneth P. Dippel, 22, of 7449 County D; Brian P. Peterson, 20, of West Bend; and Nickie J. Fuchs, 25, of 8668 Sandy Ridge Rd., Kewaskum.

Millers Attend Furnishings Market

The Winter Home Furnishings Market was held in Dallas, Texas, from January 15 to 18. Ed Miller, owner of Miller's Fine Furniture in Kewaskum, and his wife Sharron, have attended this market for the past few years to view the newest in furniture styles and colors.

This year Miller's was also represented by two decorators at the Dallas market, Mary Ellen McElhatton and Joan Dean. The decorators attended a seminar, "The Color Connection in Interiors." They also saw many new and interesting ways to coordinate furniture and assisted with the buying of furniture, lamps, accessories and wall decor.

Fred Miller attended the Chicago Carpet Show earlier in January to view the newest trends in carpet.

Regal's Top Awards Go to Texas Pair

Kewaskum Statesman, Friday, Jan. 27, 1984, Page 7

Mike Moore

Robert Hillary

Mike Moore has been named 1983 Manager of the Year by Regal Ware, Inc. Moore received the company's top award for field sales management at its annual sales meeting held recently in Arizona.

Moore, an 18-year company veteran, was recognized for his management expertise in addition to his personal selling excellence. This is the fourth time Moore received this coveted award. In 1973 he was named Salesperson of the Year. He is also a 15-time member of the Regal 100 Club.

Moore heads the Dallas sales office and supervises all sales activities in the Southwestern Field. He is a resident of Irving,

Texas.

At the same time, Robert "Skip" Hillary was named 1983 Salesperson of the Year by Regal Ware, Inc. This is the

company's top award for personal sales and is bestowed at the annual sales meeting.

Hillary joined Regal in 1973 and has sold the company's

products in Colorado, Kansas and Oklahoma before moving to the northern Texas territory in 1981, where he is currently District Sales Manager. He is an 8-time member of the Regal 100 Club and was named to the prestigious Court of Honor in 1975 and 1976.

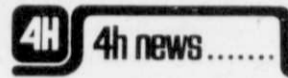

Hillary and his wife, Vicki, are also Irving residents.

read and accepted.

Popcorn and Pizza sales were discussed. Popcorn money should be turned in. There is still some popcorn to be sold. A rollerskating party was discussed for a February activity. The Poster and Speaking contest will be March 20th. This year's theme is "Safety." We decided to do a two act skit for the Drama Festival.

The Dobney, Sauter, and McKee families are asked to bring treats for next month's meeting. The meeting was adjourned.

Barry: "Nine times in one mile."

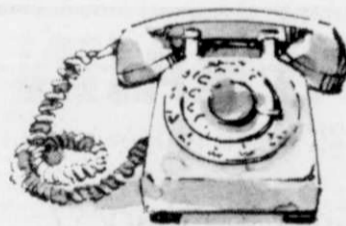

IRA* QUESTION #2

*(Individual Retirement Account)

With all the high-interest money market accounts now available... why should I consider an IRA?

In three words... Income Tax Shelter! Yes, there are many good, short-term investment savings plans now available that earn high interest. The difference is that these new accounts are not tax deductible. Your IRA savings are! Plus the high interest you earn with your IRA is also tax exempt until you start withdrawing your funds at retirement!

You don't have to be a financial wizard to understand the advantages of an Individual Retirement Account. But it does help to talk to a VALLEY BANK IRA professional. An informal chat can help you decide if an IRA is a sound choice for your personal income plans.

"Hello, Valley Bank!"

The answer is simple.

ABNORMAL BABIES

British doctors questioned 103 women whose babies were born with defects of brain or spine. These women had diets deficient in protein and vitamins by excess reliance on potato chips, pastries, doughnuts, sugary soft drinks, while neglecting meat, dairy products, vegetables and fruit, all of which are especially necessary during pregnancy. With a balanced diet, all but 3 of the 103 women gave birth to normal babies in their next pregnancies. The women who failed to correct their diets had abnormal babies again.

Cub and Scout Leader Roundtables Feb. 2

Glacier Edge District 11, of the Bay-Lakes Council of the Boy Scouts of America, will hold their monthly Roundtables for Boy Scout Leaders, Cub Scout Leaders and their Committee Members, Thursday, February 2, from 7:30 - 9:30 p.m., at John Long Middle School, corner of Fifth and Hickory Streets, Grafton.

Norm Peterson, Scout Roundtable Commissioner, and the Boy Scout Leaders will investigate resources for Merit Badges and future programs. Participants will be taught the ancient art of animal tracking, which will be one of the events at the Klondike Derby.

The Cub Leader Roundtable will revolve around two themes, "Wheels, Wings & Rudders" and "Fun In The Sun." Packs should bring items for traveling adventures and toy projects that move. Summer games and outings, as well as Valentine's Day and St. Patrick's Day ideas will also be shared. A Valentine craft will be made in the Den Leader session under the direction of Terri Johann and Bev Parker.

Bob Schoenhaar will stage a Blue & Gold Advancement Ceremony, and will cover Insignia Control for Cubmasters and Committee Members.

In Jim Parker's session for Webelos Leaders, Plans will be constructed for the Engineer Activity Badge.

Members of the Order of the Arrow of the Awase Lodge will gather for their bi-monthly meeting at the school.

Poster Contest to Draw Wintery Entries

The Milwaukee County Zoo invites youth in grades second through fifth to enter the "Your Zoo In Winter" poster contest.

Youngsters may demonstrate their creativity by submitting a poster with "Your Zoo In Winter" theme. Here are the rules:

Poster entries must be at least 14" x 16" and no larger than 22" x 28". Entrant's name, grade, address and phone number must be written clearly on the back of the poster. The deadline is February 6.

Posters will be judged on neatness, design and appropriateness to theme. Winners will be notified by telephone on February 8.

Prizes will be awarded to winners in each grade category. All entries will be on display throughout the Zoo from February 8 to February 29.

Entries may be mailed or dropped off at the Zoo. For more information, contact the Zoo's Education Department at 771-3040, extension 155.

An English nobleman was traveling in America, and in one home he visited the little five-year-old daughter was impressed by the great respect shown him. At dinner, her eyes popped when her parents asked, "Do you care for more meat, my lord?" Later, seeing the guest eye the relish plate, the little girl nudged her mother and announced, "Mama, God wants some more pickles."

New Class for Small Business Owner/Operator

"Managing a New Small Business" is the topic for a workshop sponsored by U.W. Extension in Ozaukee and Washington Counties. It has been designed for those people who have recently assumed the manager's role or for those who have just started a new business in the last year.

It will start January 31 and operate for five weeks from 7 to 9:30 p.m. each Tuesday evening at the University of Wisconsin-Washington County Campus in West Bend.

Included in the discussions will be items like "the legal aspects of business," "marketing research," "estimating cash flow," "determining the business records," and other topics pertinent to the success of the small business. As a result of this workshop, each participant can expect to devise a business plan for that particular business.

George Prescott, Owner/manager of the Westfair Shop Rite in West Bend will give leadership to this workshop. Prescott has been in food merchandising since 1969 and presently supervises over 275 employees. He is a Director of the West Bend Marine Bank and the West Bend Mutual Insurance Company. He continues to be active in many community service organizations.

For more information on registration, call Chuck Wise at 338-5204. Fee for the workshop is \$54.00 per person and includes a special workbook for the participant.

Volunteers Needed

The need of volunteers at the Samaritan Home, West Bend, are many and varied. Some of these needs are being met by individual volunteers, groups, and the Samaritan Auxiliary.

If you are interested in becoming a member of the auxiliary, please contact the volunteer services at the Samaritan Home, or attend the next meeting on any Tuesday from 9-12 at the Samaritan. This groups activities include sewing, mending, craft pro-

jects, fund raising and assisting with some of the activities at the Samaritan. For further information call: Caroline Birr, Volunteer Coordinator, at 338-4500, or Eleanor Krueger, Auxiliary President, at 334-4592.

Conference for Working Moms Set

The conflicts and problems faced by mothers who work out of the home will be the basis for a special one evening conference entitled, "The Juggling Act," sponsored by the U.W. Extension in Southeastern Wisconsin.

Scheduled to run from 6:30 to 9:30 p.m. on February 7 at UW-Parkside, on February 21 at UWWC Campus in West Bend and on February 28 at the Expo Center in Waukesha, this conference will offer women in the workplace as well as homemakers an opportunity to participate in a choice of workshops. Subjects of the workshops include: Reducing guilt by increasing creative, quality time with the family; teaching children good spending and saving habits; and cooking, cleaning and organizing advice which will minimize efforts and maximize results.

A keynote speaker, choice of two workshops, materials, refreshments and instruction by the professional extension home economists from Southeastern Wisconsin are all included in the \$5.00 fee. There is a \$1.00 discount for early registration if the form is received at least one week prior to the attended conference.

For more information, contact Shelby Maier, Extension Home Economist, P.O. Box 537, West Bend 53095 or phone 338-4479; 644-5204 or 342-2929.

Schedule Cub Scout Winterfest Feb. 11

Members of Glacier Edge District 11, of the Bay-Lakes Council of the Boy Scouts of America, from Ozaukee and Washington County Counties will hold their annual Cub Winterfest, Saturday, February 11, at Glacier Hills Park, corner of Highway 167 and Friess Lake Road, Hartford.

Packs may attend either the morning session, 9 - 12; or the afternoon session, 1 - 4. Fifteen events are scheduled and prizes will be awarded in each age group. A snack of hot chocolate or coffee and cookies will be served, and all participants will receive a Winterfest Patch. Everyone is advised to wear warm clothes, boots and mittens.

The cost for Cubs is \$2.00 each, and adults \$1.00 each. One adult for each 5 Cubs is required. A Pack registration deposit of \$10.00 must be submitted and will be applied to the total registration cost for each Pack.

James Parker and James Winget are co-chairman of the event.

JAPANESE AND SOUTH DAKOTA CULTURAL 4-H EXCHANGE

Would you like to have a Japanese brother or sister this summer? Well, you can. After several years of the program in other parts of Wisconsin, Southeast counties this year will be host to the Labo program.

Labo is a program in Japan in which young people go to visit families in another country on a cultural exchange. Usually 12-16 year old youth would live with a host family for three or four weeks. They want to be friends and learn how we live. They want to be a part of the family, helping with chores and doing everything with the family. Even before they come there would be letter writing. From experience from past years, great friendships are made so that families keep in

touch with each other even after the exchange.

Another exchange is the South Dakota exchange for High School age 4-H members. Davison County, which includes Mitchell, South Dakota, is planning to visit Washington County. Several of our high school age members went there in 1982 and this would be the return exchange. This exchange would be for about 5 days. Some countywide activities might be planned, but the main object is to get to know the family.

If your family is interested in either the Japanese or the South Dakota exchange, get a host family application blank from the 4-H office. Applications are due February 1.

ADULT ADVISORS FOR OUT OF COUNTY TRIPS

Adult leaders or parents are selected each year for the opportunity to attend county, state or national events as adult advisors. Last year Mary Ann Hupfer of West Bend accompanied the State 4-H Congress delegation to

Two brothers, Walter and Wilmer, predeceased.

Funeral services were held Friday, January 20, at 8:15 p.m. from the Matenaer Funeral Home, Hartford, to St. Kilian's Church, for Mass of Christian Burial at 8:30 p.m. Rev. Robert Braun officiated, and burial was Saturday morning in the church cemetery.

JOSEPH J. BINGEN

Joseph J. Bingen, 89, of 6824 Ohio Road, Allenton, died Monday, January 23, at his residence.

He was born June 9, 1894, in Allenton, where he grew up.

After his marriage to Caroline Wolf at SS Peter and Paul Church, Nenno, November 5, 1919, they settled on a farm in the Town of Addison, where he farmed his entire life.

Survivors include his wife; six children, Richard (Margaret) of Hartford, Verena (Joe) Weiss of Fredonia, Harvey (Jeanette) and Walter (Betty), both of West Bend, Dolores (Lawrence) Weiss of St. Anthony and Edgar of Allenton; 25 grandchildren; 33 great-grandchildren; one brother, Connie (Elvie) of West Bend; two sisters, Elizabeth Felten of Kewaskum and Loretta Bingen of Allenton, and other relatives and friends.

He was preceded in death by a grandchild, one great-grandchild, three brothers and three sisters.

He was a member of St. Anthony's Parish and the St. Anthony Society.

Funeral services were Thursday, January 26, at 9:45 a.m. at the Schmidt Funeral Home, West Bend, with Mass of Christian Burial at 10:30 a.m. at St. Anthony's Church, St. Anthony. Fr. Donald Braun was the celebrant, and burial was in the parish cemetery.

Visitation at the funeral home was Wednesday, January 25, after 4 p.m., with a prayer vigil at 8 p.m.

County ASCS Office Announces Election Results

Merlin Prost, Town of Barton farmer, was elected to the Washington County Committee by delegates to the county ASCS convention. He will replace A. John Cleary whose third three year term expired in 1983.

Elected chairperson again was Hilbert Scheunemann of the Newburg area who is now serving his third term on the committee. The other incumbent, Allen Peil, was elected vice chairperson and is beginning his second year on the committee. Delegates to the county committee elected were Ralph Kohl of the Richfield area and Maurice Strupp of the Slinger area.

Delegates to the convention consist of the community committee members elected through a mail election. Washington County is divided in six communities. Persons elected are listed in order of chairperson, vice chairperson, member, first alternate and second alternate: Addison -

Wayne, Roman Hartmann, Arthur Terlinden, Howard Proeber, Sylvester Goeller and Andrew Bonlender; Erin - Hartford, Larry Lepien, James Berger, Maurice Strupp, Dennis Gehring, and Maurice Endres; Germantown - Richfield, Ralph Kohl, Paul Roskopf, William Hennes, James Stuetgen and Carlton Martin; Jackson-Polk, Louis Schuenemann, Gerald Rogge, Earl Schilling, William Hartwig and William Mechenich; Farmington - Trenton, Andrew Fechter, Kenneth Ramthun, Thomas G. Wiedmeyer, Ralph Matenaer and John Staehler; Barton - Kewaskum - West Bend, Merlin Prost, Gerald Stoffel, Nathan Nigh, Roger Neumann and William Wessing.

ASCS Schedules Annual Signup for Conservation Program

Requests for cost-sharing under the ACP (Agriculture Conservation Program) are being taken thru January 31st at the Washington County ASCS Office according to Hilbert Scheunemann, Chairperson of the ASC committee. Cost-sharing rates vary from 40% to 75% of the actual costs which the farmer bears.

Practices include establishing and improving a cover of legumes and grass, strip-cropping, terraces, diversions, contour farming, no-till systems, water control structures, stream protection, sod waterways, animal waste controls, tree planting and timber stand improvement.

Farmers may sign up for one or more practices under the annual program. Requests for LTA's (Long Term Agreements) are also being offered. This is a complete plan whereby all practices needed are covered under an agreement for three or more years.

Special project funds are also offered for establishing a permanent cover on land set aside in the Feed Grains and Wheat programs. Cost-sharing for seeding and fertilizer are offered on highly erodible soils to establish a permanent legume and grass cover. A second special practice is for planting trees.

REMEMBER: GIVING NEVER TASTED BETTER!

I'D LIKE TO TALK TO YOU ABOUT A VISITOR YOU'RE GOING TO GET IN THE VERY NEAR FUTURE. ONE OF THESE DAYS A LITTLE GIRL IS GOING TO KNOCK ON YOUR DOOR. SHE'LL BE A GIRL SCOUT AND YOU GUESSED IT, SHE'LL ASK YOU TO BUY GIRL SCOUT COOKIES. AND BECAUSE SHE'S A NEIGHBOR AND BECAUSE YOU DON'T WANT TO DISAPPOINT HER, YOU'LL BUY SOME. AND IF YOU HAPPEN TO THINK BACK TO LAST YEAR, YOU'LL REMEMBER THEY WERE SURPRISINGLY GOOD COOKIES, SO, MAYBE YOU'LL BUY SOME MORE. WELL, AS YOU'RE ABOUT TO ORDER THOSE CHOCOLATE THIN MINTS OR PEANUT BUTTER SANDWICHES, CONSIDER THIS; THOSE BOXES OF COOKIES THAT YOU BUY FROM THAT LITTLE GIRL ARE THE BIGGEST SINGLE SOURCE OF INCOME FOR THE GIRL SCOUTS. THE COOKIES HELP PAY FOR ALL THE WONDERFUL THINGS THE GIRL SCOUTS DO. BELIEVE IT OR NOT, WITHOUT THOSE COOKIES, THE GIRL SCOUTS JUST WOULDN'T BE THE GIRL SCOUTS AS WE'VE COME TO KNOW THEM. SO, WHEN THAT LITTLE GIRL FROM DOWN THE STREET COMES KNOCKING, THINK ABOUT WHAT THOSE COOKIES MEAN. YOU'LL FIND GIVING NEVER TASTED BETTER.

West Bend Savings Promotes Clemens, Echard

West Bend Savings and Loan Association's Board of Directors recently announced the promotions of Lorna L. Clemens and Sandra J. Echard.

LORNA L. CLEMENS has been promoted to assistant vice president and named assistant manager of the association's mortgage loan department.

Clemens joined the association in December, 1978 as a management trainee and administrative assistant. She was promoted to a loan officer in 1981. In her new position she will be responsible for coordinating the overall loan operations of the association and its affiliates, and assist with the supervision of the association's loan officers.

Clemens is a 1978 graduate of the University of Wisconsin where she received a BBA Degree in Finance. Lorna and husband, Gary reside at 676 Tamarack Drive, West Bend.

SANDRA J. ECHARD was named assistant branch manager of the association's Germantown Office.

Echard was on the staff at the Germantown Office from May, 1974 through September, 1979. She rejoined the association in August of 1983 as chief administrative clerk.

Sandra, husband Denis, and her two children, Aaron and Carrie, reside at N94 W23590 Hermitage Drive, Colgate.

... about your Social Security

By David Becker, Social Security Branch Manager in West Bend

1984 EARNINGS BASE UP TO \$37,800

The annual earning base—the maximum amount of annual earnings that counts for Social Security—will increase to \$37,800 in 1984, up from \$35,700 the 1983 base, David Becker, Social Security branch manager in West Bend, said recently.

The increase is based on the charge in average earning levels from 1982 to 1983.

The effective Social Security tax rate for employees will be the same in 1984 as it was for 1983, 6.7 percent. This is true although the tax rate for employers will be 7.0 percent, Becker said. The reason is that 1983 legislation which raised the tax rates gave employees a .3 percent credit, given when the tax is deducted from earnings.

The end result is that a person who has the same earnings in 1984 as in 1983 will pay the same Social Security tax.

Other Social Security figures will increase in 1984 also. The annual exempt amount used in the annual earnings test will increase to \$6,960 for people

65-70 and to \$5,160 for people under 65 all of 1984. The 1983 figures are \$6,600 and \$4,920.

The earnings test is the measure used by Social Security to determine whether a person will receive benefits during the year. A person whose annual earnings do not exceed the annual exempt amount will receive all benefits for the year.

A person whose earnings exceed the annual exempt amount will have \$1 in benefits withheld for each \$2 of earnings over the exempt amount.

The amount of annual earnings required for a person to earn one quarter of coverage, the measure of Social Security work credit, will increase to \$390 in 1984, up from the 1983 figure of \$370. A person will earn four quarters of coverage, the maximum possible, if his or her annual earnings amount to \$1,560 or more.

More information about Social Security taxes and benefits can be obtained at any Social Security office. The telephone number is 1-800-242-9946.

McCallum Favors Bill Requiring Caboose On Trains, Adopted by Kewaskum Board

State Senator Scott McCallum (R-Fond du Lac) has expressed his support for Assembly Bill 809 which would require the use of cabooses on trains.

"AB 809 is a measure designed to ensure safety on Wisconsin's railways," said McCallum. "For this reason, I have gladly co-authored the bill."

Senator McCallum, referring to a recently received resolution adopted by the Kewaskum Village Board, indicated that "there is a great deal of local support for the measure, especially since the Soo Railroad operates in much of the eighteenth Senate District."

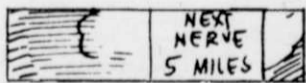

The Fond du Lac lawmaker noted that current law does not require a railroad to provide a caboose as the rear car of a train. AB 809 would change this by requiring railroads to attach a caboose to any train greater than 1,500 feet in length. Passenger trains, however, would be exempt.

"Railroad employees have expressed the need for cabooses as a safety measure to prevent fires," said McCallum. "As a train moves along, sparks may be emitted which could start a fire near the track. Having men in cabooses allows these spark-ignited fires to be detected early. They can then be put out quickly, saving thousands of acres of Wisconsin land from destruction."

SCHAUMBURG, ILL.... Robert Troeller, Rubicon; Michael Lehman, Randolph; Hans Fuelleman, Randolph; Randy Marquardt, Kewaskum; Jim Weber, Hartford; Richard Grulke, Mayville, and Joanne Graper, Beaver Dam, attended the Junior Cooperator's Leadership Development Program in Delavan, Wis. this past month. Over 80 high school students from four Midwestern states attended the three day conference sponsored by the Mid-States Region AMPI Women.

was to educate our future dairymen," says Ardath DeWall, President of the AMPI Mid-States Women. The Junior Cooperators from Illinois, Indiana, Kentucky and Wisconsin had the opportunity to learn about AMPI, the function of cooperatives in agriculture and the importance of promoting and marketing dairy products. The young dairy leaders attended sessions covering milk marketing, milk quality standards, the cooperatives' place in today's economy and

the increasing need for promotion. Displays were setup depicting the many career options available in the field of agriculture. And guest speakers addressed the issues of advertising and the status of the dairy industry. "We hope that the young people attending the conference left with a better understanding of how the dairy industry functions. And, how in the future, they can be involved in the industry whether in farming or another career," DeWall says.

Cedar Lake Home Campus Offers Sessions In Caring for People with Alzheimer's Disease

Caring for someone who has Alzheimer's Disease or is confused and forgetful can be an overwhelming responsibility at times. Cedar Lake Home Campus is sponsoring a five session series designed for caretakers beginning February 1, 1984. "People Helping People" is expressly for those who care for or who know a victim of this disease which causes forgetfulness and confusion. This program will provide participants with opportunities for family counseling and educational experiences. It will help increase family understanding and provide skills in coping with the physical, spiritual, and psychological needs of the elderly or handicapped in their care. Here's what this helpful course will review:

- *The process of Alzheimer's Disease and related disorders.
- *Techniques for developing and maintaining independence in activities of daily living.
- *Approaches for dealing positively with problem behaviors, wandering, suspicion,

and belligerence. *Community resource availability. *The importance of financial and legal planning. *Time for sharing personal experiences in caring for a loved one with Alzheimer's Disease. This series will be held at the Cedar Lake Home Campus Learning Center, 5595 Hwy. Z, West Bend (414) 334-9487 or (Milwaukee 276-4370) from 1:00 p.m. to 3:00 p.m. on Wednesdays, February 1, 8, 15, 22, and 29, 1984. There is no charge for the series. On a limited basis, supervised socialization will be provided for an afflicted family member. Those wishing to bring someone along must make special arrangements when calling or writing to register. People Helping People is being made possible with a grant from the Council on Health and Welfare of the Wisconsin Conference of The United Church of Christ.

The worst snowstorm in several years hit this area and Wisconsin on Tuesday night and all day Wednesday when from 7 to 10 inches of snow fell and high winds piled up huge drifts. The storm ended Wednesday night and was followed by more sub-zero weather Thursday morning as residents began digging themselves out.

The Andrae estate property adjoining the Holy Trinity parish grounds on the east side of the parking lot at the rear of the church was recently purchased by the congregation with the understanding that the buildings on the property will be removed. Along with this purchase, the parish now owns the properties housing the rectory, church, old and new schools, parking lot and several acres of playground on the south side of Prospect Avenue.

It's not every high school that can boast of three pairs of twins. But the institution here at Kewaskum points with pride to their phenomenal "brother-and-sister act." The twins are Beulah and Bernice Buddenhagen, Orlin and Orville Reysen and Eleanor and Elaine Schleif. The Buddenhagen twins, both seniors in the school are daughters of Mr. and Mrs. Arthur Buddenhagen of the Town of Barton. The Schleif twins, sophomores, are daughters of Mr. and Mrs. Fred Schleif of Kewaskum, and the Reysen twins, freshmen, are children of Mr. and Mrs. Henry Reysen of Beechwood. The Buddenhagen and Schleif twins are cousins.

According to a Madison AP dispatch which appeared in various state newspapers on January 20th, the game farm at Moon Lake is to be continued as a pheasant and Hungarian partridge egg distributing plant.

A very large crowd attended the Bink's circus in Frank-

Wietor's hall in Wayne Wednesday evening. The circus has been showing since last Thursday. The puffed rice contest and most popular lady winners were announced. The rice contest was won by Mrs. George Kibbel Jr. and the most popular lady was Miss Lorraine Boegel of St. Bridgets. Other contests on various evenings were as follows: Nail hammering contest won by Mrs. Knoeck of Barton; pie eating contest was won by Sylvester Volm of St. Bridgets; rag chewing contest was won by Cyril Wietor. Shirley Werner was the winner in the gum contest. Everybody reports this as being one of the best medicine shows Wayne has ever had.

75 Years Ago

January 23, 1909

Two masked men attempted to hold up John Hawig in the Town of Wayne last Sunday evening. Mr. Hawig had gone out to do his chores about 5 o'clock and as he entered the barn two men sprang in front of him, one pointing a revolver at him and commanding him to give up \$500 which they said he had. Instead of obeying orders Mr. Hawig went at them and did them up so bad they took to their heels.

At the annual meeting held by the Kewaskum Fire Department last Monday evening the following officers were elected: Chief, N.J. Mertes; assistant chief, F.E. Colvin; secretary, Edward Miller; treasurer, Charles Groeschel.

Charles Backhaus is making

arrangements to build a new addition to his barn. He will also build a silo of cement blocks.

William Colvin bought two lots from Hannah Casey, located south of Joseph Miller's property on Prospect Avenue, for \$400.

A new bell has been hung in the dome of the school house at Boltonville.

A baby girl arrived Tuesday morning to brighten the home of William Foerster and wife of Wayne.

IN MEMORY

In loving memory of my husband and our father and grandfather, Wilmer Kudek, who passed away four years ago, Feb. 1, 1980:

Loving memories never die
As years roll on, and days pass by
Deep in our hearts a memory is kept
Of one we loved and will never forget.

Sadly missed by the family.

IN MEMORY

In loving memory of our dear mother, mother-in-law, grandmother and great-grandmother, Selma (Sally) Backhaus, who passed away one year ago, January 29, 1983:

This month comes to us with deep regret, It brings a day we will never forget,

Her memory still is very dear, So many times she seems so near.

No longer here our lives to share, But in our hearts she is always here,

We miss her more each passing year, Someday we'll meet where there are no tears.

Sadly missed by the family.

Showtime for Lee Schmidt

EASTERN WISCONSIN stock car driver Lee Schmidt of Kewaskum showed off his new modified at the International Championship Custom Auto Show, which was held January 13-15 at Wisconsin State Fair Park, West Allis. The car was one of several types of racing cars on display. Schmidt plans to campaign it this season at the Sheboygan County Fairgrounds, Plymouth.

State Mails \$38.3 Million in Transportation Aid Checks

The Wisconsin Department of Transportation has mailed checks totaling \$38,287,691.98 to counties, towns, villages and cities throughout the state for the January 1984 quarterly payments of shared transportation aids.

The basic payments included \$8.5 million to 1,268 town governments, \$2.3 million to 393 villages, \$16.2 million to 188 cities and \$11.2 million to Wisconsin's 72 counties. An additional \$1.8 million in connecting highway aids was distributed to 119 of those communities to pay the cost of maintaining portions of state trunk highways within urban areas.

The quarterly transportation aids payments help local units of government pay the cost of building and maintaining county and local roads, streets

and bridges. Over a year's time, approximately 31 percent of state motor vehicle and fuel taxes are returned to local governments in these two forms of transportation aids for local road and bridge expenditures. In fact, coupled with several other forms of state transportation aids, more than 43% of state transportation revenues are returned to local governments in Wisconsin.

The January 1984 payment is slightly higher than the October 1983 payment of \$37.1 million, reflecting an increased overall appropriation for the fiscal 1984 budget and the fact that quarterly aids payments are adjusted on a calendar year basis.

Payments to all Washington County communities are listed in the following chart:

Hunter Safety Course to Begin

The Campbellsport Sportsmen Club will start a Hunter Safety Course on Wednesday, Feb. 24, at 6:30 p.m. The course will run on Wednesday nights for seven weeks from 6:30 to 8:30 p.m. Meetings will be held at the Campbellsport Sportsmen's Club Clubhouse at R.3, Campbellsport.

To register for the course call Ken Stuart 533-8470, Rick Heisler 533-4955, or Bill Prost 626-4686. Doug Bilgo, the local Game Warden, and the Directors of the Sportsmen's Club will assist the instructors. A parent or guardian must come with the student on the first night to register. A \$5.00 fee will be charged to cover handbook and other material.

In addition to learning Hunter's Safety, graduates are permitted to hunt at 14 years of age without adult supervision. State law prohibits anyone under 16 to handle a gun without supervision.

Adults are welcomed also, as many western states and Canada require a Hunter Safety Course certificate to hunt in these areas.

So make Hunter Safety a family affair, join your sons or daughters and take the course, too.

Lake Maps Available To Ice Fishermen

Ice Fishermen! No more cutting through a foot of ice to find 6 inches of water underneath. An index of over 2500 Wisconsin Mapped Lakes will help many Ice Fishermen enter the charmed circle of experts.

A lake map is actually a hydrographic chart. So what's a hydrographic chart? A hydrographic chart is simply a high-faluting term for a map showing the various depths of a lake along with other information that is so desirable to have for fishing...such as kind of lake bottom (sand, mud, gravel, etc...)

Suppose you want to fish for perch. You know his feeding habits and at what depths and over what kind of bottom he would be. With a Wisconsin Hydrographic Chart you can see at a glance the general contour of the lake bottom and the exact depth of any given place along with the kind and condition of the bottom.

The index is available at no charge by sending a self-addressed, stamped (37c) No. 10 business envelope to: Wisconsin Ice Fishing, Box 5096, Madison, WI 53705.

Cold Indians Suffer Defeat at Chilton

By John Harju

The Kewaskum Indians were as cold as the weather outside and received a major setback in their hopes for an EW Conference championship as they were defeated, 62-43, by the Chilton Tigers last Friday night in Chilton.

The loss dropped Kewaskum's conference record to 3-4, while Chilton, which is tied for second place, upped their record to 4-3.

The Indians trailed from the beginning in a game where everything that could go bad, did. Although Kewaskum never trailed by more than 10 points through the first three quarters, they also never got closer than five points.

Chilton's strong inside game kept Kewaskum at bay until the fourth quarter when the Indians received the knock out punch.

The Indians also had to deal with a persistent Chilton defense which forced Kewaskum to take some bad shots. The Indians didn't get many second shots either, as the Tigers dominated the boards throughout the game. At half-time the score was 29-22 in Chilton's favor.

In the third period, both teams came out in a strong combination defense which limited scoring during this quarter. However, Chilton pulled away for a victory in the fourth quarter, outscoring the Indians, 23-14. Chilton's 6-7 center, sophomore Todd Eisner, scored 11 of his game high 25 points in the final period to spark the Tigers.

Eisner, who is the conference's leading scorer and rebounder, had 11 rebounds in the game.

In the scoring department, high honors for the Indians went to Jim Hanrahan with 16 points. Brian Arndt had 8 points

while Butz and Jeff Squier each had 7. Randy Mallmann followed Eisner in scoring with 11 points for Chilton.

The Indian JV's easily won their game with the Tigers, 47-33. Tim Rohlinger led Kewaskum with 21 points. Bob Yahr followed with 7 while Don Menzel and Ron Theusch chipped in 6 points each.

The freshmen lost 57-52. Mark Schlosser led the freshmen with 15 points. Rick Krahn followed with 12.

Friday, Jan. 27, the Indians will take a long ride to Two Rivers.

Indian Matmen Easily Defeat Chilton, 39-19.

The Kewaskum Indians got back into the win column here Friday night by thumping Chilton in an Eastern Wisconsin wrestling match, 39-19.

Chilton had to forfeit five weight classes, giving the Indians 30 points. The only two Kewaskum winners were Mark Fuller who pinned his opponent at 132 pounds, and Doug Miller, who won a 4-3 decision at 167.

The forfeits were at 98, 112, 119, 126 and 185 pounds, where the Indians are strong. Bob Callison at 119 has the best record on the team at 15-1-1.

After already having lost one regular, Tim Landvatter, 11-3, at 138 pounds, the Indians were also without Bill Lehmann, who broke his wrist earlier in the week and will be out for the season.

The big matchup between the Tigers' unbeaten Kevin Hoerth, returning state qualifier, and Kewaskum's once beaten Brad Dieringer at 145 pounds was all Hoerth, who scored a 10-1 major decision. Hoerth is now 16-0.

The Indians host Two Rivers this Friday and Mayville Wednesday, Feb. 1. Both matches are at 6:00 p.m.

Indian Gymnasts Defeat Markesan

The Kewaskum gymnasts defeated Markesan at home Thursday night 87.5 to 72.4. Two seniors, Wendy Wilson and Sandy Nigh, led the Indians in the victory.

This pair placed in all four events with Wilson on top in all-around competition and Nigh recording another school mark on the uneven bars. Wilson was first on the beam with 7.45, tied for first in vaulting with 7.3 and in floor exercise with 7.35, and alone in second with 7.7 on bars. Her score all told came out to 7.45.

Nigh, who had set a record of 7.8 on the unevens against Valdres the week before, improved another .1 of a point for 7.9. She also had a first place on the floor with 7.5, a second on the beam with 6.45 and third in vaulting with a 7.15.

Kewaskum also got another place from soph Darlene Luedtke; who tied with Wilson for first in vaulting.

With the win the team raised its record to 2-2. Two Indians performers missed the meet.

Kewaskum will be at the Chilton Invitational Saturday and host Waupun Tuesday.

Chess Team Nips Germantown In Close SCCA Conference Opener

The Kewaskum chess team opened its SCCA conference season with a 29½ to 25½ victory at Germantown. The win was very important as the two schools, along with Hartford, are the favorites to win this year's title. The team rolled up 6 wins and 2 draws against only 2 losses but the losses were at boards 1 and 2 which earned Germantown 19 points.

The Indians built up an early lead with quick easy wins from Randy Igel, Steve Hubbell and Gary Classey at boards 7, 9, and 10. Classey is the first 8th grader to compete in a conference game. The score improved to 13-0 when Todd Jaromin recorded the 4th Kewaskum win. Jaromin is 3-0 in dual meets this year.

John Martin and Bucky Kazmierczak drew by repetition at board 6.

Martin was up by 2 pawns but was unsure of the upcoming endgame and took the safe drawing procedure. This left boards 1-4, and #8 still contested with Germantown holding advantages on all of the boards except #8 which was even. Romie Holl gave the Indians a big lift with a key victory at board 4. Holl at one time was down a queen vs. 2

rooks and a bishop but with sharp play and a few mistakes from his opponent earned the victory. The Indians needed 6 more points to insure the win and received help from Germantown's Jim Machall at board 3. Machall was unaware of the present score and went for a draw by repetition even though he was up a piece to a pawn. Machall was trying to queen a pawn but Tom Crandell offered enough resistance that Machall thought it was impossible and went for a draw. This earned each team 4 points.

At boards 1 and 2 Gregg Classey and Jeff Igel lost after long, hard-fought contests. Classey at board 1 played Tom Kaap, who placed 2nd in the conference in scoring last year, while Igel had to face Dan Kescenovitz, who went 5-0-1 at first board at last year's state meet.

The two losses meant the match would be decided by board 8 which was the only board left playing. Kewaskum's Glenn Classey pulled out the win with a knight fork, winning a bishop and proceeded to play a safe conservative game to insure the victory.

Kewaskum hosted Hartford this Tuesday.

Lakes Team Beats Mayville, Ties for Second

Kewaskum's Lakes team defeated last place Mayville there Sunday night, 124-103, to move up into a tie for second place in the "B" Division with a 2-4 record.

Kewaskum outscored the visitors, 35-18, in the first quarter and led throughout the contest. They were ahead at the half, 55-48.

Mayville's Dan Heim took game scoring honors with 44 points and Tom Kanas was next for his team with 14. Leon Laatsch again was the big scorer for Kewaskum with 37, while Mike Maney chipped in 21. Four others were in double figures for the winners.

Kewaskum sank 24 out of 31 free throws, with Bill Backhaus making good on 10 of 12 and Laatsch 9 of 10.

Girls Defeat Chilton For Second Straight

By John Harju

The Kewaskum Indian girls' basketball team won their second straight conference game, 38-35, over the Chilton Tigers, Tuesday, Jan. 24, in Kewaskum.

The Indians came back from a 26-22 halftime deficit with a strong defense to take the lead in the third quarter and eventually hold on for a victory.

The Indian girls had problems in the first half dealing with Chilton's full-court trapping defense. The Indians countered with some good solid inside play which kept the score close.

Kewaskum took the lead in the second half with good defense which limited Chilton to only 3 points in the third period and 9 points total for the second half.

The Indians clung to a one point lead as the fourth period started. Kewaskum stayed close with the help of some fine defense by Sandy Secor, who scored two baskets off of steals in the final minutes.

With just over 1 minute remaining and Kewaskum only up by one point, Indian center, Julie Koepke, scored on an

offensive rebound to put Kewaskum ahead 38-35. This is how it ended as Chilton failed to convert on their next trips down the court and Kewaskum hung on for a win.

Koepke, who had 9 rebounds, and Secor who had 5 steals, led Kewaskum in scoring with 6 points each. Debbie Bastian and Lisa Fusek followed with 5 points apiece with Donna Hlavaty, Holly Kempf, and Lisa Matenaer chipping in 4 points each as well. Chilton was led by Jody Leitner, who had 14 points, only two of which came in the second half.

The Indian JVs were also victorious as they defeated the Tigers in their game, 36-11. Michelle Gebheim and Cheryl Schladweiler sparked Kewaskum with 14 points a piece.

CHILTON — (15-11-3-6-35): Hamauer 2-0-4, Propson 0-0-1, Leitner 6-2-0, Hartel 0-0-0, VanGrinsven 2-4-1, DeMaster 3-3-1. Totals: 13-9-7. FTM: 4.

KEWASKUM — (13-9-8-8-36): Bastian 2-1-1, Matenaer 2-0-2, Koepke 3-0-3, Kempf 2-0-2, Secor 3-0-1, Fusek 2-1-2, Hlavaty 2-0-0, Yearling 1-0-0, Kober 1-0-1. Totals: 18-2-12. FTM: 5.

If the air-conditioning were turned off in the Houston Astrodome, the entrance of warm, humid air could cause it to rain inside the stadium.
