## Cedar Lake Satellite Village Plan Still Alive

By GERRY MUELLER  
Statesman Staff Writer

The Board of the Cedar Lake Home Benevolent Corporation

### Pre-Festival Concert at KHS

The Kewaskum High School Music Department announces its pre-festival concert to be held on Tuesday evening, March 6th, at 7:30 p.m. in the fine arts recital hall at KHS. As in the past, the concert will feature the mixed choir, girls' choir, symphonic band and concert band.

The choirs will be singing their contest songs which will also be performed at the Conference Large Group Festival in Sheboygan Falls on March 9th. At the contest each choir will sing three songs and will be rated by three judges.

The bands will be playing the songs that they will be doing at their local clinic on March 17th. At the clinic, a college teacher will spend time working with each group.

The evening promises to be relaxing and entertaining and all of the two hundred plus musicians hope the concert will be well attended.

for the proposed Havenwood Retirement Village in the Town of Wayne. After last week's public hearing in the township, Reverend L. C. Riesch, along with other Cedar Lake representatives attending the hearing were uncertain as to the fate of the project or what their recommendations to the board would be concerning the plan.

At its meeting Thursday, February 23rd, the corporation directors voted to continue working on plans for the project which include spending additional money beyond what has already been spent for percolation tests and other costs, plus approximately \$3,400 for an air and topographical survey to make possible the environmen-

tal impact statement requested by the town supervisors.

Following the meeting, Benevolent Corporation board president Burt Lass stated, "we want the people of Wayne to have all possible facts. It is important that they have every opportunity to learn how fine this satellite campus can be, not only for the aged and handicapped, but also for the people of the community. When adding up the many pluses, we sincerely believe that geriatric plus educational-community usage of the property would far surpass its use as a public park. We believe in the natural environment and the careful blending of program with com-

(Continued on Page 2)

## Over \$1 Million Awarded Couple in Car Crash Suit

On Friday (February 24), a Washington County jury awarded West Bend residents James R. Gagan and his wife, Phyllis, a total of \$1,046,253.65 in damages for injuries sustained by James Gagan as a result of a 1979 traffic accident which occurred in Fond du Lac County. The award is the largest personal injury jury award in Washington County history.

The Gagans were represented by attorney Joseph G. Doherty of the West Bend law firm of Bunk, Doherty & Griffin, S.C.

The accident occurred on September 23, 1979 on U.S. Highway 45, four miles south of Fond du Lac. James Gagan was a passenger in a car being

operated by his brother, Richard Gagan, also of West Bend. The Gagan vehicle collided with an automobile being operated by Donald Mielke of Fond du Lac who was killed in the accident.

James Gagan suffered facial injuries, nerve damage to his lower leg and a fractured hip which eventually required replacement. Gagan now walks with a cane and was unable to return to his former job as a truck driver.

The jury made its award against Allstate Insurance Company, its insured Richard Gagan and American Standard Insurance Company of Wisconsin, the insurer of the Mielke vehicle.

## All You Can Eat Pops Concert

On Sunday, March 4, at 2 p.m. in the Kewaskum High School old gym, the Lakeshore Symphonic Band will present a pops concert under the direction of Albert Asch.

This band has been in existence for over 12 years and includes members from Washington, Ozaukee and Fond du Lac counties.

Tickets are \$2.00 for adults, \$1.00 for children or \$5.00 per family, which includes all the refreshments you can eat.

This concert is sponsored by the Kewaskum Indian Booster Club and all proceeds go to the High School Music Department.

So join us on Sunday, March 4, at 2 p.m. and be part of the ALL YOU CAN EAT POPS CONCERT. See you There!

## Village Thinking Ahead to Summer

By GERRY MUELLER  
Statesman Staff Writer

While the ice is barely off the skating pond, the Kewaskum Public Works Committee is looking ahead to summer.

At its meeting Monday night, Chairman Donald Mlodzik and his committee instructed Public Works Superintendent Augie Bilgo to begin preparing the Kiwanis Park pool for the 1984 swimming season. Power-Vac, Incorporated, of South Milwaukee, will be hired to clean the deep end of the pool at a cost of \$700.00. Village Administrator Dan Schmidt noted funds had been included in the 1984 budget to cover the cost of the work.

In other action, the committee reviewed the five bids on a new chassis for the village

garbage truck. Schmidt said the committee will recommend the village accept the bid of \$23,000 from Honeck Chevrolet for a 1984 C-70 chassis with diesel engine and standard brakes.

The committee did an extensive review of the bids since several of them deviated from the specification required by the village. On some of the bids the committee was not comparing "apples to apples" Schmidt noted. He said that while some of the base bids were lower, by the time the necessary options were included to make the bids uniform and conform to the specs, the low bid order changed.

The village board will act on the recommendation at its next meeting March 5th.

## Troop 744 Takes First Place at Klondike Derby

Top row [left to right] — Mike Kirst, Leighton Peterson, Scott Kulas, Freddy Gildersleeve, Ken Weiss, Dennis Giese. Bottom row — Scott Muckerheide, Eric Giese, Brian Leitheiser, Mark Kirst, Jamie Kudek, Richard Theimer.

On a foggy Saturday morning, Feb. 18, Troop 744 left the Legion Hall and went to Hawthorne Hills Park, Franklin, to participate in the annual Klondike Derby.

The Derby is a test of skills which each Scout should have the knowledge. The scouts work in patrols and are scored by time or by number of correct

answers. The maximum score for each event was 50 and these events consisted of fire building, first aid, obstacle course, tandem snow shoe, compass, ice rescue, tracking and lashing.

Patrol leader Mark Kirst led his patrol to first place competing against nearly 40 other patrols. This trophy has not been won by our troop since

1981. Patrol leader Scott Kulas and his patrol brought home a blue ribbon of honorable mention.

As the awards were being handed out in the late afternoon it began to rain, dampening the spirit of many scouts but not those of Troop 744 who put forth the maximum effort to achieve the highest award. Congratulations!

## Springlike Weather

Residents of the area enjoyed unseasonably warm, springlike weather last week and the week before, with temperatures soaring into the low 60s Wednesday and Thursday. The winter's snow on the ground disappeared and the ice on the Milwaukee River went out last week (in February), on one of the earliest dates in a long time.

Matthew Hammen, 4, son of Mr. and Mrs. Jim Hammen, 235 Braatz Drive, Kewaskum, reported seeing the first robin of the season while playing outside Thursday, Feb. 23.

## Rare Bald Eagle Seen Near Here

Lee Oppermann of Route 2, Campbellsport, called Sunday morning to report spotting not a robin, but a BALD EAGLE, eating a dead opossum in a field on the Henry Oppermann farm on Auburn-Ashford Drive.

The bald eagle is becoming rare and is an endangered species in Wisconsin, according to a Department of Natural Resources report. It is the white-headed eagle of America and is our nation's official bird.

## Area Men Elected to Head State Snowmobile Association

**George Lendved**

By GERRY MUELLER  
Statesman Staff Writer

George Lendved, of 201 Highway DD Kewaskum, has been re-elected to a two-year term as vice-president of the Association of Wisconsin Snowmobile Clubs at its annual convention held February 18th and 19th in Wausau. Lendved will serve with James Gescheide of Fond du Lac, who was re-elected president of the AWSC.

Lendved has been actively involved in snowmobiling for the past fourteen years. He has served in various offices including president and treasurer of the New Fane Kettle Riders Snowmobile Club and was recently re-elected to his ninth term as president of the

Northern Kettle Moraine Snowmobile Association. Prior to becoming vice-president of the AWSC Lendved served as District Director for the Sheboygan area.

Representing over 18,000 families and 560 clubs, the Association of Wisconsin Snowmobile Clubs is the largest organization of its kind in the United States. The association has received both national and international recognition for its work in developing and improving organized snowmobiling in Wisconsin. In cooperation with local and state agencies, the AWSC and its member clubs have worked to create a trail system extending throughout the state for over 10,000 miles.

The AWSC is winding up its annual membership drive and the latest figures show an increase of 4,172 new members and 14 new clubs over 1983 totals. The association also has 440 commercial memberships which cover businesses who actively support local clubs, the AWSC and the sport of snowmobiling.

The Kewaskum area has been well-represented and active in the AWSC. Robert Staehler of the Kewaskum Sno-Chiefs also served as president and now holds the position of "Director at Large."

## Cedar Lake

(Continued from Page 1)

munity needs plus establishing operational policy to insure orderliness and neighborhood happiness."

Lass went on to state, "that if the non-conforming use permit is granted, the farmers would be assured, through a protective covenant, that they would always be able to perform their duties by day or night, be it handling of manure, plowing, harvesting or whatever." Several of the residents attending last Tuesday's public hearing voiced concern that once people moved into the proposed village there would be com-

plaints about the smells and noise caused by farmers in the daily operations of their farms.

"We aim to make the Havenwood Campus a thing of beauty both in its natural environmental contest and in its service to people," Lass concluded.

The advisory referendum which will appear on the Town of Wayne's April 3rd ballot, while not binding upon the town board, will give the Wayne residents an opportunity to voice their wishes for the use of the proposed site located east of Kohlsville on Highway "D" and "WW." Voters will have the chance to indicate whether the land should be used for the elderly or become a public park.

## KHS Announces Winners at FBLA Leadership Conference

Using the theme "Tomorrow Begins Today" with FBLA as the backdrop for the day, over 400 Future Business Leaders of America students and advisors attended the Region V Leadership Conference held at Neenah High School on Feb. 11. Kirsten Madsen, the Wisconsin Region V Vice-President hosted the conference. Assisting her were Shirley E. Dohmann, her advisor and the complete Neenah High School FBLA chapter.

The highlight of the day for KHS was having 5 students compete in various competitive events. Students from all over the state were given a chance to compete at one of six regional

leadership conference which were held at various locations on the first two Saturdays of February. The winners in these events advance to state competition which will be held in May at Green Bay.

Local students competing in the competitive events were Leean Schneider and Caroline Vogt in Business Graphics, Sharon Land - Accounting I, Carol Osterbrink - Entrepreneurship I and Debbie Rogne - Typing I.

Winners who will represent Kewaskum High School in state competition are Leean Schneider and Caroline Vogt in Business Graphics competition.

## Kewaskum Jaycees to Hold Membership Night Monday

The Kewaskum Jaycees cordially invite young men between the ages of 18 and 35 to attend a membership night on Monday, March 5, at 8:00 p.m. This membership night, which will be held in the basement of the West Bend Savings and Loan on Main Street in Kewaskum, will provide information on the local Jaycee chapter to interested young men. There will also be food and beverages available to consume after the meeting.

The Kewaskum Jaycees are involved in a number of community activities such as youth softball and Little League, the annual haunted house, spring sandbox fill, cystic fibrosis bike-

athon, muscular dystrophy fund-raising, and junior bowling. Members are also encouraged to take part in individual development programs to further educate themselves on a variety of topics such as financial planning, governmental affairs, time organization, family and spiritual development, and numerous other programs to make ourselves better people.

Should you desire further information about Monday evening's membership meeting, please contact Ken Weyers at 626-2798. Our Kewaskum Jaycees are looking forward to seeing some good young men at Monday night's meeting.

## AFS Students to Speak at Meeting

Members of the Kewaskum Woman's Club will meet on Thursday evening, March 8, at 7:30 at the Kewaskum Library. Speakers will be A.F.S. students, Gro Ommundsen, Norway, living at the Warren Sekas home, Alan McFarland, Australia, living at the David Domasky home, and Beth Strigenz, daughter of Dr. and Mrs. Anthony Strigenz. Beth was a summer student in Switzerland.

Please call the hostesses, Kitty Hlavaty, Jan Hubbell or Midge Swanson, if you plan on attending, by March 5.

## Births

NOONAN - A son to Kevin and Joan Noonan, 1615 Fond du Lac Ave., Kewaskum, Wednesday, Feb. 22.

MUCKERHEIDE - A daughter to Charles and Diane Muckerheide, P.O. Box 574, 348 Main St., Kewaskum, Thursday, Feb. 23.

## KHS CLASS OF '74 TO HOLD REUNION MEETING

The Kewaskum High School Class of '74 is having a reunion meeting on Friday, March 9, at 7:00 p.m. at Three R's, Boltonville. Anyone interested please call 626-2445.

## Middle School Forensics Meet

On Saturday, February 18, the Kewaskum Middle School Forensics team attended their first meet at Kennedy Middle School in Germantown. Twelve schools from the surrounding area participated in the meet. The team at this meet consisted of 36 students.

The following is a list of the Kewaskum students who participated and their categories:

Prose - Karrie Lisko, John Paul, Ted Anderson, Juli Swenarski, Brenda Oelhafen.

Poetry - Steve Gergetz, Sheila Paulson, Janet Mueller, Jeff Bates, Carrie Tiemann.

Extemporaneous Speaking - Scott Kulas.

Humorous Declamation - Shannon McFadden, Nicole Postuma, Mark Peters, Jeanine McElhatton, Theresé Baron.

Storytelling - Kim Poling, Jenny Lettow, Linda Schulz, Ellen Kuphal, Wendy Russell, Johanna Fromm.

Demonstration Speech - Matthew Gruss, Steve Struebing, Tisha Rohrer, Sally Collins, Mark Clements, Cindy Wilson, Gina Olmsted.

Play Acting - Bridget McKenna, Angie Nowak, Mary Pesch.

Interpreter's Theater - Traci Dorschner, Jean Herriges, Ann-Marie Horner, Britt Ellis.

All participants spoke twice and received a rating of A, B or C and a ribbon for their corresponding grade.

On March 10, the forensics team will compete in their second meet of the season at Badger Middle School in West Bend.

The Kewaskum Middle School forensics coach is Miss Margaret Smith.

A total of 21 A's and 15 B's were awarded to the students for their fine efforts.

## THEFT REPORTED AT HONECK CHEVROLET

Four aluminum, slotted rims and four tires, valued at an estimated \$500, were taken from a truck in the Honeck Chevrolet truck lot on Fond du Lac Avenue sometime during the night of Tuesday, Feb. 21. Kewaskum Police Chief Donald Hlavaty reported Monday that he noticed Thursday morning that the truck was up on blocks with the wheels missing. Police are investigating.

## Receives Degree At UW-Madison

An area student is among students who recently received Bachelor's Degrees after completing their work at the University of Wisconsin-Madison. The names of students granted their degrees by UW-Madison are being announced as soon as they are completed by the University.

The student is: Robin June Acker, 139 Forest Ave., Kewaskum, nursing.

## Worker Injured In Explosion

Gerald Brath, 4656 Badger Rd., Kewaskum, sustained first and second degree burns on his arm and face, and cuts from flying glass when a 100 amp fuse exploded in an electrical box he was working on at The West Bend Company, 400 East Washington St., West Bend, shortly after 1 p.m. Friday.

Brath, 38, was taken to St. Joseph's Community Hospital, West Bend, according to the Fire Department Rescue Squad. He was treated and released, a hospital spokeswoman said.

## Immel Receives 25-Year Award

Roberta Immel, a rural Campbellsport resident, was recently honored for 25 years of service to Regal Ware, Inc. In appreciation, she was given a specially engraved gold watch.

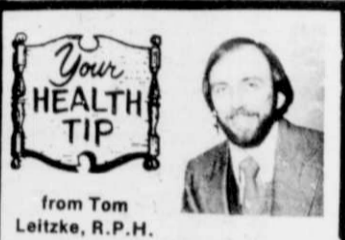

Immel started at Regal in February 1959 in the Finish Department. She has held a number of production positions until assuming her current position in the Return and Repair Department three years ago.

## BEECHWOOD FIREMEN'S AUXILIARY PROGRAM

On March 5, at 7:30 at the Beechwood fireman's hall, the Auxiliary invites anyone interested to come. There will be a short program, presented by the General Telephone Company, and a question and answer period following. If time allows, our regular March 5 meeting will follow.

## LIBRARY BOARD MONTHLY MEETING

The Kewaskum Public Library Board will have their monthly meeting on Monday, March 5, at 7:00 p.m. at the library.

from Tom Leitzke, R.P.H.

### FAMILY DOCTOR

Have a family doctor. He will keep a record of your medical history that may save duplicating expensive and time-consuming tests. Your medical record can avoid taking conflicting medicines - it will list your allergies, if any. Have a complete check-up periodically - preventive medicine is the sensible way to preserve your health. Discuss a nutritious diet - an exercise program - and stress reduction, with your doctor to maximize your good health.

We wish you good health

# Memories...

The Statesman welcomes readers to submit photos for the "Memories" feature. Photos should show life in the olden days in this area. Deliver or mail to The Statesman, 250 Main St., Kewaskum, WI 53040. Photos can be picked up again after publication.

This photo, taken around 1918-1920, shows the Kewaskum Aluminum Company's temporary manufacturing plant while the new building was being built on its present site. It was located in the present Herriges Oil Co. garage building. Workers shown are Art Manthei, left, and Al Hron, Sr., right. Showing faintly through the windows are the Republican Hotel and Jake Becker's blacksmith shop in the background. (Photo submitted by Lyle Manthei)

## Letters to the Editor...

To the Editor:

I really appreciate the support given me in the primary election, and since it is only fair to let the electorate know where I stand on some of the issues facing our district, I would like to explain my position on some of the proposed middle school changes.

It would be a real shame to tamper with programs that are operating so well. The students and faculty have developed a great rapport; there is excellent discipline and mutual respect there. The level of participation and enthusiasm in the extra curricular program, an important part of everyone's education, reflects the success of the entire educational program. Such an efficient, cohesive unit should not be tampered with unless a dire

need exists.

The need does not exist. We've heard that there is a dramatic decrease in student enrollment—but there isn't. Look at the numbers. When the Middle School opened, 304 students were enrolled. The projected enrollment for next year is 250. Yes, there is a decrease, but the enrollment figures don't tell the entire story. Did you know that next year the seventh and eighth grade students from Holy Trinity will be going to the Middle School for science? Those numbers are not reflected in the enrollment, yet teacher time is needed. Did you know that in the past programs have been added without staff increase?

We cannot dismantle an effective program just because

of this drop. Smaller classes, especially for this age group, will only aid the student. Furthermore, changing the program would be a false economy since with the advent of competency based testing, we will need the reading and English programs. All of the studies of current education agree on the necessity of well-developed English and reading programs; it is imperative that we keep the excellent reading and English programs as they now are.

Yes, I am a conservative, and yes, I want to save money, but harming the successful program in the Middle School would be a false economy, and I am not in favor of that.

Sincerely,  
Norma S. Serwe

## Friends for Battered Women Elect 2 New Members to Board

Friends for Battered Women of Washington County has elected two new members to their Board of Directors, Ken Johnson and Sonia Rasmussen. Johnson is a lieutenant with the West Bend Police Department. Rasmussen is the Project Director of the Reentry Program.

Friends for Battered Women is a United Way agency offering services to women in domestic violence relationships and aid to victims of sexual assault. Services include information, counseling and referral for clients as well as shelter, advocacy and support groups. Speaking and in-service training are available. The 24-hour crisis line number is 334-7298 (Hartford ask operator for Enterprise 7298).

## Unique Woman Of God Dinner

The March dinner of Unique Woman of God will be held on Thursday, March 15, at 6:30 p.m. at the Learning Center at Cedar Lake Home.

Connie and Bob Boerner will be guest speakers. They will speak on "Encouragement."

Both Connie and Bob have experienced divorce and single parenting. They were recently married and have joined together their family of 5 girls. They currently reside in Wauwatosa.

Connie shares her testimony through her music and has just completed her first album. Bob is employed at United Parcel Service. They serve together in the Pastoral Care Ministries at Elmbrook Church and speak throughout the state at various retreats and seminars.

Reservations for the dinner can be made by sending \$4.75 to Sandy Rondorf, 538 S. 18th Ave., West Bend, Wis. 53095 by March 6. The cost for individuals wishing to attend the program is only \$1.00.

To: The Kewaskum Statesman

I would like to thank everyone who helped make my job as the Kewaskum Indian so memorable and enjoyable. It is impossible to thank everyone by name, but the list includes the cheerleaders and their coaches, the ever-supporting faculty and the die-hard fans. I also cannot forget the encouragement received from the athletes and their coaches. But first and foremost, the Kewaskum Booster Club must be commended for their consistent backing and support. This still does not seem to sum up the total enjoyment I derived from this position, but once again, thanks for everything.

Thank you,

Your Kewaskum Indian  
Jeff Igel

**Unique Woman of God Annual Retreat**

The Unique Woman of God's Tenth Annual Retreat will be held Saturday, April 7, 1984, at Silverbrook Middle School, 15th Avenue, just south of Hwy 33, in West Bend, from 8:00 a.m. - 3:15 p.m.

Highlights speaker will be Mrs. Nelle Kulow of Hubbard, Ohio. Kulow's theme for the day will be "Understand Yourself." She will speak in the morning and afternoon sessions. Seminars will also be offered twice during the day, with special sessions for teens.

Mrs. Kulow spoke at the first retreat and again in 1978, and now is returning by popular request. Mrs. Kulow is the mother of six children and grandmother of 12, and a former teacher. She has led many retreats throughout the country using her special gift for making the scriptures come alive. She has also written many articles for christian publications.

Optional lunch registrations deadline is March 30th. Lunch supplied by Jerry's Restaurant, will feature Turkey Ala King on puff shell, jello with fruit, dinner roll, strawberry rhubarb torte and drink for \$3.00. Registration fee is \$5.50, teens are \$4.50 NOT including lunch. Registration at door is \$6.00 adults and \$5.00 teens. To register in advance, send your name, address, phone number, registration fee and lunch fee if desired, to Necia Walczak, 6832 Enge Dr., West Bend, WI 53095. Make check payable to Unique Woman of God.

The retreat at Silverbrook will open at 8 a.m. with registration, coffee and donuts. The program will begin at 8:45 a.m. A book browse offering Christian literature and supplies will open at 8 a.m. and remain open throughout the day. For further information call Paula Gauthier 338-0400 or Necia Walczak 675-2366.

### FFA Alumni Banquet Held, Elect Officers

The annual FFA Alumni meeting and banquet was held Feb. 23 at 8 p.m. at the Brig-O-Doon. Bob Etta, president, presided at the meeting.

Bob introduced seven new members, Steve Enright, Victor Backhaus, Harold Westerman, Roger Batzler, John Herriges, Dr. Gregory Ogi and Tim Gutjahr. Guests included Mr. Dave Rizzardi, FFA advisor and the FFA officers.

A benefit dance will be held March 9, at the Amerahn Hall. Music is by Don Peachey. Roy Esser is Chairman and Lloyd Etta co-chairman. Tickets are available from Bob Etta, 626-2364. Proceeds go toward the Apple 2 E Computer purchased for the Kewaskum FFA class. Scholarships are also given.

The Alumni will again purchase a hog at the Washington County Fair and members and their families will enjoy a pig roast later in summer. Roy Esser and Vic Backhaus will be in charge of roasting the pig. Others appointed to be on the Picnic Committee are Bob Etta, Darlene and Leland Schaub, Bill and Beverly Kober and Don Schultz.

### Cub Scout Winter Fun Fest Winners

Glacier Edge District 11 had 566 Cub Scouts and 164 Leaders from Ozaukee and Washington Counties participate in the Cub Scout Winter Fun Fest held at Glacier Hills Park in Hartford.

Packs could choose the morning or afternoon session and the boys competed at their age level. The following Dens were victorious: WOLF — 1. Den 1, Pack 3787 Jackson; 2. Den 4, Pack 3795 Hartford; 3. Den 1, Pack 3784 West Bend; 4. Den 3, Pack 3731 Slinger; 5. Den 2, Pack 3852 Mequon. BEAR — 1. Den 2, Pack 3837 Port Washington; 2. Den 6, Pack 3839 Grafton; 3. Den 6, Pack 3782 West Bend; 4. Den 5, Pack 3731 Slinger; Dens 1 and 2, Pack 3815 Mequon. WEBELOS — 1. Den 3, Pack 3865 Mequon; 2. Den 2, Pack 3744 Kewaskum; 3. Den 7, Pack 3784 West Bend; 4. Den 1, Pack 3744 Kewaskum; 5. Den 3, Pack 3781 West Bend. Awards will be presented at the Cub Leader Roundtable, March 1.

Chairman, James Parker, and his staff of 49 people conducted the events.

### Girl Scouts Plan Potluck Dinner

With the turning of the calendar to a new month we find each and every girl scout busy getting ready for Girl Scout Week.

The annual potluck dinner will be held on Sunday, March 11, at 6:00 p.m., at the Amerahn for the scout and her parents. This year the evening will take on a new and fresh look. The whole evening has been planned by the scouts themselves with the exception of the food which was planned by the leaders.

This year one scout from each troop was chosen, and there was a meeting held where they decided to make a few changes to improve the program. It was their thinking that if they could change the program and decide what the entertainment could be, just maybe more dads would enjoy coming. The girls that helped with the planning were Amy and Becky Hammes, Kelly Sarauer, Heather and Jenny Mitchell, Melissa Weber, Annette Stommel, Julie Yahr, and Rachel Chambers.

The theme for this year's potluck is "At the End of a Rainbow is a Pegasus."

### KM Lutheran High to Present 'Brigadoon'

Kettle Moraine Lutheran High School, Jackson, will be presenting the Lerner and Loewe musical "Brigadoon" on Friday, Saturday, and Sunday, March 9, 10, and 11. All three performances will be at 7:00 p.m. in the school gymnasium.

The story centers around two American hunters who get lost in the Scottish highlands. They happen upon the magical and mysterious village of Brigadoon, and one of them falls deeply in love with a village lass. Normal enough, so far. It is after he falls in love that the story takes some very unusual turns.

Added to the production this year are some experimental staging techniques, choreography, and the use of a bagpiper from the Billy Mitchell Scottish Pipe & Drum Band.

Tickets are \$3.00 for adults and \$2.00 for grade school students. Pre-school children are free. Tickets may be ordered by calling the school at 677-3877 or 677-4051. Tickets may be picked up at the door.

### XYZ CLUB SKAT RESULTS

The XYZ Club Skat results at the Legion Hall on Wednesday morning, Feb. 22 were as follows: Francis Gilboy, 24-2-22 net; Harold Eggert, 16-1-15 net; Ken Kaschner, 20-5-15 net; Frank Sell, 15-1-14 net; Marvin Martin, Club Solo vs 4.

### ABC CLUB SKAT RESULTS

The Beechwood Senior Citizens ABC Skat results on Tuesday afternoon, Feb. 21 were as follows: Elmer Stange, 14-1-13 net; Francis Gilboy, 13-2-11 net; Elmer Stange, Spade Solo vs 4; Julius Yahr, Diamond Tournee vs 5.

### MODEL RAILROAD CLUBS TO HOLD OPEN HOUSE

The Kettle Moraine Ballast Scorchers Model Railroad Club of Washington County and the Metro Model Railroad Club of Ozaukee County will hold a joint MODEL RAILROAD OPEN HOUSE at the West Bend Recreation Center, 724 Elm Street, on Sunday, March 4th, from 1 p.m. to 5 p.m. Donation at the door is \$1.00 for adults, children 12 and under 50c.

"The beaten path is the safest."

### Holy Trinity Wildcat Cheerleaders

**A TEAM** — Top to bottom: Lisa Steiner, Pam Amerling, Sherry Becker, Michelle Etta, Holli Etta.

**B TEAM** — Top to bottom: Melissa Heisdorf, Traci Knoeck, Tammy Sabish, Cheryl Miller, Jenny Bauer.

Congratulations girls on a super job! The girls have worked very hard this year, performing two pom pon routines, fantastic stunts and mounts!

The girls are looking forward to the cheerleading competition in March at St. Killian gym, Hartford. Come and support the girls!!

### Public Meeting on Hospital Project

A public meeting has been scheduled by the Southeastern Wisconsin Health Systems Agency (SEWHSA) for March 5, 1984, at the Samaritan Nursing Home, 531 East Washington Street, West Bend at 7:30 p.m. to accept public comment on the following proposal: Hartford Memorial Hospital - Construction Project Phase II - \$4,253,350. A copy of the application will be on file at the Samaritan Nursing Home.

This project is scheduled for review by the SEWHSA Review Committee March 21, 1984, and for final action on April 5, 1984, by the SEWHSA Board of Directors. Any question concerning this schedule should be directed to the SEWHSA Review Division at 414-271-9788.

### Check It Out

When buying a convenience breakfast food, check the list of ingredients. Some are extremely high in sugar, and ingredients are listed in order of predominance.

### County Church Women United to Observe World Day of Prayer

The World Day of Prayer will be observed in Washington County communities as well as around the world on Friday, March 2. The theme for this year's observance, written by Christian women of Sweden, will be "Living Water from Christ, Our Hope." The Church Women United of Washington County have planned services that will take place countywide.

West Bend community services will be held at St. James Episcopal Church located at 8th and Walnut Streets. The assisting church will be Our Savior's Lutheran. Registration will take place at 9:30 a.m. followed by a Bible Study. A World Day of Prayer service will follow at 11 a.m. Members and guests will bring their own "sack lunches" for the fellowship following the service. Dessert and coffee will be provided. A nursery will also be provided for small children.

Also in the West Bend area, services are planned at the Cedar Lake Home at 2 p.m. Participating churches will be Peace United Church of Christ, Kewaskum, Christian Science Church, West Bend, and Salem, United Church of Christ, Wayne. Services at the Samaritan will be held at 2 p.m. Churches participating will be Calvary Assembly of God, St. Frances Cabrini, and St. Martin's United Church of Christ, Fillmore. Services will be held at Meadowbrook Manor at 1 p.m. Participating churches will be Fifth Ave. United Methodist Church, Trinity Lutheran, and Immanuel United Church of Christ.

World Day of Prayer services will be held in the Richfield, Germantown and Colgate area at 1:30 p.m. Eight churches are

participating at the First Presbyterian Church located on Hy. J.

The Hartford area will feature a family-oriented service at 7:30 p.m. at the First Congregational Church located at 108 Branch St. Many area churches will join in the event.

In the Jackson-Slinger area services will be held at Peace United Church of Christ located at Hys. 60 and 45. Participating will be Faith and St. John's of the Slinger area, both of the United Church of Christ. In Jackson the churches participating will be Christ Lutheran, St. Peter's and Friedens, both United Church of Christ. The 1:30 event will have Rev. Jim Hill as the speaker.

The Church Women United is a national ecumenical movement which brings Protestant, Roman Catholic, Orthodox and other Christian women together into "one community of caring." All are welcome to attend any or all of the meetings and join in a rewarding faith and fellowship.

### Immunization Clinics in March

All recommended immunizations are available to children and adults of Washington County at the immunization clinics offered by Washington County Community Health Nursing Service. March clinics are:

March 6 — Community Health Nursing Service, 515 E. Washington St. - West Bend, 2-5 p.m.

March 13 — Germantown Senior Citizen Center, W162 N11960 Park Ave. - Germantown, 2-4:30 p.m.

March 20 — Hartford Recreation Department, 525 North Main St. - Hartford, 9-11 a.m.

March 27 — Community

Health Nursing Service, 515 E. Washington St. - West Bend, 9-11 a.m.

All immunizations are provided free of charge, but there is a \$1.00 charge for the T.B. skin test for those age 16 and over. Parents are asked to bring to clinics their records of each child's past immunizations, as immunizations will not be provided without past records.

For further information call 338-4462 or 644-5204 or 342-2929.

### Kirst Attends Realty Institute

Robert Kirst of Wauwatosa Realty Company recently returned from the Wisconsin REALTOR'S Institute conducted by the Wisconsin Realtor's Association. The Institute was held February 13-17 at the Olympia Resort in Oconomowoc with an attendance of over 450 realtors and real estate brokers from across the state.

The professional training program, which is regularly sponsored twice a year by the Wisconsin REALTORS Association, consists of 30 hours of classroom instruction taught by experienced realtors and university professors.

Those successfully completing 90 hours of instruction by attending three Institutes and completing 9 hours of examination, earn the nationally recognized designation, Graduate, REALTORS Institute, (G.R.I.).

Kirst attended the Graduate Course which consisted of 3 days, the first 2 days spent on studying financial trends based on the world monetary system, and the third day was on trends of people for the last 40 years and the future 20.

## THANK YOU

To the Voters of the Kewaskum School District...

Thanks for taking the time to go and vote in the primary.

I appreciate your support and I hope to see you at the polls on Tuesday, April 3.

Sincerely,  
JEAN E. GOEDEN

## THANK YOU

My thanks to all who supported me in the primary election. Your continued support would be greatly appreciated.

Experiment Station system will be shown. A second presentation will discuss pruning mature apple trees. Following the film an open discussion will be held by growers on current production problems.

**SAVE!!!** Select your furniture at Miller's in Kewaskum. Largest selection, high quality at most reasonable prices. Open daily until 5:30, Monday and Friday to 9:00 p.m. Free dependable delivery.

# "This year we could really use some tax breaks. Is an IRA still a good tax shelter?"

Yes, an Individual Retirement Account (IRA) is one of the best tax shelters available to wage earners. Millions of people are taking advantage of this tax deduction opportunity. There is no minimum contribution. You can set aside a small amount from each paycheck, or you may make a single contribution for the maximum allowable. You can contribute up to \$2000 for single wage earners, \$2250 if only one spouse has taxable income and \$4000 for two working spouses.

**Tax Benefit:** The contributions you make to your IRA are not only tax deductible, the interest that accumulates in your IRA account is tax deferred.

**Investment Options:** At Valley Banks, we understand that people have different requirements for their IRA funds based on individual investment objectives and philosophy, the size of their IRA Fund, and personal needs. For this reason, we're able to provide you with a variety of investment options. We can help you evaluate the alternatives and select the IRA plan best suited to your needs.

At the Valley, an IRA is not just a tax shelter, it's an investment opportunity.

## In the Service

**Jeffrey J. Schmidt**

Airman Jeffrey J. Schmidt, son of Lloyd C. and Iona J. Schmidt of 8778 Highway B, Kewaskum, has been assigned to Chanute Air Force Base, Ill., after completing Air Force basic training.

During the six weeks at Lackland Air Force Base, Texas, the airman studied the Air Force mission, organization and customs and received special training in human relations.

In addition, airmen who complete basic training earn credits toward an associate degree in applied science through the Community College of the Air Force.

The airman will now receive specialized instruction in the weather service field.

He is a 1983 graduate of Kewaskum High School.

.....

Marine Lance Cpl. Cameron S. Langhoff, son of Roger and Patsy Langhoff of 1327 Midland Ave., and 4820 Badger Road, Kewaskum, recently departed on a deployment to the Western Pacific and Indian Oceans.

He is a member of Marine Service Support Group, 31st Marine Amphibious Unit, Kaneohe Bay, Hawaii.

During the deployment, his unit will participate in various training exercises with other U.S. units and those of allied nations.

Several Far Eastern port visits are scheduled.

.....

Airman David L. Smucker, son of Richard M. and Carolyn

L. Smucker of 712 Pleasantwood Drive, Kewaskum, has been assigned to Chanute Air Force Base, Ill., after completing Air Force basic training.

During the six weeks at Lackland Air Force Base, Texas, the airman studied the Air Force mission, organization and customs and received special training in human relations.

In addition, airmen who complete basic training earn credits toward an associate degree in applied science through the Community College of the Air Force.

The airman will now receive specialized instruction in the fire protection field.

Smucker is a 1981 graduate of Kewaskum High School.

.....

**Craig A. Bader**

Airman Craig A. Bader, son of Judith Ashley and stepson of Denny Ashley of 7585 Bavarian Lane, West Bend, has been assigned to Keesler Air Force Base, Miss., after completing Air Force basic training.

During the six weeks at Lackland Air Force Base, Texas, the airman studied the Air Force mission, organization and customs and received special training in human relations.

tions.

In addition, airmen who complete basic training earn credits toward an associate degree in applied science through the Community College of the Air Force.

The airman will now receive specialized instruction in the avionics systems field.

He is a 1982 graduate of Kewaskum High School.

.....

Marine Pvt. Larry L. Neumann, son of Larry R. and Susan Neumann of Route 2, Campbellsport, has completed recruit training at the Marine Corps Recruit Depot, San Diego.

During the 11-week training cycle, he learned the basics of battlefield survival. He was introduced to the typical daily routine that he will experience during his enlistment and studied the personal and professional standards traditionally exhibited by Marines.

He participated in an active physical conditioning program and gained proficiency in a variety of military skills, including first aid, rifle marksmanship and close order drill. Teamwork and self-discipline were emphasized throughout the training cycle.

.....

Airman Pamela M. La Bode, daughter of Richard and Margaret La Bode of Rural Route 3, Campbellsport, has completed Air Force basic training at Lackland Air Force Base, Texas.

During the six weeks at Lackland, the airman studied the Air Force mission, organization and customs and received special training in human relations.

In addition, airmen who complete basic training earn credits toward an associate degree in applied science through the Community College of the Air Force.

The airman will now begin on-the-job training in the

medical field at Laughlin Air Force Base, Texas.

She is a 1983 graduate of Campbellsport High School.

.....

Air Force Staff Sgt. Charles E. Kujawski, son of Elroy Kujawski Jr. of Route 2, Campbellsport, has arrived for duty at Sembach Air Base, West Germany.

Kujawski, a telecommunications control technician with the 2005th Communications Group, was previously assigned at Tinker Air Force Base, Okla. He is a 1967 graduate of Campbellsport High School.

.....

Navy Electrician's Mate 3rd Class John A. Bertram, son of Leo Bertram of 1274 Highway 33, West Bend, recently participated in "UNITAS XXIV," a six-month training cruise in South America and the Caribbean.

He is a crewmember aboard the destroyer USS Scott, homeported in Norfolk, Va.

The cruise began in June, when the ship travelled to the Caribbean to work with Venezuelan, Columbian and Dutch ships.

Following a trip through the Panama Canal, the Scott steamed south across the equator to the west coast of South America to train with ships from the Ecuadorian, Peruvian, and Chilean navies.

After travelling through the narrows of the Chilean inland waterway and the Straits of Magellan, the ship conducted operations in the Atlantic with the Uruguay, Brazil, Trinidad, and Barbados navies.

Twenty-two port visits were made during the cruise including Puerto Rico and the Bahamas.

The Scott is 563 feet long and carries a crew of 338.

**Scott Stonecipher**

Marine Pfc. Scott W. Stonecipher, son of William L. and Kathryn E. Stonecipher of 511 S. Eighth Ave., West Bend, has completed the infantry combat training course at the Marine Corps Base, Camp Pendleton, Calif.

During the six week course, he received classroom instruction and participated in field exercises involving infantry tactics; the construction and camouflage of fighting positions; and the use of mines, demolitions and intra-company communications equipment.

## Electric Company's Proposed Holding Company Could Provide 35,000 Jobs

At least 35,000 jobs could be created or retained over the next 10 years through Wisconsin Electric Power Co.'s proposed holding company activities, the utility said Wednesday.

"These 35,000 jobs would be an obvious boost to the state's citizens and economy," said Pat LeSage, Wisconsin Electric manager of economic development. "They also would mean thriving industries set to do business in the 1980s and beyond."

Wisconsin Electric has proposed organizing a new holding company called Wisconsin Energy Corp. Among its subsidiaries would be the existing Wisconsin Electric and Wisconsin Natural Gas Co., plus three new non-utility subsidiaries aimed at economic development and jobs.

The company estimates it will

invest up to \$300 million in these subsidiaries and in economic development in Wisconsin over the next 10 years.

LeSage said his jobs estimate is a conservative one based upon the activities of only two of the three proposed new corporations. He pointed out it does not take into account the activities of other Wisconsin utilities proposing holding companies, nor the impact of support jobs created when new industry moves into the area.

One of the proposed corporations, WISVEST, would focus on investing in existing Wisconsin corporations and in making possible plant expansions that might not otherwise take place. He said this corporation could be expected to create or retain about 20,000 jobs over the 10-year period.

Another proposed subsidiary, WISPARK, would be expected to create about 15,000 new jobs by attracting new large firms to industrial parks it intends to develop. One such park is planned in Kenosha County.

LeSage said it is difficult at this time to assess the job-creation impact of the third proposed corporation, WITECH, which is designed to bring new high-tech inventions to market.

A bill to allow formation of utility holding companies is expected to be considered in the current session of the state Legislature. With passage of this bill, and stockholder approval, Wisconsin Electric would begin forming the new subsidiaries.

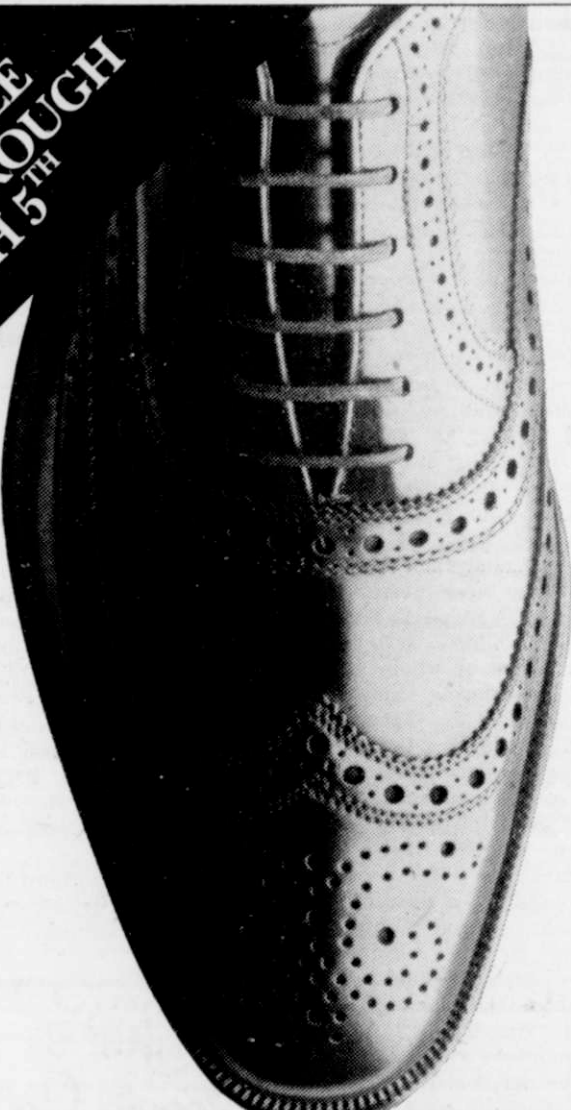

The jobs would be largely created in business and industry apart from Wisconsin Energy Corp. and its subsidiaries. LeSage said the subsidiaries would be providing seed money for job creation.

Friday, March 2, 1984, Page 11  
Kewaskum Statesman,

"Wisconsin's economy has been stagnating for far too long," LeSage said, "and Wisconsin Electric is eager to do something about it. It will take a big effort, like the creation of new corporations aimed at economic development, to have big results."

"We at Wisconsin Electric are well suited to help bring business to this state, and our holding company plan would benefit every Wisconsin citizen through the creation of jobs and the increased tax revenues these new businesses will bring," he noted.

LeSage said he arrived at his job estimates using generally accepted guidelines for industrial research and office park development, plus the actual job-creating results of venture capital activities in Wisconsin.

ANNUAL  
WINTER SALE  
ON NOW THROUGH  
MARCH 5<sup>TH</sup>

We've got shoes to sell.

Bank on it.

You may have heard about the Allen-Edmonds fire. Well, one thing wasn't affected at all: the Shoe Bank factory outlet. We've got plenty of shoes in stock. And plenty of bargains — especially with our annual mid-winter sale going on from now until March 5th. So stop in Monday, Tuesday, Thursday or Saturday from 9 a.m. to 5 p.m.; Wednesday or Friday from 9 a.m. to 9 p.m.; Sunday from 12 noon to 5 p.m. The only thing hot here is our great savings.

The local forensic contest will be held at the Kewaskum high school on March 5. The following students will participate: Humorous declamation — Nancy Held, Cynthia Landmann, Byron Prescott, Alice Schwind; non-humorous declamation — Sheila Survis, Frederick Kleinke, Aldwin Seefeldt; extemporaneous reading — Marjorie Beck, Patricia Edwards; interpretive reading — Judith Oelhafen, Sharon Harbeck, Eileen Hanselman, Mary Ann Sinclair; play reading — Merlyn Schultz, Nila Smith; four-minute speech — Celine Simon; original oration — Richard Czaja; non-original oration — Sue Sengpiel. The two students receiving the highest ratings will be eligible to participate in the league contest to be held at Germantown on March 14.

Among the students named to the honor roll at Lakeland College, Route 1, Sheboygan, for the first semester of the 1958-59 school year was Fred Seefeldt of Route 1, Kewaskum, a junior.

Mr. and Mrs. Marvin Hansen had their twin daughters baptized Sunday by the Rev. Gerhard Kaniess in St. Lucas Lutheran Church. The twins were named Charlene Rae and Christine Fae.

Mr. and Mrs. Francis J. Berres, West Bend, announce the engagement of their daughter, Bette Jane, to Darrell M. Larson, son of Mr. and Mrs. Ed Larson, Kewaskum.

The Kewaskum Chevrolets of the Land o' Lakes league, who won their first two games the weekend before, to advance to the semi-finals in the double elimination, at the invitational tournament in Mt. Calvary, were defeated in both games played Saturday to be eliminated from the meet. Augie Bilgo, Kewaskum veteran, and one of the stars of the tourney, was honored by being selected on the all-tournament team at the close of the Mt. Calvary meet. This is a high honor considering that there were 16 teams and more than 125 players in the tourney. Manager "Cisco" Backhaus of Kewaskum was named the all-tournament manager.

William C. Kober of Kewaskum has been promoted to the rank of specialist. Sp. 4. Kober is stationed at a Nike - Hercules site at Richboro, Penn.

SP/4 Ronald E. Klumb, son of Mr. and Mrs. John A. Klumb, Route 1, Kewaskum, returned to his home recently after receiving his discharge from the U.S. Army. Klumb completed two years of active duty, 15½ months of which were spent in Berlin, Germany.

A daughter was born to Mr. and Mrs. Paul Blumer, Kewaskum, on February 22. Sons were born to Mr. and Mrs. Paul

Dean, Kewaskum, on February 20 and to Mr. and Mrs. Raynor Herriges, Kewaskum, on February 23.

# 50 Years Ago

March 2, 1934

At a special meeting of the taxpayers of Joint School District No. 3, Towns of Wayne and Theresa, which was held Monday evening, it was decided to build a new school building to replace the one destroyed by fire a few weeks ago. Work on same will be started immediately. The new building will have one large classroom and will be modern in every respect.

Last week the public service commission authorized the building of a municipal water plant and sewerage system at Campbellsport. The order issued by the commission puts the realization of waterworks by the majority of the "Belle" citizens a step nearer. The water system will be financed with the federal PWA grant of \$33,450 and a federal loan secured by village bonds to the extent of \$40,000. The issue will include \$20,000 in mortgage bonds and \$34,750 in assessment bonds.

About 65 relatives, neighbors and friends gathered at the home of Mr. and Mrs. Otto Liepert in the Town of Farmington on February 28 in honor of their golden wedding anniversary. Mr. Liepert, 72, was born in Germany on August 29, 1861. Mrs. Liepert, 69, whose maiden name was Anna Staeger, was born in the Town of Scott, Sheboygan County, on August 9, 1864. They were married in the Town of Scott on February 28, 1884. Six children were born to them, three of whom have died. Those living to enjoy the golden wedding are Edwin of Milwaukee, Walter residing in the Town of Farmington and Willard on the homestead.

Alfred Seefeldt was elected chairman of the Town of Kewaskum Corn - Hog production program at a meeting of those who signed contracts agreeing to the reduction program which was held in the office above the Bank of Kewaskum Tuesday afternoon. Other members elected on the committee to assist Mr. Seefeldt in the work were Wilmer Prost, vice-chairman, and Christian Backhaus.

The Wisconsin Conservation Commission has instructed all its wardens to call a meeting of the sportsmen in their territory for the purpose of electing a committee of five, including two alternates, to act as an advisory

committee to the commission concerning local fish and game conditions. This committee will recommend to the commission regarding open and closed seasons on fish and game, establishment of refuges, winter feeding programs, etc.

George Schlosser of St. Michaels had the misfortune of dislocating his right elbow when he jumped from the hay mow striking his arm on a hay rack. He will be handicapped in doing his work, for several weeks.

Baby girls were born to Mr. and Mrs. Loren Keller of New Fane on February 24; to Mr. and Mrs. Clifford Stautz of the Town of Kewaskum, also on February 24; to Mr. and Mrs. Frank Keller Jr. on February 24, and to Mr. and Mrs. Maurice Rosenheimer of Kewaskum, on February 27. A baby boy was born to Mr. and Mrs. Charles Mc Elroy of Adell on Sunday. Mrs. Mc Elroy is the former Miss Adelia Hintz of Beechwood.

# 75 Years Ago

February 27, 1909

Aloysius Haessly, the 13-year-old son of Mr. and Mrs. Charles Haessly, living on the John Hess farm, met with a horrible death last Monday morning. The boy had been assisting his father in cutting feed and in some way his clothing got caught on the tumbling rod of the horsepower which whiled him to his death before the machinery could be stopped.

On account of the scaring of teams by locomotives L. Rosenheimer has made arrangements so that potatoes can be unloaded at the west door of their warehouse.

Miss Ella Brockhaus, daughter of Mrs. Fred Brockhaus, and Fred W. Backhaus were married at St. John's Church, New Fane, on February 20.

A baby girl was born to Mr. and Mrs. Frank Zwazchka of Kewaskum on February 26.

## GEAR CHILDREN'S RESPONSIBILITIES, DUTIES TO THEIR LEVEL

Allowing your children to participate in household tasks at an early age can build their self-esteem, develop responsibility, help them learn to make decisions, and make them feel more like part of the family. Shared tasks are also an excellent opportunity to begin the sharing of feelings and needs you will want in your relationships when your children are older.

Even very young children want to be useful around the home. But their desire to help and to feel needed may exceed their ability to perform certain tasks well. When asking them to do specific household chores, you should be prepared to accept less perfection than you would from yourself. You must teach them how to perform the task, give them lots of encouragement, and allow for much practice and many mistakes.

Toddlers can begin participating in family responsibilities by taking care of their own things. They can learn to put away their toys or to help put away groceries. It is important to remember that toddlers can only remember one thing at a time. If, for example, you ask to pick up a toy, wait until they finish before asking them to put away a coat.

You can begin to expect your five-year-old to follow some routine tasks without always reminding them. For example, you may expect them to "make" their beds most of the time — within their five-year-old limits. They won't be able to pass a military inspection, but they might be able to pull the blanket up and flatten it out.

Primary school children become better at learning routines, and so you can expect them to be better at remembering tasks. You should be careful not to nag at them. To avoid this, help them develop a system that will act as a reminder, such as a checklist or pictures.

Your children need to know that their contribution is truly appreciated. When they do a task such as making their bed but their work doesn't meet your standard of perfection, don't criticize them or do it over yourself. Such responses make them feel like failures when they may well have given their best effort. If a task requires an adult's level of perfection, do it yourself.

It is also important to remember that children develop skills at different rates. Just because your first-born was able to perform a task at age seven doesn't mean you can expect the same ability from your next child.

With lots of patience and encouragement, you can help your children view household chores as a normal part of life that allows them to contribute their abilities to the family welfare. Rather than just helping mom with "her" house, and they may come to see themselves as contributing to the upkeep of "our" house. That is a big step forward in developing an adult sense of responsibility and can strengthen your relationship along the way.

## APPLY NOW FOR SUMMER 4-H CAMP COUNSELOR POSITION

Selection will be made soon for High School age youth and adults who will be counselors at Summer 4-H Camp. Anyone who is interested should contact the 4-H Office soon.

The Ozaukee-Washington County 4-H Camp will be the first week of July. July 1-4 will be for 9 - 11 year old campers, July 4-7 will be for 12 - 14 year old campers. Both camps will be at Camp Upham Woods near Wisconsin Dells.

There are two types of counselors needed for a good camp. One kind is the cabin counselor. The cabin counselor lives in a cabin with a small group of campers. He helps them with their everyday decisions and gives them personal care. The other kind of counselor is called a resource counselor. This counselor is responsible for program activities and teaches such things as crafts, waterfront, nature, recreation and other programs.

A weekend camp counselor workshop will be held in April. The workshop will give potential counselors background on the responsibilities and role of a counselor.

High School age youth fill most of the counselor positions. Adults are also needed for some of the resource counselor positions or as adult advisors and chaperones.

A camp planning committee will soon begin making plans and selection of counselors. Call the 4-H Office soon if you wish to serve on the planning committee or accept a camp staff position.

## WAYNE CRUSADERS 4-H CLUB NOTES

The February 14th meeting of the Wayne Crusaders 4-H Club was called to order by President Chris Schulz. Pledges were led by members with January and February birthdays. The minutes of the December meeting were read by club secretary Brenda Oelhafen. A motion was made by Kevin Bartelt and seconded by Julie Schulz to accept the secretary's report. Keith Bartelt's treasurer's report was also read and approved.

Grandpa and Grandma Koenig handed out valentines to all members. Grandpa Koenig told us a few jokes. We reviewed our projects and project leaders. Any members having problems are to let Mrs. Filber, our General Leader, know.

Roller skating during Easter vacation was discussed. Jon Etta, chairman, Keith Bartelt, Jim Schulz, Kevin Bartelt, Philip Filber, David Schulz, Julie Schulz, and Chris Schulz will make the window display for June Dairy Month.

A motion was made and seconded to give a \$25.00 donation to Ventures in People. Sheets were handed out of lists of items Ventures in People could use for the Haiti Project. Mrs. Wendy Coulter will be going to Haiti from our area and will take the items along. It is a project to help the people in the poorest country in the Western Hemisphere, basically teaching them to help themselves. All members will bring an item to our March meeting as part of the roll call in addition to wearing green.

Refreshments for the month of March will be brought by the Anderson and Oelhafen families.

A motion was made and seconded to adjourn the meeting.

Jon Etta, Reporter

## KEWASKUM 4-H CLUB

The Kewaskum 4-H February meeting was called to order by our president, Debbi Seideman. The 4-H pledge was led by Jenny Sauer and the American pledge was led by Jenny Bauer.

The secretary's report was given and accepted by Holli Etta and seconded by Jenny Carron.

For our February activity we went bowling in Campbellsport. For our next meeting, bring your poster on safety.

We talked about the Japanese exchange.

We played a guessing "Who" game and had refreshments.

Refreshment committee for next month will be Debbi Seideman and Rhonda Herriges.

The meeting was adjourned and accepted by Chris Holz and Bill Butzlaff.

Holli Etta, Reporter

## \$1,000 Contribution Given to Belle Albright 4-H Memorial Fund

The Belle Albright Memorial 4-H Fund received a one thousand dollar contribution from Mr. and Mrs. Lawrence (Sonny) Albright of West Bend. Belle Albright, a pioneer 4-H leader in Washington County.

Belle Albright was elected the first president of the Washington County 4-H Leaders Association when it was formed 50 years ago in August 1934.

In 1960, the 4-H Leaders Association established the Belle Albright Memorial 4-H Fund in her memory. Contributions from present and

former 4-H members and friends helped establish the fund.

One of the activities that Mrs. Albright believed was of great value was demonstrations by 4-H members. Therefore, proceeds from the fund are used each year as awards to 4-H members who participated in the county demonstration and speaking programs and other 4-H activities.

Mrs. Harold Groth, Jackson, is president of the Belle Albright Committee. Paul Cypher, West Bend is treasurer.

## ... about your Social Security

By David Becker, Social Security Branch Manager in West Bend

### EARLY DELIVERY OF SOCIAL SECURITY CHECKS

Monthly social security checks which are normally delivered on the third of March will be delivered on March 2nd instead, according to Mr. Becker, manager of the West Bend Social Security Office.

"Benefit checks are mailed early when the usual delivery date falls on a Saturday, Sunday, or legal holiday," Becker said. "In these instances, the checks are dated and delivered on the first day

before the third of the month that is not a Saturday, Sunday, or holiday."

Becker stated that this procedure helps reduce the problems that people have when they receive their checks and their banks are closed. These situations occur several times during the year, and Becker advised that SSA would provide similar information about future early check delivery dates as they occur.

# Gehl Company Celebrates 125th Anniversary

Finding out what farmers equipment needs are remains a top priority at Gehl, even for executive vice president John Gehl.

The 125th anniversary logo design not only indicates Gehl's long-term commitment to agriculture, but depicts a modern, aggressive company doing better what they do best.

(WEST BEND) — Gehl Company, the largest independently owned manufacturer of farm equipment in the U.S. today, has just added another distinction — it's 125 years old!

Originally started in 1859 as a blacksmith shop and foundry near its present headquarters here, the Gehl family became involved with the business in 1901.

The original thrust of the Gehl product line was toward the livestock producer with feed-making equipment including whole stalk corn cutting machines and elevator-type silo fillers. Through the decades of evolution in farming, the company has maintained its primary product lines in the areas of feed-making equipment. It now includes forage harvesters, blowers, self-unloading forage boxes, large round balers, mower conditioners, hay rakes, portable grinder-mixers and skid-steer loaders.

Today, the third generation of Gehl family members are in leading management positions within the company. According to John W. Gehl, namesake of the original Gehl and currently executive vice president: "Despite our age, we are continually striving to be a progressive, innovative company with well-engineered products. I think this is evident throughout our history, based on the many product firsts and the evolution of many new product concepts over the past decades.

"For three generations we've built on reliability, durability, quality and above all, service to our customers. We haven't tried to be everything to everybody. I guess whatever we've done, we've done well. Our product lines have always been specialized lines, and we'll continue that way. Our mission for today is doing better what we do best."

So Gehl Company is not only

the largest independently owned machinery company today, it is probably one of the oldest as well. And the little blacksmith shop by the Milwaukee River has grown into a company with 1,200 dealers in the United States and Canada. It's also a major exporter with another manufacturing in Madison, SD, and a company that is making inroads into the industrial market with its advanced skid-steer loader line.

What does the future hold for farm equipment companies? "We'll probably be seeing more specialized companies," Gehl explains. "And that's right where we're positioned."

"The silliest of all people are those who do foolish things to show off."

## FCIC Offers Crop Insurance for County Producers

April 15 is the last day to apply for crop insurance for barley, corn, grain sorghum, green peas, oats, soybeans, and sweet corn in Ozaukee and Washington Counties, according to Carl Huhndorf, Acting District Director for the Federal Crop Insurance Corporation (FCIC).

Crop Insurance covers unavoidable loss of production resulting from adverse weather conditions, wildlife, earthquake, or fire.

"Three coverage levels (50, 65, or 75 percent) are available for insurance protection. Additionally, FCIC offers three optional price elections for valuing production lost or damaged," says Huhndorf. "To assist producers, the

Federal Crop Insurance Corporation will cost-share up to 30 percent of the cost of carrying insurance. For more information about the program, producers should contact an authorized crop insurance agent," says Huhndorf.

To select an agent, producers should check the list of agents available at their county ASCS office. Applications should be submitted to the sales agent no later than April 15.

By law, butter is 80% fat.

# SMILE AMERICA

A Healthy Smile Brightens Everyone's Day

## Fluoride Reduces Tooth Decay

The Washington County Dental Society brings you this article in observance of National Children's Dental Health Month. It is the fourth in a series of eight on "Going Through Life with a Smile."

Forty years ago, the City Council of Newburgh, N.Y., made a decision that has subsequently affected the dental health of millions of Americans in other cities and states. With the official approval of the New York State Department of Health, Newburgh decided to adjust the level of fluoride in its water supply to one part per million. The nearby city of Kingston agreed to serve as a control city in the study and to continue using its fluoride-deficient water. Ten years later, the children of Newburgh had about 60% fewer cavities than the children of Kingston.

Hundreds of scientific papers have now been written about the effects of fluoride on dental health. But the best proof that fluoride works can be found in the mouths of American children.

According to a 1979-80 study done by the National Caries Program of the National Institute of Dental Research, tooth decay among children aged 5 to 17 has decreased by about 32% in the last eight years. Much of the credit for this improvement in dental health belongs to fluoride.

Exactly how fluoride works is still under investigation, but recent research indicates that fluoride acts in various ways to help prevent decay. It unites with the surfaces of the teeth, making them harder. It interferes with the growth of bacteria on the teeth. Last, but not least, it somehow helps to reverse the earliest stages of tooth decay, those visible only under the microscope.

The best way for people to get

the fluoride they need for good dental health is by drinking water that contains the right amount of fluoride. In some communities, the water supply already contains enough fluoride. In others, the amount of fluoride can be adjusted until the correct level is reached, about one part per million.

Community water fluoridation is inexpensive and highly effective. All people have to do to enjoy its benefits is to drink the water they need; no one is excluded. For as little as 20¢ per person per year, children can have up to 65% fewer cavities, 20% of the teenagers can be free from tooth decay, and adults can have 45% to 50% fewer decayed, missing, or filled teeth. Each dollar spent on fluoridation can save as much as \$50 on dental bills.

In communities in which the water supply is not fluoridated or in which there is no central water supply, dentists and physicians may prescribe fluoride tablets or drops for children to take daily, or fluoride may be added to the school water supply. Children may also benefit from weekly fluoride mouthrinse programs at school or the application of fluoride gels in the dental office.

Everyone should use dental care products containing fluoride at home. Use of fluoride toothpaste when brushing your teeth and rinse daily with the nonprescription fluoride mouthrinse. Toothpastes and mouthrinses with the seal of the American Dental Association's Council on Dental Therapeutics on the carton, tube, or bottle have been proved effective in reducing tooth decay.

Using fluoride helps everyone's dental health. Just ask the citizens of Newburgh, N.Y. Forty years ago, they decided to add fluoride to their water supply...and they're still doing

it. Today, over 230 million people throughout the world have followed their example.

## Do-It-Yourself Solar Classes

A class on "Solar Water Heating: Commercial or Do-it-yourself" is being held Thursday evening, March 8, in West Bend or April 19 in Hartford.

Dan Folkman, UW-Extension and Charles Tueller, Milwaukee Trade and Technical School will review the different types of commercially available solar domestic hot water heating systems and help participants determine whether a system is a good family investment. They will also explain how you can save money by assembling and installing your own system through UW-Extension workshops.

The March 8 class will be held in the UW-Extension office, 515 E. Washington, West Bend, while the April 19 class is scheduled in the Hartford Recreation Department, 525 North Main. Cost for the solar water heating class is \$10 per single or \$12 per couple.

Pre-registration is required. Contact Dan Wilson, Hort/Resource Agent with UW-Extension, at 338-4480 for registration information.

Eagles usually keep the same mates for life.

SHERIFFS

DEPARTMENT

CLARENCE A. SCHWARTZ, SHERIFF

## Solicitations

Sheriff Clarence A. Schwartz warned county residents that his agency is not soliciting for donations for any projects. The Sheriff indicated that in recent weeks some businesses have been contacted by a man in-fering to represent the Washington County Sheriff's Department. The man was selling advertising space for law enforcement publications.

"This individual was not employed by, nor was he in any way connected with, the Washington County Sheriff's Department," declared the Sheriff. The Sheriff stated that his agency is not soliciting for any funds for any projects, and if in the future we did need to engage in this activity, partici-

pants would have proper identification, signed by the Sheriff. Also, they would be willing to fully explain how the money was to be used. They would also have no objection if a suspicious donor wanted to contact my office before giving money or materials.

Schwartz asked that county residents and business people call his office at (414) 338-4411 (or 644-5204 Slinger line) if they are contacted by anyone who is soliciting money supposedly for a law enforcement project.

This problem seems to crop up every few years and I want to clarify the department's position and stop it once and for all, the Sheriff concluded.

## Minutes of Village Board Meeting

Mid-Monthly Meeting  
February 20, 1984  
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin met in mid-monthly session in the Council Room of the Municipal Building, 204 First Street.

Administrator Schmidt called the meeting to order. President Stollenwerk asked to be excused and was absent. All other Trustee Members were present.

On a motion by Trustee Howard Laubenstein, seconded by Trustee Donald Mlodzik and unanimously carried by voice vote, the Board appointed Trustee David Nigh to serve as President Pro-Tem.

On a motion by Trustee Paul Blumer, seconded by Trustee Richard Schmidt and unanimously carried by voice vote, the Board approved the minutes of February 6, 1984.

Mr. Frank Kutz appeared before the Board regarding a couple of concerns, which the Board responded to. One concern was the lifting of the winter parking restrictions, which the Board indicated will be reviewed at the March 5, 1984 meeting.

Motion was made by Trustee Donald Mlodzik, seconded by Trustee Mary Krueger to suspend the rules to take action on agenda items V., IV., and IX. A (Opening of sealed bids for Garbage Truck Chassis, Public Hearing on the Conditional Use Permit for Mr. Fred Robertson and action on the same). Roll call vote was passed by the majority. Roll call was 6 "Aye," 0 "Nay," 1 "Absent."

- The opening of bids as advertised for the Garbage Truck Chassis were as follows: (The bids were read aloud).
- 1) Jack Matteson, Mayville, WI \$16,137.96
  - 2) Bob Fish, West Bend, WI \$25,493.00
  - 3) Honeck Chevrolet, Inc., Kewaskum, WI \$17,510.00
  - 4) Cooleys, Inc., West Bend, WI \$18,194.00
  - 5) Irle Ford - Mercury, Hartford, WI \$17,395.00

On a motion by Trustee Donald Mlodzik, seconded by Trustee Paul Blumer and unanimously carried by voice vote, the Board turned all bids over to the Public Works Committee for review. It was noted several differences in option on equip-

ment are reflected on each proposal.

The Public Hearing was held on the request of a Conditional Use Permit on the application of Fred Robertson, for a Conditional Use Permit for the first floor of 1304 Fond du Lac Avenue to be used as a Rooming House. Mr. Robertson informed the Board of his intentions and indicated he was aware of the restrictions recommended by the Plan Commission. Trustee Howard Laubenstein reported on the Plan Commission's recommendation and restrictions suggested.

Motion was made by Trustee Richard Schmidt, seconded by Trustee Donald Mlodzik to close the Public Hearing. Roll call vote was carried by the majority. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent."

The Board reviewed the request and the recommendations of the Plan Commission. On a motion by Trustee Richard Schmidt, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the Board approved the Conditional Use Permit as recommended by the Plan Commission on February 7, 1984, for the application of Mr. Fred Robertson regarding the first floor of 1304 Fond du Lac Avenue to be used as a Rooming House and authorized the Administrator to issue the Conditional Use Permit, with the following restrictions:

- I. The maximum number of tenants in the unit would be six.
- II. The tenants would be Marigold Dairy or trucking subcontracts of Marigold Dairy. (Due to parking requirements).
- III. That an annual review be held by the Village Board on this Conditional Use Permit the second meeting in February.
- IV. That the existing bedroom sizes not be reduced.
- V. That the remodeling/restriction required by the State Department of LHR be adhered to.
- VI. That the State Inspector approve those required improvements before authorizing the Village Building Inspector to issue an occupancy permit.
- VII. That if the tenants in this unit are found to be unreasonably loud or troublesome the Board may issue the owner a 10 day notice to have such permit brought up for review.

Superintendent of Public Works, Augie Bilgo, informed the Board that the footing and foundation of the water tower has been completed and the

steel work should begin in a week or two.

Administrator Daniel Schmidt informed the Board that Majerus Construction and Landfill have increased the dump charges for the Village refuse from \$2.50 per yard to \$3.00 per yard. (Note, the increase to take effect April 1, 1984).

Trustee Donald Mlodzik, Chairman of the Public Works Committee, reported on the Committee meeting that was held prior to the Village Board meeting. The Committee recommended increasing the rent for the Village owned house and that certified letters be sent to 15 property owners still having low hanging branches.

On a motion by Trustee Paul Blumer, seconded by Trustee Howard Laubenstein and unanimously carried by voice vote, the Board approved increasing the rent for 1102 Fond du Lac Avenue to \$185.00 per month and 1102A to \$165 per month, with the rent covering the cost of the sewer and water bills for the last 3 quarters of 1984 with provisions in the 1985 budget to rework the water lines to provide for separate readings/billings for both units in 1985.

On a motion by Trustee Mary Krueger, seconded by Trustee Richard Schmidt and unanimously carried by voice vote, the Board approved the sending of certified letters to 15 property owners having low hanging branches informing them that they are in violation of the Municipal Code and that they are to take corrective action and if they don't the village will and bill them accordingly.

Trustee Richard Schmidt, Chairman of the Park and Recreation Committee, informed the Board that on March 19, 1984, a Committee meeting will be held at 7:00 p.m.

On a motion by Trustee Donald Mlodzik, seconded by Trustee Paul Blumer and unanimously carried by voice vote, the Board tabled action on the Garbage Truck Chassis bids until March 5, 1984, after the Public Works Committee has time to review them.

Motion was made by Trustee Howard Laubenstein, seconded

## New Furnace With 80% Efficiency Now Available at Johann

A new gas furnace has been designed to offer homeowners higher efficiency and help reduce household gas usage. The new G16, or Conservator® III as it is called, is manufactured by Lennox Industries Inc., and is now available at Johann Plumbing & Heating, Inc., of 2450 Hwy. 28 E., Kewaskum, WI 53040, as an independent Lennox dealership.

The new G16 has an Annual Fuel Utilization Efficiency (A.F.U.E.) of 80% as compared to older standard efficiency furnaces which average 55 to 60%. The G16 uses conventional heating technology more efficiently, which cuts energy bills yet its cost is very competitive allowing a homeowner to recover his investment in a short period of time.

The G16 furnace is available in sizes to meet most any home's heating needs and is available for use with either natural gas or LPG. Each model will easily accommodate add-on air conditioning, electronic air cleaners and power humidifiers for a complete all season system.

The units are certified by the American Gas Association (A.G.A.) and have been tested and rated according to Department of Energy (D.O.E.) standards.

For the G16, flue products are

removed by an induced draft blower which safely vents combustion products out of the home. This blower operates only while the furnace is on and prevents heated house air from escaping when the furnace is off.

G16's feature a safe, dependable spark ignition system rather than a standard pilot. This Lennox POWERLITE (TM) ignition system provides 100% safety shutoff of gas supply to the pilot and main burners after each heating cycle. Pilot ignition is fully automatic and occurs only when the thermostat calls for heat.

The G16 uses the exclusive Lennox DURACURVE® heat exchanger that has a longer service life proven by years of successful use. Constructed of heavy gauge aluminized steel, the DURACURVE's unique design eliminates ticking and resonance noises in the home's heating system. The DURACURVE heat exchanger carries a 15-year warranty.

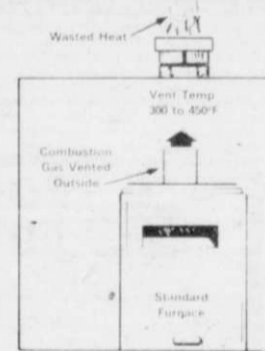

G16 cabinets are constructed of heavy gauge steel and come equipped with durable steel burners that have continuous slots for clean efficient combustion. The furnace uses a large hammock-type air filter that can be easily changed by the homeowner.

With the introduction of the G16, homeowners can get a higher efficiency furnace at an attractive price, reducing their energy bills and producing a return on their investment that will continue for the life of the furnace. Homeowners interested in how much the G16 can save them should contact Johann Plumbing & Heating, Inc., at 334-9481.

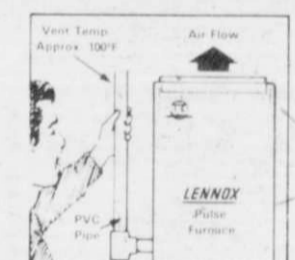

(Advertisement)

"The peaceful are the strong."

## Efficiency You Can Feel!

Do you know why the flue on your conventional gas furnace is so hot? Because it's sending up to 450 degrees of heat up the flue and out of your house, that's why! What a waste!

Compare that with the flue temperature of the Lennox Pulse furnace... just a little over 100 degrees! It delivers almost all the heat to your home instead of wasting it up the flue. The flue temperature is so low, the Lennox Pulse furnace can be vented with ordinary plastic PVC pipe instead of an expensive brick chimney.

LENNOX

See us about the Lennox Pulse furnace and quit wasting all those heating dollars up the flue. With a Lennox Pulse furnace you can actually feel the efficiency as it cuts your heating bill up to 42%.

**SENSENBRENNER**  
*Reports*

**TAXPAYER RELIEF**

F. James Sensenbrenner, Jr. announced that he has co-sponsored H.R. 4622, a bill which would allow taxpayers to deduct from federal taxes the fees paid for sewer services.

Presently, Section 164 of the Internal Revenue Code provides that certain taxes, including state and local, foreign, and real property taxes, are allowed as a deduction. Under this proposed legislation, local sewer fees would be allowed as a deduction in the same manner as local and real property taxes under Code

Section 164.

Sensenbrenner said: "If a city receives a federal sewer grant, the city is generally required to impose user fees to pay for the sewer services. H.R. 4622 would enable the taxpayers to deduct this user fee. Enacting this legislation would make it clear to the IRS that a user fee can be allowed as a deduction. This bill would give help to the many Ninth District residents who are experiencing increased user fees due to upgraded sewer services."

**Luckhardt Attends Briefing With President Reagan**

Our State Representative, Esther Doughty Luckhardt (R-Horicon), reports she was one of a delegation of Republican women legislators from Wisconsin invited to attend a briefing with President Reagan at the White House on Friday, February 17th.

The Republican lawmaker emphasized she made the trip "at my own expense and on my own time off during the weekend." In addition to the President, the Wisconsin Republican women met with: Vice President Bush and the following members of the Reagan Administration: Secretaries Dole, Department of Transportation; Bell, Department of Education; Pierce, Housing & Urban Development; Heckler, Department of Health & Human Services; and Regan, Treasury Department.

"I was delighted by this unusual and provocative opportunity to meet with President Reagan and members of his cabinet," Luckhardt said. "I welcomed the chance to discuss with them some problems and issues which concern the people of our Assembly district as well as the state in general."

Luckhardt said subjects she planned to take up with the President and his cabinet members included:

1. A more equitable share of federal aids and grants for Wisconsin which ranks near the last among the states in this category;

2. The need for realistic and effective solutions to the dairy surplus problem that do not push relatively small dairy farm operations to the brink of bankruptcy; and,

3. The need for prompt, effective and "hard nosed" action by his administration to drastically reduce the "scandalous waste, inefficiency and outright corruption in the procurement operations of the Department of Defense" — to give the American people a full dollar's worth of national defense for every tax dollar spent by that department.

"In my opinion, the most critical problems facing the American people are continued deficit-financing of the federal budget and escalation of the national debt," Luckhardt added. "I urged President Reagan to use his veto powers to curb the appetites of the Big Spenders in both houses of Congress."

"President Reagan and his administration are to be commended for conducting

these briefing sessions to improve communication between the state and federal levels of government and I am gratified by the opportunity to participate in one of them," concluded Luckhardt.

**Panzer Office Hours In Towns Auburn, Scott**

State Representative Mary Panzer (R-West Bend) has announced that she will be holding office hours in the Town of Auburn on Saturday, March 3, from 10:30 to 11:30 a.m. at the Town Hall, and in the Town of Scott Town Hall from 12:30 to 1:30 p.m. the same day. Representative Panzer will be on hand to discuss issues of importance to area residents with particular emphasis on issues likely to be addressed in the spring floorperiod. Issues likely to be debated include the state budget surplus, groundwater protection, and interstate banking. If you have any comments on these or any other topics, please stop by the Town Halls.

**Refresher Course For Auto Mechanics**

Moraine Park Technical Institute, Fond du Lac, is offering a refresher course for auto mechanics planning to take the certified mechanics test given by the National Institute for Automotive Service Excellence (NIASE).

This course is for mechanics who are interested in reviewing the established automobile service procedures in preparation for taking the ASE Certification Test in May, 1984. This will use lecture, discussion, audiovisual aids, and sample tests, and questions will assist you in preparing for the tests. The eight-session review course will begin March 5 and end April 23 for a total of 24 hours of instruction. The cost for the course is \$12.80. Register by calling Moraine Park Technical Institute at 929-2100.

**GOVERNOR EARL, LEGISLATORS PROPOSE TOUGHER GRADUATION REQUIREMENTS**

National educational excellence studies have pointed to the depth of rigor of high school education as a place where improvement can and must be made if we are to adequately educate our children. Public opinion seems to support this finding. Many citizens are concerned with the lack of difficulty of high school coursework, causing today's graduates to be ill-prepared for the world of work or post-secondary education.

As a result of these findings, the concept of implementing tougher graduation standards for students has emerged as one answer for upgrading the quality of education.

In Wisconsin, two proposals are now being examined. Governor Tony Earl has called for adoption of a plan to require 24 credits to graduate from high

school. These credits would include the following: 4 years of English, 3 years of social studies, 2 years of math, 2 years of science, 1½ years of physical education, 6 credits in vocational education, fine arts, or foreign language, and 5 credits in electives.

The Republican Caucus has formed an education committee which has studied a variety of issues in education. In the area of graduation requirements, it has come up with the following proposal: 4 years of English, including one year of composition; 3 years of social studies, 2½ years of math, and ½ year of computer theory and training.

While raising graduation standards alone will not ensure quality education for all, it will be a first step in adopting a visible and quantifiable measure of what students are being taught.

Apples keep longer if they don't touch one another.

### Lakes Team Edged By Second Place Cedarburg, 119-117

Cedarburg, which holds down second place in the "A" Division of the Land o' Lakes League with a 10-1 record, barely defeated Kewaskum at Cedarburg Sunday night by two points, 119-117. The loss dropped Kewaskum to 5-6 in the "B" Division.

Cedarburg held a 17-point lead in the second quarter, but Kewaskum battled back and kept narrowing the lead the rest of the game. They cut the lead to two points in the fourth quarter. Kewaskum just missed a chance to tie it up with five seconds left. Cedarburg appeared to have the win locked up with a 119-116 lead and they had the ball for a throw-in. However, Kewaskum intercepted the ball and Clark Eichstedt's short jump shot just rolled off the rim as he was fouled in the act of shooting. He made one of two free throws to make the final score 119-117. Had he made the basket the score would have been tied.

The winners' Steve Van Dyck was the top scorer in the game with 38 points, while teammate Scott Murray chipped in 27. Kewaskum's top scorers were Bill Gonwa with 28 points, Leon Laatsch with 24 and Mike Maney with 22.

On Sunday, March 4, Kewaskum will host "B" Division leader Sussex (7-3) at 7:30 p.m.

**Kewaskum**—[32-26-36-32-117]: Laatsch 11-2-5, Eichstedt 7-3-4, Nigh 7-1-2, Backhaus 0-0-4, Gonwa 14-0-3, Maney 6-10-5, Thomas 4-3-3. Totals: 49-19-26. FTM 6.

### KHS Chess Team Nips Germantown, Remains Undefeated

The Kewaskum chess team remained undefeated Tuesday night by defeating second place Germantown, 28-27. Kewaskum improved its conference record to 6-0 and overall record to 8-0.

The team was aided by forfeits at boards 9 and 10 which gave the Indians 3 points.

Glenn Classey improved his record to 7-0 with a win at board 8.

Randy Igel and Tom Crandell were both commended by advisor Roy Peterson as having good combinations. Igel sprang a surprised discovered check to win his opponent's queen while Crandell had a 3 move combination that left him a bishop ahead.

The match went down to the wire with Kewaskum leading 23-9 with three boards still playing. Germantown led by 2 pawns at board 1, 2 pieces at board 6 and the game was even at board 3.

John Martin at board 6 capitalized on a mistake and gained one of his pieces back and soon had his opponent knight trapped on the side of the board.

Germantown meanwhile gained wins at boards 1 and 3, making the score 23-21 with 5 points available at board 6. After Martin became even in material he began to dominate the endgame, winning the board and bringing the victory to Kewaskum.

The team traveled to Hartford this Tuesday night then will send its top 5 players to the SCCA All-Star tournament this Saturday, also in Hartford.

Board 1 — Gregg Classey lost to Kescenovitz, 0-10.

Board 2 — Jeff Igel lost to Macholl, 0-9.

Board 3 — Todd Jaromin lost to Cary, 0-8.

Board 4 — Tom Crandell defeated Retzer, 7-0.

Board 5 — Romie Holl defeated Cornell, 6-0.

Board 6 — John Martin defeated Hartl, 5-0.

Board 7 — Randy Igel defeated Soerens, 4-0.

Board 8 — Glenn Classey defeated Carrington, 3-0.

Board 9 — Gary Classey won by forfeit, 2-0.

Board 10 — Steve Hubbell won by forfeit, 1-0.

Totals — Kewaskum 28,

Germantown 27.

### Rick Gruber 5th in National Tournament

BINGHAMTON, N.Y. — For the fourth straight year, former Campbellsport wrestling star Rick Gruber has placed in the top five in NCAA Division III national tournament. Gruber, a senior at UW-Oshkosh, posted a 3-2 record and placed fifth in the 118-pound class over the weekend.

Gruber won his first two matches, then lost twice and won his final match for his fifth-place finish. Previously, Gruber had placed fourth, second and third in the national tournament.

Rick is a son of Mr. and Mrs. Joe Gruber, Route 2, Campbellsport, former residents of Kewaskum.

# Callison Wins First Match, Then Loses in State Wrestling

Kewaskum's Bob Callison used a tight waist in the third period to hold Chris Jensen of Oconomowoc at the State Wrestling Meet in Madison on Friday in the Class A 119 pound class. (Dan Wangerin photo)

Bob Callison, wrestling at 119 pounds in Class A, Kewaskum's only representative in the State Wrestling Tournament held in Madison Friday and Saturday, won his first match Friday morning but was then eliminated in the quarterfinals the same evening.

Callison, a junior who still has another season to look forward to, scored a near fall with :12 to go to nip Mike Brogan of Wisconsin Rapids, 4-2, in his morning match, but then he could not solve the leg ride applied by Oconomowoc's

Chris Jensen, who beat him 4-0 in the second round in the evening.

There was a change in this year's format. First-round losers could move through the wrestlebacks and finish in fifth place. Callison was a victim of the new system, being eliminated after winning his first match and then losing to an eventual finalist in the quarterfinals. Callison was thus eliminated without placing.

Callison ended his year, his first on the Kewaskum varsity, with a 27-3-1 record. His first

round victory gave Kewaskum two points.

State wrestling started at 9:30 a.m. Friday with Class A preliminary matches, followed by Class B and C preliminary matches. At 6:30 p.m. Friday Class A quarterfinals were held with consolation matches following in all three classes. Semifinal matches in all three classes began at 11:30 a.m. Saturday, followed by consolation matches for third and fifth place. Finals in all three classes got underway at 7 p.m. Saturday.

## Indian Girls Edged by Fond du Lac in Regional

By Denise Leong

The Kewaskum girls' basketball team lost at Hartford in the WIAA Regional Basketball Tournament on Thursday, February 23, to Fond du Lac, 37-35, in a game that went down to the wire. The Indians, who finished the season with a 6-13 record, made a strong second half showing but ran out of steam and could not stop a late game Cardinal rally.

In the first game of the evening, Hartford was a 54-43 victor over Waupun. Thus Fond du Lac and Hartford advanced to the regional final Saturday evening. In this contest Hartford, co-champions of the Little Ten Conference with West Bend East, both with 18-2 records, eliminated Fond du Lac easily, 48-23, to advance to the sectional at Fond du Lac this weekend.

The first half started slowly as both teams had numerous turnovers. Kewaskum found the Cardinals' trapping defense difficult to overcome and trailed at the end of the first half, 16-12.

However, the Indians charged back in the second half by scoring the first 6 points of the half, 4 by Julie Koepke and

2 by Lisa Matenaer. The Indians continued their surge with the help of a 4 point play by Donna Hlavaty and led Fond du Lac at the end of the third quarter, 27-22.

In the fourth quarter, Kewaskum extended their lead to 7 points, but the Cardinals would not give up and slowly cut the lead with good field goal and free throw shooting. With 56 seconds left, the Cardinals recaptured the lead, 36-35. After a clutch free throw by Cardinal Kris McClean, the Indians trailed 37-35 with 19 seconds left. Kewaskum tried for a final tying shot, but their efforts fell short as time ran out.

Donna Hlavaty led Kewaskum scorers with 10 points, followed by Julie Koepke with 7. Koepke also grabbed 13 rebounds for the night while Holly Kempf followed with 4 rebounds.

Fond du Lac 37, Kewaskum 35  
Kewaskum (84-15-35): Matenaer 2-0-3, Hlavaty 3-4-1, Bastien 2-0-2, Secor 1-0-1, Kober 1-0-0, Fusek 1-0-2, Kempf 2-0-2, Koepke 3-1-4. Totals: 15-5-15. FTM: 9.  
Fond du Lac (6-10-6-15-37): MacLean 5-1-4, Treleven 1-0-0, Lehmann 1-0-2, Sabel 1-0-1, Martin 1-5-4, Vande Streek 3-0-2, Ruch 3-1-1, Marshall 0-0-3. Totals: 15-7-17. FTM: 10.

## Gymnasts 8th In Regional; Nigh Advances

The Kewaskum girls' gymnastics team placed eighth among the nine teams competing in the WIAA Class A regional at Sheboygan South Saturday.

The Indians' Sandy Nigh could not be denied on uneven bars as she tied for fifth place with 8.01 advancing her to the sectional this Saturday at Manitowoc. She did a perfect routine and did well in every event. Sandy finished seventh in all-around.

The next best Kewaskum finisher was sophomore Darlene Luedtke, who had 7.4 in vaulting for 12th place.

The top seven individuals in each event qualify for sectional and the top five individuals from the sectional will go on to the state meet March 10 in Wisconsin Rapids.

### WIAA REGIONAL AT SHEBOYGAN SOUTH

Team Results — 1. Fond du Lac 94.61; 2. Oshkosh North 92.09; 3. Sheboygan South 91.00; 4. WB East 90.54; 5. WB West 90.05; 6. Manitowoc 88.51; 7. Oshkosh West 87.99; 8. Kewaskum 84-71; 9. Waupun 70.55. (Top three teams, Fond du Lac, Oshkosh North and Sheboygan South to advance to sectionals).

# Indians Lose Final Game To Chilton, Finish Last

By John Harju

The Kewaskum Indians finished their regular season, losing to the Chilton Tigers, 62-57, last Friday in Kewaskum.

The Indians finished a disappointing regular season in last place with a 3-9 conference and 9-9 overall record.

Bad breaks and turnovers caused a Kewaskum fourth quarter comeback to fall short in a fast paced game where free

## Indians Face Fond du Lac in Regional

The Kewaskum Indians of the Eastern Wisconsin Conference will take on the Fond du Lac Cardinals of the Fox River Valley Conference in a Class A WIAA regional tournament playoff game at Goodrich High School in Fond du Lac Friday evening.

The Cardinals finished 0-14 in their conference and 0-18 overall this season, while Kewaskum was 3-9 in conference and 9-9 overall. Both wound up in last place.

throws proved to be the deciding factor. Chilton outscored Kewaskum 20-7 from the free throw line.

Todd Eisner made a basket with 9 seconds remaining to put Chilton ahead, 59-57. Brian Ruplinger took the next inbounds pass and dribbled in to score but was called for a controversial charging foul which nullified the basket and turned the ball back over to Chilton with four seconds left.

A foul on Dennis Butz and a protest technical foul on Kewaskum's coach allowed Eisner to ice the game for Chilton with three more free throws. Eisner finished with 30 of Chilton's 62 points but was limited to only 5 rebounds, 8 under his average.

Brian Arndt led Kewaskum in scoring with 14 points. Jim Hanrahan, who had 5 rebounds, and Dennis Butz, who blocked four shots, were next with 11 and 10 points. Brian Ruplinger rounded things off with 8 points and 4 steals.

The Indians ended up outbounding the Tigers, 26-24. Butz led all players with 8 while Arndt collected 6.

Overall, the game was a very sloppy one with the tempo changing on virtually every trip down the court because of the many turnovers, steals and missed shots. There was a total of 34 turnovers in the game with the Indians turning the ball over 16 times.

After jumping out to a first quarter lead, the Indians began to have problems in the second period. The biggest problem proved to be scoring points. Kewaskum scored only 3 points during the first six minutes of the second quarter. This Indian scoring drought allowed Chilton to come from behind and take a 31-27 halftime lead.

Kewaskum got the lead back momentarily to start the second half when Jeff Squier, who dished out 9 assists, found Arndt and Butz cutting towards the basket to easy buckets. As the second half wore on, the Indians proved to be their own

worst enemies as their constant foul trouble allowed Chilton to take the lead back.

Led by Mike Steinhardt, the Indians attempted a comeback in the fourth quarter, but an Indian victory just wasn't in the cards, and Kewaskum went down in a frustrating defeat.

The Indian JV's defeated the Tigers, 46-43, in the preliminary game. Bob Yahr led with 14 points while Tim Rohlinger had 10. Ron Theusch and Don Menzel had 8 and 7 points, as well. The JV's finished with an impressive 8-4 conference and 13-5 overall record.

The freshmen ended their season on a high note, winning, 49-42. Mike Coulter paced the frosh with 11 points with Pat Ruplinger and Ken Vogt following close behind with 10 points each. The freshmen also received some good timely play out of Mark Schlosser, Jesse Mueller, and Bill Nigh.

## Klein Wrestles in State University Conference Meet

The University of Wisconsin-Stevens Point wrestling team battled its way to a seventh place finish in the Wisconsin State University Conference Meet which concluded at Whitewater Saturday, Feb. 11.

UW-River Falls won its second straight WSUC title and its third in the last four years with a team total of 90.50 points. Scott Klein, a junior from Kewaskum High, advanced to the quarterfinal round at 126 pounds. Klein had a 15-11 season record for the pointers. Scott, a managerial accounting major, is the son of Don and Eileen Klein, Kewaskum.
