It's a Whole New Ballgame for Cedar Lake Satellite Village Plan

By GERRY MUELLER
Statesman Staff Writer

Another meeting designed to inform Town of Wayne residents about the Cedar Lake Home retirement village and clarify residents' questions has apparently muddied the waters and confused them more.

Approximately 100 Wayne residents attending a meeting held Monday night at the Wayne Elementary School learned that the original permit request has been dropped and a revised plan and new request submitted to the Washington County Land Use and Parks Department.

"The night of the fire department meeting I was just shocked when Paul Mueller (Director of the Land Use & Parks Department) got up and I discovered they had put us in the wrong category. I was really shocked and I should have fought that the night of the public meeting at the Court-

house when they read it. I had never seen the group of regulations. They had put us under the nursing homes category and we explained to them we're not planning a nursing home for this campus. We were a retirement center." Those were the statements made by Reverend L.C. Riesch when a Town of Wayne resident asked Riesch if he would care to explain a Parks Department public hearing scheduled for April 12th in West Bend.

What Riesch was referring to in those statements is the fact that the original application for a non-conforming conditional use permit, which would have required both Town Board and Parks Department approval, is dead. The Cedar Lake satellite village plans, however, are alive and well.

In checking Tuesday morning with Mueller, the Statesman was told that as far as his department was concerned, the

original application matter was dead. However, Cedar Lake has come back seeking a new conditional use permit under a different classification. Mueller stated, "it has to do with what category I've placed them in, not which one they would like to be in." He said, "what they have done is dropped the wording having to do with medical therapy." The sections of their proposal which contained these statements in their original request automatically placed them under the classification of nursing homes and skilled care units which would have required permit approval from both the Wayne Board and the Land Use Department.

Under the new classification, only the Land Use Department would be required to approve the request, however, they could contact the Town Board and ask it for any comments or recommendations it might

(Continued on Page 2)

Candidates Face Voters at Forum

Spring Election Set For Tuesday, April 3

By GERRY MUELLER
Statesman Staff Writer

Area candidates who are seeking positions on the Kewaskum Village, School and Washington County Boards faced approximately 25 of their constituents at a Voter's Forum held Thursday evening by the League of Women Voters.

The first speakers on the agenda were Village Board candidates Richard Schmidt and Thomas McElhatton. Schmidt, 34, is employed as a mechanic for the Washington County Highway Department. A lifetime resident of Kewaskum, he is seeking his second full term as trustee. He presently serves as chairman of the Parks and Recreation Committee. Schmidt told the voters his reasons for seeking re-election were, "I want to see Kewaskum grow in the right direction. I won't promise taxes won't go up, but I will try to see that the money that is spent is spent wisely."

McElhatton is seeking his first term on the board. A lifelong resident of Kewaskum, he is employed as an electrician. Tom is a nine-year mem-

ber of the Fire Department and is lieutenant of the Rescue Squad. "Some of the reasons I decided to run for trustee, said McElhatton are, I believe as a taxpayer, the Village Board could be spending our tax money more efficiently. I would also like the people of this village to get more involved in the meetings. I think by being elected, I will help work with the people and improve the board and our community."

Two other Village Board candidates, incumbents Howard Laubenstein and Donald Mlodzik, did not attend the Forum. The League of Women Voters Forum chairwoman told the meeting she had received a letter from Mlodzik indicating he would be out of town. No response to the invitation was received from Laubenstein.

Mlodzik is employed by Regal Ware and formerly owned the Hilltop Laundry. He has served on the board since 1978, and is seeking election to his fourth term as trustee. He serves as chairman of the Public Works Committee.

J.O. Reigle \$4,000 Scholarships Awarded

Pamela Krahn

Pamela Krahn and David Pesch, seniors at Kewaskum Community High School, have been awarded the 1984 J. O. Reigle Scholarships by Regal Ware, Inc. The \$4,000 scholarships are offered annually to graduating seniors and provide \$1,000 for a four-year college program.

Pam is the daughter of Sylvester and Jean Krahn of Adell. She ranks first in her class with a 4.0 grade point average.

A member of the National Honor Society, Pam served as senior class treasurer as well as

David Pesch

participating in FTA and the German Club. She also served on the yearbook staff, played in the Symphonic Band, was a varsity wrestling cheerleader, and a member of the track team. Pam plans to attend Lakeland College to study medical technology.

David is the son of Andrew and Dianne Pesch of Kewaskum. He ranks sixth in his class with a 3.9 grade point average.

David has been active in athletics, playing on the football and baseball teams for four years and the golf and basketball teams for one year. He also

participated in the German Club and Letter Winners Club, and was a member of the Homecoming Court. David plans to attend UW-Oshkosh to study computer science and management of information systems.

Regal's scholarship program was established in honor of the housewares firm's founder, the late J. O. Reigle. The award recognizes the outstanding scholastic achievements of one or more students from each graduating class at Kewaskum Community High School and assists in their pursuit of a meaningful college education.

KHS Principal Pearson Submits Resignation

By GERRY MUELLER
Statesman Staff Writer

Clark Pearson, principal of the Kewaskum High School for the past twelve years, confirmed that he has submitted his resignation as principal with a request to be transferred back to teaching status as a math instructor.

When Pearson was contacted last Monday about rumors concerning his resignation he was reluctant to confirm them. He said his resignation had been discussed in a closed session of the School Board and did not

know how the information had become public knowledge. At that time Pearson said he, himself, did not know what action the board would take on his request. He felt no further comments regarding the matter should be made until it came up in open session at the April 9th School Board meeting.

The matter of Pearson's resignation became general knowledge when two school board candidates were questioned on the matter during the Voter's Forum last Thursday night.

Open Bids on Reconstruction Of Hy. 28 West From Kewaskum

Apparent low bids totaling \$25.8 million were opened March 20 in Madison by the State Department of Transportation. Involved are 45 highway improvement projects in 37 counties.

Action will be taken on all proposals following engineering

and computer analysis within the Department of Transportation.

In Washington County the projects include: Reconstruction of STH 28 from USH 41 to Kewaskum (CTH 'V'), \$2,071,426.90 - Stoehr Grading Co., Inc., New Berlin.

Satellite Village

(Continued from Page 1)

have. Mueller said that while Cedar Lake may consider the project strictly a retirement village, it can be used for many other uses and some of these fall into other categories dealing with institutions. He said all these things would be taken into consideration when reviewing the new permit request. Mueller said the new application would be taken under consideration and a public hearing on the request held on April 12th.

After the meeting, Town of Wayne Supervisor Leonard Peter said anything that has happened until this point is a dead issue. When asked how this would affect the April 3rd referendum regarding the Cedar Lake project, Peter said, it would not accomplish anything since the project has been re-classified in a new category and town board approval is no longer necessary.

The whole issue apparently revolves around a unit in the project called the "Support Building." Riesch said it would be used for various functions including a pharmacy, physical and occupational therapy and social services rooms. One Wayne resident said he had attended the previous meetings and was confused by Riesch's explanation tonight regarding the Support Building. He said from what was said at earlier meetings he was under the impression that these services would be available from the start of the village. The resident noted, that Riesch's latest comments suggested that these services were now things that would be considered for the future. Riesch said he apparently confused other people also and wanted to apologize for any confusion on that. Riesch said what he meant to say was that

sufficient room was being planned for the building so that in the future, if these services were needed, they could be put into operation without any additional remodeling or expansion. Several other people attending the meeting, however, felt this had not been the way Riesch had presented this part of the project during other informational meetings. Riesch told the meeting, that before any therapy programs were instituted, Cedar Lake would have to come back to the Town and Parks Department for their approval.

Kewaskum Jr. Women, Red Cross to Conduct Babysitting Course

The West Bend Red Cross and the Kewaskum Jr. Woman's Club will be conducting a Babysitting Course on two Saturdays, April 7th and complete on April 14th, from 1 to 5 p.m. at Holy Trinity Church, Kewaskum.

The Babysitting Course is open to all boys and girls, 11 years of age or older.

Babysitting is a serious job. It involves a great deal of responsibility but it can also be fun. In the Red Cross Babysitting Course you learn how to apply for a job, learn how to get along with children of all ages, how to diaper, dress, feed and care for small children and what to do in case of an emergency or accident, what your duties and responsibilities are to the family and many more facts every babysitter should know.

For more information or to register, call the West Bend Red Cross at 334-5687.

For a "Go-Go" shake, combine a small banana, ¼ cup smooth peanut butter, ½ pint vanilla ice cream and a cup of milk. Whirl in a blender until smooth. Serves two.

Ag Scholarship Applications Due

Ag related scholarship applications are available in the Kewaskum High School Ag Dept. They should be returned by March 30.

Scholarships available include: Kewaskum FFA Alumni - 1-\$300 award, Kewaskum Frozen Foods - 1-\$300 award, Valley Bank of Kewaskum - 1-\$300 award, Dr. Charles Ogi Scholarship - 1-\$300 award, Kewaskum Sno-Chiefs Snowmobile Club - 1-\$100 award, Tri-County Pork Producers - 1-\$200 award.

Births

HERRIGES — A son, Steven John, to Russell and Joan Herriges, 2735 Highway H, Kewaskum, Friday, March 16.

ZIMDAHL — A son, Matthew Michael, to Michael and Shelley Zimdahl, Route 1, Campbellsport, Wednesday, March 14.

KLEINKE — A daughter to Fredrick and Dorothy Kleinke, 324 Babalee Lane, West Bend, Wednesday, March 21.

GRASSE — A daughter to

John and Ellyn Grasse, Route 2, Campbellsport, Thursday, March 22.

REESE — A daughter to Ronald and Lois Reese, 615 E. Main St., Campbellsport, Friday, March 23.

Election

[Continued from Page 1]

Laubenstein owns and operates H. Laubenstein & Son with his son John. He is seeking his second term as trustee on the Village Board and serves as chairman of the Protection and Public Safety Committee and board representative on the Plan Commission.

Only one candidate has declared his running for the Washington County Board. Daniel Stoffel, 32, a rural Kewaskum dairy farmer, is seeking election as a write-in candidate to the District Ten Supervisory post on the county board left vacant by the death last January of Supervisor Charles Miller. A lifetime resident of the Kewaskum area, Stoffel has served on the Town of Kewaskum Board for seven years and is the secretary-treasurer of the Washington County unit of the Wisconsin Towns Association.

All six candidates in the school board race attended the forum. They include incumbents Tom Brigham and Jean Goeden, Norma Serwe, trying for a second time to win a school board position, and first-time candidates Charles Bindrich, Kim Peterson, and Ronald Beimborn.

Brigham, a professor at the University of Wisconsin, Washington County Campus, is seeking his second term on the board. He lives in the Town of Wayne and has two children, both attending Wayne Elementary. In reply to our candidates' questionnaire, Brigham gave the following statement: "I am a candidate seeking reelection because I'm interested in continuing to serve our school district by insuring the quality educational future of our children at a reasonable cost. With my 17 years of background in post-secondary educational and budgetary planning and previous three years on the Kewaskum School Board, I feel I would bring to the board, experience, guidance and understanding that would benefit both the educational program and the taxpaying community. The responsibility of education for our children is a team effort. I want to continue to be a part of that total effort."

Goeden handles the record-keeping for her husband's auto body business. She has five children, three have graduated from Kewaskum, one attends the high school and the youngest is in the Middle School. She has been on the School Board for the past seven years and presently serves as Board President. In her reply Goeden stated, "I would like to continue to contribute my time and experience by serving another

term on the School Board. We have a fine beginning for our computer program in all our schools and I hope to see the program continue to grow to meet the needs of the future for our students. I plan to work to update and improve equipment in our vocational education department. Also, it is important that the School Board continues our program of repairs and maintenance of all buildings in our district. Finally, I want to continue to encourage public input and participation in our district."

Norma Serwe is an English instructor at the University of Wisconsin-Oshkosh. She has one child who attends elementary school. Serwe gave the following reasons for her candidacy. "Since I have been involved in both the community, church, AAUW, the Washington County Republican Party and in our school district as a member of several citizen committees, most recently the Long Range Planning Committee which helped get computers in our schools, you can see that I am involved in education personally and since I am an English Instructor, I am involved in education professionally. Our district is facing some difficult times. Since we have a lot of expertise in the community, I would like to see the district make more use of citizen involvement. I listen. I care about our children and their education. I feel I have something to contribute to our district. I pledge to work for all of our students in all of our schools to insure a quality education for all at an affordable price."

Kim Peterson is employed as Director of Field Sales for Regal Ware. He has two children, one

attends Kewaskum Elementary and the other is a student at the high school. Peterson's reasons for running for school board were, "Quality suffers when tough decisions are delayed and the reality of finances are avoided. I am committed to devoting the time to become knowledgeable on the issues... experience qualifies me to effectively act on the business of education."

Ronald Beimborn is self-employed as an electronics technician. He lives with his wife, Carolyn, and daughter, who attends elementary school, at R. 1, 16-185 Hwy S, Adell. In his answer to our questionnaire Beimborn stated, "I will listen to anyone that has something to discuss with me. I will do my best to present it to the board at the meetings. I have a great interest in all aspects of education. I will measure every subject on its own merits, both pro and con. I feel it is possible to have a quality education at a reasonable cost."

Bindrich did not respond to the questionnaire sent to him by the Statesman. For that reason, we are unable to provide further information to our readers on this candidate.

Along with Miller's vacant seat on the County Board, several other board members face opposition in the April 3rd election. Incumbent Norbert Dettmann of Boltonville will be challenged by write-in candidate Mary Lou McKee of the Town of Farmington in the Eleventh District. McKee had filed nomination papers, but due to a recent re-districting of her area, some signatures were invalid since they were no

longer in the Eleventh District. McKee was not able to circulate new papers in time to have her name placed on the ballot. Dettman is finishing his tenth term on the County Board.

In the 14th District, the contest will be between Gordon

Stowers and Robert Seebach for a seat left open by the retirement of Supervisor Orrin Peters.

Twenty-two incumbents will be un-challenged for two-year terms on the Washington County Board.

Washington County Board District 10 supervisory candidate Daniel Stoffel.

Village Board incumbent trustee Richard Schmidt and newcomer Tom McElhatton. Incumbents Donald Mlodzik and Howard Laubenstein were absent.

School Board candidates, left to right: Tom Brigham, Ronald Beimborn, Kim T. Peterson, Charles Bindrich, Norma S. Serwe, Jean E. Goeden.

Thanks and Goodbye

I wish to extend my thanks and appreciation to all my customers throughout the years.

To all our friends, thanks for all past favors. We have moved to our retirement home at Tomahawk.

On Thursday, March 15th, the Kewaskum Middle School Forensics Team attended their third meet of the season at Silverbrook Middle School in West Bend. The team consisted of thirty-five students. Approximately fifteen schools involving over 500 students participated in the Forensics Fantasia. The following is the list of students who participated, their categories and grades:

Prose Reading — Brenda Oelhafen A, John Paula A, Kerrie Lisko B, Ted Anderson B, Juli Swenarski B, Jeanine McElhatton B.

Poetry Reading — Carrie Tiemann A, Jeff Bates A, Steve Gergetz A, Sheila Paulson B, Janet Mueller B.

Storytelling — Kim Poling A, Jenny Lettow A, Ellen Kuphal A, Johanna Fromm A, Linda Schulz B, Wendy Russell B.

Humorous Declamation — Nicole Postuma A, Mark Peters A, Shannon McFadden B, Therese Baron B.

Play Acting — Bridget McKenna B, Mary Pesch B, Angie Nowak B.

Demonstration Speech — Cindy Wilson A, Steve Struebing A, Sally Collins A, Tisha Roher A, Matt Gruss B, Mark Clements B, Gina Olmsted A.

Interpreter's Theater — Ann-Marie Horner B, Traci Dorschner B, Britt Ellis B, Jean Herriges B.

In extremely difficult competition eight members of the team placed in a power round which consisted of the best of the A's and a ranking of 1. The students in the power round were: Poetry Category — Carrie Tiemann; Prose Reading — Brenda Oelhafen and John Paul; Demonstration Speech —

Cindy Wilson and Steve Struebing; Storytelling — Kim Poling, Jenny Lettow and Ellen Kuphal.

To the thrill and delight of everyone at the meet, Brenda Oelhafen in competition with over 50 other students, received the third place bronze medallion in the prose category, power round competition. Her selection was entitled "Using Her Head."

The team went wild with delight when Kim Poling in competition with over 75 other students received the first place gold medallion in the power round, for her storytelling presentation. Her selection was entitled "Vrashima Taro And The Princess Of The Sea."

The Kewaskum Middle School Forensics Coach is Miss

Margaret Smith.

SILVERBROOK MEET — The following students were in the power round held at Silverbrook Middle School in West Bend. Left to right, back row — John Paul - Prose, Jenny Lettow - storytelling, Steve Struebing - demonstration speech, Carrie Tiemann - Poetry, Wendy Wilson - demonstration speech, Ellen Kuphal - storytelling.

Front row — Brenda Oelhafen - prose, third place in power round; Kim Poling - first place storytelling, in power round.

APPOINTMENTS APPRECIATED

Junior Women Involved in Local Program to Eliminate Electrical Hazards in Homes

The Kewaskum Junior Woman's Club is joining the U.S. Consumer Product Safety Commission in a program to identify and eliminate electrical hazards in households in Kewaskum.

Club members will undertake safety audits of their homes using checklists furnished by the U.S. Consumer Product Safety Commission. The checklist is based on common electrical hazards and consumer practices that may cause serious accidents.

"We are pleased to be involved in this important project demonstrating federal and local cooperation," said Beth Stoffel, president of the local club. "Some 1,600 persons die in electrically caused fires or in electrocutions each year in this country, according to CPSC, and almost 28,000 persons are injured in such accidents. Property losses from these fires total \$950 million a year."

Those club members who participate in the electrical safety audit will receive written safety information that will help them recognize unsafe practices with electrical appliances. The checklist will identify common deficiencies and will help them learn what to do about electrical hazards.

The president said that installation of ground fault circuit interrupters and smoke detectors will be stressed during the audits. GFCI's, according to CPSC, are devices that will prevent most electrocutions and severe shocks. Post audit checks will indicate

how much householders learned as a result of the audits, and whether they took steps to eliminate identified hazards after the audits, Ms. Stoffel said.

Any persons wishing a copy of the checklist for use in their own home should write "Electrical Safety Audit," Washington, D.C. 20207.

The fastest-moving glacier in the world is the Quarayaq in Greenland which flows 65-80 feet per day.

Free Blood Pressure Screening in County

The Washington County High Blood Pressure Control Program is offering free blood pressure screening at the following sites during the month of April. This program is sponsored by the Washington County Community Health Nursing Service and the American Heart Association.

April 5 - Walgreen Drug Store, 822 South Main St., West Bend, 1 - 4:30 p.m.

April 7 - Dick's Ambulance & Rescue Service, 411 Kettle Moraine Dr., S., Slinger, 10 a.m. - 12 noon.

April 14 - West Bend Fire

Department, 320 North 7th Avenue, 1 - 4 p.m.

April 19 - Hartford Rescue Squad Garage, North Johnson St. (behind City Hall), 7 - 9 p.m.

April 21 - Richfield State Bank, 1301 Highway 175, 10 a.m. - 12 noon.

April 28 - West Bend Fire Department, 320 North 7th Avenue, 1 - 4 p.m.

Questions about the program may be directed to Coordinator Doris Dauer at 338-4462 or 644-5204.

LIBRARY BOOK DROP IN NEW ADDITION OF MUNICIPAL BUILDING

The Kewaskum Public Library now has a book drop, located in the new entry addition, of the Municipal Building. The book drop is available for use whenever the Municipal office is open. Many patrons are already finding it very handy for returning their books. A reminder to readers - leave your library card in the returned books.

Farmington Recycling Meeting Held

Snow, sleet and wind did not deter 33 hardy citizens interested in recycling from attending a meeting to hear about a new shredder. The meeting Wednesday evening at the Farmington Town Hall was sponsored by the Farmington Recycling committee. Harris Tofte of O & E Machine Corp., Green Bay, was the main speaker. He said his company started making shredders three years ago for the paper industry and now realizes that these machines have a place in recycling.

Shredders will replace hammermills according to Tofte, because hammermills are noisy, dusty and use more energy to operate. "Shredders use a different concept. They pull material apart rather than pound it into small pieces," he continued. Tofte's company makes four different size shredders; seven, fifteen, forty-five and eighty horsepower units. The fifteen horse power unit can shred 150 car tires an hour he said.

When questioned on the maintenance costs, Tofte said one of the shredders in use in Germany shredded 800,000 tires on one set of knives although the knives did have to be "touched-up" between replacement. The cost of new knives was \$8,000 on that unit. The cost of the O & E shredders ranges from \$13,000 to \$240,000.

While use of the shredder for tires was what interested most of Wednesday evenings listeners, they were also interested in the use of the shredder for glass, paper, wood, metal and even appliances. Tofte said Rubber Research of Andover, Minn., is in the process of installing an 80 horse, 40 horse and three 15 horse units to shred tires. After they are shredded they are frozen and by this method the

rubber is separated from the metal and fabric and is reused to make gaskets and other rubber products. Tofte's company is also working with the city of Appleton to install an 80 horse power unit to shred refrigerators, stoves and other white goods.

Steve Kimmel of Detinning Corporation, Milwaukee, was the second speaker. He said his company had been handling tin cans for years and would be willing to bring dumpsters out for recycling groups if there is enough volume to be collected. He said he could bring out a 45 yard box with a partition for tin and aluminum cans or for glass.

Alfred Voigt, 8701 Oak Dr., Kewaskum, was the third speaker of the evening. He said that after hearing Irvin Vincent of N.E.W. Plastics talk at the

January meeting, he went to see the plastic firm in Luxemburg, Wis., and has now perfected a machine to grind plastic. He has already started grinding plastic from Kemp's dairy in Kewaskum and will accept plastic milk bottles and plastic detergent bottles from the public. He is operating out of a former sawmill on Hwy. 28 east of Kewaskum. At present he is not paying money for plastic bottles. He wants to see what the profit margin is to see if he can afford to pay for the bottles.

Following the meeting the enthusiastic audience of auto salvage dealers, land fill operators, town and county officials, environmentalists, waste dealers and interested citizens formed small groups to discuss the latest developments

in the recycling story, ignoring the wind and snow swirling outside the door.

at Riveredge, 4438 W. Hawthorne Drive (Hwy. Y), Newburg, on Saturday, March 31, and Sunday, April 1, from 10:00 a.m. until 4:00 p.m. A self-guiding trail brochure will lead guests through the sugar'n process from the tapped maple tree to the bottle of syrup on your table. The smell of wood smoke, billowing steam and talk of sugar'n will help to provide a memorable visit for everyone in the family.

For more information about the Sugar Bush Open House, call the Center at 675-6888 (Local) or 931-8095 (Metro) weekdays. There is a non-member fee of \$1 adults; \$7.50 children.

Mrs. Myrtle Johnson Dies

Mrs. Myrtle E. Johnson, 91, of Kewaskum, formerly of Canton, Ohio, passed away at the Samaritan Home in West Bend early Thursday morning, March 22, 1984.

She was born on November 13, 1892 in Carroll County, Ohio, to the late Thomas and Mary Taylor Reigle.

Mrs. Johnson was a member of the Peace United Church of Christ in Kewaskum. Survivors include Mrs. L. N. Peterson and Hazel Ringler of Kewaskum, LaVerl Robinson and Ora C. Johnson of Wooster, Ohio; eight grandchildren; 10 great-grandchildren; three great-great-grandchildren; other relatives and friends. Eight brothers preceded her in death.

Private funeral services for Mrs. Johnson were held at Miller's Funeral Home in Kewaskum on Sunday evening, March 25th at 7:00 p.m. with Rev. Darrell Joiner officiating. Burial was in the Peace Church Cemetery on Monday, March 26th, at 10:00 a.m.

Memorials to the Peace Church appreciated.

ADELA LYDIA GIESE

Mrs. Adela Lydia Giese, 80, of 319 Forest St., Theresa, died Thursday, March 22, 1984, at St. Agnes Hospital, Fond du Lac.

She was born Feb. 3, 1904, at Gibson, Wis., to Otto and Emma Kasten Mueller. She was married to Elmer Giese on May 13, 1923, at Maribel, Wis., and he died in 1959.

Mrs. Giese was a member of St. Peter's Ladies Aid at Theresa.

Survivors include seven daughters, Mrs. Franklin (Verona) Hartwig and Mrs. Ronald (Janet) Coulter both of Theresa, Mrs. Leonard (Ruth) Schultz of Route 1, Kewaskum, Mrs. Margaret Schultz of Sheboygan, Mrs. Dorothy Krueger of Route 1, Theresa, Mrs. Norman (Shirley) Gruber of Kewaskum and Mrs. Sylvester (Bonnie) Okon of Mayville.

Also surviving are three sons, Oscar of Horicon, Marvin of Mayville and Ralph of Theresa; 50 grandchildren; 60 great-grandchildren; and three brothers, Earl, Arthur and Reinhold Mueller all of Manitowoc.

Other survivors are four sisters, Mrs. Nora Schultz, Mrs.

Arlene Gates, Mrs. Viola Gruber and Mrs. Leona Nickels all of Manitowoc. Two brothers preceded her in death.

Funeral services were held at 2:30 p.m. Sunday at St. Peter's Lutheran Church, Theresa. Pastor John W. Eerg officiated and burial was in Union Cemetery, Theresa.

Visitation for Mrs. Giese was from noon until 2:30 p.m. Sunday at the church. Kietzer Funeral Home, Lomira, was in charge of arrangements.

JEROME ZIEGELBAUER

Jerome J. Ziegelbauer, 57, of 2228 Wallace Lake Road, West Bend, died Monday, March 26, at St. Joseph's Community Hospital, West Bend.

He was born May 12, 1926, in St. Lawrence, and married Grace D. Smith at St. Mary's Church, Fond du Lac, on Oct. 4, 1952.

He moved to West Bend in July 1952, and was employed as a truck driver for the West Bend Transit Co. until his retirement

in 1984.

Survivors include his wife; seven children, Terry (Shelly) of Kewaskum, Debra (Allen) Wiesner of Campbellsport, Linda (Randy) Johnson of Phoenix, Ariz. Judith (Edward) Ninke of West Bend, Tina, Karen and Ann, all of West Bend; five grandchildren; one sister, Lorraine (Jacob) Beder of Milwaukee; two brothers, Raymond and Ralph, both of West Bend; one sister-in-law, Rita Ziegelbauer of West Bend, and other relatives and friends.

He was a member of the Loyal Order of Moose, West Bend Lodge 1398 and the VFW Post 3358 Zunker-Held of Slinger.

Visitation at the Schmidt Funeral Home was Wednesday, March 28, from 4 to 9 p.m., with a prayer vigil at 8 p.m.

Funeral services were at 10 a.m. Thursday, March 29, at the funeral home, with Mass of Christian Burial at 10:30 a.m. at St. Mary's Immaculate Conception Church, West Bend. Rev. John Furtmann officiated and burial was in St. Mary's Cemetery.

Expansion of Market Area Told by Valley Bancorporation

Valley Bancorporation has reached an agreement in principle to purchase approximately 57% of the outstanding stock of The First National Bank of Rhinelander from certain major shareholders, and to make a similar offer for the stock of the remaining shareholders. Gus A. Zuehlke, Chairman and Chief Executive Officer of Valley, stated that the transaction, which is subject to Federal Reserve Board approval and other conditions, is expected to be concluded this fall.

The bank is the largest of three in Rhinelander, Wisconsin, with total assets of approximately \$56.7 million.

Valley, the fourth largest Wisconsin-based bank holding company with total assets exceeding \$1 billion, has 21 affiliated banks and sub-

sidiaries engaged in leasing, data processing, trust service and credit reinsurance activities.

KEWASKUM/ALLENTON

MEMBER FDIC AND VALLEY BANCORPORATION

Attends FFA Farm Forum

Representing the Kewaskum FFA this year was Gary Butzlaff. While at the Forum, Gary learned many useful things that he hopes to make use of as he pursues a career in agriculture.

Nearly 200 FFA members attended the 15th annual FFA Farm Forum on February 17-18 sponsored by the Wisconsin Association of Future Farmers of America, the Wisconsin Farm Bureau Federation (WFBF) and its affiliated companies: Growmark, Inc., Midwest Livestock Producers, The Rural Companies and the Farm Bureau Marketing Association. Held in Madison, the Forum provides senior and junior vocational-agriculture students an opportunity to discuss the challenges they face as future leaders and farmers.

Attending from this area was Gary Butzlaff representing the Kewaskum FFA. He was sponsored by the Ozaukee-Washington County Farm Bureau, West Bend.

FFA members heard speeches by WFBF president Don Haldeman; Dave Krieg, regional marketing director, FS Supplies Division, GROW-MARK, Inc., and Green Bay native Cara Doyle, 1982-83 National FFA Vice President.

Participants also attended

workshops on farm computers, getting started in farming, passing the family farm from one generation to another, and producing for a consumer oriented market. Workshop leaders for this year's Forum included: Dr. Gerald Campbell, associate professor, agricultural economics, UW-Madison; Dan Teetzen, director, career development, The Rural Companies; Sheldon Schieldt, M & I Bank, Cambridge; and Dr. Robert Cropp, professor, agricultural economics, UW-Platteville.

Scout Roundtables To Be Held April 5

The April 5 Roundtables for all Cub and Boy Scout Leaders and Committee People of Glacier Edge District 11, of the Bay-Lakes Council of the Boy Scouts of America, will be held from 7:30 - 9:30 p.m., at John Long Middle School, corner of Fifth and Hickory Streets, Grafton.

Mrs. Shirley Dresden, Cub Roundtable Commissioner, and her staff will be investigating "Life On Other Planets." A Tiger Graduation Ceremony and a Webelos Graduation Ceremony will be demonstrated. Everyone is encouraged to bring ideas and crafts for Easter, Mother's Day, Father's Day and Outer Space for the Idea Exchange.

Cubmasters and Committee Members will cover "Summer Pack Activities" and "Fall Preparations" with Bob Schoenhaar.

James Parker and the Webelos Leaders will discuss and plan for the Pathways to Scouting Camp-out. They will also review the Geologist Activity Badge.

Adult Boy Scouters under the direction of Scout Roundtable Commissioner, Norm Peterson, and his staff will explore all types of games, old and new, that Boy Scouts can use at their Troop meetings and outings.

Members of the Order of the Arrow of the Awase Lodge will also conduct their bi-monthly meeting at the school.

A NOTE OF THANKS

A warm thank you to all my relatives and friends who remembered me with prayers flowers, gifts, food, cards and calls while in the hospital and convalescing at home. A special thank you to Rev. Wm. Robinson, Father Berghammer and Father Strupp for their prayers and blessings and extra special thanks to Drs. Sison, Castro and the caring nursing staff of St. Joseph's Hospital. All your kindness were greatly appreciated. Thanks so much.

Kris Heise

THANKS EXPRESSED

Special thanks to everyone who remembered our wife and mother while she was in the hospital and while she was convalescing at home.

All the prayers, thoughts, and acts of kindness were sincerely appreciated and will always be remembered.

Deep appreciation from the family of Beverly Garbisch.

Letters to the Editor

3/26/84

To All Kewaskum School District Voters:

A successful Democratic society depends on a concerned and informed electorate. Voting is your right and, in the minds of many, your responsibility if a free society is to remain free. It does not matter whether you are voting in a local, state or national election. On April 3rd there is going to be another opportunity for you all to participate in the Democratic process. Exercise your Constitutional right; become informed of the issues and involved in the process. Remember, your vote does make a difference!

One last thought; if you know of someone who does not have an opportunity, because of a need for transportation, to vote, perhaps you could help them too. Thank you for your concern and continued support of our free society.

Sincerely,
Fran Charland
Social Studies Teacher
Kewaskum Community High School

.....

Dear Editor:

After reading the paper the past several weeks, of the name calling and mud slinging, it's time to fight back who is trying to convince the public how to "Vote." I have a few answers. First the Illegal Recount cost the taxpayers somewhere around \$2400.00. Then the committee had someone to help find a new administrator - one gentleman who was very qualified offered his service for \$1400.00 - he was not chosen. It had to be someone for \$5000.00. Why spend the extra? Money spent this foolish does not educate students.

And the committee for computers whose suggestion was two in the outlying grade schools. One would have been sufficient to start. As for the two in Beechwood school, they are not working and they never did work.

Instead of raising more tax dollars start using what there is more efficiently, and I'm sure it will go much further. Waste raises our taxes.

This is the top layer how our money is spent. When it comes to talk about saving money the answer you hear, "close Beechwood school." Facts and figures in black on white and let the taxpayers decide. I have asked you this for a long time and to date I have seen none. How can one person who wants to get on the school board say keep Beechwood open? How can one person decide that? "Vote" April 3rd. Please do vote for whom you please but make sure it is not a repeat from last spring.

Thank you.

Clara Trapp

.....

To the Editor:

I find it necessary to write this letter in order to clear up some misinformation given to the taxpayers by self-proclaimed experts, Friends of Education. (so-called).

I feel sorry that they insist that the taxpayers and school board have not sufficiently

funded education. This they claim in spite of the fact that the district had a \$70,000 surplus in 1980-81, and a \$100,000 surplus in 1981-82.

This in spite of the fact that the district has built and paid in full a 1.82 million dollar expansion program that began in 1973.

This in spite of the fact that many of the electorate have endured layoffs - loss of jobs - shorter hours, and for the farmers, a cut in beef and milk prices.

Certain board members have constantly been attacked at meetings and in the press by these "Johnnys' Come Lately" to the educational process of our community.

In fact, not one has served a day on the board, but choose to sit back and throw barbs at conservative board members - from a safe distance of course.

I believe we taxpayers deserve better than this. To tell us that we have been undertaxed all this time is an insult!

I disavow their weird theory that we must spend and spend because the government will give us 38c for every dollar we spend. It appears that prospective board members, Jean Goeden, Tom Brigham, and Kim Peterson agree with his theory of spend and spend. Who can afford to have this taxes double in four or five years?

It should be remembered that Mrs. Goeden and Mr. Brigham voted for the \$11,000 three year raise for the administrators. Not everyone has had a recession.

Norbert J. Serwe

.....

March 26, 1984

Dear Editor,

I think the residents of the Kewaskum School District have a right to know why I called a special board meeting on Monday, March 26.

All board members received a memo from John Long dated March 15, 1984 outlining various proposals for staffing and housing for next year. Proposals put forth included closing Beechwood School, bringing the sixth grade to the Middle School, tearing down some of the Middle School programs, moving ninth graders to the Middle School, making major changes in classes conducted at Farmington and Beechwood, or maintaining the status quo.

Each board member was also asked to call Mr. Long within a week to indicate which proposal he/she selected.

I called the meeting because I felt it was entirely inappropriate to indicate my feeling on such

RICHARD'S
Kut & Style Shop

Will Be

CLOSED

Sat., Mar. 31

Thank You

RICHARD

important issues without the benefit of a public meeting where district residents could give some input.

My second reason was that I felt it entirely unfair to leave the teachers, parents, and students that are going to be affected by this decision hanging until the last minute. A decision had to be made. Why not now? Why leave these people agonize over what may happen?

I am not ashamed to air my views on what I felt should be done. I was prepared to support and keep intact the major programs now in place at the Middle School with particular emphasis on the excellent Reading and English programs.

I was also prepared to vote to keep the Beechwood and Wayne Schools open. These outlying schools are important in keeping the parents of these areas more actively involved in the educational process. These schools also act as important community centers and provide their respective communities with summer library programs. Under some of the proposals I feel Farmington would become overcrowded and become even more so as building would resume in the township.

Evidently, Dr. Ogi and John Spoerl were also not ashamed to cast their vote, as they were present. Why were four other members absent?

Ralph Horner

.....

To the Editor:

For the record—and I think that the community deserves to have a public record of the position of all the candidates—I am not in favor of closing Beechwood and Wayne Schools. I believe in the smaller classes and direct parental involvement that is possible only in neighborhood schools. Secondly, I have already gone on record as being in favor of keeping the excellent Middle School reading and English programs intact. This is my position, and I urge those of you who have questions about any of my beliefs to call me at 533-8241.

Another issue seems to be how low we rank in our per-pupil spending. There is not a direct correlation between the amount of money spent and the quality of education. I happen to think that our students are getting a good education; our students are not academically at the bottom of the barrel, as those statistics would indicate. Do you know what state has had the highest SAT scores for the past ten years? It's New Hampshire. Do you know what state ranks dead last in per-pupil spending? New Hampshire...again. Interesting, isn't it?

I have done my best to inform you, the voters, of my position on various issues facing our district. If you agree with my position, I would appreciate your support April 3.

Sincerely,
Norma S. Serwe

.....

Dear Editor:

It's said that every time there is a school board election, a small faction of the Kewaskum school district electorate indulges in anonymous name calling in the local media. If someone has the courage of his convictions to openly state his opinion, he is immediately vilified by this anonymous group. I assure you there is no need to worry about any of the so-called "rabble rousers" making threatening midnight telephone calls if you disagree with their views.

I would urge all good citizens to STUDY the records of those current board members who claim to be saving tax dollars. Hiring a \$90 an hour lawyer to represent the board in contract negotiations and then ignoring his recommendations is not a saving. Also ignoring the advice of the business manager and breaking the teachers' contract to save money on dental insurance, necessitating more legal expenses is not a tax

saving. These wasted legal fees could have been used to educate our children.

Keeping the tax levy artificially low: i.e. when the rate of inflation was 10 to 13% holding the budget to a 7 to 8% increase was not a saving. Now we must use today's inflated dollars with their reduced purchasing power to make necessary repairs to the school buildings and replace obsolete equipment.

Please study the facts, don't be misled by tax saving rhetoric and vote your conscience Apr. 3.

Sincerely,
Joan Rosenberger

.....

To the Editor:

We, the undersigned Town of Wayne Board, continue our support of the candidacy of NORMA S. SERWE for the Kewaskum School Board. We firmly believe that each school board member should have a strong commitment to a budget based on justified expenses, as well as to the achievement of academic excellence. Mrs. Serwe is committed to responsible budgeting and quality education, and her dedication to these two concerns would serve our district well.

Carl Holweck, Chairman
Mark Strobel, Supervisor
Leonard W. Peter, Supervisor
Orville Kern, Clerk

.....

Dear Voters of Kewaskum School District:

First of all, I'd like to thank everyone who voted for me in the primary. I intend to make your faith in me justified.

There have been several points of confusion brought to my attention, after the first voters forum.

On the subject of closing schools: I would like to state firmly that I am against closing any school in the Kewaskum

district. Furthermore, there hasn't been a reason mentioned at any meeting to justify why they should be closed.

On the subject of having only one interest or reason for running for school board: I have a great interest in education. I have either visited or toured all the school buildings in the Kewaskum School District. My career is electronics, so I am particularly interested in computers. Last summer I took a computer course. But this by no means narrows my field of interest. I am at home in the entire spectrum of courses offered by the district. I was raised with the philosophy that anything you learn cannot be taken away from you.

One of my campaign promises is that I will listen! Anyone that has something to discuss with me, I will be available and do my best to present your issue or problem to the board at the meetings.

I am running by myself. I have no group or individual backing me in this election. In fact, I was never contacted by anyone to even listen to my views. I consider that an asset, however, not a liability. Because if I am elected I won't have a debt to repay to any individual or special interest group.

I am a candidate of the people, for the people, by the people. I will meet every subject on its own merits without being biased.

I have learned the true value of a dollar by running my own business. I realize that the amount of money you spend isn't the making of a "good" school board, but in the wise and intelligent use of the money, intrusted to them by the people of the Kewaskum School District.

I think the multi-year teacher contract should be considered. This would eliminate repeating no contract settlements every year.

I am for a drug and alcohol abuse program. I am amazed that this is first being implemented now.

I would appreciate your support on April 3.

Thank You
Ronald Beimbom

.....

To The Editor:

Again I wish to thank the residents of the Kewaskum School District for their support over the past twelve years. It has been a pleasure to serve you.

It is nice to know that we have such an excellent candidate as Mrs. Norma Serwe.

She will bring to the board intelligence, honesty, a love of education, plus a sense of fiscal responsibility. Seldom is one so highly qualified.

I highly recommend her election to the Board of Education.

Sincerely,
Dr. Charles Ogi

To The Editor:

I am very disappointed that Monday night's intended school board meeting was never held, as four board members - Goeden, Weare, Dieringer and Brigham failed to show.

I was particularly disturbed that board procedures should stop a week before election.

I am discouraged, as the purpose of the meeting was to aid the children in the Middle School by maintaining the present excellent English and Reading programs, and the voting to keep Beechwood and Wayne schools open.

The three board members present, Dr. Ogi, Ralph Horner, and John Spoerl were in favor of voting to keep Beechwood and Wayne schools open, but since there was not a quorum, a meeting couldn't be held.

Is this just a coincidence that just a short time before election, certain people don't want to commit themselves to such important decisions?

Charles Bindrich,
A Candidate for
School Board

.....

Letter to the Voters!

This is just a reminder to all residents of our school district.

Tuesday, Apr. 3rd is a very important day. On that day, we will vote to ensure the education of our children.

With your vote for school board we can continue our fine educational programs in our district.

Remember, your vote counts!

Sincerely,
Jean E. Goeden
Incumbent

.....

To The Editor:

It is refreshing to see a young, intelligent, industrious, hard working family man run for a position on the school board. Such a person is Mr. Charles Bindrich. It is with pleasure that I endorse Mr. Bindrich and urge his election to the Board of Education.

Dr. Charles Ogi

.....

To the Editor:

Two years ago, the campaign for school board in the Kewaskum School District became a vicious battle of words. That year, too few people wrote positive, informative statements about the people they supported. Many letters were unsigned and contained personal attacks. When the election was over, the community was torn in two.

I am saddened to see that once again, the Kewaskum Statesman not only prints these

nasty, unsigned letters but places them first in the "Letters to the Editor" section. If the Kewaskum Statesman would refuse to print unsigned letters which attack a citizen seeking office, these letter-writers would be forced to write more positive letters.

Whether you agree or disagree with school board candidates, let's give them credit for being willing to serve our school district. They are willing to devote many, many hours for very little salary. They just don't deserve these anonymous attacks!

If you take the time to write a positive, informative letter about your favorite candidate, I'm sure you will be proud to sign your name. I am also sure that the candidate will appreciate your support.

Ruth Schmitt

.....

March 26, 1984

To the Residents of
Kewaskum School District

It has been brought to my attention that a group of citizens within the school district of Kewaskum known as Friends for Education are being accused of manipulating board members and influencing them on how to vote on issues. Since my election to the board, at no time have I been asked or been told by any specific group how to vote on any issue brought before the board.

I was supported by the Friends of Education, but I was elected to the school board by the citizens of the Kewaskum School District and not by one particular political action group. I have tried diligently to vote on each issue when the facts were presented to me. I will continue to vote in what I hope will be in the best interest for the citizens and children of the entire Kewaskum School District.

Because I believe in the integrity and goals of this group, I urge you to vote for the candidates they are supporting in this election. Please vote on April 3rd for Kim Peterson, Jean Goeden and Tom Brigham

Sincerely,

Neal D. Weare,
Board Member

.....

March 19, 1984

Dear Bill and Marcella

Just a note to tell you I shall be back on March 23rd, so don't forward any more copies to San Carlos, just switch back to West Bend. Send me the bill.

Of the 14 winters I have spent out here without Carl this has been the nicest weatherwise. Christmas week was miserable, snow and rain. It began to clear up in early January, and believe it or not we had 21 days of gorgeous weather. March

brought a few rain showers and the flowers in northern California are in full bloom.

Thank you for the trouble I cause you, but I love reading the Statesman - granted there are too many new names, but the old timers are still there.

Best of health to you both.

Rose Schaefer
1709 Stonebridge #203
West Bend, WI 53095

Tornado Alert

We don't want to alarm you, but no community is immune from tornadoes or other possible disaster.

Kewaskum does test its warning system the first Thursday of the month at 10:30 a.m. by blowing the siren from 3 to 5 minutes.

So what should you do if a disaster takes place? Take shelter and listen to your local radio station.

The fire siren will be sounded on Thursday, Apr. 5, at 10:30 a.m. to acquaint residents with the tornado or other disaster signal. It will be sounded at a steady pitch for three minutes.

In the event of a tornado or other impending disaster take precautionary measures.

The alerts will be held throughout the year on the first Thursday of each month.

FACSIMILE BALLOT NOTICE OF SPRING ELECTION APRIL 3, 1984

OFFICE OF WASHINGTON COUNTY CLERK TO THE ELECTORS OF WASHINGTON COUNTY. Notice is hereby given of a spring election to be held in the several wards and municipalities in the County of Washington, on the 3rd day of April, 1984, at which the officers named below shall be chosen.

INFORMATION TO ELECTORS Upon entering the polling place, an elector shall give his or her name and address before being permitted to vote. Where ballots are distributed to electors, the initials of two ballot clerks must appear on the ballot.

When casting a presidential preference vote, the elector shall select the party ballot of his or her choice. If there is only one candidate's name on the ballot, and the elector intends to vote for that candidate, the elector shall make a punch in the hole to the right of the word "yes".

At a nonpartisan election, the elector shall make a punch in the hole at the right of a candidate's name for each office for whom the elector intends to vote.

The vote should not be cast in any other manner. If the elector spoils a ballot, he or she shall return it to an election official who shall issue another ballot in its place.

After an official ballot is punched, it shall be inserted in the envelope provided so the punches do not show.

An elector may be assisted by two election officials of different political parties in casting his or her vote if the elector declares to the presiding official that he or she is unable to read, has difficulty reading, or is unable to understand English or that due to a physical disability is unable to cast his or her ballot.

The following is a facsimile of the official ballot:

George F. Nehrbass Washington County Clerk

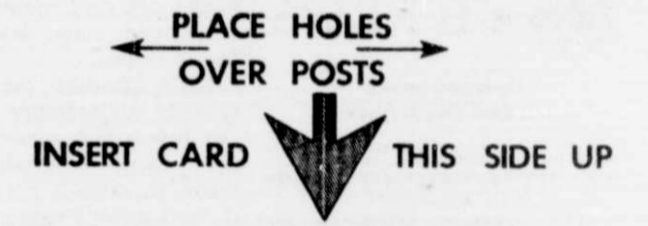

POS 7 57-72 WSH37-66 Judicial Officers FOR SUPREME COURT JUSTICE: (VOTE FOR ONE) LOUIS J. CECI 118 --> FOR COURT OF APPEALS: DISTRICT II (VOTE FOR ONE) NEAL P. Rabies Clinic at KHS on April 5

Due to the increasing problem of rabies in the state of Wisconsin, the Kewaskum FFA will hold their seventh annual Rabies Clinic on April 5.

Rabies is an acute disease caused by a virus. The most common form of contamination is by means of a bite from an animal containing the virus bearing saliva, which may be transmitted by contamination of fresh existing wounds. The incubation period consists of 3 phases which may become visible within 15 to 20 days. The first sign is a general loss of appetite and change in behavior. The second phase is known as the paralytic form, where paralyzation and salivary excretion begin. The final stage is when the animal becomes very irrational and viscerously aggressive. Dogs rarely live more than ten days after the occurrence of these signs. Death usually results through progressive paralysis of the central nervous system.

The clinic will run from 7 p.m. to 9 p.m. in the Kewaskum High School agriculture shop. Doctors Charles and Greg Ogi will administer vaccinations at, once again, only \$5.00 per animal. All proceeds go to the Ogi Scholarship fund.

THAT SMARTS! — Dr. Charles Ogi administers vaccinations while others wait their turn.

Dr. Greg Ogi satisfies one of some 200 patients.

4-H NEWS

By Bob Stodola
4-H and Youth Agent

4-H ENCOURAGES STRONG FAMILY, COMMUNITY TIES

The youngest influence on the family. Social scientists who research families have found that strong families share five interrelated characteristics. They are able to express appreciation to each other, spend positive time together, have open and effective communication, have strong commitments to each other, and share common values.

If these are the ingredients of a strong, satisfying family life, how are they acquired? It requires some skill and time. If family members are too busy to spend time together, each pursuing individual interests, the family soon becomes a group of people who eat and sleep under the same roof.

Then, when problems emerge, there's no basis for communication. If family members aren't interacting, they probably don't have much commitment to each other and soon develop different values.

Let's compare the skill involved in building a cake. You can take all the ingredients and throw them in a pot, but that doesn't make a cake. It doesn't make a cake unless those ingredients get blended and baked correctly. Similarly, if these five characteristics don't get interwoven and "cooked" long enough, they don't result in a strong family.

Building strong families is one of 4-H's primary goals. The family doesn't exist as an isolated unit. It exerts a strong influence on the community as well as on individuals within the family. So, 4-H is concerned with making that influence a positive one.

4-H helps families play a more effective role in developing their children. To do that 4-H capitalizes on projects, club work, events and activities that emphasize things families "just naturally do."

The range of 4-H curriculum allows almost anything a family does to become a learning experience—from redecorating a house, to taking a trip together, to feeding livestock on the farm.

Part of 4-H's plan is to encourage family members to become each other's natural helpers. That implies giving kids a chance to be in the teaching role sometimes.

Through meetings and workshops, 4-H leaders are taught to employ the characteristics of strong families in the club. In this instance, what's good in one place, is good in another. Different clubs will do it in different ways, and to a greater or lesser extent depending on the personalities involved. But in every experience we try to show what a strong group looks like.

That means emphasizing communication and making

meetings positive times. It means making club activities opportunities to express appreciation and increase member's commitments to each other. In these ways, members develop shared values, building closer ties to their families and their community.

FIREMEN TO MEET

The regular monthly meeting of the Kewaskum Fire Department will be held at the fire station at 7:30 p.m. next Thursday, April 5.

Your
HEALTH TIP

from Tom
Leitzke, R.P.H.

PREGNANCY

For a pregnant woman, a cigarette's nicotine sets off a reaction that constricts the blood vessels supplying the uterus with nourishment. This could cause reduced blood flow and lack of oxygen for the fetus. Also, the level of carbon monoxide in a smoker's blood is higher than normal and could reduce oxygen for the unborn baby. So if you are pregnant, give up smoking for the health of your baby, and yourself.

25 Years Ago

March 27, 1959

Kewaskum's first Dairy Day event at the high school on Saturday was a success beyond expectations with huge crowds attending the show both in the afternoon and evening. A crowd estimated at 700 persons attended the afternoon program while over 1,000 people jammed the gymnasium to capacity for the night show. The evening program began with a half hour concert by the county 4-H band. Next in line was the home talent contest. Winners of the cash prizes were Connie Rossow, soloist, first; Nancy Held, pianist, second, and the Maedke sisters, duet, third. The seven little children of Mr. and Mrs. Gerald Stoffel, singing the "Children's Marching Song" received honorable mention. Brief talks were then given, followed by the selection of the Dairy Day queen and crowning by Alice in Dairyland, Miss Barbara Haslow of Chili, Wis. Miss Haslow crowned Judy Oelhafen, 15, a sophomore, daughter of Mr. and Mrs. Harry Oelhafen, of near Kohlsville, queen. The program was brought to an end with the giving away of about \$800 in door prizes.

Robert Felix, son of Mr. and Mrs. John Felix of St. Kilian, who played basketball with the Kewaskum Land o' Lakes team the past season, has signed a New York Yankee baseball contract and left to take part in a three-week tryout in Florida. He is a nephew of Frank Felix of Kewaskum.

Pvt. Robert Kudek, son of Mr. and Mrs. Wilmer Kudek, Route 3, Campbellsport, has completed his basic combat training course at Fort Leonard Wood, Mo.

Four candidates filed papers for the three trustee offices to be elected in the Village. Two of the present incumbents, Joe Eberle and Wayland Tessar, will seek re-election, while the third incumbent, John G. Stellflug, will not be a candidate for re-election. Other candidates are Carl F. Schaefer, former trustee who was defeated two years ago, and a newcomer, Cyril N. Wietor. The rest of the slate of village officials will be unopposed for re-election. They are James D. Reigle, president; Elwyn M. Romaine, supervisor; and Ralph J. Rimmel, assessor. The three

remaining trustee, Arvin Merwin, Henry Becker and Joseph Schwind, hold over in office for another year.

A daughter was born to Mr. and Mrs. Alfred Holzmann, Kewaskum, on March 23.

50 Years Ago

March 30, 1934

The long waited news as to who is going to be the next postmaster of the village of Kewaskum was heralded on Saturday morning of last week when it was learned that Frank Heppel was the choice, his name having been recommended to the President by Congressman M.K. Reilly. In the race for the position besides Frank Heppel were Geo. H. Schmidt and Hubert Wittman of Kewaskum, A.W. Potter, principal of the Boltonville Graded schools, and Al Wietor of Wayne.

Word came to this village last Saturday that Fabian "Abe" Gaffke, last year's star member of the pennant winning Kewaskum baseball club of the Badger State league, will receive a tryout as an outfielder with the Des Moines baseball club of the Western League. Gaffke was very popular among the fans and batted high in the league with a percentage of .385. His batting was one of the reasons Kewaskum was successful in capturing the pennant flag.

Mr. and Mrs. William Geidel, long time and respected citizens of the Town of Ashford, residing two miles southwest of

Campbellsport, on Sunday celebrated their golden wedding anniversary. Mr. Geidel, 73, was born in the Town of Farmington in 1861. Mrs. Geidel, 69, was born in the Town of Auburn in 1865. They were married in 1884. Eight of their 14 children are living. They are Oscar and Franklin of Campbellsport, Alfred of Petersburg, Ind., Richard of Kohler, Mrs. Martha Breseman of the Town of Wayne, Mrs. Nora Vreeke of Sheboygan, Mrs. Ella Hallman of Fond du Lac and Mrs. Oleida Nicolaus of Jackson.

The Kewaskum Aluminum Company, the forepart of the week, installed a 35-ton toggle press in their plant. With this additional equipment, the company is now in a position to manufacture aluminum goods of every description.

The following children were confirmed at the Evangelical Lutheran Church in Beechwood last Sunday: Evangeline Krautkramer, Lucinda Staeger, Dorothy Haack, Florence Bleck, LaVern Harter, Arthur Backhaus, Elroy Liermann and Ralph Hintz.

75 Years Ago

March 27, 1909

The Passion Play will be given at the Good Templars' Hall on March 30. This moving picture reproduction is the famous "Pathe" Passion Play, composed of 4,000 feet of film. It is hand colored throughout

and the only original reproduction of the Ober Ammergau Passion Play as given once in ten years in Ober Ammergau, Bavaria, Germany.

Edward Dullea, for many years a resident of the Town of Farmington, was killed last Friday evening by a fall from the loft of his barn in the village of Boltonville. He had returned home that evening after having called on friends and went into the barn to do some chores. Soon after he had entered the barn, his daughter Mary, hearing a cry at the barn, ran there and found her father lying on the floor. His neck was broken and death claimed him soon after his daughter found him. The deceased was about 81 years of age.

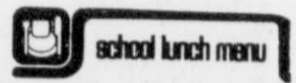

August Schnurr commenced operating his sawmill on the Bilgo lot on Wilhelmina Street last Tuesday.

J. B. Day last Wednesday traded the Van Vechten farm with Fred Backhaus Jr., who gave in exchange the Foote farm, the Schaezner residence in the village and \$6,000 in cash. On the same day Mr. Day sold the Schaezner property to Moritz Rosenheimer for \$2,600. On Thursday, Mr. Day again exchanged the Foote farm with Frank Quandt for his residence in this village and a cash consideration.

Frank Strachota, son of Mr. and Mrs. Joseph Strachota, died last Sunday afternoon after a short illness with blood poisoning, at the age of 16. He leaves to mourn his early demise, his parents and seven brothers and three sisters, namely: Nic of Fond du Lac, Arthur of Waterloo, Iowa, Edwin, Ben, Andrew, Kilian, Dora and Nellie (Mrs. Fred Behnke) of Milwaukee, Rose and John, at home.

A baby girl was born to Mr. and Mrs. William Batzler of St. Kilian last Wednesday. Baby boys were born to Mr. and Mrs. John Schaeffer of the Town of

Auburn last Saturday; to Mr. and Mrs. Jake Weinert of Wayne, and to Mr. and Mrs. Paul Kohler of Wayne, both of Friday.

KEWASKUM COMMUNITY SCHOOLS

Monday, April 2 — Hamburger and cheese on a bun, French fries, sweet & dill pickles, oatmeal cookie and pears.

Saturday, March 3, the Cub Scouts of Pack 3744 were guests of the Schmidt Acres Farm of New Fane. Twenty-six Cub Scouts participated in the one hour hay ride which wound through part of the beautiful Kettle Moraine. For many of the boys this was their first experience. A good time was had by all and will well be remembered. A big thank you to Mr. Schmidt and his beautiful Belgian horses.

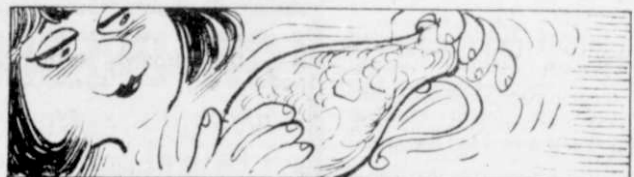

TROOP 17 — Left to right, Melissa Webber, Jessie Koch and Sara Pearson

GIRL SCOUT COOKIES — On April 3, the Girl Scout cookies will be arriving in Kewaskum. Just as a reminder the cost of the cookies per box is \$1.75. You are asked to pay for your cookies by CASH. The girls will be busy delivering all of their cookies and sometimes they forget to look both ways when they cross the street. So in order to protect the girls and help them do their job please be extra careful when driving the next few days.

If you have noticed the last few weeks when you stop at the post office, the lobby has been decorated for the special occasions. The artistic work has been done by different girl scout troops.

Just to serve as a reminder for all scouts that intend to attend a form of summer camp this summer, the registration forms need to be in soon.

To clean a glass decanter, chop a large potato into small pieces. Put into the decanter with some warm water and shake rapidly.

Quit Smoking Clinic To Be Sponsored by County Cancer Unit

The Washington County Unit of the American Cancer Society is sponsoring a Fresh Start (I Quit Smoking) Clinic April 3, 4 and 5. The three-session clinic will last approximately one and a half hours each evening at St. Joseph's Hospital of West Bend, beginning at 7 p.m. Enter at the lobby level off Silverbrook Drive and follow the signs.

The sessions are being conducted by Suzanne Howard and Carol Burhop from the hos-

pital's respiratory unit. Pre-registration is required as the clinic is limited to 20 people. Call the hospital, 334-5533 and ask for Suzanne or Carol. The fee is \$5.

Minutes of Village Board Meeting

Mid-Monthly Meeting
March 19, 1984
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin met in regular session in the Council Room of the Municipal Building, 204 First Street.

President Gerald F. Stollenwerk presided. All Trustee Members were present.

On a motion by Trustee Mary Krueger, seconded by Trustee David Nigh and unanimously carried by voice vote, the Board approved the minutes of March 5, 1984.

The Public Hearing was held on the request of River Bend Cablevision for a rate adjustment for Cablevision services which they hope to have in effect by May 1, 1984. Mr. Steve Peterson, Vice President and General Manager, spoke on behalf of River Bend Cablevision stating his company's reasons for requesting the proposed rate increases. Mr. Robert Schaefer and Ms. Carol Kenon both from River Bend were also present. A few people in the audience spoke against the increase proposed or at least the size of the proposed increase. They were Mr. Gary Smith, Mrs. Diane Buchel, Mr. Tom McElhatton and Mr. Paul Behring. Several members also expressed their concern regarding the size of the proposed increase and what type of effect the increase may have on subscriber cancellations.

The people from Cablevision presented the Village with the cable video equipment that has been on order for sometime. Also Administrator Schmidt informed the Board that a check has been received in the amount of three thousand three hundred seventy-seven dollars and eighty-six cents for the 1983 franchise fee. It was also noted no documentation or financial statements accompanied the check.

After one hour of discussion, a motion by Trustee Richard Schmidt, seconded by Trustee Paul Blumer and unanimously carried by voice vote, the Board closed the Public Hearing noting action would not take place until April 2, 1984.

On a motion by Trustee Paul Blumer, seconded by Trustee Howard Laubenstein and un-

animously carried by voice vote, the Board authorized the advertising for a summer intern part-time employee for the Department of Wastewater Treatment.

On a motion by Trustee Richard Schmidt, seconded by Trustee Donald Mlodzik and unanimously carried by voice vote, the Board authorized the advertising for a summer part-time employee for the Department of Public Works.

On a motion by Trustee David Nigh, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the Board authorized a partial payment on the construction of the elevated steel watersphere.

Administrator Schmidt reviewed several correspondence with the Board with no action taken.

On a motion by Trustee David Nigh, seconded by Trustee Howard Laubenstein and unanimously carried by voice vote, the Board approved the new (5) Five-year Outdoor Recreation Plan for the Village upon the recommendation of the Park and Recreation Committee.

On a motion by Trustee Mary Krueger, seconded by Trustee Howard Laubenstein and unanimously carried by voice vote, the Board approved the advertising for summer part-time swim program employees (16 employees) as recommended by the Park and Recreation Committee.

Trustee Richard Schmidt reviewed a few general items discussed by the Park and Recreation Committee with the Board with no action required.

On a motion by Trustee Richard Schmidt seconded by Trustee Donald Mlodzik and unanimously carried by voice vote, the Board authorized Ruekert and Mielke, Inc to advertise for bids in reference to the construction of a 980 square foot pump station at Well #3, 1004 Fond du Lac Avenue, the bid opening to be

April 24, 1984, at 4:30 p.m.

Administrator Schmidt reviewed with the Board a tax closing report indicating tax collection for 1983 taxes went smoothly.

Trustee Donald Mlodzik suggested the Village look into the possibility of an ordinance regulating the burning of wood for heating. The Administrator was instructed to research the matter and report back to the Board later.

Motion was made by Trustee David Nigh, seconded by Trustee Howard Laubenstein to adjourn to closed session under Chapter 19.85 (1)(g) of the Statutes to discuss litigation by Ralph and Henriette Scott vs. the Village of Kewaskum, under Chapter 19.85 (1)(c) of the Statutes to consider employment, promotion, compensation and performance of public employees over which the governmental body has jurisdiction or exercises responsibility. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent." The motion was carried unanimously.

Daniel S. Schmidt
Administrator

VOLUNTEER SEWING BEE TO BEGIN AT SAMARITAN

The Samaritan Home is starting a Community Volunteer Sewing Bee: Our needs are to replace zippers, hems, and sew seams, and to make bibs, aprons, lap robes and hot pads.

Volunteers are needed to crochet and knit articles, make quilts or crafts for our craft shop.

If you are interested and can give a few hours each week, call Caroline Birr, Volunteer Coordinator at 338-4528.

... about your Social Security

By David Becker, Social Security Branch Manager in West Bend

EARLY DELIVERY OF SUPPLEMENTAL SECURITY INCOME CHECKS

Monthly Supplemental Security Income (SSI) checks which are normally delivered on the first day of the month, will be delivered on March 30th, instead, according to Mr. Becker, manager of the West Bend Social Security office.

"Benefit checks are mailed early when the usual delivery date falls on a Saturday, Sunday or legal holiday," Becker said. "In these instances, the checks are dated and delivered on the

first day before the first of the month that is not a weekend or holiday."

Becker stated that this procedure helps reduce the problems that people have when they receive their checks and their banks are closed. These situations occur several times during the year, and Becker added that SSA would provide similar information about early check deliveries as they occur.

Business Workshop To Be Held at MPTI

A Spring Business Workshop will be held at the MPTI West Bend campus Saturday, April 7. The day features a panel discussion by experienced business persons and talks on accounting, advertising, and financing.

Participants in the panel, "Entrepreneurship: Experience and Insights" are Vic Albiero, Rewards, Inc., West Bend; Joyce Breen, JEMS Homemade Candies, Hartford; Jack Schneiberg, Schneiberg, Accounting Services, West Bend; and JoAnne Walker, The Cookie Jar, West Bend.

Chris Burch, general manager, West Bend News, will

speak on "Advertising, Marketing Your Product" and West Bend Marine bank president Dave Heying will discuss, "Financing Your Business." Topic for MPTI accounting instructor Ray Zingsheim is "Forms of Business Organization: Which One is Right for You?"

Special aids, publications and counseling, will be described by representatives from the Small Business Administration and SCORE, Service Corps of Retired Executive.

Advanced registration is required. The \$7.80 fee includes lunch. To enroll, call MPTI at 334-0909. Deadline is March 28.

Campbellsport, WI

Once again, tornado season is approaching, threatening the lives and property of all of us in Wisconsin. Because of this threat, the Governor has proclaimed March 25th through the 31st "Tornado Awareness Week."

When you think of tornadoes do visions of Dorothy and Toto whirling above Kansas come to your mind? Would you know what to do to avoid being plummeted into Oz? If not, you may be in trouble before, during, and after a tornado.

Spring and summer are the peak times for tornadoes. When skies look threatening, listen to the National Weather Service. They track all weather conditions and will warn you to tornado watches and warnings.

The difference is a tornado watch means the atmospheric conditions are such that a tornado could develop. A tornado warning means an actual funnel cloud has been sighted in the area.

Although it's not fool-proof, it is possible to track tornadoes electronically:

1. Turn your TV on and to channel 13. Using brightness control knob, darken the screen to almost black—then turn to channel 2, do not readjust.

2. Lightening appears on the screen as horizontal flashes or streaks.

3. If the screen becomes bright or the darkened pictures becomes visible and remains visible, this signals a tornado within 20 miles.

4. This positive signal means you should take shelter immediately.

If your electricity is off you may substitute a battery operated radio.

1. Set your radio next to your TV. Turn radio to the low end of the dial. Here the radio will pick up the same storm signals as the TV.

2. Lightning will make intermittent static on the radio.

3. A tornado is coming when the radio makes continuous static.

If conditions are favorable for a tornado take precautions ahead of time so you are not doing them during the tornado. Collect a battery powered light and radio in case the power goes off. Take your car keys with you, if a tornado hits, your car may still be operable, but

the keys could be lost in the rubble. Also, open all windows a crack to equalize pressure. The vacuum created by a passing tornado can explode a structure.

Once you have been advised to seek shelter go to the Southwest corner of your basement, under a heavy bench if possible. If you have no basement, take cover under sturdy furniture or in a closet in the center of the house.

If you are in an office building or a school, an interior hallway on the lowest floor is safest, avoid areas with wide free-span roofs.

In open country, move away from the tornado's path at a right angle. Most tornadoes

move Southwest to Northeast. Lie flat in a ditch, always get out of cars and mobile homes.

After a tornado remain calm! Check electrical problems and gas leaks and report them to the utility and fire department. Then assess your damage and contact your insurance agent.

According to Marvin Mundt, Property Loss Director, American Family Insurance, there are two things property owners should do. "First inform your insurance agent of the damage. Also, tell your agent where you can be reached. This will eliminate any delay in the claims representative contacting you. Second, try to protect your property from both vandals and further damage caused by

rains that follow tornadoes. Most policies cover the expense of protecting your property."

"The easiest way to assess the damage to your personal property is to take an inventory of all your belongings," said Mundt. "Keep this some place safe, like a safe deposit box."

A list like this is invaluable and it can serve a second purpose in helping to determine if your insurance is adequate and if it has kept up with inflation.

A tornado can be devastating, but if you follow the before, during, and after guidelines you should be putting things back to normal in no time.

For your free copy of the Household Inventory write:

Public Relations, American Family Insurance, Box 7430, Madison, Wisconsin 53783.

Campus Day 1984 Is Scheduled in County

It's time again for Campus Day 1984! There are many exciting programs being offered this year for men and women of all ages!

Campus Day is an annual event sponsored by the Washington and Ozaukee County, U.W. Extension Offices. Campus Day will be held at Silverbrook Middle School in West Bend on Tuesday, April 24, with sessions in the morning, afternoon and evening.

Registration fees are \$3.00 per session. A catered luncheon and coffee is \$4.00. An all day and evening special (3 classes), including lunch is \$12.00.

Registration deadline is April 9.

John Merrill, U.W. Extension Housing Specialist, will be the Keynote Speaker on "Should Efficiency Be The Bottom Line at Home?" Family Productivity is the theme for Campus Day 1984. Family Productivity is to help us and our family members use our creative talents to "work smarter, not harder."

A Family Productivity Contest will be held and the winner will receive free registration to Campus Day for themselves and their family.

To receive a Campus Day brochure, contact the U.W. Extension Office at 338-4479; 644-5204 or 342-2929.

To subscribe to the Kewaskum Statesman, just call 626-2626.

**Rindt Receives
25-Year Award**

Florence Rindt

Florence Rindt was recently honored for 25 years of service to Regal Ware, Inc. In appreciation, she was presented with a specially engraved gold watch.

Rindt started in the Credit Department in March 1959, and has worked in the department

throughout her tenure at Regal. Rindt and her husband, Leonard, have two children and six grandchildren, and are Kewaskum residents.

KEWASKUM 4-H

The Kewaskum 4-H meeting was called to order by our president, Debbi Seideman.

The 4-H pledge was led by Pat Holz and the American pledge was led by Mike Carron.

The secretary's report was given by Rhonda Herriges, accepted by Holli Etta and seconded by Jeri Friedeman.

The treasurer's report was given by Renee Kapp and accepted by Chris Holz and Jenny Carron.

The poster and speech contest is on April 16 at 7:00 p.m. It will be at Silver Brook School. There will be 3 age divisions, and prizes will be awarded. Bring your speech or poster to the next meeting. Let Seidemans know if you are entering by the next meeting.

We talked about end of year record books. Like how to fill them out and about the cover.

In April or May there will be roller skating for all at Skate

Country.

April 7 we will be going on an outing to the Milwaukee Museum. All family and friends are welcome.

We played musical chairs and "Productive Thinking" for our recreation.

Refreshment committee for next month is Tammy Bath and Jenny Liegel. The meeting was adjourned and accepted by Mike Carron and Brian Seideman.

Reporter, Holli Etta

TOWN OF WAYNE
ADVISORY REFERENDUM
April 3, 1984**

NOTICE IS HEREBY GIVEN that an advisory referendum question will be submitted to the voters of the Town of Wayne, Washington County, in connection with the Spring Election to be held on April 3, 1984. Printed herewith is a facsimile of the ballot which will submit to the qualified electors of the Town of Wayne the following advisory

DO YOU FAVOR THE PROPOSAL OF THE BENEVOLENT CORPORATION OF THE CEDAR LAKE HOME CAMPUS TO DEVELOP THE HAVENWOOD CAMPUS RESIDENTIAL RETIREMENT COMMUNITY PROJECT AND RELATED FACILITIES EAST OF KOHLVILLE IN THE TOWN OF WAYNE?

YES ----- 200 -->
NO ----- 202 -->

The effect of a "Yes" vote is to advise the Wayne Town Board that the elector supports the proposal of the Benevolent Corporation of the Cedar Lake Home Campus to develop the Havenwood Campus residential retirement community project and related facilities east of Kohlsville in the Town of Wayne.

The effect of a "No" vote is to advise the Wayne Town Board that the elector does not support the proposal of the Benevolent Corporation of the Cedar Lake Home Campus to develop the Havenwood Campus residential retirement community project and related facilities east of Kohlsville in the Town of Wayne.

In any event, the result of the referendum question is advisory only. It may, however, serve to guide the Town Board in making decisions required of it in connection with the request of the Benevolent Corporation of the Cedar Lake Home Campus for a Conditional Use Permit under Washington County zoning regulations to allow the proposed Havenwood Campus project.

INFORMATION TO ELECTORS

Upon entering the polling place, an elector shall give his or her name and address, before being permitted to vote. Where ballots are distributed to electors, the initials of two ballot clerks must appear on the ballot. Upon being permitted to vote, the elector shall retire alone to a voting booth or machine and cast his or her ballot. An election official may inform the elector of the proper manner for casting a vote, but the official may not in any manner advise or indicate for whom to vote.

At a nonpartisan or special partisan election, the elector shall make a punch in the hole at the right of the candidate's name for each office for whom the elector intends to vote, or elector shall place a cross in the square at the right of or depress the button or lever next to the candidate's name for each office for whom he or she intends to vote, or, write in the office and name of the elector's choice on the ballot envelope or space provided.

On referenda question, the elector shall make a punch in the hole to the right of the answer he or she intends to give, or make a cross in the square at the right of or depress the button or lever next to the answer which he or she intends to give.

The vote should not be cast in any other manner. If the elector spoils a ballot, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one elector. If the ballot has not been initialed by two ballot clerks or is defective in any other way, the elector shall return it to the election official, who shall issue a proper ballot in its place. Not more than five minutes' time shall be allowed inside a voting booth or machine. Unofficial ballots or a memorandum to assist the elector in marking his or her ballot may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

After the official ballot is punched, it shall be inserted in the envelope provided so the punches do not show. After the official paper ballot is marked, it shall be folded so the inside marks do not show, but so that the printed indorsements and ballot clerks' initials on the outside do show. After casting his or her ballot, the elector shall leave the booth, give his or her name to the inspector in charge of the ballot box, hand the inspector his or her ballot enclosed in the envelope provided to be placed in the ballot box, or the elector shall leave the machine or booth, and where paper ballots are used, give his or her name to the inspector in charge of the ballot box, hand the inspector his or her folded ballot to be placed in the ballot box, deposit any unused ballots in the blank ballot box, and shall leave the polling place promptly.

An elector may be assisted by two election officials of different political parties in casting his or her vote if the elector declares to the presiding official that he or she is unable to read, has difficulty reading, writing or understanding English, or that due to physical disability is unable to cast his or her ballot. Alternatively, an elector making such declaration may have another elector of the county assist in punching the ballot, or may have another elector of the county assist in marking the ballot or operating a voting machine. The presiding official may administer an oath to a person making such declaration.

POLLING PLACES AND HOURS

Notice is hereby given that the election will be held at Bernard Strobel's Hall, Wayne, Wisconsin, and that the polls will be open from 9:00 o'clock a.m. and close at 8:00 o'clock p.m.

ORVILLE KERN, TOWN CLERK

SMILE AMERICA

A Healthy Smile Brightens Everyone's Day

Dental Treatments Improve Appearance

The Washington County Dental Society brings you this article in observance of National Children's Dental Health Month. It is the eighth and final article in a series on "Going Through Life with a Smile."

For hundreds of years, people have known that straight, healthy teeth add to the beauty of the human face. As long ago as the 16th century, Queen Elizabeth I of England refused to hire as a household servant a man who'd lost a front tooth, even though he was otherwise quite handsome.

These days, of course, the man could go to his dentist and have the missing tooth replaced. Dental treatments intended to improve the appearance are known as "esthetic" or "cosmetic" dentistry. It is not always possible, however, to draw a clear line between dentistry done for cosmetic reasons and that done to restore health. For example, when your dentist repairs a decayed tooth with a tooth-colored filling, both dental health and appearance benefit.

Here are some of the methods dentists can use today to improve the appearance of your teeth and smile:

Oral prophylaxis (professional cleaning of the teeth) can eliminate most food and tobacco stains on the surfaces of the teeth. It also removes calculus or tartar, the hard, crust-like deposits of hardened plaque that collect at or beneath the gumline. Removing these deposits helps improve oral health.

Bleaching is a technique used to remove deeper, more stubborn stains. A bleaching agent is applied to the tooth; then the tooth is exposed to heat or light, to speed up the process.

Cosmetic contouring is used to correct the shape of badly formed teeth or to remove sharp edges or corners. In this technique, the teeth are reshaped with dental instruments.

Bonding is a relatively new technique in which plastic materials are used to correct a variety of dental problems. Bonding may be used when

teeth are fractured or chipped, too widely spaced, malformed, or badly stained.

Crowns or "caps" are restorations that cover teeth to improve their appearance or strength. They are often used for teeth that are badly decayed or weakened by a large filling.

Bridges are devices in which artificial teeth are used to replace missing natural teeth. Some bridges are removable; others are firmly attached to the natural teeth on either side of the empty space.

Oral surgery can be used to correct abnormalities in the lower or middle parts of the face. Such abnormalities can occur because of the failure of the jaws to develop properly or because of accidents.

Not all of the techniques described here can be used to correct every problem. Not all of them are suited to every patient. Your dentist will recommend a particular treatment only after examining your mouth and teeth and considering your individual needs.

If you're unhappy about the way your teeth look, see a dentist. Thousands of other people have, and they've got happier, more beautiful smiles to prove it.

FUN EXERCISE CLASS AT UW CENTER-FOND DU LAC

A "Fun Exercise Class" will begin Tuesday, April 3, at the University of Wisconsin Center-Fond du Lac. The classes will meet on Tuesday and Thursday for 6 weeks from 5:45 to 6:45 p.m.

The fee is \$20. Kolleer Kollmorgan is the instructor.

To register, contact the Office of Community Outreach at the UW Center-Fond du Lac, 929-3622.

Facsimile Ballot Notice of Village Election Village of Kewaskum, Wisconsin

April 3, 1984

Notice is hereby given of a village election to be held in and for the Village of Kewaskum, Washington County, Wisconsin, on the third day of April, 1984 at which the officers named below shall be chosen.

INFORMATION TO ELECTORS

The following instructions are given for the information and guidance of electors:

- (a) Upon entering the polling place, an elector shall give his or her name and address before receiving the ballot card and ballot card envelope from the ballot clerk. The initials of 2 ballot clerks must appear on the ballot card envelope. Upon receiving the ballot card and ballot card envelope, the elector shall retire alone to a voting booth and punch/mark his or her ballot card and ballot card envelope. A ballot clerk may inform the elector of the proper manner for punching/mark a ballot card and ballot card envelope, but he or she shall not in any manner advise or indicate for whom to vote.
- (b) To vote for a person whose name is printed on the ballot, insert your ballot card with both hands, be sure the pins are through the two holes, hold the punching device straight up and down, press down firmly opposite the candidate and/or proposition selections of your choice.
- (c) Write-in voting. To vote for a candidate whose name does not appear on the printed ballot, use the ballot card envelope to "write-in" the office and candidate's name.
- (d) The ballot card and ballot card envelope should not be punched/marked in any other manner. If you incorrectly punch/mark, tear, or deface the ballot card or ballot card envelope, return it to the election judge for another one, but not more than 3 ballot cards or ballot card envelopes shall be issued to any one elector. Not more than 5 minutes' time shall be allowed to punch/mark the ballot card or ballot card envelope. Unofficial ballots or a memorandum to assist the elector in punching or marking his or her ballot card or ballot card envelope may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot card or ballot card envelope is punched/marked.
- (e) After the official ballot card or ballot card envelope is punched or marked, remove your ballot card, place it in the ballot card envelope and take it to the inspector at the ballot box, hand him or her the ballot card envelope with the ballot card placed inside, to be placed in the ballot box, and leave the polling place promptly.
- (f) An elector may be assisted by 2 election officials of different political parties in punching or marking the ballot if he or she declares to the presiding official that he or she is unable to read or that due to physical disability he or she is unable to punch or mark his or her ballot. If an elector declares that he or she is visually handicapped, he or she may have anyone assist him or her in punching or marking his or her ballot card or ballot card envelope. The presiding official may administer an oath to a person's disability.
- (g) Any qualified elector who is absent, or expects to be absent from the village in which he or she is a qualified elector, or who, because of sickness or physical disability cannot appear at the polling place on election day, may vote at such election by means of an absent voter's ballot card or ballot card envelope to be secured upon application to the Village Clerk, not more than sixty days and no less than three days, or by personal application, not later than the close of office hours on the day prior to such election.
- (h) The following is a sample of the official ballot:

NOTICE TO ELECTORS: This ballot is invalid unless initialed by 2 election officials serving as ballot clerk. If cast as an absentee ballot, the ballot envelope must bear the initials of the municipal clerk.

Wisconsin Vehicle Inspection Program Will Begin April 2

The Wisconsin Vehicle Inspection Program begins April 2, 1984. Most vehicles registered in Ozaukee, Washington, Waukesha, Milwaukee, Racine and Kenosha Counties will be tested for excessive hydrocarbon and carbon monoxide emissions. Satisfactory completion of the annual inspection will be required as part of the license plate renewal process. There is no separate fee to the motorist for the test; the program is totally funded — about \$10 per vehicle — by the state Transportation Fund from highway user fees such as gasoline taxes, vehicle and driver license fees.

Vehicles will be tested at 10 inspection stations located in West Bend (901 North River Road-2 lanes), Cedarburg, Waukesha, Milwaukee (3 stations), West Allis, Racine, Kenosha and Burlington. About 1 million passenger cars and light trucks will be inspected annually.

In 1979, the Wisconsin Legislature passed legislation creating the annual inspection program for vehicle emissions. The legislation was necessary for Wisconsin to comply with federal standards created by the Clean Air Act as amended in 1977.

Reasons for Program

Southeastern Wisconsin is one of 28 states and metropolitan areas with air pollution levels higher than federal health standards. Within the six county area, ozone levels sometimes reach an hourly high of 20ppm, exceeding the Federal standard by nearly 67 percent.

Air pollution is harmful to everyone, especially children, the elderly and victims of respiratory and heart conditions. It can cause headaches, fatigue, dizziness and place an extra burden on heart and lungs.

Motor vehicles account for approximately 36 percent of the hydrocarbon emissions and 87 percent of the carbon monoxide emissions in Southeastern Wisconsin.

An inspection/maintenance program identifies the grossly polluting vehicles and requires them to be repaired or adjusted. It has been estimated that 20 percent of the cars and trucks on the road contribute nearly 80 percent of the air pollution.

The Wisconsin inspection program is designed to reduce air pollution levels from motor vehicles by at least 25 percent by 1987.

Test Procedure

The three-step emissions test takes about 5 minutes once the vehicle enters the testing lane. Information obtained from the renewal notice is entered into the computer. Proper state emission standards are automatically selected to correspond with the model year of the vehicle.

Next a probe is placed into the tailpipe to measure the levels of hydrocarbons and carbon monoxide emissions. The inspector drives the vehicle on a dynamometer, a roller-type device which simulates driving conditions. This phase of the test is used to precondition the vehicle. Next the emissions are sampled while the engine is idling. The computer automatically compares those levels to the specific state standards for that vehicle. Only the idle

phase of the test is used to determine whether the vehicle complies with the state emission standards.

After completing the test, the motorist is given the vehicle inspection report which contains test results. If the vehicle meets the state emission standards, the motorist can proceed with the registration renewal process as before.

If the vehicle fails the test, the vehicle must have emission related repairs performed. It must be retested prior to the license plate renewal deadline. Supplemental written instructions provided the motorist will explain the repair-and-retest process to follow.

Exempt Vehicles

State legislation exempts motorcycles and mopeds; diesel powered vehicles; vehicles 15 model years and older; vehicles at the time of initial registration; and vehicles registered at more than 8,000 pounds gross vehicle weight.

Car Repair

State law requires that vehicles failing emission inspections must be repaired and reinspected. In most cases the vehicle needs nothing more than a low-emissions tune-up. The state has established a repair cost ceiling of \$55 for each vehicle. This does not include pollution control devices which have been tampered.

Waivers

If a vehicle cannot meet emissions standards within the \$55 cost limit, a waiver may be requested from the State Waiver Inspector. A State Waiver Inspector is located at each inspection station. If the vehicle can meet the waiver requirements including a tampering inspection, a one-year waiver may be granted.

Program Responsibility

The Wisconsin Vehicle Inspection Program was designed

by the state of Wisconsin as a centralized system that conducts tests at 10 locations throughout the six-county area. It is administered by the Wisconsin Department of Transportation. The emission standards were established by the State Department of Natural Resources.

The State of Wisconsin awarded a five-year contract to Hamilton Test Systems, Inc., a subsidiary of United Technologies Corporation. Hamilton constructed, equipped and staffed the 10 test facilities to perform the emissions test. However, Hamilton will be reimbursed for its investment through test fees paid over a five-year testing period.

ADVERTISEMENT FOR BIDS Water Pumpstation No. 3 Village of Kewaskum Washington County, WI

Sealed proposals will be received by the Village of Kewaskum, Washington County, Wisconsin, until April 24, 1984, 4:30 P.M., C.S.T., at the Municipal Building, 204 First Street, Kewaskum, WI 53040, for the construction of a new water pumpstation and reservoir. Bid proposals will be publicly opened and read aloud at the above time and date.

The work includes the construction of a 980 square foot masonry pumpstation with an attached, above ground reinforced concrete reservoir with all associated electrical and mechanical equipment (including deep well pump, service pumps and chemical equipment). The new facility will be located at 1004 Fond du Lac Avenue, immediately west of the Municipal Garage.

A single proposal will be received on the following:

CONTRACT 1-84 — Includes all general construction, mechanical and electrical work

Contract Documents are on file with and may be examined at the office of the Village Clerk in the Kewaskum Municipal Building, the office of the Consulting Engineer, the F.W. Dodge office in Milwaukee and the Builders Exchange Offices in Fond du Lac and Milwaukee.

Contract Documents including Plans, Specifications and Bid forms may be obtained from the office of the Consulting Engineer, Ruekert & Mielke, Inc., 419 Frederick Street, Waukesha, WI 53186, upon a deposit of \$100.00 for each set obtained. AGC cards will be accepted only for the first two (2) sets of documents obtained. The full amount of the deposit for up to two (2) sets of Contract Documents will be refunded only to prime bidders who return all documents in good condition and unmarked within fourteen (14) days of the bid opening. Prime bidders desiring more than two (2) sets of documents, non-prime bidders and materialsmen, upon so returning the documents in good order, will be refunded \$75.00 per set. Anyone desiring Contract Documents by Mail shall submit a separate check in the amount of \$8.00 per set to cover handling and mailing; this fee is not refundable.

Each bid proposal must be submitted on the proposal form provided with the Contract Documents - the proposal form SHALL NOT be removed from the bound Contract Documents - and shall be enclosed in a sealed envelope addressed to the Village of Kewaskum and marked: "Bid Proposal - Water Pumpstation No. 3, CONTRACT 1-84."

No bid shall be received unless accompanied by certified check or bid bond equal to five (5) percent of the maximum bid price, payable to the Village of Kewaskum as a guarantee that after the bid is accepted, the Bidder will execute and file the Agreement and a 100 per cent Performance and Payment Bond within ten (10) days after the Notice of Award.

A Bidders Proof of Responsibility for the current year is required of all prime bidders and must be filed with Ruekert & Mielke, Inc. no less than (5) days before the bid opening date. Prime bidders are also required to submit with their bid sealed Bidders Proof of Responsibility forms for the Electrical and Mechanical Subcontractors as designated in the Proposal Form. These forms will accompany each set of Contract Documents.

No bid shall be withdrawn for a period of sixty (60) days after the bid opening date without the consent of the Village.

The letting of this work shall be subject to Sections 66 and 289 of the Wisconsin Statutes. Pursuant to Section 66.293, Wisconsin Statutes, the minimum wages to be paid on the project shall be in accord with the rate of wage scale adopted by the Village.

The Village of Kewaskum reserves the right to accept any bid most advantageous to the Village, waive any technicality or reject any or all bids.

Published by the authority of the Village of Kewaskum.

Girls Jolted by Sheb. Falls in Track; Klein Bests Own Record

By John Harju

Sandy Klein broke her own school record when she won the 1600 meter run in last Thursday's girls varsity indoor track meet, but it wasn't nearly enough as the visiting Sheboygan Falls Falcons defeated the Indian girls, 75-25.

Klein ran the 1600 in a record time of 5:39.8, breaking her old mark by over 11 seconds. She also placed second in the 3200 meter run.

Klein was the only Kewaskum girl to win an event at Thursday's meet, but the Indian girls did, however, turn in some fine individual performances.

Seniors Holly Kempf and Julie Koepke tied for second place in the shot put with throws of 36'2" each. Lori Batzler, a junior, finished a strong second in the 800 with a personal best of 2:43.1. Freshman Brenda Vetter placed third.

Sandy Secor jumped her best distance of the season so far (14'4") in the long jump and finished second. Amy Kougl crossed the line in third place in the 45 meter dash with a time of 6.8 seconds.

Freshman Sherri Batzler placed third in the 3200, while Renee Kapp had to settle for a third place finish in the 45 meter low hurdles, behind a strong contingent from Sheboygan Falls. Sandy Nigh finished second in a very close 200 meter dash.

The Junior Varsity had better luck in their part of the meet, winning by a combined score of 64-31.

Kerie Swenson won both the 400 and the 1600. Ellen Beisbier won the 3200 and placed second in the 1600 with times of 14:58.4

Boys' Track Team Has 9 Lettermen

The Kewaskum High School boys' track team is anxiously awaiting their first chance to get into action. The Indians, who had their first meet postponed last week due to the weather, will get that chance Thursday when they meet Hartford at Kewaskum indoors.

Coach Dave Drexler has some talent and experience back this spring with nine lettermen. Four of those returning are seniors and five are juniors.

Gone through graduation is Brian Johnson, the team's only state qualifier and MVP. He scored 10 of Kewaskum's 17 points in the Eastern Wisconsin Conference meet. Others gone are Peter Nohlmans, triple jumper, and runners Jeff Schmidt, Andy Kougl and Mark Rodenkirch.

Seniors returning are: Jim Braun, weights; John Swanson, weights; Gregg Classey, discus; and Dan Menzel, hurdles and 400 meters. Juniors back are: Bill Gruss, distances; John Mertzig, sprints and relays; John Nowak, pole vault; Monty Shaw, 800 and 1,600 relay; and Mike Steinhardt, high jump and sprints.

In addition to the lettermen, seven other seniors, eight juniors, six sophomores and two freshmen reported for the sport. A total of 35 candidates are working for spots on the varsity and JV teams.

and 6:48.6. Junior Carol Osterbrink won both the JV shot put event and the 800 meter run.

1600 m run (relay) — 1. Sheboygan Falls 4:46.5, 2. Kewaskum 4:58.2.

Hunter Education Course Offered

A Wisconsin Hunter Education Course is going to be offered this spring for anyone 12 years of age or older who is interested in hunting and recreational shooting. Students who will be 12 years old during the 1984-85 hunting season may take the course at this time also.

The course will be taught by Bill Stangl, a Wisconsin Certified Hunter Safety Instructor, and is being sponsored by the Kettle Moraine Sportsman's Association of Kewaskum. Classes will start on Wednesday, April 11, and run through Wednesday, May 23. All classes will be held at Kewaskum Middle School, and will run from 6:30 to 8:30 p.m.

Advanced registration is required, since there is a class size limit of 20 students. Please call Bill Stangl at 626-2457 for a reservation. Registration forms will be available after April 1 or at the first meeting. The course fee of \$3.00, which covers all materials for the course, can be paid at the first class meeting.

Persons successfully completing the course will receive a distinctive embroidered emblem and a hunter safety graduate certificate. The certificate is valid in lieu of a small game hunting license for one season, and is a lifetime certificate required for hunting in many states and provinces. Young students certified will also be able to hunt and use firearms without parent or guardian present at age fourteen instead of age sixteen.

Classes will cover responsibilities of hunters, firearms safety in the home and afield, knowledge of firearms and hunting equipment, wildlife identification and management, marksmanship and outdoor skills.

Kewaskum Kids Wrestle Well In Tournament

Kewaskum elementary and middle school kids won five firsts and 11 other places in the Campbellsport Kids Wrestling Tournament held Saturday, March 17.

Chad Muckerheide won a title in second grade competition while Keith Herman and Todd Muckerheide were first place winners at the third grade level, and Bobby Susen and Randy Schlice took firsts in fourth grade competition.

Other elementary school participants and their places were: Ruben Oppermann, David Rahlf, Shawn Fideler, Greg Anderson and Mark Stephani, thirds; Ronnie Norman and Jeremy Vansasche, fourths.

Other middle school participants and their places were: Jon McClanathan and Bob Castro, thirds; Joel Serwe, fourth; Chris Charland, fifth.

Elementary school kids who placed in the Two Rivers tournament held March 24 were: Chad Muckerheide, third place, and Todd Muckerheide, fourth.

In the elementary school tournament held at Cedarburg March 24 Bob Susen took a third. He was the only Kewaskum wrestler participating due to moving up the date one week and not being informed of the change of date.

KHS Wrestlers Do Well in Fond du Lac YMCA Tournament

Kewaskum High School wrestlers took two first places, five seconds, two thirds and one fourth in the Fond du Lac YMCA tournament held March 24.

The KHS participants, their weight class and places won were as follows:

- Bob Callison 126, 1st
- John Nowak 155, 1st
- Carl Steiner 90, 2nd
- Bill Lehmann 105, 2nd
- Rich Straub 119, 2nd
- Chris Dieringer 145, 2nd
- Jeff Diels heavyweight, 2nd
- Rich Staehler 132, 3rd
- Ken Miller 138, 3rd
- Daryl Landvatter 132, 4th

Dale Wodsedalek Lakeland's 'Most Improved' Player

SHEBOYGAN — Dale Wodsedalek sophomore center from Kewaskum, was named "most improved" player on the Lakeland College men's basketball squad this season.

Wodsedalek was the Muskies' fourth best scorer this past season, averaging nine points per game, and the second leading rebounder with a 6.2 average.

"Wods" also finished as the Muskies' second best rebounder with 187, second to John Koslowski who had 204. Koslowski, senior from Menasha who averaged 21.3 points, was named most valuable player, capping his Lakeland career with 2,008 points.

Coach Duane (Moose) Woltzen's Muskies won 23 of 32 games and tied for the Lake Michigan Conference championship.

Wodsedalek formerly starred at Kewaskum High School.

Lakes Team Routs Winless Mayville, Sets Scoring Record

In a Land o' Lakes League game played at home Sunday night, Kewaskum buried last place Mayville, 161-115, for a total by both teams of 276 points in a single game.

Kewaskum came out smokin' and never let up. Their total of 161 points in a single game sets a record for the team.

Kewaskum gained a game on Sussex, "B" Division leader, which lost to Thiensville-Mequon and now trails them by one game with two contests left.

Leon Laatsch scored 42 points alone to take scoring honors for the evening, while teammate Clark Eichstedt was next with 34. Four others scored in double figures. Greg Cundy totaled 42 points for Mayville.

Kewaskum's next Lakes game is Sunday, April 1, with the Menomonee Falls Stingers playing here, starting at 7:30 p.m. This week the team is also participating in the Howards Grove tournament.

Mayville — (26-24-31-34-115): R. Kanas 8-0-3, Bosch 4-0-4, Cundy 20-2-2, D. Kanas 6-7-4, Mayer 8-2-4, T. Kanas 4-0-2, Lentz 2-0-1. Totals: 52-11-20.

Kewaskum — (46-35-39-41-161): Laatsch 18-6-4, Eichstedt 16-2-2, Nigh 11-0-1, Backhaus 8-6-3, Gonwa 9-1-2, Larsen 7-2-2, Maney 2-2-6.

Totals: 71-19-20. FTM 7.
