## Board Opens Bids for No. 3 Pumpstation

By GERRY MUELLER  
Statesman Staff Writer

Six bids have been received on the construction of Kewaskum's newest pumpstation to be located on the south end of the village.

Bid figures ranged from a low of \$232,850, submitted by Westra Construction of Waupun, to a high bid of \$306,000 submitted by Nelson Constructors of Cottage Grove. After the sealed bids were opened, they were turned over to the village's engineering consultants, Ruekert & Mielke, Incorporated, who will review

the bids and make their recommendation to the board at its May 21st meeting.

In other action, the board approved Water Pollution Control Superintendent Pete Albers' request to purchase a new feed pump for the treatment plant. The pump, costing \$899, will replace the present unit which has been in service for thirty years and is beginning to malfunction. The board, however, tabled two other recommendations by Albers. He requested approval to close in windows in the treatment plant office and washroom as an energy cost savings move. Albers told the board he had received a cost estimate of \$1,800-\$1,900, for materials and labor to replace the three windows. Trustee Tom McElhatton questioned whether the cost could be reduced by having the village purchase the materials and have Public Works employees do the work. Public Works Superintendent Augie Bilgo said he would have to take a look at the job before he could say whether or not his men could handle the work. Bilgo also indicated he didn't know if his crew could get at the work because they have a full schedule with regular summer public works projects such as garbage collection, street repairs and park maintenance.

Albers' third recommendation was mudjacking the sidewalks around the treatment tanks, at a cost of \$680. Albers told the board this was not something which had to be done right away, but he wanted the board to take it under advise-

ment. Trustee Dave Nigh told the meeting he could understand Albers' concern, however, he stated, "these sidewalks could not be any worse than sidewalks in the rest of the village. I think there are other areas more critical than up there," said Nigh.

The board recommended action on the windows and sidewalks be tabled until Trustee Mlodzik and his Public Works Committee could look into the two matters.

Trustee Howard Laubenstein reported on the April 24th Plan Commission meeting. He noted that, due to the lack of a quorum, the meeting was suspended and just an informal discussion was held regarding the possible development of six acres of land south of Meadow Creek Apartments. Laubenstein said that while no purchase of the land has been made by Knaup Homes, builders of Meadow Creek, the firm was looking into the possibility of constructing several more elderly and handicapped units on the land.

Greg Scott, representing Knaup, wanted the commission's input on re-zoning the land and eliminating a proposed east-west street through the land.

Laubenstein said Scott was advised that the firm would have to submit formal requests on both points. As far as Laubenstein was concerned, he

## Marilyn Haug Receives Silver Beaver Award

Marilyn Haug, with husband Wesley, after receiving the distinguished Silver Beaver Award during the Annual Bay Lakes Council Appreciation Dinner held at the Country Aire in Appleton May 6, 1984. This award is made for noteworthy service of exceptional character to boyhood by registered Scouters within territory under jurisdiction of local Council. Marilyn was one of 18 scouting volunteers within the 22½ County Council that was selected for this prestigious award.

Marilyn has been in scouting for 12 years, has been a Den Leader, serves as Cubmaster since 1976 of Pack 3744, sponsored by the Kewaskum Kiwanis Club. She has served as Roundtable Commissioner, is on the Roundtable Staff, a Unit Commissioner, Boys Life Chairman along with Pedro, all with District Eleven.

Marilyn has earned the Den Leader's Training Award, Scouter's Training Award, Arrowhead Award, Scouter's Key Award, the District Award of Merit and the 1981 Cub

Scouter of the Year. She has taken Philmont training in 1980 as Roundtable Commissioner and in 1983 Scouting for the Handicapped. Marilyn has been on the Pow Wow staff, Training Staff, assists with local F.O.S. and served at the Handicapped Awareness Trail for the 10th Anniversary Encampment and attended the College of Commission Science.

Active with Peace United Church of Christ as a choir and guild member, a WAC veteran of Korean War, 1980 Women Legionnaire of the Year for State, a member of American Legion Post 384, she has also served as Post Commander and Washington County Commander. Marilyn also does blood pressure screening on a volunteer basis through the County Health Nursing Services.

Marilyn as a domestic engineer, a Sunday school and Vacation Bible School teacher, takes an active interest in and promotes youth programs of the American Legion and scouting.

## Jaycees to Fill Sandboxes May 26

Last year the Kewaskum Jaycees conducted a sandbox fill for Kewaskum area residents which was very well received. This year the Kewaskum Jaycees will be working to provide sandbox fills on Saturday, May 26.

If you would like the Jaycees to deliver sand at your house, please call Ed Reindl at 626-2041 or Ron Schmitz at 626-4808.

There MUST be someone at your house when we come, or we will not deliver the sand; if you or a family member cannot be home, please have a friend or neighbor available.

There will be no charge for this service, but donations to the Jaycees will be accepted. Should it rain, we have set June 2, as the rain date.

## Schmitz Nominated for State Award for Energy Innovation

Elmer Schmitz, 1160 Stark St., Kewaskum, has been nominated for a state award for energy innovation, a program sponsored by Governor Anthony Earl to recognize projects that have achieved significant energy savings or other measurable public benefit.

This award is being considered for Schmitz's double envelope energy-efficient home which he built a few years ago, a letter sent to Schmitz by Barbara Samual, awards committee chairwoman, stated.

If the Schmitz home is selected as a finalist, Schmitz will receive an award and his project will be submitted to the U.S. Department of Energy for possible recognition at the

national level. Samual said about 10 finalists were usually selected in the state contest.

The judging committee, appointed by the governor's office, is comprised of resource and program specialists in the Department of Administration's Division of State Energy. In the next several weeks, Samual stated, the committee will evaluate about 50 nominees, based on judging criteria developed for the national award program. Governor Earl will make the final selections and announce the recipients sometime in June.

The home requires only 4 to 5 percent of the heating cost required for a conventional house of its size, Schmitz said.

## Wahnschaffe To Stand Trial In Girl's Death

Marvin E. Wahnschaffe, 30, of 316 Main St., Kewaskum, is scheduled to stand trial May 16, 17 and 18, on a charge of homicide by the intoxicated use of a motor vehicle in connection with the death of a 12-year-old rural Kewaskum girl, in a bike-car accident last spring.

Wahnschaffe allegedly drove the vehicle that struck Jennifer Ramthun, daughter of Harvey A. and Kathleen H. Ramthun,

9175 N. Mill Road, Kewaskum, on May 9 of last year. The accident occurred on State Highway 28 in the Town of Kewaskum east of the village. The girl died six days later of massive head injuries.

The criminal complaint says a breathalyzer test showed Wahnschaffe's blood-alcohol content was .13 percent. A 10 level or greater is legal evidence of intoxication in Wisconsin.

### Sue Tolonen Wins \$1,000 Layton Scholarship

Twenty area high school seniors have been awarded scholarships of \$1,000 each to attend the Milwaukee Institute of Art & Design in the 1984-85 academic year. The Scholarships are named in honor of Frederick C. Layton, art collector and philanthropist, and will be in the form of tuition remission. The candidates were selected on the basis of a portfolio of work submitted to MIAD and judged by a faculty and administrative committee.

Terrence Coffman, President of the Milwaukee Institute of Art & Design, expressed his appreciation to the Layton Board of Directors for initiating this Layton Scholarship Program at the school. MIAD was founded in 1974 and is the only professionally accredited four-year college of art in Wisconsin which grants a Bachelor of Fine Arts Degree.

High school seniors who were winners in the MIAD scholarship competition include Sue Tolonen of Kewaskum.

committee, board and commission appointment recommendations. Richard Schmidt will complete the un-expired Plan Commission term of Charles Miller and Mark Slaughenhoup will complete the un-expired term of Elmer Yoost who resigned from the Commission.

The Board of Review will be reduced to five members by leaving William Martin's former position vacant. Martin will replace Bill Kulas on the Police Commission.

Schmidt informed the board that the Modern Woodmen of America, Camp #2233, will hold a craft and rummage sale May 19th at the Labor Center, from 9:30 a.m. to 4:00 p.m. All proceeds will come back to the Kiwanis Park for playground equipment, plus the Woodmen will match all money taken in up to \$1,000.

Schmidt said he had received several phone calls regarding rate increases for May Cable TV service. Schmidt noted the increases were only for HBO, Cinemax and additional outlets. He said he had been informed by Riverbend, that they will be coming to the village with a counter-proposal within the next two weeks.

Two lights for the Horseshoe Pits area have been purchased and will be installed shortly.

Dan Stoffel, newly elected Washington County Supervisor for District Ten appeared before the board to introduce himself and offer his services any time he could be of assistance to the village.

stated, "I think the street should still go through, that would relieve some of the traffic at the park."

Trustee Mary Krueger reported the Library Committee is very happy with the new book-drop and use of it is increasing every month.

Village Administrator Dan Schmidt recommended the board approve opening the Kiwanis Park Pool on June 8th. Schmidt noted that schools let out on that date and if the pool is not open, dozens of kids will be going over the fence to get in. With the pool officially open, lifeguards would be on duty. The board approved Schmidt's recommendation with hours being 1 to 4 p.m. and regular pool opening hours of 11:00 a.m. beginning June 11th.

The board approved President Gerald Stollenwerk's

**THE AMERICAN COMMEMORATIVE BUCKLE COLLECTION**

*Twelve beautiful solid brass belt buckles you can wear, collect, or present proudly as a rare gift of great value.*

These solid brass buckles are sand cast in the centuries' old tradition of early European and American artisans, working from a master sculpture created with the same artistic skill that is used when minting coins. The lustrous look of a fine jewelry finish is fashioned by the careful hands of expert craftsmen. This painstaking procedure imparts a unique work of art, with no two buckles exactly alike.

To further enhance the value of your purchase, each buckle has been engraved with its own official serial number. In view of the possible collector's value of these buckles, you are invited to register a collector's ownership certificate with American Collector Magazine.

Four distinctive buckles, cast with our state's spirited symbols, highlight the collection. And the eight additional designs below dramatically depict the essence of our American legacy.

You won't find this offer anywhere else at any price. That's why we're proud to be able to offer each beautifully designed buckle — deeply sculpted in rich, three dimensional detail — at this low, low price with our special purchase requirement. It's our way of saluting you as one of our customers. After all, we like to think we're establishing a tradition too!

**Only \$995 Each**

*These unique buckles are only available through our exclusive offer, so start collecting yours today!*

Strangers  
STAY AWAY!"

© PATCH THE PONY, INC. 1973

## Stranger Awareness Program Comes To Kindergarten

"Patch the Pony" has come to the Kewaskum kindergarten classes this month to tell them about his special safety rule: "Nay, Nay, from strangers stay away!"

The Public Affairs department of the Kewaskum Junior Woman's Club has purchased a "Patch the Pony" filmstrip and cassette to be shown in all

kindergarten classes in our school district, including St. Lucas. Patch the Pony was the creation of a housewife in Orangeburg, South Carolina, who was looking for a non-frightening way of teaching her own children to beware of strangers. Patch's reputation has grown, and now Patch the Pony, Inc. produces materials for the use of civic groups around the country.

The Kewaskum Junior Woman's Club is pleased to present this simple, effective and complete project to the young children in our area. Each child will be given a Patch button and a leaflet describing the legend of Patch the Pony. Parents should read this leaflet with their children; it may very well become their favorite story!

## KHS Hugh O'Brian Youth Foundation Candidate Chosen

Lisa Krahn

Lisa Krahn, daughter of Mr. and Mrs. Sylvester Krahn of Route 1, Adell, has been selected as Kewaskum Community High School's candidate for the Hugh O'Brian Youth Foundation International Leadership Seminar, Clark Pearson, principal, announced.

The seminar which is open to one sophomore student from each high school in the state, brought the student ambassadors together with business and community leaders to discuss various aspects, problems and the future of America's Incentive System, also referred to as the Free Enterprise System. The seminar took place at the Holiday Inn South/Airport in Milwaukee, on April 27-29.

Lisa's sponsorship fees were paid by NMA-The West Bend Company.

Hosted by the Milwaukee Jaycees, the statewide seminar program is coordinated by the Wisconsin Leadership Seminar Committee in cooperation with many Jaycees, Jaycee Women, Federated Women's Clubs, Kiwanis Clubs, Lions Clubs and businesses from throughout the state.

## Attend Bethel Bible Clinic

Kewaskum Statesman, Friday, May 11, 1984, Page 5

MADISON, WIS. Reverend and Mrs. D. R. Joiner of Peace United Church of Christ are attending a two-week orientation clinic of the Bethel Series, an international Bible study program administered by the Adult Christian Education Foundation (ACEF).

Orientation clinics are attended by pastors and Christian education directors, who return to their churches to train lay teachers. The teachers, in turn, present an overview study of Scriptures to adult members, which is the foundation for continuing adult study. Both Pastor and Mrs. Joiner will be

teaching Bethel.

Since 1959, more than 5,000 congregations, representing over 40 separate denominations, have involved nearly one million lay teachers and students in the Bethel Series.

Pastor and Mrs. Joiner are pictured here with a poster from the first New Testament lesson of the Bethel Series, "In the

Fullness of Time." The poster is one of 40 visual aids used to acquaint students with major Biblical themes. The Joiners will be certified to teach Bethel following completion of their studies on May 11th at the Madison campus.

### OUR MOTHER

Myrtle E. Johnson

It is not how she died,  
But how she lived  
As she traveled along life's way.

Giving naught in return,  
Did she just look the other way.

'Humility was her best virtue  
She was wise far beyond her years,

And she could not turn away  
For compassion held sway  
At the sight of a fellow man's tears.

She not only gave of possessions  
But she gave of herself as well.

She never tripped a stumbling man  
But caught him before he fell.

You ask how our mother died  
It's simple, God called her home.

But her kindness will never die  
It will live through her deeds alone.

She lived as she died, with head held high,  
She could look any man in the face.

Only God in his infinite Mercy knows  
Mother rests in the Almighty's Grace..

## Middle School S.O.S.

"SAVE OUR SUBSCRIPTIONS" that is the motto of the student body and parents as we prepare for the 1984 fall magazine drive. Parents, please start thinking, now, about all the magazines you would like to order for next year and remind your friends and neighbors to do the same. If you have subscriptions that need to be renewed in the near future, or if you would like new subscriptions to your favorite magazines, please save them. Also save any special offers or coupons you receive for reduced rates as QSP will honor them.

Next fall our student body will be sponsoring a magazine subscription program under the auspices of QSP, Inc., a subsidiary of the Reader's Digest Association, Inc.

With the QSP program, 40% of the purchase price of each magazine subscription is retained by our school. By simply renewing subscriptions to magazines you currently receive, or by purchasing a new subscription, we can earn funds necessary to improve both our curriculum and extracurricular activity programs.

Each student is asked to call on members of his family and a limited number of acquaintances. Also, past experience has shown that students enjoy working for the improvement of their school and supporting their own activities.

During the annual magazine drive from September 5 - 17, 1984, we will send home, for your approval, a complete list of over 500 nationally known publications. We hope you will view this program favorably. Annually, thousands of dollars leave our community through travelling solicitors. This year, our student body would appreciate the opportunity to earn part of these funds, with your support.

# 'Take a Walk Thru Kewaskum'

Sponsored by Kewaskum Area Chamber of Commerce  
By Nanc Malvick

"Have Grill, Will Travel." That's just one of the services offered at Behring's Market, 1265 Fond du Lac Ave., Kewaskum. Paul Behring purchased the market from Elmer and Ocelia Yoost in 1971. The market sells fresh meat and sausage, does custom cutting, curing and smoking, plus sausage making.

That's not all they do at Behring's Market, however. Paul, his grill and his crew, cook for tail gate parties, Krazy Daze, the Turkey Shoot and the Washington County GOP Brat Fry. Last year they cooked for a tail gate Fund Raiser for Senator Robert Kasten and would you believe, there were 1,000 guests!

Behring's Market has those famous, delicious, seasoned picnic patties when you need them and don't forget the bratwurst. The market is open Monday thru Thursday, 8:00-5:30, Friday until 7:00 and Saturday until 5:00.

Hey, where's the brats? At Paul's, of course.

"We Work For You!" That's the motto used by Orv Behnke, CLU; Ron Schmitz, CLU, and Associates, 1051 South Fond du Lac Ave., Kewaskum.

Orv, center, and Ron, right, represent the Equitable Life Insurance Society, however, they also broker with at least thirteen other Insurance Companies. Orv and Ron combine 30 years of financial products experience, so you can find the one that's right for you. Shirley Koth, left, Office Manager, has been with the business for the past seventeen years.

They can provide you with the knowledge and the service in such things as: Corporate Pension Plans, Life Insurance, IRA's, Investment Annuities, HR-10 Plans, Group Health Insurance, Group Health and Disability Income Insurance, etc.

Orv and Ron have also found the time to share their abilities in many local community activities, another way of providing special service, right!

## WHAT IS REYES SYNDROME? For Kids' Sake - Find Out NOW!

Chesley P. Erwin, MD

As a parent, you feel relieved when your child has scratched his last chicken pox scab or muffled his last sneeze. Finally, you think to yourself, he's on the road to recovery. Some children, however, only seem to recover. As quickly as the flu symptoms seem to vanish, new symptoms appear.

While you may attribute the symptoms to a relapse, they may in fact be due to something far more serious: Reye's Syndrome. Reye's Syndrome is an acute condition mostly affecting the liver and brain. If the symptoms are left untreated, it could cost the child his or her life.

When a child develops Reye's Syndrome, abnormal fat accumulations lodge inside the liver and the brain. This can cause swelling and inflammation of the brain. If this swelling persists, the child could lapse into a coma and suffer from irreversible brain injury or death.

Although a child can develop Reye's Syndrome at any time of the year, the most prevalent time seems to be in the winter months. Scientists argue this is because the winter months have the highest number of flu cases.

Because most cases of Reye's Syndrome affect children (infant to age 19) when they appear to be recovering from the flu, chicken pox or other viral diseases, the National Reye's Syndrome Foundation urges parents, relatives and teachers to be aware of the symptoms. Recognizing symptoms and having them diagnosed in the early stages may save the child's life.

If a child suddenly has persistent episodes of vomiting, it could be an indication of Reye's Syndrome. Also, a child may show signs of brain dysfunction. In this case, the child may experience feelings of listlessness, loss of energy, and drowsiness.

Parents who notice these symptoms and have the least suspicion that their child has Reye's Syndrome should seek

medical attention immediately. In the past, case studies have shown that symptoms of Reye's Syndrome can become extremely severe in just a matter of hours. If the symptoms erupt during the night or when a physician is not available, the child should be taken to the emergency room immediately.

Once there, the physician can make the proper diagnosis by administering a set of tests including a SGOT or SGPT (a liver test) to see if Reye's Syndrome is present. Once Reye's Syndrome is diagnosed, the child can be treated. Treatment, of course, will vary depending on how advanced the symptoms are.

Although no one actually knows what causes the condition, some studies show there may be an association between Reye's Syndrome and chicken pox. The Surgeon General advised parents and teachers to exercise caution when administering aspirin or any medications containing salicylates (compounds that reduce pain, fever and inflammation).

Most experts agree it is probably wise to avoid giving any aspirin to children during their illness, until studies actually prove salicylates are safe for use. However, parents should also be advised that just refraining from giving children aspirin will not prevent Reye's

Syndrome.

As a last word of caution to parents who suspect Reye's Syndrome, symptoms usually occur during or shortly after a child's bout with a viral illness. It is best not to panic, but to seek medical help immediately. Noticing symptoms earlier decreases the danger. The most current statistics reported in 1981 show a 90% chance of recovery if diagnosed early.

## Both JC's Bike-A-Thon and Sandbox Fill a Success

Pat Hanrahan, President of the Kohlsville/Wayne Jaycees, presents a check of \$345.39 to Sue Bleckwenn of the Cystic Fibrosis Foundation as a result of their Bike-A-Thon.

Lyle Ernisse and Jim Schmidt are shown here filling the sandbox of Roger Kudek. This was just one of many filled by the Kohlsville/Wayne Jaycees.

The Kohlsville/Wayne Jaycees recently sponsored a Bike-A-Thon for Cystic Fibrosis and a sandbox fill for the families of our community.

After pledge forms being out for only thirteen days, then a one week postponement, the Kohlsville/Wayne Jaycees had fifteen participants in the C.F. Bike-A-Thon.

A total of \$345.39 was pledged to the Cystic Fibrosis Foundation of Wisconsin. In the presentation of the check to Sue Bleckwenn, C.F. representative, she said, "I don't believe this! When your chapter contacted me three weeks ago, and said you were going to run a Bike-A-Thon, I really had my doubts. And then to come up with this amount of money, it's simply amazing. You must have a real close and supportive community."

We had a total of fifteen participants with nine of them

raising over \$25.00. If you raise over \$25.00, the Cystic Fibrosis Foundation gives you a T-shirt. The bikers ranged in age from 9 to 12 with one exception, Lyle Ernisse, who biked for the Jaycees. We, on behalf of the Cystic Fibrosis Foundation, wish to thank and commend all those who made this a success. We are planning another one for next year, and we are hoping for a bigger and better turnout.

On Saturday, April 28th, we also had a sandbox fill for the families of our community. This was also on short order, however, we did fill fifteen sandboxes. We wish to thank everyone who helped us on this project to bring it to a success also.

Plans are being made for a softball tournament at the Hitching Post in Kohlsville on June 9 and 10. Ground rules are just being layed now, so look for upcoming information.

## Letters to the Editor

Friday, May 11, 1984, Page 13

Dear Editor,

Many people in the Kewaskum School District never go to any school board meetings. They only believe what they read in the newspaper. I would like to correct some statements that have been said at school board meetings.

Mr. Long stated that Beechwood School only has 60 students. This is not true; he did not count the Kindergarten students. There are 84 students this year and next year there will be over 90 students. Since when don't you count Kindergarten in a school enrollment? Does he also not count them when it comes to state aid?

He says that he doesn't like the split grades at Beechwood. Beechwood doesn't have split grades. Each room presently has two grades, none are split. He feels that they aren't getting a good education. If the education is so bad, how do you explain the top scores in the Continental Mathematics League tests? The top fourth and the top fifth graders in the Kewaskum district are from Beechwood Elementary School. Many former Beechwood School students are on the Middle and High School honor roll and in the National Honor Society.

The enrollment went down and Beechwood had one less teacher for the past three years. Now the enrollment is going up and we need that extra teacher again. Instead of just giving back another teaching position, someone came up with the idea of shuttle busing Beechwood and Farmington. We could save a 1/2 teacher position. WOW!

When we asked for extra children to be bused in for a higher enrollment, it couldn't be done. Now that the enrollment is going up, shuttle busing is mentioned. No one has said how long the little children would have to ride the bus or how much this extra busing will cost. Or who is going to transport the children who can't ride the bus or get sick at school. But we do know we could save 1/2 teacher position for 11 more students. The classes would be larger, more students stuffed into one room.

Last year when Wayne School wanted another Kindergarten section, they came to a few meetings and they got it. Farmington wanted another Kindergarten section, one meeting, and they got it. Yet Beechwood people have to go to meeting after meeting to fight to keep the school open and try to keep our children in our own area. Is this equality?

Last year Mr. Long didn't want four Kindergarten students from Wayne bused to Kewaskum. He "didn't want to disrupt four families." But he is willing to disrupt all the Beechwood families. What kind of equality is this?

Beechwood came into the district almost debt free. Beechwood tax payers have since helped pay for an addition or a new building in every community that has school buildings. This is the thanks we get.

Mr. Long also said that there are empty rooms in Beechwood School. I would like to know where all this space is. As a volunteer, I have had to work in the hallways on several occasions because there wasn't any other room. All the rooms are being utilized.

I don't like the brain washing techniques being used. I have attended school board meetings where Beechwood School has not been on the agenda. But propaganda on why schools should be closed are handed out. No one will be discussing the issue at a meeting, yet Mr. Long always has to bring up closing schools, especially Beechwood. Isn't this discrimination?

Last week the school newsletter came in the mail. "From the administrator's desk" came the message, "We have to make changes." Why? Who stands to gain from this?

Four generations of my family have or are attending Beechwood School. I can't see why some strangers should come in and tell us our school should close.

Mrs. Ronald Beimborn

To the Residents of the Kewaskum School District:

I am writing this letter to clear up some misconceptions people of the district have had about Beechwood School.

We do not have JUST 67 fulltime students this year, somewhere along the line our 18 kindergarten students vanished into thin air. We also have been told that the enrollment for next year is down. We will have approximately 17 kindergarten students again next year, so our enrollment is staying the same.

If our school closes, our children will be sent to Farmington. I invite you as taxpayers to visit the Farmington school and tell me where you will put 80-90 more students. Farmington parents, if you have any opinions on this subject-Monday, May 14, 1984 at 8:00 p.m. at the school board meeting is the time to come and express them. If you do not come and express your desires you have only yourself to blame later. If you think it can not or will not happen, you may be in for a rude awakening.

We have been told our children are being denied and equal education by having two classes in one classroom. I have yet to hear any teacher at Beechwood complain about class loads. Granted, this situation is not ideal for a slower learner or an easily distracted student, but would that child have a better chance of learning in a classroom size of 28 students all one grade? I doubt it! In fact, I have heard teachers say that having 2 classes in one room can be an advantage because it can serve as a review

and a preview for both classes.

If our children are not getting an equal education then why have our Beechwood students done so well in the Continental Mathematics League testing? The 4, 5, 6th graders from the whole district competed in this math testing and of the 109 of them that placed, 35 were from Beechwood. But when this was brought up we were told that test scores do not count for anything.

We as taxpayers have been told the district would save approximately \$30,000 by closing Beechwood School. We as parents of Beechwood School students have asked repeatedly for some figures in black and white on where this money would be saved and we have been ignored. We have even asked for figures with a variance of \$2,000 either way and have not been given an answer. If you ask me \$30,000 out of a budget of over a million dollars is not a lot of money and there is also the disruption of 50 families to consider.

Granted, we are the smallest school in the district, but in the last 3 years, our P.T.O. has donated to the students: a laminating machine and laminating film; a video recorder; many library books; shrubs for the front of the building; \$600 to fix our antique merry-go-round; movies and films for the teachers to use; a Halloween party (in cooperation with the Women's Auxiliary); a Christmas party and many other smaller things.

Need a volunteer? Our library is strictly on a volunteer basis. Not one dime of the school district's money is spent on wages for our library to run. I personally spend an average of 6 hours a week working in the library and we also have other mothers volunteer 1 day a week for the afternoon. In fact, if it were not for myself and other volunteers we would still not have a library. I spent over 300 hours the first year just organizing, so the children could use the books in a library setting. I did not ask for nor was I compensated in any way for any time volunteered. (I also work elsewhere an average of 30 hours a week, so I do have other commitments). If there is a need for volunteers to help out, all the school need do is ask and they have more volunteers than they need sometimes. This would come to an end if our school closed.

Our volunteers free the support staff at Beechwood School so they can continue to do the jobs they are paid to do. Can any other school in the district say the same? Our school could not run as efficiently as it does without our excellent support staff - Pat Reif, Marlene Klahn and Marge Krahn - and our "family" of teaching staff. We as a school district are fortunate to have these dedicated individuals. Take our school lunch programs as an example - it averages out that 75-85% of the students eat hot lunch at Beechwood. I compliment Marge Krahn on her excellent meals. What other school can claim that percentage?

I sincerely hope that anyone concerned with any school closing comes to the next school board meeting and speaks up. It's the only way you'll be

heard.

BEECHWOOD PEOPLE"

To the Editor:

This is in reference to past School Board meetings.

How can Mr. Long expect to retain any respect from the School Board or the people of the Kewaskum School District, if he continues to display very little control of his temper at meetings?

His actions do not speak well of a person of his position.

Ronald Beimborn

April 30, 1984

To the members of the  
Kewaskum Jr. Women's Club:

It is really a shame that the recycling center had to close. It's a bigger shame now that it is closed, there is so much glass left laying around. Granted it was a worthwhile project, but how about cleaning up what's left? A few weeks ago a neighbor child was running and fell in his own driveway, when he got up he had cuts on his hands from where he fell. Let's get this mess straightened up. Also, why is there no lock on the two big doors? This will probably not be corrected until

someone, be it a neighbor child or some pranksters, (it doesn't matter) goes in and falls in one of the barrels or gets seriously hurt. Come on Jrs., where is your community spirit now that this project has assumably folded? If it has not folded, then where is the needed security on this building? Since it has closed there has been no one but the village coming to check on this building.

I really would like to see the driveway raked or new gravel dumped to rid it of glass. You cannot even ride a bicycle in the

area because of all the glass. My neighbor will not call this to the attention of the club again, because she has done so in the past and nothing has been done about it, but I will. If I am to be believed, then just drive down the driveway all the way so you too can observe this. But go all the way to the front doors and the area immediately around this. It spreads all the way to the big tree. If a neighbor child falls enroute to the sandbox and cuts himself

Kewaskum High School band and glee club members who received I ratings in Class B at the annual spring music festival held at Campbellsport on April 4, represented the school at the state music contest held at Madison on May 2. The students included David Hanselman, cornet solo; Nancy Held, piano solo, and the triple trio consisting of Alice Schwind, Sharon Harbeck, Connie Rossow, Marita Nohr, Eileen Hanselman, Patricia Edwards, Carole Schultz, Margo Weiss and Pam Nolting.

Miss Mary Jane Falk, daughter of Mr. and Mrs. Wilmer W. Falk, Route 2, Kewaskum, and Robert L. Vass, son of Mr. and Mrs. Kenneth Vass, Sr. of Barton, exchanged wedding vows in Holy Trinity Church, Kewaskum, on April 25.

During a 10 a.m. nuptial mass read by the Rev. John T. Budde in St. Bridget's Church, Town of Wayne, on May 2, Miss Rose Mary Hawig, daughter of Mr. and Mrs. Edward Hawig, Route 3, Campbellsport, became the bride of Raymond Ruplinger, son of Mr. and Mrs. Joseph Ruplinger Sr., Route 1, Allenton.

In recognition of his outstanding qualities as a soldier, cost consciousness and

knowledge of basic military subjects, Pvt. Kim T. Peterson was recently selected by his superior officers as soldier of the month out of 500 trainees. Pvt. Peterson is the son of Mr. and Mrs. L. N. Peterson of Kewaskum. He is stationed at Fort Benning, Ga.

Airman Frederick W. Lettow, son of Mr. and Mrs. William F. Lettow of Kewaskum, has completed his initial course of air force basic military training at Lackland AFB, Texas. He has been selected to attend the technical school for radio and radar at Keesler AFB, Mississippi.

After a couple of postponements due to wet, cold weather, the Kewaskum Indians finally got their baseball season underway the past week in the Scenic Moraine conference when they blasted out two victories to take over first place in the loop. Hosting North Fondy last Wednesday afternoon in a free scoring game, the Indians outlasted the Orioles by a 15-12 score. Jim Marx was the winning pitcher though relieved by Dave Oppermann late in the contest. Kewaskum's Dan Coulter had the giant's share of the hits with a home run and a triple in three times at bat and scored three runs. Butch Rodenkirch and

Tom Smith collected the team's two other hits. Proving his opening game hitting was no accident, Coulter blasted the Indians into first place Monday with two home runs and a double as the team blanked Grafton by a decisive 9-0 margin there. He accounted for 5 of the 9 runs. Three homers, a triple and a double in two contests should set a new league record for Coulter. Jim Marx teamed up on the hill by pitching a 5 hitter against Grafton. Marx went the route, fanning 4 and walking only 1.

Railway no longer goes under that name, having been purchased by the Soo Line. It will be known by the latter road in the future.

The local baseball team will open the season tomorrow (Sunday) at West Bend where they will cross bats with the West Bend regulars. The boys expect to have a strong lineup for the game.

## Kewaskum High School Art Students Well Represented in Milwaukee Journal's 40th Annual Student Art Calendar Competition

Thirty Art III and IV students from Kewaskum High School's art department went on a field trip Wednesday, April 18th, to view over 1,000 art entries from 114 state schools. The entries were on display in the Magin Lounge Gallery at the Performing Arts Center, Milwaukee. The excursion was especially meaningful to the students because 7 of their fellow classmates had their works on display. Art instructor John Baitinger was even more gratified that four of those seven student entries were award winners in this year's Milwaukee Journal Art Calendar Competition.

The four KHS winning entries include the gold palatte award for a pencil drawing entitled "Luxury of Satin" - senior Sue Tolonen; silver palatte award to senior Jody Bieniek for her entry entitled "The Faceless Window;" bronze palatte award to senior Suzanne Schmitt for her entry entitled "Untitled" and honorable mention to senior Amy Sekas for her entry "Autumn Solace."

Gold palatte winner Sue Tolonen will receive a \$200 U.S. savings bond in addition to her gold palatte award. In addition the Journal will offer to purchase two or more paintings from the exhibit for the newspaper's permanent student art collections.

Mr. Baitinger felt his students were impressed with the PAC and the art show. It was exposure to a level of culture many of the students have never before experienced.

The Journal exhibit was open to the public daily, 1:00 p.m. - 5:00 p.m. through April 25. At the conclusion of the exhibition, Mr. Baitinger plans on putting all of his art student paintings on display at the Kewaskum Valley Bank throughout the month of May.

Randy Marquardt and Edward Reindl have been awarded the Associated Milk Producers, Women of 7-D's first time scholarships of \$100.00 each. This money was raised from the 1983 Dairy Luncheon held during Dairy Daze in Kewaskum.

Randy Marquardt is the son of Mr./Mrs. Marvin Marquardt of 2066 Stoney Crk. Dr., Kewaskum.

He has been a member of the German Club for four years, Yearbook Staff his senior year. He has been an active 4-H member for 8 years, serving as club vice-president and treasurer, also was involved with older Youth 4-H and his church's Young People's Society.

In the future he is planning to attend Texas A&M University, College Station, TX, majoring in Environmental Design.

**Edward Reindl**

Edward Reindl is the son of Mr./Mrs. Allen Reindl of 4782 Badger Rd. Kewaskum.

He has been a member of VICA for 2 years and a VICA reporter for 2 years.

His plan for the future is attending MPTI of Fond du Lac for 2 years majoring in Mechanical Design.

**Hearing Loss  
Is Not A Sign  
Of Old Age.**

Chicago, Ill.—A free offer of special interest to those who hear but do not understand words has been announced by Beltone. A non-operating model of the smallest hearing aid Beltone has ever developed will be given absolutely free to anyone requesting it.

It's yours for the asking, so send for it now. It is not a real hearing aid, but it will show you how tiny hearing help can be. The actual aid weighs less than an eighth of an ounce, and it fits completely into the ear canal.

These models are free, so we suggest you write for yours now. Again, there is no cost, and certainly no obligation. Although a hearing aid may not help everyone, more and more people with hearing losses are being helped. For your free sample write today to: Department 58989, Beltone Electronics Corporation, 4201 West Victoria Street, Chicago, IL 60646.

### EXODUS HOUSE "A Way Out"

The goal of the Exodus Transitional Care Facility—Exodus House in Kewaskum—is to help male alcoholics achieve sobriety and get readjusted to their families and communities.

To accomplish that, Exodus House focuses on helping its residents in all areas of their lives. "The need is not only to be involved in the drinking aspect of a person's life," Director Thor Otto said recently, "but also to be involved in the family, financial, employment, education and sometimes legal aspects as well."

Exodus House is called a "halfway house" because it's designed to help those who have reached a "halfway" mark toward sober living. Residents no longer need the intensive care of a hospital or institution, but they are not yet ready to resume independent living.

The need for a place like Exodus House was recognized in 1975 by volunteers and workers at the Washington County Council on Alcoholism. Persons from the area who needed a residential treatment program had to travel to Milwaukee, Fond du Lac or Waukesha Counties. This took them away from families, jobs

and other people in the community who were on a program of sobriety.

Many times, when a person came back to the area, there was no continuing support or no acquaintance with other sober people. Chances were great that the recovering alcoholic would return to the street, renew old acquaintances, and would soon be back to his old way of living.

Exodus House opened its doors in 1977. It's guided by a nine-person board of directors, and the staff consists of a director, two counselors, a full time house manager, a part time relief manager, a statistical clerk and a part time cook.

Emphasis is placed on the homelike features of the house, with residents given much the same responsibility for themselves and their environment as they would have in their own homes. The services include room and board, individual and group counseling, recreation, and development of social and daily living skills.

The services are grouped under 1) health care monitoring; 2) information and referral; 3) counseling; 4) supportive home care; 5) leisure time services and 6) transitional services. The staff coordinates the services.

The Exodus House program is founded on the Alcoholics Anonymous philosophies. There are weekly group therapy sessions conducted by the counselors, and each resident is seen individually at least once a week. Two regular AA groups are held in the house, and members of an alumni group meet each Saturday with the residents.

Attendance at community AA functions is strongly encouraged, and vocational, employment and spiritual guidance is provided through participating community professionals.

The informal program includes responsibility for daily chores in and around the house, and residents are also encouraged to get involved in outside community activities, which they can continue with after leaving the house.

A formal aftercare plan is drawn for each resident before discharge. Residents who leave the community are referred to AA groups and other resources for staying sober in their new area. Those remaining in the Washington County area know that Exodus House staff counseling is still available to them at times of crisis or whenever it's needed.

Admission is given to any

individual who needs the facility and is willing to abide by house rules. Referrals must be made by a recognized alcohol treatment program. An applicant must be 18 or older, and sober at the time of admission. He must remain sober, and must be capable of securing employment or participating in a structured training program. Admission is not denied on the basis of race, creed or previous admission.

Otto said the purpose of the house was "to assure as best we can the continued sobriety of our residents." Alcoholism is not only the family illness but the lonely illness. Each person involved in this illness finds themselves feeling alone and unable to communicate with anyone. When leaving the house hopefully a majority of residents will have a sense of achievement and commitment to continue a quality program of sobriety.

He added that the house has always received encouragement

from the community at large. "It was evident from the beginning that the citizens of Washington County supported the program," he said. "It's with that in mind that we guard very closely the reputation and the pride that has come to be a part of the Exodus House program."

Please use the accompanying coupon to either mail in your ideas, or bring them along to the public hearings and voice your opinions personally.

Watch your local newspaper for the locations, dates, and times of the public hearings.

## Brownies Plan Special Day

That's right, it's a day just for Brownies. It will take place on Saturday, June 2 (rain date June 9). The day will be spent at River Hill Park in Kewaskum. The cost will be only \$1.00 and that includes a beautiful patch.

A committee of six Brownies, Beck Kuhnuk Tp. 222, Kelly Melichar Tp. 186, Cara Connor Tp. 25, Lisa Landvatter Tp. 61, Julie Mertz Tp. 50 and Michelle Gundrum Tp. 186, along with seven adults put their ideas together to plan a fun filled day. Activities the day will have are face painting, hiking and talking about nature, action games and songs, sand terrariums, and nature rubbings and other fun surprises.

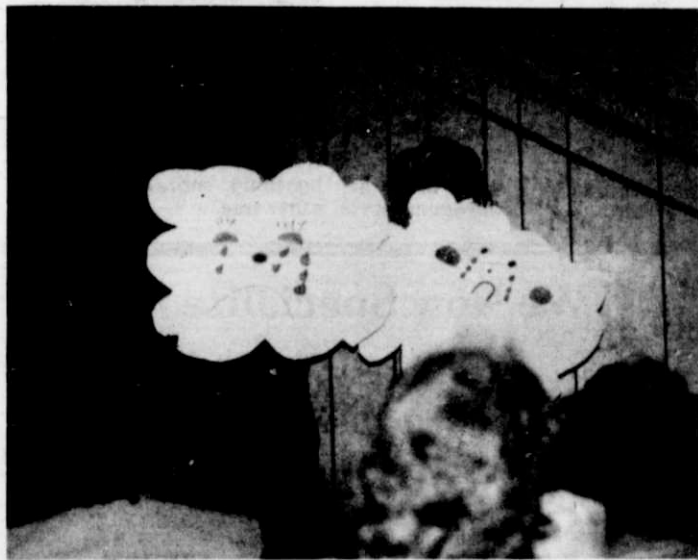

The girls will be assisted during the day by girls from Cadette Troop 72. The girls will also cook their own lunch.

Parents are reminded to send back their daughters permission slips as soon as possible so patches may be ordered in time.

All girl scout sign up slips for scouting for next year have been handed out in school this week. Please make sure and fill out this slip and return this as soon as possible so that the girls will be able to be placed in a troop in the fall. Troops will be set up in the first come, first get system.

If you haven't received a slip you may call Pat Morgan 626-4284.

### National Extension Homemaker Week

May 6-12 is declared as National Extension Homemaker Week.

Any person residing in Washington County interested in education for improving family and community living may belong to an Extension Homemaker Club.

Homemaker Clubs are groups of neighbors and friends who gather to study latest research findings in home economics as they apply to today's living, to gain learning experiences that make one a better citizen as well as a wiser homemaker, to enjoy fellowship while learning.

Most clubs meet in the homes

of members on a monthly basis, and consist of an average of 10-20 members. The main emphasis at the monthly meeting is on the study phase. Each club has a short business meeting. Most clubs cooperate in some community service project.

Program emphasis is on: citizenship, cultural arts, family living, community development, public information, international, health, and safety.

The county home economist, a faculty member of the University of Wisconsin Extension, or local resource people, present the materials discussed at local club meetings.

One local Extension Homemaker club in the Kewaskum area is the Little Whistlers. Anyone interested in joining our group is encouraged to call Kathy at 626-2235, or Lois at 533-8011.

## Vocational Education In the High School

### BUSINESS EDUCATION

The Business Education Department currently has five year-long courses and two semester courses offered at the high school. We do not have a program offered at the middle school but we would like to see an Introduction to Keyboarding (typewriting) presented for a nine-week segment. This would enable students to use the computers more efficiently.

Personal Typing and Typing II are the only semester-long courses we offer. The year-long courses are as follows: Typing I, Accounting, Basic Business, Shorthand I, and Clerical Office Practice. FBLA (Future Business Leaders of America) is our club; its goals are to promote an interest in business, provide a service to the community, and develop student responsibility.

We reach many students through our typing courses. In the past three years, the Personal Typing and Typing I classes have each increased over 20 students. Typing II has also increased as have some of the other courses but not as dramatically as Personal Typing and Typing I. In part, students may be realizing the tremendous value of learning typing before they begin working with the computers. By

next fall we hope to incorporate the use of the computers in Accounting and some of the typing classes. Currently, word processing is taught to the Clerical Office Practice class through the use of the computer.

We feel our courses are valuable to all students, whether they are college-bound or job-entry students upon graduation. Our program, although limited, does provide job skills that would not require further training. If more training is required or desired, we feel that we have given our students a good base to build upon. Many of the students who have gone through our program, have either taken jobs in related fields after graduation or have gone on to technical school or college to further their business career.

Although computers are becoming increasingly more popular, the basics that our courses provide will still be necessary to understand the results that the computer gives and the ability to make the best use of the computer.

According to a recent survey, the secretarial field is one of the top "hot" jobs. This means that there is a great demand for skilled secretarial workers and the demand is predicted to increase rather than decrease.

## Village of Kewaskum, Kewaskum, Wisconsin NOTICE OF PUBLIC HEARING

Notice is hereby given that a public hearing will be held by the Zoning board of Appeals of the Village of Kewaskum, Washington County, Wisconsin, on Thursday, May 24, 1984, at 7:00 P.M. in the Council Room of the Municipal Building, 204 First Street, Kewaskum, Wisconsin, at which time the Board will consider the following application:

The application of James Schaub for a variance, for the property located at 1175 Parkview Drive (Lot 9 Block 32) Kewaskum, Wisconsin. The reason for this variance request is because of the side yard requirements set forth in Chapter 3.4 of the Village Zoning Ordinance entitled "R-2 Single Family Residence District." If the variance would be approved it would reduce the side yard requirement of 7 feet to 4 feet.

After the public hearing the Board of Appeals will meet in Closed Session to consider the application for the variance. The public hearing and meeting have been called by Eugene Bohn, Chairman of the Board of Appeals.

All interested persons will be given an opportunity to be heard.

### Middle School's 7th Grade Girls Finish Successful Season

The Kewaskum Middle School's 7th grade girls' basketball team recently completed a very successful season. The girls ended up with a very respectable conference record of 5 wins and 3 losses which was good enough for a second place finish and a tie with Slinger. Non-conference losses to Beaver Dam and Waupun dropped the overall record to 5-5.

The conference game results were for the 1st half of the season - Kewaskum 23, Germantown 17 - Kewaskum 26, Slinger 29 - Kewaskum 18, Pewaukee 30 - and Kewaskum 32, Hartford, 30. Second half results were: Kewaskum 32, Germantown 26 - Kewaskum 31, Slinger 30 - Kewaskum 29, Pewaukee 55 - and in the season finish Kewaskum 32, Hartford 26. Two of the most exciting games of the season were the 2nd games against Germantown and Slinger. At Germantown, the girls were down 16-12 at half-time, and played super defense to limit Germantown to 10 second half points, while scoring 20 themselves. And the best game was at home against Slinger. At half, the girls were down 20-7, but a well executed full court press caused numerous turnovers, leading to a 16 point third quarter. The girls were behind by 1 point with 7 seconds left when a steal by Jenny Schneider and last second shot by Jodi Zimdars put Kewaskum on top for good.

7th grade team members include: Joan Petermann, Jane Czoschke, Jenny Schneider, Keri Ramthun, Jodi Zimdars, Mandy Schmidt, Stephanie Hinz, Stacey Oppermann, Tisha Roher, Carrie Tiemann, Jeannine Williams, Nicki Kulcinski, Allison Frac, Julie Swenarski, Vicki Schuh, Paula Wilson, Michelle Krueger, Sheila Paulson and Lisa Chmielewski. The girls were coached by Bill Stangl, who would like to say a big "thank you" to the parents of these girls for putting up with the long practices and for their support during the season.

### Middle School's 8th Grade Girls Tie for First

In a very even 8th grade girls basketball conference, the Kewaskum Middle School girls came through at the end by winning their last three games to gain a tie for first place. The girls played an aggressive, full-court, man-to-man defense which improved to the point of allowing an average of only 19 points a game for the second half of the season.

Highlights of the season included defeating Pewaukee twice - both in very close contests, and beating Germantown, the co-conference champion, in our first match-up.

Miss Johnson, the 8th grade coach, was very proud of the way the girls played down the stretch. The starting line-up changed frequently due to illness and injuries but the girls never gave up. They stayed tough and proved that it takes a "TEAM" to win. Great job to the following team members:

Vicki Bindrich, Jo Fromm, Ann-Marie Horner, Jean Klahn, Ellen Kuphal, Kari Kurtz, Leah Maechtle, Connie Menger, Angie Nowak, Brenda Oelhafen, Mary Pesch, Lisa Rehbein, Wendy Romaine,

Tammy Scheffner, Jenny Schuster, Brenda Theusch and Kristin Vogt.

Thanks, also, to Kerri Kudek and Kim Poling for being managers and to the parents for all their time and support.

### Two Kewaskum Wrestlers Honored

Kewaskum wrestlers, Brad Dieringer and Tim Landvatter recently received honorable mention to the 1984 version of The Crossface All-Scholastic Wrestling Team. The team was assembled based on a criteria of academic excellence and outstanding wrestling achievements. Dieringer's overall GPA is 3.56 while Landvatter's is 3.27.

# Boys' Track Team Edged by Plymouth; Last in Relay Meet

By John Harju

The final event decided the outcome of last Tuesday's boys track meet in which Plymouth defeated the visiting Indians, 70-66, despite a clean sweep by Kewaskum in the weight events.

The score was 66-55 in Kewaskum's favor going into the final event, the 1600 meter relay. Plymouth's relay team then promptly ended Kewaskum's hopes for a victory when they crossed the finish line a full six seconds ahead of Kewaskum's team. This made the final score, 70-66. Kewaskum, incidentally, had defeated Plymouth two weeks ago in a triangular meet by 20 points, so Tuesday's meet was a disappointment for coach Dave Drexler and the Indians.

The main highlights for the Indians would have to have been the 1-2-3 finish in both shot and the discus.

John Swanson won the shot with a put of 45'1 1/2" followed by two other seniors, Jim Braun and Steve Seitz who were next at 42'6 1/2" and 42'5".

Braun came back to win the discus with a good throw of 126'11". Seitz was second followed by yet another senior, Gregg Classey.

Monty Shaw and Mike Steinhardt were double winners at Tuesday's meet. Shaw won the 400 and the 3200 while Steinhardt won both the 100 and 200 meter dashes.

Sophomore Corey Garbisch and junior Gunner Schlieter also picked up victories, Garbisch in the 800 and Schlieter in the 1600.

Drexler also noted that most of the times were slow, possibly because of the strong winds which hampered most of the events.

## Plymouth 70, Kewaskum 66

Shot put — 1. Swanson K 45'1 1/2"; 2. Braun K; 3. Seitz K.

# Girls Place 3rd, 5th in Two Invitationals; Rout Cougars

By John Harju

The Kewaskum Indians girls' track team finished third out of six in last Tuesday's Mayville invitational track meet behind some strong performances from Holly Kempf, Julie Koepke, Sandy Klein, and Lori Batzler.

Kewaskum finished with 96 points, only 3 points behind second place Mayville and only 12 points behind Hartford which won the Invite with 108 points.

Columbus was fourth (87 points) followed by Horicon (63 1/2) and Waupun (41 1/2).

Highlights for the Indians included another double win from Holly Kempf in the shot put and the discus. Koepke finished in second behind

110 m highs — 1. Baumgartner P 15.58; 2. Schultz P; 3. Miller K.

100 m dash — 1. Steinhardt K 12.1; 2. Broeniman P; 3. Sippel P.

1600 — 1. Schlieter K 5:00.5; 2. Gosse P; 3. Larson P.

400 — 1. Shaw K 56.0; 2. Mertzig K; 3. Brinkman P.

400 m relay — 1. P 47.9.

300 m lows — 1. Baumgartner P 42.3; 2. Broeniman P; 3. Horstman P.

800 — 1. Garbisch K 2:18; 2. Schlieter K; 3. Krollnik P.

200 — 1. Steinhardt K 24.6; 2. Halle P; 3. Sippel P.

3200 — 1. Shaw K 10:36.0; 2. Gosse P; 3. Gruss K.

1600 m relay — 1. P 3:49.7.

Monty Shaw once again broke his own KHS record in the 3200 and many Kewaskum boys turned in fine performances, but it wasn't enough as lack of depth in many events caused the Indian boys' track team to finish last in Friday's annual J.H. Williams Relay meet held in Plymouth.

The Indian boys finished 7th out of 7 with a total of 39 points. New Holstein won the meet with 110 points.

The 3200 meter run, (the only individual event of the meet) featured a match up between Shaw and Garry Thome of New Holstein, two of the best 3200 meter runners in eastern Wisconsin. Thome eventually won the race, but Shaw's second place time of 10:00.4 broke his own school record by 10 seconds.

Kewaskum also received a second place out of their long jump team of Mike Steinhardt, Brad Dieringer, and John Harju who jumped a total distance of 51'6". Steinhardt had the best jump of 18'7".

The Indians' 800 meter relay team of Rick Dreher, John Mertzig, Jim Laver and Steinhardt placed third (1:39.8).

Kewaskum also received thirds from their 1600 medley team (Mertzig, Dreher, Laver, Shaw) and their sprint medley team (Steinhardt, Brad Dieringer, Mertzig, Shaw).

## New Holstein Relays

The Kewaskum girls' track team placed 5th out of 6 teams in last Wednesday's New Holstein invitational relays meet.

The Indian girls ended up with 48 total points, far behind New Holstein which won the meet with 106 points.

Highlights for Kewaskum included 3 second place finishes and a third.

- Holly Kempf, Julie Koepke, and sophomore Jodi Yearling took second in the shot put with a combined total distance of 97'8 1/4".

- Kempf, Koepke, and Yearling then came back with another second place finish in the discus with combined throws of 277'6".

- Kewaskum's other second came in the triple jump. Senior Sandy Nigh and juniors Sandy Secor and Chris Fratzen put together a distance of 86'5 1/2".

- Kewaskum's only third place finish came in the high jump. The trio of sophomores — Lisa Fusek, Amy Kougl, and Leah Kuphal—combined for a total height of 13'6".

Lack of depth in most events proved to be the Indians' main problem in the meet.

## Kewaskum 87, Campbellsport 45

The Indian girls' track team behind sweeps in the 440 and 880 easily defeated Campbellsport 87-45 in a non-conference track meet held Friday in Campbellsport.

Lori Batzler, Brenda Vetter, and Sherri Batzler finished 1-2-3 respectively in the 440, and L. Batzler, Vetter, and Carol Osterbink finished 1-2-3 in the 880, as well to lead the way for the Indians.

Kewaskum also got its usual double wins out of Holly Kempf in the shot put and discus. Sandy Secor won both the long jump and the 330 low hurdles, and Sandy Nigh had her best triple jump of the season (31'11") and won the event with this jump.

110 hurdles — 1. Oestrich C 18.4; 2. Nigh K, 3. Kapp K.

# Indian Golfers Have Busy Week, Play in 3 Meets

High winds brought out high scores for the Kewaskum High golfers in an Eastern Wisconsin quadrangular last Tuesday at Quit-Quit-Oc Country Club, Elkhart Lake. The Indians finished third among the four teams.

Kiel, the conference leader, was first in the meet with a 174 total, playing on their home course. The Raiders came in with scores from 38 to 46. Scott Schroeder did some hot putting to share medalist honors with New Holstein's Jerry Schmidtkofer.

Plymouth placed second with 184, followed by Kewaskum 188 and New Holstein 195.

Chris Harlow again led the Indians with a 43 for third overall. The next best Kewaskum score came from Brian Kober, who had 47.

The outcome gave the Indians, who had not played on a warm day yet, a 2-2 record in the NW and 3-3 overall.

Plymouth — Hinze 43, Chisolm 47, Richards 47, Henschel 47.

Kewaskum — Harlow 43, Kober 47, Nigh 49, Brodzeller 49.

New Holstein — Schmidtkofer 38, Lorenz 48, Will 53, Wagner 56.

On Thursday Kewaskum played another of its conference matches at Hon-E-Kor here, ending up in third place with 184 strokes to 172 for Plymouth and 175 for Two Rivers.

Brian Jensen, Plymouth's No. 5 man, was the medalist with a five over par 40, on the back nine. Harlow was low for Kewaskum with a 45, including a triple bogey on the final hole.

Playing a couple of poor matches Tuesday and Thursday gave the Indians a 2-4 record in the EW and 3-5 overall.

The Indian JVs won their end of the triangular, 184 to 203 for Plymouth and 320 by the Raiders. Both Randy Delcore and Brian Bodden had 45's. The victory gave them a 4-0 conference record.

## Plymouth 172, Two Rivers 175, Kewaskum 184

Kewaskum — Harlow 45, Brodzeller 46, Ciha 46, Nigh 47. Plymouth — Jensen 40, Chisholm 43, Richards 43, Latsch and Sheridan 46's.

Two Rivers — Aræman 41, Brooks 43, Allie 46, Ruth Mansdorfer 46.

Kewaskum JV Scores — Delcore 46, Bodden 45, Igel 46, Schmitt 48.

Four of the five Kewaskum golfers broke the 90 mark Friday but the best they could do was finish in 7th place in the 12-team Port Washington and Brown Deer Invitational held at Hawthorne Hills golf course.

The Indians had a 445 total with Jeff Nigh carding an 86 on identical rounds of 43. This placed him in a tie for 15th with two others. Harlow and Jeff Igel were next with 88s, and soph Mark Brodzeller was one shot back at 89.

Brian Kober was the only Indian who did not break 90, but he came back nicely with a 44 after shooting a 49 on the first nine. All five players' scores counted in team totals.

Whitefish Bay won the meet with 416 with Kevin Ellis earning the medal with a 75. Cedarburg took second with 427, followed by Grafton (430), Milwaukee Madison (433), Brown Deer (440), Germantown (441) and Kewaskum. Behind the Indians were: Port Washington, Milwaukee Hamilton, Shorewood, West Milwaukee and Milwaukee Vincent.

# Opening Luncheon Held by West Bend Country Club Women

The opening luncheon of the West Bend Country Club Women's Association was held on Wednesday, May 2, with Mary Ann Yahr, President, presiding. Other officers elected at the annual meeting in the fall of 1983, namely Rita Sepersky, Vice President; Darlene Tessar, Secretary/Treasurer, (Kewaskum), and Carolyn Gibson, Corresponding Sec., along with committee chairperson, and new members, were introduced.

A revised constitution of the women's golf association was approved by members in attendance.

Sign-up sheets for the on-going season's golf play were circulated. Jeanne's Country Casuals furnished fashions for association members who modeled them during the luncheon. The model's complimentary hairstyles had been provided by the Heads Up Beauty Shop.

Marilyn Seefeld and Jan Pleimann were hostesses for the opening event and created the table and clubroom decorations.

Ilse Karpowitz, Bridge Chair, distributed bridge tallies and cards for those women who wished to play. Bridge will be played in the dining room following the season's luncheons each week.

The first golf event of 1984 was a breakfast scheduled for 7:30 a.m. on Wednesday, May 9th, with a business meeting to follow. The new golf rules and handicap system were explained. At 9:30 a.m. a 9-hole Florida Scramble golfing event began with a "shotgun start." Further information may be obtained by calling the women's golf chairs, Joan Burkett or Dorothy Norene, or the club's golf professional, Don Hill.
