## Stouffer Resigns As Business Manager

By GERRY MUELLER  
Statesman Staff Writer

Baird Stouffer, Kewaskum School District Business Manager, submitted his resignation at a closed meeting of the School Board May 14th. It will be presented to the board for acceptance at the June 11th meeting.

The resignation became public when a notice was posted announcing the position was open and applications were being accepted.

Stouffer, who has been the district's business manager less

than a year, is leaving to accept a similar position with the Cudahy school system. He said Cudahy's business manager quit in February and the search for a replacement began around March. Stouffer said he applied for the post, was interviewed and subsequently informed that he had been selected to fill the job. Stouffer declined to reveal his new salary, but it is rumored to be well over \$30,000. Stouffer's present salary is \$27,500.

Baird came to Kewaskum in August, 1983, replacing former

business manager Robert Borch who also resigned to accept a new job with a community south of Milwaukee.

Applications for the business manager's position will be accepted until June 29.

In reference to the second administrative vacancy, the High School Principal position, 31 applications have been received and the board will begin work to narrow the field down to six finalists who will be personally interviewed before a final selection is made.

## Memorial Day Parade, Ceremony Here Monday

The Robert G. Romaine Post 384 of the American Legion invites the public to observe Memorial Day with a parade and ceremony.

All Legionnaires, Fire Department members, youth, Boy Scouts, Girl Scouts and 4-H are invited to march. Everyone is to meet in front of the Kewaskum High School on Monday, May 28, at 8:00 a.m. The parade will start at 9:00. The ceremony will be held on the Legion grounds.

The parade route is from the high school to 3rd Street, south along Parkview to Main Street,

west on Main to Fond du Lac Avenue and north to the Legion grounds.

In case of rain the program will be held in the high school auditorium at 9:30 a.m. The marching groups will assemble in the halls and march into the auditorium.

The Memorial Day address will be delivered by John A. Long, Kewaskum Superintendent of Schools.

Mr. Long was born July 29, 1927, at Lungeon Bay, Wisconsin; one of six children. He

## Beechwood-Farmington Plan Stays

By GERRY MUELLER  
Statesman Staff Writer

While over sixty-five citizens were on hand at Tuesday's special school board meeting, many of them opposed to last week's motion to divide grades between the Beechwood and

Farmington Schools, neither they, or board member Ralph Horner were able to persuade the board to change its mind about the plan.

A revised agenda of Tuesday's meeting came out late last week including a motion by

Horner to rescind the May 14th action which will have kindergarten, first and second grades at Beechwood and kindergarten, third, fourth, fifth and sixth grades at Farmington.

Beechwood parents were completely opposed to the plan, while Farmington parents indicated they were not so much opposed to the plan, as to the bussing which would be involved. The biggest fear seemed to be that students would spend excessively long periods riding the busses, possibly as long as an hour or more.

Ann Enright, noting that none of her children would be affected by the plan, felt the board had not done its homework as to how much was really involved in such a move.

Farmington area resident Mary Lou McKee told the board they should look at it from the taxpayer's point of view. She felt the board should have closed Beechwood completely. "I feel sorry for the Beechwood parents, but we pay taxes too," said McKee.

James Thull told the board, it was time the district was realistic. "We know Beechwood is a dying horse, let's call a spade a spade." Thull felt the board was just putting off the inevitable Beechwood closing another year. After the meeting one resident said, the board knows its coming (closing Beechwood), but no one wants to be the one to make the motion.

While some Beechwood parents didn't like to hear any suggestion that their school be closed, other district parents felt that it would be the logical answer to avoid the board's present plan for the 1984-85 school-year.

Enright felt the board should hire the additional teachers for 1984-85 as suggested by District Administrator John Long, keeping the school set-up as it is now, and then study the re-

## Pumpstation Job Goes to Westra

By GERRY MUELLER  
Statesman Staff Writer

On the recommendation of its consulting engineers, the Kewaskum Village Board approved awarding of the pumpstation #3 construction project to Westra Construction.

In a letter, Robert Skatrud of Ruekert & Mielke Incorporated, stated Westra's low bid of \$232,850.00, compared favorably to his firm's project estimated cost of \$270,000.

Trustee Tom McElhatton questioned how Westra could be considered lower than the other five firms bidding on the job. Village Administrator Dan Schmidt said one reason apparently is the fact that Westra is not a union company, however, they do pay the wage scale set by the Department of Resources. Schmidt noted, however, that several of Westra's sub-contractors are union companies.

In other action the board heard and accepted Kannenberg and Kieckhafer's 1983 audits for the village. The board had stipulated that, contrary to previous audits, the company had to submit the report in the form specified by the federal and state governments.

Schmidt informed the board he had received the survey of the village's Town of Auburn landfill site. With the survey, which will restrict use up to 500,000 cubic yards, the village will be able to apply for a

two-year DNR permit costing \$1,600 rather than a \$4,000 permit which would cover sites exceeding 500,000 yards.

## Named to New National Dairy Promotion Board

WASHINGTON, D.C. — Congressman F. James Sensenbrenner, Jr., (R-WI) announced today that John Block, the Secretary of Agriculture, has appointed rural Kewaskum resident Daniel J. Rodenkirch to the new National Dairy Promotion Board. Mr. Rodenkirch will be one of only 36 dairy farmers acting as directors who will establish policy for a program of promotion, research and nutritional education.

This national approach to dairy advertising will place dairy farmers into the advertising ranks of soft drink and beer companies. This effort expects to increase consumption in the range of 2 to 8 billion pounds of milk annually. Congressman Sensenbrenner stated, "If

consumption goals are realized and current milk production cutbacks continue, it could take the U.S. out of the surplus milk situation it has had for the past three years and hopefully do away with government dairy price support purchases."

Sensenbrenner went on to say, "I am very pleased to announce Mr. Rodenkirch's selection because he is the kind of highly qualified individual the board will need in order to meet its critical responsibilities in the month ahead. Dan Rodenkirch, who has been a district representative for AMPI for several years, is highly respected for his expertise on the problems facing milk producers."

## Perry Koth Named New KHS Basketball Coach

Perry Koth has been named new head basketball coach at Kewaskum High School. Koth, 32, has served as an assistant in the basketball program since coming back to his home school in 1979, first as a freshman coach for four seasons and this past year as JV coach.

Koth succeeds James Westphal, who resigned after the 1983-84 season in March after serving for 11 years as head varsity coach.

Koth attended UW-La Crosse for two and a half years before later transferring to UW-Oshkosh where he received his degree.

One of his first tasks will be to fill vacancies at his old JV coaching job, along with the

freshman post, which Dave Wietor, another Kewaskum native, took the past year under a one year contract. Another task will be to develop a basketball program from the middle school to the high school to learn his system.

Koth is familiar with the talent in the Eastern Wisconsin Conference. His JVs were 13-5 the past season.

He will have three returning lettermen and two other seniors back to form the 1984-85 team, along with sophomores he coached.

Koth lettered in four sports while in Kewaskum High School and was all-conference in football.

## 25 Confirmed at Holy Trinity Church

The Sacrament of Confirmation was ministered by Bishop Richard Sklba, of the Milwaukee Archdiocese, at Holy Trinity Catholic Church, on Wednesday evening, May 23, at 7:30.

A number of visiting priests were also present.

The names of the 25 candidates from Holy Trinity and St. Bridget parishes are as follows:

Colleen Amerling, Mona

Anderson, John Beisbier, Dan Binger, Brian Bodden, Jim Gleason, Paul Gruber, Jim Herriges, Tom Herriges, Sandy Holtz, Dave Jandre, Brian Jung, Sandy Klein, Nancy Kutz, Jill Larson, Wendy LaVigne, Barry Murre, Michelle Paul, Dan Ramthun, Merri Jo Ritger, Cheryl Schadweiler, John Schmitt, Shelly Staehler, Rick Steiner, Toni Weiss.

## Local Students Awarded AAL Scholarships

Amy L. Vetter, daughter of Roger and Elaine Vetter, 16-220 Hwy S, Adell, and Wayne R. Kempf, son of Delmar and Darlis Kempf, 952 Hwy A, Adell, have won Aid Association for Lutherans (AAL) Vocational/Technical School Scholarships in the amount of \$500 each. They are two of the 100 persons to be so honored as winners of these scholarships. College Scholarship Service/Sponsored Scholarship Programs (CSS/SSP), Princeton, New Jersey, has called AAL's scholarship programs some of the most extensive in the country.

Amy is a Kewaskum High School graduate, and is currently completing the first year of a two year Associate Degree program in Radiologic Technology at St. Agnes Hospital in Fond du Lac. She is planning further studies in Ultra Sound Technology, possibly in Colorado.

Wayne is also a Kewaskum High School graduate completing the first year of a two year Associate Degree program in Electro-Mechanical Technology at Moraine Park Technical Institute in Fond du Lac. During his first year, Wayne earned the meritorious service award for participation on the Student Activities Board, and was also active in the Student Senate.

The awards were presented following the morning worship service at Immanuel Lutheran Church, Town of Scott, on Sunday May 20th, by Barb Winkler, secretary of AAL branch 2557.

The 1984 scholarship recipients were chosen from more than 360 applicants. Evaluations were done by qualified persons in the field of vocational education based on recommendations from school advisors and community professionals, academic records, church and community involvement, as well as the clarity of the student's defined career objectives.

This year, up to 100 awards, renewable for one additional year, were awarded in the Vocational/Technical School Scholarship Program.

AAL, Appleton, Wisconsin, is the nation's largest fraternal benefit society with 1.3 million members nationwide. As part of

## Plan

(Continued from Page 1)

commendation to close Beechwood in 1985-86.

Board member Kim Peterson noted that, according to Long, bussing the students would cost approximately \$4,000, while hiring additional teachers would cost \$40,000. Peterson asked Horner how he expected to maintain the school status when he voted against the motion to hire additional teachers. Horner said he had presented alternative plans, including shifting of school boundaries so some students could be sent to Kewaskum. Peterson said, "what you're saying is, let's not bus the kids of parents who called, but let's bus kids of parents who didn't."

Board President Jean Goeden reminded Horner that Kewaskum is a K-12 district and there are no school boundaries. She indicated the board had to look at the area as a whole, not school by school.

One Farmington resident asked Goeden if this was how she kept her election campaign promise of quality education for the school. While she answered yes, she also noted later on that she had experienced shifting with her children also. Goeden noted that during one school year, some of her children were transferred three times within an approximate six-week period.

Resident Gerald Buchel told Horner, you voted against the preliminary budget in April. "If the board reversed its decision are you willing to spend the money for the teachers and will you vote for the budget if that money is in it?" "I will not vote for those extra teachers up there," stated Horner. "I told you we had alternatives to that." "I can't see bussing," said Buchel. "You're proposing we won't bus your kids, but we will move the boundary lines and bus some other kids so next school board meeting some other parents will be here very

disgruntled." Horner heatedly replied that was one alternative. "The other alternative is leave it exactly as it is and get volunteer help up here."

The audience laughed at Horner's suggestion of voluntary help. One parent said volunteers do a great deal of work, but I don't consider volunteers part of quality education for my children.

Buchel told the parents that many of them had not attended a lot of school board meetings. "I've been to a lot of meetings. Every time there is an expense item on the budget Ralph and John vote 'no'. He's telling us now, rescind the motion, keep the schools open, and you're going to have one heck of a tax increase because you're going to have staffing. The question I want answered from both you people," said Buchel, "is if that is done will you vote in favor of the budget when it comes up? Will you vote in favor of spending extra dollars?" You have done this time and time again in the past where you talk very good to your constituents. When it comes to put the money on the table, you vote no, the rest of the people vote yes, they look terrible and you cruise the countryside saying those people spent our money."

Horner again said he would not vote for the additional teachers. "You see people, we gotta have money and we can't get it with him," stated Buchel, "but we're going to keep everybody happy and say we're going to keep the schools open."

Peterson motioned to close discussion and vote on Horner's motion. On a 4 to 3 vote, the motion to rescind the board's action of May 14th was defeated. The split grades plan will remain in effect.

In other action, the board heard Chairman John Tessar give the report of his Extra Curricular Activities Committee. Among the group's recommendations were, addition of Boys Tennis, a Debate Team, and a Co-Ed Ski Club for the 1984-85 school-year. Tessar said the committee also recommended looking into a School Ski Team for 1985-86. A Volley Ball program for the Middle School in 1984-85 was also suggested.

Tessar said his group also advised that the board seriously look into Football and/or Soccer for the Middle School in 1985-86, and that the Board, KEA and Administration review the system used to hire coaches and advisors. He noted the major problem in obtaining coaches was the fact that once a person accepted a coaching job, they were almost doomed to keep it for life. His committee suggested a contract with some type of one-year resignation clause.

The committee also suggested the District look into the "Olympic of the Mind" competition.

The last phase of the board meeting concerned a preliminary review of the Fund 10 (General Expenditures) part of the 1984-85 budget. The largest increases again fall in the area of teacher salaries, heating costs and insurance.

Business Manager Baird Stouffer noted the budget for heating gas has been increased 20%, and electricity 16%. He said health insurance is expected to go up 24%, and dental insurance 15%.

The preliminary 1984-85 figures of \$5,917,233.00 show an increase of approximately

\$580,000, up from the 1983-84 figure of \$5,337,243.00.

Stouffer said he hoped to have one more budget meeting in June.

## Pumpstation

(Continued from Page 1)

Schmidt stated the village would never go over the 500,000 yard limit due to marshy areas. The site, which is used for disposal of such things as concrete, wood and branches, would not take more than the new set limit.

The village received one bid for residing and eaves work on the village garage. Jack Walters & Sons' bid of \$22,491, was turned over to the Public Works Committee for review and recommendations at the next board meeting.

The board approved the hiring of three crossing guards. Beverly Hansen and Kathleen Schmitt will work as regular guards and Pat Hafermann will be substitute crossing guard.

Building permits were approved for Steve Cundy, construction of a new home, and Augie Bilgo for a new garage. The board approved the request of the Kewaskum Jaycees to install some wooden playground equipment in the park. Board President Jerry Stollenwerk instructed Schmidt to send a letter of appreciation to the Jaycees for their generous offer.

The board also approved the request of the Modern Woodman of America, Camp 2233, to purchase a flag pole for River Hill Park.

Schmidt was asked when the new water tower would be painted. He said the paint had arrived and work was expected to begin soon.

## Dean Honored at Carroll College

NAME OMITTED

David E. Dean of Kewaskum was one of the 15 students from Carroll College, Waukesha, who received the "Who's Who Award" at the College's annual Awards Convocation recently.

In the scholarship item published in last week's paper submitted by the high school they omitted the name of Joan Jung, a recipient of the \$500 scholarship from Valley Bank (college).

In addition, Dean was also the recipient of the "New Perspective Service Award," which is the highest annual citation given by the Editorial Board of Carroll College's only student newspaper. The awards are presented in recognition of staff members' dedication to the newspaper, journalistic integrity, and leadership skills.

Students for the "Who's Who Award" are selected from the junior and senior classes by a committee appointed by Carroll's Student Senate. Selection is based on excellence and sincerity in scholarship, with a B average or better; leadership and participation in academic and extracurricular activities, citizenship and service, and on the promise of future usefulness to our society.

A quota is assigned to each college in the nation, based on enrollment. Fulltime enrollment at Carroll, the state's oldest college, was 1,148 at the beginning of the current semester, a figure which does not include another 268 enrolled in the College's Evening Session program.

Dean is the son of Mr. and Mrs. Paul Dean of 1306 Roseland Drive, Kewaskum.

# THE BOOSTER STORY

## 1983-84

Page 8, Kewaskum Statesman, Friday, May 25, 1984

Barb Jandre and Rick Heberer

The Kewaskum Indian Booster Club has had a very successful year. Thanks to the fine support of this community, during our Christmas wreath sale, our concessions at athletic and musical events, and our Basketball Classic, we have been able to contribute to many of our extra-curricular activities.

We helped the Swing Choir buy their elegant new outfits, as shown here by choir members

Barb Jandre and Rick Heberer. We bought a new record board for the track team to name record holders in meters rather than feet.

We bought new warm-up suits, on which we are awaiting arrival to be used by all the athletic teams throughout the year. These suits will make our teams look as good off the field as their performance on the field and court instead of poor, hand-me-down cousins of past years.

We sponsored a concert by the Lakeshore Symphonic Band and turned a nice sum over to the High School Music Department Fund.

Thank you, Kewaskum, for making all these things possible by supporting the Booster Club this year. Our kids certainly deserve your support, judging by the number who went to State Finals in—Music, Chess, Forensics, and Sports. Great Job, Kids!

We would also like to say thank you to our Indian Mascot this year, Jeff Igel, who did a superb job in keeping spirits high at all school events.

The Booster Club will be meeting for the last time this year on Wednesday, May 30, at 7:30, in the high school cafeteria. On the agenda will be elections and final committee reports. See you there!

### KHS Graphic Arts Students Receive Awards at LTI Fair

Eleven graphic art students from Kewaskum High School competed in the Lakeshore Technical Institute Skills Fair held at Cleveland, Wisconsin, on Wednesday, May 16th. The categories participated in included multi-color silkscreen, multi-color lithography and photography.

Certificate awards went to the following KHS students: 1st prize for black and white photography - Jon Sison; 1st place in silkscreen - Tara Russell, Randy Marquardt, Mike Wiedmeyer, Michelle Heinemann, Donna Schoofs, Lean Schneider, Holly Kempf and Sheri Johann, and 2nd place in silkscreen to Chris Schoenborn, Jon Sison and Mark Ringwell; Lithography 2nd place - Holly Kempf, and 3rd place lithography - Randy Marquardt.

Instructor Dan Wangerin was very pleased with his students' performances in this year's competition.

"The Neighborhood Store, Yet So Much More." Rich's Super Savings, 1277 Fond du Lac Avenue, has been owned by Richard and Jane Bechler for a little over a year.

Rich started working at the store 14 years ago, [right out of high school], when it was known as L. Rosenheimer.

The store not only offers groceries, but soft goods too, like sewing notions, an infant and child department and those famous overalls by Oshkosh B'Gosh.

Rich's is in the process of up-grading both the meat and produce departments.

This summer the store will be offering "Special Truckload Sales" on both meat and produce.

The store's great annual "Circus Sale" will be back, too, you know the one with the old time prices and funny faces!

Rich's Super Savings also offers services like free delivery within the village limits, fruit baskets made to order and delivered, meat and cheese trays, gift wrapping, and before you leave the store pick up some of that fresh Grebe bakery.

## Road Construction Starts On West Bend Freeway

Road construction was expected to start the week of May 21, on the first grading project for the continuation of the West Bend Freeway. The work will consist of grading for the two roadways between S.T.H. 145 and S.T.H. 60. This work also includes culverts for drainage.

The work will be performed under a contract let to Mashuda Contractors, Inc. at an estimated cost of \$2,906,453.00. Financing will be 100 percent by the State government from Revenue Bonds. These bonds will be paid off by user fees which come primarily from vehicle registration fees.

Western Avenue and Sherman Road will be closed in

the vicinity of the grading west of the present S.T.H. 45. Mill Road and Tilly Lake Road will be closed near S.T.H. 60. Access will be maintained to all local property owners. It is expected that these roads will be closed sometime between May 21st and June 1st as the grading progresses northward.

It is anticipated that all these roadways will be reopened about November, 1984.

Additional work will begin about June 4th on the construction of twin culvert pipes west of 18th Avenue on S.T.H. 33. S.T.H. 33 and S.T.H. 60 will be kept open to traffic at all times. However, traffic is urged to use caution in the construction zone.

Every possible effort will be made to provide continuous and safe ingress and egress to all business and residential properties during this reconstruction, but pedestrians and motorists are urged to use caution in the construction zone.

## Red Cross Schedules Three CPR Classes

The West Bend Red Cross has scheduled 3 - CPR - Cardiopulmonary Resuscitation Classes.

CPR is a life support measure combining artificial respiration and artificial circulation to restore heartbeat and breathing when a person goes into cardiac arrest.

When circulation stops, the pulse disappears and breathing stops at the same time or shortly thereafter. CPR should be started immediately as an emergency procedure by persons taught to recognize cardiac arrest and who have been properly trained.

The average citizen, if trained in CPR, can make the difference between life and death.

The courses are scheduled as follows: Race For Life, a one man CPR course taught in one evening, May 23rd, from 6:30 to 9:30 p.m. Cost \$2.00.

CPR - full course - teaches 1 man CPR, 2 man CPR, how to help a choking victim, and CPR for infant and child. One class starts June 5th, 19th and completes on the 26th. The other class starts Thursday, June 7th, 14th and completes on the 21st. Cost \$4.25. All courses will be held at the West Bend Marine Bank. To enroll, call the West Bend Red Cross office at 334-5687.

## Bartelt Completes Internship in Cong. Tom Petri's Office

WASHINGTON, D.C. — Steve Bartelt of Campbellsport has just completed a one semester political science internship in the office of Sixth District Congressman Tom Petri. Bartelt, a junior at the University of Wisconsin-Oshkosh, will be returning to UWO in September to continue working toward a degree in business administration. He is the son of Mr. and Mrs. Cal Bartelt of East Main Street in Campbellsport.

Bartelt's duties have included working with constituent mail and doing research on various projects plus miscellaneous tasks around the office. In addition, he was encouraged to attend committee hearings, House and Senate debates, and arguments before the Supreme Court.

"I was lucky to be given this opportunity to live and work in Washington. It's quite an experience," Bartelt said.

## Washington County June Dairy Month Banquet at Amerahn

The 1984 Washington County June Dairy Month Banquet will be held on Wednesday, June 6, at the Amerahn, located just north of Kewaskum on Highway 45. A buffet banquet meal will start at 7:30 p.m. followed by a short program and dance.

The featured speaker for the evening is Mike Kawleski, who is presently employed by the Wisconsin Milk Marketing Board, Inc. He is planning to bring an entertaining and lighthearted message to the group.

Dancing music will be provided by Bill Thull and his Orchestra.

Tickets for the Washington County June Dairy Month Banquet are available from members of the Washington County June Dairy Month Committee, the Washington County Farm Bureau Office, or the Washington County UW-Extension Office. Tickets are \$5.50 per person and must be purchased by May 30.

There will also be food and a beer garden on Friday night along with games sponsored by the West Bend Lions Club.

On Saturday, June 2, the fun begins at 9:00 a.m. with a craft faire. Reservations for exhibitor's spaces for the faire are still available at \$5.00 for a 10' x 10' space. Applications are available at The Threshold office. The craft faire ends at 4:00 p.m.

At 11:00 a.m., the Spring Fling Five, a 5 mile run will be held beginning and ending at The Threshold, Inc. There are five age categories in which to enter with a \$5.00 entry fee for

advanced registration. There is a \$6.00 entry fee the day of the run with all runners receiving a painter's cap. Registration forms are available at the Y.M.C.A., West Bend; Fast Foot in West Bend; The Threshold, Inc. office and M & I First National Bank in West Bend.

From 1:00 p.m. to 3:00 p.m., Ron Hallstrom, offensive tackle of the Green Bay Packers, will be present to sign autographs and shake hands.

There will be continuous live music Saturday afternoon beginning with the music of Gary Cross. After that, Orv Butard will provide some country western music followed by the polka sound of Ralph Buchel, Joe Klass and Ken Wolf. The afternoon music session will end with all of these entertainers getting together for a jam session.

Other events scheduled for Saturday include the continuation of the rummage sale from 9:00 a.m. until 4:00 p.m., food and the beer garden, and other games for children of all ages including family fun sponsored by the West Bend Lions Club. There will also be a soccer tournament featuring the Special Olympic teams from

The Threshold; RCS-Sheboygan; Fond du Lac-ARC; and Green Valley Enterprises in Beaver Dam. The tournament begins at 10:00 a.m.

The idea for a Spring Fling was proposed by Donna May, Food Service Instructor at The Threshold, Inc. and Spring Fling Chairperson. It was her feeling that an event such as this would not only be fun for the staff to plan and promote, but also give the community an opportunity to join in that fun.

## 25 Years Ago

May 22, 1959

A fire which swept Steve and Mary Rahn's minor bar and lunch room on Hwy. 45 about three-quarters of a mile north of Kewaskum early Sunday morning caused damages estimated at more than \$10,000 to the interior and fixtures of the building which was just built last fall and all work on it was not yet completed. The entire interior of the minor bar was damaged by the flames, smoke and heat, as well as the upstairs living quarters. Mr. and Mrs. Rahn and their two daughters, Judy, 17, and Jean 11, were asleep upstairs when the fire broke out at approximately 2:45 a.m. Sunday. Awakened when her throat was dry, apparently from the smoke which filled the upstairs rooms, Judy noticed the smoke and heat from the blaze and awakened the rest of the family. Steve then summoned the Kewaskum Fire Department, who extinguished the blaze.

Pamela Nolting, daughter of Dr. and Mrs. F. E. Nolting, Kewaskum, and Cynthia Landmann, daughter of Mr. and Mrs. Paul Landmann, Kewaskum, have been named valedictorian and salutatorian respectively of the 1959 graduating class of Kewaskum high school. Miss Nolting attained an average of 94.72, highest in the class for the four years of studies, while Miss Landmann earned second high honors with a 94.56 average.

Fifty-three members of the 1959 senior class of Kewaskum high school will receive their diplomas at the 53rd annual commencement exercises to be held in the school auditorium on May 28. Besides the valedictorian and salutatorian honors, other high honors went to Jonathan Weber, David E. Zuehlke, Alice Mary Schwind, Aldwin H. Seefeldt and Nancy Ann Fickler. The senior class roll is as follows: Ronald L. Backhaus, Marjorie Beck, Carol Edna Bier, Earl G. A. Broecker, Diane Arlita Bonlender, Edith Darlene Cash, Daniel David Coulter, Wayne Anthony Coulter, Richard E. Czaja, Donna Mae Ewert, Sharon Jane Fay, Nancy Ann Fickler, Edward J. ### Girl Scouts Invited To Come, Join the Fun

It's spring round up time. All girls from Kewaskum, Farmington, Wayne and Beechwood schools are encouraged to read the round up slip sent home from school and show it to your parents, and then bring it back to school. Troops will be formed, first come, first served. So it is very important to get those slips back as soon as possible.

So where's the fun? Everywhere when you're a Girl Scout. To share with you a few of this year's activities still coming up is a special Brownie Day in June with cooking, crafts, games and lots more. The end of May the scouts have a special ceremony where 3rd grade Brownies fly -

up to become Junior Scouts, 6 grade Juniors become Cadettes, and all the Scouts share in the fun. June 13 is an all day trip to Bay Beach, in Green Bay. The summer holds lots of fun going troop camping and troop outings.

If any girl lost her slip or didn't get one you may call 626-4284. Accept the girls' invitation to come join the fun!

### Inspection Stations Closed on May 28

All Wisconsin Vehicle Inspection Stations will be closed Monday, May 28, for the holiday. Motorists are urged to get their vehicles tested prior to the last week of the month when there may be longer waiting times.

Station hours are Monday, Wednesday and Friday, 8:00 a.m. - 3:20 p.m.; Tuesday and Thursday, 8:00 a.m. - 7:30 p.m. The station at West Bend is located at 901 N. River Rd.

By Don Kurer  
County Soil Conservationist

Conservation: A Common Commitment is the theme for the 1984 observance of Soil Stewardship Week May 27 to June 3. This is a special week set aside nation-wide since 1955 to remind us all of the invaluable soil and water resources that sustain our lives. Excessive erosion and water pollution have been a threat for generations and will continue to

be unless the true value of these resources is recognized today, and efforts are made to preserve them. As we anticipate this season's crops to emerge, it's an appropriate time to acknowledge our dependence and observe our impact on these resources. As you read the following poem we encourage everyone to be thankful for the resources we are blessed with and evaluate your role as caretakers of God's Earth.

**Consider Our Commitment**

What beauty abounds here on God's green Earth!  
And who can begin to measure its worth?!  
What price a sunset, a blossom-filled spring;  
A moonlit lake, a butterfly wing?

God gave us all these and so much more;  
There are beautiful harvests, too much to store.  
All this He meant for us here to treasure.  
How fortunate we are, enriched beyond measure!

But there is the danger that we might forget  
That for all this beauty we do owe a debt.  
For, as He gave to us His world to share,  
He also committed it to our care.

When God made the Earth, before it He stood.  
He looked His work over and said "It is good."  
Do you wonder sometimes what God has to say  
When he looks down upon His world today?

Man's obsessions have upset nature's balance.  
Today costly mistakes are taxing our talents.  
We mustn't forget Earth's not ours alone;  
That we're only mortal and soon will be gone.

We each have a duty to God our Creator  
To protect Earth's resources for those to come later.  
Yes, it's time our commitment went even deeper,  
If we are to be our brother's keeper.

Consider our commitment; consider it well.

**OVER-THE-COUNTER DRUGS**

Many over-the-counter drugs adversely interact with prescribed medication, causing ineffective therapy. Also, many over-the-counter drugs can aggravate such chronic conditions as diabetes and high blood pressure, or they may contain a substance to which you are allergic. Solicit your pharmacist's advice on over-the-counter drugs, and inform him of any such drugs that you are taking. Although such drugs are obtainable without a prescription, they are not always safe for use by all individuals.

**ASCS Announces Deadline for Commodity Loans**

Price support loans on 1983 corn and soybeans may be obtained until May 31st according to Donald E. Sampson, Director of the Washington County ASCS Office.

County loan rates are \$2.63 per bushel for corn and \$4.94 for soybeans. Each loan rate is based on a national average rate which varies from county to county to reflect prices received by farmers, production and consumption trends, and transportation costs.

The commodity loan program provides immediate cash for farmers and allows them time to access the market or to hold grain for feeding later, Sampson said. Farmers may repay the money before the nine-month maturity date.

To be eligible for price support loans, producers are required to participate in farm programs. Other farm program benefits include target price payments (deficiency payments) and use of the grain reserve.

Corn will be eligible to be placed in the grain reserve when the regular price support loan matures. The reserve program offers farmers three-year loans and storage payments to hold their crops off the market until prices reach stated levels.

**REMEMBER OUR HEROS**

As the Memorial Day week-end approaches, I'm looking forward to participating in events honoring our American war veterans. Every year, after taking part in such activities, I am reminded of how fortunate we are in this country to be free. Yet, unless we are members of organized veterans groups, most Americans don't think much about the debt a humane and accountable nation owes "those who have served."

This Nation has been able to prosper because of the continuing sacrifice of brave men and women who answered the call of their country. From the Revolution through the Vietnam era, it has been necessary for us to ask our youth and our able bodied to respond to the needs of democracy and this Nation across the globe. It has been necessary for us to call upon our Armed Forces and send them to foreign soil to defend our ideals and our rights.

We must all remember that

we have an ongoing obligation to those who served on our behalf. Thus far, Congress has recognized that commitment by expanding existing programs for veterans. Yet, our obligation to repay the debt earned by our veterans is not over. Thanks to these brave men and women we are able to enjoy a freedom unequalled in any other nation in the world.

In our Nation's Capitol this Memorial Day, we will be honoring the Viet Nam war veteran as we place the remains of another soldier in the Tomb Of The Unknown Soldier. This action will help us to focus our attention on the bottom line. In World War II 405,000 American men died, 291,000 in battle. Fifty-four thousand gave up their lives for us during the Korean conflict, 58,000 during Viet Nam. We must never forget these proud men and women that fought and died for the democratic principles we all cherish.

**Social Security**

By David Becker, Social Security Branch Manager in West Bend  
**EARLY DELIVERY OF SOCIAL SECURITY CHECKS**

Monthly social security checks which are normally delivered on the third of June, will be delivered on June 1st instead, according to Mr. Becker, manager of the West Bend Social Security Office.

"Benefit checks are mailed early when the usual delivery date falls on a Saturday, Sunday, or legal holiday," Becker said. "In these instances, the checks are dated and delivered on the first day before the third of the month that is not a Saturday, Sunday, or holiday."

Becker stated that this procedure helps reduce the problems that people have when they receive their checks and their banks are closed. These situations occur several times during the year, and Becker advised that SSA would provide similar information about future early check delivery dates as they occur.

**Safe Viewing Protection for May 30th Eclipse**

On Wednesday, May 30th, Wisconsin residents will be able to experience one of nature's most dramatic events—a solar eclipse. The eclipse will be **annular** meaning that though the moon will cross over the sun, an outer ring or **annulus** of the sun's atmosphere will be visible at all times. According to the National Society to Prevent Blindness-Wisconsin Affiliate, the safest ways to watch this event are by indirect viewing, on television or at a professionally sponsored eclipse watch.

"Viewing the eclipse directly can be dangerous," says Mrs. Betty P. Lansing, Executive Director of the Wisconsin Affiliate. "When you look at the sun, your eye's lens focuses the intense light on the retina—the delicate layer of cells at the back of the eye that sends visual images to the brain."

"The retina does not feel pain. By directly looking at the eclipse, the very center of your field of vision can be burned and nothing can be done about it! There is no treatment for the scarring or the permanent blind spots in your vision."

To view the eclipse indirectly and safely, the Society recommends the following: Take two sheets of white cardboard and make a pinhole in the center of one. Standing with the sun at your back and a sheet of

cardboard in each hand, hold the sheet with the pinhole so that the sun shines through the hole onto the other sheet. You may have to adjust the sheets to focus the light. (The size of the image can be changed by changing the distance between the sheets). By looking at the bottom sheet, you can see an exact image of the sun and its eclipse. This is the safest indirect protection device. The Society cautions people using this method **not to look at the eclipse through the pinhole.**

There is no shield generally available that will protect your eyes—not dark sunglasses, ordinary light filters, exposed photographic film, welding goggles or a piece of smoked glass. Photographers shooting this event are cautioned not to look at the sun through their camera viewfinder. A viewfinder, telescope or binoculars is especially dangerous. The lenses of these instruments can magnify and intensify the sun's light.

The Society has printed instructions on safe eclipse viewing. To receive a free copy, write National Society to Prevent Blindness-Wisconsin Affiliate, 759 N. Milwaukee St., Milwaukee, WI 53202. All requests should be accompanied by a self-addressed, stamped, business-sized envelope.

**NOVENA TO ST. JUDE**

O holy St. Jude Apostle and Martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ, faithful intercessor of all who invoke your special patronage in time of need, to you I have recourse from the depth of my heart and humbly beg to whom God has given such great power to come to my assistance.

Help me in my present urgent petition. In return, I promise to make your name known and cause you to be invoked, say three Our Fathers, three Hail Marys and three Glorias. St. Jude pray for us, and all who invoke your aid. Amen.

This Novena has never been known to fail. This Novena must be said for 9 consecutive days, and publication must be promised.

M. W.

**CARD OF THANKS**

I would like to thank my many relatives, friends and neighbors for being so very kind to me during the sickness and recent death of my dear husband, WILLIAM F. KEMPF. A special thank you to Rev. Lindau, organist, pallbearers, doctors, nurses and staff at St. Joseph's Hospital, donors of floral and memorial tributes, food, LCW of St. John Lutheran who served the food, Miller's and to any one who showed their respect and helped me in any way. It will long be remembered.

Mrs. William F. Kempf

**A NOTE OF THANKS**

We wish to thank all our relatives, neighbors, friends and classmates, for sharing our special wedding day with us.

**Drive With Caution Over Memorial Day**

While traveling through Wisconsin this Memorial Day weekend, motorists are urged to heed the road signs stating, "Wisconsin Arrests Drunk Drivers and Speeders."

Many states and county law enforcement people will be foregoing their long weekend to help insure your safety while traveling to and from your holiday activities, says Sheriff Clarence Schwartz. They don't like to arrest people but they will keep you alive.

The amount of traffic picks up around the Memorial Day weekend, the traditional start of summer. Sheriff Schwartz advises the increase in traffic can mean an increase in the number of traffic accidents. That situation will be complicated this year by the amount of roadwork being done through-

out the state. Construction areas require motorists to be particularly courteous and patient.

When traffic shifts from two lanes to one lane, it's important for all drivers to be courteous. A driver who prevents another motorist from merging can cause an accident. The same holds true for the driver who becomes impatient and tries to pass illegally, the Sheriff declared.

Among the best ways to prevent an accident, according to Sheriff Schwartz, are — to use the safety belt, limit your drinking and driving, obey the speed limit, remain alert, and do not follow the car in front of you too closely. Also, allow more than enough time to get to your destination so that you will not be tempted to rush.

## Vocational Education in the High School

### WHAT IS GRAPHIC ARTS?

Graphic Arts is the communication through the use of visual aids that are usually mass produced. It's a term widely used in industry, as well as in education, to describe printing and allied crafts. "Printing" has a restrictive connotation; graphic arts is a broader term, generally interpreted to include all activities closely related to the printing and publishing field. Graphic Arts activities and industrial arts courses are being broadened to give a better cross-section of the industry as well as providing experience for popular and worthwhile leisure-time activities.

As one of the ten leading industries in the United States, graphic arts ranks high in number of employees, value of products, number of establishments, and the use of its products in daily living. A wide range of talents and skills are demanded by graphic arts. Whether you are artistically talented or more interested in the mechanical and technical phases, you can be sure that there are dozens of fine positions open for you in the graphic arts. Furthermore, there are hundreds of related careers where a knowledge of printing processes is either a requirement or an extremely important advantage. Advertising, commercial art, manufacturing paper and equipment, and professional writing are just some of the occupations where a knowledge of graphic arts is essential. And there is hardly a business executive in any industry who does not need to know something about the graphic arts in order to plan and buy printing intelligently.

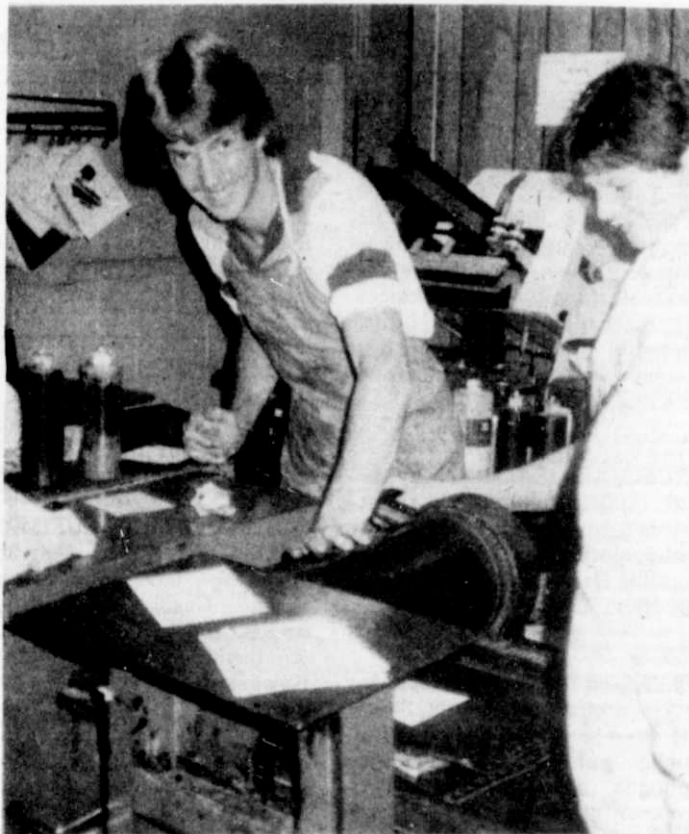

The printing industry is big business. Almost every village and town has a printing shop. The value of receipts for printed products, printing and publishing is astounding and is rising at an annual rate. The prospects for the future of the industry are undeniably encouraging, but it must be the skilled trainee who stands to gain the greatest benefit.

### GRAPHIC ARTS I

**Printer's Math:** In order to complete many of the operations in a print shop, it is necessary to know, and be able to use the printer's system of

Holly Kempf getting ready to lock-up her type form.

Gary Kaehne printing his lithography project on the proof press.

measure. The point system of type measurement has two basic units. The point which measures about 1/72 inch and the pica which consists of 12 points. Another important calculation that a printer frequently has to make, is how to cut paper to prevent waste. Students will be solving all sorts of printer's math problems in this area.

**Basic Photography:** Basic photography is an expanding area in graphic arts. The three main areas covered are (1) fundamentals of photography which covers the parts and workings of the camera, composition, and lighting, (2) film developing procedure includes how film is made, rolling and processing film and chemical mixing and usage, and (3) making contact prints and enlargements, which includes paper handling and developing, test strips, and filtering for proper contrast in prints. Students will take pictures,

develop them, and make enlargements here in the Graphic Arts Darkroom.

### GRAPHIC ARTS II

**Relief printing** (often referred to as letterpress) is printing from a raised surface. The actual printing surface is cast in reverse. Images that have been generated by hand-set foundry type, machine-set type, and linoleum-block carving are three-dimensional and can be directly used in relief printing. This area starts with the complete coverage of type characters. With a few typesetting jobs, you are on your way to understanding typesetting and proofing.

**Paper and Ink:** In this area you will learn that paper comes in a variety of types, weights, textures, colors, and prices. It is important to use the right paper for each job. A ream or 500 sheets of paper is the weight standard for paper used by printers. Paper comes in many

different stock sizes and in a number of different weights. Ink is a very important part of a finished printing job. You will become familiar with terms such as pigments, vehicle, and drier.

### GRAPHIC ARTS III

Graphic Arts III is a course set up to teach the basic processes of lithography, silk screen and photography. Each area is explored now, adding color to enhance their knowledge. The first 1/4 of the course is set up so the student has required projects, the last 1/4 the student can explore any area covered. At the end of the course the students enter their projects in the annual Lake-shore Technical Institutes skill

fair.

### SEMINAR IN GRAPHIC ARTS

Usually two students a year are chosen to become seminar students. Various projects these students work on are: the Chieftain, the Papoose, photographs for the Statesman, district wide printing, the Student Handbook and many other printed items. Each student spends one hour a day for a year.

## KHS Girls 3rd, Boys Last In Frosh-Soph EW Track Meet

By John Harju

The Kewaskum girls tied for third while the boys were last in last Tuesday's E-W freshman/sophomore meet held in Plymouth.

Coach Denise Leong noted that many of the results could change because of a mix up in the judging and timing.

Lisa Fusek won the only event for Kewaskum narrowly edging out Tanya Blatz of New Holstein for first place in the 200 (28.04). Sophomore Amy Kougl finished an impressive second in both the high jump (4'8") and the 100 meter dash (14.05).

The Indian girls also received a second place out of their 400 meter relay team of Renee Kapp, Brenda Kober, Jill Rimmel, and Fusek.

Leong also noted that Kapp competed in the triple jump for the first time and placed sixth. Leong also praised the efforts of Brenda Vetter (5th and sixth in the 400 and 800), Sherri Batzler (5th and 6th in the 3200 and 1600), Jenny Hintz (3rd in the shot put) and Jodi Yearling (4th in the discus and 5th in the shot).

The Kewaskum boys placed in only four events for a disappointing 12 team points.

Mark Johnson had the best finish, a third, in the 110 meter hurdles (17.8). Tim Bingen captured a fourth in the 100 (13.21) while Cory Garbisch and Rick Dreher had sixths in the 1600 and 200.

## Threshold Hosts Bowling Tourney

Weiland's Recreation in West Bend was the scene for the 8th Annual Spring Bowling Tournament between The Threshold, Inc. of Washington County and Portal Industries of Ozaukee County held in April.

More than 90 people from The Threshold, Inc. and Portal Industries took part in the day's activities of bowling, supper (catered by Jerry's Restaurant), and dancing with music by Artie Minz Band. The Threshold captured the tournament by winning the major number of pins for each team.

Individual trophies for high game series were won by Dennis Zastrow of West Bend, Mike Gates of West Bend, Ron Priesgen of Hartford, Larry Puestow of West Bend, Fred Daehn of Hartford and John Berndt of Kewaskum. The ladies division winners were Janet Fiori of Colgate, Judy Chapman of West Bend, Jackie Ebert of Kewaskum and Lois Eickman of West Bend. A tremendous time was had by all!

## Winners in Big Fish Contest

Village Sport Shop's Big Fish Contest second week winners are as follows:

Norbert Gnacinski, Adell, landed the largest bass for the second week in a row. His 4.1#, 19 1/4" largemouth was caught on Crooked Lake May 14.

Darryl Gruber, Kewaskum, was pleased to bring in his catch. The 15 1/2#, 41" northern was caught on Auburn Lake. A Golden Shiner minnow proved to be the downfall of his large fish. The Milwaukee River is starting to produce some decent size northerns also.

Connie Nigh, Kewaskum, brought in the winning bluegill for the week. The 9 oz., 9 3/8" fish was caught on Long Lake using a wax worm.

Congratulations to all the winners. Village Sport Shop would like to remind everyone to bring in their catch. Weekly prizes are given. There is no pre-registration or entry fee.

## Riveredge Open for Memorial Day Weekend

Riveredge Nature Center announces that its 300-acre sanctuary will be open for the Memorial Day weekend, May 26-28, to people who are interested in observing nature's wonders of spring. Come to experience the springtime as you wander, explore and enjoy Wisconsin renewed and discover Riveredge's many and varied natural features and wildlife.

Riveredge provides you with 9 miles of trails through woodland, prairie, wetland and along the Milwaukee River that will take you onto intimate encounters with the beauty of the land as it springs into bloom with an abundance of flora. A self-guiding trail is available for handicapped access.

Riveredge Nature Center provides everyone the opportunity to stimulate your awareness and understanding of the environment throughout all seasons. The Center's hours for non-scheduled visits are 8 a.m. to sunset on weekends and 3 p.m. until dusk on weekdays. There is a non-member fee of \$1

adults and \$.75 children which is payable at the parking lots and we request that all children be accompanied by an adult.

The Center is located on Co. Hwy. Y northeast of the Hwy. 33 and Hwy. Y intersection at Newburg, WI.

For more information about special spring events or any of the many educational programs available, contact the Center weekdays at 931-8095 (Metro) or 675-6888 (Local).

## Thursday Goodtime League

### Standings

Bartelt Ins.	1-0
Kennelly Pharmacy	1-0
BJ & Co.	0-0
Grand Larsonoy	0-1
Thornton & Schaub	0-1

### HIGHLIGHTS

Summer like weather greeted this year's opening games.

The standing room only crowd was greeted by the Chairman of the Board of the Thiemerdome, Richard A. Thiemer. The field once again was in immaculate condition. The money spent in hiring the groundkeeper from the Brewers was in evidence.

In the first game, the defending champs Bartelt Ins. just crushed Thornton & Schaub 12 to 3. David "Wheats" Wietor was totally awesome for the winners as he had 6 RBI's. Must be his new "Cecil Cooper" crouch. Mike "Rags" Pfeiffer had his Super-Dooper Blooper pitch on target. His "High Hard Ones" were timed at 3 MPH by the JUGG's gun. He attributes his fine form to much "off season" LIFTING with his right arm. Bartelt Ins. was forced to play with only 9 players as local restaurateur and land baron James "Jonesy" Korth failed to show as promised. Fines will be levied.

The coach of Bartelt Ins. urged his players to spend the off season indulging heavily in aerobics and weight training and to refrain from nightly debauchery. It appears 1 or 2 players may have lifted a few weights.

The second game went 8 innings with Kennelly beating Grand Larsonoy 8 to 4. In the early innings Kennelly was kept in the game due to some dazzling plays by Larry "Brooks" Bunkelman, the human vacuum cleaner at third base. However between innings one of the Crass boys from Grand Larsonoy sprayed some WD-40 into Larry's glove and the human vacuum cleaner turned into the human sieve. That's OK Larry, nobody's perfect. Late inning heroics were handled by Ed "Anchor Clanker" Pfeiffer and Ed Ninke. The first Ed made up for two overzealous fielding blunders with a key hit to tie the game in the 7th inning. Ed Ninke then hit a towering home run in the 8th to seal the win.

The Thiemerdome ticket office advises that there are standing room and restricted view tickets only for next week's games. Also, next week is cushion nite. Bring your cushion and you get in free.

Attendance 291.

## THIEMER'S SUNDAY LEAGUE

	W	L
Thiemer's	2	0
Schmitt's	2	0
Amerahn	1	1
Krueger's	1	1
Rich's Foods	0	2
Saloon	0	2

### Results:

Thiemer's Sip n' Snip went on to win 4 to 2 with the extra effort of Steve Lehnerz inside the park home run against the Amerahn.

Schmitt's Never Inn gave Rich's Foods their second loss by a score of 7 to 4. "Zeke" had one home run in the game.

Krueger Plumbing turned it around and gave the Kewaskum Saloon their second loss by a score of 6 to 2.

## HON-E-KOR TUESDAY NIGHT MEN'S LEAGUE

May 15, 1984

Top teams this week were: Everglades 5 points, Regal II 5, Clay's Clobberers 3, Driving Range 3, Doc's Wild Ones 3, Gruber's Toolers 3, Frank's Baloneys 3, Gehl Balers 3, Regal I 3.

Low gross — Mike O'Connor Jr. 37, Steve Van Ess 39, Dave Wietor 39, Clark Pearson 39.

Low net — Bud Rumsey 31, Harold Marx 32, Ralph Koth 32, Dave Wietor 32, Don Falevsky 32.

Low team net — Driving Range 141.

Front Row [left to right] — Clark Eichstedt, Bill Gonwa, Manager Bill Backhaus, Mike Maney; Back Row — Dennis Butz, Brian Arndt, Leon Laatsch, Bob Nigh, Brian Larsen; Missing — Pete Thomas, Ted Miller.

The Kewaskum Land o' Lakes basketball team won the Lakes "B" Division championship for the second year in a row, with a 9-7 record, edging out Sussex, which finished 8-8, by one game. Manager Bill Backhaus' squad trailed Sussex by 3½ games early in the year. But they won eight of their last eleven games while Sussex was losing seven of their last ten. Sussex still led by two games with three games left. But Kewaskum won their last three games while Sussex lost their last three.

It was Kewaskum's fifth "B" Division championship in the last nine years, also winning in 1976, '77, '79, and '83.

The team lost its only tournament game at Howards Grove to finish with a 9-8 overall record.

The team scored 1,970 points in 16 Lakes games for an average of 123.1 points per game, compared to the opponents' 1,870 points and 116.9 average. Overall, Kewaskum scored 2,042 points in its 17 games for an average of 120.1 points per game, compared to the opponents' 1,961 points and 115.4 average. As a team, Kewaskum shot 68.9 percent from the free throw line, making 264 of 383, while the opponents hit 68.6 percent, on 179 of 261.

Leon Laatsch finished second in the league in scoring with 471 points in 16 games for a 29.4 average, earning him a berth on the Lakes all-league team for the fifth straight year. He was outscored only by Bob Wolf of the Menomonee Falls Badgers, who had 526 points in 14 games for a 37.6 average. Overall, Leon scored 489 points in 17 games for a 28.8 average.

Clark Eichstedt finished tenth in Lakes scoring with 338 points in 14 games for a 24.1 average. Backhaus felt Eichstedt also deserved to make the all-league team, although he was not selected.

Other leading scorers on the team were Bill Gonwa with 268 points in 14 games for a 19.1 average, Bob Nigh with 240 points in 16 games for a 15.0 average, Mike Maney with 211 points in 14 games for a 15.1 average, Bill Backhaus with 168 points in 17 games for a 9.9 average, and Brian Larsen with 154 points in 11 games for a 14.0 average.

Backhaus led the team in free

throw accuracy, making 26 of 33 for 78.8 percent, while Maney was next with 77.6 percent on 59 of 76, and then Eichstedt with 75.0 percent on 30 of 40.

Laatsch, Eichstedt, Nigh, Larsen, and Pete Thomas did most of the rebounding for the team.

The team received its first place "B" Division trophy at the Lakes Awards Banquet at the D & G Club in Port Washington on April 28. Championship plaques were presented to members of the team by Manager Backhaus. Laatsch also received his all-league team award.

**Indian Girls 3rd, Boys Last In EW Conference Track Meet**

By John Harju

First place finishes from Holly Kempf and Sandy Nigh led the Kewaskum girls' track team to a strong fifth place finish at Friday's Eastern Wisconsin conference track meet held in Kiel.

Kempf easily won both the shot put (38'6½") and the discus (119'). Kempf's only loss in the shot put this year came in an early indoor meet to De De Davis of Sheboygan Falls. Kempf is undefeated in the discus this year. Davis finished second to Kempf on Friday.

Sandy Nigh captured the only other first place for Kewaskum in the triple jump with an impressive jump of 32'6¾". Sandy Secor took fifth.

Lisa Fusek took Kewaskum's only second place in the high jump equaling her season best of 4'10". Fusek also took fourth in the 200 with a personal best, as well.

Amy Kougl continued to impress everyone with a fifth in the 100 and a sixth in the high jump. Kewaskum's 800 meter relay team took home fifth place ribbons while Julie Koepke (discus) and Sandy Klein (3200 and 1600) received sixths.

**Girls' Team Results**

1. Two Rivers 126

Yes, the Kewaskum boys' track team did finish last in Friday's Eastern Wisconsin conference track meet, but behind the efforts of Mike Steinhardt and Monty Shaw the Indians turned in a very respectable meet even though they finished last.

Only 10 points separated the last place Indians with fourth place Two Rivers. Compare the 42 points the Indians scored Friday with their dismal 17½ in which they scored at the conference relays meet and their last place finish in the County Outdoor and you have to agree that Coach Dave Drexler's boys have improved.

Steinhardt had his best meet of the season Friday, winning the 100 meter dash by tying the conference record (11.46), and the 200 (23.4) as well. He also turned in a second place with a personal best of 6'2" in the high jump.

Shaw captured Kewaskum's only other second in the 800 in a fast time of 2:02.7. Shaw also placed sixth in the 400 (54.7).

Steinhardt and Shaw accounted for 37 of Kewaskum's 42 points. The other points came

from strong efforts by Gunner Schlieter (5th in the 1600 with a personal best of 4:46.2), John Swanson (5th in the shot put), and John Nowak (6th in the pole vault).

**Golfers 3rd in Quadrangular, Lose to Falls**

Playing on their home course at Hon-E-Kor, the Kewaskum Indian golfers concluded their dual season by taking third in a conference quadrangular and losing to Sheboygan Falls the past week.

In the conference quad, Kiel led the field with 174, followed by Chilton 177, Kewaskum 179 and New Holstein 198. New Holstein's Steve Schmidtkopfer was medalist with 39. Kewaskum's Chris Harlow and Steve Bunge of Kiel were next with 40s.

The Indians' Jeff Nigh shot over his normal average with 47, and the scores of the fourth and fifth players did not help. A couple of JV players had lower scores.

In the meet against Sheboygan Falls, the Indians were defeated, 173-182. Brian Kober moved up to the varsity and hit a 43. The Falcons' Roeber and Kewaskum's Harlow tied for medalist honors with 40s.

The JVs were victorious over Falls, 188-205.

The Indian varsity finished 4-8 in the EW conference, while the JVs suffered only one conference loss.
