Board Votes to Close Beechwood School

By GERRY MUELLER
Statesman Staff Writer

"I think it stinks," said Town of Scott resident Clara Trapp as she, and about 120 other Kewaskum School District residents heard the School Board vote 4 to 3, to close Beechwood effective the end of the 1983-84 school year.

The decision came after an hour and a half's discussion between the board and Beechwood area parents who were seeking to change the board's previous decision to divide classes between Beechwood and Farmington, shuttling students between the two schools.

In a sense the parents "won the battle but lost the war" because the end result was not what they wanted or expected. The parents had hoped to convince the board to leave the present class set-up intact with the possible addition of another aide or teacher. Board members Ralph Horner and John Spoerl had indicated at earlier meetings, however, that they would not vote for any additional aides or teachers.

Instead, board member Kim Peterson made the motion to close the school completely with the end of this school year. The motion was an even bigger shock because Peterson set the immediate closing date rather

than the 1984-85 proposal which had been discussed at earlier meetings.

Board member Neal Weare felt the 1983-84 closing was too soon. He said the motion was giving parents only 51 minutes notice that the school would be closed. Board member Tom Brigham disagreed with Weare's statement noting the closing had been recommended by former Superintendent Floyd Brenholt as well as John Tinglim of the Department of Public Instruction in his 1983 report concerning his study of the District and its efficient use of buildings and personnel. Brigham told the meeting he had been on the board four years and during that period the subject of closing Beechwood had come up on and off, so this idea was nothing new.

Weare said he would like the board to seriously consider putting the plan on the side and form a task force made up of people other than the board and administration to look into the matter.

Speaking as legal representative for the Beechwood PTO, attorney Charles Hathaway of Slinger told the board members, it might be premature to close the school until all the statistics had been presented to the board. Hathaway and some of the parents said the board

Culinaire Regal, Inc. Formed in Canada

Regal Ware, Inc. and Culinaire Housewares, Inc. have signed a joint venture agreement forming Culinaire Regal, Inc. The new company located in Baie d'Urfe (Montreal), Quebec, Canada, will manufacture and market stainless steel cookware and pantryware products. It will also be responsible for the Canadian sales of Regal products produced in the United States.

Culinaire Housewares is a wholly-owned subsidiary of Coronet Housewares, Inc., one of Canada's leading housewares producers. Culinaire was organized in 1978 and produces stainless steel cookware, copper/aluminum cookware and pantryware. The company's products are marketed throughout Canada.

Regal Ware, Inc. is a privately-held, multi-plant housewares manufacturer established in 1945 and based in Kewaskum, Wisconsin. The company produces rangetop cookware, ovenware, portable appliances and microwave cookware and accessories. Regal products are

marketed throughout the United States and in most of the free world.

Culinaire Regal, Inc. brings to the Canadian marketplace an extensive assortment of quality kitchen products. According to Regal President, James D. Reigle, "Future plans include accelerated production, expansion of the combined product lines and concentrated development of export programs. We look forward to a mutually rewarding association in this new venture which will offer a broad product assortment for the Canadian housewares merchandisers."

Elected to the board of directors of the newly formed company are: Jean-Paul Beaudoin, Chief Executive Officer-Coronet; Pierre Leroux, Executive Vice President-Coronet; and John C. Evans, Vice President, Housewares-Regal. Nick Kubic has been named General Manager of Culinaire Regal, Inc. He previously held a similar post with Culinaire Housewares.

should not make a decision based on state statistics but facts from the district itself. Board President Jean Goeden told the meeting the board had been supplied with information and statistics used to make their decision such as declining birth rate and enrollments at the district's schools.

Brigham said enrollment figures given to the board show Farmington has a capacity for 300 students. The projected enrollment for next year is 244, so the school would be at 81% of its capacity. Kewaskum Elementary's capacity is 575, projected enrollment 399, 69% of capacity. Wayne capacity 200, projected enrollment 170, 85% of capacity and Beechwood 150, projected enrollment 93, 62% of capacity.

Leonard Peter, Town of Wayne, said, "I'm afraid if they close Beechwood this is on the way to closing Wayne." Carl Hohlweck, also of Wayne, told the board, the Wayne, Farmington and Beechwood taxpayers had worked hard to get and pay for their schools and they shouldn't have them taken away.

Board member Ralph Horner, referring to Milwaukee's request for re-districting, said he felt there might be a suburban exodus to the north and the district enrollment might increase.

Peterson told the meeting, "we're operating two schools at what appears to be in-efficient levels. I happen to be looking at the entire district not special interests." Farmington resident Mary Lou McKee told the board the Catholic Archdiocese closed our school and wouldn't re-open it for 90 students. They were taking the financial points into consideration.

Following the meeting there were rumors that a decision had already been made prior to the meeting. In a phone conversation Tuesday morning, Neal Weare said he had been contacted Monday afternoon and asked if he would vote for the Beechwood closing. Weare indicated he could not vote for such a motion. He said when he arrived for the closed session at 7:25, he was given a copy of the proposed motion and told there were already four votes in its favor.

Board member Lynn Dieringer said Tuesday morning, she knew Mr. Spector, the district's legal council, had been contacted for advice on wording for a motion. She said, if a motion were going to be made, it had to have the proper wording to be legal. Dieringer said the decision to make any motions was left up to the board members. "I wasn't aware of how any of the other board members were planning to vote if the motion was made," said Dieringer.

Jean Goeden said the only information she passed on from Spector was the following wording, "this motion takes priority over all previous motions made on May 14 and/or May 22 regarding movement of students between Beechwood and Farmington." Goeden said any motion, no matter what it was, which came from the board had to have that introductory sentence to be legal. From there on board members were free to

make any new motions regarding the closing, shuttling or hiring of aides and teachers. Goeden noted Mr. Spector had indicated the board could not go back again to rescind the shuttling motion.

"Throughout my conversations and phone calls," said Goeden, "I have had 2 to 1 approval of the Beechwood closing and if we would have put it on a referendum it would have been approved." I felt we shouldn't pass the buck to the people however. It was a decision the board had to make and we made it. The majority of us did our homework and knew the facts."

Weare said he had gotten several comments including asking the Plymouth or Random Lake districts to accept Beechwood for annexation. Several families had indicated they were considering placing their children in private schools.

In reply to Weare's comment that he had received a copy of the motion, Peterson said Tuesday, nobody knew what my motion was going to be. I didn't myself until the meeting progressed. Peterson said if Weare had a copy of the motion he should give a copy of it to this reporter.

In reply to Weare's comments regarding loss of tax dollars and state aides, Goeden said the reduction in teacher salaries would offset the loss of state aids.

In other action, the board approved the Support Staff contract for 1984-85. The final package will have an 11.55% increase which includes salaries, retirement and longevity and experience steps. The board also accepted the resignations of teachers Margaret O'Reilly and Ken Johnson and business manager Baird Stouffer. Fran Charland was appointed Middle School Assistant Wrestling coach and Mr. Anglim High School Girls tennis coach.

Buildings Superintendent Fred Boehlke informed the board that a study had begun to identify capital improvement projects and he will have a report covering estimates and project priorities.

The board also scheduled a Budget Meeting for June 25 at 8:00 p.m.

190 High School Seniors Graduate

190 graduates find their seats as processional progresses.

School Board President Jean Goeden and Board Member Ralph Horner follow graduates in processional for commencement ceremonies.

By GERRY MUELLER
Statesman Staff Writer

Principal Clark Pearson presented his last class of Kewaskum's graduating seniors during Friday's commencement ceremonies.

In introducing the class, Pearson said the seniors had to be recognized both academically and athletically. Over \$65,000 in scholarships were awarded to students of the class of 1984. The football team was also the first to bring home a championship since the school changed conferences.

While it was not available for presentation, the Class of 1984's gift to the school was a

banner proclaiming that conference championship.

AFS students, Gro Ommundson of Norway and Alan McFarland of Australia, bid farewell to their class and the people of Kewaskum. In his speech McFarland told the audience, "I told my Australian classmates I was going to Milwaukee because I couldn't find Kewaskum on the map. On his return to Australia, however, he would tell them about his friends and year in Kewaskum."

School Board members Lanielle Dieringer and Ralph Horner presented the diplomas.

Left to right: John Long, Superintendent of Schools, Kim Peterson, Lanielle Dieringer, Board Members, AFS Student Alan McFarland, Class Speaker Dennis Butz, Class President Doug Miller, AFS Student Gro Ommundson, Jean Goeden, School Board President, Ralph Horner, Board Member, Reverend Ralph Wagner and Clark Pearson, Principal.

Legion Elects New Officers

New officers were elected by Robert G. Romaine Post 384 of the American Legion, Kewaskum.

Fred Kleinke, the new commander, took over at the post's meeting on Monday, June 11, at the Legion clubhouse.

The following list of officers will assist Commander Kleinke: 1st Vice Commander, Pat McFadden; 2nd Vice Commander, Mike Chesak; Chaplain, Joe Doll; Sergeant-at-Arms, Harold Boettcher; Assistant Sergeant-at-Arms, James Korth; Historian, Marilyn Haug; Judge Advocate, Roger McKenna.

Area School Bus Drivers Reach Finals

Three area school bus drivers were among the nine finalists at the recent regional school bus driving Rodeo held in Fond du Lac, namely Sabine Marshall, 5803 County Z, West Bend; Bob Schneider Jr., 8856 U.S. 45, Kewaskum; Carol Zelm, 708 Hilcrest St., West Bend.

The regional winners were tested in three areas: written test, personal interview; and pre-trip inspection of a school bus.

These drivers will now move on to the state finals which will be held in conjunction with the Wisconsin School Bus Association Annual Convention and Trade Show June 18 at Stevens Point.

A slide presentation test will be given at the Holidome, convention headquarters.

The driving test will be given at the University of Wisconsin-Stevens Point. Cash prizes of \$150, \$125, \$100 and trophies will be awarded to the top three drivers.

Man Seriously Injured in Cycle Accident

A Cascade man was seriously injured in a motorcycle accident Sunday night on State Hwys. 144 and 28 in the Town of Farmington.

The driver of the motorcycle, Kenneth G. Krell, 33, of 404 Francis Ave., was in critical condition Monday at Froedtert Memorial Lutheran Hospital, Milwaukee, with a broken collarbone and a skull fracture, a spokesman said.

The man's 8-year-old son, Paul, a passenger on the cycle, was listed in fair condition at St. Joseph's Community Hospital, West Bend, with back and neck injuries, a spokeswoman said.

The Washington County Sheriff's Department reported that a dragging kickstand caused Krell to lose control of the cycle, which crashed on a gravel shoulder. Both riders were thrown off the vehicle.

The mishap occurred near State Hwy. 84 about 7:25 p.m.

A motorcycle and automobile collided in the Kewaskum High School parking lot shortly after school let out last week Monday afternoon, but neither driver was seriously injured. The auto, driven by Tim Rohlinger, 17, of Kewaskum was reported southbound on a one way northbound stretch in front of the gymnasium when the cycle, driven by Anthony Meyer, 17, of rural Kewaskum, came around the corner traveling north toward the middle school.

Meyer's motorcycle struck the Rohlinger vehicle in the left rear fender, causing damage to the fender and bumper of the car. The front end of the cycle was damaged, and Meyer sustained a knee injury and scrapes and bruises to his left leg but refused transport.

Former Kewaskum Woman Is Featured in Business Digest

Jane Honeck Griffith, a former Kewaskum resident, was the subject of a feature article in a recent issue of "Business Digest."

Honeck, the daughter of Mr. and Mrs. Kilian Honeck, Kewaskum, now lives in Portland, Maine, where she has formed her own accounting business. Jane and her firm were the cover story for the May issue of the Maine magazine.

Originally trained as an English teacher, Jane went back to school and received a degree in accounting from the University of Southern Maine. On completion of her studies, Honeck joined the accounting firm of Peat, Marwick, Mitchell and Company. She worked in their tax department and later helped to organize a specialized division directed toward medical professionals. When Honeck left the firm in 1982, the new division had eleven staff members and 250 clients.

Honeck credited her former employers with providing her with the training that also

helped her when she decided to strike out on her own.

Honeck noted the first few weeks were hectic trying to secure clients for her own company. However, after about a month she had attracted 15 new clients and later, about 60 of the clients she served while working at Peat, Marwick returned to her. Approximately 75% of Honeck's clientele are in the medical profession. Honeck said more women professionals are seeking the services of her firm.

Honeck was surprised with the quick success of her fledgling company. In 1983 she hired two associates, Judy Patterson, a tax accountant, and Jane O'Toole, also a certified public accountant.

When Honeck began her accounting career, her father told her she was crazy because no one would hire a female accountant. Now the owner of an accounting firm with over 200 clients, Honeck said she and her two female associates sometimes laugh and say the first man the firm hires will have to be a secretary, and he'd have to be the best applicant.

Jane and her husband Jeff Griffith became the proud parents of a son, John, born June 7th. The paternal grandparents are Mr. and Mrs. Sydney Griffith of Waterlo, Maine. Maternal grandparents, Mr. and Mrs. Kilian Honeck, left Sunday to visit their daughter, son-in-law and new grandson.

Graduates from Nursing School

Emillie R. Torres, 1450 Brooklane Drive, Kewaskum, graduated from the Columbia Hospital School of Nursing on Saturday, May 12. The reception was held at the East Garden, Milwaukee.

Miss Torres has taken a position at the Children's Memorial Hospital, Milwaukee. She is the daughter of Mr. and Mrs. C. Torres.

Michele Tiemann Lakeshore Graduate

Michele (Shelly) Tiemann, daughter of Mr. and Mrs. David Tiemann, rural Kewaskum, is a 1984 graduate of Lakeshore Technical Institute, Cleveland, Wis.

Tiemann, a 1983 Kewaskum High School graduate, received her vocational diploma in the Graphic Arts program. She studied stripping, platemaking, and presswork. Tiemann hopes to pursue her career in the stripping and platemaking areas.

Wangerin Receives Master's Degree

Dan majored in Industrial Education.

KES Library Open Monday Evenings

Thanks to a coordinated effort of librarian, parents and the GFWC Kewaskum Jr. Woman's Club, the Kewaskum Elementary School library will be open Monday nights from 7-9 p.m. beginning June 18th through August 13th. Two adult volunteers will be on duty to return and check out books each evening. Books may be borrowed for a two week period.

All families will be asked to register with the library the first time they check out books. The library is divided into three sections.

One area is comprised of easy readers, appropriate for preschool as well as early elementary children just learning to read. The other two sections, appropriate for 2nd - 6th graders are divided into fiction and non fiction. The library has a large selection of non-fiction including topics on science, weather, geography, travel and animals.

For a summer full of entertaining and worthwhile reading, visit the KES library Monday evenings starting June 18th.

Graduates From U. of Minnesota

Commencement and reception were held at the University of Minnesota on Saturday, June 9, 1984, at the North Star Ballroom, St. Paul. Among the 171 graduates was Charles R. Strancke, Jr., who graduated Summa Cum Laude from the College of Biological Sciences. Dr. Iris Charvat, Professor of Botany, was chosen by the graduating class to give the commencement address.

During the course of his college career, Charles was involved in cancer research under Dr. Donald Birmingham. Their findings will soon be published in a forthcoming Virology Journal. Charles was honored at a dinner for outstanding seniors on May 18. He will be entering the University of Wisconsin Medical School in Madison in August.

Strancke is a 1980 graduate of Kewaskum High School.

Receives Degree From West Virginia U

Among those receiving bachelor degrees from West Virginia University, Morgantown, May 13 was Thomas J. Rosenberger, who graduated Magna cum Laude in aerospace engineering.

While at West Virginia, Rosenberger was inducted into Tau Beta Pi, honorary engineering fraternity, and Sigma Gamma Tau, honorary aerospace fraternity. Rosenberger has been awarded a fellowship at the University of Minnesota and plans to begin work on his master's degree this fall.

A 1980 graduate of Kewaskum High School, Rosenberger is the son of Mr. and Mrs. Thomas R. Rosenberger, Fredonia.

Kewaskum FFA Elects New Officer Team for 1984-85

Recently, the Kewaskum Chapter of the Future Farmers of America elected new officers for the 1984-85 year. After two meetings, they have decided on the following offices:

Historian: Joel Junk - Joe will be responsible for keeping the FFA's scrapbook in order for the upcoming year. He also will be helping run committees and official functions of the FFA. Sentinel: Brian Ruplinger - Brian will be responsible for keeping the meeting paraphernalia in good condition and for keeping meetings in order. He will escort any unruly

members out of the meeting room. Reporter: Joe Schmitt - Joe will be responsible for keeping articles appearing regularly in the local papers. He will also head the Public Relations committee. Secretary: Patsy Panzer - Patsy will be keeping minutes for all the FFA's monthly meetings. She also will be corresponding with other secretaries from other FFA chapters. Treasurer: Jim Herriges - Jim will be keeping the financial records of the chapter in order. He also will head the Earnings and Savings committee that is responsible

for all chapter fundraisers. Vice President: Jon Etta - Jon is second in the line of command. He will preside at any meetings should the president not be able to attend. He will also be a major part of any of the FFA's activities. President: Gary Butzlaff - Gary will be the head of the FFA for the upcoming year. He will preside at all meetings and be in charge of all functions involving the FFA.

The officers will be meeting this summer at Mauthe Lake for an officers picnic to prepare for the year ahead. Major committee assignments and the program of work will be set up at that time.

Wanted + Girl Scout Leaders

Do you know what this world needs more of? Love? Yes. Peace? Yes. And Girl Scout Leaders.

Yes, there are many girls in this very community who want and need to be Girl Scouts and can't because there aren't enough leaders. Men, women--young and old--Girl Scouts need you to be their leaders. Girl Scouting is a lot of beautiful things...like self-discovery and meeting new people and having fun.

Join Girl Scouts! Pick up your phone and call and say "I'd like to be a leader." 626-4284.

Recreation Card A Bargain for Senior Citizens

Wisconsin's Senior Citizen Recreation Card, providing a variety of free lifetime recreational opportunities for residents 65-years of age and older, is now available for a one-time fee of \$11.00.

Since the card was instituted

in 1979, a total of 75,717 have been sold. That year, 29,172 Wisconsin senior citizens purchased the card, and sales have averaged between 10-thousand and 11-thousand the past two years.

The card provides free lifetime admission to state parks and forests to card holders and their vehicle and its occupants. It also grants the card holder free lifetime small hunting and fishing privileges. Senior citizens possessing the card do not need to purchase Wisconsin trout, salmon or waterfowl stamps, but would be required to purchase the federal waterfowl stamp if they hunt waterfowl.

The card may be purchased, or an application to purchase one through the mail may be obtained, at all Wisconsin state parks and forests, DNR field offices, the offices of County Clerks, or the Madison office of the DNR at 101 South Webster

Street. The mailing address for the Madison office is P.O. Box 7921, Madison, WI 53707. Phone (608) 266-2621.

Schmidt - DeHusson

Announcement has been made of the birthday engagement of LuAnn R. Schmidt and Curt E. DeHusson.

The bride-to-be, daughter of Gayl Schmidt of Beechwood and the late Jerome Schmidt, graduated from Kewaskum High School and is employed at Amity Leather Products, West Bend.

Her fiance, son of Mr. and Mrs. Wayne DeHusson of West Allis is a graduate of West Allis Central High School and

graduated from UW-Milwaukee with a BA degree in Marketing Management. He is presently employed at Purolator Armored, Milwaukee.

No immediate wedding date has been set.

To become mature is to recover that sense of seriousness which one had as a child at play.

Letters to the Editor

To all Voters of the Kewaskum School District:

What a _____ school board president do the taxpayers for the district have? She wants the best of education for the district. Does she? But after Monday night's meeting I and a lot more don't believe it. And for her to have the gall to let people speak from Beechwood and make an opening statement and sit up front so innocent and say I have no idea what the board was going to do for her to cast the deciding vote to close Beechwood school. Why did she do this? First I will tell you why: that meeting was all cooked and dried beforehand, because she called the lawyer how to word the motion to close Beechwood school and one board member made the remark he had the four votes to close Beechwood school. I talked to the board president Monday p.m., our conversation was just the opposite. Is this the American way of doing things? The voters put their trust when they elected these board members and for one school member to sit through an hour and a half meeting and laugh and snicker and sneer and especially when a fellow board member presented his views, to laugh at him, was simply not good ethics in my book and to be a board member for only two months. To me that board meeting stunk to high Heaven. It's a short trip down the road when another three million will be borrowed to build a new school. A recall election sure should be in order.

Thank you for the space.

Clara Trapp

To the children from the West Side of Kewaskum:

Thank you for 13 years of friendship. The first class I crossed are now graduating from High School. My life has been made more interesting because of all of you. Kewaskum has terrific children. Have a good day.

Mrs. Coulter

Banns of marriage have been announced in the Holy Trinity church bulletin for: Todd Bartelt and Shelly Strobel, Joseph Gitter and Sandra Westerman, Todd Rick and Debra Tackes, Donald Schrauth and LuAnn Schickert, Michael Pettit and Elaine Anderson, Joseph Spaeth and Mary Bonlender.

Holy Trinity School Board Election Held

School board election for Holy Trinity Catholic School was held Sunday, June 3. Albert Fleischmann was the board member elected to succeed Sherry Miller for a term of three years. The next board meeting will be held August 7 at 7 p.m.

Yogurt Cream

1/2 cup whipping cream, chilled
3 tablespoons confectioners' sugar
1 teaspoon vanilla extract
1/2 cup plain yogurt, chilled
Pour cream into chilled bowl and beat until it begins to stiffen. Add sugar and vanilla and continue beating until stiff. Fold in yogurt gently, but thoroughly. You may serve this at once, or cover and refrigerate up to several hours. Makes about 1 1/2 cups.

Badger Boys and Girls Selection Announced at KHS

Amber Charland

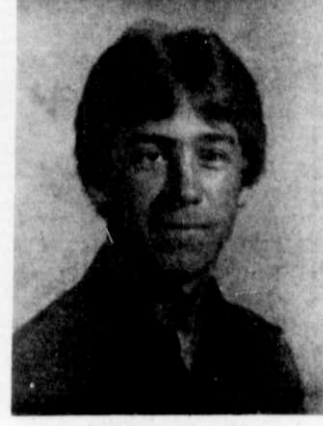

Sandra Secor

Julie Strancke

Gary Butzlaff

Jon Etta

Each year some 2,000 junior boys and girls throughout Wisconsin are selected to represent their schools and community at a state gathering of Wisconsin school students. The Kewaskum delegates are sponsored by the local American Legion Post and the Kewaskum Kiwanis organization.

This year, Amber Charland, daughter of Mr. and Mrs. Fran

Charland, rural Kewaskum; Sandra Secor, daughter of Mr. and Mrs. Gerald Secor, rural Kewaskum; and Julie Strancke, daughter of Mr. and Mrs. Charles Strancke, rural Kewaskum, were the three junior students selected from the top third of junior class girls.

Gary Butzlaff, son of Mr. and Mrs. Loran Butzlaff, rural Ke-

waskum, and Jon Etta, son of Mr. and Mrs. Ethan Etta, West Bend, were the two junior boys from the top half of their class.

Selection of delegates is based on the students scholastic standing, their participation in extra-curricular activities such as athletics, music, speech, journalism, clubs, or other school organizations and their

adaptability to the Badger State program.

The boys begin their week of activities in Ripon, Wisconsin, on Saturday, June 16th. Their activities too, include an excellent introduction to the practical operation of government. The boys themselves, will elect their own state, county and municipal officials, from

the governor down. As city councilmen or county supervisors, they will form, present and pass their own ordinances and laws; their own police and sheriffs will enforce them.

Through this program, these leaders of the future, should develop a sense of individual obligations to the community, state and nation.

Campus Notes

Margaret M. Collins-Sedgewick, a senior majoring in Recreation Therapy, of 127 Main St., Kewaskum; Perry S. Kempf, a junior majoring in Computer Science, of 1761 Hwy. A, Rt. 1, Kewaskum; Roberta A. Schmidt, a senior majoring in Recreation Leadership, of 315 Forest Ave., Kewaskum; Jennifer K. Zemlicka a sophomore majoring in Pre-Physical Therapy, of 1527 Stark St., Kewaskum, and Julann D. Zemlicka, a junior majoring in English, of 1527 Stark St., Kewaskum, have been named to the Dean's List of the University of Wisconsin-La Crosse, for the second semester of the 1983-84 academic year.

Qualification for the Dean's List is based on outstanding academic achievement.

Menomonie, Wis. — Shelly Sekas, daughter of Mrs. Warren Sekas, Route 2, Campbellsport is among more than 225 winners of Stout Foundation scholarships announced by David Williams, executive director of the Foundation.

Shelly, a sophomore majoring in home economics education at UW-Stout, was awarded the \$300 Cora Sunde Walters Memorial Scholarship from the Foundation.

Williams said that winners were selected by a committee, which was composed of staff and faculty members, who reviewed nearly 600 applications submitted earlier this year by Stout students. Payments

will be made by the Foundation Aug. 19, at a scholarship award reception.

Williams said that more winners may be selected as additional contributions are received by the Foundation during the summer months. He said that funds for the scholarships came from the alumni, friends, parents, students, faculty, business firms, memorials and endowment funds established by donors in the Foundation to provide scholarships annually on a perpetual basis.

A total of 756 students achieved placement on the Spring quarter Dean's List at Michigan Technological University, Houghton, Michigan, by earning a grade point average of 3.5 or higher. Dean of Students Harold Meese reported that 195 students earned straight A averages of 4.00.

The honor students from the Out-of-State area included: WISCONSIN — Adell — Paul E. Blanke, a freshman in electrical engineering; Fredonia — Andrew H. Rosenberger, a junior in mechanical engineering; Kewaskum — James M. Staehler, a senior in mechanical engineering.

One hundred forty-seven Wartburg College, Waverly, Iowa, students have been named to the Dean's Honor List for the Spring/May Term, according to the Dean of the Faculty's office here.

In order to be named to the Dean's List, a student must

earn a grade point average of 3.5 or better (on a 4.0 basis, i.e., A=4, B=3, C=2, etc.), elect to take no pass/D/no credit options and earn credit in at least five courses.

The Dean's List includes 32 freshmen, 30 sophomores, 40 juniors and 45 seniors.

The list includes Jandelyn Hazlewood, daughter of Mr. and Mrs. John Hazlewood, Sr., 1093 Fairfield Ct., West Bend.

Sixty-five full-time students have been named to the Lakeland College, Sheboygan, Dean's List for the 1984 spring

semester. Dean's List students must have a grade point average of 3.5 or better. The list includes Melissa Koch, daughter of Mr. and Mrs. Harry E. Koch, Kewaskum.

Irma H. Janz, Others Pass On

Irma H. Janz, nee Groth, of Kewaskum, died Saturday, June 9, at St. Joseph's Community Hospital, West Bend, at the age of 85.

She was born Oct. 29, 1898, in the Town of Barton, and after her marriage to Jacob Janz in the Town of Barton June 30, 1917, they settled on a farm in the Town of Barton, until moving to the Town of West Bend. Since 1954 she has lived in Kewaskum.

Her husband passed away Sept. 29, 1971.

Survivors include five children, Clarence (Dorothy) of Adell, Clara (Robert) Quaa, Shirley (Sylvester) Peters, both of West Bend, Carroll (Eleanor) of Jackson and Lucille (Elroy) Gatzke of Campbellsport; a daughter-in-law, Norma Janz of Random Lake; 35 grandchildren; 43 great-grandchildren; one brother, Ray (Betty) of Germantown, and other relatives and friends.

Preceding her in death were one son, Alvin; one daughter, Hazel Schaefer; three grandchildren, and two brothers.

Funeral services were Wednesday, June 13, at 2 p.m. at Trinity Lutheran Church, West Bend, with Rev. Victor Hackbarth officiating. Burial was in Diefenbach Cemetery, Slinger.

Visitation at the Schmidt Funeral Home, West Bend, was Tuesday from 4 p.m. until 11 a.m. Wednesday, and at the church from noon Wednesday until time of services.

CHARLES NARGES

Visitation for Charles F. Narges, 92, of Route 3, Campbellsport, was from 5 to 9 Sunday at Twohig Funeral Home in Campbellsport, and from 12:30 to 2:30 p.m. Monday at Immanuel Lutheran Church, Campbellsport.

Mr. Narges died Friday, June 8, 1984, at Rolling Meadows Nursing Home, Fond du Lac.

Funeral services were held at 2:30 p.m. Monday at the church with the Rev. Allen Capek officiating. Burial was in shrine of Rest Mausoleum.

He was born March 24, 1892, in Eden, a son of William and Katherine Buthe Narges. On Oct. 28, 1914, he married Marie

Jandre in New Fane. She died Oct. 3, 1974.

Mr. Narges farmed in the Town of Osceola for five years, and then founded and operated an implement business in Waucousta for 40 years until his retirement on Dec. 31, 1957. He was a charter member of Immanuel Lutheran Church, where he served on the church council and was a former member of the Men's Club.

Mr. Narges also was a member of the Implement Dealers Association and played and managed baseball in the Waucousta area for many years.

Survivors include three sons, Donald of Campbellsport, Harold of Eden, and Howard of Waucousta; 15 grandchildren; and 17 great-grandchildren. In addition to his wife, he was preceded in death by one daughter, two brothers and one sister.

MRS. MARIE PECK

Mrs. Marie Peck, 82, of Black River Falls, passed away Wednesday, June 6. She is survived by a son, Dr. Howard Rumsey of Kewaskum. One daughter and her husband preceded her in death. She was a former resident of Kewaskum.

ADELIN FISCHER

Adeline Fischer, nee Brandt, 83, a resident of the Samaritan Home, West Bend, formerly of the Town of Jackson, died Tuesday, June 5, at the Samaritan.

She was born Dec. 30, 1900, in the Town of Cedarburg, and married William Fischer Dec. 27, 1924, at Immanuel Lutheran Church, Cedarburg. He passed away Feb. 25, 1965.

Survivors include two sons, Raymond (Viola) of Jackson and Theodore of Kewaskum; three grandchildren, Claudia (Mark) Ziemer of Hollendale, Laurie (Joe) Luepke of Oshkosh and Donna Fischer of Jackson; two great-grandchildren; one sister, Meta Wolfgram of Cedarburg, and other relatives and friends.

Funeral services were Friday, June 8, at 8 p.m. at Immanuel Lutheran Church, Cedarburg. Rev. Harold Kromrey officiated and burial was in Immanuel Cemetery, Cedarburg.

Visitation at the church only was Friday from 5 p.m. until time of services.

The Mueller Funeral Home,

Cedarburg, was in charge of arrangements.

Construction Work Starts on West Bend Bypass

Road construction was expected to start early in June, 1984, on the grading of the West Bend Freeway between STH 60 and Paradise Drive. The work will consist of moving approximately 1,300,000 Cubic Yards of earth plus the construction of Freeway Bridges over STH 60 and Paradise Drive, and the paving of these crossroads.

The grading project between STH 60 and Pleasantwood Valley was let to Stoehr Grading Co., Inc. of New Berlin for \$1,027,956. The grading project north of Pleasant Valley to Paradise Drive was let to H. James & Sons, Inc. of Fennimore for \$2,914,488. The paving of STH 60 and the construction of the bridge was let to Trierweiler Const. & Supply Co., Inc. of Marshfield for \$539,819. The paving of Paradise Drive and the construction of the bridge was let to Zignego Contractors, Inc. of Duplainville for \$933,622. Financing for this construction comes 100% from State Funds.

CTH "C", Pleasantwood Valley Road, and Mileview Road will be closed to traffic throughout the construction.

STH 60 will be kept open at all times. Either Paradise Drive or CTH "N" will be open at all times depending upon the construction progress.

Mill Road and Tilly Lake Road will also be closed to through traffic during construction.

Access will be maintained to all properties adjacent to the projects during construction activities. It is expected that all crossroads will be reopened before winter.

Paving of the Freeway from USH 41 to Paradise Drive will be done in 1985.

Pedestrians and motorists are urged to use caution in the construction zones.

Church Women United Plan Summer Tea

The Church Women United of Washington County will hold their annual Summer Tea on Thursday, June 28, at St. John's United Church of Christ in Hartford. The event will be hosted by the women of St. John's who will provide refreshments. A board of Manager's meeting at 12:30 p.m. will precede the business meeting at 1:30 p.m.

The Summer Tea has been known as "Auction Day," a real fun event looked forward to all year by members and their guests. The "merchandise" is donated by CWU members and consists of a great variety of attractive items, among them home-baked goodies, jams, jellies, produce and bargain "treasures." The group is hoping for a volunteer auctioneer who will donate his services to the event. St. John's UCC is located at 228 W. State St. in Hartford. The public is invited to all events planned by the Church Women United.

Wisconsin Road Maps Available

A complete set of the seventy-two Wisconsin County Maps bound into one book is available.

The book contains 128 pages of maps and other useful information. The format of 22 x 16 inch page, double page spread size, provides easy-to-read maps.

Brief descriptions of each county and a small Wisconsin map insert show the county's location in the state. Supplementary information in a second color on each map details state parks, nature preserves, public hunting grounds and other public recreation facilities.

A copy of this publication is available by mail for \$9.00 from: County Maps, P.O. Box 5096, Madison, Wisconsin 53705.

Each Wisconsin County map shows all Federal, State, County and Town roads.

The Eye Opener

By Judy Behlen

Four Self Advocates of Washington County attended a seminar entitled "Empowering Citizens" in Stevens Point, May 18 and 19. We learned that they are trying to put the power back into the direct consumers regarding the services we are receiving.

We shared our achievements with the other Self Advocates groups in the state. It was interesting to learn what other self advocacy groups are doing.

The Self Advocates of Washington County are getting their by-laws and purpose statement together. We are making plans on how we can educate the general public and the self advocates on the different types of disabilities.

We will be informing the general public as soon as we can with our plans.

Any questions regarding the program, feel free to call me at 673-2438 after 5:15 p.m. weekdays or Sue Noegel at 338-1577.

Any disabled person over 18 years is welcome.

We showed "The Citizen Story" on June 2. One viewer commented on the informality of it. Got into the experience of being an advocate.

If any group and/or organization is interested in the film, it will be available. You can call the Citizen Advocacy office at 334-3384.

AVOID CANCER

Cancer might be less common if people ate more fresh fruit and vegetables, and fewer animal fats, says Dr. Guy Newell of National Cancer Institute. "My family now eats less meat, more poultry and fish. We also eat lots of high fiber foods - peas, beans, cabbage, sprouts, spinach, oranges and apples, whole wheat bread and cereals. It will improve basic health and resist cancer," says Dr. Newell.

Reservations at New High for Campsites

Confirmed campsite reservations for the summer camping season in Wisconsin state parks and forests now total almost 21,000, a three percent increase over a year ago at this time.

All reservable sites for all weekends in June, July and August are taken in the following parks: Governor Dodge, Hartmen Creek, Peninsula, Kohler-Andrae and Newport. In addition, all reservable sites for all weekends in July are already taken at Mirror Lake and Devil's Lake state parks.

Campers are reminded that all of these state parks have reservable sites available during weekdays, and that at least 25 percent of the sites in a state campground are not reservable and are filled on a first-come, first served basis.

On the first big weekend of the summer camping season all state park and state forest campgrounds filled for the three-day Memorial Day weekend.

However, of the approximately 63,000 campsites in Wisconsin, the state operates only 5,303 of them, or about 8 1/2 percent of the total. Most of the rest are privately operated and are located throughout the state, many of them close to the most popular state campgrounds. Check into the availability of sites in these private campgrounds during the busy camping season ahead. You can camp at many of these private campgrounds and have access to the nearby state operated recreational facilities. Also, over 8,000 campsites are provided by other levels of government including federal, county, town and municipal governments.

In order to keep as many state parks open as possible to serve the public during the budget crunch of 1981-83, the Department turned over the operation of several small state parks to local groups. While several of these will again be operated by the state this year, a number of them remain under local operation through cooperative agreements with the Depart-

ment. Here is a list of State Parks operated locally.

Aztalan State Park - Operated by the Town of Aztalan.

Belmont Mound - Operated by the Belmont Lions Club.

Copper Culture State Park - Operated by the City of Oconto.

Lizard Mound State Park - Operated by Washington County.

Lucius Woods State Park - Operated by the Solon Springs Civic Club.

Ojibwa State Park - Operated by the Winter Lions Club.

Olympic Ice Rink - Operated by the Wisconsin Olympic Ice Rink Cooperation.

"Without this local assistance, it would have been necessary to close these parks. With the agreements, local citizens and the general public can continue to use and enjoy the parks with an annual saving to the state," Dave Weizenicker, Director of the Bureau of Parks and Recreation, said.

Weizenicker continued "These local citizen groups and local government units are to be commended for their public minded spirit. This innovative approach with local government and civic groups cooperating to operate state parks is very much appreciated."

Park visitors now have a valuable guide in using Wisconsin state parks. Wisconsin State Parks, Explore and Enjoy, is now available at all state parks for \$4.95, less one dollar with a coupon you'll receive on entering the park. The offer is good until August 1, this year. The guide will be available at several other locations including DNR district offices for \$4.95 soon. It can also be ordered by mail for \$6.00 including mailing and handling, from DNR Bureau of Parks and Recreation, P.O. Box 7921, Madison, WI 53707.

4-H and Youth Agent

SCHOLARSHIPS AVAILABLE TO PAST, PRESENT 4-HER'S

Looking for a scholarship? Are you, or have you ever been, in 4-H?

A number of state and national scholarships will be awarded for the 1984-85 school year to 4-H youth. Scholarships will be available to incoming freshmen, and also to upper-class students, to students enrolled in trade schools as well as traditional academic programs.

The Wisconsin 4-H Foundation will provide three scholarships worth approximately \$2,000 to state 4-Hers. Four \$250 4-H Leadership scholarships will be given by the Borg Foundation. The Elizabeth Salter Eby scholarship worth \$400 is slated for a freshman majoring in home economics, and three \$200 scholarships from the Ball Corporation are available to individuals who have been enrolled in 4-H food preservation projects and use home preserved foods.

National 4-H provides more than \$23,000 in scholarships for which Wisconsin students are eligible. Some of them are for specific areas of study while others are available to students in any major.

General selection criteria are a sense of direction in furthering education, financial need, academic records, demonstrated leadership and a 4-H background. In most cases a college minimum grade point average of 2.0 on a 4.0 scale is required. To apply, submit the Wisconsin 4-H scholarship form by July 1. One application form can be submitted for multiple scholarships although some require extra forms. For more information, contact your county 4-H office.

These scholarships are available only to 4-H members. They are given in recognition of hard work and accomplishments throughout the years in 4-H and are not necessarily awarded on the basis of a high grade point or extreme financial need.

Margaret Cleek Receives Rolfs Award at UWWC

Margaret M. Cleek, Assistant Professor of Psychology at the University of Wisconsin Center-Washington County, has been named this year's recipient of the Rolfs Foundation Teaching Award for a UWWC faculty member. She was recognized at UWWC's recent Honors Convocation.

In order to qualify for a Rolfs Foundation Teaching Award, candidates must evidence exceptional teaching ability in the judgement of their professional peers, students, and administrators. This ability should also include an imaginative and innovative presentation of the subject, an enthusiasm for the subject, and the ability to communicate that interest to students both in and out of the classroom.

Cleek earned her Bachelor of Arts degree from the University of Illinois-Chicago Circle in 1971, her Master of Arts degree from the University of Wisconsin-Madison, and a Doctor of Philosophy degree from the University of Wisconsin-Madison in 1978. She joined UWWC's faculty in fall, 1978.

Besides carrying a full teaching load of freshman and sophomore psychology courses, Cleek is an active researcher and publisher. She has also served the UWWC campus in the capacity of Chairperson of UWWC's governance committee and has chaired other committees as well. She represented UWWC at the University-wide faculty college last summer and has been awarded a grant to finish publication on divorce patterns this summer.

Cleek is presently a candidate for tenure in the University Centers' psychology department.

Apply Now for Navy ROTC Scholarships

High School Juniors interested in Scholarships through the Navy Reserve Officer Training Corps (NROTC) Program may now submit applications. The four-year Scholarship pays for all tuition, books and education fees, and provides \$100-a-month while the student attends college.

The purpose of the NROTC Program is to provide the opportunity for a college education and an officer's commission in the U.S. Navy. Upon successfully completing baccalaureate degree requirements and participating in summer training periods, students are commissioned as officers in the Navy.

Bulletins containing eligibility requirements are available from Petty Officer First Class Sam L. Spice (NROTC Program Manager), 310 West Wisconsin Avenue, Suite 450, Milwaukee, WI 53203.

Applicants for the program will be considered based on scores obtained either from the Scholastic Aptitude Test (SAT) or the American College Test (ACT).

The first selections of June 1985 graduates begin this October.

Jacob Schlosser and Mrs.

Jennie Brandt were quietly married at Milwaukee last week Friday. They arrived home on the evening train Saturday and were given a rousing charivari.

Mrs. August Heberer of New Fane was badly injured last Monday while taking milk to the factory. She was taking a can out of the wagon when suddenly the horses ran away. Mrs. Heberer was thrown out of the rig on a large pile of wood. The wagon passed over her. She received painful injuries, but not of a serious nature.

George Seefeld, son of Mr. and Mrs. William Seefeld, died last Wednesday evening, after a few days' illness with brain fever at the age of 23.

Theodore F. Fick, a very well known resident of the Town of Auburn died June 11 after a few days' illness, the cause of death being heart failure.

Joseph Strachota, who was awarded the contract to build 1600 running feet of cement walk for the village, commenced on the job last Monday.

Contractor Louis F. Brandt is putting up the new storage building for A. A. Perschbacher

in Kewaskum this week.

The work of laying brick on the new addition to the Schaefer and Schultz Republican House in Kewaskum was begun last Tuesday.

Minutes of Village Board Meeting

Regular Meeting
June 4, 1984
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in regular session in the Council Room of the Municipal Building, 204 First Street.

President Gerald F. Stollenwerk presided. All Trustee Members were present.

On a motion by Trustee Mary Krueger, seconded by Trustee David Nigh and unanimously carried by voice vote, the minutes of the May 21, 1984, meeting were approved as printed.

A public hearing was conducted on the applications for six (6) Combination Class "B" tavern license renewals. There were no objections from the floor to any of the applications as publicly noticed and publicly read by President Gerald F. Stollenwerk. (Note: a seventh license application for Erwin P. Rinas and James M. Rinas was tabled due to the death of Erwin P. Rinas until June 18, 1984). The Police Department had no reason to protest at this time on any of the applications. On a motion by Trustee David Nigh, seconded by Trustee Donald Mlodzik and unanimously carried by voice vote, the Board declared the public hearing closed.

A public hearing was conducted on the applications for two (2) Combination Class "A" Retail (liquor store) license renewals. There were no objections from the floor to either of the applications as publicly noticed and publicly read by President Gerald F. Stollenwerk. The Police Department had no reason to protest at this time on either of the applications. On a motion by Trustee Howard Laubenstein, seconded by Trustee Paul Blumer and unanimously carried by voice vote, the Board declared the public hearing closed.

A public hearing was conducted on the application for a Class "B" Fermented Malt Beverage License. Mr. Sylvester and Mrs. Ruth Campbell were both present to answer questions of the Board regarding their request. The Police Department had no reason to protest the application at this time. On a motion by Trustee Paul Blumer, seconded by Trustee Donald Mlodzik and unanimously carried by voice vote, the Board declared the public hearing closed.

Motion was made by Trustee David Nigh, seconded by Trustee Mary Krueger to suspend the rules to take action on agenda item IX. C. (Discussion and possible action on the application for Class "B" Fermented Malt Beverage License). Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent."

On a motion by Trustee Paul Blumer, seconded by Trustee Howard Laubenstein and unanimously carried by voice vote, the Board approved the Class "B" Fermented Malt Beverage License for Ruth Campbell, 1526 Fond du Lac Avenue after a brief discussion.

The Public Works Committee recommended postponing the window repair proposal until 1985 for the Wastewater Treatment Plant so money could be budgeted accordingly. The Board concurred with the Committee's recommendation

after review and discussion.

On a motion by Trustee David Nigh, seconded by Trustee Paul Blumer and carried unanimously by voice vote, the Board approved the sidewalk mudding and installation of new sidewalk request by Superintendent Albers for around the tanks at the Wastewater Treatment Plant. The estimated cost would be not to exceed a figure of \$1,300.00.

On a motion by Trustee Mary Krueger, seconded by Trustee David Nigh and unanimously carried by voice vote, the Board approved the applications for Operator's (bartender's) Licenses upon proper payment of fee and authorized the office to issue said Licenses as follows:

David Amerling, 1196 Brooklane Drive, #1, Kewaskum, WI
Victor Backhaus, Hwy. 28W, Kewaskum, WI

Lorraine L. Tepper, Rt. 2, Hwy 45, Fire #677, Campbellsport, WI
Beverly Rohlinger, 1255 Brooklane Drive, Kewaskum, WI

Note: the Police Department had no objections to any of the applications.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Donald Mlodzik and unanimously carried by voice vote, the Board authorized the office to issue the building permit for the razing of a garage and attaching a new garage to the home at 1175 Parkview Drive, for James Schaub. The permit application was approved by the Building Inspector and the Zoning Administrator. The permit to be issued after payment of fees is received.

Administrator Schmidt passed out the May 31, 1984, balance sheets for the Board to review.

On a motion by Trustee Paul Blumer, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the Board approved the payment of bills as recommended by the Administrative Committee. The total of all claims as recom-

mended are as follows:

Village Gen. Fund \$52,619.30
Water Dept. Fund 7,806.56
Sewage Dept. Fund 7,964.69
TID Fund 17,564.15

On a motion by Trustee Donald Mlodzik, seconded by Trustee Howard Laubenstein and passed by the majority by voice vote (Trustee Mary Krueger and Trustee Thomas McElhatton voting against), the Board approved the SCHEDULED OF PERMIT FEES as recommended by the Administrative Committee and will go into effect July 1, 1984. Noting one change regarding the proposal of the Wisconsin Uniform Code Association that being item "H" remaining at \$10.00. The SCHEDULE OF PERMIT FEES is on file and posted as of June 8, 1984, at the Municipal Building.

On a motion by Trustee Paul Blumer, seconded by Trustee Howard Laubenstein and unanimously carried by voice vote, the Board accepted the recommendation of the Administrative Committee to transfer Kelly Scannell into the part-time police pool from the Auxiliary Police Group.

Trustee Paul Blumer, Chairman of the Public Services Committee, reported on the Committee meeting held at 7:00 p.m., June 4, 1984, regarding recycling. Trustee Blumer reported that Tony Peters from the town of Trenton informed the Committee on how they are handling the recycling of different items. The Committee took no action, but noted they would continue to follow the county-wide proposals on recycling and the Trenton program.

Trustee Thomas McElhatton, Chairman of the Park and Recreation Committee, reported that 200 swim passes have been sold to date and that the beach is scheduled to open June 8, 1984, at noon.

On a motion by Trustee David Nigh, seconded by Trustee Thomas McElhatton and unanimously carried by voice vote, the Board accepted the bid of Jack Walters and Sons, Inc. to reside and insulate the Village Garage at 1002 Fond du Lac Avenue at a cost of \$22,491.00. The office was authorized to enter into a contract for the work and it was noted the money had been budgeted to do the work.

On a motion by Trustee Donald Mlodzik, seconded by Trustee Mary Krueger and carried unanimously by roll call vote, the Board approved the following application for Combination Class "B" Fermented Malt Beverages and Intoxicating Liquor Licenses for a period commencing July 1, 1984, and ending June 30, 1985, upon payment of the required fee. The Police Department didn't have any objections and the office was authorized to issue the proper licenses. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent."

In the name of
THE PEOPLE OF THE VILLAGE OF KEWASKUM,
WISCONSIN
this

Proclamation of Appreciation

is presented to

DOROTHY ESSER and PATRICIA COULTER

In grateful recognition of Dorothy's 16 years and Pat's 13 years of faithful and efficient public service rendered to the Village of Kewaskum, Wisconsin.

The Village of Kewaskum is proud indeed of your record as School Crossing Guards. In no small measure has your job performance enhanced the fair name of the Village of Kewaskum. Successive Village Boards and those School Children you have assisted over the years have realized fully that your loyalty and dedication as a civic employee is one you may be proud of.

We, therefore, on behalf of the Village Board of the Village of Kewaskum, Wisconsin, issue this PROCLAMATION, in appreciation of your long and honorable record of service with this Village.

By order of the Village Board of the Village of Kewaskum, Wisconsin, this 4th day of June, 1984.

Slinger Youth Winner in Citizens For Decency Essay Contest

Joel Burrow, Box 111, Slinger, has been announced as the winner of first place in the essay contest on "Harmful Effects of Pornography" sponsored by the West Bend Citizens for Decency Through Law, Inc.

Burrow's winning essay follows:

Pornography, what is it? Most people you ask would say, "It doesn't hurt anyone." Anyone who says that, or thinks pornography is essential in a person's life, to have "lived it to the fullest," needs to open his or her eyes and see reality. Pornography is 100% harmful, and in some cases deadly. It isn't something that should be taken lightly, but everyone should realize that it is a very real and widespread problem that has to be dealt with and guarded against.

Our government has not fully realized the problem, for they pass bills against pornography not on the basis of obscenity and all moral principles, but because in some cases it is harmful to children. Innumerable businesses dealing with pornographic magazines and such places as "The Creative Corps," "M/C Publications," and "male order sex files," from the U.S. and other countries, greatly magnify the problem of widespread pornography. It takes organizations such as CDL, organized by Charles H. Keating Jr. in 1958, to stop pornography.

Pornography is a moral poison affecting the whole country. It reaches an estimated traffic of 2 to 3 billion dollars a year. It is a corrosive social force that undermines the moral fiber of the community and the nation. Many nations down through history have sickened and died when moral depravity grew rampant and uncontrolled. It is a fact: A nation which doesn't control pornography and the society's good moral standards doesn't survive. It debases human life power of human life itself. Demean life power and you demean the gift of life itself. It is a constant and driving attack on the familiar character of true human social expression. When pornography is publicly tolerated and is a pervasive reality in the media of communications, the family is threatened really and fatally.

Incest is also constantly present on our TV broadcasts.

Not just subscription TV has this, but our everyday broadcasts over CBS, NBC, and ABC. When asked about the problem of incest on TV, the president of the CBS Broadcast group said, "They were just bringing it out into the open." Their hidden reason, as probably are all other stations, is to increase their profits, even though they may pollute millions of people along the way who watch their shows. It isn't just a problem. Rather it is an evil that leaves young people scarred for life. To "bring it out into the open" in an entertainment format is the lowest form of moral insensitivity.

Pornographic material has saturated all parts of our country. It has endangered thoroughly the safety of all men and women in their daily lives. Rape and other crimes of aggression have been tremendously increased by soft and hard core pornography, studies show. Pornography isn't harmless fun and fantasy, but is an evil force that people use to justify rape, sexual abuse of children, and the battering of women.

You can't separate one's social morals from the individual himself. This interconnection is not a theory, but is a real fact which causes much suffering and pain in the lives of thousands of people every day, through abuse of this principle. It tends to destroy that relationship and rip down sex from its high position of beauty to an animalish base desire which by instinct alone must be crudely satisfied. Not only is love absent from pornography, but pornography severely hampers and destroys love in people. Pornography is loveless, it degrades the human being, reducing him to the level of an animal. Sex is beautiful when it is used as God planned, it is man who takes God's creation and pollutes, perverts, and eventually destroys it.

A multimillion dollar child pornography industry is driving thousands of children into promiscuity, alcoholism, drug addiction, venereal disease, and premature parenting. This pornography leads children and adolescents to rape, seductions, indecent assaults, and indecent exposure. Pornography completely pollutes the morals of children and adolescents. When they are exposed to such

smut their physical and mental health is stunted. It hurts their social life, causing anti-social behavior and causes them to be angry at, or even sometimes hate someone of the opposite sex. They benefit nothing by pornography, they are only hurt. Pornography is available out in the open in grocery stores, dime stores, etc. where children are readily exposed to it. About two million children were forced into pornography or prostitution last year. There are about 260 magazines using little children.

The Kelly Hulme Memorial Award has been set up in memory of Kelly Hulme, a happy, carefree, 10 year old girl, who lived in San Jose, California. Her parents were active in the community and church, who with their children can be considered the model American family. Kelly Hulme was killed on her way home from school as she cut through a nearby orchard by a 19 year old sadist. CDL dedicates its annual awards for leadership in the cause of decency to the memory of Kelly Hulme. The first annual Kelly Hulme Memorial Award for decency in Entertainment went to Lawrence Welk.

The lack of sexual morals has dropped civilization into "hedonistic confusion" and has led to the "leprosy of pornography." We must protect children from the demoralizing influence of violence and obscenity in the media.

Pornography takes most, if not all of its rage out on children, stripping them of their morals, endangering their every day lives, and inflicting a sickness on their health and the development of their social lives. They should not have to be subject to such abuse.

My closing remarks on this subject can't be found by research in any history book, but should be present in the mind and faith of anyone who is close to his Lord and Savior. Our Lord has given us his Word to follow and obey, many have rejected him. It can safely be

June 20 Is Final Planting Date for Insured Sweet Corn

June 20 is the final planting date for insured sweet corn in Washington County, according to Carl E. Huhndorf, Acting District Director for the Federal Crop Insurance Corporation (FCIC).

"Acres of sweet corn planted by June 20, insured by FCIC (or by a private company reinsured by FCIC), must be reported by June 25 to receive full crop insurance coverage," says Huhndorf.

Acres planted after June 20 should also be reported on the June 25 acreage report (in the "remarks" section) as being planted too late for insurance coverage.

"The final planting date of June 20 is the latest date established by FCIC to plant and expect a normal crop to be produced. Crops initially planted after this date are not insurable unless a late planting agreement is signed by the final planting date," Huhndorf said.

Farmers wishing to discuss local conditions, such as excessive moisture, that may affect planting should contact their local, authorized crop insurance agent as soon as possible.

Consent Forms for Emergency Treatment For Minors Available

St. Joseph's Community Hospital, West Bend, has available a consent form designed for parents planning a trip and wishing to authorize the hospital staff and physicians to provide emergency medical care for their minor children during the time they are away. The form, "Medical Approval and Release for Minors," includes a description of the child's medical history, including allergies, tetanus immunization record, name and relationship of person caring for the child during parents' absence, and telephone numbers where parents may be reached. The completed form should be given to the person caring for the child in the parents' absence. The form should be brought to the hospital emergency room with the child if injured or ill.

If a child is brought to the hospital for emergency care, an attempt will be made to reach the parents or guardian at the telephone numbers listed on the form; however, the signed consent will authorize hospital personnel to proceed with emergency treatment.

In providing this service, we hope to avoid delay in treatment because of inability to locate parents. Forms may be obtained at St. Joseph's Community Hospital Emergency Room.

What's So Great About a Barbecue?

By Joan Hanrahan
Summer Home Economist

With summer fast approaching it's time to gear up for one of summer's most popular activities: the backyard barbecue.

Whatever the details, there is something special about the combination of the outdoors, food and friends. In fact, I suspect that nearly everyone in Washington County will participate in at least one outdoor cookout this summer.

Just what is so great about this popular American past

time?

They're a lot of fun. You can wear your grubby clothes, and you don't have to worry about getting butter on the table cloth. The best thing about them is that you can relax and be yourself.

One reason outdoor cooking and entertaining is more relaxing than the typical indoor sitdown dinner is that the work can be spread out and more evenly distributed. Often the "usual" cook in the household doesn't cook, leaving the grill duties to guests or other family members.

There are no deadlines for having the whole meal done at once. Each person is in charge

of keeping his or her plate filled.

Whatever your picnic preference, there is a variety to suit your situation. June and July means graduation and wedding season, and many Wisconsin families choose outdoor parties to celebrate. These events fall under the plan-ahead category.

Choose food that is easy to prepare ahead of time, that can be refrigerated and still stay fresh, that will stand up to outdoor heat, and that looks appetizing and colorful. You might prepare trays of fresh fruit and Wisconsin cheese (which the whole family can easily help prepare), fresh salads and breads.

If you have a large, covered grill you might consider roasting turkey, fresh ham or whole beef rib. You will need someone to be in charge of roasting, slicing and serving. In most communities, someone has a portable cooker with a spit for roasting whole pigs, which could be a terrific meal for a large group of people.

Depending on how many guests you can accommodate, consider having your party catered. Or consult local caterers or your extension home economist for tips on planning a party for large groups.

Prepare desserts that are easily served and that won't fall apart in warm weather. Sheet cakes are weather tolerant and easy to serve. If you want to show off your pie-making skills, serve fruit pies in warm weather. Cookies, bars or brownies are especially handy because they don't require plates or utensils.

The trick is to serve food that guests can serve themselves, so that you are not constantly distracted from enjoying your guests.

Most of the above-mentioned tips also hold true for the occasional birthday party, family reunion, retirement

party, etc.

Another way to make gatherings of friends and family special is to organize a cookout around a food, event or activity theme. These also require some pre-planning.

For a cooperative shish-kabob party, ask one guest to bring green peppers, another tomatoes, and another onions, etc. You as host/hostess can provide the meat, the marinade, the skewers and the barbecue pit. A delicious easy marinade can be made with equal parts red wine and Italian salad dressing. Once the meat is removed, you can cook rice in the leftover marinade. Everyone, including children, can get involved in chopping and creating masterful shish-kabobs.

Potlucks are another old standby, which allows each guest to prepare a family favorite to share. In this case, the host/hostess can specify the kind of food. Or he/she can leave the kind of food everyone is to bring open to chance.

In either case, however, you should have hot or cold holding equipment to keep the food safe until mealtime and afterwards.

Whenever you feel like hosting a more exotic party, there is almost always a seasonal or event theme, or a theme that fits your mood. Examples include a corn feast during corn season; a post-game cool-down after softball, soccer or a Brewer game; a wine, Wisconsin cheese and sausage party; a "tropical delight" brunch; and kids will really get a charge out of a "Wild West Buffalo Barbecue." Of course, if you like barbecues for the spontaneity and informality, theme parties can take some of that away. Also, the costs of hosting a well-done theme party may take some of the fun out of

it for you, unless you're organizing it with someone else or as a potluck affair.

For true informality, organize a backyard barbecue around an activity, such as volleyball, croquet or badminton. These help keep kids entertained, and adults usually feel better about themselves after exercise, which is especially important after a filling meal.

Outdoor gatherings can be whatever you want them to be. If you especially like the informality, the relaxation, and the simple one-two-three of grilling hamburgers among friends, perhaps you'll want to take some of these good things indoors with you.

For more backyard barbecue tips, contact your extension home economist for extension bulletins relating to picnics, barbecues and food safety.

IN MEMORY

In loving memory of Armin Steffan, who passed away April 20, 1984:

There is never a day so dreary,
But God can make it bright,
And unto the soul that trusts
Him,
He giveth songs in the night.
There is never a path so hidden,
But God can lead the way,
If we seek for the Spirit's
guidance,
And patiently wait and pray.
There is never a life so dark-
ened,
So hopeless and unblessed,
But may be filled with the light
of God,
And enter His promised rest.

Sadly missed by Wife,
Children and Grandchildren.

THANK YOU

Sincere thanks to all who remembered me with cards, gifts, visits, phone calls, and flowers while I was a patient at the hospital and convalescing at home. Special thanks to the nurses on the third floor and the doctors. It was appreciated. Many thanks.

Alfred "Fritz" Kral

Wald Appointed Superintendent Of County Park

John E. Wald has been appointed Superintendent of Pike Lake State Park in Washington County, according to Gloria L. McCutcheon, Southeast District Director for the Department of Natural Resources.

Wald's duties will include the supervision of development, operation and maintenance activities at the park. He is also the Fire Co-op Officer for Washington County.

A native of Iron Ridge, Wald graduated from the University of Wisconsin-Stevens Point in 1971, receiving a bachelor of science degree in Resource Management. He had been acting superintendent at Pike Lake for the past nine months. Prior to that, he had been Assistant Superintendent at Pike Lake.

Wald and his wife, April, live in Hartford. His telephone at home is (919) 644-5248.

Washington County Park System Receives Grant

At a meeting of the Washington County Park and Planning Commission last Thursday night, it was announced that \$10,944 in Federal funding has been awarded for Homestead Hollow County Park in Germantown. The award of Land and Water Conservation (LAWCON) funds was made in a letter from Paul N. Guthrie, Jr. at the Wisconsin Department of Natural Resources which processes the grants for the State.

The development grant will match a similar amount of money appropriated by the Washington County Board to provide for ballfields, playground equipment, new driveway access, parking lot, parking lot lighting, water line extension and landscaping. The 105 acre park on Freistadt Road has been under development by the county since its acquisition in 1977. Hiking trails will remain open during the continuing development work this summer.

In a related development, the Commission was informed that a prairie restoration project was being sponsored by the Germantown Junior Women's Club at Homestead Hollow Park. The project is intended to eventually provide up to six acres of carefully planned prairie restoration for nature study in an area which had been cropped until recently. Taken together with a wildlife pond constructed nearby last year, the southern half of the park is developing into a fine area for environmental study under the direction of Park Supervisor David Kuckuk. The Commission expressed its enthusiastic and grateful support for the project sponsorship and commended the club for its public spirit and concern for environmental education and conservation.

The meeting also commemorated the forty years of service on the Park and Planning Commission of Orrin J. Peters of the Town of West Bend. As a charter member of

the Commission, Peters has seen the acquisition and extensive development of the eight county park properties, as well as the development affairs overseen at the Land Use and Park Department. Commission Chairman David Zoerb and Land Use and Park Administrator Paul Mueller unveiled a sign welcoming the public to the newly named "Orrin J. Peters Reserved Areas," a portion of Ridge Run County Park in the Town of West Bend off of Scenic Drive. Peters responded to the announcement with surprise and gratitude, and said that he was overwhelmed by recent expressions of support for his many years of service to the County. Peters was recently appointed to continue serving on the Commission until 1986.

Lake Maps Available Free to Fishermen

The fisherman who hopes to catch more than occasional straggling bass or walleye will begin by learning something about the lake.

Step one, is the lake map - a hydrographic chart - showing the depths of the lake bottom. More than 2500 Wisconsin inland lakes have been surveyed to date. A new update alphabetical index for these lakes is now available.

The listing can be obtained at no charge, (including 40c in stamps for 1st class mail delivery) by sending name and address to: Lake Map Section, P.O. Box 5096, Madison, Wisconsin 53705.

Safe Boating Requires Planning

The Boating Law Administrator in the Department of Natural Resources, Dale Morey, has a word of caution for canoeists and other boaters who take to the state's lakes and rivers early in the year.

"Water temperatures at this time of the year are cold and anyone planning on doing any boating should dress warmly and be extremely careful as survival time in the water as cold as it now is short."

He also reminded boaters about the requirements to have personal flotation devices on all boats used on Wisconsin waters, and urged that those who are determined to use boats at this time of the year exercise this extra measure of safety, "when afloat, wear your personal flotation device. If your boat should overturn or be swamped, it will increase your chances of surviving.

Boats shorter than 16 feet in length and canoes must be equipped with one personal flotation device (PFD) (of any type) for each passenger. Boats 16 feet and longer must carry one wearable Type I, II, or III PFD in good condition for each passenger plus a throwable

Type IV PFD on board. Examples of these PFD's are illustrated in the Boating Regulations pamphlet available at DNR offices. Wearable PFD's should be the proper size to fit the boat's occupants.

Some other things to keep in mind:

1. Distribute the weight evenly in the boat, and don't overload it.
2. Remember, it is not safe to stand in a small boat.
3. If it is necessary to move about, have only one person move at a time.
4. Stick close to the boat if it should capsize, and resist the temptation to swim to shore.
5. Become familiar with the water you will be on since it may be different in April than it is in August.
6. If your boat requires a registration, be sure the registration is up to date.
7. Don't use alcohol when operating a boat.
8. Be smart...take a boating safety course.

Planning and taking necessary precautions are the keys to having a safe, enjoyable outing.
