## Approve Additional Sports, Activities

### Beechwood Elementary to Remain Closed

By GERRY MUELLER  
Statesman Staff Writer

At Monday's special meeting of the Kewaskum School Board, a motion by board member Ralph Horner stating the Farmington and Beechwood Schools remain open and that they be staffed as they were

during the 1983-84 school-year with the exception of hiring one additional aide at Beechwood, was defeated by a 4 to 3 vote.

The defeat of that motion means the action taken at the board's last meeting, to close Beechwood effective immediately, will stand.

Approximately 85 Beechwood area parents, headed by spokeswoman Clara Trapp and Sue Buechel, were at the meeting armed with pages of facts and statistics which they felt backed up their request to have the board rescind its motion to close Beechwood.

In her opening address to the meeting, Board President Jean Goeden told the meeting that while she understood how the parents felt, she had to base her decision to vote for the Beechwood closing looking at the District on the whole. She noted that while it was one of the hardest decisions she had been faced with in her seven years on the board, it was one that had to be made.

Trapp told the board the school was the heart of the Beechwood Community. It was not just a school but a gathering place for community activities such as the men's basketball and the Twirlettes.

Mr. Pat Schmidt, of the law firm of Quarles and Brady, told the meeting, the board had the authority to close the school and there was nothing in the statutes which required the

board to keep the school open for social functions. Schmidt noted that the board did have the power to deed the building over to the community if so directed by the voters but that action could only be taken at the Annual Meeting.

After an hour and a half's discussion, the vote was taken. Neal Weare, John Spoerl and Horner voting for the motion, and Goeden, Kim Peterson, Lynn Dieringer and Tom Brigham voting against it.

Trapp then told the board she had a meeting with the District Attorney scheduled for July 2nd, and she would seek an order to re-open the school.

In other business, the board acted on four recommendations presented in a report from the Extra Curricular Activities Committee. The board approved the addition of High School Boys Tennis for 1984-85, a Debate Team, Ski Club and an Olympics of the Mind program. The board, however, defeated a recommendation for a Girls Middle School Volleyball team.

Business Manager Baird Stouffer presented a revised

### Reunion of Navy Battalion Hosted By Local Couple

The 12th annual reunion of the 136th Navy Construction Battalion of World War II met at Howard Johnson's Motel, downtown Milwaukee, from June 19 thru June 23. Forty members were present from all different states.

On Wednesday, June 20, a Memorial Service for departed members was held at Zion United Church of Christ, Wauwatosa, with Rev. Dan Schowalter officiating. Taps was played by Connie Nigh of Kewaskum. Rev. Schowalter is formerly of Kewaskum and was pastor of Peace U.C.C.

Merv Thompson was elected Commander of the group for 1984-85. Merv and Pearl Thompson of Kewaskum were host and hostess for the event this year. The reunion is held in a different state each year.

Pearl is president of the 136th Auxiliary.

### Kewaskum AFS Student Leaves for Bolivia

Oruro, Bolivia, will be the final destination for Denise Lustig, a KCHS in-coming senior, as she travels abroad on the AFS Americans Abroad program. She left on June 22. Denise was accepted as a finalist and then notified in May that she will be living with Mr. and Mrs. Rodolfo Noys and their three children in the city of Oruro.

Mr. Noys is a mining engineer at the University of Oruro and his wife is a secondary school teacher. Denise found out more about her host family in a rather unusual way: one of the AFS students living in Howards Grove, Wisconsin, this past year is from the same city in Bolivia, and in fact, lives only a few blocks from the Noys family. She said Mrs. Noys had been one of her teachers and that the family is very involved with AFS in Oruro. Denise will attend school while there since this is the winter season in

South America. Denise will be attending a "German School," but classes are held in the Spanish language.

Denise has been active in the Spanish and AFS clubs at KHS and works at the Bucks-Kinn Family Restaurant in Fredonia. Denise has lived in several other states besides Wisconsin, including Pennsylvania, Texas, and Oregon, so she takes with her a diverse knowledge of the United States. With all her travel experiences, it's not surprising that Denise hopes to become a flight attendant after finishing school. She is the daughter of Mrs. Sandra Schmidt, Hwy. A, Kewaskum, and Mr. Gerald Lustig, Texas.

Denise will return to Kewaskum on August 26 and will be available after school starts to speak to area groups and classes about her Bolivian adventure. Her address in Bolivia will be Calle Caro 956, 704 Oruro, Bolivia.

### Local Men Win National U.S. Jaycees Honors

Two local men received national recognition from the United States Jaycees June 19. Richard Thiemer of Kewaskum won the Clint Dunagan Award presented to the top twenty regional directors. Phil Fellenz of Kewaskum won the M. Keith Upson Award presented to the top thirty district directors. Their entries were approved and submitted by Wisconsin Jaycees President John Davies.

Fellenz competed against a group of candidates from across the country. Each of the candidates had previously been recognized as one of the top three district directors in his state. There are close to 800 district directors in the U.S. Jaycees.

The twenty Dunagan awards and thirty Upson awards were presented at the 64th Annual Meeting of the leadership training organization held June 18 to 21 in Atlanta, Georgia. The Dunagan award is named in honor of Clint Dunagan, a Texas Jaycees state president who died in a plane crash in 1956 at the age of 37. The Upson award is named in honor of M. Keith Upson, a U.S. Jaycees vice president who died in 1958 of diabetes.

### Here Tuesday, July 3

The annual Fourth of July holiday fireworks display will be held in Kewaskum River Hill Park on Tuesday evening, July 3. The annual event is sponsored by the Village of Kewaskum under the supervision of the fire department.

This year there will be a super fireworks display in honor of the Kewaskum Fire Department's Centennial Celebration.

The dazzling fireworks will be set off at dusk from the west side of the Milwaukee River. Spectators on the park hill across the river will have the best view of the electrifying fireworks, which will include ground displays of color and light and thunderous aerial bursts and sprays illuminating the sky.

The park will open at 6:00

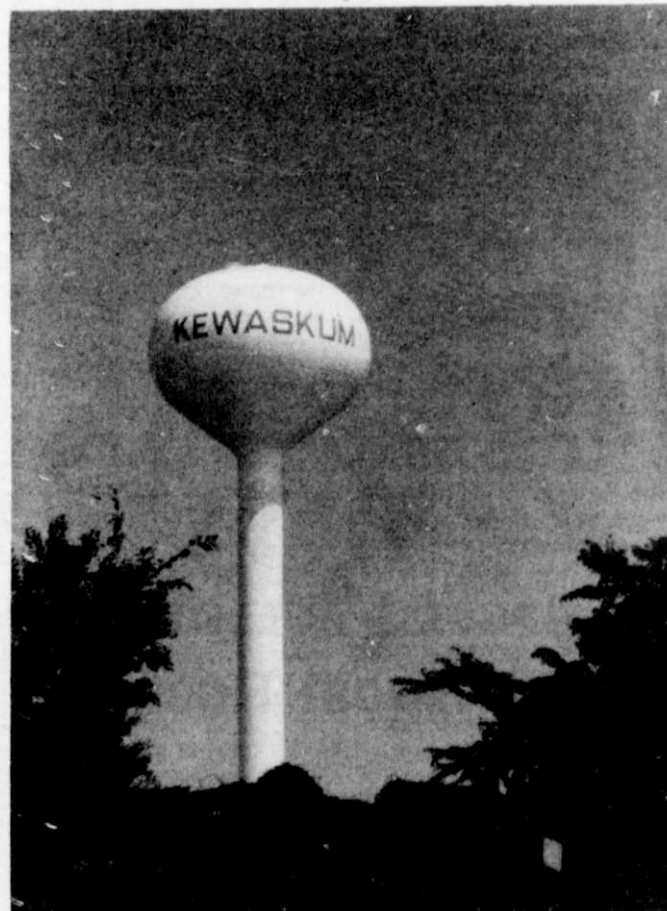

p.m. and food and refreshment stands will be in operation at that time. Hamburgers, hot dogs, popcorn, beer, and soda will be available. Live music will be provided from 7:00 p.m. to midnight by Danny and the Sunliners.

All residents of Kewaskum and surrounding area are invited to add some "spark" to their holiday celebration by attending the breathtaking fireworks spectacular. Come early and enjoy the entire evening.

In the event of rain the fireworks will be held on Wednesday, July 4.

The firemen's Centennial Celebration will be held on July 7 and 8, with a parade of antique fire equipment at 2 p.m. Saturday and a mammoth parade at 12 noon Sunday.

### Kewaskum's New Water Tower

Kewaskum's new well #3 now boasts its bright white water tower with bold green letters proclaiming you have arrived in the Village of Kewaskum.

The completion of the tower's painting may have cut down on the village's speeding ticket revenues this week as people driving into town on the south side seemed to automatically slow down to take a look at the shining giant which rises high above the village's skyline.

## Bohn Elected Secretary of State Insurance Agents

APPLETON, WI — The Professional Insurance Agents of Wisconsin 35th Annual Convention lived up to all expectations and the theme, Independence Forever, was apparent throughout. The annual business meeting heard F. Wayne Bowman, FMS, Omaha, Nebraska, National PIA President, warn the agents that continued pressure must be brought to bear on the national level to stop the onslaught of the Federal One Bank Holding movement. It will be a tough and continuing battle, but one which can be won.

Executive Secretary, E. Stony Steinbach, CAE, Mayville, reported record high membership and participation of all association benefits.

Keynoting the convention was former Wisconsin Governor Lee Sherman Dreyfus, "American Independence - A World Mission."

At the annual business meeting David M. Dunker, FMS, Wauwatosa, was elected president; Dean A. Brown, CIC, Wisconsin Rapids, Vice President; Gene Bohn, Kewaskum, Secretary; Paul J. Polaski, J.D., Wauwatosa, Treasurer. Elected to three-year director terms were immediate past president Jerry B. Mason, CIC, FMS, Ft. Atkinson; Gene Drumm, CIC, Kiel; Michael G. Durante, CIC,

West Allis; and Robert C. Ristow, CIC Galesville.

Awarded the coveted Agent of the Year Award was Ken Kaufman, Palmyra, Wisconsin. The Field Person of the Year Award went to Lloyd Breitsprecher, CIC, Mosinee, Wisconsin, Fieldman of Iowa National Mutual Insurance Company of Cedar Rapids, Iowa. The recipient of the Chair Person Award is Dean A. Brown, CIC, Wisconsin Rapids, Wisconsin, for his work as chairman of the Education Committee.

William T. Hold, Ph.D., CIC, CPCU, CLU, Austin, Texas, was on hand to confer 35 new Certified Insurance Counselor (CIC) degrees.

Highlighting the convention was a panel of ten domestic company presidents on a "Face the Agent" panel. The encounters were frank and candid, and it shortly developed that cooperation is a two-way street. It seems each company president had a little different view on what the problems were, what causes them and how they can be solved. Whether they represent a small, medium or large company, each was confident that the Independent Agency System would survive, which bore out the theme, Independence Forever.

preliminary budget for the 1984-85 school year. The proposed budget has a price tag of \$5,896,107.00, a 10.47% increase over the 1983-84 budget of \$5,337,238.25.

Stouffer noted the board had recommended a 5% ceiling on spending increases for such items as equipment and supplies over the 1983-84 budget, but wage and benefit increases awarded in the various contract settlements brought the proposed budget increase up to the 10% figure. In his report, Stouffer indicated the 1984-85 tax levy would increase 11.7%, equalized value 3%, and the levy rate 8.5%. Goeden asked what this would reflect on a property owner's tax bill. Stouffer said that would represent an increase of 89¢ per \$1,000 of assessed valuation.

District resident Warren Schmidt told the board, in comparison to the federal government, they were

"pikers" with their 11.7% increase, but if they expected that budget "to fly" they were in for a surprise. Board member Tom Brigham then asked Schmidt, "what kind of an increase, in your words, would fly?" Schmidt said, possibly 4.5%, the same level as the rate of inflation.

After some further discussion of the budget, the board asked Stouffer to prepare a simpler, more clarified report of the proposed budget for the July 9th meeting. The members felt Monday's report was confusing and didn't allow them to follow the appropriation of funds through to the various accounts. Several of the board members felt if they had difficulty with the report the district taxpayers would also.

Open Letter to Residents  
of Kewaskum Community  
K-12 School District  
June 26, 1984

Last evening the school board voted to deny the rescinding of the vote taken on June 11 to close Beechwood Elementary School effective with the 1984-85 school year. I would like to express my views on this decision and the manner in which it has been reached.

At last night's meeting I witnessed mud slinging, hostility and emotional fireworks between district residents and school board members that makes the Congressional debate of the MX missile look like a church social. This is no atmosphere in which to make a decision of this magnitude.

A remark by one school board member implied that the members of the Beechwood School area were pursuing "special interests." This is true. The Beechwood School IS a special interest of that community, the same as the Beechwood Fire Department, the preservation of Beechwood Lake, and the recreational facilities maintained by the Beechwood Athletic Club, to name a few. I challenge any resident of this district to show me that he or she does not have a "special interest" in at least one thing in their community. However, I contend that this interest is special, but it is not selfish, as many board members would have the district believe. The Beechwood community is seeking sufficient documentation, satisfactory evidence, and further research for alternatives to this decision. I do not find this desire to be unreasonable or selfish in nature.

I recommend that a comprehensive study be performed by a bipartisan group consisting of the following:

- One teacher representative
- One board representative
- One independent representative from outside of the district
- One representative from each of the following areas:  
Beechwood  
Farmington  
Kewaskum  
Wayne

This study should be completed expeditiously, with a deadline being set for presentation of findings and recommendations to the school board, and all information should be disseminated throughout the electorate of the district. After dealing with the immediate problem at hand, I would have the same group research alternatives for the entire district in order that we may set goals for long range planning purposes. This would be a time consuming process, but the alternative is the undesirable situation we are faced with now - enraged district members, slanderous accusations born of mistrust and misunderstanding, and vindictive parents who do not even know at this moment where their children are going to school two months from now. It is inevitable that the present conditions, if left unaltered, will result in repercussions in the district for years to come, in ways and areas that we can only hypothesize about today.

This absence of effective communication and cooperation is causing untold and un-

necessary damage to the unity of the district, and I would feel justified in holding the school board responsible for this damage if efforts are not made to remedy the situation. The Beechwood area people were accused of being a "special interest" group, as previously mentioned. Maybe, then, the rest of the district should be labeled as a "no interest" group in this case. The Beechwood area people were chastised by some board members because they were not, in the board members opinion, thinking of the district as a whole. It is obvious to me from personal observation that, except for a few individuals who have shown an ongoing interest in this matter, and who are from outside the Beechwood area, the overwhelming majority of the district residents do not give a damn at all about how the closing of Beechwood Elementary School is being handled. They seem content, as usual, to let the board run the district at their own discretion until some action will affect their own community or personal lives as the closing of this school has so significantly affected the lives of Beechwood area residents.

Regrettably, I must admit that the guilt of apathy must be shared by this person also. However, this experience has shown me the importance of ongoing positive input and involvement by all citizens in the workings of the school board. I intend to participate on a more regular basis in the future, and I hope other people feel likewise.

Although I am not at present a member of the Kewaskum School District, I attended grades 1 through 8 at Beechwood Elementary School, and I graduated from Kewaskum High School in 1970. I represent a business in the village of Beechwood which contributes substantially to the district tax rolls. Furthermore, it is my intention to move my wife and three young children into the Beechwood area in the near future. It is for these reasons that I feel qualified, entitled and impelled to speak out on this matter.

In closing, I urge all of the people of the district to get involved TODAY, and to BE involved TOMORROW. I urge these same people to contact school board members to support the reopening of Beechwood Elementary School for the 1984-85 school year, and the development of a committee of volunteers to research and plan for the future of the entire district, beginning with a sensible, rational, acceptable policy toward the immediate disposition of the Beechwood School.

Respectfully,  
Lee Rammer

.....

June 26

To the Taxpayers  
and Especially Parents  
of Kewaskum School  
District Children:

I attended last night's special budget hearing concerning the rescinding of the motion and to reopen the Beechwood School. I am more frustrated and in turn more determined to find out the real reasons behind the closing

of Beechwood School.

The 4 members of the school board that voted yes to close it, Goeden, Peterson, Dieringer and Brigham, refuse to accept any facts and figures that have been brought up by the Beechwood people. They are strictly going after the saving of \$40,000. This again is a debate-ful amount.

At last night's meeting, I presented a report on the student teacher ratios of the entire district for the last 8 years. Our student enrollment has been going steadily down but the teacher enrollment has been going up. The school board has approved the hiring of 4 additional teachers for the 84-85 school year at an approximate cost of \$80,000. However, this same administration feels it necessary to close Beechwood School to save \$40,000 or less.

If the administration and board feel that number of teachers or more are necessary for "quality" education - it just seems to me that small local schools are also "quality" education and the board should be able to find the \$40,000 to keep Beechwood open. We the parents and taxpayers of the Beechwood area feel very strongly that the small local schools with minimal bussing is traditionally a quality educational experience.

I also presented studies that have been done by educators on various topics, one of which was entitled "Why Communities Protest School Closings," Michael A. Berger did in March 1982. In this study, a man by the name of Eisenberger in 1974 had made this comment. "Technical planning and accurate data gathering are not enough. School officials need to let the community know they value their involvement, enlist the support of community opinion leaders, and establish district-wide, broadly representative task forces to engage community leaders in helping to plan for decline."

Yet Goeden has stated in the Milwaukee Journal that she does not support the idea of a task force. WHY NOT? I've talked to many people that believe the only way to decide what should be done is to have a task force composed of a variety of people from the district. They should check into any and all aspects and then present their findings to the board for their decision. The board has approved many special committees before, why not now?

They plan on not heating the building. I am asking you as taxpayers to think of the money that will be wasted when they have to come in two years and bulldoze down the building. It is a brick and glass block building with a cement slab foundation. When questioned, Mr. Boelke, our maintenance manager, stated that studies have been done saying he could maintain that building with no heat and not have damage.

If they board up that building with no heat, I feel we should hold the school district maintenance man and each school board member that voted to close it responsible for any damages that occur having to do with that brick building. If we lived in a warmer climate then maybe you can get away with not heating it, but the last time I checked that building was still in Wisconsin.

What kind of business are we in? Is it the education business

or the banking business? Are they more concerned about the money aspects or the education and welfare of the children of the school district? Their purpose as a board is to provide the best education for all children of the district. They have not proven to me that my child is not getting the best education by attending Beechwood School, in fact, they have not even tried to prove it to me.

A Very Upset Taxpayer,  
Sue Buechel

.....

This is the letter we sent to all the school board members prior to Monday night's meeting.

Dear School Board Member,

We are asking you to rescind the motion of June 11, regarding closing Beechwood School. Please re-open Beechwood School with an aide for approximately \$7,000.00. We do not feel that this is very much, considering how much it will cost to bus the Beechwood children all to other schools.

We have asked school board members why they voted to close Beechwood School. The answers were from—because it came up, to economics. The most interesting part was—no one considered the children. As school board members, we would think your foremost view should be the children.

DID YOU KNOW? Beechwood enrollment is up? It may be 96 this fall. Capacity is 64%? If you count the music/art room and library? But if these are both used for classrooms, there wouldn't be music, art or a library. Without counting these rooms, capacity is 96%? However, you could combine music/art/library—have an extra teacher, 5 classrooms at 25 each capacity 125, library is used every morning for Title 1 Classes? Music/art room is used for speech class two mornings? And extra kindergarten activities? Library & music/art room are used by other classes for extra projects? Music/art room is used in the afternoons?

Monday and Friday for music, Thursday for art. That the library help at Beechwood is all volunteer?

WHEN YOU CLOSED OUR SCHOOL, YOU ALSO TOOK AWAY OUR COMMUNITY CENTER. Baton classes meet every Tuesday evening during the school year. Brownie/Girl Scouts meet every Thursday after school. CPR Classes have been held there. 4-H Club has met there. Men practice basketball in the gym on Sundays during the winter. Summer baseball teams have games on the school grounds. Summer library program began last Tuesday morning. 24 children came to check out books. 17 more children are signed up. Theme this summer is like all the city libraries—"Hats Off to Kids" - each participant received: badge, book mark, a maze or word search, contract to how many books they will read—fulfill contract—library certificate, and a free sundae at Dairy Queen. Halloween Party—preschoolers through sixth grade. 6:30-8:30 p.m., Thursday of Teachers' Convention, costume judging, play six games, bob for apples, go through the haunted house, see a short movie, eat popcorn, ice cream, cooky (donated), and have an orange drink. Sponsored for years by the Beechwood Fire Dept. Auxiliary and recently Beechwood PTO joined in sponsoring. Use of gym and several other rooms. No other buildings in the area large enough to house this activity.

IF THE SCHOOL IS CLOSED—WHERE WILL ALL THESE COMMUNITY PROGRAMS MEET? Where will our library program be next year? Every year, our students have their prize winning art projects entered in the Sheboygan County Fair. As residents of Sheboygan County, our children are entitled to this privilege. With Beechwood School closed, how will this tradition be continued? With the school closed

are you narrowing each child's (not just Beechwood, but Farmington, and Kewaskum, also), chances to win: Art Student of the Month, Spelling Bee.

**WE NEVER COMPLAINED ABOUT:** Two grades in one room, we feel it is an asset. When St. Michaels School closed—Farmington was overcrowded, Beechwood had to shuttle bus to relieve overcrowding. Having to pay for a new school or an addition to every building in the district. What did we do to deserve getting our school closed? We do not feel you have studied this situation. You have committees for graduation requirements, extra-curricular activities, scholarship, support staff, etc. But something as major as closing a school, there isn't any study. Beechwood has asked for and never got even an answer on: figures on Beechwood School costs. Have extra children bused into Beechwood from northern Farmington area and north of New Fane. But this couldn't be done. Yet now our whole area can be bused. You have accepted the figures one tax payer has complied. These are the ones you used to close our school.

**YOU SHOULD TAKE INTO CONSIDERATION.** The economy is beginning to go up. Housing will begin again. There are many housing areas in the district. The Hwy. 45 by-pass will be completed in two short years. We feel for these reasons closing any school at this time is premature.

**BY CLOSING BEECHWOOD SCHOOL YOU:** Aren't going to save a teaching position. Putting more students in Kewaskum Elementary or Farmington Elementary you may need more teacher positions. You will take away any extra activity areas in those schools. You will put a burden on the staff with extra children. They will all be in a more confined area. Also, if there is extra room in Kewaskum Elementary, why are the aides desks in the hallway? If there is space, why aren't they in a room?

**Goeden - Dreher**

The marriage vows of Wendi Jean Goeden and Randall John Dreher were blessed during a Friday, May 18th ceremony held at St. Lucas Lutheran Church, Kewaskum. The bride was presented in marriage by her father.

Music for the ceremony was provided by the organist Mrs. Paul Hoenecke, guitarist Dennis Reha, and singers Mr. and Mrs. Rod Bohlinger, Pat Mueller and John Walt.

Parents of the couple are Mr. and Mrs. Willard Goeden of St. Michaels, Mrs. Mary Dreher Lecher of West Bend, and Merlin Dreher of Kewaskum.

Candi Goeden, sister of the bride, served as maid of honor. The bridesmaids were Tracey Schaub, Cathy Ebert, Jean Dreher, Sharon Serwe, Lisa Guell and Jane Batzler, all friends of the couple.

The groom chose his brother, Mike Dreher, as his best man. The groomsmen were Dave

Goeden and Don Goeden, brothers of the bride, Chuck Dreher and Jeff Dreher, both cousins of the groom, Bruce Halfmann and Dennis Junk, both friends of the couple.

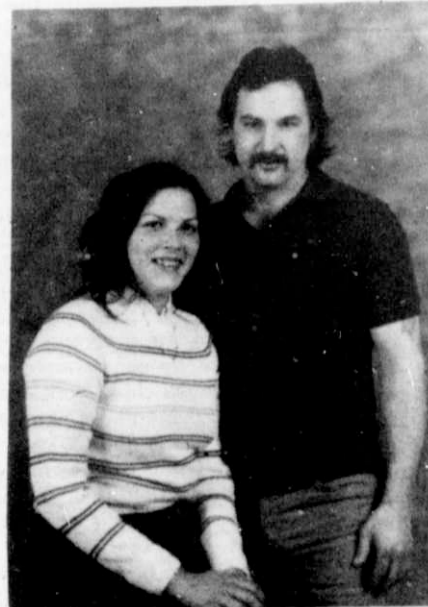

Nanci Goeden, sister of the bride, and Shelli Dreher, sister of the groom, served as usherettes. Dan Bobholtz, uncle of the bride, and Jim Staehler, cousin of the groom, were the ushers.

Following the ceremony, a reception, dinner and dance was held at The Amerahn, Hwy. 45 N, Kewaskum.

Wendi is employed as a cosmetologist at Family Hair Salon, Kewaskum, and Randy is employed at Jack Walters, Allenton.

Wendi and Randy are now residing at 1225 Midland Ave., Kewaskum. They would like to sincerely thank all their many relatives, neighbors, friends and classmates for sharing their special day.

**Promotion Emphasis Highlights  
AMPI Women's Meeting**

AMPI women, left to right: Nancy Rodenkirch of rural Kewaskum, Kathy Michaels and Sharon Karrels.

APPLETON... "This year will be remembered as the Year of Dairy Promotion," according to Susan Fridy, Director of Consumer and Nutrition Programs for National Milk Producers Federation and keynote speaker at the 1984 annual meeting of Associated Milk Producers, Inc. Women. "Promotion can and will bring progress to the dairy industry." Fridy went on to challenge the National Dairy Promotion and Research Board, calling for a balancing of some of the

general misinformation circulated about dairy products through considerable spending on nutritional messages. "Americans are interested in health and fitness," stated Fridy. "We need continued effort to sell the concept of sound nutrition."

Fridy viewed the National Dairy Promotion and Research Board as one part of the success story of the Dairy Diversion Program in effect since late last year. "The dairy industry in reunited," Fridy stated, "It is

working together to bring this legislation to bear fruit. This unity is success in itself."

Regarding the results of the national program, Fridy reported, "We now have the numbers to back us up. Milk production has been down every month since the program started. Cow numbers are down. And in April, CCC purchases were down over 50%."

However, as a registered lobbyist for the NMPF group, Fridy related her concern over what she feels is a prevailing attitude in Washington D.C. "The attitude of anti-price supports remains. We must overcome those who would eliminate or at least reduce the price support system of major agricultural commodities."

"Dairy policy is not just developed within the USDA. Instead we are impacted by the decisions of other governments agencies and outside groups," Fridy warned. "A successful dairy diversion program won't, by itself, assure positive language in the 1985 Farm Bill."

Election results at the 10th annual meeting of the AMPI Women included the re-election of President Ardath De Wall,

Shannon, Illinois, and Treasurer Connie Julka, Malone, Wisconsin. Also elected was 2nd Vice-President Betty Kessler, La Porte, Indiana.

Over 120 women attended the two-day conference which also included breakout sessions moderated by Leland Anderson, Mid-States Regional AMPI Manager; Jarold Glick, AMPI Cheese Sales; and John Biese, Jr., Outagamie County Ag Agent.

Area women attending the AMPI Meeting were: Kathy Michaels, Sharon Karrels, Nancy Rodenkirch and Janet Panzer.

**Everglades Presented Award  
by Dairy Farm Women**

Bob Johnson

Bob Johnson of Everglades Supper Club, New Prospect, received a gift from the Associated Milk Producers, Inc. Women in recognition of their continued support of the dairy industry.

In 1982 the restaurant was presented the "Cream of the Crop Award" by the AMPI women in appreciation for their consistent use of real dairy products. Now the women's group is launching a new campaign using the "Something Special for Wisconsin" theme developed by the Wisconsin Department of Agriculture, Trade and Consumer Protection. A set of glasses imprinted with "Enjoy milk... Something Special from Wisconsin" have been presented to each previous "Cream of the Crop Award" winner to kickoff the new promotion.

The AMPI women hope to increase restaurant sales of milk

by reminding consumers, through the use of the new glassware, that milk is "special" with any meal.

The glassware is available to restaurants throughout the state. The theme was selected because it builds awareness of milk and promotes milk sales.

Since 1975, the AMPI Women of Wisconsin have been promoting the sale and use of dairy products and working at developing a better understanding between farmers and consumers. The group now has 35 active districts in Wisconsin involved in consumer education and promotional projects.

Bob and Dorothy are serving their milk in these cold glasses during June Dairy Month. They have purchased additional glasses and are doing a terrific job.

Thank you Bob and Dorothy for your support, from AMPI Women District 7-D.

The names of the five Great Lakes can be remembered through the use of the mnemonic device: H-O-M-E-S. Huron, Ontario, Michigan, Erie and Superior.

## Kohlsville/Wayne Jaycees Host Farm Olympics

Six competing teams from Wayne, Kohlsville, Campbellsport and St. Anthony, took part in Farm Olympics sponsored by the Kohlsville/Wayne Jaycees in conjunction with June Dairy Month.

The event, held at the Hitching Post in Kohlsville, consisted of the Bale Throw, Two-Man Log Sawing, Round Bale Roll, Horseshoe Pitching, and an obstacle course.

Overall winners in the team events were The Corral, St. Anthony, receiving first prize of \$60; Hitching Post, second prize, \$40, and Barney's of Wayne, third prize, \$20.

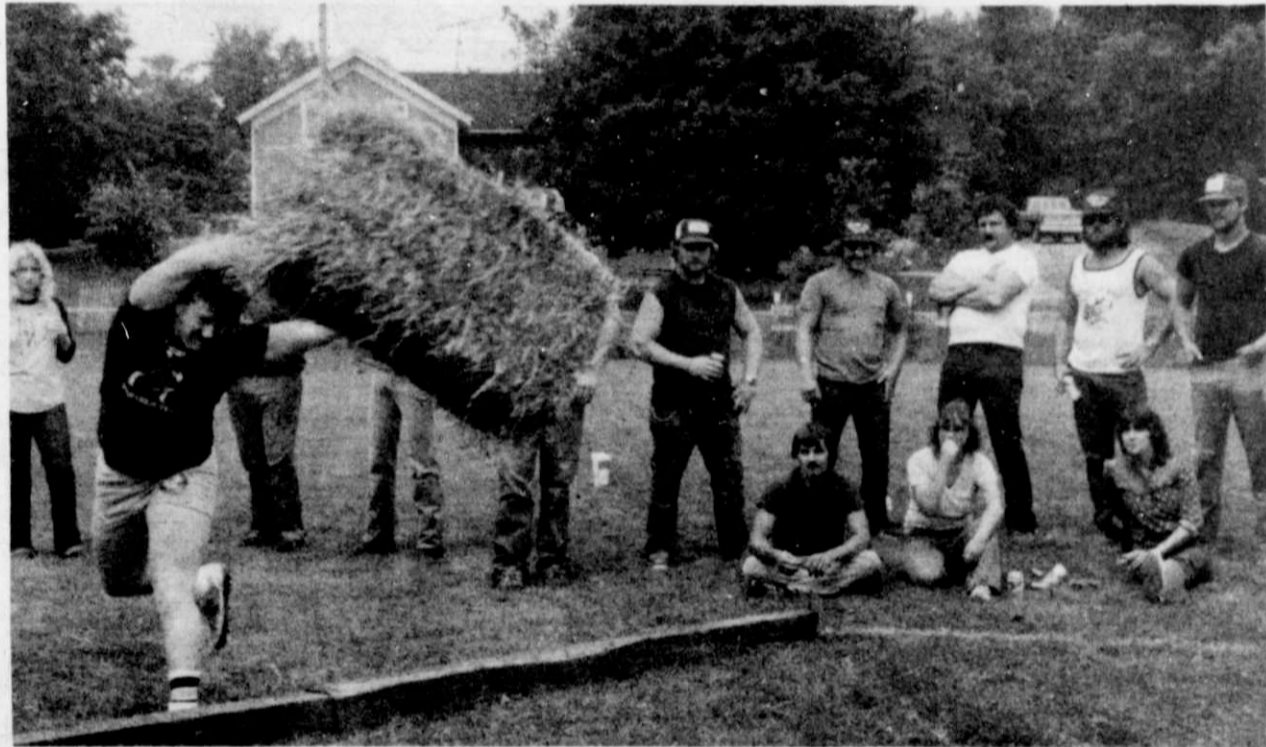

Steve Guelig of the Campbellsport Jaycees took the honors in the bale throw with a toss of 33.6 feet. In the two-man log sawing, contestants soon found the hearts and minds were willing but the arms were weak.

Pat Hanrahan, president of the K/W Jaycees, said 10% of the day's proceeds would go to the RIF Project (Reading Is Fundamental), which allows his group to specify where the donated funds are to be used. He said the money would be directed to the Wayne Elementary School for the purchase of books and magazines.

The Wayne Crusaders 4-H Club had a dairy display featuring samples of various cheeses and dairy products.

Jim Gullickson of the "Corral" team. His toss of 33.6 feet was tops in the bale throw.

Bale thrower John Swanson, Kewaskum High School football star, a member of the Barney's Tavern team.

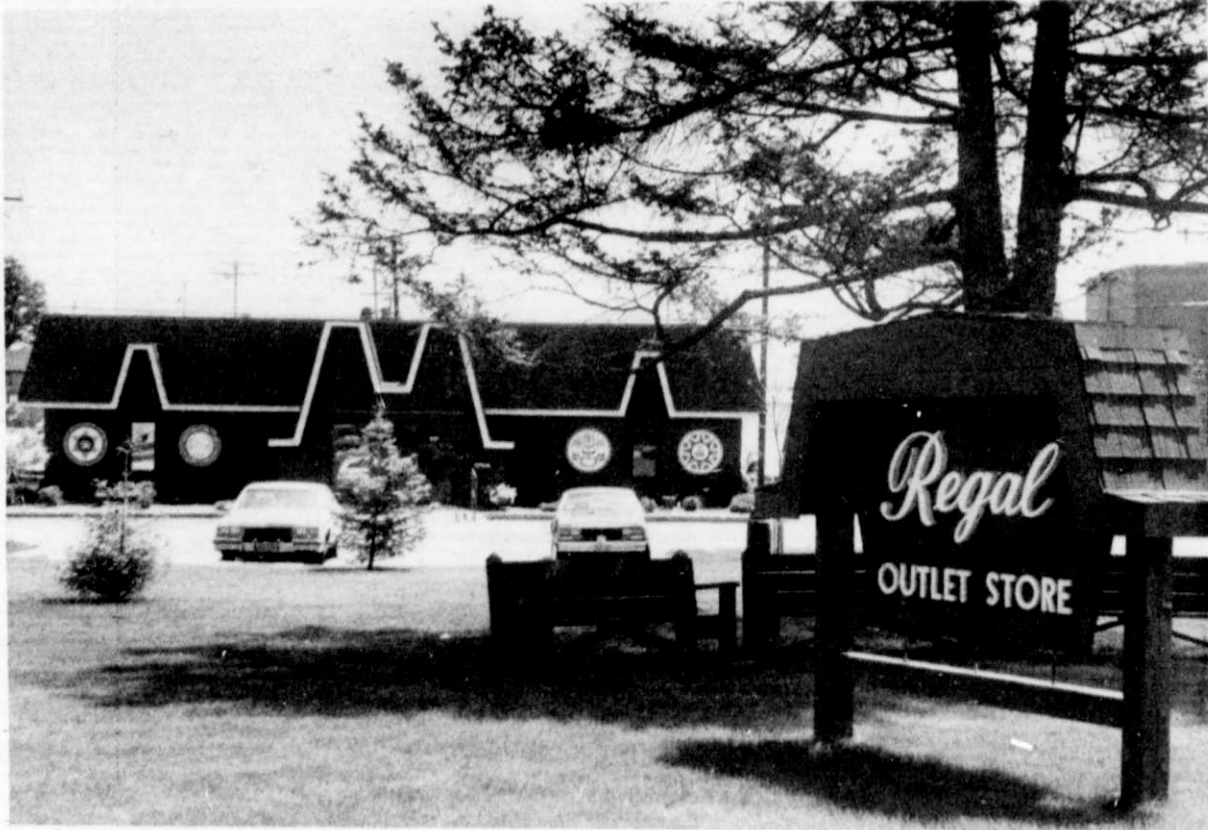

Art Hall, left, and Dan Sarauer of the Campbellsport Jaycees Team compete in the crosscut saw log cut event.

## Chamber of Commerce News

The Annual Chamber of Commerce Meeting, for all Chamber members, will be held Wednesday, July 11th, at 7:30 at the Valley Bank. The speaker for the evening will be Wayne Corey from the Wis. Independent Business Association. He'll be talking on "Legislation-on How It Affects Your Business." Four Chamber Board members' terms are up on the board, according to the alphabetical order policy set up last year. The new companies will be Bier's Jewelry, Bonnie Belle, Gina's and the Glacier Inn. Valley Bank will be providing lunch and there will be a regular board meeting following the Annual Meeting. Hope to see you there!

Earl Kleinke from the Amerahn won the 2 "Brewers Nite" tickets for bringing in the most new businesses, for the new membership drive. Welcome to the following new members: The Barrel Haus, 204 Main St., Kewaskum, Richards "Kut & Style," Rt. #2, Kewaskum; Herriges Oil, 1245 Fond du Lac Ave., Kewaskum; Engelhardt Dist., Fond du Lac Ave., Kewaskum. A grand total of 42 local businesses belong to the Chamber, 10 of which are new this year.

A large "Calendar of Events" poster is now in the Chamber glass enclosure on Hwy 45, by the fire dept. Small "Calendar of Events" posters have been distributed to local merchants for tourist hand-outs, also. The "Kewaskum Welcomes You," revised addition map will be available in several weeks, watch for it.

### XYZ CLUB SKAT RESULTS

The XYZ Club Skat results at the Legion Hall on Wednesday morning, June 20, were as follows: Frank Sell, 20-4-16 net; Marvin Martin, 11-1-10 net; Frank Sell, Heart Solo vs 4.

Regal Ware Outlet, 1308 Fond du Lac Avenue, has been at their present location since March 1981. This was the former Minz Lumber Company building. Regal Ware did extensive remodeling and landscaping. There is ample parking for 25 cars and two buses. The outlet store was formerly located on Main Street, now Gina's.

## Independence Day Boat Parade On Long Lake Sat.

Saturday, June 30, Long Lake, near Dundee, will be the site of an Independence Day Parade beginning at 2 p.m.

Skirting the shorelines to allow landlubbers good viewing of the "floats," patriotically decorated boats will vie for trophies in two categories; small boat and pontoon. The Kewaskum High School band will provide music from pontoon boats. Winners will be selected by three judges from West Bend and Fond du Lac.

Boat owners are invited to participate and may obtain information and sign-up at businesses on Long Lake, or by

calling 533-4430. There is a \$2.00 entry fee.

Following the parade trophies will be awarded. Spectators and the public are invited to join parade participants at the brat 'n' beer picnic at Benson's Hide-A-Way at the north end of the lake.

The parade is sponsored by the Long Lake Fishing Club. This club, which recently organized as a non-profit corporation, boasts over 400 members. Monies collected by the club is used to stock Long Lake with walleyes and build rock spawning reefs. Persons desiring membership may send \$10.00 to Long Lake Fishing Club, 1724 Boy Scout Dr., Rt. 3, Campbellsport, WI 53010. New members receive a free dinner book, membership card, and quarterly newsletter.

### POLYSTYRENE CUPS

While sipping tea from a disposable cup, a physician noticed that it began leaking after he added a slice of lemon. Back in his laboratory, he tested several more of the polystyrene cups and noted that lemon juice shrinks and erodes the plastic. As polystyrene has produced cancer in some laboratory animals, the physician advises drinking lemon tea from china rather than disposable cups.

## 5 Area Graduates Awarded Scholarships to Lakeland College

Page 12, Kewaskum Statesman,  
Friday, June 29, 1984

Julie Koepke

Pamela Krahn

Donna Hlavaty

Sheboygan, Wis. — Five high school graduates from the Kewaskum area have been awarded scholarships to attend Lakeland College this fall.

Recipients of Presidential Scholarships worth \$1,000 per year students were William Duley, son of Mr. and Mrs. David Duley, Campbellsport; Julie Koepke, daughter of Mr. and Mrs. Edward Koepke, Kewaskum; and Pamela Krahn, daughter of Mr. and Mrs. Sylvester Krahn, Adell. Todd Halfmann, son of Mr. and Mrs. Paul Halfmann, Campbellsport, and Donna Hlavaty, daughter of Mr. and Mrs. Donald Hlavaty, Kewaskum, received Dean's

Scholarships worth \$500 per year.

Presidential Scholarships are awarded to high school graduates whose grade point average are 3.5 or better. Dean's Scholarships recipients must have a 3.0 average or better, while those students who receive Pastor's Scholarships are required to have a 2.5 grade point average. The scholarships are all renewable based on the students' academic performance.

Duley plans to major in business administration at Lakeland. He was a 1982 graduate from Campbellsport High School.

Koepke will major in art. As a 1984 Kewaskum Community High School graduate, she was named to the first team all-conference in volleyball and second team all-conference in basketball for two years. She was also a member of the National Honor Society.

Krahn, who was also a 1984 graduate of Kewaskum Community High School, plans to major in medical technology. She was a member of the National Honor Society and was a National Merit semi-finalist.

Halfmann plans to major in accounting at Lakeland. He was a 1982 graduate from Camp-

bellsport High School, and is a transfer student from Moraine Park Technical Institute, Fond du Lac.

Hlavaty, another 1984 Kewaskum Community High School graduate, was involved in student government and served as class president for one year. She also was a member of the varsity basketball and tennis teams.

Lakeland is a private liberal arts college affiliated with the United Church of Christ. The college, founded in 1862, serves around 900 students and is located about 10 miles northwest of Sheboygan.

# Junior Woman's Club Dairy Daze Dessert Contest Winners Named

Kewaskum Statesman,  
Friday, June 29, 1984, Page 13

Kewaskum Jr. Women's Club Dairy Daze Chairman MeriLou Chambers, left, presents a set of cookware donated by REGAL WARE to Debbie Wiesner, who won the first place in the dessert contest with her entry of lemon fluff.

Kevin Chambers accepts a \$50 U.S. Savings Bond, donated by VALLEY BANK, for his second place entry in the Dairy Daze Dessert Contest. Chambers made a cheese torte.

Third place in the Dairy Daze Dessert Contest went to Michelle Keller for her entry, cheese and chips bars. Michelle received a "kitchen basket" and a set of cookbooks donated by THE KEWASKUM JUNIOR WOMEN'S CLUB.

The winners of the Kewaskum Junior Woman's Club Dairy Daze Dairy Dessert contest were:

Debbie Wiesner — First place with her entry of Lemon Fluff.

Kevin Chambers — Second place with his entry of Emma's Cheese Torte.

Michelle Keller — Third place with her entry of Cheese and Chips Bars.

Mary Gosa — Fourth place with her entry of Rhubarb Cake. The prizes were awarded to the contestants at their homes as none were available for the awards segment of the Dairy Daze celebration.

The first place prize was a set of cast cookware from Regal Ware, Inc. Our second place winner was awarded a \$50 savings bond from Valley Bank. The third place winner received

a kitchen basket and a set of Kewaskum Kettles Cookbooks. Our fourth place winner received a \$15 gift certificate from Miller's Furniture.

We would like to thank all those who participated in the contest.

Copies of the winning recipes follow for you to try.

## First Place Winner Debbie Wiesner LEMON FLUFF

Blend  
1½ sticks butter  
1½ cups flour  
1 Tbsp. sugar  
½ cup nuts

Press into 9 x 13 in. pan. Bake 15 minutes at 325°.

Blend and spread on crust: Let cream cheese set out a couple of hours till soft. Then blend and spread on crust.

1 cup sugar  
1 cup cool whip  
8 oz. cream cheese

Blend  
2 pkg. lemon instant pudding (3 oz. size)  
3 cups cold milk

Mix well. Pour over cheese mixture. Top with cool whip, sprinkle with nuts. Chill.

## Second Place Winner Kevin Chambers EMMA'S CHEESE TORTE

Mix and press the following in a 13 x 9 pan.

3 cups graham cracker crumbs  
1 tsp. cinnamon  
½ cup sugar  
½ cup melted butter

Reserve about 1 cup of the crumb mixture for the top.

Filling:  
1 (3 oz. pkg) lemon jello dissolved in 1 cup boiling water. Chill until slightly thickened.

2 eggs separated  
¼ tsp salt  
1 cup whipping cream  
½ cup milk  
1 lb. small curd cottage cheese  
¾ cup sugar

Beat egg yolk slightly in top of double boiler. Stir in sugar, salt, and milk. Cook over boiling water until thickened stirring constantly. Remove and let cool. Combine cheese and slightly thickened jello. Beat until well mixed; add cooled custard and mix well. Then add slightly beaten egg white. Then fold in whipped, whipped cream. Pour into prepared pan. Chill 8 hours or overnight.

## Third Place Winner Michelle Keller CHEESE AND CHIPS BARS

1½ cups flour  
½ cup brown sugar  
¼ tsp. salt

## People On-The-Go Benefit From Postal Services

You won't lose touch or lose time during the summer months when you take advantage of two conveniences offered by the Postal Service to people on the go, Postmaster Frank Beesten of Kewaskum said today.

"People on the run can save time when they use Self-Service Postal Centers located in many post offices and shopping areas," he said. "The centers offer many postal supplies and services for no extra charge at the touch of a button." Customers can mail letters and packages, the postmaster said, and buy stamps, postal cards and stamped envelopes from these centers.

"A second tip is that people on the move can make the change more easily when they use a free change-of-address kit available at local post offices," the postmaster said. The kit's handy postcards can be used to notify the post office, friends, business correspondents and magazines of your new address so mail will find you in your new home.

"Last year the Postal Service forwarded 45 million pieces of mail," Postmaster Beesten said. "You can avoid paying forwarding charges, and possible delays in getting your mail, by telling everyone your new address a month before you move."

"We want to help our customers get our best," he added, "and these two services can give you more time to enjoy the summer months ahead."

A raise is an increase in pay you get before going a little more into debt.

## AMPI Honors Two June Dairy Month Babies

Sherie Knoeck

Donna Roecker

The Associated Milk Producers Women of District 7-D honored a baby boy and girl born in the middle of June as a Dairy Month Promotion.

A dairy certificate of \$10.00 and a set of farm books were given to each at St. Joseph's Community Hospital of West Bend by Kathy Schreffler, a

member of the AMPI Women's Auxiliary. They were presented to the infant son of Sherie and Patrick Knoeck of 1318 River-view Dr., Kewaskum, and the infant daughter of Donna and Gerald Roecker of 121 Ohio Rd., Allenton.

The baby boy also received a stuffed black and white cow.

## Three Kewaskum Students Receive UWM Degrees

Three Kewaskum students received bachelor's degrees from the University of Wisconsin-Milwaukee at commencement exercises on May 20, 1984 at Milwaukee's MECCA Arena. They were among 1,260 undergraduates awarded degrees at the ceremony.

UWM, with an enrollment of more than 26,000 students, is the second largest university in Wisconsin and is one of the major metropolitan universities in the United States. Names of UWM graduates are released in keeping with the Family Educational Rights and Privacy Act of 1974. The graduates are:

Joel E. Herriges, 1324 Western Ave., Accounting; Mark E. Kirchner, 8298 Kettleview Drive, Architecture; Andrew T. Strigenz, Route 1, 9409 Moraine Drive, Medical Science.

## Susan, Michael Tacke Receive Degrees

Susan Elizabeth Tacke, daughter of Ronald and Ruth Tacke, 8042 North 37 Street, Brown Deer, recently graduated with a Master's Degree from the Graduate School of Social Welfare, at the University of Wisconsin-Milwaukee. Susan received a BA degree in 1982 from the University of Wisconsin-Whitewater.

Michael Edward Tacke, son of Ronald and Ruth Tacke, recently graduated from the College of Engineering at Marquette University with a Bachelor of Science degree in Electrical Engineering.

They are the grandchildren of Arthur P. Manthei of Kewaskum.

## WASHINGTON COUNTY YOUTH ATTEND STATE 4-H CONGRESS

Nine Washington County youth were among the 900 delegates and adult advisors who attended State 4-H Congress June 11-14 at the University of Wisconsin-Madison. Delegates attending were Mike Doll, Allenton; Carrie Masiarchin, Hartford; Glen Fick, Jr., and Duane Wolf, Slinger; Bryan Johnson, Jeanne Awve, Jeanne Krueger, Julie Rodell and Todd Wessing, West Bend. Roger and Linda Margelofsky, Hartford, were adult advisors for the group.

The delegates attended many different seminars conducted by University faculty and other resource people. Some of these were "Wild Plants for Food," "Wisconsin's Naturespace," "Animal Skill-A-Thon," "Behind the Scenes at the State Historical Society," and "Fishing for Fun and Learning." There was opportunity to visit the State Capitol and other points of interest. Highlights of the program were presentations by the Drama and Musical groups made up of members throughout the state. Mike Doll and Todd Wessing represented Washington County in those groups.

Getting to meet and visit with 4-H members from across the state was an additional highlight. Exchanging ideas on their 4-H activities and their way of life was truly an educational cultural experience.

Scholarships for Congress were provided by the Wisconsin Rural Rehabilitation Corporation, Washington County Bankers Association, West Bend Kiwanis Club, Marie Hug Memorial, and Alma Kuhn Memorial.

## Caution and Care Urged While Driving This Fourth of July

The Department of Transportation is urging all drivers to exercise extra caution and care while driving this Fourth of July.

"People may be inclined to overextend themselves because the Fourth of July is a one-day, mid-week holiday this year," according to James Van Sistine, administrator of the Wisconsin State Patrol. "Drivers will need to be aware of changing road and traffic conditions."

According to the DOT Division of Highways and Transportation Facilities, a number of major highways throughout the state are under construction, and others will be closed to traffic altogether during this Independence Day holiday. While there will be no roadwork being done on July 4, traffic may be required to slow down in some areas or shift from one lane to the other.

Van Sistine said motorists should be aware that in certain construction zones, speeds will be reduced from 55 to 45 mph.

It's also possible, Van Sistine added, that there will be a heavier-than-normal amount of traffic on the weekend before the Fourth of July and the weekend after.

According to Russell Fleming, chief of the department's accident data section, the last time the Fourth of July fell on a Wednesday was in 1979. From 6 p.m. on Tuesday through midnight on the Fourth, a total of seven traffic fatalities were recorded, he

said.

Last year, when July 4 was a Monday, Fleming said a total of eight fatalities were recorded during the long holiday weekend.

"We ought to see fewer fatalities this year, but a lot will depend on how much celebrating people try to cram into one day," Fleming said.

A "state of emergency" declaration by Gov. Anthony S. Earl will enable the Wisconsin National Guard to continue its annual "Friend in the Sky" medical evacuation helicopter service throughout the holiday period.

"The Wisconsin State Patrol will be out in full force," Van Sistine said. "There is no holiday from obeying the traffic laws. Drunk driving and speeding remain high on our enforcement list."

## Campus Notes

Douglas E. Miller, 221 Forest Ave., Kewaskum, was among high school seniors who have won \$400 William F. Vilas Merit Scholarships to the University of Wisconsin-Madison for 1984-85, the Office of Student Financial aids has announced.

Assistant Director Stephen A. Myrah said winners are selected annually from the top 10 percent of graduates in Wisconsin and Illinois high schools. In addition, candidates must be National Merit or National Achievement Scholar finalists, semi-finalists or commended students. All recipients will be entering UW-Madison this fall as freshmen.

### VANDALISM REPORTED

Two incidents of vandalism were reported at the Tompkins mobile home park in the Town of Kewaskum. Late Thursday or early Friday, two hubcaps valued at \$100 each, were removed from a car parked in front of a trailer on Lot 11. On Saturday, a passenger window on a pickup truck was shattered on Lot 32.

Leslie David Huettl, 18, of Route 1, Beaver Dam, one of three Dodge County residents who drove to Mauthe Lake, seven miles northeast of Kewaskum for a few hours of swimming fun Sunday afternoon, drowned in the lake about midafternoon. According to Fond du Lac County authorities, Huettl was swimming with his companions about 3 p.m. when he dove into the lake and never came to the surface. The youth apparently suffered from cramps.

The annual Fourth of July holiday fireworks display sponsored by the Kewaskum Fire Department in conjunction with the village board will be held in the village park on July 3. The fireworks will be under the supervision of the firemen.

Russ Rodenkirch, Wayne Rempel, Jerry Guldan, Delmar Kempf, Alois Rohlinger, Carl Koepke, Dick Schmidt, Norbert Rohlinger, and one or two other young men from the Kewaskum area are taking two weeks of National Guard reserve training at Camp McCoy, Wisconsin.

A/2c Harvey Otto of Kessler Air Force Base, Miss., is spending a 30-day leave at his home with Mr. and Mrs. Ervin Ramthun and other relatives and friends.

Rct. Albert E. Prost Jr., who has been stationed at Fort Leonard Wood, Mo. with the National Guard for the past several weeks, spent a leave with his parents, Mr. and Mrs. Albert Prost Sr., Town of Auburn.

A daughter was born to Mr. and Mrs. Elmer Belger, Boltonville. Mrs. Belger is the former Marion Kral, daughter of Mr. and Mrs. Roman Kral, Kewaskum. A daughter was also born to Mr. and Mrs. Oliver Eichstedt, Kewaskum, on June 19. A son was born to Mr. and Mrs. Ralph Strassburg, Route 3, Campbellsport, on June 19.

Fred Bartelt of the Town of Kewaskum observed his 90th birthday anniversary at his home on June 17. He was born in Pommer, Germany, in the year 1844. Two of his sons, Arnold and Robert Bartelt of here and a stepson, Roman Backhaus of Big Cedar Lake, are still living.

Fire last Saturday afternoon gutted the interior and destroyed part of the stock of the Joseph Schlaefler hardware store at Campbellsport. Fire started when gasoline leaked from a soldering furnace someone was working with on the second floor. The building, located on the north side of Main Street is of frame construction and one of the oldest business buildings in Campbellsport. Had the fire spread to adjoining buildings a large part of the business district might have been wiped out.

On or about July 1, the Kewaskum Mutual Fire Insurance Company will occupy their new quarters in the former Farmers and Merchants Bank building on Fond du Lac Avenue which they recently purchased. Painters and carpenters have been busy the past few weeks in redecorating and remodeling the ground floor which will be used by the insurance company as an office.

The Chamber of Commerce of Kewaskum has arranged to stage a large fireworks demonstration at the new village park (formerly the old South Side Park) on the east side of the Milwaukee River on July 3. The stores of the village will be open in the evening to accommodate shoppers.

The Wisconsin Conservation Commission, at its meeting on June 16, established the Moon Lake State Game Refuge (now Mauthe Lake) of 1,010 acres. Previously the land had been posted as a private refuge by the Izaak Walton League and no hunting, trapping or fishing had been permitted there for several years. The area is now an official state refuge. The refuge includes Moon Lake and the land surrounding it. The game farm is located in the heart of the refuge.

The marriage of Miss Marjorie Woog and Wallace Rodenkirch, both of the Town of Farmington, was solemnized in the parsonage of St. Michaels on June 21. The bride is a daughter of Mr. and Mrs. Ben Woog of the Town of Farmington and the groom is a son of Mr. and Mrs. Andrew Rodenkirch, also of the Town of Farmington.

A very pretty wedding ceremony was performed at the Ev. Lutheran St. Lucas Church on June 23, when Miss Lillian Moldenhauer, daughter of Mr. and Mrs. Henry Moldenhauer, of New Fane, became the bride of Raymond Vetter, son of Mr. and Mrs. Frank Vetter of the Town of Scott.

The marriage of Miss Jean R. Kraft, daughter of Mr. and Mrs. L. C. Kraft, Fond du Lac, and Harvey Ramthun, son of Mr. and Mrs. Henry Ramthun of Kewaskum, was performed in the chapel of Christ Church at Waukegan, Illinois on June 22.

The Salem Reformed Church in Wayne will have their annual picnic under the auspices of the Ladies Aid on their church grounds July 4. The Wayne band has consented to play from 1 to 6 p.m. Refreshments, games and races will be available for all. The public is most cordially invited to attend the affair and spend the afternoon with the Wayne folks.

William Bartelt, living on the farm formerly owned by Frank Quandt in the Town of Auburn, 3 1/2 miles north of here was killed and his eight-year-old son Alvin, badly injured by being struck on the railroad crossing one-half mile north of here last Monday afternoon.

The most pitiful accident that ever occurred in this vicinity happened at Campbellsport last week Friday, when Charles Dickman, the three-year-old son of C. Dickman was instantly killed and Mrs. C. Dickman, mother of the boy, seriously injured. The Dickman home is located near the Northwestern tracks, south of the depot. The child wandered upon the railroad track, where a box car was being switched. The wheels of the car struck the baby. The mother, crazed with terror, ran to the rescue of her baby. Before she could be drawn away, the wheels of the car had passed over her left leg, severing the foot above the ankle.

Henry Schneider sold his saloon and South Side Park property, including the bar fixtures to Chas. Groeschel Friday for the consideration of \$3,300.

Joseph Strachota received a concrete mixer and gasoline engine last week which he has in operation now building sidewalks. Mr. Strachota is ready to do all kinds of concrete work now on short notice.

Val. Peters had the foundation built for a new addition to his harness shop this week by Oppenorth and sons.

## Dairyland Seed Alfalfa Guide Available

"Management 2000," a farmer-oriented alfalfa management guide is going to be available from Dairyland Seed this summer. What separates "Management 2000" from other alfalfa guides is its distinctive farmer-grower orientation.

The alfalfa guide is a major element in Dairyland's "Management 2000" alfalfa management program. This program is designed to give farmers the keys for alfalfa management for the year 2000, today.

"The state alfalfa average has been hovering around the 3 to 3 1/2 ton level for too long. Our Magnum alfalfa is capable of generating eight to ten tons of alfalfa hay if properly managed on good soil," said Dr. Paul Sun, Dairyland Research Director.

Dairyland's alfalfa management guide outlines a program specifically aimed at raising eight tons of alfalfa. The "Management 2000" alfalfa management program can easily be adjusted for six to ten ton goals.

Dairyland called on its seven plant breeders, leading extension agronomists, and leading alfalfa hay producers from across the upper Midwest to write this extensive alfalfa management guide.

Art Dilley, Dairyland Regional Sales Manager, stated "Dairyland felt a need to design an alfalfa management guide specifically for the farmer. Our research staff gave us the research perspective and area agronomists gave us the crop management perspective. However, the key was to talk to farmers and put the information into a logical sequence from the farmer's view. We felt this was the missing link in other alfalfa guides."

According to Dairyland Vice-President, Tom Strachota, "many companies would like you to believe their alfalfa will solve all your problems. It just isn't so. In 'Management 2000' we have tried to separate the marketing of alfalfa from alfalfa management. Even the best alfalfa variety is not enough unless it is managed properly. 'Management 2000' can help."

Dairyland Seed is a family owned and operated business serving over 4,200 farmer-dealers in the upper Midwest. Dairyland handles a complete product line consisting of alfalfas, other forages, hybrid corn and soybeans.

For more information on Dairyland's "Management 2000" alfalfa management guide, write Dairyland Seed Co., Inc., P.O. Box 958, West Bend, WI 53095.

## Minutes of Village Board Meeting

Mid-Monthly Meeting  
June 18, 1984  
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Mid-Monthly session in the Council Room of the Municipal Building, 204 First Street.

President Gerald Stollenwerk presided. Trustee Howard Laubenstein asked to be excused and was absent. All other Trustee Members were present.

On a motion by Trustee David Nigh, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the minutes of the June 4, 1984, meeting were approved as printed.

Ms. Carol Kenyon of River Bend Cablevision was present to discuss her company's latest request for a rate adjustment, reviewing the reason why the increase is needed. It was noted that a public hearing has been set up for July 16, 1984, at 8:00 p.m. Also that the proposed adjustment would raise the monthly charge for basic service from \$7.50 to \$9.50 per month.

A public hearing was conducted on the application of James M. Rinas for a Combination Class "B" tavern license renewal. There were no objections from the floor to the application as publicly noticed and publicly read by President Gerald F. Stollenwerk. The Police Department had no reason to protest at this time. On a motion by Trustee Paul Blumer, seconded by Trustee Donald Mlodzik and unanimously carried by voice vote, the Board declared the public hearing closed.

The opening of the sealed bids for the asphalt paving of certain Village streets were as follows:

RAM Construction, Inc., Byron, WI — \$23.00 per ton + \$1.00 per gallon of tack coat = an estimated total of \$13,038.00.

Payne & Dolan, Inc., Waukesha, WI — \$24.81 per ton + \$1.10 per gallon of tack coat = an estimated total of \$14,294.86.

Scott Construction, Inc., Lake Delton, WI — \$24.90 per ton + \$.90 per gallon of tack coat = an estimated total of \$14,474.40.

The opening of sealed bids for the slurry type seal coating of certain Village streets were as follows:

Wolf Construction, Inc., Oconomowoc, WI — \$.67 per square yard = an estimated total of \$2,977.48.

Struck & Irwin Paving, Inc., Madison, WI — \$.77 per square yard = an estimated total of

\$3,421.88.

All of the above bids were turned over to the Superintendent of Public Works for review.

Motion was made by Trustee David Nigh, seconded by Trustee Paul Blumer to suspend the rules to take action on agenda item IX. B&C (Discussion and possible action on the asphalt paving and slurry type seal coating for streets). Roll call vote was passed by the majority. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent."

The Public Works Committee recommended going with the low bidder, RAM Construction, Inc. for the paving of the Village streets at a cost of \$23.00 per ton of asphalt/installation equalling an estimated total of \$13,038.00.

On a motion by Trustee David Nigh, seconded by Trustee Mary Krueger and carried unanimously by voice vote, the Board accepted the bid of RAM Construction, Inc. as recommended by the Public Works Committee, at \$23.00 per ton.

The Public Works Committee recommended going with the low bidder, Wolf Construction, for the slurry type seal coating of the Village streets at a cost of \$.67 per square yard/installation equalling an estimated total of \$2,977.48.

On a motion by Trustee David Nigh, seconded by Trustee Thomas McElhatton and carried unanimously by voice vote, the Board accepted the bid of Wolf Construction as recommended by the Public Works Committee, at a cost of \$.67 per square yard.

On a motion by Trustee Donald Mlodzik, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the Board authorized the office to issue the building permit for a garage at 308 First Street, for Margret Simon. The permit application was approved by the Building Inspector and the Zoning Administrator. The permit to be issued after payment of fees is received.

On a motion by Trustee David Nigh, seconded by Trustee Paul Blumer, and unanimously carried by voice vote, the Board approved the applications for Operator's (bartender's) Licenses upon proper payment of fee and authorized the office to issue said Licenses as follows:

Lloyd Westerman, 1310 Stark Street, Kewaskum, WI

Janis J. Karoses, 338 First Street, Kewaskum, WI

Kevin C. Stautz, 133 Clinton Street, Kewaskum, WI

Jerome P. Metz, 1915 Salisbury Road, West Bend, WI

Note: The Police Department had no objections to any of the

applications.

On a motion by Trustee Mary Krueger, seconded by Trustee Thomas McElhatton and carried by roll call vote, the Board approved the following application for a Special Class "B" Retailer's License to sell Fermented Malt Beverages at Picnics or Gatherings, upon proper payment of the required fee. The Police Department didn't have any objections and the office was authorized to issue the proper license. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent."

Kewaskum Lions Club.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the Board authorized the Administrator to sign Change Order #1 for the Pumpstation #3 deducting \$1,132.00 on an electrical matter.

Administrator Daniel Schmidt reviewed a couple of points of clarification pertaining to the Permit Fee Schedule as adopted June 4, 1984.

Also the Board was informed that a County Solid Waste (landfill) Meeting has been scheduled for June 20, 1984 at the Courthouse.

Trustee Thomas McElhatton, Chairman of the Park and Recreation Committee, reported that 463 swim passes have been sold to date.

On a motion by Trustee Thomas McElhatton, seconded by Trustee David Nigh and carried unanimously by roll call vote, the Board approved the following application for a Combination Class "B" Fermented Malt Beverage and Intoxicating Liquor License for a period commencing July 1, 1984, and ending June 30, 1985, upon payment of the required fee. The Police Department didn't have any objections and the office was authorized to issue the proper license. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent."

James M. Rinas, 204 Main Street, Kewaskum, WI.

Administrator Daniel Schmidt informed the Board that the Village has received a donation of \$300.00 from the Kewaskum Kiwanis for the painting of the water tower.

Motion was made by Trustee Thomas McElhatton, seconded by Trustee Mary Krueger to adjourn to closed session under Chapter 19.85(1)(c) of the Statutes to discuss performance evaluation data of Village Employees over which the

governmental body has jurisdiction. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent." The motion was carried by the majority.

Daniel S. Schmidt  
Administrator

### 19-Year Drinking Age Effective on July 1

Wisconsin's 19-year-old drinking age, along with numerous significant changes in drinking and driving laws, will go in effect July 1.

Chief among these new laws is the requirement of absolute sobriety of all drivers under the age of 19. The legislation provides a 90-day license suspension for any under-19 driver caught with any measurable amount of alcohol in the blood, according to Jerry Hancock, assistant general counsel for the state Department of Transportation.

The law permits enforcement officers to require the underage driver to submit to a blood test to determine the blood-alcohol concentration (BAC) if he/she refuses the breath test.

The 19-year-old drinking age law and the .00 BAC law do not apply to people who become 18 years of age on or before July 1, 1984.

Inclusion of prescription and over-the-counter drugs in the list of substances that may result in impaired driving is another major change in the law. After July 1, it will be an offense to operate a motorboat, snowmobile, aircraft or motor vehicle while under the influence of any drug that affects safe operation, or while impaired by a combination of drugs and alcohol. The offense requires evidence that the level of drugs was above the therapeutic level.

The new law also cleans up some language of previous statutes to make enforcement and prosecution of drunk driving offenses easier. It now specifies that records of blood test administered in OWI cases are not patient health care records and, therefore, not privileged. It also makes it clear that hospitals and medical care providers are not liable if they take blood at the request of

a law enforcement officer.

Hancock said that after July 1, adults are responsible for illegal teenage drinking which they condone in their homes. The law provides for a forfeiture of up to \$500 for a first offense.

The new law also makes it legal for a passenger in a limousine to drink alcoholic beverages. The law previously had exempted only passengers in buses from the open container law, which assesses a hefty penalty for drivers and passengers with open containers of alcoholic beverages in motor vehicles.

### Clothing, Crocheting And Knitting Revue

By Joan Hanrahan  
Summer Home Economist

The 1984 Clothing, Crocheting and Knitting Revue will take place Thursday, June 28, at the Westfair Mall, West Bend, from 6:30 - 9:30 p.m.

There will be 12 different classes with up to 16 different categories under each class. The classes are divided into 3 titles. Fun with Clothing, Clothes and You and Clothing Unlimited with each having different age levels. The categories include such items as elastic waistband skirt to formal wear to leg warmers.

The judge will be concerned with the garment's construction, fitting, and accessory selection as it relates to their figure and coloring. The participants will get involved with judging by picking a Teen Choice winner for the top three they thought were the best.

Each participant will receive modeling information and model in front of the judge. This information will be helpful because at the Washington County Junior Fair, each participant will once again model their garment on Saturday, July 28, at 7:00 at the main stage. It will be at this time that the ribbons will be awarded and the two candidates selected for the State Clothing Revue will be announced.

**IN MEMORY**

In loving memory of my dear husband Clayton Kohn, who passed away four years ago, June 23, 1980.

You left a beautiful memory, A sorrow too great to be told. But to us who loved and lost you,

Your memory will never grow old.

There is always a silent heart-ache,

Many a silent tear. But always beautiful memories, Of one we loved so dear.

Sadly missed by his wife, Marie.

**IN MEMORY**

In loving memory of our father, father-in-law and grandfather, Leo Rohlinger, who passed away six years ago, June 30, 1978.

Our thoughts are ever with you, Though you have passed away, And those who loved you dearly,

Are thinking of you today.

Sadly missed by the family.

**THANKS EXPRESSED TO  
KEWASKUM COMMUNITY**

The Associated Milk Producers Women of District 7-D would like to thank all who participated in our Dairy Luncheon on Dairy Daze, June 16. It was a success and we served over 200 people. Also thanks to all who worked making the job easier. Special thanks to the Chamber of Commerce of Kewaskum for holding a special Dairy Daze in Kewaskum. It makes all the farmers proud to be honored on a Special Day.

**SPECIAL THANKS**

The 1984 Football Cheerleaders would like to express their gratitude to all those who helped make our recent car wash a success. Special thanks to Mr. and Mrs. William Geidel for the use of their water and parking lot, the Kewaskum Statesman for the advertisement, and all those who took the time to get their car washed. Thanks again!

Sincerely,  
The 1984 Football Cheerleaders

# Indians Beat Chilton and Sheb. Falls, Lose to Kiel

By John Harju

The Kewaskum Indians, behind a six-hitter by Tim Geidel, defeated Chilton, 4-1, last Tuesday in Kewaskum.

Kewaskum came up with 3 runs in the fourth to erase a 1-0 deficit and go on to win.

Brad Dieringer started the fourth with a double. Tim Landvatter drove in Dieringer with a single. John Harju then followed with a single to put men on first and third. First

baseman Brian Arndt then doubled into the gap in right to score Landvatter and Harju.

The Indian's other run came in the fifth when Geidel drove in Bob Jahr, who had walked, with a single.

The Indians had 8 hits with Landvatter and Dieringer collecting two a piece.

Landvatter had to take over behind the plate in the first when Tim Dettmann had his finger seriously jammed and could not continue.

## Kewaskum 13, Sheb. Falls 12

Kewaskum came up with seven runs in the bottom of the seventh to come from behind and win, 13-12, over Sheboygan Falls last Thursday in Kewaskum.

The adage, "It's not over until it's over," was definitely proven at last Thursday's game.

Coach Perry Koth as well as most of the audience, which had witnessed the Indians commit 6 errors in the first two innings, were just about to write off a 12-5 loss when the Indians came back with an amazing seven runs to win.

Tim Dettmann got on via an error. Tim Landvatter walked and both runners advanced on a ground out off the bat of Brian Arndt.

Kewaskum then came through with 5 straight singles.

Jim Lauer drove in Dettmann and Landvatter with the first

single. John Mertzig followed with another single, scoring Lauer. Tim Leitheiser singled in Mertzig and Bob Jahr also had an RBI single. Brad Dieringer followed with yet another single.

Yahr and Dieringer advanced to second and third on a passed ball. Yahr then came home on a wild pitch to tie the score, 12-12. All the next batter, Tim Geidel had to do was hit the ball, which he did (a grounder to second), and Dieringer scampered home with the winning run.

Other than the seventh, Koth commented that his team had played, "just awful."

Tim Rohlinger, who started, only had one ball hit out of the infield in the first 5 innings but still found himself behind 5-3 because of terrible defense.

Brian Arndt, who relieved Don Menzel, eventually got credit for the win.

## Kiel 12, Kewaskum 1

Kewaskum only had 3 hits as they lost, 12-1, to Kiel on Monday in Kiel.

The loss dropped the Indians' conference record to 5-6 and also might have closed the door on their hopes for an E-W championship.

Kiel's curveballer, Scott Schroeder, struck out 7 Indians and gave up only 3 hits for the win.

Kewaskum's only run came in the sixth when with one out Rick Staehler walked and moved to second on Tim Leitheiser's ground ball. Brad Dieringer then drilled a single to left to score Staehler.

Leitheiser and Bob Jahr had the only other hits for Kewaskum.

Kiel scored 10 big runs in the fifth off of starter, Tim Geidel, and Don Menzel to insure an Indian defeat.

# Winners in Big Fish Contest

Contest winners in Village Sport Shop's Big Fish Contest are as follows.

Mike Frank, Kewaskum, pulled in the winning walleye. His Lake Winnebago fish weighed 5.7 lbs. and measured 26 1/16 inches. A very nice fish. Mike used a jig and night-crawler to catch the fish.

Bonnie Yahr, Boltonville, caught the biggest bluegill entered. Her fish was 9 oz. and 9 1/2 inches. The fish was caught on Lac Vieux Desert in Vilas County.

Tim Geidel, West Bend, won the crappie category with a 15 oz., 12 1/4 inch fish he caught on Mauthe Lake.

Curtis Yahr, Boltonville, was using a worm when he caught his winning bass. It weighed 2.8# and measured 17 1/2 inches and was taken on Lac Vieux Desert.

Congratulations to all the winners!

## PONY LEAGUE TRAVELING TEAM SCHEDULE

# Two Holes in One Shot at Hon-E-Kor

Mark Brodzeller, who will be a junior this fall on the Kewaskum High School varsity golf team, shot the first hole in one of this season at Hon-E-Kor Country Club last Tuesday morning.

Brodzeller fired his ace with a 4-iron on the par-3 fourth hole, which measures 160 yards. Neither Brodzeller nor his playing partners, Steve and Bob Jahr, saw the ball sink into the cup but greenskeeper Bruce Halfmann witnessed it. He reportedly called over to the trio informing them of Brodzeller's hole in one. Brodzeller finished with a 3-over-par 38, including two birdies.

Seeing Brodzeller's ace must have inspired greenskeeper Halfmann because just four days later, playing in Hron Cup play, Halfmann got his first hole in one. Bruce used a 7-iron to hole out his shot to the 128-yard, 14th hole with the pin in a difficult position. Halfmann finished with a 3-over-par 38 on the back nine, qualifying him in the Hron competition. His playing partner during the afternoon round was Scott Rohlinger of Kewaskum.

# Wesenberg Attends Football Camp

Rich Wesenberg attended the University of Wisconsin-Platteville Football Camp from Sunday, June 17, through Wednesday, June 20. This camp emphasized fundamental techniques taught by college and high school coaches from Delaware, Missouri, Illinois, and Wisconsin. Over one hundred athletes participated in the camp.

## J-C SOFTBALL

Week 3

Gems 3-0, Superstars 2-1, Indians 2-1, Tigers 2-1, Shortstuff 1-1, Mean Machine 1-2, Construction Crew 1-2, A's 0-2, Little Macks 0-2.

Construction Crew won 3-1 over Short Stuff. Tigers won 4-2 over Mean Machine. The Gems and A's were locked up in a 1-1 tie after regulation time. Both teams failed to score in the seventh inning. The A's took a one run lead in the top of the eighth only to have the Gems Pat Holtz and Kevin Ramthun score in the bottom of the inning on a close play at home plate.

The Superstars lost 2-1 to the Indians in a very good game of defense by both teams.

## JAYCEE YOUTH HARDBALL

Regal Ware, 2-1; Heppes 2-1; Honecks 2-1; Millers 0-3.

On June 18 Heppes beat Millers 21 to 10 on the north diamond while Honecks defeated Regal Ware 7 to 4 on the south diamond.

In this week's game on June 25 Regal Ware won over Millers 15 to 4. On the opposite diamond we saw Heppes defeat Honecks 12 to 9.

This year we have three very evenly matched teams battling for first place. But the most improved team over last year is probably Millers which has developed some fine hitters and has been playing well defensively.
