There are no set hours or shifts. For the volunteer firefighters, he or she is on call 24 hours a day, 365 days a year. They may work anywhere from fifteen minutes to fifteen hours, in temperatures ranging from below zero through 90 degrees and more to battle a house or barn fire. The call may be two blocks away or five miles through blowing, drifting snow on roads that are almost impassable.

The emergency medical technicians (EMT's) answer calls for help which can be anything from a heart attack victim to a motorist trapped in his wrecked car. The call comes from anywhere and everywhere, a stranger, a friend, and sometimes a relative.

They are the dedicated individuals who willingly give of their time, not only to answer a fire or rescue call, but to meet regularly for routine maintenance and inspection tasks.

The members of the volunteer fire department also spend many hours attending classes, seminars and training sessions to keep abreast of the latest firefighting and rescue procedures.

The tradition of the Kewaskum Fire Department has also been passed on from one generation to the next over the past 100 years, and some of Kewaskum's present members can look back with pride on the service of grandfathers, fathers and other relatives who have faithfully served the department.

It is because of the faithful dedication of these people that communities like Kewaskum can be proud of their fire departments and confident in the knowledge that some one will be there to answer their call.

Established on October 7, 1884, under the leadership of Nic Rimmel, its first fire chief, the Kewaskum Fire Company came into existence with seventeen active members.

The first piece of fire equipment, acquired in 1886, was a hand drawn cart fitted with a hand operated double piston pump. Built by the Rimmel Manufacturing Company of Kewaskum, the pump was used until 1889, and is now on permanent exhibit at the Kewaskum Historical Society.

In 1898, the fire company grew to two companies of thirty members each. In 1916, the department was expanded to four companies consisting of the hook and ladder, hose, chemical and engine companies. Two years later, in 1918, the four companies were replaced with two newly created divisions. The department then consisted of a chief, assistant chief and approximately 30 firefighters.

As the years passed, the department grew consistently updating its equipment. In 1951, through the efforts of department member Marvin Martin, then chief Harry Schaefer and Edward "Pat" Miller, a rescue squad became part of the Kewaskum Fire Department. Miller donated the first squad, a used Packard-Henney, and Martin served as Kewaskum's first rescue squad captain.

In 1974, the department obtained a new Dodge ambulance, and because of stricter state standards, five department members were trained as Emergency Medical Technicians (EMT's). In 1979, the department purchased a new modular ambulance. The present rescue squad consists of three vehicles, 18 EMT's and six drivers. That year the department also received a "Jaws of Life" unit. The equipment, used to remove trapped victims from wrecks, was purchased and donated to the department by the Kiwanis Club.

In the middle 70's, the department decided it had outgrown its quarters. A committee was appointed to study the situation and the end result was the construction of the present fire house, completed in 1976. The building is open to the public each year in October, during Fire Prevention Week.

Over its 100-year history, the department has grown under the guidance of its nine fire chiefs, Nicholas Rimmel, who served from 1884-1898; Nic Mertes, 1898-1915; Edward C. Miller, 1915-1916; John Schaefer, 1916-1920; H.W. Ramthun, 1920-1922; Charles Groeschel, 1922-1931; Harry

Two Parades

Firemen's Centennial Celebration And Legion Picnic This Weekend

The annual Kewaskum Firemen-Legion picnic will be held in River Hill Park this Saturday and Sunday, July 7 and 8.

As this year marks the 100th Anniversary of the Fire Department, a two-day celebration will be held, including two parades.

Saturday's parade will begin at 2 p.m. and will include a color guard, Kewaskum High School band, Fire Department and American Legion members, honorary (retired) members of the Fire Department riding in convertibles, antique fire equipment from surrounding departments, and other units.

Entertainment in the park Saturday will be provided by the Buchel Orchestra With Klass from 3 to 6 p.m. and Thrust in the evening from 7 to 11 p.m. All rides, food and refreshment stands in the park will be in operation. Advance ride tickets for Saturday only are available at the Homeplate Restaurant.

Starting off the festivities Sunday will be another excel-

lent parade, one of the best to be seen in this area, at 12:00 noon sharp. The parade, one of the highlights of the event, will feature eight marching bands and drum corps, including the Kewaskum High School Band, Random Lake High School Band, Algoma Community Band, Hartford City Band, Janesville Fire and Drum Corps, Wisconsin Lutheran Adults Band, Wisconsin Lutheran Cadet Band, and Scottish Bagpipe Band.

The parade will be led by the Milwaukee Civic Riders Motorcycles Club. Additional units will include dance bands riding on trucks, baton twirlers, beautiful centennial floats, novelty and military units, drill teams, majorettes, children's specialties, comic entries, clowns, music, clubs, organizations visiting fire departments and equipment, Legionnaires, antique cars, riding horses, and other fine marching units.

The theme of this year's

parade is "Kewaskum Fire Dept. - One Hundred Years of Service." The parade will form on the high school campus and adjacent streets, from where it will proceed to the park. All participants should be present to line up no later than 11:30 a.m. Businesses, industries and organizations are urged to enter a float. Prizes will be awarded for the best floats and children's specialties.

Immediately following the parade there will be performances by parade musical organizations in the park. There will be continuous music throughout the afternoon and evening. Music in the afternoon will be supplied by the Bill Thull Orchestra from 1:30 - 5:30 and the Syl Groeschel Orchestra from 1:00 - 5:00. Evening music will be by Annie and the Playboys from 6:00 - 10:00 and Manchester (Top 40's) from 8:00 - 12:00.

Kopecy Expected to Be Named New High School Principal

By GERRY MUELLER
Statesman Staff Writer

Leroy Kopecy, presently employed as assistant high school principal at West Bend West High School, is expected to be confirmed as the new principal for Kewaskum High School.

The District Administration Office said no formal announce-

ment or details of Kopecy's contract would be released until after the School Board's meeting, July 9th, when his selection is approved.

Kopecy, 38, has worked in the West Bend School District eight years, the last five as assistant high school principal. He has a bachelor's degree from the University of Wiscon-

sin-Eau Claire, Master's from UW-Stout, and a Specialist Degree in Administration. He has taught at Cadott and Whitehall.

Kopecy will assume his new position August 1, replacing Clark Pearson, who asked to be released as principal so he could return to teaching in the Mathematics area.

Driver Given 4-Year Sentence In Death of Ramthun Girl

A circuit judge on Monday sentenced Marvin E. Wahnschaffe, 30, of Main Street, Kewaskum, to four years in state prison for the death of 12-year-old Jennifer Ramthun, 9175 N. Mill Road, Kewaskum, in a car-bicycle accident last spring.

The mishap occurred on May 9, 1983, while the Ramthun girl was driving home on her bicycle on State Hwy. 28 about one quarter mile east of the village. She was struck from behind by Wahnschaffe's car and died of head injuries six days later.

Wahnschaffe was cited for having a blood alcohol content

of .13 and later charged with homicide by intoxicated use of a vehicle. At first he entered a not guilty plea, but later changed his plea, admitting his guilt days before a trial was to begin.

The Ramthun family, together with an overflow crowd of nearly 100 friends and relatives in the courtroom, sat quietly as Judge James B. Schwalbach handed down the penalty. The sentence was one year short of the maximum on the charge.

Schwalbach mentioned that he had considered the more than 70 letters sent to him describing the impact of the

death and pleading for the maximum sentence, as well as

Notice to Krazy Daze Advertisers

Ads for the annual Krazy Daze event in Kewaskum to be held Tuesday, July 17, will run in the July 13 issue of the Statesman. Because of the extra work involved, merchants are asked to cooperate by having their advertising copy in by Friday, July 6.

More details on the Krazy Daze promotion will follow.

the pre-sentence report and testimony at the preliminary hearing in making his determination.

District Attorney Dave Resheske recommended a five-year prison term for Wahnschaffe. Public Defender Ken Guy, representing Wahnschaffe, argued against the maximum penalty, noting that Wahnschaffe was truly remorseful and had taken responsibility by pleading guilty.

Schwabach also ordered that the Department of Motor Vehicles be notified to revoke Wahnschaffe's driver's license for five years.

A witness to the accident said Wahnschaffe's car was tailgating another when he pulled out into the passing lane, saw a semi-truck approaching, swerved back to the right and onto the shoulder, hitting the back of Ramthun's bicycle. Wahnschaffe said he didn't see the bicyclist.

beer pitchers and centennial booklets will be available in the park both days.

Men's water fights will again be held at 6 p.m. Sunday with numerous neighboring fire departments competing.

Tickets are on sale for many large cash and merchandise prizes and can be purchased from any fireman or Legionnaire as well as at some business establishments.

Attend the Kewaskum Centennial Celebration for a fun-filled weekend and excellent entertainment, games, rides, food and refreshment.

Girl Critically Hurt in Crash

A 17-year-old rural Kewaskum girl suffered severe head injuries in a two-car collision at the County B and Beaver Dam Road intersection early Friday evening.

The Washington County Sheriff's Department reported that Roseann M. Peterson, of 8243 County B, was hurt when she pulled out from a stop sign at the intersection and her car was struck by a car southbound on B.

Peterson was listed in critical condition Monday at Froedtert Memorial Lutheran Hospital, a spokesman said.

A passenger in the Peterson car, Tami K. Roher, 18, of 792 Newark Dr. E., West Bend, was treated for cuts to the face and arm and neck pains. The other driver, Judith A. Coppens, 33, of 3627 Kettle Round, West Bend, was treated for head pains.

The intersection is in the Town of Barton.

MARRIAGE BANNS

Marriage banns have been announced for the first time in the Holy Trinity Church bulletin for Mark Herriges and Jacqueline Beisbier, and Jay Derks and Sharon Schoofs.

Oral Surgery Associates Open Office Here

On June 6, Oral Surgery Associates of Fond du Lac opened their satellite office in Kewaskum.

They are sharing space in the office of Dr. J. Dennis Connor at 1204 Fond du Lac Ave. Dr. Roger L. Zimmerman and Dr. Guy Jensen will provide all phases of oral and maxilla-facial surgery to patients in the area, including oral surgery under general anesthesia, dental implant surgery, temporomandibular joint surgery, surgical correction of facial deformities, and surgery to enable patients to retain full dentures more efficiently.

The group has offices in Fond du Lac and Beaver Dam. Appointments can be made by calling 626-4188 or if an emergency after hours 923-0111 in Fond du Lac.

Chamber of Commerce Annual Meeting Wed.

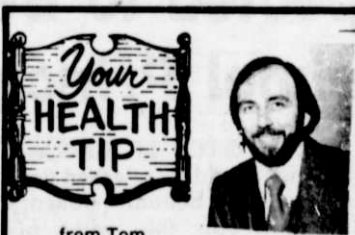

The Chamber of Commerce will hold their annual meeting for members and guests on Wednesday, July 11, at 7:30 p.m., at the Valley Bank.

The speaker for the evening will be Wayne Corey from the Wisconsin Independent Business Association. He will speak on "How Legislation Affects Businesses."

Valley Bank is providing a nice lunch and beverages and Nanc Malvick, sec.-treas., states she will try to furnish a dessert.

Members are urged to turn out for this annual meeting.

Every July 4th, the residents of George Washington, honor their namesake by whipping up a 1,200 pound cherry pie.

ARTHRITIS

"30 years experience in improving the diets and nutrition of orthopedic patients gives clinical evidence that use of vitamin supplements might bring arthritis relief," states Dr. Robt. Bingham of Nat. Arthritis Medical Center at Desert Hot Springs, Cal.

The doctor listed these specific arthritis problems and their related deficiencies:

- Osteoporosis - lack of protein and calcium.
 - Osteoarthritis - lack of vitamin D.
 - Rheumatoid arthritis - lack of vitamin C.
 - Arterial Sclerosis - lack of B-complex and vitamin E.

Miss Johnson Named 'Alice in Dairyland'

Cynthia Johnson, 22, of the Town of Dunn near Oregon, was selected as Wisconsin's 37th 'Alice in Dairyland' in Eau Claire Saturday night, June 23.

She was chosen from a field of 12 finalists by an interview panel during three days of finals in Eau Claire County June 21-23. Wisconsin Secretary of Agriculture La Verne Ausman announced the decision of the panel during coronation ceremonies at Eau Claire Memorial High School. Outgoing 'Alice,' Barbara Ward, of Ft. Atkinson, presented the Alice banner and a new gold tiara to her successor.

The new tiara is a gift from the Wisconsin Jewelers Association. It was announced during the coronation program that Cynthia will receive a Blackglama mink garment from the Great Lakes Mink Association and the Kettle Moraine Mink Breeders Association. She will also receive a scholarship for training at the Patricia Stevens Career College and Finishing School in Milwaukee.

Cynthia graduated from Oregon Senior High School in 1980 and received a bachelor of science degree in dietetics, with a minor in business administration, from UW-Stout in Menomonie this year. She has been active in FHA-HERO (Future Homemakers of America Home Economics Related Occupations) and served as that group's state president in 1979-80. She traveled throughout the state from 1981 through 1983 as a March of Dimes state youth representative. While in college she was active in the Nutrition and Foods Association.

As Alice, Cynthia will promote Wisconsin and its agricultural food products throughout the state and the U.S. for one year as a full-time contract employee of the Wisconsin Department of Agriculture, Trade & Consumer Protection.

Stern Family Reunion Scheduled

The second Stern family reunion is to be held in Kewaskum at River Hill Park on Sunday, July 22. The gathering will begin with a picnic type luncheon at 12 noon.

All descendants of Gottlieb and Fredricke Stern are invited to attend. An enjoyable afternoon is assured to those attending with plenty of food, music and games. Refreshments will be made available.

Those planning on coming are asked to bring their own silverware as well as a dessert, sandwiches and relishes or a dish to pass.

Last year's reunion was fun for all,

We met the Elders, we met the small.

We played some games, we sang a song,

Seen some people we've missed for so long.

So come and join us at this fest, To talk with some and meet the rest.

Additional information may be obtained by contacting any of the committee members, namely Syl Stern 334-3279, Rosella Backhaus 526-3454, Grace Maciejewski 677-3230, Irene Nitske 377-4589 or Gladys Tackes 626-4596.

Jon Etta [left] of West Bend is greeted in Washington, D.C., by Bill Caraway [right] of Clouis, N.M., National Secretary of the Future Farmers of America. Jon is attending the week-long National FFA Washington Conference program.

FOOD FOR THOUGHT

If you think you are beaten, you are. If you think you dare not, you don't. If you'd like to win, but think you can't, it's almost a cinch you won't. If you think you'll lose, you've lost. For out in the world we find success begins with a fellow's will; it's all in the state of mind. Life's battles don't always go to the stronger or faster man; but sooner or later the man who wins is the one who thinks that he can.

County Tavern League Sponsors Area Youth On Wilderness Trek

Bill Charles, Wayne Rd., West Bend, has been awarded an all expense paid trip on the Wilderness Wagon Train to the Nicolet National Forest, July 8 - Aug. 5. Joe Schwai of Schwai's West Bend, president of the Washington County Tavern League, said the league is paying \$1,500 to sponsor Bill.

Bill will join 26 other teenagers sponsored by Tavern Leagues and individuals throughout the state.

Enroute the participants will tend the livestock, make camp, drive the wagons, prepare equipment and develop skills for use during their two week stay in the wilderness area. There they will hike, camp, climb, canoe, repair the rolling stock and prepare for the return trip home.

Operated by the Tellurian Community, Inc. for the Wisconsin Tavern League Foundation, Inc., the Wilderness Wagon Train is successor to the Phoenix Project, a nationally recognized delinquency prevention program funded by the Federal Law Enforcement Assistance Administration in 1981-82.

Designed to help teenagers with special adolescent adjustment concerns, the Wilderness Wagon Train's program focuses on developing self-confidence, self-sufficiency and social

adaptability, Michael Florek, president of the Tellurian Community explained. "Everything we do in this program is directed at building success for young people," he said.

Staff for the project includes teachers, guidance counselors and wilderness guides. Wagon master and technical consultant is Ray Katzman, Turtle Lake, Wis., one of the organizers and wagon masters for the Wisconsin Contingent of the 1975-76 U.S. Bicentennial Wagon Train.

Each wagon train will include eight to 10 teams and wagons; four or more prairie schooners to carry the staff and participants, a feed wagon, a water wagon, a freight wagon and others.

The staff of the Tellurian Community screened and selected award winners based on applications submitted through the Tavern League.

The Washington County League is already beginning plans to sponsor another teenager next summer. Area residents interested in contributing or obtaining more information about the Wilderness Wagon Train may write to the Wisconsin Tavern League Foundation, Inc., P.O. Box 170, Madison, WI 53701 or call Joe Schwai at 414-677-2334.

[Continued from Page 1]

Schaefer, who served the longest, a period of thirty years from 1931-1961; Armin Oppermann, 1961-1975; and its present chief, Augie Bilgo, who assumed his duties in 1975.

Bilgo heads a modern, up-to-date department that in 1984, consists of ten pieces of equipment, ranging from a tanker truck to a telesquirt aerial ladder pumper and the rescue squad vehicles, manned by 47 active members of the department.

While the Kewaskum Fire Department can be proud of the fact it is one of the best equipped departments in the surrounding area, it can be doubly proud of the fact that over \$30,000 worth of equipment has been purchased from the proceeds of its annual picnic and dances.

In 1976, the firemen also saved the village \$25,000 on the new fire house by doing all the inside painting themselves.

We congratulate the Kewaskum Fire Department on its anniversary and thank all its members past, and present, for the 100 years of dedicated service it has given to the community.

Proclamation

KEWASKUM, WISCONSIN

To those Officials, Boards, Gentlemen, Ladies, Firemen and any other persons whatever to whom the following touches or appertains, in this Village, County and State.

KNOW YE,

That in the Year of Our Lord One Thousand Eight Hundred Eighty and Four the Kewaskum Fire Company was founded and recognized by the State of Wisconsin.

That this Village and surrounding Townships have persisted without interruption, with all property, possessions and life protected from fire, disaster and accidents through the efforts of all those Volunteer Firemen.

That the Village and surrounding Townships work harmoniously to finance the efforts and maintain the needed equipment of the Kewaskum Fire Department.

That the Year of Our Lord One Thousand Nine Hundred Eight and Four will mark the one hundredth anniversary of the KEWASKUM FIRE DEPARTMENT, which should be appropriately recognized and celebrated.

NOW THEREFORE,

I, Gerald F. Stollenwerk, President of the Village of Kewaskum, on behalf of the entire Village Board and Community, do hereby extend a sincere and hearty Congratulations to the past, present and future Kewaskum Fire Department.

IN TESTIMONY WHEREOF, I hereunto set my hand and caused the seal of the Village of Kewaskum to be affixed this 27th day of June, 1984.

Ann Stoffel to Graduate From Way College

EMPORIA, KS — Ann Stoffel, daughter of Mr. and Mrs. Gerald Stoffel of Kewaskum, will be graduating from The Way Corps training program at The Way College of Emporia on July 6, 1984.

Miss Stoffel will receive an Associate of Theology degree. The Way Corps is a four-year Christian leadership training program that prepares individuals for leadership responsibilities worldwide in The Way International, a Biblical research, teaching and fellowship ministry.

A 1972 graduate of Kewaskum High School, Stoffel attended the University of Wisconsin Center Systems in West Bend from 1972 through 1974 and then attended the University of Wisconsin-Oshkosh in 1974-75. She received an Associate of Art degree. She coordinated the Campus Outreach program for The Way in New Mexico and Assisted in the coordination of the Capitol Hill Fellowship in Washington, D.C. before entering The Way Corps leadership training program.

The heart of The Way Corps is expressed in its motto: "It Is Written." The five Way Corps principles include acquiring an in-depth spiritual perception and awareness; being trained in the Bible in preparation for teaching others; keeping physically fit; implementing Biblical principles to live abundantly in the material realm; and working after graduation in an area of concern, interest and need. Miss Stoffel will be living in Oshkosh after graduation.

Campus Notes

Officials at the University of Wisconsin-Oshkosh have announced the names of the 1,574 undergraduate students who qualified for the Dean's List and Honor Roll for the 1983-84 spring semester.

Students must be taking not less than 12 credits and have a grade point average of 3.3 and above to qualify for the Honor Roll, based upon a 4.0 being a perfect or straight "A" average. Those with grade point averages of 3.75 and higher qualified for the Dean's List.

Among those on the Honor Roll or Dean's List from the Kewaskum area are:

KEWASKUM — Sherry L. Foerster, 745 E. Main St. (Dean's List — Straight "A"); Lori J. Marx, 2593 Ridge Rd. (Dean's List — Straight "A"); Janet A. Matenaer, 2050 Hwy. 28.

WEST BEND — Diana J. Batchelder, 4944 Edge O Woods Drive (Dean's List — Straight "A"); Bill E. Dekker, 6524 Lenora Drive; Laura L. Hazlewood, 1093 Fairfield Court; John E. Knoeck, 813 Fairview Drive; William B. Koenings, 242 Willow Lane (Dean's List); Richard A. Loos, 2406 Wallace Lake Road; Kim M. Muenster, 1137 Kinross Court; Tim R. Newmann, 7752 Meadow Road; Timothy J. Roebken, 6738 Eastwood Trail; Linda A. Schuetz, 670 Penn Avenue (Dean's List); Doug A. Stockhausen, 6684 Westwood Trail; Laura L. Thomas, 344 S. 8th Avenue; Kaye A. Turnquist, 710 North 18; Lori J. Willkomm, 302 S. 9th Avenue.

♦♦♦

A total of 1,783 students at the University of Wisconsin-

Eau Claire are being recognized for attaining Academic Distinction during the spring semester, according to Dr. Norman Doorenbos, UW-EC vice chancellor.

To be eligible for the honor, a student must receive at least a 3.2 grade point average (where 4.0 equals A) for 12 semester credits or more of college credit courses. The semester record may not include repeated courses or incompletes. In addition, a student's cumulative grade point average must be at least a 3.2.

An Academic Distinction student from Kewaskum is John Dettmann, art.

Fifteen individual participants representing their FFA Chapters were present all trying for the number one spot and a trip to the State Finals in Madison. Steger placed fifth in the tough competition with the Burlington FFA advancing to state. All of the individuals were scored in five main categories,

with the lowest score (point total) advancing to state. The five categories included: a written test based on equipment knowledge and safety, identifying faulty tractor parts, driving a course with a two wheel implement attached (manure spreader), driving a course with a four wheel implement attached (wagon) and scores for demonstrating safe driving practices throughout the events.

Official announcement was made this week that a new manufacturing industry will locate in Kewaskum under the firm name of Kewaskum Industries, Inc. The firm has leased the Schaefer Bros. garage building, now occupied by the Kettle Moraine Sports Center, a subsidiary of the National Woodworking and Boat Co., Inc., at 1245 Fond du Lac Ave. It is reported that the Sports Center will move to the Maaske building in Campbell-sport for the present time. It was learned that the new Kewaskum Industries, Inc. expects to employ about 60 persons at the start with the possibility that many more will be employed later when the plant is enlarged. Changes and renovations are already being made in the building and the plant will be in operation early in August.

The Rev. Donald F. Bitter of Fond du Lac has accepted a call from St. Lucas Lutheran Church of Kewaskum. Pastor Bitter has been serving the Good Shepherd Lutheran congregation in Fond du Lac for the past four years. Tentative plans are for Rev. Bitter's installation service at St. Lucas Church to be held August 2.

One Kewaskum tavern changed hands and another went out of business on July 1. Mr. and Mrs. Russell A. Kohl of Adell took over Big Gene's Tap, operated by Gene Gruber the past year at 204 Main Street. Serwe's Tap, operated by Mr. and Mrs. Syl. Serwe at 300 Main St. for the past six years, closed its doors to the public on June 30. The tavern property and buildings, owned by Joe Eberle, who formerly operated the business for many years, was sold to the Peace E. and R Church some time ago. Members of the parish will use or dispose of the buildings to suit their needs. With the sale of his property, Eberle chose to discontinue the tavern license rather than transfer or sell it. Now there are nine remaining taverns in the village.

A daughter, Ann Linda, was born to Mr. and Mrs. Otto Weddig, Route 3, Campbell-sport, on June 29. A daughter was also born to Mr. and Mrs. George Koerble, Kewaskum, on June 24. Sons were born to Mr. and Mrs. Marvin Tackes, Kewaskum, on June 30, and to Mr. and Mrs. Ronald Roth, West Bend, on June 29. Mrs. Roth is a daughter of Mrs. Rose Bleck of Kewaskum. A son, Ricky, was born to Mr. and Mrs. Earl J. Dreher of Anchorage, Alaska, on July 1. Mr. Dreher is a son of Mr. and Mrs. Earl Dreher Sr. of Kewaskum.

The open air free movies which were tried out last Saturday evening on the vacant lot between the Bank of Kewaskum and Otto Graf's drug store, were an overwhelming success in point of nice clear pictures and a record crowd. These free movies will be given every Saturday evening during the summer months and are sponsored by the businessmen of Kewaskum. Next Saturday evening the big special feature, "The Covered Wagon" will be shown.

The fireworks display, sponsored by the Chamber of Commerce, which was held July 3, on the west bank of the Milwaukee River, was also attended by an immense crowd from far and near. The display was very nice and was enjoyed by all. The new South Side Park which was recently acquired by the village, was one mass of cars and people to witness the pyrotechnic display.

Surgeons at St. Joseph's Community Hospital Monday found it necessary to amputate the left arm of John Aupperle, Kewaskum, below the shoulder after a delicate operation last week for the removal of a blood clot from the arm did not have the beneficial result hoped for. Mr. Aupperle's use of a crutch over a period of years brought about the condition which necessitated the operation.

The Home Helpers 4-H Club of Kewaskum held their first regular meeting Thursday afternoon at the high school. Patricia Buss was elected president, Elaine Schleif, vice president; Inez Stellpflug, secretary, and Eleanor Hron, treasurer.

A 5th anniversary picnic was largely attended Sunday at Auburn Heights. Gladys Kleinke was advanced queen of the event. Her attendants, the crown and scepter bearers, were Marie Oppermann and Lorinda Krahn. The queen was ushered in by Bobby Talasek and presented to County Surveyor George Marshall, who presented her with the crown and scepter. Prize winners at the picnic were: first, Chas. Krahn; second, Al Heull; third, Mrs. Max Ruppert; fourth, A.

W. Krueger.

After July 1st the air mail rate will be 6c per ounce or fraction thereof. The previous rate was 8c for the first ounce and 13c for each additional ounce.

Joseph Strachota is building a new sidewalk for the village this week, on the east side of Fond du Lac Avenue, between John Guth's place and Malt House Street.

A. A. Perschbacher is having a foundation built on his lot on North Fond du Lac Avenue, where he will move his warehouse building and arrange it for a dwelling house. Oppenorth and Sons are doing the mason work.

Independence Day was celebrated here in the usual manner last Sunday, with a picnic in both parks in the afternoon and a ball in the evening. As far as noise is concerned it was the most quiet 4th in years gone by. The dance at the North Side Park on the 4th was very largely attended with 296 dance tickets sold. The dance at the South Side Park on the evening of the 5th was also well attended.

Jacob Schlaefer, son of Joseph Schlaefer, the carpenter of Campbell-sport, while at work at the Yankow Bros. barn in the Town of Auburn, fell from the roof on Thursday. He was at work with his men in putting up rafters on the barn, when he fell about 40 feet to the ground, breaking his leg and back. His entire body is paralyzed and it is feared that his injuries may prove fatal.

Miss Kathryn Schoofs, while attending the celebration at North Side Park on the 4th, came near having her eye blown out by a fire cracker exploding when it was accidentally thrown in her face. Her eye was badly burned and at first it was feared that she would lose the sight of her eye. Eddie Guth also met with a bad accident which might have cost him his life. He had placed some shot in a 22-blank cartridge which he was firing

out of a revolver. One of the cartridges failed to explode, and in examining the gun it accidentally exploded and sent the charge through his left hand between the first and second fingers.

Preschool Vision Screening at Zoo

The National Society to Prevent Blindness-Wisconsin, in cooperation with the Milwaukee County Zoo, will sponsor their fourth preschool vision screening as part of A to Zoo Days. This special preschoolers weekend will take place Saturday, July 14, 9:30 - 4:30 and Sunday, July 15, 9:30 - 5:30. Children 6 and under will be admitted free both days to the Zoo.

The vision screening, which will take place in the Children's Zoo, will be a free service conducted by Society staff and trained volunteers. Parents will be immediately informed of how well their child is seeing. If a problem is suspected, the child will be referred for a complete professional eye examination. Early treatment could prevent permanent vision problems.

For more information on the screening, call the Society at 765-0505.

New Clothing Care Labeling Rule Improved

By Joan Hanrahan
Summer Home Economist

Has the care label on a new blouse ever confused you? Do you wish the pants you purchased last year had better washing instructions? If so, you'll be pleased with the newly amended Federal Trade Commission (FTC) care-labeling rule.

Under the amended rule, all clothing manufactured or imported after January 2, 1984, must contain much more detailed washing or dry-cleaning instructions.

The rule explicitly states what information must appear on care labels and is expected to prevent incomplete, inaccurate or inconsistent instructions. The FTC has also provided a glossary of standardized terms with the amended rule to assist manufacturers in complying with it. The original rule did not explain what actual wording would spell out care instructions.

The manufacturer's instructions must identify proper procedures for each step in the washing or dry-cleaning process. These steps including washing, drying, bleaching, ironing or dry-cleaning. For example, if you can wash the item, the label must specify "hand or machine wash" and also state the water temperature. You may wash the clothing in any water temperature if the label does not specify the temperature.

Drying methods must also be stated. If you can machine dry the article, the label must state the temperature. However, if a high temperature can be used, no drying temperature need be stated. Thus, "tumble dry" means you can use a high, medium or low temperature.

If you must iron the item to preserve its original appearance, the manufacturer must print "iron" on the label. This label must indicate the iron temperature unless the iron's highest setting will not harm

the item. If ironing would damage the product, a warning is required. If a label has no ironing instructions, you may assume that no ironing is required.

The new rule also addresses bleaching. If a label has no bleaching instructions, you may regularly use any bleach you wish. Manufacturers may state "no bleach" on the label to indicate that all bleaches can harm the garment.

The new labels may offer special instructions for items that require dry-cleaning. Instructions must indicate the kind of solvent to be used, unless any commercially available solvent will do. Terms such as "dry-cleanable" or "commercially dry-cleanable" are prohibited since the FTC says these do not have a clear meaning for either consumers or dry cleaners.

The new rule affects labeling of piece goods for home sewn garments as well. The end of the bolt or fabric roll must display the care label. Since manufacturers no longer need to supply care labels with purchased fabrics, you will need to record the information when you purchase the material.

The FTC says that since care labels are already used, the rule should not cause manufacturers any additional expense, which they, in turn, would pass along to the consumer. Thus, clothing costs should not increase as a result of the rule.

To maximize the benefits of the new rule, consumers should read and follow the care instructions carefully when washing or cleaning their clothing.

However, those of us who want to exhibit at the Wisconsin State Fair need to be thinking about making entries for that now also. The Wisconsin State Fair is August 2-12 and the entries are due July 15.

There are two major divisions of the State Fair. There is the open class and there is the junior division.

The open class division is open to any resident of Wisconsin regardless of age. Entry information may be obtained directly from the State Fair or by getting it at the University of Wisconsin Extension office in West Bend. The entries are sent directly to State Fair.

The junior division is open to Wisconsin youth who belong to a youth organization such as 4-H, FFA, FHA, Boy Scouts, Girl Scouts or other approved organizations. Entries for the youth division must be made through the county youth committee. In Washington county the 4-H and youth agent is the youth committee chairman.

In the youth division there are two types of exhibits. One is livestock and the other includes all other entries. Livestock exhibits include Dairy, Beef, Sheep, Swine, Rabbits and Poultry. Anyone wishing livestock must make advanced entry by July 15. These exhibits are judged and premiums are paid.

The second kind of exhibit includes Clothing, Knitting, Crocheting Home Furnishings, Crafts, Photography, Woodwork, Aereospace, Electricity and Handyman. Selection of articles for exhibit at the State Fair is made at the County Fair. The member does not have to make an advanced entry. Members whose articles are

selected will be notified and asked for permission to take their articles for exhibit. These articles are not judged but are put on public display. Exhibitors receive a State Fair participation ribbon for having their articles selected.

In addition to the exhibits there are other opportunities for a youth to participate. Members can participate in musical groups, demonstrations, style revues and 4-H action centers. The State Fair is a picture of what youth have been doing throughout the year. When you go to State Fair enjoy the rides

and shows but also notice the exhibits and work of the youth of Wisconsin.

Letters to the Editor

TO THE TAXPAYERS OF THE KEWASKUM SCHOOL DISTRICT:

I am writing in reference to 2 newspaper articles that appeared in the June 28, 1984 edition of the West Bend News.

Mr. Jahn Tinglum, a consultant with the Department of Public Instruction was contacted. In his reply to reporters' questions, he stated that "He remains convinced the Beechwood School had to be closed not only because of a low census, but because the Kewaskum Elementary School is operating under capacity. The 'operating premium' at Beechwood, with the additional costs for time and travel for specialists who go to the school, was also a factor," he said.

It seems that Mr. Tinglum did not have all the figures and facts, or has forgotten some of them. Our enrollment at Beechwood School has averaged out to 99.5 with figures from the last 8 years used. This fall, our enrollment will be approximately 96! In the school year of 1983-84 our enrollment was 84 for an increase of 12 children in 1 year's time. District wide the enrollment has dropped but it only has dropped by 27 children. This is a justification to close a school? Mr. Tinglum also referred to the Kewaskum Elementary School operating under capacity. In the last page of his own report referring to this subject, he recommended closing off the 3rd story part of the Kewaskum Elementary. Why was this never even mentioned? From what I understand, there were approximately 46 children with special education needs housed on that floor last school year. The ceilings are very high on the 3rd floor and I consider that to be non-energy efficient. Again I ask why was this not checked into? If there is room for approximately half the Beechwood children in Kewaskum Elementary would it not be just as viable to move the 46 special education children from the 3rd floor and close off that floor and leave our school open?

The costs for the special teachers travel time to and from our school was mentioned as a factor also. It seems to me that Mr. Tinglum forgot that we have 2 other outlying schools in this district where these same specialists travel to. I have talked in the past with many if not all the specialists that come to Beechwood School on a regular basis. Not one of these specialists ever complained about coming to Beechwood. In fact, one of them loves to come to Beechwood because of its strong "family" qualities. In our society today when the family unit is disintegrating left and right it's important to have some stability in our children's lives. I can only foresee more problems cropping up with the closing of our small local school. And do you know who will be faced with these problems? The parents and guidance counselors and they will be expected to have magic solutions!

In another article on that same page, Neal Weare stated figures for the state aids that would be lost if Beechwood annexed to another school district. He had gotten the figures from Baird Stouffer, the business manager. Somehow it

seems that only the children from the Beechwood school building were considered for those figures. It seems that our middle school and high school children were not figured into the \$93,999 to \$102,300. At a rough estimate I would say that we have approximately another 100 students in those two buildings. That would put the state aids lost at approximately \$186,000 to \$204,600 plus our taxes from the Town of Scott for a grand total of \$460,500 to \$479,100 lost each year if we annex to another district. How as taxpayers are you going to come up with that amount of money? Maybe they can offset that loss by eliminating a few programs such as FOOTBALL, BASEBALL, BASKETBALL AND TRACK. Because if there isn't enough money to run the district from the educational standpoint, how can they justify spending tax money on extra-curricular activities? I mean the children are in school to learn first, are they not? WAKE UP you taxpayers! Don't you care about your school district?

Did any of you read the front page of the Kewaskum Statesman of Friday, June 29, 1984? It seems our school board or I should say some members of our school board are justified in using economic reasons for closing Beechwood school but turn right around and approve a High School Boys Tennis Team, a debate team, ski club and an Olympics of the Mind program. These programs are fine, but if the board is trying to save money they sure go about it in a funny way. What is the cost of these additional programs? You have to consider uniforms, coaching salaries and bussing for the meets. Just how much does this amount to?

I'm beginning to believe that a lot of you taxpayers are being deceived. There was never any mention of the \$40,000 coming out of the budget, it will be left in the budget and just spent for something else so there will be NO SAVINGS. I can guarantee there will be no \$40,000 reduction in the budget.

Granted, we of Beechwood are a small community but that doesn't mean we are ignorant of what goes on in our school district. I feel that a lot more of you taxpayers are going to be digging a lot deeper into your pockets in a few years and I for one will unfortunately have to say "I told you so," as the first shovel full of dirt is turned over on a new multi-million dollar building in Kewaskum to house all our students.!!!

A taxpayer,
Sue Buechel

your job to find out the right wording for a motion but it is not your job to have a motion all written out for another board member to read and why didn't you reveal to the Kewaskum Statesman the whole page? Here is the rest of that page "QUOTE" you handed out to some board members "Therefore, I move to close the Beechwood School at the end of the '83-84 school year and that the Beechwood students be reassigned to attend the Kewaskum Elementary school K thru 6th grade and that the administration use their discretion after looking at the students on the southern border of the Beechwood area where they would be bussed." Why cook and dry a motion before a school board meeting? Also that afternoon of the night of that meeting Mr. Kim Peterson called another board member to commit himself to a yes vote for that evening's meeting. But he had more respect for the people and he would not do it. But Mr. Peterson, a school board member for two months and to my knowledge never saw the inside of Beechwood school and he was told that at the meeting. It takes GUTS and GALL to do what he did. Yes, and for you Mrs. Goeden to really have a letter written out for another board member to read takes more "GUTS AND GALL." And when you campaigned for the school board job, you said you had the "MOTHER'S TOUCH." What touch? I'm really dissatisfied. What you did is like taking candy from a baby, and then closing their school. Did it really make you happy? You said it was a hard decision. Was it? Mrs. Goeden you really tore a community apart, and more you disrupted the children as well. (You said it

was in the making for a number of years).

Really you did a better job than our superintendent did where he came from. Mr. Long said at the meeting Monday, "Yes, they were angry but they got over it." Did they? After a personal check by myself to the area, I find these people are still angry, after two years or more. Another person called the area, and that individual person got similar answers. Another campaign issue you had was you wanted to keep ALL schools open. How and why and what changed your mind in two months time after all the money was spent in repairs? Yes, the roof had to be fixed, but the rest could have stayed if you had the intention to close it. Or did you fix it to please the Beechwood people so they would vote for you? I didn't. THANK GOD!!

Mrs. Goeden, I remember being at the June 11th meeting where Mr. Peter from Wayne school area asked if they were next, you said it was not an agenda item for that evening and it was only a rumor. Was it? On May 31, 1984 on your memo to school board members Mr. Stouffer has estimated a savings of \$40,000 if Beechwood was closed, also on that same page is Mr. Long's statement where he estimated a savings of \$59,000 by closing Wayne. And do you recall what you said at the June 11, 1984 meeting? Now, Mrs. Goeden why did you pick on Beechwood school, by closing Wayne, you could have saved an extra \$19,000. You talk about passing the buck, you sure missed that buck. Or what buck are you talking about?

Why deceive the people of Wayne when the facts and figures are on paper of your memo to school board members? And as for Mr. Tinglum's letter, he also talked about food service at Beechwood, what food service? We have our own kitchen and cook. When he was here to do his study on May 27, 1983, he spent less than 10 MINUTES at Beechwood. He never saw the kitchen to my knowledge and his letter is based on a study of ELEVEN YEARS AGO. Is this a full study? It states in his opening sentence that this was not a full study!

And as for Mr. Long, his first visit to Beechwood, his remark was I'm not interested in the outlying schools. Is this the attitude of a new Superintendent or what really did he have in mind when he took this job? This is only part of what I know. If the public wants to know more, be free to ask me. I will GLADLY oblige. Thank You.

Kewaskum Night at Brewers Game

Over three hundred enthusiastic fans from Kewaskum and area attended Kewaskum Night at County Stadium on Thursday evening. The game between the California Angels and Milwaukee Brewers ended 7-3 in favor of the Angels.

Kewaskum Village Board President Gerald Stollenwerk threw out the first ball. It was also "Camera Night" so some of the buses and individuals who drove, left early to take pictures of the Brewers.

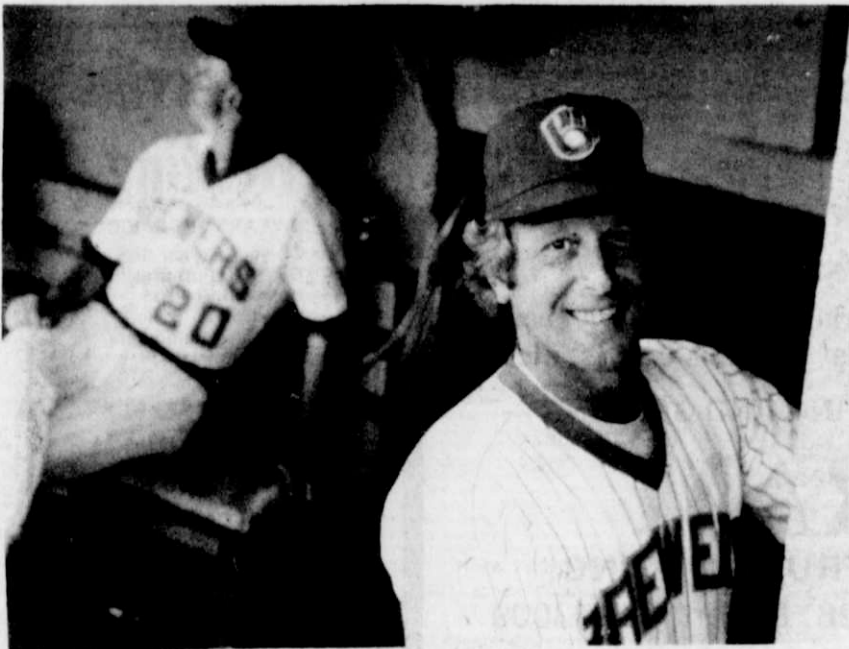

Even though the Brewers lost, it was an enjoyable community night out for all who attended.

County Fair to Sponsor Rooster Crowing Contest

Something to crow about! The Washington County Junior Fair will be sponsoring a Rooster Crowing Contest at the County Fair.

Any youth under 18 years of age may enter. The rooster may or may not be entered as a regular fair entry.

The number of crows counted in a 30 minute period will determine who the winners will be. The preliminary contest will be on Thursday, July 26, and Saturday, July 28, at 10:00 a.m. And the final crow will be held at 1:00 p.m. on Sunday, July 29.

Birds must have a name (famous persons, TV character, etc.). No touching of cage or bird with any object will be allowed during the counting time. Judges decision will be final.

Prizes will be \$5.00 to the two top crowers on Thursday and Saturday and \$10 plus a trophy to the winner on Sunday.

Rooster can be trained to crow but they must be worked with ahead of time. If you are

planning to teach your rooster to crow, the suggested procedure to train a rooster is to put the rooster in a box about 10:00 p.m. the night before. The box should be small enough so the rooster can't move around too much or stand up. Place the box, with the rooster inside, in a cool dark place (basement). Between 9:00 and 10:00 a.m. the next morning, place the rooster in a cage. Have nothing in the cage to distract him. You may want to dust for lice as they can be distracting. Start timing and count the number of crows in a half hour. Roosters can be coaxed to crow by snapping fingers at him or talking to him. Touching the cage is not permitted.

Entry forms are available at the Fair Office. Entries are due on July 23.

Seven Blue Ribbons Awarded at the Favorite Foods Revue

By Joan Hanrahan
Extension Summer
Home Economist

The 4-H Favorite Foods Revue was the kicking off activity for the 1984 Washington County Junior Fair. It was held Tuesday, June 19, at the Washington Mall in West Bend.

The participants were divided into two age groups 9-11 and 12-15 years old. Nine contestants were in each group.

Rosalie Powell, the home economist for Waukesha County, was the judge. Besides the food product, she judged a choice of menu, the table setting and how well the contestant answered questions. The food products ranged from salads to an oriental dish. Ms. Powell gave individual and overall general comments to everyone.

The participants got involved with judging by selecting a Merit Award for each age group. This was the display they thought was the most outstanding one. The winner of the Merit Award for the 9-11 age group came to a tie so Pam Schlosser and Amy Chesak, both members of the Myraneeers received a ribbon. Pam Hetzel of Hartford Hands of Friendship was the winner for the 12-15 year age group.

Blue ribbons were awarded to: Diana Buckmann, Sandy Buckmann, Amy Chesak, Mark Hautamaki, Pam Hetzel, Maureen Miller, and Holly Prochnow. Red ribbons were awarded to: Michelle Etta, Jackie Infalt, Liza Ann Melichar, Monica Pikoske, Linda Prost, Pam Schlosser, Jennifer Schneider, Rebecca Schwoch, and Kristine Werhand. Janie Infalt and Renee Kapp received white ribbons.

The revue was broadcast over Riverbend Cable Vision (community cable Channel 14) on July 3, at 2:30 p.m. and will be broadcast again on July 5, at 5:00 p.m.

Jackson Historical Society Plans Social

The Jackson Historical Society will sponsor its 9th Old Fashioned Ice Cream Social on Sunday, July 8, at the Mill Road Church Museum. Games and gemütlichkeit will prevail from 1 - 4 p.m. with prizes to be awarded at 3:30 p.m.

The museum is easily located 1½ miles south of Hwy. 60 and G (Division Road). Everyone is cordially invited to visit the one-room schoolhouse and to view articles in the museum.

Sketches of several historic buildings in the Jackson area have been reproduced on notecards and can be used as stationery or for framing. Artist Annette Jacobs who did the sketches will also be in attendance.

LOTTERY BILL TESTIMONY

Representative F. James Sensenbrenner, Jr. (R-Menomonee Falls), submitted testimony on behalf of H.R. 4020, which would permit the mailing and broadcasting of advertising concerning lotteries of similar events conducted by nonprofit organizations in accordance with state law. The testimony was submitted to the House Judiciary Subcommittee on Administrative Law.

Current federal statutes restrict the advertising of lotteries, bingos, raffles, and other gift enterprises in newspapers of general circulation carried by the mail or by broadcasting over the air. These

restrictions apply to both non-profit and profit groups, excluding state-run lotteries.

Sensenbrenner's submitted testimony informed the subcommittee that "H.R. 4020's limited exemption provides for the needed assistance to nonprofit organizations and newspapers, yet still respects the basic rights accorded to state governments. Further, this bill has received a wide range of bipartisan support in the House." Sensenbrenner concluded, "We have asked the nonprofit groups to help the federal government in times of economic crisis, now it is time we return the favor."

Johann to Run For State Senate

Cedarburg attorney Sara Lee Johann, who had previously announced her candidacy for state assembly in the 60th district, today announced that she has decided to seek the Democratic nomination for the state senate in the 20th district instead. Johann said she made the decision to run for the senate after consulting with numerous other candidates in the area and with Democratic Party leaders.

"Last Friday, the federal court in Milwaukee changed the legislative districts back to the way they were in 1982, putting me back into the 70th assembly district," Johann said. She noted that she had run in that district against Republican John Merkt in 1982. "I feel my chances of defeating Mr. Merkt would not have been very good," Johann said. "The senate seat has real possibilities for electing a Democrat. Besides, the Democratic Party already has a potential candidate against Mr. Merkt whom I believe will stand a very good chance of winning."

Johann is an attorney, currently handling several major cases for the law firm of Swartwout & Eichfeld, S.C. on an "of counsel" basis. She recently resigned as vice president of and an attorney with that firm. The candidate, who has a law degree from UW-Madison and a B.A. degree from UWM, worked for the Wisconsin Department of Justice in the criminal law field as a law clerk for two years. She has also worked as a news reporter.

As a lifelong Cedarburg resident, Johann has been active in the Democratic Party and other civic organizations for 12 years.

State Senator

SCOTT McCALLUM Reports

McCallum Says Social Security Benefits Not Subject to State Tax

MADISON--State Sen. Scott McCallum said Tuesday that, contrary to what some reports have stated, social security and railroad benefits are not subject to state income taxes.

McCallum (R-Fond du Lac) said he was hoping to clear up confusion over a change made last year on the federal level to tax social security benefits.

"I've had numerous people ask me recently whether their social security or railroad retirement benefits would be taxed by the state," McCallum said. "In fact, the change made to tax these benefits was on the federal level. We passed a law this year in the Legislature so that the state would not tax these benefits."

McCallum said Congress in 1983 passed a law which would make some social security and railroad benefits subject to federal tax. The move was seen as a way to help stabilize the ailing social security fund.

McCallum said a provision was included in the Legislature's "surcharge repeal" bill this spring which specified that benefits be exempt from state taxes.

"I wholeheartedly supported that provision," McCallum said, "because I think it's unjust to tax what sometimes is a retired or disabled person's only source of income."

An article in the June issue of the American Association of Retired People News Bulletin incorrectly stated that since Wisconsin had not passed a law

exempting the benefits, they would be subject to state taxes.

McCallum said the authors of the article may have received incorrect information, or, more than likely, the story went to press before Wisconsin's new law was published.

Anyone with questions about taxation of social security and railroad benefits should contact McCallum's office in Madison. The toll-free number is 1-800-362-9606.

Capitol Report

By Representative Mary E. Panzer (R-72nd District) Wisconsin State Assembly

Raffle Ticket Sales Tax Refunds In the Works

Organizations that have paid Wisconsin sales tax on the proceeds of raffle ticket sales will soon be able to apply to the state Department of Revenue for refunds, according to State Representative Mary Panzer (R-West Bend).

Representative Panzer announced that the Department is sending notices to more than 5,700 persons and groups that were registered with the state to hold raffles, instructing them how to apply for refunds.

The tax was applied to raffle ticket sales under the 1983-85 budget bill and became effective last September 1. Subsequent action by the Legislature repealed that provision retroactively, so that all sales tax collected on raffle proceeds can be refunded.

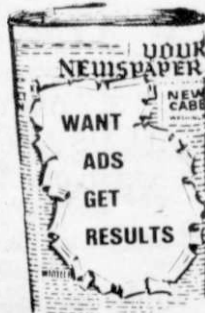

Representative Panzer and other Republican lawmakers argued during the repeal drive that the relatively small amount of revenue collected by applying the tax was not needed in view

of a projected half-billion dollar budget surplus, and that the tax represented an unnecessary burden on the civic and charitable projects for which most raffles are held.

The state will forego an estimated \$200,000 annually through restoration of the sales tax exemption.

"The sales tax never should have been applied to raffle tickets in the first place, and it's gratifying to see that the Legislature reconsidered its position and revived the exemption," stated Representative Panzer.

United Way Board of County Meets To Begin Work on 1984 Drive

The Board of Directors for the United Way of Washington County met last week to begin work on the 1984 drive. According to drive President, Larry Tainter, the board has set a goal of \$185,000 for this fall. After reviewing requests for funding from 33 agencies, the board approved allocations to 25 of them, totalling \$218,700. Needs in excess of the drive goal will be funded through reserves.

Emergency Service Agencies, which include the West Bend and Milwaukee Chapters of the American Red Cross, the American Heart Association, the Salvation Army, the Full Shelf Food Pantry, the U.S.O., and the West Bend Blood Donor's Club, will share in 16.8% of the allocations. The Council on Alcohol & Other Drug Abuse will receive about 12.3% of the allocation. Youth programs, including Boy and Girl Scouting programs, Planned Parenthood, Nova Services, Big Brothers/Big Sisters, and the West Bend Youth Center will receive 30.7% of the allocation. Developmental Disabilities Services, the Threshold, and Self Advocacy will share in 20% of the funds raised. Family Counseling agencies, including Lutheran Social Services, Catholic Social Services, Friends for Battered Women, and Friends for Life will receive 7.3% of the funding, and Senior Citizen Groups, including the Senior Citizens Activities Center, and the Arthritis Foundation will receive 2.3% of the funding. The United Way of America will receive .4% of the funds raised.

Drive Chairman, John Meyer, said communications among board members was excellent as the budget for 1985 was prepared. He said each of the members acted responsibly in making their decisions. Co-Chairman, Jim Oaklief, said the community should be aware of the budgeting process. He said

Area Women Among Charter Winners of New Mary Kay Cars

DALLAS, Texas — Patricia Miron and Julie Lepak, both of West Bend, have been awarded the use of a new Oldsmobile Firenza by Mary Kay Cosmetics, Inc. as a result of their accomplishments as independent sales directors.

Ms. Miron and Ms. Lepak are among approximately 1000 Mary Kay independent businesswomen who are charter members of the company's new VIP Club. (VIP means Very Important Performer!) In recognition of their leadership and personal achievements, Mary Kay provides VIPs like Ms. Miron and Ms. Lepak with the use of a new Firenza for as long as they meet production requirements.

The new VIP program was unveiled in February by the Dallas-based cosmetics company and marks the first time that Mary Kay has offered use of a car as an incentive to independent beauty consultants. Famous Mary Kay pink Buick Regals and Cadillacs have traditionally been awarded only to sales directors.

Mary Kay Cosmetics, Inc. is an international manufacturer and distributor of premium skin, hair and body care products, cosmetics, toiletries and fragrances. Net sales for 1983 were \$323.8 million.

Real Estate Firms Combine Operations

Don Kuechler, president of Realty World - West Grove Realty, Inc. and Monica Schulz, president of Realty World - Schulz Realty, Corp. jointly announced the combining of their firms' real estate sales operations. The combined firm, now Washington County's largest based real estate sales company, will operate as Realty World - West Grove Realty, Inc.

According to Kuechler, strengthening his company's marketing position, increasing market share and the need for additional qualified sales people to serve the increasing demands for real estate specialists in Washington County were all very important considerations involved with our decision. "For us, it was a natural," said Schulz, "both companies are Realty World franchised, our methods of operation were identical, and we both served the same market area." "Together," said Kuechler, "we can provide unequalled real estate sales, construction and financing service in Washington County."

West Bend Savings and Loan Association's Financial Resource Group has purchased the Schulz building located at 2395 W. Washington Street in West Bend. Extensive remodeling will get underway immediately to accommodate the West Grove Realty operation. Beginning August 1 West Grove Realty will move from its present location at 548 S. Main Street in West Bend to the company's new headquarters which will be called the "West Grove Building."

To Realty World - West Grove Realty, Inc. the move represents an almost doubling in office space to 4,000 square feet and an increase of experienced sales personnel of roughly 25%. According to Kuechler the additional space will better accommodate needed work space for sales

associates, there will be more room for displaying Real Scope boards (color photos of homes), and there will be additional space for displaying current construction projects like "The Meadows Additions" and "Willowbrook." The Financing specialists representing RW Mortgage Corporation of Wisconsin and West Bend Savings will also have increased work areas and the much needed privacy.

During the month of July both companies will continue to operate at their present locations. Major emphasis will be on the remodeling project, major signage changes, personnel orientation and customer public relations.

CARD OF THANKS

We would like to thank our relatives, many friends and neighbors for their acts of kindness during the illness and recent death of my beloved husband, our dear father and grandfather, CLEMENCE G. KUDEK. A special thank you to Pastor Hoenecke, members of the VFW Post #1393 of West Bend, the American Legion Post #384 of Kewaskum, St. Joseph's Hospital and staff, donors of floral and memorial tributes, food, organist, soloist, sexton, police officer, Miller's and to any one who showed their respect and concern and helped us in any way.

Mrs. Clemence G. Kudek and family

Off Road Vehicle Use on State Lands Is Not Permitted

The operation of off-road, motorized vehicles is not permitted anywhere on lands managed by the Department of Natural Resources except on trails where their use is authorized by posted notice. This includes all motor driven vehicles which are not registered and licensed to operate on streets and highways. Handicapped individuals may obtain a special permit from the property manager to operate a motorized wheel golf cart or other similar means of conveyance on state lands.

DNR managed lands include all state parks and forests, recreation areas, state trails, fish and wildlife lands and other properties.

A trail developed for use by two-wheel and three-wheel motorized vehicles is available at the Bong Recreation Area in Kenosha County. Both licensed and unlicensed two and three-wheelers will be authorized to use the trail. However, the trail will be open for this purpose during restricted hours and days, so before travelling to Bong, it is available to call ahead and obtain information as to when the trail is open for use. The number at the Bong headquarters is (414) 878-4416.

Minutes of Plan Commission Meeting

Village of Kewaskum
Plan Commission
Minutes of Meeting
June 26, 1984
8:00 P.M.

The Plan Commission of the Village of Kewaskum, Washington County, Wisconsin met in the Council Room of the Municipal Building, 204 First Street.

President Gerald F. Stollenwerk presided. Plan Commission Members present were Howard Laubenstein, Jeffrey Rohrer, Robert Kirst, Raynor Herriges, Richard Schmidt and Mark Slaughenouh.

President Stollenwerk welcomed the two new Commission Members, Richard Schmidt and Mark Slaughenouh.

On a motion by Howard Laubenstein, seconded by Robert Kirst and unanimously carried by voice vote, the Commission approved the minutes of February 7, 1984, and April 24, 1984.

Mr. Peter Knaup was not present and ready for the meeting so the matters before the Commission were tabled.

Jeffrey Rohrer explained to those members that were not in attendance at the April 24, 1984, meeting what

type of request Peter Knaup had. 1) Possible rezoning of land from P-1 to R-4. 2) Possible abandonment of the proposed street on the south side of the Meilahn site under consideration.

On a motion by Robert Kirst, seconded by Raynor Herriges and unanimously carried by voice vote, the Commission approved and sent to the Village Board the two certified survey maps submitted by the Selma Backhaus Estate after review and discussion.

Administrator Daniel Schmidt reviewed briefly some general information on Washington County as far as economic development.

Motion was made by Robert Kirst, seconded by Howard Laubenstein to adjourn the meeting. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent." The motion was carried unanimously.

VOTING BY ABSENTEE BALLOT

Any qualified voter, unable to get to the polling place on election day, may ask to vote by absentee ballot. A qualified voter is one who is a U.S. citizen, will be 18 years of age or older on election day, and who has resided in the ward or municipality where voting is desired to be accomplished for at least 10 days prior to the election. If the voter resides in a municipality which requires voter registration, then registration is also a requisite for the voter who is qualified in other respects.

To obtain an absentee ballot, you must request it in writing. Contact the clerk in the city, village or town in which you reside by mail or telephone, or in person, and request an application form. After properly completing and returning the application to the municipal clerk, an absentee ballot will be sent to you along with a postage pre-paid return envelope, or given to you if the application is submitted to the clerk in person. An application mailed to the clerk's office must be received by the clerk no later than 5:00 p.m. on the Friday before election day. An application made in person in the clerk's office may be done up to 5:00 p.m. on the day before the election.

With one exception, the voter who wants to cast an absentee ballot must make a separate application before each election. Voters indefinitely confined to their home or care facility because of illness, age or disability need not file an application before each election; a special statement on the application form can be completed asking that an absentee ballot be automatically mailed to them before each election. However, if the elector fails to mark and return the ballots sent to them for an election, it will be necessary to again complete an application form before receiving absentee ballots for a subsequent election.

Absentee ballots can be voted at home anytime after they arrive in the mail. They can also be voted in the clerk's office if the application is made in person. If an elector requires assistance in casting his or her vote, the assistance must be rendered by someone authorized to administer oaths, such as a clerk or notary public. If the ballots are returned by mail, the affidavit-certificate must be properly completed and signed by two persons. If returning the ballots in person, the affidavit-certificate must be properly completed and subscribed and sworn to before the clerk or the deputy clerk who are authorized to administer oaths. In either case, the marked, sealed ballot must be in the hands of the issuing municipal clerk on or before election day. Any absentee ballot received in incomplete or improper form, or received after the polls close on election day cannot be counted.

Campbellsport Defeats Indians With Good Pitching

The Kewaskum Indians hosted Campbellsport in a non-conference game Thursday and again weak hitting resulted in an 8-1 loss. The Cougars' Dan Salter pitched a three hitter against the Indians.

Kewaskum scored its only run in the first inning, which was unearned. Bob Yahr walked, stole second and scored on an error by the Campbellsport shortstop.

The lead stayed until the third inning when the Cougars got two runs off starter Dan Menzel.

The Cougars added one more run in the fourth, four in the fifth and one more in the

seventh. Kewaskum is now 5-9 after the loss. The Indians had chances to score in the second, fifth and sixth but couldn't come up with a timely hit. They also stranded two in the second and sixth.

Salter struck out eight batters while walking four. Sophomore Menzel walked three and gave up 11 hits.

Kewaskum played without Brian Arndt, still on vacation. Because this was a non-conference game, Coach Koth switched players around in some positions to avoid injuries to any of his starters.

Winners in Big Fish Contest

The winners in Village Sport Shop's Big Fish Contest for the week of June 24 to June 30 are as follows:

The Bass category was won by Bob Chojnowski, Milwaukee. He weighed in a 5.8 lb. fish that measured 21 1/4". He caught it using a plastic nitecrawler on Kettle Moraine Lake.

Erik Laatsch, Kewaskum, used a Rapala to catch his prize winning Northern. He caught the 3.1 lb., 24 7/8" fish on the Milwaukee River.

Andrew Breit, Kewaskum, brought in the largest Bluegill. His fish was 14 oz., 12 3/8" and was caught on Auburn Lake.

The fish contest will run through July 7th. Grand prizes for largest fish over the duration of the contest will then be awarded in all five categories.

J-C SOFTBALL June 27

Little Mack won 10-18 over Construction Crew with a total team effort and good pitching by Kevin Herriges.

Indians stayed on the winning track with a great game over the A's, winning 3-2.

Superstars won 7-6 over Short Stuff. The Superstars' Brian Pesch and Eric Ebert played a great game with sound defense and each scoring 2 runs. Richie Radtke came off a broken ankle having 3 RBIs and 2 triples. Also having a good game was Stacy and Brenda Kode. MVP goes to the whole team.

The Gems stepped to 4-0 with Wednesday night's victory over the Tigers. Solid batting and good fielding by Randy Romaine, Bob Schaeffler and James Dione led to a 14-7 victory.

Bartelt Ins.	2-1
Grand Larson	2-1
BJ & Co.	1-3
Thornton & Schaub	1-3

Standings 2nd Half	
Bartelt Ins.	2-0
Kennelly Pharmacy	1-0
BJ & Co.	1-0
Grand Larson	0-2
Thornton & Schaub	0-2

HIGHLIGHTS

Lots of action the past three weeks. So here goes.

On June 14th Grand Larson beat Thornton & Schaub 8 to 3. In the second game Kennelly beat BJ & Co. 14 to 12 in the grudge match between the Justman Brothers.

On June 21st, which was the start of the second half of the league, Kennelly beat Grand Larson 8 to 7 aided by some questionable calls by Tom "Jocko" Larsen. After the game some of the Grand Larson players were muttering something about hiring someone from Sicily to do a little neck massage on the Big Swede.

In the second game Bartelt Ins. pounded Thornton & Schaub 17 to 7. Every player from Bartelt's had a hit except for Tom "Simba" Bartelt who had another pitiful night at the plate. Lucky for him that he is in cahoots with the manager of the team. Rumor has it that he has been taking hitting instructions from Brewer Ted Simmons.

On June 28th Bartelt Ins. beat Grand Larson 11 to 5. Bartelt Ins. was led at the plate by Rollie "Skoal Bandit" Maul who hit a prodigious home run and accounted for 5 RBI's. Rollie is the local oil baron who runs the M&E gas station on Hwy. 41. Dan "Dick" Filzen had a flawless night in the field at shortstop. He inhaled everything that came his way both during and after the game. Dan is the kingpin at the West Bend Savings & Loan in West Bend.

In the second game Thornton & Schaub forfeited to BJ & Co. This is the second time that BJ & Co. has won due to forfeits from Thornton & Schaub. Rumor has it that BJ & Co. team owner Barbara Justman, the George Steinbrenner of the Goodtime League has been bribing players from Thornton & Schaub with, a free wash and perm. The legal department of the Commissioner's Office of the Goodtime League is investigating. Homer may be making weekend trips to Taycheedah to visit Barb.

Attendance 258. This was down a bit due to conflict with Kewaskum Nite at Brewers game. Next week is Town of Auburn Nite at the Thiemerdomes. Fans bringing a bottle cap from West Bend Old Timers or Lithia will get in free of charge. No specials at VIP lounge at dome this week as Richard Thiemer informs us he received a fire code violation fine for overcrowding last time he ran a special.

KEWASKUM INDIANS PONY LEAGUE

Kewaskum 7, Campbellsport 3. Homeruns were hit by Robbie Hron and John McClanathan. The Kewaskum team played very good.

West Bend Country Club Women's Golf Association

The June handicap tournament for 18-hole golfers ended on June 17th as finalists Marilyn McCollow and Judi Mottl played for the Marge Allen Trophy.

An even contest, Mottl won on the 17th hole, saying "it was

nip and tuck all the way." This is the third time in recent years that Mottl and McCollow have competed as finalists in the June tournament. The previous contests were played through the 19th hole, each of the women taking a turn at winning.

Judi Mottl, winner

Marilyn McCollow

The regular golfing event for women golfers on Wednesday, June 27th, was a putting competition. Prizes were awarded to A and B Classes for the most one-putt greens; to other classes for the most two-putt greens.

The following were winners for 18-hole golfers:

Class A - Sue Stehling with 6 one putts; Class B - Ann Gonring with 7 one putts; Class C - Ellen Stier with 13 two putts; Class D - Lou Moldenhater with 13 two putts; Class E - Phyllis Moebius with 12 two putts.

Another Hole in One at Hon-E-Kor

Another hole in one, the third in nine days, was shot at Hon-E-Kor Country Club last Thursday. This one was recorded by Jeff Igel, a 1984 graduate of Kewaskum High School.

Igel was playing with Mike Kirchner of Kewaskum and Merlin Wilde of Newburg when he holed his shot on the 201-yard 16th hole. He was using a driver.

The three aces shot within a nine-day period is a record for the club.

HON-E-KOR COUNTRY CLUB LADIES GOLF ASSOCIATION June 27

Day event: Beat the pro at Hon-E-Kor winners: Class A - Marge Bauer, Irene Schlefke, Joan Eggers; Class B - Gen Albiero; Class C - Frances Rohlinger; Class D - Laura Mathews.

Class event: Longest drive on #2 winners - Class A - Joan Eggers; B - Helen Goetz; C - Frances Rohlinger; D - Laura Mathews.

No event was scheduled for July 4th for the ladies. A flag tournament was held at the club for all members.

Blind bogey winner: Eleanor Marx.

Card winners: Bridge - Ruth Myrhum; Sheepshead - Eleanor Marx.

On July 9th the ladies will be playing at Hartford in the Fore Club League.

Janet Rohlinger and Nancy Boegel had quite a battle Monday night for a high game. Janet pitched a 66 with an average of 36 and Nancy pitched a 61 with a 29 average.

As the two ladies are partners, contrary to gossip, they did not leave the field "feudin'."

Sorry Cheryl, we had to give Chris & Shirley 2nd place.
