Business Manager Approval Postponed

Board Trims \$176,000 From 1984-85 School Budget

By GERRY MUELLER
Statesman Staff Writer

While it still has not been finalized, the Kewaskum School Board whittled another \$175,698.00 from the proposed 1984-85 budget and is looking to cut it more.

At Monday night's meeting, Business Manager Baird Stouffer presented another revision for the Fund 10 portion of next year's budget. Cuts made throughout the report ran from a low of \$1,000 under purchased services, to highs of \$20,000 each in utilities and supplies.

The original reduction in Monday's budget was \$110,698, however, after some discussion, the board agreed with member Tom Brigham's recommendation to increase the cut by another \$65,000. Of Brigham's recommendation, \$45,000 would come from the money previously used to pay insurance premiums one year in advance. The past few years, the district had used some of its surplus funds to pay the next year's premiums rather than budgeting money for them in

the year they were due. Along with that money, Brigham also asked the administration to go back through the budget and make another \$20,000 in cuts wherever they could.

The new reductions would drop the increase over the 1983-84 budget to approximately 7.3%, an increase of about 45c per \$1,000 of assessed valuation as compared to 89c calculated on last month's presentation.

Town of Scott resident Clara Trapp told the board "the whole budget stinks." She asked the board how it could work on a budget with a 7.3% increase when negotiated salaries for the next two years are up 9% themselves.

In a formal letter presented to Brigham, board member Ralph Horner resigned as School District Treasurer. Horner indicated in his letter that he was unhappy with some of the bookkeeping methods used by the district such as moving funds from one account to another without board approval. And he would no longer allow

his name stamp to be used as treasurer for the district. Horner felt the district's bookkeeping practices should be reviewed and if necessary the proper changes made.

In other action the board approved the contract for LeRoy Kopecky to fill the position of High School Principal. Kopecky will assume his duties August 1st, at a salary of \$36,000. The contract is for a 240 day period, renewable after one year.

The contract to hire Ms. Cherna Gorder as the new business manager to replace resigning Baird Stouffer was not approved. Ralph Horner made a motion that action on the contract be postponed indefinitely. Horner felt the selection process had not been handled properly noting first, that the board had only voted to accept Stouffer's resignation and no formal action had been taken to go ahead and look for a replacement. He thought action on the contract should be delayed until the board could look into alternatives such as a bookkeeper or comptroller. Brigham questioned Horner on his comments asking him what the defects in the selection process were. Horner said the committee that reviewed the original applications had not been appointed according to board policy. President Jean

Kewaskum to Welcome Newest AFS Student

Rosi Cano

The Kewaskum area will soon be welcoming its newest AFS daughter, Miss Rosi Cano of Rio Grande, Honduras. Rosi is seventeen years old and will be spending her year in the U.S. with the Ronald Landvatter family in Fillmore.

At home in the Honduras, Rosi has two brothers and two sisters. Her father is employed as an independent accountant. Rosi is 5'7" tall, and some of her favorite activities include playing basketball, reading, dancing, biking, and watching television. Maintaining good friendships is also important to

Rosi.

The Landvatter family hosted previously when Isa Koch (Austria, 1980-'81) lived with them during her AFS year. Isa and the Landvatters still keep in touch throughout the year. The Landvatters: Ron and Janet and children Rhonda, Paul, Tim and Daryl are looking forward to meeting their new AFS daughter (and sister). Rosi will arrive in New York July 23 and after a four day orientation session meet her family in Milwaukee. Rosi will be available to speak to local groups and classes after January 1.

The Kewaskum AFS chapter has been active for nearly 25 years. In that time 33 families have hosted 34 foreign and domestic exchange students. Eighteen Kewaskum students have travelled abroad under the AFS Americans Abroad or USA programs. AFS International/Intercultural Programs is the largest student exchange program of its kind in the world. Anyone interested in any aspect of the AFS exchange programs should call 626-4808 for more information.

Petitions Available For Extended Phone Service

Petitions are available in the Kewaskum area for extended area phone service. These petitions are for making some of our long distance calls toll free calls.

For instance, among the petitions is one, Kewaskum to Allenton, which is presently a long distance call. Allenton area people would like the opportunity to call their local school system toll free. At present, Allenton exchanges can only call West Bend for about a one dollar charge per month.

A citizens group has these petitions at various businesses in the Kewaskum area, including the Valley Bank. They would like support from the Kewaskum people, and close the gap between the two localities. There is also an optional metro-Milwaukee petition for those interested.

KRAZY DAZE Tuesday, July 17

The Kewaskum Area Chamber of Commerce is sponsoring their twenty-second annual Krazy Daze sidewalk sale on Tuesday, July 17. The event runs from 8:00 a.m. to 8:00 p.m. The annual summer sidewalk sale features mark-downs on summer goods from clothing to sporting equipment, furniture, specials on jewelry, paint, plants, trees, shrubs, cookware, and much more.

On Krazy Daze everybody gets in the act of either selling or buying. Merchants, clubs, churches, organizations and individuals set up their stands on the sidewalk or on lots in the village as well as offer sizeable discounts in the stores.

You will have your choice of many foods being offered. In fact, you just won't be able to decide what to eat with the variety of foods, available. There will be brats, ham-

burgers, hot dogs, hot beef, chicken plate, pizzas, nachos, French fries, cream puffs, soda, ice cream, toasted cheese sandwiches, baked goods, popcorn, even a fish boil! You name it — Kewaskum Krazy Daze will have it.

Local taverns will be offering specials on some of their drinks and some will be dressed in crazy costumes.

In the evening there will be live music at different locations sponsored by several taverns.

Check the ads on the inside pages of this issue for bargains and entertainment.

Whatever your needs or desires, whether it be bargains for yourself, your home, a gift or to take advantage of all the goodies offered — you'll find it all at Kewaskum Krazy Daze, Tuesday, July 17. Come, enjoy the fun.

Move Afoot to Stop Beechwood Closing

By GERRY MUELLER
Statesman Staff Writer

Was the Kewaskum School Board's June 11th action to close Beechwood Elementary School legal and correct, the question may end up being answered in court.

According to a complaint filed in Branch Three of the Washington County Circuit Court on Monday, the Kewaskum School Board voted to close Beechwood, however, referring to Wisconsin Statutes listed in the complaint, powers and duties set forth under sections 120.12 and 120.13 do not include the closing of schools.

The action, filed by the law firm of Guenther and Haza, on behalf of plaintiffs Ralph Trapp, Donita Trapp, Steven Siebenaler, Alice Krahn, Irene Gnacinski, Glenn Luedtke, Dorothea Liebelt and Clara Trapp, resulted in a summons being served Monday, to each of the seven board members, giving them 20 days to answer the complaint.

The complaint is seeking an order declaring the school closing null and void, along with the temporary restraining order to restrain the board from taking any further action regarding the closing until a hearing is held on the matter.

The plaintiffs are seeking a court decision which would permanently enjoin the board of education from closing Beech-

wood based on action taken by the board on June 11. They are also seeking disbursement of their costs and attorney fees in the action.

During Monday night's school board meeting, Tom Brigham, Clerk of the School District, read a letter from Quarles and Brady, the district's legal counsel, regarding a petition and letter sent to Brigham by Clara Trapp. The petition had asked that the board hold a special meeting regarding the Beechwood closing.

In his letter, Patrick Schmidt, of Quarles, stated the petition had several defects. First, under Wisconsin law, electors do not have the power to demand a special meeting of the school board. Secondly, "that the subject matter of the proposed meeting is beyond the power of a special district meeting." Schmidt's letter went on to state that even if the first deficiency in the petition was ignored and they are viewed as requesting a special district meeting pursuant to section 120.08, for the purpose of reversing the board's decision concerning Beechwood, that section gives a special district meeting the powers of the annual meeting. Section 120.10, however, states annual meeting powers, which do not authorize the annual meeting to

Historical Society Meeting Canceled

Due to the Kewaskum Crazy Daze festivities scheduled for July 17, the Kewaskum Historical Society monthly meeting scheduled for the same evening has been canceled. Anyone desiring posters or buttons for the September 9, Early Farm Days should contact Daniel Schmidt. Also, if any member has a free Sunday afternoon, it would be appreciated if they would call Sylvester Schmidt and sign up to watch the Museum and Log Cabin.

The next regularly scheduled meeting will be August 21, at 8:00 p.m. at the Museum. This will be a very important meeting with Early Farm Days only three weeks away.

Mrs. Martha Staeger Dies

Mrs. Martha M. Staeger, 89, of 363 Main St., Kewaskum, passed away at St. Joseph's Community Hospital in West Bend on Thursday, July 5, 1984, where she had been a patient for the past three weeks.

She was born on April 18, 1895 in Town Scott to the late John and Ottelia Schultz Hintz. In 1918 she married Arthur Staeger in Waukegan, Ill. He passed away in May of 1950. Before moving to Kewaskum nine years ago she lived in the Beechwood area.

Mrs. Staeger was a lifetime member of Immanuel Lutheran Church in Town Scott.

Survivors include four children: three daughters, Mrs. Veila (Ruben) Vetter of Beechwood, Mrs. Vivian (Leland) Vetter of rural Kewaskum, Mrs. Virginia Oppermann of Kewaskum and one son, Vernon of Beechwood. She is further survived by 18 grandchildren; 33 great-grandchildren; one great-great-grandchild; one

sister, Mrs. Adailia McElroy of Adell; one brother, Arthur Hintz of Campbellsport; other relatives and friends. Three brothers, three sisters, one daughter-in-law and one son-in-law preceded her in death.

Visitation was on Sunday July 8th, after 3 p.m. at the Miller's Funeral Home in Kewaskum. Services were at the funeral home on Sunday evening at 8 p.m. with Pastor Wm. Robinson officiating. Burial was on Monday, July 9th, at 10 a.m. in Immanuel Lutheran Church Cemetery, in Town Scott.

INFANT BAKER

The infant son of Michael and Carolyn Ramthun Baker, Route 3, Campbellsport, died Sunday, July 8, 1984, at St. Mary's Hospital, Milwaukee, following birth the same day.

Survivors include one sister, Aimee, at home; maternal grandparents, Mr. and Mrs. John Nonn of Campbellsport; paternal grandparents, Mr. and Mrs. Franklin Baker of Lamartine; and paternal great-grandmother, Mrs. Diana

Redeker of Fond du Lac. He was preceded in death by one brother, his paternal grandmother and maternal grandfather.

Private committal was held at Trinity Evangelical Lutheran Church Cemetery, Dundee, with the Rev. Anthony Schulz officiating. Uecker-Witt Funeral Home handled arrangements.

KHS CLASS OF 1975 TO HOLD REUNION MEETING

Everyone is welcome to attend the organizational meeting for the 10-year reunion of the KHS class of 1975.

Goeden asked Horner why he had not said something before the process was completed. He told Goeden he had indicated he would not serve on the committee because of the way it was selected. He also said he was not at the meetings held to interview candidates because he had been on vacation.

Brigham was annoyed over the fact that candidates had been interviewed, a finalist chosen and offered the job only to have the contract held up by Horner's motion. He told the meeting, if you look at school clipboards you'd see there are a lot of schools looking for business managers and there aren't that many around. "We've already lost two in the last year because they've moved up and on," said Brigham. Kewaskum had only four applicants for the position.

Board member Neal Weare questioned whether there could be legal problems in offering a contract and not going through with it. District Administrator John Long said he had informed Gorder of her selection but also indicated the contract was subject to board approval. Long said he did not know if Gorder had already resigned her present position.

Stouffer's resignation is effective the end of this week. His duties will probably be handled to some extent by the administrative office staff. Penny Pohle handled much of the responsibilities last year when Robert Borch left the district and the position was eventually filled by Stouffer.

The board was also to have discussed busing alternatives at Beechwood, however, Goeden said the item was dropped from the agenda on the advice of legal counsel that no further discussions be held in light of Monday's legal action taken regarding the closing.

Beechwood

decide whether a school is to be closed.

In citing a 1978 court action regarding a similar situation, Schmidt's letter stated the Wisconsin Supreme Court reversed a decision in which a trial court declared that power to close the elementary school lies in the annual or special meeting. The Supreme Court ruled the annual or special meeting must be set aside and the trial court directed to enter a judgement declaring that this power resides in the board.

Schmidt concluded that, based on the facts indicated in his letter, this was not a subject for the annual meeting or special meeting of electors. "Therefore, the petitions which request a special meeting to

consider the matter of closing Beechwood School involve a subject which is beyond the power of a special meeting to transact. Accordingly the school district clerk shall reject such subject and so notify each elector signing the petition." Brigham told the board a letter to that effect was being sent out to the 160 people who had signed the petition.

The board will now have 20 days to make its response to the summons.

At a time when the board is working on the 1984-85 budget trying to trim wherever it can, the district will again be looking at additional expenditures for legal fees concerning a controversial subject. In checking with Business Manager Baird Stouffer Tuesday morning, he indicated no statement had been received as yet for legal costs incurred regarding the Beechwood closings. Depend-

Michael Lawrenz**

Michael Lawrenz

Friends and neighbors: We need your help with a fund which has been started for Michael Lawrenz, 2-year-old son of Jim and Joanne Lawrenz, 2987 Brazelton Dr., RR., Kewaskum. Jim is one of your local bus drivers.

On Feb. 6 Mike was taken to St. Joseph's Hospital with a sore leg. The next day he was taken to Children's Hospital at Milwaukee where they found he had Leukemia.

He was at Children's for three weeks and now he must return each week for treatments.

Mike is responding well to the treatments and his family and friends are grateful for this.

The medical expense is covered in part by insurance. This fund is for what the insurance doesn't cover and the trips to Children's Hospital.

If you can help in any way, it sure will be appreciated. There will be canisters in business places around the area.

Thank You and
God Bless You

Cub Scout News

The Kewaskum Cub Scouts of Pack 3744 spent a busy Sunday marching in the Fireman's Parade and working in their fish pond booth at the park. The boys marched behind a scout decorated 4-wheeler driven by Mrs. Janice Oppermann. The fish pond booth was one of the more popular booths in the park, and everyone received a nice prize for fishing. The boys, along with the Kewaskum Boy Scouts, did a fine job of cleaning up the park on Monday morning. They deserve a pat on the back for a job well done.

In June the Cub Scouts and their leaders enjoyed a picnic at Sandy Knoll Park. Everyone had a good time, especially during the Scavenger Hunt and water balloon toss. The boys also played kickball and had plenty of hot dogs to eat. Coming up in August is day camp where the boys all get to try archery, fishing, rowing and many other outdoor activities. Come join the Cub Scouts, and join in the fun!

**General Clinic/Estrella
Clinic Merger**

R. and A. Estrella, M.D.

The General Clinic of West Bend, Inc. and the Estrella Medical Clinic, S.C. announced their merger effective July 2, 1984. A spokesman for the General Clinic indicated that this would make available a full range of primary care medical services through the General Clinic including Internal Medicine, Pediatrics, Family

Practice, General Surgery and Obstetrics and Gynecology.

With the addition of Renato S. Estrella, M.D., an Obstetrician and Gynecologist, and Aurora M. Estrella, a Family Practitioner, the General Clinic will have eighteen physicians. The clinic will maintain two full time offices in West Bend, one full time office in Jackson and a

part-time office in Grafton. The Estrellas formerly practiced in Kewaskum.

Dr. A. Estrella will continue her practice from the former Estrella Medical Clinic office at 1713 North Main Street. The office will be renamed "General Clinic-North." Dr. R. Estrella will also continue to practice out of the office on North Main Street and out of his office in Grafton. In addition, he will also have office hours in Jackson at the General Clinic-Jackson Medical Services on East Main Street.

**Father Berghammer
Returns From Trip**

The Rev. Robert Berghammer, pastor of Holy Trinity Congregation, Kewaskum, returned home Friday evening, June 29, from a trip to Egypt, the Holy Land and Rome. Fr. Berghammer and two other priests joined some 35 other priests on the trip.

**Seidemann Family
To Hold 51st
Reunion July 15**

On Sunday, July 15, the Friedrich Seidemann descendants will meet for their 51st consecutive annual family reunion at the Ray Seideman family farm located east of West Bend, about 1 1/2 miles northwest of Newburg.

When Friedrich Seidemann and his wife came from Germany with their eight children in 1853 they settled in the area of the Ray Seideman farm. Thus, since 1933, the descendants have met there each year to hold an annual get-together. Over 2,400 living direct descendants of Friedrich Seidemann and his wife, Rosina have received invitations to attend this event.

Games and contests for all age groups, attendance prizes and music have been planned by the entertainment committee. Also, there will be a display of over 75 family heirlooms and antiques dating back to 1845, some of which were brought along by members of the family when they emigrated to America from Germany.

The third printing of the Seidemann Family's history and Chronological table listing the descendants of Friedrich and Rosina (nee Koch) will be available at the reunion.

The committee planning this year's reunion are: Don Trepte, West Bend-General Chairman; Mr. and Mrs. Dennis Seideman Kewaskum-Entertainment; and Ralph Trepte, Oconomowoc-Refreshments.

**Schmidt Family
Reunion Scheduled**

River Hill Park in Kewaskum will be the setting of the second Schmidt family reunion on Sunday, July 15.

Descendants of George and Christina Schmidt will be gathering from many states,

including Minnesota and Florida.

The day's activities will include a picnic dinner and supper, games, prizes, and refreshments. Pictures of each line of descendants will be taken for future memories; in addition, pictures of past ancestors will be on display.

An open invitation is extended to all Schmidt relatives to attend. A good time is guaranteed. Any descendant who has not yet replied may contact the committee chairman, Mrs. Virginia Oppermann at 626-2026.

**Girl Injured in
Accident Improves**

Roseann M. Peterson, 17, of rural Kewaskum has improved to serious condition in the intensive care unit at Froedtert Memorial Lutheran Hospital, Milwaukee, it was reported.

The girl suffered severe head injuries in a car accident in the Town of Barton last month. It was reported Ms. Peterson may be moved out of the intensive care unit late this week.

'Take a Walk Thru Kewaskum'

Sponsored by Kewaskum Area Chamber of Commerce
By Nanc Malvick

"The Village Sport Shop," 334 Main St., [across from the post office], is owned and operated by Gerald Geidel and Roger Groeschel. The fellas started the business in September, 1978, and they carry both hunting and fishing supplies.

Roger is a gunsmith. He mounts sights, scopes and bore sights and does gun repair.

The shop carries Ruger, Remington and Winchester shot guns and rifles, plus Burris and Leopold scopes.

Gerald repairs fishing reels. Some of the rod and reel brand names include: Shimano, Daiwa and Johnson. The shop also handles a full line of lures and tackle, including all the materials needed for making your own jigs. "Makes You Feel Like Fishing!"

Jennings Bows and Easton Arrows are also sold and displayed for the archery and bow hunting enthusiast.

The "Village Sport Shop" runs a "Big Fish" contest every summer, and a "Big Deer" in the fall. There is also a contest for bow hunters during bow season. "GO FOR IT!"

Smokey Honored On 40th Birthday

Smokey Bear is as American as baseball, hotdogs, and apple pie, according to Milton Reinke, Wisconsin State Forester. Having been conceived during World War II when the need for fire prevention was at a critical point in this country, Smokey is a product of America's willingness to rally behind worthy causes. He has achieved national recognition in this country as the symbol of fire prevention.

In appreciation for his fire prevention efforts, the National Association of State Foresters will commemorate the 40th anniversary of the Smokey Bear Cooperative Forest Fire Prevention Campaign with a cacheted envelope (Official First Day Cover) cancelled on the first day of issue of the Smokey Bear stamp at Capitan, New Mexico.

The envelope cachet and affixed stamp were designed by

Rudy Wendelin, nationally known Smokey Bear artist and former illustrator for the Forest Service, U.S. Department of Agriculture.

All proceeds obtained from the sales of the first day covers will be retained by the National Association of State Foresters to be used for fire prevention and the advancement of forestry in the United States, according to Reinke.

More information is available

from Allane Wilson, Alabama Forestry Commission, 513 Madison Avenue, Montgomery, AL 36130.

The first father and son to serve at the same time in the U.S. Senate were Henry Dodge of Wisconsin and his son, Augustus Caesar Dodge of Iowa. They served from 1848 to 1855.

Seefeldt to Seek Re-election As County Treasurer

WEST BEND....Fredric A. Seefeldt, Washington County Treasurer, filed his nomination papers for re-election on Tuesday, July 10, 1984. Seefeldt, a Republican, is seeking his third two year term as county treasurer.

In declaring his candidacy, Seefeldt said: "As County Treasurer I am pleased to report to the people of Washington County that 1983 marked the fifth consecutive year under current management that total revenues from the operation of the treasurer's office topped the \$1 million mark."

"As County Treasurer I am responsible for the collection of postponed and delinquent real estate taxes and I serve as the County's cash manager and investment officer. Constant monitoring of cash balances and the investment of funds not immediately needed have contributed some \$5.2 million in investment income over the past five years," Seefeldt stated.

"Each dollar of investment income generated by the county treasurer is in effect a dollar of tax relief, for it means that one less dollar has to be raised from the property tax," Seefeldt explained.

"In addition to keeping abreast of the trends in cash management and the changes in property tax law, I have introduced several new procedures to the operation of the County Treasurer's office. Special computer programs have been written to generate individualized statements and letters to aid in the collection of delinquent taxes. For the past three years, we have made use of an 'express lane' to aid taxpayers paying in person at

the courthouse," Seefeldt said.

"Last July, as a pilot project, I set up tax collection hours for a day in Germantown. The response from the community was good. I am returning this year, as well as adding collection days in Richfield and Hartford," Seefeldt stated.

Seefeldt has served as County Treasurer since September 1979 when he was appointed by the Washington County Board of Supervisors to fill a vacancy in the post.

A native of Washington County, Seefeldt is a graduate of the Kewaskum Public Schools and now resides in West Bend.

He received his Bachelor of Arts degree with honors from Lakeland College, Sheboygan, in 1960. He also holds a Master of Divinity degree from the Lutheran School of Theology at Chicago.

Seefeldt is a licensed insurance agent and president of the A. H. Seefeldt, Inc. agency. He is also a tax practitioner and manager of a tax preparation service.

The present treasurer is a member of the Wisconsin County Treasurer's Association; the board of directors, West Bend Chapter, American Red Cross; the West Bend Rotary Club and the Washington County Republican Party.

The primary election will be held Tuesday, September 11, 1984 and the general election, Tuesday, November 6, 1984 for all partisan posts, including county treasurer.

Picnic Here Fine Success

The Firemen's Centennial and Legion Picnic held over the weekend was largely attended and another huge success. Parades were held on both Saturday and Sunday.

Saturday afternoon's parade, which included the high school band, the Kewaskum Fire Department's entire fleet of equipment, honorary firemen in convertibles, and numerous entries of antique fire equipment from surrounding fire departments, was well attended. After the parade, this equipment was on display in the park.

Although the skies were threatening and a few drops of rain fell, Sunday noon's main parade was rated as the best ever held here. The crowd witnessing the parade was also estimated as the largest ever with thousands of people lining the streets. There were approximately 100 units in the parade, which continued for more than an hour and a quarter. The rain held off and

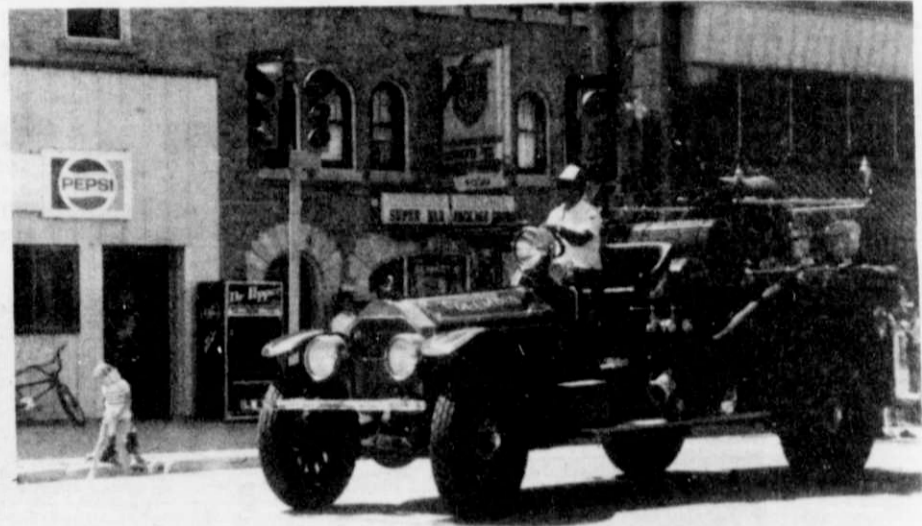

immense crowds turned out for the picnic in the park for the remainder of the day and evening for the centennial celebration.

Float winners in the parade were: 1st - Modern Woodmen, "God Bless Our Firemen;" 2nd - Family Hair Salon, "Pampering the Retired Firemen;" 3rd - Kewaskum 4-H'ers, "Serving Kewaskum for 100 Years;" 4th - Kewaskum Sno-Chiefs.

Children's parade winners were: 1st - Jack Rindt, "Centennial Express;" 2nd - Brian Weinfurter, "Smurf on a Big Wheel;" 3rd - Julie Yahr; 4th - Brett Rauch.

Eleven teams from neighboring fire departments participated in the evening water fights in the park. Winners of the first three places, all of whom were awarded trophies, were: 1. Jackson; 2. Waubeka; 3. Woodland.

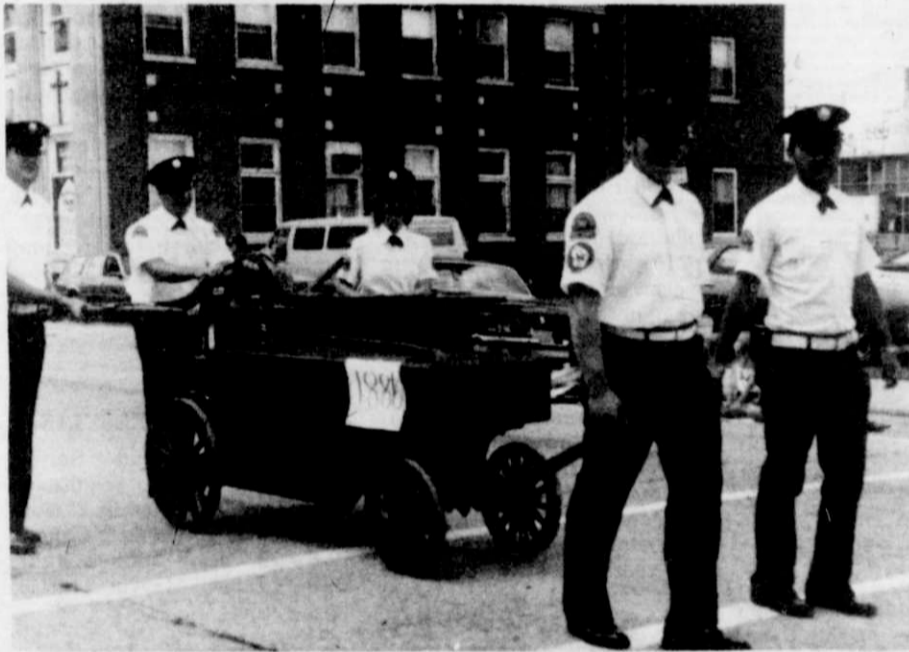

Winners of the advance ticket sales prizes will be announced at a later date.

This antique fire engine Saturday was entered all the way from Columbus, Wis. There were many others from Richfield, Germantown, Cedarburg and surrounding communities.

On the weekend of June 15-17, Troop 744 camped at Devil's Lake and visited the Circus World Museum in Baraboo. Devil's Lake is famous for its rock formation and cliffs all around the lake and is used by many climbers to learn and improve their climbing technique. The Scouts watched these climbers as they hiked the 5 mile trail high above the beautiful lake. The weekend was filled with rain and torrential downpours but using Scout skills, we still managed to cook our spaghetti dinner and our spirits were not dampened. While we spent 4 hours at Circus World, we had two downpours. Both came while we were under the Big Top Tent.

Saturday night, June 23, the Scouts guarded the games and prizes for Holy Trinity Picnic. Four huge pizzas were provided by the Picnic Committee and was more than a treat but a meal enjoyed by all.

Sunday, July 8, the Scouts marched in the Firemen's Parade. Under the direction of Dennis Giese, Assistant Scout Master, the Scouts designed the float and painted all the signs. We thank the Firemen for letting us have our game concession and we spent Monday cleaning the park.

Upcoming events:

July 17 - Crazy Days the Scouts will be serving Nachos and cheese with Paul Behring.

July 21-22 - Rafting on the Wolf River.

August 4 - Car Wash, Picnic and Parent get-together.

August 16-21 - Summer Camp at LaCrosse.

Impressive Garments Shown at County Clothing Revue

By Joan Hanrahan
Extension Summer
Home Economist

The quality of the garments at the 1984 Clothing Revue held at Washington Mall, West Bend, June 28, were outstanding. Twenty-five blue ribbons were awarded.

Mary Fran Lepeska, Home Economist from Ozaukee County, served as the judge. She gave each contestant individual comments and overall comments for each class. The participants were judged on the construction, the fit, the accessories worn, and how the garment complimented the participants physique.

The participants were divided into categories depending on their age and years in clothing. The ages ranged from 9-18 years old. Categories included Crocheting, Fun with Clothing, Clothes and You, and Clothing

Unlimited.

All of the participants, 14 and older, who received blue ribbons got involved in judging by selecting two Teen Choice Winners. The winners were Diane Schmidt, of the Kirchhain Trotters, and Beth Bartelt, of the Wayne Crusaders. Two participants in this age group were selected to go to the State Clothing Revue and will be announced at the Washington County Junior Fair Clothing Revue which will be held on Saturday, July 28, at 7:30 p.m. on the Main Stage.

All participants will model their garments at the fair and ribbons and merit money will be presented. Come and see the fine talent these seamstress have at the fashion show.

Blue ribbon winners in the crocheting class were Sherry Schellinger and Holli Etta.

In the 9-year-old class, Sara Nysse and Chrystal Jaeger were awarded blue ribbons and Julie Reiter was awarded a red

ribbon.

Fine seamstress were found in the 10-11-year-old class because they all were awarded blue ribbons. Participants were Ingrid Ankerson, Jenny Baur, Amy Chesak, Jenny Liegl, and Sherry Schellinger.

Tammy Bath, Diana Buckmann, and Holly Prochnow, all 12 years old, were awarded blue ribbons.

The intermediate, 11 and 12 year old, who were awarded blue ribbons were Jenni Buchholz, Michelle Etta, and Kristine Werhand. Lori Bies was awarded a red ribbon.

Carla Anderson, Beth Bartelt, Janet Barth, Holli Etta, Rhonda Herriges, and Andrea Rathke, all intermediate sewers, 13 years old, were awarded blue ribbons.

The advance sewers with two or more years in clothing who were awarded blue ribbons were Jeanne Awve, Diane Schmidt and Ann Shaw.

Big Brothers and Sisters Celebrates 15th Anniversary

By Susan Snyder

It was the winter of 1969 when several divorced mothers in the area got together to discuss a common dream. Wouldn't it be nice if their sons had some additional contact with a male adult, other than occasional visits with their natural father. Someone who could play ball with them, teach them how to put a worm on a hook, explain how to take off and oil a bicycle chain, or just sit and talk with, about nothing in particular. Someone to act like the big brother they never had.

Through the dreams of those single mothers, the concern of a small group of local Jaycees, Knights of Columbus, Washington County Mental Health Center and the support of the Washington County Department of Social Services, that dream came true exactly 15 years ago this week.

That dream, now known as Big Brothers & Big Sisters of Washington County, proudly celebrates the 15th Anniversary of its founding this week. An organization of over 120 volunteers throughout the county who donate their time to be a friend to a youngster from a single-parent home, is what the program has become. But even though the numbers have grown in 15 years, the goal behind the program has remained the same, to be a friend to a young boy or girl. With a fully equipped, modern office, staffed by a full time director, case worker and secretary and governed by a 25 member Board of Directors, the Big Brother organization oversaw a budget of \$62,000 last year and finds itself with a waiting list of well over 100 children wanting a Big Brother or Big Sister.

Mary Sue Pansing-Brown of West Bend, one of the founders of the organization in 1969, who still serves on the Board of Directors, remembers that first year. "I was a single parent with three boys," said Pansing-Brown. "I needed someone for my sons."

Also concerned with the need for male role models for young boys at that time were the West Bend Jaycees, who decided to form a Big Brothers group as a community service project. With the support of members of the Washington County Department of Social Services, a core of about 17 people began holding meetings at Silverbrook School. Signing up to form the first temporary Board of Directors along with Pansing-Brown, were Alex Hernikl, Ray Lewis, Kelly Held, Larry Teigen, Clarence Schwartz, Bob Schermacher and John Cain,

among others. Pansing-Brown, Hernikl, Schwartz and Schermacher have remained involved in Big Brothers ever since. Lewis, a member of Holy Angels Catholic Church who worked at the West Bend Company, was elected as the first president that year.

With the help of Big Brother organizations from Dane and Racine Counties, Articles of Incorporation were drawn up, committees formed and recruitment of Big and Little Brothers began that year.

"We passed the hat among the Board Members for our first budget of \$25," remembers Pansing-Brown. "Everything was done through volunteer time and effort."

Mike Bloedorn, who is currently on his second match for the organization, was the organization's first Big Brother, having been matched in 1970. Other early Big Brothers who have been with the program every since, include Terry Placzek, first matched in 1973, and Greg Czerniak and Jim Valerius, matched in 1974. Mike and about 25 other matches provided the group with its beginning core of members those first couple of years, with all supervision done completely by volunteers.

It was in 1971 that the organization hired its first employee, Tom Merriam, as a part time director to oversee the matches and handle fundraising and budget matters. Working out of his home, Merriam was paid "barely minimum wage." With a small part of its budget coming from state and county funding, the United Way and private donations, fundraisers including car washes, bake sales and still "passing the hat" among the Board.

In 1974, Big Brothers hired its first full time director, Bonnie Anderson, and moved into its first real office above Husar's Jewelry Store on Main Street.

The first caseworker and paid secretary were hired in 1976, which was when the "Big Sister" portion of the name was added and women entered the program. The number of matches and the waiting list, which equal in number, continued to grow, as did couple matches and cross-gender matches becoming part of the organization.

Dave Bilgo followed Anderson in the job of Big Brothers' Executive Director and in January of 1981, the current director, Kathy Saemann, took over.

Over one-half of the Big Brother budget still comes from the United Way, made up of

United Ways of Greater Milwaukee, Washington County, Hartford and Kewaskum. Some matches are purchased each year by the Department of Social Services and other major businesses and civic organizations throughout the county. The remainder of the budget is still maintained through fundraising, with the major events being the Triathlon (this year's was the Third Annual with 300 participants), the Restaurant Coupon Booklet, Softball Tournament and occasional Bingos.

With its budget, the organization now housed at 129A South Seventh Avenue, not only offers professional support and advice to each of its 120 matches, but sponsors such fun events for its members as Bucks and Brewer game trips, picnics, Christmas and snowmobile parties, fishing clinics, softball teams, Recognition Dinner and new this year, a Casino Nite for the adult volunteers.

For the first time in 15 years, Big Brothers finds itself in a very stable financial situation, thanks to well established fundraisers and generous contributions. Because of this, the organization is now concentrating its biggest efforts for 1984 on recruiting badly needed volunteers.

Current President Dr. Jerry Beerends of West Bend, has made it a major goal of the program this year, to promote the worthwhile work that Big Brothers & Sisters does in the county. His primary objective for 1984, is to recruit new members. In promoting the organization this year, Beerends, members of the Board and Big and Little Brothers and Sisters, took part in a three part program for the local Cable TV network discussing their work in the county. The Casino Nite, attended by well over 100 volunteer members, was held in May as a way of saying Thank You. Also, the program's Public Relations Committee has made up new T-shirts for all members, which promote the group and ask "Join Our Gang..."

Open to any youngster in the county ages 6 to 16, and comes from a single-parent family. Big Brother/Sister matches can last until a child reaches the age of 18, or graduates from high school. Some of the longest lasting matches in the organization have been going for eight years. They include Big Brother Mike Quigley and his Little Brother Randy; Dennis Heinecke and John; all of West Bend, and Buzz Zimmerman and Scott and Gloria Zimmer-

man and Donna, all from Hartford.

The process of becoming a Big Brother or Sister begins with an orientation session, which is held every three weeks or upon request. A Screening Committee member interviews prospective volunteers and a caseworker does the final matching. Matches are constantly supervised by the Big Brothers office staff and advice and help given by the professionals as needed. Group Rap Sessions are also held to discuss problems and questions among adult members. Communications between staff, volunteer, parent and child is also an on-going part of the program.

Besides Beerends, the current Big Brothers/Sister officers include Vice President Dan Sargeant, Secretary Sue Polster and Treasurer David Oines.

Japanese participants come from various parts of Japan. Most speak little English, according to Eldora Keske, Youth Development Specialist with University of Wisconsin-Extension, local sponsor of the exchange.

During their stay, the Japanese will sharpen their English skills and experience daily life as it exists here, while the Wisconsin families will get a taste of Japanese culture without leaving their homes.

Most host families have a child about the same age as their Japanese guests.

The Washington County hosts for this year exchange are the families of Mr. and Mrs. James Degnitz, Fredonia; Mr. and Mrs. Leroy Doll, Allenton; and Mr. and Mrs. Harold Groth, Jackson.

The LABO International Exchange Foundation is a non-profit organization accredited by the Foreign Ministry of Japan. Headquarters are in Tokyo.

Exchanges involving LABO and U.S. 4-H Youth began in 1972. About 30 states now participate. This is the fourth year for Wisconsin.

During the 14 years of LABO, over 10,000 Japanese children have stayed in American homes. Over 2,000 U.S. youth have made return visits.

Wisconsin will also be sending two 4-Hers to Japan this year.

Going to Japan this summer will be Jay Stauffacher, Lafayette County and Peter Sandberg, Burnett County.

JAPANESE VISITORS TO 4-H FAMILIES

About 50 Japanese young people will arrive July 27 for a month-long visit with 4-H families in northeastern and southeastern Wisconsin.

The youth, most aged 12 to 16, are members of LABO - a Japanese children's organization created to learn about other cultures. They'll be accompanied by LABO-tutors and administrators.

Following a two-day orientation at Camp Upham Woods, Wisconsin Dells, the youth will join their host families and then return to Japan August 22.

The host families are located in Brown, Calumet, Door, Fond du Lac, Kewaunee, Manitowoc, Marinette, Oconto, Outagamie, Shawano and Winnebago counties in the northeast. Host families in southeastern Wisconsin are in Kenosha, Milwau-

Letters to the Editor

Dear Editor:

The family of Michael Lawrenz wish to express our appreciation to everyone involved with making the raffle for Michael such a success.

A special thank you to the West Bend Jaycettes for sponsoring the raffle; George Prescott, West Bend Mutual Ins. Co., John Dedrick, Dan Hart and Jack Holfeltz for donation of game tickets; John Bloemer for donation of raffle tickets; the Milwaukee Brewers for donation for the bat & ball; Johnson Bus Service of West Bend and Kewaskum for help selling tickets; Jan Daley for use of the Westfair Mall and local taverns for participation with "Hit the Shot" donations and the public for purchasing the tickets.

Thanks everyone for a job well done.

.....

July 3, 1984

Dear Editor:

After reading the Letters to the Editor of last week, I feel compelled to comment. I too attended the June 25th school board meeting just to see what all the excitement was about. What I saw was NOT a two-way mudslinging, emotional fireworks but rather a single woman attacking the integrity of the individual school board members and Mr. Long. This is a debate of issues and the slanderous comments and accusations made in a fit of rage were totally uncalled for. The spokeswoman from Beechwood owes a public apology for her ridiculous behavior.

Closing a school is a difficult decision, but none the less is an issue faced by many school boards in recent years. Nearby communities have had to close the doors of once-filled schools. Random Lake District closed a school in Adell and the West Bend District closed a school in the Town of West Bend. The decision to close is not a vendetta against the community served by the school but rather a business decision made for economic reasons.

We are faced with a district budget increase of 10.5% and when the majority of the board sees an area where \$40,000 (plus \$7,000 if an aide is hired as suggested by Mr. Horner) can be saved, the board is criticized for considering all the taxpayers of the district especially the senior citizens on fixed incomes. Future savings will also be realized because there will not have to be capital improvements, general maintenance, supply duplications, wages, etc.

There is room in the Kewaskum Elementary School to house the students from Beechwood. We are paying to maintain and heat unused classrooms. Why not use them? Isn't it in the best interest of the taxpayer? The music, art, phy ed teachers and the guidance counselor must travel to outlying schools. This cost would be eliminated and their valuable time spent in teaching not traveling.

Education and welfare of the students is a concern but this is

a real world where fiscal responsibility and sound management are crucial if taxes are to remain affordable.

Cost savings figures given by Mr. and Mrs. Beimborn in their letter are artificial because they do not represent an actual savings. You do not reduce running expenses by subtracting the dollar value of donated equipment and volunteer time.

I find it very interesting that Mr. Horner and Mr. Spoerl, who always try to "pinch pennies," are in favor of the \$47,000 expense. It is not consistent with their past voting records. Board member, Mr. Weare, mentioned that if the Beechwood parents decide to pull their children from the school district we would lose state aids. Well, Mr. Weare, where do you think those state aids come from? They are also our tax dollars. They are just in a different pocket!

Rumors that this is a premeditated plan for closing all the outlying schools are apparently unfounded with Wayne and Farmington populations being stable with obvious growth potential.

This district is at a crossroads. We are faced with increased costs of heating fuel, maintenance, capital improvements, wages, etc. and a declining enrollment; the taxpayer is demanding reductions. Which way do you turn? As in many businesses, you consolidate for economy. No one likes to see a business "go under," or an employee laid off or a school closed. But what must be done, must be done.

I feel the four members of the school board who made the difficult decision to close Beechwood School did so in the best interest of the Taxpayer without sacrificing educational quality and should be congratulated for their initiative and having the "guts" to stick to the decision despite personal insults and harassment. Call them and give them your support.

Concerned but Pratical

.....

To the Taxpayers of the Kewaskum School District

I had telephone calls asking me to reveal more of what I know concerning the Kewaskum school board. First of all five of us saw Mr. Kim Peterson read the motion off the paper that Jean Goeden passed out that was illegal. They have various powers and duties as set forth in Wisconsin Statutes Section 120.13 and 120.12. But these enumerated powers and duties do not include the closing of Schools. That Wisconsin Statute Section 120.08 sets for the various meetings and

proceedings required to conduct school meetings. In that Section 120.08 it specifically states, "Every elector of a Common or Union high school district is eligible to vote at an annual or special meeting of the School in the District. That board falls within that definition of that statute. It also states that a special meeting has the powers of the annual meeting with the exception of the election of school board members. The meeting on June 11th, 1984 was a regular school board meeting - it was not a special or annual meeting and those meetings are defined in 120.08 of the statutes. Although there were more than a hundred electors at that meeting, they were not allowed or asked to vote at that meeting on the question of the closing of Beechwood School. Various members of the Board of Education had that motion cooked and dried before the June 11th, 1984 meeting to discuss and solicit among themselves a sufficient number of votes to close the Beechwood School, all in violation of Wisconsin law.

To prove to you what I am talking about I will also tell you that on June 11th at about 3:30 p.m., Mr. Kim Peterson called another board member, Mr. Neal Weare, asking to commit himself to a yes vote on closing Beechwood School. Well Mr. Weare did not, he knew the law.

That evening about 7:30, Kim Peterson walked in that school building and made the statement - he had the four votes. He is a board member for only two months and to do things like this. Is not a board member to be fair and honest? That board violated Wisconsin law in the procedure it used to attempt to close Beechwood School. So legally Beechwood School is not closed.

I have no children in school, but I have grandchildren. Their welfare and education means as much to me as my own and the education of the District students means more to me as they are going to be the backbone of the future. How can kids grow up in a school where the school board should set the leadership?

Mrs. Goeden, the law clearly states a school can be closed by the electors at a Special or Annual Meeting, but by a vote by the electors.

You talk about saving money by closing Beechwood School. Not one cent will you save, in fact it's going to cost the taxpayers more. When someone asked to take that \$40,000.00 off the budget they were told no, they needed that money. For What? More Sports? Let's get back to the basics - Reading, Writing and Arithmetic and a trade where they can go out and earn a living. A lot of parents do not have the money to send their child on to school, so give them a trade that they can earn a living.

You had smart students out of Beechwood School and they had

respect. You can afford more teachers in Kewaskum but you can't afford an aide in Beechwood.

Oh, and taxpayers of the District, there was \$273,000.00 raised for debt retirement last year, we only had a \$90,000.00 debt. Where did the rest of the money go? There was some \$90,000 left last school year. They paid insurance and bought for school. I was told, but the insurance money was still in last year's budget. How much more of this is going on? What we need is a state audit, not for one year but the last several years. Goeden now only touched a small portion of which I know.

Mr. John Long, you always complain about split grades in Beechwood. Did you ever check on other schools like Campbellsport? That school has all the students under one roof; there are split grades under one teacher - no aide. My granddaughter was in a split grade there last year, 3rd & 4th, and she loved it; no one complained. Plymouth has four elementary schools, 3 are operating under split grades. Parnell is a smaller school than Beechwood. You, Mr. Long, knew we had outlying schools when you came here. Why did you take the job if you didn't care about the outlying schools? You or the School Board sure made a good job of tearing this community apart and whoever was responsible.

Maybe the taxpayers want to pick up about a half million in taxes after annexation - think about it! We are in Sheboygan County not Washington County.

Thank you, Clara Trapp

Kewaskum Mini-Olympics 1984 - Fun! Games! Awards!

Kewaskum Statesman
Friday, July 13, 1984, Page 17

The Kewaskum Junior Woman's Club, the Kewaskum Jaycees, and the Kewaskum Jaycee Women are sponsoring a Mini-Olympics Day on Saturday, July 28. The location is the Kewaskum High School grounds (in the track area) and the event is for boys and girls ages 7 through 12. Entries are by pre-registration only, with

the deadline being July 21. You may turn in your signed registration forms at Valley Bank, Sentry, or Rich's Super Savings.

The schedule for the day is as follows:

8:30 - 9:00 - Final Registration (receive name tags and instructions).

9:00 - 12:00 - Events (five

for each age group).

12:00 - 1:30 - Awards Ceremony (this time is approximate depending on the sizes of the groups).

Drinks will be provided, however, no lunch will be served. Your children can bring a sack lunch, if desired, with their names clearly marked on it.

Parents, encourage your children to participate! You are welcome to watch and cheer them on, or your assistance would be greatly appreciated by the organizations running the Mini-Olympics. Together we can make this a fun-filled, action-packed day for the kids of our community.

Kettle Moraine Audubon Society Recycling Drive

Those food and drink cans you opened today; are they now in the garbage or by the side of some road? Last week's newspaper; where is it now? The bottles you emptied last night; where have they been tossed? Last month's changed car motor oil; what happened to that old oil?

Kettle Moraine Audubon Society, which covers Washington, Dodge, and the north half of Waukesha Counties, is sponsoring a recycling drive August 16 through August 19 to see that these items end up at the Oconomowoc Recycling Center.

Contribute your valuable resource and avoid needlessly filling up your landfill or polluting the landscape. Come to the Oconomowoc Recycling Center with your collection of rinsed brown glass, green glass or clear glass; aluminum cans; rinsed steel and tin cans; tied up newspapers; or used motor oil in capped containers any time between August 16 and August 19. Or call now West Bend, 338-8509. The Center is two blocks west of the intersection of Highways 67 and 16 and south on Worthington several blocks and on the right side of the road.

REGISTRATION AND PARENTAL PERMISSION OF PARTICIPATION

My son/daughter has permission to participate in the Mini-Olympics Day to be held July 28, 1984 from 9:00 a.m. to 1:30 p.m. at the Kewaskum High School Grounds. I will not hold the sponsoring organizations liable for any injuries which may occur.

ARTHRITIS [Contd.]

Dr. Robt. Bingham emphasizes that "nature's nutritional balance must be maintained" for arthritis relief. "The interaction among vitamins, minerals, enzymes, essential amino acids and fatty acids is important. Six out of 10 patients with any type of arthritis will probably show some improvements and very often a recovery from nutritional therapy alone," says Dr. Bingham. So, eat fresh fruits and vegetables, lean meats and whole grains. Avoid processed foods, especially refined carbohydrates such as white sugar and white flour.

All arrangements have been completed to make this year's Kewaskum picnic sponsored by the Kewaskum Fire Department and the American Legion Post one of the finest in years. The event will be held this Saturday evening and Sunday, July 11 and 12, in the village park.

Miss Edith Y. Meyer, daughter of Mr. and Mrs. George H. Meyer, Route 2, Campbellsport, became the bride of Lawrence Fuller, son of Mr. and Mrs. Monroe Strade, Campbellsport, in St. Matthias Church, Town of Auburn, on June 27.

S/Sgt. Robert Okrassa of the U.S. Marine Corps and his wife and family of San Diego, California, have rented the upper apartment of the Louis Martin home just south of the Kewaskum village limits. S/Sgt. Okrassa has a 30-day leave after which he will report for 15 months duty in Okinawa. Mrs. Okrassa is the former Shirley Keller, daughter of Mr. and Mrs. Leroy Keller, Sr. of Kewaskum.

Pfc. Calvin Cudnohoske, son of Mr. and Mrs. Edward Cudnohoske, Route 1, Kewaskum, (Beechwood), left by plane last week from Mitchell Field in Milwaukee for Georgia. Pfc. Cudnohoske returned to Fort Benning after spending a two week leave at home.

Ron Backhaus, son of Mr. and Mrs. Herbert Backhaus, Kewaskum, is in training with the U.S. Navy at Great Lakes, Illinois.

A daughter was born to Mr. and Mrs. Jacob Bruessel, Kewaskum, on July 5.

building in Kewaskum on June 9. Erwin Koch was elected a director to succeed John Klessig. The clerk, Emil C. Backhaus, and treasurer, Anthony P. Schaeffer, remain in office as their terms have not expired. It was decided at the meeting to lay out a tennis court on the north side of the school building, with the work on the same to commence immediately. It was also voted to add a manual training course to the school. Disbursements for the high school total \$27,874.67.

Last Saturday evening another record-breaking crowd of people from far and near, greeted the free open air movies at Kewaskum. The feature picture shown last Saturday evening was "The Covered Wagon" which was greatly enjoyed by all those present. Next Saturday evening, July 14, the big feature picture, "Light-house By the Sea" will be shown, also a two-reel comedy, "Feet of Mud." The Kewaskum businessmen are sponsoring these movies and are trying to give the people the best there is in pictures for their entertainment. Tell all your friends and neighbors about them and then jump into the little old "Henry" and come a flying.

The following group of young men joined the Holy Name Society of Holy Trinity Church, Kewaskum, last Sunday: John Lecher, Earl Kohler, Walter Kohn, Frank Felix and Anthony Uelmen in the senior group and Louis Bath, Carl Mayer, William Mayer, Ralph Marx, Sylvester Harter, Sylvester Kohn, Francis Roden, Frederick Miller, John Kohn, Franklin Heisler, Matthew Metz and Permin Kohler in the junior group. The senior group consists of boys who have reached the age of 18 or over, while those under 18 comprise the junior group.

George Bragg, 40, a laborer working for the C. and N.W. Railway Co., in the gravel pit south of here, while asleep on the railroad track near the overhead bridge at Young America, was struck by a train and instantly killed last Monday. Bragg and another member of the crew were last seen at Barton, from where they left for the pit, where they are living in boarding cars, with the rest of the crew. His companion was also found asleep alongside the track, but was not injured. Bragg, who lives in Chicago, laid down with one of the rails

as a head rest.

Sheriff Schoenbeck has been instructed by the Governor to strictly enforce the law relating to slot machines and other gambling devices.

The wedding of Herman W. Meilahn to Miss Augusta Fechtner, both of Kewaskum, took place July 7, at the Ev. Lutheran St. Lucas Church.

The dancing masters in recent convention, say that the barn dance must go. It is said to be romping, rowdyish and ungraceful. The gayety dance is to succeed it. It is based on the barn dance but eliminates the rude hopping and is without the change of position of the original dance, the hands of the partners are joined and the dancers proceed in a very straightforward movement to schottisch music. The two-step is to be taught no longer in academies. The royal, a gliding dance, is to succeed it.

TODAY'S AGRICULTURE

By Jack Trzebiatowski, Washington County Agricultural Agent

TEST HAY FOR QUALITY

The weather certainly has not been helpful to Washington County farmers for the harvest of their first crop hay. It seems that we have had a difficult time of getting enough sunshine and drying weather to allow the hay to dry to moisture contents necessary for harvesting as haylage or dry hay.

The heavy amount of rainfall has made many fields very wet and difficult to get into. The effect of this will certainly be lower hay quality than in a normal year.

It's going to be very difficult to evaluate the quality and feeding value of this hay when feeding it to livestock. The only way to know the protein content and other nutritional values is to have the hay tested.

This is certainly going to be more important this year, as feeding lower quality hay will mean that protein and other supplements will be needed in the ration to meet the nutritional requirements of livestock.

Feeding lower quality hay without adjusting the ration will result in lower milk production and rate of gain.

Forage samples can be taken as the hay is harvested or before it is fed. There are a number of testing laboratories that can do an adequate job. Many feed dealers can assist you with this process.

Producers can also bring samples to the Washington County UW-Extension Office and we will send them to the state forage testing laboratory at Marshfield. The tests will provide information on the protein content, any heat damage, and the major minerals at a cost of \$8.00 per sample. In order to have an accurate test, you need a representative sample.

For more information on forage sampling, contact the UW-Extension Office for a copy of the publication titled "Take A Good Forage Sample."

Kids From Wisconsin Coming to West Bend

The residents of the Cedar Lake Home Campus will sponsor the "Kids from Wisconsin" to perform in the West Bend High School Auditorium, Tuesday, August 28, at 7:30 p.m.

The lively and upbeat high school musicians perform extensively across Wisconsin and the United States.

Students from both Slinger and Kohler are members of the group. Selected after extensive auditions, the Kids represent the finest singers, dancers and musicians from the state's high schools.

Proceeds from the \$4.00 pass donations have been designated to pay for a sound mixing system at the high school auditorium. Last year's performance helped purchase a large spotlight for the auditorium.

KHS CLASS OF '59 SEEKS ADDRESSES FOR REUNION

The Kewaskum High School Class of 1959 is planning a reunion and would like the addresses of the following people: Ray Wiedmeyer, Beverly (Smith) Van Luven, Richard Czaja, Jonathan Weber, Rosalie (Vollmer) Follmann, Eileen (Hanselman) Koeppel. Please call Dave Mueller, 994-9434, if you have any information on the above people.

County Holstein Twilight Meeting At Kohlwey Farm

The Washington County Holstein Association will be holding its 1984 Twilight Meeting on Wednesday, July 18, starting at 7:00 p.m.

The hosts for this year's activity are Mr. and Mrs. Kenneth Kohlwey, along with Adrian and Kathy Krause. At the present time they have a herd of 58 cows with a production of 18,927 pounds of milk, 3.7 percent, 704 pounds fat. The herd is 100 percent home bred, with most of the cows being registered.

The farm is located south of Germantown. Take Highway 145 south of Donges Bay Road, then ¼ of a mile east to the farm.

The program for the evening will include a presentation by Dr. Robert Cropp, Milk Marketing Specialist with the University of Wisconsin at Platteville. He will be discussing the current dairy situation and other items of concern to the dairy industry in the new farm bill.

Mike Snyder, Wisconsin Holstein Association Manager, and Tom Pieper, Holstein Association Fieldman, will also be present.

The Washington County Holstein Association extends an invitation to all Holstein breeders and other interested persons to attend.

Color Seminar And Quilt Show

"It's a Stitch Quilt Guild," Jackson, will hold a color seminar on Tuesday, July 17, from 9-3. Teaching the seminar will be Kathleen Shaughnessy of Fulton, Michigan.

Kathleen is a free-lance teacher of color and design. Her workshops are presented for the participants to become independent and creative individuals. She teaches the principles of color and design to all levels. The emphasis is on the application of them by exercises and samples.

Kathleen is a P.H.N. graduate of the University of Minnesota, and she has done extensive work at the University of London. She also taught at the Universities of Massa-

chusetts and Iowa. Members of the Jackson Quilt Guild and the Kettle Moraine Quilt Guild will display their quilts and quilted crafts. The Quilt Show is free to seminar participants and open to the public, 9-3, for a \$1 charge.

The seminar will be at Heidel's Banquet Room, Hwy. 45 and Sherman Road, Jackson. Pre-registration is required. Cost is \$20, including the seminar, color wheel packet and lunch. Write "It's A Stitch Quilt Guild," Box 392, Jackson, WI. 53037.

Chuck Wagon Dinner On Opening Night Of County Fair

A Chuck Wagon Dinner, including grilled chicken, bar-be-queed ribs, German potato salad, American potato salad, baked beans, fresh fruit cup, assorted relishes, cake and beverages will be served on opening night at the fair, July 25. Everyone is invited to attend the dinner between 5:00 and 7:00 p.m.

Tickets are available at the County Fair Office, 515 E. Washington Street, Courthouse Annex II in West Bend. Adult tickets are \$4.50 and children are \$2.75.

Wednesday evening is opening night of the fair. The carnival opens at 5:00 p.m. with a special wrist band promotion. For \$5.00 you can purchase a wrist band which will allow you to ride the rides as often as you wish.

The Fairest of the Fair pageant will be held at 7:30 p.m. The Fairest of the Fair is the official hostess of the County Fair. Heidi Scadden,

1983 Washington County Fairest of the Fair and the 1984 Wisconsin Fairest of the Fair, will be crowning the winner. WTKM Radio and the Washington County Fair are co-sponsors of the contest.

A polka dance, sponsored by WTKM Radio in Hartford will be held in the Beer Garden from 8:30 to 11:30 p.m.

Plan to attend the opening night festivities.

Sensenbrenner Returns to Wisconsin

F. James Sensenbrenner, Jr., R-Menomonee Falls, has returned to Wisconsin for the first time since the fire in his Washington home on May 23rd. Since that time, he has been recovering from injuries he suffered as a result of the fire.

On June 14th, the Congressman underwent successful back surgery to repair the back injury which resulted from jumping from the second story of his burning home. After a period of rest in Nashotah, Wisconsin, Sensenbrenner will resume a reduced work schedule with the help of a back brace. Jim said, "During the period of reduced mobility, which will last only for a couple of months if all goes well, I will resume my official activities to the extent the doctors allow, and hope you will understand my temporarily reduced workload." However, Sensenbrenner went on to say that his Washington and Brookfield offices will continue to be open and available to help all constituents in any way possible.

Sensenbrenner concluded, "I want to convey my appreciation to all the people who expressed their concern and support during this trying period. I look forward to fully resuming the responsibilities and duties of representing you in Washington."

Eichstedt Qualifies For State Amateur

Clark Eichstedt topped the field in the Wisconsin State Amateur Golf Tournament qualifying at New Berlin Hills last week with several other area players having good rounds at different qualifying sites.

Eichstedt, formerly of Kewaskum, who now lives in West Bend, and plays out of Hon-E-

Kor in Kewaskum and Dretzka Park, Milwaukee, shot an even par 71.

There were 333 players who attempted to qualify for 140 spots in the State Amateur. The final field, which includes exemptions, comes to 168. This year's Amateur will be hosted

by Racine Country Club, running from July 16 to 19.

Eichstedt, who is having a great year, also placed ninth in the Ray Fischer 72 hole medal play held at Janesville Riverside recently. He came in with a 289 on rounds of 71-73-72, to finish 10 strokes behind the winner.

OUR 208TH BIRTHDAY

As we recently celebrated our nation's 208th birthday, I think it is fitting that a few thoughts be offered in commemoration of the Fourth of July.

In the historical sense, we often think of America as a young nation. Yet, the United States has the oldest form of government in continuance existence in the world, as all other nations have seen their form of government interrupted or radically changed since 1776. As we look back over 200 years to a group of men meeting in Philadelphia, we look back with pride and wonder as we realize they achieved the single greatest political feat in the history of man. We are all beneficiaries of that achievement. Certainly, the durability of our governmental process as well as the American way of life have stood the test of time.

Our nation's birthday reminds us to reflect on the accomplishments of the past and the challenges of the future. While America is not perfect it does have the greatest potential for perfection. There are more avenues available for change than in any other nation. At the same time, we have the means of safeguarding our cherished ideals. Unlike such entries as the Soviet Union, we live in a country where mistakes can be openly discussed and then corrected.

Unfortunately, it is all too easy to take this country for granted. But, when you compare, one has to conclude that Americans are shoppers at the greatest opportunity marketplace in the world. This opportunity exists because our Founding Fathers had the wisdom to stress the human rights principles of freedom,

justice, liberty and equality. As these individual rights have nurtured the creativity and resourcefulness inherent in mankind, our achievements have resulted in a standard of living our ancestors could not even dream of.

Yet, we cannot afford to become complacent. Instead, we must continue forward by utilizing the principles upon which this great nation was founded over 208 years ago.

CLARENCE A. SCHWARTZ, SHERIFF

Slow Down for Construction and Repair Work

Speeding through construction areas can be hazardous to both construction/maintenance workers, and to motorists, says Washington County Sheriff Clarence Schwartz. Bright orange warning signs, flashing lights and barricades may warn motorists that a construction zone is coming up...yet many drivers continue to speed through the work zones.

Unless the driver is particularly aware of rapidly changing conditions in construction/maintenance areas, a careless driver may be forced to stop quickly to avoid hitting slower moving traffic. Cars and property may be damaged, but more important, people may be hurt. Highway crews face many dangers, not the least of which is being hit by out-of-control vehicles, said Schwartz.

If motorists want roads kept in good repair they need to deal with some inconvenience at times. The Sheriff also points out that the same caution should be used when drivers approach and pass through the scenes of motor vehicle accidents. Directing traffic at accident scenes is a particularly dangerous task at times for Sheriff's deputies; and their situation is not helped when motorists do not recognize the need to exercise caution and patience in the area of the accident scene.

Sheriff Schwartz reminds motorists, if everybody would be a little more patient and obey the direction of construction area flagmen and our officers, drivers and passengers would all be safer as a result.

... about your Social Security

By David Becker, Social Security Branch Manager in West Bend

PEOPLE AWARE OF 'NOTCH'

Many people in the area who are approaching retirement have recently become aware of the "notch" problem, Mr. Becker, Social Security Branch manager in West Bend, said recently.

The so-called notch came about because of the 1977 Social Security amendments. The effect of the notch is that a person who reached 65 in 1982 (born in 1917) can receive lower Social Security benefits than a comparable person who reached 65 in 1981 (born in 1916) even though both person had identical lifetime earnings, Becker said.

Under the law prior to the 1977 amendments, benefits were overadjusted for inflation. For many workers retiring in the future, benefits could have been as much as 50 percent more than their earnings before retirement. Social Security would have needed considerable additional financing to pay these benefits.

The 1977 amendments removed this overadjustment for inflation by providing a new method to figure benefits for all workers born after 1916. Workers born in 1916 or earlier, however, continue to get benefits based on pre-1977 law, which provides increasingly excessive benefits for those people who work to older ages.

In addition to changing the method of figuring benefits, Congress intentionally set the benefit levels slightly lower than those prevailing under

pre-1977 law to eliminate the unintended rise that had taken place since the early 1970's.

This decision caused an immediate difference in benefits figured under the new method compared to those figured under the old method. Further, the unforeseen high inflation that took place after 1977 caused the difference between old-law and new-law benefits to be larger than expected.

To ease the transition from the old to the new benefit formula, the 1977 amendments included a special method of figuring benefits for people nearing 62—those born in 1917-1921. Benefits for these people are figured under the new law and under the transitional provision. They are paid the higher of these two benefits.

Benefits for this group of people are somewhat greater than they would have been under the new formula without these special rules. People born in 1922 and later will have their benefits figured only under the new benefit method.

Therefore, Becker said, people born after 1916 are not being penalizing by receiving benefits which are unjustly low. Rather, people born in 1916 or earlier who work past age 62 are getting benefits that are too high.

More information about benefit rates can be obtained at any Social Security office. The telephone number is 1-800-242-9946.

Jim Braun Leaves for State Shrine Bowl All-Star Game

Kewaskum High School's star running back, Jim Braun, who was selected on the North Squad for the Eighth Annual Wisconsin Shrine Bowl All-Star football game, left Tuesday for Kewaskum to begin practice and training for the game to be played on July 21 at Titan Stadium. The all-stars were picked from the schools throughout the state.

The North Squad will practice from July 11-14 at Titan Stadium. On July 15 the group will visit the Shrine Hospital in

Chicago and then will return to Oshkosh for more practice from July 16-20.

While members of the North Squad are training at Oshkosh's Titan Stadium, the South Squad trains at Whitewater for the contest. The North Squad is staying in University of Wisconsin-Oshkosh dorms.

The game will be telecast live on July 21. Many Kewaskum fans are planning on attending.

Further details on the game will be published in next week's issue.

Fading Indians Lose Four of Five Games

By John Harju

New Holstein 5, Kewaskum 3

The Kewaskum Indians dropped a 5-3 decision to New Holstein on June 29 in New Holstein.

After scoring 3 runs off of RBI's from Tim Geidel and Tim Dettmann in the first, Kewaskum bats went silent. The Indians were held scoreless the rest of the way and dropped their conference record to 5-7, and their overall record to 5-11.

The Indians had a few opportunities to add to their 3-0 lead but failed to simply get key 2-out base hits with runners in scoring position.

Starter, Tim Rohlinger, the Indians' hard luck pitcher again received no defensive support or offensive punch and found himself behind, 5-3, going into the sixth.

Kewaskum stranded runners in scoring position in the sixth and seventh and the score remained, 5-3. New Holstein is now 8-5 in conference play.

Plymouth 16, Kewaskum 6

No surprise here. As expected, the Kewaskum Indians lost to Plymouth last Tuesday, but what wasn't expected was the lopsided score. Plymouth banged out 15 hits and won 16-6.

Indian starter, Tim Geidel, gave up 11 hits and 13 runs in the first four innings. By the time the fifth rolled around the Indians were down, 13-1.

Kewaskum did manage to score five runs in the fifth on 3 hits but left the bases loaded when the third out was recorded.

Kewaskum had a respectable 8 hits, three by Tim Leitheiser, 2 by Jim Lauer, and one each from Brian Arndt, Geidel and Kirk Vogt.

Rob Schultz went six innings to pick up the victory for Plymouth.

Kewaskum 4, Chilton 1

Kewaskum snapped a four-game losing streak last Thursday defeating the host Chilton Tigers, 4-1, behind the one-hit pitching performance of Tim Rohlinger.

Rohlinger struck out 9 and walked only one in seven innings, unfortunately the walk cost him the shutout.

Todd Eisner drew the walk in the second and on an attempted steal of second Tim Dettmann's throw went into centerfield and got past Brad Dieringer allowing Eisner to move to third. He then came home on a suicide squeeze.

Kewaskum's runs were unearned as well. In the third, Tim

Landvatter scored on a wild throw with two outs. Bob Yahr singled home Rick Staehler and Dieringer in the fifth after two costly Chilton errors.

Landvatter, who got on, on an error, came home on a RBI single from Tim Leitheiser in the sixth to round off the Indian's scoring.

Two Rivers 4, Kewaskum 2

Two Rivers 7, Kewaskum 6

Kewaskum's frustrating season took another dive as the Indians dropped a doubleheader by the scores of 4-2 (10 innings) and 7-6 last Friday in Kewaskum at the hands of Two Rivers.

Kewaskum got two quick runs in the first inning of the opener. Two wild pitches from Two Rivers' Ron Johnson scored Tim Leitheiser and Rick Staehler who had reached via an error and a walk. From then on, however, Kewaskum was held scoreless.

Two Rivers came up with single runs in the second and fifth.

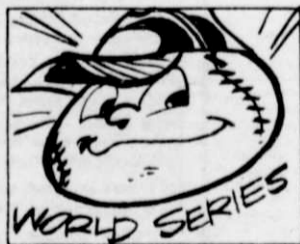

In the tenth, the Raiders' Reid Messman tagged a Brian Arndt curveball into the gap for a two-run double to provide the winning runs.

In the bottom of the tenth, Kewaskum had the bases loaded with 2 outs, but the next batter, Kirk Vogt, grounded back to the mound and the first game was a Two Rivers win.

Tim Geidel literally threw the 2nd game away. Geidel walked 11 men and gave up 4 hits giving Kewaskum another frustrating loss, 7-6.

The Indians scored 3 in both the second and 3rd but walks and missed opportunities allowed Two Rivers to come back. Rick Staehler, Tim Dettmann, and Brian Arndt had two hits each for Kewaskum.

The losses dropped Kewaskum's E-W record to 6-10 and their overall record to 6-14. They are currently in sixth place.

The first baseball World Series took place in October, 1903, between the Boston Americans and the Pittsburgh Nationals.

Athletics Lose To Barton, 6-4

A good mound performance by 17-year-old T. J. Fischer gave Barton a 6-4 victory over Kewaskum at Regner Park, West Bend, in a Land o' Lakes contest Sunday.

Kewaskum had one run in and the bases loaded in the ninth when Fischer struck out Andy Hoenecke, his former teammate at Kettle Moraine Lutheran High, to end the game. It was Fischer's 14th strikeout of the game. Hoenecke had doubled off Fischer just one inning before.

Kewaskum manager Tom Bartelt also completed a respectable mound performance as he scattered 10 hits and walked just one. Eight errors behind him ruined his chances. Fischer had a one-hit shutout in the first six innings.

KEWASKUM — White 5-0-0, Sc. Muench 4-1-2, Hoenecke 4-2-1, Donath 4-0-2, St. Muench 2-0-0, Theusch 3-1-0, Butz 3-0-1, Leitheiser 4-0-1, Heberer 4-0-0, Bartelt 0-0-0.

HIGHLIGHTS

The only game this week was a replay of a rain out between Bartelt Ins. and Grand Larsony. The game was won by Grand Larsony, 12-7, however, the game was closer than the score indicates.

Both teams had a few tricks up their sleeves for this game, the winner of which would meet Kennelly Pharmacy for the first half playoff.

The manager of Bartelt Ins. heard thru the grapevine that the option of the contract of Bill "Swiggle" Boegel was available. Bill is a former Kewaskum lad, the 10th favorite child of Lucy Boegel from the Town of Wayne. Swiggle was a local baseball hero in the 50's who moved to New Orleans to find fame and fortune. The general manager of Bartelt Ins. was able to convince Swiggle with a little under the table life insurance policy to leave his lucrative oyster business for one week to play this all important game. So he packed his kids and lovely bride and headed north. He played the game disguised as Dave Wieter who is the usual center fielder for Bartelt Ins. After the game Dave was overheard to say that this was the worst game he had ever played in his life. Needless to say, Swiggle was given a one way train ticket to New Orleans. The players from Bartelt Ins. hope the oysters are hitting better than he was when he gets back home.

Grand Larsony also pulled in a few ringers for the game, namely Randy "Bubble" Gumm and Ron "Cranker" Schlefke.

The game was tied 7-7 in the last inning when Jim "Long Ball" Benike, the favorite son of Art and Ethel, led off with a solid single. This was followed with a walk and two easy outs. The last batter hit a screaming shot at slick fielding 2nd baseman Tom Bartelt, however, the ball took a vicious bad hop that even Jim Gantner wouldn't have been able to handle. This loaded the bases and Grand Larsony proceeded to score 5 runs and win the game. Randy "Full Roller" Crass led Grand Larsony with four doubles.

Attendance 297. This was less than anticipated because the bus loaded with fans from Keller's Tap driven by former stock car driver Lloyd "Cocky" Keller broke down when he tried to power shift into 3rd gear. Lots of disappointed fans missed a great game.

Special of this week at the VIP Lounge is a liter of Margaritas made with Vermox in exchange for one 1936 Topps baseball card of Mike Marx in his Old Milwaukee Brewers uniform. Extra cards are available thru Joe Guyon at Fieldale, West Virginia.
