County Officials Want Uniform Countywide Storm Warning Sounded

By GERRY MUELLER
Statesman Staff Writer

To sound the siren or not, that is the question Village Administrator Dan Schmidt put to the Village Board at Tuesday night's meeting.

Schmidt told the trustees, the question has become a county issue based on Emergency Government Director Sherman

Carr's mandate that all county communities must issue a three-minute siren warning no matter which area of the county may be affected by a tornado alert. Schmidt said he and Police Chief Don Hlavaty had attended two meetings regarding countywide sounding of the sirens. Several communities have noted their reluctance to abide by Carr's plan, with Hartford already stating it would not sound its siren unless the alert was issued for its area.

Hlavaty told the board he was also against the idea. He said, several years ago, the same question had come up and the

village's solution has been to place a squad on each end of town. When the storm or tornado was sighted east of Highway 41, the sirens were sounded. Hlavaty said a storm traveling at roughly 50 miles per hour still gave the village a 15-minute warning time.

Trustee Don Mlodzik also questioned the logic behind Carr's plan. He said, if an alert is issued for Germantown and Kewaskum residents hear their siren and look out and see blue skies and sun shine they're going to ignore the siren. Trustee Mary Krueger agreed

Primary Election Tuesday

A primary election will be held on Tuesday, Sept. 11, to narrow the fields for the general election on Tuesday, Nov. 6.

In the 9th Congressional District, the Republican F. James Sensenbrenner Jr. is unopposed. On the Democratic ticket candidates are John Krause and Howard J. Ver Duin. Stephen K. Hauser of the Constitution Party has no opposition.

Incumbent Republican State Senator Scott McCallum, Fond du Lac, 18th District, faces no opposition. The Democratic Party primary in the 18th Senate District pits Peggy Lautenschlager, a Fond du Lac native, now living in Oshkosh, against John Daggett of Oshkosh.

In the 53rd Assembly District, incumbent Republican Mary Panzer of West Bend is opposed by Democrat Judith Selle of Kewaskum.

In our 20th Senate District, incumbent Sen. David Opitz is not seeking re-election. Candidates are Democrat Sara Lee Johann of Cedarburg and Republican Donald K. Stitt of Port Washington.

In the 59th Assembly District Esther Doughty Luckhardt is not seeking re-election. A primary will narrow the field of GOP candidates, including Lucille Braunschweig of Rubicon, Frank Klein of Kewaskum, Owen Mooney of Horicon and Dwight York of Lomira. The Democratic Party candidate is Patricia Gruber Jerominski of Campbellsport.

Unopposed this fall for their bids for re-election are all county offices of the Republican Party.

Information to electors, facsimile ballots and notices of election are published on pages 10, 11, 12 and 13.

School Board Policy Book Under Scrutiny

By GERRY MUELLER
Statesman Staff Writer

At its first meeting last Wednesday, the new Policy-Legislation-Instruction Committee began work on one of the biggest projects facing it, the updating of the Kewaskum School Board's policy book.

After almost four hours of work during that meeting, the committee, consisting of board members Neal Weare, Lynn Dieringer and Ralph Horner and district residents Joan Rosenberger and Robert Schulties, realized it had just scratched the tip of the iceberg in reviewing, clarifying and

amending the book which guides the board in the performance of its duties.

Policy 3326 "Paying for Goods and Services" was the first subject targeted for review since Horner has consistently expressed his concerns regarding the procedures used in this area. During several board meetings, Horner had questioned payment of various bills.

Administrative office personnel Penny Pohle and Patti McGuire, who were also at the meeting, felt the policy was too vague. Pohle and McGuire felt still more problems would

Teachers Breakfast Marks Start of New School Year

Approximately 160 employees, including administrators, teachers, and support staff attended last Thursday's breakfast meeting which officially started the 1984-85 school year.

The meeting opened with District Administrator John Long welcoming everyone back to the district noting all of them were necessary to the operation of a new school year no matter who they were, a teacher, aide, cook, maintenance person or bus driver.

School Board President Jean Goeden addressed the gathering saying she appreciated their dedication to their profession and looked forward to a good and progressive year. Goeden closed her speech with a reference to a future space flight assignment, noting that if a teacher is selected to go into

space "It's one of ours."

Long formally introduced the district's new high school principal Mr. LeRoy Kopecky and new business manager Ms. Cherna Gorder. Each of the school principals introduced their new staff members. Kewaskum Elementary Principal Richard Zarlino also commended the custodians on the appearance of his building, "it never looked better."

Long also introduced Building and Grounds Superintendent Fred Boehlke who acknowledged the excellent work of his maintenance crews in getting all the buildings ready for the new school year.

Long concluded the breakfast by re-affirming his goals and expectations of the teachers for 1984-85.

McFadden, Van Ess to Lead United Way Here

Former United Way campaign leader, Margaret McFadden, joins newcomer Steve Van Ess to head up this year's United Way fund drive for the greater Kewaskum area. Eyeing a goal of \$30,000, the 1984 campaign kicks off September 24, and runs six weeks.

Last year McFadden co-chaired the campaign with Kewaskum resident Fred Cullen, who was unable to participate this time because of prior commitments. United Way Board Chairman Roy Esser expressed appreciation at Van Ess' willingness to assume a leadership role in the campaign.

When asked about his involvement, Van Ess, a local dentist, replied the United Way campaign is worth the time and effort for the betterment of the community.

United Way is a federation of not-for-profit organizations that provide health, human and recreational services to residents in an area the same size as the Kewaskum School District. In order to support these agencies, once a year United

Way campaigns for contributions from community businesses, industries and residents.

McFadden, currently a UW board member, has worked on the fund campaigns since they began in Kewaskum six years ago. An employee of the US Postal Service, she is also president of KHS Booster Club and organist at Peace Church in Kewaskum. Her professional associations include membership in the Moraine Area Private Music Teachers Association.

Van Ess, his wife and child have lived in Kewaskum three years. He currently serves as secretary of the Kewaskum Kiwanis and as vice-president of the Washington-Ozaukee Co. Dental Society. In addition, he is on the church council at Trinity Lutheran Church in West Bend.

The co-chairmen will plan strategy with campaign workers and UW board members at a September 18 meeting set for 7 p.m. at Valley Bank.

Governor Earl Visits Campbellsport

By GERRY MUELLER
Statesman Staff Writer

He arrived a half-hour late Tuesday, but Wisconsin Governor Tony Earl made it just in time to eat lunch and visit with senior citizens at the Campbellsport Community Center before he continued on to Fond du Lac.

Although Earl will be in office for another two years, he made the Campbellsport stop to do a

little campaigning for Pat Gruber Jerominski who is running for the State Assembly's Fifth District seat, which includes Campbellsport.

The Governor spent about 45 minutes talking to the seniors on a variety of subjects ranging from the problems of dairy farmers to the recent Homestead refund checks which were sent out last week.

Earl acknowledged there are

Historical Society Early Farm Days Celebration Here Sunday

The Kewaskum Historical Society invites you to their tenth annual Early Farm Days celebration on Sunday, Sept. 9. The event will be held on the west side of River Hill Park from 10:00 a.m. to 6:00 p.m.

Visitors will be able to view miniature gas and steam engines, old farm equipment and antiques which will be on display. The award winning Museum and reconstructed 1847 log cabin will be open to the public.

Highlight of the day will be the unveiling of the restored 1886 Hand Pumper at 12 noon, which the society had renovated in commemoration of the Ke-

waskum Fire Department 100th Anniversary and the Society's 10th Anniversary.

A fall harvest stew, roast beef sandwiches, hot dogs, delicious homemade desserts and refreshments will be available.

Admission to the event is free for all.

The tenth annual Early Farm Days commemorative collectors button will be on sale for a \$1.00 donation. The proceeds will be used for the Society's museum and log cabin, along with the restoration cost for the Hand Pumper.

There will be free horse drawn wagon rides and special musical entertainment.

Mishicot to Honor Olympian Cindy Bremser

Cindy Bremser

Mishicot, Wisconsin, will honor Olympian Cindy Bremser on Saturday, Sept. 8th.

Cindy placed fourth in the recent Women's Olympics 3,000 meter final run at the Coliseum in Los Angeles, California.

She is the daughter of Mr. and Mrs. Frank Bremser of Mishicot, both former area residents. Frank is from the St. Michaels area and graduated from Kewaskum High School.

Cindy has competed in many races since attending the University of Wisconsin-Madison and is an accomplished runner, winning many trophies. Following the Olympics, she competed in a race in Europe.

Ms. Bremser will complete her master's degree in nursing this fall at UW and will continue running.

The schedule of events for Saturday's celebration honoring Ms. Bremser includes:

Storm Warning

[Continued from Page 1]

noting incidents like that could make the village sound like it was "crying wolf" and when the alert really was for the village, people might not believe the warnings anymore.

Schmidt said another point brought up by West Bend and Kewaskum was the fact the two cities have large industries whose policy is to shut down all their machinery and move their employees to a place of safety. We can't have these companies instituting costly shutdowns for every alert that's issued for other parts of the county.

Mlodzik also questioned how Carr could require everyone to sound their sirens when some communities such as Germantown do not even have a siren. They rely on TV and radio warnings. Schmidt said this was another question brought up in discussions.

Trustee Tom McElhatton asked if this was a law, and if so, what the legal ramifications would be if the village did not abide by it. Schmidt said he could not answer those questions but he would check with the village attorney. The board agreed that if there is no law governing the situation, the village should consider continuing its present procedure.

Hlavaty told the board he felt Carr was just trying to wash his hands of any responsibility by saying we told you to issue a warning and the county is no longer liable. What would the county do if we did hold them responsible, nothing, commented Hlavaty. Our concern is for the safety of our

people, said Hlavaty, that's why we just purchased a new siren.

The board felt each community should be allowed to follow the warning system which worked best for them.

In other action the board denied a request by Holy Trinity School to close Prospect Street in their playground area during week-day noon hours. After a review of the situation, Trustee Dave Nigh felt such action would cause a hardship on people using the street.

Chief Hlavaty noted the same situation existed at St. Lucas School and the street is not closed. The teachers make sure the children cross safely from the school to the playground and we have not had any problems there he said.

The board also refused requests for additional lights on Elm Street and in the Midland Avenue alley area. Mlodzik said the problem on Elm was the trees which block the light from existing streetlights. "Personally, I can't see planting trees between the curb and sidewalk," he said. Mlodzik said he thought the board should consider an ordinance against planting trees in that area. "Not only are they causing street light problems, they play havoc with our sidewalks costing us all tax dollars in repairs."

The Midland Avenue alley light was refused because the board felt the sidewalk on Midland was properly lighted and people could use that route to walk their errands rather than going through the alley.

President Pro-tem Nigh opened two bids for the purchase of a new lawn tractor with snowblower and metal cab. The first came from Bauman-

Hoffman Hardward, Cedarburg, with a bid of \$7,207.50, for a 20 horsepower John Deere tractor, cab and snowblower. The second bid came from St. Lawrence Equipment of \$7,722.00 for a 16 hp Ford tractor, cab and blower. The bids were turned over to the Public Works Committee for review.

The board heard a request from Fred Miller of Miller Funeral Home to reconsider a Board of Appeals denial to allow the Funeral Home to purchase a part of the Pat Miller property across the alley. The board indicated it understood his problem, but they have no power over the Board of Appeals. Miller was told, if he was dissatisfied with the decision, his next step would probably have to be a suit in court in hopes of getting a reversal.

Miller's request has been denied by both the Plan Commission and Board of Appeals.

Dan Schmidt presented the board with a report covering a five-year capital improvements program for the village. The report covers 1984 through 1988. He asked the trustees to study the report which will be discussed at future meetings.

Schmidt updated the board on the village's work relief program. "Two have dropped out," said Schmidt "and we're down to five people with two of those questionable."

The board adjourned to closed session to consider litigation by Ralph and Henriette Scott versus the village.

Friendship's the wine of life.

Gov. Earl

[Continued from Page 1]

concerns over the dairy farming industry in Wisconsin. Earl was confident, however, that dairying will survive in the state. He also acknowledged that many farmers have expressed their fear to him that the family farm will become a thing of the past, squeezed out and replaced by big-business farming operations. Earl said, "the question is who can afford to farm today."

Mrs. Frances Mueller of Campbellsport asked Earl if it was a good idea sending Homestead money back. Earl assured her that while approximately \$40 million in supplemental Homestead payments had been issued, "we did not send everything back. When I put the budget together in 1983, we were really broke and I couldn't put as much into the program as I would have liked to." Now with the rollback of the surcharge Earl wanted to get some of the Homestead program because he felt that these people were the ones who needed it and would put it to use. "I don't know if many people thanked you, but I do," said Mueller.

Earl said he was happy to be invited to the senior lunch program, noting Wisconsin is only one of the two states where getting older does not mean getting poorer. Our food, Homestead and housing pro-

grams have worked to help the elderly and low income families in our state. Earl noted the success of programs such as the success of lunch program resulted in part because of the help of the many volunteers involved.

After the lunch, Earl accompanied Jerominski down Main Street visiting with the local business people. JoAnn Mann of Mann's Floral Shop gave Earl a boutonniere. Earl graciously accepted saying he didn't even get that kind of treatment in Milwaukee. He continued on to the Four Seasons Clothing Store where he was presented with a Campbellsport Cougars T-Shirt. Earl told the proprietor he would probably wear it this weekend. "I get a chance to run in a number of events and I wear these shirts whenever I can," said Earl.

After a brief stop at the School Sisters of St. Francis Convent, which prepares the senior lunches, Earl continued his trip to Fond du Lac where he visited Tolibia Cheese Company.

Arthur Manthei, Emma Dettmann, 99, Pass Away

Arthur P. Manthei, 89, of 1220 Western Avenue, Kewaskum, passed away Monday, Sept. 3, 1984, at the Gateway Nursing Home in Hartford where he had been a resident for three days.

Mr. Manthei was born on December 28, 1894 in West Bend to the late Fred and Bertha Schmidt Manthei. On September 23, 1916 he married Elizabeth Bastian in West Bend. She passed away on September 11, 1979.

When he moved to Kewaskum in 1918 he was employed by Kewaskum Aluminum Co. until 1936. He then took employment with the Rosenheimer Malt & Grain Co. from which he retired as their chief engineer.

He was a member of the Peace UCC Church in Kewaskum and also a member of the Senior Citizens in Kewaskum.

Survivors include five daughters and four sons: Dorothy (Edwin) Stahnke, Mrs. Eunice Yeadeke, both of West Bend, Mrs. Shirley Fellenz, of Kewaskum, Ruth (Roland) Tacke of Brown Deer and Deanna Manthei of Milwaukee, Harold (Elizabeth), Willard (Anna), Lyle (Beatrice), all of Kewaskum, and Earl of Camp-

bellspert. He is further survived by 23 grandchildren; 23 great-grandchildren and one sister, Mrs. Esther Bertschinger of Milwaukee; other relatives and friends. Three children, one sister and three brothers preceded him in death.

Visitation for Mr. Manthei was held at Miller's Funeral Home in Kewaskum on Wednesday, from 3 to 8 p.m. when services were held at the funeral home with Rev. Darrell Johnson officiating at 10 a.m. at the Union Cemetery in West Bend.

EMMA DETTMANN

Emma L. Dettmann, 99, of 9248 Bolton Dr., Boltonville, passed away Tuesday evening, Sept. 4, at Cedar Lake Home, West Bend, where she had been a resident for 11 years.

Emma was born Nov. 19, 1884, in Town of Sherman, the daughter of the late Gottlieb and Elizabeth Gotter Torke. On June 6, 1914, she married Harvey Dettmann at St. John's Lutheran Church, Sherman Center. The couple farmed in Town of Farmington for 50 years. Emma Dettmann was a member of St. John's U.C.C. Boltonville, the church choir, Women's Guild and also was a former Sunday School superintendent.

She is survived by two sons, Norbert (Louella) of Boltonville,

John (Luella) of Anchorage, Alaska; one daughter-in-law, Beverly Dettmann of Menomonee; eleven grandchildren and thirteen great-grandchildren. She was preceded in death by one son, five brothers and five sisters.

Funeral services for Mrs. Dettmann will be held at 3:00 p.m. Saturday at St. John's United Church of Christ in Boltonville. The Rev. William Kesting will officiate with burial at Boltonville Union Cemetery. Friends may call at the church from 11:00 a.m. Saturday until the time of service.

Wilk Funeral Home of Random Lake is in charge of funeral arrangements. A memorial fund has been established in her name.

WILBERT KOEPPEN

Wilbert A. "Bill" Koeppen, 71, of Route 3, Campbellsport, died Saturday, Sept. 1, 1984, at his home.

He was born March 8, 1913, in Milwaukee, a son of William C. and Frieda Kunz Koeppen.

On May 11, 1935, he married Louise Boege in Milwaukee.

Mr. Koeppen was a captain with the Milwaukee Fire Department and was employed there for 32 years, retiring on Aug. 25, 1973.

He was a member of Trinity Lutheran Church at Dundee, Milwaukee Firefighters Local 215, Long Lake Property Owners Association and Dundee Drift Dodgers Snowmobile Club.

Surviving are his wife; a son, James of Buffalo Grove, Ill.; and three grandchildren. A son preceded him in death.

Funeral services were held at 2:30 p.m. Wednesday at Wisconsin Memorial Park Chapel of the Chimes, Milwaukee. The Rev. Anthony Schultz officiated and burial was in Wisconsin Memorial Park.

Friends of Mr. Koeppen called from 4 to 8 p.m. Tuesday at Twohig Funeral Home, Campbellsport, and from 11 a.m. Wednesday until the time

of services at Wisconsin Memorial Park Chapel of the Chimes, Milwaukee.

WCCL TO MEET

REDUCE HYPERTENSION [Continued]

"Walking and other improved health habits should help bring down high blood pressure," says Dr. Andrew Lewin, director of Hypertension Services in L.A. "Also decrease salt and calories in your diet and avoid stress," says Dr. Lewin. Other benefits of brisk walking: reduced blood triglycerides [fatty deposits in bloodstream] - less risk of blood clotting - psychological relaxation - excess weight loss. "Try walking - it's free, and it's the best 'natural medicine' for proper blood pressure and basic health," says Dr. Lewin.

A MORTGAGE YOU CAN LIVE WITH.

WEST BEND SAVINGS has been financing homes for over 58 years. We're experts. And we know how important it is to find a financing plan that's exactly right for you ... one that is fast, convenient and affordable.

'A mortgage you can live with.'

Thousands of families buying or building a home finance with West Bend Savings for their home financing. Here's why:

FAST SERVICE.

In-house loan approval on most mortgages drastically reduces processing time...and that can save you money.

AFFORDABLE.

Our loan rates, closing costs and commitment fees are among the lowest available in the area.

CONVENIENT.

West Bend Savings' loan officers are available at five locations throughout Washington County. And, for even greater convenience, three mortgage financing specialists representing RW Mortgage Corporation of Wisconsin and West Bend Savings are available anytime (including

FAST, CONVENIENT AND AFFORDABLE HOME FINANCING TO QUALIFIED BUYER FROM YOUR COMPLETE FINANCIAL RESOURCE COMPANY.

evenings and weekends) to meet with you wherever it is most convenient.

WIDE CHOICE OF PLANS.

✓ **30-Year Adjustable Rate Mortgage.**

Our most economical and lowest rate mortgage with guaranteed initial rate periods of 6, 12 or 24 months. The 30-Year Adjustable Rate is amortized over thirty years and initial rates vary depending upon the guaranteed rate period. West Bend Savings' Adjustable Rate Mortgage is considerably less expensive than most loans available today and over the long run can save you money.

✓ **30-Year Fixed Rate Mortgage**

The 30-Year Fixed Rate Mortgage is available from RW Mortgage Corporation of Wisconsin for home buyers concerned about stability. Although it is available for a premium, you will always know the amount of your monthly prin-

cipal and interest payment.

✓ **1-Year Adjustable Rate Mortgage**

The 1-Year Adjustable Rate Mortgage, offered by RW Mortgage Corp., features a low initial interest rate indexed to the 1-year U.S. Treasury Security rate; low commitment and loan fees; annual adjustment; annual rate adjustment cap; and, is amortized over a 30-year term. This is a very competitive and popular financing plan.

✓ **5-Year Fixed Payment Adjustable Rate Mortgage**

Another product offered by RW Mortgage Corp., the 5-Year Fixed Payment Adjustable Rate Mortgage features payments that are fixed for 5 years. Initial rates are well below conventional fixed rate mortgages and are indexed to U.S. Treasury Securities. This 30-year loan offers a lifetime interest rate cap and can be converted to a fixed-rate loan at the first payment change date.

✓ **Government Assisted Mortgages**

Whether it's the WHEDA [Wisconsin Housing Economic Development Authority] mortgage, FHA [Federal Housing Authority] mortgage, or the Wisconsin VA Mortgage... West Bend Savings' and RW Mortgage Corp. have the resources and experience to help close your loan quickly.

For more information about 'A Mortgage you can live with,' call the financing experts at West Bend Savings, 626-2186 or RW Mortgage Corp. of Wisconsin, 334-5636.

Moraine Chorus Begins 16th Year

Moraine Chorus resumes its regular rehearsal schedule on Monday, Sept. 10, at 7:30 p.m. in the music room at UWWC, 400 University Drive, West Bend.

The chorus, made up of singers from Washington County and the surrounding area, has performed some of the great choral masterworks of Bach, Mozart, Schubert, Handel, Mendelssohn and others. Included in the repertoire, however, is music of a wide variety ranging from Broadway show tunes to popular ballads. An effort has been made to perform music appealing to every taste, while at the same time upholding the highest standards of choral performance.

New members are welcome at this time and should plan to attend the next rehearsal on Sept. 10.

For further information call 338-5200. The chorus is conducted by Professor Peter Ayer, teacher of theory, voice, and conducting at UWWC.

Republican Brat Fry, Picnic Sunday

The Washington County Republican Organization's annual brat fry and picnic will be held this Sunday, September 9, at Ridge Run Park, West Bend. Festivities get under way at 4 p.m., with music by Louis Scheunemann and his Clover Valley Band, comedian Orv

Burtard, door prizes and refreshments. Many federal, state and local candidates are expected to attend. Everyone is invited for a time of good fellowship, good food, and good entertainment. Tickets are \$3.50 for adults, \$1.75 for children, and are available by calling Hazel Nehrbass at 677-2303, or from any member of the G.O.P.

**Children's Chorus
Forms at UWWC**

The University of Wisconsin Center-Washington County Continuing Education program will include a special event this fall. Carol Asch, music teacher and recent graduate of UW-Eau Claire, will form and direct the Moraine Area Children's Chorus. This special chorus is for any child in grades 3 through 6 who expresses an interest in music. The chorus is an excellent opportunity for children to become acquainted with a variety of musical styles while learning about the fundamentals of music. As a member of the chorus, each child will experience both the discipline and the camaraderie which results from participating in a musical organization.

Auditions have been set for September 15 from 10:00 a.m. to 2:00 p.m. and for September 17 from 4:00-8:00 p.m. Appointments can also be arranged if these dates are inconvenient by calling Carol Asch at 629-5975. All auditions will be held in the practice rooms in the music wing at UWWC, 400 University Drive, West Bend. No prepared material is necessary for these auditions.

Rehearsals are once a week on either Tuesday or Wednesday afternoons from 4:30-6:00 p.m. Chorus members must attend practice on one of these two days. In addition, the chorus will practice one Saturday morning a month.

Anyone interested in having their child audition for the chorus should sign up by calling 338-5218. Dues for one semester are \$20 with special rates available to families with more than one child participating.

**CHICKEN BARBECUE AT
CABRINI FOR SENIORS**

"Young at Heart," St. Frances Cabrini senior social activity will begin their 1984-85 season with a barbecue chicken dinner to be held at the Cabrini Church Hall, 1027 7th Ave. in West Bend, beginning at twelve noon on Thursday, Sept. 13.

Dinner will be followed by entertainment, short meeting and social. You don't have to belong to Cabrini to participate. Only be 55 or over and young at heart. A donation of \$3.99 provides for this event. Please help us plan by phoning in your reservation right now! Call either 338-1062 or 334-4922. Bring a friend, you'll be glad you did.

FACSIMILE BALLOT NOTICE OF SEPTEMBER PRIMARY September 11, 1984

OFFICE OF THE WASHINGTON COUNTY CLERK
TO THE ELECTORS OF WASHINGTON COUNTY:

Notice is hereby given of a primary election to be held in the several wards in the County of Washington, on the 11th day of September, 1984, at which the officers named below shall be chosen. The names of the candidates for each office to be voted for, whose nominations have been certified to or filed in this office, are given under the title of the office and under the appropriate party or other designation, each in its proper column, together with the questions submitted to a vote, in the sample ballot below.

INFORMATION TO ELECTORS

Upon entering the polling place, an elector shall give his or her name and address before being permitted to vote. Where ballots are distributed to electors, the initials of two ballot clerks must appear on the ballot. Upon being permitted to vote, the elector shall retire alone to a voting booth or machine and cast his or her ballot, except that an elector who is a parent or guardian may be accompanied by the elector's minor child or minor ward. An election official may inform the elector of the proper manner for casting a vote, but the official may not in any manner advise or indicate for whom to vote.

At the September primary, the elector shall select the party ballot of his or her choice, and make a punch in the hole at the right of the candidate's name for each office for whom the elector intends to vote, or, write in the office and name of the elector's choice for a party candidate on the ballot envelope provided, or depress the lever or button next to the candidate's name for each office for whom the elector intends to vote or insert or write in the name of the elector's choice for a party candidate, if any. In order to qualify for participation in the Wisconsin Election Campaign Fund, a candidate for state office at the September primary must receive at least 6% of all votes cast on all ballots for the office for which he or she is a candidate, in addition to other requirements.

The vote should not be cast in any other manner. If the elector spoils a ballot, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one elector. If the ballot has not been initiated by two ballot clerks or is defective in any other way, the elector shall return it to the election official, who shall issue a proper ballot in its place. Not more than five minutes' time shall be allowed inside a voting booth or machine. Unofficial ballots or a memorandum to assist the elector in marking his or her ballot may be taken into a booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

After an official ballot is punched, it shall be inserted in the envelope provided so the punches do not show. After casting his or her ballot, the elector shall leave the booth, deposit his or her ballot enclosed in the envelope provided in the ballot box, and shall leave the polling place promptly.

An elector may select an individual to assist in casting his or her vote if the elector declares to the presiding official that he or she is unable to read, has difficulty reading, writing or understanding English or that due to disability is unable to cast his or her ballot. The presiding official may administer an oath to a person making such declaration. The selected individual rendering assistance may not be the elector's employer or an agent of that employer or an officer or agent of a labor organization which represents the elector.

The following is a facsimile of the official ballot:

Washington County, Wisconsin
SEPTEMBER 11, 1984

INSTRUCTIONS TO VOTERS

1. Insert your ballot card with both hands. Be sure the pins are through the two holes.
2. Hold the punching device straight up and down. Press down firmly opposite the candidate of your choice.
3. If you incorrectly punch, tear, or deface the ballot card or ballot card envelope, return it to the election official for another one.

WRITE-IN VOTING

To vote for a candidate whose name does not appear on the printed ballot, use the space provided on the envelope to write in the candidate's name, the office and the political party.

SEPTEMBER 11 PRIMARY

"On June 17, I announced that I would not accept financial support from political action committees (PACs) because some of these special interest groups contribute for the purpose of influencing the way a candidate will vote if elected. I want to remain independent of that kind of pressure, so - with the help of hundreds of individual contributions - I raised the \$3,222.00 necessary to qualify for state matching funds - money with no strings attached. (As of July 10, my opponent had accepted almost \$6,000.00 in PAC contributions.)

Now I need a respectable showing in the primary on September 11 to meet the second requirement for state funding. I ask my supporters NOT TO CROSS OVER to vote in the Republican primary. Please give me your vote, so I can run a fiscally responsible campaign these next two months."

VOTE SEPTEMBER 11

REPUBLICAN for STATE ASSEMBLY

Paid for by York for Assembly, Mary Muehlius, Treas., Brownsville, WI 53006

VOTING BY ABSENTEE BALLOT

Any qualified elector, unable to get to the polling place on election day for any reason, may ask to vote by absentee ballot. A qualified elector is a person who is a U.S. citizen, who will be 18 years of age or older on election day, who has resided in the ward or municipality where the person wishes to vote at least 10 days prior to the election. If the voter resides in a municipality which requires voter registration, then registration is also required for the voter to receive an absentee ballot.

To obtain an absentee ballot, the voter should contact the clerk of the city, village or town in which the voter resides. A written request must be made by the voter for the absentee ballot. If the voter contacts the clerk by telephone the clerk will send the application form to the voter. If the voter requests an absentee ballot by mail, the written request, signed by the voter which indicates that the voter resides within the municipality, will be honored. Written requests may be made beginning three months prior to the primary election. The deadline for receipt of the written request by mail is 5:00 p.m. on the Friday before the election. If the voter goes to the clerk's office to complete a written request, the request must be made no later than 5:00 p.m. on the day before the election.

With one exception, the voter who wants to cast an absentee ballot, must make a separate written request before each election. If a voter is indefinitely confined to their home or a care facility because of illness, age, or disability, the voter need not make a request before each election. There is a special statement on the application form which is provided by the municipal clerk which can be completed asking that an absentee ballot be automatically mailed to the voter before each election if they are indefinitely confined. If the indefinitely confined voter fails to vote and return the ballot sent to the voter, a separate written request for the next election must be made before the voter can get a ballot.

The municipal clerk will send the absentee ballot to the voter once the request is received and the ballots are prepared. Absentee ballots are available three weeks prior to the election. The municipal clerk keeps a record of all individuals requesting an absentee ballot, when the ballot is sent and returned to the municipal clerk.

Absentee ballots can be voted at home any time after they are received in the mail. Absentee ballots can also be voted in the clerk's office if the voter appears in person and fills out the written request. The voter should make sure that the affidavit certificate is properly completed and witnessed by two persons. The voter and the witnesses must sign the certificate on the absentee ballot carrier envelope. If the absentee elector receives assistance in marking the ballot, the assistance must be provided by a person authorized to administer oaths such as a notary public, municipal clerk or deputy municipal clerk. The municipal clerk will make sure that the affidavit certificate is properly completed by the voter when the absentee ballot is voted in the clerk's office.

The completed absentee ballot must be in the hands of the issuing municipal clerk no later than the close of the polls on election day. Voted absentee ballots may be delivered in person to the municipal clerk. Any absentee ballot received after the polls close or any ballots which are not properly completed cannot be counted.

a number of Indian arrowheads, which are fine specimens. He has for many years made his home on a farm a short distance northeast of Plymouth and during that time has found quite a collection of relics, such as arrowheads, elk and deer horns, also several specimens of wood which at one time helped to make a beaver dam. At the time Mr. Kuhlmeier first moved onto this farm there was a large dam, the work of the beaver and the uniformity with which the pieces of wood are cut and prepared by the animals, is something remarkable. Although the dam was destroyed a number of years ago, an occasional piece of wood used in its construction is still found.

Letters to the Editor...

3482 Hwy. 28
Kewaskum, WI 53040
August 28, 1984

Editor, the Statesman:
Mr. Reuben Schmahl,
Chairman
Washington County Board of
Supervisors
Members, Washington County
Park and Planning Commission
RE: Washington County Court
Case No. 84-CV-344, Reinhardt,
and Others, vs. Washington
County Board, and Others.

Gentlemen:
I Understand that the Park
and Planning Commission, and
County Board will rescind their
approval of the re-zoning of the
Ned Sengpiel property in the
Town of Kewaskum. I understand,
further, that the Sengpiel
proposal for re-zoning, and for a
conditional use permit will be
re-submitted and considered
correctly this time around. I
sincerely hope so. Meanwhile,
achieving this goal has been
costly for me, and I do expect
that the defendants in the above
will meet my claim for costs.

In considering the Sengpiel
proposal this second time, I
think it is essential for the
County to come to some sort of
written agreement with the
Village of Kewaskum regarding
a highway by-pass of Kewaskum
to the West. I say this because
the Sengpiel people have wrongly
assured the county prematurely
that their proposed building
would be set back far enough
from the section line to allow
for such future highway.

They are assuming that the
middle of such highway would
fall on the section line, with
half of such highway in the
village and the other half in
the County, by the Southeastern
Wisconsin Regional, and by the
State Department of Transportation,
it has never been approved
by the village, or town of Kewaskum.
There was no particular
need for them to do so in the
past, but now with the proposed
Sengpiel/Regal Ware development,
it is time to get an
understanding.

According to SEWRPC, such
highway need not necessarily

fall right on the section line. If
such highway would be fully or
mostly on the Sengpiel land,
then their proposed setback for
building is not adequate. Even
if the mid-point of such highway
would fall on the section line, I
doubt that their proposed
adequate setback would be
adequate. I say this for two
reasons: a) they wish for privacy
in their proposed club house,
which is to act as a retreat,
something which could not be
achieved that close to a highway,
and b) they need to use the
land between the proposed
building and section line for a
large parking lot, private driveway,
huge drainage, septic
system for nine bathrooms and
a large kitchen for entertaining,
plus an alternate septic system
now required by law, a well,
front yardage, and a private
drive of at least 66 feet. It
simply is not reasonable or
practical to allow only 150 feet
between such large proposed
building and the section line.

To blandly assume that such
highway by-pass of Kewaskum
could go someday further to the
West is "plain wrong." I know
from personal research that
there would be serious impediments,
and resistance, to locating
that highway further to the
West, something which has
not been approved, unlike the
highway for the Sengpiel
property. Furthermore, the
Sengpiel property has already
been developed in such a way
as to discourage a highway
where else on that land except
along or near that section line
with the village. Furthermore,
to assume that such highway
could go further out to the West
is to ignore the following: a) the
business and industrial needs of
Kewaskum and Washington
County; and b) the safety needs
of citizens of the Village, and
residents of surrounding areas.
I say this because Fond du Lac
Avenue (Highway 45) is the
only through street in the whole
village.

On the subject of my point
"a)" above, I submit to you that
if traffic is directed further out
to the West, it will be so far out
that the traffic will not want to
come back to Kewaskum, which
certainly would hurt the
business community of Kewaskum;
and on the subject of my point
"b)" above, I submit to you that
in the event of some natural
disaster, such as a tornado,
a fire, an ice storm, etc. which
would damage Fond du Lac
Avenue, the people living West
of Fond du Lac Avenue would
have no way of evacuating; they
would be "sitting ducks"; they
would be marooned, with an air-lift
their

only way out. This is plainly
ludicrous.

There are some thoughts
about a by-pass of Kewaskum
someday to the East. The
cost of a state highway
by-pass would be phenomenal
and, I believe, a national
scandal. This, also, with plans
of land speculators of industrial
and commercial development
along such highway, could
destroy the whole ecology of
this area East of the Village of
Kewaskum, and the Kettle
Moraine State Forest next to it.

My position has been and
remains that we can complete
necessary local roads to by-pass
Kewaskum to the East, and that
we can have economic development
in this area consistent with
the conservation needs of this
precious area, and to satisfy
local property owners, and to
satisfy the larger community.

My position has been and
remains that, if the Washington
County government does not
want to finance a highway to the
West through the Sengpiel
property, contrary to its earlier
approval, etc., that the State
and Federal government would
be very happy to finance a state
highway 45 by-pass of such area
instead, because the alternatives
will be scandalously expensive
and destructive to the
economy, and safety of the
region.

Now, then, what the
Sengpiel/Regal Ware interests
apparently want is their own
private sand box to play in for
themselves and their visiting
executives from their other
plants and offices wherever. I
have in writing stated to James
Reigle, President of Regal
Ware, Inc., that there are
plenty of restaurants and
motels and hotels that could
use the business of such executives,
right here in Kewaskum, West
Bend, and in Fond du Lac and
Sheboygan Counties. I have
pointed out that if they need
additional space to romp about
in they use the Kettle Moraine
State Forest to the East of the
Village, with its thousands of
acres. I assured him that local
businesses would be only too
happy to grant them whatever
privacy they need, within the
law, as this would enhance their
business.

I have also stated to James
Reigle, in writing, that if his
family-owned corporation did
not want to use existing
businesses for their own private
sandbox concept, that they use
the very available land to the
East of Kewaskum which is
ideally suited to this type of
development. I also pointed out
that he already owns more than
60 acres next to the Kettle
Moraine State Forest which
would be ideally suited to the
private sand box concept. As a
last resort, I stated to James

Kewaskum Statesman, Friday, Sept. 7, 1984, Page 15

Reigle that his sandbox concept
could be located on the Ned
Sengpiel land if it was located
far enough to the West of the
proposed and approved highway
there, which is on or near
the section line, since there are
about 104 acres of Sengpiel land
in which to locate this private
sandbox and any other develop-

ment.
The response of James Reigle
has been negative to any sort of
compromise in the public interest
in the above matter. I do not
consider myself a political
extremist of the left or of the
right; and in fact I am not a
member, even, of either major
political party. My own personal
experience is that the Reigle
and Sengpiel families are trying
to block a needed highway
through the Sengpiel land,
contrary to the public interest,
including that of the many
people who want access to the
Kettle Moraine State Forest,
and to the Northland beyond.
The so-called Sengpiel land
preservation project is simply
something which we do not
need, in light of the thousands
of acres of state land already
preserved, and the sensitive
land between the Village and
the Forest, to the East. The
Sengpiel land conservation to
the West appears to be contrary
to our needs, and an obstruction
to justice.

I do not particularly like to
oppose Regal Ware, and I
believe you do not either; but I
do believe that we must do so
here in the public interest; and
that Regal Ware will understand
and cooperate later if not
sooner.

Sincerely,
Marilyn Reinhardt

Dear Editor:

Citizen Advocacy would like
to take this opportunity to
recognize the many wonderful
people who made Citizen
Advocacy week August 19-26,
1984 possible. Donations of
time, talent and food were
shared by: Frank's Meat
Market, Chapman's Bakery,
Susan Snyder, Judy Behlen,
Debbie Brunner, Maria Gavin,
Sue Noegel, Florence and
Gordon Mineau, Judy Munson,
Hartford SENTRY Store, Jensen's
Super-Valu-Hartford, Erdv's
Liquor Mart, Tri-Par, Hartford,
West Bend SENTRY, Prescott's
Shop-Rite, Hansen's-Jackson
and the many wonderful friends
of CA who donated baked goods
for our bake sale.

We also appreciate the
wonderful coverage which the
news media of Washington
County provided to publicize
Citizen Advocacy.

There are also some very
generous people in Washington
County who have given
donations to Citizen Advocacy
in response to a critical need
for financial support. We are
very grateful to these donors -
you make it possible to further
our work to fully include people
with disabilities in our
communities - and to support
Citizen Advocacy with 100%
local, community dollars.

Washington County has once
again shown itself to be the
community that cares - about
everyone.

Republican Assembly Candidates Of 59th District Hold Forum

The Dodge County Republican women sponsored a forum for the four Republican Assembly candidates for the 59th District in Horicon on August 29. Violet Rovics, president of the women's group, served as moderator.

Dwight York of Lomira, Frank Klein of Kewaskum, Lucille Braunschweig of Ashippun, and Owen Mooney of Horicon presented their credentials and also their ideas on some of the issues facing Wisconsin.

York stated that the property tax and the business climate were the big issues and that, as he has gone door-to-door in the District, the voters want more efficient government. He said we must control expenditures in the state in order to have long-term tax relief. York proposed moving some of the cost off the property tax and phasing in—over a period of years—reductions in the property taxes, just as Wisconsin did when the capital gains taxes were reduced. He said that we must not over-promise, but we must set up a plan for long-term property tax relief and then get it started now. He also spoke in favor of lowering the income tax rates for all taxpayers, which would benefit everyone in the state. He pointed out when he has talked to the business leaders in the District, their number one concern was the lowering of the income tax rates. York stressed the need to improve our business climate in order to create jobs for our citizens both now and in the future.

Frank Klein discussed the importance of the Constitution to all citizens. He feels we must look for the best value we can obtain for our tax dollars. He warned of going too far with affirmative action programs and asked for equal opportunity on a person's merit. He also said we have a right to the fruits of our labor, and the current high taxes of Wisconsin during the Earl administration were a big problem. Klein also favors capital punishment while he strongly opposes abortion.

Lucille Braunschweig spoke in support of using the sales tax for property tax relief and also felt that shared revenues could be a source of money to give property tax relief. She also supported the CHORE program for the elderly and the handicapped in order to keep them in their homes. Braunschweig also stated that she is concerned about businesses leaving our state.

Owen Mooney stated that he wants to see rapid and efficient

changes in the tax programs. He favored using the income tax as a source of property tax relief as well as entry toll booths at all our borders in order to collect fees from people entering our state. The other three candidates were opposed to the toll booth idea, saying that Wisconsin wants to attract tourists and to encourage tourism. Mooney also supports a state lottery and welfare reform.

The Primary Election will be held on Tuesday, September 11, and Ms. Rovics thanked the audience for their attendance and participation. She expressed the hope that the voters were knowledgeable because of their attendance, and she strongly urged that they exercise the right to vote on September 11.

'Grin and Bear It' At Riveredge

Riveredge Nature Center invites you to join us to celebrate the 40th birthday of Smokey the Bear with a FRIDAY NIGHT AT THE MOVIES presentation of "GRIN AND BEAR IT" on September 7 at 7:00 p.m. This season's first program will include the films: "The Grizzly Bear," "Time of the Grizzly," and "Bears: Kings of the Wild." Our featured guest speaker, Tom Smith, District DNR Wildlife Biologist, will give a special illustrated presentation on Wisconsin's bears and bear research in our state. After the program, you will be able to share your questions about bears, your experiences and we'll provide you with the opportunity to "grin and bear it."

There is a nonmember fee of \$1.50 for children; \$2.50 for adults and member fee of \$1.00 children and \$2.00 for adults. For more information about Riveredge Nature Center's FRIDAY NIGHT AT THE MOVIES or the many other programs available, please visit the Center at 4438 W. Hawthorne Drive, (1 1/2 miles NE on Co. Hwy. Y at the intersection of Hwy. 33 & Co. Y) Newburg or call 675-6888 (local) or 931-8095 (metro).

State Senate Candidate Sara Johann Opposes 21-Year-Old Drinking Age

The United States Congress recently passed a law aimed at forcing states to adopt a minimum drinking age of 21 years. Under the law, states which do not adopt a 21 year old drinking age by October 1, 1986, will lose 5% of their federal highway aids in certain highway program categories. If they don't adopt the 21 year old age by October 1, 1988, they will face an additional penalty of 10% on certain highway aids. The Wisconsin legislative fiscal bureau estimates that failure to adopt the 21 year old age could cause Wisconsin to lose over \$21 million in federal highway aids.

I oppose the 21 year old drinking age.

I say this as someone who does not personally drink any alcoholic beverages and who despises alcohol abuse. I am not unaware of the problems caused by alcoholism in our nation. Alcoholics can physically abuse and mentally torment spouses and children, and much family abuse is shown to be alcohol-abuse related. As a chaperone at teen dances in Cedarburg, I have watched teens become violently ill from illegally consumed alcohol. Before adequate guidelines were established, chaperones could sometimes smell various types of alcoholic beverages in the dance hall. I have seen ambulances rush teenagers who consumed too much alcohol to hospitals. And I have talked to high school students who say that 80 to 90 percent of their classmates consume alcohol (illegally, of course).

You can not convince me that 20- and 21-year-olds would not drink if a law prohibiting their drinking were passed. A July, 1984, article in Top Shelf pointed out a number of interesting statistics:

"...alcohol beverage revenue studies show no statistically significant increase attributable to lowering the age, and no decrease attributable to raising the legal drinking age in any state."

"...higher legal drinking ages do not effect any long-term differences in highway crashes among those affected."

"...fatal crash rates are higher among 18 through 21-year-old drivers where the legal drinking age is 21 than where it is 18."

"...(there is) no statistically significant difference in alcohol-related highway crash rates at any age attributable to differences in the states' legal drinking ages."

Persons in the 20- and 21-year-old age group are adults. Many are on their own going to school, working, paying debts, raising their own families, dealing with the responsibilities of life. They can vote and be drafted. Most of these young people are as law-abiding as other adults. Instead of blaming a specific age group for alcohol-related problems such as highway accidents, we should be talking about the tremendous damage alcohol abuse causes among all age groups. Drunk driving accidents, family abuse, and alcohol-related illness are not problems unique to 20 and 21-year-olds.

Prohibition of alcohol consumption is not an effective deterrent to abuse of the drug. Someone with an alcohol problem will drink whether it is legal or not.

I strongly disagree with the approach taken by Congress to the 21-year-old drinking age. If Congress and the President truly believe a 21-year-old nationwide age is needed, they should have had the courage to pass such a law, rather than trying to blackmail the state into passing such laws.

Wisconsin has taken the sensible approach to the problem of alcohol and drug abuse. It has strict drunk driving laws with tough penalties. These laws are enforced. Wisconsin also, wisely, supports programs to educate people about alcohol abuse and how to deal with it. These laws, not prohibition, are the answer to the alcohol abuse situation.

Girl Scout News

Now that the school bell has rung and the crispness of autumn is in the air, we know that the time has come for the scout troop to hold their first meeting.

This year is going to hold new things for the girls to take part in. The scout troops will be meeting every other week unless a change is announced by the troop leader.

This year we have a few new leaders and are also glad to see some others returning. The leaders are as follows: Brownie Grade 1 — Rondra Stradtman; Brownie Grade 2 — Rose Kiefer (Kewaskum Elm.); Brownie Grade 2 — Joan Stoffel - Joan Fleischman (Holy Trinity); Brownie Grade 3 — Carol Connor (Kew. Elm.); Brownie Grade 3 — Mary Chambers (Holy Trinity); Jr. Grade 4 — Lori Seitz; Jr. Grade 5 — Vivian Stommel - Judy Geidel; Jr. Grade 6 — Mary Neckuty - Sharon Beal; Cad. Grade 7-8 Pat Morgan.

The girl scouts would like to wish every grandparent "Congratulations" on their day Sunday, September 9.

Graduate Home Economists to Meet

The Association of Graduate Home Economists will meet on Monday, September 10, at the home of Mary Koch, 2135 Parkfield Drive in West Bend. Dinner is at 6 p.m. followed by a meeting at 7 p.m.

Avis Waflesverd will report on her trip to Oslo, Norway. A candlewicking quilt project will be demonstrated.

Meetings are open to all area home economists. The next meeting will be on microwave convection ovens on October 8.

Policy Book

(Continued from Page 1)

be created in their work if all bills would be required to have board approval. Many of the bills would have to be held past their due dates which could result in the loss of discounts and/or penalty fees for late payment. After listening to their input the committee agreed that bringing all the bills before the board for payment authorization would be both costly and inefficient.

Pohle told the committee many payments affected by this policy are "in and out" items. She cited Weekly Readers as an example. Teachers collect the money from their students which is then sent to the office and a check issued. Pohle noted these funds do not come out of the budget and should not have to come before the board for approval. Other items such as stamp and envelope purchases are approved by the business manager.

You have to trust us with respect to processing of the bills, noted Pohle. We are told her, you people handle a \$5 million budget and if you can't be trusted to handle a couple hundred dollars, we're in trouble. The committee voted to submit an amended policy recommendation, containing more specific guidelines, for full board approval.

Policy 3320 "Purchasing Procedure" was the next subject of review for the committee. While some revisions are to be recommended for this policy also, Horner felt the district should strictly adhere to points already in the policy requiring the use of competitive bidding in the purchase of goods and services.

Amendment recommendations will include changing the duties of the purchasing agent from the District Administrator to the Business Manager position and increasing the limit from \$300 to \$1,000 on purchase orders which may be issued without prior approval of the board, except in emergency situations.

Policy 3130 "Publication-Budget" reflected another concern of Ralph Horner. "I feel very strongly about the transferring of funds," he stated. Horner felt that a publication be required for any changes in the purpose of funds in the budget. As he had indicated at previous school board meetings, no transferring of funds from one area of the budget to another should be done without board approval. The committee approved submitting a recommendation to amend the policy to contain stricter, more specific guides in the transferring of budget funds and the publication of any such transfers.

As the Policy Committee tackled its job on the policy book, it found out it will not be a quick or easy task to bring it "up to snuff." One of the biggest problems facing the group will be the weeding out of contradicting and/or duplicating points listed under more than one policy. A situation which has caused difficulties on several occasions when board members addressed various subjects.

Another problem discussed by the committee was the method used to recruit and hire support staff personnel. The question of the district's hiring

practices came up at the last board meeting.

After a study of the situation, the committee voted to recommend the creation of a new policy which will set points covering the methods used in advertising, interviewing and hiring of people for support staff positions.

A second new policy which will be recommended to the board covers the investment of district funds. The recommendation will include making the Business Manager responsible for seeking bids and investing funds with institutions which will provide maximum returns on the district's money.

The committee also reviewed the job description of the business manager position and will recommend some minor changes for board approval.

SHERIFFS

CLARENCE A. SCHWARTZ, SHERIFF

Sheriff Offers Tips on What To Do in a Traffic Stop

Fortunately, most of the drivers on Wisconsin county roads are law abiding, courteous people, says Sheriff Clarence A. Schwartz. Because of this, many people go years before they are stopped, if ever, by a law enforcement officer.

Hopefully, you are not regularly stopped for traffic law violations; but if the occasion does arise, please keep in mind some simple tips so the traffic stop goes smoothly for you and the law enforcement officer, Schwartz added.

First of all, stay calm. You may not be guilty of anything more than a burned-out taillight or brake light. The officer may just be bringing this to your attention for your own personal safety.

Secondly, don't be impatient. Find a safe place to pull over. You should signal the officer with your right turn signal and look for a place where both your car and the officer's car can stop safely out of the flow of traffic.

Once you have stopped, do

not get out of your car unless you are directed to do so by the officer. You should use the time between the stop and the officer's approach to your vehicle to get out your driver's license.

Do not get out of the car unless you are directed to do so by the officer. You should sit in your car with both hands near the top of the steering wheel and relax. This will allow the officer to see your hands and to help him relax.

According to the Sheriff, approximately 30% of the peace officers killed on duty are killed

Friday, Sept. 7, 1984, Page 17

while making traffic stops. Therefore, officers will approach every traffic stop with extreme caution.

Lastly, never get angry. If you broke the law, you are probably aware of it. Arguing will not change the officer's mind. If you feel you have been unfairly stopped you will have ample chance to explain this in traffic court.

Be honest with the officer when he asks you questions. If you really did not see a stop sign, let him know. If you didn't notice that a light had changed because you were reading a billboard, be honest about the situation. If you have a passenger in your car, instruct them to let you do the talking. If you are the driver you are in charge of the vehicle.

These tips are usefull, according to Sheriff Schwartz, not only in Washington County, but in any place you operate your vehicle. And "please" be courteous and drive safely.

IN MEMORY

In loving memory of Mrs. Harold Meisenheimer, who passed away four years ago, August 23, 1980:

Four years have passed since that sad day

The one we loved was called away

God took her home, it was His will

But in our hearts she liveth still.

Sadly missed by her husband and family.

Food Service Courses Offered by MPTI

A series of Institutional Food Service courses will be offered starting in September by MPTI, West Bend Campus, Adult Continuing Education Division.

The first ten hour class in the series, **Sanitation and Safety**, will include information on basic bacteriology and sanitation, requirements of food storage, preparation and delivery, as well as safety and accident prevention.

Classes will meet Monday and Wednesday evenings, September 10 to 19, from 6:30 to 8:45 p.m. at the Washington County Sheriff's Department, 500 North Schmidt Road, West Bend. Men and women in food service are invited to attend.

Instructor is Lynne Gross, registered dietitian and food service supervisor, West Bend Schools. She also teaches the MPTI School Food Service courses recommended by the Department of Public Instruction, and has had extensive experience with the use of government commodity foods.

Fee for this first ten hour class is \$6.60. Advanced registration is required. To enroll, call MPTI 334-0909.

Threshold's Annual Picnic

Over 180 clients and staff attended Threshold's annual picnic at Regner Park thanks to the generosity of Jerry's Catering Service of West Bend who donated time and the 190 hamburgers that were consumed. Jerry's new grill is able to make 200 hamburgers or 400-500 brats at one time. It can also roast two pigs simultaneously.

Threshold's programs for handicapped serve on a daily

basis 187 on the day shift plus 23 on subcontract production work only on the second shift.

Of these 220 adults, 121 reside in the West Bend area, 17 in Germantown, 12 in Richfield, 10 in Jackson, 9 in Newburg area, 23 in Hartford area, 17 in Kewaskum area and 11 in Ozaukee County.

The Threshold, Inc. is located at 600 Rolfs Road, in West Bend.

Britton Appointed Math Chair at UWWC

Gary Britton, Associate Professor of Mathematics at the UW Center-Washington County in West Bend, has been elected by the 75 members in the UW Centers math department to serve as Math Department Chairman beginning September 1, 1984. As chairman, Britton's duties will include presiding at all departmental and executive meetings and coordinating personnel and curriculum matters.

Besides his teaching duties, Britton is currently serving a second term as treasurer of the Milwaukee Chapter of the American Statistical Association as well as chairman of the Wisconsin Section of the Mathematical Association of America.

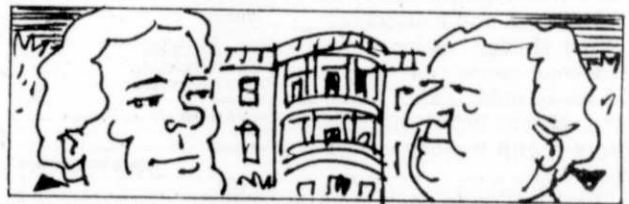

"B," Horicon Zone, Period 1 will open on October 13 and continue through October 25, and Option "C," the Horicon Zone, Period 2, season runs from October 26 through November 6.

The number of permits available are: 16,800 for the Central Zone, 9,700 for the Horicon Zone 1st Period, and 3,600 for the Horicon Zone 2nd Period. Permits will be issued by random drawing from applications submitted by the September 15 deadline.

The only time in United States history that the President and Vice President were members of different political parties occurred when Thomas Jefferson, a Republican, became Vice President under John Adams, a Federalist, in 1797.

Sept. 15 Is Goose Permit Deadline

Applications for Canada goose permits for the Horicon and Central zones must be received by the Department of Natural Resources no later than September 15. The applications are available at DNR offices and other license outlets throughout Wisconsin.

Though the application for the permits lists a late Horicon-Central Zone season for this year, the December 1 through December 9 hunt will not be held because of a shortened season for all tag zone hunts. The U.S. Fish and Wildlife Service is providing a season length of only 25 days this year in line with reductions in season length throughout the Mississippi Flyway. The season ran for 40 days last year. This shortening of the season does not allow sufficient time to hold the late season hunt which was initiated last fall. Scratch option "D" from the permit application.

Also, the season dates for Canada geese in the Central and Horicon zones are altered slightly from those listed on the permit application. Option "A," the Central Zone season will run from October 13 through November 6. Option

Indians Surprised by Horicon in Opener, 16-13 Eichstedt, Koss Repeat As Hon-E-Kor Champs

By John Harju

From an Indian fan's viewpoint frustrating might be the only way to describe last Friday's football game. The game featured the supposedly easy-to-defeat Horicon Marshmen and the Kewaskum Indians, but when the scoreboard showed 00:00 the host Indians found themselves on the short end of a 16-13 final score before a shocked "Parents' Night" crowd.

Why were they shocked? Well, the Kewaskum defense had just put in a valiant effort before faltering in the fourth quarter. They also witnessed the Indian offense turn the ball over four times (3 times in Kewaskum territory and once inside the 20) and almost literally give the game away.

The score stood deadlocked, 6-6, when the deciding final quarter got under way.

Kewaskum started the fourth quarter on their own 24 after Horicon was forced to punt.

Indian fullback Rick Miller took the next handoff up the middle and was jarred loose of the ball. Horicon defender Tom Peterson fell on it at the Indian 17. Now, all those earlier turnovers began to haunt coach Mike Fifrick and his Indians.

The Indian defense made Horicon settle for an easy 10-yard field goal, but the damage was done, and Horicon led 9-6 with 9 minutes remaining.

Tim Rohlinger took over at quarterback after Mark Follmann was benched with a thumb injury. Rohlinger wasted no time in getting Kewaskum back on top. On the second play of Kewaskum's next possession, Rohlinger found Mike Steinhardt sprinting down the left sidelines for a 66-yard touchdown pass. Tim Geidel kicked the extra point and Kewaskum led 13-9 with 8:20 remaining.

Horicon then countered with a long drive of their own via the hard running of Jim Hagen and Brett Roggenbauer. The Marshmen took the kick off at their own 32 and drove 68 yards in eight plays and took back the lead when quarterback John Hinkes drilled a pass up the middle and found Kurt Schmidt crossing the end zone for a 17 yard touchdown score. The Indian defense had finally failed and the crowd went silent. The point after attempt was good and Horicon led 16-13, and this is how it ended.

The Indians did manage to put together one fine drive, but it died at mid-field when Rohlinger overthrew Rick Staehler on a fourth and seven play.

This was the first Indian defeat on home turf since 1982, but Friday's game wasn't all black for Kewaskum. Many players played well according to Fifrick.

Follmann had a relatively good night, completing a 16-yard touchdown pass to Rohlinger for the first score of the game as well as a few passes to Tom Hergiges.

Both defenses were tough in this game. Indian linebacker John Gundrum had an interception that set up Kewaskum's first score. Linebacker Mike Geldreich, at 5-8 and 145 pounds, was in on many tackles and knocked down a pass that stopped a drive inside the

twenty. The defensive line was inconsistent but adequate.

Offensively, speaking, however, Kewaskum had a sub-par game. The ground game was inconsistent, but the Indian backs did have their moments. Kewaskum's longest runs were an 11-yard romp by Staehler, two nine-yard runs by John Mertzig, and a nine-yard scramble by Follmann.

How They Scored

1st Quarter: Kewaskum — Follmann to Rohlinger 16 yards TD pass (kick failed).

2nd Quarter: Horicon — TD pass Hinkes to Hagen 8 yards (kick failed).

3rd Quarter: None.

4th Quarter: Horicon — FG 10 yards by Schmidt.

Kewaskum — TD pass Rohlinger to Steinhardt 66 yards (Geidel kick).

Horicon — TD pass Hinkes to Peterson 17 yards (Schmidt kick).

Interceptions: Kewaskum — J. Gundrum; Horicon — Hinkes.

Fumbles: Kewaskum 3; Horicon 1.

Sacks: Kewaskum 1 (Kassekert); Horicon 1 (Baerwald).

Kewaskum vs. Campbellsport Preview

The Kewaskum Indians football team is set to do battle against non-conference opponent Campbellsport Friday at 7:30 in Campbellsport.

Campbellsport has practically its entire offensive line returning this year. This is the same line that opened up holes for since graduated Rich Narges, who ran for over 4,000 yards in his high school career.

Last year, Kewaskum defeated Campbellsport 24-6 but this year the Indians are a new team. Campbellsport, on the other hand, has many returning lettermen that Kewaskum will have to contend with.

The Cougar line is anchored by the 5-11, 210 pound center, Scott Majerus and a 6-8 end, Chris Stoffel. The defense is equally as big but a little inexperienced according to head coach Bob Larsen.

Jeff Narges (a 6-0, 180 pounder), Todd Rohlinger (5-10, 170), and Jeff Bengel (5-9, 165) should all see a lot of action carrying the ball.

Kewaskum will have to stop the Cougar running attack and their passing attack must be on target in order to win. The Cougars' major problem is inexperience at quarterback, with Kewaskum's being the inability to establish a running game.

The first formal rules for baseball required the winning team to score twenty-one runs.

A 36-hole round of golf on Labor Day Monday determined the 1984 club champion at Hon-E-Kor Country Club. In a rematch of last year's finale, Clark Eichstedt met and defeated his close friend, Mike O'Connor Jr., 4 and 3. It was Eichstedt's third club title in succession and seventh altogether.

Mary Ann Koss also repeated as women's champ. She captured her sixth title with a 19-hole victory over Irene Schlefke, after defeating Audrey Jaraczewski in a sudden

death match in the semi-finals.

Ross Bartelt got past Mark Brodzeller, 3-2, for the junior crown.

In other matches Jack Holfeltz beat Bill Wuebben Saturday, 2-1, for the first flight championship. George Roehring took second flight, 6-5, over Tom Kachelmayer. Mike Pfeiffer won third flight over Dave Gardner.

Cathy Lastofka captured the women's first flight over Corliss Fassbinder, and Bob Fassbinder beat Harold Marx for the senior title.

Indian Cross Country Preview: Boys, Girls Run in Two Meets

By John Harju

"Quantity is small, but quality is great," would describe Dave Drexler's cross country squad for this year.

Only 13 boys and girls are presently out for the sport, but out of these 13, nine are returning letterwinners.

This year's boys' team consists of only six but four of these boys are returning lettermen.

Heading the list is Monty Shaw, a standout runner for many years, has for the last two years barely missed qualifying for State.

Gunner Schlieter, another returnee, went out for cross country for the first time last year and made quick strides in becoming No. 2 runner behind Shaw.

The other two returning senior regulars are Bill Gruss and Paul McFadden. Newcomers include senior John Harju and freshman Miles Shaw.

The girls' team is led by seniors Sandy Klein and Lori Batzler who will each be going for their 4th letter in cross country.

Other letterwinners for the girls include juniors Ellen Beisbier and Mary Harju and sophomore Sherri Batzler. Newcomers are freshmen Carrie Batzler and Ellen Kuphal.

The Indian harriers can't afford any injuries, but none the less, some injuries have cropped up. Schlieter, John Harju, and Miles Shaw are all currently battling injuries.

Aug. 28 at Kewaskum

Sheboygan Falls finished on top in the team scores in last Tuesday's meet at Hon-E-Kor Country Club, but the Indians put in a fine effort, none-the-less.

Monty Shaw and Gunner Schlieter finished 1-2, covering the 5000 meters in 18:52 and 18:55, respectively. Highlights for the girls included the 4-5 finish of Sandy Klein and Lori Batzler. The duo ran the 3000 meters in 14:10 and 14:11, respectively.

Overall the Kewaskum girls and boys placed second in the team scores. 100 degree heat caused times to be a bit slow, however.

Aug. 30 at Ozaukee

The Kewaskum girls' cross country team won impressively

with the boys settling for 3rd out of four teams in a meet held last Thursday at Ozaukee High School.

The girls' team blew away their competition with all the varsity girls placing in the top 15. Sandy Klein, Lori Batzler, Sherri Batzler, Carri Batzler, and Mary Harju finished 3-4-6-7-15.

The boys' top finishers were Monty Shaw and Schlieter who were 2-4, respectively.

Thiernerdome Thursday Goodtime League

Round Robin Standings

Kennelly Pharmacy	3	0
BJ & Co.	2	1
Grand Larsony	2	1
Bartelt Ins.	1	3
Thornton & Schaub	0	3

Highlights

The games on 9/6/84 will end the 1984 season at the Thiernerdome. It has been a memorable banner year. Attendance up 167% and according to Evie's Concessions Inc. the beer sales were up 248%. Pretzels, popcorn and hot dog sales about the same as last year. Just goes to show that there are more people on new liquid diets the past year.

The first game saw Grand Larsony knock off previously unbeaten BJ & Co. 10-6. The game saw some controversial calls from temporary umpire Mike "Rags" Pfeiffer. In the end his calls were proved to all be correct and the members of BJ & Co. who were yelling slanderous epithets at poor Mike and questioning his mother's heritage all apologized to him and offered to furnish him some of Milwaukee's finest after the game. Grand Larsony was led by Fred "Stork" Schommer and Dennis "Rooster" Roos as each had home runs. BJ & Co. was led by Leon "Boomer" Schultz with a 2 run homer and Barbara "BJ" Justman with her inaccurate score keeping.

The second game saw Bartelt Ins. drop their 3rd game in a row 8-7 to Kennelly. Kennelly played dirty pool against Bartelt Ins. in that the last inning was played in darkness. When Bartelt Ins. came to bat in the top of the 7th Kennelly manager Herbie "Win at any cost" Justman threw out a fluorescent softball so when the hitters from Bartelt Ins. struck the ball his fielders could know where it was. When Kennelly came to bat in the bottom of the 7th the ball mysteriously disappeared. Bartelt Ins. was forced to use a normal softball and the fielders were unable to see the ball in the darkness and Kennelly scored two cheap runs to win 8-7. The extreme guilt of this tainted victory will cause Herbie many sleepless nights. Ed Ninke paced Kennelly with a key hit to win the game. Bartelt Ins. brought Dave "Butcher" Nigh out of the mothballs for this game. Dave is co-owner of Kewaskum Frozen Foods which is the best little slaughterhouse in the midwest. Dave was forced to leave the game prematurely when his overzealousness on the base paths aggravated an old World War I injury. The mysterious 3 game slide by Bartelt Ins. has caused much concern to Bartelt Ins. General Manager Harry Dalton. He has given the coach of Bartelt Ins. a vote of confidence, however there are several players that may be put on waivers to the Beechwood Rest Home.

Next week's edition will feature the winner of the Round Robin tournament as well as recap of the exciting 1984 season and for an added bonus there will be a photo of the winner of the United States Softball Assoc. Umpire of the Year Award. Attendance 145. Down because the Packers were in town.
