School Board Approves Increases In Administration Salaries

By GERRY MUELLER
Statesman Staff Writer

On a four to three vote, the Kewaskum School Board, at its meeting Monday night, approved an overall average 7.8% salary increase for school district administrators in 1984-85. Including fringe benefits, the total package results in an

8.27% increase over 1983-84.

Fred Boehlke, Superintendent of Buildings and Grounds, received a 10.7% salary increase of \$2,400, going from \$22,500 to \$24,900. Tom Larsen, principal of the Wayne, Farmington and Beechwood Elementary Schools received a 10.5% salary increase of \$3,000

from \$28,546 to \$31,546. The board also added fifteen more working days to Larsen's contract. Dennis Reha, Middle School Principal was given an 8.8% raise, up \$2,400 from \$27,418 to \$29,818. Richard Zarling, Director of Elementary Education and Kewaskum Elementary Principal received 7.6% up \$2,400 from \$31,466 to \$33,866. Roy Esser, Assistant High School Principal, received a 5.9% increase of \$2,000, from \$33,877 to \$35,877. District Administrator John Long received a 3.4% raise of \$1,400, from \$41,691 to \$43,091. Board members Neal Weare, John Spoerl and Ralph Horner voted against the raises.

In other action, the board voted to hire a full-time aide for Farmington Elementary. The motion was made by board member Lynn Dieringer who said she had been contacted regarding the need for an aide because of the large number of students in the first and third grades.

Some of the board members questioned the motion referring back to Tom Larsen's report and request for additional help at last month's meeting. In his report Larsen had asked for additional help at all three outlying schools, either another teacher, full-time aide or part-time aide for each school. Dieringer then amended her motion to include a full-time

Jr. Woman's 'Art in the Park Festival' Sunday, Sept. 23

Sunday, September 23, will mark the date of the 2nd Annual "Art in the Park Festival" for the GFWC Kewaskum Junior Woman's Club. This year's festival will include more artists and craftsmen, as well as local groups, than last year's festival. Hours for the festival have also been extended to 10:00 - 4:00.

Items for sale at the festival will include oil paintings, miniature wooden buildings, quilted calico items, pen and ink prints, landscape photography, animal sculptures, sterling silver rings, stoneware, water-color farm scenes, stained glass items, painted saw blades, cheeseboxes and wood, knitted and crocheted items, soft sculpture dolls, wooden candle holders, plant stands and quilt stands, rosemaking, pottery, wooden toys, salt dough ornaments, pastel portraits and caricatures, burned wood and

painted plaques, mirrors and clocks, as well as hand painted ornaments and items from third world countries.

The Kewaskum Junior Club will again have a home-made bake sale, cook book stand, Care Bears, festival balloons, and a cupcake cone sale, proceeds of which will be matched by the Club for the Statue of Liberty/Ellis Island restoration project. The Kewaskum J.C. Women will provide a food stand for lunch and snacks. Free entertainment will include music by Gary Cross, as well as members from the High School music program. Bert, Ernie and Woodsy Owl, along with numerous clowns will be walking around the park area. A scouts petting zoo, face painting and free games will be offered to the youngsters in the crowd. Other demonstrations and dis-

Fire Chief Augie Bilgo thanking Peter Wilmont of Port Washington for the fine job he did in restoring the 1886 pumper which was unveiled at 12 noon at the Kewaskum Historical Society Early Farm Days Sunday. Related story and other pictures on another page.

Sunburst Under New Ownership

By GERRY MUELLER
Statesman Staff Writer

The Sunburst Ski Hill, Kewaskum, has been purchased from Herb Smith by Summit Ski Corporation, a group of partners who have been working in the ski recreation business for over thirteen years. A company spokesperson said the new owners are completely remodeling the facility

as well as adding more snow-making equipment. The corporation also plans to have most, if not all, of the hill open for use by skiers. In the past not all areas were open on the hill. Inside operation will continue to be managed by Mike Smith, while Gary Ciriacks will manage outside operations.

The ski hill will be called "The New Sunburst."

Light Turnout for Fall Primary Tuesday

By GERRY MUELLER
Statesman Staff Writer

With only three offices faced with opposition, Tuesday's primary election drew little interest from local electors.

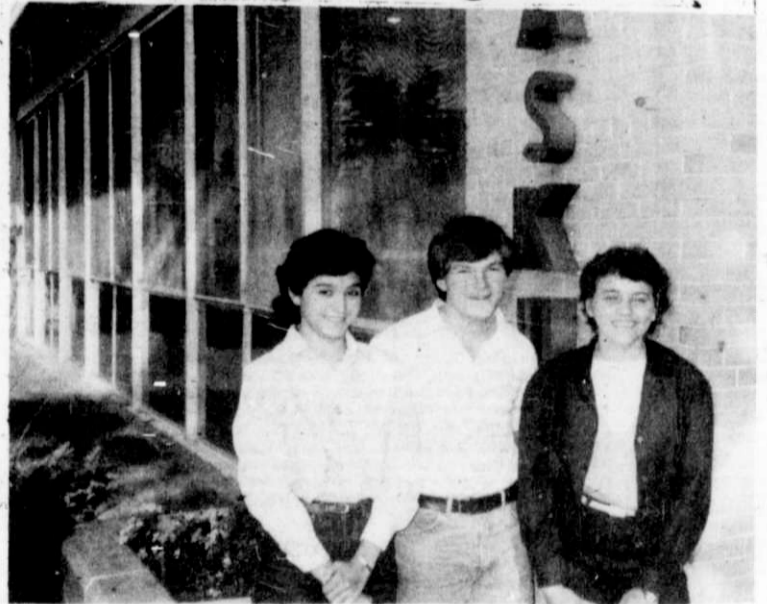

The Town of Auburn recorded a total of 75 votes cast with Democratic candidate for the 9th Congressional District John Krause receiving 18 and Howard Ver Duin 1. In the State Assembly 18th District, Democrat Peggy Lautenschlager

received 14 and John Daggett 3. In the Town of Farmington 55 votes were cast. John Krause got 9, Ver Duin 2, Lautenschlager 7, and Daggett 5.

Town of Kewaskum had 97 votes cast. For the Assembly 59th District Republican Candidate Dwight York received 5, Lucille Braunschweig 5, Frank Klein 2, and Owen Mooney 0. In the 9th Congressional race, Krause

Foreign Students Arrive At Kewaskum High School

Left to right: Alicia Vega, Martin Selchert, Rosi Cano.

Three foreign exchange students have arrived at Kewaskum High School for the 1984-85 school year. This year's exchange students are sponsored by three different organizations.

Rosi Cano is the American Field Service exchange student. She is 17 years old and comes from Comayagua, Honduras. Rosi is living with the Ronald Landvatter family for the school

year. Her American brother is Daryl, a sophomore at KHS. Rosi's father is an accountant. She has three older sisters and two brothers. She enjoys TV, bike riding, volleyball, and reading. She hopes to learn more about U.S. customs and the language while staying here.

Alicia Vega is the Youth Exchange Student. She is 18

Jaycees to Sponsor Football Fundamentals Competition

The Kewaskum Jaycees will be running a Football Fundamentals Competition on Sunday September 23, at 1 p.m. on the Kewaskum High School practice football field, with registration beginning at 12:30 p.m. There will be a practice held at 1 p.m. at the Kewaskum High School practice football field on Sunday, September 16.

Football Fundamentals is the same program that Ford Company ran known as Pass, Punt and Kick. There are three levels of competition: local, regional and state. The six age groups involved consist of ages 8 through 13 years old. Age of entrant on October 27, 1984, determines his or her age group.

There will be medallions given out to the top three finishers of each age group. From there, the top finisher in each age group will go on to the regional competition, which will be announced at a later date. State competition will be held October 27, at Green Bay on the Packers' Practice Field.

State winners (first place) will then be provided with hotel accommodations and will be the guests at a tailgate party prior to the Packer/Detroit Lions Game on Sunday, the 28th. The winners will be present on the sidelines during the game. Note, that only the first place winner of each age group at state and his/her family will be given hotel accommodations for Oct. 27th.

Only participants with waivers signed by a parent/legal guardian will be eligible to compete. Proof of age is required.

There is no registration fee. Athletic shoes are required for all levels of competition. Athletic shoes with uppers con-

sisting of materials such as canvas, suede, soft leather or nylon will be allowed, provided the sole is made of a flexible rubber - like material. No special foot gear such as football shoes or boots or any spiked or hardtoed shoes can be worn at any level of competition. Also, no barefoot kicking or punting is permitted.

No contestant will be disqualified for using rosin or similar products at any level of competition.

Contestants 8, 9 and 10 years of age will use a junior or intermediate size football and those 11, 12 and 13 years of age will use a regulation size football.

Football Fundamentals is co-sponsored by McDonald's.

Kewaskum Societies to Take Part County to Participate in National Videoconference

Cablevision viewers within the range of West Bend Community Cable Television will be among the more than 300 select towns nationwide to participate in the videoconference "Revitalizing Downtown" on September 18.

The satellite-delivered program, which is being sponsored by the Office of Rural Development Policy and other agencies of the U.S. Department of Agriculture, the National Trust for Historic Preservation, will provide first-hand advice from experts in economic development and design — people who know how to make a revitalization program work. Based upon the Main Street Center's highly successful approach to downtown revitalization, the videoconference will originate live from Washington, D.C., and be transmitted nationwide via satellite by The Learning Channel, cable TV's adult learning and community service network.

Local participation will in-

clude representatives from the Washington County Historical Society, the Lorraine Hartman Literary and Historical Society, Inc., Friends of St. John of God, Inc., and the Kewaskum Historical Society. The videoconference will begin with opening remarks by a local moderator at 9:15 a.m. and will conclude at 3:00 p.m. There will be a half hour presentation by

the local participants from 11:00 until 11:30 a.m. Ample opportunity will be provided for members of the community to ask questions of both local participants and members of the National Trust for Historic Preservation.

An innovative event, "Revitalizing Downtown" will mark the first time that satellite technology has been used to link individual communities in a nationwide, historic preservation effort. It has brought together four, growing local societies in this project, which has been generously sponsored

Kewaskum Students Among 1.4 Million To Take PSAT/NMSQT in October

More than 1.4 million students are expected to take the Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test (PSAT/NMSQT) this fall in over 19,000 high schools across the nation. Among them will be students scheduled to take the test October 23 at Kewaskum High, according to Dave Wietor of the school's guidance staff.

The PSAT/NMSQT will be offered nationally this year on Saturday, Oct. 20, and Tuesday, Oct. 23. Since 1959, nearly 30 million students have taken the test, which measures verbal and mathematical abilities.

"Students take the PSAT/NMSQT for several reasons," said the local guidance official. "The PSAT/NMSQT is the qualifying exam for students wishing to participate in competitions of the National Merit Scholarship Corporation. Students also want to find out how they rank among their peers taking the test in other parts of the country."

The test also provides an opportunity to become familiar with types of questions similar to those on the Scholastic Aptitude Test, which many college-bound students take. In addition, the test is the first step in qualifying for the National Hispanic Scholar Awards Program, conducted by the College Board under a \$2.1 million grant from the Andrew W. Mellon Foundation.

Before taking the PSAT/

NMSQT, students receive a Student Bulletin containing a complete practice test with an answer key and scoring instructions. After the test, they receive a booklet, About Your PSAT/NMSQT Scores, that helps them to interpret their test results and plan for college.

Particularly helpful for students is the Report of Student Answers, which includes the correct answers and their own responses and scores. They also receive their own test booklets so they can review the actual questions, see the ones they got wrong, and try to figure out the correct answer and why they may have missed it.

The College Board also provides other services that enable counselors and other school personnel to better understand and interpret the test results to students and parents. These services include school summaries of students' answers, profiles of the academic characteristics and career interests of students taking the test, and a special publication for use with students as part of a general guidance program.

Any sophomore, and especially junior students at Kewaskum High School planning on attending college after graduation are encouraged to register for this test with their counselor.

Threshold Announces Personnel Changes

Brad Allen

The promotion of Brad Allen to Placement Specialist at The Threshold, Inc. was recently announced by Horst D. Wagner, Executive Director. Allen has been employed by The Threshold since March of 1984 as Job Coach. His new duties will include programs designed to locate and secure employment for disabled workers in the Washington and Ozaukee County areas.

Upon completion of high school in Waupaca, Allen enrolled at Marquette University graduating in 1982 with a M.A. in Social Psychology. His prior work experience has included work in Milwaukee County as both a group home manager and a case manager for the developmentally disabled.

Tom Schwartz was hired to fill Allen's vacated Job Coach position. He is a native of Hartford, graduating from the University of Wisconsin-Mil-

Tom Schwartz

waukee in May of 1983 with a B.S. Degree in Allied Health, emphasizing Therapeutic Recreation.

Prior to his new post, Schwartz had been employed as a Recreation Therapist for the State of Wisconsin, at the Central Wisconsin Center for the Developmentally Disabled in Madison. Schwartz also has a background in business being involved at Schwartz Foods in Hartford, an operation owned by his father Robert and brother Jim. He was also involved in community programs as an employee for the Hartford Municipal Recreation Department.

Schwartz' new duties at The Threshold will include job training for individuals working within the community and job canvassing to secure placements for Threshold clients involved in the transitional training program.

Page 6, Kewaskum Statesman, Friday, Sept. 14, 1984

Both Allen and Schwartz are under the supervision of Bruce Wilk, Threshold's Rehabilitation Services Director.

"These two positions," related Wagner, "are vital jobs which resulted in 28 placements so far this year and enable both Threshold, industry and employers with well trained potential employees. Job placement for those who seek our assistance is necessary for them to get jobs, to be independent and self-reliant."

"Our Janitorial Training Instructor, Randy VandeVrede, and the job coach have been alternating on supervising 10 of our clients on the downtown and riverwalk maintenance and cleaning contract we have with the City of West Bend. A testimonial to their effectiveness can be easily noticed and is self-evident when you walk through, "beautiful downtown West Bend," remarked Wagner.

They will also handle the two-month trial recycling program for the city. Threshold will be supplying two of their clients and a staff member as the truck driver.

The two aforementioned items are a service to our community at a reasonable cost. This is our response to a community need and I feel that this is a way we can reciprocate our appreciation for all the assistance and support given to us by our city and county, noted Wagner.

Dreher - Rodenkirch

Carrie Lynne Dreher and Bruce Rodenkirch exchanged wedding vows during a 2 p.m. ceremony on Saturday, August 18, at St. Lucas Evangelical Church, Kewaskum. Pastor Paul Hoenecke officiated.

Music for the ceremony was provided by Deborah Hoenecke, organist, and Dolores and Claudi Kleinke, soloists.

Parents of the couple are Mr. and Mrs. Alvin Barutha, Route 2, Campbellsport, and Mr. and Mrs. Daniel Rodenkirch, 8896 Highland Dr., Kewaskum.

The bride chose her sister, Chelli Taylor, Whitewater, as her matron of honor. The bridal attendants were Erika Diewock,

Breckenridge, Colorado, Laura Rodenkirch, Fond du Lac, sister of the groom, Donna Gilford, Boltonville, Tami Vetter, cousin of the bride, Michelle Wietor, cousin of the bride, Amy Vetter, cousin of the bride, and Sara Rodenkirch, niece of the groom.

Mike Rodenkirch, Boltonville, brother of the groom, served as best man. The groomsmen were Blake Rodenkirch, cousin of the groom, Kevin Rodenkirch, brother of the groom, Chuck Dreher, brother of the bride, Richard Zettler, friend of the groom, Greg Oppermann, cousin of the bride, Tom Beth, friend of the groom, and Ryan Wietor,

cousin of the bride.

Ushering duties were shared by Rick Vetter, Beechwood, and John Schmidt, Boltonville.

Following the ceremony, a reception, dinner and dance was held at Amerahn, Kewaskum.

The bride is employed as an assistant manager of Mariannes in Forest Mall, Fond du Lac. Her husband is employed by Rotimi Roofing Company of Fond du Lac.

The newlyweds spent their honeymoon in The Poconos, Tannersville, Pennsylvania. They are now residing at 401 W. Main St., Box 240, Kewaskum, WI 53040.

Farmington Midget Girls Ball Team Takes First in League

MOTHER, DAUGHTER GAMES HELD

The second annual Farmington Mother - Daughter baseball game was supposed to have been played August 11, but due to the catastrophic defeat suffered at last year's game, the Mothers thought a game of volleyball would be more suited to their talents.

This strategy move was caused by the Farmington Midget Girls taking first place in the league and second place in the Beechwood tournament. The mothers won two games of volleyball and then decided that tradition couldn't be broken and challenged the daughters to a baseball game. Result: Mothers 8, Daughters 14. Coach Kuechler contributed his loss to too many brats and

beers prior to the game. Coach Dave Flynn of the daughters stated his girls played "top notch" ball all year and the mothers were no match. A big "Thank You" goes to the coaches, Dave Flynn, Dennis Kuechler, and Bev Winninghoff.

WPPA Members Raise Money for Special Olympics

Members of the Kewaskum Police Association recently announced that they are participating in a statewide raffle program to benefit Wisconsin Special Olympics. The goal of the program is to raise nearly \$120,000 for the Special Olympics, a non-profit organization that offers training and athletic competition for mentally retarded individuals.

Prizes in the raffle include trips for two to Hawaii and Las Vegas, a VCR and a \$400 shopping spree.

Raffle tickets are available for \$2.00 each or \$20.00 per book from the local Department members. Winners will be drawn and announced in Madison and there will be three (3) separate drawings; one each in October, November and December.

Cedar Lake Home Campus Prairie Walk

Because prairies change their color so frequently in the fall, the Cedar Lake Home Campus will hold two nature walks for the community on September 15 and 29 at 1:00 p.m.

A free guided tour of the campus' 8 acre natural Wisconsin prairie is being offered to the community in response to the demand from previous walks. Join in on one or both of the walks.

Knowledgeable naturalists will take participants through the colorful prairie explaining the wide variety of prairie plants and flowers found in Wisconsin.

Registration is limited. Call the Cedar Lake Home Campus at 334-9487 (Milw) 276-4370 to register. All ages are welcome.

The Cedar Lake Home Campus is located off the shores of Big Cedar Lake, 2 miles south of state 33 west of West Bend on Highway Z.

In the Service

Airman Brian L. Bayer, son of Carolyn E. Gerth of Rural Route 2, Sheboygan Falls, and Orville L. Bayer of Campbellsport, has been assigned to Lowry Air Force Base, Colo., after completing Air Force basic training.

During the six weeks at Lackland Air Force Base, Texas, the airman studied the Air Force mission, organization and customs and received special training in human relations.

In addition, airmen who complete basic training earn credits toward an associate degree through the Community College of the Air Force.

The airman will now receive specialized instruction in the communications-electronics field.

He is a 1984 graduate of Sheboygan Falls High School.

Early Farm Days Well Attended

Visitors to the Kewaskum Historical Society's annual Early Farm Days were treated to the sights and sounds of early rural America in action this past weekend.

Demonstrations included spinning wool into yarn, basket weaving and a variety of early farm machinery in operation.

The highlight of the day's activities, which are held to raise operating funds, was the unveiling of the Kewaskum Fire Department's first piece of fire-fighting equipment. The 1886 hand pumper, built by Rempel Brothers Manufacturing of Kewaskum, was completely restored even to its original color and decoration. The Society commissioned Peter Wilmont of Port Washington to do the restoration work. The pumper will now be on display at the Historical Society's log house museum.

A musical program was provided by a quartet consisting of Sally Reindl, Lucille Nigh, Doris Prost and Ann Thill. The ladies were dressed in their

Sunday best of the period including sunbonnets which were a part of every woman's wardrobe in those early farming days. Other entertainment was provided by the Bertelsens - Dave and Teri - and the Mayville Legion Post Ladies Auxiliary choir.

Some of the food served was typical of what the pioneers had and what the Historical Society is all about.

For instance, the Harvest Stew was cooked outdoors in a large iron kettle, over an open fire, the same as our ancestors did. The vegetables in the stew were all home grown and fresh from this year's harvest. A total of 25 gallons of stew was served.

The homemade, whole wheat bread was made from scratch. Marilyn Thull baked all the bread from wheat harvested and ground into flour, right on their farm near St. Michaels.

Hot beef sandwiches, hot dogs, homemade desserts, ice cream cones and refreshments were also available.

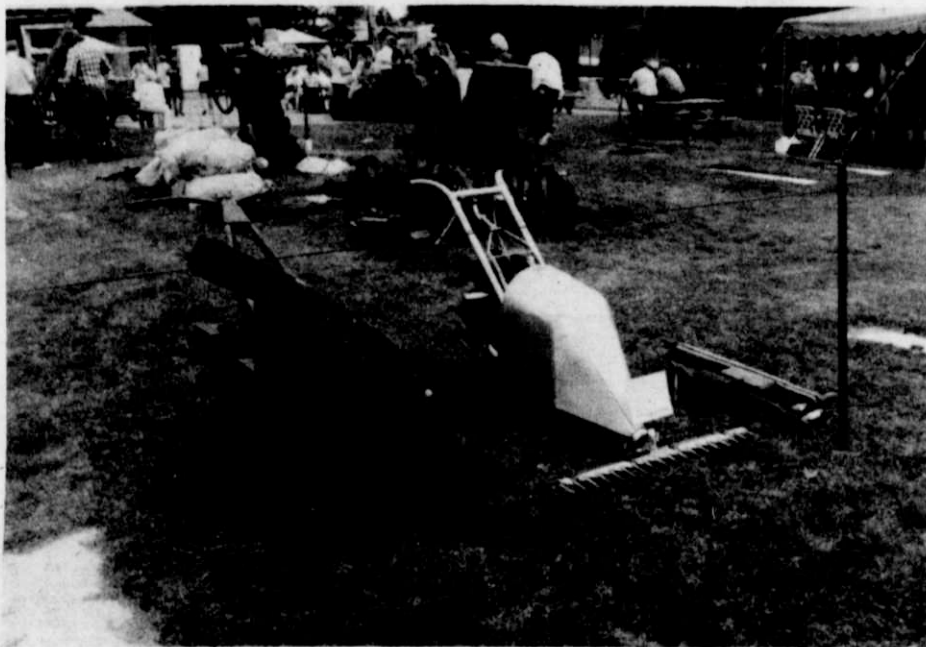

Lewis "Bud" Schmidt and his team of Belgians pull the restored hand pumper to the museum.

C.J. and Karen's Glacier Inn, 109 Main Street — "Traditional Quality Maintained."

C.J. and Karen, owners of the Glacier Inn, have been in Kewaskum since August 15 of last year.

In the future C.J. and Karen would like to restore the Glacier Inn Building to its original early 1900 period. Then it will be known for not only its savory prime rib, bar-b-q ribs, steaks and delicious seafood, but as a historical dining experience.

Patrons have had their appetites appeased by Sunday's baked chicken dinners, every night meal specials and surprise specials, besides the regular menu.

C.J. and Karen's Glacier Inn is open seven days a week: Sunday thru Friday for lunch from 11:30 a.m. to 2:00 p.m.; serving daily from 5:00 to 10:00 p.m. and Sunday 4:00 to 9:00 p.m. Bon Appetite!

"The Barrel Haus," 204 Main Street, is owned and operated by Jim Rinas and has been doing business in Kewaskum for three years.

Jim is in the process of remodeling. He hopes to be serving char-broiled sandwiches and homemade soup, probably this fall.

The Barrel Haus is sponsor for various pool teams, dartball teams and softball teams.

They also hve a rather unique donation can set up on the bar top. Jim and his customers donate approximately \$60.00 a month to "Puppyland." "I guess it's because I own a dog," he stated. What a nice thing to do!

They are open seven days a week from 11:00 a.m. until closing.

Going . . . Going . . . Gone

The old Koch feed mill on Railroad Street, a village landmark, is gone. Work was started on razing the building in May and final stages of the demolition was completed last week. The property, which was purchased by the Village of Kewaskum, was torn down to provide additional parking space.

Over 50? Nutrition Basics Still Apply

By Joan Hanrahan
Extension Summer
Home Economist

It's hard to define who's elderly today. I saw a 69-year-old woman doing power walking in the Olympics; I wouldn't consider her elderly.

With respect to nutrition, the National Research Council's Food and Nutrition Board makes few changes for people over 50. Its recommended diet is quite similar to that for any younger adult.

The basic four food groups, with modifications in total fat intake, can be used by older adults. These consist of milk products; grains, breads and cereals; fruit and vegetables; and meat or meat alternatives. A healthy, well-balanced diet combines proteins, carbohydrates, fats, vitamins, minerals, water and fiber. Nutritionists recommend varying your diet so you get the proper mix of vitamins and nutrients.

How much food is enough? You don't have to ask anyone for advice; just jump on the scale, the numbers will clue you in. In general, elderly people should reduce their caloric intake because they tend to have lower metabolic rates and lower activity levels. Some experts think the lower

metabolic rate results from physical inactivity. Active people don't need to restrict calories; an active bicyclist can burn 3,000 calories per day, young or old.

Elderly people should not restrict their diets unless they have a medical condition requiring them to do so. Don't remove meat or salt from your diet unless your doctor advises it. There's no point in treating a condition if you don't have it.

It is highly recommended that women of all ages eat two to three helpings of dairy products daily to prevent osteoporosis, a condition causing bones to break easily. Many people think low calcium intake over a long period of time leads to osteoporosis.

Women are more apt to develop osteoporosis than men. This could be because women, in general, have smaller skeletons, so they have less bone to start.

Dairy products provide nutrients related to bone development that common calcium supplements don't contain. These nutrients include phosphorus, magnesium, protein and a number of B vitamins.

In the language of flowers, the white rosebud means too young to love.

The Village of Kewaskum, which continues to grow and progress, will have another new place of business in the very near future. In a transaction completed last week Mr. and Mrs. Ray Casper purchased the Haebig estate building and property on Main Street, two doors east of their Fair Variety Store from Bill Ruth, broker. The building was formerly occupied by Atty. K. Wm. Haebig and Mr. and Mrs. William Techtman. The Caspers are already remodeling the downstairs and will carry a line of ladies' casual wear and children's and infants' clothing in their new store.

Mr. and Mrs. Harry Cundy and two children of Oshkosh have moved into one of the Walter Dei homes on Kettle Moraine Drive east of the village. He is a foreman at Kewaskum Industries, Inc.

Donald A. Ritger of Allenton and Miss Rosalie Below of Kewaskum were married on September 5 during a ceremony at Sacred Heart Church in Allenton. Parents of the bride are Mrs. Leonard Walters of Stevens Point and Donald Below of Kewaskum, and the bridegroom is a son of Mr. and Mrs. Martin Ritger.

Marriage vows were exchanged Saturday afternoon at Trinity Lutheran Church, Dundee, by Miss Joan Bernice Heider and Richard F. Ehnert. The bride is the daughter of Mr. and Mrs. Herbert Heider, Route 3, Campbellport. Her husband is a son of Mr. and Mrs. Lester Ehnert of Route 1, Kewaskum.

Ale Harold C. Klein, AF Hg.-Sg. 341st. Bomb Wing, Dyess Air Force Base, Abilene, Texas, received his discharge on September 1. Klein has served his country the past four years. He is a 1955 graduate of Kewaskum High School and a son of Mrs. Rosie Klein.

Wayne A. Coulter, son of Mr. and Mrs. Ervin J. Coulter, Route 1, Allenton, graduated from recruit training August 15 at the naval training center, Great Lakes, Illinois.

The 1959 Kewaskum High School football squad will have a strong veteran first string backfield but a lack of depth in the line, reports Coach Ernie Mitchell at this stage of practice after he has had a chance to look over his candidates for the team. Seven lettermen are back on the Indians' squad this fall, including three experienced backs in fullback Norm "Butch" Rodenkirch, quarterback Kons Sadownikow and halfback Ken Johnson. Letter winners returning for line positions are Bruce Muckerheide, center; Pat Muckerheide, guard; Billy Walters, tackle, and Don Theusch, end.

Menger and Paul Schmidt; senior: Frederick Spoerl.

Marc Rosenheimer, son of Mr. and Mrs. David Rosenheimer of Kewaskum, won the 1934 golf championship crown of the West Bend Country Club last Sunday. His opposition was furnished by William Warnkey Jr. in a 36-hole final match.

The marriage of Miss Ardiss M. Klass, daughter of Mr. and Mrs. M. C. Klass, Waupun, and Arthur E. Haentze, son of Mr. and Mrs. E. Haentze of Fond du Lac took place on Sept. 8.

August Voeks, son of Mr. and Mrs. August Voeks Sr., living east of Kewaskum, had his left hand badly smashed last Tuesday, while tending the blower on a threshing machine at Frank Wussow's place. The blower dropped from its footing and caught his hand between the cable.

Last Thursday morning while Mr. and Mrs. John Harter of Auburn, were driving to their home from Kewaskum, their team became frightened by a train near the Mattes crossing north of here and ran away. Both were forcibly thrown out of the rig, with Mr. Harter falling against a fence. He was removed to the Mattes home, where a doctor was summoned, who found Mr. Harter had four ribs broken and also received several slight bruises.

Jacob Haug, son of Chris Haug of the Town of Auburn, met with a bad runaway last Sunday afternoon. Mr. Haug and his brother Peter were driving along the road when suddenly their horse became frightened and upset the rig, both of the occupants being thrown forcibly to the ground. Jacob fell on a stone with his head and was picked up unconscious by his brother, who was also stunned for a few moments. The last report heard

of the patient on Thursday was that he had regained consciousness on that day, but was still in a critical condition.

Roman Stoffel, son of Mr. and Mrs. Simon Stoffel, left for St. Francis last Tuesday to study for the priesthood.

The largest blast ever fired off in Fond du Lac County will be set off some time within the next two weeks in the quarries of the Union Lime and Stone Company at Marblehead. It will take nearly a carload of dynamite and giant powder for the blast. There have been 11 holes, five inches in diameter and 7 feet deep drilled in the ledge. Each of the holes will contain 1,200 pounds of explosives.

Don't fail to attend the Grand Midsummer Night's Fest and Ball at the North Side Park Sunday night. Mr. Eberle has spared no pains to make this one of the leading events of the season. The park will be illuminated beautifully with over 100 Japanese lanterns. A fine hot roast lunch will be served during the evening.

Henry Garbisch is having a new barn built on his residence on Prairie Street.

R. S. Demarest shipped 200 pounds of ginseng to New York last week.

Last week Klussen built a large new shed on his property this week for the shelter of horses.

To The Editor:

On Tuesday, August 14th our Beechwood School summer library program "Hats Off To Kids" held in conjunction with the Random Lake Public Library, came to a close with the showing of a free movie.

Each child signed a contract for the amount of books they could read during the summer and received a book mark, a maze or word search puzzle and a "Hats Off To Kids" pin. Every Tuesday from 10:00 to 12:00 p.m. preschoolers through grade school children came and reported on library books they had read during the week. For each book they had read, they put a colored square with their name signed onto our bulletin board. (Needless to say our bulletin board is very colorful!) After completion of their contract, they were given a certificate from Dairy Queen for a free sundae.

I am very proud to announce that our attendance was excellent. We had a total of 8 preschoolers and 38 school age children attending weekly and they read a grand total of 499 books.

Here is a listing of our BOOKWORMS:

PRE-SCHOOL: Jeffrey Buechel, Alison Heise, Angela Lepp, Lucas Narbatovics, Melisa Narbatovics, Jody Schmidt, Stacy Siebenaler, Nicole Strebis.

STUDENTS: Jennifer Beimborn, Bryan Blair, Tacee Blair,

Douglas Buechel, Carrie Gehl, Kirk Gehl, Christopher Gerlach, Michele Gerlach, Stacy Heberer, Stephanie Heberer, Heath Heise, Jackie Hintz, Beth Kempf, Kevin Klahn, Kelly Krahn, Tanya Krahn, Todd Krahn, Troy Krahn, Jenny Krause, Melaine Lepp, Carrie Michaels, Cheryl Michaels, Chris Michaels, Randy Narbatovics, Eddie Prochnow, Heidi Prochnow, Curtis Ringwell, Jennifer Schmidt, Amy Schuster, Shelly Schuster; Dixie Schneider, Lynn Seil, Mike Seil, Kim Steilow, Jason Steilow, Jeremiah Strebis, Dennis Zolp, Michael Zolp.

I would like to thank all the children and their parents for taking the time to make our summer library program a success. By participating in the summer library program these children have kept up on their reading skills and will have an advantage when school starts once again.

A special thank you to Carolyn Beimborn and the other mothers for their involvement in our summer library.

P.S. Kids - I really enjoyed hearing all your book reports both during the school year and during the summer.

Thanks,
Sue Buechel

Dear Kewaskum Statesman
And Area Residents:

On behalf of the Kewaskum Historical Society, Inc., I would like to publicly thank you for your support at and for our Tenth Annual Early Farm Days Show. If it were not for such support, the Society could not function.

This September 9, 1984 Show, I believe, was the best ever and we have so many to thank for that success.

I. Mr. Jeffrey Rohrer for his beautiful artwork used on our Collector button.

II. The Kewaskum Fire Department for their support and help regarding the restoration of the 1886 Hand-pumper.

III. The people who performed for our spectators: The Sweet 60's - Sally Reindl, Ann Thill, Lucille Nigh and Doris Prost; The Bertelsens - Dave and Teri; the Mayville Legion Post - Ladies Auxiliary Choir.

IV. Mr. Peter Wilmont of Port Washington for the excellent job on the restoration of the 1886 Hand-pumper.

V. Mr. Bud Schmidt and Mr. Alvin Panzer for the horse drawn rides they provided for our visitors.

VI. The fine exhibitors who shared their collections and crafts.

There are so many more that should be thanked for food, ice, advertising, general help and the like. THANK YOU ALL VERY MUCH.

In appreciation,
THE KEWASKUM

September 6, 1984

LETTER TO THE EDITOR:

Citizens who are interested in seeing a highway by-pass of Kewaskum in Washington County someday should try to attend a hearing relating to this subject on Thursday, September 13, 1984 at 8 P.M. at the

Courthouse in West Bend, WI.

A developer will be there with building plans that could block such a highway on the west village limits forever.

This is the time to speak out in favor of the public interest. If you can not attend, the next best thing to do is to write or telephone to the county chairman, Reuben Schmahl, at the courthouse, 432 East Washington, West Bend, zip 53095, telephone 338-4302, and let him know your views. The County Board will consider this Sept. 18.

In spite of what the developer says, insist that any such building be set back at least 300 feet from the section line-boundary line with the village to allow for a future highway, as previously recommended and approved by the county, a regional planning agency, and the state. This should also allow for the developer's septic system, private drive, well, parking lot, and other requirements.

I would appreciate your help in informing the public.

Sincerely,
Marilyn Reinhardt

Catches Near Record Bass

A 21½ inch, 5 lb., 10 ounce smallmouth bass was caught by Louis Ebert of Kewaskum on August 26th on the Wisconsin River at Wisconsin Dells. It was rated the second largest in the state. The fish was caught on a nightcrawler.

West Bend Country Club Women's Golf Association News

Marilyn McCollow and Sally Ratzsch chiefted the annual "member-guest golfing day" on August 27 this year, assisted by committee members Peg Ziegler, Ginny Greer, Roseann Hengler and Lou Moldenhauer. 61 members and guests played 18 holes of gold followed by a luncheon and presentation of prizes and gifts from Don Hill's Pro Shop at the West Bend Country Club.

Events and the winning golfers were:

Ladies' two-person best ball - Toni Schacht and Claudia Gerner with a score of 74; Rose Johnson and Gen Albiero with a 75; Kate Reiss and Maxine Conant with a 76.

Closest to the pin on number 8 green were Char Zarling and Jean Tillmann.

Longest putts on number 18 green were sunk by Betty O'Meara and Jill Jackson.

Longest drives in teeing off on number 15 were Ruth Mod-

row and Sandy Coffmann.

A one-day medal tournament was played by women golfers at West Bend Country Club on September 5. Polly Rosenheimer and Marge Santarlasci signed up golfers at the first tee for the tournament.

Class A of the 18-hole golfers (1-23 handicap) winner was Dorothy Parlow, with a 95 score. Class B (24-32 handicap) winner was Alice Nixon, with a 95. Class C (33-41 handicap) winner was Beth Carr with a 107 score. Class D (51-60 handicap) winner was Phyllis Moebius, with 131.

Of the 9-hole golfers, Class A and B (0-30 handicap), Harriet Bradley and Virginia O'Meara tied for first, with scores of 62 each. In class C (31-50 handicap) Sue Templar was the winner, with an 80 score.

Women golfers participated at the club on September 12, in golf events in their choice, while those who have signed up for the Hartford "Guest Day" competed at Hartford's Golf Club. Regular play at West

Bend Country Club for women golfers will resume on September 19, with Millie Stehling and Char Zarling as hostesses. On that date there will be a "consolations losers tournament, low net."

In the reporting of women championship classes A, B, and C for the West Bend Country Club in 1984, inadvertently omitted was the Championship Class, for which there was no competition this year.

Sue Stehling, a player with a handicap that falls into the 0-14 class, remained the top golfer and champion of the club.

While it is a fact that Marilou Chapman, Dorothy Parlow, and Chris Ciske were winners in Classes A, B, and C championship rounds during August, the club championship is held by Sue Stehling. This is an honor carried over from competitive playing in 1982 and 1983 when she was also the champion. In a class by herself!

Stehling also heads the committee on tournaments, and there is a standing offer for her for the championship. Most women golfers have handicaps that fall in Class A (15-23), Class B (24-32), or Class C (33-41).

While not competing in the state tournament this year, nor in the Women's Northeastern Golf Association Tournament, Sue and her mother, Mildred Stehling, played in the State Mother-Daughter Tournament played at Ridgeway in Neenah. They won their flight and in the overall scores of all flights, came in one stroke short of taking top honors.

The WBCC Women's Championship trophy is again being engraved with the name of Sue Stehling for the 1984 title!

The first umbrella in the U.S. is believed to have been used in Windsor Conn. in 1740. It produced a riot of merriment and derision.

Take Precautions When Using Home Canned Foods

By Joan Hanrahan
Summer Extension
Home Economist

Do you have food that you or someone in your family canned last summer or fall? Are you wondering if it is safe to eat?

The biggest concern with home canned vegetables and meats is botulism. Botulism is a type of food poisoning which forms when the bacteria Clostridium Botulinum is allowed to grow and produce toxin. Clostridium Botulinum contaminates soil and most raw foods. If a food that does not have much acid is sealed in a container without air, this bacteria can grow and produce toxins.

Use this checklist to determine if your home canned foods are safe to eat:

The food that was canned was ripe and firm. Over-ripe produce may allow bacteria to grow, causing spoilage.

Up-to-date canning instructions from reliable sources such as USDA and Cooperative Extensions were followed exactly.

The cooking times for the foods you canned were not shorter than those recommended by USDA for the same size jar and same type pack.

Vegetables, meat, and poultry were processed in a pressure canner. If the pressure canner has a dial gauge, make sure it was checked for accuracy the same season the canning was done.

Fruits, pickles, pickle products, sauerkraut, jam and products (except jelly) were processed in a hot water bath canner.

There are no obvious signs of spoilage in the canned food such as a bulging lid, cloudy

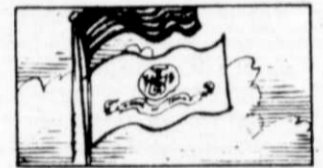

liquid, or an off odor.

No mold growing on canned food or on the surface of the canning liquid.

The jar is sealed — the lid is concave and does not move when pressed in the center.

Any home canned food that shows obvious signs of spoilage, such as a bulging lid, cloudy liquid or an off odor should be discarded. Discard the product without tasting so that neither animals nor humans might find it. This can be done by flushing them down the garbage disposal or toilet with lots of water. Wash the jars either in a dishwasher or with hot soapy water.

Home canned vegetables need to be boiled 10 minutes prior to serving. Because they are more dense, corn, spinach, meat, fish, and poultry must be boiled 20 minutes before serving. Start counting the time of boiling after the foods come to a rolling boil in a covered saucepan.

Idaho is the only state in the U.S. over which no foreign flag has ever flown.

Minutes of Village Board Meeting

Regular Meeting
September 4, 1984
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in regular session in the Council Room of the Municipal Building, 204 First Street.

Administrator Schmidt called the meeting to order. President Stollenwerk asked to be excused and was absent. All other Trustee Members were present.

On a motion by Trustee Howard Laubenstein, seconded by Trustee Paul Blumer and unanimously carried by voice vote, the Board appointed Trustee David Nigh to serve as President Pro-Tem.

On a motion by Trustee Mary Krueger, seconded by Trustee Howard Laubenstein and unanimously carried by voice vote, the Board approved the minutes of August 20, 1984.

Mr. Fred Miller appeared before the Board regarding the division of land and the sale of that land between Roseland Drive and Forest Avenue. Mr. Miller informed the Board that the matter was taken to the Board of Appeals and denied, but he felt a reconsideration of the matter should be taken by the Village Board. Village Attorney Gerald Kiefer was present and informed the Village Board that the matter was not within their jurisdiction and reviewed the process required by law. After a lengthy review and discussion, the matter was closed without any action taken, because of legal requirements.

The opening of the sealed bids for furnishing a Diesel Lawn Tractor, Snowblower and Metal Cab were as follows:

1. St. Lawrence Equipment, Inc. Hartford, WI \$7,722.00
2. Baumann-Hoffmann Hardware, Inc. Cedarburg, WI 7,207.50

On a motion by Trustee Donald Mlodzik, seconded by Trustee Paul Blumer and unanimously carried by voice vote, the Board turned the Lawn Tractor bids over to the Public Works Committee to review, with a recommendation to be brought back to the Board at the meeting of September 17, 1984.

Administrator Schmidt reviewed the results of the Inspection Report and Orders on Village Property by the Department of Industry, Labor and Human Relations.

A review of the Notice of Public Hearing from the Washington County Land Use and Park Department regarding the petition of Ned Sengpiel, Town of Kewaskum was held. The County notice was read aloud and the Board was asked for any comments regarding the matter pro or con. There were no objections and no action taken. (Washington County Park and Planning Commission

Meeting of September 13, 1984 information. 8:10 P.M. - Ned Sengpiel - E's, Sec. 8, Town of Kewaskum, Review of Conditional Use Permit to permit the location of a private club/planned unit development in an agricultural zone - 2nd consideration).

Administrator Schmidt passed out the July 31, 1984, balance sheets for the Board to review.

On a motion by Trustee Paul Blumer, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the Board approved the bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

Village Gen. Fund	\$352,127.71
Water Dept. Fund	2,556.25
Sewage Dept. Fund	9,280.69
TID #1 Fund	42,449.74

Protection & Public Safety Committee Chairman, Howard Laubenstein, reviewed Holy Trinity's request regarding Prospect Street. It was the consensus of the Board not to close the street, but to paint and improve the crosswalk.

The Public Services Committee Chairman, Paul Blumer, reviewed the street light requests for Elm Street and the alley at Midland Avenue. Both were rejected by the consensus of the Board.

Public Works Committee chairman, Donald Mlodzik, announced there would be a Committee meeting prior to the next Village Board meeting, September 17, 1984.

After a brief discussion regarding the Department of Administration's estimated census count, the Board went along with the Administrator's recommendation on not challenging the estimate.

A discussion regarding Washington County Emergency Government procedures was held and letters from the County Director of Emergency Government were reviewed. The Board directed the Administrator to follow-up on the matter and to check with legal counsel for an opinion before a formal decision can be made.

Distribution and a brief discussion on the proposed Capital Improvements Program for the Village of Kewaskum was handled by the Administrator. This program will be placed on future agendas for further review.

Administrator Schmidt in-

formed the Board that the Village Attorney, James Hammes, notified the Village that the court date for the Marilyn Reinhardt vs. Village of Kewaskum Board of Trustees has been rescheduled from September 17, 1984 to October 1, 1984 at 9:00 A.M.

Motion was made by Trustee Paul Blumer, seconded by Trustee Howard Laubenstein to adjourn to closed session under Chapter 19.85 (1) (g) of the Statutes to discuss litigation by Ralph and Henriette Scott vs. the Village of Kewaskum, under Chapter 19.85 (1) (c) of the Statutes to discuss employee negotiations, compensation and performance data of village employees over which the governmental body has jurisdiction. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent." The motion was carried by the majority.

SCHOOL COMMITTEE TO MEET WEDNESDAY

There will be a meeting of the Policy-Legislation-Instruction Committee on Wednesday, September 19, 1984, at 7:30 p.m. in the Business Office. The Committee will review and revise series 1000 through 2000 of the policies, and do additional work on code of ethics.

It's All Right Here In Washington County

Tuesday, September 11, was the Washington County Tourism Council kickoff for the 1985 "It's All Right Here in Washington County" booklet. Previous supporters and those interested in touting their business or service in this popular handout were invited to join in the festivities of the day.

Beginning at 5 p.m. until 10 p.m. guests were treated to a "brat 'n' beer" supper at Timber Trail Camp Resort on Good Luck Lane north of West Bend, in the lodge overlooking the pool and patio. Tourism Council members gave a history of their involvement with local tourism and the impact it has on surrounding areas and states. The "It's All Right Here in Washington County" slide program was shown. Future plans of the Tourism Council were announced and the opportunity for community involvement offered.

The booklet published and distributed by the WCTC has proven to be most popular and in demand wherever offered. It has "appeared and disappeared" at home shows, sport shows, tourism centers, places of business throughout the state and in surrounding states encouraging and resulting in an increasing influx of visitors and tourists to our wonderful county. County Chambers of Commerce receive hundreds of requests to mail the booklets to those considering a trip or a move to our area.

George Washington always returned his salary as President.

CARD OF THANKS
 We would like to thank all our relatives, friends and neighbors for their many acts of kindness during the recent death of our dear father, grandfather and great-grandfather, ARTHUR P. MANTHEI. A special thank you to Rev. Joiner, donors of floral and memorial tributes, Miller's and to anyone who showed their respect and helped us in any way. It was greatly appreciated.

THE FAMILY OF ARTHUR P. MANTHEI

NOVENA TO ST. JUDE

O holy St. Jude Apostle and Martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ, faithful intercessor of all, who invoke your special patronage in time of need, to you I have recourse from the depth of my heart and humbly beg of whom God has given such great power to come to my assistance.

Help me in my present urgent petition. In return, I promise to make your name known and cause you to be invoked, say three Our Fathers, three Hail Marys and three Glorias. St. Jude pray for us, and all who invoke your aid. Amen.

This Novena has never been known to fail. This Novena must be said for 9 consecutive days, and publication must be promised.

1984 WATERFOWL SEASON TO OPEN OCT. 1

Wisconsin again this year will have a 50-day duck hunting season opening at noon on October 1.

The season will be continuous in the Northern Zone closing on November 19. In the Southern Zone, the season is split with

the first portion closing on October 7 and the second portion beginning on October 13 and continuing through November 24.

The boundary line between the Northern and Southern zones is Highway 10 from Lake

Michigan to Durand, Highway 25 from south Durand to its juncture with Highway 35, then west on Highway 35 to the Chippewa River.

The point system remains the same as in 1983. The point values are as follows:

A. Northern Zone:

October 1 - October 7 (First Period)

100 Canvasback	70 Wood duck	25 All others	10 Blue-winged teal
Black duck	Hooded Merganser	not listed	Green-winged teal
Hen Mallard	Drake mallard		Scaup
	Redhead		Wigeon

October 8 - November 19 (Second Period)

100 Canvasback	70 Hen mallard	25 Drake mallard	10 Same as first period
Black duck	Wood duck	All other ducks not listed	
	Hooded merganser		
	Redhead		

B. Southern Zone:

October 1 - October 7 (First Period)

100 Canvasback	70 Wood duck	25 All others	10 Blue-winged teal
Black duck	Hooded merganser	not listed	Green-winged teal
Hen mallard	Drake mallard		Scaup
	Redhead		Wigeon

October 13 - November 24 (Second Period)

100 Canvasback	70 Hen mallard	25 Drake mallard	10 Same as first period
Black duck	Wood duck	And all others not listed	
	Hooded merganser		
	Redhead		

As in previous years, the special scaup season will continue for 16 days in selected waters following the close of the regular duck season.

Canada goose hunters are reminded that permits for the Horicon and Central zones must be received by the Department of Natural Resources no later than September 15th. The applications are available at DNR offices and other license outlets throughout Wisconsin.

There are 16,800 permits available for the Central Zone season, which opens on October 13 and continues through November 6. Permits available for the Horicon Zone, Period 1 total 9,700 for the season opening October 13th and continuing through October 25. The Horicon Zone, Period 2 opens on October 26 and extends through November 6 with 3,600 permits available.

The late Horicon/Central Zone (December) season which appears as option "D" on the 1984 application will not be available because of the shortened 25-day Canada goose season.

An MVP permit to hunt Canada geese in 14 east central counties surrounding the Horicon/Central Zones will again be required. MVP permits must be mailed prior to hunting Canada geese and will be available at all license outlets in late September.

An experimental Canada goose hunt to be conducted on the Theresa Marsh this year will test the feasibility of allowing the hunter to take more than one goose during the season while still maintaining control over the harvest. Hunters who do not receive a permit for the Central or Horicon Zone

Seasons will be eligible to apply for permits for the Theresa hunt. Permits will be available at the registration station located on the marsh between the hours of 9:00 a.m. and 4:00 p.m. beginning October 8 through 12.

Permits will also be available during the season. The hunt will begin on October 13 and will continue until 800 geese have been taken or through November 6, whichever comes first. Daily hunting hours will be from one-half hour before sunrise until 1:00 p.m. and the geese must be registered by 3:00 p.m. on the day taken. Blinds will be required on private lands located within the experimental zone hunt, but will not be required on state-owned property.

Other Canada goose seasons in 1984 are as follows:

Area	Dates	Season Length	Daily Bag Possession
Northern Zone	October 1 - October 20	20 days	1:2
Southern Zone	October 13 - November 1	20 days	1:2
Special Giant Canada Goose Seasons 1984			
Mississippi River Zone	November 25 - December 9	15 days	2:4
Rock Prairie Zone	November 25 - December 9	15 days	1:2
Brown County Zone	December 1 - 31	31 days	2:4

The season for geese, other than Canadas, is the same as the 50-day duck season.

Non-toxic shot zone regulation are the same as during the 1983 season except that Dane

County, Kenosha County and the eastern portion of Wau-shara County are included in the non-toxic shot area this year along with an additional 500

feet (up to 1,000 feet) along the west shore of Green Bay.

The waterfowl regulation pamphlets will be available about mid-September.
