Wes and Rosie's Changes Hands

Mr. and Mrs. Wes Kuehl, owners of Wes and Rosie's Tavern, 215 Main Street, Kewaskum, have sold the business and property to Bill and Nancy Kulas of Kewaskum.

Wes and Rosie have operated the tavern for the past 13 years. Before that Rosie and her late husband Roman "Jimmy" Miller ran the business for 18 years, from 1946 to 1964. After he passed away in 1964, Rosie operated the tavern alone until 1971. All told Rosie has been in the business 38 years.

Kulas and his wife formerly owned and operated the Glacier Inn, Kewaskum, for seven years. Kulas said the closing of the transaction will be October 2nd

No new name has been selected for the business as yet. The Kuehls will be retiring to their home at Shawano.

Hundreds Attend 'Art in the Park'

Sunday's Art in the Park Festival drew exhibitors and prospective customers from throughout the southeastern part of the state.

[Photos on another page]

The second annual KJWC "Art In The Park" Festival was enjoyed by several hundred people Sunday, who strolled along the avenue of exhibitors, artists and craftsmen; stopped for fresh baked goods or lunch; purchased festival balloons; played games with Bert and Ernie; or listened to music from the Kewaskum High School Jazz Band and Gary Cross.

Though the weather threatened rain, the mild temperatures and cloudy sky proved quite popular for exhibitors and guests alike. Special events for kids included sack and 3-legged races, apple bobbing, balloon toss, jump

rope and hula hoop. The outstanding performance of the afternoon was Jessica Rohrer's time of 1 hour 40 minutes and 16 seconds at the hula hoop. Congratulations Jessica!

This year's Junior quilt raffle featured a queen-sized log cabin bordered Historic Kewaskum Quilt, which was won by Mr. Ray Kress. Second prize in the drawing, a lithograph of Historic Kewaskum Landmarks by Charles Voge, was won by Wilma Lorenz.

The GFWC Kewaskum Junior Woman's Club would like to thank all local groups and individuals who assisted in making the Festival a success.

TurkeyShoot

The Kiwanis Club of Kewaskum has announced that its 32nd Annual Turkey Shoot will be held on September 30th at the Bar-N Dude Ranch, 6 miles northeast of Kewaskum on County Trunk GGG, the beautiful Kettle Moraine Drive. Thousands of people attended last year with hundreds of shooters winning fine frozen turkeys.

For a fee of \$2.50 for four shots (four shots for \$2.00 on advanced sale tickets, which may be ordered from Kiwanis Club of Kewaskum, Box 68, Kewaskum, Wisconsin 53040), the shooter attempts to win a frozen turkey. There are special lines for ladies and children. Rifles and ammunition are furnished.

In addition to advance sale tickets being accepted at all events, there will be many cash prizes awarded through special drawings. Ticket holders will not have to be present to win.

There will be trout fishing with the angler keeping the fish he catches. In addition, there will be a grand prize for the person catching the largest fish.

Trap shooting contests are conducted throughout the day. Sportsmen desiring to enter these events may bring their own shot guns and ammunition. There will be archery and pistol ranges, as well as other marksmanship contests. In addition, there will be games for every member of the family. Brats, hamburgers, hot and cold beverages will be available.

Students from Kewaskum's Wayne Elementery and Middle Schools got a taste of school life in the late 1800's and early 1900's when they participated in the Cedar Lake Home Campus "Ye Olde School" program this past Tuesday.

Kewaskum is one of three districts and five schools taking part in the program designed to give today's children a learning experience in what school was like in the "one-room schoolhouse" days. Throughout the year, groups of sixteen students from grades one through eight

of the district's various schools will be sent to West Bend to spend a day in the one-room Oak Knoll School which was built in 1917 and used until 1953.

The students learn firsthand what it was like to have all the grades attend class in the same room and how yesterday's students learned the three basics of reading, writing and arithmetic.

The students' day began with raising the flag, followed by a penmanship class. Students were faced with the problem of working with old-fashioned pens dipped in ink bottles. By the time the period was over,

Policy Committee to Recommend More Revisions

By GERRY MUELLER Statesman Staff Writer

The Policy-Legislation-Instruction Committee put in another full night's work last Wednesday as it continued its assignment to review the Kewaskum School Board's policy book.

This time it was community relations and administration policies which got a hard look from chairman Neal Weare and his group.

Under Policy 1310.1 Community Relations, the committee felt the school board should turn the policy over to the school district's attorney for a critique and to bring it into line with state statutes. Weare said his committee thought there were some discrepancies in the policy and the district may not be adhering to state law. Rather than make any recommendations itself, the committee felt the attorney would be better qualified to recommend any necessary changes. Other points which should be considered included the use of school buildings by outside organizations. More specific guidelines may be adopted after a recent request to use the high school came from a group which could not be considered a non-profit organization.

Policy 2211 refers to principals. Weare said the committee will recommend the point that all building principals shall attend school board meetings and be included in the discussion of issues which they have an interest. The committee felt this should be a mandatory requirement for all the principals.

Policy 2212 is concerned with principal duties. Being three pages long and having 39 points, the committee will recommend that several points be dropped because they are either contained on other pages or no longer applicable. Several other points will have minor revisions. Weare thought point #37, regarding assigning extracurricular duties to teachers may conflict with language in teacher contracts and should be reviewed by the whole board.

Policy 2222.2 referred to the Superintendent's duties. If the board follows committee recommendations, several points will be dropped from this policy. The committee felt many of the items were now part of the business manager's job descrip-

tion. Point #1 will be revised to state the superintendent shall attend all meetings of the School Board unless excused. Under Point #2, the superintendent will now be responsible for all transportation concerns. The committee thought these problems should first be directed to the building principals and

if they could not resolve the situation it would then be addressed to the attention of the superintendent. Point #9 would be revised to state the superintendent and business manager will be responsible for preparation and transmittal of the annual school budget. They shall provide a copy of the annual school budget to all board members for their consideration and action.

Policy 2230 of Administration concerns the Departmental Chairman. Under point B of Duties, the committee will recommend a change to read, the Departmental Chairperson shall be responsible for preparing the annual department budget and requisition the necessary equipment and supplies for the department.

Policy 2610 deals with resolutions of complaints on sex descrimination. Based on the fact that federal and state law have been updated, the comittee felt this policy should also be turned over to the attorney for updating so it complies with all present laws.

Weare said the committee will also recommend revising areas in the policies which state 'he'' to read "he or she.

The committee will also recommend the adoption of two new policies. The first will cover a flow chart for the 2000 series administration policies. Weare said the group thought such a chart would enable all concerned to more clearly follow the chain of responsibility and authority from the administration on down.

The second new policy which will be recommended concerns setting a tuition policy for non-resident students.

All the revisions and new policies will be presented to the full board at its next meeting October 8th.

the paper. Since this is an early schoolhouse, there is no plumbing. However, the youngsters were given a short break to use the 'facilities' in the new Oak Knoll School next door.

When the children returned to class, their teacher, Mrs. Malueg, gave them a lesson in making a paper drinking cup, a skill needed by the school's original students since the only source of water inside the building was from a water dispensing jug in the corner of the room.

The balance of the day covered reading and arithmetic. There was no ballpoint pens available to students of the 1800's so Tuesday's students learned to use slates and chalk and work on the large blackboard in the front of the classroom.

Each group of children has a visitor from the business community who comes to speak to them. The speaker tells the students what their business was like in the "old days" and how it has changed through the years and fits into today's life. The Kewaskum students were scheduled to have a speaker

In the afternoon the students have a free period during which time they have an opportunity to talk with the various Cedar Lake residents who serve as aides during the day. This time allows the aides and students to share their experiences in school with each other. The residents tell the children firsthand what it was like to go to school in the 1900's and the students tell the aides what it is like to go to school today.

The youngsters also had an opportunity to play games such as Run Sheep Run, or Annie, Annie Over, which were new to some of them.

Homemade Sauerkraut

To add zip to your menu and perk up your family's taste buds, nothing can match serving your own homemade sauerkraut.

Sauerkraut is a naturally fermented cabbage. Natural fermenting is the oldest and safest type of food preservation and it virtually makes food poisoning impossible. The fermentation takes place in a brine formed by combining together salt and cut-up cabbage.

The variety of cabbage used and the conditions of growth effects the composition and the natural sugar of the cabbage. Loosely filled, fully mature, large headed cabbage, weighing 6-15 lbs. with a solid, white interior, makes the most desirable kraut. The larger the head, the sweeter it is. Usually later in the fall after a light frost, the heads will also be sweeter.

Use a non-iodized salt since the iodine added to most of the table salt prevents the bacterial fermentation necessary to change cabbage into sauerkraut. Salt does not act as a preservative, but mainly draws out the cabbage juice so it can be fermented.

Using too little salt not only softens the cabbage tissue, but also yields a product lacking in flavor. Too much salt delays the natural fermentation and depending upon the degree of over salting, may cause an off flavor, darken the color or allow a pink pigment, producing yeast to grow.

When making kraut, use an old-fashioned crock or a plastic container. Don't use a metal container since metal of any kind can spoil the kraut.

Place the cabbage as it is shredded in layers in the container. For every 3 ½ pounds of shredded cabbage, sprinkle 2½ tblsp. of salt over each layer. Then pound the cabbage with a stick of wood, until the juice covers the surface.

Store the crock of cabbage in

a well ventilated place at a temperature around 68 degrees to 72 degrees F. Check the container daily. A film yeast may form and if it appears, remove the scum. Kraut should be ready in 6-8 weeks.

For more details on sauer-kraut making, spoilage problems, storing directions and recipes for use of sauer-kraut, order the bulletin "Making Your Own Sauerkraut" from the U.W. Extension Office, 338-4479; 644-5204 or 342-2929.

POISONOUS GASES

Homeowners should realize that heavily insulated and weather-tight homes during winter are so tightly sealed that the stove or furnance may exhaust the oxygen in the home. If this happens, the burning fire will produce poisonous carbon-monoxide - an odorless, tasteless, invisible gas. Be sure enough fresh air enters your home at all times a fire is burning, by providing some air vent.

Cast List Announced For UWWC Production

Professor Brad Ford. UWWC's theatre director, has announced the cast for Theatre on the Hill's fall production, "CRIMES OF THE HEART." Cast members include: Lenny Magrath-Connie Kirsch, Chick Boyle-Luann Salmon, Doc Porter-Mark Kohler, Meg Magrath-Kelie Dullinger, Babe Botrelle-Jan Riordan, and Barnette Lloyd-Nick Nieskes.

'CRIMES OF THE HEART' is warm-hearted, irreverent, zany and brilliantly imaginative. This play teams with humanity and humor as it examines the plight of three young Mississippi sisters betrayed by their passions. The play, written by Beth Henley won the 1981 Pulitzer Prize and the New York Drama Critics Circle Award.

Play dates are November 9, 10, 11, 16, 17, 18. Curtain time is 8:15 p.m. for the Friday and Saturday performances, and 7:30 p.m. for the Sunday performances. All performances are held at the University of Wisconsin Center-Washington County's Theatre, 400 University Drive, West Bend. For more information call 338-5208.

'Art In The Park'

By GERRY MUELLER Statesman Staff Writer

***** ****************

Although it was a somewhat dreary day weatherwise, the bright colors and interesting displays of area crafts people livened up the Junior Woman's Club Annual "Art in the Park" festival held last Sunday at Kewaskum Kiwanis Park.

Visitors had the opportunity to purchase a wide and varied assortment of items from paintings to dough art.

Proceeds from the festival are used to fund the organization's various community projects.

A group of women stopped and looked at one of the many displays of

Kewaskum High School Jazz Band with director Mr. Ammel, entertained the crowd.

Tickets were sold for the Junior Woman's Club 1984 historic Kewaskum quilt.

Sesame Street characters Bert and Ernie talked to youngsters at the festival.

Festival balloons were donated by Valley Bank and sold by the club.

Focus on Families In the 80's Workshop At MPTI Oct. 20

A one day workshop, Focus on Families in the 80's, is a community/Moraine Park Technical Institute cooperative program with the theme, "Growth Throughout Life: Opportunities for Change."

Saturday, October 20, from 8 a.m. to 1 p.m., representatives of numerous community agencies, services, and groups will present workshops in three categories: Keeping Children Important, Strengthening Relationships, and Intergenerational Needs: Independence and Closeness.

Participants can select three subjects from the following: Choosing Your Child's Day Care; Keeping Your Child Safe from Sexual Assault; Supports for Parents; Recognizing Red Flags in Relationships: How to Know When/Where to Go for Help; Understanding Adolescent Years; Marriage Encounter; Day Care: Options for the Elderly; Home-Health Care for Sick and/or Disabled; and Relationships: Adult Children.

The day's program will be held at the MPTI West Bend Campus, 2151 N. Main, Hwy. 45. Men and women, 16 years and over, are welcome to attend. Fee is \$4.75. Deadline to register is October 15. To enroll, call MPTI 334-0909.

Word Processor Class at MPTI

A 9-week Word Processor class is being offered at Moraine Park Technical Institute starting October 22. Students learn to operate a Wang word processor and printer. The course includes keying in information, locating and editing text, filing on disks, printing, and other basic applications. A typing speed of 50 words a minute and previous experience in typing office documents are required to

enroll in this course.

The Word Processor is taught in the Business Skills Center. Students schedule 4 hours of lab time each week for 9 weeks with an instructor. The BSC is open from 8:00 a.m. to 3:30 p.m. Monday through Friday, 6:00 p.m. to 10:00 p.m. Monday through Thursday evenings, and 8:30 a.m. to 12 noon on Saturday.

A limited number of registrations are now being taken for both day and evening classes. Call 334-3413, ext. 46, for more information.

Letters to the Editor In the Service

To the editor of the Kewaskum Statesman:

On behalf of the Kewaskum Junior Woman's Club I would like to give a special thank you to some of the people who helped make this year's Art in the Park the success it was. We appreciated the support of: The Kewaskum Statesman, The West Bend News, Cablevision, WBKV, Kennelly Pharmacy, Kewaskum Police Dept., Dan Schmidt, the village crew, Valley Bank, K & L Home & Hardware, The Ken Weddig family, Mr. Larry Ammel and the Kewaskum Jazz Band, Gary Cross, Kewaskum 4-Her's, and Allen Schoofs. We would also like to thank the artists and craftsmen for the fine displays and workmanship.

Dear Kewaskum Area Residents:

The Kewaskum AFS Chapter and school club invite you to attend our German Dinner October 17 at the high school. The money raised from this event will be used to provide scholarship money for Kewaskum students who want to go aboard on AFS programs. This fall we have several students interested in the summer exchange program.

To make our dinner as profitable as possible, we are asking any gardeners in the area who have extra onions, cabbages, carrots, and russet potatoes to consider donating them for our dinner. We can also use several dozen eggs.

If you can help us, we will need to know how much you can donate by October 10. Please call 626-4808.

Thank you for your generosity! The Kewaskum area has always been very

supportive of our foreign students and returnees, and we hope you will enjoy this special German dinner we are preparing for you!

Yours truly, Susan Schmitz Kewaskum AFS Chapter President

Holy Trinity Catholic School opened recently with another increase in enrollment to 244 pupils, a gain of four over last year's total of 240. Names of the 29 first graders who started school for the first time are: Morris Belger, Loren Bonlender Judith Campbell, Joann Czaja, Clark A. Eichstedt, James Fellenz, James Gnacinski, Gerald Gremminger, Charles Gross, Donna Gruber, Brian Hron, Karen Kohn, Kenneth Krieser, Janet Marx, Linda McCarty, Thomas McElhatton, John Milewski, Catherine Miller, Pamela Mitchell, Patrick Perkins, Mary Ruplinger, June Scannell, Jean Schaub, Robert Kiesner, LeeAnn Schoofs, Carol James Staehler, Simon, Michael Stoffel and Darwin Tackes.

Officials of the Kewaskum Kiwanis Club evaluated their 7th annual live turkey shoot held at the Bar-N Dude Ranch on Sunday as "the best we've ever had." The shoot, which becomes "bigger and better" every year that it is held, financially was well as in attendance and entertainment, attracted more than 3,000 persons to the Bar-N grounds, located six miles northeast of the village.

Lloyd Hron, Kewaskum, has been elected president of the Washington County District of the Milwaukee Archdiocesan Council of Catholic Men. The election took place at a meeting of the group Sept. 16 at Holy Trinity parish in Kewaskum.

Four young men from Kewaskum left Saturday night for six months of active training with the National Guard at Fort Leonard Wood, Mo. They included Leroy "Traugie" Keller, Jr., Doug Wierman, Harold "Chesty" Pesch and John Heberer. The four left West Bend for Chicago, where they boarded a troop train for Fort Leonard Wood. Following their active training they will serve for six years in the National Guard reserve and will be required to spend two weeks of each summer at camp.

Miss Shirley M. Ramthun, daughter of Mr. and Mrs. Arnold Ramthun, Milwaukee, and Thomas J. Zalewski, son of Mrs. Kathryn Gruendeman of Kewaskum, and Thomas Zalewski, Sr. of Milwaukee, were united in marriage on August 8 in Milwaukee.

A daughter was born to Mr. and Mrs. Leroy Schladweiler, Kewaskum, on September 21. A daughter was born to Mr. and Mrs. Carl Kaiser, West Bend, on September 22. Mrs. Kaiser is the former Judy Weddig, daughter of the Ed Weddigs of Kewaskum. A daughter was also born to Mr. and Mrs. Donald Solheim, West Bend, former Kewaskum residents, on September 21. A son was born to Mr. and Mrs. Lloyd Westerman, Kewaskum, on September

Influenza, Pneumonia Vaccine Available To County Residents 65 Years and Older

Influenza vaccine pneumonia vaccine will be available to Washington County TOWN Becker Manor, N114 residents 65 years of age and older and those with chronic disease, at clinics offered by Washington County Community Health Nursing Service. The Charge for vaccine will be:

Influenza vaccine - \$3.00 per

Pneumonia vaccine - \$5.00 per dose.

WHAT IS INFLUENZA ("FLU")? It is an illness caused by influenza viruses. It generally affects people of all ages. Typically, people with influenza have fever, chills, headache, cough, and muscle aches and may be sick for several days to a week or so. Most people recover fully. A small proportion of cases are particularly severe, and may develop patients pneumonia or other complications. The risk of complications and death from influenza is highest for people with chronic health problems and those over 65 years of age.

WHO SHOULD GET IN-FLUENZA VACCINE? 1) Individuals over 13 years of age with chronic health problems such as diabetes, diseases of the heart, lungs, or kidneys, or severe anemia. 2) Elderly persons 65 years and over. Because influenza is usually mild and most people fully recover, immunization of healthy children and adults is not recommended and will not be offered 475 Meadowbrook Drive, 10:00 at the clinics.

Influenza vaccine will not be given to:

- Healthy children and adults (under 65).

Those who have a fever or feel ill with something more serious than a cold on the day of clinic.

- Those who have received another type of vaccine in the

past 14 days. - Those with allergies to eggs. Those with multiple

sclerosis or other recurring or persistent neurological ill-

- Those who are pregnant. - Children under 13 years of 4462 or 644-5204 or 342-2929.

WHAT IS PNEUMONIA? It is an acute bacterial or viral illness affecting 400,000 to 500,000 persons per year. Pneumococcal infections cause respiratory symptoms, meningitis, and otitis media. The risk of complications is greater for persons over 65 years of age and those with chronic health

problems.

SHOULD GET PNEUMONIA VACCINE? 1) Elderly persons 65 years and over; 2) Persons, two years and older, with immune deficiencies. Children, from 2 years through 17, will need a written order from their physician to receive the vaccine; 3) Persons with chronic health problems such as diabetes, chronic respiratory disease, cardiorespiratory disease.
WHO SHOULD NOT GET

VACCINE? 1) Those who have a fever, illness, or active infection on the day of clinic; 2) Those who have had a pneumonia vaccine; repeat immunizations of pneumonia vaccine are not recommended; 4) Those who are pregnant.

Pneumonia vaccine and influenza vaccine can be administered on the same visit to a clinic.

INTERNATIONAL UNDERSTANDING STARTS AT THE COUNTY LEVEL

International understanding is more than learning a language, or knowing where another country sits on the map.

"It involves an appreciation for differences between cultures habits, traditions, norms and religious," says James Everts, state 4-H program leader, University of Wisconsin Cooperative Extension Service.

Everts believes that appreciation is important to broaden 4-H members' scope of understanding. "This is especially true when we look at our world situation, and see how a simple lack of understanding causes so many serious problems," stresses Everts.

"If we can understand people better, socially and economically, we should be able to become better allies and trade partners with them," says Lynn Jones, Extension 4-H youth specialist and chairman of a committee studying ways to increase cultural understanding in state 4-H programs.

Since 1947, the international dimension has been part of Wisconsin 4-H. In the past, the emphasis has been on individual enrichment through exchange programs like International 4-H Youth Exchange (IFYE), 4-H Ambassadors and LABO, a Japanese youth exchange. Though Everts and Jones are enthusiastic about the state's participation in exchanges with foreign countries, they are aiming for more.

"I've never seen anyone participating in one of these programs who didn't grow socially and personally by leaps and bounds," says Jones. "Exchanges certainly work to increase international understanding and awareness for the direct recipients - exchanges and host families."

Our goal is to expand the benefits to nondirect participants, explains Everts. To achieve that, the state is trying to encourage communities to participate in the "exchange" experience, as well as reviewing ongoing, traditional 4-H projects from the standpoint of introducing cultural enrich-

"Any project can be used to explain how that subject would be pursued in another country," says Jones. Take a housing project. If county club leaders know they will be having Japanese visitors, the leaders can work that experience into project activities. For example, a housing project

group can investigate why just because they like them that way? Because they're cheaper or more convenient? Or is it because they don't have a lumber source?

Livestock, cooking, clothing, gardening or woodworking projects all suggest exciting possibilities, says Everts. For example, while using familiar woods and techniques, a woodworking project group might discuss ways of building a similar item in other countries. They might even ask themselves if they would make this particular item if they lived in another country.

The emphasis on fostering international understanding is not happening in Wisconsin 4-H alone, but each state's approach is unique. This effort will help communities here at home, even if they never experience an international visitor, says Everts.

Besides helping us appreciate our own heritage as people from many different lands and cultures, international understanding is one way to encourage tolerance and respect for the uniqueness of others, whether they come from across the street or across the world. Evert says.

McCallum to Hold Office Hours in Fredonia and Auburn

State Sen. Scott McCallum will hold office hours in Fredonia and the Town of Auburn on Tuesday, October 2.

McCallum (R-Fond du Lac) said he thought the hours were the best time for people of the area to express their concerns. and the best time for him to hear first-hand what the needs of the people are.

McCallum also will be visiting door to door in Fredonia to talk to residents before the office hours.

"The time I spend meeting people in the district is usually some of the most productive of all," McCallum said. "It is usually then that I hear what concerns and problems they have that I can help with.

McCallum urged all Fredonia and Town of Auburn area residents with concerns they would like to express to see him during the hours.

"Not everyone should feel they have to say something," McCallum said. "Sometimes it is just as helpful to listen to ideas others are expressing."

The Fond du Lac Republican will be at the Fredonia Village Hall from 12 noon until 12:45. He will be at the Auburn Town Hall from 1:30 p.m. until 2:15

CITY OF WEST BEND RECOGNIZED FOR ENERGY SAVINGS

Although we are presently a society enjoying an overabundance of energy resources, it is very important to continue to save energy as often as possible. Residents of our state have received national recognition under a new program the Department of Energy (DOE) is sponsoring. In the 9th District, the City of West Bend was recognized for the West Bend Lighting Conservation Pro-

This program, the National Awards Program for Energy Innovation, seeks to identify and reward innovative conservation and renewable energy achievements that hold promise for expanded use throughout the country.

The awards program is part of an Office of Conservation and Renewable Energy initiative called "Technology Transfer '80." Through this program, the DOE hopes to develop a cooperative State/Federal energy efficiency effort to increase technology-sharing in

the coming years. Descriptions of award-winning projects will be prepared by project sponsors and disseminated by the DOE through various media to encourage others to use these effective technologies and techniques.

In the first year of the program, participating states submitted more than 300 state award-winning conservation and renewable energy ac-complishments to the DOE for national award consideration. DOE has just completed an expert review to select 296 national winners and 39 projects especially deserving of the top award, Special Recognition.

Nowadays, as we hear so much about all the waste and inefficiency in government, it is heartening to hear about those trying to cut back and conserve energy. These groups are not only saving energy for tomorrow, but they are also saving the taxpayers some money today. They deserve our applause.

The four year Armed Forces Health Professions Scholarships pay full tuition plus the cost of books, fees and laboratory expenses, and more than \$600 per month of living expenses.

To be eligible, a student must be a U.S. citizen accepted for enrollment in an approved school of Allopathic or Osteopathic medicine, said MSgt Brown. Participation is based on competitive selection.

There is a two-year Air Force service obligation for the first two years a student is in the program. Thereafter, there is a six-month obligation for every six months or less participation. Students without prior military service must serve a minimum of three years.

Students serve 45 days annual summer tour of duty as an Air Force second lieutenant, drawing full pay and allowances for that grade. During this time they perform limited clinical duties or attend an Air Force orientation course. According to MSgt Brown, the training period is designed to provide meaningful military and professional experience propriate to educational level and abilities.

Sensenbrenner **Awarded Small Business Honor**

Rep. F. James Sensenbrenner has earned the "Guardian of Small Business" Award from the National Federation of Independent Business (NFIB) for his outstanding voting record on smallbusiness issues

The nation's largest smallbusiness group presented him with the award because he voted in support of positions voiced by the majority of NFIB members 87 percent of the time.

On announcing the award, NFIB President John Sloan "The voting record of said. Rep. Sensenbrenner throughout this Congress demonstrates that he is responsive to the needs of his state, because small businesses create the majority of new jobs, and, if left to flourish, will continue to be the driving force behind this country's resurgent economic growth."

House members were rated in 18 recorded votes during this session of Congress. Issues ranged from cutting the federal deficit to controlling payroll taxes to giving small firms a chance to compete for government contracts. Members of Congress who failed to vote on at least 70 percent of the issues counted in the ratings were not eligible for the award.

NFIB is a non-profit, nonpartisan organization representing 10,973 small-business owners in Wisconsin and more than a half-million independent businesses across the country.

Minutes of Village Board Meeting

Mid-Monthly Meeting September 17, 1984 8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Mid-Monthly session in the Council Room of the Municipal Building, 204 First Street.

President Gerald F. Stollenwerk presided. Trustee Paul Blumer was absent. All other Trustee Members were present.

On a motion by Trustee David Nigh, seconded by Trustee Donald Mlodzik and unanimously carried by voice vote, the Board approved the minutes of September 4, 1984.

Administrator Daniel Schmidt reported to the Board that the Village has received a letter and telephone call from the DNR regarding the WPDES Permit No. WI-0021733-3 (Water Pollution Control Department). The Village was informed a substantial amount of work is going to be required with other related Village committments. These items are being forwarded to the Village in a written report with a time frame for a response and compliance. Due to the financial impact and complexity of the matter, it was recommended to have a consultant review the DNR's findings and bring a recommendation back to the Board at the October 15, 1984 meeting.

On a motion by Trustee Donald Mlodzik, seconded by Trustee Howard Laubenstein and unanimously carried by voice vote, the Board authorized the Administrator to review with the consultants the DNR report and to have one bring a recommendation back to the Village Board October 15, 1984.

Trustee Mary Krueger asked the Chief of Police two questions pertaining to a letter sent to a news reporter regarding police records. Both questions were answered affirmatively and the matter was dropped.

Administrator Daniel Schmidt reviewed with the Board some brief correspondence.

On a motion by Trustee Thomas McElhatton, seconded by Trustee David Nigh and unanimously carried by voice vote, the Board set the Trick or Treat date and hours for 1984. The date being October 28, 1984, the time being 3:00 p.m. to 5:00 p.m.

Trustee Donald Mlodzik, Chairman of the Public Works Committee, reviewed briefly with the Board the results of the Public Works Committee meeting, which was held just prior to the Board meeting.

Trustee Thomas McElhatton, Chairman of the Park and Recreation Committee, announced that on September 25, 1984, at 7:00 p.m. there would be a scheduled Committee meeting.

Trustee Howard Laubenstein, the Board Representative from the Plan Commission, announced the possibility of a Commission meeting for September 25, 1984, at 8:00

On a motion by Trustee David Nigh, seconded by Trustee Thomas McElhatton and carried by the majority, with Trustee Howard Laubenstein abstaining, the Board accepted the low bid from Baumann-Hoffman Hardware, Inc. Cedarburg, WI, for \$7,514, less

the chains. This coincided with the recommendation of the Public Works Committee.

Village Attorney Gerald Kiefer's letter regarding the Washington County Government Coordinator's demands on tornado warnings was reviewed by the Board. It was the consensus of the group that they did not approve of the sounding of the siren for 3 minutes when a blanket county warning was issued, but felt they probably had no choice. Village President Gerald Stollenwerk noted that this choice would be unpopular and inconvenient to many that rely on the siren for such warnings, but that is probably the only choice available. Trustee Howard Laubenstein, Chief of Police Donald Hlavaty, and Administrator Daniel Schmidt are to represent the Board at the upcoming Emergency Government Meeting and work for a united and hopefully compromising conclusion to the problem. No action was taken.

A brief reivew was held pertaining to the proposed Capital Improvements Program. No action was taken.

Motion was made by Trustee Mary Krueger, seconded by Trustee Donald Mlodzik to suspend the rules to take action on agenda items IX.B. (Discussion on proposed 1985 budget for the Fire Department and Fire Contracts for the Town of Kewaskum and Town of Auburn). Roll call vote was passed by the majority. Roll call vote was 6 "Aye," 0 "Nay," 1

"Absent."

Administrator Schmidt reviewed with the Board the 1985 Fire Department budget, which reflects a .08% decrease. It was also noted the Village's share of the budget will go down approximately 2.0% (\$934), while the Town of Kewaskum's will increase 4.1% (\$1,490), and the Town of Auburn's will decrease by 3.3% (\$616).

On a motion by Trustee Donald Mlodzik, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the Board approved the Fire Department budget and authorized the Administrator to send the approved Fire Department budget and contracts to the townships.

Trustee David Nigh asked to be excused and was marked as being absent at 9:00 p.m.

A review and general discussion was held on the Municipal Building remodeling plan. A few questions were asked by the Board, without any basic objections forthcoming regarding the preliminary plans as presented.

On a motion by Trustee Donald Mlodzik, seconded by Trustee Howard Laubenstein and unanimously carried by voice vote, the Board approved the relocating of the police radio relay tower by Matteson Communications, Fond du Lac, WI, at a cost of \$1,950.00.

Motion was made by Trustee Mary Krueger, seconded by Trustee Thomas McElhatton to adjourn to closed session under Chapter 19.85 (1) (c) of the Statutes to discuss employee negotiations, compensation and performance data of village employees over which the governmental body has jurisdiction. Roll call vote was 5 "Aye," 0 "Nay," 2 "Absent." The motion was carried by the majority.

Wisconsin's Group Deer **Hunting Law**

Wisconsin Department of Natural Resources

On May 24, 1984, the Wisconsin Legislature created a new law which legalizes the shooting of as many deer as there are members in the hunting party. The law became effective June 8, 1984.

THE LAW... Any member of a group deer hunting party may kill a deer for another member of the party with a firearm if both of the

following conditions exist: 1. At the time and place of the kill, the person who kills the deer is in contact with the person for whom the deer is killed.

2. The person for whom the deer is killed possesses a current, unused deer carcass tag which is authorized for use on the deer killed.

Two definitions are as-

sociated with this law: 1. "Contact" means visual or voice contact without the aid of any mechanical or electronic amplifying device other than a

hearing aid.
2. 'Group deer hunting party" means 2 or more hunters hunting in a group all using firearms, each of whom holds an individual license to hunt

WHAT YOU CAN DO ...

You may shoot more than one deer as long as all of of the following conditions are met:

1. One or more licensed hunters from your hunting party is with you.

2. The party member with you has a current, unused, carcass tag.

3. You are in visual or voice contact with the person for whom the deer is intended at the time of the kill.

4. You make sure that the member of the party with you attaches his or her validated deer carcass tag to the deer without delay

WHAT YOU CAN'T DO ...

You cannot:

1. Use electronic or mechanical amplifying devices (such as CB radios, binoculars or loudspeakers) other than a hearing aid to maintain visual or voice contact with a party member.

2. Leave the deer unattended until it is properly tagged.

3. Delay in attaching a validated carcass tag to the deer.

4. Use a bow and arrow or crossbow to kill a deer for a member of your party.

TAGGING INSTRUCTIONS

1. The deer carcass tag must

be validated by slitting the appropriate information on the tag and immediately attached to the ear or the antler of the deer (do not attach the tag to the gambrel).

2. You must register your deer killed under regular license, before it is removed from the season zone in which it was killed.

3. An antlerless deer killed under the authority of a Hunter's Choice or Antlerless Deer Hunting Permit must be registered before leaving the Deer Management Unit where killed.

4. The tags may be removed from a gutted carcass at the time of butchering.

5. The person who attaches his or her carcass tag to a gun-killed deer (or obtains it as a car kill or from a deer farm) must retain the tag until the venison has been eaten. The registration tag must be kept in the same manner.

6. The person who retains the deer tag may give a gift of deer meat to another person. The recipient is not required to have

Indians to Host Plymouth Friday

By John Harju

Kewaskum and Plymouth, both looking for their first wins, are set to meet each other in a conference showdown Friday night at 7:30 in Kewaskum.

Last week, Plymouth received its second conference loss at the hands of the Kiel Raiders, 27-0. This was the second straight game in which Plymouth (0-2 conf. 0-4 overall) was shut out.

Kewaskum, idle last week, is coming off an opening conference loss of two weeks ago to Two Rivers.

In other E-W games, Two Rivers ripped Chilton 24-6 behind the passing of Raider QB Bob Walesh who completed 13 out of 17 for 192 yards and three touchdowns.

Sheboygan Falls crushed New Holstein, 45-6. Falls running backs Jim Schlegel and Porky Mauer rushed for 111 and 105 yards, respectively.

Girls 5th, Boys 6th in Plymouth Relays Invite

By John Harju

The Kewaskum girls cross country team finished 5th, with the boys placing 6th in last Tuesday's Plymouth Relays Invitational meet.

New Holstein won the girls' title — placing 3 girls in the top 5 — while Little Chute won the boys.

Sandy Klein was the top Kewaskum female, running the 3200 meter course in 13:53 - 9th place. Lori and Carrie Batzler were next with 17 and 18th place finishes.

The Indian boys, combining for a 95:23.1 time, were once again led by Gunner Schlieter who finished fourth individually (17.42.3). Monty Shaw was next

with an 18:10.1.

Girls 3rd in EW Tennis Tourney; Win Final Dual

By John Harju

The Indian girls tennis team captured third place at Saturday's E-W conference tournament. Host Plymouth took first place — winning 6 out of 7 individual championships — followed by Two Rivers, Kewaskum, and Chilton.

Soph Julie Reha won the silver medal at No. 4 singles as did the No. 3 doubles team of Shelly Wessing/Karie Sarauer to highlight Kewaskum's efforts.

Although Sheboygan Falls was ineligible to compete this year as an E-W team, they did, however, compete in Saturday's conference tourney. This made Indian coach Rob Anglim extremely displeased. He commented that because Falls' girls competed this forced a preliminary competition bracket at each level and caused the rest of the teams to lose team points. Anglim is presently protesting Sheboygan Falls' play at the tournament.

Because of the additional bracket (called the pigtail bracket) Amber Charland was eliminated early at No. 1 singles as was Kewaskum's No. 1 doubles team of Nancy Baron/Tina Survis.

Junior Devona Gruber won her preliminary match but could not continue because of an injury she suffered in the following round 1 game.

Senior Beth Keagle lost her first match but went on to win the consolation match at No. 3

Kewaskum's No. 2 doubles team of Gale Schekirke/Becky Falk lost their consolation match, as well.

E-W tourney Kewaskum girls finishes:

No. 1 singles — Amber Charland 0-1; No. 2 singles — Devona Gruber 1-1; No. 3 singles — Beth Keagle 1-1; No. 4 singles — Julie Reha 1-1 (second place); No. 1 doubles — Nancy Baron/Tina Survis 0-1; No. 2 doubles — Gale Shekirke/Becky Falk 1-1; No. 3 doubles — Shelly Wessing/Karie Sarauer 1-1 (second place).

Kewaskum 4, Chilton 3
The Kewaskum girls' tennis
team narrowly won their final
dual meet last Thursday, a 4-3

decision over visiting Chilton. Kewaskum's Beth Keagle - at No. 2 singles - and the No. 3 doubles team of Devona Gruber/Julie Reha won. The Indians' other victories came by forfeit at No. 2 and 3 singles.

Singles — Amber Charland lost to J. Wagner 4-10; Beth Keagle beat P. Steffes 10-4; Devona Gruber won by forfeit; Julie Reha won by forfeit.

Doubles — Becky Falk/Gale Schekirke lost to Carls/Kolbe 5-10; Tina Survis/Nancy Baron lost to Martens/Nenning 8-10; Reha/Gruber beat Martin/Schemer 10-1.

Spikers Win Invitational, Split 2 Matches

By John Harju

Dave Rizzardi's Indian spikers won Saturday's 4-team Campbellsport Invitational.

Rizzardi commented that "we played good volleyball," also noting that," everybody made a contribution."

The Indians defeated North Fond du Lac 17-15 in a thrilling tie breaking win after both schools finished with 5-1 records. Oakfield was third (2-4) while Campbellsport was 0-6.

Kewaskum won the first game 15-8 but N. Fondy came back and won the second 15-7 to force the deciding final game. Laurie Blum served the winning point. Rizzardi noted that Sandy Secor and Lisa Fusek both spiked well in the tournament.

Last week, the Indian volleyball team lost to Sheboygan Falls (8-15, 4-15, 15-11) on Tuesday but defeated Kiel (15-0, 16-14, 15-9) on Thursday.

Highlights for Dave Rizzardi's girls in the Falls game included the 6 out of 8 spiking of Michelle Gebheim as well as 13 good serves in-a-row for Laurie Blum. Rizzardi noted that everyone made a contribution in the win over Kiel and said the win was a needed confidence builder.

Area Fishing Club To Host DNR Speaker

Dick Wedepohl, Lake Management Coordinator for the Wisconsin Department of Natural Resources, will be the featured speaker at the Long Lake Fishing Club Annual Fall Meeting on Saturday, October 6, at Nonn's Resort, Highway F, one mile west of Dundee in Fond du Lac County.

Wedepohl will address Lake Eco-Systems and Long Lake: "Where does Long Lake stand today and what can be done to protect it for the future?"

On display will be wildlife art by Rick Zarling, Artist, and displays by local taxidermists Al Broecker and John Elsinger. "The Half Notes" barbershop quartet will entertain.

The public is invited to the free meeting beginning at 7 p.m. Cocktails at 5 p.m. and the 6 p.m. dinner, including door prizes, is by reservation to 533-8031 with a cost of \$7.00 per prizes.

Long Lake Fishing Club, Inc., is a group of people interested in restoring Long Lake to the good fishing it once was famous for and maintaining the balance necessary for the long term enjoyment.

Persons interested in joining may do so by attending the Oct. 6 meeting or writing 1724 Boy Scout Dr., Campbellsport, or calling 533-4430.

Ketter Wins KM Amateur At Hon-E-Kor

In the finals played Sunday, Pete Ketter, a West Bend Country Club member, became the third player in the 11-year history of the Kettle Moraine Amateur golf tournament at Hon-E-Kor to win a second championship.

Ketter came in with a 70-75—145 in the 36-hole event. Three other former winners, Jerry Sullivan of Hartford CC, Hilary Martin of West Bend CC, and Clark Eichstedt of Hon-E-Kor CC, all came in one stroke behind to lose chances for a title win or playoff.

Sullivan shot 75-71-146, Martin 71-75-146, and Eichstedt 79-67-146.

Ketter joined Eichstedt and Mike O'Connor Jr. as double winners. Ketter's one-stroke margin was by the same 145 score that won the event last year. His other victory came in 1979. Last year Ketter lost a one-hole playoff to West Bend's Frank Tenfel.

Eichstedt won the long drive contest Saturday with a poke of 298 yards.

Dave Denis of Hon-E-Kor won the First Flight with 82-73—155, a shot ahead of Len Carroll and Brian Josten, who won the sudden death for runnerup plaque. Second flight winner was Lyle Troedel who shot 172 on 88-84 for a one-shot victory over Russ Averill. Bill Hemauer was the third flight
