## Committee Reports Dominate School Board Meeting Monday

By GERRY MUELLER  
Statesman Staff Writer

From Monday's School Board agenda, President Jean Goeden can be confident the various citizen/board committees which have been created are alive and well and doing their jobs.

The Policy-Legislation-Instruction Committee headed by

board member Neal Weare is continuing its work on revising and updating district policies.

Two recommendations, the solution to a bussing problem, and the recommendation to purchase a new lawn tractor, from the Finance-Transportation-Buildings and Grounds Committee were also approved at Monday night's meeting.

Board member Tom Brigham, chairman of the Negotiations-Grievance-Personnel Committee clarified a question regarding paid holidays for administrators. He also informed the board his group will be meeting with the Kewaskum Education Association Wednesday morning to work out details and negotiations regarding a proposed position of coordinator for the new Olympics of The

Mind program.

District Administrator John Long gave a report on Kewaskum's standings with regard to students taking the various college entrance exams such as SAT and ACT. Long indicated that while Kewaskum students were above the mean national average in scoring, he thought there were two areas which could be improved upon to raise Kewaskum's scores even more.

Long felt the two problem areas were language usage and problem solving in Math. Addressing language usage, Long said, coming from German backgrounds, students from communities like Kewaskum and Sheboygan have a tendency to place some portions of sentences out of order.

Referring to problem solving in math, Long felt there was room for improvement. High School Instructor Fran Charland said one reason for difficulties in this area was students don't

## Paper Earlier Next Week

Because of the Thanksgiving holiday next Thursday, when the post office will be closed, the Statesman will be printed a day earlier next week on Wednesday. All advertising and news copy must be in our office no later than Monday noon.

## Mrs. Tessar Honored

A Community Recognition Dinner was sponsored by the Modern Woodmen of America Camp 2233, Kewaskum, on October 25, at Hon-E-Kor Country Club, at which Mrs. Lorinda Tessar, Kewaskum, was recognized for her countless efforts toward this community. Shown presenting the Certificate of Recognition to Mrs. Tessar is Ray St. Mary, Camp Counselor.

Mrs. Tessar has been a resident of this vicinity for 85 years, three of which were spent in Manitowoc during World War II. She married Jack Tessar, and they were the parents of four sons, Wayland, Allen, John and Tom, all of Kewaskum. Her husband and son Allen are deceased.

She graduated from Kewaskum High School in 1917,

Milwaukee State Normal (now UW-M) and also attended Marion College at Fond du Lac.

Lorinda taught in area schools for many years. After World War I, in which her husband Jack participated, Mrs. Tessar taught German immigrants reading, writing, spelling, etc., for three years under the Red Cross.

Mrs. Tessar is a member of Peace United Church of Christ, sang in the choir for many years, taught Sunday School, has been a member of the Ladies Guild for 44 years and also served portions on the Church Board.

The V.F.W. Auxiliary has played a big part in Mrs. Tessar's life. The highest distinguished service award was bestowed on her at the

## Annual Christmas Sale Begins Here Friday

The Kewaskum Area Chamber of Commerce is sponsoring the twelfth annual Christmas Coupon Sale beginning Friday, Nov. 16, and continuing to Monday, Dec. 10.

In conjunction with the special sale promotion, merchants are offering individual prizes to the lucky winners. All you have to do is clip the coupons from the full page ad on page 3 and drop them off at the participating

merchants. You must be 18 to register. You will be notified by the merchants if you have won a prize. The drawings are Monday, Dec. 10.

Area merchants invite shoppers to take advantage of the many bargains and specially marked items in stock for the holiday season. This special sale gives everyone the opportunity to shop in "friendly Kewaskum" for their Christmas gifts.

## Irma Reindl Honored

Irma Reindl and some of her former students.

Irma Reindl was honored last Wednesday for over 14 years of teaching at Holy Trinity School during Appreciation Night sponsored by the Home and School Association.

The evening started with a Mass celebrated by Father Robert Berghammer, with students from all eight grades participating and two high school students reading the

epistle.

During the Mass, Reindl was presented a beautiful knotted quilt, with blocks made by pupils from the 1st thru 12th grades. The blocks were put together by Jane Gerhartz, Helen Lauters and Pat Geidel, officers of various societies. A booklet explaining the meaning of each block, was made by

## United Way at \$22,000 Goal \$30,000

"These next few days are critical to reaching our \$30,000 goal," emphasized United Way Co-chairman Steve Van Ess. Treasurer Ralph Remmel reports that contributions tabulated to date total about \$22,000, with several campaign units still out. Van Ess encourages individuals or businesses not yet contacted that wish to support this community fund drive to contact United Way co-chairman at 626-4669 or 626-4638.

seem to be able to deal with abstract theories before the age of thirteen. Long agreed saying that could have been one of the downfalls of modern math. There were a lot of abstractions.

Board member Ralph Horner received a report he had requested regarding the Olympics of the Mind program. Elementary Principal Tom Larsen said all four elementary schools had been enrolled and materials received. Horner inquired as to the status of the middle and high schools in the program. High School Principal LeRoy Kopecky told the board he had been waiting for some direction from them. The board instructed Kopecky and Middle School Principal Dennis Reha to enroll their schools in the program also.

High School Counselor Dave Wietor gave a short report on the drug and alcohol program. The board gave permission for five staff members to attend the next DePaul training seminar when it is held. Wietor told the board, the only cost to the district would be substitute pay for two of the group who are teachers.

Wietor also told the board Richard Zarling, Milt Dickinson and Mrs. Sharon Blank are attending meetings, on the invitation of Fond du Lac County, regarding training and establishment of child abuse programs which are partially related to the problem of drug and alcohol abuse.

The board also approved coaching and teaching resignations and the hiring of replacements for the various positions.

The board then moved into closed session.

Florence Hron.

Irma also received a pillow, which was handmade by the faculty.

A reception in the church basement for Irma and her husband Roger, followed the Mass.

Two of the couple's four children, Marilyn Brath of Kohlsville and Janet Rammer of West Bend and their families were in attendance for the occasion. Two others, Jeanne Coulter, who lives in Colorado, and Mark, in California, were unable to attend.

Former pupils, parents, teachers and members of Holy Trinity Congregation were invited.

Irma was an outstanding teacher and loved and admired by her second grade pupils. She will be missed at Holy Trinity School.

### 2 Local Students Receive Degrees

Two area students are among students who recently received Bachelor's Degrees after completing their work at the University of Wisconsin-Madison. The names of students granted their degrees by UW-Madison are being announced as soon as they are compiled by the university.

The students are: Marybeth Kardos, 1546 Fond du Lac Ave., Kewaskum, History; Jack Michael Staehler, P.O. Box 286, Kewaskum, Communication Arts.

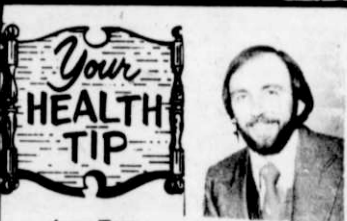

## Mrs. Tessar

[Continued from Page 1]

National Convention held in Chicago in 1979. She is the only one in Wisconsin to receive such an award. She has been a V.F.W. Fred A. Schaefer West Bend Post 1393 member for 56 years, President of the West Bend post six times and State President from 1962-63, Mrs. Tessar was the first President of the local American Legion Auxiliary.

She is a charter member of the Cedar Lake Home Auxiliary where she has done volunteer work for 22 years. Mrs. Tessar's twin sister, Mrs. Lorina Petermann, is a resident of Cedar Lake Home.

Mrs. Tessar has been an active volunteer worker for the Heart Fund, United Way and many other charity drives. She has been a concerned citizen of this community, devoting much of her efforts to the help and betterment of others.

### CHEESE FOR TEETH

Hard cheeses, especially cheddar, have a decay-slowing reaction on human teeth. Ingredients in cheese may interfere with the acid that decays teeth. Consider snacks of cheese instead of sugary foods that tend to decay teeth. For a big smile, and sound teeth, "say cheese."

# Memories...

The Statesman welcomes readers to submit photos for the "Memories" feature. Photos should show life in the olden days in this area. Deliver or mail to The Statesman, 250 Main St., Kewaskum, WI 53040. Photos can be picked up again after publication.

This photo was taken more than 25 years ago of "Ma," Bunny and Lenny Raubunas behind the bar at their Forest Lake Resort, northeast of Kewaskum. Lenny and Bunny and the former's parents, the late Mr. and Mrs. Victor Raubunas, operated the resort for 11 years before selling the property to Art and Mary Narlow of Milwaukee and purchasing a place of business in Tarpon Spring, Fla. Sale of the resort included the property, bar, dining room, dance hall and 11 cottages. The Raubunas' made extensive improvements to the resort buildings, also adding a bathing beach and many new cottages. Later the resort was torn down and the land is now state-owned.

## Girl Scout News

On Tuesday the Girl Scouts from Troop 53 tried their skills at bowling at King Pin in Campbellsport. A good time was enjoyed by all.

In the Wayne community the Scouts have been very busy. They have troops 222, 223, 20, and 4000. The new girls that were invested were Amy Baron, Jennifer Butzlaff, Amanda Fairly, Keri Petri and Amanda Proeber.

Their Investiture and Rededication Ceremony was held at the Wayne School gym on the October 8th meeting.

A candle ceremony with a candle for each of the Girl Scout Laws was part of the program.

The purpose of the ceremony is to invest new girls and to remind other girls of the promise they took, and living it.

The Juniors acted out the Brownie story about the child-

ren and the wise old owl. Girls were then taken to a pond and twisted and turned and allowed to see themselves in the water as Brownies who will try to be helpful, friendly and discoverers.

Refreshments were provided by the leaders and were enjoyed after the ceremony.

The Silver Leadership Award was presented to Heidi Martin.

The special 5 year award pins were presented to Angela Brath, Katie Boland, Tammy Troeller, and Sheila Paulson.

The Kewaskum Area Girl Scouts are holding a food drive to help people less fortunate in our two area. Please send a can or two of whatever you can share with a scout to her next meeting.

All items are due by December 1. Because of your help someone will have a nicer Christmas this year.

Thank You

### 4-H, FFA Members Must Register Meat Animals for County Fair Soon

Washington County 4-H and FFA members that plan on exhibiting and selling meat animals at the 1985 Washington County Fair will need to get their projects entered soon. The County Livestock Sales Committee has organized the programs for the upcoming year.

One of the major changes will be the addition of dairy steers to the program. Dairy steers are an important part of the beef industry in Washington County and Wisconsin, and will hopefully be a part of the county livestock project.

Those individuals planning on entering beef animals will need to get their animals entered by November 28, 1984, or bring the registration form along with you the day your animal is weighed in.

Entry forms and information will be sent out to all past

families that have exhibited beef, to all beef project leaders and general leaders in each 4-H club and FFA chapter. We hope to be able to reach most of the individuals that are interested in the beef project. Individuals not receiving information can contact the Washington County UW-Extension Office.

Exhibitors entering steers will need to bring them in for weigh-in on either Tuesday from 10:00 a.m. to 2:00 p.m. at Kewaskum Frozen Foods in Kewaskum, or December 8 from 10:00 a.m. to 2:00 p.m. at Family Farm Meats in Allenton. All steers brought in must be born on or after January 1, 1984. At the time of weigh-in all steers must be castrated and dehorned.

Exhibitors may weigh in two beef steers and/or two dairy steers. Dairy steers must have

only dairy breed blood and not beef breed blood.

Livestock projects are educational projects. Exhibitors will need to complete the feeding plan, record sheet, and participate in at least two educational programs in order to sell their animals.

Individuals with further questions or needing information can contact the Washington County UW-Extension Office.

### Holy Trinity to Have Craft and Bake Sale

The annual Christmas Craft and Bake Sale, sponsored by Holy Trinity Christian Mothers and Ladies Altar Society of Kewaskum, will be held Saturday, Nov. 17, in the Church Hall, from 11:00 a.m. to 3:30 p.m.

They are again offering a fine selection of handmade crafts and ornaments, along with plants and their taste tempting baked goods.

A raffle featuring a large stuffed mouse and a handmade afghan, along with other craft items will be held.

Lunch will be served throughout the sale featuring hot chili, hot beef sandwiches, beverages and desserts.

Plan to attend this unique sale and treat yourself and friends to an excellent homemade lunch.

### LETTERS TO THE EDITOR...

Dear Editor,

I would like to take this opportunity to thank the voters of the 59th Assembly District for their support in the November 6th election.

I appreciate your support and look forward to working with all of you. If you ever have a question or concern, please let me know.

Thank you,

**Dramatic Rise in ATV Related Injuries**

By GERRY MUELLER  
 Statesman Staff Writer

According to a recently released report, the Consumer Product Safety Commission has found a dramatic increase in the number of accidents, deaths, and injuries directly related to the rising use of three-wheel bicycles known as all-terrain vehicles.

The report, released by the Commission's chairwoman, Nancy Steorts, indicated injury from all-terrain accidents had increased from 3,000 in 1979, to more than 27,000 in 1983. The rate of injuries for the first nine months of 1984 has almost doubled over 1983 totals with an estimated 53,000 so far. At least 44 deaths in 1982 and 1983 can be directly attributed to ATV accidents.

Approximately two-thirds of the victims involved were between the ages of 5 and 24. Presently there are no safety instruction programs, and few laws governing the use, licensing or minimum age standards for these vehicles.

The commission is expected to carry on its investigation and hold additional meetings with representatives of the ATV industry.

KHS Principal Leroy Kopecky welcomes NHS guest speaker Linda Mehoke at recent induction ceremonies.

Four seniors and thirteen juniors were inducted into Kewaskum's chapter of the National Honor Society during a special introduction ceremony held at the high school on November 8.

New senior candidates for induction were: Lori Batzler, Sharon Land, Brian Ruplinger and Richard Wesenberg. New junior candidates for induction were: Stephanie Amerling, Beth Bartelt, Ellen Beisbier, Christine Bodden, Michelle Gebheim, Richard Heller, Lisa Krahn, Leah Kuphal, Barbara Panzer, Anne Rosenberger, Richard Staehler, Adrienne Thull and Kyle Vogt.

Selected on the qualities of scholarship, leadership, character, and service, the new inductees were chosen by KHS faculty and a special advisory council. Each new member of the NHS must have at least a 3.4 cumulative grade point average as well as being active in at least two extra-curricular activities to qualify. Only juniors and seniors meeting

these quotas are eligible. Linda Mehoke, a well established veterinarian from Fredonia, gave a main address at the ceremony pointing out suggestions for attaining future goals. Mehoke graduated from Ripon College with a bachelor's degree in both chemistry and biology and went on to the University of Minnesota where she received her doctorate degree in veterinarian medicine.

Present members Michelle Beesten, Sandy Secor, Mike Steinhardt, Mona Anderson, Janet Mueller, Jon Etta, Chris Dieringer and Amber Charland pointed out orally with requirements, responsibilities, and attitudes which go along with the honor of being a NHS member. KHS principal, LeRoy Kopecky, and NHS advisor Congratulatory speeches as well.

## United Way Of County Exceeds Goal

United Way of Washington County drive leaders wrapped up the fund drive's 1984 campaign and reported pledges and contributions totaling \$188,037.82 or 101% of the \$185,000 goal.

Although the drive is officially over, last minute pledges and contributions are still being accepted. Individuals who have not yet been contacted may send pledges to: United Way of Washington County, P. O. Box 304, West Bend, WI 53095. Pledges may also be dropped off at the West Bend Chamber of Commerce Office.

Those divisions attaining their 1984 goals are:

Division - Financial, Division Leader - Sheila Hittman, % Over Goal - 112%; Public Sector, Terry Kieckhafer, 103%; Cedar Lake Home, Kathy Potter, 115%; Jackson Division, Marilyn Terrill, 120%; Allenton Division, Kevin O'Meara, 101%; Slinger Division, Jim Oaklief, 101%.

Special Gifts Division Leader, Allan Kieckhafer, also exceeded last year's goal.

President, Larry Tainter, expressed his thanks to the many contributors of this year's United Way Drive for their generosity. "We appealed to the working and fortunate, and now thanks to their generosity, many of the friends and neighbors who need the services provided by United Way agencies can get them."

John Meyer, Drive Chairman, issued a special thanks to all United Way volunteer including drive leaders, "without the hard work

and dedication of many volunteers involved in this year's campaign, the drive would not have been possible."

The United Way of Washington County includes the communities of West Bend, Allenton, Jackson, Newburg and Slinger. Twenty of the 25 agencies supported by United Way are located in Washington County.

## Area Girls in AWSC Contest

By GERRY MUELLER  
Statesman Staff Writer

Debbie Seideman (left), of the New Fane Kettle Riders Snowmobile Club, and Julie Zingsheim, of the Kewaskum Sno-Chiefs were among thirty entrants in the Association of Wisconsin Snowmobile Clubs 1985 "Miss AWSC Snowflake" contest.

Each girl was elected their club's 1985 queen on the local level and went on to the state AWSC competition held November 2nd, at Olympia Resort, Oconomowoc, with the hope of earning the opportunity to represent the AWSC throughout the state at various functions.

Debbie, the daughter of Mr. and Mrs. Dennis Seideman, Route 1, Kewaskum, and Julie, the daughter of Mr. and Mrs. Gerald Zingsheim of West Bend, will serve as ambassadors of snowmobiling representing their clubs at dances and fund raisers.

Joy Buchholz of the Eagle River Sno-Eagles was crowned "1985 AWSC Miss Snowflake" by retiring queen Sandy Hamm of Ackerville.

## Nov. 18-24 Is Jaycee Family Life Week

The week of Thanksgiving, November 18-24, is Jaycee Family Life Week. It is a week designated to remember the most important element in our lives and to set aside some special time to do things with that element - OUR FAMILIES.

In our fast paced society, it is too easy to say to other members of our family, "Not now. I'm too busy. Later." Unfortunately, too often later never happens or later is just plain too late.

Try to do a special project with the members of your family every night next week. Even if it only amounts to ten minutes of your time one of the days, it's still worth it. Some suggestions are: play a game,

teach someone a new game, read together, go to a movie, each member of the family prepare one course of a meal, go for a drive, go roller skating, go for a walk, go shopping, enjoy a wonderful Thanksgiving together, tell every member of your family you love them. Use your imagination and the list becomes endless.

The more you put into any relationship, the more you get in return. This is especially true in families. The stronger those relationships are now, the stronger they will become in the future.

Enjoy everyday with your family this Jaycee Family Life Week and every week after that, too. Remember, everyone of us is part of a family. This is a good time to show your love and appreciation to those wonderful people in your family.

## KHS Principal and Student Government Members Attend Leadership Workshop

Page 12, Friday, Nov. 16, 1984

Left to right: Leah Kuphal, Devona Gruber, Terri Schmidt, Jenny Hintz, Mitch Gebheim, Craig Hubbell.

Kewaskum principal Leroy Kopecky and six student government members - Mitch Gebheim, Devona Gruber, Terri Schmidt, Craig Hubbell, Jenny Hintz and Leah Kuphal - recently attended an Eastern Wisconsin Conference Leadership workshop hosted by Sheboygan Falls High School. The purpose of the workshop was to generate interest in school entrepreneurship as it relates to various clubs and organizations

within the respective conference schools.

Keynote speaker for the workshop was Sister Thomas Bartels. In her keynote address she spoke to the group emphasizing the importance of entrepreneurship as it relates to innovation, imitation, hesitation and stagnation of school clubs and organizations. She stressed the importance of leadership and the need for objectives

and/or purposes for all organizations in order to help fulfill a need of the school. Following her address the students had the opportunity to break into the mini-sessions consisting of the four offices of an organization. Community leaders of these offices then spoke to the groups involving leadership roles of these respective offices.

Principal Kopecky and the students felt the workshop was very worthwhile. They felt the

student government can best serve the school and the other school clubs and organizations by serving as a model for leadership roles.

It is hoped the student government can present an in-school leadership workshop for KHS clubs and organizations in the future so that they can function better in fulfilling a need of the school.

## Winter Road Reports Begin

The 24-hour winter road condition information will begin for Wisconsin motorists in time for gun deer hunting season, the state Department of Transportation announces.

The service was scheduled to begin Nov. 15, or earlier if weather conditions warrant, said James W. San Sistine, administrator of the Division of State Patrol. Callers will hear a taped message updated a minimum of four times during the 24-hour period or as road conditions change.

In Madison, the number to call is 266-7040; in Milwaukee, the number is 342-2211; motorists in other parts of the state and from bordering states (Iowa, Michigan, Minnesota and northern Illinois) should call the toll-free number: 1-800-ROAD-WIS (762-3947). The same report is heard on all three numbers.

Road condition information is reported by Wisconsin State Patrol and transportation districts for compilation in Madison into a statewide report of primary traffic corridors. Key counties are contacted routinely to keep condition reports current, while others are contacted as a storm approaches or if conditions are changing rapidly.

Purpose of the recorded reporting service is to provide road condition reports on a statewide basis and to keep telephone lines to State Patrol districts open for reporting accidents or other emergencies that may occur, Van Sistine said.

The winter road condition reports will be maintained until about the middle of April. During the summer months, the same numbers can be called to obtain detour information.

Jack Koehn, who operated the Walter J. Koehn and Son Jewelers Store on Main St. for almost four years, is going out of business in Kewaskum to open a new store in the theatre building in Menomonee Falls around Nov. 23. Leroy Bier, who was employed by Koehn for the past two years, has purchased the building and stock from Koehn and will take over the operation of the business. Bier is a watchmaker and will carry the many famous brands stocked by Koehn. He will be assisted in the jewelry store by Mrs. Bier.

Forest Lake Resort, located about seven miles northeast of Kewaskum, the past week was sold by the owners, Mr. and Mrs. Leonard Raubunas, to Art and Mary Narlow of Milwaukee. Sale of the resort included the property, bar, dining room, dance hall and 11 cottages. The new owners will take immediate possession of the resort, which had been operated by Mr. and Mrs. Raubunas and the former's parents, the late Mr. and Mrs. Victor Raubunas, for the past 11 years. During this time, they made extensive improvements to the resort building, added a bathing beach and erected many new cottages. Lenny and Bunny have purchased a place of business at Tarpon Springs, Florida, which will be operated by Mrs. Raubunas' brother. With their daughter they will leave for Tarpon Springs to assist in the operation of the business during the winter months. During their stay at Forest Lake Mr. and Mrs. Raubunas made many

friends and built the business into a very popular resort where many wedding and dinner parties were held.

Announcement is being made by Mr. and Mrs. Ray Garbisch, Route 1, Random Lake, that their daughter, Joy Lynn, is the fiancée of Karl Haack. Parents of the bridegroom-to-be are Mr. and Mrs. Ray Haack, Route 1, Kewaskum. The announcement was made on Joy's birthday.

Daughters were born to Mr. and Mrs. Howard Laubenstein, Kewaskum, on November 7, and to Mr. and Mrs. Harold Bettendorf, Kewaskum, also on November 7. Sons were born to Mr. and Mrs. John Stellflug, Kewaskum, on November 7, and to Mr. and Mrs. Earl Klabunde, Milwaukee, on November 10. Mrs. Klabunde is the former Elaine Kluever, daughter of Mrs. Norma Kluever, Kewaskum.

## 50 Years Ago

November 16, 1934

This village and community was greatly shocked last Friday morning when it was learned that Clemens Reinders, a prominent businessman and very widely known citizen of this village, had passed away at St. Agnes Hospital, Fond du Lac, on November 9. Mr. Reinders had been ill for six days with bronchial pneumonia. He was born in the Town of Barton on January 22, 1893, and in 1918 was united in marriage to Miss Florence A. Schmidt. One month later he joined the army during the World War. After leaving the army, he was employed for four years at West

Bend for Kapfer and Maenning in their undertaking parlors. Later he came to Kewaskum where he conducted a furniture store and undertaking business up to the time of his illness.

Michael Meagher of Green Bay will open a shoe repairing establishment in the Wm. F. Schultz building, formerly occupied by P. J. Haug as a jewelry store on Main Street within the next week. Mr. Meagher has all the latest and most modern equipment and will do all your repair work in a most efficient manner, at reasonable prices.

Tickets are now being sold by the Kewaskum Public School students for their annual fall presentation. It will be given on November 23. This year the school is presenting a one act play and a two act operetta. The one act play is titled "Aunt Sophy Takes Charge," and the cast includes Martin Gutekunst, Malinda Heberer, Dorothea Manthei, Sylvester Terlinden, Walter Kohn, Carroll Hicken and Harold Smith. The operetta is titled "The Castaways," and the cast includes Iris Bartelt, Lorraine Habeck, Charlotte Romaine, Ruth Koepsel, Marcella Heisler and Doris Mae Rosenheimer. The American women are Dorothy Backus, Marion Petermann, Lucille Romaine, Eunice Manthei, Norma Hawig, Mona Mertes, Esther Claus, Delores Horning, and Janice Koch. The Native Women are Audrey Koch, Rosemary Haug, Pearl Hron, Dorothy Becker, Ruby Menger, Laura Hirsig, Viola Backus, Elaine Schleif, Eleanor Schleif, Doris Seil, Ruth Janssen, Bernice Hicken, Helen Rosenthal, Clara Metz, Katherine Ebenreiter, Bernadette Kohler, Ione Terlinden, Sylvia Maedke, Eleanor Bartelt, Vanelda Klein, Marcella Prost, Rose Lecher, Beulah Kurth and Dorothy Smith.

A home talent play, "Here Comes Charlie," will be given by the St. Bridget's Dramatic

Club at Wietor's Hall in Wayne on November 27 and 28. The play will be given for the benefit of St. Bridget's church and school. A dance will follow the play. Following is the cast of characters: Florence Klein, Joe Weinert, Monica Diers, Joe Kudek, Cyril Westerman, Viola Hawig, Raymond Kudek, Ione Petri, Beulah Westerman and Ewald Volm.

A loss estimated at between \$8,000 and \$10,000 resulted from a fire of unknown origin which completely destroyed a 40 by 90 foot combination barn and granery on the Gerhard Pastors estate in the Town of Barton on Highway 55, a mile and a quarter northwest of the village of Barton where the North Western railroad spur goes into the Northern Gravel Company pit, on Monday. The farm is rented by the Arnold Schmidt family while Gerhard Knoeck is administrator of the estate.

Wisconsin. Rev. Erber's resignation will be accepted by the directors of the church as soon as his successor has been selected.

A very pretty wedding took place at Boltonville on November 3, when Miss Mabel Marshman and Chas. Eisentraut were made man and wife.

Mr. and Mrs. Peter Mertes celebrated the fiftieth anniversary of their marriage on November 10. A special ceremony and high mass was held at Holy Trinity Church. Following the ceremony the children and near relatives repaired to the home of the aged couple's son, N. J. Mertes, where an elaborate dinner was served and the remainder of the day was spent in social converse.

Theo. Eisentraut of Fillmore who bought the Dreher residence next to the M. E. Church property some time ago, moved into said place last Saturday.

Street Commissioner Fred Andrae has been busy the past week with a force of men and teams, graveling the road up along the mill pond.

John Opgenorth is making arrangements to build a new residence on his farm next spring.

## "I'd rather keep on renting my phone. It makes my life simpler."

Of course, you can buy your GTE telephone if you prefer. But you don't have to.

In fact, you don't have to do anything.

You can keep right on renting your GTE phone. The low monthly rent is all you pay. And you can rent as many more phones as you like—without laying out a cent for purchase.

Not only that, but when you rent, you never have to worry about repairs. If your phone should ever stop working (with a minor problem), we'll fix it. You don't pay a penny extra for repairs.

If there's a major problem, we'll simply rent you another phone.

It's very simple: GTE customers do not have to buy the telephones they are now renting.

Period.

We make your life simpler.

# JOIN 4-H

The Kewaskum 4-H'ers have been active for many years. With about 40 members, some of the projects members took this year were rabbits, chickens, cooking, handyman, exploring, horses, sewing, beef, swine, flowers, houseplants, woodworking, electricity, macrame, knitting, crocheting, goats, photography, arts and crafts. Many more projects are available.

The club's fund raiser is a

candy and nut sale during November, besides a yearly dues of 50c per member. Club meetings are held the second Thursday of each month, at 7:30 p.m. in the basement of the Savings and Loan in Kewaskum.

Members need to be 9 years old or in the third grade and not beyond 18 years old. Anyone who is interested in joining must attend the December meeting with at least one

parent. Parents and families are always welcomed to attend meetings and activities.

Some of the activities the club has done this year are bowling party, swimming party, trip to the Domes and Museum, Brewer game with tailgate party, Great America trip and Halloween party. Some of the community service projects are face painting for the 'Art in the Park' day, and a float in the firemen's parade.

4-H helps a child learn to carry a responsibility from start to finish by learning to make, grow or care for something. The end result is being able to exhibit at the County Fair and to keep records of the year in a record book. Families and members have fun meeting new friends and working as a family.

If anyone still wants to join, come to our Christmas party meeting, Dec. 13th. Bring a \$3.00 gift to exchange with someone your own age. For further information, contact Carol Butzlaff (626-4386), Georgianne Holtz (626-4750).

## 4-H NEWS

### KEWASKUM 4-H

The Kewaskum 4-H meeting was called to order by President Billy Butzlaff on November 8 at the Savings and Loan, from 7:40-9:00.

Mike Carron led the American Pledge and Holli Etta led the 4-H pledge.

Next we played three games for recreation.

The secretaries report was read by Holli Etta. Jean Holtz accepted it an Bobby Friedemann 2nd it. The treasurer's report was read by Tammy Bath. Jean Holtz accepted it and Mike Carron 2nd it.

For old business, Becky Manthei reported on the Halloween Party. We took 3rd prize on the window display at Rich's Food Store and we received \$3.00.

On October 18 at 7:00 o'clock all the officers got together at the Etta house and they planned what activities we are going to do for each month.

Our December meeting we will have a Christmas Party. We will exchange gifts which shouldn't be anymore than \$3.00. We will go Christmas Caroling, and everybody has to bring 1 dozen of cookies which will be given to the Exodus House. In January we will go ice skating, for February our club will challenge the Wayne Crusaders in a game of volleyball. March we are going bowl-

ing and April we are going to the Pabst Theatre. For our May outing we will clean up the park and go biking. In June we are going to a Brewer's game and July to Great America. Our August outing we will challenge the Wayne Crusaders in a game of baseball.

For new business it was stated we should pay our 50c dues for the new year at our next meeting.

All the officers were to report on a project they did at the fair. Bobby Friedmann reported on photography; Bill Butzlaff - pigs; Jenny Sauer - goats; Chris Holtz - horses; Michelle Etta - foods revue; Tammy Bath - clothing; Holli Etta - crocheting and flowers, and Mike Carron - handyman.

The candy bars and nuts were handed out at the end of the meeting. The candy bars are 50c each and one can of nuts is \$4.00. Each person received two cans of nuts, 18 almond bars, 18 carmel bars, and 12 crunch bars. The money should be handed in the next meeting. Mrs. Seideman wants everyone to let her know by Thanksgiving if you need more candy bars or nuts or if you can't sell anymore.

Billy Butzlaff adjourned the meeting. Jenny Bauer accepted it and Tammy Bath 2nd it.

Reporter, Michelle Etta

## MY MOST MEMORABLE THANKSGIVING

The following news story was written by Olivia A. Luib, M.D., a classmate of R. G. Edwards, M.D., Kewaskum, who is attending classes in Creative Writing at Concordia College near Mequon:

It was mid-September. Upper New York was a gorgeous sight. The foliage had turned into all shades of red, yellow and brown. I woke up feeling some discomfort. I was not due until the last week of the month but something inside me announced that my time had come. Soon the discomfort became real pain and the time interval narrowed down to just a few minutes. I had my living quarters within the hospital compound and I could have easily walked to the Admitting Office but walking was no longer easy for me. Besides, who wants an accident in the corridor. So, I phoned for a wheel chair to the Interns' Quarters. No sooner did they put me into bed when I completely passed out both from fatigue and a sedative injection. When I woke-up, a little bundle was beside me with dark hair and brown eyes. He was a darling. I cabled my husband who was three thousand or more miles away from me. I also called my brother in Chicago and my brother-in-law in California. My co-interns bought a big bouquet of multicolored chrysanthemums.

I was discharged three days later and I found myself in the Interns' quarters again. I had no other place to stay with the baby. At sixty dollars per week, I could not afford an apartment in Bronxville, New York, where I lived and worked. A full time babysitter was also out of question. I managed to go back to work after one week. Of course I had to ingest a mouthful of Darvon compound, so much so that I often seemed to float instead of ambulating. My friends and co-interns managed to baby-sit for me on their days off. Everything went on smoothly until the baby started to cry a lot. Then I was really in trouble. The nurses, who also occupied the same quarters, started complaining to the hospital administrator. I was given an ultimatum: either I send the baby back home or move out of the hospital quarters.

I met a friend whose mother came to the United States just to baby-sit for them. However, they live about fifty miles from me. I made an arrangement with them that I would compensate them for taking care of my baby certain days of the week but that I would do all the

laundry, formula preparation, baby hygiene, etc. They were kind enough to agree but to commute almost everyday for about fifty miles one way, three bus exchanges, chilly autumn winds and a fragile bundle in your arms that was more than enough to dampen a strong will.

I decided to send the baby back home even though I knew it was going to kill me. I called the different airlines but no one would accept a baby less than three months old. By now the hospital had decided to send us home, both myself and the baby. With it, all my hopes, dreams and aspirations had turned to ashes. I remembered taking the stairs instead of the elevator so I could cry with every step I made.

"There is always a silver lining, back of every cloud you see," so goes a song I once knew. A young candygirl approached me and told me that her mother might like to take care of the baby in their home. They were in Florida vacationing at that moment but she would call them. A few days later she announced that her parents were willing to assume responsibility of the baby so I could finish my training. They came home a few days short of Thanksgiving. They lived close to the hospital in a town called Yonkers, New York. I entrusted my baby to them. I was free to go in and out of their apartment and above all they would not accept any monetary compensation. I celebrated my first and my most memorable Thanksgiving with them.

- 3) Schwartzburg Chevrolet-Olds, Inc., West Bend, WI \$11,485.00.

The bids were turned over to the Chief of Police for review and a recommendation.

On a motion by Trustee David Nigh, seconded by Trustee Paul Blumer and unanimously carried by voice vote, the Board approved the applications for Operator's (bartender's) Licenses upon proper payment of fee and authorized the office to issue said licenses as follows:

Christine Buss - Kewaskum, WI

Cheryl McElhatton - Kewaskum, WI

Jeffrey R. Thelen - Campbellsport, WI

NOTE: The Public Department had no objections to any of the applications.

On a motion by Trustee Mary Krueger, seconded by Trustee Thomas McElhatton and unanimously carried by voice vote, the Board authorized the office to issue the building permit for a small addition to the home at 1511 Fond du Lac Avenue for Greg Ogi. The permit application was approved by the Building Inspector and the Zoning Administrator. The permit to be issued after payment of fees is received. It was made clear that the granting of this permit in no way approves the request of Greg Ogi to proceed with the conversion of his home into a Veterinary Hospital. This matter is to be addressed at such time a conditional use

permit is heard.

Administrator Daniel Schmidt reviewed with the Board some brief correspondence.

Two letters pertaining to the remodeling of the Municipal Building were reviewed. The first was a letter from Fischer-Fischer-Theis, Inc., the architects, indicating it would be possible but economically and practically not feasible to design the proposed addition to accommodate a second floor at a future date for several reasons. The second letter from Ruckert & Mielke, Inc., the engineers, indicated that the cost would run an estimated \$30,000.00 higher and they they recommend that the proposed addition should not be designed for a future second floor.

The Board directed the Administrator to let both parties know they should proceed without a future second story.

On a motion by Trustee Paul Blumer, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the Board approved the payment of bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

Village Gen. Fund \$99,276.11  
Water Dept. Fund 7,046.39  
Sewage Dept. Fund 25,279.72  
TID Fund 53,747.21

Trustee Donald Mlodzik, Chairman of the Public Works Committee, brought up for discussion the present winter parking ordinance and asked if anyone had feelings on changing it. On a motion by Trustee Howard Laubenstein, seconded by Trustee Paul Blumer and unanimously carried by voice vote, the Board expressed their wishes to keep the winter parking ordinance as previously established.

Trustee Mary Krueger reported on the Library Board meeting which was held earlier in the evening. No action was required.

On a motion by Trustee Donald Mlodzik, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the Board accepted the bid of Mueller Excavating for \$96,737.86 for the Water Main and Sanitary Sewer Extension project as recommended by the Engineering firm of Ruckert & Mielke, Inc.

Administrator Daniel Schmidt reviewed the proposed departmental budgets with the Board along with budget related

information. The entire proposed 1985 budget was then reviewed and discussed and the Administrator asked for guidance regarding the amount of increase, if any, the Board was seeking on the budget. It was the consensus of the Board to try to come in with a 0% increase and the rate per thousand for the village portion of property tax. It was also noted that the public hearing would be scheduled for November 26, 1984, at 7:00 P.M.

On a motion by Trustee David Nigh, seconded by Trustee Paul Blumer and carried by the majority with two members voting against (Trustee Thomas McElhatton and Trustee Mary Krueger), the Board authorized the purchasing of the 1985 replacement squad car from Mayfair Chrysler/Plymouth of Milwaukee, WI; the low bidder of \$10,642.03, as recommended by Police Chief Hlavaty. This action followed a review of what the department has spent on one squad verses the current two squad program as implemented in 1982. It was noted that in a brief report the cost for the department has decreased the last two years and is substantially less than it was when one squad was in use.

Ordinance No. 84 - 5 was reviewed and action was taken.

### ORDINANCE NO. 84 - 5

Permanent Elimination Of The Duplicate Treasurer's Bond

AN ORDINANCE RELATING TO THE COLLECTION OF STATE AND COUNTY TAXES BY THE VILLAGE TREASURER.

The Village Board of the Village of Kewaskum do ordain as follows:

Section 1. The Village of Kewaskum elects not to give the bond on the municipal treasurer provided for by section 70.67 (1) of the Statutes.

Section 2. Pursuant to section 70.67 (2) of the Wisconsin Statutes, the Village of Kewaskum shall be obligated to pay, in case the treasurer thereof shall fail to do so, all state and county taxes required by law to be paid by such treasurer to the county treasurer.

Section 3. The Village Clerk shall file a certified copy of this ordinance with the county treasurer.

Section 4. This ordinance shall take effect and be in force

upon passage and publication as provided by law.

PASSED, ADOPTED AND APPROVE this 5th day of November, 1984.

Gerald F. Stollenwerk  
Village President

Daniel S. Schmidt  
Village Clerk

Introduced by Trustee Donald Mlodzik

Motion for adoption by Trustee Thomas McElhatton

Motion for adoption seconded by Trustee Howard Laubenstein

Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent."

The Board reviewed the Landfill Closure Agreement as asked for by the DNR regarding the Village's Landfill site. The Board suggested that the Administrator use the appropriate figures for the budget as if the Village would not sign the Agreement. The matter was tabled for action at a future meeting.

Administrator Daniel Schmidt reviewed with the Board the claim for refund of taxes by Xerox Corporation as adjusted by the State Board of Assessors. This matter was tabled until December 17, 1984.

On a motion by Trustee Donald Mlodzik, seconded by Trustee Howard Laubenstein and unanimously carried by voice vote, the Board approved and authorized the signing of the Town of Kewaskum Fire Contract for 1985.

Motion was made by Trustee David Nigh, seconded by Trustee Mary Krueger to adjourn to closed session under Chapter 19.85 (1) (g) of the Statutes to discuss litigation by Ralph & Henriette Scott vs. the Village of Kewaskum, under Chapter 19.85 (1) (c) of the Statutes to discuss employee negotiations, compensation and

performance data of village employees over which the governmental body has jurisdiction. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent." The motion was passed unanimously.

## Nov. 11-17 Women in Agriculture Week

A bill signed by President Ronald Reagan establishes November 11 - 17 as a time to honor farm women for their contributions. Governor Anthony Earl was also expected to sign a similar proclamation citing farm women for their commitment to "the preservation of their families and farming operations and to the prosperity of our state's agricultural economy."

The proclamation points out that farm women function as "accountants, machine operators, veterinarians, crops specialists, businesswomen and mothers" contributing "substantially to the stabilization of family farms in Wisconsin."

"Farm women have always been important partners in Wisconsin agriculture. They've been keeping the books, raising calves and running tractors for years...it's appropriate that they be recognized for their contributions," commented Marge Neuburg, Richfield, chairman of the Washington County Farm Bureau women's committee.

## Local Marksmen Win Awards

Jan Rosenthal and Jim Borusky, employees of the Kewaskum School District, were awarded the West Bend-Barton Sportsman's Club Championship Pistol Medals at an awards ceremony last week.

Rosenthal, who hung on to an early lead in the Class "B" centerfire division and survived a "shootout" against veteran marksman Marv Schommer, ended the fall season with 6 wins and 2 losses.

Borusky was 7 and 1 in the class "A" centerfire division and edged out expert Dale Fisher to repeat as Class "A" centerfire champion.

A total of 37 shooters participated. All events were held at the club's range located south of Kewaskum on Trapshoot Lane.

League Coordinator, Nick Schommer, stated that he was pleased with the increasing number of shooters and attributed increased interest to the friendly and helpful attitudes on the part of the club's veteran shooters.

Interested individuals, novices or experienced shooters, who would like to be notified when league activities begin next spring may call Nick at 338-1271.

Results of the Fall League Class "A" centerfire are: Jim Borusky, Champion; Dale Fisher, 2nd place; Ron Muth, 3rd place. High Slow fire, Jim Borusky; High Timed fire, Dale Fisher; High Rapid fire, Dale Fisher; High Average, Dale Fisher.

Class "B" Centerfire: Jan Rosenthal, Champion; Marv Schommer, 2nd place; Dean Seefeldt, 3rd place. High Slow fire, Jan Rosenthal; High Timed fire, Dean Seefeldt; High Rapid fire, Dean Seefeldt; High Average, Jan Rosenthal; High Match score, Jan Rosenthal.

# Indians Play Cougars In Opener Wednesday

By John Harju

Although only 3 lettermen return to this year's KHS boys basketball team, first year coach Perry Koth remains optimistic about this year's squad.

"We have a good team with some good talent," says Koth about this year's squad made up of 7 seniors and 8 juniors.

Back are: senior lettermen Mike Steinhardt, a 6'5" center, who saw some starting time last year averaging just under 6 points a game; Tom Herriges, a 6'1" guard; and Brian Ruppinger, a 5'7" playmaking guard who averaged 5.1 points a game last year in a starting roll. 6'3" Todd Wiedmeyer, who played JV last year, also returns.

Three more seniors who didn't go out for the sport last year join this year's squad. They are: 6'2" forward John Harju, 5'8" guard Henry Stoffel, and 5'11" forward Barry Murre.

Juniors, many of whom made up last year's 13-5 JV team, are: Terry Howell, 13-5 JV center, Tim Rohlinger, Kevin Stange, Todd Steger, Tom Stuck, Ron Theusch, and Bob Yahr.

Koth, who coached the JVs last year, will begin his first year as varsity coach this year since replacing Jim Westphal, who resigned after witnessing

his 1983-84 Indians finish 9-9 overall.

On Saturday the varsity boys participated in a scrimmage at West Bend High School involving West Bend West, Ozaukee, Campbellsport, and Slinger. Koth remarked that, "we looked good," although, "we still need some work."

On Wednesday, the varsity boys open their 1984 campaign against Campbellsport at 8:00 p.m. in the Kewaskum High School gym. The Indian JVs and freshmen are scheduled to start at 6:15 p.m.

### Arndt Starter at UWWC

## Kewaskum's Wodsedalek Key to Lakeland's Basketball Hopes

Sheboygan — Five lettermen, three of them returning starters, including Dale Wodsedalek from Kewaskum, are on hand as Coach Duane (Moose) Woltzen enters into his 21st year of coaching at Lakeland College. This nucleus is expected to provide enough leadership and fire power to insure another winning season, although Lakeland will be hard-pressed to win the Lake Michigan Conference championship and equal its 23-9 record of a year ago.

Forward Wodsedalek, a 6-5 junior, reported in this year 15 pounds heavier and much stronger. He was last year's "most improved" player, so much is expected from him in 1984-85. Wodsedalek is a consistent scorer and a capable rebounder. If he continues to improve, he could well key any hopes Lakeland has for repeating as conference champion.

Leading the Muskies fast break will be senior guard Courtland James, 6-1, who has joined the 1,000-point club in only two seasons. Junior guard Keith Leonard, Sheboygan, 6-4, is another star returnee, top defender and team player. Curt Barwig, 6-1 senior and valued swing man, and Dan Mader, Appleton, 6-8 junior center who appears ready to nail down a starting spot, are the other lettermen. Forward John Koslowski, Lakeland's all-time leading scorer, has graduated and is playing professional basketball in France. "He will be impossible to replace."

Woltzen's several new recruits, are good ones.

Another former Kewaskum star of last year's 1983-84 high school basketball team, Brian Arndt, 6-6 freshman center, is a starter on the University of Wisconsin-Washington County

team this year. Arndt finished with 20 points to lead the scoring in UWWC's victory over Wisconsin Lutheran Saturday in their opening game. Arndt was 7 for 10 from the field and 6 for 6 from the foul line.

### Six Letterwinners Back

## Girls Open With West Bend East, Defending State Champs

By John Harju

Head KHS varsity girls basketball coach Milt Dickinsen is looking to find a few pieces to complete this year's team puzzle.

Dickinsen has six returning letter winners among his eleven varsity candidates. Two of them are returning starters.

Back are: senior starting guard Debbie Bastian, senior forward Sandy Secor, and reserves — juniors Lisa Fusek (guard), Brenda Kober (guard), Dawn Fellenz (guard) and Jodi Yearling (forward).

Bastian has excellent quickness according to Dickinsen and is a good defensive player. Last year, Bastian led the 6-13 squad with 51 assists. Secor, this year's team captain, averaged 5.4 points and 2.9 rebounds a game last year as well as dishing out 24 assists. 5'11" Fusek, who averaged 4.5 points and 4.7 rebounds last year, will probably play center, replacing graduate Julie Koepke. Kober grabbed 49 rebounds, scored 45 points, and passed out 26 assists a year ago.

Rounding out this year's squad are: Seniors Chris Frantzen (forward), Cheryl Schladweiler (forward-center), and Carol Osterbrink (forward); juniors Michelle Gebheim (forward) and Tracy Prescott (guard).

On Saturday, the KHS girls were involved in a scrimmage here at Kewaskum with Slinger, Kettle Moraine Lutheran, and Wisconsin Rapids.

"I was pleased with the way we performed," said Dickinsen

commenting that his girls played solid defense and were very "unselfish." Dickinsen did, however, say that it appears that his team still needs a good shooter to replace the loss of Holly Kempf and Lisa Matenaer who graduated.

Thursday the Indians open up their season against 1983-84 Class A state champions West Bend East at West Bend. Game time is 7:45 p.m. with the JVs beginning at 6:15.
